THE OHIO STATE UNIVERSITY

OFFICIAL PROCEEDINGS OF THE

ONE THOUSAND AND FIFTY-SIXTH MEETING

OF THE BOARD OF TRUSTEES

Columbus, Ohio, July 9, 1970

The Board of Trustees met at its regular monthly meeting on Thursday, July 9, 1970, at The Ohio State University, Columbus, Ohio, pursuant to adjournment.

Minutes of the last regular meeting (June 11, 1970) and the special meeting (June 19, 1970) were approved.
July 9, 1970 meeting, Board of Trustees

Vice President Robinson presented the following recommendations on behalf of President Fawcett:

I. GENERAL RECOMMENDATIONS

A. Degrees and Certificates Conferred--Summer Quarter Commencement

Vice President Robinson recommended that degrees and certificates be conferred at the Summer Quarter Commencement Convocation on September 4, 1970, to those students who have completed the requirements for their respective degrees and certificates and are recommended by the Faculty Council. The names of those awarded degrees and certificates will be included in the minutes of this meeting. (See Appendix I, page 39.)

Upon motion of Mr. Shocknessy, seconded by Mr. Harrod, the Board of Trustees approved the above recommendation by unanimous voice vote.

B. Honorary Degrees

The Board of Trustees on February 12, 1970, approved twenty-three recipients for honorary degrees to be awarded during the Centennial Year. Through previous actions of this Board, fourteen of these recipients have already been so honored at this year's Winter and Spring Quarter Commencements.

Vice President Robinson recommended that the honorary degrees, as specified hereafter, be conferred on the following individuals at the Summer Quarter Commencement on September 4, 1970:

- Wilbur J. Cohen, Doctor of Humane Letters
- Vincent G. Dethier, Doctor of Science
- Frederick V. Hunt, Doctor of Science
- Fritz Loewe, Doctor of Science
- Mary E. Switzer, Doctor of Humane Letters

It was recommended further that individual presentations be made to the following persons upon their participation in Symposia being held on The Ohio State University campus during September and October, 1970:

- Sir John McMichael, Doctor of Science
- Sir Ronald Syme, Doctor of Letters
- Roman Jakobson, Doctor of Humane Letters

Upon motion of Mr. Safford, seconded by Mr. Hilliker, the Board of Trustees approved the above recommendations by unanimous voice vote.

C. Authorization for the Filing of Application for Grant Funds Under Title VII of the Public Health Service Act, as Amended

In making an application for grant funds for expansion of the University's medical facilities under Title VII of the Public Health Service Act, as amended, this Board is required to approve the following resolution:
I. GENERAL RECOMMENDATIONS (continued)

C. Authorization for the Filing of Application for Grant Funds Under Title VII of the Public Health Service Act, as Amended (continued)

This Board authorizes and directs that an application be filed with the Secretary of Health, Education and Welfare under Title VII of the Public Health Service Act, as amended, for a grant to support the expansion of the basic sciences and clinical education facilities of the College of Optometry.

The Board designates Novice G. Fawcett, President of The Ohio State University, as the person authorized to file this application and act as the representative of the University in all matters relating to this application and Gordon B. Carson, Vice President for Business and Finance, as the alternate.

And finally, the Board of Trustees of The Ohio State University is cognizant of the conditions under which such grant funds are made available and approved for payment to an applicant.

Vice President Robinson recommended that the foregoing resolution be adopted by the Board of Trustees.

Upon motion of Mr. Safford, seconded by Mr. Hilliker, the Board of Trustees adopted the above resolution by unanimous voice vote.

D. Naming of Building

Upon the recommendation of the Dean of the College of Engineering, and with the concurrence of the President's Cabinet, it was recommended that the Systems Engineering Building at 1971 Neil Avenue be named to honor Dr. David F. Baker, late Chairman of the Department of Industrial Engineering, and that the Systems Engineering Building be referred to as "The David F. Baker Systems Engineering Building."

This recommendation is in accordance with the By-Laws of the Board of Trustees.

Upon motion of Mr. Dunlap, seconded by Mr. Safford, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

E. Establishment of a Department of East Asian Languages and Literatures

The Faculty Council on June 2, 1970, approved the proposal from the Council on Academic Affairs that a Department of East Asian Languages and Literatures be established, effective July 1, 1970.

The Division of East Asian Languages and Literatures was established in 1961. Since that time the faculty has been increased to include areas of proficiency in linguistics, literature and history, in both Chinese and Japanese. The Division has enjoyed a steady increase in enrollment at the undergraduate level in both Chinese and Japanese.
I. GENERAL RECOMMENDATIONS (continued)

E. Establishment of a Department of East Asian Languages and Literatures (continued)

The need for further expansion of East Asian studies at The Ohio State University to a fuller program at the highest level of academic pursuit lies in the recognition of the importance of East Asia in today's world and the necessary attention to numerous problems arising from our contacts with the Asian countries, particularly China and Japan. The need also arises from an increasing appreciation of the richness of oriental culture. In addition, our national interests indicate a need for greater knowledge about China and the training of people with the highest possible level of such knowledge.

Vice President Robinson recommended that the Faculty Council's action with regard to the establishment of a Department of East Asian Languages and Literatures be approved.

Upon motion of Mr. Safford, seconded by Mr. Harrod, the Board of Trustees approved the above recommendation by unanimous voice vote.

F. Proposal for the Establishment of a Doctor of Philosophy Program in Chinese Language and Literature

The Faculty Council on June 2, 1970, approved the proposal from the Council on Academic Affairs that a Doctor of Philosophy Program in Chinese Language and Literature be established.

The proposed doctoral program will enable students to pursue advanced studies beyond the master's degree level. This curriculum will offer the most advanced work in Chinese Language and Literature in this region. The necessary staff to accommodate this expansion is available. Library holdings are judged sufficient to initiate the program and additional acquisitions are planned.

Vice President Robinson recommended that the Faculty Council's action recommending the establishment of a Doctor of Philosophy program in Chinese Language and Literature be approved.

Upon motion of Mr. Safford, seconded by Mr. Harrod, the Board of Trustees approved the above recommendation by unanimous voice vote.

G. Establishment of the Degree, Doctor of Musical Arts

The Faculty Council on June 9, 1970, approved the proposal from the Council on Academic Affairs for the establishment of the degree, Doctor of Musical Arts.
July 9, 1970 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

G. Establishment of the Degree, Doctor of Musical Arts (continued)

The Doctor of Philosophy degree currently being offered in the School of Music is primarily directed toward scholarship in musicology, history, theory or educational subjects. The new degree, Doctor of Musical Arts, is being proposed for those individuals whose interests are directed toward being performers or teachers in an academic setting. The School of Music is now a center with a faculty possessing a high degree of versatility for studies and performance in the musical arts. The music holdings of the University Library are more than sufficient to support the proposed Doctor of Musical Arts degree curriculum.

Vice President Robinson recommended that the action of the Faculty Council be approved. Pursuant to Section 3333.04 of the Revised Code of Ohio, it was recommended further that this proposal be forwarded to the Board of Regents for approval; and, subject to this approval that this action become effective Autumn Quarter, 1970.

Upon motion of Mr. Harrod, seconded by Mr. Safford, the Board of Trustees approved the above recommendations by unanimous voice vote.

H. Motor Vehicle, Traffic, Parking and Watercraft Regulations Affecting the Columbus and Branch Campuses

WHEREAS, the Board of Trustees on June 10, 1965 established the "Motor Vehicle, Traffic, and Parking Regulations of The Ohio State University"; on September 8, 1966 adopted an amendment extending said Regulations to the branch campuses of The Ohio State University; on July 13, 1967 approved regulations for control of watercraft; and duly filed these resolutions and "Motor Vehicle Traffic, Parking and Watercraft Regulations of The Ohio State University" with the Secretary of State of Ohio;

NOW BE IT RESOLVED, that the "Motor Vehicle, Traffic, Parking and Watercraft Regulations" be amended as identified in Exhibit A (filed with the official records of the Board of Trustees), and that they be adopted as the regulations by the Board of Trustees of The Ohio State University, effective September 1, 1970; and

BE IT FURTHER RESOLVED that the Secretary of the Board of Trustees of The Ohio State University is hereby authorized and directed to file this resolution and the amended "Motor Vehicle, Traffic, Parking and Watercraft Regulations of The Ohio State University" with the Secretary of State of Ohio and to do and file such other further papers and documents as may be necessary and proper to comply with Ohio Revised Code, Section 111.15, and to make these regulations binding and in force according to law.

Upon motion of Mr. Hilliker, seconded by Mr. Harrod, the above resolution was adopted by unanimous roll call vote.
II. PERSONNEL CHANGES

Vice President Robinson recommended that all personnel changes since the June 11, 1970 meeting of the Board, as recorded in the official "Salary Roll" of the University, be approved by the Board. These changes include the following Promotions, Appointment and Leaves of Absence Without Salary:

A. Promotions

George W. Baughman from Director of Administrative Research to Director of University Budget and Director of Administrative Research and Systems, effective July 1, 1970, at a salary of $26,448.00 per annum.

Laurence C. Gerckens from Professor in the School of Architecture to Professor and Director of the School of Architecture, effective July 1, 1970, at a salary of $24,048.00 per annum.

B. Appointment

James S. Biddle, Director, The Ohio State University - Lima Campus, effective July 6, 1970, at a salary of $19,848.00 per annum.

C. Leaves of Absence Without Salary

Raymond A. Bailey, Professor, Department of Agricultural Economics and Rural Sociology, effective June 15, 1970 through August 14, 1970, to serve as a consultant for the International Bank for Reconstruction and Development in Argentina.

Byron L. Bondurant, Professor, Department of Agricultural Engineering, effective July 1, 1970 through June 30, 1971, to serve as a consultant to the Ford Foundation program at Punjab Agricultural University, Ludhiana, Punjab, India.

Donald K. Dougall, Associate Professor, College of Biological Sciences - Microbial and Cellular Biology, effective July 1, 1970 through August 15, 1970, to conduct research in England.

Richard H. Minear, Associate Professor, Department of History, effective January 1, 1971 through September 30, 1971, to accept a Fulbright grant in Europe.
II. PERSONNEL CHANGES (continued)

C. Leaves of Absence Without Salary (continued)

Ron K. H. Adler, Assistant Professor, Department of Geodetic Science, effective July 1, 1970 through September 30, 1970, to continue work on advanced degree in geodetic science.

Mary S. Breese, Assistant Professor, School of Allied Medical Professions, effective July 1, 1970 through August 31, 1970, for personal reasons.

Kunio Okuda, Assistant Professor, Department of East Asian Languages and Literatures, effective October 1, 1970 through September 30, 1971, for personal reasons.

Benjamin N. Wise, Assistant Professor, College of Biological Sciences - Microbial and Cellular Biology, effective July 1, 1970 through August 31, 1970, to teach at Indiana University.

Robert A. Buerki, Instructor, College of Pharmacy, effective July 1, 1970 through September 15, 1970, to continue work on his Ph. D. degree.

Upon motion of Mr. Safford, seconded by Mr. Dunlap, the Promotions, Appointment, Leaves of Absence Without Salary and personnel budget actions as recorded in the official "Salary Roll" of the University were approved by unanimous roll call vote, and the Secretary was instructed to file these changes in the "Salary Roll," an official document of the University.

1. Government Research Contracts - Federal (continued)

      Systems Division, Wright Patterson Air Force Base, Ohio, Research
      on Intrinsic Surface Properties and Their Relation to the Mechanical
      Behavior of Metals and Alloys (to be known as Project No. 2726 -
      Mod. #P002 - Department of Metallurgical Engineering).
      Gross Value - $22,694.00.

   e. Department of Air Force, Rome Air Development Center, Griffiss
      Air Force Base, New York, Coherent Multiplexing and Array Tech-
      niques (to be known as Project No. 2738 - Mod. #P0064 - Department
      of Electrical Engineering).
      Gross Value - $66,330.00.

   f. Department of Air Force, Rome Air Development Center, Griffiss
      Air Force Base, New York, Coherent Multiplexing and Array Tech-
      niques (to be known as Project No. 2738 - Mod. #P0065 - Department
      of Electrical Engineering).
      Gross Value - $80,000.00.

   g. U. S. Atomic Energy Commission, Chicago Operations Office,
      Argonne, Illinois, Stress Corrosion Cracking of Fe-Cr-Ni-Alloys
      in Caustic Environments (to be known as Project No. 2765 - Mod. #1 -
      Department of Metallurgical Engineering).
      Gross Value - $68,000.00.

   h. Department of Transportation, Federal Highway Administration,
      Washington, D. C., Medical-Engineering Highway Crash Investiga-
      tion Team (to be known as Project No. 2852 - Mod. #2 - Department
      of Physiology).
      Gross Value - $64,393.00.

   i. Naval Regional Procurement Office (ARPA), U. S. Navy Base,
      Philadelphia, Pennsylvania, Development of a Method to Produce
      Pictures with Acoustic Energy (to be known as Project No. 2976 -
      Mod. #P002 and Mod. #P003 - Department of Welding Engineering).
      Gross Value - $16,975.00.

   j. National Aeronautics and Space Administration, Langley Research
      Center, Langley Station, Hampton, Virginia, Study Program for Low
      Noise "S" Band Radiometer Antenna Development (to be known as
      Gross Value - $96,999.00.

During the period from May 26, 1970 through June 19, 1970, the Engineering Experiment Station of The Ohio State University entered into the following research contract. This research contract was reported to the Board of Trustees for information and the record.

1. Industrial Research Contract

EES 310X Ext. #3
Weldability of Timken High Strength Steels, Timken Roller Bearing Company, Canton, Ohio.
Gross Value - $1,500.00.

IV. GRANTS AND GIFTS

The following grants and gifts to the University were among those received since June 11, 1970, and were reported for the record. Appropriate expressions of appreciation have been conveyed to the donors.

SUMMARY

Administered Through the Office of Business and Finance $1,906,650.00
Received Through The Ohio State University Development Fund 65,123.23

A. Administered Through the Office of Business and Finance

1. $384,116.00 granted by Department of Health, Education and Welfare, Office of Education, Washington, D. C., to the University for "National Program in Educational Leadership," under the direction of the College of Education, for the period June 1, 1970 through June 30, 1971. (Grant No. OEG 0-70-2108)

2. $229,430.00 granted by Department of Health, Education and Welfare, Office of Education, Washington, D. VI. PLANS AND SPECIFICATIONS

At the request of the Vice President for Business and Finance, Vice President Robinson recommended that the plans and specifications, bills of materials and estimates of cost for the following project be approved by the Board of Trustees:

A. McCracken Power Plant - Removal of Coal and Ash Handling Equipment

With the conversion of all boilers in the Power Plant to gas and oil firing, there is no further need for the coal and ash handling systems. This project will provide for their removal.

Funds for this project have been provided from Item 315-074, Utilities and Renovation, H. B. 531.

Upon motion of Mr. Safford, seconded by Mr. Hilliker, the above recommendation was approved by unanimous roll call vote and the Secretary was authorized and directed to sign the plans and specifications for the above project for and on behalf of the Board of Trustees. Vice President Carson was directed to proceed with a request for bids in the normal University manner and if satisfactory bids are received, to proceed with the award of contract. All action regarding this matter will be reported to the Board of Trustees at a later meeting.

VII. REPORT OF AWARD OF CONTRACTS

In accordance with authorization provided by the Board of Trustees, bids were taken on the project listed below and the contracts were recommended for award. The action reported to the Board was as follows:

Total Contracts: $62,307.00 $109,362.00

Funds for this project have been provided by a transfer from Budget Account 809998 (Hospital Capital Reserve) to Budget Account 801224 (Air Conditioning Means Hall).

Upon motion of Mr. Harrod, seconded by Mr. Safford, the above award of contracts and expenditure of funds were approved and the action of the Vice President for Business and Finance ratified by unanimous roll call vote.

VIII. CONTROLLING BOARD APPROVALS

Each numbered request shown below accomplishes the following purpose:

The Ohio State University Requests

22 Approves the purchase of property, 35.28 acres, Perry Township, Columbus School District, Franklin County, Ohio, for the College of Agriculture.

23 Authorizes the award of contracts to the low bidders for the project "Ohio Stadium - Artificial Turf."

24 Approves the release of $79,200 from Item 315-074 "Utilities and Renovation," H. B. 531, for the project "McCracken Power Plant Fuel Oil Storage Addition."

Ohio Board of Regents Request

38 Approves the transfer and release of $494,539 to Penta-County Technical Institute for equipment and $5,461 to Lima Technical Building for equipment from Item 315-018 (Ohio State University, Lima Branch equipment and improvements), H. B. 531.
IX. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE

A. Cockins Hall Remodeling - Employment of Architects

Vice President Robinson recommended that Van Buren & Firestone, Architects, be employed to provide complete architectural and engineering services for this project, including preliminary plans, basic drawings, working drawings, specifications, estimate of cost, necessary bidding documents and supervision of construction.

The fee for this service is to be negotiated based on the schedules of the Architect's Society of Ohio of the AIA for architectural fees.

Funds for this project have been allocated in Item 315-074, H. B. 531 (Utilities and Renovation).

Upon motion of Mr. Safford, seconded by Mr. Dunlap, the above recommendation was approved by unanimous roll call vote.

X. RESOLUTION IN MEMORIAM

Vice President Robinson reported to the Board the death of Franklin W. Marquis, Professor Emeritus in the Department of Mechanical Engineering. In accordance with the instructions of the Board of Trustees, a copy of the following resolution expressing on behalf of the University the sorrow and sympathy of the Board will be furnished the family of the deceased.

A. Franklin Wales Marquis

The Board of Trustees of The Ohio State University expresses its sorrow at the death on April 21, 1970, of Franklin W. Marquis, Professor Emeritus in the Department of Mechanical Engineering.

Professor Marquis was born in Bloomington, Illinois, on May 7, 1883. He attended the University of Illinois where he received the Bachelor of Mechanical Engineering degree in 1905 and accepted a position with the C. V. Kerr Turbine Company. Professor Marquis noted that at this time in the history of engineering it was often advisable not to discuss or admit to having a college degree if you wanted to obtain the job. However, his excellent academic record and pleasant personality helped him in obtaining the position as draftsman and designer of recording equipment. He was the third engineer hired by the Kerr Turbine Company. In 1907 he returned to the engineering department and the Engineering Experiment Station of the University of Illinois. He obtained the degree Mechanical Engineer from the University of Illinois in 1909, for his work which was concerned with the development and testing of the instrumented dynamometer railroad car.
July 9, 1970 meeting, Board of Trustees

X. RESOLUTION IN MEMORIAM (continued)

A. Franklin Wales Marquis (continued)

Professor Marquis joined the faculty of the Department of Mechanical Engineering at The Ohio State University in 1913, as Professor of Steam Engineering, where he introduced the first courses in steam turbines using textbooks which were written in German. From July of 1918 to August of 1919, he was on leave of absence from the University working as a Statistician and Assistant Manager of the Fuel Conservation Section of the U. S. Railroad Administration in Washington, D. C. Prior to assuming the duties as the Department Chairman of Mechanical Engineering in 1929, Professor Marquis established an excellent reputation as a teacher. He established a sizable consulting engineering activity to help keep his technical knowledge up to date in the rapidly advancing mechanical engineering field. After Professor Magruder's death in 1929, the report to the Trustees, from the University President, stated, "Professor Franklin W. Marquis has succeeded Professor Magruder as Chairman of this Department. He has been a Professor in the Department for a number of years and brings to the new post both the experience derived from long and successful teaching and the benefits that accrue from practical work from the industries. The Department is in good hands and may be expected to continue in a most progressive way." He guided the Department through the difficult times of the great depression during which he was forced to reduce the numbers of his staff and to reduce the wages of his colleagues on three different occasions. Professor Marquis served on the Industrial Commission of the State of Ohio as a member of the pressure piping commission. At the University he fought to reduce the teaching load and to increase the faculty consulting activities so that the faculty would keep up to date. During the Second World War he responded to the challenge as presented by Dean McQuigg and accepted a position as Principal Specialist in Engineering Administration with the Engineering Science and Management War Training Program of the U. S. Office of Education in Washington, D. C. He retired from the Department and was named Professor Emeritus in 1953.

Professor Marquis was named a Fellow in the ASME in 1969. The nominating statement typifies the views of his colleagues of his life's work. "Under Marquis' leadership the Mechanical Engineering Department at The Ohio State University became one of the strongest in the nation. He had an extraordinary ability to guide and direct his colleagues so as to have them perform enthusiastically at their very best. His own enthusiasm was very contagious. In teaching he had the same effect on students. When he entered a classroom his energy and enthusiasm was apparent. In addition to all this, he was a master of his subject matter and had an analytical ability that could hew to a very straight line. He has served his country, state, city and University with human understanding, integrity and skill as a citizen, teacher, administrator, professional engineer and expert in research and development."

Professor Marquis was a member of AAAS, ASEE, Sigma Xi, Alpha Delta Phi, Theta Tau and Tau Beta Pi.
X. RESOLUTION IN MEMORIAM (continued)

A. Franklin Wales Marquis (continued)

On behalf of the University at large, the Board of Trustees would like to express to the family of Professor Marquis our deep sympathy. It was directed that this resolution be inscribed upon the minutes of this meeting of the Board of Trustees and that a copy be tendered to the family as a sincere expression of the realization of the loss which the family has sustained.

XI. REPORTS

A. Reports from the Finance and Investment Committee

1. Resolution Providing for the Issuance of Not Exceeding $4,500,000 Parking System Revenue Notes, Series 1970

Mr. Shocknessy, a member of the Finance and Investment Committee of the Board of Trustees, made the following statement:

On September 8, 1966, the Board of Trustees passed a Bond Resolution initiating action on Parking System Revenue Bonds in the amount of $4,500,000.

The first borrowing on this resolution consisted of one-year Parking System Revenue Notes in the amount of $700,000 and was approved by the Board of Trustees on June 8, 1967.

The second borrowing occurred on June 13, 1968, at which time the borrowing amounted to $1,700,000 including the refinancing of the previous $700,000.

The third borrowing occurred on June 12, 1969, at which time the $1,700,000 previously financed was refinanced for a period of one year.

With the added construction of the parking ramp to serve the Medical Center, it is necessary to borrow the full amount authorized under the Bond Resolution, $4,500,000. $3,200,000 was approved by the Board on June 11, 1970 and I, therefore, move the resolution providing for the issuance of $1,300,000 Parking Revenue System Notes, Series 1970, which will complete the necessary financing.
July 9, 1970 meeting, Board of Trustees

XI. REPORTS (continued)

A. Reports from the Finance and Investment Committee (continued)

1. Resolution Providing for the Issuance of Not Exceeding $4,500,000 Parking System Revenue Notes, Series 1970 (continued)

RESOLUTION PROVIDING FOR THE AWARD OF $1,300,000 PARKING SYSTEM REVENUE NOTES, SERIES 1970, BEING PART OF A SERIES OF SUCH NOTES, HERETOFORE AUTHORIZED, IN AN AMOUNT NOT TO EXCEED $4,500,000 AND ISSUED FOR THE PURPOSE OF REFUNDING CERTAIN REVENUE NOTES HERETOFORE ISSUED TO PAY PART OF THE COSTS OF CONSTRUCTING AND EQUIPPING MOTOR VEHICLE PARKING FACILITIES AND TO PAY THE COST OF ADDITIONAL MOTOR VEHICLE PARKING FACILITIES, $3,200,000 OF WHICH HAVE BEEN ISSUED AND DELIVERED, AND PROVIDING FOR OTHER MATTERS INCIDENTAL THERETO.

WHEREAS, this Board of Trustees of The Ohio State University (herein called the "Board") did by resolution adopted June 11, 1970, provide for the issuance and award of not exceeding $4,500,000 Parking System Revenue Notes, Series 1970, for the purposes hereinafter stated, (herein called "1970 Notes") and awarded and there has been delivered $3,200,000 of such aggregate amount such Notes at par and under the terms and conditions set forth in said resolution;

WHEREAS, officers of the University have obtained proposals for the purchase of the balance of the 1970 Notes at par and upon the terms and conditions set forth in said resolution passed June 11, 1970, and the note form attached thereto, and at their interest rates set forth in Section 1 hereof.

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of The Ohio State University:

Section 1. That $1,300,000 of the $4,500,000 Parking System Revenue Notes, Series 1970, authorized by said resolution adopted June 11, 1970, are hereby awarded at par and upon the terms and conditions set forth in said resolution adopted June 11, 1970 and this resolution in accordance with the proposals of the original purchaser to purchase said notes:

XI. REPORTS (continued)

A. Reports from the Finance and Investment Committee (continued)

1. Resolution Providing for the Issuance of Not Exceeding $4,500,000 Parking System Revenue Notes, Series 1970 (continued)

Section 2. The President, the Vice President, Business and Finance, and the Assistant Treasurer are each hereby authorized and directed to do all things necessary for the issuance and delivery of said $1,300,000 Notes in accordance with this award.

Section 3. The Vice President, Business and Finance, or the Assistant Treasurer of the University are each hereby authorized and directed to deposit the proceeds from such Notes into the Construction Fund for the Project (being the Project defined in the resolution providing for the issuance of $4,500,000 Parking System Revenue Bonds, Series A, adopted by this Board on September 8, 1966) to be applied to the payment of the costs of the Project.

Upon motion of Mr. Shocknessy, seconded by Mr. Harrod, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

2. University Hospital, Chilled Water Systems Additions

Mr. Shocknessy presented the following report and resolution:

On July 3, 1970, The Ohio State University Hospitals Administration requested assistance in securing a loan of $1,056,514 to fund the second phase of the Hospital Air Conditioning Project, "University Hospital - Chilled Water Systems Additions," from the Office of the University Budget Director.

It has been determined that these funds can be loaned to the University Hospitals for this purpose from Budget Account 809999 (Plant Funds Account Receivable) and transferred to Budget Account 801228 (Hospital Chilled Water Systems) with a payback system of regular monthly payments of $87,875, or quarterly payments of $263,625, between July 1, 1970 and June 30, 1971 (the last payment would be $2,014 more than the regular payment) and would provide funds for this project with no additional cash requirements. The Hospital Administration has assured the Budget Office that there would be no difficulty in meeting these payments.

This project consists of three basic sections as follows:

Section 1 Chilled plant additions (including electrical work) to provide required additional chilled water capacity.
July 9, 1970 meeting, Board of Trustees

XI. REPORTS (continued)

A. Reports from the Finance and Investment Committee (continued)

2. University Hospital, Chilled Water Systems Additions (continued)

   Section II  Chilled water distribution system and
terminal units for nurse stations and food
service areas, 6th through 11th floors.
(This section was bid separately on April
15, 1970 with all bids received over the
estimate of cost.)

   Section III  Chilled water distribution system and
terminal units for additions to air condi-
tioning, 1st through 5th floors.

   In addition the above work includes individually controlled fan coil units
(generally ceiling mounted) for air conditioning spaces where it is not
feasible to use through-the-wall units or other types of systems.

   IT IS THEREFORE RESOLVED, that the above loan, on the conditions
stated, be approved and that the Secretary be authorized and directed
to sign the plans and specifications for the above project for and on
behalf of the Board of Trustees; and

   IT IS FURTHER RESOLVED, that the Vice President for Business and
Finance be directed to proceed with a request for bids in the normal
University manner and if satisfactory bids are received, to proceed
with the award of contracts. All action regarding this matter will be
reported to the Board of Trustees at a later meeting.

Upon motion of Mr. Shocknessy, seconded by Mr. Safford, the above report and
resolution were adopted by unanimous roll call vote.

B. Report on University Hall

Vice President Robinson reminded the Board that at its May 14, 1970
meeting at which Mr. C. Curtiss Inscho was appointed as architect for the
University Hall project, President Fawcett had requested that the first
priority of the project architect should be to examine the feasibility of
retaining as much of the existing structure as possible. Dr. Robinson
indicated that Mr. Inscho was present to provide an interim report on the
matter. Before calling upon Mr. Inscho, however, Dr. Robinson requested
that Vice President Carson provide a brief chronology of the maintenance
and repair problems associated with University Hall, as well as summarize
the various structural reports which have been made in recent years.

Upon completion of Mr. Carson's presentation, Mr. Inscho reported on
his preliminary analysis and planning associated with this project. He
discussed several plans which are under active consideration.
XI. REPORTS (continued)

B. Report on University Hall (continued)

At the completion of Mr. Inscho’s presentation, Mr. Ketterer informed Mr. Paul Herbert, who had requested and had been authorized to make a presentation before the Board on this matter, that due to the length of this report and the lateness of the hour, there would be no time available for him to make his presentation. Mr. Ketterer suggested that he present a written report for study by the Board instead. Mr. Herbert objected to this suggestion and insisted that he be granted an opportunity at some future meeting to present his views which he indicated would differ materially from those of the project architect. In concluding the meeting, the Chairman stated that Mr. Herbert would be provided with an opportunity to make a presentation at an appropriate future meeting of the Board.

C. Report on the University’s Investment Portfolio

The report dated July 8, 1970, as submitted to the Finance and Investment Committee of the Board of Trustees by Vice President Gordon B. Carson pertaining to the University’s Investment Portfolio, was received and ordered to be filed with the official records of the Board of Trustees.

XII. COMMITTEE APPOINTMENTS FOR 1970-71

Mr. Ketterer announced the appointment of the following-named persons to membership on committees, boards and council as indicated:

Finance and Investment Committee

James W. Shocknessy, Chairman
William C. Safford, Vice Chairman
Frederick R. Eckley
John H. Dunlap

Retirement and Insurance Committee

Don M. Hilliker, Chairman
John H. Dunlap, Vice Chairman
Jack G. Gibbs

Development Fund Board of Directors (One-year term)

APPENDIX I

Degrees Conferred at

THE OHIO STATE UNIVERSITY COMMENCEMENT CONVOCATION

September 4, 1970
The Recipients of Honors

WILBUR J. COHEN
Doctor of Humane Letters

Dedicated humanitarian and devoted public servant who combined idealism, pragmatism and inventiveness to become a principal architect of our nation's social welfare policy.

For thirty-five years, beginning as a research assistant with President Franklin Roosevelt's Commission on Economic Security and finally as Secretary of the Department of Health, Education, and Welfare, Wilbur J. Cohen has played a key role in the formulation of every important piece of social welfare legislation enacted in the United States.

An articulate spokesman, he has constantly emphasized the interlocking relationship between health, education, and welfare, affirmed the nation's capacity to abolish poverty, and advocated replacement of the multiphasic welfare programs with a single, nationwide system as a more just and human method of handling the problems of poverty. He has sought an adequate standard of living for all people and stressed the necessity to break the cycle of poverty through education, vocational training, increased job opportunities and instruction in family planning.

Convinced that dialogue between academic scholars and public officials is necessary for the development of sound welfare policy, he has combined his government career with teaching on the faculties of the University of California at Los Angeles, the Catholic University of America and the University of Michigan where currently he is Dean of the School of Education. During his service as an academician, he often commutes to Washington, D. C., to serve as a consultant to government programs and to testify before Congressional committees on significant pending legislation.

Mr. Cohen is a regular contributor to professional literature and has received numerous awards and prizes from professional associations for his distinguished service. In addition, he has received several honorary degrees, including one from his alma mater, the University of Wisconsin.

The Ohio State University is privileged to honor Wilbur J. Cohen for his outstanding contributions to the welfare of mankind through his belief in the worth and dignity of each individual and in the responsibility of society to nurture the full potential of all people.

VINCENT G. DETHIER
Doctor of Science

An imaginative and influential scholar, whose research on insect sensory chemistry has greatly increased man's understanding of insect behavior and control.

Vincent G. Dethier is a highly original and productive investigator in the field of general and comparative physiology with special reference to the physiology of insects. He is one of a handful of scholars who have transformed this subject into a lively and important area of contemporary biology.

Through his studies Dr. Dethier has identified some of the compounds in plants that attract insects and induce them to feed. He has also determined chemical entities in plants that are insect repellent. Using delicate techniques, he has been able to measure the effect on insects of known chemical components in plants, and to determine the minute nervous pathways that stimulate or inhibit feeding. His findings have influenced breeders of insect-resistant plants.

Born in Boston, Massachusetts, Dr. Dethier received his A.B., A.M., and Ph.D. degrees from Harvard University. He served on the faculty of John Carroll University and later became an entomologist in North Africa and the East Indies in the U.S. Army. In 1946 he was appointed a Professor of Zoology at The Ohio State University and later joined the faculty of Johns Hopkins University leaving that institution in 1958 to become Professor of Zoology and Psychology at the University of Pennsylvania. In 1967, he accepted his present position as Professor of Zoology at Princeton University.

Dr. Dethier is author of three books, Chemical Insect Attractants and Repellents, Physiology of Insect Senses, and To Know a Fly, and co-author of the book, Animal Behavior. He contributed to the book, Insect Physiology, and is Editor of the Journal of Insect Physiology. Dr. Dethier has received many honors including the honorary Sc.D. from Providence College and a Guggenheim Fellowship in the Netherlands, 1964-65. He is one of only four entomologists in the National Academy of Science and he serves as a consultant to the Canadian Defense Board and the United States Office of the Surgeon General.

An internationally recognized teacher, Dr. Dethier's books and papers have attracted students to him from many countries. The Ohio State University is proud to honor this distinguished scholar and teacher for his contributions to science and mankind.
FREDERICK VINTON HUNT

Doctor of Science

Internationally recognized scientist, author, and distinguished teacher whose pioneering developments in acoustics and electronics affect the modern, listening world.

As leader, inspiring teacher, acclaimed researcher, prolific author, Frederick Vinton Hunt stands as eloquent testimony to the high spirit of service which is so fundamental to an academic institution.

Born in Barnesville, Ohio in 1905, he received the Bachelor of Arts degree in 1924 and the Bachelor of Electrical Engineering degree in 1925 from The Ohio State University. In 1923, Dr. Hunt enrolled at Harvard University and accepted a position as Instructor in Physics and Communication Engineering. His stay at Harvard has been continuous since that time, and until recently has held the title of Rumford Professor of Physics and Gordon McKay Professor of Applied Physics.

Pioneering has been the keynote to Dr. Hunt's accomplishments. In the 1930's he performed some of the first important work in architectural acoustics from a modern viewpoint and collaborated in research which was the forerunner of modern high-quality sound production systems. This work was but the first of many accomplishments in sound reproduction for which he was awarded the Berliner Award of the Audio Engineering Society in 1954.

In 1941, he established the Harvard Underwater Sound Laboratory, whose immense accomplishments included the development of sonar and other systems which greatly attenuated the threat of enemy submarines during World War II. This work earned Dr. Hunt the Presidential Medal of Merit in 1947.

Dr. Hunt has continued to work vigorously in the areas of sound reproduction, phonograph pick-up design, and the theoretical and practical aspects of signal detection in underwater sound. Author of a classic text, *Electroacoustics*, as well as over 60 technical publications, Dr. Hunt is the holder of 18 patents. The high honors accorded Dr. Hunt have been numerous, including the John H. Potts Memorial Award from the Audio Engineering Society, the Gold Medal Award from the Acoustical Society of America and the honorary degree, Doctor of Science, from Harvard University.

The Ohio State University is privileged to honor an alumnus whose dedication and genius have so fully enriched his profession and his community.

FRITZ LOEWE

Doctor of Science

Outstanding scholar of global meteorology and glaciology whose atmospheric studies and polar explorations have advanced man's knowledge of the environment.

Fritz Loewe is an internationally renowned meteorologist, glaciologist, and polar explorer whose dedication to man's quest for knowledge of the uncharted environment has influenced colleagues and students the world over.

Born 75 years ago in Berlin, Dr. Loewe's fascination with the new flying machine led him to the study of meteorology after World War I. In 1923 he received the Doctor of Philosophy degree in Geography from Berlin University.

Possessing a love for exploration, Dr. Loewe was a pioneer aviator in high altitude meteorology, and in 1925 became the head of the new Meteorological Research Flight of the Prussian Meteorological Service. From 1929 to 1931, Dr. Loewe participated in the Wegener Greenland Expedition and mankind's first wintering on an ice cap. Dr. Loewe's analysis of this and subsequent expeditions to Greenland laid the foundation for the current renaissance of polar science.

Dr. Loewe left Germany in 1934 for England and Cambridge's Scott Polar Research Institute. In 1937, Dr. Loewe and his family moved to Melbourne where he founded the first meteorology department in Australia at the University of Melbourne. During the next 25 years, Dr. Loewe trained most of Australia's present meteorologists, shared in the discovery of the Southern Subtropical Jet Stream and made Melbourne an internationally recognized meteorological center.

With a continued interest in exploration, Dr. Loewe participated in a French Antarctic Expedition which led to a broad study of Antarctic heat and mass balance, a significant Australian study on drifting snow, and a glacier survey of the Nanga Parbat region in the Himalayas. Since his retirement from the University of Melbourne in 1961, he has been a Research Fellow at The Ohio State University's Institute of Polar Studies and during this period has twice revisited the Greenland ice cap.

The recipient of the British Polar Medal, Dr. Loewe has received many additional professional recognitions, and his numerous scientific papers reflect his broad interests and encyclopedic knowledge. The Ohio State University is privileged to honor Fritz Loewe, a distinguished scientist, scholar, and educator.
MARY E. SWITZER

Doctor of Humane Letters

*Humanitarian and distinguished administrator of services to mankind, whose leadership has inspired governmental and voluntary agencies throughout the world.*

For thousands of disabled, handicapped, and deprived citizens, Mary E. Switzer's leadership and inspiration have opened doors to greater dignity, self-determination, achievement, and an increased realization of the quality of life.

An alumna of Radcliffe College, Miss Switzer's career spans forty-nine years of Federal Service. From the beginning she has held responsible positions within a variety of governmental agencies, including the Treasury Department, the White House Editorial Reports Service, and the Federal Security Agency.

Miss Switzer served as a U.S. Representative to the first International Health Conference which developed the charter of the World Health Organization, and her concern and love for her fellow man have endeared her to colleagues and friends throughout the world. Under her leadership, the Federal-State Program of Rehabilitation progressed from the smallest beginnings to the achievement of more than two-hundred thousand rehabilitants annually. Through her efforts, rehabilitation research, non-existent before her work, has enjoyed enormous growth and support, as evidenced by the success of the International Research and Demonstration Program which has coordinated 237 projects in 14 countries since 1960.

As Director of the Social and Rehabilitation Services of the Department of Health, Education and Welfare, she undertook the largest and most distinguished administrative responsibility of any woman in American government—a position of trust and responsibility for a six billion dollar budget and the rehabilitation of the nation's disabled and deprived. To further advance our nation's health, education, and welfare, Miss Switzer helped develop academic programs in many universities for the training of physicians, therapists, and members of the rehabilitation team, and for the effective development of the team concept itself.

A woman of spirit and imagination, Miss Switzer's vitality and dedication to a cause has brought her numerous academic, professional, and distinguished citizenship awards. The Ohio State University adds with pride a new accolade in recognition of this outstanding American whose contributions to public health and rehabilitation have improved the lives of thousands of persons throughout the world.

JOHN A. VOLPE

Doctor of Public Administration

*An enlightened public servant and administrator, dedicated to the expansion and improved quality of governmental service for the people of America.*

With perseverance and dedication, John A. Volpe, the second Secretary of Transportation, has contributed greatly to the field of public service throughout his successful career as a government administrator.

Born of Italian immigrant parents in the Boston suburb of Wakefield, Massachusetts, Mr. Volpe received a degree in architectural construction from the Wentworth Institute in 1930. Three years later he formed the John A. Volpe Construction Company which established a national reputation for excellence in the construction field. Mr. Volpe's business career was interrupted during World War II, when he volunteered for duty with the Civil Engineer Corps of the U.S. Navy and attained the rank of Lieutenant Commander.

Following military service, Mr. Volpe became active in civic affairs, and served as a member and commissioner of the Massachusetts Commission of Public Works from 1953 to 1956. In 1956 President Dwight D. Eisenhower appointed him the first Federal Highway Administrator, and in this position Mr. Volpe played a major role in establishing the $60 billion Interstate Highway Program. In 1960, Mr. Volpe was elected to the first of his three terms as Governor of Massachusetts, and in 1969 he was appointed Secretary of Transportation by President Richard M. Nixon. As Secretary of Transportation, Mr. Volpe has directed his efforts towards developing a balanced transportation policy that will conserve natural resources and serve the needs of the American people.

Recognized by his colleagues as an able leader and decision-maker, Mr. Volpe has served as chairman of the National Governors' Conference and as president of the Council of State Governments, the Society of American Military Engineers, the Associated General Contractors of America and the Greater Boston Chamber of Commerce. Mr. Volpe has received many accolades for his public service including the highest honor of the Order of Merit of the Italian Republic, the Knight of the Great Cross. Mr. Volpe has also been the recipient of 21 honorary degrees.

The Ohio State University is proud to confer the degree, Doctor of Public Administration, upon this talented government official whose integrity, insight and keen interest in public service is exemplified by his outstanding record.
JOHN D. KRAUS

The Joseph Sullivant Medal Award

An internationally recognized engineer and physicist, known for his pioneering research in radio astronomy and creative engineering applications of electromagnetic theory.

John D. Kraus has greatly contributed to man's knowledge of the Universe through his significant research and inventions, and he has been a pioneer in the development of a new area of physical science, radio astronomy.

Born sixty years ago in Ann Arbor, Dr. Kraus received his B.S., M.S., and Ph.D. degrees in physics at the University of Michigan. Although many early techniques developed by Dr. Kraus were applied in diverse fields, the perfection and expanded use of the radio antenna became his primary interest while serving as a researcher and consultant at the University of Michigan, the U.S. Naval Ordinance Laboratory, Harvard Radio Research Laboratory and The Ohio State University.

Dr. Kraus originated the flat-top beam antenna which has been used extensively the world over in amateur and high-frequency communication for nearly thirty years. Later, he invented the corner reflector antenna, the helical antenna, and other antenna types used for television transmission and reception, for aircraft communication and control, and the launching, control, and tracking of space vehicles. His design for the 340-foot Ohio State University radio telescope at Delaware, Ohio, has recently been adopted as a pattern for radio telescopes around the world.

As Director of the renowned Ohio State-Ohio Wesleyan Radio Observatory, Dr. Kraus has initiated and guided a survey of the radio sky which has led to the location and cataloging of over six thousand previously unknown radio sources in the last five years. With data from this survey, Dr. Kraus and his Ohio State research staff have found an effect which may be related to the apparent boundaries of the physical universe. Also, while observing the first Sputnik satellites, Dr. Kraus discovered the sporadic ionization effect which is observed on large orbiting satellites at high magnetic latitudes.

A noted educator, Dr. Kraus has trained some of the world's leading teachers and researchers of radio astronomy and he has written four books of international acclaim, including Radio Astronomy, the world's only textbook on the subject.

The Ohio State University is privileged to honor John D. Kraus, a distinguished scientist and educator, as recipient of the 1970 Joseph Sullivant Medal Award for his outstanding contributions to his profession and the University.

The Sullivant Medal is awarded once every five years to a distinguished alumnus, former student, or faculty member who has made notable achievements in his profession. The medal is a memorial to Joseph Sullivant, who as a member of the first Board of Trustees, was extremely influential in determining the character and future of The Ohio State University.

The Board of Trustees met at its regular monthly meeting on Thursday, September 10, 1970, at The Ohio State University, Columbus, Ohio, pursuant to adjournment.

Minutes of the last meeting were approved.
President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Honorary Degree

Pursuant to Section 3, Rule 11.05, of Rules for the University Faculty, and after consultation with the Faculty Advisory Committee to the President and the Board of Trustees, the honorary degree--Doctor of Public Administration--was conferred upon John A. Volpe, Secretary of Transportation, at the September 4, 1970 Commencement.

It was recommended that the action of the President be ratified.

Upon motion of Mr. Eckley, seconded by Mr. Dunlap, the Board of Trustees approved the said action by unanimous voice vote.

B. Joseph Sullivant Medal Award

The Joseph Sullivant Medal is awarded once every five years as a memorial to the eminent services of Mr. Joseph Sullivant, who as a member of the first Board of Trustees contributed significantly in determining the character and future of The Ohio State University.

Pursuant to the authority of the Board of Trustees, nominations for the award were referred through the Dean of the Graduate School and the final selection of an individual for the award was made by the Board of Award appointed by the President. This Board carefully reviewed the candidates' qualifications and selected Dr. John D. Kraus, Professor of Electrical Engineering and Director of the Radio Observatory at The Ohio State University. The Medal was awarded at the September 4, 1970 Commencement Convocation.

President Fawcett requested that the action in granting the Joseph Sullivant Medal be ratified.

Upon motion of Mr. Eckley, seconded by Mr. Dunlap, the Board of Trustees approved the said action by unanimous voice vote.

C. Revision of Article I, Section 1, of the Bylaws of the Board of Trustees of The Ohio State University

At the request of the majority of the Trustees, President Fawcett recommended that Article I, Section 1, of the Bylaws of the Board of Trustees of The Ohio State University be revised as follows to provide for a new date for Board meetings:

Unless otherwise specified by the Chairman, regular meetings of the Board of Trustees shall be held on the first Friday of each month except the month of August, during which there will be no regular meeting.

Upon motion of Mr. Shocknessy, seconded by Mr. Hilliker, the Board of Trustees approved the above recommendation by unanimous voice vote.
I. GENERAL RECOMMENDATIONS (continued)

D. Establishment of the Degree, Doctor of Arts

The Faculty Council on September 1, 1970, approved the proposal from the Council on Academic Affairs for the establishment of the degree, Doctor of Arts.

The Doctor of Arts degree is proposed as the alternate degree for the preparation of the college teacher. The Graduate School is to have responsibility for administering this degree. It is intended that the Doctor of Arts degree will provide an alternative to the Ph. D. degree, particularly for those who wish a career in teaching.

President Fawcett recommended that the action of the Faculty Council be approved. Pursuant to Section 3333.04 of the Revised Code of Ohio, it was recommended further that this proposal be forwarded to the Board of Regents for approval; and subject to this approval that this action become effective as programs are approved for various departments of the University.

Upon motion of Mr. Eckley, seconded by Mr. Shocknessy, the Board of Trustees approved the above recommendations by unanimous voice vote.

The Faculty Council on September 1, 1970, approved two additional Rules for the University Faculty to provide for the creation of the Office of Ombudsman (Rule 11.12) and for establishment of the Advisory Committee on Campus Grievances (Rule 29.2731). The creation of this office requires the revision of Rules 11.11 (President's Cabinet), 11.13 (Principal Administrative Officials) and 29.25 (Records of the University Faculty) to incorporate "the University Ombudsman" in the list of persons having access to the records of the President's Cabinet, administrative officials and the University Faculty.

Rules 29.2701 (Council on Academic Affairs) and 29.2707 (Research Council) have been modified to provide for student membership on these bodies. (See Appendix II for complete text of Rule changes, page 141.)

President Fawcett recommended that the action of the Faculty Council be approved.

Upon motion of Mr. Hilliker, seconded by Mr. Dunlap, the Board of Trustees approved the foregoing recommendation by unanimous voice vote, and the Secretary of the Board of Trustees was further instructed and given authority to make the foregoing additions in the next printing of the Rules for the University Faculty.
September 10, 1970 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

F. Reorganization and Realignment of Central Administrative Structure of The Ohio State University

President Fawcett presented the following statement pertaining to the reorganization of the University:

A university to be vital must have a responsiveness to the evolving needs of the people which it serves. For this University to fulfill this responsibility, particularly in a time of great enrollment pressures, the knowledge explosion, the ever-expanding needs for new and improved programs, the greatly increasing demands for service, as well as the generally higher expectations of society, requires constant reevaluation and realignment of administrative structure. It is my responsibility as President to continue to effect realignments in this structure which I believe will be most responsive to the needs of the University.

During this past summer I have completed such a reevaluation and I am now convinced that this University is at a point where an administrative realignment is not only highly desirable but also necessary. I should now like to take a few minutes to set forth the essential aspects of this realignment which, with your approval, I propose to implement at the earliest possible date. (See page 89, Organization of the Ohio State University.)

First, as a further extension of the concept established last year of assigning the Vice President for Academic Affairs and Provost and the Vice President for Administrative Operations directly to the Office of the President, I am now proposing that the authority of these two officers be modified so as to act, with some alteration in title, as my deputies; in the case of the Provost and Vice President for Academic Affairs for matters relating to the academic program of this University, and in the case of the Executive Vice President for Administrative Operations for matters relating to the administrative operations of this University.

There is a need at this time for additional recognition and concomitant authority in two of the most rapidly developing and critical areas of the University--Regional Campuses and University College, and Medical Affairs. Through the creation of new vice presidencies with cabinet-level status in each of these areas it is hoped that they can best realize their fullest potential.

The Vice President for Regional Campuses and University College will have the assigned responsibility for the continued development and coordination of this University's four regional campuses, Lima, Mansfield, Marion and Newark, and University College including the facilities as well as the resources.
September 10, 1970 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

F. Reorganization and Realignment of Central Administrative Structure of The Ohio State University (continued)

President Fawcett's Statement (continued)

The Vice President for Medical Affairs will be charged with the responsibility for the continued planning, development and management of the University Medical Center including the present University Hospital and the $51 million of new facilities, the responsibility for the coordination of the Affiliated Hospitals Program, the new Mental Retardation Facility, Animal Laboratories, Regional Medical Programs, the Medical Library and the nonacademic aspects of the College of Medicine.

I am also proposing a realignment of several administrative areas which should result in better coordination with other closely allied administrative offices as well as a greater consistency of responsibility. These include the following reassignments:

-- Alumni Records Office to the Office of University Development which now represents the President in the coordination of the Alumni Association and the Development Fund.

-- Mershon Auditorium to the Office of University Development since this office presently is charged with the administration of special events on this campus.

-- University Housing to the Office of Business and Finance which already has the responsibility for the operation, maintenance and debt service of all University residential facilities.

-- The Office of Admissions and the Office of the Registrar to the Executive Vice President for Administrative Operations so as to bring these activities more closely in line with the administrative systems developmental activities of the University.

-- The Traffic Department and the Traffic and Parking Commission to the Executive Vice President for Administrative Operations so as to place the Vice President for Student Affairs in a stronger student advocacy role.
I. GENERAL RECOMMENDATIONS (continued)

F. Reorganization and Realignment of Central Administrative Structure of The Ohio State University (continued)

President Fawcett's Statement (continued)

With this transfer of responsibility as well as the others previously mentioned, a greater opportunity should be provided the person in this role to work directly with student organizations and student government as well as on an individual student basis.

-- And, finally, I have the view that the person appointed Ombudsman for the University should have direct access to the Office of the President. I am also convinced that I must have direct access to the person occupying the position of Director of Public Safety. Accordingly, I have provided for the direct reporting of both of these officers along with the Director of the University Budget and Director of Administrative Research and Systems.

In a limited time I have attempted to outline some of the more major aspects of the realignment in central administration which I am proposing. Obviously many hours have been spent in discussions and reflection of all of the various aspects and ramifications of these changes. And many more hours will have to be spent in discussions before all of these changes can be effected. Finally, I am convinced that this structure will be more responsive than the present alignment in administering this University's various programs.

I am now recommending for your action the necessary revisions in the Statutes, By-Laws and Rules of the University Faculty in support of this realignment. Upon favorable action on these recommendations I will implement the necessary personnel actions as rapidly as possible to achieve this administrative structure.

In accordance with the Memorandum of Agreement between The Ohio State University and The Ohio State University Research Foundation approved by this Board on April 11, 1968, the President recommended that the following projects administered through the Research Foundation be approved and recorded in the minutes of this meeting.

1. Government Research Contracts - Federal

b. Department of Air Force, Systems Engineering Group, Aeronautical Systems Division, Wright Patterson Air Force Base, Ohio, Contributive Research in the Physical and Engineering Sciences (to be known as Project No. 2443 - Amend. #12 - Research Foundation). Gross Value - $250,000.00.

III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

1. Government Research Contracts - Federal (continued)

   Gross Value - $17,200.00.

e. Department of Air Force, Air Force Systems Command, Aeronautical Systems Division, Wright Patterson Air Force Base, Ohio, Research on Intrinsic Surface Properties and Their Relation to the Mechanical Behavior of Metals and Alloys (to be known as Project No. 2726 - Mod. #P00003 - Department of Metallurgical Engineering).
   Gross Value - $16,236.00.

f. Department of Air Force, Air Force Systems Command, Aeronautical Systems Division, Wright Patterson Air Force Base, Ohio, Antennas with Solid State Circuitry (to be known as Project No. 2744 - Mod. #P003 - Department of Electrical Engineering).
   Gross Value - $40,000.00.

g. Department of Air Force, Air Force Systems Command, Aeronautical Systems Division, Wright Patterson Air Force Base, Ohio, Antennas with Solid State Circuitry (to be known as Project No. 2744 - Mod. #P00004 - Department of Electrical Engineering).
   Gross Value - $45,000.00.

h. Department of Air Force, Air Force Systems Command, Aeronautical Systems Division, Wright Patterson Air Force Base, Ohio, Laser Propagation Investigation (to be known as Project No. 2819 - Mod. #P00003 - Department of Electrical Engineering).
   Gross Value - $36,000.00.

i. U. S. Army Mobility Equipment Research and Development Center, Research and Development Procurement Office, Fort Belvoir, Virginia, Near Field Antenna Components for Mine Detectors (to be known as Project No. 2857 - Mod. #P00001 - Department of Electrical Engineering).
   Gross Value - $27,263.00.

j. Agency for International Development, Office of Procurement, Contract Services Division, Washington, D. C., Analysis of Capital Formation and Technological Innovation at the Farm Level in LDCs (to be known as Project No. 2871 - Amend. #3 - Department of Agricultural Economics and Rural Sociology).
   Gross Value - $286,173.00.
III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

1. Government Research Contracts - Federal (continued)

k. Rome Air Development Center, Griffiss Air Force Base, New York, Investigation of 10.6 Micron Propagation Phenomena (U) (to be known as Project No. 2880 - Mod. #00002 - Department of Electrical Engineering).
Gross Value - $189,943.00.

Gross Value - $110,000.00.

m. Naval Regional Procurement Office, U. S. Navy Base, Philadelphia, Pennsylvania, Development of a Method to Produce Pictures with Acoustic Energy (to be known as Project No. 2976 - Mod. #004 - Department of Welding Engineering).
Gross Value - $3,025.00.

n. Department of Air Force, Air Force Systems Command, Aeronautical Systems Division, Wright Patterson Air Force Base, Ohio, Transpiration Cooling (to be known as Project No. 2977 - Mod. #002 - Department of Mechanical Engineering).
Gross Value - $5,050.00.

o. Department of Air Force, Air Force Systems Command, Aeronautical Systems Division, Wright Patterson Air Force Base, Ohio, Transpiration Cooling (to be known as Project No. 2977 - Mod. #00003 - Department of Mechanical Engineering).
Gross Value - $36,950.00.

Gross Value - $24,928.00.

Gross Value - $33,200.00.
III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and

2. Industrial Research Contracts

   Ext. #2

   Ext. #3

   EES 375X  Analytical and Experimental Study of Safety-Relief Valve Ratings When Subjected to Saturated Liquids, National Board of Boiler and Pressure Vessel Inspectors, Columbus, Ohio. Gross Value - $5,000.00.

TOTAL - Industrial Research Contracts $38,614.00

C. Agreements Between the Division of Vocational Education of the State Department of Education and The Ohio State University

President Fawcett recommended that the agreements between The Ohio State University and the State Department of Education, Division of Vocational Education, be continued on a year-to-year basis, and that the contracts for teacher training and special services in the following areas be approved:

   Business and Office Education
   Distributive Education
   Guidance Services
   Trade and Industrial Education
   Vocational Education
   Vocational Agriculture
   Vocational Home Economics

It was recommended further that the President of the University and the Secretary of the Board of Trustees be authorized to sign the agreements on behalf of the University on a year-to-year basis.

Upon motion of Mr. Eckley, seconded by Mr. Gibbs, the above recommendations were approved by unanimous roll call vote.

IV. GRANTS AND GIFTS (continued)

B. Received Through The Ohio State University Development Fund (continued)

10. Thomas C. Holy Fellowship Fund (continued)

All gifts are to be invested in the University's Investment Portfolio, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income from this fellowship, established during the University's Centennial, is to be used to provide one or more fellowships for doctoral students at The Ohio State University in the field of Education whose major professional interest is in one of these fields: public school administration, higher education, educational research and development, or school plant facilities.

Should the need for this fellowship cease to exist or so diminish as to provide unused income, or should the College of Education cease to exist through any reorganization of the University, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for Education in the fields of public school administration, higher education, educational research and development, or school plant facilities.

11. $10,000.00 from the University's YMCA and YWCA Advisory Board for the establishment of The Ohio State University YMCA-YWCA Scholarship.

The Ohio State University YMCA-YWCA Scholarship was established September 10, 1970, by the Board of Trustees of The Ohio State University with a gift to The Ohio State University Development Fund from the University's YMCA and YWCA Advisory Board.

All gifts are to be invested in the University's Permanent Endowment, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The income is to be used annually to provide one or more scholarships to students. The awardees are to be selected by the University's Scholarship Committee. Academic potential or proven record, financial need and personal character are to be considered by the Committee in the selection of these students.

Should the University Scholarship Committee cease to exist through any reorganization of the University, or should the need for scholarships so diminish as to leave unused income, then the annual income from this endowment fund may be used for any purpose whatsoever as determined by the Board of Trustees with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for student aids.

VII. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE

A. Lima Campus, Pipe Line Easement - Buckeye Pipe Line Company

The Buckeye Pipe Line Company has requested a pipe line easement on State of Ohio lands that have been designated for the use of The Ohio State University Lima Campus. The standard easement charge as calculated by the Ohio Department of Public Works is $1,100.54.

It was recommended that the President and/or Vice President for Business and Finance be authorized to request that the Director of Public Works, pursuant to his statutory duties, act on behalf of the University in developing the necessary legal instruments to provide for the pipe line easement.

Upon motion of Mr. Gibbs, seconded by Mr. Hilliker, the above recommendation was approved by unanimous roll call vote.

B. George F. Roth and Partners' Contracts with the University

The University has been notified that the architectural and engineering firm of George F. Roth and Partners is incorporating with no change in personnel, character or method of service or obligations.

Since the University has two active contracts for this firm's services, the "University Affiliated Facility for the Mentally Retarded" and the "Parking Ramp - Medical Area," President Fawcett recommended that the Board of Trustees grant permission to the Vice President for Business and Finance to transfer these contracts from George F. Roth and Partners to George F. Roth and Partners, Inc.

Upon motion of Mr. Eckley, seconded by Mr. Dunlap, the above recommendation was approved by unanimous roll call vote.

VIII. RESOLUTIONS IN MEMORIAM

President Fawcett reported to the Board the deaths of Edgar Littlefield, Professor Emeritus in the College of The Arts - Division of Art; Elwood Parrott, Assistant Professor (County Extension Agent, Agriculture) Marion County in the Cooperative Extension Service; and Ruth Lloyd Wilkins, Professor Emeritus in the College of Administrative Science. In accordance with the instructions of the Board of Trustees, copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board will be furnished the families of the deceased.

A. Edgar Littlefield

The Board of Trustees of The Ohio State University expresses its sorrow at the death on June 20, 1970, of Edgar Littlefield, Professor Emeritus in the College of The Arts - Division of Art.
VIII. RESOLUTIONS IN MEMORIAM (continued)

A. Edgar Littlefield (continued)

Professor Littlefield was born on July 27, 1905, in Nashville, Tennessee. He was graduated from New Lexington High School, New Lexington, Ohio, in 1924. In 1928, he received his Bachelor's Degree in Ceramic Engineering at The Ohio State University. In 1929, he became an Assistant Instructor in the Ceramic Art Area in the Department of Fine Arts where he attained the rank of Professor in 1945.

Professor Littlefield was a member of the American Ceramic Society, Columbus Art League and Sigma Pi fraternity. His work in ceramics was exhibited in national, state and local exhibitions, the San Francisco World's Fair and in a traveling exhibition of American ceramics shown in Norway, Finland, Denmark and Great Britain. From a number of national ceramic exhibitions sponsored by the Syracuse Museum of Art, his work was selected for national circulation. He was awarded prizes in National Ceramic Exhibitions and in a number of Columbus Art League shows held at the Columbus Gallery of Art.

Professor Littlefield, as a teacher of ceramics, contributed greatly to the reputation and the prestige that ceramic art at The Ohio State University enjoys nationally. Through his many students, his influence has affected the quality, growth and development of ceramic art and ceramic art education. He was competent in ceramic technology, taught glaze calculations, designed kilns and conducted glaze research and development. For a period, he served as Chairman of the Ceramic Art Area and served on various committees with distinction. His students, friends and associates will remember him for his quiet humor and selfless generosity in helping all who came to him with a problem and for his dedication to the pursuit of excellence in all things.

On behalf of the University at large, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

B. Ellwood Parrott

The Board of Trustees of The Ohio State University expresses its sorrow at the death on July 20, 1970, of Ellwood Parrott, Assistant Professor (County Extension Agent, Agriculture) Marion County, in the Cooperative Extension Service.

Mr. Parrott was born January 16, 1926, in Magnetic Springs, Ohio. He spent his early life on a farm near Magnetic Springs. After graduating from high school, he enrolled as a student in the College of Agriculture and Home Economics at The Ohio State University where he was awarded the Bachelor of Science in Agriculture degree in 1947 and the Master of Science degree in 1963.
September 10, 1970 meeting, Board of Trustees

VIII. RESOLUTIONS IN MEMORIAM (continued)

B. Ellwood Parrott (continued)

From 1947 to 1950, Mr. Parrott was employed as vocational agricultural education teacher in the Gettysburg and McCutchensville school systems. In 1952, he was appointed as Instructor and Associate County Agent with the Cooperative Extension Service in Marion County and was designated County Extension Agent, Agriculture, in 1954. He received his appointment as Assistant Professor in 1967.

Throughout his career as a faculty member with the Ohio Cooperative Extension Service, Mr. Parrott enjoyed the respect and admiration of the people in Marion and surrounding counties and of his fellow workers. His ability to organize and execute effective educational programs was widely recognized. He served on many important professional committees and task forces. In 1967, he was presented the Distinguished Service Award by the National Association of County Agricultural Agents.

On behalf of the University community, the Board of Trustees expresses to the family of Mr. Parrott its deepest sympathy. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that a copy be tendered to the family as a sincere expression of the Board’s realization of the loss which the family and the University have sustained.

C. Ruth Lloyd Wilkins

The Board of Trustees of The Ohio State University expresses its sorrow at the death on May 29, 1970, of Ruth Lloyd Wilkins, Professor Emeritus in the College of Administrative Science.

Professor Wilkins was an Ohio native, born in 1905. She was graduated from Portsmouth High School in 1923. She attended The Ohio State University, receiving the Bachelor of Arts degree with a major in political science in 1927 and the Bachelor of Laws degree in 1929. For several years Professor Wilkins was active in the practice of law and served two terms as a representative in the Ohio State legislature. In 1945 she first joined the University faculty as a lecturer in business law.

During the years 1952 to 1957, Professor Wilkins served as general counsel to the Ohio Turnpike Commission. She returned to teaching in 1957 with professorial rank and served the students and this University in a devoted and inspiring manner.

In addition to her teaching and professional activities, Professor Wilkins made a great contribution to the general student-faculty relations on this campus. She served several years on the Council on Student Affairs and advised the Mortar Board honorary. In the year prior to her retirement, she devoted many hours to recodifying the University student rules and regulations. Those who knew her admired her dedication to her work, her great competency and her kindly manner.
VIII. RESOLUTIONS IN MEMORIAM (continued)

C. Ruth Lloyd Wilkins (continued)

On behalf of the University community, the Board of Trustees expresses to the family of Professor Wilkins its deep sympathy. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that a copy be tendered to the family as a sincere expression of the Board's realization of the loss which the family and the University have sustained.

IX. REPORTS

A. Blue Cross Insurance Program for Faculty, Staff and All Regular Employees

The President on behalf of the Finance and Investment Committee presented the following resolution amending the Blue Cross insurance program for the faculty, staff and all regular employees of The Ohio State University:

BE IT RESOLVED by the Board of Trustees of The Ohio State University, that the Blue Cross insurance coverage for hospital confinement be increased from 70 days to 120 days, effective December 1, 1970. The additional monthly premium required for this improvement will be $0.06 for single persons and $0.15 for persons with insured dependents.

Upon motion of Mr. Shocknessy, seconded by Mr. Eckley, the above resolution was adopted by unanimous roll call vote.

B. Report on Action Taken by the Ohio Board of Regents at Its Meeting Held June 19, 1970

President Fawcett reported for information and the record that the Ohio Board of Regents took the following action which pertains to The Ohio State University at the meeting on June 19, 1970:

In accordance with the provisions of H. B. 531 of the 108th General Assembly, the following schedule of fees was approved for The Ohio State University, effective with the Autumn Quarter, 1970:

C. President Fawcett’s Report on Policy for Handling Disruption

The President presented the following report:

I should like to report to you at this time on the general subject of disruption. This report will be divided into two parts:

One, The status of the cases of those students who were accused of disruption, and

Two, The policy, rules, regulations, procedures and legislation to be applied to any future disruption, disruption that we do not want and do not indeed expect, but for which we must be firmly prepared.

One, Status report on student discipline cases as of September 8, 1970:

Cases heard by University Hearing Officers 27

Disposition of cases:

Finding of guilty 18

Recommendations:

One quarter suspension 6
Two quarters suspension 5
Disciplinary dismissal, three or more quarters 7

Finding of not guilty 4

Cases pending decision 5

Cases scheduled to be heard by Hearing Officers 2

Non-arrest cases of disruption yet to be considered for referral 4

Cases (from the courts) ready to be scheduled before Hearing Officers 2
September 10, 1970 meeting, Board of Trustees

IX. REPORTS (continued)

C. President Fawcett's Report on Policy for Handling Disruption (continued)

Additional cases that can be considered for scheduling when criminal action is completed

Cases that were not determined suitable for scheduling for hearing before the University Hearing Officers

Cases - charges withdrawn after case scheduled

Two, I wish to make clear that in addition to existing policy, rules, regulations, and procedures pertaining to disruption, Amended Substitute House Bill No. 1219 enacting Sections 2923.61 and 3345.22 to 3345.26 inclusive, of the Revised Code becomes effective next week, September 16, 1970. While experience with this new law may prove it adequate to the task of controlling campus disorder and negate the need for other rules, it is our intent to retain all present and current policy, rules, and procedures, including the present Disruption Rules 51.03 and 51.05 with the extant Hearing Officer concept and procedures.

It has been my expectation that a modification of the general conduct rule could adequately supplement the new legislation so as to make the current rules on disruption unnecessary. However, after counsel with our legal representative and others, I must conclude that, at least for the present, this course of action is not feasible or advisable.

Therefore, pending a revision of our rules and the development of a code of conduct based upon our experience with the Hearing Officer system and the new legislation, it is my belief that the University must both retain and utilize all existing policy, rules, and procedures.

D. Report on the University's Investment Portfolio

The report dated September 9, 1970, as submitted to the Finance and Investment Committee of the Board of Trustees by Vice President Gordon B. Carson pertaining to the University's Investment Portfolio, was received and ordered to be filed with the official records of the Board of Trustees.
September 10, 1970 meeting, Board of Trustees

IX. REPORTS (continued)

E. Report on University Hall by Mr. Paul M. Herbert

Mr. Paul M. Herbert presented a report on behalf of the Committee for Rehabilitation of University Hall in support of the rehabilitation of the existing structure. The complete copy of the report has been filed with the official records of the Board of Trustees.

Thereupon the Board adjourned to meet Wednesday, October 7, 1970, at the Ohio Agricultural Research and Development Center, Wooster, Ohio, at 9:00 a.m.

APPENDIX II

Approved by Faculty Council
September 1, 1970

Adopted by Board of Trustees September 10, 1970
(See page 87)
Rules for the University Faculty

The Faculty Council on September 1, 1970, approved certain changes in Rules for the University Faculty as enumerated below:

(1) Creation of the Office of Ombudsman
(2) Establishment of the Advisory Committee on Campus Grievances
(3) Revision of existing Rules 11.11, 11.13 and 29.25 to incorporate the University Ombudsman
(4) Revision of Rules 29.2701 and 29.2707

Section 1. The Ombudsman shall be appointed by the President with the approval of the Board of Trustees, from among a panel of three candidates presented by the Advisory Committee on Campus Grievances (see Rule 29.2731). Qualifications for the office shall include a comprehensive knowledge of University organization and procedures, and a resident appointment at Ohio State for at least six consecutive years. The Ombudsman shall serve for a three-year term and be eligible for reappointment.

Section 2. The functions of the Ombudsman shall be (a) to receive and attempt to resolve individual grievances of members of the University community, except in those cases which involve University employees of the Classified Civil Service who have access to other grievance procedures; and (b) to recommend procedural changes within the University in response to experience acquired in investigating individual cases. The Ombudsman shall have access to all administrative officials of the University and to all University records, including those of faculty members. He will not have authority to take disciplinary action, reverse decisions, or circumvent existing University rules and procedures. He shall supplement, not replace, other means for redress of grievances.

Section 3. The Ombudsman shall make periodic reports to the University community at large.

29.2731. Advisory Committee on Campus Grievances.

Section 1. The Advisory Committee on Campus Grievances shall be composed of ten members selected as follows:

- two faculty members, selected by the Faculty Council
- two undergraduate students, selected by the Student Assembly
- two graduate students, selected by the Council of Graduate Students
- two alumni, selected by The Ohio State Alumni Association
- two non-teaching staff, appointed by the President of the University

On first organization of the Committee, one member of each category shall be selected for a one-year term and the other for a two-year term. Thereafter, one member in each of these categories shall be selected annually for a two-year term. The Chairman of the Committee shall be designated by the President of the University from among the non-student members of the Committee.
Rules for the University Faculty (continued)

29.2731. Advisory Committee on Campus Grievances. (continued)

Section 2. The Committee shall have the following responsibilities:

a. to meet on request of the President of the University, for the purpose of selecting a panel from which an Ombudsman may be appointed, making a recommendation for reappointment, or reviewing a term of office.

b. to meet on request of the Ombudsman (see Rule 11.12) to serve him as an advisory group.

11.11. President’s Cabinet.

Section 3. Appropriate records shall be kept by all Cabinet members and shall be available to the President and to the University Ombudsman at their request.

11.13. Principal Administrative Officials.

Section 3. Appropriate records shall be kept by all of these administrative officials and shall be available to the President, to the University Ombudsman, or the appropriate Cabinet member upon request.

29.25. The Records of the University Faculty and the Faculty Council.

The records of the University Faculty and the Faculty Council shall be kept by the Secretary for the exclusive use of the President, the members of the University Faculty, the University Ombudsman, and the Board of Trustees. No other person shall have access to them. They shall not be made public except by order of the University Faculty or the Faculty Council but appropriate announcements of Faculty Council action may be made by the Secretary pursuant to Rule 29.15 or upon written authorization of the President.

Section 1. The Council on Academic Affairs shall consist of twelve members.

Nine shall be members of the University Faculty appointed by the President for three year terms, three members to be appointed each year. The Vice President for Academic Affairs and Provost shall be the Chairman of the Council. The Vice Chairman of the Council shall be elected for a one year term from the faculty membership of the Council. The Chairman (or, in his absence, the Vice Chairman) shall preside at all meetings of the Council. The Chairman shall vote only in case of a tie vote among members of the Council present and voting; whereas the Vice Chairman shall vote without such restriction even though presiding.

A faculty member of the Council who has completed a three-year term shall be ineligible for re-appointment during one year thereafter.
Rules for the University Faculty (continued)

29.270. Council on Academic Affairs. (continued)

Three members of the Council shall be students, one undergraduate student, one graduate student, and one graduate professional student, each of whom shall be appointed for a one-year term and be eligible for an additional one-year term. A student member of the Council who has completed two years of service shall be ineligible for reappointment.

The undergraduate student shall have at least junior standing and shall be appointed by the President of the Undergraduate Student Body with the advice and consent of the Student Assembly. The graduate student member shall be appointed by the President of the Council of Graduate Students with the advice and consent of that Council. The graduate professional student member shall be appointed by the presidents of the student councils of the Colleges of Dentistry, Law, Medicine, Optometry and Veterinary Medicine.

(Remainder of Rule unchanged)

29.2707. Research Council.

Section 1. Membership. The Research Council shall consist of twenty-one members chosen as follows:

a. Appointed Members.

1. Faculty Members. Sixteen members of the Graduate Faculty, two from each of the eight graduate areas (as defined in Rule 27.0701), but not more than one from any department or school, shall be appointed by the President in consultation with the Vice President for Academic Affairs and Provost and the Vice Provost and Dean of the Graduate School. None of the appointees shall be executive officers of any college. Appointees shall have significant research experience, duties, and interests. These members shall be appointed to a three-year term, the appointments to be staggered 6-5-5 cyclically. No appointed member shall be eligible for reappointment during one year thereafter.

2. Student Members. Three members of the Council shall be students, one undergraduate student, one graduate student, and one graduate professional student, each of whom shall be appointed for a one-year term and be eligible for an additional one-year term. A student member who has completed two years of service on the Research Council shall be ineligible for reappointment as a student member. The undergraduate student shall have at least junior standing and shall be appointed by the President of the Undergraduate Student Body with the advice and consent of the Student Assembly. The graduate student member shall be appointed by the President of the Graduate Council with the advice and consent of that Council. The graduate professional student member shall be appointed by the presidents of the student councils of the Colleges of Dentistry, Law, Medicine, Optometry, and Veterinary Medicine. The graduate and graduate professional student members should have research experience, activities and interests, while the undergraduate student shall have research interests if not actual research experience.
29.2707. Research Council. (continued)

b. Ex officio Members. Two ex-officio members, or delegates of their choice, shall serve as voting members: the Vice President for Academic Affairs and Provost and the Vice Provost and Dean of the Graduate School.

Section 2. Associates. Because of their relevant responsibilities and expertise, the following or their delegates are expected to meet frequently with the Research Council:

The Executive Director of The Ohio State University Development Fund;
The Director, Mershon Center for Education in National Security;
The Executive Director of the Research Foundation;
The Director of the Ohio Agricultural Research and Development Center;
The Director of the Engineering Experiment Station;
The Director of Libraries.
(The list is intended to be suggestive rather than exhaustive.)

Section 3. Organization:

a. The Research Council will normally meet once each month during the academic year, and in summer as need may appear. The Steering Committee (Part c) may elect to schedule additional meetings or to cancel a scheduled meeting.

b. Meetings of the Research Council shall be chaired by the Vice President for Academic Affairs and Provost. The Research Council shall annually elect a Vice Chairman from the appointed membership, to serve for a term of one calendar year, ineligible to succeed himself. The Vice Chairman shall preside at Research Council meetings in the absence of the Vice President for Academic Affairs and Provost, shall chair the Steering Committee, and shall serve as half-time Associate in the Office of Academic Affairs.

c. The Research Council shall annually (at the last Spring Quarter meeting) elect three of its appointed members to serve on a Steering Committee; the Vice Chairman of the Research Council shall serve as the fourth member and Chairman. The Steering Committee, in consultation with the Vice President for Academic Affairs and Provost, is charged with preparation of agenda and in general with responsibility for ensuring that the Council's work is effectively carried on. The Steering Committee may from time to time represent the Council at its direction, and subject to its final approval.

d. Each college shall have a committee, the duties of which shall include responsibility for stimulating scholarly activity and assisting the faculty in obtaining support and facilities necessary for research. The membership, method of appointment, and specific responsibilities of these committees shall be determined by the corresponding college faculties, except that each college committee shall include one member of the Research Council.
29.2707. Research Council. (continued)

e. The Research Council shall be provided with such secretarial and other staff
assistance as may be required for efficient and effective conduct of business.

f. Membership on the Research Council shall be recognized as direct service
to the University; the member's normal departmental duties shall be
appropriately reduced, and the department shall be provided with funds with
which to replace the services so released.

Section 4. Functions. The Research Council is charged with encouraging and
stimulating research and scholarly activity, and assisting in obtaining support. It
shall provide a communication channel between faculty and those responsible for
obtaining and administering funds. The Research Council shall be consulted on all
major research fund allocations, and on all matters of University planning that affect
research; in turn it is charged with responsibility for ensuring that the research
needs of the University are adequately represented in the formulation of the University's
plans, policies, and budgets. The Council is expected to work in close consultation
with the Vice President for Academic Affairs and Provost. In matters of joint interest,
the Research Council is expected to work in cooperation with the Council on Academic
Affairs. Specifically, the Council shall have the following duties and responsibilities:

a. To become familiar with the research activities carried on by the
University faculty and staff, and with available and potential sources
of research support.

b. To foster existing research and to stimulate the development of new
programs.

c. To study and where appropriate in consultation with experts or com-
mittees having knowledge or responsibilities in specific areas, or with
the Graduate Council or the Council on Academic Affairs, recommend
to the Faculty Council policies with respect to research activities,
facilities, personnel, University organization, and plans for future
development.

d. To provide advice and information concerning research activities and
available resources, and to be available to any faculty member or group
to assist in planning and obtaining support for research.

e. Under authority delegated by the Faculty Council, to be responsible for
making recommendations concerning the establishment, affiliation, and
abolition of research institutes, centers engaged in research activities,
and other comparable organizations, and for determining the membership
and authorities of their boards or governing bodies (see Rule 13.09).
The Board of Trustees met at its regular monthly meeting on Wednesday, October 7, 1970, at the Ohio Agricultural Research and Development Center, Wooster, Ohio, pursuant to adjournment.

Present: John G. Ketterer, Chairman, Don M. Hilliker, John H. Dunlap, Jack G. Gibbs, Frederick R. Eckley and M. Merle Harrod.

Minutes of the last meeting were approved.
President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Motor Vehicle, Traffic, Parking and Watercraft Regulations Affecting the Columbus and Branch Campuses

The Board of Trustees at its meeting on July 9, 1970, amended the "Motor Vehicle, Traffic, Parking and Watercraft Regulations of The Ohio State University" to provide for certain changes in the regulations, effective September 1, 1970.

President Fawcett recommended that said regulations be amended further to provide for the (1) registration of a second motor vehicle and the payment of a $10.00 fee therefor, and (2) assessment of a $1.00 per day parking fee for visitors to park within the traffic control area of the campus.

The Secretary of the Board of Trustees of The Ohio State University is hereby authorized and directed to file this amendment to "Motor Vehicle, Traffic, Parking and Watercraft Regulations of The Ohio State University" with the Secretary of State of Ohio, and to make these regulations binding and in force according to law.

Upon motion of Mr. Gibbs, seconded by Mr. Eckley, the above recommendation was approved by unanimous roll call vote.

B. Ratification of Personnel Appointments to Implement the Reorganization of the University as Approved by the Board of Trustees on September 10, 1970

President Fawcett recommended that the following personnel changes which have been announced to implement the reorganization of the Central Administrative Structure of the University, as approved by the Board of Trustees on September 10, 1970, be ratified:

Executive Vice President for Administrative Operations and Secretary of the Board of Trustees

Edward Q. Moulton $34,128.00*

Provost and Vice President for Academic Affairs

James A. Robinson 35,328.00*

Vice President for Student Affairs

Ted R. Robinson 25,488.00

Vice President for Medical Affairs

Richard L. Meiling 39,636.00*

Vice President for Regional Campuses and Dean of the University College

John T. Mount 31,212.00*

*Salary unchanged.
I. GENERAL RECOMMENDATIONS (continued)

B. Ratification of Personnel Appointments to Implement the Reorganization of the University as Approved by the Board of Trustees on September 10, 1970 (continued)

Vice Provost for Coordination of Minority Affairs
William J. Holloway $26,448.00

Executive Assistant to the President
Kenneth E. Krouse 23,328.00

Acting Dean of the College of Medicine
John A. Prior 36,612.00

Assistant Vice President for Administrative Operations
Richard H. Zimmerman 28,572.00

Acting Director of Admissions
Edward E. Rhine 17,448.00

1 Secretary of President's Cabinet and Administrative Council.

With the recent administrative reorganization of the University, membership in the President's Cabinet is limited to the eight Vice Presidents of the University and the Executive Assistant to the President. While the Executive Dean for Student Statistical Services, Dr. Ronald B. Thompson, is no longer included within the membership of the Cabinet, he is to receive upon his retirement the full benefits which accrue to principal administrative officials.

Concurrent with these appointments within the recently reorganized administrative structure in which the University Discipline Officer is administratively assigned to the Executive Vice President for Administrative Operations, student discipline matters formerly assigned to the Vice President for Student Affairs under University Rules have been reassigned to the Executive Vice President for Administrative Operations and that the Secretary be authorized to make the appropriate Rule changes to implement this realignment of authority. Further, Mr. John T. Mount be authorized and directed to continue to assume responsibility for the presently pending disciplinary matters.

Upon motion of Mr. Dunlap, seconded by Mr. Gibbs, the Board of Trustees approved the above recommendation by unanimous roll call vote.

C. Revision in University Alcoholic Beverage Policy

President Fawcett made the following statement and recommendation:

From time to time during the past several years I have brought recommendations to the Board relating to the controlled availability of alcoholic beverages on this campus. In each case these recommendations, which were very explicit with reference to time, place and manner, were acted upon favorably by the Board and subsequently implemented by this University.
October 7, 1970 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

C. Revision in University Alcoholic Beverage Policy (continued)

President Fawcett's Statement (continued)

During the past year a number of additional requests have been forwarded through the appropriate University channels proposing various modifications and extensions of these previous actions. While in most cases I am unwilling to support these requests there have been some which I believe to be reasonable and would support. However, rather than continuing to bring detailed modifications in the existing policy on this subject, I am requesting your favorable action on the following recommendation:

That the general authority for decisions establishing the appropriate time, place and manner for serving all legal beverages be granted to the President of the University and/or his designee as long as such decisions are fully consistent with local, state and federal laws.

Upon motion of Mr. Eckley, seconded by Mr. Gibbs, the Board of Trustees approved the foregoing recommendation with five affirmative votes cast by Messrs. Ketterer, Dunlap, Gibbs, Eckley and Harrod and one negative vote cast by Mr. Hilliker.

II. PERSONNEL CHANGES

President Fawcett recommended that all personnel changes since the September 10, 1970 meeting of the Board, as recorded in the official "Salary Roll" of the University, be approved by the Board. These changes include the following Promotion, Leaves of Absence With Salary, Leaves of Absence Without Salary and Emeritus Title:

A. Promotion

C. Agreements Between The Ohio State University and Various Departments of the State Government of Ohio

President Fawcett recommended that contracts between The Ohio State University and various governmental departments of the State of Ohio to provide for educational training programs as mutually agreed upon from time to time may be entered into and that the President of the University and/or the Secretary of the Board of Trustees is hereby authorized to sign the agreements on behalf of the University on a year-to-year basis.

Upon motion of Mr. Harrod, seconded by Mr. Eckley, the above recommendation was approved by unanimous roll call vote.

D. An Agreement with Battelle Memorial Institute for the Establishment of The Academy for Contemporary Problems

During the past year officials of this University and of Battelle Memorial Institute held a number of discussions examining the feasibility of creating an Academy for the solution of contemporary problems. Based upon these discussions, the following statement of agreement has been developed and is being presented to the Board of Trustees of Battelle Memorial Institute and to this Board for approval.

WHEREAS, an Academy for advanced and creative scholarship, education and social problem solving will enlarge and enhance our capabilities for furthering two basic purposes of The Ohio State University, i.e., the advancement and utilization of science for the benefit of man, and the encouragement of education of man.

WHEREAS, such an academy operated in conjunction with Battelle Memorial Institute would strengthen the intellectual and scholastic ties between the two organizations to the benefit of both, in addition to contributing to the quality of living in the Ohio community, surrounding regions and the nation as a whole,
October 7, 1970 meeting, Board of Trustees

D. An Agreement with Battelle Memorial Institute for the Establishment of "The Academy for Contemporary Problems" (continued)

THEREFORE, be it

RESOLVED, that the President of The Ohio State University is authorized to enter into an agreement with Battelle Memorial Institute for the joint sponsorship of programs through an Academy under the following conditions:

1. The name shall be "The Academy for Contemporary Problems."

2. The purpose of the Academy shall be to encourage a combination of advanced study and education for problem definition and solving on topics relevant to contemporary challenges of man; to promote provocative and mutually beneficial communication of ideas and information between members of the Academy and the community regarding important public problems; to serve mankind through application of knowledge, and provide advanced training and public service.

3. The Academy shall be located adjacent to both BMI and OSU in Columbus, Ohio, and its principal business there transacted.

4. The facility is to be designed and constructed by Battelle at its expense on land owned by Battelle and made available for the use of the Academy without charge. The facility and land shall at all times remain the property of Battelle. The estimated cost of the facility, not including the land, is $2.0 million and it is planned for occupancy by 1972. The facility is expected to include offices, seminar rooms, library, lounge area, research area, and housekeeping apartments. BMI and OSU will jointly develop the design criteria for the Academy facility.

5. In cooperation with Battelle Memorial Institute, OSU will operate programs through the Academy. All expenses are to be borne equally by BMI and OSU either in funds or the equivalent in manpower or services. BMI is to supply facility maintenance, repair services, furniture, and furnishings which shall be considered part of its contribution to the costs of such programs. No rent will be charged the Academy, and BMI's contribution of the use of the facility shall not

D. An Agreement with Battelle Memorial Institute for the Establishment of "The Academy for Contemporary Problems" (continued)

be considered part of BMI's contribution to the operation of the Academy. It is estimated that the programs of the Academy when fully operational would require $1.0 million annually. Both parties anticipate support of the Academy for a minimum of ten years, unless and until either or both parties should determine that significant contributions to the original purposes cannot be achieved, in which case suitable advance notice will be required in order to withdraw support of the Academy.

6. The Academy shall not be a separate legal entity but shall be jointly sponsored by BMI and OSU for the furtherance of the purposes of both parties.

7. Persons participating in the programs of the Academy shall be under contract to either BMI or OSU. It is anticipated that both OSU and BMI will provide residents on active assignment to the Academy, who will continue in the employ of the party appointing them. Such residents shall be considered contribution in kind to the operation of the Academy. In addition, it is contemplated that persons not affiliated with either institution will be brought to the Academy for varying time periods under special contracts with either BMI or OSU for participation in programs in the Academy.

8. The parties shall designate a board of overseers consisting of seven persons, three appointed by BMI, three appointed by OSU, and those six to appoint a seventh member who shall also be the chief executive officer of the Academy. The chief executive officer and his staff shall be available full-time at the Academy. It will be the primary responsibility of the board to insure the implementation of the joint programs and to offer continuous counsel to the chief executive officer. Members of the board will not only represent the interests of the two institutions, but will be chosen for their capacity to contribute creatively to the Academy's operation.

It was recommended that the President be authorized to sign the said agreement.

Upon motion of Mr. Harrod, seconded by Mr. Dunlap, the Board of Trustees approved the above recommendation by unanimous roll call vote.

College of Law Senior Class Fund

The College of Law Senior Class Fund was established October 7, 1970, by the Board of Trustees of The Ohio State University with gifts to The Ohio State University Development Fund from the members of the College of Law Class of 1967.

All gifts are to be invested in the University's Investment Portfolio, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The income is to be used as follows:

Seventy-five per cent (75%) thereof is to be made available to the College of Law for scholarships, student loans and other financial aid to law students on the basis of need.
IV. GRANTS AND GIFTS (continued)

B. Received Through The Ohio State University Development Fund (continued)

20. College of Law Senior Class Fund (continued)

Twenty-five per cent (25%) thereof is to be retained and reinvested to assist in providing a named professorship for the College of Law.

If, by 1973, no other senior class or other organization has contributed funds greater than $500.00 each into the College of Law Senior Class Fund, then the principal and accumulated income may be used at the discretion of the Dean of the College of Law for any purpose benefiting the College of Law, in his discretion, first preference to be given to scholarships or student loans on the basis of need.

21. $1,100.00 from members of the College of Law Class of 1968 for the establishment of the College of Law Class of 1968 Scholarship Fund.

College of Law Class of 1968 Scholarship Fund

The College of Law Class of 1968 Scholarship Fund was established October 7, 1970, by the Board of Trustees of The Ohio State University through gifts to The Ohio State University Development Fund from members of the College of Law graduating Class of 1968.

All gifts are to be invested in the University's Investment Portfolio, under the rules and regulations of the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income from this fund is to be added to the principal until July 1, 1978. From July 1, 1978 and forward the annual income is to be used to provide one or more scholarships equal to the tuition and a reasonable allowance for books, to students enrolled in the College of Law meeting the academic standards of the College and having a need for financial assistance, as outlined in a memorandum presented to the Dean of the College of Law by the President of the Class and the Chairman of the Class Gift Committee.

Should the need for these scholarships cease to exist or so diminish as to provide unused income, or should the College of Law cease to exist through any reorganization of the University, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for legal education.

22. $1,000.00 from E. B. Brown Optical Westgate Co., (In the name of Maurice Stonehill), for the Ophthalmologic Center Fund.

V. PLANS AND SPECIFICATIONS

At the request of the Vice President for Business and Finance, President Fawcett recommended that the plans and specifications, bills of materials and estimates of cost for the following projects be approved by the Board of Trustees:

A. College of Dentistry - South Wing Addition

This project consists of two additions to the south of the existing Dentistry Building to provide additional instructional space and needed alteration of existing space to accommodate starting classes of 200 students.

Funds for this project have been provided from Item 315-072 (Dental Building, Phase II), H. B. 531; Item 235-010 (Architectural Planning - Board of Regents), H. B. 531; and a Public Health Service Grant.

B. Derby Hall - Improvements for Political Science Department

This project provides conversion of present classroom and office spaces for senior faculty offices presently located in University Hall.

Funds for this project have been provided from Item 315-074 (Utilities and Renovation), H. B. 531, and a transfer from Budget Account 149997 (New Programs Reserve) to Budget Account 801231 (Derby Hall Alterations).

Upon motion of Mr. Hilliker, seconded by Mr. Gibbs, the above recommendation was approved by unanimous roll call vote, and the Secretary was authorized and directed to sign the plans and specifications for the above project for and on behalf of the Board of Trustees. Vice President Carson was directed to proceed with a request for bids in the normal University manner and if satisfactory bids are received, to proceed with the award of contract. All action regarding this matter will be reported to the Board of Trustees at a later meeting.
VI. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE

A. University College - Building 13 - Employment of Architects

President Fawcett recommended that the architectural firm of Holroyd and Myers be employed to provide complete architectural and engineering services for this project, including preliminary plans, basic drawings, working drawings, specifications, estimate of cost, necessary bidding documents and supervision of construction.

The fee for this service is to be negotiated based on the schedules of the Architect’s Society of Ohio of the AIA for architectural fees.

Funds for this project have been provided from Item 315-067 [University College, Phase 3], H. B. 531; Item 315-037 [General (University) College Building 1], H. B. 828; Item 315-033 [Improvements, Equipment and Contingencies], H. B. 828; Board of Regents Allocation and Federal Recoveries.

B. Animal Science Livestock Center - Employment of Engineers

President Fawcett recommended that the engineering firm of W. E. Monks be employed to provide complete professional engineering services for plumbing, heating, ventilating and air conditioning and electrical work for the above project, including design, preparation of drawings, specifications, estimate of cost and field supervision of construction, as required.

The fee for this service will be negotiated by the Ohio Department of Public Works.

Funds for this project have been provided from Item 315-068 (College of Agriculture, Land, Barns, Teaching Facilities) H. B. 531 and Item 235-010 (Architectural Planning - Board of Regents) H. B. 531.

Upon motion of Mr. Dunlap, seconded by Mr. Gibbs, the above recommendations were approved by unanimous roll call vote.

VII. RESOLUTIONS IN MEMORIAM

President Fawcett reported to the Board the deaths of Bonner S. Coffman, Associate Professor in the Department of Civil Engineering; Foster Rhea Dulles, Professor Emeritus in the Department of History; and Lester O. Gilmore, Professor and Associate Chairman in the Department of Dairy Science. In accordance with the instructions of the Board of Trustees, copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board will be furnished the families of the deceased.
October 7, 1970 meeting, Board of Trustees

VII. RESOLUTIONS IN MEMORIAM (continued)

A. Bonner S. Coffman

The Board of Trustees expresses its sorrow at the death on August 3, 1970, of Bonner S. Coffman, Associate Professor in the Department of Civil Engineering.

Professor Coffman was born in Bell Buckle, Tennessee, on February 18, 1922. After finishing high school, he entered the U. S. Army Air Force during World War II and for three years was a radio operator on a B-17. He was graduated from the Tennessee Polytechnic Institute in 1948 with a bachelor's degree in civil engineering. He received a master's degree in civil engineering from the University of Kentucky in 1950.

In 1954, he was a consultant of the U. S. Bureau of Public Roads in Egypt and from 1951 to 1959 worked for the District of Columbia Highway Department and taught at George Washington University. He was on the staff of the U. S. Department of Agriculture as a graduate school lecturer.

From 1959 to 1961, Professor Coffman was a troubleshooter for the Federal Housing Administration. As chief of the site engineering section working principally with federal housing subdivisions, he saw engineering problems all over the United States and reviewed plans and assignments to help minimize and exclude risks for insurance mortgages.

Professor Coffman joined the faculty of The Ohio State University in 1961. Aside from his teaching duties, he was associated with the University's Engineering Experiment Station where he was a specialist in soils and pavement design. At the time of his death, he was in the final stages of completing a four-year project for the Ohio Department of Highways and the U. S. Bureau of Public Roads on the "Fatigue of Flexible Pavements," which is to be published in 1971.

Professor Coffman was registered as a professional engineer in Ohio, Maryland and the District of Columbia. His professional affiliations included American Society for Testing and Materials, American Society of Civil Engineers and Sigma Xi.

On behalf of the University community, the Board of Trustees expresses to the family of Professor Coffman its deep sympathy. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that a copy be tendered to the family as a sincere expression of the Board's realization of the loss which the family and the University have sustained.

B. Foster Rhea Dulles

The Board of Trustees of The Ohio State University expresses its sorrow at the death of Foster Rhea Dulles, Professor Emeritus in the Department of History.
VII. RESOLUTIONS IN MEMORIAM (continued)

B. Foster Rhea Dulles (continued)

Professor Dulles, the son of William and Sophea (Rhea) Dulles, was born in Englewood, New Jersey, January 20, 1900. He received his preparatory education at the Hill School of Pottstown, Pennsylvania, and took his A.B. degree from Princeton in 1921. Beginning his career as a journalist he represented the Christian Science Monitor in Peking, China, and later was on the staff of the Paris edition of the New York Herald Tribune.

Professor Dulles, who received his Ph.D. degree from Columbia University in 1940, taught at Smith College and Swarthmore before coming to The Ohio State University. He was appointed Professor in the Department of History and served in that capacity until his retirement in 1965. From 1953 to 1958 he was Chairman of the History Department. Professor Dulles' intellectual interests were broad: he was one of the few American scholars who taught and published extensively in both social and diplomatic history. His undergraduate courses always attracted a large number of students and he trained numerous doctoral candidates who are now prominent members of the historical profession.

Professor Dulles published America's Rise to World Power, Labor in America and The United States Since 1865, in addition to ten other scholarly books. Some of these have won distinguished prizes and some have been translated into several foreign languages. In addition to his teaching at Ohio State, Professor Dulles visited many campuses as Phi Beta Kappa lecturer, took part in many cultural exchange programs in Austria, Soviet Union, India and Japan. A Symposium on History and Literature was held in his honor at Ohio State in 1965.

On behalf of his many friends in the Columbus area, the Department of History, and the University community, the Board of Trustees expresses to the family of Professor Dulles its deep sympathy. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that a copy be tendered the family as a sincere expression of the Board's realization of the loss which the family and the University have sustained.

C. Lester O. Gilmore

The Board of Trustees expresses its sorrow at the death on August 21, 1970, of Lester O. Gilmore, Professor and Associate Chairman in the Department of Dairy Science.

Professor Gilmore was born March 3, 1910, in Freeborn, Minnesota. He received a Bachelor of Science degree in agricultural biochemistry from the University of Minnesota in 1932 and a Master of Science degree in dairy husbandry from the Kansas State University in 1933. Following the receipt of the Master's degree, he spent two years as an agricultural agent with the Minnesota Extension Service. He later became a graduate assistant in the Department of Dairy Science and received the Ph.D. degree from the University of Minnesota in 1939. Dr. Gilmore was Extension Dairyman at

Kansas State University from 1939 to 1942. He returned to the University of Minnesota and was appointed Associate Professor in 1945. While at the University of Minnesota, Dr. Gilmore and his associate were the first to breed cattle artificially in this country. He reported later a classical study of the inheritance of lethal characters in dairy cattle.

In September 1948, he was appointed Associate Professor in the Department of Dairy Science at The Ohio State University, in charge of teaching livestock breeding. He developed a new course in research methods and techniques and directed graduate programs for several graduate students. It was at this time that he introduced the use of identical twins as a research method in Dairy Science.

Author of the textbook, *Dairy Cattle Breeding*, he also authored or coauthored 241 scientific or technical articles on livestock breeding and management. In 1963 and again in 1968, Professor Gilmore presented papers before the International Genetics Congress on inheritance of color patterns and congenital abnormalities in cattle. He always maintained a vital interest in research methods and philosophy, constantly challenged his graduate students and his fellow staff members to use new techniques and to apply relevant scientific principles in generalizing their research. He was intensely interested in helping dairy farmers. A leader among Ohio dairymen, he was as familiar with the art of dairy husbandry as with the detailed scientific methods required in the laboratory.

Dr. Gilmore held membership in the following groups: Phi Tau Theta, Alpha Gamma Rho, Alpha Zeta, Gamma Alpha, Gamma Sigma Delta, Sigma Xi, American Association of University Professors, American Dairy Science Association, American Society of Animal Science, American Genetics Association, American Society of Human Genetics, Genetics Society of America and Holstein-Friesian Association of America. He was a Fellow of the American Association for the Advancement of Science and the Ohio Academy of Science.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

VIII. REPORTS

A. Report on Action Taken by the Ohio Board of Regents at Its Meeting Held September 18, 1970

President Fawcett reported for information and the record that the Ohio Board of Regents took the following action which pertains to The Ohio State University at the meeting on September 18, 1970:

That the new degree and new degree program for award of the Doctor of Musical Arts submitted by The Ohio State University is hereby approved.

B. Appropriations for University Administrative Officials

Mr. Eckley moved that the amounts to be appropriated from the unrestricted interest on endowment funds in the University Treasury to certain principal administrative officers of the University for the purpose of carrying out their administrative responsibilities during the fiscal year 1970-1971 be as follows: (1) to the President, $10,000.00; (2) to each of the persons holding the following titles, $1,000.00 - Executive Vice President for Administrative Operations; Provost and Vice President for Academic Affairs; Vice President for Business and Finance; Vice President for Student Affairs; Vice President for University Development; Vice President for Educational Services; Vice President for Medical Affairs; Vice President for Regional Campuses and Dean of the University College; Executive Assistant to the President and (3) an additional amount of $3,000.00 to be allocated at the discretion of the President for such costs as may be incurred by the administrative officers as they, by direction, further the fiscal progress of the University.

The above motion was seconded by Mr. Harrod and approved by unanimous roll call vote.

C. Report on the University's Investment Portfolio

The report dated October 6, 1970, as submitted to the Finance and Investment Committee of the Board of Trustees by Vice President Gordon B. Carson pertaining to the University's Investment Portfolio, was received and ordered to be filed with the official records of the Board of Trustees.

Thereupon the Board adjourned to meet Friday, November 6, 1970, at The Ohio State University, Columbus, Ohio, at 3:00 p.m.

Attest:

Edward Q. Moulton               John G. Ketterer
Secretary                     Chairman
The Board of Trustees met at its regular monthly meeting on Friday, November 6, 1970, at The Ohio State University, Columbus, Ohio, pursuant to adjournment.

Minutes of the last meeting were approved.
President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Change in Degree from Bachelor of Laws (LL. B.) to Juris Doctor (J. D. or Doctor of Jurisprudence)

At the meeting on March 9, 1967, the Board of Trustees considered a proposal from the faculty of the College of Law and the Faculty Council that the Juris Doctor degree be awarded retroactively to those graduates who hold the Bachelor of Laws degree from this University and who had earned the baccalaureate degree before they entered the College of Law at The Ohio State University. This proposal was amended to include all graduates of the College of Law who had earned a baccalaureate degree before they were awarded the Bachelor of Laws degree. The proposal also provided for a supplementary diploma to be granted to all previous recipients of the Juris Doctor degree who would be entitled to the designation of summa cum laude and cum laude as set forth for the College of Law. There was established a $10.00 fee to cover the cost of issuing a supplementary diploma in accordance with the Board action.

Recently the College of Law faculty has proposed a further modification of the March 9, 1967 action:

(1) That all graduates of the College of Law who had earned the Bachelor of Laws degree be included and

(2) That all graduates of the College of Law who are members of the Order of the Coif be awarded the degree Juris Doctor summa cum laude or cum laude.

President Fawcett recommended that the action of the Faculty Council be approved by the Board of Trustees.

Upon motion of Mr. Eckley, seconded by Mr. Safford, the Board of Trustees approved the above recommendation with Messrs. Shocknessy, Safford, Gibbs, Eckley and Harrod voting affirmatively, Mr. Ketterer voting negatively and Mr. Dunlap abstaining.

B. Retroactive Awarding of Summa Cum Laude and Cum Laude Designations to Doctor of Dental Surgery Graduates of the College of Dentistry

The Faculty Council on October 13, 1970, approved the proposal from the College of Dentistry that a designation of summa cum laude and cum laude be established and awarded retroactively to graduates of the College of

Dentistry who had earned the Doctor of Dental Surgery degree from The Ohio State University prior to 1947 with appropriate academic standing as determined by the College of Dentistry and Office of Academic Affairs.

President Fawcett recommended that a supplemental diploma be awarded with the appropriate honor designation upon request of the graduate and the payment of a $10.00 fee to cover cost of same upon the recommendation of the College of Dentistry.

Upon motion of Mr. Harrod, seconded by Mr. Safford, the Board of Trustees approved the above recommendation with Messrs. Shocknessy, Safford, Dunlap, Gibbs, Eckley and Harrod voting affirmatively and Mr. Ketterer voting negatively.

C. Proposal for the Establishment of a Program Leading to the Doctor of Philosophy Degree in Preventive Medicine

The Faculty Council on October 13, 1970, approved the proposal from the Council on Academic Affairs that a Doctor of Philosophy Program in Preventive Medicine be established.

The proposed doctoral program will enable students to pursue a course of study within the Department of Preventive Medicine with emphasis on interdisciplinary studies to improve human health and to protect against environmental hazards. During the past 15 years the Department of Preventive Medicine has offered graduate programs at the Master of Science degree level. The curriculum has been augmented to serve not only physicians but representatives of other disciplines as well. Opportunities for varied research in preventive medicine are now available. Encouragement in development of this program has been received from representatives of the National Institutes of Health, American College of Preventive Medicine and the Association of Teachers of Preventive Medicine. This program will provide an opportunity to prepare academic leaders in all the disciplines that can contribute to the promotion and protection of the health of human populations.

President Fawcett recommended that the action of the Faculty Council be approved. Pursuant to Section 3333.04 of the Revised Code of Ohio, it was

recommended further that this proposal be forwarded to the Board of Regents for approval; and, subject to this approval that this action become effective immediately.

Upon motion of Mr. Shocknessy, seconded by Mr. Safford, the Board of Trustees approved the above recommendations by unanimous voice vote.

D. Authorization to Proceed with Utilization of Funds Appropriated for University Hall

In recognition of the urgent need for more classroom and office space, particularly for the academic areas of the humanities, and in recognition of the widespread professional, academic, public, and alumni interest in preserving University Hall, it is highly desirable to move forward immediately by separating the matter into two projects.

To implement this decision, President Fawcett recommended that the following actions be taken at this time:

That the specific Board action of June 13, 1968 be rescinded;

That all requisite authority be obtained to use the funds appropriated for the replacement of University Hall for building a new structure, possibly called Centennial Hall, on an alternate site;

That appropriate authorization be given for the demolition of the North Wing of University Hall as soon as University funds are made available for that purpose and that any subsequent restoration and improvement of the building be provided through private funds raised through interested alumni leadership; and finally

That the designated project architect, C. Curtiss Inscho and Associates, be authorized to proceed at once with the design of the new structure and be reimbursed at the standard rate for the preliminary work done to date at the existing site.

Upon motion of Mr. Shocknessy, seconded by Mr. Dunlap, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote.
November 6, 1970 meeting, Board of Trustees

II. PERSONNEL CHANGES

President Fawcett recommended that all personnel changes since the October 7, 1970 meeting of the Board, as recorded in the official "Salary Roll" of the University, be approved by the Board. These changes include the following Appointment, Leaves of Absence Without Salary and Emeritus Title:

A. Appointment

Richard H. Armitage, Ombudsman, effective as soon as possible after January 1, 1971, at a salary of $27,648.00 per annum.

B. Leaves of Absence Without Salary

Henry J. Barre, Professor, Department of Agricultural Engineering, effective October 1, 1970 through December 31, 1970, to serve as a consultant on the Ford Foundation program at the Punjab Agricultural University, Ludhiana, Punjab, India.

Nathan S. Fechheimer, Professor, Department of Dairy Science, effective November 1, 1970 through June 30, 1971, for professional study in England.

Gisela M. Vitt, Assistant Professor, Department of German, effective January 1, 1971 through September 30, 1971, for personal reasons.

C. Emeritus Title

Leo A. Estel, Department of Anthropology, with the title Professor Emeritus, effective July 1, 1970.

Upon motion of Mr. Shocknessy, seconded by Mr. Eckley, the Appointment, Leaves of Absence Without Salary, Emeritus Title and personnel budget actions as recorded in the official "Salary Roll" of the University were approved by unanimous roll call vote, and the Secretary was instructed to file these changes in the "Salary Roll," an official document of the University.

In accordance with the Memorandum of Agreement between The Ohio State University and The Ohio State University Research Foundation approved by this Board on April 11, 1968, the President recommended that the following projects administered through the Research Foundation be approved and recorded in the minutes of this meeting.

1. Government Research Contracts - Federal

November 6, 1970 meeting, Board of Trustees

III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

1. Government Research Contracts - Federal (continued)

   d. Department of Air Force, Air Force Systems Command, Aeronautical Systems Division, Wright Patterson Air Force Base, Ohio, Research on Stress-Corrosion Cracking of Metallic Materials (to be known as Project No. 2737 - Mod. #P00003 - Department of Metallurgical Engineering).
   Gross Value - $140,000.00.

   e. Department of Army, New York Procurement Agency, New York, New York, Small Unit Combat Simulation (DYNTACS X) (to be known as Project No. 2978 - Mod. #P002 - Engineering Experiment Station).
   Gross Value - $50,000.00.

   f. Department of Navy, Office of Naval Research, Washington, D.C., Seminars in Defense Two-Step Formal Advertising and Multi-Year Procurement Procedures (to be known as Project No. 3006-A1 - Mod. #01 - College of Administrative Science, Division of Continuing Education).
   Gross Value - $21,447.00.

   Gross Value - $6,788.00.

TOTAL - Government Research Contracts - Federal $279,821.00

2. Industrial and Other Research Contracts

   a. Illuminating Engineering Research Institute, New York, New York, Studies of Visual Performance and Illumination (to be known as Project No. 885 - Ext. #13 - College of Biological Sciences, Biophysics).
   Gross Value - $17,000.00.

   Gross Value - $13,000.00.

   Gross Value - $50,000.00.

2. Industrial and Other Research Contracts (continued)

   d. Minneapolis Public Schools, Special District No. 1, Minneapolis, Minnesota, IACP Demonstration Project with Minneapolis Public Schools (to be known as Project No. 3138-A1 - New - College of Education).
      Gross Value - $2,950.00.

TOTAL - Industrial and Other Research Contracts $82,950.00

   a. Department of Health, Education and Welfare, Public Health Service, National Air Pollution Control Administration, Bethesda, Maryland, Mechanisms of Photochemically Initiated Oxidations (to be known as Project No. 1220-J - Sup. #2 - Department of Chemistry).
      Gross Value - $500.00.

   b. Department of Health, Education and Welfare, Public Health Service, Health Services and Mental Health Administration, National Institute of Mental Health, Bethesda, Maryland, Postoperative Recovery Mechanisms and Retention (to be known as Project No. 1470-H - Ext. #8 - Department of Psychology).
      Gross Value - $20,153.00.

   c. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Cancer Institute, Bethesda, Maryland, Highly Strained Nitrogen Heterocyclics (to be known as Project No. 1640-G - Ext. #7 - Department of Chemistry).
      Gross Value - $41,576.00.

   d. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Eye Institute, Bethesda, Maryland, Receptive Fields of the Mesencephalon (to be known as Project No. 1881-F - Ext. #8 - College of Optometry).
      Gross Value - $22,013.00.

   e. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Heart and Lung Institute, Bethesda, Maryland, A Core Facility for a Cardiovascular Research Program (to be known as Project No. 2507-C - Ext. #3 - Department of Medicine).
      Gross Value - $223,470.00.
A. The Ohio State University and The Ohio State University Research Foundation

3. Government Research Grants - Federal (continued)

g. National Aeronautics and Space Administration, Langley Research Center, Hampton, Virginia, Flutter of Thermally Stressed Plates Subject to Large Deflections (to be known as Project No. 2792 - Sup. #3 - Department of Aeronautical and Astronautical Engineering). Gross Value - $12,360.00.

i. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bureau of Health Manpower, Division of Nursing, Bethesda, Maryland, Research Development Program (to be known as Project No. 2927-A - Ext. #1 - School of Nursing). Gross Value - $75,255.00.

j. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Institute of Allergy and Infectious Diseases, Bethesda, Maryland, Phospholipid Autoantibodies in Humans and Animals (to be known as Project No. 2942-A - Ext. #1 - Department of Medical Microbiology). Gross Value - $26,793.00.

TOTAL - Administered Through the Office of Business and Finance $2,485,956.00

B. Received Through The Ohio State University Development Fund

1. $29,600.00 from Ohio Lions Research Foundation--$22,200.00 for eye research and $7,400.00 for the Institute for Research in Vision.

2. $16,808.28 from the Estate of Dodie Thomas (Dora Jean Benjamin Thomas) for the establishment of The Dodie Thomas Memorial Scholarship.

The Dodie Thomas Memorial Scholarship

The Dodie Thomas Memorial Scholarship was established November 6, 1970, by the Board of Trustees of The Ohio State University with a bequest from Dodie Thomas (Dora Jean Benjamin Thomas), B. Sc. Soc. Adm. '58, M. S. W. '60, late of Anaheim, California.

The principal is to be invested in the Permanent Endowment Fund of the University under the rules and regulations adopted by the Board of Trustees, with the right to invest and reinvest as occasion dictates.

The income is to be used annually to provide one or more scholarships to needy and deserving female undergraduate students over twenty-five (25) years of age, who are pursuing a course of study in social work.

3. $14,010.00 from the American Foundation for Pharmaceutical Education for fellowships in the College of Pharmacy.
B. Received Through The Ohio State University Development Fund (continued)

4. $12,000.00 from A. H. Robins Company, Inc., for research in the College of Medicine.

5. $9,775.00 from Goodyear Tire and Rubber Company Fund--$4,200.00 for fellowships in Aeronautical and Astronautical Engineering, $4,200.00 for a fellowship in organic chemistry, $1,000.00 for scholarships and $375.00 as an unrestricted gift to the University.

9. $5,500.00 from American Oil Foundation for fellowships in Chemical Engineering.

10. $2,200.00 from Mr. Edward A. Hobart for the establishment of the E. A. Hobart Welding Engineering Fund.

E. A. Hobart Welding Engineering Fund

The E. A. Hobart Welding Engineering Fund was established November 6, 1970, by the Board of Trustees of The Ohio State University through gifts to The Ohio State University Development Fund in honor of Edward A. Hobart, M.E. in E.E. '12, D.Sc. '69 (Hon.), Troy, Ohio.

All gifts are to be invested in the University's Permanent Endowment, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used by the Department of Welding Engineering to support its program of undergraduate scholarships, faculty research, purchase of equipment, and other items as determined by the Chairman of said Department.

Should the Department of Welding Engineering cease to exist through any reorganization of the University, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for welding engineering education.

IV. GRANTS AND GIFTS (continued)

C. Establishment of New Fund from Previously Reported Gift

The City Loan and Savings Company--The Metropolitan Bank of Lima, Ohio, Scholarship

The City Loan and Savings Company--The Metropolitan Bank of Lima, Ohio, Scholarship was established November 6, 1970, by the Board of Trustees of The Ohio State University with a gift to the Development Fund from Mirror Lake, Inc., Lima, Ohio.

All gifts are to be invested in the University's Permanent Endowment Fund under the rules and regulations adopted by the Board of Trustees of The Ohio State University with the right to invest and reinvest as occasion dictates.

The annual income is to be used for the award of one or more scholarships to students who are residents of Allen County and attend the Lima Campus. Awards are to be made by the University Scholarship Committee upon the recommendation of the Director of the Lima Campus.

Each award is to be for a one-year period and the amount of the award to each student is to be based upon his or her financial need and shall not exceed the amount of the basic fees. The student will receive the scholarship in his or her next following year so long as he or she maintains the required academic record.

Any student who successfully completes two years at the Lima Campus and transfers to the Columbus Campus will continue to hold the scholarship so long as he or she maintains the required academic record. The amount of the award is to be based on need and is limited to the basic fee at the Columbus Campus. These students will continue to be eligible for this scholarship through their achievement of the Bachelor's Degree.

Upon motion of Mr. Safford, seconded by Mr. Harrod, the acceptance of the foregoing grants and gifts and the establishment of the above-named funds were approved by unanimous voice vote, and the Secretary was instructed to include the report in the minutes of this meeting.

Upon motion of Mr. Dunlap, seconded by Mr. Safford, the above extra and credit orders to contracts and expenditure of funds were approved and the action of the Vice President for Business and Finance was ratified by unanimous roll call vote.

VI. PLANS AND SPECIFICATIONS

At the request of the Vice President for Business and Finance, President Fawcett recommended that the plans and specifications, bills of materials and estimates of cost for the following projects be approved by the Board of Trustees.

A. Main Library Air Conditioning

This project provides for the installation of a 400 ton "Terminal Reheat System" for areas of this building which are not now air conditioned. The new installation will be interconnected with the existing chiller to provide a 50 per cent standby capability.

Funds for this project have been provided from Item 315-074 (Utilities and Renovation), H. B. 531.
November 6, 1970 meeting, Board of Trustees

VI. PLANS AND SPECIFICATIONS (continued)

B. Medical Center Area - 13 KV Electric Service

This project is an extension of the existing underground conduits to the Medical Center buildings to increase capacity in existing buildings and for new buildings presently under construction.

Funds for this project have been provided from Item 315-074 (Utilities and Renovation), H. B. 531.

C. Orton Hall - Exterior Restoration and Waterproofing

This project includes the restoration and waterproofing of all exterior masonry.

Funds for this project have been provided from Budget Account 124358 (Contract Repair).

Upon motion of Mr. Safford, seconded by Mr. Eckley, the above recommendation was approved by unanimous roll call vote, and the Secretary was authorized and directed to sign the plans and specifications for the above projects for and on behalf of the Board of Trustees. Vice President Carson was directed to proceed with a request for bids in the normal University manner and if satisfactory bids are received, to proceed with the award of contracts. All action regarding this matter will be reported to the Board of Trustees at a later meeting.

VII. REPORT OF AWARD OF CONTRACTS

In accordance with authorization provided by the Board of Trustees, bids were taken on the projects listed below and the contracts were recommended for award. The action reported to the Board was as follows:

Upon motion of Mr. Dunlap, seconded by Mr. Harrod, the above award of contracts and expenditure of funds were approved and the action of the Vice President for Business and Finance ratified by unanimous roll call vote.

VIII. CONTROLLING BOARD APPROVAL

Each numbered request shown below accomplishes the following purpose:

26 Approves the release of $30,000.00 from Item 315-074 (Utilities and Renovation), H. B. 531, so that the contract for the project "McCracken Power Plant - Removal of Coal and Ash Handling Equipment" may be awarded.

IX. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE

A. Olentangy Main Trunk Sanitary Sewer (Part III), City of Columbus

WHEREAS, the City of Columbus requires additional sanitary sewer facilities to serve the northern section of the City of Columbus; and

WHEREAS, installation of the Olentangy main trunk sanitary sewer, Part III, requires a right-of-way through lands owned by the State of Ohio (The Ohio State University); and

WHEREAS, it is recommended that for the sum of $26,530.00, the necessary easements for the installation of the Olentangy main trunk sanitary sewer be granted to the City of Columbus; and
November 6, 1970 meeting, Board of Trustees

IX. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE (continued)

A. Olentangy Main Trunk Sanitary Sewer (Part III), City of Columbus (continued)

IT IS FURTHER RECOMMENDED, that the President and/or Vice President for Business and Finance be authorized to request that the Director of Public Works, pursuant to his statutory duties, act on behalf of the University in developing the necessary legal instruments to provide for the sanitary sewer easements.

Upon motion of Mr. Safford, seconded by Mr. Shocknessy, the above resolution was adopted by unanimous roll call vote.

X. RESOLUTION IN MEMORIAM

President Fawcett reported to the Board the death of Manuel Barkan, Professor and Chairman of the Division of Art Education in the College of The Arts. In accordance with the instructions of the Board of Trustees, a copy of the following resolution expressing on behalf of the University the sorrow and sympathy of the Board will be furnished the family of the deceased.

A. Manuel Barkan

The Board of Trustees of The Ohio State University expresses its sorrow at the death on September 9, 1970, of Manuel Barkan, Professor and Chairman of the Division of Art Education in the College of The Arts.

Professor Barkan was born on June 30, 1913, in New York. He received his Bachelor of Science and Master of Arts degrees from Teachers College, Columbia University, and his Ph.D. degree from The Ohio State University. He joined the faculty at Ohio State as an Assistant Professor in Art Education in 1947 and rose to the rank of full Professor in 1954.

Professor Barkan was a Faculty Fellow for the Fund for Advancement of Education which was sponsored by the Ford Foundation in 1951. He was the director of the Conference of Creativity under a grant from the Rockefeller Foundation in 1952 and 1953. He was a Viktor Lowenfeld Memorial Lecturer in 1965 at the Conference of National Art Education Association. He was a recipient of the Art Educator of the Year Award in 1967 from the National Art Education Association and was a recipient and director of four graduate fellowship award programs for prospective and experienced art teachers from the Bureau of Research, U. S. Office of Education, in the years between 1966 and 1970. He served as a Visiting Professor in the School for Art Teachers, College of Art, and University of Birmingham, England, in the Autumn of 1963. In the last three years he participated in several national and international meetings in the field of Art Education. In 1967, he gave a lecture entitled, "The Challenge and Adventure of Change," at the conference of the National Art Education Association in response to receiving the Art Educator of the Year Award.
X. RESOLUTION IN MEMORIAM (continued)

A. Manuel Barkan (continued)

As a teacher in the Division of Art Education, Professor Barkan contributed greatly to the national and international reputation and prestige that The Ohio State University enjoys in the field of art education. Through his own writing and research and that of his students, art education has become in his own words, "a disciplined and demanding field of inquiry." His students and colleagues will remember him for his keen powers of critical discernment and for the range of his curiosity; his friends will remember his selfless generosity in helping all who came to him with a problem and for his dedication to the pursuit of excellence in all things.

On behalf of the University at large, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

XI. REPORT

A. Ohio Historical Society - Ohio State Museum Building

On March 18, 1970, the Board of Trustees authorized the President to sign the agreement with the Ohio Historical Society for purchase of the Ohio State Museum Building by The Ohio State University.

The Ohio Department of Finance has furnished $1,000,000 in accordance with the provisions of Substitute House Bill 531 through the issuance of Warrant #6775813 which has been forwarded to the Ohio Historical Society.

On October 30, 1970, the Board of Trustees of the Ohio Historical Society passed a resolution in accordance with their Constitution and Bylaws and all applicable laws delineating the procedures to be followed. This resolution is filed with the official records of the Board of Trustees.

The Ohio Historical Society is executing the Deed to the University in accordance with the provisions of the Board resolution and a copy of the Deed is filed with the official records of the Board of Trustees.

B. Report on the University's Investment Portfolio and Accountant's Report on the University Dormitory Revenue Bond Funds

The report on the University's Investment Portfolio dated November 5, 1970, and the Accountant's Report on the University Dormitory Revenue Bond Funds, including the financial statements of June 30, 1970, prepared by Peat, Marwick, Mitchell & Co., as submitted to the Finance and Investment Committee of the Board of Trustees, were received and ordered to be filed with the official records of the Board.
November 6, 1970 meeting, Board of Trustees

Thereupon the Board adjourned to meet Friday, December 4, 1970, at The Ohio State University, Columbus, Ohio, at 3:00 p.m.

Attest:

Edward Q. Moulton
Secretary

John G. Ketterer
Chairman
Columbus, Ohio, December 4, 1970

The Board of Trustees met at its regular monthly meeting on Friday, December 4, 1970, at The Ohio State University, Columbus, Ohio, pursuant to adjournment.

Minutes of the last meeting were approved.
President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Creation of Pooled Income Trust Fund for The Ohio State University

RESOLVED that the forms of the Trust Agreement and Instrument of Transfer, copies of which are attached hereto (Appendix III, page 233) creating a Pooled Income Fund for the University, are hereby approved;

FURTHER RESOLVED that the following individuals are designated as the original trustees of the Pooled Income Fund: Gordon B. Carson, Ernest W. Leggett, and Joseph S. Platt. It is understood that the attached documents are designed to satisfy the definition of a pooled income fund in Section 642(c) (5) of the Internal Revenue Code, and have been drafted in accordance with the proposed regulations published by the United States Treasury Department on July 17, 1970. It is further understood that these proposed regulations may be modified in certain respects when issued in final form. Therefore,

BE IT FURTHER RESOLVED that the Trustees of the Pooled Income Fund are authorized to make such changes in the attached documents as may in the opinion of the University Counsel be necessary or appropriate to satisfy the requirements of such final regulations.

Upon motion of Mr. Hilliker, seconded by Mr. Harrod, the Board of Trustees adopted the above resolution by unanimous roll call vote.

B. Naming of Building

Upon the recommendation of the Vice President for University Development, and with the concurrence of the President's Cabinet, President Fawcett recommended that the former Ohio Historical Society Building at Fifteenth Avenue and High Street be named to honor Joseph Sullivant, one of the original Trustees of The Ohio State University, and that this building from this time on be referred to as "Joseph Sullivant Hall."

This recommendation is in accordance with the By-Laws of the Board of Trustees.

Upon motion of Mr. Safford, seconded by Mr. Dunlap, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.
I. GENERAL RECOMMENDATIONS (continued)

C. Authorization to Purchase Land and Enter Into a Lease Agreement with Nationwide Communications Inc.

In order to provide transmitting facilities enabling educational television programs to reach all families in Ohio, the 108th Ohio General Assembly authorized in House Bill 531 the capital improvement for educational television transmitting facilities. It was recommended that the President and/or Vice President for Business and Finance be authorized to purchase 69.614 acres of land in Genoa Township, Delaware County, for the sum of $153,151.00 to construct a 1,000-foot television tower on the property, and to enter into a lease agreement with Nationwide Communications Inc., for a shared use of the tower. All funds for the project are available from the Ohio Educational Television Network Commission and from Nationwide Communications Inc.

Upon motion of Mr. Safford, seconded by Mr. Harrod, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote.

D. Degrees Conferred - Autumn Quarter Commencement

President Fawcett recommended that degrees be conferred at the December 18, 1970 Commencement to those students who complete their requirements and are recommended by the Faculty Council for degrees on that date. The names of those awarded degrees will be included in the minutes of this meeting. (See Appendix IV, page 243.)

Upon motion of Mr. Hilliker, seconded by Mr. Harrod, the Board of Trustees approved the above recommendation by unanimous voice vote.

E. Approval of Site for Centennial Hall (University Hall Replacement)

President Fawcett made the following statement and recommendation:

Following the action of the Board of Trustees at its November, 1970 meeting the Division of Campus Planning was directed to undertake a comprehensive review of potential sites for the proposed Centennial Hall.

Based upon this review, I now wish to recommend to the members of this Board a site which I believe to be uniquely suited to the requirements of this project. Generally described, it is bounded by the Main Library, Mirror Lake Hollow, and Neil Avenue. A structure upon this location in addition to providing a focal point for the southwest portion of the Oval, is within the major pedestrian circulation routes between Oval buildings and the academic and residential areas to the west and south. Also since a number of the humanities departments will be located within this facility, the proximity to the University Library is highly desirable. And finally, the scenic

beauty of this location makes this selection particularly attractive. Mirror Lake Hollow, which borders the site to the south, is one of the more striking features of the campus. By fully respecting this feature and closely integrating it into the site development, both the building and Mirror Lake should be enhanced.

I now wish to recommend for your action the selection of the site for Centennial Hall as described above.

Upon motion of Mr. Safford, seconded by Mr. Gibbs, the Board of Trustees approved the above recommendation by unanimous roll call vote.

II. PERSONNEL CHANGES

President Fawcett recommended that all personnel changes since the November 6, 1970 meeting of the Board, as recorded in the official "Salary Roll" of the University, be approved by the Board. These changes included the following Promotions, Changes in Assignment and Responsibility, Leaves of Absence Without Salary and Emeritus Titles:

A. Promotions

December 4, 1970 meeting, Board of Trustees

IV. GRANTS AND GIFTS (continued)

B. Received Through The Ohio State University Development Fund (continued)

4. Gordon M. Freeman Scholarship Fund (continued)

in honor of Gordon M. Freeman, a native of Portsmouth, Ohio, President of the I.B.E.W., 1954-1968, and President Emeritus of the I.B.E.W. at the time of the gift.

The principal and all additional gifts are to be invested in the Permanent Endowment Fund of The Ohio State University, under the rules and regulations adopted by the Board of Trustees, with the right to invest and reinvest as occasion dictates.

The income is to be used annually to provide one or more scholarships, covering the basic University fees, to students who are selected by the University Scholarship Committee. Students selected must be carrying a full academic program at the University, must be in the upper one-half of their class, and are to be the sons, daughters or wards of members of I.B.E.W. Locals who had contributed to this fund prior to its establishment. Any annual income which exceeds the basic fees awarded to a student is to be reinvested as principal until such time as the annual income will provide two or more basic fees' scholarships. The University Scholarship Committee, each year after the first award, will first consider the student who presently holds the scholarship and will award the second and succeeding scholarships to that student so long as he maintains a full academic load, acceptable grades and other performance considered worthy by the University Scholarship Committee.

5. $17,116.37 from the Estate of Doris M. Risley for the establishment of The Doris M. and Clifford A. Risley Scholarship.

The Doris M. and Clifford A. Risley Scholarship

The Doris M. and Clifford A. Risley Scholarship was established December 4, 1970, by the Board of Trustees of The Ohio State University with a bequest through the Development Fund from Doris M. Risley (Mrs. Clifford A.), B.Sc. H.E. '17, formerly of Columbus, Ohio, in memory of herself and her deceased husband.

All gifts are to be invested in the Permanent Endowment Fund of the University under the rules and regulations of the Board of Trustees with the right to invest and reinvest as occasion dictates.

The annual income is to be used to provide one or more scholarships for students enrolled in the School of Home Economics.

Should the University be reorganized in such a manner as to eliminate the School of Home Economics in name or in fact, then the gifts shall endow scholarships for students in a field closely related to that of Home Economics.
IV. GRANTS AND GIFTS (continued)

B. Received Through The Ohio State University Development Fund (continued)

6. $15,000.00 from The Emmet Blakeney Gleason Memorial Fund, Inc., for scholarships and research in the College of Engineering.

7. $10,000.00 from Eli Lilly & Company Foundation for support of the College of Medicine.

8. $10,000.00 from General Electric Foundation--$5,000.00 for the Department of Industrial Engineering and $5,000.00 for research in the College of Administrative Science.

9. $10,000.00 from Shell Companies Foundation, Inc.--$5,000.00 for fellowships in Mechanical Engineering and $5,000.00 for fellowships in Chemical Engineering.

10. $9,296.00 from The Charles F. High Foundation for scholarships.

11. $8,845.00 from American Pharmaceutical Association for research in the College of Pharmacy.

12. $8,386.66 from The Ohio Electric Utility Institute for fellowships in Electrical Engineering.

13. $5,600.00 from the Trust under the Will of Anna Roessler for scholarships in the College of Medicine.

14. $5,500.00 from Cummins Engine Company, Inc., for its fellowship in Mechanical Engineering.

15. $5,000.00 from the Payne Fund, Inc., for its communications fund.

16. $5,000.00 from Pharmacia Laboratories, Inc., for research in the College of Medicine.

17. $5,000.00 from the American Heart Association for the Gustav Hirsch Memorial Professorship in the College of Medicine.

18. $2,267.83 from Miyo Kawai (Mrs. Kazuo Kawai) for the establishment of The Miyo Kawai Memorial Fund.

The Miyo Kawai Memorial Fund

The Miyo Kawai Memorial Fund was established December 4, 1970, by the Board of Trustees of The Ohio State University with a gift through the Development Fund from Miyo Kawai (Mrs. Kazuo Kawai), formerly of Columbus, Ohio, and Tokyo, Japan, a member of the faculty of the Department of East Asian Languages and Literatures from 1963 to 1970.
IV. GRANTS AND GIFTS (continued)

B. Received Through The Ohio State University Development Fund (continued)

18. The Miya Kawai Memorial Fund (continued)

All gifts are to be invested in the Permanent Endowment Fund of The Ohio State University under the rules and regulations adopted by the Board of Trustees with the right to invest and reinvest as occasion dictates.

The annual income is to be used by the Department of East Asian Languages and Literatures to further the Japanese language studies at the University.

Should the University be reorganized in such a manner as to eliminate the Department of East Asian Languages and Literatures in name or in fact, then the gifts shall endow scholarships for students in a field closely related to that of East Asian Languages and Literatures.

19. $1,000.00 from the Agonis Club and friends of Charles D. Hill for the establishment of The Charles D. Hill Equine Research Fund.

The Charles D. Hill Equine Research Fund

The Charles D. Hill Equine Research Fund was established December 4, 1970, by the Board of Trustees of The Ohio State University with a gift to the Development Fund from the Agonis Club, Columbus, Ohio, and friends of Charles D. Hill, in honor of his service and loyalty to the sport of horse racing.

All gifts are to be invested in the University's Permanent Endowment Fund under the rules and regulations adopted by the Board of Trustees, with the right to invest and reinvest as occasion dictates.

The annual income is to be used to support an equine research program in the College of Veterinary Medicine as determined by the Director of Veterinary Clinics.

Should the College of Veterinary Medicine or the Veterinary Clinics cease to exist through any reorganization of the University or should the need for this gift income so diminish or cease to exist so as to leave unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees with preference being given to recommendations from the appropriate University official who is then responsible for research in animal care and health.

TOTAL - Received Through The Ohio State University Development Fund

$201,894.77

Upon motion of Mr. Harrod, seconded by Mr. Safford, the acceptance of the foregoing grants and gifts and the establishment of the above-named funds were approved by unanimous voice vote, and the Secretary was instructed to include the report in the minutes of this meeting.
IV. GRANTS AND GIFTS (continued)

C. Authorization for Secretary of the Board to Sign "Waiver of Service" for Gift from Estate of Alta J. Donovan

Under Item Four of the Will of Alta J. Donovan, The Ohio State University will receive a one-third share ($13,895.13) of said Estate. The Board of Trustees hereby authorizes the Secretary of the Board to sign a "Waiver of Service" in which it is agreed that in consideration for immediate payment, the Board of Trustees of The Ohio State University agrees to pay to and reimburse the executor of the Estate of Alta J. Donovan, deceased, its proportionate share of any tax liability or deficiency assessed upon the executor by the Internal Revenue Service or other tax authority arising out of the United States Estate Tax Return, United States Fiduciary Income Tax Return, Iowa Income Tax Return and any other tax returns of any other tax authority to the extent that they relate to the Estate of Alta J. Donovan, deceased.

Upon motion of Mr. Safford, seconded by Mr. Hilliker, the Board of Trustees authorized the Secretary of the Board to sign said "Waiver of Service" by unanimous roll call vote.

Funds for this project have been provided by a transfer from Budget Account 921300 (Parking Rotary) to Budget Account 801214 (Parking Lot - Pedestrian Bridge).

Upon motion of Mr. Safford, seconded by Mr. Harrod, the above extra and credit orders to contracts and expenditures of funds were approved and the action of the Vice President for Business and Finance was ratified by unanimous roll call vote.

VI. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE

A. Easement - State of Ohio

WHEREAS, the State of Ohio has requested permission to construct an 8-inch water line through State of Ohio (The Ohio State University) and Board of Trustees of The Ohio State University lands, commencing on Godown Road, proceeding westward to the site of the proposed Adjutant General and Department of Commerce hangar facilities, and terminating at the National Guard Armory located on State Route 161; and

WHEREAS, the construction of this water line will provide an adequate water and fire hydrant service for the new hangar facilities and the National Guard Armory, and further, with the approval of the State of Ohio, will supply adequate water and fire hydrant service for the University's Animal Science Center to be constructed west of the airport runways.

NOW, THEREFORE, BE IT RESOLVED, that this easement necessary for the installation of the water line be granted to the State of Ohio; and

BE IT FURTHER RESOLVED, that the President and/or Vice President for Business and Finance be authorized to act on behalf of the University in executing the necessary legal instruments to provide for the easement and to request the Director of Public Works pursuant to his statutory duties to develop the necessary legal instruments to provide for the water line easement.

Upon motion of Mr. Safford, seconded by Mr. Dunlap, the above resolution was adopted by unanimous roll call vote.

B. Newark Campus - Transfer of Lands

WHEREAS, the Ohio Department of Highways has requested permission to widen and improve Country Club Drive on a portion of lands fronting on the Newark Campus of The Ohio State University; and
B. Newark Campus - Transfer of Lands (continued)

WHEREAS, this additional land involving 0.018 acres will permit the Ohio Department of Highways to widen and improve the corner of Country Club Drive and Granville Road which will permit an improved access to the campus;

NOW, THEREFORE, BE IT RESOLVED, that the lands involving 0.018 acres necessary for the above improvement be conveyed to the State of Ohio (The Ohio Department of Highways); and

BE IT FURTHER RESOLVED, that the President and/or Vice President for Business and Finance be authorized pursuant to Section 3345.18, Ohio Revised Code, to act on behalf of the University in developing the necessary legal instruments to provide for the conveyance of the land necessary for the improvement to Country Club Drive.

Upon motion of Mr. Hilliker, seconded by Mr. Safford, the above resolution was adopted by unanimous roll call vote.

C. Lima Campus - Transfer of Lands

WHEREAS, the Allen County Commissioners and the Trustees of Bath Township have requested permission to widen and improve a bridge on Thayer Road on a portion of lands on the east portion of the Lima Campus of The Ohio State University; and

WHEREAS, this additional land involving 0.09 acres will permit the Trustees of Bath Township to widen and improve a bridge on Thayer Road;

NOW, THEREFORE, BE IT RESOLVED, that the lands involving 0.09 acres necessary for the improvement be conveyed to the Board of Bath Township Trustees, Allen County, Ohio; and

BE IT FURTHER RESOLVED, that the President and/or Vice President for Business and Finance be authorized, pursuant to Section 3345.18, Ohio Revised Code, to act on behalf of the University in developing the necessary legal instruments to provide for the conveyance of the land necessary for the improvement to a bridge on Thayer Road.

Upon motion of Mr. Dunlap, seconded by Mr. Gibbs, the above resolution was adopted by unanimous roll call vote.

D. Agreement Between the Ohio Department of Highways and The Ohio State University - Olentangy Freeway

WHEREAS, the construction of a part of the Olentangy Freeway (State Route FRA-315-2.85) is on The Ohio State University campus; and
VI. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE (continued)

D. Agreement Between the Ohio Department of Highways and The Ohio State University - Olentangy Freeway (continued)

WHEREAS, the Ohio Department of Highways and The Ohio State University recognize the need to achieve maximum utilization of State lands for purposes of both public transportation and educational facilities, and further, recognize the need to commit resources for construction, planning, and rearrangement of University facilities to improve the overall functions and utilization of The Ohio State University campus upon completion of the Olentangy Freeway; and

WHEREAS, the construction of this freeway requires certain land transfers, compensation to the University for replacement of University facilities and improvements to be made on Campus Loop Road and Stadium Drive, as well as compensation for replacement of other University facilities, an agreement was entered into between the Ohio Department of Highways and The Ohio State University dated November 16, 1970, to provide for such actions;

NOW, THEREFORE, BE IT RESOLVED, that the action of the President and the Secretary of the Board of Trustees in entering into the agreement be ratified and the agreement be filed with the official records of the Board of Trustees.

Upon motion of Mr. Harrod, seconded by Mr. Safford, the above resolution was adopted and the action of the President and Secretary of the Board of Trustees was ratified by unanimous roll call vote.

VII. RESOLUTIONS IN MEMORIAM

President Fawcett reported to the Board the deaths of Stanley C. Allyn, former member of the Board of Trustees; Patti Murray Grubb, Associate Professor in the Department of Speech; Freeman S. Howlett, Professor Emeritus in the Department of Horticulture; Henry Russell Spencer, Professor Emeritus in the Department of Political Science; and Grace Anne Stewart, Professor Emeritus in the Department of Geology. In accordance with the instructions of the Board of Trustees, copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board will be furnished the families of the deceased.

A. Stanley C. Allyn

The Board of Trustees expresses its special sorrow at the death on October 31, 1970, at Greenwich, Connecticut, of its former colleague, Stanley C. Allyn, of Dayton. Mr. Allyn was a Trustee from January 8, 1959 to May 13, 1968. During 1967-1968 he was chairman of the Board, but ill health prevented him from attending Board meetings during that time.
VII. RESOLUTIONS IN MEMORIAM (continued)

A. Stanley C. Allyn (continued)

A graduate of the University of Wisconsin, Mr. Allyn was actively identified with the National Cash Register Company from 1913 to 1964. During that span he rose rapidly from accountant to top executive positions - comptroller at 33, treasurer, executive vice president, general manager, president (1950-1957), chairman of the board and chief executive officer (1957-1961); and chairman, executive committee (1962-1964). He became director emeritus in 1964. In 1967 his recollections were published in book form under the title of *My Half Century with NCR*.

Mr. Allyn was appointed a Trustee by Governor C. William O'Neill. It was fitting that he succeeded to the seat that for years had been occupied by his longtime colleague and fellow-townsman, Charles F. Kettering. Mr. Allyn was a benefactor of the University, several of his gifts running into five figures. He was a charter member of The Ohio State University Presidents Club.

Besides being a Trustee of this University, Mr. Allyn was largely instrumental in the founding of Wright State University in Dayton. With other local leaders he helped to raise $3 million in gifts to match a like amount from the state to get this new educational venture under way. In recognition of his efforts, the first building on the new campus was named Allyn Hall, a fact of which he was understandably proud.

Apart from his talent for management, Mr. Allyn was remarkable for the breadth and diversity of his other interests and activities. His biographical sketch in *Who's Who in America* lists at least thirty of these. To cite only a few, he was or had been a director of the National Conference of Christians and Jews, a trustee of the Thomas Alva Edison Foundation, a member of the business advisory council of the U. S. Department of Commerce, president of the Community Chests and Councils of America, head of the U. S. delegation to the Economic Commission for Europe, and president and director of the Miami Conservancy District.

Mr. Allyn was the recipient of many honors, including honorary degrees from his alma mater and four other universities. In addition, he was an honorary citizen of Athens, Greece; an officer of the French Legion of Honor; was once named industrialist of the year; was a recipient of the Sons of the American Revolution good citizenship award; the U. S. Navy distinguished public service award; and a Presidential Certificate of Merit. *Forbes* Magazine once named him as one of America's fifty foremost business leaders.

His manifold achievements were quite in keeping with the catholicity of his widespread interests. He was a business statesman of the first order and a faithful servant of his community, his state, and his country - in short, a distinguished citizen.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be sent to the family in token of the Board's abiding respect and deep appreciation.
B. Patti Murray Grubb

The Board of Trustees of The Ohio State University expresses its sorrow at the death on October 28, 1970, of Patti Murray Grubb, Associate Professor in the Department of Speech.

Dr. Grubb was born in Carbondale, Colorado, July 16, 1923. She received the B.A. degree from the University of Denver in 1949, the M.A. degree from the University of Southern California in 1950, and the Ph.D. degree from the University of Illinois in 1956.

Dr. Grubb was an active member of numerous professional organizations and the author of several publications in scholarly journals. She was a Fellow in the American Speech and Hearing Association and a member of the Acoustical Society of America and the Linguistics Society of America. Prior to her appointment to The Ohio State University faculty in 1968, Dr. Grubb was a Visiting Associate Professor at Purdue University, a Lecturer at the University of Southern California at Los Angeles and an Assistant Professor of Speech at Texas Technological College.

Dr. Grubb's professional experience included positions as Research Assistant at the Speech Research Laboratory, University of Illinois; Research Associate in the Department of Psychology at Texas Tech under a grant from the Atomic Energy Commission; Postdoctoral Fellow in Experimental Phonetics at Haskins Laboratories, New York City; Research Associate in the Laboratory for Neurological Research at Loma Linda University, School of Medicine, Los Angeles; and Research Audiologist at the Veterans Administration Outpatient Clinic in Los Angeles. She also held positions with the Orthopaedic Hospital in Los Angeles; Children's Correction Clinic, Jacksonville, Florida; and Lubbock Cerebral Palsy Clinic, Lubbock, Texas.

On behalf of the University community, the Board of Trustees expresses to the family of Dr. Grubb its deepest sympathy. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that a copy be tendered to the family as a sincere expression of the Board’s realization of the loss which the family and the University have sustained.

C. Freeman S. Howlett

The Board of Trustees expresses its sorrow at the death on November 18, 1970, of Freeman S. Howlett, Professor Emeritus and former Chairman of the Department of Horticulture.

Professor Howlett was born June 15, 1900, in Jordanville, New York. He received his B.S. degree in 1921 and his Ph.D. degree in 1925, both from Cornell University. He joined the faculty of The Ohio State University and the Ohio Agricultural Research and Development Center as an Assistant Professor in 1924. In 1947 he became Professor and Chairman of the Department of Horticulture and Forestry at The Ohio State University and of
December 4, 1970 meeting, Board of Trustees

C. Freeman S. Howlett (continued)

the Department of Horticulture at the Ohio Agricultural Research and Development Center. He served with distinction in these posts for some 23 years. Upon his retirement on June 30, 1970, he was named Professor Emeritus.

During his long career, he conducted extensive studies in greenhouse vegetable culture, rootstocks for apple and pear, and in plant nutrition. Dr. Howlett was responsible for the development and use of foliar analysis as a tool for ascertaining nutritional requirements in horticultural crops. During his more than 30 years of apple breeding, he developed and named five new apple cultivars: Melrose, Franklin, Ruby, Holiday, and Holly which show much promise for Ohio producers.

Throughout his career he was held in high esteem by the leaders of the horticultural industries of the state, the nation, and the world. He similarly enjoyed a unique position in the professional community in which he lived. His leadership and guidance, which was always freely given, did much to enhance the industry and aid the profession of horticulture. He always maintained a vital interest in students and in teaching. He challenged his students and his fellow staff members to meet the highest standards of academic achievement. The respect that he won through his devotion to his chosen career field is best exemplified by the recognition which he received. He was a guest lecturer at leading horticultural institutions here and abroad. He was a Fellow of the American Society for Horticultural Science, The Royal Horticultural Society of England, and the Ohio Academy of Sciences. He held membership in numerous scholarly societies.

Dr. Howlett published widely in the most respected journals and is well known in the literature. He is particularly well known for the standard text Modern Fruit Production which he co-authored and which has been translated into many languages. He was a frequent contributor to leading encyclopedias.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family of Freeman S. Howlett as a humble expression of the Board's heartfelt sympathy in its bereavement.

D. Henry Russell Spencer

The Board of Trustees of The Ohio State University expresses its sorrow at the death on October 29, 1970, of Henry Russell Spencer, Professor Emeritus in the Department of Political Science.

Professor Spencer was born in Foxborough, Massachusetts, on January 22, 1879. He received his A.B. degree from Colby College in 1899; his A.M. and Ph. D. degrees from Columbia University in 1901 and 1904. In 1950 he was granted the LL. D. degree by The Ohio State University and the Litt. D. degree by Colby College.
D. Henry Russell Spencer (continued)

His teaching career, which extended well over half a century, began in 1899 at the Coburn Classical Institute and continued beyond his retirement in 1949, and included service at Columbia University, Princeton University, Stanford University, Tulane University, University of California at Los Angeles, West Virginia University, and Reed College. With the exception of these interludes and time out for war service in 1917-18, his lifework as a teacher and scholar were uniquely associated with The Ohio State University.

Coming to the University in 1903 as a young instructor in History and Political Science, he continued until 1949, when he retired as Professor Emeritus. When a separate Department of Political Science was established, he became its Chairman and remained in that post until 1947. During the thirty-eight years of his Chairmanship, the qualities of mind, heart and spirit of this high-minded, scholarly man had a powerful influence on his colleagues, as he moved as best he could to build a department that would reflect his own high purposes and rigorous standards of excellence.

It was as a scholar and teacher that generations of students remember him. A scholar of great depth and richness, a teacher of memorable eloquence, who became a legend in his own lifetime, a great gentleman in every sense of the word, he had an immense influence upon the young men who sat before him.

The author of various books, monographs, and articles throughout his life, a former President of the American Political Science Association, the "founding father" of our Department of Political Science, the recipient of various awards and honors, Professor Spencer was one of the "great teachers" who have added strength in the building of this University.

On behalf of the University community, the Board of Trustees expresses to the family of Professor Spencer its deepest sympathy. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that a copy be tendered to the family as a sincere expression of the Board's realization of the loss which the family and the University have sustained.

E. Grace Anne Stewart

The Board of Trustees of The Ohio State University expresses its sorrow at the death of Grace Anne Stewart, Professor Emeritus in the Department of Geology.

Professor Stewart, daughter of John Stewart, was born near Minnedosa, Manitoba, Canada, August 4, 1893. She received her B.A. and M.A. degrees from the University of Alberta and her Ph.D. degree from the University of Chicago. She held appointments with the Research Council of Alberta and the Geological Survey of Canada before being appointed an Instructor at this University in 1923. She was promoted to Assistant Professor in 1928, to Associate Professor in 1937, and to Professor in 1946.
VII. RESOLUTIONS IN MEMORIAM (continued)

E. Grace Anne Stewart (continued)

She resigned from that position in 1954 and was granted the title Professor Emeritus. During World War II she served as a geographer in the Office of Strategic Services in Washington. After retirement she served as a consultant for several geological firms. She died in Tucson, Arizona, October 15, 1970.

As a teacher, she was methodical, thorough, patient, and helpful, as many alumni can testify. Her research work dealt mainly with microfossils of the Paleozoic of North America, especially Foraminifera, ostracodes, and conodonts. Her main books are *Fauna of the Silica Shale of Lucas County*, published by the Ohio Geological Survey (1927) and *Middle Devonian Corals of Ohio*, a special paper of the Geological Society of America (1938). In addition, she published numerous shorter papers in the *Journal of Paleontology*, the *Ohio Journal of Science*, and the *American Midland Naturalist*. She will be remembered as a member of that band of pioneer women who refused to be deterred from qualifying as geologists because it seemed to be a masculine preserve. She attained a leading position in the profession by quiet but persistent effort, the production of professional work, and willingness to do a man's work in the field when it was required.

On behalf of the entire University, the Board of Trustees expresses to the family its deep sympathy in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as an expression of the Board's heartfelt sympathy in its bereavement.

VIII. REPORTS

A. Report from the Finance and Investment Committee

1. Resolution Providing for the Sale of Land (12.318 Acres, Part of the Mitchell Tract, North Side of Don Scott Airport) to the Ohio Building Authority

Mr. Dunlap presented the following resolution:

WHEREAS, the Ohio Building Authority desires a site for a hangar facility in the vicinity of the University Airport; and

WHEREAS, the Board of Trustees has title in its Investment Portfolio to a tract of land on the north side of the University Airport which would be suitable for such use in accordance with the University Airport Master Plan; and

WHEREAS, the Ohio Building Authority has offered to purchase 12.318 acres, in accordance with MAI appraisals;
VIII. REPORTS (continued)

A. Report from the Finance and Investment Committee (continued)

1. Resolution Providing for the Sale of Land (12.318 Acres, Part of Mitchell Tract, North Side of Don Scott Airport) to the Ohio Building Authority (continued)

NOW, THEREFORE, BE IT RESOLVED, that the Vice President for Business and Finance have the necessary legal document prepared; and

BE IT FURTHER RESOLVED, that the President and Vice President for Business and Finance are hereby authorized and empowered to execute a deed transferring the land to the Ohio Building Authority upon payment of the appraised value. The proceeds are to be deposited in the University's investment portfolio.

Upon motion of Mr. Dunlap, seconded by Mr. Harrod, the above resolution was adopted by unanimous roll call vote.

B. Report on the University's Investment Portfolio

The report dated December 4, 1970, as submitted to the Finance and Investment Committee of the Board of Trustees by Vice President Gordon B. Carson pertaining to the University's Investment Portfolio, was received and ordered to be filed with the official records of the Board of Trustees.

C. Highlights of University Activities

President Fawcett reported to the Board on some significant upcoming events at the University and some activities that have taken place in recent weeks. Some references included in the report, which is filed with the official records of the Secretary, were as follows:

1. Dr. James A. Robinson will be representing the University at the hearing before the Ohio Board of Regents concerning the Master Plan for Ohio's state universities on Monday, December 7, 1970.

2. Some 1,625 graduates will receive degrees at the University's Autumn Quarter Commencement on Friday, December 18. A highlight of the ceremony will be the recognition of recipients of the University's Centennial Achievement Award. In a variation of the traditional commencement address, Detroit industrialist and philanthropist, Max W. Fisher will respond on behalf of the recipients. More than 90 of the 100 outstanding alumni, former faculty, and other prominent persons chosen for the award are expected to be on hand for the presentation the preceding evening at a dinner and reception in the Center for Tomorrow.
C. Highlights of University Activities (continued)

3. The world's first large scale computerized on-line remote library circulation system is now in full operation on the campus. The new system is designed to make using the University's network of libraries simple and easy. With a telephone call from any phone, anywhere, a student or faculty member can find out in seconds if the books he needs are available and have them reserved for pickup. The system ties in the more than 2,400,000 books, 400,000 music scores, 677,000 microfilm units, and 150,000 maps to a computer. The computer reports instantaneously on a display screen the location and availability of any of these items, and also checks them out if desired.

4. On December 2, at the White House, President Fawcett presented to President Richard M. Nixon a gavel set commemorating the University's Centennial. The walnut gavel set was made for this purpose by Joseph W. Kerchner, the University's Superintendent of Construction Maintenance. The wood used is more than 100 years old. It was obtained from University Hall during maintenance work on the building.

5. The National Science Foundation has reported an important fossil discovery 350 miles from the South Pole by James Collinson, Assistant Professor of Geology at Ohio State. Collinson's find was the 200-million-year-old fossil of a cynodont, a meat-eating reptile about the size of a small dog.

Thereupon the Board adjourned to meet Wednesday, February 3, 1971, at The Ohio State University, Columbus, Ohio, at 3:00 p.m.

Attest:

POOLED INCOME FUND TRUST AGREEMENT

and

INSTRUMENT OF TRANSFER
The purpose and intent of this Agreement is to create a Pooled Income Fund (the Fund) as defined in Section 642(c) (5) of the Internal Revenue Code and the Regulations thereunder through which donors may make contributions to the University subject to a retained life income interest. This Agreement and the trust hereby created shall be construed and administered in a manner which is consistent with said statute and regulations.

1. **Trust Created.** The University has deposited with the Trustees the sum of $100 to enable the Fund to establish a bank account and qualify as a valid trust under Ohio law. This account shall not be included as a trust asset after the first contribution is received from a donor and the balance in the account shall be repaid to the University on demand.

2. **Contributions.** The trust shall accept contributions of property (including money) from donors subject to the following terms and conditions:

   (a) An irrevocable remainder interest in the property shall be contributed to the University. If the University is not qualified as a "public charity" under the federal tax laws at the termination of the life income interest, the amount of the remainder interest shall be distributed to an educational organization which is then so qualified, to be selected by the Trustees of the Fund.

   (b) The donor shall retain for himself and/or create for his spouse (to whom the donor is married at the time of the transfer) a lifetime income interest in the property transferred. If a spouse is named as a co-beneficiary with the donor the instrument
Pooled Income Fund - The Ohio State University - Trust Agreement (continued)
of transfer shall designate the shares of income payable to each and whether such
shares are to be enjoyed concurrently or consecutively.

(c) The instrument of transfer shall adopt and incorporate by reference all
the terms and conditions of this Agreement. A copy of this Agreement shall be
attached to each instrument of transfer.

(a) The Trustees shall not accept or hold any property transferred under
arrangements other than those specified in paragraph 2 of this Agreement.

(b) The Trustees shall not accept or invest in any securities the income from
which is exempt from federal income tax.

(c) The Trustees shall not accept any contribution of tangible personal property.
[See Section 170(a) (3) of the Internal Revenue Code.]

(d) The Trustees shall not accept any property subject to an indebtedness.
[See Section 1011(b) of the Internal Revenue Code.]

4. Commingling of Life Income Properties. The property transferred by each
donor shall be commingled with and invested or reinvested with the property transferred
to the Fund by other donors satisfying the requirement of paragraph 2 of this Agree-
ment.

5. Fiscal Year - Valuations. The Fund shall operate on a fiscal year ending on
June 30. The commingled trust fund shall be valued on the first day of each fiscal
year and on the last day of each quarter-annual period, commencing on December 31,
1970. Transfers to and withdrawals from the Fund shall be made only on such
quarterly valuation dates and all determinations hereunder shall be based on such
valuations.

6. Allocation and Distribution of Income.

(a) The income share of each beneficiary for each quarter-annual period of the
Fund shall be determined by the rate of return earned by the Fund for such period
Pooled Income Fund - The Ohio State University - Trust Agreement (continued)

with respect to his income interest, and shall be paid quarterly not later than 20 days after the end of each quarter.

(b) Each income interest retained or created shall be assigned a proportional share of the income earned by the Fund. Such share expressed in terms of units of participation shall be based on the fair market value of the property transferred by the donor on the date of transfer, in relation to the value on said date of all property held by the Fund immediately prior thereto. Each unit of participation shall be valued at not more than its initial fair market value at the date of transfer. Income attributable to appreciation in the value of such unit (in excess of its initial fair market value) shall be distributed currently to the University.

(c) In the allocation of income to units outstanding during only part of a year the Trustees shall take into consideration the number of full quarters during which such units were outstanding.

(d) The income interest of a beneficiary shall terminate on the quarterly valuation date next preceding the date of his death.

7. **Classification of Income.**

(a) For purposes of paragraph 6 of this Agreement the term income refers to the ordinary income of the Fund after deducting any costs and expenses incurred by the Fund which are properly chargeable by income, determined in accordance with good accounting practices under the law of Ohio relating to trusts. The deduction for depreciation shall be computed on a straight line basis and the deduction for depletion on a cost basis.

(b) Long term capital gains realized by the Fund shall be accumulated and added to the Fund, credited to a special capital gain account. At the termination of a life income interest a pro rata portion of this account based on the number of units terminated shall be distributed to the University.
Pooled Income Fund - The Ohio State University - Trust Agreement (continued)

(c) Other income not included in sub-paragraphs (a) and (b) may consist of short-term capital gains, extraordinary distributions and other items properly chargeable to capital account. Such items will be taxable to the Fund unless distributed currently to the University. The Trustees shall determine whether such items shall be retained or distributed to the University and their determination shall be final.

(d) It is understood that the basis of the Fund for the computation of depreciation, depletion, gain or loss will correspond with the adjusted basis of the donor at the date of the transfer, and that the donor's holding period for purposes of the treatment of gains and losses may be added to the holding period of the Fund.

8. Distribution of Remainder Interest. Upon the termination of an income interest an amount equal to the value of the property upon which the income interest was based shall be severed from the Fund as of the termination date and shall be transferred to the University. The instrument of transfer by the original donor may include a statement of his intention or a direction as to the purposes for which the property is to be used by the University. Any such statement or direction shall be reviewed by the Trustees of the Fund and the transfer shall not be accepted unless such purposes are approved.

(a) The Fund has been created and will be maintained by the University and the Trustees shall be subject to the control of the University. The University may remove any one or more of the Trustees at any time without cause, and in case of such removal or other vacancy in the Trusteeship the University shall designate one or more successor Trustees.

(b) No donor to the Fund or beneficiary of an income interest in the Fund shall be eligible to serve as Trustee, and no donor or beneficiary shall exercise any responsibilities with respect to the Fund which would ordinarily be exercised by a Trustee.
(c) All expenses of operating the Fund including any compensation payable to the Trustees and all other costs and expenses will be paid or reimbursed by the University; provided however that the University reserves the right to make an annual charge for investment and fiscal services against the ordinary income of the Fund distributable to the life income beneficiaries not to exceed one-half of 1% of such income. No such charge shall be made unless a comparable charge is made against all other pooled income funds, if any, maintained by the University.

10. Administrative Powers. Subject to the provisions of paragraph 11, the Trustees shall have full and complete power and authority to administer the trust property, including (without limitation) the power to retain, sell, assign, transfer, exchange, mortgage, pledge, contract with respect to and in any manner dispose of any or all of the trust property; to lease property, including leases for terms extending beyond the period of the trust; to execute any instruments or writings incidental to the exercise of their powers; to exercise any voting, subscription and other rights and privileges incidental to securities; to cause securities to be registered in the name of a nominee. The Trustees are given broad discretion in the investment of trust funds, including (without limitation) the authority to invest in all types of securities [other than tax exempt securities, see paragraph 3(b)], real estate, mortgages and other classes of property deemed to be in the best interests of the beneficiaries and the University. No person dealing with the Trustees shall be under a duty to see to the application of the proceeds of any transaction, and the execution of any instrument or paper by the Trustees shall be conclusive evidence to those dealing with them of their power so to act.

The Trustees may consult with the managers and investment advisers of The Ohio State University, holding the general endowment funds of the University, and may make use of the services of the University in connection with purchases and sales of securities and other properties. It is intended, however, that this Fund
Pooled Income Fund - The Ohio State University - Trust Agreement (continued)

shall at all times be maintained as a separate investment account operated by the
Trustees. Detailed accounting records shall be maintained at all times specifically
identifying the assets included in the Fund and the income earned by such assets.

11. Federal Tax Requirements. The following specific prohibitions shall apply
to the Fund, as a split-interest trust within the meaning of Section 4947(b) of the
Internal Revenue Code:

(a) The Trustees shall not engage in any act of self-dealing as defined in
Section 4941(d) of the Internal Revenue Code.

(b) The Trustees shall not make any investment in such manner as to subject
the Fund to tax under Section 4944 of the Internal Revenue Code.

(c) The Trustees shall not make any taxable expenditures as defined in
Section 4945(d) of the Internal Revenue Code.

12. Duration of Trust - Amendments.

(a) The Fund shall remain in existence as long as any life income interests are
outstanding, and thereafter until all property in the Fund has been transferred to the
University.

(b) This Trust Agreement shall be irrevocable and shall not be subject to
amendment except to comply with Section 642(c) (5) of the Internal Revenue Code
and the Regulations thereunder, or corresponding provisions of any subsequent
federal tax law or Regulations.

Executed by the undersigned Trustees on the date first written above.

Degrees Conferred at
THE OHIO STATE UNIVERSITY
COMMENCEMENT CONVOCATION

December 18, 1970
The Centennial Achievement Award

The Centennial Achievement Award recognizes one hundred living alumni, former faculty or staff members, and friends of The Ohio State University for performance and leadership that have brought honor to themselves, their professions, and to this University. It might be said that those being recognized have demonstrated those qualities for which this University has labored these one hundred years.

Nominations for the Centennial Achievement Award were submitted by the faculties of the various colleges and the Graduate School. Nominees were chosen from among eminent individuals who had not previously been awarded an honorary degree or Distinguished Service Award or who are not currently active members of the faculty or staff. These nominations were then evaluated over a period of months by a committee of six members of the faculty, senior in rank and in tenure. Their final selections were in turn submitted to the University Board of Trustees for approval.

The recipients of the Centennial Achievement Award were presented with a mounted Centennial medallion and a certificate during ceremonies at the Center for Tomorrow on December 17, 1970. On the occasion of its Centennial celebration, The Ohio State University proudly greets a most distinguished contingent of those who serve.

NELSON E. ABRAHAMSEN, SR., Cleveland, Ohio
Practicing Optometrist.
B.S. in Optometry, The Ohio State University, 1930; D.O.S., Illinois College of Optometry, 1968.
Dr. Abrahamsen has earned national recognition for his work in raising educational standards for colleges and schools of optometry and for implementing the Optometric Progress Fund, a national development program for the support of optometric education. A long-time member of the Council on Education of the American Optometric Association, the accrediting body for colleges and schools of optometry, he has served twice as its chairman. He has also served with distinction on the Ohio Optometry Board. He is an honorary life member of The Ohio State University Optometry Alumni Association and is chairman of the dean's Advisory Committee of the College of Optometry.

PHILIP R. ADAMS, Cincinnati, Ohio
Director, Cincinnati Art Museum.
Following nearly twenty years as director of the Columbus Gallery of Fine Arts, Dr. Adams became director of the Cincinnati Art Museum in 1945. His effectiveness in this role is evidenced by the community support he has enlisted in reorganizing and enlarging the museum and its permanent collection and by the fact that the recent addition to the museum has been named the Emory-Adams Wing. He served as consultant on the design of The Ohio State University Centennial Medallion.

DOROTHY ADKINS, Honolulu, Hawaii
Professor and Researcher, Education Research and Development Center, University of Hawaii.
B.S. in Education 1931, Ph.D. 1937, The Ohio State University.
Dr. Adkins, among the nation's most distinguished women psychologists, is one of the few persons of her sex to hold highly responsible positions in both governmental and academic areas. Her career in government has included service as chief for Research and Test Construction for the United States Social Security Board and as policy consultant and chief of Test Development for the United States Civil Service Commission. Before joining the faculty of the University of Hawaii, she was professor and chairman of the Department of Psychology at the University of North Carolina. In addition to writing numerous articles, she is the author of texts in test construction and psychological statistics.

HAROLD B. ALBERTY, Columbus, Ohio
Professor Emeritus of Curriculum and Foundations, College of Education, The Ohio State University.
Ph.B. Baldwin University, 1912; LL.B. Cleveland Law School, 1913; M.A. 1923, Ph.D. 1926, The Ohio State University.
Dr. Alberty's name is synonymous with The Ohio State University Laboratory School and the Progressive Education Association. He worked with John Dewey; served, in 1953, as a member of the Department of State Mission to Germany; and received the 1958 Shattuck Centennial Award for Advancement of Secondary Education. The author of numerous books and articles, he also edited Educational Administration and Supervision (1946-59). Reorganizing the High School Curriculum, which he co-authored, is a classic in the field.
JOHN C. ALSTON, Wilberforce, Ohio
Chairman, Department of Social Welfare, Central State University.
B.A., The Ohio State University, 1937; M.A., Howard University, 1940; Ph.D., The Ohio State University, 1947.

Dr. Alston organized the Department of Social Welfare at Central State University and has served as its chairman for twenty-one years. An outstanding teacher, administrator, and researcher, he has also served as dean of the Central State University College of Arts and Sciences (1962-65). Dr. Alston has gladly given of his time and counsel to local, state, and regional welfare programs, as well as to many educational and professional associations. He is a past president and secretary of the National Association of Schools of Social Administration and has written numerous papers.

DONALD B. ANDERSON, Chapel Hill, North Carolina
University Professor of Botany and Consultant to the President of the University, University of North Carolina.
A.B., B.S. 1920; A.M. 1922; Ph.D. 1925, The Ohio State University.

Professor Anderson is a renowned teacher, scientific investigator, and administrator. He has served as a member of the legal staff of the United States Supreme Court Advisory Committee on Rules and Procedures. He has taught at Tulane since 1937 and has been a visiting professor of law at several ranking European universities. He also did a comparative law study in Europe under a Rockefeller grant. The author of several well-known books and articles in the field of law, Dr. Stone has been awarded the Medal of Homage from the Free University of Brussels and a Doctor Honoris Causa degree from Grenoble University.

T. SCOTT SUTTON, Columbus, Ohio
Associate Dean Emeritus, College of Agriculture and Home Economics, The Ohio State University.
B.S. 1928, M.S. 1929, Ph.D. 1934, The Ohio State University.

An outstanding scientist, respected teacher, and successful administrator, Dean Sutton has held various posts during his thirty-eight years at The Ohio State University. His positions have included chairmanships in two departments, agricultural biochemistry (1945-51) and animal science (1951-55). While he was associate dean of the College of Agriculture and Home Economics (1957-67), Dean Sutton was also assistant director of the Ohio Agricultural Research and Development Center at Wooster. An authority on the nutrition of newborn animals, he has received awards from the American Feed Manufacturers and the Distillers Feed Research Council. He has been a leader in establishing agricultural universities in India and was program leader for the first OSU/AID Mission to India (1955-57). Since his retirement, he has served two years as the executive director of the Council of the United States Universities in India.

PAUL TAYLOR, New York, New York
Director, Paul Taylor Dance Company.

Attended Juilliard, Connecticut College School of Dance, Martha Graham School of Contemporary Dance. Internationally known as a dancer, choreographer, and teacher, Mr. Taylor has conducted master classes and has served as guest artist for the Division of Dance at The Ohio State University. Three Ohio State graduates are included in the membership of his company. Mr. Taylor appeared as lead soloist with the Martha Graham Company (1955-61) and has also performed with the companies of Merce Cunningham, Pearl Lang, and Anna Sokolow. He established the Paul Taylor Dance Company in 1955 and with the company has made fourteen foreign tours, four of which were sponsored by the United States State Department.

WILLIAM VAN TIL, Terre Haute, Indiana
Coffman Distinguished Professor in Education, Indiana State University.
B.A. 1933, M.A. 1935, Columbia University, Ph.D., The Ohio State University, 1946.

Dr. Van Til has long been a leader in the field of education, with particular service to secondary education. Before joining the faculty of Indiana State University, he held a variety of teaching and administrative positions at New York University, George Peabody College for Teachers, University of Illinois, and The Ohio State University. In addition to numerous contributions to the literature of education, Dr. Van Til has also been distinguished as a leader in professional organizations, having served as president of the Association for Supervision and Curriculum Development, the John Dewey Society, and the National Society of College Teachers of Education.
JOHN G. WAGNER, Ann Arbor, Michigan
Professor of Pharmacy and Assistant Director for Research and Development of Pharmacy Service, University Hospital, University of Michigan.
Phm.B., University of Toronto, 1947; B.S.P., 1948; B.A. 1949, University of Saskatchewan; Ph.D., The Ohio State University, 1952.
Dr. Wagner has made major contributions in the area of pharmaceutical development of drugs, in both industrial and academic areas. He holds patents on some of the processes involved in the enteric coating of tablets and capsules. In recent years he has contributed markedly to the area of biopharmaceutics and pharmacokinetics. In recognition of his accomplishments, Dr. Wagner received one of the Dr. William E. Upjohn Awards and the coveted Elbert Prize, awarded by the American Pharmaceutical Association. He went to the University of Michigan in 1968, following fifteen years with the Upjohn Company.

JOHN ROBERT WHITAKER, Davis, California
Professor of Food Science and Technology and Biochemist, University of California at Davis.
A.B., Berea College, 1951; Ph.D., The Ohio State University, 1954.
Professor Whitaker became interested in enzymes while working for his doctorate, when he demonstrated that a synthetic organic resin had catalytic properties similar to some natural enzymes. He has made outstanding contributions on the mode of action of proteases, protein molecular weight determinations, and purification of proteins by chromatography and gel electrophoresis, in which field he is the author of an authoritative treatise. In addition to his scientific contributions, Professor Whitaker is highly respected as a teacher and academic leader.

KENNETH B. WOODS, Lafayette, Indiana
Goss Professor of Engineering, Purdue University.
B.C.E., 1932, C.E. 1937, The Ohio State University.
An international authority on soils and foundations. Professor Woods did early research on permafrost, formulated much of the ground theory for soil mechanics at low temperatures, and pioneered in the use of photogrammetry to survey and identify soil formations and distributions. He has directed significant research on highway design problems and has led national advances in highway engineering. As an international consultant on highway problems, he has visited Alaska, Canada, Greenland, and the Arctic Islands. Professor Woods has taught at Purdue since 1939 and was head of the School of Engineering and director of the Joint Highways Research Project (1954-65).

W. HAYES YEAGER, Columbus, Ohio
Professor and Chairman Emeritus of Speech, College of Social and Behavioral Sciences, The Ohio State University.
B.A. 1919, M.A. 1926, The Ohio State University; LL.D., Morris Harvey College, 1956.
For twenty-three years Professor Yeager served as professor and chairman of the Department of Speech at The Ohio State University. Early in his career he taught at the University of Illinois, leaving the post to become executive officer of the Department of Speech at George Washington University (1929-45). He acted as a communications consultant to the United States Air Force from 1953 to 1958. National acclaim and recognition by his peers brought him the presidency of the Speech Association of America. Professor Yeager has authored a number of textbooks and many professional articles.

FREDERICK P. ZUSPAN, Chicago, Illinois
Joseph Boliver DeLee Professor and Chairman, Department of Obstetrics and Gynecology, University of Chicago; Obstetrician/Gynecologist-In-Chief, Chicago Lying-In Hospital.
B.A. 1947, M.D. 1951, The Ohio State University.
Dr. Zuspan is active in the fields of medical education and research. His concern with human reproductive physiology has led to many pertinent discoveries, including new methods of analysis of epinephrine and norepinephrine in pregnant patients. He continues to pursue improvement of medical education, and his publications cover a wide span of knowledge in obstetrics and gynecology. He is a member of the editorial board of Excerpta Medica and editor of Lying-In, The Journal of Reproductive Medicine. Dr. Zuspan taught at the Medical College of Georgia and at Western Reserve University before joining the faculty of the University of Chicago.

The Board of Trustees met at its regular monthly meeting on Wednesday, February 3, 1971, at The Ohio State University, Columbus, Ohio, pursuant to adjournment.

Minutes of the last meeting were approved.

The Chairman, Mr. Ketterer, introduced the two new members of the Board of Trustees of The Ohio State University:

Mr. Robert S. Dorsey, who was appointed by Governor James A. Rhodes to fill the unexpired term of Mr. Frederick E. Jones, beginning June 23, 1970 and ending May 13, 1972, with appointee taking office December 11, 1970. Mr. Jones' resignation was accepted June 22, 1970.

Mr. John L. Gushman, who was appointed by Governor James A. Rhodes to succeed Mr. Jack Gibbs, for the term beginning May 14, 1970 and ending May 13, 1979, with appointee taking office December 11, 1970.
President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Revisions of Rules 27.0703, 29.01, 29.03, 29.2711, and 53.0705 of Rules for the University Faculty

On December 8, 1970, the Faculty Council approved revisions in the Rules for the University Faculty as follows:

1. Section 1 of Rule 27.0703 is revised to provide for one representative from each of the ten areas of the Graduate Faculty. The second paragraph of Section 2 of Rule 27.0703 pertaining to elections for the Graduate Council is modified to change the nominating procedures for election to the Graduate Council.

2. Section 1 of Rule 29.2711 is modified to include the addition of a graduate student to membership on the Athletic Council.

On January 26, 1971, the Faculty Council approved revisions in the Faculty Council section of the Rules for the University Faculty as follows:

1. Part (a) of Rule 29.01 is revised to provide for the addition of six vice presidents as ex officio members of Faculty Council. Part (b) is revised to provide one elected member from each regional campus faculty. Part (c) is added to provide for thirty-three student members who shall be eligible to vote except on matters pertaining to the awarding of degrees.

2. Rule 29.03 is amended in title only to include "of Faculty Members."

3. Rule 53.0705 is amended to be consistent with Rule 29.01.

President Fawcett recommended that the foregoing changes in Rules for the University Faculty as shown in Appendix V, page 323 be approved.

Upon motion of Mr. Hilliker, seconded by Mr. Safford, the Board of Trustees approved the foregoing recommendation by unanimous voice vote, and the Secretary of the Board of Trustees was further instructed and given authority to make the foregoing changes in the next printing of the Rules for the University Faculty.
February 3, 1971 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

B. Establishment of the Willard M. Kiplinger Professorship in Public Affairs in the School of Journalism

Pursuant to the conditions set forth for the establishment of a "Named Professorship," as approved by the Board of Trustees at its January 14, 1965 meeting, President Fawcett recommended that the Willard M. Kiplinger Professorship in Public Affairs be established in the School of Journalism at The Ohio State University.

Funding for this professorship and related programs will be provided by the Kiplinger Foundation Incorporated. In presenting an initial gift of $50,000.00 toward the support of this professorship, Austin Kiplinger said "It is my hope, as I know it would be his (Willard M. Kiplinger), that this grant will help to produce more reporters who will know more about the subject matter of public affairs. Increasingly, public decisions are the stuff of everyday life, so the coverage of these decisions is at the heart of the most important function of journalism in the world today, a clear and honest presentation of public issues." The purpose of this professorship has been defined rather broadly, embracing such fields as editing, editorial techniques, reporting and writing.

The original gift and subsequent contributions from the Kiplinger Foundation will be used to establish an endowment fund, the income from which will be used to support the professorship. A search is to be initiated immediately so that an appropriate person may be appointed to this professorship as soon as the necessary level of funding is achieved.

Upon motion of Mr. Safford, seconded by Mr. Dorsey, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

C. Honorary Degrees

President Fawcett recommended pursuant to Section 3, Rule 11.05, and after consultation with the Faculty Advisory Committee to the President and the Board of Trustees, that the honorary degrees as specified be conferred on the following individuals at a future Commencement mutually agreeable to the University and the recipients.

Paul G. Benedum    Doctor of Laws
Max M. Fisher      Doctor of Laws
John W. Galbreath  Doctor of Laws
Samuel M. Melton   Doctor of Laws
Everett D. Reese   Doctor of Laws
Barbara Walters    Doctor of Humane Letters

Upon motion of Mr. Shocknessy, seconded by Mr. Harrod, the Board of Trustees approved the above recommendation by unanimous voice vote.
February 3, 1971 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

D. Naming of Building

Upon the recommendation of the Dean of the College of Agriculture and Home Economics and with the concurrence of the President's Cabinet, President Fawcett recommended that the Horticulture, Forestry and Food Technology Building at 2001 Fyffe Court be named "Howlett Hall" in memory of Freeman S. Howlett.

The late Dr. Freeman S. Howlett served as Professor and Chairman of the Department of Horticulture and Forestry at The Ohio State University and of the Department of Horticulture at the Ohio Agricultural Research and Development Center. Dr. Howlett contributed much to the profession of horticulture and the field of teaching during his 46-year career at The Ohio State University and was held in high esteem by the leaders of the horticulture industries of the state, the nation and the world.

This recommendation is in accordance with the By-Laws of the Board of Trustees.

Upon motion of Mr. Dunlap, seconded by Mr. Gushman, the Board of Trustees approved the above recommendation by unanimous voice vote.

E. Establishment of a Graduate Library Science Program (Master of Science and Doctor of Philosophy Degrees)

The Faculty Council on December 8, 1970, approved the establishment of a Graduate Library Science Program upon the recommendation of the Council on Academic Affairs.

President Fawcett recommended that the action of the Faculty Council be approved. Pursuant to Section 3333.04 of the Revised Code of Ohio, it was recommended further that this proposal be forwarded to the Board of Regents for approval and funding. Initiation of the programs leading to the Master of Science and Doctor of Philosophy degrees will be conditioned upon favorable action by the Regents on the proposal and adequate funding.

Upon motion of Mr. Harrod, seconded by Mr. Dorsey, the Board of Trustees approved the above recommendation by unanimous voice vote.

II. PERSONNEL CHANGES

President Fawcett recommended that all personnel changes since the December 4, 1970 meeting of the Board, as recorded in the official "Salary Roll" of the University, be approved by the Board. These changes included the following Appointments, Leaves of Absence With Salary, Leaves of Absence Without Salary, and Emeritus Titles:

In accordance with the Memorandum of Agreement between The Ohio State University and The Ohio State University Research Foundation approved by this Board on April 11, 1968, the President recommended that the following projects administered through the Research Foundation be approved and recorded in the minutes of this meeting.

1. Government Research Contracts - Federal

   Gross Value - $39,237.00.

b. Department of Army, Harry Diamond Laboratories, Washington, D. C., Nature and Distribution of RF Currents on Surface of Nose Cone (to be known as Project No. 2622 - Mod. #P010 - Department of Electrical Engineering).
   Gross Value - $15,000.00.

c. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Research Contracts Branch, Bethesda, Maryland, Identification, Isolation, and Culture of Mites (to be known as Project No. 2740 - Mod. #4 - College of Biological Sciences - Entomology).
   Gross Value - $20,000.00.
III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

1. Government Research Contracts - Federal (continued)

d. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Library of Medicine, Bethesda, Maryland, Ohio Medlars Center (to be known as Project No. 2943 - Mod. #2 - Department of Medicine). Gross Value - $31,750.00.

e. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Library of Medicine, Bethesda, Maryland, Ohio Medlars Center (to be known as Project No. 2943 - Mod. #3 - Department of Medicine). Gross Value - $95,228.00.

f. National Aeronautics and Space Administration, Headquarters Contracts Division, Washington, D.C., NASA Procurement Training and Career Progression Study (to be known as Project No. 2947 - Amend. #2 - College of Administrative Science - Division of Continuing Education). Gross Value - $89,844.00.

g. Department of Navy, Office of Naval Research, Procuring Contracting Officer, Arlington, Virginia, Nucleation and Propagation Kinetics of Crystal Dissolution and Growth (to be known as Project No. 2966 - Amend. #1 - Department of Metallurgical Engineering). Gross Value - $22,000.00.

i. Department of Navy, Office of Naval Research, Arlington, Virginia, Defense Termination Settlement and Negotiations Course (to be known as Project No. 3150-A1 - New - College of Administrative Science - Division of Continuing Education). Gross Value - $33,432.00.

TOTAL - Government Research Contracts - Federal $368,041.00
III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

2. Industrial and Other Research Contracts

a. A. H. Robins Company, Inc., Research Laboratories, Richmond, Virginia, Isolation of Active Constituents of Certain Plants (to be known as Project No. 2327 - Ext. #4 - College of Pharmacy). Gross Value - $6,421.00.

b. Union Carbide Corporation, Nuclear Division, Oak Ridge, Tennessee, Fundamental Study of Spiking in Partial Penetration Electron Beam Welding of Uranium and Refractory Materials (to be known as Project No. 2918 - Sup. #1 - Department of Welding Engineering). Gross Value - $38,000.00.

TOTAL - Industrial and Other Research Contracts $48,285.00

a. Department of Health, Education and Welfare, Public Health Service, Health Services and Mental Health Administration, National Institute of Mental Health, Bethesda, Maryland, Studies in Learning and Perception (to be known as Project No. 887-L - Ext. #12 - Department of Psychology). Gross Value - $25,167.00.

b. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Cancer Institute, Bethesda, Maryland, Southwest Cooperative Chemotherapy Study Group (to be known as Project No. 1094-K - Ext. #11 - Department of Medicine). Gross Value - $48,261.00.

c. Department of Health, Education and Welfare, Public Health Service, Health Services and Mental Health Administration, Bureau of Disease Prevention and Environmental Control, National Center for Air Pollution Control, Bethesda, Maryland, Mechanisms of Photochemically Initiated Oxidations (to be known as Project No. 1220-K - Ext. #10 - Department of Chemistry). Gross Value - $79,864.00.

The bids for the Laboratory Equipment Contract are under study and recommendation for the award of this contract will be presented to the Board of Trustees at the next meeting.

Funds for this project have been provided from Item 315-072 (Dental Building, Phase II), H. B. 531; Item 235-010 (Architectural Planning to Board of Regents); and a Public Health Service Grant.

Upon motion of Mr. Safford, seconded by Mr. Hilliker, the above award of contracts and expenditure of funds were approved and the action of the Vice President for Business and Finance was ratified by unanimous roll call vote.

VIII. CONTROLLING BOARD REQUEST

Each numbered request shown below accomplishes the following purpose:

Ohio Department of Highways Request No. 48

Approves the agreement dated November 16, 1970, between the Ohio Department of Highways and The Ohio State University relative to the relocation and improvement of State Route 315.

IX. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE

A. Laneview Service Center - Railroad Siding, Employment of Engineers

President Fawcett recommended that the engineering firm of E. S. Preston Associates, Inc., be employed to provide professional engineering services including complete design, preparation of plans, specifications, and bid documents but excluding supervision of construction.

The fee for this service has been negotiated and is based on the standard fee schedules of the Ohio Society of Professional Engineers. It shall not exceed $7,735.00.
IX. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE (continued)

A. Laneview Service Center - Railroad Siding, Employment of Engineers (continued)

Funds for this project have been provided by the State of Ohio from compensation for properties taken for the new Olentangy River Expressway right-of-way and made available in Budget Account 801211 (Olentangy Freeway Relocation).

Upon motion of Mr. Safford, seconded by Mr. Harrod, the above recommendation was approved by unanimous roll call vote.

B. Withdrawal from Dividend Reserve on Group Life Insurance

President Fawcett recommended that the Vice President for Business and Finance be authorized to make application to John Hancock Mutual Life Insurance Company for the withdrawal of $70,000.00 from the dividend reserve account on Group Life Insurance Policy No. 1305-G in order to make expenditures for supplemental retirement benefits to our emeriti in accordance with Board action of July 10, 1959; for major medical coverage for emeriti in accordance with Board action of April 10, 1959; and death benefits as approved by action of the Board of Trustees on July 11, 1955.

Upon motion of Mr. Dorsey, seconded by Mr. Harrod, the above recommendation was approved by unanimous roll call vote.

C. Newark Campus - Electric Line Easement, Ohio Power Company

WHEREAS, the Ohio Power Company has requested an easement on State of Ohio lands that have been designated for the use of The Ohio State University, Newark Campus; and

WHEREAS, the Ohio Power Company is providing service to a new subdivision being constructed adjacent to the Newark Campus and requires an easement to install an anchor for a guy wire supporting a pole;

NOW, THEREFORE, it is recommended that for the sum of $60.00 an easement be granted to the Ohio Power Company giving permission to install an anchor extending nine feet into University lands; and

BE IT RESOLVED, that the President and/or Vice President for Business and Finance be authorized to request the Director of Public Works, pursuant to his statutory duties, to act on behalf of the University in developing the necessary legal instruments to provide for the installation of this anchor.

Upon motion of Mr. Hilliker, seconded by Mr. Dorsey, the above recommendation and resolution were approved by unanimous roll call vote with Mr. Ketterer abstaining.
X. AWARD PRESENTED TO PRESIDENT FAWCETT

Upon motion of Mr. Shocknessy, seconded by Mr. Safford, the Board of Trustees voted unanimously to include in the minutes of this meeting the following citation by the Chamber of Commerce in presenting to President Fawcett its 1971 Columbus Award in recognition of "distinguished community service":

CHAMBER OF COMMERCE

1971 Columbus Award

Presented in Recognition of

DISTINGUISHED COMMUNITY SERVICE

to

NOVICE G. FAWCETT

Distinguished educator, administrative statesman, realistic idealist; whose energetic devotion to his institution and its goals have had immeasurable influence in bringing about its status as one of the nation's most comprehensive and prestigious universities, and in bringing renown to Columbus, Ohio, as its home.

During one and one-half decades of this leadership, he has successfully engineered the response to a multitude of academic challenges. Unprecedented enrollment growth has been met by a monumental building program based on a very personal concern for the individual. The bewilderingly-swift expansion of knowledge has been answered by comprehensive wisdom and enlightened programming. During the same time span an emphasis on quality has resulted in the upgrading of virtually every facet of the operation, and an impressive accumulation of top-quality courses. The disquiet of a troubled society in need of constructive change, mirrored and dramatized by the constituents of modern academe, are met by sensitive concern and reasoned response.

He is unsparing of self in undertaking a multitude of outside obligations which, over the years, include service to local organizations as director, board member, trustee, or in similar capacities. Despite a daily schedule of formidable demands, he tirelessly shares his expertise in public relations, fiscal matters, counseling, administration and scholarship with private citizens and with local, national and international concerns and graciously honors an unreasonable number of speaking engagements which are pressed on him. Tributes of achievement have been awarded him by many such groups.

He is highly esteemed by fellow professionals and has an enviable record of membership in most every type of association allied to higher learning, as well as the distinction of presiding over many, including the National Association of State Universities and Land Grant Colleges. To date, honorary degrees have been conferred on him by fourteen institutions of higher learning.

321
X. AWARD PRESENTED TO PRESIDENT FAWCETT (continued)

His direction of a complex and intellectually demanding undertaking is based on masterful understanding of each part, on a thorough grasp of its relationship to the sum total of man's accumulated knowledge, and on unique responsiveness in making those resources available to the service of humankind. These abilities have brought him recognition as an international figure in educational leadership.

His abilities as a long-range thinker, planner and human doer bring him grateful recognition as a dedicated, expert and eminent leader of our community.

XI. REPORT

A. Report on the University’s Investment Portfolio

The report dated February 3, 1971, as submitted to the Finance and Investment Committee of the Board of Trustees by Vice President Gordon B. Carson pertaining to the University’s Investment Portfolio, was received and ordered to be filed with the official records of the Board of Trustees.

XII. COMMITTEE APPOINTMENTS

Mr. Ketterer announced the appointment of the following-named persons to membership on the Retirement and Insurance Committee:

Retirement and Insurance Committee

Robert S. Dorsey

(See page 290)
Revisions in Rules 27.0703, 29.01, 29.03, 29.2711, and 53.0705 of Rules for the University Faculty

The Faculty Council on December 8, 1970 and January 26, 1971, approved revisions in Rules 27.0703, 29.01, 29.03, 29.2711, and 53.0705 of Rules for the University Faculty. The text of the Rules as revised is as follows:

27.0703. Elections.

Section 1. Members shall be elected from each of the ten areas defined in Rule 27.0701 for staggered terms of three years and shall be ineligible for re-election for one year thereafter.

Section 2. Elections shall be administered and supervised by a Graduate Council Elections Committee which shall be composed each year of the ten area members then retiring. This committee shall have power to make final rules on all matters not specifically covered by these rules. Elections shall be held in the Spring Quarter of each year for terms beginning with the following Autumn Quarter.

There shall be a Graduate Council Nominating Committee in each area consisting of the retiring member of the Graduate Council representing that area, as chairman, and the chairman of the graduate committee for each Department in that area, or, in the absence of such a committee, the Department Chairman or his designated representative as members. The committee shall make a minimum of four nominations for its area, including nominations received by petition from any six or more members of the Graduate Faculty of the area concerned. The area nominating committee shall prepare and mail the election ballot to each member of its graduate faculty. The election ballots shall be cast by mail directly to the Graduate Council Elections Committee and shall be counted by that committee. The person or persons receiving the highest number of votes shall be elected to the vacancy or vacancies existing at the time of the election.

29.01. Membership.

There shall be a Faculty Council constituted as follows:

a. Ex officio Members. There shall be twenty-eight ex officio members: The President; Provost and Vice President for Academic Affairs; Executive Vice President for Administrative Operations; Vice President for Business and Finance; Vice President for Student Affairs; Vice President for University Development; Vice President for Educational Services; Vice President for Medical Affairs; Secretary of the University Faculty; Dean of the Graduate School; Dean for Undergraduate Programs in Arts and Sciences; Deans of the Colleges; and Director of Libraries.

b. Faculty Members. There shall be sixty-eight members elected from the University Faculty on Regular contract, distributed among and elected by each college, academic unit not assigned to a college, and regional campus with a resident faculty and its own Faculty Council. For the purposes of this section, there are two academic units not so assigned: (1) the library and (2) the Departments of Military, Naval, and Air Force Aerospace Studies. Each college, each such academic unit, and each such regional

campus shall constitute an election district from which shall be elected the number of members as specified for each election by the Committee on Elections for the Faculty Council, and shall elect at least one member. No person is eligible to represent one college, academic unit, or regional campus while serving as representative of another.

c. Student Members. There shall be thirty-three elected members, with voting privileges on all matters except to pass on candidates for degrees: one by each of the sixteen college councils; eight by the Council of Graduate Students; the President of the Undergraduate Student Body; and eight by the Student Assembly.

d. Alternate Members. Each member of the Faculty Council is expected to attend its meetings regularly but alternate representatives shall be designated for each election district in order to assure full attendance at meetings when regular representatives are justifiably absent.

When a regular member is off duty or unable to attend a meeting of the Faculty Council, he shall notify the Secretary of the Council in advance of the meeting, giving the name of the alternate who will represent him. The alternate so designated shall then have the general powers and privileges in the Faculty Council of the person whom he represents.

Alternates shall be designated as follows: (a) alternates for ex officio members - each ex officio member shall designate his alternate; (b) alternates for elected members - unsuccessful candidates for election shall constitute a panel of alternates in each election district, in the order of votes which they received in the election.

29.03. Election of Faculty Members.

Section 1. The Athletic Council shall consist of eleven members, six of whom shall be members of the University Faculty, two of whom shall be alumni of the University, and three of whom shall be students of the University. These members shall be elected as follows:

a. The Faculty Members. The faculty members shall be elected by the Faculty Council in the spring of each year at one of its regular meetings. The term of service shall be six years commencing July 1 following election, the terms to be staggered so that one member retires each year.
29.2711. Athletic Council. (continued)

Each election of a member of the Athletic Council by the Faculty Council shall be from a slate of three candidates submitted by the President. The candidate receiving the greatest number of votes shall be declared elected. In the event of a vacancy in the faculty membership on the Athletic Council, the Faculty Council shall elect (from a slate of three candidates submitted by the President) a member of the University Faculty to fill the unexpired term.

b. The Alumni Members. The alumni members shall be designated by The Ohio State University Association for a term of three years and under such procedures as the Association shall adopt.

c. The Student Members. Two student members shall be elected by the Student Assembly for a term of one year under such procedures as the Assembly shall adopt. One student member shall be selected by the Council of Graduate Students for a term of one year under such procedures as the Council shall adopt.

53.0705. Graduate Student Representation on University Committees.

Section 1. Each of the following Committees or Councils shall include in its membership one representative from the Council of Graduate Students: the Graduate Council, the Advisory Committee on Cultural Programs, the Committee on Academic Misconduct, the Library Council, the Ohio Union Council, and the University Scholarship and Loan Committee. Membership shall include the right to vote.
The Board of Trustees met at its regular monthly meeting on Friday, March 5, 1971, at The Ohio State University, Columbus, Ohio, pursuant to ad-
journment.

Minutes of the last meeting were approved.
March 5, 1971 meeting, Board of Trustees

President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Revisions of Rules 13.0105, 13.0302, 26.01, 27.09, 37.1301, and Deletion of Rule 27.11 of Rules for the University Faculty

On February 9, 1971, the Faculty Council approved the following revisions in the Rules for the University Faculty:

1. That Rules 13.0105, 13.0302, and 26.01 which pertain to the organization of the Colleges of the Arts and Sciences be revised to provide for the change in administrative structure from Dean for Undergraduate Programs for the College of Arts and Sciences to Vice Provost for Arts and Sciences. These rules also provide for changing the number of Colleges in the Arts and Sciences from six to five since University College operates as a separate unit.

2. That Rule 27.09 be modified to define the committee structure of the Graduate Council.

3. That Rule 27.11 be deleted since provisions of the present rule are incorporated in Rule 27.09.

4. That Rule 37.1301 be modified to permit proficiency credit in foreign language courses to be used toward credit for graduation.

President Fawcett recommended that the foregoing revisions in Rules for the University Faculty as shown in Appendix VI, page 363, be approved.

Upon motion of Mr. Safford, seconded by Mr. Dorsey, the Board of Trustees approved the foregoing recommendation by unanimous voice vote, and the Secretary of the Board of Trustees was further instructed and given authority to make the foregoing changes in the next printing of the Rules for the University Faculty.

B. Doctor of Arts Program in Russian Language and Literature

At the September 10, 1970, meeting of the Board of Trustees the Doctor of Arts degree was authorized in concept. Now the Graduate Council and the Council on Academic Affairs are recommending the first program for this degree, a Doctor of Arts in Russian Language and Literature. This program is designed to prepare college teachers in Russian Language and Literature rather than research scholars for whom the Ph. D. degree is available.
I. GENERAL RECOMMENDATIONS (continued)

B. Doctor of Arts Program in Russian Language and Literature (continued)

The Faculty Council at its February 9, 1971, meeting approved this program and recommend it for favorable action by the Board. Pursuant to Section 3333.04 of the Revised Code of Ohio, with this approval the proposal be forwarded to the Board of Regents for approval.

Upon motion of Mr. Harrod, seconded by Mr. Safford, the Board of Trustees approved the above recommendation by unanimous voice vote.

C. Naming of Building

Upon the recommendation of the Vice President for Medical Affairs and with the concurrence of the President’s Cabinet, President Fawcett recommended that the Mental Retardation Center located at 1580 Cannon Drive be named ‘Eugene F. McCorm Campbell Hall’ in memory of Dr. Eugene F. McCorm Campbell.

The late Dr. Eugene F. McCorm Campbell was the second Dean of the College of Medicine where he served from 1917 to 1927. He was responsible for the reorganization of the College of Medicine from a proprietary school of medicine into an academic college of medicine as an integral part of The Ohio State University.

This recommendation is in accordance with the Bylaws of the Board of Trustees.

Upon motion of Mr. Hilliker, seconded by Mr. Dunlap, the Board of Trustees approved the above recommendation by unanimous voice vote.

D. Reprinted Publication Entitled--Statutes Applying to the University, Bylaws of the Board of Trustees, and Rules for the University Faculty

The publication entitled, Statutes Applying to the University, Bylaws of the Board of Trustees, and Rules for the University Faculty, has been reprinted to conform to the changes which have been approved by the Board of Trustees since the last publication in February, 1970. The statutes of the Ohio Revised Code pertaining to The Ohio State University and printed in this publication have been revised to include those actions adopted by the 108th General Assembly.

President Fawcett recommended that this publication be accepted in its reprinted form as the official publication of the Board of Trustees.

Upon motion of Mr. Safford, seconded by Mr. Gushman, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.
I. GENERAL RECOMMENDATIONS (continued)

E. Degrees and Certificates Conferred—Winter Quarter Commencement

President Fawcett recommended that degrees and certificates be conferred at the Winter Quarter Commencement Convocation on March 19, 1971, to those students who have completed the requirements for their respective degrees and certificates and are recommended by the Faculty Council. The names of those awarded degrees and certificates will be included in the minutes of this meeting. (See Appendix VII, page 369.)

Upon motion of Mr. Shocknessy, seconded by Mr. Safford, the Board of Trustees approved the above recommendation by unanimous voice vote.

F. The University Hall Project

In a continuing effort to provide the urgently needed academic space through the University Hall Project which was funded by the 108th General Assembly and at the same time to accommodate the concerns of the various interested groups, we are now proposing a modified plan which has the endorsement of the Board of Regents and the State Controlling Board.

This plan provides for the demolition and reconstruction of the existing University Hall structure so that the exterior appearance of the new structure with the exception of the North Wing will generally duplicate the facade of the existing structure but with a more efficient internal configuration.

The additional space needs required within the program of requirements and the appropriation will be provided for through a separate structure adjacent to but integrated with this structure.

In order to proceed on this Project, President Fawcett recommended that the Board take the following actions:

1. That the Board's actions of November 8, 1970 and December 4, 1970, relating to the University Hall Project be rescinded and

2. That the Board thereby reinstates and reaffirms its earlier action of June 13, 1968, to wit:

   WHEREAS, continuing studies by professionally qualified persons reveal serious doubt regarding the structural safety of the entire University Hall building,

   BE IT RESOLVED that action be taken by University administrative officials to

   (1) implement at the earliest possible date the abandonment of University Hall as authorized by this Board of Trustees in action taken on May 9, 1968;
March 5, 1971 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

   F. The University Hall Project (continued)

      (2) execute the demolition of the building following its evacuation; and

      (3) proceed with the development of plans and specifications for funding and constructing a building which will replace the critically needed academic space for the several basic education departments now housed in University Hall at the earliest possible moment.

and

3. That the project architect, C. Curtiss Inscho and Associates, be authorized to proceed with the design of these structures and be reimbursed at the standard rate for work done to date.

Upon motion of Mr. Shocknessy, seconded by Mr. Harrod, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote.

II. PERSONNEL CHANGES

President Fawcett recommended that all personnel changes since the February 3, 1971 meeting of the Board, as recorded in the official "Salary Roll" of the University, be approved by the Board. These changes included the following Appointments, Leaves of Absence With Salary and Leaves of Absence Without Salary:

A. Appointments

   Franklin P. Kilpatrick, Dean of the College of Social and Behavioral Sciences, effective August 1, 1971, at a salary of $32,688.00 per annum. He will hold an appointment as Professor in the Department of Psychology.

   Frank W. Hale, Jr., Associate Dean in the Graduate School, effective June 1, 1971, at a salary of $26,208.00 per annum. He will hold an academic appointment as Professor in the Department of Speech.

   Edward C. Melby, Jr., Associate Dean in the College of Veterinary Medicine, effective April 1, 1971, at a salary of $33,888.00 per annum. Dr. Melby will hold an appointment as Professor in the Department of Veterinary Clinical Sciences.

   Edward C. McDonagh, Professor in and Chairman of the Department of Sociology, effective October 1, 1971, at a salary of $26,880.00 per annum.
March 5, 1971 meeting, Board of Trustees

II. PERSONNEL CHANGES (continued)

A. Appointments (continued)

In addition to the foregoing recommendations, the President presented the following change in assignment:

Robert L. Wall assumed the duties of Assistant Dean and Secretary of the College of Medicine (part time - 75 per cent), effective February 1, 1971. He will continue to hold his appointment as Professor (part time - 25 per cent) in the Department of Medicine. His combined salary will be $28,488.00 per annum.

B. Leaves of Absence With Salary

In accordance with the policy approved by the Board of Trustees on April 11, 1954, the following-named persons were recommended for Leaves of Absence With Salary from the Cooperative Extension Service for the period indicated:

Joe D. Pittman, Instructor (Area Supervisor, McConnelsville Area Center), effective April 1, 1971 through May 31, 1971, to participate in a program of professional improvement at The Ohio State University.

George W. Sherer, Instructor (County Extension Agent, Agriculture) Morgan County, effective April 1, 1971 through June 15, 1971, to participate in a program of professional improvement at The Ohio State University.

C. Leaves of Absence Without Salary

Raphael D. Levine, Professor (Battelle Professor of Theoretical Chemistry), Department of Chemistry, effective February 14, 1971 through March 31, 1971, to serve as a Visiting Professor at the Hebrew University in Jerusalem.

Sherman P. Touchburn, Professor, Department of Poultry Science, effective March 14, 1971 through June 30, 1971, for postdoctoral study.

Mary R. Guilbert, Instructor, Department of Physical Medicine, effective March 8, 1971 through April 19, 1971, for personal reasons.

Upon motion of Mr. Dunlap, seconded by Mr. Dorsey, the Appointments, Leaves of Absence With Salary, Leaves of Absence Without Salary, and personnel budget actions as recorded in the official "Salary Roll" of the University were approved by unanimous roll call vote, and the Secretary was instructed to file these changes in the "Salary Roll," an official document of the University.

In accordance with the Memorandum of Agreement between The Ohio State University and The Ohio State University Research Foundation approved by this Board on April 11, 1968, the President recommended that the following projects administered through the Research Foundation be approved and recorded in the minutes of this meeting.

1. Government Research Contracts - Federal

d. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Institute of Allergy and Infectious Diseases, Bethesda, Maryland, Influence of Cultural Conditions and Concentration Procedures of the Antigenicity of Mycoplasma pneumoniae Vaccines (to be known as Project No. 2356 - Mod. #8 - Department of Medical Microbiology). Gross Value - $52,416.00.
March 5, 1971 meeting, Board of Trustees

III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

1. Government Research Contracts - Federal (continued)

   e. Office of Civil Defense, Department of Army, Washington, D. C.,
      Disaster Studies (to be known as Project No. 2612 - Mod. #P479-8 -
      Department of Sociology).
      Gross Value - $34,905.00.

   f. Department of Army, U. S. Army Medical Research and Development
      Command, Washington, D. C., Early Diagnosis of Infectious Diseases
      (to be known as Project No. 2634 - Mod. #P-104 - Department of
      Medicine).
      Gross Value - $22,462.00.

   g. Department of Air Force, Electronic Systems Division, Air Force
      Systems Command, Laurence G. Hanscom Field, Bedford, Massa-
      chusetts, The External Gravity Potential on the Earth and Gravity
      Dependent Geodetic Parameters (to be known as Project No. 2758 -
      Mod. #P00003 - Department of Geodetic Science).
      Gross Value - $83,000.00.

   h. U. S. Atomic Energy Commission, Chicago Operations Office,
      Argonne, Illinois, Stress Corrosion Cracking of FE-CR-NI Alloys
      in Caustic Environments (to be known as Project No. 2765 - Mod.
      #1-1 - Department of Metallurgical Engineering).
      Gross Value - $84,000.00.

   i. National Aeronautics and Space Administration, Manned Spacecraft
      Center, Facility and Laboratory Support Branch, Houston, Texas,
      Investigations Related to Selenodetic Control (to be known as
      Project No. 2841 - Mod. #1-S - Department of Geodetic Science).
      Gross Value - $50,000.00.

   j. U. S. Atomic Energy Commission, Chicago Operations Office,
      Argonne, Illinois, A Study of the Mechanism of Stress Corrosion
      Cracking in Iron-Nickel-Chromium Alloy System (to be known as
      Project No. 2958 - Mod. #1 - Department of Metallurgical Engi-
      neering).
      Gross Value - $39,000.00.

   k. Department of Navy, Office of Naval Research, Arlington, Virginia,
      Alloy Corrosion (to be known as Project No. 3003-A1 - Amend. #1 -
      Department of Metallurgical Engineering).
      Gross Value - $32,000.00.
March 5, 1971 meeting, Board of Trustees

III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and
   The Ohio State University Research Foundation

1. Government Research Contracts - Federal (continued)

   1. U. S. Department of Interior, Fish & Wildlife Service, Bureau
      of Sport Fisheries & Wildlife, Washington, D. C., Seasonal
      Movements and Population Fluctuations of Red-Winged Blackbirds
      in the Lake Erie Region (to be known as Project No. 3016-A1
      - Amend. #2 - College of Biological Sciences - Zoology).
      Gross Value - $7,770.00.

   m. Department of Air Force, Air Force Systems Command, Aero-
      nautical Systems Division, Wright Patterson Air Force Base,
      Ohio, Program to Apply the Gas Diagnostics in the AFDLI
      (Air Force Flight Dynamics Laboratory) (to be known as Project
      No. 3040-A1 - Mod. #P00002 - Department of Aeronautical and
      Astronautical Engineering).
      Gross Value - $7,500.00.

      D. C., Development of a Method to Produce Pictures with Acoustic
      Energy (to be known as Project No. 3158-A1 - New - Department
      of Welding Engineering).
      Gross Value - $44,772.00.

   o. Department of Army, Office of Civil Defense, Washington, D. C.,
      National Emergency Public Communications Systems (to be known
      as Project No. 3160-A1 - New - Department of Speech).
      Gross Value - $39,982.00.

   p. Department of Air Force, Rome Air Development Center,
      Procurement Division (PM) Griffiss Air Force Base, New York,
      Investigation of Laser Propagation Phenomena (to be known as
      Gross Value - $49,923.00.

   q. Department of Navy, Office of Naval Research, Arlington, Virginia,
      Contract Administration (to be known as Project No. 3164-A1
      - New - College of Administrative Science - Division of Continuing
      Education).
      Gross Value - $50,000.00.

   r. Department of Air Force, Air Force Systems Command, Aero-
      nautical Systems Division, Wright Patterson Air Force Base, Ohio,
      Investigation on the Degradation Mechanisms of Pigmented Polymeric
      Coatings (to be known as Project No. 3171-A1 - New - Department
      of Ceramic Engineering).
      Gross Value - $20,000.00.
III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and
   The Ohio State University Research Foundation

1. Government Research Contracts - Federal (continued)

   s. U. S. Department of Interior, Bureau of Mines, Denver, Colorado,
      Fundamental Studies in the Use of Sonic Power for Rock Cutting
      (to be known as Project No. 3173-A1 - New - Department of Welding
      Engineering).
      Gross Value - $27,145.00.

   t. U. S. Department of Interior, Bureau of Mines, Denver, Colorado,
      Fundamental Studies in the Use of Sonic Power for Rock Cutting
      (to be known as Project No. 3173-B1 - New - Department of
      Gross Value - $22,855.00.

      Projects Agency, Denver, Colorado, Stresses, Deformations and
      Progressive Failure of Non-Homogeneous Fissured Rock (to be
      known as Project No. 3177-A1 - New - Department of Civil Engi-
      neering).
      Gross Value - $46,113.00.

   v. U. S. Department of Labor, Office of Administrative Services,
      Division of Procurement, Washington, D. C., A Conference on the
      Evaluation of the Impact of Manpower Programs on Participants
      (to be known as Project No. 3180-A1 - New - College of Adminis-
      trative Science - Division of Continuing Education).
      Gross Value - $19,682.00.

   TOTAL - Government Research Contracts - Federal $970,600.00

2. Industrial and Other Research Contracts

   a. Illuminating Engineering Research Institute, New York, New York,
      Studies of the Illumination Requirements for Roadway Visual Tasks
      (to be known as Project No. 872 - Sup. #13 - Institute for Research
      in Vision).
      Gross Value - $5,000.00.

   b. American Petroleum Institute, Washington, D. C., Critical
      Properties of Hydrocarbon Mixtures (to be known as Project No.
      2029 - Sponsor Letter 1/11/71 - Department of Chemical Engi-
      neering).
      Gross Value - $5,000.00.
March 5, 1971 meeting, Board of Trustees

III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and
   The Ohio State University Research Foundation

2. Industrial and Other Research Contracts (continued)

   c. General Industrial, A Quantitative Program of Spectral Measurements on Selected Gases (to be known as Project No. 3159-A1 - New - Department of Physics). Gross Value - $7,500.00.

   TOTAL - Industrial and Other Research Contracts $21,000.00

   b. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Heart and Lung Institute, Bethesda, Maryland, Comparative Biochemistry of Normal and Diseased Hearts (to be known as Project No. 1100-J - Ext. #9 - Department of Surgery). Gross Value - $49,806.00.

   d. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Institute of General Medical Sciences, Bethesda, Maryland, Catalytic Centers of Metal Enzymes (to be known as Project No. 1823-E - Ext. #5 - Department of Physiological Chemistry). Gross Value - $23,238.00.
March 5, 1971 meeting, Board of Trustees

III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and
   The Ohio State University Research Foundation

3. Government Research Grants - Federal (continued)

   e. Department of Health, Education and Welfare, Public Health Service,
      National Institutes of Health, National Institute of Neurological
      Diseases and Stroke, Bethesda, Maryland, Neuroendocrine
      Mechanisms Controlling Organ Perfusion (to be known as Project
      No. 1882-F - Ext. #6 - Department of Psychiatry).
      Gross Value - $14,428.00.

   f. National Science Foundation, Washington, D. C., Effects of
      Nutritional Factors on Distribution of Antarctic Lichens and
      Terrestrial Algae (to be known as Project No. 2395 - NSF Letter
      Dated 1/22/71 - Institute of Polar Studies).
      Gross Value - $6,200.00.

   g. Department of Health, Education and Welfare, Public Health Service,
      National Institutes of Health, National Institute of Arthritis and
      Metabolic Diseases, Bethesda, Maryland, Metabolism of 6-
      Deoxyhexoses (to be known as Project No. 2701-C - Ext. #3 -
      College of Biological Sciences - Biochemistry and Molecular
      Biology).
      Gross Value - $19,332.00.

   h. Department of Health, Education and Welfare, Public Health Service,
      National Institutes of Health, National Heart and Lung Institute,
      Bethesda, Maryland, Ephedrine Tachyphylaxis (to be known as
      Project No. 2753-A - Sup. #1 - College of Pharmacy).
      Gross Value - $1,446.00.

   i. Department of Health, Education and Welfare, Public Health Service,
      National Institutes of Health, National Cancer Institute, Bethesda,
      Maryland, Neurooncogenesis by Resorptive Carcinogens (to be known
      as Project No. 2762-B - Ext. #2 - Department of Veterinary
      Pathology).
      Gross Value - $55,978.00.

   j. Department of Health, Education and Welfare, Public Health Service,
      National Institutes of Health, National Institute of Arthritis and
      Metabolic Diseases, Bethesda, Maryland, Pathology of Thyrocalcitonin
      Allied Disease (to be known as Project No. 2766-B - Ext. #2 - Depart-
      ment of Veterinary Pathology).
      Gross Value - $27,411.00.

   k. Department of Health, Education and Welfare, Public Health Service,
      National Institutes of Health, National Heart and Lung Institute,
      Bethesda, Maryland, Hypcholesterolemic Agents-Stereochemical
      Studies (to be known as Project No. 2769-B - Ext. #2 - College of
      Pharmacy).
      Gross Value - $25,906.00.
March 5, 1971 meeting, Board of Trustees

III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and
   The Ohio State University Research Foundation

3. Government Research Grants - Federal (continued)

   1. Department of Health, Education and Welfare, Public Health Service,
      National Institutes of Health, General Research Support Branch,
      Division of Research Facilities and Resources, Bethesda, Maryland,
      General Research Support Grant (to be known as Project No. 2776-A2 -
      Ext. #2 - College of Veterinary Medicine).
      Gross Value - $69,355.00.

   m. Department of Air Force, Air Force Office of Scientific Research,
      Arlington, Virginia, Transport Phenomena in Highly Ionized Shock
      Heated Gases as Related to Reentry Aerodynamics (to be known as
      Project No. 2785 - Mod. #B - Department of Aeronautical and Astro-
      nautical Engineering).
      Gross Value - $20,000.00.

   n. Department of Health, Education and Welfare, Public Health Service,
      National Institutes of Health, National Institute of General Medical
      Sciences, Bethesda, Maryland, The Synthesis of Catena Type
      Compounds (to be known as Project No. 2993-A - Ext. #1 - Depart-
      ment of Chemistry).
      Gross Value - $28,046.00.

   o. National Science Foundation, Washington, D. C., Heterogeneous
      Plane Elasticity and Plate Bending (to be known as Project No.
      Gross Value - $45,300.00.

   p. Department of Justice, Law Enforcement Assistance Administration,
      Washington, D. C., Analysis of Law Enforcement Data (to be known
      as Project No. 3174-A1 - New - Department of Sociology).
      Gross Value - $9,924.00.

   q. National Science Foundation, Washington, D. C., Investigation of the
      Solar Spectrum in the Range 0.295 - 5.0 Microns (to be known as
      Project No. 3176-A1 - New - Department of Astronomy).
      Gross Value - $15,000.00.

   r. National Science Foundation, Washington, D. C., Mechanized
      Information Center (to be known as Project No. 3182-A1 - New -
      Department of Computer and Information Science).
      Gross Value - $204,236.00.

   s. Department of Air Force, Air Force Office of Scientific Research,
      Arlington, Virginia, Automatic Pictorial Pattern Recognition
      Techniques for Use in Suboptimum Environments (to be known as
      Gross Value - $39,079.00.
March 5, 1971 meeting, Board of Trustees

III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

3. Government Research Grants - Federal (continued)

      Gross Value - $40,200.00.

      TOTAL - Government Research Grants - Federal $733,992.00

4. Industrial and Other Research Grants

   a. The Regents of the University of Wisconsin, Madison, Wisconsin, Drug Evaluation Program of the CCNSC in the Central Region, USA (to be known as Project No. 1395 - Checks Nos. C0803492, C0813876, C0818221, C0818222 - Department of Surgery).
      Gross Value - $3,031.62.

      Gross Value - $19,000.00.

      Gross Value - $630.00.

   d. Battelle Memorial Institute, Columbus Laboratories, Columbus, Ohio, The Role of Acetaldehyde in the Actions of Ethanol (to be known as Project No. 3142-A1 - Sup. #1 - Department of Pharmacology).
      Gross Value - $1,278.00.

   e. Research Corporation, New York, New York, An Investigation of the "Induced-fit" Hypothesis and Enzyme Specificity (to be known as Project No. 3146-A1 - New - College of Biological Sciences - Biochemistry and Molecular Biology).
      Gross Value - $5,000.00.
March 5, 1971 meeting, Board of Trustees

IV. GRANTS AND GIFTS

The following grants and gifts to the University were among those received since February 3, 1971, and were reported for the record. Appropriate expressions of appreciation have been conveyed to the donors.

SUMMARY

Administered Through the Office of Business and Finance $220,705.00
Received Through The Ohio State University Development Fund 122,439.67

A. Administered Through the Office of Business and Finance

1. $109,200.00 additional grant by Department of Health, Education and Welfare, Office of Education, Washington, D. C., to the University for Vocational-Technical Leadership Development Program, under the direction of the College of Education. This grant terminates on June 30, 1972. (Grant No. OEG-0-70-1945)
March 5, 1971 meeting, Board of Trustees

IV. GRANTS AND GIFTS (continued)

A. Administered Through the Office of Business and Finance (continued)

2. $37,500.00 granted by Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Bureau of Health Professions Education and Manpower Training, Division of Educational and Research Facilities, Bethesda, Maryland, to the University for assistance in the purchasing of equipment for nurse training facilities. This grant is made under Title VIII, Part A, of the Public Health Service Act. (Grant No. 1 C05-CF-04103-01)

3. $29,469.00 granted by Department of Health, Education and Welfare, Public Health Service, Bethesda, Maryland, to the University for support of "Studies on Comparative Electrocardiography," for a Development Award - Research Career Program, under the direction of the Department of Veterinary Physiology and Pharmacology, for the period April 1, 1971 through March 31, 1972. (Grant No. 5 K03 HE13524-09)

4. $22,550.00 additional grant by Department of Health, Education and Welfare, Public Health Service, Bethesda, Maryland, to the University for "Allied Health Professions Advanced Traineeship Grant," under the direction of the School of Allied Medical Professions, for the period July 1, 1970 through June 30, 1971. (Grant No. 5 A02 AH 00010-04S2)

5. $14,400.00 granted by Department of Health, Education and Welfare, Public Health Service, Bethesda, Maryland, to the University for support of "Medical Student Apprenticeship Training," under the direction of the Department of Preventive Medicine, for the period March 1, 1971 through February 29, 1972. (Grant No. 5 A07 AH 00209-04)

6. $7,586.00 granted by Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Library of Medicine, Bethesda, Maryland, to the University for "Medical Library Resource Support," under the direction of the University Libraries, for the period January 1, 1971 through December 31, 1971. (Grant No. 5 G01 LM 00190-05)

TOTAL - Administered Through the Office of Business and Finance
$220,705.00

B. Received Through The Ohio State University Development Fund

1. $30,000.00 from E. I. duPont de Nemours & Company, Inc., Wilmington, Delaware—$20,000.00 for research in Chemistry, $5,000.00 for research in Chemical Engineering, and $5,000.00 for research in Metallurgy.

2. $18,500.00 from Eli Lilly and Company, Indianapolis, Indiana, for infectious disease research.

3. $17,500.00 from the Trust under the Will of Anna Roessler for scholarships in the College of Medicine.
March 5, 1971 meeting, Board of Trustees

IV. GRANTS AND GIFTS (continued)

B. Received Through The Ohio State University Development Fund (continued)

4. $16,000.00 from Haskins & Sells Foundation, Inc., New York, New York, for the Business Youth Opportunity Program.

5. $8,382.67 from Ohio Electric Utility Institute, Columbus, Ohio, for O.E.U.I. Fellowship Fund in the Department of Electrical Engineering.

6. $7,053.00 from the Grace High Washburn Trust, Bucyrus, Ohio, for scholarships.

7. $7,000.00 from the Upjohn Company, Kalamazoo, Michigan, for infectious disease research.

8. $5,000.00 from Edgar W. Ingram Foundation, Columbus, Ohio--$4,000.00 for the Business Youth Opportunity Program and $1,000.00 for a student grant in the Department of Animal Science.

9. $5,000.00 from National Machinery Foundation, Tiffin, Ohio, for support for the Department of Mechanical Engineering.

10. $5,000.00 from The Harry C. Moores Foundation, Gahanna, Ohio, for the establishment of the Harry C. Moores Dairy Technology Centennial Scholarship.

Harry C. Moores Dairy Technology Centennial Scholarship

The Harry C. Moores Dairy Technology Centennial Scholarship was established March 5, 1971, by the Board of Trustees of The Ohio State University with a gift through the Development Fund from The Harry C. Moores Foundation, in honor and in memory of Harry C. Moores, late of Columbus, Ohio, co-founder of the Moores & Ross Milk Company and the M. & R. Dietetic Laboratories, Columbus, Ohio.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used for scholarships for Dairy Technology students, to be selected by the University Scholarship Committee upon the recommendation of the Chairman of the Department of Dairy Technology. Students would be selected on the basis of their academic potential as compared with other students seeking scholarships, and the amount awarded to any given student would not exceed the financial need of that student in attending Ohio State.

Should the Department of Dairy Technology cease to exist through any reorganization of the University, then the scholarship or scholarships may be awarded to students in closely related academic fields.
March 5, 1971 meeting, Board of Trustees

B. Received Through The Ohio State University Development Fund (continued)

11. $3,000.00 from the University Women's Club for the establishment of the Marjorie K. Fawcett Scholarship Fund.

Marjorie K. Fawcett Scholarship Fund

The Marjorie K. Fawcett Scholarship Fund was established March 5, 1971, by the Board of Trustees of The Ohio State University with gifts to the Development Fund from the University Women's Club, in honor of Marjorie K. Fawcett, wife of President Fawcett, in appreciation for her continuing inspiration and assistance to the University and the University Women's Club.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used for scholarships to students selected by the University Scholarship Committee.

TOTAL - Received Through The Ohio State University Development Fund

Kenneth Wiseman Scholarship in Medicine

The Kenneth Wiseman Scholarship in Medicine was established March 5, 1971, by the Board of Trustees of The Ohio State University with a bequest from Adah V. Wiseman, Columbus, Ohio, widow of the late Bruce K. Wiseman, M.D.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.
IV. GRANTS AND GIFTS (continued)

D. Establishment of New Fund from Previously Reported Gift (continued)

Kenneth Wiseman Scholarship in Medicine (continued)

The annual income is to be used to provide one or more scholarships to students enrolled in the College of Medicine who have taken their undergraduate work at The Ohio State University and who shall be deemed worthy and in need of financial assistance and who have demonstrated scholarly attributes. Applicants shall be chosen from the highest ranking students as determined by their grades, worthiness, and need of financial help at the time of applying for scholarship assistance. It is suggested that each scholarship should continue for each applicant who is chosen, for so long as the student requires financial help to complete the requirements of the College of Medicine for obtaining a degree of Doctor of Medicine.

Appointees to these scholarships shall be known as the KENNETH WIEMAN SCHOLARS IN MEDICINE, and shall be selected by the unanimous decision of a committee of three (3), consisting of the Dean of the College of Medicine, the Chairman of the Department of Medicine, and the Chairman of the Department of Surgery.

Upon motion of Mr. Harrod, seconded by Mr. Safford, the acceptance of the foregoing grants and gifts and the establishment of the above-named funds were approved by unanimous voice vote, and the Secretary was instructed to include the report in the minutes of this meeting.

This job required the construction of an addition to Starling-Loving Hall. An underground masonry wall, a concrete sub-base and other similar items discovered during the construction process required change orders.

Funds for this project have been transferred from Budget Account 960200 (Hospital Rotary) to Budget Account 801196 (Expanded Computer Facilities for the College of Medicine).

Upon motion of Mr. Dunlap, seconded by Mr. Dorsey, the above extra and credit orders to contracts and expenditures of funds were approved and the action of the Vice President for Business and Finance was ratified by unanimous roll call vote.

VI. PLANS AND SPECIFICATIONS

At the request of the Vice President for Business and Finance, President Fawcett recommended that the plans and specifications, bills of materials, and estimates of cost for the following projects be approved by the Board of Trustees:

A. McCracken Power Plant - 13 KV Distribution System Extension

This project provides for basic electrical utility capacity and connection to feed electrical systems in the Main Library and also will provide capability of serving future expansion in this general area.

Funds for this project have been provided from Item 315-074 (Utilities and Renovation), H. B. 531.
VI. PLANS AND SPECIFICATIONS (continued)

B. McCracken Power Plant - Coal Bunker Removal

This project consists of the removal of one or more sections of the overhead coal bunker including the hyperbolic concrete sides and the steel ends up to the supporting girders.

Funds for this project have been provided from Item 315-074 (Utilities and Renovation), H. B. 531.

C. Sisson Hall, Air Condition Animal Rooms 133 and 141

This project provides air conditioning and temperature control for Rooms 133 and 141 to comply with Federal standards for animal facilities.

Funds for this project have been transferred from Budget Account 149997 (New Programs Reserve) to Budget Account 801212 (Sisson Hall Remodeling).

D. Ramseyer Hall - Renovation and Air Conditioning

This project is a continuation of an earlier renovation project to convert the building from an elementary and secondary school to other College of Education uses.

Funds for this project have been provided from Item 315-074 (Utilities and Renovation), H. B. 531, and by a transfer from Budget Account 149997 (New Programs Reserve) to Budget Account 801140 (Renovation of Ramseyer Hall).

E. Agricultural Technical Institute - Wooster

This project is for the first building of a new center for technical education in agriculture.

Funds for this project have been provided from Item 315-010 (Ohio Board of Regents Architectural Planning) and Item 366-001 (Agricultural Technical Institute, Ohio State University, Wooster), H. B. 531.

F. Ambulatory Patient Teaching Facility

This project will house all of the outpatient care programs of the College of Medicine and is basically the teaching and research laboratory of all patient medicine for undergraduate, post-M. D., nursing, and allied medical professional students.

Funds for this project have been provided from Item 315-016 (Medical Complex, Phase III) and a Public Health Service Federal Grant.

Upon motion of Mr. Dunlap, seconded by Mr. Harrod, the above recommendations were approved by unanimous roll call vote, and the Secretary was authorized and directed to sign the plans and specifications for the above projects for and on behalf of the Board of Trustees. Vice President Carson was directed to proceed with a request for bids in the normal University manner and if satisfactory bids were received, to proceed with the award of contracts. All action regarding this matter will be reported to the Board of Trustees at a later meeting.
March 5, 1971 meeting, Board of Trustees

VII. REPORT OF AWARD OF CONTRACTS

In accordance with authorization provided by the Board of Trustees, bids were taken on the projects listed below and the contracts were recommended for award. The action reported to the Board was as follows:

Electrical Contract
(6 bids received 2-17-71)
Jess Howard Electric Company
(Columbus)

Funds for this project have been provided from Item 315-074 (Utilities and Renovation), H. B. 531.

Upon motion of Mr. Dorsey, seconded by Mr. Hilliker, the above award of contracts and expenditure of funds were approved and the action of the Vice President for Business and Finance ratified by unanimous roll call vote.

VIII. CONTROLLING BOARD REQUESTS

Each numbered request shown below accomplishes the following purpose:

29 Approves the transfer of $5,980,543.30 from Item 315-073 (University Hall), H. B. 531, to a new Item 315-078 (University Hall Complex), H. B. 531, and the release of $230,543.00 to provide planning funds for this project.

30 Approves the award of the Mechanical Contract on the project "Air Condition Main Library" to the low bidder notwithstanding the fact that it is over the estimate of cost and the release of $531,000.00 from Item 315-074 (Utilities and Renovation), H. B. 531, to provide funds for the project.

IX. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE

A. Electric Line Easement, South Bass Island - Ohio Edison Company

WHEREAS, the Ohio Edison Company requires additional electric facilities to serve the residents of South Bass Island; and

WHEREAS, the location of the underground cable requires a right-of-way through lands owned by the Board of Trustees of The Ohio State University; and

WHEREAS, the right-of-way through a portion of the former United States Coast Guard Light Station property will permit the Ohio Edison Company to construct a landing and install a new underground cable which will improve the reliability of service and permit the installation of a three-phase facility;

NOW, THEREFORE, BE IT RESOLVED, that the President and/or Vice President for Business and Finance be authorized to request the Ohio Edison Company to prepare the necessary legal instruments to provide for the easement and to sign said easement on behalf of the Board of Trustees of The Ohio State University.

Upon motion of Mr. Harrod, seconded by Mr. Shocknessy, the above resolution was adopted by unanimous roll call vote.

B. Kenny Road Widening - Agreement Between The Ohio State University and the Franklin County Board of County Commissioners

WHEREAS, the Franklin County Board of County Commissioners has requested permission to widen and improve part of Kenny Road known as Section "A" Part, County Road Number 57; and

WHEREAS, the construction of a part of the Kenny Road widening project is on The Ohio State University campus; and

WHEREAS, the Franklin County Board of County Commissioners and The Ohio State University recognizes the need to improve traffic flow along Kenny Road; and

WHEREAS, State land involving 4.271 acres will permit the Franklin County Board of County Commissioners to widen and improve Kenny Road from Station 54 + 34.22, approximately 30 feet north of the center line of Lane Avenue to Station 98 + 47.85 located approximately 160 feet south of the center line of Ackerman Road; and

WHEREAS, the County has agreed to reimburse the University for damages in the amount of $8,470.00;

NOW, THEREFORE, BE IT RESOLVED, that the President and/or Vice President for Business and Finance be authorized to act on behalf of the University to enter into an agreement between the Franklin County Board of County Commissioners and The Ohio State University to permit entry on said land.

B. Kenny Road Widening - Agreement Between The Ohio State University and the Franklin County Board of County Commissioners (continued)

to commence necessary improvements and to develop the necessary easements and legal instruments to provide for the conveyance of the land and other considerations necessary for the improvement to Kenny Road.

Upon motion of Mr. Shocknessy, seconded by Mr. Safford, the above resolution was adopted by unanimous roll call vote.

X. RESOLUTIONS IN MEMORIAM

President Fawcett reported to the Board the deaths of Harold B. Alberty, Professor Emeritus in the College of Education - Academic Faculty Curriculum and Foundations; Jesse L. Amsbaugh, Associate Professor Emeritus in the Cooperative Extension Service; Daisy Davis, Associate Professor Emeritus in the School of Home Economics; Charles R. McClave, Clinical Professor in the Department of Pediatrics; Robert Bradford Miner, Professor in the College of Administrative Science - Academic Faculty of Marketing; and Chauncey E. Wilson, Assistant Professor Emeritus (Visual Aids Specialist) in the College of Agriculture and Home Economics. In accordance with the instructions of the Board of Trustees, copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board will be furnished the families of the deceased.

A. Harold B. Alberty

The Board of Trustees expresses its sorrow at the death on February 2, 1971, of Harold B. Alberty, Professor Emeritus in the College of Education - Academic Faculty Curriculum and Foundations.

Professor Alberty was born October 6, 1890, in Lockport, New York. He received his Ph.B. in 1912 from Baldwin University and the L.L. B. in 1913 from Cleveland Law School. The Ohio State University awarded him the M.A. degree in 1923 and the Ph. D. degree in 1926. He joined the faculty of The Ohio State University as Instructor in 1925 and rose to the rank of Professor in the Department of Education in 1932. From 1938 to 1941, he served as Director of The Ohio State University Schools. He served with distinction in these posts, and upon his retirement on September 1, 1959, he was named Professor Emeritus.

During his long career, he became noted throughout the world for his studies of the secondary school curriculum. In recognition of his contributions to his own field and to the University, he received, on December 18, 1970, The Ohio State University Centennial Achievement Award.

Dr. Alberty was responsible not only for developing a sound philosophical and theoretical base for pre-collegiate curricula, but also, his work contributed markedly to bridging the gap between theory and practice. His

active leadership role in the national Eight-Year Study, a large-scale experiment with the curricula of thirty secondary schools from 1932-1940, is one example of his contribution. He served widely as a consultant to schools, state departments of education, and universities of this country, and in 1953, was a member of the United States State Department Mission to Germany.

In all of his work, Dr. Alberty always maintained a vital interest in students and teaching. He challenged his students and colleagues to meet the high standards he set for himself. The respect that he won is exemplified, in part, by the recognition he received within his profession. He was a visiting lecturer at many universities and served in a leadership position in such professional organizations as the National Association for Supervision and Curriculum Development. Among his many honors, he received the 1971 award of the John Dewey Society for distinguished service to education.

Dr. Alberty published widely. His name is well known and respected in the literature of his field. He is particularly noted for his classic Reorganizing the High School Curriculum. A bibliography of his writing contains well over one hundred significant titles.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family of Harold B. Alberty as a humble expression of the Board's heartfelt sympathy in its bereavement.

B. Jesse L. Amsbaugh

The Board of Trustees of The Ohio State University expresses its sorrow at the death on January 17, 1971, of Jesse L. Amsbaugh, Associate Professor Emeritus in the Cooperative Extension Service.

Mr. Amsbaugh was born March 22, 1907, in Moline, Kansas, and was graduated from Sullivan High School in Ashland County, Ohio, in 1924. He received the Bachelor of Science in Agriculture degree in 1928 and the Master of Science degree in 1938 from The Ohio State University.

Prior to joining the faculty of The Ohio State University in 1936, Mr. Amsbaugh taught vocational agriculture in Lake Township, Wood County, for eight years. In the summer of 1936, he served as a farm management specialist with the Farm Security Administration at Urbana, Illinois.

On October 1, 1936, he became Executive Assistant in Program Planning for the Ohio Cooperative Extension Service. Advancement into positions of greater responsibilities continued throughout his long service of public employment. In 1943, he was named Assistant Extension Supervisor, Emergency Farm Labor; in 1947, he was appointed Assistant Secretary, Ohio Cooperative Extension Service and was made an Assistant Professor; in 1951, he was promoted to Extension Secretary; in 1957, his title was

changed to Secretary and Leader, Business Operations; and again in 1964 it was changed to Leader, Business Operations. In 1958, he was promoted to Associate Professor. He retired on March 31, 1967.

Throughout his career as a faculty member with the Ohio Cooperative Extension Service, Mr. Amsbaugh earned and enjoyed the respect and admiration of co-workers and leaders throughout the state. His ability in handling business operations was widely recognized. He devoted long hours to personnel and financial matters affecting the efficient operations of Cooperative Extension programs and the welfare of the Extension faculty. He had many hobbies and was an active member of many professional and social organizations.

On behalf of the University community, the Board of Trustees expresses to the family of Mr. Amsbaugh its deepest sympathy. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that a copy be tendered the family as sincere appreciation of the Board’s realization of the loss which the family, the University, and his many friends and associates have sustained.

C. Daisy Davis

The Board of Trustees of The Ohio State University expresses its sorrow at the death on January 19, 1971, of Daisy Davis, Associate Professor Emeritus in the School of Home Economics.

Miss Davis received her Bachelor of Science in Home Economics degree from The Ohio State University in 1924 and her Master of Arts degree from Teachers College, Columbia University, in 1931. She joined the faculty at The Ohio State University as an Instructor in 1929. She served as head of the household equipment division from the time of her original appointment and was active in establishing the home economics in business curriculum. Miss Davis retired in 1954. She was a member of Phi Upsilon Omicron and an honorary member of the Columbus, Ohio, Chapter of Electrical Women’s Round Table.

On behalf of the University community, the Board of Trustees expresses to the family its deepest sympathy. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that a copy be tendered to the family as a sincere expression of the Board’s realization of the loss which the family has sustained.

D. Charles R. McClave

The Board of Trustees of The Ohio State University expresses its sorrow at the death on January 7, 1971, of Charles R. McClave, Clinical Professor in the Department of Pediatrics.
March 5, 1971 meeting, Board of Trustees

X. RESOLUTIONS IN MEMORIAM (continued)

D. Charles R. McClave (continued)

Dr. McClave was born in Portsmouth, Ohio, on January 13, 1922. He received his B.A. degree in 1944 from Ohio University and his M.D. degree in 1946 from The Ohio State University. During this time, he was elected to both Phi Beta Kappa and Alpha Omega Alpha.

Dr. McClave served his internship at Los Angeles County General Hospital, and his residency at The Ohio State University in Columbus Children's Hospital. Upon completion of his residency training in 1951, he remained on The Ohio State University faculty and was promoted to Clinical Professor in 1969. He was certified by the American Board of Pediatrics in 1953. He served in the United States Army as a Captain from 1947 to 1949.

Dr. McClave was identified with the teaching program of the Department of Pediatrics and has taught in most of the general courses offered by the Department. He has participated in the third-year course in Clinical Pediatrics as a lecturer, attending pediatrician, and preceptor. He taught Physical Diagnosis to second-year medical students.

Dr. McClave was a member of the staff of five local hospitals. He served as Chairman of the Medical Staff of Children's Hospital from 1965 to 1966, and was presently serving as Chairman of the Pediatrics Section at Riverside Methodist Hospital. Dr. McClave was a member of the Central Ohio Pediatric Society, the Medical Symposium, the American Academy of Pediatrics, the American Medical Association, and the Academy of Medicine of Columbus and Franklin County.

Bob McClave was a truly sincere and dedicated practitioner of child care in its finest sense. He gave unwavering attention to his patients and was always sensitive to the needs of parents, brothers, and sisters during the child's illness. His excellent example as a family physician delivering child care has served as a model and an inspiration to many students, interns, and residents.

On behalf of the University community, the Board of Trustees expresses to the family of Dr. McClave its deep sympathy. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

E. Robert Bradford Miner

The Board of Trustees expresses its sorrow at the death on February 6, 1971, of Robert Bradford Miner, Professor in the College of Administrative Science - Academic Faculty of Marketing.

A native of Conneaut, Ohio, Dr. Miner was born June 1, 1916. He received his Bachelor of Science degree in 1938 and his Master's degree in 1940, both from Ohio University. He earned his Ph. D. degree from Ohio State in 1948. Dr. Miner joined the OSU faculty as an Instructor in 1948 and served

as Chairman of the Department of Business Organization from 1957 to 1968. In his teaching field, he emphasized marketing research and business policy. He did extensive work in the theoretical and practical aspects of distribution cost analysis and control. Those who knew him well will remember his understanding and deep concern for his students.

Although his career has been relatively short, he has contributed untiringly to the College of Administrative Science, The Ohio State University, and business education. He has served on the College Research Committee, the Joint Policy Committee of the Executive Development Program, and the College Executive Committee. He was Chairman of the College Doctoral Programs Committee at the time of his death. His service to the University is evidenced by his appointments to handle many University assignments, among them, the Faculty Advisory Committee to the President and the Board of Trustees and the Rules Committee of the Faculty Council. Another of his contributions to business education was his work on the establishment of the graduate business administration program at Maritime College in Bronx, New York. Dr. Miner added to business literature co-authoring Introduction to Business Management (1951) and Distribution Costs (1953). He was a contributing editor to the Accountants Handbook (1970) and the Marketing Handbook (1985). He also wrote numerous articles which appeared in business and professional journals.

Active in both research and consulting, Dr. Miner was well known in the professional business world. During World War II, Dr. Miner was an officer in the United States Army, serving from 1943 to 1946.

Dr. Miner was recognized as a significant educator and business practitioner. He is listed in Who's Who in America, Who's Who in the Midwest, and American Men of Science and the Social and Behavioral Sciences. We have lost a colleague, professor, scholar, and friend.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family of Robert Bradford Miner as a humble expression of the Board's heartfelt sympathy in its bereavement.

F. Chauncey E. Wilson

The Board of Trustees of The Ohio State University expresses its deep regret at the death January 14, 1971, of Chauncey E. Wilson, Assistant Professor Emeritus (Visual Aids Specialist), in the College of Agriculture and Home Economics.

Mr. Wilson was born May 13, 1889, in Berkshire, Ohio. He was reared on a farm and attended elementary school and high school in Johnstown, Ohio. In 1910-1911, he attended Ohio Wesleyan University, then returned to Johnstown, Ohio, to teach school until 1916, when he enrolled at The Ohio State University. He took time from his academic work in 1918 and 1919 to serve

as cashier paymaster for the Ohio Branch of the Council of National Defense. He returned to Ohio State and received his Bachelor of Arts degree in 1920 and the same year joined the Office of Information as an Assistant Extension Photographer. He was promoted to an instructor in 1928 and an Assistant Professor in 1932. He retired as an Assistant Professor and Assistant Editor May 31, 1959, after 39 years of service with the University.

Throughout his long career as a faculty member of the Ohio Cooperative Extension Service, Mr. Wilson enjoyed the respect of all those with whom he worked. His talents as a photographer and artist were widely known. Extension exhibits and displays viewed by thousands revealed his steady, skillful hand at lettering.

On behalf of the University community, the Board of Trustees expresses to the family of Mr. Wilson its deepest sympathy. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that a copy be tendered to the family as a sincere expression of the Board's realization of the loss which the family and the University have sustained.

XII. PRESIDENT FAWCETT'S LETTER ANNOUNCING HIS RETIREMENT

President Fawcett then indicated that he wished to read a letter which he had addressed to the members of the Board of Trustees. He indicated that first of all he wanted to report that he had been permitted to attend the Board meeting from the hospital where he was to return immediately following the meeting. He said he hoped that they had observed that he was in pretty good health and that he had had a superficial infection in his right leg for which he was undergoing treatment. The letter which was addressed to the Board of Trustees had been dictated on February 19, he said, and because of its contents he wanted to make the foregoing clear.

XII. PRESIDENT FAWCETT'S LETTER ANNOUNCING HIS RETIREMENT (continued)

March 5, 1971

Members of the Board of Trustees
The Ohio State University
190 North Oval Drive
Columbus, Ohio 43210

Gentlemen:

For nearly fifteen years it has been my privilege to serve as President of The Ohio State University. Because of the nature of the enterprise, one's physical and intellectual energies become completely consumed in the pursuit of an institutional mission - a mission so complex that it defies definition, but one so challenging that it never ceases to inspire and stimulate its leadership to new levels of performance. Quite clearly a time comes when the institution can be served best by providing for an orderly transition from the long service of one President to the young, vigorous and energetic leadership of another.

I have pondered this question for a long time and have concluded that such inevitable change can be accomplished best if the Board of Trustees can work at the assignment of selecting a new President following a voluntary action on my part rather than waiting until action is required under the compulsory retirement regulation.

Therefore, I have tried to measure realistically the prospect of my continuing service against the totality of the problem that will confront you. My conclusion is that I would like to retire from the Presidency as of September 1, 1972. By making my wishes known now the Board will have at least a year to take such steps as it deems advisable in the selection of my successor.

As all of you know, the past fifteen years have constituted an era of phenomenal growth at this University both in size and in programs designed to meet the needs of the people. Given the critical nature of our problems during this era, I believe we have succeeded in solving most of them within the limits of available time and resources. In my view, the University now ranks among the distinguished universities of this country; it has completed its centennial year; it is well staffed to begin a new century of service; and it is now ready for a new era of leadership that can be sparked by a young and dynamic President who can preside over another kind of institutional transition that will mark its character and direct its course through the 1970s and beyond.

If you will graciously grant my request, I pledge to continue my best efforts as President during your search and to facilitate in every way I can a transition of authority and responsibility to a

new President to the end that the University can, without undue stress, continue to pursue vigorously its important mission in service to the people of our State and Nation.

Finally, may I say that I have made no future plans for myself, nor am I prepared even to speculate about such plans at this time. I am trying only to help you face realistically the inevitable course of events that flows from the tides of time. I have come to love this University and want only to do what I can to help it. I have served under many distinguished men on this Board, and I have nothing but gratitude, admiration and respect for its present membership. For your unselfish service, for your deep sense of commitment to Ohio State, and for your vigorous support of its programs, I salute you and wish you well.

Sincerely,

/S/ Novice G. Fawcett

The Ohio State University

Mr. Ketterer responded to President Fawcett's letter as follows:

After the shock of such a statement as you have just read, Mr. President, I am sure that I can't appropriately express the feeling of this Board while under the influence of the trauma of having you say what you have said in your letter to the Board of Trustees.

We have had the great pleasure of working with you for a number of years. To everybody on this Board, it has been an experience that I am sure they will all cherish and will never forget till the last day of their lives. You have been a marvelous administrator and a strong leader in support of this University which has grown phenomenally under your leadership. But, I think, I would be remiss if I did not say you have become more than that; you have also come into our hearts and minds as a dear friend--a man who is worthy of the greatest respect and of the greatest love.

I am sure that at some future time, after the shock of this letter has passed, the Board will take appropriate action. There is an air of finality about your letter as you read it. I am sure that this is a matter that you have to decide for yourself, and apparently
Mr. Ketterer's Response (continued)

you have reached a decision. We, of the Board, must muster the courage, the will and the steadfastness to approach the problem that you have created for us. Since I am the first member of the Board to retire (in May of this year), I had no thought that before I retired from the Board, I would have any such agonizing experience in dealing with what you have just said. I can only say sorrowfully that we shall in due course undertake to address ourselves to this problem, and I know of the insurmountable character of it.

The path that you have lead this University onto will afford for any successor a program that must, I am sure, cause temerity because frankly I know of no one who has made such a contribution to the University as you have in the almost 15 years of your service.

We are most sorry to hear what you have said, but we shall undertake as well as we can to cope with this problem.

Thereupon the Board adjourned to meet Friday, April 2, 1971, at The Ohio State University, Columbus, Ohio, at 3:00 p.m.

Attest:

Revisions of Rules 13.0105, 13.0302, 26.01, 27.09, 37.1301, and Deletion of Rule 27.11 of Rules for the University Faculty

Approved by Faculty Council
February 9, 1971

Adopted by Board of Trustees March 5, 1971
(See Page 330)
Revisions in Rules 13.0105, 13.0302, 26.01, 27.09, 37.1301, and Deletion of Rule 27.11 of Rules for the University Faculty

The Faculty Council on February 9, 1971, approved revisions in Rules 13.0105, 13.0302, 26.01, 27.09, 37.1301, and deletion of Rule 27.11 of Rules for the University Faculty. The text of the Rules as revised is as follows:

13.0105. Organization of the Colleges of the Arts and Sciences.

Section 1. The Colleges of the Arts and Sciences shall consist of (a) the five Colleges so designated by Rule 13.0101; (b) the Faculty of the Arts and Sciences as created by Rule 26.00; and (c) a Coordinating Council of Deans comprised of the Deans of the five Colleges and the Vice Provost for Arts and Sciences as created by Rule 13.0302.

Section 2. The five Colleges in the Arts and Sciences shall be administered separately by their respective Deans, and their individual Faculties shall have jurisdiction over College academic programs and the nature and content of courses offered. However, matters of common concern to the several Colleges shall be coordinated through the Coordinating Council of Deans. One of the Deans of the five Colleges shall be appointed by the President to serve a one-year term as Chairman of the Council and shall be eligible for re-appointment.

Section 3. Student personnel services and student records for the Colleges of the Arts and Sciences shall be administered by the Colleges of the Arts and Sciences. (See Rule 13.0302.) (B/T 10/11/67)

- o -

13.0302. Vice Provost for Arts and Sciences.

Section 1. There shall be a Vice Provost for Arts and Sciences who shall be a member of the Faculty of the Arts and Sciences charged with implementing policies of the Faculty as set forth in Sections 4 and 5 of this Rule. He shall be appointed by the Board of Trustees upon nomination by the President. Before making his nomination, the President shall confer with members of the Faculty of the Arts and Sciences.

Section 2. The Vice Provost for Arts and Sciences shall be an ex officio voting member of the Coordinating Council of Deans of the Colleges of the Arts and Sciences (see Rule 13.0105).

Section 3. The Vice Provost for Arts and Sciences shall implement policies of the Faculty of the Arts and Sciences with respect to the following:

a. Curricula and requirements for "untagged" baccalaureate programs and development of new and useful programs in this area.

b. Basic education requirements for all undergraduate students.

c. The retention and further development of curricula assigned specifically for the general education of undergraduate students.

d. A general honors program for the Arts and Sciences.
Revisions in Rules 13.0105, 13.0302, 26.01, 27.09, 37.1301, and
Deletion of Rule 27.11 of Rules for the University Faculty (continued)

13.0302. Vice Provost for Arts and Sciences. (continued)

ea. Counseling and record services and attendant procedures.

f. Coordination of student intercollege transfers involving the Arts
and Sciences.

Section 4. The Vice Provost for Arts and Sciences shall be responsible for
the fulfillment and certification of the untagged degree requirements in the Arts
and Sciences.

Section 5. The Vice Provost for the Arts and Sciences shall in cooperation
with the Dean of University College be responsible for the coordination of Uni-
versity College counseling and curricular development with that of the Arts and
Sciences. Specifically, he shall keep University College informed of all changes
in curricular requirements and other matters pertaining to academic counseling,
and in this manner assist in achieving consistency of counseling in the University
College with that in the Arts and Sciences.

Section 6. The Vice Provost for Arts and Sciences shall be consulted by the
deans of the individual colleges on personnel matters relating to faculty primarily
engaged in undergraduate instruction.

Section 7. With the approval of the Faculty of the Arts and Sciences, or its
designated representative body, the Vice Provost may appoint committees from
the Faculty of the Arts and Sciences to work with him in the implementation of
those policy areas as outlined in Section 4 of this Rule. Should there be established
a curriculum committee of the Faculty of the Arts and Sciences, the Vice Provost
shall serve as its chairman ex officio.

Section 8. The Vice Provost for Arts and Sciences shall also be responsible
for such other matters pertinent to the Arts and Sciences which may be designated
by the Provost and Vice President for Academic Affairs. (B/T 10/11/67)

26.01. Membership.

The Faculty of the Arts and Sciences shall consist of all faculty members of the
five Colleges in the Arts and Sciences (see Rule 13.0105). (B/T 10/11/67)

27.09. Committees.

Section 1. There shall be an Executive Committee, a Curriculum Committee,
and a Policy and Standards Committee, each constituted as follows:

a. Chairman. The Vice Provost for Graduate Affairs and Dean of the
Graduate School shall be chairman of each Committee.
Revisions in Rules 13.0105, 13.0302, 26.01, 27.09, 37.1301, and
Deletion of Rule 27.11 of Rules for the University Faculty (continued)

27.09. Committees. (continued)

b. Regular Members. The Graduate Council shall select the members of each Committee from its membership. The manner of selection and the tenure shall be determined by the members of the Graduate Council, except that each of the areas outlined in Rule 27.0701 must be represented by a faculty member on each Committee.

Section 2. The Curriculum Committee shall perform the functions specified in Rule 31.0201.

Section 3. The Executive Committee and the Policy and Standards Committee shall perform the functions assigned to them by the Graduate Council.

- o -

27.11. Executive Committee.

Delete this rule (provisions of 27.11 are incorporated in Rule 27.09).

- o -

37.1301. Credit for Rescheduled Courses.

Credit for all rescheduled courses resulting from action under Rule 37.13 shall count toward the fulfillment of graduation requirements unless: (a) the student has previously earned university or college credit in a course having substantially the same subject matter content; or (b) the substituted course is one which the Department or School, with the approval of the Council on Academic Affairs, has established for students with inadequate preparation for college-level courses of that Department or School.

Degrees Conferred at

THE OHIO STATE UNIVERSITY
COMMENCEMENT CONVOCATION

March 19, 1971
The Recipients of Honors

PAUL G. BENEDUM
Doctor of Laws

An imaginative business leader whose service to education, civic affairs, and his profession is of rare distinction.

Innovation, productivity, and administrative ability have given Paul G. Benedum a pre-eminent position in business and industry, and with great dedication he has been an enlightened leader in community affairs.

Mr. Benedum received the Bachelor of Arts degree in Mechanical Engineering and Geology from The Ohio State University in 1927 and served as a geologist and district manager with the Benedum-Trees Oil Company. In 1934 he assumed the presidency of the Melba Mining Corporation and in 1950, he founded the Bentex Oil Corporation, serving as that company's president and director. Following service in World War II, Mr. Benedum became president of the Hiawatha Oil and Gas Company and the Penn-Ohio Gas Company and from 1961 to 1963, he served as president of the Plymouth Oil Company.

Mr. Benedum has also served as president and director of the Claude Worthington Benedum Foundation since 1959, as president of the Benedum-Trees Oil Company since 1963 and as secretary and treasurer of Benilco, Incorporated since 1964, and serves as director of the Pittsburgh National Bank, the Hiawatha Oil and Gas Company, and the Penn-Ohio Gas Company.

Dedicated to the support of education and community affairs, Mr. Benedum serves on the Board of Trustees of several schools and colleges. Recently, through Mr. Benedum's efforts, the Claude Worthington Benedum Foundation made a substantial commitment to The Ohio State University in the form of a challenge grant for the much needed University Activities Center. Mr. Benedum has served on the boards of numerous civic and cultural organizations and is associated with the National Football Hall of Fame, the McArthur Bowl, and the Fellowship of Christian Athletes.

In recognition of his impressive accomplishments, Mr. Benedum has been awarded the honorary degrees Doctor of Laws from Capital University, Waynesburg College, and Davis and Elkins College, the Doctor of Humanities from Salem College, and the Doctor of Science from West Virginia Wesleyan College.

It is an honor for The Ohio State University to recognize this distinguished alumnus for his brilliant record of achievement.

MAX M. FISHER
Doctor of Laws

Dynamic business executive and philanthropist dedicated to improved communication and interpersonal relations among men.

With great determination and insight, Max M. Fisher has become one of the nation's most respected and successful leaders in business and industry. With equally characteristic dedication, he has become nationally known for his efforts to meet the urgent needs of his fellow man.

Presently Chairman of the Board of the Fisher-New Center Company, Mr. Fisher received the Bachelor of Science degree from The Ohio State University in 1930. Mr. Fisher then cultivated an interest in the expanding oil industry and founded the Aurora Oil Company which later merged with the Marathon Oil Company. In addition to his many interests in the oil industry, Mr. Fisher has served as a board member or director of many major corporations, including the Michigan Consolidated Gas Company, the Michigan Bell Telephone Company, and the Freuhauf Corporation.

In 1969, President Nixon appointed Mr. Fisher as a special presidential consultant, and soon thereafter Mr. Fisher helped establish the National Center for Voluntary Action. He has also served as an advisor to the State of Israel since its birth in 1948. Recognized for his dedication to humanitarian concerns, Mr. Fisher has directed one of the country's largest urban coalition groups, New Detroit, Incorporated, as well as the United Jewish Appeal and the United Foundation of Detroit.

Mr. Fisher was previously honored by The Ohio State University as the recipient of the College of Administrative Science's Distinguished Service Award, The Ohio State University Association's Alumni Citizenship Award and, more recently, he was recognized as a recipient of the University's Centennial Achievement Award. A member of The Ohio State University Development Fund Board of Directors, Mr. Fisher has been the recipient of the honorary degree Doctor of Humane Letters from the University of Israel and the degree Doctor of Business Administration from Albion College.

The Ohio State University is honored to recognize Max M. Fisher for exemplary service to his profession, his alma mater, his country, and his fellow man.
JOHN W. GALBREATH
Doctor of Laws

Distinguished financier, civic leader, and sportsman, whose innovative management methods have won national acclaim.

The name of John W. Galbreath ranks high among the most influential real estate and financial leaders of the country, and his many interests and activities have brought him frequent acclaim by the nation's community and sports leaders.

Mr. Galbreath received the Bachelor of Arts degree from Ohio University in 1920 and, shortly thereafter, organized the real estate firm of John W. Galbreath and Company. Under his leadership the Columbus-based firm has vastly expanded to include significant operations in four states and Canada. Mr. Galbreath's contribution to the advancement of the real estate profession has been outstanding. He has served as president of the Columbus Real Estate Board, the Ohio Real Estate Association and the National Association of Real Estate Boards. In 1969, Mr. Galbreath formed the Galbreath First Mortgage Investments Company, a real estate investment trust of substantial amount.

Recognized for his creative leadership, Mr. Galbreath has assumed the directorships of many important corporations including the Buckeye Federal Building and Loan Association, the Ohio Bell Telephone Company, Nationwide Insurance Companies, and the City National Bank and Trust Company. Mr. Galbreath's interest in athletics is evidenced by his ownership of the Pittsburgh Pirates Baseball Club and the Darby Dan Farms of Columbus and Lexington, Kentucky, the homes of several Kentucky Derby champions.

Dedicated to the support of higher education, Mr. Galbreath has served as a member of the Ohio University Board of Trustees and has endowed a professorship of Equine Research and helped establish a separate program of Equine Studies in The Ohio State University's College of Veterinary Medicine.

Mr. Galbreath has been recognized by Ohio University with the conferment of an honorary Doctor of Laws degree. He was also the recipient of an honorary Doctor of Laws degree from Athens College, Alabama, and a Doctor of Business Administration degree from Ohio Northern University.

The Ohio State University takes pride in honoring this prominent business leader and creative administrator for his many outstanding achievements.

SAMUEL M. MELTON
Doctor of Laws

Noted industrialist, business official, and philanthropist whose many advancements and inventions have brought him national recognition.

With unceasing vitality for life, Samuel M. Melton has generated a momentum of success in his business concerns and in the humanitarian and philanthropic programs he supports.

After receiving the Bachelor of Science degree from The Ohio State University in 1923, Mr. Melton established the Capitol Manufacturing Company. This company grew at a rapid pace and in 1929, Mr. Melton established a second firm, the Capitol Pipe and Nipple Manufacturing Company in Detroit. Through Mr. Melton's leadership, the Capitol Manufacturing Company was responsible for innovations that significantly advanced the defense technology of the United States during World War II.

Following the war, Mr. Melton became involved in an attempt to improve the plight of Jews who had been held captive in enemy concentration camps. In addition to his efforts to bring about improved immigration procedures, Mr. Melton established a manufacturing plant in Palestine to provide jobs and opportunities for the economic advancement of oppressed Jews. The Capitol Manufacturing Company of Israel operated under Mr. Melton's guidance until 1955 at which time Mr. Melton presented the company to various Israeli organizations as a gift. Today, Mr. Melton serves as president of the Capitol Pipe and Nipple Manufacturing Company, vice president and member of the Board of the Harsco Corporation, and chairman of the Chicago Nipple Manufacturing Company and the Eagle Crusher Company.

Education and community affairs are of great concern to Mr. Melton. He has served as President of the Melton Research Center at the Jewish Theological Seminary in New York, and in 1967 he established the Samuel and Esther Melton Chair of Jewish Studies at The Ohio State University. Founder of the Harry Truman Peace Center at Hebrew University, Mr. Melton has served on the boards of many Columbus area organizations and has also acted as chairman and treasurer of the United Jewish Fund.

It is an honor for The Ohio State University to recognize this exemplary alumnus and citizen for his many outstanding contributions.
E VER R T D. R E E S E

Doctor of Laws

Eminent financier and business leader whose professional achievements affect the modern financial world.

The leadership of Everett D. Reese in business and financial circles has earned him the respect of his colleagues as well as the admiration of the many students and educators with whom he has shared his extensive knowledge and experience.

An alumnus of The Ohio State University's first banking class, Mr. Reese received the Bachelor of Science degree in Commerce in 1919. After serving as an instructor at several universities, he began working part time at the Park National Bank of Newark, Ohio. The financial acumen of Everett Reese was recognized when he was designated president of the Park National Bank in 1926 and later moved to Chairman of the Board of that institution.

Throughout his successful career, Mr. Reese has held directorships on governing boards of many prominent financial institutions including the Federal Reserve Bank of Cleveland, the Midland Mutual Life Insurance Company, and the City National Bank and Trust Company. He has also served as president of The Ohio Bankers Association and the American Bankers Association and as Chairman of the Board of the City National Bank and Trust Company and the First Banc Group of Ohio Incorporated, where he is presently employed.

In addition to his business activities, Mr. Reese has served as a guest lecturer and faculty member at many leading universities, and has also served on the governing boards of several schools and universities. In 1965, he established the Everett D. Reese Professorship of Banking and Economics at Ohio State which, through an additional endowment given in expression of his continued interest in the University, became the Everett D. Reese Chair of Banking and Monetary Economics.

Mr. Reese has contributed dynamic leadership to the University as Chairman of the Board of The Ohio State University Development Fund and as Chairman of the Executive Committee of the President's Club. He was recognized for his dedication when named as a recipient of the University's Distinguished Service Award and the Alumni Centennial Award.

The Ohio State University is proud to honor this loyal alumnus and former faculty member who exemplifies the ultimate in professional excellence.

B A R B A R A WALT E R S

Doctor of Humane Letters

Exemplary reporter, writer and television personality whose perceptive interviews enlighten millions of Americans.

The art of conducting interviews has been attempted by many and mastered by few. The career of Barbara Walters is an exceptional testimony to professional excellence in this medium. She tactfully probes the thoughts and feelings of great people, evoking the warm and candid interaction that has become the hallmark of a Barbara Walters interview. Her accomplishment has been witnessed time and again as internationally prominent personalities are brought to the living rooms and into the lives of the American public.

Miss Walters' association with the news media began in 1953 following her graduation from Sarah Lawrence College where she received the Bachelor of Arts degree. Her diligence as a writer and reporter for various news programs brought her talents to the forefront. After working in the publicity department of the National Broadcasting Company, she became a writer for New York television station WPIX, and later for the Columbia Broadcasting Company and such personalities as Dick VanDyke and Walter Cronkite. In 1961 she joined the National Broadcasting Company's "Today" program as a researcher and writer and was introduced to the viewing public on the "Today" show in 1963.

In addition to her television appearances, Miss Walters served as a featured commentator for the network radio programs "Emphasis" and "Monitor," and her lecture tours take her to audiences around the world. She recently wrote the book How to Talk with Practically Anybody About Practically Anything, now in its seventh printing.

The diversity of her talents and interests has brought her recognition as one of the nation's seventy-five most outstanding women by the "Ladies Home Journal," and she was selected by "Harper's" magazine as one of two outstanding women in television. In addition to her work as an author, lecturer, and reporter, she is deeply involved in charitable work and has supported programs to aid mentally retarded children.

The Ohio State University recognizes Barbara Walters for her continued dedication and commitment to interpreting the tenor of the times.

Field of Specialization: Education  

Tomomi Murata  Toyohashi, Japan  
B.E. (Nagoya Institute of Technology); M.S.  
Dissertation: Theory and Application of the Straining Electrode  
Field of Specialization: Metallurgical Engineering  

Teddy Lee Napier  Hilliard  
B.A., M.A. (Marshall University)  
Dissertation: The Impact of Water Resource Development upon Local Rural Communities: Adjustment Factors to Rapid Change  
Field of Specialization: Sociology  

Gregory Ralph Nicolosi  Columbus  
B.S. (Michigan State University)  
Dissertation: Studies of the Aortic Smooth Muscle Response and Its Reflex Nature in Intact Anesthetized Dogs  
Field of Specialization: Physiology  

Joseph Paul Nyitray  Houston, Tex.  
A.B. (Cornell University); M.A.  
Dissertation: The President's Economic Responsibilities: An Analysis of Four Cases  
Field of Specialization: Political Science  

Frank Leo O'Dell  Columbus  
B.A.Ed., M.A.Ed. (University of Akron)  
Dissertation: The Follow-up Study or Survey as an Evaluative Tool in Counselor Education  
Field of Specialization: Education  

Gerald Loretto Ognibene  North Collins, N. Y.  
B.A. (Niagara University); M.S. in Edu. (Canisius College)  
Dissertation: The School Counselor in a Comprehensive Drug Education Program: A Comparative Study of the Knowledge and Attitudes of Secondary School Students and of School Counselors toward Drugs  
Field of Specialization: Education  

Paul James Ortwerth  Dayton  
B.S. in Aero. Engr. (Saint Louis University)  
Dissertation: Mechanism of Mixing of Two Non-Reacting Gases  
Field of Specialization: Aeronautical and Astronautical Engineering  

Ernest Eric Osborn  Columbus  
B.A. (Miami University)  
Dissertation: Non-Stoichiometry of Massicot and Determination of a Nominal Pressure of Oxygen at the Oxygen-Rich Phase Stability Limit at 760-840° C  
Field of Specialization: Chemistry  

Sung Chun Pak  Berkeley, California  
B.S. (University of California, Berkeley); M.S.  
Field of Specialization: Chemical Engineering  

* Degree granted in cooperation with Miami University
Joseph Russell Palmer, Pataskala
B.S. in Soc.Adm.; M.S.W. (Michigan State University)
Dissertation: The Utilization and Effectiveness of Treatment and Mediation Functions in Adult Parole
Field of Specialization: Social Work

B.S. (Virginia State College, Norfolk); M.A. (New York University)

Randall Michael German, Columbus
B.S. (San Jose State College)
Field of Specialization: Metallurgical Engineering

Steven Cameron Goddard, Columbus
B.S. (Ohio University)
Field of Specialization: Mechanical Engineering

Catherine Marie Gradel, Toledo
B.A. (Our Lady of Cincinnati College)
Field of Specialization: Animal Science

Bernadette Wasko Gunsoerek, Columbus
B.S. (Ohio University)
Field of Specialization: Computer and Information Science

Donald Carl Haberkost, Parma Heights
B.Ch. E.
Field of Specialization: Chemical Engineering

Jacqueline Homan Hargreaves, Perrysburg
B.S.
Field of Specialization: Zoology

James Andrew Harrass, Botkins
B.S. in E.S. (Case Western Reserve University)
Field of Specialization: Industrial Engineering

Edwin Eugene Hartquist, Rochester, N.Y.
B.S. (University of Rochester)
Field of Specialization: Electrical Engineering

Daniel Charles Hawley, Rocky River
B.S. (Ohio University)
Field of Specialization: Computer and Information Science

Robert Wayne Hersherberger, Wilmot
B.S. in Nurs.
Field of Specialization: Nursing

Arthur George Hock, Aberdeen
B.S. in Agr.
Field of Specialization: Agronomy

John David Hoffman, Dayton
B.S.M.E. (Ohio University)
Field of Specialization: Mechanical Engineering

Peter Albert Homol, Pittsburgh, Pa.
B.S. (University of Pittsburgh)
Field of Specialization: Physics

Kenneth Stephen Hovan, Columbus
B.A., M.S. (John Carroll University)
Field of Specialization: Computer and Information Science

George Edward Hull, Greenfield
Field of Specialization: Horticulture

Stephen Joseph Hurst, Columbus
B.S.
Field of Specialization: Botany

Kamran Jafari, Tehran, Iran
Field of Specialization: Civil Engineering

Joann Creccius Jones, Milan
B.S. in H.E.

Pursuant to Article 1, Section 2, of the By-Laws of the Board of Trustees of The Ohio State University, the Board met upon the call of the Chairman, John G. Ketterer, in a special meeting on Monday, March 15, 1971, at 1:30 p.m.

March 15, 1971 meeting, Board of Trustees

The Chairman, Mr. Ketterer, opened the meeting with the following statement:

This meeting was called for the purpose of taking action on President Fawcett's retirement which he announced at the March 5, 1971 meeting of the Board of Trustees.

Mr. Shocknessy spoke as follows before presenting a resolution on President Fawcett's retirement:

Members of the Board:

I have before me a resolution prepared to be offered in fulfillment of the purpose President Fawcett mentioned at our last meeting. Before I proceed any further I would like to incorporate by reference in what I have to say the very fine, wholesome tribute which the Chairman of the Board paid President Fawcett at the last meeting. We were all taken by surprise and I know the sentiments expressed by the Chairman were spontaneous and came from his heart.

I have served on this Board now longer than anyone except the Chairman. I came to this Board not as an alumnus of this University, but as one who has known the University throughout his life and who had always respected this University as perhaps the most important activity our state conducts. I didn't know President Fawcett well when I came to this Board, but I have come to know him over the years of my service on this Board as a really good man. So frequently these days we fail to mention when we appraise a man that he is a good man. President Fawcett is before all things a good human being. I have learned in the years that I have worked with President Fawcett that he is never actuated by selfish motives right down to and through his letter telling us he would like to retire. In his letter saying he would like to retire, the President told us that a time came in the history of an institution when the head man should provide for an orderly change of the guard, an orderly passing of responsibility. His being actuated that way is typical of everything I have experienced in dealing with him.

Something that people don't often know is the closeness of President Fawcett to our students. I think because we have so many students that students are likely to think administrators are far, far away. But I could mention numerous times when President Fawcett has spoken to me in behalf of some boy or some girl who could be helped one way or another by something that he or we might do. I come to this resolution so reluctantly. I don't have my heart in it, but President Fawcett is entitled to respect of his wish to retire. I am not going to say that he is entitled to give up his interest in the University. President Fawcett is just retiring from the Presidency. President Fawcett will be with us as President until the date he has chosen for retirement and he will be with us thereafter, I hope, as the kindly, wise administrator-adviser that we will need and that his successor will need.
I am not going to recite all the accomplishments of President Fawcett during the years he has been at the University. The years that he has been at this University have been the years of its greatest progress. This University has come to the time of fulfillment in the years of Novice Fawcett. The Fawcett years, when they are recorded, are going to be known as the years of great change, great development, and at the same time, years when stability was maintained at this University. We, as trustees, have every right to be proud of the record of the University in the Fawcett years, and we are grateful to President Fawcett for all he has meant to this University. The University is only as great as its students, its faculty, and its administrators. A great institution is always characterized by the man at the helm, the man at the head of this University of ours—you notice I say "ours" now, but even though I didn't come here as an alumnus I feel that this University has become part of me and in large measure my feelings come from my associations with things that he has made available to me. So we can be proud of our University and we can be proud of the record. I am not going to talk about football teams and basketball teams but I could—this is the year to do it—but I won't talk about them, but even our success in athletics wouldn't be what it is if an atmosphere had not been maintained which made it possible for the best and greatest things to be accomplished.

President Fawcett, I am going to offer a resolution, but I only offer it with the understanding that when your date of retirement comes you will remain with us as our adviser and as our friend. I started by saying you are a good man in every respect and you are a friend of ours—of everybody in this room, of our faculty, and of every student. The students whom you may not have seen are still the beneficiaries of your good will. Only good will come to us from the years that you have served the University. Not only has the University profited by your years, but our state can be proud of your years. Our state can be proud of our University which I think is perhaps its most important activity. With the understanding the Chairman's words are incorporated in what I have said, I formally offer the resolution on the retirement of President Fawcett:

WHEREAS President Novice G. Fawcett recently announced to this Board his desire to retire from the Presidency of the University on September 1, 1972; and

WHEREAS President Fawcett through his exemplary service, dedication, personal integrity and creative administration has given to this University its finest era;

THEREFORE, BE IT RESOLVED that we, the members of the Board of Trustees of The Ohio State University, do hereby honor the request of President Fawcett to retire on September 1, 1972, and take this occasion to express our appreciation on behalf of the entire University community for his many contributions to this University and to higher education. Further we pledge our full support of his continued leadership as we begin the difficult search for his successor.

Upon motion of Mr. Shocknessy, seconded by Mr. Safford, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.
March 15, 1971 meeting, Board of Trustees

Following the motion, Mr. Shocknessy made the following statement:

Mr. Chairman, I would like now to make mention that I didn't preface my previous resolution with anything about Mrs. Fawcett, but I want Mrs. Fawcett to know that she, too, has contributed mightily to our University in the years of the Fawcetts. The Fawcett years will be known for both Novice and Marjorie Fawcett.

President Fawcett responded as follows:

I have a kind of obligation to respond to the Chairman's statement of the last meeting and to Mr. Shocknessy's statement now which I think I understand are intended to represent the feelings of this Board. I want first of all to thank you for graciously granting my request. I have no way to respond properly and fully to what has been said, but there is one thing I think I can say which is divided into two parts and it is something I had in my mind before I made my request. I have worked with a great many fine people on this Board of Trustees and I think it could have been otherwise over that many years. I felt I could take the action I requested for two basic reasons: (1) I don't believe this Board of Trustees has ever been made up of people more competent to deal with the task at hand which gives me great comfort; and (2) I don't think the University has ever been in a better position to enable you to attract anyone who desires to be a President. I am deeply grateful to both of you for your eloquent statements which I cannot and will not attempt to match. The people in this room know of the quality of service rendered by all of you. I have often alluded that Mr. Shocknessy, the product of Notre Dame and the Harvard Law School, may be the best alumnus the University has had. I just want to re-emphasize that in the light of the very kind and generous statements he made this afternoon.

Mr. Ketterer made the following statement:

Our inadequacy in mustering a full statement of the things that are in our minds and in our hearts is not because we did not want to say it. As far as I am concerned, the shock of the announcement you made at the last meeting for one time in my life had me tongue-tied; since that time, I have received a number of letters from people who have expressed an interest in some participation by various groups and in making recommendations for naming a successor to President Fawcett. While the Board has not at this date adopted a procedure that will be followed by it in discharging its statutory duty, everybody was pleased to know that there is such a wide general interest in trying to find somebody who could carry on in the best way that President Fawcett has established for anybody in this position. In his letter of retirement, he generously said that he would be available, if the Board requested, to make any suggestions after investigation that he might feel proper without intruding in any way in the actual selection process. I think it would be appropriate for the Board to seek advice from President Fawcett and so as soon as it is convenient, President Fawcett, if you will give the Board some ideas which you may develop as a result of your investigation, I am sure we will be very glad to have them.
President Fawcett responded as follows:

Well, Mr. Chairman, could I just say that there is not a great deal of literature on this subject as you probably know, and the procedures normally are developed to fit the particular local situation, whatever that may be. There is some literature in this field, and I will explore that literature. There are a number of people on this campus that I would want to consult with before suggesting to you some procedures you might want to modify or to adopt. I will, if it is your desire, since I am still the chief executive officer of this institution be glad to bring together such information as soon as I can and seek such consultation as I can; and I will try to suggest to you some kind of procedure at the earliest possible date. I cannot conduct consultations until about the first week of April. This is finals week and the people are very much involved and then a lot of people are gone between quarters. In early April I will try to address myself to the problem; hopefully, I will have something for you to look at and consider by the middle of April or a little later. Certainly, I would hope that whatever you want me to do I can have ready so that you can consider it at the May meeting of this Board.

Thereupon the meeting adjourned.

Attest:

Edward Q. Moulton
Secretary

John G. Ketterer
Chairman
Columbus, Ohio, April 2, 1971

The Board of Trustees met at its regular monthly meeting on Friday, April 2, 1971, at The Ohio State University, Columbus, Ohio, pursuant to adjournment.

Minutes of the last regular meeting (March 5, 1971) and the special meeting (March 15, 1971) were approved.
President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Revisions of Rules 13.0501, 27.0701, 27.09, 53.0705, and the Addition of Rule 13.17 to Rules for the University Faculty

On March 9, 1971, the Faculty Council approved the following revisions in the Rules for the University Faculty:

1. That Rule 13.0501 be expanded to include a definition of a Division, Academic Faculty, and Sections. The present Rule provides a definition for a Department and School.

2. That Rule 13.17 be added to include the definition of a Center.

3. That Rule 27.0701 be revised to include the procedure for adding eight voting student members to the Graduate Council.

4. That Rule 27.09 be amended to add Section c, which states how many student members shall serve on each of the Graduate Council Committees.

5. That Rule 53.0705 be amended to make the Rule consistent with 27.0701 and 27.09.

President Fawcett recommended that the foregoing revisions in Rules for the University Faculty as shown in Appendix VIII, page 435, be approved.

Upon motion of Mr. Harrod, seconded by Mr. Gushman, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote, and the Secretary of the Board of Trustees was further instructed and given authority to make the foregoing changes in the Rules for the University Faculty.

B. Change the Name of the Department of Dairy Technology to Department of Food Science and Nutrition

The faculty of the College of Agriculture and Home Economics has proposed that the name of the Department of Dairy Technology be changed to Department of Food Science and Nutrition. This proposal was approved by the Council on Academic Affairs and the Faculty Council.

The rapidly accelerating developments in all aspects of nutrition make it desirable to establish a visible academic program in nutrition and food science. Since the present Department of Dairy Technology is now more involved with nutrition than with dairy technology, the expansion of this existing department into the Department of Food Science and Nutrition and the absorption of the Institute of Nutrition would appear to be the most expeditious manner of recognizing and accommodating this academic need.
I. GENERAL RECOMMENDATIONS (continued)

B. Change the Name of the Department of Dairy Technology to Department of Food Science and Nutrition (continued)

President Fawcett recommended that the Board of Trustees approve the proposed change in name of the Department of Dairy Technology to the Department of Food Science and Nutrition and the abolishment of the Institute of Nutrition as a separate body and its incorporation in the new department, this action to be effective July 1, 1971.

Upon motion of Mr. Hilliker, seconded by Mr. Dunlap, the Board of Trustees approved the above recommendation by unanimous voice vote.

C. Legal Designation of Appointing Authority for Civil Service Employees

In order to designate Gordon B. Carson, Vice President for Business and Finance, as the appointing authority for civil service employees, President Fawcett recommended that Section 8 of the Bylaws of the Board of Trustees and Rule 11.1103 of Rules for the University Faculty be amended to include an additional paragraph as follows:

The Vice President for Business and Finance shall serve as the appointing authority for the non-instructional employees of the University pursuant to the provisions of Chapter 143, Revised Code of Ohio.

Upon motion of Mr. Shocknessy, seconded by Mr. Harrod, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

D. Establishment of a Department of Theatre

The Faculty Council on March 9, 1971, approved the recommendation adopted by the Council on Academic Affairs that a Department of Theatre be established in the College of The Arts.

The Division of Theatre meets the requirements for departmental status including the minimum number of well-qualified faculty members spread through the ranks of Assistant Professor through full Professor. Theatre is a recognized area of academic concern throughout the country with programs offered in major universities in both undergraduate and graduate programs. The Division of Theatre currently offers the Bachelor of Arts, Master of Arts, Master of Fine Arts, and Doctor of Philosophy degrees with a concentration in one of several areas of Theatre.

President Fawcett recommended that a Department of Theatre be established, effective July 1, 1971.

Upon motion of Mr. Shocknessy, seconded by Mr. Safford, the Board of Trustees approved the above recommendation by unanimous voice vote.
E. Establishment of the Meshulam Riklis Chair in Business and Its Environment

Mr. Meshulam Riklis, B.A. '50, M.B.A. '66, Chairman of the Board, Rapid-American Corporation, New York, New York, has pledged $500,000 to the University, through the Development Fund, for the endowment of the Meshulam Riklis Chair in Business and Its Environment.

President Fawcett recommended that Mr. Riklis' pledge be accepted and that this gift be used to establish this endowed Chair in the College of Administrative Science, pursuant to action of the Board of Trustees approved on January 14, 1965.

Income to support the Chair will come to the Development Fund from The Foundation for Endowment of a Chair at Ohio State University, Inc. The Foundation now holds bonds with a face value of $500,000.

At the request of Mr. Riklis, and upon the recommendation of the Board of Directors of The Ohio State University Development Fund, it is requested that this Board of Trustees confirm Dr. Theodore N. Beckman, a member of the Fund Board, and Dr. Leo D. Stone, Chairman, Academic Faculty of Finance, as two of the three directors of the above mentioned Foundation.

Upon motion of Mr. Harrod, seconded by Mr. Dorsey, the Board of Trustees approved the above recommendation by unanimous voice vote.

F. Prices for Faculty-Staff Season Athletic Activity Cards, Field Seats, and South Stands

Based upon a recent analysis of financial need as well as a comparative study of ticket prices by the Department of Athletics, the Athletic Council has recommended that the price of faculty-staff season athletic activity cards be increased from $16 to $20 and that the price of single-game football tickets for the field seats and south stand seats in Ohio Stadium be raised from $3 to $5 per game. All other ticket prices would remain unchanged.

The amount paid by the faculty and staff for season athletic activity cards has not been increased since 1967 and the price for field seats and south stand seats has not been increased since 1955 while the reserve and box seat prices have had four increases during this period.

President Fawcett recommended that the Board of Trustees approve the price increases as proposed by the Athletic Council, effective with the 1971 football season.

Upon motion of Mr. Safford, seconded by Mr. Dorsey, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote.
April 2, 1971 meeting, Board of Trustees

II. PERSONNEL CHANGES

President Fawcett recommended that all personnel changes since the March 5, 1971, meeting of the Board, as recorded in the official "Salary Roll" of the University, be approved by the Board. These changes include the following Resignation, Leaves of Absence Without Salary, and Emeritus Titles:

A. Resignation

Clarence R. Cole has requested that he be relieved of his duties as Dean of the College of Veterinary Medicine, effective upon the appointment of a successor but no later than September 1, 1971. He will resume his position as a Regents Professor in the Department of Veterinary Pathology.

B. Leaves of Absence Without Salary

Judy Ann Tamulitis, Instructor (County Extension Agent, Home Economics), Cooperative Extension Service, effective March 16, 1971 through June 15, 1971, to participate in a program of professional improvement at The Ohio State University.

Peggy C. Wilson, Instructor, School of Allied Medical Professions, effective March 29, 1971 through June 30, 1971, for personal reasons.

C. Emeritus Titles

Frederick Stecker, Office of the President, with the title Executive Director for University Relations Emeritus, effective July 1, 1971.

Ellsworth E. Reese, College of Optometry, with the title Assistant Professor Emeritus, effective July 1, 1971.

Upon motion of Mr. Hilliker, seconded by Mr. Dunlap, the Resignation, Leaves of Absence Without Salary, Emeritus Titles, and personnel budget actions as recorded in the official "Salary Roll" of the University were approved by unanimous roll call vote, and the Secretary was instructed to file these changes in the "Salary Roll," an official document of the University.

IV. GRANTS AND GIFTS (continued)

B. Received Through The Ohio State University Development Fund (continued)

10. $2,850.00 from Miss Elizabeth C. Sawtell, Sharon, Connecticut, for the establishment of the Elizabeth C. Sawtell Fund for Natural Resources.

Elizabeth C. Sawtell Fund for Natural Resources

The Elizabeth C. Sawtell Fund for Natural Resources was established April 2, 1971, by the Board of Trustees of The Ohio State University with gifts through the Development Fund from Miss Elizabeth C. Sawtell, Sharon, Connecticut.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The principal and/or income is to be used for one annual scholarship to a student enrolled in the School of Natural Resources. During the lifetime of Miss Sawtell, the maximum award is to be $300 per year. Scholarships are to be awarded by the University Scholarship Committee, upon the recommendation of the Director of the School of Natural Resources.

At such time as the annual earnings of this endowment fund exceed $300 per year, the additional income may be used for additional scholarships, larger scholarships, fellowships to graduate students, or for a program promoting research in conservation, as recommended by the Director of the School of Natural Resources.

Should the need for these scholarships and/or programs cease to exist or so diminish as to provide unused income, or should the School of Natural Resources cease to exist, through any reorganization of the University, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to the recommendations of the appropriate administrative official of the University who is then directly responsible for education in natural resources.

11. $1,441.50 from friends of the late Charles A. Dambach for the establishment of the Charles A. Dambach Memorial Fund.

Charles A. Dambach Memorial Fund

The Charles A. Dambach Memorial Fund was established April 2, 1971, by the Board of Trustees of The Ohio State University with gifts to The Ohio State University Development Fund from friends in memory of the late Charles A. Dambach, B.Sc.Agr. '37, M.Sc. '41, Ph.D. '45, Columbus, Ohio, former faculty member, nationally known conservationist and Director of the School of Natural Resources at the time of his death.
April 2, 1971 meeting, Board of Trustees

IV. GRANTS AND GIFTS (continued)

B. Received Through The Ohio State University Development Fund (continued)

11. Charles A. Dambach Memorial Fund (continued)

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used to provide scholarships, fellowships, or assistantships for students enrolled in the School of Natural Resources, or to support other endeavors of unique significance to the ongoing progress of said School. Should the principal of this fund reach $125,000, the annual income is to be used to endow a professorship in Dr. Dambach's name in the School of Natural Resources; should the principal of this fund reach $500,000, the annual income is to be used to endow a chair in Dr. Dambach's name in the School of Natural Resources.

Should the need for the above described student support and/or programs cease to exist, or so diminish as to provide unused income, or should the School of Natural Resources cease to exist, through any reorganization of the University, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University administrative unit then directly responsible for education in natural resources.

12. $1,000.00 from Augusta M. Huntington for the establishment of the Hugh Huntington Memorial Fund.

Hugh Huntington Memorial Fund

The Hugh Huntington Memorial Fund was established April 2, 1971, by the Board of Trustees of The Ohio State University with a gift through the Development Fund from Augusta M. Huntington, B.Sc. Dom.Sci. '11, in memory of her husband, Hugh Huntington, Law W'09, late of Columbus, Ohio.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used for an award to a needy student.

Should the need for such awards cease to exist or so diminish as to create unused income, then the Board of Trustees may then use the income for any purpose whatsoever.
April 2, 1971 meeting, Board of Trustees

IV. GRANTS AND GIFTS (continued)

B. Received Through The Ohio State University Development Fund (continued)

13. $930.00 from members of the Chemical Engineering "Class of Champions" for the establishment of the Class of Champions Chemical Engineering Memorial Fund.

Class of Champions Chemical Engineering Memorial Fund

The Class of Champions Chemical Engineering Memorial Fund was established April 2, 1971, by the Board of Trustees of The Ohio State University with gifts to The Ohio State University Development Fund from members of the Chemical Engineering "Class of Champions," in memory of those members of the class who are deceased.

All gifts are to be invested in the Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

Until such time as the principal shall be sufficient to provide an income of at least $1,000 per year, the monies shall be reinvested each year to provide capital growth.

The income is to be used annually on the recommendation of the Chairman of the Department of Chemical Engineering and approved by the Dean of the College of Engineering, for purposes not provided for by State appropriated monies.

TOTAL - Received Through The Ohio State University Development Fund

$174,384.00

C. Gift-in-Kind

Upon motion of Mr. Safford, seconded by Mr. Gushman, the acceptance of the foregoing grants and gifts and the establishment of the above-named funds were approved by unanimous voice vote, and the Secretary was instructed to include the report in the minutes of this meeting.

V. EXTRAS AND CREDITS TO CONTRACTS

On July 13, 1967, the Board of Trustees authorized the Vice President for Business and Finance to approve change orders which were necessary to expedite completion of construction projects. In accordance with this authorization, all extra and credit orders to contracts which have been completed were reported:

A. Ramseyer Hall Renovation (University School Renovation)

<table>

The provision of air conditioning for third floor rooms was originally quoted as Alternate E-1 and was not accepted at the time of the award of contract. At the request of the College of Education, it was determined to be desirable to do this work and the contractor agreed to provide it for the same price as proposed at the original bidding.

Funds for this project have been provided by a transfer from Budget Account 149997 (New Programs Reserve) to Budget Account 801140 (Ramseyer Hall Renovation).

B. Means Hall Remodeling (TB Hospital Remodeling)

During construction, it was discovered that several utility lines were not in the location as shown on the original drawings and therefore relocation of these lines was necessary. Additionally, carpet specifications were changed to meet the latest National Fire Protection Association standards.

Funds for this project have been provided by a transfer from Hospital Capital Reserve and a National Heart Association Grant to Budget Account 801139 (Remodel Means Hall).

Upon motion of Mr. Hilliker, seconded by Mr. Safford, the above extra and credit orders to contracts and expenditures of funds were approved and the action of the Vice President for Business and Finance was ratified by unanimous roll call vote.

VI. REPORT OF AWARD OF CONTRACTS

In accordance with authorization provided by the Board of Trustees, bids were taken on the projects listed below and the contracts were recommended for award. The action reported to the Board was as follows:

A. College of Dentistry, South Wing Addition

On February 3, 1971, the Board of Trustees approved the award of contracts for the General, Plumbing, Heating and Air Conditioning, Electrical and Lecture Hall Seating Contracts for this project.

Examination of the bids for the Laboratory Equipment Contract has now been completed and it was recommended that the award be made to the second lowest bidder since the proposal of the low bidder does not comply with the intent of the specifications and since it was believed that no better bids could be obtained by readvertising.

Funds for this project have been provided from Budget Account 124358 (Contract Repair).

Upon motion of Mr. Harrod, seconded by Mr. Safford, the above award of contracts and expenditure of funds were approved and the action of the Vice President for Business and Finance ratified by unanimous roll call vote.
April 2, 1971 meeting, Board of Trustees

VII. CONTROLLING BOARD REQUEST

Each numbered request shown below accomplishes the following purpose:

32 Approves the award of contract for the Heating and Air Conditioning Division, the Electrical Division and the Lecture Hall Seating Division notwithstanding the fact that the low bids were over the estimate of cost and releases $3,000,000 from Item 315-072 (Dental Building, Phase II), H. B. 531, so that these contracts may be awarded for the project.

VIII. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE

A. Gas Line Easement - Columbia Gas of Ohio

WHEREAS, the construction of a portion of the Olentangy Freeway (State Route FRA-315-2.85) and the resulting channel improvement to the Olentangy River is on The Ohio State University campus; and

WHEREAS, the construction of the Olentangy Freeway and the Olentangy River channel improvements required Columbia Gas of Ohio, Inc., to relocate their existing gas lines in an area approximately 800 feet north of King Avenue and east of old Kinnear Road;

NOW, THEREFORE, BE IT RESOLVED, that the President and/or Vice President for Business and Finance be authorized to request the Director of Public Works, pursuant to his statutory duties, to act on behalf of the University in developing the necessary legal instruments to provide for the relocation of the gas service.

Upon motion of Mr. Cushman, seconded by Mr. Harrod, the above resolution was adopted by unanimous roll call vote.

B. Lease Agreement: Board of Trustees of The Ohio State University and the Board of Control of the Ohio Agricultural Research and Development Center

WHEREAS, Section 903.011, Ohio Revised Code, provided that the Board of Control of the Ohio Agricultural Research and Development Center may enter into a lease with the Board of Trustees of The Ohio State University authorizing said Board of Trustees of The Ohio State University the use of lands for the construction and operation of an agricultural technical institute and related facilities; and

WHEREAS, the Center has custody and control of certain lands owned by the State of Ohio and located in Wooster Township, Wayne County, Ohio; and

WHEREAS, it is the desire of the parties hereto that the University have the use of these lands for the construction and operation of an agricultural technical institute and related facilities; and
B. Lease Agreement: Board of Trustees of The Ohio State University and the Board of Control of the Ohio Agricultural Research and Development Center (continued)

WHEREAS, the parties propose utilization of the land in accordance with the provisions of Section 903.011, Ohio Revised Code;

NOW, THEREFORE, BE IT RESOLVED, that the President and/or Vice President for Business and Finance be authorized to act on behalf of the University to enter into a lease agreement between the Board of Control of the Ohio Agricultural Research and Development Center and the Board of Trustees of The Ohio State University to provide for the lease of 29.466+ acres for the construction and operation of an agricultural technical institute and related facilities located in Wooster Township, Wayne County, Ohio.

Upon motion of Mr. Safford, seconded by Mr. Hilliker, the above resolution was adopted by unanimous roll call vote.

IX. RESOLUTIONS IN MEMORIAM

President Fawcett reported to the Board the deaths of Eldon S. Banta, Professor in the Cooperative Extension Service and the Department of Horticulture; Wooster B. Field, Professor Emeritus in the Department of Engineering Graphics; and Mildred Martin, Instructor (County Extension Agent, Home Economics), Lake County, in the Cooperative Extension Service. In accordance with the instructions of the Board of Trustees copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board will be furnished the families of the deceased.

A. Eldon S. Banta

The Board of Trustees expresses its sorrow at the death on March 18, 1971, of Eldon S. Banta, Professor in the Cooperative Extension Service and the Department of Horticulture.

Professor Banta was born July 10, 1918, in Lebanon, Ohio. After graduating from Lebanon High School in 1937, he enrolled at The Ohio State University. He was awarded a Bachelor of Science in Agriculture degree in 1941. Upon graduation he entered the business of fruit production and remained an active fruit grower until 1957 when he returned to The Ohio State University for further study. During the period from 1943 until 1957, Professor Banta was also a Field Editor for the American Fruit Grower magazine. From 1949 through 1954, he also served as a teacher for the Lebanon Board of Education training veterans for agricultural pursuits.

Professor Banta was awarded the Master of Science degree by The Ohio State University in June of 1958 at which time he joined the staff of the Cooperative Extension Service as an Assistant Professor and Extension Fruit Specialist. He was promoted to Associate Professor July 1, 1966, and to Professor July 1, 1970.

IX. RESOLUTIONS IN MEMORIAM (continued)

A. Eldon S. Banta (continued)

During his entire professional career, Professor Banta dedicated himself to the fruit industry. Because of his keen perception and in-depth comprehension of industry problems, he was recognized as a leader in Ohio and throughout the east. He has served for many years as Secretary of the Ohio State Horticultural Society and was a frequent speaker on fruit industry programs in Ohio and other major fruit growing states. He was considered an authority in many aspects of fruit production technology including apple rootstocks, fruit tree propagation, grape production techniques, and tree decline. He has published many extension bulletins and authored a number of feature articles in the American Fruit Grower and The Ohio Farmer. He was actively involved in a study of apple tree decline in eastern Ohio counties after joining the staff in 1958.

Mr. Banta was not only a dedicated horticulturist but a distinguished member of the community as well. He was active in his church and in many community activities. Throughout his life he gave freely to the development of the community in which he lived and the institutions and industries which he served.

On behalf of The Ohio State University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family of Eldon S. Banta as a humble expression of the Board’s heartfelt sympathy in its bereavement.

B. Wooster Bard Field

The Board of Trustees of The Ohio State University expresses its deep regret at the death March 3, 1971, of Wooster B. Field, Professor Emeritus, Department of Engineering Graphics, College of Engineering.

Professor Field was born in Columbus, Ohio, July 29, 1886. He attended The Ohio State University and received the degree, Civil Engineer in Architecture, in 1911. He practiced architecture in Dayton and Columbus from 1911 to 1917 before returning to his Alma Mater in September, 1917, as an Instructor, Department of Engineering Drawing. He became an Assistant Professor in 1921, an Associate Professor in 1930, and was promoted to Professor in 1936. In addition to his teaching of basic drawing courses for engineers, he directed the drawing courses for all freshmen in architecture, and a course for house planning for all students in home economics. He retired as Professor Emeritus in 1956 after 38 years of teaching. Professor Field practiced some architecture during his tenure at the University and was known particularly for his many talents in painting, wood carving, and sculpturing. He did many wood carvings on furniture and picture frames as well as many water and oil paintings of his travels. Many of his paintings were exhibited in the Faculty Club and the Columbus Gallery of Fine Arts. He sculptured the plaque of the late Professor Joseph N. Bradford which is exhibited in Brown Hall as well as the bust of the late Professor Thomas E. French which is exhibited in the Department of Engineering Graphics in Hitchcock Hall.

IX. RESOLUTIONS IN MEMORIAM (continued)

B. Wooster Bard Field (continued)

Professor Field was the author of An Introduction to Architectural Drawing, Architectural Drawing, and House Planning. He was a Registered Architect, State of Ohio, member of the American Institute of Architects, American Society for Engineering Education, University Baptist Church, Faculty Club, and University Lodge F. & A.M.

On behalf of the University community, the Board of Trustees expresses to the family of Professor Field its deepest sympathy. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that a copy be tendered to the family as a sincere expression of the Board's realization of the loss which the family and the University have sustained.

C. Mildred Martin

The Board of Trustees of The Ohio State University expresses its sorrow at the death on March 2, 1971, of Mrs. Mildred Martin, Instructor (County Extension Agent, Home Economics), Lake County, in the Cooperative Extension Service.

Mrs. Martin was born April 2, 1908, in Langsville, Ohio. She spent her early life in the rural community in Meigs County. After graduating from Rutland High School, she enrolled at Ohio University where she was awarded the Bachelor of Arts degree in English and French in 1936. She later pursued graduate work in Home Economics at Ohio University and received the Master of Science degree in 1948.

Mrs. Martin was an English and Social Studies teacher in Rutland, Meigs County, prior to teaching Home Economics at Harding High School, Fairport Harbor, from 1949 to 1963. Since early 1964, she had enjoyed her career as a faculty member with the Ohio Cooperative Extension Service in Lake County. She enjoyed the respect and admiration of the people of Lake County and surrounding communities. Her ability to organize and execute effective educational programs was widely recognized. She served as a vital force in many local civic, educational, and service capacities. She was listed in Who's Who of American Women in 1969. Her ability as an effective teacher and a dedicated educator earned her an esteemed position in the minds and hearts of her co-workers and her many students.

On behalf of the University community, the Board of Trustees expresses to the family of Mrs. Martin its deepest sympathy. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that a copy be tendered to the family as a sincere expression of the Board's realization of the loss which the family and the University have sustained.
X. REPORTS

A. Report on Action Taken by the Ohio Board of Regents at Its Meeting Held March 19, 1971

President Fawcett reported for information and the record that the Ohio Board of Regents took the following action which pertains to The Ohio State University at the meeting on March 19, 1971:

That the new degree programs for awarding the Master of Science in Library Science and Doctor of Philosophy in Library Science submitted by The Ohio State University and proposed to be undertaken on an interdisciplinary basis with special emphasis upon the application of computer science to library science is hereby approved.

B. Report from the Finance and Investment Committee

1. Resolution Pertaining to the Financing of Auxiliary Facilities by The Ohio State University

Mr. Shocknessy presented the following resolution:

WHEREAS, The Ohio State University (herein called the "University") has heretofore constructed and equipped on its campus certain motor vehicle parking facilities (said facilities, together with all structures and improvements related or incidental thereto being herein called the "Completed Project") for the interim financing of which there are outstanding an aggregate of $4,500,000 notes of the University, and for the permanent financing of the Completed Project the University proposes to issue revenue bonds of the University pursuant to Sections 3345.11 and 3345.12 of the Ohio Revised Code; and

WHEREAS, pursuant to Sections 3345.11 and 3345.12 of the Ohio Revised Code, enacted by the 108th General Assembly of Ohio by Amended Substitute Senate Bill No. 299, effective November 5, 1969, under authority of the Constitution of Ohio, including Section 21 of Article VIII thereof, the General Assembly has now authorized and empowered the University among other things: (a) to acquire, construct, equip, furnish, maintain and operate "auxiliary facilities" as defined in Section 3345.12(A)(3) which include, among others, buildings and structures to be used for or in connection with student activity or student service facilities, dining halls and other food service and preparation facilities, vehicular parking facilities, bookstores, health facilities, and athletic and recreational facilities; (b) to issue revenue obligations of the University, meaning bonds or notes or other evidences of obligation as provided in said Section 3345.12 to provide the means to pay the costs of such auxiliary facilities; and (c) to secure such obligations by a pledge of and lien on all of the "available receipts" of the University, defined in Section 3345.12(A)(9) of the Ohio Revised Code to include, among others, income, revenues and receipts from the operation and ownership of the auxiliary facilities, grants, gifts, donations and pledges and receipts therefrom, and receipts from any fees, charges and income referred to in Section 3345.05 of the Ohio Revised Code (including

B. Report from the Finance and Investment Committee (continued)

1. Resolution Pertaining to the Financing of Auxiliary Facilities by The Ohio State University

WHEREAS, the University wishes to take advantage of such new authority provided by the General Assembly since the exercise thereof will be in the best interests of the University in that it will permit all future financing of auxiliary facilities to be accomplished under a single open-end trust agreement thereby simplifying and avoiding error in fund management, and will result in attracting lower interest costs on the obligations of the University by reason of the enhanced security provided, thereby permitting lower charges for those services from which the University will provide funds to pay the principal and interest on such obligations; and

WHEREAS, the University wishes to employ such system of financing the Completed Project so that, with certain exceptions, all of its future revenue bond financing, including that presently contemplated for the Completed Project, may be under a single trust agreement; and

WHEREAS, prior to the undertaking of such pattern of financing by the University, it is appropriate that such be presented to the Ohio Board of Regents and its approval thereof obtained;

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of The Ohio State University:

Section 1. It is hereby determined that it is and will be to the best interests of the University that the Completed Project be financed by the issuance of revenue bonds of the University pursuant to Revised Code Section 3345.11 and 3345.12 of the Ohio Revised Code, as the same became effective November 5, 1969, under an open-end trust agreement pledging to the security of the University's bonds issued thereunder all available receipts of the University which may lawfully be so pledged as authorized by Section 3345.12 of the Revised Code, and covenanting to fix, make, adjust and collect charges and fees so as to provide adequate pledged available receipts to meet bond service charges and reserve and other requirements provided in the bond proceedings.

Section 2. The University respectfully requests that the Ohio Board of Regents approve the proposed pledge of available receipts of the University, as authorized by Section 3345.12 of the Revised Code, and the proposed agreement of the University to fix and adjust the charges and fees constituting available receipts so that the same may at all times be adequate to meet bond service charges and reserves and other

requirements of the bond proceedings, for the issuance of bonds in the first instance and the future issuance of additional bonds under the open-end trust agreement, and for issuance of notes to finance auxiliary facilities.

Section 3. The University and its Board of Trustees hereby represent to the Ohio Board of Regents and agree that they will at all times take such actions, within their lawful authority, as shall result in available receipts, other than from instructional fees and tuition surcharges, being adequate at all times to pay the principal of and interest on and meet all other deposits and payments required to be made under the relevant bond and note proceedings with respect to the bonds and notes issued pursuant to the approval requested under Section 2 hereof, so that no part of the instructional fees or tuition surcharges will actually need to be applied to such purposes.

Section 4. The appropriate officers of the University are each hereby authorized and directed to do all things necessary and proper toward carrying out the purposes of this resolution.

Upon motion of Mr. Shocknessy, seconded by Mr. Harrod, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

C. Commendation of the 1971 Big Ten Champion Basketball Team

Mr. Shocknessy made the following statement:

It is a pleasure, indeed a high honor, to express to the basketball team, especially to the captain, and to the coaching staff, the felicitations of this Board with expressions of pride in their accomplishments. Nobody ever saw a greater exhibition of character than those young men on that team exhibited on numerous occasions during this past season. We can be proud that we have something to do with instilling the attributes of character which these young men exhibited. Athletics for their own sake are not justifiable; athletics must contribute to the overall mission of the University in order to justify the interest and patronage that we provide. On behalf of this Board, I express felicitations and congratulations to the team, its captain, and the coaching staff.

X. REPORTS (continued)

D. President Fawcett's Report on the Procedure for Selection of a President

President Fawcett made the following statement:

At the last meeting you requested that I might be helpful to you in suggesting a procedure to follow in the selection of the President of the University. I indicated that I could not respond by today, because many of the people I wanted to discuss this matter with would not be immediately available. I have had an opportunity to review the Bylaws of the Board of Trustees; and I also have reviewed such literature as is available, as well as talked to a number of people who are knowledgeable on the subject. I have received a number of unsolicited suggestions as to procedure. I still have some consultation to do. I must say, however, it is becoming increasingly clear to me as to how this matter should best be pursued. I will have a precise recommendation for your consideration to do with as you see fit not later than the May meeting of this Board.

E. Report on the University's Investment Portfolio

The report dated April 2, 1971, as submitted to the Finance and Investment Committee of the Board of Trustees by Vice President Gordon B. Carson pertaining to the University's Investment Portfolio, was received and ordered to be filed with the official records of the Board of Trustees.

Thereupon the Board adjourned to meet Friday, May 7, 1971, at The Ohio State University, Columbus, Ohio, at 3:00 p.m.

Attest:

Edward Q. Moulton                      John G. Ketterer

APPENDIX VIII

Revisions of Rules 13.0501, 27.0701, 27.09, 53.0705, and the
Addition of Rule 13.17 to Rules for the University Faculty

Approved by Faculty Council
March 9, 1971

Adopted by Board of Trustees April 2, 1971
(See Page 410)
The Faculty Council on March 9, 1971, approved revisions in Rules 13.0501, 27.0701, 27.09, 53.0705, and the addition of Rule 13.17 to Rules for the University Faculty. The text of Rules as revised is as follows:

13.0501. Schools, Departments, Divisions, Academic Faculties and Sections; Defined and Located.

Section 1. The units of a college organization for instruction, research, and service, are the School, Department, Division, and Academic Faculty.

Section 2. Each of these units should normally meet the following qualitative requirements: (A particular unit may not meet all the criteria, but the formation of a unit that does not should only be approved when circumstances dictate that approval is important to the academic development of the University.)

a. A recognized, discrete area of academic concern not already included within the mission of another School, Department, Division, or Academic Faculty;

b. A proposed or existing academic program at both undergraduate and graduate or graduate professional levels;

c. A source of faculty members prepared to offer academic work in the subject concerned;

d. An academic subject that offers research and/or public service opportunities in addition to formal classroom teaching and has the potentiality for developing recognition by other scholarly groups;

e. An academic field that has developed or is in the process of developing a student clientele either for the purpose of major programs or as an important "service" discipline to other major programs;

f. The ability to assume primary fiscal responsibility (fiscal responsibilities for Academic Faculties may be delegated by the appropriate dean).

Section 3. Schools and Departments shall meet the following quantitative requirements unless persuasive academic reasons demonstrate the need for exceptions:

a. A minimum of ten faculty positions spread through at least the three academic ranks of assistant professor to professor.

b. Student registration for at least 1000 credit hours per quarter.

Section 4. A School is differentiated from a Department as follows:

a. The undergraduate or graduate work offered by a School may lead to "tagged" degrees.

b. Recipients of "tagged" degrees shall be recommended for such degrees by the Faculty of the appropriate School.
Revisions in Rules 13.0501, 27.0701, 27.09, 53.0705, and the
Addition of Rule 13.17 to Rules for the University Faculty (continued)

13.0501. Schools, Departments, Divisions, Academic Faculties and Sections;
Defined and Located. (continued)

c. A School, with the exception of the Graduate School, may be organized
into Departments, Divisions, or Sections.

d. A School, with the exception of the Graduate School, shall be re-
sponsible to a College for administrative purposes. Curricular
proposals developed by the School shall be transmitted to the
Council on Academic Affairs for review and action after coordina-
tion with the College Secretary and after fiscal approval of the
Dean has been secured.

e. A School may establish its own admission and retention policies
and requirements within the framework of University policies and
may retain student personnel records for those students enrolled
in degree programs under the control of the School. To facilitate
the conduct of these activities, a School shall appoint a Secretary
with the responsibilities outlined for a Secretary of a College
(see Rule 13.0307).

Section 5. A Division is an academic unit established within a college or a
school to provide for a developing need in a circumscribed subject. The head of
such unit shall be known as the Chairman of a Division, shall have academic re-
sponsibility, and may be assigned fiscal responsibility by the respective Dean of
the College or Director of the School. This unit shall be responsible for instruc-
tion, service, and research in a specific academic concern. Such units may be
established in any field in which a new department is not feasible, but in which
there is a possibility that growth in the subject may eventually lead to the status
of a department. However, the determination to establish such a unit need not
be based solely on the presumption that such a unit will attain this status. The
status of these units shall be reviewed periodically by the Council on Academic
Affairs.

Section 6. An Academic Faculty is a formal association of faculty members
within a college for purposes of teaching, research, and service. Criteria for
the establishment of an Academic Faculty are given in Section 2, above.

The faculty member in charge of an Academic Faculty shall be designated
the Chairman and may have fiscal responsibilities as delegated by the dean. Aca-
demic Faculties shall normally be created to increase and give expression to
academic relationships among faculty members of the same College. A given
faculty member may belong to more than one Academic Faculty.

Section 7. A Section is an informal unit within a School, Department, Division,
or Center, which is established to expedite the administration of a given academic
subject. The function of a Section shall be to assist the parent unit in the admin-
istration of the subject and to provide an organizational structure for relationship
with professional organizations or other individuals with similar interests. The
faculty member in charge shall be known as the Section Head. The Head of the
Section is appointed by the administrator of the parent unit and has responsibilities
delegated by the administrator of the parent unit. The formation of a Section must
be reported to the Council on Academic Affairs.
13.0501. Schools, Departments, Divisions, Academic Faculties and Sections; Defined and Located. (continued)

Section 8. Schools, Departments, Divisions, and Academic Faculties shall be located with respect to Colleges as shown in the current catalog of The University Academic Policies and Course Offerings.

Section 9. The establishment or abolition of Schools, Departments, Divisions, and Academic Faculties shall require approval by the Council on Academic Affairs, the Faculty Council, and the Board of Trustees.

13.17. Center Defined.

A Center is a non-degree granting administrative unit, which coordinates programs of instruction, research, or service representing either an interdisciplinary subject or specialized field of study. It involves a program of interest to the faculty of two or more Colleges, Schools, Departments, Divisions, or Academic Faculties. Ordinarily, a Center will not develop formal course offerings but may develop cooperative programs involving course offerings within existing academic units.

The fiscal and administrative activities of Centers shall be coordinated through the Provost and Vice President for Academic Affairs or his designee. The chief administrator of a Center shall be called Director and normally shall have an Advisory Committee or report to an Administrative Committee for the Center composed of the Deans (or their designated representatives) of the participating colleges, or if within one college, the administrative heads of the participating units.

27.0701. Membership.

b. Elected Faculty Members. . . .

c. Alternate Faculty Members. Each faculty member of the Graduate Council is expected to attend its meetings regularly but alternate representatives shall be elected for each area in order to assure full attendance at meetings when elected members are justifiably absent. When an elected faculty member . . .

d. Student Members. Eight graduate students, appointed by the president of the Council of Graduate Students with the consent of that body. These members shall serve terms of one year and shall be eligible for at most three consecutive terms. (See Rule 53.0705.)

27.09. Committees.

Section 1. There shall be an Executive Committee, a Curriculum Committee, and a Policy and Standards Committee, each constituted as follows:
27.09. Committees. (continued)

c. Student Members. There shall be two members of the Executive Committee, three members of the Curriculum Committee and three members of the Policies and Standards Committee selected by the Graduate Council from its student membership. The manner of selection and the tenure shall be determined by the members of the Graduate Council.

53.0705. Graduate Student Representation on University Committees.

Section 1. Each of the following Committees or Councils shall include in its membership one representative from the Council of Graduate Students: The Advisory Committee on Cultural Programs, the Committee on Academic Misconduct, the Library Council, the Ohio Union Council and the University Scholarship and Loan Committee. Membership shall include the right to vote. Student membership and committee membership on the Graduate Council shall be determined in accordance with Rule 27.0701, Section d, and Rule 27.09, Section 1, paragraph c.
The Board of Trustees met at its regular monthly meeting on Friday, May 7, 1971, at The Ohio State University, Columbus, Ohio, pursuant to adjournment.

Minutes of the last meeting were approved.
May 7, 1971 meeting, Board of Trustees

ELECTION OF OFFICERS

Mr. Dorsey made the following statement:

It has been a tradition of this Board for a Board member to serve as the Chairman during his last year of service. Since the term I am filling expires in May, 1972, tradition would call for me to be the Chairman for the coming year. I am suggesting a departure from this tradition today for two reasons: (1) because of my inexperience on this Board, since I have served less than a year, and (2) I believe that the Chairman of this Board during the ensuing year will have to be deeply involved in the tremendous task of selecting a new President. In this capacity, I believe that he must be readily available during this period.

On the basis of these reasons, I would like to make the following nominations for terms beginning May 14, 1971 through May, 1972 meeting:

<table>
<thead>
<tr>
<th>Position</th>
<th>Nominee</th>
</tr>
</thead>
<tbody>
<tr>
<td>Chairman</td>
<td>James W. Shocknessy</td>
</tr>
<tr>
<td>Vice Chairman</td>
<td>Don M. Hilliker</td>
</tr>
<tr>
<td>Secretary</td>
<td>Edward Q. Moulton</td>
</tr>
<tr>
<td>Treasurer</td>
<td>Gordon B. Carson</td>
</tr>
</tbody>
</table>

In seconding these nominations Mr. Eckley said that, "In view of what Mr. Dorsey has said, I would be next in line behind Mr. Dorsey if tradition were followed. I think that the availability of the Chairman is most important particularly during this coming year. Therefore, I am very happy to support these nominations."

Mr. Shocknessy made the following statement prior to the voting for the officers of the Board:

I have heard the nominations and I am grateful for the honor implied. I want to make it clear, however, that I would not accept the nomination as Chairman of this Board if Mr. Dorsey had not said that he chose not to become Chairman at this time for the reasons that he has stated. I think Mr. Dorsey is overly modest in saying that he does not have the adequate experience. I think that Mr. Dorsey has adequate experience to assume the Chairmanship if he otherwise felt he might do so. Then Mr. Dorsey having chosen not to become Chairman of this Board, I would not accept the nomination if Mr. Eckley, whose term would expire next after Mr. Dorsey, were willing to accept the Chairmanship. I have known Mr. Eckley a good part of my life as a very competent, dedicated man. I would be glad to serve as a member of this Board under Mr. Eckley just as I would be glad to serve under Mr. Dorsey and it is only with this understanding that Mr. Dorsey and Mr. Eckley choose not to accept the nomination that I am willing to do so. I want to say that I am honored by the Board to be nominated. I am especially gratified to be presented by you, Mr. Dorsey, and to be seconded by you, Mr. Eckley, and with that kind of sponsorship I certainly do not think I need to make any campaign speeches.

Mr. Eckley seconded the motion, and the above-named persons were elected to the offices as indicated by roll call vote of the Board with Mr. Shocknessy abstaining.
President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Establishment of the Lucius A. Wing Chair of Cancer Research and Therapy

The Dean of the College of Medicine has proposed the establishment of the Lucius A. Wing Chair of Cancer Research and Therapy.

The bequest in the amount of $500,000 from the late William H. Dickinson in honor of Lucius A. Wing, M.D., will be used for support of this Chair which will be dedicated to teaching and research in cancer.

President Fawcett recommended that the Lucius A. Wing Chair of Cancer Research and Therapy be approved pursuant to the provisions of the January 14, 1965 action of the Board of Trustees.

Upon motion of Mr. Eckley, seconded by Mr. Dorsey, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

B. Establishment of the Richard L. Meiling Chair of Obstetrics and Gynecology

The Dean of the College of Medicine has proposed the establishment of the Richard L. Meiling Chair of Obstetrics and Gynecology.

The recipient of the Chair will be responsible for the development of programs in human reproduction and its control, in maternal and neonatal health, and in the heritage of gynecology. The bequest in the amount of $345,500 from the late William H. Dickinson along with a number of previously established smaller funds in the College of Medicine and earnings on these funds will be used to bring the total principal amount to the necessary $500,000 for the establishment of the Chair.

President Fawcett recommended that the Richard L. Meiling Chair of Obstetrics and Gynecology be approved pursuant to the provisions of the January 14, 1965 action of the Board of Trustees.

Upon motion of Mr. Harrod, seconded by Mr. Shocknessy, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

The Chairman, Mr. Ketterer, called on Dr. Meiling to make some brief remarks concerning the establishment of the "Named Chairs" in the College of Medicine.
C. Proposal for a New Degree Program Leading to an Associate in Applied Science Degree

The Faculty Council on April 13, 1971, approved the proposal by the College of Agriculture and Home Economics, upon the recommendation of the Council on Academic Affairs, that the degree Associate in Applied Science be authorized for use by the Agricultural Technical Institute, The Ohio State University, Wooster, Ohio.

Pursuant to the established policies of The Ohio State University, the Ohio Revised Code, and the Standards of the Ohio Board of Regents, President Fawcett recommended that the action of the Faculty Council be approved and that the Agricultural Technical Institute be authorized to award the Associate in Applied Science degree, effective with the Autumn Quarter, 1972, when the Agricultural Technical Institute is presently scheduled to be in operation.

It was recommended further that pursuant to Section 3333.04 of the Revised Code of Ohio that this recommendation be forwarded to the Ohio Board of Regents for approval.

Upon motion of Mr. Dunlap, seconded by Mr. Eckley, the Board of Trustees approved the foregoing recommendations by unanimous voice vote.

D. Change of Name of Department of Speech to Department of Speech Communication

The Faculty Council at its meeting on April 13, 1971, approved a recommendation from the Council on Academic Affairs that the name of the Department of Speech be changed to Department of Speech Communication, effective July 1, 1971.

This change in Department name more clearly identifies the Department's role within the College of Social and Behavioral Sciences and is consonant with the recent change in the name of the Department's parent professional association to the Speech Communication Association.

President Fawcett recommended that the action of the Faculty Council be approved.

Upon motion of Mr. Safford, seconded by Mr. Dorsey, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

E. Change in Designation of Academic Faculties in the College of Biological Sciences to Departments

The Faculty Council on April 13, 1971, approved the request from the College of Biological Sciences and the Council on Academic Affairs to designate the Academic Faculties of said College as Departments.
May 7, 1971 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

E. Change in Designation of Academic Faculties in the
   College of Biological Sciences to Departments (continued)

At the time of the creation of the College of Biological Sciences in 1966 by the assemblage of Departments from the College of Agriculture and Home Economics and the College of Arts and Sciences, the new College was given the option of establishing its own internal structure and operational procedures. After considerable introspection as to the mission and objectives of the new College, the faculty of the College instituted Academic Faculties as the functional academic units. However, these subdivisions of the College of Biological Sciences fulfill the University criteria for Departments and have continued to operate as Departments. So as to minimize further confusion in the academic structure within the College of Biological Sciences, it would appear justified to adopt the departmental titles.

President Fawcett recommended that the action of the Faculty Council be approved—that the presently constituted Academic Faculties be abolished: viz, Biochemistry and Molecular Biology, Biophysics, Botany, Entomology, Genetics, Microbial and Cellular Biology, and Zoology; and that the Departments of Biochemistry, Biophysics, Botany, Entomology, Genetics, Microbiology, and Zoology be established, effective immediately.

Upon motion of Mr. Hilliker, seconded by Mr. Harrod, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

F. Honorary Degree

The Faculty Council on April 13, 1971, recommended that the honorary degree, Doctor of Science, be conferred on:

Sherwood L. Fawcett

President Fawcett recommended that the Board of Trustees approve the awarding of the honorary degree to the above-identified person.

Upon motion of Mr. Shocknessy, seconded by Mr. Safford, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

G. Revisions of Rules 11.1305, 29.2705, and 35.07
   of Rules for the University Faculty

On April 13, 1971, the Faculty Council approved the following revisions in the Rules for the University Faculty:

1. That Rules 11.1305 and 29.2705 be expanded to authorize the Library Council to advise the Vice President for Educational Services on the selection of a Director of Libraries.

2. That Rule 35.07 be revised to extend the privilege of taking courses on a Pass/Non-Pass basis to the Division of Continuing Education.
I. GENERAL RECOMMENDATIONS (continued)

G. Revisions of Rules 11.1305, 29.2705, and 35.07 of Rules for the University Faculty (continued)

President Fawcett recommended that the foregoing revisions in Rules for the University Faculty as shown in Appendix IX, page 509, be approved.

Upon motion of Mr. Dorsey, seconded by Mr. Gushman, the Board of Trustees approved the foregoing recommendation by unanimous voice vote, and the Secretary of the Board of Trustees was further instructed and given authority to make the foregoing changes in the Rules for the University Faculty.

H. Naming of Building

Upon the recommendation of the Ohio Union Council and with the concurrence of the President's Cabinet, President Fawcett recommended that the River Union located at 1849 Cannon Drive be named the "Edward S. Drake Union," in memory of Edward S. Drake, who served as manager of the Ohio Union from 1913 to 1946.

This recommendation is in accordance with the By-Laws of the Board of Trustees.

Upon motion of Mr. Eckley, seconded by Mr. Gushman, the Board of Trustees approved the above recommendation by unanimous voice vote.

I. Appointment of Overseers for The Academy for Contemporary Problems

At the October 7, 1970 meeting of the Board of Trustees an agreement for The Academy for Contemporary Problems was approved. When the Academy begins operation, it will be governed by a Board of Overseers consisting of three persons appointed by the President of Battelle Memorial Institute and three appointed by the President of the University. These six persons will, in turn, select a seventh Overseer who shall be Director of the Academy.

During the planning stages the following individuals have served as Overseers pro tem--Professor Charles A. Csuri of the Division of Art, Professor John P. Hirth of the Department of Metallurgical Engineering, and Provost and Vice President James A. Robinson. President Fawcett recommended that these three persons now act as official representatives of the University on the Board of Overseers for terms beginning July 1, 1971 and extending through June 30, 1973.

Upon motion of Mr. Hilliker, seconded by Mr. Harrod, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.
II. PERSONNEL CHANGES

President Fawcett recommended that all personnel changes since the April 2, 1971, meeting of the Board, as recorded in the official "Salary Roll" of the University, be approved by the Board. These changes include the following Leave of Absence With Salary, Leaves of Absence Without Salary, and Emeritus Titles:

A. Leave of Absence With Salary

In accordance with the policy approved by the Board of Trustees on April 11, 1954, the following-named person was recommended for Leave of Absence With Salary from the Cooperative Extension Service for the period indicated:

Robert S. Crawford, Instructor (County Extension Agent, Agriculture) Lawrence County, effective April 1, 1971 through June 15, 1971, to participate in a program of professional improvement at The Ohio State University.

B. Leaves of Absence Without Salary

Byron L. Bondurant, Professor, Department of Agricultural Engineering, effective July 1, 1971 through June 30, 1972, to continue as a long-term consultant for the Ford Foundation-CSU contract in Ludhiana, Punjab, India.

P. John Kozyris, Professor, College of Law, effective October 1, 1971 through September 30, 1972, to be a Visiting Professor at Duke University School of Law during the 1971-1972 academic year.

Ulrich Krengel, Professor, Department of Mathematics, effective October 1, 1971 through September 30, 1972, to direct the Institute of Mathematical Statistics and Probability, University of Gottingen, Gottingen, Germany.

Lyle D. Schmidt, Professor, Department of Psychology, effective April 1, 1971 through June 30, 1971, to accept a Fulbright-Hays grant in England.

Sherman P. Touchburn, Professor, Department of Poultry Science, effective July 1, 1971 through September 13, 1971, to continue on a postdoctoral study program.

Howard C. Williams, Professor, Department of Agricultural Economics and Rural Sociology, effective July 1, 1971 through January 31, 1972, to continue to serve on the Program Evaluation and Appraisal Staff of the Agricultural Stabilization and Conservation Service of the United States Department of Agriculture, Washington, D. C.
May 7, 1971 meeting, Board of Trustees

II. PERSONNEL CHANGES (continued)

B. Leaves of Absence Without Salary (continued)

Hans L. Zetterberg, Professor, Department of Sociology, effective October 1, 1971 through September 30, 1972, to assist in the integration of survey research organizations in Europe.

Harold A. Hovey, Associate Professor, College of Administrative Science - Public Administration, and Department of Economics, effective October 1, 1971 through September 30, 1972, to continue to serve as Finance Director, State of Ohio.

Fredos Papangelou, Associate Professor, Department of Mathematics, effective October 1, 1971 through September 30, 1972, to participate in the Institute of Mathematical Statistics and Probability at the University of Gottingen, Gottingen, Germany.

Howard L. Steele, Associate Professor, Department of Agricultural Economics and Rural Sociology, effective July 1, 1971 through January 10, 1972, to continue to serve as Deputy Director in the Program Development and Analysis Group, Foreign Economic Development Service, United States Department of Agriculture, Washington, D. C.

Ron K. H. Adler, Assistant Professor, Department of Geodetic Science, effective April 1, 1971 through June 30, 1971, for personal reasons.

Guenther H. Ceelen, Assistant Professor, Department of Pathology, effective April 1, 1971 through June 30, 1971, for personal reasons.

Elmer L. Good, Assistant Professor, School of Social Work, effective July 1, 1971 through June 30, 1972, to continue to pursue studies for his doctoral degree.

Ana R. Llorens, Assistant Professor, University Library, effective May 1, 1971 through June 30, 1971, to serve as secondary school library consultant in Colombia, South America.

Barbara J. Becker, Instructor (County Extension Agent, Home Economics) Huron County, Cooperative Extension Service, effective April 26, 1971 through June 11, 1971, to participate in a program of professional improvement at The Ohio State University.
May 7, 1971 meeting, Board of Trustees

II. PERSONNEL CHANGES (continued)

B. Leaves of Absence Without Salary (continued)

T. Roy Bogle, Instructor (County Extension Agent, Agriculture), Cooperative Extension Service, effective July 1, 1971 through June 30, 1972, to participate in a program of professional improvement at Purdue University.

Arthur L. Deisher, Instructor (County Extension Agent, 4-H), Cooperative Extension Service, effective July 1, 1971 through December 31, 1971, to participate in an IFYE assignment.

John D. McConnell, Instructor (County Extension Agent, 4-H), Cooperative Extension Service, effective July 1, 1971 through December 31, 1971, to participate in a program of professional improvement at the University of Florida.

Nancy E. Robinson, Instructor (County Extension Agent, Home Economics), Cooperative Extension Service, effective July 1, 1971 through June 30, 1972, to participate in a program of professional improvement at the University of Maryland under an IFYE Fellowship.

C. Emeritus Titles

Francis R. Aumann, Department of Political Science, with the title Professor Emeritus, effective July 1, 1971.

Emil Bozler, Department of Physiology, with the title Professor Emeritus, effective July 1, 1971.

Horace B. Davidson, Sr., Department of Pathology, with the title Professor Emeritus, effective July 1, 1971.

Merle C. Derrenbacher, University Library, with the title Professor Emeritus, effective July 1, 1971.

Clarene H. Dorsey, Department of English, with the title Professor Emeritus, effective July 1, 1971.

Clarence A. Forbes, Department of Classics, with the title Professor Emeritus, effective July 1, 1971.

Thyra B. Kabealo, Department of English, with the title Professor Emeritus, effective September 1, 1971.

Webster B. Kay, Department of Chemical Engineering, with the title Professor Emeritus, effective July 1, 1971.
II. PERSONNEL CHANGES (continued)

C. Emeritus Titles (continued)

Joseph H. Koffolt, Department of Chemical Engineering, with the title Professor Emeritus, effective July 1, 1971.

Richard C. Larkins, School of Health, Physical Education, and Recreation - Men's Division, with the title Professor Emeritus, effective July 1, 1971.

James V. Logan, Jr., Department of English, with the title Professor Emeritus, effective July 1, 1971.

Everett J. Nelson, Department of Philosophy, with the title Professor Emeritus, effective July 1, 1971.

Harald H. Nielsen, Department of Physics, with the title Professor Emeritus, effective July 1, 1971.

Ralph M. Patterson, Department of Psychiatry, with the title Professor Emeritus, effective July 1, 1971.

Marion L. Pool, Department of Physics, with the title Professor Emeritus, effective July 1, 1971.

Donald W. Riley, Department of Speech, with the title Professor Emeritus, effective July 1, 1971.

Waldron D. Sheets, Department of Chemical Engineering, with the title Professor Emeritus, effective July 1, 1971.

Francis Weisenburger, Department of History, with the title Professor Emeritus, effective September 1, 1971.

Upon motion of Mr. Dunlap, seconded by Mr. Dorsey, the Leave of Absence With Salary, Leaves of Absence Without Salary, Emeritus Titles, and personnel budget actions as recorded in the official "Salary Roll" of the University were approved by unanimous roll call vote, and the Secretary was instructed to file these changes in the "Salary Roll," an official document of the University.

In accordance with the Memorandum of Agreement between The Ohio State University and The Ohio State University Research Foundation approved by this Board on April 11, 1968, the President recommended that the following projects administered through the Research Foundation be approved and recorded in the minutes of this meeting.

1. Government Research Contracts - Federal

   a. U. S. Atomic Energy Commission, Chicago Operations Office, Argonne, Illinois, Theoretical and Experimental Aspects of Selection as Applied to Biological Groups (to be known as Project No. 2592-C - Mod. #2-1 - College of Biological Sciences, Genetics). Gross Value - $4,250.00.

   b. Department of Army, U. S. Army Mobility Equipment Research and Development Center, Research and Development Procurement Office, Fort Belvoir, Virginia, Near Field Antenna Components for Mine Detectors (to be known as Project No. 2857 - Mod. #P00003 - Department of Electrical Engineering). Gross Value - $26,679.00.

   d. Department of Air Force, Air Force Systems Command, Aeronautical Systems Division, Wright-Patterson Air Force Base, Ohio, Transpiration Cooling (to be known as Project No. 2977 - Amend. #P00004 - Department of Mechanical Engineering). Gross Value - $12,500.00.
III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

1. Government Research Contracts - Federal (continued)

     Gross Value - $34,937.00.

     Gross Value - $9,500.00.

     Gross Value - $26,871.00.

   h. Department of Transportation, Federal Highway Administration, Contracts and Procurement Division, Washington, D. C., Phase II - Verification of Fracture Mechanics Concepts to Predict Cracking of Flexible Pavements (to be known as Project No. 3200-A1 - New - Department of Civil Engineering).
     Gross Value - $78,461.00.

TOTAL - Government Research Contracts - Federal $194,198.00

2. Industrial and Other Research Contracts

   a. Columbus Model Cities Project, Bryson Building, Columbus, Ohio, Columbus Model Cities and Employment (to be known as Project No. 3197-A1 - New - College of Administrative Science, Division of Continuing Education).
     Gross Value - $2,000.00.

     Gross Value - $11,000.00.
III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

2. Industrial and Other Research Contracts (continued)

TOTAL - Industrial and Other Research Contracts $24,000.00

b. National Aeronautics and Space Administration, Ames Research Center, Moffett Field, California, Physiological Effects of Artificial Gaseous Environment (to be known as Project No. 1492 - Sup. #7 - Department of Physiology). Gross Value - $25,000.00.

e. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Heart and Lung Institute, Bethesda, Maryland, Ion Transport by Heart Mitochondria (to be known as Project No. 2012-F - Ext. #6 - Department of Physiological Chemistry). Gross Value - $30,983.00.
May 7, 1971 meeting, Board of Trustees

III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

3. Government Research Grants - Federal (continued)

f. National Science Foundation, Washington, D.C., Computer and Information Science Research Center (to be known as Project No. 2218 - Amend. #4 - Department of Computer and Information Science).
   Gross Value - $306,100.00.

g. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Heart and Lung Institute, Bethesda, Maryland, Structural Investigations on Mucopolysaccharides (to be known as Project No. 2516-D - Ext. #4 - Department of Chemistry).
   Gross Value - $34,588.00.

h. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Institute of Arthritis and Metabolic Diseases, Bethesda, Maryland, Studies of Iron-Containing Enzymes (to be known as Project No. 2529-D - Ext. #4 - Department of Medicine).
   Gross Value - $22,710.00.

i. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Cancer Institute, Bethesda, Maryland, Neurooncogenesis by Resorptive Carcinogens (to be known as Project No. 2762-B - Rev. Award Dtd. 2/9/71 - Department of Veterinary Pathology).
   Gross Value - $5,473.00.

j. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Institute of Arthritis and Metabolic Diseases, Bethesda, Maryland, Immunosuppression in Renal Heterotransplants (to be known as Project No. 2782-B - Ext. #2 - Department of Veterinary Clinical Sciences).
   Gross Value - $11,128.00.

k. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Cancer Institute, Bethesda, Maryland, Yaba Virus Oncogenesis-Immunologic and Viral Factors (to be known as Project No. 2889-A - Ext. #1 - Department of Veterinary Pathology).
   Gross Value - $41,992.00.
III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

3. Government Research Grants - Federal (continued)

   Gross Value - $40,000.00.

m. Department of Health, Education and Welfare, Public Health Service, National Institute of Mental Health, Bethesda, Maryland, Individual Differences in Psychogenic Responses (to be known as Project No. 3024-A2 - Ext. #1 - Department of Psychiatry).
   Gross Value - $39,123.00.

   Gross Value - $9,300.00.

   Gross Value - $225,000.00.

   Gross Value - $15,640.00.

q. National Science Foundation, Washington, D.C., Problems in Molecular Structure Employing Infrared Techniques and Theory (to be known as Project No. 3205-A1 - New - Department of Physics).
   Gross Value - $57,000.00.

   Gross Value - $9,496.00.

4. Industrial and Other Research Grants

Gross Value - $11,935.00.

Gross Value - $5,600.00.
III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

4. Industrial and Other Research Grants (continued)

   c. United Fund Health Foundation, Canton, Ohio, Early Hearing Loss Due to Environmental Noise Pollution (to be known as Project No. 3201-A1 - New - Department of Otolaryngology).
      Gross Value - $7,500.00.

   d. United Fund Health Foundation, Canton, Ohio, Effect of Carbon Monoxide on Tissue Oxygen Supply (to be known as Project No. 3202-A1 - New - Department of Medicine).
      Gross Value - $7,200.00.

   e. United Fund Health Foundation, Canton, Ohio, Normal and Diseased Lung Structure Function Relation as Shown by Stereoscan Electron Microscopy (to be known as Project No. 3203-A1 - New - Department of Medicine).
      Gross Value - $6,550.00.

   TOTAL - Industrial and Other Research Grants $38,785.00

Upon motion of Mr. Safford, seconded by Mr. Dorsey, the research agreements between The Ohio State University and The Ohio State University Research Foundation for the above contracts and grants were approved by unanimous voice vote.

During the period from March 13, 1971 through April 16, 1971, the Engineering Experiment Station of The Ohio State University entered into the following research contracts. These research contracts were reported to the Board of Trustees for information and the record.

1. Government Research Contracts

   EES 276A  Ext. #5  An Investigation of Highway Automation, Ohio Department of Highways, Columbus, Ohio.
              Gross Value - $180,000.00.

   EES 361X  Ext. #1  A Study of Testing Variance in Size Distribution Analysis of Course Aggregate Modification, Ohio Department of Highways, Columbus, Ohio.
              Gross Value - $5,000.00.
III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

C. Authorization to Execute Agreement Between The Ohio State University and the Central Ohio Technical College at Newark, Ohio

In response to a clearly identified need for technical education programs in the Newark, Ohio, area, the Ohio Board of Regents has authorized the creation of the Licking County Technical Institute District and in turn the establishment of the Central Ohio Technical College. The authorization for state universities to establish technical education programs in cooperation with technical institutes organized under the laws of Ohio, is in harmony with action taken by the 107th General Assembly, Section 3357.09 of the Ohio Revised Code.

President Fawcett recommended therefore that the President of the University be authorized to sign an agreement between The Ohio State University and the Central Ohio Technical College to provide for technical education programs on the Newark Campus of the University, to begin with the Autumn Quarter, 1971.

Upon motion of Mr. Safford, seconded by Mr. Harrod, the Board of Trustees approved the above recommendation by unanimous voice vote.

IV. GRANTS AND GIFTS

The following grants and gifts to the University were among those received since April 2, 1971, and were reported for the record. Appropriate expressions of appreciation have been conveyed to the donors.

SUMMARY

Administered Through the Office of Business and Finance $3,025,862.00
Received Through The Ohio State University Development Fund 154,643.48

A. Administered Through the Office of Business and Finance

1. $2,182,000.00 additional grant by Department of Health, Education and Welfare, Office of Education, Washington, D. C. 20202, to the University for "A Continuation of the Center for Research and Leadership Development in Vocational and Technical Education," under the direction of the Center for Vocational and Technical Education, for the period December 1, 1970 through January 31, 1972. (Grant No. OEG-3-7-00158-2037)

2. $142,684.00 granted by Department of Health, Education and Welfare, Public Health Service, Bethesda, Maryland, to the University for "Comparative Pathology - Training Grant," under the direction of the Department of Veterinary Pathology, for the period July 1, 1971 through June 30, 1972. (Grant No. 5 T01 GM01052-09)
May 7, 1971 meeting, Board of Trustees

IV. GRANTS AND GIFTS (continued)

A. Administered Through the Office of Business and Finance (continued)

3. $132,509.00 granted by Department of Health, Education and Welfare, Public Health Service, Bethesda, Maryland, to the University for "Allied Health Professions Educational Improvement Program - Basic Grant," under the direction of the School of Allied Medical Professions, for the period April 1, 1971 through March 31, 1972. (Grant No. 5 E01 AH 00606-05)

4. $90,564.00 granted by Department of Health, Education and Welfare, Public Health Service, Health Services and Mental Health Administration, Bethesda, Maryland, to the University for a "Program to Provide Dental Care for Homebound, Chronically Ill and/or Handicapped in Columbus and Franklin County," under the direction of the College of Dentistry, for the period April 1, 1971 through March 31, 1972. (Grant No. 05 H 000102 03 0 - CS H29 C 0)

5. $82,069.00 granted by Department of Health, Education and Welfare, Public Health Service, Bethesda, Maryland, to the University for "Otolaryngology and Audiology - Training Grant," under the direction of the Department of Otolaryngology, for the period July 1, 1971 through June 30, 1972. (Grant No. 2 T01 NS05397-09)

6. $84,570.00 granted by Department of Health, Education and Welfare, Public Health Service, Bethesda, Maryland, to the University for "School of Extracorporeal Circulation Specialists - Training Grant," under the direction of the Department of Surgery, for the period July 1, 1971 through June 30, 1972. (Grant No. 2 D02 AH 01034-04)

7. $64,007.00 granted by Department of Health, Education and Welfare, Public Health Service, Bethesda, Maryland, to the University for "Clinical Psychology - Training Grant," under the direction of the Department of Psychology, for the period July 1, 1971 through June 30, 1972. (Grant No. 5 T01 MH05061-25)

8. $43,193.00 granted by Department of Health, Education and Welfare, Public Health Service, Bethesda, Maryland, to the University for "Medical Cardiology - Training Grant," under the direction of the Department of Medicine, for the period July 1, 1971 through June 30, 1972. (Grant No. 5 T01 HE05786-05)

9. $39,515.00 additional grant by Department of Health, Education and Welfare, Public Health Service, Bethesda, Maryland, to the University for "Health Professions Educational Improvement Program - Special Project Grant," under the direction of the College of Medicine, for the period March 15, 1971 through June 30, 1972. (Grant No. 3 D08 ME 00110-02S1)
May 7, 1971 meeting, Board of Trustees

IV. GRANTS AND GIFTS (continued)

A. Administered Through the Office of Business and Finance (continued)

10. $36,868.00 granted by Department of Health, Education and Welfare, Public Health Service, Bethesda, Maryland, to the University for "Psychiatric Social Work - Training Grant," under the direction of the School of Social Work, for the period July 1, 1971 through June 30, 1972. (Grant No. 5 T01 MH06530-15)

11. $29,436.00 granted by Department of Health, Education and Welfare, Public Health Service, Bethesda, Maryland, to the University for "Clinical Chemistry - Training Grant," under the direction of the Department of Pathology, for the period July 1, 1971 through June 30, 1972. (Grant No. 5 T01 GM01805-04)

12. $27,919.00 granted by Department of Health, Education and Welfare, Public Health Service, Bethesda, Maryland, to the University for "Area Planning Meetings for Continuing Education," under the direction of the School of Nursing, for the period April 1, 1971 through March 31, 1972. (Grant No. 1 D01 NU 09564-01)

13. $24,000.00 additional grant by United States Atomic Energy Commission, Washington, D.C., to the University for graduate-level trainees, under the direction of the Department of Mechanical Engineering (Nuclear Engineering), for the period ending August 31, 1972. (Contract No. AT-(40-1)-3892 Modification No. 2)

14. $23,196.00 granted by Department of Health, Education and Welfare, Public Health Service, Bethesda, Maryland, to the University for "Social Work - Community Organization," under the direction of the School of Social Work, for the period July 1, 1971 through June 30, 1972. (Grant No. 5 T01 MH10789-05)

15. $18,867.00 granted by Department of Health, Education and Welfare, Public Health Service, Bethesda, Maryland, to the University for "Cardiovascular Physiology - Training Grant," under the direction of the Department of Veterinary Physiology and Pharmacology, for the period July 1, 1971 through June 30, 1972. (Grant No. 5 T01 HE05659-07)

16. $10,253.00 granted by National Science Foundation, Washington, D.C., to the University for "In-Service Institute in Earth Science for Secondary School Teachers," under the direction of the Department of Geology. This grant terminates on July 31, 1972. (GW-6729 - Proposal No. 1/0826)

17. $7,290.00 granted by Department of Health, Education and Welfare, Public Health Service, Bethesda, Maryland, to the University for "Special Purpose Traineeship Grant," under the direction of the School of Nursing, for the period July 1, 1971 through June 30, 1972. (Grant No. 1 A04 AH 00081-01)
May 7, 1971 meeting, Board of Trustees

IV. GRANTS AND GIFTS (continued)

A. Administered Through the Office of Business and Finance (continued)

B. Received Through The Ohio State University Development Fund

1. $38,330.93 from Transportation Research Foundation, Washington, D. C., for the establishment of The Transportation and Logistics Research Fund.

The Transportation and Logistics Research Fund

The Transportation and Logistics Research Fund was established May 7, 1971, by the Board of Trustees of The Ohio State University by a gift to The Ohio State University Development Fund from the Transportation Research Foundation of Washington, D. C.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income and/or principal is to be used to support Transportation and Logistics Research in the College of Administrative Science, by the appropriate department or faculty as determined by the Dean of the College.

Should the College of Administrative Science cease to exist through any reorganization of the University, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to the recommendations of the appropriate administrative official of the University who is then directly responsible for transportation and logistics research.

V. EXTRA AND CREDIT ORDERS TO CONTRACTS

On July 13, 1967, the Board of Trustees authorized the Vice President for Business and Finance to approve change orders which were necessary to expedite completion of construction projects. In accordance with this authorization, all extra and credit orders to contracts which have been completed were reported:

A. Graduate Swimming Pool

For additional personnel safety and security during operation, it was deemed necessary to add lights in the courtyard, add fault interrupter to heated windows for safety in case of breakage, and revise door hardware. Also, conditions found during construction required additional excavation.

Funds for this project have been provided from the Dormitory Revenue Fund.

Upon motion of Mr. Safford, seconded by Mr. Dorsey, the above extra and credit orders to contracts and expenditure of funds were approved and the action of the Vice President for Business and Finance was ratified by unanimous roll call vote.

VI. PLANS AND SPECIFICATIONS

At the request of the Vice President for Business and Finance, President Fawcett made the following request for authorization to proceed with the installation of artificial turf:

I am now requesting authorization from the Board for this University to advertise for bids for the purpose of installing artificial turf in Ohio Stadium and on the practice field located at the North Athletic Complex. It is our hope to have both fields completed in time for the fall season.

This project was initiated approximately a year ago but was delayed by litigation concerned with the bidding procedures. The questions have now been resolved, and no further delays are anticipated.

A modification in the original plan for funding the turf project has been announced by the Athletic Council. In addition to gifts previously announced, the Council stated that reserve funds generated by athletic receipts will be used to cover increased costs in a total project of over $500,000.

Gift income now totals nearly $400,000 and the Athletic Department is still soliciting additional contributions. The balance between donations and total costs will be made up from the Athletic Reserve Fund. None of these funds comes from student fees or from State appropriations.
VI. PLANS AND SPECIFICATIONS (continued)

President Fawcett's statement (continued)

The Athletic Council decision to use some of its reserve funds in financing this important project was based on several factors. The one-year delay has already resulted in a substantial cost increase. Additional delay, however, would undoubtedly result in further increases in the cost.

The University has great need for such multi-purpose fields in support of the programs in athletics, intramurals, and recreation. Based on the experience at Minnesota, Indiana, Michigan, and Michigan State, artificial turf should permit greater utilization of these two playing fields over an extended period of time. The artificial surface also can be used under all but extremely severe weather conditions.

A. Ohio Stadium - Artificial Turf 1971

This project provides a complete system of artificial turf for the football field at the Ohio Stadium, The Ohio State University, with alternates intended to provide a practice field with artificial turf at the North Athletic Facility if sufficient funds are available.

Funds for this project have been provided from Gifts, Interest on Gifts, and Athletic Reserves.

Upon motion of Mr. Dunlap, seconded by Mr. Safford, the foregoing recommendation was approved by unanimous roll call vote. Vice President Carson was authorized to advertise for bids and to award contracts if satisfactory bids are received, with ratification at a subsequent meeting.

President Fawcett recommended that the plans and specifications, bills of materials, and estimates of cost for the following projects be approved by the Board of Trustees:

B. Cockins Hall Remodeling

This project will provide additional classrooms for the Department of Mathematics, including the Division of Statistics, and the Department of Geodetic Science and improvements to the Mathematics Library.

Funds for this project have been provided from Item 315-074 Utilities and Renovation, H. B. 531, and a transfer from Budget Account 149997 New Programs Reserve to Budget Account 801181 Cockins Hall.

C. Animal Science Livestock Center

This project will provide housing and facilities for the production, maintenance, and utilization of animals for teaching and research purposes of the College of Agriculture.

Funds for this project have been provided from Item 235-010 Board of Regents Architectural Planning, H. B. 531, and Item 315-068 College of Agriculture, H. B. 531.
May 7, 1971 meeting, Board of Trustees

VI. PLANS AND SPECIFICATIONS (continued)

D. Lima Campus - Expansion and Improvements of Parking Facilities

This project will provide additional parking spaces, improve drainage, add lighting, repair pavement where base failures exist, and resurface all lots and roadways that do not now meet the University construction standards.

Funds for this project have been provided from the Lima Parking Rotary and a loan from Budget Account 809999 Plant Funds Accounts Receivable with the understanding that Instructional and General reserves and current funds are security for the loan.

Upon motion of Mr. Dunlap, seconded by Mr. Safford, the above recommendations were approved by unanimous roll call vote, and the Secretary was authorized and directed to sign the plans and specifications for the above projects for and on behalf of the Board of Trustees. Vice President Carson was directed to proceed with a request for bids in the normal University manner and if satisfactory bids were received, to proceed with the award of contracts. All action regarding this matter will be reported to the Board of Trustees at a later meeting.

*The bids for the Laboratory Casework Contract are under study and recommendation for the award of this contract will be presented to the Board of Trustees at a later date.

Funds for this project have been provided from Item 315-015 Medical Complex, H. B. 531, and a Public Health Service Grant.

Upon motion of Mr. Hilliker, seconded by Mr. Harrod, the above award of contracts and expenditure of funds were approved and the action of the Vice President for Business and Finance ratified by unanimous roll call vote.

VIII. CONTROLLING BOARD REQUESTS

Each numbered request shown below accomplishes the following purpose:

31 Approves the release of $50,000.00 from Item 315-074 "Utilities and Renovation," H. B. 531, to provide funds for the project "Derby Hall Alterations."

33 Approves the release of $63,000.00 from Item 315-074 "Utilities and Renovation," H. B. 531, to provide funds for the project "Electrical System Expansion."

34 Approves the award of contract for the Laboratory Equipment for the project "Dental Building Phase II" notwithstanding the fact that the bid exceeds the estimate of cost.
May 7, 1971 meeting, Board of Trustees

IX. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE

A. Lima Campus - Expansion and Improvements of Parking Facilities, Employment of Engineers

President Fawcett recommended that the engineering firm of Kohli and Kaliher Associates, Lima, Ohio, be employed to provide detail plans and specifications, engineering services and consultation during construction and final acceptance on completion of construction.

The fee for this service will be based upon 9 per cent of the first $100,000 and 6 per cent of the remaining construction cost.

Funds for this project have been provided from the Lima Parking Rotary and a loan from Budget Account 809999 Plant Funds Accounts Receivable with the understanding that Instructional and General reserves and current funds are security for the loan.

Upon motion of Mr. Eckley, seconded by Mr. Cushman, the above recommendation was approved by unanimous roll call vote.

B. Insurance Coverage - Student Health Insurance Program

In accordance with the Board action taken involving student health insurance in September, 1957; April, 1958; February, 1966; June, 1969; and May, 1970, The Ohio State University Student Health Insurance Program has been revised and benefits improved. To meet the rapid inflation which is continuing in hospital and medical costs, and to provide improved coverage requested by the Subcommittee on Student Insurance and formally endorsed by the Council on Student Affairs, substantial benefit improvements have been included within the Student Health Insurance Program for the 1971-72 policy years, as described in Exhibit A, on file with the records of the Board of Trustees. In full accordance with the existing renewal agreement with the Continental Casualty Company which expires on September 30, 1973, the OSU Student Health Insurance Program for the 1971-72 policy year, including the benefit improvements listed in Exhibit A, will be made available to all students at the increased quarterly premium rates shown below:

After a detailed review of the Student Health Insurance Program, the Subcommittee on Student Insurance of the Council on Student Affairs recommended that Continental Casualty Company continue to underwrite the program for the 1971-72 year. This recommendation has been endorsed by the University's insurance consultants and by the Council on Student Affairs.

Upon motion of Mr. Safford, seconded by Mr. Hilliker, the above recommendation was approved by unanimous roll call vote.
X. RESOLUTIONS IN MEMORIAM

President Fawcett reported to the Board the deaths of Ralph S. Fanning, Professor Emeritus in the College of The Arts - Division of History of Art; Pauline G. Hall, Associate Professor (Extension Nutritionist) in the Cooperative Extension Service and the School of Home Economics; Thaddeus H. Parks, Professor Emeritus in the College of Biological Sciences - Academic Faculty of Entomology; Bashford W. Reading, County Extension Agent Emeritus in the Cooperative Extension Service; and Howard Francis Sedy, Professor Emeritus in the College of Education. In accordance with the instructions of the Board of Trustees copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board will be furnished the families of the deceased.

A. Ralph S. Fanning

The Board of Trustees expresses its sorrow at the death on March 15, 1971, of Ralph S. Fanning, Professor Emeritus in the College of The Arts - Division of History of Art.

Dr. Fanning was born November 29, 1889, in Riverhead, Long Island, N. Y. He was prepared for Cornell University at the Friends Academy in Locust Valley, L. I. After receiving a Bachelor's degree in architecture from Cornell and becoming a member of Phi Beta Kappa, he went to the University of Illinois where he received a Master of Science degree in 1917, a Master of Architecture degree in 1920, and became an Associate in Architecture. In 1921 he joined the the faculty of The Ohio State University as Assistant Professor and was made a full Professor in 1924. He remained here as head of the History of Art area until his retirement in 1956. In 1959 the University awarded him the honorary degree of Doctor of Humane Letters.

During his years as a faculty member of the School of Fine Arts he built and enriched the History of Art program and introduced to the University the first graduate program in Art History. He served on many important University committees such as the Graduate Council and the Faculty Council. His civic contributions included initiating the Autumn Institute of Adult Education for the First Congregational Church and serving on the Board of Managers of the Columbus Gallery of Fine Arts.

Dr. Fanning's scholarly interests were evidenced in his study travel in Egypt, the Near East, North Africa, and Mexico as well as in his five summers at Columbia University as a Research Scholar. His investigations in this country included Greek Revival Architecture and the American painter, Thomas Cole. Among his publications were An Outline for the Study of History of Art, numerous articles for professional journals as well as co-authorship of Italian Renaissance, Hellenic, and Gothic for Pittman publishers and Putnam's Guide to the History of Art.

Whether at home or abroad, Dr. Fanning took great pleasure in painting and was seldom without a sketch pad, even during the sixteen rigorous summers he spent as lecturer with the Bureau of Travel in Europe. He developed his sketches into hundreds of water color paintings which have been exhibited nationally and internationally and won awards such as the Beaux Arts Society of New York Medal, the Francis Sampson and the Robert Wolfe prizes. Many of his paintings are now in private collections as well as in that of The Ohio State University.

X. RESOLUTIONS IN MEMORIAM (continued)

A. Ralph S. Fanning (continued)

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family of Ralph S. Fanning as a humble expression of the Board's sympathy in its bereavement.

B. Pauline G. Hall

The Board of Trustees of The Ohio State University expresses its sorrow at the death on March 23, 1971, of Pauline G. Hall, Associate Professor (Extension Nutritionist) in the Cooperative Extension Service and the School of Home Economics.

Mrs. Pauline Gruner Hall was born November 5, 1927, in Logan, Ohio. She spent her early life on a farm in Hocking County. In 1944, she graduated from Logan High School as valedictorian of her class. After graduating from high school, she enrolled in the College of Agriculture at The Ohio State University where she was awarded the Bachelor of Science in Home Economics degree in 1950 and Master of Science degree in 1956.

Beginning on December 1, 1952, Mrs. Hall was employed as a home demonstration agent in Pike County with the rank of Instructor. After completing her Master of Science degree and beginning on September 1, 1956, she became an Extension Specialist in Nutrition with the rank of Assistant Professor and was promoted on July 1, 1962, to the rank of Associate Professor. In October 1961, Pauline Gruner married James Hall of Columbus. Mrs. Hall was on leave during 1969 to work on her Ph.D. degree. She had nearly finished her course work at the time of her death.

Throughout her career as a faculty member with the Ohio Cooperative Extension Service, Mrs. Hall enjoyed the respect and admiration of the people of the State of Ohio, as well as her fellow workers. She worked successfully with all age groups and was highly regarded by the youth of the state with whom she had developed educational programs in nutrition. Her effective leadership with home economists and acquaintances in other agencies and organizations led to her selection as program chairman for both regional and national meetings. Her ability to work and execute effective educational programs was very widely recognized. She served on many important professional committees and task forces and always contributed in a remarkable way.

On behalf of the University community, the Board of Trustees expresses to the family of Mrs. Hall its deepest sympathy. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that a copy be tendered to the family as a sincere expression of the Board's realization of the loss which the family and the University have sustained.
May 7, 1971 meeting, Board of Trustees

X. RESOLUTIONS IN MEMORIAM (continued)

C. Thaddeus H. Parks

The Board of Trustees of The Ohio State University expresses its sorrow at the death on March 31, 1971, of Thaddeus H. Parks, Professor Emeritus in the College of Biological Sciences - Academic Faculty of Entomology.

Professor Parks was born February 14, 1887, in Ashville, Ohio. He was graduated from Ashville High School and completed his Bachelor of Science in Agriculture degree at The Ohio State University in 1909, specializing in entomology under the late Professor Herbert Osborn. From 1909 to 1913 he was employed as an Entomological Assistant, U. S. Department of Agriculture, in Mississippi and Utah. From 1913 to 1915 he served as the first Extension Entomologist in the United States, employed by the University of Idaho. In 1916 he joined the faculty at Kansas State College as Extension Entomologist where he remained for two years. In 1918 Mr. Parks returned to The Ohio State University as the first Extension Entomologist, where he remained until his retirement in May, 1956. He took a leave of absence in 1924-25 to complete his Master of Science in entomology at the University of Illinois. His outstanding work in extension entomology in Ohio was recognized by the U. S. Department of Agriculture in 1951, when he was presented the Superior Service Award—"For his vision and leadership in the development of extension entomology; for his contribution to the development of measures to control the Hessian fly; and for leadership in the development of a spray service for Ohio fruit growers." He was awarded an honorary Doctor of Science degree by The Ohio State University in 1957.

T. H. Parks pioneered the field of extension entomology with a total of 47 years of public service. During his lifetime he assisted farmers, growers, and home owners alike solve their entomological problems with practical control measures based on scientific research. During his tenure he wrote thousands of popular articles, bulletins, and circulars, as well as 166 scientific publications dealing with insect related problems. He was widely known and respected for his ability, candor, and dedication to his job. He contributed greatly to the agricultural progress of this state and to the nation.

In 1954 he was made an honorary Life member of the Ohio State Horticulture Society. He was also a member of Sigma Xi and Epsilon Sigma Phi and an active member of the Entomological Society of America.

On behalf of the University community, the Board of Trustees expresses to the family of Professor Parks its deep sympathy. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that a copy be tendered to the family as a sincere expression of the Board's realization of the loss which the family has sustained.

D. Bashford W. Reading

The Board of Trustees of The Ohio State University expresses its sorrow at the death on March 25, 1971, of Bashford W. Reading, County Extension Agent Emeritus in the Cooperative Extension Service.
X. RESOLUTIONS IN MEMORIAM (continued)

D. Bashford W. Reading (continued)

Mr. Reading was born June 30, 1895, in Delaware, Ohio. He attended school in both Delaware and Toledo. He attended Ohio Wesleyan University before enrolling at The Ohio State University, where he was awarded the Bachelor of Science degree in 1920. He pursued graduate education at The Ohio State University and the Graduate School of the United States Department of Agriculture.

Mr. Reading was in the farm implement business for two years and taught school for six years before joining the Cooperative Extension Service.

On January 1, 1928, Mr. Reading was appointed to the position of County Agricultural Agent in Sandusky County. He continued to serve in this capacity until his retirement June 30, 1957.

Throughout his career as a faculty member with the Ohio Cooperative Extension Service, Mr. Reading earned and enjoyed the respect and admiration of the people of Sandusky and surrounding counties and of his fellow workers. He was recognized as a staunch supporter of agriculture in its broadest ramifications and was a source of strong, continuing leadership in his community. Service on important professional committees was routine for him. He set high standards of performance and demonstrated his convictions.

On behalf of the University community, the Board of Trustees expresses to the family of Mr. Reading its deepest sympathy. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that a copy be tendered to the family as a sincere expression of the Board's realization of the loss which the family has sustained.

E. Howard Francis Seely

The Board of Trustees expresses its sorrow at the death on February 11, 1971, of Howard Francis Seely, Professor Emeritus in the College of Education.

Professor Seely, together with his wife Enid, established the Maribelle Seely Baker Memorial Scholarship in 1965 in memory of their late daughter by a gift of $25,000 to The Ohio State University. The scholarship provides a $1,000 annual award to an undergraduate student majoring in the teaching of English in the College of Education.

A native of Michigan, Professor Seely was born May 21, 1893, and received his A.B. degree from the University of Michigan, where he was elected to Phi Beta Kappa, and his M.A. degree and the title of Supervisor of English from Columbia University.

Early in his teaching career Professor Seely received recognition as an outstanding teacher of English and served as chairman of the English department of two well-known private schools, Scarborough-on-the-Hudson, New York, from 1918 to 1923, and the John Burroughs School, St. Louis, Missouri, from 1923 to 1928. This recognition led to his appointment to the faculty of
E. Howard Francis Seely (continued)

Columbia University, where he taught courses in the teaching of English in the summer sessions for six years. During this period he was also an actor, playwright, and director in the Beechwood Playhouse.

In 1928, Professor Seely joined the staff of the College of Education, The Ohio State University, where he served without interruption until his retirement in 1958. He became widely known and respected as a talented lecturer, a teacher who set high standards for both himself and his students, and a leader in the development of modern secondary school English programs.

In his book, Enjoying Poetry in School, Professor Seely presented a vigorous plea for a humane approach to literature aimed at promoting a genuine appreciation of poetry and a lifelong interest in reading it. In On Teaching English he proposed that the principles of grammar be taught inductively as an aid to the achievement of good English usage and that written composition activities include opportunity for creative writing, in both prose and poetry, characterized by originality and imagination. His widely used secondary school text, Experiences in Thought and Expression, provided teachers with a variety of materials and methods for translating tested principles of teaching English into classroom practice. He was also the co-author of two other secondary school texts, Recent Short Stories for Enjoyment and Experiences in Speaking. His many articles on the teaching of English appeared in such publications as the English Journal, Educational Research Bulletin, and Ohio Schools.

The Board of Trustees, on behalf of the University, extends to his widow, Mrs. Howard Francis Seely, and to other members of his family its sincere sympathy in the loss they have sustained. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to Mrs. Seely as an expression of the Board's deep sympathy in her bereavement.

XI. REPORTS

A. Report on Action Taken by the Ohio Board of Regents at Its Meeting Held April 16, 1971

President Fawcett reported for information and the record that the Ohio Board of Regents took the following action which pertains to The Ohio State University at the meeting on April 16, 1971:

Approved the request permitting the consolidation of pledges of income to secure revenue bonds issued by the Board of Trustees of The Ohio State University.

Mr. Shocknessy presented the following resolution:

GENERAL BOND RESOLUTION

Providing for the issuance from time to time of General Receipts Bonds of The Ohio State University, for the payment of the principal of and interest on such Bonds, and for securing such payment.

WHEREAS, pursuant to Sections 3345.11 and 3345.12 of the Ohio Revised Code, as enacted by the 108th General Assembly of Ohio under authority of the Constitution of Ohio, particularly Section 21 of Article VIII thereof, The Ohio State University, a state university of the State of Ohio created and existing under Chapter 3335 of the Ohio Revised Code, is authorized and empowered, among other things, (a) to issue, as provided herein, Bonds of the University to pay the costs of certain capital facilities defined as "auxiliary facilities" in Section 3345.12 of the Ohio Revised Code (and herein called "University Facilities") and to refund, fund or retire such Bonds and other obligations previously issued for such purpose; (b) to pledge to the payment of such Bonds the gross amount of the General Receipts of the University, as defined in Section 1 hereof, in priority to all other expenses, claims or payments; (c) to covenant, as herein provided, that the University will make, fix, adjust and collect the fees, rates, rentals, charges and other items comprising General Receipts to produce General Receipts sufficient at all times to meet Bond service charges on the Bonds, establish and maintain the Required Reserve and meet other requirements herein provided; and (d) to provide for a trust agreement and make further provisions for securing the payment of the Bond service charges; and

WHEREAS, the University desires to make provision for the issuance from time to time of the Bonds herein described, and for the payment of the Bond service charges thereon and the securing thereof by this Resolution and the Trust Agreement herein authorized, and to provide for each issue of Bonds to be authorized by a separate Series Resolution based upon this Resolution and such Trust Agreement;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE OHIO STATE UNIVERSITY, as follows:

Section 1. Definitions and Interpretations. The following words and terms as used in this Resolution, in Series Resolutions, in the Trust Agreement and in the Bonds shall have the following

meanings unless otherwise therein provided and unless the context or use clearly indicates another or different meaning or intent:

“Act” means Sections 3345.11 and 3345.12 of the Ohio Revised Code, as the same may be amended, modified, revised, supplemented, or superseded from time to time, provided that no further action by the General Assembly of Ohio shall alter the obligation of the University to pay the Bond service charges in the amount and manner, at the times, and from the sources provided in this Resolution, the applicable Series Resolution and the Trust Agreement, except as otherwise herein permitted.

“Board” means the Board of Trustees of the University.

“Bond” or “Bonds” means any Bond, or all of the Bonds, or an issue or series of Bonds, as the case may be, of the University issued pursuant to the General Bond Resolution and any Series Resolution.

“Bondholder” or “holder” or “holder of Bonds” or any similar term, means any person who is the bearer of a coupon Bond which is not registered as to principal or the principal of which is registered to bearer, or the person in whose name a registered Bond is registered, and as to a coupon means the bearer of the coupon.

“Bond Pledge Fund” means the General Receipts Bond Pledge Fund of the University provided for in Section 5 hereof.

“Bond proceedings” means the General Bond Resolution, the Trust Agreement, applicable Series Resolution, Supplemental Trust Agreements and other resolutions and agreements, and amendments of and supplements to the foregoing, or any combination thereof, authorizing or providing for the terms and conditions applicable to, or providing for the security or sale of Bonds, and the terms contained in such Bonds.

“Bond Redemption and Purchase Account” means the account, so designated, in the General Receipts Bond Service Fund established pursuant to Section 6 hereof.

“Bond service charges” means the principal, including any mandatory sinking fund requirements, interest, and redemption premium, if any, required to be paid by the University on the Bonds. In determining Bond service charges for a fiscal year or any other period, mandatory sinking fund requirements for such fiscal year or period shall be taken into account and principal maturities for which mandatory sinking fund requirements are imposed in a prior fiscal year or period shall, to such extent, be disregarded.

amounts resulting from any such receipts available for any lawful purpose of the University pursuant to the respective 1955 and 1957 trust agreements and are released from the pledge thereof shall nevertheless be included in General Receipts. Any receipts of the University which it may at any time lawfully pledge to the security of the Bonds may be included, or confirmed to be included, in General Receipts by Supplemental Trust Agreement approved by the Board.

"Mandatory sinking fund requirements" means amounts required by any Series Resolution to be deposited to the Bond Service Fund in any fiscal year for the purpose of retiring principal maturities of Bonds which by the terms of such Bonds are due and payable, if not called for prior redemption, in any subsequent fiscal year.

"Obligations" means bonds or notes or other evidence of obligation, including the Bonds, and including interest coupons pertaining thereto.

"Original Purchaser" as to any Bonds means the person or persons expressly named in the applicable Series Resolution as the original purchaser of those Bonds from the University.

"Outstanding Bonds" or "Bonds outstanding" or "outstanding" as applied to Bonds, means, as of any date, all Bonds which have been authenticated and delivered, or are then being delivered, by the Trustee under the Trust Agreement except:

(a) Bonds surrendered for exchange or transfer or cancelled because of payment or redemption at or prior to such date;

(b) Bonds for the payment, redemption or purchase for cancellation of which sufficient moneys have been deposited prior to such date with the Trustee or Paying Agents (whether upon or prior to the maturity or redemption date of any such Bonds), or which are deemed to have been paid and discharged pursuant to the provisions of the Trust Agreement; provided that if such Bonds are to be redeemed prior to the maturity thereof, notice of such redemption shall have been given or arrangements satisfactory to the Trustee shall have been made therefor, or waiver of such notice satisfactory in form to the Trustee shall have been filed with the Trustee, and provided, further, that if such Bonds are to be purchased for cancellation, a firm offer for sale stating the price has been received and accepted; and

(c) Lost, stolen, mutilated or destroyed Bonds in lieu of which others have been authenticated (or payment, when due, of which is made without replacement) under the Trust Agreement.

"Paying Agents" means any banks or trust companies designated as the paying agencies or places of payment for Bonds by or pursuant to the applicable Series Resolution, and their successors designated pursuant to the Trust Agreement, and shall also mean the Trustee when so designated for such purpose.

Any reference herein to the University, the Board, or to any officers or to other public boards, commissions, departments, institutions, agencies, bodies, entities or officers, shall include those which succeed to their functions, duties or responsibilities pursuant to or by operation of law or who are lawfully performing their functions. Any reference to a section or provision of the Ohio Revised Code or to the laws of Ohio shall include such section or provision and such laws as from time to time amended, modified, revised, supplemented, or superseded, provided that no such amendment, modification, revision, supplementation, or supersession shall alter the obligation to pay the Bond service charges in the amount and manner, at the times, and from the sources provided in this Resolution, the applicable Series Resolution, and the Trust Agreement, except as otherwise herein permitted.

Unless the context shall otherwise indicate, words importing the singular number shall include the plural number, and vice versa, and the terms “hereof”, “herein”, “hereby”, “hereto”, “hereunder”, and similar terms, mean this Resolution and the Trust Agreement.

Section 2. Authorization; Pledge; and Covenant.

(a) The Bonds, to be designated and known as “General Receipts Bonds”, shall be issued pursuant to and as authorized by the Act, Section 21 of Article VIII of the Ohio Constitution, this Resolution and the Trust Agreement to pay costs of University Facilities, to pay the principal of and interest and redemption premium on notes issued for such purpose, including renewals thereof, and to refund, fund or retire obligations issued for such purpose. The Bonds may be issued in amounts hereafter authorized from time to time by the Board, without any limitation as to amount except as provided in this Resolution or any applicable Series Resolution or as may hereafter be provided by law. The Bonds shall from time to time be authorized by Series Resolutions as herein provided.

1. Resolution Providing for the Issuance from Time to Time of General Receipts Bonds of The Ohio State University, for the Payment of the Principal of and Interest on Such Bonds, and for Securing Such Payment (continued)

(b) There is hereby pledged, in priority to all other expenses, claims and payments, to the security of the Bonds and for the payment of the Bond service charges and for establishment and maintenance of the Required Reserve as provided in the Bond proceedings, the gross amount of General Receipts of the University and the Bond Pledge Fund and the Bond Service Fund, as herein provided. In accordance with the Act, all the General Receipts are immediately subject to the lien of the pledge upon receipt thereof by the University, and such pledge creates a perfected security interest without necessity for prior separation, physical delivery, filing or recording or further act.

(c) For the further security of the Bonds, the University hereby covenants with the bondholders and the Trustee that so long as any Bonds are outstanding the University will fix, make, adjust and collect fees, rates, rentals, charges, and other items of General Receipts, as will produce at all times General Receipts sufficient (i) to pay Bond service charges when due, (ii) to establish and maintain the Required Reserve as provided in the Bond proceedings, and (iii), together with other moneys lawfully available therefor, to pay all costs and expenses required to be paid under the Bond proceedings and all other costs and expenses necessary for the proper maintenance and successful and continuous operation of the University.

(d) All Bonds shall be equally and ratably secured without distinction by reason of series designation, number, date of authorization, issuance, sale, execution, or delivery, or date of the Bonds or of maturity, by the pledge of the General Receipts, the Bond Pledge Fund and the Bond Service Fund to the extent provided in, and except as otherwise permitted by this Resolution. Nothing in the Act, this Resolution, the Trust Agreement or other Bond proceedings gives the holders of Bonds or coupons, and they do not have, the right to have the General Assembly of the State levy any excises or taxes for the payment of Bond service charges and each Bond shall bear on its face a statement to that effect and to the effect that the right of such holders to the payment of Bond service charges shall be limited to payment thereof from the General Receipts, the Bond Pledge Fund and the Bond Service Fund as provided herein and in the applicable Series Resolution; provided, however, that nothing herein or in the Bond proceedings shall be deemed to prohibit the University or the State, of its own volition, from using to the extent lawfully authorized to do so any other resources for the fulfillment of the terms, conditions or obligations of this Resolution, Series Resolutions, the Trust Agreement and the Bonds.

Section 3. Series Resolutions. Each issue of Bonds shall be authorized by a resolution adopted by the Board, herein called "Series Resolution". Each Series Resolution shall make provision, in manner consistent with this Resolution and the Trust Agreement, for the following with respect to each series of the Bonds thereby authorized:

(1) the purpose for which issued as permitted by the Act;
(2) the authorized principal amount;
(3) the date of such Bonds, the interest rate or rates or the maximum interest rate, their maturities, and the interest payment dates;
(4) the series designation and denominations of and manner of numbering such Bonds;
(5) the redemption provisions, if any, including any premium to be paid upon redemption;
(6) mandatory sinking fund requirements, if any, pertaining to such Bonds;
(7) the place or places of payment of the Bond service charges on such Bonds;
(8) the manner of sale of such Bonds;
(9) the disposition of the proceeds from the issuance of such Bonds;
(10) the funding of the Required Reserve in manner consistent with clause (2)(i) of Section 7(b) hereof;
(11) the authorization of a Supplemental Trust Agreement pertaining to such Bonds; and
(12) any other provisions deemed advisable by the Board.

Each Series Resolution shall state that it is adopted pursuant to this Resolution and the Trust Agreement.

Section 4. General Terms and Provisions of Bonds. All Bonds shall be designated "General Receipts Bonds" and Bonds of each series shall bear in addition a series designation to distinguish them from other series of Bonds, and shall express on their faces the purpose for which issued, and shall bear such other statements or legends as may be required by law or this Resolution. All Bonds shall be negotiable instruments, subject to applicable provisions for registration, and Bond service charges on all Bonds shall be payable in lawful money of the United States.

1. Resolution Providing for the Issuance from Time to Time of General Receipts Bonds of The Ohio State University, for the Payment of the Principal of and Interest on Such Bonds, and for Securing Such Payment (continued)

Subject to provisions of the applicable Series Resolution, the Bonds shall be issuable in the forms of coupon Bonds registrable as to principal only and fully registered Bonds and may be exchanged as between such forms, all as provided in the Trust Agreement.

All Bonds shall be executed in a manner consistent with applicable law in effect at the time of their issuance. Unless otherwise provided thereby or by the applicable Series Resolution, all Bonds shall be executed by the Chairman of the Board or the President of the University and by the Fiscal Officer or the Secretary of the Board, provided that all of such signatures may be facsimile signatures, and may have the seal of the University or a facsimile thereof affixed or printed thereon, and coupons pertaining thereto shall bear the facsimile signature of the Fiscal Officer or the Secretary of the Board.

Unless otherwise provided in the applicable Series Resolution, notice of call for redemption of Bonds, identifying the Bonds or portions of fully registered Bonds to be redeemed, the date fixed for redemption and the places where the amounts due upon such redemption are payable, shall be given by at least two publications in a newspaper or financial journal of national circulation published in the City and State of New York, the first such publication to be not less than thirty days prior to the redemption date. If, because of the temporary or permanent suspension of the publication or circulation of the appropriate newspapers or financial journals or for any other reason, it is impossible or impractical to publish such notice of call for redemption in the manner provided herein or in the applicable Series Resolution, then such publication in lieu thereof as is made with the approval of the Trustee shall constitute a sufficient publication of such notice. If Bonds or portions of fully registered Bonds are duly called for redemption and if on such redemption date moneys for the redemption of all Bonds to be redeemed, together with interest to the redemption date, shall be held by the Trustee or Paying Agents so as to be available therefor, then from and after such redemption date such Bonds or portions of fully registered Bonds shall cease to bear interest and any coupons for interest thereon maturing subsequent to the redemption date shall be void.

Section 5. General Receipts Bond Pledge Fund; Payments to Bond Service Fund.

Moneys standing to the credit of the Bond Pledge Fund shall be maintained in an account or accounts with a bank or banks which are members of the Federal Deposit Insurance Corporation and have a combined capital and surplus of at least $10,000,000 or, if a bank or trust company having its principal office in Ohio, which fully and continuously secure such deposits by the pledge or hypothecation of obligations which as to principal and interest are direct obligations of or are guaranteed by the United States of America and have a market value at least equal to the amount of such deposit, or such moneys shall be invested in eligible investments pursuant to paragraph (e) of this Section. The Bond Pledge Fund is hereby pledged to the payment of Bond service charges in the manner hereinafter provided, in priority to any and all other expenses, claims or payments, but nothing in this Resolution with regard to the Bond Pledge Fund shall in any way be deemed to qualify, limit or restrict the pledge by the University of all General Receipts to the payment of Bond service charges as provided in Section 2 hereof.

(b) While any Bonds are outstanding, the University covenants that it will include in its budget for each fiscal year the amount required to be paid to the Bond Service Fund, established under Section 6 hereof, during such fiscal year. The University shall from time to time determine, and reflect in such budgets, the amounts from respective sources of General Receipts to be applied to meet such payments, in such manner that the amounts from such sources, in aggregate, will at all times be sufficient in amounts and times of collection to meet all payments required to be made into the Bond Service Fund.

(c) Promptly following the major collection of fees and charges for each academic term of the University, the University shall pay into the Bond Pledge Fund from its collections of General Receipts appropriate portions of such collections in accordance with such budget, provided that such payments shall in any event result in balances in the Bond Pledge Fund during the then current fiscal year at least sufficient in time and amount to meet all payments required to be made in such fiscal year to the Bond Service Fund and that no further payments need be made into the Bond Pledge Fund at any time when the amount therein is adequate to meet all remaining payments required to be made to the Bond Service Fund during the then current fiscal year. e) Until needed for payments into the Bond Service Fund, moneys standing to the credit of the Bond Pledge Fund may be invested and reinvested by or upon order of the Fiscal Officer in eligible investments maturing or redeemable at the option of the holder at the times and in the amounts needed for payments into the Bond Service Fund. Any income from such investments shall be credited to the Bond Pledge Fund.

(f) The provisions of this Section are intended to further assure that the payments will be made into the Bond Service Fund at the times and in the amounts required, and nothing in this Section shall be deemed to limit or modify in any way the pledge of and lien on all General Receipts as provided for in Section 2 hereof, nor to restrict the University to any particular source of General Receipts for meeting its obligations under the Bond proceedings.

Section 6. Bond Service Fund: Accounts Therein. The University hereby creates a separate trust fund designated "General Receipts Bond Service Fund" (herein sometimes called the "Bond Service Fund") which shall be maintained in the custody of the Trustee. All moneys received by or on account of the University and required by this Resolution and the applicable Bond proceedings to be deposited, transferred, or credited to the Bond Service Fund shall be deposited with the Trustee and credited to such Fund. The Bond Service Fund and the moneys and investments therein are hereby pledged, and are to be applied, solely and exclusively to the payment of Bond service charges as further provided by this Resolution.

Section 7. Payments to Bond Service Account and Bond Service Reserve Account.

(a) From Bond Proceeds. From the proceeds of the sale of Bonds all amounts, if any, representing accrued interest and capitalized interest on the Bonds, as provided in the applicable Series Resolution, shall be deposited to the credit of the Bond Service Account. To the extent provided in the applicable Series Resolution, amounts from the proceeds of the sale of Bonds allocated therein to the Bond Service Reserve Account shall be deposited to the credit of that Account.

(b) From Bond Pledge Fund and General Receipts. Not later than five business days prior to any date upon which any principal, interest or redemption premium on the Bonds falls due, the University shall pay over to the Trustee from the Bond Pledge Fund and, if necessary, from any other General Receipts of the University amounts required to be paid to the Bond Service Account and the Bond Service Reserve Account, as follows:

(1) To the credit of the Bond Service Account, such amount as will, together with other moneys therein available therefor, be sufficient to pay such principal, interest and redemption premium, if any, on the Bonds as is due upon such date and payable from the Bond Service Account, including any mandatory sinking fund requirements; and

(2) To the credit of the Bond Service Reserve Account the respective amounts, if any, required at such time to be paid thereto in accordance with the Series Resolutions; provided, however, that (i) each Series Resolution must make provision such that the portion of the Required Reserve necessitated by reason of the Bonds authorized thereby (determined at the time of issuance of any of such Bonds) will be fully funded within a period of five years from the date of original delivery of such Bonds and shall, to the extent not otherwise funded upon delivery of such Bonds, provide for such funding by payments from the Bond Pledge Fund and, if necessary, from any other...

General Receipts in consecutive semi-annual payments commencing not later than eighteen months after original delivery of such Bonds: (ii) within one hundred twenty days after the end of each fiscal year the University shall, from the Bond Pledge Fund or other General Receipts, restore to the Bond Service Reserve Account any amounts previously transferred therefrom to the Bond Service Account by the Trustee to meet any deficiency in the Bond Service Account, and restore any other amounts by which the Bond Service Reserve Account has been diminished during such preceding fiscal year; and, provided further (iii) that notwithstanding the foregoing, no additional payments need to be made to the credit of the Bond Service Reserve Account at any time when the amount therein shall at least equal the Required Reserve.

Section 8. Bond Service Account. The Bond Service Account is hereby pledged to and shall be used solely for the payment of Bond service charges as they fall due upon stated maturity or by operation of mandatory redemption requirements. Not more than five business days nor less than one business day prior to a date when Bond service charges are due and payable, the Trustee shall transmit from moneys in the Bond Service Account to other Paying Agents, as appropriate, amounts sufficient to meet payments to be made by them of Bond service charges to be then due and payable; provided that to the extent that the amount needed by a Paying Agent is not sufficiently predictable, the Trustee may make such credit arrangements with such Paying Agent as to permit meeting such payments.

Section 9. Bond Service Reserve Account. The Bond Service Reserve Account is hereby pledged to and shall be used, as herein provided, solely for the payment of Bond service charges, except as excess amounts may be transferred pursuant to this Section.

If on the fifth day preceding any date upon which Bond service charges on any Bonds fall due, the Bond Service Account is insufficient to meet such Bond service charges to be paid therefrom on such date, the Trustee, without necessity for any order by the University, shall immediately transfer from the Bond Service Reserve Account to the Bond Service Account an amount sufficient to make up such deficiency in the Bond Service Account.

Subject to the foregoing, any amount in the Bond Service Reserve Account in excess of the Required Reserve shall be transferred to the Bond Service Account or to the Bond Redemption and Purchase Account for the purposes thereof, if and to the extent ordered by the Fiscal Officer. Such excess shall be determined by calculating the Required Reserve with reference to outstanding Bonds only, excluding any Bonds for the redemption or purchase of which such excess is being transferred to the Bond Redemption and Purchase Account.

1. Resolution Providing for the Issuance from Time to Time of General Receipts Bonds of The Ohio State University, for the Payment of the Principal of and Interest on Such Bonds, and for Securing Such Payment (continued)

Section 10. Bond Redemption and Purchase Account. There shall be credited to the Bond Redemption and Purchase Account that portion of the proceeds of refunding Bonds, as provided in the Series Resolution authorizing their issuance, allocated to the payment of the principal, interest and redemption premium, if any, or purchase price of the Bonds to be refunded, funded, or retired through the issuance of such refunding Bonds; amounts to be transferred therefrom the Bond Service Reserve Account by order of the Fiscal Officer pursuant to Section 9 hereof; and any other amounts made available by the University for the purposes of the Bond Redemption and Purchase Account. Amounts for the redemption of Bonds to be provided pursuant to the mandatory sinking fund requirements of the Series Resolution authorizing such Bonds shall not be deposited to the credit of the Bond Redemption and Purchase Account but shall be deposited to the credit of the Bond Service Account.

Any amounts in the Bond Redemption and Purchase Account may be committed, by Series Resolution or other action by the Board, for the retirement of and Bond service charges on specified Bonds and, so long as so committed, shall be used solely for such purpose whether directly or through transfer to the Bond Service Account. Subject to the foregoing provisions of this Section, the Fiscal Officer may cause moneys in the Bond Redemption and Purchase Account to be used to purchase any Bonds for cancellation, and to redeem any Bonds in accordance with the redemption provisions of the applicable Series Resolution. From moneys in the Bond Redemption and Purchase Account the Trustee shall transmit or otherwise disburse such amounts at such times as required for the redemption or purchase for cancellation of Bonds, and Bond service charges, in accordance with the applicable Series Resolution, or other action by the Board or order of the Fiscal Officer not inconsistent therewith. Any amounts in the Bond Redemption and Purchase Account not required for the purposes thereof pursuant to a commitment theretofore made, may be transferred to the Bond Service Account or the Bond Service Reserve Account upon order by the Fiscal Officer.

Section 11. Special Accounts. If and to the extent required by any loan or grant agreement or other agreement with the United States of America, or with any officer, department, agency, instrumentality or corporation thereof or created thereby, providing for any financial assistance, guarantee, or insurance in connection with any University Facilities project or the financing thereof, the University may, pursuant to the applicable Series Resolution, create special accounts or sub-accounts in the Bond Pledge Fund and Bond Service Fund, and accounts therein,

with reference to such project and its financing and make special provisions, among others, that moneys received under such loan or grant agreement or other agreement, other items of General Receipts derived from or allocable with respect to such project, and other items of General Receipts germane to such project and the financing thereof be restricted to such special accounts or sub-accounts, and for the holding, investing and disposition of any moneys in said accounts or sub-accounts in accordance with such agreement and for the primary or exclusive benefit of the Bonds issued to finance such project; but only as and to the extent required by such agreement. If such accounts or sub-accounts are so restricted, then the amounts in such accounts or sub-accounts, to the extent so restricted, shall not be deemed to be available for Bond service charges on other Bonds in determining the sufficiency of the Bond Service Account and the Bond Service Reserve Account under the provisions hereof with respect to such other Bonds.

Section 12. Investment of Bond Service Fund. Moneys in the Bond Service Fund may be invested and reinvested by the Trustee in any eligible investments, subject to any orders of the Fiscal Officer with respect thereto, provided that investments of moneys in the accounts of the Bond Service Fund shall mature or be redeemable at the option of the holder at the times and in the amounts necessary to provide moneys to meet the payment of Bond service charges as they fall due, and that each investment of moneys in the Bond Service Reserve Account shall in any event mature or be redeemable at the option of the holder within five years after such investment is made. Subject to any orders of the Fiscal Officer with respect thereto, the Trustee may from time to time sell such investments and reinvest the proceeds therefrom in eligible investments maturing or redeemable as aforesaid. Any such investments may be purchased from the Trustee. The Trustee shall sell or redeem investments standing to the credit of the Bond Service Account and the Bond Service Reserve Account, in that order, to produce sufficient moneys at the times required for the purposes of meeting Bond service charges when due, and shall do so without necessity for any order on behalf of the University and without restriction by reason of any such order. Subject to the provisions of the applicable Bond proceedings, an investment made from moneys credited to an account shall constitute part of that account and such account shall be credited with all proceeds of sale and income from such investment. For purposes of this Resolution, such investments shall be valued at face amount or market value, whichever is less.

provided herein, exist at the time of authentication of such Bonds by the Trustee:

(1) The University is not in default of any covenants or obligations of the University under the Trust Agreement, and the authentication and delivery of such Bonds will not result in any such default;

(2) The General Receipts of the University during each of the two preceding fiscal years were at least equal to two times the maximum amount required to be paid in any subsequent fiscal year for Bond service charges on all Bonds to be outstanding upon the original delivery of such additional Bonds; and

(3) Other requirements provided in the Trust Agreement for the issuance of additional Bonds have been met.

For purpose only of computing the coverage under clause (2) of this Section:

(i) Bond service charges which are to be or have been funded or refunded by such additional Bonds or by Bonds previously issued, shall be excluded from Bond service charges and the proceeds of such additional Bonds applied or committed thereto shall not be counted in the General Receipts.

(ii) Proceeds from the sale of any obligations, excepting the portion representing accrued interest or capitalized interest on Bonds, shall not be counted in the General Receipts.

(iii) The University may, at its option, exclude from Bond service charges that portion thereof to be provided by grants or payments by the United States of America, or any officer, department, agency, instrumentality or corporation thereof or created thereby, under a then existing agreement; provided that, in such case, there shall be subtracted from the amount of General Receipts for each of such preceding two fiscal years the amount, if any, then received under such agreement but not exceeding an amount equal to the amount so excluded from Bond service charges for that fiscal year which, after application of this paragraph (iii), is determined to be the fiscal year in which the maximum of Bond service charges is required.

(iv) If all bonds outstanding under a prior trust agreement or bond resolution, referred to in the definition of “General Receipts” contained in Section 1 hereof, including all principal, interest and call premium, if any, pertaining thereto, have been paid, or provision for such payment irrevocably made from the proceeds of additional Bonds issued or to be issued hereunder or from other available sources, then the revenues and receipts pledged under such prior trust agreement or bond resolution in the amounts received during the two preceding fiscal years shall be included in General Receipts for purposes of clause (2) of this Section.

The satisfaction of the requirements stated in clauses (1) and (2) of this Section shall be evidenced by a certificate signed by the Chairman of the Board or the President of the University and by the Fiscal Officer or the Secretary of the Board, in form satisfactory to the Trustee and filed with the Trustee prior to authentication of such additional Bonds, and the Trustee may reasonably require further evidence of the satisfaction of such requirements. The authentication of such Bonds by the Trustee shall be conclusive evidence that such requirements have been met for purpose of the validity and binding effect of such Bonds and the right of the holders thereof and coupons pertaining thereto to share in the pledges, General Receipts and special funds as provided in this Resolution, the Trust Agreement and the applicable Series Resolution.

Section 14. Application of Bond Proceeds. The proceeds from the sale of Bonds shall be applied solely to the purposes for which issued as authorized pursuant to Section 2 hereof. Such proceeds shall be allocated for such purposes as provided in the applicable Series Resolution, and shall be held, invested and paid out as therein provided, subject to any applicable provision of this Resolution and the Trust Agreement.

Section 15. Further Covenants. In addition to the covenants elsewhere contained herein, the University further covenants as follows:

(a) Payment. The University will, from the sources herein provided, pay or cause to be paid the Bond service charges on each and all Bonds on the dates, at the places and in the manner provided herein, in the applicable Series Resolution and in the Bonds and coupons, according to the true intent and meaning thereof.

(b) Maintenance of Pledge. The University will not make any pledge or assignment of or create or suffer any lien or encumbrance upon the Bond Service Fund, the Bond Pledge Fund or General Receipts prior to or on a parity with the pledge thereof hereunder, except as authorized or permitted hereunder.

(c) Observance of Covenants. The University will at all times faithfully observe and perform all agreements, covenants, undertakings, stipulations and provisions contained in this Resolution, the Trust Agreement, the Series Resolutions and in any and every Bond executed, authenticated and delivered under the Trust Agreement, and in all other proceedings pertaining to the Bonds.

(d) Duties Binding on All with Authority; Enforcement by Mandamus. Each provision of the Bond proceedings is binding upon such officer, board, authority, agency, department, or other

person or body as may from time to time have the authority under law to take such actions as may be necessary to perform all or any part of the duty required by such provision; and each duty of the University and the Board, and of their members, officers and employees, undertaken pursuant to the Bond proceedings for the Bonds is established as a duty of the University, the Board and of each such member, officer, and employee having authority to perform such duty, specifically enjoined by law resulting from an office, trust, or station within the meaning of Section 2731.01 of the Ohio Revised Code, providing for enforcement by writ of mandamus.

(e) Annual Reports. Within one hundred and twenty days after the end of each fiscal year, the University shall submit to the Trustee and each Original Purchaser an annual report by the University showing the financial operations of the University during the preceding fiscal year, which may be in the form submitted to the Ohio Board of Regents or other State officials, and also showing the status of all special funds at the end of such fiscal year and the receipts therefrom and payments therefrom during such fiscal year, and such other data as the Trustee may reasonably deem to be relevant under the Trust Agreement and request in writing. Upon request of the Trustee, the University will make available a copy of any reports concerning the University prepared by the official auditing agency of the State, presently the Bureau of Inspection and Supervision of Public Offices.

(f) Inspection and Audit of Records. The Trustee, each Original Purchaser, and the holders of twenty-five percent or more of the principal amount of all outstanding Bonds shall have the right at all reasonable times to inspect and audit any records, books, documents, special funds, and accounts of the University, relating to the Bond Pledge Fund and the Bond Service Fund. Such inspection or audit may be conducted by a public accounting firm or other authorized representative selected by the party entitled to make the inspection.

(g) Further Assurance. The University will at any and all times pass, make, do, execute and deliver such further resolutions, acts, instruments and assurances as may be necessary or desirable to carry out the purposes of this Resolution and the Trust Agreement.

(h) No Additional Athletic Department Revenue Bonds. The University will not hereafter issue additional Athletic Department Revenue Bonds under the March 1, 1955 Trust Agreement with The Ohio National Bank of Columbus referred to in the definition of “General Receipts” in Section 1 hereof.

2. Resolution Providing for the Authorization, Issuance and Sale of $4,500,000 General Receipts Bonds, Series 1971, of The Ohio State University, Dated as of June 1, 1971, Pursuant to Trust Agreement Dated as of June 1, 1971

Mr. Shocknessy presented the following resolution:

SERIFS 1971 RESOLUTION

Providing for the authorization, issuance and sale of $4,500,000 General Receipts Bonds, Series 1971, of The Ohio State University, dated as of June 1, 1971, pursuant to Trust Agreement dated as of June 1, 1971.

WHEREAS, The Ohio State University (herein called the “University”), a state university of the State of Ohio created and existing under Chapter 3335 of the Ohio Revised Code, by resolution adopted by its Board of Trustees (herein called the “Board”) May 7, 1971 (herein called the “General Bond Resolution”) and by a Trust Agreement dated as of June 1, 1971 (herein called the “Trust Agreement”), comprised in part of the General Bond Resolution, has provided for the issuance from time to time of General Receipts Bonds of the University, with each such issue to be authorized by a Series Resolution adopted by the Board pursuant thereto; and

WHEREAS, the General Bond Resolution was adopted and the Trust Agreement was authorized by the Board pursuant to Sections 3345.11 and 3345.12 of the Ohio Revised Code, enacted by the General Assembly of Ohio under authority of the Constitution of Ohio, particularly Section 21 of Article VIII thereof, which authorizes the University to issue its Bonds to pay costs of certain capital facilities, defined as “auxiliary facilities” in Section 3345.12 of the Ohio Revised Code and called “University Facilities” in the General Bond Resolution and in this Series Resolution, and to refund, fund or retire such Bonds or other obligations previously issued for such purpose; and

WHEREAS, the University has previously determined, and does hereby confirm, that it has been necessary to construct, equip and furnish certain University Facilities, being certain motor vehicle parking facilities on the campus of the University, comprised of three multi-level parking structures and appurtenances known as the Student Union, Arps Hall and Medical School parking, with an aggregate capacity for the parking of approximately 2,250 motor vehicles, and herein called the “Series 1971 University Facilities Project” or “Project”, the costs of which Project are $5,783,000; and

WHEREAS, bond anticipation notes designated The Ohio State University Parking System Revenue Notes, Series 1970, dated as of June 26, 1970, presently outstanding in the amount of $4,500,000 have been issued to pay part of the costs of the Project, the Project has been completed, the balance of the costs paid from other funds of the University available therefor, and it is necessary to issue Bonds to retire the above notes and to pay interest thereon; and
2. Resolution Providing for the Authorization, Issuance and Sale of $4,500,000 General Receipts Bonds, Series 1971, of The Ohio State University, Dated as of June 1, 1971, Pursuant to Trust Agreement Dated as of June 1, 1971 (continued)

WHEREAS, pursuant to the foregoing, the University has determined to issue, as the first issue of Bonds under the Trust Agreement, $4,500,000 principal amount of General Receipts Bonds, to be designated General Receipts Bonds, Series 1971, to pay part of the costs of the Series 1971 University Facilities Project and to retire the aforesaid notes and desires to provide therefor by this Resolution of its Board:

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF The Ohio State University, as follows:

Section 1. Definitions and Interpretations. All words and terms defined in Section 1 of the General Bond Resolution and all interpretations therein provided shall have the same meanings, respectively, and be subject to the same interpretations as therein provided where used in this Resolution, unless the context or use clearly indicates another or different meaning or intent, except that this Resolution, together with the Certificate of Award provided for in Section 5 hereof, is sometimes herein called and may be known as the “Series 1971 Resolution”, the Bonds authorized by this Resolution are referred to herein and in the First Supplemental Trust Agreement hereby authorized as the “Series 1971 Bonds”, and the terms “hereof”, “hereby”, “hereto”, “herein”, and “hereunder”, and similar terms, mean this Resolution. As used in this Resolution, “Series 1971 University Facilities Project” and “Project” means the parking facilities project described in the preambles hereto; and “Outstanding Notes” shall mean the notes, designated “Parking System Revenue Notes, Series 1970”, referred to in the preambles hereto.

Section 2. Authority. This Resolution is adopted pursuant to the General Bond Resolution, the Trust Agreement, and the Act.

Section 3. Authorization, Designation and Purpose of Series 1971 Bonds. It is hereby declared to be necessary to, and the University shall, issue, sell and deliver, as provided and authorized herein, $4,500,000 principal amount of General Receipts Bonds of the University, which shall be designated “General Receipts Bonds, Series 1971”, for the purpose of paying part of the costs of the University Facilities that comprise the Series 1971 University Facilities Project and to retire obligations previously issued for such purpose. For such purpose, the proceeds from the sale of the Series 1971 Bonds shall be allocated and deposited as provided in Section 6 hereof.

(a) Form and Numbering. The Series 1971 Bonds shall be issued initially in the form of coupon Bonds registrable as to principal only or of fully registered Bonds as requested by the

Original Purchaser thereof, shall be exchangeable for Series 1971 Bonds in coupon form or fully registered form as provided in the Trust Agreement, and shall be numbered as determined by the Fiscal Officer.

(b) Denomination and Dates. The Series 1971 Bonds in coupon form shall be in the denomination of $5,000 each, and shall be dated as of June 1, 1971. The Series 1971 Bonds in fully registered form shall be in the denomination of $5,000 and any multiple thereof authorized by the Trust Agreement, and shall be dated as of the date of Series 1971 Bonds in coupon form if authenticated prior to the first interest payment date, and otherwise shall be dated as of the last interest payment date preceding the date of their authentication except that if authenticated on an interest payment date they shall be dated as of such date of authentication; provided that if at the time of authentication, interest thereon is in default, they shall be dated as of the date to which interest has been paid. Each Series 1971 Bond shall have only one principal maturity date, except for interim certificates or receipts which may be issued pending preparation of definitive Bonds.

(c) Interest. The Series 1971 Bonds shall bear interest from their respective dates payable semi-annually on June 1 and December 1, beginning December 1, 1971, at the respective rates per annum set forth in the Certificate of Award provided for in Section 5 hereof.

(d) Maturities. The Series 1971 Bonds shall mature on June 1 in the years and in the principal amount set opposite the year as follows:

If less than all of the outstanding Series 1971 Bonds are called for redemption at one time, they shall be called in inverse order of the maturities of the Series 1971 Bonds outstanding, and if less than all of the outstanding Series 1971 Bonds of one maturity are to be called, the selection of such Series 1971 Bonds, or portions of fully registered Bonds, of such maturity to be called shall be made by lot in the manner provided in the Trust Agreement. Notice of call for redemption of Series 1971 Bonds shall be given in the manner provided in the Trust Agreement.

(f) Place of Payment and Paying Agents. The principal, interest and any redemption premium on the Series 1971 Bonds in coupon form, other than principal of or any redemption premium on coupon bonds registered as to principal, shall be payable at the office of the Trustee, or, at the option of the holder at the office of the Chemical Bank, New York, New York. The principal of and any redemption premium on registered Series 1971 Bonds shall be payable at the office of the Trustee and the interest on fully registered Series 1971 Bonds shall be payable by check or draft, as provided in the Trust Agreement.

(g) Execution. The Series 1971 Bonds and the coupons pertaining thereto shall be executed in the manner provided in the General Bond Resolution.

(a) General. The Series 1971 Bonds shall be offered for sale, by advertisement, to the highest bidder based on the lowest interest cost determined as hereafter described, at such time, in such manner and on such terms as determined by the Fiscal Officer of the University, and may be awarded by the Fiscal Officer as provided in this Section.

(b) Notice of Sale and Official Statement. Notice of Sale of the Series 1971 Bonds, over the name of the Fiscal Officer on behalf of the University, shall be given in such manner determined by the Fiscal Officer, provided that such notice shall be published at least once, not less than ten calendar days before the date for receipt of bids, in The Daily Bond Buyer. Such Notice of Sale shall set forth the terms pertaining to the bids and other terms and conditions of the sale of the Series 1971 Bonds as the Fiscal Officer shall determine, provided that the purchase price therefor shall not be less than par plus accrued interest and the highest single interest rate that may be bid

may not exceed 7% or such lower rate as may be prescribed in the Notice of Sale. The Fiscal Officer may also cause to be prepared and printed and shall sign an official statement of the University setting forth appropriate information pertaining to the University and to the Series 1971 Bonds, in sufficient number for distribution to prospective bidders.

(c) Award. Unless all bids are rejected, the Fiscal Officer, acting on behalf of the University, shall award the Series 1971 Bonds to the highest bidder therefor based on the lowest interest cost to absolute maturity, such lowest interest cost to be determined by taking the aggregate amount of interest to the several maturity dates of the Series 1971 Bonds at the rate or rates specified and deducting therefrom the amount of the premium offered, if any. The cost of printing the Series 1971 Bonds shall not be considered in determining the lowest interest cost. Such award shall be made by a certificate of the Fiscal Officer, herein called the “Certificate of Award”, which shall identify the successful bidder (called “Original Purchaser” in this Resolution and the Trust Agreement), the interest rate or rates, and such other data or provisions as the Fiscal Officer determines consistent with this Resolution and the Trust Agreement. The Certificate of Award shall be incorporated in and form a part of the Supplemental Trust Agreement authorized by Section 9 hereof.

Section 6. Allocation of Proceeds of Series 1971 Bonds. All of the proceeds from the sale of the Series 1971 Bonds shall be received and receipted by the Fiscal Officer, and shall be allocated, deposited and credited as follows:

(a) To the Bond Service Account in the General Receipts Bond Service Fund, the portion of such proceeds representing accrued interest and premium, if any;

(b) To the 1971 University Facilities Project Construction Fund (hereinafter called the “1971 Construction Fund”) hereby established, the balance of the proceeds from the sale of the Series 1971 Bonds; provided, however, appropriate portions of the proceeds may, instead of such deposit to the 1971 Construction Fund, be paid at the option of the University, directly to the obligees of the University, or to the University for prompt payment to such obligees, in the amounts necessary to retire the Outstanding Notes.

Any unexpended proceeds from the Outstanding Notes shall be deposited to the credit of the 1971 Construction Fund except to the extent applied to retire the Outstanding Notes and to pay interest thereon.

2. Resolution Providing for the Authorization, Issuance and Sale of $4,500,000 General Receipts Bonds, Series 1971, of The Ohio State University, Dated as of June 1, 1971, Pursuant to Trust Agreement Dated as of June 1, 1971 (continued)

The 1971 Construction Fund hereby established shall be held by the University in a separate deposit account or accounts (except when invested as hereinafter provided) set up in a bank or banks that are members of the Federal Deposit Insurance Corporation, and used to pay costs of the Series 1971 University Facilities Project that constitute “costs of University Facilities” as defined in the General Bond Resolution (herein called “Series 1971 Project Costs”) and to retire the Outstanding Notes.

The Fiscal Officer shall apply the 1971 Construction Fund pursuant to the provisions of this Section 6 to the payment of the Series 1971 Project Costs. Any payment to be made with respect to an obligation under a construction contract relating to the Project shall be made only upon certification by a qualified architect or engineer that such payment is due under such contract. The moneys to the credit of the 1971 Construction Fund shall, pending application thereof as above set forth, be subject to a lien and charge in favor of the holders of the Series 1971 Bonds and the University covenants that it will not cause or permit to be paid from said Fund any funds except in compliance with the provisions of this Resolution and the Trust Agreement.

Moneys on deposit in the 1971 Construction Fund may be invested by or at the direction of the Fiscal Officer in eligible investments, as defined in the General Bond Resolution maturing or redeemable at the option of the holder prior to the time needed for the purposes hereof. Such investments and the proceeds of sale thereof shall constitute part of the 1971 Construction Fund, and earnings from any such investments shall be deposited in said Fund. The said investments may be sold, exchanged or collected from time to time by or at the direction of the Fiscal Officer.

Any balance remaining in the 1971 Construction Fund after payment of costs described in this section shall be promptly transferred to the Bond Service Reserve Account in the Bond Service Fund.

Section 7. Additional Covenants.

(a) The Project has been completed and the University hereby finds and determines that the encumbrances for and expenditures representing Series 1971 Project Costs have been made, and that all of the proceeds from the sale of the Series 1971 Bonds will be needed to retire the Outstanding Notes, and hereby directs the appropriate officers to apply such proceeds thereto at the earliest practicable date. The University covenants that in no event shall the proceeds of the 1971 Bonds be invested or used in such manner that any of said bonds would be “arbitrage bonds” for purposes of Section 103(d)(1) of the Internal Revenue Code of 1954.

2. Resolution Providing for the Authorization, Issuance and Sale of $4,500,000 General Receipts Bonds, Series 1971, of The Ohio State University, Dated as of June 1, 1971, Pursuant to Trust Agreement Dated as of June 1, 1971 (continued)

Section 8. Funding of Required Reserve. In accordance with and consistent with clause (2)(i) of Section 7(b) of the General Bond Resolution, the portion of the Required Reserve necessitated by reason of the Series 1971 Bonds including the interest rates as set forth in the Certificate of Award shall be funded as provided in this Section 8. At least five business days before December 1, 1971, and before each of the nine semi-annual interest payment dates on June 1 and December 1 thereafter, the University shall pay over to the Trustee from the Bond Pledge Fund and, if necessary, from any other General Receipts of the University, to the credit of the Bond Service Reserve Account, at least one-tenth of such portion of the Required Reserve. Such payments to the Trustee shall, subject to clause (2)(iii) of Section 7(6) of the General Bond Resolution, continue at the times and in the amounts aforesaid until the aforesaid portion of the Required Reserve is fully funded.

Section 9. First Supplemental Trust Agreement. The Chairman of the Board, the President of the University, the Secretary of the Board, and the Fiscal Officer, or any one or more of them are authorized and directed to execute, acknowledge and deliver to the Trustee, in the name of and on behalf of the University, a First Supplemental Trust Agreement pursuant to the Trust Agreement and in connection with the issuance of the Series 1971 Bonds, in substantially the form submitted to this Board with such changes therein not substantially adverse to the University as may be permitted by the Act and the Trust Agreement and approved by the officer or officers executing the same on behalf of the University. The approval of such changes, and that such changes are not substantially adverse to the University, shall be conclusively evidenced by the execution of the First Supplemental Trust Agreement by such officer or officers.

Upon motion of Mr. Shocknessy, seconded by Mr. Harrod, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

C. Report on the University's Investment Portfolio

The report dated May 6, 1971, as submitted to the Finance and Investment Committee of the Board of Trustees by Vice President Gordon B. Carson pertaining to the University's Investment Portfolio, was received and ordered to be filed with the official records of the Board of Trustees.
D. **President's Report on Recommended Procedure to be Used in the Selection of a President of The Ohio State University**

President Novice G. Fawcett made the following recommendations:

In responding to a request made of me by the Board of Trustees at its special meeting on March 15, 1971, to suggest a procedure that might be followed in the selection of a President of The Ohio State University, I have taken the following steps:

1. Reviewed the Statutes in the General Code of Ohio that are relevant to this matter.
   
   (Section 3335.09: The Board of Trustees of The Ohio State University shall elect, fix compensation of, and remove, the President and such number of professors, teachers, and other employees as are necessary; . . . )

2. Examined the By-Laws of the Board of Trustees.
   
   (Article III, Section 2: The President shall be the chief executive officer of The Ohio State University and shall be responsible for the entire administration of the University, subject to the control of the Board of Trustees. . . . )

3. Examined the literature on the subject of selecting presidents of colleges and universities.

4. Reviewed the procedure used by The Ohio State University in 1955.

5. Consulted with several members of the faculty, the student body and of the staff of the University.

6. Reviewed suggestions and proposals that have been forwarded to me by interested individuals and organizations.

As a result of the above experiences and drawing somewhat on my own knowledge of this problem, it is clear to me that the Board of Trustees of The Ohio State University should have a consultative committee to advise in the selection of a President. While the Board of Trustees cannot and should not abdicate its responsibility for the ultimate decision, it is important to have advice from the constituent elements of the University. Further, it is important that a technique be developed for a constant liaison between the committee and the Board of Trustees to accommodate, as nearly

XI. REPORTS (continued)

D. President's Report on Recommended Procedure to be Used in the Selection of a President of The Ohio State University (continued)

President Fawcett's recommendations (continued)

As possible, the concerns of the various constituent elements of the University and to try to assure a sound and satisfactory outcome. It would be my recommendation that a Consultative Committee to Advise in the Selection of a President should be established as follows:

1. Faculty

   7 - The seven members of the Faculty Advisory Committee to the President and Board of Trustees should represent the faculty in the search. (These seven people are elected by the elected members of the Faculty Council.)

2. Students

   1 - The President of the Student Assembly who will be serving during the 1971-72 academic year.
       Jerome Friedman

   1 - An undergraduate student elected by the Presidents of the eleven undergraduate College Councils. This election shall be held not later than May 14, 1971.

   1 - The President of the Council of Graduate Students who will be serving during the 1971-72 academic year.
       John Reindl

   1 - A professional student elected by the Inter-Professional Council. This election shall be held not later than May 14, 1971.

3. Alumni

   1 - The President of The Ohio State University Association who will be serving during the 1971-72 academic year.

   1 - The President of The Ohio State University Development Fund Board who will be serving during the 1971-72 academic year.
XI. REPORTS (continued)

D. President's Report on Recommended Procedure to be Used in the Selection of a President of The Ohio State University (continued)

President Fawcett's recommendations (continued)

4. Administration

1 - Dean of an undergraduate professional College who is knowledgeable in the field of undergraduate, graduate and professional administrative problems. For this assignment I suggest Dean Lloyd M. Parks of the College of Pharmacy.

5. Non-Teaching Employees

1 - One non-teaching employee who is recognized by employees for his capability, competency and interest in the University. For this assignment I suggest Mr. James C. Ervin who has been an employee of this University for twenty-five years.

1 - Professional staff representative who has an overall understanding of the University and some of its complex problems. For this assignment I suggest Mr. Madison H. Scott, Director of Affirmative Action Programs.

6. Citizen-at-Large

1 - A highly qualified citizen who understands the responsibilities of the Board of Trustees, the concerns of citizens in general and the University in particular. (I would suggest that the Chairman of the Board of Trustees whose term expires this month would be ideally suited for this role as well as for the role of Chairman of the Committee.)

The seventeen member Consultative Committee should meet at the call of the Chairman who in addition to his general duties as Chairman should be the key liaison officer to maintain constant communication between the Board of Trustees and the Committee. The Consultative Committee should address itself to the development of some general qualities expected of a President as well as suggestions concerning specific candidates. All nominations for the Presidency should be channeled through the Chairman of the Consultative Committee to the Committee including such nominations as members of the Board of Trustees may care to make.
XI. REPORTS (continued)

D. President's Report on Recommended Procedure to be Used in the Selection of a President of The Ohio State University (continued)

President Fawcett’s recommendations (continued)

Recognizing that the Board of Trustees must be prepared to exercise the authority to make a final decision, it is suggested that the Consultative Committee receive nominations and screen candidates with the idea in mind of suggesting to the Board of Trustees by November 12, 1971, a list of five people who might then be given appropriate consideration by the Board. The target date for a final decision should be March, 1972, but no later than April, 1972.

Mr. Shocknessy made the following statement:

I would like to say that the report is typical of the President's thoughtful, painstaking attention to every task that has been his through the years of his service. The report envisions a Search Committee, broad in representation of constituencies, well constructed in the selection of the persons to represent the constituencies, and without further analysis I will move the acceptance, approval, and adoption of the report, including all of its suggestions. I want the resolution to include the approval of the Honorable John G. Ketterer, retiring Chairman of this Board as the Chairman of the Committee, with the authority to use such assistance from the University staff and administration as he needs and as the President has very wisely offered.

Further, the Secretary is hereby directed to take all appropriate steps to effectuate it and to notify those persons who are intended to be members of the Committee and to determine whether or not they are willing to serve. The Chairman will advise as to schedule.

Mr. Hilliker seconded the motion to adopt the foregoing report of the President and the resolution by Mr. Shocknessy. The Board of Trustees approved the foregoing report and Mr. Shocknessy’s resolution by unanimous roll call vote.
May 7, 1971 meeting, Board of Trustees

XII. MR. SHOCKNESSY'S ACCEPTANCE OF THE CHAIRMANSHIP

Mr. Shocknessy asked for permission to make the following statement:

Before we adjourn, I want to offer my expressions of gratitude to the members of the Board for electing Mr. Hilliker, Dr. Moulton and me to the offices of the Board. I give my assurance that I am mindful of the responsibility which devolves upon us. I am mindful also that the act we follow is a hard act with which to compete. We have had a very competent, able and self-sacrificing Chairman these past two years and it has been a joy as well as a meaningful experience to serve with him.

This Board over the generations has been composed of men and women who have made contributions in great measure to the State and Nation. Many of their contributions began here.

I want to say that my purpose as Chairman of this Board will be to strive for excellence. It has always been the purpose of this University to strive for excellence and that purpose will get worship from those of us whom you have elected today. And finally, I want to assure the administration, faculty, and students that we hope to understand the concerns of all and in fulfillment of the responsibility you have placed upon us we shall give every ounce of strength that we have.

XIII. RECOGNITION OF JOHN G. KETTERER, RETIRING CHAIRMAN OF THE BOARD OF TRUSTEES

President Fawcett spoke as follows:

For fifteen years I have been fortunate enough to work with a considerable number of distinguished people on this Board. Not one is presently on the Board who was here when I came. There have been many in the interim. I suppose you really cannot expect one in a role like mine not to remember the manner in which each person on this Board has made his contribution.

John Ketterer was a name I did not know when he was named to the Board of Trustees--I read his name in the newspaper. I am certain that he had no knowledge of me either except what he read in the newspaper. But he has now served for eight years on this Board and the last two as Chairman, an honor that has not fallen to many people. I can honestly say that during the whole period of his tenure no one who really knew him could challenge his integrity, his dedication, and his sense of fair play within the context of whatever the problem may have been at any moment. He became not only a great Chairman of this Board, but a good friend of all people at this University. You have watched him perform as Chairman and while you may or may not have agreed with him on occasion, you must admit that he always has kept his eye on the purpose of the meeting and has dispatched his responsibility as Chairman fully within the

rules, regulations and bylaws of this institution. I respect and admire him and have great personal affection for him. He is one of those unique people who has the ability to go to the root of a problem and come up with the best possible solution that can be found. I want to culminate my remarks by "graduating" him this afternoon. We have a plaque for you. (See page 506.)

Mr. Ketterer responded as follows:

Thank you very much President Fawcett for the kind things you have said and you, too, Jim Shocknessy. I am sure I do not merit half of those remarks. I have done what I thought was best in a given situation. Ohio State is in my blood. My father was a graduate of one of the first several classes of the Ohio State Law School. My sister graduated here, I graduated here, my brother died while a student here, and I currently have a son enrolled here.

You may be sure that when I jump from the frying pan into the fire as it would appear that I am about ready to do, that I shall make every effort to do what I termed once before a "virtually insurmountable job," to find a fitting successor to Novice Fawcett whose dedicated service to this University has been far and beyond the requirements of duty. It is with some hesitation and with full knowledge of the responsibility that I am going to take over the task you have so kindly given me today and you may be sure I will do my best in serving as Chairman of this Search Committee.

Thereupon the Board adjourned to meet Friday, June 4, 1971, at The Ohio State University, Columbus, Ohio, at 3:00 p.m.

Attest:

Revisions in Rules 11. 1305, 29. 2705, and 35. 07
of Rules for the University Faculty

The Faculty Council on April 13, 1971, approved revisions in Rules 11. 1305, 29. 2705, and 35. 07 of Rules for the University Faculty. The text of the Rules as revised is as follows:

11. 1305. Director of Libraries.

The Director of Libraries shall be appointed by the Board of Trustees upon nomination of the President. Before making his nomination the President shall confer with the Vice President for Educational Services who, in turn, shall confer with representatives of the faculty of the University Libraries and with the Library Council.

The Director of Libraries shall have the responsibility and authority for administering the University libraries under his jurisdiction. In the discharge of his duties he shall be guided by the policies established by the Library Council (see Rule 29. 2705). He shall report to the President through the Vice President for Educational Services.

Without limiting the generality of the foregoing, he shall evaluate continuously the administrative and operating practices of the University libraries under his jurisdiction and lead in the study of methods in improving them; recommend appointments, promotions and dismissals under the rules of the University; and prepare for the approval of the Vice President for Educational Services, annual recommendations for the budgets for personnel and for library materials.

29. 2705. The Library Council.

Section 4. The Library Council is responsible for advising the Vice President for Educational Services on the appointment of a Director of Libraries.

- o -

35. 07. Marks.

PA/NP - Pass/Non-Pass. This grading pattern may be chosen for

(a) any or all of the University required courses (31. 0701, 31. 0703) of Physical Education, Health Education, and National Defense Studies.

(b) an additional maximum of 15 hours of work.

The 15 hours noted in "b" above is confined to undergraduate students enrolled in a degree-granting college, or the Division of Continuing Education, who have an accumulated point-hour ratio of 2.0 or higher. In addition, courses required or specified as required electives in the curriculum leading to the degree for which a student is a candidate may not be taken on a Pass/Non-Pass basis.

The Board of Trustees met at its regular monthly meeting on Friday, June 4, 1971, at The Ohio State University, Columbus, Ohio, pursuant to adjournment.

Present: James W. Shocknessy, Chairman, Don M. Hilliker, John H. Dunlap, M. Merle Harrod, Robert S. Dorsey, and John L. Gushman.

Minutes of the last meeting were approved.
June 4, 1971 meeting, Board of Trustees

REPORT BY CHAIRMAN

A. Appointment of New Trustee

Mr. Shocknessy stated that he had conferred with Governor Gilligan concerning the appointment of a new member to the Board of Trustees. He said that the Governor had expressed the hope that he would be able to make an appointment to this Board very soon. Mr. Shocknessy further said the Governor said he had hoped to make the appointment this week but because of some complicating circumstances was unable to do so.

B. Appointment of Committees for 1971-1972

Mr. Shocknessy announced the appointments to the various Committees and Boards for the 1971-1972 academic year. He stated that he had previously conferred with all of the members concerning their service on these Committees and Boards and that they had indicated their willingness to serve in these various capacities.

B. Appointment of Committees for 1971-1972 (continued)

The Chairman noted that a vacancy remains on the Retirement and Insurance Committee and on the Development Fund Board of Directors and that these vacancies would remain until after the appointment of a new member to the Board.

The Board of Trustees by a voice vote approved the appointments with one abstention, that of Mr. Dorsey whose appointment, pursuant to the By-laws of the Development Fund Board, constituted an election.

C. Report on Consultative Committee to Advise in the Selection of a President

Mr. Shocknessy made the following report:

One of the most important matters that this Board has to consider in the ensuing year is the matter of the choice of a President. At the last meeting, this Board accepted a recommendation from the President to appoint a Search Committee. We named as Chairman of that Search Committee the retiring Chairman of the Board of Trustees. I have assessed with Mr. Ketterer since our last Board meeting the procedures which will be followed in the search for a new President. I should like to review with you at this time the progress which has been made on this most important matter.

First, I shall mention by name the membership of the Committee so that it will be a matter of record.

The Committee is composed of 17 members and is constituted as follows:

Faculty Advisory Committee to the President and Board of Trustees

Dr. Mars G. Fontana
Dr. Grant O. Graves
Dr. Roy A. Larmee
Dr. Arthur W. Leissa
Professor Leo D. Stone

The two remaining members of the Faculty Advisory Committee will be chosen at the Faculty Council meeting on June 8.

Mayer, formerly Secretary to Dr. Lloyd Evans in the Office of Academic Affairs, has been designated as Secretary.

An office for the Committee has been established in Suite 93 A-B-C in the Center for Tomorrow. Two telephones have been installed--422-9112 and 422-4340; the office is equipped and occupied.
C. Report on Consultative Committee to Advise in the Selection of a President (continued)

The Chairman read the letter which Mr. Ketterer recently sent to the members of this Committee announcing the first meeting for June 15, 1971, at 10:30 a.m., in Room 4 at the Center for Tomorrow.

June 3, 1971

Dr. Roy A. Larmee
305 Ramseyer Hall

Campus

Dear Dr. Larmee:

You were named as a member of the Consultative Committee to advise in the selection of a President by the Board of Trustees of the University. I was selected as Chairman of that Committee.

While it may appear that the projected date of our President's retirement is sometime in the future, the day will arrive all too soon.

This Committee is committed to a program of having a recommendation or recommendations to make to the Board of Trustees of a candidate or candidates by some date in November 1971. It seems to me, therefore, that we should commence our operation without too much delay.

Accordingly, as your Chairman, I would like the first Committee meeting to take place on June 15, 1971 at 10:30 a.m. in Room 4 of the Center for Tomorrow. It is my expectation that this meeting will be largely devoted to working out a procedural program.

To facilitate the operation of the Committee, I have obtained the loan of a staff secretary from the University, Miss Sue Mayer; an Executive Secretary, Professor Emeritus Samuel Folk; and Executive Offices in the Center for Tomorrow, Rooms 93-A, B, and C. The telephone number will be 422-9112.

As a means of informally introducing the members of the Committee to each other, I have procured a biographical sketch of each new member of the Committee as of this date, a copy of which I am herewith enclosing.

In conclusion Mr. Shocknessy made the following statement:

I have advised the Chairman of the Search Committee that he will be welcome to come to the meetings of our Board and make a progress report at any or every meeting as he chooses. I have told him also I will make myself available to the Chairman of the Search Committee and to the Search Committee at its pleasure. I want once again to commend the President for the excellent job he did in recommending to us a program for the Search Committee. As I mentioned at the last meeting of this Board, the Search Committee is structured to recognize all constituencies of the University. As we go forward in the process of the selection, we shall be amenable to advice and suggestions. We have all worked with Mr. Ketterer for many years, and we know the strength of purpose and the brilliance of intellect Mr. Ketterer possesses. I am sure Mr. Ketterer and the Search Committee with such help as we can give will produce recommendations which will be satisfactory and which will eventually offer a President to this University who will do it great glory in the tradition of Novice Fawcett and his predecessors.
President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Revisions of Rules 35.07 and 49.03 of Rules for the University Faculty

On May 11, 1971, the Faculty Council approved changes in Rules 35.07 and 49.03 of Rules for the University Faculty to authorize the Council on Academic Affairs to have responsibility for hearing requests for waiver of University graduation requirements (replacing the Committee on Student Standing and Faculty Council).

President Fawcett recommended that the foregoing revisions in the Rules for the University Faculty as shown in Appendix X, page 545, be approved.

Upon motion of Mr. Hilliker, seconded by Mr. Dorsey, the Board of Trustees approved the foregoing recommendation by unanimous voice vote, and the Secretary of the Board of Trustees was further instructed and given authority to make the foregoing changes in the Rules for the University Faculty.

B. Degrees and Certificates Conferred--Spring Quarter Commencement

President Fawcett recommended that degrees and certificates be conferred at the Spring Quarter Commencement Convocation on June 11, 1971, to those students who have completed the requirements for their respective degrees and certificates and are recommended by the Faculty Council. The names of those awarded degrees and certificates will be included in the minutes of this meeting. (See Appendix XI, page 549.)

Upon motion of Mr. Gushman, seconded by Mr. Hilliker, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

C. Honorary Degree

President Fawcett recommended under Section 3, Rule 11.05, and after consultation with the Faculty Advisory Committee to the President and the Board of Trustees, that the honorary degree, Doctor of Science, be conferred on Neil A. Armstrong, at the June 11, 1971 Commencement.

Upon motion of Mr. Harrod, seconded by Mr. Dorsey, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

D. Modified Interpretation of Residency Rule

In recognition of and consistent with The Ohio State University's policies of equality of opportunity, President Fawcett recommended that women be afforded total equality in the application of rules for the determination of

D. Modified Interpretation of Residency Rule (continued)

residency for fee purposes and that regardless of marital status, women are to be considered for residency under the rules and policies applicable to individuals. Upon adoption of this clarification of policy, the Secretary is directed to seek from the Board of Regents the modification of its Rule 2. D. 6 so as to enable the University to effect the deletion of Section 3. c of the Rules Governing Non-Resident Status as printed in The Ohio State University Bulletin.

Upon motion of Mr. Harrod, seconded by Mr. Dunlap, the Board of Trustees approved the above recommendation by unanimous voice vote.

E. Establishment of the International Nickel Professorship in Corrosion Science and Engineering

Pursuant to the conditions set forth for the establishment of a "Named Professorship," as approved by the Board of Trustees at its January 14, 1965 meeting, President Fawcett recommended that the International Nickel Professorship in Corrosion Science and Engineering be established in the Department of Metallurgical Engineering at The Ohio State University.

Support for this professorship and related programs will be provided by the International Nickel Company, Incorporated, at an annual rate of $25,000. In presenting an initial contribution of $25,000 the International Nickel Company, Incorporated, expressed the wish that their contribution be used for the combined purposes of funding a "Named Professorship" and supporting programs in corrosion science and engineering.

Upon motion of Mr. Dorsey, seconded by Mr. Gushman, the Board of Trustees approved the above recommendation by unanimous voice vote.

II. PERSONNEL CHANGES

President Fawcett recommended that all personnel changes since the May 7, 1971 meeting of the Board, as recorded in the official "Salary Roll" of the University, be approved by the Board. These changes include the following Resignation, Change in Administrative Responsibility, Appointments, Leave of Absence With Salary, Leaves of Absence Without Salary, and Emeritus Titles.

A. Resignation

James A. Robinson will resign his position as Provost and Vice President for Academic Affairs, so that he might accept the Presidency of Macalester College at St. Paul, Minnesota, effective August 1, 1971.
II. PERSONNEL CHANGES (continued)

B. Change in Administrative Responsibility

Albert J. Kuhn from Professor and Chairman of the Department of English to Acting Provost and Acting Vice President for Academic Affairs, effective August 1, 1971, at a salary of $33,648.00 per annum. To further assist in effecting the necessary transition of this responsibility, Dr. Kuhn will be appointed Associate Provost for the month of July, 1971.

C. Appointments

John P. Nelson, Assistant Vice President for Housing - Office of Business and Finance, effective July 1, 1971, at a salary of $25,128.00 per annum.

William H. Watson, Jr., Associate Dean of University College, effective July 1, 1971, at a salary of $25,128.00 per annum. He will hold an appointment as Professor in the Department of Agricultural Education and Coordinator of Orientation and Counseling in the Office of Minority Affairs at No Salary.

John A. Walker, Professor in and Chairman of the Department of Theatre, effective July 1, 1971, at a salary of $24,528.00 per annum.

D. Leave of Absence With Salary

In accordance with the policy approved by the Board of Trustees on April 11, 1954, the following-named person was recommended for Leave of Absence With Salary from the Cooperative Extension Service for the period indicated:

Clair W. Young, Instructor (Assistant State Leader, 4-H), effective June 16, 1971 through June 30, 1971, to participate in a program of professional improvement at The Ohio State University.

E. Leaves of Absence Without Salary

Leon M. Dorfman, Professor and Chairman, Department of Chemistry, effective October 1, 1971 through December 31, 1971, to accept a Guggenheim Fellowship at the Royal Institution, London, England.

Glenn Neil Patton, Professor, Division of the History of Art, effective October 1, 1971 through September 30, 1972, to teach at Trinity University, San Antonio, Texas.
June 4, 1971 meeting, Board of Trustees

II. PERSONNEL CHANGES (continued)

E. Leaves of Absence Without Salary (continued)

Guenther H. Ceelen, Assistant Professor, Department of Pathology, effective July 1, 1971 through September 30, 1971, for personal reasons.

Irwin S. Pressman, Assistant Professor, Department of Mathematics, effective October 1, 1971 through September 30, 1972, to teach at Carleton University, Ottawa, Canada.

Lois Fey Waters, Assistant Professor, School of Nursing, effective October 1, 1971 through December 31, 1971, for personal reasons.

Arthur Joseph Warner, Instructor (County Extension Agent, 4-H) Mahoning County, Cooperative Extension Service, effective July 1, 1971 through September 30, 1971, to participate in a program of professional improvement at North Carolina State University.

Peggy C. Wilson, Instructor, School of Allied Medical Professions, effective July 1, 1971 through August 31, 1971, for personal reasons.

F. Emeritus Titles

Leonard O. Andrews, College of Education, with the title Professor Emeritus, effective July 1, 1971.

Viola M. Cassidy, College of Education, with the title Professor Emeritus, effective July 1, 1971.

Florence Fogle, School of Health, Physical Education and Recreation, with the title Professor Emeritus, effective July 1, 1971.

Daisy H. Secrest, Cooperative Extension Service, with the title Instructor Emeritus, effective June 1, 1971.

David Barnes, a student, requested permission to make a statement concerning one of the recommended appointments. The Chairman upon inquiry of the student and the President determined such a statement would be inappropriate during the course of the business meeting. However, the Chairman did express the willingness of the Board to hear Mr. Barnes' statement at the conclusion of the meeting.

Upon motion of Mr. Harrod, seconded by Mr. Dorsey, the Resignation, Change in Administrative Responsibility, Appointments, Leave of Absence With Salary, Leaves of Absence Without Salary, Emeritus Titles, and personnel budget actions as recorded in the official "Salary Roll" of the University were approved by unanimous roll call vote, and the Secretary was instructed to file these changes in the "Salary Roll," an official document of the University.

In accordance with the Memorandum of Agreement between The Ohio State University and The Ohio State University Research Foundation approved by this Board on April 11, 1968, the President recommended that the following projects administered through the Research Foundation be approved and recorded in the minutes of this meeting.

1. Government Research Contracts - Federal

      Gross Value - $23,000.00.

   b. Department of Army, U. S. Army Research and Development Command, Washington, D. C., Studies in Piloting Performance Under Stress (to be known as Project No. 1857 - Mod. #12 - Department of Preventive Medicine).
      Gross Value - $29,428.00.

      Gross Value - $214,973.00.

   d. U. S. Atomic Energy Commission, Chicago Operations Office, Argonne, Illinois, Theoretical and Experimental Aspects of Selection as Applied to Biological Groups (to be known as Project No. 2592-C - Mod. #2-2 - Department of Genetics).
      Gross Value - $12,750.00.
June 4, 1971 meeting, Board of Trustees

III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS

A. The Ohio State University and
   The Ohio State University Research Foundation

   1. Government Research Contracts - Federal (continued)

   e. U. S. Atomic Energy Commission, Chicago Operations Office,
      Argonne, Illinois, Electrotransport in Liquid Metals (to be known
      as Project No. 2818-B - Mod. #1-1 - Department of Metallurgical
      Engineering).
      Gross Value - $37,005.00.

   f. U. S. Atomic Energy Commission, Chicago Operations Office,
      Argonne, Illinois, Plastic-Strain Controlled Failure Criteria and
      Design Parameters (to be known as Project No. 2840-A - Mod. #2
      - Department of Metallurgical Engineering).
      Gross Value - $75,000.00.

   g. Department of Air Force, Air Force Systems Command, Aero-
      nautical Systems Division, Wright-Patterson Air Force Base, Ohio,
      Transpiration Cooling (to be known as Project No. 2977 - Mod.
      #00005 - Department of Mechanical Engineering).
      Gross Value - $12,500.00.

   h. Department of Navy, Office of Naval Research, Arlington, Virginia,
      Contract Administration (to be known as Project No. 3164-A1 - Mod.
      #002 - College of Administrative Science, Division of Continuing
      Education).
      Gross Value - $51,377.00.

   i. Rome Air Development Center, Griffiss Air Force Base, New York,
      Photogrammetric Range Exploitation (to be known as Project No.
      Gross Value - $56,131.00.

   j. Department of Army, Office of Civil Defense, Contract Division,
      Washington, D. C., Regional Procurement Training (to be known
      as Project No. 3212-A1 - New - College of Administrative Science,
      Division of Continuing Education).
      Gross Value - $6,000.00.

   k. Department of Navy, U. S. Naval Weapons Laboratory, Dahlgren,
      Virginia, Computation of the Radiation Patterns of an Offset Fed
      Parabola (to be known as Project No. 3220-A1 - New - Department
      of Electrical Engineering).
      Gross Value - $14,251.00.
June 4, 1971 meeting, Board of Trustees

III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

1. Government Research Contracts - Federal (continued)

      Gross Value - $32,850.00.

   TOTAL - Government Research Contracts - Federal $565,265.00

2. Industrial and Other Research Contract

   a. McDonnell Douglas Astronautics Company, Western Division, Santa Monica, California, Data Analysis in Electrostatic Probe Research (to be known as Project No. 3215-A1 - Department of Aeronautical and Astronautical Engineering).
      Gross Value - $3,600.00.

   a. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Eye Institute, Bethesda, Maryland, Tracing Photoreceptor Activity Within the Retina (to be known as Project No. 782-K - Ext. #11 - Department of Biophysics).
      Gross Value - $19,483.00.

   b. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Heart and Lung Institute, Bethesda, Maryland, Distribution and Metabolism of Labeled Digitaloids (to be known as Project No. 1451-J - Ext. #9 - Department of Pharmacology).
      Gross Value - $42,254.00.

   c. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Cancer Institute, Bethesda, Maryland, Synthesis and Separation of Carcinogenic Compounds (to be known as Project No. 1809-F - Ext. #7 - Department of Chemistry).
      Gross Value - $22,067.00.

   d. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Eye Institute, Bethesda, Maryland, Mesencephalic Receptive Fields (to be known as Project No. 1881-F - Rev. Award Dated 4/19/71 - College of Optometry).
      Gross Value - $388.00.
III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

3. Government Research Grants - Federal (continued)

   g. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Heart and Lung Institute, Bethesda, Maryland, Optical Isomers of Amines on Nerve Granules (to be known as Project No. 2753-B - Ext. #2 - College of Pharmacy). Gross Value - $9,459.00.

   h. National Science Foundation, Washington, D. C., Nuclear Physics Research with a 5.5 MeV Van de Graaff Accelerator (to be known as Project No. 2759 - Amend. #3 - Department of Physics). Gross Value - $165,000.00.

   i. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Eye Institute, Bethesda, Maryland, An Ocular Fundus Anomaly (to be known as Project No. 2771-B - Rev. Award Dated 4/19/71 - Department of Veterinary Clinical Sciences). Gross Value - $1,113.00.

   k. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Institute of Neurological Diseases and Stroke, Bethesda, Maryland, Catechol-O-Methyltransferase and Adrenergic Drugs (to be known as Project No. 2837-B - Ext. #2 - College of Pharmacy). Gross Value - $12,906.00.
III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and
   The Ohio State University Research Foundation

3. Government Research Grants - Federal (continued)

1. National Aeronautics and Space Administration, Langley Research Center, Hampton, Virginia, Flush-Mounted Antennas Radiating Through Dielectric-Covered Curved Surfaces (to be known as Project No. 3001-A1 - Sup. #2 - Department of Electrical Engineering).
   Gross Value - $6,000.00.

m. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Institute of Neurological Diseases and Stroke, Bethesda, Maryland, Stereochemical Studies of Adrenergic Drugs (to be known as Project No. 3034-A2 - Ext. #1 - College of Pharmacy).
   Gross Value - $8,664.00.

n. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, Division of Research Resources, Bethesda, Maryland, Biomedical Sciences Support Grant (to be known as Project No. 3053-A2 - Ext. #1 - Office of Research and Sponsored Programs).
   Gross Value - $63,021.00.

   Gross Value - $34,223.00.

p. National Aeronautics and Space Administration, Goddard Space Flight Center, Greenbelt, Maryland, The Direct Combination of Satellite and Gravity Data (to be known as Project No. 3210-A1 - New - Department of Geodetic Science).
   Gross Value - $30,000.00.

   Gross Value - $50,933.00.

r. National Science Foundation, Washington, D. C., Grothendieck Ring of Quadratic Forms Over Dedekind Domains (to be known as Project No. 3222-A1 - New - Department of Mathematics).
   Gross Value - $5,000.00.
III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and

      bb. National Science Foundation, Washington, D. C., Ecological
          Studies in the Galapagos Islands (to be known as Project No.
          Gross Value - $32,000.00.

          Service, National Institutes of Health, Bureau of Health Manpower
          Education, Division of Nursing, Bethesda, Maryland, A Study of
          the Communicative Interaction Process (to be known as Project No.
          3235-A1 - New - School of Nursing).
          Gross Value - $133,496.00.

          Service, National Institutes of Health, National Heart and Lung
          Institute, Bethesda, Maryland, Aortic Function (to be known as
          Project No. 3236-A1 - New - Department of Physiology).
          Gross Value - $20,336.00.

      ee. National Science Foundation, Washington, D. C., Dynamics of
          Insect-Mediated Breeding Systems in Angiosperms (to be known as
          Gross Value - $15,400.00.

      ff. National Science Foundation, Washington, D. C., H-Spaces map
          and H-Spaces of Low Rank (to be known as Project No. 3239-A1 -
          New - Department of Mathematics).
          Gross Value - $5,800.00.

      gg. National Science Foundation, Washington, D. C., Graph Connectivity
          (to be known as Project No. 3240-A1 - New - Department of
          Mathematics).
          Gross Value - $5,000.00.

      hh. National Science Foundation, Washington, D. C., Early German
          Medical and Chemical Words (to be known as Project No. 3241-A1 -
          New - Department of German).
          Gross Value - $32,300.00.

TOTAL - Government Research Grants - Federal $1,035,392.00
June 4, 1971 meeting, Board of Trustees

III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and
   The Ohio State University Research Foundation

4. Industrial and Other Research Grants
   a. The Regents of the University of Wisconsin, Madison, Wisconsin,
      Drug Evaluation Program of the CCNSC in the Central Region,
      USA (to be known as Project No. 1395 - Checks Nos. C0037-682,
      C0037-683, C0037-684, C0828-746, C0847-877, and C0847-878 -
      Department of Surgery).
      Gross Value - $1,544.18.

   b. Robert A. Taft Water Research Center, Water Quality Office,
      Environmental Protection Agency, Cincinnati, Ohio, Automated
      System for Water Pollution Control from an Animal Production
      Unit (to be known as Project No. 2980 - Sup. #1 - Department of
      Agricultural Engineering).
      Gross Value - $6,545.00.

   c. Abbott Laboratories, Ross Laboratories Division, Columbus,
      Ohio, A Single Dose Study of a New Drug (to be known as Project
      No. 3175-A1 - Sponsor Letter Dated 4/30/71 - Department of
      Preventive Medicine).
      Gross Value - $6,871.00.

   d. Ohio Law Enforcement Planning Agency, Department of Urban
      Affairs, Columbus, Ohio, Program for the Study of Crime and
      Delinquency (to be known as Project No. 3178-A1 - New - College
      of Administrative Science, Division of Public Administration).
      Gross Value - $115,115.00.

   e. American Iron and Steel Institute, New York, New York, Com-
      position of Passive Films (to be known as Project No. 3221-A1 -
      New - Department of Metallurgical Engineering).
      Gross Value - $20,000.00.

TOTAL - Industrial and Other Research Grants $193,075.18

Upon motion of Mr. Dunlap, seconded by Mr. Hilliker, the research agreements
between The Ohio State University and The Ohio State University Research Found-
dation for the above contracts and grants were approved by unanimous voice
vote.

(Grant No. 5 T01 GM01949-03)

16. $30,489.00 granted by State Department of Education, Division of Vocational Education, Columbus, Ohio, to the University for "Evaluation and Validation Instruments to Facilitate Program Review for Improvement, Development and Expansion of Vocational Education," under the direction of the College of Education, for the period July 1, 1970 through June 30, 1972. (Research Project 71-R-132)
June 4, 1971 meeting, Board of Trustees

IV. GRANTS AND GIFTS (continued)

A. Administered Through the Office of Business and Finance (continued)

17. $27,098.00 granted by Department of Health, Education and Welfare, Public Health Service, Bethesda, Maryland, to the University for "Physiological Psychology - Training Grant," under the direction of the Department of Psychology, for the period July 1, 1971 through June 30, 1972. (Grant No. 5 T01 MH06748-14)

18. $25,934.00 granted by Department of Health, Education and Welfare, Public Health Service, Bethesda, Maryland, 20014, to the University for "Taxonomic Study of Cariesogenic Bacteria," for a Development Award - Research Career Program, under the direction of the College of Dentistry, for the period July 1, 1971 through June 30, 1972. (Grant No. 5 K03 DE34363-05)

19. $25,263.00 granted by Department of Health, Education and Welfare, Office of Education, Washington, D. C., 20202, to the University for "Targeted Communications for Instituting Vocational Placement and Follow-Up," under the direction of the Center for Vocational and Technical Education, for the period June 1, 1971 through February 29, 1972. (Grant No. OEG-0-71-2850)

20. $25,000.00 additional grant from the Department of Transportation, National Highway Traffic Safety Administration, Office of Contracts and Procurement, Washington, D. C., 20590, to the University for an "Interdisciplinary Graduate Training Program in Highway Safety," under the direction of the Department of Industrial Engineering, for the period June 30, 1971 through June 30, 1972. (Contract No. FH-11-7357G)

21. $24,640.00 granted by Department of Health, Education and Welfare, Public Health Service, Bethesda, Maryland, to the University for "Electropharmacological Control of Cardiac Function," for a Development Award - Research Career Program, under the direction of the Department of Pharmacology, for the period July 1, 1971 through June 30, 1972. (Grant No. 5 K03 HE11929-08)

22. $23,184.00 granted by Department of Health, Education and Welfare, Public Health Service, Bethesda, Maryland, to the University for "Special Purpose Traineeship Grant," under the direction of the School of Allied Medical Professions, for the period July 1, 1971 through June 30, 1972. (Grant No. 2 A04 AH 00022-03)

23. $16,721.00 granted by Department of Health, Education and Welfare, Public Health Service, Bethesda, Maryland, to the University for "Psychiatric Social Work Doctoral and Third Year - Training Grant," under the direction of the School of Social Work, for the period July 1, 1971 through June 30, 1972. (Grant No. 5 T01 MH11981-03)
IV. GRANTS AND GIFTS (continued)

A. Administered Through the Office of Business and Finance (continued)

24. $10,280.00 granted by The Ford Foundation, New York, New York, to the University for two Advanced Study Fellowships under the direction of the Graduate School, for the year 1971-1972. (Project No. 719-0022)

25. $5,000.00 granted by The Ford Foundation, New York, New York, to the University for a Ph.D. candidate in the field of ethnic studies under the direction of the Graduate School for a one-year period beginning September 1, 1971. (Grant No. 710-0253)

TOTAL - Administered Through the Office of Business and Finance $3,115,760.00

B. Received Through The Ohio State University Development Fund

1. $22,062.50 from an anonymous donor for cancer research.

2. $13,770.87 from the Associates of Medicine, Columbus, Ohio, for their general fund.

3. $10,000.00 from International Copper Research Association, Inc., New York, New York, for a fellowship and for research in the Department of Welding Engineering.

4. $8,000.00 from Ohio 4-H Foundation, Columbus, Ohio, for the two funds which it supports.

5. $7,500.00 from The Payne Fund, Inc., Cleveland Heights, Ohio, for its communications project.

6. $5,000.00 from E. I. du Pont de Nemours & Company, Inc., Wilmington, Delaware, for eye physiology research.

7. $5,000.00 from Garwick & Ross, Columbus, Ohio, for the Center for Tomorrow Fund.

TOTAL - Received Through The Ohio State University Development Fund $71,333.37

C. Gifts-in-Kind

1. A gift of 26 cattle (one bull, sixteen cows, and nine calves) from John C. Dexter, Columbus, Ohio, for the College of Veterinary Medicine - Department of Veterinary Clinical Sciences.
IV. GRANTS AND GIFTS (continued)

C. Gifts-in-Kind (continued)

2. The Ohio State University hereby accepts an undivided ten percent interest in the surface rights of a 28.53 acre parcel of land, lying in part of the Northwest Quarter of Section 27, Township 12 North, Range 3 West, in the State of Oklahoma, from Florence O. Wilson, and subsequently authorizes the Chairman of the Board of Trustees and the Secretary of the Board to execute a special warranty deed for such interest of The Ohio State University to the State of Oklahoma and to execute a claim form for the recovery from the Oklahoma Department of Highways of $49,927.50 in payment for such transfer of interest.

D. Establishment of New Fund from Previously Reported Gift

Edith Fergus Gilmore Materials and Scholarship Fund

The Edith Fergus Gilmore Materials and Scholarship Fund was established June 4, 1971, by the Board of Trustees of The Ohio State University with gifts through The Ohio State University Development Fund from Robert H. Fergus, John C. and Elizabeth O. Fergus, in honor of their mother and mother-in-law, Edith Fergus Gilmore (Mrs. Paul L.), Columbus, Ohio.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of the University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used to assist students in the purchase of materials and the production of works of fine and applied arts, or for scholarships, as determined by the Dean of the College of The Arts.

Should the need for these scholarships or for the purchase of art materials cease to exist or so diminish as to provide unused income, or should the College of The Arts cease to exist, through any reorganization of the University, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to the recommendations of the appropriate administrative official of the University who is then directly responsible for art education and art production programs at the University.

Upon motion of Mr. Hilliker, seconded by Mr. Gushman, the acceptance of the foregoing grants and gifts and the establishment of the above-named fund were approved by unanimous voice vote, and the Secretary was instructed to include the report in the minutes of this meeting.

E. Report from The Ohio State University Development Fund

In April, 1971, the Development Fund received gifts on behalf of the University as follows:

V. EXTRA AND CREDIT ORDERS TO CONTRACTS

On July 13, 1967, the Board of Trustees authorized the Vice President for Business and Finance to approve change orders which were necessary to expedite completion of construction projects. In accordance with this authorization, all extra and credit orders to contracts which have been completed were reported:

A. University Hospital, improvements to Ventilating of 6th Floor and 8 East Nursing Stations

V. EXTRA AND CREDIT ORDERS TO CONTRACTS (continued)

B. Ohio Union - Revision of Dishwashing System (continued)

Funds for this project have been provided from the Ohio Union Operating Account.

Upon motion of Mr. Hilliker, seconded by Mr. Harrod, the above extra and credit orders to contracts and expenditure of funds were approved and the action of the Vice President for Business and Finance was ratified by unanimous roll call vote.

VI. PLANS AND SPECIFICATIONS

At the request of the Vice President for Business and Finance, President Fawcett recommended that the plans and specifications, bills of materials, and estimates of cost for the following projects be approved by the Board of Trustees:

A. Medical Academic - Area Lighting Improvements

This project provides for the installation of mercury lighting on aluminum poles with underground wiring for the sidewalks and streets adjacent to Hamilton Hall, the School of Nursing, and the Medical Sciences Building.

Funds for this project have been provided from Budget Account 124358 (Contract Repair).

B. Classroom Buildings - Installation of Fire Alarm Systems

This project provides for the installation of modern fire alarm systems in compliance with the applicable building codes in Baker Systems Engineering, Brown Hall, Electronics Engineering, Ives Hall, and Welding Engineering buildings.

Funds for this project have been provided from Budget Account 124358 (Contract Repair).

C. University Hall

This project consists of the removal of the building.

Funds for this project have been provided from Item 315-078 University Hall Complex, H. B. 531.

Upon motion of Mr. Dunlap, seconded by Mr. Harrod, the above recommendations were approved by unanimous roll call vote and the Secretary was authorized and directed to sign the plans and specifications for the above projects for and on behalf of the Board of Trustees. Vice President Carson was directed to proceed with a request for bids in the normal University manner and if satisfactory bids were received, to proceed with the award of contracts. All action regarding this matter will be reported to the Board of Trustees at a later meeting.
VII. REPORT OF AWARD OF CONTRACTS

In accordance with authorization provided by the Board of Trustees, bids were taken on the projects listed below and the contracts were recommended for award. The action reported to the Board was as follows:

VIII. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE

A. Clinical Medical Sciences Education Facility - Employment of Architects

President Fawcett recommended that the architectural firm of Page Southerland and Page, Austin, Texas, be employed to provide complete architectural and engineering services for this project including preliminary plans, basic drawings, working drawings, specifications, estimate of cost, necessary bidding documents and complete supervision of construction.

An Ohio architectural firm will be selected to supplement local representation of Page Southerland and Page.

The fee for this service will be negotiated based upon the Architects Society of Ohio of the American Institute of Architects recommended minimum cost of service, as modified by the Department of Public Works letter dated September 23, 1969.
VIII. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE (continued)

A. Clinical Medical Sciences Education Facility - Employment of Architects (continued)

Funds for this project have been provided from Item 315-016, Medical Complex, H. B. 531, a Public Health Service Grant and local Hospital funding.

Upon motion of Mr. Gushman, seconded by Mr. Dunlap, the above recommendation was approved by unanimous roll call vote.

IX. RESOLUTION IN MEMORIAM

President Fawcett reported to the Board the death of Harry Gehman Good, Professor Emeritus in the College of Education. In accordance with the instructions of the Board of Trustees, a copy of the following resolution expressing on behalf of the University the sorrow and sympathy of the Board will be furnished the family of the deceased.

A. Harry Gehman Good

The Board of Trustees expresses its sorrow at the death on April 11, 1971, of Harry Gehman Good, Professor Emeritus in the College of Education.

Professor Good was born July 14, 1880, in Lancaster, Pennsylvania. He received his A.B. degree in 1909 from Indiana University and his Ph.D. degree in 1915 from the University of Pennsylvania. He joined the faculty of The Ohio State University for the summer of 1920 and then permanently in 1922 as Professor of the History of Education. He served with distinction in that capacity for twenty-eight years. Upon his retirement on June 30, 1950, he was named Professor Emeritus.

During his long career as a teacher, first in the public schools of New Jersey and Pennsylvania and later at six universities, he attained a reputation of distinction as a writer of the history of education, as well as in the other dimensions of scholarship and teaching. His writings, under nearly 100 titles include two widely used textbooks, The History of Western Education and The History of American Education.

Following his retirement Professor Good prepared a volume of 306 pages entitled The Rise of the College of Education (at The Ohio State University) which was published by the College of Education in 1960. In this account which roughly corresponded to the period of the first half century of the College, Professor Good assembled a valuable record of organizational and major program developments which was intended, not as a complete history of the College, but as an interpretation of its pattern of early development.
June 4, 1971 meeting, Board of Trustees

IX. RESOLUTION IN MEMORIAM (continued)

A. Harry Gehman Good (continued)

Professor Good earned the enviable reputation among historical scholars as a faithfully authoritative worker and a penetrating analyst of education both in its institutional structure and in its substantive significance. His early concern with the main cultural trends and issues underlying education led his major students themselves to continue his leadership of thought in this field.

On behalf of the University, the Board of Trustees expresses to his three daughters and their families its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be sent to each of the daughters as a humble expression of the Board's heartfelt sympathy in their bereavement.

X. REPORTS

A. Report on Action Taken by the Ohio Board of Regents at Its Meeting Held May 21, 1971

President Fawcett reported for information and the record that the Ohio Board of Regents took the following action which pertains to The Ohio State University at the meeting on May 21, 1971:

That the request for approval of a new degree, Associate in Applied Science in agricultural technologies, submitted by The Ohio State University is hereby approved, provided that individual degree programs are to be submitted for approval as they are developed for introduction into the instructional program of the Agricultural Technical Institute.

B. Report on the University's Investment Portfolio

The report dated June 3, 1971, as submitted to the Finance and Investment Committee of the Board of Trustees by Vice President Gordon B. Carson pertaining to the University's Investment Portfolio, was received and ordered to be filed with the official records of the Board of Trustees.

Thereupon the Board adjourned to meet Friday, July 2, 1971, at The Ohio State University, Columbus, Ohio, at 3:00 p.m.

Attest:

Edward Q. Moulton
Secretary

James W. Shocknessy

Revisions of Rules 35.07 and 49.03 of Rules for the University Faculty

Approved by Faculty Council
May 11, 1971

Adopted by Board of Trustees June 4, 1971
(See page 518)
Revisions of Rules 35.07 and 49.03 of Rules for the University Faculty

The Faculty Council on May 11, 1971, approved revisions in Rules 35.07 and 49.03 of Rules for the University Faculty. The text of the Rules as revised is as follows:

35.07. Marks.

EM--Examination

Section 1. This mark indicates credit given to students registered in the University on the basis of examinations taken prior to or after admission to the University. The level of achievement which must be demonstrated by the student on these examinations in order to receive EM credit shall be determined by the Department or School in which the course for credit is being given is taught. This credit, up to a maximum of 45 quarter credit hours, or of 70 quarter credit hours in the case of students registered in the School of Nursing who have completed diploma nursing programs and are licensed registered nurses, shall be assigned only upon the authorization of the Chairman of such Department or the Director of such School and with the approval of the Executive Committee of the College in which the student is registered. Additional examination quarter credit hours may be assigned in the same manner but only with the prior approval of the Council on Academic Affairs.

Section 2. Examination credit shall not be given to a student for a course in which he has received a mark at this University. No credit points are allowed for courses in which a mark of EM is given.

- o -

49.03. Requirements for Undergraduate Degree.

g. Waiver of any part of this Rule (49.03) in the case of individual students may be made only by the Council on Academic Affairs following prior approval by the Executive Committee of the College. The Provost and Vice President for Academic Affairs shall transmit all affirmative actions of the Council on Academic Affairs under this section to the Secretary of the student’s college and to the Registrar for notation on the student’s permanent record.

THE OHIO STATE UNIVERSITY
COMMENCEMENT CONVOCATION

June 11, 1971
The Recipient of Honor

NEIL A. ARMSTRONG
Doctor of Science

Pioneering explorer whose courageous venture to the frontiers of space has brought the fulfillment of mankind's age-old dream.

Currently Deputy Associate Administrator for Aeronautics with the National Aeronautics and Space Administration, Neil A. Armstrong's long experience with aviation and deep interest in space exploration is a chronicle of great service to his country and to his fellow man.

A native of Wapakoneta, Ohio, Mr. Armstrong's outstanding record of service began in the midst of his college years when he was called to active duty as a pilot in Korea. He returned to Purdue University following the Korean conflict and received a Bachelor of Science degree in 1955.

The development of Mr. Armstrong's interest in aviation was furthered by his work as a civilian research pilot for the National Advisory Committee for Aeronautics first at the Lewis Flight Propulsion Laboratory in Cleveland and later at the NACA High Speed Flight Station at Edwards Air Force Base, California.

The superiority of Mr. Armstrong's aviation skills is evidenced by the fact that he participated in flight tests of the F-100, F-104, B-47, and F-102 supersonic planes.

The outstanding qualifications of Neil Armstrong as an aviation and space expert were again confirmed when it was announced in 1962 that he had been accepted into the NASA astronaut program. As commander of the Gemini 8 mission, he took part in the first manual space docking in history and in 1969, his superlative astronautical performance was recognized by his selection for the Apollo 11 moonshot program.

On July 21, 1969, Neil Armstrong's greatest achievement was realized. Television cameras recorded history as the Apollo 11 commander starred in the debut of man on the surface of the moon. Through this successful mission, Neil Armstrong and his fellow astronauts brought the United States and the world a “giant leap” forward in establishing methods and techniques for research and exploration in space.

The Ohio State University is proud to recognize Neil Armstrong as a man who not only directed the destiny of a space capsule, but as an individual who courageously advanced civilization in its conquest of the unknown.

OFFICERS

JAMES W. SHOCKNESSY, Chairman
EDWARD Q. MOULTON, Secretary
ERNEST W. LEGGETT, Treasurer

1 Appointed to fill unexpired term of Frederick E. Jones; resigned June 22, 1970.

2 Appointed to fill unexpired term of Mervin B. France; resigned April 4, 1969.
The Board of Trustees met at its regular monthly meeting on Friday, July 2, 1971, at The Ohio State University, Columbus, Ohio, pursuant to adjournment.

Minutes of the last meeting were approved.

The Chairman, Mr. Shocknessy, introduced the new member of the Board of Trustees of The Ohio State University:

Dr. Howard D. Sirak, who was appointed by Governor John J. Gilligan to succeed Mr. John G. Ketterer, for the term beginning May 14, 1971 and ending May 13, 1980, with appointee taking office May 19, 1971.
July 2, 1971 meeting, Board of Trustees

REPORT BY CHAIRMAN

Mr. Shocknessy presented the following statements:

A. Introduction of New Member of Board of Trustees

Dr. Howard D. Sirak has been selected by Governor Gilligan as his first appointment to our Board. And if this appointment is representative of what the Governor is likely to do in the future, the augurs for the future are good. I have known Dr. Sirak for a number of years as a physician, as a skilled and compassionate surgeon, as a professor, and as a connoisseur of painting and a renowned patron of the arts. Dr. Sirak as a member of the faculty of this University resigned this position to qualify as a member of this Board, since under State law a member of the faculty of this University may not be appointed to the Board. It is a compliment to our faculty that the Governor has taken someone from the faculty to serve on this Board. Dr. Sirak's service and experience however are not limited to his service and experience as a faculty member. His broad experience is hardly limited at all for a man of his years. But Dr. Sirak does have the kind of experience that we can well use. So, Dr. Sirak, we welcome you to the Board and we hope that you will make all the contributions to the Board which you are very well provided to make and that you will have noble service.

B. Death of Mrs. Robert Lazarus

I want to extend to you Dr. Sirak on behalf of our Board, and to your wife, our sympathy in the loss of her mother, Mrs. Robert Lazarus, whom we have known for many years as a great and gracious lady who lived her life in a large measure for her community. Her memory will be fresh in this community and long respected at this University for her many contributions. Please extend to Mrs. Sirak and Mr. Robert Lazarus, the sympathy of this Board.

C. Resignation of Gordon B. Carson

A man who has given a great service to this University has announced his intention to leave us and take a position of responsibility and honor at a college in another state. I am speaking, of course, of Gordon Carson. We shall miss Gordon Carson for all the things that he has done over the years, including making quicker trips to campus fires than Mayor LaGuardia. Anytime a fire bell has rung on this campus Gordon Carson was there before anyone else. Gordon Carson has looked out for temporalities at this University in a very
C. Resignation of Gordon B. Carson (continued)

faithful and very effective way. He has handled our finances in such a manner that we consider our finances to be in extra-ordinarily fine condition. Gordon, you probably will not be with us at the regular meeting in September so I want to extend to you at this time, on behalf of the Board, our best wishes for the future. It is always a bitter-sweet experience to bid somebody goodbye who is going to take another job--bitter for us to lose you--but it is sweet that it is something that you want. We wish you a happy tenure. We ask that you tell your wife that we will miss her, too. Both of you will be missed at the skating rink and I am sure that I will not enjoy the basketball games nearly as much without both of you there.

D. The Ohio State Lantern

As you know I, as well as many of the activities with which I have been associated over the years, have been the beneficiary of support from the press. The press has not always been wholeheartedly in support but almost. At this time I would like to do something that I have not had occasion to do before. I want to commend the Ohio State Lantern for a correction in the latest issue of an article which the Lantern had written about me in the previous issue. The Lantern serves a very useful purpose to this University and to the community-wide audience. Also I want to commend the Editorial Board and I want to commend the Director because without the Director's good advice the Editorial Board is not likely to have the courage and integrity that an Editorial Board must have. The correction was very satisfactory to me although it did not mention, as the first article had, that I am still a member of the Wilberforce Board nor did it mention that I am presently Chairman of the Board at Mt. Carmel Hospital. It said that I am Chairman of the Nursing School Board of Mt. Carmel Hospital. I don't know whether I am or not but I rather think that as Chairman of the general Board of the Hospital that I am also connected with the Nursing School. Anyhow, I want to make the point that I learned very long ago that public figures should not run for editor, but public figures can be respectful and mindful of the contribution that news media make and I include the Lantern especially at this time.
E. Appointment to Committees for 1971-1972

Retirement and Insurance Committee

Howard D. Sirak

Development Fund Board of Directors (one-year term)

Howard D. Sirak

The Development Fund Board By-laws require an election.

The Board of Trustees by unanimous voice vote approved the appointments pursuant to the By-laws of the Development Fund Board, which action constituted an election.

F. Report on Consultative Committee to Advise in the Selection of a President

Mr. Shocknessy reported that the membership on this important committee is now complete with the election of the following members:

Faculty Advisory Committee to the President and the Board of Trustees

Margaret A. Mordy
Herbert S. Parnes

Chairman of The Ohio State University Development Fund Board

William S. Guthrie

G. Recognition of Speakers

Mr. Shocknessy made the following statement:

At the last meeting I stated that if anyone wished to appear before this Board that a request for such appearance, if it were presented within 48 hours before the meeting, would be entertained. Four such requests have been received prior to this meeting and all four have been granted the opportunity of appearing before this Board. The topics to be discussed by the persons requesting time to speak are: Black Students, Black Studies, and Mr. Charles Ross. We will allow five minutes without interruption to each speaker. If we have any questions, we will ask them of the speaker at the completion of his statement. We
G. Recognition of Speakers (continued)

are allowing the time prior to the agenda item on personnel matters since the topics indicated by the speakers relate primarily to this item. The four speakers will be called upon at the proper time by the Secretary, Mr. Michael White, Mr. Thomas Johnson, Mr. Bernard Donanberg, and Mr. Marty Cummins. When we come to the appropriate place in the agenda the Secretary will call upon the speakers and will advise each speaker when his allotted time is up.

H. Budget for 1971-1972

Ordinarily at this meeting we vote on a budget. Today we do not have a budget to vote upon but rather we have proposed an action which will carry us over until our appropriation is voted upon by the General Assembly. I mention this fact because it will probably be necessary for the Board to meet later in the month at the call of the Chairman since the Board ordinarily does not meet in August. July 30 is being held tentatively for the special meeting of the Board. The Board will plan to meet on this date if we can be in a position to take action on the budget, but if we cannot adopt a firm budget at that time the Board will have to adopt a provisional budget which will enable the University to carry on its affairs until such a time as an annual budget may be provided.

- o -
President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Establishment of the Taine G. McDougal Professorship in Engineering

Pursuant to an action of the Board of Trustees on January 14, 1965, setting forth conditions for the establishment of a "Named Professorship," President Fawcett recommended that the Taine G. McDougal Professorship in Engineering be established.

This professorship will be supported from income on the Taine G. McDougal Endowment Fund which was provided by a gift from Mr. McDougal. The area in which the appointment of the professor is to be made is left to the discretion of the Dean of the College of Engineering.

Upon motion of Mr. Eckley, seconded by Mr. Safford, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

B. Distinguished Service Awards

Serving as a Committee on Distinguished Service Awards, the President's Cabinet has nominated and recommends, for approval by the Board of Trustees, the following-named persons to receive the Distinguished Service Award at the September 3, 1971 Commencement. These awards are given in recognition of distinguished service to The Ohio State University and the awards are in accordance with action taken by the Board of Trustees in 1952.

Ralph L. Boyer
Grace Fern Heck
Virgil Overholt

Upon motion of Mr. Hilliker, seconded by Mr. Dunlap, the Board of Trustees approved the foregoing nominations by unanimous voice vote.

C. Creation of Pooled Income Trust Fund for The Ohio State University

President Fawcett recommended that the Pooled Income Fund Trust Agreement and Instrument of Transfer (Appendix I, page 101) be substituted for the Pooled Income Fund Trust Agreement and Instrument of Transfer approved by the Board of Trustees on December 4, 1970.

The Pooled Income Fund Trust Agreement and Instrument of Transfer (Appendix I, page 101) creating a Pooled Income Fund for the University are hereby approved and submitted for the instruments previously approved by the Board of Trustees.
I. GENERAL RECOMMENDATIONS (continued)

C. Creation of Pooled Income Trust Fund for The Ohio State University (continued)

The original Trustees of the Pooled Income Fund are authorized to submit the Pooled Income Fund to the Internal Revenue Service for approval, to make such changes in the Pooled Income Fund Trust Agreement and Instrument of Transfer as may in the opinion of the University Counsel be necessary or appropriate to satisfy the requirements of the regulations published by the United States Treasury Department, and to make such modifications of the Instrument of Transfer as may be appropriate to fit particular circumstances.

Upon motion of Mr. Safford, seconded by Mr. Harrod, the Board of Trustees approved the above recommendation by unanimous voice vote.

D. Interim Financing for the Lima Campus Technical Education Program

President Fawcett recommended that authorization be provided for The Ohio State University to act as the interim agent and to make the necessary expenditures from funds made available for this purpose from the Ohio Board of Regents to support the technical education program for the Lima Regional Campus for the period July 1, 1971 until the Allen County Technical Institute Board of Trustees fully assumes its administrative responsibility for the Autumn Quarter 1971.

Upon motion of Mr. Harrod, seconded by Mr. Safford, the Board of Trustees approved the above recommendation by unanimous roll call vote.

E. Motor Vehicle, Traffic, Parking, Watercraft, and Bicycle Regulations

President Fawcett recommended that the previous actions by the Board relating to the "Motor Vehicle, Traffic, Parking, and Watercraft Regulations" be amended, effective September 1, 1971, so as to provide for:

1. Establishment of a Board of Appeals.
2. Incorporation of regulations relating to the use of bicycles on campus.
3. Modifications in the schedule of parking fees and fines to support the increased costs in operating the program.
4. Revisions in a number of the regulations to reflect organizational changes, clarity, and consistency.

The specific amendments are to be incorporated by reference in Exhibit A and on file with the official records of the Board of Trustees.

Upon motion of Mr. Dorsey, seconded by Dr. Sirak, the Board of Trustees approved the above recommendation by unanimous roll call vote.
I. GENERAL RECOMMENDATIONS (continued)

F. Degrees and Certificates Conferred--Summer Quarter Commencement

President Fawcett recommended that degrees and certificates be conferred at the Summer Quarter Commencement Convocation on September 3, 1971, to those students who have completed the requirements for their respective degrees and certificates and are recommended by the Faculty Council. The names of those awarded degrees and certificates will be included in the minutes of this meeting. (See Appendix II, page 111.)

Upon motion of Mr. Safford, seconded by Mr. Hilliker, the Board of Trustees approved the above recommendation by unanimous voice vote.

G. Funding for the Meshulam Riklis Chair in Business and Its Environment

The Foundation for Endowment of a Chair at Ohio State University, Inc., (the "Foundation") has resolved to contribute the net income from corporate bonds having a face value of $500,000 to the University, through the Development Fund, for the endowment of the Meshulam Riklis Chair in Business and Its Environment. Income to support the Chair will come from the Foundation which now holds bonds with a face value of $500,000, bearing interest at the rate of 6% per annum.

At the request of the Foundation, and upon recommendation of the Board of Directors of The Ohio State University Development Fund, it is requested that this Board of Trustees approve the appointment of a committee, working with the Dean of the College of Administrative Science and the Provost, to establish the guidelines for the Riklis Chair and begin the search for the first occupant, to be appointed beginning in the fall of 1972 or as soon thereafter as possible.

Upon motion of Dr. Sirak, seconded by Mr. Dorsey, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote.

H. Appointment to Board of Overseers for The Academy for Contemporary Problems

As a condition of the Agreement with Battelle Memorial Institute for the operation of The Academy for Contemporary Problems, President Fawcett recommended the appointment of Albert J. Kuhn to fill the vacancy on the Board of Overseers for the operation of the Academy which will be created by the resignation of Provost and Vice President James A. Robinson, effective August 1, 1971.

Upon motion of Mr. Safford, seconded by Mr. Harrod, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.
July 2, 1971 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

I. Interim Expenditure Authorization

President Fawcett made the following statement:

I had hoped to present a proposed budget for the fiscal year 1971-1972 to the Board at this meeting for its consideration. I regret however that I am unable to do so since the level of support to this University has not as yet been established by the 109th General Assembly. Hopefully before the end of this month the Assembly will be able to establish this level of support. Therefore, I am recommending that a special meeting of this Board be called for the purpose of reviewing and approving a University budget for this coming year as soon as the General Assembly has acted on this matter. If, however, this action has not been taken by the Assembly before the end of this month it may be necessary to request your support of a provisional budget prior to the legislative action and at the same time adjust student fee levels since such adjustments very probably will be mandated by the Assembly.

In the meantime I am requesting the requisite authority from the Board to make the necessary interim expenditures within the resources available in support of the continuing activities of this University.

Upon motion of Mr. Eckley, seconded by Mr. Hilliker, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote.

J. Insurance and Retirement Program for University Employees

Mr. Gushman presented the following recommendation on behalf of the Retirement and Insurance Committee:

The Retirement and Insurance Committee of the Board of Trustees has consulted with members of the University administration in an effort to improve the post-retirement death benefits with no additional out-of-pocket cost to the University, the faculty or administrative staff, and, furthermore to extend the post-retirement option to continue Life, AD & D, and Major Medical to all qualified employees. As a result of these deliberations and with the agreement of the insurance carrier, it was recommended that the following resolution be adopted:

BE IT RESOLVED, THEREFORE, by the Board of Trustees of The Ohio State University that the self-insured plan of post-retirement benefits for eligible employees of The Ohio State University be revised as follows and as further described in detail in the amended plan as filed with the official records of the Board of Trustees.
July 2, 1971 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

J. Insurance and Retirement Program for University Employees (continued)

All faculty, unclassified nonteaching staff employees, classified Civil Service employees and regular permanent hourly employees retiring after October 1, 1971, with a minimum of 10 years of O.S.U. service, and eligible for retirement benefits under any retirement program administered by the State of Ohio, be eligible for the following schedule of post-retirement death benefits.

A retired employee electing to continue Life and AD & D coverage to age 70 is not eligible for the post-retirement death benefit until age 70 and thereafter.

A retired employee electing not to continue Life and AD & D coverage would be eligible for the post-retirement death benefit if otherwise qualified.

BE IT FURTHER RESOLVED, THEREFORE, by the Board of Trustees of The Ohio State University that the following improvements in the University's insurance program under the John Hancock Mutual Life Insurance Company Contract Number GTC-58175-100 be further amended to include the following benefits:

The current post-retirement option to continue Life, AD & D, and Major Medical to age 70 applicable to faculty and unclassified nonteaching staff employees be extended to include classified Civil Service employees and regular permanent hourly employees.

Upon motion of Mr. Gushman, seconded by Mr. Safford, the foregoing resolution was adopted by unanimous roll call vote.

Prior to consideration of the Personnel Changes, the following speakers were heard by the Board:

Mr. Michael White, Student, Coordinator of Afro-Am, indicated that the students fully support Charles Ross and called for a full investigation into the procedure of Mr. Ross' dismissal.

Mr. Thomas Johnson, Student, President of the Student Council, College of Humanities, called for a more complete disclosure of the facts surrounding the Charles Ross case.
July 2, 1971 meeting, Board of Trustees

Speakers (continued)

Mr. Bernard Donanberg, Student, Executive Assistant to President of Undergraduate Student Government, presented letters from campus organizations protesting Charles Ross' dismissal.

Mr. Marty Cummins, Student, President Pro tem of Student Assembly, charged that Charles Ross was inept, incompetent, belligerent, and ineffective and urged the Trustees to support President Fawcett's recommendation.

II. PERSONNEL CHANGES

Personnel changes since the June 4, 1971 meeting of the Board, as recorded in the official "Salary Roll" of the University, include the following Retirement, Resignation, Appointments, Changes of Status, Change of Responsibility, Leave of Absence With Salary, Leaves of Absence Without Salary, and Emeritus Titles:

A. Retirement

Dr. John C. Ullery retires as Chairman and Professor of Obstetrics and Gynecology, effective September 30, 1971. Upon the recommendation of Dean Prior, Dr. Ullery assumes the title Professor Emeritus upon his retirement.

B. Resignation

Gordon B. Carson will resign his position as Vice President for Business and Finance so that he might accept the Executive Vice Presidency of Albion College, Albion, Michigan, effective September 1, 1971.

President Fawcett made the following statement:

Since I was notified of Mr. Carson's decision only this past Wednesday, I have not had sufficient opportunity to determine how I should like to have his responsibilities fulfilled. Because of the important nature of these responsibilities, I believe that it is imperative that a decision be made at an early date. Because the Board will not meet again until September, I am asking that I be delegated the authority to make the necessary realignments and appointments appropriate to the fulfillment of Mr. Carson's current administrative assignments, subject to ratification by the Board at the next regular meeting.
II. PERSONNEL CHANGES (continued)

C. Appointments

Robert G. Arns, Vice Provost for Arts and Sciences, effective August 1, 1971, at a salary of $28,448.00 per annum.

Russel C. Jones, Professor in and Chairman of the Department of Civil Engineering, effective July 1, 1971, at a salary of $27,048.00 per annum.

D. Changes of Status

John B. Gabel from Professor in the Department of English to Acting Chairman of the Department of English, effective October 1, 1971, at a salary of $20,088.00 per annum.

John D. Kraus from Professor in the Department of Electrical Engineering to Taine G. McDougall Professor in Engineering, effective July 1, 1971, at a salary of $29,892.00 per annum.

E. Change of Responsibility

President Fawcett made the following recommendation in relation to the employment of Mr. Charles Ross:

I am following the administrative judgments of Dean Adams and Provost and Vice President Robinson and am not recommending the reappointment of Mr. Charles O. Ross for the Chairmanship of the Black Studies division for the academic year 1971-72, and I have so informed Mr. Ross June 30. Mr. Ross will continue as Associate Professor in the School of Social Work, effective Autumn Quarter, 1971. I have asked Dean Adams to appoint an Acting Chairman as soon as possible and at the same time to initiate a search for a Chairman. It is my sincere hope that I will be able to recommend an appointment for this position by no later than the beginning of Autumn Quarter, 1971.

While this action does not require a special motion, I am asking that a separate vote be taken by the Board in support of my decision on this matter.

Following the presentation of President Fawcett, Mr. Shocknessy indicated that he would entertain a motion applicable only to Item E under Personnel Changes pertaining to the action taken by the President on June 30 with respect to Mr. Charles Ross.
July 2, 1971 meeting, Board of Trustees

II. PERSONNEL CHANGES (continued)

E. Change of Responsibility (continued)

In making the motion, Mr. Dunlap said, "I made the motion that Mr. Ross be hired on the recommendation of the administration one year ago and while I remain in favor of and support the Black Studies division, I have weighed the evidence presented to us and would like now to move to support the President in his action to remove Mr. Ross." The motion was seconded by Mr. Eckley.

Mr. Hilliker was then recognized by the Chairman and made the following statement,

I have been greatly concerned for some time about the lack of progress of our Black Studies program. In my opinion, this is due solely to the lack of ability and the lack of true dedication to this University on the part of Charles Ross. I realize that what I am saying is not popular to some people in this room. I seriously question the advisability of retaining Charles Ross as an Associate Professor on this campus.

Mr. Hilliker then moved to amend Mr. Dunlap's motion and asked that all contractual agreements between The Ohio State University and Charles Ross be severed at the conclusion of his present one-year contract and that he not be employed as an Associate Professor in the School of Social Work. Mr. Harrod seconded the motion.

Mr. Shocknessy said "We now have before us a motion by Mr. Dunlap seconded by Mr. Eckley to ratify the President's action in not recommending Mr. Charles Ross for Director for the ensuing year. We have also before us an amendment to Mr. Dunlap's motion by Mr. Hilliker to separate Mr. Ross from the University at the conclusion of his present one-year contract."

The Chairman queried the mover of the original motion, Mr. Dunlap, as to whether or not he would accept the amendment and Mr. Dunlap indicated that he would not.

In the absence of discussion, the vote on the amendment was taken. Mr. Hilliker and Mr. Harrod cast affirmative votes and Dr. Sirak, Mr. Gushman, Mr. Dorseey, Mr. Eckley, Mr. Dunlap, Mr. Safford, and Mr. Shocknessy cast negative votes. The Chairman declared the amendment lost with seven negative votes and two affirmative votes.

The call was then made for discussion on the original motion. By a roll call vote the original motion was unanimously approved. In casting his affirmative vote, Mr. Dorsey said

This has been a very difficult personal decision to make as you well know since I am the only Black member on the Board and this issue does directly concern a Black faculty member. I have pored over the evidence including the charges and counter-charges that have been raised in this case and I have come to the conclusion that the hearing

Mr. Dorsey's statement (continued)

requested by Mr. Ross was conducted fairly. I am also fully satisfied that the administration is dedicated to creating a viable Black Studies program. At this time I want to go on record as saying that I have been fully informed of the facts in this case and that I am in support of the President's recommendation.

F. Leave of Absence With Salary

In accordance with the policy approved by the Board of Trustees on April 11, 1954, the following-named person was recommended for Leave of Absence With Salary from the Cooperative Extension Service for the period indicated:

Clair W. Young, Assistant Professor (Assistant State Leader, 4-H), effective July 1, 1971 through August 31, 1971, to participate in a program of professional improvement at The Ohio State University.

G. Leaves of Absence Without Salary

Nicholas Holowaychuk, Professor, Department of Agronomy, effective July 16, 1971 through September 16, 1971, to conduct a soil survey in an area in the Congo, Africa.

Reinhart F. H. Butter, Associate Professor, Division of Design, effective October 1, 1971 through September 30, 1972, for a visiting lectureship in Germany.

Arnold Shapiro, Associate Professor, Department of English, effective October 1, 1971 through September 30, 1972, for a Fulbright Lectureship at the University of Helsinki, Finland.

David Earl Lindsey, Assistant Professor, Department of Economics, effective October 1, 1971 through September 30, 1972, to accept a Visiting Assistant Professorship at Macalester College, St. Paul, Minnesota.

Ana R. Llorens, Assistant Professor, University Library, effective July 1, 1971 through September 30, 1971, to serve as Secondary School Library Consultant in Colombia, South America.

Richard Douglas Porter, Assistant Professor, Department of Economics, effective October 1, 1971 through September 30, 1972, to accept a position with the Board of Governors of the Federal Reserve Bank, Washington, D. C.
G. Leaves of Absence Without Salary (continued)

Gregory A. Briggs, Instructor (County Extension Agent, 4-H), Cooperative Extension Service, effective June 16, 1971 through August 31, 1971, to participate in a program of professional improvement at The Ohio State University.

Lee Chadeayne, Instructor, Department of German, effective October 1, 1971 through September 30, 1972, to accept a one-year guest professorship in Germany.

Shashikala A. Gogate, Instructor, Department of Pathology, effective June 14, 1971 through June 18, 1971, for personal reasons.

Jack E. Hathaway, Instructor, Department of Veterinary Clinical Sciences, effective July 1, 1971 through June 30, 1972, to continue work on his Ph.D. degree.

Jack Henry Kunin, Instructor, Division of the History of Art, effective October 1, 1971 through September 30, 1972, to complete dissertation for Ph.D. degree.

Geraldine Olson, Instructor (Extension Specialist, Family Development), Cooperative Extension Service, effective July 1, 1971 through September 15, 1971, to participate in a program of professional improvement at The Ohio State University.

H. Emeritus Titles

Ralph H. Davidson, Department of Entomology, with the title Professor Emeritus, effective July 1, 1971.

Bernard S. Meyer, Department of Botany, with the title Professor Emeritus, effective September 1, 1971.

Consuelo Wise, College of Dentistry, with the title Professor Emeritus, effective July 1, 1971.

Mr. Shocknessy asked what privileges were granted a member of the faculty in the College of Medicine who is retiring with the title of Professor Emeritus, and specifically whether such a person retains the privilege of practicing within the University Hospitals.

At the President's request, Dr. Meiling responded to this question stating

The constitution and bylaws of the Hospital provide for positions as honorary staff members. The honorary staff are appointed each

Dr. Meiling's statement (continued)

year the same as the attending staff, the courtesy staff, and the limited staff upon the recommendation of the Chief of the Clinical Division in which they are extended these privileges, which includes the admission and attending of patients. At the present time we have extended this to members of the faculty who hold emeritus professorships; we have extended it to members of the faculty who have national, state, or local reputations professionally, and they are granted the privilege of admitting patients the same as other members of the staff. The attending staff, however, have priority on admitting and attending of patients because they also have a teaching responsibility.

Mr. Shocknessy then asked whether Dr. Ullery, as a Professor Emeritus, would be permitted to admit and to attend patients in University Hospital or whether he would have to be named to honorary staff membership.

Dr. Meiling responded that Dr. Ullery would have to be named to the honorary staff in order to admit and to attend patients.

Mr. Shocknessy also inquired as to whether Emeriti receive office space.

Dr. Meiling stated that office space is provided to Emeriti on an availability basis which is usually shared space. Further, he stated that presently no Emeriti are assigned office space in the University Hospitals but some office space is available in other facilities including the Basic Medical Science Building, Starling-Loving Hall, and Hamilton Hall.

President Fawcett recommended that the Retirement, Resignation, Appointments, Changes of Status, Leave of Absence With Salary, Leaves of Absence Without Salary, Emeritus Titles, and personnel budget actions as recorded in the official "Salary Roll" of the University be approved.

Upon motion of Mr. Eckley, seconded by Mr. Gushman, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote, and the Secretary was instructed to file these changes in the "Salary Roll," an official document of the University.

During the period from May 15, 1971 through June 14, 1971, the Engineering Experiment Station of The Ohio State University entered into the following research contract. This research contract was reported to the Board of Trustees for information and the record.

1. **Government Research Contract**

   EES 388X  
   Field Testing of Pavement Thickness Gage, Ohio Department of Highways, Columbus, Ohio.  
   Gross Value - $12,416.00.

C. **Authorization to Execute Agreement Between The Ohio State University and the Marion County Technical Institute at Marion**

In response to a clearly identified need for technical education programs in the Marion, Ohio, area, the Ohio Board of Regents has authorized the creation of the Marion County Technical Institute District. The authorization for state universities to establish technical education programs in cooperation with technical institutes organized under the laws of Ohio, is in harmony with action taken by the 107th General Assembly, Section 3357.09 of the Ohio Revised Code.

President Fawcett recommended therefore that the President of the University be authorized to sign an agreement between The Ohio State University and the Marion County Technical Institute to provide for technical education programs on the Marion Campus of the University, to begin with the Autumn Quarter, 1971.

Upon motion of Mr. Safford, seconded by Mr. Hilliker, the Board of Trustees approved the above recommendation by unanimous roll call vote.
IV. GRANTS AND GIFTS

The following grants and gifts to the University were among those received since June 4, 1971, and were reported for the record. Appropriate expressions of appreciation have been conveyed to the donors.

SUMMARY

Administered Through the Office of Business and Finance $4,140,976.93
Received Through The Ohio State University Development Fund 87,886.11

VI. PLANS AND SPECIFICATIONS

At the request of the Vice President for Business and Finance, President Fawcett recommended that the plans and specifications, bills of materials, and estimates of cost for the following project be approved by the Board of Trustees:

A. Pomerene Hall Women's Swimming Pool - Remodeling of Roof and Ceiling and Lighting Improvements

This project consists of removing the skylight; installing a roof with insulation, new ceiling, improved lights and new ventilating fan in Women's Swimming Pool area.

Funds for this project have been provided from Budget Account 124358 (Contract Repair).

Upon motion of Mr. Safford, seconded by Mr. Hilliker, the above recommendation was approved by unanimous roll call vote, and the Secretary was authorized and directed to sign the plans and specifications for the above project for and on behalf of the Board of Trustees. Vice President Carson was directed to proceed with a request for bids in the normal University manner and if satisfactory bids are received, to proceed with the award of contracts. All action regarding this matter will be reported to the Board of Trustees at a later meeting.

VII. REPORT OF AWARD OF CONTRACTS

In accordance with authorization provided by the Board of Trustees, bids were taken on the projects listed below and the contracts were recommended for award. The action reported to the Board was as follows:

VII. REPORT OF AWARD OF CONTRACTS (continued)

A. Ohio Stadium - Artificial Turf 1971 (continued)

It is anticipated that because of conditions discovered at the time of excavation it will be necessary to add extra stone in the base to correct sponginess in the subsoil. Unit prices were established in the contract to cover this contingency.

Funds for this project have been provided from Gifts, Interest on Gifts, and Athletic Reserves.

D. Cockins Hall Remodeling (continued)

All bids on the Plumbing and Heating, Ventilating and Air Conditioning Contracts were over the Estimate of Cost but it is believed that better bids could not be obtained by readvertising and therefore award of these contracts to the low bidder is recommended subject to the approval of the State Controlling Board.

Funds for this project have been provided from Item 315-074 (Utilities and Renovation), H. B. 531, and by a transfer from Budget Account 149997 (New Programs Reserve) to Budget Account 801181 (Cockins Hall).

Upon motion of Mr. Hilliker, seconded by Mr. Safford, the above award of contracts and expenditure of funds were approved and the action of the Vice President for Business and Finance ratified by unanimous roll call vote.

VIII. CONTROLLING BOARD REQUESTS

Each numbered request shown below accomplishes the following purpose:

36 Approves the award of contracts for the General and Laboratory Equipment work on the project "Agricultural Technical Institute, Wooster" notwithstanding the fact that the low bids were over the estimate of cost and the release of $2,880,000 from Item 366-001 so that these contracts may be awarded.

37 Approves the release of $289,800 from Item 315-074 "Utilities and Renovation," H. B. 531, to provide funds for the project "Renovation and Air Conditioning University School."

38 Approves the release of $443.68 from Item 315-064 "Journalism Building Expansion," H. B. 531, to provide for consulting engineer's fees on this project.

IX. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE

A. Clinical Medical Sciences Education Facility - Employment of Associate Architect

On June 4, 1971, the Board of Trustees approved the employment of Page Southerland Page as the principal architects on this project.
IX. MISCELLANEOUS FROM OFFICE OF BUSINESS AND FINANCE (continued)

A. Clinical Medical Sciences Education Facility - Employment of Associate Architect (continued)

President Fawcett recommended that the architectural firm of Dan A. Carmichael, Columbus, Ohio, be employed as Associate Architect to Page Southerland Page to supplement local representation of that firm.

The fee for this service will be part of the overall architectural fee being negotiated by the Department of Public Works with Page Southerland Page.

Funds for this project have been provided from Item 315-016 Medical Complex, H. B. 531, a Public Health Service Grant, and local Hospital funding.

Upon motion of Mr. Dorsey, seconded by Mr. Eckley, the above recommendation was approved by unanimous roll call vote.

X. RESOLUTIONS IN MEMORIAM

President Fawcett reported to the Board the deaths of Edison L. Bowers, Professor Emeritus in the College of Social and Behavioral Sciences - Department of Economics; Frank A. Hartman, Professor Emeritus in the Department of Physiology; and Harvey Walker, Professor Emeritus in the Department of Political Science. In accordance with the instructions of the Board of Trustees, copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board will be furnished the families of the deceased.

A. Edison L. Bowers

The Board of Trustees of The Ohio State University expresses its sorrow at the death on June 11, 1971, of Edison L. Bowers, Professor Emeritus in the College of Social and Behavioral Sciences - Department of Economics.

Professor Bowers was born in Massillon, Ohio, on May 24, 1888. He received the A.B. degree from Heidelberg College in 1922. Coming to The Ohio State University for graduate work, he received the M.A. degree in 1923, and the Ph.D. degree in 1928. Simultaneously, he was advancing as a faculty member at the University from Teaching Assistant in 1923 to Professor in 1941. In 1941, he was also appointed as Chairman of the Department of Economics, a position he held until 1963. In 1950, he was awarded the L.H.D. degree by Heidelberg College.

From Professor Bowers' first association with the Department of Economics of the University, he was influenced in his choice of professional field by Mathew B. Hammond, the first Chairman of the Department in the College of Commerce and Journalism, as it was then named. Dr. Hammond was recognized as an authority in the fields of labor relations and social insurance,

both in Ohio and nationally. Edison Bowers followed in this path, and promptly achieved state and national recognition in these fields in his own right. He was a member of the Ohio Advisory Council on Unemployment Compensation from its founding in 1937 until March 1971. Throughout his active career, he was continuously involved in such educational and public service organizations as the National War Labor Board (World War II), Ohio Disability Insurance Commission, American Institute for Property and Liability Underwriters, The S. S. Huebner Foundation for Insurance Education, and the American College of Life Underwriters. In addition, he was a member of several honorary, academic fraternities and national learned societies.

Upon such an extensive participation in the extracurricular counterparts of his academic interests, Professor Bowers also built a full career in University teaching and administration. In addition to the Chairmanship of the Department of Economics, he was called upon for extensive service on University wide councils and committees too numerous to mention. Yet, he continued classroom teaching in the various branches of insurance, at both undergraduate and graduate levels as his own schedule permitted. Thus, he never became separated from the students of the Department. In addition to all of these activities, he was joint author for two different texts for use in his chosen fields.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

B. Frank A. Hartman

The Board of Trustees expresses its sorrow at the death on March 21, 1971, of Frank A. Hartman, Professor Emeritus in the Department of Physiology.

Dr. Hartman was born in Gibbon, Nebraska, on December 4, 1883. He attended the University of Kansas where his outstanding scholastic abilities led to his election to Phi Beta Kappa. Following graduation in 1905, he taught high school biology and coached the track team for one year in Illinois. He then returned to Kansas as a part-time student and school teacher and received his M.A. degree from the University of Kansas in 1909. He then moved to the northwest and taught in the Seattle school system while working toward his Ph.D. degree in Chemistry. This was received in 1914 from the University of Washington.

Dr. Hartman was appointed the Austin Teaching Fellow in Physiology at Harvard University and the following year moved to the University of Toronto. At that institution he was successively Lecturer, Assistant and then Associate Professor of Physiology. He was appointed Professor of Physiology and Chairman of the Department of Physiology at the University of Buffalo in 1919 and came to Ohio State in 1934 as Professor and Chairman of the Department of Physiology. He had, by that time, a considerable reputation as an

authority on the function of the adrenal gland and was the first to prepare a physiologically active extract of that gland. His work provided much of the basis for our present knowledge of the adrenal steroids. He became a Research Professor in 1947 and attained Emeritus status in 1954. He continued an active research program up to the time of his death.

Dr. Hartman was the author or co-author of 174 scientific papers. In 1949, with Dr. Katharine Brownell, he wrote the first definitive textbook on the adrenal gland. Dr. Hartman received many honors during his long and active career. Among them were The Chancellor's Medal of the University of Buffalo, The Gold Medal of the American Medical Association, and The Schoellkoff Medal of the American Chemical Society. He was a member of many professional and scientific societies and in 1935 served as President of the Endocrine Society, then known as the Association for Study of Internal Secretions.

Dr. Hartman was a scientist's scientist, a dedicated investigator, and an outstanding individual. He served as a model and inspiration for many students, colleagues, and friends.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family of Dr. Hartman as a humble expression of the Board's heartfelt sympathy in its bereavement.

C. Harvey Walker

The Board of Trustees expresses its sorrow at the death on May 22, 1971, of Harvey Walker, Professor Emeritus in the Department of Political Science.

Professor Walker was born on February 24, 1900, in Des Moines, Iowa. He received his A.B. degree from the University of Kansas, his M.A. and Ph.D. degrees from the University of Minnesota, and his LL.B. degree from The Ohio State University.

Dr. Walker joined the faculty of The Ohio State University in 1928 and rose to the rank of Professor in 1935. He served that post with distinction until his retirement in 1967, at which time he was named Professor Emeritus.

During his long career, Professor Walker became known throughout the world as a teacher, scholar, and government consultant. He served as Visiting Professor at the American University, the University of Idaho, and (immediately after retirement at Ohio State) at the University of Kansas.

His government and civic appointments were numerous and significant. He was Superintendent of the Budget for the State of Ohio from 1929-1931, and Secretary of the Ohio Municipal League during those same years. In 1951-1952 he served as United Nations Professor, Brazilian School of Public

Administration, Rio de Janeiro. He was Consultant to charter and constitutional revision committees in Kansas, Minnesota, Ohio, and West Virginia, and to governmental units abroad. And at the time of his death, was Associate Director of an important task force of the Adult Parole Authority of the Ohio Division of Corrections.

During the Second World War, Professor Walker saw service with the U. S. Army fiscal department and rose to the rank of Lieutenant Colonel. Following his return to University life, he attended The Ohio State University College of Law and was subsequently admitted to the Ohio State and American Bar Associations and to the practice of law before Ohio Courts and the U. S. Supreme Court.

Throughout his career, Professor Walker set as his high task the bringing of scholarly knowledge and wisdom to the practical affairs of government. He was a dedicated teacher, and many of his former students occupy positions of importance in governments throughout the world. His list of publications is long, and the international recognition which he achieved is represented in his having been awarded the Commander's Cross of the Order of Merit of West German Republic and the Commander's Cross of the Order of the Southern Cross of Brazil. He was a scholar, active to the last, who will be missed.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and understanding of its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family of Harvey Walker as a humble expression of the Board's heartfelt sympathy in its bereavement.

XI. REPORTS

A. Reports from the Finance and Investment Committee

1. Resolution Ratifying and Confirming Approval of Trust Agreement and First Supplemental Trust Agreement Pertaining to the University’s General Receipts Bonds

The Chairman of the Finance and Investment Committee of the Board of Trustees, Mr. William Safford, presented the following resolution:

WHEREAS, by resolutions duly adopted by this Board of Trustees on May 7, 1971, the University authorized the issuance from time to time of General Receipts Bonds and as a first thereof $4,500,000 General Receipts Bonds, Series 1971, which resolutions authorized the execution and delivery of forms of Trust Agreement (see page 49) and First Supplemental Trust Agreement (see page 83) pertaining to such Bonds; and

A. Reports from the Finance and Investment Committee (continued)

1. Resolution Ratifying and Confirming Approval of Trust Agreement and First Supplemental Trust Agreement Pertaining to the University's General Receipts Bonds (continued)

WHEREAS, the forms of such Trust Agreement and First Supplemental Trust Agreement have been finalized and have been submitted to this Board in such form for approval;

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of The Ohio State University that:

Section 1. The Trust Agreement which has been submitted to this meeting by and between the University and The Huntington National Bank of Columbus, Trustee, dated as of June 1, 1971, referred to in the General Bond Resolution adopted by this Board on May 7, 1971, is hereby in all respects approved, and the prior approval thereof and the authorization to sign and deliver the same in Section 16 of the General Bond Resolution are hereby ratified and confirmed.

Section 2. The First Supplemental Trust Agreement which has been submitted to this meeting by and between the University and The Huntington National Bank of Columbus, Trustee, dated as of June 1, 1971, referred to in the Series 1971 Resolution adopted by this Board on May 7, 1971, is hereby in all respects approved, and the prior approval thereof and the authorization to sign and deliver the same in Section 9 of the Series 1971 Resolution are hereby ratified and confirmed.

Upon motion of Mr. Safford, seconded by Mr. Dunlap, the above resolution was adopted by unanimous roll call vote.

2. Resolution - Amendment to an Action of Board of Trustees Taken May 7, 1971

Mr. Safford, Chairman of the Finance and Investment Committee, presented the following resolution:

BE IT RESOLVED by the Board of Trustees of The Ohio State University that the Trust Agreement and First Supplemental Trust Agreement, both of which have been submitted to this meeting, by and between the University and The Huntington National Bank of Columbus, Trustee, both dated as of June 1, 1971, referred to, respectively, in the General Bond Resolution and the Series 1971 Resolution both adopted by this Board on May 7, 1971, are hereby in all respects approved, and the prior approval thereof and the authorization to sign and deliver the same in Section 16 of the General Bond Resolution and in Section 9 of the Series 1971 Resolution are hereby ratified and confirmed; that the award of the $4,500,000 General Receipts Bonds, Series 1971 pursuant to the Certificate of Award submitted to this

meeting, is hereby approved and confirmed; and that Section 5(b) of the Series 1971 Resolution, adopted by this Board on May 7, 1971, be amended by deleting the second sentence of such section.

Upon motion of Mr. Safford, seconded by Mr. Dunlap, the above resolution was adopted by unanimous roll call vote.

B. Report on the University’s Investment Portfolio

The report dated July 2, 1971, as submitted to the Finance and Investment Committee of the Board of Trustees by Vice President Gordon B. Carson pertaining to the University’s Investment Portfolio, was received and ordered to be filed with the official records of the Board of Trustees.

Mr. Shocknessy concluded the meeting with the following statement:

We will have an effective Black Studies division. We are committed to that—we committed ourselves to that last year when we appointed the first Chairman. It is hoped that the President will come to this Board with a recommendation for a successor to the Chairmanship of this division promptly. I should like to note that before this meeting the members of this Board were served with summons and a petition in an action filed on behalf of Mr. Charles Ross. I told Mr. Johnson, who has apparently left the room, that I might have something to say with respect to his request that we release all the information that we have relating to our decision on Mr. Ross. I said that, however, before we heard Mr. Cummins. It would seem to me that Mr. Cummins had access to a great deal of information which was also available to Mr. Johnson and others. But with the case now pending in the United States District Court, there is not a great deal we will be able to say in addition to what has already been said. Since filing and service have been accomplished, the case will undoubtedly come before the District Court and the whole matter will be portrayed there. Meanwhile, it is my personal belief that an adequate amount of information not only has been provided to us but has also been put into the public domain.

Thereupon the Board adjourned to meet Thursday, September 2, 1971, at The Ohio State University, Columbus, Ohio, at 3:00 p.m.

TRUST AGREEMENT

between

THE OHIO STATE UNIVERSITY

and

THE HUNTINGTON NATIONAL BANK OF COLUMBUS,

Trustee

Dated

as of

June 1, 1971

Securing

THE OHIO STATE UNIVERSITY

GENERAL RECEIPTS BONDS
TRUST AGREEMENT

THIS TRUST AGREEMENT (hereinafter called the "Agreement") dated as of the first day of June, 1971, by and between The Ohio State University (hereinafter called the "University"), a state university of the State of Ohio created and existing under Chapter 3335 of the Ohio Revised Code, and The Huntington National Bank of Columbus, a bank organized and existing under and by virtue of the laws of the United States of America and duly authorized to exercise corporate trust powers in the State of Ohio, with its principal place of business located in Columbus, Ohio (hereinafter, with any successors, called the "Trostee"), as Trustee.

WITNESSETH:

WHEREAS, by the Constitution and laws of the State of Ohio, and particularly Sections 3345.11 and 3345.12 of the Ohio Revised Code, and pursuant to the General Bond Resolution referred to below and constituting a part hereof, the University is authorized and empowered to, among other things, enter into this Agreement and to do or cause to be done all the acts and things herein provided or required to be done, and to issue the General Receipts Bonds of the University as hereinafter provided for; and

WHEREAS, the University has determined to sell an initial issue of General Receipts Bonds of the University and to enter into this Agreement to secure said initial issue of Bonds and additional Bonds issuable hereunder as set forth and declared in this Agreement; and

WHEREAS, the said General Bond Resolution is incorporated herein, constitutes an integral part of this Agreement, and provides, in its entirety, as follows:

(See May 7, 1971 Minutes, pages 474-493)

WHEREAS, all acts, conditions and things required to happen, exist and be performed precedent to and in the execution and delivery of this Agreement have happened, exist and been performed in order to make the Bonds, when authorized and issued in accordance with this Agreement, valid obligations of the University in accordance with the terms thereof and hereof, and in order to make this Agreement a valid, binding and legal trust agreement for the security of the Bonds in accordance with its terms; and

WHEREAS, the Trustee has accepted the trusts created by this Agreement, and in evidence thereof has joined in the execution hereof;

NOW THEREFORE, THIS TRUST AGREEMENT WITNESSETH, that in order to secure the payment of the Bond service charges on the Bonds according to their true intent and meaning, and to secure the performance and observance of all the covenants, agreement and conditions therein and herein contained and to declare the terms and conditions upon and subject to which the Bonds are and are intended to be issued, authenticated, delivered, accepted, held, secured, and
enforced, the University, in consideration of the premises and the acceptance by the Trustee of the trusts hereby created and for other good and valuable considerations, the receipt of which is hereby acknowledged, has executed and delivered this Trust Agreement and has pledged, and by these presents does hereby pledge, the General Receipts of the University, the General Receipts Bond Pledge Fund and the General Receipts Bond Service Fund unto The Huntington National Bank of Columbus, Columbus, Ohio, as Trustee, and to its successors in said trust and to it and its assigns, and does hereby covenant and agree to apply the General Receipts and Bond Pledge Fund to the extent and in the manner in this Agreement provided.

Bonds or of maturity, or otherwise, to the extent provided in and except as otherwise permitted by this Agreement, it being intended that the security of this Agreement shall take effect from the date hereof without regard to the date of actual issue, sale or disposition of the Bonds as though upon such date all the Bonds were actually issued, sold and delivered to purchasers for value; provided, however, that if all Bond service charges on the Bonds and coupons are paid or caused to be paid in accordance with Sections 9.01 and 9.02 of this Agreement, and the University shall well and truly keep, perform and observe all the covenants and conditions pursuant to the terms of this Agreement to be kept, performed and observed by it, and shall pay or cause to be paid to the Trustee and Paying Agents all sums of money due or to become due to them in accordance with the terms and provisions hereof, then this Agreement and the rights hereby granted shall cease, determine and be void; otherwise this Agreement shall be and remain in full force and effect.

And it is expressly declared that all Bonds issued and secured hereunder are to be issued, authenticated and delivered and all General Receipts and the Bond Pledge Fund are to be dealt with, disposed of, and applied, under, upon and subject to the terms, conditions, stipulations, covenants, agreements, trusts, uses and purposes provided in this Agreement and the University has agreed and covenanted, and does hereby further agree and covenant, with the Trustee and with the respective holders from time to time of the Bonds or coupons, or any part thereof, as follows:

ARTICLE I
DEFINITIONS

Section 1.01. Definitions. In addition to the words and terms elsewhere defined in this Agreement, including in the General Bond Resolution, and unless the context otherwise indicates, the terms "hereof", "herein", "hereby", "hereto", "hereunder", and similar terms, mean and refer to this Agreement; the term "office of" the Trustee, Paying Agent or Bond Registrar means the principal corporate trust office thereof; the term "Authorized Officer" means any officer or employee of the University or the Board authorized by or pursuant to law or action of the Board to perform the act or sign the document in question, and if there is no such authorization means the Chairman or Secretary of the Board, or the President or the Fiscal Officer of the University; and the term "Bond Registrar" means the keeper of the registrations books for the registration of the Bonds or a series of Bonds, as the case may be, which in each case shall be the Trustee except as may otherwise be provided pursuant to the Trust Agreement.
ARTICLE II
FORM, AUTHENTICATION, REGISTRATION
AND EXCHANGE OF BONDS

Section 2.01. Form of Bonds. The Bonds and coupons shall be substantially in the forms set forth in the respective Supplemental Trust Agreements entered into in connection therewith, all consistent with this Agreement.

Section 2.02. Authentication and Delivery of Bonds. Neither any Bond nor any coupon appertaining thereto shall be valid or become obligatory for any purpose or shall be entitled to any security or benefit under this Agreement unless and until an authentication certificate, substantially in the form set forth below, shall have been duly endorsed upon such Bond. Such certificate of the Trustee may be executed by any person duly authorized by the Trustee, but it shall not be necessary that the same person sign the authentication certificate on all of the Bonds. Said authentication certificate shall be substantially in the following form:

“This Bond is one of the Bonds issued under the provisions of the within mentioned Agreement and the Supplemental Trust Agreement thereto.”

The Trustee shall not authenticate or deliver any coupon Bonds unless all coupons annexed thereto and then matured shall have been detached and cancelled, except as may be permitted under Section 2.04 and Section 2.05 hereof.

Before the first issue of Bonds, and before any additional Bonds, are authenticated and delivered by the Trustee, there shall have been filed with the Trustee the following:

1. A copy, duly certified by an Authorized Officer, of a Series Resolution authorizing the issuance and delivery of the Bonds to be authenticated and delivered, adopted in conformity with Section 3 of the General Bond Resolution.

2. An original executed counterpart of the Supplemental Trust Agreement entered into connection with the issuance of such Bonds.

3. A request and authorization to the Trustee on behalf of the University, signed by an Authorized Officer, to authenticate and deliver the Bonds to, or on the order of, the Original Purchaser thereof who is therein identified, upon payment of a sum specified in such request and authorization.

4. A certificate of the Authorized Officers as provided for in the last paragraph of Section 13 of the General Bond Resolution.

5. The written opinion of counsel for the University, or other counsel satisfactory to the Trustee, to the effect that documents submitted to the Trustee in connection with the application then being made comply with the requirements of the Trust Agreement, and that in his opinion all conditions precedent to the issuance of such Bonds as provided in the Trust Agreement have been complied with; and a written opinion of bond counsel to the University, who may also be the counsel referred to above in this paragraph 5, that the Bonds the authentication of which is then
applied for, when duly executed and authenticated and delivered by the Trustee, will be valid and legal obligations of the University in accordance with their terms and will be secured by this Agreement with all Bonds at the time outstanding hereunder.

When the foregoing documents have been filed with the Trustee and the Bonds have been executed and authenticated, the Trustee shall deliver such Bonds to or on the order of the Original Purchaser thereof identified in the request and authorization referred to in numbered paragraph 3 of this Section, but only upon payment of the specified sum set forth in said request and authorization.

Section 2.03. Fully Registered Bonds. Fully registered Bonds shall be in the same denominations as authorized for coupon Bonds of the same series, and any multiple thereof. Unless otherwise provided in the applicable Series Resolution, each fully registered Bond shall be of a single maturity of the same series. Except as may be otherwise provided in the applicable Series Resolution, each fully registered Bond shall bear interest from its date and shall be dated as of the date of the coupon Bonds of the applicable series if authenticated prior to the first interest payment date for such series, and otherwise shall be dated as of the interest payment date next preceding the date of authentication, unless authenticated on an interest payment date in which case it shall be dated as of the date of its authentication; provided, however, that if at the time of authentication of any fully registered Bond interest thereon is in default, such Bond shall be dated as of the date to which interest has been paid.

Section 2.04. Transfer, Exchange and Registration of Bonds. Coupon Bonds, upon surrender thereof at the office of the Bond Registrar, with all unmatured coupons and all matured coupons in default, if any, appertaining thereto may, at the option of the holder thereof, be exchanged for an equal aggregate principal amount of fully registered Bonds of the same series and of any denomination or denominations authorized by the applicable Series Resolution, and bearing interest at the same rate and maturing on the same date or dates.

Fully registered Bonds, upon surrender thereof at the office of the Bond Registrar, together with an assignment duly executed by the registered holder or his duly authorized attorney in such form as shall be satisfactory to the Bond Registrar, may, at the option of the registered holder thereof, be exchanged for coupon Bonds of authorized denomination of the same series in the aggregate principal amount not exceeding the unmatured and unredeemed principal amount of such fully registered Bonds, bearing interest at the same rate and maturing on the same date or dates, with coupons attached representing all unpaid interest due or to become due thereon, or for fully registered Bonds of the same series of any denomination or denominations authorized by the applicable Series Resolution, in the aggregate principal amount not exceeding the unmatured and unredeemed principal amount of such fully registered Bonds, and bearing interest at the same rate and maturing on the same date or dates, or any combination of the foregoing.

Unless otherwise provided in the applicable Series Resolution the principal of and redemption premium, if any, on all registered Bonds (except coupon Bonds registered as to
principal to bearer) shall be payable at the office of the Trustee, and payment of the interest on fully registered Bonds shall be made on each interest payment date to the person appearing on the registration books hereinafter provided for as the registered holder thereof, by check or draft mailed by the Trustee to such registered holder at his address as it appears on such registration books.

Title to any coupon Bond, unless such Bond is registered as to principal (except to bearer), and to any coupon shall pass by delivery. Unless otherwise provided in the applicable Series Resolution, at the option of the holder any coupon Bond may be registered as to principal on registration books kept for that purpose at the office of the Bond Registrar, upon presentation thereof to the Bond Registrar which shall make notation of such registration thereon. Any such Bond registered as to principal (except to bearer) may thereafter be transferred only upon an assignment duly executed by the registered holder or his duly authorized attorney in such form as shall be satisfactory to the Bond Registrar, such transfer to be made on such books and endorsed on the Bond by the Bond Registrar. Such transfer may be to bearer and thereby transferability by delivery shall be restored, subject, however, to successive registrations and transfers as before.

Any fully registered Bond may be transferred only upon the books for the registration and transfer of Bonds, upon surrender thereof at the office of the Bond Registrar together with an assignment duly executed by the registered holder or his duly authorized attorney in such form as shall be satisfactory to the Bond Registrar. Upon the transfer of any such fully registered Bond and on request of the Bond Registrar, the University shall execute in the name of the transferee a new fully registered Bond or Bonds of the same series, of any denomination or denominations permitted by the applicable Series Resolution, or coupon Bonds of the same series with coupons attached representing all unpaid interest due or to become due thereon, or a combination of the foregoing, in aggregate principal amount equal to the unmatured and unredeemed principal amount of such fully registered Bond, and bearing interest at the same rate and maturing on the same date or dates.

In all cases in which Bonds shall be exchanged or fully registered Bonds shall be transferred thereunder, the University shall execute and the Trustee shall authenticate and deliver Bonds in accordance with the provisions of this Agreement. Except as may otherwise be provided in an applicable Series Resolution as to the series of Bonds authorized by such resolution, the University, the Trustee and the Bond Registrar may make a charge for any such exchange or transfer of Bonds authorized by such Series Resolution sufficient to reimburse them for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and sufficient to reimburse them for all other costs and expenses incurred in connection with such exchange or transfer, and any such charge shall be paid before any such new Bond shall be delivered. Neither the University, the Trustee nor the Bond Registrar shall be required to make any such exchange or transfer of any Bond during the ten days next preceding an interest payment date on the Bonds of the same series or next preceding any selection of Bonds of the same series to be redeemed, or after such Bond has been selected for redemption.
As to any coupon Bond registered as to principal or fully registered Bond, the person in whose name the same shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal of and any premium on any such Bond and the interest on such fully registered Bond shall be made only to or upon the order of the registered holder thereof or his legal representative, and neither the University, Bond Registrar, Trustee nor any Paying Agent shall be affected by any notice to the contrary, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond, including the interest thereon, to the extent of the sum or sums so paid. The University, Bond Registrar, Trustee and any Paying Agent may deem and treat the bearer of any coupon Bond which shall not at the time be registered as to principal or which shall be registered as to principal to bearer, and the bearer of any coupon appertaining to any coupon Bond whether such coupon Bond shall be registered as to principal or not, as the absolute owner of such Bond or coupon, as the case may be, whether such Bond or coupon shall be overdue or not, for the purpose of receiving payment thereof and for all other purposes whatsoever, and neither the University, Bond Registrar, Trustee nor any Paying Agent shall be affected by any notice to the contrary.

In case any fully registered Bond is redeemed in part only, on or after the redemption date and upon surrender of such Bond to the Trustee the University shall execute and the Trustee shall authenticate and deliver, without charge to the bondholder, a new Bond or Bonds in authorized denominations and in aggregate principal amount equal to the unredeemed portion of such Bond.

So long as any of the Bonds remain outstanding, the University will cause to be maintained and kept, at the Trustee as Bond Registrar, books for the aforesaid registration and transfer, except that as to any series of Bonds an additional or different Bond Registrar may be designated in the applicable Series Resolution.

Section 2.05. Mutilated, Lost, Wrongfully Taken or Destroyed Bonds or Coupons. In the event any Bond is mutilated, lost, wrongfully taken or destroyed, the University shall execute and the Trustee shall authenticate a new Bond of like date, maturity and denomination as that mutilated, lost, wrongfully taken or destroyed, which new Bond, if a coupon Bond, shall have attached thereto coupons corresponding in all respect to those (if any) on the Bond mutilated, lost, wrongfully taken or destroyed, provided that in the case of any mutilated Bond such mutilated Bond together with all coupons (if any) appertaining thereto shall first be surrendered to the Trustee, and in the case of any lost, wrongfully taken or destroyed Bond there shall be first furnished to the University and the Trustee evidence of such loss, wrongful taking or destruction satisfactory to the Authorized Officer of the University and to the Trustee, together with indemnity satisfactory to them. In the event any such lost, wrongfully taken or destroyed Bond (or any coupon or coupons appertaining thereto) shall have matured, instead of issuing a new Bond (or
coupon or coupons appertaining thereto representing coupon or coupons that has or have matured),
the University, by its Authorized Officer, may direct the Trustee to pay the same without surrender
thereof upon the furnishing of the evidence and satisfactory indemnity as in the case of issuance of
a new Bond. The University and the Trustee may charge the holder of the applicable Bond with
their reasonable fees and expenses in connection with their actions pursuant to this paragraph.

Every new Bond issued pursuant to this Section shall, with respect to such Bond and any
coupons appertaining thereto, constitute an additional contractual obligation of the University,
whether or not the lost, wrongfully taken or destroyed Bond or coupon appertaining thereto shall
be found at any time, and shall be entitled to all the benefits of this Agreement equally and
proportionately with any and all other Bonds of the same series, and coupons appertaining thereto,
duly issued hereunder. Any new Bond issued pursuant to this Section, and any coupons
appertaining thereto, may contain a statement to the effect that they are issued to replace a
mutilated, lost, wrongfully taken or destroyed Bond and the coupons, if any, appertaining thereto.

All Bonds and coupons shall be held and owned on the express condition that the
foregoing provisions of this Section are exclusive with respect to the replacement or payment of
mutilated, lost, wrongfully taken or destroyed Bonds and coupons appertaining thereto and shall
preclude any and all other rights or remedies, including payment or replacement of detached
coupons separately lost, wrongfully taken or destroyed, notwithstanding any law or statute existing
or hereafter enacted to the contrary with respect to the replacement or payment of negotiable
instruments or other securities without their surrender.

The Trustee shall promptly advise in writing the Paying Agents of the applicable series of
the issuance pursuant to this Section of new Bonds or coupons appertaining thereto and of the
payment pursuant to this Section of any matured Bond or coupon.

Section 2.06. Safekeeping and Cancellation of Bonds. Any Bond or any coupon
surrendered for the purpose of payment or retirement, or for exchange, or for replacement or
payment pursuant to Section 2.05, shall be cancelled upon surrender thereof to the Trustee or
Paying Agents, provided, however, that any coupon Bond surrendered for exchange may, at the
option of the Trustee, instead of being cancelled as provided above, be held in safekeeping by the
Trustee for re-issuance and may be reissued in an exchange pursuant to Section 2.04 hereof, and
any such Bond and coupons appertaining thereto shall, if not so reissued, be cancelled by the
Trustee immediately after maturity and certification of such cancellation shall be made to the
University as provided in this Section. Any such Bonds and coupons cancelled by a Paying Agent
other than the Trustee shall be promptly transmitted by such Paying Agent to the Trustee.
Certification of such surrender and cancellation, and of any coupon Bonds held in safekeeping by
the Trustee for re-issuance pursuant to this section, shall be made to the University by the Trustee
at least twice each fiscal year. Cancelled Bonds and coupons shall promptly be cremated by the
Trustee, and certificates of such cremation provided by the Trustee to the University.
ARTICLE III
REDEMPTION OF BONDS

Section 3.01. Privilege of Redemption. The Bonds shall be subject to redemption prior to maturity to the extent, at such times and in the manner provided in the General Bond Resolution and in the applicable Series Resolution, all subject to this Agreement.

Section 3.02. University's Election to Redeem. The University, except in the case of redemption pursuant to any mandatory sinking fund requirements provided for in any Series Resolution, shall give written notice to the Trustee of its election to so redeem in accordance with the applicable Series Resolution or Resolutions, of the places where the amounts due upon such redemption are payable, of the redemption date, and of the principal amount of each maturity of each series of redeemable Bonds to be redeemed, which notice shall be given at least forty-five days prior to the redemption date or within such shorter period as shall be acceptable to the Trustee.

If less than all of the Bonds of a series of any one maturity shall be called for redemption, the particular Bonds to be redeemed in whole or in part shall, unless other provision for such selection be made in the applicable Series Resolution, be selected by lot by the Trustee in such manner as the Trustee in its discretion may determine.

Section 3.03. Notice of Call for Redemption. When the Trustee shall receive notice from the University of its election to redeem Bonds, or in order to carry out any mandatory sinking fund requirements of a Series Resolution, the Trustee shall give notice of call for redemption as provided for in Section 4 of the General Bond Resolution, and also shall mail a copy of such notice to all registered holders of Bonds to be redeemed in whole or in part at their addresses as they appear on the registration books provided for in Section 2.04 hereof and to holders of all other Bonds to be redeemed who have their names and addresses on the list of bondholders provided for in Section 6.10 hereof; provided that failure to mail such notice shall not affect in any respect the validity of the proceedings for such redemption.

Section 3.04. Payment of Redeemed Bonds. In the event notice of call for redemption shall have been given as in Section 3.03 hereof provided, the Trustee, if it holds the moneys to be applied to the payment of the redemption price and accrued interest, or otherwise the University, shall not less than one business day prior to the redemption date pay to the appropriate Paying Agents identified in such notice an amount in cash which, in addition to other moneys, if any, available therefor held by the Paying Agents, will be sufficient to redeem at the redemption price thereof plus interest accrued to the redemption date all of the Bonds (and portions of fully registered Bonds) which the University has so elected to redeem; provided that to the extent that the amount needed by a Paying Agent for such purpose is not sufficiently predictable, the Trustee may make such credit arrangements with such Paying Agent as to permit meeting such payments. The University shall promptly notify the Trustee in writing of any payments made by the University to a Paying Agent pursuant to this paragraph.
Notice having been given in the manner provided in Section 3.03 hereof, the Bonds (and portions of fully registered Bonds) so called for redemption shall become due and payable on the redemption date so designated at the redemption price, plus interest accrued to the redemption date, upon presentation and surrender thereof together with all appurtenant coupons maturing subsequent to the redemption date at the place or places specified in such notice, and such Bonds (and portions of fully registered Bonds) shall be paid at the redemption price plus interest accrued to the redemption date. All interest installments represented by coupons which shall have matured on or prior to the redemption date shall continue to be payable to the bearers of such coupons.

If, on the redemption date, moneys for the redemption of all such Bonds (and portions of fully registered Bonds) to be redeemed, together with interest to the redemption date, are held as provided in Section 4 of the General Bond Resolution, then from and after the redemption date such Bonds and portions of fully registered Bonds so called for redemption, and all appurtenant coupons maturing subsequent to the redemption date, shall no longer be considered as outstanding hereunder.

All moneys held by the Trustee or Paying Agents for the redemption of particular Bonds shall be held in trust for the account of the holders thereof and shall be paid to them respectively upon presentation and surrender of such Bonds.

ARTICLE IV

FURTHER PROVISIONS AS TO FUNDS AND PAYMENTS

Section 4.01. Non-presentment of Bonds or Coupons; Unclaimed Moneys. In the event any Bonds shall not be presented for payment when the principal thereof becomes due, either at maturity, at the date fixed for redemption thereof, or otherwise, or in the event any coupon shall not be presented for payment at the due date thereof, if moneys for the purpose of paying, and sufficient to pay, such Bond or coupon shall have been made available to the Paying Agents therefor, it shall be the duty of the Paying Agents to hold such moneys in trust, without liability to the University or the Trustee or the bondholder for interest thereon, for the benefit of the holder of such Bond or coupon, who shall, subject to the provisions of this section, thereafter be restricted exclusively to such moneys for any claim of whatever nature on his part under this Agreement or on, or with respect to, said Bond or coupon. Any moneys which shall be so held by the Paying Agents, and which remain unclaimed by the holder of the Bond or coupon not presented for payment, for a period of three years after the date on which such Bond or coupon shall have become payable as provided above shall upon request in writing by the University be paid to the University and thereafter the holder of such Bond or coupon shall look only to said University for payment and then only to the amounts, or to the extent of amounts, so received by it without any interest thereon, and the Paying Agents and Trustee shall have no further responsibility with respect to such moneys.

The moneys paid to the University pursuant to this Section 4.01 shall be credited by it to a special fund of the University, as a trust fund separate and apart from other funds of the
University, to be maintained in an account or accounts with a bank or banks that are members of the Federal Deposit Insurance Corporation, or invested in eligible investments. The University shall keep a record of the amounts with respect to each series of Bonds, and to Bonds and coupons of such series, so deposited in said special fund, and moneys in such fund shall be applied to payment of Bond service charges on the Bonds with respect to which such money is transferred to the University. Investment income from any investments of moneys in such special fund may be credited to the general funds of the University. Moneys in such special fund unclaimed for fifteen years after such moneys are paid to the University shall become the absolute property of the University free from trust.

Section 4.02. Moneys to be Held in Trust. All moneys required or permitted to be deposited with or paid to the Trustee or any Paying Agent under any provision of the Trust Agreement, and any investments thereof, shall be held by the Trustee or such Paying Agent in trust for the purposes intended and shall, while so held, be subject to the lien hereof.

Moneys and investments in the custody of the University in the Bond Pledge Fund and any other special fund or account created under or pursuant to this Agreement as a trust fund shall constitute trust funds for the purposes intended and shall while so held be subject to the lien hereof, and the University covenants that it may be held accountable as the trustee of an express trust for the application and disposition thereof solely to the respective uses and purposes in this Agreement provided.

The pledge and lien created by the Agreement shall be valid and binding from and after the time made against all parties having claims of any kind against the University.

Section 4.03. Reports by Trustee to the University. The Trustee shall, at least once a month, submit to the University a report of moneys and investments held by it pursuant to this Agreement, and of any transactions involving such moneys and investments, including any sales of investments and reinvestments thereof, and any transfers as between special funds and accounts. The Trustee shall immediately advise the University of any failure timely to receive payments to the Bond Service Fund pursuant to Section 7 of the General Bond Resolution, and of any transfer by the Trustee from the Bond Service Reserve Account to the Bond Service Account pursuant to the second paragraph of Section 9 of the General Bond Resolution.

ARTICLE V

ADDITIONAL COVENANTS OF THE UNIVERSITY

Section 5.01. Extension of Payment of Bonds and Coupons. The University shall not directly or indirectly extend or assent to the extension of the maturity of any of the Bonds or the time of payment of any of the coupons or claims for interest, by the purchase or funding of such Bonds, coupons or claims for interest or by any other arrangement and in case the maturity of any of the Bonds or the time for payment of any such coupons or claims for interest shall be extended, such Bonds, coupons or claims for interest shall not be entitled in case of any event of default under
this Agreement to the benefit of this Agreement or to any payment out of the funds (except funds held for the payment of particular Bonds, coupons or claims for interest pursuant to this Agreement) held by the Trustee or any Paying Agent except subject to the prior payment of the principal of all Bonds issued and outstanding the maturity of which has not been extended and of such portion of the accrued interest on the Bonds as shall not be represented by such extended coupons or claims for interest. Nothing herein shall be deemed to limit the right of the University to issue any duly authorized refunding Bonds and such issuance shall not be deemed to constitute an extension of maturity of Bonds.

Section 5.02. Power to Issue Bonds and Make Pledges. The University is duly authorized pursuant to law to create and issue the Bonds and coupons and enter into this Agreement and to pledge the General Receipts, the Bond Pledge Fund and the Bond Service Fund and other special funds and accounts purported to be pledged in the manner and to the extent provided in this Agreement. The Bonds and coupons are and will be the valid and legally enforceable obligations of the University and the provisions of this Agreement are and will be the valid and legally enforceable obligations of the University, all in accordance with their terms and the terms of this Agreement. The University shall at all times, to the extent permitted by law, defend, preserve and protect the pledge of the General Receipts, the Bond Pledge Fund and the Bond Service Fund and other special funds and account under this Agreement and all the rights of the bondholders under this Agreement against all claims and demands of all persons whomsoever.

Section 5.03. Accounts and Reports. The University shall keep or cause to be kept proper books of record and account in which complete and correct entries shall be made of its transactions relating to the Trust Agreement and special funds and accounts, which records shall be subject to inspection and audit in accordance with Section 15(f) of the General Bond Resolution.

ARTICLE VI

THE TRUSTEE AND PAYING AGENTS

Section 6.01. Trustee's Acceptance and Responsibilities. The Trustee hereby accepts the trust imposed upon it by this Agreement, and agrees to perform said trusts as an ordinarily prudent trustee under a trust agreement, but only upon and subject to the following express terms and conditions:

(a) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or through attorneys, agents, receivers or employees but shall be answerable for the conduct of the same in accordance with the standard specified above, and shall be entitled to advice of counsel concerning all matters of trusts hereof and duties hereunder, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees as may reasonably be employed in connection with the trusts hereof. The Trustee may act upon the opinion or advice of any attorney (who
may be the attorney or attorneys for the University), approved by the Trustee in the exercise of reasonable care. The Trustee shall not be responsible for any loss or damage resulting from any action or non-action in good faith in reliance upon such opinion or advice.

(b) Except for its certificate of authentication on the Bonds, the Trustee shall not be responsible for any recital herein or in the Bonds (which recital shall be deemed to be made solely by the University), or for the validity or priority of this agreement or for the validity of the execution by the University of this Agreement or of any Supplemental Trust Agreements or instruments of further assurance, or for the sufficient security for the Bonds issued hereunder or intended to be secured hereby, and, except as provided in the Trust Agreement, the Trustee shall not be responsible for the deposit, application or expenditure of the proceeds of the Bonds, for the construction, maintenance or operation of the University Facilities financed in whole or in part from the proceeds of Bonds, or for the deposit of General Receipts into the Bond Pledge Fund, all of which shall be deemed covenants and responsibilities of the University, and the Trustee shall not be bound to ascertain or inquire as to the correctness of any information, statements, reports, or certificates furnished or to be furnished by the University or as to the performance or observance of any covenants, conditions or agreements on the part of the University under the Trust Agreement, but the Trustee may require of the University full information and advice as to the performance of the covenants, conditions and agreements aforesaid.

(c) The Trustee shall be protected in acting upon any notice, request, consent, certificate, report, order, budget, affidavit, letter, telegram, or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons, provided, however, that in the case of any such item which by any provision of the Trust Agreement is required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not it conforms to the requirements of this Agreement. Any action taken by the Trustee pursuant to the Trust Agreement upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the holder of any Bond, shall be conclusive and binding upon all future holders of the same Bond and upon Bonds issued in exchange therefor or in place thereof.

(d) As to the existence of non-existence of any fact or as to the sufficiency or validity of any instrument, report, paper or proceedings, the Trustee shall be entitled to rely upon a certificate signed on behalf of the
University or the Board by an Authorized Officer thereof, or on behalf of any governmental agency by the officer, or an assistant thereto, having charge of the appropriate records, as sufficient evidence of the facts therein contained: and prior to the occurrence of an event of default of which the Trustee has notice the Trustee shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion obtain such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Trustee may accept a certificate of the officer, or an assistant thereto, having charge of the appropriate records to the effect that legislation in the form therein set forth has been enacted by the University, the Board or any governmental agency as conclusive evidence that such legislation has been duly adopted and is in full force and effect.

(e) The permissive right of the Trustee to do things enumerated in this Agreement shall not be construed as a duty and the Trustee, subject to the above provisions of this Article, shall not be answerable for other than its negligence, bad faith or willful default.

(f) Except as may be expressly required by law or the Trust Agreement, the Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises.

(g) Notwithstanding anything elsewhere in this Agreement contained, the Trustee shall have the right, but shall not be required, to demand, in respect of the authentication of any Bonds, or any action whatsoever within the purview of the Trust Agreement, any showings, certificates, reports, opinions, or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required as a condition of such action by the Trustee, deemed by it desirable for the purpose of establishing the right of the University to the authentication of any Bonds, or the taking of any other action by the Trustee.

(h) Before taking action under Section 6.03 of Article VII hereof, the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its negligence, bad faith or willful default by reason of any action so taken. The Trustee may, however, take such action without such indemnity, and in such case the University shall reimburse the Trustee for all such expense to which it may be put, from General Receipts available therefor.
Unless otherwise provided in the Trust Agreement, all moneys received by the Trustee under the Trust Agreement shall, until used or applied as therein provided, be held in trust for the purpose for which they were received but need not be segregated from other funds except to the extent required by the Trust Agreement or by law. The Trustee shall not be under any liability for interest on any moneys received by it under the Trust Agreement except such as may be provided in the Trust Agreement or otherwise agreed upon with the University, and except to the extent that such interest, if any, is paid on similar deposits.

Section 6.02. Fees, Charges and Expenses of Trustee and Paying Agents. Subject to any contract with the University, the Trustee shall be entitled to payment and/or reimbursement for reasonable fees for its services as Trustee rendered hereunder and also all its reasonable expenses, charges and other disbursements and those of its attorneys, agents and employees incurred in and about the administration and execution of the trusts hereby created and the performance of its powers and duties hereunder as Trustee. The Trustee and any Paying Agent shall be entitled to payment and reimbursement for the reasonable fees and charges as, respectively, Paying Agent and Bond Registrar, and Paying Agent, for the Bonds and coupons as hereinabove provided. Payment or reimbursement under this Section shall be from General Receipts available therefor.

Section 6.03. Intervention by Trustee. In any judicial proceeding to which the University or any governmental agency is a party and which in the opinion of the Trustee and its attorney has a substantial bearing on the interests of holders of the Bonds, the Trustee may intervene on behalf of bondholders and shall do so if requested in writing by the holders of at least twenty-five percent of the aggregate principal amount of Bonds then outstanding. The rights and obligations of the Trustee under this Section are subject to the approval of such intervention by a court of competent jurisdiction.

Section 6.04. Successor Trustee. Any corporation into which the Trustee may be converted or merged, or with which it or any successor to it may be consolidated, or to which it may sell or transfer its assets and trust business as a whole or substantially as a whole, or any corporation resulting from any such conversion, sale, merge, consolidation or transfer to which it is a party, *ipso facto*, shall be and become successor Trustee hereunder and vested with all the trusts, powers, duties, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding; provided, however, that any such successor Trustee shall be a corporate trustee which may be a trust company or a bank having the powers of a trust company within or without the State of Ohio but authorized to exercise trust powers within Ohio.
Section 6.05. **Resignation of the Trustee.** The Trustee may at any time resign from the trusts hereby created by giving written notice to the University and to the Original Purchasers of each series of Bonds not less than sixty days before such resignation is to take effect, and by publishing such notice at least once, in the same manner as provided for in Section 4 of the General Bond Resolution for publication of notice of call for redemption, not less than forty-five days before such resignation is to take effect, but such resignation shall take effect immediately upon the appointment pursuant to Section 6.07 hereof of a successor Trustee if such successor Trustee shall be appointed before the time stated in such notice and shall then accept the trusts hereof.

Section 6.06. **Removal of the Trustee.** The Trustee may be removed at any time by an instrument or concurrent instrument in writing delivered to the Trustee and to the University and signed by or on behalf of the holders of not less than a majority in aggregate principal amount of Bonds then outstanding.

Section 6.07. **Appointment of Successor Trustee.** In case the Trustee shall resign or be removed, or be dissolved, or otherwise become incapable of acting hereunder, or in case it shall be taken under the control of any public officer or officers, or of a receiver appointed by a court, a successor shall be appointed by the University; provided that following ten days after the notice of resignation or instrument of removal is delivered as provided in Sections 6.05 and 6.06, respectively, or the Trustee is dissolved, taken under control or otherwise incapable of action as above provided, then the holders of a majority in aggregate principal amount of Bonds then outstanding, by an instrument or concurrent instruments in writing signed by or on behalf of such holders, may designate a successor Trustee unless prior to the filing of such instrument so signed with the University a successor Trustee shall have been appointed by the University. Every such successor Trustee appointed pursuant to the provisions of this Section shall have the same qualifications as provided for a successor Trustee in Section 6.04 hereof and, in addition, shall have a reported capital and surplus of not less than $10,000,000 and shall be willing to accept the trusteeship under the terms and conditions of the Trust Agreement.

Section 6.08. **Concerning any Successor Trustee.** Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the University, with a copy to the Original Purchasers of each series of the Bonds, an instrument in writing accepting such appointment hereunder, and thereupon such successor without any further act shall become fully vested with all the rights, powers, trusts, duties and obligations of its predecessor; but such predecessor shall, nevertheless, on the written request of its successor or of the University, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of such predecessor hereunder. Should any instrument in writing from the University be required by any successor Trustee for more fully and certainly vesting in such successor the rights, powers and duties hereby vested or intended to be vested in the predecessor any and all such instruments in writing shall, on request, be executed, acknowledged, and delivered by the University.
Section 6.09. Trustee Protected in Relying Upon Resolutions, etc. The resolutions, opinions, reports, certificates and other instruments provided for in the Trust Agreement may be accepted by the Trustee as conclusive evidence of the facts and conclusions stated therein and shall be full warrant, protection and authority to the Trustee for its actions taken hereunder.

Section 6.10. Trustee as Paying Agent and Bond Registrar; Bondholder List. The Trustee is hereby designated and agrees to act as Bond Registrar for and in respect to the Bonds to the extent provided in the Trust Agreement, and as Paying Agent for any series of Bonds for which it is designated Paying Agent pursuant to the Trust Agreement or the applicable Series Resolution.

To the extent that such information shall be made known to the Trustee or the University under the terms of this paragraph, the University will keep on file at the Trustee's office a list of names and addresses of the last known holders of all Bonds payable to bearer and believed to be held by each of such last known holders. Any bondholder may request that his name and address be placed on said list by filing a written request with the Trustee or the University, which request shall include a statement of the principal amount, series designation and the identifying numbers of such Bonds. The University and the Trustee shall be under no responsibility with regard to the accuracy of said list. At reasonable times and under reasonable regulations established by the Trustee, said list may be inspected and copied by the University or by holders (or a designated representative thereof) of twenty-five percent or more in principal amount of Bonds then outstanding.

Section 6.11. Successor Trustee as Custodian of Funds, Bond Registrar and Paying Agent. In the event of a change in the office of Trustee, the predecessor Trustee which has resigned or been removed shall cease to be custodian of any funds it may hold pursuant to this Agreement, and cease, to the extent that it was such, to be Bond Registrar and Paying Agent for any of the Bonds and the successor Trustee shall become such custodian, Bond Registrar and Paying Agent.

Section 6.12. Adoption of Authentication. In case any of the Bonds contemplated to be issued hereunder shall have been authenticated but not delivered, any successor Trustee may adopt the certificate of authentication of the predecessor and deliver the said Bonds so authenticated as hereinabove provided; and in case any of such Bonds shall not have been authenticated, any successor Trustee may authenticate such Bonds either in the name of any predecessor or in its own name. In all such cases such certificate of authentication shall have the same force and effect as provided in the Bonds or in this Agreement with respect to the certificate of authentication of the Trustee.

Section 6.13. Designation, Resignation, Removal and Succession of Paying Agents. The Trustee and the other banks or trust companies, if any, designated as Paying Agent or Paying Agents in a Series Resolution shall be the Paying Agents for the applicable series of Bonds, and in the absence of such designation in a Series Resolution the Trustee shall be the sole Paying Agent for
Bonds authorized by such Series Resolution. A copy of the Agreement and of the Supplemental
Trust Agreement relating to the applicable series of Bonds shall be filed with each Paying Agent
therefor, and the terms and provisions of such agreements shall, to the extent they refer to powers,
duties and responsibilities of Paying Agents, be deemed to be part of the paying agency Agreement.

Any bank or trust company with or into which any Paying Agent, except the Trustee, may be merged or consolidated, or to which the assets and business of such Paying Agent may be sold, shall be deemed the successor of such Paying Agent for the purposes of this Agreement.

Any Paying Agent, except the Trustee, may resign, and be discharged of its duties and obligations created by the Agreement by giving at least 120 days notice to the University, the Trustee, and the Original Purchasers of each series of Bonds for which it is the Paying Agent. Any Paying Agent may be removed at any time by an instrument, signed on behalf of the University and approved by the Trustee, filed with such Paying Agent, the Trustee, and the Original Purchasers of the Bonds for which such Paying Agent is the Paying Agent, or by an instrument in writing signed by the owners of at least a majority in principal amount of the outstanding Bonds for which such Paying Agent is the Paying Agent and filed with the University, the Trustee, and the Original Purchasers of each such series of Bonds.

If the position of Paying Agent shall become vacant for any reason, the University shall, within thirty days thereafter, appoint a bank or trust company located in the same city as such Paying Agent to fill such vacancy; provided, however, that if the University shall fail to appoint such Paying Agent within said period, the Trustee shall make such appointment. Notice of the appointment of such Paying Agent shall be given by the Trustee to the Original Purchasers of the series of Bonds affected thereby and to the holders of coupon Bonds of such series as their names appear on the list of bondholders provided for in Section 6.10 hereof.

The Paying Agents shall enjoy the same protection provisions in the performance of their duties hereunder as are specified in Section 6.01 with respect to the Trustee, insofar as such provisions may be applicable.

Section 6.14. Trustee and Paying Agents May Deal in Bonds. The Trustee and Paying Agents, and any of their directors, officers, employees, or agents, may in good faith become the owner of Bonds and coupons secured hereby with the same rights which it or they would have hereunder if the Trustee or Paying Agent were not such.

ARTICLE VII
DEFAULT PROVISIONS AND REMEDIES
OF TRUSTEE AND BONDHOLDERS

Section 7.01. Events of Default. The following events shall be events of default under this Agreement:

(a) Failure to pay interest on any Bond, when and as the same shall have become due and payable, and such failure shall have continued for a period of thirty days;
(b) Failure to pay the principal (and redemption premium, if any) of any Bond, when and as the same shall have become due and payable, whether at maturity or by acceleration by call for redemption, and such failure shall have continued for a period of thirty days;

(c) Failure to perform or observe duly or punctually any other covenant, condition or agreement contained in the Bonds or the Trust Agreement and to be performed by the University, which failure shall have continued for a period of ninety days after the notice described below.

The notice referred to in this Section 7.01 is written notice specifying the default and requiring same to be remedied, given to the University by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the holders of not less than ten per centum of the Bonds then outstanding.

Section 7.02. Acceleration. In case an event of default shall have occurred and at any time during the continuance of such event of default, the Trustee may, and upon the written request of the holders of at least twenty-five per centum in principal amount of the Bonds then outstanding shall, by notice in writing to the University, declare the principal of all the Bonds then outstanding (if not then due and payable) and the interest accrued thereon to be due and payable immediately, and, upon such declaration, such principal and interest shall become and be immediately due and payable.

The provisions of the above paragraph are subject, however, to the condition that if at any time after such principal and interest shall have been so declared due and payable and prior to the entry of judgment in a court of law or equity for enforcement hereunder or the appointment of a receiver hereunder, all sums payable under the Trust Agreement except the principal of, and interest accrued after the next preceding interest payment date on, the Bonds which have not reached their stated maturity dates and which are due and payable solely by reason of such declaration, plus interest (to the extent permitted by law) on any overdue installments of interest at the rate borne by the Bonds in respect of which such event of default shall have occurred, shall have been duly paid or provided for by deposit with the Trustee or Paying Agents and all existing defaults shall have been made good, then and in every such case such payment or provisions for payment shall ipso facto constitute a waiver of such event of default and its consequences and an automatic rescission and annulment of such declaration under the above paragraph, but no such waiver and rescission shall extend to or affect any such subsequent event of default or impair any rights consequent thereon.

Section 7.03. Enforcement of Rights Under Agreement. Upon the happening and continuance of any event of default specified in Section 7.01 of this Agreement, then and in every such case the Trustee may proceed, and upon the written request of the holders of not less than ten per centum in principal amount of the Bonds then outstanding hereunder shall proceed, subject to the provisions of Section 6.01 of this Agreement, to protect and enforce its rights and the rights of
the bondholders under this Agreement by such suits, actions or special proceedings in equity or at law, either for the specific performance of any covenant or agreement contained herein or in aid or execution of any power herein granted or for the enforcement of any proper legal or equitable remedy, as the Trustee, being advised by counsel, shall deem most effective to protect and enforce such rights.

In the enforcement of any remedy under this Agreement the Trustee shall be entitled to sue for, enforce payment of and receive any and all amounts then or during any default becoming due, and at any time remaining unpaid, on account of principal, interest or otherwise under any of the provisions of this Agreement or of the Bonds, with interest on overdue payments at the rate or rates of interest specified in such Bonds, together with any and all costs and expenses of collection and of all proceedings hereunder and under such Bonds, without prejudice to any other right or remedy of the Trustee or of the bondholders, and to recover and enforce judgment or decree against the University, but solely as provided herein and in such Bonds, for any portion of such amounts remaining unpaid, with interest, costs and expenses, and to collect (but solely from the General Receipts and the special funds and accounts from which the Bonds are payable) in any manner provided by law, the moneys adjudged or decreed to be payable.

In the event of the occurrence of an event of default as defined in subparagraphs (a) or (b) of Section 7.01 hereof, the Trustee may apply to a court having jurisdiction of the cause to appoint a receiver, who may be the Trustee, to receive and administer the General Receipts and the Bond Pledge Fund, with full power to pay and to provide for payment of Bond service charges, and with such powers, subject to the discretion of the court, as are accorded receivers in general equity cases, excluding any power to pledge additional revenues or receipts or other income or moneys of the University to the payment of such Bond service charges, and excluding the power to take possession of, mortgage or cause the sale or otherwise dispose of any University Facilities or other capital facilities of the University.

The holders of not less than two-thirds in principal amount of the Bonds then outstanding hereunder shall have the right at any time, by an instrument in writing executed and delivered to the Trustee, to direct the method and place of conducting any and all remedial proceedings under this Agreement; provided that such direction shall not be otherwise than in accordance with the provisions of law or of this Agreement, and provided that the Trustee shall be indemnified to its satisfaction; and the Trustee shall be fully protected in acting upon and in accordance with any instrument or instruments in writing as executed by the holders of not less than two-thirds in principal amount of the Bonds at the time outstanding.

No remedy by the terms of this Agreement conferred upon or reserved to the Trustee (or to the holders of the Bonds or coupons) is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee or to the holders of the Bonds hereunder or now or hereafter existing.
No delay or omission to exercise any right or power accruing upon any default or event of default shall impair any such right or power or shall be construed to be a waiver of any such default or event of default or acquiescence therein; and every such right and power may be exercised from time to time and as often as may be deemed expedient.

Section 7.04. Effect of Abandonment of Any Proceeding or Recovery of Judgment. In case any proceeding taken by the Trustee on account of any event of default shall have been discontinued or abandoned for any reason, then and in every such case the University, the Trustee and the bondholders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no such proceeding had been taken.

No recovery of any judgment by the Trustee, and no levy of any execution under any judgment hereunder, shall affect in any manner or to any extent the rights and duties provided for in this Agreement or any part thereof, or any rights, powers or remedies of the Trustee hereunder, or any rights, powers or remedies of the holders of the Bonds, but such rights, powers and remedies of the Trustee and of the holders of the Bonds shall continue unimpaired as before.

Section 7.05. Remedial Action in Name of Trustee Without Ownership of Bonds. All rights of action under this Agreement and under any of the Bonds and coupons may be enforced by the Trustee without possession of any of the Bonds or coupons and without production thereof at any trial or other proceedings relative thereto. Any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee, and any recovery of judgment shall be for the benefit of the holders of the Bonds outstanding hereunder and the coupons thereto appertaining, subject, however, to the provisions of this Agreement, including Section 5.01 hereof.

Section 7.06. Waivers of Events of Default. At any time the Trustee may in its discretion waive any event of default hereunder and its consequences, and rescind any declaration of maturity of principal, and shall do so upon the written request of the holders of (1) at least a majority in aggregate principal amount of all the Bonds then outstanding in respect of which an event of default in the payment of Bond service charges exists, or (2) at least twenty-five percent in aggregate principal amount of all Bonds then outstanding in case of any other event of default. There shall not be so waived, however, any event of default described in subparagraphs (a) or (b) of Section 7.01 hereof, or any such declaration in connection therewith rescinded, unless at the time of such waiver or rescission payments of the amounts as provided in Section 7.02 hereof for waiver and automatic rescission in connection with acceleration of maturity have been made or provided for. In case of any such waiver or rescission, or in case any proceedings taken by the Trustee on account of any such event of default shall have been discontinued or abandoned or determined adversely, then and in every such case the University, the Trustee, and the bondholders shall be restored to their positions and rights hereunder respectively, but no such waiver or rescission shall extend to any subsequent or other event of default, or impair any right consequent thereon.
Section 7.07. **Remedial Action by Bondholders.** No holder of any Bond or coupon shall have any right to institute any suit, action or proceeding for the enforcement of this Trust Agreement or for the execution of any trust thereof or for the appointment of a receiver or any other remedy hereunder unless (a) an event of default has occurred, (b) such holder shall previously have given to the Trustee written notice of such event of default, (c) the holders of at least twenty-five percent in aggregate principal amount of Bonds then outstanding shall have made written request to the Trustee and shall have afforded the Trustee reasonable opportunity to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name and have also offered to the Trustee indemnity as provided in Section 6.01 hereof, and (d) the Trustee shall thereafter fail or refuse to exercise the powers hereinbefore granted, or to institute such action, suit or proceeding in its own name; and such notification, request and offer of indemnity are hereby declared in every case to be, at the option of the Trustee, conditions precedent to the execution of the powers and trusts of the Trust Agreement, and to any action or cause of action for the enforcement of the Trust Agreement, or for the appointment of a receiver or for any other remedy hereunder; it being understood and intended that no one or more holders of the Bonds or coupons shall have any right in any manner whatsoever to affect, disturb or prejudice the benefit of the Trust Agreement by its, his, or their action or to enforce any right hereunder except in the manner herein provided and that proceedings shall be instituted, had and maintained in the manner herein provided and for the benefit of the holders of all Bonds then outstanding.

Subject to the foregoing, each bondholder shall have a right of action to enforce the payment of the principal of and interest on any Bond held or owned by him at and after the maturity thereof at the place, from the sources and in the manner in said Bond expressed.

Section 7.08. **Application of Moneys.** All moneys received by the Trustee or a receiver pursuant to any right given or action taken under the provisions of this Article shall, subject to any provisions made pursuant to Sections 10 or 11 of the General Bond Resolution or to Sections 3.04 or 4.01 hereof, after payment of the cost and expenses, liabilities and advances incurred or made by the Trustee or receiver, be applied as follows:

(a) Unless the principal of all the Bonds shall have become or have been declared due and payable pursuant to this Article, all such moneys shall be applied:

First: To the payment to the persons entitled thereto of all installments of interest then due on the Bonds, in the order of the maturity of the installments of such interest and beginning with the earliest such maturity, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment thereof ratably, according to the amounts due on such installment, to the persons entitled thereto,
without any discrimination or privilege except as to any difference in the respective rates of interest specified in the Bonds; and

Second: To the payment to the persons entitled thereto of the unpaid principal of any of the Bonds which shall have become due (other than Bonds previously called for redemption for the payment of which moneys are held pursuant to the provisions of this Agreement), whether at maturity or by call for redemption, in order of their due dates and beginning with the earliest such due date, with interest on such Bonds from the respective dates upon which they became due and if the amount available shall not be sufficient to pay in full all Bonds due on any particular date, together with such interest, then to the payment thereof ratably, according to the amount of principal due on such date, to the persons entitled thereto without any discrimination or privilege.

(b) If the principal of all the Bonds shall have become due or shall have been declared due and payable pursuant to this Article, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or privilege except as to any difference in the respective rates of interest specified in the Bonds.

(c) If the principal of all the Bonds shall have been declared due and payable pursuant to this Article, and if such declaration shall thereafter have been rescinded and annulled under the provisions of Sections 7.02 or 7.06 hereof, then, subject to the provisions of subsection (b) of this Section in the event that the principal of all the Bonds shall later become due and payable, the moneys shall be applied in accordance with the provisions of subsection (a) of this Section.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied as provided in this Section at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall direct the application of such funds, it shall fix the date (which shall be
an interest payment date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates, and for which moneys are available, shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit of any such moneys and of fixing of any such date, and the Trustee shall not be required to direct payment to the holder of any unpaid coupon or any Bond until such coupon or such Bond and all unmatured coupons, if any, appertaining to such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

The above subsections (a), (b) and (c) of this Section and the next preceding paragraph thereof, shall apply to the application of General Receipts received by any receiver appointed and acting pursuant to Section 7.03 hereof.

The provisions of this Section are in all respects subject to the provisions of Section 5.01 hereof.

Whenever all Bonds and interest thereon have been paid under the provisions of this Section, and all expenses and charges of the Trustee and Paying Agents and all other expenses payable under the Trust Agreement have been paid, any balance remaining in the Bond Service Fund or other special funds or accounts shall be paid to the University.

ARTICLE VIII
SUPPLEMENTAL TRUST AGREEMENTS

Section 8.01. Supplemental Trust Agreements Not Requiring Consent of Bondholders.

The University and the Trustee may without the consent of, or notice to, any of the bondholders enter into agreements supplemental to the Trust Agreement as shall not, in the opinion of the University and the Trustee, be inconsistent with the terms and provisions hereof for any one or more of the following purposes: (i) to cure any ambiguity, inconsistency or formal defect or omission in the Trust Agreement; (ii) to grant to or confer upon the Trustee for the benefit of the bondholders any additional rights, remedies, powers, or authority that may lawfully be granted to or conferred upon the bondholders or the Trustee; (iii) to subject additional revenues or receipts to the lien and pledge of the Trust Agreement; (iv) to add to the covenants and agreements of the University contained in the Trust Agreement other covenants and agreements thereafter to be observed for the protection of the bondholders, or to surrender or limit any right, power or authority reserved to or conferred upon the University in the Trust Agreement, including the limitation of rights of redemption so that in certain instances Bonds of different series will be redeemed in some prescribed relation to one another; (v) to evidence any succession to the University and the assumption by such successor of the covenants and agreements of the University contained in the Trust Agreement and the Bonds; and (vi) in connection with the issuance of Bonds in accordance with Section 3 of the General Bond Resolution and Section 2.02 of the Agreement.

Section 8.02. Supplemental Trust Agreements Requiring Consent of Bondholders.

Exclusive of Supplemental Trust Agreements referred to in Section 8.01 hereof and subject to the terms and provisions and limitations contained in this Section, and not otherwise, the holders of not
less than two-thirds in aggregate principal amount of the Bonds then outstanding shall have the right, from time to time, anything contained in the Trust Agreement to the contrary notwithstanding, to consent to and approve the execution by the University and the Trustee of such other agreement or agreements supplemental to the Trust Agreement as shall be deemed necessary and desirable by the University for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in the Trust Agreement, provided, however, that nothing in this Section or elsewhere in the Trust Agreement shall permit, or be construed as permitting (i) an extension of the maturity of the principal of or the interest on any Bond, or a reduction in the principal amount of any Bond or the rate of interest or redemption premium thereon, or a reduction in the amount or extension of the time of any payment required by any mandatory sinking fund requirements, without the consent of the holder of each Bond so affected, or (ii) a reduction in the aggregate principal amount of the Bonds required for consent to such Supplemental Trust Agreement without the consent of the holders of all of the Bonds then outstanding.

Bonds owned or held by or for the account of the University shall not be deemed outstanding for the purpose of consent or other action or any calculation of outstanding Bonds provided for in this Section, and the University shall not be entitled with respect to such Bonds to give any consent or take any other action provided for in this Section. At the time of any consent or other action taken under this Section, the University shall furnish the Trustee a certificate of an Authorized Officer of the University, upon which the Trustee may rely, describing all Bonds so to be excluded.

If at any time the University shall request the Trustee to enter into any such Supplemental Trust Agreement for any of the purposes of this Section, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such Supplemental Trust Agreement to be published as shall be requested by the University and in any event at least one time in a newspaper or financial journal of national circulation published in the City and State of New York. If, because of temporary or permanent suspension of publication or circulation of newspapers or financial journals of national circulation published in the City and State of New York, or for any other reason it is impossible or impractical to publish such notice in the manner herein provided, then such publication in lieu thereof as shall be made with the approval of the Trustee shall constitute a sufficient publication of notice. On or before the date of the first publication of such notice, the Trustee shall also cause a similar notice to be mailed, postage prepaid, to the Original Purchasers of each series of Bonds, to all registered holders of Bonds then outstanding at their addresses as they appear on the registration books herein provided for, and to all other bondholders whose names and addresses appear on the list of bondholders provided for in Section 6.10 hereof. The Trustee shall not, however, be subject to any liability to any bondholder by reason of its failure to mail, or the failure of such bondholder to receive, the notice required by
this Section, and any such failure shall not affect the validity of such Supplemental Trust Agreement when consented to and approved as provided in this Section. Such notice shall briefly set forth the nature of the proposed Supplemental Trust Agreement and shall state that copies thereof are on file at the office of the Trustee for inspection by all bondholders.

If within such period, not exceeding one year, as shall be prescribed by the University, following the first publication of such notice, the Trustee shall receive an instrument or instruments purporting to be executed by the holders of not less than two-thirds in aggregate principal amount of the Bonds then outstanding which instrument or instruments shall refer to the proposed Supplemental Trust Agreement described in such notice and shall specifically consent to and approve the execution thereof in substantially the form of the copy thereof referred to in such notice as on file with the Trustee, thereupon, but not otherwise, the Trustee shall execute such Supplemental Trust Agreement in substantially such form, without liability or responsibility to any holder of any Bond, whether or not such holder shall have consented thereto.

Any such consent shall be binding upon the holder of the Bond giving such consent and, anything in Section 10.01 to the contrary notwithstanding, upon any subsequent holder of such Bond and of any Bond issued in exchange therefor (whether or not such subsequent holder thereof has notice thereof), unless such consent is revoked in writing by the holder of such Bond giving such consent or by a subsequent holder thereof by filing with the Trustee, prior to the execution by the Trustee of such Supplemental Trust Agreement, such revocation and, if such Bond or Bonds are transferable by delivery, proof that such Bonds are held by the signer of such revocation in the manner permitted by Section 10.01. At any time after the holders of the required percentage of Bonds shall have filed their consents to the Supplemental Trust Agreement, the Trustee shall make and file with the University a written statement that the holders of such required percentage of Bonds have filed such consents. Such written statement shall be conclusive that such consents have been so filed.

If the holders of the required percentage in aggregate principal amount of the Bonds outstanding shall have consented to and approved the execution thereof as herein provided, no holder of any Bond shall have any right to object to the execution of such Supplemental Trust Agreement, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the University from executing the same or from taking any action pursuant to the provisions thereof.

Section 8.03. Authorization to Trustee; Effect of Supplement. The Trustee is authorized to join with the University in the execution of any such Supplemental Trust Agreement provided for in this Article and to make the further agreements and stipulations which may be contained therein. Any Supplemental Trust Agreement executed in accordance with the provisions of this Article shall thereafter form a part of the Trust Agreement; all the terms and conditions
contained in any such Supplemental Trust Agreement as to any provision authorized to be contained therein shall be and shall be deemed to be part of the terms and conditions of the Trust Agreement for any and all purposes; this Agreement shall be and be deemed to be modified and amended in accordance therewith; and the respective rights, duties and obligations under this Agreement of the University, the Trustee, Paying Agents and all holders of Bonds then outstanding shall thereafter be determined, exercised and enforced thereunder, subject in all respects to such modifications and amendments. Express reference to such executed Supplemental Trust Agreement may be made in the text of any Bonds issued thereafter, if deemed necessary or desirable by the Trustee or the University. A copy of any Supplemental Trust Agreement provided for in this Article, except such as may be entered into pursuant to clause (vi) of Section 8.01 hereof, shall be mailed by the Trustee to the Original Purchasers of each and every series of Bonds affected thereby.

Section 8.04. Opinion of Counsel. The Trustee shall be entitled to receive, and shall be fully protected in relying upon, the opinion of any counsel approved by it, who may be counsel for the University, as conclusive evidence that any such proposed Supplemental Trust Agreement complies with the provisions of this Agreement, and that it is proper for the Trustee, under the provisions of this Article, to join in the execution of such Supplemental Trust Agreement.

Section 8.05. Modification by Unanimous Consent. Notwithstanding anything contained elsewhere in this agreement, the rights and obligations of the University and of the holders of the Bonds and coupons, and the terms and provisions of the Bonds and coupons and this Agreement or any Supplemental Trust Agreement, may be modified or altered in any respect with the consent of the University and the consent of the holders of all of the Bonds then outstanding.

ARTICLE IX
DEFEASANCE

Section 9.01. Release of Agreement. If the University shall pay or cause to be paid, or there shall otherwise be paid, to the holders of the outstanding Bonds and coupons all Bond service charges due or to become due thereon, and provision shall also be made for paying all other sums payable hereunder by the University, then and in that event the Trust Agreement shall cease, determine and become null and void, and the covenants, agreements and other obligations of the University hereunder shall be discharged and satisfied, and thereupon the Trustee shall execute and deliver to the University such instruments to evidence such release and discharge as may be reasonably required by the University, and the Trustee and Paying Agents shall assign and deliver to the University any funds at the time subject to the lien of the Trust Agreement which may then be in their possession except for such funds as are held by the Trustee and Paying Agents for the payment of Bond service charges on the Bonds, which funds shall be held and applied by the Trustee and the Paying Agents for the purposes as provided in this Agreement and which shall be transferred to the University at the times and with the effect as provided in Section 4.01 hereof.

Section 9.02. Payment of Bond Service Charges. All Bond service charges due or to become due on outstanding Bonds and coupons shall be deemed to have been paid or caused to be paid within the meaning of Section 9.01 hereof if:
(a) the Trustee and Paying Agents shall hold, in trust for and
irrevocably committed thereto, sufficient moneys, or

(b) the Trustee shall hold, in trust for and irrevocably committed
thereto, in the Bond Service Account, the Bond Service Reserve Account, the
Bond Redemption and Purchase Account, or other accounts in the Bond
Service Fund, direct obligations of the United States certified by an
independent public accounting firm of national reputation to be of such
maturities and interest payment dates and to bear such interest as will, without
further investment or reinvestment of either the principal amount thereof or
the interest earnings therefrom (likewise to be held in trust and committed,
except as hereinafter provided), be sufficient together with moneys referred to
in (a) above,

for the payment, at their maturity or redemption date, of all Bond service charges thereon to the
date of maturity or redemption, as the case may be, or if default in such payment shall have
occurred on such date then to the date of the tender of such payment; provided, that if any Bonds
are to be redeemed prior to the maturity thereof, notice of such redemption shall have been duly
given or irrevocable provision satisfactory to the Trustee shall have been duly made for the giving of
such notice. Any moneys held by the Trustee in accordance with the provisions of this paragraph
shall be invested only in direct obligations of the United States the maturities or redemption dates
of which, at the option of the holder, shall coincide as nearly as practicable with, but not later than,
the time or times at which said moneys will be required for the aforesaid purposes. Any income or
interest earned by, or increment to, the investments held under this paragraph shall, to the extent
not required for the purposes of this Section, be transferred to the University free of any trust or
lien.

In the event that the Trust Agreement is satisfied and discharged in accordance with this
Section and Section 9.01 hereof, all Bonds then outstanding and appurtenant coupons shall cease to
be entitled to any lien, benefit or security of this Agreement except the right to receive the funds
held by the Trustee and the Paying Agents pursuant to this Section or by the University pursuant to
Section 4.01 hereof, and such Bonds and coupons shall be deemed not to be outstanding hereunder,
and it shall be the duty of the Trustee and Paying Agents and the University to so hold such funds
for the benefit of the holders of such Bonds and coupons.

Whenever moneys held to the credit of the Bond Service Fund shall be sufficient for the
satisfaction and discharge of the Agreement in accordance with this Article, the Trustee shall, upon
request of the University, but subject to any limitations on the use of such funds pursuant to
Section 11 of the General Bond Resolution or any other provision of this Agreement, endeavor to
purchase for retirement and cancellation Bonds or portions of Bonds, whether or not such Bonds
shall then be subject to redemption, on the most advantageous terms obtainable with reasonable
diligence, having regard to interest rate and price, such price not to exceed the principal amount
thereof and the interest accrued thereon to the date of payment therefor plus the amount of the redemption premium, if any, held with respect to such Bonds or portions of Bonds. No such purchase shall be made by the Trustee within the period of seventy days next preceding any interest payment date.

ARTICLE X
MISCELLANEOUS

Section 10.01. Instruments of Bondholders. Any consent, request, direction, approval, objection or other instrument required by the Trust Agreement to be signed and executed by the bondholders may be in any number of concurrent writings of similar tenor and may be signed or executed by such bondholders in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes of the Trust Agreement, and shall be conclusive in favor of the Trustee with regard to any action taken under such instrument, namely:

(a) The fact and date of the execution by any person of any such writing may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such writing acknowledged before him the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of the holding by any person of Bonds and/or coupons transferable by delivery and the amounts and numbers of such Bonds, and the date of the holding of the same, may be proved by a certificate executed on behalf of any trust company or bank, wherever situated, by an officer thereof, stating that at the date thereof the party named therein did exhibit to such officer of such trust company or bank as the property of such party, the Bonds and/or coupons therein mentioned, if such certificate shall be deemed by the Trustee to be satisfactory. In lieu of the foregoing the Trustee may accept other proofs of the foregoing it shall deem appropriate. For all purposes of this Agreement and of the proceedings for the enforcement hereof, such person shall be deemed to continue to be the holder of such Bond until the Trustee shall have received notice in writing to the contrary. The fact of ownership of Bonds registered as to principal (except to bearer) shall be proved by the registration books maintained by the Bond Registrar.

Nothing contained herein shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matter herein stated which it deems to be sufficient. Any request or consent of the holder of any Bond shall bind every future holder of the same Bond, and any coupons appertaining thereto, in respect to anything done or suffered to be done by the University, the Trustee or any Paying Agent in pursuance of such request or consent.
Section 10.02. **Limitation of Rights.** With the exception of rights herein expressly conferred, nothing expressed or mentioned in or to be implied from the Trust Agreement or the Bonds is intended or shall be construed to give to any person other than the parties hereto and the holders of the Bonds and coupons any legal or equitable right, remedy or claim under or in respect to this Agreement or any covenants, conditions and provisions herein contained; this Agreement and all of the covenants, conditions and provisions hereof being intended to be and being for the sole and exclusive benefit of the parties hereto and the holders of the Bonds and coupons as herein provided.

Section 10.03. **Severability.** In case any section or provision of the Trust Agreement, or in case any covenant, stipulation, obligation, agreement, act, or action, or part thereof, made, assumed, entered into, or taken under the Trust Agreement, or any application thereof, is for any reason held to be illegal or invalid, such illegality or invalidity shall not affect the remainder thereof or any other section or provision of the Trust Agreement or any other covenant, stipulation, obligation, agreement, act, or action, or part thereof, made, assumed, entered into, or taken under the Trust Agreement, which shall be construed and enforced as if such illegal or invalid portion were not contained therein, nor shall such illegality or invalidity or any application thereof affect any legal and valid application thereof, and each such section, provision, covenant, stipulation, obligation, agreement, act, or action, or part thereof, shall be deemed to be effective, operative, made, entered into or taken in the manner and to the full extent permitted by law.

Section 10.04. **Notices.** It shall be sufficient service or giving of any notice, request, complaint, demand or other paper if the same shall be duly mailed by registered or certified mail addressed as follows: if to the University, addressed to the President or the Fiscal Officer of the University; if to the Trustee, to the Trustee at its principal office. The University and the Trustee may, by notice given hereunder, designate any further or different addresses to which subsequent notices, certificates or other communications shall be sent.

Section 10.05. **Payments Due on Holidays.** In any case where the date of maturity of interest on or principal of the Bonds or the date fixed for redemption of any Bonds shall be a Sunday, a holiday or any other day on which the Trustee or any other Paying Agent is authorized or not prohibited by law to close and is closed, then payment of such interest or principal and any redemption premium need not be made by such Paying Agent on such date but may be made on the next succeeding business day on which such Paying Agent is open for business with the same force and effect as if made on the date of maturity or the date fixed for redemption, and no interest shall accrue for the period after such date.

Section 10.06. **No Right to Levy of Excises or Taxes.** Nothing in the Trust Agreement shall be construed as giving the holders of the Bonds or coupons, or any of them, or the Trustee, the right, and they shall have no right, to have excises or taxes levied by the General Assembly of the State of Ohio for the payment of Bond service charges.

79
Section 10.07. **Extent of Covenants: No Personal Liability.** All covenants, stipulations, obligations and agreements of the University contained in the Trust Agreement shall be deemed to be covenants, stipulations, obligations and agreements of the University to the full extent authorized by the Act and permitted by the Constitution of Ohio. No such covenant, stipulation, obligation or agreement shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future member, officer, agent or employee of the University or the Board in his individual capacity, and neither the members of the Board nor any official executing the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance thereof.

Section 10.08. **Binding Effect.** This instrument shall inure to the benefit of and shall be binding upon the University and the Trustee and their respective successors and assigns, subject, however, to the limitations contained in the Trust Agreement.

Section 10.09. **Counterparts.** This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 10.10. **Captions.** The captions or headings in this Agreement are for convenience only and in no way define, limit or describe the scope or intent or any provisions or sections of this Agreement.

IN WITNESS WHEREOF, the University has caused this Agreement to be executed by its duly Authorized Officers, and the seal of the University to be hereto affixed, and The Huntington National Bank of Columbus, as Trustee, in token of its acceptance of the trusts created hereunder, has caused this Agreement to be executed in its name by its duly authorized officers and has caused its corporate seal to be hereto affixed, all as of the day and year first above written, but actually on the dates of the respective acknowledgements.

General Receipts Bond, Series 1971

No. 71- $5,000

The Ohio State University (hereinafter called the “University”), a state university of the State of Ohio created and existing pursuant to Chapter 3335 of the Ohio Revised Code, for value received, promises to pay to bearer, or, if this Bond be registered, to the registered holder hereof, from the sources and in the manner hereinafter referred to, the principal sum of FIVE THOUSAND DOLLARS ($5,000)
on June 1, 19__, and to pay from said sources interest thereon from the date hereof at the rate of per centum ( ) per annum semi-annually on June 1 and December 1 of each year, commencing December 1, 1971, as evidenced by the coupons hereto attached, until payment of such principal sum has been made or duly provided for. Principal and interest are payable in lawful money of the United States of America, without deduction for the services of the Paying Agent, at the principal corporate trust office of the Trustee, presently The Huntington National Bank of Columbus, Columbus, Ohio, or, at the option of the holder, at the principal corporate trust office of the Chemical Bank, New York, New York, (such agents for payment including the Trustee being herein called the “Paying Agents”), upon presentation and surrender of this Bond and the coupons attached hereto as they respectively mature, provided that if this bond is registered as to principal other than to bearer then the principal hereof is payable only at said office of the Trustee.

This Bond is one of the General Receipts Bonds (hereinafter collectively called the “Bonds”) authorized and from time to time to be authorized in various series under and pursuant to Section 2i of Article VIII, Ohio Constitution, Sections 3345.11 and 3345.12 of the Ohio Revised Code, the General Bond Resolution (hereinafter called the “General Bond Resolution”) adopted by the Board of Trustees of the University (hereinafter called the “Board”) on May 7, 1971, a Series Resolution authorizing each issue, and the Agreement described below, for the purpose of paying costs of University Facilities (as defined in the General Bond Resolution) and to refund, fund or retire obligations issued for such purpose. As provided in and subject to said Agreement, the Bonds
may be issued from time to time in one or more series, in various principal amounts, with different maturities and interest rates, and may otherwise vary. The aggregate principal amount of Bonds which may be issued is not limited except as provided in the Agreement or as may hereafter be provided by law, and all Bonds will be equally and ratably secured by the pledges and covenants made therein, except as otherwise expressly provided or permitted in the Agreement.

The Bonds are all to be issued under the Trust Agreement (of which the General Bond Resolution is a part) dated as of June 1, 1971, between the University and the above-named Trustee, as the same has been or may be supplemented or amended in accordance with its terms. Such Trust Agreement and amendments thereto and any applicable Supplemental Trust Agreement, including the Series Resolution constituting part thereof, are herein referred to collectively as the "Agreement". The term "Trustee" as used herein refers to said Trustee or any successor Trustee appointed pursuant to the Agreement. Reference is made to the Agreement for a more complete description of the provisions, among others, with respect to the nature and extent of the security, the rights, duties and obligations of the University, the Trustee and the holders of the Bonds and coupons, and the terms and conditions upon which the Bonds are issued and secured, to all of the provisions of which Agreement each holder, by the acceptance hereof, assents.

This Bond is one of a series of the Bonds, designated General Receipts Bonds, Series 1971 (hereinafter called the "Series 1971 Bonds"), in the aggregate principal amount of $4,500,000, authorized by and issued pursuant to the Series 1971 Resolution adopted by the Board on May 7, 1971, and the Agreement, including the First Supplemental Trust Agreement thereto dated as of June 1, 1971, of which the Series 1971 Resolution is a part, for the purpose of paying part of the costs of certain University Facilities, consisting of certain motor vehicle parking facilities on the campus of the University, comprised of 3 multi-level parking structures and appurtenances known as the Student Union, Arps Hall and Medical School parking, with an aggregate capacity for the parking of approximately 2,250 motor vehicles, and of refunding notes previously issued for such purpose.

The Series 1971 Bonds are issuable as coupon bonds, registrable as to principal, in the denomination of $5,000, and as fully registered bonds in denominations of $5,000 and any authorized multiple thereof. Coupon Bonds and fully registered Bonds are interchangeable in equal aggregate principal amounts and in authorized denominations at the aforesaid office of the Trustee, in the manner and subject to the limitations provided in the Agreement.

This Bond and appurtenant coupons are negotiable instruments but this Bond may be registered as to principal in accordance with the provisions endorsed hereon and the terms and conditions provided in the Agreement.

The Series 1971 Bonds are not callable for redemption prior to December 1, 1981. Series 1971 Bonds maturing after June 1, 1981 are subject to redemption by the University prior to maturity on any interest payment date on or after December 1, 1981, in whole or in part and in
inverse order of their maturity (less than all of such Bonds of a single maturity to be selected by lot in such manner as may be determined by the Trustee), at a redemption price, expressed as a percentage of the principal amount redeemed, of 103% if redeemed on or before December 1, 1985, 102% if redeemed thereafter, but on or before December 1, 1988, and 101% if redeemed thereafter, plus in each case accrued interest. Such right of redemption shall be exercised by notice, specifying the Bonds or portions of fully registered Bonds to be called, the date fixed for redemption and the places where the amounts due upon such redemption are payable, which notice, subject to the provisions of the Agreement therefor, shall be published at least twice in a newspaper or financial journal of national circulation published in the City and State of New York, the first such publication to be not less than thirty days prior to the redemption date. If Bonds or portions of fully registered Bonds are duly called for redemption and if on such redemption date moneys for the redemption thereof, together with interest thereon to the redemption date, shall be held by the Trustee or Paying Agents so as to be available therefor, then from and after such date such Bonds or portions of fully registered Bonds shall cease to bear interest and any coupons for interest thereon maturing subsequently shall be void, and said Bonds, portions of fully registered Bonds, and coupons shall not be deemed to be outstanding under the Agreement.

Principal, interest, and any call premium on the Bonds (hereinafter collectively called the "Bond service charges") are payable solely from, and such payment is secured by a first pledge of and a lien on the gross amount of the General Receipts of the University and the Bond Pledge Fund and the Bond Service Fund, all as defined, and to the extent and in the manner provided, in the Agreement; provided, however, that nothing herein or in the Agreement shall be deemed to prohibit the University, of its own volition, from using to the extent lawfully authorized to do so any other resources for such payment. Such General Receipts are more particularly defined in the General Bond Resolution as all moneys received by the University including, among other receipts, all gross fees, deposits, charges, receipts and income from all or any part of the students of the University, whether designated as tuition, instructional fees, tuition surcharges, general fees, activity fees, or other special purpose fees, or otherwise designated, and all gross income, revenues and receipts from University Facilities; and as excluding certain receipts as provided in the General Bond Resolution, among which are moneys raised by taxation and state appropriations until and unless the pledge thereof to the payment of Bond service charges is authorized by law and provided for by Supplemental Trust Agreement approved by the Board, moneys received in connection with branch campus operations, and specified receipts pledged to secure other bonds of the University. The Bond Pledge Fund is a special trust fund held in the custody of the University into which the University shall pay at specified times in each fiscal year, as provided in the General Bond Resolution, from its collections of General Receipts moneys sufficient in time and amount to meet all payments required to be made in such fiscal year to the Bond Service Fund. The Bond Service Fund, comprised in part of the Bond Service Account and the Bond Service Reserve Account, is
held in the custody of the Trustee, and is pledged to the payment of Bond service charges on all Bonds as provided in the Agreement. As required by the Agreement, the University shall make payments to the Bond Service Fund from the Bond Pledge Fund and, if necessary, from other General Receipts, of amounts sufficient to pay Bond service charges as they come due and to establish and maintain the Required Reserve in the Bond Service Reserve Account. The University has covenanted in the Agreement that so long as any Bonds are outstanding it will fix, make, adjust and collect items of General Receipts as will produce at all times General Receipts sufficient to pay Bond service charges when due, to establish and maintain the Required Reserve as provided in the Bond proceedings, and together with other moneys lawfully available therefor, to pay all costs and expenses required to be paid under the Bond proceedings and all other costs and expenses necessary for the proper maintenance and successful and continuous operation of the University. The holders or owners of the Bonds or appertaining interest coupons shall have no right to have excises or taxes levied by the General Assembly of Ohio for the payment of Bond service charges.

Except as provided in the Agreement, the holders or registered holders of the Bonds are not entitled to enforce the provisions of the Agreement or to institute, appear in or defend any suit, action or proceeding to enforce any provisions of the Agreement or to take any action with respect to any event of default under the Agreement.

In addition to the provisions contained in the Agreement authorizing the University and the Trustee, without the consent of or notice to any bondholder, to enter into Supplemental Trust Agreements not inconsistent with the Agreement and for certain purposes specified therein, the Agreement contains provisions authorizing such parties, with the consent of the holders of not less than 66-2/3% in aggregate principal of the Bonds at the time outstanding, exclusive of any Bonds then held or owned by the University, to enter into Supplemental Trust Agreements for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms and provisions of the Agreement; provided, however, that no such Supplemental Trust Agreement shall extend the maturity of the principal of or the interest on any Bond or reduce the principal amount of any Bond or the rate of interest or redemption premium thereon without the consent of the holder of each Bond so affected, or reduce the aggregate principal amount of the Bonds required for consent to such Supplemental Agreement without the consent of the holders of all Bonds then outstanding.

If an event of default in payment of Bond service charges or other default shall occur, as defined in the Agreement, the principal of Bonds then outstanding may be declared due and payable in the manner and with the effect provided by the Agreement, but subject to waiver of such event of default or rescission of such declaration as provided in the Agreement.

This Bond shall not constitute the personal obligation, either jointly or severally, of the members or officers of the Board or the officers of the University.
Neither this Bond nor any of the appertaining coupons shall be entitled to any security or benefit under the Agreement or become valid or obligatory for any purpose until the certificate of authentication hereon shall have been signed by the Trustee.

It is hereby certified and recited that all acts, conditions and things necessary to be done by the University precedent to and in the issuing of the Series 1971 Bonds in order to make them legal, valid and binding obligations of the University in accordance with their terms, have been done and performed and have happened in regular and due form as required by law; that payment in full for the Series 1971 Bonds has been received; and that the Series 1971 Bonds do not exceed or violate any constitutional or statutory limitation.

IN WITNESS WHEREOF, The Ohio State University has caused this Bond to be executed by the facsimile signature of the President of the University, and by the facsimile signature of the Secretary of the Board of Trustees of the University, and the facsimile seal of the University to be imprinted hereon, and the interest coupons attached hereto to be executed by the facsimile signature of the Vice President, Business and Finance of the University, all as of June 1, 1971.

PROVISIONS FOR REGISTRATION

This Bond may be registered as to principal alone on the registration books of the University kept by the Trustee as Bond Registrar, upon presentation hereof to the Trustee which shall make notation of such registration in the registration blank below, and this Bond may thereafter be transferred only upon an assignment duly executed by the registered holder or his attorney in such form as shall be satisfactory to the Bond Registrar, such transfer to be made on such books and endorsed hereon. Such transfer may be to bearer, and thereby transferability by delivery shall be restored, subject, however, to successive registrations and transfers as before. The principal of this Bond, if registered, unless registered to bearer, shall be payable only to or on the order of the registered holder or his attorney. Notwithstanding the registration of this Bond as to principal alone as aforesaid, the coupons will remain payable to bearer and shall continue to be transferable by delivery.

on June 1, , and to pay from said sources interest thereon from the date hereof at the rate of per centum ( %) per annum semi-annually on June 1 and December 1 of each year, commencing December 1, 1971, until payment of such principal sum has been made or duly provided for. Principal and interest are payable in lawful money of the United States of America, without deduction for the services of the Trustee as Paying Agent. Principal is payable upon presentation and surrender of this Bond at the principal corporate trust office of the Trustee, presently The Huntington National Bank of Columbus, Columbus, Ohio. Interest on this Bond will be paid by check or draft mailed to the registered holder hereof at his address as it appears on the registration books of the University.

This Bond is one of the General Receipts Bonds (hereinafter collectively called the "Bonds") authorized and from time to time to be authorized in various series under and pursuant to Section 2i of Article VIII, Ohio Constitution, Sections 3345.11 and 3345.12 of the Ohio Revised Code, the General Bond Resolution (hereinafter called the "General Bond Resolution") adopted by the Board of Trustees of the University (hereinafter called the "Board") on May 7, 1971, a Series Resolution authorizing each issue, and the Agreement described below, for the purpose of paying costs of University Facilities (as defined in the General Bond Resolution) and to refund, fund or retire obligations issued for such purpose. As provided in and subject to said Agreement, the Bonds may be issued from time to time in one or more series, in various principal amounts, with different maturities and interest rates, and may otherwise vary. The aggregate principal amount of Bonds which may be issued is not limited except as provided in the Agreement or as may hereafter be provided by law, and all Bonds will be equally and ratably secured by the pledges and covenants made therein, except as otherwise expressly provided or permitted in the Agreement.

The Bonds are all to be issued under the Trust Agreement (of which the General Bond Resolution is a part) dated as of June 1, 1971, between the University and the above-named Trustee, as the same has been or may be supplemented or amended in accordance with its terms. Such Trust Agreement and amendments thereto and any applicable Supplemental Trust Agreement, including the Series Resolution constituting part thereof, are herein referred to collectively as the "Agreement". The term "Trustee" as used herein refers to said Trustee or any successor Trustee appointed pursuant to the Agreement. Reference is made to the Agreement for a more complete description of the provisions, among others, with respect to the nature and extent of the security, the rights, duties and obligations of the University, the Trustee and the holders of the Bonds and coupons, and the terms and conditions upon which the Bonds are issued and secured, to all of the provisions of which Agreement each holder, by the acceptance hereof, assents.

This Bond is one of a series of the Bonds, designated General Receipts Bonds, Series 1971 (hereinafter called the "Series 1971 Bonds"), in the aggregate principal amount of $4,590,000, authorized by and issued pursuant to the Series 1971 Resolution adopted by the Board on May 7, 1971, and the Agreement, including the First Supplemental Trust Agreement thereto dated as of
June 1, 1971, of which the Series 1971 Resolution is a part, for the purpose of paying part of the costs of certain University Facilities, consisting of certain motor vehicle parking facilities on the campus of the University, comprised of three multi-level parking structures and appurtenances known as the Student Union, Arps Hall and Medical School parking with an aggregate capacity for the parking of approximately 2,250 motor vehicles, and of refunding notes previously issued for such purpose.

The Series 1971 Bonds are issuable as coupon bonds, registrable as to principal, in the denomination of $5,000, and as fully registered bonds in denominations of $5,000 and any authorized multiple thereof. Coupon Bonds and fully registered Bonds are interchangeable in equal aggregate principal amounts and in authorized denominations at the aforesaid office of the Trustee, in the manner and subject to the limitations provided in the Agreement.

This Bond is transferable by the registered holder hereof in person or by his attorney duly authorized in writing at the principal corporate trust office of the Trustee as Bond Registrar, upon presentation hereof to the Trustee, all subject to the terms and conditions provided in the Agreement.

The Series 1971 Bonds are not callable for redemption prior to December 1, 1981. Series 1971 Bonds maturing after June 1, 1981 are subject to redemption by the University prior to maturity on any interest payment date or after December 1, 1981, in whole or in part and in inverse order of their maturity (less than all of such Bonds of a single maturity to be selected by lot in such manner as may be determined by the Trustee), at a redemption price, expressed as a percentage of the principal amount redeemed, of 103% if redeemed on or before December 1, 1985, 102% if redeemed thereafter, but on or before December 1, 1988 and 101% if redeemed thereafter, plus in each case accrued interest. Such right of redemption shall be exercised by notice, specifying the Bonds or portions of fully registered Bonds to be called, the date fixed for redemption and the places where the amounts due upon such redemption are payable, which notice, subject to the provisions of the Agreement therefor, shall be published at least twice in a newspaper or financial journal of national circulation published in the City and State of New York, the first such publication to be not less than thirty days prior to the redemption date. If Bonds or portions of fully registered Bonds are duly called for redemption and if on such redemption date moneys for the redemption thereof, together with interest thereon to the redemption date, shall be held by the Trustee or Paying Agents so as to be available therefor, then from and after such date such Bonds or portions of fully registered Bonds shall cease to bear interest and any coupons for interest thereon maturing subsequently shall be void, and said Bonds, portions of fully registered Bonds, and coupons shall not be deemed to be outstanding under the Agreement.

Principal, interest, and any call premium on the Bonds (hereinafter collectively called the "Bond service charges") are payable solely from, and such payment is secured by a first pledge of and a lien on the gross amount of the General Receipts of the University and the Bond Pledge Fund
and the Bond Service Fund, all as defined, and to the extent and in the manner provided, in the Agreement; provided, however, that nothing herein or in the Agreement shall be deemed to prohibit the University, of its own volition, from using to the extent lawfully authorized to do so any other resources for such payment. Such General Receipts are more particularly defined in the General Bond Resolution as all moneys received by the University including, among other receipts, all gross fees, deposits, charges, receipts and income from all or any part of the students of the University, whether designated as tuition, instructional fees, tuition surcharges, general fees, activity fees, or other special purpose fees, or otherwise designated, and all gross income, revenues and receipts from University Facilities; and as excluding certain receipts as provided and defined in the General Bond Resolution, among which are moneys raised by taxation and state appropriations until and unless the pledge thereof to the payment of Bond service charges is authorized by law and provided for by Supplemental Trust Agreement approved by the Board, moneys received in connection with branch campus operations, and specified receipts pledged to secure other bonds of the University. The Bond Pledge Fund is a special trust fund held in the custody of the University into which the University shall pay at specified times in each fiscal year, as provided in the General Bond Resolution, from its collections of General Receipts moneys sufficient in time and amount to meet all payments required to be made in such fiscal year to the Bond Service Fund. The Bond Service Fund, comprised in part of the Bond Service Account and the Bond Service Reserve Account, is held in the custody of the Trustee, and is pledged to the payment of Bond service charges on all Bonds as provided in the Agreement. As required by the Agreement, the University shall make payments to the Bond Service Fund from the Bond Pledge Fund and, if necessary, from other General Receipts, of amounts sufficient to pay Bond service charges as they come due and to establish and maintain the Required Reserve in the Bond Service Reserve Account. The University has covenanted in the Agreement that so long as any Bonds are outstanding it will fix, make, adjust and collect items of General Receipts as will produce at all times General Receipts sufficient to pay Bond service charges when due, to establish and maintain the Required Reserve as provided in the Bond proceedings, and together with other moneys lawfully available therefor, to pay all costs and expenses required to be paid under the Bond proceedings and all other costs and expenses necessary for the proper maintenance and successful and continuous operation of the University. The holders or owners of the Bonds or appertaining interest coupons shall have no right to have excises or taxes levied by the General Assembly of Ohio for the payment of Bond service charges.

Except as provided in the Agreement, the holders or registered holders of the Bonds are not entitled to enforce the provisions of the Agreement or to institute, appear in or defend any suit, action or proceeding to enforce any provisions of the Agreement or to take any action with respect to any event of default under the Agreement.

In addition to the provisions contained in the Agreement authorizing the University and the Trustee, without the consent of or notice to any bondholder, to enter into Supplemental Trust
Agreements not inconsistent with the Agreement and for certain purposes specified therein, the Agreement contains provisions authorizing such parties, with the consent of the holders of not less than 66-2/3% in aggregate principal of the Bonds at the time outstanding, exclusive of any Bonds then held or owned by the University, to enter into Supplemental Trust Agreements for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms and provisions of the Agreement; provided, however, that no such Supplemental Trust Agreement shall extend the maturity of the principal of or the interest on any Bond or reduce the principal amount of any Bond or the rate of interest or redemption premium thereon without the consent of the holder of each Bond so affected, or reduce the aggregate principal amount of the Bonds required for consent to such Supplemental Agreement without the consent of the holders of all Bonds then outstanding.

If an event of default in payment of Bond service charges or other default shall occur, as defined in the Agreement, the principal of Bonds then outstanding may be declared due and payable in the manner and with the effect provided by the Agreement, but subject to waiver of such event of default or rescission of such declaration as provided in the Agreement.

This Bond shall not constitute the personal obligation, either jointly or severally, of the members or officers of the Board or the officers of the University.

This Bond shall not be entitled to any security or benefit under the Agreement or become valid or obligatory for any purpose until the certificate of authentication hereon shall have been signed by the Trustee.

It is hereby certified and recited that all acts, conditions and things necessary to be done by the University precedent to and in the issuing of the Series 1971 Bonds in order to make them legal, valid and binding obligations of the University in accordance with their terms, have been done and performed and have happened in regular and due form as required by law; that payment in full for the Series 1971 Bonds has been received; and that the Series 1971 Bonds do not exceed or violate any constitutional or statutory limitation.

IN WITNESS WHEREOF, The Ohio State University has caused this Bond to be executed by the facsimile signature of the President of the University, and by the facsimile signature of the Secretary of the Board of Trustees of the University, and the facsimile seal of the University to be imprinted hereon all as of the first day of

Form of Trustee’s Authentication Certificate to be Endorsed on all Series 1971 Bonds

This Bond is one of the Bonds issued under the provisions of the within mentioned Agreement and First Supplemental Trust Agreement thereto.

The Huntington National Bank of Columbus, Trustee

By ____________________________________________

WHEREAS, the University has, or will have in all respects complied with the provisions of the Agreement so as to be entitled to execute and to have authenticated and delivered by the Trustee $4,500,000 General Receipts Bonds, Series 1971 being the first issue of Bonds pursuant to the Agreement; and

WHEREAS, pursuant to the applicable provisions of Article VIII of the Agreement and particularly Section 8.01 (vi) thereof, the University desires by this Supplement and the Series 1971 Resolution comprising part thereof to provide for the issuance pursuant to the Agreement of said Series 1971 Bonds;

NOW, THEREFORE, THIS FIRST SUPPLEMENTAL TRUST AGREEMENT, WITNESSETH that in order to secure the payment of the Bond service charges on the Series 1971 Bonds according to their true intent and meaning, and to secure the performance and observance of
all covenants and conditions therein, herein, and in the Agreement contained, and for and in consideration of the premises and of the purchase and acceptance of the Series 1971 Bonds by the holders thereof from time to time, and the acceptance by the Trustee of the further trusts hereby created, and for other good and valuable consideration, the receipt of which is hereby acknowledged, the University has executed and delivered this First Supplemental Trust Agreement.

IN TRUST, NEVERTHELESS, upon the terms and trusts in the Agreement and this Supplement set forth for the security of all present and future holders of the Bonds and appurtenant coupons issued or to be issued under and secured by the said Agreement, without priority of any one Bond or coupon over any other by reason of series designation, number, date of authorization, issuance, sale, execution or delivery, date of the Bonds or of maturity, except as may be otherwise permitted by the General Bond Resolution.

Section 1. Incorporation of Resolution and Certificate. The terms and provisions of the Series 1971 Resolution and the Certificate of Award, as set forth in the preambles hereto, constitute part of this Supplement as if such terms and provisions were here set forth.

Section 2. Form, Execution and Delivery. The Series 1971 Bonds shall be executed, authenticated and delivered as provided herein and in the Agreement, and said Series 1971 Bonds, the coupons to be attached thereto, the form of assignment of fully registered Bonds, and the certificate of authentication of the Trustee to be endorsed thereon, shall be substantially in the forms provided in the preambles hereto with any necessary modifications to conform hereto.

Section 3. Concerning the Trustee. The Trustee hereby accepts the trusts hereby declared and provided and agrees to perform the same upon the terms and conditions in the Agreement and in this First Supplement set forth.

The Trustee shall not be responsible in any manner whatsoever for or in respect of the validity or sufficiency of this Supplement or the due execution thereof by the University, nor for or in respect of the recitals herein contained, all of which recitals are made by the University solely.

IN WITNESS WHEREOF, the University has caused this First Supplemental Trust Agreement to be executed by its duly authorized officers and the seal of the University to be hereunto affixed, and The Huntington National Bank of Columbus, Columbus, Ohio, as Trustee, in token of its acceptance of the trusts created hereunder, has caused this First Supplemental Trust Agreement to be executed in its name by its duly authorized officers and has caused its seal to be hereunto affixed, all as of the day and year first above written, but actually on the dates of the respective acknowledgments.

APPENDIX I

POOLED INCOME FUND TRUST AGREEMENT

and

INSTRUMENT OF TRANSFER
This Agreement between The Ohio State University (the University) and ______________________ and ____________________ (the Trustees), executed this __________ day of ________________, 19___ witnesseth:

The purpose and intent of this Agreement is to create a Pooled Income Fund (the Trust) as defined in Section 642(c) (5) of the Internal Revenue Code and the Regulations thereunder through which donors may make contributions to the University subject to a retained life income interest. This Agreement and the Trust hereby created shall be construed and administered in a manner which is consistent with said statute and regulations.

1. Contributions. The Trust shall accept contributions of property (including money) from donors subject to the following terms and conditions:

   (a) An irrevocable remainder interest in the property shall be contributed to the University.

   (b) The donor shall retain for himself and/or create for his spouse (to whom the donor is married at the time of the transfer) and/or other designated beneficiaries who are then alive and are acceptable to the Trustees, a lifetime income interest in the property transferred. If a spouse or other beneficiary is named as a co-beneficiary with the donor the instrument of transfer shall designate the share of income payable to each and whether such shares are to be enjoyed concurrently and/or consecutively. The donor may retain the power exercisable only by will to revoke or terminate the income interest of his spouse or other designated beneficiary.

   (c) The instrument of transfer shall adopt and incorporate by reference all the terms and conditions of this Agreement. A copy of this Agreement shall be attached to each instrument of transfer.
2. **Certain Properties Excluded.**

(a) The Trustees shall not accept or hold any property transferred under arrangements other than those specified in paragraph 1 of this Agreement.

(b) The Trustees shall not accept or invest in any securities the income from which is exempt from federal income tax.

3. **Commingling of Life Income Properties.** The property transferred by each donor shall be commingled with and invested or reinvested with the property transferred to the Trust by other donors satisfying the requirements of paragraph 1 of this Agreement.

4. **Fiscal Year - Valuation Dates.** The Trust shall operate on a fiscal year ending on June 30. The Trust property shall be valued on the first day of each fiscal year (including a fiscal period of less than 12 months), on the first day of each quarter-annual period, and on each date on which property is transferred to the Trust by a donor.

5. **Allocation and Distribution of Income.**

(a) The income share of each beneficiary for each quarter-annual period of the Trust shall be determined by the rate of return earned by the Trust for such period with respect to his income interest, and shall be paid quarterly not later than 20 days after the end of each quarter.

(b) Each income interest retained or created shall be assigned a proportional share of the annual income earned by the Trust. Such share expressed in terms of units of participation shall be based on the fair market value of the property transferred by the donor on the date of transfer, in relation to the value on said date of all property held by the Trust immediately prior thereto.

(c) In the allocation of income to units outstanding during only part of a year (or part of a quarter-annual period) the Trustees shall take into consideration the period of time during which such units were outstanding.
Pooled Income Fund - The Ohio State University (continued)

(d) The income interest of a beneficiary shall terminate with the last regular payment made before his death.

6. Classification of Income.

(a) For purposes of this Agreement the term income refers to the ordinary income of the Trust after deducting any costs and expenses incurred by the Trust which are properly chargeable to income, determined under the law of Ohio.

(b) In allocating receipts and disbursements as between principal and income, the Trustees shall be governed by good accounting practices. Specifically (without intending to limit this general rule) all net gains realized in the sale or other disposition of securities and other investments, capital gains distributions received from investment companies, mutual or common trust funds, liquidating distributions, and all other items not defined as income under Section 643(b) of the Internal Revenue Code, shall be allocated to principal.

7. Distribution of Remainder Interest.

(a) Upon the termination of an income interest an amount equal to the value of the remainder interest in the property upon which the income interest was based shall be severed from the Trust and transferred to the University. The value of the remainder interest shall be its value as of the date of the last regular payment made before the beneficiary's death.

(b) The instrument of transfer by the donor may include a statement of his intention or a direction as to the purposes for which the property is to be used by the University. Any such statement or direction shall be reviewed by the Trustees of the Trust and the transfer shall not be accepted unless such purposes are approved.

(a) The Trust has been created and will be maintained by the University and the Trustees shall be subject to the control of the University. The University may
remove any one or more of the Trustees at any time without cause, and in case of such removal or other vacancy in the Trusteeship the University shall designate one or more successor Trustees.

(b) No donor to the Trust or beneficiary of an income interest in the Trust shall be eligible to serve as Trustee, and no donor or beneficiary shall exercise any responsibilities with respect to the Trust which would ordinarily be exercised by a Trustee.

(c) All expenses of operating the Trust including any compensation payable to the Trustees and all other costs and expenses will be paid or reimbursed by the University; provided however that the University reserves the right to make an annual charge for investment and fiscal services against the ordinary income of the Trust distributable to the life income beneficiaries not to exceed one-half of 1% of such income. No such charge shall be made unless a comparable charge is made against all other pooled income funds, if any, maintained by the University.

(a) Subject to the provisions of paragraph 10 and to the rules and regulations applicable to pooled income funds as defined in Section 642(c) (5) of the Internal Revenue Code, the Trustees shall have full and complete power and authority to administer the property in the Trust, including the power to retain, sell, assign, transfer, exchange, mortgage, pledge, contract with respect to and in any manner dispose of any or all of the property; to lease property, including leases for terms extending beyond the period of the Trust; to execute any instruments or writings incidental to the exercise of their powers; to exercise any voting, subscription and other rights and privileges incidental to securities; to cause securities to be registered in the name of a nominee. The Trustees are given broad discretion in the investment of funds, including the authority to invest in all types of securities - other than tax exempt securities, see paragraph 2(b) - and other classes of property
deemed to be in the best interests of the beneficiaries and the University. No person dealing with the Trustees shall be under a duty to see to the application of the proceeds of any transaction, and the execution of any instrument or paper by the Trustees shall be conclusive evidence to those dealing with them of their power so to act.

(b) The Trustees may consult with the managers and investment advisers of The Ohio State University, holding the general endowment funds of the University, and may make use of services of the University in connection with purchases and sales of securities and other properties. It is intended, however, that this Trust shall at all times be maintained as a separate investment account operated by the Trustees. Detailed accounting records shall be maintained at all times specifically identifying the assets included in the Trust and the income earned by such assets.

10. Federal Tax Requirements. The following specific prohibitions shall apply to the Trust, as a split-interest trust within the meaning of Section 4947(b) of the Internal Revenue Code:

(a) The Trustees shall not engage in any act of self-dealing as defined in Section 4941(d) of the Code.

(b) The Trustees shall not retain any excess business holdings as defined in Section 4943(c) of the Code.

(c) The Trustees shall not make any investment in such manner as to subject the Trust to tax under Section 4944 of the Code.

(d) The Trustees shall not make any taxable expenditures as defined in Section 4945(d) of the Code.

11. Duration of Trust - Amendments.

(a) The Trust shall remain in existence as long as any life income interests are outstanding, and thereafter until all property in the Trust has been transferred to the University.
Pooled Income Fund - The Ohio State University (continued)

(b) This Agreement shall be irrevocable and shall not be subject to amendment except to comply with Section 642(c)(5) of the Internal Revenue Code and the Regulations thereunder, or corresponding provisions of any subsequent federal tax law or Regulations.

Executed by the undersigned Trustees on the date first written above.

Contribution to Pooled Income Fund
of The Ohio State University
(Instrument of Transfer)

The undersigned ______________________, Donor, hereby transfers to the Trustees of The Ohio State University Pooled Income Fund under the Agreement dated ______________, 19__, the following property:

the sum of $____________

the securities or other properties listed in the schedule attached hereto,

subject to the following terms and conditions:

1. The transfer shall be effective on the _____ day of ______________, 19__.

2. The property will be commingled with property transferred by other Donors who have made or make similar transfers, and will be subject in all respects to said Agreement a copy of which, marked Exhibit A, is attached hereto and made a part hereof.

3. The Donor retains for himself and creates for his spouse, ______________________________, a lifetime income interest in the property, determined under said Agreement. The income distributable to the life income beneficiaries shall be paid in accordance with said Agreement:

   (a) To the Donor during his life

   (b) To the Donor's spouse, ______________________________, if she survives the Donor, during the remainder of her life.

The Donor retains the power exercisable only by will to revoke or terminate the income interest of his spouse.

4. An irrevocable remainder interest in the property is hereby transferred to The Ohio State University, to be severed from the Pooled Income Fund and distributed to the University at the termination of said income interest, as provided in said Agreement.
5. The funds and properties so severed from the Pooled Income Fund and distributed to the University shall be administered and expended by the University for the following purposes:

Signed by ______________________________, Donor, and accepted by the Trustees of the Pooled Income Fund, as of ________________________.

APPENDIX II

Degrees Conferred at

THE OHIO STATE UNIVERSITY
COMMENCEMENT CONVOCATION

September 3, 1971
The Recipients of Honors

RALPH L. BOYER
The Ohio State University
Distinguished Service Award

Outstanding citizen who has exhibited civic commitment, industrial foresight, and unselfish service to The Ohio State University.

As vice president and director of engineering for the Cooper-Bessemer Company, Ralph L. Boyer has played a key role in the development of that corporation's reputation as a quality builder of engines and compressors for government and industrial use. Instrumental in the invention of high compression natural gas engines and large turbine engines for industrial power uses, Mr. Boyer has been called upon frequently by public and private concerns to act as a special consultant.

In addition to his many professional responsibilities, Mr. Boyer has contributed valuable service to his community as president of the Martin Memorial Hospital Board of Trustees, the Knox County Mental Health Association, and the Community Concert Association. In testimony of his many notable achievements, he has been awarded the University's Benjamin G. Lamme Meritorious Achievement Medal and The Ohio State University Association's Alumni Centennial Award.

Mr. Boyer received his bachelor of mechanical engineering degree and his mechanical engineer degree from The Ohio State University in 1924 and 1930 respectively, and he has maintained a keen interest in his alma mater through the years. A member/director of the University Research Foundation and a member of the President's Club, Mr. Boyer has long been committed to the forward thrust of Development Fund programs. He was instrumental in the establishment of undergraduate scholarships and provided the impetus for the Cooper-Bessemer Company to match these with departmental grants. His prominence in the founding of the Alumni Committee of 100 for Engineering and his creative leadership as a member of this committee is a distinctive expression of his dedication to the University.

It is an honor to recognize Ralph L. Boyer for his loyalty and distinguished service to The Ohio State University.

GRACE FERN HECK
The Ohio State University
Distinguished Service Award

Noted attorney whose professional achievements and commitment to higher education are of uncommon distinction.

The career of Grace Fern Heck can be characterized as one of active service to her profession and to her alma mater. An alumna of The Ohio State University, she received her bachelor of arts degree in 1928 and the degree of juris doctor summa cum laude in 1930. As the first elected woman prosecutor in the state of Ohio, she served two terms before being elected municipal judge in Urbana, Ohio. Miss Heck has achieved wide respect throughout the legal profession and is active in both the state and national bar associations. Her devotion to the advancement of law education has remained steadfast through the years, and she continues to serve the interests of education as president of The Ohio State University Law Alumni Association.

In addition to her active involvement in efforts to meet the urgent needs of professional education, Miss Heck has demonstrated enthusiastic support through a broad spectrum of University organizations. As a student, she was active in her social sorority, Zeta Tau Alpha, in Kappa Beta Pi legal sorority, and was elected to Phi Beta Kappa and Order of the Coif. As an alumna, she has contributed imaginative leadership to the Champaign County Alumni Club as that organization's president and also to the national alumni association as second vice president. A recipient of the 1970 Alumni Centennial Award, Miss Heck currently is serving a second five-year term on the Alumni Advisory Board. Her personal role has been recognized as a prime factor in the revitalization and expanded dimensions of the board during the past three years.

The Ohio State University is proud to recognize Grace Fern Heck for her outstanding record of professional achievement and for exemplary service to her alma mater.
VIRGIL OVERHOLT
The Ohio State University
Distinguished Service Award

Pre-eminent teacher and practitioner of progressive soil and water conservation methods.

Widely recognized and admired as an engineer, teacher, and agriculturist, Virgil Overholt has maintained an untiring interest in the identification and solution of problems related to agriculture and the environment. Mr. Overholt, who received his bachelor of science degree in agriculture from The Ohio State University in 1915, has served as a member of the faculty for 41 years. He has inspired students, farmers, and associates by his dedication to the advancement of agricultural education, his encouragement of research and development of sophisticated conservation programs, and his progressive application of agricultural technology.

In recognition of outstanding accomplishment in the areas of irrigation, drainage methods, sanitation, and soil erosion control, Mr. Overholt has been awarded the John Deere Medal by the American Society of Agricultural Engineers. He is also the recipient of the Superior Service Award from the United States Department of Agriculture and is an honorary life member of the Ohio Land Improvement Contractors Association. The Board of Trustees of The Ohio State University conferred the title Professor Emeritus upon him at his retirement in 1956.

The Ohio State University is proud to recognize this alumnus and faculty member for his outstanding contributions to improved agricultural technology and for his unselfish service to the University.
