WEXNER MEDICAL CENTER BOARD MEETING

Leslie H. Wexner, chair
Abigail S. Wexner
Alan A. Stockmeister
John W. Zeiger
Gary R. Heminger
Tom B. Mitevski
Tanner R. Hunt
Stephen D. Steinour
Robert H. Schottenstein
W.G. Jurgensen
Cindy Hilsheimer
Amy Chronis
Hiroyuki Fujita (ex officio, voting)
Kristina M. Johnson (ex officio, voting)
Melissa L. Gilliam (ex officio, voting)
Michael Papadakis (ex officio, voting)
Jay M. Anderson / Andrew M. Thomas (ex officio, voting)

Location: Sanders Grand Lounge, Longaberger Alumni House
2200 Olentangy River Road, Columbus, Ohio 43210

Time: 1:00-5:00pm

Public Session

1. Approval of August 2022 Wexner Medical Center Board Meeting Minutes
2. Interim Co-Leaders' Report – Mr. Jay Anderson, Dr. Andrew Thomas 1:00-1:10pm
3. Leading the Way: Behavioral Health – Dr. Luan Phan 1:10-1:25pm
4. James Cancer Hospital Report – Dr. David Cohn 1:25-1:35pm
5. Wexner Medical Center Financial Report – Mr. Vincent Tammaro 1:35-1:45pm
6. Recommend for Approval to Enter Into/Increase Professional Services and Construction Contracts – Mr. Frank Aucremanne 1:45-1:55pm
7. Recommend for Approval Amendments to the Wexner Medical Center Board Bylaws – Mr. John Zeiger
8. Quality and Professional Affairs Committee Item for Approval – Mr. Alan Stockmeister, Dr. Andrew Thomas

Executive Session

1:55-5:00pm

SUMMARY OF ACTIONS TAKEN

August 16, 2022 - Wexner Medical Center Board Meeting

Members Present:

Leslie H. Wexner
Abigail S. Wexner
Alan A. Stockmeister
John W. Zeiger
Tom B. Mitevski
Tanner R. Hunt

Robert H. Schottenstein
Cindy Hilsheimer
Amy Chronis
Hiroyuki Fujita (ex officio)
Kristina M. Johnson (ex officio)
Melissa L. Gilliam (ex officio)

Michael Papadakis (ex officio)
Mark Larmore (ex officio)
Andrew Thomas (ex officio)

Members Present via Zoom:

N/A

Members Absent:

Stephen D. Steinour
W.G. "Jerry" Jurgensen

PUBLIC SESSION

The Wexner Medical Center Board convened for its 43rd meeting on Tuesday, August 16, 2022, at the Longaberger Alumni House on Ohio State's Columbus campus. Board Secretary Jessica A. Eveland called the meeting to order at 1:07 p.m. As co-interim leaders of the Wexner Medical Center, both Mark Larmore, Chief Financial Officer, and Andrew Thomas, Chief Clinical Officer, were in attendance, but only Dr. Thomas served as a voting member for this meeting.

Item for Action

1. Approval of Minutes: No changes were requested to the May 17, 2022, meeting minutes; therefore, a formal vote was not required, and the minutes were considered approved.

Items for Discussion

2. Interim Co-Leaders' Report: Dr. Thomas began with a moment of silence to honor Mason Fisher, a second-year medical student at Ohio State who experienced a medical emergency and passed away while participating in Pelotonia 2022. Dr. Thomas expressed the university's condolences to the Fisher family. He then acknowledged the Buckeye Paws therapy dog program and thanked its members for visiting with trustees and other guests prior to the meeting. The Buckeye Paws program was created in March 2020 to promote wellness amongst medical center staff during the height of the COVID-19 pandemic, and it has since been expanded to serve faculty, staff and students across the entire university.

Dr. Thomas also took the opportunity to recognize representatives from the William H. Davis, Dorothy M. Davis & William C. Davis Foundation and members of Bill Wells' family who were in attendance. Mr. Wells' wife, Jackie, has become chair and president of the Davis Foundation since the passing of her husband in early 2022. She was in attendance as Dr. Thomas acknowledged the longtime financial support the Wells family has shown to many areas at Ohio State, including the medical center. Mr. Wells was instrumental in coordinating the donations that led to the creation of the Dorothy M. Davis Heart and Lung Research Institute in 2000, which now covers 200,000 square feet in six locations across the Columbus campus and generates \$30 million per

year in research funding. The Davis Foundation has contributed more than \$35 million to the university since 1976, and their most recent commitment of \$5.5 million will create a newly endowed chair focused on metabolic diseases and also establish a research neighborhood within Ohio State's Interdisciplinary Research Facility on West Campus.

Additionally, Dr. Thomas acknowledged the commitment of Football Coach Ryan Day and his wife, Nina, for their \$1 million gift to establish the Nina and Ryan Day Resilience Fund. Their gift will support mental health research and services at the medical center and in the College of Medicine in an effort to raise awareness of mental health issues and reduce the stigma around those issues. Dr. Thomas also welcomed Dr. Chyke Doubeni, who joined Ohio State in July as Chief Health Equity Officer and will lead the Office of Health Equity, Diversity and Inclusion.

Finally, Dr. Thomas and members of the Wexner Medical Center Board – including Mr. Wexner, Mr. Zeiger, Mr. Schottenstein and President Johnson – all congratulated Mr. Larmore on his impending retirement as CFO of the Wexner Medical Center. In advance of Mr. Larmore's retirement on August 31, the team thanked him for his seven years of service, during which time cash and investments at the medical center increased by \$1.3 billion and debt was reduced by \$300 million. Everyone agreed that Mr. Larmore had been essential to the success of the medical center during this period of significant growth.

Mr. Larmore thanked everyone for their comments and expressed his appreciation for their partnership over the years. He then discussed a gratitude booklet that was shared with members of the Board, which was compiled in an effort to remember the medical center's many achievements throughout the pandemic. One of those achievements, he noted, was recently recognized by the American Nurses' Credentials Center. The center awarded the Magnet Prize to an interdisciplinary team of nurses and staff from University Hospital and the Ross Heart Hospital who developed an innovative process for monitoring the glucose levels of diabetic patients with COVID-19. The protocol allowed insulin to be dispensed from outside the room – benefitting the patient and also protecting the staff from exposure to COVID-19.

Mr. Larmore also shared that in the recently released *U.S. News & World Report* rankings, the College of Medicine moved up three spots to become No. 30 among all medical schools in the nation, and No. 11 among all public medical schools in the nation. Additionally, he pointed out that this has been the best year for research at Ohio State with a record \$367 million generated, which translates to a 20% increase over the prior year.

College of Medicine Dean Carol Bradford then joined the conversation to share that the college is partnering with Bon Secours Mercy Health to tackle one of Ohio's most critical impending health care issues — ensuring there is an adequate number of community medicine physicians to care for patients in midsize and rural communities. A new community medicine medical degree track will be offered at Ohio State, with unique clinical experiences at Mercy Health – St. Rita's Medical Center in Lima. Scheduled to start in 2024, medical students will complete their first two years of training at Ohio State's Columbus campus and the remaining two years of core clinical training within Mercy Health – St. Rita's Medical Center. The program, which is the first of its kind in the region, is the result of the Healthy State Alliance, an initiative between the Wexner Medical Center and Mercy Health designed to tackle Ohio's most critical health needs.

3. Leading the Way: Accelerating Impact through Partnership: Dean Bradford, Jennifer Dauer, Chief Strategy and Transformation Officer, and Dr. Lon Simonetti, the John W. Wolfe Professor in Cardiovascular Research, presented on the medical center's strategic use of partnerships to accelerate its progress toward the achievement of its ambition to be among the top 20 academic health care systems. They also shared details regarding a new five-year partnership with Siemens Healthineers. Dr. Karolina Zareba, an Associate Professor of Cardiovascular Medicine, joined Dr. Simonetti to discuss Ohio State's cutting edge cardiovascular imaging technologies. They shared how the partnership with Siemens Healthineers will enable Ohio State to bring the most advanced imaging and treatment technologies to patient care and research centers.

(See Attachment X for background information, page XX)

4. James Cancer Hospital Report: Dr. David Cohn, interim CEO of the James Cancer Hospital, began his remarks by expressing his condolences on the passing of Mason Fisher during Pelotonia. He also thanked everyone who participated in the event. Pelotonia has raised more than \$250 million for cancer research so far, which is crucial funding since cancer remains one of the most widespread and deadly diseases in the United States. It is estimated that more than 73,000 cases of cancer will be diagnosed in the state of Ohio this year alone. In 2019, Ohio State's cancer program established an ambitious strategic plan. Dr. Cohn shared a handful of updates across the strategic plan's four pillars: Talent and Culture, Research, Health and Wellbeing, and Financial Stewardship. In particular, he highlighted a groundbreaking effort by the hematology team, which administered the first-ever in-human "tri-specific" in-house manufactured CAR-T cell therapy to a patient with leukemia. The patient came to Ohio State from Brazil to participate in this new therapy.

(See Attachment X for background information, page XX)

5. Wexner Medical Center Financial Report: In his final report to the Board, Mr. Larmore shared the medical center's pre-audit Fiscal Year 2022 year-end financial results through June 30, 2022. The health system – which includes the seven hospitals – saw an excess of revenue over expenses of \$365 million, which was approximately \$100 million more than anticipated. This was, however, a decline from the previous year's \$488 million excess of revenue over expenses. Meanwhile, the combined Wexner Medical Center results, consisting of the health system, College of Medicine and OSU Physicians, showed \$417 million excess of revenue over expenses, which was approximately \$130 million more than anticipated. Finally, looking at the balance sheet for the combined Wexner Medical Center results, Mr. Larmore noted that this year, the medical center crossed \$7 billion on the balance sheet. He pointed out that cash was down \$289 million but, given all of the construction that taking place at the medical center, this decline was anticipated. Also, the assets limited to use figure was up \$546 million, which reflects the balance of the remaining proceeds from the university's bond offering. Additionally, current liability for the year was down \$139 million due to an advance the medical center received from Medicare during the pandemic. The medical center is now in the process of paying off that advance.

(See Attachment X for background information, page XX)

Items for Action

- 6. Resolution No. 2023-01: Recommend Approval to Enter Into/Increase Professional Services and Construction Contracts:

APPROVAL TO ENTER INTO PROFESSIONAL SERVICES CONTRACTS

Doan – Roof Replacement
Ohio State East Hospital – T1 Emergency Generator
Emergency Response Radio System

APPROVAL TO ENTER INTO/INCREASE PROFESSIONAL SERVICES AND CONSTRUCTION CONTRACTS

Martha Morehouse Tower HVAC Infrastructure and Interior Upgrades
Wexner Medical Center Inpatient Hospital

APPROVAL TO INCREASE CONSTRUCTION CONTRACTS

Interdisciplinary Health Sciences Center

Synopsis: Authorization to enter into/increase professional services and construction contracts, as detailed in the attached materials, is proposed.

WHEREAS in accordance with the attached materials, the university desires to enter into professional services contracts for the following projects; and

	Prof. Serv. Approval Requested	Total Requested	
Doan – Roof Replacement	\$1.1M	\$1.1M	Auxiliary Funds
Ohio State East Hospital – T1 Emergency Generator	\$0.6M	\$0.6M	Auxiliary Funds
Emergency Response Radio System	\$1.4M	\$1.4M	Auxiliary Funds

WHEREAS in accordance with the attached materials, the university desires to enter into/increase professional services contracts and enter into/increase construction contracts for the following projects; and

	Prof. Serv. Approval Requested	Construction Approval Requested	Total Requested	
Martha Morehouse Tower HVAC Infrastructure and Interior Upgrades	\$0.5M	\$1.0M	\$1.5M	Auxiliary Funds

THE OHIO STATE UNIVERSITY

	Prof. Serv. Approval Requested	Construction Approval Requested	Total Requested	
Wexner Medical Center Inpatient Hospital	\$0.1M	\$6.0M	\$6.1M	University Debt Fundraising Auxiliary Funds Partner Funds

WHEREAS in accordance with the attached materials, the university desires to increase construction contracts for the following project:

	Construction Approval Requested	Total Requested	
Interdisciplinary Health Sciences Center	\$1.1M	\$1.1M	Fundraising University funds Auxiliary funds State funds

NOW THEREFORE

BE IT RESOLVED, That the Wexner Medical Center Board hereby approves and proposes that the professional services and construction contracts for the projects listed above be recommended to the University Board of Trustees for approval; and

BE IT FURTHER RESOLVED, That the Wexner Medical Center Board recommends that the President and/or Senior Vice President for Business and Finance be authorized to increase professional services and construction contracts for the projects listed above in accordance with established university and State of Ohio procedures, with all actions to be reported to the Board of Trustees at the appropriate time.

(See Attachment X for background information, page XX)

7. Resolution No. 2023-02: Recommend for Approval Lease of Real Property:

AT TAYLOR AND ATCHESON STREETS
NEAR OUTPATIENT CARE EAST – WEXNER MEDICAL CENTER
FRANKLIN COUNTY, OHIO

Synopsis: Authorization to ground lease property located adjacent to Outpatient Care East, on Taylor and Atcheson Streets, in the City of Columbus, Franklin County, Ohio, for future medical utilization and development, is proposed.

WHEREAS The Ohio State University seeks to ground lease approximately 2.375 acres of real property located near Outpatient Care East, in the City of Columbus, Ohio; and

WHEREAS pursuant to the Ohio Revised Code, the university may lease land belonging to or under the control or jurisdiction of a state university; and

WHEREAS utilization and future development on the subject land is consistent with The Ohio State University planning processes; and

WHEREAS any future development shall be subject to university review:

NOW THEREFORE

BE IT RESOLVED, That the Wexner Medical Center Board hereby approves and proposes that the purchase of said property be recommended to the University Board of Trustees for approval; and

BE IT FURTHER RESOLVED, That the Wexner Medical Center Board recommends that the President and/or Senior Vice President for Business and Finance be authorized to take any action required to review the development plans and negotiate a ground lease containing terms and conditions deemed to be in the best interest of the university.

(See Attachment X for background information, page XX)

8. Resolution No. 2023-03: Ratification of QPAC Appointments FY2023-24:

BE IT RESOLVED, That the Wexner Medical Center Board hereby approves that the ratification of appointments to the Quality and Professional Affairs Committee for FY2023-2024 are as follows:

Quality and Professional Affairs Committee

Alan A. Stockmeister, Chair

Tanner R. Hunt

Melissa L. Gilliam

Michael Papadakis

Jay M. Anderson

Andrew M. Thomas

David E. Cohn

Elizabeth Seely

CAROL R. BRADFORD

Scott A. Holliday

Iahn Gonsenhauser

CORRIN STEINHAUER

Lisa Keder

Paul Monk

Abigail S. Wexner (ex officio)

9. Resolution No. 2023-04: Plan for Patient Care Services (Ohio State University Hospitals):

OHIO STATE UNIVERSITY HOSPITALS
d/b/a OSU WEXNER MEDICAL CENTER

Synopsis: Approval of the annual review of the plan for patient care services for the hospitals at the Ohio State University Hospitals d/b/a OSU Wexner Medical Center, including: Ohio State University Hospital, Ohio State Richard M. Ross Heart Hospital, Ohio State Harding Hospital, and Ohio State East Hospital, is proposed.

WHEREAS the mission of the Ohio State University Hospitals is to improve people's lives through the provision of high-quality patient care; and

WHEREAS the plan for inpatient and outpatient care services describes the integration of clinical departments and personnel who provide care and services to patients at University Hospital, Ohio State Ross Heart Hospital, Ohio State Harding Hospital, and Ohio State East Hospital; and

WHEREAS the annual review of the plan for patient care services was approved by the Medical Staff Administrative Committee (University Hospitals) on May 11, 2022; and

WHEREAS on June 28, 2022, the Quality and Professional Affairs Committee recommended that the Wexner Medical Center Board approve the annual review of the plan for patient care services:

NOW THEREFORE

BE IT RESOLVED, That the Wexner Medical Center Board hereby approves the plan for patient care services for University Hospital, Ohio State Ross Heart Hospital, Ohio State Harding Hospital, and Ohio State East Hospital as outlined in the attached Plan for Patient Care Services.

(See Attachment X for background information, page XX)

10. Resolution No. 2023-05: Plan for Patient Care Services (James Cancer Hospital):

THE OHIO STATE UNIVERSITY COMPREHENSIVE CANCER CENTER
ARTHUR G. JAMES CANCER HOSPITAL AND
RICHARD J. SOLOVE RESEARCH INSTITUTE

Synopsis: Approval of the annual review of the plan for patient care services for the Ohio State Comprehensive Cancer Center — James Cancer Hospital and Solove Research Institute, is proposed.

WHEREAS the mission of The James is to eradicate cancer from individuals' lives by generating knowledge and integrating groundbreaking research with excellence in education and patient-centered care; and

WHEREAS The James plan for patient care services describes the integration of clinical departments and personnel who provide care and services to patients at The James; and

WHEREAS the annual review of the plan for patient care services was approved by The James Medical Staff Administrative Committee on June 17, 2022; and

WHEREAS on June 28, 2022, the Quality and Professional Affairs Committee recommended that the Wexner Medical Center Board approve the annual review of the plan for patient care services:

NOW THEREFORE

BE IT RESOLVED, That the Wexner Medical Center Board hereby approves the plan for patient care services as outlined in the attached Plan for Patient Care Services.

(See Attachment X for background information, page XX)

11. Resolution No. 2023-06: Clinical Quality, Patient Safety, and Reliability Plan (James Cancer Hospital):

THE OHIO STATE UNIVERSITY COMPREHENSIVE CANCER CENTER
ARTHUR G. JAMES CANCER HOSPITAL AND
RICHARD J. SOLOVE RESEARCH INSTITUTE

Synopsis: Approval of the annual review of the Clinical Quality, Patient Safety, and Reliability Plan for FY23 for the Ohio State Comprehensive Cancer Center — James Cancer Hospital and Solove Research Institute, is proposed.

WHEREAS the mission of The James is to eradicate cancer from individuals' lives by generating knowledge and integrating groundbreaking research with excellence in education and patient-centered care; and

WHEREAS the Clinical Quality, Patient Safety, and Reliability Plan for FY23 outlines assessment and improvement of processes in order to deliver safe, effective, optimal patient care and services in an environment of minimal risk for inpatients and outpatients of The James; and

WHEREAS the annual review of the Clinical Quality, Patient Safety, and Reliability Plan for FY23 was approved by The James Quality, Patient Safety, and Reliability Committee on April 26, 2022; and

WHEREAS the annual review of the Clinical Quality, Patient Safety, and Reliability Plan for FY23 was approved by The James Medical Staff Administration Committee on May 20, 2022; and

WHEREAS on June 28, 2022, the Quality and Professional Affairs Committee recommended that the Wexner Center Board approve the annual review of the Clinical Quality, Patient Safety, and Reliability plan for FY23:

NOW THEREFORE

BE IT RESOLVED, That the Wexner Medical Center Board hereby approves the Clinical Quality, Patient Safety, and Reliability Plan for FY23 (attached) for The James.

(See Attachment X for background information, page XX)

12. Resolution No. 2023-07: Clinical Quality, Patient Safety, and Service Plan (Ohio State University Hospitals):

OHIO STATE UNIVERSITY HOSPITALS
d/b/a OSU WEXNER MEDICAL CENTER

Synopsis: Approval of the annual review of the Clinical Quality, Patient Safety, and Service Plan for FY23 for the hospitals at The Ohio State University Hospitals d/b/a OSU Wexner Medical Center, including: Ohio State University Hospital, Ohio State Richard M. Ross Heart Hospital, Ohio State Harding Hospital, and Ohio State East Hospital, is proposed.

WHEREAS the mission of The Ohio State University Hospitals is to improve people's lives through the provision of high-quality patient care; and

WHEREAS the Clinical Quality, Patient Safety, and Service Plan for FY23 outlines assessment and improvement of processes in order to deliver safe, effective, optimal patient care and services in an environment of minimal risk for inpatients and outpatients of the University Hospital, Ohio State Ross Heart Hospital, Ohio State Harding Hospital, and Ohio State East Hospital; and

WHEREAS the annual review of the Clinical Quality, Patient Safety, and Service Plan for FY23 was approved by the Quality Leadership Council on May 3, 2022; and

WHEREAS the annual review of the Clinical Quality, Patient Safety, and Service Plan for FY23 was approved by the University Hospitals Medical Staff Administrative Committee on May 11, 2022; and

WHEREAS on June 28, 2022, the Quality and Professional Affairs Committee recommended that the Wexner Medical Center Board approve the annual review of the Clinical Quality, Patient Safety, and Service Plan for FY23:

NOW THEREFORE

BE IT RESOLVED, That the Wexner Medical Center Board hereby approves the Clinical Quality, Patient Safety, and Service Plan for FY23 (attached) for University Hospital, Ohio State Ross Heart Hospital, Ohio State Harding Hospital, and Ohio State East Hospital.

(See Attachment X for background information, page XX)

Action: Upon the motion of Mrs. Wexner, seconded by Mr. Zeiger, the Wexner Medical Center Board recommended agenda items No. 6 – Recommend for Approval to Enter Into and Increase Professional Services and Construction Contracts, and No. 7 – Recommend for Approval the Lease of Real Property, to the University Board of Trustees for final approval by majority roll call vote with the following members present and voting: Mr. Wexner, Mrs. Wexner, Mr. Stockmeister, Mr. Zeiger, Mr. Mitevski, Mr. Hunt, Mr. Schottenstein, Ms. Hilsheimer, Ms. Chronis, Dr. Fujita, Dr. Johnson, Dr. Gilliam, Mr. Papadakis and Dr. Thomas.

Action: Upon the motion of Mr. Stockmeister seconded by Mrs. Wexner, the Wexner Medical Center Board approved agenda item No. 8 – Quality and Professional Affairs Committee Items by majority roll call vote with only the votes of the following members used for approval: Mrs. Wexner, Mr. Stockmeister, Mr. Zeiger, Mr. Mitevski, Mr. Hunt, Dr. Fujita, Dr. Johnson, Dr. Gilliam, Mr. Papadakis and Dr. Thomas.

EXECUTIVE SESSION

It was moved by Mrs. Wexner and seconded by Mr. Wexner that the Wexner Medical Center Board recess into executive session to consider business-sensitive trade secrets and quality matters required to be kept confidential by federal and state statutes, to consult with legal counsel regarding pending or imminent litigation, and to discuss personnel matters involving the appointment, employment and compensation of public officials, which are required to be kept confidential under Ohio law.

A roll call vote was taken, and the board voted to go into executive session with the following members present and voting: Mr. Wexner, Mrs. Wexner, Mr. Stockmeister, Mr. Zeiger, Mr. Mitevski, Mr. Hunt, Mr. Schottenstein, Ms. Hilsheimer, Ms. Chronis, Dr. Fujita, Dr. Johnson, Dr. Gilliam, Mr. Papadakis and Dr. Thomas.

The Wexner Medical Center Board entered executive session at 2:38 p.m. and adjourned at 5:03 p.m.

Our Approach: Play both Defense and Offense

“There comes a point where we need to stop just pulling people out of the river. We need to go upstream and find out why they're falling in.”

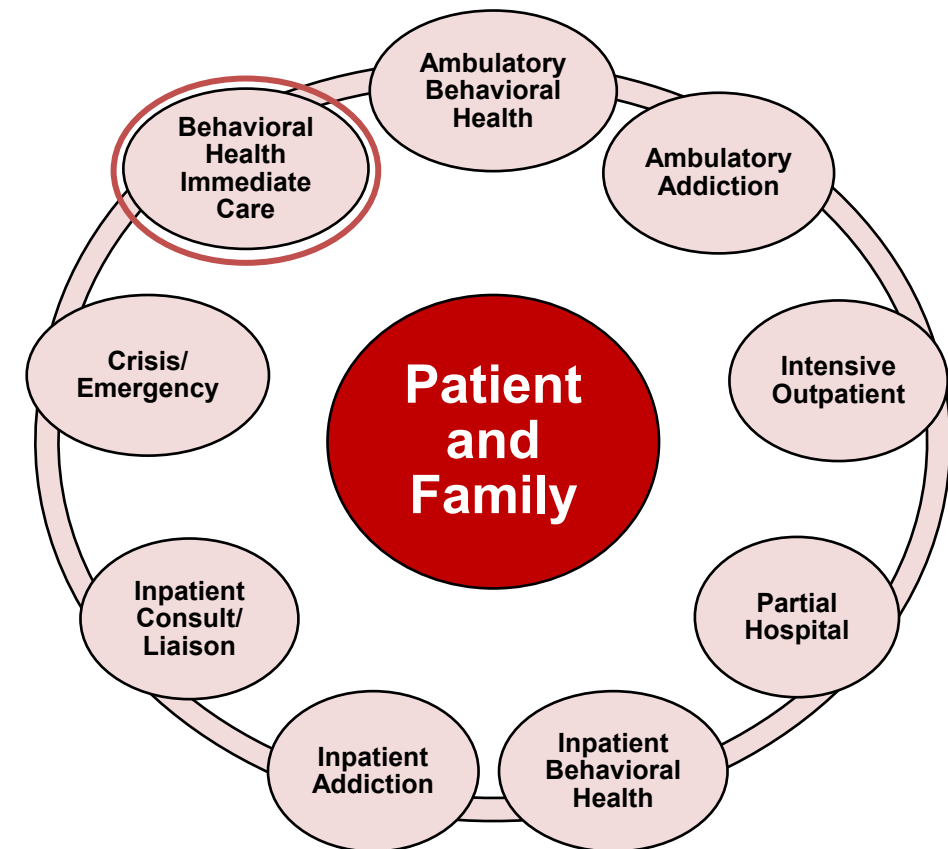

Archbishop Desmond Tutu
(Nobel Peace Prize, 1984)

Department of Psychiatry and Behavioral Health

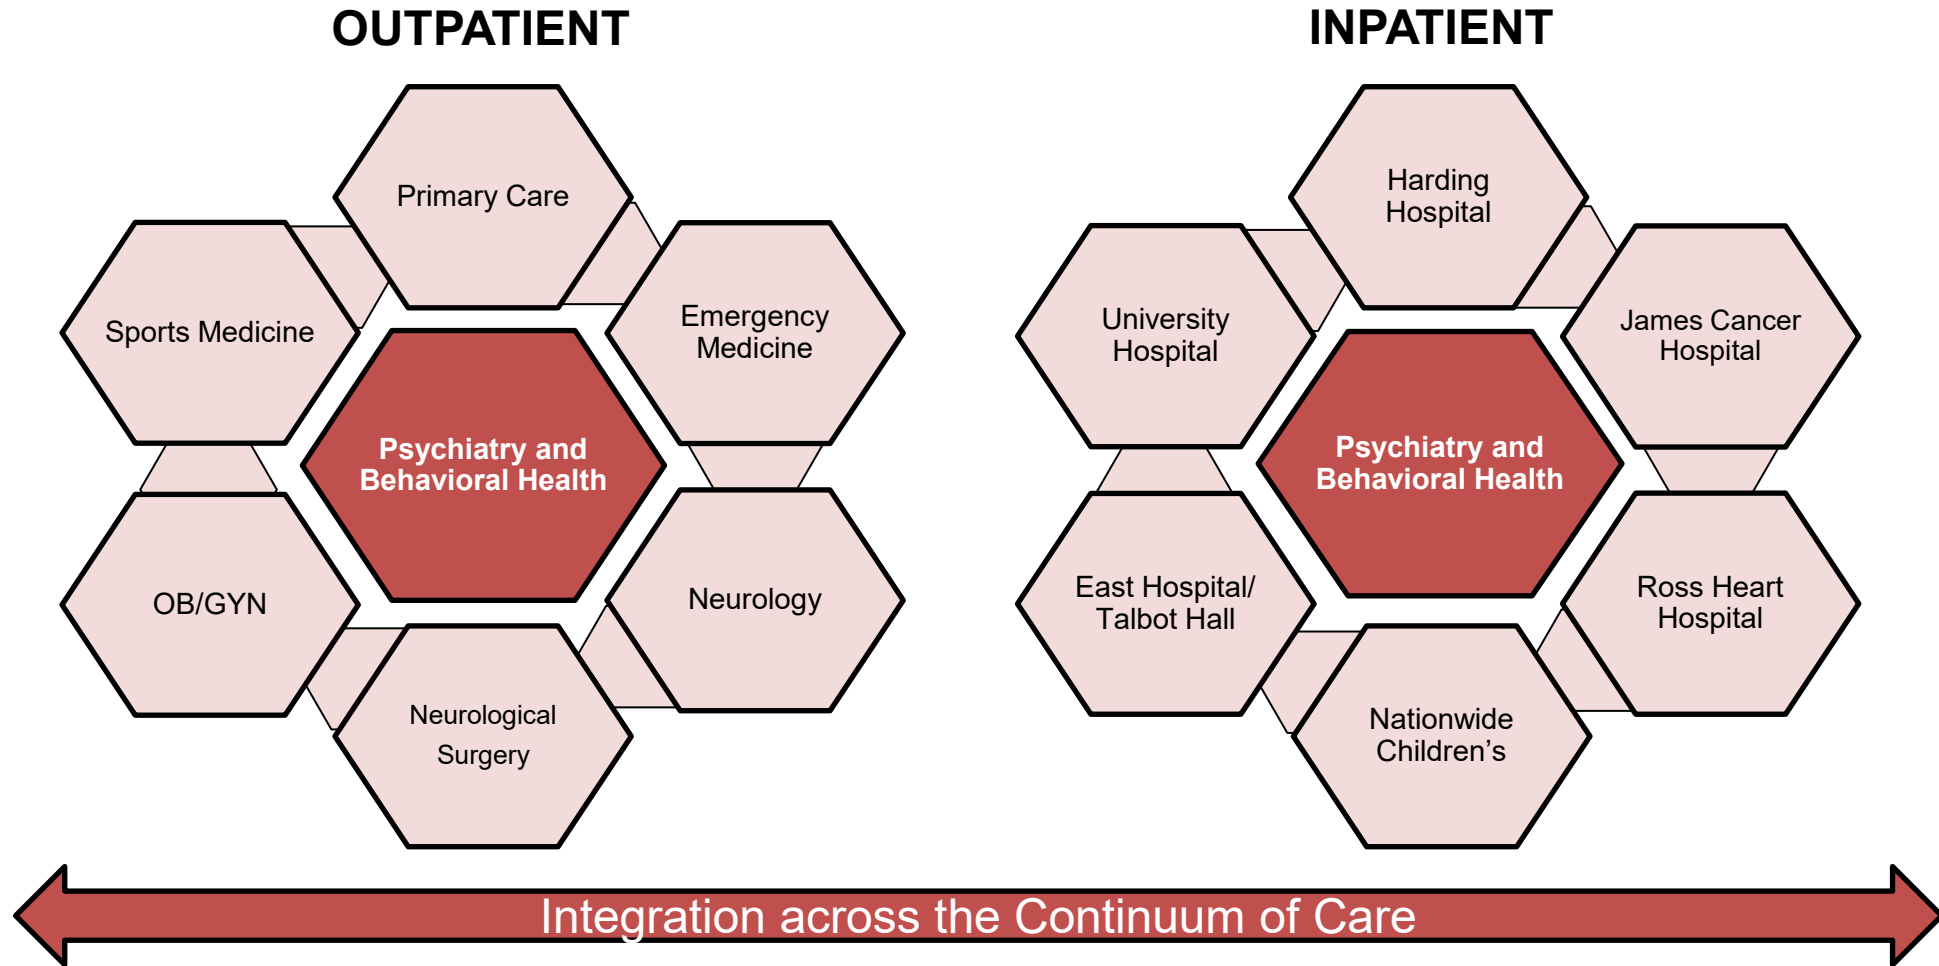

Mission: To be a pre-eminent department of psychiatry and behavioral health that improves and saves lives of people at risk of and with mental illness and addiction through excellence and innovation in care, discovery and education.

By the numbers:

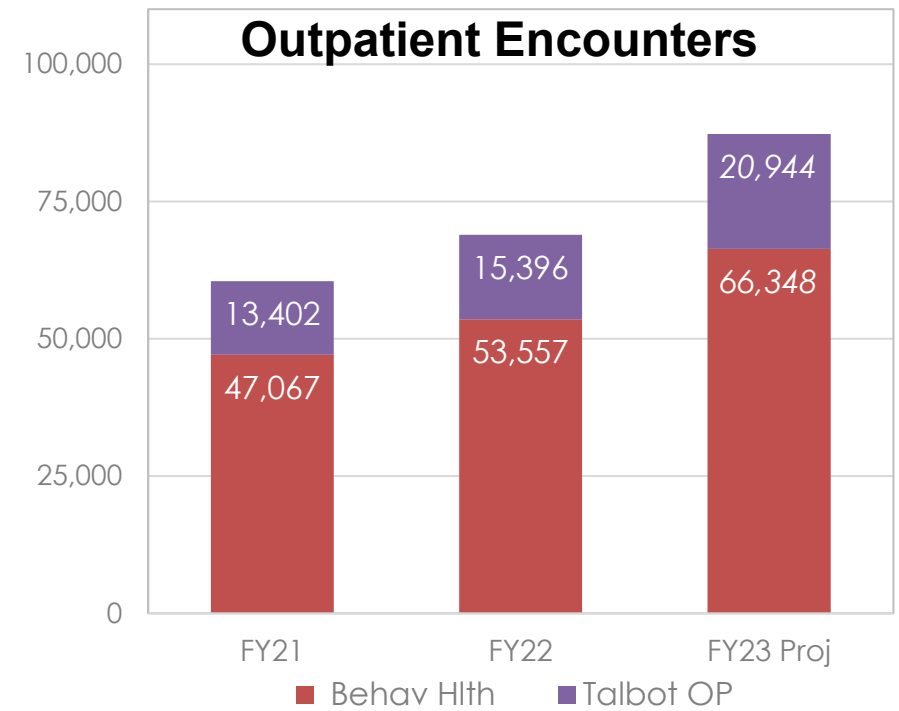

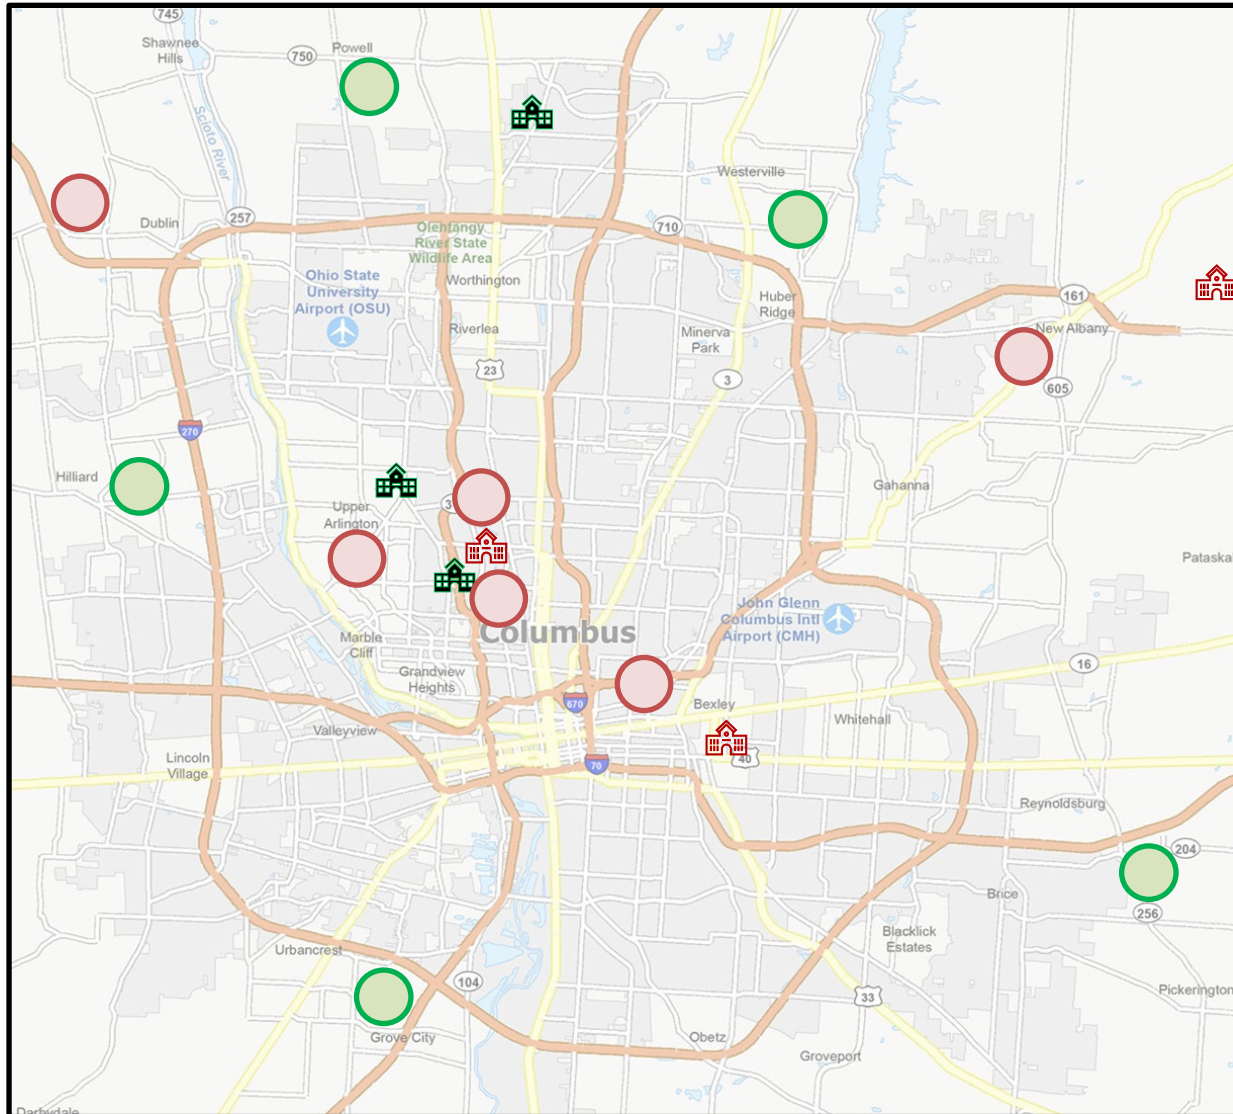

- ✓ **Most comprehensive** adult mental health and addiction program in the region
- ✓ **137** primary faculty
- ✓ Over **54,000 unique patients** served (FY22)
- ✓ Extramural Research Funding (3x over 3 yrs):
 - FY21: \$20 million [NIH: \$6 million]
 - FY22: \$16 million [**NIH: \$7 million**]
 - *FY23 (Q1): \$13 million*
- ✓ Philanthropy:
 - FY21: \$7.7 million
 - FY22: **\$18 million**

Foundational Programs of Distinction

Complex
Depression

Suicide
Prevention

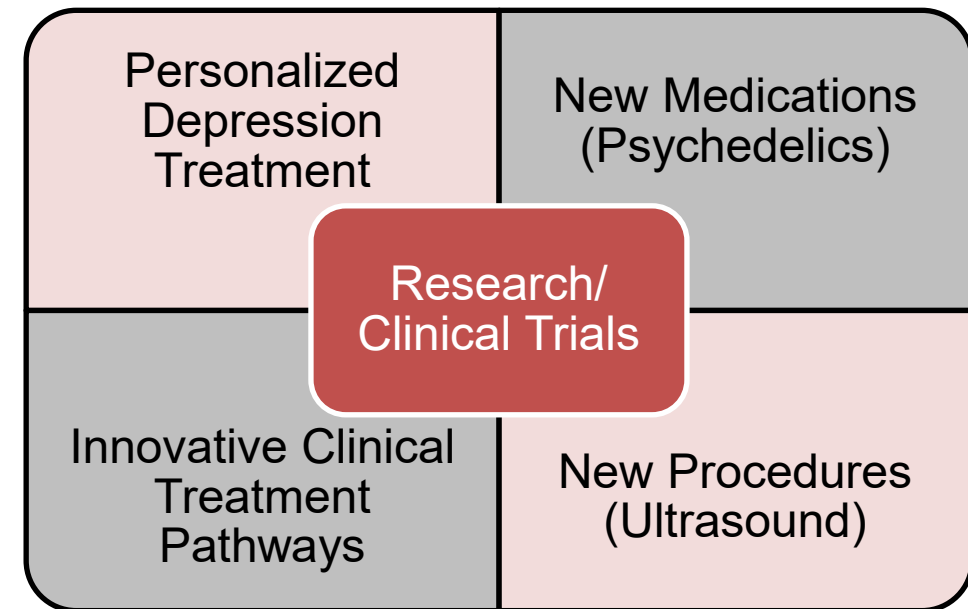

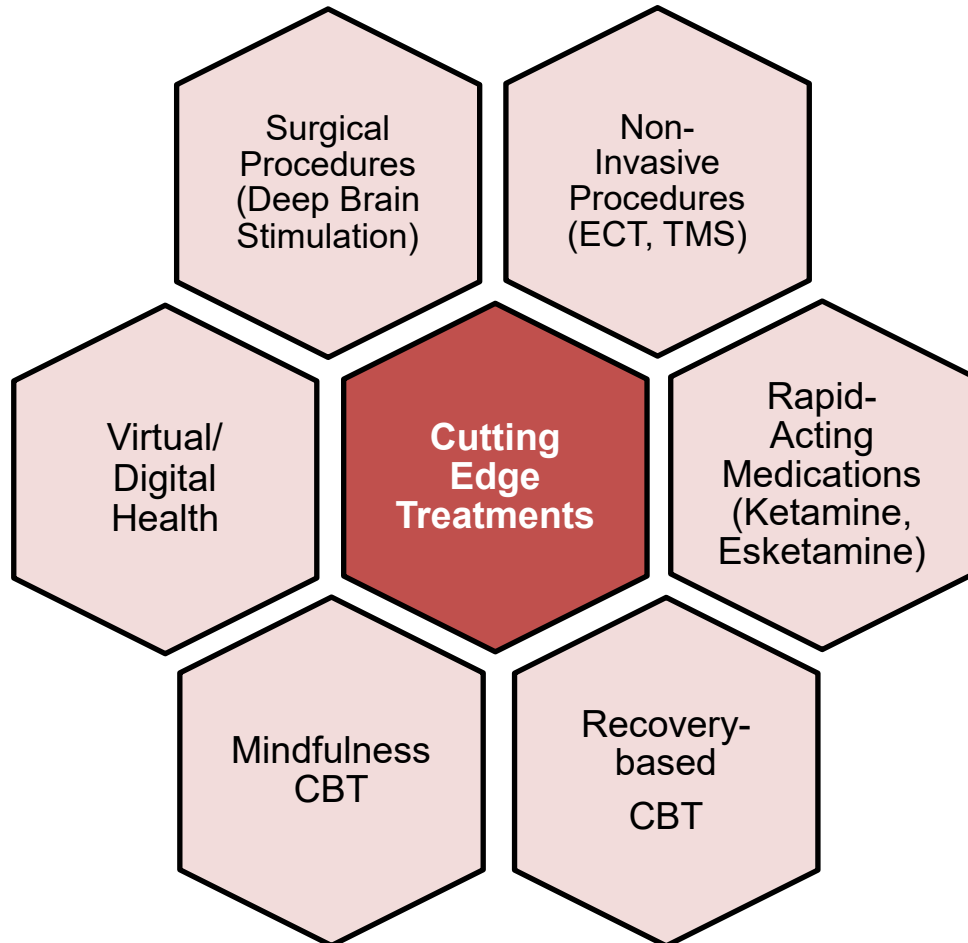

Psychosis

Addiction

Stress, Trauma and Resilience
(STAR)

Complex Depression

- One of 22 **Centers of Excellence** nationwide designated by the **National Network of Depression Centers**
- Focus on **community engagement and outreach**

Suicide Prevention

Innovative Interventions

- **Brief, crisis-targeted** suicide prevention
- Co-occurring trauma, addiction, psychosis (combined treatments)
- Increasing **speed and effectiveness** of recovery

Impact

- >150 **military veterans** enrolled to date
- Expanding to civilian community
- New comprehensive care pathways for patients with elevated suicide risk
- **Shaping federal legislation and policy**

**REDUCTION IN
SUICIDE ATTEMPTS**

Up to 76% reduction in suicide attempts among military personnel who receive treatments developed by STRIVE

**ENJOYING FULL
RECOVERY FROM PTSD**

Over 70% of service members and veterans receiving services from STRIVE no longer have PTSD after completing treatment

**TYPICAL TREATMENT PLANS
WITH QUICKER RESULTS**

Typical length of treatment is 1 week to 3 months

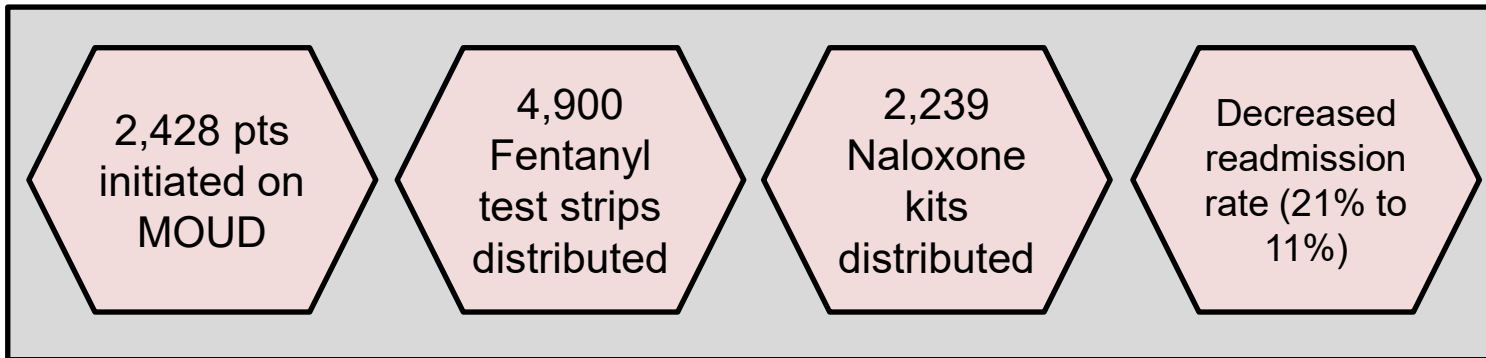

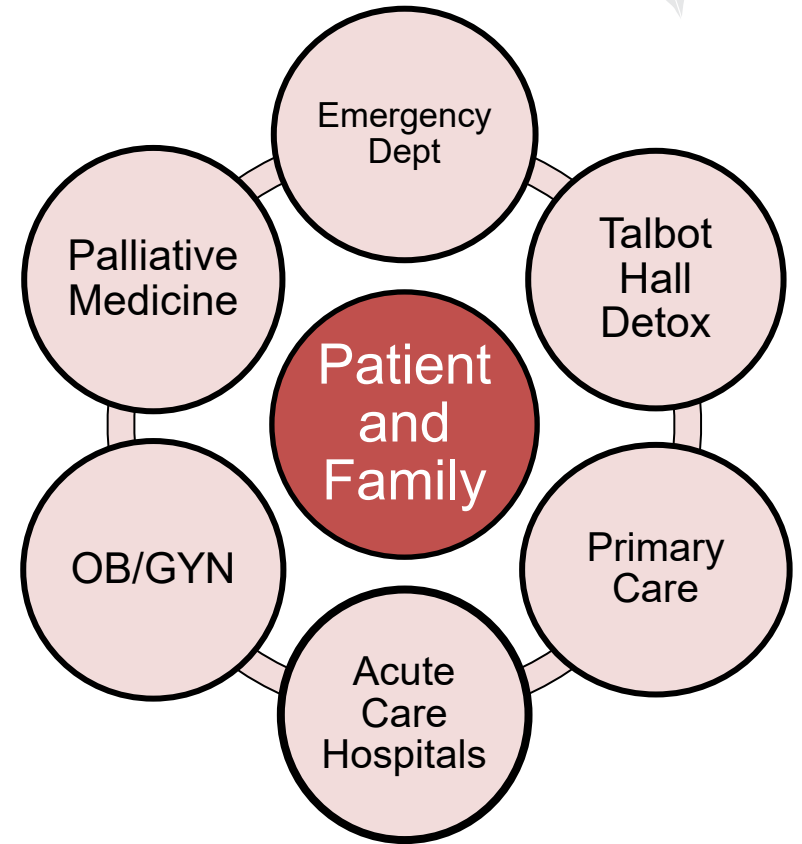

Addiction

Integrated Addiction Care Across Continuum

- Multi-specialty approach to care delivery
- Linked by **Care Coordinators** throughout system of care and community
- **Embedded peer support** from other patients in recovery

Impact

- HRSA education grant for **addiction medicine fellowship (4)**
- Partnership through **Healthy State Alliance**
 - St. Vincent's (Toledo); OB/GYN STEPP Program
 - Emergency Department treatment initiative

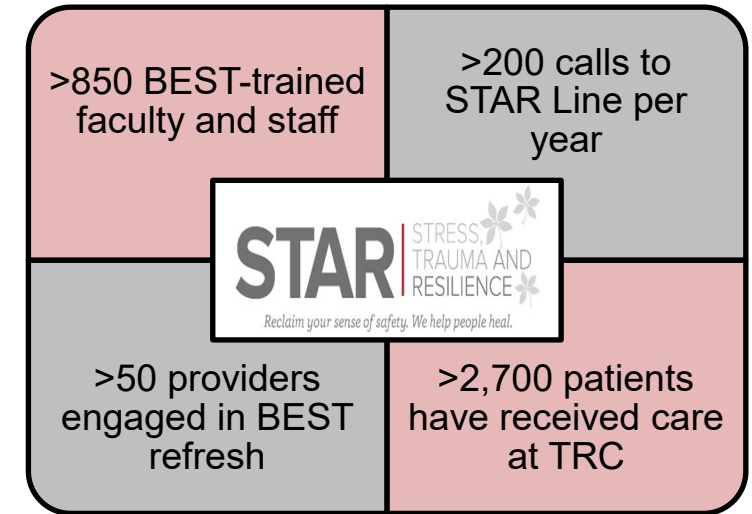

Stress, Trauma and Resilience (STAR) Program

Internal Programming and Support

- **Brief Emotional Support Teams (BEST)** program
- **Trauma-Informed Care** training
- **Schwartz Center Rounds**
- 24/7 crisis line during the height of the COVID pandemic

External Impact

- **Trauma Recovery Center (TRC)** for victims of violent crime funded by state/federal grants (1 of 39 centers in the US)
- Recognition by **National Academy of Medicine** in 2019
- Training and support:
 - First responders, OHA, other health systems, ODRC
 - Expansion to schools and workplaces

OSUCCC – James is poised to create the future of cancer prevention, treatment and survivorship

The James

Unique attributes of the OSUCCC-James allows it to execute on the vision to create a cancer-free world

Center for Cancer Engineering

VISION

To improve cancer detection, treatment, and outcomes through research in engineering and sciences.

MISSION

To serve as a nexus for new training opportunities, high-impact collaborative research, and technology development and transfer.

Co-Directors

60 faculty members

Total direct research funding: \$22.7M

6 colleges; 25 departments;
5 cancer research programs

11 Multi-PI research projects funded in 2021-2022

4 joint CCC-College of Engineering positions are supported

4 cross-cutting themes leading to fundamental and clinical discoveries

facility opening	11/24

- **project delivery method**

Construction Manager at Risk

- **planning framework**

- This project is included in the FY 2021, FY 2022, FY 2023 Capital Investment Plans and is based on a study that was completed in January 2020.

- **project scope**

- This project will add approximately 6,000 square feet to the existing loading dock. This includes nine new bays which will be added to the existing three bays for a total of twelve bays.
- The upgrade will meet the offsite central sterile requirements to provide an enclosed space for dedicated clean/dirty cart storage, soiled linen, medical gas manifold room, cardboard processing area, secure storage and receiving office.
- The proposed increase is related to materials cost escalation and the delivery of a \$1.1M project to relocate the bulk oxygen system (tank farm) behind the new addition. Delivery of the tank farm relocation scope within this project, as opposed to a separate, stand-alone project, will result in schedule, budget and project management efficiencies.

- **approval requested**

- Approval is requested to increase professional services and construction contracts.

- **project team**

- **planning framework**
 - This project is included in the FY 2018, FY 2020, and FY 2023 Capital Investment Plans.
 - FY 2023 Capital Investment Plan will be amended to include the proposed increase.

- **project scope**
 - Requested increase is to complete the design and construction for the full build out of Level 11 ICU (60 beds) and Levels 19 south and 20 south PCU (60 beds) which were previously construction shelled. This does not include the furniture and equipment for these spaces.
 - This project will design and construct a new Inpatient Hospital Tower with 820 private room beds and 51 bassinets. The project will include state-of-the-art diagnostic, treatment and inpatient service areas including imaging, operating rooms, critical care and progressive care beds and leading-edge digital technologies to advance patient care and teaching.

- **approval requested**
 - Approval is requested to increase professional services and construction contracts.
 - Approval is requested to amend the FY 2023 Capital Investment Plan.

**AMENDMENTS TO THE BYLAWS OF
THE OHIO STATE UNIVERSITY WEXNER MEDICAL CENTER BOARD**

Synopsis: Approval of the attached amendments to the *Bylaws of The Ohio State University Wexner Medical Center Board* is proposed.

WHEREAS pursuant to 3335-1-09 (C) of the Administrative Code, the rules and regulations for the university may be adopted, amended or repealed by a majority vote of the University Board of Trustees at any regular meeting of the board; and

WHEREAS a periodic review of the board's bylaws is a governance best practice; and

WHEREAS the last revisions to the *Bylaws of The Ohio State University Wexner Medical Center Board* took place in February 2021:

NOW THEREFORE

BE IT RESOLVED, That the Wexner Medical Center Board hereby recommends approval by the University Board of Trustees of the attached amendments to the *Bylaws of The Ohio State University Wexner Medical Center Board*.

OHIO STATE UNIVERSITY WEXNER MEDICAL CENTER BOARD BYLAWS

3335-93-01 The Ohio state university Wexner medical center board.

(A) The Ohio state university Wexner medical center board (“University Wexner Medical Center Board”) shall be the governing body responsible to the Ohio state university board of trustees (“University Board of Trustees”) for operation, oversight, and coordination of the Ohio state university Wexner medical center consisting of the Ohio state university hospitals, (Ohio state university hospital, Ohio state university hospital east, Ohio state Richard M. Ross heart hospital, Ohio state Harding hospital, Ohio state brain and spine hospital and Ohio state university rehabilitation services at Dodd hall) and the Ohio state James cancer hospital and Solove research institute (“The James”) and other such clinical health care enterprises, including without limitation to ambulatory services and outpatient health care facilities, clinics, the faculty group practice, primary and specialty practices, university Wexner medical center signature programs, and clinical laboratories.

Although the Ohio state university board of trustees has the fiduciary and legal responsibility for the Wexner medical center, the Ohio State university board of trustees acknowledges the important contributions and role of the Wexner medical center board. The complexity and scope of the Wexner medical center makes the focused oversight of the Wexner medical center board particularly helpful to the Ohio state university board of trustees. To assure clarity of roles and maximize the benefit of this structure, the Wexner medical center board shall be responsible for providing input and recommendations regarding the development and strategic allocation of resources, planning and delivery of medical services, and such other powers and duties as detailed in rule 3335-93-02 of the Administrative Code, subject to the ultimate authority of the university board of trustees.

(B) The university Wexner medical center board shall be composed of up to ~~seventeen~~ twenty-two voting members:

(1) Up to six members of the university board of trustees, including one student trustee, appointed annually by the chair of the university board of trustees and ratified by the university board of trustees.

(2) Up to ~~six~~ eleven public members appointed annually by the chair of the university board of trustees in consultation with the university president, ~~the chair of the Wexner medical center board~~, the executive vice president and ~~chancellor for health affairs~~ chief executive officer and the chair of the university board of trustees’ governance committee and ratified by the university board of trustees, and

(3) Five ex-officio voting members consisting of:

(a) The chair of the university board of trustees;

(b) The university president;

(c) The executive vice president and ~~chancellor for health affairs~~ chief executive officer;

(d) The university senior vice president and chief financial officer; and

(e) The university executive vice president and provost.

(C) The selection criteria for public members shall ensure that the university Wexner medical center board membership will include persons with a broad array of skill sets, perspectives, backgrounds, including knowledge in health care delivery, sophisticated business expertise, prior board service, and/or persons who can assist the university Wexner medical center in its outreach to and relationships with the public, communities, and patients served, and governmental entities to ensure optimal operations and advancement of the university Wexner medical center's strategic mission, vision, and goals. Membership shall be national in scope and the selection processes shall incorporate the diversity policies of the university.

3335-93-02 Powers and duties.

The university board of trustees retains its ultimate sovereign power and authority over and fiduciary responsibility for all aspects of the mission and operations of the university Wexner medical center, health sciences colleges, and clinical health care enterprises.

Under the ultimate authority of the university board of trustees and consistent with Ohio law, the university board of trustees authorizes and designates the university Wexner medical center board to act as a governing body on behalf of the university for certain quality and patient care matters, for all of the hospitals and clinics of the university. In accordance with that responsibility, as authorized by the university board of trustees, the university Wexner medical center board will be responsible for the following:

(A) Assuring the quality of patient care throughout the university Wexner medical center, including the planning and delivery of patient services and formation of quality assessments, improvement mechanisms and monitoring the achievement of quality standards and patient safety goals;

(B) Oversight for the purposes of accreditation and licensure; and

(C) Approval of clinical privileging forms, medical and dental staff appointments, clinical privileges, medical staff operations, including the approval, adoption, and amendment of medical staff bylaws and rules and regulations, and the conducting of peer review and professional review actions for medical staff and credentialed providers within university board of trustees-defined and approved parameters.

Any action taken by the board pursuant to the powers and duties as defined in paragraphs (A) to (C) of this rule shall be taken only by the voting, non-public members and approved by majority vote thereof.

(D) In addition, in accordance with that authority and responsibility authorized by the university board of trustees, and consistent with Ohio law, the university Wexner medical center board shall serve in a consultative role and shall be responsible for, subject to the review and approval of the university board of trustees, the following:

- (1) Making recommendations to the university board of trustees, university president, and executive vice president and ~~chancellor for health affairs~~ chief executive officer for the Wexner medical center regarding the development and strategic allocations of resources of the university Wexner medical center, including operations, fiscal health, space and facilities management and utilization, personnel, safety and security, and technology;

- (2) Oversight of extramural affiliations, partnerships, operating agreements, and strategic business opportunities as approved by the university board of trustees, with regard to the university Wexner medical center and its affiliated entities;
- (3) Upon recommendation by the medical staff of university hospitals or the medical staff of the James, approval of medical staff bylaws amendments and recommendation thereof to the university board of trustees;
- (4) Making recommendations for approval to the university board of trustees of the purpose and governance documents of any organization established as an auxiliary service organization to the university Wexner medical center;
- (5) Monitoring and assisting the university Wexner medical center in its relationship with the public, affected communities, governmental entities, and public and private organizations;
- (6) Monitoring the university Wexner medical center integrity and compliance programs as adopted by the university board of trustees; and
- (7) Reviewing strategic plans, capital and operating budgets of the university Wexner medical center, and making recommendations for approval to the university board of trustees, university president, and ~~chancellor for health affairs~~ executive vice president and chief executive officer for the Wexner medical center.
- (8) Providing general advice and guidance to the university board of trustees, university president, and ~~chancellor for health affairs~~ executive vice president and chief executive officer for the Wexner medical center regarding extramural affiliations, operating agreements and other strategic business opportunities of the university Wexner medical center; and
- (9) Advising the university board of trustees, university president, and executive vice president and ~~chancellor for health affairs~~ chief executive officer for the Wexner medical center regarding strategic aspects of the university's education and research programs in the health sciences colleges.

3335-93-03 Relationship of the university Wexner medical center board to the health sciences academic programs.

The health sciences schools and colleges of the university carry out a significant portion of their educational and research activity in facilities of the university Wexner medical center. The university board of trustees shall have exclusive governing authority over the academic and research programs of the university Wexner medical center, including the college of medicine, the planning, administration, and operations of the health sciences schools and colleges and all other educational and research institutes, centers, and programs. The university Wexner medical center board shall lend its best efforts to assure that the programs of the health sciences colleges are effectively supported in collaboration with the university Wexner medical center's patient care programs. The executive vice president and ~~chancellor for health affairs~~ chief executive officer shall be charged with maintaining an effective liaison between the health sciences colleges and the university Wexner medical center board to assure excellence in both academic and patient care programs.

3335-93-04 Scope of role, accountability and reporting.

(A) To ensure that the university board of trustees meets its governance obligations under all applicable laws and regulations, the university Wexner medical center board shall be accountable to the university board of trustees.

~~(1) The chair of the university Wexner medical center board or other designee as selected by the chair of the university board of trustees shall provide a summary report of its activities and actions taken at each regular meeting of the university board of trustees.~~

~~(1)(2) The chair of the university Wexner medical center board or other designee shall report annually also to the university board of trustees or appropriate Board committee on the following topics: The Wexner medical center board shall provide regular reports to the university board of trustees and/or to its appropriate board committees, including: The chair of the Wexner medical center board or his/her designee shall present a comprehensive report annually to the university board of trustees at its fall meeting on the state of the Wexner medical center, including an assessment of quality of care, overall operations and finance, compliance, and strategic plans, as well as opportunities for the future.~~

~~(a) Annual patient safety and quality report;
(b) Annual compliance report; and
(c) Annual financial report.~~

3335-93-05 Meetings and notice.

(C) Special meetings. Special meetings may be called at the discretion of the chair of the university Wexner medical center board, the university president, the executive vice president and ~~chancellor for health affairs~~ chief executive officer for the Wexner medical center, or the chair of the university board of trustees, and shall be called by the chair at the request of three members of the university Wexner medical center board, provided that notice of any special meeting shall be given in accordance with Ohio law.

(F) All trustees are encouraged to attend meetings of the Wexner medical center board, whether they are members or not, to maximize effective and knowledgeable oversight by the university board of trustees. Trustees who are members of the Wexner medical center board shall represent the interests of both boards during their service.

**SCOPE OF CARE
THE OHIO STATE UNIVERSITY AMBULATORY SURGERY CENTER
OUTPATIENT CARE DUBLIN**

Synopsis: Approval of the annual review of the scope of patient care services for The Ohio State University Ambulatory Surgery Center – Outpatient Care Dublin, is proposed.

WHEREAS the mission of the Ohio State University Hospitals is to improve people’s lives through the provision of high-quality patient care; and

WHEREAS the scope of care describes services related to elective outpatient procedures at The Ohio State University Ambulatory Surgery Center – Outpatient Care Dublin; and

WHEREAS on September 27, 2022, the Quality and Professional Affairs Committee recommended that the Wexner Medical Center Board approve the scope of patient care services for The Ohio State University Ambulatory Surgery Center – Outpatient Care Dublin:

NOW THEREFORE

BE IT RESOLVED, That the Wexner Medical Center Board hereby approves the scope of care for The Ohio State University Ambulatory Surgery Center – Outpatient Care Dublin as outlined in the attached document.

OSU AMBULATORY SURGERY CENTER
Scope of Care – Outpatient Care Dublin
Clinical Departments

Approved By:

X 

Dr. M. Guertin MD
Chief PeriOperative Medical Director

X 

Sheryl Burtch MA, BSN, RN
Senior Director PeriOperative Services

Department/ Patient Care Unit Name: The Ohio State University Outpatient Care Dublin - Ambulatory Surgery Center. The Center is an Ambulatory Surgery Center of OSUWMC which provides for services related to elective outpatient procedures.

Types (and age range) of patients served:

- 18 or more years of age.
- Patients aged 13 to 17 with the following requirements please follow below approval process:
 1. Treating physician has admitting privileges at an age-appropriate inpatient center
 2. Permission from Medical Director or Designee
 3. Minimum Height/ Weight requirements: 5'0" and 100 pounds. Variance shall require medical director (or designee) approval.
 4. All patients must be mature enough to have an IV placed in the preop area (ie- no inhaled inductions).
 5. All patients will have an anesthesia evaluation at the Pre-Procedure Preparation. Variance shall require medical director (or designee) approval.
 6. Pediatric BMI limit is 40.0.

Approved: July 2022

Date Last Revised:

Date Last Reviewed:

7. An accompanying responsible adult, preferably the custodial parent or legal guardian, must remain present in the building. A custodial parent or legal guardian must be available by phone during the surgery admission.

Physical Status:

- ASA I-II.
- ASA III without signs or symptoms of uncontrolled or decompensated conditions.
- ASA IV without signs or symptoms of uncontrolled or decompensated conditions and anesthesia limited to Monitored Anesthesia Care (MAC).
- ASA III or IV patients may not have straight Local without Anesthesia care; they may have MAC or General Anesthesia at the discretion of the Anesthesiologist.
- General and MAC Anesthesia will be administered by Department of Anesthesia providers. Conscious sedation will be administered by any individual provider credentialed to do so.

- Patients anticipated to have an extended PACU length of stay will need prior authorization by the Medical Director or designee
- These cases will be scheduled no later than the first case in a surgeon's block and will be scheduled to end by 3:00pm
- Extended Recovery will be an option for patients at Outpatient Care Dublin – Ambulatory Surgery Center.

DNR:

For patient admitted to the surgery center with an active DNR order, the advance directive should be discussed with the patient and/or their family members or caregivers, the surgeon/proceduralist and anesthesia providers to determine whether the do-not-resuscitate orders are suspended or maintained for the surgery or procedure. **Ideally, this should occur before the day of surgery, after the ComPAC visit has been completed.**

When a patient chooses to **suspend a DNR order for a procedure or surgery**, they must sign one of the DNR Suspension Informed Consents based on their surgery or procedure (DNR Suspension during Surgery Informed Consent or DNR Suspension during Moderate and/or Deep Sedation Informed Consent). If the decision is to suspend the DNR, a provider or their proxy must place an order in IHIS to update the patient's code status. The attending physician or their designee must discuss the process for reinstating the pre-existing DNR orders (a new code status order to reinstate the patient's previous DNRCC [DNR-Comfort Care or DNRCC-A or DNR Comfort Care – Arrest]). **The patient's DNR order takes effect when the patient is discharged from PACU. The patient's code status is updated in IHIS when the order is released.**

The patient may choose to have a **Limited Attempt at Resuscitation Defined with Regard to Specific Procedures:** The patient or designated surrogate may elect to continue to refuse certain specific resuscitation procedures (for example, chest compressions, defibrillation or tracheal intubation). The anesthesiologist should inform the patient or designated surrogate about which procedures are

Approved: July 2022

Date Last Reviewed:

1) essential to the success of the anesthesia and the proposed procedure, and 2) which procedures are not essential and may be refused. After agreement by the patient and providers, the DNR Suspension During Surgery Informed Consent or DNR Suspension during Moderate and/or Deep Sedation Informed Consent must be signed by the patient or their representative, the surgeon and attending anesthesiologist. Documentation should include the discussion as to what measures the patient will allow during the procedure (i.e., oxygen administration, sedation, management of blood pressure and heart rate variations, etc.). An Ethics Consult can be requested if discussion is needed regarding DNR reinstatement or suspension.

Malignant Hyperthermia:

Patients with a personal or family history of MH must be reviewed by the Medical Director or Designee.

Morbid Obesity:

Patients will be considered with identified criteria - Variance shall require medical director (or designee) approval.

- All patients must have current height & weight in IHIS before scheduled at the ASC.
- Patients with BMI > 35.0 may not be performed in the prone position if anesthetized and unable to move themselves into that position.
- Patients with BMI > 40.0 may not be performed in the lateral position if anesthetized and unable to move themselves into that position.
- Patients with a BMI 45.0-55.0 will be considered. Procedure planned should require minimal sedation and the patient should be evaluated by an in-person or video Pre-Procedure Preparation appointment. Elective conversion to General Anesthesia will not be an option. If General Anesthesia conversion is an anticipated option, the surgery/procedure should not be scheduled at the ASC.
- No patient with BMI > 55.0 will be accepted at the ASC.
- No pediatric (age < 18 years) patient with BMI > 40.0 will be accepted at the ASC

Hemodialysis:

Hemodialysis patients cannot have surgery and hemodialysis scheduled on the same day. Either the date of surgery or dialysis must be changed if they are scheduled for the same day.

Ambulation:

Patients must be able to ambulate with minimal assistance including ability to stand up and pivot to cart

- Procedures will not be performed with patient's personal medical equipment (i.e. wheelchairs)
- Physical Therapy will be available for patients in Extended Recovery for total joint procedures.

Anesthesia:

Approved: July 2022

Date Last Revised:

Date Last Reviewed:

General and MAC Anesthesia will be administered by providers from Department of Anesthesiology. Conscious sedation will be administered by any individual provider credentialed to do so.

Difficult Airway:

Patients with a history of difficult airway / intubation must be evaluated in-person or video by the Pre-Procedure Preparation department and approved by the Medical Director or Designee.

Pacemakers / Defibrillators:

- Patients with isolated pacemakers must have the device evaluated by their Cardiologist within twelve (12) months prior to Date of Service. Documentation of interrogation must be readily available and there should be no change in patient's clinical status since last cardiac evaluation.
- Patients with pacemakers will not be considered for ESWL procedures without OSU Pacer Clinic personnel on site throughout the surgical procedure.
- Patients with AICD's are considered for MAC Anesthesia only. Patients must be evaluated by their cardiologist within six (6) months prior to Date of Service. Documentation of interrogation must be readily available and there should be no change in patient's clinical status since last cardiac evaluation.

Obstructive Sleep Apnea:

Anesthesiology services will evaluate the appropriateness of outpatient surgery, given the patient's OSA history, the proposed procedure, and the patient's co-morbidities.

- Patients with known diagnosis of OSA that have optimized co-morbid medical conditions will be considered if they are able to use a continuous positive airway pressure device in the post op period.
- Patients with a presumed diagnosis of OSA based on screening (STOP Bang) questionnaire, and with optimized co-morbid conditions, will be considered for the OSC if postoperative pain can be managed predominantly with non-opioid analgesia.

Isolation Patients/ Infection Prevention:

Patients requiring isolation precautions (droplet, airborne) as defined by medical center guidelines will need approval by the Medical Director or Designee.

Patients requiring contact isolation precautions may be considered as defined by medical center guidelines using appropriate PPE.

Patients with wounds that are bleeding or draining will have sites contained with an occlusive dressing and treated with standard precautions.

Patients with known current Bed Bug infestation will not have their procedure performed at the Ambulatory Surgery Center.

[Guide to Infection Prevention In Outpatient Settings: Minimum Expectations for Safe Care. \(n.d.\). CDC.Gov. Retrieved from](#)

Pregnancy:

No patient with a known pregnancy or positive pregnancy test may be treated at the ASC. All patients of childbearing age will submit a urine pregnancy test on the day of surgery. Every attempt will be made to collect urine specimen. If the patient is unable to void, refuses to void, or the patient's power of attorney refuses the pregnancy test, a pregnancy test waiver consent form may be signed by the patient or the patient's power of attorney after a discussion of risks and signature from the anesthesiologist and attending proceduralist.

Developmental Disabilities/Special Needs:

The ASC will be provided an updated History & Physical that includes diagnosis of specific conditions/ syndromes. Along with the H&P, the "Functional Ability Assessment" will be completed. All Developmentally Disabled/ Special Needs patients require Anesthesia approval prior to scheduling.

Toxicology Screen:

All patients who appear to be intoxicated and who test positive on Date of Service for methamphetamines, amphetamines, cocaine &/or alcohol will have their procedure cancelled. Patients testing positive for other drugs will be evaluated on an individual basis.

Preoperative Evaluation:

Patients may undergo pre-operative testing according to the current Pre-Anesthetic Testing Algorithm. Complete pre-operative services are available by a Pre-Procedure Preparation appointment.

Accompanying Adult:

Patients who have undergone minor, superficial procedures *without sedation* may be discharged at the discretion of their admitting physician. If the procedure performed involves the hand, eye, or foot & impairs their visual acuity, or hand/ foot dexterity to the degree that they cannot operate a motor vehicle, the patient will not be permitted to drive when discharged.

All other patients will require an accompanying adult (18 or more years of age) to provide patient transportation upon discharge. The ASC will recommend that the adult representative remain at the ASC throughout the procedure. Patients will be made aware that the absence of an accompanying adult may result in their procedure being cancelled. Patients found to be without transportation after their procedure will be discharged according to current medical center policy.

Scope and complexity of patient's care needs:

Six operating rooms located on the second floor of The Ohio State University Outpatient Care Dublin Ambulatory Surgery Center servicing the following specialties: Otolaryngology, Ophthalmology, Hand & Upper Extremity, Orthopaedics, Endoscopy and Interventional Radiology, Pain Management, and Podiatry. The Center is staffed 24 hours a day, Monday through Friday, primarily for adult patients requiring surgical intervention under local anesthesia, monitored anesthesia care, conscious sedation, regional anesthesia, or general anesthesia.

Patients are admitted to the ASC on an ambulatory basis. The patients are required to have the ability to understand and carry out their discharge instructions or have a responsible adult which will assist them in fulfilling these needs.

All procedures performed at the Ambulatory Surgery Center are part of the Core Privileges approved by Ohio State University Wexner Medical Center.

The following types of procedures are not performed at the Center:

- Are associated with the risk of extensive blood loss.
- Require major or prolonged invasion of body cavities.
- Directly involve major blood vessels.
- Are an emergency or life threatening in nature
- Noted on the CMS Inpatient Only List. This list will be reviewed and updated annually.

Methods used to assess and meet patient's care needs:

Care of all patients experiencing surgical intervention is based on the nursing process and standards from AORN, ASPSN, and other National Peri-operative organizations supporting the service lines of the Center. Preoperatively, the RN verifies the patient, identifies the patient's special needs, completes a patient assessment, and develops a plan of care. Intra-operatively, the RN implements the patient's plan of care and

documents on the appropriate medical records (e.g.: Op-Time and hospital approved documents).

Methods used to determine the appropriateness, clinical necessity, and timeliness of support services provided directly or through referral

The Circulating RN works collaboratively with the surgeons, anesthesiologists, PACU RN, and the Pre-op Holding RN in assessing, prioritizing, and meeting the patient's individual needs. Based on the scheduled surgical procedure and communication with the surgeon and anesthesia, specific patient concerns regarding safety, infection control, positioning, and psychosocial needs are anticipated and met (e.g.: preparation of OR environment for latex allergy patient, isolation protocols implemented, limitation of patient's range of motion, need for an interpreter or caregiver for MR/DD patients). The continued need for support is communicated to the receiving unit via the oral transfer report and OR documentation. A collaborative effort to improve this communication is ongoing. The success of this method is determined by the achievement of positive patient outcomes, reflected by PI monitors and retrospective chart reviews.

Extent to which the level of care or service meets patient's needs:

The Center is staffed 24 hours a day, Monday through Friday, primarily for adult patients requiring surgical intervention under local anesthesia, monitored anesthesia care, conscious sedation, regional anesthesia, or general anesthesia.

In the event of an identified patient need to receive services not provided at the ASC, the patient will be transferred to the Wexner Medical Center for subsequent evaluation.

Standards of practice/ practice guidelines, when available

The Ambulatory Surgery Center provides services related to elective outpatient procedures in the fields of Otolaryngology, Ophthalmology, Hand & Upper Extremity, Orthopaedics, Endoscopy, Interventional Radiology, Pain Management, and Podiatry in Outpatient Care at Dublin Ambulatory Surgery Center - 6700 University Blvd, Dublin, Ohio 43016. The OSUWMC Board of Directors, the OSUWMC Medical Staff, in conjunction with the Ambulatory Executive Director, Ambulatory Medical Director, Senior Director, Associate and Administrative Directors, & Nurse Manager assess, plan, implement, and evaluate the delivery of care and services. The Ambulatory leadership team is responsible for ensuring that the delivery of care provided is consistent with the mission, standards, and policies established for patient care. The Ambulatory leadership team promotes an environment that fosters empowerment through active participation in strategic planning and development of processes that ensure adequacy of services and resources to meet the current and projected community needs, policy establishment, and professional growth.

The objective of the Outpatient Care Dublin Ambulatory Surgery Center is to deliver excellent surgical, procedural, and anesthesia services to those we serve in accordance with the standards set forth by The Joint Commission, CMS Conditions of Participations for Hospitals and The Vision and Mission statements of The Ohio State University Wexner Medical Center. The Scope of Care is designed to provide appropriate care and services for all patients in a timely manner.
