The meeting of the Board of Trustees reconvened at 1:30 p.m.

### RESOLUTIONS IN MEMORIAM

Resolution No. 81-1

*Synopsis: Resolutions honoring the service of four of this University's faculty members who have recently died are being proposed.*

RESOLVED, That the Board adopt the following Resolutions in Memoriam and that the President be requested to convey a copy to the families of the deceased.

Upon motion of Mr. Galbreath, seconded by Mr. Immke, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

Ernest R. Godfrey

The Board of Trustees of The Ohio State University expresses its sorrow upon the death on June 12, 1980, of Ernest R. Godfrey, Professor Emeritus in the School of Health, Physical Education, and Recreation.

Ernest R. Godfrey was a member of The Ohio State University Department of Athletics from 1929 until his retirement in June, 1962. During this 33-year period, he was always identified with the intercollegiate football program. As a coach, counselor, and coordinator of the work program for athletes, Mr. Godfrey was a positive influence on over 3,000 student athletes at Ohio State. Through his efforts in the job program, countless student athletes were able to finance educational costs and earn degrees.

Mr. Godfrey was born April 19, 1892 in Dover, Ohio. He entered Ohio State University in the Fall of 1911 and graduated in 1915 with a B.A. degree. As an undergraduate, he played football and basketball. After college, he coached football at Wooster High School in 1915, and the following year became athletic director and head football coach at Wittenberg College. He served in the U. S. Army for two years in World War I but returned to Wittenberg after his discharge in 1919. During the 11-year period at Wittenberg, Mr. Godfrey's football teams won 63 and lost 24, while his basketball teams compiled a 95-65 record.

In 1929, he came to Ohio State and began a long and distinguished career as a successful and well-respected assistant football coach and administrator. He became a national authority on the art of place-kicking, developing a number of great place-kickers at Ohio State. He was in great demand as a clinic speaker and lecturer on this specialty.

## RESOLUTIONS IN MEMORIAM (contd)

Ernest R. Godfrey (contd)

Mr. Godfrey was inducted into the National Football Foundation and Hall of Fame in 1972. The largest single Hall of Fame chapter in the nation, in Columbus, Ohio, is named after him.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as an expression of the Board's heartfelt sympathy.

Preston M. Harris

The Board of Trustees of The Ohio State University expresses its sorrow upon the death on June 11, 1980, of Preston M. Harris, Professor Emeritus in the Department of Chemistry.

Professor Harris was born in Springfield, Ohio, on March 28, 1902. He began his professional career at Wittenberg College where he obtained the A.B. degree in 1924. He earned M.A. and Ph.D. degrees in Chemistry at The Ohio State University in 1925 and 1928, respectively. He held teaching appointments at Kansas State University in 1925-26 and at Ohio Northern University in 1927-28. After completing the Ph.D. degree, Dr. Harris was appointed as a National Research Fellow in Physics at the University of Chicago in 1929. Subsequently, he was a Research Associate at Princeton University in 1930, a Loomis Institute Fellow in 1931, and a Research Associate at Ohio State from 1932-34. He was appointed as Instructor in Chemistry at Ohio State in 1934, promoted to Assistant Professor in 1938, Associate Professor in 1942, and Professor in 1945. During 1943-45, Dr. Harris worked on the Manhattan District Project for the University of California. He retired from the Department of Chemistry in 1972; he then was appointed Professor Emeritus by the Board of Trustees at The Ohio State University.

Professor Harris' research was concerned with pioneering methods for the determination of crystal structures by x-ray and neutron diffraction. As a part of that research, Professor Harris and his students developed explanations for the process of crystallization, order-disorder transformations in solids, and charge distributions and vibrations of lithium salts in the solid state. He also developed a photo cell for the Army's Engineering, Research, and Development Laboratory.

Dr. Harris was a member of the American Physics Society, the American Crystallographic Society, Sigma Xi, and he was elected as an associate member of the Phi Lambda Upsilon and Gamma Alpha honoraries.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as an expression of the Board's heartfelt sympathy.

## RESOLUTIONS IN MEMORIAM (contd)

Richard B. Hull

The Board of Trustees of The Ohio State University expresses its sorrow upon the death on June 15, 1980, of Richard B. Hull, Professor Emeritus in the Department of Communication.

Professor Hull was born February 14, 1914, in Charles City, Iowa, and received his bachelor of science degree from Iowa State College in 1938. He later attended the Army Special Training Unit at Oregon State College and served with the U. S. Army Signal Corps during World War II.

A member of the Ohio Educational Television (now Broadcasting) Network Commission from its creation in 1961, he served as its only chairman until the expiration of his fourth term in 1976. It was in his honor that the name of the Network Operations, Tape Duplicating, and Switching Center in Columbus was changed in late 1975 to the Richard B. Hull Operations Center.

Professor Hull was associated with journalism and speech faculties at Iowa State University and with the communication and education faculties at The Ohio State University. While at Iowa State, from 1941 to 1955, he was director of WOI Radio and was cited for his leadership in the development of WOI-TV, the first college-owned commercial television channel in the country. Immediately before joining the Ohio State faculty in 1956, he headed a national one-year study of educational television sponsored by the Ford Foundation Fund for Adult Education on behalf of the National Educational Television and Radio Center. In 1975, he retired as director of the Telecommunications Center.

Professor Hull was the first executive director of the Joint Council on Educational Television. He also served as president of the Ohio Council on Educational Television and as vice-chairman of the Ohio Governor's Interim Commission on Educational Television.

He was a member of the board of directors of the National Educational Television and Radio Center in New York City, a member of the instructional technology committee of the North Central Association of Colleges and Secondary Schools, and was chairman of the Great Plains National Instructional Television Library Advisory Board. He also served as president and board chairman of the National Association of Educational Broadcasters (NAEB), and represented the NAEB at a 76-nation International Conference on School Broadcasting in Rome in 1962 and in Tokyo in 1964 where he served as chairman of the commission on correspondence study.

Among the many awards and citations he received during his career in educational broadcasting were the 1972 "Broadcast Citizen of the Year" award from Miami University (Ohio) Telecommunications Center; the "Distinguished Public Service Award" for leadership as chairman of the Ohio Educational Television Network Commission, from Ohio University in 1973; and a "Special Award for Distinguished Service" from the Central Educational Network in 1976.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as an expression of the Board's heartfelt sympathy.

**RESOLUTIONS IN MEMORIAM (contd)**

Alva M. Tuttle

The Board of Trustees of The Ohio State University expresses its sorrow upon the death on June 21, 1980, of Alva M. Tuttle, Associate Professor Emeritus, Department of Economics.

Dr. Tuttle was a native of Indiana and lived there until completing his bachelor's degree at Butler University in 1923. He received the Master of Arts degree from the State University of Iowa in 1928, and the Ph.D. degree in economics from Ohio State University in 1947..

Professor Tuttle began his teaching career at the University of Wisconsin, where he taught from 1929 to 1933. He subsequently served the federal government as an economic statistician for nine years. He then came to Ohio State University in 1943 and remained an active teacher and scholar until his retirement in 1966.

Professor Tuttle published numerous articles in professional journals. He also published an introductory text in business and economic statistics which was used in published and unpublished form by a generation of students in the College of Administrative Science. Dr. Tuttle firmly believed that "practice is the way to learn statistical techniques." For over 20 years those who passed through his laboratory course learned well the real meaning of that pedagogical philosophy.

Dr. Tuttle was active in the affairs of the American Statistical Association and served for several years on its board of directors. He also was a member of and active supporter of the campus chapter of Beta Gamma Sigma.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as an expression of the Board's heartfelt sympathy.

**AMENDMENTS TO RULES OF THE UNIVERSITY FACULTY**

Resolution No. 81-2

*Synopsis: Amendments to the Rules of the University Faculty are proposed.*

WHEREAS the University Senate pursuant to rule 3335-1-09 of the Administrative Code is authorized to recommend through the President to the Board of Trustees the adoption of amendments to the *Rules of the University Faculty* as approved by the University Senate; and

WHEREAS the proposed changes in the *Rules of the University Faculty* were approved by the University Senate on June 7, 1980, as follows:

July 11, 1980 meeting, Board of Trustees

**AMENDMENTS TO *RULES OF THE UNIVERSITY FACULTY* (contd)**

3335-5-612 Committee on women and minorities.

- (A) The committee on women and minorities shall consist of eleven members as follows:
- (1) Six members of the university faculty;
  - (2) One undergraduate student;
  - (3) One graduate student;
  - (4) One professional student;
  - (5) Vice provost for minority affairs, or his designee, non-voting;
  - (6) The director of affirmative action, or his designee, non-voting.

3335-7-23 Alteration of marks.

- (A) A mark filed in the office of registration, records and scheduling is a part of the official records of the university. It is subject to change only when a procedural error has been discovered in evaluation or recording of a grade. Action to change a grade must be initiated before the end of the second succeeding quarter. In no case will a grade be revised in accordance with criteria other than those applied to all students in the class. If the instructor agrees that an error in the mark was made, the mark will be changed upon written authorization of:
- (1) The instructor of the course,
  - (2) The instructor's department chairman,
  - (3) The director of the instructor's school, if applicable,
  - (4) The dean of the instructor's college, and
  - (5) The authorized representative of the dean or director of the student's enrollment unit.

If a student believes that a procedural error in grading was made, the student should meet with the instructor. If the instructor does not agree that a procedural error was made, the student may meet with the department chairman to discuss the grade grievance. The chairman shall respond to the student no later than thirty days after the student has requested a review by the chairman. Upon receipt of the chairman's response, if the issue is not resolved to the satisfaction of the student, the student may within two weeks request in writing by duplicate submission to the dean or director of

**AMENDMENTS TO *RULES OF THE UNIVERSITY FACULTY* (contd)**

the instruction unit and the department chairman the procedures in paragraph (B) of this rule. Unresolved cases of grade grievance due to grading procedures are subject to paragraph (B) of this rule; unresolved cases of grade grievance due to other causes are not subject to paragraph (B) of this rule.

- (B) Unresolved cases of grade grievances due to grading procedures shall be reviewed by a faculty departmental committee appointed by the department chairman.

- (1) In cases of instructors still affiliated with the university, the review committee shall consult both the student and the instructor and shall determine the validity of the grade grievance due to grading procedures. The review committee shall make its findings known in writing to both the student and the instructor within thirty days of the student's request to the chairman.

If the committee finds that a procedural error has occurred and if the instructor declines to accept the findings of the review committee, the committee shall consider the reasons for not authorizing a grade change given by the instructor and may, upon consideration of these reasons, authorize in writing a grade change to be instituted by the department chairman.

- (2) In cases of instructors no longer affiliated with the university, the findings of the committee shall be reported to both the student and the instructor. If the instructor chooses not to respond, the judgment of the committee shall prevail. If the instructor responds and declines to accept the findings of the committee that a procedural error has occurred, the committee shall consider the reasons for not authorizing a change given by the instructor. In either case, the committee may, upon due consideration, authorize in writing a grade change (if such can be determined) to be instituted by the department chairman.

If a department committee can find no academic basis upon which to recommend an appropriate grade for the course, the student shall be given the option of having the course stricken from the student's record and, if so desired, to retake that course without prejudice or penalty.

- (C) If charges of grave academic misconduct against an instructor are made and substantiated under rule 3335-5-04 of the Administrative Code, the department chairman shall be authorized to appoint a department grade grievance committee to consider grading errors that are alleged to be related to the misconduct. The committee shall consider all evidence and present, in writing, a report to the chairman indicating any recommended grade changes. The department chairman shall be authorized to institute grade changes in accordance with the recommendations of the committee.

July 11, 1980 meeting, Board of Trustees

**AMENDMENTS TO RULES OF THE UNIVERSITY FACULTY (contd)**

If a department committee can find no academic basis upon which to recommend an appropriate grade for the course, the student shall be given the option of having the course stricken from the student's record and, if so desired, to retake that course without prejudice or penalty.

- (D) The graduate school and graduate professional colleges may formulate appropriate modifications of this rule, subject to the approval of the council on academic affairs, and publish this rule in their bulletins.

**3335-9-30 Requirements for an undergraduate baccalaureate degree.**

To obtain an undergraduate baccalaureate degree from this university, an undergraduate student must:

- (A) Have earned a minimum of forty-five quarter hours credit through regular course enrollment at this university.
- (B) Have been enrolled in the college, the colleges of the arts and sciences, or the school recommending that degree during the last quarter necessary to complete degree requirements. The executive committee of the college, the colleges of the arts and sciences, or the school recommending the degree may, on petition by the student, waive this requirement.
- (G) Except for paragraph (B) of this rule, waiver of any part of this rule in the case of individual students may be made only by the council on academic affairs following prior approval by the appropriate executive committee. The provost shall transmit all affirmative actions of the council on academic affairs under this paragraph to the secretary of the student's college and to the director of registration, records and scheduling for notation on the student's permanent record.

**NOW THEREFORE**

**BE IT RESOLVED**, That the foregoing amendments to *Rules of the University Faculty* be adopted by the Board of Trustees for inclusion in the next publication of the *Rules of the University Faculty*.

Upon motion of Mr. Havens, seconded by Mr. Galbreath, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

NATURAL PRODUCTS CHEMISTRY - COLLEGE OF PHARMACY**

**Resolution No. 81-3**

*Synopsis: The merger of two divisions in the College of Pharmacy is being proposed.*

July 11, 1980 meeting, Board of Trustees

**MERGER OF DIVISIONS OF MEDICINAL CHEMISTRY AND PHARMACOGNOSY/  
NATURAL PRODUCTS CHEMISTRY - COLLEGE OF PHARMACY (contd)**

WHEREAS the College of Pharmacy has requested the present Division of Medicinal Chemistry and Division of Pharmacognosy/Natural Products Chemistry be united in a single administrative unit entitled Division of Medicinal Chemistry and Pharmacognosy; and

WHEREAS the teaching, research, and service activities of the two divisions are complementary; and

WHEREAS unification will reduce administrative and committee commitments for the faculty of the divisions; and

WHEREAS existing curricula will continue for the present; and

WHEREAS the Council on Academic Affairs has approved the proposed merger:

NOW THEREFORE

BE IT RESOLVED, That the merger of two divisions of the College of Pharmacy--the Divisions of Medicinal Chemistry and Pharmacognosy/Natural Products Chemistry be united as a single administrative unit to be known as the Division of Medicinal Chemistry and Pharmacognosy, as recommended by the University Senate, June 7, 1980, be approved.

Upon motion of Mr. Smith, seconded by Mrs. James, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

**NEW DEGREE PROGRAM - BACHELOR OF SCIENCE IN AVIATION**

Resolution No. 81-4

*Synopsis: Bachelor of Science in Aviation degree is proposed.*

WHEREAS the Department of Aviation has requested approval of the baccalaureate degree, Bachelor of Science in Aviation; and

WHEREAS the proposal has received the approval of the appropriate faculty and administrative councils and committees in the College of Engineering; and

WHEREAS the objective of the program is to prepare graduates to participate as professionals in the air transportation industry and in aviation-related government agencies; and

WHEREAS student interest in an aviation degree is substantial and growth projections in the air transportation industry forecast numerous employment opportunities; and

WHEREAS existing faculty, courses, equipment, and space are adequate to the present needs of such a degree program; and

July 11, 1980 meeting, Board of Trustees

**NEW DEGREE PROGRAM - BACHELOR OF SCIENCE IN AVIATION (contd)**

WHEREAS the Council on Academic Affairs has carefully examined the proposal submitted by the Department of Aviation and has approved same:

NOW THEREFORE

BE IT RESOLVED, That the foregoing proposal from the University Senate, which was approved June 7, 1980, be adopted.

Upon motion of Mr. Hilliker, seconded by Mr. Galbreath, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

**NEW PROFESSIONAL DEGREE PROGRAM - DOCTOR OF PHARMACY**

Resolution No. 81-5

*Synopsis: A new professional degree program - Doctor of Pharmacy is being proposed.*

WHEREAS the College of Pharmacy has requested approval to offer a new post-baccalaureate professional degree, the Doctor of Pharmacy; and

WHEREAS the Doctor of Pharmacy degree will provide a clinical practice curriculum not presently available in either the baccalaureate or master's programs offered by the College of Pharmacy; and

WHEREAS the Doctor of Pharmacy degree is offered in many other universities and colleges and has acceptance in the profession, and employment opportunities for post-baccalaureate Doctor of Pharmacy graduates are varied and generally excellent; and

WHEREAS faculty and other resources currently existing in the College will be used to support the new program; and

WHEREAS the Council on Academic Affairs has examined the proposed program carefully and given its approval:

NOW THEREFORE

BE IT RESOLVED, That the proposal, as approved by the University Senate on June 7, 1980, be adopted by the Board of Trustees.

Upon motion of Mr. Smith, seconded by Mr. Havens, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

**REVISED BUDGET 1980-81**

Resolution No. 81-9

*Synopsis: A revised Current Funds Budget for 1980-81 is proposed.*

President Enarson:

Next is the matter of the revised budget for 1980-81. This matter was presented by Dr. Vandament this morning--it took the better part of an hour. Most of the Trustees were there, although not everyone. Briefly, the Board adopted the budget the very day that the Governor had announced a 3 per cent cut. The heart of the matter is our recommendation that we, in effect, divide the pain on this, and what we are proposing is a three-part program. One is a \$10 per quarter increase in the instructional fee, the second part is cancellation of the hoped-for mid-year increase of 3 per cent averaged over all the faculty, and third is a commitment for cutting on the unrestricted funds budget on the order of--what is it--\$1,790,000. The students' share of the cost of instruction averages roughly 28-30 per cent; that's roughly the proportion which is reflected here. I am sure Dr. Vandament will be pleased to respond to any questions that anyone may have. This was acted upon by the committee and should be presented by its chairman.

July 11, 1980 meeting, Board of Trustees

### REVISED BUDGET 1980-81 (contd)

*Introduction.* The 3 percent cut in State support for the University, announced by the Governor on June 12, will result in an income loss of \$5.42 million for 1980-81, with the Unrestricted General Funds absorbing \$4.35 million of the total loss. In this proposed budget revision, the burden of this cut is shared by the students and the programs of the University.

It is proposed that instructional fees be increased an additional \$10 per quarter, resulting in a total instructional fee increase of \$30 per quarter in 1980-81. This increase honors the commitment made in March, prior to our knowledge of any State funding loss, to limit the undergraduate fee increase to \$30. This \$10 increase will replace \$1.2 million, or 28 percent, of the loss and parallels the 28 percent share of the Unrestricted General Funds provided by student fees in the original 1980-81 Budget. The University will make expenditure cuts totaling \$3.15 million to cover the remaining 72 percent of the Unrestricted Funds loss.

The University's 1980-81 Current Funds Budget was presented to, and adopted by, the Board on June 12, 1980. On that same day, the Governor announced that a shortfall in State revenues would result in a cut of 3 percent in the funds provided in 1980-81 for the State's agencies and programs. This revised University budget contains a proposed plan of action in response to that reduction of State support.

The 3 percent reduction from previous appropriation levels will have the following effects on the 1980-81 University budget adopted on June 12.

Unrestricted General Funds (Columbus)	-\$4,354,300
Regional Campuses	- 194,900
Cooperative Extension Service	- 203,700
University Hospitals	- 387,800
Other Designated Activities (e.g., Labor Education and Research)	- 274,600
TOTAL	-\$5,415,300

Plans for budget cuts are being prepared in each of the areas listed above. This budget revision for 1980-81 contains those changes that must be made in the projected expenditures and income of all the affected units.

The adjustments to the Unrestricted General Funds require special attention because these funds--formed by pooling State Instructional Subsidies, student fees, and other unrestricted income--provide the primary support for the academic and administrative support programs of the Columbus Campus. The 3 percent cut in State Instructional Subsidies will reduce the Unrestricted General Funds by \$4.35 million from its current base of \$236.6 million. The Unrestricted General Funds Budget for 1980-81 adopted on June 12 fell far short of meeting inflationary costs faced by the University--containing an increase of only 6.1 percent, or \$13.5 million, from the 1979-80 level--and relied heavily on savings made during the 1979-80 fiscal year. Adjustment to the \$4.35 million loss in State support will obviously be difficult.

July 11, 1980 meeting, Board of Trustees

**REVISED BUDGET 1980-81 (contd)**

The following proposed budget revisions distribute the effects of the loss in State support among the three interrelated aspects of the University's budget--student fees, faculty/staff compensation, and program support.

	Income/Savings Gain
Increase Instructional Fees by \$10 per Quarter	\$1,325,000
Less: Increased Student Compensation	125,000
Net Fee Income	\$1,200,000
Eliminate 3 Percent Midyear Salary Increase	1,360,000
Retrench College and Office Program Support	1,790,000
<b>TOTAL</b>	<b>\$4,350,000</b>

The preceding actions will replace \$1.2 million of the \$4.35 million income loss through student fees, and result in a decrease of approximately \$3.15 million in unrestricted income and expenditure from the 1980-81 budget. With these adjustments, changes in the Unrestricted General Funds expenditures from 1979-80 levels will be as follows:

Estimate 1979-80	Proposed 1980-81	Increase
\$222,845,200	\$233,323,400	+\$10,478,200 +4.7%

*Student Fees.* It is proposed that instructional fees at all levels be increased by \$10 per quarter, effective for the Autumn Quarter, 1980. The resulting fee schedule for 1980-81 is shown in the tabular material. The income generated from student fees represented 28 percent of our unrestricted income in our June 12 budget, and this increase will offset \$1.2 million, or 28 percent, of the \$4.35 million shortfall in State funding.

For undergraduate students, this increase--when combined with the earlier rise of \$20--results in a total quarterly change of \$30 per quarter from a 1979-80 level of \$265 to \$295 for 1980-81. This increase is consistent with our announcement in March, 1980 that undergraduate instructional fee increases would not exceed \$30 per quarter. When both Instructional and General fees are combined, a total increase of \$35 raises undergraduate fees from \$335 to \$370 per quarter, a 10.4 percent rise from 1979-80 levels.

*Midyear Salary Increases.* The budget adopted on June 12 contained provisions for a 3 percent across-the-board increase in faculty and administrative and professional staff salaries to be effective at midyear. This portion of the budget was adopted with the understanding that it would be implemented if earlier projections of revenue were upheld. Given the shortfall in State funding, and indications that inflation rates may be lower than originally projected, it is proposed that the salary issue be the subject of continuing study during the year.

July 11, 1980 meeting, Board of Trustees

**REVISED BUDGET 1980-81 (contd)**

*Retrenchment of Program Support.* Studies are currently in progress to reduce expenditures in offices and colleges by \$1.8 million. The information compiled in the development of the 1980-81 budget is under extensive review in the Office of Academic Affairs and the Office of Finance and Planning. Following this review, sessions to revise the budget will be scheduled with the Vice Presidents and Deans. We will place a high priority on protecting core academic and support activities in developing a retrenchment plan that will be announced in September. However, no administrative or academic unit can be immune from close examination during this activity.

We will provide further information to the Board on our fiscal status at its September meeting.

WHEREAS the Board of Trustees adopted the Current Funds Budget for 1980-81 in June, 1980 with the understanding that a reduction in State support might necessitate later revisions; and

WHEREAS a reduction of 3 percent in funds provided by the State has been announced:

NOW THEREFORE

BE IT RESOLVED, That the following Revised Budget for the fiscal year 1980-81, including a revised schedule of fees, be approved.

Upon motion of Mr. Hilliker, seconded by Mr. Havens, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

**Establishment of Named Funds**

**The Chair in Food Industries**

The Chair in Food Industries was established July 11, 1980, by the Board of Trustees of The Ohio State University with gifts to The Ohio State University Development Fund from industry, alumni, and friends of the College of Agriculture.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income, when this account becomes a chair, will be used to provide salary and program support for the work of an individual who will provide leadership for the Food Industries Program. Appointment of this chair will be recommended by the Dean of the College of Agriculture and Home Economics to the Provost and approved by the Board of Trustees.

Should the need for this faculty position cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University, who is then directly responsible for the programs relating to the food industries.

**The Virgil Overholt Drainage Education and Research Fund**

The Virgil Overholt Drainage Education and Research Fund was established July 11, 1980, by the Board of Trustees of The Ohio State University in honor of Virgil Overholt, Professor Emeritus, with gifts from alumni, friends, and industry to The Ohio State University Development Fund.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income and principal is to be used to provide funds for graduate student support, long-term research, and continuing education. Distribution of these funds will be made by the Chairman of the Department of Agricultural Engineering upon the recommendation of an advisory committee, consisting of representatives of the faculty, agriculture, and industry. Distribution for this purpose will be made from income or principal or both, until the funds available to support these goals are exhausted.

Should the need for this fund cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University, who is then directly responsible for the College of Agriculture and Home Economics and the Department of Agricultural Engineering.

**Establishment of Named Funds (contd)**

**The Earl Weaver Memorial Fund**

The Earl Weaver Memorial Fund was established July 11, 1980, by the Board of Trustees of The Ohio State University with a gift to The Ohio State University Development Fund from Earl Weaver, D.V.M. '55.

All gifts are to be invested in the University's Permanent Endowment Fund under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual interest and/or principal from this fund will be used to support projects of the highest priority in the College of Veterinary Medicine. The Dean of the College of Veterinary Medicine will have full discretion in the use of the funds.

Should the need for this fund cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for the study of veterinary medicine education.

**The Professorship in Plant Protection**

The Professorship in Plant Protection was established July 11, 1980, by the Board of Trustees of The Ohio State University with gifts to The Ohio State University Development Fund from alumni, industry, and friends.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be added to the principal until the fund reaches \$250,000. At that time the income is to be used to provide salary and program support for the work of a distinguished scholar and researcher in the field of plant protection. Appointment to this professorship will be recommended by the Dean of the College of Agriculture and Home Economics to the Provost and approved by the Board of Trustees.

Should the need for this faculty position cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to the recommendations from the appropriate administrative official of the University, who is then directly responsible for the University's program in plant protection.

**THE OHIO STATE UNIVERSITY DEVELOPMENT FUND (contd)**

**Change in Description of Named Fund**

At the request of Harry Krieger of Price Waterhouse & Co., the wording in the third paragraph of the endowment description for "The Partners and Employees of Price Waterhouse Endowment Fund" has been amended to comply with the wishes of the donors:

**The Partners and Employees of Price Waterhouse Endowment Fund**

The Partners and Employees of Price Waterhouse Endowment Fund was established December 15, 1976, by the Board of Trustees of The Ohio State University with gifts to The Ohio State University from alumni and friends on the staff of Price Waterhouse & Co., Columbus, Ohio, and the Price Waterhouse Foundation.

All gifts are to be invested in the University's Permanent Endowment Fund under the rules and regulations adopted by the Board of Trustees, with the right to invest and reinvest as occasion dictates.

The annual income is to be added to the principal until the fund reaches the appropriate amount to provide at least \$1,000 annually for support of the Academic Faculty of Accounting. The income may be used for financial assistance to undergraduate and graduate accounting students, for continuing education of its faculty members, for research programs undertaken by faculty members, for the recruitment of new faculty members **and for purposes deemed appropriate to the Academic Faculty of Accounting**. Requests for expenditures of funds will be initiated by the chairman of the Department and approved by the dean of the College of Administrative Science.

Should the need for this fund cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as designated by the partner-in-charge of Price Waterhouse & Co., Columbus, Ohio, or, if no such person exists or the fund ceases to be active, as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for accounting education.

**DEPARTMENT OF TRANSPORTATION  
FEDERAL AVIATION ADMINISTRATION  
GRANT AGREEMENT**

Part 1-Offer

Date of Offer June 12, 1980

Ohio State University Airport

Project No. 5-39-0027-03

Contract No. DOT-FA80-GL-8118

TO: Board of Trustees of the Ohio State University, Columbus, Ohio (herein referred to as the "Sponsor")

FROM: The United States of America (acting through the Federal Aviation Administration, herein referred to as the "FAA")

WHEREAS, the Sponsor has submitted to the FAA a Project Application (herein called an Application for Federal Assistance) dated May 14, 1980, for a grant of Federal funds for a project for development of the Ohio State University Airport (herein called the "Airport"), together with plans and specifications for such project, which Application for Federal Assistance, as approved by the FAA is hereby incorporated herein and made a part hereof; and

WHEREAS, the FAA has approved a project for development of the Airport (herein called the "Project") consisting of the following-described airport development:

Land Reimbursement (14.28 acres); Construct T-Hangar Taxiways (approx. 4,222 S.Y.); Overlay and expand Hangar 4 & 5 aircraft parking apron (approx. 7,400 S.Y.) and install floodlights; widen Taxiway "C" at R/W 32 threshold (approx. 1,089 S.Y.); construct T-Hangar service road (approx. 2,722 S.Y.); Overlay existing T-Hangar taxiways (approx. 1,067 S.Y.); Install new L-801 Beacon.

all as more particularly described in the property map and preliminary plans and specifications incorporated in the said Application for Federal Assistance.

NOW THEREFORE, pursuant to and for the purpose of carrying out the provisions of the Airport and Airway Development Act of 1970, as amended (49 U.S.C. 1701 et seq.), and in consideration of (a) the Sponsor's adoption and ratification of the representations and assurances contained in said Application for Federal Assistance, and its acceptance of this

Offer as hereinafter provided, and (b) the benefits to accrue to the United States and the public from the accomplishment of the Project and the operation and maintenance of the Airport as herein provided, THE FEDERAL AVIATION ADMINISTRATION, FOR AND ON BEHALF OF THE UNITED STATES, HEREBY OFFERS AND AGREES to pay, as the United States share of the allowable costs incurred in accomplishing the Project, 90 Percentum thereof.

This Offer is made on and subject to the following terms and conditions:

1. The maximum obligation of the United States payable under this Offer shall be \$293,955.00.
2. The Sponsor shall:
  - a. begin accomplishment of the Project within Thirty (30) days after acceptance of this Offer or such longer time as may be prescribed by the FAA, with failure to do so constituting just cause for termination of the obligations of the United States hereunder by the FAA;
  - b. carry out and complete the Project without undue delay and in accordance with the terms hereof, the Airport and Airway Development Act of 1970, as amended, and the Regulations of the FAA (14 CFR Part 152) in effect as of the date of acceptance of this Offer; which Regulations are hereinafter referred to as the "Regulations";
  - c. carry out and complete the Project in accordance with the plans and specifications and property map, incorporated herein, as they may be revised or modified with the approval of the FAA;
  - d. submit all financial reports on an accrual basis and if records are not maintained on an accrual basis, reports may be based on analysis or records or best estimates as required by the Regulations;
  - e. monitor performance under the Project to assure that time schedules are being met, projected work units by time periods are being accomplished, and that other performance goals are being achieved as established by the Regulations.
3. The allowable costs of the project shall not include any costs determined by the FAA to be ineligible for consideration as to allowability under the Regulations.
4. Payment of the United States share of the allowable project costs will be made pursuant to and in accordance with the provisions of the Regulations.

Final determination of the United States share will be based upon the final audit of the total amount of allowable project costs and settlement will be made for any upward or downward adjustments to the Federal share of costs. The grant closeout requirements will be in accordance with the Regulations.

5. The Sponsor shall operate and maintain the airport as provided in the Application for Federal Assistance incorporated herein and specifically covenants and agrees in accordance with its Assurance 20 in Part V of said Application for Federal Assistance, and Section 30 of the Airport and Airway Development Act, as amended, that in its operation and the operation of all facilities thereof, neither it nor any person or organization occupying space or facilities thereon will discriminate against any person by reason of race, color, creed, national origin or sex in the use of the facilities provided for the public on the airport.
6. The FAA reserves the right to amend or withdraw this Offer at any time prior to its acceptance by the Sponsor.
7.
  - a. The grantee assures that it will undertake an affirmative action program, as required by 14 CFR Part 152, Subpart E, to ensure that no person shall, on the grounds of race, creed, color, national origin, or sex, be excluded from participating in any employment, contracting, or leasing activities covered in 14 CFR Part 152, Subpart E. The grantee assures that no person shall be excluded, on these grounds, from participating in or receiving the services or benefits of any program or activity covered by this subpart. The grantee assures that it will require that its covered organizations provide assurance to the grantee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.
  - b. The grantee agrees to comply with any affirmative action plan or steps for equal employment opportunity required by 14 CFR, Part 152, Subpart E, as part of the affirmative action program or by any Federal, State, or local agency or court, including those resulting from a conciliation agreement, a consent decree, court order, or similar mechanism. The grantee agrees that State or local affirmative action plan will be used in lieu of any affirmative action plan or steps required by 14 CFR Part 152, Subpart E, only when they fully meet the standards set forth in 14 CFR 152.409. The grantee agrees to obtain a similar assurance from its covered organizations, and to cause them to require a similar assurance of their covered suborganizations, as required by 14 CFR Part 152, Subpart E.

8. This offer shall expire and the United States shall not be obligated to pay any part of the costs of the Project unless this offer has been accepted by the Sponsor on or before June 30, 1980 or such subsequent date as may be prescribed in writing by the FAA.
9. The Sponsor hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the Regulations of the Secretary of Labor at 41 CFR Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan insurance, or guarantee, the following Equal Opportunity Clause.

During the performance of this contract, the contractor agrees as follows:

- a. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination, rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices (to be provided) setting forth the provisions of this nondiscrimination clause.
- b. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin.
- c. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice (to be provided) advising the said labor union or workers' representative of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- d. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

- e. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- f. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be cancelled, terminated, or suspended in whole or in part, and the contractor may be declared ineligible for further Government contracts or Federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulations, or order of the Secretary of Labor, or as otherwise provided by law.
- g. The contractor will include the portion of the sentence immediately preceding paragraph a. and the provisions of paragraphs a. through g. in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance. Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The Sponsor further agrees that it will be bound by the above Equal Opportunity clause with respect to its own employment practices when it participates in Federally assisted construction work: Provided that if the applicant so participating is a State or local Government, the above Equal Opportunity clause is not applicable to any agency, instrumentality, or subdivision of such Government which does not participate in work on or under the contract.

The Sponsor agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the

compliance of contractors and subcontractors with the Equal Opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The Sponsor further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from or who has not demonstrated eligibility for, Government contracts and Federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the Equal Opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part III, Subpart D, of the Executive Order. In addition, the Sponsor agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: cancel, terminate, or suspend in whole or in part this grant (contract, loan insurance, or guarantee); refrain from extending any further assistance to the Sponsor under the program with respect to which the failure or refund occurred, until satisfactory assurance of future compliance has been received from the Sponsor; or refer the case to the Department of Justice for appropriate legal proceedings.

10. The Sponsor hereby covenants and agrees that financial records of this project shall be established, maintained, and made available to appropriate personnel in conformity with Section 152.63 of the Regulations of the Federal Aviation Administration (14 CFR 152).
11. The Sponsor hereby covenants that it will not permit any permanent-type structures, other than structures required for aids to air navigation and such other structures as may be specifically excepted in writing by the FAA, to be erected on, and that it will cause any existing structures to be removed from, each area identified on the "Exhibit A" as "clear zone" or any portions thereof, concerning which the Sponsor has acquired a fee interest with Federal financial assistance, irrespective of whether such structures constitute an obstruction to air navigation.
12. It is understood and agreed that any and all reference to the term "Office of Management and Budget Circular No. A-102", as the same may appear in this agreement and any document incorporated and made a part thereof,

shall be deemed to read and mean "General Services Administration Federal Management Circular FMC 74-7". It is also understood and agreed that wherever the term "Project Application" appears in the agreement or in any other documents constituting a part of this agreement, it shall be deemed to mean "Application for Federal Assistance, FAA Form 5100-100".

13. It is understood and agreed by and between the parties hereto that, should evidence be discovered during construction, that objects of archeologic or historic interest may be unearthed, then construction will be halted for a reasonable time to enable the responsible State official to assess the matter.
14. This project and all work performed thereunder is subject to the Clean Air Act and the Federal Water Pollution Control Act. Accordingly:
  - a. The Sponsor hereby stipulates that any facility to be utilized in performance under the grant or to benefit from the grant is not listed on the Environmental Protection Agency (EPA) list of Violating Facilities.
  - b. The Sponsor agrees to comply with all the requirements of Section 114 of the Clean Air Act and Section 308 of the Federal Water Pollution Control Act and all regulations issued thereunder.
  - c. The Sponsor shall notify the FAA of the receipt of any communication from the EPA indicating that a facility to be utilized for performance of or benefit from the grant is under consideration to be listed on the EPA List of Violating Facilities.
  - d. The Sponsor agrees that it will include or cause to be included in any contract or subcontract under the grant which exceeds \$100,000, the criteria and requirements in these subparagraphs (a) through (d).
15. Assurance Number 18 of Part V of the Project Application incorporated herein is amended by including at the end of the second sentence the following language:

“ . . . including the requirement that (A) each air carrier, authorized to engage directly in air transportation pursuant to Section 401 or 402 of the Federal Aviation Act of 1958, using such airport shall be subject to non-discriminatory and substantially comparable rates, fees, rentals, and other charges and nondiscriminatory conditions as are applicable to all such air carriers which make similar use of such airport and which utilize similar facilities, subject to reasonable classifications such as tenants or nontenants, and combined passenger and cargo flights or all cargo flights, and such classification or status as tenant shall not be unreasonably withheld by any

Sponsor provided an air carrier assumes obligations substantially similar to those already imposed on tenant air carriers, and (B) each fixed base operator using a general aviation airport shall be subject to the same rates, fees, rentals, and other charges as are uniformly applicable to all other fixed base operators making the same or similar uses of such airport utilizing the same or similar facilities; provision (A) above shall not require the reformation of any lease or other contract entered into by a Sponsor before July 12, 1976. A Sponsor shall not require the reformation of any lease or other contract entered into by a Sponsor before July 1, 1975."

16. It is understood and agreed that no part of the Federal share of an airport development project for which a grant is made under the Airport and Airway Development Act of 1970, as amended (49 U.S.C. 1701 et seq.), or under the Federal Airport Act, as amended (49 U.S.C. 1101 et seq.), shall be included in the rate base in establishing fees, rates, and charges for users of the airport.
17. It is understood and agreed by and between the parties hereto that, with regard to Number 31 of the Sponsor Assurances of FAA Form 5100-100, wherein reference is made to "Part II, paragraph 7(a), 7(b) and 7(c)," such reference shall be deemed to refer instead to "Part II, Section C, paragraphs 4(a), 4(b) and 4(c)".
18. It is understood and agreed that the recipient (Sponsor) will comply with the following provision and further agrees that it will incorporate or cause to be incorporated such provision into all subsequent agreements between the recipient and any subrecipient and in all subsequent DOT-assisted contracts between recipients or subrecipients and any contractor:
  - a. Policy - It is the policy of the Department of Transportation that minority business enterprises as defined in 49 CFR Part 23 shall have the maximum opportunity to participate in the performance of contracts financed in whole or in part with Federal funds under this agreement. Consequently, the MBE requirements of 49 CFR Part 23 apply to this agreement.
  - b. MBE Obligation - The recipient or its contractor agrees to ensure that minority business enterprises as defined in 49 CFR Part 23 have the maximum opportunity to participate in the performance of contracts and subcontracts financed in whole or in part with Federal funds provided under this agreement. In this regard all recipients or contractors shall take all necessary and reasonable steps in accordance with 49 CFR Part 23 to ensure that minority business enterprises have the maximum opportunity to compete for and perform contracts. Recipients and their contractors shall

not discriminate on the basis of race, color, national origin, or sex in the award and performance of DOT-assisted contracts.

- c. If as a condition of assistance the recipient has submitted and the Department has approved a minority business enterprise affirmative action program which the recipient agrees to carry out, this program is incorporated into this financial assistance agreement by reference. This program shall be treated as a legal obligation and failure to carry out its terms shall be treated as a violation of this financial assistance agreement. Upon notification to the recipient of its failure to carry out the approved program the Department shall impose such sanctions as noted in 49 CFR Part 23, Subpart E, which sanctions may include termination of the agreement or other measures that may affect the ability of the recipient to obtain future DOT financial assistance.
19. The Sponsor hereby agrees and covenants that any and all flood insurance coverage required by the Flood Disaster Protection Act of 1973 (P.L. 93-234), with respect to the buildings and/or personal property to be constructed and/or acquired under this project will be purchased prior to the acquisition or construction of any insurable interest and shall be maintained during the useful life of such buildings or personal property.
20. It is understood and agreed by and between the parties hereto that, the third sentence of Assurance No. 17, Part V of the Project Application, FAA Form 5100-100, Page 7 (4-76), is amended to read "However, these limitations on the duration of the covenants do not apply to the covenant against exclusive rights and real property acquired with Federal funds".
21. The Sponsor will conduct its programs and operate its facilities in accordance with the requirements of Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and will assure that no qualified handicapped person shall, solely by reason of his or her handicap be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination, including discrimination in employment, under any program or activity that receives funds or benefits from this grant. The Sponsor further assures that its programs will be conducted and its facilities operated in compliance with the requirements imposed by or pursuant to 49 CFR Part 27.
22. The Sponsor shall provide for audit of this grant project to be made in accordance with Attachment P of Office of Management and Budget Circular A-102.
23. The Federal Government does not now plan to contemplate the construction of any structures pursuant to Paragraph 27 of Part V - Sponsor's Assurances

of the Project Application, dated May 14, 1980, and therefore, it is understood and agreed that the Sponsor is under no obligation to furnish any areas or rights without cost to the Federal Government under this Grant Agreement. However, nothing contained herein shall be construed as altering or changing the rights of the United States and/or the obligations of the Sponsor under prior Grant Agreements to furnish rent-free space for the activities specified in such agreements.

24. The parties hereto recognize that a continuing need exists for parking space for Government owned and controlled automotive equipment used or assigned for use in serving FAA facilities and equipment on or in the vicinity of the airport. It is agreed by the parties hereto that the Sponsor will continue to provide, without charge, designated parking space as now exists in reasonable proximity to FAA operations for such automotive equipment and that no change or modifications will be made in such designation without the consent of the parties hereto or their designated representative.

The parties hereto further recognize the need for adequate parking space for the motor vehicles used by the FAA employees for transportation to their place of employment and assign duty stations on the airport. It is fully understood by and between the parties hereto that the Sponsor has made adequate parking space available to these employees on terms that are as favorable as those provided to the Sponsor's employees and the employees of others having duty stations on the airport. It is agreed by the parties hereto that the relationship now existing with respect to automobile parking space for FAA employees will continue and that no change will be made to alter this relationship or to either curtail or enlarge the demand for the parking facilities designated without the consent and concurrence of the parties hereto or their designated representative.

25. It is understood and agreed by and between the parties hereto that the FAA will not make payments for eligible project costs which exceed 90% of the maximum Grant obligation or 90% of the latest estimated project costs, whichever is the lesser, until the Sponsor has submitted certification by the Engineer and Contractor, that each construction or specification item included in a payment application which would exceed the aforementioned controlling 90% limitation has been fully completed in accordance with the approved plans and specifications and represents final accepted quantities as determined by the specified method of measurement.

It is further understood and agreed that the FAA shall withhold the final 3% of the eligible project costs until the required "as built" plans have been received and approved by the FAA.

26. It is understood and agreed by and between the parties hereto that with respect to Paragraph 1, Part II - Section C of the Project Application, dated and made a part hereof, that the Sponsor will take such action as is necessary, including enactment of appropriate zoning, to assure compatible usage of land adjacent to or in the vicinity of the airport.
27. It is understood and agreed that the United States will not be obligated to pay for the land interests to Parcel 1 as shown on Exhibit "A", unless and until the Sponsor has submitted evidence of property interests satisfactory to the FAA free and clear of all encumbrances deemed objectionable by the FAA.
28. It is hereby understood and agreed by and between the parties hereto that this Offer is issued on the basis of the preliminary plans and specifications and that the Sponsor will not suffer the commencement of any construction work, not permit any advertisement for bids for accomplishment of any work under this project until final plans and specifications are submitted to the FAA by the Sponsor within 120 days after the acceptance of this Grant Offer and have been approved by the FAA.
29. It is understood and agreed by and between the parties hereto that Federal participation in the lighting system as described on page 1 hereof, is predicated upon the Sponsor submitting an Airport Lighting Operation and Maintenance Plan to the FAA and has been approved by FAA, and it is further understood and agreed that the United States shall not make or be obligated to make final payment of eligible project costs until the Airport Lighting Operation and Maintenance Plan has been submitted by the Sponsor and has been approved by the FAA.
30. It is mutually agreed by and between the parties hereto that the FAA shall withhold from the first partial and all succeeding Grant payments the sum of \$10,000.00 Federal until the Sponsor has submitted an updated set of the Master Plans which includes the Airport Layout Plan, determined satisfactory by the FAA.

The Sponsor's acceptance of this Offer and ratification and adoption of the Application for Federal Assistance incorporated herein shall be evidenced by execution of this instrument by the Sponsor, as hereinafter provided, and said Offer and Acceptance shall comprise a Grant Agreement, as provided by the Airport and Airway Development Act of 1970, as amended, constituting the obligations and rights of the United States and the Sponsor with respect to the accomplishment of the Project and the operation and maintenance of the Airport. Such Grant Agreement shall become effective upon the Sponsor's acceptance of this Offer and shall remain in full force and effect throughout the useful life of the facilities developed under the Project but in any event not to exceed twenty years from the date of

**TRAVEL REIMBURSEMENT**

Resolution No. 81-16

*Synopsis: Changes in travel reimbursement for in-state travel is recommended.*

WHEREAS the Office of Budget and Management has amended Rule 126-1-02 of the Administrative Code to increase the maximum reimbursement allowance for meals, lodging, and mileage for travel within Ohio by State employees on official business; and

WHEREAS amended Rule 126-1-02 of the Administrative Code also permits the Director of the Office of Budget and Management to further increase in-state travel reimbursement rates for meals, lodging, and mileage within limits established by the Rule:

NOW THEREFORE

BE IT RESOLVED, That the Board of Trustees adopt the revised in-state reimbursement rates for meals, lodging, and mileage established by amended Rule 126-1-02 of the Administrative Code and adopt the revised mileage reimbursement rate for out-of-state travel; and

BE IT FURTHER RESOLVED, That the Board of Trustees authorize the Vice President for Business and Administration to further increase these reimbursement rates at such time as additional increases within the limits established by Rule 126-1-02 of the Administrative Code are authorized by the Director of the Office of Budget and Management.

Upon motion of Mr. Hilliker, seconded by Dr. Jacob, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

**LEASE AND EASEMENT - COLUMBIA GAS OF OHIO, INC.**

Resolution No. 81-17

*Synopsis: Lease and easement to Columbia Gas of Ohio, Inc., is proposed.*

WHEREAS the University has received a request from Columbia Gas of Ohio, Inc., for a twelve-inch gas line across State of Ohio (The Ohio State University) lands from the intersection of Case and Sawmill Roads north along the east side of Sawmill Road for a distance of approximately 3,848 feet, and a request for the lease of a 30' x 30' tract of land for a gas metering station at the northern terminus of the easement; and

WHEREAS Columbia Gas of Ohio, Inc., ultimately plans to link this gas line with an already existing gas line located north of Interstate 270 and east of Sawmill Road; and

WHEREAS the University will be permitted to tap into the gas line if the University should need gas service in that area; and

July 11, 1980 meeting, Board of Trustees

**LEASE AND EASEMENT - COLUMBIA GAS OF OHIO, INC. (contd)**

WHEREAS the appropriate University agencies have recommended that said easement be granted:

NOW THEREFORE

BE IT RESOLVED, That the President and/or Vice President for Business and Administration be authorized to request the Director of Public Works, Department of Administrative Services, pursuant to his statutory duties, to act for and on behalf of the University in developing the necessary legal instruments to provide for the easement and lease.

President Enarson:

This item was heard and acted upon favorably by the Fiscal Affairs Committee. It's a recommendation for a lease and easement to Columbia Gas of Ohio as is indicated in the resolution before you.

Mr. Redman:

I have the same question about that as I had about the other one. Three thousand eight hundred feet; that's better than half a mile.

Mr. Jackson:

Well, I'm not sure, Mr. Redman, that the dollars are right. We are receiving payment for that lease and it--

Mr. Redman: How much?

Mr. Jackson:

\$800--if my memory serves me right--it's \$875 or \$900, somewhere in that neighborhood.

Mr. Redman:

Well, I can tell you that isn't enough. What about the lease--you mentioned the lease in there. How much are they going to pay us for the lease? The 30 x 30 foot tract--

Mr. Jackson:

The lease is all-inclusive, and it is in line with the Department of Administrative Services regulations, and we were told by them that that was the rate which we were allowed to charge.

Mr. Redman: You mean there is a limitation on what we can charge?

Mr. Jackson:

That was the direction that we were given by the Department of Administrative Services which negotiates leases downtown. I can go back and take another look at it.

July 11, 1980 meeting, Board of Trustees

**LEASE AND EASEMENT - COLUMBIA GAS OF OHIO, INC. (contd)**

President Enarson: I think we ought to take a fresh look at it.

Mr. Redman: But I'll be glad to look at it with you if you want.

Mr. Devenow:

Will you do that, Ed, and we'll table this thing until you--can we do that? Let's table it until such time as you have had a chance to look at it.

Mr. Redman:

Yes, I think we have got to have *quid pro quo* here, and if we're going to do it with one fellow down here then we ought to do it with all of them.

**ACCESSION OF PROPERTY - 228 ACRES IN PLEASANT TOWNSHIP**

Resolution No. 81-18

*Synopsis: Accession of a farm of approximately 228 acres in Pleasant Township and the establishment of a charitable remainder annuity trust and the Dr. Roger C. and Margery W. Henderson Memorial Fund are proposed.*

WHEREAS the late Dr. Roger C. Henderson of Xenia, Ohio, through his Last Will and Testament, made a gift to The Ohio State University, through The Ohio State University Development Fund, of his undivided one-half interest in real property known as the Star Tip Farm, consisting of approximately 228 acres in Pleasant Township of Franklin County, subject to assumption by the University of a mortgage on the property; and

WHEREAS Dr. Henderson's Will provides that his interest in this property is to constitute the Dr. Roger C. and Margery W. Henderson Memorial Fund, the income from which is to be used, in equal parts, for the benefit of the College of Agriculture and the Department of Ophthalmology of the College of Medicine for their research or merit scholarship programs, as determined and directed by the Board of Trustees of the Development Fund; and

WHEREAS Dr. Henderson's widow, Margery W. Henderson, who is the owner of the remaining undivided one-half interest in the Star Tip Farm, desires to make a gift of her interest in this property to the University, through the Development Fund; and

WHEREAS a condition of this gift by Mrs. Henderson is that the gift constitute a charitable remainder annuity trust under which the University will pay to Mrs. Henderson an annual annuity, for so long as she shall live, of seven percent of \$169,078.00, which represents the value of her interest in the property plus the chattel, less one-half of the mortgage, and upon her death make the gift part of the Dr. Roger C. and Margery W. Henderson Memorial Fund; and

July 11, 1980 meeting, Board of Trustees

**ACCESSION OF PROPERTY - 228 ACRES IN PLEASANT TOWNSHIP (contd)**

WHEREAS it has been determined that acceptance of these gifts and the establishment of the Dr. Roger C. and Margery W. Henderson Memorial Fund are in the best interests of the University:

NOW THEREFORE

BE IT RESOLVED, That:

- (a) The interest of the late Dr. Roger C. Henderson in the Star Tip Farm be accepted as a gift to the University through the Development Fund by conveyance of a General Warranty Deed to the Board of Trustees of The Ohio State University; and
- (b) This gift constitute the Dr. Roger C. and Margery W. Henderson Memorial Fund; and
- (c) The University assume the mortgage on the property; and
- (d) The interest of Margery W. Henderson in the Star Tip Farm be accepted as a gift to the University through the Development Fund by conveyance of a General Warranty Deed to the Board of Trustees of The Ohio State University; and
- (e) This gift constitute a charitable remainder annuity trust as specified above; and

BE IT FURTHER RESOLVED, That the President and/or Vice President for Business and Administration be authorized to acquire title to the property constituting these gifts in the name of the Board of Trustees of The Ohio State University and to sign and execute on behalf of the Board of Trustees the documents and instruments necessary to carry out the conditions of these gifts.

Upon motion of Mr. Hilliker, seconded by Mrs. James, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

**CONSTRUCTION OF A VETERANS ADMINISTRATION CLINIC**

Resolution No. 81-19

*Synopsis: Authorization is requested to increase the commitment of University Endowment funds to \$5,250,000 to provide for the additional requirements of the General Services Administration in the construction of a Veterans Administration Clinic.*

WHEREAS this Board, by resolution at its February 3, 1978 meeting, authorized the Administration to submit to the General Services Administration a proposal for the use of Endowment Funds to construct a University facility to be leased to the General Services

July 11, 1980 meeting, Board of Trustees

**CONSTRUCTION OF A VETERANS ADMINISTRATION CLINIC (contd)**

Administration for the use of the Veterans Administration in consolidating and expanding all of the VA's out-patient services in Franklin County and the Board further authorized commitment of Endowment Funds up to \$3,500,000 to construct the facility; and

WHEREAS the General Services Administration accepted the University's proposal on January 25, 1979, for construction of a facility at a cost of approximately \$2,922,950; and

WHEREAS the General Services Administration submitted revised plans and requirements in December, 1979, necessitating extensive changes in the interior design of the facility at an additional cost of approximately \$1,760,000; and

WHEREAS these changes plus revisions determined by the University to be necessary to improve service to the building will result in a total construction cost of approximately \$4,855,200, thus requiring an increase in the total commitment from the University Endowment; and

WHEREAS the Fiscal Affairs Committee has reviewed and recommended this additional authorization:

NOW THEREFORE

BE IT RESOLVED, That the total commitment of funds from the University Endowment available to construct the Veterans Administration Clinic be increased to no more than \$5,250,000 to provide for the revised interior requirements of the General Services Administration, enhance University services available to the facility, and provide a contingency reserve.

President Enarson:

This item was discussed in some painful detail this morning and was acted upon favorably. Finally this is a recommendation to increase the authorization and effect a commitment of University endowment funds up to \$5,250,000 to provide for the additional requirements of the General Services Administration in the construction of the Veterans Administration Clinic. The clear understanding I have and the clear commitment that I made this morning is that if and when this is adopted, we will communicate by letter with GSA and VA the acute concerns of the Board with the escalation of cost and its determination that this be the final increase in the cost of it.

Upon motion of Mr. Hilliker, seconded by Mr. Immke, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

**DEPENDENTS' GROUP TERM LIFE INSURANCE PROGRAM**

Resolution No. 81-20

*Synopsis: An improvement to the dependent group term life insurance program is proposed.*

July 11, 1980 meeting, Board of Trustees

**DEPENDENTS' GROUP TERM LIFE INSURANCE PROGRAM (contd)**

WHEREAS the Board of Trustees on January 10, 1975, authorized a dependents' group term life insurance program to become effective February 1, 1975; and

WHEREAS faculty/staff participation in this program has been significant; and

WHEREAS the Ohio Revised Code was recently amended to raise the ceiling of the coverage which may be purchased under group term life insurance plans for dependents; and

WHEREAS by implementing the proposed program modifications, University faculty/staff will be able, on an optional basis, to select and purchase one of the following life insurance plans for spouses and dependent children at premium levels specified:

	Amount of Life Insurance		
	Plan I	Plan II	Plan III
Spouse	\$5,000	\$10,000	\$10,000
For each dependent child:			
a. Under 15 days of age	-0-	-0-	-0-
b. 15 days of age but under 6 months of age	500	1,000	2,500
c. 6 months of age and over	2,500	5,000	10,000
Monthly premium (faculty/staff payroll deduction)	\$2.00	\$4.00	\$6.00

**NOW THEREFORE**

BE IT RESOLVED, That the President and/or Vice President for Personnel Services be authorized to implement this improvement; and

BE IT FURTHER RESOLVED, That the University's existing contracts with John Hancock Mutual Life Insurance Company (Contract No. 58175-GTC as amended for faculty/staff and Contract No. 58175-GTC-100 as amended for classified and hourly employees) be amended to include this improvement to the dependents' group term life insurance, effective November 1, 1980.

Mr. Scott:

Simply what we're asking for approval of is that for many years under the Ohio Revised Code there were express limits as to the amount of insurance that the University could provide for dependents of faculty and staff. The change now is that we have a raise in that ceiling, and what we are suggesting is that we would like to offer the option to the faculty and staff of three basic plans and the plans are spelled out 'Plan 1,' 'Plan 2,' 'Plan 3.' The law further provides that the University is not permitted to pick up the costs for these premiums. We have had the insurance program in effect since 1975, and basically what we are suggesting here is, given the opportunity to increase the upper limits, we would like to propose that the Board allow us to do that for faculty and staff.

July 11, 1980 meeting, Board of Trustees

**DEPENDENTS' GROUP TERM LIFE INSURANCE PROGRAM (contd)**

Mr. Redman: Where does it say they're going to pay for it?

Mr. Scott:

It is in this middle part here, Mr. Redman, monthly premium faculty and staff payroll deduction--do you see it?

Mr. Redman: Yes, but is that the entire cost?

Mr. Scott: Yes, sir.

Mr. Redman: It doesn't say that.

Mr. Scott: We'll be more precise next time.

Mr. Redman: Your word is sufficient.

Mr. Scott: Thank you.

Mr. Devenow: Any other questions?

Upon motion of Dr. Jacob, seconded by Mr. Redman, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

**REPORT - EXPENSES FOR DESIGNATED ADMINISTRATIVE OFFICIALS**

Resolution No. 81-21

*Synopsis: Approval for reimbursement of expenses for designated Administrative Officials is requested.*

WHEREAS the Fiscal Affairs Committee has authorized the payment of expenses for designated administrative officials; and

WHEREAS it is deemed in the best interest of the University for the Fiscal Affairs Committee to provide from the unrestricted gifts to the University Endowment Fund on an appropriate basis, to the President and designated University officials, reimbursement for expenditures which are directly and necessarily related to the performance of their assigned responsibilities and in the best interest of the University:

**NOW THEREFORE**

**BE IT RESOLVED**, That the Fiscal Affairs Committee be authorized to provide reimbursement to designated University officials from unrestricted gifts to the University Endowment Fund.

Upon motion of Mr. Hilliker, seconded by Mrs. James, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

**COMMENTS BY PRESIDENT HAROLD L. ENARSON**

**ENROLLMENT**

I have several items and it won't take but a moment. Everyone was here this morning at the time of the Educational Affairs Committee when Dr. Schoen reported on summer and autumn enrollments. We're heartened by the fact that our enrollment for the summer session is up 6.6 per cent. We are on target with respect to our anticipated first-quarter freshmen in the coming fall. We are on target with respect to the number of returning students and, in short, we are still enjoying the ample students knocking at our doors. I say that because many of you around this table will be hearing a far different report before this decade is over. You won't be hearing it from me, but you'll be hearing it from somebody; I hope you like her anyway, whoever she is.

**WOMEN'S INTERCOLLEGIATE ATHLETICS**

One other thing I would like to report on that I hope will be of some interest to you--perhaps I attach more importance to it than I should; although I don't think so. The Council of Ten consists of the Presidents of the Big Ten institutions associated with the Western Athletic Conference, the so-called Big Ten. In large part, at the insistence of this institution and several others, the Council of Ten committed itself to an all-day meeting in Chicago last Monday to be devoted to one topic and one topic only, and to be resolved or else, and that was the issue of the role of women's intercollegiate athletics in our respective institutions.

Now I won't burden you with the Byzantine complexities of the arguments; suffice it to say that several institutions wanted to let women's sports develop independently, develop outside the framework of the Big Ten. They felt, and I know sincerely, that women's sports would be dwarfed by men's sports--the Western Athletic Conference being essentially a conference of men's sports. The majority, of which I was a member, felt otherwise. The question was how to bring this about. I don't have the text of the resolution with me at the moment, but in effect we have now instructed the faculty representatives, one from each institution, along with ten additional faculty members, one from each institution so that's twenty in all. We have asked that group to assemble as quickly as possible and to develop an implementation plan, and just late yesterday afternoon I secured the consent of Dr. Joanne Stevenson, a member of our faculty who, some years ago, served as a member of the Athletic Council. She has agreed to serve on

July 11, 1980 meeting, Board of Trustees

**COMMENTS BY PRESIDENT HAROLD L. ENARSON (contd)**

**WOMEN'S INTERCOLLEGIATE ATHLETICS (contd)**

this group. We have asked that this group get moving immediately. We have scheduled the next meeting of the Council of Ten in Chicago, December 15, and I think there is a reasonably good chance that we'll have a plan by then.

We had considerable discussion this morning about the budget, about the new era, about budget stringencies. I wish that we had been able to act on this matter of women's intercollegiate sports some years ago, but there is a--had we been able to do so, we would now be free to address much larger problems coming down the pike. These are questions of what is affordable in the way of intercollegiate sports. The University of Colorado, as you all know, has abolished seven non-revenue sports. In my judgment that's just the beginning of a development that is going to sweep the country. It is a very, very serious matter in my judgment when a university is forced to invade its academic resources and make dollars available to underwrite an athletic program. We have all been enormously proud of what this University has done over the years. We have a program which is one of self-sufficiency, and it's the firm determination of this administration that it will continue to be self-sufficient. I see this step that the Council of Ten has taken as really the first in a series of steps which will enable us to get a better handhold for costs as well as provide a better framework for getting reasonable consistency in the rules applying to women's sports and men's sports. I simply thought that that ought to be recorded.

## Recipients of Honors

### **Marshall D. Shulman** **Doctor of Laws**

Distinguished scholar, teacher, and authority on foreign policy, Marshall D. Shulman is internationally recognized as an expert on Soviet-American relations. His scholarly research and writing reflect the keen insight into world affairs that has made him an invaluable adviser to government. His leadership in the academy, as director of the Russian Institute at Columbia University and in other key positions, has advanced the cause of world understanding. As Special Adviser to the Secretary of State on Soviet Affairs, Ambassador Shulman brings to public service the highest attributes of the scholarly tradition. The Ohio State University is pleased to honor him for his eminent career.

### **Barbee William Durham** **Distinguished Service Award**

As staff pharmacist and supervisor of the Reagent Laboratory, Barbee William Durham has served this University for more than 43 years with a high sense of professional mission and unusual dedication. Never one to be satisfied with merely getting the job done, he repeatedly found ways to do the job better. He was an invaluable partner of faculty. His skill and promptness in preparing compounds and his counsel to those engaged in research advanced the purposes of this University. His contributions to professional journals shared his insights with the wider academic community. Beyond the borders of the campus he demonstrated a deep concern for and made lasting contributions to the furtherance of interracial justice. In his personal and professional life, he has brought great credit to his alma mater.

### **Lawrence E. Kunkle** **Distinguished Service Award**

Professor emeritus of animal science, Lawrence E. Kunkle served this University with dedication and distinction for 40 years. Under his leadership, Ohio State developed a superior and unique Meat Laboratory program, combining research and teaching with the preparation and supply of meat for campus use. His research into the improvement of beef cattle and swine earned national distinction. His deep interest in students extended far beyond the requirements of the classroom. As coach of the meats judging team for 18 years, he gave Ohio State students invaluable counsel drawn from a lifetime of experience. His wide-ranging contributions to animal science and his many services in behalf of the total University provide a lasting example of academic citizenship in its fullest and finest meaning.

### **James W. Phillips** **Distinguished Service Award**

Loyal alumnus and abiding friend of this University, James W. Phillips has played a significant role in helping Ohio State meet the challenges of academic excellence. In generous measure he invested his time and talent to advance the cause of teaching and research. As chairman of the Development Fund Board of Directors, he provides essential leadership in furthering the University's program of private support. As treasurer of the OSU Alumni Association he demonstrated the deep commitment that has characterized his many services in behalf of alma mater. In all respects, he has been to this University a true friend and partner, sharing its visions and dedicated to its future. For his many contributions, he has earned the high regard and enduring gratitude of The Ohio State University.

**Jacqueline D. Sisson  
Distinguished Service Award**

Nationally recognized fine arts librarian, Jacqueline D. Sisson has served this University with unusual devotion. Her tenure as head of the Fine Arts Library has been marked by qualitative excellence, continuous growth, and involvement in all areas of library service, research, and publication. Under her skilled guidance, one of the finest art libraries in the state was developed at this University. Her pioneering work in regional library cooperation has become a national model. Her prominent position in national art associations has earned for her deserved recognition as a leading librarian in her field. An alumna of this University, she has brought great credit to her alma mater. Even more importantly, she has provided all who have been privileged to be her colleagues with an inspiring example of professional excellence.

**Grady Smith  
Distinguished Service Award**

Former Administration Building custodian, Grady Smith served this University for many years with great dignity and efficiency. His gracious smile, his personal charm, his humane attitude, and his total loyalty to this institution all joined to make him a symbol of the countless members of the supporting staff who dedicate their lives to this University and without whom it could not function. His friendly approach endeared him to all who worked with him. His personal standards of performance were of the highest order. In their own special way, his unique contributions have added their measure to the stature of The Ohio State University. The high character and quality of his service will stand as a model and a continuing challenge to all who follow.

**Leo G. Staley  
Distinguished Service Award**

Professor and director of intra-mural sports emeritus, Leo G. Staley served this University for 40 years with vision and vitality and played a key role in enriching the lives of thousands of students. Under his leadership for 27 years, the intramural program flourished. He added new sports, increased the number of teams, and promoted the program through an annual handbook—all with the objective of encouraging more students to share the values and benefits of intramural competition. Active in many other aspects of University life, he was well-known for 25 years as the Voice of the Buckeyes at home football and basketball games. Students for generations to come will continue to benefit from his outstanding service and the many contributions he made to his alma mater.

**I. Keith Tyler  
Distinguished Service Award**

Professor emeritus in the College of Education, I. Keith Tyler has been an international leader for more than four decades in the use of radio and television for educational purposes. For 27 years he was the guiding force behind the Institute for Education by Radio and Television. In 1936, he established the highly prized Ohio State Awards to recognize and foster excellence in broadcasting. A gifted and dedicated teacher, he took particular interest in helping foreign students develop programs that could be transferred to other cultures. Through them his influence continues worldwide. The honors he has received can suggest only in a limited way the significance of his many contributions, the high regard and affection of his colleagues, and the unusual distinction with which he has served this University.

**Francis P. Weisenburger  
Distinguished Service Award**

Professor emeritus of history, Francis P. Weisenburger served this University for nearly 50 years with a dedication surpassed only by his unfailing consideration of students and colleagues alike. His scholarly writing provides a rich heritage for students of Ohio history. His exceptional ability to inspire students was widely recognized. Not least among his many lasting contributions to this University is his book, *The Fawcett Years, 1956 to 1972*. The research and writing that went into this volume of the University's history were a labor of love, reflecting a continuing devotion to his scholarly discipline and to the University he served so well for so long. He has earned the abiding affection and respect of his students and colleagues, the ultimate tribute to one who pursues the academic life.

The meeting of the Board of Trustees reconvened at 1:30 p.m.

### RESOLUTIONS IN MEMORIAM

Resolution No. 81-23

*Synopsis: Resolutions honoring the service of one of this University's faculty members and two former members of the Board of Trustees who have recently died are being proposed.*

RESOLVED, That the Board adopt the following Resolutions in Memoriam and that the President be requested to convey a copy to the families of the deceased.

Upon motion of Dr. Jacob, seconded by Mr. Hilliker, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

James W. Huffman

The Board of Trustees of The Ohio State University expresses its sorrow upon the death on May 20, 1980, of James W. Huffman, at his home in Pickerington, Ohio, at the age of 85. Mr. Huffman was appointed a member of the University's Board of Trustees for a term beginning May 21, 1951 and ending May 13, 1957, by Governor Frank J. Lausche to succeed Warner M. Pomerene.

Born September 13, 1894, in Chandlersville, Ohio, Mr. Huffman was educated in the schools of Rock Hill Township, Muskingum County, and attended Ashland High School. He completed his undergraduate work at Ohio Wesleyan University, attended The Ohio State University College of Law from 1919 to 1921, and obtained his LL.B. degree in 1922 from the University of Chicago. Mr. Huffman was admitted to the bar in Ohio and Illinois in 1922 and practiced law in Chicago from 1922 to 1924. From 1924 to 1927, he served as Executive Secretary to Governor A. Vic Donahey; he was a member of the Public Utilities Commission from 1927 to 1929. Mr. Huffman set up his practice of law in Columbus in 1929. In 1945, he was appointed to the United States Senate to fill the unexpired term of Senator Harold Burton. Mr. Huffman returned to Columbus in 1946 to become President and Board Chairman of Motorists Mutual Insurance Company from which he retired in 1970.

Mr. Huffman was elected Trustee Emeritus and designated Trustee Director, Development Fund on July 8, 1957. He received The Ohio State University's Distinguished Service Award at the August, 1957 Commencement.

**RESOLUTIONS IN MEMORIAM (contd)**

James W. Huffman (contd)

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

Leo Leavitt Rummell

The Board of Trustees of The Ohio State University expresses its sorrow upon the death on August 26, 1980, of Leo L. Rummell, Dean Emeritus of the College of Agriculture and Home Economics and former member of the Board of Trustees.

Dean Rummell was born on December 1, 1893, at Niles, Ohio, in Trumbull County. He was the son of Elmer E. and Louise McCombs Rummell, who operated a farm in the vicinity of Niles.

Rummell received his Bachelor of Science in Agriculture degree from The Ohio State University in 1915 and his Master of Science degree in 1917. The College of Wooster presented Dean Rummell with an Honorary LL.D. Degree in 1956.

While an undergraduate at Ohio State, Rummell served as Editor of *The Agricultural Student* magazine, was a member of the University debating team and was on The Ohio State University Dairy Cattle Judging Team which won first place at the International Dairy Cattle Show. While an undergraduate, Rummell worked his way through college doing odd jobs which included washing dishes and waxing floors for Dr. William McPherson.

Rummell was appointed to the Board of Trustees in 1939 by his former university debate team partner, Governor John W. Bricker. In 1944, during his term as a trustee, Rummell served as President of the National Association of Governing Boards of State Universities. He was appointed Dean of the College of Agriculture in 1947, and in January, 1948, was named Director of the Ohio Agricultural Experiment Station, thereby combining for the first time these two key agricultural positions.

Immediately following his graduation from the College of Agriculture in 1915, Rummell served as Editor of Ohio Agricultural Experiment Station publications. In 1918 he was named Editor of *The Ohio Farmer* magazine and continued in that position until 1938, at which time he became agricultural counsel for the Ohio Council of Retail Merchants and served in that position until 1940. Following that assignment he became agricultural counsel for the Kroger Grocery and Baking Company of Cincinnati and served in that position until he was named Dean of the College of Agriculture in 1947.

Dean Rummell served as a Director of the Federal Reserve Bank of Cleveland for six years and served, also, as a Director of the Ohio Bell Telephone Company and of the Cleveland Union Stockyards Company. In his position as Dean and Director he served as a member of the State Natural Resources Commission and of the State Soil Conservation Committee. In 1955, and again in 1956, Rummell traveled to India to assist in establishing agricultural universities in the states of Punjab, Haryana and Rajasthan in Northwest India.

September 5, 1980 meeting, Board of Trustees

### RESOLUTIONS IN MEMORIAM (contd)

Leo Leavitt Rummell (contd)

During Rummell's 12 years as Director of the Ohio Agricultural Experiment Station, he established five new substations, one each in Huron, Erie, Wood, Brown and Clark counties! Fifteen new buildings were added to the main station campus at Wooster, along with additional land to make a total of 1,600 acres devoted to agricultural research at Wooster. Among the new laboratories and offices constructed at Wooster during Director Rummell's tenure were those for the Departments of Horticulture, Forestry, Agronomy, Agricultural Engineering and Veterinary Science. Additionally, Rummell reorganized administration of the Ohio Agricultural Experiment Station and established separate departments for research in Veterinary Science, Poultry Science, Dairy Technology and Public Relations.

In 1958 the name of the college was changed from the College of Agriculture to the College of Agriculture and Home Economics. The present Agricultural Administration Building was constructed during Dean Rummell's tenure, as was Vivian Hall, which originally housed Biochemistry and Dairy Technology but which has recently housed the newly designated Department of Food Science and Nutrition. The Animal Science Building, including the Meats Laboratory, was under construction at the time of Rummell's retirement. Another achievement during Rummell's tenure included establishment of the first Swine Evaluation Station in the nation, located adjacent to Don Scott Field. This was accomplished in 1954. When Rummell left office, two additional buildings were on the drawing boards--an addition to Campbell Hall for Home Economics and an addition to the Botany and Zoology Building.

Rummell held membership in Delta Theta Sigma (social fraternity), Delta Sigma Rho (honorary debate fraternity), Phi Eta Sigma (scholastic honorary), and Gamma Sigma Delta, the Honor Society of Agriculture. He was also a member of Sphinx and of the Ohio State Forensic Society. At the time of his retirement on December 31, 1959, Dean Rummell had been listed in *Who's Who in America* for more than 20 years, had been a long-time member of the Ohio State Grange and of the Methodist Episcopal Church.

Dean Rummell was a member of numerous farm and livestock organizations, including Vice President of the Ohio State Safety Council. He was a long-time member of Rotary International and was immediate past President of the Green Valley, Arizona, Rotary Club.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy in their loss. It was directed that this resolution be inscribed on the minutes of the Board of Trustees and that a copy be tendered to the family as an expression of the Board's heartfelt sympathy.

Virgil R. Wertz

The Board of Trustees of The Ohio State University expresses its sorrow upon the death on July 21, 1980, of Virgil R. Wertz, Professor Emeritus in the Department of Agricultural Economics and Rural Sociology.

Dr. Wertz received his Bachelor of Science degree in agricultural economics in 1919, his Master's degree in 1920, and his Ph.D. degree in 1929 from the University of Wisconsin with the latter including a year of graduate study at the University of Minnesota.

September 5, 1980 meeting, Board of Trustees

**RESOLUTIONS IN MEMORIAM (contd)**

Virgil R. Wertz (contd)

Dr. Wertz joined the staff of the Department of Agricultural Economics and Rural Sociology of The Ohio State University in October of 1926 as an Assistant Professor. In the years that followed he was promoted to the rank of Professor. Prior to coming to Ohio he was employed as an Assistant Professor in the Department of Rural Economics of the University of South Dakota.

Dr. Wertz functioned as the Department's Extension Economist in his early years in addition to his teaching and research responsibilities in the areas of agricultural prices, incomes, and finance. In this capacity he sensed early that the increasing economic complexity of the farm problems of the depression years was creating a need to improve farmer's knowledge of economics. In this area he made a major contribution to the welfare of both farm and rural people by launching an Extension Education Program in economics in the middle 1930's. It consisted of a series of schools whose programs he designed and conducted in many rural areas of Ohio. In later years this program was expanded to include seminars held with farm people in the development of agricultural policies and programs both at the domestic and foreign levels. To supplement the instructional material available he prepared and published a series of fact leaflets on prices of farm products, foreign trade in farm products, and trends affecting agriculture. In this work he was assisted by his graduate students. In 1947 with the program well established Dr. Wertz asked and was granted permission to devote full time to teaching and research. After 34 years of service he retired in 1960 with the rank of Professor Emeritus.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as an expression of the Board's heartfelt sympathy.

**ALTERNATE HOLIDAY FOR PRESIDENTS' DAY**

Resolution No. 81-24

*Synopsis: Alternate holiday for the observance of Presidents' Day in the 1980-1981 year is proposed.*

WHEREAS pursuant to Section 124.19 of the Ohio Revised Code, alternative days for the observance of certain holidays at educational institutions may be established; and

WHEREAS on February 3, 1978, this Board designated that the Presidents' Day holiday of each year would be observed on the day before Christmas preceding the Presidents' Day in question; and

WHEREAS the Vice President for Personnel Services, with the concurrence of the President's Staff, has recommended that in 1980 University offices be closed for the observance of Presidents' Day on the day after Christmas so that University offices would be closed on Thursday and Friday in order to further enhance the University's energy conservation efforts:

September 5, 1980 meeting, Board of Trustees

**ALTERNATE HOLIDAY FOR PRESIDENTS' DAY (contd)**

NOW THEREFORE

BE IT RESOLVED, That the resolution approved in 1978 be amended to provide that in 1980, the alternate observance of the Presidents' Day holiday shall occur on Friday, the day after Christmas; and

BE IT FURTHER RESOLVED, That in infrequent years when Christmas falls on a Thursday, the same change in the holiday schedule shall apply.

Upon motion of Mrs. James, seconded by Dr. Jacob, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

#### Appointment

Name:	HENRY G. CRAMBLETT
Title:	Vice President for Health Sciences
Office:	Health Sciences
Salary:	\$64,920.00 (12-month)
Effective:	Immediately
Present Positions:	Acting Vice President for Medical Affairs and Dean of the College of Medicine

#### President Enarson:

It gives me great pleasure to also have included at the last moment following the Executive Session of the Board, the name of Dr. Henry Cramblett, whom I submit with complete confidence and great pride to this Board and to the University community and to the community at large for the position of Vice President, Health Sciences.

You may recall that almost a year ago today, September 7, 1979, I reported in writing at some length to this Board, and at that time I indicated that the two top priorities of the year in this broad and important area of the health sciences would be: one, the establishment of a Hospitals Board, and the other, the completion of a search for a Vice President, Health Sciences. With respect to this search which has been conducted over a period of time with considerable vigor and considerable patience, I would say simply that it is not the first time in the history of this University, nor will it be the last, that we have taken a good, thorough look only to return to our own campus and conclude that someone now here has all the qualities we looked for to perform at a high level of competence in an important job.

The situation, of course, in the health complex is to some degree different than at the time some years ago when the search was started. We do have now a new Hospitals Board in place: it is meeting; it is rapidly assuming its full responsibilities; it is developing its own internal procedures, its own relationships with the

President Enarson: (contd)

hospital and, of course, with central administration. We also, as I said a moment ago, will have in place in October, a few short months from now, a new Director of Hospitals, and I would say that although there will never be a time of peace and tranquility in this or any other hospital that there is a higher degree of stability than there has been for some time. We are very pleased with the way in which the new Director of Nursing Services has taken over and she has contributed a great deal to not only stability but to the quality of services.

Sometimes it's best when you speak of somebody whom you know and admire and with whom you have worked for a period of years, it may be best to speak from the heart rather than from a written document. I would say that Henry Cramblett has a deep dedication to quality patient care. Dr. Cramblett has an equally deep dedication to quality education and research. He also has something which ought to be the *sine qua non* of any person of major responsibility; namely, a deep affection for and loyalty to the institution--Henry has that. He has developed by virtue of his services in the past eight years or so--I think it's better to say a keen grasp of the hospital, of its many problems, its many opportunities. He has a keen grasp of patient care, and of its transcendent importance, of the equally great importance of good working conditions for all of those who labor there in the care of patients, and he has a deep concern and a keen grasp of the problems of creating an appropriate learning environment. Dr. Cramblett also has an acute sense, I believe, of where the health complex here at this great University fits into the University community, fits into the city and state and in the national scheme of things. I can assure you that Dr. Cramblett commands a great deal of support not only here on campus and among colleagues in other disciplines, but he is well respected around the country.

I would simply say in conclusion that some years ago when he took the giant step from being a pediatrician to becoming a dean, that there were a number of rough moments for him and for us, and he is about to take another major big step which is to convert from a role of dean and all that implies in the way of loyalties to a larger dimension of loyalties in his role as Vice President of Health Sciences. Now, obviously, there is a great deal of work to be done in defining as sharply as possible the relationships of this office, the vice presidency, with the various centers of the health sciences; there are relationships to be developed within central administration; there is--obviously of great importance--the question of succession in the deanship of the College of Medicine. And although I think it makes good sense to propose, as we have, that his appointment be effective immediately, I say at the same time, that I will look to Dr. Cramblett to come to the administration and return to this Board in a month from now having fleshed out some of the arrangements. And, in sum, I am very pleased to submit to this Board the nomination of Dr. Cramblett.

Mr. Devenow:

Dr. Cramblett, I personally want to congratulate you and I want you to know that I think you are stepping up to one of our most critical needs at a time when

we need the best brains in the world to handle it and I have full confidence you're going to be able to do it. It might interest you to know that the Board unanimously and enthusiastically agreed that this is the best man we could find for the job and I hope that it will certainly be made clear to all members of the University how important this decision is and how fortunate we are that you were able to step up to it. With that, gentlemen, if you have no other comments, we will take a roll call vote. First, a motion to approve all these appointments.

Dr. Jacob: I move.

Mr. Devenow: Is there a second?

Mr. Hilliker: Second.

Mr. Devenow: Roll call.

Unanimous roll call vote.

Mr. Galbreath:

Mr. Chairman, it's because of my previously expressed interest and concern with our University operations, not only on behalf of the hospital, not only on behalf of the University, but because of its significant role in our wonderful community, that I am going to take another second to chat about Dr. Cramblett, if I may. We do have our Hospitals Board in place. At our last meeting, we re-emphasized the need for the Vice President's role and as we chatted at lunch today, it became abundantly clear that Dr. Cramblett was the man qualified for this particular role, and I just want to add my personal endorsement because I have been so involved with the Hospitals Board. And I am saying this as a personal observation, I am most pleased with this, Dr. Cramblett, and will certainly lend all of my efforts and will encourage the Board of the hospitals to do the same in support of this move. I am very happy for you and I think we are all very blessed to have this opportunity.

Upon motion of Dr. Jacob, seconded by Mr. Hilliker, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

Resolution No. 81-26

*Synopsis: The reports on contracts, grants, and gifts and the summaries for June and July are presented for Board acceptance.*

September 5, 1980 meeting, Board of Trustees

**REPORT OF RESEARCH CONTRACTS, GRANTS, AND GIFTS (contd)**

WHEREAS monies are solicited and received on behalf of the University from governmental, industrial, other agencies, alumni, and various individuals in support of research, instructional activities, and service; and

WHEREAS such gifts and grants are received through the Office of Business and Administration of the University, The Ohio State University Research Foundation, the Engineering Experiment Station of The Ohio State University, and The Ohio State University Development Fund:

NOW THEREFORE

BE IT RESOLVED, That the research agreements between The Ohio State University and The Ohio State University Research Foundation for the contracts and grants reported herein, and the acceptance of the reports from the Office of Business and Administration, the Engineering Experiment Station, and The Ohio State University Development Fund during the months of June and July, 1980, be approved.

Upon motion of Mrs. James, seconded by Mr. Smith, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

**Establishment of Named Funds**

**The Kathryn M. Wildermuth Memorial Scholarship Fund**

The Kathryn M. Wildermuth Memorial Scholarship Fund was established September 5, 1980, by the Board of Trustees of The Ohio State University with a bequest to The Ohio State University Development Fund from Mrs. Kathryn M. Wildermuth of Columbus, Ohio.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used to provide one or more scholarships for undergraduate students in the upper 10 per cent of their class and who are deserving of scholarship aid; the selection of the recipient(s) to be made upon the recommendation of the University Committee on Student Financial Aid.

Should the need for this fund cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the appropriate administrative official of the University who is then directly responsible for scholarships.

**The David and Phyllis Beck Scholarship Fund**

The David and Phyllis Beck Scholarship Fund was established September 5, 1980, by the Board of Trustees of The Ohio State University with gifts to The Ohio State University Development Fund from David and Phyllis Beck, Dayton, Ohio.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The income is to be used to provide undergraduate and graduate scholarships in the College of Agriculture and Home Economics, with preference given to students of the Department of Animal Science from Montgomery and Preble Counties, Ohio. Student recipients will be determined by a scholarship selection committee composed of the Dean of the College of Agriculture and Home Economics, the Department Chairman of Animal Science and the County Extension Agents of Montgomery and Preble Counties. Requisitions for scholarships are to be approved by the Dean of the College of Agriculture and Home Economics.

Should the need for this fund cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the Dean of the College of Agriculture and Home Economics or from the appropriate administrative official of the University who is then responsible for study related to the field of agriculture.

**The Hans Willenegger Residency in Veterinary Surgery**

The Hans Willenegger Residency in Veterinary Surgery was established September 5, 1980, by The Ohio State University Board of Trustees with gifts to The Ohio State University Development Fund from Western European nationals and members of the Association for Osteosynthesis (AO) International in recognition of the work and ideals of Professor Doctor Hans Willenegger.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income from the principal shall be used as a stipend to support a residency position in veterinary surgery. The stipend will be comparable with other resident stipends within the College of Veterinary Medicine. First preference must be given to veterinarians who are Western European nationals who have met all criteria for admission and immigration. The names and qualifications of candidates will be screened by a committee of AO International representatives and then presented to the College of Veterinary Medicine Graduate Resident Committee. The chairperson of this committee will forward a specific recommendation to the Dean of the College of Veterinary Medicine, who will name the recipient.

Should the need for this fund cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University, who is then directly responsible for the study of veterinary medical education.

**The Michael Swink Memorial Scholarships in Theatre**

The Michael Swink Memorial Scholarships in Theatre was established September 5, 1980, by the Board of Trustees of The Ohio State University, with gifts to The Ohio State University Development Fund, from the family and friends of Michael Swink, B.A. '75, of Columbus, Ohio.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used to provide one or more scholarships for undergraduate students who have demonstrated exceptional talent and ability in theatre in the area of stage lighting, sound, and/or stage design. The selection of the recipient is to be made upon the recommendation of the Chairman of the Department of Theatre and the Dean of the College of the Arts.

**AMENDMENTS TO UNIVERSITY HOSPITALS BOARD BYLAWS**

Resolution No. 81-29

*Synopsis: Amendments to University Hospitals Board Bylaws is proposed.*

WHEREAS pursuant to rule 3335-103-01 of the Administrative Code, the Board of Trustees is authorized to amend the University Hospitals Board Bylaws; and

WHEREAS after a careful study of the University Hospitals Board Bylaws, as approved by the Board of Trustees on May 2, 1980, certain amendments are recommended; and

WHEREAS paragraph (B) of rule 3335-101-03, Medical Staff Organization, is amended to be consistent with rule 3335-97-03 in which the Medical Staff should recommend to the Joint Conference Committee of the Board, appointments or re-appointments of applicants to the Medical Staff; and

WHEREAS whenever the term "Hospital Clinical Service" appears in paragraph (B) of rule 3335-101-06, and in rule 3335-101-07, the terminology is amended to read "Hospital Clinical Departments" in order to make it consistent with the Medical Staff Bylaws; and

WHEREAS the composition of committees is changed from three to four members in rules 3335-97-03, 3335-97-04, and 3335-97-05:

NOW THEREFORE

BE IT RESOLVED, That the amendments as recommended by the University Hospitals Board be approved as they are printed in the accompanying pages.

Upon motion of Dr. Jacob, seconded by Mrs. James, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

3335-97-03 Joint conference committee.

(A) Purpose. The joint conference committee shall be a forum for discussion of medical policy and practice in the university hospitals and shall advise the board concerning hospitals patient care goals, policies, standards of care, and general operating problems. All recommendations of the medical staff to the board shall first be sent to the joint conference committee for its consideration and recommendation before being acted upon by the board. The committee shall perform such other duties as shall be given it by the board and shall also have the following specific duties:

- (1) Accreditation. The committee shall be responsible for advising the hospitals board on all matters relevant to maintenance of joint commission on accreditation of hospitals' accreditation. The committee shall monitor hospitals operation to identify areas of potential non-compliance with joint commission on accreditation of hospitals' standards and shall make recommendations to the hospitals board and to the medical staff for appropriate action.

**AMENDMENTS TO UNIVERSITY HOSPITALS BOARD BYLAWS (contd)**

- (2) Disaster planning. The committee shall be responsible for the development and maintenance of methods for the protection and care of hospitals patients and others at the time of internal and external disaster.
  - (3) Medical staff appointments. The committee shall make recommendations to the board on all applications for appointment or reappointment to the medical staff of the hospitals, and on all matters dealing with suspension or revocation of privileges of members of the medical staff, as may be provided under the bylaws of the medical staff.
  - (4) Medical staff bylaws, rules, and regulations. The committee shall recommend to the hospitals board all bylaws, rules, and regulations governing the activities of the medical staff, or amendments thereto, that it may consider necessary to assure proper patient care.
  - (5) Medical staff liaison. The committee shall advise the hospitals board on any communications, requests, or recommendations presented by the medical staff through its duly authorized representatives. The committee shall receive and consider all reports on the work of the medical staff organization and make such recommendations to the board as it considers to be in the best interest of the hospitals. The committee shall also receive and consider issues that may arise in the planning and operation of the hospitals that affect the relationship of the board, hospitals management, and medical staff organization.
- (B) Composition. The hospitals board shall be represented on the committee by the vice chairman of the board, who shall serve as chairman of this committee, and four other members of the board appointed annually by the board chairman. Other members of the joint conference committee will be as follows: the director of university hospitals, the medical director of the hospitals, the associate administrator of nursing services, the chief of staff or person in equivalent position, and two additional members of the medical staff selected by the organized medical staff. The director of university hospitals will serve as secretary of the committee.
- (C) Meetings. The joint conference committee shall meet on call by the committee chairman and shall advise the board members and medical staff of its activities.

**3335-97-04 Finance committee.**

- (A) Purpose. The finance committee shall be responsible for advising the board on hospitals financial matters. The committee will review the annual operating budget, monthly financial reports, and any proposals for adjusting hospital charges for services before they are submitted to the board for recommendation to the university administration and the university board of trustees.
- (B) Composition. The finance committee shall consist of four board members appointed annually by the chairman of the board, one of whom shall be the chairman of this

**RELATIONSHIPS OF HOSPITALS TO HEALTH SCIENCES,  
ACADEMIC, AND RESEARCH PROGRAMS**

**3335-99-01 Relationships of hospitals to health sciences,  
academic, and research programs.**

The health sciences colleges of the university carry out a significant portion of their educational and research activity in university hospitals. Although the board has not been delegated specific responsibilities for academic programs, it shall lend its best efforts to assure that the programs of the health sciences colleges are effectively supported in collaboration with the hospitals patient care programs. The vice president for health sciences shall be charged with maintaining an effective liaison between the health sciences colleges and the hospitals board to assure excellence in both academic and patient care programs.

**AMENDMENTS TO UNIVERSITY HOSPITALS BOARD BYLAWS (contd)**

Chapter 3335-101

MEDICAL STAFF

3335-101-01 General.

The hospitals board holds the medical staff organization accountable to the board for establishing and maintaining standards of medical care. The board will review and approve the medical staff bylaws before they are submitted to the Ohio state university board of trustees.

3335-101-02 Medical staff.

For purposes of Chapter 3335-101 of the Administrative Code, the words "medical staff" shall include all physicians and dentists who are authorized to attend patients in the hospital or in any other medical care activity administered by the hospitals, and may include such other professionals as the medical staff bylaws designate.

3335-101-03 Medical staff organization.

The board shall approve and authorize the organization of the medical staff to discharge those duties and responsibilities assigned to it by the board and specifically to accomplish the following purposes, among others:

- (A) To monitor the quality of medical care in the hospital and make recommendations to the board to ensure that all patients--admitted to or treated at any of the facilities, departments, or services of the hospitals--receive high quality medical care.
- (B) To recommend to the joint conference committee of the board the appointment or reappointment of an applicant to the medical staff of the hospitals, the clinical privileges such applicant shall enjoy in the hospitals, and appropriate action that may be necessary in connection with any member of the medical staff.
- (C) To represent the medical staff of the hospitals and to provide the means whereby issues concerning the medical staff and the hospitals are discussed within the medical staff organization and among representatives of the medical staff, the hospitals board, and the hospitals administration.
- (D) To establish specific rules and regulations governing actions of members of the medical staff.

3335-101-04 Medical staff bylaws.

The medical staff organization shall recommend to the board medical staff bylaws, rules, and regulations that set forth the medical staff organization and the governance process for maintaining such bylaws, rules, and regulations to accomplish the purposes set forth in rule 3335-101-03 of the Administrative Code. When such bylaws, rules, and

**AMENDMENTS TO UNIVERSITY HOSPITALS BOARD BYLAWS (contd)**

regulations are adopted by the board and the Ohio state university board of trustees, they shall become effective and become part of the bylaws, rules, and regulations of the hospitals. The medical staff organization shall also be responsible for reviewing these bylaws, rules, and regulations periodically and recommending appropriate revisions to the board.

**3335-101-05 Appointment to the medical staff and assignment of clinical privileges.**

Upon recommendation of the medical staff and in accordance with the medical staff bylaws, the board may appoint faculty members who are graduates of recognized medical and dental schools, meeting the qualifications prescribed in the medical staff bylaws, to membership on the medical staff of the hospitals and shall grant clinical privileges to such persons, subject to ratification of the Ohio state university board of trustees. Appointment to the medical staff carries with it full responsibility for the treatment of individual hospitals patients subject to such limitations as may be imposed by the board or the bylaws, rules, and regulations of the medical staff. Appointments to the medical staff shall be for one year, renewable each year in accordance with the reappointment procedure set forth in the medical staff bylaws. Reappointments to the medical staff will be made annually by the board, and shall be for one year.

**3335-101-06 Medical staff administrative committee.**

(A) Purpose. The medical staff administrative committee shall establish and maintain means of accountability to the board, in accordance with the medical staff bylaws. It shall concern itself primarily with the quality of medical care within the hospitals. It shall receive and act upon all medical staff committee reports and make recommendations regarding medical staff status and privileges to the board. Other specific duties of the medical staff administrative committee are identified in the medical staff bylaws.

(B) Composition. The medical board of the medical staff shall be known as the medical staff administrative committee which shall be composed of the chief of staff, the chief of staff-elect, the chiefs of clinical departments, three at-large members elected by the medical staff, the medical director, and the director of hospitals. The medical director, who is appointed by the dean of the college of medicine and the vice president for health sciences subject to approval by the board, shall serve as chairperson of the medical staff administrative committee.

(C) Meetings. The medical staff administrative committee shall meet monthly. Minutes of the meetings shall be provided to all members of the joint conference committee, the dean of the college of medicine, the dean of the college of dentistry, and the deans of other professional colleges whose faculty have appointment on the medical and dental staffs.

**3335-101-07 Hospital clinical departments.**

(A) Appointment of the chief of each clinical department is subject to approval by the board on the recommendation of the dean of the applicable professional

**AMENDMENTS TO UNIVERSITY HOSPITALS BOARD BYLAWS (contd)**

school and the vice president for health sciences. All such appointments shall be periodically reviewed by the board. Chiefs of clinical departments vacancies may be filled on an interim basis at any time by action of the dean of the appropriate professional college, after consulting with the board. (In general, the chiefs of clinical departments will be chairmen of corresponding academic departments in the medical college.)

- (B) The board may delegate, through approval of the medical staff bylaws or by appropriate board resolution, to the chiefs of the clinical departments responsibility for maintaining the quality of medical care in their services, and for recommending an applicant's appointment or reappointment to the medical staff of the hospitals and privileges for such an applicant.
- (C) The dean of the college of medicine serves as the chief medical officer of the hospitals and in this capacity is accountable directly to the vice president for health sciences and to the board. In matters relating to medical care in the hospitals, members of the clinical departments of the hospitals are accountable to their clinical chiefs, who are accountable to the medical director, who is accountable to the dean of the college of medicine.

**HOSPITALS SELF-INSURANCE AND INDEMNIFICATION PROGRAM**

Resolution No. 81-31

*Synopsis: Extension of the coverage of the Hospitals Self-Insurance and Indemnification Fund to University Hospitals Board members is proposed.*

WHEREAS the Board of Trustees on December 15, 1976, pursuant to Ohio Revised Code section 2743.02(C), authorized the creation of a funded reserve known as the Hospitals Self-Insurance and Indemnification Fund to secure projected and potential expenses, losses and liabilities; and

WHEREAS under the aforementioned self-insurance program the Board resolved to indemnify and hold harmless the members of the Board of Trustees of The Ohio State University against expense, loss or liability arising out of death or injury to any person as a result of negligence, malpractice or other action or inaction of such Trustees while acting within the scope of their duties as the governing board of The Ohio State University Hospitals; and

WHEREAS the Board of Trustees on November 30, 1979 established a University Hospitals Board to oversee patient care services in University Hospitals; and

WHEREAS the University Hospitals Board was composed of three members of the University Board of Trustees and twelve other persons from the general public appointed by the Board of Trustees in consultation with the President; and

WHEREAS on April 4, 1980 the Board of Trustees nominated and appointed twelve general public members to the University Hospitals Board, effective on May 1, 1980:

NOW THEREFORE

BE IT RESOLVED, That effective May 1, 1980, pursuant to Ohio Revised Code section 2743.02(C), the University Hospitals Self-Insurance and Indemnification Program be extended, within existing coverage limitations of the fund, to provide coverage to the twelve general public members of the University Hospitals Board; and

BE IT FURTHER RESOLVED, That within the limits of the fund, the twelve general public members of the University Hospitals Board be indemnified and held harmless against expense, loss or liability arising out of death or injury to any person as a result of negligence, malpractice or other action or inaction of such general public members while acting within the scope of their duties as members of the University Hospitals Board.

Upon motion of Dr. Jacob, seconded by Mrs. James, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

**ISSUANCE AND SALE OF THE OHIO STATE UNIVERSITY GENERAL  
RECEIPTS BOND ANTICIPATION NOTES, SERIES 1980**

Resolution No. 81-32

*Synopsis: Providing for the issuance and sale of The Ohio State University General Receipts Bond Anticipation Notes, Series 1980 is recommended.*

WHEREAS the Board of Trustees of The Ohio State University (the "Board"), is vested with the government of The Ohio State University (the "University" and, when the context admits, collectively with the Board called the "University") by Chapter 3335, Ohio Revised Code; and

WHEREAS the University has previously determined, and does hereby confirm, that it has been necessary to construct and equip certain vehicular parking facilities on the campus of the University, comprised of two multi-level parking structures and appurtenances known as the 9th Avenue Parking Ramp and the 11th Avenue Parking Ramp, with an aggregate capacity for the parking of approximately 1,740 motor vehicles, and that it is necessary to install smoke detector equipment in 11,113 living units of University and University Housing Commission dormitories and other University living quarters and in the common areas of 25 University and University Housing Commission dormitory buildings, such vehicular parking facilities and smoke detector equipment being herein called the "Project"; and

WHEREAS the costs of the Project constituting "costs of auxiliary facilities" as defined in Section 3345.12 (A) (8), Ohio Revised Code (the "costs of the Project") are at least \$9,500,000; and

WHEREAS the University previously determined, and does hereby confirm, to borrow funds for the permanent financing of the costs of the Project, and for such purpose to issue its General Receipts Bonds (the "Bonds") at such time and in such principal amount as may be necessary for such purpose, pursuant to authorizing provisions of law including Sections 3345.11 and 3345.12, Ohio Revised Code; and

WHEREAS the University heretofore determined that it was necessary to issue, prior to and in anticipation of permanent financing of the costs of the Project, \$9,500,000 of General Receipts Bond Anticipation Notes, Series 1979 (the "Outstanding Notes") as provided in Resolution No. 80-58 adopted by this Board on November 30, 1979, and has determined that it is necessary to issue notes as provided in this resolution to refund the Outstanding Notes; and

WHEREAS the Outstanding Notes mature December 27, 1979 subject to the right of the University to prepay and redeem the Outstanding Notes which this Board has determined to do as of October 1, 1980;

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of The Ohio State University, that:

Section 1. It is determined to be necessary to borrow, pursuant to Section 3345.11 and 3345.12, Ohio Revised Code and for the purpose of refunding the Outstanding Notes issued

**ISSUANCE AND SALE OF THE OHIO STATE UNIVERSITY GENERAL RECEIPTS BOND ANTICIPATION NOTES, SERIES 1980 (contd)**

for the purpose of paying the costs of the Project, the amount of \$9,500,000 and to issue General Receipts Bond Anticipation Notes, Series 1980 (the "Notes") to evidence such borrowing.

Section 2. The Notes shall be in the aggregate principal amount of \$9,500,000; shall be dated as of October 1, 1980; shall bear interest from their date at a rate or rates not exceeding ten per centum (10%) per annum, to be fixed by the Fiscal Officer in his certificate awarding the Notes pursuant to Section 6 hereof, such interest to be payable at maturity; and shall mature April 1, 1981; shall be issued in such denominations as requested by the Original Purchaser and approved by the Fiscal Officer, provided that the denominations shall be in the minimum amount of \$25,000 each and if greater in multiples of \$5,000 and that the entire principal amount may be represented by a single note; shall be numbered as determined by the Fiscal Officer; shall not have coupons attached; shall be signed in their official capacities by the Chairman of the Board or the President of the University and by the Fiscal Officer, provided that one of such signatures may be a facsimile signature; and shall express upon their faces the purpose for which they are issued and that they are issued pursuant to this resolution.

Section 3. The Notes may be issued in registered form or in unregistered form as requested by the Original Purchaser, shall reflect the appropriate terms of the offer and sale thereof consistent with this resolution and with the Invitation for Proposals attached hereto, and may contain such other provisions, consistent with this resolution and with the Invitation for Proposals attached hereto, as the President of the University or the Fiscal Officer may approve.

Section 4. If the holder (in this section called the "owner") of a note issued pursuant to this resolution claims that such note has been lost, destroyed, or wrongfully taken, the Fiscal Officer is authorized to cause to be executed and delivered a new note (in this section called the "replacement note") of like date and tenor (specifying on its face, however, that it is issued in place of the original note) in place of the original note, in accordance with and subject to the provisions of Section 1308.35, Ohio Revised Code, and of this section. The owner's notification and request pursuant to said Section 1308.35 shall be in writing, addressed to the Fiscal Officer and shall include evidence satisfactory to the Fiscal Officer of such loss, destruction, or wrongful taking and of his ownership. The Fiscal Officer is authorized to approve, so long as satisfactory to such officer, the indemnity bond that the owner shall file with the University as a condition to the issuance of a replacement note, and is further authorized to impose other reasonable requirements, including a requirement that the owner pay the reasonable expenses and charges of the University in connection with the issuance, execution and delivery of such replacement note, as conditions to the delivery of a replacement note.

Section 5. The principal of and interest on the Notes shall be payable at the main office of The Huntington National Bank of Columbus, Columbus, Ohio, or at such other bank designated by the Fiscal Officer in his certificate awarding the Notes pursuant to Section 6 hereof, such payment to be made in Federal Reserve Funds of the United States of America if the Original Purchaser shall so elect.

**ISSUANCE AND SALE OF THE OHIO STATE UNIVERSITY GENERAL RECEIPTS BOND ANTICIPATION NOTES, SERIES 1980 (contd)**

Section 6. The Notes shall be sold by the Fiscal Officer at a rate of interest not exceeding the limitation set forth in Section 2 hereof, at par and any premium, and in accordance with the provisions of the "Invitation for Proposals" attached hereto. The Fiscal Officer is hereby authorized and directed to deliver the Notes, when executed, to the Original Purchaser upon payment of the purchase price together with any accrued interest.

Section 7. As provided in this resolution, the principal of and interest on the Notes, together with the principal of and interest on any other notes that may hereafter be issued by the University on a parity therewith, shall be equally and ratably payable from, and secured by a pledge of and a lien on, the "General Receipts" of the University as defined in Section 1 of the General Bond Resolution adopted by this Board on May 7, 1971 (the "General Bond Resolution"), but subject to the existing pledge thereof to bonds issued or to be issued pursuant to the General Bond Resolution. The principal of and interest on the Notes shall also be equally and ratably payable from, and secured by a pledge of and lien on, the proceeds of the sale of bonds or notes issued pursuant to Sections 3345.11 and 3345.12, Ohio Revised Code, or other authorizing provisions of law to refund or retire the Notes in whole or in part. Neither the State of Ohio nor the University or its Board shall be obligated to pay the principal of or interest on the Notes from any other funds or source, and the Notes shall not be a claim upon or lien against any property of the State of Ohio, or any other property of or under the control of the University. The Notes, as to both principal and interest, are not debts or bonded indebtedness of the State of Ohio, are not general obligations of the State or the University, and the full faith and credit thereof are not pledged thereto. The holders of the Notes shall have no right to have any excises or taxes levied by the General Assembly of the State of Ohio for the payment of principal or interest.

In consideration of the loan evidenced by the Notes, the University covenants and agrees that it will do all things necessary to effect the issuance and delivery, prior to the maturity of the Notes, of bonds or notes for the refunding or retiring of the Notes, pursuant to Sections 3345.11 and 3345.12, Ohio Revised Code, or other authorizing provisions of law, in such principal amount as may be necessary to pay the principal of and interest on the Notes, that it will do all things necessary to sell such bonds or notes at the time provided above and will accept such price and such interest rate as shall be necessary in order to effect such sale, and that it shall apply the proceeds thereof to the extent necessary to make full payment of said principal of and interest on the Notes, and these obligations are established as duties specifically enjoined by law upon the University and its officers, and result from their respective offices, trust or stations within the meaning of Section 2731.01, Ohio Revised Code.

In connection with the aforesaid covenant, it is the present intention of the University that any bonds eventually issued to retire the Notes or notes issued to refund the Notes will be issued as General Receipts Bonds pursuant to the General Bond Resolution, and that such bonds shall have not to exceed 30 annual principal maturities and that the debt service thereon shall be on a substantially level debt service basis.

Section 8. The proceeds of the Notes shall be applied promptly by the Fiscal Officer to the timely payment and discharge of the like aggregate principal amount of the Outstanding

Notes. The Fiscal Officer is hereby directed to apply to the payment of the interest due on the Outstanding Notes upon the date of their prepayment, such amounts as may be required therefor from funds of the University lawfully available therefor.

Section 9. The University hereby covenants that it will restrict the use of the proceeds of the Notes in such manner and to such extent, if any, as may be necessary, after taking into account reasonable expectations at the time of the delivery of and payment for such Notes, so that the Notes will not constitute arbitrage bonds under Section 103 (c) of the Internal Revenue Code and the applicable income tax regulations under that Section. The Fiscal Officer, or any other officer having responsibility for issuing the Notes, is authorized and directed, alone or in conjunction with any of the foregoing or with any other officer or employee of or consultant to the University, to give an appropriate certificate of the University, for inclusion in the transcript of proceedings, setting forth the reasonable expectations of the University on the date of delivery of and payment for the notes regarding the amount and use of the proceeds of the Notes and the facts, estimates and circumstances on which they are based pursuant to said Section 103 (c) and the applicable income tax regulations thereunder.

Section 10. This Board determines to prepay the Outstanding Notes as of October 1, 1980, and the Fiscal Officer is hereby authorized and directed to take the appropriate steps and actions and to give such notices as required by Resolution 80-58 to effectuate the prepayment of the Outstanding Notes on said date.

Section 11. As used in this resolution, "Fiscal Officer" shall mean the Vice President for Business and Administration of the University, or, in his absence, the Treasurer of the University; "Original Purchaser" shall mean each financial institution or underwriter which initially purchases the Notes, as identified in the certificate of the Fiscal Officer awarding the Notes pursuant to Section 6 hereof; and references to any specified section of the Ohio Revised Code shall mean said section as it now exists and as it may from time to time be amended, supplemented or affected by later legislation, and shall include any provision enacted in substitution therefor or as a supplement thereto. Any reference in this resolution to an officer of the University or the Board shall refer to the person holding such office or, in the event of absence or vacancy in such office, then to the person performing the duties of such office.

Section 12. It is hereby found and determined that all formal actions of this Board concerning and relating to the adoption of this resolution were adopted in an open meeting of this Board, and that all deliberations of this Board and of any of its committees that resulted in such formal action were in meetings open to the public, in compliance with all legal requirements including Section 121.22, Ohio Revised Code.

Upon motion of Mr. Hilliker, seconded by Mrs. James, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

**INVITATION FOR PROPOSALS  
\$9,500,000 THE OHIO STATE UNIVERSITY  
GENERAL RECEIPTS BOND ANTICIPATION NOTES, SERIES 1980**

The Ohio State University (the "University"), Columbus, Ohio, contemplates the issuance of general receipts bond anticipation notes in the principal amount of \$9,500,000 (the "Notes") to refund a like amount of general receipts bond anticipation notes previously issued in anticipation of the issuance of General Receipts Bonds, to pay the costs of certain University Facilities, consisting of the construction and equipping of new vehicular parking facilities and the installation of smoke detector equipment in University and University Housing Commission dormitories and other University living quarters.

Sealed proposals for the purchase of the Notes will be received by the University Treasurer at his office in 910 Lincoln Tower, the address of which is 1800 Cannon Drive, Columbus, Ohio 43210, until 12:00 o'clock, Noon, Eastern Daylight Saving Time on September 26, 1980, at which time the proposals will be opened and read publicly.

The Notes will be dated as of October 1, 1980, will mature April 1, 1981, will not be subject to prepayment nor have coupons attached and will bear interest from their date payable at maturity.

Proposals may be for all or part of the \$9,500,000 principal amount of the Notes, provided that (i) each proposal for less than all of the Notes shall be in a whole multiple of \$500,000 and (ii) each proposal shall be in an amount not less than \$1,000,000. Each proposal shall be for the purchase of the Notes proposed to be purchased at not less than par, and shall state the principal amount proposed to be purchased and the interest rate or rates which said principal amount shall bear, but only one rate shall be specified for any given \$500,000 segment of Notes proposed to be purchased. "All or none" proposals with respect to any principal amount of Notes proposed to be purchased shall not be considered. Each proposal shall be in writing, on the form provided by the University, and enclosed in a sealed envelope endorsed "Proposal for General Receipts Bond Anticipation Notes, Series 1980."

The Notes or any portion thereof will be sold to the party or parties submitting the highest proposal therefor based on the lowest interest cost to stated maturity. Each segment of the Notes for which a given party submitting a proposal specifies a separate interest rate will be considered a separate proposal and any premium specified will be allocated pro rata among all the segments proposed to be purchased, unless separate premiums are specified for each segment. The lowest interest cost for each segment will be determined by taking the aggregate amount of interest to the stated maturity at the rate specified and deducting therefrom the amount of premium applicable thereto. The Notes will then be awarded in segments commencing with the segment for which the lowest interest cost was offered and continuing with the awards in order of interest cost offered, from lowest to highest; provided, however, in the event that two or more proposals specify the same lowest interest cost and the award to such parties submitting proposals would exceed the principal amount of the Notes offered for sale, the award as to such proposals will be made pro rata.

The University reserves the right to award to any party submitting a proposal all or any part of the Notes which such party submitting a proposal offers to purchase in its proposal on

**INVITATION FOR PROPOSALS (contd)**

the basis of such proposal, except that partial awards shall be in the amount of at least \$500,000. In the event that a pro rata award would result in a partial award of less than \$500,000, the successful party submitting a proposal with respect to that segment will be determined by lot. In addition, the University reserves the right to reject any or all proposals and to re-offer the Notes (in the same or in an increased or decreased aggregate principal amount) for sale, and also reserves the right to waive any informality, irregularity or defects.

The Notes will be payable at the main office of The Huntington National Bank of Columbus, Columbus, Ohio, or at such other bank designated by the University Vice President for Business and Administration, or the University Treasurer, as the case may be, in his certificate awarding the notes as provided in Section 6 of the note resolution authorizing the Notes; will be payable in Federal Reserve funds of the United States of America if so requested by the purchaser or purchasers; and will be in such numbers and denominations (provided that the denominations shall be in the minimum amount of \$25,000 each and if greater, in multiples of \$5,000) as may be requested by the purchaser or purchasers and approved by the Vice President for Business and Administration of the University, or in his absence, the University Treasurer.

Principal of and interest on the Notes and such other notes that may be issued on a parity therewith, are payable from the "General Receipts" of the University as defined in Section 1 of the General Bond Resolution adopted by the Board of Trustees of the University on May 7, 1971 (the "General Bond Resolution"), but subject to the existing pledge thereof to bonds issued or to be issued pursuant to the General Bond Resolution. Principal of and interest on the Notes are also payable from the proceeds of the sale of bonds or notes issued pursuant to Sections 3345.11 and 3345.12 of the Ohio Revised Code or other authorizing provisions of law to refund or retire the Notes in whole or in part. The holders of the Notes shall have no right to have any excises or taxes levied by the General Assembly of the State of Ohio for the payment of principal or interest.

Legal matters incident to the issuance of the Notes and with regard to the tax-exempt status of the interest thereon are subject to the approving legal opinion of Squire, Sanders & Dempsey, Bond Counsel, which will be furnished without cost to the successful party or parties submitting proposals at the time the Notes are delivered. Bond Counsel has not been engaged to confirm or verify, assumes no responsibility for, and expresses and will express no opinion as to the accuracy, completeness or fairness of any statements in any reports, financial information, offering or disclosure documents or other information relating to the University or the Notes that may be prepared or made available by the University or others to the parties submitting proposals for or holders of the Notes or others.

The University will furnish without expense the Notes which will be in printed form, and the cost of printing the Notes will not be considered in determining the highest proposal. A complete transcript of proceedings will also be furnished by the University together with a certificate that to the knowledge of the signers no litigation or administrative action or proceeding is pending or threatened at the time of delivery to restrain or enjoin or seeking to restrain or enjoin the issuance and delivery of the Notes, or to contest or question the proceedings and authority under which the Notes have been authorized, issued, sold, executed or delivered or the validity of the Notes.

September 5, 1980 meeting, Board of Trustees

**INVITATION FOR PROPOSALS (contd)**

The Notes will be delivered for payment at a single bank or trust company within the State of Ohio, or at a single bank or trust company in the City and State of New York, without cost to the purchasers, such bank or trust company to be designated by the Vice President for Business and Administration of the University, or, in his absence, the University Treasurer. Unless other mutually satisfactory arrangements are made, each successful party submitting a proposal will be required to accept delivery of the portion of the Notes which were awarded to it at such place when so available.

Before making tender of the Notes, or any portion thereof for which award has been made, at the place of delivery, the University shall give written notice to the successful parties submitting proposals not later than the fifth business day before the proposed tender, of the fact that the Notes, transcript, no-litigation certificate and approving opinion will be available for delivery and giving the date and hour for the tender at the place of delivery; provided, however, that nothing herein contained shall prevent the making of a mutually agreeable arrangement for the delivery of the Notes either at the place fixed for delivery or elsewhere.

It is anticipated that the Notes will be available for delivery on October 1, 1980, and payment therefor, together with any accrued interest thereon if delivered after October 1, 1980, must be made in Federal Reserve funds of the United States of America. If such notice has not been given by the University or waived by the successful party submitting a proposal and the Notes, transcript, no-litigation certificate and approving legal opinion are not available for delivery to the successful party submitting a proposal at such place of delivery on or before 12:00 o'clock Noon Eastern Daylight Saving Time of the 45th calendar day after the day fixed for receipt of proposals, and the successful party submitting a proposal shall not be in default of any of its obligations, it shall thereafter, and so long as tender thereof by the University shall not yet have been made, have the right to cancel the contract of purchase by delivering to the office of the undersigned during regular business hours written notice of such cancellation.

In the event that, prior to their delivery, the interest on said Notes should, by act of Congress or otherwise, become subject to federal income taxes, or any act of Congress should provide that the interest income on said Notes shall be taxable at a future date for federal income tax purposes, whether directly or indirectly, the successful party or parties submitting proposals may refuse to accept delivery.

It is contemplated that the undersigned, acting pursuant to the authority conferred by the resolution authorizing the issuance of the Notes, will award the same promptly on the day on which bids are received.

**Looking Ahead to Autumn Quarter--A Brief Preview**

Mr. Chairman and members of the Board, there is a deathly still over the campus and it will not last. In a few days the campus will be alive with students and we will be opening a new academic year. In December--all too soon--I will be presiding at the 274th commencement exercises of The Ohio State University. I thought it might be helpful, I hope it will be of some interest to this Board, if I look ahead very quickly to the Autumn Quarter and give all of you, and through you others, a brief preview of the coming year.

**Enrollment** - It is heartening to see that our enrollment is relatively stable. At the Columbus campus we expect about 53,000 students. The regional campuses are expected to show an increase of enrollment of possibly 5 per cent or so to about 4,000 or 4,100 and of note to some of you, the freshman class of some 7,000 or 7,100 will have more women than men for the first time since World War II. It will have about 51 per cent to 49 per cent.

**Housing** - Our residence halls will be full, bulging. Indeed, we are making short-term arrangements to handle a temporary overflow of some 200 or so students, and of the 1,100 or so being housed, about half of these are freshmen.

**Student Financial Aid** - Student financial aid is a major problem this fall in ways that I suppose are obvious but often overlooked. There is a very substantial increase in the number of students needing aid and particularly in the amount needed. The number seeking aid is up 3-1/2 - 4 per cent over last fall and the amount they seek is up sharply over last year. Actually it is 22 per cent up. You might be interested to know that the need, the actual need as defined for aid is nearly \$24 million in contrast with the \$19.5 million of a year ago and that, of course, reflects inflation and higher fees and unfortunately the federal support is not increasing proportionately.

**Leadership** - A moment ago I recommended to you the filling of a major position in the University. I think it is important that you in overall understand where we are. Of the ten vice presidents all are now filled; of the seventeen deans all but Dentistry is filled and the search is underway for that person. Of the 117 departmental chairpersons there is one vacancy and four acting and of the 3,211 faculty, which excludes lecturers and teaching assistants, we will have 208 new this fall. I

don't have firm, comparable data on this but it is my sure conviction that that is probably the lowest level of new hires for a long time. There is an extremely high degree of stability in the labor force of American higher education now. The reason is painfully obvious to those who are in the business.

**Academic Programs and Support** - With respect to academic programs and support, there are some new degree programs, notably the Doctor of Pharmacy and the Bachelor of Science in Aviation. These have been approved at all the University levels. We have done the impossible; we have actually consolidated some departments--the Departments of Biochemistry and Physiological Chemistry were consolidated. We have--thanks to Dr. Kuhn in the first instance and now Dr. Reynolds--a program review underway in 23 different areas, and seven of these reviews are to be completed this year. We are, as we reported this morning, in the midst of some major budget reallocations. We do move and have moved significant funds from areas of declining enrollment to areas of expanding enrollment such as engineering and administrative sciences. We have made a substantial investment in teaching and research equipment including \$7 million in one-time funds last year.

**Libraries** - I think it is important to note that in our libraries, we now have well over 3.5 million books, up 95,000 over past autumn. We have allocated last year \$400,000 in supplemental funds for acquisitions. I have to say in the same breath that the demand for increases in library resources continue to outstrip anything that we could possibly finance.

**Health Sciences** - In the health sciences, as I noted earlier, we have made key appointments in this past year, including the Director of Nursing, and as of today the Director of Hospitals. Despite very keen competition for nurses here in the community, our nursing staff is up from 415 to 520. University Hospitals now, as of today, has a formal medical staff organization and the medical faculty in the hospitals has elected a chief of medical staff.

Good news is never news, but it is noteworthy--at least to this Board--that the Practice Plan enters its second year and that through the diligent efforts of all concerned we have had a very smooth first year, and I find it particularly gratifying that there has been no need to use formal dispute procedures to resolve any of our problems. Both in Dentistry and Medicine we are now in transition from 3- to 4-year programs and it's heartening to know that we have some hard dollar support from the General Assembly. As I told you so many times, the federal capitation support for the health area is drying up very fast and I think to our great credit as an institution we have moved substantial sums of money from other parts of the enterprise to make up for these losses in the health sciences. I am not sure that's as well understood and appreciated in the health areas as it might be.

HAROLD L. ENARSON (contd)**

**Looking Ahead to Autumn Quarter--A Brief Preview (contd)**

**International Programs** - With respect to international programs, we have the office now of the Midwest University Consortium for International Activities and we have recently established a new Center for International Studies, and I think we have a first-rate person to head that up.

**Support Services** - Something called--the dulllest possible bureaucratese support services yet utterly important--we established last year the Environmental Health and Safety Office. I think it is fair to say that we haven't done enough over the years in this domain and it is fair to say that it will be difficult ever to do all that we perhaps should do or that people expect us to because the problems are so large and they are changing so rapidly, but we are making a major thrust and we now have a professional and clerical staff of 12 to monitor a whole range of potential hazards and to assure the safety of students and staff.

We have also strengthened our program for physically impaired, not because of pressures we have had from anybody at any time, but because it has been the right thing to do. We have put increased dollars into that program--we have a new Director hired who will be here soon, we have expended money to improve building access, we have added to our transportation services and we have eased access to the recreation programs.

**Athletics** - In athletics, I won't touch on all the things that are covered everyday in the sports page because you know that. But what you don't know and should know is that we continue to make improvements in our women's programs. Our grants-in-aid were virtually zero when I came here eight years ago and the past four years we have moved the number of grants-in-aid for women from 62 to 92. We are not unaware of some of the problems of sister institutions around the nation including some of our Pac 10 colleagues on the West Coast. We are taking every precaution we can imagine. The academic advising of student athletes, we realize, is very sensitive and very important as is our monitoring of their eligibility, and we are strengthening the ties between the academic counseling of student athletes and the Office of Academic Affairs.

**Traffic and Parking** - There are really only several things of deep and profound interest to faculty, staff, and students--sex and parking--and I don't have anything to say about the former, but with respect to parking, we had hoped to have a new street widening done by the first of the new year but it will be a little late. We are widening West Woodruff Avenue near High Street which I think will clearly improve the flow of traffic from campus. We have resurfaced and restriped the parking areas. We are making better use, incidentally, of our space by remarking some parking spaces to fit small cars. As a result, we have gained an additional 205 cars. We have also frustrated the President enormously because he can no longer find a place to park his car--which is not a small car--it is an old, tired car, but it's not a small car.

**Facilities Improvements**

Now, with your forbearance, I would like to go to one other item and this item is of such importance in terms of the future of this University that I have chosen to spell out my comments, and I realize you can read faster than—let your eye flow down the page faster than I can read, but I think it is important that I try to underscore some points with respect to facilities, and the points I make are in essence points that have been made before to you, but that doesn't delude from their fundamental validity.

First, every project in our current capital improvements program enhances the quality of the University's service in one way or another. Some projects are not glamorous. But all are essential.

Second, almost none of these projects is related to enrollment. Rather, they are directly linked to our efforts to provide better services in health and other areas. Or they are required because we must renovate or replace old buildings.

Third, it is absolutely essential that funds be provided to keep up with the ongoing maintenance requirements of a physical plant of about 440 buildings that have a replacement value of approximately \$1 billion.

Finally—the most telling point in these figures—is the fact that *all* funds for construction and improvement of facilities at Ohio State will soon be gone.

The capital improvements bill has been stalemated in the General Assembly since last spring. We intend, however, to continue to press for passage of some kind of capital improvements measure. The magnitude of that bill, of course, must finally be determined by the political process.

Yet—and I want to underscore this point publicly once again—the capital projects proposed by this University nearly two years ago are still badly needed.

I recall that eight years ago, when I came here, the University's highest capital priority was replacement of the old Sawtooth section of McPherson Laboratory. It *continues* to be our top priority. It is a sad commentary that students who must use this laboratory probably had much better facilities in their high schools.

As every homeowner knows, it is the height of folly to neglect faulty plumbing or a leaking roof. A university is no different, except that when the damage comes it will be much more expensive to repair. The economy of delay is a false economy.

We should be spending \$10-\$12 million annually on utilities improvements and renovation alone, to say nothing of new facilities that may be needed in the years ahead. Yet the following figures are painfully clear. The count-down has begun. And this University has about two years before it runs out of capital improvements funds completely.

The meeting of the Board of Trustees reconvened at 1:30 p.m.

**CHANGE "THE WARNER M. AND LORA KAYS POMERENE  
PROFESSORSHIP IN MEDICINE" TO "THE WARNER M.  
AND LORA KAYS POMERENE CHAIR IN MEDICINE"**

Resolution No. 81-34

*Synopsis: Change "The Warner M. and Lora Kays Pomerene Professorship in Medicine" to "The Warner M. and Lora Kays Pomerene Chair in Medicine," is being proposed.*

WHEREAS the Board of Trustees on January 14, 1965, approved a set of guidelines for the establishment of "Named Chairs," which was subsequently modified March 3, 1972, and renamed "Endowed Chairs," and was modified further on May 5, 1978; and

WHEREAS the Board of Trustees on January 9, 1976 approved the establishment of an "Endowed Professorship" to be known as "The Warner M. and Lora Kays Pomerene Professorship in Medicine"; and

WHEREAS through an additional bequest to The Ohio State University Development Fund from Warner M. Pomerene (B.A. '15, LL.B. '17) and Mrs. Lora Kays Pomerene (B.S. '16), of Coshocton, Ohio, it is desired to change the "Endowed Professorship" to an "Endowed Chair" to be known as "The Warner M. and Lora Kays Pomerene Chair in Medicine"; and

WHEREAS all gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees and The Ohio State University, with the right to invest and reinvest as occasion dictates; and

WHEREAS the annual income is to be used to provide salary and program support for the work of a distinguished teacher, researcher and physician who is specializing in the field of primary care with appointment to the Pomerene Chair to be recommended by the Dean of the College of Medicine and approved by the Vice President for Health Sciences and the Board of Trustees; and

WHEREAS should the need for this faculty position cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate official of the University who is then directly responsible for primary care medical education:

October 3, 1980 meeting, Board of Trustees

**CHANGE "THE WARNER M. AND LORA KAYS POMERENE  
PROFESSORSHIP IN MEDICINE" TO "THE WARNER M.  
AND LORA KAYS POMERENE CHAIR IN MEDICINE" (contd)**

NOW THEREFORE

BE IT RESOLVED, That "The Warner M. and Lora Kays Pomerene Professorship in Medicine" be changed to "The Warner M. and Lora Kays Pomerene Chair in Medicine."

Upon motion of Mr. Immke, seconded by Mr. Galbreath, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

**The T. Kline Hamilton Award**

The T. Kline Hamilton Award was established October 3, 1980, by the Board of Trustees of The Ohio State University with a gift from the Columbus Division - Dairy and Nutrition Council (formerly Columbus Milk Council).

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as the case dictates.

The annual income will be used to support graduate research related to the nutritional aspects of dairy products in the Department of Human Nutrition and Food Management. The award will be made by the director of the School of Home Economics based on the recommendations of The T. Kline Hamilton Award Committee.

Should the need for this fund cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with the preference being given to the appropriate administrative official of the University who is then directly responsible for the School of Home Economics.

**The Loren F. Steiner Entomology Memorial Fund**

The Loren F. Steiner Entomology Memorial Fund was established October 3, 1980, by the Board of Trustees of The Ohio State University with gifts to The Ohio State University Development Fund from the family, friends and associates of Loren F. Steiner, B.S. Agr. '26, M.S. '27, and Honorary Doctor of Science Degree 1967.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used to provide one or more scholarships for undergraduate students or fellowships to the graduate students who have demonstrated academic ability, need for financial assistance, and an interest in economic entomology. The selection of the recipient is to be made upon the recommendation of the Chairman, Department of Entomology, in cooperation with the Dean of the College of Biological Sciences.

Should the need for these scholarships and fellowships cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for entomology education.

**The Richard B. Reese Memorial Scholarship Fund**

The Richard B. Reese Memorial Scholarship Fund was established October 3, 1980, by the Board of Trustees of The Ohio State University with a gift to The Ohio State University Development Fund from Ellen M. and Alexander M. Nick to honor the memory of their friend, Richard Baker Reese, B.S. '45, of Richwood, Ohio.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with right to invest and reinvest as occasion dictates.

The annual income is to be used to provide one or more scholarships for undergraduate or graduate students who are majoring in accounting and have demonstrated a need for financial assistance. Preference is to be given to students participating in the intercollegiate athletic program. The selection of the recipient is to be made upon the recommendation of the University Scholarship Committee in cooperation with the Dean of the College of Administrative Science.

Should the need for these scholarships cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for accounting education.

**EMPLOYMENT OF ARCHITECT/ENGINEER**

**HEALTH SCIENCES CENTER - ROAD CONSTRUCTION (Preliminary Study)**

Resolution No. 81-37

*Synopsis: Employment of engineer to conduct a study for the project, Health Sciences Center - Road Construction (Preliminary Study), is being proposed.*

WHEREAS the Health Sciences Center component of the Comprehensive Master Plan recommends that the principal entrance to the Health Sciences Center be developed from the west in order to relate access for the Center to the regional freeway system to reduce traffic congestion and also recommends several revisions to the interior traffic pattern of the Health Sciences Center in order to reduce congestion, simplify traffic flow, discourage short-cut traffic, increase pedestrian area and establish the principal circulation loop and other desired traffic patterns; and

WHEREAS it is proposed that a preliminary study be completed to contain various alternatives in graphic form indicating the most effective solution and efficient cost estimate to accomplish this road construction:

NOW THEREFORE

BE IT RESOLVED, That the firm of Eriksson Engineering, Ltd., of Columbus, Ohio, be employed to do this preliminary study and provide a report containing a plan for the most cost-effective construction plan and cost estimate to accomplish this improved access to the Health Sciences Center; and

BE IT FURTHER RESOLVED, That the fee for this service be negotiated between the firm and the Department of Administrative Services, Division of Public Works, with the total cost estimate for this preliminary engineering study to be \$55,900.

Upon motion of Mr. Hilliker, seconded by Mr. Immke, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

**REPORT OF AWARD OF CONTRACTS AND  
ESTABLISHMENT OF CONTINGENCY FUNDS**

Resolution No. 81-38

*Synopsis: Contracts have been awarded for the projects enumerated below to the lowest and best bidders in accordance with University procedures.*

WHEREAS resolutions adopted by the Board of Trustees at previous meetings authorized the President and/or Vice President for Business and Administration to sign the plans and specifications and, in accordance with established University procedures, to request bids and, if satisfactory bids were received, to recommend to the Department of Administrative Services, Division of Public Works, the award of contracts for the following projects:

**VETERINARY HOSPITAL, RENOVATION OF  
WASTE MATERIAL HANDLING SYSTEM**

Description: Remodel and modify waste material handling in the veterinary hospital facility. These improvements will reduce maintenance costs, improve occupant environment and safety.

**General Contract**

Date Received:	July 30, 1980
No. of Bids:	6
Low Bid:	\$ 45,000.00* **
High Bid:	\$ 81,800.00
Estimate of Cost:	\$ 29,900.00
Awarded to:	RossLin Construction Co., Columbus, Ohio

**Equipment Contract**

Date Received:	July 30, 1980
No. of Bids:	4
Low Bid:	\$ 7,077.20
High Bid:	\$ 15,523.00** ***
Estimate of Cost:	\$ 12,200.00
Awarded to:	Union Landmark, Inc., Marysville, Ohio

\*The General Contract is recommended for award to the second lowest bidder. The day following the bid opening, the low bidder inquired if a decision had been made on awarding the project since he had left out the pre-cast work from his bid and could not accept a contract. He was advised that total bids exceeded the budget and could not be awarded without additional funds. It is the opinion that it would be in the best interest of The Ohio State University to award the General Contract to the second lowest bidder.

\*\*General and Equipment bids were in excess of the filed estimate of cost. However, the total price of all contracts is within 10 per cent of the total estimate of cost, and the contract, therefore, is being recommended for award as provided by section 153.12 of the Ohio Revised Code.

\*\*\*The Equipment Contract is recommended for award to the highest bidder. The bids submitted by the other bidders were rejected for failure of the contractors to submit a Bond in compliance with section 153.08 of the Ohio Revised Code.

**COMMENTS ON JESSE OWENS MEMORIAL PLAZA**

**President Enarson's Statement:**

Mr. Chairman and Members of the Board, I now come to what clearly is the highlight of this meeting, and I trust is one of the highlight occasions any time in the history of this Board. It's a big weekend for all of us, and we have planned, to the best of our ability, to have a quality ceremony tomorrow at the game. We are pleased to have Mrs. Owens and her family with us and to have many of you with us for an event this evening, including the Governor. As all of us are aware, this is the Jesse Owens weekend, and I would like to take a moment to describe our plans as we move closer to paying tribute to one of the truly great athletes of any era.

October 3, 1980 meeting, Board of Trustees

### COMMENTS ON JESSE OWENS MEMORIAL PLAZA (contd)

President Enarson's Statement: (contd)

I think it's fair to say that Jesse Owens was an unusual person in many ways. His unique athletic abilities as a track and field star brought great recognition to this University and to the United States, but I think the important point is that his athletic accomplishments were not an end but rather a beginning--they provided the momentum--because he provided a sense of concern for people, and together it was a combination that was to carry him far beyond the athletic realm into the broader area of humanitarian service. Now it was for this service as well as his athletic achievements that Ohio State conferred upon him the honorary doctoral degree in 1972.

You will recall that in April, upon my recommendation, this Board approved naming the track in Ohio Stadium and the three University recreation centers in honor of Jesse Owens. At half-time at tomorrow's football game, we will dedicate these facilities to him. As I noted a moment ago, Mrs. Owens and the three Owens daughters and their families will be with us tomorrow, and they will be guests of honor tonight. They will be our honored guests at a pre-game luncheon, and they will join me on the field at half-time to take part in a very brief ceremony of dedication. That ceremony will be part of a spectacular band show that will be devoted entirely to Jesse Owens' life and accomplishments, and I really hope that ABC-TV will pick up the show for its audience because it will be something special. In addition, we have prepared a commemorative football program which features a cover portrait of Owens drawn by another famous OSU alumnus, Milt Caniff, and a special section will be devoted to pictures and material about Jesse Owens' life.

Obviously, this University is very proud of Jesse Owens and his accomplishments. He is held in great affection by this University and by people around the world, and we want our students and the thousands of visitors who will come here each year to know what he did and what he stood for, and that's why we're holding these ceremonies tomorrow. As each of you are aware, we have been at work now for some months developing a proposal for the Board's consideration for a Jesse Owens Plaza, and I would like now, if I may, Mr. Chairman and Members of the Board, to turn to Dr. Vandament to review this with you.

Dr. Vandament's Statement:

Thank you very much. A great many people have worked hard to develop the concept of the plaza, and I might add that it has been truly a labor of love. I would like to recognize, particularly, Mr. Roger Beal from the Office of Business and Administration and also Dr. Griffith from the Office of Campus Planning and Jean Hansford from Campus Planning for their work and development.

As you see, what we are proposing is a plaza that will extend from Stadium Drive southward to the north end of the stadium into the rotunda, ending in that rotunda area. You may recall that the stadium presently on the north side has an embankment that extends down about 150 to 200 feet, I believe, from the

October 3, 1980 meeting, Board of Trustees

**COMMENTS ON JESSE OWENS MEMORIAL PLAZA (contd)**

Dr. Vandament's Statement: (contd)

rotunda. The proposed plaza will run approximately 450 feet or so up to the rotunda which will serve, then, as the backdrop for the plaza. The plaza itself, then, will be about 150 feet wide with a walkway area of approximately 45 to 50 feet. It will be necessary, therefore, to do grading and to level out the area from Stadium Drive into the rotunda and then to landscape the sides with the intent of keeping the plantings on either side of the walkway in human scale. We have in developing the plaza had consultations with representatives of the Owens family to discuss the matter of the theme and the scale of the plaza, and it has been their wish to keep things in human perspective so that it will be inviting for people to spend some time in contemplation. The rotunda itself, of course, will also need renovation and part of the project that we are proposing will consist of the cleaning and color restoration in the rotunda.

After the plaza itself is completed, there will be commemorative works of art in the plaza itself. At this point, we cannot state specifically the form or shape of those works of art, but we have again discussed themes with the family and have been seeking consultation from people in the arts and in design to come up with the most appropriate works. The plaza itself would be designed by our own architect's office and would be finished, we hope, by the autumn of next year if we move ahead now.

The commemorative works of art would be funded, hopefully, by a joint fund-raising effort on the part of the Jesse Owens Foundation and the University Development Fund, and we have had preliminary discussions with representatives of the Owens Foundation to establish plans for that activity. The works of art, therefore, would be added at some later date. I'll add now that we have both this artist's rendering of the plaza and we have also a three-dimensional model of the plaza which will be on display in the University in the coming months. Thank you.

President Enarson:

We do have a recommendation in your books. It is under the tab, Reports. I think I might read it since it is very brief:

Resolution No. 81-39

*Synopsis: Acceptance of the Administration's proposal for Jesse Owens Memorial Plaza.*

WHEREAS the Board of Trustees on April 4, 1980, adopted a resolution recommending that certain facilities be named in memory of Jesse Owens; and

WHEREAS the University wishes further to perpetuate the ideals and accomplishments of Jesse Owens:

### **JESSE OWENS MEMORIAL PLAZA (contd)**

**NOW THEREFORE**

**BE IT RESOLVED**, That the Board of Trustees endorses the preparation of plans for the construction of a memorial plaza to honor the achievements of Jesse Owens, an alumnus of The Ohio State University as presented by the President and his staff; and

**BE IT FURTHER RESOLVED**, That the architectural mock-up be accepted as presented and further actions relating to the design and construction of this memorial plaza be reported at future meetings.

Upon motion of Mrs. James, seconded by Mr. Galbreath, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

### **PLANS FOR JESSE OWENS MEMORIAL RECOGNITION**

At the April meeting, the Board of Trustees approved President Enarson's recommendations that a track in Ohio Stadium and the three University Recreation Centers be named in honor of the late Jesse Owens.

Mr. Owens' achievements as an Ohio State and Olympic track and field star and his humanitarian services and work with youth brought him world recognition. In 1972, Ohio State conferred upon him the honorary Doctor of Athletic Arts degree. He was one of this University's most illustrious sons.

To honor the Owens family and to dedicate those facilities named for Jesse Owens, the following activities have been planned for October 3 and 4:

On Friday, October 3, Mrs. Jesse Owens, the Owens' three daughters and their families will be guests of honor at a dinner in the Fawcett Center. This private occasion—a kind of "family reunion" for the Ohio State and Owens families—will pay tribute to Jesse Owens and his family.

Saturday morning, October 4, a painting of Jesse Owens will be presented to the University by the Miller Brewing Company. President Enarson will receive the painting, with Mrs. Owens attending the presentation.

The Owens family will attend the pre-game luncheon. On display will be an exhibit of photographs of Jesse Owens. The family will be guests of President and Mrs. Enarson for the OSU-UCLA football game.

A special commemorative football program has been prepared, with a cover portrait of Jesse Owens by Milton Caniff. The entire halftime show by the Marching Band will pay tribute to Jesse Owens.

During brief ceremonies at halftime, President Enarson, with the participation of Mrs. Owens and the family, will dedicate formally the Jesse Owens Track and the Jesse Owens Recreation Centers. Appropriate commemorative plaques and signs have been prepared.

October 3, 1980 meeting, Board of Trustees

**PLANS FOR JESSE OWENS MEMORIAL RECOGNITION (contd)**

*Ongoing Activities*

Plans have been prepared for the development of a proposed Jesse Owens Plaza at the north end of the Stadium. The Plaza would extend from the rotunda of the Stadium to Stadium Drive. Its development would involve landscaping and some re-working of the area. A model and an architect's rendering have been prepared to help visualize the project.

The focal point of the Plaza would be a statue or other work of art that would commemorate Jesse Owens and his achievements as an athlete and humanitarian. It is expected that it may be necessary to seek private funds for the statue or work of art.

Interestingly, the original design of Ohio Stadium calls for a Plaza in the area now proposed. Such a Plaza, in honor of Jesse Owens, will enhance the beauty of the area. It will become a focal point of interest for the hundreds of thousands of persons who visit that part of the campus each year for commencements, athletics, and other events. Most significantly, it will serve as a source of inspiration for future generations of students.

The University has also expressed its interest to the Owens family in serving as the repository for Jesse Owens' papers and his athletic and other memorabilia. Such materials could form the core of a "Jesse Owens Collection" that would be a valuable resource to students and scholars and for display purposes.

Finally, representatives of the Owens family have had preliminary conversations with University officials about possible future projects in which the University might participate, some of which might involve fund-raising.

**RESOLUTIONS IN MEMORIAM**

Resolution No. 81-41

*Synopsis: Resolutions honoring the service of three of this University's faculty members who have recently died are being proposed.*

RESOLVED, That the Board adopt the following Resolutions in Memoriam and that the President be requested to convey a copy to the families of the deceased.

Upon motion of Mr. Hilliker, seconded by Mr. Havens, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

George A. Davis

The Board of Trustees of The Ohio State University expresses its sorrow upon the death on September 29, 1980, of George A. Davis, Associate Professor in the Department of Black Studies.

Professor Davis was born in Gadsden, Alabama, on August 30, 1933. He began his professional career at Kentucky State University where he earned the B.A. degree in 1957. He earned M.A. and Ph.D. degrees at The Ohio State University in 1964 and 1972 respectively. From 1960-1967 Dr. Davis served as a social studies teacher in the Columbus Public Schools. In 1967 he accepted an appointment as a visiting lecturer and special projects coordinator at the University of Colorado. He joined the staff of Ball State University in 1968 as assistant professor of geography and director of special programs in the office of student affairs. From 1969-1970 Dr. Davis served as associate director of the Commission on Geography and the Afro-American at the University of Michigan. Dr. Davis joined the staff of the Black Studies Department in 1971 as an administrative associate. In 1972 he was promoted to the rank of assistant professor and appointed to the position of executive assistant for departmental affairs. He achieved the rank of associate professor in 1974.

Specializing in the area of urban geography, Dr. Davis was the author of a number of scholarly works in his field, including *Blacks in the United States: A Geographic Perspective*; and "Geography, Social Action and the Black Community," published in 1972 in the volume, *Teaching About the City*. As executive assistant in the Black Studies Department, Dr. Davis was instrumental in the writing of numerous successful proposals to outside funding agencies. He was also one of the chief architects of the department's undergraduate and graduate major programs.

Dr. Davis was a member of Association of American Geographers, Association of Social and Behavioral Scientists, Association for the Study of Afro-American Life and History, National Council for Geographic Education, Kentucky State University Alumni Association, and Omega Psi Phi Fraternity.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as an expression of the Board's heartfelt sympathy.

**RESOLUTIONS IN MEMORIAM (contd)**

John A. Miller

The Board of Trustees of The Ohio State University expresses its sorrow upon the death on October 11, 1980, of Dr. John A. Miller, Professor Emeritus in the Department of Zoology, College of Biological Sciences.

Dr. Miller was born in 1905, and upon the completion of his undergraduate degree at Ashland College in 1926, he obtained his first appointment as a Graduate Assistant at The Ohio State University in October, 1926. He completed his advanced degree work at The Ohio State University, receiving the M.S. degree in 1927 and Ph.D. degree in 1932. He was appointed as Instructor in 1929, Assistant Professor in 1933, Associate Professor in 1942 and Professor in 1946.

Dr. Miller's title might have changed, but he never ceased being a very dedicated and enthusiastic instructor to increasing numbers of students in introductory zoology for nearly 12 years. He responded to these teaching assignments in introductory zoology and behavior in a very cooperative, dependable and enthusiastic manner. Dr. Miller devoted considerable effort to the preparation of study guides and laboratory manuals in order that students could improve their understanding of the underlying principles of zoology.

Research was an integral part of his academic efforts, and he published papers related to neuro-muscular mechanisms in behavior, new methods in neurological microtechniques and contributed papers on the systematics, physiology and behavior of leeches.

Following his retirement from The Ohio State University in 1963, he served in an administrative capacity at several other institutions, most recently as Dean of Academic Affairs at his alma mater, Ashland College.

On behalf of the University Community, the Board of Trustees expresses to the family its deepest sympathy. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that a copy be tendered to the family as sincere expression of the Board's realization of the loss which the family and The Ohio State University have sustained.

Francis P. Weisenburger

The Board of Trustees of The Ohio State University expresses its sorrow upon the death on September 23, 1980, of Francis P. Weisenburger, Professor Emeritus in the Department of History.

Francis Phelps Weisenburger was born in Defiance, Ohio, on October 31, 1900. After graduating from Defiance High School in 1918, he attended the University of Michigan where he received a B.A. degree in 1922, M.A. degree in 1923, and Ph.D. degree in 1929. He joined the faculty of Ohio State University in 1924 as an instructor and advanced through the ranks of assistant professor, associate professor, to professor of history in 1946. During forty-seven years of service at Ohio State University he taught Ohio history; history of the United States, 1865-1900; and immigrant groups in America and directed numerous doctoral dissertations and masters' theses in American history. After retiring from the classroom in 1971, he was appointed University historian and prepared a history of the University during the presidency of Novice Fawcett.

November 7, 1980 meeting, Board of Trustees

**RESOLUTIONS IN MEMORIAM (contd)**

Francis P. Weisenburger (contd)

Dr. Weisenburger wrote seven books, many scholarly articles, and contributed to the *Dictionary of American Biography*, *Dictionary of American History*, and *Atlas of American History*. His best-known works were *The History of Ohio* which he wrote in collaboration with Eugene H. Roseboom, *The Passing of the Frontier*, and *Ordeal of Faith*. He was president of the Ohio Academy of History and a member of the editorial board and executive committee of the Mississippi Valley Historical Association, an honorary life member of the Ohio Historical Society, and recipient of the Distinguished Service Award of the Ohio Academy of History, and the Ohioana Citation of the Martha Kinney Cooper Ohioana Library. The Department of History recognized his geniality and hospitality by naming the faculty lounge in Dulles Hall in his honor. In August 1980 The Ohio State University presented him with a Distinguished Service Award to commemorate more than half a century of dedicated teaching and research at this institution.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as an expression of the Board's heartfelt sympathy.

**BUDGET SUMMARY (FOURTH QUARTER, 1979-80)**

Resolution No. 81-42

*Synopsis: The fourth quarter summary report of the current funds budget is presented for review.*

WHEREAS the fourth quarter report of the current funds budget for fiscal year ending June 30, 1980 is presented for review; and

WHEREAS it is noted that the actual budget/expenditures and income do not represent significant changes from those presented for the third quarter; i.e, the income varies from the third quarter estimates by 0.8 per cent and the budget expenditure figures by 0.4 per cent from the third quarter budget due primarily to changes in activity of earnings and sponsored programs; and

WHEREAS for the Columbus campus the variations were also less than one per cent for both income and budgeted expenditures; and

WHEREAS the differences between budget/expenditures and income totals, due primarily to planned restoration of balances, and capital expenditure replacements were less than 0.8 per cent:

**BUDGET SUMMARY (FIRST QUARTER, 1980-81)**

Resolution No. 81-43

*Synopsis: The first quarter budget summary, 1980-81, is presented for review and acceptance.*

This budget summary for the first quarter 1980-81 contains revised estimates of resource and expenditure/commitment projections as actual data have become available. Changes to the July, 1980 budget have been made to the unrestricted fund estimates of Columbus Campus income representing revised projections of indirect overhead income and a slight increase in Summer Quarter student fee income. Revisions to restricted funds net to a \$600,000 increase represent redistributions and reclassifications of grant and contract activity. Revisions to earnings operations income and expense reflect a new food service activity for Student Housing, changes in activity levels at the University Airport, and Property Management. Unrestricted commitments are not planned to increase at this time.

WHEREAS the first quarter report of the 1980-81 current funds budget covering the period July through September 1980 is presented for review by the Board of Trustees and its income expense estimates deviate by less than one-half of 1 percent from the 1980-81 budget approved by the Board in July, 1980; and

November 7, 1980 meeting, Board of Trustees

**BUDGET SUMMARY (FIRST QUARTER, 1980-81) (contd)**

WHEREAS the projected expenditures and commitments of the first quarter report for 1980-81 are supported by adequate income:

NOW THEREFORE

BE IT RESOLVED, That the accompanying first quarter budget report be accepted.

Upon motion of Mr. Hilliker, seconded by Mr. Havens, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

**AMENDMENT TO UNIVERSITY HOSPITALS BOARD BYLAWS**

Resolution No. 81-45

*Synopsis: Amendment to University Hospitals Board Bylaws is proposed.*

WHEREAS pursuant to rule 3335-103-01 of the Administrative Code, the Board of Trustees is authorized to amend the University Hospitals Board Bylaws; and

WHEREAS an amendment to paragraph (B) of rule 3335-97-05 of the Administrative Code was approved unanimously at the University Hospitals Board meeting on September 25, 1980 for submission to the Board of Trustees; and

WHEREAS the composition of the hospital facilities committee will add the chief of medical staff or designee to the committee:

NOW THEREFORE

BE IT RESOLVED, That rule 3335-97-05 as recommended by the University Hospitals Board be approved as it is printed below with the chief of medical staff being added to the committee.

3335-97-05 Hospital facilities committee.

- (A) Purpose. The committee shall monitor the condition of the hospitals facilities and shall have the responsibility for planning and recommending additions, alterations, repair, and maintenance.

November 7, 1980 meeting, Board of Trustees

**AMENDMENT TO UNIVERSITY HOSPITALS BOARD BYLAWS (contd)**

- (B) Composition. **AMENDMENT TO RULE 3335-3-12 VICE PRESIDENT FOR HEALTH SCIENCES**

Resolution No. 81-47

*Synopsis: Amendment to rule 3335-3-12 is being proposed.*

November 7, 1980 meeting, Board of Trustees

**AMENDMENT TO RULE 3335-3-12 VICE PRESIDENT FOR HEALTH SCIENCES (contd)**

WHEREAS the Board of Trustees pursuant to rule 3335-15-03 is authorized to amend the *Rules of the University Faculty*; and

WHEREAS it is proposed that rule 3335-3-12 (Vice President for Health Sciences) be amended to add additional principal administrative officials in the Office of Health Sciences:

NOW THEREFORE

BE IT RESOLVED, That paragraph (C) of rule 3335-3-12 be amended to add additional principal administrative officials to those presently enumerated in that rule.

3335-3-12 Vice president for health sciences.

(C) The principal administrative officials in the office of health sciences shall be the deans of dentistry, medicine, optometry, pharmacy, and veterinary medicine; the chief administrators of university hospitals and the veterinary hospital; associate vice president and/or assistant vice presidents; and such other associates as may be authorized from time to time. (B/T 7/12/74, B/T 4/6/79, B/T 11/7/80)

Mr. Havens:

Does this have anything to do with our hospitals board--do they have anything to say about this or be advised of it, or it's got nothing to do with that?

President Enarson:

Two points, Mr. Havens. One, as I recall, this matter of the internal organization was touched on lightly by Vice President Cramblett at the meeting of the hospitals board. They were not asked, as I understand, to react to it. And the second point would be that the internal configuration, including staffing, salaries, etc., is the exclusive concern of this Board.

Mr. Havens: O.K., thank you.

Upon motion of Mrs. James, seconded by Mr. Havens, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

**DISTINGUISHED SERVICE AWARDS**

Resolution No. 81-48

*Synopsis: Recommendation for four individuals to receive Distinguished Service Awards is proposed.*

November 7, 1980 meeting, Board of Trustees

**DISTINGUISHED SERVICE AWARDS (contd)**

WHEREAS the President's Staff, serving as a Committee on Distinguished Service Awards, has nominated and recommended four individuals for approval by the Board of Trustees to receive the Distinguished Service Award at a time convenient to the University and the recipient:

- Camille Joseph DeLor
- John D. Drinko
- Richard P. Goldthwait
- T. Scott Sutton

and

WHEREAS these awards are given in recognition of distinguished service to The Ohio State University and the awards are in accordance with action taken by the Board of Trustees in 1952:

NOW THEREFORE

BE IT RESOLVED, That the Distinguished Service Awards be approved for awarding as designated above.

Upon motion of Mrs. James, seconded by Dr. Jacob, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

**The Maurice W. & H. Ethel Neidigh Scholarships in Veterinary Medicine**

The Maurice W. & H. Ethel Neidigh Scholarships in Veterinary Medicine was established November 7, 1980, by the Board of Trustees of The Ohio State University with a gift to The Ohio State University Development Fund from the estate of Maurice W. and Ethel Neidigh, formerly of Centre County, Pennsylvania.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest or reinvest as occasion dictates.

The annual income is to be used to provide one or more scholarships for students studying veterinary medicine at the University. The selection of the recipient(s) is to be made upon the recommendation of a scholarship committee in consultation with the Dean of the College of Veterinary Medicine in cooperation with the Office of Student Financial Aids.

Should the need for this fund cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for veterinary medicine scholarships.

**The George D. Brush Scholarship in Ceramic Engineering**

The George D. **The George D. Brush Scholarship in Ceramic Engineering (contd)**

The annual income is to be used to provide scholarship assistance to undergraduate students enrolled in the Department of Ceramic Engineering. The selection of the recipient is to be made on the basis of financial need, as determined by standard university procedures. However, the selection of the recipient is to be made upon the recommendation of the Chairman of the Department of Ceramic Engineering.

Should the need for these scholarships cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate official of the University who is then directly responsible for ceramic engineering education.

**Cynthia Cook Dissertation Scholarship in Early and Middle Childhood Education**

The Cynthia Cook Dissertation Scholarship in Early and Middle Childhood Education was established November 7, 1980, by the Board of Trustees of The Ohio State University with gifts to The Ohio State University Development Fund from friends of Cynthia Cook.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income from the principal is to be used to provide scholarships for one or more doctoral students for their dissertation costs in Early and Middle Childhood Education or the general area of reading. Students must submit a letter of interest and four copies of their research proposal and research costs to the Cindie Cook Scholarship Committee. The selection of the recipient shall be made by the Cindie Cook Scholarship Committee.

Should the need for this fund cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for early and middle childhood education.

**SALE OF PROPERTY - 380 KING AVENUE**

Resolution No. 81-55

*Synopsis: Sale of property, 380 King Avenue, is proposed.*

WHEREAS Maude Morrill Haskett by will devised to the University property located at 380 King Avenue at the termination of the life estate of Helen G. Morrill; and

WHEREAS the University purchased the remaining life estate of Helen G. Morrill on June 1, 1976; and

November 7, 1980 meeting, Board of Trustees

**SALE OF PROPERTY - 380 KING AVENUE (contd)**

WHEREAS the terms of Maude Haskett's will directed that upon termination of the life estate, the University should sell the property and use the income from the investment for the sole purpose of maintaining the Frank H. Haskett Memorial Scholarship; and

WHEREAS a firm offer to purchase said property for \$8,100 has been received from Robert E. Owens; and

WHEREAS the appropriate University departments and Robert E. Owens are in mutual agreement as to the selling price:

NOW THEREFORE

BE IT RESOLVED, That the President and/or Vice President for Business and Administration be authorized to sell said property in the name of the Board of Trustees of The Ohio State University, on behalf of the Development Fund, the proceeds from such sale to be channeled through the Development Fund.

Mr. Redman: All I'd like to ask is what you can buy for \$8,100.

Mr. Havens: 380 King Avenue.

President Enarson: The house has been demolished.

Mr. Redman: Is this unimproved real estate?

Mr. Jackson:

Yes, it's unimproved real estate and the purchaser has agreed to build a facility which is compatible with local architecture, so we're pleased with that.

Mr. Redman: How big a lot is it?

President Enarson: What is meant by compatible local architecture, I'd rather you'd not ask.

Mr. Redman: I'm not going to ask that--

Dr. Jacob: It's got an MAI appraisal of \$6,000 on it, but it's a year old.

Mr. Havens: There's a lot description back there, but it doesn't show the size.

Dr. Vandament: It's a standard city lot there.

Mr. Redman: I was born and raised in that square.

Mr. Jackson: It's a corner lot; it's a rather deep lot; it's not very wide.

Mr. Redman: Thank you.

Upon motion of Mr. Hilliker, seconded by Dr. Jacob, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

**EASEMENTS - COLUMBIA GAS OF OHIO, INC.**

Resolution No. 81-56

*Synopsis: Renewals of two easements to Columbia Gas of Ohio, Inc., are proposed.*

WHEREAS Columbia Gas of Ohio, Inc., has requested renewal of a 15-year easement for a 4-inch gas line and regulating station from a location on Kenny Road near Ackerman Road to the University Service Center located at 2578 Kenny Road; and

WHEREAS Columbia Gas of Ohio, Inc., has requested renewal of a 15-year easement for a 12-inch gas line and regulating station from a location on Ackerman Road, west of Olentangy River Road to a meter location on Olentangy River Road south of Lane Avenue, then east and south to the University's Power Plant located at 2003 Millikin Road; and

WHEREAS said easements were initially granted on October 21, 1965; and

WHEREAS said easements will expire on October 20, 1980; and

WHEREAS said easements are essential to the continued operation of the University; and

WHEREAS said easements will be granted for \$1 each, as the installation and renewal thereof facilitate only The Ohio State University; and

WHEREAS the appropriate University agencies have recommended that said easements be granted:

**NOW THEREFORE**

**BE IT RESOLVED**, That the President and/or Vice President for Business and Administration be authorized to request the Director of the Department of Administrative Services, pursuant to his statutory duties, to act on behalf of the University in developing the necessary legal instruments to provide for the two 15-year easements hereinbefore described.

Upon motion of Mr. Hilliker, seconded by Mr. Redman, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

Attention: Certificate of Need

Dear Dr. Ackerman:

This is a Letter of Intent submitted in accordance with the Ohio Administrative Code, Chapter 3701-8. The sponsor is The Ohio State University Hospitals, 410 West Tenth Avenue, Columbus, Ohio 43210. The Hospitals is a department of The Ohio State University, an agency of the State of Ohio.

The purpose of this letter is to inform you of the intent of the Hospitals to submit a Certificate of Need for the expansion and upgrading, including the purchase of equipment, of the Hospitals' existing on-site Radiation Oncology (radiation therapy) service. It is expected that the project will result in the net increase of one megavoltage radiation therapy unit. The new construction is projected to add approximately 16,000 square feet to the Radiation Oncology service.

The total project cost is estimated at not more than \$9,000,000 of which an estimated \$400,000 will be for predevelopment expenditures. The earliest anticipated date of submission of the application is January, 1981.

The Radiation Oncology service at the Hospitals was established in 1961. The present facilities are now outmoded and inadequate for the volume and scope of services provided. Accordingly, we have been planning for an expansion and upgrading of this area since 1974. As you know, the pending Capital Appropriations Bill contains an item which, when the Bill is passed, will provide funding for this project.

Sincerely,

Henry G. Cramblett, M.D.  
Vice President

**REPORT - UNIVERSITY'S INVESTMENT PORTFOLIO**

Resolution No. 81-58

RESOLVED, That the report on the University's Investment Portfolio, dated October 17, 1980, as submitted to the Fiscal Affairs Committee of the Board of Trustees, be received and filed with the official records of the Board.

**COMMENTS BY PRESIDENT HAROLD L. ENARSON**

Mr. Chairman and Members of the Board, for the benefit of those Board members who were not here this morning, we did hear a report from Dr. Vandament with respect to the physical master plan. It was a report which tried to portray, perhaps in oversimplified fashion, the growing need for additional dollars for utilities and renovation and for our work on an aging physical campus. I thought it was a very illuminating overall perspective.

We also had a report from Dr. Vandament and Dr. Loucks, the assistant director of registration services, on the first quarter enrollment breakdown by types and categories, and we also had a report on OSU student characteristics. We'll see that each of you get copies of both of these handouts in the event that you do not have it. I am tempted to say also that with respect to OSU student characteristics, as far as I can tell, they seem generally happy. It's hard to believe that we are already almost half through the first quarter. I think things are going, on the whole, rather well. As you know, we live under enrollment ceilings imposed by the General Assembly. We do not quarrel with those ceilings; we feel honor-bound by law and in good conscience to abide by those ceilings. We work extremely hard at the process, and when we go over with respect to enrollment, it's not by design, it's because nobody can prophesy precisely how many students of those applying will actually attend, and certainly we can't predict how many of those now enrolled or enrolled last year will return. It's a measure of the size and impact of this University that the growth in any one year such as this may be in excess of the size of the typical liberal arts college. It's all a bit awesome. I have nothing else to report; I would simply hope that all of you will be in the homecoming parade tonight and will help celebrate very quietly the victory over Michigan.

Thereupon the Board adjourned to meet Thursday, December 11, 1980, at The Ohio State University Fawcett Center for Tomorrow, Columbus, Ohio, at 1:30 p.m.

## Recipients of Honors

### **Mary Rosamond Haas**

Internationally recognized linguistics scholar, Mary Rosamond Haas is acknowledged as the leading senior figure in the study of native American languages. Her work and that of her students comprise the largest and most significant body of research on American Indian languages in the last 40 years. Her meticulous studies of the Thai and American Indian languages and cultures stand as scholarly landmarks. She has opened the way to new understandings of language and culture throughout the world. The Ohio State University is privileged to honor Mary Rosamond Haas for her long and illustrious career as research scholar, teacher, and author, and for her many contributions to knowledge.

### **Frederick G. Kilgour**

Widely recognized innovator in the field of library science, Frederick G. Kilgour has won international acclaim for his leadership in applying computer technology to libraries. He is the principal architect of OCLC, Incorporated, a computer-based network that had its beginnings at this University. Today OCLC links more than 2,000 libraries in the United States and Canada. Soon the network will include major libraries in Europe. As a direct result of his unique contributions to information management, libraries now enjoy significant new economies and services. In testimony to the scholarly commitment that has marked his distinguished career, information is being placed at the service of people in new and imaginative ways.

### **J. W. Peltason**

First as teacher and scholar in political science, then as academic administrator in major universities, and now as president of the American Council on Education, J. W. Peltason has served higher education with unique dedication and distinction. As chancellor of the University of Illinois during a decade of unrest and change, he demonstrated the sensitivity and strength that mark the gifted leader. Now, as the leading spokesman for higher education in Washington, he represents the academy with energy, wisdom, and, above all, with great vision. The Ohio State University is privileged to honor J. W. Peltason for his many contributions as an academic statesman of the highest order.

### **Howard Rosen**

Almost single-handedly, Howard Rosen has advanced the frontier of human resource research. During the past 15 years, he has opened the way for American universities to study the development and utilization of human resources. He has nurtured a scholarly community to conduct such research and has used its findings to shape national policy. During his long and distinguished career with the Department of Labor, he has exemplified the highest traditions of public service. Under his creative leadership, government and the academy have worked in partnership and have forged a new understanding of the American labor force as a unique resource essential to the national well-being.

## Distinguished Service Award

### C. Joseph DeLor

Distinguished medical educator, physicians' physician, C. Joseph DeLor served this University for more than 40 years with singular dedication and devotion. His concern for the care of the whole person and his ability to impart this concern to his students reflect his unique gifts as physician and teacher. An outstanding citizen of this academic community, he repeatedly undertook major teaching and administrative assignments for the advancement of medical education and patient care. Through the thousands of practicing physicians who were his students and through his many contributions to this University, the life and good work of C. Joseph DeLor continue as a vital force in education and the healing arts.

### T. Scott Sutton

Outstanding scientist, respected teacher, dedicated administrator, T. Scott Sutton served this University for 38 years—as faculty member, department chairman, associate dean of the College of Agriculture and Home Economics, and as assistant director of the Ohio Agricultural Research and Development Center. He is recognized nationally for his early work on vitamin A and his research in animal nutrition. With great distinction, he served in Ohio State's program overseas and laid the groundwork for the development of three agricultural universities in India. His commitment to scholarship and service exemplifies the land-grant ideal in its highest form. His long and distinguished career remains an enduring example to all who follow academic pursuits.

THE OHIO STATE UNIVERSITY  
OFFICIAL PROCEEDINGS OF THE  
ONE THOUSAND ONE HUNDRED AND SIXTY-THIRD MEETING  
OF THE BOARD OF TRUSTEES

Columbus, Ohio, November 24, 1980

Pursuant to paragraph (B) of bylaw 3335-1-01 of the Administrative Code of The Ohio State University, the Board met upon the call of the Chairman, Chester Devenow, in a special meeting on Monday, November 24, 1980, at 3:00 p.m., at The Ohio State University Fawcett Center for Tomorrow, Columbus, Ohio.

Present: Chester Devenow, Chairman, Patricia D. James, Warren J Smith, John D. Jacob, D. James Hilliker, John F. Havens, Daniel M. Galbreath, Edmund C. Redman, and Leonard J. Immke.

## REVISED BUDGET 1980-81: STATUS REPORT

### *Introduction*

On November 10, three days after the University Board of Trustees held its November meeting, the Ohio Office of Budget and Management announced that State support for public higher education would be cut by three percent. This second cut, following less than six months after the imposition of an earlier three-percent reduction, results in a direct loss in 1980-81 state support of \$10.8 million for the University. Because of continuing declines in projections of State revenue and the exemption of welfare and elementary and secondary education programs from the latest reduction, the State may have an estimated \$350 million shortage of income for 1980-81. A shortage of this magnitude can only be met by massive budget cuts and/or a tax increase.

This status report on the University's budget, therefore, is made against a background of uncertainty about the future. The uncertainty is further heightened by recent state actions that have placed a disproportionate share of the State's fiscal problems on higher education. The Ohio State University alone has had to bear more than one tenth of the State's latest expenditure reduction. Indeed, the state's colleges and universities, although they account for approximately 14 percent of the State's general funds budget, have been called on to bear nearly one half of the recent cutback.

With two cuts already imposed, and uncertainty about the possibility of a third reduction--both its timing and magnitude--the formulation of a definitive plan of action is difficult. Already, portions of the University's plan to adjust to the first three percent reduction have been superceded by the second cut. The plans that we present today for that second cut may be temporary and amended later as new events develop.

To recap our actions in response to the first reduction, the University increased instructional fees by \$10 a quarter effective Autumn Quarter, eliminated a planned three percent midyear salary adjustment, and developed plans to reduce the staffing level of the University by keeping positions vacant as openings occurred.

In response to the second three-percent cut, we have imposed an immediate freeze on all hiring, except where absolutely necessary to generate income, to protect the health and safety of the campus, to meet contractual obligations, or to staff courses that had prior administrative approval. Further, we have stopped the purchase from the general fund of all scientific, instructional, office, or other equipment costing more than \$500.

These two measures were taken to slow down University expenditures until such time as a more detailed plan could be implemented. The outline of this plan is contained in this status report, along with a discussion of the relationship of this plan to future actions that might be necessary.

### *Amount of Budget Cuts*

*Total Reduction.* The total six percent reduction in State funding will have the following effects on the various budgets of the 1980-81 University budget adopted on June 12.

November 24, 1980 meeting, Board of Trustees

**REVISED BUDGET 1980-81: STATUS REPORT (contd)**

Unrestricted General Funds - Columbus	\$ 8,708,600
- Regional Campuses	389,800
Cooperative Extension Service	407,400
University Hospitals	775,600
Other Designated Activities (e.g., Labor Education & Research)	549,200
<b>TOTAL</b>	<b>\$10,830,600</b>

Each of the areas above are at work cutting their budgets to accommodate to these reductions. Our attention today will be directed toward the Unrestricted General Funds of the Columbus Campus which support the primary instructional and support activities of that campus.

*Magnitude of General Funds Problem.* The Unrestricted General Funds of the University will be reduced by \$8.7 million as a result of a reduction of six percent in State support. Because interest rates in the economy have risen dramatically during the past two months, an upward revision to our general funds revenue of \$1.0 million can be applied to offset partially the reduction in State funding, resulting in a net reduction of \$7.7 million to be handled through a combination of fee increases and expenditure reduction.

*Actions Taken and Proposed*

*Overview of Retrenchment Plan.* During the first phase of the retrenchment, the following actions were taken to balance the University's budget:

- Instructional fee increase of \$10 per quarter effective Autumn Quarter. Gain \$1.2 million.
- Elimination of 3 percent midyear salary increase. Save \$1.36 million.
- Staff reduction plans in colleges/offices. Save \$1.79 million.
- First quarter 1980-81 savings beyond staff reduction. Save \$0.60 million.

In sum, the measures taken during the first quarter of the current fiscal year will offset \$4.95 million of the \$7.70 million budget deficit facing the University.

To meet the remaining \$2.75 million deficit and to prepare for future exigencies, the following are planned:

- Additional instructional fee increase of \$15 per quarter effective Winter Quarter, 1981. Gain \$1.20 million.
- Continued hiring freeze and new expenditure ceilings imposed on colleges and offices. Save \$1.55 million.

November 24, 1980 meeting, Board of Trustees

**REVISED BUDGET 1980-81: STATUS REPORT (contd)**

In the aggregate, the \$8.7 million cutback in General Funds will be met in the following manner.

Increased Interest Revenue	\$1,000,000
Increased Instructional Fees	2,400,000
Eliminate Midyear Salary Increase	1,360,000
Retrenchment/Savings	3,940,000
<b>TOTAL</b>	<b>\$8,700,000</b>

*Fee Increase.* This plan contains a proposed \$15 per quarter fee increase to be effective for the Winter Quarter, 1981. This increase, generating approximately \$1.2 million in 1980-81, would offset 28 percent of the latest \$4.35 million cut in State funding for the Unrestricted General Fund. When combined with the Autumn \$10 per quarter increase, the total annual increase over three quarters of \$60 per student (\$10 for three quarters and \$15 for two quarters) would likewise cover 28 percent, or \$2.4 million, of the \$8.7 million total cut imposed on the University's General Fund to date.

*Hiring Freeze and College/Office Retrenchment.* Given the uncertain future, the University will maintain the hiring freeze imposed on Colleges and Offices for an indefinite period. The savings realized from this freeze will be incorporated into a plan of broader retrenchment targets imposed on each unit in the University. These targets, applied selectively on the basis of analyses of workload factors and the amount of flexibility contained in each unit's budget, will total \$3.34 million for the General Funds budgets - \$1.79 million to meet the first phase of the retrenchment and \$1.55 million to offset the deficit created by the second cut-back.

Each unit will surrender funds in the amount of the retrenchment target to the University along with plans that will incorporate projected savings to be made through the hiring freeze along with other measures taken. The guidelines for these plans will contain limits on the amount of savings to be gained through deferral of equipment purchases, which would mortgage future budgets. Although every effort will be made to protect student employment, it is important to understand that with cuts of this magnitude, there can be no guarantee that we can do so in all instances.

These new retrenchment targets will be distributed to the Colleges and Offices on December 3, 1980.

*Other Economy Measures and Revenue Production.* At the same time that the managers of each unit in the University are effecting savings in their individual operations, the University will move ahead with intensive analyses of the following.

- Review of the energy conservation program to determine if additional savings can be made without endangering the health and safety of the campus community.
- Development of a plan to cut back temporarily the maintenance of the University's buildings and grounds.

November 24, 1980 meeting, Board of Trustees

**REVISED BUDGET 1980-81: STATUS REPORT (contd)**

- Sharp curtailment of contracts for the repair of University facilities until future funding levels are known.
- Review of savings to be gained by shortening the hours of operation of the Library, recreational facilities, and student unions--along with the lessening of broadcast hours of the WOSU radio and television stations.

The following series of reviews are in progress to gain increased income for the University's General Fund.

- The rate of indirect cost recovery from sponsored projects is being reassessed to ensure that the University is being compensated to the maximum extent for sponsored activities occurring on the campus.
- The University's charge-back methods for services provided to the Auxiliary operations of the University have been under extensive review for some time and changes in those methods will be effected.

In this process, we are not retrenching units which support their activities without General Funds support, i.e., gain their funds through charges for services or through restricted funds provided by outside sponsors. Examples of operations that support their direct expenditures exclusively through charges are Intercollegiate Athletics and the Residence and Dining Halls. Savings in these operations and in restricted funds would produce no additional income for the University's General Funds. Capital projects funded by direct state appropriation are also excluded because such funds could not be diverted to general university use.

The University also will not lay off personnel during this phase of the retrenchment because it does not have insurance to cover unemployment compensation. In the short run, the payment of such compensation to furloughed staff would greatly reduce any savings made by personnel reduction.

We are, of course, renewing our total effort to achieve savings and generate additional income beyond those specific activities mentioned above. With interest rates again increasing, we are renewing our strong efforts to keep a maximum amount of the University's money invested at the highest possible rates. We must gain those higher interest earnings despite our reduced cash position which has resulted from delayed State subsidies. Our recently strengthened Development Fund staff is being called on to intensify our fund-raising efforts. Units providing services to the public are being asked to reassess their charges for such services to ensure that maximum income is gained. Where charges are not made we must determine whether to institute charges for services or eliminate the services. Clearly, in our state of emergency, we can no longer let federal price guidelines artificially limit justifiable charges for our services.

We are not forgetting that we face a longer-range future which will certainly be mortgaged by the current severe cuts, the existing erosion in faculty and staff salaries, the long backlog of equipment replacement and building repair needs, and other deferred problems that must

November 24, 1980 meeting, Board of Trustees

### REVISED BUDGET 1980-81: STATUS REPORT (contd)

be faced sooner or later. With the future catch-up required, we are determined to protect the University's endowment fund and its capital resources, including replacement funds for major equipment items and preventive maintenance of facilities. We must not leave this University to face the difficult times of the 1980's with the crib containing its seed corn laid bare by short-sighted attempts to meet the crises of the moment.

We will keep the Board and the University community informed of further developments as they occur.

President Enarson:

Mr. Chairman and Members of the Board, this is a special meeting of the Board of Trustees held in advance of its regularly scheduled meeting which is set for December 11. It is the first such special meeting that we have called in the 8-plus years that I have spent with the University. The occasion for this event is, of course, the second cut made in the instructional subsidy and in other items which bear on the budget of the University and which, by the same token, bear heavily upon the administration and upon the Board of Trustees.

Before asking Dr. Vandament to walk us through the revised budget status report which is in your agenda book, and before presenting the one item of action which we are here to recommend, I would simply say that the adjustments and the initiatives which we are talking about here today are directly, entirely, and exclusively related to the second three percent cut, and according to the information that Mr. Napier brought back from downtown (and he is sitting here in the audience should any of you care to address him) and according to the item by Duane St. Clair in the noon edition of the *Dispatch*, a meeting is to be held at four o'clock today--I assume in the Governor's office--to review the next steps. Obviously we have no way of knowing what action, if any, will be taken by the Governor and/or the General Assembly. So to repeat, the report which we present today relates entirely, exclusively, and totally to the second three percent cut; it relates in no way to any cut which may be taken in the future.

With that as preface, could I please ask Dr. Vandament to walk us through this presentation as expeditiously as possible.

Dr. Vandament:

All right. The report itself is contained in your books and I'll try to highlight some of the relevant facts. The first three percent cut in state funding reduced the University's funds by \$5.4 million; the second, likewise, by \$5.4 million so that in the aggregate there is a total reduction in state support to all of the operations of the University of \$10.8 million. Now, \$8.7 million of the \$10.8 million are to be borne by the unrestricted general funds, the funds which provide the primary support to our academic and support programs, and we will focus primarily on that unrestricted general funds portion today. The people in Cooperative Extension, the University Hospitals, and the other designated activities of the University are at work presently developing plans to respond to the aggregate of a six percent cut in state funding.

November 24, 1980 meeting, Board of Trustees

Dr. Vandament: (contd)

If we look at the general funds problem of \$8.7 million and relooking over our budget entirely, we are at this time revising income projections upward by \$1 million based on increased interest rates in the general economy. We are hoping that we can gain additional revenue from our cash management program of \$1 million to help offset this \$8.7 million deficit, so this would leave us then with a net aggregate \$7.7 million problem to deal with. You are aware of the actions we took during the first phase and those actions resulted in a total savings or increase in income to offset some \$4.95 million of that \$7.7 million deficit to the unrestricted general fund. To meet the remaining \$2.75 million deficit, we are proposing that there be an additional instructional fee increase of \$15 per quarter, effective Winter Quarter 1981, and this would gain the University \$1.2 million of the shortfall.

We have, as you know, currently a hiring freeze on personnel and a freeze on purchase of items of equipment that exceed \$500 in value. We propose to continue the hiring freeze indefinitely and to then establish a new umbrella ceiling-expenditure ceilings on each of the colleges and offices of the University to save an additional \$1.55 million. In the aggregate, therefore, to meet the \$8.7 million cutback, we are proposing an increase in instructional fees of \$15 per quarter effective with the Winter Quarter. In total, then, the budget adjustment would involve gaining \$1 million of increased revenue through our cash management program, gaining in the aggregate--from the earlier \$10 per quarter fee increase and the proposed \$15 per quarter fee increase, gaining another \$2.4 million. Tying in with that--counting the elimination of the midyear salary increase that we already effected which saves us \$1.36 million--then, in terms of retrenchment and savings, imposing savings and retrenchment targets totalling \$3.94 million to make up the remaining shortfall. I think that provides an overview of the plan.

We are, of course, looking to a variety of additional means to effect savings in the University and other means to increase our revenues, and we would be happy to speak to them if anyone is interested in those. If the increased revenues and any additional savings that we make are not necessary to meet any future cuts in state funding, we would apply the savings or increased revenue to offset or to provide some relief to our colleges and offices of the budget cuts that we are imposing.

Mr. Devenow: Any questions for Dr. Vandament?

Mr. Redman:

I would like to ask Dr. Vandament if this reduction--would it apply only to the balance of the current fiscal year, these measures that you speak of?

Dr. Vandament:

Yes, yes. Our problem now is one of reducing immediately our expenditures for the 1980-81 fiscal year.

Mr. Redman: Which ends June 30.

November 24, 1980 meeting, Board of Trustees

Dr. Vandament:

Which ends June 30, 1981, yes. There is a parallel budgetary process that will be undertaken shortly to consider the 1981-82 fiscal year. Now that parallel process will have to include also consideration of restoration of some of the items that we have cut during the 1980-81 year. In some instances, for example, with equipment replacement, we are deferring expenditures rather than being able to eliminate expenditures. In a sense we are mortgaging next year's budget, so next year's budget will also have to take that into account as we develop it.

Mr. Redman:

What you're saying is that we have to pick up \$8.7 million from the general funds.

Dr. Vandament: From the general funds.

Mr. Redman:

Seven months rather than twelve months. We have to get these savings within the next seven months. That's better than \$1 million per month.

Dr. Vandament: That's correct.

Mr. Devenow:

Bill, I don't want to get into this at this point, but I think the Board ought to be provided with a cash flow as well as a budget statement; in other words, where is there going to be anything to protect us against any mistake you might make in the next seven months?

Dr. Vandament:

Our cash flow situation is one in which the varying organizations and units within the University have different cash flow problems so we will have to or we have pulled together an aggregate cash flow picture. I might add that our cash position at this point is not as sound as it normally is because we are, at the same time that we are receiving budget cuts, we are also receiving late cash payments from the state for our instructional subsidy and late payments to the University Hospitals and the other operations as well. This is why in spite of the high interest rates we have now, we cannot project higher cash management returns. I think your question is appropriate.

Mr. Devenow:

I think, Bill, that we would like to see a cash flow statement; but suppose your target on \$1 million from money management does not prove itself out. We want to know where you are at 'cash-wise,' so we don't wake up some morning and find that you are out of money or you can't pay your bills.

Dr. Vandament: All right. I'll be happy--

Mr. Devenow:

I think the Board ought to have a copy of that and really study it. Any other questions of Dr. Vandament?

November 24, 1980 meeting, Board of Trustees

Mr. Smith:

The state deficit is about \$400 million and this retrenchment is three percent--\$50 million--leaves the state deficit around \$350 million yet to be handled one way or the other. To save \$50 million in their state budget takes in one percent of across-the-board cut in the budget including all segments of that budget. To make up \$350 million, we would have to have a seven percent across-the-board cut in all budgets in the state including higher education, primary and secondary education--everybody would have to receive it. Seven percent would have to be absorbed in six months, so it would have to be a fourteen percent annualized cut. Now we are talking about minor sums right now. When you're looking down the road at a figure like that, how are we going to handle a figure like that? I think we ought to think about that when we think about this.

President Enarson:

Could I make a quick comment before Bill attempts to respond to that? I made a brief comment before all the Board members were here and I think that comment bears repeating. You are exactly right; we are dealing here only with a known, definite cut: the second three percent cut. In no way are we dealing with the future. We are in the unenviable position of not knowing what order of magnitude of cut is likely or probable or certain--even worse, we don't know when that action will be taken, whether it will be taken at four o'clock today or whether it will be taken tomorrow or taken sometime this week or not taken until later. And to go back to Mr. Redman's point, the longer the delay, the greater the compounding of the problem. I said to the Chairman before the meeting began, we have our regularly scheduled Board meeting December 11 and clearly we will have before us extremely serious budgetary matters, but I would say that at such time as a decision is reached at the state level, it is essential that this Board be called into session just as quickly as we can have a quorum because at that time to the best of our ability we will pinpoint as best we can the nature of the situation and what steps we can take. One further quick comment, and that is I am reading with considerable interest, prurient interest, what other institutions in other states are doing. There is a certain amount of showboating that can take place that grabs the public attention, but I think the responsible course of action is to minimize the damage to the institution over time, and I simply want to assure all members of the Board that we're dedicated to just that. Bill--

Dr. Vandament:

Yes, clearly the plan that we are presenting today would not accommodate specifically for future cuts, although this plan does indicate some of the areas in which we are embarking on additional savings that we hope will not have to be used to meet future cuts, but can be used to soften the blow of some of the existing cuts. It would be our intent to respond very quickly to any further developments downtown but we do have some difficulty with running through a list of possibilities that might create undue panic within the University at this time.

Mr. Devenow:

We understand that, but I think what Warren is getting at, we asked about this at a prior meeting. You're in an economic war now and we want to know what all

November 24, 1980 meeting, Board of Trustees

Mr. Devenow: (contd)

your battle plans are--as Warren says if they break through your lines and you can't seal them up, where are we? In other words, let's assume that it gets worse and we want to know what your plans are when it does get worse and there's no use panicking about it but we will do something about it.

Dr. Vandament: Yes.

Mr. Devenow:

So get us prepared for it. I think that's what you're getting at. That's what you are getting at, isn't it, Warren?

Dr. Vandament:

We'll be prepared to release those quickly and in a timely fashion as soon as new developments occur.

Mr. Smith:

I would like to know, for example, endowment funds, can those be tapped? Are they restricted?

Dr. Vandament: Some are and some are not.

Mr. Smith:

Is it possible that we could make a one-time withdrawal from those to get us across this problem?

Dr. Vandament:

We could make a one-time withdrawal from some of those endowment funds.

Mr. Smith:

And maybe have the endowment funds subsidize this University and not the professors.

Dr. Vandament:

Well, the endowment fund would subsidize the University's problem for a short term but when we draw down the endowment, of course, we are in effect eating our seed corn for the future.

Mr. Smith: Well, sometimes you have to do that.

Mr. Devenow:

Warren, I think that would be an emergency measure but what I think you are asking for--

Mr. Smith: But that's what I would like to know.

November 24, 1980 meeting, Board of Trustees

Mr. Devenow:

Definitely, and I think you are entitled to know that and that's the thing, Bill, that we want you to look at and to produce for us.

Dr. Vandament: Yes, I'll be very happy to do that--well, not happy but--

Mr. Devenow:

That's one of those counter-productive things because if he does that then his money management may get into trouble.

Mr. Smith: So we are in trouble.

Mr. Devenow: We are in trouble. Any other questions of Dr. Vandament?

Dr. Jacob: I'd like to ask about the status of the state fee ceiling. Has that expired?

Dr. Vandament: No, that fee ceiling--

President Enarson: We're well within it.

Dr. Jacob: Will we be at the top of it with this latest increase?

Dr. Vandament: Not yet.

Dr. Jacob:

Still more room to go? When will that expire? That was for a specific period of time, wasn't it?

Dr. Vandament:

That would expire at the end of this biennium, so that if we're moving beyond that we would have to request special relief from it.

President Enarson: That was part of the budget, was it not?

Dr. Vandament: It was part of the appropriation bill for this biennium.

Dr. Jacob: Where are we going to be relative to that maximum with this increase?

Dr. Vandament:

Well, in part this depends upon the interpretation of the legislation because the legislation was framed in such a way that we were allowed to increase fees approximately three percent for every one percent which existed between the Consumer Price Index for calendar year 1979 and seven percent. This was, however, contingent upon a level of appropriation by the General Assembly which will no longer be held and so we would have to negotiate whether we would be allowed to reduce the threshold point because the appropriation level has not held to that contained in the original bill. My assumption is that we are not close to that limit.

Mr. Devenow: Any other questions? Mr. President--

November 24, 1980 meeting, Board of Trustees

President Enarson:

You have before you a specific recommendation which my colleagues and I submit with considerable reluctance.

Mr. Devenow:

Have you all had a chance to read the resolution? If not, I'll give you a minute to do so. Mr. President, do you want to read it or--

President Enarson:

Yes, I think it would be helpful because we have a number of interested people and they are symbolically representative of 59,000 students and 3,000 faculty and perhaps 21,000 persons on our payroll and untold numbers of parents and untold numbers of people who now enjoy the multiple services of this institution, including the Cooperative Extension work done in 88 counties.

#### **FEE INCREASES, EFFECTIVE WINTER QUARTER, 1981**

Resolution No. 81-59

*Synopsis: Authorization is requested to increase the instructional fee.*

WHEREAS the Instructional Subsidy from the State has already been reduced by \$9.1 million for 1980-81; and

WHEREAS major expenditure reductions already made by the University and planned for the future will leave the University's budget in a deficit condition unless accompanied by increases in income; and

WHEREAS an increase of \$15 per quarter for Winter and Spring Quarters for all students produces \$1.2 million; and

WHEREAS an increase in charges to students would offset approximately 28 percent of the most recent 3 percent cut to the general fund leaving \$3.15 million to be made up by other measures:

**NOW THEREFORE**

**BE IT RESOLVED**, That the instructional fee for full-time students be increased by \$15 a quarter, effective the Winter Quarter, 1981.

Upon motion of Mr. Immke, seconded by Mr. Redman, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

### RESOLUTIONS IN MEMORIAM

Resolution No. 81-60

*Synopsis: Resolutions honoring the service of four of this University's faculty members who have recently died are being proposed.*

RESOLVED, That the Board adopt the following Resolutions in Memoriam and that the President be requested to convey a copy to the families of the deceased.

Upon motion of Dr. Jacob, seconded by Mr. Immke, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

Clifford A. Angerer

The Board of Trustees of The Ohio State University expresses its sorrow upon the death on August 14, 1980, of Clifford A. Angerer, Professor Emeritus in the Department of Physiology.

Born in Philadelphia, August 9, 1905, Professor Angerer attended the public schools of that city and St. Stephens College, Columbia University, where he received his A.B. degree in zoology. He was an Instructor in zoology from 1935 to 1939 at the University of Pennsylvania where he received his Ph.D. degree in 1937. Professor Angerer, for many years, spent his summers as an Investigator at the Marine Biological Laboratory at Woods Hole, Massachusetts. He was appointed Instructor in physiology at The Ohio State University in 1939, Assistant Professor in 1943, Associate Professor in 1947, and Professor in 1954.

In 1928 and 1929, Clifford Angerer was awarded the Pyrun Prize in Biology at Columbia University. He was a Virginia Gibbs Scholar at Harvard University in 1929, a University Scholar at the University of Pennsylvania in 1932, and was appointed as a Harrison Fellow at the University of Pennsylvania in 1933 and 1934. Professor Angerer served as Membership Chairman in 1954 and Vice President for Medical Sciences of the Ohio Academy of Science in 1955; he served as a member of the John and Samuel Bard Award in Medical Science Committee in 1962. In 1964, he was elected by honor students at The Ohio State University as one of ten faculty "who had done the most to aid their college work."

### RESOLUTIONS IN MEMORIAM (contd)

Clifford A. Angerer (contd)

As a member of the physiology faculty from 1939 until he retired in July 1976, Professor Angerer was well known for his pioneer work in the field of cellular physiology. His earlier work on the effects of mechanical pressure, temperature gradients, and electrical fields on the physical properties of protoplasm is widely quoted. Later, he and his students published many papers on the effect of steroid hormones on tissue metabolism, permeability and water balance in tissue. He also published on the effects of lipid diets on the metabolism of arteries, heart, and kidney in experimental atherogenesis. Although he published more than 70 papers, Clifford Angerer's greatest joy was in the accomplishments of his students, many of whom went on to administrative positions in the National Institutes of Health or became outstanding investigators in their own right and chaired departments of physiology.

Professor Angerer was a Fellow of the American Association for the Advancement of Science and the American Heart Association. He was a long-time member of the American Institute of Biological Sciences, American Physiological Society, American Society of Zoologists, Ohio Academy of Science, New York Academy of Science, and Sigma Xi. He was a charter member of the Society of General Physiologists.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as an expression of the Board's heartfelt sympathy.

Edward N. Cook

The Board of Trustees of The Ohio State University expresses its sorrow upon the death on November 4, 1980, of Dr. Edward N. Cook, Assistant Professor Emeritus in the College of Dentistry.

Dr. Cook received his D.D.S. degree from The Ohio State University College of Dentistry in 1917. He was a member of the faculty from 1944-1963 when he retired. He also maintained a successful private practice.

Dr. Cook was a member of the Board of Regents of Capital University for 12 years. He was a life member of the American Dental Association, a member of the Ohio State Dental Association, Columbus Dental Society, and Grace Evangelical Lutheran Church. He was also a member of Psi Omega Dental Fraternity and Omicron Kappa Upsilon Dental Honorary Fraternity.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as an expression of the Board's heartfelt sympathy.

### RESOLUTIONS IN MEMORIAM (contd)

Jacqueline D. Sisson

The Board of Trustees of The Ohio State University expresses its sorrow upon the death on October 29, 1980, of Jacqueline D. Sisson, Professor in the University Libraries.

Ms. Sisson received her Bachelor of Arts degree in French in 1946 from The Ohio State University and joined the staff of the University Libraries in October 1947. She began service in the Fine Arts Library the following year, became Head of the Fine Arts Library in 1959, and was promoted to the rank of Professor in 1980.

From her first years with the University Libraries, Professor Sisson gave careful attention to selecting and acquiring books and journals needed to support research and teaching in the arts. During her tenure, the collections grew from 10,000 to over 60,000 volumes, achieved preeminence among Ohio's libraries, and gained a national reputation as a resource center for research in the arts field. Professor Sisson's sensitive understanding of the work of both scholars and students translated into a model of effective library service to the University community. Ms. Sisson's wider interest in research librarianship was manifest in the outstanding record of professional service and publication. She was the prime mover in the formation and continuing success of the consortium known as Art Research Libraries of Ohio, she served the Art Libraries Society of North America in many capacities, and she devoted much attention to cooperative endeavors among art librarians in several related professional associations. Her record of publications is extensive and was recognized in 1976 by the prestigious Professional Award of the Special Libraries Association. In August 1980, Professor Sisson received this University's Distinguished Service Award in recognition of her inspiring example of professional excellence and record of devoted service.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as an expression of the Board's heartfelt sympathy.

Robert E. Yoder

The Board of Trustees of The Ohio State University expresses its sorrow upon the death on October 23, 1980, of Robert E. Yoder, Professor Emeritus in the Department of Agronomy.

Dr. Yoder was born on October 29, 1906, at Wooster, Ohio. He obtained his B.S. and Ph.D. degrees from the College of Agriculture and Home Economics at The Ohio State University, and in 1932 he was named Assistant Professor of soils and agricultural engineering at Alabama Polytechnic Institute (now Auburn University) and the Alabama Agricultural Experiment Station. He later returned to Ohio as Associate Agronomist at the Ohio Agricultural Research and Development Center.

Dr. Yoder was named Agricultural Research and Administration Advisor for the US/AID program at Punjab Agricultural University in Punjab, India, from 1963-65, and served the same post at the University of Udaipur in Rajasthan, India, from 1965-67.

December 11, 1980 meeting, Board of Trustees

**RESOLUTIONS IN MEMORIAM (contd)**

Robert E. Yoder (contd)

During his assignment in India, he was on leave from the Ohio Agricultural Research and Development Center. He returned to Wooster and assumed his Assistant Director's post at the Research Center in 1967. He retired and was named Assistant Director Emeritus at the OARDC in 1973 and Professor Emeritus in the Department of Agronomy at the University.

During his lifetime, he was active in the American Society of Agronomy, Soil Science Society of America, American Society of Agricultural Engineers, American Geophysics Union, Sigma Xi, Gamma Sigma Delta, Gamma Alpha, and Delta Theta Sigma.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy in its loss. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that a copy be tendered to the family as an expression of the Board's heartfelt sympathy.

**DISTINGUISHED SERVICE AWARD**

Resolution No. 81-61

*Synopsis: Recommendation for one individual to receive a Distinguished Service Award is proposed.*

WHEREAS the President's Staff, serving as a Committee on Distinguished Service Awards, has nominated and recommended one individual for approval by the Board of Trustees to receive the Distinguished Service Award at a time convenient to the University and the recipient:

Arnold E. Ross

and

WHEREAS these awards are given in recognition of distinguished service to The Ohio State University and the awards are in accordance with action taken by the Board of Trustees in 1952:

NOW THEREFORE

BE IT RESOLVED, That the Distinguished Service Award be approved for awarding as designated above.

Upon motion of Mr. Havens, seconded by Mr. Hilliker, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

**PERSONNEL ACTIONS**

Resolution No. 81-62

*Synopsis: In addition to the regular personnel actions taken since the last meeting, the following Appointment, Medical Staff Appointments and Emeritus Titles are recommended for approval.*

RESOLVED, That the personnel actions as recorded in the Personnel Budget Records of the University since the November 7, 1980 meeting of the Board, including the following Appointment, Medical Staff Appointments and Emeritus Titles as detailed in the University Budget for 1980-81, be approved.

Appointment

Name: GERALD P. BRIERLEY  
Title: Professor and Acting Chairman  
Department: Physiological Chemistry  
Effective: December 5, 1980  
Salary: \$45,600.00 (12-month)  
Present Position: Professor, Department of Physiological Chemistry, The Ohio State University

Medical Staff Appointments

Effective November 12, 1980

Name	Appointment	Clinical Division
C. Patrick Carroll, M.D. James Tanley, Ph.D.	Courtesy Staff Associate Staff	Ophthalmology Physical Medicine and Rehabilitation
David E. Roberts, M.D.	Transfer from Courtesy Staff to Attending Staff	Preventive Medicine (Emergency Medicine)
Theophil T. Sutton, M.D.	Transfer from Attending Staff to Courtesy Staff	Preventive Medicine (Emergency Medicine)
David S. Mendelowitz, M.D. William Hughes, M.D.	Limited Staff Courtesy Staff (Transfer from General Medicine to Allergy)	Surgery Medicine
William F. Mitchell, M.D.	Courtesy Staff (Transfer from Rheumatology to Allergy)	Medicine

Emeritus Titles

BRUCE D. GRAHAM, Department of Pediatrics, with the title Professor Emeritus, effective July 1, 1981.

HERBERT H. HADLEY, Department of Agricultural Economics and Rural Sociology, with the title Professor Emeritus, effective December 1, 1980.

December 11, 1980 meeting, Board of Trustees

**PERSONNEL ACTIONS (contd)**

Emeritus Titles (contd)

CLYDE H. KEARNS, JR., Department of Engineering Graphics, with the title Professor Emeritus, effective February 1, 1981.

ALBERT ROMEO, Department of Engineering Graphics, with the title Professor Emeritus, effective February 1, 1981.

RUDOLPH SPEISER, Department of Metallurgical Engineering, with the title Professor Emeritus, effective July 1, 1980.

PAUL T. YARRINGTON, Department of Engineering Graphics, with the title Professor Emeritus, effective January 1, 1981.

Upon motion of Mr. Immke, seconded by Mrs. James, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

**REPORT OF RESEARCH CONTRACTS, GRANTS, AND GIFTS**

Resolution No. 81-64

*Synopsis: The report on contracts, grants, and gifts and the summary for October are presented for Board acceptance.*

WHEREAS monies are solicited and received on behalf of the University from governmental, industrial, other agencies, alumni, and various individuals in support of research, instructional activities, and service; and

WHEREAS such gifts and grants are received through the Office of Business and Administration of the University, The Ohio State University Research Foundation, the Engineering Experiment Station of The Ohio State University, and The Ohio State University Development Fund:

NOW THEREFORE

BE IT RESOLVED, That the research agreement between The Ohio State University and The Ohio State University Research Foundation for the contracts and grants reported herein, and the acceptance of the reports from the Office of Business and Administration, the Engineering Experiment Station, and The Ohio State University Development Fund during the month of October 1980, be approved.

Dr. Jacob: Could I ask a question here?

President Enarson: Yes.

December 11, 1980 meeting, Board of Trustees

**REPORT OF RESEARCH CONTRACTS, GRANTS, AND GIFTS (contd)**

Dr. Jacob:

On B under Part I, \$1,250,000—is that cash that comes in in this time frame on long-range commitments that people have made—that they say they're going to pay part of it in this year and then part of it in subsequent years, is that what that represents?

Dr. Vandament:

It really is a combination of that sort of thing plus instances in which we may have been left funds in the estate, been named in estates--it also represents that kind of settlement as well.

President Enarson:

On the next page you'll see a--this is the first time we have presented this kind of data and I hasten to say that it's dangerous to make too much of any one figure here because you have to look at giving over a period of time before you can find much that is meaningful. But the overall percentage, I think, is heartening because we seem to be up in a number of categories, and with respect to the totals, we've got a percentage change of 74.8 per cent. Very quickly, we are also trying to get a better definition of numbers of donors because to the extent that we count small gifts which come in in response to the pleas of WOSU, we are confusing the picture, so we're working that out. I believe we do need a motion.

Upon motion of Mr. Hilliker, seconded by Dr. Jacob, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

Mr. Havens:

Mr. Chairman, it seems to me that the gain of 74.8 per cent in those three months, that's just fantastic and Mr. Buxton certainly ought to be complimented. Both in numbers and dollars, he's really got this thing going, I think. It's pretty darn encouraging.

President Enarson:

We're surely hoping it's not an aberration. It's not the result of any one big gift, I made sure that that wasn't true.

Mr. Havens:

That's great. The whole department sounds like they're getting moving.

Mr. Devenow: Okay, thank you, Jack; it's very gratifying.

**Establishment of Named Funds**

**Dr. L. S. Pettit Pedodontic Endowment Fund**

The Dr. L. S. Pettit Pedodontic Endowment Fund was established December 11, 1980, by the Board of Trustees of The Ohio State University with gifts to The Ohio State University Development Fund by alumni from the Pedodontic Training Program, College of Dentistry.

All gifts are to be invested in the University's Permanent Endowment Fund under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The principal and/or income is to be used to support activities associated with the Pedodontic Post-Graduate Training Program.

Should the need for this fund cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for the College of Dentistry.

**Price Family Agricultural Fund**

The Price Family Agricultural Fund was established December 11, 1980, by the Board of Trustees of The Ohio State University with gifts to The Ohio State University Development Fund from Sanford G. Price, B.S.Agr. '19.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual interest from the principal will be used to provide scholarship and program assistance for the College of Agriculture. The Chairman of the Department of Agricultural Economics in conjunction with the Dean of the College of Agriculture will have latitude to determine the use of the funds.

Should the need for this fund cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for the study of agricultural education.

**PLANS AND SPECIFICATIONS**

Resolution No. 81-64

*Synopsis: Plans and specifications are being proposed for the following projects.*

WHEREAS at the request of the Vice President for Business and Administration, the President recommended that the Board of Trustees approve the plans and specifications, bills of materials, and estimates of cost for the following projects:

**BULK CHEMICAL WAREHOUSE**

**Project:** This project will provide space to house a bulk chemical warehouse, laboratory reagent manufacturing facility and a low-level radioactive waste processing facility to prepare the materials for shipment to disposal sites in accordance with Federal and other regulations.

**Funding:** Budget Account 882046

**Estimated Project Cost:** \$1,190,000.00

**ROOF REPLACEMENTS - 1981**

**Project:** This project work will restore adequate roofing systems for Robinson Laboratory, Plumb Hall, Optometry Building and Mershon Auditorium. The existing roofing on each of these buildings has deteriorated and is in need of complete new roofing.

**Funding:** Budget Account 210134 (Supplemental Contract Repair - 1980)

**Estimated Project Cost:** \$ 337,000.00

**MASONRY REPAIRS (EXTERIOR) - 1981**

**Project:** Repair deteriorated masonry on Graves Hall, Koffolt Laboratory, Civil and Aeronautical Engineering and Scott Hall.

**Funding:** Budget Account 210134 (Supplemental Contract Repair - 1980)

**Estimated Project Cost:** \$ 161,000.00

December 11, 1980 meeting, Board of Trustees

**PLANS AND SPECIFICATIONS (contd)**

**DERBY HALL, INSTALLATION OF SPRINKLER SYSTEMS FOR FIRE PROTECTION**

**Project:** Installation of complete automatic sprinkler protection in the Bookstore area of Derby Hall. The system is designed so that it can be enlarged to cover the entire building. This project is the final one in a series of partial sprinkler systems funded in the safety program approved and funded by the Ohio Board of Regents in October, 1975.

**Funding:** Budget Account 885043 (Campus Safety Improvements/received funds from Ohio Board of Regents)

**Estimated Project Cost:** \$ 60,000.00

**NOW THEREFORE**

BE IT RESOLVED, That the plans and specifications, bills of materials, and estimates of cost for the projects listed above be approved and that the President and/or Vice President for Business and Administration be authorized to sign the plans and specifications for these projects and, in accordance with established University procedures, to request bids *at such time as the University budget situation is clarified*, and, if satisfactory bids are received, to recommend to the Department of Administrative Services, Division of Public Works, the award of necessary contracts; and

BE IT FURTHER RESOLVED, That this action be reported to the Board at a later meeting.

Upon motion of Mr. Hilliker, seconded by Mr. Havens, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

Mr. Devenow:

Mr. President, before you get into reports, we have an unusual instance here where Timothy Light of the East Asian Languages Department would like to make a presentation to the Board. Dr. Light, would you please come forward?

Dr. Light:

Thank you very much, Mr. Chairman. I am here on behalf of the East Asian Students Association which is composed of students who are taking Chinese and Japanese at our University. They have come here with two of their representatives, Kathy and John, and two of our dynamic professors, Mr. Galal Walker and Mr. Shigeru Miyagawa. They have presents for you in the form of OSU T-shirts in Chinese and Japanese. That is our Christmas present to you.

Mr. Devenow: Thank you very much.

Dr. Light:

They're identified according to size; Mr. Scott kindly gave us an estimate of your sizes so they're being handed out that way.

December 11, 1980 meeting, Board of Trustees

President Enarson: I hope they're accurate.

Mr. Havens: Are we allowed to open these right now?

Dr. Light:

The letter that goes with it will identify which language is on your shirt--some are Chinese and some are Japanese.

Mr. Devenow:

Thank you very much. I am sure on behalf of the Board we are delighted and in that we're not going to the Rose Bowl, we'll try to confuse the issues down at the Fiesta Bowl with this. Thank you very, very much.

President Enarson:

That's our new dynamic chairman--I didn't know he was that dynamic, though.

**NATIONAL ENERGY CONSERVATION POLICY ACT (NECPA)  
TITLE III PROGRAM, CYCLE I**

The following is to report actions taken by the Ohio Board of Regents and the Department of Administrative Services, Division of Public Works to contract with consultants for projects included in the Title III Program.

The Ohio State University through the Energy Management Division has participated in the National Energy Conservation Policy Act (NECPA) Title III Program, which is a federally funded grant program to aid in energy conservation projects for schools and hospitals and for buildings owned by units of local government. Under this program the federal government provides matching funds to State government agencies for implementation of such projects. The State of Ohio, working in conjunction with the Ohio Board of Regents provides the matching funding required by federal government for such Ohio State University participation. The energy conservation projects funded under this program consist of two (2) basic forms.

1. *Technical Assistance Program (TAP)*, which provides the financial assistance in obtaining a detailed engineering analysis to identify estimated cost of, and the energy and cost savings likely to be realized from acquiring and installing Energy Conservation Measures.
2. *Energy Conservation Measures (ECM)*, which provides for the design, acquisition and installation of Energy Conservation Measures, to reduce energy consumption.

A Technical Assistance Program (TAP) is a prerequisite for application of an Energy Conservation Measure (ECM).

December 11, 1980 meeting, Board of Trustees

Mr. Chester Devenow, President,  
Chairman and Chief Executive Officer  
Sheller-Globe Corporation  
1505 Jefferson Avenue  
Toledo, Ohio 43624

Dear Mr. Devenow:

I wish to resign as president of The Ohio State University effective the close of business, August 31, 1981.

I inform you and your colleagues on the Board now so that the Board will have time to conduct the search for my successor.

On August 31, 1981, I will have completed nine full years as president of The Ohio State University immediately following over six years as president of The Cleveland State University. It now seems best for me, my family, and the University to step aside.

This decision has been discussed with you. I understand that you will recommend that my resignation effective that date will be accepted.

I want you to know that these have been busy and satisfying years for me and Mrs. Enarson. It is not easy to step down for I enjoy immensely my association with my colleagues, with faculty and staff, with students, with legislators, with alumni and with all the many persons who care about the University and strive to make it better.

I take great pride in being a part of the adventure of building a better University-- a task that is never ended. This University means a great deal to the Enarsons. It will always be a part of our life and it will always have our support and best wishes.

Sincerely yours,

Harold L. Enarson  
President

**CHAIRMAN DEVENOW'S LETTER OF ACCEPTANCE  
OF RESIGNATION OF PRESIDENT ENARSON**

Harold L. Enarson, President  
THE OHIO STATE UNIVERSITY  
205 Administration  
190 North Oval Mall  
Columbus, Ohio 43210

Dear Harold:

I have your letter stating your wish to resign as President of The Ohio State University effective August 31, 1981. You have served long and well in a difficult job with heavy responsibility. I can understand your wish to step aside. I will recommend to the Board of Trustees that your resignation be accepted.

All members of the Board are aware of the demands put upon you and Mrs. Enarson by the duties of your office. We have watched with appreciation your efforts to strengthen and improve the quality of education and research at Ohio State and to give it sound, efficient and responsive administration. We admire your courage, dedication and strong sense of excellence and recognize how much these qualities have contributed to our University.

Because of your splendid service to the University, the Trustees will want to make your transition from office as favorable as possible. I have proposed that you be appointed President Emeritus effective September 1, 1981, with the usual rights, privileges, and emoluments of that office. Because we will want and need your advice and consultation in the initial term of a new president, I have also asked the Trustees to arrange for continuing your compensation through June 30, 1982.

I am mindful that you live in a University residence at the Trustees' direction and that you will have to relocate. The University will assist you in moving your personal belongings from the Crowell Street residence, Overlook Farm and the President's Office to your new location.

Hoping that your association with The Ohio State University will continue, you may expect the Trustees to renew your Notice of Appointment as a tenured Professor of Public Administration for the academic year 1981-82 although I understand you will not undertake any teaching during that period.

All of these steps are intended to let you know how much your work is appreciated and that we understand the burdens you have carried on behalf of the University.

I know all members of the Board join me in giving warm thanks to you and Mrs. Enarson. You have our heartiest appreciation and best wishes. We look forward to working with you on the challenging problems confronting the University throughout the rest of your term.

Sincerely yours,

Chester Devenow  
Chairman

**ACCEPTANCE OF RESIGNATION OF HAROLD L. ENARSON  
AND CONFERRING EMERITUS TITLE**

Resolution No. 81-68

WHEREAS Dr. Harold L. Enarson, on this date, has submitted his resignation of the Office of President of The Ohio State University to the Board of Trustees to be effective August 31, 1981; and

WHEREAS Dr. Enarson has given long, continuous, distinguished, and meritorious service in the extremely difficult and demanding position as President of The Ohio State University; and

WHEREAS the Board of Trustees in deep appreciation of all the efforts Dr. Enarson has made to strengthen and improve the quality of education and research at The Ohio State University and in recognition of the University's continuing desire for Dr. Enarson's advice and consultation:

NOW THEREFORE BE IT RESOLVED,

THAT the Board of Trustees accepts the resignation of Dr. Harold L. Enarson as President of The Ohio State University effective August 31, 1981; and

THAT in recognition of the courageous and dedicated service Dr. Enarson has given to The Ohio State University as chief executive officer, the Board of Trustees appoints him President Emeritus effective September 1, 1981, with all the rights, benefits and emoluments appurtenant thereto; and

THAT in recognition of the need for Dr. Enarson's advice and consultation during the initial term of the new president, Dr. Enarson continue to be paid at his current salary through the end of 1981, and that he be paid \$32,500 for the period January 1, 1982 through June 30, 1982, subject to sufficient and continuing legislative appropriations where necessary; and

THAT Dr. Enarson, at his choice, be allowed to remain and to retain his residence at the Overlook Farm until June 30, 1982, and that at such time as it is necessary to relocate, the University shall assist Dr. Enarson in moving his personal belongings from the Croswell Street residence, Overlook Farm and the President's office to some new location; and

THAT Dr. Enarson's Notice of Appointment as Professor of Public Administration be renewed for the academic year 1981-82.

Upon motion of Mr. Smith, seconded by Mr. Hilliker, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

**SEARCH COMMITTEE**

Resolution No. 81-69

WHEREAS the Board of Trustees of The Ohio State University has this date accepted the resignation of Dr. Harold L. Enarson as President of The Ohio State University effective August 31, 1981; and

WHEREAS it is the responsibility of the Board of Trustees to insure the continuing good management of the University by selecting its president:

NOW THEREFORE BE IT RESOLVED,

THAT the Chairman of the Board of Trustees shall appoint a Search Committee with the following membership:

- Four trustees, one of whom to serve as Chairman;
- A member of the University faculty;
- A student of the University;
- A Dean from one of the University Colleges;
- An alumnus of the University.

This Committee is charged with representing the interests of the University in planning and directing all aspects of a comprehensive and expeditious search for a new president, including but not limited to:

- 1) Retaining external professional assistance as required;
- 2) Developing a position description;
- 3) Developing a list of candidates;
- 4) Reviewing the qualifications of candidates; and
- 5) Recommending one or more candidates to the Board of Trustees at or before its regular meeting in June, 1981; and

BE IT FURTHER RESOLVED,

THAT in establishing the criteria for this position, the Search Committee shall consult with the Steering Committee of the University Senate, the officers of the Undergraduate Student Government, the officers of The Ohio State University Alumni Association, representatives of The Ohio State University Hospitals Board, and, as appropriate, with representatives of other university-wide organizations, employees, and constituencies, the Search Committee shall look to the office of the Secretary to the Board of Trustees for internal assistance and coordination as required during the search, and shall serve until discharged by the Board of Trustees or upon the appointment of a president.

Upon motion of Dr. Jacob, seconded by Mr. Hilliker, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

### RESOLUTIONS IN MEMORIAM

Resolution No. 81-70

*Synopsis: Resolutions honoring the service of three of this University's faculty members who have recently died are being proposed.*

RESOLVED, That the Board adopt the following Resolutions in Memoriam and that the President be requested to convey a copy to the families of the deceased.

Upon motion of Mrs. James, seconded by Dr. Jacob, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

Bernard F. Mooney

The Board of Trustees of The Ohio State University expresses its sorrow upon the death on November 26, 1980, of Bernard F. Mooney, Professor Emeritus in the College of Education.

Professor Mooney received his M.Ed. degree from Springfield College in 1928.

Professor Mooney became a member of the faculty in the Division of Physical Education in 1923 while he also served as varsity wrestling coach for the Athletic Department. He retained this joint appointment until his retirement in 1964.

For many years, Professor Mooney was the coordinator of the Basic Required Physical Education Program for freshmen students. He taught activity skills and teacher education courses and supervised student teachers. He is the author of two books, *Boxing for Beginners* and *Wrestling for Beginners*.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as an expression of the Board's heartfelt sympathy.

February 6, 1981 meeting, Board of Trustees

### RESOLUTIONS IN MEMORIAM (contd)

Christine Rayer Nichols

The Board of Trustees of The Ohio State University expresses its sorrow upon the death on April 7, 1980, of Christine Rayer Nichols, Professor Emeritus in the College of Social Work.

Professor Nichols received her Bachelor of Arts degree in 1926 from Wittenberg College and her Master of Science in Social Administration degree in 1938 from Case Western Reserve University.

Professor Nichols joined the faculty of the School of Social Work of The Ohio State University in October 1954 as an Assistant Professor. She was promoted to the rank of Associate Professor in October 1957. Professor Nichols' teaching responsibilities were centered in the area of Social Group Work. From October 1964 until her retirement in January 1970, she served as Assistant Director of the School of Social Work.

Professor Nichols served as Assistant Professor at the University of Denver School of Social Work from 1942 to 1943 and as Associate Professor at Case Western Reserve School of Applied Social Science from 1944 to 1954.

Professor Nichols' career included teaching and social work. She taught high school in Logan County from 1926 to 1936 and in Galion from 1943 to 1945. She was a social worker in North East Neighborhood House, Minneapolis, Minnesota, from 1938 to 1940. From 1940 to 1942, she was the Executive Director of Lincoln Park Community Center, Denver, Colorado.

Professor Nichols made extensive and significant contributions to professional and community groups. She was a member of the American Association of Group Workers, the American Association of Schools of Social Work, and the Council on Social Work Education. She was active with the Council of Social Agencies and the Volunteer Bureau in Denver and the YWCA in Cleveland. She was a member of the Board of Directors of the Columbus Federation of Settlements and the Board of Directors of Wittenberg University.

Professor Nichols' many contributions to the University and to society were characterized by her commitment to high standards of education and social work practice.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as an expression of the Board's heartfelt sympathy.

Wilbur E. Stuckey

The Board of Trustees of The Ohio State University expresses its sorrow upon the death on January 12, 1981, of Wilbur E. Stuckey, Professor Emeritus in the Cooperative Extension Service.

February 6, 1981 meeting, Board of Trustees

### RESOLUTIONS IN MEMORIAM (contd)

Wilbur E. Stuckey (contd)

Mr. Stuckey was born February 8, 1911, in Seneca County. He graduated from Bloomville High School in 1929 and from The Ohio State University with Bachelor of Science in Agriculture and Master of Science degrees in 1933 and 1944 respectively. He began his career with The Ohio State University in 1941 as a Teacher-Trainer in the Department of Agricultural Education. In 1944 he transferred to the Department of Agricultural Engineering as Farm Safety Specialist where he continued to serve OSU until 1952.

In 1955, Mr. Stuckey returned to The Ohio State University as Specialist and later as Assistant to the Director and finally Leader, Safety for the Ohio Cooperative Extension Service. His service to The Ohio State University included membership on several University committees including the Faculty Council, the Faculty Advisory Committee to the Board of Trustees and the President and the Rules Committee. He retired March 31, 1976.

Throughout his career he was a dedicated and highly respected educator. His efforts in safety brought distinction to him and the University. He was recognized throughout the country as an expert in safety programs. Among his contributions was the design of the slow-moving vehicle emblem which is used nationwide.

On behalf of the University community, the Board of Trustees expresses to the family of Mr. Stuckey its deepest sympathy. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that a copy be tendered to Mrs. Stuckey as sincere appreciation of the Board's realization of the loss that the family, the University and his many friends and associates have sustained.

**BUDGET SUMMARY (SECOND QUARTER 1980-81)**

Resolution No. 81-74

*Synopsis: The second quarter budget summary, 1980-81, is presented for review and acceptance.*

This budget summary for the second quarter 1980-81 contains revised estimates of resource and expenditure/commitment projections as actual data have become available. Included are the effects on Columbus Campus unrestricted funds of actual Autumn Quarter enrollments and the state budget cuts through the third cut announced in December. This cut resulted in a reduction of unrestricted resources of \$1.45 million with the cut to all funds totaling \$1.8 million. Revisions to restricted funds net to a \$500,000 decrease from the first quarter report representing redistributions and reclassifications of grant and contract activity along with state budget cuts. Revisions to earnings operations income and expense reflect adjustments based on activity to date.

WHEREAS the second quarter report of the 1980-81 current funds budget covering the period October through December, 1980 is presented for review by the Board of Trustees and its income and expense estimates deviate by less than one-half of 1 per cent from the 1980-81 budget approved by the Board in November, 1980; and

WHEREAS the projected expenditures and commitments of the second quarter report for 1980-81 are supported by adequate income:

February 6, 1981 meeting, Board of Trustees

**BUDGET SUMMARY (SECOND QUARTER 1980-81) (contd)**

NOW THEREFORE

BE IT RESOLVED, That the accompanying second quarter budget report be accepted.

Upon motion of Mr. Hilliker, seconded by Mr. Havens, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

February 6, 1981 meeting, Board of Trustees

President Enarson:

With respect to the next item which is a matter of expanding slightly as an employee education/self-improvement program, they simply modified the terms of eligibility in some relatively small, but we think significant, fashion. I'm wondering, Madison, if you would care to speak to this because you have been intimately involved in the shaping of this particular revision.

Mr. Scott:

Mr. President, Mr. Chairman, and Members of the Board, you may recall April 1--a year ago--the Board of Trustees passed a resolution which, in effect, limited the number of course hours that persons who were regular employees could take as students of the University. I believe it was limited to eight for undergraduate work and six for graduate work. The policy, you may be aware, was challenged in several places by several groups of persons. One was the Personnel Board of Review and subsequently, in the courts. The courts affirmed the Board of Trustees' authority as well as the Personnel Board of Review to specify conditions of employment for persons who were employed as regular employees. The policy was also challenged as a part of a collective bargaining agreement that we have with the Ohio Nurses Association. As a part of that agreement, as you may know, there is what is called a binding arbitration feature of anything that goes through the grievance process. In the binding arbitration part of this grievance, the arbitrator, in keeping with the agreement, concluded that the University had, indeed, not complied with the contractual terms of that agreement. In response both to the court opinion as well as to the arbitrated determination, it has been suggested by a number of persons that we should modify the policy slightly to raise the number of hours that a full-time employee might take and not be penalized for taking course work at the University and the limits now would be ten hours in any one academic quarter, and more specifically, if there were special requirements that an individual would have to take that would be required for graduation, the University would be in position to make an exception to that.

#### **EMPLOYEE EDUCATION/SELF-IMPROVEMENT**

Resolution No. 81-75

*Synopsis: Employee Education/Self-Improvement Program is being proposed.*

WHEREAS the University encourages regular non-teaching staff members to further their education and self-improvement; and

WHEREAS "regular" employment is defined as employment which is continuous in nature with the University and carries with it the term "regular appointment" and customarily requires the services of an individual on a regularly scheduled and continuing basis; and

WHEREAS opportunities are provided to eligible regular non-teaching staff to enroll in coursework at the University and be reimbursed instructional and general fees and non-residence fees, for up to seven credit hours of coursework per academic quarter as set forth in § 10 of the University Operating Manual; and

February 6, 1981 meeting, Board of Trustees

**EMPLOYEE EDUCATION/SELF-IMPROVEMENT (contd)**

WHEREAS it has been determined that in order to ensure reasonable and uniform application of this policy, the privilege extended to regular non-teaching staff to enroll as students of the University should be limited and subject to a definitive policy statement:

NOW THEREFORE

BE IT RESOLVED, That effective Spring Quarter, 1981 regular non-teaching staff may enroll as students in degree-granting or other credit programs of the University for not more than ten credit hours of coursework per academic quarter; and

BE IT FURTHER RESOLVED, That exception to the ten-hour maximum limit of this policy may be made only upon recommendation of the appropriate administrative official and concurrence of the Office of Personnel Services and only if the applicant seeking the exception demonstrates that it is necessary to permit the applicant to take a course required for graduation which is not otherwise available to the applicant; and

BE IT FURTHER RESOLVED, That this policy supersedes Board of Trustees' Resolution No. 80-46, dated November 30, 1979.

Upon motion of Mr. Immke, seconded by Mr. Havens, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

**REPORT OF RESEARCH CONTRACTS, GRANTS, AND GIFTS**

Resolution No. 81-77

*Synopsis: The reports on contracts, grants, and gifts and the summaries for November and December are presented for Board acceptance.*

WHEREAS monies are solicited and received on behalf of the University from governmental, industrial, other agencies, alumni, and various individuals in support of research, instructional activities, and service; and

WHEREAS such gifts and grants are received through the The Ohio State University Research Foundation, the Engineering Experiment Station of The Ohio State University, and The Ohio State University Development Fund:

NOW THEREFORE

BE IT RESOLVED, That the research agreements between The Ohio State University and The Ohio State University Research Foundation for the contracts and grants reported herein, and the acceptance of the reports from the Office of Business and Administration, the Engineering Experiment Station and The Ohio State University Development Fund during the months of November and December, 1980, be approved.

Upon motion of Mr. Galbreath, seconded by Mrs. James, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

**The C. Victor Kendall Loan Fund**

The C. Victor Kendall Loan Fund was established February 6, 1981, by the Board of Trustees of The Ohio State University with gifts to The Ohio State University Development Fund from the estate of Catherine K. Kendall, in memory of her husband, C. Victor Kendall, B.S.Agr. '21, M.A. '29, Carroll County, Ohio.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income from the fund is to be used for loans, without interest, to students in the field of conservation and natural resources in the College of Agriculture and Home Economics who are in need of financial assistance. The selection of the recipient(s) is to be made upon the recommendation of the Dean of the College of Agriculture and Home Economics.

**Establishment of Named Funds (contd)**

**The C. Victor Kendall Loan Fund (contd)**

Should the need for this loan fund cease to exist or so diminish as to provide unused income, then the income may be used for any purposes whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the Dean of the College of Agriculture and Home Economics.

**Carl L. and Elizabeth Broughton Scholarship in Agriculture Fund**

The Carl L. and Elizabeth Broughton Scholarship in Agriculture Fund was established February 6, 1981, by the Board of Trustees of The Ohio State University with a generous gift from Carl L. and Elizabeth Broughton of Marietta, Ohio.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income will be used to support undergraduate scholarships for worthy students enrolled in educational programs administered by or through the College of Agriculture and Home Economics. Recipients will be selected by the University Committee on Student Financial Aid based on recommendations of a committee comprised of the Dean of the College of Agriculture and Home Economics, the Associate Dean for Agriculture, and the Assistant Dean for Student Affairs in the College of Agriculture and Home Economics. Preference will be given to recipients who are residents of Ohio, West Virginia or Kentucky. Basis for the awards will encompass scholarship, leadership in extracurricular and/or financial need.

Should the need for this fund cease to exist or so diminish as to provide unused income, then the income from the fund may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to the appropriate official of the University who is then directly responsible for agricultural curricula at The Ohio State University.

**The John B. Nordholt Professorship in Mechanical Engineering  
or Metallurgical Engineering Fund**

The John B. Nordholt Professorship in Mechanical Engineering or Metallurgical Engineering Fund was established February 6, 1981, by the Board of Trustees of The Ohio State University with gifts to The Ohio State University Development Fund from Mr. and Mrs. John B. Nordholt, Jr., and Mr. and Mrs. Shelby Nordholt, Sr., in memory of John B. Nordholt, Sr., M.E. '08, formerly of Tiffin, Ohio.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

**The John B. Nordholt Professorship in Mechanical Engineering  
or Metallurgical Engineering Fund (contd)**

The annual income is to be used to provide support for the work of a distinguished teacher, researcher and engineer in mechanical or metallurgical engineering. Appointment to the Nordholt Professorship will be recommended by the Dean of the College of Engineering to the President and approved by the Board of Trustees.

Should the need for this faculty position cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for mechanical and metallurgical engineering education.

**The Ernest Robert Keppel Foundation Fund**

The Ernest Robert Keppel Foundation Fund was established February 6, 1981, by the Board of Trustees of The Ohio State University through The Ohio State University Development Fund from the Estate of Emily C. Keppel, Seneca County, Ohio, in memory of her husband, Ernest Robert Keppel.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income from this fund shall be used to grant scholarships to deserving students of the University. The University College Dean and University Treasurer, or their successors in office, shall be responsible for the administration of the fund.

Should the need for The Ernest Robert Keppel Foundation Fund cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative officials of the University who are then directly responsible for scholarships.

**The Evan J. Crane Memorial Scholarship Fund**

The Evan J. Crane Memorial Scholarship Fund was established February 6, 1981, by the Board of Trustees of The Ohio State University with a gift to The Ohio State University Development Fund from Helen G. Crane, B.A. '16, in memory of her husband, Dr. Evan J. Crane, B.A. '11, D.Sc. '38, who served as Editor of Chemical Abstracts from 1915 to 1958 and Director of Chemical Abstracts Service from 1956 to 1958.

**The Evan J. Crane Memorial Scholarship Fund (contd)**

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with right to invest and reinvest as occasion dictates.

The annual income is to be used to provide one or more scholarships for undergraduate students who have demonstrated academic ability and need for financial assistance. Preference is to be given to students from Canal Winchester, Ohio, who intend to enroll in the College of Agriculture and Home Economics. The selection of the recipient is to be made upon the recommendations of the University Scholarship Committee in cooperation with the Dean of the College of Agriculture and Home Economics.

Should the need for these scholarships cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for agriculture and home economics education.

**The Ruth L. Higgins Memorial Scholarship Fund**

The Ruth L. Higgins Memorial Scholarship Fund was established February 6, 1981, by the Board of Trustees of The Ohio State University with a gift to The Ohio State University Development Fund from Ruth L. Higgins, Ph.D. '26, of Columbus, Ohio.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used to provide scholarship assistance to one or more graduate students in the Department of History, College of Humanities. The selection of the recipient(s) is to be made upon the recommendations of the appropriate committees selected by the Dean of the College of Humanities and the Chairman of the Department of History.

Should the need for these scholarships cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for scholarships.

**William H. Davis Scholarship Fund for Basic Medical Research**

The William H. Davis Scholarship Fund for Basic Medical Research was established February 6, 1981, by the Board of Trustees of The Ohio State University with a gift to The Ohio State University Development Fund from William H. Davis, B.S.Bus.Adm. '26, of Columbus, Ohio.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used to support basic research in medicine to provide one or more scholarships to young scientists who have shown an interest in academic medicine as a career. All recipients should have an M.D. degree and should have had at least three years of training in research or in a graduate discipline. Income from the fund will pay for expenses other than for the salaries of the researchers, provided that, if more than four researchers are employed at any one time and if income from the fund is then sufficient, it may be used for salaries of researchers in excess of four individuals. During the first two years of the fund's operation, the income should be equally divided between the Department of Surgery and the Department of Medicine. Thereafter, the division of funds will be determined by the Advisory Board.

There shall be an annual deadline for the submission of applications to become "Davis Scholars." Prospective scholars may be nominated by any faculty member in the Departments of Medicine or Surgery. The selection of research projects and the appointment of "Davis Scholars" will be made upon the recommendation of the Dean of the College of Medicine and the Vice President for Health Sciences, in cooperation with an Advisory Board named by the Vice President for Health Sciences and whose members will include three (3) from within the University and two (2) non-physician representatives from outside the University, for a total of five. The members from the community-at-large should be individuals of considerable accomplishment in their respective fields, whether that be business, law, journalism or any other profession. Dorothy M. Davis and William C. Davis shall be members of the Advisory Board during their lifetimes or as long as they wish to serve, and in the event the service of either should terminate, the replacement shall be an individual who is qualified as stated above and who is nominated for this purpose by William H. Davis by letter or by will. All expenditures shall be approved by the Dean of the College of Medicine and the Chairman of the department from which the scholar is selected and/or from which the research project originated.

Any income resulting from the research provided by the fund will be added to and maintained as part of the principal of the fund in accordance with University policies on copyrights and patents. "Davis Scholars" may accept temporary assignments at other institutions

to further their research, in accordance with the personnel policies of the University, but should return to Ohio State for a minimum of two years to teach and/or continue their research efforts.

If at a later date a gift is received from Dorothy M. Davis, the name of the fund shall be changed to the WILLIAM H. AND DOROTHY M. DAVIS SCHOLARSHIP FUND FOR BASIC MEDICAL RESEARCH. An annual report of income and expenditures shall be prepared for the Advisory Board and William H. Davis, Dorothy M. Davis and William C. Davis.

Should the need for these scholarships and/or research projects cease to exist or so diminish as to provide unused income, then the income may be used for any purposes recommended by the appropriate administrative official of the University who is then directly responsible for basic medical research.

**The James Hay and Ruth Jansson Wilson Professorship in Cardiology Fund**

The James Hay and Ruth Jansson Wilson Professorship in Cardiology Fund was established February 6, 1981, by the Board of Trustees of The Ohio State University with gifts to The Ohio State University Development Fund from Ruth Jansson Wilson in memory of her husband, James Hay Wilson, B.S.Bus.Adm. '28.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used to provide salary and program support for the work of a distinguished cardiologist. This will include research, education and prevention. Income will be added to principal until sufficient funds are available, i.e., \$250,000 to fully endow the professorship. Appointment to the Wilson Professorship will be recommended by the Dean of the College of Medicine and approved by the Vice President for Health Sciences and the Board of Trustees.

Should the need for this faculty position cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for cardiovascular medicine.

**The Frank J. Tate Scholarship in Journalism**

The Frank J. Tate Scholarship in Journalism was established February 6, 1981, by the Board of Trustees of The Ohio State University with gifts from the Board of Directors of The Ohio State University Alumni Association and friends of Frank J. Tate, long-time editor of the *OSU Monthly*.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used to provide undergraduate scholarships in the School of Journalism. Preference will be given to those students in the upper division who are majoring in magazine management or news magazine reporting. Selection of the recipient will be made by the University Committee on Student Financial Aids, based upon the recommendations made by the Scholarship Committee of the School of Journalism.

Should the need for this fund cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University, who is then directly responsible for the School of Journalism.

**The Gerald B. Rice Memorial Fund**

The Gerald B. Rice Memorial Fund was established February 6, 1981, by the Board of Trustees of The Ohio State University with a gift to The Ohio State University Development Fund from Mrs. Mildred Rice Fisher and Miss Cora Mae Joachim, Pomeroy, Ohio. The fund honors the memory of Gerald B. Rice (1931-80), a graduate of The Ohio State University (B.A. '52, M.A. '55) and Assistant Professor of English at The Ohio State University at Mansfield (1965-80). Professor Rice was the son of Mrs. Fisher and a nephew of Miss Joachim.

The original gifts and all subsequent gifts to this fund are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to reinvest as occasion dictates.

The annual income is to be used in support of programs in theatre and/or English at The Ohio State University in Mansfield. A portion of the income will be awarded annually, as the "Gerald B. Rice Theatre Prize," to the student(s) who contributed most to the success of theatrical productions on the Mansfield Campus. Recipient(s) of the prize will be selected annually by the Dean and Director upon recommendations of a committee appointed by the Dean and Director. The remainder of the income will be used to benefit the theatre and/or

**The D. Lois Gilmore Memorial Award**

The D. Lois Gilmore Memorial Award was established February 6, 1981, by the Board of Trustees of The Ohio State University with gifts from relatives, friends, alumni and associates in the Department of Textiles and Clothing in the School of Home Economics.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income will be used to fund an award to be used in support of graduate research in the Department of Textiles and Clothing. The award will be made by the Director of the School of Home Economics based on the recommendations of the Fellowship Committee of School of Home Economics.

Should the need for this fund cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University, who is then directly responsible for the School of Home Economics.

**The Robert E. Schaefer Scholarship Fund**

The Robert E. Schaefer Scholarship Fund was established February 6, 1981, by the Board of Trustees of The Ohio State University by a gift from Robert E. Schaefer, B.S. '35, former publisher of the Chillicothe, Ohio, Gazette newspaper.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

Eighty per cent (80%) of the annual income is to be used to provide a scholarship to a student enrolled in the School of Journalism. The remaining twenty per cent (20%) of the annual income shall be applied to the principal each year. The School of Journalism Scholarship Committee will select a candidate of above average academic achievement who has indicated a preference for the print media (or the newspaper profession). If all other qualifications are similar, applicants from Ross County, Ohio, should be given preference. The Scholarship Committee choice will be approved by the Director of the School of Journalism as will requisitions for funds be approved by the Director.

Should the need for this fund cease to exist or so diminish as to provide unused income, then the income may be used for any purposes whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University, who is then directly responsible for journalism scholarships.

**Shirley A. Brooks Scholarship in Agriculture**

The Shirley A. Brooks Scholarship in Agriculture was established February 6, 1981, by the Board of Trustees of The Ohio State University with gifts to The Ohio State University Development Fund from Shirley A. Brooks.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income from the principal is to be used to provide scholarships for incoming freshmen enrolled in the undergraduate degree program of agriculture. First preference shall be given to students who are residents of Vinton County, Ohio, and, in turn, other southeastern Ohio residents. The students need not be honors students but should instead be those students whose grade point average in high school shows evidence of potential for success in college and who come from homes of modest means. Recipients may apply for and receive a first renewal of the scholarship. The selection of the recipients shall be made by the University Committee on Student Financial Aids based on recommendations of a committee comprised of the Dean of the College of Agriculture and Home Economics, the Assistant Dean for Student Affairs in the College of Agriculture and Home Economics, and Shirley A. Brooks during her lifetime. Following her death, the third individual on the committee shall be a faculty member in agriculture who is familiar with the needs of students from southeastern Ohio.

Should the need for this fund cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for curricula in agriculture.

**The Judge William M. Drennen Award Fund**

The Judge William M. Drennen Award Fund was established February 6, 1981, by the Board of Trustees of The Ohio State University with gifts to The Ohio State University College of Law. The gifts were made by the former law clerks to Judge Drennen, J.D. '38, and others, to honor his many years of service as a judge on the United States Tax Court.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The income from this fund is to be used to award prizes each year to the senior student receiving the highest grade point average in courses in federal taxation. In selecting the student the following courses (or their approximate equivalent, in the judgment of the Dean of the College of Law) shall be included in the calculation: Law 512, 606, 715 and 745. A student to qualify must have earned at least ten credit hours in the selected courses. (Courses taken in the Spring Quarter just prior to his or her graduation will not be included in the calculation.) If possible, the prize shall be awarded at the College of Law June Hooding Ceremony. The purpose of the prize is to honor Judge Drennen. The prize shall be called the Judge William M. Drennen Prize and each recipient shall be informed of the purpose of the prize.

Should the need for The Judge William M. Drennen Award Fund cease to exist or so diminish as to provide unused income, the income may be used for any purpose whatsoever as determined by the Board of Trustees with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for legal education.

**CHEMICAL INSTRUMENTATION CENTER**

Project: This remodeling project provides space for a Chemical Instrumentation Center on the first floor of Johnston Laboratory to house various laboratories and support offices.

Funding: Budget Account 885090 (Local Funds)

Estimated Project Cost: \$212,408.00

**NOW THEREFORE**

BE IT RESOLVED, That the plans and specifications, bills of materials, and estimates of cost for the project listed above be approved and that the President and/or Vice President for Business and Administration be authorized to sign the plans and specifications for this project and, in accordance with established University procedures, to request bids *at such time as the University budget situation is clarified*, and, if satisfactory bids are received, to recommend to the Department of Administrative Services, Division of Public Works, the award of necessary contracts; and

BE IT FURTHER RESOLVED, That this action be reported to the Board at a later meeting.

Upon motion of Mr. Hilliker, seconded by Mr. Immke, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

President Enarson:

Under Miscellaneous, there are three drafts which were, I think, acted on in a single action by the Committee this morning, and it's with great pleasure that I ask the Chairman of that Committee to explain it because I would prefer not to.

Mr. Hilliker: We're going to turn that one over to Mr. Jackson.

Mr. Jackson:

There are three resolutions before you today. The first resolution has to do with-- let me give you a broad-base view. All three of the resolutions have to do with the same situation. As you know, we have on a couple of previous occasions, rolled over some anticipation notes in the amount of \$9.5 million for the construction of various projects around the campus. It doesn't seem possible, but the six months are about up from the last time we did it. There was, when this information was put together, some concern as to whether or not we should sell long-term bonds at this time, or sell anticipation notes again. So we have before you the documents necessary which were prepared by Squire, Sanders for the sale of the long-term bonds for this \$9.5 million. If, as a result of the marketplace we are not able to place those at an acceptable rate, then we would go back out under one of the other resolutions here and sell anticipation notes again. The third one has to

February 6, 1981 meeting, Board of Trustees

Mr. Jackson: (contd)

do with preventing me from doing both, and I think that that certainly is most appropriate. So the first one is the anticipation notes; the second resolution is the long-term bonding which we have every confidence we're going to be able to do at this time, and the third one, then, is the authorization for us to do one or the other.

President Enarson:

Mr. Chairman, I had raised a question with the Board. I was wondering, in view of the nature of these three whether they should not be acted on one by one. I don't think they can really be homogenized.

Resolution No. 81-79

*Synopsis: Issuance and sale of The Ohio State University General Receipts Bond Anticipation Notes, Series 1981 is recommended.*

WHEREAS the Board of Trustees of The Ohio State University (the "Board"), is vested with the government of The Ohio State University (the "University" and, when the context admits, collectively with the Board called the "University") by Chapter 3335, Ohio Revised Code; and

WHEREAS the University has previously determined, and does hereby confirm, that it has been necessary to construct and equip certain vehicular parking facilities on the campus of the University, comprised of two multi-level parking structures and appurtenances known as the 9th Avenue Parking Ramp and the 11th Avenue Parking Ramp, with an aggregate capacity for the parking of approximately 1,740 motor vehicles, and that it is necessary to install smoke detector equipment in 11,113 living units of University and University Housing Commission dormitories and other University living quarters and in the common areas of 25 University and University Housing Commission dormitory buildings, such vehicular parking facilities and smoke detector equipment being herein called the "Project"; and

WHEREAS the costs of the Project constituting "costs of auxiliary facilities" as defined in Section 3345.12 (A) (8), Ohio Revised Code (the "costs of the Project") are at least \$9,500,000; and

WHEREAS the University previously determined, and does hereby confirm, to borrow funds for the permanent financing of the costs of the Project, and for such purpose to issue its General Receipts Bonds (the "Bonds") at such time and in such principal amount as may be necessary for such purpose, pursuant to authorizing provisions of law including Sections 3345.11 and 3345.12, Ohio Revised Code; and

February 6, 1981 meeting, Board of Trustees

**ISSUANCE AND SALE OF THE OHIO STATE UNIVERSITY GENERAL RECEIPTS BOND ANTICIPATION NOTES, SERIES 1981 (contd)**

WHEREAS the University heretofore determined that it was necessary to issue, prior to and in anticipation of permanent financing of the costs of the Project, \$9,500,000 of General Receipts Bond Anticipation Notes, Series 1979 (the "Series 1979 Notes") as provided in Resolution No. 80-58 adopted by this Board on November 30, 1979; and

WHEREAS the University heretofore determined that, for the purpose of refunding the Series 1979 Notes, it was necessary to issue \$9,500,000 of General Receipts Bond Anticipation Notes, Series 1980 (the "Outstanding Notes") as provided in Resolution No. 81-32 adopted by this Board on September 5, 1980, and has determined that it is necessary to issue notes as provided in this resolution to refund the Outstanding Notes, which mature April 1, 1981;

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of The Ohio State University, that:

Section 1. It is determined to be necessary to borrow, pursuant to Sections 3345.11 and 3345.12, Ohio Revised Code, and for the purpose of refunding the Outstanding Notes issued for the purpose of paying the costs of the Project, the amount of \$9,500,000 and to issue General Receipts Bond Anticipation Notes, Series 1981 (the "Notes") to evidence such borrowing.

Section 2. The Notes shall be in the aggregate principal amount of \$9,500,000; shall be dated the date of issuance; shall bear interest from their date at a rate or rates not exceeding ten per centum (10%) per annum, to be fixed by the Fiscal Officer in his certificate awarding the Notes pursuant to Section 6 hereof, such interest to be payable at maturity; and shall mature six months from date; shall be issued in such denominations as requested by the Original Purchaser and approved by the Fiscal Officer, provided that the denominations shall be in the minimum amount of \$25,000 each and if greater in multiples of \$5,000 and that the entire principal amount may be represented by a single note; shall be numbered as determined by the Fiscal Officer; shall not have coupons attached; shall be signed in their official capacities by the Chairman of the Board or the President of the University and by the Fiscal Officer, provided that one of such signatures may be a facsimile signature; and shall express upon their faces the purpose for which they are issued and that they are issued pursuant to this resolution.

Section 3. The Notes may be issued in registered form or in unregistered form as requested by the Original Purchaser, shall reflect the appropriate terms of the offer and sale thereof consistent with this resolution and with the Invitation for Proposals for the Notes (the "Invitation for Proposals"), which is on file in the Office of the Secretary of the Board, and may contain such other provisions, consistent with this resolution and with the Invitation for Proposals, as the President of the University or the Fiscal Officer may approve.

Section 4. If the holder (in this section called the "owner") of a note issued pursuant to this resolution claims that such note has been lost, destroyed, or wrongfully taken, the Fiscal Officer is authorized to cause to be executed and delivered a new note (in this section

February 6, 1981 meeting, Board of Trustees

**ISSUANCE AND SALE OF THE OHIO STATE UNIVERSITY GENERAL RECEIPTS BOND ANTICIPATION NOTES, SERIES 1981 (contd)**

called the "replacement note") of like date and tenor (specifying on its face, however, that it is issued in place of the original note) in place of the original note, in accordance with and subject to the provisions of Section 1308.35, Ohio Revised Code, and of this section. The owner's notification and request pursuant to said Section 1308.35 shall be in writing, addressed to the Fiscal Officer and shall include evidence satisfactory to the Fiscal Officer of such loss, destruction, or wrongful taking and of his ownership. The Fiscal Officer is authorized to approve, so long as satisfactory to such officer, the indemnity bond that the owner shall file with the University as a condition to the issuance of a replacement note, and is further authorized to impose other reasonable requirements, including a requirement that the owner pay the reasonable expenses and charges of the University in connection with the issuance, execution and delivery of such replacement note, as conditions to the delivery of a replacement note.

Section 5. The principal of and interest on the Notes shall be payable at the main office of The Huntington National Bank, Columbus, Ohio, or at such other bank designated by the Fiscal Officer in his certificate awarding the Notes pursuant to Section 6 hereof, such payment to be made in Federal Reserve Funds of the United States of America if the Original Purchaser shall so elect.

Section 6. The Notes shall be sold by the Fiscal Officer at a rate of interest not exceeding the limitation set forth in Section 2 hereof, at par and any premium, and in accordance with the provisions of the Invitation for Proposals. The Fiscal Officer is hereby authorized and directed to deliver the Notes, when executed, to the Original Purchaser upon payment of the purchase price together with any accrued interest.

Section 7. As provided in this resolution, the principal of and interest on the Notes, together with the principal of and interest on any other notes that may hereafter be issued by the University on a parity therewith, shall be equally and ratably payable from, and secured by a pledge of and a lien on, the "General Receipts" of the University as defined in Section 1 of the General Bond Resolution adopted by this Board on May 7, 1971 (the "General Bond Resolution"), but subject to the existing pledge thereof to bonds issued or to be issued pursuant to the General Bond Resolution. The principal of and interest on the Notes shall also be equally and ratably payable from, and secured by a pledge of and lien on, the proceeds of the sale of bonds or notes issued pursuant to Sections 3345.11 and 3345.12, Ohio Revised Code, or other authorizing provisions of law to refund or retire the Notes in whole or in part. Neither the State of Ohio nor the University or its Board shall be obligated to pay the principal of or interest on the Notes from any other funds or source, and the Notes shall not be a claim upon or lien against any property of the State of Ohio, or any other property of or under the control of the University. The Notes, as to both principal and interest, are not debts or bonded indebtedness of the State of Ohio, are not general obligations of the State or the University, and the full faith and credit thereof are not pledged thereto. The holders of the Notes shall have no right to have any excises or taxes levied by the General Assembly of the State of Ohio for the payment of principal or interest.

February 6, 1981 meeting, Board of Trustees

**ISSUANCE AND SALE OF THE OHIO STATE UNIVERSITY GENERAL RECEIPTS BOND ANTICIPATION NOTES, SERIES 1981 (contd)**

In consideration of the loan evidenced by the Notes, the University covenants and agrees that it will do all things necessary to effect the issuance and delivery, prior to the maturity of the Notes, of bonds or notes for the refunding or retiring of the Notes, pursuant to Sections 3345.11 and 3345.12, Ohio Revised Code, or other authorizing provisions of law, in such principal amount as may be necessary to pay the principal of and interest on the Notes, that it will do all things necessary to sell such bonds or notes at the time provided above and will accept such price and such interest rate as shall be necessary in order to effect such sale, and that it shall apply the proceeds thereof to the extent necessary to make full payment of said principal of and interest on the Notes, and these obligations are established as duties specifically enjoined by law upon the University and its officers, and result from their respective offices, trust or stations within the meaning of Section 2731.01, Ohio Revised Code.

In connection with the aforesaid covenant, it is the present intention of the University that any bonds eventually issued to retire the Notes or notes issued to refund the Notes will be issued as General Receipts Bonds pursuant to the General Bond Resolution, and that such bonds shall have not to exceed 20 annual principal maturities and that the principal thereon shall be paid in semi-annual installments.

Section 8. The proceeds of the Notes shall be applied promptly by the Fiscal Officer to the timely payment and discharge of the like aggregate principal amount of the Outstanding Notes. The Fiscal Officer is hereby directed to apply to the payment of the interest due on the Outstanding Notes upon the date of their payment, such amounts as may be required therefor from funds of the University lawfully available therefor.

Section 9. The University hereby covenants that it will restrict the use of the proceeds of the Notes in such manner and to such extent, if any, as may be necessary, after taking into account reasonable expectations at the time of the delivery of and payment for such Notes, so that the Notes will not constitute arbitrage bonds under Section 103 (c) of the Internal Revenue Code and the applicable income tax regulations under that Section. The Fiscal Officer, or any other officer having responsibility for issuing the Notes, is authorized and directed, alone or in conjunction with any of the foregoing or with any other officer or employee of or consultant to the University, to give an appropriate certificate of the University, for inclusion in the transcript of proceedings, setting forth the reasonable expectations of the University on the date of delivery of and payment for the Notes regarding the amount and use of the proceeds of the Notes and the facts, estimates and circumstances on which they are based pursuant to said Section 103 (c) and the applicable income tax regulations thereunder.

Section 10. As used in this resolution, "Fiscal Officer" shall mean the Vice President for Business and Administration of the University, or, in his absence, the Treasurer of the University; "Original Purchaser" shall mean each financial institution or underwriter which initially purchases the Notes, as identified in the certificate of the Fiscal Officer awarding the Notes pursuant to Section 6 hereof; and references to any specified section of the Ohio Revised Code shall mean said section as it now exists and as it may from time to time be amended, supplemented or affected by later legislation, and shall include any provision

enacted in substitution therefor or as a supplement thereto. Any reference in this resolution to an officer of the University or the Board shall refer to the person holding such office or, in the event of absence or vacancy in such office, then to the person performing the duties of such office.

Section 11. It is found and determined that all formal actions of this Board concerning and relating to the adoption of this resolution were adopted in an open meeting of this Board, and that all deliberations of this Board and of any of its committees that resulted in such formal action were in meetings open to the public, in compliance with all legal requirements including Section 121.22, Ohio Revised Code.

Section 12. If in the judgment of the President of the University or the Fiscal Officer, a disclosure document in the form of an Official Statement or Informational Statement is appropriate or necessary in connection with the original issuance of the Notes, each of such officers in his official capacity is authorized to prepare or cause to be prepared on behalf of the University an Official Statement or Informational Statement and any necessary supplements to either, and on behalf of the University to use and distribute, or authorize the use and distribution of, such Official Statement or Informational Statement and any supplements to either in connection with the original issuance of the Notes. Such officers are each further authorized to execute, on behalf of the University and in their official capacities, such Official Statement or Informational Statement and any supplements to either approved by such officers, and are each authorized and directed to advise the Original Purchaser in writing regarding limitations on the use of the Official Statement or Informational Statement and any supplements to either for purposes of marketing or reoffering the Notes as the officer acting deems necessary or appropriate to protect the interests of the University. The President of the University and Fiscal Officer are each authorized to execute and deliver, on behalf of the University and in their official capacities, such certificates in connection with the accuracy of the Official Statement or Informational Statement and any supplements to either as may, in their judgment, be necessary or appropriate.

Upon motion of Mr. Hilliker, seconded by Mr. Immke, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

resolution adopted by its Board of Trustees (herein called the "Board") May 7, 1971 (herein called the "General Bond Resolution") and by a Trust Agreement dated as of June 1, 1971 (herein called the "Trust Agreement"), comprised in part of the General Bond Resolution, has provided for the issuance from time to time of General Receipts Bonds of the University, with each such issue to be authorized by a Series Resolution adopted by the Board pursuant thereto; and

WHEREAS the General Bond Resolution was adopted and the Trust Agreement was authorized by the Board pursuant to Sections 3345.11 and 3345.12 of the Ohio Revised Code, enacted by the General Assembly of Ohio under authority of the Constitution of Ohio, particularly Section 2(i) of Article VIII thereof, which authorize the University to issue its Bonds to pay costs of certain capital facilities, defined as "auxiliary facilities" in Section 3345.12 of the Ohio Revised Code and called "University Facilities" in the General Bond Resolution and in this Series 1981 Resolution, and to refund, fund or retire such Bonds or other obligations previously issued for such purpose; and

WHEREAS there is presently outstanding \$3,145,000 principal amount of General Receipts Bonds, Series 1971, heretofore issued and delivered pursuant to the Trust Agreement; and

WHEREAS the University has previously determined, and does hereby confirm, that it has been necessary to construct and equip certain vehicular parking facilities on the campus of the University, comprised of two multi-level parking structures and appurtenances known as the 9th Avenue Parking Ramp and the 11th Avenue Parking Ramp, with an aggregate capacity for the parking of approximately 1,740 motor vehicles, and that it is necessary to install smoke detector equipment in 11,113 living units of University and University Housing Commission dormitories and other University living quarters and in the common areas of 26 University and University Housing Commission dormitory buildings, such vehicular parking facilities and smoke detector equipment being University Facilities and herein called the "Project", the cost of which Project is estimated to be not less than \$9,500,000; and

WHEREAS the University previously determined, and does hereby confirm to borrow funds for the permanent financing of the costs of the Project, and for such purpose to issue its General Receipts Bonds at such time and in such principal amount as may be necessary for such purpose; and

WHEREAS the University heretofore determined that it was necessary to issue, prior to and in anticipation of permanent financing of the costs of the Project, \$9,500,000 of General Receipts Bond Anticipation Notes, Series 1979 (the "Series 1979 Notes") as provided in Resolution No. 80-58 adopted by the Board on November 30, 1979; and

WHEREAS the University heretofore determined that, for the purpose of refunding the Series 1979 Notes, it was necessary to issue \$9,500,000 of General Receipts Bond Anticipation Notes, Series 1980 (the "Outstanding Notes") as provided in Resolution No. 81-32 adopted by the Board on September 5, 1980, which Outstanding Notes mature April 1, 1981; and

February 6, 1981 meeting, Board of Trustees

**AUTHORIZATION, ISSUANCE AND SALE OF  
GENERAL RECEIPTS BONDS, SERIES 1981 (contd)**

WHEREAS pursuant to the foregoing, the University has determined to issue, as the second issue of Bonds under the Trust Agreement, \$9,500,000 principal amount of General Receipts Bonds, to be designated General Receipts Bonds, Series 1981, to refund the Outstanding Notes, and desires to provide therefor by this Resolution of its Board;

NOW THEREFORE BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE OHIO STATE UNIVERSITY, AS FOLLOWS:

Section 1. DEFINITIONS AND INTERPRETATIONS. All words and terms defined in Section 1 of the General Bond Resolution and all interpretations therein provided shall have the same meanings, respectively, and be subject to the same interpretations as therein provided where used in this Resolution, unless the context or use clearly indicates another or different meaning or intent, except that this Resolution, together with the Certificate of Award provided for in Section 5 hereof, is sometimes herein called and may be known as the "Series 1981 Resolution", the Bonds authorized by this Resolution are referred to herein and in the Second Supplemental Trust Agreement hereby authorized as the "Series 1981 Bonds", and the terms "hereof", "hereby", "hereto", "herein", and "hereunder", and similar terms, mean this Resolution. As used in this Resolution, "Project", "Series 1979 Notes", and "Outstanding Notes", shall have the meanings provided for such terms in the preambles hereto.

Section 2. AUTHORITY. This Resolution is adopted pursuant to the General Bond Resolution, the Trust Agreement, and the Act.

Section 3. AUTHORIZATION, DESIGNATION AND PURPOSE OF SERIES 1981 BONDS. It is hereby declared to be necessary to, and the University shall, issue, sell and deliver, as provided and authorized herein, \$9,500,000 principal amount of General Receipts Bonds of the University which shall be designated "General Receipts Bonds, Series 1981", for the purpose of refunding the Outstanding Notes, issued to refund the Series 1979 Notes, issued for the purpose of paying the costs of the University Facilities that comprise the Project. For such purpose, the proceeds from the sale of the Series 1981 Bonds shall be allocated, deposited and applied as provided in Section 6 hereof.

Section 4. TERMS AND PROVISIONS APPLICABLE TO THE SERIES 1981 BONDS.

(a) FORM AND NUMBERING. The Series 1981 Bonds shall be issued initially in the form of coupon Bonds registrable as to principal only or of fully registered Bonds as requested by the Original Purchaser thereof, shall be exchangeable for Series 1981 Bonds in coupon form or fully registered form as provided in the Trust Agreement, and shall be numbered as determined by the Fiscal Officer.

(b) DENOMINATION AND DATES. The Series 1981 Bonds in coupon form shall be in the denomination of \$5,000 each, and shall be dated as of February 1, 1981. The Series 1981 Bonds in fully registered form shall be in the denomination of \$5,000 and any integral multiple thereof authorized by the Trust Agreement, and shall be dated as of the date of

**AUTHORIZATION, ISSUANCE AND SALE OF  
GENERAL RECEIPTS BONDS, SERIES 1981 (contd)**

Series 1981 Bonds in coupon form if authenticated prior to the first interest payment date, and otherwise shall be dated as of the last interest payment date preceding the date of their authentication except that if authenticated on an interest payment date they shall be dated as of such date of authentication; provided that if at the time of authentication, interest thereon is in default, they shall be dated as of the date to which interest has been paid. Each Series 1981 Bond shall have only one principal maturity date, except for interim certificates or receipts which may be issued pending preparation of definitive Bonds.

(c) INTEREST. The Series 1981 Bonds shall bear interest from their respective dates payable semi-annually on June 1 and December 1, beginning December 1, 1981, at the respective rates per annum set forth in the Certificate of Award provided for in Section 5 hereof.

(d) MATURITIES. The Series 1981 Bonds shall mature on December 1 in the years and in the principal amount set opposite the year as follows:

Year	Principal	Year	Principal
1981	\$475,000	1991	\$475,000
1982	475,000	1992	475,000
1983	475,000	1993	475,000
1984	475,000	1994	475,000
1985	475,000	1995	475,000
1986	475,000	1996	475,000
1987	475,000	1997	475,000
1988	475,000	1998	475,000
1989	475,000	1999	475,000
1990	475,000	2000	475,000

(e) REDEMPTION TERMS AND PRICES. The Series 1981 Bonds maturing prior to December 1, 1991, are not subject to redemption. The Series 1981 Bonds maturing on and after December 1, 1991, are subject to redemption at the option of the University prior to their stated maturities, in whole or in part, on December 1, 1990, or on any interest payment date thereafter at redemption prices equal to the following percentages of the principal amount redeemed plus in each case accrued interest to the date fixed for redemption:

If Redeemed	Redemption Prices
December 1, 1990 or June 1, 1991	103%
December 1, 1991 or June 1, 1992	102%
December 1, 1992 or June 1, 1993	101%
December 1, 1993 and thereafter	100%

If less than all of the outstanding Series 1981 Bonds are called for redemption at one time, they shall be called in inverse order of the maturities of the Series 1981 Bonds outstanding, and if less than all of the outstanding Series 1981 Bonds of one maturity are to be called, the selection of such Series 1981 Bonds, or portions of fully registered Bonds, of such

GENERAL RECEIPTS BONDS, SERIES 1981 (contd)**

maturity to be called shall be made by lot in the manner provided in the Trust Agreement. Notice of call for redemption of Series 1981 Bonds shall be given in the manner provided in the Trust Agreement.

(f) **PLACE OF PAYMENT AND PAYING AGENTS.** The Bond service charges, including principal, interest and any redemption premium, on the Series 1981 Bonds in coupon form, other than principal of or any redemption premium on coupon bonds registered as to principal other than to bearer, shall be payable at the principal corporate trust office of the Trustee, or, at the option of the holder at the principal corporate trust office of the Chemical Bank, New York, New York. The principal of and any redemption premium on fully registered Series 1981 Bonds and of Series 1981 coupon bonds registered as to principal (except to bearer) shall be payable at the principal corporate trust office of the Trustee and the interest on fully registered Series 1981 Bonds shall be payable by check or draft, as provided in the Trust Agreement.

(g) **EXECUTION.** The Series 1981 Bonds and the coupons pertaining thereto shall be executed in the manner provided in the General Bond Resolution.

**Section 5. SALE OF SERIES 1981 BONDS.**

(a) **GENERAL.** The Series 1981 Bonds shall be offered for sale, by advertisement, to the highest bidder based on the lowest interest cost determined as hereafter described, at such time, in such manner and on such terms as determined by the Fiscal Officer of the University, and may be awarded by the Fiscal Officer as provided in this Section.

(b) **NOTICE OF SALE AND OFFICIAL STATEMENT.** Notice of Sale of the Series 1981 Bonds, over the name of the Fiscal Officer on behalf of the University, shall be given in such manner determined by the Fiscal Officer, provided that such notice shall be published at least once, not less than ten calendar days before the date for receipt of bids, in *The Daily Bond Buyer* or the *Wall Street Journal*, or both. Such Notice of Sale shall set forth the terms pertaining to the bids and other terms and conditions of the sale of the Series 1981 Bonds as the Fiscal Officer shall determine, provided that the purchase price therefor as may be prescribed in the Notice of Sale shall be not less than par plus accrued interest and the highest single interest rate that may be bid may not exceed 10-1/2% or such lower rate as may be prescribed in the Notice of Sale. The Fiscal Officer may also cause to be prepared and printed and, together with the Chairman of this Board, shall sign an official statement of the University setting forth appropriate material information pertaining to the University and to the Series 1981 Bonds, in sufficient number for distribution to prospective bidders.

(c) **AWARD.** Unless all bids are rejected, the Fiscal Officer, acting on behalf of the University, shall award the Series 1981 Bonds to the highest bidder therefor based on the lowest interest cost to absolute maturity of the Series 1981 Bonds, such lowest interest cost to be determined by taking the aggregate amount of interest to the several maturity dates of the Series 1981 Bonds at the rate or rates specified and deducting therefrom the amount of the premium offered, if any. The cost of printing the Series 1981 Bonds shall not be considered

GENERAL RECEIPTS BONDS, SERIES 1981 (contd)**

in determining the lowest interest cost. Such award shall be made by a certificate of the Fiscal Officer, herein called the "Certificate of Award," which shall identify the successful bidder (called "Original Purchaser" in this Resolution and the Trust Agreement), the interest rate or rates, and state such other data or provisions as the Fiscal Officer determines consistent with this Resolution and the Trust Agreement. The Certificate of Award shall be incorporated in and form a part of the Supplemental Trust Agreement authorized by Section 9 hereof.

**Section 6. APPLICATION OF PROCEEDS OF SERIES 1981 BONDS.** All of the proceeds from the sale of the Series 1981 Bonds shall be received and receipted by the Fiscal Officer, and shall be allocated, deposited and applied as follows:

- (a) To the Bond Service Account in the General Receipts Bond Service Fund, the portion of such proceeds representing accrued interest and premium, if any; and
- (b) To the timely payment and discharge of the Outstanding Notes, the balance of the proceeds from the sale of the Series 1981 Bonds.

The Fiscal Officer is hereby directed to apply to the payment of interest due on the Outstanding Notes upon the date of their payment, such amounts as may be required therefor from funds of the University lawfully available therefor.

**Section 7. USE OF PROCEEDS.** The University hereby covenants that it will restrict the use of the proceeds of the Series 1981 Bonds in such manner and to such extent, if any, as may be necessary, after taking into account reasonable expectations at the time of the delivery of and payment for such Bonds, so that the Series 1981 Bonds will not constitute arbitrage bonds under Section 103(c) of the Internal Revenue Code and the applicable income tax regulations under that Section. The Fiscal Officer or any other officer, including the Secretary of the Board, having responsibility for issuing the Series 1981 Bonds is authorized and directed, alone or in conjunction with any of the foregoing or with any other officer or employee of or consultant to the University, to give an appropriate certificate of the University, for inclusion in the transcript of proceedings for the Series 1981 Bonds, setting forth the reasonable expectations of the University on the date of delivery of and payment for the Series 1981 Bonds regarding the amount and use of the proceeds of the Series 1981 Bonds and the facts, estimates and circumstances on which they are based, pursuant to said Section 103(c) and the applicable income tax regulations thereunder. The Fiscal Officer shall furnish to the Original Purchaser a true transcript of proceedings, certified by him, of all proceedings had with reference to the issuance of the Series 1981 Bonds along with such information from the records as is necessary to determine the regularity and validity of the issuance of said Bonds.

**Section 8. FUNDING OF REQUIRED RESERVE.** In accordance with and consistent with clause (2)(i) of Section 7(b) of the General Bond Resolution, the portion of the Required Reserve necessitated by reason of the Series 1981 Bonds, based on the interest rates as set forth in the Certificate of Award, shall be funded as provided in this Section 8.

February 6, 1981 meeting, Board of Trustees

**AUTHORIZATION, ISSUANCE AND SALE OF  
GENERAL RECEIPTS BONDS, SERIES 1981 (contd)**

At least five business days before each June 1 and December 1, commencing June 1, 1981, the University shall pay to the Trustee from the Bond Pledge Fund and, if necessary, from any other General Receipts of the University, to the credit of the Bond Service Reserve Account, at least one-tenth of such portion of the Required Reserve necessitated by reason of the Series 1981 Bonds. Such payments to the Trustees shall, subject to clause (2)(iii) of Section 7(b) of the General Bond Resolution, be made and continue at the times and in the amounts aforesaid until the aforesaid portion of the Required Reserve is fully funded.

Section 9. SECOND SUPPLEMENTAL TRUST AGREEMENT. The Chairman of the Board, the President of the University, the Secretary of the Board, and the Fiscal Officer, or any one or more of them, are authorized and directed to execute, acknowledge and deliver to the Trustee, in the name of and on behalf of the University, a Second Supplemental Trust Agreement pursuant to the Trust Agreement and in connection with the issuance of the Series 1981 Bonds, in substantially the form submitted to this Board with such changes therein not substantially adverse to the University as may be permitted by the Act and the Trust Agreement or this Resolution and approved by the officer or officers executing the same on behalf of the University. The approval of such changes, and that such changes are not substantially adverse to the University, shall be conclusively evidenced by the execution of the Second Supplemental Trust Agreement by such officer or officers.

Section 10. OPEN MEETING. It is found and determined that all formal actions of this Board and of any of its committees concerning and relating to the adoption of this resolution were adopted in an open meeting of this Board, and that all deliberations of this Board and of any of its committees that resulted in such formal action were in meetings open to the public, in compliance with all legal requirements including Section 121.22 of the Ohio Revised Code.

Upon motion of Mr. Hilliker, seconded by Mr. Immke, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

**METHOD OF REFUNDING THE OHIO STATE UNIVERSITY  
GENERAL RECEIPTS BOND ANTICIPATION NOTES, SERIES 1980**

Resolution 81-81

*Synopsis: Authorization to determine the method of refunding The Ohio State University General Receipts Bond Anticipation Notes, Series 1980, is recommended.*

WHEREAS the Board of Trustees (the "Board") of The Ohio State University (the "University") has adopted on this date Resolution No. 81-79 providing for the issuance and sale of \$9,500,000 The Ohio State University General Receipts Bond Anticipation Notes, Series 1981 (the "Series 1981 Notes") to refund the \$9,500,000 The Ohio State University General Receipts Bond Anticipation Notes, Series 1980 (the "Series 1980 Notes") which mature on April 1, 1981; and

**METHOD OF REFUNDING THE OHIO STATE UNIVERSITY  
GENERAL RECEIPTS BOND ANTICIPATION NOTES, SERIES 1980 (contd)**

WHEREAS the Board has adopted on this date Resolution No. 81-80 providing for the authorization, issuance and sale of \$9,500,000 The Ohio State University General Receipts Bonds, Series 1981 (the "Series 1981 Bonds") to refund the Series 1980 Notes; and

WHEREAS the Board does not intend to issue both the Series 1981 Notes and the Series 1981 Bonds, but rather one or the other; and

WHEREAS because of uncertain market conditions affecting the sale of debt obligations of the University the Board desires to have the flexibility to take advantage in its method of refunding the Series 1980 Notes of the most favorable market conditions prevailing at the time of such refunding;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD, THAT:

Section 1. The Vice President for Business and Administration is hereby authorized and directed to determine whether the University will issue General Receipts Bond Anticipation Notes pursuant to Resolution No. 81-79 or General Receipts Bonds pursuant to Resolution No. 81-80 to refund the Series 1980 Notes, giving due consideration to such factors as interest rates and other market factors connected with the sale of debt obligations of the University, and the time of need of note or bond proceeds.

Section 2. It is found and determined that all formal actions of this Board and of any of its committees concerning and relating to the adoption of this resolution were adopted in an open meeting of this Board, and that all deliberations of this Board and of any of its committees that resulted in such formal action were in meetings open to the public, in compliance with all legal requirements including Section 121.22 of the Ohio Revised Code.

Upon motion of Mr. Hilliker, seconded by Mr. Immke, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

### STATEMENT - MINORITY CONCERNS

Mr. Devenow:

Before I give the Reports, Dr. Hale has sent me a note here which reads as follows: 'As the Vice Provost in charge of minority affairs, please allow me 3-5 minutes to express the minority faculty concern as regards the Presidential Search Committee. I am aware that the Steering Committee is currently dealing with the matter.' Dr. Hale, under the rules, the Board must be notified 72 hours in advance of any statement you would like to make and I am going to waive that rule, and if you can, please confine it to no more than five minutes, sir.

Dr. Hale:

Thank you kindly. I would like to thank the members of the Board for this opportunity. Things have been happening rather swiftly with respect to the Selection Committee. Some of us were not fully aware of the process when it began or what the involvement was with respect to the governance and participation.

The Office of Minority Affairs Advisory Council and Minority Affairs Coordinating Council, made up of a limited number of representatives from the various minority programs throughout the University, have expressed concern that with respect to the designation of the committee, has placed nominees as presented by the Steering Committee, does not properly represent the constituencies of the University as a whole. We fully are aware of the fact that there are a variety of constituencies throughout the University and obviously it would be difficult to have some kind of representative from each of those particular groups. Our concern is that any President coming to this particular University would have laid at his doorstep various outstanding members of academic programs and those academic programs, many of them, would impact on minority presence at this institution and student attention at this institution. I think many of us are fully aware of the inadequate background of these numbers of these persons who have come to us as underachievers, unemployed, and many of them unemployable, and we certainly want to do what we can to be able to feed into that committee and to those candidates who will be coming what our concerns might very well be.

We certainly do not accuse the committee or anyone else of trying to overlook the concerns of minorities. We fully recognize that there are two minority persons who sit on that committee now constituted: a minority student, who happens to be a minority student representing the Council of Graduate Students and also a non-teaching employee. We think it's very important that we have representation there that reflects the cultural experiences and emotional experiences of those minority faculty who have had to deal with minority issues and students and programs and personnel on this campus and who will continue to do so. We do not feel that there are necessarily intended insensitivities on the part of others who would be there, but we know full well that those of us who sit in official capacity, and even those who do not sit in any official minority capacity, as minority faculty members are constantly being inundated with those minority students who are coming and going from time to time to express their interest.

February 6, 1981 meeting, Board of Trustees

**STATEMENT - MINORITY CONCERNS (contd)**

Dr. Hale: (contd)

So, we are asking you to give whatever thrust and meaning to what we have been talking about in the last ten years at this institution in terms of affirmative action. Almost any administrative committee and any number of committees that are appointed from time to time do keep that particular factor in mind; that is, the importance of minority presence. We have diversity as far as the academic is concerned. But the fact of the matter is there are so many social/political implications and sensitivities dealing with minority persons on this campus that we want full well that those candidates who come to this campus will have some opportunity to talk with minority faculty who are dealing once again, I say, with those problems affecting minority students, minority programs, and minority faculty. Thank you very much.

Mr. Devenow: Thank you, Dr. Hale.

**HISTORY OF ENARSON YEARS AS PRESIDENT**

Resolution No. 81-83

*Synopsis: Authorization for preparation of History of Enarson Years as President is being requested.*

WHEREAS it has been traditional that a history of the years an individual spends as President of the University is prepared upon the resignation of that President; and

WHEREAS President Harold L. Enarson has indicated his intention to resign from the Presidency on August 31, 1981:

NOW THEREFORE

BE IT RESOLVED, That the Secretary of the Board of Trustees be authorized to engage the services of a notable historian to prepare a History of the Enarson Years at an appropriate time, and that the Fiscal Affairs Committee of the Board of Trustees authorizes the expenditure from the unrestricted gifts to the University Endowment Fund of an amount sufficient to finance this project.

Upon motion of Dr. Jacob, seconded by Mr. Smith, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

**PORTRAIT OF HAROLD L. ENARSON**

Resolution No. 81-84

*Synopsis: Authorization for portrait of President Harold L. Enarson.*

WHEREAS it has been traditional that an oil portrait of the President of the University is presented for appropriate display by the University at the time said President relinquishes his office; and

WHEREAS President Harold L. Enarson has indicated his intention to resign from the Presidency on August 31, 1981:

NOW THEREFORE

BE IT RESOLVED, That the Secretary of the Board be authorized to commission an outstanding portrait painter to paint a portrait of Harold L. Enarson and that the Fiscal Affairs Committee of the Board of Trustees authorizes the expenditure from the unrestricted gifts to the University Endowment Fund to be used to finance this project.

Upon motion of Mr. Immke, seconded by Mr. Galbreath, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

**REPORT - THE FIESTA BOWL TRIP TO TEMPE, ARIZONA**

Mr. Devenow made the following statement:

I would like to take this opportunity to mention Ohio State's recent trip to the Fiesta Bowl in Tempe, Arizona, and to express the Board's deep appreciation to two of our people who are deserving of recognition for their efforts following an incident at the Phoenix airport on December 29. For those who are unaware of what happened, I will relate the circumstances of that afternoon.

While the charter airplane carrying members of Ohio State's Alumni Tour including the University's official party was taxiing to the runway for takeoff, a malfunction occurred in one of the plane's systems which caused the flight to be aborted and necessitated that the 238 passengers evacuate via the emergency chutes. During this evacuation, several of our people received minor injuries and two of our administrators received more serious injuries resulting in their hospitalization in Phoenix.

During and immediately following the evacuation there was much apprehension by those involved. While many people were of great help in calming the passengers and assisting those who received injuries, I would like to publicly thank Dr. Henry Cramblett and Dan Heinlen for their diligent efforts and sincere concern.

February 6, 1981 meeting, Board of Trustees

### REPORT - THE FIESTA BOWL TRIP TO TEMPE, ARIZONA (contd)

Mr. Devenow: (contd)

First of all, I cannot say enough about Dr. Cramblett who came to the aid of the most seriously hurt and stuck by them assuring that they received proper medical attention to their injuries. As it turned out, this was not a simple task to accomplish and Dr. Cramblett subsequently filed a report in Phoenix delineating the frustration he felt in trying to get prompt emergency care for the injured. I would like to thank him not only for his concern and untiring efforts throughout the night of December 29 and the following morning, but for his courage in speaking out to the Phoenix authorities about this confusing situation.

Secondly, I want to thank Dan Heinlen for his efforts in assisting the injured, and in making certain the tour group was as comfortable and well taken care of as possible following this upsetting incident.

To both of these gentlemen, as well as to the numerous others who assisted, we are most grateful. I am most grateful that there was no loss of life. The spirit of concern and caring shown by all aboard the charter was a source of real pride for me. Once again I'm proud of this University and of the people who serve and support it.

### BUDGET - PRESIDENT ENARSON

President Enarson:

I have one item I would like to report, and I won't take but a couple of minutes; I know that you don't like to be surprised, although I don't think this item will surprise you. The *OSU Monthly* is out, and it has, 'President speaks against budget cuts,' and I wouldn't want you to be surprised that I am hostile to those budget cuts, but I am always charitable to the Governor, so I say things like, 'Many of the Governor's initiatives deserve our support,' which kind of means they don't all deserve our support, then I go on, as you would expect, to say, 'We are asked to do more and do it with less money'; you've heard that before. 'We are expected to launch no new initiatives to expand or to improve service. We are asked to fund existing programs with less real dollars,' and then I go on to talk about the impact of inflation. Well, let me break the suspense here and tell you that the issue is February, 1973--eight years ago--and the name of the Governor was Gilligan. Governors don't change, legislatures don't change, and I don't change, and the dollar support continues to go down.

## STATUS REPORT ON THE PRESIDENTIAL SEARCH COMMITTEE

Mr. Havens:

Mr. Chairman, members of the Board: I would like at this time to read a brief statement which highlights the work of the Search Committee on Selection of a President.

At the outset, I should like to report that the committee is off to a great beginning. To date we have had two meetings, and I am pleased to tell you that in each case an overwhelming majority of the committee members were in attendance. Although our first meeting was devoted primarily to organizational details and an introduction to the search process, there was a general sense on the part of all that the work of this committee was to be taken seriously with no lost motion in our efforts.

An outline of plans for future meetings was developed, and I should like to comment briefly about them. It was agreed that in order to ensure the widest possible search, the committee should make every effort to contact persons in higher education, including presidents of major graduate/research institutions, as well as members of various interested associations such as--to name a few--past and present officers of the OSU Alumni Association, the Development Fund Board, editors of the major Ohio dailies, prominent community leaders, as well as others. These persons have been invited to present their views concerning the needs and directions of The Ohio State University over the next ten years. They were also asked to present suggestions regarding persons who might be considered for the presidency. In this regard, I am pleased to report that more than 200 letters have been mailed to date.

I should also like to report that in our second meeting, considerable effort and discussion were devoted to the review and development of 'Guidelines for the Selection of a President.' Such guidelines, as you know, are a customary part of any presidential search process. You might be interested in knowing that during the past week the committee made an extraordinary effort to develop such a statement for our search. I hope you will agree with me that the statement is superbly done and reflects great credit on the part of the entire committee--but most specifically on the efforts of Professor of English John Gabel who provided the coordinative leadership to put the statement in final form. At this time I would like to share with members of the Board a copy of the 'Guidelines for the Selection of a President of The Ohio State University.' (See following page)

Mr. Chairman, I would conclude by noting that we have set an ambitious schedule for ourselves, but I am persuaded that we can get the job done consistent with the mandate of the Trustees. The next meeting of the committee will be held tomorrow morning at 9:00 here at the Fawcett Center for Tomorrow.

**GUIDELINES FOR THE SELECTION OF A PRESIDENT  
OF THE OHIO STATE UNIVERSITY**

**I. General Qualities Desirable in the President of the University**

- An understanding of the role and function (both historic and potential) of higher education in general and of this large, multi-campus, land-grant university in particular
- The ability to provide leadership in a system of highly diffuse authority and across a wide range of constituent elements, including students, staff, faculty, Board of Trustees, alumni, and the greater University community
- The ability to administer the ongoing work of the University, both directly and through the delegation of powers to an effective administrative staff
- A commitment to maintaining a strong faculty and a recognition of the centrality in any great university of excellent teaching, research, and scholarship
- A genuine openness to the interests and needs of the University students
- A commitment to work in behalf of women and minority groups within the University in their efforts to achieve equality of opportunity and of reward for merit
- An appreciation of the complexity of the non-academic functions served by the University within its local area and the State of Ohio
- The ability to represent effectively and vigorously the University's interests to such official parties and bodies as the Governor, the State Legislature, the Ohio Board of Regents, and federal regulatory agencies and to undertake the duty of fund raising from both public and private sources

**II. Personal and Professional Qualifications for Presidential Candidates**

- An outstanding record of administrative accomplishment, preferably at a high level in a major educational institution or in a leading research, governmental, or business organization
- A national reputation for accomplishment in a given field and the formal academic preparation and experience required for appointment to a full professorship
- A Ph.D. degree or the equivalent
- Experience in working effectively with students both inside and outside the classroom
- Knowledge in depth of the duties of a university professor and experience in dealing with faculty concerns
- Experience in handling the employment concerns of the support staff of an educational, research, or business organization
- Freedom from associations or personal interests which might conflict with the performance of university duties
- Vigor of mind and body and a genuine enthusiasm for meeting the many and great demands of this exacting position

(It is not expected that any one candidate will possess all of the above qualifications in equal proportion. Candidates may indeed lack one or another of the qualifications but nevertheless be worthy of consideration by virtue of particular strength in other areas.)

The meeting of the Board of Trustees reconvened at 1:30 p.m.

### RESOLUTIONS IN MEMORIAM

Resolution No. 81-85

*Synopsis: Resolutions honoring the service of three of this University's faculty members who have recently died are being proposed.*

RESOLVED, That the Board adopt the following Resolutions in Memoriam and that the President be requested to convey a copy to the families of the deceased.

Upon motion of Dr. Jacob, seconded by Mr. Hilliker, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

#### Gwendoline Bellam

The Board of Trustees of The Ohio State University expresses its sorrow upon the death on December 22, 1980, of Gwendoline Bellam, Associate Professor Emeritus in the School of Nursing.

Professor Bellam was born on October 31, 1912, in South Wales, Great Britain. Her parents emigrated to this country when she and her sister Constance were children. They made their home in Connecticut and became United States citizens.

The Depression Years of the early 1930's saw Professor Bellam graduating from high school and enrolling in the Greenwich Hospital School of Nursing from which she received a diploma in 1935. Upon graduation she initially served as Assistant Head Nurse on the pediatric unit of the hospital. Following a four-months' certificate program at Babies Hospital, a component of the Columbia-Presbyterian Medical Center in New York City, she returned to the position of Supervisor and Instructor of pediatric nursing at Greenwich, continuing there until 1942.

Just prior to four years of service in the United States Army Nurse Corps during World War II, she worked under the auspices of the American Red Cross as a Staff Nurse on a surgical and orthopedic unit of the American Hospital in Headington, England. Professor Bellam was discharged from the Army as a Captain, having seen service with the 1st General Hospital Unit in both the European and African Theaters of War.

March 6, 1981 meeting, Board of Trustees

### RESOLUTIONS IN MEMORIAM (contd)

Gwendoline Bellam (contd)

Following the war, all of her positions were instructional and all related to the nursing care of children, who were clearly her first love. In 1949 and 1958, respectively, she obtained bachelor's and master's degrees from Teachers College, Columbia University in programs that prepared for teaching pediatric nursing. After completing her baccalaureate studies, she served as a postgraduate Clinical Instructor at Children's Memorial Hospital in Chicago until the Spring of 1951. This experience was followed by five years as an Instructor at the School of Nursing of the Massachusetts General Hospital in Boston.

Having attained her master's degree in 1958, she joined the faculty of the Syracuse University School of Nursing and continued there for the two years just prior to joining the faculty of The Ohio State University as an Assistant Professor in 1960. Professor Bellam was promoted to the rank of Associate Professor and accorded tenure on this faculty in 1966.

For the first eight years that she was on the School of Nursing's faculty, she taught the nursing of children to undergraduate students and supervised their clinical practice at Children's Hospital, Columbus.

Professor Bellam shared her knowledge of children and their care through articles published in several nursing journals, through the presentation of numerous papers, and by participating in continuing education and in-service programs. She was active at the local and state levels in forwarding the work of the National League for Nursing, the American Nurses' Association, and the American Association of Maternal/Child Health. Various committees of the School of Nursing, the College of Medicine, and the University benefitted from her informed, responsible membership.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as an expression of the Board's heartfelt sympathy.

George Nichol Moffat

The Board of Trustees of The Ohio State University expresses its sorrow upon the death on January 28, 1981, of George N. Moffat, Professor Emeritus, Department of Mechanical Engineering.

Born April 13, 1893, in St. Paul, Minnesota, he graduated from the University of Minnesota in 1918 with a Bachelor of Science in Mechanical Engineering. He was awarded the professional degree of Mechanical Engineer by the University of Minnesota in 1919, for which his thesis was research on Nickel-Chrome-Molybdenum Steels.

He was Engineer-of-Tests with the U. S. Ordnance Corps in 1918 and part of 1919. He then became Experimental Engineer with the Harrison Radiator Corporation in Lockport, New York.

March 6, 1981 meeting, Board of Trustees

### RESOLUTIONS IN MEMORIAM (contd)

George Nichol Moffat (contd)

When George Moffat came to The Ohio State University as Instructor in Mechanical Engineering in 1923, the College of Engineering was under the leadership of Dean Hitchcock and the Department Chairman was William T. Magruder.

As he progressed through the academic ranks to full professorship, George Moffat served as consultant to many companies in the Columbus area and elsewhere, including the Seagrave Company, the Koppers Koke Company, the E. F. Houghton Company and Battelle Memorial Institute. His publications include the topics of heat treatment of malleable iron and the development of V-belts. He was granted the Professor Emeritus title when he retired in 1962.

As a registered Professional Engineer, he worked with the Industrial Commission of Ohio on the Boiler Test Code and was a member of a committee for Army Ordnance Specifications and Testing and in the training of inspection personnel during World War II.

George Moffat held numerous offices in the American Society for Metals, including that of Chairman of the local section. He was elected an honorary member of the National Association of Power Engineers and was a member of Sigma Xi.

Perhaps above all, there are many of us who remember him as both teacher and friend. We were fortunate to have known him as both, and we will continue to remember him.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as an expression of the Board's heartfelt sympathy.

William Crawford Slater

The Board of Trustees of The Ohio State University expresses its sorrow upon the death on February 16, 1981, of William C. Slater, Assistant Professor in the Department of Botany at the Newark Campus.

Professor Slater received his Bachelor of Arts degree in 1949 from Denison University and his Master of Science degree in botany from Ohio University in 1971.

Professor Slater joined the faculty at the Newark Campus in 1967, first as a Teaching Associate and then as an Instructor. He was promoted to the rank of Assistant Professor in 1974. Professor Slater went on half time in 1977 because of a severe cardiac problem and underwent a series of hospitalizations that continued until his death. He did, however, return to full-time teaching in 1980.

Professor Slater's work concentrated on teaching botany and biology and, as such, was a popular instructor, known for his humor and his ability to explain the subject matter. Most importantly, he established rapport with his students, identified with them and helped them in resolving their problems.

March 6, 1981 meeting, Board of Trustees

**RESOLUTIONS IN MEMORIAM (contd)**

William Crawford Slater (contd)

Professor Slater was the curator of Biological Reserve at Denison University for a number of years and as such made a substantial contribution to the preservation and knowledge of wild life in the Central Ohio region. He took a keen interest in the work of that Reserve despite his ailing health.

Professor Slater had an active role in the development of the Newark Campus, serving in a number of important faculty posts, most notably Faculty Council President and Ombudsman. He also aided the early development of the Central Ohio Technical College at the Newark Campus by providing instruction in basic science. His contacts with the local people and their ways and his ability to translate local attitudes to the OSU Newark community were a special contribution. He was widely known among all circles on the Newark Campus and was genuinely respected and appreciated by all. He will be sorely missed as a colleague and a friend.

William Slater was recently in the early stages in a promising research project concerning the possible inheritance of alcoholism and as such, had contributed a paper at an international conference on alcoholism at Bath, England, in 1980. He was in demand as a speaker among specialists in this area. He was on his way to continue his research at the time of his fatal attack.

Professor Slater was a unique colleague whose positive attitude, sense of humor, joy of life and ability to lead a full academic career despite health problems was an inspiration to others.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as an expression of the Board's heartfelt sympathy.

**AMENDMENTS TO RULES 3335-5-46, 3335-5-47, 3335-5-52,  
3335-9-14 OF THE RULES OF THE UNIVERSITY FACULTY**

Resolution No. 81-86

*Synopsis: Changes in the Rules of the University Faculty are proposed.*

WHEREAS the University Senate, pursuant to rule 3335-1-09 of the Administrative Code, is authorized to recommend through the President to the Board of Trustees the adoption of amendments to the *Rules of the University Faculty* as approved by the University Senate:

3335-5-46 Senate committees and 3335-5-47 Committees.

There is no mechanism currently provided for replacement of inactive members of committees or those unavailable for committee service, and there is no provision for alternates to be available for committee service. The university senate elects committee membership upon nomination by designated sources.

March 6, 1981 meeting, Board of Trustees

**AMENDMENTS TO RULES 3335-5-46, 3335-5-47, 3335-5-52,  
3335-9-14 OF THE RULES OF THE UNIVERSITY FACULTY (contd)**

3335-5-52 Council on admission and registration.

The wording as previously approved which designates membership to be elected by the senate is redundant. The appropriate channel for reports, other than those made through the senate, is through the vice president for educational services rather than the vice president for business and administration.

3335-9-14 Time of registration and payment of fees; penalties.

Specific fee payment deadlines are established and flexibility is needed to establish the deadline on a quarter-by-quarter basis.

NOW THEREFORE

BE IT RESOLVED, That the foregoing amendments to *Rules of the University Faculty*, as approved by the University Senate on February 14, 1981, be adopted by the Board of Trustees for inclusion in the next publication of this document.

Upon motion of Dr. Jacob, seconded by Mr. Hilliker, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

**RULES**

3335-5-46 Senate committees.

(F) Committee vacancy: the chairman will report vacancies to the appropriate nominating source. For the purpose of this rule, a vacancy exists when an elected member is on leave of absence or fails to meet the participation requirements defined by the committee.

(L) The steering committee shall have the following duties and responsibilities:

(3) The steering committee shall, at the beginning of each year or as vacancies may occur, nominate candidates for election by the senate to membership on those committees for which other means of nomination are not specified in the rules.

3335-5-47 Committees.

(B) The chairman will report vacancies to the appropriate nominating source. For the purpose of this rule, a vacancy exists when an elected member is on leave of absence or otherwise fails to meet the participation requirements defined by the committee.

3335-5-52 Council on admission and registration.

(A) The council on admission and registration shall consist of seventeen members chosen as follows:

March 6, 1981 meeting, Board of Trustees

**AMENDMENTS TO RULES 3335-5-46, 3335-5-47, 3335-5-52,  
3335-9-14 OF THE RULES OF THE UNIVERSITY FACULTY (contd)**

**RULES (contd)**

- (3) Members elected by the senate: six faculty, at least three of whom shall be senate members; two undergraduate students; two graduate students; and one professional student.
- (C) Reports by this council to the president, other than those made through the university senate, shall be made through the vice president for educational services.

3335-9-14 Time of registration and payment of fees; penalties.

- (A) Payment of fees is required of all students each quarter by the close of business on the date established by the vice president for educational services in cooperation with the appropriate offices, and published by the office of registration services. This fee payment deadline will apply to the postmark date for fees paid by mail and to the date of receipt for fees paid in person. Failure to meet this requirement will result in a penalty assessment, unless excused by the assistant vice president for registration services or designee.

**TRANSFER OF ADMINISTRATIVE RESPONSIBILITY AND CHANGE  
NAME OF OFFICE FOR THE PHYSICALLY IMPAIRED**

Resolution No. 81-87

*Synopsis: Recommendation is made to transfer administrative responsibility for the Office for the Physically Impaired, to change the name of that unit, and to make the appropriate Administrative Code amendments to reflect the transfer and the name change.*

WHEREAS the Office for the Physically Impaired has been under the jurisdiction of the Vice President for Personnel Services; and

WHEREAS administrative authority for this office has been transferred to the Vice President for Student Services; and

WHEREAS the services performed by this office have been expanded to serve, among others, those members of the University community with learning disabilities; and

WHEREAS the current name of the Office for the Physically Impaired does not reflect adequately the full scope of the services now provided:

**NOW THEREFORE**

**BE IT RESOLVED**, That pursuant to paragraph (A) of rule 3335-1-09 of the Administrative Code and upon the recommendation of the Vice President for Student Services, the Office for the Physically Impaired is redesignated as the Office for Disability Services; and

March 6, 1981 meeting, Board of Trustees

**TRANSFER OF ADMINISTRATIVE RESPONSIBILITY AND CHANGE  
NAME OF OFFICE FOR THE PHYSICALLY IMPAIRED (contd)**

BE IT FURTHER RESOLVED, That the Office for the Physically Impaired be deleted from paragraph (N) of rule 3335-1-03 and paragraph (B) of rule 3335-3-14, and Director of the Office for the Physically Impaired be deleted from paragraph (C) of rule 3335-3-14 of the Administrative Code; and

BE IT FURTHER RESOLVED, That the Office for Disability Services be added to paragraph (I) of rule 3335-1-03 and paragraph (B) of rule 3335-3-09, and Director of the Office for Disability Services be added to paragraph (C) of rule 3335-3-09 of the Administrative Code.

Upon motion of Mr. Hilliker, seconded by Dr. Jacob, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

**RULES**

3335-1-03 Administration of the university.

- (I) Vice president for student services. The major area of responsibility and authority of the vice president for student services shall be that of student services at the university. Without limiting the generality of the foregoing, the vice president for student services shall, under the direction of the president and with the approval of the board of trustees, be responsible and have the requisite authority for: the promulgation of rules governing student conduct both on and off campus; the coordination of student extracurricular activities including all student (or student-connected) organizations; and the administration of all residence and dining hall facilities; nonacademic student discipline; the student health service including primary responsibility for university-wide environmental health and safety; university union facilities and programs; student athletic programs including intercollegiate athletics, recreation and intramural programs; counseling; office for disability services; student financial aids and scholarships; off-campus student housing; and international student programs.
  
- (N) Vice president for personnel services. The major area of responsibility and authority of the vice president for personnel services shall be that of the administration of the personnel services of the university. Without limiting the generality of the foregoing, the vice president for personnel services shall, under the direction of the president and subject to the approval of the board of trustees, be responsible and have the requisite authority for: benefits administration which includes the various insurance programs for the faculty, staff, and students; classification administration including determining which employees and positions are to be in the unclassified and classified service; professional employment services; staff employment services; employee relations, including negotiating with the labor unions; personnel research and information; compensation administration; payroll; and the child care program. In addition to the above the vice president for personnel services, along with other members of the staff designated by the president, shall provide such assistance as may be deemed appropriate for the implementation of programs related to affirmative action at the university.

**The Milton Caniff Research Room Fund**

The Milton Caniff Research Room Fund was established March 6, 1981, by the Board of Trustees of The Ohio State University with gifts to The Ohio State University Development Fund from the family and friends of Milton A. Caniff, B.A. '30, Doctor of Humane Letters, 1974, of Palm Springs, California.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with right to invest and reinvest as occasion dictates.

The annual income is ultimately to be used to staff and operate the Caniff Research Room, as well as to acquire, preserve and organize multi-media collections representative of the mass media in twentieth century America. This unique library facility is to be used for research and teaching in journalism, art, history, business, cinema and other disciplines. Income is to be added to principal until the fund has a balance of \$500,000. Requisitions for the use of the funds will be approved by the Director of University Libraries and the Vice President for Educational Services.

Should the need for this fund cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for its libraries.

**College of Veterinary Medicine Alumni Scholarship Fund**

The College of Veterinary Medicine Alumni Scholarship Fund was established March 6, 1981, by the Board of Trustees of The Ohio State University with gifts to The Ohio State University Development Fund from the alumni and friends of the College of Veterinary Medicine.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used to provide one or more scholarships for veterinary students or fellowships to the graduate students who have demonstrated academic ability and the need for financial assistance. The selection of the recipient is to be made by the scholarship committee and approved by the Dean of the College of Veterinary Medicine.

Should the need for these scholarships and fellowships cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for veterinary medical education.

**DEVELOPMENT OF 1981-82 CURRENT FUNDS BUDGET  
STATUS REPORT BY PRESIDENT ENARSON**

In recent years, the March meeting of the Board of Trustees has marked a very significant phase in the development of the University's budget for the upcoming fiscal year which begins on July 1. Each year in March, the Administration has described the planning targets for faculty and staff salaries and other expenditure categories that are to be used in developing the budget which is traditionally presented to the Board at its June meeting.

The presentation of an overall budget strategy in March is customarily followed immediately by the issuance of salary guidelines and other budgetary allocations to the Vice Presidents and Deans so that College and Administrative Office budgets can be prepared and reviewed by the Central Administration prior to the June Board meeting.

For 1981-82, however, the uncertain and austere fiscal condition of the State of Ohio and The Ohio State University is such that the usual budget development schedule must be postponed.

As you are all aware, reductions in State funding totaling \$12.6 million have occurred in three successive reductions totaling 7 per cent for the current year, with the final phase announced on December 23, 1980. Although the impact of these reductions in State funding is being felt throughout the University, the University's retrenchment process was carried out in such a way that the temporary

**DEVELOPMENT OF 1981-82 CURRENT FUNDS BUDGET  
STATUS REPORT BY PRESIDENT ENARSON (contd)**

actions--and I must stress that temporary cuts were mandated because they were made in midyear--protected academic course offerings, maintained existing levels of student aid and student employment, achieved a major reduction in staffing levels without resorting to layoff procedures, and relied on student fee increases to offset only 24 per cent of the shortfall in State support. The effect of our budget retrenchment on services, however, continues to grow as the University's hiring freeze results in increasing numbers of unfilled positions and as retrenching operating budgets mean that fewer supplies and equipment are available to meet the University's program needs.

Although we do not know the severity of the cuts in real income that we will face in the upcoming biennium, it is clear that the University's funding difficulties will not be ended with the close of this fiscal year but will be carried forward into the upcoming biennium.

The Executive Budget for 1981-83 presented by the Governor to the General Assembly on February 4 fell two-tenths of a per cent short of restoring to OSU the funding level of the 1980-81 original appropriation. Within days after this Budget was announced, the State Office of Budget and Management revised the revenue projections for the upcoming biennium downward and has recommended that the original Executive Budget be cut by 2.6 per cent in 1981-82 and by 3.2 per cent in 1982-83. Discussions concerning State revenue projections are continuing in the General Assembly, and at this point no agreement has been reached on those levels upon which the 1981-83 biennial budget will be based.

Because of the uncertainty surrounding State levels of support for the University, and the extraordinary difficulties which current proposals would impose, we believe that the development of the University's 1981-82 budget should be deferred until we have more information which can come only from the legislative process. Clearly, this is not a year for doing business as usual in our fiscal planning.

Even in our most optimistic moments, we know that difficult choices will be made for 1981-82 among the three interrelated components of the University's budget: salary levels, student fees, and program funding. The establishment of choices among these components for 1981-82 will be of such significance that the University requires the best thinking of its faculty, administrative, and student leadership to arrive at a prudent course of action. Further, it is essential that we share with representatives of the students and faculty the implications of funding levels below present spending levels, let alone needs. We intend, therefore, to take advantage of the delayed budget process by setting in motion a process of consultation with representatives of those most concerned with our budget prospects.

Our plan is to establish an ad hoc Budget Advisory Council, comprised of representatives of various constituencies within the University, to advise the Administration as it develops its budget strategy for the coming year. This ad hoc Council will examine the fiscal status of the University, and will review the potential trade-offs that must be made among funding and revenue decisions.

March 6, 1981 meeting, Board of Trustees

**DEVELOPMENT OF 1981-82 CURRENT FUNDS BUDGET  
STATUS REPORT BY PRESIDENT ENARSON (contd)**

This Council will provide guidance to the University Administration on the principles and criteria to be employed in adjusting to fiscal austerity and will advise the President on appropriate strategies for taking appropriate retrenchment activities when such are necessary. Existing University processes for review and budgetary decisions will then be set in motion with the advice of the Council.

This ad hoc Council will be a supplement to, not a substitute for, the customary line responsibilities of the University Administration. It continues to be the Administration's responsibility to submit its final recommendations, based on its best judgment, to the Board of Trustees. It is, of course, the Board which must ultimately decide tuition policy, compensation policy, and major changes in program support.

The ad hoc Budget Advisory Council will be composed of the following representatives:

- \* Six members of the faculty selected by the faculty members of the University Senate Steering Committee in consultation with the Faculty Council.
- \* Three deans of colleges to be selected in a manner determined by the Provost.
- \* A student selected by each of the following student organizations: Undergraduate Student Government, Graduate Student Organization, Council of Graduate Professional Students.

The Provost and the Vice President for Finance and Planning will serve as non-voting ex-officio members. The various Vice Presidents and other officers of the University will meet with the Council from time to time as appropriate.

Non-voting co-chairmen of the Council will consist of the Vice President for Finance and Planning and a senior faculty member to be chosen by the President.

It is impossible to achieve a distribution of representation among the various constituencies that adequately parallels the impact of all decisions on the various constituencies. There are in the University community both shared interests and conflicting interests. We are optimistic that there will be greater agreement on the key issues than is generally thought. Certainly we will work toward agreement wherever possible. However, because consensus is not always possible when controversial issues are addressed, there will be no attempt to force compromise when to do so might blur honest differences of opinion. In those instances where no agreement is reached among the various constituencies on an issue, the Council will forward the separate recommendations of the constituent groups represented by the Council to the Administration.

March 6, 1981 meeting, Board of Trustees

**DEVELOPMENT OF 1981-82 CURRENT FUNDS BUDGET  
STATUS REPORT BY PRESIDENT ENARSON (contd)**

As the work of the Council progresses, it is expected that from time to time the Council will issue interim public reports. Although no final reporting date for the Council is established at this time, its work must be completed prior to the time that the 1981-82 budget is presented for adoption by the University Board of Trustees.

At the same time that discussions of the ad hoc Council are taking place at the Columbus Campus, the Vice President for Regional Campuses will undertake similar consultation with the constituent groups at those campuses.

In developing this plan, the advice and counsel of the University Senate Steering Committee has been extremely valuable. We realize that the time available is brief and the issues are complex. We deal with the unpleasant prospect of deciding how to share hardship. We cannot expect grand solutions, but we think that this enlarged consultation can be of significant value.

Mr. Hilliker:

Just one question, Mr. President, I think you hit it in your next-to-the-last sentence when you were talking about the prospect of deciding how to share hardship. I can see where an ad hoc Budget Advisory Council such as this will be advantageous as we plod through this process and I can see where you said its work must be completed prior to the time that the budget is presented for adoption by us. Is it also, then, safe to assume that that committee, however, would also terminate at that time, or are you envisioning this as an ongoing process year after year after year?

President Enarson:

No, it would be improper for me to make any such commitment. This is strictly a proposal for addressing the problem we have now. It is either this or something like this or it is the usual and customary way in which we address problems. I would assert that in the long haul there may or may not be need for new machinery, but if there were to be new machinery of a permanent sort, that would require a great deal of careful thought and I should think possibly action by the Board of Trustees.

Mr. Hilliker:

Can we anticipate, then, a report prior to the time we do have it for final approval because it would be helpful.

Mr. Devenow:

I think Mr. Hilliker makes a good point. I think, incorporated in your report should be that the life of the committee is at the end of the--

**DEVELOPMENT OF 1981-82 CURRENT FUNDS BUDGET  
STATUS REPORT BY PRESIDENT ENARSON (contd)**

Mr. Hilliker: This one budget crisis.

Mr. Galbreath: When the budget's adopted.

Mr. Devenow:

Has this report been discussed with the Finance Affairs Committee prior to this meeting?

President Enarson: It has not.

Mr. Devenow: Why wasn't it reported; why wasn't it discussed?

President Enarson:

I think, very simply, because we have been addressing any number of problems--we're dealing with a highly fluid situation--I think we have just begun to realize, as I am not sure others have, the degree of severity implied in the Governor's Executive Budget proposal. I think that is dramatized and sharpened and underlined, if you will, by the notification just a few days ago, that there are additional cuts being made. Now, I hadn't gotten into this because in one sense it is extraneous and in another sense, it is not. Just as we are being hit hard with respect to the State budget, we are struggling to try to assess the impact of Federal cuts. I wish I were prepared to tell this Board or tell the public or tell the students and faculty the full impact of proposals for massive cuts in student aid, for cuts in the National Institutes of Health and in the other agencies, for cuts in a whole host of programs which supply funds to the University. Bill--

Dr. Vandament:

In developing the process, I think, as you see in the President's report, we have regarded this mechanism as a mechanism of consultation and advice to the administration which then presents the budget to the Board in the customary manner, and because this did not change the reporting relationship of the administration to the Board of Trustees, we thought that this was an administrative action that could be taken by informing the Board rather than by seeking approval.

Mr. Hilliker:

My concern is that I always look skeptically at creating other long-time levels of bureaucracy.

Mr. Devenow:

I can understand your position, Bill, and I am merely pointing out that you are setting a precedent here. I feel very strongly--despite the fact that there is no committee that the Board is authorizing here--that that precedent should have been discussed with the Fiscal Affairs Committee so they could present it properly to the Board, not as something we have to vote on but as a precedent. Any other comments?

March 6, 1981 meeting, Board of Trustees

**DEVELOPMENT OF 1981-82 CURRENT FUNDS BUDGET  
STATUS REPORT BY PRESIDENT ENARSON (contd)**

President Enarson:

I suppose from time to time as President, I have made use of any number of ad hoc advisory groups. I grant you this is a very important group, and if we could command more attention of the time of the Board than we do, we always welcome further participation.

Mr. Havens:

Is there any particular reason why the Provost appoints the three deans when, on the other hand, the six faculty members are selected by the Steering Committee?

Provost Reynolds:

I'll respond to that, Mr. Havens. I have great faith in my deans, and I had planned to convene them and talk with them about this and develop some sort of process with them that they all agreed to, to result in their selection that would be mutually satisfactory.

Mr. Havens: I accept that.

**ENERGY MANAGEMENT--OSU**

Mr. Jackson:

First of all, let me say that I appreciate the opportunity and certainly understand why we're where we are; let's put it that way. One of the things I found when I came to the University just over a year ago was a very fine energy conservation program, which under the President's leadership and Tom Smith and his folks have done such a super job. We had originally thought we might try to take everybody over to the energy conservation computer and kind of show you how it all works. I had some thoughts about that because we bring before you, all the time, little pieces of this energy conservation program and really have been unable

Mr. Jackson: (contd)

to show you how they all fit together. So we decided since the little trip was impractical because of space and time, that we would put together a TV tape so that we could use it not only to present to you but as a training tool for alumni groups and the like, a little show which I think is really very good. I think it leads us from where we've been to maybe some of the things that ought to be considered here in the very near future. There are some important details, and so we would hope that the picture is good and that the sound is good so that you can hear them, and I think you'll find it very interesting. Let's see if everything works now.

Degrees Conferred at

THE OHIO STATE UNIVERSITY  
COMMENCEMENT CONVOCATION

March 20, 1981

## Honorary Degree Recipients

### Norman E. Borlaug

Distinguished agricultural scientist and humanitarian, recipient of the Nobel Peace Prize, Norman E. Borlaug has been aptly described as a "peaceful revolutionary." His pioneering work in perfecting strains of wheat suited to the growing conditions in developing countries created a "green revolution" and lifted the burden of hunger from millions around the world. Product of a land-grant university, exemplar of the land-grant ideal, he has dedicated his life to giving others the knowledge to change their lives for the better. As scientist and spokesman, he continues his efforts to ease the problems of world hunger today and avert the crises of tomorrow. The Ohio State University is honored to pay tribute to Norman E. Borlaug for his singular contributions to a future of promise for all people.

### Edgar F. Shannon Jr.

Internationally recognized scholar, distinguished academic statesman, Edgar F. Shannon Jr. exemplifies the highest traditions of the scholarly life. From his heritage as a Virginian, he drew a sense of excellence that became the hallmark of his career as Rhodes scholar, professor of English, and university president. During 15 years as president of the University of Virginia, he built upon its honored past, opened its doors to the future, and led it to new acclaim. His leadership in the national affairs of higher education and his service as president of Phi Beta Kappa attest to the high regard in which he is held by his peers. The Ohio State University is privileged to honor him for his eminent career and lasting contributions as teacher, scholar, and leader of the academy.

## Distinguished Service Award Recipients

### John Deaver Drinko

Honor graduate of the College of Law, dedicated leader in its behalf, John Deaver Drinko has served this University with unusual distinction. Setting as his goal the enrichment of legal education through private support, he provided the dynamic force that led to the establishment of two endowed professorships and a major scholarship fund. In many other ways, he has involved himself in distinguished service to his alma mater. His untiring efforts and his generous sharing of personal resources reflect his unique commitment to excellence in all that The Ohio State University undertakes.

### Arnold E. Ross

Distinguished mathematician, inspiring teacher, Arnold E. Ross has gained international recognition for his unique efforts to discover and develop talent in young people. His summer mathematics programs for gifted high school students brought great credit to this University and became the model for programs abroad. His work with talented inner-city children reflects his deep belief that the gifts of the mind are everywhere. Under his guiding hand as chairman, the Department of Mathematics developed strength and vitality. For more than four decades, Arnold E. Ross has widened the horizons of students and colleagues and fulfilled the highest promise of the teacher's art.

THE OHIO STATE UNIVERSITY  
OFFICIAL PROCEEDINGS OF THE  
ONE THOUSAND ONE HUNDRED AND SIXTY-SEVENTH MEETING  
OF THE BOARD OF TRUSTEES

Marion, Ohio, April 3, 1981

The Board of Trustees met at its regular monthly meeting on Friday, April 3, 1981, at Morrill Hall, The Ohio State University Marion Campus, Marion, Ohio, pursuant to adjournment.

Present: Chester Devenow, Chairman, Patricia D. James, Warren J Smith, John D. Jacob, D. James Hilliker, John F. Havens, and Daniel M. Galbreath.

April 3, 1981 meeting, Board of Trustees

### INTRODUCTORY COMMENTS BY PRESIDENT ENARSON

Mr. Chairman and Members of the Board, before I move into the formal agenda, I would like to say on behalf of our staff members who are here today and the faculty and staff that are not here today, and on behalf of the Board, how much we appreciate being here on the Marion Campus. This is an integral part of The Ohio State University. I think these annual visits to one of the regional campuses are extremely important, not only in the substantive terms--in terms of what we learn--but also in symbolic terms. I wish it were possible to come back--for the Board and the Administration to come back more often, but you must remember that this large house has many rooms in it, of which Marion is one.

### RESOLUTIONS IN MEMORIAM

Resolution No. 81-95

*Synopsis: Resolutions honoring the service of three of this University's faculty members who have recently died are being proposed.*

RESOLVED, That the Board adopt the following Resolutions in Memoriam and that the President be requested to convey a copy to the families of the deceased.

Upon motion of Mr. Galbreath, seconded by Mr. Hilliker, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

Samuel P. Daykin

The Board of Trustees of The Ohio State University expresses its sorrow upon the death on February 20, 1981, of Samuel P. Daykin, Associate Professor Emeritus of the College of Social Work.

Mr. Daykin was born May 8, 1911, in Taylorville, Illinois. He graduated from Taylorville Township High School in June 1928, from the University of Illinois in 1932 with a Bachelor of Arts degree in sociology, and from Washington University with a Master of Social Work degree in 1950. In 1956 he earned a Doctorate in Social Work from the same institution. He began his career with The Ohio State University in 1961 as an Associate Professor in the College of Social Work where he continued to serve until retirement in 1977.

Dr. Daykin's services at The Ohio State University were preceded by a distinguished career in the armed services. Retiring from the services as a Lieutenant Colonel, Dr. Daykin distinguished himself by meritorious service as Chief of Professional Services, 3320th Retraining Group, Amarillo Technical Training Center, Amarillo Air Force Base, Texas, from August 19, 1958 to September 15, 1960. He was cited for having ". . . imparted incomparable skill and professional training in the fields of social therapy, psychology and research and analysis. His exemplary devotion to duty enabled him to train and develop many inexperienced and untrained military and civilian personnel during his stay with the Retraining Group."

April 3, 1981 meeting, Board of Trustees

**RESOLUTIONS IN MEMORIAM (contd)**

Samuel P. Daykin (contd)

As a member of the College of Social Work faculty, Professor Daykin devoted his research and teaching to the concerns of troubled youth and the cause and prevention of juvenile delinquency. He was one of the founders of the East Central Citizens Organization in Columbus. He was one of the first board members of Buckeye Boys' Ranch, and an honorary board member of SOS Children's Village, Inc., an international organization dedicated to helping orphans.

On behalf of the University community, the Board of Trustees expresses to the family of Dr. Daykin its deepest sympathy. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that a copy be tendered to Mrs. Daykin as sincere appreciation of the Board's realization of the loss that the family, the University and his many friends and associates have sustained.

James C. Harris

The Board of Trustees of The Ohio State University expresses its sorrow upon the death on February 28, 1981, of James C. Harris, Associate Professor, Department of Physics.

Professor Harris received his Ph.D. degree from Rice Institute together with the Wilson Award for outstanding research, in 1948. He then pursued postdoctoral studies in nuclear physics and chemistry at the College de France, before joining the faculty of The Ohio State University Department of Physics in 1950.

Professor Harris contributed to the early development of a strong nuclear physics research group at the University, and undergraduates and graduate students alike profited from his teaching.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as an expression of the Board's heartfelt sympathy.

Ruth Townsend Lehman

The Board of Trustees of The Ohio State University expresses its sorrow upon the death on March 20, 1981, of Ruth Townsend Lehman, Professor Emeritus, Department of Home Economics Education in the School of Home Economics.

Dr. Lehman was born in Lenox, Iowa, on April 20, 1895. She received an A.B. degree in home economics from the University of Illinois at Urbana in 1918, the M.A. degree in home economics education in 1923, and the Ph.D. degree in education in 1945, both from the University of Chicago.

April 3, 1981 meeting, Board of Trustees

**RESOLUTIONS IN MEMORIAM (contd)**

Ruth Townsend Lehman (contd)

Dr. Lehman taught home economics in high school at Waterman, Illinois, and junior high at Elkhart, Indiana, from 1918-1919. She was an Instructor at Simmons College, Boston, Massachusetts, from 1919-1922 and then taught foods and home economics education at the University of Chicago from 1923-1928. In 1928, she was an Assistant Professor in home economics education in conjunction with the State Department of Vocational Education at the University of Arizona and was promoted to Associate Professor in 1930. She then accepted a position as Professor and Head of the Department of Home Economics at North Texas State Teachers College, Denton, Texas, from 1932-1937.

Dr. Lehman came to The Ohio State University on September 22, 1937 as an Associate Professor in home economics education and was promoted to Professor in 1946, having served 28 years until her retirement June 30, 1965. She had served as Chairman of the Graduate Committee in the School as well as various state and national committees of the American and Ohio Home Economics Associations and American Vocational Association. Her articles appeared in the *Journal of Home Economics*, *The School Review*, and *Review of Educational Research*.

Dr. Lehman was awarded the Ellen H. Richards Fellowship for 1936-1937 by the American Home Economics Association and the University of Chicago Fellowship in 1922-1923. She was a member of Omicron Nu, Pi Lambda Theta, and Kappa Delta Pi.

She was an effective researcher and teacher and nationally known as an able person in the field of evaluation. She was an inspirational leader and made a major contribution to group thinking as well as individual development. She was creative, challenging, and demanded high academic standards of herself and her students.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

**COLLEGE OF LAW - CHANGE IN ADMISSION POLICY**

Resolution No. 81-96

*Synopsis: Change in admission policy for College of Law is being proposed.*

WHEREAS this Board at its June 1976 meeting adopted a policy providing "that all graduate professional programs require an interview as part of the admission process"; and

WHEREAS the College of Law has found this requirement to be costly to the College and to applicants who must travel to Columbus to be interviewed; and

April 3, 1981 meeting, Board of Trustees

**COLLEGE OF LAW - CHANGE IN ADMISSION POLICY (contd)**

WHEREAS the College of Law believes that it can identify those situations in which an interview would be useful; and

WHEREAS the College of Law has requested that the policy as it applies to that College be modified:

NOW THEREFORE

BE IT RESOLVED, That it shall be the policy of the College of Law (1) to conduct an on-site interview with any applicant who requests it; (2) to conduct an on-site interview with any applicant for whom the Admissions Committee of the College believes that the interview might elicit significant information.

Upon motion of Mr. Hilliker, seconded by Mr. Galbreath, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

*Synopsis: Changes in Bylaws of the Board of Trustees and Rules of the University Faculty are proposed.*

WHEREAS the Vice President for Health Sciences has made recommendations regarding the operation and organization of the health sciences area, including the addition of new rules and amendments to existing rules in order to incorporate references to the health sciences area within the *Bylaws of the Board of Trustees* and *Rules of the University Faculty*; and

WHEREAS pursuant to rule 3335-1-09 of the Administrative Code and upon the recommendation of the President, the rules as enumerated below with suggested amendments are:

**3335-1-03 Administration of the university.**

Paragraph (L) reflects changes in the areas of responsibility of the vice president for health sciences, paragraph (S) gives the vice president for health sciences representation on the council of deans, and paragraph (V) reflects new rule establishing health sciences council.

**3335-3-12 Vice president for health sciences.**

Paragraph (B) reflects changes in the areas of responsibility for the vice president for health sciences.

April 3, 1981 meeting, Board of Trustees

**AMENDMENTS TO *BYLAWS OF THE BOARD OF TRUSTEES*  
AND *RULES OF THE UNIVERSITY FACULTY* (contd)**

3335-3-22 Council of deans.

Paragraph (A) gives the vice president for health sciences representation on the council of deans.

3335-3-29 Deans of the colleges.

Paragraph (B) (4) requires the deans of the colleges of the health sciences to make recommendations to the vice president for health sciences for matters within his jurisdiction concerning budget, appointment, and promotion to accomplish appropriate coordination.

3335-5-481 Health sciences council.

New rule to establish health sciences council.

NOW THEREFORE

BE IT RESOLVED, That the foregoing amendments to the *Bylaws of the Board of Trustees* and *Rules of the University Faculty* be adopted by the Board of Trustees for inclusion in the next publication of this document.

Upon motion of Mr. Hilliker, seconded by Mrs. James, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

BYLAW

3335-1-03 Administration of the university.

- (L) Vice president for health sciences. The major area of responsibility and authority of the vice president for health sciences shall be that of the health sciences at the university. Without limiting the generality of the foregoing, the vice president for health sciences shall, under the direction of the president and with the approval of the board of trustees, be responsible and have the requisite authority for the administration of: the colleges of dentistry, medicine, optometry, pharmacy, and veterinary medicine, and their clinics, schools, and hospitals, including such other supporting services and facilities as the health sciences library; laboratory research animal program; comprehensive cancer center; radiation safety; health sciences audio-visual and TV center; mental retardation center; center for continuing health sciences education; agreements and cooperative arrangements with various regional and governmental hospitals, and such other health sciences programs as may be established. The vice president for health sciences will coordinate academic programs and appointments with the office of the provost and nonacademic budgets and personnel matters with the offices of the vice presidents for personnel services and finance and planning.

**Establishment of Named Funds**

**College of Dentistry Advancement Endowment Fund**

The College of Dentistry Advancement Endowment Fund was established April 3, 1981, by the Board of Trustees of The Ohio State University with gifts to The Ohio State University Development Fund by alumni and friends of the College of Dentistry.

All gifts are to be invested in the University's Permanent Endowment Fund under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The principal and/or income is to be used to support and advance the College of Dentistry.

Should the need for this fund cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for the College of Dentistry.

**The Sara Jane Pyne Memorial Scholarship Fund in the Visual Arts**

The Sara Jane Pyne Memorial Scholarship Fund in the Visual Arts was established April 3, 1981, by the Board of Trustees of The Ohio State University with a bequest to The Ohio State University Development Fund from Sara Jane Pyne, B.F.A. '41, of Columbus, Ohio.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with right to invest and reinvest as occasion dictates.

The annual income is to be used for scholarships and aid to students in the visual arts (Departments of Art, Art Education, History of Art, or Industrial Design) who have shown academic potential and/or need for financial assistance. Recipients of such scholarships or aid shall be selected by the Dean of the College of the Arts and Chairpersons from Visual Arts. For any academic year the number and dollar amount awarded annually under this program may be varied, as determined by the Dean of the College of the Arts in consultation with the Chairpersons from Visual Arts.

Should the need for this student aid cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for educational programs in the visual arts.

**The Charles W. Durfey Memorial Scholarship Fund in Journalism**

The Charles W. Durfey Memorial Scholarship Fund in Journalism was established April 3, 1981, by the Board of Trustees of The Ohio State University by gifts from the Scripps-Howard Foundation and from family and friends in memory of the late Charles W. Durfey, B.A. Jour. '75, and reporter, *Cincinnati Post* newspaper.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with right to invest and reinvest as occasion dictates.

The annual income is to be used to provide one or more scholarships for a student(s) majoring in journalism and who show promise in reporting. To receive a scholarship, the student must be enrolled in the School of Journalism during the time the scholarship is awarded.

Should the need for this fund cease to exist or so diminish as to provide unused income, then the income may be used for any purposes whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for journalism scholarships.

**Intercollegiate Livestock Evaluation Team Endowment Fund**

The Intercollegiate Livestock Evaluation Team Endowment Fund was established April 3, 1981, by the Board of Trustees of The Ohio State University with gifts from alumni and friends.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income will be used to provide support for The Ohio State University undergraduate student Livestock Evaluation Team to represent the University in regional and national intercollegiate contests and programs. Funds will be distributed by the chairman of the Department of Animal Science.

Should the need for these funds cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to the appropriate administrative official of the University who is then directly responsible for the Department of Animal Science in the College of Agriculture and Home Economics.

**Medina County Scholarship Fund**

The Medina County Scholarship Fund was established April 3, 1981, by the Board of Trustees of The Ohio State University with gifts from alumni and friends of Medina County to The Ohio State University Development Fund.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as the occasion dictates.

The annual income is to be used to provide one or more scholarships for undergraduate students from Medina County enrolled in The Ohio State University. The selection of the recipient is to be made by the University Committee on Student Financial Aids upon recommendation of a selection committee from the Medina County Alumni Club.

Should the need for this fund cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to the recommendations from the appropriate administrative official of the University who is then directly responsible for scholarships and student financial aids.

**EMPLOYMENT OF ARCHITECTS/ENGINEERS**

**EYE CENTER - UNIVERSITY CLINICS BUILDING**

Resolution No. 81-101

*Synopsis: Employment of engineer to conduct a feasibility study for the project, Eye Center - University Clinics Building, is being proposed.*

WHEREAS The Ohio State University Board of Trustees authorized the establishment of The Ohio State University College of Medicine Ophthalmologic Center through The Ohio State University Development Fund on October 11, 1967; and

WHEREAS the Department of Ophthalmology, within the College of Medicine, is in need of expanding to include an Eye Center; and

WHEREAS the Department is currently located on the fifth floor (top floor) of the University Clinics Building so that functionally it would be highly desirable to locate the Eye Center on a new floor above the present location; and

April 3, 1981 meeting, Board of Trustees

**EMPLOYMENT OF ARCHITECTS/ENGINEERS (contd)**

**EYE CENTER - UNIVERSITY CLINICS BUILDING (contd)**

WHEREAS it is proposed to engage an architectural firm to conduct a feasibility study related to adding a floor or floors to the Clinics Building with regard to such items as construction costs, building code requirements, heating, ventilating and air conditioning, vertical transportation, utilities, and other related problems; and

WHEREAS the University Hospitals Board endorsed the proposal to determine the feasibility of this addition at the meeting March 10, 1981:

NOW THEREFORE

BE IT RESOLVED, That the firm of Dan A. Carmichael, of Columbus, Ohio, architect for the original Clinics Building, be employed to make this feasibility study; and

BE IT FURTHER RESOLVED, That the fee for this service will be negotiated between the firm and the Department of Administrative Services, Division of Public Works, with the total estimate for this study to be \$15,000 - \$20,000. Funds for this study will be provided from gift dollars contributed for this expressed purpose.

Upon motion of Mr. Hilliker, seconded by Mrs. James, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

**MCCRACKEN POWER PLANT - COAL-FIRED BOILER**

Resolution No. 81-102

*Synopsis: Employment of engineering firm to perform preliminary engineering feasibility study for a coal-fired boiler installation in McCracken Power Plant.*

WHEREAS the University *Energy Master Plan, 1980-2000*, prepared by the Associate Vice President for Physical Facilities, recommends elimination of total dependency on natural gas and fuel oil by the addition of coal burning capability in McCracken Power Plant; and

WHEREAS the installation of such a coal-fired boiler plus needed rehabilitation of the existing boilers and plant are estimated to cost \$24.8 million with a payback period of approximately nine years resulting from the ability to use coal, a lower priced fuel:

NOW THEREFORE

BE IT RESOLVED, That the Vice President for Business and Administration be authorized to select a qualified engineering firm to perform an engineering feasibility and preliminary design study for a coal boiler which can meet appropriate EPA standards and burn Ohio coal; and

April 3, 1981 meeting, Board of Trustees

**EMPLOYMENT OF ARCHITECTS/ENGINEERS (contd)**

**MCCRACKEN POWER PLANT - COAL-FIRED BOILER (contd)**

BE IT FURTHER RESOLVED, That the fee for this service be negotiated between the firm selected and the Department of Administrative Services, Division of Public Works, with the estimate of cost for this preliminary engineering study to be \$100,000 from Budget Account 855159.

Upon motion of Mr. Hilliker, seconded by Dr. Jacob, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

**MCCRACKEN POWER PLANT STEAM DISTRIBUTION  
SYSTEM ENERGY SAVINGS**

Resolution No. 81-103

*Synopsis: Employment of engineer to complete design for the McCracken Power Plant Steam Distribution System Energy Savings project which is one of the grant acceptance projects by the Federal Government; grant received in sum of \$250,000.*

WHEREAS The Ohio State University is constantly continuing energy management resulting in conservation; and

WHEREAS it is proposed to install a desuperheater in McCracken Power Plant to reduce temperature of steam distribution through the system, and to also install additional insulation on piping in selected areas in the five-mile tunnel system to further reduce heat losses; these modifications will substantially save dollars in energy costs and will have a two and one-half year payback:

NOW THEREFORE

BE IT RESOLVED, That the firm of Moulenbelt and Seifert, Consulting Engineers of Dayton, Ohio, be employed; and

BE IT FURTHER RESOLVED, That the fee for this service will be negotiated between the firm and the Department of Administrative Services, Division of Public Works, with the total estimate for this engineering to be \$46,300.00. Funds for the engineering to be provided from Budget Account 885153.

Upon motion of Mr. Hilliker, seconded by Mr. Smith, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

**AMENDMENT TO MANAGEMENT AGREEMENT WITH THE  
TRANSPORTATION RESEARCH BOARD OF OHIO**

Resolution No. 81-107

*Synopsis: Amendment to Management Agreement with the Transportation Research Board of Ohio (TRBO) is proposed.*

WHEREAS on June 11, 1979, OSU and TRBO entered into an Agreement for the management of the Transportation Research Center, East Liberty, Ohio, pursuant to Board of Trustees' Resolution No. 79-149; and

WHEREAS TRBO and Bank One Trust Company entered into a Trust Agreement for the sale of bonds to finance construction of crash test facilities at the Transportation Research Center; and

WHEREAS the Trust Agreement requires that the terms of the Management Agreement between OSU and TRBO be amended to subordinate payment of the OSU management fee to all operating and bond expenses; and

WHEREAS the accompanying amendment to the Management Agreement has been reviewed and approved by University legal counsel and appropriate University officials:

**NOW THEREFORE**

**BE IT RESOLVED**, That the President and/or Vice President for Business and Administration be authorized to sign and execute this amendment in accordance with established University procedures.

President Enarson called on Mr. Jackson to present again the Amendment to the Management Agreement even though it was presented to the Fiscal Affairs Committee and will be recommended by its Chairman.

Mr. Jackson:

In 1979 The Ohio State University entered into a management agreement with the Transportation Research Board of Ohio for managing the Center. One of the things that has happened since then was that the Transportation Research Board of Ohio has entered into an agreement with Bank One Trust Company for bonds to construct a crash facility. We have had up there for some years a crash simulator. This is an actual crash facility. Bonding was almost \$7 million dollars as a part of that agreement. In order to guarantee payment of those bonds, it was necessary to subordinate the management fee for the University. This is asking for your approval to amend our agreement with the Transportation Research Board to subordinate our management fee whereby it would be paid once-a-year within 90 days after the close of the year and should there not be sufficient funds would allow us to carry that forward as a receivable to future years. I would also add that if that should become a burden, there is the terms within the contract that we could cancel our management contract with the Research Board, so that I think there is not a long-term burden which would be insurmountable in the foreseeable future. Certainly I have every optimism that the facility in which it is constructed is going to add to the facility and certainly encourage the kind of work that was intended at the facility as it was to provide research capability for faculty and students at the University.

**AMENDMENT TO MANAGEMENT AGREEMENT WITH THE  
TRANSPORTATION RESEARCH BOARD OF OHIO (contd)**

Mr. Havens:

Mr. Chairman, I would choose before you vote on this to say that I don't think I should vote. I am director of the parent Banc One, so I would choose not to vote on it.

Mr. Devenow: We'll record you as abstaining.

Mr. Galbreath: I think, Mr. Chairman, for the same reason, I should abstain also.

Upon motion of Mr. Hilliker, seconded by Mrs. James, the Board of Trustees adopted the foregoing resolution with five affirmative votes and Messrs. Havens and Galbreath abstaining.

**AMENDMENT TO MANAGEMENT AGREEMENT**

THIS AMENDMENT AGREEMENT, made and entered into this \_\_\_\_\_ day of \_\_\_\_\_, 19\_\_\_\_, to become effective on or before November 1, 1980, by and between the TRANSPORTATION RESEARCH BOARD OF OHIO (hereinafter referred to as "TRBO"), East Liberty, Ohio 43319, a body both corporate and politic of the State of Ohio created by the General Assembly in Chapter 5507 of the Ohio Revised Code, and THE OHIO STATE UNIVERSITY (hereinafter referred to as "OSU"), 205 Administration Building, 190 North Oval Mall, Columbus, Ohio 43210.

THIS AMENDMENT, is to a Management Agreement entered into on the 7th day of June, 1979, whereby the TRBO engaged the services of OSU as the managing agent for the Transportation Research Center.

That agreement, contained a provision whereby in Article II, Section 8, OSU was to receive One Dollar (\$1.00) per year as payment for the administration of this Agreement and in addition, thereto, to recover from the TRBO funds all its direct and indirect costs, expenses and payments incurred to perform its obligation under this Agreement.

Also, Article III of said Management Agreement indicated that OSU shall have no financial responsibility whatsoever for the operation, management, supervision or direction of the Transportation Research Center and the obligations established by local, state or federal rules, regulations and laws, including Chapter 5507, and all financial responsibility for these activities shall be provided by TRBO through the TRBO account(s). Subsequent to this Management Agreement the TRBO issued Six Million Eight Hundred Ninety Thousand Dollars (\$6,890,000) in bonds in order to finance a new crash test facility at the Center.

As part of the sale of these bonds a trust was created, effective November 1, 1980, whereby the revenues of the TRBO were pledged as security for the payment of said bonds, and the Trustee is granted authority to pay on a priority basis, first to the Operating and Maintenance Fund for the Transportation Research Center, second to the Bond Fund, third to the Incidental Income Fund, fourth to the Debt Service Reserve Fund and fifth to the Management Fee Fund, the sum of \$20,833 monthly, or such other monthly sum as the Authorized Board Representative shall from time to time direct, for the payment of management services as provided in Section 8.10 of the Indenture. Not earlier than ninety (90) days after the

**AMENDMENT TO MANAGEMENT AGREEMENT (contd)**

close of the Fiscal Year and not more frequently than annually, the Trustee shall, upon the written request of the Authorized Board Representative, distribute to the Managing Agent such sum as the Authorized Board Representative shall direct in payment of management services performed in preceding Fiscal Years. In the event there are insufficient funds in any Fiscal Year to cover payment of such management services, any deficiencies shall be carried over as an obligation due to the Managing Agent until all such management services are paid. The Management Agreement is further amended that: Upon the occurrence of an event of default, the Trustee may, and upon the written request of the holders of not less than twenty-five percent in aggregate principal amount of Bonds then outstanding shall, terminate the management contract and remove the Managing Agent employed thereunder to operate and perform management services at the Center, by giving notice to the Board and the Managing Agent, which notice shall be effective upon its receipt. Promptly upon the receipt of such notice, but in any case not less than 30 days thereafter, the Board shall select a successor Managing Agent, acceptable to the Trustee, and enter into a management contract in accordance with the provisions and limitations contained in Section 8.10 hereof.

OSU hereby acknowledges it has read and is familiar with the Trust Indenture entered into by the TRBO, and further that as Managing Agent for the TRBO it hereby agrees to comply with all the terms and provisions in said Indenture in the management and operation of the Transportation Research Center.

It is, therefore, agreed by and between OSU and TRBO that the Management Agreement, entered into by and between the parties on the 7th day of June 1979, is hereby amended to be consistent with the provision in the Trust Indenture, established by the Transportation Research Center of Ohio, dated November 1, 1980, and Bank One the Trustee, under such Trust Indenture, whereby OSU to the extent set forth in said Trust Indenture, agrees to subordinate their claim for management compensation and management reimbursement in accordance with said Indenture and that the Management Agreement is amended and modified to be consistent with the Trust Indenture.

IN WITNESS WHEREOF, the parties hereto have caused these presents to be executed to be effective as of the 1st day of November, 1980.

## REPORT - UNIVERSITY'S INVESTMENT PORTFOLIO

Resolution No. 81-108

RESOLVED, That the report on the University's Investment Portfolio, dated March 20, 1981, as submitted to the Fiscal Affairs Committee of the Board of Trustees, be received and filed with the official records of the Board.

--o--

## REPORT - PRESIDENT ENARSON

I have several items to report. One is very simple. Spring has arrived at OSU in all areas of the campus. I walked around the hall this morning and I overheard the following comment by one of our OSU students. A young man talking to a young lady said, 'I'm going from bio to zoo-o; I'm scienced out.' I like to think that that's not true. In fact I'm confident that it is not true. In this great endless stream of human talent that comes in to the University and moves on to productive arenas of American life, we find the promise of the future. Driving down here this morning--somebody else was driving--I was able to browse through the substance, the descriptions of the research awards. I learned long ago that the description itself doesn't help me very much and sometimes I'm not helped very much by the layman's interpretation of it. I would hope that from time to time the Board members would browse through these grants because you get a really breathtaking grasp of the range and variety of research efforts underway--the vitality of our faculty. Here in one month alone--I announced a moment ago, the receipt of federal grants alone of roughly \$8.5 million--\$5.5 million of that, roughly, is attributable to our National Center for Research in Vocational Education which is funded on an annual basis from federal funds.

It's a spring day so I think I'll just report the good news. There was some bad news last night, but I won't report it--I'll let you find out for yourself. The good news is as follows--and this I got at about ten o'clock last night from Bill Napier who represents us very ably in the General Assembly. As those of you from the regional campuses, advisory councils, and staff are acutely aware, we were all of us extremely disturbed when we learned that the amounts indicated for the regional campuses showed unaccountable cuts of considerable magnitude below current levels of expenditure. This in the face of a commitment statement to the effect that all institutions would be held harmless on one score; that is, there would be no cut below a current existing level of appropriation. The subcommittee of the House Finance Committee--if I have the title right--met for a longish time last evening and acted on a number of items, and I am very pleased to report that we now have a dollar figure for each of the four campuses and it is--I'm 95 per cent sure, 99 per cent sure, as John is--that these are in fact last year's figures. To use an OSU metaphor or analogy or whatever, we're about half way through the first half. We've by no means won the game but all of us are enormously heartened. This came about because the Citizens Councils were alerted to this problem because they worked with us on the Columbus campus in presenting

April 3, 1981 meeting, Board of Trustees

**REPORT - PRESIDENT ENARSON (contd)**

this to the legislators. The legislators saw the problem and they responded. I'm extremely pleased with this development, which was not planned this closely. It's simply the luck of the draw. Mr. Chairman and members of the Board, I think I have nothing else to report.

--o--

Mr. Devenow:

Thank you, Mr. President. This meeting will recess into Executive Session for the purpose of the Board considering legal issues. The Board will reconvene for adjournment following this session so we can receive the report from the regional campus so please don't leave us. We will be back as soon as the Executive Session is over.

--o--

The Board reconvened following the Executive Session and the meeting adjourned without taking any action.

Thereupon the Board adjourned to meet Friday, May 1, 1981, at The Ohio State University Fawcett Center for Tomorrow, Columbus, Ohio, at 1:30 p.m.

**REPORT FROM MARION REGIONAL CAMPUS**

Vice President Mount called attention to a booklet entitled, "The Ohio State University at Lima, Mansfield, Marion, and Newark." He noted that in this booklet was a map of Ohio showing the counties in the geographic area served by the four regional campuses of Ohio State and also a graph which showed the enrollment from these counties at the Ohio State Columbus Campus and at the Regional Campuses.

Dr. Francis Hazard, Dean/Director, Marion Regional Campus, welcomed the members of the Board of Trustees to the Marion Campus. He stated that "Holding a Trustees' meeting on a regional campus each year has at least four results: (1) it cultivates our leadership; (2) it fosters teamwork; (3) it provides quality assurance of curriculum, instruction, and student services; (4) and most importantly, it motivates and cultivates community and alumni support."

April 3, 1981 meeting, Board of Trustees

### REPORT FROM MARION REGIONAL CAMPUS (contd)

Dr. David Citino, Associate Professor of English, spoke on behalf of the faculty at the Marion Campus. He shared some of the facts he had accumulated pertaining to the Marion Campus faculty. Ninety-six per cent of the faculty hold a Ph.D. degree or its equivalent. He said, "These scholars, teachers, writers, and artists have a firm commitment to offer to the citizens of the area the very best undergraduate--and occasionally, graduate--education they can. Their scholarly and artistic productivity is enhanced by close contact with students and their teaching is in turn enhanced by their scholarship."

Lisa Thogmartin, a sophomore majoring in English education and speech, spoke on behalf of the students with physical disabilities and discussed the efforts of the OSU Marion Campus to accommodate the needs of physically impaired students. She said, "... at OSU, I and all other students with a disability are welcome in every facet of life from student activities to classroom activities. . . . Now, because of all these experiences, I am ready to go on to the bigger world of the 'main campus' and then on with my career."

Chris Paterson attended the Marion Campus the first two years of college and was enrolled in a couple of courses there while commuting to Columbus this past year. Two out of every three students claim Marion as their first choice for college, while 70 per cent contend they would not have attended college if it had not been for the Regional Campus being close to their homes. Marion Campus students assert that their top priority is to be an authority in their field, while one-half expect to obtain a bachelor's degree and one-third anticipate getting their Master's degree. The main objective of the students is to transfer to Columbus and two out of every three expect to do so. Based on his use of the services and facilities in Columbus, Mr. Paterson stated that he found the transition very comfortable.

Dr. Stephen L. Stuart, Superintendent of the Marion City Schools, who represented the Citizens Council, said that he hoped the sincerity of these many welcomes adequately expressed the appreciation that is felt by the Citizens Councils for the commitment made by the trustees and administrators to the regional campus concept. He indicated that the Citizens Councils serve as the voice of the respective communities by providing consultation and advice on a wide variety of matters related to The Ohio State University.

Mr. Devenow:

Dean Mount, Dean Hazard, Dr. Citino, Dr. Stuart; we are delighted to be here, and you have made our stay here very pleasant. I think I speak for the whole Board when I tell you that you are certainly not a stepchild to us. We are deeply concerned about what happens here as well as the other campuses which constitute this great complex--one of the most important educational institutions maybe in the world at this point. I think all of our work--and I think I can speak for the whole Board; two of our members aren't here, unfortunately (we have a nine member board). But I think a lot of our work and the hours and the trauma and the torture that President Enarson and the rest of us put in were pretty well summed up in what Chris and Lisa told us today. That makes it all worth the while. It has been suggested and we would be delighted if any of you would like to come up and meet President Enarson, the staff or any Board member; you're welcome to do so and then we'll proceed with the rest. Thank you very much.

THE OHIO STATE UNIVERSITY  
OFFICIAL PROCEEDINGS OF THE  
ONE THOUSAND ONE HUNDRED AND SIXTY-EIGHTH MEETING  
OF THE BOARD OF TRUSTEES

Columbus, Ohio, May 1, 1981

The Board of Trustees met at its regular monthly meeting on Friday, May 1, 1981, at The Ohio State University Fawcett Center for Tomorrow, Columbus, Ohio, pursuant to adjournment.

Present: Chester Devenow, Chairman, Patricia D. James, Warren J Smith, John D. Jacob, D. James Hilliker, John F. Havens, Daniel M. Galbreath, Edmund C. Redman, and Leonard J. Immke.

\* \* \*

Minutes of the last meeting were approved.

May 1, 1981 meeting, Board of Trustees

The Chairman, Mr. Devenow, called the meeting of the Board of Trustees to order at 11:45 a.m. He requested the Secretary to call the roll. The meeting recessed into Executive Session for the purpose of considering personnel-related matters.

Present: Chester Devenow, Chairman, Patricia D. James, Warren J Smith, John D. Jacob, D. James Hilliker, Edmund C. Redman, and Leonard J. Immke.

The meeting of the Board of Trustees reconvened at 1:30 p.m.

**ELECTION OF OFFICERS  
BOARD OF TRUSTEES**

Resolution No. 81-109

Mr. Galbreath presented the following:

WHEREAS pursuant to paragraph (B) of rule 3335-1-02 of the Administrative Code, the officers of the Board are to be elected at the May meeting to take office immediately following adjournment of the meeting (May 1, 1981) and shall hold their office through the May 1982 meeting:

NOW THEREFORE

BE IT RESOLVED, That the following slate of officers for 1981-82 be elected:

Chester Devenow, Chairman

Warren J Smith, Vice Chairman

Madison H. Scott, Secretary

Richard D. Jackson, Acting Treasurer

Upon motion of Mr. Galbreath, seconded by Mr. Hilliker, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

Mr. Galbreath:

Excuse me, Mr. Devenow, I think this might be appropriate not to let this slip by unnoticed. I have discussed this not only with the nominating committee but with those individuals that are involved and have complete unanimity in asking our present slate of officers to remain another year. I appreciate that sort of understanding and cooperation. I think it accomplishes a couple of major things: One is that our present officers can help us through a transition with a new University president which will be coming on this year some time and it also puts us back into the rotation of having a trustee potentially serve as chairman during his or her last year in office, and all of those that I have talked to still feel that

that original concept was good, and this will enable us to get back into phase, and among others I appreciate, Mr. Devenow, your willingness to serve another year. Thank you.

--o--

Mr. Devenow asked Mrs. James to present two resolutions.

Mrs. James:

Thank you, Mr. Chairman. I'd like to present these resolutions, and for reasons which will become obvious, I'm going to read all of the WHEREASES:

**DISTINGUISHED SERVICE AWARD**

Resolution No. 81-110

*Synopsis: Recommendation for Audrey P. Enarson to receive a Distinguished Service Award is proposed.*

WHEREAS Audrey P. Enarson has served as "first lady" of The Ohio State University since 1972; and

WHEREAS during those years she has contributed immeasurably to the advancement of this University and to the creation of good will on its behalf; and

WHEREAS she has shared her life generously with others through a wide range of campus, community, and national groups; and

WHEREAS it is proposed that a Distinguished Service Award be presented to her for her outstanding contributions to the University and the University Community:

NOW THEREFORE

BE IT RESOLVED, That Audrey P. Enarson be awarded The Ohio State University Distinguished Service Award in recognition of her outstanding service.

Upon motion of Mrs. James, seconded by Dr. Jacob, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

**ESTABLISHMENT OF THE HAROLD L. AND AUDREY P. ENARSON  
PROFESSORSHIP IN PUBLIC POLICY**

Resolution No. 81-111

*Synopsis: Establishment of the Harold L. and Audrey P. Enarson Professorship in Public Policy in the College of Administrative Science is proposed.*

WHEREAS on August 31, 1981, President Harold L. Enarson will have completed nine full years in office and will leave to his successor a fiscally sound institution, a student body that exceeds 59,000 on all campuses and whose main campus enrollment is the largest in the nation, a quality faculty and staff, and outstanding academic programs--many of which cannot be replicated by peer institutions; and

WHEREAS the criteria used by the search committee in the selection of President Enarson included the expectations that the new person should evidence a capacity for work with great intensity, energy, and dedication; that the individual's integrity, courage, and decisiveness should be exceptional and noteworthy; that the candidate should be articulate and persuasive and should have a comprehension of what constitutes excellence in teaching, scholarship, research, and service; and

WHEREAS in evaluating the President against these characteristics, the Board has concluded that Harold Enarson has met in a superb way the expectations set forth by the University in the course of its search; and

WHEREAS this Board has previously expressed its appreciation for President Enarson's efforts to strengthen and improve the quality of education and research at the University and to give this institution a sound, efficient, and responsive administration; and

WHEREAS the Board of Trustees appreciates fully the courage, dedication, and strong sense of excellence possessed by President Enarson, and salutes the contribution that these qualities have made to The Ohio State University:

NOW THEREFORE, BE IT RESOLVED, That the Board of Trustees, in recognition of President Enarson's distinguished service, wishes to establish, effective immediately, the Harold L. and Audrey P. Enarson Professorship in Public Policy in the College of Administrative Science; and

BE IT FURTHER RESOLVED, That to facilitate the implementation of this decision, the Vice President for Finance and Planning is hereby authorized and directed to take the appropriate action to transfer to the permanent endowment fund, from interest which has accrued to the University in its unrestricted endowment accounts, a sum sufficient in amount to insure the full funding of the Harold L. and Audrey P. Enarson Professorship in Public Policy.

Upon motion of Mrs. James, seconded by Mr. Devenow, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

May 1, 1981 meeting, Board of Trustees

**ESTABLISHMENT OF THE HAROLD L. AND AUDREY P. ENARSON  
PROFESSORSHIP IN PUBLIC POLICY (contd)**

President Enarson:

Mr. Chairman, that is a pretty big dose to absorb. No one achieves anything by oneself, and Audrey and I are very grateful to have been associated with this University. Thank you very much.

**RESOLUTIONS IN MEMORIAM**

Resolution No. 81-112

*Synopsis: Resolutions honoring the service of five of this University's faculty members who have recently died are being proposed.*

RESOLVED, That the Board adopt the following Resolutions in Memoriam and that the President be requested to convey a copy to the families of the deceased.

Upon motion of Dr. Jacob, seconded by Mrs. James, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

Raymond L. Cummins

The Board of Trustees of The Ohio State University expresses its sorrow upon the death on February 27, 1981, of Dr. Raymond L. Cummins, Associate Professor Emeritus in the College of Dentistry.

Dr. Cummins received his D.D.S. degree from The Ohio State University College of Dentistry in 1929. He was a member of the faculty from 1941-44. At that time he went into private practice. He returned as a faculty member in 1963 and retired June 30, 1975.

Dr. Cummins was a member of the Columbus Dental Society, the American Dental Association, and the Ohio Dental Association. He was also a member of Omicron Kappa Upsilon Dental Honorary Fraternity.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as an expression of the Board's heartfelt sympathy.

Robert Washington Haws

The Board of Trustees of The Ohio State University expresses its sorrow upon the death on March 8, 1981, of Robert W. Haws, Professor Emeritus, Academic Faculty of Industrial Technology, College of Education.

May 1, 1981 meeting, Board of Trustees

## RESOLUTIONS IN MEMORIAM (contd)

Robert Washington Haws (contd)

Born June 17, 1900, in Ceredo, West Virginia, he graduated from Ohio University in 1924 with a Bachelor of Science in Education degree. He received the Master of Arts degree in 1932 and the Doctor of Philosophy degree in 1947 from The Ohio State University.

Dr. Haws was first appointed to the faculty of the College of Education as a Lecturer in 1942. He was appointed an Assistant Professor in 1943, Associate Professor in 1955, and a Professor of Education in 1960. He became Professor Emeritus following his retirement in August, 1968.

Prior to his joining the University faculty, he taught industrial arts at Monroe (1922-1923), Jacksonville (1924-1925), Xenia (1926-1930), and Hamilton, Ohio (1930-1942). This 19 years of secondary school teaching, combined with 26 years at the University, make a career total of 45 years of dedicated teaching.

Robert W. Haws authored eight articles, contributed to several school survey reports, and coauthored a professional book for secondary school industrial arts teachers. He advised over fifty graduate students in the completion of their theses and dissertations. Despite this, his greatest interest was in teaching. Industrial arts teachers all over Ohio, as well as many in other states, lovingly and privately referred to him, in later years, as "Pappy." He sponsored their student organizations, was always available and willing to hear out students' problems or concerns, consistently received high ratings on student evaluations of his teaching, and was the ever-present, steady force through their student years. He was a dedicated and loved teacher.

Perhaps above all, there are many of us who remember him as both teacher and friend. We were fortunate to have known him as both, and we will continue to remember him.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as an expression of the Board's heartfelt sympathy.

Robert C. Higgy

The Board of Trustees of The Ohio State University expresses its sorrow upon the death on March 21, 1981, of Robert C. Higgy, Associate Professor Emeritus, Department of Electrical Engineering.

Born December 7, 1901, in Columbus, Ohio, he graduated from The Ohio State University in 1925 with a Bachelor of Electrical Engineering degree. He was awarded the professional degree, Electrical Engineer, in 1937 from The Ohio State University.

An early pioneer in radio broadcast technology, Professor Higgy served as Instructor in the Electrical Engineering Division of the U. S. Army School of Military Aeronautics from 1917

to 1918, prior even to his entry into the University and to formal training in electrical engineering. During the period 1919-1921, Professor Higgy designed, built and operated the original University radio station. The station, initially called 8XI began operation on an experimental basis in the Fall of 1919; regular programs began in 1920. The call letters of the station were changed to WEAO in 1922 and to WOSU in 1931. This radio station was one of the pioneering educational broadcasting stations and grew under his guidance and direction to become one of the largest and most widely known educational broadcasting stations in the United States offering AM, FM and later TV programming. Professor Higgy served as chief engineer of the station from 1925 to 1927 and then as station director and chief engineer from 1927 to 1956.

Professor Higgy joined the faculty of the Department of Electrical Engineering as Instructor in 1927 and retired in 1964 as Associate Professor Emeritus. During this period he taught extensively and continued to play an important role in the development of educational broadcasting in this country. Beginning in the 1920's and continuing until World War II, the OSU Department of Electrical Engineering was a national leader in the field of broadcast engineering. Also during this period, Professor Higgy served as a technical consultant to numerous radio and television broadcast stations. He was also founder and second president of the National Association of Educational Broadcasters.

Professor Higgy authored a book, *Fundamental Radio Experiments*, published in 1943 and contributed to the scientific literature regarding radio transmission. He was also very active in advancing the profession; he was the original organizer of the Columbus section of the Institute of Radio Engineers, the principal professional organization for electrical engineers.

Professor Higgy has made lasting impact upon the Department of Electrical Engineering in his contributions to its growth in size and stature and indeed will long be remembered for his pioneering contributions to the field of educational broadcasting.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as an expression of the Board's heartfelt sympathy.

Delbert Oberteuffer

The Board of Trustees of The Ohio State University expresses its sorrow upon the death on March 26, 1981, of Delbert Oberteuffer, Professor Emeritus, School of Health, Physical Education and Recreation.

Born November 19, 1901, in Portland, Oregon, he graduated from the University of Oregon in 1923 with a Bachelor of Arts degree. He received both the Master's degree in 1924 and the Ph.D. degree in 1930 from Columbia University.

May 1, 1981 meeting, Board of Trustees

### RESOLUTIONS IN MEMORIAM (contd)

Delbert Oberteuffer (contd)

Dr. Oberteuffer was Supervisor of Physical Education and Health Education for the State of Ohio from 1929 to 1932 when he came to the University and served as Professor of Physical Education for 34 years until his retirement in 1966. He was Chairman of the Men's Department of Physical Education for 25 years and was instrumental in developing a graduate program in physical education and health education that was nationally recognized for the quality of both its curriculum and faculty.

Dr. Oberteuffer was an articulate and dynamic spokesman for his profession and was in constant demand as a speaker. His class lectures challenged and stimulated thousands of graduate and undergraduate students. He wrote two basic textbooks, *Physical Education* and *School Health Education*, which were standard references throughout the country for many years. Both have been revised several times and continue to be used today.

It is uncommon for one person to achieve such eminence in a single field, but Dr. Oberteuffer was an acknowledged leader in two fields: health education and physical education. This duality is unique because he is the only person to receive both the Luther H. Gulick Award--the highest honor in physical education from the American Alliance for Health, Physical Education, Recreation and Dance and the William A. Howe Award--the highest honor in health education from the American School Health Association. He also was the recipient of the Hetherington Award granted by the American Academy of Physical Education. Ohio Wesleyan University, Bowling Green State University, and Ashland College all have conferred honorary degrees upon Dr. Oberteuffer. He received the Distinguished Service Award from The Ohio State University in 1969.

The excellent reputation which The Ohio State University enjoys today in the areas of physical education and health education is convincing testimony to his personal leadership and his judgment and foresight in selecting faculty members. The University is the fortunate possessor of an Oberteuffer tradition which is a source of great strength and inspiration. His legacy will be carried on by the Oberteuffer Memorial Lecture Series which was established this year by the School of Health, Physical Education and Recreation.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as an expression of the Board's heartfelt sympathy.

Louis E. Reif

The Board of Trustees of The Ohio State University expresses its sorrow upon the death on April 11, 1981, of Dr. Louis E. Reif, Assistant Professor Emeritus in the College of Dentistry.

Dr. Reif received his D.D.S. degree from The Ohio State University College of Dentistry in 1916. He was a member of the faculty from 1916 until he retired in 1962. He also maintained a successful private practice. He served as a Captain in the U. S. Army Dental Corps, World War I.

**RESOLUTIONS IN MEMORIAM (contd)**

Louis E. Reif (contd)

Dr. Reif was a member and past president of the Columbus Dental Society, a member of the American Dental Association, the Ohio Dental Association, and Omicron Kappa Upsilon Dental Honorary Fraternity. He assisted Dr. Ed Mills in establishing the Dr. John Harris Dental Museum at Bainbridge, Ohio.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as an expression of the Board's heartfelt sympathy.

**AMENDMENTS TO RULES OF THE UNIVERSITY FACULTY**

Resolution No. 81-113

*Synopsis: Amendments to paragraphs (A) and (C) of rule 3335-7-32 and rule 3335-9-20 of Rules of the University Faculty are proposed.*

WHEREAS the University Senate pursuant to rule 3335-1-09 of the Administrative Code is authorized to recommend through the President to the Board of Trustees the adoption of amendments to the *Rules of the University Faculty* as approved by the University Senate; and

WHEREAS the proposed changes in the *Rules of the University Faculty* were approved by the University Senate on April 11, 1981, as follows:

3335-7-32 Withdrawal from courses or from the university.

- (A) Withdrawal from the university during a quarter constitutes withdrawal from all courses in which a student is enrolled during that quarter. Upon official notification of the student's withdrawal from the university, the director of registration, records and scheduling is authorized to enter the dated notation "withdrew" on the student's official permanent record.
- (C) Until five p.m. of the fourth Friday of a quarter (third Friday of the relevant term for summer term courses) a student may withdraw from any or all courses which began in the same quarter (or term), and no record for the course(s) will be entered on the student's official permanent record.

3335-9-20 Improper admission or registration.

Admission or registration may be cancelled by the assistant vice president for registration services (or the designated director of admissions or of registration,

records and scheduling) in cases of improper registration or when false or incomplete information is provided on the application for admission, registration forms, or other official documents. No credits earned subsequent to such cancellation and prior to proper admission or registration shall be entered upon the permanent record of the student. Students whose admission or registration is cancelled are not entitled to any refund of fees.

NOW THEREFORE

BE IT RESOLVED, That the foregoing amendments to the *Rules of the University Faculty* be adopted by the Board of Trustees for inclusion in the next publication of this document.

Upon motion of Mr. Immke, seconded by Mr. Smith, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

**DEGREES AND CERTIFICATES - SPRING QUARTER COMMENCEMENT**

Resolution No. 81-114

*Synopsis: Approval is being requested for awarding degrees and certificates for Spring Quarter Commencement.*

WHEREAS pursuant to paragraph (E) of rule 3335-1-06 of the Administrative Code, the Board has authority for the issuance of degrees and certificates; and

WHEREAS the faculties of the colleges and schools shall transmit the names of persons who have completed degree and certificate requirements in accordance with rule 3335-9-29 of the Administrative Code, for approval by the Board of Trustees:

NOW THEREFORE

BE IT RESOLVED, That the degrees and certificates be conferred on June 12, 1981, to those persons who have completed the requirements for their respective degrees and certificates and are recommended by the colleges and schools and that the names of those persons awarded degrees and certificates be included in the minutes of this meeting.

Upon motion of Mr. Hilliker, seconded by Mr. Immke, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

**CHANGE "WILLIAM H. DAVIS PROFESSORSHIP IN THE AMERICAN  
FREE ENTERPRISE SYSTEM" TO "WILLIAM H. DAVIS CHAIR  
IN THE AMERICAN FREE ENTERPRISE SYSTEM"**

Resolution No. 81-115

*Synopsis: Change "William H. Davis Professorship in the American Free Enterprise System" to "William H. Davis Chair in the American Free Enterprise System" is being proposed.*

WHEREAS the Board of Trustees on January 14, 1965, approved a set of guidelines for the establishment of "Named Chairs," which was subsequently modified March 3, 1972, and renamed "Endowed Chairs" and was modified further on May 5, 1978; and

WHEREAS the Board of Trustees on December 15, 1976 approved the establishment of an "Endowed Professorship" to be known as "William H. Davis Professorship in the American Free Enterprise System"; and

WHEREAS all gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates; and

WHEREAS at the time of the establishment of the "Endowed Professorship" it was agreed that the professorship be redesignated the William H. Davis Chair in the American Free Enterprise System when the level of funding is sufficient to endow a chair; and

WHEREAS the level of funding has now reached the level required through unexpended earnings on the original investment:

NOW THEREFORE

BE IT RESOLVED, That the William H. Davis Professorship in the American Free Enterprise System be changed to the William H. Davis Chair in the American Free Enterprise System.

Upon motion of Mr. Immke, seconded by Dr. Jacob, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

**The Dr. Mars G. Fontana Endowment Fund**

The Dr. Mars G. Fontana Endowment Fund was established May 1, 1981, by the Board of Trustees of The Ohio State University with gifts to The Ohio State University Development Fund from Dr. Mars G. Fontana.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees, with the right to invest and reinvest as occasion dictates.

All income is to be added to the principal until the fund reaches \$250,000. At that time eighty percent (80%) of the annual income is to be used to endow and/or augment a professorship in the Department of Metallurgical Engineering. Recipients shall at no time be a department chairman, dean, or person in a comparable administrative position, past or present. The remaining twenty percent (20%) of the annual income is to be added to the endowment fund principal.

Should the need for this fund cease to exist or so diminish as to provide insufficient funds to continue the endowed professorship, then the income is to be used as determined by the Board of Trustees to provide scholarships primarily for qualified and needy students in the Department of Metallurgical Engineering. Recipients are to be determined by the appropriate administrative official directly responsible for the College of Engineering and the Department of Metallurgical Engineering.

**The Delos D. Wickens Lectureship Fund**

The Delos D. Wickens Lectureship Fund was established May 1, 1981, by the Board of Trustees of The Ohio State University with a gift to The Ohio State University Development Fund from former students, friends, colleagues and admirers of Professor Delos D. Wickens of the Department of Psychology, in his honor.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be added to the principal and both will be used to support a lecture series in psychology. Use of the funds will be designated by the Chairman of the Department of Psychology and approved by the Dean of the College of Social and Behavioral Sciences.

Should the need for this fund cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for the scientific study of psychology.

Change in Description of Named Fund

Dai Ho Chun Graduate Fellowship Fund

The Dai Ho Chun Graduate Fellowship Fund was established June 8, 1978 by the Board of Trustees of The Ohio State University with a gift to The Ohio State University Development Fund from Dai Ho Chun, Ph.D. '47, of Honolulu, Hawaii. Dr. Chun endowed the fund in honor of Dr. Harold Alberty, Dr. Boyd H. Bode, Dr. Edgar Dale, Dr. H. Gordon Hullfish, Dr. Ross L. Mooney and Dr. Louis E. Raths.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used to provide one or more graduate fellowships for College of Education students who have been admitted to candidacy for the doctoral degree. The selection of the recipients for the award will be made annually upon the recommendation of the Dean of the College of Education.

The purpose of the fellowship fund is to recognize, encourage and assist outstanding graduate students in education at The Ohio State University who demonstrate promise in contributing much to society.

Should the need for these fellowships cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for graduate education.

**President Enarson:**

The next action is the single most important action that is to be taken today and if I may editorialize for a brief moment, one of the most important actions that is to be taken in the entire period that I have been privileged to serve this University. This is the specific recommendation that the administration be authorized to seek appropriate enabling legislation to effect the merger of the Ohio Agricultural Research and Development Center into The Ohio State University and, Mr. Chairman, I think you may wish to call upon one of your colleagues to present this.

May 1, 1981 meeting, Board of Trustees

Mr. Galbreath:

This is an authorization to seek appropriate enabling legislation to effect a merger of the Ohio Agricultural Research and Development Center into The Ohio State University.

**AUTHORIZATION TO SEEK APPROPRIATE ENABLING LEGISLATION TO EFFECT THE MERGER OF THE OHIO AGRICULTURAL RESEARCH AND DEVELOPMENT CENTER INTO THE OHIO STATE UNIVERSITY**

Resolution No. 81-120

*Synopsis: Authorization to seek appropriate enabling legislation to effect the merger of the Ohio Agricultural Research and Development Center into The Ohio State University is proposed.*

WHEREAS the Board of Trustees of The Ohio State University and the Board of Control of the Ohio Agricultural Research and Development Center have agreed upon the desirability of merging the Ohio Agricultural Research and Development Center into The Ohio State University; and

WHEREAS there has been agreement on the suggested wording of a legislative proposal to be presented to the 114th Ohio General Assembly which will effect said merger:

NOW THEREFORE

BE IT RESOLVED, That consistent with the principles agreed upon by the respective Boards and in furtherance of the objective of merging the Ohio Agricultural Research and Development Center into The Ohio State University, the University administration is hereby authorized and directed to seek the enactment of appropriate enabling legislation; and

BE IT FURTHER RESOLVED, That in the event the necessary enabling legislation is approved by the Ohio General Assembly and signed by the Governor, it shall be the intent of this Board that the phasing of the Ohio Agricultural Research and Development Center into The Ohio State University shall be in accordance with the Memorandum of Understanding between the University Board of Trustees and the Ohio Agricultural Research and Development Center Board of Control.

Mr. Galbreath moved the adoption of the above resolution which was seconded by Mr. Immke.

Dr. Jacob:

I might say that this was discussed by the Educational Affairs Committee this morning and we voted favorably on it.

The foregoing resolution was adopted by unanimous roll call vote.

**MEMORANDUM OF UNDERSTANDING**

**Between the Board of Control  
of the Ohio Agricultural Research and Development Center  
and the Board of Trustees of  
The Ohio State University**

1. The Chief Executive Officer for the College of Agriculture and Home Economics, the Ohio Agricultural Research and Development Center, and the Ohio Cooperative Extension Service, which organizations include the College of Agriculture and Home Economics, the School of Home Economics, the School of Natural Resources, and the Agricultural Technical Institute, shall hold the title Vice President for Agricultural Administration and Executive Dean for Agriculture, Home Economics and Natural Resources.
2. There shall be a Standing Committee on Agricultural Affairs appointed by the Board of Trustees of The Ohio State University, which committee shall include as its Vice Chairman the Director of the Ohio Department of Agriculture, ex officio with voting rights; and such other members as the Chairman of the Board of Trustees may designate.
3. The Ohio Agricultural Research and Development Center, as well as the Ohio Cooperative Extension Service, shall be authorized to continue receiving line item appropriations from the Ohio General Assembly through The Ohio State University. The Vice President for Agricultural Administration, as well as the Director of the Ohio Agricultural Research and Development Center and the Director of Ohio Cooperative Extension Service, shall be authorized to appear before committees of the Ohio General Assembly, as well as committees of the U. S. Congress, to defend budget requests and all other legislative matters which have received prior approval from the President of OSU and are in keeping with Board of Trustees' policy.
4. Accounts for financial activity shall be established for OARDC by the University in a manner that parallels the current OCES accounts. The Vice President for Agricultural Administration and Executive Dean for Agriculture, Home Economics, and Natural Resources shall authorize all expenditures from the funds deposited with The Ohio State University for OARDC and OCES. The Vice President for Agricultural Administration will be accountable to the Board of Trustees of The Ohio State University through the Office of the University President for all expenditures which shall be in accordance with policies and procedures of OSU.  
  
Appropriate OARDC accounts shall be established to receive all monies appropriated to and/or received by The Ohio State University on behalf of the OARDC from grants, contracts, sales of products or items generated by research operations, earned interest income on reserve funds, and any other monies received, including gifts received through the OSU Development Fund.
5. In keeping with the general practice of other U. S. land-grant universities and in accordance with federal and state guidelines, monies appropriated by the USDA, by the Ohio

General Assembly, by Boards of County Commissioners and/or other political subdivisions to OARDC and OCES to provide general support shall be excluded from University overhead assessments. This exclusion from overhead charges will include federal funds coming to OARDC and OCES from federal formula distributions, cooperative agreements, special USDA, and special state grants and projects for which indirect costs are not allowed by the funding agency.

Funds generated from sales of produce or other items incident to the OARDC research programs, from the land assigned by the State of Ohio, whether from agriculture, forestry, [gas, oil or minerals] shall be deposited in appropriate OARDC accounts. No OSU overhead assessment will be made on such earnings unless such assessments are fully justified and approved by the Board of Trustees.

6. Reporting to the Vice President - Agricultural Administration and Executive Dean - Agriculture, Home Economics and Natural Resources will be:

- a. Director, OARDC
- b. Director, OCES
- c. Dean, College of Agriculture and Home Economics
- d. Director, School of Home Economics
- e. Director, School of Natural Resources
- f. Director, Agricultural Technical Institute

It is recognized that these titles and responsibilities may change pursuant to alterations in goals and programs.

7. Faculty paid any or all of their salary from OARDC or OCES funds shall be recognized as tenure track OSU faculty, with attendant rights and privileges of tenure, as well as potential for appointment and promotion to assistant professor, associate professor, and professor. Further, in the case of the OARDC, the criteria for promotion and tenure are to be based on research accomplishments and productivity if the OARDC is the major source of continuing salary support, or on Extension educational accomplishments and productivity if the OCES is the major source of continuing salary support.

8. The motor vehicle fleet of the OARDC shall be operated under supervision of the OARDC Physical Plant Department and the Vice President for Agricultural Administration, subject to policies of The Ohio State University.

9. All research grants and contracts to individual investigators or groups of investigators who are housed at Wooster or at OARDC Outlying Branches, will proceed through review and final approval by the Director, OARDC, and the Vice President for Agricultural Administration before proceeding through the usual University administrative review. Via joint appointment, OSURF (Ohio State University Research Foundation) representation will be developed at OARDC to stimulate interest in and to assist and expedite the internal review processes for individual grants and contracts before submission to outside agencies. Equitable policies shall be developed, mutually agreeable to OARDC and OSURF, with respect to

the assignment of indirect cost recovery for projects carried out at OARDC facilities or accomplished in shared OARDC and other OSU facilities. Because of uncertainties in federal requirements for computing indirect cost rates and the manner in which research is costed at various locations, it is agreed to assess this issue for equitability two years hence.

10. Federal formula funding, shall be apportioned, as in the past, between the College of Veterinary Medicine at The Ohio State University and the Department of Veterinary Science at the OARDC and shall continue to support research into the causes, prevention, and control of diseases among farm animals and poultry.

11. All OARDC faculty, administrative and professional staff, and classified employees shall be appointed at The Ohio State University at the same or equivalent rank and tenure status as presently held at the OARDC. Appointments at OSU shall be made within the classification system used by the University, but in no case shall any individual be reduced in salary or status as a result of this action.

12. The present OARDC policy of designating research scientists, with 50% or more OARDC appointment, to undertake assigned research duty at locations or institutions other than their home department shall be continued on the basis that the College of Agriculture and Home Economics research scientists with 50% or more OARDC salary commitment over the prior six years can be away from their Ohio duty posts for six months at full salary or twelve months at half salary under the long-standing practices of assigned research duty at the OARDC and the OARDC shall pick up their total salary during such periods of duty.

13. The Vice President for Agricultural Administration shall report to the President of the University for all administrative and fiscal affairs and to the Provost of The Ohio State University for academic affairs, including appointment, tenure, and promotion of all faculty.

14. Without detracting from the authority or responsibility of the Vice President for Agricultural Administration and/or the Director, OARDC, and the Director, OCES, all of the foregoing operations shall be undertaken in cooperation with and in consonance with University rules as delineated by the OSU Board of Trustees and administered by the President of The Ohio State University.

15. The functions implicit in maintaining physical plant, business affairs, statistics laboratory, library, research operations, and public information shall continue at the OARDC, responsible to the Vice President for Agricultural Administration through the Director of the OARDC. These functions will be coordinated with appropriate offices on the Columbus campus.

16. In recognition of operating procedure differences between The Ohio State University and the Ohio Agricultural Research and Development Center, fiscal 1981-82 shall be considered a year of transition.

## REPORT OF THE MEDICAL RESEARCH AND DEVELOPMENT FOUNDATION

President Enarson called on Dr. Wall and Dr. Fass to present a report for the Medical Research and Development Foundation.

Dr. Wall:

Mr. Devenow and members of the Board, we are nearing completion of the second year of the Medical Research and Development Fund Board which was created as part of the Practice Plan Agreement of March 2, 1979. The function of this Board, as you recall, was to serve as agent to facilitate and monitor the functions of the departmental practice plan which has been approved by the department, by the dean, and by the practice plan committee. Elections were held after this settlement to decide who the six faculty members would be. They were Dr. Ronald Berggren and myself for three years; Dr. James Kilman and Dr. Fass for two years; Dr. David Kelly and Bob Weber for one year. We held our first meeting July 12. We have had eight meetings and, while it may sound terribly boring, I'd like to just hit the highlights of some of them if I may.

At this first meeting, the articles of incorporation and code of regulations and certification of registration for the State of Ohio and appointment of the statutory agent were distributed. Officers were elected, who were Dr. Fass, treasurer; Robert Weber, secretary; myself as president and chairman. We then appointed two committees; one, an executive committee being the elected officers and Dean Henry Cramblett; the finance committee being the treasurer, Dr. Fass, Vice President Vandament, and Dr. James Kilman. I have sat in on that finance committee ex officio so that we would have some continuity. After the discussions and some minor changes in the code of regulations, they were unanimously accepted. At that time, as a group of amateurs (being a sort of polyglot of medical and surgical disciplines and University administrators) at the helm, the Board was launched, and we realized that we probably needed a great deal of professional expertise, especially in the fields of accounting and law. We heeded President Enarson's original plea that we stick to a bare bones operation. This was not difficult to achieve because we had no operational funds whatsoever, and we were going on a promise, so to speak: Dr. Vandament did offer at that first meeting support for a part-time staff person to be hired at some later date, which was considerably later.

We then held another meeting in September, 1979. No departmental plans had been approved at that time that we could function with. The departments had formed their plan and were starting to form their own accounts so that they could keep the money in escrow until such time as the accounts and organizational programs were formed. It was discussed and agreed that there were a lot of things that had to be hacked over, but one of the things that was emphasized was that there would be no charges made against the departments by anyone unless it was a part of the expense for enrichment plans developed by the departments and approved by the dean and the practice plan. It became apparent right away that permission had to be delegated to the finance committee to function in an interim basis so that we could keep moving, and this was delegated so that we could proceed with exploring banking facilities and possibly getting staff help.

## REPORT OF THE MEDICAL RESEARCH AND DEVELOPMENT FOUNDATION (contd)

Dr. Wall: (contd)

The third meeting was held a few months later in November, and we had at that time obtained an IRS number and agreed to establish our accounts at the bank on a six month trial basis. We also started to arrange the paperwork to facilitate getting co-signatures from the departmental representatives. By this time, 11 departmental plans had been approved.

We held another meeting a couple months later in January, 1980, and by that time rather extensive bank forms had been completed and signature cards were obtained. Prior to the opening of the bank accounts, departmental funds had been held in individual bank accounts and were then being transferred to our now open account so it could all function through one area. A number of personnel corrections were necessary in University rotaries; funding the situation for those that were now included in the practice plan had to be adjusted. Dr. Vandament said he would make a special effort to do so with Assistant Dean Huddleston of the College of Medicine to see that these were adjusted. At this time no staff had been hired so the work was still being done by the amateurs.

The fifth meeting was held April 3. At that time we had been fortunate in obtaining a young man who was a student about to graduate and had had some experience working here--Bob McMullen has been invaluable in assisting us. His employment was arranged by Dr. Vandament. By March 6, 1980, practically the anniversary of the time of settling, the bank accounts were opened, the 13 departmental subaccounts named MRDF accounts were functioning. Dr. Fass, our treasurer, will discuss and give you details if you wish and answer any questions you might have. It was sort of resolved by the committee at that time that we ought to have some working guidelines on how this thing should work, so this was delegated again to the finance committee to come up with a procedure which was later accomplished. Dr. Vandament at this time also--to correct some problems that might have arisen in the enrichment situation--proposed that the Presidents Club memberships of certain people be 'grandfathered' when they had previously been partially paid under a situation of enrichment so that it would be credited to solve the problem, so there were a number of people involved in that situation.

We held the first meeting of our general membership in May and obviously had to elect new members again because the year had passed. Dr. Atis Freimanis and David Kelly were elected. We needed to take some nominees from the practice plan committee as well as floor nominees.

A week or so later, the sixth meeting of the MRDF was held. The finance committee was authorized at that time to engage an auditing firm to audit the MRDF, and legal counsel was selected. The MRDF reelected the chairman and the treasurer and elected Dr. Freimanis as secretary at this time. The finance and executive committees were kept intact as they had been the first year.

The seventh meeting--a fair amount was accomplished. By this time we were getting a few things done. Essentially, as most of these things have been a report

**REPORT OF THE MEDICAL RESEARCH AND DEVELOPMENT FOUNDATION (contd)**

Dr. Wall: (contd)

of the finance committee, we had applied and received tax exempt status with the IRS, we had been audited by our auditor, and they had made some suggestions for correcting certain things that would protect the tax exempt status. Variances were noted in 1979-1980 academic enrichment commitments in a few departments and were reported to the Dean of the College of Medicine for resolution. We presented a policy and procedure manual. It was approved and distributed to the departments. We also developed guidelines for the utilization of MRDF departmental accounts, and this was approved and distributed. We developed a uniform format for the preparation and submission of departmental enrichment plans, and this was approved and distribution made to the departments. It's amazing the amount of bureaucracy and paperwork we have generated with one part-time employee.

Certain changes in the enrichment plan, I would comment on--the form of the tax exempt status would be minor and would only apply to a couple of the departments and have since been corrected. The details of these, Dr. Fass will discuss.

The Board again delegated to the finance committee the authority to make any adjustments in keeping with our auditor's suggestions. The practice plan reported at that time that three departmental practice plans had not been submitted for the dean's approval. We then moved to give Robert McMullen, our staff employee, a bigger title, but I don't think he got a raise. I think he was made Executive Secretary of the MRDF; it was really functional for better correspondence; he receives more attention than previously.

The eighth meeting was held yesterday. The treasurer reported on an update of the MRDF, the quarterly and fiscal financial reports. It was reported that the acting dean had approved the final three departmental plans. To complete this report, I will ask Dr. Fass, if he will, to bring you up to date on where we are fiscally. Any questions you may have, I will try to answer them.

Dr. Fass:

Thank you. The first fiscal year, namely fiscal year 1979-1980, the total budget for the whole department (the departmental practice plans)--and these are in rounded figures--is \$1.8 million. Our income the first year included \$800,000 in credits as money expended towards these plans prior to the opening of the bank accounts plus \$900,000 in cash. Other income generated included \$9,000 investment income on balances maintained through the bank. Expenditures included the \$800,000 in credits which had already been expended; \$300,000 in withdrawals; and as of June 30, 1980, on the balance in the central bank account was approximately \$600,000. Our total expenses for the first operating year as Dr. Wall already alluded to were all under a total of \$830. The audit was accomplished by Price Waterhouse, and they found that all the books and expenditures and accounts were in order. The first reports of fiscal year 1980-1981, most

practice plan programs and budgets remain similar. Income in the first three quarters of the current fiscal year is \$1.8 million, withdrawals \$1.9 million, investment interest \$50,000, expenses \$452. We have a balance in our central account, as of March 31, of approximately \$500,000.

Dr. Jacob:

I'd like to ask Vice President Cramblett; are there any department plans that have not been approved as of this date?

Dr. Cramblett:

I think we better direct that to Dr. Fass because the Vice President for Health Sciences, when this was written, was not included administratively. The question was, Bob, has the dean approved all 13 plans? I think you said earlier that he had.

Dr. Fass:

The first fiscal year of operation, every department had an approved practice plan. The current fiscal year, there are still three plans that have not finally been approved. It is my understanding that they are in the process. In some of these the problems with the delay related to major changes within the department in terms of faculty leaving or not getting as many as possible and so some of these delays were based on those kinds of reasons.

Dr. Wall:

I think it should be stated, however, that despite the fact that these plans are not totally approved within the functional system of approval, the asking for funds has continued on the basis of the previous year's funds.

Dr. Jacob: As if they had been approved.

Dr. Vandament:

At this point certainly each of the three departments has submitted a plan, and they're operating under the assumption that it will be accepted. We're simply waiting now for some of the red tape of getting all of the approvals. You will recall, the department chairman had to approve the plan, the dean, and the practice plan committee. I might note that in this first two years of operation, one of the functions of the Medical Research and Development Foundation Board was to have been that of adjudicating any difficulties or any disagreements that might arise when a plan was not approved by all parties, and to this date, we have not yet had one plan referred to us. The departments, the dean, and the practice plan committee have all been able to reach agreement on all the plans.

**REPORT OF THE MEDICAL RESEARCH AND DEVELOPMENT FOUNDATION (contd)**

Mr. Galbreath:

Mr. Chairman, do you foresee or envision that we will get an update on how this is all working annually or are we just going to get this one update, and then assume that it goes well or what is the kind of a system that might work on this?

Dr. Wall:

By the practice plan agreement there is supposed to be an annual report. We are early for this year and late for last year. We didn't have anything really accomplished.

Mr. Devenow: Dan, their fiscal year is June 30, right?

Dr. Wall: That's right.

Mr. Devenow:

We've examined their three quarters, and I think that the presentation--I agree with you--should be made annually at the end of their fiscal year.

Mr. Galbreath:

Well, I guess the reason I'm bringing it up--because of the sensitivities, even though it seems to be going well--I'd like to request that when the last three departments have it in place, let's don't wait until the next year to get that report. Could you give us an interim report? I realize that it's a technical thing, but in the community as some of us are, I think it would be better for us to communicate that way.

Dr. Vandament:

The delay on the report of the prior fiscal year was related in part to the fact that we were going back and forth with auditors and attempting to establish the report format, the reporting practices--go back retrospectively with our accounting system--to make sure that it was consistent with the auditors, while with the accounting firms recommendations. For coming years I think there will be no problem at all in issuing timely reports.

Mr. Galbreath:

Well, my question stems clearly from the fact that you say it is a 'red tape' problem. Mine is not one of pressure, mine is one of information. I think it would be helpful, at least to me, to know when the last three are in place.

May 1, 1981 meeting, Board of Trustees

**REPORT OF THE MEDICAL RESEARCH AND DEVELOPMENT FOUNDATION (contd)**

Dr. Vandament:

I might add that I have spent a great deal of time, as you might have guessed, with the gentlemen here over the course of the last year and one-half. We've had to go into incredibly detailed technical work to bring into a uniform method the flow of funds and to establish the organization and all of the procedures. Everyone has worked quite hard at it. It has been complicated, but I think also it's been a very rewarding experience for us as well.

President Enarson:

I also think that the next time that the Board puts this matter on the agenda, there needs to be a report from the College of Medicine with respect to what the academic enrichment plans are doing in the way of enrichment; both the actual results and the sense of the situation.

Mr. Devenow:

We've heard those recommendations, Dr. Vandament, and let's see if we can button it up for the Board so they are kept abreast. Any other questions? Thank you, Dr. Wall and Dr. Fass, very much for your presentation.

**INTRODUCTION OF USG OFFICER**

President Enarson:

Yes, I think at this time--I hope Bill Nester won't be too startled--would you take upon yourself the pleasure of introducing Eric to the group?

Dr. Nester:

I'd be happy to. A strong tradition has emerged in recent years of outstanding student leadership in key government positions within the University. Because of class conflicts, Eric Seabrook, who is the Vice President for Undergraduate Student Government, was not able to be here. He is cut in the mold of his predecessors--he is bright, articulate, and dedicated. I would like to present Eric Seabrook at this time.

Mr. Seabrook:

Good afternoon. Basically, I would like to take this opportunity to express the hope of Robert Pritchard, President of the Undergraduate Student Government, and myself that we can continue to carry on the tradition as set down by our predecessors, Rick Ricketts and Paul LaRue, and hopefully we'll have beautiful relations over the coming year. Thank you.

May 1, 1981 meeting, Board of Trustees

**INTRODUCTION OF USG OFFICER (contd)**

President Enarson:

I might say to the Board that I've had the opportunity to at least begin to get acquainted with Bob Pritchard and Eric, and I can assure the Board that our Undergraduate Student Government is graced with two very fine, very able, very promising, very dedicated young men.

Dr. Jacob: It's been a pleasing change over the years.

President Enarson: No comment. That concludes my report.

**TRIBUTE TO PATRICIA D. JAMES**

Mr. Devenow:

We have a task to perform here and I have mixed emotions about it. One is that I am sure Patty is relieved to get all these problems behind her. On the other hand, I am sure that we will all miss her. Her term is up as of this meeting and we--May 13 I think is the actual date, Patty--and we'll miss her very much. I have been on the Board with her for many years, and I have developed a tremendous respect for her insight, for her ability to get her hands on serious problems and find solutions, and I think she'll be a great loss to us; on the other hand, I am sure she is very relieved that she will no longer have to face many of these problems. As a result of that, Pat, we have here two gifts for you. One is the gavel that reads as follows:

**PATRICIA D. JAMES**

**IN APPRECIATION OF HER SERVICE  
TO THE BOARD OF TRUSTEES OF  
THE OHIO STATE UNIVERSITY  
MEMBER 1972-1981  
CHAIRMAN 1979-1980**

We present this to you. In addition, Pat, there is a gift of a Gorham Revere bowl which is engraved.

**IN RECOGNITION OF OUTSTANDING SERVICE TO HER  
ALMA MATER AS A MEMBER OF THE  
BOARD OF TRUSTEES,

PATRICIA D. JAMES  
ITS DEEP APPRECIATION AND GOOD WISHES**

May 1, 1981 meeting, Board of Trustees

**TRIBUTE TO PATRICIA D. JAMES (contd)**

Mrs. James:

For the first time, I guess, in nine years I am speechless. They have been threatening me all morning, 'No tears,' but I think I am going to exercise my prerogative as a female and cry anyway. All I can say is that it's been a tremendous journey for me. It's been quite an experience, a learning experience, and a growth experience. I came back to the University after an absence of 15 years. I left here as a wide-eyed student, an idealistic student, never dreaming that I'd ever come back in this capacity. I've certainly appreciated the opportunity to serve--this place really grows on you. I am eternally amazed at the dedication and the commitment to this University that you find wherever you go. It doesn't matter if it's students, alumni, faculty, administration; everybody is so devoted to this University that it is catching. I often have thought that sometimes we get bogged down in routine with resolutions, reports and so on. But when you really stop and take a look back as your term ends--and I am sure you all will go through this--you realize that all of that paper and all those resolutions and plans translate to things--to buildings, to programs, to colleges; and those things then transfer into serving people. And I think the most poignant thing that brings it home to me--that we are serving people--is when you go to commencement and see the joy on the faces of our graduates four times a year and when you see tears in the eyes of mothers and fathers and wives and members of the graduate's family. I certainly have found that it has been quite an experience for me--one that I'll never forget--and I'm sure that my family will never forget. I certainly have appreciated getting to know each and every one of you and I'll miss you; I'll miss you all terribly, but I'm sure we'll see each other again. Thank you.

## Recipients of Honors

### **Richard J. Anderle** Doctor of Science

Distinguished scientist and public servant, Richard J. Anderle is recognized internationally for his singular contributions to satellite geodesy. His innovative research brought new precision to the measurement of the earth's gravitational field and greatly increased the accuracy of positioning on the earth, in the air, and at sea. As an architect of the Navy Navigational Satellite System and the Space Surveillance System, he provided exceptional leadership for programs critically important to this nation and earned the deserved recognition of government. His scientific achievements have advanced the frontiers of knowledge. The Ohio State University is honored to honor him for his many contributions to science and to his country.

### **Eileen Heckart** Doctor of Humane Letters

The Ohio State University acclaims Eileen Heckart's distinguished achievements in the performing arts and rejoices that one of its own has contributed so much to the American theatre. A truly exceptional artist, she brings unusual flair and insight to every role. Widely honored for her excellence as an actress, she has received the Outer Circle, Donaldson, and New York Drama Critics Awards for theatre; Emmy and Sylvania Awards for television; and an Oscar for her work in films. Through the years she has retained a special place in her life for her alma mater and has shared her time and talent generously to further theatre at this University. Eileen Heckart personifies the highest standards of her profession and the finest traditions of The Ohio State University.

**Audrey P. Enarson**  
Distinguished Service Award

As "First Lady" of The Ohio State University, Audrey P. Enarson has contributed immeasurably to the advancement of this institution and to the creation of good will on its behalf. She has represented Ohio State with unusual sensitivity and skill. She has shared her life generously with others, through a wide range of campus, community, and national groups. Her record of service is impressive. Yet her lasting contribution to this University may best be found in the warmth of personality and the concern for people that made her a superbly effective partner in the leadership of Ohio State.

**Harold L. Enarson**  
Doctor of Humane Letters

As history will record, The Ohio State University has been served exceedingly well by Harold L. Enarson. During his nine years as President, he shaped the spirit and mission of this University in lasting ways. Today, Ohio State's programs are stronger and its reputation more eminent than ever before. To the Presidency he brought an incisive mind and firm hand, common sense and compassion, unswerving integrity and high purpose. An articulate and courageous spokesman, he presented issues in sharp focus and gave Ohio State a national voice. He is one of the nation's outstanding academic leaders, widely respected for his commitment to excellence and honored for his contributions to higher education. The Enarson Years have made Ohio State a finer University, and for this, all citizens of Ohio are in his debt.

THE OHIO STATE UNIVERSITY  
OFFICIAL PROCEEDINGS OF THE  
ONE THOUSAND ONE HUNDRED AND SIXTY-NINTH MEETING  
OF THE BOARD OF TRUSTEES

Columbus, Ohio, June 11, 1981

The Board of Trustees met at its regular monthly meeting on Thursday, June 11, 1981, at The Ohio State University Fawcett Center for Tomorrow, Columbus, Ohio, pursuant to adjournment.

Present: Chester Devenow, Chairman, Warren J Smith, John D. Jacob, D. James Hilliker, John F. Havens, Edmund C. Redman, and Leonard J. Immke.

\* \* \*

Minutes of the last meeting were approved.

\* \* \*

June 11, 1981 meeting, Board of Trustees

The Chairman, Mr. Devenow, called the meeting of the Board of Trustees to order at 12:00 noon. He requested the Secretary to call the roll. The meeting recessed into Executive Session for the purpose of considering personnel-related matters.

Present: Chester Devenow, Chairman, Warren J Smith, John D. Jacob, D. James Hilliker, John F. Havens, and Edmund C. Redman.

The meeting of the Board of Trustees reconvened at 1:30 p.m.

### **STATEMENT RELATIVE TO SELECTION OF A PRESIDENT FOR THE OHIO STATE UNIVERSITY**

Mr. Devenow:

I would like to make the following statement. The Personnel and Educational Affairs Committee of the Board of Trustees met in Executive Session with all other members of the Board in attendance (with the exception of Mr. Galbreath who is out of the city and Mr. Berry who was unable to attend) and received the completed report from the Search Committee and its Chairman, Mr. John F. Havens, on the selection of a president for Ohio State University. In order that the full Board may have an opportunity to review the report and the recommendations of the committee, at the close of this meeting I will ask the Secretary of the Board of Trustees to arrange, at the earliest possible date, a time and a place for the Board to meet in Executive Session to consider this most important personnel matter. This meeting will mark the first time the full Board of Trustees has been convened for the express purpose of considering the Search Committee's report and recommendations. Pending a complete and full review of the report and recommendations, there will be no further public announcement concerning the presidential search. We trust that the sensitivity and the need for careful, thoughtful deliberation concerning this matter which is the highest priority for Ohio State University will be appreciated. With this announcement, the work of the Search Committee on the Selection of a President is complete. I would like to take this opportunity to thank each member of the committee for a truly splendid effort. I would especially like to note the contribution of Jack Havens, the Chairman of the Search Committee, who carried out his assignment in an outstanding way. His commitment and devotion to this task merit the highest accolade, and we are deeply grateful. That concludes my statement.

**HONORARY DEGREE**

Resolution No. 81-123

*Synopsis: Approval is requested for awarding an honorary degree.*

WHEREAS the Committee on Honorary Degrees and the University Senate, pursuant to rule 3335-5-57 of the Administrative Code, have approved for recommendation to the Board of Trustees awarding of an honorary degree as listed below:

Harold L. Enarson

Doctor of Humane Letters

NOW THEREFORE

BE IT RESOLVED, That the above honorary degree be awarded in accordance with the recommendation at a time convenient to the University and the recipient.

Upon motion of Mr. Devenow, seconded by Mr. Immke, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

**INTRODUCTION OF NEW TRUSTEE - JOHN W. BERRY**

Mr. Devenow:

We have a new trustee who has been appointed by the Governor, and I would like to congratulate John W. Berry; I spoke to him on the phone. Because of a prior long-standing commitment he wasn't able to make this meeting. He wanted to convey to the Board his regrets that he wasn't able to attend, and he is excited about his appointment as being a member of this Board. He is, I am sure, bringing a long business experience to this Board. He has been involved in education in many respects. He is Chairman of the Board and Chief Executive Officer of L. M. Berry and Company of Dayton and has been associated with the firm since 1940.

June 11, 1981 meeting, Board of Trustees

**INTRODUCTION OF NEW TRUSTEE - JOHN W. BERRY (contd)**

Mr. Devenow: (contd)

In addition to his service now as an Ohio State trustee, he is a trustee of the University of Dayton and the Air Force Museum Foundation in Dayton. He is a member of the Board of Visitors to the University of Dayton Law School, the Presidents Club of Wright State University, the Advisory Council of Notre Dame University's College of Business Administration, the Resources Committee and Alumni Council of Dartmouth College, and the Board of Advisors of the Council for Financial Aid to Education. He is a 1944 graduate of Dartmouth College. Mr. and Mrs. Berry have five children. We are delighted to have him, and he will be at our next meeting, he assured me.

--o--

**ACKNOWLEDGMENT OF HONORARY DEGREE BY PRESIDENT ENARSON**

President Enarson:

Mr. Chairman and Members of the Board, I apologize in advance. I am in my fourth week of laryngitis and almost through the speech circuit. Perhaps with unusual brevity, I will conclude this meeting today. I am very sincere when I say that I am extremely gratified with the award of the Doctor of Humane Letters, and it comes to a man whose letters are generally not noted for their civility, let alone for their humanity. I particularly appreciate it. Some of the staff are laughing because they have been the recipients of these notes.

**RESOLUTION IN MEMORIAM**

Resolution No. 81-124

*Synopsis: A resolution honoring the service of one of this University's faculty members who has recently died is being proposed.*

RESOLVED, That the Board adopt the following Resolution in Memoriam and that the President be requested to convey a copy to the family of the deceased.

Upon motion of Dr. Jacob, seconded by Mr. Smith, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

Nobuhisa Baba

The Board of Trustees of The Ohio State University expresses its sorrow upon the death on May 5, 1981, of Nobuhisa Baba, Professor of Pathology.

June 11, 1981 meeting, Board of Trustees

## RESOLUTION IN MEMORIAM (contd)

Nobuhisa Baba (contd)

Doctor Baba was born in Tokyo, Japan, in 1932 and lived in that beautiful country during his formative years. He received the M.D. degree from the Faculty of Medicine of the University of Tokyo in 1957, and interned at the University Hospital in that city in 1957-58. As a young postdoctoral student, Nobi came to Ohio State to study experimental carcinogenesis under Doctor Emmerich von Haam. He not only trained as a resident physician in pathology, but also, because of his great love of research, chose to combine this program with a full graduate program in experimental pathology. He finished his residency training in 1963, having earned the M.S. degree in 1961, and was awarded a Ph.D. in experimental pathology in 1965. He became board certified in anatomic and clinical pathology in 1966, and not content with these accomplishments, passed the board examination in forensic pathology in 1967. Even at this early stage in his career his interests were legion.

In 1966 he was promoted to Assistant Professor in Pathology, to Associate Professor in 1970, and became a full Professor in 1974. He was appointed Director of the Division of Pathologic Anatomy in July 1967, a position he held until just prior to his death this year. Quite simply stated, Nobi's whole professional and personal life revolved around the College of Medicine and The Ohio State University which he served with enormous loyalty and distinction. No task was too menial, no committee appointment too trivial, no request for help so onerous that he would not respond with all his energy. His devotion to the College and to this University was unswerving to the end and he gave full measure to ensure its success and growth.

Dr. Baba was an academic pathologist in the finest sense of the term and one of the few persons who was truly a triple threat faculty member. He authored or co-authored more than 60 papers and was a nationally recognized expert in the field of cardiovascular pathology and sudden death. This later work often overshadowed the fact that Doctor Baba published some of the seminal papers on experimental carcinogenesis with Doctor von Haam early in his career. Nobi, despite a continuing tussle with the English syntax, was a great teacher. Proof of this, if needed, was his induction as an honorary member of Alpha Omega Alpha in 1978, a recognition by the medical students and faculty of his concern for their education. His contributions to graduate education were equally impressive. He was constantly surrounded by 4-6 graduate students, and always found time to counsel and stimulate them. His unselfish dedication to these students is demonstrated by the fact that he continued to direct their activities from his hospital room until two weeks prior to his death.

The house staff in pathology were also beneficiaries of the wealth of knowledge he possessed in general pathology—he truly knew “nearly everything about everything” in our discipline. He was a constant source of information, not only to our house staff and faculty but to his clinical colleagues as well.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as an expression of the Board's heartfelt sympathy.

**DISTINGUISHED SERVICE AWARDS**

Resolution No. 81-125

*Synopsis: Recommendation for seven individuals to receive Distinguished Service Awards is proposed.*

WHEREAS the President's Staff, serving as a Committee on Distinguished Service Awards, has nominated and recommended seven individuals for approval by the Board of Trustees to receive the Distinguished Service Award at a time convenient to the University and the recipients:

Francis Aumann  
Jack O. Evans  
John A. Prior  
Walter Cade Reckless  
Robert C. Ringer  
Clarence E. Taft  
J. Edward Weaver

and

WHEREAS these awards are given in recognition of distinguished service to The Ohio State University and the awards are in accordance with action taken by the Board of Trustees in 1952:

NOW THEREFORE

BE IT RESOLVED, That the Distinguished Service Awards be approved for awarding as designated above.

Upon motion of Mr. Hilliker, seconded by Dr. Jacob, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

**HONORARY DEGREE**

Resolution No. 81-126

*Synopsis: Approval is requested for awarding an honorary degree.*

WHEREAS the Committee on Honorary Degrees and the University Senate, pursuant to rule 3335-5-57 of the Administrative Code, have approved for recommendation to the Board of Trustees awarding of an honorary degree as listed below:

Alistair Cooke

Doctor of Humane Letters

June 11, 1981 meeting, Board of Trustees

**HONORARY DEGREE (contd)**

NOW THEREFORE

BE IT RESOLVED, That the above honorary degree be awarded in accordance with the recommendation at a time convenient to the University and the recipient.

Upon motion of Mr. Immke, seconded by Mr. Smith, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

**BUDGET SUMMARY (THIRD QUARTER 1980-81)**

Resolution No. 81-127

*Synopsis: The third quarter budget summary, 1980-81, is presented for review and acceptance.*

This budget summary for the third quarter 1980-81 contains revised estimates of resource and expenditure/commitment projections as actual data have become available. Included are the effects on Columbus Campus unrestricted funds of actual Winter and Spring Quarter enrollments, release of additional state line item funding, and additional increases in anticipated temporary investment income. Revisions to restricted funds net to a \$127,000 decrease from the second quarter report representing redistributions of grant and contract activity. Revisions to earnings operations income and expense reflect adjustments based on activity to date.

WHEREAS the third quarter report of the 1980-81 current funds budget covering the period January through March, 1981 is presented for review by the Board of Trustees and its income and expense estimates deviate by less than 1 per cent from the 1980-81 budget approved by the Board in February, 1981; and

WHEREAS the projected expenditures and commitments of the third quarter report for 1980-81 are supported by adequate income:

NOW THEREFORE

BE IT RESOLVED, That the accompanying third quarter budget report be accepted.

Upon motion of Mr. Hilliker, seconded by Mr. Havens, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

**EXPENDITURE AUTHORIZATION 1981-82**

Resolution No. 81-128

*Synopsis: Authorization to make expenditures in 1981-82 is requested.*

WHEREAS levels of State financial support for 1981-82 have not yet been established; and

WHEREAS it is prudent to defer decisions concerning salary levels, fee levels, and other expenditures until the General Assembly has adopted an appropriations bill determining State support; and

WHEREAS it is necessary to continue making various expenditures, including payment of faculty and staff, prior to the time that a Current Funds Budget for 1981-82 is adopted:

NOW THEREFORE

BE IT RESOLVED, That the University be authorized to make expenditures consistent with those levels contained in the Third Quarter Report of Fiscal Year 1980-81 until the Current Funds Budget for 1981-82 is adopted; and

BE IT FURTHER RESOLVED, That within one week following passage of a State appropriations bill, the President will present the Administration's recommendations for a Current Funds Budget for 1981-82 to the Board of Trustees.

Upon motion of Mr. Hilliker, seconded by Mr. Immke, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

**APPOINTMENT OF TRUSTEES FOR POOLED  
INCOME TRUST FUNDS I, II, AND III**

Resolution No. 81-129

*Synopsis: Appointment and reconfirmation of Trustees for Pooled Income Funds I, II, and III are recommended.*

WHEREAS the Board of Trustees by actions of December 4, 1970, September 10, 1976, and September 7, 1979, established Pooled Income Funds I, II, and III as convenient means for University benefactors to contribute financial support to the University and at the same time retain income during their lifetime; and

WHEREAS since that time the Board has appointed individuals to serve as Trustees for Pooled Income Funds I, II, and III; and

June 11, 1981 meeting, Board of Trustees

**APPOINTMENT OF TRUSTEES FOR POOLED  
INCOME TRUST FUNDS I, II, AND III (contd)**

WHEREAS since the establishment of these Funds, it has been and is the intent of the Board that the Treasurer of The Ohio State University automatically serve as one of the Trustees of each of these Funds:

NOW THEREFORE

BE IT RESOLVED, That the Treasurer of The Ohio State University or, in his or her absence, the Acting Treasurer, for so long as he or she holds such position, be and hereby is appointed as a Trustee of Pooled Income Funds I, II, and III and any other Pooled Income Funds that may subsequently be established; and

BE IT FURTHER RESOLVED, That James R. McCoy be and hereby is reconfirmed as a Trustee of the Pooled Income Trust Funds I, II, and III; and

BE IT FURTHER RESOLVED, That Thomas J. Kolda be and hereby is appointed as a Trustee of Pooled Income Trust Funds I, II, and III, to replace Charles R. Traphagan who has resigned as a Trustee.

Upon motion of Mr. Hilliker, seconded by Mr. Havens, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

**NOVICE G. FAWCETT CHAIR IN EDUCATIONAL ADMINISTRATION**

Resolution No. 81-131

*Synopsis: Authorization to complete the funding of the Novice G. Fawcett Chair in Educational Administration is requested.*

WHEREAS by resolution dated October 12, 1966, on the occasion of his tenth anniversary as President of The Ohio State University, the Board of Trustees gave special recognition to Novice G. Fawcett by establishing the Novice G. Fawcett Professorship in Educational Administration; and

WHEREAS at its meeting on September 8, 1972, the Board redesignated the Novice G. Fawcett Professorship in Educational Administration as an endowed chair in educational administration; and

WHEREAS gifts and pledges continue to be received for the purpose of providing funds to fully endow this chair; and

WHEREAS it is the wish of this Board to insure at this time that the chair is funded at the requisite level as a University tribute to President Emeritus Novice G. Fawcett:

NOW THEREFORE, BE IT RESOLVED, That the unfunded balance which is needed to fully endow the Novice G. Fawcett Chair in Educational Administration shall be provided from interest which has accrued to the University in its unrestricted endowment fund; and

BE IT FURTHER RESOLVED, That the Vice President for Finance and Planning is hereby authorized and directed to take appropriate action to transfer from the unrestricted endowment accounts to the permanent endowment fund such accrued interest in a sum sufficient to insure the full funding of the Novice G. Fawcett Chair in Educational Administration.

Upon motion of Dr. Jacob, seconded by Mr. Redman, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

June 11, 1981 meeting, Board of Trustees

President Enarson:

The next item--perhaps the Chairman would wish to move or have some member of the Board present it.

Dr. Jacob presented the following resolution:

**APPOINTMENT - DR. WILLIAM R. WALLACE  
DEAN OF THE COLLEGE OF DENTISTRY**

Resolution No. 81-133

WHEREAS the College of Dentistry Dean Search Committee reported two candidates as acceptable to them, namely, Dr. Valdemars Jekkals and Dr. William R. Wallace; and

WHEREAS, the President, after interviewing both candidates, recommended the appointment of Dr. Jekkals as the Administration's choice; and

WHEREAS after full consideration in Executive Session of the merits of both candidates, it is the judgment of the Board that Dr. Wallace having served ably in the role of Acting Dean and being found acceptable to the Search Committee should be appointed to fill the vacancy:

NOW THEREFORE

BE IT RESOLVED, That Dr. William R. Wallace be and he hereby is appointed Dean of the College of Dentistry.

Upon motion of Dr. Jacob, seconded by Mr. Havens, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

Mr. Devenow:

I would like to make a comment before we leave that. We appreciate the energies expended in the search effort by the Committee and by the Administration. Personnel decisions are sometimes extremely difficult. Men and women of sound judgment can have honest disagreements. In this case the Administration made its recommendation and the Board considered it very carefully. However, we feel that on balance the best choice is the man who has served long and well in the College of Dentistry with part of that service as Acting Dean.

**Establishment of Named Funds**

**Department of Pathology Educational and Research Discretionary Fund**

The Department of Pathology Educational and Research Discretionary Fund was established June 11, 1981, by the Board of Trustees of The Ohio State University with gifts to The Ohio State University Development Fund from the faculty and friends of the Department of Pathology, College of Medicine.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with right to invest and reinvest as occasion dictates.

The annual income is to be used to provide one or more fellowships for pathology resident physicians who wish to pursue an additional one- or two-year program in research and education at The Ohio State University leading to eligibility for the examinations of Special Competence of the American Board of Pathology. The Department is authorized to invade the principal amount of the endowment if necessary. The selection of the recipients is to be made upon the recommendation of the Department Chairman and the Dean of the College of Medicine.

Should the need for these pathology fellowships cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the Chairman of the Department of Pathology in the College of Medicine.

**The Kimberly L. Garland Memorial Scholarship Fund**

The Kimberly L. Garland Memorial Scholarship Fund was established June 11, 1981, by the Board of Trustees of The Ohio State University with a gift to The Ohio State University Development Fund from the estate of Kimberly L. Garland.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income from the principal is to be used to provide annual scholarships for two or three undergraduate students enrolled at The Ohio State University. Preference shall be given to entering students from Zanesville High School, Zanesville, Ohio. Selection of the scholarships for entering students is to be coordinated with the Superintendent of Schools, or designee, Zanesville Board of Education, Zanesville, Ohio. Selection is to be based on academic record and evidence of leadership without regard to the applicant's financial need. Recipients may reapply. Selection will be under the jurisdiction of the University Committee on Student Financial Aids.

**The Kimberly L. Garland Memorial Scholarship Fund (contd)**

Should the need for this fund cease to exist or so diminish as to provide unused income, then a representative of the family heirs in conjunction with the Board of Trustees can review the various legal options at that time and jointly decide the distribution of this income and its purpose.

**The Joseph B. Collinson Scholarship Fund**

The Joseph B. Collinson Scholarship Fund was established June 11, 1981, by the Board of Trustees of The Ohio State University with a gift to The Ohio State University from the Textron Corporation of Providence, Rhode Island.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used to provide a scholarship for an accounting student completing the junior year who has indicated an intent to go on with graduate studies in accounting; achieved outstanding academic rank and provided concrete evidence of leadership. The selection of the recipient is to be made upon the recommendation of the selection committee, consisting of the Chairman of the Academic Faculty of Accounting, a member of the Accounting Faculty teaching in the Honors Program and the Adviser of the Student Accounting Association.

Should the need for these scholarships cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for accounting education.

**The Bishop Family Scholarship Fund**

The Bishop Family Scholarship Fund was established June 11, 1981, by the Board of Trustees of The Ohio State University with gifts to The Ohio State University Development Fund sponsored by the Bishop family.

All gifts are to be invested in the University's Permanent Endowment Fund under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

##### **The Bishop Family Scholarship Fund (contd)**

The annual income from the principal is to be used to provide scholarship assistance to a needy fourth-quarter student enrolled in the College of Agriculture who has completed his/her freshman year at The Ohio State University with a creditable grade point average. The recipient must be a current resident of the State of Ohio, of good moral character, a present or former qualified member of 4-H, FFA, or the FHA organizations in Ohio, and must be a current resident of the OSU dormitories, approved residence halls, or other approved residence while enrolled in the college. The scholarship may be granted for one year and for no longer than a three-year period to the same recipient as long as he/she continues to meet the above requirements.

The selection of the recipient shall be made by the University Committee on Student Financial Aids with recommendations from the Dean or Assistant Dean for Student Affairs in the College of Agriculture.

Should the need for this fund cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for curricula in agriculture.

##### **The James and Stella Lee Scholarship Fund for National Merit Students**

The James and Stella Lee Scholarship Fund for National Merit Students was established June 11, 1981, by the Board of Trustees of The Ohio State University with gifts to The Ohio State University Development Fund from Jerry D. Lee, B.S.Bus.Adm. '58, Greenwich, Connecticut.

All gifts are to be invested in the University's Permanent Endowment under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used to provide scholarships for one or more National Merit student(s) who are graduates of Marion Harding High School (Marion, Ohio) enrolling at The Ohio State University. The selection of the recipient(s) shall be made by the University Committee on Student Financial Aids. Candidates from Marion Harding High School are to be recommended by a faculty committee of Marion Harding High School.

Should the need for this fund cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference given to currently available program(s) supporting merit scholarships.

**Elizabeth Shaw Long Scholarship Fund**

The Elizabeth Shaw Long Scholarship Fund was established June 11, 1981, by the Board of Trustees of The Ohio State University with gifts to The Ohio State University Development Fund from Harry H. Long, Jr., '48, in memory of his mother, Elizabeth Shaw Long.

All gifts are to be invested in the University's Permanent Endowment Fund under the rules and regulations adopted by the Board of Trustees, with the right to invest and reinvest as occasion dictates.

The annual income shall be used to provide scholarship support to a student pursuing a degree in the School of Natural Resources, Division of Forestry. The student must demonstrate high academic achievement as well as financial need. The selection of the student shall be made by the Director of the School of Natural Resources in conjunction with the Director of Student Financial Aids. During the lifetime of the donor, the Office of Student Financial Aids will annually provide the donor with the name of the student who receives the award.

Should the need for this fund cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for scholarships.

**The P. Philip Sabatino Memorial Fund**

The P. Philip Sabatino Memorial Fund was established June 11, 1981, by the Board of Trustees of The Ohio State University with gifts to The Ohio State University Development Fund from the family and friends of P. Philip Sabatino, B.S.Bus.Adm. '54, of Columbus, Ohio.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used for education, research and patient care programs in the health sciences. Requisitions for the use of funds will be approved by the Vice President for Health Sciences.

Should the need for these funds cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for education in the health sciences.

The Walter F. Gnezda Memorial Scholarship Fund was established June 11, 1981, by the Board of Trustees of The Ohio State University with gifts to The Ohio State University Development Fund from his wife, Mary A. Gnezda, M.A. '61, Ph.D., '72, and daughters, Nicole G. Smith and M. Therese Gnezda, and son, Eric W. Gnezda, in memory of Walter F. Gnezda, B.S.Bus.Adm. '51, of Columbus, Ohio.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with right to invest and reinvest as occasion dictates.

The annual income is to be used to provide one or more scholarships for the sons and daughters of parents who have multiple sclerosis and who have demonstrated a need for financial assistance. The selection of the recipient is to be made upon the recommendation of the University Scholarship Committee.

Should the need for these scholarships cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for student financial aid.

**The Jack M. George Fund**

The Jack M. George Fund was established April 6, 1979, by the Board of Trustees of The Ohio State University with gifts to The Ohio State University Development Fund from the Kaplan-Halpert Foundation of Cleveland, Ohio.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used for research and training in Endocrinology, including such things as graduate fellowships, equipment, consumable supplies for research (such as chemicals, glassware, animals, isotopes), salary for research assistant, seminars, travel, publication costs, books and journals and eventually for the endowment of a faculty chair in the Division of Endocrinology, Department of Medicine. Requisitions for funds are to be approved by Dr. Jack M. George, as long as he is a member of the OSU faculty, the Chairman of the Department of Medicine, and the Dean of the College of Medicine. Any income not used in a given year may be added to the principal at the direction of the Chairman of the Department of Medicine.

President Enarson:

Mr. Chairman, under Reports I have two items; both are brief and one is good and one is bad. The good item is that the Athletic Council has unanimously passed a resolution that OSU forward its commitment to the Big 10 that we wish to affiliate our Women's Intercollegiate Program with the Big 10 conference; that is the good news. The bad news is there is a 60 per cent chance of rain tomorrow at commencement. That concludes my report.

OFFICIAL PROCEEDINGS OF THE  
FIRST JOINT MEETING  
OF THE OHIO STATE UNIVERSITY BOARD OF TRUSTEES  
AND THE UNIVERSITY HOSPITALS BOARD

Columbus, Ohio, June 11, 1981

The Chairman of the University Board of Trustees, Mr. Chester Devenow, convened the meeting of the Board of Trustees and University Hospitals Board at 3:00 p.m. in the Alumni Wing of the Fawcett Center for Tomorrow.

\* \* \*

University Board of Trustees Present: Chester Devenow, Chairman, D. James Hilliker, John D. Jacob, Edmund C. Redman, Warren J Smith.

University Hospitals Board Present: Judge Robert M. Duncan, Chairman, Josephine S. Failer, Charles Y. Lazarus, Frank Lomax, Lloyd M. Parks, Wilbur W. Jones, Morris S. Rosenblum, Frieda I. Shirk, Arthur I. Vorys.

June 11, 1981 Joint Meeting, Board of Trustees and University Hospitals Board

Mr. Devenow:

As this is the first official meeting of the Hospitals Board and the Board of Trustees, we are delighted to have you and should be interested in finding out what is going on, and so with that I'll turn it over to Judge Duncan, the Chairman.

### UNIVERSITY HOSPITALS BOARD FIRST YEAR REPORT

Judge Duncan:

Thank you very much Mr. Chairman, and members of the Board of Trustees, President Enarson: We in the Hospitals Board appreciate the opportunity to meet with you today. We know you have had a long day, you have handled important matters, and we don't intend to burden you with lengthy remarks. We do believe, however, that it is important that we candidly report to you concerning our first year's activity. But before that, from the Hospitals Board, we would like to spread upon the records of this meeting congratulations to Dean William Wallace of the College of Dentistry, and certainly to Dean Manuel Tzagournis of The Ohio State University College of Medicine. I don't know that we know Dean Wallace as well as we expect to in the future, but we certainly have spent a delightful year working with and coming to know the strengths of Dean Tzagournis, and we know that we will enjoy working with him in the future. He is going to be an outstanding Dean of The Ohio State University College of Medicine and has been so far, and our sincere congratulations to those two persons and express our delight with their selection to this Board of Trustees.

I don't have a penchant for making presentations; however, I do find some comfort in making today's report since it is always pleasant to bring some good news. I have hopefully before you a written report which I tried to make concise. Perhaps its difficulty is it terribly understates the amount of effort that has been made by the members of the Hospitals Board. We have had great attendance in both regular, committee and special meetings, and after one year, we have come to better understand the thrust of the challenge that President Enarson related to us when we first came into being on May 2, 1980, and the first page of our report quotes President Enarson. He first started by mentioning the great awareness that we all have of health care nationally, and then he says, 'The OSU Hospitals face many of the same problems haunting community hospitals everywhere--rising costs along with rising expectations and rising resistance to cost increases. They face other pressing problems such as regulation, shortages of health professionals, etc.,' and then he next says, 'In addition to all of those they tend to become even more complicated in a University setting where teaching and research adjoins patient care,' and then he concluded by saying, 'It is not an overstatement to assert that future historians of the University will regard the formation of this University Hospitals Board as a major step in improving the health care and health sciences educational programs at the University.' Well, we believe that given realities, complexities, and so forth that he spoke of--his thinking, your Board's thinking, and the action taken to create this Hospitals Board was a prudent course of action. The Vice President for Health Sciences, the Acting Dean, now Dean of the College of Medicine, the medical staff, the hospital administration, the entire staff have all welcomed us, and I believe, would agree with us that the Board's existence is a positive. This perception is evidenced by the excellent cooperation

**UNIVERSITY HOSPITALS BOARD FIRST YEAR REPORT (contd)**

Judge Duncan: (contd)

that we have had from all of those persons. You know, I have been around Columbus for a long time, and I have been to the University Hospitals complex many, many times, and I thought I had a pretty good idea of what I understand now is 39 acres amounts to. I didn't know anything until I started following Charles Lazarus and Dr. Cramblett and Don Cramp around that complex, and my goodness, it is enormous and it is outstanding!

One of the interesting asides, along with all the other learning information I have received while a member of the Dean's Search Committee for the Dean of the College of Medicine, I did have an opportunity to talk with many outstanding medical scientists from throughout the country who came here, and to a person they all attested to the extraordinary facilities that we have on this campus, and I think that has certainly been borne out by what we know. I want to comment on the many hours and the effort that Charles Lazarus has exhibited in touring and coming to know those facilities so that he can better chair his committee and help this University. He has been outstanding.

It really doesn't make too much difference what sort of facilities you have anywhere unless you have the right kind of people. People make excellence, and I think we have those kind of people as we have come to know them more and more all the time. During our early stages of existence we went through a learning process, and we had all sorts of overviews from medical staff and the Dean of Pharmacy, from the hospital staff and all sorts of people. We have come to be fascinated by the nationally known health scientists who practice and study there, research there. A report which I have furnished you mentions some of those persons who have appeared before the Board, but even more than that many more persons have appeared before our committees. When we first began our duties it was necessary to staff our committees with members of the medical staff. At that time medical staff was not organized because they didn't have any bylaws. They still aren't completely finished with their preparation of their bylaws, but they are working on it. It is a difficult project, but they are working on it. But in the meanwhile, we needed some persons from the medical staff to staff our committees so that we could begin to operate. It was just outstanding that the sort of cooperation that we received from them by quickly conducting a very fair and reasonable election, and we are pleased to have a medical staff in place. They serve on our committees, they make outstanding contributions, they ask hard questions, and they answer hard questions so it has been a joy to work with them and I'm just pleased that Dr. Earl Metz, Vice Chairman of Medicine, has been elected our temporary Chief of Staff and he has been a very reasonable and helpful person.

The report which is before you also calls into account some recent developments in the administration of the Hospitals under Vice President Cramblett and our new Executive Director of the Hospitals, Donald Cramp. We have new people; we have some other people who have been reassigned. I have my PRIDE button on. We have a PRIDE campaign going on; we have PRIDE pencils and maybe you might think that is certainly an aside, but you know it has been helpful and I can

June 11, 1981 Joint Meeting, Board of Trustees and University Hospitals Board

**UNIVERSITY HOSPITALS BOARD FIRST YEAR REPORT (contd)**

Judge Duncan: (contd)

see some changes. There is nothing wrong with this program to appeal to pride, and I am just extremely proud of it, and I think we have a lot of people who are very excited because of Don Cramp and the people he works with about what they are doing at the Hospital; they care and I think that is going in the right direction. He has done a letter campaign emphasizing cleanliness, grooming, patient concern, and all that sort of thing. I am pleased to say that under the direction of John Wolfe, the Finance Committee has put in good procedures, and they are pulling the thing together and have had excellent cooperation from everybody on that front.

Turning now to the Board--the Hospitals Board duties and responsibilities. The bylaws which this Board has provided us which set forth a general mission statement, our general mission, oversight, and planning. The bylaws were well written, and they seem to be an adequate vehicle; nevertheless, any laws have some difficulty in the reality of application, they leave questions unanswered; and so do these. And our mission, it's awesome. And when you complicate the mission of patient care with teaching and research, then it calls into question what is this Board's function with regard to all of those. What decisions are our responsibility; what are not?

We spent a lot of time patiently brainstorming, blue skying, if you will, trying to understand that, so we felt it would be helpful--and with the suggestion of Dr. Cramblett, we asked Dr. Hogness, formerly Dean of the College of Medicine, formerly the President of the University of Washington, to come in and talk with us about the experience of our counterpart at the University of Washington. We did that. In addition, we had Mr. Atwood from Minneapolis, who was the Chairman of the Hospital's Board of the University of Minnesota. He came in and shared his perceptions of responsibility and rights and duties with us. We have heard from Dr. Cramblett, Dr. Tzagournis, Mr. Cramp, all this information about how all these things fit together in that setting, and what is this Board's responsibility with relation to each of those and all of those enterprises.

Rather plainly stated, there are no hard answers to those questions, so we just can't go out and find a matrix and lay down to use as a mold to fit ourselves into. I think what is going to happen is that the Hospitals Board's role in specificity will evolve from our experiences. There are no bright line answers available. We are going to have to do this as we go along and with effort, knowledge, and reasonableness. I think we are going to be able to find our answers, and I expect the Board is going to be able to perform its mission as set forth in the bylaws. In other words, I believe that the bylaws have been generally highly utilitarian, but there are many unanswered questions which we are working on.

We have also in addition to the standing committees provided for by our bylaws--the Hospital Facilities Committee, the Finance Committee, and the Joint Conference Committee--I have also constituted a Governmental Affairs Committee which has to do with our many, many relationships with local, state, and governmental agencies, and we have had just excellent work by the committee chaired by Wilbur Jones. We have had excellent cooperation and work from that committee.

**UNIVERSITY HOSPITALS BOARD FIRST YEAR REPORT (contd)**

Judge Duncan: (contd)

I have called your attention to what I consider to be a problem with our bylaws, and a couple of sections of the bylaws are set forth on page 8 of the report and has to do with this Board's chain of reporting responsibility. Whether it is the case that this Board has a chain of reporting responsibility up through the other areas of the academic administration of this University or is it a right arm of this Board of Trustees and has the duty to report to this Board of Trustees. There is much to be said for either position. I candidly brought it, put it in this report, brought it forth because this is a matter that is not to be hidden; it is a matter that is to be talked about and addressed, and it is a matter of concern with us, and I don't know any other way to do it than to tell you that in a proper time we would hope that you would lend your attention to it, hear all sides of this problem, and I don't believe that it will be incapable of solution if reasonableness prevails. It just most certainly should not be hidden around somewhere in the dark and allowed to fester.

Well then, I have spoken too long, but in conclusion the Hospitals Board's service has been an exciting, learning process. Working with the distinguished members of our Board has been enlightening, inside knowledge that the Hospitals are in excellent operation; that's today, and we have seen improvement, and we expect steady improvement and that kind of a relationship is comforting. All of the members of our Board fortunately have been associated with highly successful business, professional, or civic boards of all kinds. We are proud of such service. Likewise, we are proud to be associated with the women and men who work and practice at University Hospitals. This University, this community, and the people of the State of Ohio can also be proud of the total institution over there and be encouraged by the prospects for future excellence in the teaching of the health sciences and patient care. That ends my comments.

I would now like to call on the members of our standing committees. First I am going to call on Dean Emeritus Parks to give a short report concerning the activity of the Joint Conference Committee. Mr. Dean Jeffers is the Vice Chairman of the Hospitals Board and as such by the bylaws the Chairman of the Joint Conference Committee. Unfortunately we have known for a long time that Dean wasn't going to be with us today. As you all know he is winding down his tenure as Chairman, Chief Executive Officer of Nationwide Corporation, and these are busy times for him and we miss him. He has been with us all the way; very active. We are sorry he couldn't be here, and we are delighted that Dean Parks is here, and he is certainly no stranger to those of you who love this University, and he has been a great member of our Board. Dean, if you would.

**JOINT CONFERENCE COMMITTEE SUMMARY**

Dean Parks:

Mr. Chairman, Members of the Board of Trustees, and Fellow Board Members: It is indeed a pleasure for me to report for Mr. Dean Jeffers, Chairman of the Hospitals' Joint Conference Committee. Mr. Jeffers, in his absence--and I assure you

**JOINT CONFERENCE COMMITTEE SUMMARY (contd)**

Dean Parks: (contd)

he did wish to be with you—has asked that I make it known to you that he does appreciate the exceptional hard work and cooperation he has received from his committee members.

The intention of the Joint Conference Committee is to bring together principal representatives of the Hospitals Board, the Medical Faculty and Hospital Administration. The subjects discussed on each meeting agenda generally address matters of policy which impact commonly upon those areas of patient care, faculty and employee well-being. However, in our particular Hospital we also consider matters that relate not only to patient care but to teaching and research as well.

The Bylaws of the University Hospitals Board are a bit more formal and they charge our committee with such legalese as '... a forum for discussion of medical policy and practice in the University Hospitals and shall advise the Board concerning Hospitals' patient care goals, policies, standards of care, and general operating problems.'

Through the first year of the Hospitals Board's existence, we have certainly lived up to our charge. We have tackled longstanding issues of significant policy and have worked toward resolution of Hospital-wide problems. The committee meetings have been very well attended and the frank and open exchange among the professionals involved in the work of this committee has been a model of cooperation. The results have been good, with our approval of specific actions leading to positive results.

Let me take a moment to highlight some of the issues which we have discussed and at times acted upon when it has been appropriate. While I will just highlight some of these issues, I will be pleased to respond as will Dr. Cramblett or Mr. Cramp should you have questions.

One of the first issues raised by our respected Chairman, Mr. Dean W. Jeffers, was in the way of a simple question: what is the single most pressing matter to be resolved in the Hospitals at this time? The responses were remarkable and we have been working on those issues ever since. We have addressed a Pediatric Burn Policy, the ongoing accreditation of our Hospitals by the Joint Commission on Accreditation of Hospitals, the occupancy progress of Rhodes Hall (now completed), the renovation and restoration program in University Hospital, the nurse staffing program which should lead us to the opening of all beds by this year's end, and other employee policy matters. We have reviewed an informational patient survey questionnaire on a quarterly basis which serves as a report card for many components of the Hospital. One important subject has been the evolution before this Committee of the Medical Staff Bylaws. We have reviewed the Hospitals' plan for handling disasters, including fire and tornado. Also, the Hospitals' self-insurance program has been subjected to our review. We are beginning our review at this time of anesthesiology coverage for the Hospitals. We review such professional matters as the infection control within the Hospitals,

**JOINT CONFERENCE COMMITTEE SUMMARY (contd)**

Dean Parks: (contd)

receiving an in-depth report by the physician director of that program. We recently have reviewed the question raised in the media concerning the re-creation of the Columbus Hospital Federation. And too, this Committee receives and reviews all medical staff appointments to our Hospitals.

While time has permitted only this brief overview, I am hopeful that I have succeeded in presenting to you a sample capsule of the substance brought before this senior committee.

As a closing personal note, after spending so many years at this great University I am delighted to see so many improvements occurring at University Hospitals. I am pleased to be a part of the work of this distinguished Hospitals Board. I assure you that this Board absolutely has the best interests of The Ohio State University and its Hospitals first and foremost in all of its deliberations and actions.

May I again turn back to Judge Duncan for his wish to possibly accept questions or move to other reports.

Judge Duncan:

Perhaps we should go ahead with the entire series of reports and then stand for questions. I spoke with Mr. John W. Wolfe yesterday afternoon; he was on his way to Indianapolis, and he expressed regret at not being able to be here (he planned to be here). Mr. Wolfe has been an active (believe me) an active person in charge, very much in charge of the Finance Committee of our Board. Talk about the hard questions; he has really asked them; he has been a good leader, and we are pleased with his participation. I am sorry he is not here, and I express regret on his behalf. But we have another one of our active members who has been just a stalwart as she is for everything concerning this University when asked. I don't know that we have any one in this entire state more dedicated--now I am talking advisement--and more dedicated than Jo Failer, and those of you who love this University know that as well as I do. So we are pleased that she is a member of our Finance Committee, a member of our Board, and I am going to ask that she give comments concerning the activity of the Finance Committee.

**FINANCE COMMITTEE SUMMARY**

Mrs. Failer:

Mr. Chairman, President Enarson, University Trustees and Fellow Hospital Board Members: It is my pleasure to report for Mr. John Wolfe, Chairman of the Hospital Finance Committee.

The Finance Committee as constituted by the Hospital Bylaws is responsible to advise the Hospital Board on financial matters, specifically the annual review of the operating budget, monthly financial reports, and proposals to the Board and University Administration for adjusting Hospital charges for services.

**FINANCE COMMITTEE SUMMARY (contd)**

Mrs. Failer: (contd)

The first meetings of the Finance Committee were used to orient the members as to the fiscal operating philosophy and historical and current financial status of University Hospital.

We are pleased to report to you today that the Hospital is financially stable and is progressing in a businesslike manner in the conduct of its administrative and fiscal affairs.

At the close of the first ten months of the budget year 1981, the University Hospital is operating with net revenue exceeding budget by 5 per cent. Operating expenses are 2 per cent below the ten-month budget. The increased volume of patient revenue is due to activation of beds in Rhodes Hall and a higher than projected occupancy. The first ten months occupancy is 85 per cent of activated beds. This is a ten-month average, while in many services and on particular days the Hospital is experiencing occupancy in the range of 92 per cent and 93 per cent. The national average for voluntary hospitals has been an occupancy of 74 per cent. University Hospitals is 10 per cent above this average and is on a steady increase in projected occupancy.

With the increase in revenue, net accounts receivables have increased, however the days in accounts receivable have been at a steady decline since January and are currently at 85 days (or a reduction of 18 days) in the last four months.

A review of the professional practice insurance fund indicates a very strong financial position on behalf of the Hospital.

Currently the Finance Committee is making an extensive review of the Blue Cross contract and the effect upon University Hospital and the general public. Coinciding with this review a tentative Hospital budget was submitted to Blue Cross for a rate increase to be effective July 1, 1981. Since there are several issues currently under consideration a full report will be submitted by the Hospital Board at a later meeting.

The Finance Committee is scheduled to review at its first meeting in July a complete proposal from Hospital Administration on management of accounts receivable, and credit and collection, and policies for the future years.

A comparison of teaching hospital's costs was reviewed by the Finance Committee. The Ohio State University Hospitals compared favorably in all areas of cost containment as measured by that data.

While the state of the economy and the reduction of State and Federal programs will put many pressures on University Hospitals, we feel strong financial practices of the past, and proposed for the future, will allow University Hospitals to maintain and improve quality in its patient care, teaching and research programs.

**FINANCE COMMITTEE SUMMARY (contd)**

Mrs. Failer: (contd)

Mr. Wolfe would like to express his appreciation to members of this Committee who have performed well in a very complicated world of hospital finance. Members of the Committee are Dr. Cramblett, Josephine Failer, Wilbur Jones, Dr. Earl Metz, Edmund Redman, Madison H. Scott, Dr. Manuel Tzagournis (I can say Dean now), Dr. William Vandament, and John Wolfe. Mr. Boyanowski and Mr. Cramp also work with us on behalf of Hospital administration.

May I again, turn back to Judge Duncan for his wish to possibly accept questions or to move to other reports.

Judge Duncan:

Lastly, I will call on Charles Lazarus, who is Chairman of the Hospitals Facilities Committee. I can't tell you the amount of hours that this man has given of his valuable time to what goes on--there is no end. He made my back hurt with all his tours too. We certainly are pleased that you have taken this on and have spent so much time--Mr. Lazarus.

**FACILITIES COMMITTEE SUMMARY**

Mr. Lazarus:

Judge Duncan, Members of the Trustees, President Enarson: The Facilities Committee of the Hospitals has the responsibility of monitoring the condition of the Hospitals' facilities and have the responsibility for planning and recommending additions, alterations, repairs, and maintenance. It sounds like it is a simple chore; we have found out it is not quite so simple. We have been busily engaged in: (1) making complete, thorough tours of all University Hospitals facilities; (2) making an appraisal of fire and safety conditions for patients, staff, and buildings themselves; (3) making an evaluation of the physical conditions of all of the existing buildings; and (4) making an evaluation of the effective utilization of existing space and planning for future utilization of space.

With reference to the tours of the facilities and the fire and safety conditions thereof, the tours resulted in the immediate priority that resulted in our request to this Board of Trustees to use an outside consultant to review the fire and safety conditions as they currently exist in the University Hospitals buildings. This you have acted on, and we hope to have this study completed in the very near future on schedule.

With reference to an evaluation of the physical condition of existing buildings; many of the Hospitals buildings are quite old now, and we believe we are now in better shape to support Hospital administration in their needs for updating many of these existing facilities as advances are made in the field of medical science.

June 11, 1981 Joint Meeting, Board of Trustees and University Hospitals Board

**FACILITIES COMMITTEE SUMMARY (contd)**

Mr. Lazarus: (contd)

With reference to No. 4, an evaluation of the effective utilization of existing space and planning for future utilization; a complete survey has now been completed giving us current and up-to-date information on the utilization of all existing spaces for all three parts of the Hospitals mission--for patient care, for teaching, and for research.

We are now in the process of working with the Vice President for Medical Sciences and the medical staff to develop effective procedures for longer range plans for the University Hospitals in all three parts of its mission.

We have reviewed the Perkins and Will study which was presented to the Board of Trustees and we'll work with the Hospitals staff and the Vice President for Medical Sciences and his staff, and the medical staff of the Hospital to develop continuing, more specific long-range plans as well as coordinating short-range plans.

We must comment on the very excellent cooperation not only of Dr. Rosenblum, John Hodges, and the other member of the Facilities Committee but also from those members of the hospitals administrative staff, from the staff of the Vice President for Medical Affairs as well as the University administrative staff. Most all of the problems as well as the opportunities that we face involve all three.

Judge Duncan:

Members of the Board of Trustees, that concludes our report, only with the addendum that maybe we could be accused today of giving a report that is too enthusiastic, too much hyperbole, and too glorious. I don't think so. I think we have enthusiasm for what we are doing, and we have enthusiasm for the people we have come to know in the Hospitals complex. I don't mean to say for a minute that we don't have serious problems over there; we do! There are still embers flickering of past controversies; no question about that. But I think we have some people who through reasonableness are trying to rise above all that and get on with the program, and we are pleased to be associated with all such people. Mistakes have been made--bad mistakes--and I wish we could undo them but we can't, but I do believe that the future is good and that we can be of service to you in your duties as superintendents of this University. Thank you.

President Enarson:

Perhaps I might make one brief comment. I am totally confident that as the years and indeed the decades roll by there will never be a shadow of a doubt that it was an act of statecraft on the part of the Board of Trustees to create the Hospitals Board. I think that it is very clear that this is a necessary developing pattern in dealing with extraordinarily complex institutions such as we have here.

I guess the second point I would make is that in listening to these presentations, it is instantly apparent that a great deal of work has been invested by some very competent and very busy individuals. That comes through loud and clear.

June 11, 1981 Joint Meeting, Board of Trustees and University Hospitals Board

President Enarson: (contd)

I guess the third point I'd rather not get into. I started doing some mental arithmetic on what you would be charging us on an hourly basis, and I gave up in despair on that. But since the function of the University President is always to put a fair face on disaster, I would just remind you that the rest of the institution will not have even continuation budgeting next year, and after careful deliberation, I am going to recommend to the Board that your ration of coffee and fruit juice be continued without dilution and in times of inflation that is not bad.

Finally Judge Duncan and members of the Hospitals Board and members of our Ohio State University Board, without addressing what is felt to be a fairly complex and important matter of who does what, when, where, how, I would be—I feel rather reassured on that score, perhaps because of my experience in the University. The University, as I tried to explain to the Board of Trustees on so many occasions, operates in mysterious ways, fashioned in about eight centuries now of experience. It often defies logic but it works. It is like the bumblebee. The bumblebee is aerodynamically unsound. Any engineer will tell you that the bumblebee cannot fly. The University organizationally cannot operate but it does. There is ambiguity built into the very grain of the University. From time to time I am asked what exactly does a dean do and what exactly does a vice president do, or I am asked occasionally what exactly is the role of the Board of Trustees, and what exactly is the role of the President and the Board of Trustees, and the only answer I have is to toss back a question which is a nasty little old debating trick, and the question that I toss back is, tell me exactly how your marriage works; tell me exactly how you decide who does what. At an earlier age that stopped the conversation; lately, it brings on explanations that I don't really care to hear, so I think, take comfort in the thought that the Hospital, I think, the modern hospital, University Hospital, possibly next to the Catholic Church and the National Council of Churches, is the most complicated, the most complex social organization of our time. So wrestle with it with good cheer, and I can assure you that if you find ultimate clarity in these matters, I will see that you are published somewhere.

Mr. Devenow:

I would like to make reference to the remuneration that you discussed, and we will pass on to you any increases that we get. Judge, we are delighted with the work that the committee has done, and these reports indicate conscientious and devoted effort to help the Board of Trustees solve very many serious problems that we have around the clock, and, hopefully, you will take some of those off our back. I agree with President Enarson, that has been a great step forward. It was something that he had in mind, and I thought that he deserves full credit for it. I think it will be a very useful tool through the years to come to the University. Again, I am sure I speak for every trustee—we are very grateful for the time, effort, and devotion that you put into this thing.

We are open to questions, if not we are open to adjournment.

The meeting adjourned.

THE OHIO STATE UNIVERSITY  
OFFICIAL PROCEEDINGS OF THE  
ONE THOUSAND ONE HUNDRED AND SEVENTIETH MEETING  
OF THE BOARD OF TRUSTEES

Columbus, Ohio, June 18, 1981

Pursuant to paragraph (B) of bylaw 3335-1-01 of the Administrative Code, The Ohio State University Board of Trustees met upon the call of the Chairman, Chester Devenow, in a special meeting on Thursday, June 18, 1981, at 5:30 p.m., at The Ohio State University Fawcett Center for Tomorrow, Columbus, Ohio.

Present: Chester Devenow, Chairman, Warren J. Smith, John D. Jacob, D. James Hilliker, John F. Havens, Daniel M. Galbreath, Leonard J. Immke, and John W. Berry.

### **INTRODUCTION OF MR. BERRY**

Mr. Devenow:

I am delighted to introduce Mr. John W. Berry of Dayton, Ohio, whose appointment was announced by Governor James A. Rhodes for the term beginning May 14, 1981 and ending May 13, 1990, to succeed Mrs. Patricia D. James, whose term expired.

Mr. Berry is Chairman of the Board and Chief Executive Officer of L. M. Berry and Company of Dayton and has been associated with the firm since 1940. In addition to his service now as an Ohio State trustee, he is a trustee of the University of Dayton and the Air Force Museum Foundation in Dayton. He is a member of the Board of Visitors to the University of Dayton Law School, the President's Club of Wright State University, the Advisory Council of Notre Dame University's College of Business Administration, and the Resources Committee and Alumni Council of Dartmouth College. He is a 1944 graduate of Dartmouth College. We are delighted to have you, Mr. Berry, and we need all the help we can get so we are glad you are aboard.

--o--

Mr. Devenow:

We have a statement or resolution to be presented by Dr. Protheroe, would you bring that up now, please.

### **PRESENTATION OF LETTER BY FACULTY MEMBERS OF THE PRESIDENTIAL SEARCH COMMITTEE**

Dr. Protheroe:

The faculty members of the Search Committee, Mr. Devenow, have something of what we think is of considerable importance to bring before the Board. It is important enough that we did not want to trust it to the mail. If I may, I would like to read the letter to you.

Mr. Devenow: Please do.

Mr. Chester Devenow, Chairman  
Board of Trustees  
The Ohio State University

Dear Mr. Devenow:

We, the undersigned faculty members of the Presidential Search Committee, are moved to bring to the attention of the Board of Trustees the following information and, if not out of order, to suggest to you a resolution for your consideration.

Whereas, Dr. John D. Jacob, Mr. Leonard J. Immke, Mr. D. James Hilliker and Mr. John F. Havens, serving as Trustee members of the Presidential Search Committee, and Mr. D. Wayne Ashby, Jr., serving as Alumni representative, did devote inordinate time and effort to the presidential search process, greatly in excess of anything which could normally be expected of busy men; and

Whereas, these gentlemen, by their activities and participation, did display a degree of care for and understanding of the University rarely encountered; and

Whereas, Mr. John F. Havens, as chairman of the Committee, was selfless in his devotion to the activity of the committee and did provide the guidance, wisdom and motivation that helped carry the committee forward in discharging its duty:

Be it resolved that these gentlemen each be recognized for exceptional service to the University community and that John F. Havens be singled out for particular note by virtue of the exemplary manner in which he chaired the Search Committee.

Respectfully submitted,

June 18, 1981 meeting, Board of Trustees

**PRESENTATION OF LETTER BY FACULTY MEMBERS  
OF THE PRESIDENTIAL SEARCH COMMITTEE (contd)**

Mr. Devenow: Thank you very much.

Mr. Smith: Mr. Chairman, I move that we accept the resolution.

Mr. Devenow: Is there a second?

Mr. Galbreath seconded the motion to accept the letter which was approved by unanimous voice vote.

Mr. Devenow:

I would like to respond to that, Dr. Protheroe. As Chairman of the Board, I know that I speak not only for the four Trustees--Jack Havens, John Jacob, Jim Hilliker and Len Immke--and for Wayne Ashby, the Alumni representative, who served on the Presidential Search Committee, but for *all* members of the Board in expressing our deep appreciation for the efforts and contributions of the University's faculty. As a matter of fact, the Board of Trustees is indeed proud of the effort put forth by all members of the Search Committee. The selfless dedication and desire to carry out this most important assignment for the University, despite the heavy work load imposed, reflect great credit on the members of the Search Committee and their commitment to the best values and traditions of The Ohio State University. The Trustees salute the faculty, students and staff of this great University for a job well done.

--o--

The Board recessed into Executive Session for the purpose of considering personnel-related matters.

--o--

Mr. Devenow reconvened the meeting and called on Mr. Havens to introduce a resolution.

Mr. Havens: Yes sir, I would like to introduce a resolution.

**APPOINTMENT OF DR. EDWARD H. JENNINGS AS  
PRESIDENT OF THE OHIO STATE UNIVERSITY**

In accordance with Section 3335.09 of the Ohio Revised Code, I move the appointment and election of Dr. Edward H. Jennings to the Presidency of The Ohio State University effective September 1, 1981, at the maximum salary as permitted by law as of June 18, 1981 and with all allowances, rights, privileges, perquisites, duties and responsibilities of the office and subject to such other arrangements and adjustments which may be mutually agreed upon.

June 18, 1981 meeting, Board of Trustees

**APPOINTMENT OF DR. EDWARD H. JENNINGS AS  
PRESIDENT OF THE OHIO STATE UNIVERSITY (contd)**

I further move that the Chairman of the Board of Trustees be authorized to negotiate with Dr. Jennings to formulize Dr. Jennings' relationship with The Ohio State University and to enter into any contractual relationship which he may deem necessary and appropriate consistent with this motion.

Mr. Immke seconded the motion which was followed by a roll call vote (Mr. Berry, yes; Mr. Immke, yes; Mr. Galbreath, yes; Mr. Havens, yes; Mr. Hilliker, yes; Dr. Jacob, yes; Mr. Smith, yes; Mr. Devenow, yes).

Mr. Devenow:

I would like to read a statement here before you adjourn.

Although Mr. Redman, because of prior commitments outside the city, was unable to be present for this meeting today, he has asked that he be recorded as supporting the motion presented. On the basis of this, I would like the records to reflect that Dr. Edward H. Jennings was elected unanimously by the Board to be the tenth President of The Ohio State University. I ask the Secretary of the Board of Trustees to duly note this action in the minutes.

The meeting was adjourned.

Attest:

The meeting of the Board of Trustees reconvened at 1:30 p.m.

**RESOLUTION IN MEMORIAM**

Resolution No. 82-1

*Synopsis: A resolution honoring the service of one of this University's faculty members who has recently died is being proposed.*

RESOLVED, That the Board adopt the following Resolution in Memoriam and that the President be requested to convey a copy to the family of the deceased.

Upon motion of Mr. Hilliker, seconded by Mr. Immke, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

J. Norman Staiger

The Board of Trustees of The Ohio State University expresses its sorrow upon the death on June 21, 1981, of J. Norman Staiger, Professor Emeritus, School of Music (College of the Arts).

Professor Staiger joined the faculty of The Ohio State University in 1946, and served in the area of choral conducting and teacher of voice, as well as being the head of the voice section for many years. He was Director of the Men's Glee Club for over thirty years, during which time the Club became known throughout the United States as a most progressive organization. The Club toured extensively and under Professor Staiger's direction appeared on the Ed Sullivan Show as well as The Voice of Firestone-TV. For many years the Club enjoyed a friendly rivalry with the University of Michigan Men's Glee Club in their annual exchange concerts.

In addition to his University activities, Professor Staiger for many years was tenor soloist at the First Community Church as well as Director and Cantorial Soloist of Temple Israel in Columbus. He had sung on several nationally famous radio programs and had appeared as a soloist in Carnegie Hall in New York City. He gained prominence in the midwest as a soloist in oratorio and church work. At the time of death, he was the choir director of Epworth Methodist Church.

Professor Staiger was born in Toledo, Ohio, in 1911, and educated in the Toledo public schools. He received his formal education at the University of Toledo where he was awarded the Bachelor of Science in Education degree in 1934, and the Master of Science degree from

the same institution in 1937. Both of these degrees were in the field of chemistry. In 1958 he was awarded the degree Master of Arts in music from The Ohio State University. He also engaged in advanced study at the Juilliard School of Music and the Cleveland Institute of Music. Prior to his career as a member of the faculty of the School of Music, he taught English, dramatics, speech-radio, and chemistry at Maumee High School and Shaker Heights High School in Ohio.

Over the years, Professor Staiger held membership in the Music Educators National Conference, the Ohio Music Education Association, Music Teachers National Association, and National Association of Teachers of Singing.

On behalf of the University, the Board of Trustees wishes to express to his family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

**CHANGE NAME OF DEPARTMENT OF GEODETIC SCIENCE TO  
DEPARTMENT OF GEODETIC SCIENCE AND SURVEYING**

Resolution No. 82-2

*Synopsis: Name change of Department of Geodetic Science is proposed.*

WHEREAS the College of Mathematical and Physical Sciences, and the Department of Geodetic Science have requested the Department's name be changed to Geodetic Science and Surveying; and

WHEREAS the addition of the word Surveying will acknowledge a major teaching and research activity currently being provided by the Department faculty; and

WHEREAS the College of Engineering has given its support to the request:

NOW THEREFORE

BE IT RESOLVED, That the proposal as approved by the University Senate June 6, 1981, to change the name of the Department of Geodetic Science to the Department of Geodetic Science and Surveying, be adopted.

Upon motion of Mr. Berry, seconded by Mr. Smith, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

**ESTABLISHMENT OF PROGRAM LEADING TO BACHELOR OF SCIENCE IN  
DENTAL HYGIENE DEGREE**

Resolution No. 82-3

*Synopsis: It is proposed that a Bachelor of Science in Dental Hygiene Program be established.*

WHEREAS the College of Dentistry and the Division of Dental Hygiene have requested approval to offer a new baccalaureate degree, Bachelor of Science in Dental Hygiene; and

WHEREAS the Bachelor of Science in Dental Hygiene will provide an undergraduate curriculum not duplicative of either of the dual-degree programs--Bachelor of Arts/Bachelor of Science (Colleges of the Arts and Sciences) or Bachelor of Science in Education; and

WHEREAS a qualified faculty, specialized equipment, and adequate clinical opportunities for graduates of the proposed program appear generally excellent; and

WHEREAS the Council on Academic Affairs has examined the proposed program carefully and has given its unanimous endorsement:

NOW THEREFORE

BE IT RESOLVED, That the foregoing proposal from the University Senate, which was adopted June 6, 1981, be adopted; and

BE IT FURTHER RESOLVED, That this proposal be forwarded to the Board of Regents pursuant to section 3333.04(N) of the Revised Code at the direction of the President when it is determined that adequate funds are available to inaugurate the program.

Upon motion of Dr. Jacob, seconded by Mr. Immke, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

**AMENDMENTS TO RULES OF THE UNIVERSITY FACULTY**

Resolution No. 82-4

*Synopsis: Amendments to Rules of the University Faculty are proposed.*

WHEREAS the University Senate, pursuant to rule 3335-1-09 of the Administrative Code, is authorized to recommend through the President to the Board of Trustees the adoption of amendments to *Rules of the University Faculty* as approved by the University Senate:

3335-3-18 Director of libraries.

Paragraphs (B) and (C) are broadened to include the University archives within the jurisdiction of the Director of Libraries.

July 10, 1981 meeting, Board of Trustees

**AMENDMENTS TO RULES OF THE UNIVERSITY FACULTY (contd)**

3335-3-19 Director of registration, records and scheduling.

The title for the duties of the director enumerated in this rule is expanded to include scheduling.

3335-5-57 Committee on honorary degrees.

Paragraph (C) specifies that a full dossier on each candidate proposed must be supplied to the Secretary of the University faculty who shall distribute the nomination report to all members of the University Senate.

3335-7-19 Course examinations.

A sentence has been added which specifies that final examinations for graduating students shall be given at a time near the end of the course.

3335-7-20 Schedules for final examination.

Examinations for graduating students shall be arranged by individual instructors so that grades may be submitted in accordance with the deadlines established by the Office of Registration, Records and Scheduling.

3335-7-261 Recalculation of cumulative point-hour ratio.

Additional paragraph added to provide for the graduate school and professional colleges to formulate appropriate modifications of this rule and to publish the rule in their bulletins.

**NOW THEREFORE**

**BE IT RESOLVED**, That the foregoing amendments to *Rules of the University Faculty*, as approved by the University Senate on June 6, 1981, be adopted by the Board of Trustees for inclusion in the next publication of this document.

Upon motion of Mr. Immke, seconded by Mr. Smith, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

**RULES**

3335-3-18 Director of libraries.

(A) The director of libraries shall be appointed by the board of trustees upon nomination of the president. Before making his nomination the president shall confer with the vice president for educational services who, in turn, shall confer with representatives of the faculty of the university libraries and with the library council.

**AMENDMENTS TO RULES OF THE UNIVERSITY FACULTY (contd)**

**RULES (contd)**

- (B) The director of libraries shall have the responsibility and authority for administering the university libraries under the jurisdiction of that office and the university archives. In the discharge of library duties the director shall be guided by the policies established by the library council (see rule 3335-5-49 of the Administrative Code). The director shall report to the president through the vice president for educational services.
- (C) Without limiting the generality of the foregoing, the director shall evaluate continuously the administrative and operating practices of the university libraries under the jurisdiction of that office and the university archives, and lead in the study of methods in improving them; recommend appointments, promotions, and dismissals under the rules of the university; and prepare for the approval of the vice president for educational services annual recommendations for the budgets for personnel and for archives and library materials.

**3335-3-19 Director of registration, records and scheduling.**

Subject to the direction of the assistant vice president for registration services, the principal duties of the director of registration, records and scheduling shall be the supervision of the details of registration and records which shall include: distribution of registration forms; distribution of approved schedules; fee assessments and adjustments; record of fee payments; maintenance of current quarter schedules; maintenance of home or permanent addresses, name and address of person(s) to be notified in case of emergency, local addresses and the respective telephone numbers of all currently enrolled students; the posting of quarters of attendance; the posting of all courses and respective marks; recording of all probations and dismissals; recording of withdrawals; recording of all degrees earned and dates; recording of all past names and other demographic data; the distribution of the official student records to include the proper confidentiality safeguards; other routine duties associated with the registration, records and scheduling of students; special projects and duties that may be assigned from time to time by the assistant vice president for registration services.

**3335-5-57 Committee on honorary degrees.**

- (C) The full dossier of each candidate and the nomination report of the committee on honorary degrees shall be delivered to the secretary of the university faculty who shall distribute the nomination report to all members of the university senate. This report shall include a statement that conveys the committee's rationale for the nomination, pertinent details concerning the qualifications of the candidate, and the name of the sponsoring department or academic unit. A ballot shall be attached to the nomination report and shall be returned to the secretary of the university faculty within a time prescribed on the ballot, but in no case less than two weeks from the date that the committee report is distributed. The secretary shall transmit to the president the nominations, together with the appropriate sections of the reports from the committee on honorary degrees, for those candidates who are endorsed by a majority of the ballots cast by the members of the university senate.

July 10, 1981 meeting, Board of Trustees

## AMENDMENTS TO RULES OF THE UNIVERSITY FACULTY (contd)

### RULES (contd)

#### 3335-7-19 Course examinations.

At the close of each course as defined in rule 3335-7-01 of the Administrative Code, an examination will be given on the student's capabilities relative to the stated course objectives, the method of examining to be determined by the instructor or supervisor of the course. Examinations in laboratory and seminar courses shall be optional with the instructor concerned. Examinations for graduating students shall be given at a time near the end of each course, preferably during the last week of classes.

#### 3335-7-20 Schedules for final examination.

- (A) Examinations for classes taught on the regional campuses and for classes whose enrollment is exclusively of students registered in the colleges of dentistry, law, medicine, optometry, pharmacy, and veterinary medicine will be scheduled by the offices of the regional campuses and of the colleges respectively. All examination schedules prepared outside the office of registration, records and scheduling shall, before publication, be cleared with the office of registration, records and scheduling which shall have the power to resolve all conflicts.
- (B) Examinations for graduating students shall be arranged by individual instructors so that final grades for the affected students may be submitted to the office of registration, records and scheduling by the deadlines established by that office.
- (C) All other final examinations shall be centrally scheduled by the office of registration, records and scheduling. The official examination schedules shall be strictly adhered to by all instructors. Any deviation must first be approved by the appropriate university official (department chairman, regional campus dean and director, or college dean) in consultation with the office of registration, records and scheduling, which shall have the power to resolve all conflicts.
- (D) In performing its scheduling function the office of registration, records and scheduling shall limit individual examinations to two-hour duration and the total examination period to no more than five days.

#### 3335-7-261 Recalculation of cumulative point-hour ratio.

- (A) An undergraduate student who re-enrolls in the university after an absence of five or more years may petition the dean or director of his enrollment unit to recalculate the cumulative point-hour ratio of his previous residency. If the petition is approved, all courses taken will remain on the permanent record. Those with marks of "A," "A-," "B+," "B," "B-," "C+," "C," "C-," "EM," "K," "PA," or "S" will be counted for credit only. No other marks will be counted for credit.

July 10, 1981 meeting, Board of Trustees

**AMENDMENTS TO RULES OF THE UNIVERSITY FACULTY (contd)**

**RULES (contd)**

- (B) If the petition is approved, the student resumes his academic program with no cumulative point-hour ratio, and thereafter is subject to the conditions of warning, probation, and dismissal that govern all students (see rules 3335-9-24 to 3335-9-28 of the Administrative Code).
- (C) Under the provisions of this rule a student, before graduation, must be re-enrolled for a minimum of
  - (1) Forty-five quarter credit hours and
  - (2) Three academic quarters.

**DEGREES AND CERTIFICATES - SUMMER QUARTER COMMENCEMENT**

Resolution No. 82-5

*Synopsis: Approval is being requested for awarding degrees and certificates for Summer Quarter Commencement.*

WHEREAS pursuant to paragraph (E) of rule 3335-1-06 of the Administrative Code, the Board has authority for the issuance of degrees and certificates; and

WHEREAS the faculties of the colleges and schools shall transmit the names of persons who have completed degree and certificate requirements in accordance with rule 3335-9-29 of the Administrative Code, for approval by the Board of Trustees:

NOW THEREFORE

BE IT RESOLVED, That the degrees and certificates be conferred on September 3, 1981, to those persons who have completed the requirements for their respective degrees and certificates and are recommended by the colleges and schools and that the names of those persons awarded degrees and certificates be included in the minutes of this meeting.

Upon motion of Mr. Hilliker, seconded by Mr. Smith, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

HONORARY DEGREE

Resolution No. 82-6

*Synopsis: Approval is requested for awarding an honorary degree.*

WHEREAS pursuant to paragraph (C) of rule 3335-3-03 of the Administrative Code, the President, after consultation with the Steering Committee of the University Senate, recommends to the Board of Trustees awarding of an honorary degree as listed below:

Vernal G. Riffe, Jr.

Doctor of Laws

NOW THEREFORE

BE IT RESOLVED, That the above honorary degree be awarded in accordance with the recommendation at a time convenient to the University and the recipient.

Upon motion of Dr. Jacob, seconded by Mr. Smith, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

--O--

President Enarson:

Next, of course, is the major item of the Board meeting and perhaps of the year. I am a little at a loss to know how to proceed on this. This was presented--I am tempted to say in painful detail--this morning by Dr. Vandament to the Fiscal Affairs Committee and to other members of the Board; I think that all but two members of the Board were with us at that time. The heart of the matter is stated, I think, very clearly in the formal budget resolution. Very, very briefly we simply presented our best judgment to the Fiscal Affairs Committee this morning in saying that the same uncertainties that provide a four-month budget dictate, we think, a four-month budget here. The time frame is such that action must be taken on any tuition increases--any increases in instructional charges--because we are only a short time period away from the Fall Quarter; so you will see a very substantial boost in tuition charges along with a change in the mix of charges. As I reported this morning, we are not making any recommendation with respect to faculty and staff salaries since we believe that issue, which is of transcendent importance, can only be resolved once the General Assembly has given this University, along with other elements of state government, a bundle of cash to use for the remainder of the year. We stressed in our presentation this morning that the action of the Ohio General Assembly is all important in terms of the quality of the enterprise in this coming year. I would underline that the instructional charges being recommended to you are for Autumn Quarter. Our hope is that some of those charges need not be levied for the remaining two quarters of the year. This was presented in detail to the Fiscal Affairs Committee to be moved by the chairman of that committee and, if acceptable, then we might be ready to answer questions if there are such.

**BUDGET - 1981-1982**

Resolution No. 82-7

*Synopsis: Continuation of expenditure authorization and fee level authorization for 1981-82 are requested.*

WHEREAS the State has adopted an interim budget for the first four months of Fiscal Year 1981-82 rather than an appropriations bill for the complete fiscal year; and

WHEREAS that interim budget bill provides funding to the University at a prorated level that is 3 percent lower than the reduced appropriation level of Fiscal Year 1980-81 and 9.8 percent lower than the original 1980-81 funding levels; and

WHEREAS final levels of State financial support for 1981-82 have not yet been established; and

WHEREAS it is prudent to defer decisions concerning salary levels and other expenditures until the General Assembly has adopted an appropriations bill determining State support; and

WHEREAS it is necessary to raise student fees to meet increasing fixed costs faced by the University during this period of fiscal uncertainty;

NOW THEREFORE

BE IT RESOLVED, That the University be authorized to make expenditures within those income levels contained in the Third Quarter Report of Fiscal Year 1980-81, adjusted for reductions in State support and changes in income from fees and charges, until the Current Funds Budget for 1981-82 is adopted; and

BE IT FURTHER RESOLVED, That the schedule of fees for the Autumn Quarter, 1981 including fee surcharges be hereby approved, and that the Secretary be instructed to incorporate all supporting documents into the minutes of this meeting, including salary rolls with fees and charges for the 1981-82 fiscal year, and to file these materials with the official records of the University; and

BE IT FURTHER RESOLVED, That the University administration work to ensure that faculty and staff compensation levels finally adopted for 1981-82 be adequate to maintain the University's competitive position among major universities and make recommendations to the Board concerning the continuation or elimination of fee surcharges beyond the Autumn, 1981 Quarter.

*Background*

On July 1, the General Assembly enacted and the Governor later signed, an interim budget for the State of Ohio (Am. H.B. 638) authorizing expenditures for the period of July 1 through October 31, 1981.

July 10, 1981 meeting, Board of Trustees

**BUDGET - 1981-1982 (contd)**

- This interim budget provides subsidy and other funding for higher education at 97 percent of the reduced 1980-81 appropriation level, prorated to cover the four-month period from July through October.
- Because the reduced 1980-81 support level was 7 percent lower than originally appropriated, this interim budget funds higher education at 90.2 percent of the original 1980-81 level ( $.93 \times .97 = .902$ ) for these first four months of 1981-82.

In short, the University must get by with less State support during July-October than it received during 1980-81 when it became necessary to curtail the replacement of personnel, retrench College and Office budgets, increase student fees, cancel a mid-year salary increase, and cut sharply the University's central equipment budget.

- For this four-month period, therefore, the following cuts in State support from original 1980-81 levels will be made:

Columbus Campus Subsidy	\$-4.77M
Regional Campus Subsidy	-0.20M
Other Line-Item Funds	-0.68M
<b>TOTAL</b>	<b>\$-5.65M</b>

- Because the interim budget does not contain an annual appropriation, it is impossible to predict the total impact of future State support on the University's budget. If the reduced four-month subsidy rate of that budget were continued throughout 1981-82, the following annual cuts in State support from original 1980-81 levels would result:

Columbus Campus Subsidy	\$-14.2M
Regional Campus Subsidy	- 0.6M
Other Line-Item Funds	- 2.1M
<b>TOTAL</b>	<b>\$-16.9M</b>

- In the meantime, the University faces inflationary increases in the cost of goods and services necessary to maintain its programs. To illustrate this point, the Ohio Board of Regents recommended that the Columbus Campus receive instructional subsidies of \$165.2 million for 1981-82, accompanied by inflationary adjustments to student fees, to meet projected inflationary cost increases of 10 per cent. If annualized, the interim State budget would result in the following funding gap in State subsidy from the Regents' recommendations:

	Columbus Campus Subsidy
Regents' Request 1981-1982	\$165.2M
Interim Budget (if Annualized)	131.9M
<b>Shortfall</b>	<b>\$ 33.3M</b>

July 10, 1981 meeting, Board of Trustees

### BUDGET - 1981-1982 (contd)

- Recent statements by the Governor and the leadership of the General Assembly indicate that they are aware of the severe fiscal problems confronting higher education and other agencies dependent on State funding. It has been widely reported that the first agenda item to be addressed when the General Assembly reconvenes in September will be methods to secure additional revenues to rescue vital State programs, including higher education, from financial crisis.
- The estimation of projected 1981-82 revenues--within a reasonable margin of error--becomes nearly impossible at this time. And the actions which would follow pessimistic budget projections could have great, long-range effects on the University. For example, if the four-month subsidy levels contained in the Interim Budget (Am. H.B. 638) were continued throughout the 1981-82 year, the University's budget would necessarily call for actions to severely curtail or eliminate several programs and services, and dismiss staff working in those areas. The University by this time has absorbed as much generalized retrenchment across its Colleges and Offices as is feasible. Even if such drastic actions later proved to be unnecessary because of funding relief, the damage to programs that had been targeted for curtailment--in the form of personnel and/or enrollment losses, low morale, sponsored funding losses, etc.--could require years to remedy if premature actions were taken.

### *Conclusions*

- Given the preceding conditions, the most prudent course of action would appear to be the development of a four-month interim budget, deferring adoption of the final 1981-82 Budget until an appropriations bill is enacted for the State of Ohio. This four-month University budget must contain student fee increases sufficient to offset losses in State revenue and meet the University's fixed costs for utilities, etc. Fee increases, however, cannot be raised to a level that would offset inflationary costs as well. Thus, this four-month budget would defer salary and other budget increases until a final 1981-82 budget is enacted.
- Parallel to the adoption of a four-month University budget, procedures should be established to effect major curtailment of programs and services should such become necessary.

The University administration has been at work for some time identifying services and academic programs that must be severely curtailed or eliminated in the event that cuts of the magnitude contained in Am. H.B. 638 must be sustained on a permanent basis. During the summer months, therefore, consultation with the Vice Presidents and Deans, along with administrators of potentially affected units, will be undertaken to assess impact and to develop curtailment plans and schedules. The recommendations of the ad hoc Budget Advisory Council on criteria and principles for curtailment will be of particular value in this process.

If it becomes clear later that continuing cuts in State support require activation of curtailment plans, formal consultation processes involving affected faculty, staff, and students will be undertaken. The constituent groups to be consulted will vary with the degree to which curtailment of an activity will be felt across the University.

July 10, 1981 meeting, Board of Trustees

### BUDGET - 1981-1982 (contd)

#### *Recommendations*

- It is recommended that the Board of Trustees adopt a four-month interim budget for 1981-82, adjusted from 1980-81 levels to reflect reductions in State support, increased fixed costs which cannot be avoided, and increases in student fees.
- It is further recommended that the Instructional and General Fees be increased, effective Autumn Quarter, 1981, to produce an increase in fee income of 24 percent over 1980-81 levels. To protect access for resident undergraduate students, the proposed fee schedule contains a realignment of the fee schedule with proportionately greater increases for graduate/professional programs and non-resident student enrollment.
- It is also recommended that a portion of these fee increases be effective *only* for the Autumn, 1981 Quarter and that fee levels for the remainder of the academic year be re-evaluated following adoption of the State appropriations bill for 1981-82. It is also understood that financial aid programs for professional programs must be strengthened if students having financial need are not to be denied access to those programs.
- During the four-month interim period, the University will continue to restrict and defer expenditures, seek additional general funds revenues, and prepare for the potential curtailment of programs and services. The following actions are included.
  - Indefinite continuation of hiring freeze--i.e., replacement of personnel by exception only.
  - Continuation of freeze on central equipment replacement program.
  - Continuation of \$3.0 million College and Office retrenchment established in June, 1981.
  - Implementation of overhead cost recovery from income-producing operations.
  - Limitations on the number of course offerings and corresponding reductions in short-term instructional staff.
  - Preparations for potential curtailment and elimination of programs and services.

These recommendations are submitted to the Board with the greatest reluctance. It is extremely distasteful to recommend fee increases of this magnitude. It is also distasteful to have our faculty and staff enter the new fiscal year uncertain of their compensation levels. But the normal processes of budgeting cannot be applied in 1981-82. In the face of continuing uncertainty about State funding for the University, it is difficult to see how the Board of Trustees can solve two key issues--charges to students and compensation for staff.

Hopefully, the State will be able to resolve this uncertainty in the near future.

**BUDGET - 1981-1982 (contd)**

Mr. Hilliker:

I'll so move that this expenditure authorization and fee level authorization be approved.

Mr. Devenow: Is there a second?

Mr. Immke: I'll second it.

Mr. Devenow: Any discussion?

Mr. Smith:

I'll just make one comment to emphasize what Mr. Pritchard said. I think with fee increases of the size we are contemplating, we really do get to the question of accessibility to this University, and it is something that has been held out to the people in the State. I think, you know, that the Board has reviewed this and we don't have alternatives; we absolutely don't. But that is now, I think, a critical matter when we increase fees by 24 or 25 percent.

President Enarson:

Let me just react very quickly. I share your concern. I don't think anybody knows exactly the extent to which price dictates the use of this precious quality--commodity we call education. Furthermore, the matter of access, as I am sure we all know, is compounded very substantially by the diminution in support--financial aid for students--those programs are jeopardized as they have not been in memory. I think the cumulative effect of this will begin to be felt. Incidentally, whether that will be felt immediately or not I confess I don't know. One line of speculation is that as students encounter increasingly difficult financing problems, as they run out of money, we may see a sag in enrollment in the two quarters; in which case you have that worst of all trends--you have a circular process in which income goes down at a time when costs have been fixed for the year. Now, we have taken one small step to try to help with respect to the increases in fees in professional schools. Some of the increased dollars collected will be held back or rather appropriated to increase financial aid, but I hasten to add that we don't have the resources to provide financial aid to the needy here.

The foregoing resolution was adopted by unanimous roll call vote.

**PERSONNEL ACTIONS**

Resolution No. 82-8

*Synopsis: In addition to the regular personnel actions taken since the last meeting, the following Medical Staff Appointments, Leaves of Absence Without Salary, Professional Improvement Leaves, and Emeritus Titles are recommended for approval.*

RESOLVED, That the personnel actions as recorded in the Personnel Budget Records of the University since the June 11, 1981 meeting of the Board, including the following Medical Staff Appointments, Leaves of Absence Without Salary, Professional Improvement Leaves, and Emeritus Titles as detailed in the University Budget, be approved.

Medical Staff Appointments

Name	Appointment	Clinical Division
Effective May 13, 1981		
Richard Coe Bump, M.D.	Attending Staff	Obstetrics and Gynecology
Effective June 1, 1981		
Jose C. Munoz, M.D.	Limited Staff	Anesthesiology

Leaves of Absence Without Salary

POUL M. HANSEN, Professor, Department of Food Science and Nutrition, effective October 1, 1981 through November 30, 1981, to work with the National Dairy Research Institute in India.

KENNETH NAYLOR, Professor, Department of Slavic and East European Languages and Literatures, effective April 1, 1982 through June 30, 1982, to accept a Fulbright lectureship in Yugoslavia.

ROY BEN BUCKNER, Associate Professor, Department of Geodetic Science, effective October 1, 1981 through December 31, 1981, to accept a teaching position at California State University at Fresno.

FRANK KIDDER UPHAM, Associate Professor, College of Law, effective October 1, 1981 through September 30, 1982, to accept a Visiting Professorship of Law at Harvard University.

RICHARD MORGAN BROWN, Assistant Professor, Department of Art, effective October 1, 1981 through September 30, 1982, to do graduate research in architecture at Harvard University.

July 10, 1981 meeting, Board of Trustees

**PERSONNEL ACTIONS (contd)**

Leaves of Absence Without Salary (contd)

ALBERT KEIDEL, III, Assistant Professor, Department of Economics, effective October 1, 1981 through September 30, 1982, to pursue and publish scholarly research on China.

MARY MCGANN, Assistant Professor, Department of English, effective October 1, 1981 through September 30, 1982, to accept an appointment at the University of Warsaw.

GENE E. MUMY, Assistant Professor, Department of Economics, effective October 1, 1981 through September 30, 1982, to accept a visiting appointment at Johns Hopkins University.

JANET ELLEN THOMASON, Assistant Professor, Department of Political Science, effective October 1, 1981 through September 30, 1982, to engage in research at the Public Research Institute of the University of Rochester in Washington, D. C.

Professional Improvement Leaves

LEO E. LIPETZ, Professor, Division of Sensory Biophysics, effective Autumn Quarter 1981.

JIM G. POLSON, Assistant Professor, Cooperative Extension Service, change from Autumn Quarter 1981, Winter Quarter 1982, and Spring Quarter 1982 to September 1, 1981 through May 28, 1982.

Emeritus Titles

HENRY R. ANGELINO, Department of Psychology, with the title Professor Emeritus, effective July 1, 1981.

VERL L. HOUSE, Department of Genetics, with the title Professor Emeritus, effective July 1, 1981.

CHARLES B. SMITH, Department of Civil Engineering, with the title Professor Emeritus, effective July 1, 1981.

HAROLD C. TRIMBLE, Academic Faculty of Science and Mathematics Education, with the title Professor Emeritus, effective July 1, 1981.

FLOREN V. JAMES, Cooperative Extension Service, with the title Associate Professor Emeritus, effective July 1, 1981.

SUZANNE E. SCHROEDER, School of Health, Physical Education and Recreation, with the title Associate Professor Emeritus, effective July 1, 1981.

July 10, 1981 meeting, Board of Trustees

**PERSONNEL ACTIONS (contd)**

Emeritus Titles (contd)

LOWELL WILSON, Cooperative Extension Service, with the title Associate Professor Emeritus, effective July 1, 1981.

GILMAN D. KIRK, Department of Surgery, with the title Assistant Professor Emeritus, effective July 1, 1981.

ERYK TALATKIELPSZ, University Libraries, with the title Assistant Professor Emeritus, effective July 1, 1981.

Upon motion of Dr. Jacob, seconded by Mr. Immke, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

**Albert A. Levin Memorial Award Fund (contd)**

This bequest is to be invested in the University's Investment Portfolio under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used to present an award to the student or students earning the highest grade in the required courses in Professional Responsibility in the College of Law.

Should the need for these awards cease to exist or so diminish as to provide unused income, or should the College of Law cease to exist through any reorganization of the University, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for education in law.

Resolution No. 82-10

*Synopsis: Employment of architectural/engineering firms and request for construction bids pending final approval of the Capital Appropriations Bill 552 for 1981-82 Biennium.*

WHEREAS the Capital Bill under consideration for the State of Ohio includes funds for several projects for The Ohio State University Main Campus and Regional Campuses; and

WHEREAS, since this is a one-year bill, it is imperative that plans for these projects be completed as soon as possible after the Bill passes; and

WHEREAS, the following list of projects are currently planned from funds included in the 1981-82 Capital Improvements Bill:

Line Item Projects

- Agricultural Technical Institute, Phase III
- Bee Laboratory Replacement
- Community Extension Center Building
- Jesse Owens Plaza and Track
- Lake Erie Research, Center for
- Mansfield Branch--Renovations and Campus Improvements
- Marion Branch, Phase III

**NOW THEREFORE**

**BE IT RESOLVED**, That the Vice President for Business and Administration be authorized to proceed to select a qualified architectural/engineering firm for each project listed above from lists of firms requested from and provided by the Department of Administrative Services; and that the fee for these architectural/engineering services be negotiated between the firm selected and the Department of Administrative Services, Division of Public Works; and

**BE IT FURTHER RESOLVED**, That the Vice President for Business and Administration be authorized to proceed to request construction bids on these projects in accordance with established University procedures, and if satisfactory bids are received, to recommend to the Department of Administrative Services, Division of Public Works, the award of contracts, with all actions to be reported to this Board at the appropriate time; and

**BE IT FURTHER RESOLVED**, That all final actions related to the employment of architectural/engineering contracts and construction contracts for these projects will be dependent upon passage of the pending Capital Appropriations Bill of the State of Ohio for The Ohio State University for Fiscal Year 1981-82, and appropriate Ohio Board of Regents approvals.

Upon motion of Mr. Hilliker, seconded by Mr. Immke, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

**PLANS AND SPECIFICATIONS**

Resolution No. 82-12

*Synopsis: Plans and specifications are being proposed for the following project.*

WHEREAS at the request of the Vice President for Business and Administration, the President recommended that the Board of Trustees approve the plans and specifications, bills of materials, and estimates of cost for the following project:

**CONVERSE HALL - ALTERATION OF HEATING SYSTEM**

**Project:** Fin tube type hot water radiator units will be added to selected rooms in basement, first floor, second floor, and third floor areas for better temperature control in these rooms. New hot water supply and return lines will be connected to existing mains in the basement of the building.

**Funding:** Budget Account 885127

**Estimated Project Cost:** \$32,000.00

**NOW THEREFORE**

BE IT RESOLVED, That the plans and specifications, bills of materials, and estimates of cost for the project listed above be approved and that the President and/or Vice President for Business and Administration be authorized to sign the plans and specifications for this project and, in accordance with established University procedures, to request bids and, if satisfactory bids are received, to recommend to the Department of Administrative Services, Division of Public Works, the award of necessary contracts; and

BE IT FURTHER RESOLVED, That this action be reported to the Board at a later meeting.

Upon motion of Mr. Hilliker, seconded by Mr. Immke, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

President Enarson:

Under awards--contracts have been awarded for the projects listed below to the lowest and best bidders in accordance with University procedures, and the committee heard the report on these projects in considerable detail, and I see really no point in going through these seriatim this afternoon. It may be that the chairman of the committee will wish to summarize for the benefit of members not present this morning some of the substance of the discussion on one element of concern and the approach that the Board proposes. I am talking of the 'set-aside' matter here. We do recommend--or rather the Fiscal Affairs Committee did recommend the customary motion which is in effect for accepting the report as hereby reported.

**NOW THEREFORE**

**BE IT RESOLVED**, That pursuant to the actions previously authorized by the Board, the award of contracts and the establishment of project funds and contingency funds for the projects listed above are hereby reported.

Mr. Hilliker: I'll move that we accept the report--then any discussion.

Mr. Devenow: Is there a second?

Mr. Immke: I'll second it.

July 10, 1981 meeting, Board of Trustees

**REPORT OF AWARD OF CONTRACTS AND  
ESTABLISHMENT OF CONTINGENCY FUNDS (contd)**

Mr. Hilliker:

Well, the one area that was most discussed by this committee this morning concerned the contracts that the administration sets aside for authorized minority contractors. We did have an instance in one of the projects today where--it was a paving contract--we received four bids on the contract, but only one of which did qualify as a minority contractor. It did turn out--and the Department of Public Works has awarded that contract to that contractor. It did turn out that in this instance that contractor was the higher--the highest of the four bids that were received on the job. What the discussion was today was to check into the system of these 'set-aside' projects whereby we can be assured that on future projects we get more competitive bidding in this area. This particular contract ended up being approximately 40 percent above the low bid although it was very near the University's estimate of the cost, but what we are concerned about is that on future contracts that if we can't get a competitive bidding stance among the minority contractors then we will be paying, in many instances, too high a premium. In the near future we will be inviting representatives of the Department of Public Works to speak to us on what we can do, or what they can do, to insure us that in the future that these 'set-aside' projects still remain competitive even though by necessity they will be awarded to minority contractors.

Mr. Devenow:

Any questions of Mr. Hilliker? This is a motion to accept the report. I would like to make it clear that I do not agree with the one item, but I will accept it as a report. I was going to abstain, but I will accept it as a report. With that I will ask for a roll call vote.

The resolution was adopted by unanimous roll call vote.

## COMMENTS

Mr. Devenow:

This is Dr. Enarson's last official meeting--Trustees' meeting--and I would like to turn the meeting back to him for any comments he might like to make.

President Enarson:

Mr. Chairman, you upstaged me on that--I was simply going to say and I will now say--that traditionally August is a sacred month. You are relieved momentarily of your awesome responsibilities. We rarely have a meeting in August and very seriously, we will not have any special meeting unless it proves necessary, but given the seriousness of the problems we face I can't guarantee that we won't. It appears extremely unlikely that there will be any resolution of the legislative action by that time and absent that or something else I think it is unlikely that there will be a need for an executive session. As I drive across the wheat fields of Kansas on commencement day I will be thinking about you.

Mr. Redman:

Well, Mr. Chairman, before you terminate the meeting, I have a few remarks I would like to make. Are you through with the rest of the business? I am not on the agenda but I would like to get on it. Being in Florida I receive these OSU news digests from the University, and I generally go over them with interest, and I found one in this last one that made me angry, and at my age that comes hard. It seems that in the *Lantern* issue of Friday, May 29, there was what I consider to be a scurrilous attack upon the Governor. I might add that I have not discussed this with the Governor if anybody wants to know, but the reprint that I have here presumably quotes from the *Lantern* although the reprint is from the *Citizen Journal*, so if there is any inaccuracy between the actual article in the *Lantern* which I don't have and what the Journal says was said in the *Lantern*, I would stand to be corrected in that regard. But before I make the remarks relating to what is contained in the article, I want to make the general statement that I don't think the *Lantern*, which is a tax supported institution at this University and has been for 100 years, has any business being in the political arena. That's the basic complaint I have with the article itself. What this young man had to say, or whatever the *Lantern* staff had to say--if they want to promote Mr. Metzbaum's candidacy for the United States Senate, I think they should hire themselves a public relations staff, get some ballots printed and get out on the campus and distribute them. I don't think that the *Lantern* is any place for this kind of attack on the Governor.

Now as I analyze it, the article says that the complaint about the Governor is that he has advocated more jobs, no taxes, and fund higher education. Well I'll say that's an accurate quote. He has been for more jobs, he has been for keeping down the taxes, and he has been for funding higher education since I have known him, and I've known him since 1946. Now if that is all bad, fellows, I am in the wrong business.

July 10, 1981 meeting, Board of Trustees

COMMENTS (contd)

Mr. Redman: (contd)

Then the second complaint is that he says the Governor says no Ohioan lives more than 30 miles away from a state-supported college. Is that bad? I think that's good. I think the Governor thinks it was good. He went to a lot of trouble, time and effort to get it established--I'll tell you that because I know about it.

I think the last thing, perhaps--the point at issue is that Rhodes ordered out the National Guard to Kent State which led to the murder of four persons. The effect of that is to accuse the Governor of being an accessory to murder. Now you know fun is fun, but I don't like that. And if this *Lantern* purports to speak for this University, I'll say one thing--it doesn't speak for me. And I would like to know who is responsible for the editorial policy of this paper. All papers--privately owned papers--have an editorial policy and it is set. If they want to be democratic--fine; if they want to support republicans--fine; if they want to support homosexuality--fine; whatever--as long as they own the paper, they can print any dang thing they want, but I don't think that this newspaper which is supported by State funds has any business making this kind of statements; and I think I would like to know more about the editorial policy in the *Lantern* and who is running it. Mr. Chairman, that is all I have to say.

Mr. Devenow:

Thank you, Mr. Redman. Any other comments? I would just like to say, Mr. Redman, that I, too, was offended by that editorial. I am not arguing with the right of anyone to print that editorial, but I do feel that--I was not appointed by Governor Rhodes to this Board--that he has been one of the great Governors of this State, the greatest Governor this State has had or any other state, and we operate in some 50 states. And I know what he has done for this State and I know what he has done for education. I resent the implications in the article, and I think it is basically an opinionated article, and I guess I agree with you that as a Board member, I would like to state publicly I find it to be rather repulsive.

THE OHIO STATE UNIVERSITY  
COMMENCEMENT CONVOCATION

September 3, 1981

## Commencement Speaker

**Vern Riffe**  
Doctor of Laws

Vern Riffe, Speaker of the Ohio House of Representatives, has served the people of Ohio with increasing distinction since 1958. Now in his fourth term as Speaker, he holds one of the major positions of authority and leadership in state government. That he has consistently exercised that authority and leadership to advance the state of Ohio and to further the well-being of all its citizens is documented by the many honors he has received. A strong advocate of education, he has repeatedly demonstrated his understanding of the vital role public higher education must play in Ohio's future. The Ohio State University is pleased to honor Vern Riffe as a distinguished public servant and for his lasting contributions to the people of Ohio.

## Recipients of Honors

**Alistair Cooke**  
Doctor of Humane Letters  
(Presented in absentia)

No one better personifies the bond of friendship and common heritage between this country and Great Britain than Alistair Cooke. No one has done more in recent years to strengthen that bond. Author, journalist, broadcaster, Alistair Cooke is widely acclaimed as a perceptive and eloquent interpreter of America, its personalities and its culture. His incisive writings and television commentaries have kindled in this country a new sense of history, literature, and the American experience. He embodies values that guide this University — a dispassionate search for truth, an openness to new ideas, an abiding belief in people. The Ohio State University is pleased to honor Alistair Cooke for enriching our lives as individuals and our heritage as a people.

**Francis R. Aumann**  
Distinguished Service Award

For more than forty years, Francis R. Aumann, Professor Emeritus of Political Science, dedicated his professional life to building a strong department and enhancing the reputation of this University. He was eminently successful. As colleague and friend, he instilled a spirit of collegiality among faculty and a sense of excellence among students. His solid record of research and publication helped establish the department's national reputation and set the high standards that guide it today. Many of his students went on to positions of note in government, law, and education. During a long and distinguished career, Francis R. Aumann enriched the life of this University in lasting ways and earned the highest accolade of all, the respect and admiration of his peers.

**Richard P. Goldthwait**  
Distinguished Service Award

Professor Emeritus of Geology and internationally recognized polar scientist, Richard P. Goldthwait served this University with unusual distinction for more than three decades. Widely acclaimed for his research, he is acknowledged as one of the world's leading figures in the study of glacial history and geology. As founder and first director of the Institute of Polar Studies, he was the guiding force that established Ohio State as an international center for polar and alpine study. As teacher, research scientist, and administrator, he personifies excellence. His many contributions to science have brought great credit to this University and enhanced its stature in the world community of scholars.

**Walter C. Reckless**  
Distinguished Service Award

Walter C. Reckless, Professor Emeritus of Sociology, is respected throughout the world for his many contributions to the field of criminal justice. His influence has been profound. He established the Ohio State program in criminology and made it one of the finest in the nation. As one of the pioneers in American criminology, Walter Reckless laid the foundation for today's criminal justice programs. His initiative in establishing corrections programs at Ohio State and abroad confirmed his position as a leading international authority. Students from all parts of Ohio, the nation, and the world came to Ohio State to study with him. Many are now leaders in the field of corrections. His contributions reflect the essential humaneness that has characterized his long and distinguished career.

**Clarence E. Taft**  
Distinguished Service Award

The full promise of the land-grant university is reflected in the long and distinguished career of Clarence E. Taft, Professor Emeritus of Botany. An inspiring teacher, he has been honored by his college and the University for excellence in the classroom. As a research scientist, he is recognized as a world authority on water pollution problems related to algae. As a servant of the public, he shared his scientific knowledge generously with communities and states to help them monitor water quality and maintain healthful standards. For more than four decades, he exemplified the mission of Ohio State in its highest form. And in so doing, he brought honor and respect to his profession and to this University.

**J. Edward Weaver**  
Distinguished Service Award

To direct the intercollegiate athletic program at The Ohio State University is to face one of the most demanding administrative challenges in higher education. J. Edward Weaver, Director of Athletics, Emeritus, met that challenge with authority, dedication, and with the interests of student-athletes foremost in mind. He worked diligently to maintain the fiscal integrity of the athletic program and to assure the good name of Ohio State athletics. He opened the way to Ohio State's position of national leadership in women's athletics. For more than three decades — with the Alumni Association, the Office of Business and Finance, and most notably the Athletic Department — J. Edward Weaver served with distinction and devoted his professional life to the advancement of his alma mater.
