That the following miscellaneous recommendations be approved:

That Ernest R. Biggs, Assistant Professor and Head Trainer, Department of Athletics, be returned to service effective June 1, 1946 at an annual salary of \$3864.00. (Base salary \$2712.— 10%) (Through error Mr. Biggs' leave of absence effective September 1, 1945 for military service was not reported to the Board of Trustees.)

That, pending the adoption of the annual budget, approval be granted for the carrying forward of the present permanent staff on the July 1946 payroll at their present rates and that the President be given authority to make special appointments for the Summer Quarter 1946.

That the following leaves of absence, without salary, be granted:

Paul D. Morrill, Senior Architectural Draftsman in the office of the University Architect, effective July 1, 1946 for from one to three months;

Daisy Sherrard, Maid, Stadium Dormitory, effective July 1, 1946 for two months;

Hattie Banks, Maid, Baker Hall, effective July 1, 1946 for two months.

Thelma Eversole, Clerk in the Department of Photography, effective June 20, 1946 for one month.

Rosalie York, Junior Medical Technologist, Starling-Loving Hospital, Laboratories, for one year effective June 7, 1946 in order that she may assist on a research project.

That an increase in the stipend of the Bownocker Fellowship from \$750 to \$1000 be authorized and approved.

Recent increases in the various emoluments paid in subsidy of graduate study have pushed the Bownocker Fellowship from a position of eminence to one inferior to that of the ordinary graduate assistant. Not only as a measure to ensure the material attractiveness of the Fellowship, but also to keep it in the relative stature originally intended by the Department, this increase in stipend is necessary.

That the Memorandum of Agreement between the Sinclair Oil Corporation of New York and The Ohio Agricultural Experiment Station, Wooster, Ohio and the College of Agriculture, The Ohio State University, Columbus, Ohio, relative to the establishment of an Agricultural Experiment Farm at Columbus, Ohio, be approved.

That the proposed agreement between Mr. T. Phillip Waalkes and The Ohio State University and the E. I. DuPont de Nemours and Company regarding the purchase by E. I. DuPont de Nemours and Company of all rights of Mr. Waalkes' invention and any patents which may result therefrom, be approved.

That upon the recommendation of Dean Wendell D. Postle of the College of Dentistry, the laboratory deposit fee, now \$60.00 per quarter (non-returnable) be increased to \$80.00 per quarter for all dental students effective with the Autumn Quarter 1946.

That the Board of Trustees authorize the withdrawal from the University Treasurer account the sum of \$25,000.00 to be deposited in the Huntington National Bank, and to be used as a Petty Cash Account for the purchase of meats and food supplies, for the payment of wages of an emergency nature and for other emergency purchases, all of which cannot be paid in a minimum of time by regular voucher

procedure. Purchases will be made in accordance with the usual regulations and reimbursement of the Petty Cash Account will be made by regular vouchers drawn against the proper funds.

That the operating budget for the Department of Athletics, for the year 1946-1947, be approved.

That a "Student Financial Aids Office" be established under the President's Office for the purpose of centralization and coordination of student financial counseling, scholarships, loans and employment, effective at once.

Our student financial aid program should be conducted within a framework of financial counseling. Such students asking financial assistance, whether loan, scholarship, or job, should be interviewed by an experienced counselor who can assist him or her in planning a feasible financial program consistent with educational-vocational goals. Each student's financial problem is unique. Assistance should be granted only after a thorough investigation of the student's qualifications based on the following criteria: academic aptitude, (includes ability and achievement), financial need, character and leadership, and vocational promise. Success in the use of these criteria will depend upon the quality of financial counseling and our ability to integrate financial aids with other personnel services in this University.

The proposed Student Financial Aids Office is needed because in the past there has been little centralization or coordination in the University's program of loans, scholarships, and jobs. In the past year 4,400 students applied for student employment, 124 for loans, and an indefinite number for scholarships. Since there is little coordination now, it is impossible to determine the specific number of students who may be receiving aid from more than one source.

Adequate employment is becoming more and more difficult to secure, scholarships are relatively few in number, and loan funds are limited. The new Student Financial Aids Office will avoid overlapping and duplication of grants in aid and will help us to extend aid to as many students as possible.

That the proposal of The Ohio State University Development Fund to cooperate with the 4-H Clubs of Ohio and several other organizations to raise an endowment of \$200,000 to be known as The Ohio 4-H Club Foundation, be approved, in accordance with the following rules:

1. The Ohio 4-H Club Foundation is to be developed at The Ohio State University with an immediate goal of at least \$200,000.
2. The sponsors of the Foundation shall be the 4-H Clubs of Ohio.
3. *Purpose:*  
To provide scholarships, fellowships or other aids for undergraduate and graduate study, short courses, conferences,, camps or other educational events for 4-H Club members, former club members and their leaders.
4. *Expenditure:*
  - A. Expenditures shall be made only upon authorization of the Executive Council of the Ohio 4-H Club Foundation.
  - B. Expenditures shall be made only from the interest of

the fund, excepting when at the request of the donor, the principal is designated for a specific purpose.

5. *Organization:*

- A. Membership—The following shall be members of the Ohio 4-H Club Foundation:
- a. The chairman of each county 4-H Club Council.
  - b. Each member of the county and state Ohio Agricultural Extension Service staff.
- B. An Ohio 4-H Club Foundation Executive Council shall be formed of the following:
1. Dean of the College of Agriculture
  2. The Director of the Ohio Agricultural Extension Service
  3. The Ohio State 4-H Club Leader
  4. One member of the Ohio County Extension Agents' Association
  5. One member of the Ohio Agricultural Extension Professors' Association
  6. One man local 4-H Club advisor
  7. One woman local 4-H Club advisor  
(6 and 7 to be selected by a State conference of local 4-H Club advisors)
  8. Three representatives from the general public  
(selected by the above Executive Council members)
- C. Meetings of the membership may be called by the Ohio 4-H Club Foundation Executive Council.
6. That the solicitation of funds for the Ohio 4-H Club Foundation be undertaken in connection with the Ohio State University Development Fund.

*The Development Fund:*

- A. Is an agency of The Ohio State University and is the official agency for solicitation of funds other than appropriations from state and federal governments.
- B. Provides for deposit of funds in state treasury—"preserved inviolate and undiminished." Constitution of Ohio—Article VI—Education—Section 1.

Mr. Anderson and Mr. Chak, students at the University appeared before the Board and presented their version of the need for adequate housing for veteran students and their desire that the use of Baker Hall be returned to men students.

\* \* \* \* \*

Mr. Lincoln read to the Board a memorandum indicating the necessity of the Trustees now preparing an over-all plan to meet the rapidly changing and expanding needs of the University, due to impending social and economic developments. This proposed plan to cover the next 5, 10 and 20 years.

After discussion by the Board of the many points raised in the memorandum, Mr. Lincoln now offered the following motion:

That, in order that the Board of Trustees may determine long range policies, the president be requested to prepare and present at the Gibraltar meeting studies and plans concerning staff, curricula, research, building and housing needs, land and such other matters as may become the concern of University policy in the succeeding period.

This motion was seconded by General Dargusch with the suggestion that copies of Mr. Lincoln's memorandum be sent to each member of the Board. Upon roll call the motion was unanimously approved.

\* \* \* \* \*

The President now announced a gift by Mr. Franz Stone in honor of his father, Julius F. Stone, consisting of fifty shares of American Telephone and Telegraph and ten shares of American Gas and Electric. Proceeds from the sale of this stock are to be divided, \$10,000.00 for the Julius F. Stone Research Fellowships and current research activities in the field of Physical Medicine and the cyclotron, which will include a renewal of Dr. William G. Myers' Fellowship, and an additional sum to be placed with the amount given last year establishing the Julius F. Stone Research Foundation, the interest of which, only, is to be used for research activities.

The President requested that the Business Manager be authorized to sell the stock in question and to divide the proceeds in accordance with the provisions of the gift.

On motion of General Dargusch, seconded by Mr. Thompson, the Board by unanimous vote accepted the gift with deep appreciation and the Business Manager was directed to sell the securities and to make allocation of the proceeds in accordance with the terms of the gift.

That an office of Religious Activities be created with a director in charge responsible to the President, effective Autumn Quarter 1946.

*Purpose:*

The Director of Religious Activities will serve a need in the University by co-ordinating and advising all religious activities and programs. Acting as an Executive-Secretary of the University Religious Council, he will be in a position to give leadership and direction to all activities pertaining to the religious life of the University. From this position he will be enabled to relate the efforts of all religious groups to the life of the University as a whole. He will supervise an office which will serve as a clearing house of information and all scheduled activities. In addition he will maintain a directory of religious preferences. A large share of his time will be devoted to counseling with students and helping them to find religious expression in the various groups which they shall choose. Harmony of ideas and mutual projects in religious activities can be achieved under his leadership.

*Plan:*

It is anticipated that a minimum budget of \$6,000.00 will be set up for the first year of operation for this office. An agreement has been made whereby the University Religious Council is expected to raise one-half of this amount and that the other half be raised in the Development Fund; or, \$3,000.00 each.

The University Religious Council is able to report as of July 17, 1946, that its share of \$3,000.00 has been subscribed from its various denominations. Those denominations which have assured their participation are as follows:

The Methodist Church  
 The Presbyterian Church  
 The Roman Catholic Church  
 The Hillel Foundation  
 The Lutheran Church  
 The Baptist Church  
 The Evangelical Reformed Church  
 The First Community Church  
 The United Presbyterian Church  
 The Episcopal Church  
 The Church of Christ  
 The University Y. M. C. A.  
 The University Y. W. C. A.

That the following gifts be accepted and the appreciation of the Board of Trustees be appropriately expressed:

\$12,524.71 from Franz T. Stone to be credited as follows:  
 \$10,000.00 for the Julius F. Stone Medical Fellowship—  
 Rotary 7813 and \$2,524.71 for the Julius F. Stone Fund for  
 medical research;

\$1,750.00 from the John and Mary R. Markle Foundation to  
 be credited to Rotary 7418;

*From the Development Fund*

\$2,250.00 for the Emil H. Arnold Fund;

\$2,000.00 for the Ohio Hybrid Seed Corn Producers Rotary 7554.

That the following research agreements heretofore entered into between The Ohio State University and The Ohio State University Research Foundation setting up the following projects be reported to the Board of Trustees for information and record:

Chicago Quartermaster Depot, Chicago, Illinois—Investigation of Pasteurization of Liquid Whole Egg (to be known as the Chicago Quartermaster Depot Research Project No. 226—Poultry Husbandry);

Bristol Laboratories, Incorporated, Syracuse, New York—Investigation of Synthesis of Streptomycin and Related Substances (to be known as the Bristol Laboratories, Incorporated Research Project No. 224—Chemistry);

P. Lorillard Incorporated, Middletown, Ohio—Investigation of Cigarette Smoke (to be known as the P. Lorillard Company Incorporated Research Project No. 257—Chemistry);

The above fifteen contracts for research in cooperation with Government and Industry represent a gross income of \$474,487.00.

Upon motion of Mr. Power, seconded by General Dargusch, the above recommendations of the President were approved by unanimous vote.

\* \* \* \* \*

The President recommended that the position of Personnel Director be established in the office of the Business Manager at a salary not to exceed \$6,000.00 per annum, his responsibilities to cover the employment, salaries, promotions and transfers of all non-academic employees of the University.

Upon motion of Mr. Pomerene, seconded by Mr. Atkinson, this recommendation was approved by unanimous vote.

\* \* \* \* \*

It was moved by Mr. Lincoln, seconded by General Dargusch, that the President of the University be instructed to cause to be made a full investigation of the circumstances leading to and surrounding the death of Donald H. Shields at the Ohio Stadium on June 4, 1946 and that a report of the investigation be made to the Board of Trustees. Upon roll call this recommendation was approved by unanimous vote.

\* \* \* \* \*

The President now presented the annual salary budget for the fiscal year beginning July 1, 1946 and after a careful explanation of the details of the budget, General Dargusch moved that the budget as presented by the President be adopted. This motion was seconded by Mr. Lincoln and upon roll call was unanimously approved.

The Business Manager recommended that the contract of the Pioneer Construction Company for the Pavement of the Tennis Courts on the campus be extended from August 1, 1946 to September 30, 1946 due to the inability of the company to get prompt delivery on material required. Upon motion of Mr. Lincoln, seconded by Mr. Power, the above recommendation was approved by unanimous vote.

\* \* \* \* \*

The Business Manager reported for record the following actions of the State Controlling Board:

Request No. 247—	Authority to enter into contract with the General Construction Company, for extra work involved on the River Road Veteran's Emergency Housing Project in relation to the sizes and depth of main sewer lines....	\$ 5,697.50
Request No. 248—	Purchase of a quantity of repair parts from the Ohio Locomotive Crane Company.....	\$ 835.20

Request No. 249—Release of \$525,000.00 for construction of the Recitation Building .....	\$525,000.00
Request No. 252—Construction of temporary class room buildings by force account .....	\$150,000.00

The Business Manager presented plans, specifications, bill of materials and estimate of cost for the following improvements which have been approved by the University Cabinet:

- Four Metal Quonset Hut Buildings
  - Estimated cost, \$29,850.00
  - Payable from funds appropriated at special session of Legislature
- New Electrical Distribution Equipment from Sub-Station "B"
  - Estimated cost, \$52,200.00
  - Payable from appropriation G-31 Electrical Distribution Equipment
- Electrical Switchgear Equipment in Power Plant
  - Estimated cost, \$283,200.00
  - Payable from appropriation G-31 Power Plant Equipment
- Part II (576 single dormitory units) and Part III (562 family dwelling units)
- Extension of Stadium Dormitory—Equipment (Kitchen and Cafeteria)
- Painting steel work in the Ohio Stadium
  - Payable from Athletic Funds. \$20,000.00 has been set aside for the labor; the Athletic Department has the paint on hand.

The Business Manager now recommended that these plans, specifications, bill of materials and estimate of cost be approved by the Board of Trustees and that he be directed to present the same to the Director of Public Works for his approval, and if so approved, to advertise for bids in accordance with law; that the Cabinet be authorized to receive and open bids for and on behalf of the Board of Trustees and if any bids are received below the estimate to recommend to the Director of Public Works the award of such contract. All actions of the Cabinet on this matter are to be reported to the Board at a later meeting.

Upon motion of Mr. Pomerene, seconded by Mr. Atkinson, the above recommendation of the Business Manager was approved by unanimous vote.

\* \* \* \* \*

The President presented the following recommendation: That, in view of the traditional agreement whereby our College of Veterinary Medicine serves the State of Illinois, Indiana, Kentucky, West Virginia and Ohio, the proper administrative officers of the University be authorized to accept, in their discretion, enrollment from States other than Ohio that have been historically served.

Upon motion of Mr. Pomerene, seconded by Mr. Atkinson, the above recommendation was approved by unanimous vote.

\* \* \* \* \*

The President recommended that Donald P. Cottrell be appointed Professor and Dean of the College of Education, effective September 1, 1946 at an annual salary of \$8,800.00.

On motion of General Dargusch, seconded by Mr. Power, the  
above recommendation was approved by unanimous vote.

\* \* \* \* \*

Thereupon the Board adjourned to meet September 3, 1946 at  
Gibraltar Island.

Attest:

 \$522.52 for the Alfred Dodge Cole Memorial Library

That the following research agreements heretofore entered into between the Ohio State University and the Ohio State University Research Foundation setting up the following research projects be reported to the Board of Trustees for information and record:

- Chicago Quartermaster Depot, Chicago, Illinois—Investigation of Chemical Changes in Milk Powder (to be known as the Chicago Quartermaster Depot Research Project No. 279—Dairy Technology);
- Washington Quartermaster Depot, Alexandria, Virginia — Investigation of Insect Repellents (to be known as the Washington Quartermaster Depot Research Project No. 272—Zoology and Entomology);
- Firestone Tire and Rubber Company, Akron, Ohio—Investigation of Vulcanization of Synthetic Rubber (to be known as the Firestone Tire and Rubber Company Research Project No. 115—Chemistry);
- B. F. Goodrich Company, Akron, Ohio—Investigation of Rubber Chemicals (to be known as the B. F. Goodrich Company Research Project No. 162—Chemistry);
- Master Builders Company, Cleveland, Ohio—Investigation of Cement (to be known as the Master Builders Company Research Project No. 239—Chemistry);
- Chicago Quartermaster Depot, Chicago, Illinois—Investigation of Browning Reaction (to be known as the Chicago Quartermaster Depot Research Project No. 278—Chemistry);
- Air Materiel Command, Wright Field, Dayton, Ohio—Investigation of Interference Filters (to be known as the Air Materiel Command Research Project No. 274—Physics and Astronomy);
- Air Materiel Command, Wright Field, Dayton, Ohio—Investigation of Measurement Methods and Techniques (to be known as the Air Materiel Command Research Project No. 275—Physics and Astronomy);
- Air Materiel Command, Wright Field, Dayton, Ohio—Investigation of Microwave Oscillator (to be known as the Air Materiel Command Research Project No. 276—Electrical Engineering);
- National Clay Pipe Research Corporation, Logan, Ohio—Investigation of Pressure Pipe (to be known as the National Clay Pipe Research Corporation Research Project No. 146—Engineering Experiment Station);
- Johns-Manville, New York, New York—Investigation of Insulating Fire Brick (to be known as the Johns-Manville Research Project No. 44—Engineering Experiment Station);
- Washington Quartermaster Depot, Alexandria, Virginia—Investigation of Substitute Fats, Oils and Greases for Application to Leather (to be known as the Washington Quartermaster Depot Research Project No. 273—Physiological Chemistry).

The above twelve contracts for research in cooperation with Government and Industry represent a gross income of \$420,466.00.

Upon motion of Mr. Lincoln, seconded by Mr. Thompson, the above recommendations of the President were approved by unanimous vote.

CABINET MINUTES

February 1, 1946.

The Cabinet met in the office of the Secretary.

Present: President Bevis, Messrs. Smith, Elleman, Kuntz.

Mr. Elleman made the following report:

January 31, 1946

The University Cabinet  
Administration Building, Campus

Gentlemen:

Bids were received for one 4000 Kw Turbine Generator Unit at 2:00 P. M. January 28.

Two bids were received, one of which was unsigned. The other bid from the General Electric Company for \$101,200.00 carries their price adjustment clause and also a statement that the adjustment price in no event will be more than 35% of the original bid price of \$101,200.00.

Their price adjustment clause carries a basis for adjusting the price, that is, labor represents 40% of their bid and taking the difference between the labor index of the U. S. Department of Labor for the electrical equipment manufacturing industry at the time of the warding of the contract and the average of the monthly labor index figures for the period from the date of acceptance to the date of completion of shipment which is multiplied by the amount of money represented by the 40% would give the amount of adjustment to be made for labor.

The material is accepted as 30% of the bid. Taking the difference between the material index compiled by the U. S. Department of Labor, "Group 4, Metal and Metal Products" at the time of the award of the contract and the average of the monthly material index figures from the date of contract to the date of completion of shipment using this difference to multiply the amount of money represented by the 30% would give the amount of the adjustment of the material.

It is my belief that the contract can be awarded because:

1. It gives a definite ceiling amount.
2. It gives a definite method for the computing of the adjustment.

Very truly yours,

(Signed) PAUL H. ELLEMAN,  
Maintenance Engineer.

## CABINET MINUTES

May 13, 1946.

The Cabinet met in the office of the Business Manager, Administration Building.

Present: Vice President Davis, Messrs. Taylor, McCracken and Hartman.

Mr. Elleman presented the following report and recommendation:

At 2:00 P. M. on January 28, 1946 bids were opened by the Cabinet on authority from the Board of Trustees for one 4000 Kw Turbine Generator Unit. The following is a tabulation of bids received:

<i>Bidder</i>	<i>Amount of Bid</i>
Elliott Company .....	\$102,740.00
General Electric Company .....	101,200.00

It will be noted that the General Electric Company is low bidder, but their bid carried an escalator clause for which the increased amount of the bid could not exceed 35 per cent. Since this clause was new to our bids, on January 31, 1946, the Director of Public Works was asked to make a formal request to the Attorney General for a ruling on this bid.

On February 5 the Director of Public Works asked the Attorney General to advise him if a contract may be awarded to the lowest and best bidder with the price adjustment clause as a part of the contract to be entered into with the bidder.

On May 6 the Attorney General gave an opinion which stated that we could not award a contract to the General Electric Company on their bid made January 28, but gave the following opinion on awarding contracts with escalator clauses:

A contract may be awarded by the Department of Public Works under Section 2319 of the General Code pursuant to bids received on forms prescribed which contain a stated price with provision for price adjustment based on changes in costs of labor and materials, up to a fixed maximum percentage.

Therefore, I wish to recommend that all bids received on January 28, 1946 for One 4000 Kw Turbine Generator Unit be rejected and that the Attorney General be requested to supply the necessary statements to be added to our present form of proposal in order that we may be able to award a contract on bids received and that we again ask for bids on the form of proposals so revised.

On motion the Cabinet approved the report and recommendation and directed Mr. Elleman to make the proper report to the Director of Public Works.

The following bids were received, read, tabulated, and referred to the Director of the Physical Plant for report:

<i>Bidder</i>	<i>Amount of Bid</i>
Elliott Company .....	\$182,082.00
Westinghouse Electric Corporation .....	184,470.00
General Electric Company .....	172,800.00

The bids submitted were on the basis of 120% of present day pricing.

CABINET MINUTES

August 12, 1946.

The Cabinet met in the office of the Business Manager.

Present: Messrs. Davis, Smith, Elleman and Kuntz.

Mr. Elleman presented the following report and recommendation:

On authority of the Board of Trustees the Cabinet opened bids on one 5000 Kw Turbine Generator Unit at 2:00 P. M., July 29, 1946. The following is a tabulation of the bids:

<i>Bidder</i>	<i>Amount of Bid</i>
Elliott Company .....	\$182,082.00
Westinghouse Electric Company .....	184,470.00
General Electric Company .....	172,800.00

The engineer's estimate for the above work was \$174,500. It will be noted that the General Electric Company is the low bidder and the bid is below the engineer's estimate. Therefore, I recommend that the contract be awarded to the General Electric Company at their bid of \$172,800 which is subject to the escalation noted in the form of proposal and should be made a part of the contract.

This recommendation is based upon the report of Sargent & Lundy Engineers relative to the awarding of contract for One 5000 Kw Turbine Generator. The Sargent & Lundy report is attached and should be made a part of this recommendation.

On motion the Cabinet approved this recommendation and directed Mr. Elleman to prepare proper contract forms.

All bids submitted were on the basis of 120% of present day prices.

## CABINET MINUTES

August 12, 1946.

The Cabinet met in the office of the Business Manager.

Present: Messrs. Davis, Smith, Elleman and Kuntz.

Mr. Elleman presented the following report and recommendation:

On authority of the Board of Trustees the Cabinet opened bids on One Condensing Equipment required in connection with the new 5000 Kw Turbine Generator, at 2:00 P. M., July 29, 1946. The following is a tabulation of the bids:

<i>Bidder</i>	<i>Amount of Bid</i>
The Elliott Company .....	\$41,826.00
Worthington Pump & Machinery Corp.....	35,760.00
Westinghouse Electric Corporation .....	36,420.00

The engineer's estimate for the above work was \$38,400.00. It will be noted that the Worthington Pump and Machinery Corporation is the low bidder and the bid is below the engineer's estimate. Therefore I recommend that the contract be awarded to the Worthington Pump and Machinery Corporation at their bid of \$35,760 which is subject to the escalation noted in the form of proposal and should be made a part of the contract.

This recommendation is based upon the report of Sargent & Lundy Engineers relative to the awarding of contract for One Condensing Equipment. The Sargent & Lundy report is attached and should be made a part of this recommendation.

On motion the Cabinet approved this recommendation and directed Mr. Elleman to prepare the proper contract forms.

*Re: Part II, River Road Housing*

## CABINET MINUTES

July 29, 1946.

The Cabinet met at 2 P. M. in the office of the Business Manager.

Present: Messrs. Davis, Smith, Elleman and Kuntz.

The Business Manager reported the following action of the Controlling Board at its meeting held July 23, 1946:

Requests No. 257 and No. 259

At the meeting of the Controlling Board, held on July 23, 1946, the Board considered your requests of July 19-20, 1946 and the following action was approved:

*Ohio State University*

The Board consents to and approves of, the release without restriction, in G-32, Other Capital Outlay, River Road Housing-Site preparation, including drainage, grading, roads, walks, sewers, utilities, in accordance with the provisions of Section 9 of House Bill No. 484.

The Board finds that an emergency exists and that the interest of the State requires and permits the advertising for bids for Part 2 and Part 3 of the Veterans Emergency Housing Project, to be published once, not more than ten days nor less than eight days preceding the day of the opening of the bids, in accordance with the provisions of Section 8 of House Bill No. 484.

Very truly yours,

(Signed) JOHN M. WILCOXON,  
*Secretary, Controlling Board.*

CABINET MINUTES

August 14, 1946.

The Cabinet met at 2 P. M. in the office of the Business Manager.

Present: Messrs. Davis, Smith, Elleman and Kuntz.

The Cabinet, acting under instructions received from the Board of Trustees at its meeting held February 11, 1946, met for the purpose of opening and reading in public the bids received at 2 P. M. this day for Emergency Housing Project No. 2. The following bids were received, read, tabulated, and referred to the Architect for report:

	<i>Water Supply System</i>	<i>Sewage System Contract</i>	<i>Electric Contract</i>
H. E. Miller.....	\$8,961.00		
George Sheaf & Co.....		\$17,500.00

General Construction Co....	31,487.00	\$9,500.00	20,000.00
George Sheaf & Co.—combination bid			
Roads & Grading .....			\$47,900.00

CABINET MINUTES

August 22, 1946.

The Cabinet met in the office of the Business Manager.

Present: Messrs. Taylor, Davis, Elleman and Smith.

The Architect presented the following report and recommendation:

Folowing is a report and recommendation concerning the enlarged pumping station in the River Road Veterans Emergency Housing Project:

1. Part I of the Project which houses 720 men and which was the only housing project contemplated when bids were taken in March 1946 included a sewer pumping station of ample size for that project. In the division of contract costs filed by General Construction Company, contractor for Roads, Grading and Sewers for the project, the proportion of the total contract amount allotted to the pumping station is \$4000.00. This we consider a proper proportion for the station as shown on Drawing No. 5 dated March 1946.
2. In June Part II for 576 single dormitory units and Part III for 562 family dwelling units were allocated to the University by the Federal Public Housing Authority. It became necessary to increase the size and depth of the sewer lines provided for Part I and to increase the size and capacity of the sewer pumping station. Since material for the sewer lines had already been ordered but not delivered, immediate emergency steps were taken and permission was granted by the Controlling Board on June 20 to add the sum of \$5,697.50 to the existing contract for this purpose.
3. It became necessary to re-design the pumping station, increasing its size and capacity by several times the original. This revised station is indicated on Drawing No. 5, dated July 8, 1946, prepared in connection with the site improvement drawings for Part II of the Housing Project.
4. Under date of July 13, 1946, General Construction Company submitted a proposal in the sum of \$13,556.00 to be added to their contract of \$37,300.00 dated May 14, 1946, for Roads, Grading and Sewers. This was received without competition and the Architect's Office was of the opinion that it was excessive. Action on the proposal was deferred and upon recommendation of the Architect, informative bids were requested in the form of Alternates to the Sewer System and Roads and Grading bids received on August 14, pursuant to public advertisement.
5. Proposals were solicited by direct mail in addition to the published advertisement. The only bids received on the Alternate proposals for the construction of the revised pump house were submitted by General Construction Company in the sums of \$25,000 and \$20,000.00. These figures are to be compared with the July 13th proposal of \$13,556.00 which is to be added to the \$4,000.00 representing the cost of the original pumping station.

It is evident, therefore, that no better price for the revised pumping station can be received at the present time than that represented by the General Construction Company proposal of July 13. Further delay in construction of the

revised pumping station will cause further serious delay in the completion of the Veterans Emergency Housing Projects.

I, therefore, recommend that a request be presented to the Controlling Board for permission to add the sum of \$13,556.00 to the General Construction Company contract for this purpose, without further competitive bidding.

On motion the Cabinet approved this and directed the Architect to proceed as recommended.

The University Architect presented the following report:

Presented herewith is a tabulation of the bids received on August 14, 1946 for Site Improvement for Part II River Road Veterans Emergency Housing Project, and which was referred to the University Architect for recommendation.

1. The bid for Electric Contract is below the estimate filed with the Auditor of State and I recommend that an award be made to Electric Power Equipment Company in the sum of \$875 and the Director of Public Works be requested to execute a contract accordingly.
2. The bid for the Water Supply System by H. E. Miller in the sum of \$8,961 can be reduced to \$8,524 by the acceptance of proposed substitutions of (1) 2" galvanized iron pipe for 2" cast iron pipe at a reduction of \$320 and (2) Kennedy valves for Crane valves at a reduction of \$117. Both of these substitutions are satisfactory in my judgment.

The net amount of \$8,524 is \$1,524 in excess of the estimate cost filed with the Auditor of State. In my opinion, however, no better bids will be received if this item is readvertised and I so certify to that fact. I, therefore, recommend that permission be requested of the Controlling Board to award the contract for the Water Supply System in this project to H. E. Miller in the net sum of \$8,524.00.

3. The low bid of \$15,000 for the Sewer System is \$6,000 over the estimate of cost filed with the Auditor of State. In my opinion, however, no better bids will be received if this item is readvertised, and I so certify to that fact. I therefore recommend that permission be requested of the Controlling Board to award the contract for the Sewer System in this project to the General Construction Company in the sum of \$15,000.00.
4. The low bid of \$31,487.00 for Roads and Grading is \$16,527 over the filed estimate. Since it is possible to revise the specifications for this item and reduce its probable cost I recommend that the bids for Roads and Grading be rejected.
5. The bid for Gas Lines is below the filed estimate, but since there is still some question as to the use of gas for fuel for this project I recommend that action on this item be held in abeyance temporarily.

On motion the Cabinet approved this report.

The Architect presented the following specifications and recommendation which the Cabinet approved.

Presented herewith are revised specifications and revised drawing No. 3 for Roads and Grading Contract for Part II, River Road Veterans Emergency Housing Project. I recommend that they be approved and that the Controlling Board be requested for permission to invite bids on a ten-day advertisement.

#### CABINET MINUTES

July 29, 1946.

The Cabinet met in the office of the Business Manager.

Present: Messrs. Davis, Kuntz, Smith and Elleman.

The University Architect presented the following recommendations:

In order to provide three-phase current for the two 15 H.P. Motors in enlarged sewer pumping station in Part I of the Veterans Emergency Housing project and to relieve the University Power Plant of supplying this power, the University Architect, in cooperation with the Director of Physical Plant recommends that power be obtained from the Columbus and Southern Ohio Electric Company from lines which will be placed to serve Parts II and III of the Housing Project.

We find that the most advantageous contract with the Electric Company can be made if the University will install the primary line from Hess Road south to the pumping station, at which point the Company will install its own transformers.

The University Architect has prepared specifications for this installation and has received a price from the Electric Power Equipment Company, contractor for Electric Distribution for Part I, in the net sum of \$900.00. We think this price reasonable and satisfactory, and I recommend that the necessary steps be authorized to execute an extra order to the Electric Power Equipment Company contract of \$22,536.00 for this item.

On motion the Cabinet approved this recommendation and directed the Architect to prepare proper forms for an extra to the Electric Power Equipment Company contract.

#### CABINET MINUTES

August 15, 1946.

The Cabinet approved the following recommendations submitted by the University Architect:

The original contract drawings for the electric distribution system in Part I, Veterans Emergency Housing Project, provided only for primary feeder lines with transformers, based upon the understanding that the Federal Public Housing Authority contractor would install the entire secondary feeder lines.

A ruling by FPHA now requires that the University shall furnish secondary feeder lines from the transformers to the 10 buildings in the project. We have prepared the necessary drawings and specifications for this service and have received from the Electric Power Equipment Company, contractor for

electric distribution, a quotation dated August 13, 1946, in the sum of \$1400 for making the necessary installation.

This is a reasonable proposal for the installation and I recommend that it be accepted and that the necessary documents be executed to add this sum to the contract dated May 23, 1946.

*Re:* Research Foundation Contract No. 222

CABINET MINUTES

July 18, 1946.

The Cabinet met in the office of the Business Manager.

Present: President H. L. Bevis, Messrs. Taylor, Smith and Elleman.

The Cabinet approved the following recommendation of the University Architect:

In connection with the construction of the Laboratory building for Research Foundation Project 222 (Jet-propulsion research), I recommend the acceptance of a credit from the General Contractor, Haig M. Boyajohn & Associates, in the net sum of \$332.00, for changing masonry painting from Colorcrete to Thoroseal and to provide oak thresholds and steel drip plates on three exterior doors, in accordance with specifications and deduction order prepared therefor.

On motion of Mr. Atkinson, seconded by Mr. Lincoln, the above actions of the University Cabinet were approved by unanimous vote.

\* \* \* \* \*

In accordance with action of the Board taken at its meeting on June 7, 1946 the Cabinet has had prepared and now presents the plans and specifications for the remodelling of Laneview School, as submitted by the University Architect. Estimated cost, \$131,000.00. Expense to be paid by Research Foundation.

The Business Manager now recommended that these plans, specifications, bill of materials and estimate of cost be approved by the Board of Trustees and that he be directed to present the same to the Director of Public Works for his approval, and if so approved, to advertise for bids in accordance with law; that the Cabinet be authorized to receive and open bids for and on behalf of the Board of Trustees and if any bids are received below the estimate to recommend to the Director of Public Works the award of such contract. All actions of the Cabinet on this matter are to be reported to the Board at a later meeting.

Upon motion of Mr. Atkinson, seconded by Mr. Lincoln, the above recommendation of the Business Manager was approved by unanimous vote.

\* \* \* \* \*

Mr. Thompson presented the following resolution and moved its approval:

WHEREAS, The Ohio State University (herein called the "Applicant"), acting by and through its governing body, upon the basis of available data, has found that there exists or impends an acute shortage of educational facilities required for

persons engaged in the pursuit of courses of training or education under Title II of the Servicemen's Readjustment Act of 1944, as amended and to relieve such shortage proposes to request the United States of America through the Bureau of Community Facilities, Federal Works Agency, (herein called the "Government"), to provide educational facilities, pursuant to Public Law 697, 79th Congress, (Section 504 of the Lanham Act, as amended), and in connection therewith, has examined and considered such law, the Regulations, the Information for Applicants, the form of application and the form of proposed agreement;

NOW, THEREFORE, be it resolved by the Board of Trustees of the Applicant (herein called the "Governing Body") that a justification of need and that an application or applications be filed, in such form as may be required by the Government, to provide such educational facilities as are required to alleviate such acute shortage, and that the Applicant will comply with the various requirements and conditions necessary to enable the Government to provide such facilities; and

BE IT FURTHER RESOLVED that Jacob B. Taylor, Business Manager or Harvey H. Davis, Vice-President is hereby designated as the Applicant's Representative and is authorized in his capacity as such Representative to file with the Government a justification of need and an application or applications to negotiate, execute, and enter into an agreement or agreements with the Government in substantially the form of agreement considered by the Governing Body, to negotiate, execute and enter into such other agreements and instruments and to perform and do any and all acts as may be necessary to provide a suitable site and site preparation, streets or roadways, sidewalks, landscaping, utility mains, technical or engineering data, architectural or engineering services, necessary rights of entry and rights of way for Government operations, to accept on behalf of the Applicant ownership and possession of such facilities, to assure the Government that such facilities will be utilized by the Applicant to carry out the purposes of such law, and to do or perform any and all other acts that are necessary to accomplish the purposes of the Applicant's application, to perform the Applicant's obligations under its agreement with the Government, and to obtain the provision of such facilities.

The above motion was seconded by Mr. Pomerene and upon roll call was unanimously approved.

The Secretary reported that the Board of Control of the Faculty Club wishes to have the salaried employees of the Club included in the State Retirement System, and has requested that the Board of Trustees give approval to this proposal.

Upon motion of Mr. Lincoln, seconded by Mr. Atkinson, the Board by unanimous vote approved the above request.

The Board now recessed to meet at 1:30 P. M.

1:30 P. M., September 4, 1946.

The Board resumed its session with the same members present as at the morning meeting.

President Bevis presented to each member of the Board a copy of the Suggestions for Long Range Plans for The Ohio State University and made the following statement:

The Ohio State University community finds gratification in the willingness of its Board of Trustees to take time for extended consideration of long-term University needs and the making of long-range plans to meet them.

To facilitate that consideration there are presented, herewith, some of the elements of a twenty-five year plan. In more or less separated form these projects and suggestions have been growing in the minds of the Board, the Faculty, and the Administration for a long time. They are a product of community thinking. Some are partly accomplished. All in a large sense grow out of what we have and what we have done. But to see them in combined form, and with the total picture in mind to forecast and plan for the developments of future years, is a policy function of first importance. As such, it looks to the future.

The material herewith presented is in no sense complete, either in scope or in detail. Completeness would tax space and time beyond possibility. A selection of topics and data has been attempted in the hope that those presented would be most helpful in the Board's deliberations.

The President then explained that this program is divided into the following nine groups:

- The Mission of the University
- Ohio State's Position in the University World
- Numbers of Students
- Research and Graduate Study
- Areas of Growth and Development
- Faculty and Staff
- Plant, Equipment and Land
- Public Relations
- Alumni Participation

He suggested to the Board that the entire program be read now and that the different sections be considered during the following sessions of the Board. These suggestions were agreed to and the Secretary was directed to file a copy of this report with the records of this meeting.

After reading the first six sections the Board adjourned at 4 P. M. to meet in the morning at 9:30 A. M.

---

9:30 A. M., September 5, 1946.

The Board continued its session. Same members present as at yesterday's meeting.

The section covering Plant, Equipment and Land was now read. The Board recessed at 12 noon to meet again at 1:30 P. M.

---

1:30 P. M., September 5, 1946.

The Board resumed its session. The same members were present as at the morning session and Mr. Charles F. Kettering, Chairman.

After completing the reading of the section on Plant, Equipment and Land, those sections on Public Relations and Alumni Participation were presented. After discussing various sections, the Board adjourned at 4 P. M. to meet in the morning at 9:30 A. M.

9:30 A. M., September 6, 1946.

The Board met with the same members present as at yesterday's meeting.

The Board now continued its discussion of the report. After the several parts of the report had been discussed in detail, the concensus of opinion emerging from the discussion was summarized by the President as follows:

1. Adequate appropriations for the needs and purposes of the Graduate School should be sought. For the immediate future not less than \$250,000.00 a year should be provided.

2. In pursuance of the understanding and agreement between the University, the Development Fund and the leaders of the profession of Optometry in Ohio that the Ohio State University purposes to carry forward work in the scientific aspects of vision, the University will request from the General Assembly at its next regular session the sum of \$200,000.00 to be matched by \$100,000.00 raised by gifts for the construction of a building or other suitable quarters.

3. In view of the considerations growing out of the report upon the University's needs for additional land, the Administration is directed to report specifically a program for the acquisition of acreage and, at the same time, report its recommendations concerning the possible relocation of certain colleges of the University or other adjustment in the allocation of units of organization occasioned by the increase in numbers and the present limitations of plant and land.

4. The Board approves in principle the statement of build-needs for the next twenty-five years set forth in the report. It is the opinion of the Board that funds for dormitory construction and the Student Union should not be sought from Legislative appropriation, even on a "loan basis," but that such building should be accomplished either by private enterprise directly or by private borrowing through the agency of the Ohio State University Housing Corporation, as suggested in the report. (See page 56 et seq.) The Student Union building should be financed by borrowing repaid out of student activity fees.

5. At the next session of the General Assembly requests should be made, inter alia for:

- (a) The amounts necessary to complete the buildings appropriated for at the last General Session, in the cubage then projected. (See page 68 et seq. of the report.)
- (b) The amounts necessary for the construction of the "prime projects" as set forth on page 70 et seq. of the report.

- (c) Such funds as may be required for the construction of buildings (listed alphabetically on page 72 et. seq. of the report) most urgently needed at the present time. The administration is directed to recommend specifically to the Board the order in which such buildings shall be requested, and particularly, those to be requested at the next General Session.

6. As suggested in the report, pp. 6 et seq., the emphasis upon graduate, professional and research work at the Ohio State University embodied in the Act of the General Assembly in 1904 and in the Articles of Agreement of the Inter-University Council in 1941, be reaffirmed by the Board of Trustees. The administration is directed to guide its over-all policy by the principles involved.

7. The Board looks with favor upon the recommendations in the report for the establishment of a limited number of professorships of University-wide character, as distinguished from those of strictly departmental character. (See page 48.) It is expected that the administration will make recommendations upon this principle as opportunity offers.

Vice President Davis now read to the Board a report of the Committee on Governmental and Legal Research.

Upon consideration of the report of the Committee, the Board, upon the motion of Mr. Power, seconded by Mr. Pomerene, resolved that the action of the Board of Trustees taken on September 18, 1939 establishing an Institute of State and Local Government be rescinded; resolved further, that the Administration be directed to take such measures as will help to accomplish the University purposes set forth in Sections 4861-14-15-16 of the General Code of Ohio.

\* \* \* \* \*

The Board adjourned at 4 P. M. to meet in the morning at 9 A. M.

9:00 A. M., September 7, 1946.

The Board resumed its sessions with the same members present as at yesterday's meeting.

After further discussion of the long-range plan, the Board adjourned to meet at Wooster, Ohio, Wednesday, October 23, 1946 at 10:30 A. M.

Attest:

(Signed) CARL E. STEEB, *Secretary.*      (Signed) CHARLES F. KETTERING, *Chairman.*

THE OHIO STATE UNIVERSITY

OFFICIAL PROCEEDINGS OF THE  
SEVEN HUNDRED AND NINETY-FIFTH MEETING OF THE  
BOARD OF TRUSTEES

Wooster, Ohio  
October 23, 1946.

The Board of Trustees met at Wooster, Ohio at 10:30 A. M. pursuant to adjournment.

Present: Charles F. Kettering, Chairman, Herbert S. Atkinson, Warner M. Pomerene, Donald C. Power, General Carlton S. Dargusch and Lockwood Thompson.

\* \* \* \* \*

The minutes of the last meeting were approved.

\* \* \* \* \*

The Secretary presented five applications for Ohio State University Deeds, covering the following parcels of Virginia Military Land, to be issued to the applicant, Ernest Flagg of New York City under the provisions of Section 14987 of the General Code:

To	Survey	County	Township	Acres
Ernest Flagg	15499	Scioto	Nile	44.7
Ernest Flagg	14305	Scioto	Nile	17
Ernest Flagg	15303	Adams	Green	25
Ernest Flagg	15984	Adams	Green	31.9
Ernest Flagg	15302 & 14993	Adams	Green	37.75

156.35

The Attorney General has examined all documents connected with these applications, and under date of October 8, 1946 certified that such documents are approved as to form, and are deemed to be adequate.

Upon motion of Mr. Power, seconded by Mr. Pomerene, the Board by unanimous vote approved the above applications and authorized the Chairman to execute proper deeds for the parcels of land as described in said applications.

That the following miscellaneous recommendations be approved:

That Dr. Robert C. Kirk be returned from military leave, as Assistant Clinical Professor in the Department of Medicine, effective July 1, 1946 at a salary of \$600.00 for twelve months. Base salary, \$500.00—annual rate \$600.00. (10%)

That Rosalie York, Junior Medical Technologist, Laboratories, Starling-Loving Hospital, be returned from leave of absence, effective September 1, 1946 at an annual salary of \$1800.00 plus laundry of uniforms.

That Professor Laura Zirbes, Department of Education, be given credit for extra leave of one quarter for teaching in the Spring Quarter 1946, the fourth quarter of her 1945-1946 contract year, instead of a special contract for \$1280.00 cash compensation, as provided for by the Board action of July 22, 1946.

That Sidney D. Terr, Assistant Professor in the Department of History, be paid \$659.00 for the extra instruction at two-ninths of his annual rate for services during the 1946 summer quarter, which quarter was to have been one of his regular quarters of service in his 1946-1947 contract year. Payment is necessary because of his resignation effective September 30, 1946.

That the date of the resignation of Earl Ralph Purchase, University Fellow, at the annual rate of \$600.00 be changed from August 31, 1946 to September 30, 1946.

That the following leaves of absence, with salary, be granted:

Elwood E. Davis, County Agricultural Agent, Morrow County, Agricultural Extension Service for the period October 1, 1946 to December 20, 1946, for study at The Ohio State University;

Fanchon Warfield, Home Demonstration Agent, Agricultural Extension Service, effective October 1, 1946 to December 31, 1946 for study at the University of Chicago;

Edith Berry, Extension Specialist in Clothing, Agricultural Extension Service, effective September 23, 1946 to January 31, 1947 for study at Columbia University.

That the following leaves of absence, without salary, be granted:

E. Neal Southard, Instructor in the Department of History, effective October 1, 1946 for the year on account of illness;

John M. Weed, Associate Professor of Civil Engineering and Editor, Engineering Experiment Station, effective October 1, 1946 for one year;

Dr. Charles L. Anderson, Clinical Instructor in the Department of Neurology and Psychiatry, for the Autumn Quarter, 1946, for post-graduate training in New York City;

Wilbert P. Skirball, Junior Assistant Resident, Starling-Loving Hospital, Administration-Teaching, effective September 1 to October 31, 1946.

Marvil Aumend, Anesthetist, Starling-Loving Hospital, effective September 1, 1946 to March 1, 1947;

Mary K. Thomas, Assistant Director and Assistant Professor of Nursing, Nursing Care, Starling-Loving Hospital, effective September 25, 1946 to February 1, 1947;

Norma Jean Vojsak, Library Assistant, University Library, effective September 1 for one month.

That the appointments of Donald V. Josephson, Research Associate and Stuart Patton, Research Assistant, Research Foundation, be transferred from the Department of Physics and Astronomy to the Department of Dairy Technology, effective July 1, 1946;

That the sum of \$30,000.00 be transferred from Pomerene Refectory Funds, Rotary 8228, to Home Economics Rotary 8211 for the use of the School of Home Economics.

That, in accordance with the action of the Faculty Council at its meeting on August 27, 1946, the following recommendation of the Executive Committee of the College of Arts and Sciences, be approved:

To the University Faculty Council:

Gentlemen:

The Executive Committee of the College of Arts and Sciences recommends that the record and the diploma of Robert Ellsworth Redding be corrected to read "Bachelor of Arts, cum laude and with Distinction in Political Science."

Mr. Redding was recommended for the Bachelor of Arts degree with Distinction in Political Science in June 1940. In his last quarter of residence he made "A's" on all of his work. This raised his cumulative point-hour ratio from 3.47 to 3.51. Through oversight, his name was overlooked when the list of candidates for the degrees cum laude was prepared.

Respectfully submitted,

H. L. HAMILTON,  
*Secretary,*  
*College of Arts and Sciences.*

That effective with the Autumn Quarter of 1946 a non-returnable laboratory fee of \$100.00 per quarter be charged to all graduate students in the College of Dentistry.

That the supplemental agreement between The Ohio State University and The Ohio Division of Conservation and Natural Re-

sources concerning the operation of the Franz Theodore Stone Laboratory at Gibraltar Island in Lake Erie, be approved;

That the proposal of the Pan American Refining Corporation of Texas City, Texas, to establish a graduate fellowship in Chemistry under the terms set forth in the proposed agreement (attached hereto) be accepted and the appreciation of the Board of Trustees be appropriately expressed.

That the gift of \$1,000.00 from Dr. William Lloyd Evans and Cora Roberts Evans for the establishment of a War Memorial Scholarship be accepted and the appreciation of the Board of Trustees be appropriately expressed.

It is further recommended that the following description of this fund be included in the Minutes of the Board of Trustees and that it also appear in the annual Financial Report of the University under the section detailing Endowment Funds for Designated Purposes:

The William Arthur Evans Memorial Scholarship  
September 14, 1917-March 27, 1944

Established by a gift from William Lloyd Evans and Cora Robert Evans in honor and in memory of their son William Arthur Evans, a graduate of the Department of Mechanical Engineering in 1940, who volunteered for service in the United States Navy on January 7, 1942. Lieutenant (j.g.) Evans served as Radar and Communications Officer aboard the submarine U.S.S. Tullibee and was awarded the Naval Commendation Ribbon for his work during the ship's second patrol into enemy controlled waters. On its fourth sweep, the Tullibee with its entire crew, save one, was lost.

William Arthur Evans' life was bounded by two wars: a fate that was inconsistent with his generous, friendly and spiritual nature. These same qualities, however, challenged him to tasks involving great courage and sacrifice.

It is the earnest hope of the donors that this award will aid recipients in pursuing peaceful and productive futures.

The income from the gift will be used to support a scholarship to be awarded annually to a student enrolled in Mechanical Engineering by the University Scholarship Committee on recommendation of the faculty of the Department of Mechanical Engineering.

That the following gifts be accepted and the appreciation of the Board of Trustees be appropriately expressed:

\$2500.00 from the American Cancer Society for National Research Council—Dr. Snyder—National Research Council Rotary 7523;

\$556.50 from the American Cancer Society for National Research Council—Dr. Newman—National Research Council Rotary 7514;

\$1033.00 from the Allied Chemical and Dye Corporation for a Fellowship—Allied Chemical and Dye Corporation Rotary 7009;

\$700.00 from the Payne Fund, Incorporated for the Payne Study and Experiment Fund—Rotary 7620;

\$1500.00 from the Watumull Foundation for a Scholarship—Rotary 7900;

\$200.00 from Mrs. William Harder, Treasurer of the Ohio

Federation of Women's Clubs, for the Pan-American Fellowship—Rotary 7583;  
 \$100.00 from Mrs. Maude H. Erwin, Columbus, Ohio for medical research—Rotary 7431;  
 \$225.00 from the Advertising Club of the Columbus Chamber of Commerce for Scholarships—Rotary 7003.

*From the Development Fund*

\$5000 for Bausch and Lomb Optical Company—Rotary 7048  
 \$1500 for the Univis Lens Research Fund—Rotary 7860  
 \$700 for the Ohio Vegetable Research Fund  
 \$1000 for the Welding Engineering Scholarship Fund and Library Fund—Rotary 7901  
 \$75 for the Alumnae Scholarship House—Rotary 8201  
 \$25 for the Lionel Topaz Memorial Library Fund

That the following research agreements heretofore entered into between The Ohio State University and The Ohio State University Research Foundation setting up the following projects be reported to the Board of Trustees for information and record:

Refrigeration Research Foundation, Inc., Berkeley, California—Investigation of frozen eggs, their handling, freezing and refrigerated storage at different temperatures (to be known as the Refrigeration Research Foundation Research Project No. 223—Poultry Husbandry);  
 Cleveland Ordnance District, Cleveland, Ohio—Investigation of Nitrocellulose (to be known as the Cleveland Ordnance District Research Project No. 212—Chemistry);  
 William S. Merrell Company, Cincinnati, Ohio—Investigation of Resolution of Asymmetric Analgesics (to be known as the William S. Merrell Company Research Project No. 250—Chemistry);  
 Office of Naval Research, Navy Department, Washington, D. C.—Investigation of Thermodynamics at High Temperatures (to be known as the Office of Naval Research, Navy Department Research Project No. 280—Chemistry);  
 Great Lakes Foundry Sand Company, Detroit, Michigan—Investigation of Design and Production of Syenite Bodies (to be known as the Great Lakes Foundry Sand Company Research Project No. 237—School of Fine and Applied Arts).

The above five contracts for research in cooperation with Government and Industry represent a gross income of \$58,585.00.

Additional leaves of absence, without salary:

Starr E. Spence, Stenographer in the College of Agriculture, effective October 1, 1946 for three months;

Alice McCracken, Clerk in the College of Arts and Sciences, effective October 1, 1946 for two months;

Annie L. Tigglers, Diet Helper, Starling-Loving Hospital, effective September 1, 1946 for four months;

Carrie Mae Holliman, Janitress, Starling-Loving Hospital, effective November 1, 1946 for three months;

Mary Frances Wilburn, Janitress, Physical Plant, effective October 1, 1946 for indefinite period because of physical disability.

Upon motion of Mr. Pomerene, seconded by Mr. Atkinson, the above recommendations of the President were upon roll call unanimously approved.

\* \* \* \* \*

The President now recommended that he be authorized to remit the \$45.00 charge for Veterans under the Veterans Administration Instruction No. 6, Paragraph 2-(A)-(1) (as approved by the Board of Trustees) in those cases where the imposition of this charge has a retroactive effect.

This is principally due to the situation where the Veteran has undertaken a flight course in the Summer and Spring Quarters without knowledge of the fact that the University was to impose the \$45.00 per Quarter charge.

Upon motion of General Dargusch, seconded by Mr. Power, this recommendation was unanimously approved.

\* \* \* \* \*

The Business Manager recommended that Adam Heinz, a night watchman on the campus, be appointed a Special Police Officer in accordance with Section 4863-3 of the General Code.

Upon motion of Mr. Pomerene, seconded by Mr. Atkinson, the above recommendation was approved by unanimous vote.

The Business Manager presented for record and approval by the Board the following actions of the University Cabinet:

*Re: Research Foundation Project 222*

CABINET MEETING

September 30, 1946.

The Cabinet met in the office of the Business Manager.

Present: President H. L. Bevis, Messrs. Taylor, Smith and Elleman.

The University Architect presented the following request:

*Re: Research Foundation Project 222*

Because of delay in delivery of materials, the completion date for the following contracts should be extended from December 30, 1945 to September 1, 1946:

- Division 4, Part 1, Electrical Work— The Electric Power Equipment Company
- Division 4, Part 2, Electrical Work— Gustav Hirsch Organization
- Division 3, Part 1, Heating and Ventilating— North Side Plumbing Company
- Division 3, Part 2, Heating and Ventilating— North Side Plumbing Company
- Division 2, Plumbing Contract— North Side Plumbing Company

On motion the Cabinet approved this recommendation and directed the Architect to file with the Board of Trustees proper forms.

*Re: Power House Condensers*

## CABINET MEETING

October 21, 1946.

The Cabinet met in the office of the Business Manager.

Present: President H. L. Bevis, Messrs. Taylor, Smith and Elleman.

The Director of the Physical Plant presented the following recommendation:

"The Haddad Construction Company, which has the contract for Water Pipe Lines for Power House Condensers on the Campus, has requested an extension of time for the completion of their contract.

Due to trouble which we had in our Power Plant with the electric turbo generators, we were unable to permit them to cut off the water in these lines early enough that they could complete their contract by September 15. Since this delay is due to the inability of the University to carry out its obligations, I wish to recommend that the Board of Trustees of the University grant the extension of the completion date from September 15 to October 30, 1946 to the Haddad Construction Company on the Water Pipe Lines for Power House Condensers."

On motion the Cabinet approved this recommendation.

*Re:* Veterans Housing—River Road Project II

## CABINET MEETING

September 9, 1946.

The Cabinet met at 2 P. M. in the office of the Business Manager.

Present: Messrs. Taylor, Smith and Elleman.

The Cabinet acting under instructions received from the Board of Trustees at their meeting held July 22, 1946 met for the purpose of opening and reading in public the bids received at 2 P. M. this day for roads and grading contract for Veterans Housing Project OH-V-33362 (II):

George Sheaf & Company.....	\$18,375.00
General Construction Co. ....	21,000.00

## CABINET MEETING

September 9, 1946.

The Cabinet met at 3 P. M. this day in the office of the Business Manager.

Present: Messrs. Taylor, Elleman and Smith.

The University Architect presented the following report and recommendation:

"Following is a tabulation of the bids received September 9 for Roads and Grading Contract for Veterans Housing Project OH-V-33362 (II) pursuant to advertisement, and referred to the University Architect for recommendation.

George Sheaf & Company.....	\$18,375.00
General Construction Co. ....	21,000.00

The low bid of George Sheaf & Co. is regular in every respect, and since it is below the estimate of cost filed with

the Auditor of State, I recommend that the Cabinet, acting on authority of the Board of Trustees, granted July 22, 1946, award the contract to George Sheaf & Company at his bid of \$18,375, and request the Director of the Department of Public Works to execute proper contracts accordingly."

On motion the Cabinet approved this report.

#### CABINET MEETING

September 23, 1946.

The Cabinet met in the office of the Business Manager.

Present: Messrs. Taylor, Smith and Elleman.

The University Architect presented the following recommendation:

"I recommend that the Director of Public Works be requested, in behalf of the Board of Trustees, to reject the bid of \$9500 received from the General Construction Company on August 14, for the Gas Line Contract for Part II, Veterans Emergency Housing Project OH-V-33362, for the reason that the gas-fired heaters in the 16 two-story dormitory buildings have been replaced by FPFA with coal-fired heating units."

On motion the Cabinet approved this recommendation.

#### CABINET MEETING

October 3, 1946.

The Cabinet met in the office of the Business Manager.

Present: President H. L. Bevis, Messrs. Taylor, Smith and Elleman.

The Business Manager reported that he signed a contract with the County Commissioners, Franklin County, giving the University permission to install an 8-inch water main under West Lane Avenue at the University Cattle passageway.

## CABINET MEETING

September 23, 1946.

The Cabinet met in the office of the Business Manager.

Present: Messrs. Taylor, Smith and Elleman.

The University Architect presented the following recommendation:

Attached hereto is a tabulation of the bids received on September 19, 1946 and opened at the special meeting of the Cabinet at 2:00 P. M. pursuant to legal advertisement for five divisions of site improvement for Part III of the River Road Veterans Housing Project, designated as Federal Public Housing Authority Project OH-V-33362-A.

The low combination bid of the Haddad Construction Company for Divisions 1, 2, 4 and 5 is lower than any combination of other bids received for these divisions. This combination bid and the bid of Electric Power Equipment Company for Division 3 are both regular in every respect and below the estimates of cost filed with the Auditor of State.

Since the supplemental contract with Federal Public Housing Authority limits the project to 352 family dwelling units, it is necessary to limit our contracts to the area covered by

base bid which contains 288 family dwelling units and the area covered by Alternate A. which contains 64 family dwelling units. I, therefore, recommend that upon authority granted by the Board of Trustees on September 4, 1946, awards be made as listed below and that the Director of Public Works be requested in behalf of the Board to execute proper contracts accordingly:

To the Haddad Construction Company, in the total sum of \$121,440.00 on the basis of its combination base bid of \$101,072 for Water Supply System, Division 1; Sewer System, Division 2; Roads and Grading, Division 4; Gas Fuel Supply System, Division 5; \$16,245 for combination Alternate A for Divisions 1, 2, 4 and 5; \$4,123 for Alternate E, Bridge.

To the Electric Power Equipment Company, in the sum of \$2,544 for Electrical contract.

On motion the Cabinet approved this recommendation.

#### CABINET MEETING

October 7, 1946.

The Cabinet met in the office of the Business Manager.

Present: President H. L. Bevis, Messrs. Taylor, Smith and Elleman.

The University Architect presented the following recommendation.

I recommend that an order be placed with Burgess and Niple, Civil & Sanitary Engineers, 568 East Broad Street, Columbus, Ohio, for engineering services required for establishing the location of the structures on the site of Part III of the Veterans Emergency Housing Project OH-V-33362-A, on an hourly remuneration basis as indicated by items *a* and *b* of their letter dated October 4, 1946.

The maximum amount to be set up at this time for this service is \$1,250, which should be charged to the fund appropriated for the project.

On motion the Cabinet approved this recommendation. Expense to be paid out of G-2, Other Capital Outlay, River Road Housing Site.

The University Architect presented the following recommendation for an extra to the S. S. Haddad contract:

In preparing the specifications for Part III of the River Road Housing Project to effect the maximum of economy in construction we included farm drain tile for sub-surface drainage under roads and parking areas. This we considered less than a desirable minimum requirement.

In view of the reduced size of the project and the favorable figures at which the site improvement contracts were actually awarded and since there remains an ample balance in the fund provided for site improvement, I recommend that reinforced concrete tile be substituted for clay tile under roads and parking spaces.

I have a proposal from S. S. Haddad, contractor for site improvement, in the sum of \$2,278 for making this change. This is a reasonable figure and I recommend that it be ac-

cepted and the proper documents executed to include this sum as an extra on the contract dated October 4, 1946.

On motion the Cabinet approved this recommendation and directed the Architect to prepare the proper forms and submit them to the Board of Trustees and Director of Public Works.

*Re:* Electrical Switch-Board Equipment—Power House

CABINET MEETING

September 3, 1946.

The Cabinet met in the office of the Business Manager at 2:00 p. m.

Present: Messrs. Elleman and Smith.

The Cabinet acting under instructions received from the Board of Trustees at its meeting held July 22, 1946 met for the purpose of opening and reading in public bids received by two o'clock this day for electrical switch equipment in Power House. The following bids were received, read and tabulated:

Electric Power Equipment Co.....	\$316,797.00
Gustav Hirsch Organization.....	283,176.00

The bids were referred to the Director of the Physical Plant for examination and report.

CABINET MEETING

The Cabinet met in the office of the Business Manager.

Present: Mr. Taylor, Mr. Smith and Mr. Elleman.

The Director of the Physical Plant presented the following report and recommendation:

On September 3, 1946 at 2:00 P. M. the University Cabinet on authority of the Board of Trustees, on behalf of the Director of Public Works opened bids on Electrical Switch-gear Equipment in the Power Plant. The following is a tabulation of the bids:

<i>Bidder</i>	<i>Amount of Bid 114% of Present Day Price</i>
Electric Power Equipment Co.....	\$316,797.00
Gustav Hirsch Organization.....	283,176.00

The engineers' estimate on this project is \$283,200. Therefore, it is noted that the bid of the Gustav Hirsch Organization is below the engineer's estimate, and I wish to recommend that the contract be awarded to the Gustav Hirsch Organization at their bid of \$283,176 which is subject to the escalation noted in the form of proposal and should be made a part of the contract, and that the substitution offered in their proposal be accepted at no change in price. This substitution, in my opinion, will make for a more compact switchboard and will enable us to locate the board in the space which was designed for it at the time the building was erected.

I further recommend that the Director of Public Works make this award to the above stated company on their substitution as set forth in their proposal.

This recommendation is based upon the report of Sargent & Lundy Engineers relating to the awarding of contract for Electrical Switchgear Equipment in the Power Plant. The

Sargent & Lundy report is attached and should be made a part of this recommendation.

Electrical Contract  
Spec. G-669

Mr. Paul H. Elleman  
Ohio State University  
Columbus, Ohio

Dear Mr. Elleman:

We have reviewed the proposal of the Gustav Hirsch Organization, which was enclosed with your letter of September 5, 1946, covering the electrical work in the Power Station in accordance with Specification G-669.

The proposal is satisfactory in general and has our approval. The proposal includes certain substitutions for equipment in the specifications, which we also approve. We accordingly recommend that the proposal, with the substitutions, be accepted.

These substitutions should be covered by an addendum to the specifications which should be included in the contract. This addendum should consist of the following five paragraphs:

(a) Reactor housings shall be constructed of either non-magnetic materials, or magnetic materials with suitable clearance. This applies to Section 11-K.

(b) The 4160 volt switchgear shall be constructed to stand at one level on the main floor in the existing switchgear bay and shall be of such dimensions as to allow the addition of four future feeder positions while still leaving an access aisle at one end. The breakers shall withdraw from the front. All control equipment shall be mounted on the front of the breaker housings, and meters and relays shall be mounted on either front or back of the housings. This change applies to Sections 11-A, 11-D and 10-B.

(c) Installation of the 4160 volt switchgear, which will all be located on the main floor, shall be coordinated with removal of the existing switchboard so as not to interrupt service. The Contractor shall perform such temporary work as is required to maintain service. This change applies to Section 10-A.

(d) Tinning of cable conductors shall be omitted, and control cable shall be insulated with 3/64" varnished cambric. This change applies to Section 11-J.

(e) Lighting for the switchgear balcony shall be omitted. This change applies to Sections 11-H, 10-A and 10-B.

Please advise us if there is anything further we can do to expedite closing of the contract.

Yours very truly,  
SARGENT & LUNDY

On motion the Cabinet approved this recommendation.

*Re: Stadium Dormitories*

#### CABINET MEETING

September 9, 1946.

The Cabinet met in the office of the Business Manager.

Present: President H. L. Bevis, Messrs. Smith, Taylor and Elleman.

The University Architect presented the following recommendation:

In order to provide further relief to the present overloaded 8" sewer which extends north and south along the east side of the Stadium, I recommend diverting the floor of the north section of this sewer into the new 10" sewer being provided for the expansion of the Stadium Dormitories, which connects into the large 30" city sewer east of the Stadium. To accomplish this requires a new manhole at the point of intersection of the first mentioned 8" sewer and the 10" Stadium Dormitory sewer.

I have received from Sauer Company, Incorporated, plumbing contractors for the Stadium Dormitories Expansion, a proposal date August 31, in the sum of \$200, for installing the necessary manhole. I recommend that this proposal be accepted and that the proper extra orders be executed adding this amount to the Sauer Company contract of \$69,100.00 dated April 29, 1946.

On motion the Cabinet approved this recommendation.

#### CABINET MEETING

September 23, 1946.

The Cabinet met in the office of the Business Manager.

Present: Messrs. Taylor, Smith and Elleman.

The University Architect presented the following report and recommendation:

Following is a tabulation of the bids received August 30, 1946 and opened at a special meeting of the Cabinet at 2 P. M., pursuant to legal advertisement for Equipment in connection with the Extension of Stadium Dormitory Facilities:

<i>New Equipment Contract, Division 1</i>	<i>Amt. of Bid</i>	<i>Amt. of Bond</i>
General Hotel Supply .....	\$11,656	\$13,000
<i>Present Equipment Contract, Division 2</i>		
No Bid		
<i>Plumbing Contract, Division 3</i>		
T. J. Conner, Inc.....	24,816	24,816

<i>Refrigeration Contract, Division 4</i>		
Columbus Heating & Ventilating Co.....	5,809	5,809
<i>Electrical Contract, Division 5</i>		
Electric Power Equipment Co.....	1,685	1,685
<i>Ventilating Contract, Division 6</i>		
T. J. Conner, Inc. ....	3,867	3,867
Columbus Heating & Ventilating Co.....	3,371	3,371

For New Equipment, Division 1, the only bid received is approximately 60% over the estimate of cost. In my opinion much better bids can be obtained by direct quotation to the University Purchasing Agent on individual items. I, therefore, recommend that the Director of Public Works be requested in behalf of the Board of Trustees to reject the bid of General Hotel Supply Company.

For Plumbing, Division 3, the only bid received is nearly three times the amount of the estimate of cost. In my opinion this does not represent a reasonable cost for the work as specified, and since it is possible to revise the requirements in several instances to reduce costs, I recommend that drawings and specifications be revised and documents prepared for readvertisement. I also recommend that the Director of Public Works be requested in behalf of the Board of Trustees to reject the bid of T. J. Conner, Incorporated.

The bid for electric work and the low bid for Ventilating are below the estimates of cost filed with the Auditor of State and are regular in every respect. I, therefore, recommend that upon authority granted by the Board of Trustees on July 22, 1946 that awards be made to the Electric Power Equipment Company in the sum of \$1,685 for Electrical Contract, Division 5, and to Columbus Heating and Ventilating Company in the sum of \$3,371 for Ventilating Contract and that the Director of Public Works be requested to execute proper contracts therefor accordingly.

The estimate of cost of the Refrigeration Contract is \$5,121. The only bid received for this item is in excess of the estimate. This work should proceed concurrently with construction contracts now in progress and in my opinion no better bids will be received as a result of readvertisement. I, therefore, recommend that the Controlling Board be requested to grant permission to award the contract for Refrigeration to the Columbus Heating and Ventilating Company at its bid of \$5809, notwithstanding the fact that this is \$688 above the estimate of cost filed with the Auditor of State. (It will be noted that the awards recommended for Electrical Work and Ventilating are \$3944 under the estimates of cost of these two items.)

Division 2—Present Equipment includes remodeling, setting and connecting several pieces of equipment which are being re-used and miscellaneous items of kitchen and cafeteria equipment obtained from Curtiss-Wright Columbus Plant, through War Assets Administration. No bids were received on this Division. Since it involves an amount of work which cannot be fully determined until the equipment is actually ready to put in place, I recommend that this Division be handled by direct orders from the Purchasing Department

when construction has progressed to such a point that it can be done effectively.

On motion the Cabinet approved this recommendation.

#### CABINET MEETING

October 17, 1946.

The Cabinet met in the office of the Business Manager.

Present: Messrs. Taylor, Smith and Elleman.

The Business Manager reported the following action by the Controlling Board on September 27:

"The Board finds that an emergency exists and authorizes entering into a contract with the Columbus Heating and Ventilating Company for the installation of refrigeration equipment in the amount of \$5,809 without competitive bidding in accordance with the provisions of Section 8 of House Bill No. 484."

#### CABINET MEETING

September 12, 1946.

The Cabinet met in the office of the Business Manager at 2 P. M.

Present: Messrs. Taylor, Smith and Elleman.

The Cabinet acting under instructions received from the Board of Trustees at its meeting held March 25, 1946, met for the purpose of opening and reading in public bids received by 2 o'clock this day for a Recitation Building. The following bids were received, read and tabulated and referred to the University Architect for examination and report.

<i>Heating and Ventilating Contract Division 2</i>	<i>Alternate No. 3 (Include Music Lab. Wing)</i>
Sauer and Co., Inc.—\$68,600.00	Add \$6,100.00
<i>Alternate No. 4 (Omit South Wing)</i>	<i>Alternate No. 5 (Omit North Wing)</i>

*Re: Painting Stadium*

## CABINET MEETING

September 9, 1946.

The Cabinet met at 2 P. M. this day in the office of the Business Manager.

Present: Messrs. Taylor, Elleman and Smith.

Acting under instructions received from the Board of Trustees at their meeting held July 22, 1946 the Cabinet met for the purpose of opening and reading in public the bids received by 2 o'clock this day for painting the steel work at Ohio Stadium. The following bids were received, opened, read and tabulated:

General Maintenance & Engineering Co.....	\$27,745.00
Lambrou General Painting Co.....	23,810.00
Ernest A. Kapranis .....	23,800.00
Andrews Painting Company .....	20,000.00

These bids were referred to the University Architect for examination and report.

## CABINET MEETING

The Cabinet met at 3 P. M. this day in the office of the Business Manager.

Present: Messrs. Taylor, Elleman and Smith.

The University Architect presented the following report and recommendation:

Following is a tabulation of bids received September 9, 1946 for painting the steel work at Ohio Stadium, pursuant to advertisement, and referred to the University Architect for recommendation:

General Maintenance & Engineering Co.....	\$27,745.00
Lambrou General Painting Co.....	23,810.00
Ernest A. Kapranis .....	23,800.00
Andrews Painting Company .....	20,000.00

The estimate of cost filed with the Auditor of State is \$19,960.00.

The list of bids received indicates satisfactory competition and the low bid is regular in every respect.

The steel structure of Ohio Stadium has required painting for the past five years, but because of the scarcity of critical paint materials, the award of contracts has not been possible. In 1945 bids received pursuant to advertisement were unreasonably high. Just recently satisfactory paint material has been acquired by the University from government surplus supplies and the bids received today are based on labor and equipment required to apply the material stored at the site. The work should be started at once in order that it may be completed before weather conditions prohibit its prosecution.

In my judgment no better bids would be obtained by re-advertising, and in the emergency which exists I recommend that permission be requested of the Controlling Board to award the contract for painting to Andrews Painting Company, 148 Victoria Street, Youngstown, Ohio at the low bid of \$20,000.00, notwithstanding that amount is \$40 in excess of the estimate filed with the Auditor of State.

On motion this report and recommendation was approved by the Cabinet.

## CABINET MEETING

October 17, 1946.

The Cabinet met in the office of the Business Manager.

Present: Messrs. Taylor, Smith and Elleman.

The Business Manager reported the following action taken by the Controlling Board on September 13:

"The Board finds that an Emergency exists and authorizes entering into a contract with the Andrews Painting Company for painting the steel structure at the Ohio Stadium in an amount of \$20,000 without competitive bidding in accordance with the provisions of Section 8 of House Bill No. 484."

Upon motion of Mr. Pomerene, seconded by Mr. Atkinson, all actions and recommendations of the Cabinet as detailed above were approved by unanimous vote.

Upon motion of General Dargusch, seconded by Mr. Pomerene the Board by unanimous vote approved the first three sections of the suggested program, totaling \$25,249,483 as the basis for the legislative requests, with the understanding, however, if additional funds become available, then those items listed in "B" and "C" lists shall be included, and the President in presenting these requests to the Governor and the Legislature is hereby authorized to make any exceptions or changes in the above lists as he may deem best.

\* \* \* \* \*

General Dargusch offered the following motion: that there be appropriated for the fiscal year 1946-47 from the Interest on Endowment Fund the sum of \$1,000 for the use of the President for payment of expenses incurred in connection with official entertainment.

This motion was seconded by Mr. Power and approved by unanimous vote of the Board.

\* \* \* \* \*

The Eureka Realty Company of Columbus, Ohio, of which Mr. Julius F. Stone is the principal stockholder, through its Attorney Mr. Henry S. Ballard, advised the Board that said company desires to convey to the Trustees of the Ohio State University, for the use and benefit of the University, the following described real estate, in accordance with certain conditions and agreements expressed by the Donor, as detailed in the following resolution, which resolution was prepared by the Attorney General's office.

#### *Resolution*

Whereas the Eureka Realty Company, an Ohio Corporation, has offered to convey to the Trustees of Ohio State University, in consideration of the conditions and agreements on the part of the Trustees hereinafter set forth, the following described real estate:

"Being Lots Ten, Eleven and Twelve (10, 11 and 12) in Block 12 of Palisades in the City of Santa Monica, County of Los Angeles, State of California, as per map recorded in Book 23, page 142 of maps in the office of the County Recorder of said County."

Now therefore be it resolved by the Board of Trustees of Ohio State University that the conveyance of said real estate by said Eureka Realty Company, be accepted.

Be it resolved further that in compliance with the wishes and purposes of the donor, such conveyance is accepted upon the conditions and agreements following, to-wit:

1. So long as Julius F. Stone and his wife Edna A. Stone or the survivor of them shall live, they or such survivor shall have the right to use and occupy the said premises as a residence.

2. Upon the death of said Julius F. Stone and Edna A. Stone, their daughter, Natalia Stone Gage shall have the right to use said premises as a residence during her life, or until such time as she shall in writing renounce such right of use.

3. During the time either of the persons aforesaid shall retain possession of said premises, he or she shall pay the cost of insurance, taxes, assessments, maintenance and repair of the same.

4. After the death of said persons or upon such renunciation, the full possession, with right of disposal of said premises shall pass to the University.

5. It is the desire of the donor of said property and agreed to by the Trustees, that said premises or the proceeds thereof shall be devoted to the development or use of the Radiation Laboratory of said University.

Be it resolved further that certified copies of this resolution be transmitted to Julius F. Stone, Edna A. Stone and Natalia Stone Gage.

Upon motion of Mr. Pomerene, seconded by Mr. Power, the Board by unanimous vote adopted the above resolution and requested the President to express to Mr. Stone the deep appreciation of the Board of Trustees.

\* \* \* \* \*

The President now reported to the Board the deaths of the following staff members and, in accordance with the recommendation of the Board of Trustees, has furnished to the families of the deceased copies of the resolutions expressing on behalf of the University, the sorrow and sympathy of the Board.

The Board of Trustees learns with regret of the death on October 9, 1946 of Dr. Frank R. Castleman of our Department of Physical Education. Dr. Castleman secured his undergraduate training at Colgate University, and his M.D. at Ohio State University in 1921. In addition to this training he had additional work at Yale University and elsewhere. After several years of experience as Director of Athletics at Colorado University he joined the staff of this University in 1913 and gave a life of devoted service here. In addition to his splendid work with our track and cross-country teams, he was able because of his training in medicine to be of very great help in the medical examinations and in maintaining medical standards of our Athletic Department. Naturally he was also especially helpful in hygiene work in our Department of Physical Education. A man of genial disposition, he will be greatly missed, not only by the men in his own particular area, but by the University faculty as a whole.

The Board of Trustees learns with regret of the death on August 23, 1946 of Emeritus Professor Hughina McKay of our School of Home Economics. Miss McKay brought to the service of this University an extensive and well-rounded background of training and experience secured at the University of Chicago and in the public schools and teachers' colleges of several states. Since 1922 she has been on the staff of our School of Home Economics, and during a part of the period has divided time with the Agricultural Experiment Station. During all of this time she has given outstanding service both in teaching and research. She has been noted for maintaining high standards in her work and expecting high standards of her students and research associates. Along with these high standards, however, she has maintained sympathetic relationships with students and associates and even though she has been in retirement for some months, her counsel will be missed by those in her chosen field of endeavor.

The Board of Trustees learns with regret of the death on September 17, 1946 of Professor Roscoe C. Sloane of our Department of Civil Engineering. Professor Sloane was a graduate of this University in 1913, receiving the C.E. degree. Almost immediately after graduation he joined the staff as an instructor and has continued in the service of the Univer-

sity and the State since that time. One measure of the quality of this service is the fact that he was promoted successively to Assistant Professor and Professor of Civil Engineering by 1923, and has held the latter title since that date. He increased his service to his chosen field, to the State and to the University by spending his summers in industrial work and in service as a consulting engineer to the Ohio State Highway Department. He was a man of high personal standards and made notable contributions to the field of Civil Engineering and related areas. Always a vigorous worker and constructive critic, his presence will be greatly missed by his associates on the campus as well as in the Civil Engineering profession of the State.

The Board of Trustees learns with regret of the death on August 27, 1946 of Professor John A. Reimers of our School of Social Administration. Professor Reimers joined the staff of our School of Social Administration in 1937 and brought to this position a rich background of training and experience, particularly in the case work field. He demonstrated his worth here promptly and was promoted to Associate Professor in 1942. He has been very zealous and effective, not only in our graduate program, but in furthering many phases of our undergraduate work in Social Administration. He was very active in his professional field and participated effectively in the work of the Ohio Welfare Conference and in other social work organizations and agencies. Always liberal in his time in consultation with students and with representatives of service groups, he will be missed not only by his colleagues, but by students and citizens as well.

The Board of Trustees desires to express its deep sympathy and its sense of understanding in their loss. It is directed that these resolutions be inscribed upon the Minutes of the Board.

Under date of May 1, 1946, Mr. Andrew Koerner, attorney of Portland, Oregon, who represents the University in closing up the remaining assets of the Muellhaupt Estate, advised the University that an offer has been received from Fred R. Zalo and Evelyn Zalo (husband and wife) to purchase Lot 18, Block 21, Waverleigh Heights, Portland, Oregon, for the sum of \$270.00.

Mr. Koerner states that there are claims against this property as follows: delinquent taxes, \$36.81; current taxes, \$12.54; and due the Strowbridge Investment Company, \$70.76 for taxes paid by said company.

With these tax claims and the cost of a title policy the net to the

University will be about \$100.00. Mr. Koerner is of the opinion that this offer should be accepted.

Upon motion of Mr. Power, seconded by Mr. Thompson, the Board by unanimous vote approved of the sale of said property upon the terms stated by Mr. Koerner.

Upon motion of Mr. Power, seconded by Mr. Thompson, the following resolution was adopted by unanimous vote:

RESOLVED, that the Chairman and the Secretary of this Board of Trustees be and they hereby are authorized and directed to execute for and on behalf of the Board, the special Warranty Deed, prepared by the Attorney General of Ohio, conveying to Fred R. Zalo and Evelyn Thersa Zalo (husband and wife) the following described property, situate in the City of Portland, County of Multnomah and State of Oregon, to-wit: Lot Eighteen (18) in Block Twenty-one (21), Waverleigh Heights.

The Business Manager presented for record and approval by the Board of Trustees the following actions of the University Cabinet:

*Re: Medical Center Building and Equipment*

CABINET MEETING

October 31, 1946.

The Cabinet met in the office of the Business Manager.

Present: President H. L. Bevis, Messrs. Taylor and Elleman.

The Business Manager presented the following action by the Board of Control:

At the meeting of the Controlling Board, held on October 25, 1946, the Board considered your request of October 10th, and the following action was approved:

*Ohio State University*

The Board consents to and approves of, the release, without restriction, of \$50,000.00 in G-2 Medical Center Building and Equipment, for the purpose of architectural and engineering services, in accordance with the provisions of Section 8 of House Bill No. 477.

*Re: Industrial X-Ray Laboratories (Cyclotron Laboratory)*

CABINET MEETING

April 25, 1946.

The Cabinet met in the office of the Business Manager, Administration Building.

Present: Messrs. Taylor, McCracken, Smith and Elleman.

\* \* \* \* \*

The Cabinet approved the recommendation of the University Architect to install an additional valve box in the Cyclotron steam line, in accordance with the revised plan, dated April, 1946, at a cost of \$395.00. This will constitute an extra to the contract with T. J. Conner, Inc. for heating in the Industrial X-Ray Laboratories (Cyclotron), dated March 25, 1946.

## CABINET MEETING

November 18, 1946.

The Cabinet met in the office of the Business Manager.  
Present: Messrs. Taylor, Smith and Elleman.

\* \* \* \* \*  
The University Architect presented the following recommendation:

I wish to recommend the following extensions of time:

<i>Project</i>	<i>Contractor</i>	<i>Completion Date</i>	<i>Extend To</i>
Industrial X-Ray Laboratories (Cyclotron)	T J. Conner Inc.	July 1, 1946	Nov. 1, 1946
Industrial X-Ray Laboratories (Cyclotron)	Paul L. Gilmore Company	July 1, 1946	Jan. 1, 1947

On motion the Cabinet approved the Architect's recommendations and directed him to prepare the necessary forms to carry out these recommendations.

*Re: Veterans Housing—River Road Project I*

## CABINET MEETING

October 24, 1946.

The Cabinet met in the office of the Business Manager.  
Present: Messrs. Taylor, Smith and Elleman.

The University Architect presented the following recommendation:

In the contract for Roads, Grading and Sewers for Part I, Veterans Emergency Housing, Project OH-V-33362, the University agreed to furnish cinders for roads and walks. The General Construction Company agreed to load, haul, spread and compact them.

In order to conserve cinders for other University projects and to improve the quality of the roads and walks, I recommend that crusher run gravel be substituted for cinders.

The General Construction Company has agreed to a credit of \$350.00 for the elimination of loading, hauling, spreading and compacting cinders and the substitution of spreading and compacting crushed stone. I recommend that the credit be accepted and the necessary documents prepared to deduct this amount from the contract dated May 14, 1946.

On motion the Cabinet approved this recommendation and directed the Architect to prepare a requisition for the crushed stone required.

## CABINET MEETING

November 4, 1946.

The Cabinet met in the office of the Business Manager.

Present: President H. L. Bevis, Messrs. Taylor, Smith and Elleman.

The Architect and Director of the Physical Plant were instructed by the Cabinet to purchase a stand-by pump for sewage disposal at the River Road Housing Project.

## CABINET MEETING

November 18, 1946.

The Cabinet met in the office of the Business Manager.

Present: Messrs. Taylor, Smith and Elleman.

The University Architect presented the following recommendation:

In the Water Supply System Contract, No. 1 in Part I, of the Veterans Housing Project, the water line to Building H-10 has been shortened. H. E. Miller, the contractor, has submitted a credit in the sum of \$80.40 for this elimination. I recommend that this be accepted.

## CABINET MEETING

November 21, 1946.

The Cabinet met in the office of the Business Manager.

Present: President H. L. Bevis, Messrs. Taylor, Smith and Elleman.

The University Architect presented the following report and recommendation:

In connection with the Sewage System contract for the first part of the Veterans Emergency Housing Project, the delivery date of the cast iron pressure line from the pumping station to the manhole on the east side of the Lane Avenue bridge still has an indefinite delivery date. I, therefore, recommend the substitution of salvage steel pipe immediately available from stock in Columbus for this purpose.

The actual amount of material required will be 820 lineal feet of heavy 8" used pipe and 453 lineal feet of selected 8" well casing.

The General Construction Company has offered a credit of 40¢ per lineal foot for the substitution of the heavy 8" steel pipe for the 8" cast iron pipe required and 90¢ per lineal foot credit for the use of the 8" well casing instead of the 8" cast iron pipe.

I recommend the acceptance of this credit and that the necessary documents be prepared to deduct \$328 for the heavy steel pipe and \$407.70 for the well casing—a total of \$735.70—from the General Construction Company's contract dated May 14, 1946.

On motion the Cabinet approved this recommendation.

*Re: Veterans Housing—River Road Project II*

## CABINET MEETING

November 18, 1946.

The Cabinet met in the office of the Business Manager.

Present: Messrs. Taylor, Smith and Elleman.

The University Architect presented the following recommendation:

In the Water Supply contract, Division 1 of Part II, of Veterans Housing Project, I recommend the elimination of four fire hydrants upon the advice of the Assistant Chief of Fire Department. H. E. Miller, the Contractor, has submitted a credit of \$460 for this elimination which I recommend be accepted.

In this same contract I recommend the substitution of 2" galvanized pipe for 2" cast iron pipe because of the inability to obtain the latter in time to complete the project. H. E. Miller has submitted a credit of \$320 for this change which I recommend be accepted.

In this same contract I recommend the substitution of Kennedy valves for Crane valves in the water supply line for the reason that the Crane valves are not available in time to complete the project. The Contractor has submitted a credit in the sum of \$117 for this elimination which I recommend be accepted.

On motion the Cabinet approved the Architect's recommendations and directed him to prepare the necessary forms to carry out these recommendations.

*Re: Veterans Housing—River Road Project III*

CABINET MEETING

November 18, 1946.

The Cabinet met in the office of the Business Manager.

Present: Messrs. Taylor, Smith and Elleman.

The University Architect presented the following recommendation:

In connection with the contracts 1, 2 and 4 of Part III of the Veterans Housing Project with the said S. Haddad Construction Company, I recommend the following items:

1) The extension of the main sewer a distance of 48 feet made necessary by the relocation of Building 9 in Project I to avoid cutting existing trees. The proposal for the additional distance is \$360 which I recommend be accepted.

2) The change from farm drain tile under roadway and parking area to reinforced concrete pipe. I have a proposal from the contractor in the sum of \$2278 for this change which I recommend be accepted.

3) Substitute concrete pipe for cast iron pipe under roadways in order to facilitate the progress of the work. The contractor has submitted a credit in the sum of \$606 for this change which I recommend be accepted.

4) Substitution of 1½" and 2" galvanized iron pipe for 1½" and 2" cast iron pipe for reason that the latter cannot be obtained in time to complete the project satisfactorily. The Contractor has submitted a credit in the sum of \$230 for this item which I recommend be accepted.

On motion the Cabinet approved the Architect's recommendations and directed him to prepare the necessary forms to carry out these recommendations.

*Re: Oxley Hall Toilet Room Remodelling*

CABINET MEETING

November 18, 1946.

The Cabinet met in the office of the Business Manager.

Present: Messrs. Taylor, Smith and Elleman.

The University Architect presented the following recommendation:

In connection with the remodelling of the toilet rooms in Oxley Hall, I recommend the changing of six  $\frac{7}{8}$ " round type bars in beams 101, 201, and 301 to six 1" square type 2 bars and adding 72  $\frac{3}{4}$ " round stirrups in six beams. The Trapp Construction Company has submitted a proposal in the sum of \$17.00 for this additional material which I recommend be accepted.

On this same project we find that it is impossible to obtain the aluminum shower stalls which were included in the contract as an alternate. The material for installation of marble and tile stalls with lead pans is available at once and I recommend that this substitution be approved and the sum of \$450 be added to the Trapp Construction Company contract, dated May 27, 1946. This was the amount of the reduction offered by the Contractor for the alternate in the original proposal.

The University Architect presented the following recommendation for extension of time on contract:

<i>Project</i>	<i>Contractor</i>	<i>Completion Date</i>	<i>Extend To</i>
Oxley Hall Toilet Room Remodeling	Trapp Construction Company	Sept. 15, 1946	Feb. 1, 1947

*Re: Stadium Dormitory—1946 Expansion*

CABINET MEETING

November 18, 1946.

The Cabinet met in the office of the Business Manager.

Present: Messrs. Taylor, Smith and Elleman.

The University Architect presented the following recommendation:

In connection with the steel construction in the Stadium Dormitory, 1946 Expansion, we find it necessary to weld additional steel plates to trusses TT-3 and TT-5, the total amount of which is approximately one ton. We have a proposal from Haig M. Boyajohn & Associates in the sum of \$420.60 for this work which we recommend be accepted.

On motion the Cabinet approved the Architect's recommendation and directed him to prepare the necessary forms to carry out these recommendations.

*Re: Capital Equipment—Dormitories and Mess Hall Equipment*

CABINET MEETING

November 13, 1946.

The Cabinet met in the office of the Business Manager.

Present: President H. L. Bevis, Messrs. Taylor, Smith and Elleman.

The Business Manager reported the following action by the Controlling board:

At the meeting of the Controlling Board, held November 2, 1946 the Board considered your request of November 1st and the following action was approved:

*Ohio State University*

The Board consents to and approves of, the release,

without restriction, of \$25,000.00 in G-31, Capital Equipment—Dormitory and Mess Hall Equipment in accordance with the provisions of Section 9 of House Bill No. 484.

The Board finds that an emergency exists and authorizes entering into a contract with the National Fireworks, Inc., Chillicothe, Ohio, for the purchase of three Cafeterias with miscellaneous equipment, and the dismantling, transporting and re-erecting of same (cost of which is to be borne by the United States Government), in the approximate amount of \$11,624.00, without competitive bidding, in accordance with the provisions of Section 8 of House Bill No. 484.

Upon motion of Mr. Thompson, seconded by Mr. Power, all actions and recommendations of the University Cabinet as detailed above were approved by unanimous vote.

\* \* \* \* \*

The Business Manager presented the plans, specifications, estimate of cost, bill of materials and form of proposal for Sub-Station "C", Electrical Distribution Equipment, as prepared by Paul H. Elleman, Director of the Physical Plant, which have been approved by the University Cabinet. Estimated cost, \$43,500.00 to be paid out of G-31 Electrical Distribution Equipment.

The Business Manager now recommended that these plans, specifications, bill of materials and estimate of cost be approved by the Board of Trustees and that he be directed to present the same to the Director of Public Works for his approval, and if so approved, to advertise for bids in accordance with law; that the Cabinet be authorized to receive and open bids for and on behalf of the Board of Trustees and if any bids are received below the estimate, to recommend to the Director of Public Works the award of such contract. All actions of the Cabinet on this matter are to be reported to the Board at a later meeting.

Upon motion of Mr. Thompson, seconded by Mr. Power, the above recommendation of the Business Manager was approved by unanimous vote.

\* \* \* \* \*

The Business Manager advised the Board that a study has been made of the need for additional lighting and police service on the campus in order to properly care for the greatly increased enrollment and the continuous use of many University buildings until 11 P. M. each day. As a result of this study it is now recommended that the Board give approval to the employment of two additional policemen for night duty and also the use of a State car for patrol duty on the campus.

Upon motion of Mr. Thompson, seconded by Mr. Pomerene, the above recommendation was approved by unanimous vote.

\* \* \* \* \*

Mr. Thompson offered the following resolution and moved its adoption:

BE IT RESOLVED by the Board of Trustees of the Ohio State University that there shall be called for redemption on

December 15, 1946, Men's Dormitory Construction Revenue Bonds in the amount of \$20,000.00, being bonds Nos. 246 to 265 inclusive and that the Secretary be directed to notify in writing the State Teachers' Retirement System of this intention to redeem these bonds.

The above action is in accordance with Article Five, Section 13, of the Indenture approved November 5, 1938.

This motion was seconded by Mr. Pomerene and upon roll call was unanimously approved.

Mr. Thompson offered the following resolution and moved its adoption:

BE IT RESOLVED by the Board of Trustees of the Ohio State University that there shall be called for redemption on December 15, 1946, Women's Dormitories Construction Revenue Bonds in the amount of \$13,000.00, being bonds Nos. 142-154 inclusive, and that the Secretary be directed to notify in writing the State Teachers' Retirement System of this intention to redeem these bonds.

The above action is in accordance with Article Five, Section 13, of the Indenture approved November 5, 1938.

This motion was seconded by Mr. Pomerene and upon roll call was unanimously approved.

\* \* \* \* \*

The Business Manager reported that while the purchase contract of the lands formerly owned by Flora Louise Hess and her sister provide that the insurance on the buildings on this tract shall be maintained and paid by the Hess sisters, this has not been done and they decline to pay this insurance. In order to keep the insurance in force for the period August 20, 1946 to August 20, 1949, the Business Manager recommended that the Board authorize the payment of the premium (\$57.25) from University funds.

Upon motion of Mr. Pomerene, seconded by Mr. Power, the Board by unanimous vote authorized the payment of the above insurance premium.

\* \* \* \* \*

The Business Manager now recommended that, in order to provide funds for Food and University Bookstore trucks and equipment in the storage buildings, the sum of \$5,000.00 be transferred from University Bookstore Rotary 7951 to General Operations Rotary 7999 for general University use.

On motion of Mr. Pomerene, seconded by Mr. Thompson, this recommendation was approved by unanimous vote.

\* \* \* \* \*

Upon motion of Mr. Power, seconded by Mr. Thompson, the retirement of Michael J. Durkin, Watchman, Physical Education Division, Laboratory Supply Store, on a superannuation basis as of December 31, 1946 was approved by unanimous vote.

\* \* \* \* \*

The President now reported to the Board the deaths of Dr. Joseph H. Gourley and Dr. James E. Hagerty and, in accordance with the recommendation of the Board of Trustees, has furnished to the families of the deceased copies of the resolutions expressing, on behalf of the University, the sorrow and sympathy of the Board.

The Board of Trustees learns with regret of the death on October 27, 1946 of Dr. Joseph H. Gourley, Chairman of our

Department of Horticulture and Forestry in the College of Agriculture. Professor Gourley's connection with the University had been long and fruitful. He began with a Bachelor's degree in 1908, followed by the Master's degree here in 1918. Since 1921, he had been devoting his whole energy to the improvement of horticulture in Ohio, first as head of that department at the Ohio Agricultural Experiment Station, and since 1929 as head of the departments both at the Station and at the University. He brought additional preparation to his work through the securing of a Doctor's degree at the University of Chicago, and nine years' experience in the Universities of New Hampshire and West Virginia.

As befits a man of his stature, he had held important positions in national and state horticultural societies and had been a leader in his field, both in the state and in the country at large. Dr. Gourley will be very seriously missed, not only on the campus at Ohio State and at the Experiment Station, but also by leaders in the horticulture field who had come to depend upon him for wise and generous counsel.

The Board of Trustees learns with regret of the death on November 10, 1946 of Dr. James E. Hagerty, Professor Emeritus and former Dean of our College of Commerce and Administration. Dr. Hagerty brought to his long and fruitful service in the University a rich background of education secured at several universities in this country and in Europe. During his more than forty years' association with Ohio State, he pioneered in many of our important developments. Among such pioneer enterprises which should be mentioned are that he was our first Dean of the College of Commerce and Administration, the first Chairman of our Department of Sociology, and the first Director of our School of Social Administration. In addition to his official leadership, he was exceptionally active in student affairs, particularly those having to do with religious activities.

His scholarship was particularly profound in the field of penology, and his contributions to the literature of that field have been significant. His passing will be mourned by faculty and students, and by thousands of alumni who had profited from his teaching and counsel during his many years of service to the University.

The Board of Trustees desires to express its deep sympathy and its sense of understanding in their loss. It is directed that these resolutions be inscribed upon the Minutes of the Board.

\* \* \* \* \*

Thereupon the Board adjourned to meet Monday, January 6, 1947 at 9:00 a. m. at the University.

Attest:

(Signed) Carl E. Stebbins  
Secretary

(Signed)  
Vice-Chairman

THE OHIO STATE UNIVERSITY

OFFICIAL PROCEEDINGS OF THE  
SEVEN HUNDRED AND NINETY-SEVENTH MEETING OF THE  
BOARD OF TRUSTEES

Columbus, Ohio, January 6, 1947.

The Board of Trustees met at the University at 9:00 a. m., pursuant to adjournment.

Present: James F. Lincoln, Lockwood Thompson, Warner M. Pomerene, Donald C. Power and General Carlton S. Dargusch.

\* \* \* \* \*

Because of the absence of the Chairman and Vice-Chairman, the Board upon motion of Mr. Power, seconded by Mr. Thompson, selected Mr. Lincoln to serve as acting Chairman for this meeting.

\* \* \* \* \*

The minutes of the last meeting were approved.

\* \* \* \* \*

That the following miscellaneous recommendations be approved:

In accordance with the provisions of House Bill 484, which provisions, no doubt, will be included in the partial appropriation bill, salaries of all persons who have not already received credit for five years of service are increased effective January 1, 1947 in the amount of 2% of the base salaries. So that salaries may be paid in even

amounts monthly, it is recommended that the President be authorized to adjust salaries to the next higher annual rate divisible by 12, or to take into account any adjustments already made:

That, as an emergency measure for the biennium July 1, 1947 to June 30, 1949, faculty members of The Ohio State University who teach in the fourth quarter of their regular contract year be paid one-third of their annual rate instead of two-thirds of one-third:

That the following action reported at the meeting of the Board of Trustees on November 25, 1946 be cancelled:

*Changes in Salary*

That the fourth quarter credit of Shannon McCune, Assistant Professor in the Department of Geography, for service during the Summer Quarter 1946, be paid to him on a two-thirds cash basis in one payment of \$736.00, and that he be paid for service during the Autumn Quarter 1946 at the rate of one-third of his annual rate;

That the following leaves of absence, without salary, be granted:

Charles L. Blackman, Professor of Dairy Husbandry, Agricultural Extension Service, for one year, effective January 1, 1947, in order to accept a special assignment at Colombia, South America. Mr. Blackman will serve on an appointment from the U. S. Department of Agriculture;

Robert R. Robbins, Assistant Professor in the Department of Political Science, effective January 1, 1947 for the Winter and Spring Quarters, in order to make a study of dependent areas for the State Department.

Richard T. Stevens, Assistant Professor in the Department of Economics, for the Autumn Quarter 1946, on account of illness;

Edmund K. Kuehn, Assistant Professor in the School of Fine and Applied Arts, for the Winter and Spring Quarters 1947 on account of illness;

Arloine E. Hutcheson, General Duty Nurse, Nursing Care, Starling-Loving Hospital, effective November 3, 1946 through November 30, 1946, on account of illness;

Hattie Williams, Assistant Cook, Dietary, Starling-Loving Hospital, effective January 1, 1947 for two months;

Charles L. McGriff, Flight Instructor, School of Aviation for an indefinite period, effective January 1, 1947, on account of illness;

James Weaver, Janitor, Physical Plant, effective December 1, 1946, for an indefinite period;

Isaac Dyer, Janitor, Women's Residence Halls, Dining Room and Kitchen, for November and December 1946;

That the following persons be returned from leave of absence:

Doll Carter, Assistant Cook, Dietary, Starling-Loving Hospital, effective December 5, 1946;

Annie L. Tiggler, Diet Helper, Dietary, Starling-Loving Hospital, effective November 22, 1946;

That the President or the Business Manager be authorized to sign, for and on behalf of the Board of Trustees, all contracts with the Veterans Administration for furnishing education and training to veterans under Public Laws 16 and 346;

That the contract between the State Board of Vocational Education and The Ohio State University covering Federal-State Aid for teaching Vocational Trades and Industries for the year July 1, 1946 to June 30, 1947 be approved;

That upon the recommendation of the Faculty Council at its meeting held on December 10, 1946, the following Faculty Rules be amended as follows:

1. That the Section of Rule 125 dealing with the cancellation of "D" and "E" grades be amended by the substitution of the words "August 14, 1945" for the words "the date of cessation of hostilities." (Line 7, Page 45)

(The Adjutant General was asked for a ruling as to the date of the cessation of hostilities. He stated that on August 14, 1945 the President of the United States ordered the suspension of offensive action. This date is therefore accepted as the official one for the cessation of hostilities.)

2. That Rule 210, Student Social Functions, be amended to read as follows:

"The Council on Student Affairs shall have supervision of all student social functions either on or off the campus. Social functions shall include all dances, parties and entertainment wherever held, during the quarters or the intervening recesses.

Regulations established by the Council on Student Affairs shall govern these functions and copies of the regulations shall be made available to all persons concerned.

Meetings of recognized organizations which do not hold later than 9:30 p. m. shall not be considered as social functions."

That the following gifts be accepted and the appreciation of the Board of Trustees be appropriately expressed:

\$10 from Augusta Stockton

*From the Development Fund*

\$4681.93 for the Everett Antrim Fund (to be established within the Ohio Dairy Products Research Fund)

This gift is to be deposited with the State Treasurer in accordance with the Section 4861-10 of the Ohio General Code. Income is to be added to the principal until there is \$5000 in the account, after that time the income is to be used on the approval of the governing committee of the Ohio Dairy Products Research Fund.

\$1196.50 for the Ohio Vegetable Research Fund;

\$976 for the John Younger Scholarship Fund;

\$515 for the Ohio Field Crop Improvement Fund;

\$470 for the Ohio Poultry Research Fund;

\$266 for the A. Maynard Forsythe Memorial Fund.

Established by a gift from Mrs. A. M. Forsythe in honor of her late husband, a graduate of Ohio Medical University in 1903. The principal is to be invested in the University Endowment Funds in accordance with Section 4861-10 Ohio General Code. The income is to be added to the principal in accordance with Section 4861-31 until a minimum of \$2500 is on deposit. At such time the entire income is to be used to provide a scholarship for an outstanding student in The Ohio State University College of Medicine. The scholarship is to be awarded by the University Scholarship Committee on the recommendation of the Dean of the College of Medicine.

\$25,000 from the Ohio State University Research Foundation for Research Foundation Fellowships—Rotary 7670.

That the following research agreements heretofore entered into between The Ohio State University and The Ohio State University Research Foundation setting up the following projects be reported to the Board of Trustees for information and record:

The Upjohn Company, Kalamazoo, Michigan—

Investigation of Synthesis of Vitamin "A" (to be known as the Upjohn Company Research Project No. 114—Chemistry);

Potash Company of America, Carlsbad, New Mexico—

Investigation of the utilization of potash minerals (to be known as the Potash Company of America Research Project No. 205—Chemical Engineering);

The President reported to the Board that since its last meeting it has been ascertained that there was a possibility of securing from the United States Government, through the appropriate sub-division for The Ohio State University, the remaining portion of what is known as the Scioto Ordnance Plant near Marion, Ohio, with the improvements thereon. He stated that together with the Business Manager, the two Vice-Presidents, the University Architect, and the Director of the Physical Plant, he had visited and inspected the property and had formed the conclusion that it would be a valuable and desirable addition to the University property. While in the time allowed an exhaustive survey has not been possible, the proper University uses for the property in connection with Agriculture and Engineering were clearly indicated.

He reported that, subject to the pleasure of the Board of Trustees, he had made tentative application for the conveyance of the property to The Ohio State University.

He presented plans and drawings showing the location and dimensions of the property and indicating the improvements upon it. As represented, it contains some 3900 acres of land.

After discussion the President asked the Board for authority to make formal and definitive application for the transfer of the property to the University at "maximum discount," which is 100 per cent of cost.

On consideration of the President's report, it was moved by General Dargusch, seconded by Mr. Power, that the President be authorized and instructed to make formal application for the transfer of the property and to carry on negotiations for and on behalf of the University looking to that end.

Upon roll call this motion was approved by unanimous vote.

\* \* \* \* \*

The President discussed in detail the matter of the Deanship of the College of Agriculture and, on the basis of the President's discussion, the Board by unanimous agreement authorized the President to negotiate with Mr. Leo L. Rummell for the Deanship of the College of Agriculture and also the position of Director of the Ohio Agricultural Experiment Station at a combined salary for the dual positions of not to exceed \$10,000.00.

Upon recommendation of the President, General Dargusch offered the following resolution and moved its adoption:

That the Chairman and Secretary of the Board of Trustees be authorized to execute an agreement of assignment from The Ohio State University to The Ohio State University Research Foundation, covering patent rights growing out of discoveries and inventions made by Phillip Waalkes while a student and employe of The Ohio State University, pertaining to a process for the addition of fluorine to olefins.

This motion was seconded by Mr. Thompson and upon roll call was unanimously approved.

The Business Manager presented for record and approval by the Board of Trustees the following actions of the University Cabinet:

*Re: Cafeteria and Study Hall Projects*

CABINET MEETING

December 12, 1946.

The Cabinet met in the office of the Business Manager.  
Present: President H. L. Bevis, Messrs. Taylor, Elleman and Smith.

\* \* \* \* \*

The University Architect presented the following report and recommendation:

There are several items of site improvement in connection with the Federal Works Agency cafeteria and study hall projects which the University is required to furnish as its part of the agreement for the acquisition of these facilities.

There are also several miscellaneous items in connection with contracts already awarded for site improvement of the Veterans Emergency Housing project which should be completed before the project is ready for occupancy.

Diagrams and memorandum specifications were prepared for these items, sixteen in all. The Purchasing Agent received quotations December 4 from the principal contractors already executing work on the projects. He has referred them to this office for tabulation and report. A copy of the tabulation of the quotations is attached hereto. The quotations received indicate highly satisfactory competition and are unusually low. Our preliminary estimates of cost for these items were approximately \$40,000.00.

It was originally intended to recommend placing orders with low bidders on individual items or low bidders on small groups of items, in order to correlate these extra items with work already in progress and to expedite completion. It will be noted, however, that one bidder, General Construction Company, who is just now completing its contract work in Project I, has offered a lump sum figure for the sixteen items which is lower than the total of the low quotations for the separate items, or of any possible combination of quotations.

Since the total amount to be placed in single order is so large as to require advertisement, I recommend that only those emergency items involving utilities be awarded at this time, and that the necessary documents be prepared to advertise for sealed proposals for other items.

The drawings, specifications and estimate of cost for the items in question, at a total estimated cost of \$58,840.00, are submitted herewith and I recommend that the Cabinet approve the same.

I further recommend that, due to the fact that available funds will lapse on December 31, 1946, thereby creating an emergency, the Cabinet request the Secretary of the Board of Trustees to sign the necessary documents for the items for which public advertisement is required.

On motion the Cabinet approved these recommendations and requested the Business Manager to present the same to the Board of Trustees for its approval.

Upon motion of Mr. Pomerene, seconded by Mr. Power, the Board approved the above recommendations.

 Following a discussion of present Student Fees Schedules, Mr. Power offered the following motion and moved its adoption:

That the President be instructed to survey the present fee schedule of The Ohio State University and to make recommendations at the next meeting of the Board of Trustees for the revision of the fee schedules. The President is further instructed to meet with the members of the Inter-University Council in the interest of achieving uniformity in incidental fees, where appropriate.

Mr. Pomerene seconded this motion and upon roll call it was unanimously approved.

\* \* \* \* \*  
 President Bevis recommended that he be authorized to approve special short training courses of one to four weeks' duration whenever such courses are needed to serve the State or its citizens. In the event that such courses are taught in part or whole by University staff members who are on regular salary, the President is authorized to make such additional payments to them from non-State funds as in his estimation are justified.

On motion of Mr. Power, seconded by Mr. Thompson, the above recommendation was approved by unanimous vote.

\* \* \* \* \*  
 Upon recommendation of the President, General Dargusch presented the following rule and moved its adoption and inclusion in the By-Laws of the Board of Trustees:

Subject to specific control by the Board of Trustees, the preparation and presentation of requests for appropriations by the State of Ohio and official dealings on behalf of the University with all State department offices, boards and agencies shall be under the direction of the University President. Unauthorized appearances before State officers or agencies are prohibited.

The above motion was seconded by Mr. Power and upon roll call was unanimously adopted.

Mr. Power moved that Mr. Lockwood Thompson be authorized to sign as Chairman of the Board the diploma which will be granted to Mr. Anthony J. Natale at the March 1947 Commencement from the College of Commerce and Administration.

This motion was seconded by General Dargusch and was approved by unanimous vote.

\* \* \* \* \*  
 The Secretary read a letter from Miss Edna J. Orr, dated January 2, 1947, requesting permission to present to the Board in person certain claimed irregularities.

The Board by unanimous agreement directed that Miss Orr be asked to submit in writing a complete statement of the claimed irregularities to which she referred in her letter of January 2nd.

\* \* \* \* \*  
 General Dargusch presented the following rule and moved its adoption:

The Board of Trustees having carefully considered certain recent publicity concerning alleged subversive activities, adopts the following rule:

The Board of Trustees is mindful of the privileges, duties and

responsibilities of teachers and other staff members in an institution of higher learning. The right to teach objectively in controversial areas is recognized, but it is required that all staff members of the University will maintain complete impartiality of opinion in class room discussion.

The above motion was seconded by Mr. Power and upon roll call was unanimously approved.

The President now reported to the Board the death of Colonel George L. Converse and, in accordance with the recommendation of the Board of Trustees, has furnished to the family of the deceased a copy of the resolution expressing, on behalf of the University, the sorrow and sympathy of the Board.

The Board of Trustees learns with regret of the death on November 16 of Colonel George L. Converse. While Colonel Converse was no longer connected with the University in any way, his many contributions to University life lead the Board to take special note of his passing. George L. Converse was a student in The Ohio State University during the first decade of its existence. From here he went to West Point where he graduated in 1880 and began a career of active military service. Colonel Converse returned to Ohio State in 1900 as Commandant of Cadets, and served the University for the next twenty years, except for a period when he was examining officer for officer training camps in World War I. During his long service as Commandant, he was prominent figure in University life, and was one of the main forces in bringing about the establishment of the Reserve Officers Training Corps. The wisdom of the establishment of this Corps was amply demonstrated by the performance of the R. O. T. C. officers in World War II. Thousands of friends and former students will mourn the passing of "Commy" as he was commonly known in the early cadet days.

The Board of Trustees desires to express its deep sympathy and its sense of understanding in his loss. It is directed that this resolution be inscribed upon the minutes of the Board.

THE OHIO STATE UNIVERSITY

OFFICIAL PROCEEDINGS OF THE  
SEVEN HUNDRED AND NINETY-EIGHTH MEETING OF THE  
BOARD OF TRUSTEES

Columbus, Ohio, February 3, 1947.

The Board of Trustees met at the University at 9:00 a. m. pursuant to adjournment.

Present: James F. Lincoln, Lockwood Thompson, Donald C. Power and General Carlton S. Dargusch.

Due to the absence of the Chairman and the Vice-Chairman, the Board by general agreement selected Mr. Lincoln to serve as Acting Chairman for this meeting.

That, upon the recommendation of the Faculty Council at its meeting held on January 14, 1947, a program for the training of dental technicians in the College of Dentistry be established and approved, effective October 1, 1947;

That, in order to increase the flexibility with which staff members may be assigned quarters of service, those members who accumulate credit by giving a quarter of service immediately in advance of their regular contract year starting October 1 and who are reimbursed for this service by being given an extra quarter's leave during their regular contract year, may be paid for such quarter at the rate established by their new contract effective October 1;

That, upon the recommendation of the Faculty Council at its meeting on November 12, 1946, the following Faculty Rules be amended as follows:

That the last paragraph of Rule 147-E, Admission as an Auditor, be amended to read 'Credit shall not be recorded for a course in which a student registers as an auditor. With the permission of the Executive Committee of his college a student may subsequently repeat the audited course for credit.'

That Rule 126, Reporting of Grades, be amended in the second paragraph to read: 'In the College of Law and in the College of Medicine where a course is continuous over two or more quarters, a grade for the entire course may be given at the end of the course.'

That the following named persons, who have been selected in accordance with the regulations of the Board of Trustees, be appointed to the staff of the Institute of Nutrition and Food Technology, effective at once:

The President now requested the Business Manager to present the study of fee changes which was requested at the last meeting of the Board, and recommended that the changes as recommended in said

report be approved by the Board. The Business Manager then presented the following report:

1. The Inter-University Council at its meeting on January 27, 1947 voted unanimously to recommend to the Boards of Trustees of the various member institutions that the incidental fees at all member institutions be increased to \$90 for the regular academic year.

2. In accordance, therewith, and as a result of the study authorized at the January meeting of the Board of Trustees, the following changes in the schedule of fees at the Ohio State University are recommended, to be made effective beginning with the Autumn Quarter 1947:

*Colleges of Agriculture, Arts and Sciences,  
Commerce and Administration,  
Education, Engineering*

*Incidental fee:* Present fee — \$20 per quarter  
Proposed fee — \$30 per quarter

The Business Manager presented the following actions taken by the University Cabinet and recommended that such actions be approved by the Board of Trustees:

CABINET MEETING

January 9, 1947.

The University Architect presented the following recommendation:

For the installation of a special transformer and regulator for the operation of the Cyclotron, including furnishing the necessary cables, conduits, connections and fittings, in accordance with specifications and a drawing prepared by Mr. Elleman for the Department of Physics, dated December 5, 1946, we have received a proposal from Paul L. Gilmore, the contractor for electric work in connection with the construction of the Industrial X-Ray Laboratories (Cyclotron Laboratory) in the sum of \$1,490.00.

I recommend that this proposal be accepted and that this sum be added to the amount of the Gilmore contract dated April 19, 1946.

On motion the Cabinet approved this recommendation.

\* \* \* \* \*

The University Architect presented the following recommendation:

The contract between the University and the Columbus & Southern Ohio Electric Company for furnishing electric service for Part II of the Veterans Emergency Housing Project, which includes the installation of the outside distribution lines without cost to the University was based upon our drawing No. 4, dated July 18, 1946, which was approved by the Cleveland Office, FPFA. This distribution system is based upon the shortest possible length of secondary power lines from transformers to each of the 16 buildings.

When the FPFA contractors awarded a sub-contract for the wiring of the converted barracks from Camp Davis, the requirement for extending secondary service lines within the buildings from the point of entry to the previously located service panel was not included.

The extension of outside secondary service lines to new points of entry involves expense to the Power Company over and above that upon which the University's contract is based. FPFA has advised us under date of December 30, 1946, that additional money to cover this expense is not available from its funds, nor for the additional expense for carrying the secondary service within the building.

The California Electric Company has submitted a proposal in the sum of \$450 for extending secondary service in the nine buildings where this change is necessary to meet the requirements of our original layout.

I recommend that this be accepted and that an order be issued to the California Electric Company for this item.

On motion the Cabinet approved this recommendation.

CABINET MEETING

January 23, 1947.

The University Architect presented the following report and recommendation:

Attached hereto is a copy of the tabulation of bids opened at the special Cabinet meeting on January 22 for Miscellaneous Items of Construction and Site Improvement, Veterans Emergency Housing and Veterans Educational Facilities, and referred to the University Architect for analysis and recommendations.

No bids were received on Items IIIa and IIIb, plumbing and heating for the Village Cafeteria, or on Items Va and Vb, plumbing and heating for the Northeast Cafeteria. For all other thirteen items at least one bid is below the estimates of cost filed with the Auditor of State.

Since a portion of Part III of the Veterans Emergency Housing Project has been temporarily suspended and buildings to be served by the proposed extension of Clermont Drive (Item VIc) will not be erected at this time, I recommend that all bids for this item be rejected.

All of the low bids for other items or combinations of items are regular in every respect, and I recommend that awards be made as follows:

To *Darin and Armstrong*

Combination Items Ia-b-c.....	\$6,310.00	
Item II.....	3,201.00	
Item VIa.....	836.00

To *Phillips & Pletcher*

Item VIIb.....	660.00
----------------	--------

I recommend, on authority of the Board of Trustees, granted at its meeting on January 6, 1947, that the Director of Public Works be requested to execute proper contracts as indicated above.

On motion the Cabinet approved this recommendation.

\* \* \* \* \*

On motion of Mr. Thompson, seconded by Mr. Power, the Board by unanimous vote approved the above recommendation.

\* \* \* \* \*

The Business Manager presented the following minutes of the University Cabinet meeting held January 30, 1947:

The Director of the Physical Plant presented plans and specifications for the remodeling of the structural steel for the new No. 7 boiler at the Power House. Estimated cost, \$7,300—expense to be paid out of G-2 Power Plant Remodeling.

Upon motion the Cabinet approved these plans and specifications and requested the Business Manager to present the same to the Board of Trustees for its approval.

The Business Manager now recommended that these plans, specifications, bill of materials and estimate of cost be approved by the Board of Trustees and that he be directed to present the same to the Director of Public Works for his approval, and if so approved, to advertise for bids in accordance with law; that the Cabinet be authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate, to recommend the Director of Public Works the award of such contract. All actions of the Cabinet on this matter are to be reported to the Board at a later meeting.

Upon motion of Mr. Thompson, seconded by Mr. Power, the above recommendation of the Business Manager was approved by unanimous vote.

\* \* \*

The Business Manager presented the following minutes of the University Cabinet meeting held January 30, 1947:

The Director of the Physical Plant presented specifications for the removal of the old boiler and remodeling of concrete floors and footings of the new No. 7 boiler. Estimated cost, \$25,000—expense to be paid out of G-2 Power Plant Remodeling.

In presenting said plans the Director submitted the following statement:

The plans on this project will not be ready for approximately ten days, but in order that we can save time, I am requesting that this project be presented to the Board of Trustees for their approval and that the Secretary be authorized to approve the plans as soon as they are finished.

On motion the Cabinet approved these specifications and requested the Business Manager to present the same to the Board of Trustees for its approval and also to request the Board to authorize the Secretary to sign the plans for and on behalf of the Board when such plans are completed.

On motion of Mr. Thompson, seconded by Mr. Power, the Board of Trustees by unanimous vote approved these specifications and authorized the Secretary to sign said plans when completed and directed the Business Manager to present same to the Director of Public Works for his approval and, if so approved, to advertise for bids in accordance with law; the Cabinet was authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate, to recommend to the Director of Public Works the award of such contract. All actions of the Cabinet on this matter are to be reported to the Board at a later meeting.

\* \* \* \* \*

The Business Manager presented the following minutes of the University Cabinet meeting held January 30, 1947:

The Director of the Physical Plant submitted specifications and estimates of cost for painting the interior and plaster repairing to the following buildings:

Commerce Building . . . . . Estimated cost, \$15,500.00  
 Hamilton Hall . . . . . Estimated cost, \$16,500.00  
 Chemistry Building . . . . . Estimated cost, \$19,500.00

Expense to be paid out of F-1, Building Repairs.

On motion the Cabinet approved these specifications and estimates and requested the Business Manager to present the same to the Board of Trustees for its approval.

The Business Manager now recommended that these specifications and estimates of cost be approved by the Board of Trustees and that he be directed to present the same to the Director of Public Works for his approval, and if so approved, to advertise for bids in accordance with law; that the Cabinet be authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate, to recommend to the Director of Public Works the award of such contract. All actions of the Cabinet on this matter are to be reported to the Board at a later meeting.

Upon motion of Mr. Thompson, seconded by Mr. Power, the above recommendation of the Business Manager was unanimously approved.

\* \* \* \* \*

The Business Manager presented the following minutes of the University Cabinet meeting on January 30, 1947:

The University Architect presented the following recommendation:

Presented herewith are the drawings and specifications and other necessary documents for the utilities which the University is to furnish in connection with the Veterans Educational Facilities now being placed on the campus under Federal Works Agency Project Ohio 33-V-5. Estimated cost \$40,207—to be paid from State funds appropriated for this purpose.

This project includes temporary space for laboratories, classrooms, offices and storage and is now in progress.

I recommend that these documents be approved and presented to the Board of Trustees for approval and signature.

On motion the Cabinet approved this recommendation.

The Business Manager now recommended that these plans, specifications, bill of materials and estimate of cost be approved by the Board of Trustees and that he be directed to present the same to the Director of Public Works for his approval, and if so approved, to advertise for bids in accordance with law; that the Cabinet be authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate, to recommend to the Director of Public Works the award of such contract. All actions of the Cabinet on this matter are to be reported to the Board at a later meeting.

Upon motion of Mr. Thompson, seconded by Mr. Power, the above recommendation of the Business Manager was approved by unanimous vote.

\* \* \* \* \*

Messrs. Paul Teegardin, Elton Kyle and Ralph Rainier now appeared before the Board with reference to the selection of a Dean for the College of Agriculture. It was their suggestion that the selection of the Dean be deferred for a time.

\* \* \* \* \*

President Bevis now presented the following statement and recommendation:

On January 6 the Board, by resolution, instructed me to negotiate with Mr. Leo L. Rummell with regard to the acceptance of the deanship of the College of Agriculture of the Ohio State University and with a view, also, to his being appointed Director of the Agricultural Experiment Station at Wooster. A combined salary of not to exceed \$10,000.00 per year for both positions was named. This resolution, I understand, authorized me to tender Mr. Rummell the position of Dean and to ascertain also his willingness to accept the position of Director, if it should be tendered by the Board of Control of the Agricultural Experiment Station.

In accordance with the Board's instruction, I have conferred with Mr. Rummell at length and have reached, I believe, a full understanding with him. I am happy to report that he is willing to accept the deanship as tendered, and to accept the position of Director, also, if it be tendered him.

He is willing to assume both posts for the joint salary of \$10,000.00 a year, if proper provision is made for the expense of travel between Columbus and Wooster in the performance of his official duties. This, I told him, I would recommend.

I am now advised that Director Secret has signified his intention to resign his position as Director of the Experiment Station as of December 31, 1947.

I recommend, therefore, that Mr. Leo L. Rummell be appointed Dean of the College of Agriculture of the Ohio State University, effective at the expiration of the tenure of the incumbent Dean Cunningham, whose retirement will occur on August 31, 1947.

Until such date as Mr. Rummell may assume office as Director of the Experiment Station, I recommend that his salary as Dean of the College of Agriculture be fixed at \$10,000.00 per annum. Should he be appointed also Director of the Experiment Station, I recommend that on assuming that office, a proper division of his total compensation of \$10,000.00 be agreed upon and that his salary as Dean be then adjusted accordingly. In such event, I recommend that a proper travel allowance be authorized.

On motion of Mr. Power, seconded by General Dargusch, the above recommendation of the President was approved by unanimous vote.

\* \* \* \* \*

2-3-'47

The President now read a telegram received this morning from Mr. C. F. Kettering, now in Florida, asking to have his vote for Mr. Rummell as Dean of the College of Agriculture recorded in the affirmative. Mr. Power than stated that he had just received a phone message from Mr. Pomerene, now in Arizona, requesting that he be permitted to vote Yes for the selection of Mr. Rummell for the Dean-ship of the College of Agriculture.

Upon motion of General Dargusch, seconded by Mr. Thompson, the Board by unanimous vote directed the Secretary to record in the proceedings of this meeting the affirmative votes of Mr. Kettering and Mr. Pomerene as requested.

\* \* \* \* \*

Thereupon the Board adjourned to meet Monday, March 3, 1947, at the University at 9:00 a. m.

Attest:

Faith L. Gorrell	Professor	Su.Au.Wi.Sp.	Su.Au. Sp.
* * * * *			

That the following miscellaneous recommendations be approved:

That the salary of Robert G. Paterson, Professor in the School of Social Administration, for service in the Winter Quarter 1947 be changed from \$996 to \$1116 which was the salary he received in the Winter Quarter 1946, including the legislative increase and which inadvertently was not carried forward in the typing of the annual budget;

That the appointment of A. Davidson, Assistant Instructor, Department of Mathematics, for the period August 12 to September 27, 1946 at a rate of \$140 for the period, to be payable from Wright Field Graduate Center Rotary 7939, be cancelled;

That the following leaves of absence, without salary, be extended:

Walter L. Dorn, Professor in the Department of History, through the remainder of this academic year, through September 30, 1947;

Mary K. Thomas, Assistant Director and Assistant Professor of Nursing, Starling-Loving Hospital to June 1, 1947;

Virginia Willing, Typist, Administration, College of Veterinary Medicine, from January 1 through February 28, 1947;

That the following leaves of absence without salary be granted:

Edith H. Wittlake, Stenographer, Administration, Starling-Loving Hospital, effective February 4 through March 7, 1947;

Juanita Mills, Telephone Operator, Telephone Exchange, effective February 1 through February 28, 1947;

Clyde T. Hodgson, Printer, University Print Shop—Rotary 7970, effective February 17, 1947 for one year.

That \$37,000 be appropriated from H-8 Contributions for the use of The Ohio State University Development Fund for the period July 1, 1947 to June 30, 1948;

That the fee for the Workshop of the National Association of Elementary School Principals in the Department of Education for the Summer Quarter, 1947, be set at \$15 for the two weeks, regardless of residence of the student, and that the laboratory fee be set at \$5, in addition to the above;

That upon the recommendation of the faculty of the College of Commerce and Administration, the structure located upon the campus of The Ohio State University and known as the Commerce Building be named Hagerty Hall in honor of the late Dr. James E. Hagerty who pioneered in the fields of commercial and social science education and who served the University with honor and distinction in such fields for some forty years. Dr. Hagerty organized the College of Commerce and Administration and served as its first Dean;

That upon the recommendation of the Committee on Recognitions of University Employees of Long Service, the annual Recognition Dinner be held on Monday April 7, 1947, at the Faculty Club at 6:30 p. m.

That the dinner be complimentary to those reaching 25 years of service and to those employees whose years of service exceed 25 years. This invitation is to include the husbands or wives of such employees.

That buttons and certificates be presented at the dinner to those reaching 25 years of service and that certificates be presented to those reaching 30 years and subsequent 5-year periods of service;

That in accordance with the recommendation of the University Faculty Council, degrees be awarded at the Winter Convocation on March 14, 1947 to the following named students who have completed their requirements therefor;

\* \* \* \* \*

The President recommended the appointment of Frank Seiberling Jr., as Director and Professor in the School of Fine and Applied Arts at a salary of \$5,592, effective October 1, 1947.

Upon motion of Mr. Thompson, seconded by Mr. Power, the Board approved this recommendation by unanimous vote.

\* \* \* \* \*

The President recommended the appointment of Carroll J. Peirce as Director of the School of Aviation, effective March 10, 1947, at a salary of \$6,500 on a twelve month basis.

Upon motion of General Dargusch, seconded by Mr. Power, the above recommendation was approved by unanimous vote.

\* \* \* \* \*

General Dargusch, Trustee representative on the Board of Directors of the Ohio State University Development Fund, stated that under the Fund's constitution the Trustees are to name two members of said Board, one of whom shall be a Trustee and General Dargusch recommended that Mr. Hugh E. Nesbitt be now appointed to the Board of Directors of the Development Fund to succeed Mr. Julius F. Stone who has been made Emeritus Chairman of the Board.

Upon motion of Mr. Power, seconded by Mr. Thompson, the Board approved this recommendation by unanimous vote.

\* \* \* \* \*

The Business Manager presented the report of the Traffic Survey of the University grounds, undertaken by Professor E. H. Karrer, which report, he stated, has received careful study by the University Cabinet. The Cabinet's recommendations to the Board are as follows:

(1) That the report as presented be adopted in principle.

(2) That Recommendation No. 3 providing for the following one way streets be approved:

18th Avenue one way *West*

(Athletic Board will transfer \$1,892 to the Dormitory Rotary Fund to cover cost of three toilet floors)

On motion of General Dargusch, seconded by Mr. Power, the above recommendation of the Business Manager was unanimously approved.

\* \* \* \* \*

The Business Manager presented the following statement and recommendation:

When bids were opened on January 28, 1947 for the miscellaneous items of site improvement and utilities in connection with Veterans Emergency Housing and Veterans Educational Facilities, pursuant to thirty day public advertisement, no bids were received for Items IIIa and b (Power Plant Heating and Plumbing Utilities for the Village Cafeteria) and Items Va and b (Heating and Plumbing Utility connections for the Northeast Cafeteria).

Pursuant to a requisition from the University Architect, the Purchasing Agent invited quotations from four contractors for the execution of this work. On February 25, bids were received from only one contractor, Lieb-Jackson Company. These bids were as follows:

Village Cafeteria . . . . .	\$10,182
Campus Cafeteria . . . . .	\$ 6,717

Since these are the only bids available and since the operation of the cafeterias is dependent upon the completion of these utility connections, it is recommended that the Business Manager be authorized to request the Controlling Board for permission to waive the necessity for competitive bidding and to enter into a contract with Lieb-Jackson Company in the amounts indicated. This contract is to be charged to Additions and Betterments, Veterans Emergency Facilities, if available; or to such other University funds as may be available.

On motion of Mr. Pomerene, seconded by Mr. Power, the Board by unanimous vote approved this recommendation.

\* \* \* \* \*

The Business Manager presented the following report and recommendation of the University Cabinet, taken at its meeting on February 17, 1947 and recommended that the action of the Cabinet be approved:

The University Architect presented the following report and recommendation:

Following is a tabulation of the bids opened by the Cabinet

at 2 P. M., February 14, for Item 3-A, Plumbing, and Item 3-B, Steam Supply, Extension to Stadium Dormitory Facilities—Equipment—which were referred to this office for recommendation:

<i>Name</i>	<i>3-A Plumbing</i>	<i>3-B Steam Supply</i>
T. J. Conner, Inc. ....		\$15,913
Sauer Company, Inc. ....	\$8,880	
Sauer Company, Inc. ....		\$15,000

The low bids of Sauer Company, Incorporated are regular in every respect and are below the estimates filed with the Auditor of State. I, therefore, recommend, upon authority granted to the Cabinet by the Board of Trustees, under date of October 23, 1946, that the awards be made to Sauer Company, Incorporated, for Item 3-A, in the sum of \$8,880.00 and Item 3-B in the sum of \$15,000.00, and that the Director of Public Works be requested to execute proper contracts therefor.

On motion the Cabinet approved this recommendation.

On motion of Mr. Thompson, seconded by General Dargusch, this recommendation of the Business Manager was upon roll call unanimously approved.

\* \* \* \* \*

The Business Manager presented for approval the plans and specifications for the new Roof on Lord Hall as prepared by the Director of the Physical Plant. The estimated cost of \$6,750 is to be aid from F-1 Roof Repairs. These plans and specifications have been approved by the Cabinet.

The Business Manager recommended that these plans and specifications be approved by the Board of Trustees and that he be directed to present the same to the Director of Public Works for his approval, and if so approved, to advertise for bids in accordance with law; that the Cabinet be authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate, to recommend to the Director of Public Works the award of such contract. All actions of the Cabinet on this matter are to be reported to the Board at a later meeting.

On motion of Mr. Thompson, seconded by Mr. Pomerene, the above recommendation of the Business Manager was approved by unanimous vote.

\* \* \* \* \*

The Business Manager reported that the Steering Committee has approved the plans and specifications for the new Medical Center and prepared by the Architects—Skidmore, Owings and Merrill—and the Committee now presents the plans and specifications to the Board of Trustees for its approval.

Upon motion of General Dargusch, seconded by Mr. Pomerene, said plans and specifications were approved by unanimous vote of the Board, and the Business Manager was directed to present the same to such state officials for approval as may be required under the building laws.

\* \* \* \* \*

The President recommended that the amount of \$718.48 be ap-

propriated from Interest on Endowment Fund to cover the traveling expenses of Skidmore, Owings and Merrill, consulting architects for the Medical Center.

This amount will cover travel expenses incurred prior to the effective date of House Bill 477 and prior to the approval of Skidmore, Owings and Merrill as consulting architects by the Director of Public Works.

On motion of Mr. Pomerene, seconded by Mr. Power, this recommendation of the President was upon roll call unanimously approved.

\* \* \* \* \*

At this time Virginia M. Turner, Sue Finnerty, George Gell, David Cook and William Reynolds, representing the Student Committee for a new Ohio Union, appeared before the Board and presented petitions carrying the signatures of 14,235 students. The petition reads as follows:

We, the students of Ohio State University, realizing the inadequacies of the present Ohio Union, respectfully petition The Board of Trustees to take action to secure a New Union Building (Student center for both men and women) at the earliest possible time. We realize that other needs of the University will necessitate that it be a self-liquidating project, and to accomplish this end, we request an increase in the General Student Activities fee, not to exceed \$5.00 per Quarter.

The petitions were received by the acting Chairman who commended the Committee on the very excellent work which it has done.

\* \* \* \* \*

Upon motion of General Dargusch, seconded by Mr. Power, the Board by unanimous vote requested the President to prepare and send to the family of the late Colonel Earle L. Johnson a suitable resolution expressing the sympathy of the Board of Trustees.

\* \* \* \* \*

The President now reported to the Board the death of Professor Arthur E. Baggs and, in accordance with the recommendation of the Board of Trustees, has furnished to the family of the deceased a copy of the resolution expressing, on behalf of the University, the sorrow and sympathy of the Board.

The Board of Trustees learns with regret of the death of Professor Arthur E. Baggs on February 15, 1947. Professor Baggs came to the staff of our Department of Fine Arts in 1928 as professor, and held that position with distinction up to the day of his death. Professor Baggs brought to the University an outstanding background of training and experience. A graduate of Alfred University and of the Cleveland School of Art, his experience included teaching in the Ethical Culture School of New York City, and the School of Design and Liberal Arts of the same city. In addition to his academic training and experience, he had a business background through being director and later owner of the Marblehead, Massachusetts Potteries, and also was a creative artist of note. The death of Professor Baggs is a serious loss, not only

to the University, but to the leaders in ceramic work in Ohio,  
and he will be missed both on the campus and in the State.

The Board of Trustees desires to express its deep sympathy and  
its sense of understanding in his loss. It is directed that this resolution  
be inscribed upon the minutes of the Board.

Thereupon the Board adjourned to meet Monday, April 7, 1947  
at 9:00 a. m. at the University.

Attest:

President Bevis reported that he has been advised by the Ohio National Bank of Columbus, Executor of the last will and testament of the late Dean James E. Hagerty, that said contains two bequests to the Board of Trustees of the Ohio State University, namely \$5000

for a scholarship in Marketing and \$3000 for a scholarship in Criminology.

The President was requested to make proper acknowledgment of these bequests.

\* \* \* \* \*

The President reported for the record that immediately following the March 3 meeting, he had sent to each member of the Board, under date of March 5, 1947 the following letter:

To the Members of the  
Board of Trustees

Gentlemen:

Through inadvertence one little matter failed to get on the agenda for the last meeting of the Board of Trustees:

Following negotiations extending over several years the U. S. Department of Agriculture has decided to locate at the Ohio State University the Legume Seed Research Center. The project concerns the use of legumes and grasses as a nucleus of a constructive soil conservation program and is of national as well as state importance.

We are equipped to handle it except for space. Diligent search fails to reveal any space on the campus at the present time adequate for the purpose. Accordingly, we have looked outside and have found a building located at 4299 North High Street, Columbus, which with certain alternations, which the owner is willing to make, can be leased for three years—the life of the project—at a rental of approximately \$185.00 per month. We have the money available. The property was officially appraised for inheritance tax purposes at \$25,000.00. I have had it surveyed by Mr. J. W. Brown, who is a competent real estate man, and I am satisfied that the building is suitable for the purpose and that the rental is fair. I should like to recommend, therefore, that the administration be authorized to execute on behalf of the University a three-year lease. Since there is an element of urgency in time, I should like to ask your approval by mail in order that we may include this in the minutes of the last meeting of the Board.

Sincerely yours,

(signed) Howard L. Bevis  
President

P. S. After the three years we hope to have space on the campus to continue the work.

H. L. B.

The President now stated that the proposal as contained in the above letter received the unanimous approval of the Board.

\* \* \* \* \*

The Business Manager reported that upon authority of the Board of Trustees the Cabinet received and opened bids for the following projects and has recommended to the Director of Public Works the award of contracts as listed herewith and recommended that the said actions of the Cabinet be now approved by the Board of Trustees:

Sub-Station "C", Electrical Distribution Equipment— to Gustav Hirsch Organization.....	\$44,317.00
Remodeling of Structural Steel for new No. 7 Boiler— to J. T. Edwards & Company.....	4,682.00
Heating, Plumbing, Sewers, Walks, Utilities for Veterans Educational Facilities—to Lieb-Jackson Co....	\$18,611.00
to Haddad Construction Company.....	\$ 1,920.00
To be charged to Additions and Betterments, Veterans Emergency Facilities, if available; or to such other University funds as may be available.	
Interior Painting and Patch Plastering, Hamilton Hall— to L. D. Henry Painting Company.....	\$15,435.00
Interior Painting and Patch Plastering, Chemistry Building— to Maxwell W. Fishking Company.....	\$13,770.00

On motion of Mr. Pomerene, seconded by Mr. Thompson, the Board by unanimous vote approved the above actions of the Cabinet.

The Business Manager recommended that the estimate of cost for the removal of Old Boiler and Remodeling of Concrete Floors and Footers for new No. 7 Boiler be increased from \$25,000 to \$35,000.00.

On motion of Mr. Pomerene, seconded by Mr. Thompson, the above recommendation was approved by unanimous vote.

\* \* \* \* \*

The Business Manager stated that House Bill 455, passed by the House and now in the Senate, carries reappropriations of certain unexpended balances for capital improvements and that, pending the final enactment of this bill, it is necessary that funds be made available now for the following projects in the amounts stated, in order that proper contracts may be executed.

Darin & Armstrong—Roads, Parking Areas.....	\$15,808.00
George Sheaf & Company—Roads, Northeast Cafeteria.....	\$ 2,500.00
Phillips and Fletcher—Guard Rail, Hess Road.....	\$ 600.00

To accomplish this the Business Manager now recommended that the Board authorize the use of said amounts from Rotary 7879 pending availability of funds contained in H. B. 455.

Upon motion of Mr. Thompson, seconded by Mr. Pomerene, the above recommendation of the Business Manager was approved by unanimous vote.

\* \* \* \* \*

The Business Manager then presented the drawings and specifications for the completion of site improvements and utilities, Part III Veterans Housing Project, Ohio-33362-A. Estimated cost, \$101,710.00. These have been prepared in anticipation of the resumption of the 210 family dwelling units which were eliminated September 19, 1946.

The Business Manager stated that these documents have been approved by the Cabinet and that the Cabinet now recommends that these be approved by the Board of Trustees and that, if the project is resumed, the Business Manager be directed to request of the Controlling Board permission for a 10-day advertisement and further, if such permission is granted, then the Business Manager be directed to present the same to the Director of Public Works for his approval and if so approved to advertise for bids in accordance with law; that the Cabinet be authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate, to recommend to the Director of Public Works the award of

such contract. All actions of the Cabinet on this matter are to be reported to the Board at a later meeting.

On motion of Mr. Pomerene, seconded by Mr. Thompson, the above recommendation was approved by unanimous vote and the Secretary was directed for and on behalf of the Board to sign said documents.

The Business Manager presented plans and specifications, estimate of cost, as prepared by the University Architect, for the Remodeling of Room 8, Brown Hall, for use as a Sound Photography Laboratory, estimated cost to be \$7500.00.

These documents have been approved by the Cabinet and are now recommended to the Board for approval.

Upon motion of Mr. Pomerene, seconded by Mr. Thompson, the above recommendation was approved by unanimous vote and the Secretary was directed to sign said documents for and on behalf of the Board of Trustees, and the Business Manager was directed to present the same to the Director of Public Works for his approval and if so approved, to advertise for bids in accordance with law; that the Cabinet be authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate, to recommend to the Director of Public Works the award of such contract. All actions of the Cabinet on this matter are to be reported to the Board at a later meeting.

The President recommended the appointment of Riley Day as Special Police Officer in accordance with Section 4863-3-4 of the General Code of Ohio, effective April 14, 1947 at an annual salary of \$2,184.00.

On motion of Mr. Pomerene, seconded by Mr. Thompson, the above recommendation was upon roll call unanimously approved.

The Business Manager presented a proposed agreement between the County Commissioners of Franklin County and the Board of Trustees of the Ohio State University covering the construction of a County Trunk Sanitary Sewer, known as Proposed Franklin County Sanitary Sewer Improvement No. 208.

The proposed sewer starts north of Henderson Road and runs south along the Olentangy River Road until it reaches the University property where it enters University lands at Ackerman Road; then it runs south paralleling the west side of the Olentangy River Road, crossing Lane Avenue and on to a point representing the south side of Woodruff Avenue, extended; then it proceeds due east crossing the Olentangy River and connects with the large intercepting sewer at Woodruff Avenue and Tuttle Park Place.

The total length of easement within the limits of University property as measured on center line of proposed sewer is 7507.6 feet more or less.

This agreement proposes that the State of Ohio pay \$98,000.00 as its part of the cost of construction and grants further rights and privileges to the County Commissioners of Franklin County and to the Ohio State University, which are mutually beneficial.

The Cabinet has given careful study to this agreement and is of the opinion that the University should take advantage at this time of securing such adequate sewage facilities for its property west of the Olentangy River.

The Business Manager stated that the Cabinet now recommends to the Board of Trustees the approval of this proposal and that the Board direct the University administration to

- (1) present said agreement to the Attorney General for his examination and approval.
- (2) request the Legislature by proper legislation to authorize the Board of Trustees to execute a lease to the Board of County Commissioners to enter the University property for the construction and maintenance of such sewer,
- (3) present a request to the Legislature for the sum of \$98,000.00 to cover the State of Ohio's portion of the cost of construction.

Upon motion of Mr. Pomerene, seconded by Mr. Thompson, the Board by unanimous vote approved the above proposal and directed the University administration to proceed in accordance with the above recommendation.

The Board of Trustees wishes to express formally its sense of loss in the untimely death of Colonel Earle L. Johnson, and to extend to his family its very sincere sympathy.

Colonel Johnson was one of the distinguished graduates of the University and made important contributions to the welfare of his state and nation. His service in the Ohio General Assembly was particularly significant in the creation of our State Bureau of Aeronautics, and he followed through by becoming later a director of that bureau. As director, he organized hundreds of Ohio civilian pilots into a wing of the State Air Defense Service. When the Civil Air Patrol was organized, he became the Ohio Wing Commander and almost immediately was called to Washington to take the post of Assistant Executive Officer and later National Commander of the Civil Air Patrol. He handled this work so effectively as to make the patrol a major force in the protection of the country against invasion and in the control of the coastal U-boat pack.

The University profited greatly from Colonel Johnson's continuing advice in connection with the establishment of our School of Aviation, and developed and use of our flying field. It had been the hope of the Board of Trustees that Colonel Johnson eventually would become the head of our School of Aviation, but the national demands upon his time and talents prevented this. In his passing, the University has lost a loyal and distinguished alumnus, and the field of aviation a vigorous and brilliant leader.

The President now reported to the Board the death of Dr. Solomon A. Hatfield and, in accordance with the recommendation of the Board of Trustees, has furnished the family of the deceased a copy of the resolution expressing, on behalf of the University, the sorrow and sympathy of the Board.

The Board of Trustees learns with regret of the death of Dr. Solomon A. Hatfield, Clinical Professor of Medicine, on March 23, 1947. Dr. Hatfield had been identified with the profession of medicine and with the teaching of medicine in Ohio for more than thirty-five years. He was a graduate of Starling-Loving Medical College in 1912, but even before graduation had served as a demonstrator in anatomy in that College. During this long period of service, he held many

positions which included, in addition to those connected with teaching, that of Superintendent of the State Street Dispensary, and Superintendent of the University Hospital.

In addition to these positions, Dr. Hatfield worked actively in community and University affairs, having been a member of the Columbus Board of Health and the Metropolitan Health Council, and a member of the University Athletic Board. He was always helpful and sympathetic with students and patients, in all matters of health problems and problems in medical education. His passing will be mourned not only by the University community, but by members of his profession outside the campus, by his neighbors, and by hundreds of persons who looked to him for medical help.

The Board of Trustees desires to express its deep sympathy and its sense of understanding in his loss. It is directed that this resolution be inscribed upon the minutes of the Board.

That the following miscellaneous recommendations be approved:

That the contract with William J. Brakel, Assistant Professor, Department of Dairy Husbandry, at an annual rate of \$4092 be changed as of October 1, 1946 from a 12 months' service basis to a 3 quarters' service basis with the contract year to start October 1, 1946 and with Autumn, Winter and Spring as his quarters of service;

That the effective date of the contract of Dorothy D. Scott, Professor, School of Home Economics, who is paid \$1128 from A-1 funds and \$3375 from George-Deen funds, be changed from July 1, 1946 to October 1, 1946;

That the \$797.34 needed to commute the service credit of Gordon C. Ring, Assistant Professor, Department of Physiology, for the Summer Quarter of 1942, be paid from Interest on Endowment 5002;

That the Spring Quarter salary of \$702 for Paul J. Ovrebø, Assistant Professor, Department of Physics and Astronomy, be charged against Wright Field Graduate Center Rotary 7939 instead of A-1 funds, as provided by the action of the Board of Trustees on April 7, 1947;

That the effective date of the resignation of Charles R. Pettis, Jr., Student Assistant, Department of Mechanical Engineering, be changed from February 28, 1947 to March 31, 1947;

That I. Keith Tyler, Director of Radio Education, be returned from leave of absence, effective April 11, 1947;

That the effective date of the contract of Ruth Lehman, Professor, School of Home Economics, whose salary is paid from George-Deen funds, be changed from July 1, 1946 to October 1, 1946;

That the following leaves of absence, without salary, be granted:

Rebecca H. Stowe, Admitting Clerk, Administration, Starling-Loving Hospital, effective May 1 through May 31, 1947, because of illness;

Martha Emily Knowlton, Clerk, Dietary, Starling-Loving Hospital, effective April 1 through June 30, 1947—(extension of leave);

Herbert D. Roederer, Lineman, School of Aviation, (Rotary 7015), effective November 1, 1946 for an indefinite period, because of injury resulting from accident;

Mary Jo Cline, Clerk (part-time), Student Relations, effective May 1 through May 31, 1947;

King Smith, Janitor, Baker Hall Dormitory, Rotary 8204, effective April 1 for two months, on account of illness;

Leona Shook, Maid, Stadium Dormitories, for the month of April 1947, on account of illness;

That a laboratory fee of \$30 per quarter be established for Horticulture 628, to be used for supplies and other necessary expenses connected with this course, effective Summer Quarter 1947.

That laboratory fees for the following courses in the Department of Poultry Husbandry, effective Summer Quarter 1947, be approved:

Poultry 522—The Poultry Industry—5 credit hours—  
first term Summer Quarter—\$25

Poultry 523—The Poultry Industry—5 credit hours—  
second term Summer Quarter—\$25

This fee is to cover only transportation traveling expenses and other expenses in connection with the course. It is not to pay board or room, incidentals and miscellaneous expenses of students.

That the Home Management House fee be increased from \$37.50 to \$45 for the half term, effective Summer Quarter 1947.

That a laboratory fee of \$3.00 per course per quarter be established for all courses in the Department of Speech, effective Summer Quarter 1947.

That a laboratory fee of \$3.00 for all courses in the School of Fine and Applied Arts be established, effective Summer Quarter 1947, with the following exceptions:

1. In the Summer Quarter, when a five hour course is taken for *two* hours in the *first* term and *three* hours in the *second* term, the fees should remain at \$2.00 a term. These should be easily identified as Summer Quarter registrations *a* or *b*.
2. Fine Arts 508 (the course number to be changed to 479 next Fall) is not to have a fee.

That the special laboratory fees for courses in the School of Music be changed as follows:

Beginning with the Autumn Quarter 1947 a special music laboratory fee of \$20 per quarter shall be charged to each student taking Applied Music under courses:

Music 400 A-B-C-D-F-F  
Music 508 A-B-C-D-E-F  
Music 509 A-B-C-D-E-F  
Music 510 A-B-C-D-E-F  
Music 709 A-B-C-D-E-F

That, effective with the Summer Quarter, the following laboratory fees for courses in Flight Training be changed as follows:

<i>Primary</i>	<i>Proposed Fee</i>
Flying Course 400.....	\$268
Ground Courses 401 and 402.....	65
<i>Secondary</i>	
Flying Course 500.....	\$353

That Paragraph Three of the action of the Board of Trustees on Fellowships and Scholarships, adopted on February 17, 1914, be amended to read as follows:

"Scholarships shall be open to students registered in the Graduate School who desire to enter upon specialized graduate studies in candidacy for any of the higher degrees."

That the Memorandum of Understanding between the College of Agriculture, The Ohio State University; The Ohio Agricultural Experiment Station and The Bureaus of Entomology and Plant Quarantine and Plant Industry, Soils, and Agricultural Engineering Agricultural Research Administration, United States Department of Agriculture, relative to Investigations on legume seed production, be approved;

That, upon the recommendation of the University Faculty Council, at its meeting held on April 15, 1947, the following persons be awarded honorary degrees at the June Commencement 1947;

Frederick Leslie Brownlee.....	Doctor of Laws
James Middleton Cox.....	Doctor of Laws
Cecil Vincent Thomas.....	Doctor of Laws
Edgar Collins Bain.....	Doctor of Science

That the Lamme Medal be awarded at the Commencement on June 6, 1947 to Estel C. Raney, a graduate of the Class of 1912 with the degree of M.E. in Electrical Engineering. Mr. Raney is, at the present time, President of the Ranco Company.

That in accordance with the recommendation of the University Faculty Council degrees be awarded at the Spring Convocation on June 6, 1947, to the following named students who have completed their requirements therefor:

That the following gifts be accepted and the appreciation of the Board of Trustees be appropriately expressed:

\$1406.25 from The Strowbridge Investment Company—a dividend of \$30 per share declared by the Board of Directors of The Strowbridge Investment Company (Muellhaupt Estate);

\$600 from the Watumull Foundation for two scholarships, Rotary 7900;

President Bevis presented a petition signed by certain students requesting that Baker Hall be assigned to men students for the coming Summer Quarter. It was agreed to take this petition under advisement.

\* \* \* \* \*

The President presented the following recommendation:

That he be authorized to make application to the Federal Communications Commission for a license to operate an FM Radio Station at WOSU, it being understood that the foregoing does not commit the University to the installation of FM equipment until further action by the Board of Trustees.

On motion of General Dargusch, seconded by Mr. Thompson, the above recommendation was approved by unanimous vote of the Board.

\* \* \* \* \*

Upon motion of General Dargusch, seconded by Mr. Power, the Board by unanimous vote authorized the President to employ Mr. Leo L. Rummell for the period June 1 to September 1, 1947 at a salary of \$8000 (annual rate) to perform such duties and to carry such title as the President may determine.

\* \* \* \* \*

Mr. Thompson moved that Mr. H. S. Atkinson be authorized to sign as Chairman of the Board the diploma which will be granted to Nancy Dunham at the June Commencement from the College of Commerce and Administration.

This motion was seconded by Mr. Power and approved by unanimous vote.

The Business Manager reported that a final audit of Rotary 8218, Navy Station Dormitories, shows a cash overdraft of \$11,029.30. These dormitories were operated during the Spring, Summer and Autumn Quarters of 1946. As a result of three quarters' operation at only 20% of capacity, combined with high transportation and operating costs, the above cash overdraft was accumulated. The dormitories were closed at the end of the Autumn Quarter.

In order that the Rotary account can be closed out during this fiscal year, it is recommended that the following transfers of Rotary funds to Rotary 8218 be authorized by the Board of Trustees:

From Navy R.O.T.C. Housing Rotary 8220.....	\$ 8,376.79
From Oxley Tea Room Rotary 8225.....	2,652.51
Total.....	<u>\$11,029.30</u>

On motion of General Dargusch, seconded by Mr. Pomerene, the above recommendation was approved by unanimous vote.

The Business Manager presented the following letter from the University Architect which has been approved by the Cabinet, and recommended its approval by the Board of Trustees:

April 21, 1947

University Cabinet:

To assist the University Architect in the preparation of drawings and specifications and in the supervision of construction for the proposed remodelling of Robinson Laboratory and of the Industrial Engineering Building, I recommend the employment of Wyatt, Bird and Associates at a fee of 5% of the cost of the work for which such services are rendered. Estimated total fee, \$7500.00.

To effect such an arrangement I recommend that the Board of Trustees be requested to approve the employment of Wyatt, Bird and Associates for the purpose indicated above and that the Director of Public Works be requested to execute a proper contract for such employment.

Yours very truly,  
(signed) HOWARD DWIGHT SMITH,  
*University Architect.*

Upon motion of Mr. Pomerene, seconded by Mr. Lincoln, the above recommendation was approved by unanimous vote of the Board.

\* \* \* \* \*

The Business Manager presented the following statement:

Due to employment difficulties it has been impossible for the Hospital to appoint employees to the positions provided for in the A-1 Salary budget. The work was accomplished by hiring employees on a wage basis out of Rotary funds, thus leaving a balance in A-1 funds.

In order to give the Hospital full advantage of the A-1 appropriation as provided in the 1946-47 budget, it is requested that certain positions now paid from Rotary funds be transferred to the A-1 budget for the months of May and June. The amount involved will be approximately \$21,000.00, depending on the fluctuation in the May and June payroll.

Upon motion of Mr. Pomerene, seconded by Mr. Power, the Board by unanimous vote authorized the above transfers to be made.

\* \* \* \* \*

The Business Manager advised the Board that, due to greatly increased costs and additional services required, the Sisters of the Poor of St. Francis are not able to carry on their services at St. Francis Hospital under the conditions prescribed in the Indenture executed April 9, 1940.

Upon recommendation of the Medical Staff of St. Francis concurred in by the University administration, it is recommended that for the period April 1, 1947 to June 30, 1947 the budgetary allotment shall be as follows:

- |  |          |
|--|----------|
| 1. Salaries of residents and internes appointed by College of Medicine amounting to approximately... | \$ 1,500 |
| 2. Allotment for surgical and laboratory supplies through Laboratory Supply Store.....               | 1,500    |
| 3. Cash payment to St. Francis Hospital for the use of clinical beds.....                            | 7,500    |
|  | \$10,500 |

It is further recommended that the Business Manager, with the advice of the Attorney General, be authorized and directed to negotiate with the Sisters of the Poor of St. Francis a revision of the Indenture dated April 9, 1940, and that the above allotted amount be considered as a basis for determining the revised annual payment to be made by the University for the services rendered at St. Francis Hospital.

Upon motion of Mr. Power, seconded by Mr. Thompson, the Board by unanimous vote approved the above recommendations.

\* \* \* \* \*

The Business Manager, upon the recommendation of the College of Medicine, recommended that a cash payment of \$832.50 be made to the St. Francis Hospital from the Medical Pro Rata fund for the period July 1, 1946 to March 31, 1947. This will permit St. Francis Hospital to meet the necessary increases in salary for the employees of the Department of Pathology.

Upon motion of Mr. Pomerene, seconded by Mr. Lincoln, the above recommendation was approved by unanimous vote.

\* \* \* \* \*

The Business Manager reported that, acting under authority from the Board of Trustees, the Cabinet has recommended to the Director of Public Works the award of the following contracts:

<i>Cabinet Meeting</i>	<i>Project</i>	<i>Contractor</i>	<i>Amount</i>	<i>Fund</i>
4-14-47	Paved Parking Lots	Max J. Zeller, Inc.	\$28,400	F-9 Other

The Business Manager reported that the Cabinet recommends the extension of the completion date of the contract with George Sheaf and Company (Stadium Dormitory) to August 1, 1947.

Upon motion of Mr. Thompson, seconded by General Dargusch, the above recommendations were approved by unanimous vote.

The Business Manager reported for record and information that the State Controlling Board has approved the following requests submitted by the University:

*Request*

17. Authority to award contract to *Darin & Armstrong, Inc.*, for removal of old boiler, remodeling of concrete floors and footers for new No. 7 boiler at Power Plant, without competitive bidding—amount, \$36,978.00.

25. Release of \$73,360 for River Road Housing, H. B. 455

\* \* \* \* \*

The Business Manager presented plans, specifications, bill of materials and estimates of cost for the following projects which have been approved by the Cabinet, and recommended that the same be now approved by the Board of Trustees:

- A. Repair and replacement of portions of Stadium damaged by fire on March 15, 1947.  
Estimated cost, \$49,500, payable from Rotary 18.
- B. Utilities and service for four temporary classroom buildings from Fort Thomas.  
Estimated cost, \$10,600.
- C. Paint House, Airport Structures.  
Estimated cost, \$10,010.

Upon motion of Mr. Lincoln, seconded by Mr. Thompson, the Board by unanimous vote approved these plans and specifications and directed the Secretary to sign the same for and on behalf of the Board of Trustees. The Board directed further that the Business Manager present these plans and specifications to the Director of Public Works for his approval, and if so approved, to advertise for bids in accordance with law; that the Cabinet be authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate, to recommend to the Director of Public Works the award of such contract. All actions of the Cabinet on this matter are to be reported to the Board at a later meeting.

The President now reported to the Board the death of Emeritus Professor Oscar Erf and, in accordance with the recommendation of the Board of Trustees, has furnished to the family of the deceased a copy of the resolution expressing on behalf of the University, the sorrow and sympathy of the Board.

The Board of Trustees learns with regret of the death on April 28, 1947 of Emeritus Professor Oscar Erf. Professor Erf's connection with Ohio State University extended over a period of half a century. He graduated here in 1899, and after some study in Germany and experience with the dairy industry, joined the staff of our College of Agriculture where he served from 1907 to 1940. From 1940 until his retirement in 1945 his work was directed primarily toward research.

Professor Erf was very active in the development of research programs and animal feeding and nutrition, especially as they concerned dairy cattle. His contribution to both the scientific and legal phases of raising the standards of commercial dairy products was outstanding. His leadership among representatives in the field was evidenced by his work as a charter member of the Alpha Zeta professional fraternity, and by his high standing among leaders in the dairy profession and industry. Professor Erf's counsels will be missed by his colleagues on and off the campus.

The Board of Trustees desires to express its deep sympathy and its sense of understanding in his loss. It is directed that this resolution be inscribed upon the Minutes of the Board.

THE OHIO STATE UNIVERSITY

OFFICIAL PROCEEDINGS OF THE  
EIGHT HUNDRED AND SECOND MEETING  
OF THE BOARD OF TRUSTEES

Columbus, Ohio, May 17, 1947

On call of the Chairman the Board met in special session at 10:00 A. M. to consider the proposed plans for the Ohio Medical Center.

Present: C. F. Kettering, Chairman, Lockwood Thompson, Herbert S. Atkinson, Donald C. Power and Warner M. Pomerene.

Upon request of the Board Dean Doan and Dean Postle were also present.

\* \* \* \* \*

President Bevis read to the Board extracts from the minutes of the Steering Committee, The Medical and Dental Faculty Committees and the Board of Trustees relating to the step by step development of the plans as prepared by the architects.

Dean Doan then made a detailed statement of the building facilities required for the desired Medical Center. Dean Doan emphasized that the great increase in construction costs since the plans were started in 1944-45 indicated the need of additional appropriation of \$3,000,000 at this time.

Dean Postle made a similar statement concerning the Dental Wing of the Medical Center.

After a thorough discussion of the entire matter, Mr. Pomerene offered the following resolution and moved its adoption:

RESOLVED that this Board considers it essential to the construction of the Medical Center that a present additional appropriation of \$3,000,000 be asked from the Ohio Legislature and that request for such additional appropriation be fully supported.

This motion was seconded by Mr. Power and upon roll call the resolution was approved by unanimous vote of the Board.

\* \* \* \* \*

Thereupon the Board adjourned.

ATTEST:

That the sum of \$2,000 be transferred from Dairy Laboratory Rotary 7954 to Dairy Technology Rotary 7156 for the use of the Department of Dairy Technology, effective at once;

That, upon the request of the Dean of the College of Agriculture, the University be authorized to rent a tract of land known as the Jewett farm at an annual rental of \$300.00. This tract of land adjoins the Hess farm which we are renting from the Commercial Paste Company and will be used by the Department of Dairy Husbandry as a pasture.

That, upon the request of the Dean of the College of Agriculture, the rental of the Rogers tract consisting of 112 acres be continued on a year to year basis at the rate of \$600 per year, effective March 1, 1947. This tract of land is to be used by the Poultry Department for the turkey project.

That the fee for Nursery School children, School of Home Economics, be increased from \$31.50 to \$35.00 per quarter, effective Autumn Quarter 1947;

That upon the recommendation of the Faculty Council at its meeting held on May 13, 1947, the following Faculty Rules be amended:

1. That Section 1 of Faculty Rule 166 be suspended for the biennium beginning July 1, 1947 and that the following rule be substituted:
  - a. Any member of the teaching staff with the rank of instructor or under, upon registration in the Graduate School and with the approval of the appropriate department chairman.
  - b. Any member of the teaching staff above the rank of instructor, who upon approval of the appropriate department chairman, enrolls as an auditor.

Anyone who qualified under 1 (a) above during the biennium shall continue to have the privilege of the exemption after the biennium so long as he is not promoted above the rank of instructor.

2. That Faculty Rule 28 be amended to read as follows:  
The Junior Council shall consist of the Vice-Presidents, the Junior Deans and Secretaries of the Colleges admitting freshmen; a member elected by the Student Personnel Council from its membership and such additional members as the President

shall appoint. The Junior Council shall elect its own chairman. It shall study all matters common or which might be common to the several colleges, pertaining to the pre-college counseling, scheduling, and instructional and educational advisement, of undergraduate students and report its findings and recommendations to the appropriate authorities.

3. That Faculty Rule 42 be adopted to read:

The Student Personnel Council shall consist of the Vice-Presidents, the Dean of Men, the Dean of Women, the Director of the University Health Service, the Counselor for Religious Activities, the Alumni Secretary, a representative from the Intramural Athletic Program, the Director of the Ohio Union, a member elected from the membership of the Junior Council and such additional members as the President may appoint. The Student Personnel Council shall elect its own chairman. It shall study matters pertaining to the extra-curricular life of the student body and present its findings and recommendations through the proper authorities to the President.

That Faculty Rule 216 be amended to read as follows:

The use of tobacco in any form in lecture rooms and libraries is prohibited; its use elsewhere on the campus shall be within the discretion of the President who is authorized to make appropriate rules and regulations concerning such use.

That upon the recommendation of the Athletic Board at its meeting on June 4, 1947 the following Season Book prices be established for the 1947 Varsity Football games to be played in the Ohio Stadium. These prices are to include all State and Federal Taxes.

Individual Game Ticket prices are to conform with the schedule set forth in the action taken by the Board of Trustees on May 5, 1947.

That the Agreement between the Secretary of Agriculture and the Cooperative Agricultural Extension Service of The Ohio State University, for extension work in Farm Labor Supply and Distribution in the State of Ohio, be extended to January 30, 1948.

That the proposal of the Shell Fellowship Committee, representing the Shell Union Oil Corporation, the Shell Oil Company, Inc., the Shell Chemical Corporation, the Shell Pipe Line Corporation and the Shell Development Company to establish two Shell Fellowships in the fields of Chemical Engineering and Mine Engineering (Petroleum Production Engineering) be approved under the following terms:

The Shell Fellowships are to be established to encourage graduate studies in the fields of Chemical Engineering and Mine Engineering (Petroleum Production Engineering), leading to a Master or a Doctorate degree. Preferential consideration is to be given to Doctorate candidates.

Selection of the candidates is to be left to the discretion of the departmental chairmen subject to the approval of whatever agency or body Ohio State University has established for this purpose, and with the understanding that the Shell Fellowship Committee is to be given the opportunity to review a brief resume on the candidates before the final awards are made. The funds for the Fellowships are to be sent to Ohio State University for administration after this routine review.

The Shell Fellowships are to be on a year-to-year basis, subject to termination by Shell at the end of any year, and may be renewable to the previous year's recipients if the department chairmen feel special circumstances warrant it. If there are no suitable candidates, the Shell Fellowship Committee is to be so advised, in which case the Fellowships shall lapse for that year.

The Shell Fellowship grants to the candidates are to be \$1200.00 each for a year's study as determined by the department chairmen. In addition, upon advice as to the amounts needed, Shell will pay an additional sum up to \$300.00 to cover material and equipment and other expenses related to the research project.

The recipients are not obliged to fulfill any special requirements except that the Shell Fellowship Committee would like to receive copies of publications, theses, etc. There is to be no implied employment obligation on the part of the recipient nor on the part of Shell.

That the following gifts be accepted and the appreciation of the Board of Trustees be appropriately expressed:

\$1240 from the Pan-American Refining Corporation for a Fellowship in Chemistry—Rotary 7584;

\$1200 from the Monsanto Chemical Company for the Monsanto Chemical Company Fellowship—Rotary 7455;

\$220 from the G. D. Searle and Company for Dermatitis Research—Rotary 7693;

*For the Mary Christie Curtis Fund—Rotary 7155*

\$150 from Mrs. Mildred Watson

\$50 from Mrs. Estella Boyer

*From the Ohio State University Development Fund*

\$1000 for the William McPherson Fellowship Fund

\$982 for the Minnie Price Scholarship Fund

\$100 for the Alumni Endowment Fund

That the following research agreements heretofore entered into between the Ohio State University and The Ohio State University Research Foundation setting up the following research projects be reported to the Board of Trustees for information and record:

- Standard Oil Company, Cleveland, Ohio—Investigation of Oil Treatment of Shell Eggs (to be known as the Standard Oil Company Research Project No. 315—Poultry Husbandry);
- Sherwin-Williams Company, Cleveland, Ohio—Investigation of Insecticides (to be known as the Sherwin-Williams Company Research Project No. 5—Zoology).
- American Petroleum Institute, New York, New York—Investigation of Pure Hydrocarbons (to be known as the American Petroleum Institute Research Project No. 31—Chemistry);
- Bristol Laboratories Incorporated, Syracuse, New York—Investigation of Chemistry of Penicillin (to be known as the Bristol Laboratories Incorporated Research Project No. 224—Chemistry);
- Air Materiel Command, Wright Field, Dayton, Ohio—Investigation of Water Detection in Fuels (to be known as the Air Materiel Command, Wright Field, Research Project No. 306—Chemistry);
- Office of Naval Research, Washington, D. C.—Investigation of Measurements of Heat Capacities (to be known as the Office of Naval Research Project No. 309—Chemistry);
- Cleveland Ordnance District, Cleveland, Ohio—Investigation of Study of Nitrocellulose (to be known as the Cleveland Ordnance District Research Project No. 313—Chemistry);
- Engineer Board, Fort Belvoir, Virginia—Investigation of Atmospheric Transmission of Infrared (to be known as the Engineer Board Research Project No. 253—Physics);
- Air Materiel Command, Wright Field, Dayton, Ohio—Investigation of Daylight Photography of Stars (to be known as the Air Materiel Command, Wright Field Research Project No. 312—Physics);
- Navy Department, Office of Research and Inventions, Washington, D. C.—Investigation of Leadership in Naval Establishments (to be known as the Navy Department Research Project No. 268—Psychology);
- Air Materiel Command, Dayton, Ohio—Investigation of Thin Section Thick Skin Wing Sections (to be known as the Air Materiel Command Research Project No. 311—Aeronautical Engineering);
- Air Materiel Command, Dayton, Ohio—Investigation of Photogrammetric Studies (to be known as the Air Materiel Command Research Project 307—Civil Engineering);
- Office of Naval Research, Washington, D. C.—Investigation

of V-2 and HASR-2 Rockets (to be known as the Office of Naval Research Project No. 308—Electrical Engineering);  
 Air Materiel Command, Watson Laboratories—Investigation of Pulse Transformers (to be known as the Air Materiel Command Research Project 256—Electrical Engineering);  
 Solvay Process Company, Syracuse, New York—Investigation of Use of Spodumene in Ceramic Ware (to be known as the Solvay Process Company Research Project No. 217—Engineering Experiment Station).

The above fifteen contracts for research in cooperation with Government and Industry represent a gross income of \$428,171.25.

On motion of General Dargusch, seconded by Mr. Power, the above recommendations of the President were approved by unanimous vote.

\* \* \* \* \*

On motion of Mr. Pomerene, seconded by Mr. Power, the following officers for the fiscal year beginning July 1, 1947 were elected by unanimous vote:

Chairman.....H. S. Atkinson  
 Vice-Chairman.....James F. Lincoln  
 Secretary.....Carl E. Steeb  
 Treasurer.....Hugh E. Nesbitt

The Business Manager made the following statement:

At the meeting of the Board of Trustees on February 3, 1947, when the changes in schedule of fees were adopted, the Graduate School and the School of Nursing were inadvertently omitted from the list. The incidental fee for the Graduate School and for the School of Nursing should be changed from \$20 per quarter to \$30 per quarter. It is recommended that this action be approved.

Upon motion of General Dargusch, seconded by Mr. Thompson, this recommendation of the Business Manager was unanimously approved.

\* \* \* \* \*

The Business Manager recommended the following:

That the fee for Dental Hygiene be changed as follows:

Incidental Fees—from \$15 to \$35 per quarter  
 Laboratory fee to remain at \$30 per quarter

That registration as a special student in the College of Medicine for less than a full schedule of credit hours per term be permitted with a tuition fee of \$15 per term, \$30 per quarter, plus laboratory and activity fees. Special registrations will not be considered as quarters of residence in the College of Medicine.

On motion of General Dargusch, seconded by Mr. Thompson, these two recommendations of the Business Manager were unanimously approved.

\* \* \* \* \*

The Business Manager now recommended that, in order to provide funds for a Laboratory Supply Store Lift Truck, the sum of \$3,000.00 be transferred from Laboratory Supply Store Rotary 7991 to General Operations Rotary 7999 for general University use.

On motion of Mr. Power, seconded by Mr. Pomerene, this recommendation was approved by unanimous vote.

\* \* \* \* \*

The Business Manager presented the following statement:

That in the case of Henry D. Taylor, Director of Ticket Sales, Department of Athletics, who was reported as resigned in the May 5, 1947 meeting of the Board of Trustees, the action of the Board should have been to place him on retirement as of June 30, 1947, in accordance with his request.

On motion of Mr. Power, seconded by General Dargusch, this correction in the status of Henry D. Taylor was approved by unanimous vote.

\* \* \* \* \*

The Business Manager reported that the Cabinet has approved extras to present contracts as detailed in the following list and recommended that the Board approve such action of the Cabinet:

*Lieb-Jackson Company*—Four two-story office-classrooms  
Veterans Educational Facilities  
\$6,540.08—for steam from University instead of gas-fired boilers.  
Contract, \$18,611—April 24, 1947

*George Sheaf Company*—Roads and Walks, Northeast Cafeteria  
(College Cafeteria)  
\$750.00—to enlarge service court and drive.  
Contract, \$2,500.00—April 24, 1947

*Sauer Company*—Stadium Dormitory, 1946 Expansion  
\$61.00—relocation of ventilation duct for installation of electric  
panel board  
Contract, \$34,250.00—April 29, 1946

*Sauer Company*—Stadium Dormitory, 1946 Expansion  
Plumbing  
\$197.62—adjustments to control cold water lines  
Contract, \$69,100.00—April 29, 1946

On motion of General Dargusch, seconded by Mr. Thompson, the above actions of the University Cabinet were approved.

\* \* \* \* \*

The Business Manager, upon the recommendation of the University Cabinet, now recommended that the completion dates for the following contracts be extended to the dates as specified:

*Darin & Armstrong, Inc.*—Power Plant, remodeling of concrete  
floors and footers for new No. 7 boiler  
from June 15 to August 15, 1947

*J. T. Edwards Company*—Power Plant, remodeling structural steel  
for new No. 7 boiler  
From May 31 to July 15, 1947

*Max J. Zeller, Inc.*—Paved Parking Lots  
From July 15 to August 15, 1947

On motion of General Dargusch, seconded by Mr. Thompson, the above recommendation of the Business Manager was approved by unanimous vote.

\* \* \* \* \*

The Business Manager reported for information and record that the State Controlling Board has approved the following requests submitted to it by the University:

*Request*

- 28. Approved award of contract for electric service lines, Veterans Educational Facilities to the Fayette Electric Company—\$9,954.50—without competitive bidding.
- 29. Approved \$4,268.00 extra on \$15,808 contract with Darin & Armstrong for preparation of lawn areas, repair and reconstruction of roads and walks, Veterans Housing Project.
- 31. Authorized 10-day advertisement for repairs to Stadium Dormitory, damaged by fire.

\* \* \* \* \*

The Business Manager reported that upon the authority of the Board of Trustees at its meeting on May 5, 1947, the Cabinet at 2:00 p. m. June 2, 1947 received and opened bids for the restoration of the portions of the Stadium structure damaged by fire. Such bids are listed below:

George A Sheaf and Company.....\$114,900.00  
 Haig M. Boyajohn & Associates..... 91,450.00

The estimate of cost filed with the Auditor of State is \$47,500.00. Therefore, the Business Manager, pursuant to Cabinet action, recommended that the Director of Public Works on behalf of the Board of Trustees be requested to reject the bids. The Business Manager further recommended that a revised estimate of cost of \$76,100 be filed with the Auditor of State and that the Director of Public Works be requested to approve a 10-day re-advertisement for bids as provided in Section 2320, General Code.

On motion of General Dargusch, seconded by Mr. Power, the above recommendations of the Business Manager were approved by unanimous vote.

\* \* \* \* \*

The Business Manager then presented the following plans and specifications:

- a. Flues and ducts for new No. 7 boiler, Power Plant  
 Estimated cost, \$9,000.00  
 To be paid from Rotary 7879, Veterans Administration
- b. Botany and Zoology Addition—Greenhouse portion  
 Estimated cost, \$247,020.00  
 To be paid from G-2 Botany and Zoology Additions,  
 H.B. 477
- c. Relaying Tile Roof on Townshend Hall  
 Estimated cost, \$9,500.00  
 To be paid from F-1 Roofs
- d. Pavement of Five Tennis Courts  
 Estimated cost, \$7,000.00  
 To be paid from F-9 Other

The Business Manager stated that these documents have been approved by the Cabinet and that the Cabinet recommends that these now be approved by the Board of Trustees, and that the Business Manager be directed to present the same to the Director of Public

Works for his approval and, if so approved, to advertise for bids in accordance with law; that the Cabinet be authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimates, to recommend to the Director of Public Works the award of such contract or contracts. All actions of the Cabinet on these matters are to be reported to the Board at a later meeting.

On motion of General Dargusch, seconded by Mr. Thompson, the above recommendation was approved by unanimous vote.

\* \* \* \* \*

Dean-elect Leo F. Rummell of the College of Agriculture now presented, at the invitation of the Board, his plans and program for the College of Agriculture.

\* \* \* \* \*

Thereupon the Board adjourned.

That the following miscellaneous recommendations be approved:

That John N. Hough, Professor in the Department of Classical Languages, be paid \$875 from Interest on Endowment 5002 for the extra instruction at two-ninths of his annual rate for service during the 1946 Summer Quarter, which quarter was to have been one of his regular quarters of service in his 1946-1947 contract year. Payment is necessary because of the leave of absence taken by Professor Hough for 1946-1947 and his subsequent resignation.

That L. W. St. John, Professor in the Department of Physical Education, be paid \$835 from Interest on Endowment 5002 for extra instruction given in the 1924 Summer Quarter. This reimbursement is for the full amount because Professor St. John's retirement prohibits his taking an extra quarter's leave in lieu of cash reimbursement.

That Charles C. Stillman, Professor and Director of the School of Social Administration, be paid \$2040 from Interest on Endowment 5002 for extra instruction given in the 1943 Spring Quarter. This reimbursement is for the full amount because Professor Stillman's retirement prohibits his taking an extra quarter's leave in lieu of cash reimbursement.

That the action of the Board on April 7, 1947 in accepting the resignation of Hattie Williams, Assistant Cook, Starling-Loving Hospital, be rescinded and that she be returned to the payroll as of June 17, 1947;

That the following leaves of absence, without salary, be granted:

Peggy O'Reilley, Stenographer (part time), College of Agriculture, Administration, effective June, July, August and September, 1947;

Goldie McCann, Maid, Baker Hall, effective June 1, 1947 for three months.

That the new Student Union be declared a going project by the Board of Trustees and that the following recommendations be approved:

- (a) That the Cabinet be instructed and authorized to recommend to the Board a suitable site for the proposed new Union,
- (b) That the Cabinet be designated as the Steering Committee for the project. An advisory committee to the Cabinet for this purpose should be appointed by the President and consist of representatives of the Ohio Union, the Student body and the Faculty.
- (c) That outside architectural assistance be secured on the recommendation of Mr. H. Dwight Smith, University Architect. Such architects would report, through the University Architect, to the Cabinet.
- (d) That a student activity fee (Union Building fee) of \$5.00 per quarter be established, effective the beginning of the Autumn Quarter 1947, as requested by the students in the petition presented to the Board of Trustees.

Approximately \$150,000 remains unused from the Student Activity fee payments for the fiscal year ended June 30, 1947. This amount could properly be transferred to a Union Building Fund Rotary for the purpose of paying architectural and engineering services for the new Union Building, and it is so recommended. A similar amount of \$150,000 will be available from this source by June 30, 1948.

It is estimated that the Union Building fee of \$5.00 per quarter will produce \$560,000 during the remainder of the biennium. This amount added to the unused portion of the present Student Activity fee (\$300,000—see above) will total \$860,000 as an estimate of student contributions by December 31, 1948.

During the biennium, there will be available certain payments by the Federal Government which at present are being accumulated in a Federal Rotary Fund. These payments are at the rate of \$45 per quarter for each Veteran in attendance at the University and are made by the Veterans Administration. It is estimated that at least \$3,500,000 will be collected from this source by December 31, 1948. The use of the funds thus accumulated as a revolving fund for the

construction of a Union Building has been discussed with the Director of Finance. It was with his assent that such revenues were not included as additions to the estimate of fees in the biennial budget request. He has indicated that he would look with favor on the use of this money for the construction of self-liquidating projects and would so recommend to the Board of Control at the appropriate time.

It is recommended, therefore, that so much of these so-called Federal Veterans funds as may be necessary and as may be profitably employed for the construction of an adequate Union Building be so appropriated. Further, that the money so loaned for this purpose be repaid to the Federal Rotary Fund from receipts from the Union Building Fee from quarter to quarter.

That a laboratory fee of \$50 be established for Geology 627, effective Summer Quarter 1947;

That remission of fees be granted to the recipients of the U. S. Public Health Service Scholarships for the year 1947-1948;

That, upon the recommendation of the Graduate Council, the petition of Willys G. Stanton, Associate Professor in the Department of Industrial Engineering, to become a candidate for the Ph.D. degree at the Ohio State University, be approved;

That graduate students of The Ohio State University who carry out off-campus research at the Samuel S. Fels Research Institute at Antioch College (approved by the Board of Trustees at its meeting held on February 13, 1939) and who are candidates for graduate degrees at the University, be eligible for scholarships and fellowships provided by either the University or the Institute. Holders of such scholarships or fellowships shall be entitled to the usual remission of tuition fees at the University.

That \$500 be appropriated from H-8 Contributions for the use of the Ohio Journal of Science for the period July 1 to December 31, 1947;

That \$200 be appropriated from H-8 Contributions for the use of the Agricultural Student for the period July to December 31, 1947;

That \$4000 be appropriated from H-8 Contributions for the use of the Ohio State University Association for the period July 1 to December 31, 1947;

That the budgets for Vocational Home Economics (\$34,541) and for Vocational Agriculture (\$66,958) for the year 1947-1948 be approved. These amounts cover salaries, supplies, travel and other items.

That the agreement under Section 3 of Public Law 229, Farm Labor Supply Appropriation Act, 1944, between the Secretary of Agriculture and the Agricultural Extension Service, Ohio State University, be continued for the period December 31, 1946 to December 31, 1947;

That the contract between the State Board for Vocational Education and the Ohio State University covering Federal-State Aid for teaching Vocational Trades and Industries for the year 1947-1948 be approved;

That the following schedule of fines for traffic violations be approved, effective Autumn Quarter 1947:

<i>Number</i>	<i>Offense</i>	<i>Fine</i>
1.	Student parking outside permitted areas.....	\$1.00
2.	Officer's signal disregarded.....	3.00

General Dargusch presented the following resolution:

In view of the excellent outcome of The Ohio State University's requests to the General Assembly for operating and building funds,

Resolved: That the Board of Trustees commends the President, the Business Manager and the officers of the University for the manner in which the University's case was prepared and presented and extends to them its congratulations upon the result.

The above resolution was approved by unanimous agreement.

President Bevis now presented the annual salary budget, 1947-1948, for the consideration of the Board. After careful discussion of various items the President was requested to retire from the meeting. The matter of the President's compensation was then considered and Mr. Pomerene moved that the salary of the President be fixed at \$18,000 per year, effective July 1, 1947. This motion was seconded by General Dargusch and upon roll call was unanimously approved.

The President now returned and after further discussion of the general budget, the President recommended that the same be approved as presented. General Dargusch moved the approval of the salary budget as presented and recommended by the President, after giving effect to the above action relating to the President's salary.

This motion was seconded by Mr. Lincoln and upon roll call was unanimously approved.

The Business Manager presented the plans, specifications, bill of materials and estimate of cost for the following improvements which have been approved by the Cabinet and are now recommended to the Board of Trustees for approval:

- A. Remodeling of Robinson Laboratory and Addition to Industrial Engineering Building  
Estimated cost—\$150,000.00  
Payable from Rotary 7879
- B. Rehabilitation of roads, River Road Housing Project  
Estimated cost—\$15,000.00  
Payable from G-32 Other Capital Outlay—River Road Housing, site preparation
- C. Remodeling projects in Communications Laboratory  
Estimated cost—\$40,810  
Payable: by Research Foundation . . . . . \$15,760.00  
from Rotary 7879 . . . . . 25,050.00

Upon motion of Mr. Lincoln, seconded by Mr. Power, the documents covering the above improvements were approved by unanimous vote and the Business Manager was directed to present them to the Director of Public Works for his approval, and if so approved, to advertise for bids in accordance with law; the Cabinet was authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate, to recommend to the

Director of Public Works the award of such contract. All actions of the Cabinet on this matter are to be reported to the Board at a later meeting.

The President now reported to the Board the death of Emeritus Professor Berthold A. Eisenlohr and, in accordance with the recommendation of the Board of Trustees, has furnished to the family of the deceased a copy of the resolution expressing, on behalf of the University, the sorrow and sympathy of the Board.

The Board of Trustees learns with regret of the death of Emeritus Professor Berthold A. Eisenlohr on June 20, 1947. Professor Eisenlohr's connection with the University began when he entered as a student in 1880. This period of more or less continuous contact of sixty-seven years saw the University's enrollment grow from two hundred and fifty to twenty-five thousand, and is indicative of the unusual period during which Professor Eisenlohr was connected with the University. In addition to his training here, he studied in Germany and acted as teacher in high schools and in Indiana University before joining our staff as an instructor in 1901. He was promoted in due course to Professor in German, which title he held from 1912 until his retirement in 1933.

Professor Eisenlohr was particularly distinguished for his work with undergraduate students. To his teaching and counseling he brought an exceptional spirit of racial and religious tolerance, and in dealing with German literature he gave particular attention to those writers who emphasized such tolerance. His interest in young people was further evidenced by his activities in Boy Scout work, and by his life-long attention to his daughter's rearing and education. Although Professor Eisenlohr had been in retirement for fourteen years prior to his death, he retained an active interest in our Department of German. One indication of this was his gift of most of his personal library to the University.

The Board of Trustees desires to express its deep sympathy and its sense of understanding in his loss. It is directed that this resolution be inscribed upon the minutes of the Board.

Thereupon the Board adjourned to meet September 4, 5, 6 and 7 at Gibraltar Island.

# Proceedings of the Board of Trustees The Ohio State University

## OFFICIAL PROCEEDINGS OF THE EIGHT HUNDRED AND FIFTH MEETING OF THE BOARD OF TRUSTEES

Gibraltar Island, Ohio, September 5, 1947.

The Board of Trustees met at Gibraltar Island at 9:00 A. M., pursuant to adjournment.

Present: H. S. Atkinson, Chairman, C. F. Kettering, James F. Lincoln, Warner M. Pomerene, Donald C. Power, General Carlton S. Dargusch, and Lockwood Thompson.

\* \* \* \* \*

At the opening of the formal meeting of the Board, President Bevis recalled to the attention of the members that on July 25, Dr. Julius F. Stone, Chairman Emeritus of the Board, had passed away at his home in Santa Monica, California. Dr. Stone was a member of this Board from May 13, 1909 to March 21, 1917, and again from March 17, 1925 to July 12, 1937—a total of twenty years and two months. President Bevis voiced his own feeling of great personal loss which was shared by every member of the Board.

\* \* \* \* \*

The minutes of the last meeting were approved.

\* \* \* \* \*

President Bevis presented the following recommendations:

That fees be established on a cost basis for rendering of vocational advisement by the Occupational Opportunities Service to individuals not enrolled in The Ohio State University, and that such fees be as follows:

Ten Dollars for students enrolled in accredited schools or colleges other than The Ohio State University who are referred by an official of the school or college as indicated in writing.

Twenty Dollars for all other individuals not enrolled in The Ohio State University.

Five Dollars for each additional vocational advisement interview requested by an individual 30 days or more following the completion of the initial advisement process.

That fees be established on a cost basis for administration of special tests by the Occupational Opportunities Service to individuals not enrolled in The Ohio State University, and that such fees range from one dollar to ten dollars depending on the cost of administration for each individual case.

That, insofar as conditions will allow, aptitude, interest and achievement tests be machine scored by the test scoring service of the Occupational Opportunities Service on a cost basis for schools and agencies in the State of Ohio requesting such service.

That the following agreement between the Ohio Division of Conservation and Natural Resources and The Ohio State University, establishing a Fisheries Research Fellowship for three years, be approved:

**AGREEMENT BETWEEN THE OHIO DIVISION OF CONSERVATION AND NATURAL RESOURCES, PARTY OF THE FIRST PART, AND THE OHIO STATE UNIVERSITY, PARTY OF THE SECOND PART**

The necessity for discovery of the facts pertaining to the production of fish by impounded waters of Ohio having become obvious, the Ohio Division of Conservation and Natural Resources hereby agrees to subsidize a program of research to the extent indicated below:

A total of \$11,000 to be transferred to the Treasurer of The Ohio State University for expenditure at the rate of \$3,000 per year for three years' salary for one competent research man, with \$1,000 to be spent for necessary equipment and \$1,000 to be spent for travelling expenses of the incumbent.

The Ohio State University agrees to have this research program supervised by the Director of the Stone Laboratory and to assist in all reasonable ways to the end that the researches shall give significant results. A complete report will be submitted to the Ohio Division of Conservation and Natural Resources upon the termination of the project.

The recipient of this fellowship shall be privileged to use the results of his research as material for a doctoral dissertation in the Graduate School of The Ohio State Univer-

sity. He shall also be allowed the privilege of attending The Ohio State University during the Winter Quarter of each year of his incumbency for the purpose of taking whatever courses the Director of the Stone Laboratory may recommend as being necessary to better qualify him to carry on satisfactory research.

Complying with the request of the Board at the June 30, 1947, meeting, the Business Manager now presented to each member a report showing what needs to be done to construct the proposed Medical Center including 600 beds at a total cost not to exceed \$8,000,000.00.

The revised program was developed by the Architects working

with the faculties of the Colleges of Medicine and Dentistry and the University administration.

The revised design of the Medical Center is based on available funds as follows:

- a. Funds available—\$8,000,000.
- b. Agreed division of funds:
  - (1) For a complete 600 bed teaching hospital (new)—  
84% or \$6,720,000.
  - (2) For a College of Dentistry (new)—  
16% or \$1,280,000.
  - (3) For the new research and clinical facilities—  
0%.

The Business Manager called attention to the elements of the program which are as follows:

- a. To plan and construct a complete 600 Bed Teaching Hospital in a new building consisting of a ground floor and eleven upper floors, based on assumed gross unit costs for hospital construction of approximately \$1.75 per cu. ft. and \$21.00 per sq. ft.
- b. To plan the complete new Dental facilities in a building consisting of a ground floor, three upper floors and a fourth floor penthouse and to construct in the first phase, the complete clinical elements and classrooms leaving the ground floor unfinished and omitting the fourth floor, based on the assumed gross unit costs for clinic and laboratory construction of approximately \$1.30 per cu. ft. and \$16.00 per sq. ft.
- c. In each case to consider the effects of further increases in cost by providing alternate schemes which will:
  - (1) In the case of the Hospital provide a complete Teaching Hospital of 525 beds in a 10 story building with 75 beds remaining in Starling-Loving.
  - (2) In the case of the Dental Building provide complete clinical elements in a shortened building of the same height which can be completed in a second phase.

Following the discussion of the proposals, Mr. Kettering moved the approval of the proposed plan as presented and directed the Administration to proceed as rapidly as possible in the completion of the plans and specifications in accordance therewith. This motion was seconded by Mr. Power and upon roll call was unanimously approved.

The Business Manager reported that the 97th General Assembly appropriated \$200,000 for the purchase of land and recommended:

- (1) That request be made of the State Controlling Board for the release of the appropriation of \$200,000 for land;
- (2) That approximately \$100,000 of this sum be allocated for the purchase of additional farm lands and approximately \$100,000 be allocated for the purchase of city property immediately north of the campus in the general area bounded by Woodruff, Tuttle, Lane and Neil Avenues;
- (3) That Mr. Paul Kohr, realtor, be commissioned to

secure options on said lands and to make recommendations for such purchases as seem wise;

(4) That such recommendations for purchase be properly evaluated by the University Cabinet and presented to the Board of Trustees at succeeding meetings for appropriate action.

On motion of Mr. Pomerene, seconded by Mr. Power, the above recommendations were approved by unanimous vote.

\* \* \* \* \*

The Business Manager now reported to the Board on the status of appropriations, plans and specifications for the following improvements and made recommendations as indicated:

*Recitation Building*

The additional appropriation for the Recitation (Music) Building of \$315,000 by the 97th General Assembly brought the total amount available for this building to \$840,000. The plans and specifications for the Recitation Building are completed and have been approved by this Board. It is, therefore, recommended that the State Board of Control be requested to release the appropriation for this building on October 1, 1947.

On motion of Mr. Kettering, seconded by Mr. Power, the above recommendation was approved by unanimous vote and the Business Manager was directed to present the plans and specifications to the Director of Public Works for his approval and, if so approved, to advertise for bids in accordance with law; that the Cabinet be authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimates, to recommend to the Director of Public Works the award of such contract. All actions of the Cabinet on this matter are to be reported to the Board at a later meeting.

*Central Service Building*

The additional appropriation for the Central Service Building of \$390,000 brought the total amount available for this building to \$1,040,000. The plans and specifications for the Service Building are practically completed and will be presented to the Board of Trustees for its approval at a later meeting. It is therefore recommended that the State Board of Control be requested to release the appropriation for this building on October 1, 1947.

On motion of General Dargusch, seconded by Mr. Thompson, the above recommendation was approved by unanimous vote.

*Optometry Building*

The building of the Central Service Building will present the opportunity to remove the existing garage, laundry and service buildings from their location in the heart of the campus. In part of the space thus cleared and as a part of the development of the Pharmacy-Science quadrangle, the Optometry Building could be located. This would be a suitable and acceptable location for this building. However, construction would necessarily await completion of the new Central Service Building. Planning will be delayed until the last part of the biennium. It is recommended that the Optometry Build-

ing be assigned to the general location indicated above. The exact position in the quadrangle can be determined when the plans are being developed.

On motion of Mr. Kettering, seconded by General Dargusch, the above recommendation was approved by unanimous vote.

*Incinerator*

An appropriation of \$76,000 was made by the 97th General Assembly for a much needed incinerator. It is recommended:

(a) That the State Board of Control be requested to release the appropriation for the incinerator on October 1, 1947;

(b) That outside engineering service be secured to design the building to house the incinerator, such engineers to be recommended by and to report to the University Cabinet through the University Architect and the Director of Physical Plant;

(c) That the incinerator be located on the west bank of the Olentangy River north of the present research building, also located in this general area. The exact site to be determined after survey by the University Architect and the Director of Physical Plant;

(d) That the plans and specifications when completed be presented to the Board of Trustees for its approval.

On motion of Mr. Kettering, seconded by Mr. Thompson, the above recommendation was approved by unanimous vote.

*Power Plant Equipment*

The 97th General Assembly appropriated \$750,000 for power plant equipment to bring the power plant more nearly to the position where it can meet the light, heat, and power requirements of the expanding physical plant. The need is urgent and such equipment requires a considerable period to construct and install. It is therefore recommended:

(a) That the State Board of Control be requested to release the appropriation for the Power Plant equipment on October 1, 1947;

(b) That outside engineering service be secured to assist in the design and installation of the Power Plant equipment and that such professional engineers be secured on the recommendation of the Director of Physical Plant and report through him to the University Cabinet;

(c) That plans and specifications for said Power Plant Equipment be presented to the Board of Trustees for its approval.

On motion of Mr. Kettering, seconded by Mr. Pomerene, the above recommendations were approved by unanimous vote.

*Roads, Walks, Tunnels, Utility Lines*

The appropriation made during the last session of the General Assembly for Roads, Walks, Tunnels, and Utility Lines amounted to \$250,000. The development of these serv-

ices should either precede, or at least be accomplished concurrently with the construction of the new parts of the physical plant. Certainly, these services are indispensable adjuncts of the expanded plant. It is, therefore, recommended:

(a) That the State Board of Control be requested to release the appropriation for Roads, Walks, Tunnels, and Utility Lines on October 1, 1947;

(b) That the University Cabinet present plans for such improvements when completed to the Board of Trustees for its approval.

On motion of Mr. Kettering, seconded by Mr. Thompson, the above recommendation was approved by unanimous vote.

#### *Addition to Commerce Building*

The 97th General Assembly appropriated \$1,085,000 for an addition to the Commerce Building. The University Architect has indicated that he will need assistance in drawing the plans for this addition and has suggested that outside architects be employed for this purpose. It is, therefore, recommended that outside architects be employed to draw the plans for the addition to the Commerce Building upon the nomination of the University Architect. Such outside architects would report to the Cabinet through the University Architect. The completion of the plans for the addition to the Commerce Building will necessarily be delayed until the second year of the biennium.

On motion of Mr. Kettering, seconded by Mr. Pomerene, the above recommendation was approved by unanimous vote.

#### *Agricultural Laboratories*

In addition to the original appropriation of \$600,000, the 97th General Assembly appropriated an additional \$360,000 for Agricultural Laboratories, making a total of \$960,000. The final development of the plans for these laboratories will depend upon the decision of the Board of Trustees concerning the location of the building comprising the College of Agriculture. The Agricultural Laboratories Building was originally designed to be placed on Neil Avenue surrounding Rehearsal Hall. If the Agricultural Laboratories Building is to be placed on a site west of the Olentangy River, the plans, now drawn, will have to be revised.

It is recommended that the Agricultural Laboratories be located on a site west of the Olentangy River. This is required for the orderly development of the campus which would, among other things, provide a new site for certain of the College of Agriculture buildings, preferably west of the Olentangy. In doing so, greater flexibility will be provided on the main campus for the location of buildings in a more logical, less crowded manner.

On motion of General Dargusch, seconded by Mr. Thompson, the recommendation as to site was approved by unanimous vote.

#### *Student Union*

(1) The necessary preliminary planning phases for the new Student Union will be under way with the return of the

students at the beginning of the Autumn Quarter. The selection and appointment of architects for the drawing of plans for the Union must await the determination of what the Union is to contain. Three months is expected to be needed for this purpose.

(2) The Cabinet recommends to the Board of Trustees the selection of the site bounded by High Street on the east, the Archeological Museum on the north, 12th Avenue on the south and College Road on the west as a site for the new Union. This site fronts the Hollow, and will have the same advantage of the sweep of beautiful landscaping and developed acreage before it as the Library has in the Oval. The site also is close to the present dormitories, rooming houses, fraternity and sorority houses, and will be on a main artery of transportation. The new Union will need a large site and it is the earnest belief of the Cabinet that the suggested site is the most logical for the location of the new Union Building.

On motion of Mr. Power, seconded by Mr. Kettering, the Board, by unanimous vote, agreed to the site for the new Union Building as recommended by the Cabinet.

President Bevis read the following paragraphs from a letter written by Dean Emeritus Alpheus W. Smith:

"To me it seems imperative that the Ohio State University should memorialize and perpetuate Mr. Stone's fearless and sagacious leadership, his spirit of high adventure, his understanding and creative mind, his general support of fundamental research and his record of achievement in industrial organization and management. Certainly such a life and career cannot be memorialized in buildings made of brick and mortar or in statues made of marble or bronze. He was much too dynamic, too vital, and too creative for static and inert memorials. Some type of living memorial perpetuating his spirit, purpose and vital interests in scientific research is clearly indicated. A research professorship would not only remind us of his scientific interests and his desire to penetrate the unknown, it would also provide guidance and stimulation for young men and women endowed with inquiring minds and scientific curiosity. They could carry forward the torch the master has relinquished.

"I would like to recommend that the Board of Trustees create The Julius F. Stone Research Professorship in Physics, with special reference to nuclear physics, the fundamental relationships between matter and energy, and the biological and medical applications of radiations."

President Bevis recommended to the Board that this proposal be approved. Upon motion of Mr. Power, seconded by Mr. Kettering, the Board, by unanimous vote, approved this recommendation.

\* \* \* \* \*

General Dargusch advised the Board that the Memorandum of Transfer and Conveyance executed by Mr. Julius F. Stone on September 7, 1929, contained the following provision: "that upon my death all rights in and to the Stone Cottage and the furnishings therein shall vest in the Board of Trustees of the Ohio State Univer-

sity, and that thereafter the said cottage shall be for the sole use of said Board of Trustees and for their comfort when they may be present on said island and be subject to their control."

General Dargusch then moved that the administration of Stone Cottage be now placed under the Secretary of the Board. This motion was seconded by Mr. Power and approved by unanimous vote.

\* \* \* \* \*

Upon motion of Mr. Thompson, seconded by Mr. Kettering, Mr. Donald C. Power was elected to represent the Board of Trustees at the 25th annual meeting of the National Association of Governing Boards, which will be held at Ann Arbor, Michigan, October 2, 3, and 4, 1947.

\* \* \* \* \*

Upon motion of Mr. Kettering, seconded by Mr. Thompson, the Board, by unanimous vote, adopted the following resolution and directed that a copy thereof be furnished to each member of Mr. Stone's family.

The Board of Trustees at this meeting, held among the surroundings for which he was so largely responsible, expresses its high appreciation of the life and works of Julius F. Stone, Chairman Emeritus of this Board, whose death occurred July 25, 1947.

He combined uniquely the talents of a highly successful man of affairs and a versatile student of nature with a ceaseless thirst for scientific knowledge.

He was a creative adviser and generous patron of fundamental scientific research.

He lived courageously on the frontier of knowledge, ever ready to devote his energies and his financial resources to its advancement.

He especially worked toward the goal to make the Ohio State University one of the world's greatest centers for research. There was no place for mediocrity in his plans and purposes. With great courage and great energy he urged the University to push forward and assume a place of national and international leadership.

The Board joins with his family, his associates, and his myriad of friends in grief and a deep sense of loss.

The President now reported to the Board the death of Professor Victor A. Ketcham and, in accordance with the recommendation of the Board of Trustees, has furnished to the family of the deceased a copy of the resolution expressing, on behalf of the University, the sorrow and sympathy of the Board.

The Board of Trustees learns with regret of the death of Victor A. Ketcham, Professor of Speech, on July 20, 1947. Professor Ketcham was connected with The Ohio State University most of the time for a period of more than forty years, since he first graduated here in 1907 and, except for a short tour of duty at the University of Maine and for a brief period as head of the Public Speaking Division of the Department of English at the University of Illinois, has been on the staff of this University continuously. During this long period he contributed greatly to the building of our Department of

9-5-'47

Speech as Chairman and as teacher and writer. He was very active as a speaker, and along with other types of service spent considerable time in delivering his special series of lectures to the personnel heads of large corporations such as General Electric and Radio Corporation of America. He was always active in the personnel organizations of his chosen field and will be missed both by his colleagues on the campus, and by his associates in the field of public speaking all over the country.

The Board of Trustees desires to express its deep sympathy and its sense of understanding in his loss. It is directed that this resolution be inscribed upon the Minutes of the Board.

Thereupon the Board adjourned to meet October 8, 1947, at 10 A. M. at Wooster, Ohio.

Attest:

\* \* \* \* \*

The Business Manager recommended the employment of Wyatt, Bird & Associates to prepare plans, specifications and estimate of cost for an Incinerator, and to supervise the construction of the same at a fee of 6% of the total cost. The appropriation for the Incinerator in H.B. 496 is \$76,000.00.

Upon motion of Mr. Lincoln, seconded by Mr. Power, the above recommendation was approved by unanimous vote.

The Business Manager advised the Board that the Cabinet recommends to the Board the employment of Bellman, Gillette & Richards of Toledo, Ohio, as architects for the Addition to Commerce Building at a fee of 6% of cost, plus \$7,500 to cover the cost of local supervision and travel expenses. H.B. 496 carries an appropriation of \$1,085,000.00 for this building.

Upon motion of Mr. Pomerene, seconded by Mr. Lincoln, the Board, by unanimous vote, approved this recommendation.

\* \* \* \* \*

The Business Manager reported that the Cabinet recommends the retention of Samuel R. Lewis & Associates of Chicago as consulting engineers to prepare drawings and specifications for the heating, plumbing and electric divisions required for the construction of the news Physics Building and the Addition to the Main Library, for a fee of 4.75% of the cost of the portions of the work designed by them. Service for this fee includes periodic supervision assistance to the University Architect and all necessary travel required in the discharge of the service.

Upon motion of Mr. Power, seconded by General Dargusch, the above recommendation was approved by unanimous vote.

\* \* \* \* \*

The Business Manager reported that the Cabinet recommends the employment of Sargent & Lundy, Chicago, Illinois, to prepare drawings, specifications and estimate of cost for the modernization and rehabilitation of the Power Plant equipment. House Bill 496 carries an appropriation of \$750,000 for this purpose.

The fee for this service is to be 7% on the final cost of equipment and installations for which they have furnished drawings and specifications.

Upon motion of Mr. Pomerene, seconded by Mr. Lincoln, the Board, by unanimous vote, approved the above recommendation.

\* \* \* \* \*

The Business Manager recommended that the Virginia Military Land Deed prepared by the Attorney General covering 100 acres in Survey 13886, Virginia Military District, Benton Township, Pike County, to the Roman Catholic St. Joseph's Orphan Society, be ap-

proved, and that the Vice-Chairman be authorized to sign the same for and on behalf of the Board of Trustees.

Upon motion of Mr. Kettering, seconded by Mr. Power, the above recommendation was approved by unanimous vote.

\* \* \* \* \*

The Business Manager presented plans, specifications and estimate of cost for the following capital improvements which have been approved by the University Cabinet and are now submitted to the Board of Trustees for its approval:

1. Piping for New No. 7 Boiler in Power Plant  
Estimated cost, \$31,000.00;  
To be paid from G-31 Power Plant Equipment, H. B. 496.
2. Interior Painting and Patch Plastering, Page Hall and Military Science Building  
Estimated cost, \$17,000.00;  
To be paid from F-1 appropriations, H. B. 495.
3. Central Service Building  
Estimated cost, \$1,040,000.00;  
To be paid from G-2 Buildings, H. B. 496.

The Business Manager recommended that the said documents be approved and that the Secretary be authorized and directed to sign the same for and on behalf of the Board of Trustees, and that the Business Manager be directed to present the same to the Director of Public Works for his approval and, if so approved, to advertise for bids in accordance with law; that the Cabinet be authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimates of cost, to recommend to the Director of Public Works the award of such contracts. All actions of the Cabinet on these matters are to be reported to the Board at a later meeting.

Upon motion of Mr. Lincoln, seconded by Mr. Power, the above recommendations of the Business Manager were approved by unanimous vote.

\* \* \* \* \*

The Business Manager presented the following statement and recommendation:

The Departments of Public Health and Public Welfare of the State of Ohio are proceeding with plans for the construction of the Receiving and Tuberculosis Hospitals in the Medical Center, appropriations for this purpose having been made by the 97th General Assembly. Skidmore, Owings & Merrill, architects for the Ohio State University Main Hospital in the Medical Center, have also been retained by each of the above State Departments to develop the plans for these additional hospitals in the Health Center. Thus, the entire Medical Center is being planned by a single architectural firm. This should be conducive of the very best results.

In the development of the Receiving and Tuberculosis Hospitals, it is planned to use certain surgical, X-ray, laboratory, morgue and autopsy, physio-therapy, feeding, dental and similar services contained in the Ohio State University Main Hospital in the Medical Center. It is the contention of Skidmore, Owings & Merrill that services of this character

which are of sufficient size to serve the main 600 bed hospital can be extended to cover the proposed additional bed capacity in the new hospitals (approximately 350). Therefore, since the main hospital will have made the investment in the services and facilities in question, it is planned to avoid duplication of such services and facilities in building the Receiving and Tuberculosis Hospitals. Thus, the maximum portion of the appropriated amounts will be used in producing bed capacity.

Skidmore, Owings & Merrill and the Directors of Health and Welfare of the State of Ohio request that the Board of Trustees of the Ohio State University assent to the proposed use of ancillary services included in the Ohio State University Main Hospital by the Receiving and Tuberculosis Hospitals. If such ancillary services are so used, they will be omitted entirely from the Receiving and Tuberculosis Hospitals. The Departments of Public Health and Public Welfare are willing to pay for the cost of all services rendered them as a result of this plan and for heat, water, light, gas, steam, etc., to be furnished by the Ohio State University through its existing campus services and lines.

It is recommended that the Board of Trustees approve the plan whereby the Ohio State University Main Hospital in the Medical Center will furnish ancillary services to the Receiving and Tuberculosis Hospitals to be located in the Medical Center. It is understood that this approval will be taken by the architects, Skidmore, Owings & Merrill, and the Directors of Health and Welfare as assent to the general plan not to duplicate in the Receiving and Tuberculosis Hospitals certain facilities which are planned for the Ohio State University Main Hospital.

It is further recommended that, in pursuance of this approval, the President of the University be authorized to enter into agreements with the Director of Health and the Director of Welfare, covering the scope and character of services and facilities to be furnished by the Ohio State University to these departments for their hospitals, and providing for the reimbursement by these departments for the cost of the services and the use of the facilities. Copies of these executed agreements are to be presented to the Board of Trustees for the record.

Upon motion of Mr. Pomerene, seconded by General Dargusch, the recommendation of the Business Manager was approved by unanimous vote.

The President reported to the Board the findings and recommendations contained in the report of the Committee on Institute for Research in Vision and recommended on the basis of this report that there be established by the Board of Trustees The Ohio State University Institute for Research in Vision.

The President recommended that the Institute be organized to have

- (1) A Director nominated by the President of the University and appointed by the Board of Trustees upon the recommendation of the Dean of the Graduate School.
- (2) An Executive Committee consisting of the Director of the Institute who shall also serve as Chairman of the Executive Committee, the Dean of the Graduate School, and three additional members appointed by the President upon the recommendation of the Dean of the Graduate School. The Committee should, so far as possible, include representatives of each of the following aspects of the field of vision: biological, medical, physical, and social.

The functions of the Executive Committee shall include:

- a. The conduct of the routine business of the Institute;
  - b. The seeking of funds in cooperation with the Development Fund of the University and the distribution of such funds to support research in vision;
  - c. The organization of cooperative groups for research in the several fields
- (3) A Council consisting of one representative from each area on the campus actively engaged in research in vision. For the present, the Council shall contain one rep-

representative from each of the following areas: Education, Electrical Engineering, Fine Arts, Ophthalmology, Optometry, Physics, Psychology, and Zoology. The members of the Council shall be appointed by the Dean of the Graduate School.

Matters of policy affecting the Institute shall be determined by the Council, it being understood, however, that in all respects the Institute shall be subject to the appropriate rules, regulations, and policies of the University, and that the Director shall be responsible through the President to the Board of Trustees.

It is further contemplated that financial support shall be partly provided in the University budget and that funds from external sources shall also be sought to carry on its work. During the period of organization and initial development, funds shall be allocated from the budget of the Graduate School.

On motion of General Dargusch, seconded by Mr. Power, the above recommendation of the President was approved by unanimous vote.

The President reported to the Board certain findings and recommendations of the committee of the Faculty Council appointed to study the University Retirement Plan. Parts of this report, he thought, should be studied further before recommending action on them, but he desired to call attention to the portion of this report recommending that, in addition to the present two choices of an insurance carrier available to staff members, there be authorized a third, to-wit, contributions to the State Teachers' Retirement System.

The committee's report contains the following paragraph:

"As is well known, the University Retirement Program now in effect contains the commercial element of "loading" that goes with any annuity program carried by an insurance carrier. Your committee has made a thorough study of the possibility of shifting over from the present University Retirement Program to this supplemental program under the State Teachers' Retirement System and has arrived at the conclusion that such a shift is uneconomical for those who have been members of the University Program for several years. This is true because most of the "loading" costs are taken out during the early years of an insurance program. However, for new members of the faculty, who join from now on and for those who have joined during the past year or two, there is a very distinct advantage in having the State Teachers' Retirement System carry their entire annuity program instead of dividing it with the insurance carriers. Therefore, your committee recommends that the Board of Trustees of The Ohio State University be requested to add to the present two choices of an insurance carrier a third in the nature of contributions to the State Teachers' Retirement System. Such choice should be made available to all who can gain by using it."

The President recommended, therefore, that to the existing choices of insurance carrier now available to faculty members, there

be added the option of contributions to the State Teachers' Retirement System.

On motion of General Dargusch, seconded by Mr. Power, the Board by unanimous vote approved the above recommendation and directed that the details be worked out by the appropriate University authorities.

\* \* \* \* \*

The President recommended that the sum of \$55,000 be transferred, as of March 31, 1948, from Athletic funds, Rotary 8001, to a special University Treasurer account, to be used for the purpose of paying supplementary benefits, for the year 1948-1949, to members of the staff who have been retired with the title of Emeritus.

The foregoing transfer is made upon the understanding that an amount equivalent to the sum of \$55,000 be expended out of other funds for purposes heretofore paid out of Athletic funds.

On motion of General Dargusch, seconded by Mr. Pomerene, the Board by unanimous vote approved the above recommendation.

\* \* \* \* \*

The President presented the following recommendations from Dean Charles A. Doan of the College of Medicine:

(1) Under Senate Bill 191, known as the Hill-Burton Hospital Bill, grants-in-aid for surveying hospital and public health facilities and for planning additional facilities were authorized and at the special session of the Ohio Legislature called by Governor Lausche in August, 1947, funds were appropriated to carry out the hospital survey of the State Department of Health. It now appears that communications from the State Director of Health indicate the possibility of qualifying for financial assistance under the Hill-Burton Hospital Act. The construction now in contemplation in our Medical Center program may be available as a matching fund to qualify us for assistance under the Hill-Burton Bill. The Dean of the College of Medicine, therefore, recommends that authority be granted to the University administration to enter into negotiations for such an allotment.

(2) The National Cancer Institute, under the United States Public Health Service, is considering requests for grants-in-aid for the construction of cancer research units in institutions where basic facilities are already provided and available for comprehensive programs of cancer research. The Dean of the College of Medicine reports the receipt of instructions in blank forms for submitting an application for assistance from the United States Public Health Service, and strongly recommends that an application be authorized. It is his opinion that the funds already being expended for the State of Ohio for the construction of the Medical Center may be used as matching funds.

(3) The Veterans Administration, under Generals Bradley and Hawley, have established the policy of providing new hospitals for the medical care of the veteran only in connection with large medical centers and medical teaching institutions. At the present time, 54 of the four-year medical schools and one two-year school in this country are associated with

this program. Western Reserve University and the University of Cincinnati have already qualified for assistance. The development of our Medical Center to its present stage now appears to qualify The Ohio State University for participation. The Dean recommends that the administrative officers of the University be authorized to enter into negotiations looking to the establishment on our campus, in connection with the Medical Center, of hospital facilities sufficient to serve the Columbus area of the State of Ohio.

Upon motion of General Dargusch, seconded by Mr. Power, the Board by unanimous vote authorized the President to explore the three proposals submitted by Dean Doan and to report back to the Board of Trustees with recommendations.

The Business Manager now recommended:

- (1) That said revised plans, specifications, and estimates of be approved by this Board;
- (2) That the Secretary, for and on behalf of the Board, be authorized and directed to sign such revised documents as may be necessary;
- (3) That the Business Manager be directed to present the said documents to the Director of Public Works for his approval and, if so approved, to advertise for bids in accordance with law; that the Cabinet be authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimates of cost, to recommend to the Director of Public Works the award of such contracts. All actions of the Cabinet on these matters are to be reported to the Board at a later meeting.

Upon motion of General Dargusch, seconded by Mr. Power, the Board by unanimous vote approved the above recommendations of the Business Manager.

The Business Manager presented specifications, estimate of cost, bill of materials, and form of proposal for Interior Painting and Patch Plastering of Townshend Hall, Plumb Hall, and Arps Hall. The estimated cost is \$20,200, payable from F-1 appropriations.

The Business Manager stated that the Cabinet has approved these documents and now presents them to the Board for its approval.

Upon motion of Mr. Pomerene, seconded by Mr. Power, the Board by unanimous vote approved these documents and directed the Secretary, for and on behalf of the Board, to sign them. The Business Manager was directed to present them to the Director of Public Works for his approval and, if so approved, to advertise for bids in accordance with law; that the Cabinet be authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate of cost, to recommend to the Director of Public Works the award of such contracts. All actions of the Cabinet on these matters are to be reported to the Board at a later meeting.

\* \* \* \* \*

The Business Manager reported to the Board the progress being made in the matter of land purchases, and presented maps showing the different parcels under consideration.

After careful consideration of the plans and the report as submitted by the Business Manager, the Board upon motion of Mr. Pomerene, seconded by Mr. Power, by unanimous vote authorized the purchase of the so-called Salzgaber tract at a price not to exceed \$25,000.

\* \* \* \* \*

The Business Manager explained to the Board the necessity of having some plan or authority by which satisfactory options obtained for desired parcels of land may be immediately approved and not held up pending the next meeting of the Board.

Upon motion of Mr. Thompson, seconded by Mr. Pomerene, the Board by unanimous vote delegated the Columbus members of the Board and Mr. Pomerene as such a committee to work with the administration, with full authority to approve satisfactory options or purchases as they may develop, such actions to be reported to the Board for record at its next meeting.

The President now reported to the Board the deaths of the following staff members and, in accordance with the recommendation of the Board of Trustees, has furnished to the families of the deceased copies of the resolutions expressing, on behalf of the University, the sorrow and sympathy of the Board.

The Board of Trustees learns with regret of the death on October 24, 1947, of Dr. Walter R. Hobbs of our College of Veterinary Medicine. Dr. Hobbs' entire professional life was devoted to the service of Ohio State University. After receiving his Doctor of Veterinary Medicine degree here in 1914, he immediately joined the staff as house surgeon in the Department of Veterinary Medicine. Successive promotions carried him to the rank of professor, which rank he held at the time of his death.

Additional evidence of his value is found in the fact that he was made Secretary of the College of Veterinary Medicine in 1929, a position which he retained for the remainder of his life. Following the untimely death of Dean Brumley, he was called upon to assume the direction of the College as Acting Dean for a period of a year, and discharged these duties with high credit to himself and value to the University. Dr. Hobbs was a nationally known specialist in small animal diseases and his counsel was highly valued by his associates on the staff and by practitioners in the field. Students of Veterinary Medicine had learned to depend upon Dr. Hobbs for wise counsel, and he was always generous in giving it.

The Board of Trustees learns with regret of the death of Professor Frank H. Beach of the Department of Horticulture and Forestry on October 22, 1947. Professor Beach joined the staff of The Ohio State University as Instructor in Horticulture in 1917. He brought to the position a background of training and experience secured at the State University of Iowa and at Purdue University. He quickly demonstrated his value to The Ohio State University staff and was successively promoted until he reached the rank of professor, which rank he held at the time of his death.

While his major field of service was in agricultural extension, his counsel was valued by specialists on the campus as well as in the field. He was widely known as an orchard expert and gave practical as well as theoretical advice to orchardists all over Ohio. Because of his outstanding ability, he was State Secretary of the Ohio Horticultural Society

and was also active in the national organization known as the Society of Horticultural Science.

In spite of the great demands upon his time for service in the field and on the campus, he found opportunity to be active in community affairs, including the American Legion, of which he was a member, due to his service in World War I. Because of his fine personal qualities in addition to his professional abilities, he will be missed by his friends on the campus and in his home community, as well as by his professional associates in the state and nation.

The Board of Trustees learns with regret of the death of Professor Ivan McKellip of the Department of Agricultural Extension on October 31, 1947. Professor McKellip had been associated with our work in dairying since 1915 when he came to The Ohio State University as Extension Agent in that field. His responsibilities and rank were increased from time to time, so that at the time of his death he was Professor in Agricultural Extension. Professor McKellip brought to his work here an impressive background of training at the Universities of Nebraska and Cornell, and of experience in state work and in university work at Purdue and elsewhere. He was active in the work of the American Dairy Science Association and in Epsilon Sigma Phi, Agricultural Extension honorary. He won membership in the latter group through his twenty-five years of outstanding work in rural education. Through his long and valuable service in the extension field he won a reputation such that he will be missed throughout the state as well as on the campus.

The Board of Trustees desires to express its deep sympathy and its sense of understanding in their loss. It is directed that these resolutions be inscribed upon the Minutes of the Board.

Thereupon the Board adjourned to meet Monday, December 15, at 1:00 p. m. at the University.

Attest:

Air Material Command, Wright Field, Dayton, Ohio—Investigation of Aircraft Antennas (to be known as the Air Material Command, Wright Field Research Project No. 301—Electrical Engineering).

The above six contracts for research in cooperation with Government and Industry represent a gross income of \$205,498.35.

On motion of Mr. Pomerene, seconded by Mr. Power, the above recommendations of the President were approved by unanimous vote.

\* \* \* \* \*

President Bevis recommended that, upon the recommendation of the Faculty Council, the request of the College of Engineering for the creation of a Department of Welding Engineering with an appropriate degree be approved. It is understood that the immediate effect of this action will be to re-group staff, resources, and activities now otherwise assigned, and that any extensive additions to staff or plant of the new department must await the availability of funds.

Upon motion of Mr. Lincoln, seconded by Mr. Kettering, the Board by unanimous vote approved the above recommendation.

\* \* \* \* \*

President Bevis presented the following recommendation: that he be authorized to carry out the provisions of the salary adjustment law as passed by the Ohio General Assembly in its recent special session upon recommendation of Governor Herbert.

Under the provision of the law, Civil Service employees whose base salaries are \$3,000 a year or less receive \$10 a month increase for the year 1948.

It is further recommended that the President be authorized to increase by the same amount salaries of other full-time employees of the University receiving \$3,000 a year or less.

Upon motion of General Dargusch, seconded by Mr. Pomerene, the above recommendation was approved by unanimous vote.

\* \* \* \* \*

Following a statement by President Bevis concerning the desirability of giving official recognition to the 75th anniversary of The Ohio State University, General Dargusch offered the following motion:

That it is the sense of the Board that the 75th anniversary of the opening of classes at The Ohio State University

should be held at an appropriate time in 1948 and that the President be directed to take such steps as may be necessary for the planning and holding of such celebration. Further, that Mr. Charles F. Kettering be appointed to represent the Board of Trustees on the Committee on Arrangements.

The above motion was seconded by Mr. Pomerene and upon roll call was approved by unanimous vote.

\* \* \* \* \*

For the information of the Board, President Bevis now read a report prepared by Dean Fordham relating to the progress being made in the College of Law.

\* \* \* \* \*

The Business Manager reported that the University Cabinet recommends an extra of \$400 (for work on foundation) on the contract with Haig M. Boyajohn & Associates for Remodeling Robinson Laboratory and Addition to Industrial Engineering Building.

On motion of Mr. Pomerene, seconded by Mr. Kettering, the above recommendation of the Cabinet was approved by unanimous vote.

The Business Manager reported for the record the following actions taken by the State Controlling Board on behalf of University requests:

*Request*

- 89. Authorized awarding of contract to Haig M. Boyajohn & Associates for Recitation Building, although bid was above estimate of cost.
  - 92. Released without restriction, G-2 Buildings, Recitation Building and Equipment. (Total, \$840,000.)
  - 100. Released \$24,000 in G-1 Lands, H. B. 496, for purchase of Salzgeber Tract.

The Business Manager presented the following statement:

In regard to the employment of Bellman, Gillette and Richards of Toledo, Ohio, as architects for the Addition to Hagerty Hall (Commerce Building), the Board of Trustees' approval called for compensation at the rate of 6% of the amount of the contract and a flat fee of \$7,500 for other expenses. The Director of Public Works felt that the identical result would be achieved by stating the compensation at 6¾% of the amount of the contract in lieu of the Provision stated above. The contract has been written to include compensation at the rate of 6¾% of the amount of the contract.

Upon motion of General Dargusch, seconded by Mr. Power, the Board by unanimous vote approved of the above change.

\*           \*           \*           \*           \*

The Business Manager reported that Sargent & Lundy, Engineers, have completed the plans, specifications and estimate of cost for the Insulation of the Piping and Ducts on the New No. 7 Boiler. Estimate of cost, \$6,500.00. These documents have received the approval of the Director of the Physical Plant and the University Cabinet, but have not arrived in time for the signature of the Board.

The Business Manager recommended that the Board of Trustees approve the plans, specifications and estimate of cost and authorize

the Secretary to sign said documents for and on behalf of the Board of Trustees; that the Business Manager be directed to present the documents to the Director of Public Works for his approval and, if so approved, to advertise for bids in accordance with law; that the Cabinet be authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate of cost, to recommend to the Director of Public Works the award of such contract. All actions of the Cabinet on this matter are to be reported to the Board at a later meeting.

On motion of Mr. Power, seconded by Mr. Kettering, the above recommendation of the Business Manager was approved by unanimous vote.

\* \* \* \* \*

For information of the Board, Vice-President Davis now presented a statement and charts illustrating the study which he has made of the academic degrees held by the members of the University Faculty.

\* \* \* \* \*

The President now reported to the Board the deaths of Professor Wesley G. France and Professor Earl B. Tussing. In accordance with the recommendation of the Board of Trustees, a copy of the resolution expressing, on behalf of the University, the sorrow and sympathy of the Board has been furnished to the families of the deceased.

The Board of Trustees learns with regret of the death on December 4, 1947, of Professor Wesley G. France of the Department of Chemistry. Professor France joined the staff of Ohio State University in 1920 as Assistant Professor of Physical Chemistry. He was subsequently promoted to Associate Professor and Professor, and also was designated as Supervisor in our Research Foundation. As one of the ten outstanding research workers in the United States in colloid chemistry, he was nationally known for his contributions in that field. In view of his brilliant record, he was naturally active in Sigma Xi and other scientific fraternal organizations. Among other distinctions which he has received was that of Chairman of the Division of Colloid Chemistry of the American Chemical Society.

A member of the Faculty Club and the First Community Church, he was active in affairs of both the University community and his home community. His loss is a severe blow to the University in its graduate program as well as in its program of applied and pure research. His advice and counsel will be seriously missed by his associates in various departments of the University.

The Board of Trustees learns with regret of the death on November 27, 1947, of Professor Earl B. Tussing of the Department of Agricultural Extension in Horticulture. Professor Tussing was a graduate of The Ohio State University and received his Master's degree here in 1939. He joined the staff of the University as Assistant Professor of Vegetable Gardening in 1926 and was subsequently promoted to Professor. He was a leader both on the campus and in the State in the field of vegetable gardening, and had been Secretary

of the Ohio Vegetable and Potato Growers' Association and President of the Potato Growers' Association of America.

In spite of his heavy obligations to his profession, he found time for community activities, particularly those connected with his church and the American Legion. He was also active in University affairs and had been chapter adviser to Sigma Nu fraternity. It is evident from the above that he will be greatly missed, not only by his associates on the campus, but by professional workers in the field, and by persons in his community.

The Board of Trustees desires to express its deep sympathy and its sense of understanding in their loss. It is directed that these resolutions be inscribed upon the minutes of the Board.

\* \* \* \* \*

Thereupon the Board adjourned to meet Monday, January 12, 1948, at 9:30 a. m. at the University.

Attest:

That the following miscellaneous recommendations be approved:

That Jeannette Stein, Associate Professor, Department of Physical Education—Women's Division, be paid accumulated leave credit of \$636 in four installments, January, February, March and April, 1948, to clear this credit.

That Arthur Luckhart, Instructor in the College of Dentistry, Rotary 13160, be paid \$324, and Edward N. Cook, Instructor in the College of Dentistry, Rotary 13160, be paid \$321 for salaries earned in the 1946-1947 academic year but not paid in July, August and September, 1947. These two instructors were supposed to have been paid in twelve installments for nine months' work and received only nine installments.

That the following leaves of absence, without salary, be granted:

John R. Randall, Associate Professor of Geography, for the Winter Quarter 1948, in order that he may accept an assignment with the Military Intelligence Division G-2 of the Army General Staff;

Anna T. Petty, Telephone Operator, Starling-Loving Hospital Administration, effective December 16-31, 1947 (extension of leave);

Henrietta Jiron, Janitress, Dietary Department, Starling-Loving Hospital, effective January 1-31, 1948 (extension of leave).

That the effective date of the resignation of Harry W. Cady, Mechanic's Helper, School of Aviation, Rotary 13015, be changed from June 20, 1947, to June 29, 1947.

That the proposal of the Socony-Vacuum Oil Company, Inc., to renew the Socony-Vacuum Oil Fellowship (\$2,000) for the year beginning April 1, 1948, to March 31, 1949, be approved and the appreciation of the Board of Trustees be appropriately expressed.

That the proposal of The Texas Company, New York, New York, to establish a graduate fellowship, under the following terms, be approved and the appreciation of the Board of Trustees be appropriately expressed:

The Fellowship shall be known as "The Texas Company Fellowship," dealing with theoretical studies on the vibrations of hydrocarbon molecules.

The Fellowship is established to encourage graduate

studies and research in the theoretical field on the vibrations of hydrocarbon molecules, leading either to a Master or Doctorate Degree.

The candidate is to be a graduate student at The Ohio State University, and the selection of the candidate is to be left to the discretion of the Dean of the Graduate School and the Chairman of the Department of Physics and Astronomy; The Texas Company shall be informed of the name and qualifications of the candidate.

The Texas Company Fellowship is to be on a year to year basis. If the Fellowship is renewed, it is agreeable to award this Fellowship to the previous year's recipient, if the Dean of the Graduate School feels that the holder of the Fellowship merits such consideration. If there are no suitable candidates, The Texas Company shall be so advised and the Fellowship shall lapse until applications are received from suitable candidates.

The Texas Company's financial obligation will be \$1,500 per year. The Texas Company's Fellowship grant to the candidate is to be \$1,500 for a twelve-month period. Because the first appointment is to begin January 1, 1947, and extend to September 30, 1948, the grant is to be \$1,125, to be paid to the Fellow in nine equal monthly installments. Hereafter the amount is to be \$1,500 for twelve-month periods, beginning October 1, 1948.

The particular investigation chosen for the candidate's research project must have the mutual approval of Dr. W. E. Kuhn, Manager, Technical and Research Division of The Texas Company, and Dr. N. Paul Hudson, Dean of the Graduate School.

Quarterly progress reports shall be submitted by the recipient to Dr. W. E. Kuhn, Manager, Technical and Research Division, The Texas Company.

The University will be free to publish the results of the research work; however, The Texas Company will be given the opportunity of reviewing with Dr. N. Paul Hudson, Dean of the Graduate School, any proposed publications.

That the following gifts be accepted and the appreciation of the Board of Trustees be appropriately expressed:

- \$300 from the Watumull Foundation for the Watumull Foundation Scholarship—Rotary 11900;
- \$200 from Dr. I. E. Treece, Arlington, Ohio, for medical research—Rotary 13431;
- \$200 from Mrs. W. N. Harder, Marion, Ohio, for the Pan American Scholarship—Rotary 11583;
- \$10 from Elgin A. Manhard, Rock Island, Illinois, for medical research—Rotary 13431;

 \$30 for the William A. Starin Lectureship;  
 \$15 for the Ceramic Production Laboratory—Rotary 11121;  
 \$6 for the Joseph V. Denney Memorial Fund.

That the following research agreements heretofore entered into between The Ohio State University and The Ohio State University Research Foundation setting up the following projects, be reported to the Board of Trustees for information and record:

The Upjohn Company, Kalamazoo, Michigan—Investigation of Synthesis of Vitamin "A" (to be known as The Upjohn Company Research Project No. 114—Chemistry);  
 Office of Naval Research, Washington, D. C.—Investigation of Study of Nuclear Proteins by Electrophoretic Ultracentrifugal Methods (to be known as the Office of Naval Research Project No. 289—Chemistry);  
 Potash Company of America, Carlsbad, New Mexico—Investigation of Utilization of Potash Chemicals (to be known as The Potash Company of America Research Project No. 205—Chemical Engineering);  
 Great Lakes Foundry Sand Company, Detroit, Michigan—Investigation of Syenite in Ceramic Products (to be known as The Great Lakes Foundry Sand Company Research Project No. 28—Engineering Experiment Station);

The above four contracts for research in cooperation with Government and Industry represent a gross income of \$31,744.00.

On motion of Mr. Power, seconded by Mr. Thompson, the above recommendations of the President were approved by unanimous vote.

The President presented the following statement and recommendation relative to the Scioto Ordnance Plant at Marion, Ohio:

On January 6, 1947, the Board of Trustees authorized and instructed me to negotiate for the transfer to the University of title to a large acreage of land near Marion constituting a part of what was the Scioto Ordnance Plant.

This action by the Board grew out of my report that, during the preceding month, following a conference with W. J. Durling of the U. S. Office of Education, I, together with the Business Manager, the two Vice Presidents, the University Architect, and the Director of the Physical Plant,

had made a preliminary inspection of the property in question and had reached the tentative conclusion that the property, if acquired, would be of value to the University in a number of ways. Pursuant to Mr. Durling's feeling that the time element was important, I had written to Robert Whittet of the War Assets Administration making "tentative application" for the property. In this letter I stated: "We shall, of course, want to make more complete examination of the property, and final action rests with our Board of Trustees. Subject to their decision, however, I ask that this letter be treated as an application for disposal to The Ohio State University of the land and buildings in question, at the maximum rate of discount—100 per cent."

In reply to my letter, Mr. Whittet had advised that the property in question was in process of being assigned to the Farm Credit Administration, and that dealings should be had with the office at Louisville, Kentucky; accordingly, I addressed communications to the proper officials of the Farm Credit Administration and the Federal Land Bank at Louisville, repeating our tentative application. John A. Moore, District Supervisor of Surplus Property Disposal, replied to the effect that the assignment to the Farm Credit Administration had not yet been completed, but that our tentative application would be kept on file for appropriate action when the property came into the Farm Credit Administration's control.

Having thus done what appeared to be necessary to establish our position as an applicant for the property, we undertook a more detailed investigation of the uses to which it might be put and the probable cost of its maintenance and development. On February 1, 1947, I received a joint report from Dean Cunningham, Dean of the College of Agriculture; Junior Dean Chester S. Hutchison, Junior Dean of that College; and Mr. R. L. Bazler, Farm Superintendent; Dean Charles E. MacQuigg, Dean of the College of Engineering; Professor J. R. Shank, Assistant Director of the Engineering Experiment Station; and Mr. James S. Owens and Mr. Thomas E. Davis of the Research Foundation. This report, resulting from a somewhat detailed inspection, indicated that the facilities at the Plant might be used by the University:

1. For work in Agriculture in the areas of Agronomy, Animal Husbandry, Dairy Husbandry, Poultry Husbandry, Horticulture and Agricultural Engineering; that it offered possibilities for the conduct of "short course" instruction; that it might be utilized in certain graduate work; and that certain of the buildings could be converted into classrooms and laboratories.
2. For work in Engineering, particularly for noisy operations such as rocket work, jet propellants, gas turbines, etc.; as a proving ground for motorized equipment; for certain large scale operations in Chemical Engineering; and for work in the communications branch of Electrical Engineering.
3. For work by the Engineering Experiment Station; certain of the buildings seemed attractive, and it

was thought that oil research and fuel research might be conducted there to advantage.

4. The Research Foundation saw possible use for some of the buildings in the fields of aviation, aviation fuels, rocket and jet engines, etc., but the question was raised as to the distance from the University campus.

In this entire report, it was suggested that further study ought to be given to maintenance costs, additions to staff, and other considerations growing out of remoteness.

On January 28, 1947, I had a communication from the Marion Chamber of Commerce indicating its desire to have its representative discuss with me the matter of the University's acquiring this property; and on March 3, 1947, this organization forwarded a copy of a resolution adopted by its Board of Directors favoring the acquisition of this land by The Ohio State University.

Through personal and written communications, we kept up our contacts with the Farm Credit Administration, but were advised on June 17 that the property was not to go to the Farm Credit Administration after all, but that our dealings should be resumed with the War Assets Administration, which, for this purpose, was represented by Colonel John A. Retter, Regional Director of Field Property. Colonel Retter stated in a letter dated September 12 that we would be advised when a formal application might be properly sent to him, and on October 21 he wrote that control of the property was then in the hands of the War Assets Administration and that an application would be received.

Meantime, as our own investigations proceeded in more detail, the College of Engineering, the Research Foundation and the Engineering Experiment Station became increasingly doubtful of the over-all desirability of acquiring the property from their particular points of view. The distance, the probable expense of remodeling and rehabilitation, the lack of living facilities and the expense of maintenance appeared as more formidable obstacles in comparison with the benefits to be derived. At a conference in my office in November 5, 1947, attended by Mr. Durling representing the Government, Dean Rummell, Dean MacQuigg and Director Owens, it developed that our final and formal application, if we should decide to make one, would rest mainly on the uses and requirements of the College of Agriculture, possibly in conjunction with the Experiment Station at Wooster.

In view of this development, Dean Rummell and his associates undertook a more thorough and extensive investigation than had been made from the viewpoint of Agriculture, and on November 18 submitted to me a comprehensive report which is hereto attached. In this report, it is pointed out that while the soil is fairly productive, if properly drained, it is of such character as to be of limited usefulness for the propagation of fruit or vegetables and would be chiefly suitable for corn, wheat, and legumes. Large field operations were therefore indicated.

Of the 3,200 acres involved, about 1,000 are consumed in

fuse lines, shops, roads, reservoirs and waste areas. The area is traversed by several miles of railroad track and 30 miles of hard surfaced highway. All fences have been removed and fencing to the extent of perhaps 100 miles would be in prospect should the University acquire the property. The Government's use of the land in question has ruined the tile drainage to such an extent that new tiling throughout would probably have to be put in.

The Government appears to desire the maintenance of the railroads and a number of grade crossings would have to be constructed and maintained. Heavy investment would be necessary in the way of remodeling buildings for agricultural use. Perhaps most important of all, the acreage has been traversed by deep ditches which cannot be crossed by tractors and would require the maintenance of many bridges. These ditches would also have the practical effect of cutting up the land into areas unsuited for large field farming.

Dean Rummell's report hazards the estimate that rehabilitation costs would run to \$400,000 with a very heavy annual maintenance. These considerations led Dean Rummell and his associates to the conclusion that, for the Agriculture use that could be made of the property, the rehabilitation and maintenance costs would be excessive and that a more productive use of the same amount of money could be had from the outright purchase of more desirable land.

As the result of this more mature and more detailed investigation, I am now of the opinion that it would be inadvisable for the University to acquire this property and that we ought not to file formal and definite application for the title. Were the land in the same condition as it was when acquired by the United States Government, a considerably different picture would be presented. This consideration has apparently influenced the Universities of Wisconsin and Michigan to decline the opportunity to acquire similar tracts of land in their areas. On the other hand, in the Minnesota and Iowa plants where, by the end of the war, the Government had not done very much to change the character of the land, the Universities of Minnesota and Iowa have asked for and accepted similar tracts.

It is my recommendation, therefore, that I be instructed to advise the proper officers and agents of the United States Government that The Ohio State University will not make application for the transfer to it of the remaining portion of the Scioto Ordnance Plant acreage.

On motion of Mr. Power, seconded by General Dargusch, the above recommendation of the President was approved by unanimous vote.

The Business Manager presented the plans, specifications, estimate of cost, bill of materials and form of proposal for the following improvements connected with the University Power Plant which have been prepared by Sargent & Lundy, Engineers, and Mr. Paul H. Elleman, Maintenance Engineer. These documents have been approved by the University Cabinet and it is now recommended that the Board of Trustees approve the same.

One Steam Generating Unit (No. 6) complete with auxiliaries . . . . .	\$391,200
Piping for new 5,000 KW Turbine . . . . .	35,000
Removal of present 1,500 KW Turbine and installation of foundations for new 5,000 KW Turbine . . . . .	35,000

These projects are to be paid from G-31 Power Plant Equipment—H. B. 496.

Upon motion of Mr. Thompson, seconded by Mr. Power, the above plans, specifications, estimate of cost, bill of materials and form of proposal were approved by unanimous vote and the Secretary was authorized and directed to sign the same for and on behalf of the Board of Trustees, and the Business Manager was directed to present them to the Director of Public Works for his approval and, if so approved, to advertise for bids in accordance with law; that the Cabinet be authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate of cost, to recommend to the Director of Public Works the award of such contracts. All actions of the Cabinet on these matters are to be reported to the Board at a later meeting.

That the following miscellaneous recommendations be approved:

That the following leaves of absence, without salary, be granted:

Richard T. Stevens, Assistant Professor of Economics, for the Winter Quarter 1948;

Herschel W. Nisonger, Professor and Director, Bureau of Special and Adult Education, for the month of February in order to go to Germany as an expert consultant to the Department of National Defense for the purpose of advising military government in the field of adult education;

Joseph B. Zetka, Glass Technologist, Department of Electrical Engineering, from January 1 to April 1, 1948;

Dorothy A. Strainic, Technical Assistant, Department of Radiology, Starling-Loving Hospital, effective January 1, 1948, for three months on account of illness;

Mary E. Ranney, Assistant Head Nurse, Nursing Care, Starling-Loving Hospital, effective January 5 through February 4, 1948, on account of illness;

Doris M. Feil, General Duty Nurse, Nursing Care, Starling-Loving Hospital, effective January 1 through January 31, 1948, on account of illness;

Patricia Berkhiser, Typist, College of Agriculture, effective January 11, 1948, for an indefinite period;

Betty Cutter, Assistant to Registrar, Registrar's Office, effective February 1 through March 1, 1948;

Dorothy Bartlett, Stenographer, Bureau of Public Relations, effective January 9 through January 31, 1948.

That Jeanette H. Spangler, Anesthetist, Starling-Loving Hospital, who has been on leave of absence since November 1, 1947, be returned to service, effective January 5, 1948.

That the contract of George E. Mueller, Research Associate, Electrical Engineering, Research Foundation, approved by the Board of Trustees at the meeting on October 8, 1947, be changed from "October 1, 1947, to June 30, 1948, at \$1,260 for the period" to "January 1, 1948, to June 30, 1948, at \$840 for the period."

That the fees for either the First Term or the Second Term of

the Summer Quarter be fixed at the next highest dollar in cases where one-half of the regular Quarter fee is an amount not an even dollar. (For example, Non-resident fee \$75.00; \$37.50 would be \$38.00.)

That the following fees be assessed, effective Spring Quarter, 1948:

Mine Engineering 630—2 hours.....	\$18.00
Metallurgy 645—2 hours.....	60.00

That the Registrar be authorized to assess on the Autumn Quarter fee card an amount, to be approved by the Board of Trustees each year, for an Athletic Book to cover various sports, provided the student voluntarily requests it on his schedule when filed.

That, in recognition of his important service to the University over many years, Dr. Robert G. Paterson be given the rank of Emeritus Professor of Social Administration. Since his service has been part time, he is not a member of our retirement system. Therefore, no payments will be made to him as Emeritus Professor.

That the sum of \$500 be appropriated from H-8 Contributions for the use of The Ohio Journal of Science for the period January 1 to June 30, 1948.

That the sum of \$200 be appropriated from H-8 Contributions for the use of The Agricultural Student for the period January 1 to June 30, 1948.

That the sum of \$4,000 be appropriated from H-8 Contributions for the use of The Ohio State University Association for the period January 1 to June 30, 1948.

That the proposal of the Allied Chemical and Dye Corporation to renew the Allied Chemical and Dye Corporation Fellowship for the year 1948-1949 be approved and the appreciation of the Board of Trustees be appropriately expressed.

That the following gifts be accepted and the appreciation of the Board of Trustees be appropriately expressed:

Procter and Gamble Company, Cincinnati, Ohio—Investigation of Protein Content of Saliva (to be known as the Procter and Gamble Company Research Project No. 332—Physiological Chemistry).

The above eight contracts for research in cooperation with Government and Industry represent a gross income of \$63,971.08.

On motion of Mr. Power, seconded by Mr. Thompson, the above recommendations of the President were approved by unanimous vote.

\* \* \* \* \*

The President presented the following statement and recommendations concerning the 4-H Club Foundation:

On July 1, 1946, the Board approved a recommendation by the President concerning a proposal of the Ohio State University Development Fund to cooperate with the 4-H Clubs of Ohio and certain other organizations, looking toward an endowment fund of \$200,000.00 to be known as the Ohio 4-H Club Foundation.

Experience with this project since the beginning of its operation has led to the conclusion that the proposal as adopted can be construed to sanction practices beyond the limits of good policy and in some respects beyond the powers of the University.

After conference with the Field Director of the Ohio State University Development Fund and the Business Manager of the University, who are in agreement on this matter, I recommend:

(1) That the purpose clause be amended to read as follows:

“3. *Purpose:* To provide scholarships, fellowships or other aids for undergraduate and graduate study, short courses, conferences, or other educational events, under the auspices of The Ohio State University.”

(2) That the first paragraph of the expenditure clause be amended to read:

“4. *Expenditure:*

A. The Executive Council shall make recommendations to the Board of Trustees of The Ohio State University for the expenditure of funds and such expenditures shall be made only on the order of the Board of Trustees.”

Upon motion of General Dargusch, seconded by Mr. Power, the above recommendation of the President was approved by unanimous vote.

The President presented the following statement concerning the site of the Ohio State Fair:

The President called attention to previous reports and discussions in the Board meetings concerning the relocation of the site of the Ohio State Fair.

He reported further that, together with Mr. Taylor, Business Manager, Dean Rummell of the College of Agriculture, and Dean Krill of the College of Veterinary Medicine, he was invited by the State Fair Relocation Commission to appear at a meeting to be held in Hearing Room No. 4 of the State Office Building on January 29, 1948; that at this meeting he read the following statement:

"Irrespective of the location of the State Fair, the University is considering the expansion of the College of Agriculture west of the Olentangy River. Just what developments will take place has not yet officially been decided but much thought is being given to the matter.

"The University has neither the responsibility nor the power to decide on the location of the Fair site and is not attempting to participate in that decision. We are, however, willing to indicate the direction of our planning as far as it has progressed.

"We are definitely concerned as to the character of the installation contemplated. A collection of cheap and ugly structures would, we feel, be a handicap to the University and its development.

"If modern and sightly grounds and buildings are provided near the University, a variety of cooperative uses can be foreseen; e.g., a Coliseum would serve both purposes. Development of 'short course' work could be facilitated. Other joint uses not now specifically visualized would probably develop. We do not, at present, however, see University uses for all the Fair buildings."

The President reported further that on the evening of January 29 former Governor Myers Y. Cooper, Chairman of the State Fair Relocation Commission, called him by telephone to say that the Commission had met in the afternoon and had unanimously agreed upon a site for the State Fair north of Ackerman Road.

\* \* \* \* \*

The President reported that, late in November and early in December, 1947, a questionnaire was distributed widely to the student body of the University, soliciting ideas and opinions as to what facilities should be built into the Student Union. This questionnaire embodies 52 items representing ideas from all sources previously brought to the committee's attention.

Some 8,000 replies were received and the answers tabulated. Among the items was one numbered 37, concerning the installation of a "rathskeller." A proportionately large number of replies indicated a student desire for this facility.

Preliminary computations of cost indicate that funds will not be available for the inclusion of the entire list of items mentioned, and that selection will have to be made.

Since the publication of the results of this questionnaire in the

LANTERN and elsewhere, numerous letters have been received by the University Administration protesting against the inclusion of a "rathskeller" or the sale of intoxicating liquor in the Union.

Upon motion of General Dargusch, seconded by Mr. Power, the Board of Trustees, by unanimous vote, agreed that alcoholic beverages shall not be dispensed on the University campus.

\* \* \* \* \*

General Dargusch presented the following resolution and moved its adoption:

In view of the outstanding contribution made to the growth and development of The Ohio State University by William Oxley Thompson, the University's fifth President, and

In view of the fact that the present Library Building was constructed during his Presidency,

BE IT RESOLVED that the enlarged Library Building, when completed by the use of the funds now appropriated for the purpose, be officially known and designated as the "William Oxley Thompson Memorial Library."

The motion was seconded by Mr. Power and, upon roll call, was unanimously approved.

- (5) *Conrath Electric Company*—\$980.00  
For additions to contract, Electric, Central Service Building  
Original contract, \$42,560.00

On motion of General Dargusch, seconded by Mr. Thompson, the extras to contracts as detailed above were approved by unanimous vote.

\* \* \* \* \*

The Business Manager presented the recommendation of the Cabinet that the following extensions of time to contracts be approved:

- (1) *Babcock & Wilcox Company*  
Steam Generating Unit, \$202,085.00  
Contract dated March 25, 1946  
From February 1, 1948 to May 31, 1948

(2) *Wyatt, Bird & Associates*  
 Plans for Incinerator  
 From January 15, 1948 to July 1, 1948

Upon motion of Mr. Power, seconded by General Dargusch, the above recommendation was approved by unanimous vote.

\* \* \* \* \*

The Business Manager presented specifications, estimate of cost, bill of materials and form of proposal for the following:

- (a) Relaying Tile Roof on Brown Hall  
 Estimated cost, \$12,100  
 Payable from F-1 Roofing
- (b) Interior Painting and Patch Plastering in Pharmacy and Bacteriology Building and Mendenhall Laboratory  
 Estimated cost, \$19,000  
 Payable from F-1 Building Repairs

The Business Manager stated that the Cabinet has approved these documents and now presents them to the Board for its approval.

Upon motion of Mr. Power, seconded by Mr. Thompson, the Board by unanimous vote approved these documents and directed the Secretary, for and on behalf of the Board, to sign them. The Business Manager was directed to advertise for bids in accordance with law and the Cabinet was authorized to receive and open bids, for and on behalf of the Board of Trustees, and if any bids are received below the estimate of cost to award such contracts. The President was authorized to sign such contracts, for and on behalf of the Board of Trustees. All actions of the Cabinet on this matter are to be reported to the Board at a later meeting.

\* \* \* \* \*

The Business Manager presented plans, specifications, estimate of cost, bill of materials and form of proposal for the following:

- (a) Paving and Widening of Campus Roads  
 Estimated cost, \$11,500  
 Payable from G-31 Roads, Walks, Tunnels, Utility Lines
- (b) Tunnel to Botany and Zoology Greenhouses  
 Estimated cost, \$24,800  
 Payable from G-31 Roads, Walks, Tunnels, Utility Lines
- (c) Additions to Robinson Laboratory Remodeling  
 Estimated cost, \$18,000  
 Payable from Rotary 12879

The Business Manager stated that the Cabinet has approved these documents and now presents them to the Board of its approval.

Upon motion of Mr. Power, seconded by Mr. Thompson, the Board by unanimous vote approved these documents and directed the Secretary, for and on behalf of the Board, to sign them. The Business Manager was directed to present them to the Director of Public Works for his approval, and if so approved to advertise for bids in accordance with law; that the Cabinet be authorized to receive and open bids, for and on behalf of the Board of Trustees and, if any bids are received below the estimate of cost, to recommend to the Director of Public Works the award of such contracts. All actions of the Cabinet on these matters are to be reported to the Board at a later meeting.

\* \* \* \* \*

The Business Manager reported for the record that the State Controlling Board has approved the following requests presented by the University:

- Request 106—Additional amounts on contracts for Central Service Building:
  - George Sheaf Company.....\$44,268
  - Sauer, Incorporated..... 2,360
  - Huffman-Wolfe ..... 1,035
  - Conrath Electric Company..... 980
- Request 110—Release of \$10,000 in G-2 Building, Addition to Library
- Request 112—Extra of \$2,403.52 to Darin & Armstrong Company
- Request 113—Extra of \$1,170 to George Sheaf Company

\* \* \* \* \*

Due to a change in the law, contracts for repairs to buildings and grounds, payable from appropriations for Operation and Maintenance, no longer are referred to the State Director of Public Works, but are to be handled directly by the Board of Trustees. Therefore, the Business Manager recommended that the action taken by this Board on November 9, 1947, with reference to the Interior Painting and Patch Plastering of Townshend Hall, Arps Hall and Plumb Hall, at an estimated cost of \$20,200, payable from F-1 appropriations, be rescinded and the following action be substituted therefor:

That the documents for this work as presented by the Business Manager be approved and that the Secretary be directed to sign them, for and on behalf of the Board of Trustees. The Business Manager is directed to advertise for bids in accordance with law, and the Cabinet is authorized to receive and open bids, for and on behalf of the Board of Trustees, and if any bids are received below the estimate of cost, to award contracts accordingly. The President is authorized to sign such contracts, for and on behalf of the Board of Trustees. All actions of the Cabinet on this matter are to be reported to the board at a later meeting.

Upon motion of Mr. Pomerene, seconded by Mr. Power, the above recommendation of the Business Manager was approved by unanimous vote.

\* \* \* \* \*

The Business Manager presented the following statement:

The employment situation has not improved during the current year, and as a result the Hospital was unable to make appointments to the regular salary budget. The work was accomplished by hiring employees on a wage basis, thus leaving an unexpended balance in the A-1 account at the end of each month.

In order to give the Hospital full advantage for the appropriation as provided in the 1947-48 budget, it is requested that the Board authorize the Business Manager to transfer employees from the Hospital rotary budget to the Hospital A-1 budget, from time to time, so that the full amount of the appropriation from A-1 funds may be used prior to June 30, 1948.

Upon motion of General Dargusch, seconded by Mr. Thompson, the Board by unanimous vote approved the above request.

\* \* \* \* \*

President Bevis presented the following statement:

One of The Ohio State University's great responsibilities at the present time is the training of teachers for the public schools. It is a matter of common knowledge that there is currently a serious shortage of trained teachers available for service in the elementary schools.

In the secondary or high schools, the situation is not acute. There are 17,621 high school teaching positions in the state with a current annual demand of approximately 2,000 new trainees. The 48 teacher training institutions in the state will supply approximately 2,915 trainees this year, or an excess of 900 over demand.

The difficulty is in the elementary school situation. Here there are 21,810 positions in the state of Ohio with an annual demand of about 2,500 new trainees. The combined output of the 25 teacher training institutions in this field this year will be 851, leaving a deficit of some 1,550 in the state.

There is believed to be a variety of causes for this acute shortage, among which the pay scale is an important factor. It is believed, however, that other incentives are important and that a number of recruitment measures may have significant effect.

In the year 1946, the University received 1,188 requests for elementary school teachers and graduated only 87, of whom 72 were placed. In 1947, the University received 1,704 requests for elementary teachers and graduated 66, of whom but 48 were willing to accept positions. The number of calls in 1946 was 37 per cent more than in 1945, and the calls received in 1947 were 43 per cent more than in 1946.

It is highly desirable that The Ohio State University take all proper measures to augment its own supply of trainees. The Dean of the College of Education and his staff are pressing a number of recruitment measures but, in addition, it is proposed that we establish 88 tuition scholarships—one for each county in the state—for students who desire to become teachers in the elementary schools. Arrangements can be made to assist the holders of these scholarships to earn a portion of their expenses by jobs in dormitories, etc. The Dean of Women has given considerable attention to this matter.

The maximum cost to the University in tuition loss would be about \$8,000.00 a year, and the current recommendation is limited to one class which, of course, would have to be carried through a four-year period. Both the need and the desirability of continuing these scholarships for succeeding years can be reported to the Board after further study.

I recommend, therefore, that as President of the University, I be authorized to offer 88 tuition scholarships, one to each county in the state, provided, however, that if any county offers no candidate, more than one may be taken from

another county or counties, but not to exceed 88 scholarships in total.

Upon motion of Mr. Thompson, seconded by Mr. Power, the above recommendation of the President was approved by unanimous vote.

\* \* \* \* \*

Dean Harlan H. Hatcher of the College of Arts and Sciences now presented a comprehensive verbal report to the Board, outlining the program of the College and the progress being made to carry this program forward.

\* \* \* \* \*

The President now reported to the Board the death of Professor Alva W. Smith and, in accordance with the recommendation of the Board of Trustees, has furnished to the family of the deceased a copy of the resolution expressing, on behalf of the University, the sorrow and sympathy of the Board.

The Board of Trustees learns with regret of the death on January 21, 1948, of Professor Alva W. Smith of the Department of Physics. Professor Smith had been connected with The Ohio State University in one capacity or another for nearly forty years. He held three degrees from this University and began his staff connection in 1912 as an Assistant. Faithful and effective service resulted in successive promotions to that of Professor of Physics, which rank he held at the time of his death.

Dr. Smith earned the reputation of being one of our outstanding teachers as well as scholars. He not only gained the admiration and respect of his associates and students, but also the warm friendship of students as well as associates. Annual greetings and letters from alumni attested to the high esteem in which he was held. His standing among his associates over the country is indicated by his active membership in professional associations and learned societies in his field. In addition to his classroom work, he contributed importantly to campus life in many ways, and his passing will be mourned by the University community far beyond the limits of his own department or college.

The Board of Trustees desires to express its deep sympathy and its sense of understanding in his loss. It is directed that this resolution be inscribed upon the Minutes of the Board.

\* \* \* \* \*

Thereupon the Board adjourned to meet Monday, March 8, at 9:30 a. m. at the University.

Attest:

(Signed) CARL E. STEEB, (Signed) WARNER M. POMERENE,  
Secretary. Chairman.

Name	Title	From	To
<i>College of Education</i>			
<i>Education</i>			
John J. Kinsella	Associate Professor	Au.Wi. 1947-1948	Au.Wi.Sp.
*	*	*	*

That the following miscellaneous recommendations be approved:

That the following persons be transferred from School of Aviation Rotary 13015 to School of Aviation A-1, effective February 1, 1948:

John B. Evans, Assistant Chief Flight Instructor...\$4,224.00  
 Fred E. Macready, Mechanic..... 3,468.00  
 Hilton J. Wachholz, Mechanic..... 3,480.00

That Rose Ann Brown, Maid (\$1584), and Martha Johnson, Cook's Assistant \$1,656), be transferred from Neil Hall Dining Room

and Kitchen Rotary 8222 to College Road Cafeteria, Rotary 8208, effective September 16, 1947.

That the following persons be transferred from the Department of Industrial Engineering A-1 to the Department of Welding Engineering A-1, effective January 1, 1948:

Robert S. Green	Assistant Professor and Acting Chairman		\$4,200.00
Jacob A. Foust	Instructor		3,000.00
Clayton H. Crane	Instructor	Wi.Sp.	1,800.00.00 period
Melvin C. Clapp	Student Assistant	Wi.	120.00 period
Edward A. Harwart	Student Assistant	Wi.	120.00 period

That Rossie Greer, Home Demonstration Agent in the Department of Agricultural Extension, who retired December 31, 1947, be given the title Emeritus Home Demonstration Agent.

The retirement income from the Public Employees Retirement System exceeds the guarantee of University Retirement and there is no financial obligation on the part of the University in connection with her retirement.

That Guy W. Conrey, Professor, Department of Agronomy, who retired February 29, 1948, on superannuation retirement because of the fact he applied for disability retirement after attaining the age sixty, as provided in the State Teachers Retirement System, be given the rank of Emeritus Professor. Professor Conrey's retirement allowance from the State Teachers Retirement System exceeds the total retirement benefit to which he is entitled under University regulations, thus making no supplementary payment necessary.

That the following leaves of absence, without salary, be granted:

Clayton W. Ellett, Instructor in the Department of Botany, for the Spring Quarter 1948, for graduate study at the University of Minnesota;

Carmen Bond, Junior Medical Technologist, Laboratories A-1, Starling-Loving Hospital, effective February 11, 1948, to April 1, 1948, on account of illness;

Beulah Milheim, General Duty Nurse, Nursing Care Rotary, Starling-Loving Hospital, effective January 29, 1948, to April 30, 1948, on account of illness;

Henrietta Brown, Janitress (part time), Housekeeping Rotary 13727, Starling-Loving Hospital, effective February 5 through March 31, 1948;

Doris M. Feil, General Duty Nurse, Nursing Care Rotary 13727, Starling-Loving Hospital, February 1 through April 30, 1948—(extension of leave);

Fay Lewis, Janitor, Physical Plant, for indefinite period, effective March 1, 1948;

Thelma B. Eversole, Clerk, University Bookstore, Rotary 15951, effective January 1 to February 16, 1948.

That a laboratory fee of \$7.00 be established for a refresher course for graduate registered laboratory technicians, to be given during the week of March 22, 1948, under the direction of Dr. H. L. Reinhart of the College of Medicine. This fee is to be deposited in the Laboratory Supply Pro-Rata account.

That the incidental fees charged students who are enrolled only in Workshops during the Summer Quarter 1948 be set at \$15.00; that

Matriculation, Activity and Non-resident fees be not assessed, but that laboratory fees be assessed as follows:

Workshop for School Administration . . . . .	\$10.00
Workshop for Guidance Specialists . . . . .	8.00
Workshop for School Health Specialists . . . . .	10.00

That, upon the recommendation of the Faculty Council at its meeting held on February 10, 1948, the following Faculty Rules be amended as follows:

*Rule 36*

That Rule 36 be amended to read:

*"The Committee on Aptitude and Diagnostic Tests.* The Committee on Aptitude and Diagnostic Tests shall consist of five members of the University Faculty appointed annually by the President. It shall formulate and administer intelligence tests to all undergraduate students entering the University, except such as present intelligence ratings satisfactory to the Committee. In the case of graduate students, such requirement is optional with the departments or schools concerned.

"The Committee shall also study the formulation, administration, and use of other aptitude and diagnostic tests and shall recommend to the Faculty Council such revisions of the University's testing program as it thinks proper after full consultation with the departments, colleges, and other units affected. Its function shall not extend to examinations given in any course unless the department concerned solicits the assistance of the Committee."

*Rule 38*

That Rule 38 be amended to read:

*"The Committee on Student Standing.* The Committee on Student Standing shall consist of six members of the University Faculty appointed by the President for a term of three years, two to retire each year. On referral to it by the Faculty or the Executive Committee of a college, this committee shall act as a board of review in cases where a student has demonstrated satisfactory academic ability subsequent to a period of unsatisfactory performance which has so lowered his point-hour ratio as to imperil his continuation in the University, his promotion to a senior division, his graduation, or other advancement. If in any such instance the Committee is convinced that the student suffers a needless penalty by being held for points on all hours failed, it may instruct the Secretary of his College to omit specific courses in computing the student's point-hour ratio. All affirmative actions of the committee shall be reported to the Registrar, who shall note the action on the student's permanent record."

*Rule 134*

That Rule 134 be amended to read:

*"Repetition of High School Work.* If a student enters a course that presupposes a high school unit in the same subject and is unable to carry the course, it shall be the duty of the Department to notify the student's college of his defi-

ciency. The Secretary of the College shall replace the course on the student's schedule with a more elementary course in the same subject, where such a course has been established. The new course shall carry the credit assigned to it. The hours and points shall be included in the computation of the point-hour ratio, but the hours shall not be used toward meeting graduation requirements."

*Rule 166*

That Section 1 of Rule 166 be amended to read:

"Members of the instruction staff of the University, including Assistants, Graduate Assistants, and Assistant Instructors who are registered in the Graduate School; and any member of the teaching staff who, on the approval of the appropriate instructor and department chairman, enrolls as an auditor."

That Section 2 of Rule 166 be amended to read:

"Research Assistants and Research Associates in the University, and Student Dietitians, Internes and Residents in the University Hospital who are registered in the Graduate School."

That Section 3 of Rule 166 be amended to read:

"Fellows and Scholars appointed by the Board of Trustees who are registered in the Graduate School."

That Section 4 of Rule 166 be amended to read:

"Members of the Ohio Agricultural Experiment Station staff who are registered in the Graduate School."

That, in accordance with the recommendation of the University Faculty Council, degrees be awarded at the Winter Convocation on March 19, 1948, to the following named students who have completed their requirements therefor:

The Business Manager presented the plans, specifications, bill of materials and estimate of cost for Additions to the Botany and Zoology Building, as prepared by the University Architect and stated that the Cabinet has approved said documents and now recommends that they be approved by the Board of Trustees. The Business Manager stated that the estimate of cost of this Addition to the Botany and Zoology Building is \$560,000, payable from G-2 Building Appropriations.

Upon motion of General Dargusch, seconded by Mr. Pomerene, the Board by unanimous vote approved said documents and directed the Secretary to sign the same for and on behalf of the Board of Trustees. The Business Manager was directed to present them to the Director of Public Works for his approval and, if so approved, to advertise for bids in accordance with law. The Cabinet was authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate of cost, to recommend to the Director of Public Works the award of such contracts. All actions of the Cabinet on these matters are to be reported to the Board at a later meeting.

The Business Manager now presented the following report and recommendations covering the bids received March 3, 1948, for the proposed Health and Medical Center:

HEALTH AND MEDICAL CENTER

1. Bids were opened for the Health and Medical Center on March 3, 1948. An analysis of the low bids disclosed the following:

<i>Complete buildings—(600 bed teaching Hospital and Dental School)</i>		
<i>General Contract</i> .....		\$4,576,700
<i>Heating, Ventilating, Air Condition, and Process Piping</i>		
Bid .....	\$1,293,000	
Acceptable substitutions.....	2,900	
Proposed award.....		1,290,100
<i>Plumbing</i>		
Bid .....	653,900	
Acceptable substitutions.....	1,000	
Proposed award.....		652,900
Pneumatic tubes—estimate—no bid.....		5,000
<i>Electrical</i>		
Bid .....	672,270	
Acceptable substitutions.....	2,888	
Proposed award.....		669,382
<i>Elevators—Electric—Hospital</i>		
Bid .....	229,657	
Acceptable substitutions.....	6,938	
Proposed award.....		222,719
<i>Dumbwaiters</i>		
<i>Overhead Electric Elevator—Dental School</i> .....		50,761
		30,985
Total low bids (after acceptable substitutions) for basic structures.....		\$7,498,547
Architect's fees (approximate).....		450,000
Total required for buildings, without equipment...		\$7,948,547

2. It had been hoped by the Architects, originally, that the major portion of the equipment for the Medical Center could be acquired within the appropriation of \$8,000,000. The estimate of the Architects which was filed with the Auditor of State is summarized as follows:

Basic structures.....	\$6,688,910
Equipment .....	1,186,674
Architect's fee.....	433,189
Total .....	\$8,308,773

(This estimate was \$308,773 over the available funds.)

3. The architects suggest, with respect to equipment, that
- With the exception of the kitchen equipment (estimated cost \$250,000, bid at \$231,500), none of the equipment need necessarily be acquired at the time of awarding the general contract.
  - In fact, in the two years which will ensue before the building can be completed, many improvements may be expected in the design and construction of equipment of this character.
  - The quantity of the equipment items could be reduced to some extent.
  - However, the bid for patients' room furniture (\$63,039

against an estimate of \$95,260) be accepted, if at all possible.

- (e) Otherwise, all equipment bids be rejected, since in most cases there was but a single bid (and in some cases none) and in many cases the bids were over the estimates.
4. If the kitchen equipment and the patients' room furniture were bought at this time, it would require \$294,539. Deans Doan and Postle believe that by scaling down their other equipment requests for the new structures to the minimum basic need, no more than \$250,000 will be required within the coming biennium. The balance of the original request for equipment can be secured in future years after the buildings are built. Assuming that the kitchen and the patients' room furniture were to be bought, the situation with regard to the outlay to be contemplated at this time would be as follows:

Total required for buildings without equipment.....	\$7,948,547
Kitchen equipment.....	231,500
Patients' room furniture.....	63,039
Additional equipment to be purchased during next biennium for Hospital and Dental School.....	250,000
Total .....	\$8,493,086
Appropriation .....	8,000,000
Excess to be provided.....	\$ 493,086

It is believed that this excess can be provided out of (a) rotary funds, and (b) regular equipment appropriations over the time intervening until the buildings are completed. Possible future appropriations would make the task of securing the equipment easier, but such appropriations are not considered vital to proceeding on the basis outlined above.

5. In the most stringent situation, Dean Doan states that all of the equipment, excepting the kitchen equipment, could be eliminated in the Hospital. This would represent a reduction of the excess funds to be provided by \$313,000 and reduce the amount to be provided to \$180,086.
6. If the proposal of Section 4 were to be adopted, there would be provided the full eleven-story, 600-bed Teaching Hospital and the Dental School as recommended in the preferred scheme of the modified plans presented to the Board of Trustees at the 1947 Gibraltar Island meeting. Important to remember, also, is the fact that when the new Hospital is occupied, space will be made available in the old Hospital to the extent of 80 to 90 beds for the Student Health Service.
7. Cost data on the Health Center on the basis of the Architect's recommendations are as follows:

<i>600 Bed Teaching Hospital</i>	
Cost per bed.....	\$12,300.00
Cu. ft. cost.....	1.96
Sq. ft. cost.....	24.00
<i>Dental School</i>	
Cu. ft. cost.....	1.72
Sq. ft. cost.....	21.10
<i>Overall</i>	
Cu. ft. cost.....	1.92
Sq. ft. cost.....	23.30

## 8. The following recommendations are therefore made:

- (a) That the Administration be authorized to request permission from the State Board of Control for the award of the general contract and the contracts for heating and ventilating, plumbing and electric work to the lowest bidders, notwithstanding the fact that all the low bids were over the estimate filed with the Auditor of State, viz:

	<i>Estimate</i>	<i>Low bids (less substitutions)</i>
General Contract.....	\$4,206,917	\$4,576,700
Heating and Ventilating.....	897,908	1,290,100
Plumbing.....	633,179	652,900
Electric Work.....	633,906	669,382

It is the opinion of the Architects that no better bids could be secured through rejecting the present bids for the main structures and re-advertising for new bids. Sufficient competition was secured in the present bidding to justify an award with the permission of the State Board of Control and the architects so recommend

- (b) That the Board of Trustees approve and authorize the Administration to recommend to the Director of Public Works the award of the following contracts when the State Board of Control grants the authority specified in (a) above:

*General Contract*

Grove, Shepherd, Wilson & Kruge, Incorporated, New York ;  
Johnson, Drake & Piper, Incorporated, Minneapolis, Minnesota ;  
Psaty and Fuhrman, Incorporated, New York.

(Acting in combination and as a unit for the purpose of accepting and complying with this contract.)

Amount of contract.....\$4,576,700.00

*Heating, Ventilating, Air Conditioning and Process**Piping*

The Huffman-Wolfe Company, Columbus..... 1,290,100.00

*Plumbing*

The Huffman-Wolfe Company, Columbus..... 652,900.00

*Electric Work*

Electrical Contractors, Incorporated, Chicago..... 669,382.00

*Elevator—Electric—Hospital*

Otis Elevator Company, Cleveland..... 222,719.00

*Dumbwaiters*

Otis Elevator Company, Cleveland..... 50,761.00

*Kitchen Equipment*

Federal Manufacturing Company, Brooklyn, N. Y. 231,500.00

*Patients' Room Furniture*

Hill-Rom Company, Incorporated, Batesville, Ind. 63,039.15

- (c) That the contract for the overhead electric elevator or oil hydraulic equipment be entered into after analysis and recommendation by the architects. Report will be made on this item to the Board of Trustees at a later meeting.
- (d) That the contracts for the General, Heating, Ventilating, Air Conditioning and Process Piping, Plumbing, Electric Work, Elevators and Dumbwaiters be charged to the Appropriation for the Health Center. That the contracts for kitchen equipment and patients' room furniture be charged to Rotary 12879.
- (e) That all other bids for equipment (excepting kitchen equipment and patients' room furniture) be rejected

and that this recommendation be communicated to the Director of Public Works. Subsequent purchases of equipment for the Health Center may properly be made through the University's Business Office and it is intended that such additional purchases be so made.

Upon motion of Mr. Pomerene, seconded by General Dargusch, the above recommendations were approved by unanimous vote.

The President reported the death and Mr. Harry R. Drackett, a prominent alumnus, which occurred March 5, 1948. Upon motion of General Dargusch, seconded by Mr. Power, the Board adopted the following resolution:

In the death of Harry R. Drackett, the University has lost one of its most illustrious and one of its most devoted sons.

Mr. Drackett's life exemplified at its highest and best the University's motto, "Disciplina in Civitatem." He gave himself to his community. His diversified service in civic and political affairs culminated in his chairmanship of the Charter Party in Cincinnati for eight years. His service to his business was featured by his election as national president of the Grocery Manufacturers' Association of America and chairman of an industry-wide committee during the war. By dint of application of knowledge and perseverance he built the largest soy bean processing company in the world.

His devotion to his family was crowned by the rearing of three fine sons who reflect the culture and refinement of their mother and father. His interest in his University was continuous from his undergraduate days. He was chairman of the Alumni Advisory Board for ten years; a founder and chairman of the Development Fund Board of Directors for eight years. He was a friend and benefactor of his fraternity. At his death he was serving as alumni trustee member of the University's Research Foundation. The honorary degree which the faculty and this Board so warmly bestowed upon Mr. Drackett in 1943 was but an earnest of the University-wide esteem in which he was held as a man, as an alumnus and as a citizen. We lament, with so many others, the passing of this magnificent son of the University.

By general agreement, the Board authorized the committee in charge of the Annual Recognition Dinner to arrange for such a dinner this spring on the same basis as last year. The date was fixed for Monday evening, May 10, 1948.

\* \* \* \* \*

Dean Walter C. Weidler of the College of Commerce and Administration now presented a very interesting and informative verbal report on the development and program of the College.

\* \* \* \* \*

The Board now recessed for luncheon at the Home Management House as guests of the senior students resident in the House.

Monday, March 8, 1948,  
2:00 P. M.

The Board resumed its session with the same members present as at the morning meeting.

\* \* \* \* \*

The Board now considered the following recommendation made by the Business Manager at the morning session:

That the present rotary accounts of Agronomy, Animal Husbandry, Dairy Husbandry, Farm Operations, Horticulture and Forestry and Poultry Husbandry be now consolidated into a centralized rotary account under the control of the Dean of the College of Agriculture.

Upon motion of Mr. Thompson, seconded by Mr. Power, the above recommendation was approved by unanimous vote.

\* \* \* \* \*

Upon motion of Mr. Pomerene, seconded by General Dargusch, the Board by unanimous vote rescinded its action taken at the morning session relative to the Medical Research Clinic Rotary 13431.

\* \* \* \* \*

Thereupon the Board adjourned to meet Monday, April 19, 1948, at 9:30 at the University.

Attest:

(Signed) CARL E. STEEB,  
*Secretary.*

(Signed) H. S. ATKINSON,  
*Chairman.*

The President presented the following resolution:

*Patent Right of Robert C. Arnold*

WHEREAS, Robert C. Arnold has made an invention growing out of the idea that boron trifluoride can be used as a catalyst in certain chemical processes; and

WHEREAS, A question has arisen as to whether, because of his employment by the University, it has any claim to the patent right under the terms of G. C.; and

WHEREAS, The matter has been investigated by Professor Edward Mack, Albert L. Henne, and Lester L. Stout, Assistant to Director, Ohio State University Research Foundation, the result of which is that the University has no valid claim to patent rights growing out of this invention;

BE IT RESOLVED, That the proper administrative officer of the University be authorized to execute a release of any such right or claim on the request of said Robert C. Arnold.

Upon motion of General Dargusch, seconded by Mr. Power, the above resolution was adopted by unanimous vote.

\* \* \* \* \*

The President presented the following resolution relating to the Simon Lazarus Memorial Scholarship:

*Simon Lazarus Memorial Scholarship*

WHEREAS, On April 5, 1948, the President of The Ohio State University received from Robert Lazarus, President of The F. & R. Lazarus & Company, a letter (hereto attached) in which, as President of The F. & R. Lazarus & Company and Director of Federated Department Stores, Incorporated, he conveyed to The Ohio State University a fund totalling \$100,000.00 to be used to establish a scholarship fund to be known as The Simon Lazarus Memorial Scholarship Fund, which letter of gift was accompanied by checks aggregating in amount \$100,000.00; and

WHEREAS, The gift was made upon the following terms and conditions:

"There is to be established at The Ohio State University as a permanent endowment in memory of Simon Lazarus a Scholarship Fund to be known as 'The Simon Lazarus Memorial Scholarship Fund.'

"The income from this fund, as it accrues, shall be used to provide scholarship awards for deserving students of Ohio State University, the number and the value of such scholarships and the recipients thereof to be determined each year by the University Scholarship Committee, or its successor in function.

"The awards shall not be based solely on scholastic standing, but there shall be taken into account qualities of leadership, scholarship, need, general all around ability and integrity, and the contribution that the recipient can make to

the life and activities of the University, and the awards shall be made without regard to race, creed, or color. Approximately one-half of such scholarships shall be awarded to students registered in the College of Commerce and Administration and the other approximate one-half to students registered in the other undergraduate and graduate schools of the University.

"The University Scholarship Committee may, in its discretion, impose as a condition of any scholarship award that the recipient will repay the money to the scholarship fund at such time as the recipient is able to do so.

"The Committee will furnish The F. & R. Lazarus & Company, or its successors, each year with a list of the recipients of these scholarships, accompanied by a short statement of the qualifications of the recipient and the reasons for the award.

"The University may accept contributions from others from time to time to The Simon Lazarus Memorial Scholarship Fund for the use and purposes of said fund."

Therefore, be it

RESOLVED, That The Ohio State University accepts this gift upon the terms and conditions expressed and agrees to administer the same in accordance therewith; and be it further

RESOLVED, That the University record its appreciation to the members of the Lazarus family, The F. & R. Lazarus & Company, and Federated Department Stores, Incorporated, for this magnificent contribution to the welfare of students at The Ohio State University; and be it further

RESOLVED, That the Board of Trustees commend the high sense of civic and social responsibility which has actuated the donors. The name of Simon Lazarus will forever be held in sacred memory.

Upon motion of General Dargusch, seconded by Mr. Thompson, the above resolution was adopted by unanimous vote of the Board.

\* \* \* \* \*

General Dargusch presented the following Oath of Allegiance and moved that it be approved by the Board, with the understanding that said oath will apply to all members of the teaching staff, all officers, and all employees of the University, and will be made a part of the regular annual contracts, effective as of July 1, 1948:

#### OATH OF ALLEGIANCE

Upon motion of Mr. Lincoln, seconded by Mr. Kettering, the Board by unanimous vote approved said documents and directed the Secretary to sign the same for and on behalf of the Board of Trustees. The Business Manager was directed to present them to the Director of Public Works for his approval and, if so approved, to advertise for bids in accordance with law. The Cabinet was authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate of cost, to recommend to the Director of Public Works the award of such contracts. All actions of the Cabinet on these matters are to be reported to the Board at a later meeting.

\* \* \* \* \*

The Business Manager presented the specifications, bill of materials and estimate of cost for the Exterior Painting of Derby Hall, Hamilton Hall, Starling-Loving Hospital and Clinic, Natatorium, Physical Education Building, Pomerene Hall, Horticulture and Forestry Greenhouses and University Hall. The estimated cost of this project is \$24,700 and is payable from F-1 Building Repairs. Specifications for this project were prepared by the Director of the Physical Plant, and the Business Manager stated that the Cabinet has approved said documents and now recommends that they be approved by the Board of Trustees.

Upon motion of Mr. Lincoln, seconded by Mr. Kettering, the Board by unanimous vote approved said documents and directed the Secretary to sign the same for and on behalf of the Board of Trustees. The Business Manager was directed to advertise for bids in accordance with law and the Cabinet was authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate of cost, to award contracts accordingly. The President is authorized to sign such contracts for and on behalf of the Board of Trustees. All actions of the Cabinet on this matter are to be reported to the Board at a later meeting.

\* \* \* \* \*

The Business Manager presented the following statement and recommendation of the University Cabinet, relating to the fourth floor on the new Recitation Building:

Preliminary estimates made by the University Architect's Office, and tentatively confirmed by the contractors for the several divisions of the work on the Recitation Building, indicate that the temporary attic and roof over the center portion of that building can be replaced by a fourth story and a permanent attic and roof, as contemplated in the original design of the building, for less than \$65,000.00.

There are approximately 70,000 cubic feet in the additional fourth floor and permanent roof space. The facilities provided by this additional space will be fifteen additional music practice cubicles and six additional class rooms.

On the basis of these preliminary estimates, the per cubic foot cost of the additional construction would be the same as that for the construction now under contract, approximately 94 cents.

Since the additional class room space is highly desirable for general University use, and since the space could not be added as economically after the present contracts proceed

further, it is recommended that the necessary steps be taken to make the alterations and additions to the Recitation Building as indicated by new drawings Nos. 5A, 6A, 7A, 8A, S4A, and H2A, and revised drawings PE2 and H1, H2, H3, and H4, dated April 1, 1948, as prepared by the University Architect.

Upon motion of Mr. Lincoln, seconded by Mr. Power, the Board by unanimous vote authorized the Business Manager to take the necessary steps and to secure the proper approvals for the additions to the contracts for the Recitation Building to accomplish the completion of this building as described above.

The Business Manager reported that in the past certain adjustments have been made in the rates for Laboratory Deposits by the Director of the Laboratory Supply Stores, with the approval of the various Department Chairmen. Such adjustments have been made to meet the change in amounts and values of supplies and equipment furnished to the student.

Since the amount used by the student varies from time to time and is based on the estimated use, it is recommended that such deposits be adjusted in the following manner:

1. That the Director of Laboratory Supply Stores and the Chairman of the department make a study of each Laboratory Deposit prior to the beginning of each quarter.
2. That their recommendation be sent to the President for his action.
3. If approval is given, that a notice be sent to the Registrar so that the amount for the next quarter will be assessed on the proper basis.
4. That any remaining balance, after all charges have been made to the student, be refunded.
5. This procedure will also apply to deposits made by students to cover cost of field trips in connection with certain courses.

Upon motion of Mr. Power, seconded by General Dargusch, the Board by unanimous vote approved the above recommendations.

The Business Manager presented the following recommendations:

That the agreement entered into by the University Hospital whereby the Hospital is required to pay the excess of the cost of hospitalization of Hospital employees over the Blue Cross premiums paid by these employees be approved by the Board. The net amount so charged for 1947 is \$1,411.98 and it is recommended that the deduction of this amount from the Blue Cross remittances for January, 1948, services by the Hospital be hereby approved.

Upon motion of General Dargusch, seconded by Mr. Power, these recommendations were approved by unanimous vote.

The Business Manager presented the drawings, specifications, and other necessary documents for the construction of additional facilities for the Research Foundation Laboratories on the site adjoining

the Jet Propulsion Laboratory north of Lane Avenue, east of the River Road.

The estimate of cost is \$20,000, and the funds will be provided by the Research Foundation and will be transferred to the University.

Upon motion of Mr. Lincoln, seconded by Mr. Kettering, the Board by unanimous vote approved said documents and directed the Secretary to sign the same for and on behalf of the Board of Trustees. The Business Manager was directed to present them to the Director of Public Works for his approval and, if so approved, to advertise for bids in accordance with law. The Cabinet was authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate of cost, to recommend to the Director of Public Works the award of such contracts. All actions of the Cabinet on these matters are to be reported to the Board at a later meeting.

President Bevis presented the following recommendation:

That the minimum salaries for the following teaching ranks, established by the Board of Trustees on July 26, 1941, be increased as follows, effective with the contract year 1948-1949:

Instructor . . . . .	From \$1800 to \$2700
Assistant Professor . . . . .	From \$2650 to \$3900
Associate Professor . . . . .	From \$3500 to \$5100
Professor . . . . .	From \$4000 to \$6000

Upon motion of General Dargusch, seconded by Mr. Power, this recommendation was approved by unanimous vote.

The President now reported to the Board the deaths of Emeritus Professor Carl L. Spohr, Professor William S. Hendrix, and Emeritus Professor Raymond J. Seymour. In accordance with the recommendation of the Board of Trustees, a copy of the resolution expressing, on behalf of the University, the sorrow and sympathy of the Board, has been furnished to the families of the deceased.

The Board of Trustees learns with regret of the death on March 8, 1948, of Emeritus Professor Carl L. Spohr of the Department of Pathology. Dr. Spohr came to the Ohio State faculty as Professor of Bacteriology in 1914. He brought to his position a rich background of training and experience. His training included degrees from the Starling Medical College and from the Ohio Medical University, and some training in the University of Vienna. His experience included work at both the Ohio Epileptic Hospital and the Columbus State Hospital.

Dr. Spohr was distinguished in many ways, but particularly as an outstanding teacher. His students always admired and respected him and he was highly regarded by alumni all over the country. His passing will be mourned not only by these devoted alumni, but by his colleagues on the campus and his professional associates in the state.

The Board of Trustees learns with regret of the death on March 22, 1948, of Professor William S. Hendrix of the

Department of Romance Languages. Dr. Hendrix had been a member of the University faculty since 1920, and since 1926 had been Chairman of the Department of Romance Languages. During this distinguished period of service, he developed an outstanding department with particular success in the rapid development of language ability among the students.

His leadership extended beyond the campus in that he was very active in the national associations in his field, and was editor-in-chief of the *Modern Language Journal*. He was also influential throughout the country by virtue of his several textbooks and other writings in the field. His untimely death is mourned, not only by his associates on the campus, but by former students all over the world, and by members of his profession who had come to look to him for leadership.

---

The Board of Trustees learns with regret of the death on April 10, 1948, of Emeritus Professor Raymond J. Seymour of the Department of Physiology. Dr. Seymour had retired four years ago, after forty-two years of faithful and distinguished service to the University. He was graduated from the University in 1900 and from the Ohio Medical University in 1904. With his broad background of preparation and his fine personality he naturally became a leader among his colleagues, and a wise counselor and guide to students.

His passing will be mourned by former students, the campus community, and a host of friends.

The Board of Trustees desires to express its deep sympathy and its sense of understanding in their loss. It is directed that these resolutions be inscribed upon the minutes of the Board.

THE OHIO STATE UNIVERSITY

OFFICIAL PROCEEDINGS OF THE  
EIGHT HUNDRED AND THIRTEENTH MEETING OF THE  
BOARD OF TRUSTEES

Columbus, Ohio, May 10, 1948.

The Board of Trustees met at the University at 9:0 a. m., pursuant to adjournment.

Present: H. S. Atkinson, Chairman, James F. Lincoln, Vice-Chairman, General Carlton S. Dargusch, C. F. Kettering, Donald C. Power, and Lockwood Thompson.

\* \* \* \* \*

The minutes of the last meeting were approved.

\* \* \* \* \*

The President recommended that Robert J. Findlay, Assistant in the Department of Botany, be granted a leave of absence, without salary, for military service for the period, December 1, 1942, to March 31, 1947, and that his resignation be accepted, effective March 31, 1947. (At the meeting of the Board of Trustees, held on December 14, 1942, Mr. Findlay's resignation was erroneously reported as effective November 30, 1942. The record should have stated that Mr. Findlay had been granted military leave.)

Upon motion of General Dargusch, seconded by Mr. Thompson, the Board by unanimous vote approved the above recommendation.

\* \* \* \* \*

The President presented the following resolution:

WHEREAS, There has developed over the years a need for better coordination of the several libraries on the Campus with the Main Library; and

WHEREAS, It is desirable that such coordination be effected under the general direction of the head of Library Service;

Therefore be it

RESOLVED, That the title of Librarian be changed to Director of Libraries.

Upon motion of Mr. Lincoln, seconded by Mr. Power, the above resolution was adopted by unanimous vote.

\* \* \* \* \*

The President recommended that Lewis Capers Branscomb be elected Associate Director of Libraries and Professor of Library Administration, effective July 15, 1948, at a salary of \$7000 on a twelve months' basis.

Upon motion of Mr. Lincoln, seconded by Mr. Power, the Board by unanimous vote approved this recommendation.

\* \* \* \* \*

The Business Manager presented the following statement:

The Adjutant General's Department has requested that The Ohio State University make available to the Adjutant General's Department sufficient land at Don Scott Field for the construction of certain hangars, taxi strips, etc., for the use of the Ohio National Guard. The cost of the construction of said improvements will be paid from funds appropriated by the Congress for the support of the Ohio National Guard.

The University Architect has examined the proposal of the Adjutant General, and has presented a diagram showing where the hangars may be placed. The diagram also shows the areas which may be used for roads, parking, aprons, and taxi strips in accordance with the general pattern established by the master plan for the Airport.

The University Cabinet now recommends that the request of the Adjutant General, as outlined in his letter of March 22, 1948, and amended as to size of hangars as indicated by the diagram of April 23, 1948, be approved by the Board of Trustees.

It is further recommended that the President be authorized to enter into the necessary agreements with the Adjutant General for this purpose.

Upon motion of General Dargusch, seconded by Mr. Kettering, the above recommendations were approved by unanimous vote.

\* \* \* \* \*

The President recommended that the following action taken by the Athletic Board on April 21, 1948, be approved:

That it be the opinion of the Athletic Board that for the 1948 season it should not collect nor pay to the Bureau of Internal Revenue a federal admissions tax greater than the tax due on the actual price for the second, third and fourth football tickets sold to members of the faculty or employees, and that this policy be followed by the athletic administration if the policy is approved by the President and the Board of Trustees.

Upon motion of Mr. Power, seconded by General Dargusch, the above recommendation of the President was approved by unanimous vote.

Upon motion of Mr. Power, seconded by Mr. Lincoln, the above recommendations of the President were approved by unanimous vote.

The President read to the Board the resolution adopted March 17, 1948 by the Athletic Board, asking for the decision of the President and the Board of Trustees as to the filing of a claim against the State

of Ohio for the refund of taxes collected on admissions to the Athletic contests, under a law now repealed.

In view of the manifold financial relationships between the University and the State of Ohio, and particularly the fact that the return of this money to the University would require an act of appropriation by the Legislature or the Board of Control, or both, the President recommended that no claim for refund be filed.

On motion of Mr. Power, seconded by General Dargusch, the above recommendation was approved by unanimous vote.

The Business Manager advised the Board that the City of Columbus has notified the University that it will not be permitted to tap the City sewer at the point at which the University had planned to enter the sewer in connection with the proposed Medical Center.

The architects and the Director of the Physical Plant feel that extension of the sewer from the proposed Medical Center to the new location decided upon by the City and the University is essential. Huffman-Wolfe Company which has the Plumbing, Heating and Ventilating contract is computing the cost which will be necessary to construct the additional sewer lines.

It is recommended that the University Cabinet be given authority to proceed with this addition to the contract in the approximate amount of \$25,000 and that the Business Manager be authorized to secure permission of the Board of Control for this purpose. All actions in this regard are to be reported at the next meeting of the Board of Trustees.

Upon motion of General Dargusch, seconded by Mr. Power, this recommendation was approved by unanimous vote.

The Business Manager presented the following statement:

The City of Columbus has informed The Ohio State University that it is necessary to provide a relief measure to reduce street flooding at High Street and Thirteenth Avenue. The basic part of the measure as planned involves the construction of a 72-inch sewer to replace the existing 47-inch sewer located in Ohio State University property, approximately on the line of Thirteenth Avenue, extended westwardly, between High Street and the 93-inch main trunk sewer, a distance of about 450 feet.

It is requested that the Board of Trustees authorize the President to enter into an agreement to permit the City to have the necessary right-of-way so as to provide the necessary relief from surface water flooding in this vicinity.

The suggested agreement would involve the University in no more than a grant of a right-of-way to permit the City to construct the sewer.

Upon motion of Mr. Power, seconded by Mr. Thompson, the above request was approved by unanimous vote.

The Post Office Department Inspection Service has notified us that under date of March 22, 1948, the Fourth Assistant Postmaster General accepted the proposal to lease quarters for University Station for a further term of ten years from July 16, 1948.

In connection with the execution of this lease it is requested that the Board of Trustees adopt the following resolution authorizing the President and Business Manager to execute the lease and do all things necessary subsequent thereto.

The resolution is as follows:

Be it and it is hereby resolved that Howard L. Bevis, President of Ohio State University, is hereby authorized to execute a lease with the Post Office Department of the United States of America for a term of ten years from July 16, 1948, at a rental of \$1.00 per annum for the use of the post office at University Station, Columbus, Ohio, first floor, 33 feet 10 inches by 81 feet 3 inches providing 2642 square feet net of the two-story brick building known as the Journalism Building, located on the northeast corner of 18th Street and Neil Street in Columbus, Franklin County, Ohio, and to otherwise fully comply with the terms of our proposal dated January 23, 1948, and accepted by the Fourth Assistant Postmaster General, March 22, 1948.

It is hereby further resolved that Jacob B. Taylor, Business Manager, is authorized to countersign the lease.

It is further resolved that Jacob B. Taylor, Business Manager, is hereby authorized to receive and receipt for all rentals due under the lease and this power extends in like force to the duly elected and qualified successors of the officer named during the terms of the lease.

Upon motion of Mr. Thompson, seconded by Mr. Kettering, the Board of Trustees adopted the foregoing resolution by unanimous vote.

adoption:

General Dargusch offered the following resolution and moved its

BE IT RESOLVED by the Board of Trustees of the Ohio State University that there shall be repaid to the Treasury of the State of Ohio on June 15, 1948, a portion of the \$500,000.00 Dormitory Construction Loan (Stadium) amounting to \$17,500.00, or half of the required annual payment.

The above action is in accordance with the provisions of House Bill 477 for Dormitory Construction, passed by the Legislature July 6, 1945, and approved by Governor Lausche on July 18, 1945.

This motion was seconded by Mr. Kettering and upon roll call was unanimously approved.

The Business Manager presented the following statement:

At the April 19th meeting of the Board of Trustees, permission was granted to take the necessary steps and secure the proper approvals for the additions to the contracts for the Recitation Building to accomplish the completion of this building by constructing a fourth floor.

At that time it was stated that the Architect's preliminary estimates would indicate that this addition could be accomplished for less than \$65,000.00. The University Architect now reports that his original estimate was too low and that the actual proposal of the general contractor and the three sub-contractors involved total \$81,497.00. The University Architect states that the proposals were checked in detail and were found to be reasonable in every respect and in proper proportion to the division of costs upon which the existing contracts are based, which were obtained in the original competitive bidding.

It is recommended, therefore, that the Board of Trustees approve the expenditure of the amount of \$81,497 for this purpose rather than the \$65,000 authorized at the April 19, 1948 meeting.

Upon motion of General Dargusch, seconded by Mr. Lincoln, the Board by unanimous vote approved the above recommendation.

The Business Manager presented a detailed statement to the Board of Trustees relative to the progress of the building program now under way. The desirability of completing this program by December 31, 1948 was stressed. It was pointed out that to do so would require that assistance be given to the University Architect's office in the development of plans, specifications, etc.

The following action was recommended by the Business Manager:

That approval be granted the proper administrative officers to recommend that a contract be entered into with Bellman, Gillett and Richards, Toledo, Ohio, for architectural services for the proposed new Ohio Union at standard rates for such services. Report on this matter is to be made at the next meeting of the Board of Trustees.

Upon motion of General Dargusch, seconded by Mr. Power, this recommendation was approved by unanimous vote.

\* \* \* \* \*

The Business Manager further recommended that outside architectural assistance be secured at once for the planning of the Electrical Engineering Building and the Agricultural Laboratories and that the Business Manager be authorized to recommend to the Director of Public Works that contracts for architectural services be entered into with Ohio architects for the Electrical Engineering Building and the Agricultural Laboratories at standard rates. Report on this matter is to be made at the next meeting of the Board of Trustees.

Upon motion of Mr. Lincoln, seconded by Mr. Kettering, this recommendation was approved by unanimous vote.

Vice-President Stradley now presented a report on the Student Financial Aids Office, covering student employment, scholarships, loans, etc.

The President presented the following resolution and recommended its adoption:

Pursuant to the Board's instruction, I present herewith a recommendation for the rewording of the resolution of April 22, 1946, concerning political meetings on the University campus:

BE IT RESOLVED, That it is the policy of the University to encourage free and objective discussion among students and faculty, of political, social and economic issues that directly supplement the educational program of the University, subject to the following:

- 1) It will not countenance and will not provide facilities for the fostering, inculcation or propagandizing of doctrines or programs favoring the overthrow of our government by force. This does not prohibit objective discussion of any political, social or economic doctrine. Objective discussion and propaganda should be sharply differentiated.
- 2) It does not permit the holding of meeting on the campus organized in the interests of candidates for political office whether addressed by such candidates themselves or by others in their behalf.
- 3) Political clubs or other groups may be organized and may meet on the campus provided they comply with the requirement of loyalty to the government. Bona fide members of such clubs or groups may at meetings discuss political issues or the merits of candidates, but may not under the guise of such discussion, violate the provisions of paragraph (2) hereof either by bringing outside speakers or holding what in effect are open meetings, or otherwise.

Upon motion of General Dargusch, seconded by Mr. Lincoln, the above resolution was upon roll call, adopted by the following vote:

Ayes: Atkinson, Dargusch, Kettering, Lincoln and Power

Mr. Thompson requested that his vote be recorded as favoring Paragraph (1), but not Paragraphs (2) and (3).

The President presented the following:

That upon the recommendation of the University Faculty Council, the following persons be awarded honorary degrees at the June Commencement, 1948:

Boyd H. Bode—Doctor of Laws  
 Verne A. Dodd—Doctor of Laws  
 William L. Evans—Doctor of Laws  
 William E. Henderson—Doctor of Laws  
 James R. Hoskins—Doctor of Laws  
 Joseph A. Leighton—Doctor of Laws  
 Charles C. Stillman—Doctor of Laws

Upon motion of General Dargusch, seconded by Mr. Kettering, this recommendation was upon roll call unanimously approved.

The President now reported to the Board the deaths of Professor Guy W. Conrey and Dean Emeritus Embury A. Hitchcock. In accordance with the recommendation of the Board of Trustees, a copy of the resolution expressing, on behalf of the University, the sorrow and sympathy of the Board has been furnished to the families of the deceased.

The Board of Trustees learns with regret of the death of Professor Guy W. Conrey of the Department of Agronomy on April 20, 1948. Dr. Conrey came to Ohio State University as a graduate student and instructor in 1917. He secured his Ph.D. degree here in 1921 and since that time has served with distinction the University and the Agricultural Experiment Station. In addition to his experience here, he had valuable experience in Michigan and Wisconsin prior to 1917, and has been Chief of the Soil Survey Division for the U. S. Department of Agriculture. His professional standing is attested by the fact that he was in 1937 appointed a Fellow in the American Society of Agronomy and by his membership in several professional societies. He not only contributed notably to our University work, but was a leader in the field of soil conservation in the State.

His loss will be felt keenly both on the campus here and at Wooster, as well as by his professional associates nation-wide.

The Board of Trustees learns with regret of the death on April 29, 1948, of Dean Emeritus Embury A. Hitchcock of the College of Engineering. Dean Hitchcock came to the Ohio State University in 1893 and served for the succeeding twenty years in various important capacities. From 1913 to 1920 he held responsible positions with industry and returned in 1920 to the University as Dean of the College of Engineering and Director of the Experiment Station. This joint position he held until retirement in 1936. Dean Hitchcock's career was distinguished both in industry and in engineering education, but his highest devotion was to the latter. His success in education was so great that in 1926 he was awarded the degree "Human Engineer" by the students whom he had helped. He was a member of numerous professional societies in his field and was active in church and community affairs, and he will be missed both in his home community and by his many professional associates over the country.

The Board of Trustees desires to express its deep sympathy and its sense of understanding in their loss. It is directed that these resolutions be inscribed upon the minutes of the Board.

Thereupon the Board adjourned to meet at 9:30 a. m., Monday, June 14, 1948, at the University.

Ida Carson, Maid, Stadium Dormitories, effective July 1 to September 15, 1948;

Katherine Whetnall, Maid, Stadium Dormitories, effective July 1 September 15, 1948;

Sam Seibert, Janitor, Stadium Dormitories, effective July 1 September 15, 1948;

John Trent, Janitor, Stadium Dormitories, effective July 1 to September 15, 1948;

Gordon T. Tracy, Janitor, Physical Plant, effective May 6, 1948 for an indefinite period;

Henry Burger, Janitor, Physical Plant, effective June 17 through June 30, 1948.

That the leave of absence, without salary, granted at the April 19, 1948 meeting of the Board of Trustees to Joseph L. Morton, Associate Professor, Department of Radiology, be changed from April 1 through May 31, 1948 to April 17 through May 31, 1948;

That the salary of John C. Wright, Research Associate, be transferred from Rotary 11174, Division of Conservation-Stone Laboratory to Rotary 11171, Division of Conservation-Ohio Reservoir Fisheries Research, effective September 15, 1947;

That Newton C. Rochte, Assistant to the Director, Radio Education, be paid from Institute for Education by Radio Rotary 11331 from April 23 to May 31, 1948;

That, upon the recommendation of the Faculty Council at its meeting on June 8, 1948, a Department of Preventive Medicine (Public Health, Nutrition, Industrial Hygiene) be established in the College of Medicine, effective July 1, 1948;

That agreements between The Ohio State University and the State Department of Education covering the following contracts be approved:

1. Sight Saving Class Teachers—\$400, for the period June 22 to  
July 28, 1948
2. Partially sighted children—\$250, for the period June 22 to  
July 28, 1948
3. Child Study—\$637.50 for the period October 1 to December  
31, 1948

That upon the recommendation of the Faculty Council at its meeting held on June 8, 1948, the following Faculty Rules be amended:

1. That the title of Rule 160 be changed from "Payment of Fees" to "Registration and Payment of Fees."
2. That Rule 161 be amended to read:  
 "Time of Registration and Payment of Fees. Registration and payment of fees are required of all students by the close of the business day next preceding the first day of classes each quarter. Any student who fails to meet this requirement will be assessed a penalty of \$1.00 for each succeeding day or fraction thereof (with a maximum of \$10.00) unless excused by the Registrar, effective Autumn Quarter 1948.
3. That Rule 162 be entirely deleted.

That upon the recommendation of the Faculty Council at its meeting held on June 8, 1948 a new rule be established to read:

154. Commencing with the Summer Quarter of 1948, no professor, associate professor, assistant professor, or college or University administrative officer\* will be permitted to become a candidate in this University for a degree administered by the Graduate School; but any person within these categories who, prior to the effective date of this rule, has been granted permission to work toward a degree in this University may complete all requirements for that degree.

\*As listed in the official bulletin of the University.

It is further recommended that this rule be adopted with the provision that, in the administration of this University and of the various instructional departments, recognition be given to the practical necessity for employing as instructors men of high professional experience and attainment and who wish to undertake graduate work for a degree at salaries adequate to attract such persons. In such instances, the salary "scale for such instructors might well be at a figure normally offered to an assistant professor, an associate professor, or a professor, depending entirely upon the merits of the individual case. Failure to recognize this important provision must be expected to result in dissatisfaction and ultimate demand for the repeal of the rule."

That the following procedure be established for all students registering in the professional colleges during the Summer Quarters:

"Students in the professional colleges may enroll during the summer quarters for courses of a liberal arts nature without transfer from their respective professional colleges. Fees for this registration would be the same as for regular registration in the professional schools except that the non-returnable laboratory fee, professional library, laundry, and breakage fees will not be charged. Such registration will not be considered as quarters of residence in the professional colleges."

That the fee for board for girls living in the Home Management Houses (School of Home Economics) be increased from \$90.00 per quarter to \$100.00 per quarter, effective October 1, 1948.

That upon the recommendation of the Athletic Board at its meeting held on May 19, 1948, the sum of \$10,656.63 (the balance in the principal of the Harley Fund) be given to the University for invest-

ment in its regular endowment funds, in accordance with Section 4861-10 of the General Code.

This gift is to be used to establish a fund to be known as the Charles W. Harley Memorial Fund. The income from this fund is to be used exclusively for the welfare and health of Charles W. Harley as long as he may live and is to be used to defray any expenses incident to his interment at his death. After his death, any balance in the income account is to be added to the principal fund and the income thereafter is to be used to support scholarships for outstanding undergraduate male students at The Ohio State University.

The scholarship recipients are to be appointed and the amounts of the awards are to be determined by the University Scholarship Committee.

That the following gifts be accepted and the appreciation of the Board of Trustees be appropriately expressed:

\$10,000 from William B. Calkins for the George H. Calkins Scholarships, to be added to the George H. Calkins Scholarship Fund established May 19, 1948 by a gift of \$10,000 through the Development Fund from W. B. Calkins, GPH '98, in honor of his brother, George H. Calkins, ME in EE '95, to be invested in accordance with Section 4861-10 G.C. The income is to be used for scholarships in the field of science and the recipients are to be selected by the University Scholarship Committee.

General Dargusch submitted the following motion and moved its adoption:

That the President be authorized to discuss with the appropriate officials of the Veterans Administration, the possible location of a Veterans Hospital on the campus of the Ohio State University and to explore the terms upon which the interchange of facilities of each may be used and to report his finds and recommendations back to the Board for its consideration.

That the Board expresses its willingness to cooperate with the Veterans Administration in providing care for veterans residing in Central and South Eastern Ohio.

The above motion was seconded by Mr. Thompson, and upon roll call was unanimously approved.

\* \* \* \* \*

General Dargusch presented the following resolution and moved its adoption:

WHEREAS, The Ohio State University is now engaged in the construction of a Medical Center which will include a 600-bed teaching hospital and an associated dental school for the purpose of providing additional and more adequate facilities for teaching and research in the fields of medicine and dentistry and to which Medical Center will be added a tuberculosis hospital of 200 beds and a receiving hospital of 100 beds if acceptable bids are received and such other appropriate facilities as may be made available from time to time including the proposed veterans hospital.

AND WHEREAS, the addition of such teaching facilities will make possible an increase in the number of persons given instruction in medicine at the Ohio State University.

NOW, THEREFORE, BE IT RESOLVED that the

President be and he is hereby authorized to take such steps as may be necessary to increase the number of students which may be presently enrolled in medicine to a number commensurate with the additional facilities for teaching which are now being provided.

The above motion was seconded by Mr. Lincoln and upon roll call was unanimously approved.

General Dargusch offered the following resolution and moved its adoption:

That there be appropriated for the fiscal year 1948-49 from the Interest on Endowment Fund the sum of \$2,000 for the use of the President for payment of expenses incurred in connection with official entertainment.

The above motion was seconded by Mr. Lincoln and was approved by unanimous vote.

The President presented to the Board the form of an application to the Surgeon General of the United States Public Health Service for a grant for a research project, in the amount of \$1,500,000 for a cancer research laboratory to be constructed at the Ohio State University. This form of application, accompanied by supporting documents, was transmitted with a letter dated June 7, 1948 by Dr. Charles A. Doan, Dean of the College of Medicine. This letter referred to minutes of the meeting of the Board of Trustees dated November 9, 1947, relating to the same project, which minutes provided that the President was authorized to explore certain proposals submitted by Dean Doan and report back to the Board of Trustees with recommendation. Dean Doan's letter and the accompanying application and papers are in pursuance of said Board resolution.

Dean Doan's letter of June 7 et al having been received in the President's office during the activities of Commencement week, the President reported that there had been insufficient time within which to study the same and make recommendation to the Board for action.

It was accordingly moved by Mr. Lincoln, seconded by General Darbusch and carried that the matter be referred to the University Cabinet for thorough study, and further—

That, if after such study, in the judgment of the University Cabinet, action on the application should become necessary prior to the next meeting of the Board of Trustees, the President and the University Cabinet be authorized to act on behalf of the University, and further—

That in any event, report be made by the University Cabinet to the Board of Trustees.

The President presented for the record the following statement regarding the University Y.M.C.A.:

On April 19, 1948 I reported to the Board of Trustees concerning certain statements in the public press about the University Y.M.C.A. In that statement I advised the Board that a committee representing the Columbus Community Chest, headed by Ralph D. Henderson, had been appointed to investigate the charges made, and that I had

appointed a separate committee, consisting of Dean Charles E. MacQuigg, Professor Francis Aumann and Vice President Bland L. Stradley, "to inquire into the organization, management and practices of the University Y.M.C.A. with particular reference to the published statements referred to, and to report their findings."

Both of the foregoing committees have completed their investigation and made their respective reports which have been published either in whole or in part in the press. Both reports are appended hereto.

Both reports are unequivocal in their findings that neither the Y.M.C.A. as such nor any of its officers are Communistic in their views, practices or policies. Each report suggests, however, that apart from any implication of Communism certain questions concerning the organization and the relation of the University Y.M.C.A. to the University and other organizations in the community might be studied.

Such study will be undertaken by the University and further report made to the Board.

\* \* \* \* \*

The President read to the Board a letter dated May 14, 1948 from Walter G. O'Donnell, formerly an instructor at this University. The Board decided that the letter should be filed and that no further action should be taken.

\* \* \* \* \*

The President presented the following revised rules covering the Four-Quarter Plan and recommended that the same be approved by the Board of Trustees:

## FOUR-QUARTER PLAN

### *Participation*

All persons of the rank of Instructor or higher, who devote a major portion of their time to teaching or research, shall be on the Four-Quarter Plan.

The Four-Quarter Plan shall not apply to Deans, Junior Deans, Directors of Bureaus, Administrative Officers and other non-teaching employees.

### *Quarters of Service to be Given*

The policy of the University is that service shall be given for three quarters with one quarter leave.

All persons of the rank of Instructor or higher on regular annual contract shall give instruction during three quarters of the year with a minimum of twelve hours per week or its equivalent.

Quarters of service are assigned by the University and are subject to change during the year as occasion requires.

### *Contracts*

All contracts for service shall be approved by the Board of Trustees prior to service; otherwise, no obligation against the University shall exist.

All contracts for service, either regular and/or special, shall be paid during the individual's year in accordance with the service rendered. There will be no accumulation of leave credit.

*Regular Contracts*

Each regular annual contract shall show the quarters in which service is to be given, the annual salary rate and the date on which the individual's year begins.

*Special Contracts*

Any contract for a member of the instructional staff of less than three quarters shall be considered special.

A special contract for cash compensation for extra instruction shall not be issued before the completion of three quarters of service in an individual's regular contract year.

Special contracts for extra instruction shall be at a rate *not to exceed* one-third the individual's annual salary, and shall be paid during the quarter in which service is rendered.

*Payments of Salaries*

Regular contracts shall be paid on a 12 months' basis. The monthly payment of salary shall begin with the date on which the appointment becomes effective.

Special contracts shall be paid during the quarter in which service is rendered.

All persons promoted from any lower rank to the rank of instructor or transferred from a special contract to a regular annual contract, shall be deemed new appointments, and the monthly payment of salary shall begin with the date on which the appointment becomes effective.

Salaries shall be figured so that an individual shall be paid the amount that he has earned. The earnings for one quarter of service shall be one-third of his annual salary; for two quarters of service, two-thirds of his annual salary; for three quarters of service, three-thirds of his annual salary.

*Increase in Salaries*

Increases in salary, which are provided in the Annual Budget, shall become effective at the beginning of the individual's regular contract year.

Increases in salary, which are made during the year, shall become effective at the beginning of the quarters.

*Leaves of Absence*

If an individual is granted a leave of absence without salary for one quarter, it means that he will be off the pay roll for four months; for two quarters, eight months; and three quarters, twelve months. In other words, leaves of absence, without salary, are figured on the pro-rata basis.

*Termination of Service*

A person who resigns or is discharged before completing three quarters of service in his regular contract year shall receive the pro-rata part of his annual salary for the service rendered.

In case of death before the completion of three quarters of service, the final settlement shall require the payment of all salary earned.

In case of resignation or discharge where salary has been paid in

advance of service rendered, the final settlement shall require refund to the University of all such advance payments.

Cases not provided for in these rules require approval by the Board of Trustees.

Upon motion of Mr. Lincoln, seconded by Mr. Thompson, this recommendation was approved by unanimous vote.

\* \* \* \* \*

The Business Manager presented the plans, specifications, bill of materials and estimate of cost for the following projects as prepared by the Director of the Physical Plant and stated that the Cabinet has approved said documents and now recommends that they be approved by the Board of Trustees:

<i>Project</i>	<i>Estimate of Cost</i>	<i>Payable from</i>
Interior Painting and Patch Plastering of Derby Hall and Hayes Hall	\$28,000.00	F-1 Building Repairs

Upon motion of Mr. Thompson, seconded by Mr. Lincoln, the Board by unanimous vote approved said documents and directed the Secretary to sign the same for and on behalf of the Board of Trustees. The Business Manager was directed to advertise for bids in accordance with law and the Cabinet was authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate of cost, to award contracts accordingly. The President is authorized to sign such contracts for and on behalf of the Board of Trustees. All actions of the Cabinet on this matter are to be reported to the Board at a later meeting.

The Business Manager presented the plans, specifications, bill of materials and estimate of cost for the following project as prepared by the Director of the Physical Plant and stated that the Cabinet has approved said documents and now recommends that they be approved by the Board of Trustees:

<i>Project</i>	<i>Estimate of Cost</i>	<i>Payable from</i>
Hard Surfacing the Roads in Project I of the River Road Housing	\$6,000.00	G-32 River Road Housing—Site Preparation H. B. 455

Upon motion of Mr. Thompson, seconded by Mr. Lincoln, the Board by unanimous vote approved said documents and directed the Secretary to sign the same for and on behalf of the Board of Trustees. The Business Manager was directed to present them to the Director of Public Works for his approval and, if so approved, to advertise for bids in accordance with law. The Cabinet was authorized to receive and open bids for and on behalf of the Board of Trustees and, if any

bids are received below the estimate of cost, to recommend to the Director of Public Works the award of such contract. All actions of the Cabinet on these matters are to be reported to the Board at a later meeting.

The Business Manager presented the plans, specifications, bill of materials and estimate of cost for the following project as prepared by Bellman, Gillett & Richards and stated that the Cabinet has approved said documents and now recommends that they be approved by the Board of Trustees:

<i>Project</i>	<i>Estimate of Cost</i>	<i>Payable from</i>
Addition to Commerce Building— Bellman, Gillett & Richards		G-2 Buildings— Addition to Commerce Building and Equipment

Upon motion of Mr. Thompson, seconded by Mr. Lincoln, the Board by unanimous vote approved said documents and directed the Secretary to sign the same for and on behalf of the Board of Trustees. The Business Manager was directed to present them to the Director of Public Works for his approval and, if so approved, to advertise for bids in accordance with law. The Cabinet was authorized to receive and open bids for and on behalf of the Board of Trustees and, if any bids are received below the estimate of cost, to recommend to the Director of Public Works the award of such contract. All actions of the Cabinet on these matters are to be reported to the Board at a later meeting.

The Business Manager reported that in accordance with authority granted by the Board of Trustees at its meeting on May 10, 1948, the Cabinet has selected Bellman, Gillett & Richards, Architects of Toledo as associate architects working with the University Architect in connection with the design and construction of the proposed new Ohio Union Building. The cost of such professional services will be computed upon the basis of 5½% of the total cost of contracts upon which services are rendered. This fee is to be apportioned as follows:

- a. For the services rendered by Bellman, Gillett & Richards, the fee will be ¾%.
- b. To cover cost of local full-time supervision, whether furnished by the University or by Bellman, Gillett & Richards, a reserve of ¼% will be held.
- c. The value of the services rendered by the office of the University Architect is computed at 1%.

The Director of Public Works has approved this action. Upon motion of Mr. Lincoln, seconded by Mr. Thompson, the Board by unanimous vote approved the above action of the Cabinet.

\* \* \* \* \*

The Business Manager reported that, in accordance with authority granted by the Board of Trustees at its meeting on May 10, 1948, the Cabinet has selected Sims, Cornelius & Schooley, Architects of Columbus, to supplement the services of the University Architect with the design and construction of the first portion of the proposed Electrical

Engineering Building. The cost of such professional services will be computed on the basis of 6% of the total cost of contracts awarded.

This fee will be apportioned as follows:

- a. For services rendered by Sims, Cornelius & Schooley, the fee will be 5½%, including full-time supervision.
- b. If a portion of the supervision of construction is rendered by the University Architect, the 5½% fee will be adjusted to give proper credit for the value of such service.
- c. The value of the services rendered by the office of the University Architect, exclusive of any supervision of construction at the site, is computed at ½%.

The Director of Public Works has approved this action.

Upon motion of Mr. Lincoln, seconded by Mr. Thompson, the Board approved the above action of the Cabinet by unanimous vote.

The Business Manager reported that the budgetary provisions of the contract between the Ohio State University and the Sisters of the Poor of St. Francis expire on June 30, 1948.

Upon the recommendation of the Dean of the College of Medicine, concurred in by the University Administration, it is proposed that the allotment for the year 1948-49 be as follows:

(1) Salaries of residents, interns and assistants appointed by the College of Medicine amounting to approximately..	\$10,224.00
(2) Allotment for surgical and laboratory supplies through the Laboratory Supply Store .....	12,000.00
(3) Cash payment to St. Francis Hospital.....	30,000.00
TOTAL.....	\$52,224.00

It is further recommended that the Business Manager, with the advice of the Attorney General, be authorized and directed to propose the budget to the Sisters of the Poor of St. Francis. If acceptable to them, to sign an amendment to the contract incorporating the above schedule of payments.

Upon motion of Mr. Lincoln, seconded by Mr. Thompson, the Board by unanimous vote approved the above recommendation.

Upon motion of General Dargusch, seconded by Mr. Thompson, the Board by unanimous vote elected the following officers of the Board for the fiscal year beginning July 1, 1948:

Chairman, James F. Lincoln  
 Vice-Chairman, Warner M. Pomerene  
 Secretary, Carl E. Steeb  
 Treasurer, Hugh E. Nesbitt

\* \* \* \* \*

Upon motion of Mr. Thompson, seconded by Mr. Lincoln, the Board by unanimous vote selected General Carlton S. Dargusch to represent this Board at the annual meeting of the Association of Governing Boards of State Universities and Allied Institutions to be held at Spokane, Washington, October 2 to 5, 1948.

\* \* \* \* \*

The President presented a letter from Mr. Erdis Robinson under date of May 5, 1948, in which he expressed a desire to give to the University a portrait of his father (who died on November 3, 1910) painted by Professor R. Hopkins.

Professor Stillman W. Robinson joined the Ohio State University faculty in 1878, organized and managed as professor the Department of Mechanical Engineering to the time of his retirement in 1895.

Upon motion of Mr. Lincoln, seconded by General Dargusch, the Board by unanimous vote accepted the above gift and requested the President to express to Mr. Erdis Robinson the appreciation of the Board of Trustees.

\* \* \* \* \*

The President advised the Board that due to the death of Mr. Julius F. Stone who represented this Board for many years on the joint administrative Committee of the Perkins Observatory, the Board should now select a successor to Mr. Stone.

Upon motion of Mr. Lincoln, seconded by Mr. Thompson, the Board by unanimous vote selected Mr. Kettering for this position.

\* \* \* \* \*

Mr. Steeb now presented his resignation as the representative of this Board on the Board of Overseers of the Ohio Union, and upon motion of General Dargusch, seconded by Mr. Thompson, Mr. Steeb's resignation was accepted and the Business Manager, Mr. Jacob B. Taylor, was selected to succeed Mr. Steeb in that position.

\* \* \* \* \*

General Dargusch offered the following motion: That the Board commission Dr. James R. Hopkins, Emeritus Professor of Fine Arts, to paint a portrait of President L. Bevis. The compensation is to be \$750.00 payable from Interest on Endowment Fund.

The motion was seconded by Mr. Thompson, and upon roll call was unanimously approved.

\* \* \* \* \*

The President now reported to the Board the death of Professor George A. Washburne. In accordance with the recommendation of the Board of Trustees, a copy of the resolution, expressing on behalf of the University, the sorrow and sympathy of the Board has been furnished to the family of the deceased.

The Board of Trustees learns with regret of the death on May 11, 1948, of Professor George A. Washburne. Dr. Washburne received his Bachelor's degree from this University in 1907. After graduate study at Columbia University and after experience in high school teaching, he returned to The Ohio State University in 1918 as Assistant Professor of European History. Except for a period of time in graduate work at Columbia University where he received his Ph.D. in 1923, he has given continuous service to the University since that date.

His ability and devotion to the Department of History resulted in rapid increase in rank and carried him to the chairmanship of the department, which position he held at the time of his death. He was a brilliant and stimulating teacher as well as a careful student of history. He was a wise counselor, not only to his students, but also to his associates and to those who desired information concerning special problems in the field. His contributions to the field are found in his national associations and in his writings. With all his profes-

sional obligations, he nevertheless found time to be of great assistance to the campus and to Columbus community, and he was a member of numerous local organizations. He will be missed by his associates, both on and off the campus, as well as by his professional associates in the state and nation.

The Board of Trustees desires to express its deep sympathy and its sense of understanding in his loss. It is directed that this resolution be inscribed upon the minutes of the Board.
