PUBLIC SESSION

The Academic Affairs and Student Life Committee of The Ohio State University Board of Trustees convened on Wednesday, January 29, 2025, in person at Longaberger Alumni House on the Columbus campus. Committee Chair Reginald Wilkinson called the meeting to order at 1:59 p.m.

To begin the meeting, Chair Wilkinson recognized the recent national championship victory by the Ohio State football team and welcomed Executive Vice President and Provost Ravi Bellamkonda to the university. He noted how the committee looks forward to working with Dr. Bellamkonda to elevate the academic excellence of Ohio State. The chair also recognized Dr. Karla Zadnik for her leadership as interim provost over the past year.

Items for Discussion:

1. **Provost's Report:** Dr. Bellamkonda expressed his gratitude for the gracious welcome he received, noting what an honor and privilege it is to join the university's long history of excellence. He made clear his belief that The Ohio State University is an "unbelievable expression" of the Morrill Act. In his many interactions with students, faculty, staff and others, both before and after arriving on campus, he sees alignment between the Board and university leadership as well as the clear opportunity for the institution to lead higher education. He closed by expressing his gratitude to be at Ohio State and to Dr. Zadnik for her work prior to his arrival.
2. **Senior Vice President for Student Life's Report: Off-Campus Housing Network:** Senior Vice President for Student Life Melissa Shivers provided an overview of the Off-Campus Housing Network (OCHN), which has been in operation for approximately three years. The initiative seeks to extend the iconic residential experience provided to students in on-campus housing to students living beyond campus borders. Already, 95 property owners, who represent more than 13,000 properties, are part of the network and have agreed to meet certain standards related to health and safety. Third-year undergraduate student Eva Estep then shared her experience working with students and property owners as part of OCHN, which is housed in Off-Campus and Commuter Student Engagement in the Office of Student Life. Dr. Shivers also noted that, through OCHN, the university has built even more productive relationships with City of Columbus Code Enforcement.

4. Resolution No. 2025-58: Approval to Establish the Salmon P. Chase Center for Civics, Culture, and Society as a Tenure-Initiating Unit:

Synopsis: Approval to establish the Salmon P. Chase Center for Civics, Culture, and Society as a tenure-initiating unit.

WHEREAS pursuant to section 3335.39 of the Revised Code, the Ohio General Assembly created the Salmon P. Chase Center for Civics, Culture, and Society (Chase Center) at The Ohio State University; and

WHEREAS the enacting legislation establishes the Chase Center “as an independent academic unit within the Ohio state university ... [that] shall conduct teaching and research in the historical ideas, traditions and texts that have shaped the American constitutional order and society,” and further has “the authority to house tenure-track faculty who hold their appointments in the center” and “the authority to offer courses and develop certificate, minor, and major programs as well as graduate programs, and offer degrees”; and

WHEREAS, since his hire, Professor Strang has worked diligently to develop the Chase Center and position it for future success, including by engaging extensively with faculty, staff, and students across the university and developing external support and partnerships to ensure that the Chase Center meets all applicable requirements for a tenure-initiating unit and has a distinct and sustainable academic focus that advances its statutory mission; and

WHEREAS the Chase Center presented a proposal for tenure-initiating unit status to the Council on Academic Affairs that outlines this work and the efforts to meet the enacting legislation’s requirements that the Chase Center house tenure-track faculty, “offer courses and develop certificate, minor, and major programs as well as graduate programs, and offer degrees,” and exercise all other authority set forth in that statute; and

WHEREAS the proposal was extensively reviewed by the Council on Academic Affairs and approved at its meeting on December 11, 2024, by a vote of 13-3; and

WHEREAS, while the University Senate has not advanced this proposal to the Board of Trustees for consideration despite the Council’s endorsement, section 3335.39 of the Revised Code requires the university to establish the Chase Center in line with the statutory requirements, which the Board both fully supports and has a duty to faithfully implement:

DRAFT

AMENDMENT TO THE RULES OF THE UNIVERSITY FACULTY

Synopsis: Approval of the following amendment to the *Rules of the University Faculty* is proposed.

WHEREAS the University Senate, pursuant to rule 3335-1-09 of the Administrative Code, is authorized to recommend through the President to the Board of Trustees the adoption of amendments to the *Rules of the University Faculty* as approved by the University Senate; and

WHEREAS research faculty are defined in rule 3335-7-30 as faculty with fixed term contracts who are not tenure eligible and who shall be engaged in research related to the mission and goals of the academic unit; and

WHEREAS the primary function of research faculty is to conduct research, and rule 3335-7-35(B) currently states that faculty contracts must explicitly state the expectations for salary support and will generally require one hundred percent salary recovery; and

WHEREAS universities are required to accurately document how much time researchers dedicate to funded projects and are responsible for assuring that charges to federal awards are reasonable, allocable, and allowable; and

WHEREAS if a contract requires one hundred percent salary recovery, then one hundred percent of the research faculty member's time must be allocated to funded projects, precluding effort expended to other activities, including but not limited to preparation of new funding proposals and attendance at faculty meetings; and

WHEREAS the proposed amendment to rule 3335-7-35(B) would modify salary recovery percentages for research faculty and allow them to engage in these additional required activities consistent with funding requirements; and

WHEREAS the proposed amendment was approved by the University Senate during its meeting on March 27, 2025:

NOW THEREFORE

BE IT RESOLVED, That the Board of Trustees hereby approves that the attached amendment to the *Rules of the University Faculty* be adopted as recommended by the University Senate.

3335-7-35: Modification of salary recovery percentage for research faculty.

- (A) Contracts will be for a period of at least one year and for no more than five years.
- (B) Contracts must explicitly state the expectations for salary support ~~and generally will require one hundred per cent salary recovery.~~ The faculty member will be expected to cover no more than ninety-five percent of their salary. It is expected that salary recovery/support will be derived from extramural funds.
- (C) The initial contract is probationary, and a research faculty member will be informed by the end of each probationary year as to whether they will be reappointed for the following year. By the end of the penultimate year of the probationary contract, the research faculty member will be informed as to whether a new contract will be extended at the conclusion of the probationary contract period. In the event that a new contract is not extended, the final year of the probationary contract is the terminal year of employment. There is no presumption that a new contract will be extended. In addition, the terms of a contract may be renegotiated at the time of reappointment.
- (D) During and until the end of the second and subsequent contract periods, research faculty appointments may be terminated for not meeting the terms of the contract (e.g. failure to obtain extramural support for the research). Appointments may also be terminated during a contract period for cause (see rule 3335-5-04 of the Administrative Code), or financial exigency (see rule 3335-5-02.1 of the Administrative Code), and the termination decision for either of these reasons shall result from procedures established by faculty rules. In addition, a contract may be renegotiated during a contract period only with the voluntary consent of the research faculty member. By the end of the penultimate year of each contract period, the research faculty member will be informed as to whether a new contract will be extended at the conclusion of the current contract period. If a new contract is not extended, the final year of the current contract is a terminal year of employment. There is no presumption that a new contract will be extended. In addition, the terms of a contract may be renegotiated at the time of reappointment.
- (E) The standards of notice set forth in rule 3335-6-08 of the Administrative Code apply to research faculty appointments.

HONORARY DEGREE

Synopsis: Approval of the honorary degree listed below is proposed.

WHEREAS the Committee on Honorary Degrees of the University Senate, pursuant to rule 3335-5-48.8 of the Administrative Code, has approved for recommendation to the Board of Trustees the awarding of the honorary degree as listed below:

| | |
|--------------|--|
| LeBron James | Doctor of Public Service, <i>honoris causa</i> |
|--------------|--|

NOW THEREFORE

BE IT RESOLVED, That the Board of Trustees hereby approves the awarding of the above honorary degree.

LeBron James

PROFESSIONAL BASKETBALL PLAYER AND COMMUNITY LEADER

Born in Akron, Ohio, LeBron Raymone James Sr. is a professional basketball player with a dedication to community engagement and improving the lives of children and families through education, opportunities, and community resources.

He led St. Vincent-St. Mary High School to three state championships and was named the 2003 National High School Player of the Year. Drafted by the Cleveland Cavaliers in the first overall pick in the 2003 NBA draft, James was named NBA Rookie of the Year. He is a four-time NBA champion, including with the Cavaliers in 2016, and helped lead Team USA to gold medals at the 2008, 2012 and 2024 Olympics.

Just as he's elevated the game of basketball, LeBron has redefined philanthropy to create a revolutionary model for community building in his hometown of Akron, Ohio. Launched before he stepped foot in the NBA in 2004, the LeBron James Family Foundation invests its time, resources and passion into creating generational change for kids and families that has yielded a visible footprint and viable model for the world on what it means to build community from the ground up.

With its foundational I PROMISE Program, the Foundation serves more than 1,600 students and their entire families by providing them with the fundamental resources, wraparound supports and family programming they need for success in school and beyond. In 2018, the Foundation partnered with Akron Public Schools to build all of its family-first programming and academic interventions into the groundbreaking I PROMISE School that has created a new model for urban, public education. The Foundation has since layered in additional supports including higher education and family programming at the I PROMISE Institute, transitional housing at the I PROMISE Village, long-term affordable housing at I PROMISE Housing, job training and financial health programming at House Three Thirty, medical and mental health services at I PROMISE HealthQuarters, and other impactful activations that are transforming the Akron community, creating a movement that can positively impact the entire country.

With his trail-blazing achievements in sports, business, and philanthropy, James has established himself as one of the most influential figures in the world.
