OFFICERS

1963–1964

THOMAS F. PATTON, Chairman
SMITH L. RAIRDON, Vice Chairman
JOHN T. MOUNT, Secretary
GORDON B. CARSON, Treasurer
The Board of Trustees met at its regular monthly meeting on Friday, July 12, 1963, at The Ohio State University, Columbus, Ohio, pursuant to adjournment.

Present: Thomas F. Patton, Chairman, Smith L. Rairdon, Alan B. Loop, Jacob E. Davis, Stanley C. Allyn, and John W. Bricker.

The minutes of the last meeting were approved.
July 12, 1963 meeting, Board of Trustees

President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Clarification of Fees Approved to be Effective Autumn Quarter 1963

At the June 14, 1963 meeting of the Board of Trustees, several adjustments in student fees were approved to become effective Autumn Quarter 1963. To clarify certain details related to these adjustments, it is recommended

1. that the fee for part-time students (those carrying six credit hours or less or enrolled for one term of a Summer Quarter) be assessed at an even dollar rate of $63.00 per quarter;

2. that the non-resident fee for part-time students be assessed at an even dollar rate of $83.00 per quarter; and

3. that the non-resident fee be assessed, when applicable, to students attending branch centers and that this assessment be made on the basis of the same formula used to assess resident fees for students attending branch centers.

Upon motion of Mr. Davis, seconded by Mr. Loop, the above recommendation was approved by unanimous roll call vote.

B. Agricultural Extension Annual Personnel Budget for the 1963-1964 Fiscal Year - Revised

The Board of Trustees at its June 14, 1963 meeting approved the 1963-64 annual personnel budget for the Agricultural Extension Service in the amount of $3,468,502.00, subject to the legislative approval of the level of support indicated in lines 990 through 1005 of Amended H.B. 711. Final action by the General Assembly resulted in a $60,000.00 reduction below this level. It is therefore recommended that the Agricultural Extension Service annual personnel budget from appropriated State and Federal Funds and Extension Rotaries in the reduced amount of $3,408,502.00 be approved for the fiscal year beginning July 1, 1963.

Upon motion of Mr. Bricker, seconded by Mr. Davis, the Agricultural Extension Service personnel budget was unanimously approved by roll call vote, and the Secretary was instructed to file the "Salary Roll" detailing this budget with the official records of the University.

C. Degrees Conferred - Summer Quarter Commencement Convocation

It is recommended that degrees be conferred at the Summer Quarter Commencement Convocation on August 23, 1963 to those students who have completed requirements for their respective degrees and are recommended by the Faculty Council. The names of those awarded degrees will be included in the minutes of this meeting. (See Appendix I, page 31.)

Upon motion of Mr. Rairdon, seconded by Mr. Allyn, the above recommendation was unanimously approved by roll call vote.

II. PERSONNEL CHANGES

It is recommended that all personnel changes since the June 14, 1963 meeting of this Board, as recorded in the official "Salary Roll" of the University, be approved by the Board. These changes include the following Appointment, Leaves of Absence Without Salary, and Emeritus Titles:

A. Appointment

Lloyd R. Evans, Assistant Dean, College of Medicine, and Associate Professor, Department of Medicine, effective September 1, 1963, at a salary of $18,468.00 per annum. As Assistant Dean, he will be responsible for medical curriculum development and research in medical education.

B. Leaves of Absence Without Salary

Richard R. Newberg, Professor (part time - 43%), Agricultural Economics and Rural Sociology, October 1, 1963 through September 30, 1964, to work for the U. S. Agency for International Development in Brazil.

Carroll L. Shartle, Professor, Psychology, July 1, 1963 through September 30, 1964, to supervise an All-Services High Level Defense Department Research Organization, Washington, D. C.

Delos D. Wickens, Professor, Psychology, January 1, 1964 through March 31, 1964, to teach at the University of California, Berkeley, California.

E. Leonard Jossem, Associate Professor, Physics, October 1, 1963 through September 30, 1964, to serve with the National Commission sponsored by the American Institute of Physics and the American Association for Physics Teachers, Haverford, Pennsylvania.

Samuel C. Kelley, Associate Professor (part time - 25%), Economics, and Director, Labor Relations and Research Service (part time - 75%), July 1, 1963 through June 30, 1964, to work on a research project for the Organization for European Economic Cooperation, Paris, France.

Phebe M. Scott, Associate Professor, Women's Physical Education, June 17, 1963 through August 23, 1963, to become manager of the United States Women's Track Team which will compete in Europe.

H. Eric Solomon, Assistant Professor, English, April 1, 1964 through June 30, 1964, to be engaged in research.

Adrian H. Stilson, Assistant Professor, University School, October 1, 1963 through September 30, 1964, to attend the Army War College at Carlisle, Pennsylvania.
II. PERSONNEL CHANGES (continued)

B. Leaves of Absence Without Salary (continued)

Charles B. Wheeler, Assistant Professor, English, April 1, 1964 through June 30, 1964, to complete writing a book.

Mary E. Wilsberg, Assistant Professor, University School, October 1, 1963 through September 30, 1964, to work on doctoral requirements at Columbia University.

Irma G. Fitzenrider, Instructor (County Extension Agent, Home Economics) Williams County, July 1, 1963 through July 31, 1963, because of illness in her family.

David D. Jenkins, Instructor (County Extension Agent, 4-H) Fairfield County, August 1, 1963 through June 15, 1964, to study at The Ohio State University.

C. Emeritus Titles

Earl H. Baxter, Pediatrics, with the title Professor Emeritus, effective July 1, 1963.

Elwyn G. Davies, College of Law, with the title Professor Emeritus, effective August 1, 1963.

Alexander H. Schutz, Romance Languages, with the title Professor Emeritus, effective July 1, 1963.

Upon motion of Mr. Davis, seconded by Mr. Rairdon, the Appointment, Leaves of Absence Without Salary, Emeritus Titles, and the personnel changes recorded in the official "Salary Roll" of the University were unanimously approved by roll call vote, and the Secretary was instructed to file these changes in the "Salary Roll" with the official documents of the University.

A. The Ohio State University and The Ohio State University Research Foundation

In accordance with the Memorandum of Agreement between The Ohio State University and The Ohio State University Research Foundation approved by this Board on September 5, 1950, it is recommended that the research agreements for the following projects administered through the Research Foundation be approved and recorded in the minutes of this meeting.

1. Government Contracts - Federal

   a. Headquarters, Aeronautical Systems Division, Wright-Patterson Air Force Base, Ohio, for Services in Support of Research on the Chemistry of Fuels and Propulsion (to be known as Aeronautical Systems Division Project No. 1077 - Sup. #8 - RF Internal Supervision).
   Gross Value - $22,000.00.
III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

b. Department of the Navy, Office of Naval Research, Washington 25, D. C., for Conducting a Course of Instruction in Navy Price Analysis (to be known as Office of Naval Research Project No. 1086 - Amend. #6 - Defense Management Center).
   Gross Value - $29,000.00.

c. Headquarters, Aeronautical Systems Division, Wright-Patterson Air Force Base, Ohio, for Spectroscopic Analysis of Plasma Flow (to be known as Aeronautical Systems Division Project No. 1390 - Sup. #4 - Department of Aeronautical and Astronautical Engineering).
   Gross Value - $4,007.00.

d. Headquarters, Aeronautical Systems Division, Wright-Patterson Air Force Base, Ohio, for Contributive Research in Thermo-mechanics (to be known as Aeronautical Systems Division Project No. 1401 - Sup. #1 - RF Internal Supervision).
   Gross Value - $47,000.00.

e. National Science Foundation, Washington 25, D. C., for an Investigation of the Solar Spectrum in the Range 0.295-5.0 Microns (to be known as National Science Foundation Project No. 1482 - Amend. #1 - Department of Astronomy).
   Gross Value - $23,500.00.

f. Headquarters, Aeronautical Systems Division, Wright-Patterson Air Force Base, Ohio, for Research on Radiographic Techniques of Graphite Evaluation (to be known as Aeronautical Systems Division Project No. 1663 - New - Department of Welding Engineering).
   Gross Value - $26,839.00.

g. National Science Foundation, Washington 25, D. C., for an Investigation of Effects of Colloids on Plant Nutrition (to be known as National Science Foundation Project No. 1664 - New - Department of Agronomy).
   Gross Value - $30,500.00.

   Gross Value - $18,214.00.
III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

i. U. S. Army Research Office (Durham), Box CM, Duke Station, Durham, North Carolina, for an Investigation of 4397-C - Initial Stages of Oxidation of Metals (to be known as U. S. Army Research Office (Durham) Project No. 1666 - New - Department of Metallurgical Engineering).
   Gross Value - $14,827.00.

j. Headquarters, Aeronautical Chart and Information Center, USAF, Second and Arsenal, St. Louis 18, Missouri, for Collection, Reduction, Processing and Evaluation of Gravity Data (to be known as Aeronautical Chart and Information Center Project No. 1668 - New - Department of Geodetic Science).
   Gross Value - $38,000.00.

k. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for Statistical Classification of Mental Disorders (to be known as National Institutes of Health Project No. 1669 - New - Department of Psychiatry).

between The Ohio State University and The Ohio State University Research
Foundation for the above contracts were unanimously approved.

B. The Report of the Research Contracts
from the Engineering Experiment Station

During the period from June 1, 1963 through June 28, 1963, the Engineering
Experiment Station of The Ohio State University entered into the following
research contracts. These research contracts are reported to the Board of
Trustees for information and record.
III. GENERAL CONTRACTS AND AGREEMENTS (continued)

B. The Reports of the Research Contracts from the Engineering Experiment Station

1. Government Research Contract

   Gross Value - $27,100.00.

2. Industrial Research Contract

   Gross Value - $20,000.00.

The foregoing two contracts for research in the Engineering Experiment Station represent a gross income of $47,100.00.

C. The Ohio State University and the State Department of Education

   Division of Vocational Education and Division of Special Education

   It is recommended that the agreements between The Ohio State University and the State Department of Education, Division of Vocational Education and Division of Special Education, be continued for the fiscal year 1963-64 and that contracts for teacher training and special services in the following areas be approved:

   Vocational Home Economics
   Vocational Agriculture
   Trade and Industrial Education
   Distributive Education
   Business Education
   Guidance Services
   Teaching of Handicapped Children

   It is recommended further that the President of the University and the Secretary of the Board of Trustees be authorized to sign the agreements on behalf of the University.

Upon motion of Mr. Davis, seconded by Mr. Allyn, the above recommendation was unanimously approved by roll call vote.

D. Amendment to Agreement between West Virginia University and The Ohio State University Relating to Enrollment of Students in the College of Veterinary Medicine

   On May 11, 1953 the Board of Trustees approved an Agreement between West Virginia University and The Ohio State University whereby it was agreed that the State of West Virginia would contribute to The Ohio State University $1,000.00 annually for each West Virginia student enrolled in the College of Veterinary Medicine. As a result of the increasing costs
D. Amendment to Agreement between West Virginia University and The Ohio State University Relating to Enrollment of Students in the College of Veterinary Medicine (continued)

since the date of the said Agreement, it is now deemed necessary and desirable to increase the sum of money contributed by the State of West Virginia from $1,000.00 to $1,500.00 annually for each West Virginia student who accepts an appointment for admission to the College of Veterinary Medicine.

It is therefore recommended that the President be authorized to sign on behalf of The Ohio State University an Amendment to the said original Agreement providing for an increase as indicated above with the understanding that the increase shall become effective Autumn Quarter 1963. Each West Virginia student enrolled in Veterinary Medicine prior to the date of this Amendment to said Agreement shall be covered by the provisions of the original Agreement until his graduation. The Amendment authorizing the above stated increase has been approved by the Board of Governors of West Virginia University.

Upon motion of Mr. Bricker, seconded by Mr. Davis, the Amendment to the Agreement between West Virginia University and The Ohio State University relating to enrollment of students in the College of Veterinary Medicine was unanimously approved by roll call vote, and the President was authorized to sign said Amendment.

A. Administered Through the Office of Business and Finance

1. $75,000.00 granted by the National Science Foundation to the University for "Institutional Grants for Science, 1963." (Grant GU-398)

2. $64,960.00 granted by the Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, to the University for "Graduate Training Program in Occupational Health," under the direction of Dr. William F. Ashe, Department of Preventive Medicine, for the period July 1, 1963 through June 30, 1964. (Grant T1 GM 1134-01 - T1 ES 32)

3. $60,573.00 additional grant from the Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, to the University for "General Research Support." under the direction of Dr. Richard L. Meiling, Dean of the College of Medicine, for the period January 1, 1963 through December 31, 1963. (Grant 1 S01-FR-05109-01)
IV. GRANTS AND GIFTS (continued)

A. Administered Through the Office of Business and Finance (continued)

4. $31,144.00 granted by the Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, to the University for "Graduate Training Program in Microbiology and Immunology," under the direction of Dr. Jorgen M. Birkeland and Dr. E. H. Bohi, Department of Microbiology, for the period July 1, 1963 through June 30, 1964. (Grant 5 T1 GM-705-03)

5. $29,235.00 granted by the Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, to the University for "Graduate Training in Arthritis and Metabolic Diseases," under the direction of Dr. George J. Hamwi, Department of Medicine, for the period July 1, 1963 through June 30, 1964. (Grant T1 AM 5118-07)

6. $21,529.00 granted by the U. S. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, to the University for "Undergraduate Training in Psychiatric Nursing," under the direction of Mildred E. Newton, School of Nursing, for the period July 1, 1963 through June 30, 1964. (Grant 5 T2 MH-6375-07 - Formerly 2M-6375-C6)

7. $3,675.00 additional grant from the National Science Foundation to the University for support of an "Academic Year Institute in Science and Mathematics for Secondary School and College Teachers of Science and Mathematics," under the direction of Dr. John S. Richardson, Department of Education. This grant terminates on or about September 30, 1964. (Grant GE-280-Amendment No. 1)

8. $3,075.00 additional grant from the National Science Foundation to the University for support of an "Academic Year Institute in Science and Mathematics for Secondary School and College Teachers of Science and Mathematics," under the direction of Dr. John S. Richardson, Department of Education. This grant terminates on or about September 30, 1964. (Grant GE-280-Amendment No. 2)

9. $791.00 additional grant from the Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, to the University for "General Research Support," under the direction of Dr. Walter R. Krill, College of Veterinary Medicine, for the period January 1, 1963 through December 31, 1963. (Grant 1 S01-FR-05264-01)

TOTAL - Through the Office of Business and Finance $289,982.00

B. Received Through the Development Fund

1. $13,400.00 from the Charles F. Kettering Foundation, Yellow Springs, Ohio--$7,200.00 for fellowships in Agricultural Biochemistry and $6,200.00 for fellowships in Botany.
July 12, 1963 meeting, Board of Trustees

IV. GRANTS AND GIFTS (continued)

B. Received Through the Development Fund (continued)

2. $10,000.00 from The Procter & Gamble Co., Cincinnati, Ohio, for research fellowships in Dentistry.

3. $8,500.00 from The Bremer Foundation, Youngstown, Ohio, for research in Medicine.

4. $1,528.00 from the family and friends of Jerald D. O'Koon, deceased, for the Jerald D. O'Koon Memorial Fund.

Jerald D. O'Koon Memorial Fund

The Jerald D. O'Koon Memorial Fund was established June 20, 1963 by gifts through the Development Fund from the family and friends of Jerald D. O'Koon, deceased.

The principal is to be invested according to rules and regulations adopted by the Board of Trustees of The Ohio State University, with right to invest and reinvest as occasion dictates.

The income is to be used at the direction of Dr. Charles Austin Doan for research in leukemia and cancer. Upon Dr. Doan's death or resignation from the staff of The Ohio State University College of Medicine, the income shall be used for the same purpose at the direction of the Dean of the College of Medicine. In case the need for such research shall cease or so diminish as to create unused income, Dr. Doan or the Dean of the College of Medicine, as the case may be, may direct its use for other medical research.

5. $1,000.00 from the Guernsey County Cancer Society, Cambridge, Ohio, for cancer research in Dentistry.

TOTAL - Through the Development Fund $34,428.00

C. Gift-in-Kind Received since the June 14, 1963 Meeting

The American Chemical Society desires to construct at its own cost and give to the University that portion of a private sanitary sewer line which will pass through University land. The sewer has been designed with sufficient capacity to serve the foreseeable future requirements of the University as well as those of the Chemical Abstracts Service in the area north of Lane Avenue, between Buckeye Village and the Olentangy River.

Upon motion of Mr. Rairdon, seconded by Mr. Allyn, the above report of grants and gifts, including the establishment of a memorial fund, was accepted by unanimous roll call vote, and the Secretary was instructed to include the report in the minutes of this meeting.

Upon motion of Mr. Davis, seconded by Mr. Loop, the Board of Trustees by roll call vote unanimously approved the transfer of the above amounts to Account 199999, University Treasurer General Fund.

B. Ohio Journal of Science

Upon the request of the Joint Administrative Board of the Ohio Journal of Science and with the concurrence of the Vice President for Research, it is recommended that $3,000.00 be appropriated from Account No. 12953 for the use of the Ohio Journal of Science for the period from July 1, 1963 through June 30, 1964.

Upon motion of Mr. Davis, seconded by Mr. Allyn, the above recommendation was unanimously approved by roll call vote.

C. Newcomers Reception

Upon the recommendation of Mr. Frederick Stecker, Executive Director, University Relations, whose office is assigned the responsibility for planning the annual Newcomers Reception, and with the concurrence of the President’s Cabinet, it is recommended that an amount not to exceed $1,200.00 be appropriated from the University Treasurer General Fund for the purpose of defraying the expenses of this function, which will be held on Thursday, October 10, 1963.

Upon motion of Mr. Bricker, seconded by Mr. Davis, the above recommendation for appropriation of funds was approved by unanimous roll call vote.

D. Appropriation from Unrestricted Portion of Mershon Fund to Scholarship Funds

Upon the recommendation of the University Scholarships and Loans Committee and with the concurrence of the Executive Dean, Student Relations, and the Vice President, Business and Finance, it is requested that the Board of Trustees authorize the appropriation of $150,000.00 from the unrestricted portion of the Mershon Income to support University scholarships during the 1963-64 academic year. This recommendation is in accordance with the policy established by the Board of Trustees on February 7, 1958.

Upon motion of Mr. Davis, seconded by Mr. Rairdon, the appropriation of $150,000.00 from the unrestricted portion of the Mershon Income for support of University scholarships during the 1963-64 academic year was unanimously approved by roll call vote.
E. Appropriation of $10,000.00 to the Citizens for Ohio’s Bond Issue

It is recommended that an amount not to exceed $10,000.00 be appropriated from the non-tax funds deposited in the University Treasurer General Fund Account No. 19999 to the Citizens for Ohio’s Bond Issue, Mr. Harry Richter, Treasurer, for the purpose of assisting with the costs of interpreting the $250 million bond issue which is to be submitted to the voters of Ohio in November.

Upon motion of Mr. Bricker, seconded by Mr. Davis, the above appropriation of funds was unanimously approved by roll call vote.

F. Conference on the Humanities

Upon the request of the Dean of the Graduate School and with the concurrence of the Vice President for Instruction and Dean of Faculties, it is recommended that an amount not to exceed $2,500.00 be appropriated from the University Treasurer General Fund to Rotary 19606 for the Sixth Annual Conference on the Humanities to be held on the campus April 22 through 25, 1964.

Upon motion of Mr. Rairdon, seconded by Mr. Allyn, the above appropriation was unanimously approved by roll call vote.

G. The Ohio State University Press

Upon the request of the Dean of the Graduate School and the Editorial Board for the University Press, it is recommended that an amount not to exceed $30,000.00 be allocated from the University Treasurer General Fund to Rotary 18865, The Ohio State University Press, for the fiscal year beginning July 1, 1963.

Upon motion of Mr. Bricker, seconded by Mr. Rairdon, the foregoing recommendation for appropriation of funds was approved by unanimous roll call vote.

H. Appropriations for the Development of Research Projects

At the request of the Vice President for Research, and with the concurrence of the Vice President for Business and Finance and the Cabinet, it is recommended that the following amounts be appropriated from the University Treasurer Research Subaccounts as designated for the projects named:

- $27,500.00 to provide funds for matching a grant in the amount of $27,000.00 from the National Science Foundation for research equipment for the Department of Chemistry
- Subaccount (f)
July 12, 1963 meeting, Board of Trustees

V. APPROPRIATIONS AND TRANSFER OF FUNDS (continued)

H. Appropriations for the Development of Research Projects (continued)

$10,000.00 to provide funds for the purchase of equipment for an experimental instructional program through the use of a one-way video, two-way audio system between the University campus and the Graduate Center at Wright Field. The U. S. Air Force will pay for the line charges for conducting this study at an estimated amount of $2,500.00 per quarter Subaccount (c)

Upon motion of Mr. Davis, seconded by Mr. Allyn, the above recommendation for appropriation of funds was unanimously approved by roll call vote.

VI. EXTRA ORDER TO CONTRACT

At the request of the Council on Business Affairs, and with the concurrence of the Cabinet, it is recommended that the Extra Order to Contract as outlined below be approved by the Board of Trustees and submitted to the Director of Finance, State of Ohio, for approval and allocation of funds as indicated.

A. Men's Housing #1 and #2 - Dining Facility (Royer Commons)

General Contract

It is recommended that the following changes be made:

1. Remove quarry tile flooring and setting bed where two "pass-thru" refrigerators were installed and reinstall tile at the edges and provide expansion joints around refrigerators. Add $531.43.

2. Provide two chases in concrete block partition for hot gas lines from freezers and provide two 3" holes through the concrete. Add $295.00.

Total extra cost $826.43

Funds will be provided from Dormitory Construction Funds.

Upon motion of Mr. Davis, seconded by Mr. Loop, the above recommendation was unanimously approved by roll call vote.

VII. PLANS AND SPECIFICATIONS

With the approval of the Council on Business Affairs, and with the concurrence of the Cabinet, it is recommended that the plans and specifications, bills of materials and estimates of cost for the following projects be approved by the Board of Trustees:
VII. PLANS AND SPECIFICATIONS (continued)

A. Runway Extensions, The Ohio State University Airport

This project provides for the extension of the East-West Runway to 5,000 feet in length, the completion of the North-West, South-East Runway and necessary taxiways.

Funds will be provided from the University Treasurer General Fund, Budget Account 31235 (Engineering Experiment Station) and a grant from the Federal Aviation Agency.

B. Student Housing - Building #12 (Drackett Tower)

This is a high-rise dormitory which will house 870 students.

Funds will be provided from Dormitory Construction Funds.

C. Rehabilitation of Rooms 402A, B, C and 403, 403A - Starling Loving Hall

This project provides necessary cooling and ventilation for the soundproof chambers in the Audiology Clinic.

Funds will be provided from the University Hospital Rotary.

Upon motion of Mr. Davis, seconded by Mr. Rairdon, the above recommendation was unanimously approved by roll call vote, and the Secretary was authorized and directed to sign the plans and specifications for the above projects for and on behalf of the Board of Trustees. Vice President Carson was directed to proceed with a request for bids in the normal University manner and if satisfactory bids are received, to proceed with the award of contracts. All action regarding this matter shall be reported to the Board of Trustees at a later meeting.

IX. **CONTROLLING BOARD APPROVALS**

Each numbered approval shown below accomplishes the following purposes:

93 Approves the expenditure of $9,000.00 to provide for the purchase of property located at 205 West Frambes Avenue from Account 750 Land Purchases, H.B. 1123.

96 Approves the award of contracts for the Heating and Ventilating work in the amount of $186,540.00 and for the Plumbing work in the amount of $90,640.00 notwithstanding the fact that these low bids are over the estimate of cost for the project, "Housing for Metallurgical and Mineralogy Laboratories."

97 Approves the transfer of $424,859.36 from Rotary 601 to "Housing Metallurgical Laboratories," H.B. 1123, to provide funds for this project.

1 Approves the expenditure of $9,370.96 for contract and miscellaneous expenses on the project "Six Inch Gas Line to the University Laundry" from Account 804, H.B. 711.

---

X. **MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE**

A. **Electrical Engineering Research Facilities (Caldwell Laboratory)**

It is recommended that Tully & Hobbs, Architects, Columbus, Ohio, be employed to provide complete architectural and engineering services for this project, including preliminary plans, basic drawings, working drawings, specifications, estimate of cost, necessary bidding documents, and complete supervision of construction for the above project.

The fee for this service will be calculated on a percentage basis of 6 per cent of the contract cost or an estimated fee of $19,626.00.

Funds will be provided from the University Treasurer Research Subaccount (e), a grant from the National Science Foundation and from the Engineering Experiment Station.

Upon motion of Mr. Allyn, seconded by Mr. Loop, the above recommendation was unanimously approved by roll call vote.

B. **University Hospital Renovations (7 Areas)**

It is recommended that Louis F. Karlsberger & Associates, Architects, Columbus, Ohio, be employed to provide a feasibility study with preliminary drawings and estimate of cost for this project and contingent on acceptance and approval of the feasibility study, to provide complete architectural and engineering services including revised preliminary plans, basic drawings, working drawings, specifications, estimate of cost, necessary bidding documents and complete supervision of construction.
X. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE (continued)

B. University Hospital Renovations (7 Areas) (continued)

The fee for the feasibility study will apply to the complete service if it is approved and will be $1,800.00. The fee for the complete service will be 8 per cent of the contract cost or an estimated $15,036.32.

Funds will be provided for this purpose from the University Hospital Rotary.

Upon motion of Mr. Davis, seconded by Mr. Allyn, the above recommendation was unanimously approved by roll call vote.

C. Olentangy River Improvement

It is recommended that Professional Engineers, approved by the Director of Public Works, State of Ohio, be employed to provide all surveying, drawings and services with the exception of daily on-the-job inspection for this project.

The fee for this service will be at a cost of not more than $15,000.00.

It is further recommended that a sum not to exceed $15,000.00 be appropriated from the University Treasurer General Fund to provide funds for these engineering services.

Upon motion of Mr. Rairdon, seconded by Mr. Loop, the above recommendation was unanimously approved by roll call vote.

D. Janitorial Operations Study

It is recommended that E. Ralph Sims, Jr. and Associates, Lancaster, Ohio, be employed to survey and report on the janitorial operations on campus. This survey would include a review and evaluation of the organizational structure, management and administrative practices and staffing of the Janitorial Department; a study of the janitorial work load factors; preparation of a preliminary evaluation of the Janitorial Department's organization, management, work pattern, methods, state of the art and effectiveness; and preparation of recommendations concerning a general janitorial improvement program and the specific steps required to implement it.

It is further recommended that an amount not to exceed $9,000.00 be appropriated from the University Treasurer General Fund to provide for this service.

Upon motion of Mr. Loop, seconded by Mr. Allyn, the above recommendation was unanimously approved by roll call vote.

E. Withdrawal from Dividend Reserve on Group Life Insurance

It is recommended that Vice President Carson be authorized to make application to John Hancock Mutual Life Insurance Company for the withdrawal of $70,000.00 from the dividend reserve account on Group Life Insurance Policy No. 1305-G in order to make expenditures for supplemental

retirement benefits to our emeriti in accordance with Board action of July 10, 1958; for major medical coverage for emeriti in accordance with Board action of April 10, 1958; and death benefits as approved by action of the Board of Trustees on July 11, 1955.

Upon motion of Mr. Rairdon, seconded by Mr. Loop, the above recommendation was unanimously approved by roll call vote.

F. University North Urban Renewal Project - Land Disposition Agreement

On October 10, 1960 the Board of Trustees approved a preliminary development plan for incorporation in an application for Federal assistance in an Urban Renewal Project north of the campus. This development plan was refined by Board action on April 14, 1961 and again on May 18, 1962. On April 25, 1963 the Controlling Board of the State of Ohio released $530,000.00 for the purchase of land within the Urban Renewal Project from the City of Columbus for residence hall construction sites.

In order to comply with certain Federal regulations, it is necessary for the City of Columbus to obtain and submit a Land Disposition Agreement in which the University agrees to purchase and develop the land. Availability of this land will expedite the University's dormitory construction program.

It is, therefore, recommended that the Secretary of the Board of Trustees request the Director of Public Works of the State of Ohio, pursuant to his statutory duties, to act in the interest of the University by executing an acceptable Land Disposition Agreement with the City of Columbus.

Upon motion of Mr. Davis, seconded by Mr. Rairdon, the above recommendation was unanimously approved by roll call vote.

XI. RESOLUTIONS IN MEMORIAM

President Fawcett reported to the Board the death of George Melville Bolling, Professor Emeritus of Classical Languages; Arthur Cleveland Lytle, Jr., Assistant Professor of Pharmacy; Homer C. Sampson, Professor Emeritus of Botany; and Walter Crothers Weidler, Dean Emeritus of the College of Commerce and Administration and Professor Emeritus of Business Organization; and, in accordance with the instructions of the Board of Trustees, copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board have been furnished the families of the deceased.

A. George Melville Bolling

The Board of Trustees expresses its sorrow at the death on June 1, 1963 of George Melville Bolling, Professor Emeritus of Classical Languages.
July 12, 1963 meeting, Board of Trustees

XI. RESOLUTIONS IN MEMORIAM (continued)

A. George Melville Bolling (continued)

George Melville Bolling was born in Baltimore, Maryland, on April 13, 1871. He received the A.B. degree from Loyola College (Maryland) in 1891 and the Ph.D. degree from Johns Hopkins University in 1896. He was Professor of Greek and Associate Professor of Sanskrit at Catholic University, 1885-1913; a Johnston Scholar at Johns Hopkins University, 1913-14; Professor of Greek Language and Literature at The Ohio State University, 1914-1940. He was made Professor Emeritus at the time of his retirement in 1940.

Dr. Bolling was a Greek scholar, and he discovered that behind the Greek Epic lay Sanskrit. His devoted study made him one of the two or three outstanding Sanskrit scholars of this country. This distinction in turn led him to the developing study of the science of language, linguistics as it was then known. He became not merely an authority, but the editor of the journal Language.

Professor Bolling published a number of very valuable books. He was the author of numerous articles throughout his career, and they did not cease for years after his retirement.

He was absolutely uncompromising as a scholar and a person with regard to what he felt and knew to be right. To his friends he was as devoted, as loyal, and as helpful as any man could be and that is the memory that he has left behind him.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

B. Arthur Cleveland Lytle, Jr.

The Board of Trustees expresses its sorrow at the death on June 21, 1963 of Arthur Cleveland Lytle, Jr., Assistant Professor of Pharmacy.

Dr. Lytle was born in Fort Mill, South Carolina, on May 18, 1928. He received his B.S. in Pharmacy from the University of South Carolina in 1952 and served as an Instructor in Pharmacy at that institution for two years prior to beginning graduate work at The Ohio State University in 1954. In 1955 he joined the staff at Ohio State as Assistant Instructor, an appointment which he held for three years. He was granted a teaching fellowship from the American Foundation for Pharmaceutical Education during the academic years 1956-57 and 1957-58. He received his Ph.D. degree from The Ohio State University in September, 1958 and was promoted to Assistant Professor. He then assumed direction of the undergraduate program and, subsequently, the graduate program in pharmacy administration.

Dr. Lytle will be remembered for his unfailing efforts to broaden and deepen the concept of pharmacy as a vigorous and important member of the health professions. He made outstanding contributions in such fields as the development and promotion of professional services, the role of the community

pharmacy as a health center, prescription inventory control, and professional fee concepts in hospital and community pharmacy. Professor Lytle was particularly active in encouraging continuing education for the practicing pharmacist through local professional associations and during 1962 supervised two undergraduate research projects in this area which won Lunsford-Richardson prizes. He inaugurated a leadership training program whereby students were prepared during their pre-pharmacy and pharmacy education years for posts of responsibility in student, local, state, and national pharmaceutical organizations.

His sincerity, contagious enthusiasm, generous aid, and passionate convictions were an inspiration to all who knew him. His passing is a great loss to the pharmaceutical profession.

He was a member of the Committee on Student Chapters of the American Pharmaceutical Association, a member of Rho Chi, Kappa Psi, the Central Ohio Academy of Pharmacy, the Ohio State Pharmaceutical Association, the Central Ohio Chapter of the American Marketing Association, the Conference of Teachers of Pharmacy Administration of the American Association of Colleges of Pharmacy, and the American Pharmaceutical Association.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

C. Homer C. Sampson

The Board of Trustees expresses its sorrow at the death on July 2, 1963 of Homer C. Sampson, Professor Emeritus of Botany.

Dr. Sampson was born in Wheeler, Illinois, on January 21, 1885. He received the B.S. degree from the University of Chicago in 1914 and the Ph.D. degree from the same institution in 1917. His entire professional career was devoted to the service of The Ohio State University. He first came to this University as an instructor in 1917, was promoted to assistant professor in 1919, and to professor in 1922. He retired with the rank of professor emeritus in 1955.

Dr. Sampson was a man of broad interests in the general field of botanical science. He was an original thinker in both the educational and scientific aspects of his discipline and a firm protagonist of the points of view which he adopted. Although his contributions to science were not negligible, especially at the theoretical level, he was even more of an educator than a scientist. He was a dedicated and effective classroom teacher and sparked the spirit of inquiry in the minds of many students. For most of his career at Ohio State, he was in charge of the general botany courses, which under his direction and inspiration became models for similar courses in other institutions. His contributions to educational theory and practice have had a wide influence on the teaching not only of botany but also of other sciences in both this and other universities.
XI. RESOLUTIONS IN MEMORIAM (continued)

C. Homer C. Sampson (continued)

Dr. Sampson was the author or co-author of several books and also of a number of journal articles, especially in the fields of plant ecology, plant physiology, and botanical education. Forest ecology was one of his research interests, and for many years he served as a collaborator for the Central States Forest Experiment Station.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

D. Walter Crothers Weidler

The Board of Trustees expresses its sorrow at the death on July 6, 1963 of Walter Crothers Weidler, Dean Emeritus of the College of Commerce and Administration and Professor Emeritus of Business Organization.

Dean Weidler was born in Columbus, Ohio, on September 26, 1888. He received two degrees from The Ohio State University, the B.A. in 1913 and the M.A. in 1915. He was awarded an honorary degree, Doctor of Laws, by Bowling Green State University in 1944.

Dean Weidler's academic career began with a teaching fellowship in economics at The Ohio State University for the years 1913 to 1916. During 1916-17 he was an Austin Scholar in Economics at Harvard University. Following a two-year return to Ohio State, he served on the faculty of Tulane University as professor of merchandising in 1919-20. In 1920 he was made professor of insurance and foreign trade at Ohio State and continued his teaching responsibilities as professor of business organization in 1922 and of marketing in 1927.

His administrative duties included an assignment as acting secretary during 1918-19 and as acting dean during 1927-29, following which he assumed full administrative responsibility for the College when he was made dean in 1929. His 30-year leadership of the College from 1929 until 1959 spanned a period of phenomenal growth both in student population and eminent reputation of the College. He was given the University's Distinguished Service Award by the Board of Trustees in June 1958 in recognition of his significant contributions to the emergence of the College as one of the country's foremost collegiate schools of business.

Dean Weidler's retirement at age 70 on July 1, 1959 marked the close of a career devoted to creating a faculty of scholarly leaders in collegiate business education and to developing the College's services in adult and continuing education. In addition, his interest in and commitment to the development of research in all fields of business endeavor is evidenced by the enviable position occupied by the University's Bureau of Business Research. Through the years he assumed leadership responsibilities in national professional organizations by serving as vice president of the American Council on Education (1939), as director of the American Marketing Association (1936), and as president of the American Association of Collegiate Schools of Business (1937).
XI. RESOLUTIONS IN MEMORIAM (continued)

D. Walter Crothers Weidler (continued)

Dean Weidler was a member of Beta Gamma Sigma and Alpha Kappa Psi. He was co-author with several of his colleagues of texts in business management and marketing and contributed frequently to professional journals in business administration and economics.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

XII. REPORTS

A. Report Concerning the Perkins and Radio Observatories

President Fawcett reported on the meeting of the Joint Administrative Committee of The Ohio State and Ohio Wesleyan Universities for the Perkins and Radio Observatories which was held on July 9, 1963. In summary, he stated:

The radio telescope at the Delaware, Ohio, location is now completed and in operation under the supervision of Professor John Kraus, Department of Electrical Engineering. This telescope is one of the six largest in operation in the world. Dr. Arne Slettebak, Chairman of the newly created Department of Astronomy, is responsible for the supervision of the activities of the Perkins Observatory. The 32-inch reflecting telescope and the 16-inch Schmidt telescope which were given to Perkins Observatory by the Schottland family are now in operation. These telescopes replace the 69-inch telescope which was moved to Lowell Observatory at Flagstaff, Arizona. The research faculty of Ohio State and Ohio Wesleyan report that the move of the large 69-inch telescope to the Flagstaff, Arizona, site has enhanced significantly the effectiveness of the research program in astronomy of the two universities. Plans are being developed to hold a dedicatory service for the two new installations at the Perkins and Radio Observatories sometime during the next academic year. The President reported further that The Ohio State University is an active participant in the Association of Universities for Research in Astronomy (AURA).

B. Study of Fees and Enrollment in the College of Law

In accordance with the request made by the Board at its last regular meeting, President Fawcett reported as follows on student fees and enrollment in the College of Law:

With the assistance of Associate Dean Robert Nordstrom, a study of law college fees for selected state universities was completed. The study revealed that:
July 12, 1963 meeting, Board of Trustees

XII. REPORTS (continued)

B. Study of Fees and Enrollment in the College of Law (continued)

(1) The University of California has the lowest resident fee--$196.50 and the non-resident fee is $796.50. The lowest non-resident fee for those institutions included in the study is at the University of Kentucky--$540.00.

(2) The University of Michigan has the highest resident fee--$480.00 and also the highest non-resident fee--$1,100.00.

(3) Ohio State's resident fee is $459.00 and the non-resident fee $954.00. Ohio State ranks next to Michigan in level of fees assessed law students.

(4) All of the schools with two or three minor exceptions reported that they do not have a policy of waiving non-resident fees.

The President further reported as follows on the status of present and future enrollment in Ohio State's College of Law:

The Law Building was planned for an enrollment of 700 students. At the present time there are just under 400 students enrolled. By 1965 the enrollment is anticipated to be approximately 468 and by 1971 as high as 687 according to projected enrollment figures. Therefore by 1971 with an enrollment of 687 it is expected that we should have reached the capacity of the present building in just seven years from now. It should be pointed out that while there is classroom space for 700 students, more faculty offices, additional library space, and equipment will be required for this number of students. When the Law Building was constructed, a wing of seven offices and an extension of the library reading room on the fourth level balcony was delayed because of a lack of funds. At the present time the College of Law classrooms are being used by other divisions of the University when they are available.

In conclusion, President Fawcett expressed the opinion that the University's policies for assessing fees to non-resident students and the admission of students to the College of Law should not be changed at the present time.

C. Report on Student Fees at Selected Private and Public Colleges in Ohio and the Nation

President Fawcett invited Executive Dean Ronald Thompson to report the level of student fees assessed at selected institutions of higher learning as requested by the Board at its last regular meeting. Dr. Thompson distributed copies of his report which was divided into three sections as follows: fees for Big Ten Universities, fees for Ohio colleges and universities and fees for selected large private and state universities. The Chairman requested that a copy of the report be filed with the official records held by the Secretary.

XII. REPORTS (continued)

D. Report on the University's Investment Portfolio

The regular monthly report of the University's Investment Portfolio dated June 30, 1963 was received, and the Secretary was instructed to file a copy of the report with the official records of the Board of Trustees. The report included the approval by the Board of Trustees for an investment not to exceed $150,000.00 for the expansion of the property located at 930 Kinnear Road with the provision that assurance be given for complete recovery of the funds invested by the present tenant, Cryovac, Inc.

APPENDIX I

Degrees Conferred at
THE OHIO STATE UNIVERSITY COMMENCEMENT
August 23, 1963
RECIPIENTS OF HONORS

KARL TÉRZAGHI
DOCTOR OF SCIENCE

Eminent engineer, outstanding researcher, prolific contributor to the advancement of knowledge in engineering and geology, inspiring teacher whose name has become synonymous with the novel discipline he has created.

Karl Térzaghi, Professor Emeritus of the practice of Civil Engineering at Harvard University, is universally acknowledged as the world's leading authority on foundation engineering and soil mechanics, a discipline with which his name will always be associated as its originator and to date its most prominent contributor. As such he has been called upon many times to render opinions and propose remedies associated with major problems of foundation behavior and failures in all parts of the world. Dr. Térzaghi, a graduate of the Technische Hochschule in Graz, Austria, with a degree in mechanical engineering, developed an early interest in geology and in engineering construction. Perceiving wide discrepancies between prediction and observed behavior, he sought to reconcile the two. Following an appointment to a position at the Imperial School of Engineers at Istanbul he commenced experimental investigations through which he succeeded in casting light upon many of the difficulties which had previously seemed insurmountable.

At his subsequent positions at Robert College in Istanbul, at Massachusetts Institute of Technology, at the Technical University in Vienna and, at Harvard University he has continued to explore and promote research into the problems associated with the behavior of earth in conjunction with engineering structures. His efforts stimulated a revolution in the concepts and methods of design and construction associated with foundations and earthwork.

Karl Térzaghi is a prolific writer who has been able, through an extraordinary perception and gift of precise statement and logical organization coupled with a sound scientific background, to cast new light on many obscure phenomena. So outstanding are his writings that they have received many honors. He is the author of several books and of scores of technical papers of great originality. It is probable that no other civil engineer has been so widely known and respected throughout the world.
THOMAS ALVIN BOYD

THE OHIO STATE UNIVERSITY DISTINGUISHED SERVICE AWARD

Noted research engineer and consultant to General Motors Research Laboratories, alumni leader, and counselor to students

Thomas Alvin Boyd, addressing classes of senior engineering students as he often does, speaks with authority when he tells them that with the proper perspective and hard work, theirs is the golden age of opportunity unlimited. He is well acquainted with hard work and the success which it may bring.

Mr. Boyd grew up on a farm in an area where there were no high schools; only with some persistence was he able to complete his secondary education. An abiding interest in things scientific led him to The Ohio State University. He was nearly thirty years old when he received the bachelor of chemical engineering degree.

It was in the laboratories of the late Charles F. Kettering that he began his climb to true engineering greatness. Collaborating in the development of anti-knock gasolines, he became a pioneer in research on fuel composition. He headed the fuel department of General Motors Research Laboratories for twenty-four years. After long service as chairman of the petroleum products committee of the American Society for Testing Materials, he became the Society's president in 1947. He maintains his strong interest in higher education and sponsors a lectureship which brings distinguished speakers to the campus. He has served as a member-director of the University's Research Foundation continuously since 1939.
HAROLD ERNEST BURTT

THE OHIO STATE UNIVERSITY DISTINGUISHED SERVICE AWARD

Outstanding authority in psychology, devoted faculty member, sensitive and efficient department chairman

Harold Ernest Burtt gave forty-one years of his active and productive career to this University, its students, and its faculty. As a teacher, the best measure of his work has been the eminence which his students have achieved. Among the host of master's degree and doctoral candidates whom he counseled, many have gained national prominence as professors, chairmen, and deans at leading universities. Others have assumed positions of leadership in the government, the armed services, and in this country's industries. As an administrator, he held the chairmanship of the Department of Psychology for twenty-two years, a period in which this department enjoyed wide recognition for its outstanding program.

Professor Burtt has advanced his profession in many ways. He contributed to pioneer work on aptitude tests for employment. In addition to numerous writings for scholarly journals, he is the author of respected textbooks in applied, legal, and personnel psychology. He participated actively in the American Association for the Advancement of Science and in the American Psychological Association, serving the latter as member of its Advisory Council and as a leader in its Industrial Division. His services as a psychologist were sought in both World Wars.

As his teaching and professional careers have merited the acclaim of his students, his wide-ranging interests and participation in faculty undertakings have earned the affection of his colleagues on this campus.
Dan Harrison Eikenberry
The Ohio State University Distinguished Service Award

Nationally recognized leader in the field of education, able and effective administrator

Dan Harrison Eikenberry has been responsible for the improvement of educational programs in many parts of this nation. His great energy and his deep concern for high standards, for thoroughness, for accuracy, and for the development and use of basic criteria in attacking problems of education have been balanced by his wisdom in human relations. These qualities, expressed through his professional contacts with thousands of teachers and educational administrators, have made his influence widely felt.

He has given much of his time and energy to extensive service beyond his classroom teaching. He has counseled several state departments of education. He was a member of the Commission on Secondary Schools of the North Central Association of Colleges and Secondary Schools and chairman of the Ohio State Committee of that important accrediting association. He led a survey of Chicago high schools and was chairman of the Ohio Committee on Co-operative Secondary School Standards. He headed the Department of Education at this University from 1942 to 1948, a period of rapid development.

For many years Professor Eikenberry has been a national leader in exploring the needs and possibilities for education beyond the high school. Reports of his studies and those of his students on this subject are now used throughout the country by educators in creating post-high school programs to care for the nation's expanding educational needs.
FORREST GUY KETNER

THE OHIO STATE UNIVERSITY DISTINGUISHED SERVICE AWARD

Nationally recognized leader in the field of livestock management
and dedicated trustee of The Ohio State University

ForrestGuyKetnerneversettledforthestatus quo. Throughout his
longcareerasanagriculturalleaderofnationalsaturationandhisfourteen
years of devoted service as a trustee of The Ohio State University, im-
provement was his watchword. The results he achieved and the contribu-
tions he made have earned for him a place among the eminent citizens of
Ohio.

As atrustee, andtwice chairman of the Board, he contributed adepth
of experience and a fundamental sensitivity which made him a constructive
participant in the policy development of this institution. He supported an
aggressive program for the advancement of the total University and lent
special leadership to the research and instructional efforts of the College
of Agriculture and Home Economics and the Ohio Agricultural Experiment
Station. The University's Swine Evaluation Station, in which he demon-
strated a strong personal interest, has become a model which other states
have followed. He is a past president of the Association of Governing
Boards of State Universities and Allied Institutions, in which organization
he effectively served higher education of the state and nation for twelve
years. Many more examples might be cited to document the fact that the
students, faculty, and staff in all the disciplines encompassed by this Uni-
versity have been benefited greatly by the work of Forrest G. Ketner.
SAMUEL RENSHAW

THE OHIO STATE UNIVERSITY DISTINGUISHED SERVICE AWARD

Contributor to man's knowledge of visual perception,
professor emeritus of experimental psychology

Samuel Renshaw combines a rare degree the qualities of the expert
teacher with those of the dedicated scientist. During his thirty-seven years
as an active member of the University faculty, he transmitted to his stu-
dents the excitement of bold but painstaking inquiry into the problems of
experimental psychology. Although he earned widespread acclaim for his
research accomplishments in visual perception, he sacrificed none of the
devotion of the master teacher. These qualities were given recognition
when he was chosen in 1962 to receive one of the Alumni Awards for
Distinguished Teaching.

In 1942 Professor Renshaw's experimental work led to establishment
of a Navy Recognition School on the campus. The training of servicemen
in that school in the quick identification of approaching ships and aircraft
was credited with the saving of many lives in World War II. For this
contribution he holds the Navy's highest civilian honor, the Distinguished
Public Service Award. Another application of his work has been the im-
provement of reading skills of students. His talents have led also to the
design and development of a variety of scientific instruments and equipment.

Long a leader in professional affairs in his field, he was a founder and
first secretary-treasurer of the Midwestern Psychological Association and
initiated the annual Invitation Research Conference in Vision, which later
was named in his honor.

The Board of Trustees met Friday, September 13, 1963, at the Ohio Agricultural Experiment Station, Wooster, Ohio, pursuant to adjournment.

Present: Thomas F. Patton, Chairman, Smith L. Rairdon, Alan B. Loop, Jacob E. Davis, Stanley C. Allyn, John W. Bricker, and Carlton S. Dargusch.

The minutes of the last meeting were approved.
President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Establishment of a College of Science and Engineering at The Dayton Campus of Miami University and The Ohio State University

The Faculty Council at a special meeting on July 26, 1963 approved the proposal that The Ohio State University establish a College of Science and Engineering at The Dayton Campus of Miami University and The Ohio State University in accordance with a "Memorandum of Understanding on Academic Activities in Dayton." The said Memorandum of Understanding was developed by the Presidents of the two Universities by authority of the Board of Trustees of both Universities, and it sets forth the division of responsibilities in the development and operation of the curricula and instructional programs for the respective Universities. The Council on Instruction of The Ohio State University, after a review of the Memorandum, recommended to the Faculty Council that the proposal to establish a College of Science and Engineering in Dayton be approved. Further, the said Memorandum officially identifies the area jointly utilized by the two Universities as "The Dayton Campus of Miami University and The Ohio State University."

It is therefore recommended that the Board of Trustees approve the "Memorandum of Understanding on Academic Activities in Dayton" and the establishment of a College of Science and Engineering at Dayton to be administered by The Ohio State University.

Upon motion of Mr. Davis, seconded by Mr. Bricker, the Board of Trustees by unanimous roll call vote approved the "Memorandum of Understanding on Academic Activities in Dayton" and the establishment of a College of Science and Engineering at Dayton to be administered by The Ohio State University. The Secretary was instructed to file a copy of the said Memorandum with the official records of the Board of Trustees.

B. Revision of Rules 35.07 and 37.05 – Rules for the University Faculty

The Faculty Council on August 20, 1963 approved the following revisions in Rules for the University Faculty:

1. Revision of Rule relating to Em (proficiency) credit, effective Autumn Quarter 1963.

   a. That in Rule 35.07, the word "thirty" in the third sentence of Section 1 of the Em paragraphs be deleted and the word "forty-five" be inserted in place thereof.

   b. That in Rule 35.07, the last sentence of Section 1 of the Em paragraphs be deleted and the following sentence be inserted in place thereof:

      Additional examination quarter credit hours may be assigned in the same manner but only with the prior approval of the Faculty Council.
I. GENERAL RECOMMENDATIONS (continued)

B. Revision of Rules 35.07 and 37.05 - Rules for the University Faculty
(continued)

2. Revision of marks for the College of Medicine.

   a. That Rule 35.07 be amended by adding an H at the appropriate alphabetical place in the first sentence of that Rule.

   b. That Rule 35.07 be amended by adding the following paragraph immediately following the paragraph discussing the mark of E:

      H--Honors. This mark shall be used only by the College of Medicine for a student enrolled in the curriculum leading to the degree, Doctor of Medicine, when that student has completed a course in that curriculum with an exceptionally high degree of academic performance. H credit shall be counted as hours only and shall not be considered in determining a student's point-hour ratio under Rule 37.05.

   c. That in Rule 35.07, the S--Satisfactory paragraph be amended to read as follows:

      S--Satisfactory. This mark shall be used as a final mark only for (a) a graduate student who has completed satisfactorily his thesis or dissertation research, (b) a graduate student who has completed satisfactorily a special problem or minor problem course in which the instructor works directly with the individual graduate student, and (c) a student enrolled in the College of Medicine in a curriculum leading to the degree, Doctor of Medicine, when that student has completed satisfactorily a course in that curriculum. A student who would be entitled to the mark of S if he had completed his work satisfactorily but who does not complete his work satisfactorily shall receive the mark of E. S credit shall be counted as hours only and shall not be considered in determining a student's point-hour ratio under Rule 37.05.

   d. That Rule 37.05 be amended by adding the following paragraph immediately following Section 2 of Rule 37.05:
I. GENERAL RECOMMENDATIONS (continued)

B. Revision of Rules 35.07 and 37.05 - Rules for the University Faculty (continued)

Section 3. No College of Medicine point-hour average shall be computed for a student enrolled in the College of Medicine in a curriculum leading to the degree, Doctor of Medicine, when that student has received only the marks of H, S, or E in the College of Medicine.

e. That these amendments relating to the marks for the College of Medicine become effective beginning with the Summer Quarter 1964 for all students enrolled in the College of Medicine except that they become effective at the beginning of the Autumn Quarter 1963 for the freshman class entering at that time.

It is therefore recommended that this action of the Faculty Council be approved.

Upon motion of Mr. Loop, seconded by Mr. Rairdon, the Board of Trustees by unanimous roll call vote approved the above recommendations, and the Secretary was authorized to revise Rules 35.07 and 37.05 of Rules for the University Faculty accordingly.

C. Honorary Degree

The Board of Trustees on June 14, 1963 approved the recommendation initiated by the Faculty Committee on Honorary Degrees, that the honorary degree, Doctor of Humane Letters, be conferred on Clarence Dewey Laylin.

The Faculty Council on August 20, 1963 approved the proposal of the Committee on Honorary Degrees that the honorary degree, Doctor of Laws, be conferred on Mr. Laylin instead of the honorary degree, Doctor of Humane Letters.

It is therefore recommended that the Board of Trustees approve the above change in honorary degree to be awarded to CLARENCE DEWEY LAYLIN.

Upon motion of Mr. Allyn, seconded by Mr. Loop, the above recommendation was unanimously approved by roll call vote.

D. Naming of Ancillary Facilities of the College of Medicine

Upon the recommendation of Dr. Richard L. Meiling, Dean, College of Medicine, and the Administrative Committee of that College, and with the concurrence of Mr. Frederick Stecker, Executive Director, University Relations, it is proposed that:
September 13, 1963 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

D. Naming of Ancillary Facilities of the College of Medicine (continued)

1. The facility located at 473 West 12th Avenue be named "Upham Hall" in memory of the late Dean John H. J. Upham of the College of Medicine. Dr. Upham was first associated with the College upon its formation in 1914, and he served as Dean from 1928 until his retirement in 1941. He died in 1960.

2. The facility located at 472 West Eighth Avenue be named "Dodd Hall" in memory of Dr. Verne A. Dodd, who joined the staff of the College of Medicine at the time of its formation in 1914. He was appointed Chairman of the Department of Surgery in 1921 and Chief of Staff of University Hospital in 1922, serving with distinction in both capacities until his retirement in 1947. Dr. Dodd died in 1957.

3. The facility located at 400 West 12th Avenue be named "Wiseman Hall" in memory of Dr. Bruce K. Wiseman, who joined the staff of the College of Medicine in 1930 and served as Chairman of the Department of Medicine from 1944 until his death in 1960.

4. The term "The Ohio State University Hospitals" include the facilities named above, the University Hospital and Starling Loving Hall.

These recommendations have the concurrence of the President's Cabinet and are in accordance with the By-Laws of the Board of Trustees. They are hereby recommended for approval by the Board of Trustees.

Upon motion of Mr. Rairdon, seconded by Mr. Davis, the Board of Trustees by unanimous roll call vote approved the naming of the ancillary facilities of the College of Medicine indicated above.

E. Establishment of Two "Named Chairs" in the College of Medicine--"The Charles Austin Doan Chair of Medicine" and "The Robert M. Zollinger Chair of Surgery"

The Dean of the College of Medicine has proposed and the President's Cabinet concurs that the following two "named chairs" be established with the understanding that each chair will be activated when the income from the principal funds designated to support each chair is in sufficient amount in the opinion of the President to provide an adequate salary for the appointment of a distinguished scholar. It is therefore recommended that:

1. "The Charles Austin Doan Chair of Medicine" be established in the Department of Medicine to enhance graduate research and teaching but not limited thereto.

2. "The Robert M. Zollinger Chair of Surgery" be established in the Department of Surgery to enhance graduate research and teaching but not limited thereto.
I. GENERAL RECOMMENDATIONS (continued)

E. Establishment of Two "Named Chairs" in the College of Medicine—"The Charles Austin Doan Chair of Medicine" and "The Robert M. Zollinger Chair of Surgery" (continued)

The income from designated gifts and bequests is of sufficient amount to anticipate the early activation of the above named chairs. The Dean of the College of Medicine is engaged in a program of solicitation of additional funds for support of these chairs in order that they might be activated in the near future.

Upon motion of Mr. Allyn, seconded by Mr. Bricker, the Board of Trustees by unanimous roll call vote approved the establishment of "The Charles Austin Doan Chair of Medicine" and "The Robert M. Zollinger Chair of Surgery."

F. Motor Vehicle, Traffic and Parking Regulations, The Ohio State University

The Commission on Traffic and Parking has been advised by the Office of The Attorney General of Ohio to formalize the code of Motor Vehicle regulations and file such regulations with the Secretary of State. The regulations have been revised and amended to comply with the aforementioned legal advice as well as to incorporate recommendations of the Commission on Traffic and Parking therein.

NOW BE IT RESOLVED that the Motor Vehicle, Traffic and Parking Regulations identified as Exhibit A be, and they hereby are, adopted as the Rules of The Board of Trustees of The Ohio State University regulating and controlling the use of motor vehicles on the land and property of The Ohio State University located in the City of Columbus, County of Franklin, and State of Ohio, and

BE IT FURTHER RESOLVED that the rules and regulations of the Commission on Traffic and Parking in interpretation of and pursuant to the authority contained in the aforesaid Motor Vehicle, Traffic and Parking Regulations and contained in the three pamphlets and maps, entitled, respectively, "Faculty and Staff - Motor Vehicle Regulations," "Student Motor Vehicle Regulations," and "Visitors - Motor Vehicle Regulations," which are attached hereto and made a part hereof are approved and made a part of the said Motor Vehicle, Traffic and Parking Regulations of The Ohio State University, and

BE IT FURTHER RESOLVED that the Secretary of the Board of Trustees of The Ohio State University is hereby authorized and directed to file this resolution as the Motor Vehicle, Traffic and Parking Regulations of The Ohio State University as promulgated by the Board of Trustees of The Ohio State University with the Secretary of State of Ohio and to do and file such other and further papers and documents as may be necessary and proper to comply with Ohio Revised Code, Section 111.15, and to make these regulations binding and in force according to law.

Upon motion of Mr. Davis, seconded by Mr. Loop, the above resolution was unanimously approved by roll call vote, and the Secretary was instructed to file a copy of "Motor Vehicle, Traffic and Parking Regulations, The Ohio State University" with the official records of the Board of Trustees.
September 13, 1963 meeting, Board of Trustees

II. PERSONNEL CHANGES

It is recommended that all personnel changes since the July 12, 1963 meeting of this Board, as recorded in the official "Salary Roll" of the University, be approved by the Board. Twarog from Professor and Chairman, Department of Slavic Languages and Literatures, to Associate Dean (half time), College of Arts and Sciences, and Professor and Chairman (half time), Department of Slavic Languages and Literatures, effective October 1, 1963, at a total salary of $18,468.00 per annum.
II. PERSONNEL CHANGES (continued)

B. Appointments

Bruce D. Graham, Professor and Chairman, Department of Pediatrics, effective January 1, 1964, at a salary of $24,168.00 per annum.

Noland L. VanDemark, Professor and Chairman, Department of Dairy Science, effective February 1, 1964, at a salary of $13,044.00 per annum. Dr. VanDemark will also receive $1,500.00 from the Cooperative Extension Service, and he will be employed concurrently at the Ohio Agricultural Experiment Station at a salary of $3,324.00 per annum.

C. Leaves of Absence With Salary

In accordance with the policy approved by the Board of Trustees on April 12, 1954, the following-named persons are recommended for Leaves of Absence With Salary from the Agricultural Extension Service for the period indicated:

Gordon J. Ryder, Associate Professor (Extension Agronomist), September 1, 1963 through February 29, 1964, to study at the University of California, Davis, California.

Russell W. Smith, Assistant Professor (Supervisor, 4-H Club Work), October 1, 1963 through March 31, 1964, to study at Columbia University (Teachers College).

Samuel W. Bone, Instructor (Extension Agronomist), October 1, 1963 through December 15, 1963, to study at The Ohio State University.

John E. Craine, Instructor (County Extension Agent, Agriculture) Greene County, October 1, 1963 through December 15, 1963, to study at The Ohio State University.

Donald J. Gehres, Instructor (County Extension Agent, Agriculture) Washington County, October 1, 1963 through December 15, 1963, to study at The Ohio State University.

William R. Schnug, Instructor (Extension Agricultural Engineer), October 1, 1963 through December 15, 1963, to study at The Ohio State University.

William P. Smith, Instructor (County Extension Agent, Agriculture) Gallia County, October 1, 1963 through March 15, 1964, to study at The Ohio State University.

D. Leaves of Absence Without Salary

Brewton Berry, Professor, Sociology and Anthropology, October 1, 1963 through December 31, 1963, to complete the revision of a book.
II. PERSONNEL CHANGES (continued)

D. Leaves of Absence Without Salary (continued)

Leo A. Sapirstein, Professor, Physiology, October 1, 1963 through September 30, 1964, to continue research.

Daniel O. Fletcher, Associate Professor, Economics, October 1, 1963 through September 30, 1964, to do research work in Washington, D. C.

Homer K. Geiger, Associate Professor, Sociology and Anthropology, October 1, 1963 through September 30, 1964, to accept a Visiting Associate Professorship at the University of California, Berkeley, California.

John Gersten, Associate Professor, Anatomy, October 1, 1963 through September 30, 1964, due to ill health.

Reva L. Messier, Assistant Professor (part time - 51%), School of Home Economics, October 1, 1963 through September 30, 1964, due to ill health.

Bobbie D. Davis, Instructor (County Extension Agent, 4-H), Agricultural Extension Service, September 1, 1963 through February 29, 1964, to study at the University of Maryland.

Don L. Davis, Instructor (County Extension Agent, 4-H), October 1, 1963 through September 30, 1964, to study at The Ohio State University.

Kenneth A. Harkness, Instructor (part time - 80%), Agricultural Engineering, October 1, 1963 through September 30, 1964, to study for the Ph. D. degree at The Ohio State University.

Donald E. Kimmet, Instructor (County Extension Agent, 4-H), Agricultural Extension Service, September 1, 1963 through December 31, 1963, to study at The Ohio State University.

E. Emeritus Titles

Ruth Streitz, Education, with the title Professor Emeritus, effective August 1, 1963. (Corrected from October 1, 1963 as reported May 17, 1963.)

Robert O. Chadeayne, School of Art, with the title Associate Professor Emeritus, effective September 1, 1963. (Corrected from October 1, 1963 as reported June 14, 1963.)

Ethel M. Leazenbee, School of Nursing, with the title Associate Professor Emeritus, effective October 1, 1963.
II. PERSONNEL CHANGES (continued)

E. Emeritus Titles (continued)

Royall H. Snow, English, with the title Associate Professor Emeritus, effective September 1, 1963.

Upon motion of Mr. Davis, seconded by Mr. Allyn, the Promotions in Administrative Positions, Appointments, Leaves of Absence With Salary, Leaves of Absence Without Salary, Emeritus Titles, and the personnel changes recorded in the official "Salary Roll" of the University were approved by roll call vote with Mr. Dargusch not voting, and the Secretary was instructed to file these changes in the "Salary Roll" with the official documents of the University.

III. GENERAL CONTRACTS AND AGREEMENTS

A. The Ohio State University and The Ohio State University Research Foundation

In accordance with the Memorandum of Agreement between The Ohio State University and The Ohio State University Research Foundation approved by this Board on September 5, 1950, it is recommended that the research agreements for the following projects administered through the Research Foundation be approved and recorded in the minutes of this meeting.

1. Government Contracts - Federal

   a. Headquarters, U. S. Army Armor Center, Central Purchasing and Contracting Division, Fort Knox, Kentucky, for Research and Scientific Studies for the Combat Development Program (to be known as the U. S. Army Armor Center Project No. 573 - Mod. #20 - Engineering Experiment Station).
      Gross Value - $62,000.00.

   b. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for A Phytochemical Search for Medicinal Constituents (to be known as National Institutes of Health Project No. 865 - Ext. #5 - College of Pharmacy).
      Gross Value - $20,640.00.

   c. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for Physical-Chemical Studies of Muscle (to be known as National Institutes of Health Project No. 874 - Ext. #5 - Department of Physiology).
      Gross Value - $15,408.00.
III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

d. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for an Investigation of Hemopoiesis: A Histochemical and Cytological Study (to be known as National Institutes of Health Project No. 893 - Sup. #1 - Department of Anatomy).
   Gross Value - $14,327.00.

e. Headquarters, Aeronautical Systems Division, Wright-Patterson Air Force Base, Ohio, for Intermittent Research Analysis (to be known as Aeronautical Systems Division Project No. 930 - Sup. #13 and Sup. #14 - RF Internal Supervision).
   Gross Value - $92,695.00.

f. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for Fractionation Studies on Nondialyzable Materials of Human Urine (to be known as National Institutes of Health Project No. 1023 - Ext. #4 - Department of Physiological Chemistry and Pharmacology).
   Gross Value - $12,018.00.

g. Headquarters, Rome Air Development Center, AFSC, Griffiss Air Force Base, New York, for (U) Absorption of Electromagnetic Energy by Nose Cones (to be known as Rome Air Development Center Project No. 1107 - Mod. #6 - Department of Electrical Engineering).
   Gross Value - $38,486.40.

h. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for an Investigation of Electron Microscopy of Cervical Carcinogenesis (to be known as National Institutes of Health Project No. 1159 - Ext. #3 - Department of Pathology).
   Gross Value - $11,820.00.

i. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for an Investigation of the Effect of Parathyroid Hormone on Pancreatitis in Experimental Animals (to be known as National Institutes of Health Project No. 1171 - Ext. #3 - Department of Surgery).
   Gross Value - $15,183.00.
III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

j. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for an Investigation of Effects of Bone-conducted Sidetone in Stuttering (to be known as National Institutes of Health Project No. 1350 - Ext. #2 - Department of Speech).
   Gross Value - $19,017.00.

k. Headquarters, Aeronautical Systems Division, Wright-Patterson Air Force Base, Ohio, for Research Associated with Hypersonic Aerothermodynamic Simulation (to be known as Aeronautical Systems Division Project No. 1413 - Mod. #3 - Department of Aeronautical and Astronautical Engineering).
   Gross Value - $74,473.00.

   Gross Value - $6,150.00.

m. U. S. Army Materiel Command, Harry Diamond Laboratories, Washington 25, D. C., for an Investigation of Semiconductor Properties Affected by Acceleration (to be known as Harry Diamond Laboratories Project No. 1471 - Mod. #6 - Department of Electrical Engineering).
   Gross Value - $9,999.00.

n. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for an Investigation of Oxidative Synthesis of Complex Isoquinoline Alkaloids (to be known as National Institutes of Health Project No. 1515 - Ext. #1 - Department of Chemistry).
   Gross Value - $12,201.00.

o. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for Chemical Studies of Stimulated Retina (to be known as National Institutes of Health Project No. 1575 - Sup. #1 - Institute for Research in Vision).
   Gross Value - $9,779.00.

p. Air Force Institute of Technology, Air University, United States Air Force, Wright-Patterson Air Force Base, Ohio, for Teaching Services for Air Force Military Personnel at Ellsworth Air Force Base, South Dakota (to be known as Air Force Institute of Technology Project No. 1600 - C. O. #2 - Defense Management Center).
   Gross Value - $150,000.00.
III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

Gross Value - $3,956.00.

r. Electronic Systems Division, AFSC, Laurence G. Hanscom Field, Bedford, Massachusetts, to Perform Research on the High Resolution Infrared Spectroscopy of Molecules (to be known as Electronic Systems Division Project No. 1619 - Sup. #2 - Department of Physics).
Gross Value - $20,000.00.

s. U. S. Army Research Office (Durham), Box CM, Duke Station, Durham, North Carolina, for an Investigation of 4237-C - Synthesis and Properties of Naphtho- and Phenanthraquinones (to be known as U. S. Army Research Office (Durham) Project No. 1667 - New - Department of Chemistry).
Gross Value - $17,513.00.

t. Headquarters, Aeronautical Systems Division, Wright-Patterson Air Force Base, Ohio, for Research on Human Information Processing and Decision Making Behavior (to be known as Aeronautical Systems Division Project No. 1674 - New - Department of Psychology).
Gross Value - $108,958.00.

u. Classified Program (to be known as Classified Program Project No. 1675 - New - Department of Electrical Engineering).
Gross Value - $100,000.00.

Gross Value - $18,108.00.

w. Department of Health, Education and Welfare, Office of Education, Washington 25, D. C., for The Development of Packaged Programs Designed to Enable Groups of Teachers to Carry on Their Own In-Service Audiovisual Instructional Programs (to be known as Office of Education Project No. 1683 - New - Bureau of Educational Research and Service).
Gross Value - $37,686.00.
September 13, 1963 meeting, Board of Trustees

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

x. U. S. Army Biological Laboratories, Fort Detrick, Frederick, Maryland, for Investigations of the Nutritional Requirements for the Growth of Insect Tissues (to be known as U. S. Army Biological Laboratories Project No. 1684 - New - Department of Zoology and Entomology).
   Gross Value - $9,000.00.

y. National Science Foundation, Washington 25, D. C., for Research on Syntactic Analysis (to be known as National Science Foundation Project No. 1685 - New - Department of English).
   Gross Value - $100,000.00.

z. National Science Foundation, Washington 25, D. C., for an Investigation of Mixing in Ergodic Theory (to be known as National Science Foundation Project No. 1686 - New - Department of Mathematics).
   Gross Value - $12,900.00.

aa. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for an Investigation of Response of Splenectomized Monkeys to Infection (to be known as National Institutes of Health Project No. 1687 - New - Department of Medicine and Department of Microbiology).
   Gross Value - $28,809.00.

bb. Department of Health, Education and Welfare, Vocational Rehabilitation Administration, Washington 25, D. C., for an Investigation of Perception of Altered Acoustic Stimuli by the Deaf (to be known as Vocational Rehabilitation Administration Project No. 1688 - New - Department of Speech).
   Gross Value - $17,477.00.

cc. U. S. Department of Agriculture, Agriculture Research Service, Eastern Utilization Research and Development Division, 600 East Mermaid Lane, Philadelphia 18, Pennsylvania, for an Investigation of the Calcium-Phosphate System of Milk (to be known as U. S. Department of Agriculture Project No. 1690 - New - Department of Chemistry).
   Gross Value - $84,133.00.

dd. National Aeronautics and Space Administration, Washington 25, D. C., for an Investigation of Spacecraft Antenna Problems (to be known as National Aeronautics and Space Administration Project No. 1691 - New - Department of Electrical Engineering).
   Gross Value - $44,830.00.
III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

   ff. National Science Foundation, Washington 25, D. C., for an Investigation of Biosystematics of Silphium Composition Michx (to be known as National Science Foundation Project No. 1696 - New - Department of Botany and Plant Pathology). Gross Value - $8,700.00.

   TOTAL - Government Contracts - Federal $1,350,299.40

2. Industrial and Other Contracts

   a. Alloy Casting Institute, 300 Madison Avenue, New York City, New York, for an Investigation of Cast Corrosion Resistant Alloys (to be known as Alloy Casting Institute Project No. 350 - Amend. #15 - Engineering Experiment Station). Gross Value - $13,000.00.

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
   The Ohio State University Research Foundation

2. Industrial and Other Contracts (continued)

   c. Illuminating Engineering Research Institute, 1860 Broadway, New
      York 23, New York, for Studies of the Illumination Requirements
      for Roadway Visual Tasks (to be known as Illuminating Engineer-
      ing Research Institute Project No. 872 - Sup. #6 - Institute for
      Research in Vision).
      Gross Value - $2,500.00.

   d. Illuminating Engineering Research Institute, 1860 Broadway, New
      York 23, New York, for Studies of Visual Performance and
      Illumination (to be known as Illuminating Engineering Research
      Institute Project No. 885 - Ext. #6 - Institute for Research in
      Vision).
      Gross Value - $21,500.00.

   e. The Goodyear Tire & Rubber Company, 1144 East Market
      Street, Akron 16, Ohio, for an Investigation of Synthesis of Isoprene
      (to be known as The Goodyear Tire & Rubber Company Project No.
      1118 - Ext. #3 - Department of Chemistry).
      Gross Value - $6,000.00.

   f. A. H. Robins Company, Inc., 1407 Cummings Drive, Richmond 20,
      Virginia, for Isolation of Active Constituents of Certain Plants
      with Reputed Medicinal Value (to be known as A. H. Robins Company,
      Inc. Project No. 1209 - Ext. #3 - College of Pharmacy).
      Gross Value - $3,600.00.

   g. The Petroleum Research Fund, American Chemical Society,
      1155 - 16th Street, N. W., Washington 6, D. C., for an Investi-
      gation of Charge Distribution in Molecules (to be known as The
      Petroleum Research Fund Project No. 1282 - Ext. #1 - Department
      of Chemistry).
      Gross Value - $14,000.00.

   h. The Midwest Program on Airborne Television Instruction, Memorial
      Center, Purdue University, Lafayette, Indiana, for Research and
      Evaluation on MPATI Telecasts, 1961-1962 (to be known as The
      Midwest Program on Airborne Television Instruction Project No.
      1367 - Ltr. dated 5/28/63 - Bureau of Educational Research and
      Service).
      Gross Value - $8,000.00.

   i. The Regents of the University of Wisconsin, Madison 6, Wisconsin,
      for Drug Evaluation Program of the CCNSC in the Central Region,
      USA (to be known as The Regents of the University of Wisconsin
      Project No. 1395 - Voucher #98961 - Department of Surgery).
      Gross Value - $1,570.00.
III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

2. Industrial and Other Contracts (continued)

k. The National Foundation, 800 Second Avenue, New York 17, New York, for Birth Defects Clinical Study Center (to be known as The National Foundation Project No. 1481 - Ltr. dated 6/24/63 - Children's Hospital). Gross Value - $25,000.00.

m. American Heart Association, Inc., 44 East 23rd Street, New York 10, New York, for Heart Research (to be known as American Heart Association, Inc. Project No. 1694 - New - Department of Physiology). Gross Value - $1,000.00.

n. Paint Research Institute, 2104 Douglass Boulevard, Louisville 5, Kentucky, for an Investigation of New Phenolic Intermediates (to be known as Paint Research Institute Project No. 1695 - New - Department of Chemical Engineering). Gross Value - $6,228.00.

o. American Cancer Society, Inc., 521 West 57th Street, New York 19, New York, for The Identification of Malignant Cells in the Peripheral Blood (to be known as American Cancer Society, Inc. Project No. 1698 - New - Department of Pathology). Gross Value - $73,297.00.

TOTAL - Industrial and Other Contracts $192,705.00
III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
    The Ohio State University Research Foundation

2. Industrial and Other Contracts (continued)

The foregoing fifty-one contracts for research in cooperation with Government, Industry and Other represent a gross income of $1,543,004.40.

Upon motion of Mr. Bricker, seconded by Mr. Rairdon, the research agreements between The Ohio State University and The Ohio State University Research Foundation for the above contracts were unanimously approved.

B. The Report of the Research Contracts
    from the Engineering Experiment Station

During the period from July 1, 1963 through August 30, 1963, the Engineering Experiment Station of The Ohio State University entered into the following research contracts. These research contracts are reported to the Board of Trustees for information and record.

1. Government Research Contracts

   EES 196  Terrain Investigation Techniques for Highway Engineers, Ohio Department of Highways, Columbus, Ohio, Bureau of Public Roads, Washington, D. C.
   Gross Value = $71,232.00.

   EES 235  A Study of Structural Evaluation of Flexible Pavements, Ohio Department of Highways, Columbus, Ohio, Bureau of Public Roads, Washington, D. C.
   Gross Value = $72,480.00.

   EES 236  Comparative Studies on Corrugated Metal Culvert Pipes, Ohio Department of Highways, Columbus, Ohio, Bureau of Public Roads, Washington, D. C.
   Gross Value = $15,636.00.

   TOTAL - Government Research Contracts $159,348.00

2. Industrial Research Contracts

     Ext. #3  (Extension of time only)

   EES 232  A Study of V-Belts, Dayco Corporation, Belt Engineering Department, Springfield, Missouri.
   Gross Value = $3,464.00.
September 13, 1963 meeting, Board of Trustees

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

B. The Report of the Research Contracts from the Engineering Experiment Station

2. Industrial Research Contracts (continued)

TOTAL - Industrial Research Contracts $6,968.00

The foregoing six contracts for research in the Engineering Experiment Station represent a gross income of $166,316.00.

C. Agreement Between the College of Medicine of The Ohio State University and Mount Carmel Hospital for an Affiliate Teaching Program

To enhance the instructional program for medical students, the Dean of the College of Medicine has proposed that an agreement be executed between the Mount Carmel Hospital and the College of Medicine of The Ohio State University, whereby medical students in their clinical years will be given an opportunity to gain experiences in the care and treatment of patients at Mount Carmel Hospital. Thus, the professional staff of Mount Carmel Hospital will collaborate in the teaching of The Ohio State University medical students in a private hospital. Should such an agreement be approved, it is expected that beginning Autumn Quarter 1963 a selected number of junior students of the College of Medicine would spend a portion of their time at Mount Carmel Hospital. The students would be rotated so that eventually the entire class would have an opportunity to share in this learning experience.

The Lay Advisory Board of Mount Carmel Hospital has indicated its willingness to participate in an affiliate teaching program and it is therefore recommended that the President be authorized to sign such an agreement on behalf of the University with the understanding that there is no financial obligation on the part of the University.

Upon motion of Mr. Loop, seconded by Mr. Dargusch, the Board of Trustees by unanimous roll call vote authorized the President to sign an agreement between the College of Medicine of The Ohio State University and Mount Carmel Hospital for an affiliate teaching program.

D. Agreement Between The Ohio State University and the Agency for International Development for Technical Assistance to the Government of Guinea

The Ohio State University through its College of Commerce and Administration has been invited to provide technical advice and professional assistance to the Government of Guinea as a part of the foreign assistance program administered by the Agency for International Development (AID) of the United States Department of State.
III. GENERAL CONTRACTS AND AGREEMENTS (continued)

D. Agreement Between The Ohio State University and the Agency for International Development for Technical Assistance to the Government of Guinea (continued)

Briefly, this request is for The Ohio State University to provide three persons to give technical advice and assistance by providing consultation and instruction for Government of Guinea personnel including the development of on-the-job-training programs in such areas as: requirements determination, source selections, procurement, contract administration, ocean transportation, export-import procedures, materials handling, and warehouse management.

The Agency for International Development has proposed a contract which will become effective on the date of execution continuing through August 31, 1966. The total value of the contract proposed is $467,748.00. The Dean of the College of Commerce and Administration has proposed that such a contract be negotiated subject to the availability of qualified personnel, and it is therefore recommended that the President be authorized to sign a contract on behalf of The Ohio State University in which the University agrees to assist in performing the services indicated above with the understanding that all costs for this program are to be covered by funds from the Agency for International Development.

Upon motion of Mr. Bricker, seconded by Mr. Rairdon, the Board of Trustees by unanimous roll call vote authorized the President to sign the contract between The Ohio State University and AID for technical assistance to the Government of Guinea.

IV. GRANTS AND GIFTS

The following grants and gifts to the University, including the establishment of a scholarship fund, are hereby reported for the record and appropriate expressions of appreciation have been conveyed.

A. Administered Through the Office of Business and Finance

1. $166,692.00 granted by the Federal Aviation Agency to the University under terms of the Federal Airport Act for the airport development at The Ohio State University, Columbus, Ohio. (Grant EA-660)

2. $43,020.00 granted by the Department of Health, Education and Welfare, Office of Vocational Rehabilitation, Washington 25, D. C., to the University for a "Teaching Grant and Traineeships in Speech Pathology and Audiology," under the direction of Dr. Bernard B. Schlanger, Department of Speech, for the period September 1, 1963 through August 31, 1964. (Grant VRA 222-T-64)
IV. GRANTS AND GIFTS (continued)

A. Administered Through the Office of Business and Finance (continued)

3. $30,753.00 granted by the U. S. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, to the University for "Undergraduate Training in Psychiatry," under the direction of Dr. Ralph M. Patterson, Department of Psychiatry, for the period September 1, 1963 through August 31, 1964. (Grant 5 T2 MH-5924-13 - Formerly: 2M-5924-C12)

4. $25,000.00 granted by the Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, to the University for "Cancer Training," under the direction of Dr. Emmerich von Haam, Department of Pathology, for the period September 1, 1963 through August 31, 1964. (Grant T2 CA 469-17)

5. $20,607.00 granted by the Department of Health, Education and Welfare, Office of Vocational Rehabilitation, Washington 25, D. C., to the University for "Teaching and Traineeship Grant in Physical Therapy," under the direction of Miss Gladys B. Woods, for the period September 1, 1963 through August 31, 1964. (Grant VRA 209-T-64)

6. $11,490.00 granted by the Department of Health, Education and Welfare, Public Health Service, Bureau of State Services, Division of Community Health Services, Washington 25, D. C., to the University for "Traineeship Grant for the School of Nursing," under the direction of Frances M. Pease, School of Nursing, for the period July 1, 1963 through June 30, 1964. (Grant 64-534)

7. $7,470.00 granted by the Department of Health, Education and Welfare, Office of Vocational Rehabilitation, Washington 25, D. C., to the University for "Traineeships in the Field of Occupational Therapy," under the direction of Miss Barbara Locher, Department of Occupational Therapy, for the period September 1, 1963 through August 31, 1964. (Grant VRA 176-T-64)

TOTAL - Through the Office of Business and Finance $305,032.00

B. Received Through the Development Fund

1. $18,900.00 from the Trust under the Will of Anna Roessler---
   $9,550.00 for scholarships in medicine and $9,350.00 for scholarships.

2. $12,500.00 from the American Chemical Society for petroleum research.

3. $10,000.00 from the Ohio Lions Eye Research Foundation for research.

4. $8,400.00 from The International Nickel Company, Inc. for a fellowship.

5. $8,130.00 from The Charles F. High Foundation for scholarships.
IV. GRANTS AND GIFTS (continued)

B. Received Through the Development Fund (continued)

6. $7,820.00 from Owens-Illinois Glass Company for scholarships.

7. $6,000.00 from United States Steel Foundation, Inc. for a two-year graduate study fellowship in Mechanical Engineering.

8. $5,224.09 from Ralph T. Lewis--$5,000.00 for The Ralph T. Lewis Marion Branch Scholarship Fund and $224.09 for Alumni Endowment Fund.

The Ralph T. Lewis Marion Branch Scholarship Fund

The Ralph T. Lewis Marion Branch Scholarship Fund was established July 23, 1963 by a gift through the Development Fund from Ralph T. Lewis, to be invested in accordance with Sec. 3345.16 G. C. The income is to be used for an annual scholarship at the Marion, Ohio, Branch of The Ohio State University. In the event no scholarship is awarded at the Marion Branch in any given year, then The Ohio State University may award the scholarship to any student at the said University, preference to be given to students from Marion County, Ohio.

9. $5,200.00 from the American Oil Company, Whitney, Indiana, for a fellowship in Chemistry.

10. $5,100.00 from Sears Roebuck Foundation for scholarships.

11. $5,000.00 from Dr. John J. Fahey as an unrestricted gift to the University.

V. APPROPRIATIONS AND TRANSFER OF FUNDS

A. Grant-in-Aid for Research and Assigned Research Duty

On September 8, 1961 the Board of Trustees authorized the establishment of the University Treasurer Research Account with six subaccounts for specific purposes. Subaccount (d), identified as Research Fellowships and Grants, was established in accordance with action of the Board on October 19, 1953.

Upon recommendation of the Vice President for Research, and with the concurrence of the President's Cabinet, it is recommended that an amount of $300,000.00 be allocated from the funds received in Subaccount (d) during the 1963-64 fiscal year to be used for research fellowships and grants-in-aid to support research for the 1964-65 fiscal year.

Upon motion of Mr. Bricker, seconded by Mr. Davis, the allocation of $300,000.00 for the purpose recommended above was approved by unanimous roll call vote.

B. Appropriations for the Development of Research Projects

At the request of the Vice President for Research, and with the concurrence of the Vice President for Business and Finance and the Cabinet, it is recommended that the following amounts be appropriated from the University Treasurer Research Subaccounts as designated, for the projects named:

$37,000.00 for television equipment for the laboratory of the Personnel Research Board in the Research Space under the East Side of the Stadium

Subaccount (a)
September 13, 1963 meeting, Board of Trustees

Subaccount (b)

$16,000.00 for the purchase of equipment for the Departments of Astronomy, Chemistry, Physics, and Microbiology for use of new staff members to begin research

Subaccount (f)

$9,800.00 to provide matching funds for a grant from the National Institutes of Health for research in vision equipment

Subaccount (f)

$7,600.00 to provide funds for research equipment to assist starting several new research projects for the Department of Sociology and Anthropology

Subaccount (e)

$7,000.00 to renovate Mendenhall Laboratory for the installation of X-ray research equipment

Subaccount (b)

$6,230.00 for the landscaping, new road, etc., for the radio-telescope location at the Perkins Observatory site

Subaccount (f)

$6,205.00 to provide matching funds for a grant from AEC for purchase of equipment in high energy physics

Subaccount (f)

$5,385.00 to secure nuclear spectroscopy equipment for the Department of Physics

Subaccount (a)

$5,000.00 to purchase research apparatus for the Department of Geology. (Deposit in Account 19187)

Subaccount (a)

$5,000.00 for purchasing a liquid helium cooled photoconductive detector for the Department of Physics

Subaccount (a)

$5,000.00 to purchase an ultra-centrifuge for the College of Veterinary Medicine. (Deposit in Account 19147)

Subaccount (f)

$3,500.00 to the Graduate School to provide funds for the publication of research findings. (Deposit in Account 19177)

Subaccount (c)
V. APPROPRIATIONS AND TRANSFER OF FUNDS (continued)

B. Appropriations for the Development of Research Projects (continued)

$1,500.00 to acquire research equipment for the
Department of Microbiology Subaccount (a)

Upon motion of Mr. Davis, seconded by Mr. Bricker, the above recommendation
for appropriation of funds was unanimously approved by roll call vote.

C. Home Economics - Transfer of Funds

Upon the request of the Director of the School of Home Economics and
with the concurrence of the Dean of the College of Agriculture and Home
Economics, it is recommended that the sum of $30,000.00 be transferred
from Pomerene Refectory Rotary 86228 to Rotary 18311.

Upon motion of Mr. Rairdon, seconded by Mr. Allyn, the transfer of funds
from Rotary 86228 to Rotary 18311 was unanimously approved by roll call vote.

D. University Airport

It is recommended that an amount not to exceed $15,000.00 be appropriated
from the University Treasurer General Account 19999 to provide funds for
deferred maintenance and improvements on equipment at the University
Airport.

Upon motion of Mr. Allyn, seconded by Mr. Rairdon, the above recommendation
for allocation of funds was unanimously approved by roll call vote.

E. Extra Orders on Capital Improvement Projects

It is now estimated that an additional amount of $35,000.00 will be required
to complete the building projects under construction. It is, therefore,
recommended that the Board of Trustees approve the additional allocation
of this amount from Subaccount (f) in the University Treasurer Research
Account for such expenses as may be necessary for the above stated purposes.

Upon motion of Mr. Davis, seconded by Mr. Allyn, the above recommendation
was unanimously approved by roll call vote.

F. The Ohio State University Development Fund Budget for 1963-64

It is recommended that the sum not to exceed $85,000.00 be allocated from
the University Maintenance Funds toward the operating expenses of The
Ohio State University Development Fund for the fiscal year ending June 30,
1964 and that an operating budget in the amount of $137,596.00 be approved.
The budget amount will be provided as follows:

X. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE

A. Ohio Fuel Gas Company Easement

The Ohio Fuel Gas Company has requested permission to construct a 20 inch gas pipe line and a 10 inch gas pipe line on lands of the State of Ohio, which lands have been designated for use by The Ohio State University. The proposed gas pipe lines are to serve property located west of the University and to increase the gas pressure in the northwest section of the City of Upper Arlington.
X. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE (continued)

A. Ohio Fuel Gas Company Easement (continued)

The Secretary conducted a poll of the Board members by telephone on August 8, 1963, to obtain approval to request the Director of Public Works of the State of Ohio, pursuant to his statutory duties, to act on behalf of the University in developing the necessary legal instruments to provide for the installation of said gas pipe lines and to negotiate the appropriate compensation to the University.

It is recommended that this action be hereby ratified.

Upon motion of Mr. Rairdon, seconded by Mr. Davis, the above recommendation was unanimously approved by roll call vote.

B. Special Policeman Commission

At the request of the Vice President, Business and Finance, it is recommended that David Daniel Thompson, Jr., be designated as Special Policeman pursuant to the provisions of Section 3345.04 of the Revised Code of Ohio; and that in further compliance with the provisions of said section, the Board of Trustees require Mr. Thompson, as well as any other employee of this institution designated as Special Policeman, to take the oath of office and give bond to the State of Ohio in an amount no less than One Thousand Dollars ($1,000.00) prior to assuming the duties of Special Policeman.

Upon motion of Mr. Davis, seconded by Mr. Loop, the above recommendation was unanimously approved by roll call vote.

C. Upper Arlington McCoy Road East Storm Sewer

WHEREAS, the City of Upper Arlington plans to install a storm sewer in the area north of the University Golf Course between Reed Road on the west and Kenny Road on the east; and

WHEREAS, the City of Upper Arlington has agreed to route said sewer east along McCoy Road to Kenny Road, thence south along Kenny Road to Turkey Run in lieu of increasing the flow of water at the north side of the University Golf Course; and

WHEREAS, the agreed routing will save the University Golf Course from considerable damages due to excessive storm water erosion; and

WHEREAS, the agreed sewer routed around the Golf Course will cost $42,000.00 more than the original sewer plan of the City of Upper Arlington;

NOW BE IT RESOLVED, that the Vice President, Business and Finance, is hereby authorized to pay the City of Upper Arlington an amount of $21,000.00 as the University's share of the additional cost of the storm sewer installation. Funds for this purpose will be provided from the surplus of income over expenditures in the account of the Athletic Department in accordance with the
September 13, 1963 meeting, Board of Trustees

X. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE (continued)

C. Upper Arlington McCoy Road East Storm Sewer (continued)

1963-64 Athletic Department Budget as approved by the Board of Trustees on June 14, 1963.

Upon motion of Mr. Rairdon, seconded by Mr. Allyn, the above resolution was unanimously approved by roll call vote.

XI. RESOLUTIONS IN MEMORIAM

President Fawcett reported to the Board the death of Helen Louise Edmondson, Assistant Professor of Library Administration and Librarian of the College of Education Library; John Ironsides Falconer, Professor Emeritus of Agricultural Economics and Rural Sociology; Paul Everett Machovina, Professor of Engineering Drawing; and Arthur Salz, Professor Emeritus of Economics; and, in accordance with the instructions of the Board of Trustees, copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board have been furnished the families of the deceased.

A. Helen Louise Edmondson

The Board of Trustees expresses its sorrow at the death on July 23, 1963 of Helen Louise Edmondson, Assistant Professor of Library Administration and Librarian of the College of Education Library.

Professor Edmondson was born in Gallup, New Mexico, on October 23, 1898. She received an A.B. degree from West Virginia University in 1924 and an A.B. in Library Science from the University of Illinois in 1927. Her first position was that of Assistant Librarian at West Virginia University, 1924-26. In 1927 she was Cataloger of the Fairmont, West Virginia, Public Library. The State Teachers College of Emporia, Kansas, appointed her Reference Librarian in 1927, in which position she served until 1929. In the latter year she transferred to Marshall College in West Virginia where she served as Cataloger and later as Librarian until 1933. In March of 1933 she was appointed Librarian of the College of Education Library of The Ohio State University, a position which she filled with distinction for slightly over thirty years.

During the long period of her administration the book stock of the Education Library grew from an estimated 25,000 volumes to over 66,000 volumes as of June 30, 1963. Miss Edmondson took a personal interest in providing undergraduates, graduates, and faculty with the materials which they needed in learning, instruction, or research. She worked closely and effectively with the Departments of Education and Psychology, gaining the respect, confidence, and affection of their faculty. Alumni frequently wrote to the library administration expressing keen appreciation for the help which they had received in the Education Library and particularly from the Librarian. In large part the growth of this Library from a small, weak collection to a substantial, research collection serving the needs of undergraduates through doctoral candidates and faculty engaged in research, was due to the conscientious and persistent efforts of Professor Edmondson.

XI. RESOLUTIONS IN MEMORIAM (continued)

A. Helen Louise Edmondson (continued)

She was a member of Delta Gamma, P.E.O. Sisterhood, Quota Club, American Library Association, Ohio Library Association, and Franklin County Library Association.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

B. John Ironsides Falconer

The Board of Trustees expresses its sorrow at the death on August 6, 1963, of John Ironsides Falconer, Professor Emeritus of the Agricultural Economics and Rural Sociology Department.

Dr. Falconer was born in Mason, New Hampshire, in 1888. He obtained his B.S. degree at the University of New Hampshire where later he was awarded an honorary degree. His M.S. and Ph.D. degrees were earned in agricultural economics at the University of Wisconsin under the guidance and intellectual stimulation of Henry C. Taylor, R. T. Ely, and John R. Commons. He spent two years as an assistant in Agronomy with the Rhode Island Board of Agriculture and the Agricultural Experiment Station of that State, then served with the Carnegie Institute at Washington, D.C., where he co-authored a history of the agriculture of northeastern United States.

He joined the staff of The Ohio State University in 1914 and became Professor and Chairman of the newly established Department of Agricultural Economics and Rural Sociology in 1917. In 1925 he became head of the newly established Department of Agricultural Economics and Rural Sociology at the Ohio Agricultural Experiment Station at Wooster. These positions he held concurrently until his retirement in 1953.

During his nearly forty years of service to the University and Experiment Station, he served well the people of Ohio and the Nation. In addition to designing and building the sound foundation upon which the Department is founded and upon which its greatly expanded program is currently based, he left for posterity an invaluable inheritance in the broadened and stimulated minds of the hundreds of undergraduates and graduates in his classes who are serving today in many capacities and in many lands to make this a better world.

To mention a few of his other activities, he was secretary-treasurer of the American Farm Economics Association from 1921 to 1926 and was president in 1927. He was a member of Ohio's post-war planning committee, Ohio's nutrition committee, a member of the state planning board, chairman of the state advisory board of the Farm Security Administration, faculty adviser of Ohio's Society of Farm Managers and Rural Appraisers, vice president of the American Society, and chairman of the Ohio Farm and Home Protective Committee during the depression.
XI. RESOLUTIONS IN MEMORIAM (continued)

B. John Ironsides Falconer (continued)

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

C. Paul Everett Machovina

The Board of Trustees expresses its sorrow at the death on August 13, 1963 of Paul Everett Machovina, Professor of Engineering Drawing at The Ohio State University.

He was born in Berea, Ohio, on October 25, 1912 and was graduated from The Ohio State University in 1936 with the degree of Bachelor of Engineering in Mining. He spent his first year after graduation with the Timken Roller Bearing Company in Canton, Ohio.

He had served as a student assistant in the Department of Engineering Drawing from 1932-1936 and returned as an instructor in the Autumn Quarter, 1937. In 1942 he was promoted to Assistant Professor, advanced to Associate Professor in 1947, and acquired the rank of Professor in 1957.

Professor Machovina assisted in revisions of Engineering Drawing by Thomas E. French, and was a contributing author to the 7th and 8th editions. He was the author of A Manual for the Slide Rule, McGraw-Hill Company, 1950; co-author of Engineering Geometry and Graphics with Hollie Shupe; and several workbooks in engineering drawing and descriptive geometry. In addition, he had several papers published in the Engineering Drawing Journal, some of which had been given before the Engineering Drawing Division of the American Society for Engineering Education at their annual meetings.

Professor Machovina was an active member of the American Society for Engineering Education and the American Society of Tool Engineers. In recent years he was most active in the Ohio Society of Professional Engineers and was the faculty adviser for the campus student branch of this Society. This group, through Professor Machovina's guidance, was recognized as one of the outstanding groups of its kind in the United States. One of the finest contributions that they made to the College was the preparation and distribution of the Engineering College News, a bi-weekly publication.

His avocations were guns and nut growing. He had a small country place in Athens County where he loved to hunt and experiment with many varieties of nut trees. He was very active in National Rifle Association and Northern Nut Growers' Association.

While at the University he was a member of Delta Chi Social Fraternity, Sigma Gamma Epsilon and Tau Beta Pi honoraries, University Lodge #631 F&AM, and the Faculty Club.
XI. RESOLUTIONS IN MEMORIAM (continued)

C. Paul Everett Machovina (continued)

In campus and community life, he was an active and helpful associate and neighbor. His twenty-six years of continued and devoted service to this University has been greatly appreciated by the faculty, administration, students, and alumni who have had the privilege of working with him.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

D. Arthur Salz

The Board of Trustees expresses its sorrow at the death on August 10, 1963 of Arthur Salz, Professor Emeritus of Economics.

Dr. Salz was born in Staab, Bohemia, on December 31, 1881. He received the Doctor (summa cum laude) Degree at the University of Munich in 1903, after studying there and at the Universities of Prague, Vienna, and Berlin. On his seventieth birthday he was awarded an Honorary Degree by Heidelberg University, Germany.

Dr. Salz began his long and distinguished teaching and research career at Heidelberg University in Germany in 1908 where he remained until 1933. In 1933-34 he was a Visiting Professor of Economics at Cambridge University in England. In the following year he came to The Ohio State University where he served as a Professor of Economics until his retirement in 1952.

Professor Salz was the author of many notable books and articles on economic subjects. He also translated many books and addresses into the German language, including Professor Alfred Marshall's celebrated English work, Principles of Economics. His scholarly interests included an intimate knowledge of the classics and a deep understanding of philosophy, political science, sociology, and history.

In addition to his academic achievements, which were widely recognized, Dr. Salz had several business connections. He was the manager of an industrial firm for a time and a director in several other companies. From 1914 to 1919 Dr. Salz served in the German Army and was decorated four times.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.
XII. REPORTS

A. Administrative Reports

President Fawcett presented a statement of introduction to staff reports by members of the President's Cabinet concerning the activities and problems related to their special areas of interest and responsibility. The President's statement included a report of some of the significant achievements of the University and placed in excellent perspective some of the important developments that face The Ohio State University for the coming year. These developments include such items as:

1. A plan for a capital improvements program for the University from funds made available through (a) anticipated passage of the $250 million bond issue, (President Fawcett stated that an extremely conservative estimate of the amount Ohio State might expect to receive from this new bond issue is at least $60 million); (b) federal funds made available through H. R. 12 which has been passed by both the House and the Senate; (c) federal funds made available from H. R. 6143 which has been passed by the House and is pending in the Senate.

2. Plans for the development of a technical institute program for the University including the possible proposal of the training of technicians from the United States Navy.

3. Plans for the funding of a continuing education center (Center for Tomorrow) for the University.

The Board of Trustees enthusiastically endorsed the above proposals as interpreted by the President and members of the Cabinet. The Board further authorized the implementation of the proposals as funding becomes available. The Secretary was instructed to file the staff reports with the official records of the Board of Trustees.

B. Relocation of the Olentangy River Road

At the request of the President, Executive Director John H. Herrick reported on the current status of the proposal endorsed by this Board four years ago that the Olentangy River Road be relocated and that the present right-of-way between Kinnear Road and Stadium Drive or Lane Avenue be vacated. He stated that a stalemate of many months duration had existed with one city official insisting on keeping the present right-of-way and the University strongly urging a new alignment along the Chesapeake and Ohio Railroad in order to free the west bank of the river for University use in keeping with the official Master Plan for the future development of the campus. He further reported that the public press had within the past ten days indicated some hope of a negotiated settlement, and that the Director of Highways of the State of Ohio had indicated his intention to confer at an early date with top level officials of the City and the University in an effort to achieve an agreement by October 1, 1963.

Upon motion of Mr. Bricker, seconded by Mr. Rairdon, it was unanimously voted that the Board of Trustees reaffirm its endorsement of the new alignment of this road in accordance with the campus Master Plan officially adopted by the Board of Trustees in February 1962, and that the President be instructed to press vigorously for this new alignment and for the vacation of a portion of the present roadway in accordance with the official Master Plan.
XII. REPORTS (continued)

C. Reports from the Retirement and Insurance Committee

1. Report on Insurance in Force

A report on the Insurance in Force for The Ohio State University as of September 1, 1963 as prepared by the Office of Business and Finance was presented by Mr. Rairdon, Chairman of the Retirement and Insurance Committee.

Upon motion of Mr. Rairdon, seconded by Mr. Allyn, the report was unanimously accepted and ordered to be filed with the official documents of the Board of Trustees.

2. Amendment #24 to the Group Life Insurance Policy #1305-G and Amendment #11 to Major Medical Insurance Policy #58175-GTC

Mr. Rairdon presented the following recommendation of the Committee on Retirement and Insurance:

It is recommended that effective October 1, 1963, University Group Insurance Policies #1305-G and 58175-GTC be amended to incorporate provisions for modification and reinstatement of these policies in case of lapse or termination and provide for the establishment of a Claims Stabilization Reserve. In addition to the protection afforded by the modification and reinstatement provision, it is anticipated that the establishment of the Claims Stabilization Reserve will result in approximately $1,500.00 more interest contribution annually to the Dividend Account.

It is further recommended that the President be authorized to sign on behalf of The Ohio State University, Amendment #24 to John Hancock Mutual Life Insurance Company Policy #1305-C and Amendment #11 of Policy #58175-GTC of the same company. These Amendments incorporate the changes enumerated above.

Upon motion of Mr. Rairdon, seconded by Mr. Bricker, the Board of Trustees unanimously approved the above recommendation.

D. Reports from the Finance and Investment Committee

1. Bond Resolution, Fourth Supplemental Trust Agreement, Interim Financing Agreement

Mr. Allyn presented the following report and resolutions concerning the financing of Student Housing, Building #12 (Drackett Tower), the interim financing thereof, and the issuance of Dormitory Revenue Bonds, Series I:

RESOLVED, that the Board of Trustees hereby adopts the Series I Bond Resolution as set forth in the Fourth Supplemental Trust Agreement between the University and The Ohio National Bank of Columbus, Trustee, dated as of April 15, 1963, attached hereto and made a part of these minutes (see Appendix II, page 130).
September 13, 1963 meeting, Board of Trustees

XII. REPORTS (continued)

D. Reports from the Finance and Investment Committee (continued)

1. Bond Resolution, Fourth Supplemental Trust Agreement, Interim Financing Agreement (continued)

FURTHER RESOLVED, that the Board of Trustees hereby approves the Fourth Supplemental Trust Agreement in all respects, and the officers designated in the Series I Bond Resolution are hereby authorized to execute and deliver such Fourth Supplemental Trust Agreement to The Ohio National Bank of Columbus, as Trustee, at such time as they may deem appropriate.

FURTHER RESOLVED, that the Board of Trustees and the University hereby establish such special bank accounts as may be required by the Fourth Supplemental Trust Agreement or the original Trust Agreement dated as of April 15, 1957, or by the interim financing arrangement hereafter approved, and the authorized signatures for withdrawals from such accounts shall be the same as the authorized signatures with respect to bank accounts in which there are deposited special funds pursuant to said original Trust Agreement, and the President, Vice President, Business and Finance, or Treasurer are authorized to arrange for such accounts in such banks as the officer acting may determine and the Secretary of the Board is authorized to include in the minutes as hereby adopted any standard forms of bank resolutions required in connection with effecting the foregoing.

FURTHER RESOLVED, that the parietal rules governing use and occupancy of the University's dormitory facilities, previously adopted by the Board of Trustees, and now in effect, be and they hereby are confirmed and deemed applicable to the dormitory facility to be constructed from the proceeds of the Series I Bonds.

FURTHER RESOLVED, that rental rates for the dormitory facility to be financed with the proceeds of the Series I Bonds (known as Building No. 12 or Drackett Tower) shall be $275.00 per student per quarter, and rental rates and board rates for other dormitory facilities of the University previously adopted by the Board and now in effect, be and they are hereby confirmed and continued.

FURTHER RESOLVED, that the commitment letter agreement from A. G. Becker & Co. dated September 6, 1963, attached hereto and made a part of these minutes (see Appendix III, page 159), is hereby approved and the officers of the University and the officers of the Board of Trustees are authorized to take any and all action necessary or proper in connection with the acceptance of said commitment letter and performance of the conditions contained therein and delivery of the note or notes contemplated thereby, and the President and Vice President, Business and Finance of the University, or any two of said officers, are authorized on behalf of the University and the Board of Trustees to execute and deliver a copy of the commitment letter and a note or notes in accordance with the terms thereof, with such changes therein not adverse to the University as the officers executing the same shall deem advisable.
D. Reports from the Finance and Investment Committee (continued)

1. Bond Resolution, Fourth Supplemental Trust Agreement, Interim Financing Agreement (continued)

FURTHER RESOLVED, that the President, Vice President, Business and Finance, and Treasurer, and each of them acting individually, are authorized to deposit the proceeds of the sale of said note or notes in a Construction Account and to apply said proceeds to pay costs of the project referred to in the Fourth Supplemental Trust Agreement, and until needed for payment of such costs, to invest and reinvest such proceeds in obligations of the United States of America, or in obligations which are guaranteed by the United States of America, or in obligations of agencies and instrumentalities of the United States of America.

FURTHER RESOLVED, that the certificate of the President and Vice President, Business and Finance of the University (shown on page 127) certifying as to sufficient earnings coverage as of July 1, 1965 for the issuance of the Series I Bonds as additional parity bonds under the Trust Agreement dated as of April 15, 1957, with The Ohio National Bank of Columbus, as Trustee, is hereby approved.

Upon motion of Mr. Allyn, seconded by Mr. Davis, the above resolution was unanimously adopted by roll call vote.

2. Designation of Special Counsel

Mr. Allyn presented the following resolution relative to the designation of Special Counsel for the proposed issue of Dormitory Revenue Bonds, Series I:

RESOLVED, that the Board of Trustees of The Ohio State University hereby determines that it is in the interest of the University to obtain the services of Squire, Sanders & Dempsey in connection with the proposed issue of Dormitory Revenue Bonds, Series I, and accordingly the President and the Vice President, Business and Finance, and each of them, are authorized to request the Attorney General of the State of Ohio to designate Squire, Sanders & Dempsey as special counsel to the University on the terms set forth in the form of designation attached hereto and made a part of these minutes (see Appendix IV, page 165).

Upon motion of Mr. Allyn, seconded by Mr. Davis, the above resolution was unanimously adopted by roll call vote.

The report on the status of the University's Investment Portfolio dated August 31, 1963 was received and the Secretary was instructed to file a copy of the report with the official records of the Board of Trustees. Upon motion of Mr. Loop, seconded by Mr. Allyn, the Board by unanimous vote approved the continuation of employment of the investment analyst firms--Duff, Anderson and Clark on industrials and Duff and Phelps on utilities, effective October 1, 1963 at a combined annual rate of $4,200.00.
The Ohio State University  
Schedule of Expected Earnings Coverage under Section 6(b)  
of Bond Resolution as of July 1, 1965 for Issuance of  
$3,000,000 Dormitory Revenue Bonds, Series I

1. Estimated net income from existing dormitory facilities for the fiscal year ending June 30, 1965. (Note 1) $1,855,000

2. Estimated annual net income from dormitory facilities to be constructed with proceeds from the sale of Series I Bonds, viz., Drackett Tower, after provision for Debt Service on Future Dining Facility. (Note 2) 147,000

3. Total estimated net income from existing facilities described in Item 1 and facilities to be constructed from proceeds of Series I Bonds referred to in Item 2. $2,002,000

4. Maximum amount to become due in any succeeding fiscal year, namely 1997 for principal and interest on Series A, B, C, D, E, F, G, H and I Bonds. (Note 3) $1,472,744

5. Ratio of total net income to maximum principal and interest requirements on Series A, B, C, D, E, F, G, H and I Bonds. 1,359

Note 1 The term dormitory facilities as herein used shall mean dormitory facilities as that term is defined in the Trust Agreement with The Ohio National Bank of Columbus, dated as of April 15, 1957 and includes all facilities constructed from the proceeds of the University's Dormitory Revenue Bonds, Series E, F, G and H. It is hereby certified that all facilities constructed from the proceeds of the aforementioned bonds will be in operation and income producing by July 1, 1964.

Note 2 Estimated net income computed in accordance with the present Trust Agreement on the basis of 95% occupancy and estimated expenses consistent with those experienced in similar existing facilities. 95% occupancy is consistent with experience to date. Provision is made for debt service on future bonds if bonds are issued under the Trust Agreement in addition to Series A through I to construct a dining facility to serve students living in Drackett Tower.

Note 3 Series I bonds computed at 3 1/2% for 40 years. Series A through H computed on basis of actual interest rates for those bonds.

Certificate

The undersigned respectively, President and Vice President, Business and Finance, of The Ohio State University, hereby certify as to the facts set forth in the above schedule.

E. Distribution of Annual Financial Reports 1962-1963

Vice President Gordon B. Carson distributed and reviewed in detail the Annual Financial Report of the University for the fiscal year beginning July 1, 1962 and ending June 30, 1963, in which was contained the State Auditor's Report on the assets and liabilities and fund equities of the University.

Vice President Carson also distributed and commented briefly on the financial report of The Ohio State University Endowment Fund.

Upon motion of Mr. Allyn, seconded by Mr. Davis, and by unanimous roll call vote, the above reports were received and ordered filed with the official documents of the Board of Trustees.

F. Report of Award Received by Vice President Alfred B. Garrett

The President reported that Vice President Alfred B. Garrett had received the American Chemical Society's 1964 Award in Chemical Education sponsored by the Scientific Apparatus Makers Association. The Award, created to recognize outstanding contributions to chemical education, was announced at the 145th National Meeting of the Society in New York City on September 9, 1963. The Board extended high commendation to Vice President Garrett for this significant recognition and ordered that the President's report of the Award be included in the minutes of this meeting.

$3,000,000 Series I Bonds dated April 15, 1963

Additional Parity Bonds hereafter issued as provided herein.
THIS FOURTH SUPPLEMENTAL TRUST AGREEMENT, dated as of the 15th day of April, 1963 (herein called the "Supplement"), by and between The Ohio State University and its Board of Trustees (herein called the "University"), a state university of Ohio, and The Ohio National Bank of Columbus, Columbus, Ohio (herein called the "Trustee"), a corporation duly organized and existing under and by virtue of the laws of the United States, as Trustee under the Trust Agreement dated as of April 15, 1957 hereinafter mentioned.

WITNESSETH:

WHEREAS, the University, pursuant to the Original Bond Resolution, passed April 8, 1957, entered into a Trust Agreement dated as of April 15, 1957 with the Trustee and as of April 15, 1958, October 15, 1959 and April 15, 1961, respectively entered into First, Second and Third Supplemental Trust Agreements (herein, collectively with the First, Second and Third Supplements and this Supplement, called the "Trust Agreement") under which $6,000,000 Series A, $6,000,000 Series B, $2,330,000 Series C, $2,030,000 Series D, $5,300,000 Series E, $1,200,000 Series F, $1,350,000 Series G and $2,850,000 Series H Dormitory Revenue Bonds have been authorized and issued and under which Additional Bonds (herein called "Additional Bonds") are issuable on a parity with the Series A, B, C, D, E, F, G and H Bonds and other Additional Bonds hereafter issued under certain conditions as provided in the Trust Agreement; and

WHEREAS, the University has in all respects complied with the provisions of the Trust Agreement so as to be entitled to execute and to have authenticated and delivered by the Trustee $3,000,000 of Additional Bonds; and

WHEREAS, the University further desires by this Supplement to provide for the issuance under the Trust Agreement of $3,000,000 of Additional Bonds (herein called the Series I Bonds); and
Fourth Supplemental Trust Agreement

WHEREAS, the Board of Trustees of the University has duly adopted on September 13, 1963, the Series I Bond Resolution providing for the Series I Bonds and this Supplement, which resolution, collectively with the Original Bond Resolution, is referred to as the Bond Resolution; and

WHEREAS, the Series I Bond Resolution is as follows:

Resolution

Providing for the issuance of $3,000,000 The Ohio State University Dormitory Revenue Bonds, Series I, as Additional Parity Bonds pursuant to Bond Resolution adopted April 8, 1957 and Trust Agreement dated as of April 15, 1957, for the purpose of providing funds for the purpose of constructing and equipping Dormitory Building No. 12.

WHEREAS, the Board of Trustees of The Ohio State University (herein called the Board) is vested with the government of The Ohio State University (herein called the University or, when the context admits, collectively with the Board called the University) by Section 3335.02 of the Revised Code of Ohio, with the right, under Section 3335.03 of said Revised Code, and as such Board, of suing and being sued, contracting and being contracted with, and of making and using a common seal and, under Section 3335.10 of said Revised Code, has general supervision of all land, buildings and other property of the University and control of all expenses therefor; and

WHEREAS, by authority of Section 3345.07 of the Revised Code of Ohio, the Board is authorized to construct, equip, maintain and operate upon sites within, or in close proximity to, the campus of the University, buildings to be used as dormitories and as other suitable living quarters for students and members of the faculty and servants and wives and families of married students of said University (including all separate or connected buildings, sites, equipment, structures and utilities to be used in connection with the maintenance or operation of, or in any way supplementing or related to the services or facilities to be provided by such buildings) and to pay for the same out of any funds in its possession derived from operation of any dormitories or other living quarters under its control or out of funds borrowed therefor and
Fourth Supplemental Trust Agreement

to borrow funds for such purpose upon such terms as said Board may deem proper
and issue notes or other written instruments evidencing such indebtedness provided
that such indebtedness shall not be a claim against or lien upon any property of the
State or any property of or under the control of said Board excepting such parts of
the receipts of the operation of any dormitories under control of the Board as it may
pledge to secure the payment of such indebtedness and by authority of said Section
3345.07 the Board is also authorized to issue such notes or other obligations payable
as aforesaid in order to retire or refund outstanding notes or other obligations
matured or unmatured, to repay moneys previously borrowed or advanced under
said section or to reimburse funds of the University for amounts used under said
Section 3345.07; and

WHEREAS, the University determined by resolution adopted April 8, 1957
(herein called the Original Bond Resolution) to provide for the issuance of Dormitory
Revenue Bonds and pursuant to the Trust Agreement dated as of April 15, 1957 with
The Ohio National Bank of Columbus (herein, with the First, Second, Third and
Fourth Supplements, called the Trust Agreement), to pledge the net income of all
the dormitory facilities now or hereafter under control of the University, including
the dining halls constituting part thereof, and to provide in said Trust Agreement for
the issuance of such Bonds (herein called the Bonds) as from time to time authorized
subject to the conditions contained in said Trust Agreement and by the Original Bond
Resolution and the Trust Agreement provided for the sale of an initial issue of
$12,000,000 consisting of $6,000,000 Series A Bonds and $6,000,000 Series B Bonds
(herein called the Series A and Series B Bonds) and for the issuance from time to
time as authorized by the Board of additional Bonds (herein called Additional Bonds)
on a parity with said initial series of which $2,330,000 Series C Bonds, $2,030,000
Series D Bonds, $5,300,000 Series E Bonds, $1,200,000 Series F Bonds, $1,350,000
Series G Bonds and $2,850,000 Series H Bonds have been authorized and issued; and
Fourth Supplemental Trust Agreement

WHEREAS, there are presently outstanding $5,765,000 principal amount of Series A Bonds, $5,482,000 principal amount of Series B Bonds, $2,270,000 principal amount of Series C Bonds, $1,770,000 principal amount of Series D Bonds, $5,300,000 principal amount of Series E Bonds, $1,200,000 principal amount of Series F Bonds, $1,350,000 principal amount of Series G Bonds and $2,850,000 principal amount of Series H Bonds; and

WHEREAS, the University has not pledged or encumbered the revenues from its dormitory facilities except as provided in the Trust Agreement; and

WHEREAS, the University has determined to sell $3,000,000 of Additional Bonds as Series I Bonds (herein called the Series I Bonds) all as provided in the Trust Agreement; and

WHEREAS, the Board by the adoption of this resolution has determined and confirmed that it is necessary to provide additional dormitory accommodations and dining facilities located on or in close proximity to the campus of the University and, accordingly, hereby declares and determines that it is immediately necessary to construct and equip an additional dormitory to be known as Dormitory Building No. 12 (said Dormitory Building No. 12 and all things incidental thereto being herein referred to as the Project); and

WHEREAS, said Project is to be constructed pursuant to plans approved by the Department of Public Works of Ohio, and prepared by the University Architect; and

WHEREAS, the University has received estimates from its architect, and, accordingly, estimates the following as the costs of the Project

Fourth Supplemental Trust Agreement

WHEREAS, the University has determined to borrow the funds to pay the foregoing costs, and to solicit proposals for the purchase of $3,000,000 Dormitory Revenue Bonds, Series I, by investment bankers or others.

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of The Ohio State University:

Section 1. Purpose of Series I Bonds. It is hereby determined to be necessary to issue $3,000,000 of Dormitory Revenue Bonds of the University pursuant to Section 3345.07 of the Revised Code of Ohio and the Trust Agreement dated as of April 15, 1957 for the purpose of paying the costs of the Project and of all things incidental thereto or incidental to the financing thereof, including repayment of moneys previously borrowed or advanced for the Project or restoring amounts used for the Project from other funds of the University available for such purposes.

Section 2. Terms of Series I Bonds. Said $3,000,000 of Dormitory Revenue Bonds shall be issued under this Resolution, the Original Bond Resolution, and the Trust Agreement, shall be entitled "The Ohio State University Dormitory Revenue Bonds," shall be dated as determined by the Fiscal Officer of the University and shall be issued as negotiable coupon bonds registrable as to principal, in the denomination of $1,000 or $5,000 (but not both) as shall be requested by the Original Purchasers of such Bonds or as fully registered Bonds without coupons in the denomination of the coupon bonds or multiples thereof when and as requested by the Original Purchasers of such Bonds, shall be numbered as determined by the Fiscal Officer of the University, shall bear interest from their date, or from the last interest payment date preceding the date of issue, payable semi-annually on the fifteenth days of April and October of each year, commencing on the interest payment date next succeeding the issuance and delivery of the Bonds, at the rates stipulated in its bid by the successful bidder and approved in writing by the President or Fiscal Officer of the University, and shall mature in the following amounts on October 15 of the following years:
The principal and interest of the Series I Bonds shall be payable in any coin or currency which, on the respective dates of payment, is legal tender for the payment of debts due the United States of America, at the principal office of the Trustee under the Trust Agreement (said Trustee at the time of issuance of the Series I Bonds being The Ohio National Bank of Columbus, Columbus, Ohio), or, at the option of the holder, at the principal office of the United States Trust Company of New York, in the Borough of Manhattan, City and State of New York except that interest on fully registered bonds is payable by check as provided in the Trust Agreement, and principal on fully Registered Bonds may also be payable at such additional place or places,
Fourth Supplemental Trust Agreement

at the option of the holder as shall be designated by the Fiscal Officer of the University. The Series I Bonds are subject to call for redemption prior to maturity at the option of the Board on April 15, 1974 or on any interest payment date thereafter. Each such series shall be callable in the inverse order of the maturities of the Bonds of that series at par and accrued interest to the redemption date plus redemption premiums as follows:

4% if called April 15, 1974 to October 15, 1978, inclusive
3% if called April 15, 1979 to October 15, 1983, inclusive
2% if called April 15, 1984 to October 15, 1988, inclusive
1-1/2% if called April 15, 1989 to October 15, 1993, inclusive
0% if called thereafter.

If less than all the Series I Bonds of one maturity are to be called, the Coupon Bonds or portions of fully Registered Bonds of such series and of that maturity to be called shall be chosen by lot conducted by the Trustee under the Trust Agreement. Such call for redemption shall be made by notice specifying the numbers of the Series I Bonds to be called, published by the Trustee on behalf of the University once a week for two consecutive weeks in a financial newspaper of national circulation published in the English language in New York City and in an English language newspaper of general circulation in Columbus, Ohio, the first publication to be not more than forty (40) nor less than thirty (30) days prior to the date of redemption. Any bonds thus called for redemption and for the retirement of which funds are deposited with said Trustee as provided in the Trust Agreement on or before the redemption date shall cease to bear interest on said redemption date. Except in the case of redemption of Bonds of a particular series from the surplus proceeds of that issue as provided in Section 5 of the Original Bond Resolution, no Bonds of any series may be called unless the same proportion of the outstanding Bonds of each other series, then callable, are called at the same time.

The Series I Bonds shall have such other terms and conditions and shall be issued, executed and delivered as provided by the applicable provisions of the Trust Agreement.
Fourth Supplemental Trust Agreement

Section 3. Sale of Series I Bonds. The $3,000,000 Series I Bonds shall be offered for sale, by solicitation of proposals from investment bankers and others or by advertisement or both, to the highest bidder based on the lowest net interest cost, in such manner and on such terms as determined by the President or the Fiscal Officer of the University.

Section 4. Allocation of Proceeds of Series I Bonds. Upon the issuance and delivery of the Series I Bonds, the Fiscal Officer of the University shall forthwith establish a bank account in the name of the University designated as the "Series I Construction Fund" (herein called the "Construction Fund"). The proceeds from the sale of the Series I Bonds shall be allocated and applied by the University as follows:

(1) The portion representing accrued interest to the Debt Service Fund provided for in the original Trust Agreement to be held by the Trustee, and the portion representing premium above par paid to the University for such Bonds, to the Debt Service Reserve Fund so provided for.

(2) The balance to the Construction Fund to pay costs of the Project and to pay all incidental expenses of the Project and the financing thereof, including repayment (with interest) of money borrowed by the University for such purposes or repaying advances made by the University from other funds of the University for such purposes.

(3) Any balance remaining in the Construction Fund after payment or reimbursement of all Project costs and other amounts provided for in (2) above shall be used by the University for any purpose authorized by Section 3345.07 of the Revised Code of Ohio, or to repay advances made from other funds of the University or to repay loans obtained by the University to finance any projects authorized by said Section.
Fourth Supplemental Trust Agreement

The Fiscal Officer of the University may make withdrawals from said Construction Fund in order to make payments from such Fund authorized under the foregoing provisions of this Section. If the payment is to be made with respect to an obligation under a construction contract relating to the Project, such payment shall have been certified as due under such contract by a qualified architect or engineer.

Where the monies on deposit in the Construction Fund exceed the estimated disbursements on account of the Project for the next thirty days the Fiscal Officer of the University may invest such excess funds in direct obligations of, or obligations, the principal and interest of which are guaranteed by, the United States of America which shall mature or which shall be subject to redemption by the holder thereof at the option of such holder, not later than eighteen months after the date of such investment. Such investments and the proceeds of sale thereof shall constitute part of the Construction Fund and shall be applied to the purposes thereof. Interest on such investments may be paid to the Dormitory Revenue Fund or applied to the purposes of the Construction Fund. The said investments may be sold, exchanged or collected from time to time by the Fiscal Officer of the University.

Section 5. Additional Bonds. (a) The Board shall have the right from time to time to issue Additional Bonds under the Trust Agreement if necessary to pay the costs of completing the Project or completing any projects for which the Series I or Additional Bonds, are issued. The Trustee shall authenticate and deliver such Bonds upon (but only upon) receipt of the documents required by Section 2.03 of the Trust Agreement. Nothing herein or in the Trust Agreement shall require any
Fourth Supplemental Trust Agreement

earnings coverage, or certificate with respect thereto, in connection with Additional Bonds issued for completion of a project.

(b) The Board shall also have the right from time to time to issue Additional Bonds under the Trust Agreement to provide funds for purposes authorized by Section 3345.07 of the Revised Code of Ohio, including construction and equipment by the University of buildings to be used as dormitories or as other living quarters or the refunding of outstanding bonds or notes issued under said Section 3345.07. The Trustee shall authenticate and deliver under the Trust Agreement Additional Bonds issued under this subdivision (b) if, (but only if), when such Additional Bonds are issued, the University shall have furnished to the Trustee in addition to the documents required by Section 2.03 of the Trust Agreement, a certificate of the President and the Fiscal Officer of the University, approved by the Board of Trustees, (1) showing that (a) the actual net income from the dormitory facilities of the University (excluding net income from any dormitory facility which is to be abandoned or which is not suitable for continuous use as a dormitory facility for the term of such Additional Bonds) for the preceding fiscal year, as adjusted, if necessary, to reflect the schedule of rates and charges to become effective at the beginning of the next semester, quarter or other school period and to give recognition to any anticipated changes in operating costs; plus (b) the estimated annual net income of the dormitory facilities to be financed through the proceeds of the sale of such Additional Bonds will be equal to or greater than one and three-tenths (1.3) times the maximum amount to become due in any succeeding fiscal year for the payment of principal and interest charges on the Bonds then outstanding hereunder and on the Bonds then to be authenticated and delivered; (2) showing that, until the dormitory facility being constructed from the proceeds of the Additional Bonds, is ready for occupancy, funds then available from net income, bond proceeds, gifts, legacies, devises or grants or other sources for payment when due of principal and interest on the Bonds will be at least one and three-tenths (1.3) times the principal and interest requirements for that period; (3) showing
Fourth Supplemental Trust Agreement

that there were not included in net income any receipts against which there is any prior claim other than the use thereof for the operating expenses included in computing the net income; (4) furnishing such other information in support of the foregoing as may reasonably be requested by the Trustee; (5) showing that the computations of estimates provided for above are based on an assumed occupancy of not more than 95% of capacity of the dormitory facilities in question.

The first call date on Additional Bonds shall not be earlier than the first call date on any issue of Bonds outstanding at the time of issue of such Additional Bonds.

Section 6. Terms of the Bonds Generally. As used in this Resolution, the term "Bonds" refers to the Series A, B, C, D, E, F, G, H and I Bonds and all Additional Bonds issued on a parity therewith under the Trust Agreement. The Bonds shall be designated The Ohio State University Dormitory Revenue Bonds, shall be payable in any coin or currency which, on the respective dates of payment, is legal tender for the payment of debts due the United States of America, shall be negotiable instruments (except when registered), shall express upon their face the purpose for which they are issued, and shall be issued pursuant to Section 3345.07 of the Revised Code of Ohio. Unless otherwise provided by the Board, the Bonds shall be signed by the Chairman of the Board or bear his facsimile signature, shall be signed by the President of the University or bear his facsimile signature, shall be attested by the Secretary of the Board or by the Vice President, Business and Finance of the University, and shall be sealed with the seal of the University or a facsimile thereof, and interest coupons attached to the Bonds shall bear the facsimile signature of the Secretary of the Board or of the Vice President, Business and Finance of the University. In case any officer whose signature or a facsimile of whose signature shall appear on any Bonds or coupons shall cease to be such officer before the delivery of such Bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office.
Fourth Supplemental Trust Agreement
until such delivery. Except in the case of redemption of Bonds of a particular series
from the surplus proceeds of that issue as provided in Section 5 of the Original Bond
Resolution, no Bonds of any series may be called unless the same proportion of the
outstanding Bonds of each other series, then callable, are called at the same time.
The Additional Bonds shall bear such designations as may be necessary to distinguish
them from the Series A, B, C, D, E, F, G, H and I Bonds or other Additional Bonds
having different provisions and shall have maturities, interest rates, interest pay-
ment dates, redemption provisions, denominations, registration provisions, and
other provisions as provided in the Resolution providing for issuance of the Additional
Bonds, provided, however, that such terms and provisions shall not be inconsistent
with this Resolution, the Trust Agreement or the then outstanding Bonds. On the
terms provided herein, in the Trust Agreement and in the Bonds, the Bonds shall be
equally and ratably payable from and secured by pledge of, the receipts from the
operation of all dormitory facilities now or hereafter under control of the Board
including the dining facilities constituting a part thereof, after provision for reason-
able and proper expenses of operation and maintenance of such facilities; and anything
in this Resolution, the Bonds or the Trust Agreement to the contrary notwithstanding,
neither this Resolution, the Bonds, nor the Trust Agreement shall be a claim against
or a lien upon any property of the State of Ohio or any property of or under the control
of the Board except the portion of said receipts pledged as provided herein; provided,
however, that nothing herein shall be deemed to prohibit the University, of its own
volition, from using, or pledging, to the extent it is lawfully authorized to do so, any
of its other resources or revenues for the fulfillment of any of the terms, conditions
or obligations of the Trust Agreement, this Resolution, or any of the bonds.

Section 7. Covenants of the University. The University covenants with the
holders of the Bonds and with the Trustee under the Trust Agreement that (a) it
will adopt and maintain so long as any of the Bonds are outstanding such parietal
rules, and charge and collect such rental rates and charges, from time to time, as
Fourth Supplemental Trust Agreement

may be necessary to assure such occupancy and use of, and receipts from the
dormitory facilities as will pay the costs of maintenance and operation and provide
for the payment of the principal of and interest on the Bonds and other payments to
Special Funds required by Section 8 of this resolution; (b) from funds lawfully
available, it will cause the Project and any project to be constructed from the
proceeds of Additional Bonds to be completed and equipped in an efficient and
economical manner with reasonable dispatch and in a manner consistent with the
plans and recommendations of responsible architects and all applicable laws,
ordinances and regulations; (c) subject to the right of abandonment under condi-
tions provided in the Trust Agreement designed to prevent adverse effect of such
abandonment on the expected earnings coverage of Debt Service, it will, from
the dormitory receipts pledged under this resolution and as part of the operating
expenses, maintain, preserve and keep the dormitory facilities in good repair,
working order and operating condition and continuously operate the same on a
revenue producing basis, and will apply the receipts therefrom only as provided
in Section 8 of this Resolution and in the Trust Agreement; (d) it will furnish to
the Trustee and the Original Purchasers of the Bonds within 120 days after the
close of each fiscal year an annual report of the accounts (including each Special
Fund provided for in Section 8 of this Resolution) and operations of the dormitory
facilities prepared by qualified accountants approved by the Trustee; (e) it will keep
proper books of record and accounts separate from all other records and accounts,
in which complete and correct entries will be made of all transactions relating to
the dormitory facilities and will at all reasonable times permit the Trustee, the
Original Purchasers or any holder or holders of 25% of the outstanding Bonds, or
their authorized representatives, to inspect the dormitory facilities and any books,
documents and vouchers relating thereto; (f) it will furnish heat, light, power, water
and other necessary services to the dormitory facilities at not in excess of reasonable
cost; (g) it will comply with all the terms and conditions of the respective Loan
Fourth Supplemental Trust Agreement

Agreements with the Housing and Home Finance Agency as long as the United States holds any of the Series B, D, F, G and H Bonds; (h) it will insure the dormitory facilities as required by the Trust Agreement and apply the proceeds of such insurance as provided therein; and (i) it will observe and perform all its agreements and obligations provided for by the Bonds, the Trust Agreement or the Bond Resolution.

Section 8. Application of Receipts; Special Funds. There was established by the Original Bond Resolution a Special Fund designated "Dormitory Revenue Fund," which fund shall be maintained in a bank account, or invested as herein authorized, in the name of the University separate and distinct from all other funds of the University and subject to the withdrawals and uses herein authorized, is pledged to and charged with the payment of the principal, interest, and premium, if any, on all the Bonds issued under the Trust Agreement.

Under the Original Bond Resolution there shall be maintained in the Dormitory Revenue Fund, as an Operating Reserve, such amount as is from time to time certified by the Fiscal Officer of the University as adequate and necessary for working capital for operation and maintenance of the dormitory facilities; provided, that such Operating Reserve shall not exceed one-fourth of the operating and maintenance expenses of the dormitory facilities for the preceding 12 months.

All receipts from dormitory facilities now or hereafter under the control of the Board, including the dining halls constituting part thereof, shall be deposited in the Dormitory Revenue Fund.

The Dormitory Revenue Fund, including the Operating Reserve, shall be applied to pay when due all reasonable and proper expenses of operation and maintenance (as defined in Section 10) of the dormitory facilities, excluding extraordinary repair and replacement expenses payable from the Contingency Repair and Replacement Fund and expenses of or provision for depreciation or capital replacement.
Fourth Supplemental Trust Agreement

The remainder of the Dormitory Revenue Fund, after retaining therein the then current Operating Reserve and payment of said operation and maintenance expenses then due, shall be applied as provided in the Original Bond Resolution, namely, as follows and in the following order of priority:

First: Into the Debt Service Fund, to be held by the Trustee as a separate fund and used for the payment of principal and interest on the Bonds, the amounts provided in the Original Bond Resolution and in the Bond Resolutions relating to the Series C and D Bonds and Series E, F, G and H Bonds for payment of principal and interest on the series A, B, C, D, E, F, G and H Bonds and, in addition, (1) on or before April 1 and October 1 of each year an amount equal to the interest due on the next ensuing interest payment date in that year on the Series I Bonds then outstanding; provided, that, the amount so payable on any such date into the Debt Service Fund shall be reduced by the amount then remaining in said Debt Service Fund from the accrued interest and from the funds deposited therein for capitalized interest pursuant to Section 4 of this Resolution; (2) on or before April 1 and October 1 of each year, the equal semi-annual amounts necessary to provide for payment of any principal maturity in that year on the Series I Bond; (3) if Additional Bonds shall be issued under the Trust Agreement, such additional amounts and at such times as specified in the resolution authorizing such Additional Bonds, which amounts shall be not less than necessary to provide in the Debt Service Fund amounts, in addition to the amounts hereinbefore provided for the Series A, B, C, D, E, F, G, H and I Bonds, sufficient to pay in full interest and principal on all Additional Bonds then outstanding, as the same shall become due and payable provided that no payments need be made to the Debt Service Fund so long as the amounts in the Debt Service Fund and Debt Service Reserve Fund aggregate at least the total principal and interest payable on all Bonds then outstanding to the dates of their respective maturities.

Second: Into the Debt Service Reserve Fund, to be held by the Trustee as a separate fund for the payment of principal and interest on, and purchase or redemption
Fourth Supplemental Trust Agreement

of, the Bonds as herein provided, on or before April 1 and October 1 of each year and on such other dates as amounts are payable into the Debt Service Fund with respect to Additional Bonds, such amounts as are necessary to create and maintain in said Debt Service Reserve Fund the required reserve, namely, an amount equal to the maximum principal and interest requirements for any consecutive two-year period on all Bonds at the time outstanding;

Third: Into the Contingency Repair and Replacement Fund, to be held by the University as a fund separate and distinct from all other funds of the University, semi-annually on or before April 1 and October 1 of each year, or as soon thereafter as the required reserve has been established in the Debt Service Reserve Fund, an amount equal to one-quarter of one per cent of the cost of construction on all dormitory facilities then under the control of the Board and 3 per cent of the cost of movable equipment for all such dormitory facilities, which fund may be used by the University to the extent necessary for payment of principal and interest on the Bonds or for extraordinary repairs and replacements to the dormitory facilities or for construction or equipping of additional dormitory facilities;

Fourth: On April 1 and October 1 of each year, to the foregoing funds, such amounts as may be necessary to make up previous deficiency in any deposits required by the foregoing paragraphs of this section;

Fifth: So long as there is no deficiency in any of the deposits provided for in Paragraphs First through Fourth above and so long as the amounts in the Debt Service Reserve Fund are at least equal to the then required reserve, any amounts in the Dormitory Revenue Fund, after reserving therein the then current Operating Reserve, may be used for any purpose of the University for which such funds may lawfully be used.

The Debt Service Fund is irrevocably pledged to and shall be used by the Trustee for the payment of principal and interest on the Bonds and, until required for such purposes, shall be invested by the Trustee in such direct obligations of the
Fourth Supplemental Trust Agreement

United States as the President and the Fiscal Officer of the University shall direct in writing addressed to the Trustee, which writing shall determine that the maturity of the respective obligations is not later than the date on which such funds will be required for payment of such principal and interest. The Trustee shall transfer from the Debt Service Fund to the Paying Agents amounts sufficient to enable said Paying Agents to pay when due principal and interest on the Bonds, or the Trustee shall make such credit arrangements with said Paying Agents as to permit such payments.

The Debt Service Reserve Fund is irrevocably pledged to, and shall be used by the Trustee for, the payment of principal and interest on the Bonds if other available funds are insufficient for that purpose, and, to the extent herein provided, for purchase or redemption of Bonds. Until required for such purposes it shall be invested by the Trustee in such direct obligations of the United States as the President and the Fiscal Officer of the University shall direct in writing, which obligations shall mature not more than five years from the date of investment. The Trustee shall transfer from the Debt Service Reserve Fund to the Debt Service Fund such amounts as are necessary in addition to amounts available in the Debt Service Fund, including funds transferred from the Contingency Repair and Replacement Fund, to enable said Paying Agents to pay when due the principal and interest on the Bonds.

Any amounts in the Debt Service Reserve Fund in excess of the required reserve provided for in Paragraph Second above shall be used to purchase Bonds for retirement or to redeem Bonds then subject to redemption to the extent and in the manner from time to time requested in writing by the President and the Fiscal Officer of the University. In calculating at any time whether additional amounts are required to be paid into the Debt Service Reserve Fund under Paragraph Second above and in calculating the excess over the required reserve, no value shall be given to any investments of the fund other than direct obligations of the United States maturing within five years from the date of such calculation, but, in all other respects, such investments shall be valued at their face amount or market value, whichever is lower.
Fourth Supplemental Trust Agreement

The Contingency Repair and Replacement Fund is irrevocably pledged to, and shall be used by the University for, extraordinary repairs and replacements to the dormitory facilities or to construct or equip additional dormitory facilities or for the retirement of all then outstanding Bonds by purchase or redemption or for payment of the principal and interest by transfer to the Debt Service Fund as herein provided. The University shall transfer from the Contingency Repair and Replacement Fund to the Debt Service Fund such amounts as are from time to time necessary, in addition to the other amounts available in the Debt Service Fund and without use of the Debt Service Reserve Fund, to provide for the payment, when due, of the principal and interest on the Bonds and shall not use any of this fund for repairs or replacement or additional facilities if there is any deficiency in any of the deposits required to be made under subparagraphs First or Second of this Section. Until required for such purposes, the Contingency Repair and Replacement Fund may be invested by the President and the Fiscal Officer of the University in direct obligations of the United States maturing not more than five years from the date of investment.

Investments made pursuant to this Section 8 of any amounts in any Special Fund herein created and the interest thereon and the proceeds thereof shall constitute part of that Special Fund and be added to that particular fund. Such investments shall be sold, exchanged or collected from time to time as directed by the President and the Fiscal Officer of the University, and the Trustee shall be under no liability and have no responsibility in connection with such investment, or the sale, exchange or collection thereof, provided the directions of said officers are followed.

Section 9. Trust Agreement. In order to secure the payment of the principal and interest on the Bonds, the President of the University and the Chairman of the Board of Trustees, and each of them, are authorized to execute, acknowledge and deliver as may be appropriate the Fourth Supplemental Trust Agreement in substantially the form attached hereto, and the Secretary of the Board of Trustees is authorized to seal and attest the same, with such changes not unfavorable to the
Fourth Supplemental Trust Agreement

University as the officers acting shall deem advisable and as shall be approved by the Original Purchasers of the Series I Bonds. The terms and provisions of the Trust Agreement are hereby confirmed and adopted and the terms of said Trust Agreement purporting to be applicable to the Series A and Series B Bonds or to the Project to be constructed from the proceeds of the Series A and Series B Bonds shall be deemed equally applicable to the Series I Bonds and the Project covered by this Resolution to the extent that the same are not inconsistent with the terms or provisions of this Resolution and the context so permits.

Section 11. Definitions. Where the context permits, the following terms as used in this Resolution or in the Trust Agreement shall have the following meanings:

1. "the Fiscal Officer" shall mean the Vice President, Business and Finance, of the University or any official or employee performing the duties of such officer for the time being. The Comptroller, or any official or employee performing the duties of such officer for the time being, shall also be "a Fiscal Officer" when the context so permits.

2. "Additional Bonds" shall mean Bonds issued pursuant to the Trust Agreement in addition to and on a parity with the Series A, B, C, D, E, F, G, H and I Bonds, and "Bonds" shall mean both the Series A, B, C, D, E, F, G, H and I Bonds and Additional Bonds.

3. "Agreement" or "Trust Agreement" shall refer to the Trust Agreement dated as of April 15, 1957 as from time to time supplemented pursuant to its terms.

4. "Dormitory Facilities" shall mean buildings, groups of buildings or parts of or additions to buildings, including the sites therefor, now or hereafter constructed, acquired by or under the control of the Board and authorized to be constructed, equipped, maintained and operated by Section 3345.07 of the Revised Code of Ohio, including the dormitories, additions to dormitories, dining facilities, and married student housing facilities or projects and all separate or connected buildings, sites, equipment, structures and utilities to be used in connection with the maintenance or operation of, or in any supplementing or related to the services or facilities to be provided by such buildings located on or in close proximity to the
Fourth Supplemental Trust Agreement
campus; (5) "Net Income" shall mean all receipts of the operation of dormitory
facilities after deducting therefrom the reasonable and proper operating and
maintenance expenses thereof; (6) "Reasonable and Proper Operating and Maintenance
Expenses" shall mean ordinary and usual reasonable expenditures necessary to the
operation, repair and maintenance of the dormitory facilities including, without limit-
ing the generality of the foregoing, taxes, fees and expenses of the Trustee and paying
agents and any expenses required to be paid by the Bond Resolution or the Trust
Agreement, but excluding provision or expenditure for depreciation or capital
replacement or expenditures for administration or regulation of the occupants of the
dormitory facilities which expenditures do not constitute costs of the type included as
costs of operation of the dormitory facilities under the present accounting practice of
the University or expenditures for extraordinary repairs or replacements or pay-
ments to the Debt Service Fund, Debt Service Reserve Fund or Contingency Repair
and Replacement Fund; (7) "Trustee" refers to the Trustee under the Trust Agreement,
presently The Ohio National Bank of Columbus; (8) Any reference to an officer of the
University or of the Board in this Resolution shall refer to the person holding such
office or, in the event of resignation, absence, incapacity or vacancy in such office,
then the person performing the duties of such office; any reference to Section 3345.07
of the Revised Code of Ohio shall, where the context permits, mean said section as
it now exists and as it is from time to time amended, supplemented or affected by
later legislation.

Section 11. General. The appropriate officers of the University and the
Board, the architects and engineers employed by the University, and the Trustee
designated in the Trust Agreement are authorized and directed to do all things
necessary or proper to carry out the terms and provisions of this Resolution, the
Trust Agreement and the Sale referred to in Section 3 above and to effect the
execution, sale and delivery of said Series I Bonds in accordance therewith if approved
by the President and Fiscal Officer of the University. It may be required as part of
Fourth Supplemental Trust Agreement

the terms of sale of the Series I Bonds that prior to or at the time of delivery the Series I Bonds there shall have been executed and delivered contracts for construction of the principal portions of the Project and provisions shall have been made for obtaining sufficient amounts to pay all costs of the Project as estimated by the Project architect. The obligations imposed upon the University under this Resolution or the Trust Agreement are established as duties specifically enjoined upon the University, the Board and the officials of the University by law and result from their respective offices, trusts or stations within the meaning of Section 2731.01 of the Revised Code of Ohio.

Whereas, the text of the Series I Bonds and the coupons, if any, to be attached thereto and the authentication certificate of the Trustee to be endorsed thereon are to be substantially as follows:

(Form of Coupon Bond)

The form of Coupon Bond shall be identical with the form of Coupon Bond set forth in the Trust Agreement dated as of April 15, 1957 except that there shall be substituted in such form in lieu of the corresponding paragraphs and Trustee's Certificate and corresponding coupon form in said Coupon Bond the following paragraphs and coupon form:

*****

This Bond is a Series I Bond and is one of a duly authorized issue of Dormitory Revenue Bonds of the University, issued and to be issued from time to time, pursuant to Section 3345.07 of the Revised Code of Ohio and the Resolutions of the Board of Trustees of April 8, 1957 and September 13, 1963 (herein collectively called the "Bond Resolution") for the purpose of paying the costs of constructing and equipping certain dormitory facilities and secured by Trust Agreement dated as of April 15, 1957 and First, Second, Third and Fourth Supplemental Trust Agreements between the University and the above-named Trustee (herein collectively called the "Agreement").

The University hereby reserves the right to call and redeem the Bonds of this series prior to maturity as a whole, or in part, in inverse order of maturity, on any interest payment date on or after April 15, 1974, upon terms of par and accrued interest to
Fourth Supplemental Trust Agreement

the redemption date plus redemption premiums as follows: four per cent (4%) if redeemed 1974 to 1978 inclusive; three per cent (3%) if redeemed 1979 to 1983, inclusive; two per cent (2%) if redeemed 1984 to 1988, inclusive; one and one-half per cent (1 1/2%) if redeemed 1989 to 1993, inclusive; and without premium if redeemed after 1993. If less than all the Bonds (or parts of Registered Bonds) of one maturity and of one series are to be called, the Coupon Bonds or portions of fully Registered Bonds of such series and of that maturity to be called shall be chosen by lot by said Trustee. Except in the case of redemption of a particular series of bonds from surplus proceeds of that issue as provided in the Bond Resolution, no Bonds of any series may be called unless the same proportion of the outstanding Bonds of each other series, then callable, are called at the same time.

*****

The Series A, B, C, D, E, F, G, H and I Bonds, together with such Additional Bonds as may be issued on a parity therewith under said Agreement, are, and are to be, secured only, but equally and ratably without priority one over another by reason of number or of date of Bond, sale, execution or delivery, by the Agreement, creating a prior pledge of the receipts of all dormitory facilities now or hereafter under the control of the Board of Trustees as defined in the Agreement after provision only for reasonable operating and maintenance expenses thereof.

The form of Registered Bonds without coupons of single maturity shall be identical with the form of Registered Bond set forth in the Trust Agreement dated as of April 15, 1957 except that there shall be substituted in such form in lieu of the corresponding paragraphs and Trustee's Certificate in said Registered Bond the following paragraphs:

*****

This Bond is a Series I Bond and is one of a duly authorized issue of Dormitory Revenue Bonds of the University, issued and to be issued from time to time, pursuant to Section 3345.07 of the Revised Code of Ohio and the resolutions of the Board of Trustees of April 8, 1957 and September 13, 1963 (herein collectively called the "Bond Resolution") for the purpose of paying the costs of constructing and equipping certain dormitory facilities and secured by Trust Agreement dated as of April 15, 1957 and First, Second, Third and Fourth Supplemental Trust Agreements between the University and the above-named Trustee (herein collectively called the "Agreement").

154
Fourth Supplemental Trust Agreement

The University hereby reserves the right to call and redeem the Bonds of this series prior to maturity as a whole, or in part, in inverse order of maturity, on any interest payment date on or after April 15, 1974, upon terms of par and accrued interest to the redemption date plus redemption premiums as follows: four per cent (4%) if redeemed 1974 to 1978, inclusive; three per cent (3%) if redeemed 1979 to 1983, inclusive; two per cent (2%) if redeemed 1984 to 1988, inclusive; one and one-half per cent (1 1/2%) if redeemed 1989 to 1993, inclusive; and without premium if redeemed after 1993.

If less than all the Bonds (or parts of registered Bonds) of one maturity and of one series are to be called, the coupon bonds or portions of fully registered bonds of such series and of that maturity to be called shall be chosen by lot by said Trustee. Except in the case of redemption of a particular series of bonds from surplus proceeds of that issue as provided in the Bond Resolution, no Bonds of any series may be called unless the same proportion of the outstanding Bonds of each other series, then callable, are called at the same time.

*****

The Series A, B, C, D, E, F, G, H and I Bonds, together with such Additional Bonds as may be issued on a parity therewith under said Agreement, are, and are to be, secured only, but equally and ratably without priority one over another by reason of number or of date of Bond, sale, execution or delivery, by the Agreement, creating a prior pledge of the receipts of all dormitory facilities now or hereafter under the control of the Board of Trustees as defined in the Agreement after provision only for reasonable operating and maintenance expenses thereof.

Authorized Officer

NOW, THEREFORE, THIS SUPPLEMENTAL TRUST AGREEMENT, WITNESSETH that in order to secure the payment of the principal of and interest on the Bonds according to their true intent and meaning, and to secure the performance and observance of all covenants and conditions therein and herein,
Fourth Supplemental Trust Agreement

in the Bond Resolution and in the Trust Agreement contained, and for and in con-
sideration of the premises and of the purchase and acceptance of the Bonds by the
holders thereof from time to time, and the acceptance by the Trustee of the further
trusts hereby created, and for other good and valuable considerations the receipt of
which is hereby acknowledged, the University has executed and delivered this Fourth
Supplemental Agreement.

IN TRUST, NEVERTHELESS, upon the terms and trusts in the Trust
Agreement and in this Supplement set forth for the equal and proportionate benefit
and security of all present and future holders of the Bonds and appurtenant coupons
issued or to be issued under and secured by the said agreements, without preference,
priority or distinction, as to lien or otherwise, of any one bond or coupon over any
other by reason of priority in the time of the issue or negotiation thereof or other-
wise, except as may be otherwise expressly provided in said Trust Agreement.

AND IT IS HEREBY COVENANTED AND DECLARED by the University with
the Trustee and its successors in the trust under the Trust Agreement for the benefit
of those who shall hold such Bonds and appurtenant coupons at any time issued and
outstanding under the Trust Agreement as follows:

Section 1. Incorporation of Bond Resolution. The Series I Bond Resolution
is hereby made a part of this Supplement and of the Trust Agreement.

Section 2. Form, Execution and Delivery of Series I Bonds. The Series I
Bonds shall be executed, authenticated and delivered as provided herein, and said
Series I Bonds, the coupons to be attached thereto, and the certificate of authentication
of the Trustee to be endorsed thereon shall be substantially in the form provided in the
preambles hereto with any necessary modifications to conform hereto.

Section 3. Proceeds of Sale. The proceeds from the sale of the Series I
Bonds shall be applied as provided in the Bond Resolution.
Fourth Supplemental Trust Agreement

Section 4. Concerning the Trustee. The Trustee hereby accepts the trusts hereby declared and provided and agrees to perform the same upon the terms and conditions in the Trust Agreement and in this or any other Supplement set forth.

The Trustee shall not be responsible in any manner whatsoever for or in respect of the validity or sufficiency of this Supplement or the due execution thereof by the University, nor for or in respect of the recitals herein contained, all of which recitals are made by the University solely. In general, each and every term and condition contained in the Original Trust Agreement shall apply to this Supplement, with such omissions, variations and modifications thereof as may be appropriate to make the same conform to this Supplement.

IN WITNESS WHEREOF, the Board of Trustees has caused this Fourth Supplemental Trust Agreement to be executed and its seal to be hereto affixed and The Ohio National Bank of Columbus, Columbus, Ohio, as Trustee, in token of its acceptance of the trusts created hereunder, has caused this Fourth Supplemental Trust Agreement to be executed and has caused its seal to be hereto affixed all as of the day and year first above written.

APPENDIX III

COMMITMENT LETTER AGREEMENT
FROM A. G. BECKER & CO.
AND
DORMITORY REVENUE NOTE
The Ohio State University  
Columbus  
Ohio  

Attention: Mr. Gordon B. Carson, Vice President,  
Business and Finance  

Gentlemen:

Confirming our recent conversations, we are pleased to advise that we are willing to purchase from The Ohio State University and its Board of Trustees (herein collectively referred to as the "University") a promissory note or notes (herein referred to as the "Note") aggregating $3,000,000, principal amount, upon the terms and conditions hereinafter set forth. Said Note is to be issued to provide interim financing required in connection with the construction and equipping of a new dormitory building on the campus of the University (known as Dormitory Building No. 12), and is to be issued in anticipation of permanent financing for the Project through the issuance by the University of $3,000,000, principal amount of Dormitory Revenue Bonds, Series I, under and pursuant to the Trust Agreement between the University and The Ohio National Bank of Columbus, Trustee, dated as of April 15, 1957, as supplemented by proposed Fourth Supplemental Trust Agreement (herein collectively referred to as the "Trust Agreement"). Our obligation to purchase said Note in said principal amount is subject to the following conditions:

1. The Note is to be substantially in the form set forth in the form of note attached hereto and marked as Exhibit A. The obligation evidenced by said Note is required to be paid only from the following sources (as provided in said Exhibit A), provided, however, that the University may pay said note of its own volition from other funds lawfully available for the purpose: (a) from the proceeds of sale of the University's Dormitory Revenue Bonds, Series I, $3,000,000 principal amount (herein referred to as the "Bonds"), or (b) from the net receipts derived from the operation of the Dormitory Facilities of the University (as defined in the Trust Agreement) after providing for the reasonable and proper expenses of operation and maintenance thereof and after all payments required to be made under the Trust Agreement to the Special Funds referred to in Section 8 of the Series I Bond Resolution.

2. The purchase price of said Note shall be par plus interest accrued to the date of delivery, if any; the Note shall be dated September 16, 1963; shall bear interest at the rate of 2 3/4% per annum, payable semi-annually on September 15 and March 15 of each year,
September 6, 1963

The Ohio State University
Columbus
Ohio

commencing March 15, 1964, shall mature on September 15, 1965, shall be issued in such denominations (in multiples of $1,000) as we shall request and shall be numbered as determined by the Vice President, Business and Finance, of the University. If we request that such Note be printed, we shall pay all costs of printing. The notes shall be delivered at the Ohio National Bank, 51 North High Street, Columbus, Ohio, not later than September 30, 1963 against payment of the purchase price.

(3) The furnishing to us of a transcript of proceedings evidencing approval by the Board of Trustees of this commitment letter agreement and authorization of the Note and containing a certification as to no litigation, existing or threatened, to enjoin or question the issuance of the Note or the Series I Bonds.

(4) The furnishing to us (at our expense) of an opinion from Squire, Sanders & Dempsey that the University (a) has authority to enter into this letter agreement and to borrow pursuant to the terms hereof, (b) that under the circumstances existing at the time such opinion is rendered, said Note when executed and delivered against the principal sum thereof, constitutes the valid and binding obligation of the University in accordance with its terms, and (c) that the interest on said Note and the Bonds is exempt, under present statutes, decisions and rulings, from Federal income tax.

If the conditions of this agreement are acceptable to you, please execute the carbon copy of this letter enclosed herewith, and return it to us.

Very truly yours,

A. G. Becker & Co.

DORMITORY REVENUE NOTE

$__________________________ No. _________

KNOW ALL MEN BY THESE PRESENTS, That The Ohio State University and its Board of Trustees (hereinafter collectively called the University), for value received, hereby promise to pay to __________________________, or registered assigns, the sum of $__________ on the 15th day of September, 1965, with interest thereon from the date hereof at the rate of 2 3/4% per annum, payable semi-annually on the 15th days of September and March in each year, commencing March 15, 1964, until payment of such principal sum has been made or duly provided for. The principal and interest hereof are payable solely from (a) the proceeds of sale of the University’s Dormitory Revenue Bonds, Series I to be issued and sold hereafter, and (b) the revenues of the Dormitory Facilities (as defined in the Trust Agreement between the University and The Ohio National Bank of Columbus, Trustee, dated as of April 15, 1957, as supplemented by First, Second and Third Supplemental Trust Agreements) after providing for the reasonable and proper expenses of maintenance and operation thereof and after all payments required to be made to the Special Funds referred to in said Trust Agreement. Neither this Note nor the indebtedness evidenced thereby shall be deemed to constitute a claim against or lien upon any property of the State of Ohio, or any property of or under the control of the Board, excepting the sources of payment hereinbefore mentioned, and the general credit of the University or of the State of Ohio is not pledged to the payment of this Note or the interest thereon or the performance of any duty or obligation provided for herein; provided, however, that nothing herein shall be deemed to prohibit the University from using, of its own volition, other funds held by it and lawfully available for use in paying the principal and interest hereof.

This Note is one of a series of Notes of like tenor and effect, except as to denomination, numbered consecutively commencing with No. 1, aggregating $3,000,000, principal amount, and issued for the purpose of financing the construction and equipping a new dormitory facility at The Ohio State University, under authority of, pursuant to and in full compliance with Section 3345.07 of the Ohio Revised Code, and pursuant to a resolution of the Board of Trustees of said University duly adopted on September 13, 1963.

In consideration of the loan evidenced by this Note, the University covenants and agrees that it will do all things on its part necessary to effect the issuance and delivery of its Dormitory Revenue Bonds, Series I, at such time and in such amounts as may be necessary to pay the principal of and interest on this Note as the same becomes due, and these obligations are established as duties specifically enjoined upon the University, the Board and the officials of the University by law and result from their respective offices, trusts or stations within the meaning of Section 2731.01 of the Ohio Revised Code.

Principal is payable on presentation and surrender of this Note at the office of the Vice President, Business and Finance of the University, and interest is payable to the registered owner hereof at such office or by check or draft mailed to the registered owner at his address as it appears on the registration books of the University. This Note may be transferred only upon books kept for registration and transfer by the University, upon surrender of this Note at the office of the Vice President, Business and Finance of the University, together with an assignment duly executed by the registered owner or his attorney in form satisfactory to the University. The person in whose name this Note is registered shall be deemed and regarded as the absolute owner hereof for all purposes, and payment of or on account
Dormitory Revenue Note

of the principal and the interest hereon shall be made only upon the order of such
registered owner. All such payments shall be valid and effectual to satisfy and dis-
charge the liability upon this Note, including interest, to the extent of the sum or
sums so paid.

This Note is executed on behalf of the Board of Trustees and officers of said
University solely in their capacity as such Trustees and officers and shall not
constitute their personal obligation either jointly or severally in their individual
capacities.

AND IT IS HEREBY CERTIFIED AND RECITED, that all acts, conditions and
things necessary to be done precedent to and in the issuance of this Note, in order
to make it a legal, valid and binding obligation of said University and its Board of
Trustees, have happened, been done and performed in regular and due form as
required by law.

IN WITNESS WHEREOF, The Ohio State University and its Board of Trustees
have caused this Note to be signed on their behalf by the President and the Vice
President, Business and Finance, of the University, and to be attested by the
Secretary of the Board and to bear the seal of the University, all as of September 16,
1963.

APPENDIX IV

DESIGNATION OF SPECIAL COUNSEL BY ATTORNEY GENERAL

IN CONNECTION WITH SALE AND ISSUANCE OF

DORMITORY REVENUE BONDS, SERIES I
DESIGNATION OF SPECIAL COUNSEL BY THE ATTORNEY GENERAL

Pursuant to recommendation of the Board of Trustees of The Ohio State University, I, William B. Saxbe, Attorney General, State of Ohio, do hereby appoint Squire, Sanders & Dempsey, Cleveland, Ohio, as special counsel to act as Bond Counsel and Project Counsel to The Ohio State University in connection with the issuance and sale of Dormitory Revenue Bonds, Series I, which are being issued to finance a new dormitory project on the campus of the University.

As Bond Counsel said firm shall assist and advise the University in the development of terms and conditions for financing of the dormitory project, prepare all necessary documents relating to such financing, including the Bond Resolution, Trust Agreement, temporary and definitive bond forms, public sale proceedings and legal portions of the prospectus, develop the necessary bond transcript, advise the Board of Trustees on the legality of all proceedings and documents relating to such financing, render an opinion as to the legality of the bonds upon their issuance and delivery and such related opinions as may be required, and supervise the program for delivery of and payment for such bonds.

As Project Counsel said firm shall assist the University in negotiations and preparation of or review of any loan agreements, applications and related papers with the Housing and Home Finance Agency or investment bankers, preparation or review of construction or architect's or engineering contracts, or proceedings in connection with the advertising, authorization or execution thereof, title matters relating to the project site, negotiations or preparation of approvals, certifications or other documents required from state officials, services on interim financing, including the rendering of an opinion thereon, and other extensive work in preparation of or review of prospectus or official statement for bidders, or preparation or review of new legislation.

Compensation for services rendered and to be rendered as Bond Counsel hereunder shall be $1,400 plus (a) 75 cents per $1,000 of principal amount of Series I Bonds issued, (b) 25 cents for each $1,000 or principal amount of Series I Bonds issued in excess of $1,000,000 but not in excess of $10,000,000, and (c) 50 cents for each $1,000 principal amount in excess of $10,000,000; if no bonds are issued, reasonable compensation shall be paid by the University, but not in excess of $2,000. Reasonable compensation shall be paid for services rendered and to be rendered as Project Counsel, based upon transcript of services as approved by the Attorney General. In addition to such compensation, counsel shall be reimbursed for their actual and necessary expenses including telephone, travel and the like incurred in the performance of their duties as Bond or Project Counsel. Such compensation and reimbursement shall be paid solely from the proceeds of the sale of Dormitory Revenue Bonds or other funds of the University lawfully available for the purpose, or if the University so desires by the purchaser of the bonds as part of the purchase price thereof.
The Board of Trustees met at its regular monthly meeting on Friday, November 15, 1963, at The Ohio State University, Columbus, Ohio, pursuant to adjournment.

Present: Thomas F. Patton, Chairman, Smith L. Rairdon, Alan B. Loop, Stanley C. Allyn, John W. Bricker, Carlton S. Dargusch, John G. Ketterer, and Frederick E. Jones.

* * *

Mr. Patton introduced the two members of the Board who were appointed by Governor James A. Rhodes pursuant to Section 3335.02, increasing the number of Board members from seven to nine.

Mr. John G. Ketterer, Canton, Ohio, for a term beginning October 18, 1963 and ending May 14, 1971.

Mr. Frederick E. Jones, Columbus, Ohio, for a term beginning October 18, 1963 and ending May 14, 1972.

* * *

Minutes of the last meeting (September 13, 1963) were approved.
President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Restudy of Medical Center Portion of Campus Master Plan

The Board of Trustees, at the time of adopting the campus master plan on February 16, 1962, authorized and instructed the President "to proceed, through the Office of Campus Planning, to conduct such additional studies of feasibility, staging, and plan revision as are required for the effectuation of the plan...."

Several developments in the medical center area of the campus make a restudy of this portion of the master plan now advisable. These developments include certain changes in departmental organization, the proposed expansion of the program of paramedical studies, proposed changes in the teaching of the basic medical sciences, new concepts in patient care and hospital design, the completion of the Wilbur Smith parking study, and certain preliminary investigations of ways of reducing the University's land acquisition needs in the area.

Arrangements have been made for the proposed restudy by the Office of Campus Planning in cooperation with the College of Medicine and the other colleges concerned and with the assistance of the following consultants as needed:

1. The Firm of Herman Smith, Chicago, Illinois. (Hospital Consultants)

2. Louis F. Karlsberger and Associates, Columbus, Ohio. (Architects)

3. Caudill, Rowlett and Scott, Houston, Texas. (Planning Consultants)

It is recommended that the Board of Trustees approve the restudy of the medical center portion of the campus master plan with the understanding that the fees and expenses of consultants in an amount not to exceed $16,000.00 will be paid from funds now available to the Office of Campus Planning and the College of Medicine.

Upon motion of Mr. Allyn, seconded by Mr. Rairdon, the above recommendation was unanimously approved by roll call vote.
November 15, 1963 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

B. Revision of Rule 29, 2713 (Faculty Advisory Committee to the President and the Board of Trustees) of Rules for the University Faculty

On October 8, 1963 the Faculty Council approved a proposal from the Committee on Rules that the procedure for nominating a person for election to the Faculty Advisory Committee to the President and the Board of Trustees be revised as follows:

Delete the second sentence of Section 2 of Rule 29, 2713 and insert in place thereof the following:

Each faculty member may nominate one member of the University Faculty for membership on the Committee, regardless of the number of vacancies to be filled.

It is therefore recommended that this action of the Faculty Council be approved.

Upon motion of Mr. Bricker, seconded by Mr. Rairdon, the Board of Trustees by unanimous roll call vote approved the above recommendation, and the Secretary was authorized to revise Rule 29, 2713 of Rules for the University Faculty accordingly.

C. Fiftieth Anniversary for the College of Medicine and the College of Dentistry

The Executive Committees of the College of Medicine and the College of Dentistry through the respective Deans have proposed that the year 1964 be officially designated by the Board of Trustees as the Fiftieth Anniversary for these Colleges on The Ohio State University campus. On January 27, 1914 the Board of Trustees approved a resolution establishing the above named Colleges pursuant to an act of the 80th General Assembly of the State of Ohio. The instrument transferring the Starling-Ohio Medical College to The Ohio State University was ratified by the Board of Trustees on March 19, 1914.

It is therefore recommended that the proposal to designate the year 1964 as the Fiftieth Anniversary of the College of Medicine and the College of Dentistry be approved.

Upon motion of Mr. Loop, seconded by Mr. Bricker, the above recommendation was unanimously approved by roll call vote.

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
   The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

       Service, National Institutes of Health, Bethesda 14, Maryland,
       for an Investigation of Tumor Necrotizing Activity of Tuberous
       Begonias (to be known as National Institutes of Health Project
       No. 1338 - Ext. #2 - College of Pharmacy).
       Gross Value - $7,770.00.

       Service, National Institutes of Health, Bethesda 14, Maryland,
       for an Investigation of Pancreatic Hormonal Influence on Gastric
       Secretion (to be known as National Institutes of Health Project
       No. 1344 - Ext. #2 - Department of Surgery).
       Gross Value - $77,174.00.

       Service, National Institutes of Health, Bethesda 14, Maryland,
       for a Cooperative Study of Renovascular Hypertension (to be
       known as National Institutes of Health Project No. 1346 - Ext. #2
       - Department of Surgery).
       Gross Value - $38,046.00.

       Service, Bureau of State Service, Washington 25, D. C., for
       Study of Passenger Health Problems in Jet Air Travel (to be
       known as Bureau of State Service Project No. 1357 - Ext. #2
       - Department of Preventive Medicine).

       Service, Bureau of State Service, Washington 25, D. C., for an
       Investigation of the Use of Benzimidazoles as Food Additives (to
       be known as Bureau of State Service Project No. 1360 - Ext. #2
       - Department of Poultry Science).
       Gross Value - $15,051.00.

       Service, National Institutes of Health, Bethesda 14, Maryland,
       for an Investigation of Experimental Portal Hypertension (to be
       known as National Institutes of Health Project No. 1364 - Ext.
       #2 - Department of Surgery).
       Gross Value - $10,800.00.

   a-27. Headquarters, Aeronautical Systems Division, Wright-Patterson
       Air Force Base, Ohio, for Contributive Research in Thermomechanics
       (to be known as Aeronautical Systems Division Project
       No. 1401 - Sup. #2 - RF Internal Supervision).
       Gross Value - $126,080.00.
November 15, 1963 meeting, Board of Trustees

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and

1. Government Contracts - Federal (continued)

   a-35. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for Studies on Myocardial Metabolism and Contractility (to be known as National Institutes of Health Project No. 1496 - Ext. #1 - Department of Medicine).
   Gross Value - $19,932.00.

   a-36. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for A Phytochemical Study of the Genus Thalictrum (to be known as National Institutes of Health Project No. 1497 - Ext. #1 - College of Pharmacy).
   Gross Value - $12,060.00.

   a-37. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for an Investigation of Origin of Alkaline Phosphatase in Surgical Jaundice (to be known as National Institutes of Health Project No. 1499 - Ext. #1 - Department of Surgery).
   Gross Value - $18,180.00.

   a-38. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for an Investigation of Chemical Reactions of Coordinated Functional Groups (to be known as National Institutes of Health Project No. 1501 - Ext. #1 - Department of Chemistry).
   Gross Value - $22,536.00.

   Gross Value - $21,101.00.

   a-40. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for an Investigation of Modes of "Arousal" and Discrimination Efficiency (to be known as National Institutes of Health Project No. 1504 - Ext. #1 - Department of Psychology).
   Gross Value - $5,624.00.

   a-41. U. S. Army Biological Laboratories, Fort Detrick, Frederick, Maryland, for Salivary Studies on Mosquitoes (to be known as U. S. Army Biological Laboratories Project No. 1510 - Mod. #3 - Department of Zoology and Entomology).
   Gross Value - $10,000.00.
III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and

1. Government Contracts - Federal (continued)

a-42. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for an Investigation of Psycho-physiological Changes Following Septal Damage (to be known as National Institutes of Health Project No. 1517 - Ext. #1 - Department of Psychiatry), Gross Value - $15,202.00.

a-43. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for an Investigation of Effects of Hypothermic Drugs on Behavior (to be known as National Institutes of Health Project No. 1523 - Ext. #1 - College of Pharmacy). Gross Value - $5,904.00.

a-44. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for an Investigation of Operant Conditioning in Retardates (to be known as National Institutes of Health Project No. 1524 - Ext. #1 - Department of Psychiatry). Gross Value - $6,049.00.

a-45. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for an Investigation of Molecular Interactions of Biochemical Interest (to be known as National Institutes of Health Project No. 1539 - Ext. #1 - College of Pharmacy). Gross Value - $6,891.00.

a-46. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for an Investigation of Mechanism of Biosynthesis of Heteropolysaccharides (to be known as National Institutes of Health Project No. 1541 - Ext. #1 - Department of Agricultural Biochemistry). Gross Value - $17,663.00.

a-47. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for an Investigation of Modes of Action of Tetracycline Antibiotics (to be known as National Institutes of Health Project No. 1554 - Ext. #1 - Department of Agricultural Biochemistry). Gross Value - $19,105.00.

a-48. U. S. Army Biological Laboratories, Fort Detrick, Frederick, Maryland, for an Investigation of Mixed Aerosol Infections in Monkeys (to be known as U. S. Army Biological Laboratories Project No. 1576 - Mod. #4 - Department of Medicine). Gross Value - $33,000.00.
November 15, 1963 meeting, Board of Trustees

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

a-49. Headquarters, Electronic Systems Division, AFSC, Laurence G. Hanscom Field, Bedford, Massachusetts, Perform Research on the Spectroscopy of the Far Infrared Region (to be known as Electronic Systems Division Project No. 1577 - Mod. #3 - Department of Physics).
Gross Value - $25,000.00.

Gross Value - $25,608.00.

a-51. Headquarters, Aeronautical Systems Division, Wright-Patterson Air Force Base, Ohio, for Research on the Properties of Electronic and Magnetic Materials at Cryogenic Temperatures (to be known as Aeronautical Systems Division Project No. 1620 - C. O. #2 - Department of Physics).
Gross Value - $23,480.00.

Gross Value - $17,958.00.

a-53. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for an Investigation of Neuro-respiratory Reflexes (to be known as National Institutes of Health Project No. 1627 - Ext. #1 - Department of Psychiatry).
Gross Value - $3,414.00.

a-54. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for an Investigation of Genetic Basis of Behavior Differences (to be known as National Institutes of Health Project No. 1633 - Ext. #1 - Department of Zoology and Entomology).
Gross Value - $17,520.00.

a-55. Headquarters, Aeronautical Systems Division, Wright-Patterson Air Force Base, Ohio, for Intermittent Research Analysis Services in Flight Control (to be known as Aeronautical Systems Division Project No. 1635 - Mod. #1 - RF Internal Supervision).
Gross Value - $29,189.34.

A. The Ohio State University and The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

   a-57. Aeronautical Systems Division, AFSC, Wright-Patterson Air Force Base, Ohio, for Research on Hypersonic Aerothermodynamics Simulation in Rarefied Flows (to be known as Aeronautical Systems Division Project No. 1657 - Mod. #1 - Department of Aeronautical and Astronautical Engineering). Gross Value - $31,394.00.

   a-58. Headquarters, Aeronautical Chart and Information Center, USAF, Second & Arsenal, St. Louis, Missouri, for Collection, Reduction, Processing and Evaluation of Gravity Data (to be known as Aeronautical Chart and Information Center Project No. 1668 - Mod. #2 - Department of Geodetic Science). Gross Value - $74,620.00.

   a-59. Classified Program (to be known as Classified Program Project No. 1675 - C. O. #1 - Department of Electrical Engineering). Gross Value - $124,320.00.

   a-60. National Science Foundation, Washington 25, D. C., for an Investigation of High-Resolution Infrared Spectra of Polyatomic Molecules (to be known as National Science Foundation Project No. 1682 - New - Department of Physics). Gross Value - $43,800.00.

   a-62. National Science Foundation, Washington 25, D. C., for an Investigation of Schiff Bases: Their Metal Complexes and Role in Non-Enzymatic Transamination (to be known as National Science Foundation Project No. 1704 - New - Department of Chemistry). Gross Value - $56,300.00.
III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

   a-63. Headquarters, Aeronautical Systems Division, Wright-Patterson Air Force Base, Ohio, for Research and Development in Aerospace Environmental Physiological Stresses (to be known as Aeronautical Systems Division Project No. 1705 - New - Department of Preventive Medicine).
   Gross Value - $7,628.00.

   a-64. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, for a Survey of Cerebrovisceral Physiology in the USSR (to be known as National Institutes of Health Project No. 1706 - New - Department of Psychiatry).
   Gross Value - $29,340.00.

   a-65. National Science Foundation, Washington 25, D. C., for an Investigation of Thermodynamic Approach to the Strength of Soils (to be known as National Science Foundation Project No. 1707 - New - Department of Civil Engineering).
   Gross Value - $18,800.00.

   a-66. National Science Foundation, Washington 25, D. C., for a Kinetic Examination of Phosphoglucose Isomerase Catalyzed Reaction (to be known as National Science Foundation Project No. 1708 - New - Department of Agricultural Biochemistry).
   Gross Value - $22,000.00.

   a-67. Department of Defense, Office of Civil Defense, Washington, D. C., for Studies of Organizational Functioning in Disaster (to be known as Office of Civil Defense Project No. 1709 - New - Department of Sociology and Anthropology).
   Gross Value - $52,000.00.

   Gross Value - $14,529.00.

   Gross Value - $91,722.00.

A. The Ohio State University and The Ohio State University Research Foundation

2. Industrial and Other Contracts (continued)

a-8. Central Ohio Heart Association, 3416 North High Street, Columbus, Ohio, for an Analysis of the Physiologic Volumes Comprising the Central Venous Volume (to be known as Central Ohio Heart Association Project No. 1728 - New - Department of Veterinary Physiology and Pharmacology). Gross Value - $4,263.00.

a-9. Central Ohio Heart Association, 3416 North High Street, Columbus, Ohio, for an Investigation of Cardiovascular Sounds in the Horse (to be known as Central Ohio Heart Association Project No. 1729 - New - Department of Veterinary Physiology and Pharmacology). Gross Value - $6,346.00.

a-10. Central Ohio Heart Association, 3416 North High Street, Columbus, Ohio, for an Investigation of Receptor Function of Internal Organs in Reflex Regulation of Blood Pressure (to be known as Central Ohio Heart Association Project No. 1730 - New - Department of Psychiatry). Gross Value - $4,373.25.

a-11. Central Ohio Heart Association, 3416 North High Street, Columbus, Ohio, for Angiographic Studies of Cerebral Circulation (to be known as Central Ohio Heart Association Project No. 1731 - New - Department of Surgery). Gross Value - $7,140.00.

a-12. Central Ohio Heart Association, 3416 North High Street, Columbus, Ohio, for an Evaluation of Spatial Magnitude and Spatial Velocity Electrocardiograms in Humans and in Dogs (to be known as Central Ohio Heart Association Project No. 1732 - New - Department of Veterinary Physiology and Pharmacology). Gross Value - $3,365.25.

a-13. Central Ohio Heart Association, 3416 North High Street, Columbus, Ohio, for an Investigation of the Hemodynamic Effects of Potassium in Heart Disease and Normal Subjects (to be known as Central Ohio Heart Association Project No. 1733 - New - Department of Medicine). Gross Value - $5,425.30.

a-14. Central Ohio Heart Association, 3416 North High Street, Columbus, Ohio, for an Investigation of Intrathoracic Phonocardiography and the Indirect Left Atrial Pulse (to be known as Central Ohio Heart Association Project No. 1734 - New - Department of Medicine). Gross Value - $6,158.25.
III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

2. Industrial and Other Contracts (continued)

a-15. Central Ohio Heart Association, 3416 North High Street, Columbus, Ohio, for Control Studies on the Measurement of Hypertension (to be known as Central Ohio Heart Association Project No. 1735 - New - Department of Surgery). Gross Value - $10,500.00.

a-16. Central Ohio Heart Association, 3416 North High Street, Columbus, Ohio, for an Investigation of the Biochemical Basis for the Myocardial Response to Catechol Amines (to be known as Central Ohio Heart Association Project No. 1736 - New - Department of Medicine). Gross Value - $8,111.25.

a-17. Central Ohio Heart Association, 3416 North High Street, Columbus, Ohio, for an Investigation of Cardiovascular System in Hyperthermic Coelosomia (to be known as Central Ohio Heart Association Project No. 1737 - New - Department of Anatomy). Gross Value - $2,310.00.

a-18. Central Ohio Heart Association, 3416 North High Street, Columbus, Ohio, for an Investigation of Digitalis Assay in Man (to be known as Central Ohio Heart Association Project No. 1738 - New - Department of Medicine). Gross Value - $10,530.45.

a-19. Central Ohio Heart Association, 3416 North High Street, Columbus, Ohio, for an Investigation of Total Replacement of the Canine Heart (to be known as Central Ohio Heart Association Project No. 1739 - New - Department of Surgery). Gross Value - $8,715.00.

a-20. Central Ohio Heart Association, 3416 North High Street, Columbus, Ohio, for an Investigation of the Influence of Sympathetic Mediators on the Susceptibility to Cardiac Arrhythmias (to be known as Central Ohio Heart Association Project No. 1740 - New - Department of Physiological Chemistry and Pharmacology). Gross Value - $9,395.00.

a-21. Central Ohio Heart Association, 3416 North High Street, Columbus, Ohio, for an Investigation of Right Ventricular Function in Cor Pulmonale (to be known as Central Ohio Heart Association Project No. 1741 - New - Department of Medicine). Gross Value - $6,085.25.

   Gross Value - $8,400.00.

   Gross Value - $9,700.00.

   a-24. Central Ohio Heart Association, 3416 North High Street, Columbus, Ohio, for a Study of the Hypertensive Potency of Antidiuretic Hormone (to be known as Central Ohio Heart Association Project No. 1754 - New - Department of Surgery). 
   Gross Value - $3,108.00.

TOTAL - Industrial and Other Contracts $170,391.00

The foregoing one hundred and twenty-one contracts for research in cooperation with Government, Industry and Other represent a gross income of $3,800,269.34.

Upon motion of Mr. Allyn, seconded by Mr. Rairdon, the research agreements between The Ohio State University and The Ohio State University Research Foundation for the above contracts were unanimously approved.

B. The Report of the Research Contracts from the Engineering Experiment Station

During the period from September 2, 1963 through October 31, 1963 the Engineering Experiment Station of The Ohio State University entered into the following research contracts. These research contracts are reported to the Board of Trustees for information and record.

1. Government Research Contracts

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

C. Agreement Between the College of Medicine of The Ohio State University and Riverside Methodist Hospital for an Affiliate Teaching Program

To enhance the instructional program for medical students, the Dean of the College of Medicine has proposed that an agreement be executed between the Riverside Methodist Hospital (The White Cross Hospital Association of Ohio) and the College of Medicine of The Ohio State University, whereby medical students in their clinical years will be given an opportunity to gain experiences in the care and treatment of patients at Riverside Methodist Hospital. Thus, the professional staff of Riverside Methodist Hospital will collaborate in the teaching of The Ohio State University medical students in a private hospital. Should such an agreement be approved, it is expected that beginning Winter Quarter 1964 a selected number of junior students of the College of Medicine would spend a portion of their time at Riverside Methodist Hospital. The students would be rotated so that eventually the entire class would have an opportunity to share in this learning experience.

The Board of Trustees of Riverside Methodist Hospital has indicated its willingness to participate in an affiliate teaching program and it is therefore recommended that the President be authorized to sign such an agreement on behalf of the University with the understanding that there is no financial obligation on the part of the University.

Upon motion of Mr. Bricker, seconded by Mr. Loop, the Board of Trustees by unanimous roll call vote authorized the President to sign an agreement between the College of Medicine of The Ohio State University and Riverside Methodist Hospital for an affiliate teaching program.

IV. GRANTS AND GIFTS

The following grants and gifts to the University, including the establishment of certain memorial and scholarship funds, are hereby reported for the record and appropriate expression of appreciation has been conveyed.

A. Administered Through the Office of Business and Finance

1. $21,000.00 granted by the National Science Foundation to the University for support of an "Undergraduate Science Education Program," under the direction of Dean Lloyd M. Parks, College of Pharmacy. This grant terminates August 31, 1965. (Grant GE-2940)

2. $19,400.00 granted by the National Science Foundation to the University for support of an "Undergraduate Science Education Program," under the direction of Professor Paul G. Gassman, Department of Chemistry. This grant terminates August 31, 1965. (Grant GE-2886)
November 15, 1963 meeting, Board of Trustees

IV. GRANTS AND GIFTS (continued)

A. Administered Through the Office of Business and Finance (continued)

3. $18,500.00 granted by the Ford Foundation to the University for legislative internships. This is a payment under a $105,000.00 grant over a five-year period.

4. $11,455.00 granted by the Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, to the University for "Dental Editors' Workshop," under the direction of Mr. George J. Kienzle and Mr. Paul Barton, School of Journalism, for the period April 1, 1964 through March 31, 1965. (Grant DE 02045-01)

TOTAL - Through the Office of Business and Finance $70,355.00

B. Received Through the Development Fund

1. $21,000.00 from The Procter and Gamble Company, Cincinnati, Ohio, for research and fellowships in the College of Dentistry.

2. $11,323.88 from The Lima Chapter of the Northwest Pharmaceutical Association ($5,661.94) and The Lima and Allen County Academy of Medicine ($5,661.94) for the establishment of the Allen County Sabin Scholarship Fund. Of this amount $11,000.00 is to be deposited in the University's Investment Portfolio for the establishment of an endowment fund with the understanding that the income from the said endowment and the sum of $323.88 is to be used for scholarships at the Lima Branch of The Ohio State University.

Allen County Sabin Scholarship Fund

The Allen County Sabin Scholarship Fund was established September 18, 1963 by a gift from The Lima and Allen County Academy of Medicine and The Lima Chapter of the Northwest Ohio Pharmaceutical Association.

The principal is to be invested according to rules and regulations adopted by the Board of Trustees of The Ohio State University with right to invest and reinvest as occasion dictates.

The income is to be used exclusively for scholarships for the payment of tuition only to worthy students from Lima and Allen County, Ohio, who attend the Lima Branch of The Ohio State University.

In the event of the discontinuance of The Ohio State University Branch in Lima or Allen County, Ohio, or the cessation of the need for such scholarships, the entire principal balance of this fund then remaining, plus any income accrued thereon, shall thereupon revert and become payable to the donors.

3. $11,200.00 from the Charles F. Kettering Foundation--$7,200.00 for fellowships in Chemistry and $4,000.00 for the Kettering Co-op Fellowships.
November 15, 1963 meeting, Board of Trustees

B. Received Through the Development Fund (continued)

4. $10,000.00 from The Bremer Foundation, Youngstown, Ohio, for medical research.

5. $9,350.00 from the Trust under the Will of Anna Roessler for scholarships.

6. $8,410.00 from the Trust under the Will of Glenna Joyce for scholarships.

7. $8,400.00 from the Alfred P. Sloan Foundation for scholarships.

8. $8,250.00 from friends, associates, and family of Merle Robert Maffit for the Merle Robert Maffit Memorial Fund. Included in this amount is $2,500.00 from the Yassenoff Foundation, $1,000.00 from the F. & Y. Building Service, Inc., and $1,000.00 from the Ohio Stater Inn, Inc.

Merle Robert Maffit Memorial Fund

The Merle Robert Maffit Memorial Fund was established October 3, 1963 by gifts through the Development Fund from friends, associates and family of Merle Robert Maffit, Engineering W'23, in his memory.

The principal is to be invested according to rules and regulations adopted by the Board of Trustees of The Ohio State University, with right to invest and reinvest as occasion dictates.

The income is to be used for scholarships to students in architecture.

In the event the need for such scholarships ceases to exist or so diminishes as to create unused income, then the Board of Trustees of the University may use said income in its discretion, preference to be given, however, to items in the area of architecture.

9. $5,741.32 from the National Legal Aid and Defender Association for experimental project in education for professional responsibility, College of Law.

10. $5,000.00 from Public Welfare Foundation, Inc. for pediatric research in poison control.

11. $5,000.00 from The General Electric Foundation for the 1963-64 Graduate Research and Study Grant in the field of Chemistry.

12. $4,900.00 from State Farm Mutual Automobile Insurance Company, Bloomington, Illinois, for research in Psychology.

13. $3,500.00 from Goodyear Foundation, Inc., Akron, Ohio, for fellowship in Chemistry.
November 15, 1963 meeting, Board of Trustees

IV. GRANTS AND GIFTS (continued)

B. Received Through the Development Fund (continued)

14. $3,500.00 from friends of George M. Trautman for the George M. Trautman Memorial Fund.

George M. Trautman Memorial Fund

The George M. Trautman Memorial Fund was established September 20, 1963 by gifts through the Development Fund from many friends of George M. Trautman (B.Sc. '14 - Forestry), in his memory.

The principal is to be invested in accordance with rules and regulations adopted by the Board of Trustees of The Ohio State University, with right to invest and reinvest as occasion dictates.

The income is to be used for research in cancer. In the event the need for research on this disease ceases to exist or so diminishes as to create unused income, then said income may be used by the Board of Trustees of The Ohio State University in its discretion for any purpose.

15. $2,500.00 from General Telephone and Electronics Foundation, New York, New York, for a fellowship in the Graduate School.

17. $2,000.00 from The William T. Morris Foundation, Inc., New York, New York, for scholarships in Welding Engineering.

18. $1,200.00 from friends of Michael Peppe for the Michael Peppe Scholarship Fund.

Michael Peppe Scholarship Fund

The Michael Peppe Scholarship Fund was established November 1, 1963 by gifts through the Development Fund in honor of Michael Peppe, Professor Emeritus of Physical Education and Head Swimming Coach from 1930 until his retirement in 1963.

The principal is to be invested by The Ohio State University under rules and regulations adopted by its Board of Trustees, with right to invest and reinvest as occasion dictates.

The income is to be used for scholarships for students who become members of the University swimming or diving teams, upon recommendation of the head swimming coach.

In the event The Ohio State University should not have a swimming or diving team then said income shall be used for scholarships for any needy students at The Ohio State University to be awarded by the University Scholarship Committee or the constituted authority for awarding scholarships at the University.
IV. GRANTS AND GIFTS (continued)

B. Received Through the Development Fund (continued)

18. Michael Peppe Scholarship Fund (continued)

In case the need for the use of the income as above outlined ceases to exist or so diminishes as to create unused income, then the Board of Trustees of The Ohio State University may use said income at its discretion for any purpose.

19. $1,139.83 from family and friends of Benjamin T. Brooks for the Benjamin T. Brooks Memorial Fund.

Benjamin T. Brooks Memorial Fund

The Benjamin T. Brooks Memorial Fund was established September 16, 1963 by gifts through the Development Fund in memory of Benjamin T. Brooks, B.A. '06, from his widow, Mrs. Benjamin T. Brooks, his daughter, Mrs. Joseph J. Hickey, his sons, William B. Brooks, Robert O. Brooks, Benjamin T. Brooks, Jr., and many friends.

The principal and any additional contributions shall be kept as a permanent fund to be invested in the University's investment portfolio under rules and regulations adopted by the Board of Trustees of The Ohio State University, with right to invest and reinvest as occasion dictates.

The income is to be used for acquisitions to the Department of Chemistry Library including such books, texts, journals, magazines or documents as may be determined by those in charge of said Library. At the end of any fiscal year in which there is a balance in income remaining, this balance shall be credited to the principal.

In the event the need for acquisitions to the Department of Chemistry Library shall cease to exist or so diminish as to create unused income, then the Board of Trustees of the University may use said income and/or excess principal, for any purpose in its discretion, preference to be given, however, to items in the field of Chemistry.

20. $1,036.18 from Josephine S. Failer, Columbus, Ohio, for a program of continuing education for women.

21. $1,000.00 from Jack S. Resler for The John B. Fullen Scholarship Fund.

The John B. Fullen Scholarship Fund

The John B. Fullen Scholarship Fund was established October 3, 1963 by a gift through the Development Fund by Jack S. Resler, B.Sc. '25, in honor of John B. Fullen, B.Sc. '25 - Journalism.

The principal is to be invested according to rules and regulations adopted by the Board of Trustees of The Ohio State University with right to invest and reinvest as occasion dictates.
November 15, 1963 meeting, Board of Trustees

IV. GRANTS AND GIFTS (continued)

B. Received Through the Development Fund (continued)

21. The John B. Fullen Scholarship Fund (continued)

The income is to be used to provide scholarship assistance for students majoring in Journalism.

In the event the need for such scholarships ceases to exist or so diminishes as to create unused income, then the Board of Trustees of the University may use said income in its discretion, preference to be given, however, to items in the area of Journalism.

22. $1,000.00 from the Guernsey County Cancer Society, Cambridge, Ohio, for research in surgery.

23. $850.00 in securities (Stock Certificate No. 040830 for 50 shares common stock, West Ohio Gas Company) from Julius F. Solomon to be added to the Solomon Family Memorial Fund. These securities are listed at their mean market price as of September 18, 1963.

V. APPROPRIATIONS AND TRANSFER OF FUNDS

A. Appropriations for the Development of Research Projects

At the request of the Vice President for Research, and with the concurrence of the Vice President for Business and Finance and the Cabinet, it is recommended that the following amounts be appropriated from the University Treasurer Research Subaccounts as designated, for the projects named:

$25,000.00 to match monies from the Atomic Energy Commission for the Van de Graaff Accelerator program. The total AEC grant for 1963-64 is $173,709.00 and the matching amount as part of the University's commitment agreed to in the proposal is $25,000.00.

Subaccount (f)
V. APPROPRIATIONS AND TRANSFER OF FUNDS (continued)

A. Appropriations for the Development of Research Projects (continued)

$12,000.00 to remodel Room 138, Welding Engineering, for ultrasonic research. No additional space is available so existing space must be modernized or contract research will be greatly curtailed and/or eventually eliminated.

Subaccount (b)

$5,500.00 to complete remodeling of McPherson Laboratory, Room 136, of the Department of Chemistry.

Subaccount (b)

$4,125.00 to the College of Veterinary Medicine to match college funds for the purchase of a scintillation spectrometer to be used in the clinical diagnostic laboratory on a wide variety of research projects.

Subaccount (a)

$1,000.00 to renovate a research laboratory in the Department of Zoology for use in carrying out investigations on mosquito biology.

Upon motion of Mr. Rairdon, seconded by Mr. Allyn, the above recommendation for appropriation of funds was unanimously approved by roll call vote.

B. Production of University Film

On September 8, 1961 the Board of Trustees approved the appropriation of $10,000.00 for production of the University film by the Department of Photography in consultation with the Office of University Relations.

Upon the recommendation of Mr. Frederick Stecker, Executive Director, University Relations, and with the concurrence of the President's Cabinet, it is recommended that an amount not to exceed $5,100.00 be appropriated from the University Treasurer General Fund for the University film, "Crisis and the University," to complete all work and to provide for distribution of prints of the film.

Upon motion of Mr. Bricker, seconded by Mr. Allyn, the Board of Trustees by unanimous roll call vote approved the allocation of funds recommended above.

VI. EXTRA AND CREDIT ORDERS AND EXTENSIONS OF TIME TO CONTRACTS

A. At the request of the Council on Business Affairs, with the concurrence of the Cabinet and in accordance with the memorandum sent to members of the Board of Trustees on October 18, 1963, the following Extra Order to Contract as outlined below has been processed in the normal University manner:
VI. EXTRA AND CREDIT ORDERS AND EXTENSIONS OF TIME TO CONTRACTS
(continued)

A. (continued)

1. Repair and Resurface Sidewalks on Campus

It is recommended that additional excavation and stone fill be provided on the site of the sidewalks which are being replaced between Page Hall and the Museum and between the Physics Building and McPherson Laboratory. When the brick walks were removed, it was found that the foundation was not adequate for a satisfactory new walk.

Funds are available in the Maintenance Account 200, H. B. 711.

Upon motion of Mr. Loop, seconded by Mr. Rairdon, the above action was unanimously ratified upon roll call vote.

B. At the request of the Council on Business Affairs, and with the concurrence of the Cabinet, it is recommended that the Extra and Credit Orders and Extensions of Time to Contracts as outlined below be approved by the Board of Trustees and submitted to the Director of Finance, State of Ohio, for approval and allocation of funds as indicated.

1. Student Housing, Buildings 4, 5 and 6

Plumbing Contract

It is recommended that the following changes be made:

a. Provide 4" cast iron cleanout tees with cleanout plugs with countersunk nuts, installed slightly above grade and fitted into cast iron soil pipe hubs in lieu of offset downspout boot castings specified. Deduct $204.00.

b. Omit 185 vents for floor drains in student bathrooms. These vents are not required in the new State Plumbing Code. Deduct $740.00.

c. In order to prevent a gas leak from getting into the heating conduit, double wrap the gas line with pressure sensitive plastic tape for 4 ft. each side of the heating conduit and install a 6 ft. length of a half section 10" pipe over the gas line where it passes under the heating conduit. Add $30.79. Net credit $913.21

Funds will be returned to the Dormitory Construction Fund.
November 15, 1963 meeting, Board of Trustees

VI. EXTRA AND CREDIT ORDERS AND EXTENSIONS OF TIME TO CONTRACTS
(continued)

B. (continued)

2. Research Space - East Side of Stadium (Phase II)

**Electrical Contract**

It is recommended that an electrical fire alarm system be provided for the research space which is composed of many small rooms. **Add $934.00**

Funds will be provided from Budget Account 91020 - Research Space East Side of Stadium (Phase II).

3. **Student Housing, Building No. 12**

**Plumbing Contract**

It is recommended that Powers Regulator Company 'Hydroguard' thermostatic valves, complete with built-in shut-off valves, liquid filled thermostatic elements and poppet-type mixing valves be provided in lieu of two handle compression valve stops for showers. **Credit $2,951.00**

Funds will be returned to the Dormitory Construction Fund.

4. **Repairs to Steam Lines and Heating Systems in Four Buildings**

It is recommended that an extension of time for completion of contract be granted to the Limbach Company from September 20 to November 1, 1963, because of a delay in the receipt of materials for the project.

5. **Starling Loving Hall, Rehabilitate Room M-100**

**Heating, Ventilating and Air Conditioning Contract**

It is recommended that an extension of time for completion of contract be granted to the Huffman-Wolfe Co. from November 18, 1963 to January 15, 1964 since delivery of the air handling unit, the chiller and the condenser has been delayed until the middle of December. This room will be available for use by November 18 and the installation of the equipment at a later date in another part of the building will not interfere with the use of this room.
VI. EXTRA AND CREDIT ORDERS AND EXTENSIONS OF TIME TO CONTRACTS
(continued)

B. (continued)

6. Miami University - Ohio State University Dayton Campus, Phase I

Electrical Contract

It is recommended that the following changes be made in the I-T-E Switchboard:

   a. Provide 3 high interrupting capacity secondary circuit breakers.

   b. Eliminate the main secondary circuit breaker. Deduct $1,509.00

Funds will be returned to the account established for the Miami University - Ohio State University Dayton Campus, Phase I, Budget Account 91017.

Upon motion of Mr. Loop, seconded by Mr. Rairdon, the above recommendation was unanimously approved by roll call vote.

VII. PLANS AND SPECIFICATIONS

A. With the approval of the Council on Business Affairs, the concurrence of the Cabinet, and in accordance with the memorandum sent to members of the Board of Trustees on October 18, 1963, the following plans and specifications have been signed by the Secretary and Vice President Carson has requested bids in the normal University manner. If satisfactory bids are received, the award of contracts will be made and all action regarding this matter shall be reported to the Board at a later meeting.

1. Installation of Air Conditioning in Rooms 012, 022, and 024, Dentistry Building

Funds for this project will be provided from the College of Dentistry Improvement Budget No. 12504 and the Dental Clinic Rotary 18160.

2. Repair of Contagious Wing Incinerator, University Hospital

Funds will be provided from the University Hospital Rotary for this project.

Upon motion of Mr. Bricker, seconded by Mr. Allyn, the above action was unanimously ratified by roll call vote.
November 15, 1963 meeting, Board of Trustees

VII. PLANS AND SPECIFICATIONS (continued)

B. With the approval of the Council on Business Affairs, and with the concurrence of the Cabinet, it is recommended that the plans and specifications, bills of materials and estimates of cost for the following projects be approved by the Board of Trustees:

1. University Hospital, Repairs to Rooms 473, 476, 478, 479 and N729
   Funds for this project will be provided from the University Hospital Rotary.

2. Repair to Lobby and Corridors, Dentistry Building
   Funds for this project will be provided from Budget Account 12350, Contract Repairs.

3. Installation of Air Conditioning in Rooms 174, 196A, 196F, 296G and 296H, McPherson Laboratory
   Funds for this project will be provided from Department 2355, Budget Account 18503 and then rebilled to six research accounts.

4. Repairs in Room 154, Health Center Research Laboratory (Wiseman Hall)
   Funds for this project will be provided from the University Hospital Rotary and Rotary 19185 Medical Research.

Upon motion of Mr. Allyn, seconded by Mr. Bricker, the above recommendation was unanimously approved by roll call vote, and the Secretary was authorized and directed to sign the plans and specifications for the above projects for and on behalf of the Board of Trustees. Vice President Carson was directed to proceed with a request for bids in the normal University manner and if satisfactory bids are received, to proceed with the award of contracts. All action regarding this matter shall be reported to the Board of Trustees at a later meeting.

B. Dining Facility - Northwest

It is recommended that the engineering firm of W. E. Monks, Columbus,
Ohio, be employed to provide complete professional engineering services
for heating, ventilating and air conditioning, plumbing and electrical work
for the above project, including design, preparation of drawings, speci-
fications and estimate of cost and complete field supervision of construction.

The fee for this service will be 4 1/2 per cent of the cost of the mechanical
contracts or an estimated $26,100.00. Funds will be provided from
Dormitory Construction Account.

Upon motion of Mr. Allyn, seconded by Mr. Loop, the above recommendation
was unanimously approved by roll call vote.

C. Dining Facility - Northwest

It is recommended that the engineering firm of Fling & Eeman, Inc.,
Columbus, Ohio, be employed to provide professional engineering services
for the structural system, including design calculations, drawings, speci-
fications, estimate of cost, checking shop drawings, and consultation and
supervision during construction on unusual or unexpected problems.

The fee for this service will be 1 per cent of the cost of the General
Contract or an estimated $6,300.00. Funds will be provided from
Dormitory Construction Account.

Upon motion of Mr. Rairdon, seconded by Mr. Allyn, the above recommendation
was unanimously approved by roll call vote.

D. Power of Attorney - Customs

April 14, 1961, relative to the Power of Attorney - Customs, be rescinded
and the following recommendation for authorization be approved:

That Gordon B. Carson, Vice President, Business and Finance;
Joseph F. Medley, Director of Purchases; and Clinton V. Oster,
Controller, The Ohio State University, or any one of them, be
and hereby are authorized and empowered to transact any and
all business The Ohio State University may have with any Custom
House in the United States of America, to make declarations to
entries of merchandise imported by said University, to endorse
bills of lading and to sign all bonds in the name of said University.
X. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE (continued)

D. Power of Attorney - Customs (continued)

as required by law or the regulations of the Collector of Customs or Treasury Department; to secure the duties on importations made by said University; and also in the name of said University to execute and deliver any and all bonds of indemnity to the Collector of Customs for the production of endorsed bills of lading, and that a copy of this resolution be sealed with the seal of said University.

Upon motion of Mr. Rairdon, seconded by Mr. Allyn, the above recommendation was unanimously approved by roll call vote.

E. Purchase of Buildings and Property, Seven Lots, Montgomery and McGee Addition, Marvine Addition and Thompson Northwood Heights Addition

It is recommended that the Vice President, Business and Finance, be authorized to proceed with the purchase of the following property from Civic Realty Company at a price of $2,450.00:

Being Lots #137 and 139, Montgomery and McGee Addition; #166, 167, 168 and 169, Marvine Reserve A Addition; and #186, Thompson Northwood Heights Addition, City of Columbus, County of Franklin, State of Ohio.

Funds are available in the University Treasurer General Fund, Account 19999.

Upon motion of Mr. Dargusch, seconded by Mr. Ketterer, the above recommendation was unanimously approved by roll call vote.

F. Right-of-Way Agreement, Lakeholm Farm, The Ohio Fuel Gas Company

The Ohio Fuel Gas Company has requested permission to construct a 10-inch gas line on lands in Knox County held by the Board of Trustees of The Ohio State University, commonly known as Lakeholm Farm. The gas line will serve the City of Mount Vernon but the University will have the right to purchase gas from said line for use on its property.

It is recommended that the Vice President, Business and Finance, be authorized to sign a right-of-way agreement with The Ohio Fuel Gas Company on behalf of the Board of Trustees for the purpose stated above.

Upon motion of Mr. Jones, seconded by Mr. Ketterer, the above recommendation was unanimously approved by roll call vote.

XI. RESOLUTIONS IN MEMORIAM

President Fawcett reported to the Board the death of Albert Edwin Avey, Professor Emeritus of Philosophy, and Charles Reuel Sutton, Professor of Architecture and Landscape Architecture; and, in accordance with the instructions of the Board of Trustees, copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board have been furnished the families of the deceased.

A. Albert Edwin Avey

The Board of Trustees expresses its sorrow at the death on September 25, 1963 of Albert Edwin Avey, Professor Emeritus of Philosophy.

Dr. Avey was born on May 29, 1896 in Hannibal, Missouri. He received his A.B. degree from Yale University in 1908 and from the same institution he received the A.M. degree in 1909 and the Ph.D. degree in 1915. He taught philosophy at The Ohio State University, as Assistant Professor and Professor, from 1917 to 1954, serving from 1941 to 1952 as Chairman of the Department. During his period of teaching at The Ohio State University, he was Visiting Professor at the University of Pittsburgh, Atlanta University, and Florida State University. After his retirement he taught as Visiting Professor at Pierce College (in Greece), Cottey College, and the College of Wooster. Death came as he was commencing a year as Visiting Professor at Denison University.

Dr. Avey was a member of the Governor's Commission on Democracy in 1941 and, in 1951, was president of the Western Division of the American Philosophical Association. He held membership in various nationally important educational, religious, and social organizations, as well as Phi Beta Kappa and other honorary scholastic societies. On the campus of The Ohio State University, he was highly influential in promoting constructive curricular changes and progressive interdenominational religious programs.

Dr. Avey was widely esteemed for the profundity and authenticity of his eight scholarly books and his many learned articles. As an expert in the Socratic method of teaching, he stimulated in both undergraduate and graduate students a critical individual reflection and a creative group discussion. He was a sympathetic and understanding counselor of students and colleagues. He was the first Ohio State professor to do extensive research and teaching in Oriental culture.

Dr. Avey's own philosophy was universal in its scope and logical in its structure. The Platonic ideal, that wisdom and virtue are interdependent, indispensable features of excellent, effective living, became alive in the magnanimous life of Professor Avey.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.
XI. RESOLUTIONS IN MEMORIAM (continued)

B. Charles Reuel Sutton

The Board of Trustees expresses its sorrow at the death on September 13, 1963 of Charles Reuel Sutton, Professor of Architecture and Landscape Architecture.

Professor Sutton was born March 8, 1900 in Grand Ridge, Illinois, and received his Bachelor of Science degree in Architectural Engineering in 1921 from the University of Illinois. In 1926 he also received a Bachelor of Science degree, with honors, in Landscape Architecture from the University of Illinois. He was a fellow in Landscape Architecture at the American Academy in Rome from 1929 to 1932. Having discovered Landscape Architecture to be his chosen field, he devoted his lifetime to the profession.

Professor Sutton joined the faculty at The Ohio State University in 1932 as an Assistant Professor, was promoted to Associate Professor in 1937, and to Professor in 1951. For over 30 years he conducted a limited, private practice in Landscape Architecture in Columbus, Ohio, and Old Saybrook, Connecticut, and in 1951 he was made a Fellow of the American Society of Landscape Architects.

Professor Sutton held membership in the Board of Managers of the Columbus Gallery of Fine Arts, the American Society of Planning Officials, the American Planning and Civic Association, the Highway Research Board, and the American Society of Landscape Architects. He was a long-time member of the First Congregational Church in Columbus, Ohio. He was also a member of Alpha Rho Chi, Tau Sigma Delta, Faculty Club, University Club, University Golf Club, Crichton Club, and "41" Club.

His 31 years of teaching and service to the University and service to the community were marked by an inspired devotion to excellence in the professional training of his students and to the promotion of Landscape Architecture as a professional field of endeavor. His teaching was greatly enriched by the fact that he read widely, travelled extensively, and knew first hand the sites he described so vividly in his classroom discussions.

In cooperation with the Ohio Department of Highways, he established in 1941 the annual Ohio Roadside Short Course, which is recognized today as a major medium of exchange of ideas in the increasingly important area of roadside development. The Short Course has today an international reputation.

Everyone who knew Charles Reuel Sutton--students, alumni, faculty, and his many friends--feel deeply the loss. He was in his own right a fine example of an educated professional man whose completed works brought enjoyment of outdoor spaces to many and who brought to his teaching the thoughtful experiences of a lifetime devoted to the improvement of man's physical environment.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.
XII. REPORTS

A. Reports from the Finance and Investment Committee

1. Central Food Facility

Mr. Allyn, a member of the Finance and Investment Committee, presented the following resolution:

WHEREAS, in order to obtain needed food service facilities, the University proposes to cause to be organized under the laws of Ohio a non-profit corporation to be known as "The Ohio State University Food Service Corporation" (herein called the "Corporation") with the initial trustees consisting of the Chairman of the Board of Trustees, the President of the University and the Vice President, Business and Finance, of the University, with broad powers including power to acquire, operate, lease, sell or otherwise act with respect to the facility or facilities to be used to render food service to any portions of the University and with such restrictions on powers and other terms and provisions as counsel shall deem necessary in order to exempt from federal income taxes interest on obligations of the Corporation and otherwise to qualify the Corporation as organized for charitable, benevolent or educational purposes; and

WHEREAS, the leasing of premises located at 1315 Kinnear Road, Columbus, Ohio, by the Corporation to provide by lease or otherwise food service facilities to the University has been proposed; and

WHEREAS, said food service building would be used to provide food services to the dormitory facilities of the University and its student union; and

WHEREAS, the Board of Trustees is authorized under Section 3345.07 and 3345.11 of the Revised Code of Ohio to lease such facility, and to pay rental therefor from the sources provided in such sections including revenues of its dormitory facilities under said Section 3345.07 and from the revenues of its student activity centers and student activity fees charged and paid for such purpose under said Section 3345.11; and

WHEREAS, said premises are presently owned by certain trusts administered by Seymour B. Durst, Royal H. Durst and Robert D. Steeful, under certain Trust Indentures dated as of December 31, 1962 (hereinafter called the "Landlords"), and are presently leased to Mohasco Industries, Inc. (hereinafter called the "Tenant") for a term commencing June 16, 1954 and ending July 31, 1984; and

WHEREAS, the Landlords with the agreement of the Tenant propose to lease the premises to the Corporation under an agreement whereby the Corporation would take from the Tenant an assignment of its lease and would assume the lease of the Tenant, with amendments, all as provided in Assignment of Lease marked as Exhibit A-2 and the agreement providing for amendment of the lease and marked as Exhibit A-1, which are filed with the official records of the Board of Trustees; and
WHEREAS, the University proposes to sublet the said premises from the Corporation under sublease, proposed form of which is marked as Exhibit B and filed with the official records of the Board of Trustees, under which sublease the University is required to perform its obligations only from dormitory, dining hall and union revenues and student fees that can lawfully be used for such purpose.

WHEREAS, it has been determined that such food service warehouse is necessary to the efficient operation of the dormitory facilities and student union, and that the leasing thereof is legally and economically feasible on the terms provided in said Exhibits A-1 and A-2;

NOW, THEREFORE, BE IT RESOLVED, by the Board of Trustees of The Ohio State University, as follows:

Section 1. The organization of the Corporation and the agreement marked as Exhibit A-2 and Exhibit A-1, which are filed with the official records of the Board of Trustees, are hereby in all respects approved, and the President and Vice President, Business and Finance, and each of them are authorized to take any action which they deem advisable to effect such organization and to cause the execution of such agreements in substantially the form heretofore approved, with such changes and modifications as may be agreed to by the President or Vice President, Business and Finance with the advice of counsel, and not unfavorable to the University.

Section 2. The sublease in proposed form marked as Exhibit B and filed with the official records of the Board of Trustees is hereby approved and the President and the Vice President, Business and Finance, and each of them, are authorized to execute, acknowledge and deliver said sublease in substantially said form with such changes and modifications as may be agreed to by the officer executing the same with the advice of counsel and not unfavorable to the University.

Section 3. The President and the Vice President, Business and Finance, and each of them are authorized by purchase of bonds or notes, or by loans or advances to the Corporation from funds lawfully available for these purposes to provide funds to the Corporation for necessary improvement to the leased premises, for exercise of the option provided in the lease as amended or to carry out the terms of the lease as amended.

Section 4. The President and the Vice President, Business and Finance, and each of them are authorized to take any and all action which they may deem advisable to carry out the foregoing or the terms of the instruments approved pursuant to Sections 1 and 2 above as changed in accordance with said sections.

Upon motion of Mr. Allyn, seconded by Mr. Loop, the above resolution was adopted by a seven to one vote with Mr. Frederick E. Jones voting negatively.
A. Reports from the Finance and Investment Committee (continued)

2. Investment Portfolio

The reports of the University’s Investment Portfolio dated September 30, 1963 and October 31, 1963 were presented to the Board of Trustees. The Secretary was instructed to file a copy of each report with the official records of the Board of Trustees.

3. Accountant’s Report on the University Dormitory Revenue Bond Funds

The Accountant’s Report on The Ohio State University Dormitory Revenue Bond Funds, including the financial statements of June 30, 1963, submitted by Peat, Marwick, Mitchell & Co., was received and ordered to be filed with the official records of the Board of Trustees.

B. Annual Report for the Engineering Experiment Station

Mr. Mount reported that the Annual Report for the Engineering Experiment Station has been received. A copy of this report will be mailed to each member of the Board of Trustees and a copy of the report will be filed with the official records of the Board of Trustees.

C. Report on Highlights of University Activities

In concluding the meeting, President Fawcett reviewed some of the highlights of the University activities during the past two months. The report, which is filed with the official records of the Secretary, included some figures from the U. S. Office of Education which showed that Ohio State ranked sixth in number of Ph.D. degrees awarded in fields important to the national security and welfare. Of all doctorates granted by 208 U. S. institutions, Ohio State ranked ninth. The President further reported that enrollment at Ohio State for Autumn Quarter 1963 was 33,284, which was an increase of 9 per cent over last fall’s total. The President commended Frederick Stecker, Executive Director for University Relations, who acted as Co-Chairman of United Appeals for Franklin County, for his part in assisting the campaign in exceeding the goal and reported that Ohio State’s faculty and staff led the Education Division, pledging 118 per cent of their goal.

D. Citation Presented to Thomas F. Patton, Chairman of Citizens for Ohio’s Future ($250 Million Bond Issue)

President Fawcett presented a citation to Mr. Thomas F. Patton on behalf of the state universities, the municipal universities, and community colleges of Ohio. The citation carried the personal signature of the president of each of the state universities, the municipal universities, Youngstown University, and Cuyahoga Community College and read as follows:
D. Citation Presented to Thomas F. Patton, Chairman of Citizens for Ohio's Future ($250 Million Bond Issue) (continued)

THOMAS F. PATTON

In grateful appreciation

for the immeasurable contribution you have made to public higher education in Ohio and to the total advancement of the state. Your leadership as Chairman of Citizens for Ohio's Future has kept open the way to higher education for Ohio's youth and thereby has strengthened that vital bond which links education inseparably with our American way of life.

Whereupon Mr. John W. Bricker offered the following resolution and moved that it be included in the minutes of this meeting:

BE IT RESOLVED, that The Ohio State University Board of Trustees commends highly the dedicated and effective leadership of Thomas F. Patton in the promotion and successful passage of "State Issue No. 1"—a matter vital to future educational opportunity for Ohio's young people and to the cultural and economic growth of the State. Under the able guidance of this distinguished leader, Citizens for Ohio's Future, as well as other important groups, achieved a firm consensus and commitment from the voters that demonstrated clearly the strong and continuing faith of the people in the values of higher education. The members of the Board of Trustees concur unanimously with the spirit and substance of the citation awarded to Thomas F. Patton by the presidents of Ohio's public institutions of higher education.

Mr. Allyn seconded the motion and the above resolution was adopted by unanimous vote.

Mr. Patton responded graciously in accepting the citation by indicating that he did so on behalf of the Board of Trustees, public officials, faculty, students, and alumni who participated so effectively in the campaign for the passage of the bond issue. He expressed his personal gratitude for the wonderful job well done by the people who had the best interests of the youth of the State of Ohio at heart. The support given to the bond issue demonstrates very clearly that the voters of Ohio are mindful of the needs of education.

XIII. COMMITTEE APPOINTMENTS - 1963-64

The Chairman announced the appointment of new members of the Board to the following standing committees for 1963-64:

FINANCE AND INVESTMENT

Frederick E. Jones

RETIREMENT AND INSURANCE

John G. Ketterer

Thereupon the Board adjourned to meet Friday, December 13, 1963, at The Ohio State University, Columbus, Ohio, at ten o'clock.

Attest:

John T. Mount
Secretary

Thomas F. Patton
Chairman
The Board of Trustees met at its regular monthly meeting on Friday, December 13, 1963, at The Ohio State University, Columbus, Ohio, pursuant to adjournment.

Present: Thomas F. Patton, Chairman, Alan B. Loop, Jacob E. Davis, Stanley C. Allyn, John W. Bricker, Carlton S. Dargusch, John G. Ketterer, and Frederick E. Jones.

Minutes of the last meeting were approved.
President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Revision of Rule 29.2705 - Rules for the University Faculty

Upon the recommendation of the Library Council, the Faculty Council on November 19, 1963 recommended that Rule 29.2705 be revised as follows to add the Vice President for Research to the membership of the Library Council and to correct the title of the Vice President for Instruction and Dean of Faculties:

That each reference in Rule 29.2705 to the title, Vice President, Instruction and Research, be changed to the title, Vice President for Instruction and Dean of Faculties; that the title, Vice President for Research, be inserted in Section 1 of 29.2705 immediately prior to the title, Dean of the Graduate School; and that the new title, so inserted, be separated from the other titles by the use of semicolons.

It is therefore recommended that this action of the Faculty Council be approved.

Upon motion of Mr. Allyn, seconded by Mr. Loop, the above recommendation was unanimously approved by roll call vote, and the Secretary was authorized to revise Rule 29.2705 of Rules for the University Faculty accordingly.

B. Degrees Conferred - Autumn Quarter Commencement Convocation

It is recommended that degrees be conferred at the Autumn Quarter Commencement Convocation on December 20, 1963 to those students who have completed requirements for their respective degrees and are recommended by the Faculty Council. The names of those awarded degrees will be included in the minutes of this meeting. (See Appendix V, page 243.)

Upon motion of Mr. Bricker, seconded by Mr. Loop, the above recommendation was unanimously approved by roll call vote.

C. Proposal to Offer the Doctor of Philosophy Degree in Slavic Languages and Literatures

For many years this University has offered instruction in the Russian language. With the recognition that Russian is now one of the major languages of the world, that it is specified as a top priority language by the National Defense Education Act, and that the need for persons educated in its use is acute, several years ago The Ohio State University decided to expand its resources and programs in this field.
December 13, 1963 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

C. Proposal to Offer the Doctor of Philosophy Degree in Slavic Languages and Literatures (continued)

In 1961-62, with an enlarged staff and an expansion in pertinent library holdings, an undergraduate major program in Slavic Languages and Literatures was instituted. This was followed in 1962-63, after the addition of necessary graduate level courses, by a program leading to the M.A. degree; similarly, after the addition of appropriate specialists to certain social science departments and further expansion of library holdings, this year the University is able to offer a certificate program in Russian Area Studies at the advanced graduate level.

As faculty, course offerings, and library resources have continued to increase, the University is ready to offer in 1964-65 a Ph.D. degree program in Slavic Languages and Literatures. With its present resources, this final addition will enable The Ohio State University to offer a complete series of curricular opportunities at all levels of instruction in this vital area. No other college or university in Ohio offers such a complete program.

This proposal has been studied and approved by the following prior to submission to the Board of Trustees: Curriculum Committee, College of Arts and Sciences; Ad Hoc Committee, Graduate Council; Graduate School Curriculum Committee; and Council on Instruction.

The Faculty Council on November 19, 1963 approved the recommendation of the Council on Instruction that The Ohio State University grant the Doctor of Philosophy degree in Slavic Languages and Literatures.

It is therefore recommended that this action be approved by the Board of Trustees and, pursuant to Section 3333.04 Revised Code of Ohio, be forwarded to the Ohio Board of Regents. This action is to become effective at the beginning of the 1964-65 academic year, subject to the approval of the Board of Regents.

Upon motion of Mr. Allyn, seconded by Mr. Bricker, the above recommendation was unanimously approved by roll call vote.

D. Proposal to Offer the Doctor of Optometry Degree

The present instructional program in Optometry, leading to the degree Bachelor of Science in Optometry, dates back to 1915 when a four-year curriculum in applied optics was approved at The Ohio State University. In 1946-47 this program was altered to provide for a two-year pre-professional and a three-year professional curriculum. For the graduate students in the field of optometric research (physiological optics) the University has offered the degrees Master of Science since 1938 and Doctor of Philosophy since 1942.
I. GENERAL RECOMMENDATIONS (continued)

D. Proposal to Offer the Doctor of Optometry Degree (continued)

For many years the faculty of the School of Optometry have been leaders in education and research in optometry. Several have national and international reputations in recognition of this leadership. During the academic year 1958-59 the faculty of the School of Optometry proposed that the education of optometrists be strengthened and lengthened by instituting a six-year program leading to the degree Doctor of Optometry. The curriculum was revised, new courses were added, the faculty was strengthened, and excellent physical facilities were provided during the succeeding years as the proposal for the new degree was studied at the college, graduate, and University levels.

The proposal to offer the degree Doctor of Optometry was approved by the Faculty Council at its November 19, 1963 meeting. On the basis of its present faculty, curricular and physical resources, the University is now ready to offer this degree.

It is, therefore, recommended that this action be approved by the Board of Trustees and, pursuant to Section 3333.04 Revised Code of Ohio, be forwarded to the Ohio Board of Regents. This action is to become effective for students entering the School of Optometry Autumn Quarter 1964, subject to the approval of the Board of Regents.

Upon motion of Mr. Davis, seconded by Mr. Bricker, the above recommendation was unanimously approved by roll call vote.

E. Authorization to Proceed with Capital Improvements Program from Funds Appropriated by the 105th General Assembly--Amended Senate Bill No. 370

Pursuant to Amended Senate Bill No. 370, none of the foregoing appropriations shall be expended until recommended for release by the Ohio Board of Regents and released by the Controlling Board. It is, therefore, recommended that the Board of Trustees approve the above listed capital improvement projects for The Ohio State University. It is further recommended that in accordance with the Act the President be authorized to proceed immediately with the necessary action to secure an early release of the funds, and that the appropriate administrative officers of the University be instructed to proceed immediately with the implementation of the plans for construction of the facilities at the earliest possible date.

Upon motion of Mr. Davis, seconded by Mr. Allyn, the above recommendation was unanimously approved by roll call vote.

President Fawcett then made the following statement relating to the distribution of the remaining portion of the funds designated for higher education from the $250 million bond issue:

It has been publicly announced that the Governor's policy is one that will adhere to the commitments made during the course of the promotion of the campaign for the passage of the $250 million bond issue--$175 million for higher education. It is clear now that the 105th General Assembly changed the policy somewhat in authorizing allocations to those institutions outside the framework of the state universities different from those allocations recommended by the Board of Regents. The General Assembly authorized the appropriation in 1964-65 of all of the funds which are to be made available to the non-state university institutions from the bond issue.

When the 105th General Assembly took the action to appropriate the full share to the outside agencies--outside the six state universities and the Ohio Agricultural Experiment Station--it became imperative that a public announcement be made on the policy of the state government on the distribution of the total amount of money for higher education. An amount of $103,112,900 was appropriated by the General Assembly in December 1963, leaving only $71,887,100 to be appropriated for higher education for the 1965-67 biennium.
I. GENERAL RECOMMENDATIONS (continued)

E. Authorization to Proceed with Capital Improvements Program from Funds Appropriated by the 105th General Assembly--Amended Senate Bill No. 370 (continued)

We had been informed that the formula that would be used for the distribution of the $140,000,000 that had been promised to the six state universities would lead to allocations in the same proportion as the appropriation authorized by the 105th General Assembly for operation of the state universities. Under this formula, Ohio State would receive slightly more than 53 per cent.

Therefore, it was on this basis that the Governor and the Director of Finance announced an allocation of the remaining funds for higher education, subject to the approval of the Board of Regents and the 106th General Assembly. The full share to Ohio State as indicated in the Governor's announcement is $71,441,000 with $26,652,900 having been appropriated for the projects identified in the foregoing recommendation that has just been approved by this Board. Therefore, The Ohio State University is scheduled to receive an additional amount of $44,788,100 if it receives favorable action by the Board of Regents and the Legislature. If the Board of Trustees concurs, we will proceed immediately with the Board of Regents to develop the necessary plans and documentary material to support the request for the funds as committed by the Governor and the Director of Finance.

Chairman Patton stated that the allocation of funds for Ohio State is justifiable and greatly needed if the University is to fulfill its obligation to serve the needs of higher education. He urged that the administrative officials of the University take every proper step to secure the funds as committed.

Upon motion of Mr. Dargusch, seconded by Mr. Davis, the Board of Trustees by unanimous approval instructed the administrative officers of the University to proceed immediately with the necessary action to secure the support of the Board of Regents and General Assembly of Ohio for the funds which have been recommended for appropriation to The Ohio State University by the Governor of Ohio.

F. Revision of Don Scott Field Master Plan

In order to expedite the extension of the main runway at Don Scott Field, the President recommended that the Master Plan approved by the Board of Trustees on May 17, 1963 be amended by removing therefrom the T-Hangars shown along the north side of Case Road.

Upon motion of Mr. Bricker, seconded by Mr. Davis, the above recommendation was unanimously approved by roll call vote.

II. PERSONNEL CHANGES

It is recommended that all personnel changes since the November 15, 1963 meeting of this Board, as recorded in the official "Salary Roll" of the University, be approved by the Board. These changes include the following Appointments, Changes in Administrative Titles, Leaves of Absence With Salary and Emeritus Title:

A. Appointments

Jackson W. Riddle, Associate Dean (part time - 50%), College of Arts and Sciences, effective January 1, 1964. Dr. Riddle will continue as Associate to the Vice President for Instruction and Dean of Faculties (part time - 50%), at a total salary of $17,472.00 per annum.

Robert C. Little, Professor and Chairman, Department of Physiology, effective April 1, 1964, at a salary of $22,968.00 per annum.

B. Changes in Administrative Titles

John A. Prior from Associate Dean and Secretary, College of Medicine, to Associate Dean, College of Medicine, effective January 1, 1964, at no change in salary.

Lloyd R. Evans from Assistant Dean, College of Medicine, to Assistant Dean and Secretary, College of Medicine, effective January 1, 1964, at no change in salary.

William C. Dew, from Professor and Secretary, College of Dentistry, to Professor, Assistant Dean and Secretary, College of Dentistry, effective January 1, 1964, at no change in salary.

C. Leaves of Absence With Salary

In accordance with the policy approved by the Board of Trustees on April 12, 1954, the following-named persons are recommended for Leaves of Absence With Salary from the Agricultural Extension Service for the period indicated:

Charles M. Perry, Instructor (County Extension Agent, Agriculture) Perry County, January 1, 1964 through March 15, 1964, to study at The Ohio State University.

James D. Wells, Instructor (County Extension Agent, Agriculture) Brown County, January 1, 1964 through March 15, 1964, to study at The Ohio State University.

Edwin E. Zorn, Instructor (County Extension Agent, 4-H) Warren County, January 1, 1964 through March 15, 1964, to study at The Ohio State University.
December 13, 1963 meeting, Board of Trustees

II. PERSONNEL CHANGES (continued)

D. Emeritus Title

Francis I. Bell, Agricultural Extension Service, with the title Instructor (County Extension Agent, Agriculture) Emeritus, effective February 1, 1964.

Upon motion of Mr. Loop, seconded by Mr. Ketterer, the Appointments, Changes in Administrative Titles, Leaves of Absence With Salary, Emeritus Title, and the personnel changes recorded in the official "Salary Roll" of the University were unanimously approved by roll call vote, and the Secretary was instructed to file these changes in the "Salary Roll" with the official documents of the University.

III. GENERAL CONTRACTS AND AGREEMENTS

A. The Ohio State University and The Ohio State University Research Foundation

In accordance with the Memorandum of Agreement between The Ohio State University and The Ohio State University Research Foundation approved by this Board on September 5, 1950, it is recommended that the research agreements for the following projects administered through the Research Foundation be approved and recorded in the minutes of this meeting.

1. Government Contracts - Federal
   b. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of the Heterogeneity of Deoxyribonucleic Acids (DNA) (to be known as National Institutes of Health Project No. 1048 - Ext. #4 - Department of Chemistry). Gross Value - $17,856.00.
   c. Rome Air Development Center, Research and Technology Division, AFSC, Griffiss AFB, New York, for High Gain Antenna Realization and Tracking Study (to be known as Rome Air Development Center Project No. 1072 - Sup. #11 - Department of Electrical Engineering). Gross Value - $250,000.00.
   d. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for An Investigation of Dental Writing (to be known as National Institutes of Health Project No. 1169 - Ext. #3 - School of Journalism). Gross Value - $22,390.00.
III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
   The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

   e. Department of Health, Education and Welfare, Public Health Service,
      National Institutes of Health, Bethesda, Maryland, for Clinical
      Research Center (to be known as National Institutes of Health
      Project No. 1196 - Ext. #3 - Department of Medicine).
      Gross Value - $397,707.00.

   f. Agency for International Development, Washington, D. C., for
      Preparing and Conducting Series of Training Courses in Funda-
      ments of Supply Management for Foreign Nationals (to be known
      as Agency for International Development Project No. 1221 -
      Amend. #2 - Defense Management Center).
      Gross Value - $11,755.00.

   g. Department of Health, Education and Welfare, Public Health Service,
      National Institutes of Health, Bethesda, Maryland, for Cooperative
      Study of Renovascular Hypertension (to be known as National
      Institutes of Health Project No. 1346 - Amended Ext. #2 - Depart-
      ment of Surgery).
      Gross Value - $1,702.00.

   h. Department of Health, Education and Welfare, Public Health Service,
      National Institutes of Health, Bethesda, Maryland, for an Investi-
      gation of Exchange Protolysis of Molecules in Solution (to be known
      as National Institutes of Health Project No. 1383 - Ext. #2 - Depart-
      ment of Chemistry).
      Gross Value - $19,453.00.

   i. National Aeronautics and Space Administration, Washington, D. C.,
      for Theoretical and Experimental Analysis of the Electromagnetic
      Scattering and Radiative Properties of Terrain, with Emphasis on
      Lunar-like Surfaces (to be known as National Aeronautics and Space
      Administration Project No. 1388 - Sup. #2 - Department of Electrical
      Engineering).
      Gross Value - $100,000.00.

      South Cass Avenue, Argonne, Illinois, for an Investigation of
      Kinetics of Ionizing-Radiation Induced Reactions in Organic Com-
      pounds (to be known as U. S. Atomic Energy Commission Project
      No. 1398 - Mod. #2 - Department of Chemistry).
      Gross Value - $25,113.00.

   k. Department of Health, Education and Welfare, Public Health Service,
      National Institutes of Health, Bethesda, Maryland, for Hemodynamic
      Studies (to be known as National Institutes of Health Project No.
      1408 - Ext. #2 - Department of Physiology).
      Gross Value - $10,200.00.
III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
   The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

   l. Aerospace Medical Division, AF Systems Command, P. O. Box
      35448, Brooks AFB, Texas, for an Investigation of Visual
      Recovery from Brief Exposures to Very High Luminance Levels
      (to be known as Aerospace Medical Division Project No. 1467 -
      Sup. #6 - School of Optometry).
      Gross Value - $4,500.00.

   m. Department of Health, Education and Welfare, Public Health Service,
      National Institutes of Health, Bethesda, Maryland, for an Investi-
      gation of Mechanism of Thyroid Hormone Action (to be known as
      National Institutes of Health Project No. 1516 - Ext. #2 - Depart-
      ment of Agricultural Biochemistry).
      Gross Value - $10,200.00.

   n. Department of Health, Education and Welfare, Public Health Service,
      National Institutes of Health, Bethesda, Maryland, for an Investigation
      of Lipid Metabolism: Absorption and Transport (to be known as
      National Institutes of Health Project No. 1518 - Ext. #1 - Depart-
      ment of Physiological Chemistry).
      Gross Value - $19,530.00.

   o. U. S. Navy Purchasing Office, 929 South Broadway, P. O. Box
      5090 Metropolitan Station, Los Angeles, California, for a Study
      Program Related to Shipboard Antenna System Environment (to be
      known as U. S. Navy Purchasing Office Project No. 1522 - Mod,
      #3 - Department of Electrical Engineering).
      Gross Value - $60,000.00.

   p. Systems Engineering Group, Research and Technology Division,
      WPAFB, Ohio, for an Investigation of Interdiffusion in Metallic
      Single Crystals (to be known as Systems Engineering Group Project
      No. 1561 - Sup. #2 - Department of Metallurgical Engineering).
      Gross Value - $32,133.00.

   q. Aeronautical Systems Division, Wright-Patterson Air Force Base,
      Ohio, for Research on Techniques for Integration of Active Elements
      into Antennas and Antenna Structure (to be known as Aeronautical
      Systems Division Project No. 1566 - Sup. #2 - Department of
      Electrical Engineering).
      Gross Value - $119,999.00.

   r. Department of Health, Education and Welfare, Public Health Service,
      National Institutes of Health, Bethesda, Maryland, for an Investi-
      gation of Anabolic Control in Normal and Neoplastic Tissues (to be
      known as National Institutes of Health Project No. 1571 - Ext. #1 -
      Department of Agricultural Biochemistry).
      Gross Value - $15,651.00.
December 13, 1963 meeting, Board of Trustees

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

s. Department of Health, Education and Welfare, Public Health Service,
National Institutes of Health, Bethesda, Maryland, for an Investi-
gation of Postmortem Survival of Fetal Liver (to be known as National
Institutes of Health Project No. 1578 - Ext. #1 - Children's Hospital).
Gross Value - $26,735.00.

t. Department of Health, Education and Welfare, Public Health Service,
National Institutes of Health, Bethesda, Maryland, for an Investi-
gation of the Nature of Conditioned Renal Responses (to be known
as National Institutes of Health Project No. 1628 - Ext. #1 - Depart-
ment of Psychiatry).
Gross Value - $30,300.00.

u. Aeronautical Systems Division, Wright-Patterson Air Force Base,
Ohio, for Intermittent Research Analysis Services in Flight Control
(to be known as Aeronautical Systems Division Project No. 1635 -
Sup. #2 - RF Internal Supervision).
Gross Value - $25,000.00.

v. U. S. Army Biological Laboratories, Fort Detrick, Frederick,
Maryland, for Investigations of the Nutritional Requirements for
the Growth of Insect Tissues (to be known as U. S. Army Biological
Laboratories Project No. 1684 - Mod. #1 - Department of Zoology
and Entomology).
Gross Value - $25,000.00.

w. Department of Health, Education and Welfare, Public Health Service,
National Institutes of Health, Bethesda, Maryland, for an Investi-
gation of Salt and Water in Connective Tissue Swelling (to be known
as National Institutes of Health Project No. 1715 - Ext. #1 - Depart-
ment of Physiology).
Gross Value - $7,860.00.

x. Air Force Institute of Technology, Air University, USAF, Wright-
Patterson Air Force Base, Ohio, for Research and Services to
Revise and Present Courses of Instruction in the School of Systems
and Logistics (to be known as Air Force Institute of Technology
Project No. 1717 - Sup. #1 - Defense Management Center).
Gross Value - $790.00.

y. National Science Foundation, Washington, D. C., for Nuclear
Structure Research with a 5.5 MeV Electrostatic Accelerator (to
be known as National Science Foundation Project No. 1743 - New -
Department of Physics).
Gross Value - $182,800.00.
December 13, 1963 meeting, Board of Trustees

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

z. Research and Development Procurement Office, U. S. Army Engineer Research and Development Laboratories, Fort Belvoir, Virginia, for Investigation Into the Problems of Relative Orientation in Stereo-Aerial Photogrammetry (to be known as Research and Development Procurement Office Project No. 1761 - New - Department of Geodetic Science).
Gross Value - $3,996.00.

aa. National Science Foundation, Washington, D. C., for an Investigation of Turbulent Motion and Mixing (to be known as National Science Foundation Project No. 1762 - New - Department of Chemical Engineering).
Gross Value - $31,700.00.

Gross Value - $6,500.00.

cc. Electronic Systems Division, AFSC, Laurence G. Hanscom Field, Bedford, Massachusetts, for Research Directed Toward the Determination of Absolute F-Values (to be known as Electronic Systems Division Project No. 1764 - New - Department of Astronomy).
Gross Value - $12,500.00.

TOTAL - Government Contracts - Federal $1,495,576.00

2. Industrial and Other Contract

a. Health Research, Inc., Roswell Park Division, 666 Elm Street, Buffalo, New York, for Breast Adjuvant Study (to be known as Health Research, Inc. Project No. 1569 - Check #18514 - Department of Surgery).
Gross Value - $1,500.00.

The foregoing thirty contracts for research in cooperation with Government, Industry and Other represent a gross income of $1,497,076.00.

Upon motion of Mr. Allyn, seconded by Mr. Jones, the research agreements between The Ohio State University and The Ohio State University Research Foundation for the above contracts were unanimously approved.
December 13, 1963 meeting, Board of Trustees

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

B. The Report of the Research Contracts from the Engineering Experiment Station

During the period from November 1, 1963 through November 30, 1963 the Engineering Experiment Station of The Ohio State University entered into the following research contracts. These research contracts are reported to the Board of Trustees for information and record.

1. Government Research Contract

   EES 239 Development of a Strength Design Method for Asphaltic Concrete, Ohio Department of Highways, Columbus, Ohio, Bureau of Public Roads, Washington, D. C. Gross Value - $58,200.00.

2. Industrial Research Contract

The foregoing two contracts for research in the Engineering Experiment Station represent a gross income of $76,200.00.

C. Agreement Between The Ohio State University and the Agency for International Development for Technical Assistance to the University of Sao Paulo, Brazil

The Ohio State University through its College of Agriculture and Home Economics has been invited to provide technical assistance to the College of Agriculture of the University of Sao Paulo, a state-supported university, as part of the program administered by the Agency for International Development (AID) of the United States Department of State. The request is for The Ohio State University to provide advice and assistance to the College of Agriculture of the University of Sao Paulo to further the integration of teaching, research, and extension in the pattern of the United States Land-Grant System and to assist the research and extension agencies to enable them to better serve the agricultural needs of the State of Sao Paulo and other areas of Brazil as mutually agreed upon.

A pre-contract survey team representing the Office of the President and the Dean of the College of Agriculture and Home Economics, after an on-site inspection of facilities and consultation with representatives of the United States Department of State, the University of Sao Paulo, public officials of the State of Sao Paulo, and the Brazilian Government, has proposed that the University negotiate a contract with the Agency for International Development for the purposes set forth above.
December 13, 1963 meeting, Board of Trustees

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

C. Agreement Between The Ohio State University and the Agency for International Development for Technical Assistance to the University of Sao Paulo, Brazil (continued)

It is therefore recommended that the President be authorized to sign a contract on behalf of The Ohio State University in which the University agrees to assist in performing the services indicated above with the understanding that all costs for this program are to be covered by funds from the Agency for International Development. The total value of the contract proposed is $965,000.00 for the initial two-year period.

Upon motion of Mr. Davis, seconded by Mr. Loop, the Board of Trustees by unanimous roll call vote authorized the President to sign a contract between The Ohio State University and AID for technical assistance to the University of Sao Paulo, Brazil.

IV. GRANTS AND GIFTS

The following grants and gifts to the University, including the establishment of certain endowment funds, are hereby reported for the record and appropriate expressions of appreciation have been conveyed.

A. Administered Through the Office of Business and Finance

1. $270,700.00 granted by the National Science Foundation to the University for support of an "Academic Year Institute in Science and Mathematics for Secondary School and College Teachers of Science and Mathematics," under the direction of Professor John S. Richardson, Department of Education. This grant terminates on or about September 30, 1965. (Grant GE-3388)

2. $33,933.00 from the W. K. Kellogg Foundation for support of the Medical Dietetics Program of the College of Medicine, for the period October 1, 1963 through September 30, 1964.

3. $12,204.00 granted by the Department of Health, Education and Welfare, Office of Vocational Rehabilitation, Washington 25, D. C., to the University for a "Teaching Grant in Medical Sociology," under the direction of Professor Saad Z. Nagi, Department of Sociology and Anthropology, for the period December 1, 1963 through August 31, 1964. (Grant VRA 473-T-64)

4. $9,504.00 from The Population Council of The Rockefeller Institute for support of a study "Clinical and Laboratory Evaluation of the Intrauterine Coil," under the direction of Professor Nichols Vorys, Department of Obstetrics and Gynecology, for the period November 1, 1963 through October 31, 1964.
December 13, 1963 meeting, Board of Trustees

IV. GRANTS AND GIFTS (continued)

A. Administered Through the Office of Business and Finance (continued)

5. $600.00 additional grant from the Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, to the University for a "Teaching Grant and Traineeships in Speech Pathology and Audiology," under the direction of Dr. Bernard B. Schlanger, Department of Speech, for the period September 1, 1963 through August 31, 1964. (Grant VRA 22-T-64)

TOTAL - Through the Office of Business and Finance $326,941.00

B. Received Through the Development Fund

1. $20,150.00 from General Motors Corporation for undergraduate scholarships.

2. $13,762.50 in securities (300 shares of Gulf Oil Corporation common stock) from Mr. Everett D. Reese for The Gilbert A., J. Calvin and Everett D. Reese Fund. These securities are listed at their mean market price as of November 13, 1963.

The Gilbert A., J. Calvin and Everett D. Reese Fund

The Gilbert A., J. Calvin and Everett D. Reese Fund was established November 13, 1963 by a gift through the Development Fund from Everett D. Reese, B.Sc. Business Administration '19.

The principal is to be invested under rules and regulations adopted by the Board of Trustees of The Ohio State University, with right to invest and reinvest as occasion dictates.

The use of the income is to be determined by Everett D. Reese during his lifetime, or by his designee after his decease, as long as the use is for an appropriate University purpose. After the decease of said Everett D. Reese and after the decease or expiration of the term of the designee, if one be appointed, the income is to be expended on order of the Board of Trustees of The Ohio State University, upon recommendation of the Board of Directors of The Ohio State University Development Fund. It is requested that a preference be given to loans or scholarships.

3. $10,000.00 in securities (160 shares Buckeye Union Casualty Company stock) from Mrs. Frederick E. Jones to be credited to the Virginia Kelsey Jones Fund.

4. $5,000.00 from Eli Lilly and Company, Indianapolis, Indiana, for research in infectious diseases under the direction of Dr. Samuel Saslaw.

5. $5,000.00 from Smith, Kline and French Laboratories, Philadelphia, Pennsylvania, for research in Chemistry under the direction of Dr. Michael P. Cava.
IV. GRANTS AND GIFTS (continued)

B. Received Through the Development Fund (continued)

6. $5,000.00 from The Ohio National Bank Trust Department representing a bequest under Item 11 of the Will of Grace M. Bareis for the Grace M. Bareis Memorial Fund.

Grace M. Bareis Memorial Fund

The Grace M. Bareis Memorial Fund was established November 19, 1963 by a bequest under Item 11 of the Last Will and Testament of Grace M. Bareis.

The principal is to be invested under rules and regulations adopted by the Trustees of The Ohio State University with right to invest and reinvest as occasion dictates.

The income is to be used each year for the purpose of assisting some student, preferably a woman student, specializing in mathematics. In the event that said award is not made in any year, the interest on said fund shall accumulate and such accumulated interest shall be used for such purpose.

7. $4,400.00 from the Columbus Foundation, Columbus, Ohio, for research in child development by the Department of Pediatrics.

8. $2,500.00 from Hoffman-LaRoche, Inc., Nutley, New Jersey, for research in Obstetrics under the direction of Dr. Nicholas J. Teteris.

9. $1,300.00 from Medical Research Consultants, Inc., Columbus, Ohio, for research in the Department of Obstetrics.

10. $1,230.00 from Mark L. Morris Animal Foundation, Denver, Colorado, for research in Veterinary Medicine under the direction of Dr. R. W. Redding.

11. $1,000.00 from Lawrence and Lee Educational Foundation, Inc., Beverly Hills, California, for American Playwrights Theatre Project.

12. $1,000.00 from Clay Drain Tile Manufacturers, Inc., Glanford, Ohio, for scholarships.

TOTAL - Received Through the Development Fund $70,342.50

Upon motion of Mr. Bricker, seconded by Mr. Ketterer, the above report of grants and gifts, including the establishment of certain endowment funds, was unanimously accepted, and the Secretary was instructed to include the report in the minutes of this meeting.
December 13, 1963 meeting, Board of Trustees

V. APPROPRIATIONS AND TRANSFER OF FUNDS

A. Appropriations for the Development of Research Projects

At the request of the Vice President for Research, and with the concurrence of the Vice President for Business and Finance and the Cabinet, it is recommended that the following amounts be appropriated from the University Treasurer Research Subaccounts as designated, for the projects named:

- $8,000.00 to the College of Medicine, Office of Radiation Safety, to match college funds for a multi-channel analyzer to be used as a rapid special analysis and detector instrument for the Office of Radiation Safety as well as a research instrument in the Department of Radiology
  - Subaccount (a)

- $7,000.00 to the College of Pharmacy to match college funds for renovation and installation of new equipment in Room 6 of the Pharmacy and Bacteriology Building so that the room may be converted into a research laboratory
  - Subaccount (c)

Upon motion of Mr. Davis, seconded by Mr. Loop, the above recommendation for appropriation of funds was unanimously approved by roll call vote.

B. Numerical Computation Laboratory

The operation of the Numerical Computation Laboratory requires support in addition to that forthcoming from appropriated funds and from the income of the Laboratory. This support is primarily required due to use of the Laboratory in non-sponsored research activities.
V. APPROPRIATIONS AND TRANSFER OF FUNDS (continued)

B. Numerical Computation Laboratory (continued)

It is therefore proposed to meet these expenses for the academic year 1963-64 as follows:

1. An amount not to exceed $25,000.00 to be appropriated from the military portion of the Mershon Fund.

2. An amount not to exceed $100,000.00 to be appropriated from University Treasurer Research Subaccount (f).

At the request of the Vice President for Research and with the concurrence of the Cabinet, it is recommended that the above proposal be approved.

Upon motion of Mr. Allyn, seconded by Mr. Bricker, the above recommendation for appropriation of funds was unanimously approved by roll call vote.

VI. EXTRA ORDERS TO CONTRACTS

At the request of the Council on Business Affairs, and with the concurrence of the Cabinet, it is recommended that the Extra Orders to Contracts as outlined below be approved by the Board of Trustees and submitted to the Director of Finance, State of Ohio, for approval and allocation of funds as indicated in each case.

A. Research Space - East Side of Stadium (Phase II, Personnel Research Board)

Heating, Ventilating and Air Conditioning Contract

It is recommended that a second air cooled condenser be furnished and installed to take care of future third floor. Add $2,022.00

Funds will be provided from Budget Account 19916, H. B. 711.

B. Dining Facility South (Bradford Commons)

Plumbing Contract

It is recommended that the following changes be made:

1. Omit the moving of the existing fire hydrant from the sidewalk along 12th Avenue. Deduct $40.00.
VI. EXTRA ORDERS TO CONTRACTS (continued)

B. Dining Facility South (Bradford Commons) (continued)

Plumbing Contract (continued)

2. Omit cold water connections for ice makers and provide cold water connections for a new ice maker in a different location; omit 3 mixing faucets and traps and wastes for two sinks and provide one wall mounted mixing faucet at each of these two locations. Deduct $36.00.

3. Provide a storage tank with recirculating lines and a circulating pump, connected to the instantaneous converters for the 190° water system for the dishwasher and pot and pan washer. Add $1,113.00. Net Extra $1,037.00

Funds will be provided from Dormitory Construction Funds.

Upon motion of Mr. Davis, seconded by Mr. Ketterer, the above recommendation was unanimously approved by roll call vote.

* *

VII. PLANS AND SPECIFICATIONS

With the approval of the Council on Business Affairs, and with the concurrence of the Cabinet, it is recommended that the plans and specifications, bills of materials and estimates of cost for the following projects be approved by the Board of Trustees:

A. McPherson Laboratory - Window Repairs

Replace original steel sash in 1923 section of the building with new aluminum double hung windows including new marble sills and plaster repairs at window heads and jambs.

Funds will be provided from Department 2355, Budget Account 12350, Maintenance Account, H. B. 711.

B. University Hospital - Renovation of Seven Areas (Phase I, Rehabilitation of Pharmacy--Rooms 368 and 377, Modification of Waiting Room #N-1009)

Redesign pharmacy facilities for combined inpatient and outpatient dispensing in Room 368 and all compounding of prescriptions in Room 377. Remodel existing patient waiting area to provide both a waiting room and small reception office.

Funds for this project will be provided from the University Hospital Rotary.
VII. PLANS AND SPECIFICATIONS (continued)

C. Starling Loving Window Repairs

Replace twenty-three casement windows in west face of "M" Wing (1924 construction) with new double-hung aluminum windows.

Funds for this project will be provided from Department 2355, Budget Account 12350, Maintenance Account, H. B. 711.

D. Improvements to Fifth Avenue Dam Across the Olentangy River Between Fifth and King Avenues

To raise the crest of the existing Fifth Avenue Dam located across the Olentangy River eighteen inches and to make minor repairs to the existing spillway, apron and abutments. The increased pool capacity will benefit the University power and heating facilities.

Funds for this project will be provided from proceeds of Issue No. 1 as appropriated by the 105th General Assembly.

E. Repair of Electrical Distribution and Lighting in Botany and Zoology Building, Derby Hall, Hamilton Hall, Page Hall and Stillman Hall

Increasing and replacing the electrical wiring in the buildings in order to change the lighting fixtures from incandescent to fluorescent thereby increasing the foot-candles of light from 5 or 10 to 30 or 35. This work is being done in areas which are primarily used for classrooms, laboratories and other rooms where large numbers of students assemble.

Funds will be provided for this project from Department 2355, Budget Account 12350, Maintenance Account, H. B. 711.

Upon motion of Mr. Davis, seconded by Mr. Loop, the above recommendation was unanimously approved by roll call vote, and the Secretary was authorized and directed to sign the plans and specifications for the above projects for and on behalf of the Board of Trustees. Vice President Carson was directed to proceed with a request for bids in the normal University manner and if satisfactory bids are received, to proceed with the award of contracts. All action regarding this matter will be reported to the Board of Trustees at a later meeting.

X. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE

A. Special Policeman Commission

At the request of the Vice President, Business and Finance, it is recommended that George Edward Nance be designated as Special Policeman pursuant to the provisions of Section 3345.04 of the Revised Code of Ohio; and that in further compliance with the provisions of said section, the Board of Trustees require Mr. Nance, as well as any other employee of this institution designated as Special Policeman, to take the oath of office and give bond to the State of Ohio in an amount no less than One Thousand Dollars ($1,000.00) prior to assuming the duties of Special Policeman.

Upon motion of Mr. Davis, seconded by Mr. Loop, the above recommendation was unanimously approved by roll call vote.

B. Purchase of Buildings and Property, 90 West 10th Avenue

It is recommended that the Vice President, Business and Finance, be authorized to proceed with the purchase of the following property from Delta Sigma Delta House Corporation at a price of $33,000.00:

Property known as 90 West 10th Avenue, being Lots #32 and 33 of College Place Addition, City of Columbus, County of Franklin, State of Ohio.

Funds are available from proceeds of the Bond Issue.

Upon motion of Mr. Jones, seconded by Mr. Ketterer, the above recommendation was unanimously approved by roll call vote.
XI. RESOLUTIONS IN MEMORIAM

President Fawcett reported to the Board the death of Sheldon C. Robertson, Assistant Professor Emeritus of the Romance Language Department; John Franklin Lyman, Professor Emeritus of Agricultural Biochemistry; and Dan Harrison Eikenberry, Professor Emeritus of Education; and, in accordance with the instructions of the Board of Trustees, copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board have been furnished the families of the deceased.

A. Sheldon C. Robertson

The Board of Trustees expresses its sorrow at the death on October 1, 1963 of Sheldon C. Robertson, Assistant Professor Emeritus of the Romance Language Department.

Professor Robertson was born in Richwood, Ohio, August 20, 1904. He obtained his B.A. degree in 1927 at The Ohio State University. He attended the University of Berlin in 1931 and spent the following year at the University of Nancy in France. He also studied in Mexico and Spain. Before returning to Ohio State he taught for several years at Oakwood High School in Dayton. He returned to Ohio State where he received his M.A. degree in 1937. Until the time of his retirement in 1961, he taught both French and Spanish in the Department of Romance Languages.

He was a dedicated teacher and organized a widely acclaimed radio course in Spanish. During the war he was in charge of Spanish instruction for the Army Student's Training Corps.

Professor Robertson was an outdoorsman; a naturalist who was particularly interested in the geography and culture of Northern Quebec. He continued his study of languages after his retirement, including his most recent study of the Cree Indian language.

Professor Robertson was a man of great physical and moral strength, but perhaps his outstanding characteristic was his gentleness. He will be missed by a host of friends and students.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

B. John Franklin Lyman

The Board of Trustees expresses its sorrow at the death on November 19, 1963 of John Franklin Lyman, Professor Emeritus of Agricultural Biochemistry.

Professor Lyman was born on February 20, 1881 at Mesopotamia, Ohio. Following the earning of his Bachelor of Science degree at the University of Massachusetts in 1905, he was appointed Assistant in the Department of Agricultural Chemistry at The Ohio State University. In 1906 he became Assistant in Biology at Yale University, where he became a student of
XI. RESOLUTIONS IN MEMORIAM (continued)

B. John Franklin Lyman (continued)

Professor Lafayette B. Mendel, who probably contributed more to development of modern biochemistry than any other American scholar. Dr. Lyman returned to The Ohio State University in 1909 as Associate Professor and in 1915 succeeded Dean Alfred Vivian as Professor and Chairman of the Department of Agricultural Chemistry (later Agricultural Biochemistry)--a post he held until 1948 when he relinquished the Chairmanship. Professor Lyman continued his teaching until 1951 when he became Professor Emeritus.

Professor Lyman was a leader in investigations on metabolism of purines, fats and calcium and was recognized as an outstanding nutritionist. He became well known for his research in the chemistry of milk in relation to its use by the human infant. This research laid much of the early foundation for the modern development of the modification of cow's milk to assure optimum nutrition of the human infant. He held memberships in the American Society of Biological Chemists and the American Chemical Society for over fifty years. He also was a member of the Society for Experimental Biology and Medicine. He was a charter member of the American Institute of Nutrition and the Institute of Food Technologists.

During his long tenure at this University, he served well on many important committees and councils, never losing sight of the scholarly mission of the University. He was instrumental in bringing to Ohio State the great importance of the field of nutrition to the general welfare of man and was an organizer of the Institute of Nutrition and Food Technology.

With all of Professor Lyman's professional contributions, he was best known as a teacher of great modesty and warmth, who always had the welfare of his students and colleagues at heart. He was a man truly loved and admired by his students, associates and friends, for his life was so devoted to serving others.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

C. Dan Harrison Eikenberry

The Board of Trustees expresses its sorrow at the death on November 30, 1963 of Dan Harrison Eikenberry, Professor Emeritus of Education.

Dr. Eikenberry was born on December 14, 1888, in Howard County, Indiana. He received the A.B. degree in 1911 and the M.A. degree in 1915 from Indiana University. Teachers College, Columbia University, awarded him the Ph.D. degree in 1924.

He had a distinguished career as an educator both in public school and college. His public school teaching experience was in Indiana where he was a high school teacher and principal at Fairmount from 1911-1914; a high school teacher at Muncie, 1914-1916; and a high school principal at Mishawaka, 1916-1917, and at Crawfordsville, 1919-1921.
December 13, 1963 meeting, Board of Trustees

XI. RESOLUTIONS IN MEMORIAM (continued)

C. Dan Harrison Eikenberry (continued)

During his career as a college and university educator, he was an instructor in the summer sessions of 1920 and 1921 at Indiana University; Assistant Professor of Education at Rutgers University, 1922-1924; and Associate Professor of Education, 1924-1925, and Professor, 1925-1927, at the University of Missouri.

In 1927 Dr. Eikenberry came to The Ohio State University where he served as Professor of School Administration until 1933. From 1933 until his retirement in 1959, he was Professor of Education, during which time he was Chairman of the Department of Education from 1942-1948.

Dan Harrison Eikenberry has been responsible for the improvement of educational programs in many parts of this Nation. His great energy and his deep concern for high standards, for thoroughness, for accuracy, and for the development and use of basic criteria in attacking problems of education have been balanced by his wisdom in human relations. These qualities, expressed through his professional contacts with thousands of teachers and educational administrators, have made his influence widely felt.

He gave much of his time and energy to extensive service beyond his classroom teaching. He counseled several state departments of education. He was a member of the Commission on Secondary Schools of the North Central Association of Colleges and Secondary Schools and chairman of its Ohio State Committee. He led a survey of Chicago high schools and was chairman of the Ohio Committee on Co-operative Secondary School Standards.

For many years Professor Eikenberry has been a national leader in exploring the needs and possibilities for education beyond the high school. Reports of his studies and those of his students on this subject are now used throughout the country by educators in creating post-high school programs to care for the Nation's expanding educational needs.

In recognition of Professor Eikenberry's distinguished career as a nationally recognized leader in the field of education, able and effective administrator, and his significant contributions to The Ohio State University, he was awarded the University's Distinguished Service Award at the August 1963 Commencement.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

RECIPIENTS OF HONORS

ROBERT BINGHAM DOWNS
DOCTOR OF HUMANE LETTERS

Distinguished and creative leader in research librarianship,
noted author, tireless advocate of library cooperation

Robert Bingham Downs, dean of library administration and director of
the Graduate School of Library Science at the University of Illinois, has
made one of the greatest contributions to the advancement of domestic
and world scholarship of any living librarian. He has devoted unceasing
effort to the preparation of significant bibliographies and other works indi-
cating important sources of research library materials and, by his example,
has encouraged others to do the same. Realizing that no research library
can be sufficient unto itself, he has worked continuously and effectively to
further the spirit and the reality of cooperation among academic and re-
search libraries in order better to support scholarship on a global basis.

Born in North Carolina, Robert B. Downs received the bachelor's degree
from the University of North Carolina and the bachelor's and master's
degrees in library science from Columbia University. He has served with
distinction as the librarian of Colby College, the University of North Caro-
lina, and New York University. In 1943 when he was appointed director
of the Library and the Library School at the University of Illinois, the
institution already had an excellent collection exceeding 1,800,000 volumes.
Under Professor Downs' able leadership this library today contains a mag-
nificent collection in excess of 3,650,000 volumes, ranking it the largest
among state universities, the third largest university collection in the United
States, and one of the truly great libraries of the world.

Robert Downs has published four books dealing with the resources and
locations of American research materials, a book of humor in collaboration
with Mrs. Downs, three volumes devoted to the effects of books on the devel-
opment of civilization, one on the status of academic librarians, and has
authored numerous articles for periodicals and books. His Books That
Changed the World has been translated into Japanese, Korean, Indonesian,
Spanish, and Bengali.

In addition to his activities in a number of scholarly societies, Dean
Downs has made many and substantial contributions to research librar-
ianship.

At the peak of his career after more than forty years of distinguished
service in which he has made an indelible impression upon national and
world scholarship, Professor Downs may look backward with satisfaction
and forward with anticipation to rich years of vigorous service and effective
leadership to the library profession.
CLARENCE DEWEY LAYLIN
DOCTOR OF LAWS

Brilliant lawyer, effective public servant, inspiring teacher, outstanding Christian layman

Clarence Dewey Laylin, born four score and one years ago in Norwalk, Ohio, is thoroughly Ohioan not only by birth but in formal education, in public service, in church and community leadership, and in the practice of his chosen profession. His life is a success story in the best American tradition—a man highly respected among his professional fellows, beloved by his legion of friends, esteemed by his community, and adored by his family.

Following graduation from The Ohio State University College of Law and admission to the Bar of Ohio in 1906, Mr. Laylin entered public service as assistant attorney general of Ohio and, later, as special counsel to the attorney general of Ohio. A considerable part of the underlying tax structure of this State bears witness to his legal statesmanship and to his skill as a statutory draftsman. His service of sixteen years duration in the office of the attorney general overlapped by a period of twenty-years as a professor in the College of Law of which he is a graduate. Those who were privileged to study law under his guidance, among whom are today many of Ohio's leading practitioners and judges, testify without reservation to the greatness of his teaching. An undergraduate Phi Beta Kappa and in law school a member of the coveted Order of the Coif, Clarence Laylin, as a professor of law, displayed a keenness of intellect that challenged the minds of those he taught, yet balanced this quality with a warmly sincere interest in the problems and aspirations of his students and with a delicate sense of humor and humility.

After leaving the University in 1937, Mr. Laylin entered the active practice of law in Columbus. In the ensuing quarter of a century, he has earned among the lawyers of Ohio a level of respect which does not come to many in professional relationships. Throughout this distinguished career in law as a practitioner, public servant, and teacher, Mr. Laylin has participated continuously and meaningfully in the life of his church and his community. For Methodism and the wider Christian fellowship of Ohio he has been a tower of strength not only as an active official and counsellor but also as the embodiment of impeccable personal integrity and of the common good. He is respected highly for his active and effective involvement in the advancement of community welfare.

Whether judged for technical legal acumen or for legal statesmanship, Clarence D. Laylin has no peer. He is one of the few who has attained the ultimate heights in professional achievement and renown.
The transformation of Indiana University during the past quarter of a century into one of the Nation's foremost centers of education and research may be attributed largely to many dedicated scholars and teachers, but there is ample testimony that they would agree to identify Herman B. Wells both as the symbol and the stimulus of their trajectory. As president of Indiana University, Herman Wells gained the affection of a generation of students and the admiration and respect of the faculty, alumni, and the people of his state.

During the highly productive twenty-five year tenure of his presidency, the impact of Herman Wells' educational statesmanship became evident far beyond the borders of the university campus or the boundaries of the Hoosier State. He rendered a continuing and outstanding service through his remarkable capacity to interpret to Americans the educational needs and desires of the world's underprivileged and culturally deprived peoples. He represented effectively the United States Government as a member with ministerial rank on the Allied Mission for Observation of Greek Elections and, also, as an advisor on cultural affairs in Germany. He was appointed by President Eisenhower in 1957 as a delegate to the United Nations. In 1958 he toured the Soviet Union as a member of a delegation of college presidents studying Russian higher education. Later he served as an educational consultant in Pakistan, and in 1960 he represented American universities at the SETO conference on higher education in Southeast Asia.

Herman Wells graduated from Indiana University as a specialist in banking and finance. Following several successful years of practical experience in this field, he returned to his Alma Mater to serve first as dean of the School of Business Administration and then as president of the university during an unprecedented period of growth from 1938 until 1962.

Today, Herman B. Wells holds the dual title, president of the Indiana University Foundation and chancellor of Indiana University. Consistent with the pattern of dynamic leadership that he has demonstrated since his college days, he continues to serve with distinction, vigorously and effectively, the esteemed institution of higher learning to which he has dedicated his life and devoted his professional career. He has, indeed, become the image of the world-citizen educator.

President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Franz Theodore Stone Laboratory Assigned to College of Agriculture and Home Economics

The Natural Resources Institute was established and the responsibility for the use of the physical facilities for the Franz Theodore Stone Laboratory was placed under the direction of the Executive Director of the Institute by action of the Board of Trustees on June 13, 1955. Consistent with the present policy of assigning the administrative responsibility for the instructional and research programs of the University to the academic units principally concerned, it has been proposed by Dr. Alfred B. Garrett, Vice President for Research, with the concurrence of the President's Cabinet, that the responsibility for directing the use of the facilities of the Franz Theodore Stone Laboratory located on Gibraltar Island and its ancillary facilities be transferred from the Executive Director of the Natural Resources Institute to the Dean of the College of Agriculture and Home Economics. The courses of instruction and the research programs carried on at the Stone Laboratory are under the academic supervision of the Department of Botany and Plant Pathology and the Department of Zoology and Entomology of the College of Agriculture and Home Economics.

It is therefore recommended that the responsibility for directing the use of the educational facilities of the Franz Theodore Stone Laboratory be assigned to the Dean of the College of Agriculture and Home Economics, effective February 1, 1964. It is understood that the responsibility for the maintenance, care and supervision of the buildings, grounds, boats, and equipment shall remain as at present, under the administrative supervision of the Director of the Physical Plant.

Upon motion of Mr. Dargusch, seconded by Mr. Bricker, the above recommendation was approved unanimously by roll call vote.

B. Honorary Degrees

The Faculty Council on December 17, 1963 recommended that the honorary degree, Doctor of Laws, be conferred on:

Peter H. Odegard

and also the honorary degree, Doctor of Science, be conferred on:

Glenn Allen Sonnedecker

It is, therefore, recommended that the Board of Trustees approve the Faculty Council recommendation and that these degrees be awarded at one of the Commencement Convocations to be held during the year 1964, or as soon as possible thereafter.

Upon motion of Mr. Loop, seconded by Mr. Ketterer, the above recommendation was approved unanimously by roll call vote.
January 17, 1964 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

C. Cooperative Extension Service - Personnel Budget Revision for 1963-1964

On December 30, 1963 Congress approved the Federal appropriation for the Cooperative Extension Service for the 1964 fiscal year as provided in the Smith-Lever Act. It is therefore recommended that the Personnel Budget for the Cooperative Extension Service be increased in the amount of $121,860.00 above the budget approved by this Board on July 12, 1963. This action will increase the approved Cooperative Extension Service Personnel Budget to $3,530,382.00 for 1963-64.

Upon motion of Mr. Rairdon, seconded by Mr. Allyn, the Cooperative Extension Service Personnel Budget as revised was approved unanimously by roll call vote, and the Secretary was instructed to record the amendments resulting from this increase on the "Salary Roll" of the Cooperative Extension Service for 1963-1964.

* * *

II. PERSONNEL CHANGES

It is recommended that all personnel changes since the December 13, 1963 meeting of this Board, as recorded in the official "Salary Roll" of the University, be approved by the Board. These changes include the following Appointments, Retirement, and Leave of Absence With Salary:

A. Appointments

Donald F. Westra, Assistant Dean for Development, College of Medicine, effective April 1, 1964, at a salary of $18,168.00 per annum.

William K. Delaplane, Jr., Professor and Extension Specialist, Pest Control, in the Department of Zoology and Entomology and the Cooperative Extension Service, effective February 1, 1964, at a salary of $12,168.00 per annum.

B. Report of Retirement of Dean Wendell D. Postle, College of Dentistry

President Fawcett announced that he had received a letter from Dr. Wendell D. Postle, Dean of the College of Dentistry, under the date of January 10, 1964, requesting that he be "relieved of the duties of the Deanship on December 31, 1964, but remain on the faculty in a teaching capacity until June 30, 1965," at which time he will retire from the University. This request to be relieved of his duties as Dean is in accordance with the policy of the Board of Trustees concerning retirement of principal administrative officers of the University. President Fawcett further stated that he will appoint a faculty committee from the College of Dentistry pursuant to Rule 13.0301 to select a successor to Dean Postle.

1. Government Contracts - Federal

a. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for Mosquito Studies (to be known as National Institutes of Health Project No. 702 - Ext. #7 - Department of Zoology and Entomology). Gross Value - $20,400.00.

b. Department of Health, Education and Welfare, Bureau of State Service, Washington, D. C., for an Investigation of Physiology of Aquatic Bacteria (to be known as Bureau of State Service Project No. 705 - Ext. #8 - Department of Microbiology). Gross Value - $9,009.00.

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

   f. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Specificity and Role of Leukocyte Antibodies (to be known as National Institutes of Health Project No. 1091 - Ext. #3 - Department of Medicine). Gross Value - $16,080.00.

   g. National Aeronautics and Space Administration, Washington, D. C., for an Investigation of Receiver Techniques and Detectors for Use at Millimeter and Submillimeter Wave Lengths (to be known as National Aeronautics and Space Administration Project No. 1093 - Sup. #3 - Department of Electrical Engineering). Gross Value - $100,000.00.

   h. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Ventricular Depolarization in Heart Malformations (to be known as National Institutes of Health Project No. 1215 - Ext. #3 - Department of Veterinary Physiology and Pharmacology). Gross Value - $27,264.00.

   i. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Ethanolamine Metabolism in Animals and Plants (to be known as National Institutes of Health Project No. 1217 - Ext. #3 - Department of Physiological Chemistry). Gross Value - $12,696.00.

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

   Gross Value - $28,527.00.

2. Extra excavation. Add $348.00.
3. Extra 15" sanitary sewer. Add $368.00.
4. Deduct one sanitary manhole. Deduct $250.00. 

Net addition: $742.00

Funds for this project are provided in Budget Account 91017.

C. Research Space - East Side of Stadium (Phase II)

It is recommended that an extension of time for completion be granted to all contracts due to the unavoidable delay in delivery of heating and electrical equipment. The original completion date was January 30, 1964, and it is proposed that the completion date be extended to March 15, 1964.

Electrical Contract

It is recommended that light fixtures be furnished and installed in Rooms 108L, 108M, 108N, 108P, 108R, 108S, 109L, 110L as indicated in Alternate E-2 of the original specifications. Add $1,050.00

Funds for this project are provided in Budget Account 91020, Research Space East Side of Stadium (Phase II).

Upon motion of Mr. Ketterer, seconded by Mr. Rairdon, the above recommendation was approved by unanimous roll call vote.

VI. PLANS AND SPECIFICATIONS

With the approval of the Council on Business Affairs, and with the concurrence of the Cabinet, it is recommended that the plans and specifications, bills of materials and estimates of cost for the following projects be approved by the Board of Trustees:

A. Renovation of Building for Dormitory Central Food Facility (Phase I)

This project provides refrigerated rooms for cold storage and prepares space for dry storage.

Funds for this project will be provided from Account 86291, General Dormitory Fund, University Treasurer Account.
January 17, 1964 meeting, Board of Trustees

VI. PLANS AND SPECIFICATIONS (continued)

B. Highway Testing Laboratory Remodeling

Remodeling of former Highway Testing Laboratory to provide facilities for the Department of Engineering Mechanics.

Funds for this project will be provided from Item 315-003, S. B. 370.

Upon motion of Mr. Loop, seconded by Mr. Rairdon, the above recommendation was approved by unanimous roll call vote, and the Secretary was authorized and directed to sign the plans and specifications for the above projects for and on behalf of the Board of Trustees. Vice President Carson was directed to proceed with a request for bids in the normal University manner and if satisfactory bids are received, to proceed with the award of contracts. All action regarding this matter will be reported to the Board of Trustees at a later meeting.

VII. REPORT OF AWARD OF CONTRACTS

IX. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE

A. Materials Engineering and Science Building

It is recommended that the engineering firm of Ralph J. Cramer, Comer & Passe, Columbus, Ohio, be employed to provide complete professional engineering services for heating, ventilating and air conditioning, plumbing, and electrical work for the above project, including design, preparation of drawings, specifications and estimate of cost, and complete field supervision of construction.

The fee for this service will be 5 per cent of the cost of the mechanical work or an estimated $50,000.00. Funds will be provided from Item 315-002, S. B. 370.

Upon motion of Mr. Ketterer, seconded by Mr. Loop, the above recommendation was approved by unanimous roll call vote.
B. Renovation of Building for Dormitory Central Food Facility (Phase I)

It is recommended that the engineering firm of Metzger & Blackburn, Columbus, Ohio, be employed to provide complete professional engineering services for heating, ventilating and air conditioning, plumbing, and electrical work for the above project, including design, preparation of drawings, specifications and estimate of cost, and complete field supervision of construction.

The fee for this service will be on an hourly basis of $8.00 per hour for engineers and $5.00 per hour for draftsmen with a maximum fee of $18,000.00. Funds will be provided from Account 86291, General Dormitory Fund, University Treasurer Account.

Upon motion of Mr. Rairdon, seconded by Mr. Allyn, the above recommendation was approved by unanimous roll call vote.

X. RESOLUTIONS IN MEMORIAM

President Fawcett reported to the Board the death of Hans Sperber, Professor Emeritus of German; Paul Alfred Carmack, Associate Professor of Speech; Robert E. Monroe, Professor Emeritus of the Department of Romance Languages; and Nellie Watts, Professor Emeritus in the Cooperative Extension Service; and, in accordance with the instructions of the Board of Trustees, copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board have been furnished the families of the deceased.

A. Hans Sperber

The Board of Trustees expresses its sorrow at the death on December 10, 1963, of Hans Sperber, Professor Emeritus of German.

Dr. Sperber was born in Vienna, Austria, on March 25, 1885, the son of Wilhelm and Rudolfine Sperber. After being graduated from the Gymnasium, he attended the University of Vienna, where he studied Germanic and romance philology. He received the Ph.D. degree in 1907. That same year he went to Upsala on a traveling scholarship awarded him by the University of Vienna to do postgraduate work. In 1908 he was appointed to a lectureship at the University of Upsala, a position he held until 1915. He then went to the University of Cologne where he taught in the Department of Germanic Languages and Literatures from 1919 until 1933.

His special fields of interest were German and Scandinavian philology and semantics, in which he established an international reputation. In 1934 he was called to The Ohio State University where he taught in the German Department until he retired in 1955. After his retirement his services were sought by universities in this country and abroad. Professor Sperber was guest professor at the University of Hamburg in 1956-57, and from 1960 to 1963 he taught at the University of Bonn, two years of which were on a Fulbright grant.
Professor Sperber was not only a profound scholar, but an inspired and stimulating teacher. He was beloved by his students, both graduate and undergraduate, at Ohio State and abroad. Anyone that came into contact with him profited from his wisdom, knowledge, and never failing understanding.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

B. Paul Alfred Carmack

The Board of Trustees expresses its sorrow at the death on December 27, 1963, of Paul Alfred Carmack, Associate Professor of Speech.

Dr. Carmack was born on March 16, 1903, in Murdock, Illinois. He received his A.B. degree with High Distinction from DePauw University in 1929, the M.S. degree from Butler University in 1942, and the Ph.D. degree from Syracuse University in 1949. In 1962 he was awarded the honorary LL.D. degree by Findlay College. He taught at Indiana State Teachers College and Syracuse University prior to joining the faculty of The Ohio State University in 1946.

Dr. Carmack's record of service to his profession, his community, and his church earned him the high regard of his associates. Among the offices he held were the following: Member of Board of Directors of the American Institute of Parliamentarians; Vice President of the Ohio Council of State Universities of the American Association of University Professors; President of the Ohio State Chapter of the American Association of University Professors; member of Executive Committee of the Legislative Assembly of the Speech Association of America; Parliamentarian to the Speech Association of America, the Ohio Education Association of America, the Ohio Association of Real Estate Boards, and the Ohio State Nurses Association; National Secretary of Delta Sigma Rho, National Honorary Forensic Society; President of the Board of Trustees of the Riverside Methodist Church; President of the Perry Local Board of Education; President of the American Forensic Association; Chairman of the Ohio Conference for Speech Education. He was a member of Phi Kappa Phi, Phi Delta Kappa, and Delta Sigma Rho.
X. RESOLUTIONS IN MEMORIAM (continued)

B. Paul Alfred Carmack (continued)

Dr. Carmack's contribution to speech in Ohio will long be remembered. Not only was he chairman of the annual Ohio Conference for Speech Education but was the driving force which sustained and brought it national recognition. He encouraged the founding of the Ohio Speech Journal and was the editor of the first two volumes which received wide acclaim.

Dr. Carmack was widely known for his development of rhetorical models of many important rhetoricians of all ages and for his work with graduate students. At the time of his death, a book of rhetorical studies, of which he was the co-editor, was nearing completion. His extensive personal library, containing many rare editions of books on rhetorical theory and public speaking, was always available for the use of students.

More than any other single attribute, he stood highest as a man of good will and character--the factor of ethos of which Aristotle spoke, Paul Alfred Carmack was a persuasive man whose chief mode of persuasion was personal--his own ethos. His breadth of interest and depth of devotion to the service of his fellow men will cause his loss to be widely and deeply mourned.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

C. Robert E. Monroe

The Board of Trustees expresses its sorrow at the death on December 7, 1963, of Robert E. Monroe, Professor Emeritus of the Department of Romance Languages.

Born in Webberville, Michigan, on February 11, 1883, Robert Emmett Monroe was brought up and educated in Michigan and received his A.B. in 1902 and his M.A. in 1913 from the University of Michigan. He was Assistant Professor of Modern Languages at Georgetown College, Georgetown, Kentucky, from 1908 to 1909; Associate Professor of Romance Languages at Transylvania College at Lexington, Kentucky, from 1909 to 1910; and Professor and Head of the Department of Romance Languages in the same institution from 1910 to 1920. At that time he left teaching to conduct and organize European trips for the Temple Tours. He resumed his teaching career in 1929 when he came to The Ohio State University to supervise the elementary courses in French and Spanish as Professor of Romance Languages in that department.

During his twenty-four years of service at The Ohio State University, Professor Monroe contributed much to the teaching of French and Spanish. In collaboration with Professor William S. Hendrix, then chairman of the Department, he advocated and developed the aural phase of language teaching at a time when most of the language departments in the country were emphasizing only reading objectives. In addition to supervising the elementary courses in French and Spanish, he worked constantly with the

C. Robert E. Monroe (continued)

graduate students of other departments who were preparing their reading examinations in those languages. He maintained close contact with the teachers of French and Spanish in the Columbus and Ohio high schools and did much to encourage the learning of these languages throughout the State. He participated in many campus activities. As a member and at one time chairman of the Athletic Board, he exercised a considerable influence at a time when the athletic program was growing. He was president of the Faculty Club from 1944 to 1945.

During his years of service in the Department of Romance Languages, he trained many graduate assistants to teach; and he will be remembered as a most inspiring and resourceful teacher by the hundreds of students who took his courses. Mr. Monroe became Professor Emeritus upon his retirement in 1953.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

D. Nellie Watts

The Board of Trustees expresses its sorrow at the death on January 4, 1964, of Nellie Watts, Professor Emeritus in the Cooperative Extension Service.

Professor Watts in her thirty years of work in Home Economics as a part of the Ohio Cooperative Extension Service, College of Agriculture and Home Economics, did much to make Extension an educational effort. She gave outstanding leadership to the continuous professional improvement of the Extension staff and was an inspirational force in improving the local leader training program.

Professor Watts received her B.S. degree from Pennsylvania State University in 1920 and her M.S. degree from the University of Pittsburgh in 1923. In 1925 she came to Ohio and served as a Home Demonstration Agent in both Warren and Franklin counties. Because of her competence she was promoted to Assistant State Home Demonstration Leader and later to State Home Demonstration Leader, the position she held until her retirement in 1955. Because of her significant contributions to the total educational program of The Ohio State University and her effective pursuit of excellence in all endeavors, she was held in very high esteem by her associates on the faculty of the University.

Professor Watts had a genuine interest in the training and development of professional home economics workers in several other countries of the world. She served on two special missions to Israel and Ethiopia and was the supervisor for many international groups of women who came to Ohio State to study Home Economics.
January 17, 1964 meeting, Board of Trustees

X. RESOLUTIONS IN MEMORIAM (continued)

D. Nellie Watts (continued)

After retirement her educational interests continued through contact with many groups in the State explaining the problems and need for an educational relationship with other countries. She was a vital force in the Columbus community through her active and dedicated association with professional, civic, and church organizations.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

Minutes of the last meeting were approved.

*   *   *
February 14, 1964 meeting, Board of Trustees

President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Honorary Degrees

The Faculty Council on February 11, 1964 recommended that the honorary degree, Doctor of Science, be conferred on:

J. George Harrar
George Preston Hoff

and also the honorary degree, Doctor of Laws, be conferred on:

Potter Stewart

It is therefore recommended that the Board of Trustees approve the Faculty Council recommendation and that these degrees be awarded at one of the Commencement Convocations to be held during the year 1964, or as soon as possible thereafter.

Upon motion of Mr. Bricker, seconded by Mr. Ketterer, the above recommendation was approved unanimously by roll call vote.

B. Report of Auditor of State to The Ohio State University

The Annual Report of the Auditor of State for the fiscal year 1962-63 has been received. The report indicates that the books and records of The Ohio State University are in excellent condition and that all accounts are in order.

It is recommended that the receipt of the Annual Report of the Auditor of State be noted in the minutes of this meeting and that it be filed with the official documents of the Board of Trustees.

Upon motion of Mr. Davis, seconded by Mr. Loop, the above recommendation was approved unanimously by roll call vote.

C. Degrees Conferred - Winter Quarter Commencement Convocation

It is recommended that degrees be conferred at the Winter Quarter Commencement Convocation on March 19, 1964 to those students who have completed requirements for their respective degrees and are recommended by the Faculty Council. The names of those awarded degrees will be included in the minutes of this meeting. (See Appendix VI, page 335).

Upon motion of Mr. Rairdon, seconded by Mr. Allyn, the above recommendation was approved unanimously by roll call vote.

C. Amendment to India/Education Project with Agency
for International Development - Contract W/677

The University Grants Commission of India through the Agency for Inter-
national Development of the United States Department of State has requested
The Ohio State University to render assistance in the advancement of teaching
mathematics and the sciences in Indian universities. This assistance
is to be rendered by twenty professors who will direct sixteen summer
institutes and four centers for advanced study on the campuses of outstand-
ing Indian universities during June and July of 1964. The summer institutes
and centers for advanced study are to be designed to assist the members of
the faculties of Indian universities to become better acquainted with recent
advances in their substantive fields and the recent developments in the teaching
of these disciplines.
III. GENERAL CONTRACTS AND AGREEMENTS (continued)

C. Amendment to India/Education Project with Agency for International Development - Contract W/677 (continued)

The Dean of the College of Education, after careful appraisal of this request for assistance, has proposed that an Amendment to the existing contract between The Ohio State University and the Agency for International Development (Contract AID/W/677 - India) be negotiated. It is therefore recommended that the President be authorized to sign such an Amendment for and on behalf of the Board of Trustees with the understanding that all costs for this program are to be covered by funds from the Agency for International Development of the United States of America and the University Grants Commission of the Government of India.

Upon motion of Mr. Davis, seconded by Mr. Loop, the President was authorized to sign an Amendment to Contract AID/W/677 - India by unanimous roll call vote.

D. Renewal of Lease with Federal Aviation Agency for Operation of Aircraft Landing Marker

The Federal Aviation Agency now occupies under lease a tract of University land 70' x 101' and operates thereon an outer marker for the guidance of aircraft landing at Port Columbus. This installation is on the west side of Fyffe Road north of Lane Avenue.

The lease under which the Federal Aviation Agency holds this land was authorized by the Board of Trustees on July 10, 1959. It expires on June 30, 1964, and the Federal Aviation Agency now desires to execute a new one-year lease at $1.00 per year, effective July 1, 1964 and renewable annually at the option of the Government through June 30, 1969. Neither the location nor the operation of this facility interferes with any University operation.

With the concurrence of the Executive Director for Campus Planning and the President's Cabinet, it is recommended that the President be authorized to sign such lease for this purpose as he deems appropriate and not inimical to the interests of the University.

Upon motion of Mr. Rairdon, seconded by Mr. Allyn, the Board of Trustees by unanimous roll call vote authorized the President to sign the aforesaid lease between The Ohio State University and the Federal Aviation Agency.

President Fawcett reported to the Board the deaths of Robert Meiklejohn, Professor Emeritus of Engineering Drawing, and Alfred James Wright, Professor of Geography, and in accordance with instructions of the Board of Trustees, copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board have been furnished to the families of the deceased.

A. Robert Meiklejohn

The Board of Trustees expresses its sorrow at the death on January 20, 1964, of Robert Meiklejohn, Professor Emeritus of Engineering Drawing.

Professor Meiklejohn was born in Chillicothe, Ohio, on December 14, 1881, and was graduated from The Ohio State University in 1904 with the degree Mechanical Engineer.

Professor Meiklejohn spent the first year following his graduation on a special assignment for the Illinois Steel Company in Chicago before returning to Ohio State as an Instructor in Engineering Drawing. He was advanced to an Assistant Professor in 1908 and to Professor in 1920. He served as Secretary of the College of Engineering from 1921 to 1930. From 1942 to 1944 he was Acting Chairman of the Department.

Professor Meiklejohn (known as "Uncle Bob") was loved and respected by thousands of students and faculty, who admired his unusual ability as a teacher and his exceptional skill in lettering and illuminations. From the time he returned to his Alma Mater in 1905 until the autumn quarter of 1963 he assisted in preparing the diplomas for the University. These diplomas were hand lettered until 1942 and since that time have been printed. Even though he was retired in 1952 after 47 years of active teaching, he continued to serve the University by helping the Department of Engineering Drawing with about two hours or more of work each day--almost 60 years of continuous service.

Professor Meiklejohn was the author of "Step-by-Step Solutions of Descriptive Geometry Problems" and was co-author with the late Thomas E. French of a volume on Essentials of Lettering, as well as a heavy contributor to the first edition of Engineering Drawing.
X. RESOLUTIONS IN MEMORIAM (continued)

A. Robert Meiklejohn (continued)

As a student he was treasurer of the senior class and a member of the Sigma Chi Fraternity, by which he was awarded a 50-year certificate in 1955. He also held memberships in Triangle and Technikoi, engineering fraternities. He was an honorary member of the Student Senate for a number of years and was faculty representative on the campus "Boost Ohio" committee, now known as Ohio Staters Incorporated.

Professor Meiklejohn was the 25th person to be recognized by the Board of Trustees by being presented with the "Distinguished Service Award" for outstanding service rendered the University.

The University was his life. He loved the association with his many friends on the faculty where daily at the noon hour at the Faculty Club they enjoyed his friendly greetings, his keen sense of humor, his fine contributions in University background, and his unusually grand philosophy of life.

This campus has lost a truly great person--whose loyalty and devotion to his Department, to his College, and to his University have rarely been equalled. His students, colleagues, and friends rank Professor Robert Meiklejohn among those who have left an indelible impression on the University community.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

B. Alfred James Wright

The Board of Trustees expresses its sorrow at the death on January 14, 1964, of Alfred James Wright, Professor of Geography.

Professor Wright was born in Middletown, Ohio, on May 10, 1897. He received the A.B. degree from the University of Michigan in 1922, the A.M. degree from the University of Pennsylvania in 1925, and the Ph.D. degree from the University of Michigan in 1934.

Professor Wright joined the faculty of The Ohio State University in 1928 as an Instructor after having taught at George School in eastern Pennsylvania and at the University of Pennsylvania. He attained the rank of Professor in 1948. At various times, he had served as Visiting Professor at Miami University and the University of Nebraska.

Professor Wright was a member of the Association of American Geographers and the Ohio Academy of Science. His sincere interest in and enthusiasm for the students of this University were reflected in his active participation and membership in such groups as Bucket and Dipper, Civitas, Sphinx, Ohio Staters Inc., and the Ohio Union Council. He served as an active advisor to several of these groups. In addition, he was a faithful member of Beta Gamma Sigma, the Commerce College honorary.
X. RESOLUTIONS IN MEMORIAM (continued)

B. Alfred James Wright (continued)

In his 35 years of service to this University, Professor Wright provided stimulation to students of all ages. He was a dynamic and successful classroom teacher whether involved with a group of freshmen in an introductory course or with a seminar of graduate students examining a particular facet of his field. His teaching was distinguished by sound principles not only of geography but of morality; by a devotion not only to the subject matter of a course but to the individual students who were participants with him in examining the geographic concept; and by an appreciation for scholarship and creative research.

His interest in the broad field of economic geography was translated into numerous studies involving aspects of industrial location as well as the geography of Ohio and the Nation. Three Development Fund grants aided his research and that of his students in the study of industrial location in Ohio.

Within the University community, Professor Wright gave generously of his time and talent. He was a devoted servant to this University and felt privileged to be a part of its life. Everyone who knew Alfred James Wright, whether within the University circle or those with whom he came into daily contact off campus, feels the deep loss of such a vital man.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

XI. REPORTS

A. Report on the Investment Portfolio

The report on the University's Investment Portfolio dated January 31, 1964 was presented to the Board of Trustees. The Secretary was instructed to file a copy of the report with the official records of the Board of Trustees.

B. Report on Highlights of University Activities

In concluding the meeting, President Fawcett reviewed some of the highlights of the University activities during the past month. The report, which is filed with the official records of the Secretary, included data on the number of Ph.D. degrees awarded since the early 1920's. The Ohio State University has climbed from fifteenth place to eighth among the nation's colleges and universities in the production of all doctoral degrees. The survey conducted by the National Research Council of the National Academy of Sciences revealed that from 1920-1961, Ohio State was fourth in the number of doctorates granted in the field of psychology and fifth in doctorates conferred in education. The President also called attention to the fact that Antenna Laboratory engineers have expressed satisfaction with initial operation of

the University’s unique communication antenna system in receiving radio signals relayed from the new Echo II satellite. Initial development of the liquid hydrogen-liquid oxygen fuel which powered the second stage of the Saturn rocket in its first successful flight January 29 was conducted in Ohio State laboratories.

OFFICIAL PROCEEDINGS OF THE

NINE HUNDRED AND EIGHTY-EIGHTH MEETING

OF THE BOARD OF TRUSTEES

Columbus, Ohio, April 17, 1964

The Board of Trustees met at its regular monthly meeting on Friday, April 17, 1964, at The Ohio State University, Columbus, Ohio, pursuant to adjournment.

Present: Thomas F. Patton, Chairman, Smith L. Rairdon, Alan B. Loop, Jacob E. Davis, Stanley C. Allyn, John W. Bricker, Carlton S. Dargusch, John G. Ketterer, and Frederick E. Jones.

*       *       *

Minutes of the last meeting were approved.

*       *       *
April 17, 1964 meeting, Board of Trustees

President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Fiftieth Anniversary for Nursing Education

The Director of the School of Nursing of the College of Medicine, with the concurrence of the Dean, has proposed that the year 1964 be officially designated by the Board of Trustees as the Fiftieth Anniversary for Nursing Education. It is clear from all available evidence that nurses' training became a part of the teaching program of The Ohio State University in the autumn of 1914 when the University established a College of Homeopathic Medicine and took over Starling-Ohio Medical College--Board resolution adopted January 27, 1914.

It is therefore recommended that the proposal to designate the year 1964 as the Fiftieth Anniversary for Nursing Education be approved.

Upon motion of Mr. Rairdon, seconded by Mr. Davis, the above recommendation was approved by unanimous roll call vote.

B. Remedial Courses in English and Mathematics Discontinued

The Faculty Council on March 10, 1964, endorsed the proposal of the Council on Instruction, that all courses in English and mathematics which are purely remedial in purpose and content be discontinued at the end of the Summer Quarter 1965 and that the teaching of these remedial courses be phased out by offering such courses only in the Summer and Autumn Quarters of 1964 and the Winter and Summer Quarters of 1965.

It is therefore recommended that the above proposal to discontinue the teaching of remedial courses in English and mathematics be approved.

Upon motion of Mr. Jones, seconded by Mr. Bricker, the above recommendation was approved by unanimous roll call vote.

C. Naming of Building - James Ellsworth Boyd Laboratory

Upon the recommendation of Dean Harold A. Bolz, College of Engineering, and the chairman and faculty of the Department of Engineering Mechanics, and with the concurrence of Mr. Frederick Stecker, Executive Director for University Relations, it is proposed that the space formerly occupied by the State Highway Testing Laboratory located at 155 West Woodruff Avenue, which is now being converted for use by the Department of Engineering Mechanics, be named "James Ellsworth Boyd Laboratory," in memory of Professor Boyd. Professor Boyd was one of the University's earliest faculty members to attain national recognition and was largely responsible for the development of the University's Department of Engineering Mechanics.
April 17, 1964 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

C. Naming of Building - James Ellsworth Boyd Laboratory (continued)

This proposal has the concurrence of the President's Cabinet and is in accordance with the By-Laws of the Board of Trustees. It is hereby recommended for your approval.

Upon motion of Mr. Bricker, seconded by Mr. Davis, the Board of Trustees by unanimous roll call vote approved the naming of the building located at 155 West Woodruff Avenue, which is to house the Department of Engineering Mechanics.

D. Honorary Degrees

The Faculty Council on March 10, 1964, recommended that the honorary degree, Doctor of Humane Letters, be conferred on:

Leonard Bernstein
George Remington Havens

and also the honorary degree, Doctor of Science, be conferred on:

Charles Austin Doan

It is therefore recommended that the Board of Trustees approve the Faculty Council recommendation and that these degrees be awarded at one of the Commencement Convocations during the academic year 1964-1965.

Upon motion of Mr. Davis, seconded by Mr. Rairdon, the above recommendation was approved by unanimous roll call vote.

E. Recommendation for the Benjamin G. Lamme Meritorious Achievement Medal - William W. Heimberger

The Committee on Honorary Degrees and Honors of the College of Engineering, with the unanimous endorsement of the faculty of the College of Engineering, has nominated William W. Heimberger, Chairman of the Board of Directors of Buckeye Steel Castings Company, Columbus, Ohio, for the Benjamin G. Lamme Meritorious Achievement Medal to be awarded at the June Commencement, 1964.

It is therefore recommended that this nomination be approved by the Board of Trustees.

Upon motion of Mr. Bricker, seconded by Mr. Ketterer, the above recommendation was approved by unanimous roll call vote.

F. Revision of Rules 31.0701 and 31.0703 - Rules for the University Faculty

On February 11, 1964, the Faculty Council recommended that Rules 31.0701 and 31.0703 of the Rules for the University Faculty be revised as follows, effective Summer Quarter 1964:
April 17, 1964 meeting, Board of Trustees

I. **GENERAL RECOMMENDATIONS** (continued)

F. **Revision of Rules 31.0701 and 31.0703 - Rules for the University Faculty** (continued)

1. Delete paragraph b of Rule 31.0701:

   During at least his first three quarters at the University, one hour of Physical Education each quarter until a total of three credit hours has been earned; and

2. Delete paragraph b of Rule 31.0703:

   During at least her first six quarters at the University, one hour of Physical Education each quarter until a total of six credit hours has been earned; and

3. Insert the following as a new paragraph b in Rules 31.0701 and 31.0703:

   One or more hours of Physical Education per quarter for a total of three quarters; and

It is therefore recommended that this action of the Faculty Council be approved with the understanding that students enrolled during the Summer Quarter 1964 or any subsequent quarter shall be required to meet the conditions of the Rules 31.0701 and 31.0703 as amended.

Upon motion of Mr. Davis, seconded by Mr. Allyn, the above recommendation was approved by unanimous roll call vote.

G. **Establishment of Richard E. Byrd Memorial**

It has been proposed by an ad hoc committee of nationally distinguished geological scientists that a memorial be erected in honor of the late Rear Admiral Richard E. Byrd, polar explorer. By virtue of the international reputation and the distinguished work of The Ohio State University's Institute of Polar Studies, interest has been expressed in locating the memorial on The Ohio State University campus and in the use of The Ohio State University's name for the purpose of soliciting funds for the memorial. This memorial would be a building in which his Arctic and Antarctic mementoes and his polar library would be preserved.

With the concurrence of the Board of Directors of The Ohio State University Development Fund and the President's Cabinet, it is recommended that permission be granted to use the name of The Ohio State University to solicit funds for the memorial, subject to the following conditions:

1. That the memorial be located on The Ohio State University campus and that the University will determine the location of the memorial on its campus.

2. That the building be planned under regular University procedures.
April 17, 1964 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

G. Establishment of Richard E. Byrd Memorial (continued)

3. That the endowment in support of the Byrd Memorial cover all capital and operating costs of the memorial.

4. That all literature in which the name of The Ohio State University is to be used be approved in advance of publication by the University through the Executive Director for University Relations.

Upon motion of Mr. Allyn, seconded by Mr. Loop, the above recommendation to use the name of The Ohio State University in solicitation of funds, subject to the conditions as set forth in the above recommendation, was approved by unanimous roll call vote.

H. Transfer of Jurisdiction and Control of Certain State-Owned Land in Edward Orton Memorial Park, Greene County, Ohio, from the Ohio Department of Natural Resources to The Ohio State University

Whereas, on or about October 4, 1940, Mr. Hugh T. Birch made a gift of money to the State of Ohio conditioned upon the purchase of certain land located in Greene County, Ohio, hereinafter described; and

Whereas, there was a further condition of said gift to the effect that said land be purchased as an addition to the Edward Orton Memorial Park to be leased to the 4-H Club Camp, Inc. for camping and recreational purposes; and

Whereas, pursuant to said gift the land was purchased and on November 25, 1940, the State of Ohio through the Board of Control of the Ohio Agricultural Experiment Station entered into a lease, the full terms and conditions of which are therein set forth, said lease being recorded in the Office of the Recorder of Greene County, Ohio, in Lease Book 9, page 128; and

Whereas, pursuant to a change in the statutes of Ohio, forest and park land, theretofore under the jurisdiction and control of the Board of Control of the Ohio Agricultural Experiment Station, was transferred to the Ohio Department of Natural Resources; and

Whereas, the Board of Trustees of The Ohio State University through its Cooperative Extension Service is administratively responsible for the jurisdiction and control of the 4-H Club program of Ohio; and

Whereas, the Ohio Department of Natural Resources in pursuance of Sections 121.17 and 151.01 of the Revised Code of Ohio has for the reasons stated above, with the concurrence of the Attorney General of Ohio and the Governor of Ohio, deemed it proper to place the jurisdiction and control of this said land with the Board of Trustees of The Ohio State University; and

Whereas, said Department has executed a departmental transfer and release to the Board of Trustees of The Ohio State University, through John T. Mount, Secretary of the Board of Trustees, of its jurisdiction and control of certain land in Miami Township, Greene County, Ohio, owned by the State of Ohio, being more particularly described as follows:
April 17, 1964 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

H. Transfer of Jurisdiction and Control of Certain State-Owned Land in Edward Orton Memorial Park, Greene County, Ohio, from the Ohio Department of Natural Resources to The Ohio State University (continued)

Being a part of the 69.77 acre tract acquired by the State of Ohio to form an addition to Edward Orton Memorial Park in Miami Township, Greene County, Ohio, located in V.M.S. 610 and bounded and described as follows:

Beginning at a point in the east line of the said 69.77 acre tract, which point is N-17 deg. 21' W. and 76.75 feet distant from a stone monument in the center of the Old Sandusky Road, also known as the Clifton-Xenia Road, and which stone monument is at the southeast corner of the said 69.77 acre tract;

Thence following the east line of said tract N-17 deg. 21' West 691.7 ft. to a stake on the bank of a small ravine;

Thence following the line of this ravine the following courses and distances: N-72 deg. 42' West 95.9 ft.; S-79 deg. 21' West 45.3 ft.; N-64 deg. 48' West 151.2 ft.; S-78 deg. 25' West 141.6 ft.; S-68 deg. 23' West 86.4 ft.; S-45 deg. 44' West 81.5 ft.; to where the cliffs of the Little Miami River meet the ravine; thence S-19 deg. 10' West, 101.7 ft. to the top of the cliff; thence follow the edge of the cliff as follows: S-32 deg. 44' West 138.3 ft.; S-0 deg. 57' West 75.1 ft.; S-15 deg. 25' East 99.7 ft.; S-48 deg. 19' West 114.6 ft.; S-17 deg. 15' East 51.5 ft.; S-45 deg. 45' West 228.3 ft.; S-47 deg. 51' West 117.4 ft.; to where a small ravine meets the cliff; thence S-30 deg. 27' East 87.4 ft.; thence N-71 deg. 41' East 196.9 ft.; thence S-28 deg. 30' East 323.4 ft. to a point 75' from the center of the said Old Sandusky Road; thence parallel with the said center line of said road N-60 deg. 23' East 85 ft.; thence South 29 deg. 37' East 75.0 ft. to the center of said road; thence following the center of said road N-60 deg. 23' East 30 ft.; thence N-29 deg. 37' West 75.0 ft.; thence parallel with the center of said road and 75 feet distant therefrom N-60 deg. 22' East 758.6 ft. to the place of beginning.

Containing 17.54 acres.

Whereas, pursuant to the terms of the gift and of the lease dated November 25, 1940, the 4-H Club Camp, Inc. under date of March 23, 1964, has requested authorization to proceed with certain improvements;

NOW THEREFORE BE IT RESOLVED that in consideration of the foregoing, the Board of Trustees of The Ohio State University accepts from the Ohio Department of Natural Resources jurisdiction and control of the land more particularly described above for the uses and purposes stipulated in a certain lease, dated November 25, 1940, granted to 4-H Club Camp, Inc., Springfield, Ohio, and if such occupancy shall cease, the said land shall be returned to the jurisdiction and control of the Ohio Department of Natural Resources;
April 17, 1964 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

H. Transfer of Jurisdiction and Control of Certain State-Owned Land in Edward Orton Memorial Park, Greene County, Ohio, from the Ohio Department of Natural Resources to The Ohio State University (continued)

BE IT FURTHER RESOLVED that the plans for improvement of the 4-H Club camp site as submitted by 4-H Club Camp, Inc. under the date of March 23, 1964, be approved with the understanding that there will be no cost for said improvements to the Board of Trustees of The Ohio State University.

Upon motion of Mr. Loop, seconded by Mr. Ketterer, the above resolutions were approved by unanimous roll call vote, and the Secretary was instructed to forward a copy of this action to the Ohio Department of Natural Resources and to file all the official documents pertaining thereto with the official records of the Board of Trustees.

I. Relocation of Olentangy River Road and Establishment of Research Parks

The University's master plan, which was officially adopted by the Board of Trustees in February 1962, resulted from three years of intensive study by a competent firm of planning consultants and our own Office of Campus Planning. Several hundred leading faculty members and University administrators participated, and both local and regional planning officials were frequently and significantly involved. The Board of Trustees reviewed the findings of the study as it progressed, and adopted guiding principles which established the major features of the final plan.

After extensive discussion over a period of several months, the Board of Trustees in March 1960, by a unanimous vote of its full membership, stated that continuation of the Olentangy River Road in its present location through the campus "would in large measure destroy the sense of oneness that is essential to the intellectual vitality, well-being, and growth of the University."

This position has been reaffirmed by the Board of Trustees on several occasions, most recently by a unanimous vote of its full membership on September 13, 1963.

Because of the growing volume of traffic, the continued expansion of the University, especially in graduate education and research, and the increasing urgency of establishing the availability of building sites along the river in accordance with the official master plan, the Board of Trustees has again reviewed its position in this matter. It is the considered judgment of the Board of Trustees: (1) that the realignment of this road is of vital importance to the future growth and development of the University, and (2) that the slight additional cost of this realignment over the cost of adequately improving the present road would be more than offset by the savings in tax dollars that would result from use of the river frontage for University building purposes.
April 17, 1964 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

I. Relocation of Olentangy River Road and Establishment of Research Parks (continued)

In connection with the discussion of the relocation of the Olentangy River Road, it has recently been proposed by certain interests that the University establish a research park. The official master plan adopted by the Board of Trustees in February 1962 unmistakably endorses the establishment of research agencies and research-oriented industries in reasonable proximity to the campus, and the Board of Trustees now reaffirms this endorsement. However, the legal authority of the University to create, or to participate in the creation of, a research park has not been established.

The University is pleased with the recent proposal of the staff of the City Planning Commission that a research and industrial park be created along the west side of the railroad tracks between East 11th Avenue and East 5th Avenue. This is viewed as a desirable supplement to the master plan proposal for a similar development along Kinnear Road.

Among other locations recently suggested for an industrial research park is the general area of the Outer Belt and the Don Scott Airport. A development of this kind in reasonable proximity to the University's Department of Aviation and expanding aerodynamics research facilities at Don Scott Field would undoubtedly be of mutual advantage to the University and to the current research and development interests of the State. It would be welcomed by the University, and the University should assist the movement within the limits of its resources and the limits of its legal authority.

Upon motion of Mr. Davis, seconded by Mr. Rairdon, it was unanimously voted that the foregoing statement be adopted as expressing the position of the Board of Trustees on these issues; that the President be instructed to press vigorously for early decisions by appropriate city and state officials to clear the way for the realignment of the Olentangy River Road through the campus and for the vacation of a portion of the existing right-of-way in accordance with the official master plan; and that, without regard to the problems of road realignment, the President be instructed to give appropriate assistance and support to the creation of one or more research parks at appropriate places on private land which is or can be made available for this purpose.

II. PERSONNEL CHANGES

In presenting the recommendations for changes in personnel, President Fawcett addressed himself to the importance of achieving some realignment of personnel within the central administrative structure of the University. He stated that as the University continues to grow, the magnitude of administrative responsibility that must be assumed by the central staff increases. He added that it has been his policy to re-examine the administrative structure from time to time and to recommend such modifications as are required to effect efficiency in the management of the administrative concerns of the officers of the University. He then presented the following recommendations:

372
II. PERSONNEL CHANGES (continued)

A. That John C. Weaver’s appointment as Vice President for Instruction and Dean of Faculties, which was announced earlier, be ratified; further that his annual salary for this position be $27,168.00 and that he be appointed Professor in the Department of Geography at No Salary, effective July 1, 1964.

Upon motion of Mr. Loop, seconded by Mr. Bricker, the appointment of the Vice President for Instruction and Dean of Faculties and Professor in the Department of Geography was ratified by a unanimous roll call vote.

B. That effective on July 1, 1964, the titles and administrative responsibilities for the following-named persons be changed as indicated below. All salary adjustments to be made in connection with these changes in duties will be included in the 1964-1965 personnel services budget, which will be presented to the Board of Trustees at its June 1964 meeting.

John T. Mount from Vice President and Secretary to Vice President for Educational Services. This action does not affect his service as Secretary of the Board of Trustees. He will continue to hold the rank of Professor in the Agricultural Extension Service.

John E. Corbally, Jr. from Executive Assistant to the President and Director, Personnel Budget, to Vice President for Administration. He will continue to hold the rank of Professor in the Department of Education.

Ronald B. Thompson from Executive Dean for Special Services to Executive Dean for Admissions and Registrations.

Edward Q. Moulton from Associate Dean (part time - 52%), Graduate School, Associate Dean (part time - 48%), College of Arts and Sciences, and Acting Chairman, Department of Geodetic Science, to Associate Dean of Faculties and Dean of Off-Campus Education. He will continue to hold the rank of Associate Professor in the Department of Civil Engineering.

Kenneth J. Arisman from Director, Off-Campus Education, to Assistant Dean of Off-Campus Education. He will continue to hold the rank of Professor in the Department of Education.

Upon motion of Mr. Davis, seconded by Mr. Ketterer, the changes in titles and administrative responsibilities were approved by a unanimous roll call vote.

Mr. Patton, Chairman of the Board, congratulated the above-named persons on their promotions to the new posts and expressed confidence in their ability to carry forward in these new duties. On behalf of the Board of Trustees, Mr. Patton further expressed the very best wishes and appreciation for the many years of devoted service to Dr. Frederic Heimberger whose retirement as Vice President for Instruction and Dean of Faculties will become effective June 30, 1964.
II. PERSONNEL CHANGES (continued)

C. Amendments to the Rules for the University Faculty

That pursuant to the foregoing recommendations for changes of titles and definitions of responsibility for certain administrative personnel, it is recommended also that the following Rules for the University Faculty be amended to read as follows:

11.1104. Vice President for Educational Services.*

Section 1. The Vice President for Educational Services shall be the executive head of the Office of Educational Services.

Section 2. The major area of responsibility and authority of the Vice President for Educational Services shall be that of the educational services of the University. Without limiting the generality of the foregoing the Vice President for Educational Services shall under the direction of the President and with the approval of the Board of Trustees, be responsible and have the necessary authority for: the development of policies relating to the admission and registration of all students; the development of administrative policies and operating procedures for the part-time and continuing educational programs; the development of teaching programs in physical education, air science, military science and naval science; the development of policies and operating procedures for the administration of telecommunication and other teaching aid services. In cooperation with the Vice President for Instruction and Dean of Faculties he shall assist in coordination of the programs for the above listed areas of responsibility with the instructional program of the University; and, in cooperation with the Executive Dean for Student Relations he shall assist in the coordination of the admission and registration of students with the student housing and student personnel programs of the University.

Section 3. The principal administrative officials of the Office of Educational Services shall be the Executive Dean for Admissions and Registrations, the Dean of Part-Time and Continuing Education, the Director of the Telecommunications Center, the University Historian, and the Chairmen of the Departments of Physical Education, Air Science, Military Science, and Naval Science.

11.1105. Vice President for Administration.*

Section 1. The Vice President for Administration shall serve as the executive administrative assistant to the President and shall be a member of the General Administration division of the University.
II. PERSONNEL CHANGES (continued)

C. Amendments to the Rules for the University Faculty (continued)

11.1105. Vice President for Administration.* (continued)

Section 2. The Vice President for Administration shall perform general administrative services assigned by and on behalf of the President. Without limiting the generality of the foregoing, the Vice President for Administration shall assist the President in coordinating University administrative functions so as to insure the orderly and timely conduct of the business of the University; shall be responsible for the orderly flow of external and internal communication among University officers, faculty, staff, and students and among such groups and external individuals and agencies; and shall serve as Secretary of the President's Cabinet and of the Administrative Council.

11.1109. Executive Dean for Admissions and Registrations.*

Section 1. The Executive Dean for Admissions and Registrations shall be the executive head of the Office of Admissions and Registrations.

Section 2. The major area of responsibility and authority of the Executive Dean for Admissions and Registrations shall be that of the admission to and registration in the University of students. The Executive Dean for Admissions and Registrations shall, under the direction of the Vice President for Educational Services and with the approval of the President and the Board of Trustees be responsible and have the necessary authority for: the administration of the rules relating to the admission and registration of all students and in cooperation with the Vice President for Instruction and Dean of Faculties the preparation of the material for the academic bulletins and catalogs; the administration of the University policy relating to the residency of all students; the scheduling of University facilities including classrooms; the administration of the University cultural programs; the coordination of the administration of the motor vehicle parking and traffic regulations with the Commission of Traffic and Parking and the appropriate administrative officers of the University; and the maintenance of relationships with the North Central Association, Ohio College Association, and the secondary schools.

Section 3. The principal administrative officials of the Executive Dean for Admissions and Registrations shall be the Director of Admission; Registrar; and Manager of the Mershon Auditorium.
April 17, 1964 meeting, Board of Trustees

II. PERSONNEL CHANGES (continued)

C. Amendment to the Rules for the University Faculty (continued)

Upon motion of Mr. Bricker, seconded by Mr. Davis, the amendments to the Rules for the University Faculty Nos. 11.1104, 11.1105, 11.1109 as recommended by the President were adopted by the Board of Trustees by a unanimous roll call vote. The Secretary was instructed and authorized to make such editorial changes in the By-Laws of the Board of Trustees of The Ohio State University and the Rules for the University Faculty as are required by virtue of the foregoing changes in Rules, administrative titles, and definitions of responsibility.

In addition to the foregoing personnel recommendations, it is recommended that all personnel changes since the February 14, 1964 meeting of this Board, as recorded in the official "Salary Roll" of the University, be approved by the Board. These changes include the following additional faculty Appointment, Leaves of Absence With Salary, Leaves of Absence Without Salary, and Emeritus Titles.

D. Appointment

Leon M. Dorfman, Professor, Department of Chemistry, at a salary of $15,168.00 per annum, effective October 1, 1964.

E. Leaves of Absence With Salary

In accordance with the policy approved by the Board of Trustees on April 12, 1954, the following-named persons are recommended for Leaves of Absence With Salary from the Agricultural Extension Service for the period indicated.

Harold D. McBurney, Instructor (County Extension Agent, 4-H) Ashland County, June 16, 1964 through July 31, 1964, to study at Colorado State University.

William W. Wharton, Instructor (Extension Specialist, Animal Science, Performance Testing), April 1, 1964 through June 15, 1964, to study at The Ohio State University.

F. Leaves of Absence Without Salary

Nancy K. Clatworthy, Assistant Professor, Sociology and Anthropology, April 1, 1964 through June 30, 1964, to pursue a lecture tour in Australia.

Russell W. Smith, Assistant Professor (Supervisor, 4-H Club Work), Ohio Cooperative Extension Service, April 1, 1964 through May 31, 1964, to study at Teachers College, Columbia University.

Ariadna Foureman, Instructor, Romance Languages, April 1, 1964 through June 30, 1964, to devote full time to working on the Ph.D. degree.
April 17, 1964 meeting, Board of Trustees

II. PERSONNEL CHANGES (continued)

F. Leaves of Absence Without Salary (continued)

Edwin E. Zorn, Instructor (County Extension Agent, 4-H) Warren County, Ohio Cooperative Extension Service, March 16, 1964 through June 15, 1964, to study at The Ohio State University.

G. Emeritus Titles

Thomas H. Langlois, Zoology and Entomology, with the title Research Professor Emeritus, effective July 1, 1964.

John B. Brown, Physiological Chemistry, with the title Professor Emeritus, effective July 1, 1964.

Leo G. Staley, Physical Education for Men, with the title Professor Emeritus, effective July 1, 1964.

Jennette A. Stein, Physical Education for Women, with the title Professor Emeritus, effective July 1, 1964.

Geneva H. Nolan, Ohio Cooperative Extension Service, with the title Instructor (County Extension Agent, Home Economics) Emeritus, effective November 1, 1963.

Upon motion of Mr. Davis, seconded by Mr. Rairdon, the additional faculty Appointment, Leaves of Absence With Salary, Leaves of Absence Without Salary, Emeritus Titles, and the personnel changes recorded in the official "Salary Roll" of the University were approved unanimously by roll call vote, and the Secretary was instructed to file these changes in the "Salary Roll" with the official documents of the University.

III. GENERAL CONTRACTS AND AGREEMENTS

A. The Ohio State University and
The Ohio State University Research Foundation

In accordance with the Memorandum of Agreement between The Ohio State University and The Ohio State University Research Foundation approved by this Board on September 5, 1950, it is recommended that the research agreements for the following projects administered through the Research Foundation be approved and recorded in the minutes of this meeting.

1. Government Contracts - Federal

   a-1. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Deoxyribonucleoside and Related Carcinolytes (to be known as National Institutes of Health Project No. 759 - Ext. #7 - Department of Chemistry). Gross Value - $56,466.00.
III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

a-3. Department of the Navy, Office of Naval Research, Washington, D.C., for an Investigation of Polynitro Aliphatic Synthesis (to be known as Office of Naval Research Project No. 783 - Amend. #11 - Department of Chemistry). Gross Value - $7,462.00.

a-4. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Synthesis of Steroidal Alpha-diazoketones (to be known as National Institutes of Health Project No. 906 - Ext. #5 - Department of Chemistry). Gross Value - $20,319.00.

a-5. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Constancy of Mandibular Rest Position (to be known as National Institutes of Health Project No. 907 - Ext. #5 - College of Dentistry). Gross Value - $9,541.00.

a-6. Systems Engineering Group, Research and Technology Division, Wright-Patterson Air Force Base, Ohio, for Intermittent Research Analysis (to be known as Systems Engineering Group, Research and Technology Division Project No. 930 - Sup. #17 - RF Internal Supervision). Gross Value - $32,555.00.

a-7. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for Midwest Cooperative Chemotherapy Group (to be known as National Institutes of Health Project No. 1084 - Ext. #4 - Department of Medicine). Gross Value - $15,492.00.

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
   The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

        Service, National Institutes of Health, Bethesda, Maryland, for
        an Investigation of Synthesis of Polynuclear Aromatic Compounds
        (to be known as National Institutes of Health Project No. 1229 -
        Ext. #3 - Department of Chemistry).
        Gross Value - $27,120.00.

   a-10. Department of Health, Education and Welfare, Public Health
        Service, National Institutes of Health, Bethesda, Maryland, for
        an Investigation of the Factors Determining Cardiac Output in
        Man (to be known as National Institutes of Health Project No.
        1254 - Ext. #3 - Department of Medicine).
        Gross Value - $16,976.00.

        Service, National Institutes of Health, Bethesda, Maryland, for
        Studies With Influenza Vaccination (to be known as National
        Institutes of Health Project No. 1257 - Ext. #3 - Department of
        Medicine).
        Gross Value - $25,565.00.

        Service, National Institutes of Health, Bethesda, Maryland, for
        an Investigation of Self-administered Procedures in Speech and
        Hearing (to be known as National Institutes of Health Project No.
        1414 - Ext. #2 - Department of Speech).
        Gross Value - $45,686.00.

   a-13. Systems Engineering Group, Research and Technology Division,
        Wright-Patterson Air Force Base, Ohio, for Research Studies on
        the Fluid Dynamics of High Enthalpy Flow (to be known as Systems
        Engineering Group, Research and Technology Division Project No.
        1427 - Mod. #6 - Department of Aeronautical and Astronautical
        Engineering).
        Gross Value - $42,000.00.

        Service, National Institutes of Health, Bethesda, Maryland, for
        an Investigation of Cardiac and Renal Dynamics (to be known as
        National Institutes of Health Project No. 1441 - Ext. #2 - Depart-
        ment of Veterinary Physiology and Pharmacology).
        Gross Value - $12,522.00.

        Service, Washington, D. C., for a Study of the Sulfide-to-Sulfate
        Reaction Mechanism (to be known as Bureau of State Service
        Project No. 1442 - Ext. #2 - Engineering Experiment Station).
        Gross Value - $19,760.00.
III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

   a-16. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for A Study of Oscillatory Blood Flow (to be known as National Institutes of Health Project No. 1447 - Ext. #2 - Department of Physiology).
   Gross Value - $10,275.00.

   a-17. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for Distribution and Metabolism of Labeled Digitaloids (to be known as National Institutes of Health Project No. 1451 - Ext. #2 - Department of Physiological Chemistry).
   Gross Value - $16,189.00.

   a-18. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Nervous System Elements in Tissue Culture (to be known as National Institutes of Health Project No. 1457 - Ext. #2 - Departments of Pathology and Psychiatry).
   Gross Value - $26,192.00.

   a-19. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Postoperative Recovery Mechanisms and Retention (to be known as National Institutes of Health Project No. 1470 - Ext. #2 - Department of Psychology).
   Gross Value - $19,890.00.

   a-20. Sandia Corporation, P. O. Box 5800, Albuquerque, New Mexico, for Research Investigation of Uranium Corrosion (to be known as Sandia Corporation Project No. 1545 - C. O. #3 - Department of Metallurgical Engineering).
   Gross Value - $2,823.00.

   a-21. Systems Engineering Group, Research and Technology Division, Wright-Patterson Air Force Base, Ohio, for an Investigation of Plasma Noise Temperature Measurements (to be known as Systems Engineering Group, Research and Technology Division Project No. 1573 - Sup. #1 - Department of Electrical Engineering).
   Gross Value - $149,940.00.

   a-22. U. S. Army Biological Laboratories, Fort Detrick, Frederick, Maryland, for an Investigation of Mixed Aerosol Infections in Monkeys (to be known as U. S. Army Biological Laboratories Project No. 1576 - Mod. #6 - Department of Medicine).
   Gross Value - $9,000.00.

a-4. Life Insurance Medical Research Fund, 345 East 46th Street, New York, New York, for an Investigation of Factors Influencing Cardiac Output in Man (to be known as Life Insurance Medical Research Fund Project No. 1324 - Ext. #1 - Department of Medicine), Gross Value - $11,000.00.

a-5. American Cancer Society, Inc., 219 East 42nd Street, New York, New York, for Cancer Research (to be known as American Cancer Society, Inc. Project No. 1799 - New - Department of Pathology). Gross Value - $35,000.00.

a-6. Central Ohio Heart Association, 3416 North High Street, Columbus, Ohio, for Area Research Grant in Cardiovascular Disease (to be known as Central Ohio Heart Association Project No. 1811 - New - Department of Pharmacology). Gross Value - $7,350.00.

a-7. Central Ohio Heart Association, 3416 North High Street, Columbus, Ohio, for Area Research Grant in Cardiovascular Disease (to be known as Central Ohio Heart Association Project No. 1812 - New - Department of Medicine). Gross Value - $3,150.00.

TOTAL - Industrial and Other Contracts $95,705.00

The foregoing sixty-two contracts for research in cooperation with Government, Industry and Other represent a gross income of $1,859,549.00.

Upon motion of Mr. Jones, seconded by Mr. Dargusch, the research agreements between The Ohio State University and The Ohio State University Research Foundation for the above contracts were approved by unanimous consent.

B. The Report of the Research Contracts from the Engineering Experiment Station

During the period from February 1, 1964 through April 3, 1964, the Engineering Experiment Station of The Ohio State University entered into the following research contracts. These research contracts are reported to the Board of Trustees for information and record.
III. GENERAL CONTRACTS AND AGREEMENTS (continued)

B. The Report of the Research Contracts from the Engineering Experiment Station

1. Government Research Contracts

   SC 36 Short School for Water and Sewage Plant Operators, Ohio Department of Health, Ohio Departments Building, Columbus, Ohio. Gross Value - $3,280.00.

   TOTAL - Government Research Contracts $28,240.00

2. Industrial Research Contract

   The foregoing three contracts for research in the Engineering Experiment Station represent a gross income of $31,240.00.

C. Agreement Between the College of Medicine of The Ohio State University and Children's Hospital for an Affiliate Teaching Program

To enhance the instructional program of students in the College of Medicine, the Dean of the College of Medicine recommends that an agreement be executed between the Children's Hospital of Columbus and the College of Medicine of The Ohio State University. The professional staff of Children's Hospital, who are also members of the faculty of the College of Medicine, will collaborate in the teaching of students of the College of Medicine in a private hospital.

The Board of Trustees of Children's Hospital has indicated its willingness to participate in an affiliate teaching program, and it is therefore recommended that the President be authorized to sign such an agreement on behalf of the University effective immediately, with the understanding that there is no financial obligation on the part of the University.

Upon motion of Mr. Allyn, seconded by Mr. Ketterer, the Board of Trustees by a unanimous roll call vote authorized the President to sign an agreement between the College of Medicine of The Ohio State University and Children's Hospital for an affiliate teaching program.
III. GENERAL CONTRACTS AND AGREEMENTS (continued)

D. Agreement Between the College of Medicine of The Ohio State University and St. Anthony's Hospital for an Affiliate Teaching Program

To enhance the instructional program for postdoctorate students pursuing a course of resident training in surgery in the College of Medicine, the Dean of the College of Medicine has proposed that an agreement be executed between St. Anthony's Hospital and the College of Medicine of The Ohio State University whereby surgical residents will be given an opportunity to gain experience in the care and treatment of patients at St. Anthony's Hospital; thus, the professional staff of St. Anthony's Hospital, who are members of the faculty of the College of Medicine, will collaborate in the teaching of The Ohio State University surgical residents in a private hospital.

Should such an agreement be approved, it is expected that beginning July 1, 1964, a select number of surgical residents of the Department of Surgery of the College of Medicine would spend a portion of their time at St. Anthony's Hospital. The surgical residents would be rotated so that eventually the entire group would have had an opportunity to share in this learning experience.

The Board of Trustees of St. Anthony's Hospital has indicated its willingness to participate in an affiliate teaching program, and it is therefore recommended that the President be authorized to sign such an agreement on behalf of the University with the understanding that there is no financial obligation on the part of the University.

Upon motion of Mr. Rairdon, seconded by Mr. Davis, the Board of Trustees by a unanimous roll call vote authorized the President to sign an agreement between the College of Medicine of The Ohio State University and St. Anthony's Hospital for an affiliate teaching program.

IV. GRANTS AND GIFTS

The following grants and gifts to the University, including the establishment of certain memorial funds, are hereby reported for the record and appropriate expressions of appreciation have been conveyed.

A. Administered Through the Office of Business and Finance

1. $78,688.00 granted by the National Science Foundation to the University for support of "Sixteen Graduate Traineeships in Engineering distributed as follows: two in Aeronautical, one in Ceramic, two in Chemical, four in Electrical, three in Metallurgical, one in Sanitary and three in a field of engineering to be determined by the grantee institution," under the direction of Edward Q. Moulton, Associate Dean, Graduate School. This grant terminates on September 30, 1965. (GE-4790)

2. $27,900.00 granted by the National Science Foundation to the University for support of an "Academic Year Institute in Science and Mathematics for Secondary School and College Teachers of Science and Mathematics," under the direction of Dr. John S. Richardson, Department of Education. (GE-3388 - Amendment No. 1)
IV. GRANTS AND GIFTS (continued)

A. Administered Through the Office of Business and Finance (continued)

3. $25,000.00 granted by the Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, to the University for "Undergraduate Clinical Training," under the direction of Dr. James V. Warren, Department of Medicine, for the period March 1, 1964 through February 28, 1965. (Grant 5 T2 HE 5035-11)

4. $17,250.00 from the Alfred P. Sloan Foundation, 630 Fifth Avenue, New York, New York 10020, to the University for the Alfred P. Sloan Research Fellowship for Dr. James R. Gaines, Department of Physics.

5. $13,988.99 from The American Medical Association Fund to the College of Medicine for medical education.

6. $12,839.00 granted by the Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, to the University for "Ventricular Activation and Chronic Congestive Heart Failure," under the direction of Dr. Robert L. Hamlin, Department of Veterinary Physiology and Pharmacology, for the period April 1, 1964 through March 31, 1965. (Grant 5-K3-HE-13, 524-02)

7. $10,860.00 granted by the National Science Foundation to the University for support of an "In-Service Institute in Physics for Secondary School Teachers of Science and Mathematics," under the direction of Professor William R. Riley, Department of Physics. This grant terminates June 30, 1965. (GE-4408)

8. $4,180.00 granted by the National Science Foundation to the University for support of an "In-Service Institute in Mathematics for Secondary School Teachers of Mathematics," to be held at Marion under the direction of Professor Harold C. Trimble, Department of Education. This grant terminates June 30, 1965. (GE-4633)

9. $3,580.00 granted by the National Science Foundation to the University for support of an "In-Service Institute in Mathematics for Elementary School Personnel," to be held at Marion under the direction of Professor Harold C. Trimble, Department of Education. This grant terminates June 30, 1965. (GE-4630)

TOTAL - Through the Office of Business and Finance $194,285.99

B. Received Through the Development Fund

1. $29,091.34 from Russell Horn and H. Claude Peer, representing a bequest under the Will of Claudia L. Melick, deceased, for the Cyrus A. Melick Memorial Fund.
B. Received Through the Development Fund (continued)

1. Cyrus A. Melick Memorial Fund (continued)

Cyrus A. Melick Memorial Fund

The Cyrus A. Melick Memorial Fund was established March 11, 1964, by a bequest from Claudia L. Melick, deceased, made in memory of her deceased husband, Cyrus A. Melick (C.E. '03, D.C.E. '11). The principal is to be invested under rules and regulations adopted by the Board of Trustees of The Ohio State University with right to invest and reinvest as occasion dictates. The income is to be used for scholarships in Civil Engineering to be awarded under the direction of the Board of Trustees of The Ohio State University in such amounts and to such students as it shall determine or direct. In addition to the use of the income the principal may be invaded for the same use as the income if the Board of Trustees shall so determine. Scholarships from this fund may be made available to freshmen who have finished high school with high standing in their studies.

2. $21,000.00 from Procter and Gamble Company, Cincinnati, Ohio, for research and fellowships in the College of Dentistry.

3. $17,000.00 from the Estate of Clara Ewalt, representing a bequest under Item 7 of the Last Will and Testament of Clara Ewalt, to establish The Clara Ewalt Memorial Scholarship Fund.

The Clara Ewalt Memorial Scholarship Fund

The Clara Ewalt Memorial Scholarship Fund was established April 10, 1964, by a bequest under Item 7 of the Last Will and Testament of Clara Ewalt, B.Ph. '01, M.A. '03.

The principal is to be invested in accordance with Sec. 3345.16 G. C.

The candidates shall be chosen by a board composed of the Dean of the College of Arts and Sciences, the Secretary of the Board of Trustees, and the President of the University. Recommendations for awards may be made by any college or department. Scholarship awards should only be made to students of superior character and outstanding scholastic ability who give promise of future usefulness to society and who would be unable financially, except for the scholarship grant, to commence or complete a complete college educational program. Scholarship grants shall be made for a period of one year only but any successful candidate shall be eligible for renewal of the grant if he or she successfully performed during the preceding academic year.

The said scholarship board shall have the authority to grant any number of scholarships it, in its discretion, considers advisable during any year and may, if it so elects, refrain from granting any scholarship for any period. In any year in which no scholarship is granted the income for that year shall be added to the principal.
April 17, 1964 meeting, Board of Trustees

IV. GRANTS AND GIFTS (continued)

B. Received Through the Development Fund (continued)

3. The Clara Ewalt Memorial Scholarship Fund (continued)

The following charge is placed upon the use of the income. Should any child or grandchild of Russell Ewalt qualify for admission to The Ohio State University then such person shall receive a grant equivalent to the total scholarship award and shall receive the same as long as he or they are in good standing at The Ohio State University. If more than one child or grandchild of Russell Ewalt is enrolled at the University at the same time, there shall be a division of the income from this fund so that each such child enrolled shall receive an equal amount each year. This grant-in-aid to children or grandchildren of Russell Ewalt shall extend from the first year of undergraduate study through graduate study.

4. $10,000.00 from the Bremer Foundation, Youngstown, Ohio, for research in medicine.

5. $8,517.00 from the Charles F. High Foundation, Bucyrus, Ohio, for scholarships.

6. $8,482.00 from the Trust under the Will of Anna Roessler for scholarships in the College of Medicine.

7. $8,000.00 from Children's Hospital, Columbus, Ohio, for research in child development by the Department of Pediatrics.

8. $7,000.00 from Esso Research and Engineering Company--$3,500.00 for support of graduate research in the Department of Chemical Engineering and $3,500.00 for support of graduate training and research in the Department of Chemistry.

9. $7,000.00 from the Estate of Ella Pontius, to the College of Medicine, University Hospital Emergency Fund.

10. $7,000.00 from The General Foods Fund, Inc., New York, New York, for fellowships in the School of Home Economics.

11. $6,000.00 from the Roche Anniversary Foundation, Montclair, New Jersey, for research in the Department of Chemistry.

12. $5,000.00 from Wyeth Laboratories, Philadelphia, Pennsylvania, to the College of Medicine, University Hospital Emergency Fund.

13. $5,000.00 from The Sears Roebuck Foundation, Chicago, Illinois, for the National Center for Advanced Study and Research in Agricultural Education.

14. $4,634.00 from the Grace High Washburn Trust for undergraduate scholarships.
April 17, 1964 meeting, Board of Trustees

IV. GRANTS AND GIFTS (continued)

B. Received Through the Development Fund (continued)

15. $4,200.00 from the Alfred P. Sloan Foundation for the Alfred P. Sloan Scholarship Fund.

16. $3,875.00 from Theodore N. Beckman to be added to the Theodore N. Beckman Fund for Research in Marketing. (The total in this fund is $10,000.00.)

17. $3,000.00 from Minnesota Mining and Manufacturing Company for "3M" Fellowship in Ceramic Engineering.

18. $3,000.00 from Ethicon, Inc. for research in the Department of Obstetrics and Gynecology.

19. $2,700.00 from Everett D. Reese for the Everett D. Reese Scholarship and Loan Fund.

20. $2,500.00 from Dorothy H. and Lewis Rosenstiel Foundation for the Heart Holding Fund.

21. $1,650.00 from Mrs. William M. MacNevin to be added to the William Marshall MacNevin Memorial Fund.

22. $1,500.00 from Universal Oil Products Company, Des Plaines, Illinois, for a scholarship program for students in the Department of Chemical Engineering--$1,000.00 to be used to continue the UOP scholarships for upperclassmen and the balance to be used for any purpose the Department may deem worthwhile.

23. $1,300.00 from Medical Research Consultants, Inc. for research in the Department of Obstetrics and Gynecology.

24. $1,000.00 from The Mead Corporation Foundation--$500.00 to the College of Commerce and Administration and $500.00 to the College of Engineering.

25. $1,000.00 from Helen S. Bernstein, widow of Louis G. Bernstein, for the Louis G. Bernstein Memorial Fund.

Louis G. Bernstein Memorial Fund

The Louis G. Bernstein Memorial Fund was established February 1, 1964, by a gift through the Development Fund from Helen S. Bernstein, widow of Louis G. Bernstein, B.Sc. in Bus. Adm. '20, in his memory.

The principal and any additions thereto are to be invested in accordance with rules and regulations adopted by the Board of Trustees of The Ohio State University, with right to invest and reinvest as occasion dictates.
April 17, 1964 meeting, Board of Trustees

IV. GRANTS AND GIFTS (continued)

B. Received Through the Development Fund (continued)

25. Louis G. Bernstein Memorial Fund (continued)

The income is to be used for scholarships to deserving students of good character and need shall be a factor. It is my wish that these scholarships be awarded to students specifically interested in cancer research whenever possible, it being understood that this is a request only and not a directive. In any year when such a student is not available the scholarship or scholarships may be awarded to any student at the University who has need and who qualifies for a scholarship academically under University regulations.

26. $1,000.00 from William R. Kenan, Jr., Lockport, New York, to establish the John F. Lyman Memorial Scholarship Fund. (The purpose for the fund is to be designated later.)

27. $1,000.00 from John Dana Cole for deposit in the University's Unrestricted Endowment Fund.

28. $1,000.00 from Clyde G. Conley for the Clyde G. Conley Memorial Fund in Engineering.

29. $1,000.00 from John F. Jones for College of Law Student Financial Aids Fund.

30. $1,000.00 from the Erie County Cancer Society for cancer research.

31. $1,000.00 from Leo Yassenoff for the College of Law Emergency Fund.

TOTAL - Through the Development Fund $175,449.34

C. Gift-in-Kind

1. A gift of equipment from Herbert D. Woolf, O.D., to the School of Optometry. (Appraised at $1,000.00)

Upon motion of Mr. Rairdon, seconded by Mr. Davis, the above report of grants and gifts, including the establishment of certain memorial funds, was accepted by unanimous vote, and the Secretary was instructed to include the report in the minutes of this meeting.

D. Report from The Ohio State University Development Fund

1. February, 1964

In February, 1964, The Ohio State University Development Fund received gifts on behalf of the University as follows:

V. APPROPRIATIONS AND TRANSFER OF FUNDS

A. Orientation Program for New Faculty

Upon the recommendation of Dr. Frederic Heimberger, Vice President for Instruction and Dean of Faculties, and with the concurrence of the President's Cabinet, it is recommended that an amount not to exceed $600,00 be appropriated from the University Treasurer General Fund to the Committee on Orientation of New Faculty Members, for the purpose of defraying the expenses for this orientation program.

Upon motion of Mr. Bricker, seconded by Mr. Ketterer, the above recommendation for appropriation of funds was approved by a unanimous roll call vote.
B. Annual Recognition Dinner - May 11, 1964

Upon the request of the Executive Director for University Relations, and with the concurrence of the Committee on Recognitions, it is recommended that the annual Recognition Dinner for faculty and staff, sponsored by the Board of Trustees, be held on Monday, May 11, 1964, at 6:15 p.m., in the Ohio Union, and that a sum not to exceed $3,450.00 be appropriated from Endowment 4002 for expenses.

Upon motion of Mr. Davis, seconded by Mr. Ketterer, the appropriation of $3,450.00 for the annual Recognition Dinner was approved by a unanimous roll call vote.

C. Appropriation for Completion of Research Project - "Research Space, East Side of Stadium - Phase II"

At the request of the Vice President for Research, and with the concurrence of the Vice President for Business and Finance and the President's Cabinet, it is recommended that $7,200.00 be allocated from the University Treasurer Research Subaccount (b) to complete Rooms 109L and 110L and for painting and floor tile for six additional rooms of the project, "Research Space, East Side of Stadium, Phase II."

Upon motion of Mr. Davis, seconded by Mr. Rairdon, the above recommendation for appropriation of funds was approved by a unanimous roll call vote.

D. Improvements to Fifth Avenue Dam Across the Olentangy River Between Fifth and King Avenues

On December 13, 1963, the Board of Trustees approved the plans and specifications for this project with the funds to be provided from the proceeds of Issue No. 1.

It has been determined that funds will not be released from S. B. 370 for this purpose, and it is therefore recommended that an amount not to exceed $110,000.00 be appropriated from the University Treasurer General Fund for the purpose of raising the crest of the existing Fifth Avenue Dam eighteen inches and to make minor repairs to the existing spillway, apron and abutments. The increased pool capacity will benefit the present University power and heating facilities and provide a water plane through the area to be occupied by the Center for Tomorrow.

Upon motion of Mr. Loop, seconded by Mr. Jones, the above recommendation was approved by unanimous roll call vote.
VI. EXTRA AND CREDIT ORDERS AND EXTENSIONS OF TIME TO CONTRACTS

At the request of the Council on Business Affairs, and with the concurrence of the Cabinet, it is recommended that the Extra and Credit Orders to Contracts and Extensions of Time for completion of contracts as outlined below be approved by the Board of Trustees and submitted to the Director of Finance, State of Ohio, for approval and allocation of funds as indicated.

A. Miami University - The Ohio State University - Dayton Campus, Phase I

1. General Contract
   a. It is recommended that panic hardware be installed on certain pairs of "B" labeled doors--Nos. 112, 113, 120, 201, 208, 301, 308, 401 and 403.  Add $2,328.15
   b. Music Room #11. Enlarge this area by including a bay from the adjoining storage room. Provide new flooring and ceiling in Col. Row Bay H to J and 5 to 6; new door, frame and hardware for Door 19 same as Door 13; paint concrete walls in Col. Row J from Col. 5 to 6 and Col. Row 6 from Col. H to J; and provide a coat rack on concrete block wall in Col. Row 6.  Add $1,595.77

2. Mechanical Contract
   a. Music Room #11. Provide additional sheet metal work and insulation in connection with the revisions in Item 1-b.  Add $520.00

3. Electrical Contract
   a. Music Room #11. Provide additional electrical fixtures, boxes, conduit and fittings, wire and devices and plates.  Add $931.00

Funds for these extra orders in the amount of $5,374.92 are provided in Budget Account 91017.

B. Repairs to Rooms 473, 476, 478, 479 and N-729, University Hospital

1. Plumbing Contract
   It is recommended that one additional oxygen outlet and two additional vacuum outlets be provided, mounted in the console panels in each of Operating Rooms #473 and #479; and that 16 custom-made machined adapters be provided for all new oxygen and vacuum outlets in lieu of adapters as specified.  Add $817.55
VI. EXTRA AND CREDIT ORDERS AND EXTENSIONS OF TIME TO CONTRACTS
(continued)

B. Repairs to Rooms 473, 476, 478, 479 and N-729, University Hospital
(continued)

2. Electrical Contract

It is recommended that the following changes be made:

a. Provide 8" x 1-1/2" Walker electric ducts below the finished floors in Operating Rooms 473 and 479 connecting console panels at each side of each room with a terminal panel in the corridor. This work will provide for future installation of surgical monitoring devices and should be done before the floor fill and finished floors are installed. Add $1,433.30.

b. In lieu of reinstalling existing clock in Room 478, provide a new synchronized clock, similar to those in the other Operating Rooms. This clock will be tied in with the existing hospital synchronization system. Add $175.00.

c. Install the motorized dimmer switches for lights in Room 476 in the corridor drinking fountain recess instead of in Room 472 where explosive gases will be worked with and stored. This change will eliminate the danger of sparking from the switches. Add $27.00.

Total addition $1,635.30

Funds for these extra orders in the amount of $2,452.85 will be provided from the University Hospital Rotary.

C. Research Space - East Side of Stadium (Phase II)

General Contract

It is recommended that movable metal office-type partitions be provided in Rooms 109L and 110L; asphalt tile flooring, rubber base and wall painting be provided in Rooms 108L, 108M, 108N, 108P, 108R, 108S, 109L and 110L; and seal the openings at six of the original Stadium columns at the 752.08' level with 3" of concrete. Add $3,074.43

Funds for this extra order are available in Budget Account 91020.

April 17, 1964 meeting, Board of Trustees

VI. EXTRA AND CREDIT ORDERS AND EXTENSIONS OF TIME TO CONTRACTS
(continued)

D. Student Housing, Building No. 12 (Drackett Tower)

Electrical Contract

It is recommended that an additional cable be provided between Building No. 12 and Building No. 6 and additional oil switches be provided in each building on the primary electric distribution system. These changes will permit the eventual completion of a cable loop in the North Dormitory Complex which will permit feeding electricity to the entire area through either of the two present feeders. 

Add $8,429.00

Funds for this extra order are available in the Dormitory Construction Fund.

E. Addition to Antenna Laboratory

Electrical Contract

It is recommended that feeders, outlets, wiring and main breakers for special services at Laboratory Panels be provided as specified in Alternate E-1. 

Add $9,652.00

Funds for this extra order are available in Budget Account 91019.

F. Replacement of Contagious Wing Incinerator, University Hospital

Because of a delay in the receipt of Controlling Board approval, it is recommended that an extension of time for completion of the contract be granted for this project from April 1, 1964 to July 1, 1964.

Upon motion of Mr. Jones, seconded by Mr. Davis, the above recommendation was approved by unanimous roll call vote.

XI. RESOLUTION IN MEMORIAM

President Fawcett reported to the Board the death of Robert Gildersleeve Paterson, Professor Emeritus, Social Administration, and in accordance with instructions of the Board of Trustees, a copy of the following resolution expressing on behalf of the University the sorrow and sympathy of the Board has been furnished to the family of the deceased.

A. Robert Gildersleeve Paterson

The Board of Trustees expresses its sorrow at the death on March 11, 1964, in Tryon, North Carolina, of Robert Gildersleeve Paterson, Professor Emeritus, Social Administration.

Professor Paterson was born in Columbus, Ohio, on September 18, 1882. He received the B.A. degree from The Ohio State University in June 1905, a Certificate from the New York School of Social Work (now Columbia University, School of Social Work) in 1906, the M.A. degree from Columbia University in 1907, and the Ph.D. degree from the University of Pennsylvania in 1909.

Professor Paterson joined the faculty as an Assistant Professor of Public Health, Department of Public Health and Sanitation, College of Medicine, in 1915 and served until 1920. From 1925 to 1933, he was a Lecturer in Public Health in the Department of Sociology and the School of Social Administration of the University. From 1933 until the time of his retirement in December 1947, he served as a Professor, part time, in the School of Social Administration, which he helped to organize in 1927.

Dr. Paterson became the first paid Executive Secretary of the Ohio State Society for the Prevention of Tuberculosis in May 1911. In the years 1912 and 1913 Dr. Paterson, representing the Ohio Society, was instrumental in the creation of the Division of Tuberculosis in the Ohio State Board of Health, the first such division in the United States. He became the first Secretary and Executive Officer of the new Division, serving from May 15, 1913 to September 1, 1916, during which time he organized a tuberculosis program, a public health nursing service, and a public health education program.

During World War I, Dr. Paterson assisted in the organization of the American Red Cross Commission to Italy.
XI. RESOLUTION IN MEMORIAM (continued)

A. Robert Gildersleeve Paterson (continued)

For over forty years, he devoted his energies to combat tuberculosis in Ohio and the United States, serving as Executive Secretary of the Ohio Society, later to become the Ohio Tuberculosis and Health Association. His interest and activity assisted in the development of tuberculosis organizations in other states and of the National Tuberculosis Association.

Dr. Paterson was known as an inspiring teacher in public health organization and assisted many graduate students in preparing for careers in tuberculosis societies and community health organizations in local social planning councils. Through Dr. Paterson's interest and effort, a scholarship in community health organization was established in the School of Social Administration (now School of Social Work).

Dr. Paterson was the author of many papers, pamphlets, and monographs dealing with tuberculosis and public health. He was the author of a textbook, "Foundations of Community Health Education," published in June 1950.

Upon motion of Mr. Dargusch, seconded by Mr. Bricker, the Board of Trustees unanimously expressed to the family its deep sympathy and directed that this resolution be inscribed upon the minutes of the Board of Trustees.

XII. REPORTS

A. Report of the Finance and Investment Committee--
University's Investment Portfolio

The reports of the University's Investment Portfolio dated February 28, 1964 and March 31, 1964, as approved by the Finance and Investment Committee of the Board, were received by the Board of Trustees, and the Secretary was instructed to file a copy of the reports with the official records of the Board of Trustees. The Committee's report included the following resolution:

Sale of Land (Portion of Mitchell Tract, Route 161)
to Adjutant General's Department, State of Ohio

Whereas, the Adjutant General's Department of the State of Ohio desires a site for Ohio National Guard Armory and Aviation Operations in the vicinity of University Airport and,

Whereas, the Board of Trustees has title in its Investment Portfolio to a tract of land on the north side of University Airport which would be suitable for such use in accordance with the University's official Master Plan for Don Scott Field, and,

Whereas, the Adjutant General's Department has offered to purchase approximately 26 acres comprised of an eighteen-acre tract at $2,880.00 per acre and an eight-acre tract at $1,664.00 per acre, totaling $65,152.00 for the 26 acres.

Therefore, Now Be It Resolved that the Vice President for Business and Finance have the desired tract surveyed and a legal description prepared and,

Be It Further Resolved that the President and Treasurer are hereby authorized and empowered to execute a deed transferring the land to the Adjutant General's Department, State of Ohio, upon payment of the above stipulated $65,152.00, this money to be deposited in the University's Investment Portfolio.

The above resolutions, authorizing the sale of certain land held in the Investment Portfolio, were adopted by unanimous consent.

B. Report on Highlights of Campus Activities

In concluding the meeting, President Fawcett reviewed some of the accomplishments and activities of the University during the period since the February 14, 1964 meeting of the Board of Trustees. The report, which is filed with the official records of the Secretary, included:

1. A report of the establishment of a new division to coordinate all research activities in the College of Commerce and Administration to be administered by Assistant Dean for Research, Dr. Carroll L. Shartle.

2. The announcement that the University ranked eighth in the Nation in the number of Ph.D's granted in the area of engineering (39) during the 1962-1963 academic year, according to a report in the Journal of Engineering Education.

3. A report of the Administrative Council's action to equalize the four quarters of the academic year.

4. An announcement of the recipients of the Alumni Distinguished Teaching Awards, which were presented at the Winter Quarter Faculty Meeting on March 5, 1964.

   Dr. Linden F. Edwards, Professor, Department of Anatomy
   Professor Hoyt L. Sherman, Professor, School of Art
   Dr. Clyde C. Allison, Professor, Department of Botany and Plant Pathology
   Dr. Meno Lovenstein, Professor, Department of Economics
   Dr. Henry E. Wenden, Professor, Department of Mineralogy
C. Report Concerning the Location of a Branch Campus in North Central Ohio (Mansfield Area)

President Fawcett reported to the Board for information that the Board of Regents at its last regular meeting held on April 10, 1964, recommended release of planning money for a branch campus "to be located in the vicinity but to the west of Mansfield, on land to be donated by the community." The University will proceed promptly to complete its site selection studies and report the location of the site to the appropriate citizens advisory board of the Mansfield area. The site will then be purchased with funds provided by the citizens of the area served--Mansfield, Bucyrus, Galion, Shelby, and Crestline.

Thereupon the Board adjourned to meet Friday, May 15, 1964, at The Ohio State University, Columbus, Ohio, at ten o'clock.

Attest:

John T. Mount
Secretary

Thomas F. Patton
Chairman
Columbus, Ohio, May 15, 1964

The Board of Trustees met at its regular monthly meeting on Friday, May 15, 1964, at The Ohio State University, Columbus, Ohio, pursuant to adjournment.

Present: Smith L. Rairdon, Vice Chairman, Alan B. Loop, Jacob E. Davis, Stanley C. Allyn, John W. Bricker, Carlton S. Dargusch, John G. Ketterer, and Frederick E. Jones.

Minutes of the last meeting were approved.
May 15, 1964 meeting, Board of Trustees

ELECTION OF OFFICERS

Mr. John W. Bricker moved that the following-named persons be placed in nomination as officers for the Board of Trustees, whose terms shall be effective immediately and shall continue through the May 1965 meeting of the Board:

- Chairman - Smith L. Rairdon
- Vice Chairman - Alan B. Loop
- Secretary - John T. Mount
- Treasurer - Gordon B. Carson

Mr. John Ketterer seconded the motion and with Mr. Stanley C. Allyn in the chair, the above-named persons were elected to the offices as indicated by acclamation of the Board.

- o -

The newly elected Chairman, Mr. Rairdon, then invited Mr. Alan Loop to present a statement on behalf of the Board of Trustees in recognition of the meritorious service of Mr. Thomas F. Patton, the retiring Chairman of the Board of Trustees.

A TRIBUTE TO THOMAS F. PATTON

Mr. Loop presented the following statement:

Each of us on this Board, President Fawcett and his Cabinet, the faculty and student body, and the Alumni wherever they may be, will feel the impact of Mr. Patton's retirement as a Trustee of this great University.

He has given generously of his time, energy, and worldly goods to this University. From the day in 1926 when he graduated, with honors, from our College of Law, to this very moment he has been unselfishly dedicated to repaying what we have heard him describe as "a graduate's obligation to his University."

Mr. Patton over his years as a graduate has served as a member of the Board of Directors of The Ohio State University Association, as a member of the Alumni Advisory Board, and in addition has enjoyed the distinct honor of being elected National President of The Ohio State University Association for the 1945-47 term. On May 13, 1964 he completed seven years as a member of this Board of Trustees. During the last year as our Chairman, he devoted many hours in leading the successful campaign for the $250,000,000 Bond Issue--a matter so important to all of Ohio, and to his Alma Mater.

The enviable stature of Tom Patton in this country and abroad is well known. His eminence as a leader of men and of industry has already become legendary. But above all, he possesses one of the finest of virtues--he is instinctively and innately an extremely courteous man. It is said that courtesy, in the final analysis, is merely "awareness of

others. " We all felt better in his presence and we will all do better for
The Ohio State University in the days ahead because of having been exposed
to the delightful personality of this kind and generous gentleman.

Upon motion of Mr. Allyn, seconded by Mr. Davis, the Secretary was instructed by
unanimous vote to spread this excellent and well-deserved statement upon the record
and to send a copy of the statement to Mr. Patton.

President Fawcett added his enthusiastic support to the above statement on behalf of
the administration, faculty, and students of the University. President Fawcett was
authorized by the Board to present the following certificate of grateful acknowledg-
ment of Mr. Patton's distinguished service to the University.

The Ohio State University

in recognition of duty well performed
upon completion of distinguished service to the University
as a dedicated member of the Board of Trustees and a
faithful custodian of our educational heritage, the
Board of Trustees conveys deep appreciation and good wishes to

Thomas F. Patton

a loyal alumnus of the University. In grateful acknowledgement
this certificate is presented, by resolution of the Board.

Given at Columbus on the fifteenth day of May in
the year of our Lord nineteen hundred sixty-four.

Smith L. Raines
President of the University

John T. Mount
Secretary of the Board of Trustees
President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Naming of Building - "The College of Pharmacy"

Upon the recommendation of Dean Lloyd M. Parks and the faculty of the College of Pharmacy, and with the concurrence of Mr. Frederick Stecker, Executive Director for University Relations, it is proposed that the new building to be erected for the College of Pharmacy on the north side of 12th Avenue, north of Upham Hall, be known as "The College of Pharmacy."

This proposal has the concurrence of the President's Cabinet and is in accordance with the By-Laws of the Board of Trustees. It is hereby recommended for your approval.

Upon motion of Mr. Allyn, seconded by Mr. Loop, the Board of Trustees by a unanimous roll call vote approved the naming of the new building to be erected for the College of Pharmacy on the north side of 12th Avenue, north of Upham Hall.

B. Distinguished Service Awards

In 1952 the Board of Trustees established the Distinguished Service Award to be given in recognition of eminent and illustrious service to The Ohio State University. The President's Cabinet, which serves as the Committee on Distinguished Service Awards, has nominated for consideration by the Board of Trustees the following-named persons to receive the Distinguished Service Award at the August 28, 1964 Commencement:

Viva Belle Boothe
John Bernis Brown
Josephine Sitterle Failer
Fred Andrews Hitchcock
Everett David Reese

Upon motion of Mr. Davis, seconded by Mr. Bricker, the above nominations for the Distinguished Service Award were approved by a unanimous roll call vote.

II. PERSONNEL CHANGES

It is recommended that all personnel changes since the April 17, 1964 meeting of this Board, as recorded in the official "Salary Roll" of the University, be approved by the Board. These changes include the following Changes in Titles and Administrative Responsibilities, Leaves of Absence Without Salary, and Emeritus Titles:
II. PERSONNEL CHANGES (continued)

A. Changes in Titles and Administrative Responsibilities - Ohio Cooperative Extension Service

That effective July 1, 1964, the titles and administrative responsibilities for the following-named persons be changed as indicated below. All salary adjustments to be made in connection with these changes in duties will be included in the 1964-65 personnel services budget which will be presented to the Board of Trustees at its June 1964 meeting.

Roy M. Kottman from Dean of the College of Agriculture and Home Economics to Dean of the College and Director of the Ohio Cooperative Extension Service. He will continue as the Director of the Ohio Agricultural Experiment Station.

Edwin L. Kirby from Acting Director of the Ohio Cooperative Extension Service to Associate Director of the Ohio Cooperative Extension Service. He will continue to hold the rank of Professor in the Department of Agricultural Education.

B. Leaves of Absence Without Salary

Edward C. Naber, Professor (part time - 55%), Poultry Science, September 1, 1964 through June 30, 1965, to be a Visiting Professor at the University of Wisconsin.

Francis W. Niedenfuhr, Professor, Engineering Mechanics, October 1, 1964 through September 30, 1965, to accept a post with the Institute for Defense Analyses, Washington, D. C.

Kenneth L. Karst, Professor, College of Law, October 1, 1964 through December 31, 1964, to teach at UCLA.

John W. Sharp, Professor (part time - 44%), Agricultural Economics and Rural Sociology, June 1, 1964 through May 31, 1965, to direct the agricultural economics research in the area of food storage and processing in foreign countries for Weitz-Hettelsater Engineers of Kansas City.

Richard U. Sherman, Jr., Mershon Professor of Economics, Mershon Committee on Education, October 1, 1964 through June 30, 1965, to teach at National War College, Washington, D. C.

Walter F. Loeb, Assistant Professor, College of Veterinary Medicine - Administration and Veterinary Pathology, July 1, 1964 through June 30, 1965, to complete work on the Ph.D. degree at Michigan State University.

Lloyd C. Parks, Assistant Professor, English, October 1, 1964 through September 30, 1965, to continue his Fulbright grant in France.
II. PERSONNEL CHANGES (continued)

C. Emeritus Titles

Harold P. Fawcett, Education, with the title Professor Emeritus, effective September 1, 1964.

George E. Large, Civil Engineering, with the title Professor Emeritus, effective July 1, 1964.

Robert E. Mathews, College of Law, with the title Professor Emeritus, effective July 1, 1964.

Ralph S. Paffenbarger, Engineering Drawing, with the title Professor Emeritus, effective July 1, 1964.

Harrison B. Summers, Speech, with the title Professor Emeritus, effective July 1, 1964.

John Gersten, Anatomy, with the title Associate Professor Emeritus, effective July 1, 1964.

Robert C. Higgy, Electrical Engineering, with the title Associate Professor Emeritus, effective July 1, 1964.

Eunice J. Wertenberger, School of Home Economics, with the title Assistant Professor Emeritus, effective July 1, 1964.

Upon motion of Mr. Bricker, seconded by Mr. Ketterer, the Changes in Titles and Administrative Responsibilities, Leaves of Absence Without Salary, Emeritus Titles, and the personnel changes recorded in the official "Salary Roll" of the University were approved unanimously by roll call vote, and the Secretary was instructed to file these changes in the "Salary Roll" with the official documents of the University.

III. GENERAL CONTRACTS AND AGREEMENTS

A. The Ohio State University and The Ohio State University Research Foundation

In accordance with the Memorandum of Agreement between The Ohio State University and The Ohio State University Research Foundation approved by this Board on September 5, 1950, it is recommended that the research agreements for the following projects administered through the Research Foundation be approved and recorded in the minutes of this meeting.

1. Government Contracts - Federal

a. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Excitation and Inhibition in the Vertebrate Retina (to be known as National Institutes of Health Project No. 782 - Ext. #6 - Institute for Research in Vision). Gross Value - $34,599.00.
III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

b. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for A Servoanalytic Study of the Myotatic Reflex System (to be known as National Institutes of Health Project No. 1101 - Ext. #4 - Department of Physiology).
   Gross Value - $11,048.00.

   Gross Value - $6,460.00.

   Gross Value - $19,680.00.

e. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Control of Pituitary ACTH Secretion (to be known as National Institutes of Health Project No. 1272 - Ext. #3 - Department of Pharmacology).
   Gross Value - $24,552.00.

f. Department of Health, Education and Welfare, Public Health Service, Bureau of State Services, Washington, D. C., for The Professionalization of Dental Students (to be known as Bureau of State Services Project No. 1283 - Ext. #3 - Department of Sociology and Anthropology).
   Gross Value - $15,218.00.

g. Department of Health, Education and Welfare, Public Health Service, Bureau of State Services, Washington, D. C., for Improving Competence of Nursing Faculty in Research (to be known as Bureau of State Services Project No. 1384 - Ext. #2 - School of Nursing).
   Gross Value - $34,336.00.

h. Systems Engineering Group, Research and Technology Division, Wright-Patterson Air Force Base, Ohio, for Research on Similarity Parameters Relating Model Tests in High-Enthalpy Hypersonic Wind Tunnels to Corresponding Full-Scale Flight Conditions (to be known as Systems Engineering Group, Research and Technology Division Project No. 1580 - Mod. #3 - Department of Aeronautical and Astronautical Engineering).
   Gross Value - $50,725.00.

IV. GRANTS AND GIFTS

The following grants and gifts to the University, including the establishment of a scholarship fund, are hereby reported for the record and appropriate expressions of appreciation have been conveyed:

A. Administered Through the Office of Business and Finance

1. $38,592.00 granted by the Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, to the University for "Graduate Training in Social Sciences," under the direction of Dr. Raymond F. Sletto and Dr. Saad Z. Nagi, Department of Sociology and Anthropology, for the period July 1, 1964 through June 30, 1965. (Grant 5 T1 MH-7853-03)

2. $35,464.00 granted by the U. S. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, to the University for "Graduate Training - Psychiatric Social Work," under the direction of Mrs. Miriam E. Prince, for the period July 1, 1964 through June 30, 1965. (Grant 5 T1 MH-6530-08)

3. $29,524.00 granted by the Department of Health, Education and Welfare, Welfare Administration, Children's Bureau, Washington, D. C. 20201, to the University for "Child Welfare Training Grant," under the direction of Professor Everett C. Shimp and Professor Leonard Schneiderman, for the period July 1, 1964 through June 30, 1965. (Project No. 45)

4. $29,235.00 granted by the Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, to the University for "Graduate Training - Arthritis and Metabolic Diseases," under the direction of Dr. George J. Hamwi, Department of Medicine, for the period July 1, 1964 through June 30, 1965. (Continuing project reported to the Board May 18, 1962.) (Grant T1 AM 5118-08)

5. $28,975.00 granted by the Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, to the University for "Training Grant - Neurological Diseases and Blindness," under the direction of Dr. James V. Warren, Department of Medicine, for the period July 1, 1964 through June 30, 1965. (Grant 1 T8 NB 10, 031-01)

6. $21,589.00 granted by the U. S. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, to the University for "Undergraduate Training - Psychiatric Nursing," under the direction of Professor Mildred E. Newton, School of Nursing, for the period July 1, 1964 through June 30, 1965. (Grant 2 T2 MH-6375-08)

7. $21,395.00 granted by the Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, to the University for a "Development Award - Energy Conversion in Primary Bio-photoprocesses," under the direction of Dr. H. H. Nielsen, Chairman, Department of Physics, for the period April 1, 1964 through March 31, 1965. (Grant 1-K3-GM-21,946-01)
IV. GRANTS AND GIFTS (continued)

A. Administered Through the Office of Business and Finance (continued)

V. APPROPRIATION AND TRANSFER OF FUNDS

A. Appropriation for the Development of a Research Project

At the request of the Vice President for Research, and with the concurrence of the Vice President for Business and Finance and the President's Cabinet, it is recommended that $9,000.00 be appropriated from the University Treasurer Research Subaccount (a) to supplement the funds now available in departmental accounts for the purchase of the component parts for a mass spectrometer to be assembled by the faculty of the Department of Geology.

Upon motion of Mr. Bricker, seconded by Mr. Davis, the above recommendation for appropriation of funds was approved by a unanimous roll call vote.

VI. EXTRAS, CREDITS AND EXTENSIONS OF TIME TO CONTRACTS

At the request of the Council on Business Affairs, and with the concurrence of the Cabinet, it is recommended that the Extra Orders, Credit Orders and Extensions of Time to Contracts as outlined below be approved by the Board of Trustees and submitted to the Director of Finance, State of Ohio, for approval and allocation of funds as indicated in each case.

A. Housing for Metallurgical and Mineralogical Laboratories

Electrical Contract

It is recommended that the 200 amp. buss duct on the basement ceiling be relocated to clear previously relocated ducts. Add $990.00

Funds for this extra order are available in Account 806, H. B. 711.
VI. EXTRAS, CREDITS AND EXTENSIONS OF TIME TO CONTRACTS (continued)

B. Student Housing, Building No. 12 (Drackett Tower)

It is recommended that an emergency engine-generator be furnished and installed in the basement of Drackett Tower to supply emergency current for four elevators, all of the exit lights, 1/3 of the corridor lights, 1/2 of the stairwell lights, and one water booster pump. In order to accomplish this work the following extra orders should be issued.

1. Electrical Contract - $22,070.00
2. Plumbing Contract - $1,895.00
3. General Contract - $907.50

Total addition $24,872.50

Funds for these extra orders are available in the Dormitory Construction Account.

C. Elevated Water Storage Tank

It is recommended that the following changes be made:

1. Furnish two full field coats of standard aluminum paint in addition to the patch coat of primer on the exterior surfaces of the elevated tank in lieu of the two coats of vinyl paint specified.
2. Eliminate aluminum paint on the inside surface of the bell.
3. Provide two full field coats of aluminum in addition to the patch coat of primer on the inside surface of the shaft.
4. Provide two coats of bright red painted lettering in lieu of one coat of vinyl paint.

Deduct $998.00

Funds for this project were provided from Budget Account 19945.
May 15, 1964 meeting, Board of Trustees

VI. EXTRAS, CREDITS AND EXTENSIONS OF TIME TO CONTRACTS (continued)

D. Addition to Antenna Laboratory

**Heating and Ventilating Contract**

It is recommended that a 2" steam line and a 1" return line be relocated from the second floor ceiling in the laboratories along the south side of the existing building to a position above the ceiling in the corridors.  

Add $1,186.00

Funds for this extra order will be provided from Budget Account 91019.

E. Repairs to Rooms 473, 476, 478 and N-729, University Hospital

It is recommended that an extension of time for completion of contracts on all divisions of this project be approved from April 24, 1964 to May 24, 1964, for the following reasons:

1. Field measurements for the stainless steel surgical consoles could not be completed until rough-in by the mechanical and electrical contractors, which delayed delivery of the consoles.

2. Floor tile scheduled to be used in Operating Rooms 7 and 8 was used to replace tile in Rooms 476 and 478A by change order.

3. Lightweight concrete floor fill could not be poured due to electrical duct changes to provide for monitoring devices.

F. Miami University - The Ohio State University, Dayton Campus - Phase I

It is recommended that the number of faculty offices in Allyn Hall be increased from 44 to 62. As staffing for the General College and the College of Science and Engineering progresses based upon the present forecasted enrollment, it becomes apparent that this space should be provided. In order to accomplish this work, the following extra orders should be issued:

1. **Mechanical Contract**  Add $3,737.00

2. **Electrical Contract**  Add $1,158.00

3. **Movable Partition Contract**  Add $7,822.20

4. **General Contract**  Deduct $877.88

Total addition $11,839.32

Funds for this extra order will be provided from Budget Account 91017.

Upon motion of Mr. Bricker, seconded by Mr. Loop, the above recommendation was approved by a unanimous roll call vote.

VII. PLANS AND SPECIFICATIONS

With the approval of the Council on Business Affairs, and with the concurrence of the Cabinet, it is recommended that the plans and specifications, bills of materials, and estimates of cost for the following projects be approved by the Board of Trustees:

A. Repairs to Electrical Systems in Baker Hall

The scope of this project is the replacement and modernization of the original distribution wiring in this building.

Funds for the project will be provided from Budget Account 8295, Dormitory Contingency Repair and Replacement Fund.

B. Dining Facility Northwest

This facility will provide a dining area for approximately 1,730 students housed in Norton, Scott, Nosker and Archer Houses and Drackett Tower.

Funds for the project will be provided from the Dormitory Construction Account and the project will proceed as soon as funds are released for the purchase of the necessary property for construction.

Upon motion of Mr. Davis, seconded by Mr. Ketterer, the above recommendation was approved by unanimous roll call vote, and the Secretary was authorized and directed to sign the plans and specifications for the above projects for and on behalf of the Board of Trustees. Vice President Carson was directed to proceed with a request for bids in the normal University manner and if satisfactory bids are received, to proceed with the award of contracts. All action regarding this matter will be reported to the Board of Trustees at a later meeting.

IX. CONTROLLING BOARD AND EMERGENCY BOARD APPROVAL

A. Controlling Board Approval

Each numbered approval shown below accomplishes the following purpose:

80  Authorizes the award of extra orders in the amount of $1,635.30 for the project "University Hospital, Repairs to Rooms 473, 476, 478, 479 and N-729" and the expenditure of this amount from the University Hospital Rotary.

B. Emergency Board Approval

Each numbered approval shown below accomplishes the following purpose:

3  Authorizes the University to proceed to repair the damage in Brown Hall caused by fire, on a force account basis, and allocates $30,000.00 from the Emergency Fund to restore the building and replace the equipment destroyed by fire.

X. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE

A. Lease of Space in Hangar No. 4, University Airport

The U. S. Army Engineer District, Louisville, proposes a ten-year lease for approximately 1064 sq. ft. of space in Hangar No. 4 at a rental fee which will provide a return to the University which covers all costs. The proposed lease has been carefully evaluated and is hereby submitted to the Board of Trustees for approval.

It is recommended that the President be authorized to sign the lease for the University.

Upon motion of Mr. Davis, seconded by Mr. Jones, the above recommendation was approved by a unanimous roll call vote, and the Secretary was instructed to file a copy of the lease with the official records of this meeting.

B. Agreement for Architectural Services - Addition and Alterations to George Wells Knight International Student Center

Mr. Todd Tibbals, Architect, has agreed to provide working drawings and specifications for this project at no cost to the University or the State of Ohio.

It is therefore recommended that the Secretary be instructed to sign the agreement for this service for and on behalf of the Board of Trustees.

Upon motion of Mr. Ketterer, seconded by Mr. Bricker, the above recommendation was approved by a unanimous roll call vote.
XI. RESOLUTION IN MEMORIAM

President Fawcett reported to the Board the death of Emory Frederick Almy, Professor Emeritus of Agricultural Biochemistry, and in accordance with instructions of the Board of Trustees, a copy of the following resolution expressing on behalf of the University the sorrow and sympathy of the Board has been furnished to the family of the deceased.

A. Emory Frederick Almy

The Board of Trustees expresses its sorrow at the death on April 17, 1964, of Emory Frederick Almy, Professor Emeritus of Agricultural Biochemistry.

Professor Almy was born in Greenwood, Nebraska, on July 6, 1895. He earned his B.S. and M.S. degrees in chemistry at the University of Nebraska in 1916 and 1917 respectively. He received his Ph.D. degree from The Ohio State University in 1929. He was a veteran of World War I serving in the chemical corps in munitions production. Immediately following he was with the Nestle Co. a short time. He came to The Ohio State University as an Assistant in the Department of Agricultural Chemistry and Soils in 1919. He was made Instructor in 1921; Assistant Professor in 1925; Associate Professor in 1934; and Professor in 1940. During World War II he was with the M & R Dietetics Laboratory. He became Professor Emeritus in 1960.

Professor Almy and his students did significant work in the chemistry of milk. This work is described in a number of publications and patents. Early in his career he studied the carmelization or browning reaction in heated milk and showed it to be due to the interaction of lactose and proteins. Studies in this area have since attracted many workers for these changes became increasingly important in foods stored long periods of time. He made notable contributions to the industrial production of lactose, so necessary in the last war. His special field of interest was ion exchange modified milks which are important in baby foods, special dietary foods, and powdered dairy products, including cream. He was active in the American Chemical Society, American Dairy Science Association, and was a member of many honor societies such as Phi Beta Kappa, Phi Lambda Upsilon, and Gamma Sigma Delta.

Professor Almy came from a family of teachers and professors. During his 40 years of service, over 80 per cent of all students in the College of Agriculture were in at least one of his classes. He was particularly fond of students and this permeated his whole personality. He had a keen sense of humor and an ability to look on the bright side of every problem which was almost infectious. He and Mrs. Almy opened their home to hundreds of students and a number of students lived in their home. Whether advanced students or beginners, all were admirers of Professor Almy, and many became close life-time friends. Certainly his Department, his College, and the University have been the beneficiaries of a life time of devoted service.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.
XII. REPORTS

A. Report on the Investment Portfolio

The report on the University's Investment Portfolio dated April 30, 1964 was presented to the Board of Trustees. The Secretary was instructed to file a copy of the report with the official records of the Board of Trustees.

B. Report from The Ohio State University Research Foundation and the Engineering Experiment Station

Mr. Mount reported that the Annual Report for The Ohio State University Research Foundation and the magazine, News in Engineering, which reported research activities for the Engineering Experiment Station, have been received. A copy of each report will be mailed to each member of the Board of Trustees and one copy filed with the official records of the Board of Trustees.

C. Report on Highlights of Campus Activities

In concluding the meeting, President Fawcett reviewed some of the accomplishments and activities of the University during the period since the April 17, 1964 meeting of the Board of Trustees. The report, which is filed with the official records of the Secretary, included:

1. Two recent studies have indicated that the University is one of the top producers of the Nation's executives. Of the 2,100 universities and colleges of the Nation, Ohio State is tied for 16th place in the number of Presidents and Chairmen of the Boards of the Nation's 750 biggest corporations.

2. Dr. J. G. Harrar, President of the Rockefeller Foundation, will speak at the University's Spring Quarter Commencement on June 12.

3. Some 762 faculty and staff members were honored for their long and dedicated service to the University at the 20th Annual Recognition Dinner on Monday, May 11, 1964.

4. Ohio State's Antenna Laboratory conducted its first successful test of a moon relay of a voice-modulated signal on May 7 when President Lyndon B. Johnson's address at Ohio University was transmitted from Athens, Ohio, via the moon by a 10-kilowatt Air Force transmitter. The signal took 2 1/2 seconds to cover the 480,000-mile route and was received and reported by equipment at the "saucer field" of Ohio State's Antenna Laboratory. Engineers reported the reception as "good."

5. Dr. John C. Weaver, who will be assuming his duties at The Ohio State University as Vice President for Instruction and Dean of Faculties, was elected recently to the Chairmanship of the Committee on Institutional Cooperation, for the coming year. He will succeed Dr. Frederic Heimberger in this capacity.
C. Report on Highlights of Campus Activities (continued)

President Fawcett further reported that the Spring Quarter University faculty meeting to be held on May 25 will be devoted to officially recognizing Dr. Heimberger for his many years of faithful service to the University.

Vice President Heimberger indicated that this will be the last meeting which he will attend in his official capacity, and Mr. Rairdon expressed best wishes to Dr. Heimberger and the desire of the Board to share in the well-deserved recognition which will be bestowed upon him at the May 25 meeting of the University faculty.

D. Report Concerning the Leadership Awards Dinner

Mr. Loop reported to the Board that he and Mr. Rairdon had the good fortune of being able to attend the annual University Leadership Awards Dinner held at the Ohio Union on May 6, 1964. He reported further that it was indeed an impressive ceremony. He noted that the "first family" of the University was honored by having both Mrs. Marjorie Fawcett and Miss Jane Fawcett tapped for membership in Mortar Board, senior women's honorary.

Thereupon the Board adjourned to meet Friday, June 5, 1964, at The Ohio State University, Columbus, Ohio, at ten o'clock.

Attest:

John T. Mount
Secretary

Smith L. Rairdon
Vice Chairman
The Board of Trustees met at its regular monthly meeting on Friday, June 5, 1964, at The Ohio State University, Columbus, Ohio, pursuant to adjournment.

Present: Smith L. Rairdon, Chairman, Alan B. Loop, Jacob E. Davis, Carlton S. Dargusch, and Frederick E. Jones.

Minutes of the last meeting were approved.
June 5, 1964 meeting, Board of Trustees

President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Budgets for the 1964-65 Fiscal Year

The following budgets, including ranks, titles and salaries, as set forth in the "Salary Roll" are hereby recommended for approval.

1. The Ohio State University annual personnel budget from appropriated general revenue funds, student fees, Morrill Fund, and unrestricted funds, in the amount of $35,044,053.00, for the fiscal year beginning July 1, 1964.

Upon motion of Mr. Davis, seconded by Mr. Loop, The Ohio State University personnel budget was approved unanimously by roll call vote, and the Secretary was instructed to file the "Salary Roll" detailing this budget with the official records of the University.

2. The University Hospital annual personnel budget from appropriated general revenue funds and Hospital rotaries in the amount of $8,611,080.00, for the fiscal year beginning July 1, 1964.

Upon motion of Mr. Loop, seconded by Mr. Jones, the University Hospital personnel budget was approved unanimously by roll call vote, and the Secretary was instructed to file the "Salary Roll" detailing this budget with the official records of the University.

3. Ohio Cooperative Extension Service annual personnel budget from appropriated funds in the amount of $3,533,233.00, for the fiscal year beginning July 1, 1964.

Upon motion of Mr. Davis, seconded by Mr. Jones, the Ohio Cooperative Extension Service personnel budget was approved unanimously by roll call vote, and the Secretary was instructed to file the "Salary Roll" detailing this budget with the official records of the University.

4. The Ohio State University Research Foundation annual operating budget in an amount not to exceed $664,256.00 for the fiscal year beginning July 1, 1964. This budget was approved by the Board of Directors of The Ohio State University Research Foundation at its annual meeting on April 10, 1964.

Upon motion of Mr. Davis, seconded by Mr. Loop, The Ohio State University Research Foundation operating budget was approved unanimously by roll call vote.

5. The Department of Athletics annual operating budget in an amount not to exceed $2,132,686.00, for the fiscal year beginning July 1, 1964. This budget was approved by the Athletic Council at its regular meeting on May 25, 1964.

Upon motion of Mr. Jones, seconded by Mr. Davis, the Department of Athletics operating budget was approved unanimously by roll call vote.
June 5, 1964 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

B. Revision of Rule 35.07—Rules for the University Faculty

On May 12, 1964, the Faculty Council upon the recommendation of the Dean of the Graduate School, with the concurrence of the Council on Instruction, approved the recommendation that Rule 35.07 of Rules for the University Faculty be amended by changing the S—Satisfactory paragraph as follows:

S—Satisfactory. This mark shall be used as a final mark only for (a) a graduate student who has completed satisfactorily his thesis or dissertation research, (b) a graduate student who has completed satisfactorily a special problem or minor problem course in which the instructor works directly with the individual graduate student, (c) a graduate student who has completed satisfactorily a literature review course or seminar designated by the Dean of the Graduate School as qualifying for the mark of S, and (d) a student enrolled in the College of Medicine in a curriculum leading to the degree, Doctor of Medicine, when that student has completed satisfactorily a course in that curriculum. A student who would be entitled to the mark of S if he had completed his work satisfactorily but who does not complete his work satisfactorily shall receive the mark of E. S credit shall be counted as hours only and shall not be considered in determining a student's point-hour ratio under Rule 37.05.

It is recommended that the above Rule as amended by action of the Faculty Council be adopted.

Upon motion of Mr. Davis, seconded by Mr. Loop, the Board of Trustees by a unanimous roll call vote approved the foregoing recommendation, and the Secretary was authorized to amend Rule 35.07 of Rules for the University Faculty accordingly.

C. Establishment of a Pre-Professional and Professional Division in the College of Education for the Teacher-Education Curricula

The faculty and administration of the College of Education have had under consideration for the past academic year the admission and selective retention standards for the teacher-education curricula with the objective in mind of raising the quality level of its candidates for graduation in the program for the degree of Bachelor of Science in Education. As a result of these deliberations, it is now proposed that the teacher-education curricula in the College be reorganized into a two-year Pre-Professional Education Division and a two-year Professional Education Division. The proposal which is listed in detail below has been approved by the Council on Instruction and the Faculty Council at its meeting on May 12, 1964.

To implement the above proposal, it is now recommended that the Board of Trustees take favorable action on the items listed below.

1. That there be established within the College of Education teacher-education curricula two divisions:
I. **GENERAL RECOMMENDATIONS** (continued)

C. **Establishment of a Pre-Professional and Professional Division in the College of Education for the Teacher-Education Curricula** (continued)

a. A Pre-Professional Education Division to administer the first and second years in the teacher-education curricula which shall include the completion of approximately 100 quarter hours of credit;

b. A Professional Education Division to administer the third and fourth years of the teacher-education curricula which lead to the Bachelor of Science in Education degree.

2. That the admission requirements for the Pre-Professional Education Division shall be equivalent to the admission requirement to the University and that the requirements to the Professional Education Division will be as follows, effective Autumn Quarter 1964:

a. Attainment of a cumulative point-hour ratio of 2.25 or above in all college work undertaken at The Ohio State University and elsewhere.

b. Satisfactory evidence of skill in English exhibited by obtaining an average of 2.0 or better in the freshman English courses taken at The Ohio State University (English 416, 417, 418) or by obtaining a grade of "C" or better in English 418. Transfer students from other institutions who have received "K" credit for all three freshman English courses will be considered to have met the required standard.

c. Satisfactory rating of the student's progress and potentiality as evidenced by a rating on the part of the area faculty with which the student is working. This rating will reflect his course work and progress to date and an interview with an advisor in the area.

d. Adequate speech, hearing, and health status to perform the functions required of a teacher.

It is further recommended that the Secretary be instructed and authorized to make such changes in the By-Laws of the Board of Trustees and Rules for the University Faculty as are required to implement the foregoing recommendations.

Upon motion of Mr. Loop, seconded by Mr. Davis, the Board of Trustees approved the above recommendation by a unanimous roll call vote, and the Secretary was instructed and authorized to make such changes in the By-Laws of the Board of Trustees and Rules for the University Faculty as are required as a result of the foregoing changes.
June 5, 1964 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

D. Naming of Building - North Commons (Dining Facility Northwest)

Upon the proposal of Mr. Frederick Stecker, Executive Director for University Relations, after consultation with appropriate administrative officers of the University, it is recommended that the building now identified as "Dining Facility Northwest," to be erected at 136 West Frambes Avenue, be named "North Commons" in memory of the late William A. North. Mr. North became the University's first police officer in 1909 and served until 1944. During that period he was known and held with great affection by thousands of students, faculty, and alumni.

This proposal has the concurrence of the President's Cabinet and is in accordance with the By-Laws of the Board of Trustees. It is hereby recommended for your approval.

Upon motion of Mr. Loop, seconded by Mr. Davis, the Board of Trustees by a unanimous roll call vote approved the naming of the dining facility located at 136 West Frambes Avenue as "North Commons."

E. Degrees and Certificates Conferred - Spring Quarter Commencement Convocation

It is recommended that degrees and certificates be conferred at the Spring Quarter Commencement Convocation on June 12, 1964, to those students who have completed the requirements for their respective degrees and certificates and are recommended by the Faculty Council. The names of those awarded degrees and certificates will be included in the minutes of this meeting. (See Appendix VII, page 475.)

Upon motion of Mr. Davis, seconded by Mr. Jones, the Board of Trustees approved the above recommendation by a unanimous roll call vote.

F. Transfer of New Wing and Remodeled Research Area of the Columbus Psychiatric Hospital (Upham Hall) to The Ohio State University

A letter dated May 20, 1964, from the Director of Mental Hygiene and Correction, Mr. Martin A. Janis, advises that the new wing and remodeled research area of the Columbus Psychiatric Hospital (Upham Hall) have been completed, are operating within design limits, and are ready for transfer to the Board of Trustees of The Ohio State University, pursuant to the provisions of Section 3 (A) of Amended S. B. 453, enacted July 3, 1961.

With the concurrence of the Office of the Attorney General of Ohio, it is recommended that the transfer of the facilities identified above be accepted, and that the Secretary be instructed to communicate this information to the Director of Mental Hygiene and Correction on behalf of the Board of Trustees.

It is further recommended that the President be authorized to take such action as he deems necessary to assure the proper assumption of
June 5, 1964 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

F. Transfer of New Wing and Remodeled Research Area of the Columbus Psychiatric Hospital (Upham Hall) to The Ohio State University (continued)

Responsibility for the operation, use, and maintenance of the new wing and remodeled research area of the Columbus Psychiatric Hospital, which was officially named Upham Hall on September 13, 1963.

Upon motion of Mr. Jones, seconded by Mr. Davis, the Board of Trustees by roll call vote approved unanimously the above recommendations, and the Secretary was instructed to include a copy of the letter dated May 20, 1964, from Martin A. Janis with the minutes of this meeting.

Re: New Wing and Remodeled Research Area of Columbus Psychiatric Hosp.

Gentlemen:

Pursuant to the provisions of Section 3 (A) of Am. S. B. 453, enacted July 3, 1961, the new wing and remodeled research area of the Columbus Psychiatric Hospital is hereby transferred from the Department of Mental Hygiene and Correction to the Board of Trustees of the Ohio State University effective this day.

Section 3 (A) of Am. S. B. 453 states, "Upon completion of construction and installation of equipment, the director shall transfer to such board of trustees the new wing of the Columbus Hospital and State Institute of Psychiatry authorized by Item 785 of Section 1 of Am. H. B. 1124, entitled, 'An Act to make appropriations for capital improvements and other general purposes, for the biennium beginning July 1, 1959 and ending June 30, 1961, and to declare an emergency,' passed July 24, 1959, approved August 1, 1959, and effective August 1, 1959."

The Department of Public Works informed us under date of May 14, 1964, that the new wing and the remodeled research area have been completed, are operating within design limits, and are ready for transfer to Ohio State University.

The original facilities and equipment of the Columbus Hospital and State Institute of Psychiatry were transferred to Ohio State University July 1, 1961. Yours very truly,

III. GENERAL CONTRACTS AND AGREEMENTS

A. The Ohio State University and The Ohio State University Research Foundation

In accordance with the Memorandum of Agreement between The Ohio State University and The Ohio State University Research Foundation approved by this Board on September 5, 1950, it is recommended that the research agreements for the following projects administered through the Research Foundation be approved and recorded in the minutes of this meeting.
III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
   The Ohio State University Research Foundation

1. Government Contracts - Federal

   a. Department of the Navy, Office of Naval Research, Washington, D. C., for an Investigation of Thermodynamic Properties of the Lower Oxides of Boron (to be known as Office of Naval Research Project No. 691 - Amend. #11 - Department of Chemistry). Gross Value - $71,753,00.

   b. Department of Health, Education and Welfare, Public Health Service, Bureau of State Services, Washington, D. C., for an Investigation of Chemical Factors in Host Plant Selection by Insects (to be known as Bureau of State Services Project No. 1088 - Ext. #4 - College of Pharmacy). Gross Value - $9,780,00.

   d. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Effect of Hypoglycemic Agents on Cell Metabolism (to be known as National Institutes of Health Project No. 1158 - Ext. #4 - Department of Medicine). Gross Value - $18,146,00.

   e. Systems Engineering Group, Research and Technology Division, Wright-Patterson Air Force Base, Ohio, for A Study of the Stability of Tungsten in Carburizing and Oxidizing Atmospheres (to be known as Systems Engineering Group, Research and Technology Division Project No. 1247 - Sup. #8 - Department of Metallurgical Engineering). Gross Value - $15,000,00.

   f. Systems Engineering Group, Research and Technology Division, Wright-Patterson Air Force Base, Ohio, for Research on Etch Pit Investigation of Iron Whiskers (to be known as Systems Engineering Group, Research and Technology Division Project No. 1262 - Sup. #7 - Engineering Experiment Station). Gross Value - $24,895,00.

   g. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Spontaneous and Experimental Endometrial Carcinoma (to be known as National Institutes of Health Project No. 1281 - Sup. #1 - Department of Pathology). Gross Value - $6,032,00.
June 5, 1964 meeting, Board of Trustees

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

h. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Variability in Driving Performance on the Highway (to be known as National Institutes of Health Project No. 1450 - Ext. #2 - Engineering Experiment Station), Gross Value - $38,304.00.

i. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Methods of Image Intensification Applied to Radiology (to be known as National Institutes of Health Project No. 1462 - Ext. #2 - College of Dentistry and Department of Physics), Gross Value - $20,400.00.

j. Department of Health, Education and Welfare, Public Health Service, Bureau of State Services, Washington, D.C., for an Investigation of the Diatoms of the West End of Lake Erie (to be known as Bureau of State Services Project No. 1464 - Ext. #2 - Department of Botany and Plant Pathology), Gross Value - $9,540.00.

k. Sandia Corporation, Purchasing Organization, P.O. Box 5800, Albuquerque, New Mexico, for a Research Investigation of Uranium Corrosion (to be known as Sandia Corporation Project No. 1545 - C.O. #4 - Department of Metallurgical Engineering), Gross Value - $4,227.00.

l. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for Chemical Studies of Stimulated Retina (to be known as National Institutes of Health Project No. 1575 - Sup. #2 - Institute for Research in Vision), Gross Value - $4,392.00.

m. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Tissue Heparin Levels in Fetus and Newborn (to be known as National Institutes of Health Project No. 1592 - Sup. #1 - Children's Hospital), Gross Value - $4,000.00.

n. Classified Program (to be known as Classified Program Project No. 1641 - Sup. #1 - Department of Electrical Engineering), Gross Value - $100,000.00.
June 5, 1964 meeting, Board of Trustees

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

   o. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Conformational Aspects of Drug Action (to be known as National Institutes of Health Project No. 1650 - Ext. #1 - College of Pharmacy).
   Gross Value - $11,100.00.

   p. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for A Cross-Cultural Study of Dissociational States (to be known as National Institutes of Health Project No. 1652 - Ext. #1 - Department of Sociology and Anthropology).
   Gross Value - $29,796.00.

   q. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Psychotropic Drugs and Phenotypical Behaviors (to be known as National Institutes of Health Project No. 1653 - Ext. #1 - College of Pharmacy).
   Gross Value - $4,800.00.

   r. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for An Experimental Demonstration and Evaluation Project (to be known as National Institutes of Health Project No. 1659 - Ext. #1 - Department of Sociology and Anthropology).
   Gross Value - $60,813.00.

   s. U. S. Department of Agriculture, Agricultural Research Service, Northern Utilization R&D Division, 1815 North University Street, Peoria, Illinois, for Basic Investigations on the Organic Chemistry of Unsaturated and Sulfur-Containing Carbohydrates (to be known as Agricultural Research Service Project No. 1827 - New - Department of Chemistry).
   Gross Value - $73,750.00.

   t. U. S. Army Natick Laboratories, Natick, Massachusetts, for an Environmental Study of Sukkertoppen Ice Cap, Southwest Greenland (to be known as U. S. Army Natick Laboratories Project No. 1830 - New - Institute of Polar Studies).
   Gross Value - $24,424.00.

   Gross Value - $48,648.00.
III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

x. R&D Procurement Office, U. S. Army Engineer R&D Laboratories, Fort Belvoir, Virginia, for The Systematic Correction and Weighting of Analogue Aerial Triangulation Observations and Their Use in Strip and Block Adjustments (to be known as U. S. Army Engineer R&D Laboratories Project No. 1835 - New - Department of Geodetic Science), Gross Value - $9,018.00.

z. National Science Foundation, Washington, D. C., for Traverse Glaciology, 1964-65 (to be known as National Science Foundation Project No. 1838 - New - Institute of Polar Studies), Gross Value - $20,000.00.

aa. National Science Foundation, Washington, D. C., for an Investigation of Volcanic Rocks of Ross Island (to be known as National Science Foundation Project No. 1839 - New - Institute of Polar Studies), Gross Value - $28,200.00.

bb. National Science Foundation, Washington, D. C., for Geology of the Wisconsin Range, Western Horlick Mountains, Antarctica (to be known as National Science Foundation Project No. 1840 - New - Institute of Polar Studies), Gross Value - $57,500.00.
III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

cc. National Science Foundation, Washington, D. C., for an Investigation of the Chemistry of Cyclic Amides and Nitrogen-Containing Ketones (to be known as National Science Foundation Project No. 1841 - New - Department of Chemistry).
Gross Value - $35,700.00.

dd. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Chemistry, Metabolism and Immunology of Gangliosides (to be known as National Institutes of Health Project No. 1842 - New - Department of Psychiatry).
Gross Value - $38,773.00.

ee. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Inherited Caries Resistance in Gnotobiotic Animals (to be known as National Institutes of Health Project No. 1843 - New - College of Dentistry).
Gross Value - $14,580.00.

TOTAL - Government Contracts - Federal $927,513.00

2. Industrial and Other Contracts

a. Ohio Tuberculosis and Health Association, 1575 Neil Avenue, Columbus, Ohio, for an Investigation of Autoimmunization in Experimental Tuberculosis (to be known as Ohio Tuberculosis and Health Association Project No. 764 - Ext. #7 - Department of Microbiology).
Gross Value - $3,614.00.

b. Paint Research Institute, 2104 Douglass Boulevard, Louisville, Kentucky, for an Investigation of New Phenolic Intermediates (to be known as Paint Research Institute Project No. 1695 - Ext. #1 - Department of Chemical Engineering).
Gross Value - $6,228.00.

c. The Population Council, 230 Park Avenue, New York, New York, for Estimates of Demographic Measures for Pakistan (to be known as The Population Council Project No. 1831 - New - Department of Sociology and Anthropology).
Gross Value - $3,500.00.
III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

2. Industrial and Other Contracts (continued)

d. G. T. Schjeldahl Company, Northfield, Minnesota, for Photo-
grammetric Research and Measurement of Spheres (to be known
as the G. T. Schjeldahl Company Project No. 1837 - New -
Department of Geodetic Science).
Gross Value - $18,956.00.

TOTAL - Industrial and Other Contracts $33,298.00

The foregoing thirty-five contracts for research in cooperation with
Government, Industry and Other represent a gross income of $960,811.00.

Upon motion of Mr. Davis, seconded by Mr. Loop, the research agreements
between The Ohio State University and The Ohio State University Research
Foundation for the above contracts were approved by unanimous consent.

B. The Report of the Research Contracts
from the Engineering Experiment Station

During the period from May 1, 1964 through May 22, 1964, the Engineering
Experiment Station of The Ohio State University entered into the following

IV. GRANTS AND GIFTS

The following grants and gifts to the University, including the establishment of certain scholarship and memorial funds, are hereby reported for the record and appropriate expressions of appreciation have been conveyed:

A. Administered Through the Office of Business and Finance

1. $75,580.00 granted by the Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, to the University for "Training in Medical Cardiology," under the direction of Dr. James V. Warren, Department of Medicine, for the period July 1, 1964 through June 30, 1965. (Continuing project reported to the Board April 6, 1962.) (Grant 5 T1 HE 5546-04)

2. $64,864.00 granted by the Department of Health, Education and Welfare, Public Health Service, Bureau of State Services, Washington, D. C. 20201, to the University for "Training Program in Occupational Health," under the direction of Dr. William F. Ashe, Department of Preventive Medicine, for the period July 1, 1964 through June 30, 1965. (Grant 8 T1 ES 32-02 - Formerly GM 1134-01)

3. $38,799.00 granted by the U. S. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, to the University for "Graduate Training in Social Work," under the direction of Dr. Samuel P. Daykin, School of Social Work, for the period July 1, 1964 through June 30, 1965. (Grant 5 T1 MH-8254-02)

4. $32,971.00 granted by the Department of Health, Education and Welfare, Public Health Service, Bureau of State Services, Washington, D. C. 20201, to the University for "Training in Water Supply and Pollution Control," under the direction of Dr. Charles A. Dambach, Natural Resources Institute, for the period July 1, 1964 through June 30, 1965. (Grant 1T1-WP-39-01A1)
IV. GRANTS AND GIFTS (continued)

A. Administered Through the Office of Business and Finance (continued)

5. $25,424.00 granted by the U. S. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, to the University for "Graduate Training - Experimental-General Psychology," under the direction of Dr. Delos D. Wickens, Department of Psychology, for the period July 1, 1964 through June 30, 1965. (Grant 1 T1 MH-8526-01)

6. $21,600.00 granted by the U. S. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, to the University for "Graduate Training - Psychiatry," under the direction of Dr. Leonard P. Ristine, Department of Psychiatry, for the period July 1, 1964 through June 30, 1965. (Grant 1 T1 MH-8386-01)

7. $21,493.00 granted by the Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, to the University for a "Development Award - Study of the Carcinogenesis of the Female Reproductive Organs," under the direction of Dr. Emmerich von Haam and Dr. Dante G. Scarpelli, Department of Pathology, for the period July 1, 1964 through June 30, 1965. (Continuing project reported to the Board March 15, 1962.) (Grant 5-K3-GM-15,104-08)

8. $17,304.00 granted by the U. S. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, to the University for "Graduate Training - Physiological Psychology," under the direction of Dr. Donald R. Meyer, Department of Psychology, for the period July 1, 1964 through June 30, 1965. (Grant 5 T1 MH-6748-07)

9. $14,904.00 granted by the U. S. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, to the University for "Graduate Training - Psychiatry," under the direction of Dr. Leonard P. Ristine, Department of Psychiatry, for the period July 1, 1964 through June 30, 1965. (Grant 1 T1 MH-8458-01)

10. $13,550.00 granted by the Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda 14, Maryland, to the University for "Training Grant - Tropical Medicine and Parasitology," under the direction of Dr. G. W. Wharton, Department of Zoology and Entomology, for the period July 1, 1964 through June 30, 1965. (Continuing project reported to the Board February 16, 1962.) (Grant 5 T1 AI 216-04)

11. $12,320.00 granted by the National Science Foundation to the University for support of an "Undergraduate Instructional Scientific Equipment Program," under the direction of Dean Lloyd M. Parks, College of Pharmacy. This grant terminates May 31, 1966. (Grant GE-5259)
June 5, 1964 meeting, Board of Trustees

IV. GRANTS AND GIFTS (continued)

A. Administered Through the Office of Business and Finance (continued)

12. $11,800.00 granted by the National Science Foundation to the University for support of an "Undergraduate Instructional Scientific Equipment Program," under the direction of Dr. R. E. Stewart, Department of Agricultural Engineering. This grant terminates May 31, 1966. (Grant GE-5079)

13. $10,000.00 granted by the National Science Foundation to the University for support of an "Undergraduate Instructional Scientific Equipment Program," under the direction of Dr. Robert J. Wherry, Department of Psychology. This grant terminates May 31, 1966. (Grant GE-4878)

14. $7,720.00 granted by the Department of Health, Education and Welfare, Office of Education, Washington, D. C., to be added to the support of the "Grants-in-Aid Program for Training Teachers of the Deaf under Public Law 87-286," supervised by the College of Education. This amount is to be added to the $12,280.00 from a previous grant.

B. Received Through the Development Fund (continued)

16. $1,666.67 from Isadore and Ida Topper for the George R. Beneman Memorial Award.

The George R. Beneman Memorial Award

The George R. Beneman Memorial Award was established May 25, 1964, by a gift through the Development Fund from Isadore and Ida Topper to honor the memory of their friend, George R. Beneman, an attorney of Washington, D. C. The principal is to be invested in accordance with Section 3345.16 G. C. Income from this fund is to be used annually as an award in recognition of outstanding performance in the Moot Court Program of the College of Law. Decision as to the type of performance to be recognized and the recipient to be honored is vested in the Dean of the College of Law, on recommendation of the Faculty Adviser to the Moot Court.

Should there come a time when in the judgment of the Dean and Faculty of the College of Law any reward for Moot Court distinction no longer serves a sound educational purpose in the College, the income from this Fund is to be used for other recognition of law student achievement as directed by the Dean with the approval of the Faculty of the College of Law.

17. $1,150.00 from the Estate of Edna A. Stone for the Julius F. Stone Fund for Medical Research.

18. $1,000.00 from Dr. James R. Hull to be added to the fund for the construction of a new residence for the President.

Frank K. Griesinger Scholarship Fund

The Frank K. Griesinger Scholarship Fund was established December 27, 1963, by a gift from Frank K. Griesinger, B. Sc. Bus. Adm. '38.

The principal is to be invested according to rules and regulations adopted by the Board of Trustees of The Ohio State University, with right to invest and reinvest as occasion dictates.
IV. GRANTS AND GIFTS (continued)

B. Received Through the Development Fund (continued)

21. Frank K. Griesinger Scholarship Fund (continued)

The income is to be used for scholarships to deserving students at The Ohio State University, enrolled in the College of Commerce and Administration or the College of Arts and Sciences.

In the event that the need for such scholarships should cease to exist or so diminish as to create unused income, then the Board of Trustees of said University may use this said income in its discretion for any appropriate University purpose.

C. Gifts-in-Kind

1. Under the Last Will and Testament of Howard B. Monett, deceased, The Huntington National Bank of Columbus, Ohio, Trustee, has transferred to The Ohio State University by Trustee's Deed dated June 1, 1964, two parcels of real estate located at 79 North High Street and 102 East Main Street, Columbus, Ohio. The said Trustee's Deed, among other provisions, contains the following, to wit:

   Upon the death of my wife, Marie B. Monett, said trust shall cease and determine and the two parcels of real estate above described shall pass to and vest in The Ohio State University, absolutely and in fee simple except as hereinafter limited, and become a part of the permanent endowment fund of said University and be known as "The Howard B. Monett Foundation." The income from these properties shall be used for medical research at the College of Medicine of The Ohio State University, for the study and teaching of the origin and cause of human disease and the prevention thereof, with emphasis on cancer research, but not exclusively therefor; and in connection with the foregoing purposes to provide facilities and equipment needed, to establish and maintain scholarships and fellowships in said College of Medicine, to publish and disseminate the results of such study and research not only in scientific journals and medical publications, circulating to scientists and physicians, but also, and this I especially enjoin on the university, by popular publications, newspapers, public lectures and other appropriate and effective methods, to give to the people of the United States and the world generally the benefits of increased knowledge concerning the prevention of sickness and disease and the cure thereof.

   The suggestions here made shall not be considered as limiting the College of Medicine, but it may use any means which from time to time shall to it seem expedient and effective to accomplish the aforesaid purposes.

The above identified gift-in-kind will be held in the University's Investment Portfolio.

Total New Appropriation                             $299,119.00

It is hereby recommended that the Board of Trustees approve the budget request and an allocation not to exceed the amounts indicated above with the understanding that expenditures will be approved and administered under the authority of the President and through the offices of the Vice President for Instruction and Dean of Faculties and Vice President for Research, subject to quarterly allotments. It is recommended further that to cover this budget request $299,119.00 be allocated from the civilian-military portion of the Mershon Fund and that the estimated balance of $70,000.00 from the 1963-64 budget be reallocated.

Upon motion of Mr. Loop, seconded by Mr. Davis, the above recommendations were approved unanimously by roll call vote.

B. Appropriation of Funds for Matching National Science Foundation Grants for Undergraduate Instructional Equipment

At the request of the Vice President for Instruction and Dean of Faculties, and with the concurrence of the Cabinet, it is recommended that the following amounts be appropriated from the University Treasurer Research Subaccounts as designated for matching National Science Foundation grants to the University for support of "Undergraduate Instructional Scientific Equipment Program" projects:

VI. EXTRA ORDER AND EXTENSIONS OF TIME TO CONTRACTS

At the request of the Council on Business Affairs, and with the concurrence of the Cabinet, it is recommended that the Extra Order and Extensions of Time to Contracts as outlined below be approved by the Board of Trustees and submitted to the Director of Finance, State of Ohio, for approval and allocation of funds as indicated in each case.

A. Miami University - The Ohio State University, Dayton Campus, Phase I

General Contract

In order to improve the security provisions in Allyn Hall, it is recommended that the following changes be made:

1. Furnish and install safety alarm locks on doors 156 and 157 in the Library, locks for doors 410, 411, 465 and 466 of the Faculty Lounge; and a lock on door 419. Add $493.68.

2. Furnish and install locks and stops for 18 doors, #468 through 485. Add $693.00.

Total addition $1,186.68

Funds for this extra order will be provided from Budget Account 91017.

B. Repairs in Room 154, Health Center Laboratory (Wiseman Hall)

It is recommended that an extension of time for completion of contracts on all divisions of this project be approved from May 25 to June 12, 1964. This extension is recommended because of a considerable delay in the delivery of the Laboratory Equipment.
June 5, 1964 meeting, Board of Trustees

VI. EXTRA ORDER AND EXTENSIONS OF TIME TO CONTRACTS (continued)

C. Housing for Metallurgical and Mineralogical Laboratories

It is recommended that an extension of time for completion of contracts on all divisions of this project be approved. The Laboratory Equipment Contract should be extended from August 17 to September 1, 1964, and the General, Heating and Ventilating, Plumbing and Electrical Contracts extended from July 18 to August 3, 1964. These extensions are recommended because of the delay caused by an 11-day strike of the bricklayers and building laborers.

Upon motion of Mr. Davis, seconded by Mr. Loop, the above recommendations were approved by unanimous roll call vote.

* * *

VII. PLANS AND SPECIFICATIONS

With the approval of the Council on Business Affairs, and with the concurrence of the Cabinet, it is recommended that the plans and specifications, bills of materials, and estimates of cost for the following projects be approved by the Board of Trustees.

A. Improvement of North End of Fyffe Road

This project provides an outlet for students in Married Housing to Lane Avenue so that the outlet at Hess Road and the River Road can be closed and it will also provide a service road to the laboratory facilities, the incinerator and the new athletic field.

Funds for this project will be provided from Budget Account 12350, Contract Repairs.

B. Food Facility (Phase II)

Phase II of this project includes the development of the Central Bakery and Vegetable Processing Room, a Pot and Pan Wash Area and the Process Steam Generating Plant.

Funds for this project will be provided from Account 86291, General Dormitory Fund, University Treasurer Account.

Upon motion of Mr. Jones, seconded by Mr. Loop, the above recommendation was approved by unanimous roll call vote, and the Secretary was authorized and directed to sign the plans and specifications for the above projects for and on behalf of the Board of Trustees. Vice President Carson was directed to proceed with a request for bids in the normal University manner and if satisfactory bids are received, to proceed with the award of contracts. All action regarding this matter will be reported to the Board of Trustees at a later meeting.

IX. CONTROLLING BOARD APPROVALS

Each numbered approval shown below accomplishes the following purposes:

63 Approves conditionally (dependent upon availability of funds from S. B. 370) the release of $130,685.00 for plans for the Lima Branch from Item 315-018, S. B. 370.

75 Approves conditionally (dependent upon availability of funds from S. B. 370) the award of contracts for the project "Remodel Highway Testing Laboratory" notwithstanding the fact that the General Contract was above the estimate of cost and that the low bidder for the Electrical Contract was allowed to withdraw his bid by the State Architect on the grounds that they made an error in their bid thereby making the second lowest bidder acceptable.

85 Approves the expenditure of $9,000.00 from Account 200 Maintenance, H. B. 711, for the project "Connection of Cold Water Supply Lines on the West Campus."

Upon motion of Mr. Davis, seconded by Mr. Loop, the above recommendation was approved by unanimous roll call vote.
XI. RESOLUTIONS IN MEMORIAM

President Fawcett reported to the Board the deaths of Russell Edmund Rebrassier, Professor Emeritus of Veterinary Parasitology; Louis Roth, Clinical Associate Professor, Department of Surgery; and Israel Park Blauser, Professor Emeritus in the Ohio Cooperative Extension Service. In accordance with the instructions of the Board of Trustees, copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board have been furnished the families of the deceased.

A. Russell Edmund Rebrassier

The Board of Trustees expresses its sorrow at the death on May 10, 1964, of Russell Edmund Rebrassier, Professor Emeritus of Veterinary Parasitology.

Dr. Rebrassier was born in Louisville, Stark County, Ohio, on July 27, 1890. He graduated with distinction from the College of Veterinary Medicine in 1914; joined the faculty of the College of Veterinary Medicine in 1916; and advanced through the ranks to become Professor and Chairman of the Department of Veterinary Parasitology. He was appointed Secretary of the College in 1948 and Assistant Dean in 1955, a position he held until his retirement in 1959.

Professor Rebrassier will long be remembered as an inspirational teacher who had a deep concern for the students' welfare. In addition his research in the field of veterinary parasitology was widely recognized through his publication of scientific articles in veterinary journals.

Dr. Rebrassier contributed greatly toward the stature of the veterinary profession through his activities in local, state, and national organizations. He served as Secretary of the Ohio Veterinary Medical Association for twenty-two years and as Executive Secretary on a full-time basis from the time of his retirement in 1959 until his death. He served two years in the House of Delegates of the American Veterinary Medical Association and was elected to serve as President in 1958. He was a member of the Education Council of the Association since 1951 and served as Chairman in 1957 and 1964.

Dr. Rebrassier also has been a member of the Columbus Board of Health, of which he served as President in 1954, 1955, 1956, and 1964; Phi Zeta National Honorary Fraternity; and Alpha Psi professional fraternity, serving as President and Secretary of the National Council.

For his dedication to the University and to the profession of veterinary medicine, and for his service to the community, Dr. Rebrassier has brought lasting recognition to The Ohio State University.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.
XI. RESOLUTIONS IN MEMORIAM (continued)

B. Louis Roth

The Board of Trustees expresses its sorrow at the death on April 12, 1964, of Louis Roth, Clinical Associate Professor, Department of Surgery.

Dr. Louis Roth was born October 2, 1894, in New York City. He lived in Columbus since he was eight years old and was graduated from South High School. He received a Bachelor of Science degree from The Ohio State University in 1915 and a Doctor of Medicine degree from the College of Medicine in 1919. He interned at Mt. Sinai Hospital in New York City, followed by a residency in surgery and urology. He spent six months in basic urology in Vienna, following which he began a practice in Columbus.

Dr. Roth's connection with the medical faculty began when he was appointed an Assistant in Surgery (Urology) in 1928; Instructor in 1933; Clinical Assistant Professor in 1936; and Clinical Associate Professor in 1942.

Dr. Roth was a very cooperative and valuable associate in building the section of urology of the St. Francis Hospital, in which there was no diagnostic equipment and no space available. By persistence and graciousness he was able to establish a respectable diagnostic unit. This accomplishment was followed by his establishing a teaching ward service which was valuable to students, staff, patients, and the hospital. He headed this service for over 20 years. Poor health precluded his doing urological surgery, so he confined his practice to diagnostic office urology during his latter years.

In 1937 Dr. Roth was appointed to the Columbus Board of Health and was in charge of the diagnosis and treatment of venereal diseases. As a result of this appointment, he introduced the clinical aspects of venereal diseases to his students in the College of Medicine. He resigned this position in February of 1963.

Dr. Roth was a clinician and loved clinical teaching. At times he expressed a sincere regret that such teachers were relegated to such unimportant positions on medical faculties, but he continued to play an important, if unheralded, part in teaching in this school.

Dr. Roth was a delightful conversationalist, a superb story-teller, and a prolific reader. He confined his reading to old and modern philosophical treatises, until the last two years of his life when he turned to fiction for relaxation and entertainment. He was liked by everyone who knew him--his many friends and patients admired him and his fellow practitioners respected him.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.
XI. RESOLUTIONS IN MEMORIAM (continued)

C. Israel Park Blauser

The Board of Trustees expresses its sorrow at the death on May 24, 1964, of Israel Park Blauser, Professor Emeritus in the Ohio Cooperative Extension Service.

Professor Blauser had pioneered in the application of electric power to agriculture. During the thirty-four years he served The Ohio State University, he provided much inspiration and leadership in the development and growth of rural electrification through research writing and extension teaching.

His interest in rural electrification extended beyond his duties at Ohio State. He was an active member of the American Society of Agricultural Engineers and had held important committee assignments. Noteworthy among his professional achievements were his contributions to the Ohio 4-H Club program and the Farm and Home Week activities.

Professor Blauser was on the faculty of the University of Illinois from 1923 to 1928. In 1928 he joined the staff at The Ohio State University from which he retired on July 1, 1962, as Extension Agricultural Engineer.

Professor Blauser held the academic degrees of Bachelor of Arts and Bachelor of Science in Agriculture from The Ohio State University. He was a member of Phi Beta Kappa, Gamma Sigma Delta, Alpha Zeta, Epsilon Sigma Phi, and the American Society of Agricultural Engineers.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

RECIPIENTS OF HONORS

LEONARD BERNSTEIN
DOCTOR OF HUMANE LETTERS

Eminent conductor, teacher, composer, pianist, and humanitarian whose remarkable talents have provided a distinguished music educator to the Nation and the world

Leonard Bernstein, music director of the New York Philharmonic, has combined his multiple talents as conductor, teacher, composer, and pianist to help elevate the level of music-listener intelligence and appreciation to heights unparalleled. In 1954 on the experimental television series, Omnibus, Mr. Bernstein initiated his career as music educator to a continent. In the succeeding years, his Young People’s Concerts and his Thursday Evening Previews have provided a medium through which he has applied his artistic abilities with consistent effectiveness in order to bring the joys of a sophisticated art into the lives of children and adults throughout the land.

In addition, Leonard Bernstein’s efforts on behalf of serious musical performance have extended far beyond the borders of this Nation through international tours of the New York Philharmonic and through his lectures to the people of other countries. The world-renowned orchestra, which has flourished under his leadership, has performed in Europe, Russia, and Latin America representing in a distinguished manner the quality of its eminent conductor and America’s cultural values and achievements.

Mr. Bernstein’s widespread acclaim was nearly instantaneous following his performance as conductor of the New York Philharmonic in November of 1943, just four years after his graduation, cum laude, from Harvard University. Since that memorable event his broad interests and unusual versatility, conjoined with his passion for good music, have brought justifiable recognition for a variety of musical achievements. His works for the theater, such as “Wonderful Town” and “West Side Story,” have helped to make Broadway more musical. His commendable promotion of contemporary music, especially his crusade for the performance of the best in American music, will have a long-lasting effect on the propagation of the art as a living, ever-emerging language. His personal sponsorship of young American musical talent has been an inspiration to thousands of aspiring musicians.

Leonard Bernstein is now in the summer of a brilliant and unprecedented career in American music. In the ensuing years, it is safe to assume that the remarkable creativity and the warm, personal charm of this outstanding music educator will continue to enrich the lives of millions as he interprets for them in his inimitable and dynamic manner the pleasures and values of serious music.
J. GEORGE HARRAR
DOCTOR OF SCIENCE

Humanitarian, statesman, able scientist and administrator, whose life has been dedicated to the service of his fellowman

J. George Harrar, president of the Rockefeller Foundation, has had a vision of a world in which man's basic needs have been met, a world in which each person may direct his best energies toward the fulfillment of his potential rather than the maintenance of mere existence. In response to that vision, he has allied himself with the highest creative forces in the world-wide struggle against hunger and disease. Today, he is recognized as an international leader in the great educational and humanitarian movement to help the disadvantaged people of the world learn how to improve their own social and economic conditions.

A graduate of Oberlin College, he completed an M.S. degree at Iowa State University and then spent the next 14 years as a university professor, first at the University of Puerto Rico, then the University of Minnesota (from which he received the Ph.D.), Virginia Polytechnic Institute, and Washington State College. His distinguished career as a teacher of biology and plant pathology, plus his background gained in Puerto Rico, made him a logical choice by the Rockefeller Foundation when it named him local director of its Mexican Agricultural Program in 1943.

Dr. Harrar quickly obtained the confidence, cooperation, and support of the government and citizens of Mexico. In partnership they developed what came to be recognized in Latin America and much of the world as a model program. Invited by other governments, Dr. Harrar has been instrumental in establishing similar projects of agricultural assistance and production throughout Latin America and also in India.

As a result of his success with the Mexican program, he became successively deputy director for agriculture of the Rockefeller Foundation, director, vice president, and in 1961 president and trustee.

Because of his broad knowledge of educational and research programs throughout the world, Dr. Harrar was called on by President Kennedy for service on many panels as well as for direct consultation. Dr. Harrar's deep understanding of the problems and people of Latin America is reflected in the valuable service he has given, and continues to give, to the United States Department of State. The international sphere of his influence and the significance of his accomplishments are suggested by the numerous honors he has received in this country and abroad, by his publications and speeches, and by his eminent position in the several key professional organizations to which he belongs.

J. George Harrar is a dedicated man of extraordinary ability, integrity, and industry. His professional career clearly reveals a continuous desire to use these personal qualities in the service of mankind, without regard to national boundaries or racial considerations.
G. PrestoN Hoff
Doctor of Science

Distinguished research scientist, nationally recognized pioneer in the development of synthetic fibers, and dedicated alumni leader

G. Preston Hoff combines the best of industry and education. After nearly 35 years with the DuPont Company, he retired in 1959 as head of the Planning Division of the Textile Fibers Department. Without interruption, however, his active efforts in behalf of this University continue. Those efforts date back to his student days in the early 1920's. He received three degrees from The Ohio State University—the B.A. in 1921, the M.Sc. in 1922, and the Ph.D. in 1925.

Shortly after receiving his doctorate in chemistry, he was employed by the DuPont Company as a research chemist in the field of viscose rayon manufacture. Dr. Hoff pioneered the development of high tenacity rayon yarn for use in automobile tires and named the first successful product in that field “Cordura.”

Advancing rapidly through the ranks of DuPont, Dr. Hoff was selected in 1938 to direct the technical development of nylon. As Director of Nylon research, he headed the team which brought nylon from the laboratory stage to commercialization, and for his key role he was granted several U.S. and foreign patents.

Subsequently, Dr. Hoff made important contributions in the planning and launching of “Orlon” acrylic fiber and “Dacron” polyester fiber. For more than 30 years, he played a responsible part and exerted a significant national influence in the development of synthetic fibers.

His pre-eminence in the synthetic fiber field resulted in his being appointed by the U.S. Government in the closing weeks of World War II to serve on an Allied technical team charged with the responsibility of following immediately behind the military forces and evaluating the merits of man-made fiber plants as they fell into Allied hands.

Dr. Hoff’s abiding interest in the welfare of this University and the vast amount of time and energy he has expended in its behalf constitute a virtual second career. He has served with distinction as president of the Ohio State University Association and as a member of its Board of Directors. As a long-time member of the Graduate School Committee of the Alumni Advisory Board, he helped strengthen the program of graduate education. He worked with the University’s Research Foundation as a member and director of the board, and he contributed significantly at the policy level during a period of transition and rapid growth.

G. Preston Hoff stands high in that distinguished company of alumni who have ever maintained the vision of higher education and who have worked diligently in behalf of their alma mater to make that vision a reality.
GLENN ALLEN SONNED ECKER

DOCTOR OF SCIENCE

Eminent scholar and teacher, prolific historian of pharmacy, articulate crusader for the advancement of the profession

Glenn Allen Sonnedecker has performed a unique service for the profession of pharmacy and for society in general. In his many-faceted role as teacher, scholar, pharmaceutical journalist and historian, he has interpreted the social significance of pharmacy and has brought into focus, perhaps better than anyone before or since, the position of the pharmacist as a professional.

In 1942, he received the B.S. in Pharmacy from this University. His interest in combining journalism and pharmacy, fostered while a student here, led to the editorship of the Practical Pharmacy Edition of the Journal of American Pharmacy. In that capacity, he exerted a significant and beneficial influence upon the profession.

In 1948, he interrupted a promising career to pursue graduate study at the University of Wisconsin under Dr. George Urdang, the renowned pharmaceutical historian. In 1952, Dr. Sonnedecker became the first person in this country to earn the Ph.D. on the basis of major work in the history of pharmacy and related social studies.

As secretary and, since 1957, director of the American Institute of Pharmacy, he has transformed what was largely a Wisconsin activity into a vital national organization with its own journal and a dynamic program. His original papers, speeches, and his advice and encouragement to others have awakened in pharmacists everywhere a new sense of pride in their professional heritage.

Now professor of the history of pharmacy at Wisconsin, he is the only full-time teacher in this field in the United States, conducts the Nation's only doctoral program in the history of pharmacy, and is pioneering a promising new area of graduate education called "social studies in pharmacy."

Dr. Sonnedecker's contributions as a teacher do not end in the classroom, however. With almost missionary zeal he has worked with teachers in other colleges to help them strengthen their backgrounds in the history of pharmacy.

Convinced of the vital importance of pharmacy internationally, Dr. Sonnedecker has assumed an increasingly prominent role in world organizations. He has been an American delegate to three world assemblies of the International Pharmaceutical Federation. Currently he is vice president of the World Union of Societies for the History of Pharmacy and the only American member of the International Academy of the History of Pharmacy. His encouragement and support have been largely responsible for the organized interest in his field in other countries of the Western Hemisphere.

As a scholar, teacher, and pharmacist, Glenn Sonnedecker has earned national and international respect. Today he is rightfully acclaimed as one of the world’s leading authorities on the history of pharmacy.
William W. Heimberger, chairman of the board of Buckeye Steel Castings Company, has pioneered in the advancement of rail transportation through the design and manufacture of cast-steel railway parts used by railroads in every major country in the world.

Joining the firm in 1916 as an engineer trainee, he soon displayed the technical competence and leadership abilities which destined him for rapid advancement and a brilliant career. In 1924, his redesign of the open hearth furnace led to substantial improvements in production rate and economy. This redesign soon became standard practice throughout the industry. In 1931, his design of an automatic control for gas producer operation was a major development at that time.

Promoted in 1936 to superintendent of open hearth and laboratories, he managed all phases of production metallurgy. In 1948, his appointment as works manager brought with it responsibility for all production departments, plant maintenance, and personnel. Elected vice president of operations in 1960, he added plant engineering and purchasing to his areas of responsibility and personally directed major changes in molding, sand reclamation, preparation, and transportation. He was elected to his present position in 1963.

As he advanced through this series of key positions, his ingenuity, coupled with his basic understanding of his field, resulted in major production innovations that made a significant impact on the industry.

For many years Mr. Heimberger has been a leader in the foundry industry, particularly in the establishment and compilation of standards and through his participation on national advisory boards to technical and governmental agencies. He has also been active in technical societies, among them the Steel Founders' Society of America.

Mr. Heimberger was graduated from this University in 1916, and since that time he has been an enthusiastic contributor to its program of engineering education. He has represented the College of Engineering on the Alumni Advisory Board and has served as chairman of the Committee of 100 for the College of Engineering. At the national level, he has been a trustee of the Foundry Educational Foundation.

He has had an enriching influence on his community and the cultural life of Columbus and Franklin County through his active participation in civic, youth, church, and service organizations. His career represents the highest level of professional achievement, combining technical accomplishment, administrative leadership, unstinting community service, and respect for his fellowman.

OFFICERS

1964-1965

SMITH L. RAIRDON, Chairman
ALAN B. LOOP, Vice Chairman
JOHN T. MOUNT, Secretary
GORDON B. CARSON, Treasurer
President Fawcett presented Dr. John C. Weaver, Vice President for Instruction and Dean of Faculties, whose appointment became effective July 1, 1964.

Mr. Rairdon, Chairman of the Board, responded by extending a warm welcome to Dr. Weaver, and he expressed sincere best wishes for abundant success and great happiness as one of the principal administrative officers of The Ohio State University.

President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Honorary Degrees

The Faculty Council on June 9, 1964, recommended that the honorary degree, Doctor of Science, be conferred on:

George Edwin Mueller

and also the honorary degree, Doctor of Humane Letters, be conferred on:

Joseph John Spengler

It is therefore recommended that the Board of Trustees approve the Faculty Council recommendation and that these degrees be awarded at one of the Commencement Convocations during the academic year 1964-65.

Upon motion of Mr. Davis, seconded by Mr. Jones, the above recommendation was approved by unanimous roll call vote.

B. Degrees Conferred - Summer Quarter Commencement Convocation

It is recommended that degrees be conferred at the Summer Quarter Commencement Convocation on August 28, 1964, to those students who have completed requirements for their respective degrees and are recommended by the Faculty Council. The names of those awarded degrees will be included in the minutes of this meeting. (See Appendix I, page 45.)

Upon motion of Mr. Jones, seconded by Mr. Davis, the above recommendation was approved unanimously by roll call vote.
I. GENERAL RECOMMENDATIONS (continued)

C. Modifications of Campus Master Plan

The Board of Trustees on February 16, 1962, adopted a master plan for the future development of the campus by approving the "Report of the President on the 'Campus Planning Study--Phase II.'" This plan was later modified at the May 18, 1962 meeting of the Board of Trustees.

At the time of adopting the master plan, the Board of Trustees anticipated the need for modification from time to time and established certain principles and concepts to govern such modifications.

There is submitted herewith a revised map to replace the maps on pages 15 and 55 of the report entitled "Campus Planning Study--Phase II," which was received and made a matter of record on December 12, 1961. This revised map incorporates the results of the Medical Area Restudy authorized by the Board of Trustees on November 15, 1963, and of other supplementary studies conducted by the Office of Campus Planning. All of the changes are consistent with principles and concepts approved on February 16, 1962.

It is recommended that the Board of Trustees now approve the master plan changes as depicted on the attached map, that all previous actions of the Board of Trustees with respect to the master plan and not contrary to the attached map be reaffirmed, and that a copy of the attached map be filed by the Secretary with the "Campus Planning Study--Phase II" report submitted on December 12, 1961.

Upon motion of Mr. Davis, seconded by Mr. Dargusch, the above recommendation was approved by a unanimous roll call vote.

D. Establishment of Rates for Visitor Pay Parking Lots

Upon the request of the Vice President for Business and Finance, and with the concurrence of the Commission on Traffic and Parking, it is recommended that the action taken by the Board of Trustees on September 7, 1962, relative to rates for pay parking lots on campus be revised and that the following proposed rate schedule for Mershon Parking Garage, East Baker Hall Parking Lot, and Medical Center Parking Lot be approved effective September 14, 1964:

Upon motion of Mr. Dargusch, seconded by Mr. Davis, the above schedule of rates as proposed was approved by unanimous roll call vote, and the Secretary was instructed to include the new schedule in the "Motor Vehicle, Traffic and Parking Regulations of The Ohio State University."
July 17, 1964 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

E. Naming of Building - "Dennis House" (Student Housing Building No. 13)

Upon the recommendation of Mr. Frederick Stecker, Executive Director for University Relations, it is proposed that the student housing facility to be erected in the North Dormitory Area near North High Street and West Frambes Avenue, now identified as Building No. 13, be named "Dennis House" in memory of James W. Dennis, B.Sc., Bus. Adm., 1937, who was killed while serving in the Air Corps of the U.S. Army in World War II.

This proposal has the concurrence of the President's Cabinet and is in accordance with the By-Laws of the Board of Trustees. It is hereby recommended for your approval.

Upon motion of Mr. Dargusch, seconded by Mr. Davis, the Board of Trustees by a unanimous roll call vote approved the naming of Student Housing Building No. 13 as "Dennis House."

F. Increase of Student Application Fee and Establishment of Orientation and Registration Fee

To meet the increasing need for providing improved, efficient, and effective services in the areas of admission, orientation, and registration for the expanding student population, it is recommended with the concurrence of the President's Cabinet and the Deans of the Colleges that:

   a. The non-refundable Application Fee be increased from $5.00 to $10.00 for all applicants who apply for admission to the University.

   b. A non-refundable Orientation and Registration Fee in the amount of $25.00 be assessed all students enrolling for the first time in The Ohio State University in one of the undergraduate collegiate programs. This fee is to replace the present Orientation Fee ($5.00 - approved by the Board of Trustees on May 9, 1958), and the Matriculation Fee (approved by the Board of Trustees February 20, 1920 in the amount of $10.00 and increased to $15.00 by the Board on April 6, 1934.) The Orientation and Registration Fee is to be paid within three weeks following notification of official admission, in all cases prior to orientation, or within two weeks prior to the final date for registration.

   c. A non-refundable Registration Fee in the amount of $15.00 be assessed all students enrolling for the first time in one of the professional colleges or the Graduate School of The Ohio State University. Payment is to be made at the time the schedule cards are requested.
July 17, 1964 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

F. Increase of Student Application Fee and Establishment of Orientation and Registration Fee (continued)

d. A deposit of $50.00 be assessed all students admitted to the Colleges of Dentistry and Medicine and to be paid within two weeks of notification of approval for admission. The $50.00 will be applied to the student's first quarter fees when he enrolls. If the applicant cancels his admission, the $50.00 will be refunded if requested by the applicant on or before the date properly established and announced by the respective colleges.

It is further recommended that each of the above recommendations become effective Summer Quarter 1965.

Upon motion of Mr. Jones, seconded by Mr. Davis, the above recommendations were approved by unanimous roll call vote.

G. Demolition of Buildings in Medical Center Area

Pursuant to the action of the Board of Trustees on December 13, 1963, the University is currently acquiring land west of Neil Avenue and north of West Ninth Avenue. This land is to be cleared for the construction of new buildings for the College of Medicine. It is proposed that the buildings on these properties be demolished as acquired.

It is therefore recommended that authority be granted to demolish any and all structures on lots that must be cleared for the construction of new medical facilities west of Neil Avenue and north of West Ninth Avenue. The demolition in each case shall be scheduled at the discretion of the Vice President for Business and Finance, subject to approval by Cabinet.

All demolition of these buildings will be advertised in the usual manner.

Upon motion of Mr. Davis, seconded by Mr. Dargusch, the above recommendation was approved unanimously by roll call vote.

III. GENERAL CONTRACTS AND AGREEMENTS

A. The Ohio State University and The Ohio State University Research Foundation

In accordance with the Memorandum of Agreement between The Ohio State University and The Ohio State University Research Foundation approved by this Board on September 5, 1950, it is recommended that the research agreements for the following projects administered through the Research Foundation be approved and recorded in the minutes of this meeting.

1. Government Contracts - Federal

a. Department of Navy, Office of Naval Research, Washington, D. C., for Conducting a Course of Instruction in Navy Price Analysis (to be known as Office of Naval Research Project No. 1086 - Amend. #9 - Defense Management Center).
   Gross Value - $7,185.00.

b. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for Isolation and Identification of RH(D) Antigen (to be known as National Institutes of Health Project No. 1299 - Ext. #3 - Department of Microbiology).
   Gross Value - $13,680.00.

c. U. S. Army Research Office - Durham, Box CM, Duke Station, Durham, North Carolina, to Measure Theoretical Foundations of Surface Area Theory (to be known as U. S. Army Research Office - Durham Project No. 1437 - Sup. #2 - Department of Mathematics).
   Gross Value - $22,582.00.

d. National Aeronautical and Space Administration, Washington, D. C., for Biological Effects of Prolonged Exposure of Animals to Unusual Gaseous Environments (to be known as National Aeronautical and Space Administration Project No. 1492 - Sup. #1 - Department of Physiology).
   Gross Value - $90,000.00.
A. The Ohio State University and The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

e. Department of Health, Education and Welfare, Office of Education, Washington, D. C., for The Development of Packaged Programs Designed to Enable Groups of Teachers to Carry on Their Own In-Service Audiovisual Instructional Programs (to be known as Office of Education Project No. 1683 - Sup. #2 - Bureau of Educational Research and Service).
Gross Value - $10,139.00.

f. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Response of Splenectomized Monkeys to Infection (to be known as National Institutes of Health Project No. 1687 - Ext. #1 - Departments of Medicine and Microbiology).
Gross Value - $25,867.00.

g. National Science Foundation, Washington, D. C., for Nuclear Structure Research With a 5.5 MeV Electrostatic Accelerator (to be known as National Science Foundation Project No. 1743 - Amend. #1 - Department of Physics).
Gross Value - $105,400.00.

h. Systems Engineering Group, Research and Technology Division, Wright-Patterson Air Force Base, Ohio, for Measurement of Stagnation Point Heat Transfer in High Enthalpy Gas Flows (to be known as Systems Engineering Group, Research and Technology Division Project No. 1829 - New - Department of Aeronautical and Astronautical Engineering).
Gross Value - $34,906.00.

i. National Science Foundation, Washington, D. C., for an Investigation of Solubility and Diffusivity of Oxygen in Solid Copper (to be known as National Science Foundation Project No. 1844 - New - Department of Metallurgical Engineering).

C. Agreement Between the College of Medicine of The Ohio State University and Grant Hospital for an Affiliate Teaching Program

   To enhance the instructional program for medical students, the Dean of the College of Medicine has proposed that an agreement be executed between Grant Hospital and the College of Medicine of The Ohio State University, whereby medical students in their clinical years will be given an opportunity to gain experiences in the care and treatment of patients at Grant Hospital.

   The Board of Trustees of Grant Hospital has indicated its willingness to participate in an affiliate teaching program, and it is therefore recommended that the President be authorized to sign such an agreement on behalf
C. Agreement Between the College of Medicine of The Ohio State University and Grant Hospital for an Affiliate Teaching Program (continued)

of the University with the understanding that there is no financial obligation on the part of the University and that the said agreement begin Summer Quarter 1964.

Upon motion of Mr. Dargusch, seconded by Mr. Jones, the Board of Trustees by unanimous roll call vote authorized the President to sign an agreement between the College of Medicine of The Ohio State University and Grant Hospital for an affiliate teaching program.

D. The Ohio State University and the State Department of Education, Division of Vocational Education and Division of Special Education

It is recommended that the agreements between The Ohio State University and the State Department of Education, Division of Vocational Education and Division of Special Education, be continued for the fiscal year 1964-65 and that contracts for teacher training and special services in the following areas be approved.

- Vocational Home Economics
- Vocational Agriculture
- Trade and Industrial Education
- Distributive Education
- Business Education
- Guidance Services

It is recommended further that the President of the University and the Secretary of the Board of Trustees be authorized to sign the agreements on behalf of the University.

Upon motion of Mr. Davis, seconded by Mr. Dargusch, the above recommendations were approved unanimously by roll call vote.

E. Children's Hospital Research Facility (Ross Hall) and the College of Medicine of The Ohio State University - Termination of Lease

On September 8, 1961, the Board of Trustees authorized a lease based on a nominal fee of one dollar per year with Children's Hospital research facility located in Ross Hall of the Children's Hospital complex. By mutual agreement, it is now proposed that the original lease agreement between The Ohio State University and Children's Hospital concerning this research facility in Ross Hall be terminated and that the administration of Ross Hall be returned to the responsibility of Children's Hospital.

It is the desire of the Board of Trustees of Children's Hospital to enlarge its research facility and administer its own research programs, and the Board of Trustees of Children's Hospital has proposed the termination of the lease. Therefore, with the concurrence of Dr. Richard L. Melling,
July 17, 1964 meeting, Board of Trustees

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

E. Children's Hospital Research Facility (Ross Hall) and the College of Medicine of The Ohio State University - Termination of Lease (continued)

Dean of the College of Medicine, and Dr. Alfred B. Garrett, Vice President for Research, it is recommended that the Board of Trustees of The Ohio State University concur in this action.

Upon motion of Mr. Jones, seconded by Mr. Davis, the Board of Trustees by unanimous roll call vote approved the recommendation to terminate the lease with Children's Hospital which is identified above.

F. Authorization to Sign Agreement Between The Ohio State University and the Federal Aviation Agency for Improvement of The Ohio State University Airport

The Board of Trustees on July 12, 1963, approved the plans and specifications for the project which "provides for the extension of the East-West Runway to 5,000 feet in length, the completion of the North-West, South-East Runway and necessary taxiways" with the understanding that the costs for the project are to be shared with the Federal Aviation Agency. By authority of the Board, an application for a grant from the FAA was made, bids on the project have been received, and a grant agreement has been prepared in consultation with the Office of the Attorney General of Ohio for acceptance.

It is therefore recommended that Novice G. Fawcett, President of The Ohio State University, be authorized and directed to execute the said grant agreement on behalf of the Board of Trustees provided the grant offer is not less than $166,692.00. The said grant agreement, attached hereto, is in accord with the action of the Board of Trustees on February 15, 1963, concerning the purposes for the University Airport.

Upon motion of Mr. Davis, seconded by Mr. Jones, the Board of Trustees by unanimous roll call vote approved the above recommendation.

Federal Aviation Agency

GRANT AGREEMENT

Part 1 - Offer

Date of Offer

Ohio State University Airport

Project No. 9-33-044-01

Contract No. FA-EA-545

TO: Board of Trustees of The Ohio State University

(heretofore referred to as the "Sponsor")

FROM: The United States of America (acting through the Federal Aviation Agency, herein referred to as the "FAA")
July 17, 1964 meeting, Board of Trustees

Federal Aviation Agency - Grant Agreement (continued)

WHEREAS, the Sponsor has submitted to the FAA a Project Application dated November 18, 1963, for a grant of Federal funds for a project for development of the Ohio State University Airport (herein called the "Airport"), together with plans and specifications for such project, which Project Application, as approved by the FAA is hereby incorporated herein and made a part hereof; and

WHEREAS, the FAA has approved a project for development of the Airport (herein called the "Project") consisting of the following-described airport development:

Land acquisition, consisting of fee simple title free and clear of exceptions and encumbrances objectionable to the FAA in and to Parcels 13, 24 and 25 as shown on the property map Exhibit "A"; extend Runway 9-27 (2000'); extend runway lights and relocate threshold lights both ends of Runway 9-27; construct taxiway to west end of Runway 9-27 extended; construct taxiway extension to east end of Runway 9-27; extend Runway 14-32 (700')

all as more particularly described in the property map attached as Exhibit "A" to the Project Application and in the plans and specifications as approved for this project by the District Airport Engineer, FAA, Eastern Region, Columbus, Ohio, on April 10, 1964, all of which are hereby incorporated herein by reference and made a part hereof;

NOW THEREFORE, pursuant to and for the purpose of carrying out the provisions of the Federal Airport Act, as amended (49 U.S.C. 1101), and in consideration of (a) the Sponsor's adoption and ratification of the representations and assurances contained in said Project Application, and its acceptance of this Offer as hereinafter provided, and (b) the benefits to accrue to the United States and the public from the accomplishment of the Project and the operation and maintenance of the Airport as herein provided, THE FEDERAL AVIATION AGENCY, FOR AND ON BEHALF OF THE UNITED STATES, HEREBY OFFERS AND AGREES to pay, as the United States share of the allowable costs incurred in accomplishing the Project, 50 % of all such costs.

This Offer is made on and subject to the following conditions.

1. The maximum obligation of the United States payable under this Offer shall be $2,000,000.

2. The Sponsor shall:

   (a) begin accomplishment of the Project within ninety days after acceptance of this Offer or such longer time as may be prescribed by the FAA, with failure to do so constituting just cause for termination of the obligations of the United States hereunder by the FAA;

   (b) carry out and complete the Project without undue delay and in accordance with the terms hereof, the Federal Airport Act, and Sections 151, 45-151.55 of the Regulations of the Federal Aviation Agency (14 CFR 151) in effect as of the date of acceptance of this Offer; which Regulations are hereinafter referred to as the "Regulations";

16
July 17, 1964 meeting, Board of Trustees

Federal Aviation Agency - Grant Agreement (continued)

(c) carry out and complete the Project in accordance with the plans and specifications and property map, incorporated herein, as they may be revised or modified with the approval of the FAA.

3. The allowable costs of the project shall not include any costs determined by the FAA to be ineligible for consideration as to allowability under Section 151.41(b) of the Regulations.

4. Payment of the United States share of the allowable project costs will be made pursuant to and in accordance with the provisions of Sections 151.57-151.63 of the Regulations. Final determination as to the allowability of the costs of the project will be made at the time of the final grant payment pursuant to Section 151.63 of the Regulations: Provided, that, in the event a semi-final grant payment is made pursuant to Section 151.63 of the Regulations, final determination as to the allowability of those costs to which such semi-final payment relates will be made at the time of such semi-final payment.

5. The Sponsor shall operate and maintain the Airport as provided in the Project Application incorporated herein and specifically covenants and agrees, in accordance with its Assurance 4 in Part III of said Project Application, that in its operation and the operation of all facilities thereon, neither it nor any person or organization occupying space or facilities thereon will discriminate against any person or class of persons by reason of race, color, creed or national origin in the use of any of the facilities provided for the public on the airport.

6. The FAA reserves the right to amend or withdraw this Offer at any time prior to its acceptance by the Sponsor.

7. This Offer shall expire and the United States shall not be obligated to pay any part of the costs of the Project unless this Offer has been accepted by the Sponsor on or before June 30, 1964, or such subsequent date as may be prescribed in writing by the FAA.

8. By its acceptance of this Grant Offer, the Sponsor agrees that insofar as is within its powers and to the extent reasonable, the Sponsor will take action to restrict the use of land adjacent to or in the immediate vicinity of the airport, to activities and purposes compatible with normal airport operations including landing and take-off of aircraft.

9. The Sponsor's financial records of the project will be established, maintained and made available to personnel of the FAA in conformity to Section 151.55 of the Regulations of the Federal Aviation Agency (14 CFR 151) and will be made available, also, to representatives of the Comptroller General of the United States.
10. Pursuant to Paragraph 9, Part III of the Project Application dated November 18, 1963, the Sponsor hereby covenants and agrees to furnish the Federal Government without cost, within four months after written request therefor, such lease, easement or license for a period not to exceed 25 years in such lands or buildings as are deemed necessary by FAA for the construction and operation on the airport of the structures or facilities set forth below, provided the respective areas of land and/or buildings deemed adequate by FAA for such purposes are available without the necessity for removing or relocating other facilities and are within the geographic boundaries of the airport at the time request therefor is made by the FAA; together with rights of ready access in and to such areas or buildings for construction, occupancy and use and the right to connect to existing utilities and to be furnished the utility services required to the extent of available capacity at no more than prevailing rates. The facilities or structures involved and the maximum area of land, or rights in buildings, the Sponsor is obligated to furnish for each are as follows:

Air traffic control tower - approximately one acre.

11. The Sponsor covenants and agrees, with respect to the clear zones shown on the airport Master Plan layout approved April 7, 1964, by the Chief, Airports Division, FAA, Eastern Region, and on future revisions of such plan, if any, that the Sponsor will maintain the land in such clear zones as to which the Sponsor holds fee simple title, free and clear of all structures, except those required as aids to air navigation, unless otherwise authorized by the FAA.

12. It is understood and agreed that the Sponsor, prior to any northwesterly extension of Runway 14, will acquire, with or without Federal aid, property interests satisfactory to the FAA in the clear zone as delineated in the said Master Plan.

The Sponsor's acceptance of this Offer and ratification and adoption of the Project Application incorporated herein shall be evidenced by execution of this instrument by the Sponsor, as hereinafter provided, and said Offer and Acceptance shall comprise a Grant Agreement, as provided by the Federal Airport Act, constituting the obligations and rights of the United States and the Sponsor with respect to the accomplishment of the Project and the operation and maintenance of the Airport. Such Grant Agreement shall become effective upon the Sponsor's acceptance of this Offer and shall remain in full force and effect throughout the useful life of the facilities developed under the Project but in any event not to exceed twenty years from the date of said acceptance.

TOTAL - Through the Office of Business and Finance $587,101.00
IV. GRANTS AND GIFTS (continued)

B. Received Through the Development Fund

1. $35,125.00 from the National Fund for Medical Education, Chicago, Illinois, for the College of Medicine.

2. $21,447.00 from the Bell Telephone Laboratories to be deposited in their teaching and research fund administered by the College of Engineering.

3. $10,000.00 from the Ohio Lions Eye Research Foundation, Columbus, Ohio, for research in the School of Optometry.

4. $10,000.00 in securities (250 shares of McGraw-Edison Company common stock) from James W. Overstreet to be added to the fund for the construction of a new residence for the President.

5. $5,000.00 from Wyeth Laboratories for the Wyeth Metabolism Fund.

Robert Elden Mathews Fund

The Robert Elden Mathews Fund was established December 31, 1963, through transfer of funds to The Ohio State University Development Fund, to be invested according to rules and regulations adopted by the Board of Trustees of The Ohio State University, with right to invest and reinvest as occasion dictates. The Fund honors Professor Robert Elden Mathews, whose retirement in 1964 brings to a close forty years of distinguished service to The Ohio State University. Creation of the Fund is the initiative of Harry J. Dworkin, '27, who with Clara Dworkin made the initial contribution. Supplementary contributions have come from many admirers of Robert Mathews - former students, University colleagues, leaders in labor arbitration, and members of the Section of Legal Education of the American Bar Association.

Professor Mathews is honored by providing in his name a lasting testimonial to his deep and abiding interest in the law students of many generations. Appropriately, therefore, the income from this Fund is to be used for the financial assistance of students in the College of Law under general policy norms adopted by the Faculty of the College of Law and administered through the College Office.

Should changed conditions ever bring a diminution or disappearance in the need for funds for the financial assistance of law students, then the Faculty of the College of Law, on recommendation of the Dean of the College, shall designate other objectives for which the income from this fund shall be used.
July 17, 1964 meeting, Board of Trustees

IV. GRANTS AND GIFTS (continued)

B. Received Through the Development Fund (continued)

6. Robert Elden Mathews Fund (continued)

In the event that the College of Law as it now exists shall be altered in any reorganization of University colleges, schools, and departments, the Board of Trustees or successor governing body of the University shall direct use of the income for purposes within the field of Law as recommended by the appropriate administrative official of the University then directly responsible for legal education at The Ohio State University.

7. $1,588,30 from the family, friends, and students and faculty of the College of Law for the Donald B. Becker Memorial Scholarship Fund.

Donald B. Becker Memorial Scholarship Fund

The Donald B. Becker Memorial Scholarship Fund was established through the Development Fund April 22, 1964, by the widow and parents of Donald B. Becker, a second-year law student who lost his life April 18, 1964, while in service with the United States Army Reserve. The original gift has been generously supplemented by contributions from students and faculty of the College of Law, from high school and college friends of Donald and Audrey Ekey Becker, and from friends and neighbors of his and her families. The principal is to be invested in accordance with rules and regulations adopted by the Board of Trustees of The Ohio State University with right to invest and reinvest as occasion dictates.

One of Donald Becker's admirable characteristics was his great concern for his fellow students, whether in high school, college, or law school. Responsive to this quality in him this Fund is created in his memory, the income to be available to the College of Law for the financial aid of a second-year law student or students.

In the event that the College of Law as it now exists shall be altered in any reorganization of University colleges, schools, and departments, the Board of Trustees or successor governing body of the University shall direct use of the income for purposes as closely analogous as possible to the original intent of the donors, as recommended by the appropriate administrative official of the University then directly responsible for legal education at The Ohio State University.

8. $1,165.86 from Livestock Loss Prevention Association of Ohio, Columbus, Ohio, for Continuing Education in Livestock Loss Prevention in the College of Agriculture and Home Economics and in the College of Veterinary Medicine.
IV. GRANTS AND GIFTS (continued)

B. Received Through the Development Fund (continued)

9. $1,000.00 from friends and former students of K. Y. Tang for the K. Y. Tang Memorial Fund.

K. Y. Tang Memorial Fund

The K. Y. Tang Memorial Fund was established June 22, 1964, by gifts through the Development Fund in memory of Dr. K. Y. Tang, former Professor in the Department of Electrical Engineering.

The principal is to be invested in accordance with rules and regulations adopted by the Board of Trustees of The Ohio State University, with right to invest and reinvest as occasion dictates.

The income shall be used on recommendation of the Chairman of the Department of Electrical Engineering for such purposes as he may deem appropriate. The following criteria shall influence such expenditures but shall not be exclusive:

1. Incidental expenses associated with the electrical engineering research projects that apply to the medical field; e.g., cancer research.

2. Emergency loans to students.

3. Department memorials; e.g., plaques.

4. Incentive gifts to faculty members for special effectiveness in teaching.

Principal as well as income may be expended as long as the principal is not reduced below $1,000.00.

In the event that the Department of Electrical Engineering, as it now exists, shall be altered in any reorganization of University colleges, schools and departments, the Board of Trustees or successor governing body of the University shall direct use of the income for purposes within the field of electrical engineering as recommended by the appropriate administrative official of the University then directly responsible for electrical engineering education at The Ohio State University.

10. $1,000.00 from Melvin D. Ross--$500.00 for the Melvin D. Ross Student Loan Fund and $500.00 for the Melvin D. Ross Library Fund.

11. $1,000.00 from Richard M. Ross--$500.00 for the School of Art and $500.00 for the Department of Dairy Technology.

12. $1,000.00 from Herbert W. Salter, Sr., M.D., as the second payment on the Presidents Club commitment with the purpose to be designated later.
IV. GRANTS AND GIFTS (continued)

B. Received Through the Development Fund (continued)

13. $1,000.00 from Gordon Hildreth for Student Athlete Grant-in-Aid.

**Edwin M. Ellman Endowment Fund**

The Edwin M. Ellman Endowment Fund was established June 29, 1964, by a gift through the Development Fund from Edwin M. Ellman, Law '54.

The principal is to be invested in accordance with rules and regulations adopted by the Board of Trustees of The Ohio State University, with right to invest and reinvest as occasion dictates.

Income from this Fund, as in the case of other similar funds, is to be used to provide financial assistance to law students, honoraria to visiting lecturers in the College of Law, and for any other purposes judged appropriate by the Dean of the College in consultation with the National Council of the College of Law Financial Aids Fund.

The right to approve invasion of the principal, but only for the exclusive benefit of the College of Law is retained by the donor during his lifetime and, on the occasion of donor's incapacity or death, by persons designated by him through either his will or his written instructions to The Ohio State University Development Fund.

Should need for the income and principal for the purposes specified disappear at any future time, then the Faculty of the College of Law, on recommendation of the Dean of the College, shall designate other objectives for which these monies shall be used.

In the event that the College of Law as it now exists shall be altered in any reorganization of University colleges, schools, and departments, the Board of Trustees or successor governing body of the University shall direct use of the income for purposes within the field of Law as recommended by the appropriate administrative official of the University then directly responsible for legal education at The Ohio State University.

**TOTAL - Through the Development Fund $92,170.98**

15. Establishment of The John C. Martin Fund,

**The John C. Martin Fund**

The John C. Martin Fund was established December 31, 1963, by a gift in the amount of $11,200.00 (Reported in February 14, 1964 minutes) through the Development Fund from John C. Martin, B.Sc. Bus. Adm, '20.
IV. GRANTS AND GIFTS (continued)

B. Received Through the Development Fund (continued)

15. The John C. Martin Fund (continued)

The principal is to be invested in accordance with rules and regulations adopted by the Board of Trustees of The Ohio State University, with right to invest and reinvest as occasion dictates.

The income is to be used in the field of accounting, with this reservation only, that during the lifetime of said John C. Martin a recommendation may be made by him in any given year for a specific use of the income for that year, and if said recommendation is for an appropriate University purpose, the Board of Trustees may apply income for that year accordingly.

Upon motion of Mr. Jones, seconded by Mr. Davis, the above report of grants and gifts, including the establishment of certain memorial and scholarship funds, was accepted by unanimous vote, and the Secretary was instructed to include the report in the minutes of this meeting.

C. Report from The Ohio State University Development Fund

Grand Total $197,370.71

Upon motion of Mr. Davis, seconded by Mr. Dargusch, the Board of Trustees by roll call vote approved unanimously the transfer of the above amounts to Account 19999, University Treasurer General Fund.
V. APPROPRIATIONS AND TRANSFER OF FUNDS (continued)

B. Appropriations for the Development of Research Project Facilities

At the request of the Vice President for Research, and with the concurrence of the Vice President for Business and Finance and the Cabinet, it is recommended that the following amounts be appropriated from the University Treasurer Research Subaccounts as designated for the projects named:

- $12,108.00 to cover renovation of rooms in the Research Laboratory Building, 176 West Nineteenth Avenue, and provide research space for the Department of Obstetrics and Gynecology
- $10,000.00 for preparation of final plans and to seek bids on the second floor level of the Research Space - East Side of Stadium
- $6,500.00 for preparation of plans for a space communications building at the Saucer Field Facility

Upon motion of Mr. Davis, seconded by Mr. Jones, the above recommendation for appropriation of funds was approved unanimously by roll call vote.

C. Appropriation for Preparation of Plans for Laboratory Animals Facilities Center

At the request of the Vice President for Research, and with the concurrence of the Vice President for Business and Finance and the President's Cabinet, it is recommended that funds not to exceed $9,500.00 be allocated from the University Treasurer Research Subaccount (b) for preparation of final building plans which are to be submitted as a proposal for Federal support with matching funds from the University for the Laboratory Animals Facilities Center.

Upon motion of Mr. Davis, seconded by Mr. Dargusch, the Board of Trustees by a unanimous roll call vote approved the above appropriation of funds.

D. National Science Foundation Institutional Grant Funds

At the request of the Vice President for Research and with the concurrence of the President's Cabinet, it is recommended that National Science Foundation Institutional Grant funds in the amount of $84,296.22 be used to meet a part of the commitment of funds to the High Energy Physics Program.

Upon motion of Mr. Davis, seconded by Mr. Jones, the above appropriation of funds was approved unanimously by roll call vote.
V. APPROPRIATIONS AND TRANSFER OF FUNDS (continued)

E. Appropriation for Membership in the Inter-University Consortium for Political Research

At the request of the Vice President for Research and with the concurrence of the President's Cabinet, it is recommended that The Ohio State University join the Inter-University Consortium for Political Research and that $2,500.00 be allocated from the University Treasurer Research Subaccount (c) to cover the membership fee.

Upon motion of Mr. Davis, seconded by Mr. Dargusch, the above appropriation of funds was approved by a three to one vote with Mr. Frederick E. Jones voting negatively.

F. Home Economics - Transfer of Funds

Upon the request of the Director of the School of Home Economics and with the concurrence of the Dean of the College of Agriculture and Home Economics, it is recommended that the sum of $30,000.00 be transferred from Budget Account 86228 (Pomerene Refectory) to Budget Account 31311 (Home Economics General Rotary).

Upon motion of Mr. Davis, seconded by Mr. Jones, the transfer of funds from Budget Account 86228 to Budget Account 31311 was approved unanimously by roll call vote.

G. Newcomers Reception

Upon the recommendation of Mr. Frederick Stecker, Executive Director for University Relations, whose office is assigned the responsibility for planning the annual Newcomers Reception, and with the concurrence of the President's Cabinet, it is recommended that an amount not to exceed $1,300.00 be appropriated from the University Treasurer General Fund for the purpose of defraying the expenses of this function, which will be held on Wednesday, October 7, 1964.

Upon motion of Mr. Davis, seconded by Mr. Jones, the above recommendation was approved unanimously by roll call vote.

VI. EXTRA ORDERS TO CONTRACTS

At the request of the Council on Business Affairs, and with the concurrence of the Cabinet, it is recommended that the Extra Orders to Contracts as outlined below be approved by the Board of Trustees and submitted to the Director of Finance, State of Ohio, for approval and allocation of funds as indicated.
VI. EXTRA ORDERS TO CONTRACTS (continued)

A. Housing for Metallurgical and Mineralogical Laboratories

General Contract

It is recommended that the following changes be made:

2. Omit the wire mesh partitions and doors as indicated on the drawings for the basement of the existing building. Deduct $187.00.

Net Addition $ 967.00

Funds for this project are provided in Account 806, H. B. 711.

B. Miami University - The Ohio State University - Dayton Campus, Phase I

General Contract

It is recommended that the following changes be made:

1. Construct part of a service tunnel to provide for connection of Allyn Hall with Phase II. This work is necessary at this time to avoid additional costs later due to destruction of sidewalks and landscaping. Add $6,792.50.

2. Furnish and install aluminum letters to place the name "Allyn Hall" on the building. Add $299.00.

Total Addition $7,091.50

Funds for this project are provided in Budget Account 91017.

Upon motion of Mr. Jones, seconded by Mr. Davis, the above recommendation was approved by a unanimous roll call vote.

C. Summary of Extra Orders Approved by the President

On October 12, 1962, the Board of Trustees authorized the President to approve all individual change orders on projects where said orders do not exceed $500.00 each, with the understanding that such actions thus taken are to be reported to the Board upon completion of each of the respective projects and that the said reports should be in total amounts and not in detail. Therefore, a summary of the extra orders which have been approved by the President, as authorized by the Board of Trustees, is hereby reported for the following projects:

Each numbered approval shown below accomplished the following purpose:

54 Approves the transfer of $174,695.00 from Modernization of Engineering and Physical Science Facilities, Item 003, S. B. 370, to Completion of Robinson Laboratory, Item 023, S. B. 370, to provide funds for the purchase of equipment for the Department of Mechanical Engineering.

80 Authorizes the award of extra orders in the amount of $1,635.30 for the project "University Hospital, Repairs to Rooms 473, 476, 478, 479, and N-729" with funds to be provided from University Hospital Rotary.

88 Authorizes the release of $30,096.00 in Item 005, S. B. 370 to provide funds for preliminary plans for the project "Physics and Astronomy Building."

89 Authorizes the release of $28,590.00 in Item 011, S. B. 370 to provide funds for preliminary plans for the project "Electronics Laboratories."

90 Authorizes the release of $24,408.00 in Item 012, S. B. 370 to provide funds for preliminary plans for the project "Systems Engineering."

92 Approves the expenditure of $252,899.00 for contracts for maintenance projects from funds appropriated in H. B. 711.

102 Approves the expenditure of $107,151.00 for contracts for maintenance projects from funds appropriated in H. B. 711.

X. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE

A. Employment of Engineers - Student Housing Buildings
   No. 7 (Houck), No. 8 (Nosker), and No. 9 (Archer)

   It is recommended that the engineering firm of W. E. Monks be employed to provide complete professional engineering services for Student Housing Buildings No. 7 (Houck), No. 8 (Nosker), and No. 9 (Archer). They will provide the design, preparation of drawings, specifications and estimate of cost, and complete field supervision of construction for the heating, ventilating and air conditioning division, the plumbing division, and the electrical division for this project.

   The fee will be computed on the basis of 4 1/2 per cent of the cost of the mechanical and electrical work and is estimated to be approximately $32,625.00. Funds will be provided from Dormitory Construction Funds.

Upon motion of Mr. Dargusch, seconded by Mr. Davis, the above recommendation was approved by unanimous roll call vote.
B. Columbia Gas of Ohio, Inc., Easement for Gas Line

The Columbia Gas of Ohio, Inc., has requested permission to construct a medium pressure gas line through State of Ohio lands, which lands have been designated for use by The Ohio State University. The proposed gas line will serve Battelle Memorial Institute and other property south of the campus as well as supplement the supply of natural gas available for use by the University.

It is recommended that the construction of the gas line through University lands be approved in a location not inimical to the interest of the University. It is further recommended that the President be authorized to request the Director of Public Works, pursuant to his statutory duties, to act on behalf of the University in developing the necessary legal instruments to provide for the installation of said gas pipe line and to negotiate the appropriate compensation to the University.

Upon motion of Mr. Jones, seconded by Mr. Davis, the above recommendations were approved by unanimous roll call vote.

C. Purchase of Buildings and Property, 412 West Ninth Avenue

It is recommended that the Vice President for Business and Finance be authorized to proceed with the purchase of the following property from Lydia M. Reeder at a price of $21,000.00:

Property known as 412 West Ninth Avenue, being Lot No. 17, Elizabeth King's Olentangy Subdivision, City of Columbus, County of Franklin, State of Ohio.

Funds are available in Item 015 College of Medicine - Land, S. B. 370.

Upon motion of Mr. Davis, seconded by Mr. Jones, the above recommendation was approved by unanimous roll call vote.

D. Purchase of Buildings and Property, 363, 367 and 371 West Tenth Avenue

It is recommended that the Vice President for Business and Finance be authorized to proceed with the purchase of the following property from Oscar E. Carlin at a price of $73,000.00:

XI. RESOLUTIONS IN MEMORIAM

President Fawcett reported to the Board the deaths of J. Carlton Atherton, Professor in the School of Art; E. Jean Cox, Instructor in the Department of English; and Alan Francis Griffin, Professor in the Department of Education. In accordance with the instructions of the Board of Trustees, copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board have been furnished the families of the deceased.

A. J. Carlton Atherton

The Board of Trustees expresses its sorrow at the death on June 13, 1964, of J. Carlton Atherton, Professor in the School of Art.

Professor Atherton was born on January 17, 1900, in Taylor, Pennsylvania. He studied at Syracuse University, New York, between 1918 and 1921. In 1921 he undertook special study at Pratt Institute and the National Arts Club in New York. He received a Special Ceramic Certificate from Syracuse University in 1922.

Between 1923 and 1930 Professor Atherton served on the faculty of Syracuse University. In 1926 his research required his going to Paris for special study. Professor Atherton joined the faculty of the School of Art at The Ohio State University in 1930, he was promoted to Associate Professor in 1946, and to Professor in 1947. He served as a Visiting Professor at Teachers College, Columbia University, in the summer of 1949 and as Visiting Lecturer at Long Beach State Teachers College, California, in the summer of 1955.

Professor Atherton's professional development was at a time when the arts themselves were finding their places in American colleges and universities. As a faculty member he embodied those unique strengths as an artist and scholar that served to create the important role now given the arts in American education.
XI. RESOLUTIONS IN MEMORIAM (continued)

A. J. Carlton Atherton (continued)

The awards received by Professor Atherton include: First Prize in the New York Society of Craftsmen Exhibition, a Special Award in the Boston Society of Arts and Crafts Exhibition, and Second Prize in the Annual National Ceramic Exhibition. His research included study of the development of techniques and styles in both Italian maiolica and French faience. Additionally he carried on research with high-fire feldspathic glazes and porcelain bodies to capture the tactile values and subtlety of color of Sung Dynasty wares.

Professor Atherton was one of our foremost authorities in the history of ceramic art. He made numerous trips to England, Holland, Belgium, France, Switzerland, Italy, Colombia, Venezuela, and many other countries. In addition he traveled extensively in Canada and the United States. Few persons possessed his intimate and detailed knowledge of ceramic art gained from study in museums, libraries, and galleries over the world.

Above all, Carlton Atherton was a fine teacher, and his gentle manner and love of humanity pervaded his teaching. He was a person whose qualitative standards were conveyed by his every act.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

B. E. Jean Cox

The Board of Trustees expresses its sorrow at the death on July 5, 1964, of Miss E. Jean Cox, an Instructor in the Department of English.

Miss Cox received her B.A. degree from the University of Wisconsin in 1924 and her M.A. from the University of New Hampshire in 1951. She joined the staff at Ohio State in 1956. During her lifetime, Miss Cox taught at the Roycemore School in Evanston, Illinois; the Hathaway-Brown School in Cleveland, Ohio; and the Washington State Teachers College and Farmington State Teachers College in the State of Maine.

Miss Cox was a committed teacher, devoted to her students and devoted to a high ideal of the meaning of a humane education. She understood the value of literature in enriching human experience and making it comprehensible. Hundreds of students attained both skill and wisdom from her teaching.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.
XI. RESOLUTIONS IN MEMORIAM (continued)

C. Alan Francis Griffin

The Board of Trustees expresses its sorrow at the death on July 6, 1964, of Alan Francis Griffin, Professor of Education.

Dr. Griffin was born on November 21, 1907, in Barnesville, Ohio. He received his B.Sc. in Education degree from The Ohio State University in 1936, and from the same institution he received the Ph.D. degree in 1942. He taught social studies and French at John Simpson Junior High School, Mansfield, Ohio, from 1930 to 1936. From 1936 to the time of his death, he taught in the area of social studies education at The Ohio State University as Instructor, Assistant Professor, Associate Professor, and Professor. During this period of teaching he served one year on the staff of the University School, The Ohio State University, and as Visiting Professor at Denver University. For two years, 1956 to 1958, he was consultant to the All-India Council for Secondary Education as a member of the staff of The Ohio State University India Education Project.

Dr. Griffin was active in organizations promoting civil rights, serving as executive secretary and as a member of the executive committee of the Ohio League for Constitutional Rights. He was a member of various nationally important educational organizations. On the campus of Ohio State, he was influential in promoting constructive curricular revisions and fostering academic freedom as a member of the Faculty Council, the Council on Instruction and the Conference Committee of the Teaching Staff.

Dr. Griffin made a vital contribution to teacher education through his book, his several pamphlets, chapters in scholarly yearbooks and many professional articles. As an instructor of both prospective and experienced teachers of the social studies, he clarified the meaning of reflective thought and equipped his students to develop reflective capacity in their pupils.

Dr. Griffin's perceptive humor and comprehensive intellectual interests stimulated his colleagues both within his own department and within the wider University community.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

XII. REPORTS

A. Reports from the Finance and Investment Committee

Mr. Jones presented the following resolutions on behalf of the Finance and Investment Committee of the Board of Trustees:

a. Authorization to Implement the Recommendations in the Report Entitled, "Initial Parking Program and Related Traffic at The Ohio State University"

RESOLVED, that the Board of Trustees of The Ohio State University approves in principle the Report submitted by Wilbur Smith & Associates entitled "Initial Parking Program and Related Traffic at The Ohio State University" dated June 15, 1964, and hereby authorizes the President and the Vice President for Business and Finance to begin the implementation of the salient recommendations in the Report, and that the Report be filed with the official records of the Board of Trustees.

b. Designation of Special Counsel - Squire, Sanders & Dempsey

FURTHER RESOLVED, that the Board of Trustees of The Ohio State University hereby determines that it is in the interest of the University to obtain the services of Squire, Sanders & Dempsey in connection with the proposed issue of Parking Revenue Bonds, and any additional bonds issued on a parity thereto, and accordingly the President and the Vice President for Business and Finance, and each of them, are authorized to request the Attorney General of the State of Ohio to designate Squire, Sanders & Dempsey as special counsel to the University on the terms set forth in the form of designation presented to and filed and recorded with the records of this meeting. (See page 40)

c. Employment of Architects and Engineers, Parking Ramps (Medical Area, Ohio Union Area and Arps Hall Area)

FURTHER RESOLVED, that the architectural firm of Potter, Tyler, Martin & Roth, in conjunction with Howard, Needles, Tammen & Bergendoff, Engineers, be employed to provide complete architectural and engineering services for the above project including preliminary plans, basic drawings, working drawings, specifications, estimate of cost, necessary bidding documents, and complete supervision of construction.

The fee for this service will be calculated at the rate of 6 per cent of the first $1,000,000 of the construction cost, 5 1/2 per cent of the second $1,000,000 and 5 per cent of all over $2,000,000. The estimated fee is $200,000 based upon the estimated construction cost of $3,700,000. Funds will be provided from the proceeds of the Parking Revenue Bond Issue.

Upon motion of Mr. Jones, seconded by Mr. Davis, the above resolutions were adopted unanimously by roll call vote.
July 17, 1964 meeting, Board of Trustees

XII. REPORTS (continued)

A. Reports from the Finance and Investment Committee (continued)

DESIGNATION OF SPECIAL COUNSEL BY THE ATTORNEY GENERAL

Pursuant to recommendation of the Board of Trustees of The Ohio State University, I, William B. Saxbe, Attorney General, State of Ohio, do hereby appoint Squire, Sanders & Dempsey, Cleveland, Ohio, as special counsel to act as Bond Counsel and as Project Counsel to The Ohio State University in connection with the issuance and sale of Parking Revenue Bonds, which are to be issued to finance a new parking facilities on the campus of The Ohio State University, and further appoint said firm as Bond Counsel and as Project Counsel to the University in connection with any additional bonds to be issued on a parity with said bonds and the projects to be financed thereby.

As Bond Counsel said firm shall assist and advise the University in the development of terms and conditions for financing of said project, prepare all necessary documents relating to such financing, including, to the extent deemed necessary, the Bond Resolution, Trust Agreement, temporary and definitive bond forms, public sale proceedings and legal portions of the prospectus, develop the necessary bond transcript, render an opinion as to the legality of the bonds upon their issuance and delivery and such related opinions as may be required, and supervise the program for delivery of and payment for such bonds.

As Project Counsel said firm shall determine and advise the University as to legal methods of financing such project and revenues that may be pledged; assist the University in negotiations and preparation of or review of any loan agreements, applications and related papers with investment bankers, or any other lending agency or entity, render services in connection with interim financing, including rendering opinions thereon; prepare or review construction or architect's or engineering contracts, and prepare or review proceedings in connection with the advertising, authorization or execution thereof; perform services as to title matters related to the project sites; participate in negotiations or preparation of approvals, certification or other documents required from state officials; prepare or review prospectus or official statement for bidders; prepare or review new legislation, if any; and render such other legal services in connection with such financing or construction of the project as is not covered by the preceding paragraph.

Compensation for services rendered and to be rendered as Bond Counsel hereunder shall be as follows with respect to each issue for which a single bond resolution is required, including parity issues: $1,400 plus (a) 75 cents per $1,000 of principal amount of said Bonds up to $1,000,000, (b) $1.00 for each $1,000 of principal amount of said Bonds in excess of $1,000,000 but not in excess of $10,000,000, and (c) 50 cents for each $1,000 principal amount in excess of $10,000,000; if no Bonds are issued, reasonable compensation shall be paid by the University. Reasonable compensation shall be paid for services rendered and to be rendered as Project Counsel, such compensation to be approved by the University. In addition to such compensation, counsel shall be reimbursed for their actual and necessary expenses including telephone, travel and the like incurred in the performance of their duties as Bond Counsel and Project Counsel. All of such compensation and reimbursement shall be paid solely from the proceeds of the sale of said bonds or other funds of the University lawfully available for the purpose, or, if the University so determines in the sale of said Bonds, all or such part thereof as is therein provided shall be paid by the purchaser of the Bonds as part of the purchase price thereof.

XII. REPORTS (continued)

A. Reports from the Finance and Investment Committee (continued)

2. Report on the Investment Portfolio

The Secretary was instructed to file a copy of the Report on the University's Investment Portfolio dated June 30, 1964, with the official records of the Board of Trustees.

B. Report on Highlights of Campus Activities

In concluding the meeting, President Fawcett reviewed some of the accomplishments and activities of the University during the period since the June 5, 1964, meeting of the Board of Trustees. Some references included in the Report, which is filed with the official records of the Secretary, were as follows:

1. Ohio State ranks among the top five universities selected for graduate and professional training by former holders of General Motors Corporation undergraduate scholarships. The other four institutions in the top five were: Harvard University, Massachusetts Institute of Technology, University of Michigan, and Princeton University.

2. The number of freshmen applications for admission for Autumn Quarter 1964 has exceeded all previous years. The Director of Admissions has reported that more than 10,000 students have been admitted to the Columbus campus and Off-Campus Academic Centers for the next Autumn Quarter.

3. The University received two awards for its publications at the annual conference of the American College Public Relations Association held during the week of July 6, in Los Angeles, California. The awards were a Certificate of Special Merit for publications program improvement and a Special Merit Award in the internal publications category for "Campus Review," the publication distributed to faculty and staff.

4. The new residence hall dining facility "Royer Commons" was cited for "excellence in food service and sanitation," by Institutions Magazine, sponsor of the annual food service award program.

5. Recognition of faculty achievements: Vice President John C. Weaver has been named by the American Council on Education to serve on the American Council on Pharmaceutical Education. Dean Harold A. Bolz of the College of Engineering has been elected for a two-year term as Vice President and member of the Board of Directors of the American Society for Engineering Education. Dr. Noland L. VanDemark, Chairman of the Department of Dairy Science, has been selected by the Italian Government to be honored for his contributions to the field of animal reproduction and artificial insemination. Dr. Richard D. Burk, Director of Rehabilitation Services of the University Hospitals, has been named Chairman of the Committee on Standards for Rehabilitation Centers of the Commission on Standards and Accreditation of Services for the Blind.

THE OHIO STATE UNIVERSITY COMMENCEMENT

August 28, 1964
VIVA BELLE BOOTHE
THE OHIO STATE UNIVERSITY DISTINGUISHED SERVICE AWARD
Outstanding administrator and a foremost authority on research in business

Viva Belle Boothe is a woman of rare capability who has the courage to venture into challenging new areas. As director of The Ohio State University Bureau of Business Research she was the only woman to hold such a position at a university. And she is the only woman ever to address a commencement class of this university.

Dr. Boothe began her distinguished career as a government statistician during World War I. In this capacity she worked on the first history of commodity prices compiled in the United States. For the last 22 of her 35 years on the faculty, she guided the Bureau of Business Research in its function of recording the course of business in Ohio and in analyzing this information for its citizens.

Testimony to the esteem in which she has been held by her business colleagues at other universities was her selection to the presidency of their national organization. The high regard she has enjoyed on her own campus was acknowledged by her choice as a chairman of the Ohio State chapter of the American Association of University Professors. Her dedication and insight have touched associates in all groups in which she has exercised leadership. The ultimate tribute to her effectiveness is the record of achievement compiled by the many persons she has helped and influenced.
JOHN BERNIS BROWN
THE OHIO STATE UNIVERSITY DISTINGUISHED SERVICE AWARD
Nationally recognized physiological chemist, efficient research administrator and department chairman

John Bernis Brown, noted nutritionist and one of the Nation's foremost authorities on the chemistry of fats, oils, and fatty acids, devoted 40 years to this University's research and teaching programs.

Dr. Brown joined the Ohio State faculty in 1924 and became chairman of the Department of Physiological Chemistry in 1957. He also served as director of the Institute of Nutrition and Food Technology from 1950 until 1963 when he was made director emeritus.

During his years of research, he wrote well over one hundred scientific papers on physiological chemistry and nutrition and was often called upon by the United States Government as a consultant in these fields. At various times he served as a member of the Fats Committee of the Food and Nutrition Board and Agricultural Board of the National Research Council; the Oilseeds Committee of the U.S. Department of Agriculture; and as consultant for the Eastern Utilization Laboratory of the Agricultural Research Service.

A teacher in both the Colleges of Medicine and Dentistry, Dr. Brown's nutrition course in dentistry was the first formal nutrition work taught in this country to dental students.

Among his many activities, he also found time to serve as a member of the Council on Instruction, the Committee to Study Intercollegiate Athletics, and the University Planning Committee.
JOSEPHINE SITTERLE FAILER
THE OHIO STATE UNIVERSITY DISTINGUISHED SERVICE AWARD
Organizer, fund-raiser, friend of the University
and inspiration of alumni

Josephine Sitterle Failer has been a vital force in the alumni leadership of The Ohio State University. As organizer of Development Fund campaigns and alumni meetings, her energy and zeal have inspired the University's faithful into doing much to advance the cause and concept of the University in its ever-expanding role.

A registered pharmacist and member of the Ohio State Pharmacy Association, Mrs. Failer has served as secretary of the College of Pharmacy Alumni Group, as director of the Alumni Association Board, and as captain in the Franklin County Development Fund campaigns. She has been active in the Alumnae Council and is presently the national chairman of the Alumnae Scholarship Houses Advisory Board.

From time to time she has organized antique shows to raise funds for Development Fund projects, including Alumnae Council activities, the Scholarship Houses, the College of Pharmacy Alumni group, University Scholarship Funds, and for Continuing Education for Women.

In helping to provide furniture to the Scholarship Houses, preparing quarterly dinners for the residents, and in helping to maintain ties between the University's visiting emeriti and former students, she has contributed selflessly of her time and resources. She has set an example of service of which the University and its alumni are justifiably proud.
Internationally known physiologist-educator, pioneer contributor in man's efforts to conquer space

Fred Andrews Hitchcock has earned many tributes from the world of science for his research, much of which has dealt significantly with the relationships of man to the environment of space. In this country, the American Association for the Advancement of Science, the American Astronautical Society, and the Aerospace Medical Association have conferred fellowships upon him. He is a past president of the Space Medicine Society of the Aero-Medical Association and holds the Association's Tuttle Award for outstanding research achievements. He has served as a consultant in government and industry and has conducted research for numerous defense agencies and governmental offices.

Abroad, Dr. Hitchcock has been honored by the Scientific Council of the Brazilian Interplanetary Society with life membership. He served as a member of international physiological or astronautical congresses in six countries. Since his retirement in 1960, he has continued his unusual service to international science by spending two years teaching physiology at Pahlevi University, in Shiraz, Iran.

Among his numerous contributions as a member of the College of Medicine at The Ohio State University was the establishment in 1941 of the Laboratory of Aviation Physiology, now the Environmental Physiology Laboratory. More than a hundred publications attest to his activity as a researcher and teacher on this campus.
EVERETT DAVID REESE
THE OHIO STATE UNIVERSITY DISTINGUISHED SERVICE AWARD

An outstanding and productive force in alumni affairs; respected and influential leader in the business community

For nearly two decades Everett Reese has given selfless service in behalf of his Alma Mater. He has thereby won a unique and enduring place in the hearts of all those who love the University.

A moving force in the affairs of the Alumni Association since his own graduation from the College of Commerce and Administration, his productive efforts have been exerted at the county, state, and national levels. For twelve years he served as a member of the Board of Directors of the University's Development Fund, and for five of these years he provided distinguished leadership as chairman of the board. He was instrumental in the creation of the recently formed Presidents Club and is now chairman of the Executive Committee of this elite body.

His career in banking over a span of more than forty years has reflected versatility in professional and public service. Both the Ohio Bankers Association and the American Bankers Association have elected him to the high office of president. He is recognized as one of the most resourceful and astute personalities in a field that excels in the quality of its top leadership. Community and social organizations and industry and government have benefited by his efforts.

From all whose lives have become intertwined with the purposes and traditions of The Ohio State University, Everett David Reese commands high admiration, warm affection, and deep gratitude.

The Board of Trustees met at its regular monthly meeting on Friday, September 11, 1964, at the Ohio Agricultural Experiment Station, Wooster, Ohio, pursuant to adjournment.

Members present: Smith L. Rairdon, Chairman, Alan B. Loop, Jacob E. Davis, Stanley C. Allyn, John W. Bricker, Carlton S. Dargusch, John G. Ketterer, and Frederick E. Jones.

Secretary Mount reported that he had been advised on September 9, 1964, by the Governor's Office that Mr. Mervin B. France was appointed as a member of the Board of Trustees to succeed Mr. Thomas F. Patton, for a term beginning May 14, 1964 and ending May 13, 1973. Mr. France is President and Director of the Society National Bank of Cleveland, 127 Public Square, Cleveland 14, Ohio.

The Secretary further reported that in a telephone conversation, Mr. France indicated his sincere regret that he would not be able to attend this meeting of the Board of Trustees since the Board of Directors of the Bank of which he is President is meeting on the same date.

Upon motion of Mr. Carlton S. Dargusch, seconded by Mr. Alan B. Loop, and by unanimous roll call vote, the minutes of the July 17, 1964 meeting were approved and the actions ratified.
September 11, 1964 meeting, Board of Trustees

Mr. Rairdon, Chairman of the Board, made the following statement:

During the past week there has been an intensive reappraisal of and a sharpened recognition of the significant current rate of progress of our University under the administrative leadership of President Novice G. Fawcett. Real concern at the possibility of an interruption of this leadership and progress at this time has been clearly expressed to us by many knowledgeable Ohioans.

This morning we can share the very important good news that Novice Fawcett will continue as our President. I believe this favorable decision will spark a rededication of all friends of the University to the enlarging opportunities and responsibilities ahead.

Whereupon President Fawcett responded as follows:

I came to this meeting with the full intent of seeking retirement from public education at the end of the coming academic year in order to become the Executive Vice President of the American Automobile Association.

After several hours in personal consultation with members of the Board of Trustees, I was persuaded that the best interests of higher education in general in Ohio, and The Ohio State University in particular, would be served if I would remain in my present position. I have, therefore, decided to continue my efforts with the same dedication I have given to this role in the past.

In response to the suggestion from several members of the Board, the Chairman read the following letter and requested that it be spread upon the records of this meeting.

COY

September 8, 1964

President Novice G. Fawcett
The Ohio State University
220 West 12th Avenue
Columbus 10, Ohio

Dear President Fawcett,

The Irish novelist George Moore once wrote that "the difficulty in life is the choice." No doubt as you are wrestling with the choices offered to you concerning your future career, you are finding that this statement rings very true. While personal decisions can and should ultimately be made only by the individual himself, often the thoughts of others can be helpful. When the individual in question is a public figure whose choice will affect others, the views of these others may be not only helpful but instrumental.
September 11, 1964 meeting, Board of Trustees

President Novice G. Fawcett

September 8, 1964

It is with this fact in mind that we, as the one student group active on campus between quarters, are taking the liberty to pass on our views concerning the possibility of your resignation. We sincerely hope that you will accept our thoughts in the spirit with which they are offered, one of profound sympathy and understanding for your personal feelings as well as one of deep concern for the university to which we have committed our futures.

It is almost axiomatic that people do not appreciate what they possess until they are about to lose it. Thus it is that we are just realizing how lax we have been over the past years. In times of triumph, our words of congratulations have been all too infrequent. In times of crisis, our words of support and encouragement have been only dimly heard. Before it becomes too late, we, the students, want to express our sincere gratitude for the bold and dynamic direction which you have given to our university for the past eight years. Selfish though it may be, we should like to see you continue to offer this same leadership to us, to Ohio, and to the nation.

Writing on the tercentenary of Harvard University, James Bryant Conant said, "He who enters a university walks on hallowed ground." Anyone who has devoted his career to education as you have well understands the truth of this statement. There can be no nobler calling than one which endeavors to toil on this hallowed ground.

We fully realize that your job is one which places almost limitless demands on time, strength, and patience. It is far from an easy task to guide a university along the true paths of education amid pressures from politicians, alumni, faculty, and students. Nonetheless, you have achieved almost singular success, and the loss of your services at this time would be a blow to the future progress of Ohio State. We urge you to give sincere thought to rededicating your life to this university and to the goals which you have been instrumental in establishing for it.

Sincerely,

The 1964 Orientation Leaders

President Fawcett presented the following recommendations:

I. **GENERAL RECOMMENDATION**

A. **Revision of Rule 29.2715 - Rules for the University Faculty**

The Faculty Council on August 25, 1964, approved the recommendation that the responsibility of the Admissions Board as established by Rule 29.2715 be redefined and that its name and membership be reconstituted with the Rule to read as follows:

Section 1. The Council on Admissions and Registrations shall consist of thirteen members chosen as follows:

- **Appointed members.** Nine members of the University Faculty shall be appointed by the President for three-year terms, three members to be appointed each year. Appointed members shall be eligible for re-appointment.

- **Ex officio members.** The persons holding the following four titles shall be ex officio members: Vice President for Educational Services (who shall serve as Chairman of the Council); Executive Dean for Admissions and Registrations (who shall serve as Vice Chairman of the Council); Vice President for Instruction and Dean of Faculties; and Executive Dean for Student Relations.

Section 2. It shall be the responsibility of this Council to recommend, through appropriate University channels, the policies governing admission to the University, student registration, and student scheduling. These recommendations shall be made to the appropriate administrative officer (or officers) or to the Faculty Council, depending upon the nature of the recommendation.

Section 3. Reports by this Council to the President, other than those made through the Faculty Council, shall be made through the Vice President for Educational Services.

It is therefore recommended that the above proposal as adopted by the Faculty Council be approved by the Board of Trustees, and that the Secretary be instructed and authorized to make such changes in the Rules for the University Faculty as are required to implement the recommendation.

Upon motion of Mr. Davis, seconded by Mr. Bricker, the Board of Trustees approved the above recommendation by an unanimous roll call vote, and the Secretary was instructed and authorized to make such changes in the Rules for the University Faculty as are required as a result of the foregoing changes.
II. PERSONNEL CHANGES

It is recommended that all personnel changes since the July 17, 1964 meeting of this Board, as recorded in the official "Salary Roll" of the University, be approved by the Board. These changes include the following Promotions and Changes in Titles and Administrative Positions, Appointments, Leaves of Absence With Salary, Leaves of Absence Without Salary, and Emeritus Titles:

Dr. Bohning will continue as Administrative Adviser on the AID/Brazil Project (part time - 13%) and AID/India Project (part time - 13%), at a salary of $2,376.00 per annum for each project. Dr. Bohning also holds an appointment at the Ohio Agricultural Experiment Station, at a salary of $4,152.00 per annum. He will continue to hold the rank of Professor in the Department of Botany and Plant Pathology at No Salary.

Bernard H. Marks from Professor and Acting Chairman to Professor and Chairman, Pharmacology, effective July 1, 1964, at a salary of $18,168.00 per annum.

Jack G. Calvert from Professor to Professor and Chairman, Chemistry, effective October 1, 1964, at a salary of $21,768.00 per annum.

Walter L. Hartman from Assistant Director of the Physical Plant to Director of the Physical Plant, effective September 16, 1964, at a salary of $17,268.00 per annum.

Thomas B. Smith from Assistant Director of the Physical Plant to Associate Director of the Physical Plant, effective September 16, 1964, at a salary of $16,668.00 per annum.

B. Appointments

Lawrence W. Kuhl, Assistant Dean - College of Arts and Sciences, effective August 17, 1964, at a salary of $12,768.00 per annum. (Dr. Kuhl will hold an appointment as Associate Professor in the Department of Speech at No Salary.)

Byron L. Bondurant, Professor, Agricultural Engineering, effective September 1, 1964, at a salary of $16,668.00 per annum.

Frederick D. Stocker, Professor (part time), Division of Research, College of Commerce and Administration, effective August 15, 1964, at a salary of $11,376.00 per annum. He will also hold an appointment as Lecturer (part time), Department of Economics, effective August 15, 1964, at a salary of $3,792.00 per annum.
II. PERSONNEL CHANGES (continued)

C. Leaves of Absence With Salary

In accordance with the policy approved by the Board of Trustees on April 12, 1954, the following-named persons are recommended for Leaves of Absence With Salary from the Agricultural Extension Service for the period indicated.

John R. Aylsworth, Instructor (County Extension Agent, 4-H) Erie County, October 1, 1964 through February 15, 1965, to participate in a program of professional improvement at The Ohio State University.

Richard W. Hill, Instructor (County Extension Agent, 4-H) Guernsey County, September 16, 1964 through December 31, 1964, to participate in a program of professional improvement at Colorado State University.

Paul L. Wright, Instructor (County Extension Agent, 4-H) Clinton County, October 1, 1964 through December 15, 1964, to participate in a program of professional improvement at The Ohio State University.

Donald G. Young, Instructor (County Extension Agent, Agriculture) Hocking County, October 1, 1964 through December 15, 1964, to participate in a program of professional improvement at The Ohio State University.

D. Leaves of Absence Without Salary

Kenneth M. Abbott, Professor, Classical Languages, January 1, 1965 through March 31, 1965, to accept a Visiting Professorship at the University of Illinois.

H. Richard Blackwell, Professor and Director, Institute for Research in Vision, September 1, 1964 through September 30, 1964, to lecture at universities and to scientific groups in the Republic of South Africa.

John G. Daunt, Professor, Physics, October 1, 1964 through December 31, 1964, to accept a Visiting Professorship at City College of the City University of New York.

Richard H. Hoppin, Professor, School of Music, January 1, 1965 through March 31, 1965, to accept a Visiting Professorship at Princeton University.

Leo A. Sapirstein, Professor, Physiology, October 1, 1964 through September 30, 1965, to continue research at Stanford University.
II. PERSONNEL CHANGES (continued)

D. Leaves of Absence Without Salary (continued)

I. Keith Tyler, Professor, Bureau of Educational Research and Service, October 1, 1964 through June 30, 1965, to serve as a consultant to the United Arab Republic project for combating illiteracy via television.

Frank J. Longo, Assistant Professor, School of Social Work, October 1, 1964 through September 30, 1965, to work on his Ph.D. degree at the University of Pittsburgh.

Margaret C. Tyler, Assistant Professor, Bureau of Educational Research and Service, and Supervisor, Telecommunications Center, October 1, 1964 through June 30, 1965, to work in Egypt under the auspices of the Department of State in the field of adult education and school broadcasting and utilization.

Don L. Davis, Instructor (County Extension Agent, 4-H) October 1, 1964 through December 15, 1964, to participate in a program of professional improvement at The Ohio State University.

Kenneth A. Harkness, Instructor, Agricultural Engineering, October 1, 1964 through June 30, 1965, to continue study leading to the Ph.D. degree.

E. Emeritus Titles

William T. Palchanis, Preventive Medicine, with the title Professor Emeritus, effective September 1, 1964.

Mildred C. Kyle, School of Home Economics, with the title Assistant Professor Emeritus, effective September 1, 1964.

Upon motion of Mr. Davis, seconded by Mr. Ketterer, the Promotions and Changes in Titles and Administrative Positions, Appointments, Leaves of Absence With Salary, Leaves of Absence Without Salary, Emeritus Titles, and the personnel budget actions as recorded in the official "Salary Roll" of the University were approved unanimously by roll call vote, and the Secretary was instructed to file these changes in the "Salary Roll" with the official documents of the University.

President Fawcett announced that he had received a communication from Dean Frank R. Strong indicating his desire to retire from the University; however, because of the limitation of time, action on the Dean's communication is being deferred pending consultation with Vice President Weaver and Dean Strong, with the understanding that a recommendation will be presented at the October meeting of the Board.
III. GENERAL CONTRACTS AND AGREEMENTS

A. The Ohio State University and
   The Ohio State University Research Foundation

A. The Ohio State University and
   The Ohio State University Research Foundation

   The foregoing sixty-one contracts for research in cooperation with
   Government, Industry and Other represent a gross income of $2,292,820.34.

Upon motion of Mr. Bricker, seconded by Mr. Jones, the research agreements
between The Ohio State University and The Ohio State University Research
Foundation for the above contracts were approved by unanimous consent.

B. The Report of the Research Contracts
   from the Engineering Experiment Station

During the period from July 1, 1964 through August 31, 1964, the Engineer-
ing Experiment Station of The Ohio State University entered into the following
research contracts. These research contracts are reported to the Board of
Trustees for information and record.

1. Government Research Contracts

   EES-248   Fundamentals of Soil Compaction, Ohio Department of
             Highways, Columbus, Ohio, Bureau of Public Roads,
             Washington, D. C.
             Gross Value - $105,029.00.

   SC-39    A Short Course in Traffic Signalization, Ohio Department
            of Highways, The Bureau of Traffic, Columbus, Ohio.
            Gross Value - $1,500.00.

   TOTAL - Government Research Contracts $106,529.00

2. Industrial Research Contracts

   EES-234 Ext. #1 Forced Convection Frosting of Finned Coils in Crossflow
             of Air, American Society of Heating, Refrigerating and
             Air Conditioning Engineers, Inc., United Engineering
             Center, New York, New York.
             Gross Value - $8,000.00.

   EES-250   Thin Film Hall Effect Devices, F. W. Bell, Inc.,
             Columbus, Ohio.
             Gross Value - $12,288.00.

   TOTAL - Industrial Research Contracts $20,288.00

The foregoing four contracts for research in the Engineering Experiment
Station represent a gross income of $126,817.00.
III. GENERAL CONTRACTS AND AGREEMENTS (continued)

C. School of Social Work - Graduate Program in Cincinnati Area

The School of Social Work of The Ohio State University, in cooperation with the Community Chest and Council of the Cincinnati Area and the University of Cincinnati, has maintained an effective graduate program of social work education in Cincinnati, Ohio, since October 1, 1959. This program has been financed by fees paid to The Ohio State University by students enrolled in the Cincinnati Center and from funds supplied by the Board of Trustees of the Community Chest and Council of the Cincinnati Area. The physical facilities and library services are provided by the University of Cincinnati.

Whereas, the Memorandum of Agreement for this program expires September 30, 1964, it is now recommended that the President be authorized to sign an agreement on behalf of the Board of Trustees which will provide for the continuation of this program through September 30, 1967. The continuing program is to be financed by The Ohio State University through regular student fees, legislative appropriations, and gifts. The Board of Trustees of the Community Chest and Council of the Cincinnati Area has agreed to contribute funds to The Ohio State University for a period of three years beginning October 1, 1964, in an amount varying from $10,000.00 to $15,000.00 per year but, in view of estimated costs of a quality program, not less than $10,000.00 per year.

Upon motion of Mr. Loop, seconded by Mr. Davis, the Board of Trustees by a unanimous roll call vote authorized the President to sign an agreement for the continuation of the School of Social Work - Graduate Program in the Cincinnati Area.

D. Memorandum of Agreement Between The Ohio State University and the Marion Public Library, Marion, Ohio

The Marion Public Library has agreed to provide library resources and services necessary to administer the purchase of a limited number of books, magazines, and phonograph records for the use of students enrolled in the University Branch Campus at Marion, with the understanding that officials of The Ohio State University will have authority to select the publications purchased with funds provided by the University. The legal title to all books, magazines, cards, and phonograph records purchased pursuant to this agreement shall be, and at all times remain, in the name of The Ohio State University. Such an arrangement will greatly improve the library resources available to the students at the Marion Branch Campus.

After consultation with the Office of the Attorney General of Ohio, it is recommended that the President of the University and the Secretary of the Board of Trustees be authorized to sign an agreement on behalf of the University between The Ohio State University and the Marion Public Library to make it possible to implement the program described above.

Upon motion of Mr. Allyn, seconded by Mr. Ketterer, the Board of Trustees by a unanimous roll call vote approved the recommendation authorizing the President of the University and the Secretary of the Board of Trustees to sign the agreement described in the foregoing paragraphs.
September 11, 1964 meeting, Board of Trustees

E. Study of Reserve Officers' Training Corps (ROTC) Curricula - Contract No. DA-49-083 OSA-2859

A series of negotiations between The Ohio State University and the Department of the Army - Defense Supply Service has led to the agreement that the University would undertake a study of the Reserve Officers' Training Corps (ROTC) curricula, such study to be conducted at a total cost of not to exceed $30,000.00. The Department of the Army will provide $10,000.00 toward this study and not to exceed $20,000.00 will be provided by the University from unallocated funds in the restricted portion of the Mershon Fund.

It is recommended that the President be authorized to sign Contract No. DA-49-083 OSA-2859 with the Department of the Army - Defense Supply Service, and that not to exceed $20,000.00 be allocated from the restricted portion of the Mershon Fund in support of this study of Army ROTC curricula.

Upon motion of Mr. Dargusch, seconded by Mr. Bricker, the Board of Trustees by a unanimous roll call vote authorized the President to sign Contract No. DA-49-083 OSA-2859 between The Ohio State University and the Department of the Army - Defense Supply Service, and that a sum not to exceed $20,000.00 be allocated from the restricted portion of the Mershon Fund in support of the University's share of the cost of the project.

C. 20201, to the University for "Public Health Traineeship Grant in the School of Nursing," under the direction of Professor Frances M. Pease, School of Nursing, for the period July 1, 1964 through June 30, 1965. (Grant 65-535)

14. $12,600.00 granted by the National Science Foundation, Washington, D. C. 20550, to the University for an "Undergraduate Research Participation Program," under the direction of Professor W. Hayes Yeager, Department of Speech. This grant terminates October 31, 1965. (GE-6421)

15. $12,600.00 granted by the National Science Foundation, Washington, D. C. 20550, to the University for an "Undergraduate Research Participation Program," under the direction of Professor F. W. Fisk, Department of Zoology and Entomology. This grant terminates October 31, 1965. (GE-6436)

16. $12,600.00 granted by the National Science Foundation, Washington, D. C. 20550, to the University for an "Undergraduate Research Participation Program," under the direction of Professor Frank M. Mallett, Department of Aeronautical and Astronautical Engineering. This grant terminates October 31, 1965. (GE-6422)

17. $11,000.00 granted by the National Science Foundation, Washington, D. C. 20550, to the University for an "Undergraduate Research Participation Program," under the direction of Professor J. C. Burnham, Department of History. This grant terminates October 31, 1965. (GE-6428)

18. $8,400.00 granted by the National Science Foundation, Washington, D. C. 20550, to the University for an "Undergraduate Research Participation Program," under the direction of Professor Robert M. Giesy, Department of Botany and Plant Pathology. This grant terminates October 31, 1965. (GE-6439)

19. $6,830.00 granted by the Department of Health, Education and Welfare, Vocational Rehabilitation Administration, Washington, D. C., to the University for "Traineeship Grant in Occupational Therapy," under the direction of Miss Barbara Locher, Department of Occupational Therapy, for the period September 1, 1964 through August 31, 1965. (Grant VRA 176-T-65)

20. $5,000.00 granted by the Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland 20014, to the University for "Cancer Training," under the direction of Dr. John R. Wilson, College of Dentistry, for the period September 1, 1964 through August 31, 1965. (Grant T2 CA 513-18)
IV. GRANTS AND GIFTS (continued)

A. Administered Through the Office of Business and Finance (continued)

21. $3,500.00 granted by the National Science Foundation, Washington, D.C. 20550, to the University for an "Undergraduate Research Participation Program," under the direction of Professor Jack H. Cline, Department of Animal Science. This grant terminates October 31, 1965. (GE-6423)

TOTAL - Through the Office of Business and Finance $1,466,837.00

B. Received Through the Development Fund

1. $34,950.00 from the Procter and Gamble Company, Cincinnati, Ohio--$22,950.00 for research and fellowships in the College of Dentistry and $12,000.00 for the Dental Laboratory Research Fund.

2. $20,000.00 from the Estate of Anna B. Hennon, Lima, Ohio, for scholarships to students from Allen County, Ohio.

3. $14,342.00 from the Trust under the Will of Anna Roessler for scholarships in the College of Medicine.

4. $13,000.00 from the Ohio Lions Research Foundation, Columbus, Ohio--$10,000.00 for research in the Department of Ophthalmology and $3,000.00 for the Institute for Research in Vision.

5. $10,800.00 from George Robert Lucas for the Robert Orlando Lucas Memorial Fund.

Robert Orlando Lucas Memorial Fund

The Robert Orlando Lucas Memorial Fund was established July 22, 1964, by a gift through the Development Fund from George Robert Lucas, in memory of his father, Robert Orlando Lucas, M.D., a member of the 1865 class of Starling Medical School.

The principal is invested in accordance with rules and regulations therefor established by the Board of Trustees of The Ohio State University, with right to invest and reinvest as occasion dictates.

The income is to be used to support research, teaching, and publications of the College of Medicine in the field of neurosensory diseases; such as, but not limited thereto, multiple sclerosis, muscular dystrophy, glaucoma, cataracts, etc., as approved by the Dean of the College of Medicine. Should the need to support these projects not be necessary as determined by the Dean of the College of Medicine, the income may be used for such research in medical areas as the Dean of the College of Medicine recommends as being worthy of support.
IV. GRANTS AND GIFTS (continued)

B. Received Through the Development Fund (continued)

6. $10,562.10 from the Estate of Mary Hubbell Osburn for the Mary H. Osburn Memorial Fund—David C. Stradley, Executor.

Mary H. Osburn Memorial Fund

The Mary H. Osburn Memorial Fund was established July 17, 1964, by a bequest from Mary H. Osburn.

The principal is to be invested in accordance with Section 3345.16 G.C.

The income is to be used for five scholarships for graduate students, each with an annual stipend of one-fifth of the income from this Fund but no stipend shall exceed $600.00 per annum.

The first of such scholarships awarded shall be to a student in the School of Music and shall be known as the Mary Hubbell Osburn Memorial Graduate Scholarship. The remaining four graduate scholarships shall be awarded to students in the Department of Zoology and Entomology and shall be known as the Raymond C. Osburn Memorial Scholarships. In the event there is an excess of income it may be used for additional scholarship or scholarships in Zoology and Entomology.

7. $9,000.00 representing a $3,000.00 gift from each of the following—John C. Fergus, Robert H. Fergus, and Edith Fergus Gilmore for the Corwin A. Fergus Memorial Fund.

Corwin A. Fergus Memorial Fund

The Corwin A. Fergus Memorial Fund was established July 10, 1964, by gifts to the Development Fund from John C. Fergus, Robert H. Fergus, and Edith Fergus Gilmore, in memory of Corwin A. Fergus, B.A. 1915, LL.B. 1917. He was a member of The Ohio State University football team in 1912, 1913, and 1914.

The purpose of this Memorial Fund is to further the education of certain properly qualified members of The Ohio State University student body in the field of graduate study.

The principal of the Fund shall be invested in accordance with the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

8. $8,400.00 from The International Nickel Company, Inc., New York, New York, for a fellowship in Metallurgical Engineering.

9. $7,020.00 from the Union Carbide Corporation, Linde Division, New York, New York 10017—$3,520.00 for a fellowship in the Department of Chemical Engineering and $3,500.00 for a fellowship in the Department of Welding Engineering.

IV. GRANTS AND GIFTS (continued)

B. Received Through the Development Fund (continued)

10. $6,815.00 from the Owens-Illinois Glass Company, Toledo, Ohio, for scholarships.

11. $5,700.00 from The Edward Orton, Jr. Ceramic Foundation for a fellowship in Ceramic Engineering.

12. $5,260.00 from Hoffman-LaRoche, Inc. --$2,700.00 for Perinatal Studies and Growth Development Research and $2,500.00 for the College of Medicine Emergency Fund.

13. $5,180.00 from the American Oil Foundation, Whiting, Indiana, for a fellowship in Chemical Engineering.

14. $5,000.00 from the Asphalt Institute, College Park, Maryland, for research in the Department of Civil Engineering.

15. $5,000.00 from the Cooper-Bessemer Corporation, Mt. Vernon, Ohio, for Engineering Faculty Merit Awards.

16. $5,000.00 from The Emmet Blakeney Gleason Scholarship Memorial Fund, Inc. for scholarships in the College of Engineering.

17. $4,800.00 from the State Farm Mutual Automobile Insurance Company for the State Farm Auto Insurance Company Fund.

18. $4,780.00 from the Shell Companies Foundation, Inc. for the Shell Companies Foundation Fellowship Fund in Chemical Engineering.

19. $4,700.00 from the Sears Roebuck Foundation for the Sears Roebuck Foundation Scholarship Fund.

20. $4,500.00 from Kennecott Copper Corporation for the Kennecott Copper Corporation Fellowship in Metallurgical Engineering.

21. $4,380.00 from Mark L. Morris Animal Foundation, Denver, Colorado, for research in the College of Veterinary Medicine.

22. $3,700.00 from The Dow Chemical Company --$2,500.00 for The Dow Chemical Company Scholarship Fellowship Fund in Chemical Engineering and $1,200.00 for The Dow Chemical Company Scholarship Fellowship Fund in Chemistry.

23. $3,600.00 from Olin Mathieson Chemical Corporation, Squibb Division, for the E. R. Squibb and Sons Fund for Research on Blood Corticoids.

24. $3,550.00 from the Union Carbide Olfens Company, South Charleston, West Virginia, for a scholarship in the Department of Chemistry.

25. $3,175.00 from the International Business Machines Corporation --$2,175.00 for International Business Machines Corporation Fellowship Fund and $1,000.00 as an undesignated gift to the University.

<tr>
<td>Cumulative Interest on Development Fund Investments</td>
<td>$56,796.00</td>
</tr>
<tr>
<td>Total</td>
<td>$141,796.00</td>
</tr>
</tbody>
</table>

Upon motion of Mr. Allyn, seconded by Mr. Ketterer, the above recommendation for allocation of funds was approved by a unanimous roll call vote.

B. Appropriations for Equipment for Basic Research Projects

At the request of the Vice President for Research and with the concurrence of the President's Cabinet, it is recommended that the following amounts be appropriated from the University Treasurer Research Subaccounts as designated for the projects named:

- $50,500.00 to purchase research equipment for new staff members in several of the basic science departments--$14,000.00 from Subaccount (c) and $36,500.00 from Subaccount (f).
- $20,000.00 from Subaccount (f) to match $25,000.00 in funds available to the College of Dentistry for purchase of an electron microscope for research programs.

Upon motion of Mr. Loop, seconded by Mr. Bricker, the above recommendation for appropriation of funds was approved unanimously by roll call vote.

C. Appropriation for Research Programs Conducted at Children's Hospital by The Ohio State University

At the request of the Vice President for Research and with the concurrence of the President's Cabinet, it is recommended that $30,606.94 be appropriated from the University Treasurer Subaccount (e) for support of research programs conducted at Children's Hospital by The Ohio State University in accordance with authority granted by the Board of Trustees on September 8, 1961.

Upon motion of Mr. Bricker, seconded by Mr. Dargusch, the above recommendation for appropriation of funds was approved unanimously by roll call vote.
September 11, 1964 meeting, Board of Trustees

VI. CREDIT TO CONTRACT AND EXTENSION OF TIME FOR COMPLETION OF CONTRACTS

At the request of the Council on Business Affairs, and with the concurrence of the Cabinet, it is recommended that the Credit to Contract and Extension of Time for Completion of Contracts as outlined below be approved by the Board of Trustees and processed in the normal University manner.

A. Miami University - The Ohio State University, Dayton Campus - Phase I

General Contract

It is proposed to omit the T31 seal treatment which was erroneously included in the specifications and is unnecessary where T35 surfacing is applied. Deduct $3,150.00

Funds will be returned to Budget Account 91017.

B. Housing for Metallurgical & Mineralogical Laboratories

General, Heating and Ventilating, and Plumbing Contracts

It is recommended that an extension of time for completion of the above contracts for this project be granted from August 3 to September 14, 1964.

The pipe insulators were on strike from July 1 until August 10, 1964. This delayed the work of the Heating and Ventilating and Plumbing Contracts and prevented the General Contractor from finishing the acoustic ceilings and general clean-up.

Upon motion of Mr. Ketterer, seconded by Mr. Jones, the above recommendation was approved by unanimous roll call vote.

VII. PLANS AND SPECIFICATIONS

With the approval of the Council on Business Affairs, and with the concurrence of the Cabinet, it is recommended that the plans and specifications, bills of materials, and estimates of cost for the following projects be approved by the Board of Trustees.

A. Student Housing Building #7 (Houck House)

This building is a four-story dormitory located north of the campus and will house 232 students.

Funds will be provided from the Dormitory Construction Fund.
VII. PLANS AND SPECIFICATIONS (continued)

B. Repairs to Electrical Systems in Hayes Hall, Horticulture and Forestry Building, and Physical Education Building

This project includes emergency electrical work in Hayes Hall, new transformers to eliminate an overloaded condition in the Physical Education Building and rewiring and relighting to bring the Horticulture and Forestry Building up to modern standards.

Funds will be provided from Department 2355, Budget Account 12350, H. B. 711.

C. Relocation of Mental Health Clinic to Upham Hall

This project provides for the renovation of 19 rooms on the First Floor West in the Psychiatric Hospital for use as a Mental Health Clinic. This Clinic was formerly located on the third floor of Starling Loving A Wing.

Funds will be provided from the University Hospital Rotary.

Upon motion of Mr. Bricker, seconded by Mr. Allyn, the above recommendation was approved by unanimous roll call vote, and the Secretary was authorized and directed to sign the plans and specifications for the above projects for and on behalf of the Board of Trustees. Vice President Carson was directed to proceed with a request for bids in the normal University manner and, if satisfactory bids are received, to proceed with the award of contracts. All action regarding this matter will be reported to the Board of Trustees at a later meeting.

President Fawcett reported to the Board the deaths of Everett P. Reed, Professor (Extension Agronomist) Emeritus, Ohio Cooperative Extension Service, and Charles B. Mendenhall, Professor in the Department of Education. In accordance with the instructions of the Board of Trustees, copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board have been furnished the families of the deceased.

A. Everett P. Reed

The Board of Trustees expresses its sorrow at the death on July 10, 1964, of Everett P. Reed, Professor (Extension Agronomist) Emeritus, Ohio Cooperative Extension Service.

Mr. Reed was born in Gilboa, Putnam County, Ohio, on February 15, 1889. He was graduated from the College of Agriculture, The Ohio State University, in 1914, and served on the staff at the New York Agricultural Experiment Station, Geneva, New York, from 1914 to 1918. Mr. Reed was County Extension Agent, Champaign County, Ohio, 1918 to 1921; Extension Agronomist at The Ohio State University, 1921 to 1933; Field Coordinator, FCA, Louisville, Kentucky, 1933 to 1935; and Extension Agronomist, The Ohio State University, 1935 to 1959.

Professor Reed will long be remembered as an inspirational and untiring teacher of the science of agronomy to Ohio farmers and rural leaders. He was widely known throughout Ohio and the Midwest for his development of the agronomic demonstration as an effective method of teaching. He personally conducted thousands of such demonstrations with Ohio farmers.

Mr. Reed contributed greatly toward the stature of his profession through his activities in local, state, and national organizations. He was a member of Gamma Sigma Phi, Epsilon Sigma Phi, American Society of Agronomy, and American Sugar Beet Technologists Association.

For his dedication to the University and to the profession of agronomy and for his service to the community, Mr. Reed has brought lasting recognition to The Ohio State University.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

B. Charles B. Mendenhall

The Board of Trustees expresses its sorrow at the death on August 2, 1964, of Charles B. Mendenhall, Professor in the Department of Education.
XI. RESOLUTIONS IN MEMORIAM (continued)

B. Charles B. Mendenhall (continued)

Professor Mendenhall was born on July 31, 1900, in Greensboro, North Carolina, and was educated in the public schools of Cleveland, Ohio. He attended Case Institute of Technology and received the Bachelor of Science degree from Earlham College in 1923. In 1923-24 he was a teaching fellow at Case Institute of Technology and from 1924 to 1926 he was a civil engineer in Cleveland. He joined the staff of the George School, Pennsylvania, in 1926, where he taught mathematics and served as Chairman of the Department of Mathematics for nine years. He completed requirements for the degree of Master of Arts in education at the University of Pennsylvania in 1930. After receiving his Doctor of Philosophy degree in education at The Ohio State University in 1937, he joined the staff of the Department of Education as an Assistant Professor, advancing later to Associate Professor, and then to Professor.

Professor Mendenhall was a Lieutenant Commander in the Navy during World War II and held the rank of Commander in the Naval Reserve at the time of his death.

He was co-author, with Professor Kenneth J. Arisman, of the widely used textbook, Secondary Education: Guidance, Curriculum, and Method, a study of the American secondary school that influenced the thinking of many teachers and administrators. He contributed articles to a number of educational journals, including Educational Outlook, Ohio Schools, Educational Research Bulletin, and Journal of the All-India Council for Secondary Education. From 1956 to 1958 he headed a team of Ohio State University educators that worked in India assisting in the planning of a curriculum study of Indian secondary schools and in the development of an in-service program for teachers in fifty-four extension centers in that country.

Professor Mendenhall, an energetic and vigorous teacher, stimulated both graduate and undergraduate students to a new awareness of the significance of education in the American democracy. He looked upon the secondary school as the agency charged by society with the responsibility of training an informed, intelligent citizenry, imbued with democratic ideals and ready to join hands with men of good will in other lands to advance the cause of peace and human welfare. As a teacher, he was able to transmit to his students his own vision of education as a powerful instrument for the betterment of mankind.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

XII. MISCELLANEOUS ACTIONS

A. Resolution of Appreciation - Paul H. Elleman

On behalf of The Ohio State University and its Board of Trustees, President Fawcett presented the following Resolution of Appreciation in recognition of the long, effective, and dedicated service of Paul H. Elleman, who retired as Director of the Physical Plant of The Ohio State University, effective July 31, 1964.

THE OHIO STATE UNIVERSITY

RESOLUTION OF APPRECIATION

WHEREAS

PAUL H. ELLEMAN

has served the University continuously and with singular fidelity since 1922, first as a teacher in the Department of Architecture, then as maintenance engineer, and since 1946 as Director of Physical Plant, and

Whereas

in these various capacities he has applied himself unstintingly and with unusual devotion to the day-to-day well-being and orderly development of the greater University, and

Whereas

he has brought to his multiple tasks rare skill and insight into the growing problems involved, and

Whereas

the standards he set for himself and for those under him are reflected in the mounting respect he has won for himself and for the far-flung activities for which he was responsible, and

Whereas

his professional competence and understanding have been recognized widely both on and off the campus as the recipient of the University’s Distinguished Service Award in 1955, and by the National Association of Physical Plant Administrators, which he served twice as president, with its Meritorious Service Award.

Now Therefore Be It Resolved

that the Board of Trustees upon the occasion of his formal retirement as Director of Physical Plant, effective July 31, 1964, commends him warmly for an arduous and

C. Appropriations for University Administrative Officials

On behalf of the Finance and Investment Committee of the Board of Trustees, Mr. Alan B. Loop moved that the amounts to be appropriated from the unrestricted interest on endowment funds in the University Treasury to the principal administrative officers of the University for the purpose of carrying out their administrative responsibilities during the fiscal year 1964-65 be on the same basis as the appropriations for 1963-64: (1) to the President, $7,500.00; (2) to each of the persons in the following Cabinet offices, $1,000.00 - Vice President for Instruction and Dean of Faculties; Vice President for Business and Finance; Vice President for Research; Vice President for Educational Services; Vice President for Administration; Executive Dean for Student Relations; Executive Dean for Admissions and Registrations; Executive Director for Campus Planning; Executive Director for University Relations; and (3) an additional amount of $1,000.00 to be allocated at the discretion of the President for such costs as may be incurred by the administrative officers as they, by direction, further the fiscal progress of the University.

The above motion was seconded by Mr. Jacob E. Davis and adopted by unanimous roll call vote.

D. Employment of Architect - "Center for Tomorrow"

Mr. Alan Loop moved that the President and Vice President for Business and Finance be authorized to proceed with the employment of an architectural firm to provide architectural and engineering services for the "Center for Tomorrow" project, up to and including preliminary plans, outline specifications, and estimate of cost only.

The fee for the total project will be calculated on the basis of 6 per cent of the first $1,000,000.00 of construction cost, 5 1/2 per cent of the second $1,000,000.00, and 5 per cent of all over $2,000,000.00. The fee for the preliminary plans is 20 per cent of the total fee or an estimated $38,650.00.

It is further recommended that $38,650.00 be allocated from the University Treasurer General Fund for this purpose.

The motion was seconded by Mr. Jacob Davis and adopted by unanimous roll call vote.
E. Lakeholm Farm (Real Estate Held in Investment Portfolio) - Sewer Easement for the City of Mount Vernon

President Fawcett presented the following resolution and recommended its adoption.

WHEREAS, the City of Mount Vernon, Ohio, has requested an easement for sewer purposes across a portion of Lakeholm Farm lands of the Board of Trustees of The Ohio State University; and

WHEREAS, the sewer line will be constructed at the sole cost and expense of a private developer, Landcraft, Inc.; and

WHEREAS, the sewer line will become city property with right of the Board to tap into it at nominal cost; and

WHEREAS, such a sewer line would be of advantage and use to the Board in any future land development;

NOW, THEREFORE, BE IT RESOLVED, that the Board of Trustees of The Ohio State University grant an easement to the City of Mount Vernon, Ohio, over its Lakeholm Farm for the purpose indicated above, upon conditions requiring restoration of the property and a right of future use by the Board; and

BE IT FURTHER RESOLVED, that the President and Vice President for Business and Finance be authorized to execute such an easement with proper conditions required of the City.

Upon motion of Mr. Loop, seconded by Mr. Ketterer, the above resolution was adopted by unanimous roll call vote.

F. Distribution of Annual Financial Reports--1963-64

Vice President Gordon B. Carson distributed and reviewed in detail the Annual Financial Report of the University for the fiscal year beginning July 1, 1963 and ending June 30, 1964, in which was contained the State Auditor's Report on the assets and liabilities and fund equities of the University.

Vice President Carson also distributed and commented briefly on the financial report of The Ohio State University Endowment Fund.

Upon motion of Mr. Jones, seconded by Mr. Bricker, and by a unanimous roll call vote, the above reports were received and ordered to be filed with the official documents of the Board of Trustees.
September 11, 1964 meeting, Board of Trustees

XII. MISCELLANEOUS ACTIONS (continued)

G. Analysis of Insurance Operations

Vice President Carson reviewed briefly an "Analysis of Insurance Operations," including a listing of the insurance in force for the University.

Upon motion of Mr. Davis, seconded by Mr. Ketterer, the report was received and referred to the Committee on Retirement and Insurance for implementation.

H. Report on the University's Investment Portfolio

Vice President Carson reviewed the reports on the University's Investment Portfolio dated July 31, 1964 and August 31, 1964, and summarized the current operating policies on the management of the Investment Portfolio.

Upon motion of Mr. Loop, seconded by Mr. Allyn, the Board by unanimous vote received the reports and ordered them filed with the official records of the Board of Trustees. It was unanimously agreed that the Committee on Finance and Investments should meet with Vice President Carson at an early date to study the policies now in force for the management of the Investment Portfolio and that a report will be submitted to the Board for formal action at the November meeting.

I. Administrative Reports

President Fawcett presented a statement, which very effectively placed into sharp focus the role of The Ohio State University, its accomplishments, and its plans for the future, as a backdrop for selected progress reports from members of the President's Cabinet, who spoke on topics related to their special areas of interest and responsibility. In accordance with instructions by the Board, the Secretary has included the President's statement and the reports identified below with the official records of the Board of Trustees.

Report on plans for academic management of the University - Vice President John C. Weaver, Office for Instruction and Dean of Faculties

Operating budget requests for the fiscal biennium 1965-67 and a plan for financing the "Center for Tomorrow." (This Center is to include facilities for Continuing Education, Education in National Security, and Telecommunications.) - Vice President Gordon B. Carson, Office for Business and Finance

Smith L. Rairdon
Chairman
The Board of Trustees met at its regular monthly meeting on Friday, October 9, 1964, at The Ohio State University, Columbus, Ohio, pursuant to adjournment.

Present: Smith L. Rairdon, Chairman, Alan B. Loop, Jacob E. Davis, John W. Bricker, Carlton S. Dargusch, John G. Ketterer, Frederick E. Jones, and Mervin B. France.

The Chairman, Mr. Rairdon, introduced the new member of the Board of Trustees, Mr. Mervin B. France, who was appointed by Governor James A. Rhodes on September 10, 1964, for the unexpired part of the term beginning May 14, 1964 and ending May 13, 1973.

Minutes of the last meeting were approved.
President Fawcett added a cordial expression of welcome to the new Trustee, Mr. France, on behalf of the University administration, faculty, and student body.

The President noted also the return to the campus of Executive Dean Ronald B. Thompson, who has served for the past year representing The Ohio State University as an advisor to the registrars of Punjab Agricultural University and Udaipur University in India.

President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATION

A. Authorization to Proceed With the Development of the Project - "Center for Tomorrow"

For several years The Ohio State University has been actively interested in the development of a facility to house a number of important University activities which are not presently served adequately. The needs of the University in the following separate, but related, areas have been discussed with the members of the Board of Trustees on several occasions:

Continuing Education--particularly for professional people whose knowledge and skill must be updated regularly in our world of rapidly expanding knowledge;

Telecommunications--both to serve on-campus needs and to assist the University to meet its proper role as the center of a state-wide telecommunications network; and

Education in National Security--a venture whose campus focus is with the Mershon Committee for Education in National Security.

The University is now ready to move ahead with a facility to house these activities--a facility which has been called the "Center for Tomorrow." This readiness is in recognition of the concepts

That continuing education is an integral part of the program of a university dedicated to graduate and professional education;

That The Ohio State University should expand its leadership role in educational television in Ohio; and

That the program of education in national security has reached a point where adequate housing is essential if proper emphasis upon the coordination of the program is to be realized.

In the furtherance of these concepts, it is recommended that the Board direct the appropriate University officers under the leadership of the President to proceed vigorously with the steps necessary for the undertaking and completion of the "Center for Tomorrow" project.

Upon motion of Mr. Bricker, seconded by Mr. Ketterer, the Board of Trustees approved the above recommendation by unanimous roll call vote.
October 9, 1964 meeting, Board of Trustees

II. PERSONNEL CHANGES

It is recommended that all personnel changes since the September 11, 1964 meeting of the Board, as recorded in the official "Salary Roll" of the University, be approved by the Board. These changes include the following Appointments, Change in Title, Retirement, Leaves of Absence With Salary, and Leaves of Absence Without Salary:

A. Appointments

William C. Leslie, Visiting Professor (Battelle Professor of Metallurgy), Metallurgical Engineering, September 15, 1964 through June 15, 1965, at a salary of $22,005.00 for the period.

J. Richard Buchi, Professor, Mathematics, effective October 1, 1964, at a salary of $18,168.00 per annum.

Paul H. Curtiss, Jr., Professor, Surgery, effective October 1, 1964, at a salary of $20,160.00 per annum.

B. Change in Title

Erwin H. Schneider from Professor to Professor and Acting Director of the School of Music, effective October 1, 1964, at a salary of $13,068.00 per annum.

C. Retirement of Frank R. Strong as Dean and Professor, College of Law

President Fawcett recommended that Dean Frank R. Strong's request to retire from active duty as Dean and Professor in the College of Law submitted in a letter dated September 17, 1964, be honored and that his service be terminated effective July 31, 1965.

The President reported that in accordance with the Rules for the University Faculty (Rule 13.0301) and in consultation with the Vice President for Instruction and the Law College faculty, a committee representing the faculty has been appointed to advise the President in the process of selecting a person to succeed Dean Strong.

D. Leaves of Absence With Salary

In accordance with the policy approved by the Board of Trustees on April 12, 1954, the following-named persons are recommended for Leaves of Absence With Salary from the Ohio Cooperative Extension Service for the period indicated:

Fred K. Buscher, Instructor (Area Extension Agent, Horticulture), October 1, 1964 through January 31, 1965, to participate in a program of professional improvement at The Ohio State University.
II. PERSONNEL CHANGES (continued)

D. Leaves of Absence With Salary (continued)

Larry Lee Rhonemus, Instructor (County Extension Agent, 4-H) Champaign County, October 1, 1964 through December 15, 1964, to participate in a program of professional improvement at The Ohio State University.

E. Leaves of Absence Without Salary

Gretchen E. Robinson, Instructor (County Extension Agent, Home Economics) Union County, Ohio Cooperative Extension Service, October 18, 1964 through October 31, 1964, to participate in an educational tour of Europe.

Thomas L. Riley, Instructor (County Extension Agent, Agricultural) Cuyahoga County, Ohio Cooperative Extension Service, August 1, 1964 through January 31, 1965, to participate in a program of professional improvement at the University of Chicago. (This is to correct an error in the July 17, 1964 minutes when a Leave of Absence With Salary was granted.)

Upon motion of Mr. Davis, seconded by Mr. France, the Appointments, Change in Title, Retirement, Leaves of Absence With Salary, Leaves of Absence Without Salary, and the personnel budget actions as recorded in the official "Salary Roll" of the University were approved unanimously by roll call vote, and the Secretary was instructed to file these changes in the "Salary Roll" with the official documents of the University.

III. GENERAL CONTRACTS AND AGREEMENTS

A. The Ohio State University and The Ohio State University Research Foundation

In accordance with the Memorandum of Agreement between The Ohio State University and The Ohio State University Research Foundation approved by this Board on September 5, 1950, it is recommended that the research agreements for the following projects administered through the Research Foundation be approved and recorded in the minutes of this meeting.

1. Government Contracts - Federal

   a. Department of Health, Education and Welfare, Bureau of State Services, Washington, D. C., for an Investigation of Physiological and Pathological Effects of Vibration (to be known as Bureau of State Services Project No. 862 - Ext. #6 - Department of Preventive Medicine).
   Gross Value - $107,401.00,
III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

b. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for A Phytochemical Search for Medicinal Constituents (to be known as National Institutes of Health Project No. 865 - Ext. #6 - College of Pharmacy), Gross Value - $20,640.00.

c. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for Physical-Chemical Studies of Muscle (to be known as National Institutes of Health Project No. 874 - Ext. #6 - Department of Physiology), Gross Value - $13,760.00.

d. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for Fractionation Studies on Nondialyzable Materials of Human Urine (to be known as National Institutes of Health Project No. 1023 - Sup. #1 - Department of Physiological Chemistry), Gross Value - $8,011.00.

e. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Specificity and Role of Leukocyte Antibodies (to be known as National Institutes of Health Project No. 1091 - Ext. #4 - Department of Medicine), Gross Value - $16,080.00.

f. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Metabolism in the Hypothermic By-Passed Heart (to be known as National Institutes of Health Project No. 1100 - Ext. #4 - Department of Surgery), Gross Value - $39,706.00.

g. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for An Investigation of Dental Writing (to be known as National Institutes of Health Project No. 1169 - Ext. #4 - School of Journalism), Gross Value - $22,390.00.

h. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for Effect of Parathyroid Hormone on Pancreatitis in Experimental Animals (to be known as National Institutes of Health Project No. 1171 - Sup. #1 - Department of Surgery), Gross Value - $9,633.00.
October 9, 1964 meeting, Board of Trustees

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

i. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for Clinical Research Center (to be known as National Institutes of Health Project No. 1196 - Ext. #4 - Department of Medicine). Gross Value - $380,243.00.

j. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Pancreatic Hormonal Influence on Gastric Secretion (to be known as National Institutes of Health Project No. 1344 - Ext. #3 - Department of Surgery). Gross Value - $75,600.00.

k. Systems Engineering Group, Research and Technology Division, Wright-Patterson Air Force Base, Ohio, for Technical Services to Provide Intermittent Research Analysis on Materials and Associated Problems (to be known as Systems Engineering Group, Research and Technology Division Project No. 1473 - Sup. #5 - RF Internal Supervision). Gross Value - $110,500.00.

l. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Psycho-physiological Changes Following Septal Damage (to be known as National Institutes of Health Project No. 1517 - Ext. #2 - Department of Psychiatry). Gross Value - $15,202.00.

m. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Effects of Hypothermic Drugs on Behavior (to be known as National Institutes of Health Project No. 1523 - Ext. #2 - College of Pharmacy). Gross Value - $5,904.00.

n. Electronic Systems Division, AFSC, Laurence G. Hanscom Field, Bedford, Massachusetts, Perform Research on the Spectroscopy of the Far Infrared Region (to be known as Electronic Systems Division Project No. 1577 - Mod. #4 - Department of Physics). Gross Value - $20,000.00.

o. Electronic Systems Division, AFSC, Laurence G. Hanscom Field, Bedford, Massachusetts, Perform Research on the High Resolution Infrared Spectroscopy of Molecules (to be known as Electronic Systems Division Project No. 1619 - Mod. #3 - Department of Physics). Gross Value - $20,000.00.
III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

p. U. S. Army Research Office - Durham, Box CM, Duke Station, Durham, North Carolina, for an Investigation of Synthesis and Properties of Naphtho- and Phenanthraquinones (to be known as U. S. Army Research Office - Durham Project No. 1667 - Sup. #2 - Department of Chemistry), Gross Value - $17,513.00.

r. Department of Health, Education and Welfare, Vocational Rehabilitation Administration, Washington, D. C., for Perce... Acoustic Stimuli by the Deaf (to be known as Vocational Rehabilitation Administration Project No. 1688 - Change #1 - Department of Speech), Gross Value - $13,000.00.

s. Electronic Systems Division, AFSC, Laurence G. Hanscom Field, Bedford, Massachusetts, Conduct Studies in Radio Astronomy (to be known as Electronic Systems Division Project No. 1703 - Mod. #2 - Department of Electrical Engineering), Gross Value - $30,000.00.

t. Department of Health, Education and Welfare, Bureau of State Services, Washington, D. C., for an Investigation of Effects of Pesticides on Reproductive Success of Mice (to be known as Bureau of State Services Project No. 1720 - Ext. #1 - Department of Zoology and Entomology), Gross Value - $14,767.00.

u. Department of Health, Education and Welfare, Bureau of State Services, Washington, D. C., for A Study of the Biological Storage System (to be known as Bureau of State Services Project No. 1753 - Sup. #1 - Department of Mathematics), Gross Value - $7,853.00.

v. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for Chemo- and Radiotherapy Treatment of Bladder Cancer (to be known as National Institutes of Health Project No. 1806 - Ext. #1 - Department of Surgery), Gross Value - $21,870.00.

IV. GRANTS AND GIFTS

The following grants and gifts to the University are among those received since September 11, 1964, and are hereby reported for the record. Appropriate expressions of appreciation have been conveyed to the donors.

A. Administered Through the Office of Business and Finance

1. $5,490.00 granted by the Department of Health, Education, and Welfare, Public Health Service, Division of Community Health Services, Washington, D.C., to the University for "Writing, Editing, and Publication in Public Health Dentistry," under the direction of Robert C. McGiffert, Lecturer in the School of Journalism, for the period December 13, 1964 through December 18, 1964. [Grant STT-149-65(CH)]

B. Received Through the Development Fund

1. $10,000.00 from Abbott Laboratories for use in the College of Medicine.

2. $5,000.00 from The General Electric Foundation, Ossining, New York, for the 1964-65 Graduate Research and Study Grant in Mechanical Engineering.

3. $1,400.00 from The Markey Foundation for The Markey Foundation Scholarship Fund.
October 9, 1964 meeting, Board of Trustees

IV. GRANTS AND GIFTS (continued)

B. Received Through the Development Fund (continued)

4. $1,000.00 from Jack S. Resler to be added to The John B. Fullen Scholarship Fund.

TOTAL - Through the Development Fund $17,400.00

Upon motion of Mr. France, seconded by Mr. Davis, the above report of grants and gifts was accepted by unanimous vote, and the Secretary was instructed to include the report in the minutes of this meeting.

C. Report from The Ohio State University Development Fund

In September, 1964, The Ohio State University Development Fund received gifts on behalf of the University as follows:

V. APPROPRIATION AND TRANSFER OF FUNDS

A. Appropriation for Purchase of Research Equipment

At the request of the Vice President for Research, and with the concurrence of the Vice President for Business and Finance, it is recommended that $3,850.00 be appropriated from the University Treasurer Research Sub-account (f) to the Department of Chemistry for the purchase of research equipment. This appropriation, when added to an amount of $4,850.00 received in grants from NIH and NSF, will enable the Department of Chemistry to purchase a Perkin Elmer Model 137B Infracord Spectrophotometer No. 137-0001 and an Aerograph Autoprep Model 700 Gas Chromatograph.

Upon motion of Mr. Ketterer, seconded by Mr. Jones, the Board of Trustees by a unanimous roll call vote approved the above appropriation of funds.
V. APPROPRIATION AND TRANSFER OF FUNDS (continued)

B. The Ohio State University Press

Upon the request of the Dean of the Graduate School and the Editorial Board for the University Press, it is recommended that an amount not to exceed $30,000.00 be allocated from the University Treasurer General Fund to Rotary 18865, The Ohio State University Press, for the fiscal year 1964-65.

Upon motion of Mr. Bricker, seconded by Mr. Loop, the foregoing recommendation for appropriation of funds was approved by unanimous roll call vote.

VI. EXTRA ORDERS AND EXTENSION OF TIME TO CONTRACTS

At the request of the Vice President for Business and Finance and with the concurrence of the Council on Business Affairs, it is recommended that the Extra Orders and Extensions of Time for Completion of Contracts as outlined below be approved by the Board of Trustees:

A. Remodeling of Highway Testing Laboratory

General Contract

It is recommended that all existing steel sash within scope of the remodeling project be removed and aluminum sash complete with anchors, glass, and glazing be installed.

Funds will be provided from Item 022, S. B. 370.

B. Student Housing Building #12 (Drackett Tower)

Plumbing Contract

It is recommended that a temporary 6" water line be provided to connect to the existing 6" water line at the east side of the project. This work will include an 8" reducer at the building and shut-off valve, "wet tap," and service valve at the existing line.

Funds will be provided from the Dormitory Construction Fund.

C. Renovation of Building for Dormitory Central Food Facility, Phase I

General, Plumbing, and Electrical Contracts

It is recommended that an extension of time for completion of contracts be granted for the above divisions of this project from September 16 to October 10, 1964. The Refrigeration Contract was readvertised and was not awarded until 22 days after the other contracts, thereby delaying their completion.

Upon motion of Mr. Jones, seconded by Mr. Ketterer, the above recommendation was approved by unanimous roll call vote.
October 9, 1964 meeting, Board of Trustees

VII. PLANS AND SPECIFICATIONS

At the request of the Vice President for Business and Finance and with the concurrence of the Council on Business Affairs, it is recommended that the plans and specifications, bills of materials, and estimates of cost for the following project be approved by the Board of Trustees.

A. Repairs to Stadium Southeast Tower

This project includes the renovation and relocation of facilities for the Departments of Athletics, Intramural Sports, and University Recreation.

Funds will be provided from Athletic Department Revenue.

Upon motion of Mr. France, seconded by Mr. Davis, the above recommendation was approved by unanimous roll call vote, and the Secretary was authorized and directed to sign the plans and specifications for the above project for and on behalf of the Board of Trustees. Vice President Carson was directed to proceed with a request for bids in the normal University manner and if satisfactory bids are received, to proceed with the award of contracts. All action regarding this matter will be reported to the Board of Trustees at a later meeting.

VIII. REPORT OF AWARD OF CONTRACTS

In accordance with authorization provided by the Board of Trustees, the contracts for the following projects have been recommended for award and the action is hereby reported to the Board.

A. Addition and Alternations to George Wells Knight International Student Center

Bids were received on September 17, 1964, for this project and all bids for the Electrical Contract were rejected. The low bid for the General Contract was accepted and the Electrical Division was readvertised with bids received on September 23, 1964. The recommendation for award of contracts is as follows:

Funds for this project will be provided from a National Science Foundation Grant, the University Treasurer Research Account, and a transfer from Item 315-003, S. B. 370.

Upon motion of Mr. France, seconded by Mr. Loop, the above award of contracts and expenditure of funds were approved, and the action of the Vice President for Business and Finance ratified by unanimous roll call vote.
October 9, 1964 meeting, Board of Trustees

IX. CONTROLLING BOARD APPROVALS

Each numbered approval shown below accomplished the following purpose:

109 Approves the transfer of $206,805.00 from Item 315-003 Modernization of Engineering and Physical Science Facilities to Item 315-026 Electrical Engineering Research Facilities, S. B. 370, to provide funds for the award of contracts for the Caldwell Laboratory project.

112 Approves the transfer of $102,300.00 from Item 315-009 Campus Loop Road to Item 315-025 Olentangy River Improvement, S. B. 370, to provide funds for repair to the dam.

115 Approves the transfer of $46,200.00 from Item 315-020 Removal of Veterinary Clinic to Item 315-028 Veterinary Clinic and Animal Hospital, S. B. 370, to provide funds for the preparation of plans and specifications and test borings and site survey for the Veterinary Clinic and Animal Hospital.

118 Approves the expenditure of $44,487.75 from Maintenance 200, H. B. 711, to provide funds for the contracts for "Furnish and Install Vinyl Tile" and "Interior Painting and Patch Plastering."

X. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE

A. Employment of Architects - Modernization of Orton Hall and Mendenhall Laboratory

It is recommended that the architectural firm of Ted H. Prindle & Associates be employed to provide complete architectural and engineering services for this project including preliminary plans, basic drawings, working drawings, specifications, estimate of cost, necessary bidding documents, and complete supervision of construction.

The fee will be computed on the basis of 8 per cent of the contract cost or an estimated $19,480.00. Funds will be provided from Item 021, S. B. 370.

Upon motion of Mr. Davis, seconded by Mr. Ketterer, the above recommendation was approved by unanimous roll call vote.

B. Employment of Architects and Engineers - Veterinary Hospital

It is recommended that the firm of Richards, Bauer and Moorhead, Architects and Engineers, be employed to provide architectural and engineering services for this project, up to and including preliminary plans, outline specifications, and estimate of cost only.

If the project proceeds beyond the preliminary stage, it is understood that any payment made for preliminary work will be deducted from the total standard fee for the complete project.
X. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE (continued)

B. Employment of Architects and Engineers - Veterinary Hospital (continued)

The fee for the preliminary work only is estimated to be $36,280.00, based on the total standard fee schedule. Funds for this service are provided in Item 315-028, S. B. 370.

Upon motion of Mr. Davis, seconded by Mr. France, the above recommendation was approved by unanimous roll call vote.

C. Purchase of Buildings and Property, 381 West Tenth Avenue

It is recommended that the Vice President for Business and Finance be authorized to proceed with the purchase of the following property from H. & P., Inc., at a price of $23,000.00:

Property known as 381 West Tenth Avenue, being Lot #36, Elizabeth King's Olentangy Subdivision, City of Columbus, County of Franklin, State of Ohio.

Funds are available in Item 015, College of Medicine - Land, S. B. 370.

Upon motion of Mr. Davis, seconded by Mr. France, the above recommendation was approved by unanimous roll call vote.

D. Purchase of Buildings and Property, 389 West Tenth Avenue

It is recommended that the Vice President for Business and Finance be authorized to proceed with the purchase of the following property from June F. Kennedy at a price of $18,500.00:

Property known as 389 West Tenth Avenue, being Lot #38, Elizabeth King's Olentangy Subdivision, City of Columbus, County of Franklin, State of Ohio.

Funds are available in Item 015, College of Medicine - Land, S. B. 370.

Upon motion of Mr. Davis, seconded by Mr. France, the above recommendation was approved by unanimous roll call vote.

E. Purchase of Buildings and Property, 311 West Tenth Avenue

It is recommended that the Vice President for Business and Finance be authorized to proceed with the purchase of the following property from Beatrice C. Uhleman and Norman Uhleman at a price of $27,300.00:

Property known as 311 West Tenth Avenue, being 8' off the west side of Lot #9 and 32' off the east side of Lot #10, William N. King's Neil Avenue Subdivision, City of Columbus, County of Franklin, State of Ohio.

Funds are available in Item 015, College of Medicine - Land, S. B. 370.

Upon motion of Mr. Davis, seconded by Mr. France, the above recommendation was approved by unanimous roll call vote.

Upon motion of Mr. Davis, seconded by Mr. France, the above recommendation was approved by unanimous roll call vote.

I. Employment of Architects - General Academic Facility, Mansfield Campus

It is recommended that the architectural firm of Marr, Knapp & Crawford be employed to provide architectural and engineering services for this project, up to and including preliminary plans, outline specifications, and estimate of cost only. If the project proceeds beyond the preliminary stage, it is understood that any payment made for preliminary work will be deducted from the total standard fee for the complete project.
X. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE (continued)

I. Employment of Architects - General Academic Facility, Mansfield Campus (continued)

The fee will be calculated on the basis of 6 per cent of the first $1,000,000 and 5 1/2 per cent for all over the first $1,000,000 of construction cost or an estimated fee of $20,965.00 for the preliminary work. Funds will be provided from Item 315-019, Plans and Buildings for Mansfield Branch, S. B. 370.

Upon motion of Mr. France, seconded by Mr. Jones, the above recommendation was approved by unanimous roll call vote.

J. Employment of Architects - General Academic Facility, Lima Campus

It is recommended that the architectural firm of Strong, Strong & Strong be employed to provide complete architectural and engineering services for this project including preliminary plans, basic drawings, working drawings, specifications, estimate of cost, and necessary bidding documents. Complete supervision of construction is not included at this time, but it is understood that supervision may be added in accordance with the standard fee schedule.

The fee will be calculated on basis of 6 per cent of the first $1,000,000, 5 1/2 per cent of the second $1,000,000, and 5 per cent of all over $3,000,000 of construction cost or an estimated fee of $90,330.00 for the above described work. Funds for this service will be provided from Item 315-018, Plans and Buildings for Lima Branch, S. B. 370.

Upon motion of Mr. France, seconded by Mr. Jones, the above recommendation was approved by unanimous roll call vote.

K. Employment of Architects - "Center for Tomorrow"

The Board of Trustees at its September 11, 1964 meeting authorized the employment of an architectural firm to provide architectural and engineering services for the "Center for Tomorrow" project. (See page 143 of the September 11, 1964 meeting of the Board of Trustees.) Pursuant to this action, it is now recommended that the architectural firm of Lorenz and Williams, Dayton, Ohio, be and hereby is appointed project architect for the "Center for Tomorrow."

Upon motion of Mr. France, seconded by Mr. Jones, the above recommendation was approved by unanimous roll call vote.

XI. RESOLUTIONS IN MEMORIAM

President Fawcett reported to the Board the deaths of William H. Dietz, Associate Professor in the College of Dentistry, and William E. Utterback, Professor Emeritus in the Department of Speech. In accordance with the instructions of the Board of Trustees, copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board have been furnished the families of the deceased.

XI. RESOLUTIONS IN MEMORIAM (continued)

A. William H. Dietz

The Board of Trustees expresses its sorrow at the death on September 15, 1964, of William H. Dietz, Associate Professor in the College of Dentistry.

Professor Dietz was born on October 1, 1905, in Cleveland, Ohio, and was graduated from Brown Prep School in Philadelphia, Pennsylvania. He attended Ohio State University College of Arts and Sciences for his pre-dental training, entered the College of Dentistry at The Ohio State University in 1927, and received the degree of Doctor of Dental Surgery in 1931. He attended a postgraduate course in general anesthesia at Flower Hospital in Toledo, Ohio, in 1937. Between 1953 and 1961 he attended ten postgraduate courses in different fields of dentistry at The Ohio State University. In 1953 he joined the faculty of the College of Dentistry as an Instructor, advancing later to Assistant Professor and then to Associate Professor, the rank held at the time of his death.

Dr. Dietz was engaged in the private practice of dentistry in Norwalk, Ohio, from 1931 to 1942 and from 1946 to 1951.

Professor Dietz entered the Armed Services in 1942 and was made Battalion Dental Surgeon (overseas), Aviation Signal Corps. In 1944 he advanced to Chief Dental Surgeon, 2nd Air Task Force, 5th Air Force, the position he held until his retirement in 1945 with the rank of Captain.

He was the author of two articles on preparation and restoration of abutment teeth for prosthetic appliances, which appeared in the Journal of Prosthetic Dentistry.

He held memberships in Omicron Kappa Upsilon, Psi Omega Fraternity, American Prosthodontics Society, Pierre Fauchard Academy, Columbus Dental Society, Ohio State Dental Association, and American Dental Association.

Professor Dietz, an energetic and vigorous teacher, stimulated the undergraduate dental students to an appreciation of excellence in the clinical practice of dentistry. He also provided additional stimulus and inspiration to dental students by his excellent work in clinical diagnosis and seminar teaching. Dr. Dietz added to the status of the profession of dentistry by his guidance and teaching of many future dentists during his teaching career.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

B. William E. Utterback

The Board of Trustees expresses its sorrow at the death on June 19, 1964, of William E. Utterback, Professor Emeritus in the Department of Speech.
XI. RESOLUTIONS IN MEMORIAM (continued)

B. William E. Utterback (continued)

Professor Utterback was graduated from Huron College in South Dakota in 1919 with an A.B. degree. He received the M.A. degree from Dartmouth College in 1924 and the Ph.D. degree from Cornell University in 1938.

Dr. Utterback joined the faculty of the Department of Speech of The Ohio State University as an Associate Professor in the fall of 1946, after a total of 26 years of teaching at Cornell University, Dartmouth College, Oberlin College (where from 1926 to 1937 he was Head of the Department of Speech) and the College of the City of New York. He was promoted to the rank of Professor in 1954. He directed the discussion area of the public address division, developed new and more effective procedures in the teaching of discussion, and pioneered in the application of quantitative methods to research in discussion. In addition to his teaching, he served for a time as Vice Chairman of the Department; as Chairman of the Graduate Committee of the Department of Speech; and, for several years prior to his retirement, as Director of the Public Address Division and as foreign language advisor to all graduate students in the Department.

Professor Utterback made many contributions to the literature in the field of speech through which he established himself as a highly respected and competent scholar. He made unique contributions to the knowledge of the processes and methods of effective communication in small group conferences.

In the year 1959-60 he was honored with a Fulbright grant to lecture at the University of Amsterdam, Holland. In addition to his work at the University of Amsterdam, he lectured to numerous groups of Dutch psychologists and social administrators on his theories of discussion and group methods.

Dr. Utterback was actively interested in the United Nations Association, serving for a time as President of the Columbus chapter and as a member of the Board of Directors of the national organization. He was a unique man with a deep sense of loyalty to his profession and to the institutions and organizations he served. He had the qualities of imagination, thoroughness, and acumen. In conversation and in committee and faculty meetings, he always spoke softly and in low key, but what he had to say always revealed depth of understanding of the subject matter being discussed. Because of this he had the profound respect of his colleagues.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

XII. REPORTS

A. Reports from the Finance and Investment Committee

1. Repayment of Loan for Construction of Hangar No. 4, University Airport

Mr. Loop, Chairman of the Finance and Investment Committee, presented the following recommendation:

At the request of the Vice President for Business and Finance, it is recommended that the Board Resolutions of July 13, 1962 and December 13, 1962, be amended to provide for repayment of the Hangar No. 4 loan over a period not to exceed thirty years at 4 percent, and that the repayment be returned to the University Treasurer General Fund.

Upon motion of Mr. Loop, seconded by Mr. Jones, the above recommendation was approved by unanimous roll call vote.

2. Report on the University's Investment Portfolio

Upon motion of Mr. Jones, seconded by Mr. Dargusch, the report on the University's Investment Portfolio, dated September 30, 1964, as submitted to the Finance and Investment Committee of the Board of Trustees and the recommendation relating to the sale of certain equities, as detailed in the report, was approved. The report was ordered filed with the official records of the Board of Trustees.

Thereupon the Board adjourned to meet Friday, November 6, 1964, at The Ohio State University, Columbus, Ohio, at ten o'clock.

Attest:

John T. Mount  Smith L. Rairdon
Secretary          Chairman
The Board of Trustees met at its regular monthly meeting on Friday, November 6, 1964, at The Ohio State University, Columbus, Ohio, pursuant to adjournment.

Present: Smith L. Rairdon, Chairman, Alan B. Loop, Jacob E. Davis, John W. Bricker, Carlton S. Dargusch, John G. Ketterer, Frederick E. Jones, and Mervin B. France.

Minutes of the last meeting were approved.
President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Cooperative Extension Service - Personnel Budget
Revision for 1964-65

The Eighty-eighth Congress has approved a small increase in the appropriation for the Cooperative Extension Service as provided in the Smith-Lever Act. It is recommended therefore that the Personnel Budget for the Ohio Cooperative Extension Service as approved by the Board of Trustees on June 5, 1964, be amended to include the additional amount of $165,924.00 to be retroactive to July 1, 1964, making the total $3,699,157.00 for the 1964-65 fiscal year.

It is further recommended that the salary adjustments made possible by this increase be approved and that the details of these changes be recorded in the official "Salary Roll" of the University.

Upon motion of Mr. Davis, seconded by Mr. Bricker, the Ohio Cooperative Extension Service Personnel Budget as amended was approved by unanimous roll call vote, and the Secretary was instructed to record the amendments resulting from this increase on the "Salary Roll" of the University for 1964-65.

B. Authorization to Proceed With the Development of the Project - "Graduate House"

For several years The Ohio State University has been interested in the development of housing facilities specially designed to meet the needs of the increasing graduate student enrollment; and since the University does not have an adequate facility for the housing of graduate students, now numbering approximately 6,000, it is recommended that the Board of Trustees initiate the project to be known as "Graduate House" and direct the President and Vice President for Business and Finance to proceed with the necessary studies directed toward the optimum plan for financing, constructing, and equipping such a facility.

Upon motion of Mr. Loop, seconded by Mr. Ketterer, the Board of Trustees approved the above recommendation by unanimous roll call vote.

C. Naming of Street

Upon the proposal of Mr. Frederick Stecker, Executive Director for University Relations, after consultation with appropriate administrative officers of the University, it is recommended that a street to be constructed in the North Residence Hall Complex be named "Curl Drive," in memory of the late Lt. Colonel James G. Curl. Lt. Colonel Curl, B.Sc. in Bus. Adm. 1940, was killed in action in March 1945 while in service to his country as an officer in the U. S. Army Air Corps. He had been awarded the Distinguished Service Cross, Distinguished Flying Cross, Silver Star, Air Medal with clusters, Presidential Citation, and the Purple Heart, and was one of the few Americans to hold the British Distinguished Service Order.
November 6, 1964 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

C. Naming of Street (continued)

The new street "Curl Drive" will begin at the intersection of North College Road and Woodruff Avenue and extend through the North Residence Hall Complex to Neil Avenue at a point between West Frambes Avenue and West Lane Avenue.

This proposal is in accordance with the **By-Laws of the Board of Trustees**.

Upon motion of Mr. France, seconded by Mr. Jones, the Board of Trustees approved by a unanimous roll call vote the naming of the new street running from the intersection of North College Road and Woodruff Avenue through the North Residence Hall Complex to Neil Avenue at a point between West Frambes Avenue and West Lane Avenue.

II. PERSONNEL CHANGES

It is recommended that all personnel changes since the October 9, 1964 meeting of this Board, as recorded in the official "Salary Roll" of the University, be approved by the Board. These changes include the following Appointment, Leave of Absence With Salary, and Leaves of Absence Without Salary:

A. **Appointment**

Raymond H. Muessig, Professor, Department of Education, effective October 1, 1964, at a salary of $12,468.00 per annum.

B. **Leave of Absence With Salary**

In accordance with the policy approved by the Board of Trustees on April 12, 1964, the following-named person is recommended for Leave of Absence With Salary from the Cooperative Extension Service for the period indicated.

Herbert H. Hadley, Associate Professor (District Supervisor), effective January 1, 1965 through March 15, 1965, to participate in a program of professional improvement at Michigan State University.

C. **Leaves of Absence Without Salary**

Gladys H. Crawford, Assistant Professor, Psychology, effective October 1, 1964 through September 30, 1965, to study at Teachers College, Columbia University.

Elizabeth W. Edmond, Instructor, Pediatrics, effective October 1, 1964 through October 13, 1964, due to ill health.

Margaret A. Goode, Instructor, School of Nursing, effective September 23, 1964 through December 31, 1964, due to ill health.
November 6, 1964 meeting, Board of Trustees

II. PERSONNEL CHANGES (continued)

C. Leaves of Absence Without Salary (continued)

Marlene Linkenbach, Instructor, School of Nursing, effective November 1, 1964 through November 15, 1964, for personal reasons.

Upon motion of Mr. Davis, seconded by Mr. Loop, the Appointment, Leave of Absence With Salary, Leaves of Absence Without Salary, and the personnel budget actions as recorded in the official "Salary Roll" of the University were approved unanimously by roll call vote, and the Secretary was instructed to file these changes in the "Salary Roll" with the official documents of the University.

IV. GRANTS AND GIFTS (continued)

B. Received Through the Development Fund (continued)

13. $3,750.00 from Monsanto Chemical Company--$2,250.00 for the Monsanto Fund in Chemical Engineering and $1,500.00 for the Monsanto Fellowship in Chemistry.

14. $3,630.00 from Tek-Hughes for use in the College of Dentistry.

15. $3,630.00 from Westinghouse Electric Corporation for use in the College of Dentistry.

16. $3,500.00 from the Goodyear Tire & Rubber Company Foundation for the Goodyear Foundation Fellowship Fund.

17. $2,500.00 from Beecham Research Laboratories for the Infectious Disease Research Fund.

18. $2,240.00 from the National Society for Prevention of Blindness, Inc., New York, New York, for an investigation of Cornea Neovascularization in the Department of Ophthalmology.

19. $1,300.00 from Socony Mobil Oil Company, Inc., New York, New York--$800.00 for a scholarship in the Department of Geology and $500.00 for unrestricted use in the Department of Geology.

20. $1,000.00 from Dr. Ralph S. Licklider for The Ralph S. Licklider Family Fund.

The Ralph S. Licklider Family Fund

The Ralph S. Licklider Family Fund was established October 1, 1964, by a gift through the Development Fund from Dr. Ralph S. Licklider.

The principal and any additions thereto are to be invested under rules and regulations adopted by the Board of Trustees of The Ohio State University, with right to invest and reinvest as occasion dictates.

The disposition of the income is to be left entirely to the discretion of the Board of Trustees with this reservation only, that during the lifetime of Ralph S. Licklider, Catherine Lape Licklider (Mrs. Ralph S.), Samuel Drake Licklider, M.D., and William Lape Licklider, M.D., the latter two being sons of Dr. and Mrs. Ralph S. Licklider, a request may be made in any given year by any one of the above-mentioned persons for a specific use of the income for that year and if said request is for an appropriate University purpose, the Board of Trustees shall grant said request.

In those years when the use of the income is determined by the Board of Trustees, preference is to be given to allocation of the income as follows: one-half thereof is to be made available to the Athletic Director to be used at his discretion and one-half thereof is to be made available to the Dean of the College of Medicine to be used at his discretion.
B. Received Through the Development Fund (continued)

20. The Ralph S. Licklider Family Fund (continued)

In the event the Athletic Department and/or the College of Medicine shall be altered in any reorganization of University colleges, schools, and departments, then the persons having discretion as to the use of the income shall be the appropriate administrative officials of the University then directly responsible for athletics and for medical education at The Ohio State University.

21. $1,000.00 from Frederick W. R. Pride as an undesignated gift through the Presidents Club.

TOTAL - Through the Development Fund $115,415.00

C. Gifts-in-Kind

1. Property known as the "Overlook Farm," located on the Betzer Road, 1 1/4 miles south of County Road No. 23, consisting of 52.05 acres in Bloom Township, Fairfield County, Ohio, from Albert Bolenbaugh to the Board of Trustees of The Ohio State University to be held in the University's endowment portfolio under the provisions of Section 3345.16 of the Revised Code of Ohio.

The gift includes twenty-two acres planted in several varieties of peaches and apples; twenty-eight acres of woodland; an attractively terraced building site (approximately two acres), on which is located a large multiple brick building housing three apartments, a large garage, and a refrigerated apple storage facility with a capacity for 4,000 bushels; and miscellaneous orchard equipment and tools.

The property will be conveyed to The Ohio State University by quit-claim deed on or before December 31, 1964, upon acceptance by the Board of Trustees and payment of $1.00 consideration.

In accepting this gift, the University agrees to use the property for a period of at least 10 years for experimental work and research in orchard culture and forestry and to conduct a persistent research to discover less costly and less toxic or non-toxic pesticides. It may also be used during this period for other purposes as determined by the University as long as the above-mentioned purposes are executed.

2. A carbonate slurry agitator from Chemineer, Inc., Dayton, Ohio, for the Department of Chemical Engineering.

3. Volumes 31 to 57, inclusive, of Chemical Abstracts and Volumes 63 to 83, inclusive, of Journal of American Chemical Society from Dr. George F. Deebel, Dayton, Ohio, for The Ohio State University Library.

Upon motion of Mr. Loop, seconded by Mr. Davis, the acceptance of the above grants and gifts was approved by unanimous roll call vote, and the Secretary was instructed to include the report in the minutes of this meeting.

V. APPROPRIATIONS AND TRANSFER OF FUNDS

A. Appropriations for the Purchase of Research Equipment

At the request of the Vice President for Research and with the concurrence of the Vice President for Business and Finance, it is recommended that the following amounts be appropriated from the University Treasurer Research Subaccount (f) for the projects indicated:

- $50,000.00 to the Department of Chemistry to supplement a $149,200.00 grant from the Atomic Energy Commission to purchase a pulse type Van de Graaff Generator.
- $5,700.00 to the College of Veterinary Medicine to supplement a grant of $4,000.00 from the National Institutes of Health to complete the Henderson Aerosol Apparatus.

Upon motion of Mr. Davis, seconded by Mr. Bricker, the Board of Trustees by a unanimous roll call vote approved the above appropriation of funds.

B. Grant-in-Aid for Research and Assigned Research Duty

Upon the recommendation of the Vice President for Research and in accordance with the policy established by the Board of Trustees at its meeting on October 19, 1953, it is recommended that an amount of $300,000.00 be allocated from the funds received in Subaccount (d) during the 1964-65 fiscal year to be used for research fellowships and grants-in-aid in support of research for the 1965-66 fiscal year.

Upon motion of Mr. France, seconded by Mr. Davis, the allocation of $300,000.00 for the purpose recommended above was approved by unanimous roll call vote.
November 6, 1964 meeting, Board of Trustees

V. APPROPRIATIONS AND TRANSFER OF FUNDS (continued)

C. Appropriation for Patent Services

At the request of the Vice President for Research and with the concurrence of the Vice President for Business and Finance, it is recommended that a sum of $2,000.00 be appropriated from Subaccount (c) for use of the OSU Patent Committee for patent search and filing fees.

Upon motion of Mr. Dargusch, seconded by Mr. Loop, the above appropriation of $2,000.00 for the purpose indicated was approved by a unanimous roll call vote.

VI. EXTRA AND CREDIT ORDERS TO CONTRACTS AND EXTENSIONS OF TIME TO CONTRACTS

At the request of the Vice President for Business and Finance and with the concurrence of the Council on Business Affairs, it is recommended that the Extra Orders, Credit Orders, and Extensions of Time for Completion of Contracts as outlined below be approved by the Board of Trustees:

A. Stadium Press Box Elevator

   General Contract

   It is recommended that a heating system for the elevator shaft and elevator machinery rooms be provided to maintain a minimum temperature of 50 degrees at all times in these areas. Add $2,852.00

   Funds will be provided from Athletic Department Revenue Fund.

B. Twelve-Inch Well and Pumping Equipment for Elevated Storage Tank

   Water was reached at a depth less than that originally estimated and therefore a shorter casing and well screen are required. Deduct $570.00

   Funds for this project are provided in Budget Account 19945, Water Storage Tank, H. B. 711.

D. Repairs to Exterior Masonry of Ten Buildings

   It is recommended that an extension of time for completion of contract be granted for this project from October 1, 1964 to August 1, 1965. The delay in completion is caused by the inability of the Local Union to furnish the contractor with

VII. PLANS AND SPECIFICATIONS

At the request of the Vice President for Business and Finance and with the concurrence of the Council on Business Affairs, it is recommended that the plans and specifications, bills of materials, and estimates of cost for the following projects be approved by the Board of Trustees:

A. McPherson Chemical Laboratory Improvements

This area was recently remodeled and the former big laboratory was divided into smaller rooms thereby creating poorly ventilated areas. Since the student load is heavier this year and these areas will be used during the Summer Quarter, it is recommended that additional ventilation be provided.

Funds for this project will be provided from the Maintenance Account in H. B. 711.

B. Dining Facility Northeast

This dining facility will service approximately 1,800 students from Barrett House, Halloran House, Houck House, Taylor Tower, and Dennis House.

Funds for this project will be provided from the Dormitory Construction Fund.

C. Nosker House and Archer House (Student Housing Buildings Nos. 8 and 9)

Nosker House will house approximately 236 students and Archer House will house approximately 212 students.

Funds for this project will be provided from the Dormitory Construction Fund.
November 6, 1964 meeting, Board of Trustees

VII. PLANS AND SPECIFICATIONS (continued)

D. Taylor Tower (Student Housing Building No. 10)

Taylor Tower will house approximately 870 students.

Funds for this project will be provided from the Dormitory Construction Fund.

Upon motion of Mr. Davis, seconded by Mr. France, the above recommendation was approved by unanimous roll call vote, and the Secretary was authorized and directed to sign the plans and specifications for the above projects for and on behalf of the Board of Trustees. Vice President Carson was directed to proceed with a request for bids in the normal University manner and if satisfactory bids are received, to proceed with the award of contracts. All action regarding this matter will be reported to the Board of Trustees at a later meeting.

X. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE

A. Employment of Engineers - Construction of Curl Drive

It is recommended that the engineering firm of Jones, Stuckey and Barrett be employed to perform services in connection with the proposed project involving a road from the present intersection of College Road and Woodruff Avenue through the North Residence Hall Complex to a connection with Neil Avenue near Lane Avenue, including grading, paving, curbs, drainage, street lighting, three parking lots, crosswalks, and drive connections.
X. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE (continued)

A. Employment of Engineers - Construction of Curl Drive (continued)

The engineering services include a field survey, preliminary plans and construction drawings for the entire project, and specifications and general supervision of construction for the section from College Road to Peasley Street only.

The fee for this service will be $7,300.00 based on the estimated cost of construction. Funds for the project will be provided from Item 315-006 Modernization of Commerce and Administration Buildings, and walks and roads, S. B. 370.

Upon motion of Mr. Bricker, seconded by Mr. Loop, the above recommendation was approved by unanimous roll call vote.

B. Employment of Architects - College of Commerce Improvements

It is recommended that the architectural firm of Design Associates be employed to provide complete architectural and engineering services for this project including preliminary plans, basic drawings, working drawings, specifications, estimate of cost, and necessary bidding documents.

Complete supervision of construction is not included at this time, but it is understood that supervision may be added in accordance with the standard fee schedule.

The fee will be computed on the basis of 60 per cent of the standard 7 per cent of the estimated cost of construction or approximately $11,462.00. Funds for this project will be provided from Item 315-024 Modernization of Commerce and Administration Buildings, S. B. 370.

Upon motion of Mr. Davis, seconded by Mr. Ketterer, the above recommendation was approved by unanimous roll call vote.

C. Employment of Architects - The President's House

It is recommended that the architectural firm of Cellarius & Hilmer be employed to provide complete architectural and engineering services necessary for preliminary plans, outline specifications, and preliminary estimate of cost only.

Upon completion and approval of the preliminary plans, it is understood that the architects will enter into a contract to provide complete working drawings, specifications, bidding documents, and periodic supervision.

The fee for this service will be $4,250.00 based on 20 per cent of the 8 1/2 per cent total fee. Funds for this project will be provided from Department 3145, Budget Account 91036.

Upon motion of Mr. Bricker, seconded by Mr. Jones, the above recommendation was approved by unanimous roll call vote.
X. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE (continued)

D. Purchase of Buildings and Property, 347-349 West Tenth Avenue

It is recommended that the Vice President for Business and Finance be authorized to proceed with the purchase of the following property from Helen Marple at a price of $28,000.00:

Property known as 347-349 West Tenth Avenue, being Lot #30, Elizabeth King's Olentangy Subdivision, City of Columbus, County of Franklin, State of Ohio.

Funds are available in Item 015, College of Medicine - Land, S.B. 370.

Upon motion of Mr. Davis, seconded by Mr. Ketterer, the above recommendation was approved by unanimous roll call vote.

E. Purchase of Buildings and Property, 418-418 1/2-418 Rear West Ninth Avenue and 1610-1610 1/2 Perry Street

It is recommended that the Vice President for Business and Finance be authorized to proceed with the purchase of the following property from M.K. & K. Realty, Inc., at a price of $62,500.00:

Property known as 418-418 1/2-418 Rear West Ninth Avenue and 1610-1610 1/2 Perry Street, being Lot #16 and 77' off the north end of Lot #15, Elizabeth King's Olentangy Subdivision, City of Columbus, County of Franklin, State of Ohio.

Funds are available in Item 015, College of Medicine - Land, S.B. 370.

Upon motion of Mr. Davis, seconded by Mr. Ketterer, the above recommendation was approved by unanimous roll call vote.

XI. RESOLUTIONS IN MEMORIAM

President Fawcett reported to the Board the deaths of Viva Belle Boothe, Professor Emeritus, Bureau of Business Research, College of Commerce and Administration, and Peter Otto Krumin, Professor of Chemical Engineering. In accordance with the instructions of the Board of Trustees, copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board have been furnished the families of the deceased.

A. Viva Belle Boothe

The Board of Trustees expresses its sorrow at the death on October 8, 1964, of Viva Belle Boothe, Professor Emeritus, Bureau of Business Research, College of Commerce and Administration.
XI. RESOLUTIONS IN MEMORIAM (continued)

A. Viva Belle Boothe (continued)

Dr. Boothe was born in Tyler, Texas, on January 27, 1893, and received her Bachelor of Arts degree from the University of Texas in 1918. She served as a statistician in the United States Food Administration in 1918, with the War Industries Board during 1919, and for the Joint Congressional Commission of Agricultural Inquiry in 1921. Miss Boothe received both the Master's (1921) and Ph.D. (1923) degrees from the University of Pennsylvania.

Prior to coming to The Ohio State University, Dr. Boothe was Professor and Head of the Department of Economics and Sociology at Elmira College and served at the University of Texas and at the New York State Teachers College in Albany. Miss Boothe became Assistant Professor of sociology and business research at Ohio State in 1928. She was named Associate Professor of business research in 1932 and Professor in 1934. After five years as Acting Director, Dr. Boothe was appointed Director of the Bureau of Business Research in 1941 and served in that capacity until her retirement in 1963.

Active in numerous organizations, Dr. Boothe was president of the Associated University Bureaus of Business and Economic Research in 1954-1955 and served as international president of Altrusa for 1959-1961. She was a member of the American Statistical Association, American Economic Association, American Association of University Women, Phi Beta Kappa, and Beta Gamma Sigma. She was a national honorary member of Phi Chi Theta, national fraternity for women in business and economics, being one of five persons to hold that honor. Dr. Boothe was the author of several books and numerous articles; she edited many publications of the Bureau of Business Research.

In 1939, Dr. Boothe was the first woman to address a graduating class at this University. When appointed in 1941, Dr. Boothe was the only woman in America to head a university Bureau of Business Research. As an effective research administrator and editor, Dr. Boothe made a substantial contribution to the University; as an active and dedicated member of the faculty, she will be long remembered. Both of these qualities were recognized when Dr. Boothe was given The Ohio State University Distinguished Service Award on August 28, 1964.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

B. Peter Otto Krumin

The Board of Trustees expresses its sorrow at the death on October 22, 1964, of Peter Otto Krumin, Professor of Chemical Engineering.
XI. RESOLUTIONS IN MEMORIAM (continued)

B. Peter Otto Krumin (continued)

Dr. Krumin was born March 12, 1898, in Kerstenbem, Latvia. He received his Certificate (B.Ch.E.) and degree Chemical Engineer (M.S.) from the University of Latvia, Riga, Latvia, in 1930 and 1931; and in 1935 he completed requirements for the Habilitation Dissertation from the University of Latvia. The degree Doctor of Technical Science and Doctor of Engineering was granted Dr. Krumin by U.N.R.R.A. University, Munich, Germany, in 1947.

After graduation from the University of Latvia, Dr. Krumin entered the plywood industry, becoming in 1936 Technical Director of a new plywood plant he helped erect in Troyan, Bulgaria. From 1936 to 1940, he was an Expert Consultant for the Latvian Government, chiefly in the solid and synthetic fuels industries. In 1937 he became a member of Joint Stock Company (Fuels) in Riga, Latvia, where he was first Secretary of the Technical Committee, and then Technical Director and Deputy Director-General. Professor Krumin was in charge of the process control laboratory of a Fischer-Tropsch process plant at Hamburg, Rhld., in 1941 and 1942.

Dr. Krumin joined the faculty of the International U.N.R.R.A. University at Munich in 1945, where he advanced from Associate Professor to Professor and Chairman of the Department of Chemical Engineering and Director of Technical Institute. He was also Acting Dean of the Faculty of Natural Sciences from May 1946 to July 1948.

After arriving in the United States in August 1948, he joined the Engineering Experiment Station of The Ohio State University, where he became supervisor of solid and synthetic fuels research and was appointed Associate Professor in the Department of Chemical Engineering. He was promoted to Professor in 1957.

In addition to his outstanding contributions to knowledge of the basic physical and chemical properties of Ohio's coal reserves, Dr. Krumin was an active member of ASTM as Chairman of the Subcommittee on Methods of Analysis, Committee D-5 on Coal and Coke. One test method (ASTM D-1756-60T) developed by Dr. Krumin has been accepted as an ASTM Standard and another is under consideration.

As an outstanding authority on the analysis of coal Dr. Krumin was asked to prepare Chapter 31, "Coal and Coke" in Welcher's Standard Methods of Chemical Analysis, Volume II, Sixth Edition, published in 1963. He has had over 40 publications to his credit.

Dr. Krumin was a member of American Institute of Chemical Engineering, Sigma Xi, Ohio and National Society of Professional Engineers, and American Society for Engineering Education. He was also Past-President of the Latvian-American Association of University Professors, Inc.
XI. RESOLUTIONS IN MEMORIAM (continued)

B. Peter Otto Krumin (continued)

All students and associates who had the privilege of his advice and counsel have been enriched by his insistence on the highest accuracy, thoroughness, and absolute honesty in conducting and reporting research. His own adherence to these virtues led to his recognition as an authority in his field.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this resolution be inscribed upon the minutes of the Board of Trustees.

XII. REPORTS

A. Report Concerning the Annual Meeting of the Association of Governing Boards of Universities and Colleges

The Chairman, Mr. Rairdon, reported on his attendance at the annual meeting of the Association of Governing Boards of Universities and Colleges which was held in Chapel Hill, North Carolina, October 21-23, 1964. He expressed the feeling that the meeting provided a profitable experience for the 150 representatives of governing boards who were in attendance. He reported also that the Association has recently been reconstituted and reorganized with the hope that it might make a worthwhile contribution to the coordinate efforts of the member institutions.

B. Report on Highlights of Campus Activities

In concluding the meeting, President Fawcett reported the student enrollment for the Autumn Quarter, 1964, and reviewed some of the accomplishments and activities of the University during the past month. The total Report, which is filed with the official records of the Secretary, includes the following statement on enrollment.

Ohio State's graduate student enrollment is up some 13 per cent for Autumn Quarter, and now totals 5,640, an increase of 660 over last autumn's figure of 4,980. The over-all University enrollment is 36,775, representing an increase of approximately 10 per cent from last autumn, when the total was 33,284. Currently, 34,031 students are enrolled on the Columbus campus and 2,744 at academic centers in Lakewood, Lima, Mansfield, Marion, and Newark. Last autumn the figures were 31,106 in Columbus and 2,178 at the branches. This is the 13th successive year that the University has shown an enrollment increase and the fourth successive year that the enrollment has set an all-time record.
C. Report on the University's Investment Portfolio

The report on the status of the University's Investment Portfolio, dated October 31, 1964, as submitted to the Finance and Investment Committee of the Board of Trustees, was received and ordered to be filed with the official records of the Board.

Thereupon the Board adjourned to meet Thursday, December 10, 1964, at The Ohio State University, Columbus, Ohio, at ten o'clock.

Attest:

John T. Mount
Secretary

Smith L. Rairdon
Chairman
Columbus, Ohio, December 10, 1964

The Board of Trustees met at its regular monthly meeting on Thursday, December 10, 1964, at The Ohio State University, Columbus, Ohio, pursuant to adjournment.

Present: Smith L. Rairdon, Chairman, Alan B. Loop, Jacob E. Davis, John G. Ketterer, Frederick E. Jones, and Mervin B. France.

Minutes of the last meeting were approved.
President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Degrees Conferred - Autumn Quarter Commencement Convocation

It is recommended that degrees be conferred at the Autumn Quarter Commencement Convocation on December 18, 1964, to those students who have completed requirements for their respective degrees and are recommended by the Faculty Council. The names of those awarded degrees will be included in the minutes of this meeting. (See Appendix II, page 233.)

Upon motion of Mr. Davis, seconded by Mr. Loop, the above recommendation was approved unanimously by roll call vote.

B. Agreement With American Chemical Society

As a result of negotiations between representatives of the American Chemical Society and The Ohio State University, an agreement has been reached for the purchase of the American Chemical Society's equity in the Chemical Abstracts Building located on the University campus at 2041 North College Road.

It is therefore recommended that the President be authorized and directed to sign an agreement for the purchase of the equity in the said property for the sum of $488,000.00, and to negotiate the terms of payment with the Society. Funds for the purchase will be provided from the University Treasurer Research Account.

Upon motion of Mr. France, seconded by Mr. Ketterer, the Board of Trustees by unanimous roll call vote approved the purchase of the American Chemical Society's equity in the described building at 2041 North College Road and authorized the President to sign an agreement for the University.

II. PERSONNEL CHANGES

It is recommended that all personnel changes since the November 6, 1964 meeting of this Board, as recorded in the official "Salary Roll" of the University, be approved by the Board. These changes include the following Appointments and Leaves of Absence Without Salary.

A. Appointments

Dean O. Clark, Registrar, effective December 1, 1964, at a salary of $13,068.00 per annum.
December 10, 1964 meeting, Board of Trustees

II. PERSONNEL CHANGES (continued)

A. Appointments (continued)

Ting Y. Li, Professor, Department of Aeronautical and Astronautical Engineering, effective January 1, 1965, at a salary of $20,268.00 per annum.

Arthur E. Middleton, Professor, Department of Electrical Engineering, effective January 1, 1965, at a salary of $20,172.00 per annum.

Albert H. Willis, Mershon Visiting Professor, Graduate School, January 1, 1965 through June 30, 1965, at a salary of $12,000.00 for the period.

B. Leaves of Absence Without Salary

Edwin P. Hiatt, Professor, Physiology, January 1, 1965 through December 31, 1965, for U. S. Government service.

Wilbur H. Bruner, Associate Professor (Extension Specialist, Animal Science), Cooperative Extension Service, December 1, 1964 through November 30, 1965, to serve as a consultant for Armour and Company.

Dorese L. Dilley, Assistant Professor, School of Nursing, January 1, 1965 through June 30, 1965, to engage in professional practice during this period.

Don L. Davis, Instructor (County Extension Agent, 4-H), Cooperative Extension Service, December 16, 1964 through March 15, 1965, to participate in a program of professional improvement at The Ohio State University.

Eldon C. Schriner, Instructor (County Extension Agent, 4-H), Cooperative Extension Service, December 16, 1964 through June 15, 1965, to participate in a program of professional improvement at The Ohio State University.

Don F. Seaman, Instructor (County Extension Agent, 4-H) Highland County, Cooperative Extension Service, January 1, 1965 through June 15, 1965, to participate in a program of professional improvement at The Ohio State University.

Upon motion of Mr. France, seconded by Mr. Ketterer, the Appointments, Leaves of Absence Without Salary, and the personnel budget actions as recorded in the official "Salary Roll" of the University were approved unanimously by roll call vote, and the Secretary was instructed to file these changes in the "Salary Roll" with the official documents of the University.

III. GENERAL CONTRACTS AND AGREEMENTS

A. The Ohio State University and The Ohio State University Research Foundation

In accordance with the Memorandum of Agreement between The Ohio State University and The Ohio State University Research Foundation approved by this Board on September 5, 1950, it is recommended that the research agreements for the following projects administered through the Research Foundation be approved and recorded in the minutes of this meeting.

1. Government Contracts - Federal

   a. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Phospholipide Metabolism in Relation to Cell Division (to be known as National Institutes of Health Project No. 911 - Ext. #6 - Institute of Nutrition and Food Technology). Gross Value - $16,958.00.

   b. Department of Navy, Office of Naval Research, Washington, D. C., for an Investigation of Voice Communication (to be known as Office of Naval Research Project No. 1002 - Amend, #10 - Department of Speech). Gross Value - $14,167,00.

   c. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Ventricular Depolarization in Heart Malformations (to be known as National Institutes of Health Project No. 1215 - Ext. #4 - Department of Veterinary Physiology and Pharmacology). Gross Value - $27,265.00.

   d. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Ethanolamine Metabolism in Animals and Plants (to be known as National Institutes of Health Project No. 1217 - Ext. #4 - Department of Physiological Chemistry). Gross Value - $12,696.00.

   e. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Exchange Protolysis of Molecules in Solution (to be known as National Institutes of Health Project No. 1383 - Ext. #3 - Department of Chemistry). Gross Value - $32,448.00.

   f. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Lipoproteins and Cellular Organization (to be known as National Institutes of Health Project No. 1404 - Ext. #3 - Department of Physiological Chemistry). Gross Value - $17,899.00,

December 10, 1964 meeting, Board of Trustees

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

   g. U. S. Army Biological Laboratories, Fort Detrick, Frederick, Maryland, for Salivary Studies on Mosquitoes (to be known as U. S. Army Biological Laboratories Project No. 1510 - Mod. #4 - Department of Zoology and Entomology). Gross Value - $10,000.00.

   h. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Lipid Metabolism: Absorption and Transport (to be known as National Institutes of Health Project No. 1518 - Ext. #2 - Department of Physiological Chemistry). Gross Value - $19,530.00.

   i. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Tissue Heparin Levels in Fetus and Newborn (to be known as National Institutes of Health Project No. 1592 - Ext. #2 - Children's Hospital). Gross Value - $12,132.00.

   j. Electronic Systems Division, AFSC, Laurence G. Hanscom Field, Bedford, Massachusetts, for Research Directed Toward the Analysis of Global and Special Gravity Measurements (to be known as Electronic Systems Division Project No. 1613 - Mod. #4 - Department of Geodetic Science). Gross Value - $87,451.00.

   k. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Salt and Water in Connective Tissue Swelling (to be known as National Institutes of Health Project No. 1715 - Ext. #2 - Department of Physiology). Gross Value - $7,860.00.

   l. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Chondroitin Sulfate in Cervical Tissue (to be known as National Institutes of Health Project No. 1756 - Ext. #1 - Department of Obstetrics and Gynecology). Gross Value - $8,237.00.

   m. Department of Navy, Office of Naval Research, Washington, D. C., for an Investigation of Learning, Adaptation and Control in Information Science (to be known as Office of Naval Research Project No. 1902 - New - Department of Electrical Engineering). Gross Value - $25,760.00.
December 10, 1964 meeting, Board of Trustees

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and
   The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

   Gross Value - $7,485.00.

   Gross Value - $14,260.00.

p. National Science Foundation, Washington, D. C., for an Investigation of Physical Phenomena at Very Low Temperatures (to be known as National Science Foundation Project No. 1930 - New - Department of Physics).
   Gross Value - $123,700.00.

   Gross Value - $141,940.00.

r. Systems Engineering Group, Research and Technology Division, Wright-Patterson Air Force Base, Ohio, for Research on Dislocation Interactions in Relation to Mechanical Properties of Metals and Alloys (to be known as Systems Engineering Group, Research and Technology Division Project No. 1934 - New - Department of Metallurgical Engineering).
   Gross Value - $30,000.00.

s. National Science Foundation, Washington, D. C., for Partial Support for "The Ninth Inter-American Congress of Psychology" Conference (to be known as National Science Foundation Project No. 1936 - New - Department of Psychology).
   Gross Value - $12,000.00.

TOTAL - Government Contracts - Federal $621,788.00
III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

2. Industrial and Other Contract

a. The United Nations Educational, Scientific and Cultural Organization (UNESCO), Place de Fontenoy, Paris, France, Preparation of a Manuscript on the Theory and Method of Measuring Patterns of Education According to Pupil-Hours of Instruction Received (to be known as The United Nations Educational, Scientific and Cultural Organization Project No. 1931 - New - Department of Economics).
Gross Value - $1,500.00.

The foregoing twenty contracts for research in cooperation with Government, Industry and Other represent a gross income of $623,288.00.

Upon motion of Mr. Davis, seconded by Mr. Loop, the research agreements between The Ohio State University and The Ohio State University Research Foundation for the above contracts were approved unanimously.

B. The Report of the Research Contracts from the Engineering Experiment Station

During the period from October 24, 1964 through November 30, 1964, the Engineering Experiment Station of The Ohio State University entered into the following research contracts. These research contracts are reported to the Board of Trustees for information and record.

1. Industrial Research Contracts

IV. GRANTS AND GIFTS

The following grants and gifts to the University are among those received since November 6, 1964, and are hereby reported for the record. Appropriate expressions of appreciation have been conveyed to the donors.
IV. GRANTS AND GIFTS (continued)

A. Administered Through the Office of Business and Finance

1. $267,525.00 granted by the Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland 20014, in support of the project entitled "Research in Preventive Medicine"—a construction grant-in-aid for addition to Wise-man Hall. (Grant 1 C01 FR-03188-01)

2. $94,100.00 granted by the National Science Foundation to the University for support of a "Summer Institute in Mathematics for Secondary School Teachers" under the direction of Professor Robert C. Fisher, Department of Mathematics. This grant terminates September 30, 1965. (GE-6684)

3. $56,050.00 granted by the National Science Foundation to the University for support of a "Summer Institute in Science for Secondary School Teachers" under the direction of Professor John S. Richardson, Department of Education. This grant terminates September 30, 1965. (GE-6742)

4. $49,294.00 from W. K. Kellogg Foundation for the fourth payment on a six-year commitment to establish an experimental educational program for training medical dietitians, for the period October 1, 1964 through September 30, 1965.

5. $40,090.00 granted by the National Science Foundation to the University for support of a "Summer Institute in Geology and the Nature of Science for Secondary School Teachers" under the direction of Professor Edmund M. Spieker, Department of Geology. This grant terminates September 30, 1965. (GE-6769)

6. $31,800.00 granted by the National Science Foundation to the University for support of a "Summer Institute in the Application of Quantitative Methods in Geography for College Teachers" under the direction of Professor Edward J. Taaffe, Department of Geography. This grant terminates September 30, 1965. (GE-7247)

7. $20,000.00 granted by the Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland 20014, in support of the project entitled "Physiological and Experimental Psychology Laboratories," Department of Psychology, to expand the animal research facilities. (Grant 1 C01 FR-03197-01)

8. $19,000.00 granted by the National Science Foundation to the University for support of a "Summer Institute in Radiation Biology for Secondary School Teachers" under the direction of Professor John S. Richardson, Department of Education. This grant terminates September 30, 1965. (GE-6669)

VI. EXTRA ORDERS TO CONTRACTS

At the request of the Vice President for Business and Finance and with the concurrence of the Council on Business Affairs, it is recommended that the Extra Orders to Contracts as outlined below be approved by the Board of Trustees:
December 10, 1964 meeting, Board of Trustees

VI. EXTRA ORDERS TO CONTRACTS (continued)

A. Stadium Press Box Elevator

General Contract

In order to comply with Elevator Code requirements, it is recommended that the wire mesh partitions along the south side of the elevator shaft proper between elevations 8'-6" and 96'-7-1/2" be moved from the center line of the beams to the toe of the beam flanges on the elevator side. Add $597.00

Funds for this project are provided in Budget Account 9900 Athletic Revenue Fund.

B. Student Housing Building No. 12 (Drackett Tower)

Heating, Ventilating, and Air Conditioning Contract

It is recommended that a refrigerated aftercooler be provided in lieu of a water cooled aftercooler for the two pneumatic control system air compressors located in the penthouse. Add $1,260.00

Electrical Contract

It is recommended that overtime pay be approved for making the change-over for the additional cable between Building #12 and Building #6 during the Labor Day weekend. This period was the only time that service could be interrupted in Buildings #3, 5, 6 and 12. Add $1,065.70

Funds for this project are provided in the Dormitory Construction Fund.

C. The Ohio State University Airport, Runway Extension

General Contract

It is recommended that the following extra orders be approved to satisfactorily resolve field drainage, compaction, and runway surfacing problems encountered during construction:
December 10, 1964 meeting, Board of Trustees

VI. EXTRA ORDERS TO CONTRACTS (continued)

VII. PLANS AND SPECIFICATIONS

At the request of the Vice President for Business and Finance and with the concurrence of the Council on Business Affairs, it is recommended that the plans and specifications, bills of materials, and estimates of cost for the following projects be approved by the Board of Trustees:

A. University Hospital - Renovation of Seven Areas

This project includes remodeling work in the Pharmacy, Waiting Room, Medical Dispensary, Pathology, Radiology, and Special Procedures areas.

Funds for this project will be provided from the University Hospital Rotary.

B. University Hospital - Corridor Repair

This project provides ceramic tile on the walls in the First Floor Corridor.

Funds for this project will be provided from the University Hospital Rotary.

C. Dentistry Laboratories - Fourth Floor Addition

This project provides a Fourth Floor on the west end of the existing building to accommodate laboratory and clinical facilities.

Funds for this project will be provided from Item 315-004, S. B. 370.
VII. PLANS AND SPECIFICATIONS (continued)

D. Improvements in Horticulture and Forestry Building

This project provides ventilation and air conditioning for Lecture Room 206.

Funds for this project will be provided from the Maintenance Account H. B. 711.

E. Campus Lighting

To improve the over-all illumination in selective campus areas, it is recommended that mercury vapor floodlights be installed in accordance with plans submitted by Thomas B. Smith, Associate Director of the Physical Plant, at a cost not to exceed $12,000.00.

Funds for this project will be provided from the Maintenance Account in H. B. 711.

Upon motion of Mr. France, seconded by Mr. Davis, the above recommendation was approved by unanimous roll call vote, and the Secretary was authorized and directed to sign the plans and specifications for the above projects for and on behalf of the Board of Trustees. Vice President Carson was directed to proceed with a request for bids in the normal University manner and if satisfactory bids are received, to proceed with the award of contracts. All action regarding this matter will be reported to the Board of Trustees at a later meeting.

X. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE

A. Employment of Architects and Engineers - Ohio Union, Third Floor Addition, South Wing

On October 9, 1964, the Board of Trustees authorized the appointment of the firm Richards, Bauer & Moorhead to provide architectural and engineering services for the construction of the Veterinary Hospital. After further consultation with the Director of Public Works, it was deemed advisable to amend the Board action and transfer the firm of Richards, Bauer & Moorhead from the Veterinary Hospital to the Ohio Union project.

It is therefore recommended that the firm of Richards, Bauer & Moorhead be employed to provide complete architectural and engineering services for the Ohio Union Addition, Third Floor, South Wing, including preliminary plans, basic drawings, working drawings, specifications, estimate of cost, necessary bidding documents, and complete supervision of construction.

The fee for this service will be computed on the standard fee basis of 7 per cent of the estimated cost of construction or approximately $26,565.00. Funds will be provided from Student Facilities Fee Account.

Upon motion of Mr. Ketterer, seconded by Mr. Rairdon, the above recommendation was approved by unanimous roll call vote.

B. Employment of Architects and Engineers - Veterinary Hospital

It is recommended that the firm of Benham, Richards & Armstrong be employed to provide architectural and engineering services for this project, up to and including preliminary plans, outline specifications, and estimate of cost only.

If the project proceeds beyond the preliminary stage, it is understood that any payment made for preliminary work will be deducted from the total standard fee for the complete project.
X. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE (continued)

B. Employment of Architects and Engineers - Veterinary Hospital (continued)

The fee for this service will be 20 per cent of the standard fee or approximately $36,280.00. Funds for this project will be provided from Item 315-028 Veterinary Clinic and Animal Hospital, S. B. 370.

Upon motion of Mr. Davis, seconded by Mr. France, the above recommendation was approved by unanimous roll call vote.

C. Employment of Architects and Engineers - Improvements at University Airport

It is recommended that the firm of Milosevich & Trautwein be employed to provide complete architectural and engineering services for this project including preliminary plans, basic drawings, working drawings, specifications, estimate of cost, necessary bidding documents, and complete supervision of construction.

The fee will be 6 per cent of the estimated cost of construction or approximately $6,606.00. Funds for the project will be provided by the Federal Aviation Agency.

Upon motion of Mr. Davis, seconded by Mr. France, the above recommendation was approved by unanimous roll call vote.

D. Columbia Gas of Ohio, Inc. - Easement for Gas Line, Route 161

The Columbia Gas of Ohio, Inc., has requested permission to construct a four-inch (4") gas pipe line through State of Ohio lands, which lands have been designated for use by The Ohio State University. The line is to be located on the south side and parallel to Route 161 north of University Airport to serve the new Ohio National Guard Armory. The University will have the right to service from the gas line.

It is recommended that the construction of the gas line through University lands be approved in a location not inimical to the interest of the University. It is further recommended that the President be authorized to request the Director of Public Works, pursuant to his statutory duties, to act on behalf of the University in developing the necessary legal instruments to provide for the installation of said gas line and to negotiate the appropriate compensation to the University.

Upon motion of Mr. Jones, seconded by Mr. Ketterer, the above recommendation was approved by unanimous roll call vote.

E. Purchase of Buildings and Property, 310-312 West Ninth Avenue

It is recommended that the Vice President for Business and Finance be authorized to proceed with the purchase of the following property from A. A. Boal and Ruth E. Legge at a price of $25,000.00:
X. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE (continued)

E. Purchase of Buildings and Property, 310-312 West Ninth Avenue (continued)

Property known as 310-312 West Ninth Avenue, being Lot #21 and 2' off the east side of Lot #20, William N. King's Neil Avenue Subdivision, City of Columbus, County of Franklin, State of Ohio.

Funds are available in Item 015, College of Medicine - Land, S. B. 370.

Upon motion of Mr. Davis, seconded by Mr. Loop, the above recommendation was approved by unanimous roll call vote.

F. Purchase of Buildings and Property, 354 West Ninth Avenue

It is recommended that the Vice President for Business and Finance be authorized to proceed with the purchase of the following property from Gamma of Phi Chi Fraternity Building Co. at a price of $47,250.00:

Property known as 354 West Ninth Avenue, being Lot #28 and the east one-half of Lot #27, Elizabeth King's Olentangy Subdivision, City of Columbus, County of Franklin, State of Ohio.

Funds are available in Item 015, College of Medicine - Land, S. B. 370.

Upon motion of Mr. Davis, seconded by Mr. Loop, the above recommendation was approved by unanimous roll call vote.

XI. RESOLUTION IN MEMORIAM

President Fawcett reported to the Board the death of William Murray Jones, Associate Professor in the School of Art. In accordance with the instructions of the Board of Trustees, a copy of the following resolution expressing on behalf of the University the sorrow and sympathy of the Board has been furnished the family of the deceased.

A. William Murray Jones

The Board of Trustees expresses its sorrow at the death on November 15, 1964, of William Murray Jones, Associate Professor in the School of Art.

Professor Jones was born in Durham, North Carolina, in 1915. He attended Duke University and the School of the Art Institute of Chicago, where he received the Bachelor of Fine Arts degree in 1939 and the Master of Fine Arts degree in 1941. In 1939, Murray Jones received the William M. R. French Foreign Travel Fellowship from the Chicago Art Institute and spent the following year traveling and painting in Tahiti and Latin America. He served in the U. S. Army between 1941 and 1946. During this period, he spent twelve months at Harvard University studying Chinese (Mandarin). In 1959, he was awarded a two-year Fulbright Research Grant to Japan to enable his engaging in creative work.
XI. RESOLUTION IN MEMORIAM (continued)

A. William Murray Jones (continued)

Murray Jones was an artist-teacher. In 1946, he joined the faculty of Michigan State University as an Assistant Professor; in 1957, he was promoted to the rank of Associate Professor. In 1962, he joined the faculty of the School of Art at The Ohio State University. Throughout his academic career, Murray Jones engaged in his work as an artist; more particularly, as a painter. His paintings have been exhibited throughout the country. Among the museums and exhibitions in which his works have been shown are the following: Whitney Museum Annual of American Painting and Sculpture; Carnegie Institute International Exhibition of Painting and Sculpture; Annual Exhibition of American Painting, Provincetown; and Metropolitan Museum of Art. He had one-man exhibitions at the Detroit Institute of Art; Albion College; Duke University; Hanamura Gallery, Detroit; Contemporary Arts Gallery, New York City; and many others. His paintings are included in the permanent collections of the Detroit Institute of Art, New York Public Library, Oakland Museum of Fine Arts, Albion College, Columbus Gallery of Fine Arts, and numerous private collections. In 1964, he received the major award of the Columbus Art League Exhibition.

In the relatively short period that Professor Murray Jones was a member of The Ohio State University faculty, he made a major contribution to the School of Art and its program. He brought an air of discipline and commitment to his own work that was communicated to all with whom he came in contact. In every way, Murray Jones made real a sense of beauty and dignity in his own life.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this Resolution be inscribed upon the minutes of the Board of Trustees.

1. Resolution Authorizing an Agreement Between The Ohio State University Housing Commission and The Ohio State University Pertaining to the Construction and Operation of Two High-Rise Dormitories for Approximately 3,840 Students (continued)

THE OHIO STATE UNIVERSITY

RESOLUTION

Authorizing an Agreement between The Ohio State University Housing Commission and The Ohio State University Pertaining to the Construction and Operation by the Housing Commission of Two Dormitories on the Campus of the University, and Matters Incidental Thereto.

WHEREAS, for the reasons stated in the preambles of the Agreement annexed hereto as Exhibit 1 (see page 223) and made a part hereof, The Ohio State University Housing Commission (herein called the Commission) has decided to construct and equip two buildings on the campus of The Ohio State University (herein called the University) to provide housing, dining and appurtenant facilities for approximately 3,840 students of the University, the said buildings and the site therefor being described as the "Project" and the "Premises", respectively, in said Agreement; and

WHEREAS, said Project may be constructed, financed and operated by the Commission upon said Premises with the consent of the Board of Trustees of the University pursuant and subject to the terms and conditions of Ohio Revised Code Chapter 3347; and

WHEREAS, the Commission and the University have negotiated an agreement for such consent under the applicable law, being the Agreement annexed hereto as Exhibit 1;

NOW THEREFORE, BE IT RESOLVED by the Board of Trustees of The Ohio State University as follows:

Section 1. That the terms and conditions of the Agreement annexed hereto as Exhibit 1 be and the same are hereby in all respects approved and that the Chairman and the Secretary of the Board of Trustees of the University are hereby authorized and directed to execute said Agreement in appropriate number of counterparts and to deliver same to the Commission.

Section 2. That the President and the Vice President, Business and Finance of the University and the Secretary of the Board of Trustees, or any one of them, are hereby authorized to take all actions, give such approvals and notices and do all other things on behalf of the University necessary or appropriate to carry out and secure the performance of the terms and conditions of said Agreement.

Mr. Ketterer seconded the motion that the above resolution be adopted and the Secretary was instructed to include a copy of the Agreement referred to in the Resolution as Exhibit 1 in the minutes of this meeting.
This Agreement (herein sometimes called the "Agreement") made by and between THE OHIO STATE UNIVERSITY HOUSING COMMISSION (herein called the "Commission") and THE OHIO STATE UNIVERSITY and its BOARD OF TRUSTEES (herein sometimes collectively called the "University"), this 10th day of December, 1964.

WHEREAS, pursuant to Section 3347.03 of the Revised Code of Ohio the Commission has authority to erect, remodel, improve and equip buildings for suitable housing, dormitory, dining hall, and recreational accommodations for students, instructors, members of the faculty, the administration and maintenance staff of the University, and such buildings may be constructed by the Commission on State lands at the University upon the consent of the Board of Trustees of the University; and

WHEREAS, for the use, benefit and support of the University, and to alleviate the shortage of housing for University students and to provide housing for them in close proximity to classroom facilities in order to better assimilate them into the academic life of the University, encourage use of libraries and other campus facilities and permit the better regulation of activities consistent with the educational objectives of the University, the Commission proposes to construct and equip two buildings to provide dormitory housing, dining and appurtenant facilities for approximately 3,840 students at the University and improve the site of such buildings (all being herein called the "Project"), in accordance with plans and specifications prepared by Schooley Cornelius Schooley, Architects Engineers, which have been submitted to and are on file with the Commission and the University (herein called the "Plans"), and which buildings the Commission proposes to construct on a site on the campus of the University, being the State land described in Exhibit A hereto (herein called the "Premises"); and
December 10, 1964 meeting, Board of Trustees

Agreement - The Ohio State University Housing Commission and The Ohio State University (continued)

WHEREAS, the Commission has requested that the Board of Trustees of the University consent to the construction of the Project on said Premises; and

WHEREAS, in order to provide funds to pay the cost of construction and development of the Project, the Commission proposes to issue and deliver certain dormitory revenue bonds (herein called the "Bonds") to be issued pursuant to the provisions of Section 3347.04 of the Ohio Revised Code, to be secured by a pledge of the revenues of the Project, and to be in adequate principal amount to finance the construction and development of the Project, including complete furnishing thereof, which is presently estimated to be $15,000,000; and

WHEREAS, the Board of Trustees of the University has determined that to provide for the more adequate housing of the students at the University, and with the objectives aforesaid, it is necessary that the Project be constructed promptly on the campus of the University at the site herein described as the Premises, that the financing, construction and operation of the Project by the Commission is necessary for the early accomplishment of that objective, and accordingly, has determined that the consent requested by the Commission should be given subject to the terms and conditions of this Agreement.

NOW, THEREFORE, it is agreed by the parties hereto as follows:

1. The University does hereby consent that the Commission may construct, equip, furnish, improve the site for, otherwise develop, maintain, repair and operate the Project on the Premises, and that such consent shall be irrevocable so long as any of the Bonds are outstanding and unpaid without such payment having been duly provided for.

2. The Commission shall proceed promptly to take all steps necessary to finance the Project and place it under construction so that construction may be commenced and the Project may be completed and ready for occupancy at the earliest practicable date, now estimated to be September 1, 1966.
3. The Project shall at all times be operated and used by the Commission exclusively for providing housing, dining and appurtenant facilities for the students of the University, and also for such proctors, supervisors or staff personnel as may be necessary or desirable for the operation and maintenance of the Project.

4. Until termination of this Agreement pursuant to the provision of paragraph 7 hereof, and subject to the terms thereof, the Commission shall pay from the proceeds of the Bonds, the revenues of the Project and other funds of the Commission lawfully available therefor, all costs, expenses, charges, fees, fines, penalties and other payments of any kind required, imposed, assessed or contracted in connection with the construction, equipping, furnishing, development, maintenance, repair, operation or occupancy of the Project and the Premises, and does hereby indemnify and agree to save the University harmless against any such payment and against any claim, cause of action, demand, charge or lien arising out of the construction, equipping, furnishing, development, maintenance, repair, operation or occupancy of the Project or the Premises.

5. So long as any of the Bonds remain outstanding and unpaid, without provision for such payment duly provided for, the University shall adopt and maintain parietal rules providing for assignment of students to residency in and use of the Project, with the objective of providing full occupancy and use of the Project; subject, however, to present and future covenants of the University, pertaining to occupancy or use of facilities owned or under control of the University, made by the University for the benefit of the holders or owners of bonds of the University heretofore or hereafter issued pursuant to Sections 3345.07 and 3345.11 of the Revised Code of Ohio, or any amendment thereto or superceding provision. Such agreement of the University for assignment of students to the Project may, upon request of the Commission and upon further approval by the Board of Trustees of

the University, be made to extend equally to other buildings of the Commission on
or near the campus of the University operated by the Commission pursuant to
Chapter 3347 of the Revised Code of Ohio.

6. The agreement of the University provided in paragraph 5 above shall be
subject to the condition that the rates and charges fixed by the Commission for
the occupancy and use of the Project by the students of the University shall not
be in excess of those reasonably required to meet the ordinary and necessary cost
and expense of operation and maintenance of the Project, extraordinary repairs
and replacements pertaining thereto, the payment of principal and interest on the
Bonds and the making of such additional expenditures or deposits as may be
required by the terms and provisions securing the Bonds.

7. This Agreement shall be irrevocable, and shall not be modified in any
manner as would impair the ability of the Commission to pay the principal of and
interest on the Bonds, so long as any of the Bonds or coupons thereto pertaining
shall remain outstanding and unpaid, without provision for such payment duly pro-
vided for. When the Bonds and coupons thereto have been duly paid or provision
therefor duly made, the Commission shall, by proper instrument, convey the
Project to the State of Ohio for the benefit of the University, in accordance with
Ohio Revised Code Section 3347.08. Upon such conveyance, all equipment, furni-
ture, furnishings and supplies and all cash balances, accounts receivable and
other intangibles pertaining to the Project, except such amounts as shall be
necessary to fully discharge the Commission's obligations under the Bonds and
instruments pertaining thereto, shall vest in and be transferred to the University
and all accounts payable, incurred in the normal course of business by the Com-
mmission for such equipment, furniture, furnishings and supplies and in connection
with the operation, maintenance and repair of the Project and the Premises shall

be assumed by the University but shall be payable only out of the aforesaid cash balances, collections of said accounts receivable and proceeds of such other intangibles and otherwise only from funds of the University lawfully available therefor. Upon such conveyance and transfers being made, this Agreement shall terminate. The Commission shall at all times promptly discharge all obligations and duties required of it pursuant to the terms of the Bonds and any other instruments securing the same.

8. The duties and obligations of the Commission and of the University herein provided are hereby established as duties specifically enjoined upon them and their officers by law and result from their respective offices, trusts, and stations within the meaning of Section 2731.01 of the Revised Code of Ohio.

IN WITNESS WHEREOF the parties hereto have executed this Agreement through their duly authorized officers as of the day and year first above written.

XII. REPORTS (continued)

A. Reports from the Finance and Investment Committee (continued)

2. Sale of Property - 79 North High Street and 102 East Main Street

Mr. Jones, a member of the Finance and Investment Committee, presented the following recommendations and moved that they be approved:

Under the Last Will and Testament of Howard B. Monett, deceased, The Huntington National Bank of Columbus, Ohio, Trustee, has transferred to The Ohio State University by Trustee's Deed dated June 1, 1964, two parcels of real estate located at 79 North High Street and 102 East Main Street, Columbus, Ohio. This property is presently being held in the University's Investment Portfolio. It is recommended that the Vice President for Business and Finance be authorized to sell the property, with the proceeds of the sale to be used for medical research at the College of Medicine of The Ohio State University as prescribed under the Last Will and Testament of Howard B. Monett.

It is further recommended that the Vice President for Business and Finance be authorized to publicly advertise these properties and accept bids for a period of not less than 30 nor more than 90 days, and that the sale of each of the properties shall be made to the bidder submitting the highest and best bid on a net cash basis, as determined by the Vice President for Business and Finance, who hereby is authorized to reject any and all bids, and whose basis for determining lowest acceptable price shall be the fair market value as provided by an impartial, qualified real estate appraisal firm.

Be it further recommended that the President and Treasurer are hereby authorized and empowered to execute deeds transferring the land to the acceptable bidder(s) with the net proceeds of the sales to be deposited in the University's Investment Portfolio.

Following a second of Mr. Jones' motion by Mr. France, the above recommendations were approved by unanimous roll call vote.

3. Easement - The Columbia Gas of Ohio, Inc.

Mr. Jones, a member of the Finance and Investment Committee, presented the following recommendation and moved that it be approved.

The Columbia Gas of Ohio, Inc., has requested a 10-foot easement for construction of a four-inch gas line on lands held in the Investment Portfolio. The line will be parallel and adjacent to the south right-of-way line of Route 161 to serve the new Ohio National Guard Armory. The University will have the right to gas service from the gas line.

It is recommended that the Vice President for Business and Finance be authorized to execute a gas line right-of-way easement with the Columbia Gas of Ohio, Inc., on behalf of the Board of Trustees.

Following a second of Mr. Jones' motion by Mr. Davis, the above recommendation was approved by unanimous roll call vote.

4. Report on the University's Investment Portfolio

The report on the status of the University's Investment Portfolio dated November 30, 1964, as submitted to the Finance and Investment Committee of the Board of Trustees, was received and ordered to be filed with the official records of the Board. The report included: (1) approval of the recommendation that an amount not to exceed $750,000.00 be invested in certain real property in the Don Scott Field area with the understanding that specific actions for purchase of certain said property will be submitted to the Board of Trustees for final approval, and (2) approval of the recommendation authorizing the investment of certain University funds in short-term notes of leading corporations with prime credit ratings as approved by the Finance and Investment Committee of the Board of Trustees.

B. Report on a Resolution by the Ohio Board of Regents Commending The Ohio State University for Plans to Construct Facilities for Continuing Education

The President reported that the Ohio Board of Regents at its regular meeting on November 13, 1964, adopted by unanimous vote a resolution commending the action taken by the Board of Trustees of The Ohio State University authorizing the construction of the "Center for Tomorrow," which will include facilities for Continuing Education, Telecommunications, and Education in National Security. The said resolution reads as follows:

WHEREAS the Board of Trustees of The Ohio State University on October 9, 1964, has approved the plans to construct a Continuing Education Center on the University campus, and

WHEREAS the new Center will provide much needed facilities for the continuing education program of The Ohio State University especially in various graduate and professional fields of higher education, now therefore

BE IT RESOLVED: that the Ohio Board of Regents hereby expresses its commendation to the Board of Trustees of The Ohio State University and to the officers and faculty of the University for this action, and hereby extends its best wishes for the successful development of this facility and for the important programs which this facility will advance.

Upon motion of Mr. Loop, seconded by Mr. Ketterer, the above report was received and ordered to be included in the minutes of this meeting.

The Board of Trustees met at its regular monthly meeting on Thursday, January 14, 1965, at The Ohio State University, Columbus, Ohio, pursuant to adjournment.

Present: Smith L. Rairdon, Chairman, Alan B. Loop, Jacob E. Davis, Stanley C. Allyn, John W. Bricker, Carlton S. Dargusch, John G. Ketterer, Frederick E. Jones, and Mervin B. France.

Minutes of the last meeting were approved.
The Chairman, Mr. Rairdon, announced that President Fawcett was admitted to University Hospital on Wednesday, January 13, for treatment of a severe upper respiratory infection. He advised that reports from the Hospital indicate that the President is responding favorably to treatment and is expected to be completely recovered in a short time. In President Fawcett's absence, Vice President Weaver will present those recommendations related to the instructional program of the University and Vice President Carson will present those recommendations related to the business operation of the University.

Vice President Weaver presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Definition of Named Chairs and Professorships and Establishment of the "Everett D. Reese Professorship of Banking and Economics" and the "James R. Riley Professorship of Transportation and Business Logistics"

One of the major projects of the Presidents Club of The Ohio State University is the securing of funds to enable the University to enhance its goal for establishing named chairs and professorships. A "named chair" is a position to which a distinguished scholar and/or researcher from within or without the faculty of the University will receive a continuing appointment. The salary for the incumbent of a "named chair" will be fully underwritten by income in perpetuity from endowment funds. A "named professor" is a position to which a distinguished scholar and/or researcher from within or without the faculty of the University will be appointed for a designated period and will be supported for said period in part by endowment funds or gifts. In order to establish a named professorship for any year, an amount no less than $5,000.00 in endowment income or gifts in support of the salary of the "named professor" for that year must be guaranteed. It should be noted that a "named professor" may also be fully supported by gifts on a year-to-year basis.

By previous action, the Board of Trustees has established: The Charles Austin Doan Chair of Medicine, The Robert M. Zollinger Chair of Surgery, the Julius F. Stone Professorship, the Ralph D. Mershon Professorship, and the Battelle Professorship in Metallurgy.

It is with great pleasure that it is now announced that the University has received two generous gifts which will provide sufficient funds for the establishment of two named professorships in the College of Commerce and Administration, and it is therefore recommended that the "Everett D. Reese Professorship of Banking and Economics" and the "James R. Riley Professorship of Transportation and Business Logistics" be established effective as of this date.
I. GENERAL RECOMMENDATIONS (continued)

A. Definition of Named Chairs and Professorships and Establishment of the "Everett D. Reese Professorship of Banking and Economics" and the "James R. Riley Professorship of Transportation and Business Logistics" (continued)

Each of the above-named professorships will enable the University to appoint nationally recognized distinguished scholars in the fields as indicated. The establishment of these professorships will materially assist the University in building faculty of distinction in critical areas of contemporary scholarship and policy analysis. Specifically, the person selected for the Everett D. Reese Professorship is expected to be a scholar in the areas of monetary economics, banking, and finance; and he will hold academic appointments in the Departments of Business Organization and Economics. The James R. Riley Professorship provides for the appointment of a scholar in the areas of transportation, physical supply, and physical distribution; and the incumbent will be appointed in the Department of Business Organization. The creation of the James R. Riley Professorship will also provide added support for the recently established doctoral specialty in business logistics.

Upon motion of Mr. Bricker, seconded by Mr. Davis, the Board of Trustees by unanimous roll call vote approved the establishment of the "Everett D. Reese Professorship of Banking and Economics" and the "James R. Riley Professorship of Transportation and Business Logistics."

B. Proposal to Establish New Degree Programs--Doctor of Philosophy in Linguistics, Master of Fine Arts, and Master of Music

The Faculty Council on December 8, 1964, upon the recommendation of the Council on Instruction approved for transmittal to the Board of Trustees and the Board of Regents the following recommendations:

1. That the Graduate School be authorized to grant the degree--Doctor of Philosophy in Linguistics.

Linguistics is an important discipline that contributes significantly to the instructional and research programs of related disciplines, such as anthropology, mathematics, philosophy, and psychology, which are especially concerned with the various aspects of languages. At the present time, The Ohio State University has the staff, students, library holdings, and research resources to offer a Ph.D. in Linguistics, and it has been designated by the other Big Ten universities and the University of Chicago (CIC universities) as the university well qualified to specialize in the development of linguistics. The proposal to offer a Ph.D. in Linguistics is an effort to comply with this designation and to maintain a position of distinction in linguistics among the major universities of this Nation.
January 14, 1965 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

B. Proposal to Establish New Degree Programs—Doctor of Philosophy in Linguistics, Master of Fine Arts, and Master of Music (continued)

2. That the Graduate School be authorized to grant the degree—Master of Fine Arts.

The proposed Master of Fine Arts degree is planned for those graduate students desiring to study in studio fields of the School of Art, and it is specifically designed to provide: (a) professional competency in one major field of specialization—ceramics, graphics, painting, or sculpture; (b) competency in a related studio discipline within the School; (c) competency in one academic field within or outside the School. The introduction of the M.F.A. degree will serve to broaden and enhance the potential for professional training in these fields within the State of Ohio. The new program can be accomplished without the addition of physical facilities or staff.

3. That the Graduate School be authorized to grant the degree—Master of Music.

The Master of Music degree is planned for those graduate students who are professional musicians and college teachers who desire to develop a high degree of competency in performance, composition, and church music. The proposed degree parallels similar degree programs at other major universities and will provide necessary leadership in the graduate programs in musical performance in the State of Ohio. No expansion in facilities or staff is required for this new degree program.

It is therefore recommended that the above proposals for new degrees be approved by the Board of Trustees, and that pursuant to Section 3333, 04 Revised Code of Ohio that they be forwarded to the Ohio Board of Regents; and further, that subject to the approval of the Board of Regents that this action is to become effective Summer Quarter 1965.

Upon motion of Mr. France, seconded by Mr. Ketterer, the above recommendations were approved by unanimous roll call vote.

C. Transfer of Department of Occupational Therapy from the College of Education to the College of Medicine

The Council on Instruction and the Faculty Council have approved the requests of the Colleges of Education and Medicine to transfer the Department of Occupational Therapy and its program from the College of Education to the College of Medicine. This transfer is designed to bring into the College of Medicine the degree programs and departments directly related to the health sciences.
C. Transfer of Department of Occupational Therapy from the College of Education to the College of Medicine (continued)

It is therefore recommended that effective July 1, 1965, the Department of Occupational Therapy and its degree program be transferred to the College of Medicine for administrative purposes.

Upon motion of Mr. Davis, seconded by Mr. Allyn, the Board of Trustees by unanimous roll call vote approved the transfer of the Department of Occupational Therapy from the College of Education to the College of Medicine.

D. Change in Procedure for Payment of Fees for Third- and Fourth-Year Medical Students

To improve the instructional program for the students enrolled in the College of Medicine, the faculty of the College of Medicine with the approval of the Council on Instruction, has recommended a year-round program of courses for third- and fourth-year medical students, beginning with the third-year students Summer Quarter 1965.

It is therefore recommended that the student fees for third- and fourth-year medical students on this new program ($735 for resident students and $1,230 for non-resident students) be assessed on an annual basis rather than a quarterly basis, payable in two installments, June 15 and December 15.

Upon motion of Mr. Allyn, seconded by Mr. Ketterer, the Board of Trustees approved the above recommendation by a unanimous roll call vote.

E. Authorization to Become a Member of the Non-Profit Governing Board of the Argonne National Laboratory

For a number of years The Ohio State University has been an active participant in two midwestern organizations concerned with the university scientific service functions of Argonne National Laboratory and high-energy physics programs; these two groups are AMU (Associated Midwest Universities) and MURA (Midwestern Universities Research Association).

At the present time, the major midwestern universities are entering into an agreement to form a non-profit corporation to formulate and review the laboratory policies and programs of Argonne Laboratory and to open to the scientists of the midwest sophisticated laboratory resources beyond the reach of any single institution. This new corporation will hopefully replace the service function of the other two groups and achieve a scientific posture in the midwest region that will not only increase our existing strength but will also aid in the recruitment of scientists and the retaining of distinguished people now engaged in work in this area. The Ohio State University, as a leading university in the midwest, has been invited to be a sponsoring member of this new governing body. A condition, as of most such associations, is an annual assessment for the operation of the organization.
January 14, 1965 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

E. Authorization to Become a Member of the Non-Profit Governing Board of the Argonne National Laboratory (continued)

It is recommended that the President be authorized to notify the organizing board of the non-profit corporation of Argonne Laboratory that The Ohio State University accepts the invitation to become a member of this sponsoring group and, for its share of the assessment for operation, will allocate a sum of $10,000.00, which may be increased up to but not to exceed $25,000.00, from the University Treasurer Research Subaccount (f) fund for this membership assessment, if and when requested and needed.

Upon motion of Mr. France, seconded by Mr. Davis, the above recommendation was approved by unanimous roll call vote.

F. Modifications of Campus Master Plan

The Board of Trustees on February 16, 1962, adopted a master plan for the future development of the campus by approving the "Report of the President on the 'Campus Planning Study--Phase II.'" This plan was later modified at the May 18, 1962 and July 17, 1964 meetings of the Board of Trustees.

At the time of adopting the master plan, the Board of Trustees anticipated the need for modification from time to time and established certain principles and concepts to govern such modifications.

This revised map incorporates the results of a restudy of the North Neil Avenue area by the Office of Campus Planning and shows correct locations and configurations of residence halls to be constructed southwest of the Stadium. All of the changes are consistent with principles and concepts approved on February 16, 1962.

It is recommended that the Board of Trustees now approve the master plan changes as depicted on the attached map, that all previous actions of the Board of Trustees with respect to the master plan and not contrary to the attached map be reaffirmed, and that a copy of the attached map be filed by the Secretary with the "Campus Master Planning Study--Phase II" report submitted on December 12, 1961.

Upon motion of Mr. Davis, seconded by Mr. France, the above recommendation was approved by unanimous roll call vote.

G. Demolition of Buildings

The Board of Trustees on November 10, 1961, granted authority to demolish buildings on newly acquired land to clear sites for the new residence halls and related facilities north of Woodruff Avenue. Similar action was taken on July 17, 1964, with respect to clearance of the site for the expansion of the College of Medicine facilities. In each instance, the Board specified that the demolition of each structure was to be scheduled at the discretion of the Vice President for Business and Finance, subject to approval by Cabinet.
January 14, 1965 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

G. Demolition of Buildings (continued)

The master plan for campus development provides for limited land acquisition in other areas for specified purposes, and in one instance (the Campus Loop Road) the General Assembly has appropriated money which can be used for right-of-way acquisition. The structures on all lands to be acquired under the master plan are of such nature that they must be demolished to clear the land for its intended University use. In some instances, however, some brief interim use of structures may be of advantage to the University. Thus, the exact timing of any given demolition depends upon administrative judgment.

It is now recommended that authority be granted to demolish any and all structures on lands acquired by the University in the implementation of its master plan, with the demolition in each case to be scheduled by the Vice President for Business and Finance, subject to Cabinet approval.

Upon motion of Mr. Davis, seconded by Mr. Ketterer, the above recommendation was approved by unanimous roll call vote.

II. PERSONNEL CHANGES

It is recommended that all personnel changes since the December 10, 1964 meeting of the Board, as recorded in the official "Salary Roll" of the University, be approved by the Board. These changes include the following Appointments, Leave of Absence With Salary, Leaves of Absence Without Salary, and Emeritus Titles:

A. Appointments

Ian Gregory, Professor and Chairman, Department of Psychiatry, effective April 1, 1965, at a salary of $24,168.00 per annum.

Naurine R. Higgins, Professor and Assistant Director for Home Economics in the Cooperative Extension Service and Professor in the School of Home Economics, effective June 1, 1965, at a salary of $15,168.00 per annum.

Larry Catuzzi, Assistant Football Coach, Department of Athletics, effective February 1, 1965, at a salary of $10,968.00 per annum.
January 14, 1965 meeting, Board of Trustees

II. PERSONNEL CHANGES (continued)

B. Leave of Absence With Salary

In accordance with the policy approved by the Board of Trustees on April 12, 1954, the following-named person is recommended for Leave of Absence With Salary from the Cooperative Extension Service for the period indicated:

T. Roy Bogle, Instructor (County Extension Agent, 4-H)
Coshocton County, January 1, 1965 through March 15, 1965, to participate in a program of professional improvement at The Ohio State University.

C. Leaves of Absence Without Salary

Byron L. Bondurant, Professor, Agricultural Engineering, January 1, 1965 through December 31, 1965, to serve as a consultant at the Punjab Agricultural University in India under the Ford Foundation grant.

John G. Daunt, Professor, Physics, January 1, 1965 through September 30, 1965, to accept a Visiting Professorship at Columbia University.

Ralph W. Sherman, Professor (part time - 46%), Agricultural Economics and Rural Sociology, February 1, 1965 through May 31, 1965, to conduct a study in Costa Rica for the Weitz-Hettelsater Co., Kansas City, Missouri.

Ilse Lehiste, Associate Professor, Slavic Languages and Literatures, April 1, 1965 through June 30, 1965, to accept a Visiting Professorship at the University of Cologne and to attend the International Congress of Finno-Ugricists in Finland.

Daniel I. Padberg, Assistant Professor (part time - 54%), Agricultural Economics and Rural Sociology, February 1, 1965 through June 30, 1965, to conduct a study for the National Commission on Food Marketing, Washington, D. C.

Louis W. Stern, Assistant Professor, Business Organization, January 1, 1965 through September 30, 1965, to accept a position with the National Commission on Food Marketing as a staff economist.

Fred K. Buscher, Instructor (Area Extension Agent, Horticulture), Cooperative Extension Service, effective February 1, 1965 through March 15, 1965, to participate in a program of professional improvement at The Ohio State University.

Margaret A. Goode, Instructor, School of Nursing, January 1, 1965 through March 31, 1965, due to ill health.
II. PERSONNEL CHANGES (continued)

D. Emeritus Titles

Wendell D. Postle, College of Dentistry, with the title Dean Emeritus, effective January 1, 1965.

Ralph B. Neiswander, Zoology and Entomology, with the title Professor Emeritus, effective January 1, 1965.

George B. Ganyard, Cooperative Extension Service, with the title Instructor (County Extension Agent, Agriculture) Emeritus, effective February 1, 1965.

Upon motion of Mr. Loop, seconded by Mr. Bricker, the Appointments, Leave of Absence With Salary, Leave of Absence Without Salary, Emeritus Titles, and the personnel budget actions as recorded in the official "Salary Roll" of the University were approved unanimously by roll call vote, and the Secretary was instructed to file these changes in the "Salary Roll" with the official documents of the University.

III. GENERAL CONTRACTS AND AGREEMENTS

A. The Ohio State University and The Ohio State University Research Foundation

In accordance with the Memorandum of Agreement between The Ohio State University and The Ohio State University Research Foundation approved by this Board on September 5, 1950, it is recommended that the research agreements for the following projects administered through the Research Foundation be approved and recorded in the minutes of this meeting.

1. Government Contracts - Federal

   a. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for Mosquito Studies (to be known as National Institutes of Health Project No. 702 - Ext. #8 - Department of Zoology and Entomology). Gross Value - $22,212.00.

   b. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Phospholipide Metabolism in Relation to Cell Division (to be known as National Institutes of Health Project No. 911 - Grant Rev. 12/17/64 - Institute of Nutrition and Food Technology). Gross Value - $790.00.
January 14, 1965 meeting, Board of Trustees

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

   c. Department of Health, Education and Welfare, Bureau of State Services, Washington, D.C., for an Investigation of Significance of Spore-Forming Microorganisms in Milk (to be known as Bureau of State Services Project No. 1046 - Ext. #5 - Department of Dairy Technology).  
      Gross Value - $14,315.00.

   d. Department of Navy, Office of Naval Research, Washington, D.C., for Conducting a Course of Instruction in Navy Price Analysis (to be known as Office of Naval Research Project No. 1086 - Amend. #10 - Defense Management Center).  
      Gross Value - $48,829.00.

   e. National Aeronautics and Space Administration, Washington, D.C., for an Investigation of Receiver Techniques and Detectors for Use at Millimeter and Submillimeter Wave Lengths (to be known as National Aeronautics and Space Administration Project No. 1093 - Sup. #4 - Department of Electrical Engineering).  
      Gross Value - $75,000.00.

   f. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of the Biochemical Role of the Essential Fatty Acids (to be known as National Institutes of Health Project No. 1218 - Ext. #4 - Institute of Nutrition and Food Technology).  
      Gross Value - $19,884.00.

   g. Department of Navy, Office of Naval Research, Washington, D.C., for Initiation of Basic Research on the Processes of Crystal Growth and Dissolution (to be known as Office of Naval Research Project No. 1386 - Amend. #6 - Department of Metallurgical Engineering).  
      Gross Value - $25,000.00.

      Gross Value - $41,533.00.

   i. Department of Navy, Office of Naval Research, Washington, D.C., for Research on Mandarin Phonology (to be known as Office of Naval Research Project No. 1465 - Amend. #7 - College of Arts and Sciences - Linguistics Division).  
      Gross Value - $13,896.00.
January 14, 1965 meeting, Board of Trustees

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

j. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Mechanism of Thyroid Hormone Action (to be known as National Institutes of Health Project No. 1516 - Sup. #1 - Department of Agricultural Biochemistry),
Gross Value - $3,399.00.

k. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for Genetic Analysis of Foulbrood Resistance (to be known as National Institutes of Health Project No. 1572 - Ext. #2 - Department of Zoology and Entomology),
Gross Value - $18,783.00.

l. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Postmortem Survival of Fetal Liver (to be known as National Institutes of Health Project No. 1578 - Ext. #2 - Children's Hospital),
Gross Value - $26,811.00.

m. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Respiratory Regulation of Heart Rate (to be known as National Institutes of Health Project No. 1591 - Ext. #2 - Department of Physiology),
Gross Value - $10,749.00.

n. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Pharmacologic Effects Upon Single Nerve Cell Systems (to be known as National Institutes of Health Project No. 1626 - Ext. #2 - Department of Psychiatry),
Gross Value - $17,958.00.

o. National Science Foundation, Washington, D. C., for Research in Radio Astronomy (to be known as National Science Foundation Project No. 1907 - New - Department of Electrical Engineering),
Gross Value - $102,000.00.

p. Systems Engineering Group, Research and Technology Division, Wright-Patterson Air Force Base, Ohio, for Research on Man-Machine Systems (to be known as Systems Engineering Group, Research and Technology Division Project No. 1933 - New - Department of Psychology),
Gross Value - $250,000.00.
III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

r. Aerospace Medical Division, AFSC, Brooks Air Force Base, Texas, for an Investigation of Mechanisms of Hyperventilation CO₂ Transients During Recovery from Hyperventilation (to be known as Aerospace Medical Division Project No. 1938 - New - Department of Medicine). Gross Value - $24,998.00.

s. Systems Engineering Group, Research and Technology Division, Wright-Patterson Air Force Base, Ohio, for Research and Development of Aerospace Environmental Physiological Stresses (to be known as Systems Engineering Group, Research and Technology Division Project No. 1940 - New - Department of Preventive Medicine). Gross Value - $7,500.00.

t. Systems Engineering Group, Research and Technology Division, Wright-Patterson Air Force Base, Ohio, for A Research Study at Flight Enthalpies in the Range of Velocity from 10,000 to 60,000 Feet Per Second (to be known as Systems Engineering Group, Research and Technology Division Project No. 1941 - New - Department of Aeronautical and Astronautical Engineering). Gross Value - $108,000.00.

u. National Science Foundation, Washington, D. C., for an Investigation of Problems in Ergodic Theory (to be known as National Science Foundation Project No. 1942 - New - Department of Mathematics). Gross Value - $18,600.00.

January 14, 1965 meeting, Board of Trustees

III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

   TOTAL - Government Contracts - Federal $956,950.00

2. Industrial and Other Contracts

   a. The Regents of the University of Wisconsin, Madison, Wisconsin, for Drug Evaluation Program of the CCNSC in the Central Region, USA (to be known as The Regents of the University of Wisconsin Project No. 1395 - Ck. #179633 - Department of Surgery). Gross Value - $1,080.00.

   b. Sundstrand Aviation-Denver, Division of Sundstrand Corporation, 2480 West 70th Avenue, Denver, Colorado, for Photogrammetric Measurements on a Solar Collector (to be known as Division of Sundstrand Corporation Project No. 1867 - Rev. #2 - Department of Geodetic Science). Gross Value - $2,526.00.

   c. Kennecott Copper Corporation, Ledgemont Laboratory, Lexington, Massachusetts, for an Investigation of Oxidation of Niobium-Zirconium-Rhenium Alloys (to be known as Kennecott Copper Corporation Project No. 1939 - New - Department of Metallurgical Engineering). Gross Value - $5,000.00.

   TOTAL - Industrial and Other Contracts $11,606.00

The foregoing twenty-seven contracts for research in cooperation with Government, Industry and Other represent a gross income of $968,556.00.

Upon motion of Mr. Davis, seconded by Mr. France, the research agreements between The Ohio State University and The Ohio State University Research Foundation for the above contracts were approved unanimously.
B. The Report of the Research Contracts 
from the Engineering Experiment Station

During the period from December 1, 1964 through December 31, 1964, the Engineering Experiment Station of The Ohio State University entered into the following research contracts. These research contracts are reported to the Board of Trustees for information and record.

1. **Government Research Contract**

   - **EES 220**
   - Ext. #3
   - Development of Sonic and Ultrasonic Power Devices for Application in Highway Engineering, Ohio Department of Highways, Columbus, Ohio, Bureau of Public Roads, Washington, D. C.
   - Gross Value: $148,800.00.

2. **Industrial Research Contract**

   - **EES 230**
   - Ext. #1
   - Suitability and Potential Uses of Locally Produced Fly Ash as an Admixture in Portland Cement Concrete, The Ohio Electric Utility Institute, Columbus, Ohio.
   - Gross Value: $20,000.00.

The foregoing two contracts for research in the Engineering Experiment Station represent a gross income of $168,800.00.

C. **Agency for International Development--Contracts for Agricultural Program in India**

Pursuant to the authority of the Board of Trustees, The Ohio State University has been under contract with the U. S. Department of State (Agency for International Development) since September 12, 1955, to assist with the development of a program of agricultural education and research in India. During this nine-year period, members of the faculty and administration of this University have provided the technical advice and counsel which has led to the establishment of the University of Udaipur and the Punjab Agricultural University. The Ohio State University has been requested to assist in the continuing development of the above two universities through the execution of separate contracts applicable for each of the two universities which provide for the full reimbursement to the University for all direct and indirect costs incurred by the University for this project.

It is therefore recommended that the President be authorized to sign two new contracts with the Agency for International Development to render the services indicated above (No. AID/nessa-147--Punjab and No. AID/nessa-148--Udaipur).

Upon motion of Mr. Davis, seconded by Mr. Allyn, the Board of Trustees by unanimous roll call vote authorized the President to sign the contracts between The Ohio State University and the Agency for International Development for technical assistance to the University of Udaipur and the Punjab Agricultural University.
IV. GRANTS AND GIFTS

The following grants and gifts to the University are among those received since December 10, 1964, and are hereby reported for the record. Appropriate expressions of appreciation have been conveyed to the donors.

A. Administered Through the Office of Business and Finance

1. $28,955.00 granted by the National Science Foundation to the University for support of a "Secondary Science Training Program" under the direction of Dr. Arnold E. Ross, Department of Mathematics. This grant terminates October 31, 1965. (GE-7665)

2. $20,980.00 granted by the National Science Foundation to the University for support of "Advanced Science Seminar in Experimental Techniques in High-Speed Aero and Gasdynamics" under the direction of Professor E. S. Fishburne, Department of Aeronautical and Astronautical Engineering. This grant terminates September 30, 1965. (GE-7778)

3. $18,380.00 granted by the National Science Foundation to the University for support of a "Secondary Science Training Program" under the direction of Professor Paul T. Yarrington, College of Engineering. This grant terminates October 31, 1965. (GE-7371)

TOTAL - Through the Office of Business and Finance $68,315.00

B. Received Through the Development Fund

1. $25,444.13 in securities from Nelle Stratton Davis (Mrs. Lewis J.), Galion, Ohio, for the Lewis J. Davis and Nelle Stratton Davis Fund. These securities were added to the University Treasurer Endowment.

Lewis J. Davis and Nelle Stratton Davis Fund

The Lewis J. Davis and Nelle Stratton Davis Fund was established December 7, 1964, by a gift from Nelle Stratton Davis in memory of her late husband, Lewis J. Davis.

The principal is to be invested in accordance with rules and regulations adopted by the Board of Trustees of The Ohio State University, with right to invest and reinvest as occasion dictates.

The income is to be used for any appropriate purpose as recommended by the Chairman of the Department of Business Organization with the concurrence of the Dean of the College of Commerce and Administration.

In the event that the College of Commerce and Administration and the Department of Business Organization as they now exist shall be altered in any reorganization of University colleges, schools, and departments, the Board of Trustees or successor governing body of the University shall direct use of the income for purposes as nearly akin as possible to the original purpose herein stated, as recommended by the appropriate administrative officials of the University then directly responsible for education in the area originally contemplated in establishing this Fund.
January 14, 1965 meeting, Board of Trustees

IV. GRANTS AND GIFTS (continued)

B. Received Through the Development Fund (continued)

2. $22,834.00 from the General Motors Company, Detroit, Michigan, for the General Motors Scholarship Fund.

3. $22,650.00 in securities from Everett D. Reese, Columbus, Ohio, for support of the Everett D. Reese Professorship in Banking and Economics. These securities were added to the University Treasurer Endowment.

4. $20,000.00 by a bequest under the Will of Charles E. Shanely, deceased, for the Charles E. Shanely Scholarship Fund.

Charles E. Shanely Scholarship Fund

The Charles E. Shanely Scholarship Fund was established December 3, 1964, by a bequest in the Last Will and Testament of Charles E. Shanely, B.A. '29.

The principal is to be invested according to rules and regulations adopted by the Board of Trustees of The Ohio State University, with right to invest and reinvest as occasion dictates.

The income is to be used for scholarships for needy students, the stipends to be paid directly to said students.

In case the need for such scholarships ceases to exist or so diminishes as to create unused income, then said Board of Trustees may use said income for any appropriate University purpose in its discretion.

5. $10,576.04 from Crocker-Citizens National Bank, San Francisco, California, representing a partial payment of a bequest under the Will of Mona Fay Gee, B.Ph. '97, for the Eugene C. Gee and Mona Fay Gee Memorial Fund.

Eugene C. Gee and Mona Fay Gee Memorial Fund

The Eugene C. Gee and Mona Fay Gee Memorial Fund was established December 1, 1964, by a bequest from Mona Fay Gee, B.Ph. '97, in memory of her deceased husband, Eugene C. Gee, M.E. in E.E. '97, herself and her father and mother, Dr. David C. Fay and Mrs. Mary A. Fay.

The principal is to be invested under rules and regulations adopted by the Board of Trustees of The Ohio State University, with right to invest and reinvest as occasion dictates.

The income is to be used for the purposes specified in paragraphs (a) and (b), as follows:
January 14, 1965 meeting, Board of Trustees

IV.GRANTS AND GIFTS (continued)

B. Received Through the Development Fund (continued)

5. Eugene C. Gee and Mona Fay Gee Memorial Fund (continued)

(a) Two-thirds (2/3) of the income from said memorial fund shall be used for the establishment, support, and maintenance of one or more scholarships in the Department of Electrical Engineering of The Ohio State University, Columbus, Ohio, as the Board of Trustees of The Ohio State University may designate from time to time. Each scholarship so established shall be known as the "Eugene C. Gee and Mona Fay Gee Scholarship" (in memory of my now deceased husband, Eugene C. Gee, and myself), and shall be filled from time to time by a student in the Department of Electrical Engineering of The Ohio State University who shall be selected by the Board of Trustees of The Ohio State University and who shall hold said scholarship upon such conditions as the Board of Trustees of The Ohio State University may prescribe.

(b) One-third (1/3) of the income from said memorial fund shall be used for the establishment, support, and maintenance of one or more scholarships in the College of Medicine at The Ohio State University, Columbus, Ohio, as the Board of Trustees of The Ohio State University may designate from time to time. Each scholarship so established shall be known as the "Dr. David C. Fay and Mrs. Mary A. Fay Scholarship" (in memory of my father and mother, Dr. David C. Fay and Mrs. Mary A. Fay), and shall be filled from time to time by a student in said College of Medicine of The Ohio State University who shall be selected by the Board of Trustees of The Ohio State University and who shall hold said scholarship upon such conditions as the Board of Trustees of The Ohio State University may prescribe.

Should the need for scholarships as provided herein cease to exist or so diminish as to create unused income, then the Board of Trustees of The Ohio State University may use said income in its discretion, for any purpose whatsoever; preference, however, to be given to items in the field of electrical engineering or medicine.

V. APPROPRIATIONS AND TRANSFER OF FUNDS

A. Appropriation for Purchase of Chemical Abstracts Building

At the request of the Vice President for Business and Finance and with the concurrence of the Vice President for Research, it is recommended that $244,000.00 be appropriated from the University Treasurer Research Subaccount (f) for the first payment to the American Chemical Society for the Chemical Abstracts Building.

Upon motion of Mr. France, seconded by Mr. Ketterer, the above recommendation for appropriation of funds was approved by unanimous roll call vote.
January 14, 1965 meeting, Board of Trustees

V. APPROPRIATIONS AND TRANSFER OF FUNDS (continued)

B. Appropriation for the Completion of the Research Facility Under the Stadium

At the request of the Vice President for Research and with the concurrence of the Vice President for Business and Finance, it is recommended that a sum not to exceed $120,000.00 be appropriated from the University Treasurer Research Subaccount (b) to construct the second floor on the research facility under the stadium.

Upon motion of Mr. Bricker, seconded by Mr. Loop, the above recommendation for appropriation of funds was approved by unanimous roll call vote.

C. Appropriation for Purchase of Research Equipment

At the request of the Vice President for Research and with the concurrence of the Vice President for Business and Finance, it is recommended that a sum of $12,000.00 be appropriated from the University Treasurer Research Subaccount (f) to supplement a grant of $17,193.00 from the Atomic Energy Commission to purchase a Time-of-Flight Spectrometer for Dr. Richard Firestone, Professor of Chemistry.

Upon motion of Mr. Allyn, seconded by Mr. Ketterer, the above recommendation for appropriation of funds was approved by unanimous roll call vote.

D. Appropriation for Planning Expansion of Library

At the request of the Vice President for Instruction and with the concurrence of the Vice President for Business and Finance, it is recommended that the sum of $7,200.00 be appropriated from the University Treasurer General Fund for the purpose of developing plans and specifications for the expansion of the University Library. The University urgently needs more library space for the increased numbers of students enrolled, and it is therefore imperative that the Vice President for Business and Finance be authorized to proceed immediately with architectural and engineering plans for adding another floor in the main reading room in the Main Library. The estimated cost of the project is $80,000.00 and the architectural cost is estimated at 8 per cent of this figure. Funding of the total project will depend on state appropriations.

Upon motion of Mr. Davis, seconded by Mr. Ketterer, the above recommendation for appropriation of funds was approved by unanimous roll call vote.

VII. PLANS AND SPECIFICATIONS

At the request of the Vice President for Business and Finance and with the concurrence of the Council on Business Affairs, it is recommended that the plans and specifications, bills of materials, and estimates of cost for the following projects be approved by the Board of Trustees:

A. Modernization of Elevators - Mack Hall

This project will improve the safety, security, and speed of the elevator operation in Mack Hall.

Funds will be provided from Dormitory Contract Repair and Replacement Fund.

B. University Airport Heating Plant

This project is for the installation of a boiler to improve the capacity of the University Airport Heating Plant.

Funds will be provided from the Maintenance Account, H. B. 711.

C. Repairs to Plaza and Sidewalk Along the South Side of the Administration Building

This project includes the replacement of the plaza, walks, and curbs.

Funds will be provided from the Maintenance Account, H. B. 711.

D. Materials Engineering and Science Building

This project is a six-story addition to the Metallurgy and Mineralogy Laboratory and includes the remodeling of the Chemical Abstracts Building for the use of the Departments of Metallurgical Engineering, Mineralogy, and Ceramic Engineering.

Funds for this project will be provided from Item 002, S. B. 370.

E. Dayton Branch, Science Building, Phase II

This project is a four-story building with an auditorium wing and includes classrooms, laboratories, and offices for the Science and Research Departments.

Funds for the project will be provided from Item 017, S. B. 370.

Upon motion of Mr. France, seconded by Mr. Davis, the above recommendation was approved by unanimous roll call vote, and the Secretary was authorized and directed to sign the plans and specifications for the above projects for and on behalf of the Board of Trustees. Vice President Carson was directed to proceed with a request for bids in the normal University manner and if satisfactory bids are received, to proceed with the award of contracts. All action regarding this matter will be reported to the Board of Trustees at a later meeting.
VIII. REPORT OF AWARD OF CONTRACTS

In accordance with authorization provided by the Board of Trustees, the contracts for the following projects have been recommended for award and the action is hereby reported to the Board.

IX. CONTROLLING BOARD APPROVALS

Each numbered approval shown below accomplished the following purpose:

126 Releases $8,230.00 to provide for the preparation of plans and specifications for the construction of Curl Drive in Item 006, S. B. 370.

129 Approves the expenditure of $21,000.00 from Item 811 (601) Hospital Rotary, H. B. 711, for the contracts and related expenses in connection with the project "Relocation of Mental Health Clinic to Upham Hall."

130 Approves the transfer of $250,000.00 from Item 315-013 Addition to Starling-Loving Hall to Item 315-016 College of Medicine - Plans, and releases $473,000.00 from Item 315-016 so that planning and construction may proceed on the project to provide additional capacity in the University's heating plant for the Medical Center.

131 Releases $685,260.00 from Item 315-004, S. B. 370, to provide for the contracts and related expenses for Dentistry Laboratories Addition.
X. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE

A. Employment of Engineers - Student Housing Building No. 11 (Jones Tower)

It is recommended that the firm of W. E. Monks be employed to provide complete professional engineering services for heating, ventilating, and air conditioning, plumbing, and electrical work for above project, including design, preparation of drawings, specifications, and estimate of cost, and complete field supervision of construction.

The fee for this service will be 2,125 per cent of the cost of the mechanical and electrical work or an estimated $23,885.00 with funds being provided from the Dormitory Construction Fund.

Upon motion of Mr. Bricker, seconded by Mr. Dargusch, the above recommendation was approved by unanimous roll call vote.

B. Employment of Engineers - Research Space - East Side of Stadium, Phase III

It is recommended that the engineering firm of W. E. Monks be employed to provide complete professional engineering services for heating, ventilating, and air conditioning, plumbing, and electrical work for above project, including design, preparation of drawings, specifications, and estimate of cost, and complete field supervision of construction.

The fee for this service will be 5 1/2 per cent of the cost of the mechanical and electrical work or an estimated $2,475.00 and will be funded from B/A 91020 Stadium Research Space.

Upon motion of Mr. Allyn, seconded by Mr. Loop, the above recommendation was approved by unanimous roll call vote.

C. Withdrawal from Dividend Reserve on Group Life Insurance

It is recommended that Vice President Carson be authorized to make application to John Hancock Mutual Life Insurance Company for the withdrawal of $80,000.00 from the dividend reserve account on Group Life Insurance Policy No. 1305-G in order to make expenditures for supplemental retirement benefits to our emeriti in accordance with Board action of July 10, 1959; for major medical coverage for emeriti in accordance with Board action of April 10, 1959; and death benefits as approved by action of the Board of Trustees on July 11, 1955.

Upon motion of Mr. Davis, seconded by Mr. Ketterer, the above recommendation was approved by unanimous roll call vote.
X. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE (continued)

D. Heating Plant - College of Medicine Facilities

The new expanded Medical Center requires facilities for heating over and above those now available. Studies made by the Director of Physical Plant indicate a much lower capital investment if a new boiler is located in the Central Heating Plant, and existing steam distribution lines are utilized to bring the steam to the present Hospital. Operating costs also appear to be lower.

The complete project includes a new gas-fired boiler, gas lines, demolition of unusable boilers in the Central Heating Plant, necessary plumbing, structural, mechanical, and electrical work, and an extension of steam and return lines from the present Hospital to a distribution point on the new Medical Center Campus south of Tenth Avenue.

It is recommended that an amount not to exceed $473,000.00 be appropriated from Amended S. B. 370, Line 016, and that $250,000.00 be transferred from Line 013 to Line 016 in Amended S. B. 370 to help defray this expense, in accordance with normal State procedures.

It is further recommended that the President and/or the Vice President for Business and Finance be, and hereby are authorized to do all things necessary to implement this project, including the appointment of engineering consultants, technicians, and/or architects, and the award of all necessary contracts, in accord with established University policies.

Upon motion of Mr. France, seconded by Mr. Loop, the above recommendations were approved by unanimous roll call vote.

E. Purchase of Buildings and Property, 316-316 1/2-318-318 1/2 West Ninth Avenue

It is recommended that the action of the Vice President for Business and Finance in connection with the purchase of the following property from G. Eloise Neil at a price of $37,000.00 be ratified:

Property known as 316-316 1/2-318-318 1/2 West Ninth Avenue, being 36' off the west side of Lot #20 and 9' off the east side of Lot #19, William N. King's Neil Avenue Subdivision, City of Columbus, County of Franklin, State of Ohio.

Funds are available in Item 015 College of Medicine - Land, S. B. 370.

Upon motion of Mr. Allyn, seconded by Mr. Ketterer, the above recommendation was approved by unanimous roll call vote.
January 14, 1965 meeting, Board of Trustees

X. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE (continued)

F. Purchase of Buildings and Property, 2466 Kenny Road

It is recommended that the Vice President for Business and Finance be authorized to proceed with the purchase of the following property from Chalmer S. Early at a price of $5,200.00:

Property known as 2466 Kenny Road, being Lot #32, 2nd Wood-Brown Co. Addition, Clinton Township, Franklin County, Ohio.

This purchase is in conformity with the Campus Master Plan and the funds are available in Account No. 19999 for the purchase of this property.

Upon motion of Mr. Loop, seconded by Mr. Davis, the above recommendation was approved by unanimous roll call vote.

XI. RESOLUTION IN MEMORIAM

Secretary Mount reported to the Board the death of Alexander Herman Schutz, Professor Emeritus of Romance Languages. In accordance with the instructions of the Board of Trustees, a copy of the following resolution expressing on behalf of the University the sorrow and sympathy of the Board has been furnished the family of the deceased.

A. Alexander Herman Schutz

The Board of Trustees expresses its sorrow at the death on January 7, 1965, of Alexander Herman Schutz, Professor Emeritus of Romance Languages.

Professor Schutz was born in Chicago, March 27, 1894. He completed his college work at the University of Chicago where he received his Ph.D. in Romance Languages in 1922. During World War I he had served as trilingual telephone operator in the U.S. Signal Corps, and after the war he studied at Montpellier. After teaching at the University of Mississippi, Iowa State Teachers College, and the University of Missouri, he came to The Ohio State University as Assistant Professor in 1927. He was promoted to the rank of Associate Professor in 1933 and to Professor in 1938. In this rank he served ably until his retirement due to illness in 1963.

In 1951-1952 Professor Schutz held a Fulbright Scholarship for research in France, and at numerous other times he studied and traveled abroad. He lectured by invitation at Cambridge University, England, and at a Provencal Congress in southern France. Professor Schutz served with distinction on the Editorial Committee for the Publications of the Modern Language Association of America. He enjoyed an international reputation for his books and articles in the fields of Old French, Old Provencal, and the French Renaissance. With his usual thoroughness and devotion, he performed the difficult task of editing the Sixteenth Century Volume of the Critical Bibliography of French Literature, published by the Syracuse University Press in 1956. In the summer of 1964, The Ohio State University Press published in
XI. RESOLUTION IN MEMORIAM

A. Alexander Herman Schutz (continued)

his honor a book entitled French and Provencal Lexicography. This volume, edited by Urban T. Holmes and Kenneth Scholberg, had among its contributors some of the most distinguished scholars in Europe and the United States. Dr. Schutz was able to see and enjoy this tribute before his final illness became acute.

Throughout his life Professor Schutz was intensely devoted to his scholarship and teaching. He was a living proof of the harmony which can and should exist between them. He taught with a rare success and vividness in elementary, advanced undergraduate, or graduate classes. Ever alert for new methods of presenting the difficult aspects of his field, he never allowed his work to become static; yet his basic seriousness of purpose was lightened by a delightful and spontaneous sense of humor which lingered constantly close to the surface of his thought. Dr. Schutz was always just, considerate, and humane, winning from his classes, his colleagues, and his many friends, the respect and deep affection he so richly deserved.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It is directed that this Resolution be inscribed upon the minutes of the Board of Trustees.

XII. REPORTS

A. Reports from the Finance and Investment Committee

1. Resolution Providing for Revision of Proposed Agreement Between The Ohio State University Housing Commission and The Ohio State University Pertaining to Construction and Operation of Two High-Rise Dormitories for Approximately 3,840 Students

Mr. Loop, Chairman of the Finance and Investment Committee, presented the following Resolution and moved its adoption:

WHEREAS, this Board of Trustees adopted on December 10, 1964 a resolution entitled "Resolution authorizing an Agreement between The Ohio State University Housing Commission and The Ohio State University pertaining to the construction and operation by the Housing Commission of two dormitories on the campus of the University, and matters incidental thereto" (identified as Exhibit 1, pages 223-229, of December 10, 1964 minutes); and

WHEREAS, the firm of Squire, Sanders and Dempsey, Bond Counsel for the University, has recommended that the Agreement thereby authorized should be revised in part:

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of The Ohio State University:
XII. REPORTS (continued)

A. Reports from the Finance and Investment Committee (continued)

1. Resolution Providing for Revision of Proposed Agreement Between The Ohio State University Housing Commission and The Ohio State University Pertaining to Construction and Operation of Two High-Rise Dormitories for Approximately 3,840 Students (continued)

Section 1. That the authorization granted in the aforesaid resolution is hereby made applicable to the said Agreement with the substitution of the following paragraph 5 for said paragraph as previously so authorized:

5. So long as any of the Bonds remain outstanding and unpaid, without provision for such payment duly provided for, the University shall adopt and maintain parietal rules providing for assignment of students to residency in and use of the Project, with the objective of providing full occupancy and use of the Project, subject to the covenants of the University, pertaining to occupancy and use of facilities owned or under the control of the University, made in the Trust Agreement, dated as of April 15, 1957, between the University and The Ohio National Bank of Columbus, securing dormitory revenue bonds of the University, and any like covenant that may be made in connection with the refunding of such bonds.

Section 2. That the officers heretofore authorized by the aforesaid resolution to execute said Agreement are hereby further authorized to make such further changes in said Agreement, prior to the sale of the Housing Commission Bonds therein identified, as are appropriate to carry out the objectives therein stated and not substantially adverse to the University.

Mr. France seconded the motion and the Board of Trustees by unanimous roll call vote approved the revision, and the Secretary was instructed to take the necessary action to see that the official copy of the said Agreement is revised accordingly.

2. Purchase of Property, University Airport

Mr. Jones, a member of the Finance and Investment Committee, presented the following recommendation and moved that it be approved:

On December 10, 1964, the Board of Trustees approved a report from the Finance and Investment Committee. This report included a recommendation that an amount not to exceed $750,000.00 be invested in certain real property in the University Airport area with the understanding that specific actions for purchase of certain said property be submitted to the Board of Trustees for final approval.

In accordance with this action, it is recommended that the Vice President for Business and Finance be authorized to proceed with the purchase of approximately 12 acres of land from the Oran B. Love Construction Company at a price of $2,000.00 per acre. This property is located adjacent to the north side of University Airport and is contiguous to other University lands in the area designated in the Master Plan for related agencies.
January 14, 1965 meeting, Board of Trustees

XII. REPORTS (continued)

A. Reports from the Finance and Investment Committee (continued)

2. Purchase of Property, University Airport (continued)

Funds will be provided for this purchase from the Investment Portfolio and the property will be held in the name of the Board of Trustees of The Ohio State University.

Following a second of Mr. Jones' motion by Mr. France, the above recommendation was approved by unanimous roll call vote.

3. Report on the University's Investment Portfolio

The report on the status of the University's Investment Portfolio dated December 31, 1964, as submitted to the Finance and Investment Committee of the Board of Trustees, was received and ordered to be filed with the official records of the Board.

B. Annual Report for the Engineering Experiment Station

Mr. Mount reported that the Annual Report for the Engineering Experiment Station has been received. A copy of this Report will be mailed to each member of the Board of Trustees and a copy of the Report will be filed with the official records of the Board of Trustees.

C. Report on Highlights of Campus Activities

In concluding the meeting, Vice President Weaver reviewed some of the significant activities of the University and reported on some special recognitions which have come to the University and its faculty and staff. A copy of the Report is filed with the official records of the Secretary of the Board.

Thereupon the Board adjourned to meet Thursday, February 11, 1965, at The Ohio State University, Columbus, Ohio, at 10:30 a.m.

Attest:

John T. Mount
Secretary

Smith L. Rairdon
Chairman
The Board of Trustees met at its regular monthly meeting on Thursday, February 11, 1965, at The Ohio State University, Columbus, Ohio, pursuant to adjournment.

Present: Smith L. Rairdon, Chairman, Alan B. Loop, Carlton S. Dargusch, John G. Ketterer, and Mervin B. France.

Minutes of the last meeting were approved.
February 11, 1965 meeting, Board of Trustees

President Fawcett expressed appreciation to the members of the staff for carrying on so nobly at the January meeting of the Board of Trustees during his absence because of illness. He called attention to the fact that Mr. Bricker is confined to University Hospital at the present time. Upon motion of Mr. Dargusch and seconded by Mr. France, the Board with unanimous accord requested that a message be sent to Mr. Bricker conveying best wishes for a complete and quick recovery.

President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Revision of Rule 49.03, Paragraph a - Rules for the University Faculty

On January 12, 1965, the Faculty Council approved a proposal that the faculty rule pertaining to requirements for an undergraduate degree be modified to include the provision for a student to earn a degree who has met all of the requirements for said degree while enrolled as a part-time student.

To accomplish this purpose, it is recommended that the Executive Committee of the College recommending the degree may waive the requirement that a student be in "full-time residence" in this University for a minimum of three quarters. Therefore, Rule 49.03, paragraph a of Rules for the University Faculty as amended would read as follows:

49.03. Requirements for an Undergraduate Degree.

To obtain an undergraduate degree from this University an undergraduate student must:

a. Have completed a minimum of three quarters in full-time residence in this University. To be "in full-time residence" in any quarter a student must be enrolled in courses carrying twelve or more quarter hours credit. The Executive Committee of the College recommending the degree may, upon the request of the student, waive this requirement.

Upon motion of Mr. France, seconded by Mr. Ketterer, the Board of Trustees approved the above recommendation by a unanimous roll call vote, and the Secretary was instructed and authorized to make such changes in the Rules for the University Faculty as are required as a result of the foregoing change.

B. Policy on Residence Hall Occupancy

The Board of Trustees at its meeting on April 8, 1957, authorized the establishment of an open-ended bond indenture agreement for the financing of residence halls and dining facilities for students. Pursuant to this policy, The Ohio State University has made considerable progress in providing safe, modern residence halls for an ever-expanding student body. While in 1951
February 11, 1965 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

B. Policy on Residence Hall Occupancy (continued)

less than 2,500 men and women were housed in University-owned residence halls, this number was a little less than 8,000 in the Autumn Quarter of 1964. It is estimated that during the next two to three years the number will reach in excess of 14,000 students.

The bond indenture agreement requires the establishment of such parietal rules as are necessary to keep University student housing filled. Since University student residence hall capacity will be increased significantly during the next two years, it would appear prudent and wise to reaffirm the Board of Trustees' original position concerning students who will be required to live in University-owned housing. It is therefore recommended:

That unmarried freshmen and sophomores under twenty-one years of age who do not live with parents or other close relatives are required to reside in University-owned residence halls and take their meals in University-owned dining halls. Exceptions for justifiable cause may be granted by the Executive Dean for Student Relations, or his designees, wherein such exceptions do not result in lowered occupancy of University-owned residence halls.

The policy as set forth in the above recommendation will be enforced for freshmen only during the 1966-67 academic year and become fully effective for the 1967-68 academic year provided the completion schedules for the construction of University student residence halls are met. It will not affect any student currently enrolled at The Ohio State University and will be announced to all prospective freshmen and sophomores.

In adopting the above recommendation, the Board of Trustees reaffirms its intent to preserve the present exceptions for students who live in scholarship houses, fraternities, sororities, and Westminster Hall.

Upon motion of Mr. France, seconded by Mr. Loop, the above recommendation was approved by unanimous roll call vote.

II. PERSONNEL CHANGES

It is recommended that all personnel changes since the January 14, 1965 meeting of the Board, as recorded in the official "Salary Roll" of the University, be approved by the Board. These changes include the following Promotion, Appointment, and Leaves of Absence Without Salary:

A. Promotion

David G. Cornwell from Professor and Acting Chairman to Professor and Chairman, Department of Physiological Chemistry, effective April 1, 1965, at a salary of $19,368.00 per annum.

307
II. PERSONNEL CHANGES (continued)

B. Appointment

D. Lyle Goleman, Professor and Extension Specialist, Chemical Residues, Cooperative Extension Service, effective February 16, 1965, at a salary of $17,568.00 per annum. Dr. Goleman will hold an appointment as Professor in the Department of Zoology and Entomology at No Salary.

C. Leaves of Absence Without Salary

Herbert H. Hadley, Associate Professor (District Supervisor), Cooperative Extension Service, March 16, 1965 through June 15, 1965, to participate in a program of professional improvement at Michigan State University.

Edgar T. Shaudys, Associate Professor (part time - 53%), Agricultural Economics and Rural Sociology, April 1, 1965 through May 31, 1965, to serve as a Visiting Professor at the University of Minnesota.

Norman Herzberg, Assistant Professor, Mathematics, January 1, 1965 through March 31, 1965, due to ill health.

John R. Aylsworth, Instructor (County Extension Agent, 4-H) Erie County, Cooperative Extension Service, February 16, 1965 through March 15, 1965, to participate in a program of professional improvement at The Ohio State University.

Milton D. McLean, Director, Religious Affairs Center, April 20, 1965 through June 19, 1965, to serve as a Visiting Professor at Southern Illinois University.

Upon motion of Mr. Loop, seconded by Mr. France, the Promotion, Appointment, Leaves of Absence Without Salary, and the personnel budget actions as recorded in the official "Salary Roll" of the University were approved by unanimous roll call vote, and the Secretary was instructed to file these changes in the "Salary Roll" with the official documents of the University.

III. GENERAL CONTRACTS AND AGREEMENTS

A. The Ohio State University and The Ohio State University Research Foundation

In accordance with the Memorandum of Agreement between The Ohio State University and The Ohio State University Research Foundation approved by this Board on September 5, 1950, it is recommended that the research agreements for the following projects administered through the Research Foundation be approved and recorded in the minutes of this meeting.
III. GENERAL CONTRACTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

1. Government Contracts - Federal

d. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Ventricular Ejection Studied by Simplified Techniques (to be known as National Institutes of Health Project No. 1337 - Ext. #4 - Department of Medicine). Gross Value - $12,672.00.

e. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for an Investigation of Effects of Viruses on Germfree Dogs and Cats (to be known as National Institutes of Health Project No. 1356 - Ltr. dtd. 12/16/64 - Department of Veterinary Pathology). Gross Value - $8,000.00.

f. National Aeronautics and Space Administration, Washington, D. C., for Theoretical and Experimental Analysis of the Electromagnetic Scattering and Radiative Properties of Terrain, With Emphasis on Lunar-like Surfaces (to be known as National Aeronautics and Space Administration Project No. 1388 - Sup. #3 - Department of Electrical Engineering). Gross Value - $100,000.00.

A. The Ohio State University and The Ohio State University Research Foundation

1. Government Contracts - Federal (continued)

   g. Systems Engineering Group, Research and Technology Division, Wright-Patterson Air Force Base, Ohio, for Research Studies on the Fluid Dynamics of High Enthalpy Flow (to be known as Systems Engineering Group, Research and Technology Division Project No. 1427 - Mod. #7 - Department of Aeronautical and Astronautical Engineering).
      Gross Value - $41,836.00.

   h. U. S. Army Biological Laboratories, Fort Detrick, Frederick, Maryland, for Salivary Studies on Mosquitoes (to be known as U. S. Army Biological Laboratories Project No. 1510 - Mod. #6 - Department of Zoology and Entomology).
      Gross Value - $2,500.00.

   i. Systems Engineering Group, Research and Technology Division, Wright-Patterson Air Force Base, Ohio, for Ion Sheath Propagation Studies (to be known as Systems Engineering Group, Research and Technology Division Project No. 1565 - Sup. #4 - Department of Electrical Engineering).
      Gross Value - $99,498.00.

   j. Systems Engineering Group, Research and Technology Division, Wright-Patterson Air Force Base, Ohio, for Research on Techniques for Integration of Active Elements into Antennas and Antenna Structure (to be known as Systems Engineering Group, Research and Technology Division Project No. 1566 - Sup. #4 - Department of Electrical Engineering).
      Gross Value - $89,958.00.

   k. Systems Engineering Group, Research and Technology Division, Wright-Patterson Air Force Base, Ohio, for Plasma Noise Temperature Measurements (to be known as Systems Engineering Group, Research and Technology Division Project No. 1573 - Sup. #2 - Departments of Electrical Engineering and Aeronautical and Astronautical Engineering).
      Gross Value - $93,456.00.

   l. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland, for Chemical Studies of Stimulated Retina (to be known as National Institutes of Health Project No. 1575 - Ext. #2 - Institute for Research in Vision).
      Gross Value - $22,242.00.

IV. GRANTS AND GIFTS

The following grants and gifts to the University are among those received since January 14, 1965, and are hereby reported for the record. Appropriate expressions of appreciation have been conveyed to the donors.

A. Administered Through the Office of Business and Finance

1. $183,803.00 granted by the Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland 20014, to the University for "General Research Support," under the direction of Dr. Richard L. Meiling, Dean of the College of Medicine, for the period January 1, 1965 through December 31, 1965. (Grant 1 SOL FR-5409-04-5)

2. $93,204.00 granted by the National Science Foundation to the University for support of Eighteen Graduate Traineeships distributed as follows: one in Aeronautical Engineering, one in Agricultural Engineering, one in Ceramic Engineering, two in Civil Engineering, four in Electrical Engineering, one in Metallurgical Engineering, five in Chemistry, and three which may be assigned in the engineering, mathematical, or physical sciences (including biochemistry and biophysics). This grant is under the direction of Dr. George R. St. Pierre, Associate Dean of the Graduate School, and terminates on September 30, 1966. (GE-7956)

3. $42,102.00 granted by the Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland 20014, to the University for "General Research Support," under the direction of Dr. Walter R. Krill, College of Veterinary Medicine, for the period January 1, 1965 through December 31, 1965. (Grant 1 SOL FR-0543-03-5)

4. $25,000.00 granted by the Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bethesda, Maryland 20014, to the University for "Undergraduate Clinical Training," under the direction of Dr. James V. Warren, Department of Medicine, for the period March 1, 1965 through February 28, 1966. (Grant 5 T2 HE 5035-12)

TOTAL - Through the Office of Business and Finance $344,109.00

B. Received Through the Development Fund

1. $260,251.58-$252,251.58 in securities and $8,000.00 in cash from the Estate of Mona Fay Gee to be added to the Eugene C. Gee and Mona Fay Gee Memorial Fund, which was established on December 1, 1964, and reported to the Board on January 14, 1965. Total in fund $270,527.62.

2. $49,419.04 from the Estate of Mary Hubbell Osburn to be added to the Mary H. Osburn Memorial Fund, which was established July 17, 1964, and reported to the Board September 11, 1964. Total in fund $59,981.14.
IV. GRANTS AND GIFTS (continued)

B. Received Through the Development Fund (continued)

3. $36,857.34 from Procter & Gamble Company, Cincinnati, Ohio--$22,950.00 for the Procter & Gamble Company Dental Research Fellowship Fund and $13,907.34 for Procter & Gamble Company Dental Laboratory Research Fund.

4. $30,000.00 from Frank A. Burgess, Columbus, Ohio, to be added to the fund for the construction of a new residence for the President.

5. $30,000.00 from E. I. du Pont de Nemours & Co. for grants-in-aid during 1965 for use of the Departments of Chemistry, Physics, Metallurgical Engineering, and Chemical Engineering.

6. $12,500.00 from the Bremer Foundation for the Bremer Foundation in the College of Medicine.

7. $11,687.38 in securities from Robert E. Goodsell, Kenton, Ohio, for deposit in the University Endowment Fund with income to be used at the discretion of the Board of Trustees.

8. $10,000.00 by a bequest under the Will of Mrs. Emma Ellis (Mrs. Fred M.) to be deposited in the Emma Ellis Trust Fund for installation of an alarm and monitoring system for heart patients.

9. $6,962.15 in securities from Frank K. Griesinger for the Frank K. Griesinger Scholarship Fund.

10. $5,000.00 from Dr. John J. Fahey, Chicago, Illinois, to be added to the John J. Fahey Fund.

11. $5,000.00 from Ohio Dairy Products Association, Columbus, Ohio, for the Department of Dairy Technology.

12. $5,000.00 from Eli Lilly & Company for the Division of Infectious Disease in the College of Medicine.

13. $5,000.00 from George E. Armington, Cleveland, Ohio, as an unrestricted gift to the University.

14. $4,000.00 from George W. Byers, Sr. as an undesignated gift to the University.

15. $4,000.00 from The Upjohn Company, Kalamazoo, Michigan, for equipment in the College of Pharmacy.

16. $3,768.46 in securities from Jacob E. Davis--$2,000.00 to be deposited in the Jacob E. Davis Fund for the College of Law and $1,768.46 for the Jacob E. Davis Scholarship Fund for School of Social Work.

IV. GRANTS AND GIFTS (continued)

B. Received Through the Development Fund (continued)

17. $3,677.98 from the National Fund for Graduate Nursing Education for the Graduate Nursing Education Fund.

18. $3,000.00 from Everett D. Reese as an undesignated gift to the University.

19. $2,500.00 from Laura Foy Heekin for the establishment of the Robert E. Heekin Memorial Fund.

Robert E. Heekin Memorial Fund

The Robert E. Heekin Memorial Fund was established January 11, 1965, by a gift through the Development Fund from Laura Foy Heekin in memory of her late husband, Robert E. Heekin, Arts W'06.

The principal is to be invested in accordance with rules and regulations adopted by the Board of Trustees of The Ohio State University, with right to invest and reinvest as occasion dictates.

The income is to be used to provide scholarships for male students at The Ohio State University. Preference is to be given to scholastically qualified students who are also participating in interscholastic athletics.

In the event the need for such scholarships ceases to exist or so diminishes as to create unused income, then the income may be used by the Board of Trustees of The Ohio State University in its discretion for any purpose whatsoever.

20. $2,000.00 from Clifford C. Baltzly for the Clifford C. Baltzly Scholarship Fund.

21. $1,500.00 from Ayerst Laboratories for the Ayerst Laboratory Fund in the College of Medicine.

22. $1,415.00 from Ervin G. Bailey to be added to the Ervin G. Bailey Fund for Engineering.

23. $1,412.72 from the Midwest Foundation for Research and Education for the Midwest Foundation for Research Education.

24. $1,397.50 from Isadore Topper for the Isadore and Ida Topper Fund—with income for use by the College of Law.

26. $1,000.00 from Miss Irene Hirsch for the Dr. Walter C. Reckless Project.

B. Received Through the Development Fund (continued)

27. $1,000.00 from J. Paul McNamara as an undesignated gift to the University.

28. $1,000.00 from Thomas Bradford Meek, Sr. for the James Thurber Memorial Fund.

29. $1,000.00 from Walter English as an undesignated gift to the University.

30. $1,000.00 from Dr. Joseph L. Bitonte for the Operation Eye Research Fund.

31. $1,000.00 from Richard T. Baker for the Student Athlete Grant-in-Aid Fund.

TOTAL - Received Through the Development Fund $503,646.65

C. Gift-in-Kind

1. A deed for a tract of 40.97 acres of land, more or less, located in the Northwest Quarter of Section 7, Madison Township, Richland County, Ohio, from Carl H. Stander and his son, Richard R. Stander, of Mansfield, Ohio, to the Board of Trustees of The Ohio State University for the Mansfield Branch Campus site.

Upon motion of Mr. Ketterer, seconded by Mr. Loop, the acceptance of the above grants and gifts was approved by unanimous vote, and the Secretary was instructed to include the report in the minutes of this meeting.

VII. PLANS AND SPECIFICATIONS

At the request of the Vice President for Business and Finance and with the concurrence of the Council on Business Affairs, it is recommended that the plans and specifications, bills of materials, and estimates of cost for the following projects be approved by the Board of Trustees:

A. Floor Repairs

This project includes the repair of floors in Arps Hall, Botany and Zoology, Derby Hall, Hamilton Hall, and Stillman Hall.

Funds will be provided from the Maintenance Account, H. B. 711.

B. Repairs in Electrical Systems

This project is for improved lighting in the halls of Hamilton Hall and the classrooms, offices, and corridors of the Physical Education Building.

Funds will be provided from the Maintenance Account, H. B. 711.

C. Botany and Zoology Building Site Restoration

This project includes the replacement of sidewalks, installation of new retaining wall, regrading the entire area, and replanting.

Funds will be provided from the Maintenance Account, H. B. 711.

D. Pharmacy and Bacteriology Building Improvement

This project includes air conditioning for classrooms since ventilation was cut off by the new Mathematics Building.

Funds will be provided from the Maintenance Account, H. B. 711.

E. Improvements to the Natatorium Filtering System

The filtering system presently operates for all three pools. This project will provide a new filter system which will be split so that it will be possible to have individual temperatures and water levels as required for each pool.

Funds will be provided from the Maintenance Account, H. B. 711.

F. Garage

This project is for a standardized commercial modular steel structure to house Veterinary Medicine temporarily and the Motor Pool Garage permanently as soon as the new Veterinary Hospital is completed.
February 11, 1965 meeting, Board of Trustees

VII. PLANS AND SPECIFICATIONS (continued)

F. Garage (continued)

Funds will be provided from Budget Account 91040 Garage.

Upon motion of Mr. France, seconded by Mr. Loop, the above recommendation was approved by unanimous roll call vote, and the Secretary was authorized and directed to sign the plans and specifications for the above projects for and on behalf of the Board of Trustees. Vice President Carson was directed to proceed with a request for bids in the normal University manner and if satisfactory bids are received, to proceed with the award of contracts. All action regarding this matter will be reported to the Board of Trustees at a later meeting.

VIII. REPORT OF AWARD OF CONTRACTS

In accordance with authorization provided by the Board of Trustees, the contracts for the following projects have been recommended for award and the action is hereby reported to the Board.

IX. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE

A. Columbia Gas of Ohio, Inc. - Easement for Gas Line, Kenny Road

The Columbia Gas of Ohio, Inc., has requested permission to construct a four-inch (4") gas pipe line on State of Ohio lands, which lands have been designated for use by The Ohio State University. The line is to be constructed along a course five feet (5') west of and parallel to the west right-of-way line of Kenny Road beginning at the south property line of a 75.38 ± acre parcel of land acquired by the State of Ohio in 1914 and recorded in Franklin County deed records, Volume 564, page 8. The line will provide service for the Laboratory Animal Facilities project.
IX. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE (continued)

A. Columbia Gas of Ohio, Inc. - Easement for Gas Line, Kenny Road (continued)

It is recommended that the construction of the gas line through University lands be approved in a location not inimical to the interest of the University. It is further recommended that the President be authorized to request the Director of Public Works, pursuant to his statutory duties, to act on behalf of the University in developing the necessary legal instruments to provide for the installation of said gas line and to negotiate the appropriate compensation to the University.

Upon motion of Mr. Loop, seconded by Mr. Dargusch, the above recommendation was approved by unanimous roll call vote.

B. Purchase of Buildings and Property, 167 West Lane Avenue

It is recommended that the Vice President for Business and Finance be authorized to proceed with the purchase of the following property from Milford Wiley and Freda Wiley at a price of $13,000.00:

Property known as 167 West Lane Avenue, being Lot #235 and 5' of Lot #236, R. P. Woodruff's Agricultural College Addition, City of Columbus, County of Franklin, State of Ohio.

Funds are available in Item 001, Land Purchases, S. B. 370.

Upon motion of Mr. Ketterer, seconded by Mr. Loop, the above recommendation was approved by unanimous roll call vote.

C. Purchase of Buildings and Property, 163 West Lane Avenue

It is recommended that the Vice President for Business and Finance be authorized to proceed with the purchase of the following property from J. B. Clements and Clara Clements at a price of $13,100.00:

Property known as 163 West Lane Avenue, being the east 25' of Lot #236, R. P. Woodruff's Agricultural College Addition, City of Columbus, County of Franklin, State of Ohio.

Funds are available in Item 001 Land Purchases, S. B. 370.

Upon motion of Mr. France, seconded by Mr. Loop, the above recommendation was approved by unanimous roll call vote.
WHEREAS, The Ohio State University has acquired certain parcels of real property located between Ninth and Eleventh Avenues, bounded on the east by High Street and on the west by Neil Avenue; and

WHEREAS, the University in planning to meet a portion of the needs of its students and its programs from the standpoint of dormitory, educational, research, and service facilities, will be required to acquire most, if not all, of the land lying between Ninth and Eleventh Avenues east of Neil Avenue and west of High Street; and

WHEREAS, the Trustees of The Ohio State University deem that the acquisition of this land is mandatory in meeting the needs of the University and serving the people of the State of Ohio; and therefore, find it necessary to proceed with the acquisition of real property therefor;
