PUBLIC SESSION

The Wexner Medical Center Board convened for its 26th meeting on Wednesday, June 6, 2018, in the Ross Auditorium of the Richard M. Ross Heart Hospital. Board Secretary Blake Thompson called the meeting to order at 9:05 a.m.

Item for Action

1. Approval of Minutes: No changes were requested to the April 4, 2018, meeting minutes; therefore, a formal vote was not required and the minutes were considered approved.

Items for Discussion

2. Building and Supporting the Next Generation of Physicians: Dan Clinchot, dean for education at the College of Medicine, highlighted MedPath, a selective program designed for potential students who are educationally and economically disadvantaged or ethnically diverse. MedPath accepts 15 new students each year, and they participate in a rigorous curriculum, academic skill development and mentorship. Quinn Capers, dean of admissions for the College of Medicine, highlighted an outreach program at the college that encourages high school students from Eastmoor Academy to consider careers in medicine.
3. College of Medicine Report: Dean Craig Kent recognized Phil Popovich, new chair of the Department of Neuroscience, and highlighted two programs — Catalyst, led by Ann McAlearney, which focuses on the rising area of health services research; and the Solid Organ Transplantation program, which has grown over the past five years from 47th to 14th in the nation.
4. Health System Operations Report: David McQuaid, CEO of the University Health System and COO of the Wexner Medical Center, and Elizabeth Seely, chief administrative officer for the health system's Hospital Division, shared an update on the success of "Community Health Day" at CarePoint East, and announced that the medical center will host a "Healthy Community Day" at the Schottenstein Center on September 16. Mr. McQuaid also shared that the LeapFrog Group, a national leader and advocate in hospital transparency, has awarded the medical center and University Hospitals East an A-rating for being one of the safest hospitals in the nation. Only 30 percent of hospitals in the United States receive an A-rating.
5. Updates on The James and the Comprehensive Cancer Center: William Farrar, interim CEO of the James Cancer Hospital and Solove Research Institute, shared an update on The James, which recently opened an eight-bed intermediate care unit for patients that is helping to decrease costs and improve satisfaction for those who need treatment but not admission to the hospital. Additionally, The James' Blood and Marrow Transplant program just received a gold-level Beacon Award for excellence in patient care from the American Association of Critical-Care Nurses. Dr. Farrar also encouraged everyone to participate in Pelotonia, which will celebrate its 10th anniversary in August. Raphael Pollock, director of The Ohio State University Comprehensive Cancer Center, discussed two major areas of focus — active recruitment efforts and the development of new programs, including a Center for Cancer Immunotherapeutics and a program in conjunction with the College of Engineering.

Items for Discussion (cont'd)

6. Health System Financial Summary and FY19 Budget Review: Mark Larmore, CFO for the medical center, presented the Health System Financial Summary through April and a forecast for the Fiscal Year 2019 budget. Admission results were ahead of budget by 0.4 percent, with a growth of 4.5 percent year-over-year. Cash-on-hand continues to grow, crossing over the \$1 billion mark in cash at the health system.

Items for Action

7. Resolution No. 2018-109, Standard Care Arrangement for The Ohio State University Wexner Medical Center:

Synopsis: The Ohio State University Wexner Medical Center commits to maintain high standards needed to provide optimal care of all patients and recommends the following standard care arrangement for approval.

WHEREAS The Ohio State University Wexner Medical Center's mission includes teaching, research and patient care; and

WHEREAS The Ohio State University Wexner Medical Center will use the standard care arrangement for collaborative practice between its employed physicians and Advanced Practice Registered Nurses (APRNs) prior to engaging in clinical practice; and

WHEREAS this standard care arrangement shall be governed by and construed in accordance with the laws of the state of Ohio, which requires review and approval in accordance with the bylaws of the medical staffs and by The Ohio State University Wexner Medical Center's governing body; and

WHEREAS the commitment to maintain the high standards needed to provide optimal care of all patients, with the medical staffs' support of the collaborative practice of The Ohio State University Wexner Medical Center's employed physicians and APRNs to enter into this standard care arrangement prior to engaging in practice, was approved by The Ohio State University Wexner Medical Center's Credentialing Committee on May 7, 2018; the University Hospitals Medical Staff Administrative Committee on May 9, 2018; the James Cancer Hospital Medical Staff Administrative Committee on May 11, 2018; and the Quality and Professional Affairs Committee on May 29, 2018:

NOW THEREFORE

BE IT RESOLVED, That the Wexner Medical Center Board hereby approves the use of this standard care arrangement to maintain the high standards needed to provide optimal care of all patients and to support the collaborative practice of the Wexner Medical Center's employed physicians and APRNs.

(See Attachment XXI for background information, page 5)

Action: See below, item No. 8, for the details of this combined action.

Process for Resolution of Disagreements Regarding Matters of Patient Management

Should a disagreement arise between the collaborating physician(s) and me regarding the patient's plan of care, I will communicate with the physician(s) and attempt to reach consensus.

The collaborating physicians(s) will be available for consultation with me at all times. In the event that the collaborating physicians(s) is/are unavailable or further consultation is necessary, I will follow the chain of command for communication outlined in the nursing standards of practice and policies for each hospital or clinic site.

In addition, any of the following options may be used to resolve the conflict:

- Consult with physicians, APRN colleagues or other disciplines or medical services with knowledge and expertise related to the specialty area
- Refer to current professional literature appropriate to the area in question

In the event that an agreement cannot be reached between the collaborating physician(s) and me, the ultimate decision regarding patient care rests with the collaborating physicians(s). In the event this situation occurs, the physician assumes care of the patient and the APRN may be recused of care.

The physician shall present the care options to the patient and obtain the proper consent.

Addendum #1

Exceeding the thirty (30) MED average for treatment of acute pain

As the collaborating physician, the APRN(s) and I have discussed circumstances as to when the APRN(s) may exceed the thirty (30) MED averages in treating acute pain. The following conditions are acceptable and may be appropriate for the APRN(s) to exceed the thirty (30) MED averages.

- (a) Traumatic crushing of tissue;
- (b) Amputation;
- (c) Major orthopedic surgery;
- (d) Severe burns

The APRN(s) and I have reviewed and are familiar with OAC 4731-11-13.

**APPROVAL FOR PURCHASE OF UNIMPROVED REAL PROPERTY
SAWMILL PARKWAY AND HOME ROAD
LIBERTY TOWNSHIP, DELAWARE COUNTY, OHIO**

Background

The Ohio State University's Wexner Medical Center (WMC) seeks to acquire vacant land for the development of additional ambulatory care facilities in Delaware County, Ohio. Acquisition of this land is important in meeting the objectives of WMC's ambulatory care strategy, which is in turn a key component of the WMC Strategic Plan and its mission to improve health in Ohio and across the world through innovation in research, education and patient care.

Location and Description

The subject property is located in Liberty Township, Ohio, and is part of the Golf Village North development. It is well located at the northeast corner of the intersection of Sawmill Parkway and Home Road, across from Olentangy Liberty High School, and is surrounded by additional school improvements, a few retail structures and residential subdivisions. The subject includes seven parcels totaling approximately 29.56 developable acres. The site is zoned PC (Planned Commercial District). Because zoning changes may be required in order to allow the planned use, the seller has agreed that the purchase contract will be contingent upon obtaining the necessary entitlements to allow medical facilities.

Property History

The property is currently owned by Golf Village North LLC, and will be acquired in the name of the state of Ohio for the benefit of The Ohio State University.

Purchase of Property

WMC recommends that the +/- 29.56 acres of unimproved real property described above be acquired on terms and conditions that are in the best interest of the university. The source of funding for the acquisition and subsequent development of the property will be the Wexner Medical Center. The acquisition price is \$8,000,000, subject to appropriate adjustments and prorations at closing.
