#### ***Items for Discussion:***

2. Chief Executive Officer's Report: Dr. John Warner, chief executive officer, Wexner Medical Center, kicked off the meeting with his report by recognizing Rita Wolfe – the middle daughter of the late John F. Wolfe and Ann Wolfe – who lost her battle with cancer earlier this month.

He welcomed back Buckeye learners to the College of Medicine and across campus noting the 224 new medical students to the College of Medicine. Those learners will begin their academic year in the long-anticipated, newly renovated Interdisciplinary Health Sciences Center at Hamilton Hall – the new home of the College of Medicine. Also, Dr. Warner shared that the College of Medicine has been recognized by *U.S. News & World Report* as one of the best medical schools in the country again this year. The Wexner Medical Center earned the top spot as the number one ranked adult hospital in Columbus, while also being recognized in eight of 15 nationally ranked adult specialties and being rated as high performing in 13 out of 20 common procedures and conditions.

Dr. Warner shared community engagement highlights celebrating the following events: Faces of Resilience event to support the Center for Psychiatry and Resilience honoring Nina and Ryan Day as the recipients of the 2024 Stress, Trauma and Resilience Award for their support and advocacy for mental health efforts on campus; Team Ohio State participated in the American Heart Association Central Ohio Heart Walk, the WMC has been a supporter and sponsor of the event for many years in an effort to support research and advancement in treating and preventing heart

disease and stroke; and Team Buckeye participated in Pelotonia to support cancer research with 7,000 Pelotonia riders and 3000+ volunteers, Dee and Jimmy Haslam along with Haslam 3 Foundation made a \$2 million contribution to Pelotonia in support of the Leukemia and Hematologic Malignancies Research Program at The James.

Dr. Warner also recognized and congratulated Vinny Tammaro on his departure and return to New York; and Frank Aucremanne on his accomplishments and retirement from the university.

- 3. James Cancer Hospital Report: Dr. David Cohn, interim chief executive officer, James Cancer Hospital and Solove Research Institute, began his remarks with sharing personnel updates, awards, and recognition at national conferences spotlighting our researchers work. The connector that allows for the recruitment and recognitions mentioned is being a National Cancer Institute designated comprehensive cancer center. The James is the only such center in central Ohio and one of two in the state of Ohio. The James is preparing to submit a five-year renewal application for funding in January 2025 with a site visit from the NCI in April or May 2025. Dr. Cohn highlighted Pelotonia’s Ride Weekend as a success while raising the 16-year total to almost \$300M. He thanked donors, volunteers, riders and the community for their support of cancer research.
- 4. Wexner Medical Center Financial Report: Mr. Vincent Tammaro, chief financial officer, Wexner Medical Center, provided a high-level report out of the medical center’s year-end financial performance for FY24.
