

THE OHIO STATE UNIVERSITY
OFFICIAL PROCEEDINGS OF THE
NINE HUNDRED AND FIFTIETH MEETING
OF THE BOARD OF TRUSTEES

Columbus, Ohio, July 8, 1960

The Board of Trustees met at the University July 8, 1960, pursuant to adjournment.

Present: Stanley C. Allyn, Chairman, Senator John W. Bricker, Forrest G. Ketner, Thomas F. Patton, Smith L. Rairdon, Alan B. Loop and Judge Robert N. Gorman.

* * *

The minutes of the last meeting were approved.

* * *

The Chairman, Mr. Stanley C. Allyn, requested the Vice Chairman, Senator John W. Bricker to represent the Board of Trustees at the August 26, 1960 Commencement Exercises.

* * *

July 8, 1960 meeting, Board of Trustees

President Fawcett presented the following recommendations:

I. EXTRAS, CREDITS, AND EXTENSIONS OF TIME TO CONTRACTS

Upon the request of the Council on Business Affairs, and with the concurrence of the Cabinet, I recommend that the Extra Orders, Credit Orders, and Extensions of Time to Contracts as outlined below be approved by the Board of Trustees and submitted to the Director of Finance, State of Ohio, for approval and allocation of funds from Item 850 Capital Improvements, H. B. 1124, (in accordance with the provisions of H. B. 1124) unless a source of funds in each case is otherwise indicated:

A. Married Housing Project No. 1

General Contract

It is proposed to provide automobile access from the existing roads around the 12 temporary buildings, which will be retained at present, to the new road in the Project No. 1 contract. It is recommended, therefore, that the new road be extended 75 feet and a temporary gravel road be put in between the old and the new roads. The extension would become a permanent link in the road system for Projects No. 1 and 2.

Add \$1,926.00

Outside Services Contract

In connection with the extension of the road as described above, it is recommended that the storm sewer be extended and two additional catch basins be provided in the proposed 75 ft. extension.

Add \$1,342.00

Funds for these extras will be provided from Married Housing Project No. 1 Construction Fund.

B. 11th Avenue Residence Halls for Men, Building No. 4

General Contract

It is recommended that wood panel type folding doors with birch veneer face treatment be substituted for fabric covered folding doors as specified. It is believed that the wood panel type doors are an improvement both in appearance and durability. This change involves two doors between the Lounge and the Meeting Room, one between the Meeting Room and Kitchenette and two over the main office counter.

Add \$ 488.00

Funds for this extra will be provided from 11th Avenue Residence Halls for Men Construction Account.

C. Animal Science Building and Plumb Hall Remodeling

Electrical Contract

It is recommended that additional fluorescent fixtures with color corrected lamps be installed in the Meat Laboratory. These fixtures are requested to take advantage of new developments in controlled lighting for the observation and inspection of all kinds of meat.

Add \$ 842.00

I. EXTRAS, CREDITS, AND EXTENSIONS OF TIME TO CONTRACTS (cont.)

D. College of Engineering, Classroom Office Facilities

Heating and Ventilating Contract

It is recommended that the following changes be made in the air conditioning systems in both buildings to make them more automatic and to reduce the maintenance work:

1. Install freeze-up protection for four multi-zone systems by adding averaging bulb thermostats.
Extra cost, \$450.00

2. Install for the four multi-zone systems additional temperature controls to position the maximum outside air damper to a preset minimum position. Extra cost, \$1,441.00

Net addition \$1,891.00

E. College of Arts, Addition to Chemistry Building

Heating and Ventilating Contract

It is recommended that the motor in the unit heater for the Hydrogenation Laboratory be changed to an explosion proof type. The degree of hazard involved was not clear when the specifications were written.

Add \$ 150.00

F. Redesign of Present Facilities, University Hospital

Heating Contract

It is recommended that a small finned-tube convector in Toilet Room 430A be omitted since the existing radiation in this room is ample.

Deduct \$ 50.00

G. Water Resources Building

Plumbing Contract

It is recommended that certain piping be installed at the present time to take care of future equipment installation. This piping work consists of a one-inch air line for a future compressor in the basement of the new building, a three-quarter inch hot-water line to the media preparation area for a future sink and a gas service line to the media preparation space for a gas-fired autoclave.

Add \$ 160.00

General Contract

It is recommended that the height of a metal door frame and a wood door between Rooms 112 and 115 be reduced in order to clear an existing beam.

Add \$ 22.00

I. EXTRAS, CREDITS, AND EXTENSIONS OF TIME TO CONTRACTS (cont.)

H. Reactor Building

Plumbing Contract

It is recommended that the following changes be made:

1. Elimination of certain drain lines, drains and special valves for the reactor pool and addition of two new floor drains in the area adjacent to the reactor. Deduct \$314.00.
2. Substitution of a cabinet sink in Room 107 for the sink specified. Deduct \$56.00.
3. Addition of a cover over the 4' x 5' service pit for utility lines--a steel plate cover 76" x 63" made in three pieces and reinforced with welded steel channels. Add \$218.00.

Net deduction \$ 152.00

I. T-Hangar Project, University Airport

Electrical Contract

It is recommended that a total of 27 exterior fluorescent lighting fixtures, General Electric #2L-108C1, with cover kit and ballast for cold weather operation and with #F96T12/HO/ Gold lamps, be substituted for the fixtures originally specified. Add \$ 968.00

Funds for this project are provided in G-2-G T-Hangar Project, H. B. 831.

J. Repair of Plaster and Interior Painting of Dental Building, Hamilton Hall, Arps Hall, and Reagent Laboratory

It is recommended that an extension of time be granted to the contractor for this project from April 30, 1960, to July 15, 1960, because the University was unable to release rooms and laboratories used by the College of Medicine during Spring Quarter.

K. Scholarship Dormitories - Phase IV

General Contract

It is recommended that the following changes be made:

1. Replace four existing door frames in stairways with new hollow metal frames and rehang doors; also, repair and repaint partitions around frames. Extra cost, \$498.00.
2. Provide new hollow metal doors and frames at stairway entrances, all necessary hardware, remove existing door and frame, and patch and repair walls around frames. Extra cost, \$792.00.

Net extra cost \$ 1,290.00

Funds for this project are provided in G-2-A Scholarship Dormitories, H. B. 831.

Upon motion of Judge Gorman, seconded by Mr. Rairdon, the above recommendations individually and collectively were unanimously approved by roll call vote.

II. PLANS AND SPECIFICATIONS

With the approval of the Council on Business Affairs, and with the concurrence of the Cabinet, it is recommended that the plans and specifications, bills of materials, and estimates of cost for the following projects be approved by the Board of Trustees:

A. Sidewalks - Stadium Drive

Funds for this project will be provided from Item 074 New Roads, Walkways, and Pedestrian Bridge, H. B. 1124.

B. Law Center Building

Funds for this project sufficient to cover complete cost of building, site improvement, architect's fees, and miscellaneous costs presently estimated at \$645,000.00 will be provided by The Ohio State Bar Association Foundation.

C. Dormitory "F" for Women

Funds for this project in an amount not to exceed \$2,320,000.00 including equipment will be provided from the Dormitory Construction Account.

D. Replacement of Gas Line to Stadium

Funds for this project will be provided from Item 075 Additional Underground Utilities, H. B. 1124.

E. Rearrangement of Primary Services to Robinson Laboratory and Industrial Engineering Building

Funds for this project will be provided from Item 075 Additional Underground Utilities, H. B. 1124.

F. Repair and Replace Doors, Locks, and Related Work, Physical Education Building

Funds for this project are provided in Item 081 Improvement of Physical Plant, H. B. 1124.

G. Redesign of Present Facilities, Modification of Heating and Ventilating System, University Hospital

Funds for this project are available in Item 088 Improvement of Physical Plant, H. B. 1124.

H. Extension of Fyffe Road and Installation of Sidewalks and Lighting - College of Agriculture, Animal Science Building

Funds for this project are provided in Item 074 New Roads, Walkways, and Pedestrian Bridge, H. B. 1124.

Upon motion of Mr. Ketner, seconded by Senator Bricker, the above recommendations were unanimously approved by roll call vote, and the Secretary was authorized and directed to sign the plans and specifications for the above listed projects for and on behalf of the Board of Trustees. Vice President Carson was directed to follow normal University procedure in advertising for bids. If any satisfactory bids are received, the Vice President will proceed with the award of contracts to the lowest and best bidders and report to the Board of Trustees on this matter at a later meeting.

July 8, 1960 meeting, Board of Trustees

III. REPORT OF AWARDS OF CONTRACTS

In accordance with authorization provided by the Board of Trustees, the contracts for the following projects have been recommended for award and the action is hereby reported to the Board:

A. Pomerene Refectory Kitchen--Rehabilitation and Expansion

IV. CONTROLLING BOARD APPROVALS

Each numbered approval shown below accomplishes the following purposes:

- 233 Approves of entering into a contract with John's Fixit Shop, the only known person who can provide the service, to modify the standard Dental X-Ray unit into a Panoramic X-Ray unit to be used in a five-year study sponsored by the National Institutes of Health.
- 234 Approves of the transfer and release of \$46,900.00 from Rotary A to G-2-N Addition to Optometry Building, H. B. 831, to provide funds for issuing extra orders for this work.
- 238 Authorizes the issuance of a contract to Garwick and Ross, Inc. at a price not to exceed \$8,600.00 without competitive bidding for the project "Expansion and Remodeling of The Ohio State University Police Station," and the release for this purpose of \$9,460.00 from Item 081 Improvement of Existing Physical Plant, H. B. 1124.
- 239 Authorizes the expenditure of \$2,500.00 from Item 080 Addition to Fine Arts Building, H. B. 1124, for a mock-up drawing-painting laboratory to be used as a basis for planning and installation of these and similar facilities in the second wing of the new Fine Arts Building.
- 245 Authorizes entering into a contract for the electrical work on Stadium Drive Bridge Sidewalks without further competitive bidding in the amount of their low bid of \$6,700.00 from Gustav-Hirsch Organization, Inc.

V. MISCELLANEOUS - FROM OFFICE OF BUSINESS AND FINANCE

A. Botany and Zoology Building, Remodeling & Expansion
Employment of Engineer

It is recommended that the engineering firm of H. A. Williams & Associates, Columbus, Ohio, be employed to provide professional engineering services for heating, ventilating, plumbing and electrical work on this project.

The fee for providing complete engineering services, including design, preparation of drawings, specifications and estimate of cost, as well as complete field supervision of construction, will be 6 per cent of the contract costs of the Mechanical Contracts.

Funds for this project are provided in Item 079 Botany and Zoology Building, Remodeling and Expansion, H. B. 1124.

Upon motion of Senator Bricker, seconded by Mr. Patton, the above recommendation was unanimously approved by roll call vote.

B. Dormitory "F" for Women - Employment of Engineer

It is recommended that the engineering firm of Schweiger, Heapy & Associates, Dayton, Ohio, be employed to provide professional engineering services for the heating, ventilating, air conditioning, plumbing, and electrical work for this project.

The fee will be computed on the following basis:

1. Design, preparation of drawings, specifications and estimate of cost for complete heating and ventilating system - 3 1/2% of the low bid or the bid accepted for the Heating and Ventilating Contract.
2. Separate design, drawings, specifications and estimate of cost for the combined heating, ventilating, and air conditioning system for an additional fee amounting to 2 1/2% of the total cost of the combined system based on the low bid or the bid which is accepted.
3. Complete field supervision of construction - 2 1/2% of the construction cost of the heating and ventilating or the heating, ventilating, and air conditioning system, whichever is accepted.
4. Design, drawings, specifications, estimate of cost, and complete field supervision of construction of the plumbing and electrical work - 6% of the construction costs for these divisions.

Funds for this project will be provided from the Dormitory Construction Account.

Upon motion of Mr. Ketner, seconded by Mr. Rairdon, the above recommendation was unanimously approved by roll call vote.

C. Extension of Fyffe Road and Installation of Sidewalks and Lighting -
Employment of Engineer

It is recommended that the engineering firm of Barrett Associated Engineers, Ltd., Columbus, Ohio, be employed to provide engineering services for this project.

July 8, 1960 meeting, Board of Trustees

V. MISCELLANEOUS - FROM OFFICE OF BUSINESS AND FINANCE (cont.)

C. Extension of Fyffe Road and Installation of Sidewalks and Lighting -
Employment of Engineer (cont.)

The fee for providing preliminary plans, working drawings, specifications, estimate of cost, necessary bidding documents and supervision of construction is 8 per cent of the construction costs.

Funds for this project are provided in Item 074 New Roads, Walkways, and Pedestrian Bridge, H. B. 1124.

Upon motion of Mr. Patton, seconded by Mr. Loop, the above recommendation was unanimously approved by roll call vote.

D. Institute of Vision, Phase II - Employment of Architect

It is recommended that the architectural firm of Wright and Gilfillen, Columbus, Ohio, be employed to provide architectural and engineering services for this project.

The fee for providing preliminary plans, working drawings, specifications, estimate of cost, necessary bidding documents and supervision of construction is 6 per cent of the construction costs.

Funds for this project are provided in G-2-K Institute of Vision, Phase II, H. B. 831 (a grant from the U. S. Public Health Service).

Upon motion of Mr. Rairdon, seconded by Mr. Patton, the above recommendation was unanimously approved by roll call vote.

E. Remodeling Air Conditioning System, University Hospital -
Engineering Contract

The Engineering services for this project are being furnished by Kramer, Comer and Passe, who were awarded a contract with a fee based on an hourly rate with a maximum total fee of \$8,500.00.

Since this contract was awarded, the scope of the project has been increased, and it is the recommendation of the University Architect and the State Architect that the maximum for this fee be increased to \$12,000.00.

Funds are available in F-9 College of Medicine, Proceeds from the Sale of St. Francis Hospital, H. B. 831.

Upon motion of Mr. Patton, seconded by Senator Bricker, the above recommendation was unanimously approved by roll call vote.

F. Construction of Sidewalks on Both Sides of Stadium Drive Bridges -
Engineering Contract

The contract for engineering services for this project with Barrett Associated Engineers, Ltd., provides for fees on a per diem basis with a maximum fee of \$6,000.00.

July 8, 1960 meeting, Board of Trustees

V. MISCELLANEOUS - FROM OFFICE OF BUSINESS AND FINANCE (cont.)

F. Construction of Sidewalks on Both Sides of Stadium Drive Bridges - Engineering Contract (cont.)

The scope of this project has been increased by adding lighting, electric service, revised manholes, approach walks, and supervision; and it is the recommendation of the University Architect and the State Architect that the maximum for this fee be increased to \$12,000.00.

Funds are available in Item 074 New Roads, Walkways, and Pedestrian Bridge, H. B. 1124, for this project.

Upon motion of Mr. Patton, seconded by Senator Bricker, the above recommendation was unanimously approved by roll call vote.

G. College of Arts, Addition to Chemistry Building - Architectural Contract

The contract of Spahn & Barnes for architectural services for this project requires that they furnish full time supervision until the work is 90% complete. The project was 90% complete on May 1, 1960, but in the interest of expediting final completion, it is recommended that full time supervision be supplied until August 17, 1960.

It is therefore recommended that the firm of Spahn and Barnes be paid the additional sum of \$2,200.00 for extra supervision for this project.

Funds are available from Item 850 Capital Improvements, H. B. 1124, for this payment.

Upon motion of Mr. Ketner, seconded by Mr. Rairdon, the above recommendation was unanimously approved by roll call vote.

H. Purchase of Buildings and Property, 2461 Wood Avenue

It is recommended that the Vice President, Business and Finance, be authorized to proceed with the purchase of the following property from John Wood at a price of \$2,350.00:

Property known as 2461 Wood Avenue, being Lot #42, Second Wood Brown Addition, Township of Clinton, County of Franklin, State of Ohio.

Funds are available in Item 077 Land Purchases, H. B. 1124.

Upon motion of Senator Bricker, seconded by Mr. Patton, the above recommendation was unanimously approved by roll call vote.

I. Purchase of Buildings and Property, 25 West Frambes Avenue

It is recommended that the Vice President, Business and Finance, be authorized to proceed with the purchase of the following property from James C. Rine, Jr., at a price of \$11,750.00.

V. MISCELLANEOUS - FROM OFFICE OF BUSINESS AND FINANCE (cont.)

I. Purchase of Buildings and Property, 25 West Frambes Avenue (cont.)

Property known as 25 West Frambes Avenue, being Lot #135
R. P. Woodruff's Agricultural Addition, City of Columbus,
County of Franklin, State of Ohio.

Funds are available in Item 077 Land Purchases, H. B. 1124.

Upon motion of Senator Bricker, seconded by Mr. Patton, the above recommendation was unanimously approved by roll call vote.

J. Purchase of Buildings and Property, 81 West Frambes Avenue

It is recommended that the Vice President, Business and Finance, be authorized to proceed with the purchase of the following property from Dale Benedict at a price of \$14,500.00:

Property known as 81 West Frambes Avenue, being Lot #120
R. P. Woodruff's Agricultural College Addition, City of
Columbus, County of Franklin, State of Ohio.

Funds are available in Item 077, Land Purchases, H. B. 1124.

Upon motion of Senator Bricker, seconded by Mr. Patton, the above recommendation was unanimously approved by roll call vote.

K. Demolition of Buildings

Upon the request of the Vice President, Business and Finance, and with the concurrence of the Cabinet, it is recommended that all buildings located at 167 West Frambes Avenue and 198 West 11th Avenue be demolished as soon as practical.

The demolition of these buildings will be advertised in the usual manner.

Upon motion of Senator Bricker, seconded by Mr. Rairdon, the above recommendation was unanimously approved by roll call vote.

L. New Building for Mathematics Department - Employment of Architect

It is recommended that the firm of Charles F. Cellarius, Cincinnati, Ohio, be employed to provide professional architectural and engineering services on this project.

The fee for providing preliminary plans, working drawings, specifications, estimate of cost, necessary bidding documents, and supervision of construction will be 6 per cent of the construction costs.

Funds for this project are provided in Item 076, H. B. 1124.

Upon motion of Mr. Patton, seconded by Mr. Ketner, the above recommendation was unanimously approved by roll call vote.

By unanimous consent the meeting of the Board of Trustees recessed and the Chairman convened the Board of Control of the Ohio Agricultural Experiment Station.

July 8, 1960 meeting, Board of Trustees

The Board of Trustees reconvened following the meeting of the Board of Control of the Experiment Station and President Fawcett presented the following statement:

VI. ANALYSIS OF PROPOSED ACTION ON ROTC

Whether or not ROTC remains a compulsory aspect of the educational program on the campus of The Ohio State University is a matter of wide public interest. I wish to pay high tribute to the Council on Instruction, under the leadership of Vice President Frederic Heimberger, for the study in depth that has been made of this educational policy. The recommendations in the Council's Report are predicated upon the University's recognition of the important role Ohio State must continue to play in providing for the defense and security of our country.

The Faculty Council received the Report at its April 12, 1960, meeting. At its May 10, 1960, meeting there was full opportunity for discussion, and questions which had troubled members were answered convincingly. After long and careful deliberation, the Faculty Council approved the Report unanimously. It was the hope of the Faculty Council that, after approving necessary changes in the rules on June 7, 1960, the Board of Trustees would act favorably in time to begin implementing the new policy at the beginning of the Autumn Quarter (1960).

After making a careful analysis of this proposal, I am convinced that action by the Board of Trustees should be postponed temporarily since certain elements of the proposal need additional clarification. To take any other course of action than temporary postponement would, in my judgment, place the University in a tenuous position. My reasons for seeking no action at this time are as follows:

1. If certain courses in the academic program are to be substituted for required ROTC, an estimate of the cost of providing such additional classes must be made. Experience in certain other institutions indicated that about one-half of the freshman men might elect the voluntary program. It is conceivable that the University's cost of making this change could exceed \$200,000 per year, a cost that is assumed by the federal government under the compulsory program. Uncommitted resources of this magnitude are not available in the University's 1960-61 personnel budget. Until more accurate data on this aspect of the new policy are available and until plans can be made for absorbing this cost, it is my belief that action should be postponed.
2. Under the voluntary system, each undergraduate college is given one of three options or a combination thereof by which students shall meet the new course requirements. While a long list of courses has been prepared from which the students may make their elections, the logical sequences for each college have not been constructed in every case. This work should be completed to enable the colleges to give more intelligent guidance to all students who enter the University under the new program.

July 8, 1960 meeting, Board of Trustees

3. The invitational conference on the role of colleges and universities in ROTC programs, which was conducted on this campus on June 20-21, 1960, constituted a forum in which there was full and frank discussion between the Department of Defense, the Army, the Navy, and the Air Force on one panel and the colleges and universities on the other. Already one change in the ROTC program has been announced by the Army and the Air Force--a change which was under consideration before the conference took place. On the basis of other possible changes in the near future, it would seem to me that at least a short postponement of action on our part might place us in a stronger position to incorporate whatever additional changes in the ROTC program that may be forthcoming.
4. It is late to change our policy for the next academic year since officers for 1960-61 have already been assigned to our campus on the basis of compulsory ROTC. Also, the time is late to give freshman men proper guidance on course elections for the Autumn Quarter of this calendar year. The scheduling of courses can be done more effectively if the curricula available to freshmen are fixed at an earlier date.
5. After conferring on June 21, 1960, with The Honorable Charles C. Finucane, Assistant Secretary of Defense, and on June 27, 1960, with The Honorable Thomas S. Gates, Jr., Secretary of Defense, I am troubled by the fact that the policy of the Department of Defense with respect to ROTC programs is not supported fully by General Wilbur M. Brucker, Secretary of the Army. It is my feeling that within a reasonable period of time this confusing element of the problem may be resolved in a manner that will place us in a better position to make a final determination of policy.

As soon as the above matters are clarified more nearly to my satisfaction, I shall forward to the Board of Trustees the action of the Faculty Council with whatever personal recommendations that seem appropriate at the time.

Upon motion of Judge Gorman, seconded by Senator Bricker, the Board of Trustees unanimously agreed that the above statement be received, filed, and spread on the minutes of this meeting.

July 8, 1960 meeting, Board of Trustees

President Fawcett presented the following recommendation:

VII. OFF-CAMPUS HOUSING

At the May 5, 1960, meeting of the Board of Trustees, a statement on off-campus housing was made by the Chairman, Judge Gorman, indicating that after further study a statement be made at the July meeting. Therefore, I recommend that the following statement be approved.

With all University dormitory accommodations already filled in May for the 1960-61 school year, the University continues to depend upon Columbus homes, apartments, and rooming houses for living spaces for more than 6,000 single students alone next fall. For many years the University has accepted a sufficient amount of responsibility in off-campus housing, (1) to assure an adequate supply of rooms, (2) to assist students in locating satisfactory off-campus housing, and (3) to maintain some contact with landlords of rooming houses to assure minimum standards of facilities, health, good conduct and safety factors. For only those purposes in serving students, the personnel deans' offices maintain registry systems for listing rooms offered to students.

Since all rooming accommodations in University dormitories are available to all of its students regardless of race, religion, creed, color or national origin, the University presumes that landlords operating rooming houses under city licenses in off-campus locations will accept the University's non-discriminatory policy. Seventy-one individuals now renting to students have indicated their complete acceptance of the University's "open house" policy. These accommodations for 507 students, with 169 additional places in interracial and international houses, and other special houses off campus are expected to be adequate in number and quality of accommodations. They are located throughout the campus rooming house district north, east, and south of the campus so that all these areas will offer rooms to all students this next year. The number of old and new rooming houses open to all students will be increased this summer and fall as a positive action program continues in 1960-61 whereby the Deans' Offices work actively with landlords urging their complete acceptance of the University's "open house" policy.

Upon motion of Mr. Ketner, seconded by Mr. Rairdon, the above statement was approved and the secretary was instructed to include it in the minutes of this meeting.

The President then presented the following General Recommendations:

VIII. GENERAL RECOMMENDATIONS

A. Degrees Conferred - Summer Quarter Convocation

It is recommended that degrees be conferred at the Summer Quarter Convocation on August 26, 1960, to those students who complete their requirements and are recommended by the Faculty Council for degrees on that date. The names of those awarded degrees will be included in the minutes of this meeting.

Upon motion of Mr. Loop, seconded by Mr. Patton, the above recommendation was unanimously approved.

VIII. GENERAL RECOMMENDATIONS (cont.)

B. Supplemental Salary Budget for the Agricultural Extension Service, 1960-61

On May 5, 1960, the Board approved a salary budget for the Agricultural Extension Service for 1960-61 in the amount of \$2,687,592.00. Since that date the Congress has approved increased appropriations under the Smith-Lever Act as amended in 1953, which will provide increased resources for the Agricultural Extension Service. I now recommend the approval of a revised salary budget and amended salary roll for 1960-61 for the Agricultural Extension Service in the amount of \$2,951,456.00, which reflects an increase of \$263,864.00, \$112,224.00 of which is in Federal funds for the 1960-61 year.

Upon motion of Senator Bricker, seconded by Mr. Rairdon, the above recommendation was unanimously approved by roll call vote, and the Secretary was instructed to file the amended budget and salary roll with the previously submitted budget and salary roll to become the official salary budget for the Ohio Agricultural Extension Service for 1960-61.

C. Supplemental Salary Budget for the University Hospital, 1960-61

It is recommended that the personal services budget for the University Hospital for 1960-61 as approved on May 5, 1960, be amended by the addition of \$13,320.00, which is in the process of release by the Controlling Board, for additional staffing of the North Wing of the University Hospital. It is further recommended that the salary roll be increased to a new total of \$6,692,376.00 to reflect this addition of \$13,320.00.

Upon motion of Mr. Patton, seconded by Mr. Rairdon, the above recommendation was unanimously approved by roll call vote, and the Secretary was instructed to file the amended budget and salary roll with the previously submitted budget and salary roll to become the official salary budget for the University Hospital for 1960-61.

D. Penalty for Payment of Fees with Bad Check

During Spring Quarter, 1960, 86 bad checks were presented for payment of fees. The total amount of money involved in these bad checks was \$9,574.00. In order to control this situation, it is recommended that Section 43.00 of the Rules of the Faculty of The Ohio State University on the subject of registration and payment of fees be amended to include a penalty for failure to have sufficient funds in the account on which the check is written for payment of fees. A new section, No. 43.04, is proposed which will read as follows:

Any student presenting a check for fees which is returned because of insufficient funds will be assessed immediately a penalty of \$10.00 and his registration cancelled. Additionally, before registering again, the regular penalty for late payment provided for in Section 43.03 will be assessed. This is \$5.00 for the first day and \$1.00 for each succeeding day, with a maximum of \$10.00.

Upon motion of Mr. Patton, seconded by Judge Gorman, the above recommendation was unanimously approved by roll call vote, and the Rules for the Faculty of The Ohio State University were amended as stated above.

IX. PERSONNEL CHANGES

In addition to the regular personnel changes recommended for approval at this meeting, I wish to recommend the following Appointments, Promotions and Leaves of Absence without Salary:

A. Appointments

College of Engineering

Burford E. Gatewood appointed to the position of Professor in the Department of Aeronautical Engineering, effective October 1, 1960, at the annual rate of \$11,568.00.

Harold F. Mathis appointed to the position of Professor in the Department of Electrical Engineering, effective October 1, 1960, at the annual rate of \$9,768.00.

Business and Finance Division

Richard M. Larimer appointed to the position of Director of Purchases, effective July 25, 1960, at the annual rate of \$12,468.00.

B. Promotion

Office of the Dean of Women

Ruth H. Weimer promoted to Associate Dean of Women effective August 1, 1960, at the annual rate of \$8,568.00.

C. Leaves of Absence Without Salary

Kazuo Kawai, Professor, Department of Political Science, for the period from June 1, 1960, through September 30, 1961, to teach in the International University of America.

Howard G. Knuttgen, Assistant Professor, Department of Physical Education, requests an extension of present leave of absence through September 30, 1961, in order to accept an extension of his Fulbright Award.

Clifford Spector, Associate Professor, Department of Mathematics, for the period from October 1, 1960, through September 30, 1961, to pursue research in the foundations of mathematics at the Institute for Advanced Study in Princeton, New Jersey.

David Spitz, Professor, Department of Political Science, for the period from June 1 through September 30, 1960, to work on a research project sponsored by the Rockefeller Foundation.

Pierre Zoelly, Associate Professor, School of Architecture and Landscape Architecture, for the period from October 1, 1960, through September 30, 1961, to devote full time to research and writing on new text and special professional experience to enrich background for teaching.

Upon motion of Judge Gorman, seconded by Senator Bricker, the personnel changes were unanimously approved by roll call vote.

X. GENERAL CONTRACTS AND AGREEMENTS

A. The Ohio State University and The Ohio State University Research Foundation

It is recommended that the research agreements heretofore entered into between The Ohio State University and The Ohio State University Research Foundation setting up the following projects be reported to the Board of Trustees for information and record:

1. Government Contracts - Federal

- a. Cleveland Ordnance District, 1367 East Sixth Street, Cleveland 14, Ohio. For an investigation of Measure-Theoretical Foundations of Surface Area Theory (to be known as Cleveland Ordnance District Project No. 695 - Mod. #5 - Department of Mathematics).
Gross Value - \$13,292.00.
- b. National Science Foundation, Washington 25, D. C. For Antarctic Data Reduction and Publication in the IGY Glaciology Program (to be known as National Science Foundation Project No. 825 - Amend #4 - Department of Geology).
Gross Value - \$6,555.00.
- c. Cleveland Ordnance District, 1367 East Sixth Street, Cleveland 14, Ohio. For an investigation of Pure Rotation and Vibration-Rotation Spectra of Small Polyatomic Molecules in Region 15-40 Microns (to be known as Cleveland Ordnance District Project No. 841 - Mod. #3 - Department of Physics).
Gross Value - \$22,000.00.
- d. Commander, Wright Air Development Division, Wright-Patterson Air Force Base, Ohio. For Study of Thermal Microwave and Radar Reconnaissance Problems and Applications (to be known as Wright Air Development Division Project No. 898 - Sup. #2 - Department of Electrical Engineering).
Gross Value - \$38,000.00.
- e. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For Study to Improve Methods of Diagnosis for Endometrial Carcinoma (to be known as National Institutes of Health Project No. 950 - Sup. #2 - Department of Obstetrics and Gynecology).
Gross Value - \$6,000.00.
- f. Commander, Air Force Command and Control Development Division, ARDC, Laurence G. Hanscom Field, Bedford, Mass. For an Experimental Program to Determine Properties of Ionization Which is Produced by Space Vehicles (to be known as Air Force Command & Control Development Division Project No. 1108 - New - Department of Electrical Engineering).
Gross Value - \$50,000.00.

X. GENERAL CONTRACTS AND AGREEMENTS (cont.)

A. The Ohio State University and
The Ohio State University Research Foundation

1. Government Contracts - Federal (cont.)

- g. U. S. Atomic Energy Commission, Chicago Operations Office, 9800 South Cass Ave., Argonne, Illinois. For Theoretical Studies in Nuclear and High Energy Physics (to be known as U. S. Atomic Energy Commission Project No. 1111 - New - Department of Physics). Gross Value - \$14,788.00.
- h. Cleveland Ordnance District, 1367 East Sixth Street, Cleveland 14, Ohio. For A Study of the Shape of the Equipotential Surfaces and the Gravity Anomaly Field in High Elevation (to be known as Cleveland Ordnance District Project No. 1114 - New - Department of Geology). Gross Value - \$18,800.00.
- i. Cleveland Ordnance District, 1367 East Sixth Street, Cleveland 14, Ohio. For an investigation of Vaporization of Nitrides at Elevated Temperatures (to be known as Cleveland Ordnance District Project No. 1115 - New - Department of Chemistry). Gross Value - \$10,000.00.
- j. Commander, Air Force Command and Control Development Division, ARDC, Laurence G. Hanscom Field, Bedford, Mass. For A Theoretical Study of the Modification in Echo Area of Space Vehicles Due to their Local Space Environment (to be known as Air Force Command & Control Development Division Project No. 1116 - New - Department of Electrical Engineering). Gross Value - \$80,000.00.
- k. Commander, Wright Air Development Division, Wright-Patterson Air Force Base, Ohio. For Research on Hypersonic Aerothermodynamics (to be known as Wright Air Development Division Project No. 1117 - New - Department of Aeronautical Engineering). Gross Value - \$34,960.00.
- l. National Science Foundation, Washington 25, D. C. For Systematic-Evolutionary Study of the Parasitic Bee Genus Oreopasites Cockerell (to be known as National Science Foundation Project No. 1120 - New - Department of Zoology and Entomology). Gross Value - \$19,700.00.
- m. National Science Foundation, Washington 25, D. C. For Study Aimed at Improvement of Laboratory Courses in Organic Chemistry (to be known as National Science Foundation Project No. 1123 - New - Department of Chemistry). Gross Value - \$8,240.00.

July 8, 1960 meeting, Board of Trustees

X. GENERAL CONTRACTS AND AGREEMENTS (cont.)

A. The Ohio State University and
The Ohio State University Research Foundation

1. Government Contracts - Federal(cont.)

- n. U. S. Army Biological Warfare Laboratories, Fort Detrick, Frederick, Maryland. For Fundamental Studies Concerning Eggs, Larvae, and Adults of Aedes Aegypti (L) (to be known as U.S. Army Biological Warfare Laboratories Project No. 1124 - New - Department of Zoology and Entomology).
Gross Value - \$15,000.00.

TOTAL - Federal Government Contracts - \$337,335.00.

2. Government Contract - State

- a. State of Ohio, Department of Education, Division of Special Education, 40 South Third Street, Room 230, Columbus 15, Ohio. For The Construction of a Forced-Choice Instrument to Aid in the Identification of Areas of Superior Ability of the Gifted Child (to be known as Ohio Department of Education, Division of Special Education Project No. 1112 - New - Bureau of Educational Research and Service).
Gross Value - \$35,000.00.

TOTAL- Government Contracts - \$372,335.00.

3. Industrial and Other Contracts

- a. American Petroleum Institute, 1271 Avenue of the Americas, New York 20, N. Y. For Preparation of Hydrocarbons (to be known as American Petroleum Institute Project No. 31-A-Ext. #4 - Department of Chemistry).
Gross Value - \$52,000.00.
- b. The Petroleum Research Fund, American Chemical Society, 1155 Sixteenth Street, N.W., Washington 6, D.C. For an Unrestricted Grant (to be known as The Petroleum Research Fund, ACS Project No. 1113 - New - Department of Chemistry).
Gross Value - \$50,000.00.
- c. The Goodyear Tire and Rubber Company, 1144 East Market Street, Akron 16, Ohio. For an investigation of Synthesis of Isoprene (to be known as The Goodyear Tire and Rubber Co. Project No. 1118 - New - Department of Chemistry).
Gross Value - \$30,152.00.
- d. The Procter and Gamble Company, M. A. & R. Building, Ivorydale, Cincinnati 17, Ohio. For an investigation of Role of Carbonic Anhydrase in Oral Calculus Formation (to be known as The Procter and Gamble Company Project No. 1119 - New - Department of Pathology, College of Dentistry).
Gross Value - \$2,880.00.

TOTAL - Industrial and Other Contracts - \$135,032.00.

July 8, 1960 meeting, Board of Trustees

X. GENERAL CONTRACTS AND AGREEMENTS (cont.)

**A. The Ohio State University and
The Ohio State University Research Foundation**

3. Industrial and Other Contracts (cont.)

The foregoing nineteen contracts for research in cooperation with Government, Industry, and Other represent a gross income of \$507,367.00.

Upon motion of Mr. Ketner, seconded by Mr. Loop, the above contracts were unanimously approved.

**B. The Report of the Research Contract from the
Engineering Experiment Station**

The Engineering Experiment Station of The Ohio State University has entered into the following research contract for the period from May 27, 1960, through June 23, 1960. This research contract is reported to the Board of Trustees for information and record.

1. Industrial Research Project

EES-173 - "Evaluation of the Coffing Industries, Inc. 3-D Gyro Horizon," Coffing Industries, Inc., Covington, Indiana.
Gross Value - \$4,008.00.

**C. The Ohio State University and Children's Hospital -
Teaching Program of the Department of Pediatrics, College of Medicine**

It is recommended that the continuation of the agreement between The Ohio State University and Children's Hospital for the teaching program of the Department of Pediatrics, College of Medicine (1960-61) be approved, and the \$30,900.00 be paid from Laboratory Pro Rata Fund.

Upon motion of Senator Bricker, seconded by Mr. Loop, the above agreement was unanimously approved by roll call vote.

XI. GIFTS

A. Received Through the Development Fund

1. \$3,000.00 for the Alpheus W. Smith Fund

Alpheus W. Smith Fund

The Alpheus W. Smith Fund was established June 21, 1960, by gifts through the Development Fund in honor of Alpheus W. Smith, Professor Emeritus of Physics and Astronomy, former Chairman of the Department of Physics and Astronomy, and Dean Emeritus of the Graduate School.

XI. GIFTS (cont.)

A. Received Through the Development Fund

1. \$3,000.00 for the Alpheus W. Smith Fund (cont.)

The principal and any additional contributions shall be kept as a permanent fund, a part of the endowment, to be invested in the University's Investment Pool under rules and regulations adopted by the Board of Trustees of The Ohio State University, with right to invest and reinvest as occasion dictates. The income is to be used for scholarly purposes in the areas of Physics and Astronomy. This could include an annual lecture and the publication of the same.

In the event of unused income for a period of five years or more, the Board of Trustees of the University may use said income in its discretion for any purpose, preference to be given, however, to items in the fields of Physics and Astronomy.

Upon motion of Senator Bricker, seconded by Mr. Patton, the foregoing gift was accepted by unanimous vote.

B. Report from The Ohio State University Development Fund

I wish to report that in May, 1960, The Ohio State University Development Fund received gifts on behalf of the University as follows:

	<u>No. of Gifts</u>	<u>Amount</u>
Alumni	3,112	\$33,448.42
Individuals Other Than Alumni	118	6,492.51
Non-Profit Organizations	45	22,947.69
Business Concerns	35	33,656.00
	<u>3,310</u>	<u>\$96,544.62</u>

Of these gifts, 2,820 totaling \$19,083.68 were undesignated and 490 totaling \$77,460.94 were designated.

B. Conference on the Humanities

Upon the request of the Dean of the Graduate School and with the concurrence of the Vice President, Instruction and Research, I recommend that an amount not to exceed \$2,500.00 be appropriated from the General University Fund for the Third Annual Conference on the Humanities to be held on the campus October 28 and 29, 1960.

Upon motion of Mr. Rairdon, seconded by Mr. Ketner, the above appropriation was unanimously approved by roll call vote.

XII. APPROPRIATIONS AND TRANSFER OF FUNDS (cont.)

C. Ohio Journal of Science

Upon the request of the Joint Administrative Board of The Ohio Journal of Science and with the concurrence of the Vice President, Instruction and Research, I recommend that \$3,000.00 be allocated for the use of The Ohio Journal of Science for the period from July 1, 1960, through June 30, 1961.

Upon motion of Senator Bricker, seconded by Mr. Patton, the above recommendation was unanimously approved by roll call vote.

D. Dairy Technology - Transfer of Funds

Upon the request of the Chairman of the Department of Dairy Technology, and with the concurrence of the Dean of the College of Agriculture and Home Economics, I recommend that a sum not to exceed \$13,000.00 be transferred from Dairy Laboratory Rotary 15954 to Dairy Technology Rotary 13156.

Upon motion of Senator Bricker, seconded by Mr. Rairdon, the above recommendation for transfer of funds was unanimously approved.

E. Newcomer's Reception

During the past four years the University has cooperated with the University Women's Club in sponsorship and financial support of a University-wide reception for new members of the faculty. The arrangement provided that the University pay from the General University Fund three-fifths of the total expenses for the reception, with the University Women's Club paying the remaining two-fifths.

The University Women's Club has asked to be relieved of all financial and clerical responsibilities for this function. I recommend that the Board of Trustees authorize the payment from the General University Fund, in an amount not to exceed \$900.00, of total expenses for this reception.

The responsibility for planning the event will be assigned to the Office of University Relations.

Upon motion of Mr. Ketner, seconded by Mr. Loop, the above recommendation was unanimously approved by roll call vote.

F. Urban Renewal Studies

Upon the request of the Executive Director, Campus Planning, and with the concurrence of the Cabinet, I recommend that there be appropriated an amount not to exceed \$12,500.00 from the General University Fund for employing additional planning personnel to assist in the preparation of a general neighborhood plan for the area north of the campus. Such a plan is required before any urban renewal project in this area can be submitted for approval under the Federal Housing Act.

Upon motion of Mr. Rairdon, seconded by Senator Bricker, the above recommendation was unanimously approved by roll call vote.

XIII. RESOLUTION IN MEMORIAM

A. George Henry Siebert

The Board of Trustees expresses its sorrow at the death on June 9, 1960, of George Henry Siebert, Director of Purchases.

George Siebert was one who literally gave his whole life to The Ohio State University. Save for a period of three years when he took a position off campus, he served the University in one capacity or another from the day of his graduation in 1921 until he became ill in his office on June 9. Death followed later the same day.

Mr. Siebert was a native of Columbus, born February 15, 1896, the son of Thomas Henry and Harriette Murray Siebert. Educated in the Columbus public schools, he was graduated from North High School and entered the University.

World War I interrupted his college career. He served in the U. S. Navy from November, 1917, until March, 1919. He then returned to Ohio State to complete his formal education by earning the degree Bachelor of Arts in 1921. He was an enthusiastic Ohio Stater from the start. As an undergraduate he participated in numerous activities, serving as secretary of the Boost Ohio Committee, student member of the Athletic Board, intramural manager, member of the Varsity "O" Association, and Phi Kappa Psi Fraternity.

His first appointment at the University was as manager of the new cooperative bookstore on the campus in 1921. Later, when the University took over the ownership of the store, Mr. Siebert continued as manager during the period when the right of the institution to operate such a store was tried and upheld in the courts.

Always popular with his associates, Mr. Siebert gave himself enthusiastically to many of the activities on the campus. He was a past chairman of the Faculty Club Program Committee, a member of its Board of Control, secretary-treasurer of the Fraternity Managers Association, and the fourth Commander of the University Post 310, American Legion.

Highly regarded in his professional field, he was named the first editor of the National Association of College Stores Bulletin and was a member of its Board of Trustees. He later was made an honorary life member of this national group.

In 1931 he was given additional responsibilities as manager of both the University Print Shop and the Mailing Department. To these tasks were added the duties of an assistant in the Purchasing Department in 1933, an area that was to occupy his energies and talent during most of the rest of his life.

Mr. Siebert left the University in 1946 and took a position with a Columbus dealer in office equipment. He returned in 1949 to become Assistant Director of Purchases, and in July, 1950, he was made Director of Purchases.

July 8, 1960 meeting, Board of Trustees

XIII. RESOLUTION IN MEMORIAM (cont.)

A. George Henry Siebert (cont.)

The University was then at the beginning of one of the greatest periods of building expansion in its history. Mr. Siebert's task in procuring equipment for these new structures was an enormous one. Yet in these tense and harried times he retained the calm, patient bearing and good humor that characterized him. In recent years he was active in working with staff members of other state universities, the highway department and penal industries in developing more efficient and economical purchasing methods.

Over the years he served his community as secretary-treasurer of the Upper Arlington Civic Association, treasurer of the PTA of that community, and president of the Village Little Theatre group. He was for some years a University representative on the Charity Newsies, a trustee and deacon of the First Community Church, and a member of the Last Man's Club.

In recent years, Mr. and Mrs. Siebert lived in a home in the country near Delaware, where he found relaxation in his yard and garden. But most of all George Siebert enjoyed people and they enjoyed him. A painting hanging in the Faculty Club depicts him among some of his friends at the bridge table. He is survived by his wife, three children, and seven grandchildren.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

XIV. REPORT OF STANDING COMMITTEES

A. Report of the Finance Committee

Senator Bricker presented the following report and resolution concerning the financing of Federal Housing and Home Agency's Project No. 33-CH-87(D).

1. RESOLUTION APPROVING AND PROVIDING FOR THE EXECUTION OF A LOAN AGREEMENT, AND NUMBERED CONTRACT NO H(402)-4 4, BY AND BETWEEN THE OHIO STATE UNIVERSITY AND THE UNITED STATES OF AMERICA.

BE IT RESOLVED BY The Board of Trustees of The Ohio State University, as follows:

SECTION I. The pending Loan Agreement and numbered Contract No. H(402)-444, and relating to the erection on the campus of The Ohio State University an educational institution of higher learning located in Columbus, Ohio, a project consisting of fifteen two-story apartments and a service building for 200 student families; a ten-story dormitory for 486 women students; and two four-story dormitories and dining hall building for 408 men students by and between The Ohio State University and the United States of America, is hereby in all respects approved.

July 8, 1960 meeting, Board of Trustees

XIV. REPORT OF STANDING COMMITTEES (cont.)

A. Report of the Finance Committee (cont.)

SECTION 2. The President and the Vice President, Business and Finance, and each of them are hereby authorized and directed to execute the said Loan Agreement in three counterparts on behalf of The Ohio State University and the Secretary of the Board of Trustees is hereby authorized and directed to impress and attest the official seal of The Ohio State University, on each such counterpart and to forward three such counterparts to the Housing and Home Finance Agency, together with such other documents relative to the approval and execution of such counterparts and to this Resolution as may be required by the Government.

Upon motion of Senator Bricker, seconded by Judge Gorman, the foregoing Resolutions were unanimously adopted.

Senator Bricker presented the following resolutions concerning the financing of Federal Housing and Home Finance Agency's Project No. 33-CH-69(D).

2. THE ADOPTION OF BOND RESOLUTION AND ISSUANCE AND SALE OF DORMITORY REVENUE BONDS, SERIES C AND D.

RESOLVED, that a necessity exists in view of prospective enrollments and available housing facilities to obtain funds to construct and equip additional dormitory facilities (as defined in the Trust Agreement dated as of April 15, 1957) and to finance such requirements through the issuance of \$2,330,000 Dormitory Revenue Bonds, Series C, and \$2,030,000 Dormitory Revenue Bonds, Series D, in the manner provided in the Loan Agreement with the United States, Housing and Home Finance Administrator, dated as of April 1, 1959 and first amendatory Loan Agreement dated as of August 1, 1959, and that it is hereby found that the estimated costs of such dormitory facilities (the facilities covered by the aforesaid Loan Agreement and Amendatory Loan Agreement) and costs incidental thereto is \$4,360,000 and the provisions and the form of the Series C and D Bonds shall be as provided in Second Supplemental Trust Agreement presented to and approved at this meeting.

FURTHER RESOLVED, that the Board of Trustees hereby adopt the resolution as set forth in said Second Supplemental Trust Agreement (presented to this meeting and marked Exhibit A) and referred to therein as the Series C and D Bond Resolution, with such changes not unfavorable to the University as may be required by Original Purchasers of the Series C or Series D Bonds. (See Appendix I, page 100a)

FURTHER RESOLVED, that the Board of Trustees and the University hereby establish such special bank accounts as may be required by said Second Supplemental Trust Agreement or the Original Trust Agreement dated as of April 1, 1957 or by the Series C and D Bond Resolution and the authorized signatures therein shall be the same as the authorized signatures with respect to bank accounts in which are deposited special funds pursuant to the Original Trust Agreement and the Secretary of the Board of Trustees is authorized to include in the

minutes as adopted hereby any standard forms of bank resolutions required in connection with effecting the foregoing.

Upon motion of Senator Bricker, seconded by Judge Gorman, the foregoing Resolutions were unanimously adopted.

B. Report on Retirement and Insurance

Mr. Rairdon presented the following report of the Committee on Retirement and Insurance:

Residence Hall Insurance

In accordance with the actions of the Board on September 4, 1956 and November 8, 1957, pertaining to competitive bidding on insurance, bids were invited on May 12, 1960, for Fire and Extended coverage and Business Interruption coverage on Residence Halls. In each case alternative specifications were invited, with the University reserving the right to select the alternative which, in its judgment, provided the best coverage commensurate with the cost involved.

Fire and Extended Coverage

Bids were received on the fire and extended coverage from six firms, and were opened and tabulated at 2:05 p. m. EST, Thursday, May 26, 1960. These bids have now been carefully analyzed and it is the recommendation of the Committee on Retirement and Insurance that the coverage be awarded to Lumbermans Mutual Insurance Agency Inc. with the low net bid for five years of \$11,930.36 providing blanket coverage of \$7,906,365.00 on buildings and contents including 100% Sprinkler Leakage without co-insurance. The policy is subject to \$1,000.00 deductible applying to all losses in each occurrence other than fire and lightning. There would be no deductible applied to fire and lightning claims. Bids on this coverage ranged from \$11,930.36 to \$18,488.16.

The Residence Halls included under this policy are as follows:

- Baker Hall (excluding west addition)
- Mack and Canfield Halls
- Women's Refectory
- Oxley Hall
- Neil Hall
- Bradley and Paterson Halls
- Underground tunnel between Women's Refectory and Baker Hall

Total blanket buildings and contents coverage \$7,906,365.00

July 8, 1960 meeting, Board of Trustees

XIV. REPORT OF STANDING COMMITTEES (cont.)

B. Report on Retirement and Insurance (cont.)

Business Interruption Coverage

Bids were received on the business interruption coverage from five firms, and were opened and tabulated at 2:05 p. m. , EST, Thursday, May 26, 1960. These bids have now been carefully analyzed and it is the recommendation of the Committee on Retirement and Insurance that the coverage be awarded to Blackstone Mutual Insurance Company (Factory Mutual) with the low net bid for five years of \$1,165.00 providing blanket coverage of \$900,000.00 including 100% Sprinkler Leakage coverage with one exception. The limit of liability of \$58,000.00 applies to Neil Hall only since it is not considered a superior risk according to the Factory Mutuals standards. Bids on this coverage ranged from \$1,165.00 to \$1,350.00. Blackstone Mutual Insurance Company was the only company which offered the reporting form of coverage, including Sprinkler Leakage, which excludes ordinary payroll.

The Residence Halls included under the policy and their respective valuations are as follows:

Men's Residence Halls	\$124,239
Men's Residence Halls Food Service	329,690
Women's Residence Halls	128,270
Women's Residence Halls Food Service	259,496
Neil Hall	17,491
Neil Hall Food Service	40,814
Total valuation	<u>\$900,000</u>

It was moved by Mr. Rairdon that the above report be accepted and that the insurance coverages enumerated be awarded as recommended.

The motion was seconded by Mr. Patton and upon roll call vote was approved by unanimous vote.

XV. ANNOUNCEMENTS

Mr. Allyn appointed Senator John Bricker, Judge Robert Gorman and Mr. Alan Loop to serve on a committee to represent the Board of Trustees to develop a Memorandum of Understanding between The Ohio State Bar Association, The Ohio State Bar Association Foundation and The Ohio State University concerning continuing legal education and legal research.

Mr. Allyn stated that any two of the above named persons may represent the Board at meetings on the above assignment.

Mr. Allyn further stated that he will announce the appointments to the Board of Trustees Standing Committees at the September 9, 1960 meeting and he requested the current committees to continue until the September meeting.

**THE OHIO STATE UNIVERSITY DORMITORY REVENUE
BONDS SERIES C AND D
SECOND SUPPLEMENTAL TRUST AGREEMENT**

THIS SECOND SUPPLEMENTAL TRUST AGREEMENT, dated as of the 15th day of October, 1959 (herein called the "Supplement"), by and between The Ohio State University and its Board of Trustees (herein called the "University"), a state university of Ohio, and The Ohio National Bank of Columbus, Columbus, Ohio (herein called the "Trustee"), a corporation duly organized and existing under and by virtue of the laws of the United States, as Trustee under the Trust Agreement dated as of April 15, 1957 hereinafter mentioned.

WITNESSETH:

WHEREAS, the University, pursuant to the Original Bond Resolution, passed April 8, 1957, entered into a Trust Agreement dated as of April 15, 1957 with the Trustee and as of April 15, 1958 entered into a First Supplemental Trust Agreement (herein, collectively with said First Supplement and this Supplement, called the "Trust Agreement") under which \$6,000,000 Series A Dormitory Revenue Bonds and \$5,717,000 Series B Dormitory Revenue Bonds, dated April 15, 1957, have been authorized and issued and are presently outstanding and under which Additional Bonds (herein called "Additional Bonds") are issuable on a parity with the Series A and B Bonds and other Additional Bonds hereafter issued under certain conditions as provided in the Trust Agreement; and

WHEREAS, the University has, or will have, in all respects complied with the provisions of the Trust Agreement so as to be entitled at this time to execute and to have authenticated and delivered by the Trustee Additional Bonds consisting of \$2,330,000 Series C Bonds and \$2,030,000 Series D Bonds; and

WHEREAS, the University further desires by this Supplement to provide for the issuance under the Trust Agreement of \$4,360,000 of Additional Bonds (herein called the Series C and D Bonds) as \$2,330,000 Dormitory Revenue Bonds, Series C, and \$2,030,000 Dormitory Revenue Bonds, Series D; and

WHEREAS, the Board of Trustees of the University has duly adopted on July 8, 1960 the Series C and D Bond Resolution providing for the Series C and D Bonds and this Supplement, which

resolution, collectively with the Original Bond Resolution adopted April 8, 1958, is referred to as the Bond Resolution; and

WHEREAS, the Series C and D Bond Resolution is as follows:

RESOLUTION

Providing for the issuance of \$4,360,000 The Ohio State University Series C and D Dormitory Revenue Bonds for the purpose of constructing and equipping Building No. 4 (herein called the 4th Unit) of the 11th Avenue Residence Halls for Men and the Married Housing Project No. 1 as Additional Parity Bonds pursuant to Bond Resolution adopted April 8, 1957 and Trust Agreement dated April 15, 1957.

WHEREAS, the Board of Trustees of The Ohio State University (herein called the Board is vested with the government of The Ohio State University (herein called the University or, when the context admits, collectively with the Board called the University) by Section 3335.02 of the Revised Code of Ohio, with the right, under Section 3335.03 of said Revised Code, and as such Board, of suing and being sued, contracting and being contracted with, and of making and using a common seal and, under Section 3335.10 of said Revised Code, has general supervision of all lands, buildings and other property of the University and control of all expenses therefor; and

WHEREAS, by authority of Section 3345.07 of the Revised Code of Ohio, the Board is authorized to construct, equip, maintain and operate upon sites within, or in close proximity to, the campus of the University, buildings to be used as dormitories and as other suitable living quarters or as dining halls for students and members of the faculty and servants and wives and families of married students of said university and to pay for the same out of any funds in its possession derived from operation of such buildings under its control or out of funds borrowed therefor and to borrow funds for such purpose upon such terms as said Board may deem proper and issue notes or other written instruments evidencing such indebtedness provided that such indebtedness shall not be a claim against or lien upon any property of the State or any property of or under the control of said Board excepting such parts of the receipts of the operation of such buildings under control of the Board as it may pledge to secure the payment of such indebtedness and by authority of said Section 3345.07 the

Board is also authorized to issue such notes or other obligations payable as aforesaid in order to retire or refund outstanding notes or other obligations matured or unmatured, to repay moneys previously borrowed or advanced under said section or to reimburse funds of the University for amounts used under said Section 3345.07; and

WHEREAS, the University determined by resolution adopted April 8, 1957 (herein called the Original Bond Resolution and collectively with this resolution called the Bond Resolution) to provide for the issuance of Dormitory Revenue Bonds and pursuant to the Trust Agreement dated April 15, 1957 with The Ohio National Bank of Columbus (herein, with the First and Second Supplements, called the Trust Agreement), to pledge the net income of all the dormitory facilities now or hereafter under control of the University and to provide in said Trust Agreement for the issuance of such Bonds (herein called the Bonds) as from time to time authorized subject to the conditions contained in said Trust Agreement and by the Original Bond Resolution and the Trust Agreement provided for the sale of an initial issue of \$12,000,000 consisting of \$6,000,000 Series A Bonds and \$6,000,000 Series B Bonds (herein called the Series A and Series B Bonds) and for the issuance from time to time as authorized by the Board of Additional Bonds (herein called Additional Bonds) on a parity with said initial series; and

WHEREAS, there are presently outstanding \$6,000,000 principal amount of Series A Bonds and \$5,717,000 principal amount of Series B Bonds; and

WHEREAS, the University has not pledged or encumbered the revenues from its dormitory facilities on a basis equal or prior to the pledges under the Trust Agreement; and

WHEREAS, the University has determined to sell a second issue of \$4,360,000 of Additional Bonds consisting of \$2,330,000 Series C Bonds and \$2,030,000 Series D Bonds (herein called the Series C Bonds and the Series D Bonds respectively) all as provided in the Trust Agreement; and

WHEREAS, the Board by the adoption of this resolution has determined and confirmed that it is necessary to provide additional dormitory accommodations and married student apartments located on or in close proximity to the campus of the University and, accordingly, hereby declares and determines that it is immediately necessary to construct and equip additional dormi-

tories known as the 4th Unit of the 11th Avenue Residence Halls for men with accommodations for 496 men and Married Housing Project No. 1 with apartments for 200 families (said 4th Unit and said Married Housing Project and all things incidental thereto being herein referred to as the Project); and

WHEREAS, said 4th Unit is being constructed pursuant to plans prepared by the University Architect and approved by the Department of Public Works of Ohio, and said Married Housing Project No. 1 is being constructed pursuant to plans prepared by Tully & Hobbs, Architects, Columbus, Ohio, and approved by the Department of Public Works of Ohio; and

WHEREAS, the University has received estimates from said architects and, accordingly, estimates the following as the cost of the Project:

Cost of Construction of 4th Unit of the 11th Avenue Residence Halls for Men and Married Housing Project No. 1	\$3,658,000
Cost of Equipment of 4th Unit of 11th Avenue Residence Halls for Men and Married Housing Project No. 1	265,000
Capitalized Interest	123,000
Miscellaneous and Contingencies	314,000
Total	<u>\$4,360,000</u>

and

WHEREAS, the University has determined to borrow the funds to pay the foregoing costs, and to solicit proposals for the purchase of \$2,330,000 Dormitory Revenue Bonds, Series C, by investment bankers or others to provide funds for movable equipment for, and for a portion of the other costs of, the Project and has entered into a loan agreement dated April 1, 1959 and First Amendatory Loan Agreement dated August 1, 1959 (herein collectively called the Loan Agreement) with the United States acting through the Housing and Home Finance Administrator (HHFA) under which the United States agrees to purchase the \$2,030,000 of Dormitory Revenue Bonds, Series D to provide funds for costs of the Project other than movable equipment.

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of The Ohio State University:

SECTION 1. *Purpose of Series C and D Bonds.* It is hereby determined to be necessary to issue \$4,360,000 of Dormitory Rev-

enue Bonds of the University pursuant to Section 3345.07 of the Revised Code of Ohio and the Trust Agreement for the purpose of paying the costs of the Project and of all things incidental thereto or incidental to the financing thereof, including repayment of moneys previously borrowed or advanced for the Project or restoring amounts used for the Project from other funds of the University available for dormitory purposes. Said Bonds, together with the \$6,000,000 Series A Bonds and the \$5,717,000 Series B Bonds and any other Additional Bonds issued pursuant to the Trust Agreement, shall be payable as provided in Section 9 of the Bond Resolution from the net income of all the dormitory facilities (including dining halls and married student housing facilities) now or hereafter under the control of the Board, located on or in close proximity to the campus of the University and constructed, equipped, maintained and operated pursuant to said Section 3345.07 of the Revised Code of Ohio.

SECTION 2. *Terms of Series C and Series D Bonds.* Said \$4,360,000 of Dormitory Revenue Bonds shall be issued as \$2,330,000 Series C and \$2,030,000 Series D Bonds under this Resolution, the Original Bond Resolution, and the Trust Agreement, shall be entitled "The Ohio State University Dormitory Revenue Bonds," shall be dated as determined by the Fiscal Officer of the University and shall be issued as negotiable coupon bonds registrable as to principal, in the denomination of \$1,000, or as fully registered Bond or Bonds without coupons in denominations of \$1,000 or multiples thereof when and as requested by the Original Purchasers of such Bond or Bonds, shall be numbered as determined by a Fiscal Officer of the University, shall bear interest from their date, or from the last interest payment date preceding the date of issue, payable semi-annually on the fifteenth days of April and October of each year at the rates stipulated in its bid by the successful bidder and approved in writing by the President or Fiscal Officer of the University (or, in the case of Bonds purchased by the United States pursuant to Loan Agreement described below, at the rate specified in such Loan Agreement), and shall mature in the following amounts on October 15 of the following years:

<i>Year of Maturity</i>	<i>Series C Amount</i>	<i>Series D Amount</i>	<i>Year of Maturity</i>	<i>Series C Amount</i>	<i>Series D Amount</i>

The principal and interest of the Series C and Series D Bonds shall be payable in any coin or currency which, on the respective dates of payment, is legal tender for the payment of debts due the United States of America, at the principal office of the Trustee under the Trust Agreement (said Trustee at the time of issuance of the Series C and Series D Bonds being The Ohio National Bank of Columbus, Columbus, Ohio) or, at the option of the holder, at the principal office of The Morgan Guaranty Trust Company of New York, in the Borough of Manhattan, City and State of New York except that interest on fully registered bonds is payable by check as provided in the Trust Agreement, and principal on fully Registered Bonds may also be payable at such additional place or places, at the option of the holder, as shall be designated by the Fiscal Officer of the University. The Series C Bonds are subject to call for redemption prior to maturity at the option of the Board on April 15, 1970 or on any interest payment date thereafter in whole or in part in the inverse order of the maturities of the Bonds of that series at par and accrued interest to the redemption date plus redemption premiums as follows:

- 4% if called April 15, 1970 to October 15, 1974, inclusive
- 3% if called April 15, 1975 to October 15, 1979, inclusive
- 2% if called April 15, 1980 to October 15, 1984, inclusive
- 1½% if called April 15, 1985 to October 15, 1989, inclusive
- 0% if called thereafter.

If less than all the Series C Bonds of one maturity are to be called, the Coupon Bonds or portions of fully Registered Bonds of such

series and of that maturity to be called shall be chosen by lot conducted by the Trustee under the Trust Agreement. Series D Bonds maturing October 15, 1970 through October 15, 1989 inclusive, shall be callable at the option of the Borrower prior to the stated maturities thereof, in whole or in part and in inverse numerical order on any interest payment date after October 15, 1969 at the principal amount thereof, plus accrued interest to the date of redemption and a premium for each bond as follows:

4% if redeemed April 15, 1970 through October 15, 1974, inclusive

3% if redeemed April 15, 1975 through October 15, 1979, inclusive

2% if redeemed April 15, 1980 through October 15, 1984, inclusive

1½% if redeemed April 15, 1985 through October 15, 1989, inclusive

Series D Bonds maturing October 15, 1990 through October 15, 1999 inclusive, shall be callable at the option of the Board in whole or in part and in inverse numerical order on any interest payment date on or after April 15, 1967 at par plus accrued interest to the date of redemption.

Priority as to call shall extend to Series D Bonds maturing October 15, 1990 through October 15, 1999 inclusive over other Series D Bonds.

Such call for redemption shall be made by notice, specifying the numbers of the Series C and Series D Bonds to be called, published by the Trustee on behalf of the University once a week for two consecutive weeks in a financial newspaper of national circulation published in the English language in New York City and in an English language newspaper of general circulation in Columbus, Ohio, the first publication to be not more than forty (40) nor less than thirty (30) days prior to the date of redemption. Any bonds thus called for redemption and for the retirement of which funds are deposited with said Trustee as provided in the Trust Agreement on or before the redemption date shall cease to bear interest on said redemption date. Except in the case of redemption of Bonds of a particular series from the surplus proceeds of that issue as provided in Section 5 of the Original Bond Resolution, no Bonds of any series may be called unless the same proportion of the outstanding Bonds of each other series, then callable, are called at the same time.

The Series C and Series D Bonds shall have such other terms and conditions, and shall be issued, executed and delivered, as provided by the applicable provisions of the Trust Agreement, of the Loan Agreement and of the rules and regulations of Housing and Home Finance Agency.

A registered bond shall have prepayment provisions consistent with the redemption rights relating to coupon bonds which it replaces.

SECTION 3. *Sale of Series C Bonds.* The \$2,330,000 Series C Bonds shall be offered for sale, by solicitation of proposals from investment bankers and others or by advertisement or both, to the highest bidder based on the lowest net interest cost, in such manner and on such terms as determined by the President or the Fiscal Officer of the University, and may be awarded by said President or Fiscal officer.

SECTION 4. *Sale of Series D Bonds.* The \$2,030,000 Series D Bonds shall be advertised for sale, awarded and issued, by the President or Fiscal officer of the University pursuant to the Loan Agreement and the execution and delivery of the Loan Agreement is ratified and confirmed, and said officers and each of them are authorized to take any and all action necessary to carry out such Loan Agreement and the requirements of HHFA. Any of said Series D Bonds awarded to the United States pursuant to said Loan Agreement shall be sold to the United States at par and accrued interest to the date of delivery. Said Series D Bonds shall be sold as provided in the Loan Agreement and issued at one time or from time to time to the Original Purchasers thereof upon written request of the Fiscal Officer of the University to the Trustee as provided in the Trust Agreement, provided that any Series D Bonds sold to the United States, acting through said Administrator, shall be issued at such time as shall be provided for in said Loan Agreement.

SECTION 5. *Allocation of Proceeds of Series C and Series D Bonds.* The proceeds from the sale of Series C and Series D Bonds shall be allocated and applied by the University as follows:

- (1) The portion representing accrued interest to the Debt Service Fund provided for in the original Trust Agreement to be held by the Trustee, and the portion representing premium above par paid to the University for such Bonds, to the Debt Service Reserve Fund so provided for.

(2) From the proceeds of the Series C Bonds such amount as is verified by the fiscal officer of the University to be needed for the purchase of movable equipment for the project to the "Equipment Fund" hereby established to be held and applied to provide such movable equipment for the project in the same manner as the Equipment Fund provided for in the original Trust Agreement with respect to the Series A and B Bonds and any balance in the Equipment Fund not needed for such purposes shall be transferred to the Construction Fund.

(3) To the University the amounts necessary to reimburse the University for amounts expended by it on construction of the project prior to issuance of the Series C and D Bonds.

(4) The balance to the Construction Fund to be held by the Trustee to pay the costs of construction of the project and all incidental expenses of the project and the financing thereof (including in accordance with the Loan Agreement the repayment of any amounts borrowed by the University to pay project costs and interest thereon).

(5) Any balance remaining in the Construction Fund after payment of such costs, shall be applied as follows: (1) one-half to retirement at par plus accrued interest in inverse order of maturity of Series D Bonds, if any, then held by the United States and (2) the portion not needed for such retirement of Series D Bonds under (1) shall be transferred to the Debt Service Reserve Fund.

No part of the proceeds of Series D Bonds sold to the United States acting through the Housing and Home Finance Administrator shall be used to pay costs (including cost of movable equipment or fees of a financial advisor) which, under the rules, regulations or practices of the Housing and Home Finance Agency, may not be paid from proceeds of bonds purchased by the United States through that agency, and proceeds of Series D Bonds purchased by the United States as aforesaid shall be segregated in the Construction Fund to the extent necessary to effect the foregoing and none of the funds in the Construction Fund shall be applied in any manner contrary to the Loan Agreement.

The Trustee shall apply said Construction Fund and Equipment Fund to the payment of such items as from time to time are requested in writing by a Fiscal Officer of the University. Such written request shall include a certification by such official that the amount to be paid from such Construction Fund or such Equipment Fund constitutes authorized payments from such fund under the foregoing provisions of this Section 5. If the payment is to be made with respect to an obligation under a construction contract relating to the project, such written request shall further certify that such payment was certified as due under such contract by a qualified architect or engineer.

The Equipment Fund and the Construction Fund shall be invested by the Trustee in such direct obligations of the United States as shall be directed in writing by the President or a Fiscal Officer of the University, which writing shall designate maturities and amounts which, as nearly as practicable, would, through maturities, provide funds when needed to pay costs for which the respective funds have been established. Such investments and the proceeds of sale thereof shall constitute part of the fund from which the investment was made. Interest on such investments may be paid to the Dormitory Revenue Fund or applied to the purposes of the fund from which the investment was made as from time to time determined by a Fiscal Officer of the University. The said investments shall be sold, exchanged or collected from time to time as directed in writing by the President or a Fiscal Officer of the University and the Trustee shall be under no liability in connection with such investment, sale, exchange or collection thereof provided the directions of said officers are followed. No direction shall be made to invest the construction fund except as permitted by the Loan Agreement.

SECTION 6. *Additional Bonds.* (a) The Board shall have the right from time to time to issue Additional Bonds under the Trust Agreement if necessary to pay the costs of completing the Project or completing any projects for which Series A and B or additional Bonds, are issued. The Trustee shall authenticate and deliver such Bonds upon (but only upon) receipt of the documents required by Section 2.03 of the Trust Agreement. Nothing herein or in the Trust Agreement shall require any earnings coverage, or certificate with respect thereto, in connection with Additional Bonds issued for completion of a project.

(b) The Board shall also have the right from time to time to issue Additional Bonds under the Trust Agreement to provide funds for purposes authorized by Section 3345.07 of the Revised Code of Ohio, including construction and equipment by the University of buildings to be used as dormitories or as other living quarters or the refunding of outstanding bonds or notes issued under said Section 3345.07. The Trustee shall authenticate and deliver under the Trust Agreement Additional Bonds issued under this subdivision (b) if, (but only if), when such Additional Bonds are issued, the University shall have furnished to the Trustee, in addition to the documents required by Section 2.03 of the Trust Agreement, a certificate of the President and the Fiscal Officer of the University, approved by the Board of Trustees, (1) showing that (a) the actual net income from the dormitory facilities of the University (excluding net income from any dormitory facility which is to be abandoned or which is not suitable for continuous use as a dormitory facility for the term of such Additional Bonds) for the preceding fiscal year, as adjusted, if necessary, to reflect the schedule of rates and charges to become effective at the beginning of the next semester, quarter or other school period and to give recognition to any anticipated changes in operating costs; plus (b) the estimated annual net income of the dormitory facilities to be financed through the proceeds of the sale of such Additional Bonds will be equal to or greater than one and three-tenths (1.3) times the maximum amount to become due in any succeeding fiscal year for the payment of principal and interest charges on the Bonds then outstanding hereunder and on the Bonds then to be authenticated and delivered; (2) showing that, until the dormitory facility being constructed from the proceeds of the Additional Bonds, is ready for occupancy, funds then available from net income, bond proceeds, gifts, legacies, devises or grants or other sources for payment when due of principal and interest on the Bonds will be at least one and three-tenths (1.3) times the principal and interest requirements for that period; (3) showing that there were not included in net income any receipts against which there is any prior claim other than the use thereof for the operating expenses included in computing the net income; (4) furnishing such other information in support of the foregoing as may reasonably be requested by the Trustee; (5) showing that the computations of estimates provided for above are based on an assumed occu-

pancy of not more than 95% of capacity of the dormitory facilities in question.

The first call date on Additional Bonds shall not be earlier than the first call date on any issue of Bonds outstanding at the time of issue of such Additional Bonds.

SECTION 7. *Terms of the Bonds Generally.* As used in this Resolution, the term "Bonds" refers to the Series A, B, C and D Bonds and all Additional Bonds issued on a parity therewith under the Trust Agreement. The Bonds shall be designated The Ohio State University Dormitory Revenue Bonds, shall be payable in any coin or currency which, on the respective dates of payment, is legal tender for the payment of debts to the United States of America, shall be negotiable instruments (except when registered), shall express upon their face the purpose for which they are issued, and shall be issued pursuant to Section 3345.07 of the Revised Code of Ohio. Unless otherwise provided by the Board, the Bonds shall be signed by the Chairman of the Board or bear his facsimile signature, shall be signed by the President of the University or bear his facsimile signature, shall be attested by the Secretary or the Treasurer of the Board, and shall be sealed with the seal of the University or a facsimile thereof, and interest coupons attached to the Bonds shall bear the facsimile signature of the Treasurer of the Board. In case any officer whose signature or a facsimile of whose signature shall appear on any Bonds or coupons shall cease to be such officer before the delivery of such Bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until such delivery. Except in the case of redemption of Bonds of a particular series from the surplus proceeds of that issue as provided in Section 5 of the Original Bond Resolution, no Bonds of any series may be called unless the same proportion of the outstanding Bonds of each other series, then callable, are called at the same time. The Additional Bonds shall bear such designations as may be necessary to distinguish them from the Series A, B, C and D Bonds or other Additional Bonds having different provisions and shall have maturities, interest rates, interest payment dates, redemption provisions, denominations, registration provisions, and other provisions as provided in the Resolution providing for issuance of the Additional Bonds, provided, however, that such terms and provisions shall not be inconsistent with this Resolution, the

Trust Agreement or the then outstanding Bonds. On the terms provided herein, in the Trust Agreement and in the Bonds, the Bonds shall be equally and ratably payable from, and secured by pledge of, the receipts from the operation of all dormitory facilities now or hereafter under control of the Board, after provision for reasonable and proper expenses of operation and maintenance of such facilities; and anything in this Resolution, the Bonds or the Trust Agreement to the contrary notwithstanding, neither this Resolution, the Bonds, nor the Trust Agreement shall be a claim against or a lien upon any property of the State of Ohio or any property of or under the control of the Board except the portion of said receipts pledged as provided herein; provided, however, that nothing herein shall be deemed to prohibit the University, of its own volition, from using, or pledging, to the extent it is lawfully authorized to do so, any of its other resources or revenues for the fulfillment of any of the terms, conditions or obligations of the Trust Agreement, this Resolution, or any of the Bonds.

SECTION 8. *Covenants of the University.* The University covenants with the holders of the Bonds and with the Trustee under the Trust Agreement that (a) it will adopt and maintain, for the dormitory facilities so long as any of the Bonds are outstanding, such parietal rules, and charge and collect such rental rates and charges, from time to time, as may be necessary to assure maximum occupancy and use of the dormitory facilities, and to provide the costs of maintenance and operation thereof and the principal of and interest on the Bonds and the Special Funds required by Section 9 of this Resolution; (b) from funds lawfully available, it will cause the Project and any project to be constructed from the proceeds of Additional Bonds to be completed and equipped in an efficient and economical manner with reasonable dispatch and in a manner consistent with the plans and recommendations of responsible architects and all applicable laws, ordinances and regulations; (c) subject to the right of abandonment under conditions provided in the Trust Agreement designed to prevent adverse effect of such abandonment on the expected earnings coverage of Debt Service, it will, from the dormitory receipts pledged under this resolution and as part of the operating expenses, maintain, preserve and keep the dormitory facilities in good repair, working order and operating condition and continuously operate the same on a revenue producing

basis, and will apply the receipts therefrom only as provided in Section 9 of this Resolution and in the Trust Agreement; (d) it will furnish to the Trustee and the Original Purchasers of the Bonds within 120 days after the close of each fiscal year an annual report of the accounts (including each Special Fund provided for in Section 9 of this Resolution) and operations of the dormitory facilities prepared by qualified accountants approved by the Trustee; (e) it will keep proper books of record and accounts separate from all other records and accounts, in which complete and correct entries will be made of all transactions relating to the dormitory facilities and will at all reasonable times permit the Trustee, the Original Purchasers or any holder or holders of 25% of the outstanding Bonds, or their authorized representatives, to inspect the dormitory facilities and any books, documents and vouchers relating thereto; (f) it will furnish heat, light, power, water and other necessary services to the dormitory facilities at not in excess of reasonable cost; (g) except with the approval of Housing and Home Finance Administrator or his representative, it will not fail to comply with the terms and conditions of the Loan Agreement as long as the United States holds any of the Series D Bonds; (h) it will insure the dormitory facilities as required by the Trust Agreement and Loan Agreement and apply the proceeds of such insurance as provided therein; and (i) it will observe and perform all its agreements and obligations provided for by the Bonds, the Trust Agreement or the Bond Resolution.

SECTION 9. *Application of Receipts; Special Funds.* There was established by the Original Bond Resolution a Special Fund designated "Dormitory Revenue Fund," which fund shall be maintained in a bank account, or invested as herein authorized, in the name of the University separate and distinct from all other funds of the University and, subject to the withdrawals and uses herein authorized, is pledged to and charged with the payment of the principal, interest, and premium, if any, on all the Bonds issued under the Trust Agreement.

Under the Original Bond Resolution there shall be maintained in the Dormitory Revenue Fund, as an Operating Reserve, such amount as is from time to time certified by the Fiscal Officer of the University as adequate and necessary for working capital for operation and maintenance of the dormitory facilities; provided, that such Operating Reserve shall not exceed one-

fourth of the operating and maintenance expenses of the dormitory facilities for the preceding 12 months.

All receipts from dormitory facilities now or hereafter under the control of the Board, shall be deposited in the Dormitory Revenue Fund.

The Dormitory Revenue Fund, including the Operating Reserve, shall be applied to pay when due all reasonable and proper expenses of operation and maintenance (as defined in Section 11) of the dormitory facilities, excluding extraordinary repair and replacement expenses payable from the Contingency Repair and Replacement Fund and expenses of or provision for depreciation or capital replacement.

The remainder of the Dormitory Revenue Fund, after retaining therein the then current Operating Reserve and payment of said operation and maintenance expenses then due, shall be applied as provided in the Original Bond Resolution, namely, as follows and in the following order of priority:

First: Into the Debt Service Fund, to be held by the Trustee as a separate fund and used for the payment of principal and interest on the Bonds, the amounts provided in the Original Bond Resolution for payment of principal and interest on the Series A and B Bonds and, in addition, (1) on or before April 1 and October 1 of each year an amount equal to the interest due on the next ensuing interest payment date in that year on all Series C and D Bonds then outstanding; provided, that, the amount so payable on any such date into the Debt Service Fund shall be reduced by the amount then remaining in said Debt Service Fund from the accrued interest and from the funds deposited therein for capitalized interest pursuant to Section 5 of this Resolution: (2) on or before April 1 and October 1 of each year, the equal semi-annual amounts necessary to provide for payment of any principal maturity in that year on Series C and D Bonds; (3) if Additional Bonds shall be issued under the Trust Agreement, such additional amounts and at such times as specified in the resolution authorizing such Additional Bonds, which amounts shall be not less than that necessary to provide in the Debt Service Fund amounts, in addition to the amounts hereinbefore provided for the Series A, B, C and D Bonds, sufficient to pay in full interest and principal on all Additional Bonds then outstanding, as the same shall become due and payable, provided that no payments need be made to the Debt Service Fund so long as the

amounts in the Debt Service Fund and Debt Service Reserve Fund aggregate at least the total principal and interest payable on all Bonds then outstanding to the dates of their respective maturities;

Second: Into the Debt Service Reserve Fund, to be held by the Trustee as a separate fund for the payment of principal and interest on, and purchase or redemption of, the Bonds as herein provided, on or before April 1 and October 1 of each year and on such other dates as amounts are payable into the Debt Service Fund with respect to Additional Bonds, such amounts as are necessary to create and maintain in said Debt Service Reserve Fund the required reserve, namely, an amount equal to the maximum principal and interest requirements for any consecutive two-year period on all Bonds at the time outstanding;

Third: Into the Contingency Repair and Replacement Fund, to be held by the University as a fund separate and distinct from all other funds of the University, semi-annually on or before April 1 and October 1 of each year, or as soon thereafter as the required reserve has been established in the Debt Service Reserve Fund, an amount equal to one-quarter of one per cent of the cost of construction of all dormitory facilities then under the control of the Board and 3 per cent of the cost of movable equipment for all such dormitory facilities, which fund may be used by the University to the extent necessary for payment of principal and interest on the Bonds or for extraordinary repairs and replacements to the dormitory facilities or for construction or equipping of additional dormitory facilities;

Fourth: On April 1 and October 1 of each year, to the foregoing funds, such amounts as may be necessary to make up any previous deficiency in any deposits required by the foregoing paragraphs of this section;

Fifth: So long as there is no deficiency in any of the deposits provided for in Paragraphs First through Fourth above and so long as the amounts in the Debt Service Reserve Fund are at least equal to the then required reserve, any amounts in the Dormitory Revenue Fund, after reserving therein the then current Operating Reserve, may be used for any purpose of the University for which such funds may lawfully be used.

The Debt Service Fund is irrevocably pledged to and shall be used by the Trustee for the payment of principal and interest on the Bonds and, until required for such purposes, shall be in-

vested by the Trustee in such direct obligations of the United States as the President and the Fiscal Officer of the University shall direct in writing addressed to the Trustee, which writing shall determine that the maturity of the respective obligations is not later than the date on which such funds will be required for payment of such principal and interest. The Trustee shall transfer from the Debt Service Fund to the Paying Agents amounts sufficient to enable said Paying Agents to pay when due principal and interest on the Bonds, or the Trustee shall make such credit arrangements with said Paying Agents as to permit such payments.

The Debt Service Reserve Fund is irrevocably pledged to, and shall be used by the Trustee for, the payment of principal and interest on the Bonds if other available funds are insufficient for that purpose and, to the extent herein provided, for such purchase or redemption of Bonds. Until required for such purposes it shall be invested by the Trustee in such direct obligations of the United States as the President and the Fiscal Officer of the University shall direct in writing, which obligations shall mature not more than five years from the date of investment. The Trustee shall transfer from the Debt Service Reserve Fund to the Debt Service Fund such amounts as are necessary in addition to amounts available in the Debt Service Fund, including funds transferred from the Contingency Repair and Replacement Fund, to enable said Paying Agents to pay when due the principal and interest on the Bonds.

Any amounts in the Debt Service Reserve Fund in excess of the required reserve provided for in Paragraph Second above shall be used to purchase Bonds for retirement or to redeem Bonds then subject to redemption to the extent and in the manner from time to time requested in writing by the President and the Fiscal Officer of the University. In calculating at any time whether additional amounts are required to be paid into the Debt Service Reserve Fund under Paragraph Second above and in calculating the excess over the required reserve, no value shall be given to any investments of the fund other than direct obligations of the United States maturing within five years from the date of such calculation, but, in all other respects, such investments shall be valued at their face amount or market value, whichever is lower.

The Contingency Repair and Replacement Fund is irrevocably pledged to, and shall be used by the University for, extraordinary repairs and replacements to the dormitory facilities or to

construct or equip additional dormitory facilities or for the retirement of all then outstanding Bonds by purchase or redemption or for payment of the principal and interest by transfer to the Debt Service Fund as herein provided. The University shall transfer from the Contingency Repair and Replacement Fund to the Debt Service Fund such amounts as are from time to time necessary, in addition to the other amounts available in the Debt Service Fund and without use of the Debt Service Reserve Fund, to provide for the payment, when due, of the principal and interest on the Bonds and shall not use any of this fund for repairs or replacement or additional facilities if there is any deficiency in any of the deposits required to be made under subparagraphs First or Second of this Section. Until required for such purposes, the Contingency Repair and Replacement Fund may be invested by the President and the Fiscal Officer of the University in direct obligations of the United States maturing not more than five years from the date of investment.

Investments made pursuant to this Section 9 of any amounts in any Special Fund herein created and the interest thereon and the proceeds thereof shall constitute part of that Special Fund and be added to that particular fund. Such investments shall be sold, exchanged or collected from time to time as directed by the President and the Fiscal Officer of the University, and the Trustee shall be under no liability and have no responsibility in connection with such investment, or the sale, exchange or collection thereof, provided the directions of said officers are followed.

SECTION 10. *Trust Agreement.* In order to secure the payment of the principal and interest on the Bonds, the President of the University and the Chairman of the Board of Trustees, and each of them, are authorized to execute acknowledge and deliver as may be appropriate the Second Supplemental Trust Agreement in substantially the form attached hereto, and the Secretary of the Board of Trustees is authorized to seal and attest the same, with such changes not unfavorable to the University as the officers acting shall deem advisable and as shall be approved by the Original Purchasers of the Series C and Series D Bonds. The terms and provisions of the Original Trust Agreement are hereby confirmed and adopted and the terms of said Original Trust Agreement purporting to be applicable to the Series A and Series B Bonds or to the project to be constructed from the proceeds of the Series A and Series B Bonds shall be deemed equally applica-

ble to the Series C and Series D Bonds and the Project covered by this Resolution to the extent that the same are not inconsistent with the terms or provisions of this Resolution and the context so permits.

SECTION 11. *Definitions.* Where the context permits, the following terms as used in this Resolution or in the Trust Agreement shall have the following meanings: (1) "the Fiscal Officer" shall mean the Vice President, Business and Finance, of the University or any official or employee performing the duties of such officer for the time being. The Comptroller, or any official or employee performing the duties of such officer for the time being, shall also be "a Fiscal Officer" when the context so permits. (2) "Additional Bonds" shall mean Bonds issued pursuant to the Trust Agreement in addition to and on a parity with the Series A, B, C and D Bonds, and "Bonds" shall mean both the Series A, B, C and D Bonds and Additional Bonds; (3) "Agreement" or "Trust Agreement" shall refer to the Trust Agreement dated as of April 15, 1957 as supplemented by the First and Second Supplements; (4) "Dormitory Facilities" shall mean buildings, groups of buildings or parts of or additions to buildings, including the sites therefor, now or hereafter constructed, acquired by or under the control of the Board and authorized to be constructed, equipped, maintained and operated by Section 3345.07 of the Revised Code of Ohio, including dining halls, dormitory additions and additional dormitories and married student housing facilities or projects, all located on or in close proximity to the campus; (5) "Net Income" shall mean all receipts of the operation of dormitory facilities after deducting therefrom the reasonable and proper operating and maintenance expenses thereof; (6) "Reasonable and Proper Operating and Maintenance Expenses" shall mean ordinary and usual reasonable expenditures necessary to the operation, repair and maintenance of the dormitory facilities including, without limiting the generality of the foregoing, taxes, fees and expenses of the Trustee and paying agents and any expenses required to be paid by the Bond Resolution or the Trust Agreement, but excluding provision or expenditure for depreciation or capital replacement or expenditures for administration or regulation of the occupants of the dormitory facilities which expenditures do not constitute costs of the type included as cost of operation of the dormitories under the present accounting practice of the University or expenditures

for extraordinary repairs or replacements or payments to the Debt Service Fund, Debt Service Reserve Fund or Contingency Repair and Replacement Fund; (7) "Trustee" refers to the Trustee under the Trust Agreement, presently The Ohio National Bank of Columbus; (8) Any reference to an officer of the University or of the Board in this Resolution shall refer to the person holding such office or, in the event of resignation, absence, incapacity or vacancy in such office, then the person performing the duties of such office; any reference to Section 3345.07 of the Revised Code of Ohio shall, where the context permits, mean said section as it now exists and as it is from time to time amended, supplemented or affected by later legislation.

SECTION 12. General. The appropriate officers of the University and the Board, the architects and engineers employed by the University, and the Trustee designated in the Trust Agreement are authorized and directed to do all things necessary or proper to carry out the terms and provisions of this Resolution, the Trust Agreement, the Sale referred to in Section 3 above and the Loan Agreement referred to in Section 4 above, and to effect the execution sale and delivery of said Series C and D Bonds in accordance therewith if approved by the President and Fiscal Officer of the University. It may be required as part of the terms of sale of the Series C or D Bonds that prior to or at the time of delivery of either the Series C or D Bonds there shall have been executed and delivered contracts for construction of the principal portions of the Project and provisions shall have been made for obtaining sufficient amounts to pay all costs of the Project as estimated by the Project architect. The obligations imposed upon the University under this Resolution or the Trust Agreement are established as duties specifically enjoined upon the University, the Board and the officials of the University by law and result from their respective offices, trusts or stations within the meaning of Section 2731.01 of the Revised Code of Ohio.

Whereas, the texts of the Series C Bonds and Series D Bonds and the coupons, if any, to be attached thereto and the authentication certificate of the Trustee to be endorsed thereon are to be substantially as follows:

NOW, THEREFORE, THIS SUPPLEMENTAL TRUST AGREEMENT, WITNESSETH that in order to secure the payment of the principal of and interest on the Bonds according to their true intent and meaning, and to secure the performance and observance of all covenants and conditions therein and herein, in the Bond Resolution and in the Trust Agreement contained, and for and in consideration of the premises and of the purchase and acceptance of the Bonds by the holders thereof from time to time, and the acceptance by the Trustee of the further trusts hereby created, and for other good and valuable consideration, the receipt of which is hereby acknowledged, the University has executed and delivered this Second Supplemental Trust Agreement.

IN TRUST, NEVERTHELESS, upon the terms and trusts in the Trust Agreement and in this Supplement set forth for the equal

and proportionate benefit and security of all present and future holders of the Bonds and appurtenant coupons issued or to be issued under and secured by the said agreements, without preference, priority or distinction, as to lien or otherwise, of any one bond or coupon over any other by reason of priority in the time of the issue or negotiation thereof or otherwise, except as may be otherwise expressly provided in said Trust Agreement.

AND IT IS HEREBY COVENANTED AND DECLARED by the University with the Trustee and its successors in the trust under the Trust Agreement for the benefit of those who shall hold such Bonds and appurtenant coupons at any time issued and outstanding under the Trust Agreement as follows:

SECTION 1. *Incorporation of Bond Resolution.* The Bond Resolution is hereby made a part of this Supplement and of the Trust Agreement.

SECTION 2. *Form, Execution and Delivery of Series C and D Bonds.* The Series C and D Bonds shall be executed, authenticated and delivered as provided herein, and said Series C and D Bonds, the coupons to be attached thereto, and the certificate of authentication of the Trustee to be endorsed thereon shall be substantially in the form provided herein with any necessary modifications to conform hereto and to any requirements of the Housing and Home Finance Agency if the United States purchases any of said Series D Bonds.

SECTION 3. *Proceeds of Sale.* The proceeds from the sale of the Series C and D Bonds shall be applied as provided in the Bond Resolution.

SECTION 4. *Concerning the Trustee.* The Trustee hereby accepts the trusts hereby declared and provided and agrees to perform the same upon the terms and conditions in the Trust Agreement and in this or any other Supplement set forth.

The Trustee shall not be responsible in any manner whatsoever for or in respect of the validity or sufficiency of this Supplement or the due execution thereof by the University, nor for or in respect of the recitals herein contained, all of which recitals are made by the University solely. In general, each and every term and condition contained in the Original Trust Agreement shall apply to this Supplement, with such omissions, variations and modifications thereof as may be appropriate to make the same conform to this Supplement.

IN WITNESS WHEREOF, the Board of Trustees has caused this Second Supplemental Trust Agreement to be executed and The Ohio National Bank of Columbus, Columbus, Ohio, as Trustee, in token of its acceptance of the trusts created hereunder, has caused this Second Supplemental Trust Agreement to be executed and has caused its seal to be here unto affixed all as of the day and year first above written.

September 9, 1960 meeting, Board of Trustees

President Fawcett presented the following:

I. GENERAL RECOMMENDATIONS

A. Authorization for Mr. Ketner's Official Visit to India

The Ohio State University College of Agriculture and Home Economics is now in the fifth year of a contractual agreement between the University and the Government of the United States of America as represented by the International Cooperation Administration. Under the terms of the contract at least one representative of this University has made an official visit to India each year. Last year the Presidents of the participating universities made executive visits, and on the basis of their observations certain changes in the operation of these programs were recommended.

It is now appropriate to select our representative for 1960-61 so that he may complete the planning that is necessary if his visit is to be a productive one. It is therefore recommended that authority be granted to Mr. Forrest G. Ketner, a member of this Board of Trustees, to make an official visit to India during the 1960-61 academic year in accordance with the terms of the contract.

Upon motion of Judge Gorman, seconded by Mr. Rairdon, Mr. Ketner was authorized by unanimous roll call vote to plan for the executive visit to India.

B. Budget for Traffic and Parking

The Commission on Traffic and Parking has submitted an operating budget for the fiscal year 1960-61, in the amount of \$126,400.00 and the Vice President, Business and Finance, has reported that this amount is within the estimated revenue from the parking permits and the paid parking facilities.

I therefore recommend that the Commission on Traffic and Parking 1960-61 annual operating budget in the amount of \$126,400.00 be approved.

Upon motion of Mr. Patton, seconded by Mr. Loop, the above recommendation was unanimously approved by roll call vote.

C. Designation of Incorporators of a Managing Corporation for Legal Research and Continuing Legal Education, and University Representatives on the Corporation's Board of Trustees

On August 18, 1960, a special committee of the Board of Trustees consisting of Messrs. Bricker, Gorman, and Loop met with representatives of the Ohio State Bar Association and the Ohio State Bar Association Foundation to develop a plan for the proper management of a new Ohio bar center. Members of the staff attending the meeting were the President, the Vice President and Secretary, and the Dean of the College of Law.

To provide for the proper management of the new center, it was decided that an Ohio corporation should be formed. The three contracting parties to become the members of the corporation are The Ohio State University, the Ohio State Bar Association, and the Ohio State Bar Association Foundation, with each contracting party having equal representation. Since it was agreed that each of the parties is to have three representatives, it is necessary that the Board of Trustees designate three people to act as incorporators of a corporation, not

for profit, having as its primary purposes the formation and administration of programs of legal research and continuing legal education. It is understood that the same designees will serve until replaced as trustees of the corporation.

As representatives of the University for the above expressed purposes, I therefore recommend:

Professor Frank R. Strong, Dean and Director of Legal Research
Professor Robert J. Nordstrom, Associate Dean
Professor Ervin H. Pollack, Director of Research Services

It is further recommended that, when completed, the provisions for the general organization and operation of the new corporation shall be subject to the approval of the Board of Trustees of The Ohio State University.

Upon motion of Mr. Ketner, seconded by Senator Bricker, the above recommendations were unanimously approved by roll call vote.

D. Acceptance of Funds From The Ohio State Bar Association Foundation

The Ohio State Bar Association Foundation has donated \$643,659.31 to The Ohio State University to defray the expenses in connection with the construction of the Law Center Building. A portion of these funds are invested in savings accounts as follows:

I. GENERAL RECOMMENDATIONS (continued)

D. Acceptance of Funds From The Ohio State Bar Association Foundation (contin

It is hereby resolved that the Treasurer of The Ohio State University be and hereby is authorized to accept these funds on behalf of the University, and further, that he be and hereby is authorized to make withdrawals from said accounts to reimburse the University for expenses and costs incurred in the design, construction, and site improvement, including incidental expenses, of the Law Center Building.

Upon motion of Senator Bricker, seconded by Mr. Loop, the foregoing resolution was unanimously approved.

Virginia Ruth Griffin, Instructor (County Extension Agent, Home Economics), Lawrence County, for the period from September 1, 1960, through January 15, 1961, to study at the University of Maryland.

Walter G. Harter, Instructor (County Extension Agent, Agriculture), Ashland County, for the period from October 1 through December 15, 1960, to study at The Ohio State University.

Nellie L. Neff, Instructor (County Extension Agent, Home Economics), Mercer County, for the period from September 16 through December 31, 1960, to study at the University of Tennessee.

John F. Nicholson, Instructor (County Extension Agent, 4-H), Marion County, for the period from October 1 through December 15, 1960, to study at The Ohio State University.

Carlos F. Tucker, Instructor (County Extension Agent, 4-H), Huron County, for the period from October 1 through December 31, 1960, to study at The Ohio State University.

Richard E. Young, Instructor (County Extension Agent, 4-H), Lake County, for the period from October 1 through December 15, 1960, to study at The Ohio State University.

September 9, 1960 meeting, Board of Trustees

II. PERSONNEL CHANGES (continued)

D. Leaves of Absence Without Salary

John G. Daunt, Professor, Department of Physics and Astronomy, for the period from October 1, 1960, through January 31, 1961, to conduct research at The Ohio State University under grants-in-aid from the Linde Company and the National Science Foundation.

John J. Duffey, Associate Professor, College of Law, for the period from October 1 through December 31, 1960, to fill the judgeship of the 10th District Court of Appeals.

Ira A. Gould, Professor and Chairman, Department of Dairy Technology, for the period from September 1 through October 31, 1960, to conduct a study for the United Nations Children's Fund (UNICEF).

George F. Henning, Professor, Department of Agricultural Economics and Rural Sociology, for the period from September 1 through October 31, 1960, to take an I. C. A. assignment in Agricultural Marketing in Turkey.

John T. Krause, Instructor, Department of History, requests an extension of his present leave of absence through September 30, 1961, to continue work under a Rockefeller Foundation grant.

Norman Kretzmann, Assistant Professor, Department of Philosophy, for the period from October 1, 1960, through September 30, 1961, to accept a Visiting Assistant Professorship in Philosophy at the University of Illinois

Carl E. Nielsen, Associate Professor, Department of Physics and Astronomy, for the period from October 1, 1960, through September 30, 1961, to conduct research with the Midwestern Universities Research Association (MURA) at Madison, Wisconsin.

Jacob W. Old, Associate Professor, Department of Pathology, for the period from September 12 through September 23, 1960, to visit pathology departments and present papers in Europe.

Richard W. Stow, Associate Professor, Department of Medicine, for the period from September 1, 1960, through June 30, 1961, to accept a Fulbright Lectureship.

Gerald Westheimer, Associate Professor, School of Optometry, for the period from October 1, 1960, through September 30, 1961, to accept a Visiting Associate Professorship at the University of California School of Optometry.

E. Emeritus Titles

It is recommended that the following persons be retired with emeritus titles, effective on the date indicated:

Roderick D. Barden, with the title Professor Emeritus, Department of Agricultural Engineering, College of Agriculture and Home Economics, effective October 1, 1960.

September 9, 1960 meeting, Board of Trustees

II. PERSONNEL CHANGES (continued)

C. Emeritus Titles (continued)

Arthur H. Smith, with the title Assistant Professor Emeritus, Agricultural Extension Service, College of Agriculture and Home Economics, effective October 1, 1960.

M. Emmett Wilson, with the title Professor Emeritus, School of Music, College of Education, effective October 1, 1960.

Upon motion of Judge Gorman, seconded by Senator Bricker, the personnel changes were unanimously approved by roll call vote.

III. GENERAL CONTRACTS AND AGREEMENTS

A. The Ohio State University and The Ohio State University Research Foundation

It is recommended that the research agreements heretofore entered into between The Ohio State University and The Ohio State University Research Foundation setting up the following projects be reported to the Board of Trustees for information and record:

1. Government Contracts - Federal

- a. Department of the Army, Headquarters, The Armor Center, Central Purchasing Branch, Fort Knox, Kentucky. For Research and Scientific Studies for the Combat Development Program (to be known as Department of the Army, The Armor Center Project No. 573 - Mod. #15 - Engineering Experiment Station).
Gross Value - \$10,000.00.
- b. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For Mosquito Studies (to be known as National Institutes of Health Project No. 702 - Ext. #4 - Department of Zoology and Entomology).
Gross Value - \$13,800.00.
- c. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For an investigation of Antigenic Changes in Virus-Treated Erythrocytes (to be known as National Institutes of Health Project No. 707 - Ext. #4 - Department of Bacteriology).
Gross Value - \$22,160.00.
- d. Department of Health, Education and Welfare, Public Health Service, Washington 25, D. C. For an investigation of The Relationship of Animal Disease to Air Pollution (to be known as Department of HE&W, Public Health Service Project No. 788 - Mod. #4 - Department of Veterinary Pathology).
Gross Value - \$5,055.00.

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

- e. Department of the Navy, Office of Naval Research, Washington 25, D. C. For an investigation of Productive Nonconformity (to be known as Office of Naval Research Project No. 798 - Amend. #4 - Department of Psychology).
Gross Value - \$17,645.00.
- f. Commander, Wright Air Development Division, Wright-Patterson Air Force Base, Ohio. For an investigation of Interplanetary, Lunar and Near Planet Environments and Methods of Simulation (to be known as Wright Air Development Division Project No. 847 - Sup. #2 - Department of Mechanical Engineering).
Gross Value - \$10,000.00.
- g. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For an investigation of Physiological and Pathological Effects of Vibration (to be known as National Institutes of Health Project No. 862 - Ext. #2 - Department of Preventive Medicine).
Gross Value - \$72,370.00.
- h. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For A Phytochemical Search for Medicinal Constituents (to be known as National Institutes of Health Project No. 865 - Ext. #2 - College of Pharmacy).
Gross Value - \$23,872.00.
- i. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For an investigation of Cardiac Output by Conductivity Dilution (to be known as National Institutes of Health Project No. 868 - Ext. #2 - Department of Physiology).
Gross Value - \$9,994.00.
- j. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For Bacteriological Studies of Dental Calculus (to be known as National Institutes of Health Project No. 869 - Ext. #2 - College of Dentistry).
Gross Value - \$11,955.00.
- k. Commander, Air Force Office of Scientific Research, Air Research and Development Command, Washington 25, D. C. For an investigation of Value Acts and Situational Variables in Organizational Behavior (to be known as Air Force Office of Scientific Research Project No. 870 - Sup #3 - Department of Psychology).
Gross Value - \$65,428.00.

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

1. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For an investigation of Influence of Antibiotic Feeding on Poultry Products (to be known as National Institutes of Health Project No. 871 - Ext. #2 - Department of Bacteriology).
Gross Value - \$6,640.00.
- m. Cleveland Ordnance District, 1367 East Sixth Street, Cleveland 14, Ohio. For Research on Satellite Ionization Phenomena and Observations (to be known as Cleveland Ordnance District Project No. 884 - Mod. #5 - Department of Electrical Engineering).
Gross Value - \$9,400.00.
- n. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For an investigation of Phospholipide Metabolism in Relation to Cell Division (to be known as National Institutes of Health Project No. 911 - Ext. #2 - Institute of Nutrition & Food Technology).
Gross Value - \$14,655.00.
- o. Diamond Ordnance Fuze Laboratories, Ordnance Corps, Department of the Army, Washington 25, D. C. For Microwave Absorption Studies (to be known as Diamond Ordnance Fuze Laboratories Project No. 941 - Mod. #3 - Department of Electrical Engineering).
Gross Value - \$9,000.00.
- p. Commander, Wright Air Development Division, Wright-Patterson Air Force Base, Ohio. For Research Analysis Services (to be known as Wright Air Development Division Project No. 942 - Sup. #3 - OSURF).
Gross Value - \$11,000.00.
- q. Department of Health, Education & Welfare, Office of Education, Washington 25, D. C. For an Experimental Development of a Mobile Laboratory of New Media of Instruction for Use in the In-Service Education of Teachers in Mathematics and Science (to be known as Department of HE&W, Office of Education Project No. 945 - Bureau of Educational Research & Service).
Gross Value - \$24,671.00.
- r. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. To Conduct an Estimated 5,000 Examinations and Provide Human Specimen Material for Study Related to Cancer in Large Bowel (to be known as National Institutes of Health Project No. 974 - Amend. #2 - College of Medicine).
Gross Value - \$12,768.00.

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

- s. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For an investigation of Psychophysiology of Congenital Retinal Disease (to be known as National Institutes of Health Project No. 992 - Ext. #1 - Institute for Research in Vision).
Gross Value - \$17,250.00.
- t. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For an investigation of Standard Thrombus Production by Electric Current (to be known as National Institutes of Health Project No. 998 - Ext. #1 - Department of Surgery).
Gross Value - \$6,000.00.
- u. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For an investigation of Factors Influencing Experimental Cancer of Uterus (to be known as National Institutes of Health Project No. 1005 - Ext. #1 - Department of Pathology).
Gross Value - \$11,632.00.
- v. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For an investigation of Fluoride-Triggered Electrode Reactions (to be known as National Institutes of Health Project No. 1012 - Ext. #1 - Department of Chemistry).
Gross Value - \$6,613.00.
- w. Department of the Navy, Office of Naval Research, Washington 25, D. C. For Conducting a Course of Instruction in Navy Property Administration (to be known as Office of Naval Research Project No. 1121 - New - Department of Business Organization).
Gross Value - \$29,457.00.
- x. National Science Foundation, Washington 25, D. C. For an investigation of Structure in the Stagnant Ice of Burroughs Glacier, Glacier Bay, Alaska (to be known as National Science Foundation Project No. 1122 - New - Department of Geology).
Gross Value - \$6,000.00.
- y. Cleveland Ordnance District, 1367 East Sixth Street, Cleveland 14, Ohio. For an investigation of Nondestructive Testing of Solid Propellant Missile Case Walls, Welds and Bonds (to be known as Cleveland Ordnance District Project No. 1125 - New - Department of Welding Engineering).
Gross Value - \$112,950.00.
- z. Cleveland Ordnance District, 1367 East Sixth Street, Cleveland 14, Ohio. For an investigation of Mechanism of Oxide Formation in the Initial Stages of Oxidation (to be known as Cleveland Ordnance District Project No. 1126 - New - Department of Metallurgical Engineering).
Gross Value - \$23,740.00.

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

- 1a. Cleveland Ordnance District, 1367 East Sixth Street, Cleveland 14, Ohio. For an investigation of Reactions of Unsaturated Carbonium Ions (to be known as Cleveland Ordnance District Project No. 1127 - New - Department of Chemistry).
Gross Value - \$14,000.00.
- 1b. National Science Foundation, Washington 25, D. C. For an investigation of Glaciology of Antarctic Firn (to be known as National Science Foundation Project No. 1128 - New - Department of Geology).
Gross Value - \$53,972.00.
- 1c. National Science Foundation, Washington 25, D. C. For Geological Investigation of Antarctic Horst Area (to be known as National Science Foundation Project No. 1132 - New - Department of Geology).
Gross Value - \$69,479.00.
- 1d. National Science Foundation, Washington 25, D. C. For Completion and Instrumentation of 360-foot Standing-Parabola, Tilttable-Flat-Sheet-Reflector Radio Telescope (to be known as National Science Foundation Project No. 1136 - New - Department of Electrical Engineering).
Gross Value - \$71,900.00.
- 1e. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For Study of Families that Neglect and Abuse Their Children (to be known as National Institutes of Health Project No. 1153 - New - School of Social Work).
Gross Value - \$2,300.00.
- 1f. Department of Health, Education & Welfare, Public Health Service, Washington 25, D. C. To Train Cytotechnologists (to be known as Department of HE&W, Public Health Service Project No. 1154 - New - Department of Pathology).
Gross Value - \$39,357.00.
- 1g. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For an investigation of Effect of Hypoglycemic Agents on Cell Metabolism (to be known as National Institutes of Health Project No. 1158 - New - Department of Medicine).
Gross Value - \$17,391.00.
- 1h. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For an investigation of Electron Microscopy of Cervical Carcinogenesis (to be known as National Institutes of Health Project No. 1159 - New - Department of Pathology).
Gross Value - \$27,582.00.

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

- li. National Science Foundation, Washington 25, D. C. For an investigation of Enzymatic Synthesis of Protein (to be known as National Science Foundation Project No. 1163 - New - Department of Agricultural Biochemistry).
Gross Value - \$31,700.00.
- lj. National Science Foundation, Washington 25, D. C. For Research on Polysaccharides (to be known as National Science Foundation Project No. 1164 - New - Department of Chemistry).
Gross Value - \$39,000.00.
- lk. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For an investigation of Biogenesis of Oligosaccharides Containing Galactose (to be known as National Institutes of Health Project No. 1165 - New - Department of Agricultural Biochemistry).
Gross Value - \$13,483.00.
- 1l. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For an investigation of Histology of Human Hypothalamohypophyseal System (to be known as National Institutes of Health Project No. 1166 - New - Departments of Pathology and Psychiatry).
Gross Value - \$19,708.00.

TOTAL - Federal Government Contracts - \$963,927.00.

2. Industrial and Other Contracts

- a. Alloy Casting Institute, 1001 Franklin Avenue, Garden City, New York. For an investigation of Cast Corrosion Resistant Alloys (to be known as Alloy Casting Institute Project No. 350 - Amend. #12 - Engineering Experiment Station).
Gross Value - \$26,000.00.
- b. University of Illinois, Business Office, Purchasing Division, 203 Administration Bldg. E, Urbana, Illinois. For Transmission of Pulsed Radio Signals at 6.4MC/S (to be known as University of Illinois Project No. 473-Mod. #24 - Department of Electrical Engineering).
Gross Value - \$800.00.
- c. Illuminating Engineering Research Institute, 1860 Broadway, New York 23 New York. For Studies of the Illumination Requirements for Roadway Visual Tasks (to be known as Illuminating Engineering Research Institute Project No. 872 - Sup. #3 - Institute for Research in Vision).
Gross Value - \$2,500.00.

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

2. Industrial and Other Contracts (continued)

- d. Illuminating Engineering Research Institute, 1860 Broadway, New York 23, New York. For Studies of Visual Performance and Illumination (to be known as Illuminating Engineering Research Institute Project No. 885 - Ext. #3 - Institute for Research in Vision).
Gross Value - \$17,600.00.
- e. Central Ohio Heart Association, 50 East Broad Street, Columbus 15, Ohio. For Development of a Prosthetic Heart Valve (to be known as Central Ohio Heart Association Project No. 953 - Department of Surgery).
Gross Value - \$3,500.00.
- f. The Ford Foundation, The Fund for the Advancement of Education, 477 Madison Avenue, New York 22, New York. For Greater Columbus Area ETV Project (to be known as The Ford Foundation Project No. 982 - Ext. #1 - Radio and TV Broadcasting).
Gross Value - \$40,000.00.
- g. The Petroleum Research Fund, American Chemical Society, 1155 Sixteenth St., N. W., Washington 6, D. C. For an investigation of Chemistry of Organoalkali Metal Compounds (to be known as The Petroleum Research Fund, AMC Project No. 1129 - New - Department of Chemistry).
Gross Value - \$27,900.00.
- h. The Petroleum Research Fund, American Chemical Society, 1155 Sixteenth St., N. W., Washington 6, D. C. For an investigation of Kinetics of Oxidation of Hydrocarbons (to be known as The Petroleum Research Fund, AMC Project No. 1130 - New - Department of Chemistry).
Gross Value - \$39,000.00.
- i. The Petroleum Research Fund, American Chemical Society, 1155 Sixteenth St., N. W., Washington 6, D. C. For an investigation of The Chemistry of the Pleiadene System (to be known as The Petroleum Research Fund, AMC Project No. 1131 - New - Department of Chemistry).
Gross Value - \$30,000.00.
- j. Ayerst Laboratories, Division of American Home Products Corp., Medical Department, 22 East 40th Street, New York 16, New York. For an investigation of Effect of Fluothane on Uterine Contraction and Blood Loss During Delivery (to be known as Ayerst Laboratories Project No. 1133 - New - Department of Anesthesia).
Gross Value - \$5,000.00.
- k. Hercules Powder Company, Inc., Allegany Ballistics Laboratory, Cumberland, Maryland. For The Theoretical Analysis of a Two-Dimensional, Compressible, Turbulent Boundary Layer Flow (to be known as Hercules Powder Company Project No. 1134 - New - Department of Aeronautical Engineering).
Gross Value - \$7,045.00.

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

2. Industrial and Other Contracts (continued)

- l. Hercules Powder Company, Inc., Allegheny Ballistics Laboratory, Cumberland, Maryland. For Research on Flames of Aluminum Powder with Various Oxidizing Gases (to be known as Hercules Powder Company Project No. 1135 - New - Department of Aeronautical Engineering). Gross Value - \$23,000.00.
- m. Central Ohio Heart Association, 50 East Broad Street, Columbus 15, Ohio. For an investigation of The Relationship Between Degenerative Vascular Disease and Plasma Glycoproteins in Patients with Diabetes Mellitus and in Dogs with Experimentally Produced Pituitary Diabetes, "Continued" and Amended (to be known as Central Ohio Heart Association Project No. 1137 - New - Department of Pathology). Gross Value - \$6,493.20.
- n. Central Ohio Heart Association, 50 East Broad Street, Columbus 15, Ohio. For Continuation of Basic Studies on the Oxidative Metabolism of Arteries and Heart Muscles from (A) Rabbits and Rats Fed Dietary Supplements of Cholesterol and/or an "Ether Factor" and (B) Adrenocortical Insufficient Rats (to be known as Central Ohio Heart Association Project No. 1138 - New - Department of Physiology). Gross Value - \$6,661.20.
- o. Central Ohio Heart Association, 50 East Broad Street, Columbus 15, Ohio. For an investigation of Relation of the Adrenal to Hypertension (to be known as Central Ohio Heart Association Project No. 1139 - New - Department of Physiology). Gross Value - \$6,336.75.
- p. Central Ohio Heart Association, 50 East Broad Street, Columbus 15, Ohio. For Sequential Analysis of Acute Hemodynamic Changes (to be known as Central Ohio Heart Association Project No. 1140 - New - Department of Physiology). Gross Value - \$6,730.50.
- q. Central Ohio Heart Association, 50 East Broad Street, Columbus 15, Ohio. For an investigation of Physical Chemistry of the Arterial Wall: Factors Influencing the Time Dependent Behavior of the Carotid Artery (to be known as Central Ohio Heart Association Project No. 1141 - New - Department of Physiology). Gross Value - \$4,567.50.

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

2. Industrial and Other Contracts (continued)

- r. Central Ohio Heart Association, 50 East Broad Street, Columbus 15, Ohio.
For an investigation of Phasic Variations in Ventricular Filling (to be known as Central Ohio Heart Association Project No. 1142 - New - Department of Physiology).
Gross Value - \$4,443.60.
- s. Central Ohio Heart Association, 50 East Broad Street, Columbus 15, Ohio.
For an investigation of EKG Patterns During Endotracheal Intubation Under Fluothane Anesthesia (to be known as Central Ohio Heart Association Project No. 1143 - New - Department of Anesthesia).
Gross Value - \$2,205.00.
- t. Central Ohio Heart Association, 50 East Broad Street, Columbus 15, Ohio.
For Studies on the Physics of Circulation: Effect of Peripheral Resistance on Reflections in the Aorta (to be known as Central Ohio Heart Association Project No. 1144 - New - Department of Physiology).
Gross Value - \$8,347.50.
- u. Central Ohio Heart Association, 50 East Broad Street, Columbus 15, Ohio.
For an investigation of Injection Casts of Human Coronary Arteries (to be known as Central Ohio Heart Association Project No. 1145 - New - Department of Surgery).
Gross Value - \$3,952.00.
- v. Central Ohio Heart Association, 50 East Broad Street, Columbus 15, Ohio.
For an investigation of The Significance of Mitral Regurgitation in the Pathogenesis of Congestive Heart Failure (to be known as Central Ohio Heart Association Project No. 1146 - New - Department of Veterinary Physiology and Pharmacology).
Gross Value - \$4,368.00.
- w. Central Ohio Heart Association, 50 East Broad Street, Columbus 15, Ohio.
For a Correlative Study of Exercise Tolerance Tests with Coronary Arteriograms in Patients with and without Coronary Artery Disease (to be known as Central Ohio Heart Association Project No. 1147 - New - Department of Medicine).
Gross Value - \$7,019.25.
- x. Central Ohio Heart Association, 50 East Broad Street, Columbus 15, Ohio.
For Evaluation of the Role of the Pulmonary Venous Pressure in Chronic Cor Pulmonale with Congestive Heart Failure (to be known as Central Ohio Heart Association Project No. 1148 - New - Department of Medicine).
Gross Value - \$2,868.60.
- y. Central Ohio Heart Association, 50 East Broad Street, Columbus 15, Ohio.
For an investigation of The Pharmacology of Schiff Bases of Physiologically Active Amines (to be known as Central Ohio Heart Association Project No. 1149 - New - Department of Physiological Chemistry and Pharmacology).
Gross Value - \$3,570.00.

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

2. Industrial and Other Contracts (continued)

- z. Central Ohio Heart Association, 50 East Broad Street, Columbus 15, Ohio. For an investigation of The Distribution and Action of Drugs on the Nodal, Conducting and Contractile Tissues of Mammalian Hearts (to be known as Central Ohio Heart Association Project No. 1150 - New - Department of Veterinary Physiology and Pharmacology).
Gross Value - \$4,641.00.
- 1a. Central Ohio Heart Association, 50 East Broad Street, Columbus 15, Ohio. For an investigation of Nature of Ventricular Activation Process (to be known as Central Ohio Heart Association Project No. 1151 - New - Department of Veterinary Physiology and Pharmacology).
Gross Value - \$4,173.75.
- 1b. Orthopaedic Research and Education Foundation, 29 East Madison Street, Chicago 2, Illinois. For A Study of the Forces Exerted on the Hip Joint of Infants in Breech and Cephalic Presentations (to be known as Orthopaedic Research and Education Foundation Project No. 1152 - New - Department of Surgery, Division of Orthopedic Surgery).
Gross Value - \$2,357.50.
- 1c. The Illuminating Engineering Research Institute, 1860 Broadway, New York 23, New York. For Studies of Micro Eye Movements During Fixation and Fusion as a Function of Illumination Level, Contrast, and Fusional Stress (to be known as Illuminating Engineering Research Institute Project No. 1153 - New - School of Optometry).
Gross Value - \$7,856.00.
- 1d. American Heart Association, Inc., 44 East 23rd Street, New York 10, New York. For an investigation of Cardiac Output and its Distribution in Experimental Hypertension (to be known as American Heart Association Project No. 1156 - New - Department of Physiology).
Gross Value - \$14,850.00.
- 1e. American Heart Association, Inc., 44 East 23rd Street, New York 10, New York. For Development of Prosthetic Valves for the Human Heart (to be known as American Heart Association Project No. 1157 - New - Department of Surgery).
Gross Value - \$16,500.00.
- 1f. American Cancer Society, Inc., 521 West 57th Street, New York 19, New York. For an investigation of Tissue Culture Techniques as Applied to Hodgkin's Disease, Lymphomas, and Leukemias (to be known as American Cancer Society Project No. 1161 - New - Department of Medicine).
Gross Value - \$21,602.00.

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

2. Industrial and Other Contracts (continued)

- 1g. Central Ohio Heart Association, 50 East Broad Street, Columbus 15, Ohio.
For an investigation of Myocardial Revascularization Employing the Flow
Gradient Principle (to be known as Central Ohio Heart Association
Project No. 1162 - New - Department of Surgery).
Gross Value - \$8,173.45.

TOTAL - Industrial and Other Contracts - \$370,061.80.

The foregoing seventy-one contracts for research in cooperation with Government,
Industry and Other represent a gross income of \$1,333,988.80.

Upon motion of Senator Bricker, seconded by Mr. Rairdon, the above contracts
were unanimously approved.

B. The Report of the Research Contracts from the
Engineering Experiment Station

The Engineering Experiment Station of The Ohio State University has entered
into the following research contracts for the period from June 24, 1960, through
August 19, 1960. These research contracts are reported to the Board of Trustees
for information and record.

1. Government Research Projects

- EES-163- "Toxic Effects of Metallic Wastes on the Bacterial and Biological
Processes of Sewage Treatment," Ext. #1, State of Ohio, Depart-
ment of Health, Columbus 15, Ohio.
Gross Value - \$28,000.00.
- EES-165- "Acid Mine-Drainage Research Program," Ext. #1, Natural
Resources Institute, The Ohio State University, Columbus 10, Ohio.
Gross Value - \$4,000.00.
- EES-176- "Study of Electronic Devices as Traffic Aids," State of Ohio,
Department of Highways, Columbus 15, Ohio.
Gross Value - \$59,850.00.
- EES-177- "Study of Factors Contributing to Highway Accidents with Particular
Emphasis on the Reactions of Motor Vehicle Operators," State of
Ohio Department of Highways, Columbus 15, Ohio.
Gross Value - \$7,350.00.

TOTAL - Government Research Projects - \$99,200.00.

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

B. The Report of the Research Contracts from the Engineering Experiment Station (continued)

2. Industrial Research Projects

EES-156- "Continuation of Cavitette System Research," Ext. #3, Yeomans Brothers Company, Melrose Park, Illinois.
Gross Value - \$1,950.00.

EES-174- "The Relationship of Upstream Flow Distortion and Accuracy of Orifice Meters," American Gas Association, New York, New York.
Gross Value - \$8,000.00.

EES-175- "ORSANCO Acid Mine-Drainage Program," Ohio River Valley Water Sanitation Commission, Cincinnati 2, Ohio.
Gross Value - \$7,000.00.

TOTAL - Industrial Research Projects - \$16,950.00.

The foregoing seven contracts for research in the Engineering Experiment Station represent a gross income of \$116,150.00.

C. The Ohio State University and the State Department of Education, Division of Vocational Education and Division of Special Education

It is recommended that the agreements between The Ohio State University and the State Department of Education, Division of Vocational Education and Division of Special Education, be continued for the fiscal year 1960-61 and that contracts for teacher training and special services in the following areas be approved:

Vocational Home Economics
Vocational Agriculture
Trade and Industrial Education
Distributive Education
Business Education
Guidance Services
Teaching of Handicapped Children

Upon motion of Senator Bricker, seconded by Mr. Loop, the above recommendation was unanimously approved by roll call vote.

IV. GIFTS

It is recommended that the following gifts be accepted for the University and the appreciation of the Board of Trustees be appropriately expressed:

A. Received Through the Office of Special Services

1. An Ampex videotape recorder valued at \$53,000.00 from the National Educational Television and Radio Center.

The National Educational Television and Radio Center provided WOSU-TV with an Ampex videotape recorder to make possible local broadcasting of taped programs from the Center and the local recording of programs which the Center can distribute nationally, and for other purposes which WOSU-TV may determine. The Center retains title to the recorder until September 30, 1964, after which the University assumes full title. During this period the University is to maintain the machine and to insure it against loss or damage.

Acceptance of the videotape recorder under these conditions is recommended by the Director of Telecommunications and the Executive Dean of Special Services.

2. A supply of videotape valued at \$10,000.00 from the Minnesota Mining and Manufacturing Company.

Minnesota Mining and Manufacturing, through an agreement with the National Educational Television and Radio Center, supplied as a gift a thirty-hour supply of videotape for use with the new videotape recorder. Acceptance of this gift is recommended by the Director of Telecommunications and the Executive Dean of Special Services.

B. Received Through the Development Fund

1. \$6,199.00 for the Bruce Kenneth Wiseman Memorial Fund.

Bruce Kenneth Wiseman Memorial Fund

This fund was established August 19, 1960, by gifts through the Development Fund in memory of Dr. Bruce Kenneth Wiseman. The principal and any additions thereto are to be invested as a part of the University's endowment in its investment pool, with the right to invest and reinvest as occasion dictates.

The income is to be used for hematological research. Should the need for research in this area cease to exist, then the income may be used for any purpose in the field of medicine. Use of income shall include stipends to scholars or fellows, salary for research assistants, purchase of equipment, travel or any other type of expenditures which will further the research efforts or be appropriate expenditures of the University in the field of medicine.

IV. GIFTS (continued)

B. Received Through the Development Fund (continued)

2. \$1,068.00 for the Lois H. Carr Memorial Fund.

Lois H. Carr Memorial Fund

This fund was established July 16, 1960, by gifts through the Development Fund from the family and friends of Lois H. Carr in her memory. The principal and any additional contributions shall become a part of the University's endowment, to be invested under rules and regulations adopted by the Board of Trustees of The Ohio State University, with right to invest and reinvest as occasion dictates.

The income is to be used for hematology research, as directed by the Dean of the College of Medicine. In case the need for hematology research should cease to exist or so diminish as to create unused income, then the Board of Trustees of the University may use said income for any purpose in its discretion.

Upon motion of Mr. Rairdon, seconded by Mr. Patton, the foregoing gifts were accepted by unanimous vote.

C. Report from The Ohio State University Development Fund

I wish to report that in June and July, 1960, The Ohio State University Development Fund received gifts on behalf of the University as follows:

1. JUNE, 1960

	<u>No. of Gifts</u>	<u>Amount</u>
Alumni	1,650	\$ 31,007.01
Individuals Other Than Alumni	45	3,400.77

V. APPROPRIATIONS AND TRANSFERS OF FUNDS

A. Development Fund Budget for 1960-61

It is recommended that the sum of \$85,000.00 be appropriated from University Fund (H-8 Contributions) toward the operating expenses of the Development Fund for the fiscal year ending June 30, 1961, and that an operating budget in the amount of \$125,000.00 be approved. The budgeted amount will be provided as follows:

University appropriation	\$ 85,000.00
Cumulative interest on Development Fund Investments	<u>40,000.00</u>
	<u>\$125,000.00</u>

Upon motion of Judge Gorman, seconded by Mr. Patton, the above recommendation for appropriation of funds was unanimously approved by roll call vote.

B. The Ohio State University Association

It is recommended that \$8,000.00 be appropriated from H-8 Contributions for the use of The Ohio State University Association for the period from July 1, 1960, to June 30, 1961.

Upon motion of Judge Gorman, seconded by Mr. Patton, the above recommendation for appropriation of funds was unanimously approved by roll call vote.

C. Grants-in-Aid for Research and Assigned Research Duty

The Board of Trustees at its meeting on October 19, 1953, declared the intention to appropriate funds to be distributed upon a basis determined by the President for research fellowships, assistants, grants-in-aid, and allied supports for research, new or continuing.

It is now recommended that \$225,000.00 be transferred from the General University Fund, Rotary 12261 to Rotary 12250, Fellowships Grant-in-Aid, for the year 1960-61.

Upon motion of Mr. Ketner, seconded by Senator Bricker, the above recommendation for transfer of funds was unanimously approved by roll call vote.

D. University Press

Upon the request of the Dean of the Graduate School and the Editorial Board for the University Press, I recommend that an amount not to exceed \$30,000.00 be allocated from the General University Fund to Rotary 12996, The Ohio State University Press, for the fiscal year beginning July 1, 1960.

Upon motion of Judge Gorman, seconded by Mr. Ketner, the above recommendation for transfer of funds was unanimously approved by roll call vote.

V. APPROPRIATIONS AND TRANSFERS OF FUNDS (continued)

E. Educational Television - University Research Project

In the opinion of many educators, research in educational television has been somewhat sterile in terms of finding answers to some of the very basic questions about television as a teaching medium. Dr. Delos D. Wickens, Professor and Research Associate in Psychology and Professor Egon G. Guba, Associate Professor and Research Associate in the Bureau of Educational Research and Service, working with Mr. Richard B. Hull, Director of Telecommunications, have created a research design to cope with some of the basic questions in this area and to demonstrate a new high level of investigation in the field. The proposal has the support of Vice President Heimberger, Dean Cottrell, and myself.

The needed laboratory facility requires that we establish and equip a studio classroom in Derby Hall with four other classrooms connected by closed circuit. The research will be conducted in Psychology 401. Staff time will be provided through a redeployment of faculty in the College of Education and the Telecommunications Center, with a part of the financing coming from the Ford Foundation as a part of the current greater Columbus area television project. The remainder of the support must come from the University's research resources. Such support is clearly justified in the light of our need to test more accurately the validity of teaching by educational television before completing some of our plans for the future.

It is for the above reasons that I recommend the appropriation of \$25,500.00 from the University Fund in support of the proposal to provide the facility and equipment necessary to advance this project.

Upon motion of Mr. Loop, seconded by Mr. Rairdon, the above recommendation for appropriation of funds was unanimously approved by roll call vote.

F. Transfer of \$140,000.00 from Non-Restricted Portion of Mershon Income to Scholarship Funds

Upon the recommendation of the University Scholarships and Loans Committee and with the concurrence of the Vice President, Business and Finance, it is requested that the Board of Trustees authorize the appropriation of \$140,000.00 from the non-restricted portion of the Mershon income to support University scholarships during the 1960-61 academic year. This recommendation is in accordance with the policy established by the Board of Trustees on February 7, 1958.

Upon motion of Senator Bricker, seconded by Mr. Patton, the above appropriation was unanimously approved by roll call vote.

VI. EXTRAS AND CREDITS TO CONTRACTS

Upon the request of the Council on Business Affairs, and with the concurrence of the Cabinet, I recommend that the Extra and Credit Orders to Contracts as outlined below be approved by the Board of Trustees and submitted to the Director of Finance, State of Ohio, for approval and allocation of funds from Item 850 Capital Improvements, H. B. 1124, (in accordance with the provisions of H. B. 1124) unless a source of funds in each case is otherwise indicated:

A. Scholarship Dormitories - Phase IV

General Contract

It is recommended that all wood doors permitting access to any part of the Stadium Dormitory areas be replaced with metal doors. This includes three exterior doors complete with new frames and hardware at the ground level and 20 single and one double door leading to ramps and stairs. These latter doors would be hung in existing metal frames with all new hardware. This work is necessary for security purposes. Add \$6,502.00

The dormitory management requests removal of a small lavatory and toilet room within the ground floor entry to the main stairway going up to the living area. It is recommended that this work which will enlarge the entry at this level be done. Add \$ 284.00

Electrical Contract

It is recommended that the fire alarm system be extended to all stadium dormitory areas north of Phase IV project and tie the fire alarms for the entire dormitory area into one system, so that if an alarm is triggered anywhere it will be heard in all areas of the Stadium Dormitories. Add \$4,845.00

It is recommended that upon the request of the dormitory management a telephone outlet be installed in the Proctor's Room 184-B. Add \$ 44.50

Funds for these extra orders will be transferred from the General University Fund to G-2-A Scholarship Dormitories, H. B. 831.

B. Animal Science Building and Plumb Hall Remodeling

General Contract

It is recommended that 29 additional aluminum window screens, removable and rescreenable, heavy section, complete with full height channel guides and hardware, be provided in accordance with the request from the Department of Animal Science. Add \$ 713.00

VI. EXTRAS AND CREDITS TO CONTRACTS (continued)

B. Animal Science Building and Plumb Hall Remodeling (continued)

Site Improvement Contract

It is recommended that a three-level loading dock for animals on the west side of the Animal Science Building be provided complete with ramp, steps, woven wire fencing and gates. This addition was requested by the Department of Animal Science.

Add \$3,687.00

Plumbing Contract

It is recommended that the following changes be made:

1. Provide revised support for the water service line entering the Animal Science Building as requested by the Service Department. Add \$211.00.
2. Revise piping in Room 0-15 to accommodate a new smoke house as requested by the Department of Animal Science. Add \$180.00.

Net addition \$ 391.00

C. 11th Avenue Residence Halls for Men, Building No. 4

Heating and Ventilating Contract

It is recommended that certain changes be made in the heating system of Building 4 to improve the circulation of hot water in all convectors and provide automatic elimination of air pockets in the system which will promote more even heating of dormitory rooms and enable more accurate balancing of the convector heating system.

Add \$1,305.49

Funds will be provided for this extra from the 11th Avenue Residence Halls for Men Construction Account.

D. Married Housing Project #1

General Contract

In order to accommodate gas fired clothes dryers instead of electric units as specified it is recommended that the concrete platforms be increased in width from 30" to 54" throughout an approximate length of 24' and to make other related structural adjustments. This change in specifications for dryers resulted from consultation with lessors of commercial customer-operated equipment which indicated that gas burning dryers for this type installation are considerably less expensive to operate and more efficient compared to electrically heated units.

Add \$ 120.00

VI. EXTRAS AND CREDITS TO CONTRACTS (continued)

D. Married Housing Project #1 (continued)

Plumbing Contract

It is recommended that in order to make the necessary changes for gas fired clothes dryers, the 2" gas lines be extended from the adjacent water heater room into the laundry and dryer room with 6 valved outlets for individual unit supply installed.

Add \$ 200.00

Funds for these extra orders will be provided from the Married Housing Construction Account.

E. Pomerene Refectory Kitchen Rehabilitation and Expansion

General Contract

After re-examination of the physical condition of the existing terrace at the first floor level on the north side, it is now recommended that new waterproofing, flashing, concrete fill and quarry tile be provided as specified and detailed in Alternate G-3 Terrace Repairs.

Add \$ 3,163.00

Funds will be provided for this extra by a transfer from Pomerene Refectory Rotary to G-2-Q Pomerene Refectory Kitchen Rehabilitation and Expansion, H. B. 831.

F. T-Hangar Project, University Airport

General Contract

It is recommended that the floors in six storage rooms be changed to concrete in lieu of asphaltic concrete as specified. This change involves approximately 1,500 square feet of concrete floor.

Add \$ 467.00

Funds will be provided for this extra from G-2-G T-Hangar Project, University Airport, H. B. 831.

G. Expansion and Remodeling of the University Police Station

General Contract

It is recommended that the water supply and drainage plumbing necessary for the installation of a water cooler, now available but not in the original program, be provided.

Add \$ 128.00

Funds will be provided for this extra order from Item 081 Improvement of Existing Physical Plant, H. B. 1124.

VI. EXTRAS AND CREDITS TO CONTRACTS (continued)

H. Replacement of Induced Draft Fans on Boilers No. 5 and No. 8
in the Power Plant

General Contract

It is recommended that an American Blower Fan 462-1/2
DW be furnished in lieu of the fan bid by the contractor
which will not fit the limited space. Add \$ 740.00

Funds will be provided for this extra order from F(F-9) H. B. 831.

I. College of Arts, Classroom Office Building (Denney Hall)

Heating and Ventilating Contract

It is recommended that the following changes be made:

1. It is recommended that "Ultrafine" insulation be provided in lieu of reinforced, foil faced, draft vapor barrier. This insulation is completely satisfactory and results in a savings on the contract cost. Deduct \$1,070.38.
2. It is recommended that in order to give a better appearance to the Assistant Dean's Office, Room 120, and to provide the opportunity for better room arrangement, the wall be cut and a recessed convector installed. Add \$200.00
3. It is recommended that a time clock and supplementary control mechanisms be installed on the ventilation system to regulate fresh air intake dampers automatically, according to air conditioning needs and shut down the system when the building is not in use. Add \$548.19. Net deduction \$ 322.19

J. Remodel McPherson Laboratory

General Contract

It is recommended that the following changes be made to reduce the cost of the project:

1. Substitute The Mills Company "Mainliner" partitions or similar partitions for movable steel partitions as specified. Deduct \$2,600.00.
2. Omit resilient flooring in all rooms except Rooms 186A to G, 190A to G, 192A to G, 194A to G, C9, C10 and C11, all inclusive but provide base as specified in all rooms. Deduct \$10,000.00. Net deduction \$12,600.00

VI. EXTRAS AND CREDITS TO CONTRACTS (continued)

K. Reactor Building

General Contract

It is recommended that the location of the control console for the reactor be changed to a new position in the room where it can be serviced more easily from the back and where it will be more visible from the teaching area.

Add \$ 509.00

L. School of Optometry, Addition to Optometry Building

General Contract

It is recommended that the following changes be made:

1. Remove and rebuild approximately 60 ft. of 8" wall, 5 ft. high, and cut off and reweld dowels at 8 columns to accommodate the new addition to the third floor. This is required because the work on the original building had progressed too far to accommodate the plans as developed for the addition. Add \$816.00.
2. Provide a new roof scuttle to give access to the roof from the mechanical equipment room. Add \$256.00.
3. Change from ceiling supported toilet partitions to floor supported partitions in all toilet rooms except Room 102 and 229 and omission of toilet partitions in Room 229. Deduct \$94.00.

Net addition \$ 978.00

M. Water Resources Building

Electrical Contract

A revised program which was put into effect since the Water Resources Building was planned approximately two years ago requires the modification of the laboratory to accommodate new equipment. This work which is recommended includes 21 new circuits and circuit breakers, increasing the size of other circuit breakers, provision of a new distribution panel, new receptacles and wire mould with receptacles 24" on center and new connections, wiring and conduit.

Add \$1,250.00

VI. EXTRAS AND CREDITS TO CONTRACTS (continued)

M. Water Resources Building (continued)

Heating and Ventilating Contract

In connection with the above described work, it is recommended that two exhaust fans be provided in the transformer room and in the basement equipment room, completely installed with manual starters and thermostats and a metal areaway on the outside of the equipment room wall opening to reduce the excessive temperatures in the floors of the offices above.

Add \$ 354.00

N. Radio-Therapy and Betatron Additions, University Hospital

General Contract

It is recommended by the Hospital administration that new bookcases, cabinets and tables be constructed in the Library and Conference Room #111N.

Add \$3,819.00

Electrical Contract

It is recommended that new light fixtures and outlets be provided in connection with the new cabinet work requested.

Add \$ 474.00

Upon motion of Mr. Rairdon, seconded by Mr. Loop, the above recommendations individually and collectively were unanimously approved by roll call vote.

VII. PLANS AND SPECIFICATIONS

With the approval of the Council on Business Affairs, and with the concurrence of the Cabinet, it is recommended that the plans and specifications, bills of materials, and estimates of cost for the following projects be approved by the Board of Trustees:

A. Replacement and Repair of Gas Line to Stadium

This project is payable from Item 075 Additional Underground Utilities (60%), H. B. 1124, and the Athletic Department Rotary (40%).

B. Sidewalks for College Road and Mirror Lake Hollow

This project is payable from Item 074 New Roads, Walkways and Pedestrian Bridge, H. B. 1124.

C. Ice Rink, Phase I

This project is payable from G-2-R Ice Rink, H. B. 831.

VII. PLANS AND SPECIFICATIONS (continued)

D. Remodeling Stadium Dormitory for School of Music

This project is payable from Item 069 Remodel Stadium Dormitories, H. B. 1124.

E. Administration Building, Remodel 3rd Floor Over Atrium, Phase I

Funds for this project will be provided from Item 081 Improvement of Existing Physical Plant, H. B. 1124.

F. Page Hall Library Lighting

This project is payable from Item 068 Remodel Hagerty Hall, H. B. 1124.

G. Storage Addition to Television Station Building

This project is payable from funds to be transferred from the General University Fund to an appropriate building account.

Upon motion of Senator Bricker, seconded by Mr. Rairdon, the above recommendations were unanimously approved by roll call vote, and the Secretary was authorized and directed to sign the plans and specifications for the above listed projects for and on behalf of the Board of Trustees. Vice President Carson was directed to follow normal University procedure in advertising for bids. If any satisfactory bids are received, the Vice President will proceed with the award of contracts to the lowest and best bidders and report to the Board of Trustees on this matter at a later meeting.

VIII. REPORT OF AWARD OF CONTRACTS

In accordance with authorization provided by the Board of Trustees, the contracts for the following projects have been recommended for award and the action is hereby reported to the Board:

A. Exterior Lighting for Main Library and Ohio Union

Bids were received on August 10, 1960, and award of contract was recommended to the low bidder as stated below:

(8 bids received)	Low bid	Est. of cost
Jess Howard Electric Co. (Cols.)	\$9,525.00	\$12,000.00

Funds are provided for this project in Item 081 Improvement of Existing Physical Plant, H. B. 1124.

B. Demolition and Removal of Twenty-Seven Married Student Housing Units Located at River Road Housing (Readvertisement)

Bids were received on July 14, 1960, and award of contract was recommended to the low bidder as stated below:

(4 bids received)	Low bid	Est. of cost

VIII. REPORT OF AWARD OF CONTRACTS (continued)

B. Demolition and Removal of Twenty-Seven Married Student Housing Units Located at River Road Housing (Readvertisement) (continued)

Approval was received from the Board of Trustees and the State Controlling Board to award this contract notwithstanding the fact that the low bid without the deduction order recently negotiated exceeds the estimate of cost.

It is recommended that all work relative to the disconnecting and marking of all gas and water valves at the twenty-seven buildings be eliminated and that all refuse from the buildings be burned at a site in the northwest corner of the project. The contractor has offered a deduction of \$6,900.00 for this change. Please note that upon the acceptance of this change order, the contract cost will be the same as the estimate of cost for the project.

Funds for the project are provided in F(F-9), H. B. 831.

C. Washing Interior Walls of McMillin Observatory, Stillman Hall and Part of McCracken Power Plant

Bids were received on July 22, 1960, and award of contract was recommended to the low bidder as stated below:

(2 bids received)		<u>Low bid</u>	<u>Est. of cost</u>

 Total contracts recommended	<u>\$493,112.00</u>	<u>\$555,584.00</u>

It is recommended that the bids received on the Heating, Ventilating and Air Conditioning Division be rejected, a new estimate of cost prepared and filed, and the division readvertised on a ten-day basis, inasmuch as the low bid was greatly in excess of the estimate of cost.

Funds for this project are being provided by The Ohio State Bar Association Foundation, deposited in H. B. 831, Account G-2-F.

Upon motion of Senator Bricker, seconded by Mr. Patton, the above awards of contracts were approved including the deduction order in Item B and the action of the Vice President ratified by roll call vote.

IX. CONTROLLING BOARD AND EMERGENCY BOARD APPROVALS

Each numbered approval shown below accomplishes the following purposes:

A. Controlling Board Approvals

- 247 Authorizes the expenditure of \$209,245 in Item 087 Equipment, Animal Research Center, H. B. 1124, for the purchase of equipment for the building.
- 248 Authorizes the transfer of \$307,000 from Rotary A to G-2-R Ice Rink, H. B. 831.
- 249 Authorizes the expenditure of \$307,000 for architects fees, advertising, construction costs and contingencies for the project "Ice Rink".
- 252 Authorizes the expenditure of \$40,370 from F-9 Contract and Open Service, H. B. 831 for the project "Replacement of Induced Draft Fans on Boilers No. 5 and 8".
- 253 Authorizes the expenditure of \$257,000 in Item 067 Remodel McPherson Laboratory, H. B. 1124, for construction costs for this project and approves the award of contracts for the General Division and the Electrical Division notwithstanding the fact that they were over the estimate of cost.
- 254 Authorizes the expenditure of \$25,500.00 in Item 074 New Roads, Walkways and Pedestrian Bridge, H. B. 1124, to provide funds for the award of contract, advertising and other miscellaneous costs in connection with the project "Repairs to Concrete Curbs on the Streets on Campus".
- 255 Authorizes the purchase of property located at 98 West Woodruff Avenue, Columbus, Ohio, for \$12,300, from Walter D. and Cora O. Gisler and authorizes the expenditure of this amount from Item 077 Land Purchases, H. B. 1124, for the purchase.
- 256 Authorizes the purchase of property located at 64 West Woodruff Avenue, Columbus, Ohio, for \$12,700.00, from Victor C. Ballenger and authorizes the expenditure of this amount from Item 077 Land Purchases, H. B. 1124, for the purchase.
- 260 Authorizes the transfer and release of \$4,000.00 from Rotary A to G-2-P Air Conditioning, Dental Building, H. B. 831.
- 261 Authorizes the employment of H. A. Williams and Associates to provide engineering services for the project "Air Conditioning in the Dentistry Building" payable from the transfer of funds from the Dental Clinic Rotary to G-2-P, H. B. 831.
- 262 Authorizes the expenditure of \$19,033.00 from Item 088 Improvement of Existing Physical Plant, H. B. 1124 for the projects "Repairs to Roof Over the Two Story Portion of University Hospital" and "Repair of Plaster in the East and West Stairwells at University Hospital".

IX. CONTROLLING BOARD AND EMERGENCY BOARD APPROVALS (continued)

A. Controlling Board Approvals (continued)

- 263 Authorizes the expenditure of \$1,855.00 in Item 081 Improvement of Existing Physical Plant, H. B. 1124, to provide funds for the employment of Barrett Associated Engineers, Ltd., Columbus, Ohio, on the project "Administration Building, Remodeling Third Floor Over Atrium".
- 264 Authorizes the transfer of \$84,604.78 from Rotary A (Pomerene Refectory Rotary) to G-2-Q Pomerene Refectory Kitchen, H. B. 831.
- 265 Authorizes the expenditure of \$200,930 in Item 071 Pomerene Refectory Kitchen, H. B. 1124 and \$5,500 in Item 075 Additional Underground Utilities, H. B. 1124 for construction costs of "Pomerene Refectory Kitchen--Rehabilitation and Expansion". This request also approves the award of contract for the General Division and the Kitchen Equipment Division notwithstanding the fact that the low bids are over the estimate of cost.
- 266 Authorizes the expenditure of \$84,604.78 in G-2-Q Pomerene Refectory Kitchen, H. B. 831, for construction costs on "Pomerene Refectory Kitchen--Rehabilitation and Expansion".
- 277 Authorizes the transfer of appropriations from K-11 Sale of St. Francis Hospital, H. B. 831, 1960, to K-11 Sale of St. Francis Hospital, H. B. 831, 1961, to provide funds for the project "Remodeling Air Conditioning System, University Hospital".
- 278 Authorizes the expenditure of \$4,000.00 in K-11 Sale of St. Francis Hospital, H. B. 831, to provide funds for engineering services in connection with the project "Remodeling Air Conditioning System, University Hospital".
- 279 Approves of the change of appropriation title from Item 076 Extension of Denney Hall, Mathematics Department to Item 082 Mathematics Building, H. B. 1124, and authorizes the expenditure of \$36,500.00 in this new account for the consulting architect's fee, the State Architect's fee and other miscellaneous costs.
- 280 Authorizes the purchase of property located at 81 West Frambes Avenue, for the sum of \$14,500.00 from Dale L. Benedict, funds to be provided from Item 077 Land Purchases, H. B. 1124.
- 287 Authorizes the expenditure of \$18,900.00 for the contract "Demolition and Removal of Twenty-Seven Married Student Housing Units Located at River Road Housing" and approves the award of contract to the low bidder notwithstanding the fact that the bid is over the estimate of cost.
- 292 Authorizes the purchase without competitive bidding of a Zamboni Ice Re-Surfacers complete with accessories for a sum of \$8,282.73 from the Frank J. Zamboni & Company.
- 298 Approves of the advertising for the project "Extension of Fyffe Road and Installation of Sidewalks and Lighting, College of Agriculture, Animal Science Building" on a 10-day basis.

IX. CONTROLLING BOARD AND EMERGENCY BOARD APPROVALS (continued)

B. Emergency Board Approvals

- 27 Authorizes the expenditure of \$229.00 from Item 850, H. B. 1124, for completion of the project "North Wing Addition, University Hospital".
- 28 Authorizes an allocation of \$10,000.00 from Item 850 Capital Improvement Construction Fund, H. B. 1124, for the completion of projects.

X. MISCELLANEOUS - FROM OFFICE OF BUSINESS AND FINANCE

A. Power of Attorney - Customs

It is recommended that the action taken by the Board of Trustees on March 6, 1959, relative to the Power of Attorney - Customs be rescinded and the following recommendation for authorization be approved:

That Gordon B. Carson, Vice President, Business and Finance, Richard M. Larimer, Director of Purchases, and C. F. Miller, Comptroller, The Ohio State University, or any one of them, be and are hereby authorized and empowered to transact any and all business The Ohio State University may have with any Custom House in the United States of America, to make declarations to entries of merchandise imported by said University, to endorse bills of lading and to sign all bonds in the name of said University as required by law or the regulations of the Collector of Customs or Treasury Department; to secure the duties on importations made by said University; and also in the name of said University to execute and deliver any and all bonds of indemnity to the Collector of Customs for the production of endorsed bills of lading, and that a copy of this resolution be sealed with the seal of said University.

Upon motion of Judge Gorman, seconded by Mr. Loop, the above authorization was unanimously approved.

B. Administration Building, Remodel Third Floor Over Atrium
Employment of Architect

It is recommended that George M. Clark, Architect, Columbus, Ohio, be employed to provide architectural services for the floor over the Atrium. This service includes all work except the structural design and supervision.

The fee for this service would be provided on a basis of hourly rates as follows:

Principal Architect	\$7.00 per hour
Draftsman	2.00 per hour

Funds for this project are provided in Item 081 Improvement of Existing Physical Plant, H. B. 1124.

Upon motion of Mr. Rairdon, seconded by Mr. Ketner, the above recommendation was unanimously approved by roll call vote.

X. MISCELLANEOUS - FROM OFFICE OF BUSINESS AND FINANCE (continued)

C. Page Hall Library Area Alterations
Employment of Architect

It is recommended that Sam Ingwersen, Architect, Columbus, Ohio, be employed to furnish complete architectural services in the development of this project.

The fee for this service will be provided on a basis of \$7.00 per hour, with the total fee not to exceed \$600.00.

Funds for this project are provided in Item 068 Remodel Hagerty Hall, H.B. 1124.

Upon motion of Senator Bricker, seconded by Mr. Patton, the above recommendation was unanimously approved by roll call vote.

D. Employment of Special Policeman

At the request of the Vice President, Business and Finance, it is recommended that Richard L. Huntzinger be designated as Special Policeman pursuant to the provisions of Section 3345.04 of the Revised Code of Ohio; and that in further compliance with the provisions of said section the Board of Trustees require Mr. Huntzinger, as well as any other employee of this institution designated as Special Policeman, to take the oath of office and give bond to the State of Ohio in an amount not less than One Thousand Dollars (\$1,000.00) prior to assuming the duties of Special Policeman.

Upon motion of Judge Gorman, seconded by Mr. Rairdon, the above recommendation was unanimously approved by roll call vote.

E. Purchase of Buildings and Property, 178 West Woodruff Avenue

It is recommended that the Vice President, Business and Finance, be authorized to proceed with the purchase of the following property from Victor Investment Co. at a price of \$13,000.00.

Property known as 178 West Woodruff Avenue, being Lot #44 R. P. Woodruff's Agricultural Addition, City of Columbus, County of Franklin, State of Ohio.

Funds are available in Item 077 Land Purchases, H. B. 1124.

Upon motion of Mr. Ketner, seconded by Mr. Rairdon, the above recommendation was unanimously approved by roll call vote.

F. Purchase of Buildings and Property, 152 West Woodruff Avenue

It is recommended that the Vice President, Business and Finance, be authorized to proceed with the purchase of the following property from Robert W. Hall and Betty Keating at a price of \$14,000.00:

Property known as 152 West Woodruff Avenue, being Lot #38 of R. P. Woodruff's Agricultural Addition, City of Columbus, County of Franklin, State of Ohio.

X. MISCELLANEOUS - FROM OFFICE OF BUSINESS AND FINANCE (continued)

F. Purchase of Buildings and Property, 152 West Woodruff Avenue (continued)

Funds are available in Item 077 Land Purchases, H. B. 1124.

Upon motion of Mr. Ketner, seconded by Mr. Rairdon, the above recommendation was unanimously approved by roll call vote.

G. Purchase of Buildings and Property, 71-73 West Frambes Avenue

It is recommended that the Vice President, Business and Finance, be authorized to proceed with the purchase of the following property from Roy V. Chapin et al at a price of \$18,000.00:

Property known as 71-73 West Frambes Avenue, being Lot #123 of R. P. Woodruff's Agricultural Addition, City of Columbus, County of Franklin, State of Ohio.

Funds are available in Item 077 Land Purchases, H. B. 1124.

Upon motion of Mr. Ketner, seconded by Mr. Rairdon, the above recommendation was unanimously approved by roll call vote.

H. Demolition of Buildings in 2400 Block of Clay Alley, Garages at 77 and 175 West Frambes Avenue, and All Buildings at 47 and 91 West Frambes Avenue

Upon the recommendation of the Vice President, Business and Finance, and with the concurrence of the Cabinet, it is recommended that all structures at 2430, 2442, 2450, 2456, 2460, 2464, and 2470 Clay Alley be demolished. The Ohio State Fire School will be given the opportunity of burning any or all of these structures as a part of its training program, and any structures not so burned will be advertised for demolition in the usual manner.

It is further recommended that the garages at 77 and 175 West Frambes Avenue and all buildings at 47 and 91 West Frambes Avenue be demolished at a time judged to be appropriate by the Vice President, Business and Finance. The demolition of these buildings will be advertised in the usual manner.

Upon motion of Mr. Patton, seconded by Mr. Rairdon, the above recommendations were unanimously approved by roll call vote.

XI. RESOLUTION IN MEMORIAM

A. Kwan Yau Tang

The Board of Trustees expresses its sorrow at the death on July 5, 1960, of Kwan Yau Tang, Professor of Electrical Engineering.

Kwan Yau Tang was born in Honolulu, Hawaii, July 3, 1900. His father was Chinese, his mother Hawaiian. With his brother and sister he went to elementary and high school in the islands. For his college education he enrolled at the University of Michigan and received the B. S. and M. Sc.

XI. RESOLUTION IN MEMORIAM (continued)

A. Kwan Yau Tang (continued)

degrees in Electrical Engineering in 1925. He was an assistant in the Electrical Engineering Department at Michigan in 1923-24 and was associated with the Department of Engineering Research in 1924-25. He became Instructor of Electrical Engineering at The Ohio State University in 1925, and for the rest of his life he was a valued and respected member of this department. He completed the Ph. D. degree in Electrical Engineering at The Ohio State University in 1928 and was promoted to Assistant Professor in 1931, to Associate Professor in 1941, and to Professor in 1945.

Dr. Tang was a member of the honorary fraternities Tau Beta Pi, Eta Kappa Nu, and Pi Mu Epsilon. Other memberships included Texnikoi, The American Institute of Electrical Engineers, The Illuminating Engineering Society, The American Society for Engineering Education, and The Ohio State University Faculty Club. He took an active part in all the organizations to which he belonged. He held technical committee memberships in AIEE in connection with the Institute's work on single phase and fractional horsepower motors, rotating machinery, and induction machines. He was a member of the Subcommittee on Vision of the Illuminating Engineering Society.

Although his publications included a number of papers in professional journals, Dr. Tang's best-known publication is the widely used textbook for electrical engineering students, Alternating Current Circuits. This outstanding book was for many years one of the two leading circuits textbooks in the United States. Dr. Tang revised this text almost constantly, and the last revision came off the press just a few days before his death.

Known affectionately as "Doc" to his colleagues in the Department of Electrical Engineering, K. Y. Tang will always be remembered by all who knew him for his ready smile and open-hearted friendliness, for his devotion to his work and to the welfare of his students, and for his loyalty and years of service to the Department and to the University. He worked constantly to keep abreast of a rapidly growing and changing field. He conscientiously attended classes in subject material not in his field of specialization taught by his colleagues in his own and other departments, especially mathematics and physics. Although his special field was originally illumination and later electrical machinery, he prepared himself after he was 55 years of age to contribute to the department's research effort in the field of antennas and semiconductor devices.

Dr. Tang's greatest contribution was probably to the many students who began their study of the alternating current circuit under his guidance. He was painstaking and thorough, his examinations were both challenging and fair, and he strove constantly to improve his teaching and his own technical knowledge. He will be severely missed by his friends and his students, but especially by his colleagues who were all his warm friends.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

XII. SPECIAL REPORTS

A. Report on Plans for Expansion of the Program for Graduate Education at Wright-Patterson Air Force Base

President Fawcett presented the following report for information:

Since 1946 The Ohio State University has maintained a Graduate Education Center at Wright-Patterson Air Force Base under the sponsorship of the United States Air Force. This program as originally conceived was to provide advanced course work in the area of communications--electrical engineering, mathematics, and physics. Since that time, however, the program has been gradually expanded in scope so that course work is available presently in aeronautical engineering, business organization, chemical engineering, chemistry, economics, electrical engineering, industrial engineering, mathematics, mechanical engineering, metallurgical engineering, physics and astronomy, and psychology. During this period more than 1,300 students have enrolled in graduate courses at the Center.

For a number of years various Dayton industries have registered a strong interest in having this program expanded. One year ago representatives of the Dayton Chamber of Commerce formally requested the University to give consideration to opening the Graduate Center program to all qualified students in the Dayton area. Based upon this request, the University's Committee on Off-Campus Education authorized a formal study to determine the feasibility of such a program. Upon the completion of this study, the Committee adopted resolutions recommending that such a program be established, if an agreement mutually acceptable to the Air Force and this University could be achieved.

I am pleased to report that arrangements have been made with the Air Force whereby a limited number of qualified non-Air Force students may enroll for graduate courses on a "space available" basis, effective Autumn Quarter 1960. These non-Air Force students will pay the regular off-campus graduate fee of \$18.00 per credit hour, plus a laboratory fee not to exceed \$12.00 per credit hour. Such fees will be deposited in the Graduate Center Rotary Account and will be credited to the Air Force's contract for maintaining the entire program.

A longer-range and more satisfactory solution to this problem may lead to the establishment of a permanent University facility owned by the University in which Air Force and non-Air Force students would participate on an equal basis. The decision to take this step, however, will depend largely upon the experience and information gained during the coming year.

B. Report of the Finance Committee

1. Federal Housing and Home Finance Agency's Project No. 33-CH-69(D).

Senator Bricker presented the following resolution concerning the financing of Federal Housing and Home Finance Agency's Project No. 33-CH-69(D).

XII. SPECIAL REPORTS (continued)

B. Report of the Finance Committee (continued)

**1. Federal Housing and Home Finance Agency's Project No. 33-CH-69(D).
(continued)**

RESOLVED, that the certificates provided for by Section 6(b) of bond resolution adopted April 8, 1957, and the certificate provided for by Section 2.03(4) of the Trust Agreement dated as of April 15, 1957 in the form approved by unanimous written consent of the members of the Board of Trustees mailed to the University, be and are hereby approved and the action of the members of the Board of Trustees approving said certificates by unanimous written consent is hereby ratified.

FURTHER RESOLVED, that the resolution and certificates attached hereby (pages 143-147) are the resolution and certificates as executed by the individual members of the Board of Trustees.

Upon motion of Senator Bricker, seconded by Mr. Loop, the foregoing Resolution was unanimously adopted.

2. Appropriations for University Administrative Officials

Senator Bricker, Chairman of the Finance Committee, presented the recommendation that the following amounts be appropriated from the interest on endowment to the administrative officers of the University for the purpose of carrying out their official responsibilities: to the President, \$7,500.00; to each of the Cabinet officers, \$1,000.00; and an additional amount of \$1,000.00 to be allocated at the discretion of the President for such costs as may be incurred by the administrative officers in connection with the responsibility of securing financial resources for the University.

Upon motion of Senator Bricker, seconded by Judge Gorman, the above recommendation was unanimously approved by roll call vote.

C. Report of the Committee on Retirement and Insurance

Mr. Smith Rairdon reported on the following insurance coverages of The Ohio State University:

1. Operations at Don Scott Field.
2. Accident Insurance for Cabinet Officers and Deans.
3. The University Golf Course--Burglary Insurance on stock of golf equipment.
4. Comprehensive Dishonesty, Disappearance and Destruction Policy for The Ohio State University, The Ohio State University Research Foundation and Ohio Student Loan.

Upon motion of Mr. Ketner, seconded by Senator Bricker, the Board of Trustees by unanimous vote accepted the report subject to the clarifications which shall be reported at the next meeting.

September 9, 1960 meeting, Board of Trustees

ADOPTION BY UNANIMOUS CONSENT OF RESOLUTION
APPROVING CERTIFICATES FOR SERIES C AND D
DORMITORY REVENUE BONDS

The following resolution is hereby adopted by unanimous written consent and the certificates referred to therein are hereby approved by the Board of Trustees of The Ohio State University:

RESOLVED, that the certificates attached hereto marked respectively Exhibit A and Exhibit B and setting forth the earnings coverage and certifying as to there being no default under the Original Trust Agreement, as to all conditions provided for in the Trust Agreement being satisfied for issuance of the bonds, as to no change in financial condition and as to the proceeds of the bonds being sufficient to complete the project, be and the same are hereby approved.

IN WITNESS WHEREOF this approval is executed as of the _____ day
of _____, 1960.

Trustee
The Ohio State University

CERTIFICATE AS TO EARNINGS

**Section 6(b) of Bond Resolution and
Section 2.03 of Trust Agreement**

The undersigned respectively, President and Vice President, Business and Finance of The Ohio State University, hereby certify to the facts set forth in the schedule 1 and schedule 2 attached hereto.

The undersigned further certify:

- (a) That there were not included in net income any receipts against which there is any prior claim other than the use thereof for the operating expenses included in computing net income; and
- (b) That said computations of estimates provided for above are based on an assumed occupancy of not more than 95% of capacity of the dormitory facilities in question.

CERTIFICATE

Section 2.03(4) of Trust Agreement
for Series C and D Bonds

The undersigned, President and Vice President, Business and Finance of The Ohio State University, respectively hereby certify:

- (a) That they know of no existing facts which would be an event of default under the Trust Agreement and they know of no facts which, on granting of the application for the authentication of the Series C and D Bonds, would result in the University being in default in the performance of any of the terms or covenants of the Trust Agreement;
- (b) That, in the opinion of the signer thereof, all conditions provided in the Trust Agreement precedent to the granting of said application have been complied with;
- (c) That, since the beginning of the current fiscal year, there has been no material change which would adversely effect the estimates in the Earnings Certificate relating to the Series C and D Bonds, and
- (d) That the proceeds of the Series C and D Bonds will be sufficient to, and are necessary to, complete the project for which they are issued.

The undersigned further certify that the Vice President, Business and Finance, is the chief financial officer of the University.

XII. SPECIAL REPORTS (continued)

D. Report on Investment Portfolio

1. Vice President Gordon Carson reported on the status of the University's Investment Portfolio and upon motion of Judge Gorman seconded by Mr. Ketner, the Board by unanimous vote accepted the report and requested that it be filed with the official records of the Secretary.
2. Vice President Carson then reviewed the procedures followed in the management of the University's Investment Portfolio. Following a discussion of Vice President Carson's report it was moved by Mr. Rairdon and seconded by Judge Gorman that the Vice President, Business and Finance be authorized to engage the services of Standard and Poor's Corporation, as investment counselors, for the period of October, November, and December, 1960, at an estimated fee of \$5,000.00 per annum; and further that the Chairman appoint an ad hoc committee of the Board of Trustees to make an analysis of the management procedures for the University's Investment Portfolio and submit recommendations for management procedures which might be effected by January 1, 1961. The above motion was approved by unanimous vote.

The Chairman, Mr. Allyn, then appointed the following named persons to proceed in accordance with the above motion:

Mr. Thomas F. Patton, Chairman
Senator John W. Bricker
Mr. Forrest G. Ketner
Mr. Alan B. Loop

3. Vice President Carson distributed to each member of the Board of Trustees the following documents and the Secretary was instructed to file a copy of each with the official records of the Board of Trustees:
 - a. Financial Report of The Ohio State University, June 30, 1960
 - b. Official Statement, Sale by The Ohio State University of \$2,330,000 Dormitory Revenue Bonds, Series C and \$2,030,000 Dormitory Revenue Bonds, Series D
 - c. The Ohio State University Financial Report - Detail of Endowment Funds - Fiscal Year Ended June 30, 1960.

E. Report from Executive Dean, Special Services

Executive Dean Ronald Thompson reported informally on the anticipated enrollment for the Autumn Quarter 1960. He indicated that freshmen admissions are up approximately 1,500 over Autumn Quarter 1959 when 5,109 freshmen were admitted. A detailed study reveals that we have an increase in the number of entering freshmen who rank in the highest one-third of their high school graduating class. Dr. Thompson indicated that he anticipated an enrollment of 24,500 for this Autumn Quarter as compared with 23,260 last year.

President Fawcett reminded the Board that we are opening a new Off-Campus Center at Lima this year and it is anticipated that approximately 300 students will enroll. The community has provided over \$10,000 for scholarships to students enrolling in the Lima Center.

XII. SPECIAL REPORTS (continued)

F. Report from Vice President, Instruction and Research

Vice President Heimberger reported briefly on the major developments in those areas where he is administratively responsible. These include the entire teaching program of the University; research and research development; faculty recruitment and improvement; the Research Foundation as an instrument of the larger university community; the libraries as vital agencies of both instruction and research; and our program of continuing or extended education through non-credit short courses and conferences. A copy of Vice President Heimberger's report is filed with the official records of the Secretary of the Board of Trustees.

G. Report from Executive Dean, Student Relations

Executive Dean William S. Guthrie reported briefly on student housing for the Autumn Quarter 1960. He indicated that there will be a larger number of students housed in all categories of student housing: more men in the men's residence halls, more women in the women's residence halls, more students in city-licensed rooming houses and in private homes. A survey of the needs and facilities made it possible to add additional students in 1960-61 over the numbers assigned to residence halls in 1959-60. The extra spaces off-campus were discovered through a campaign of visitations by part-time staff people, solicitation through ministers of University churches and a steady newspaper advertising campaign seeking rooms for both men and women students. A copy of Dean Guthrie's report is on file with the official records of the Secretary of the Board of Trustees.

H. Report from Executive Director, Campus Planning

Executive Director John Herrick reported informally on the major developments related to his area of administrative responsibility. The report is summarized as follows:

1. The 1961-67 Capital Plan

The capital plan as submitted to the Department of Finance for the next three biennia includes no project to provide a facility for the Dayton Graduate Center. However, the letter of transmittal indicates that such a project might be filed at a later date and a preliminary draft of the documents to be filed has been prepared.

The reports required to be filed this year are much larger and more complicated than those of two years ago. Each set of the reports, which had to be submitted in triplicate, totals almost 1500 pages and weighs 17 pounds.

Some of the projects filed for the 1963-65 and 1965-67 biennia will have to be modified when the campus master plan study is completed.

2. Phase II of The Campus Master Plan Study

The contract with Caudill, Rowlett and Scott, which was authorized by the Board of Trustees at the April meeting, was finally executed on July 25, 1960. Under the terms of the contract, the completion date is January 25, 1962. Field work by Caudill, Rowlett and Scott has already commenced.

XII. SPECIAL REPORTS (continued)

H. Report from Executive Director, Campus Planning (continued)

3. Relocation of Olentangy River Road

Negotiations between the City of Columbus and the State Highway Department relative to a survey of this highway are nearing completion, and it is now expected that the study will be completed next January or February. Only then will it be possible to consider seriously the feasibility of relocation of this road through the campus.

4. Urban Renewal

None of the money appropriated by the Board of Trustees in July has been encumbered, and it may be possible to complete the required studies without our assistance.

There are currently two uncertainties about the proposed urban renewal project between Lane and Woodruff, as follows:

- a. It is not yet certain that the area can be qualified under HHFA regulations for total clearance.
- b. The Mayor is unwilling to authorize the necessary interior inspections of houses to try to qualify the area unless he can be satisfied that the unused local credits at the completion of the project will be large enough to constitute the city's share of a rehabilitation project in the adjoining areas.

It is expected that a decision by the Mayor will come within the next week or so.

If we proceed with the project, the Board of Trustees will probably be asked at its next meeting to approve a preliminary development plan for the area east of the river. This will then have to be approved by the city following a public hearing and submitted to the HHFA.

Whether a project develops or not, the studies already made by the City Planning Commission will be of great value and the city has become more interested in stabilizing and improving the portions of the city around the University.

I. Report from Executive Director, University Relations

Executive Director Frederick Stecker reported informally on two developments in his area of responsibility, and his remarks may be summarized as follows:

During the period August 1 through 24, 1960, Mr. Stecker visited eleven selected cities in a series of trips made primarily to call on editors and publishers of newspapers and the operational managers of radio and television stations. Director Stecker explained that such visits made possible the establishment of valuable personal relationships with leaders in these communications media; discussions and critical appraisals of the services being rendered by the University Relations Office; and, where pertinent, appraisals of the University's branch operations.

XII. SPECIAL REPORTS (continued)

I. Report from Executive Director, University Relations (continued)

This year calls were also made on legislative candidates, alumni officers, key student leaders, Agricultural Extension agents, and county representatives in the College of Engineering alumni organization. Director Stecker reported the reception to all of these calls as exceptionally good and advised that similar trips would be made throughout the year.

Initial distribution of the President's Annual Report will be made on October 10, 1960, to the members of the Board of Trustees at their meeting in Wooster, Director Stecker reported. In view of the fact that during the academic year 1961-62 the centennial of the Land-Grant Act will be celebrated across the country, particularly on the campuses of the sixty-eight Land-Grant colleges and universities and looking ahead to that centennial and recognizing that The Ohio State University stands today as one of the leading examples of the land-grant idea, it was decided that the land-grant movement would be a timely and appropriate theme for the 1959-60 President's Report. To express this theme, the phrase "in the service of all the people" was chosen.

The report will not be an historical review of the Land-Grant movement generally or of the development of this University. Rather, this report recounts how this institution has developed the land-grant concept in its service of the people of Ohio and, more recently, of the broader world community. It is hoped that this report, coming in the 90th year of the University and on the eve of the Land-Grant Centennial, will give its readers not only a deeper appreciation of the legacy of the Land-Grant Act which has come to them through The Ohio State University, but also an awareness of what a people can do when they rise to meet the educational challenges of their day.

The report will follow the same format as President's Reports of recent years. Bids were requested from seven printing firms and five were received. The printing contract was awarded to Leshner Printers, Inc., of Fremont, Ohio, with a low bid of \$2,695.00 for 6,000 copies.

Outlines of the distribution plan were given the Trustees for their information and for the purpose of soliciting their criticisms and suggestions.

October 10, 1960 meeting, Board of Trustees

President Fawcett presented the following statement and recommendation to the Board of Trustees regarding the retirement of Dean Charles A. Doan, M. D. and the promotion of Associate Dean Richard L. Meiling, M. D. to Dean of the College of Medicine:

You will recall that on March 26, 1960, Dean Charles A. Doan announced his intention to retire from the Deanship of the College of Medicine for the reason that he will reach the retirement age set by the Board of Trustees for principal administrative officers.

In accordance with University Rule 13.03, I appointed on April 5 a committee of faculty members from the College of Medicine to advise in the selection of a successor to Dean Doan. After very careful evaluation of the numerous and highly qualified persons from the local and national scene, suggested by the faculty of the College of Medicine and practicing physicians, the committee in a meeting with me on July 29 unanimously endorsed Associate Dean Richard L. Meiling for the Deanship of the College of Medicine and Directorship of the University Hospital. Following this meeting I met on August 4 with the department chairman of the College of Medicine, the Director of the School of Nursing, the University Hospital Administrator, the Chairman of the Department of Bacteriology, and the Dean of the Graduate School, and this group also gave its unanimous support to the promotion of Dr. Meiling.

I have also conferred with the Vice President of Instruction and Research and the Vice President of Business and Finance concerning the matter of the selection of a successor to Dean Doan and each of these gentlemen has indicated his full concurrence with the recommendation from the faculty of the College of Medicine.

It is now my pleasure to submit the following recommendations:

Charles A. Doan, M. D.

It is hereby recommended that Charles A. Doan, M. D. be elected to the position of Dean Emeritus of the College of Medicine, effective January 1, 1961. Dean Doan will continue as Professor of Medicine and Director of Medical Research in the Department of Medicine through the 1960-61 academic year at his current salary of \$25,452.00.

Upon motion of Mr. Ketner, seconded by Judge Gorman, the above recommendation was unanimously approved by roll call vote.

Richard L. Meiling, M. D.

It is recommended that Richard L. Meiling, M. D. be promoted to Dean of the College of Medicine and Director of the University Hospital and its ancillary components, effective January 1, 1961 at a salary of \$25,452.00 per annum. Dr. Meiling will continue as Professor of Obstetrics and Gynecology and Professor of Preventive Medicine.

Upon motion of Senator Bricker, seconded by Mr. Loop, the above recommendation was unanimously approved by roll call vote.

October 10, 1960 meeting, Board of Trustees

By unanimous consent the meeting of the Board of Trustees recessed and the Chairman convened the Board of Control of the Ohio Agricultural Experiment Station.

The Board of Trustees reconvened following the meeting of the Board of Control of the Experiment Station with the same members present.

President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Admissions Policy for Freshmen

The Ohio State University is striving constantly to find ways in which it can improve the quality of its service to the people of Ohio. It is the conviction of the staff that a change in the admissions policy of the University is in harmony with the role the institution must play and will strengthen the quality of the student body. The emphasis at Ohio State is on saving from failure as many of its students as possible without sacrificing quality.

During the academic year 1959-60 direct appeal was made through all high school principals in Ohio to encourage freshman admittees who were in the lowest thirds of their high school graduating classes to enter during the summer of 1960. This procedure was designed so that students of questionable academic promise could be given better guidance and counseling service and could be housed in dormitories where a better measure of control over outside activities could be exercised. While the number that enrolled was not large, we are certain that the procedure is a valid one, since remedial work can be completed at an early date and preliminary adjustments to college life can be consummated at a time when the University is able better to assist them.

Consequently, I recommend that, effective June 1, 1961, all Ohio secondary school graduates who are in the middle or upper thirds of their high school graduating classes or who receive composite scores on the American College Test which place them in the upper two-thirds of the high school seniors in the State of Ohio may enter the University at the beginning of any quarter.

Further, it is recommended that, effective June 1, 1961, all high school graduates who intend to enter the University and who are in the lowest thirds of their high school graduating classes be encouraged to enter at the beginning of a Summer Quarter (an exception is made for those students who place in the upper two-thirds of the ACT as cited above), but they may enter at the beginning of any Winter or Spring Quarter. Said students will not be admitted at the beginning of any Autumn Quarter. This policy shall apply only at the central campus of The Ohio State University and shall continue until conditions warrant further change.

Upon motion of Judge Gorman, seconded by Mr. Loop, the above recommendation was unanimously approved by roll call vote.

I. GENERAL RECOMMENDATIONS (continued)

B. Policy on Admission to Basketball Games

Upon the request of the Athletic Council and with the concurrence of the Vice President, Business and Finance, and the Executive Dean, Student Relations, it is recommended that the following policy covering admission to basketball games be approved, effective Autumn Quarter, 1960:

1. Activity Cards must be exchanged for basketball cards during the period from November 1 through 20, 1960.
 - a. Each student must present a valid paid fee card and present his own activity card in person to qualify for the exchange privilege.
 - b. All faculty and staff activity cards must be exchanged for basketball cards upon presentation of proper identification.
 - c. A one-dollar service charge will be paid for each card exchanged.
2. Student basketball cards obtained as outlined above must be validated for use in the Winter Quarter by presenting a paid student fee card for that quarter.
3. Students entering the University in the Winter Quarter who were not enrolled in the Autumn Quarter shall pay \$6.00 for an Activity Card, after which all other policies herein stated will apply to them.
4. Basketball cards for both faculty and students will be serially designated, "A," "B," and "C."
5. Ticket sales will be arranged in such a manner as to give each series an equal chance to purchase tickets. (e. g. for the first game, Series "A" will have the right to buy on the first day of the ticket sale until the supply is exhausted. Any tickets remaining will be open to "B" series on the second day, etc. For the second game, "B" will be given preference on opening ticket-sale day; for the third game, "C," after which "A" returns to order.)
6. Student and staff ticket exchange price will be 25 cents per ticket.
7. Single-game admissions for sale to the public will be \$2.50 per game.

Upon motion of Mr. Patton, seconded by Mr. Ketner, the above recommendations were approved by a 5 to 0 vote with one member abstaining.

C. Urban Renewal Studies

In order to qualify an urban renewal project north of the campus for federal assistance, the City of Columbus will have to adopt after public hearing a preliminary development plan for the area and submit this preliminary development plan as a part of the application for federal assistance. A map has been prepared by the Office of Campus Planning for the city's use in the required public hearing and project application. It is consistent with our campus planning studies to date and is subject to later changes as required by the outcomes of Phase II of our campus master plan study.

I. GENERAL RECOMMENDATIONS (continued)

C. Urban Renewal Studies (continued)

I recommend that this map be approved as a preliminary plan for the development of the main campus area, that it be furnished to the City of Columbus for use in the development and prosecution of an urban renewal project or projects in the area north of the campus, and that the Secretary be instructed to file the map with the official records of the Board of Trustees.

Upon motion of Mr. Ketner, seconded by Mr. Patton, the above recommendation was unanimously approved by roll call vote.

II. PERSONNEL CHANGES

In addition to the regular personnel changes, the following Appointments and Emeritus Title are recommended:

A. Appointments

College of Veterinary Medicine

Clarence R. Cole to Assistant Dean, Research Development (part time) effective October 1, 1960, at an annual rate of \$1,200.00. Dr. Cole will continue as Professor and Chairman, Department of Veterinary Pathology at an annual rate of \$15,072.00 - new total salary, \$16,272.00 per annum on a twelve-month contract.

Walter G. Venzke to Assistant Dean and Secretary (part time) effective October 1, 1960, at an annual rate of \$1,200.00. Dr. Venzke will continue as Professor and Chairman, Department of Veterinary Anatomy at an annual rate of \$12,972.00 - new total salary, \$14,172.00 per annum on a twelve-month contract.

John H. Helwig as Director, Continuing Education (part time) effective October 1, 1960, at an annual rate of \$1,200.00. Dr. Helwig will continue as Professor and Chairman of the Department of Veterinary Preventive Medicine at an annual rate of \$12,972.00 - new total salary, \$14,172.00 per annum on a twelve-month contract.

B. Emeritus Title

Virgil R. Wertz, with the title Professor Emeritus, Department of Agricultural Economics and Rural Sociology, College of Agriculture and Home Economics, effective October 1, 1960.

Upon motion of Judge Gorman, seconded by Mr. Patton, the personnel changes were unanimously approved by roll call vote.

III. GENERAL CONTRACTS AND AGREEMENTS

A. The Ohio State University and
The Ohio State University Research Foundation

It is recommended that the research agreements heretofore entered into between The Ohio State University and The Ohio State University Research Foundation setting up the following projects be reported to the Board of Trustees for information and record:

1. Government Contracts - Federal

- a. Headquarters, U. S. Army Medical Research & Development Command, Office of the Surgeon General, Washington 25, D. C. For an investigation of Effects of Low-Level X-irradiation on Post-Mitotic Cells (to be known as U. S. Army, Office of Surgeon General Project No. 513 - Mod. #10 - Department of Physiology).
Gross Value - \$7,000.00.
- b. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For an investigation of Excitation and Inhibition in the Vertebrate Retina (to be known as National Institutes of Health Project No. 782 - Ext. #3 - Institute for Research in Vision).
Gross Value - \$15,436.00.
- c. Commander, Air Force Office of Scientific Research, Air Research and Development Command, Washington 25, D. C. For an investigation of Synthesis and Rearrangement of Compounds Containing Trihalomethyl Groups (to be known as Air Force Office of Scientific Research Project No. 810 - Sup. #4 - Department of Chemistry).
Gross Value - \$16,400.00.
- d. Department of the Navy, Office of Naval Research, Washington 25, D. C. For Research on the Production of Clinical Radiographs by Means of Compact, Low-Energy and High-Intensity Radioactive Sources (to be known as Office of Naval Research Project No. 834-Amend. #3 - College of Dentistry).
Gross Value - \$13,500.00.
- e. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For an investigation of Synthesis of Fluorinated Polycyclic Aromatic Compounds (to be known as National Institutes of Health Project No. 864 - Ext. #2 - Department of Chemistry).
Gross Value - \$18,328.00.
- f. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For an investigation of Respiratory Control in Hypoxia and Exercise (to be known as National Institutes of Health Project No. 866 - Ext. #2 - Department of Physiology).
Gross Value - \$15,000.00.

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

- g. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For an investigation of ORNITHOGALUM UMBELLATUM (to be known as National Institutes of Health Project No. 867 - Ext. #2 - College of Pharmacy).
Gross Value - \$15,935.00.
- h. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For Physical-Chemical Studies of Muscle (to be known as National Institutes of Health Project No. 874 - Ext. #2 - Department of Physiology).
Gross Value - \$9,200.00.
- i. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For an investigation of Neural Time-Space Mechanisms and Reading Disabilities (to be known as National Institutes of Health Project No. 876 - Ext. #2 - Institute for Research in Vision).
Gross Value - \$16,790.00.
- j. Federal Aviation Agency, Bureau of Research & Development, Washington 25, D. C. For Engineering Services for Glide Path Antenna System Research (to be known as Federal Aviation Agency Project No. 891 - Amend. #5 - Department of Electrical Engineering).
Gross Value - \$13,500.00.
- k. Commander, Wright Air Development Division, Wright-Patterson Air Force Base, Ohio. For Research on Phase Equilibria Between Boron Oxides and Refractory Oxides, Including Silicon and Aluminum Oxides (to be known as Wright Air Development Division Project No. 931-Sup. #4 - Department of Mineralogy).
Gross Value - \$35,000.00.
- l. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For Mapping Renal Blood Flow (to be known as National Institutes of Health Project No. 987 - Ext. #1 - College of Medicine).
Gross Value - \$11,089.00.
- m. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For an investigation of Cardiac and Vascular Effects of Shed Blood (to be known as National Institutes of Health Project No. 988 - Ext. #1 - Department of Physiology).
Gross Value - \$8,512.00.

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

- n. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For a Study of Steroid Metabolism in Open-Heart Surgery (to be known as National Institutes of Health Project No. 994-Ext. #1 - Department of Surgery).
Gross Value - \$10,522.00.
- o. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For an investigation of The Effect of Hypotension in Obstructive Jaundice (to be known as National Institutes of Health Project No. 995 - Ext. #1 - Department of Surgery).
Gross Value - \$6,900.00.
- p. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For an investigation of Pancreatic Hormonal Influence on Gastric Secretion (to be known as National Institutes of Health Project No. 999 - Ext. #1 - Department of Surgery).
Gross Value - \$35,050.00.
- q. Department of the Navy, Office of Naval Research, Washington 25, D. C. For an investigation of Voice Communication (to be known as Office of Naval Research Project No. 1002 - Amend. #1 - Department of Speech).
Gross Value - \$12,000.00.
- r. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For Cytochemical Studies of Normal and Malignant Growth (to be known as National Institutes of Health Project No. 1004 - Ext. #1 - Department of Pathology).
Gross Value - \$13,800.00.
- s. Commander, Air Force Office of Scientific Research, Washington 25, D. C. For an investigation of Personality Factors in Motivation (to be known as Air Force Office of Scientific Research Project No. 1007 - Sup. #1 - Department of Psychology).
Gross Value - \$28,609.00.
- t. Department of Health, Education Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For Adjuvant Chemotherapy - Cancer Lung Study (to be known as National Institutes of Health Project No. 1008 - Ext. #1 - Department of Surgery).
Gross Value - \$2,300.00.

A. The Ohio State University and
The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

- u. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For an investigation of Electron Properties of Chlorophyll Films (to be known as National Institutes of Health Project No. 1017 - Ext. #1 - Department of Chemistry).
Gross Value - \$10,925.00.
- v. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For an investigation of Experimental Portal Hypertension (to be known as National Institutes of Health Project No. 1022 - Ext. #1 - Department of Surgery).
Gross Value - \$11,500.00.
- w. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For Fractionation Studies on Nondialyzable Materials of Human Urine (to be known as National Institutes of Health Project No. 1023 - Ext. #1 - Department of Physiological Chemistry and Pharmacology).
Gross Value - \$11,149.00.
- x. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For an investigation of Cardiac Output and Organ Blood Flow in Shock (to be known as National Institutes of Health Project No. 1024 - Ext. #1 - Department of Physiology).
Gross Value - \$18,587.00.
- y. Commander, Air Force Command & Control Development Division, Air Research & Development Command, Laurence G. Hanscom Field, Bedford, Mass. For a Study of Emission Spectra by Phase-discrimination Methods (to be known as Air Force Command & Control Development Division Project No. 1078 - Sup. #1 - Department of Physics).
Gross Value - \$24,951.00.
- z. North American Aviation, Inc., Columbus Division, 4300 East Fifth Ave., Columbus 16, Ohio. For Transonic Wind Tunnel Testing (to be known as North American Aviation, Inc. Project No. 1160 New - Department of Aeronautical Engineering).
Gross Value - \$12,000.00.
- a1. National Science Foundation, Washington 25, D. C. For an investigation of Properties of Metals and Alloys Below Three Degrees Absolute (to be known as National Science Foundation Project No. 1167 - New - Department of Physics).
Gross Value - \$25,600.00.

Gross Value - \$5,250.00.
- d. Central Ohio Heart Association, 145 North High Street, Columbus 15, Ohio. For Development of a Prosthetic Aortic Valve (Continued) (to be known as Central Ohio Heart Association Project No. 1184 - New - Department of Surgery).
Gross Value - \$5,250.00.

TOTAL - Industrial and Other Contracts - \$15,997.00.

The foregoing forty-four contracts for research in cooperation with Government, Industry, and Other represent a gross income of \$744,079.00.

B. The Report of the Research Contract from the
Engineering Experiment Station

The Engineering Experiment Station of The Ohio State University has entered into the following research contract for the period from August 20, 1960, through September 21, 1960. This research contract is reported to the Board of Trustees for information and record.

1. Government Research Contract

- EES-178 - "Development of Instrumented Tests for Evaluating Traffic Zone Paint," State of Ohio, Department of Highways, Columbus 15, Ohio.
Gross Value - \$8,400.00.

Upon motion of Judge Gorman, seconded by Mr. Ketner, the above contracts were unanimously approved.

C. Agreement for Placement of Student Teachers

It is recommended that the President be granted discretion to approve the assignment by the College of Education of a limited number of student teachers to school districts in Ohio outside of Columbus and Franklin County when this appears necessary to provide proper supervision of student teachers in special instructional areas. In return for accepting student teacher assignments a school district in Ohio outside of Columbus and Franklin County will be granted fee waivers in the amount of \$100.00 per year for each student teacher assigned during any quarter, such fee waiver to be applicable only on the central campus of the University.

Upon motion of Mr. Loop, seconded by Mr. Patton, the above agreement was unanimously approved by roll call vote.

IV. GIFTS

A. Report from The Ohio State University Development Fund

I wish to report that in August, 1960, The Ohio State University Development Fund received gifts on behalf of the University as follows:

	<u>No. of Gifts</u>	<u>Amount</u>
Alumni	616	\$ 8,884.85
Individuals Other Than Alumni	70	636.50
Non-Profit Organizations	33	53,427.73
Business Concerns	35	70,320.07
	<u>754</u>	<u>\$133,269.15</u>

Of these gifts, 484 totaling \$5,514.60 were undesignated and 270 totaling \$127,754.55 were designated.

V. APPROPRIATIONS AND TRANSFERS OF FUNDS

A. Center for Continuing Education, National Defense Education, and Telecommunications

For the past several months preliminary study has been given to ways and means of strengthening and enhancing the University's programs in the areas of continuing education, national defense education, and telecommunications, and it has now been concluded that professional consultative services are needed to assist the University officials with preliminary studies for the possible future development of such a center.

Therefore, it is recommended that the President be authorized to engage the services of the firm Diegert and Yerkes of Washington, D. C. to assist with the preliminary studies as stated above and that an amount not to exceed \$7,500.00 be appropriated from the General University Fund for this purpose.

Upon motion of Senator Bricker, seconded by Mr. Patton, the above appropriation was unanimously approved by roll call vote.

B. Preparation of Campus Maps

Upon the request of the Director of Campus Planning and with the concurrence of the Vice President, Business and Finance, I recommend that an amount not to exceed \$2,500.00 be appropriated from the General University Fund for the preparation of campus maps to be used in connection with the campus planning study.

Upon motion of Mr. Patton, seconded by Mr. Ketner, the above appropriation was unanimously approved by roll call vote.

C. Various Architectural and Engineering Studies

Upon the request of the Council on Business Affairs and with the concurrence of the Vice President, Business and Finance, I recommend that an amount not to exceed \$10,000.00 be appropriated from the General University Fund for

V. APPROPRIATIONS AND TRANSFERS OF FUNDS (continued)

C. Various Architectural and Engineering Studies (continued)

preliminary architectural and engineering studies. These funds will be expended only upon authorization by the Vice President, Business and Finance, and ratification by the Board of Trustees and will be used primarily for preliminary planning costs on alterations to such existing buildings as University Hospital, Derby Hall, Hughes Hall, and the Research Center.

Upon motion of Senator Bricker, seconded by Mr. Patton, the above appropriation was unanimously approved by roll call vote.

D. Ohio Wesleyan University - Perkins Observatory

Action of the Board of Trustees on November 20, 1950, provided for a payment of \$400.00 per month to Ohio Wesleyan University as rental for the use of facilities at Perkins Observatory. Due to increased costs of operation since this agreement was approved, it is recommended that effective July 1, 1960, the annual rental be increased from \$4,800.00 to \$6,000.00 per annum. Funds for payment of the rental are available in the current appropriation of the University.

Upon motion of Senator Bricker, seconded by Judge Gorman, the above recommendation was unanimously approved by roll call vote.

VI. EXTRAS AND CREDITS TO CONTRACTS

At the request of the Council on Business Affairs, and with the concurrence of the Cabinet, I recommend that the Extra and Credit Orders to Contracts as outlined below be approved by the Board of Trustees and submitted to the Director of Finance, State of Ohio, for approval and allocation of funds from Item 850 Capital Improvements, H. B. 1124, (in accordance with the provisions of H. B. 1124) unless a source of funds in each case is otherwise indicated:

A. Remodel McPherson Laboratory

General Contract

It is recommended that 76 supports for reagent shelves which are found to be rotted be replaced with marine plywood, painted to match the existing shelves. It is further recommended that repairs be made to the transitite backs and flues of existing fume hoods. Add \$476.00

Heating and Ventilating Contract

It is recommended that American Blower fans be substituted for ILG Electric Fan Co. or Power Line Fan Co. units as specified. Deduct \$100.00.

VI. EXTRAS AND CREDITS TO CONTRACTS (continued)

A. Remodel McPherson Laboratory (continued)

Heating and Ventilating Contract (continued)

It is recommended that the vent for an exhaust air fan from Room No. 131A be connected to exhaust through the roof instead of through the wall. Add \$235.00.

Net addition \$135.00

Plumbing Contract

It is recommended that the existing fire line in Room 140 be relocated to make room for the fume hood proposed for installation. Add \$170.00.

It is recommended that the branch water lines to the existing laboratory benches in Rooms 130, 134, 138 and 140 be replaced with new copper lines. Add \$288.00.

Total addition \$458.00

Funds are available for these extra orders in Item 067 Remodel McPherson Laboratory, H. B. 1124.

B. Animal Research Facility

Heating and Ventilating Contract

In order to reduce the noise created by the electronic air cleaner, it is recommended that low velocity dust stop filters in a frame be located on the back of the fresh air louver and in front of the electronic air cleaner.

Add \$605.00

Laboratory Equipment Contract

It is recommended that air locks be installed at the two openings of the Biological Research Enclosure to properly operate the equipment.

Add \$277.20

C. Animal Science Building

General Contract

It is recommended that in order to improve the appearance and to prevent condensation from forming, a mastic treatment be provided for the ceiling of the Campus Order Filling Room No. 117.

Add \$265.00

Electrical Contract

It is recommended that a utility pole at Stadium Drive be relocated 10 ft. to the west so that the proposed driveway will clear the pole.

Add \$250.00

VI. EXTRAS AND CREDITS TO CONTRACTS (continued)

D. 11th Avenue Residence Halls for Men, Building No. 4

Electrical Contract

It is recommended that one incandescent Lightolier #4313 fixture be furnished for each of the nine medicine cabinets in the staff bathrooms.

Add \$165.00

Funds for this extra are provided in 11th Avenue Residence Halls for Men Construction Account.

E. Pomerene Refectory Kitchen, Rehabilitation and Remodeling

General Contract

It is recommended that certain plumbing fixtures in the locker room be raised in order to make proper connections to the existing drain line. This will be accomplished by providing 5 concrete pads and steps and making certain changes in the concrete block partitions.

Add \$381.00

Electrical Contract

It is recommended that new panels be provided to pick up circuits for a range, air conditioning unit, attic fan, dumb-waiter and condenser.

Add \$390.00

Funds are available for these extra orders in G-2-Q Pomerene Refectory Kitchen, Rehabilitation and Remodeling, H. B. 831.

F. Sidewalks, Stadium Drive

Upon excavation, it was found that the concrete curb which is to be replaced was 18" deep instead of 6" deep. It is, therefore, recommended that 180 cu. ft. of concrete curb be removed and that 8 cu. yds. of additional concrete be provided to satisfactorily complete this job.

Add \$520.00

Funds are provided in Item 074 New Roads, Walkways, and Pedestrian Bridge, H. B. 1124, for this project.

G. Expansion and Remodeling of University Police Station

General Contract

It is recommended that the vestibule to the Station be painted in order to produce a completed appearance for this area.

Add \$ 82.00

Funds are provided in Item 081 Improvement of Existing Physical Plant, H. B. 1124, for this project.

VI. EXTRAS AND CREDITS TO CONTRACTS (continued)

H. Married Housing Project No. 2

General Contract

It is recommended that the existing building at 582 Hess Road be deleted from the wrecking contract and that permission be granted the contractor to use this building as a field office. It is understood that the contractor will provide for its wrecking and removal at the end of the job at no additional cost to the University and that all expenses which might result from the building being allowed to remain and all costs of utilities to this building will be borne by the contractor.

Deduct \$ 200.00

Funds for this project are provided in Married Housing Project No. 2 Construction Account.

Demolition and Removal of Twenty-seven Married Student Housing Units Located at River Road Housing

Omission of demolition of building known as 582 Hess Road.

Deduct \$ 480.00

Funds for this project are provided in F-9, H. B. 831.

I. Scholarship Dormitories, Phase IV

Electrical Contract

It is recommended that a break-glass station be installed in the main office of the dormitories for the fire alarm system.

Add \$ 85.00

Funds are provided for this project in G-2-A Scholarship Dormitories, H. B. 831.

J. College of Arts, Classroom Office Building (Denney Hall)

General Contract (Supplemental)

The State Architect has ruled in favor of paying the following claims for extra compensation to the contractor:

1. Berkheimer-White, McArthur #40 Blend face brick was approved for use in lieu of Claycraft Special Blend 808R face brick as specified in order to better match the brick in Hughes Hall and the Fine Arts Building. Add \$792.00.

2. Provision of extra drain lines around the outside of the building. Add \$1,640.00.

Total addition \$2,432.00

VI. EXTRAS AND CREDITS TO CONTRACTS (continued)

K. Nuclear Reactor

It is recommended that a catwalk be provided around the top of the bulk shielding pool to facilitate the operation and servicing of instrumentation to be mounted thereon. This need is the result of new research contracts and proposed programs which did not exist when the project was being originally developed.

Add \$1,400.00

Funds for this project are provided from Rotary 12809, an Atomic Energy Commission Grant.

L. College of Arts, Addition to Chemistry Building

General Contract

It is recommended that the following changes be made:

1. Substitute glass vision panels in 135 interior doors for off-set glass panels. Deduct \$135.00.
2. Increase height of an areaway wall and catchbasin inlet to relieve a rainwater drainage problem between the new addition and the existing building. Add \$115.00.
3. Omit one roof access ladder from the main penthouse roof level to the roof over the stairwell and elevator penthouse. Deduct \$43.00.

Net deduction \$ 63.00

Laboratory Equipment Contract

It is recommended that certain utility services to the explosion shelter of the Hydrogenation Laboratory be installed. On this contract this involves the furnishing of a cup sink, trap, two gas cocks and a water faucet and the furnishing and installation of a stone table top.

Add \$ 178.00

Plumbing Contract

In connection with the provision of utility services under the laboratory equipment contract it is necessary to extend the gas, water and drain lines and install and connect the cup sink, trap, gas cocks and water faucet.

Add \$ 630.00

Electrical Contract

In connection with the provision of utility services under the laboratory equipment contract it is necessary to furnish and install one explosion proof 115V receptacle in the explosion shelter with all required wiring and connections.

Add \$ 177.00

VI. EXTRAS AND CREDITS TO CONTRACTS (continued)

M. Remodel Robinson Laboratory

General Contract

It is recommended that plastering be provided in all offices, classrooms, corridors and certain laboratories. This work includes the application of metal lath, plastering, painting and a change in the trim around windows from aluminum inserts to wood trim and plaster stops.

Add \$9,775.00

Electrical Contract

It is recommended that Lightolier #15143 Fluorescent lighting fixtures be provided in lieu of Columbia #FXBM24ORS-M1 fixtures as specified.

Add \$4,000.00

Funds for these extra orders will be provided by a transfer from Item 075 Additional Underground Utilities to Item 072 Remodel Robinson Laboratory, H. B. 1124.

N. Pomerene Refectory Kitchen, Rehabilitation & Expansion

Extension of Completion Date for All Contracts

It is recommended that an extension of time for completion of contract be granted to all five contractors for this project from October 16 to December 16, 1960. This extension of time is recommended because of adverse conditions which were discovered during the remodeling which required revision of plans, negotiation of extra order prices and additional work, particularly in the plumbing division.

Upon motion of Judge Gorman, seconded by Mr. Ketner, the above recommendations individually and collectively were unanimously approved by roll call vote.

VII. PLANS AND SPECIFICATIONS

With the approval of the Council on Business Affairs, and with the concurrence of the Cabinet, it is recommended that the plans and specifications, bills of materials and estimates of cost for the following projects be approved by the Board of Trustees:

A. Air Conditioning - Dental Building

This project is payable from funds transferred from the Dental Clinic to G-2-P Air Conditioning Dental Building, H. B. 831.

VII. PLANS AND SPECIFICATIONS (continued)

B. Replacement of Electrical Distribution System,
Mendenhall Laboratory

Funds for this project are provided in Item 081 Improvement of Existing Physical Plant, H. B. 1124.

C. Repair of Roof, Gutters and Downspouts on the Community
Building, River Road Housing Project

This project is payable from Rotary 8200.

D. Repair and Expansion of Janitor's Area at Power Plant

This project is payable from Item 081 Improvement of Existing Physical Plant, H. B. 1124.

Upon motion of Judge Gorman, seconded by Mr. Loop, the above recommendations were unanimously approved by roll call vote, and the Secretary was authorized and directed to sign the plans and specifications for the above listed projects for and on behalf of the Board of Trustees. Vice President Carson was directed to follow normal University procedure in advertising for bids. If any satisfactory bids are received, the Vice President will proceed with the award of contracts to the lowest and best bidders and report to the Board of Trustees on the matter at a later meeting.

X. MISCELLANEOUS - FROM OFFICE OF BUSINESS AND FINANCE

A. Aviation Psychology Laboratory, Derby Hall Remodeling and Hughes Hall Remodeling, Employment of Architect

It is recommended that the firm of Fred E. Wright and William W. Gilfillen, Architect, Columbus, Ohio, be employed to provide preliminary architectural services for these projects. This work shall include preliminary studies, drawings, outline specifications and estimate of cost.

The service will be provided on a basis of hourly rates for a Principal Architect of \$8.00 per hour and for other office personnel of \$6.50 per hour. The estimated maximum cost for this work is as follows:

Aviation Psychology	\$1,000.00
Derby Hall	675.00
Hughes Hall	600.00

Funds are provided for this service by a transfer of money from the General University Fund to an appropriate rotary account.

Upon motion of Mr. Loop, seconded by Mr. Patton, the above recommendation was unanimously approved.

B. Addition to Campbell Hall, Employment of Engineer

It is recommended that the firm of Schweiger, Heapy and Associates, Dayton, Ohio, be employed to provide professional engineering services for heating, ventilating, plumbing and electrical work on this project.

The fee for providing complete engineering services, including design, preparation of drawings, specifications and estimate of cost, and complete field supervision of construction is 6 per cent of the contract costs of the mechanical contracts. The estimated cost of the mechanical contracts is \$294,294.00 for which the engineer's fee would be \$17,658.00. Funds will be provided for this project from Item 078 Addition to Campbell Hall, H. B. 1124.

Upon motion of Mr. Patton, seconded by Judge Gorman, the above recommendation was unanimously approved.

C. Withdrawal of Premium Reserve on Group Life Insurance

It is recommended that Vice President Carson be authorized to make application to John Hancock Mutual Life Insurance Company for the withdrawal of \$80,000.00 from the dividend reserve on Group Life Insurance Policy No. 1305-G in order to make expenditures for supplemental retirement benefits to our emerti effective August 1, 1959; for major medical coverage for emerti effective July 1, 1959; and death benefits as approved by previous action of the Board of Trustees.

Upon motion of Senator Bricker, seconded by Mr. Loop, the above recommendation was approved by unanimous vote.

X. MISCELLANEOUS - FROM OFFICE OF BUSINESS AND FINANCE (continued)

D. Ice Rink, Architectural Contract Amendment

The University Architect's Office was unable to conduct the preliminary investigation for the ice rink because of a full load of projects. As a result the architectural firm of Brown, Brubaker and Brandt was requested to undertake preliminary studies not normally a part of the services of a project architect.

To reimburse them for professional services rendered a fee of \$1,000.00 has been negotiated and approved by the University Architect and it is, therefore, recommended that this amendment to their contract be approved. Funds are available in G-2-R Ice Rink, H. B. 831, for this payment.

Upon motion of Mr. Ketner, seconded by Senator Bricker, the above recommendation was approved by unanimous vote.

E. Men's Housing No. 1 and No. 2 and Dining Facilities, Employment of Engineer for topographical surveys

It is recommended that the firm of Bird and Tietzel, Consulting Engineers, Columbus, Ohio, be employed to make topographical surveys of possible sites for this project. The fee for the work is estimated to be \$700.00. Funds will be provided in Men's Housing No. 1 and No. 2 and Dining Facilities Construction Account.

Upon motion of Judge Gorman, seconded by Mr. Patton, the above recommendation was unanimously approved by roll call vote.

F. Men's Housing No. 1 and No. 2 and Dining Facilities, Employment of Engineer

It is recommended that the firm of W. E. Monks, Engineers, Columbus, Ohio, be employed to provide professional engineering services for heating, ventilating, plumbing and electrical work on this project.

The fee for providing complete engineering services, including design, preparation of drawings, specifications and estimate of cost, and complete field supervision of construction is 6 per cent of the contract costs of the mechanical contracts. The estimated cost of the mechanical contracts is \$385,116.00 for which the engineer's fee would be \$23,107.00.

Funds will be provided from Men's Housing No. 1 and No. 2 and Dining Facilities Construction Account.

Upon motion of Judge Gorman, seconded by Mr. Patton, the above recommendation was unanimously approved by roll call vote.

G. Purchase of Buildings and Property, 238 and 244 West Tenth Avenue

It is recommended that the Vice President, Business and Finance, be authorized to proceed with the purchase of the following property from Martha M. Borling, et al at a price not to exceed \$41,000.00.

October 10, 1960 meeting, Board of Trustees

X. MISCELLANEOUS - FROM OFFICE OF BUSINESS AND FINANCE (continued)

G. Purchase of Buildings and Property, 238 and 244 West Tenth Avenue (continued)

Property known as 238 and 244 West Tenth Avenue,
being Lot #10 and 11, University Heights Addition,
City of Columbus, County of Franklin, State of Ohio.

Funds are available in Item 077, Land Purchases, H. B. 1124.

Upon motion of Mr. Patton, seconded by Senator Bricker, the above recommendation was unanimously approved by roll call vote.

XI. SPECIAL REPORTS

A. Ratification of By-Laws and Rules for the University Faculty

Mr. Ketner presented the following motion and moved its approval:

That the Board of Trustees hereby ratifies the By-Laws of the Board of Trustees as amended, and the Rules for the University Faculty as amended, as submitted to this meeting; that the Secretary be directed to retain a copy of these By-Laws as amended, and these Rules as amended, as the official University copy; that the Secretary be and he hereby is authorized to print a sufficient number of copies of these By-Laws as ratified, and of these Rules as ratified; that the publication also contain pertinent sections of the Ohio Revised Code as amended; and that copies of these By-Laws as ratified, and these Rules as ratified, be distributed to members of the faculty and administrative staff of the University.

The motion was seconded by Mr. Loop and was unanimously approved.

B. Report of the Finance Committee

Senator Bricker presented the following report concerning an application to the Federal Housing and Home Finance Agency for loan assistance:

Student Housing and Dining Facilities

It is recommended that the application for loan assistance under Title IV of the Housing Act of 1950, approved on November 6, 1959 and entitled "Men's Quadrangle Project No. 1" be revised in order to provide for additional urgently needed housing. The revised project will be known as "Student Housing and Dining Facilities". It will house 1,492 single students and is estimated to cost approximately \$6,500,000.00 including architect's fees, roads, site improvement and movable equipment. The estimated cost of construction is \$6,000,000.00 and the estimated cost of movable equipment is \$500,000.00.

XI. SPECIAL REPORTS (continued)

B. Report of the Finance Committee (continued)

Student Housing and Dining Facilities (continued)

The application will request a federal loan in the amount of 50% of the cost of construction, or \$3,000,000.00 and additional bonds will be sold to private investors for the balance of the construction costs, plus the cost of movable equipment (total \$3,500,000.00).

NOW, THEREFORE, BE IT RESOLVED, that the President of the University and the Vice President, Business and Finance, of the University, or either of them, are authorized on behalf of the University to file an application or applications or amendments or supplements to existing applications in such form or forms as they shall deem advisable to obtain from the United States Government, acting through the Housing and Home Finance Administration, and pursuant to Title IV of the Housing Act of 1950, loan assistance in the amount of \$3,000,000.00 to cover one-half of the cost of the project known as Student Housing and Dining Facilities, exclusive of the cost of movable equipment and such other costs as are not permitted to be included under the rules of practice of the Housing and Home Finance Administration.

Upon motion of Senator Bricker, seconded by Judge Gorman, the foregoing recommendation and resolution were approved by unanimous roll call vote.

C. Report on Investment Portfolio

Vice President Gordon Carson presented a report on the University's Investment Portfolio which was dated September 30, 1960. Upon motion of Mr. Patton, seconded by Senator Bricker, the report was accepted and the Secretary was instructed to file a copy of the report with the official records of the Board of Trustees.

D. Distribution of the President's 90th Annual Report

Mr. Frederick Stecker, Executive Director, University Relations, distributed to each member of the Board of Trustees the first copies of the President's 90th Annual Report entitled The Land-Grant Idea, and reported that his office was proceeding immediately with the distribution of the Annual Report as outlined in the September 9 Minutes of the Board. Mr. Stecker also stated that he was pleased to report that distribution of the Annual Report will be made to the high schools of Ohio and to the Parent Teachers' Association of each Ohio high school as suggested by Senator Bricker at the September meeting.

President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Establishment of Institute for Perinatal Studies

On October 11 the Faculty Council approved a recommendation from the Council on Research for the establishment of an Institute for Perinatal Studies and requested the President to submit the recommendation to the Board of Trustees for approval. The perinatal period is defined as the twenty weeks uterogestation through twenty-eight days of neonatal life.

The purposes of the Institute shall be:

1. To plan, encourage, support, and direct significant scientific research in the perinatal period.
2. To train research personnel in the area of perinatal morbidity and mortality studies.
3. To make available the results of significant perinatal morbidity and mortality studies.
4. To develop inter-disciplinary adult education programs seeking a decrease in perinatal morbidity and mortality.

The membership of the Institute shall consist of those persons who have evidenced significant interest in perinatal problems and who are approved by the Administrative Board.

The Institute shall have an Administrative Board and two Co-Directors. The Co-Directors shall be members of the University Faculty appointed by the Board of Trustees upon the recommendation of the Administrative Board; the Vice President, Instruction and Research; and the President. The Co-Directors shall have the responsibility and authority for administering the program of the Institute subject to the policies established by the Administrative Board.

The Administrative Board shall consist of two members elected by the members of the Institute, two members appointed by the Council on Research, and four ex-officio members. The latter shall be the Dean of the Graduate School; the two Co-Directors; and the Associate to the Vice President, Research Development and Institutes. Of the ex-officio members only the Dean of the Graduate School shall hold the right to vote.

I recommend that the Board of Trustees approve the action of the Faculty Council to establish at The Ohio State University an Institute for Perinatal Studies operating under the general provisions set forth and for the purposes outlined above.

Upon motion of Mr. Patton, seconded by Mr. Ketner, the above general recommendation was unanimously approved by roll call vote.

I. GENERAL RECOMMENDATIONS (continued)

B. Rules and Regulations - Telephone Toll Charges and Duplication of Keys

Section 3345.04 of the Ohio Code provides authority for the University Police to ". . . arrest, without warrant, any person trespassing upon the grounds or destroying property of the institution, or violating a law of the state or violating a rule or regulation properly prescribed by the governing board of the institution . . ."

In view of the requirement under the law for the Board to "properly prescribe" rules or regulations, the following additions to said rules and regulations are presented for approval:

1. The making of long distance telephone calls from any University telephone and charged to that telephone without proper authority is expressly prohibited.
2. All official University keys are to be issued exclusively by the Service Department. The duplication of any of these keys by any person is expressly prohibited.

Upon motion of Mr. Loop, seconded by Judge Gorman, the above rules were unanimously adopted as an official addition to the rules and regulations of the University.

* * *

II. PERSONNEL CHANGES

In addition to the regular personnel changes recommended for approval at this meeting, I wish to recommend the following appointment:

A. Appointment

College of Medicine

James V. Warren, appointed to the position of Professor and Chairman of the Department of Medicine, effective April 1, 1961, at an annual rate of \$25,068.00.

Upon motion of Mr. Ketner, seconded by Mr. Loop, the personnel changes were unanimously approved by roll call vote.

1. Government Contracts - Federal

- a. U.S. Atomic Energy Commission, Chicago Operations Office, 9800 South Cass Avenue, Argonne, Illinois. For Study of Complex Beta Decay Spectra (to be known as U.S. Atomic Energy Commission Project No. 713 - Sup. #4 - Departments of Chemistry and Physics). Gross Value - \$37,500.00.
- b. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For Isolation of Enteric Viruses from Swine (to be known as National Institutes of Health Project No. 791 - Ext. #3 - Department of Bacteriology). Gross Value - \$8,855.00.
- c. Department of the Navy, Office of Naval Research, Washington 25, D. C. For an investigation of Properties of Non-metallic Solids at Low Temperatures, by Use of Nuclear Magnetic Resonance Techniques (to be known as Office of Naval Research Project No. 989 - Amend. #1 - Department of Physics). Gross Value - \$30,250.00.
- d. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For an investigation of Characteristics of Enamel and Dentin for Restorations (to be known as National Institutes of Health Project No. 1025 - Ext. #1 - College of Dentistry). Gross Value - \$2,000.00.
- e. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For an investigation of Lipid Metabolism: Absorption and Transport (to be known as National Institutes of Health Project No. 1033 - Ext. #1 - Department of Physiological Chemistry and Pharmacology). Gross Value - \$14,465.00.
- f. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For an investigation of Chemistry of the Lipids of Human Plasma Beta-Lipoproteins (to be known as National Institutes of Health Project No. 1036 - Ext. #1 - Department of Physiological Chemistry and Pharmacology). Gross Value - \$7,762.00.

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

1. Government Contracts - Federal (cont.)

- g. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For an investigation of Ornithine Transcarbamylase Biosynthesis in Bacteria (to be known as National Institutes of Health Project No. 1043 - Ext. #1 - Department of Agricultural Biochemistry).
Gross Value - \$13,160.00.
- h. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For an investigation of Teflon As A Tendon Substitute (to be known as National Institutes of Health Project No. 1047 - Ext. #1 - Department of Surgery).
Gross Value - \$8,124.00.
- i. Commander, Rome Air Development Center, Air Research and Development Command, Griffiss Air Force Base, New York. For High Gain Antenna Realization and Tracking Study (to be known as Rome Air Development Division Project No. 1072 - Sup. #2 - Department of Electrical Engineering).
Gross Value - \$60,000.00.
- j. Commander, Wright Air Development Division, Wright-Patterson Air Force Base, Ohio. For Simulation Facility for Human Factors Research (to be known as Wright Air Development Division Project No. 1087 - Sup. #1 - Departments of Psychology and Electrical Engineering).
Gross Value - \$269,972.00.
- k. Institute of Technology, Air University, United States Air Force, Wright-Patterson Air Force Base, Ohio. For Services to Further Develop Curricula and Present Courses of Instruction, Advanced Logistics and Air Materiel Command Logistics Education Program (to be known as Institute of Technology, WPAFB Project No. 1175 - New - Department of Business Organization).
Gross Value - \$612,305.00.
- l. Commander, Wright Air Development Division, Wright-Patterson Air Force Base, Ohio. For a Study of Electromagnetic Window Dielectric Techniques (to be known as Wright Air Development Division Project No. 1180 - New - Department of Electrical Engineering).
Gross Value - \$80,000.00.
- m. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For an investigation of Chemical Reactions of Coordinated Functional Groups (to be known as National Institutes of Health Project No. 1185 - New - Department of Chemistry).
Gross Value - \$11,097.00.

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

1. Government Contracts - Federal (cont.)

- n. Headquarters, U. S. Army Medical Research and Development Command, Office of the Surgeon General, Washington 25, D. C. For an investigation of Carbohydrate Derivatives for Protection from Radiation Damage (to be known as USAMRDC, Office of Surgeon General Project No. 1187 - New - Department of Chemistry).
Gross Value - \$20,000.00.
- o. United States Army, Chemical Corps Biological Laboratories, Fort Detrick, Maryland. For Studies on Mixed Aerosol Infections in Monkeys (to be known as Chemical Corps Biological Laboratories Project No. 1188 - New - Department of Medicine).
Gross Value - \$38,200.00.
- p. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland. For an investigation of Mechanism of Enzyme Action (to be known as National Institutes of Health Project No. 1189 - New - Department of Chemistry).
Gross Value - \$13,257.00.
- q. National Science Foundation, Washington 25, D. C. For Exchange Scientist, Antarctic Program for Research in Glaciology and Glacial Geology with USSR (to be known as National Science Foundation Project No. 1190 - New - Department of Geology).

100 shares F. W. Woolworth Company capital stock valued at \$6,600.00

Real estate at 275 East Lane Avenue valued at \$14,500.00

The Charles W. Foulk Memorial Fund

The Charles W. Foulk Memorial Fund was established October 10, 1960, by a bequest to the Development Fund from Charles W. Foulk, B. A. '94, former Professor of Chemistry at the University. The principal is to be invested in the University's Investment Portfolio under rules and regulations adopted by the Board of Trustees of The Ohio State University, with right to invest and reinvest as occasion dictates.

The income is to be expended on order of the Board of Trustees of The Ohio State University upon recommendation of the Board of Directors of The Ohio State University Development Fund. The principal may also be invaded to the extent of part or all of it and expended in the same manner as provided for the use of the income.

Upon motion of Mr. Ketner, seconded by Judge Gorman, the foregoing gift was accepted by unanimous vote.

B. Report from The Ohio State University Development Fund

I wish to report that in September, 1960, The Ohio State University Development Fund received gifts on behalf of the University as follows:

	<u>No. of Gifts</u>	<u>Amount</u>
Alumni	404	\$ 6,745.38

V. EXTRAS AND CREDITS TO CONTRACTS

At the request of the Council on Business Affairs, and with the concurrence of the Cabinet, I recommend that the Extra and Credit Orders to Contracts as outlined below be approved by the Board of Trustees and submitted to the Director of Finance, State of Ohio, for approval and allocation of funds from Item 850 Capital Improvements, H. B. 1124, (in accordance with the provisions of H. B. 1124) unless a source of funds in each case is otherwise indicated:

A. Sidewalks for College Road and Mirror Lake Hollow

General Contract

It is recommended that 4500 paving bricks belonging to the University be used in lieu of new paving brick as specified. Deduct \$225.00

These funds will be credited to Item 074 New Roads, Walkways and Pedestrian Bridge, H. B. 1124.

B. Bridge Sidewalks

General Contract

It is recommended that the following changes be made:

1. Extra labor in adapting cantilever beams to the "as found" conditions on the job. Add \$190.00.
2. Extend the retaining walls at each of the four corners of the bridge to support fill for approach walks. Add \$90.00.
3. Add stonework on road bridge piers for better appearance. Add \$317.00.
4. Omit 90 sq. ft. of mastic expansion joint material not needed. Deduct \$25.00.
5. Omit 160 dowel rods found to be unnecessary. Deduct \$237.00.
6. Omit 27 lin. ft. of piling not needed for construction. Deduct \$122.00.

Net addition \$209.00

Funds for this extra order will be provided in Item 074 New Roads, Walkways and Pedestrian Bridge, H. B. 1124.

C. College of Arts, Addition to Chemistry Building

General Contract

It is recommended that louvres be installed in four doors at an extra cost of \$250.00.

V. EXTRAS AND CREDITS TO CONTRACTS (continued)

C. College of Arts, Addition to Chemistry Building (continued)

General Contract (continued)

It is further recommended that 135 interior doors which do not meet the specifications but are acceptable be installed at a credit to the contract of \$135.00.

Net addition \$115.00

D. Remodel McPherson Laboratory

Heating and Ventilating Contract

It is recommended that a new 2" steam line connecting the steam lines for laboratory use in the north half of the building with similar steam lines in the south half of the building be installed. Extra cost, \$304.00.

It is further recommended that a concrete platform with steel pipe column supports for the condensate pump in Room 154 be provided. Extra cost, \$320.00.

Total addition \$624.00

Funds for this extra order will be provided from Item 067 Remodel McPherson Laboratory, H. B. 1124.

E. Animal Science Building and Remodeling of Plumb Hall

Plumbing Contract

It is recommended that concrete be removed from the existing 4" fibre duct conduit in tunnel slab along Stadium Drive in order to properly install primary cable to the new building.

Add \$1,126.00

F. Expansion and Remodeling of University Police Station

General Contract

It is recommended that the following changes be made:

1. Increase the thickness of all doors to accommodate morticed type locks. Add \$29.00.
2. Substitute 'C' group asphalt tile for specified tile in the Squad Room. Add \$25.00.
3. Move two thermostats for unit heaters; make a new connection for toilet room ventilating fan; and provide double pole switches in lieu of single pole in the Interrogation Room. Add \$97.00.

Total addition \$151.00

V. EXTRAS AND CREDITS TO CONTRACTS (continued)

F. Expansion and Remodeling of University Police Station (continued)

General Contract (continued)

Funds for this extra order will be provided from Item 081 Improvement of Existing Physical Plant, H. B. 1124.

G. Pomerene Refectory Kitchen Rehabilitation and Expansion

Plumbing Contract

It is recommended that various changes be made in the plumbing work which were not included in the plans and specifications. When the partitions around a series of duct openings and certain suspended ceilings were removed, it was found that certain pipes, which had not been indicated on the original drawing were in locations which interfered with the new remodeling work. It was also discovered that the main service lines for some of the hot and cold water and hot water recirculation were located in a ventilating tunnel, a portion of which was to be abandoned. It was impossible to determine the existence or the exact location of these pipes and lines at the time drawings were being prepared and provision must be made for them at this time.

Add \$2,112.00

Funds for this extra order will be provided in G-2-Q Pomerene Refectory Kitchen, H. B. 831.

Heating and Ventilating Contract

It is recommended that the furnishing of plate type cooling coils for the ice cream counter and the milk counter be omitted since they are also specified in the Kitchen Equipment Contract and it is believed to be more satisfactory to have them built into the counters as a part of this contract.

Deduct \$141.00

Funds will be returned to Item 071 Pomerene Refectory Kitchen, Rehabilitation and Expansion, H. B. 1124.

H. Married Student Housing Project No. 2

General Contract

It is recommended that in the kitchens of the two-bedroom apartments there be provided one special corner base kitchen cabinet unit with provision for a single bowl sink and one straight base cabinet unit with plain counter top, in lieu of two straight base cabinet units with provision for a double bowl sink unit as originally specified. The use of a corner unit

V. EXTRAS AND CREDITS TO CONTRACTS (continued)

H. Married Student Housing Project No. 2 (continued)

General Contract (continued)

with door on the diagonal front face provides more room for the dryer and also slightly more storage space.

Add \$2,280.00

Plumbing Contract

It is recommended that in connection with the above change in kitchen cabinets, a single bowl stainless steel sink located in the revised corner base cabinet unit be provided in lieu of a double bowl sink in a straight base unit.

Deduct \$520.00

Outside Services Contract

It is recommended that a new 1-1/2" black steel pipe gas line with welded connections, be routed around new construction to service existing temporary buildings to the east and south of the project.

Add \$715.00

Funds will be provided in Married Housing Construction Account for these extra orders.

I. Pomerene Refectory Kitchen Rehabilitation and Expansion

During the course of this remodeling project, it became apparent that some painting and remodeling would be required in the dining room and rest room areas. This remodeling should be done while the dining room is not in service and by the contractors in the kitchen area as extras to their contracts. It is desired to paint the walls, rehabilitate the air conditioning, rewire and replace light fixtures and install acoustical ceiling in the corridor. The entrance doors also need replacing, due to the constant maintenance required on the existing doors. The rest room area needs certain revisions in the plumbing and replacement of worn out, obsolete fixtures. The extra cost for this work will be as follows:

General Contract	\$ 8,225.00
Electrical Contract	1,885.00
Heating and Ventilating Contract	3,360.00
Plumbing Contract	1,947.00
	<u>\$15,417.00</u>

Funds will be provided in Item 071 Pomerene Refectory Kitchen, Rehabilitation and Expansion, H. B. 1124.

Upon motion of Judge Gorman, seconded by Mr. Patton, the above recommendations individually and collectively were unanimously approved by roll call vote.

VI. PLANS AND SPECIFICATIONS

With the approval of the Council on Business Affairs, and with the concurrence of the Cabinet, it is recommended that the plans and specifications, bills of material and estimates of cost for the following projects be approved by the Board of Trustees:

A. Installation of Vinyl Tile Floor in Emergency Room Area, University Hospital

This project is payable from Rotary 807, University Hospital.

B. Replacement of Chain Link Backstop Fence on Tennis Courts

This project is payable from Rotary 12640 Physical Education.

C. Institute for Research in Vision - Phase II

This project is payable from G-2-K (U. S. Public Health Service Grant), H. B. 831, Lions Club Gift and K-1 Eye Research, H. B. 831.

D. Fire Stops and Seals for the Shaftways in University Hospital (Revised)

This project is payable from Item 088 Improvement of Existing Physical Plant, University Hospital, H. B. 1124.

E. Mershon Auditorium Signboard

This project is payable from Senior Class Memorial Funds.

F. Ice Rink, Phase II

This project is payable from G-2-R Ice Rink, H. B. 831.

Upon motion of Mr. Patton, seconded by Mr. Ketner, the above recommendations were unanimously approved by roll call vote, and the Secretary was authorized and directed to sign the plans and specifications for the above listed projects for and on behalf of the Board of Trustees. Vice President Carson was directed to follow normal University procedure in advertising for bids. If any satisfactory bids are received, the Vice President will proceed with the award of contracts to the lowest and best bidders and report to the Board of Trustees on the matter at a later meeting.

IX. MISCELLANEOUS - FROM OFFICE OF BUSINESS AND FINANCE

A. Eleventh Avenue Residence Halls for Men, Buildings No. 1, 2, and 3, Additional Engineering Services

It is recommended that Drake and Ford, Engineers, Columbus, Ohio, be employed to provide the necessary work and instruments to check over, correct and complete the water balance for the heating system in Buildings No. 1, 2 and 3.

The fee for this service would be computed on the basis of \$6.50 per man hour, but not to exceed a total of \$1,220.00.

Funds for this fee are provided in 11th Avenue Residence Halls for Men Construction Account.

Upon motion of Mr. Patton, seconded by Mr. Loop, the above recommendation was unanimously approved by roll call vote.

B. McPherson Low Level Radiation Laboratory, Employment of Engineer

It is recommended that Ralph & Curl, Engineers, Columbus, Ohio, be employed to provide complete engineering services for heating, ventilating and air conditioning, plumbing and electrical divisions for the project, including design, preparation of drawings, specifications and estimate of cost, and complete field supervision of construction.

The fee for this service would be 6 per cent of the contract cost of the heating, ventilating and air conditioning, plumbing and electrical work or an estimated fee of \$3,630.00.

Funds for this project are provided in Item 067 Remodel McPherson Laboratory, H. B. 1124 and a National Science Foundation Grant.

Upon motion of Mr. Ketner, seconded by Mr. Loop, the above recommendation was unanimously approved by roll call vote.

IX. MISCELLANEOUS - FROM OFFICE OF BUSINESS AND FINANCE (continued)

C. Law Center Building, Architectural Services

It is recommended that Potter, Tyler, Martin & Roth, Cincinnati, Ohio, be employed to provide drawings, specifications, estimate of cost, bidding documents and continuous supervision of construction for the Law Center Building, excluding preliminary drawings and other preliminary work as covered in an earlier contract.

The fee for this service would be 6 per cent of construction cost less the preliminary fee of \$6,500.00 or an estimated fee of \$29,731.00.

Funds for this project are provided in G-2-F Law Center Building, H. B. 831.

Upon motion of Mr. Loop, seconded by Mr. Patton, the above recommendation was ratified by roll call vote. Judge Gorman abstained from voting.

**D. University Hospital, Air Conditioning System
Employment of Engineer**

It is recommended that the firm of Fosdick and Hilmer, Cincinnati, Ohio, be employed to provide preliminary engineering services for this project. This work shall include preliminary studies, drawings, outline specifications and estimate of cost.

The service will be provided on a basis of \$11.00 per hour for a Principal Engineer and \$9.65 per hour for an Engineer. These hourly rates are inclusive of expenses. The total fee shall not exceed \$3,800.00.

Funds for this service shall be provided from Rotary 12100.

Upon motion of Mr. Patton, seconded by Mr. Loop, the above recommendation was unanimously approved by roll call vote.

**E. Repair of Room 324 and Replacement of Laboratory Equipment,
McPherson Laboratory, Employment of Architect**

It is recommended that Room 324 McPherson Laboratory be completely rehabilitated and all laboratory equipment to be used in this area replaced.

The preliminary estimated cost of the project is \$36,325.00. In order to obtain an accurate estimate of cost and proper plans, specifications, and supervision of the work, it is recommended that Louis F. Karlsberger, Columbus, Ohio, be employed for this purpose.

The fee for the service would be computed on the basis of \$7.00 per man hour, but not to exceed a total of \$3,000.00.

Funds for the fee shall be transferred from the General University Fund to an appropriate building account.

Upon motion of Mr. Loop, seconded by Mr. Ketner, the above recommendation and transfer of funds was unanimously approved by roll call vote.

IX. MISCELLANEOUS - FROM OFFICE OF BUSINESS AND FINANCE (continued)

F. Purchase of Buildings and Property
31-33 and 37-39 West Frambes Avenue

It is recommended that the Vice President, Business and Finance, be authorized to proceed with the purchase of the following property from Paul E. and Nancy A. Rine at a price of \$39,950.00:

Property known as 31-33 and 37-39 West Frambes Avenue, being Lot #132 and part of #131 and #133, R. P. Woodruff's Agricultural College Addition, City of Columbus, County of Franklin, State of Ohio.

Funds are available in Item 077, Land Purchases, H. B. 1124.

Upon motion of Mr. Ketner, seconded by Mr. Patton, the above recommendation was unanimously approved by roll call vote.

G. Purchase of Buildings and Property
41 West Frambes Avenue

It is recommended that the Vice President, Business and Finance, be authorized to proceed with the purchase of the following property from May V. Welsh at a price of \$14,000.00:

Property known as 41 West Frambes Avenue, being Lot #130 plus two feet off Lot #131, R. P. Woodruff's Agricultural College Addition, City of Columbus, County of Franklin, State of Ohio.

Funds are available in Item 077, Land Purchases, H. B. 1124.

Upon motion of Mr. Ketner, seconded by Mr. Patton, the above recommendation was unanimously approved by roll call vote.

H. Purchase of Buildings and Property
51 West Frambes Avenue

It is recommended that the Vice President, Business and Finance, be authorized to proceed with the purchase of the following property from Eunice Welsh at a price of \$19,500.00:

Property known as 51 West Frambes Avenue, being Lot #128 of R. P. Woodruff's Agricultural College Addition, City of Columbus, County of Franklin, State of Ohio.

Funds are available in Item 077, Land Purchases, H. B. 1124.

Upon motion of Mr. Ketner, seconded by Mr. Patton, the above recommendation was unanimously approved by roll call vote.

November 11, 1960 meeting, Board of Trustees

IX. MISCELLANEOUS - FROM OFFICE OF BUSINESS AND FINANCE (continued)

I. Demolition of Buildings

Upon the request of the Vice President, Business and Finance, and with the concurrence of the Cabinet, it is recommended that all buildings on the premises described below be demolished as soon as practical:

2461 and 2465 Wood Avenue
57, 71-73, 81 and 175 West Frambes Avenue
98 West Woodruff
The Kain property on Godown Road

The demolition of these buildings will be advertised in the usual manner.

Upon motion of Mr. Ketner, seconded by Mr. Patton, the above recommendation was unanimously approved.

X. RESOLUTION IN MEMORIAM

A. Charles Scott Berry

The Board of Trustees expresses its sorrow at the death on September 13, 1960, of Charles Scott Berry, Professor Emeritus of Psychology and former Director of the Bureau of Special and Adult Education.

Dr. Berry was born in Hamlin, Kansas, on May 23, 1875. He received his A. B. degree at Hiram College (Ohio) in 1903, his M. A. degree at Harvard University in 1905, and his Ph. D. degree at Harvard University in 1907. The following year (1907-08) he received a Traveling Fellowship from Harvard for study at the University of Berlin.

Professor Berry joined the faculty of the University of Michigan as an Assistant Professor of Education in 1908, became an Associate Professor in 1915, and a Professor of Educational Psychology in 1919. He continued to serve in this position on a part-time basis until 1930. In 1919 he was appointed Director of the Psychological Clinic of the Detroit Public Schools and in 1920 became Director of Special Education in the Detroit Public School System.

In 1929 a Bureau of Special Education was established in the College of Education of The Ohio State University. Dr. Berry was appointed its first Director. He came to this position as Director of Special Education and Professor of Psychology on October 1, 1930. In 1932 responsibilities for professional training and field services in adult education were added to the Bureau, and it became the Bureau of Special and Adult Education. He served in this position until his retirement on September 30, 1945.

During the First World War, Dr. Berry served as a Captain and later as a Major in the Sanitary Corps of the United States Army from November, 1917, to October, 1919. He was Chairman of the Committee on Special Education for the 1930 White House Conference on Children and Youth, which made the first complete survey of special education resources in the United States. This report is considered an historical landmark.

X. RESOLUTION IN MEMORIAM (continued)

A. Charles Scott Berry

Professor Berry was active in many professional organizations. He was a Fellow in the American Academy of Arts and Sciences, a member of the American Psychological Association, the National Education Association, the National Association on Mental Health, the National Society for the Study of Education, Phi Delta Kappa, and many other groups.

Dr. Berry was a pioneer in the education of exceptional children. He served as a teacher, an administrator, and a professional leader in this field for 37 years (1908-1945). This was a period during which the early foundations were laid in colleges and universities for the training of professional personnel in special education and in the public schools for the establishment of special education programs for exceptional children. He made significant contributions toward the future direction of special education, not only in the states where he worked, but also throughout the nation. He was admired and respected by his students and by his professional colleagues.

On behalf of the entire University the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

XI. SPECIAL REPORTS

A. Report of the Committee on Finance and Investments

Mr. Patton presented the following resolution for the Committee on Finance and Investments and moved its adoption:

BE IT RESOLVED, that the Board of Trustees of The Ohio State University hereby determines that it is necessary or appropriate in the interests of the University that the University obtain the legal services of Squire, Sanders and Dempsey in connection with the proposed issue of Series H and J Dormitory Revenue Bonds, and the project known as Project No. Ohio 33-CH-99 (D) as from time to time changed with Housing and Home Finance Agency approval, and that the terms of employment of Squire, Sanders and Dempsey should be similar to those obtained in past bond issues and that, accordingly, the President and Vice President, Business and Finance, and each of them, are authorized to request the Attorney General of the State of Ohio to designate Squire, Sanders and Dempsey as special counsel on the terms set forth in the form of designation presented to and filed with the records of this meeting.

Judge Gorman seconded the motion and the Board of Trustees approved it by unanimous vote.

November 11, 1960 meeting, Board of Trustees

XI. SPECIAL REPORTS (continued)

B. Report on Investment Portfolio

The report on the University's Investment Portfolio dated October 31, 1960 was presented to the Board of Trustees. The Secretary was instructed to file a copy of the report with the official records of the Board of Trustees.

December 9, 1960 meeting, Board of Trustees

President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Rule Governing Time of Admission

On October 10, 1960, the Board of Trustees adopted a new policy governing the time of admission of freshmen who were in the lowest thirds of their high school graduating classes. This policy should now be stated in rule form and included in the "Rules for the University Faculty." I therefore recommend that a new rule be adopted to read as follows:

41.04. Time of Admission

Section 1. Admission as an undergraduate student. Undergraduate students who are residents of the State of Ohio and who meet all admission requirements shall be admitted in any one of the four quarters, with the exception that students who are applying for first admission to this University without advance standing and who ranked in the lowest thirds of their high school classes shall not be admitted for registration on the main campus in the Autumn Quarter unless they have taken the test administered by the American College Testing Program and have received a score ranking them in the upper two thirds of the students taking this test in Ohio. (Effective June 1, 1961)

Section 2. Admission as a graduate student. Graduate students meeting all admission requirements shall be admitted in any one of the four quarters.

Section 3. Admission as a professional student. Professional students meeting all admission requirements shall be admitted in such quarter or quarters as determined by the Entrance Board with due regard to the curriculum of the professional college involved.

Section 4. Admission as a transient student or auditor. Transient students and auditors meeting all admission requirements shall be admitted in such quarter or quarters as determined by the Entrance Board.

Upon motion of Mr. Loop, seconded by Senator Bricker, the above recommendation was unanimously approved by roll call vote.

B. Degrees Conferred - Autumn Quarter Convocation

It is recommended that degrees be conferred at the Autumn Quarter Convocation on December 16, 1960, to those students who complete their requirements and are recommended by the Faculty Council for degrees on that date. The names of those awarded degrees will be included in the minutes of this meeting.

Upon motion of Senator Bricker, seconded by Mr. Rairdon, the above recommendation was unanimously approved by roll call vote.

C. Assignment of Patent Rights - Optical System for Microscopes or Similar Instruments

Professor Jurgen R. Meyer-Arendt formerly of the Department of Pathology has made a certain new invention or improvement in the optical system for microscopes or similar instruments for which he has made application for Letters

I. GENERAL RECOMMENDATIONS (continued)

C. Assignment of Patent Rights - Optical System for Microscopes or Similar Instruments (continued)

Patent of the United States, Serial No. 655,550, filed April 29, 1957; and he, Mr. Meyer-Arendt, did assign the entire right, title, and interest in and to said invention or improvement to The Ohio State University.

In accordance with a previously established policy, it is recommended that The Ohio State University assign its right, title, and interest in and to said invention or improvement, the application for U. S. Letters Patent, Serial No. 655,550, and any Letters Patent which may be granted therefor to The Ohio State University Research Foundation in consideration of \$1.00 and other good and valuable considerations.

A Contract of Assignment to effect the foregoing transfer has been prepared by legal counsel, and I recommend that the Secretary of the Board of Trustees of The Ohio State University be authorized and empowered to execute said Contract of Assignment upon the approval of the State Controlling Board and deliver the same to The Ohio State University Research Foundation.

Upon motion of Mr. Rairdon, seconded by Mr. Loop, the above recommendation was unanimously approved by roll call vote.

IV. GIFTS

It is recommended that the following gifts be accepted for the University and the appreciation of the Board of Trustees be appropriately expressed:

A. Administered Through the Development Fund

1. \$5,000.00 for the Gizella and Solomon Roth Memorial Fund

The Gizella and Solomon Roth Memorial Fund

The Gizella and Solomon Roth Memorial Fund was established November 2, 1960, by a gift through the Development Fund from Mr. and Mrs. Arthur Gluck and the Gluck Educational Foundation, Inc., in memory of Mrs. Gluck's parents, Gizella and Solomon Roth.

The principal is to be invested in accordance with Section 3335, 12 G. C. The income may be used to aid a graduate student in Physiological Chemistry who has successfully completed his general examinations toward his Ph. D. or Sc. D. or an equivalent terminal degree or to aid a research project in enzymology in the fields of heart disease, eye disease or cancer. The income may be used along with other monies available to supplement a stipend or a research project in the aforementioned fields.

The income is to be used in the area of Physiological Chemistry or Biochemistry in the College of Medicine. The appointment of the recipient of this money is to be made by the Chairman of the Department of Physiological Chemistry or, in the event of a change in the organization of the College of Medicine, by the chairman of the department wherein Physiological Chemistry or Biochemistry is taught, on nomination by the following-named persons as long as they are connected with the College of Medicine, acting as an advisory committee to the Chairman of the Department of Physiological Chemistry. These persons are Dr. Walter J. Frajola, Dr. Dwight M. Palmer, and Dr. Richard W. Booth. In the event of a vacancy in the advisory committee, the Dean of the College of Medicine shall fill such vacancy, appointing a member of the faculty of the College of Medicine.

In the event the need for this income in the area stipulated should cease to exist or so diminish as to create unused income, then the Board of Trustees may use said income in its discretion, preference to be given, however, to basic work in the field of medicine but not for any applied technology.

Upon motion of Senator Bricker, seconded by Mr. Rairdon, the foregoing gift was accepted by unanimous vote.

B. Administered Through the Office of Business and Finance

1. A 185-acre farm valued at \$27,400.00 and \$10,000.00 in cash from Florence Ogden Wilson of Oklahoma City, Oklahoma.

Several months ago Miss Florence Ogden Wilson through her attorney offered to the University a 185-acre farm located approximately fifteen miles from Wooster, Ohio, in Section 15, Township 21, Range 15, Mohican

IV. GIFTS (continued)

B. Administered Through the Office of Business and Finance (continued)

Township, in Ashland County, Ohio. After a visit to the farm by the President and other administrative officers of the University and conferences with Miss Wilson, she generously decided to give the University the farm and \$10,000.00 in cash to assist with the development of an experimental program on the following basis:

- a. That the farm appraised at \$27,400.00 be divided into five parcels of approximately equal value, with each parcel to be surveyed and a legal description prepared
- b. That one parcel be conveyed to the University each year for five years
- c. That a lease be executed for the University to use, rent free, all parcels for which title has not been conveyed
- d. That a check in the amount of \$5,000.00 made payable to The Ohio State University for deposit in the University Treasurer's account be provided with each of the first two parcels of real estate.

It is recommended that this gift be accepted on the above basis with the farm to be used for an experimental program developed and recommended by the Dean of the College of Agriculture and Home Economics.

It is further recommended that a Warranty Deed for the first parcel of the farm valued at \$5,300.00 and including three and one-half acres of cropland, two acres of building sites, six acres of pasture, house, barn, and service buildings, together with a check in the amount of \$5,000.00 payable to The Ohio State University, be accepted and duly acknowledged; and further that the Secretary of this Board be duly authorized to execute the rent-free lease for the remaining four parcels.

Upon motion of Mr. Ketner, seconded by Mr. Rairdon, the foregoing gift was accepted by unanimous vote.

C. Report from The Ohio State University Development Fund

I wish to report that in October, 1960, The Ohio State University Development Fund received gifts on behalf of the University as follows:

	<u>No. of Gifts</u>	<u>Amount</u>
Alumni	993	\$ 45,561.30
Individuals, Other Than Alumni	21	2,097.89
Non-Profit Organizations	24	49,370.22
Business Concerns	10	23,180.00
	<u>1,048</u>	<u>\$120,209.41</u>

Of these gifts, 894 totaling \$6,993.06 were undesignated and 154 totaling \$113,216.35 were designated.

V. APPROPRIATION AND TRANSFER OF FUNDS

A. Ice Rink

In order to cover additional expenses in connection with the construction of the Ice Rink, it is recommended that \$82,600.00 be transferred from the General University Fund. The larger portion of this additional need was caused by unforeseen underground problems, requiring deeper piling and more expensive concrete work. Repayment will be from the Student Facilities Fee income in accordance with the previous action of the Board of Trustees taken on June 11, 1960, and will extend the payout period approximately 14 months.

Upon motion of Mr. Loop, seconded by Senator Bricker, the transfer of \$82,600.00 from the General University Fund to G-2-R Ice Rink, H. B. 831, was unanimously approved by roll call vote.

VI. EXTRAS, CREDITS AND EXTENSIONS OF TIME TO CONTRACTS

At the request of the Council on Business Affairs, and with the concurrence of the Cabinet, I recommend that the Extra and Credit Orders and Extensions of Time to Contracts as outlined below be approved by the Board of Trustees and submitted to the Director of Finance, State of Ohio, for approval and allocation of funds from Item 850 Capital Improvements, H. B. 1124 (in accordance with the provisions of H. B. 1124) unless a source of funds in each case is otherwise indicated:

A. Pomerene Refectory Kitchen, Rehabilitation and Expansion

General Contract

It is recommended that the joints in the stone coping around the terrace be cleaned out and refilled and sealed with an Elastomeric type sealing compound. Add \$ 260.00

Heating and Ventilating Contract

It is recommended that a new steam line and return from the existing steam lines in the remodeled area to the equipment room under the swimming pool be provided. Add \$ 434.00

It is recommended that a new dripleg trap station and condensate pump in the Pomerene Service Tunnel be provided with necessary changes in piping, supports, insulation and electrical connections. Add \$1,215.00

Funds for these extra orders are available in G-2-Q Pomerene Refectory Kitchen, Rehabilitation and Expansion, H. B. 831.

VI. EXTRAS, CREDITS AND EXTENSIONS OF TIME TO CONTRACTS (continued)

B. Married Housing Project No. 2

General Contract

It is recommended that three concrete bridges and concrete and blacktop paving be demolished and removed to prevent interference with the progress of work on this project.

Add \$2,541.00

Outside Services Contract

It is recommended that the following changes be made:

1. Substitute 42" round pipe for 54" elliptical pipe, for a distance of 1060 ft. on the down stream side of the sewer. Deduct \$11,880.00.
2. An existing 18" storm sewer has been discovered to run under one of the proposed buildings and to be inadequate in size. To correct this situation it is proposed to reroute this sewer and to increase it to 27" in diameter. It is also necessary to increase the size of approximately 650 ft. of additional storm sewer line beyond this from 10" and 15" to 27" and 36" pipe. Add \$6,989.00.

Net deduction \$4,891.00

Funds for this project are provided in Married Housing Project No. 2 Construction Account.

C. Numerical Computation Laboratory

General Contract

The exact location and size of an abandoned oil tank was not known at the time plans were being developed for this project. When it was encountered in excavating, it was necessary to remove the tank and revise the column and footing. It is recommended that compensation for this work be approved.

Add \$ 388.00

Funds for this extra order will be provided from G-2-D Numerical Computation Laboratory, H. B. 831.

D. Law Center Building

General Contract

The Truscon Division of Republic Steel Corporation has offered a reduction of \$6,000.00 from their price for the reinforcing steel sub-contract as a donation to the Bar Association for the Law Center Building.

VI. EXTRAS, CREDITS AND EXTENSIONS OF TIME TO CONTRACTS (continued)

D. Law Center Building (continued)

General Contract (continued)

This would reduce their price of \$20,740.00 to \$14,740.00. The General Contractor had a price of \$19,487.00 for this material and this is the price used in their bid but they are willing to place an order with Republic Steel Corporation and to allow a credit of \$4,747.00 which is the difference between \$19,487.00 and the reduced price from Republic Steel Corporation. It is recommended that this offer be accepted.

Deduct \$4,747.00

Heating and Ventilating Contract

It is recommended that the following changes be made:

1. Provide electrostatic air filters as specified under Alternate H-2 in lieu of mechanical filters as specified in the basic specifications. Add \$2,750.00.
2. Omit allowances for the services of the Design Engineer in testing and balancing the mechanical system and in preparing an operating instruction manual. Deduct \$850.00.

Net addition \$1,900.00

Funds for this project are provided in G-2-F Law Center Building, H. B. 831.

E. Animal Science Building and Remodeling of Plumb Hall

Electrical Contract

It is recommended that an extra electrical panel and six waterproof receptacles in Room 028, Sausage Laboratory be installed.

Add \$ 165.00

F. Bridge Sidewalks

General Contract

It is recommended that the following changes be made:

1. Installation of two extra light pole bases. Add \$180.00.
2. Installation of 180 sq. ft. of bituminous walks at approaches and between bridges on south side. Add \$98.00.

VI. EXTRAS, CREDITS AND EXTENSIONS OF TIME TO CONTRACTS (continued)

F. Bridge Sidewalks (continued)

General Contract (continued)

3. Provide 24 tons of extra gravel fill on north side between bridges to raise and improve the pedestrian approach between the bridges.
Add \$48.00.
4. Omit 500 sq. yds. of sodding which is unnecessary.
Deduct \$425.00.

Net deduction \$99.00

Funds for this project are provided in Item 074 New Roads, Walkways and Pedestrian Bridge, H. B. 1124.

G. Exterior Painting of Twenty-Three Buildings

It is recommended that the contractor for this project be granted an extension of time for completion of his contract from November 15, 1960 to June 30, 1961, because of adverse weather which did not permit him to proceed with the painting according to plans.

H. Remodel McPherson Laboratory

It is recommended that the contractors for all divisions of this project be granted an extension of time from December 1, 1960 to January 16, 1961, for completion of their contracts because of the delay in receipt of contracts, particularly the Laboratory Equipment Contract which was readvertised, and the inability to release rooms to the contractors as scheduled.

I. Remodel Robinson Laboratory

It is recommended that the contractors for all divisions of this project in Part I be granted an extension of time from January 16, 1961, to March 17, 1961, because the Electrical Contract was delayed by readvertising and this resulted in a delay of the work on other contracts.

J. Married Housing Project NQ 1

It is recommended that in order to conform with regulations of the Housing and Home Finance Agency wage rates in the contract documents be added for Window Cleaners (new construction) at \$1.85 per hour. This creates no change in the contract price.

Upon motion of Mr. Ketner, seconded by Mr. Loop, the above recommendations individually and collectively were unanimously approved by roll call vote.

*

*

*

VII. PLANS AND SPECIFICATIONS

With the approval of the Council on Business Affairs, and with the concurrence of the Cabinet, it is recommended that the plans and specifications, bills of material and estimates of cost for the following projects be approved by the Board of Trustees:

A. One Gas Fired Package Boiler Unit at the Research Center Boiler House

Funds will be provided for this project by a transfer from Rotary 13425 Utilities, Coal and Gas, to an appropriate construction account.

B. Replacement of Condensate Return and Hot Water Heating Lines in Tunnel

This project is payable from Item 075 Additional Underground Utilities, H. B. 1124.

Upon motion of Senator Bricker, seconded by Mr. Ketner, the above recommendations were unanimously approved by roll call vote, and the Secretary was authorized and directed to sign the plans and specifications for the above listed projects for and on behalf of the Board of Trustees. Vice President Carson was directed to follow normal University procedure in advertising for bids. If any satisfactory bids are received, the Vice President will proceed with the award of contracts to the lowest and best bidders and report to the Board of Trustees on the matter at a later meeting.

* * *

VIII. REPORT OF AWARD OF CONTRACTS

In accordance with authorization provided by the Board of Trustees, the contracts for the following projects have been recommended for award and the action is hereby reported to the Board:

A. Ice Rink, Phase II

Bids were received for this project on November 22, 1960, and the award of contracts recommended to the low bidders as stated below after telephone approval from the Board members:

	<u>Low Bid</u>	<u>Est. of Cost</u>

IX. CONTROLLING BOARD APPROVALS

Each numbered approval shown below accomplishes the following purposes:

- 340 Authorizes the transfer and release of \$27,047.89 in Item 074 New Roads, Walkways and Pedestrian Bridge to Item 880 Extension of Fyffe Road, H. B. 1124, to provide funds for the project "Extension of Fyffe Road and Installation of Lighting and Sidewalks".
- 358 Authorizes the purchase of property located at 238 and 244 West Tenth Avenue, Columbus, Ohio, for \$40,300.00 from Martha Borling, et al, and authorizes the expenditure of this amount of money from Item 077 Land Purchases, H. B. 1124.
- 360 Authorizes the transfer and release of \$9,775.00 in Item 075 Additional Underground Utilities to Item 072 Remodel Robinson Laboratory, H. B. 1124, to provide funds for the project "Remodel Robinson Laboratory". This will complete plastering in all offices, classrooms, corridors and certain laboratories, an area of approximately 14,700 sq. ft.
- 363 Authorizes the transfer and release of \$696.00 in Item 075 Additional Underground Utilities to Item 882 Landscape Optometry Building, H. B. 1124, to provide funds for the award of contract to Triangle Gardens, Inc., for landscaping.
- 364 Authorizes the transfer and release of \$1,026.00 in Item 075 Additional Underground Utilities to Item 883 Dentistry Building, H. B. 1124, to provide funds for an extra order on the contract of the general division.
- 366 Authorizes the expenditure of \$5,788.37 in Item 075 Additional Underground Utilities, H. B. 1124, to provide funds for the project "Replacement and Repair of Gas Line to Stadium".
- 367 Authorizes the transfer of \$49.16 from Rotary A to G-2-A Scholarship Dormitories, H. B. 831, to provide funds for an extra order on the project.
- 368 Authorizes the expenditure of \$49.16 in G-2-A Scholarship Dormitories, H. B. 831, to provide funds for the replacement of certain doors and locks in the Stadium Dormitory area.
- 370 Authorizes the transfer and release of \$8,750.00 in Item 075 Additional Underground Utilities to Item 072 Remodel Robinson Laboratory, H. B. 1124, to provide additional funds for the contracts on this project.
- 371 Authorizes the expenditure of \$38,000.00 from Item 075 Additional Underground Utilities, H. B. 1124, for the project "Rearrangement of Primary Services to Robinson Laboratory and Industrial Engineering Building".
- 372 Authorizes the transfer and release of \$12,500.00 in Item 081 Improvement of Existing Physical Plant to Item 884 Administration Building Remodeling Third Floor, H. B. 1124, to provide funds for the project "Administration Building, Remodeling Third Floor Over Atrium, Phase I".

IX. CONTROLLING BOARD APPROVALS (continued)

- 373 Authorizes the expenditure of \$43,100.00 in G-2-T Storage Addition to Television Station, H. B. 831, to provide funds for the project "Storage Addition to Television Station Building".
- 374 Authorizes the transfer of \$43,100.00 from Rotary A to G-2-T Storage Addition to Television Station Building, H. B. 831.
- 375 Approves of 10-day advertising for the project "Repair and Expansion of Janitor's Area at Power House" at an estimated cost of \$7,500.00.
- 376 Approves of 10-day advertising for Phase II of the Ice Rink Facility.

X. MISCELLANEOUS - FROM OFFICE OF BUSINESS AND FINANCE

A. Highway Testing Laboratory, Employment of Architect

It is recommended that Dan A. Carmichael, Architect, Columbus, Ohio, be employed to provide complete architectural and engineering services for this project including preliminary plans, basic drawings, working drawings, specifications, estimate of cost, necessary bidding documents, and complete supervision of construction.

The fee for this service will be 7 per cent of the construction cost estimated to be \$117,202.00 and will be provided from the University Architect's Rotary.

Upon motion of Mr. Rairdon, seconded by Mr. Ketner, the above recommendation was unanimously approved by roll call vote.

B. Remodel Rehearsal Hall, Employment of Architect

It is recommended that Milosevich & Trautwein, Architects, Columbus, Ohio, be employed to provide complete architectural and engineering services for this project including preliminary plans, basic drawings, working drawings, specifications, estimate of cost, necessary bidding documents, and complete supervision of construction.

The fee for this service will be 7 per cent of the construction cost, estimated to be \$34,646.00 and will be provided from Item 070 Remodel Rehearsal Hall, H. B. 1124.

Upon motion of Mr. Rairdon, seconded by Senator Bricker, the above recommendation was unanimously approved by roll call vote.

C. Demolition of Unit 11, Chemistry Annex 7B

Upon the request of the Vice President, Business and Finance, and with the concurrence of the Cabinet, it is recommended that Unit 11 of the Chemistry Quonset 7B be demolished as soon as practical.

This demolition will be advertised in the usual manner.

Upon motion of Senator Bricker, seconded by Mr. Ketner, the above recommendation was unanimously approved by roll call vote.

X. MISCELLANEOUS - FROM OFFICE OF BUSINESS AND FINANCE (continued)

D. City of Upper Arlington Right of Way Easement

The City of Upper Arlington has requested a right of way easement twenty (20) feet wide beginning at a point on the east property line of The Ohio State University Golf Course approximately 1,500 feet south of the intersection of McCoy Road and Kenny Road and extending in a westerly direction to a point of ending located on the west property line of said tract of land, said point being southerly approximately 2,300 feet from the northwest corner of said tract, all situated in County of Franklin, State of Ohio.

Said right of way easement has been requested for the construction, operation, maintenance, repair, and replacement of Turkey Run Trunk Sanitary Sewer which will curtail the apparent flow of raw sewage into the lake on the golf course. Sewer is to be constructed, operated, maintained, repaired and, if necessary, replaced without cost to the University or the State of Ohio.

It is hereby recommended that the Director of Public Works, pursuant to his statutory duties, be requested to develop said right of way easement and the Secretary of the Board of Trustees be authorized to execute such document in the name of the Board of Trustees.

Upon motion of Mr. Ketner, seconded by Senator Bricker, the above recommendation was unanimously approved by roll call vote.

E. Ohio Fuel Gas Company Right of Way Easement

In order to provide gas service to supply fuel for the operation of gas fired boilers in the Ohio Rehabilitation Center, the Ohio Fuel Gas Company has requested a right of way easement fifteen (15) feet wide, parallel with, adjacent to, and west of the east line of the reserve of the E. J. McMillen's Homestead Addition, City of Columbus, County of Franklin, State of Ohio, with the right of ingress and egress to and from the same.

It is hereby recommended that the Director of Public Works, pursuant to his statutory duties, be requested to develop said right of way easement and the Secretary of the Board of Trustees be authorized to execute such document in the name of the Board of Trustees.

Upon motion of Mr. Rairdon, seconded by Mr. Ketner, the above recommendation was unanimously approved by roll call vote.

F. Purchase of Buildings and Property, 103 West Eleventh Avenue

It is recommended that the Vice President, Business and Finance, be authorized to proceed with the purchase of the following property from Mary Alice and John W. Leibold at a price of \$22,500.00:

Property known as 103 West Eleventh Avenue, being lot #3 of J. A. Evans College View Addition, City of Columbus, County of Franklin, State of Ohio.

Funds are available in Item 077, Land Purchases, H. B. 1124.

Upon motion of Senator Bricker, seconded by Mr. Loop, the above recommendation was unanimously approved by roll call vote.

X. MISCELLANEOUS - FROM OFFICE OF BUSINESS AND FINANCE (continued)

G. Acquisition of Property at 61, 75, 85, 93, 97-99, and 101 West Frambes Avenue

President Fawcett presented the following resolution for consideration by the Board of Trustees:

WHEREAS, The Ohio State University has acquired certain parcels of property located north of Woodruff Avenue and to this extent has extended its northerly boundary north of Woodruff Avenue; and

WHEREAS, the University, in planning to meet a portion of the needs of its students and its program from the standpoint of dormitory, educational research, and service facilities, will be required to acquire most, or all of the land lying north of Woodruff Avenue extending along High Street to the east, Lane Avenue to the north, Tuttle Park Place to the west and Woodruff Avenue to the south; and

WHEREAS, the University has a development plan for the area which has been tentatively approved and in which a Men's Housing #1 and #2 and Dining Hall site has been established; and

WHEREAS, Section 3345.07 Ohio Revised Code provides for the construction and operation of dormitories for students and faculty, including acquisition of sites, by the Board of Trustees of The Ohio State University; and

WHEREAS, the University has arranged for the necessary financing for construction and detailed construction drawings and specifications are being completed; and

WHEREAS, the Trustees of The Ohio State University deem that suitable new dormitory facilities are mandatory in meeting the needs of the University and serving the people of the State of Ohio; and, therefore, find it necessary to proceed with the acquisition of real property therefor; and

WHEREAS, said Board of Trustees acting through the Office of Business and Finance of the University has been unable to negotiate for the purchase of said real estate hereinafter set forth;

NOW BE IT RESOLVED, that pursuant to his statutory authority the Director of Public Works for and on behalf of said Board of Trustees be requested to take steps to acquire by condemnation, for the State of Ohio and said University, the following described real estate all located in the City of Columbus, County of Franklin, and State of Ohio:

Number 1

XI. RESOLUTION IN MEMORIAM

A. Arthur Merl Culler

The Board of Trustees expresses its sorrow at the death on October 26, 1960, of Arthur Merl Culler, Professor Emeritus of Ophthalmology.

XI. RESOLUTION IN MEMORIAM (continued)

A. Arthur Merl Culler (continued)

Dr. Arthur M. Culler passed away quite suddenly in Honolulu, Hawaii. While his death marked his passing from the earthly scene, he had been missed from his profession and the academic world for many years. His active life in his chosen field was brought to a close in November of 1953 when he suffered a massive intracranial hemorrhage from a ruptured aneurysm. He recovered to a remarkable degree but never again was able to participate actively in the practice of medicine. Dr. Culler's illness coming when it did in his busiest years was a severe loss to the Medical College and to the specialty of Ophthalmology throughout the country. Those young men he trained and the people who came under his influence will never forget what he did for them.

Born in Mt. Morris, Illinois, in 1899, Dr. Culler received his undergraduate education at Mt. Morris College and took his M. D. at the University of Michigan. During World War II he served with the U. S. Navy and was discharged as a Captain. He was asked to come to The Ohio State University to head the Department of Ophthalmology in 1946 after the untimely death of Dr. Albert Frost. Recognizing the great need for men to enter the field of Ophthalmology, Dr. Culler set about expanding and improving the residency training program here. In 1947 there was only one resident in Ophthalmology. Seven years later, at the time Dr. Culler became ill, eight doctors were training in the Department. The physical facilities had expanded in proportion to the number of men in training. Those who came in contact with Dr. Culler during these years know how determined and resolute he was that the teaching program and residency be the best in the country. His enthusiasm was infectious. His leadership and devoted service to this University during the time he was Chairman of the Department furnished the impetus for the advancement and tremendous expansion of the Department which has taken place. Today fifteen young men are receiving their training in Ophthalmology.

Dr. Culler's retirement years were busy ones, too. He never gave up the hope of returning to active participation in the Ophthalmology program at The Ohio State University and spent much time and effort trying to rehabilitate himself. Painting, which had been a hobby, also became an important part of his life.

Dr. Culler was a member of the American Ophthalmological Society, the American Academy of Ophthalmology and Otolaryngology, and the Association for Research in Ophthalmology, in addition to other important national and local medical societies. He was co-chairman of the Institute for Research in Vision on the campus and co-chairman of the Committee on Interprofessional Relations. He also was author or co-author of a number of important articles published in the ophthalmic literature.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

XII. SPECIAL REPORTS

A. Report on Retirement and Insurance

Mr. Rairdon presented the following report of the Committee on Retirement and Insurance:

Ohio Stadium, Married Housing Project #1, and Research Foundation Buildings Insurance

In accordance with the actions of the Board of Trustees on September 4, 1956, and November 8, 1957, pertaining to competitive bidding on insurance, bids were invited on October 20, 1960 for Fire and Extended coverage for the above buildings: Business Interruption insurance due to fire, extended coverage, vandalism and malicious mischief for Ohio Stadium; Earthquake insurance for Ohio Stadium; Business Interruption insurance due to earthquake on Ohio Stadium; and Rents insurance due to fire, extended coverage, vandalism and malicious mischief for Married Housing Project #1. In each case alternative specifications were invited with the University reserving the right to select the alternatives which, in its judgment, provided the best coverage commensurate with the cost involved.

Bids were received on the above coverages from twelve firms, opened and tabulated at 2:05 p. m., E. S. T., Wednesday, November 2, 1960. These bids have now been carefully analyzed and it is the recommendation of the Committee on Retirement and Insurance that the above coverages be awarded to Lumbermens Mutual Insurance Agency, Inc. with the low net aggregate bid for five years of \$25,077.01.

Fire and Extended Coverage

The coverage provides blanket coverage of \$7,605,000.00 on the above buildings and contents. The policy is subject to \$100.00 deductible per building with a limit of \$1,000.00 per occurrence except for fire and lightning. There would be no deductible applied to fire and lightning claims.

The Married Housing Project #1 Buildings include fifteen apartment buildings, one laundry building, and one gas meter house.

The Research Foundation buildings include the main Research Center, Antenna Laboratory, Van de Graaff Laboratory, Animal House, Cryogenic Laboratory, and the Boiler House.

Business Interruption - Fire and Extended Coverage

The policy provides \$800,000.00 coverage on Ohio Stadium and the dormitories located therein subject to an 80 per cent co-insurance clause.

Earthquake Insurance

The policy provides \$4,500,000.00 coverage on Ohio Stadium subject to a 90 per cent co-insurance clause.

XII. SPECIAL REPORTS (continued)

A. Report on Retirement and Insurance (continued)

Business Interruption - Earthquake

The policy provides \$800,000.00 coverage on Ohio Stadium and the dormitories located therein subject to an 80 per cent co-insurance clause.

Rents Insurance

The policy provides \$198,960.00 coverage for losses due to fire, extended coverage, vandalism and malicious mischief subject to the 1/12th Form for Married housing Project #1.

As stated previously Lumbermens Mutual Insurance Agency, Inc. submitted the low net aggregate bid for five years at \$25,077.01. The next lowest aggregate bid for five years was submitted by Blackstone Mutual at \$26,315.00. Blackstone Mutual included: Fire and Extended Coverage, \$1,000.00 deductible per occurrence including fire and lightning; and, Earthquake insurance, subject to a two per cent minimum deductible (\$90,000.00). This compares to Lumbermens Mutual's bid, Fire and Extended coverage, \$100.00 deductible for losses except for fire and lightning and Earthquake Insurance. The two per cent minimum deductible (\$90,000.00) does not apply.

It was moved by Mr. Rairdon that the above report be accepted and that the insurance coverages enumerated be awarded as recommended.

The motion was seconded by Senator Bricker and upon roll call vote was approved by unanimous vote.

B. Annual Report for The Ohio State University Research Foundation and for the Engineering Experiment Station

Mr. Mount reported that the Annual Report for The Ohio State University Research Foundation and the Engineering Experiment Station have been received and the Chairman, Mr. Allyn, requested that copies of the Annual Reports be mailed to each member of the Board of Trustees and that one copy of each report be filed with the official records of the Board of Trustees.

C. Report on Investment Portfolio

Upon motion of Senator Bricker and seconded by Mr. Ketner, the Secretary was instructed to file the Report on the Investment Portfolio, dated November 30, 1960, with the official records of the Board of Trustees.

President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Department of Aeronautical Engineering--Change of Name to Department of Aeronautical and Astronautical Engineering

The Faculty Council on December 13, 1960, approved the recommendations of the College of Engineering and the Council on Instruction that the name of the Department of Aeronautical Engineering be changed to the Department of Aeronautical and Astronautical Engineering. It was also recommended that the degree awarded upon the satisfactory completion of the curriculum administered by the Department be changed from Bachelor of Aeronautical Engineering to Bachelor of Aeronautical and Astronautical Engineering.

The proposed changes would reflect the scope of instruction, research, and development currently carried on by the Department by including within the title the natural extension of its field of endeavor which has come through its work on vehicles designed to travel through space. I recommend that the Board of Trustees approve these recommendations.

Upon motion of Mr. Patton, seconded by Senator Bricker, the above recommendations were unanimously approved.

B. Master Plan for Don Scott Field

The Office of Campus Planning, in collaboration with administrative officials of the College of Engineering and the School of Aviation and in consultation with the Director of Public Works and the State Architect, has prepared a master plan for the future development of Don Scott Field. Representatives of the Federal Aviation Agency have been consulted, and all applicable federal regulations have been observed. The plan has been studied and approved by the Campus Planning Advisory Board and the Cabinet.

It is therefore recommended that the document identified as the "Master Plan for the Future Development of the Don Scott Field" and four accompanying maps, all dated January 13, 1961, be approved as a general guide for the future development of the University's facilities at Don Scott Field, with the understanding that this approval does not preclude the need for the usual actions by the Board of Trustees as each part of the plan is implemented in the future.

Upon motion of Senator Bricker, seconded by Mr. Loop, the above recommendation was unanimously approved by roll call vote and the Secretary was instructed to file the Master Plan for the Future Development of the Don Scott Field with the official records of the Board.

C. Rule Governing Time of Admission

On December 9, 1960, the Board of Trustees adopted a new rule governing the time of admission of freshmen who were in the lowest thirds of their high school graduating classes. Since the adoption of this rule, it has been noted that a number of students entering the University as freshmen have not been ranked by their high schools; and therefore, to clarify the new admissions policy, it is recommended that Faculty Rule 41.04 be amended to read as follows:

I. GENERAL RECOMMENDATIONS (continued)

C. Rule Governing Time of Admission (continued)

Section 1. Admission as an undergraduate student. Undergraduate students who are residents of the State of Ohio and who meet all admission requirements shall be admitted in any one of the four quarters, with the exception that students who are applying for first admission to this University without advanced standing and who ranked in the lowest thirds of their high school classes or are not ranked by their high schools shall not be admitted for registration on the main campus in the Autumn Quarter unless they have taken the test administered by the American College Testing Program and have received a score ranking them in the upper two thirds of the students taking this test in Ohio. (Effective June 1, 1961)

Upon motion of Mr. Loop, seconded by Mr. Rairdon, the above recommendation was unanimously approved by roll call vote.

* * *

II. PERSONNEL CHANGES

In addition to the regular personnel changes, the following extension of Leave of Absence Without Salary is recommended:

A. Leave of Absence Without Salary

College of Arts and Sciences

Margaret H. Kurbatov, Associate Professor, Department of Chemistry, extended through March 31, 1961, for health reasons.

Upon motion of Mr. Patton, seconded by Mr. Rairdon, the personnel change was unanimously approved by roll call vote.

Gross Value - \$43,800.00.

- a3. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for an investigation of Mechanisms of Photochemically Initiated Oxidations (to be known as National Institutes of Health Project No. 1220 - New - Department of Chemistry).
Gross Value - \$38,625.00.

TOTAL - Federal Government Contracts - \$808,109.00.

2. Industrial and Other Contracts

- a. A. H. Robins Company, Inc., 1407 Cummings Drive, Richmond 20, Virginia, for Isolation of Active Constituents of Certain Plants with Reputed Medicinal Value (to be known as A. H. Robins Company, Inc. Project No. 1209 - New - College of Pharmacy).
Gross Value - \$1,200.00.

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

**A. The Ohio State University and
The Ohio State University Research Foundation**

2. Industrial and Other Contracts (continued)

- b. Research Corporation, Division of Grants, 405 Lexington Avenue, New York 17, New York, for an Experiment to Look for a Phase Transition to a Superfluid State in Liquid He³ (to be known as Research Corporation Project No. 1212 - New - Department of Physics).
Gross Value - \$6, 500. 00.

TOTAL - Industrial and Other Contracts - \$7, 700. 00.

The foregoing thirty-one contracts for research in cooperation with Government, Industry, and Other represent a gross income of \$815, 809. 00.

Upon motion of Senator Bricker, seconded by Mr. Ketner, the above contracts were unanimously approved.

**B. The Report of the Research Contracts from the
Engineering Experiment Station**

During the period from November 25 through December 29, 1960, the Engineering Experiment Station of The Ohio State University entered into the following research contracts. These research contracts are reported to the Board of Trustees for information and record.

1. Government Research Contract

- a. EES-183 Data Analysis of the Ohio Highway Needs Study, Department of Highways, State of Ohio, Columbus, Ohio.
Gross Value - \$16, 800. 00.

2. Industrial Research Contract

- a. EES-184 Investigation of High Amplitude Fatigue and Effects of Fatigue Damage for AM355 Material, General Electric Company, Flight Propulsion Laboratory Department, Cincinnati, Ohio.
Gross Value - \$15, 000. 00.

The foregoing two contracts for research at the Engineering Experiment Station represent a gross income of \$31, 800. 00.

**C. State Department of Education and The Ohio State University -
Center for School Experimentation**

The Center for School Experimentation of The Ohio State University has proposed a thorough study of the use of the "seminar" as one instructional approach to the academically gifted high school student, and the State Department of Education has expressed a willingness to provide the funds necessary for travel to selected public high schools of the State and other expenses in connection with publishing a manuscript of the research findings.

January 13, 1961 meeting, Board of Trustees

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

C. State Department of Education and The Ohio State University - Center for School Experimentation (continued)

I am, therefore, pleased to recommend that the President be authorized to sign an agreement between the State Department of Education and The Ohio State University to effect such a study.

Upon motion of Mr. Ketner, seconded by Senator Bricker, the above recommendation was approved by unanimous vote.

IV. GIFTS

It is recommended that the following gifts be accepted for the University and the appreciation of the Board of Trustees be appropriately expressed:

A. Administered Through the Development Fund

1. \$3,254.83 for the Harriett A. Galbraith Memorial Fund

Harriett A. Galbraith Memorial Fund

The Harriett A. Galbraith Memorial Fund was established December 27, 1960, by a bequest from Harriett A. Galbraith, W'22. The principal is to be invested in accordance with Section 3335.12 G. C., the income to be used for epilepsy research.

In the event the need for such research ceases to exist or so diminishes as to create unused income, then the Board of Trustees of the University may use said income for any purpose in its discretion.

2. \$3,000.00 for the Jennie Fried Gluck Memorial Fund

Jennie Fried Gluck Memorial Fund

The Jennie Fried Gluck Memorial Fund was established December 27, 1960, by a gift through the Development Fund from Mr. and Mrs. Arthur Gluck in memory of Mr. Gluck's mother. The principal is to be invested in accordance with Section 3335.12 G. C. The income may be used to aid a graduate student in Physiological Chemistry who has successfully completed his general examinations toward his Ph. D. or Sc. D. or an equivalent terminal degree or to aid a research project in enzymology in the fields of heart disease, eye disease, or cancer. The income may be used along with other monies available to supplement a stipend or a research project in the aforementioned fields.

The income is to be used in the area of Physiological Chemistry or Bio-Chemistry in the College of Medicine. The appointment of the recipient of this money is to be made by the Chairman of the Department of Physiological Chemistry, or, in the event of a change in the organization of the College of Medicine, by the chairman of the department wherein Physiological Chemistry or Bio-Chemistry is taught, on nomination of the following-

2. \$3,000.00 for the Jennie Fried Gluck Memorial Fund (continued)

named persons as long as they are connected with the College of Medicine: Dr. Walter J. Frajola, Dr. Dwight M. Palmer, and Dr. Richard W. Booth. In addition to the above-named members, Dr. Max P. Kanter is to serve for life, all acting as an advisory committee.

In the event of a vacancy in the advisory committee, the Dean of the College of Medicine shall fill such vacancy, appointing a member of the faculty of the College of Medicine.

In the event the need for this income in the area stipulated should cease to exist or so diminish as to create unused income, then the Board of Trustees may use said income in its discretion, preference to be given, however, to basic work in the field of medicine but not for any applied technology.

3. \$8,775.00 for the Charles E. McKee Memorial Scholarship Fund

Charles E. McKee Memorial Scholarship Fund

The Charles E. McKee Memorial Scholarship Fund was established December 27, 1960, by a gift through the Development Fund from members of the Ohio Contractors Association and other friends of Charles E. McKee.

The principal is to be invested in accordance with Section 3335, 12 G. C. The income is to be used for a scholarship of \$500.00 per year to a student who is a citizen of the United States and who is in his fourth or fifth year in the College of Engineering, or the Graduate School, majoring in Civil Engineering. The interest in excess of the scholarship requirements each year is to be added to the principal until the principal amount is \$10,000.00, at which time the scholarship shall be increased to \$600.00 each year.

In the event the need for such scholarship should cease to exist or so diminish as to create unused income, then the Board of Trustees of the University may use said income for any purpose whatsoever in its discretion, preference to be given, however, to items in the area of Civil Engineering.

Upon motion of Mr. Rairdon, seconded by Mr. Loop, the foregoing gifts were accepted by unanimous vote.

B. Report from The Ohio State University Development Fund

I wish to report that in November, 1960, The Ohio State University Development Fund received gifts on behalf of the University as follows:

January 13, 1961 meeting, Board of Trustees

VI. EXTRAS, CREDITS AND EXTENSIONS OF TIME TO CONTRACTS

At the request of the Council on Business Affairs, and with the concurrence of the Cabinet, I recommend that the Extra and Credit Orders and Extensions of Time to Contracts as outlined below be approved by the Board of Trustees and submitted to the Director of Finance, State of Ohio, for approval and allocation of funds from Item 850 Capital Improvements, H. B. 1124 (in accordance with the provisions of H. B. 1124) unless a source of funds in each case is otherwise indicated:

A. T-Hangar Project, Don Scott Field

Electrical Contract

It is recommended that a 6-pair #19 cable with messenger wire from T-Hangar No. 1 to the Administration Building be provided and connected to the fire alarm system. Add \$315.00

Funds for this extra order will be provided from G-2-G T-Hangar Project, H. B. 831.

VI. EXTRAS, CREDITS AND EXTENSIONS OF TIME TO CONTRACTS (continued)

B. Remodel McPherson Laboratory

General Contract

It is recommended that painted numerals 1 1/2" high, be provided on 3757 drawers for laboratory tables in laboratories 130, 130A, 134, 137, 137A, 138, 138A, 140, 141, 177, 177A, 179, 179A, 181 and 183. Also the existing numerals on 1120 drawers will be removed. Add \$1,247.00.

It is recommended that the concrete floors, poured mastic flooring, and concrete trench covers be repaired in the following rooms: 130, 130A, 134, 137, 137A, 138, 138A, 140, 141, 166, 170, 177, 177A, 179, 179A, 183, 185, 185A, 187 and 198. Add \$886.00.

It is recommended that 14 - 1" x 4" wood strips approximately 8'0" long be provided and mounted on walls and painted to match walls for hanging Element Charts. Add \$98.00.

Net addition \$2,231.00

Funds for these extra orders will be provided from Item 067 Remodel McPherson Laboratory, H. B. 1124.

C. Repairing, Replacing and Pointing Stonework - University School, Derby Hall and Pomerene Hall

It is recommended that the crushed marble border in the vestibule at the northeast entrance to the University School Building be removed and replaced with slate.

Add \$ 224.00

Funds for this extra order will be provided from Item 084 Repairing Derby Hall, University School and Pomerene Hall, H. B. 1124.

D. Pomerene Refectory Kitchen, Rehabilitation and Expansion

General Contract

It is recommended that the following changes be made:

1. Patch and repair plaster in Dining Rooms and adjoining areas where painting is required by an earlier change order. Add \$130.00.
2. Provide marble facing 8' high and approximately 50' total length on the walls of the Dining Room Entry in lieu of sandblasting existing paint from the masonry walls. Add \$1,400.00.

Net addition \$1,530.00

VI. EXTRAS, CREDITS AND EXTENSIONS OF TIME TO CONTRACTS (continued)

D. Pomerene Refectory Kitchen, Rehabilitation and Expansion (continued)

Kitchen Equipment Contract

It is recommended that the following changes be made:

1. Delete center section of oven and change legs from 2" high to 10" high. Deduct \$500.00.
2. Provide two Speed-Fill Water Stations in lieu of two Electro-Fill Water Stations. Deduct \$140.00.
3. Omit condensing units as specified. Deduct \$262.00.

Net deduction \$ 902.00

Electrical Contract

It is recommended that in lieu of flexible conduit and wire as specified for one 27 KW 208 volt, 3 phase range and one 12 KW, 208 volt, 3 phase broiler, special receptacles be provided of proper rating, with plugs and flexible cords, 6 ft. long with 4 conductors, #2 neoprene jacketed wire.

Add \$ 200.00

Heating and Ventilating Contract

It is recommended that a cabinet unit heater be installed in the closet adjoining the main entry to the dining room to improve appearance of the area and provide additional floor space.

Add \$1,058.00

Summary, all contracts in Pomerene Refectory Kitchen, add \$1,886.00.

Funds for this project are provided in Item 071 Pomerene Refectory Kitchen, Rehabilitation and Expansion, H. B. 1124, and by a transfer from Rotary 16211 Pomerene Refectory to G-2-Q Pomerene Refectory Kitchen, H. B. 831.

E. Ice Rink

General Contract, Phase I

It is recommended that lateral supports for tie beams at the north and south ends of the pavilion be strengthened and provided to accommodate future masonry end walls. Add \$1,250.00.

It is recommended that a credit of 45¢ per linear foot be accepted on 2950 linear feet of piling not required in connection with this project.

Deduct \$1,328.00.

Net deduction \$ 78.00

VI. EXTRAS, CREDITS AND EXTENSIONS OF TIME TO CONTRACTS (continued)

E. Ice Rink (continued)

General Contract, Phase II

It is recommended that a chain link fence be installed at the outside face of columns, running continuously past columns in lieu of chain link fence between columns.

Deduct \$408.00

Electrical Contract, Phase II

It is recommended that a conduit, boxes, and weatherproof receptacles be provided for future scoreboards at three points in the Ice Rink, with controls from a point where the scoring table will be located.

Add \$325.00

Summary, all contracts in Ice Rink, deduct \$161.00.

Funds for this project are provided in G-2-R Ice Rink, H. B. 831, and a credit will be posted to this account.

F. Physical Education Building, Repair and Replacement of Exterior Doors

It is recommended that the contractor for this project be granted an extension of time for the completion of this project from January 31, 1961, to March 1, 1961, because of a delay in the receipt of materials.

G. Animal Science Building and Remodeling of Plumb Hall

Plumbing Contract

It is recommended that the following changes be made:

1. Replace rusted and leaking galvanized iron hot and cold water pipes in Plumb Hall. Add \$120.00.

2. Provide 20 "Nidel" vacuum breakers for goose neck faucets with hose connections in laboratory tables in Plumb Hall and Animal Science Building. Add \$245.00.

Net addition \$365.00

VI. EXTRAS, CREDITS AND EXTENSIONS OF TIME TO CONTRACTS (continued)

H. Radiation Therapy and Betatron Addition, North Wing, University Hospital

General Contract

It is recommended that the width of the parking lot be slightly reduced because of an existing manhole which projects into the parking lot which was not shown on the original drawings.	<u>Deduct</u>	<u>\$250.00</u>
--	---------------	-----------------

Upon motion of Mr. Patton, seconded by Judge Gorman, the above recommendations individually and collectively were unanimously approved by roll call vote.

* * *

VII. PLANS AND SPECIFICATIONS

With the approval of the Council on Business Affairs, and with the concurrence of the Cabinet, it is recommended that the plans and specifications, bill of materials and estimate of cost for the following projects be approved by the Board of Trustees:

A. Replacement of Asphalt Tile Floors in Starling Loving Hospital

Funds for this project will be provided from Item 081 Improvement of Existing Physical Plant, H. B. 1124.

B. McPherson Laboratory--Repair of Room 324 and Replacement of Laboratory Furniture

Funds for this project will be provided by a transfer from the General University Fund to an appropriate building account.

Upon motion of Mr. Loop, seconded by Mr. Rairdon, the above recommendation was unanimously approved by roll call vote, and the Secretary was authorized and directed to sign the plans and specifications for the above listed projects for and on behalf of the Board of Trustees. Vice President Carson was directed to follow normal University procedure in advertising for bids. If any satisfactory bids are received, the Vice President will proceed with the award of contracts to the lowest and best bidder and report to the Board of Trustees on the matter at a later meeting.

VIII. REPORT OF AWARD OF CONTRACTS

In accordance with authorization provided by the Board of Trustees, the contracts for the following projects have been recommended for award and the action is hereby reported to the Board:

VIII. REPORT OF AWARD OF CONTRACTS (continued)

A. Remodeling Stadium Dormitories for School of Music
(Readvertisement of Plumbing Division)

Bids were received on the readvertising of the plumbing contract on December 28, 1960, and the award of contract is recommended to the low bidder as stated below:

	<u>Low Bid</u>	<u>Est. of Cost</u>
<u>Plumbing Contract</u>		
(5 bids received)		
John E. Lloyd Plumbing and Heating, Inc. (Cols.)		
Base bid plus Alt. P-1	\$ 2,273.00	\$ 3,700.00

Funds for this project are provided in Item 069 Remodel Stadium Dormitories, H. B. 1124.

B. Replacement of Chain Link Backstop Fence on Tennis Courts

Bids were received for this project on December 20, 1960, and the award of contract recommended to the successful low bidder as tabulated below:

	<u>Low Bid</u>	<u>Est. of Cost</u>
(3 bids received)		
Continental Fence Corporation (Cols.)	\$ 3,854.00	\$ 6,500.00

Funds for this project are provided from Rotary 12640 Physical Education.

C. Clinical Unit Building for College of Veterinary Medicine
(Readvertisement)

Bids were received for this readvertisement on December 28, 1960, and the award of contracts recommended to the successful low bidders as tabulated below:

	<u>Low Bid</u>	<u>Est. of Cost</u>
<u>General Contract</u>		
(6 bids received)		
Knowlton Construction Company (Bellevue, Ohio)		
Base bid plus Alt. G-1	\$1,122,800.00	\$1,223,300.00
<u>Plumbing Contract</u>		
(4 bids received)		
Limbach Company (Cols.)		
Base bid	232,490.00	247,000.00

(4 bids received)		
Huffman-Wolfe Company (Cols.)		
Base bid	303,300.00	316,000.00

VIII. REPORT OF AWARD OF CONTRACTS (continued)

C. Clinical Unit Building for College of Veterinary Medicine
(Readvertisement) (continued)

	<u>Low Bid</u>	<u>Est. of Cost</u>
<u>Electrical Contract</u>		
(4 bids received)		
Gustav Hirsch Organization, Inc. (Cols.)		
Base bid	\$ 137,400.00	\$ 147,700.00
Total Contracts	<u>\$1,795,990.00</u>	<u>\$1,934,000.00</u>

Funds for this project are provided in Item 065 Veterinary Clinical Unit Building, College of Veterinary Medicine and Item G-2-X, H. B. 831, which is a grant of \$350,000.00 from National Institutes of Health.

D. Repairs to and Equipment for Janitor's Area, Power Plant

Bids were received for this project on December 20, 1960, and the award of contract recommended as stated below:

	<u>Low Bid</u>	<u>Est. of Cost</u>
(13 bids received)		
Kautz Construction Co. (Cols.)	\$ 5,600.00	\$ 7,500.00

The Kautz Construction Company was judged the lowest and best bidder.

Funds for this project are provided in Item 081 Improvement of Existing Physical Plant, H. B. 1124.

Upon motion of Senator Bricker, seconded by Mr. Rairdon, the above awards of contracts including the transfers and appropriations of funds were approved and the action of the Vice President ratified by unanimous roll call vote.

IX. CONTROLLING BOARD APPROVALS

Each numbered approval shown below accomplishes the following purposes:

- 381 Approves the transfer of \$16,000.00 from Rotary A to G-2-Q Pomerene Refectory Kitchen, H. B. 831.
- 382 Approves the expenditure of \$16,000.00 in Item G-2-Q Pomerene Refectory Kitchen, H. B. 831, to provide funds for painting and remodeling in the dining room and rest room areas on this project.
- 383 Approves the transfer of \$3,000.00 from Rotary A to G-2-U Repair of Room 324 and Replacement of Laboratory Equipment, McPherson Laboratory, H. B. 831.

IX. CONTROLLING BOARD APPROVALS (continued)

- 384 Approves the expenditure of \$3,000.00 from G-2-U Repair of Room 324 and Replacement of Laboratory Equipment, McPherson Laboratory, H. B. 831, to provide funds for the employment of Louis F. Karlsberger to provide specifications, estimate of cost, and supervision of the work on this project.
- 386 Approves the purchase of property located at 41 West Frambes Avenue, Columbus, Ohio, for \$14,000.00, from May V. Welsh, and authorizes the expenditure of this amount of money from Item 077 Land Purchases, H. B. 1124.
- 387 Approves the purchase of property located at 31-33 and 37-39 West Frambes Avenue, Columbus, Ohio, for \$39,950.00 from Paul E. and Nancy A. Rine, and authorizes the expenditure of this amount of money from Item 077 Land Purchases, H. B. 1124.
- 388 Approves the purchase of property located at 51 West Frambes Avenue, Columbus, Ohio, for \$19,500.00 from Eunice Welsh, and authorizes the expenditure of this amount of money from Item 077 Land Purchases, H. B. 1124.
- 391 Approves the expenditure of \$82,600.00 in Item G-2-R Ice Rink, H. B. 831, to provide funds for the award of the contracts for Phase II of the Ice Rink.
- 392 Approves the transfer of \$82,600.00 from Rotary A to G-2-R Ice Rink, H. B. 831.

X. MISCELLANEOUS - FROM OFFICE OF BUSINESS AND FINANCE

A. Botany and Zoology Building, Remodeling and Expansion
Employment of Structural Engineer

It is recommended that Barrett Associated Engineers, Ltd., Engineers, Columbus, Ohio, be employed to provide complete engineering services for the design of the structural system for this project, including design calculations, drawings and specifications.

The fee for this service will be 0.5 per cent of the construction cost of the General Contract estimated to be \$735,000.00 and will be provided from Item 079 Botany and Zoology Building, Remodeling and Expansion, H. B. 1124.

Upon motion of Mr. Ketner, seconded by Mr. Loop, the above recommendation was unanimously approved by roll call vote.

B. Men's Housing Nos. 1 and 2 and Dining Facility
Employment of Engineer

It is recommended that Barrett Associated Engineers, Ltd., Engineers, Columbus, Ohio, be employed to provide complete engineering services for the structural system for the Dining Facility only, including design calculations, drawings and specifications.

The fee for this service will be 1.25 per cent of the construction cost of the General Contract for the Dining Facility which is estimated to be \$140,000.00 and will be provided from Men's Housing Nos. 1 and 2 and Dining Facility Construction Fund.

Upon motion of Judge Gorman, seconded by Mr. Ketner, the above recommendation was unanimously approved by roll call vote.

C. Botany and Zoology, Remodeling and Expansion, Extension
of Engineer's Contract

It is recommended that the firm of H. A. Williams and Associates, Engineers, Columbus, Ohio, be granted an extension of their contract for professional engineering services to cover the remodeling of the heating and ventilating system in the existing Botany and Zoology Building. It is proposed to set up this work as two alternates to the Base Bid for the Heating and Ventilating Contract. One Alternate would be for remodeling the ventilating and piping systems and the second Alternate would be for replacing cast iron radiators with convectors.

The fee for this work would be calculated on the basis of 6 per cent of the construction cost if the alternates for the system are accepted or 4.2 per cent of the lowest bids for alternates if they are not accepted.

Funds for this project are provided in Item 079 Botany and Zoology, Remodeling and Expansion, H. B. 1124.

Upon motion of Mr. Ketner, seconded by Mr. Loop, the above recommendation was unanimously approved by roll call vote.

XI. SPECIAL REPORTS

A. Reports from the Finance and Investment Committee

1. Application for Loan Assistance - Nurses' Housing

Mr. Patton presented the following report of the Finance and Investment Committee:

It is recommended that an application for loan assistance, under Title IV of the Housing Act of 1950, be filed to obtain funds for Nurses' Housing. The project will house approximately 600 nursing students and is estimated to cost approximately \$2,000,000, including architect's fees, roads, site improvement and movable equipment. The estimated cost of construction is \$1,800,000 and the estimated cost of movable equipment and other non-eligible cost is \$200,000.

The application will request a federal loan in the amount of 50% of the cost of construction, or \$900,000 and additional bonds will be sold to private investors for the balance of the construction costs, plus the cost of movable equipment and other non-eligible cost (total \$1,100,000).

NOW, THEREFORE, BE IT RESOLVED, that the President of the University and the Vice President, Business and Finance, of the University, or either of them, are authorized on behalf of the University to file an application or applications or amendments or

supplements to existing applications in such form or forms as they shall deem advisable to obtain from the United States Government, acting through the Housing and Home Finance Administration, and pursuant to Title IV of the Housing Act of 1950, loan assistance in the amount of \$900,000 to cover one-half of the cost of the Nurses' Housing, exclusive of the cost of movable equipment and such other costs as are not permitted to be included under the rules of practice of the Housing and Home Finance Administration.

FURTHER RESOLVED, that any action taken by the President of the University and the Vice President, Business and Finance, of the University, or either of them, prior to this Board Meeting, pertaining to the project, Nurses' Housing, is hereby ratified and confirmed.

Upon motion of Mr. Patton, seconded by Senator Bricker, the foregoing recommendation and resolution were approved by unanimous roll call vote.

2. Proposed Sale of Property Held in Trust for the Benefit of The Ohio State University Under the Will of William H. Dickinson

Mr. Patton reported that under the Last Will and Testament of William H. Dickinson, The Ohio State University was named the residuary beneficiary of the trust created by such will. One of the assets of the trust is a 99-year lease, renewable forever, to property known as 43-45 East Long Street, Columbus, Ohio. The property is currently under sub-lease to the Glick Furniture Company and the sub-lease expires December 31, 1961. Under the terms of the will the Trustee, the City National Bank and Trust Company, has authority to sell the lease for the subject property, 43-45 East Long Street, provided such sale is approved by a natural person representing The Ohio State University and appointed by the Board of Trustees of the University. The Buckeye Federal Savings and Loan Association of Columbus, Ohio, has expressed a desire to purchase the 99-year lease described above for an amount of \$75,000.00, and the Trustee, the City National Bank and Trust Company, has expressed a willingness to sell the said lease for such consideration.

Thereupon Mr. Patton moved, seconded by Judge Gorman, that the Board of Trustees appoint Vice President Gordon B. Carson as the representative of the University as required by the will and that Mr. Ketter and Mr. Patton, members of the Finance Committee, serve as consultants to Vice President Carson concerning the sale of the lease for the property located at 43-45 East Long Street. Further, if Vice President Carson finds that this sale is in the best interests of the University, that the compensation is fair, and that the Trustee consultants named above concur in this judgment, then the Board of Trustees does authorize the execution of the following resolution which in effect approves the sale of the lease described above.

The motion was unanimously approved by roll call vote with Senator Bricker abstaining from voting.

2. Proposed Sale of Property Held in Trust for the Benefit of The Ohio State University Under the Will of William H. Dickinson (continued)

RESOLUTION

WHEREAS, Ohio State University is the residuary beneficiary of a trust created by the Last Will and Testament of William H. Dickinson, Deceased, which trust is now being administered by The City National Bank and Trust Company, Columbus, Ohio, duly appointed trustee under said will by the Probate Court of Franklin County, Ohio, and

WHEREAS, one of the assets of said trust is a ninety-nine year lease, renewable forever, to property located at 43-45 East Long Street, Columbus, Ohio, as will be more particularly described below, said lease having been granted by Walter P. Darrow et al., trustees, to William H. Dickinson, Sr., in 1908 and recorded in Lease Record 20, page 364 Recorder's Office, Franklin County, Ohio, and

WHEREAS, the provisions of the Last Will and Testament of William H. Dickinson, Deceased, creating the trust and providing for the administration thereof are as follows:

Item VII. All the rest of my property, real and personal, including any lapsed devises or legacies, I give, devise and bequeath to The City National Bank and Trust Company of Columbus, Ohio, in trust for the uses and purposes hereinafter set forth.

Item VIII. I direct that my real estate at 43-45 East Long Street, Columbus, Ohio, shall not be sold before July 1, 1962.

Item IX. My executor and trustee are authorized to retain any investments which may be in my estate at my death or when the trustee takes possession thereof, and shall invest and reinvest the proceeds of any sale thereof and other available funds in New York Stock Exchange-listed common stocks of corporations with good dividend records and preferred stocks so listed which have a reasonable prospect of appreciation in value, notwithstanding such securities are not authorized by the law of Ohio for the investment of trust funds.

Item X. My executor and trustee shall have full power in their discretion, except as limited in Item VIII and Item XVII to sell at private sale, convey, lease, encumber, land, collect, disburse, exchange, invest and reinvest the property of my estate, and to settle claims and restore buildings, and all other powers and privileges which may be exercised or had by any person owning similar property in his own right, being limited only by the provisions of Items VIII and XVII of this will. They shall not be required to secure the order of any Court in any transaction and those dealing with them shall be under no

obligation to see to the application of any money or property paid to them; and the execution of any instrument by them shall be conclusive evidence to those dealing with either of them of their right to so act.

Item XI. Earned net income received by my executor during the administration of my estate shall not be considered as principal, but stock-or liquidating dividends and cash or securities paid in redemption of, or exchange for investments shall be considered as principal by my executor and trustee.

Item XII. Out of the net income from said trust property, and beginning fifteen (15) days after my trustee receives my trust estate, I direct my trustee to pay.

(a) To Marion H. Trik, Five Hundred Dollars (\$500.00) per month, during her natural life.

(b) To Josephine Zimmer, One Hundred Dollars (\$100.00) per month during her natural life.

(c) To Carl H. Trik, Jr., son of Marion H. Trik, One Hundred Dollars (\$100.00) per month so long as either Marion H. Trik or Josephine Zimmer are living and upon the death of the survivor of them to pay to Carl H. Trik, Jr., a sum calculated by multiplying Twelve Hundred Dollars (\$1,200.00) by the difference between Seventy-five (75) and his age at that time.

Item XIII. Upon the death of Josephine Zimmer or Carl H. Trik, Jr., the payments herein provided for them shall be paid to Marion H. Trik.

Item XIV. Should the net income from the trust property be insufficient at any time to make the above payments in full, they shall be abated proportionally.

Item XV. After the payment of the above sums to said persons, and all expenses of administering the trust, when and as a surplus of income shall have accumulated in the hands of the trustee in the sum of Six Thousand Dollars (\$6,000.00), the trustee shall thereupon pay to Marion H. Trik the sum of Three Thousand Dollars (\$3,000.00) and retain the balance of said surplus income until the surplus shall have again reached Six Thousand Dollars (\$6,000.00) when Three Thousand Dollars (\$3,000.00) shall again be paid to her; and this plan shall be continued during her natural life.

RESOLUTION (continued)

Item XVI. Upon the payment to Carl H. Trik, Jr., of the lump sum as above provided, the trust hereby created shall terminate and the title of all of the trust property shall then vest in the Ohio State University, and I give, devise and bequeath all of such property to said University as a memorial to the late Dr. Lucius A. Wing, for the use of its College of Medicine.

Item XVII. Until the corpus of the trust shall have been delivered to the Ohio State University as hereinbefore provided, the sale of any asset of the trust fund, and the acquisition of any investment by my trustee with funds of the trust shall be subject to the approval of a natural person appointed and authorized to act by the Board of Trustees of said University. Such person shall receive no compensation from the trust; shall serve at the pleasure of said Board and be replaced at its discretion; shall not, while so serving, have any direct or indirect business interest in or with, or any relation as creditor of, or debtor to my trustee; and shall submit annually to said Board a written report of his acts in respect hereto during the previous year and an itemized list of the assets and liabilities, if any, of the trust fund together with the current value of each item except real property.

and

WHEREAS, Buckeye Federal Savings and Loan Association, Columbus, Ohio, desires to purchase the ninety-nine year lease described above for a consideration of Seventy Five Thousand Dollars (\$75,000.00) and the trustee is willing to sell said lease for such consideration, and

WHEREAS, this Board of Trustees has been informed of the facts of the proposed sale transaction between Buckeye Federal Savings and Loan Association and The City National Bank and Trust Company, trustee, and of the rights and interests of Ohio State University under the Last Will and Testament of William H. Dickinson, Deceased, and

WHEREAS, said sale transaction will be to the best interest of Ohio State University and this Board is willing to consent to said sale described herein,

NOW THEREFORE:

BE IT RESOLVED by the Board of Trustees of Ohio State University that this Board does hereby authorize, consent and agree on behalf of Ohio State University, beneficiary under the trust created by the Last Will and Testament of William H. Dickinson, Deceased, to the sale, assignment, transfer and conveyance by The City National Bank and Trust Company,

RESOLUTION (continued)

Trustee, under said Last Will and Testament of William H. Dickinson, Deceased, to Buckeye Federal Savings and Loan Association for a consideration of Seventy Five Thousand Dollars (\$75,000.00) of the following described trust property:

Lease and leasehold estate thereunder granted by Walter P. Darrow, et al., trustees, as lessors, to William H. Dickinson, Sr., as lessee, in 1908, recorded in Lease Record 20, page 364, Recorder's Office, Franklin County, Ohio, for a term of ninety-nine years, renewable forever, of property known as 43-45 East Long Street, Columbus, Ohio, and more particularly described as:

Situated in the City of Columbus, County of Franklin, and State of Ohio:

Being the east one-half of In-Lot Number Four Hundred Sixty Seven (467) in said city, as the same is numbered and delineated upon the recorded plat thereof, of record in Deed Book "F", page 332, Recorder's Office, Franklin County, Ohio;

BE IT FURTHER RESOLVED, that the consideration of Seventy Five Thousand Dollars (\$75,000.00) is a fair and adequate consideration; and that it is in the best interest of Ohio State University to have the property sold as aforesaid and the proceeds thereof invested as authorized by the said trust instrument;

BE IT FURTHER RESOLVED, that Gordon Carson, heretofore appointed and authorized to act by this Board of Trustees pursuant to Item XVII of the Last Will and Testament of William H. Dickinson, Deceased, is hereby directed to approve and consent to the said purchase and sale transaction between The City National Bank and Trust Company, Trustee, and Buckeye Federal Savings and Loan Association as aforesaid, and that he is authorized and directed to execute an endorsement or form of consent and approval on behalf of Ohio State University upon the agreement of purchase and sale between said parties and upon the instrument assigning and transferring the ninety-nine year lease described herein under the terms of said agreement.

3. Report on Investment Portfolio

Mr. Patton presented the Report on the Investment Portfolio dated December 31, 1960. By unanimous agreement the report was accepted and the Secretary was instructed to file this report with the official records of the Board of Trustees.

XI. SPECIAL REPORTS (continued)

B. Report from Executive Dean Ronald B. Thompson

Upon invitation of President Fawcett, Dr. Ronald B. Thompson, Executive Dean, Special Services, presented the following information regarding Dismissals, Honor Roll, and Comparison of Enrollments Between 1959-60, 1960-61.

He reported the per cent of dismissals by thirds of the freshman class, Autumn 1960:

	Number Enrolled	Number Dismissed	Per Cent
Upper 1/3	2974	82	2.76
Middle 1/3	1781	149	8.37
Lower 1/3	800	167	20.90
Not Ranked	<u>410</u>	<u>180</u>	43.90
Total	5865	578	

Five hundred seventy-eight (578) out of a total freshman enrollment of 5,865 were dismissed.

Nine hundred sixty-eight (968) out of a total enrollment of 25,151 were dismissed and of the 968 dismissed, 578 or 59.7 per cent were freshmen.

One thousand four hundred fifty-four (1,454) students received a point-hour ratio of 3.5 or above and were placed on the honor roll.

The comparison of enrollment for Autumn and Winter 1959-60 and 1960-61 is as follows:

Autumn 1959	23,260	Autumn 1960	25,151
Winter 1960	<u>21,528</u>	Winter 1961	<u>23,476</u>
	1,732 - 7.45% drop		1,684 - 6.70% drop

C. Report from Executive Director Frederick Stecker

Mr. Frederick Stecker, Executive Director, University Relations, distributed a brochure entitled YOUR STATE UNIVERSITIES OF OHIO, which was published by the Inter-University Council of Ohio and made possible by friends and alumni of the State Universities. By unanimous agreement, the Secretary was instructed to file the brochure with the official records of the Board of Trustees.

RESIGNATION OF TRUSTEE ROBERT N. GORMAN

Judge Gorman confirmed the report of his resignation from the Board of Trustees effective January 16, 1961. (Judge Gorman was appointed to the Board of Trustees on April 23, 1951, to fill the unexpired term of Lockwood Thompson and he was reappointed to fill the full term beginning July 13, 1953 and expiring on May 13, 1960.)

President Fawcett then extended high tribute to Judge Gorman and expressed sincere appreciation for the nearly ten years of dedicated and effective service which Judge Gorman has given to The Ohio State University and the citizens of Ohio. Each member of the Board then added his personal expression of commendation and appreciation for the pleasure which has come from service on the Board with Judge Gorman.

Judge Gorman responded by expressing his gratitude to the President and each member of the Board for their thoughtful and kind remarks and he added that his service on the Board has been a most enjoyable experience which will be greatly missed.

Judge Gorman further stated that he gave to President Fawcett a statement on his observations of the "Problems of Higher Education in Ohio", and he suggested that it be distributed to each member of the Board.

THE OHIO STATE UNIVERSITY
OFFICIAL PROCEEDINGS OF THE
NINE HUNDRED AND FIFTY-SIXTH MEETING
OF THE BOARD OF TRUSTEES

Columbus, Ohio, February 10, 1961

The Board of Trustees met Friday, February 10, 1961, at The Ohio State University, Columbus, Ohio, pursuant to adjournment.

Present: Stanley C. Allyn, Chairman, Senator John W. Bricker, Smith L. Rairdon and Alan B. Loop.

The minutes of the last meeting were approved.

February 10, 1961 meeting, Board of Trustees

President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Revision of Rules for the University Faculty

1. Rule 35.07

The mark "C" is now defined in Rule 35.07 as "average." Studies of the marks given in several years past indicate the average is considerably higher than C or 2.0. The Administrative Council therefore recommended and the Faculty Council approved on January 10, 1961, that the passing marks for courses of instruction be redefined by amending Rule 35.07 as follows:

That Rule 35.07 be amended by substituting the following definitions for marks A, B, C, and D only.

- A - Highest quality of passing work.
- B - Second quality of passing work.
- C - Third quality of passing work.
- D - Lowest quality of passing work.

2. Rule 29.2713 - Section 3 (b)

In order to make Rule 29.2713, Faculty Advisory Committee to the President and the Board of Trustees, Section 3 (b), consistent with Rule 21.07, Section 1, the Faculty Council has recommended that Section 3 (b) of Rule 29.2713 be deleted and that the following be substituted therefor:

(b) the selection of three members of the University Faculty to participate in the hearings provided for in Rule 21.07;

Upon motion of Mr. Rairdon, seconded by Mr. Loop, the above recommendations were unanimously approved by roll call vote.

B. Land-Grant Centennial Commemoration

During the academic year 1961-62, the Centennial of the Land-Grant College Act will be observed nationally and particularly on the campuses of the nation's 68 land-grant institutions. Since The Ohio State University had its origin in this Act, it is recommended that the Board of Trustees approve the University's participation in the Centennial and in the development, within the framework of the on-going University program, of constructive activities worthy of wide public attention. It is further recommended that during the centennial year the land-grant theme be adopted, where appropriate, for exhibits, conferences, lectures, publications, and other suitable endeavors. In so acting the Board of Trustees takes note of the activities of a Land-Grant Centennial Steering Committee working under the chairmanship of Dean Lloyd M. Parks of the College of Pharmacy.

Upon motion of Senator Bricker, seconded by Mr. Rairdon, the above recommendation was unanimously approved by roll call vote.

February 10, 1961 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

C. Establishment of a Department of Geodetic Science

The Faculty Council on January 10, 1961, approved the recommendation of the Council on Instruction and the College of Arts and Sciences that a Department of Geodetic Science be established in that College. For the past ten years work in geodetic science has been carried on under the administration of the Department of Geology. It now seems appropriate to give this division departmental status and to charge the new department with the responsibility for instruction and research in basic geodetic science. The Department of Civil Engineering, where the applied aspects of geodetic science are taught, concurs with this recommendation.

I therefore recommend that the action of the Faculty Council be approved to be effectively immediately.

Upon motion of Mr. Loop, seconded by Senator Bricker, the above recommendation was unanimously approved by roll call vote.

D. Plan for the Control of University Traffic and Parking--
Amendment to Code of Motor Vehicle Regulations

Since the adoption on November 8, 1957, of the plan for the control of University traffic and parking, several changes in the code of Motor Vehicle Regulations, as filed with the Secretary of the Board of Trustees, have been found to be essential to the efficient operation of the plan. These changes are reflected in the Motor Vehicle Regulations for Faculty and Staff (Exhibit A) and Motor Vehicle Regulations for Students and Visitors (Exhibit B).

I therefore recommend that the code of Motor Vehicle Regulations approved by the Board of Trustees on November 8, 1957, be amended to conform to the Exhibits A and B which are on file with the Secretary of the Board of Trustees, and that in all other respects the action taken by the Board on November 8, 1957, in connection with its plan for the control of University traffic and parking be reaffirmed by this Board.

Upon motion of Senator Bricker, seconded by Mr. Rairdon, the above recommendation was unanimously approved by roll call vote.

E. Distinguished Service Awards - March 1961

Upon the recommendation of the Committee on Distinguished Service Awards, I am pleased to present the following names of persons to receive this honor at the March 17, 1961, Commencement:

Charles Austin Doan
Robert N. Gorman

Upon motion of Mr. Loop, seconded by Mr. Rairdon, the above recommendation was unanimously approved by roll call vote.

II. PERSONNEL CHANGES

In addition to the regular personnel changes, the following Leaves of Absence With and Without Salary are recommended:

A. Leave of Absence With Salary

In accordance with the policy approved by the Board of Trustees on April 12, 1954, the following named person is recommended for a Leave of Absence With Salary for the period indicated:

Clair W. Young, Instructor (Supervisor, 4-H Club Work), for the period from April 1 through June 15, 1961, for graduate study at The Ohio State University.

B. Leaves of Absence Without Salary

Don M. Mortensen, Instructor (Assistant Extension Editor, Graphic Arts), for the period from April 16 through June 30, 1961, to attend Tactical Fighter School, Luke AFB, Arizona.

John P. Parker, Jr., Instructor (County Extension Agent, Agriculture) Ashtabula County, for the period from May 1 through May 31, 1961, for graduate study at Cornell University.

Upon motion of Senator Bricker, seconded by Mr. Rairdon, the personnel changes were unanimously approved by roll call vote.

III. GENERAL CONTRACTS AND AGREEMENTS

A. The Ohio State University and The Ohio State University Research Foundation

It is recommended that the research agreements heretofore entered into between The Ohio State University and The Ohio State University Research Foundation setting up the following projects be reported to the Board of Trustees for information and record:

1. Government Contracts - Federal

- a. U. S. Atomic Energy Commission, Chicago Operations Office, 9800 South Cass Ave., Argonne, Illinois, for an investigation of Deuteron-Induced Reactions (to be known as U. S. Atomic Energy Commission Project No. 735 - Sup. #4 - Department of Physics).

Gross Value - \$43,724.00.

February 10, 1961 meeting, Board of Trustees

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

1. Government Contracts - Federal (cont.)

- b. Commander, Air Force Command & Control Development Division, Air Research & Development Command, Laurence G. Hanscom Field, Bedford, Mass., for Design and Construction of a Luminous Shock Tube for Quantitative High Temperature Spectrographic Investigations of the Basic Parameters (to be known as Air Force Command & Control Development Division Project No. 845 - Sup. #5 - Department of Physics).
Gross Value - \$32,000.00.
- c. Air Force Command & Control Development Division, Air Research & Development Command, Laurence G. Hanscom Field, Bedford, Mass., for Research Directed Toward Basic Information on Processes Caused by Collisions of Electrons and Molecules (to be known as Air Force Command & Control Development Division Project No. 883 - Sup. #3 - Department of Chemistry).
Gross Value - \$20,000.00.
- d. Commander, Wright Air Development Division, Wright-Patterson Air Force Base, Ohio, for Ion Sheath Research (to be known as Wright Air Development Division Project No. 1021 - Mod. #1 - Department of Electrical Engineering).
Gross Value - \$195,000.00.
- e. Commander, Air Force Command & Control Development Division, Air Research & Development Command, Laurence G. Hanscom Field, Bedford, Massachusetts, for Investigation of Low-Noise Antenna Systems (to be known as Air Force Command & Control Development Division Project No. 1041 - Mod. #1 - Department of Electrical Engineering).
Gross Value - \$30,000.00.
- f. Commander, Air Force Command & Control Development Division, Air Research and Development Command, Laurence G. Hanscom Field, Bedford, Mass., for an investigation of Thermal Radiation Methods of Atmospheric Probing (to be known as Air Force Command & Control Development Division Project No. 1055 - Mod. #1 - Department of Physics).
Gross Value - \$35,000.00.
- g. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for an investigation of Liver Function in Pathogenesis of Glomerulosclerosis (to be known as National Institutes of Health Project No. 1067 - Ext. #1 - Department of Pathology).
Gross Value - \$7,558.00.

February 10, 1961 meeting, Board of Trustees

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

1. Government Contracts - Federal (cont.)

- h. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for Midwest Cooperative Chemotherapy Group (to be known as National Institutes of Health Project No. 1094 - Ext. #1 - Department of Medicine).
Gross Value - \$13,501.00.
- i. Commander, Air Force Command & Control Development Division, Air Research & Development Command, Laurence G. Hanscom Field, Bedford, Mass. , for Study of Semiconductor Solids Used as Photocatalysts in the Formation of Endothermic Compounds (to be known as Air Force Command & Control Development Division Project No. 1097 - Mod. #1 - Department of Chemistry).
Gross Value - \$22,500.00.
- j. International Cooperation Administration, Washington 25, D. C. , for Conducting Series of Training Courses in Fundamentals of Supply Management for Foreign Nationals (to be known as International Cooperation Administration Project No. 1221 - New - Department of Business Organization).
Gross Value - \$14,700.00.
- k. Commander, Wright Air Development Division, Wright-Patterson Air Force Base, Ohio, for an investigation of The Relationship of Microstructure to Strength and Toughness in High Strength Steel (to be known as Wright Air Development Division Project No. 1224 - New - Department of Metallurgical Engineering).
Gross Value - \$36,900.00.
- l. National Science Foundation, Washington 25, D. C. , for an investigation of Automatic Primate Test Apparatus (to be known as National Science Foundation Project No. 1225 - New - Department of Psychology).
Gross Value - \$5,600.00.
- m. National Science Foundation, Washington 25, D. C. , for an investigation of Origin of Glacial Deposits in Crillon Glacier Area, Alaska (to be known as National Science Foundation Project No. 1226 - New - Department of Geology).
Gross Value - \$15,000.00.
- n. National Science Foundation, Washington 25, D. C. , for Mapping Glaciers in Western United States (to be known as National Science Foundation Project No. 1227 - New - Institute of Polar Studies).
Gross Value - \$2,230.00.

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

1. Government Contracts - Federal (cont.)

- o. Commanding Officer, Office of Ordnance Research, U. S. Army, Box CM, Duke Station, Durham, North Carolina, for an investigation of Nitrated Carbohydrates (to be known as Office of Ordnance Research, Project No. 1228 - New - Department of Chemistry).
Gross Value - \$6,905.00.
- p. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for Synthesis of Polynuclear Aromatic Compounds (to be known as National Institutes of Health Project No. 1229 - New - Department of Chemistry).
Gross Value - \$25,990.00.
- q. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for an investigation of Conduction Mechanism in Experimental Hyperpathia (to be known as National Institutes of Health Project No. 1230 - New - Department of Surgery).
Gross Value - \$5,865.00.
- r. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for an investigation of Constituents of *Mammea americana* L. and Related Plants (to be known as National Institutes of Health Project No. 1231 - New - Department of Chemistry).
Gross Value - \$16,385.00.
- s. Commander, Wright Air Development Division, Wright-Patterson Air Force Base, Ohio, for Collection and Analysis of Research Data on Human Factors in the Design of Operator Training Equipment (to be known as Wright Air Development Division Project No. 1232 - New - Department of Psychology).
Gross Value - \$49,545.00.
- t. Classified Program (to be known as Classified Program Project No. 1083 - Sup. #3 - Department of Electrical Engineering).
Gross Value - \$99,989.00.

TOTAL - Government Contracts - Federal \$678,392.00.

2. Industrial and Other Contracts

- a. University of Illinois, Business Office, Purchasing Division, 203 Administration Bldg. E, Urbana, Illinois, for Transmission of Pulsed Radio Signals at 6.4 MC/S (to be known as University of Illinois Project No. 473 - Mod. #26 - Department of Electrical Engineering).
Gross Value - \$800.00.

February 10, 1961 meeting, Board of Trustees

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

2. Industrial and Other Contracts (cont.)

- b. American Nepheline, Ltd., 2530 Canadian Bank of Commerce Bldg., 25 King Street, West, Toronto 1, Ontario, Canada, for an investigation of Nepheline Syenite in Ceramics (to be known as American Nepheline, Ltd. Project No. 739 - Ext. #4 - Engineering Experiment Station).
Gross Value - \$3,437.00.

TOTAL - Industrial and Other Contracts - \$4,237.00.

The foregoing twenty-two contracts for research in cooperation with Government, Industry, and Other represent a gross income of \$682,629.00.

Upon motion of Mr. Loop, seconded by Senator Bricker, the above contracts were unanimously approved.

B. The Report of the Research Contracts from the
Engineering Experiment Station

During the period from December 30, 1960, through January 26, 1961, the Engineering Experiment Station of The Ohio State University entered into the following research contracts. These research contracts are reported to the Board of Trustees for information and record.

1. Government Research Contract

- a. EES-185 Study of Drying and Heating of Aggregates for Bituminous Concrete, U. S. Department of Commerce, Bureau of Public Roads, Washington 25, D. C.
Gross Value - \$15,000.00.

2. Industrial Research Contracts

- a. EES-168 Research on Flue Liners, The Clay Flue Lining Institute, (Ext. #1) Worthington, Pennsylvania.
Gross Value - \$15,955.20.
- b. EES-174 The Relationship of Upstream Flow Distortion and Accuracy of Orifice Meters, American Gas Association, 420 Lexington Avenue, New York 17, New York.
Gross Value - \$12,000.00.

February 10, 1961 meeting, Board of Trustees

IV. GIFTS

A. Administered Through the Development Fund

1. \$704.92 and ninety-two \$1,000.00 General Motors Acceptance Corporation 3 7/8% debentures due 9-15-61 valued at \$93,045.08 as follows:

92 bonds as described above at par	\$92,000.00
Accrued interest on said bonds from 9-15-60 through 12-31-60	1,045.08
	<u>\$93,045.08</u>

These bonds, plus the check, make a total of \$93,750.00 for the Alpheus W. Smith Fund in Aid of Research Physicists.

Alpheus W. Smith Fund in Aid of Research Physicists

The Alpheus W. Smith Fund in Aid of Research Physicists was established December 31, 1960, by a gift through the Development Fund from Stanley M. Hanley, MSC'24, and Mabel Davisson Hanley, EDU-W'27.

The principal and any additional contributions shall be invested under rules and regulations adopted by the Board of Trustees of The Ohio State University, with right to invest and reinvest as occasion dictates.

The income is to be used to aid research in the area of Physics. It is the intention of the donors that this Fund is for the purpose of supplementing regular University funds and not for the purpose of supplanting them. The use of the income from this Fund may be changed by either of the donors during his or her lifetime by appropriate written request to the Treasurer of the University. Also, on request of either of the donors, during his or her lifetime, the principal may be invaded to the extent of part or all of it.

February 10, 1961 meeting, Board of Trustees

IV. GIFTS (continued)

A. Administered Through the Development Fund (continued)

Alpheus W. Smith Fund in Aid of Research Physicists (continued)

After the decease of both donors, the Board of Trustees of The Ohio State University shall determine the use of income and/or principal, preference to be given, however, to items and services in the area of Physics.

Upon motion of Mr. Loop, seconded by Mr. Rairdon, the foregoing gift was accepted by unanimous vote.

B. Report from The Ohio State University Development Fund

I wish to report that in December, 1960, The Ohio State University Development Fund received gifts on behalf of the University as follows:

	<u>No. of Gifts</u>	<u>Amount</u>
Alumni	2,760	\$160,567.32
Individuals, Other Than Alumni	40	5,411.91
Non-Profit Organizations	40	56,902.80
Business Concerns	9	25,416.22
	<u>2,849</u>	<u>\$248,298.25</u>

Of these gifts, 2,463 totaling \$18,805.50 were undesignated and 386 totaling \$229,492.75 were designated.

V. EXTRAS, CREDITS AND EXTENSIONS OF TIME TO CONTRACTS

At the request of the Council on Business Affairs, and with the concurrence of the Cabinet, I recommend that the Extra and Credit Orders and Extensions of Time to Contracts as outlined below be approved by the Board of Trustees and submitted to the Director of Finance, State of Ohio, for approval and allocation of funds from Item 850 Capital Improvements, H. B. 1124 (in accordance with the provisions of H. B. 1124) unless a source of funds in each case is otherwise indicated:

A. Building No. 4, 11th Avenue Residence Halls for Men

Electrical Contract

It is recommended that a 48" high, 24" wide, 5" deep metal telephone box be provided in the basement in lieu of a 24" x 24" x 5" box which was specified and which has been installed. This change is the result of a request received from the Ohio Bell Telephone Company.

Add \$156.00

Funds for this extra order will be provided from 11th Avenue Residence Halls for Men Construction Account.

V. EXTRAS, CREDITS AND EXTENSIONS OF TIME TO CONTRACTS (continued)

B. Married Housing Project No. 2

Outside Services Contract

It is recommended that three 6" lubricated plug valves with cast iron adjustable extension valve boxes be provided for three 6" branch gas lines. This change will enable the Service Department to isolate various groups of buildings when repairs are required without cutting off the gas for the whole project.

Add \$796.00

Funds for this extra order will be provided from Married Housing Project No. 2 Construction Account.

C. Law Center Building

General Contract

It is recommended that one trowel coat of Hydrocide Mastic dampproofing on all foundation walls be provided from 6" below the finish grade to the dampproofing which has been applied approximately two feet above the foundation drains.

Add \$393.00

Funds for this extra order will be provided from G-2-F Law Center Building, H. B. 831.

D. Animal Science Building and Remodeling of Plumb Hall

General Contract

It is recommended that the following changes be made:

1. Allow a credit for 143,000 face brick which were purchased for \$7.00 per 1000 less than the \$55.00 per 1000 allowance in the specifications. Deduct \$1,001.00.
2. Provide new floors and base in refrigerators 120 and 120A in Plumb Hall to replace old floors and base which are in poor condition. Add \$515.00.
3. Provide new floor and waterproof pan for showers in Men's Locker Room 102. Add \$199.00.
4. Provide drainage from Room 132 by an opening through the wall into Room 134 and by lowering the floor drain in Room 134 and cutting a channel from the wall opening to the floor drain. Add \$118.00.
5. In lieu of 4" cork applied to existing ceiling of Room 120B, remove existing ceiling, install new supports and apply 6" new cork. Add \$140.00.

Net deduction \$ 29.00

Funds will be returned to Item 7a Animal Science Building and Remodeling Plumb Hall, H. B. 939.

V. EXTRAS, CREDITS AND EXTENSIONS OF TIME TO CONTRACTS (continued)

E. Chemical Abstracts Building, Additional Fourth Floor

General Contract

It is recommended that the following changes be made:

1. Provide overtime and other expenses for removing lightweight roof fill after working hours to avoid disturbance to occupants of building. Add \$1,023.00.
2. Change movable steel office partitions for 64 office cubicles to provide 30" doors in lieu of 36" doors. Add \$1,476.00.
3. Provide Class "B" label steel door at Duct Shaft in Penthouse in place of wood door as a fire prevention precaution. Add \$72.00. Total addition \$2,571.00

Funds for this extra cost will be provided from G-2-E Chemical Abstracts Building, H. B. 831.

F. Extension of Fyffe Road and Installation of Sidewalks and Lighting

General Contract

In order to save existing trees, provide a maximum of parking lot space, arrange for the connection of downspouts from the cattle barn to the new storm sewer system; and to provide steps in lieu of a sidewalk and reduce the height of the parking lot curb, it is recommended that the following work be done:

1. Shorten parking lane and lengthen drive to parking lot. Deduct \$587.55.
2. Change intersection at south end of parking lot. Deduct \$244.32.
3. Connect downspouts and liquid manure pit to storm sewer. Deduct \$40.00.
4. Provide steps in lieu of sidewalk at walks to Animal Science Building. Deduct \$33.60.
5. Reduce height of straight curb on either side of drive. Deduct \$42.00.
6. Provide underdrains and straight curb. Add \$56.00.
7. Provide precast concrete curb. Add \$54.60.
8. Provide sewer pipe, adjust existing catch basin to grade and connections to sewer. Add \$248.80.

V. EXTRAS, CREDITS AND EXTENSIONS OF TIME TO CONTRACTS (continued)

F. Extension of Fyffe Road and Installation of Sidewalks and Lighting (continued)

General Contract (continued)

9. Provide concrete steps. Add \$250.00.

Net deduction \$338.07

Funds will be returned to Item 880, H. B. 1124.

G. Pomerene Refectory Kitchen, Rehabilitation and Expansion

Plumbing Contract

It is recommended that the plumbing and electrical connections be disconnected for a newly installed ice machine; that a new stainless steel base 4" high be furnished under the machine; and that the machine be reset and reconnected and a new copper drain line around the base of the machine be provided to the existing floor drain.

Add \$278.00

Heating and Ventilating Contract

It is recommended that the following changes be made:

1. Provide chrome plated piping from pop-safety valves on five steam kettles to point near floor with brackets and necessary supports. Add \$208.00.
2. Provide a low-limit control on each of two unit ventilators to maintain an air temperature of 55 to 60 degrees of air supplied from outside at all times. Add \$200.00.

Total addition \$408.00

Funds in the amount of \$686.00 will be provided from G-2-Q Pomerene Refectory Kitchen, Rehabilitation and Expansion, H. B. 831, for these extra orders.

H. Remodel Robinson Laboratory

General Contract

It is recommended that 3" thick, foil-backed Fiber-glas insulation, 3/4 lb./cu. ft. density, be provided over the suspended ceilings in certain second floor rooms in which acoustic tile was indicated over existing plasterboard ceiling, but no other insulation was provided.

Add \$596.00

Funds for this extra order will be provided from Item 072 Remodel Robinson Laboratory, H. B. 1124.

February 10, 1961 meeting, Board of Trustees

V. EXTRAS, CREDITS AND EXTENSIONS OF TIME TO CONTRACTS (continued)

I. Remodel McPherson Laboratory

It is recommended that all contracts for this project be granted an extension of time for completion from January 16, 1961 to March 1, 1961. Because of increased student enrollment, the Chemistry Department was unable to release certain laboratories to the contractors as scheduled.

J. Ice Rink, Phase I

General Contract

It is recommended that the contractor be granted an extension of time for completion from January 1, 1961 to February 22, 1961. Because of the severe winter weather, it has been impossible to pour the rink base slab.

K. Replacement and Repair of Gas Line to Stadium

It is recommended that the contractor for this project be granted an extension of time for completion from January 31, 1961 to April 15, 1961. The contractor will be unable to make a cut-in to existing service until spring vacation and to complete the painting until warmer weather.

Upon motion of Senator Bricker, seconded by Mr. Rairdon, the above recommendations individually and collectively were unanimously approved by roll call vote.

VI. REPORT OF AWARD OF CONTRACTS

In accordance with authorization provided by the Board of Trustees, the contracts for the following projects have been recommended for award and the action is hereby reported to the Board:

A. Fire Stops and Seals for Shaftways in University Hospital

Bids were received on this project on January 18, 1961, and the award of contract recommended to the low bidder as stated below:

	<u>Low bid</u>	<u>Est. of cost</u>
(6 bids received)		
Lehman-Gerstner, Inc. (Cols.)	\$14,440.00	\$20,000.00

Funds for this project are provided in Item 088 Improvement of Existing Physical Plant, University Hospital, H. B. 1124.

VI. REPORT OF AWARD OF CONTRACTS (continued)

B. Mershon Auditorium Eventboard

Bids were received for this project on January 26, 1961, and the award of contract recommended to the low bidder as stated below:

	<u>Low bid</u>	<u>Est. of cost</u>
(5 bids received)		
Pendleton Construction Co. (Cols.)		
Base bid	\$3,927.00	\$4,390.00
Alt. G-1 Elec. control from building	275.00	800.00
	<u>\$4,202.00</u>	<u>\$5,190.00</u>

Funds for this project are provided in Rotary 11168 Senior Class Memorials, 1956, 1958 and 1959.

C. Institute of Vision, Phase II Remodeling

Bids were received on this project January 17, 1961, and the award of contracts recommended to the low bidders as stated below:

	<u>Low bid</u>	<u>Est. of cost</u>
<u>General Contract</u>		
(16 bids received)		
Mason & Isabel, Inc. (Cols.)		
Base bid	\$ 20,500.00	\$ 24,123.49
<u>Heating and Air Conditioning Contract</u>		
(12 bids received)		
The Kuempel Co. (Cols.)		
Base bid	\$ 27,240.00	\$ 31,400.00
Alt. H & AC-1 Substitute Chill		
Water for Direct Expansion	1,540.00	3,000.00
Total	<u>\$ 28,780.00</u>	<u>\$ 34,400.00</u>
<u>Plumbing Contract</u>		
(6 bids received)		
J. A. Guy, Inc. (Dublin)		
Base bid	\$ 14,700.00	\$ 8,893.00
<u>Electrical Contract</u>		
(7 bids received)		
Pence Electric Co. (Cols.)		
Base bid	\$ 18,940.00	\$ 16,000.00
<u>Laboratory Equipment Contract</u>		
(5 bids received)		
Kewaunee Mfg. Co. (Adrian, Michigan)		
Base bid	\$ 20,633.00	\$ 25,345.00
<u>Total contracts</u>	<u>\$103,553.00</u>	<u>\$108,761.49</u>

Funds for this project will be provided by a grant from the National Institutes of Health in the amount of \$65,782.00, a gift from the Lions Club in the amount of \$33,395.27, an additional gift from the Lions Club in the amount of \$9,000.00, and from Development Fund Account No. 5250 in the amount of \$3,055.36.

VI. REPORT OF AWARD OF CONTRACTS (continued)

D. Dormitory "F" for Women

WHEREAS it is desired to expand the Site Improvement work and bid it as a separate division and to include the air conditioning in the base bids; and

WHEREAS it is desired to readvertise all divisions of the project on a 10-day basis incorporating the changes stated above; Therefore be it

RESOLVED, that all bids received on January 24, 1961, for Dormitory "F" for Women be rejected and that the project be readvertised on a 10-day basis; and be it

FURTHER RESOLVED, that the Vice President, Business and Finance, be authorized to award the contracts in accordance with normal University practice to the lowest and best bidders as a result of the readvertisement.

E. One Gas Fired Package Boiler Unit at the Research Center Boiler House

	<u>Low bid</u>	<u>Est. of cost</u>
(10 bids received)		
Piping Contractors, Inc.	\$12,712.00	\$17,500.00

Funds for this project are provided from Rotary 13425 Utilities, Coal and Gas.

Upon motion of Senator Bricker, seconded by Mr. Rairdon, the above awards of contract and resolution were approved and the action of the Vice President ratified by unanimous roll call vote.

VII. CONTROLLING BOARD APPROVALS

Each numbered approval shown below accomplishes the following purposes:

- 403 Approves the expenditure of \$37,350.00 from Item 070 Remodel Rehearsal Hall, H. B. 1124, to provide funds for equipment for the Industrial Arts Division to be housed in the remodeled area of Rehearsal Hall.
- 406 Approves the transfer of \$65,000.00 from Item 075 Additional Underground Utilities to Item 077 Land Purchases, H. B. 1124, to provide funds for the purchase of six parcels on Frambes Avenue.
- 407 Approves the expenditure of \$50,900.00 from Item 082 Mathematics Building, H. B. 1124, to provide funds for equipment for the building.
- 408 Approves the expenditure of \$145,000.00 from Item 079 Botany and Zoology Building Remodeling and Expansion, H. B. 1124, to provide funds for equipment for this building.

VII. CONTROLLING BOARD APPROVALS (continued)

- 409 Approves the purchase of Lots 122, 119, 125, 117, 116 and 115 all located in R. P. Woodruff's Agricultural College Addition, City of Columbus, Franklin County, Ohio, for \$91,500.00 from C. Russell Thompson, Frambes Company, Gertrude L. Bender, and Ronald L. Taylor and authorizes the release and expenditure from Item 077 Land Purchases, H. B. 1124, of \$94,335.62 for this land and accompanying expenses.
- 411 Approves the expenditure of \$30,274.00 from Item 081 Improvement of Existing Physical Plant, H. B. 1124, to provide funds for the following projects:
- Starling Loving Hall, Replace floors on M Wing and Lighting
 - Plumb Hall, Roof Repairs
 - University School, Extra on Stonework Contract
 - Robinson Laboratory, Repair of Smokestack
 - Power Plant, Coal Hopper Wall Hoist
 - University Hall, Revamping Heating and Ventilating System
 - Tunnels, Paint exposed metal pipes
 - Power Plant, Repairs to Janitors' Area
 - Architect Fees and Contingencies
- 412 Approves the expenditure of \$1,551.25 from Item 068 Remodel Hagerty Hall, H. B. 1124, to provide funds for a circulation counter for the Commerce College Library.
- 413 Approves the expenditure and transfer of \$66,000.00 from Item 081 Improvement of Existing Physical Plant to Item 884 Administration Building Remodeling Third Floor, H. B. 1124, to provide funds for the completion of this project.

VIII. MISCELLANEOUS - FROM OFFICE OF BUSINESS AND FINANCE

A. Installation of Capacitors in the Power Plant,
Employment of Engineer

It is recommended that the firm of Fosdick and Hilmer, Cincinnati, Ohio, be employed to provide engineering services, consisting of preparation of plans and specifications, taking of bids and supervision of work.

The fee for this service would be 6 per cent of the cost of the project. The estimate for the fee is \$3,000.00.

Funds for this service will be provided by a transfer from Rotary 13425 to an appropriate building account.

Upon motion of Mr. Loop, seconded by Senator Bricker, the above recommendation was unanimously approved by roll call vote.

B. University Hospital, North Wing; Replace Laboratory Acid Drains,
Employment of Engineer

It is recommended that the firm of Ralph J. Kramer, Comer and Passe, Columbus, Ohio, be employed to provide engineering services to prepare plans and specifications for replacement of existing ceramic piping in

laboratory waste drainage system, with acid resisting cast iron piping. These services will include supervision of work.

The fee for this service will be calculated on the basis of \$7.50 per hour for a principal and \$6.00 per hour for an engineer but not to exceed a total of \$2,500.00.

Funds for this service will be provided from Item 088 Improvement of Existing Physical Plant, University Hospital, H. B. 1124.

Upon motion of Mr. Loop, seconded by Senator Bricker, the above recommendation was unanimously approved by roll call vote.

C. Repairs and Equipment for Janitor's Area, Power Plant, Employment of Architectural and Engineering Services

It is recommended that Brown, Brubaker and Brandt, Columbus, Ohio, be reimbursed for architectural and engineering services provided for this project including preliminary plans, basic drawings, working drawings, specifications, estimate of cost and necessary bidding documents. The supervision of construction was not included. This service is in addition to that in the same area covered by a previous contract.

The fee will be calculated on the basis of \$9.00 per hour for a principal architect, \$3.50 for a draftsman, and \$2.00 for office and clerical help.

Funds for this project are provided in Item 081 Improvement of Existing Physical Plant, H. B. 1124.

Upon motion of Mr. Loop, seconded by Senator Bricker, the above recommendation was unanimously approved by roll call vote.

D. Administration Building, Remodeling Third Floor Over Atrium, Phase III

The Board of Trustees approved Phase I (structural work and structural flooring) of this project on September 9, 1960. Phase II (electrical work, 3rd floor finished flooring, 2nd floor columns, 2nd floor ceiling and fire-proofing) has been proceeding under small contracts processed through our Purchasing Department. We are now ready to proceed with Phase III (interior remodeling, partitioning, air conditioning, heating and ventilating, 3rd floor lighting and 3rd floor ceiling).

It is recommended that the Vice President, Business and Finance, be authorized to proceed with advertising this portion of the project on a 10-day basis, in the usual manner, when the detailed plans, specifications and estimate of cost are received. The results of this advertising and the award of contracts as recommended will be reported to the Board of Trustees at a later meeting.

VIII. MISCELLANEOUS - FROM OFFICE OF BUSINESS AND FINANCE (continued)

D. Administration Building, Remodeling Third Floor Over Atrium,
Phase III (continued)

A sum of \$80,000.00 was transferred from Item 081 Improvement of Existing Physical Plant to Item 884, H. B. 1124, for this project. It is recommended that an additional sum not to exceed \$15,000.00 be appropriated from the General University Fund to an appropriate building account to defray the cost of completing this project.

Upon motion of Mr. Loop, seconded by Senator Bricker, the above recommendation and appropriation of funds was unanimously approved by roll call vote.

E. Purchase of Buildings and Property, 980 Kinnear Road

It is recommended that the Vice President, Business and Finance, be authorized to proceed with the purchase of the following property from the Bituminous Coal Research, Inc. at a price of \$146,000.00:

Property known as 980 Kinnear Road, being Lots #1 to 5, J. O. Lisle Subdivision, Township of Clinton, County of Franklin, and State of Ohio.

Funds are available for transfer from General University Fund, to a Land Purchases Account to be established in H. B. 831.

Upon motion of Senator Bricker, seconded by Mr. Rairdon, the above recommendation was unanimously approved by roll call vote.

IX. RESOLUTION IN MEMORIAM

A. Robert Nelson Watman

The Board of Trustees expresses its sorrow at the death on December 16, 1960, of Robert Nelson Watman, Associate Professor of Surgery.

The life and career of Robert Nelson Watman was suddenly and tragically concluded in an airline disaster over New York City. In the short space of forty-one years Dr. Watman had established himself as an extraordinarily talented teacher, researcher, and surgeon. However, his intense interest and efforts in the healing arts did not narrow his broad perspectives on the rest of the world around him or his love and devotion to his family. Robert Watman was an avid reader of both scientific and lay literature. His spirit of inquiry was rewarded by an amazing fund of broad knowledge of the world in which we live. His thirst for knowledge was almost an obsession. His success in his hobbies reflected his masterful approach to anything which interested him. Photography was of particular interest to him, and his photographic portraits of his family represent true works of art. He had recently embarked on a new hobby of work with leather, and some beautiful examples of his craft were left on his work bench. Discussions with him on a variety of subjects were always challenging and stimulating. If one preferred a quieter approach and engaged Dr. Watman in chess, he found himself confronted with a rugged adversary.

February 10, 1961 meeting, Board of Trustees

IX. RESOLUTION IN MEMORIAM (continued)

A. Robert Nelson Watman (continued)

Robert Watman was born in Bayonne, New Jersey, on August 11, 1919. He was raised in the atmosphere of great respect for education held by his parents, Mr. and Mrs. Albert Watman. The breadth of approach which he developed undoubtedly was influenced by his father, who had degrees in both pharmacy and law. He attended the public schools in Bayonne, New Jersey, received his A. B. degree in 1940 from Columbia University, his medical degree from Georgetown University in 1943, and interned at New York Polyclinic Hospital. He then entered the Navy as a lieutenant in the Medical Corps and was stationed at the U. S. Naval Hospital, Portsmouth, Virginia, from 1946 to 1948. Following his naval service he became an Instructor in Physiology at the University of Rochester until 1951. He then returned to New York Polyclinic Hospital as a Resident in Surgery from 1951 to 1952. He came to The Ohio State University Hospital, where he served as Senior Assistant Resident in Surgery from August, 1952, to July, 1953, after which he became Resident in Surgery until January, 1954, and then Chief Resident until July, 1954. At this time he was made an Assistant Professor in Surgery and also became the first Ohio State University recipient of the coveted Markle Fellowship, which he held until July, 1959. At this time he was made Associate Professor of Surgery.

Dr. Watman was certified by the American Board of Surgery in 1956. His memberships in societies included: American College of Surgeons, Society of University Surgeons, Sigma Xi Honorary Fraternity, Ohio State Surgical Society, Columbus Surgical Society, Columbus Academy of Medicine, Ohio State Medical Association, and the American Medical Association. He was on the research committees for the National Kidney Disease Foundation and the Central Ohio Heart Association. He was a member of Phi Delta Epsilon Fraternity.

Research interests of Robert Watman were predominantly in the field of gastrointestinal pathophysiology, and he had published some 28 papers.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

X. REPORTS

**A. Investment Portfolio Management Procedure--
Report of Ad Hoc Committee**

Mr. Loop presented the following report of the Board of Trustees ad hoc committee on Investment Portfolio Management Procedure:

Historical Review

The ad hoc committee on Investment Portfolio Management Procedure was appointed by Chairman Allyn at the September 9, 1960 meeting of the Board of Trustees held at Gibraltar Island.

X. REPORTS (continued)

A. Investment Portfolio Management Procedure--
Report of Ad Hoc Committee (continued)

The charge to the committee was to study the method of managing The Ohio State University investment portfolio, compared to the systems used by other large universities in the management of their respective portfolios.

Accordingly, the chairman of the ad hoc committee requested Gordon B. Carson, Vice President of Business and Finance, to survey a reasonable number of comparable universities and report the findings to the committee. This procedure was followed, and written reports were sent to the committee on September 30 and October 6, 1960.

Summary of Results

Nine universities were surveyed through personal or telephone contact with a responsible fiscal officer. Of the nine, only one, Michigan State University, used an investment counseling firm in the direct management of the fund. Two used the Trust Departments of their banks for counsel. None of the nine turned over their funds to investment counseling and management services for complete management.

As a result, it was concluded that The Ohio State University Trustees would continue their direct management of the fund through an investment committee with the Vice President of Business and Finance and his assistants as the direct management for the fund.

Tabulation of Results

<u>University</u>	<u>Size of Fund¹</u>	<u>How Managed?</u>
University of Chicago	\$190,564,000	Full-time manager on university staff to Investment Committee
Harvard University	625,000,000	Paul Cabot, Treasurer (State Street Investors) to Investment Committee
University of Illinois	7,000,000	Bank Counsel to Vice President and Comptroller to Investment Committee
University of Indiana	9,000,000	Vice President and Treasurer to Investment Committee
University of Michigan	34,343,530	Bank Counsel to Vice President to Investment Committee
Michigan State University	10,000,000	Investment Counsel to Vice President, Business and Finance, to Investment Committee
University of Minnesota	23,000,000	Vice President, Business Administration, to Investment Committee
Northwestern University	160,000,000	Head, Investment Department to Investment Committee
Ohio State University	19,813,891	Investment Counsel to Vice President, Business and Finance, to Investment Committee
Yale University	300,000,000	Treasurer and Investment Officer to Investment Committee

¹Not all funds are reported as of the same date.

X. REPORTS (continued)

A. Investment Portfolio Management Procedure--
Report of Ad Hoc Committee (continued)

Investment Counsel

The engagement of Standard and Poor's, New York City, as investment counsel for October, November, and December, 1960, was approved. It was understood that if the services of the firm were satisfactory, the retention of their services would be extended through September 30, 1961. The cost of the service is \$1,500.00 for three months, or \$5,500.00 if their services are retained for a full year.

Modus Operandi

The Vice President of Business and Finance was requested to maintain liaison with Standard and Poor's and provide the Investment Committee with a report on their recommendations each month. The Committee then will act upon these recommendations, after which sales and purchases will be made in accordance with approved buy and sell lists, with timing to be determined by the market conditions most advantageous to the University.

Further, the policy is to adhere to the following rules:

1. Common stocks only in permanent investments.
2. Short-term government and agency bonds for interim investment.
3. Stay fully invested.

No firm or person engaged in the buying or selling of securities is to be used as an investment counselor.

Upon Committee request, Investment Counsel is to appear before it to make such reports as the Committee may designate.

Conclusions

The Committee recommended to the Board of Trustees at the October 10, 1960, meeting at Wooster, Ohio, that the foregoing modus operandi be adopted and that The Ohio State University Investment Portfolio continue to be managed by the Board of Trustees, through its Investment Committee to the Vice President of Business and Finance, with the advice and counsel of Standard and Poor's.

Upon motion of Mr. Loop, seconded by Mr. Rairdon, the above report was unanimously adopted by roll call vote.

B. Report on Investment Portfolio

The report on the University's Investment Portfolio dated January 31, 1961, was presented to the Board of Trustees. The Secretary was instructed to file a copy of the report with the official records of the Board of Trustees.

March 10, 1961 meeting, Board of Trustees

President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Degrees Conferred - Winter Quarter Convocation - March 17, 1961

It is recommended that degrees be conferred at the Winter Quarter Convocation on March 17, 1961, to those students who complete their requirements and are recommended by the Faculty Council for degrees at this date. The names of those awarded degrees will be included in the minutes of this meeting.

Upon motion of Mr. Rairdon, seconded by Mr. Patton, the above recommendation was unanimously approved by roll call vote.

B. Nomination for Honorary Degree - Howard Mumford Jones

On February 14, 1961, the Faculty Council recommended that the honorary degree Doctor of Humane Letters be awarded at an appropriate and acceptable date to Howard Mumford Jones.

I therefore recommend that the Board of Trustees approve the Faculty Council's recommendation and that the degree indicated be conferred at the June Commencement, 1961, or at one of the Commencements of the year 1961-62.

Upon motion of Mr. Rairdon, seconded by Mr. Loop, the above recommendation was unanimously approved by roll call vote.

III. GENERAL CONTRACTS AND AGREEMENTS

A. The Ohio State University and

The Ohio State University Research Foundation

It is recommended that the research agreements heretofore entered into between The Ohio State University and The Ohio State University Research Foundation setting up the following projects be reported to the Board of Trustees for information and record:

1. Government Contracts - Federal

- a. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for an investigation of Thermometric Measurement of Tissue Blood Flow in Humans (to be known as National Institutes of Health Project No. 767-Ext. #4 - Department of Medicine).
Gross Value - \$15, 398. 00.

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

1. Government Contracts - Federal (cont.)

- b. Commander, Air Force Office of Scientific Research, Washington 25, D. C., for an investigation of Electrical Properties of High-Purity Boron (to be known as Air Force Office of Scientific Research Project No. 829 - Sup. #3 - Department of Electrical Engineering). Gross Value - \$10,000.00.
- c. Commander, Air Force Command & Control Development Division, ARDC, Laurence G. Hanscom Field, Bedford, Mass., for an investigation of Spectroscopy of the Far Infrared Region (to be known as Air Force Command & Control Development Division Project No. 843-Sup. #3 - Department of Physics). Gross Value - \$40,000.00.
- d. Commander, Air Force Office of Scientific Research, Washington 25, D. C., for an investigation of Productivity in the Research Team (to be known as Air Force Office of Scientific Research Project No. 857-Sup. #4 - Engineering Experiment Station). Gross Value - \$43,800.00.
- e. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for an investigation of Constancy of Mandibular Rest Position (to be known as National Institutes of Health Project No. 907 - Ext. #2 - College of Dentistry). Gross Value - \$9,143.00.
- f. Commander, Wright Air Development Division, Wright-Patterson Air Force Base, Ohio, for Fundamental Research on Physical Electronics at Millimeter Wavelengths (to be known as Wright Air Development Division Project No. 927 - Sup. #5 - Department of Electrical Engineering). Gross Value - \$25,000.00.
- g. Commander, Wright Air Development Division, Wright-Patterson Air Force Base, Ohio, for Intermittent Research Analysis (to be known as Wright Air Development Division Project No. 930 - Mod. #5 - OSURF). Gross Value - \$30,000.00.
- h. Air Force Command & Control Development Division, ARDC, Laurence G. Hanscom Field, Bedford, Mass., for Analysis of Global and Special Gravity Measurements (to be known as Air Force Command & Control Development Division Project No. 1058 - Mod. #1 - Department of Geology). Gross Value - \$84,117.00.

March 10, 1961 meeting, Board of Trustees

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

1. Government Contracts - Federal (cont.)

- i. Base Procurement Office, Hq. Aeronautical Chart & Information Center, United States Air Force, Second & Arsenal Streets, St. Louis 18, Missouri, for Collection Reduction and Processing of Gravity Information (to be known as Aeronautical Chart & Information Center Project No. 1071-Sup. #3 - Department of Geology).
Gross Value - \$98,560.00.
- j. Commander, Wright Air Development Division, Wright-Patterson Air Force Base, Ohio, for an investigation of The Efficacy of Various Bands of Electromagnetic Spectrum in the Production of Chorioretinal Burns (to be known as Wright Air Development Division Project No. 1170 - C. O. #2 - Institute for Research in Vision).
Gross Value - \$32,755.00.
- k. Commander, Wright Air Development Division, Wright-Patterson Air Force Base, Ohio, for an investigation of Guidance and Sensing Techniques for Advanced Vehicles (to be known as Wright Air Development Division Project No. 1222 - New - Department of Electrical Engineering).
Gross Value - \$199,020.00.
- l. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for Collection and Allocation of Blood for Community Use (to be known as National Institutes of Health Project No. 1234 - New - Engineering Experiment Station).
Gross Value - \$17,032.00.
- m. International Cooperation Administration, Washington 25, D. C., for Refresher Training Courses in Supply Management for ICA Advisors (to be known as International Cooperation Administration Project No. 1236 - New - Department of Business Organization).
Gross Value - \$10,000.00.
- n. Commander, Wright Air Development Division, Wright-Patterson Air Force Base, Ohio, for Experimental Study of Boundary Layer Phenomena (to be known as Wright Air Development Division Project No. 1237 - New - Department of Aeronautical and Astronautical Engineering).
Gross Value - \$69,000.00.
- o. Commander, Wright Air Development Division, Wright-Patterson Air Force Base, Ohio, for Study of the Kinematics of Light and Dark Adaption (to be known as Wright Air Development Division Project No. 1238 - New - School of Optometry).
Gross Value - \$10,000.00.

March 10, 1961 meeting, Board of Trustees

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

1. Government Contracts - Federal (cont.)

- p. Commander, Wright Air Development Division, Wright-Patterson Air Force Base, Ohio, for Research to Determine the Inhibiting Effects of Borders on Visibility (to be known as Wright Air Development Division Project No. 1241 - New - School of Optometry).
Gross Value - \$14,905.00.
- q. Classified Program (to be known as Classified Program Project No. 1083 - Sup. #5 - Department of Electrical Engineering).
Gross Value - \$80,000.00.
- r. Classified Program (to be known as Classified Program Project No. 1186-Change #3 - Department of Aeronautical and Astronautical Engineering).
Gross Value - \$43,100.00.

TOTAL - Government Contracts - Federal \$831,830.00.

2. Industrial and Other Contracts

- a. Firestone Tire and Rubber Company, Akron 17, Ohio, for an investigation of Health Hazards of Certain Compounds and Products (to be known as Firestone Tire and Rubber Company Project No. 246 - Ext. #15 - Department of Pathology).
Gross Value - \$19,152.00.
- b. Holland-Rantos Company, Inc., 145 Hudson Street, New York 13, New York, for an investigation of New Progestin Compounds (to be known as Holland-Rantos Company, Inc. Project No. 1239 - New - Department of Obstetrics and Gynecology).
Gross Value - \$125,100.00.

TOTAL - Industrial and Other Contracts - \$144,252.00.

The foregoing twenty contracts for research in cooperation with Government, Industry, and Other represent a gross income of \$976,082.00.

Upon motion of Mr. Loop, seconded by Mr. Rairdon, the above contracts were unanimously approved.

B. The Report of the Research Contracts from the
Engineering Experiment Station

During the period from January 27, 1961 through February 23, 1961, the Engineering Experiment Station of The Ohio State University entered into the following research contracts. These research contracts are reported to the Board of Trustees for information and record.

IV. GIFTS

It is recommended that the following gift be accepted for the University and the appreciation of the Board of Trustees be appropriately expressed:

A. Administered Through the Development Fund

- 1. \$2, 000. 00 for the Arthur E. Baggs Memorial Fund.

Arthur E. Baggs Memorial Fund

The Arthur E. Baggs Memorial Fund was established February 14, 1961 by gifts through the Development Fund in memory of Arthur E. Baggs. The principal is to be invested in accordance with Section 3335. 12 G. C. , the income to be used for scholarships to students in Ceramic Art.

Should the need for such scholarships cease to exist or so diminish as to create unused income, then the Board of Trustees of the University may use said income for any purpose in its discretion, preference to be given, however, to scholarships or items in the field of the creative arts.

Upon motion of Mr. Patton, seconded by Mr. Rairdon, the foregoing gift was accepted by unanimous vote.

B. Report from The Ohio State University Development Fund

I wish to report that in January, 1961, The Ohio State University Development Fund received gifts on behalf of the University as follows:

	<u>No. of Gifts</u>	<u>Amount</u>
Alumni	565	\$ 18, 915. 98
Individuals, Other Than Alumni	67	1, 733. 34
Non-Profit Organizations	43	49, 419. 68
Business Concerns	21	51, 710. 00
	<u>696</u>	<u>\$121, 779. 00</u>

March 10, 1961 meeting, Board of Trustees

IV. GIFTS (continued)

B. Report from The Ohio State University Development Fund (continued)

Of these gifts, 434 totaling \$7,394.25 were undesignated and 262 totaling \$114,384.75 were designated for special projects.

V. APPROPRIATIONS AND TRANSFERS OF FUNDS

A. Annual Recognition Dinner - May 9, 1961

Upon the request of the Committee on Recognitions, it is recommended that the Annual Recognition Dinner given by the Board of Trustees be held on Tuesday, May 9, 1961, at 6:15 p.m. in the Ohio Union, and that a sum not to exceed \$2,500.00 be appropriated from Rotary 4002 to cover the expenses.

Upon motion of Mr. Rairdon, seconded by Mr. Loop, the above appropriation of funds was unanimously approved by roll call vote.

B. McPherson Low-Level Radiation Laboratory

Upon the request of the Vice President, Business and Finance, I recommend that funds not to exceed the amount of \$20,000.00 be allocated from the General University Fund to the construction account for McPherson Low-Level Radiation Laboratory. This amount will be used as a portion of the total University funds for the project, which will match a grant in the amount of \$55,000.00 from the National Science Foundation.

Upon motion of Mr. Rairdon, seconded by Mr. Patton, the above appropriation of funds was unanimously approved by roll call vote.

C. Revision of 1960-61 Budget for Mershon Fund -- Education in National Security

Upon the request of the Mershon Committee on Education in National Security and with the concurrence of the Vice President of Instruction and Research, Frederic Heimberger, and Vice President of Business and Finance, Gordon Carson, I recommend that the budget for the restricted portion of the Ralph D. Mershon Fund (as approved by this Board on June 11, 1960) be revised to provide for the following items of national security research equipment:

- 1. A microprobe analyzer to be used by the Department of Metallurgical Engineering (An additional \$30,000.00 to be provided by the Council on Research and the College of Engineering) \$45,000.00
- 2. A multi-channel radio telescope receiver to be used for research in radio-astronomy \$50,000.00

Funds for the above items are available in the current budget from the amount allocated for the salaries of five Mershon Professors, whose services could not be acquired until the 1961-62 academic year, and other savings accrued during this fiscal year.

Upon motion of Mr. Loop, seconded by Mr. Patton, the above recommendation was unanimously approved by roll call vote.

VI. EXTRAS AND CREDITS TO CONTRACTS

At the request of the Council on Business Affairs, and with the concurrence of the Cabinet, I recommend that the Extra and Credit Orders as outlined below be approved by the Board of Trustees and submitted to the Director of Finance, State of Ohio, for approval and allocation of funds from Item 850 Capital Improvements, H. B. 1124 (in accordance with the provisions of H. B. 1124) unless a source of funds in each case is otherwise indicated:

A. Remodel McPherson Laboratory

General Contract

It is recommended that the following changes be made:

1. Remodel existing equipment in Room 191 including 3 large new stainless steel sinks, covers over existing sinks and new reagent shelves on 3 laboratory tables. Add \$1,300.00.
2. Provide one enameled metal partition, as a screen for urinals in Men's Toilet Room in northeast corner of building. Add \$85.00.

Total addition \$1,385.00

Heating and Ventilating Contract

It is recommended that the following changes be made:

1. Furnish and install the necessary duct work connecting Rooms 166 and 170 with a nearby roof ventilator, in order to provide the necessary exhaust of air from these rooms. Add \$185.00.
2. Move exhaust hood over an existing laboratory table to a position over the center of the table. Add \$213.00.

Total addition \$ 398.00

Funds will be provided for these extra orders from Item 067 Remodel McPherson Laboratory, H. B. 1124, or the Department of Chemistry Rotary.

B. Animal Science Building and Remodeling of Plumb Hall

Plumbing Contract

It is recommended that the following changes be made:

1. Reroute an existing condensate line in Room 121 to make room for a new chalkboard. Add \$99.00.
2. Raise the floor drain in Locker Room 102 to permit the installation of a new floor and shower pan which was authorized as an extra on the General Contract. Add \$98.00.

Total addition \$ 197.00

X. MISCELLANEOUS - FROM OFFICE OF BUSINESS AND FINANCE

A. Remodel Hagerty Hall
Employment of Architect

It is recommended that Sam Ingwersen, Architect, Columbus, Ohio, be employed to provide complete architectural and engineering services for this project including preliminary plans, basic drawings, working drawings, specifications, estimate of cost, necessary bidding documents and complete supervision of construction.

The fee for this service will be calculated at an hourly rate of \$7.00 per hour, the total fee not to exceed \$2,150.00. Funds will be provided from Item 068 Remodel Hagerty Hall, H. B. 1124.

Upon motion of Mr. Rairdon, seconded by Mr. Patton, the above recommendation was unanimously approved by roll call vote.

B. College of Veterinary Medicine, Clinical Unit Building
Additional Fee for Architects

It is recommended that the architectural firm of Bellman, Gillett & Richards be granted additional compensation in the amount of \$3,000.00 for services rendered in connection with the redesign of the foundation and site plan required because of the University decision to move the building to the north of the original location after the design of the foundation and site plan had been completed.

The fee is calculated on an actual cost plus overhead and profit basis and funds are available in Item 065 College of Veterinary Medicine, Clinical Unit Building, H. B. 1124.

Upon motion of Mr. Patton, seconded by Mr. Rairdon, the above recommendation was unanimously approved by roll call vote.

C. Purchase of Buildings and Property, 85 West Frambes Avenue

It is recommended that the Vice President, Business and Finance, be authorized to proceed with the purchase of the following property from Ronald L. Taylor, at a price of \$14,000.00:

C. Purchase of Buildings and Property, 85 West Frambes Avenue (continued)

Property known as 85 West Frambes Avenue, being Lot #119 of R. P. Woodruff's Agricultural College Addition, City of Columbus, County of Franklin, State of Ohio.

Funds are available for this property in Item 077 Land Purchases, H. B. 1124.

Upon motion of Mr. Loop, seconded by Mr. Rairdon, the above recommendation was unanimously approved by roll call vote.

D. Purchase of Buildings and Property, 75 West Frambes Avenue

In accordance with the Board of Trustees' resolution of December 9, 1960, requesting the Director of Public Works to appropriate property for the University, negotiations for the purchase of the following property from Gertrude L. Bender have been concluded and the purchase price of \$15,500.00 accepted:

Property known as 75 West Frambes Avenue, being Lot #122 of R. P. Woodruff's Agricultural College Addition, City of Columbus, County of Franklin, State of Ohio.

Funds were provided for this property in Item 077 Land Purchases, H. B. 1124.

Upon motion of Mr. Loop, seconded by Mr. Rairdon, the above action by the Vice President, Business and Finance, relative to the purchase of this property was unanimously ratified by roll call vote.

E. Demolition of Buildings

Upon the request of the Vice President, Business and Finance, and with the concurrence of the Cabinet, it is recommended that all buildings located on property known as 31-33, 37-39, 41, 51, and 75 West Frambes Avenue be demolished as soon as practical. This demolition shall be advertised in the usual manner.

Upon motion of Mr. Rairdon, seconded by Mr. Patton, the above recommendation was unanimously approved by roll call vote.

XI. RESOLUTIONS IN MEMORIAM

A. Mary C. Basinger

The Board of Trustees expresses its sorrow at the death on January 21, 1961, of Miss Mary C. Basinger, an Instructor in the English Department.

Born September 10, 1912, near Columbus Grove, Ohio, she attended the public schools of Columbus Grove and received her B. A. degree from Bluffton College in 1935. She received her M. A. from The Ohio State University in 1942 and at the time of her death had completed all the work for her Ph. D. at Ohio State, save finishing her dissertation. She had taught in the Columbus

A. Mary C. Basinger (continued)

Grove, Castalia, and Maple Heights High Schools and at Kent State University before beginning her work for her Ph. D. at Ohio State.

In 1950 Miss Basinger accepted a graduate assistantship in the English Department and remained with the Department to the time of her death. In 1958 she became an Instructor.

Miss Basinger belonged to the sixth generation of a Swiss and German family of Mennonite faith and tradition. From it came an acute conscience, a sharp intelligence, and an unwavering sense of values. She was a superb teacher. Every student was an individual human being to her to be guided, disciplined, and loved. Had her health permitted, she would have been equally accomplished as a scholar. Because of severe ill health over several years, however, her scholarly work was never finished to her own satisfaction. Her memorial will be her students and the affectionate memories of her colleagues, who cherished her fine, crisp intelligence, her humor, and her gallant bravery in the face of tremendous odds.

On behalf of the entire University the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

B. William Abner Knight

The Board of Trustees expresses its sorrow at the death on January 15, 1961, of William Abner Knight, Professor Emeritus of Mechanical Practice.

Professor Knight's connection with the University covered a period of 68 years, 39 of which were spent in active teaching service and the remaining 29 as a Professor Emeritus.

Born in Franklin County, Ohio, in 1864, he came to the University in 1893 after having completed some 13 years in industrial practice. His first position here was that of Assistant in the Industrial Department and Foreman of the University Machine Shops, a position he held from 1893 to 1898. In 1898 he was promoted to Assistant in Industrial Arts and Instructor in Machine Work. Further promotions came to him, and he moved through the academic ranks until he was made Professor of Machine Shop Practice in 1919. His area of activity was transferred to the newly formed Department of Industrial Engineering in 1925, and here he remained as Professor of Mechanical Practice until his retirement in 1932.

Professor Knight continued his studies on both a formal and informal basis after he came on the campus. In 1900 he was awarded the degree, Mechanical Engineer. His work in the area of machine practice resulted in a series of publications widely known and generally used, and he studied intensively the question of power losses in the electric motors used to power the machines. He was also interested in developing himself in other areas of learning, including the Einstein Theory and radio technology. His continuing desire to learn is illustrated by the fact that at the age of 96 he purchased a typewriter and taught himself to use the machine efficiently.

March 10, 1961 meeting, Board of Trustees

XI. RESOLUTIONS IN MEMORIAM (continued)

B. William Abner Knight (continued)

He was a prolific "teller of tales," and this coupled with his photographic memory endeared him to many of his former students. He could relate incidents about Charles Kettering, James Lincoln, and many others. Professor Knight became an ardent sportsman, fisherman, and naturalist, and made many trips with members of the faculty of that day. He built his own equipment and continued these activities well into his eighties.

Although his contemporaries and many of his former students have departed before him, there are still those who will remember him as a sentinel of a bygone age of individualists who were masters of what they taught and who were intensely interested in all those who came to them. It was men like William Abner Knight who built the reputation of this University to its present stature.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

C. Cecil Clare North

The Board of Trustees expresses its sorrow at the death of Cecil Clare North, Professor Emeritus of Sociology. Cecil Clare North died at St. Petersburg, Florida on January 30, 1961, at the age of 83. He was born at Lennox, Iowa, August 21, 1878. He was graduated from the University of Nebraska in 1902 with the degree Bachelor of Arts. The following year he studied at Yale University and then transferred to The University of Chicago, where he received the B. D. degree in 1905 and the Ph. D. in 1908.

Dr. North taught for eight years at DePauw University, and then in 1916 joined the faculty at The Ohio State University as an Assistant Professor of Sociology. He was made a Professor in 1918, which position he held until his retirement in 1948. He was married on August 14, 1913, to Georgia Etta Headley, who survives him.

In addition to numerous articles in professional journals, Dr. North was the author of four books. Sociological Implications of Ricardo's Economics appeared in 1915; Social Differentiation in 1926; The Community and Social Welfare in 1931; and Social Problems and Social Planning in 1932. This last volume enjoyed wide popularity as a textbook in American colleges and universities for a decade following its publication.

Dr. North was not one to isolate himself in an ivory tower but was continually involved in public affairs. During World War I he helped organize recreational and social activities in various communities where army training camps had been established, and he participated in many social and welfare organizations and movements in Columbus. He was a member of the Congregational Church, the Urban League, the Ohio Valley Sociological Society, and the American Sociological Association, serving a term as a member of its executive committee.

March 10, 1961 meeting, Board of Trustees

XI. RESOLUTIONS IN MEMORIAM (continued)

C. Cecil Clare North (continued)

Professor North was a man of deep convictions, and he had the courage to make his position known. There was never any doubt as to where he stood. Whenever there arose an issue of academic freedom or of injustice to minority groups, one could be sure that Dr. North would be found in the thick of the controversy.

Teaching, however, was his great passion. Nowhere was he happier than in the classroom. He took his teaching responsibilities with utmost seriousness. The preparation of his lectures and the conduct of his classes received his painstaking attention, and he devoted interminable hours to his students and their problems. When the University's compulsory rule demanded his retirement at the age of seventy, he tried every honorable means of circumventing it. When his efforts failed, he sought the privilege of teaching elsewhere, and for a time he taught at the College of Wooster and at Kent State University until failing health and strength forced him to retire to Florida.

Those who studied under him or worked with him remember him affectionately as a serious, courageous, devoted and challenging teacher, friend and colleague.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

D. Joseph Boyce Leeper

The Board of Trustees expresses its sorrow at the death on February 24, 1961, of Dr. Joseph Boyce Leeper, Assistant Professor of Dentistry.

Dr. Leeper entered the College of Dentistry in 1945 after a distinguished war record with the 8th Air Force in England. He held the Commission of Captain in the Air Force and received ten separate awards for meritorious service. He received his dental degree in 1949 and joined the faculty of the College of Dentistry as a part-time teacher in 1951. Two years later he gave up his private practice and since that time had devoted full time to teaching.

Dr. Leeper was active in all University affairs and, at the time of his death, was the representative of the College of Dentistry to the University Faculty Council. He was a member of the Columbus Dental Society, the Ohio State Dental Association, and the American Dental Association. He was also a member of the Overbrook Presbyterian Church and was active in the Masonic Lodge.

Dr. Leeper's contribution to the art and science of dentistry was mainly in clinical procedures. He worked with students and gave generously of his time and knowledge to any who would call upon him, and many did. He was a teacher whose practical approach and fundamental philosophy will continue to guide students in clinical dentistry through the years. He was well liked by both faculty and students.

April 14, 1961 meeting, Board of Trustees

President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Revision of Rules for the University Faculty

On March 14, 1961, the Faculty Council recommended that the Rules for the University Faculty be revised as follows:

1. That the words "without additional fee" be deleted at two places in the present Rule 37.11. The Rule would then read:

37.11. Admission to Courses as an Auditor

An undergraduate or professional student may audit a course upon the approval of the professor in charge of the course and the Dean of the College in which the student is registered. (For repetition of courses see Rule 37.09.) A graduate student may audit a course upon the approval of his adviser, provided the professor in charge of the course assents.

2. That the first sentence of the second paragraph of Rule 43.03 be deleted and that the following sentence be inserted in place thereof:

All fees, including penalties, must be paid on or before the second Friday of each quarter.

3. Implementing the action of the Board of Trustees of February 10, 1961, creating a Department of Geodetic Science, the Faculty Council recommends:

- a. That the words "Geodetic Science" be inserted immediately following the word "Chemistry" in Rule 29.01 b (2).

- b. That the words "Geodetic Science" be inserted following the word "Chemistry" in Rule 27.0701 b (6).

I therefore recommend that these recommendations of the Faculty Council be approved.

Upon motion of Mr. Loop, seconded by Mr. Patton, the above recommendation was unanimously approved by roll call vote.

B. Honorary Degrees

The Faculty Council on March 14, 1961, recommended that the honorary degree Doctor of Laws be conferred upon:

John Shively Knight
John David Millett

and on April 11, 1961, the Council recommended that the honorary degree Doctor of Science be conferred upon:

Albert Bruce Sabin
Glenn Theodore Seaborg

April 14, 1961 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

B. Honorary Degrees (continued)

I therefore recommend that the Board of Trustees approve the Faculty Council recommendations and that these degrees be awarded at the June 1961 Commencement or at one of the Commencements of the year 1961-1962.

Upon motion of Senator Bricker, seconded by Mr. Rairdon, the above recommendation was unanimously approved by roll call vote.

C. Schedule of Library Fines

The University Libraries are now and have for many years by authority of the Board of Trustees been charging only 3¢ per day for overdue general books. The Library Council reports that this charge is now totally unrealistic in view of the present dollar value of books, and the charge therefore almost completely fails to provide incentive for the return of books on time. The purpose of charging fines is to stimulate the return of books on time in order that other students and faculty may have prompt access to them.

General loans are for a generous period of three weeks, and renewals may be made if a given book is not in demand by others.

The Library Council has therefore recommended, and I concur in this recommendation, that the Library be authorized to impose the following schedule of charges beginning Summer Quarter, 1961:

1. Charge of 10¢ per day for an overdue book;
2. Charge an additional 25¢ if the fine is not paid at the time the overdue book is returned;
3. Retain the present reserve book fines of 50¢ for the first hour and 25¢ for each additional hour that the library is open;
4. Retain the present policy of charging the list price of a lost book, in addition to the fine, plus a service charge of \$1.50.

Upon motion of Mr. Patton, seconded by Mr. Loop, the above recommendation was unanimously approved by roll call vote.

D. Schedule for Football Ticket Prices for the 1961 Season

Upon the recommendation of the Athletic Council and with the concurrence of the Vice President, Business and Finance, it is proposed that the following schedule for football ticket prices be approved for the 1961 season:

	Individual Games	Season
All Bleacher Seats	\$3.00	\$15.00
All Reserved Seats	4.50	22.50
All Box Seats	5.50	27.50
Student Activity Cards		12.00
Faculty-Staff Cards		14.00

April 14, 1961 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

D. Schedule for Football Ticket Prices for the 1961 Season (continued)

The above represents a 50 cent increase in the price of all box and stadium reserved seat tickets as approved by the Board of Trustees on May 14, 1956. There will be no increase in bleacher, student, and faculty-staff prices.

Upon motion of Mr. Rairdon, seconded by Mr. Loop, the above recommendation was unanimously approved by roll call vote.

E. Recommendation for the Lamme Medal - Wolsey Garnet Worcester

Upon the recommendation of the Faculty Honors and Awards Committee of the College of Engineering, I propose that Wolsey Garnet Worcester, Professor Emeritus of Ceramic Engineering, University of Saskatchewan, be awarded the Benjamin G. Lamme Medal at the June Commencement, 1961.

Upon motion of Senator Bricker, seconded by Mr. Davis, the above recommendation was unanimously approved by roll call vote.

F. Amendments to the Code of Motor Vehicle Regulations for The Ohio State University

Upon the advice and counsel of the Office of the Attorney General of Ohio, it is recommended that paragraphs A and B of the Motor Vehicle Regulations for Students and Visitors, Part III, which were adopted by the Board of Trustees on February 10, 1961, be amended as follows and that regulation H be added:

A. Visitor is defined as any person other than a student, faculty member, or non-faculty employee of The Ohio State University.

B. Visitors shall comply with all University traffic regulations and shall be prima facie responsible for such compliance by all uses of their vehicles.

H. If any vehicle is found upon a street or other grounds of The Ohio State University in violation of any of the motor vehicle regulations of The Ohio State University and the identity of the driver cannot be determined, the owner or person in whose name such vehicle is registered with the Bureau of Motor Vehicles of the State of Ohio or with a similar registry of another state, province, or territory, if such vehicle is not registered with The Ohio State University pursuant to Part I, Section 1, or Part II, Section 2, of the Motor Vehicle Regulations of The Ohio State University, shall be held prima facie responsible for such violation.

Upon motion of Mr. Davis, seconded by Mr. Rairdon, the above recommendation was unanimously approved by roll call vote.

G. Renaming of Rehearsal Hall - "Industrial Arts Laboratory"

Upon the recommendation of Frederick Stecker, Executive Director of University Relations, and with the concurrence of the President's Cabinet, it is proposed that Rehearsal Hall be renamed "Industrial Arts Laboratory."

April 14, 1961 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

G. Renaming of Rehearsal Hall - "Industrial Arts Laboratory" (continued)

This recommendation is in accordance with the By-Laws of the Board of Trustees and is hereby recommended for approval by the Board.

Upon motion of Mr. Patton, seconded by Senator Bricker, the above recommendation was unanimously approved by roll call vote.

H. Urban Renewal Studies

The Board of Trustees on October 10, 1960, approved a map as a preliminary plan to be used in connection with the proposed urban renewal project north of the campus. New maps, with an accompanying explanatory text, have been prepared to meet certain technical requirements. It is now recommended that the approval of the preliminary plan on October 10, 1960, be rescinded, that the new maps and text be approved as a development plan for the main campus area, that they be furnished to the City of Columbus for use in the development and prosecution of an urban renewal project or projects in the campus area, and that the Secretary be instructed to file the map with the official records of the Board of Trustees.

Upon motion of Mr. Rairdon, seconded by Mr. Davis, the above recommendation was unanimously approved by roll call vote.

The foregoing two contracts for research at the Engineering Experiment Station represent a gross income of \$148,500.00.

C. School of Social Work - Graduate Program in Cincinnati Area

On April 10, 1959, the Board of Trustees approved an agreement between the Community Chest and Council of the Cincinnati Area, the University of Cincinnati and The Ohio State University for the purpose of establishing a graduate program of Social Work Education in Cincinnati, Ohio, for the period October 1, 1959 through September 30, 1961. This program has been financed by fees paid to The Ohio State University by students enrolled in the Cincinnati Center and from funds supplied by the Board of Trustees of the Community Chest and Council of the Cincinnati Area. The physical facilities and library services are provided by the University of Cincinnati.

It is now recommended that the President be authorized to sign an agreement which will continue this program to be financed as follows:

1. Student fees shall be charged at the rate of \$18.00 per credit hour per quarter, effective with the Autumn Quarter of 1961 and shall thereafter be charged at the same rate as applies in all other off-campus educational programs operated by The Ohio State University at the graduate level.
2. Expenditures essential for the operation of the Cincinnati Center - School of Social Work, not available from student fees, will be provided by the Community Chest and Council of the Cincinnati Area, up to \$15,000.00 each year, and for the period from October 1, 1961 through September 30, 1964.

Upon motion of Mr. Davis, seconded by Mr. Loop, the Board of Trustees by unanimous vote authorized the President to sign an agreement for continuation of the School of Social Work - Graduate Program in Cincinnati Area.

IV. GIFTS

A. Report from The Ohio State University Development Fund

1. I wish to report that in February, 1961, The Ohio State University Development Fund received gifts on behalf of the University as follows:

	<u>No. of Gifts</u>	<u>Amount</u>
Alumni	210	\$11,328.03
Individuals, Other Than Alumni	70	935.90
Non-Profit Organizations	23	29,195.18
Business Concerns	13	8,211.36
	<u>316</u>	<u>\$49,670.47</u>

Of these gifts, 133 totaling \$943.75 were undesignated and 183 totaling \$48,726.72 were designated.

2. The Board of Directors of the Development Fund has approved an allocation in the amount of \$152,000.00 for the Development Fund's 1961 program. The list of specific projects is filed with the official records of the Board of Trustees.

V. APPROPRIATIONS AND TRANSFERS OF FUNDS

A. Computer Laboratory

On April 11, 1958, the Board of Trustees authorized an expenditure of \$395,000.00 from the Civilian Military portion of the Mershon Income over a four-year period to meet certain expenses in connection with the installation, rental, and operation of the major digital computer.

Present equipment restricts the level of research endeavor which the University has the competency to perform. The computer capacity must therefore be expanded, thus requiring an increase in expenditures for rental of high-speed digital computer equipment and salaries for personal service for the fiscal year 1961-62.

It is therefore recommended that an amount not to exceed \$115,000.00 be appropriated from the Civilian Military portion of the Mershon Income in order to meet these additional expenses.

Upon motion of Mr. Ketner, seconded by Mr. Rairdon, the above appropriation was unanimously approved by roll call vote.

B. Appropriation of \$150,000.00 from Unrestricted Portion of Mershon Income to Scholarship Funds

Upon the recommendation of the University Scholarships and Loans Committee and with the concurrence of the Vice President, Business and Finance, it is requested that the Board of Trustees authorize the appropriation of \$150,000.00 from the unrestricted portion of the Mershon Income to support University scholarships during the 1961-62 academic year. The increase in an amount

V. APPROPRIATIONS AND TRANSFERS OF FUNDS (continued)

B. Appropriation of \$150,000.00 from Unrestricted Portion of Mershon Income to Scholarship Funds (continued)

of \$10,000.00 over last year's appropriation of \$140,000.00 will partially meet the increasing costs of higher education for University students who receive financial aid in recognition of their high scholarship and to increase the number of students who may be served through the scholarship program. This recommendation is in accordance with the policy established by the Board of Trustees on February 7, 1958.

Upon motion of Senator Bricker, seconded by Mr. Ketner, the above appropriation was unanimously approved by roll call vote.

C. Renovation and Repair of Room 324, McPherson Laboratory

On November 11, 1960, the Board of Trustees authorized the employment of an architect to obtain an estimate of cost and to prepare plans and specifications for the complete rehabilitation and replacement of laboratory equipment to be used in this area.

Bids have been received for this project and it is therefore recommended that a sum of money not to exceed \$45,000.00 be appropriated from the General University Fund and transferred to G-2-U Repair of Room 324 and Replacement of Laboratory Equipment, McPherson Laboratory, H. B. 831.

Upon motion of Mr. Rairdon, seconded by Mr. Davis, the above recommendation and transfer of funds was unanimously approved by roll call vote.

D. Aviation Psychology Laboratory Remodeling

On October 10, 1960, the Board of Trustees authorized the employment of an architect to obtain an estimate of cost and to prepare plans and specifications for the remodeling of Aviation Psychology Laboratory.

The estimate of cost for this work is \$110,658.00 and it is therefore recommended that a sum of money not to exceed \$115,000.00 be appropriated from the General University Fund to G-3-D Aviation Psychology Laboratory Remodeling, H. B. 831, so that this project may go forward.

Upon motion of Mr. Patton, seconded by Mr. Loop, the above recommendation was unanimously approved by roll call vote.

E. Land-Grant Centennial Observance

Upon the request of the Land-Grant Centennial Committee, and with the concurrence of the Cabinet, I recommend that an amount not to exceed \$6,500.00 be appropriated from the General University Fund for the purchase of materials and supplies to be used in connection with the Land-Grant Centennial Observance to be held during 1961-62.

Upon motion of Senator Bricker, seconded by Mr. Loop, the above appropriation was unanimously approved by roll call vote.

VI. EXTRAS, CREDITS AND EXTENSIONS OF TIME TO CONTRACTS

At the request of the Council on Business Affairs, and with the concurrence of the Cabinet, I recommend that the Extra and Credit Orders and Extensions of Time to Contracts as outlined below be approved by the Board of Trustees and submitted to the Director of Finance, State of Ohio, for approval and allocation of funds from Item 850 Capital Improvements, H. B. 1124 (in accordance with the provisions of H. B. 1124) unless a source of funds in each case is otherwise indicated:

A. Remodeling of Air Conditioning System, University Hospital

Heating and Air Conditioning Contract

It is recommended that the following work be done:

1. Provide special air filter mounting frames above ceiling grilles in 8 operating rooms and 4 delivery rooms. Add \$441.60.
2. Provide new ceiling diffusers with special filters to replace existing grilles in 6 sub-sterile service rooms and 4 scrub-up rooms. Add \$960.00.
3. Provide special air filter mounting frames above ceiling grilles in 2 nursery suites. Add \$300.40.
4. Provide special air filter mounting frames above ceiling grilles in 7 labor rooms. Add \$208.00.
5. Remove 9 ft. diameter stainless steel reflector recessed in ceiling, provide plastered recess above operating light, in 8 operating rooms. Add \$3,910.00.
6. Omit project sign. Deduct \$195.00.

Net addition \$5,625.00

Electrical Contract

It is recommended that rubber seals and caulking around 88 recessed fluorescent lighting fixtures be provided to protect the operating rooms and adjoining rooms against dust infiltration.

Add \$ 520.96

Funds will be provided by a transfer from Hospital Rotary 807 to G-2-A Remodeling of Air Conditioning System, University Hospital, H. B. 831.

B. Physical Education Building, Repair and Replacement of Exterior Doors

General Contract

It is recommended that the following changes be made:

1. Provide new brackets for door closers which are being reused on 9 pairs of doors and 4 single doors. Add \$90.00.

April 14, 1961 meeting, Board of Trustees

VI. EXTRAS, CREDITS AND EXTENSIONS OF TIME TO CONTRACTS (continued)

B. Physical Education Building, Repair and Replacement of Exterior Doors
(continued)

General Contract (continued)

2. In lieu of D. S. "A" clear glass in new windows, provide 1/8" hammered glass. Add \$36.00.

Net addition \$126.00

Funds will be provided by a transfer from Item 081 to Item 881 Physical Education Building, H. B. 1124.

C. Ice Rink, Phase I

General Contract

It is recommended that steel angle brackets for the scoreboard be furnished and installed in accordance with details furnished by the manufacturer of the board.

Add \$346.00

Funds will be provided from G-2-R Ice Rink, H. B. 831.

D. Remodel McPherson Laboratory

General Contract

It is recommended that the following changes be made:

1. Provide four 3" drain lines from existing laboratory tables in Room 185 to acid drain trench in Room 187. Add \$145.00.
2. Remove wire partition in Room 188, rebuild as necessary and install in Room 187, apply one coat of metal paint. Add \$450.00.

Net addition \$595.00

Funds will be provided from Item 067 Remodel McPherson Laboratory, H. B. 1124.

E. Remodel Robinson Laboratory

General Contract

It is recommended that the black wall base be changed to beige base on the first floor and brown base on the second floor.

Add \$763.00

VI. EXTRAS, CREDITS AND EXTENSIONS OF TIME TO CONTRACTS (continued)

E. Remodel Robinson Laboratory (continued)

Plumbing Contract

It is recommended that the following changes be made:

1. Reroute a roof drain line which interferes with a new double door in Room 2037. Add \$514.00.
2. Remove 5 existing urinals in the Men's Toilet Room, replace and extend the waste and water connections and install through bolts and support plates and reset the 5 urinals. Add \$250.00.

Net addition \$764.00

Electrical Contract

It is recommended that the following changes be made:

1. Add required connections to existing laboratory equipment not included in the contract and delete connections specified for equipment not required at this time. Add \$169.00.
2. Revise fixtures and bus duct to accommodate special structural conditions in three rooms, test cells, and Area 3. Add \$214.00.
3. Change telephone conduits from Room 2075A to 2067. Add \$58.00.
4. Replace three abandoned circuits with new circuits and install current-limiting fuses on exit system. Add \$141.00.

Net addition \$582.00

Funds for these extras will be provided by a transfer from the General University Fund to G-3-B Remodel Robinson Laboratory, H. B. 831.

All contracts

It is recommended that an extension of time be granted for all contracts from March 17, 1961 to April 15, 1961, on Part I of this project because of the delays in the delivery of materials.

F. Remodeling Stadium Dormitory for School of Music

Electrical Contract

It is recommended that the following changes be made:

1. Install two new recessed fixtures with separate switch in Stair Hall 163 adjacent to stairway. Add \$60.00.

VI. EXTRAS, CREDITS AND EXTENSIONS OF TIME TO CONTRACTS (continued)

F. Remodeling Stadium Dormitory for School of Music (continued)

Electrical Contract (continued)

2. Install four extra outlets and fixtures in Room 264 in area which was originally laid out for practice rooms. Add \$90.00.

3. Install one 14 circuit, 3 phase, 4 wire panel in Room 166 to take care of 14 new circuits. Add \$76.00.

Net addition \$ 226.00

Funds for this extra order will be provided by a transfer from the General University Fund to G-2-W Remodeling Stadium Dormitory for School of Music, H. B. 831.

All contracts

It is recommended that an extension of time for the completion of this project be granted from March 31, 1961, to May 15, 1961, because of the delay in delivery of the hollow metal doors. This delay held up work on partitions and other features including the work of the mechanical and electrical contractors.

G. Replacement of Chain Link Backstop Fence on Tennis Courts

It is recommended that the contractor for this project be granted an extension of time for completion of his contract from February 28, 1961, to April 15, 1961, because of the delay in receipt of his contract and the inclement weather.

H. Ice Rink, Phase II

General Contract

It is recommended that the grade beams on the east and west sides of the rink be provided at this time to hold the exterior walls when they are built.

Add \$3,854.00

Electrical Contract

It is recommended that the scoreboard be installed, that a floor junction box and control cable which is supplied with the scoreboard be installed, that all electrical connections be made and that the scoreboard be tested for proper operation.

Add \$ 290.00

Funds will be provided from G-2-R Ice Rink, H. B. 831.

Upon motion of Senator Bricker, seconded by Mr. Rairdon, the above recommendations individually and collectively were unanimously approved by roll call vote.

VII. PLANS AND SPECIFICATIONS

With the approval of the Council on Business Affairs, and with the concurrence of the Cabinet, it is recommended that the plans and specifications, bill of materials and estimate of cost for the following project be approved by the Board of Trustees:

A. High Street Sidewalks, 15th Avenue to Woodruff Avenue

Funds for this project will be provided by a transfer from Item 075 Additional Underground Utilities and Item 081 Improvement of Existing Physical Plant to Item 074 New Roads, Walkways and Pedestrian Bridge, H. B. 1124.

Upon motion of Mr. Loop, seconded by Mr. Davis, the above recommendation was unanimously approved by roll call vote, and the secretary was authorized and directed to sign the plans and specifications for the above project for and on behalf of the Board of Trustees. Vice President Carson was directed to follow normal University procedure in advertising for bids. If any satisfactory bids are received, the Vice President will proceed with the award of contract to the lowest and best bidder and report to the Board of Trustees on the matter at a later meeting.

X. MISCELLANEOUS - FROM OFFICE OF BUSINESS AND FINANCE

A. Power of Attorney - Customs

It is recommended that the action taken by the Board of Trustees on September 9, 1960, relative to the Power of Attorney - Customs, be rescinded and the following recommendation for authorization be approved:

That Gordon B. Carson, Vice President, Business and Finance, Joseph F. Medley, Director of Purchases, and C. F. Miller, Comptroller, The Ohio State University, or any one of them, be and hereby are authorized and empowered to transact any and all business The Ohio State University may have with any Custom House in the United States of America, to make declarations to entries of merchandise imported by said University, to endorse bills of lading and to sign all bonds in the name of said University as required by law or the regulations of the Collector of Customs or Treasury Department; to secure the duties on importations made by said University; and also in the name of said University to execute and deliver any and all bonds of indemnity to the Collector of Customs for the production of endorsed bills of lading, and that a copy of this resolution be sealed with the seal of said University.

Upon motion of Mr. Loop, seconded by Mr. Davis, the above authorization was unanimously approved.

B. Demolition of Farm House #1, 1795 Neil Avenue

Upon the recommendation of the Vice President, Business and Finance, and with the concurrence of the Cabinet, it is recommended that all structures located at 1795 Neil Avenue be demolished as soon as practical. This demolition is necessary to provide space for the Addition to Campbell Hall.

The demolition of these buildings will be advertised in the usual manner.

Upon motion of Mr. Davis, seconded by Mr. Rairdon, the above recommendation was unanimously approved.

C. Miscellaneous Architectural and Engineering Fees

Pursuant to action of the Board of Trustees taken on October 10, 1960, (Item V - C) the following architectural services have been engaged for the projects indicated in the table below:

April 14, 1961 meeting, Board of Trustees

X. MISCELLANEOUS - FROM OFFICE OF BUSINESS AND FINANCE (continued)

C. Miscellaneous Architectural and Engineering Fees (continued)

<u>Project</u>	<u>Architect's Stipend for "Preliminaries"</u>

Mack Hall Kitchenette	110.00
Derby Hall - Bookstore	768.00
	<u>\$1,064.00</u>

Upon motion of Mr. Davis, seconded by Mr. Rairdon, the above action was unanimously ratified.

D. Scholarship Dormitories, Phase V

It is recommended that Ralph & Curl, Engineers, Columbus, Ohio, be employed to provide complete professional engineering services for heating, ventilating, plumbing and electrical work on the above project, including design, preparation of drawings, specifications and estimate of cost, and the necessary personnel and instruments for the supervision and checking of the balancing of the heating system.

The fee for this service will be calculated at an hourly basis of \$7.50 per hour for a principal, \$6.00 per hour for an engineer and \$4.50 per hour for a draftsman, the total fee not to exceed \$2,300.00. Funds will be provided by a transfer from the General University Fund to G-3-C Repair to Scholarship Dormitories, Phase V, H. B. 831.

Upon motion of Mr. Ketner, seconded by Mr. Davis, the above recommendation was unanimously approved by roll call vote.

E. Remodeling of Air Conditioning System, University Hospital
Amendment to Engineer's Contract

Because of an increase in the scope of the project and numerous changes in the program, it is recommended that the maximum fee for the firm of Ralph J. Kramer, Comer & Passe for mechanical engineering services be raised from \$12,000.00 to \$13,000.00 to provide funds for services in connection with the engineer's supervision of construction.

Funds are available in the Hospital Rotary 807 for this work and will be transferred to G-2-A Remodeling of Air Conditioning System, University Hospital, H. B. 831.

Upon motion of Mr. Loop, seconded by Mr. Rairdon, the above recommendation was unanimously approved by roll call vote.

F. Withdrawal From Dividend Reserve on Group Life Insurance

It is recommended that Vice President Carson be authorized to make application to John Hancock Mutual Life Insurance Company for the withdrawal of \$80,000.00 from the dividend reserve account on Group Life Insurance Policy No. 1305-G in order to make expenditures for supplemental retirement

XI. RESOLUTIONS IN MEMORIAM

A. Charles Bennett Goodwin

The Board of Trustees expresses its sorrow at the death on March 30, 1961, of Charles Bennett Goodwin, Instructor of Fine Arts.

Charles Goodwin joined the faculty of the School of Fine and Applied Arts in October, 1955. Prior to his coming to this University, he received his B. F. A. and B. S. Degrees from Temple University and his Master of Art Education Degree from the Pennsylvania State University. He had taught at the Cedarbrook Unit of Temple University (1949-1950) as a fine arts instructor; the Elkins Park Junior High School, Elkins Park, Pennsylvania (1950); the Bartram High School, Pennsylvania (1950-1951); and the Stroudsburg High School, Stroudsburg, Pennsylvania (1951-1954).

To have known Charles Goodwin is to have known a dedicated teacher. Human warmth and sensitivity pervaded his every act. He gave of himself in a loving and tender way; his was a quiet and disciplined strength. Each problem of concern on the part of his students or colleagues was of sufficient magnitude to warrant his undivided attention. His honoring of other human beings communicated a great value to the many students with whom he worked.

To have known Charles Goodwin is also to have known a dedicated artist. Compared with the lives of most artists, his life enabled only a brief expression of brilliance. He demanded much of himself in his work; only a few canvases and drawings are available to us. Any account of his work will leave open the question of "what still might have been done." This question, however, soon dims by comparison with the larger accomplishment of Charles Goodwin. For in his art we can sense the inner strength of a sensitive man, the embodiment of human understanding and insight in aesthetic form.

April 14, 1961 meeting, Board of Trustees

XI. RESOLUTIONS IN MEMORIAM (continued)

A. Charles Bennett Goodwin (continued)

As a teacher and artist, Charles Goodwin shall always serve as an ideal of values represented within a university: his love and respect for his fellow man; his willingness to give of himself; his disciplined and inquisitive mind.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

B. Edward Williams Harris

The Board of Trustees expresses its sorrow at the death on March 30, 1961, of Doctor Edward Williams Harris, Professor and Chairman, Department of Otolaryngology.

Dr. Harris was born in Columbus, Ohio, January 10, 1902. While a student at St. Francis and Holy Rosary Schools, he gave evidence of excellence in scholastic attainments. He was graduated from The Ohio State University with the degree Bachelor of Science in 1923 and from the College of Medicine with the degree Doctor of Medicine in 1925. His post-graduate years were spent in the Methodist Hospital, Indianapolis, and at the University of Pennsylvania. Upon his return to Columbus he became associated with Dr. Hugh Beatty in the practice of Otolaryngology and was appointed Instructor in this Department in the College of Medicine.

During his long and productive service to the medical college, Dr. Harris became Professor and head of the Department of Otolaryngology in 1952. During this same year he was persuaded to become Chairman of the Department of Otolaryngology at both Mt. Carmel and Children's Hospitals, serving in this triple capacity until the time of his death.

During the war Dr. Harris served in the Air Force for a period of forty-five months with the rank of Lt. Colonel.

Dr. Harris was faithful to his duties, a conscientious and skilled physician, a conspicuously outstanding teacher, a superior administrator, a scholar and withal, a gentleman in the truest sense of the term. He had an abiding faith in his religion and lived by a credo as surely as a mariner follows his compass on a storm-tossed sea: "I will learn as to live forever. I will live as to die tomorrow."

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

XII. REPORTS

A. Report by President Fawcett from the Inter-University Council

THE INTER-UNIVERSITY COUNCIL: MEMORANDUM OF AGREEMENT BY STATE UNIVERSITY PRESIDENTS AND TRUSTEES AS AMENDED ON MARCH 22, 1961

We, the undersigned presidents and trustee representatives of Ohio's six State-supported institutions of higher learning, recognize the grave responsibilities resting upon us and our colleagues for efficient, economic, and far-sighted plans and programs of higher education in Ohio. We believe these responsibilities can best be met by close cooperation on a voluntary basis through a strengthened Inter-University Council giving dedicated and comprehensive consideration to the many problems of common concern. We believe that policies formulated by the Council will most effectively achieve a sound Statewide system of higher education in Ohio and at the same time be equitable and helpful to each of the institutions.

These resolutions are based upon the profound conviction that effective and economic higher-education service for Ohio can be provided best by voluntary cooperation on the part of the State-supported institutions in Ohio, each governed by its own board of trustees with responsible autonomy under the laws of the State. We believe further that diversity of institutions, recognizing fully the individuality and traditions of each institution, is indispensable to a sound state system of higher education.

We believe that no one of our institutions can be strong and effective unless the entire system of State-supported institutions of higher learning is strong and effective. From long and intimate association, we are convinced that the major aim of each of our six institutions is to provide the best possible higher education as an effective unit in a fully coordinated Statewide effort, placing common goals above conflicting institutional interests and preferences.

In these beliefs, we have prepared the following resolution and recommend its adoption by the boards of trustees of Bowling Green State University, Kent State University, Miami University, Ohio University, The Ohio State University, and Central State College.

BE IT RESOLVED:

1. The reconstituted Inter-University Council of Ohio shall consist of the president and one trustee from each of the six institutions, the trustee to be designated by the board of trustees of the particular institution. Each of the 12 members of the Council shall have one vote, which shall be cast in person by the member in attendance at a regularly called meeting of the Council. A minimum of 7 votes shall be required for the adoption of a policy or course of action by the Council, but every reasonable effort shall be made to achieve a unanimous vote. At all sessions in which budgets, financial requests, and similar financial matters are being considered the chief financial officer of each institution shall be invited to be present and participate in the discussion. Provisions of the present Inter-University Council By-Laws with respect to alternates shall prevail.

XII. REPORTS (continued)

A. Report by President Fawcett from the Inter-University Council (continued)

2. The Council shall consider all items identified as matters of common concern with respect to policy and action, including the following: educational programs and degrees, with the understanding that previously announced action by boards of trustees of individual institutions regarding educational programs which are now fully supported and operative shall not be changed by the Council; financial requests; student fees for both on-campus and branch instruction; faculty salaries; admission policies; establishment of new branch programs; extension or expansion of existing branch programs; other items of common concern. Decisions of the Council shall be formulated in such manner as to permit the greatest degree of institutional freedom consistent with the common good. Council decisions shall be transmitted as recommendations to the boards of trustees of the six member institutions. Responsible implementation of the Council's decisions rests upon the good faith, integrity, cooperation, and mutual confidence of the trustees and presidents of the member institutions. A Council decision not mutually acceptable shall be considered further at later meetings of the Council in an effort to secure unanimous agreement on the matter involved. Pending and during such reconsideration by the Council, each institution shall avoid any new action adverse to the original decision of the Council.
3. A permanent central office with an Executive Secretary and staff shall be established in Columbus to further the work of the Council, financed jointly by the member institutions in proportion to their respective State tax appropriations for current expense. The Executive Secretary and staff shall be employed by the Council and shall be responsible directly to the Council.
4. Dates for meetings of the Council shall be established in advance on the basis of a definite schedule determined by the Council. The time and place of the first meeting of the revised Council shall be decided by consensus of the presidents. Written notice of time and place for each meeting shall be transmitted by mail at least ten days in advance to each member of the Council.
5. Agenda for all meetings shall be determined in advance by the Chairman of the Council in consultation with the Executive Secretary. A listing of all items to be considered at a meeting, together with explanatory material and appropriate data, shall be attached to the written advance notice of the meeting as provided in resolution 4. Only by unanimous consent shall an item be considered at a Council meeting which was not included in the advance listing of agenda transmitted with notice of the meeting.
6. The Executive Secretary shall be responsible for objective studies which will furnish adequate data as a basis for consideration of items on the Council agenda, and shall also be responsible for assembling annually complete statistical data with respect to enrollment, class size, educational and general budgets, faculty salaries, and other items as directed by the Council. The central office shall serve as a channel through which statistical information from the institutions shall be

XII. REPORTS (continued)

A. Report by President Fawcett from the Inter-University Council (continued)

transmitted to all institutions and, upon order of the Council, shall be made available to the Governor, to the Director of Finance, and to committees of the General Assembly. The Executive Secretary shall transmit forms and requests for institutional data through the president of each member institution.

7. Proposed or pending legislation affecting more than one member institution shall be reviewed by the Council before any public position is taken on such legislation. Legislation affecting only one institution shall not come under the provisions of this provision.
8. Before any question is submitted to the Attorney General for written legal opinion, formal or informal, the initiating institution shall notify the Executive Secretary of the Council, who shall immediately advise all presidents of the pending problem and proposed request.
9. The operations of the Inter-University Council under the structure and plans promulgated by these resolutions shall be carefully reviewed and evaluated from time to time by the Council itself and by the respective boards of trustees of the member institutions. A brief but comprehensive summary of the Council's operations and recommendations during the 1961-63 biennium shall be prepared by the Executive Secretary and submitted in tentative form to the Council by November 1, 1962. Included with the summary shall be a report of actions taken by each member institution in response to the Council's recommendations. Analysis and comments by the Council with respect to further steps in meeting Ohio's needs in higher education shall also be included in the report. After review and confirmation by the Inter-University Council, the report shall be printed for transmittal to the Governor and members of the General Assembly of Ohio, to all trustees of the member institutions, and to others whom the Council may designate for this purpose.
10. As soon as practicable, the revised Council shall arrange for comprehensive study and revision of the constitution and by-laws of the Inter-University Council to incorporate the principles set forth in the preceding resolutions and to strengthen the structure and activities of the Council. The redrafted constitution and by-laws of the Council shall then be transmitted to the boards of trustees of member institutions for consideration. Upon ratification by the six boards of trustees, the redrafted constitution and by-laws shall become effective. In the meantime the revised Council as described in resolution 1, above shall take such steps as it deems necessary to implement these resolutions.

Upon motion of Senator Bricker, seconded by Mr. Ketner, the Board of Trustees by roll call vote unanimously approved in principle the document identified as "The Inter-University Council: Memorandum of Agreement by State University Presidents and Trustees as Amended on March 22, 1961," with the understanding that this Board will consider for action at a later date a revised constitution and by-laws of the Inter-University Council designed to implement the above agreement. The Secretary was instructed to include said document in the official proceedings of this meeting.

XII. REPORTS (continued)

B. Report by President Fawcett on the ROTC Proposal

REPORT ON THE ROTC PROPOSAL

April 14, 1961

By way of background, I should like to review briefly actions which have been taken by certain University bodies with respect to the issue of whether ROTC should continue to be compulsory at Ohio State or whether it should become a voluntary program.

During the 1958-59 academic year, the Student Senate debated this matter at some length and referred it to the Council on Student Affairs. The Council on Student Affairs referred the problem to the Faculty Council, which concerns itself mainly with educational policy. The Faculty Council on May 12, 1959, requested its appropriate agency, the Council on Instruction, to make a study in depth of this issue and to report its findings as soon as the study could be completed. Approximately one year was spent in developing the proposal that was placed before the Faculty Council on April 12, 1960. On May 10, 1960, the Faculty Council voted unanimously to support the Council on Instruction's proposal and forwarded the report to the Rules Committee to be drafted into proper form for consideration by the Board of Trustees. On June 7, 1960, the Faculty Council approved the report of the Rules Committee, and, at the regular July meeting of the Board of Trustees, I issued a statement requesting that action be postponed until certain elements of the proposal could be clarified.

Five such elements were delineated in my statement, each of which has since been clarified substantially, with the exception of the fifth, which was related to what appeared to be a conflict of interest within the Department of Defense. In the meantime, as you know, there has been a complete change in leadership in the Department of Defense.

Since a number of our state universities, which are members of the American Association of Land-Grant Colleges and State Universities, are attempting to find an intelligent solution to this problem, it was decided that the President of the Association should address a communication to Secretary Robert S. McNamara requesting clarification of the Department's position with respect to ROTC on the campuses of our colleges and universities. This communication was sent to Secretary McNamara on February 8, 1961, and was acknowledged as follows by Assistant Secretary Carlisle P. Runge on March 1, 1961:

"Secretary McNamara has asked me to reply to your letter of February 8, 1961 in which you urge early action to review and state the position of the Department of Defense with respect to the Reserve Officers' Training Corps programs.

"A careful review of the ROTC programs is now under way and you will be advised of the views of the Military Departments with respect to your specific questions as soon as the evaluation has been completed.

April 14, 1961 meeting, Board of Trustees

XII. REPORTS (continued)

B. Report by President Fawcett on the ROTC Proposal (continued)

"The views of the Association are appreciated and I assure you an answer to your questions will be forthcoming as early as practicable.

"The continuing support of these most important officer procurement programs by the Association is greatly appreciated."

On March 2, 1961, I addressed a personal letter to Assistant Secretary Runge indicating the interest that The Ohio State University has in this matter and seeking the type of assistance from him that would be helpful to this University in arriving at an intelligent decision. Assistant Secretary Runge addressed a letter to me on March 14, 1961, and I should like to quote from it:

"With respect to the ROTC programs, a careful review is now under way. I wish to assure you that we are as desirous as you to eliminate conflicting statements from within the Department of Defense with respect to views concerning the management of the programs. At the present time, it is not possible to advise you of a tentative date with respect to a policy statement concerning compulsory basic ROTC."

On April 11, 1961, our campus was visited by Major General Charles G. Dodge, Assistant Chief of Staff for Reserve Components, Department of the Army. General Dodge is involved currently in making a comprehensive study of the Army's Reserve Officer needs, the quality of its program, and other problems related to ROTC. By July 1, 1961, he is to make a complete report to the Secretary of Defense on the projected Reserve Officer needs of the Army, including whatever revisions in programs that may be necessary. While General Dodge can speak only for the Army and not for the Air Force or the Navy, he expresses great confidence in the ability of the Office of the Secretary of Defense to develop and issue a policy statement on ROTC programs that will be useful to our institutions in making whatever changes are important in providing for the proper defense of our country. It is General Dodge's opinion that such a statement cannot be issued by the Department of Defense for at least 60 to 90 days and that possible changes which may result from a new policy statement cannot be implemented by the Army until at the beginning of the 1962-63 academic year.

I realize that there is wide public and campus interest in the future of ROTC programs, and I should like to submit the recommendation of the Faculty Council to the Board for action at the earliest possible date. It does not appear to me at the moment that it would be the better part of wisdom to take action on this proposal until the Department of Defense has been given a sufficient amount of time to analyze its needs and to issue a policy statement that should be useful to us in making the proper disposition of this matter. I shall, therefore, withhold a recommendation on the report until the Department of Defense clarifies its position with respect to Reserve Officer needs, unless the Board of Trustees instructs me to pursue a different course of action.

Upon motion of Senator Bricker, seconded by Mr. Patton, the Board of Trustees by unanimous vote approved the above report and recommendation that the Board of Trustees withhold action on the ROTC approval until the position of the United States Department of Defense is clarified.

XII. REPORTS (continued)

C. Reports from the Finance and Investments Committee

1. Employment of Squire, Sanders & Dempsey as Special Counsel

Mr. Patton presented the following resolution for the Committee on Finance and Investments and moved its adoption:

BE IT RESOLVED, that the Board of Trustees of The Ohio State University hereby determines that it is necessary or appropriate in the interests of the University that the University obtain the legal services of Squire, Sanders & Dempsey in connection with the proposed issue of Series K and L Dormitory Bonds, and the project known as Project No. Ohio 33-CH-134(D) as from time to time changed with Housing and Home Finance Agency approval, and that the terms of employment of Squire, Sanders & Dempsey should be similar to those obtained in past bond issues and that, accordingly, the President and Vice President, Business and Finance, and each of them, are authorized to request the Attorney General of the State of Ohio to designate Squire, Sanders & Dempsey as special counsel on the terms set forth in the form of designation presented to and filed with the records of this meeting.

BE IT FURTHER RESOLVED, that the President and Vice President, Business and Finance, and each of them, are authorized to request the Attorney General of the State of Ohio to designate special Counsel, in accordance with Section 109.07, Revised Code, to act as Special Project Counsel in connection with matters relating to the financing and the project and not included in services as bond counsel; that said firm shall be paid reasonable compensation for said services approved by the Attorney General on the basis of transcript of services, including copies of documents prepared, and that such services as such project counsel include negotiations and preparation of loan agreement and related papers with the Housing and Home Finance Agency, matters relating to construction contracts, title matters relating to the project site, approvals by state officials and advice with respect to interpretation of existing or proposed legislation necessary to permit consummation of the project or the financing thereof. It is expressly understood that the fees of said special counsel payable by the university shall be paid solely from the proceeds of the sale of dormitory revenue bonds or other unencumbered dormitory funds.

Mr. Ketner seconded the motion and the Board of Trustees approved it by unanimous vote.

XII. REPORTS (continued)

C. Reports from the Finance and Investments Committee (continued)

2. Mershon Memorial Room

Mr. Patton, Chairman of the Finance and Investment Committee, presented the recommendation from the Committee that the President be authorized to proceed with the modest development of a Mershon Memorial Room in Mershon Auditorium and that the expenses for furnishings in connection with the development of this facility be paid from the unrestricted portion of the Mershon Income.

Upon motion of Mr. Patton, seconded by Senator Bricker, the Board of Trustees unanimously approved this recommendation by roll call vote.

3. Property Lease, 930 Kinnear Road

Senator Bricker presented the following resolution:

WHEREAS, there was presented and read to the Board a proposed lease containing an option to purchase by and between the OMCO Building Corp. as lessor and the Board of Trustees of The Ohio State University as lessee for premises known by street number as 930 Kinnear Road; and

WHEREAS, it was considered in the best interest of the University that such lease be entered into by the Board of Trustees of The Ohio State University;

NOW, THEREFORE, BE IT RESOLVED, that the Board of Trustees of The Ohio State University enter into the said lease with the OMCO Building Corp. which said lease provides for a lease term of six (6) months beginning April 15, 1961, at a rental of \$12,500.00 containing a purchase option upon the payment of a purchase price of \$250,000.00 and in accordance with the other terms of said lease;

BE IT FURTHER RESOLVED, that Gordon B. Carson, Vice President, Business and Finance be and he is hereby authorized, directed, and empowered to execute and deliver said lease for and on behalf of the Board of Trustees and do all other things necessary and incidental thereto.

Upon motion of Senator Bricker, seconded by Mr. Loop, the foregoing resolution was approved by unanimous roll call vote.

D. Report on Investment Portfolio

By unanimous consent the Report on the Investment Portfolio, dated March 31, 1961, was accepted, and the Secretary was instructed to file a copy of the report with the official records of this meeting.

May 9, 1961 meeting, Board of Trustees

President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATION

A. Degrees Conferred -- June 1961 Commencement

It is recommended that degrees be conferred at the Eighty-Fourth Annual June Commencement on June 9, 1961, to those students who complete their requirements and are recommended by the Faculty Council for degrees on that date. The names of those awarded degrees will be included in the minutes of this meeting.

Upon motion of Mr. Davis, seconded by Mr. Rairdon, the above general recommendation was unanimously approved by roll call vote.

Following the above action by the Board of Trustees, President Fawcett announced that Dr. Glenn Theodore Seaborg, Chairman of the United States Atomic Energy Commission, will deliver the Commencement Address on June 9 at 9 a. m. in the Stadium. The President invited the members of the Board of Trustees to attend a luncheon which will be held following the Commencement Exercises for the recipients of the honorary degrees.

V. APPROPRIATIONS AND TRANSFERS OF FUNDS

A. Remodel Robinson Laboratory

Conditions have been uncovered since the contractors began work on this project that were impossible to anticipate, and therefore extra orders and additional expense are necessary to complete the work satisfactorily. This is a typical situation on remodeling projects which are very difficult to estimate accurately.

It is recommended that funds not to exceed \$10,000.00 be transferred from the General University Fund to G-3-B Remodel Robinson Laboratory, H. B. 831, to supplement the original appropriation and complete the project.

Upon motion of Mr. Davis, seconded by Mr. Patton, the above recommendation was unanimously approved by roll call vote.

B. Ohio Journal of Science

Upon the request of the Joint Administrative Board of The Ohio Journal of Science and with the concurrence of the Vice President, Instruction and Research, I recommend that \$3,000.00 be allocated for the use of The Ohio Journal of Science for the period from July 1, 1961, through June 30, 1962.

Upon motion of Senator Bricker, seconded by Mr. Rairdon, the above recommendation was unanimously approved by roll call vote.

C. The Mershon Fund Restricted Portion -- Education in National Security

During the past three years the following amounts have been appropriated from the civilian-military portion of the Mershon Fund for the University's instruction and research programs in national security:

for 1958-59 -- \$150,000
for 1959-60 -- \$250,000
for 1960-61 -- \$300,000

Based upon the anticipated earnings from the Mershon Fund during 1961-62, the Mershon Committee on Education in National Security under the chairmanship of Associate Dean Robert J. Nordstrom has proposed with the concurrence of Vice President Heimberger the following budget for 1961-62. I hereby recommend that the Board of Trustees approve the budget request and allocations not to exceed the amounts indicated with the understanding that expenditures will be approved and administered under the authority of the President and through the Office of the Vice President, Instruction and Research, subject to quarterly allotments:

XI. RESOLUTION IN MEMORIAM

A. Walter Edwin Duffee

The Board of Trustees expresses its sorrow at the death on April 15, 1961, of Dr. Walter Edwin Duffee, Professor Emeritus of Physical Education and former athletic team physician.

One of the first medical men to be identified with college athletic teams, Dr. Duffee was known nationally for his services to Ohio State squads. He held the title of team physician from 1923 to 1960.

May 9, 1961 meeting, Board of Trustees

XI. RESOLUTION IN MEMORIAM (continued)

A. Walter Edwin Duffee (continued)

Walter Duffee was born in Albany, Athens County, Ohio, on November 13, 1889. He was graduated in pharmacy from the Starling-Ohio Medical College in 1909 and in 1917 received his medical degree from The Ohio State University. Following graduation he served as an assistant in obstetrics and joined the Athletic Department in 1922 as trainer for the basketball team. The next year he became assistant medical examiner and team physician. He joined the faculty of the Department of Physical Education in 1928 and became a professor in 1946.

During World War I, Dr. Duffee was a first lieutenant in the Medical Corps. His civic services included membership for ten years on the Grandview Heights School Board and on the Grandview Heights City Council, of which he was president.

Dr. Duffee's intimate knowledge of Ohio State athletic history and his insight into the personalities of former athletes and staff members combined with his keen sense of humor made him a popular luncheon and after-dinner speaker.

On behalf of the entire University, the Board of Trustees expresses to the family its deepest sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

June 8, 1961 meeting, Board of Trustees

President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Department of Bacteriology - Change of Name to Department of Microbiology

The Faculty Council on May 9, 1961, approved the recommendation of the College of Arts and Sciences and the Council on Instruction that the name of the Department of Bacteriology be changed to the Department of Microbiology.

The proposed change would reflect the scope of the instruction and research now carried on by the Department using as its title the generic term which includes all microorganisms.

It is therefore recommended that the change in name be approved.

Upon motion of Mr. Ketner, seconded by Mr. Rairdon, the above recommendation was unanimously approved by roll call vote.

B. ROTC - Change in Policy

In accordance with Faculty Council action of May 10, 1960, which is based on the concept of enlarging and strengthening national defense education at The Ohio State University and which is in keeping with the Department of Defense position as set forth in Deputy Secretary Gilpatric's letter of April 24, 1961, I recommend that, effective Autumn Quarter 1961, students entering The Ohio State University be required to pursue one of two compulsory programs in addition to the regular sequences of courses leading to the bachelor's degree as follows:

1. Courses in ROTC as currently existing or as may be revised by the armed services in the future or
2. A rigid sequence of academic courses as defined by the University for the various degree programs and which shall constitute a condition for both men and women in meeting the requirements for the bachelor's degree.

It is recommended further that the Rules for the University Faculty shall be revised to conform to the requirements of this action.

Upon motion of Mr. Allyn, seconded by Mr. Rairdon, the above recommendation was unanimously approved by roll call vote.

C. School of Nursing - Change to a Self-Maintenance Program for Student Nurses

Upon the request of the Director of the School of Nursing, Dr. Mildred E. Newton, and the Dean of the College of Medicine, and the Director of the University Hospital, Dr. Richard L. Meiling, and with the strong support of the accrediting authorities in nursing education, it is recommended that effective Autumn Quarter 1962 all students entering the School of Nursing shall be required to pay for their room, meals and uniforms.

This recommendation is made with the understanding that this action will not be retroactive for any student enrolled in the School of Nursing before the

II. PERSONNEL CHANGES

President Fawcett stated that Mr. William S. Guthrie had submitted his resignation effective August 31, 1961, and he read in part from Mr. Guthrie's letter of resignation.

The President with an expression of sincere regret and appreciation recommended that Mr. Guthrie's resignation be accepted and he commended Mr. Guthrie for the excellent manner in which he had filled the position of Executive Dean with great distinction and provided a high quality of leadership to one of the most significant administrative responsibilities of the University.

Dean Guthrie responded by suggesting that his entire letter of resignation to President Fawcett be read, which was done. Whereupon the Secretary was instructed by the Board to include the Dean's letter in the minutes of this meeting.

Novice G. Fawcett, President
205 Administration Building
Campus

Dear President Fawcett:

I submit herewith my resignation as Executive Dean, Student Relations, effective August 31, 1961. This marks the completion of twenty-five years' employment and enjoyment on my part of a wonderful career in this University. My pride in my University work reached its peak when you appointed me to my present responsibilities four and a half years ago. Throughout this period as Executive Dean, I have enjoyed the finest relationships with you, with members of the Board of Trustees, my Cabinet colleagues, staff, faculty and student friends. For all this I am deeply grateful. Most particularly, I have been proud of my association with you because I've admired your vigorous and intelligent leadership and the sound principles which have characterized your administration in this important period of the University's history.

I extend again my sincere thanks to you personally and to all who have contributed to my career at Ohio State. I reluctantly bring my work to a close next August 31 when I begin a new and interesting career downtown.

June 8, 1961 meeting, Board of Trustees

II. PERSONNEL CHANGES (continued)

I'll be close enough to support this University's interests in many ways and this I intend to do, because I have great confidence in its present responsible leadership throughout the campus.

I know too the urgency and importance of the full accomplishment of this University's mission to American life.

Cordially yours,

(Signed)

William S. Guthrie
Executive Dean, Student Relations

WSG:alt

cc: Vice President John Mount

Upon motion of Mr. Ketner, seconded by Mr. Allyn, the Board of Trustees by unanimous vote accepted Dean Guthrie's resignation with deep appreciation and gratitude for the effective and dedicated service to the University for the past twenty-five years and extended sincere felicitations and best wishes for success in his new position.

The President recommended that all personnel changes since the May 9, 1961 meeting of this Board and recorded in the official salary roll of the University be approved by the Board of Trustees. In addition to these personnel changes he also recommended the following Appointment, Leaves of Absence With Salary and Emeritus Titles:

A. Appointment

Office of Student Relations - Appointment of Executive Dean

John T. Bonner, Jr., appointed to the position of Associate Executive Dean, Student Relations, effective July 1, 1961, and Executive Dean, Student Relations, effective September 1, 1961, at an annual salary of \$15,468.00. (Dr. Bonner will continue to hold the rank of Associate Professor in the Department of Business Organization with No Salary.)

Upon motion of Mr. Rairdon, seconded by Mr. Ketner, the above recommendation was unanimously approved by roll call vote.

B. Leaves of Absence With Salary

In accordance with the policy approved by the Board of Trustees on April 12, 1954, the following-named persons are recommended for Leaves of Absence With Salary for the period indicated:

Virgil S. Johnson, Instructor (County Extension Agent, Home Economics), Van Wert County, for the period from June 16 through July 31, 1961, to study at the National 4-H Club Center at George Washington University.

II. PERSONNEL CHANGES (continued)

B. Leaves of Absence With Salary (continued)

William B. Phillips, Instructor (County Extension Agent, Agriculture), Mahoning County, for the period from June 16 through July 31, 1961, to study at The Ohio State University.

C. Emeritus Titles

It is recommended that the following persons be retired with emeritus titles, effective on the dates indicated:

Earl G. Jones, with the title Professor Emeritus, College of Dentistry, effective July 1, 1961.

Cyrus B. Stewart, with the title Instructor Emeritus, County Extension Agent, Agriculture, College of Agriculture and Home Economics, effective July 1, 1961.

Upon motion of Mr. Davis, seconded by Mr. Patton, the personnel changes were unanimously approved by roll call vote, and the Secretary was instructed to file the June salary roll with the official documents of the University.

It is recommended that the research agreements heretofore entered into between The Ohio State University and The Ohio State University Research Foundation setting up the following projects be reported to the Board of Trustees for information and record:

1. Government Contracts - Federal

- a. Department of the Navy, Office of Naval Research, Washington 25, D. C. , for an investigation of Thermodynamic Properties of the Lower Oxides of Boron (to be known as Office of Naval Research Project No. 691 - Amend. #6 - Department of Chemistry).
Gross Value - \$89,700.00.
- b. Department of the Navy, Office of Naval Research, Washington 25, D. C. , for an investigation of Polynitro Aliphatic Synthesis (to be known as Office of Naval Research Project No. 783 - Amend. #5 - Department of Chemistry).
Gross Value - \$16,000.00.
- c. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for an investigation of Diagnosis and Pathogenesis of Toxoplasmosis (to be known as National Institutes of Health Project No. 797 - Ext. #3 - Department of Veterinary Pathology).
Gross Value - \$10,580.00.

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

- d. Department of the Navy, Office of Naval Research, Washington 25, D. C. for an investigation of X-ray Spectroscopy (to be known as Office of Naval Research Project No. 809 - Amend. #6 - Department of Physics and Astronomy).
Gross Value - \$7,200.00.
- e. Headquarters, Aeronautical Systems Division, Wright-Patterson Air Force Base, Ohio, for an investigation of Fluid Dynamics of Rocket Combustion (to be known as Aeronautical Systems Division Project No. 822 - Sup. #10 - Department of Aeronautical and Astronautical Engineering).
Gross Value - \$42,000.00.
- f. Headquarters, Aeronautical Systems Division, Wright-Patterson Air Force Base, Ohio, for Intermittent Research Analysis (to be known as Aeronautical Systems Division Project No. 920 - Sup. #5 - OSURF).
Gross Value - \$12,000.00.
- g. Headquarters, Aeronautical Systems Division, Wright-Patterson Air Force Base, Ohio, for Intermittent Research Analysis (to be known as Aeronautical Systems Division Project No. 930 - Mod. #7 - OSURF).
Gross Value - \$30,000.00.
- h. U. S. Atomic Energy Commission, Chicago Operations Office, 9800 South Cass Avenue, Argonne, Illinois, for A Fundamental Study of the Iodine-Silver Nitrate Reactions (to be known as U. S. Atomic Energy Commission Project No. 939 - Sup. #2 - Department of Chemical Engineering).
Gross Value - \$8,767.00.
- i. Headquarters, Aeronautical Systems Division, Wright-Patterson Air Force Base, Ohio, for Services in Support of Research on the Chemistry of Fuels and Propulsion (to be known as Aeronautical Systems Division Project No. 1077 - Mod. #2 - OSURF).
Gross Value - \$70,000.00.
- j. Commander, Air Force Cambridge Research Center, ARDC, Laurence G. Hanscom Field, Bedford, Mass., for Research Investigations on Voice-Communications in Noise (to be known as Air Force Cambridge Research Center Project No. 1080 - Sup. #1 - Department of Speech).
Gross Value - \$1,000.00.
- k. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for A Servoanalytic Study of the Myotatic Reflex System (to be known as National Institutes of Health Project No. 1101 - Ext. #1 - Department of Physiology).
Gross Value - \$8,510.00.

June 8, 1961 meeting, Board of Trustees

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

- l. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for Experimental Surgery for Calculous Pancreatitis (to be known as National Institutes of Health Project No. 1102 - Ext. #1 - Department of Surgery).
Gross Value - \$24,909.00.
- m. Department of Health, Education & Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for an investigation of Tissue Enzymes in Rheumatic Diseases (to be known as National Institutes of Health Project No. 1106 - Ext. #1 - Department of Medicine).
Gross Value - \$18,120.00.
- n. Air Force Command & Control Development Division, ARDC, Laurence G. Hanscom Field, Bedford, Mass., for A Theoretical Study of the Modification in Echo Area of Space Vehicles Due to Their Local Space Environment (to be known as Air Force Command & Control Development Division Project No. 1116 - Mod. #1 - Department of Electrical Engineering).
Gross Value - \$94,900.00.
- o. Commanding Officer, U. S. Army Research Office (Durham), Box CM, Duke Station, Durham, North Carolina, for an investigation of Strength of Structural Ceramics Under Impact Loading (to be known as U. S. Army Research Office (Durham) Project No. 1259 - New - Department of Ceramic Engineering).
Gross Value - \$39,400.00.
- p. Federal Aviation Agency, 16th and Constitution Avenue, N. W., Washington 25, D. C., for Study of the Present Status of Business Aviation (Phase I) (to be known as Federal Aviation Agency Project No. 1260 - New - Department of Preventive Medicine).
Gross Value - \$6,000.00.
- q. U. S. Army Signal Procurement Office, 9800 Savage Road, Ft. George G. Meade, Maryland, for construction of Klystron Pulse Generator Tubes (to be known as U. S. Army Signal Procurement Office Project No. 1261 - New - Department of Electrical Engineering).
Gross Value - \$6,000.00.
- r. Commanding Officer, U. S. Army Research Office (Durham), Box CM, Duke Station, Durham, North Carolina, for an investigation of Measure Theoretical Foundations of Surface Area Theory (to be known as U. S. Army Research Office (Durham) Project No. 1266 - New - Department of Mathematics).

IV. GIFTS

A. Administered Through the Development Fund

1. \$500.00 for the Al Grigsby Memorial Fund.

Al Grigsby Memorial Fund

The Al Grigsby Memorial Fund was established May 25, 1961, by a gift through the Development Fund from friends of the late Al Grigsby, founder and President of Berthold-Grigsby, wholesale commission florists. The principal and any additional contributions are to be invested under rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and re-invest as occasion dictates.

The income from this Fund shall be used only for personnel for graduate research with florist crops which shall be directed by the staff of the Department of Horticulture and Forestry of The Ohio State University. In the event the need for this type of research should cease to exist or so diminish as to leave unused income, then the Board of Trustees of The Ohio State University shall use said income in its discretion, preference to be given to the general field of horticulture.

Upon motion of Mr. Patton, seconded by Mr. Allyn, the foregoing gift was accepted by unanimous vote.

B. Report from The Ohio State University Development Fund

1. I wish to report that in April, 1961, The Ohio State University Development Fund received gifts on behalf of the University as follows:

	<u>No. of Gifts</u>	<u>Amount</u>
Alumni	16,839	\$135,428.20
Individuals, Other Than Alumni	212	3,206.40
Non-Profit Organizations	89	53,109.89
Business Concerns	41	19,213.00
	<u>17,181</u>	<u>\$210,957.49</u>

Of these gifts, 15,681 totaling \$91,982.59 were undesignated and 1,500 totaling \$118,974.90 were designated.

V. APPROPRIATIONS AND TRANSFER OF FUNDS

A. Interim Conference Facilities Coordinator

Upon the request of the Executive Dean, Special Services, and the Vice President, Business and Finance, and with the concurrence of the Cabinet, it is recommended that \$10,000.00 be appropriated from the General University Fund to the Interim Conference Facilities Coordinator's Account for expenses of that office covering salaries, wages, supplies and equipment for the year July 1, 1961 through June 30, 1962.

Upon motion of Mr. Davis, seconded by Mr. Loop, the above appropriation was unanimously approved by roll call vote.

V. APPROPRIATIONS AND TRANSFER OF FUNDS (continued)

B. Television Distribution System

Upon the request of the Director of the Telecommunications Center and with the concurrence of the Executive Dean, Special Services, and the Vice President, Business and Finance, it is recommended that an amount not to exceed \$25,000.00 be appropriated from the General University Fund for Phase I of the Television Distribution System to expand closed-circuit television teaching during the 1961-62 academic year.

Upon motion of Mr. Ketner, seconded by Mr. Allyn, the above appropriation was unanimously approved by roll call vote.

C. Conference on the Humanities

Upon the request of the Dean of the Graduate School and with the concurrence of the Vice President, Instruction and Research, I recommend that an amount not to exceed \$2,500.00 be appropriated from the General University Fund for the Fourth Annual Conference on the Humanities to be held on the campus October 27 and 28, 1961.

Upon motion of Mr. Allyn, seconded by Mr. Rairdon, the above appropriation was unanimously approved by roll call vote.

D. Veterinary Clinic Building

Upon the request of the Vice President, Business and Finance, and with the concurrence of the Cabinet, it is recommended that the Board of Trustees authorize the appropriation of an amount not to exceed \$15,000.00 from Student Pro Rata Fund to a new repair account for the Repair of Room 16, Veterinary Clinic Building, to provide an animal X-ray facility.

Upon motion of Mr. Davis, seconded by Mr. Ketner, the above appropriation was unanimously approved by roll call vote.

E. University Press

Upon the request of the Dean of the Graduate School and the Editorial Board for the University Press, I recommend that an amount not to exceed \$30,000.00 be appropriated from the General University Fund to Rotary 12996, The Ohio State University Press, for the fiscal year beginning July 1, 1961.

Upon motion of Mr. Patton, seconded by Mr. Loop, the above appropriation was unanimously approved by roll call vote.

VI. EXTRAS, CREDITS AND EXTENSIONS OF TIME TO CONTRACTS

At the request of the Council on Business Affairs, and with the concurrence of the Cabinet, I recommend that the Extra and Credit Orders and Extensions of Time to Contracts as outlined below be approved by the Board of Trustees and submitted to the Director of Finance, State of Ohio, for approval and allocation of funds from Item 850 Capital Improvements, H. B. 1124 (in accordance with the provisions of H. B. 1124) unless a source of funds in each case is otherwise indicated.

A. Ice Rink, Phase I

General Contract

It is recommended that all areas of the structural steel where the shop coat of paint has been broken or damaged be wire brushed and scraped; all surfaces be cleaned thoroughly and spot primed as required and one covering brush coat of Rust-Oleum applied.

Add \$1,986.00

Funds will be provided from G-2-R Ice Rink, H. B. 831.

B. Additional Library Stacks in Main Library

Bookstack Contract

It is recommended that 2300 additional 8" steel shelves with hinged type brackets be furnished for use in the new and existing bookstack construction.

Add \$5,175.00

Funds will be provided from Item 073, H. B. 1124.

C. Botany & Zoology Building, Remodeling & Expansion

General Contract

It is recommended that two canopies be provided over the loading docks for the south wing and the north wing.

Add \$1,768.00

It is recommended that the existing frame building northwest of the B & Z building be removed and that a portion of existing chain link fence in this area also be removed and part of it reinstalled in a new area farther to the west.

Add \$ 986.00

Funds for these extra orders will be provided by an adjustment in the building equipment allowance.

Electrical Contract

It is recommended that all final electrical connections for laboratory equipment be provided for Alternates EQ-2 and EQ-3.

Add \$1,155.00

June 8, 1961 meeting, Board of Trustees

VI. EXTRAS, CREDITS AND EXTENSIONS OF TIME TO CONTRACTS (continued)

C. Botany & Zoology Building, Remodeling and Expansion (continued)

Plumbing Contract

It is recommended that all final plumbing connections for laboratory equipment be furnished for Alternates EQ-2 and EQ-3.

Add	<u>\$2,099.00</u>
-----	-------------------

Funds will be provided from Item 079, H.B. 1124.

D. Dormitory "F" for Women

Electrical Contract

It is recommended that wage rates for electricians and cable splicers as indicated in the Wage Scale for the U. S. Department of Labor be changed as requested by the Housing and Home Finance Agency.

No change

It is recommended that outlet boxes and supports for ceiling fixtures in all bedrooms, staff rooms and Rooms 621 and 921 be revised to accommodate acoustical ceilings which were not in the original contract.

Add	<u>\$ 255.00</u>
-----	------------------

Funds will be provided from Dormitory Construction Funds.

E. Bridge Sidewalks

General Contract

It is recommended that a concrete obstruction in one of four 4" fiber duct conduits for telephone cables not be removed.

Deduct	<u>\$ 270.00</u>
--------	------------------

Funds will be returned to Item 074, H.B. 1124.

F. Fire Stops and Seals for Shaftways in University Hospital

It is recommended that an extension of time for completion of contract from May 15, 1961, to June 15, 1961, be granted because of difficulties experienced in scheduling work to avoid interfering with normal hospital operation.

G. Replacement of Induced Draft Fans on Boilers No. 5 and No. 8 in the Power Plant

It is recommended that an extension of time for completion of contract be granted to the contractor for this project from December 1, 1960 to June 30, 1961. This extension is requested because the boilers could not be removed from the line in the winter season.

VI. EXTRAS, CREDITS AND EXTENSIONS OF TIME TO CONTRACTS (continued)

H. Mershon Auditorium Signboard

General Contract

It is recommended that in lieu of conduit being driven under the terrace from the building to the signboard, a conduit be run to the signboard from a 1 1/4" conduit stubbed out below the ground near the west terrace steps. The signboard will be wired to a panel in the west end of the lobby and to a panel in the east end of the lobby, using existing unused wiring and connected with controls in the ticket office.

Add \$354.00

Funds will be provided from Rotary 11168.

It is recommended that an extension of time be granted because of the delay in selection of the proper slotted display panels and letters by the University. This extension for completion of contract would be from May 31, 1961 to June 30, 1961.

I. Remodeling Stadium Dormitories for School of Music

General Contract

It is recommended that the following changes be made:

1. In lieu of perforated cement asbestos board ceilings in Rooms 161E, 263, 264, 266 and 267, provide 1/2" plasterboard ceilings with taped and spackled joints, painted two coats; in lieu of perforated cement asbestos board ceiling in Room 266D provide plain standard gray cement asbestos board ceiling. Deduct \$633.00.
2. In lieu of removing existing asphalt tile in central portion of Room 166, Recreation Area, existing tile shall remain and a large block "O" of contrasting color shall be inserted. Deduct \$76.00.
3. Change existing door frame from Room 264 to Stair Hall A from left hand to right hand frame. Add \$55.00.
4. Paint existing lockers and chairs. Add \$654.00.

No change in cost.

VI. EXTRAS, CREDITS AND EXTENSIONS OF TIME TO CONTRACTS (continued)

J. Married Housing Project No. 2

General Contract

It is recommended that the following changes be made:

1. Widen footing for Boiler Room of Building 213 because of unsatisfactory bearing conditions. Add \$142.00.
2. Provide extra excavation and increase in depth of foundation walls in Buildings 114, 212, 213, 214. Add \$872.00.
3. In lieu of pipe railings galvanized after fabrication, provide pipe railings of galvanized pipe with galvowelded joints. Deduct \$649.00.

Net addition \$365.00

Funds will be provided from Dormitory Construction Account.

K. Remodel McPherson Laboratory

General Contract

It is recommended that the following changes be made:

1. Provide a tile drain line 48' long in each of two trenches. Add \$74.00.
2. Install and adjust three used door closers. Add \$21.00.
3. Provide two aluminum louvers in Condensate Return Pump Room. Add \$14.00.

X. MISCELLANEOUS - FROM OFFICE OF BUSINESS AND FINANCE

A. Demolition of University Buildings

Upon the recommendation of the Vice President, Business and Finance, and with the concurrence of the Cabinet, it is recommended that all structures located at the following addresses be demolished as soon as practical.

June 8, 1961 meeting, Board of Trustees

X. MISCELLANEOUS - FROM OFFICE OF BUSINESS AND FINANCE (continued)

A. Demolition of University Buildings (continued)

Married Student Housing:

2656, 2665, 2676 Knox Street
490, 491, 510, and 511 Hancock Street
2670 and 2685 Defiance Drive
504, 522, and 523 Gallia Street

238 and 244 West 10th Avenue

95 and 103 West 11th Avenue

85 West Frambes Avenue

The demolition of these buildings will be advertised in the usual manner.

Upon motion of Mr. Allyn, seconded by Mr. Davis, the above recommendation was unanimously approved.

B. Personnel Research Board Offices in Stadium

It is recommended that Barrett Associated Engineers Ltd., Columbus, Ohio, be employed to provide professional engineering services for the analysis of structural needs and estimate of cost to provide a floor above the main concourse, exterior walls and a roof-ceiling, to be constructed on the east side of the stadium. The work includes only preliminary studies and recommendations.

The fee for this service will be calculated on a per diem basis of \$80.00 per day for an engineer, \$48.00 per day for a draftsman, \$25.00 per day for clerical staff and cost plus 10% for materials and prints, the total fee not to exceed \$3,000.00.

Funds will be provided from Rotary 12100.

Upon motion of Mr. Ketner, seconded by Mr. Rairdon, the above recommendation was unanimously approved by roll call vote.

C. Administrative Offices for College of Medicine in University Hospital

It is recommended that Dan A. Carmichael, Architect, Columbus, Ohio, be employed to provide preliminary architectural services including preliminary studies, drawings, outline specifications and estimate of cost for the project "Administrative Offices for College of Medicine in University Hospital". If this project is carried on to completion, the architect will accept a standard architectural contract with a deduction for the amount paid for preliminary work.

The fee for this service will be calculated on an hourly basis of \$10.00 per hour for a principal architect and \$6.50 for a draftsman. Funds will be provided from University Hospital Rotary.

Upon motion of Mr. Loop, seconded by Mr. Patton, the above recommendation was unanimously approved by roll call vote.

June 8, 1961 meeting, Board of Trustees

X. MISCELLANEOUS - FROM OFFICE OF BUSINESS AND FINANCE (continued)

D. Ohio Union South Terrace Remodeling

It is recommended that the firm of Benham, Richards & Armstrong, Columbus, Ohio, be employed to provide architectural and engineering services for the project "Ohio Union South Terrace Remodeling" including preliminary plans, basic drawings, working drawings, specifications, estimate of cost, necessary bidding documents and supervision of construction.

The fee for this service will be based on 8 per cent of the contract cost and funds will be provided from the Student Facilities Fee Account.

Upon motion of Mr. Allyn, seconded by Mr. Rairdon, the above recommendation was unanimously approved by roll call vote.

E. Low Level Radiation Laboratory in McPherson Laboratory

Ralph & Curl, Engineers, were given a contract for this project based on 6 per cent of the construction cost for all mechanical engineering work including supervision of construction. Their work included the mezzanine floor which was originally set up as an alternate. Just before the advertisement for bids, it was decided not to take bids on the mezzanine alternates because there were not sufficient funds available.

Since the engineers prepared plans and specifications for the mezzanine floor work, it is recommended that their contract be amended to provide for paying them 60 per cent of the fee which is 3.6 per cent of the estimated cost for this part of the project, less extra orders issued for work in this area. The estimated cost of mechanical work on the mezzanine is \$34,440.00, less extra orders issued in the amount of \$4,086.00. The amount of money due the engineers based on this calculation is \$1,093.00. Funds are available in G-2-E, H. B. 831.

Upon motion of Mr. Davis, seconded by Mr. Rairdon, the above recommendation was unanimously approved by roll call vote.

F. Special Policeman Commission

At the request of the Vice President, Business and Finance, it is recommended that Leo T. Morgan be designated as Special Policeman pursuant to the provisions of Section 3345.04 of the Revised Code of Ohio; and that in further compliance with the provisions of said section the Board of Trustees require Mr. Morgan, as well as any other employee of this institution designated as Special Policeman, to take the oath of office and give bond to the State of Ohio in an amount not less than One Thousand Dollars (\$1,000.00) prior to assuming the duties of Special Policeman.

Upon motion of Mr. Rairdon, seconded by Mr. Allyn, the above recommendation was unanimously approved by roll call vote.

June 8, 1961 meeting, Board of Trustees

XI. RESOLUTION IN MEMORIAM

A. James Daniels Grossman

The Board of Trustees expresses its sorrow at the death of James Daniels Grossman, Professor Emeritus of Veterinary Anatomy, who died on May 25, 1961, in Istanbul, Turkey, while on a trip.

Dr. Grossman was born in Jackson Center, Pennsylvania, on June 16, 1884. He taught in the public schools in Knox County from 1905 to 1909. During the summer of 1909 he attended Ohio University, following which he entered the College of Pharmacy in the Starling-Ohio Medical College. In 1911 Dr. Grossman received the G. Ph. degree and became a registered pharmacist. He received the D. V. M. degree from the College of Veterinary Medicine at The Ohio State University in 1914. During the same year Dr. Grossman joined the faculty of the Department of Anatomy at Iowa State University's College of Veterinary Medicine and became associate professor and acting veterinarian for the Department during World War I.

In 1919 he returned to his Alma Mater as Professor of Veterinary Anatomy, where he assumed the chairmanship in 1929; he filled this position with distinction until his retirement on June 30, 1954. Following retirement he served two years in India with The Ohio State University contract team of the Technical Cooperation Mission, assisting the Colleges of Veterinary Medicine in India in the use of modern techniques and programs for instruction in anatomy.

Dr. Grossman's special interest in veterinary science was the broad field of comparative anatomy. He became co-author in the third and fourth editions of Dr. Septimus Sisson's "The Anatomy of Domestic Animals." This volume has been translated into several languages and is used extensively as a textbook in many countries.

Dr. Grossman was a leading authority in comparative anatomy and anatomical nomenclature and was recognized as such throughout the world. His vast knowledge of the subject made him a thorough teacher, who, at the time of his retirement, had instructed one-tenth of all the veterinarians in the United States and had co-authored the text used by a majority of the veterinarians educated at other colleges.

He was a member of many of the leading national, state, and local veterinary and allied science organizations.

Dr. Grossman was a teacher who was truly dedicated to his students as well as to his profession and The Ohio State University. His teaching, outstanding contributions to veterinary anatomical literature, and professional activities will have a lasting effect on the profession of veterinary medicine.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

C. Report on a Visit to India Commissioned by the President and Board of Trustees of The Ohio State University

Mr. Forrest G. Ketner reported on his executive visit to India from February 12 to March 1, 1961, for the purpose of inspecting and evaluating the program conducted under the auspices of the International Cooperation Administration, Inter-Institutional Agreement between The Ohio State University and Region II in India.

In summary, Mr. Ketner reported that excellent progress has been made and is continuing to be made in establishing and activating two agricultural colleges, two veterinary colleges and a National Dairy Research Institute in the states of Punjab, Rajasthan and Himachal Pradesh, comprising Region II under the ICA-The Ohio State University program in cooperation with India.

Sizeable tracts of land acquired for the college farms have been and are being leveled, drained and irrigated for purposes of crops and animal research and teaching.

The college campuses show good planning and provide for expected expansion. College buildings adequate for present and growing needs for classrooms, laboratories, libraries, assembly, administration, farm and other uses are now in service, under construction or are in the planning stages.

The equipment in use, is, for the most part, equal to the intended usages.

Faculty and student housing is being provided in step with the development of the physical plants and programs of the respective colleges.

June 8, 1961 meeting, Board of Trustees

XII. REPORTS (continued)

C. Report on a Visit to India Commissioned by the President and Board of Trustees of The Ohio State University (continued)

Indian men and women with advanced degrees from Ohio State and other American and European universities largely constitute the faculties and administrators of these institutions.

The zeal, dedication and attitudes of key administrators and faculty members foretell the continuing growth and strengthened programs of these institutions in agricultural education and research.

Mr. Ketner concluded with the following statement: To President Fawcett and the Board of Trustees I express my sincere appreciation and thanks for the commission to make the annual official inspectoral visit in India. To Coordinator Dr. Bohning and all on-campus administrators who assisted in plans; to our capable group leader Professor Cray and to the officials of the American Embassy; to staff officers of T. C. M. in India; to officials of the central government and to the officials of the states of the Punjab and Rajasthan, to Dr. A. Rathore, Principal of the Rajasthan College of Agriculture, to Dr. Sadar Singh, Principal of the Government Agricultural College in Punjab; and to our Ohio State University technicians and their families in India who graciously shared with us their homes, their friendships and their helpful understanding of the Indian people, I am indeed grateful.

The Chairman of the Board expressed commendation to Mr. Ketner for an excellent report and requested the Secretary to file the full report with the official records of the Board of Trustees.
