August 6, 2020, Board of Trustees Meeting

Chairman Gary R. Heminger called the meeting of the Board of Trustees to order on Thursday, August 6, 2020 at 1:00 p.m.

Members Present (online): Gary R. Heminger, Cheryl L. Krueger, Brent R. Porteus, Erin P. Hoeflinger, Alexander R. Fischer, Hiroyuki Fujita, John W. Zeiger, Lewis Von Thaeer, Jeff M.S. Kaplan, Michael Kiggin, Anand Shah

Members Absent: Abigail S. Wexner, Alan A. Stockmeister, Elizabeth P. Kessler

Mr. Heminger:

Good afternoon. We are going to wait a moment to make sure everyone is here. Will the Secretary please advise when a quorum is present?

Ms. Eveland:

A quorum is present.

Mr. Heminger:

Thank you. At this time, I would like to convene this meeting of the Board of Trustees. Thank you all for joining us today. We are meeting virtually in accordance with current recommendations provided by the CDC, and ordered by Governor DeWine, related to limiting in-person gatherings. We are also following the guidance outlined by the Ohio Attorney General's Office, which permits public meetings to be held virtually during this time of emergency. So thank you all for your flexibility.

Now, a few quick reminders: First, please ensure you are on mute unless you are speaking so we can avoid unnecessary background noise. To simplify this process, I will call on specific individuals to offer seconds to any motions. And please note that the public portion of this meeting is being recorded and livestreamed thanks to our partners at WOSU. With that, we will get started.

I would like to welcome Dr. Kristina Johnson, our incoming president, to The Ohio State University. Welcome, Kristina.

Dr. Johnson:

Thank you very much, I appreciate it, Mr. Chairman.

Mr. Heminger:

Our public session today will focus on two items, which will be presented by Provost McPheron. After hearing about both items, we will take one vote to approve at the end. Dr. McPheron, I will go ahead and turn the floor over to you, sir.

Dr. McPheron:

Thank you, Mr. Heminger. In May, the U.S. Department of Education issued new regulations regarding the processing of sexual misconduct allegations under Title IX, and they further required that campuses across the nation implement these regulations by August 14, 2020. Most of the required changes are being implemented through the university's policy revision process, which is underway currently. Today, I am requesting

the board's approval of additions to the *Rules of the University Faculty* that align the faculty disciplinary process in faculty rule 3335-5-04 with the Sexual Misconduct Policy. The University Senate approved these changes on July 23 in a special meeting and your action today would put those changes into effect. The revised rule modifies the existing faculty disciplinary process for Title IX complaints, including by integrating the Office of Institutional Equity into the investigation and fact-finding process. When the Office of Institutional Equity makes a finding, the case would then be referred to a faculty panel, which would recommend a sanction. The findings and sanction may be appealed by either the complainant or respondent for a final decision to the university's Executive Vice President and Provost. As I noted, the university must adopt all required changes related to Title IX policy by August 14 to meet the federal deadline.

The second item for your consideration is to properly honor four of our students who passed away in the past year. As you all know, we will celebrate the graduation of about 1,600 graduates during our virtual summer commencement ceremony this Sunday. Based on the recommendations of their academic programs, the university proposes to award posthumous degrees to the following students:

- Hasan Khan, a senior who was majoring in Food, Agricultural and Biological Engineering;
- Samuel Riley, who was majoring in Geographic Information Science;
- Jesse Sympson, who was completing an Associate of Arts degree in Health and Rehabilitation Sciences at the Marion campus; and
- Ahmed Thabt, who was pursuing a PhD in Physics and had completed the requirements for the master's degree that he would be awarded.

We, of course, will honor the privacy of the families, but we do want to celebrate their academic achievements. I'd be happy to answer any questions, Mr. Chairman.

Appendix I

The Ohio State University Board of Trustees August 6, 2020

Topic:

Addition to the *Rules of the University Faculty*

Context:

The University Senate has recommended an addition to the *Rules of the University Faculty* to address the following topic:

1. Change to Title IX Procedures for Faculty Cases 3335-5-04(A)(16)

- Faculty Rule 3335-5-04 governs the procedures for reviewing allegations of faculty misconduct.
- To comply with the mandates of the Title IX regulations released by the U.S. Department of Education in May 2020, this language provides new procedures for the investigation and resolution of Title IX sexual misconduct cases involving faculty respondents in accordance with the university's Sexual Misconduct policy.
- The new Title IX rules include specific requirements related to the investigation, adjudication, sanctioning, and appeals of sexual misconduct as defined by those rules. These requirements apply to cases involving faculty, staff, and students.
- This addition states that Title IX complaints shall be investigated pursuant to the procedures set forth in the university's Sexual Misconduct policy.

{00386033-1}

3335-5-04(A)(16)

Complaints of sexual misconduct pursuant to Title IX of the Education Amendments Act of 1972 and implementing regulations that are made against faculty members shall not be subject to the procedures set forth in Sections (B) through (D) of this rule, nor shall they be investigated by a college investigation committee under Section (E). Instead, such complaints shall be investigated pursuant to the procedures set forth in the university Sexual Misconduct policy, and findings shall be made at the preponderance of the evidence standard. All findings of misconduct shall be referred to the applicable college investigation committee for a recommendation for sanctions only in accordance with Section (E)(3)-(4). The sanction recommendation shall be incorporated into the findings in accordance with the university Sexual Misconduct policy, and a written determination containing the combined findings and recommended sanction shall be issued. Complainant and respondent shall have equal rights to appeal the written determination to the executive vice president and provost in accordance with Section (G) of this rule. The appeal shall be on the grounds for appeal permitted by the Sexual Misconduct policy and in accordance with the procedures provided by that policy. No other appeals shall be permitted.

POMP, CIRCUMSTANCE, AND OTHER SONGS OF A LIFETIME

—by Professor David Citino, 1947–2005, Late University Poet Laureate
(Originally presented as the 2000 Winter Commencement address)

If you're like me, you've got a big head,
not to mention a funny robe, full of music—
poems and melodies, the tunes
we move to, shower and shave by,
study, write to. Not just the incidental,

but the momentous music keeping time.
Our histories are measures of song.
Listen to your heart: drums of Africa,
sea-spume of blind, far-sighted Homer,
Sappho's honeyed love lyrics. Often,

music speaks for us, one note saying
a thousand words. Like Rodolpho
in Puccini's *La Boheme*, *Sono un poeta*.
I am a poet. *Che cosa faccio?* What
do I do? *Scrivo*. I write. This ceremony

is loud music—pomp and circumstance
of the life you began freshman year
or that first day of graduate school.
In my head I press Play, and the CD
of *Big Days* kicks on. I leap and linger

over moments too sweet, nearly, for words.
I'll never escape rhymes from the nursery.
Up above the world so high, like a diamond
in the sky. We knew from the start
our universe was aglow with wonder.

Italian, Latin, English songs in nasal accents
of Cleveland. *Gaudeamus igitur*, *Juvenes
dum sumus*. So, let us rejoice, while
we are young. Youth is that gift we can't
comprehend while we're young. This ceremony

means you all are less young than you were.
Don't let the heavy knowledge gained
from your studies deprive you of the gifts
of youth, to be able to rejoice at the drop
of a hat, to care for, be moved by others.

Now I hear golden hits of five decades.
Big Mama Thornton, and that so-called King
(King of what, fried butter sandwiches?)
who stole away her hound dog. You ain't
never killed a rabbit, you ain't no friend

of mine. As with those profs and TAs,
course after course, you had to produce—
kill some rabbits—to earn respect.
And at times OSU may have seemed
like Heartbreak Hotel, down at the end

of Lonely Street, so difficult was it
to do your best. Tennessee Ernie Ford,
"Sixteen Tons": St. Peter don't you
call me 'Cause I can't go. I owe
my soul to the company store.

You have been digging deep in mines
of knowledge. We all owe our souls
to Ohio State, company store of learning,
shared experience—precious ore
we have in common forever.

Now I hear Domenico Modugno's
fervent urging to wish, sing, fly,
Volare, Wo-oo. Cantare, Wo-o-o-o.
My grandfather was a peasant farmer,
a *contadino* in Calabria in the toe

of Italy. He knew it's the human lot
to dream of flying. Lucky, lucky,
lucky me, I'm a lucky son-of-a-gun.
I work eight hours, I sleep eight hours,
That leaves eight hours for fun.

Hey! He sailed in steerage across
the Atlantic, came to Cleveland, where
he stayed long enough to work 52 years
for the B&O Railroad, before lying down
to rest in good Ohio soil. So many of us

here today came from elsewhere,
or ancestors did. From Tennessee, Italy,
Africa, Asia, Appalachia—even,
President Kirwan, the wilds of Kentucky
and Maryland. Women and men with backs

supple as birch trunks. The courage
it took to pick up stakes and begin again
in a new world! Think of the work
those older ones did. For you. You all
are facing a change right now.

This sheepskin is your passport.
You're bound for emigration to
the next song of your life. Ohio State
is the ark on which you've been sailing.
You've been the precious cargo.

But, as Noah once said, I can see
clearly now the rain is gone. The ark,
our university, was filled to overflowing
with the diversity of us. Diversity.
Networks and talk shows devalue the word.

*Oh! Come let's sing Ohio's praise,
And songs to Alma Mater raise;
While our hearts rebounding thrill,

COMMENCEMENT ADDRESS

Michael Wesley Redd

An Olympic gold medalist, NBA All-Star and Buckeye basketball great, Michael Redd leverages the dedication and drive that made him a successful athlete to elevate entrepreneurs and their communities, and to advance innovation at the intersection of athletics, technology and wellness.

A Columbus native, Mr. Redd attended West High School prior to joining The Ohio State University. As a Buckeye, he was named Big Ten Freshman of the Year in 1998, a three-time Ohio State Most Valuable Player (MVP), an All-Big Ten selection and four-time Big Ten Player of the Week. Selected as a team captain in 2000, he ranks sixth in career

scoring at Ohio State, with 1,879 points, and seventh in career scoring average, with 19.6 points per game.

After three standout seasons with the Buckeyes, Mr. Redd was drafted by the Milwaukee Bucks in 2000. He became a cornerstone of the franchise and was named the team's MVP five times. He was an NBA All-Star in 2004 and competed with the gold-medal-winning U.S. Olympic Team in Beijing in 2008. After 11 years in Milwaukee, he played one season with the Phoenix Suns before retiring from professional basketball.

Mr. Redd has since built, developed and invested in a variety of startup companies. He is the founder and CEO of 22 Ventures and a venture

partner in the ADVantage Sports Tech Fund. He was previously the co-owner of Immersive, a Columbus-based virtual and augmented reality enterprise, and has been an angel investor in more than 85 companies.

Having completed his studies at Ohio State in 2015, Mr. Redd remains a generous supporter of the university. His philanthropy helped advance the construction of the Basketball Practice Facility and the soon-to-be-completed Ty Tucker Tennis Center, as well as other initiatives.

Mr. Redd was elected to the Ohio State Athletics Hall of Fame and the Ohio Basketball Hall of Fame in 2009. He currently resides in central Ohio with his wife and two children.

CONGRATULATIONS AND WELCOME TO THE ALUMNI ASSOCIATION

Congratulations, and welcome to the Buckeye alumni family, Class of 2020!

I know that each one of you has a unique Ohio State story to tell about your journey with us thus far, and your graduation will certainly stand apart from those who came before. Our unwavering commitment to you is also unique. The Ohio State University Alumni Association is dedicated to finding special ways to recognize your achievement in this extraordinary time.

I look forward to the day when we can celebrate this milestone together, and until we can all link arms and sing our alma mater's praise again, take heart and know that you are not alone. You have more than 570,000 fellow alumni around the globe ready to offer advice or lend a hand!

If you read the lyrics to "Carmen Ohio" — all three verses, not just the one we Buckeyes have memorized — you will see lines about both the good times and the bad. It references "happy days of yore" and "blackened sky or barren shoal." Now more than ever, it is easy to see the truth in these words. But, as the seasons pass, even amid all the world's uncertainties, I know one thing for sure: We are Buckeyes, and we will get through this together.

We will be with you wherever you go. You'll discover alumni clubs and societies in more than 100 cities, organizing everything from game watch parties to scholarship fundraisers. Take advantage of our alumni association's career resources, lifelong learning and networking opportunities, as well as ways to volunteer or pay forward in service to others.

THE ACADEMIC COSTUME

The colorful ceremonies of The Ohio State University commencements derive from practices originating in the Middle Ages. When European universities were taking form in the 12th and 13th centuries, the scholars were usually clerics, and consequently they adopted costumes similar to those of their monastic orders. Cold halls and drafty buildings called for caps and floor-length capes with attached hoods, and the sobering influence of the church probably resulted in the staid character of the caps and gowns.

As control of the universities gradually passed from the church, some aspects

of the costumes took on brighter hues. Old prints and engravings, however, reveal a strong similarity between the regalia worn in early universities and that of the present day.

In light of our nation's English heritage, academic costume has been in use in the United States since colonial times. To establish a standard of uniformity in regard to the practice, an intercollegiate commission was formed to prepare a code for caps, gowns and hoods that has since been adopted by all academic institutions.

Originally round, the shape of the cap is now the familiar mortarboard square —

a shape which, according to ballad folklore, resembles a scholar's book. Legend also has it that the privilege of wearing a cap was the initial right of a freed Roman slave; the academic cap, therefore, has become a sign of the freedom of scholarship. The flowing gown has become symbolic of the democracy of scholarship, for it covers any dress that might indicate rank or social status. The hood, reserved at The Ohio State University for those receiving doctoral and master's degrees, not only indicates the type of degree, but also is lined with the official colors of the university.

The Gown

Bachelor: The bachelor gown is black, full cut with long pointed sleeves.

Master: The master gown is black, long or short sleeves, with an arc-shaped panel extended for each sleeve.

Doctor: The Ohio State University Doctor of Philosophy gown is scarlet with gray velvet panels on the front and three velvet bars on each sleeve. Other doctor gowns are black with velvet panels and bars, the color of which is distinctive of the field of study.

Honors Emblem

The Ohio State University honors emblem is a scarlet and gray tasseled braid worn over the gown. Students eligible for this curricular honor are those graduating *summa cum laude*, *magna cum laude*, *cum laude*, *with distinction* and *with honors*.

The Hood

Bachelor: Three feet long with a two-inch-wide velvet edging.*

Master: Three and one-half feet long with a three-inch-wide velvet edging.

Doctor: Four feet in length with a five-inch-wide velvet edging and panel at the sides.

The lining of all hoods, which is folded out, bears the official colors of the institution granting the degree. The color of the velvet indicates the field of study.

*Not usually worn by candidates for a degree.
