Richard did undergraduate studies at Gustavus Adolphus College in Saint Peter, Minnesota. He received his Master's and PhD in Entomology from Kansas State University in Manhattan, Kansas. Richard was an Ohio State faculty member from 1969 until his retirement in 2001. He was based at the College of Food, Agricultural and Environmental Sciences Wooster Campus. Richard did excellent research in the development of science-based integrated pest management (IPM) methods, including the use of beneficial organisms and effective use of insecticides, in commercial horticulture. After his retirement in 2001 he continued his support to the industry by serving as a consultant until 2011.

Richard was a prolific author who connected well with all audiences. His dry sense of humor and personal touch made him a highly demanded speaker at research and industry conferences. He traveled all throughout the United States and abroad to provide research-based advice on IPM tactics to growers. Dr. Lindquist served a term as Associate Chair of the Department of Entomology. In this position he provided leadership and support to faculty members in both the Wooster and Columbus campuses.

After retirement from The Ohio State University, Richard and his wife, Linda, moved west to Montana and settled in the Gallatin Valley in 2005, where they enjoyed the beauty of the state. There, he and his wife enjoyed the sunny days of December, January and February, something different from the winter days in Wooster, Ohio. They also enjoyed hiking, cooking, golfing, traveling and attending shows at the Ellen. Richard was an avid listener of lectures at Montana State University. His travels took him to many places in the world, and he liked to learn languages to better connect with those he met. He learned Spanish, French, Italian and Swedish. ## WILLIAM J. MITSCH

Synopsis: The Board of Trustees of The Ohio State University expresses its sorrow regarding the death of William J. Mitsch, Distinguished Professor of Environment and Natural Resources in the College of Food, Agricultural, and Environmental Sciences on February 12, 2025.

Professor Mitsch served with distinction on the faculty for 26 years, from 1986 until 2012. He was the Founder and first Director of The Wilma H. Schiermeier Olentangy River Wetland Research Park at The Ohio State University. A highly regarded and distinguished professor, Dr. Mitsch pioneered the study of wetland ecology and ecological engineering — modeling wetlands ecosystems and wetlands restoration, and authoring hundreds of peer-reviewed published studies that helped shape those academic fields.

Professor Mitsch was a visionary. The Olentangy River Wetlands (ORW) — the first university campus research park of its kind aimed at teaching, research and outreach — has made a lasting impact on our understanding of the importance of water and wetlands to society. With his vision and leadership, the development of the ORW became the place to better understand wetland ecosystem restoration and engineering in these living laboratories. Under Professor Mitsch's leadership, the ORW has been designated a Wetland of International Importance by Ramsar, one of only 41 such sites in the United States and the only one in Ohio.

Professor Mitsch expanded learning and development through exemplary research and teaching, serving as an advisor and mentor to more than 85 master's and PhD students in addition to 20 post-doctoral fellows, who have gone on to esteemed careers and leadership positions in the fields of environmental science, wetland ecology or related areas. To further the reach of the ORW, Professor Mitsch hosted and led public outreach events to engage a diversity of audiences to learn about wetlands, their functions, their restoration and preservation, and hosted professional training opportunities for those working in the field.

Professor Mitsch has served and advanced the field generously — authoring many books, including the internationally acclaimed textbook *Wetlands*, now in its sixth edition, and used around the world to teach the science and management of wetlands. He authored and co-authored hundreds of peer-reviewed published studies. Professor Mitsch was the Founder of the internationally renowned journal *Ecological Engineering* and served as its Editor-In-Chief for 25 years. He also served on the boards of numerous journals and scientific boards. In 1992, Dr. Mitsch organized and chaired the IV International INTECOL Wetlands Conference in Columbus, the largest wetland conference ever held at the time. In 2012, he brought together hundreds of the world's top ecologists for EcoSummit, also held in Columbus.

For his extraordinary achievements as a researcher, educator and advocate for wetlands, Professor Mitsch was awarded the prestigious Stockholm Water Prize in 2004 by King Carl XVI Gustaf of Sweden. He has also been recognized by the Society of Wetland Scientists with the Lifetime Achievement Award (2007), and by the Society of Ecological Restoration International (2005) with the Career Award.

In August 1990, Professor Muir was appointed Chair of the Department of Poultry Science at The Ohio State University. He held this position until July 1994 when the College of Agriculture reorganized. At that time, he was appointed Associate Chair of the newly combined Animal Sciences Department and relocated to the Ohio Agricultural Research and Development Center (OARDC) in Wooster, Ohio. In 1999 he became Assistant to the Director of OARDC, being responsible for special projects, a position he held until his retirement on December 31, 2001.

In his retirement, Professor Muir enjoyed gardening, golfing and restoring vintage motorcycles and a 1957 Thunderbird. He traveled and spent time with family in Oklahoma and Illinois, often dirt biking, sight-seeing and riding four wheelers.

The Board of Trustees of The Ohio State University, in accordance with the guidelines approved by the Board of Directors of The Ohio State University Foundation, shall establish The Pat (BS 1951) and Mona Finlay Undergraduate Music Education Scholarship Fund effective May 22, 2025, with gifts from Arthur P. (Pat) and Mona L. Finlay of St. Petersburg, Florida.

The Music Education scholarship supported by this endowment is to be phased in over four academic years, with one quarter of the fund's annual distribution to be available for scholarships the first year, one half the second year, three quarters the third year and all of it the fourth year and beyond. Awards are to be for an amount equal to full in-state tuition and fees, whether or not it should become governmental practice to fund any portion of those same expenses. The scholarships shall be awarded regardless of financial need. Recipients shall be in-state students enrolled, or planning to enroll, in a program leading to an undergraduate degree in Music Education. Students shall be selected as incoming freshmen and continue to receive annual awards through their senior year, so long as they continue to pursue and qualify for a degree in Music Education. Preference shall be given to eligible graduates of East Liverpool, Ohio, High School, or any school(s) that may replace it. If awarded to graduates of East Liverpool, Ohio, High School, the Director of the School of Music shall provide an annual report on the recipients of the scholarships from this fund to the East Liverpool, Ohio Superintendent of Schools, or his or her successor. The scholarships shall be administered by the Music Education Faculty and the Director of the School of Music, in consultation with Student Financial Aid. Scholarship recipients, the number of recipients, and amount of each scholarship shall be determined in accordance with the then current guidelines and procedures for scholarship administration established by the College of Arts and Sciences, in consultation with Student Financial Aid.

The donors desire that the initial scholarship awards be made only after the fund has been in existence for one full academic year. If in any year the fund's annual distribution is insufficient to fund both previously awarded and new scholarships, only the preferential East Liverpool High School (or replacement school) scholarship shall be awarded to a new student that year. The remaining annual distribution shall be divided equally among the then qualifying students.

All unused annual distribution shall be added to the principal.

The investment and management of and expenditures from all endowment funds shall be in accordance with University policies and procedures, as approved by the Board of Trustees. As authorized by the Board of Trustees, a fee may be assessed against the endowment portfolio for the University's costs of development and fund management.

It is the desire of the donors that this fund should benefit the University in perpetuity. If the need for this fund should cease to exist, or so diminish as to provide unused annual distribution, then another use, shall be designated by the University's Board of Trustees and the Foundation's Board of Directors, in accordance with the policies of the University and Foundation, as recommended by the Director of the School of Music in order to carry out the desires of the donors.
