Pursuant to Article I, Section 2, of the By-Laws of the Board of Trustees of The Ohio State University, the Board met upon the call of the Chairman, James W. Shocknessy, in a special meeting on Friday, July 30, 1971, at 3:00 p.m.

* * *
July 30, 1971 meeting, Board of Trustees

REPORT BY CHAIRMAN

A. Report on Consultative Committee to Advise in the Selection of a President

Mr. Shocknessy reported that the Consultative Committee to Advise in the Selection of a President met on July 15, 1971, and adopted criteria to be used in the search for a President as well as the nomination forms. Mr. John G. Ketterer, Chairman of the Committee, subsequently held a press conference on July 22, 1971, in which these criteria and the nominating procedure were announced to the public.

B. Speakers

In line with the policy established at the June meeting in regard to speakers appearing before the Board, Mr. Shocknessy said that no requests had been made to appear before this meeting of the Board.

President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Provisional University Budget for Fiscal Year 1971-1972

President Fawcett made the following comments pertaining to the budget for fiscal year 1971-1972:

As I indicated at the last meeting of this Board on July 2, I had hoped at that time to present the University's budget for 1971-1972 for your consideration. Because the General Assembly had not acted upon our appropriation, however, I recommended that the Board defer budget action at that time and schedule a special meeting today for such action. You will recall that this date was selected because it was the very latest date possible for such action before we must meet our July payroll and start our Autumn Quarter registration process. This registration process must be preceded by any necessary fee adjustment which, in turn, is directly related to the University's budget.

Therefore, since it is not possible for the University to defer the many decisions that directly relate to the budget, I am proposing the adoption by this Board of a provisional University budget based upon my estimate of the minimal University needs for the coming year.

In developing this budget we were fully mindful of the specific appropriation levels currently being discussed by the General Assembly as well as what, in our judgment, is the most probable level of fee increase necessary to balance a continuation budget which, of course, will not provide funding for new programs.
July 30, 1971 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

A. Provisional University Budget for Fiscal Year 1971-1972 (continued)

President Fawcett's statement (continued)

The budget as presented, totaling $253,966,213, is in my judgment, an austere one and represents but a 5.5% or $13,388,779 increase over last year to meet mandated and other salary costs, the continuing inflationary pressures, and the additional costs resulting from the stabilization of enrollments with the greater numbers in higher-cost, upper division, graduate, and professional programs. Specifically, total enrollment will remain approximately the same at 46,000, but there will be about 900 fewer freshmen and 300 fewer sophomores, with a corresponding increase in the upper and more costly levels of instruction.

Our budget request level submitted last fall did not anticipate student fee increases. However, the present level of support under consideration by the legislature is approximately 19% under our request and mandates fee increases which were also recommended by the Ohio Board of Regents and the Governor. House Bill 475 legislates minimum graduate and professional fees for 1971-1972 of $400 per quarter for graduate students and $500 for medical students and a further increase of $100 for each of these categories the second year of the biennium. I have consistently opposed any substantial fee increase, and have so testified before the legislature. At this stage I can only hope that these levels presently suggested as minimums will be changed to maximums so that we will be permitted to implement the compromise level of $300 for the graduate and professional categories. The anticipated level of funding by the State as well as the action to date by the legislature both suggest that fee increases are required. The undergraduate Instructional Fee is to be raised to a level of $200 per quarter (an increase of $30) and the graduate and professional Instructional Fee raised to $260 per quarter, effective Autumn Quarter, 1971. I am proposing that the General Fee which applies to all student categories remain at $40 per quarter. In combining these two fees this means that I am requesting the establishment of an undergraduate resident fee level of $240 per quarter and, similarly, a graduate and professional fee level of $300 per quarter.

Correspondingly, the instructional and general budgets increase but 5.6% or $6.4 million. The major component of $5.4 million is allocated for personnel services amounting to a 6.5% increase for classified personnel as mandated by State law and a 4.1% average faculty salary increase. The increase for classified personnel does not provide for additional increases presently being considered in the General Assembly. However, it is assumed that this University will be provided with resources to accommodate additional increases mandated by the General Assembly.
I. GENERAL RECOMMENDATIONS (continued)

A. Provisional University Budget for Fiscal Year 1971-1972 (continued)

This provisional budget is a sound though minimal one. It attempts to make the best estimate of some currently undefined factors and yet allows us to continue quality education. It is also intended to be fully mindful of costs to students and their parents as we attempt to meet the rapidly increasing costs of living for our valued faculty and staff members. It has also some built-in safety to protect against modest modifications downward in our appropriation but obviously not without severe implications to our educational programs.

And finally, I should like to point out that we believe that through the preparation of program budgets which are responsive to planning and missions, we can continue to best develop quality education and at the same time assure the highest quality educational program for the dollar expended.

President Fawcett proposed that the Board adopt a provisional University budget for the fiscal year 1971-1972 which will support the following expenditures listed by major category:

(a) Represents Ohio Board of Regents recommended subsidy level as presented to the Ohio Senate Finance Committee less $294,200 reallocated to Regional Campuses for upper division credit course work taught on these Campuses.

It was recommended that the provisional budget as shown above be approved, subject to expenditure adjustments based upon modification in income. It was recommended further that detailed estimated resources and expenditures including the "Salary Roll" for the 1971-72 fiscal year be approved and incorporated by reference as well as for the fiscal years 1967 through 1971.
I. GENERAL RECOMMENDATIONS (continued)

A. Provisional University Budget for Fiscal Year 1971-1972 (continued)

And finally, it was recommended that upon passage of the University's State appropriation that the University budget be submitted to the Board for ratification.

Upon motion of Mr. Safford, seconded by Mr. Eckley, the Board of Trustees approved the foregoing recommendations by unanimous roll call vote.

B. Increase in the Instructional Fee

In support of the provisional budget of this University for fiscal year 1971-1972, revisions in the fee schedule will be required. A revised schedule is shown on the next page.

President Fawcett recommended that the attached fee schedule be adopted effective with the Autumn Quarter, 1971, subject to any modification which may be enacted by the 109th General Assembly and ratification by the Ohio Board of Regents.

Upon motion of Mr. Safford, seconded by Mr. Dorsey, the Board of Trustees approved the foregoing schedule of fees by unanimous roll call vote.

C. Residence Halls Room and Board Rates

The subsequent recommendations reference the action taken by this Board on June 11, 1970. The University desires to provide the advantages of an educational and living experience through the operation of residence halls and the payment of the costs thereof in conformity with the Bond Resolution adopted by this Board on April 8, 1957.

The cost of operating residence halls continues to rise. The 109th General Assembly will shortly mandate wage and salary increases for staff members in classified jobs within the residence halls and the food service. Because of the increased cost of personnel and increases in the cost of food, materials, supplies, utilities and contract services, it is necessary to adjust the residence halls rates. Also, in the interest of improved living conditions, it is anticipated that the occupancy of certain residence halls will be reduced.

Accordingly, on the basis of studies made by Vice President Carson, President Fawcett recommended that the schedule of rates for all residence halls included in the Bond Resolution referred to above and including such Housing Commission facilities as are used for residence halls, be made effective Autumn Quarter, 1971. The schedule of rates is as follows:

Part-time students (those enrolled for six or less credit hours), shall be assessed one-half of the full fees. When fees are not evenly divisible, they shall be assessed to the next even dollar amount.

*With the change in the curriculum of the College of Medicine, effective July 1, 1970, all students enrolled in the Doctor of Medicine degree program will now pay fees in two installments, June 15 and December 15. The annual rate for such students for the 1971-72 academic year shall be $1,200 for resident students and $2,600 for non-resident students. This revised rate will be effective with the December, 1971, payment.

It was recommended further that the University administration be authorized to establish the official rates for such residences as Lane Manor and Neilwood Gables in general conformity with the schedule of rates as established in the foregoing.

Upon motion of Mr. Eckley, seconded by Mr. Hilliker, the above recommendations were approved by unanimous roll call vote.

D. Continuation of Realignment of Central Administrative Structure

President Fawcett made the following statement on the continuation of the realignment of central administrative structure:

Our academic and operating experiences during this past year have validated the central administrative structure realignment made a year ago and have also demonstrated a need to continue with administrative change consistent with our functional approach to University organization. Through a further functional realignment which is responsive to the needs of and talents within the University, I desire now to achieve a necessary flexibility in the Office of the President, to emphasize and reinforce the University-wide planning, monitoring, and evaluating functions, and to formalize operating committees for budgeting, missions, and planning.

Therefore, I propose to establish, effective September 1, 1971, the Office of Executive Vice President as well as new Offices of Finance and Treasurer, Personnel Services, and Planning, along with the existing Offices of University Budgets and Administrative Research and Systems under Executive Directorships. Such University-wide planning, monitoring, and evaluating offices operating within the proposed committee structure and coordinated by the two deputy Vice Presidents (Academic and Operating), the Executive Vice President, and the President will, I believe, provide immediate maximum input for analysis and decision-making while shortening time for reaction and

implementation. Furthermore, these proposed principles of organization are within the spirit of and compatible with the Warren King Management Study.

The two new major University-wide committees, one for missions, chaired by the Provost and Vice President for Academic Affairs, and one for planning, chaired by the Vice President for Administrative Operations, along with the existing budget committee, chaired by the President, will function as policy-planning committees. The Office of the Vice President for Business and Finance, to be vacated by Mr. Gordon B. Carson, effective September 1, 1971, will be established in separate areas with the operating functions of Business Management, Physical Facilities, and University housing grouped under the Vice President for Administrative Operations and the areas of Finance and Treasurer and Personnel Services established as Executive Directorships.

President Fawcett recommended that the proposed organizational structure be approved and implemented according to the proposed chart of organization as shown on the following page.

Within this structure, I propose the following specific alignments in function:

1. The area of Finance and Treasurer be established as a newly created position of Executive Director of Finance and Treasurer, including the Offices of Accounting, Auditing, Bursar, Contracts, Controller, Insurance, Investments, Payroll, Property Acquisition, and Travel.

2. The University Architect be assigned to the Office of University Planning.

3. The University Discipline Officer be assigned to the Office of Public Safety with appeals to the Executive Vice President.

4. The area of Personnel Services be established as the position of Executive Director of Personnel Services.

5. That the Research Foundation report through the Office of University Development.

I. GENERAL RECOMMENDATIONS (continued)

D. Continuation of Realignment of Central Administrative Structure (continued)

6. The Mershon Auditorium be assigned to the College of the Arts.

7. The area of Admissions and Records be established as an operating unit under a Director of Admissions and Records, within the Office of the Vice President for Administrative Operations.

8. The area of Traffic and Parking be assigned to the Assistant Vice President for Business Management.

9. The Ohio Union and Drake Union (under construction) report to the Vice President for Student Affairs.

10. The Assistant Vice President for Business Management report to the Vice President for Administrative Operations and encompass the following operations and auxiliary enterprises: Printing Facilities, Bookstores, Purchasing, Receiving, Office Equipment Repair, Property Management, Stores, Inventory, Food Facility, Laundry, Mailroom, Transportation, and Traffic and Parking.

11. The area of Physical Plant, including Construction and Maintenance, be assigned as the Assistant Vice President for Physical Facilities, reporting to the Vice President for Administrative Operations.

12. The area of University Housing be assigned as Assistant Vice President for University Housing, reporting to Vice President for Administrative Operations.

13. The Administrative Systems Computer Center, under a Director, be assigned to the Vice President for Administrative Operations.

14. The Office of the Executive Vice President be established.

And finally, to implement the structure, I propose the following personnel assignments:

1. Edward Q. Moulton as Executive Vice President.

2. Bernard J. Lachner as Vice President for Administrative Operations.

D. Continuation of Realignment of Central Administrative Structure (continued)

3. Ernest W. Leggett as Executive Director of Finance and Treasurer.

5. Richard H. Zimmerman as Executive Director of University Planning.

The following three personnel assignments which have been approved at previous meetings are noted at this time since they will now report within the area of Administrative Operations:

6. Joseph F. Medley as Assistant Vice President for Business Management.

7. Thomas B. Smith as Assistant Vice President for Physical Facilities.

8. John P. Nelson as Assistant Vice President for University Housing.

Upon favorable action on these recommendations and the commensurate authorization to make the necessary revisions in the Statutes, By-Laws, and Rules, I will proceed to implement the necessary actions as rapidly as possible to achieve this administrative structure.

Upon motion of Mr. Gushman, seconded by Mr. Hilliker, the Board of Trustees approved the above recommendation by unanimous roll call vote.

President Fawcett recommended that the foregoing appointments of Department Chairmen and Promotions in Rank as recorded in the official "Salary Roll" of the University for 1971-72, as well as the previous fiscal years 1967 through 1971 be approved.

The Board of Trustees approved the appointments of Chairmen of Departments and Promotions in Rank as recorded in the official "Salary Roll" of the University for 1971-72, as well as the previous fiscal years 1967 through 1971 by unanimous voice vote.

Thereupon the meeting adjourned.

Attest:

Edward Q. Moulton
Secretary

James W. Shocknessy
Chairman
The Board of Trustees met at its regular monthly meeting on Thursday, September 2, 1971, at The Ohio State University, Columbus, Ohio, pursuant to adjournment.

Minutes of the last regular meeting (July 2, 1971) and the special meeting (July 30, 1971) were approved.
September 2, 1971 meeting, Board of Trustees

REPORT BY CHAIRMAN

A. Request to Speak

Mr. Jerry Rosenberg, a student at the University, requested permission to address the Board and since this request was made in the manner prescribed at an earlier meeting by the Board, it was granted. Mr. Rosenberg spoke in opposition to the passage of Rule 61.09, Control of Dogs and Other Animals, from the Rules for the University Faculty.

B. Report on Consultative Committee to Advise in the Selection of a President

Mr. Shocknessy reported that he had received a letter from Mr. John G. Ketterer, Chairman of the Search Committee, requesting that the date for submission of five names of potential presidential candidates be changed from November 12, 1971, to December 15, 1971. Mr. Shocknessy stated that unless there was expressed opposition, he would authorize this change in accordance with the request. There being no such opposition expressed, the Chairman so directed and requested the Secretary to inform Mr. Ketterer.

STATEMENT BY PRESIDENT FAWCETT
ON THE STATUS OF THE BUDGET

At our last Board meeting in recommending the adoption of a provisional University budget for this current year I indicated that as soon as our State support level was determined, I would bring this budget back to the Board for ratification and possible modification, depending upon the level of funding support provided by the State. During the past month, however, several events have occurred which have complicated further our budget situation. The recent establishment by the President of the United States of a wage and price freeze has additionally complicated this situation, and has raised questions concerning the fee structure which was adopted by this Board in July as well as the increased Residence Hall charges established for this current year in support of the provisional budget.

An increase in student fees has been inevitable ever since the first hearings on the appropriation for higher education took place. Likewise, the increase in Residence Hall rates was enacted following a year-long study of the Residence Hall system on which hearings were conducted in the Spring Quarter. A new system which was announced in the early summer encompasses a number of significant changes designed to improve the quality of life in these Residence Halls.

Since the wage and price freeze was announced, this University also froze all new appointments and expenditures until we could obtain clarification from the Cost of Living Council and establish internal control procedures to enable us to be responsive to this action. We have not as yet been able
to obtain the necessary clarification specifically with reference to fee increases and Residence Hall charges. With the opening of Autumn Quarter only about 3 1/2 weeks away, earlier this week we determined that we had no other alternative than to proceed with the fees and rates authorized by this Board, as well as complete our staffing and make such other expenditures as would enable us to provide educational programs for this coming year. If at some subsequent date it is ruled that we are in violation of the Executive Order, we will comply with such a determination and make the necessary adjustments.

In the meantime I should like to clarify one point of apparent confusion concerning the support level for this University presently being considered by the General Assembly. As was indicated when our provisional budget for this year was adopted, this University finds itself in a very tight financial situation. To provide adequate support for our present programs with no new programs and with only very modest increases in salaries and operating monies, reluctantly we found it necessary to adopt modest increases in student fees. Without these fee increases we simply cannot support our existing programs from the funds that will be available to us through the adoption of either the income tax or sales tax proposals now being considered by the General Assembly.

Finally, we are reviewing this situation on almost an hourly basis and as soon as it becomes clear what funding level we will be provided by the State and we are able to obtain the necessary rulings by the Cost of Living Council, it may be necessary to call a special meeting of this Board for the purpose of adopting a revised budget in support of this current year's operation.

Mr. Shocknessy:

Mr. President, I think you might reemphasize the fact that the student fee increases which we adopted in July were based upon the assumption that the Bill which was in the House at that time would be passed by the General Assembly. Without these fee increases there would be no possibility of supporting the budget which we adopted at that time.

President Fawcett:

When I brought the provisional budget to this Board in July, I included in the statement of estimated resources an appropriation from the State of $67,382,000 per year for each of the two years with no increase anticipated for the second year. With that level of support which had been reduced substantially from what our original request was, we had no other alternative than to adopt a slight upward modification in the student fee structure in order to balance the budget without weakening the educational program. The two proposals which have recently
appeared in the news media now seem to be aimed at a level which when extrapolated from higher education appropriations for this University would put our support either at about $65 million or $63 million, both of which levels per year are substantially less than the estimated appropriation which was included in the provisional budget. I make this point because the argument has been made that the freeze can save money, however, it would be a very small amount in our case because most of our people are on 12-month contracts and accordingly most have been paid at an increased rate since July 1. Consequently, it makes the whole fee problem and the financial problem even more critical than it was at the time we recommended the provisional budget to you. Thus, to support our educational program we must assess the fee increases as approved by this Board in July. If, however, at some subsequent date we receive a legal mandate to return to last year's fee levels, we will have no other alternative than to abide by such a decision even though such a fee reduction may result in a weakening of our educational program.

Mr. Shocknessy:

There is no justification for any statement to the effect that the fee increase would not be needed in the event of the adoption of either of the revenue proposals presently being considered in the General Assembly. The fee increase is necessary and the only thing which would require that we get along without it would be an interpretation of the Executive Order to that effect.

President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Legal Designation of Appointing Authority for Civil Service Employees

In order to designate Madison H. Scott, Executive Director for Personnel Services, as the appointing authority for civil service employees, President Fawcett recommended that the Bylaws of the Board of Trustees and Rules for the University Faculty be amended to include the following:

The Executive Director for Personnel Services shall serve as the appointing authority for the non-instructional employees of the University pursuant to the provisions of Chapter 143, Revised Code of Ohio.

Upon motion of Mr. Harrod, seconded by Mr. Hilliker, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.
September 2, 1971 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

B. Naming of Theatre in Edward S. Drake Union

Upon the recommendation of the College of The Arts, and with the concurrence of the President's Cabinet, President Fawcett recommended that the theatre of the Edward S. Drake Union located at 1849 Cannon Drive be designated the "Thurber Theatre" in honor of James Thurber, class of 1917 of the University.

This recommendation is in accordance with the Bylaws of the Board of Trustees.

Upon motion of Mr. Eckley, seconded by Dr. Sirak, the Board of Trustees approved the above recommendation by unanimous voice vote.

II. PERSONNEL CHANGES

Personnel changes since the July 2, 1971 meeting of the Board, as recorded in the official "Salary Roll" of the University, include the following Resignation, Change in Responsibility, Appointments, Leaves of Absence With Salary, Leaves of Absence Without Salary, and Emeritus Titles:

A. Resignation

Geoffrey Keller announced that he will resign from the Deanship of the College of Mathematics and Physical Sciences at the end of the Autumn Quarter 1971. He has indicated a desire to return to full-time teaching and research.

B. Change in Responsibility

George P. Crepeau from Associate Professor in the Department of Theatre to Assistant Vice President for Curricula, in the Office of Academic Affairs, effective September 1, 1971, at a salary of $20,688.00 per annum. He will hold the academic rank of Professor in the Department of Theatre.

C. Appointments

In accordance with the Memorandum of Agreement between The Ohio State University and The Ohio State University Research Foundation approved by this Board on April 11, 1968, the President recommended that the following projects administered through the Research Foundation be approved and recorded in the minutes of this meeting.

1. Government Research Contracts - Federal

   a. Department of Navy, Office of Naval Research, Arlington, Virginia, Conducting a Course of Instruction in Navy Price Analysis (to be known as Project No. 1086 - Mod. #24 - College of Administrative Science, Division of Continuing Education). Gross Value - $6,168.00.

   b. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Cancer Institute, Bethesda, Maryland, Hazards of Experimental Leukemia Research (to be known as Project No. 2049 - Mod. #12 - Department of Veterinary Pathology). Gross Value - $257,570.00.

   c. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Cancer Institute, Bethesda, Maryland, Brain Tumor Chemotherapy Study (to be known as Project No. 2484 - Mod. #6 - Department of Surgery). Gross Value - $15,060.00.
September 2, 1971 meeting, Board of Trustees

III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and
   The Ohio State University Research Foundation

1. Government Research Contracts - Federal (continued)

   d. Department of Air Force, Rome Air Development Center, Air
      Force Systems Command, Griffiss Air Force Base, New York,
      Coherent Multiplexing and Array Techniques (to be known as
      Project No. 2738 - Mod. #P00007 - Department of Electrical
      Engineering).
      Gross Value - $8,501.00.

   e. Department of Air Force, Rome Air Development Center, Griffiss
      Air Force Base, New York, Coherent Multiplexing and Array
      Techniques (to be known as Project No. 2738 - Mod. #P00008
      - Department of Electrical Engineering).
      Gross Value - $46,137.00.

   f. Department of Air Force, Air Force Systems Command, Wright
      Patterson Air Force Base, Ohio, Laser Propagation Investigation
      (to be known as Project No. 2819 - Mod. #P00004 - Department
      of Electrical Engineering).
      Gross Value - $12,500.00.

   g. Department of Health, Education and Welfare, Public Health
      Service, National Institutes of Health, National Cancer Institute,
      Bethesda, Maryland, Study Role of Vehicles and Particulates in
      Respiratory Carcinogenesis Bioassays (to be known as Project
      No. 2853 - Sponsor Ltr. Dtd. 7/6/71 - Department of Veterinary
      Pathology).
      Gross Value - $6,902.00.

   h. Department of Health, Education and Welfare, Public Health
      Service, National Institutes of Health, National Cancer Institute,
      Bethesda, Maryland, Use of Radioiodine-Labeled Antibody Tech-
      niques to Studies on Viral Induced Tumors (to be known as Project
      No. 2854 - Mod. #3 - Department of Veterinary Pathology).
      Gross Value - $90,000.00.

   i. Agency for International Development, Office of Procurement,
      Contract Services Division, Washington, D. C., Analysis of
      Capital Formation and Technological Innovation at the Farm
      Level in LDC's (to be known as Project No. 2871 - Amend. #5 -
      Department of Agricultural Economics and Rural Sociology).
      Gross Value - $232,959.00.

   j. Department of Air Force, Rome Air Development Center, Griffiss
      Air Force Base, New York, Investigation of 10.6 Micron Propa-
      gation Phenomena (U) (to be known as Project No. 2880 - Mod.
      #P00004 - Department of Electrical Engineering).
      Gross Value - $110,000.00.
III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

1. Government Research Contracts - Federal (continued)

k. Department of Air Force, Electronic Systems Division, Air Force Systems Command, Laurence G. Hanscom Field, Bedford, Massachusetts, Study of Partially Polarized Radiowaves from the Sun and Discrete Radio Sources (to be known as Project No. 2915 - Mod. #P00003 - Department of Electrical Engineering).
Gross Value - $30,000.00.

l. Department of Air Force, Air Force Systems Command, Wright Patterson Air Force Base, Ohio, High Temperature Electrochemical Research in Metallurgy (to be known as Project No. 2932 - Mod. #P00002 - Department of Metallurgical Engineering).
Gross Value - $66,909.00.

Gross Value - $17,299.00.

n. National Aeronautics and Space Administration, Langley Research Center, Hampton, Virginia, Study Program for Low Noise "S" Band Radiometer Antenna Development (to be known as Project No. 3033-A1 - Mod. #2 - Department of Electrical Engineering).
Gross Value - $40,000.00.

Gross Value - $107,155.00.

p. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Heart and Lung Institute, Bethesda, Maryland, Research Into Onset of Myocardial Infarction and Sudden Death (to be known as Project No. 3059-A1 - Mod. #1 - Department of Preventive Medicine).
Gross Value - $153,600.00.

Gross Value - $8,400.00.
September 2, 1971 meeting, Board of Trustees

III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and
   The Ohio State University Research Foundation

1. Government Research Contracts - Federal (continued)

   r. Department of Navy, Office of Naval Research, Arlington, Virginia, Contract Administration (to be known as Project No. 3164-A1 - Mod. #3 - College of Administrative Science, Division of Continuing Education).
   Gross Value - $23,265.00.

   s. Department of Army, Office of Civil Defense, Contracts Division, Washington, D. C., Regional Procurement Training (to be known as Project No. 3212-A1 - Mod. #P689-2 - College of Administrative Science, Division of Continuing Education).
   Gross Value - $1,700.00.

   t. Department of Army, U. S. Army Missile Command, Redstone Arsenal, Alabama, Development of a Dynamic Simulation Filter (to be known as Project No. 3248-A1 - New - Department of Industrial Engineering).
   Gross Value - $25,266.00.

   Gross Value - $91,600.00.

   Gross Value - $348,026.00.

   w. Department of Interior, Bureau of Sport Fisheries and Wildlife, Division of Fishery Services, Fort Snelling, Twin Cities, Minnesota, Impact of Fish Hatcheries on Native Fish Populations and Benthos (to be known as Project No. 3260-A1 - New - Department of Zoology).
   Gross Value - $11,154.00.

   Gross Value - $29,865.00.
September 2, 1971 meeting, Board of Trustees

III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

1. Government Research Contracts - Federal (continued)

Gross Value - $59,600.00.

Gross Value - $41,506.00.

Gross Value - $55,000.00.

Gross Value - $70,000.00.

Gross Value - $28,063.00.

d. Department of Air Force, Air Force Institute of Technology, Wright Patterson Air Force Base, Ohio, Academic Services to AFIT School of Systems and Logistics (to be known as Project No. 3286-A1 - New - College of Administrative Science, Division of Continuing Education).
Gross Value - $290,042.00.

TOTAL - Government Research Contracts - Federal $2,295,247.00
III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

2. Industrial and Other Research Contracts

a. Steel Founders' Society of America, Rocky River, Ohio, Investigation of Cast Corrosion Resistant Alloys (to be known as Project No. 350 - Amend. #23 - Department of Metallurgical Engineering). Gross Value - $23,000.00.

c. Battelle Memorial Institute, Columbus Laboratories, Columbus, Ohio, The Role of Acetaldehyde in the Actions of Ethanol (to be known as Project No. 3142-A1 - Sup. #2 - Department of Pharmacology). Gross Value - $1,274.00.

d. University of Dayton, Research Institute, Dayton, Ohio, Consulting Services Under the Supervision of Dr. Robert Nerem (to be known as Project No. 3179-A1 - Purchase Order Dated 7/20/71 - Department of Aeronautical and Astronautical Engineering). Gross Value - $842.84.

e. Battelle Memorial Institute, Columbus Laboratories, Columbus, Ohio, Installation and Testing of Planar Pressure Generator (to be known as Project No. 3267-A1 - New - Department of Aeronautical and Astronautical Engineering). Gross Value - $4,000.00.

f. Battelle Memorial Institute, Columbus Laboratories, Columbus, Ohio, Installation and Testing of Planar Pressure Generator (to be known as Project No. 3267-A1 - Sup. #1 - Department of Aeronautical and Astronautical Engineering). Gross Value - $1,500.00.

III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and
   The Ohio State University Research Foundation

2. Industrial and Other Research Contracts (continued)

i. Centerville Public Schools, Centerville, Ohio, Audit Services to the Centerville Public Schools (to be known as Project No. 3299-A1 - New - College of Education). Gross Value - $6,555.00.

TOTAL - Industrial and Other Research Contracts $55,671.84

a. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Cancer Institute, Bethesda, Maryland, Anabolic Control in Normal and Neoplastic Tissues (to be known as Project No. 1571-G - Ext. #7 - Department of Biochemistry). Gross Value - $32,184.00.

b. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Heart and Lung Institute, Bethesda, Maryland, Biology of the Heart (to be known as Project No. 2058-F - Ext. #6 - Departments of Medicine and Veterinary Physiology). Gross Value - $173,218.00.

III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and
   The Ohio State University Research Foundation

3. Government Research Grants - Federal (continued)

   e. Department of Health, Education and Welfare, Public Health
      Service, National Institutes of Health, National Institute of
      Allergy and Infectious Diseases, Bethesda, Maryland, The
      Induction of Tolerance to Xenografts (to be known as Project No.
      2662-C - Ext. #3 - Department of Surgery).
      Gross Value - $36,921.00.

   f. National Aeronautics and Space Administration, Langley Research
      Center, Hampton, Virginia, Flutter of Thermally Stressed Plates
      Subjected to Large Deflections (to be known as Project No. 2792 -
      Sup. #2 - Department of Aeronautical and Astronautical Engineer-
      ing).
      Gross Value - $6,000.00.

   g. National Aeronautics and Space Administration, Langley Research
      Center, Hampton, Virginia, Flutter of Thermally Stressed Plates
      Subjected to Large Deflections (to be known as Project No. 2792 -
      Sup. #3 - Department of Aeronautical and Astronautical Engineer-
      ing).
      Gross Value - $8,000.00.

   h. National Aeronautics and Space Administration, Langley Research
      Center, Hampton, Virginia, Flutter of Thermally Stressed Plates
      Subjected to Large Deflections (to be known as Project No. 2792 -
      Sup. #4 - Department of Aeronautical and Astronautical Engineer-
      ing).
      Gross Value - $23,987.00.

   i. Department of Health, Education and Welfare, Public Health
      Service, National Institutes of Health, National Cancer Institute,
      Bethesda, Maryland, Synthesis and Chemistry of Diazo Compounds
      (to be known as Project No. 2793-B - Ext. #2 - Department of
      Chemistry).
      Gross Value - $48,886.00.

      Service, National Institutes of Health, National Institute of Neuro-
      logical Diseases and Stroke, Bethesda, Maryland, Myelin Biosyn-
      thesis and Turnover (to be known as Project No. 2815-B - Ext.
      #2 - Department of Physiological Chemistry).
      Gross Value - $26,427.00.
III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

3. Government Research Grants - Federal (continued)

k. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Heart and Lung Institute, Bethesda, Maryland, Systolic Intervals in Acute Myocardial Infarction (to be known as Project No. 2830-A - Sup. #1 - Department of Medicine).
Gross Value - $1,784.00.

l. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Institute of Arthritis and Metabolic Diseases, Bethesda, Maryland, Proximal Tubular Transport in Edematous States (to be known as Project No. 2831-B - Ext. #2 - Department of Medicine).
Gross Value - $23,980.00.

m. Department of Health, Education and Welfare, Public Health Service, Health Services and Mental Health Administration, National Institute of Mental Health, Bethesda, Maryland, Drug Sensitive Biochemical Pathways in the CNS (to be known as Project No. 3002-A1 - Sup. #1 - Department of Pharmacology).
Gross Value - $12,952.00.

n. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Eye Institute, Bethesda, Maryland, Structure of the Red Mechanism in the Color-Normal (to be known as Project No. 3048-A2 - Ext. #1 - Department of Biophysics).
Gross Value - $11,785.00.

o. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Institute of Allergy and Infectious Diseases, Bethesda, Maryland, New Antibiotics - Isolation, Synthesis and Evaluation (to be known as Project No. 3054-A2 - Ext. #1 - College of Pharmacy).
Gross Value - $34,839.00.

Gross Value - $77,588.00.
September 2, 1971 meeting, Board of Trustees

3. Government Research Grants - Federal (continued)

III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

3. Government Research Grants - Federal (continued)

Gross Value - $24,440.00.

Gross Value - $21,344.00.

Gross Value - $103,905.00.

aa. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Cancer Institute, Bethesda, Maryland, Post-Transcriptional Control in Eukaryotic Cells (to be known as Project No. 3283-A1 - New - Department of Physiological Chemistry).
Gross Value - $39,025.00.

Gross Value - $44,054.00.

Gross Value - $5,280.00.

Gross Value - $5,000.00.
III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

3. Government Research Grants - Federal (continued)

   ee. U. S. Department of Agriculture, Agricultural Research Service, Administrative Services Division, Federal Center Building, Hyattsville, Maryland, Chemical Factors in Ash and Tupil Poplar Leaves that Inhibit the Feeding of Gypsy Moth Larvae (to be known as Project No. 3291-A1 - New - College of Pharmacy). Gross Value - $75,000.00.

   TOTAL - Government Research Grants - Federal $1,897,629.00

4. Government Research Grant - State

a. State of Ohio, Department of Health, Columbus, Ohio, Newborn Care (to be known as Project No. 2052-F - Ext. #6 - Department of Pediatrics). Gross Value - $54,000.00.
III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and
   The Ohio State University Research Foundation

5. Industrial and Other Research Grants

   a. American Heart Association, Inc., New York, New York,
      Permeability of Heart Mitochondria (to be known as Project No.
      2847-B - Ext. #2 - Department of Physiological Chemistry).
      Gross Value - $13,200.00.

      of Antimycin A on Heart Respiratory Function (to be known as
      Project No. 3036-A2 - Ext. #1 - Department of Physiological
      Chemistry).
      Gross Value - $13,200.00.

   c. Damon Runyon Memorial Fund, New York, New York, Reticulo-
      endothelial Function in Neoplasia (to be known as Project No.
      3076-Al - Sponsor Ltr. Dtd. 6/25/71 - Department of Medicine).
      Gross Value - $14,100.00.

   d. American Cancer Society, Inc., New York, New York,
      Metabolism of Normal and Abnormal Lymphocytes (to be known
      as Project No. 3258-Al - New - Department of Medicine).
      Gross Value - $31,955.00.

   e. American Cancer Society, Inc., New York, New York,
      American Cancer Society Institutional Grant (to be known as
      Project No. 3262-Al - New - Department of Surgery).
      Gross Value - $35,000.00.

   f. Alfred P. Sloan Foundation, New York, New York, Alfred P.
      Sloan Research Fellowship in Chemistry (to be known as Project
      No. 3265-Al - New - Department of Chemistry).
      Gross Value - $14,490.00.

   g. National Endowment for the Humanities, Washington, D. C., The
      Harlem Renaissance: A Study of Afro-American Literature of the
      1920's (to be known as Project No. 3272-Al - New - Department
      of English).
      Gross Value - $14,999.00.

   h. Ohio Tuberculosis and Respiratory Disease Association, Columbus,
      Ohio, Genetic and Scanning Beam Electron Microscope Studies of
      Effects of Antimicrobial Agents on Mycobacteria (to be known as
      Project No. 3278-Al - New - Department of Medicine).
      Gross Value - $4,134.00.
III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

5. Industrial and Other Research Grants (continued)

TOTAL - Industrial and Other Research Grants $179,965.00

Upon motion of Mr. Hilliker, seconded by Mr. Eckley, the research agreements between The Ohio State University and The Ohio State University Research Foundation for the above contracts and grants were approved by unanimous roll call vote.

During the period from June 15, 1971 through August 11, 1971, the Engineering Experiment Station of The Ohio State University entered into the following research contracts. These research contracts were reported to the Board of Trustees for information and the record.

1. Government Research Contracts

   EES 386X Ext. #1 Systems Analysis and Operations Research Support of The Ohio Youth Commission Juvenile Delinquency Prevention Act Planning Project, Ohio Youth Commission, Columbus, Ohio. Gross Value - $34,220.86.
B. The Report of the Research Contracts from the Engineering Experiment Station

Gross Value - $10,000.00.

EES 390X  Chemical and Sediment Movement from Agricultural Land Into Lake Erie, U. S. Department of the Interior, Washington, D. C.
Gross Value - $10,000.00.

EES 391X  Interactions Between Microparticulates and Representative Heterotrophic Microorganisms from Lake Erie Using Batch and Continuous Culture Techniques, U. S. Department of the Interior, Washington, D. C.
Gross Value - $5,600.00.

Gross Value - $2,950.00.

EES 393X  Stream Pollution from Cattle Feedlot Runoff, U. S. Department of the Interior, Washington, D. C.
Gross Value - $4,900.00.

Gross Value - $8,800.00.

Gross Value - $8,100.00.

EES 396X  Distribution of Trace Elements in Water and River Sediments in Ohio, U. S. Department of the Interior, Washington, D. C.
Gross Value - $8,900.00.

EES 397X  The Effects of Bacterial Methane Fixation on Lake Eutrophication, U. S. Department of the Interior, Washington, D. C.
Gross Value - $5,000.00.

Gross Value - $4,588.00.

EES 399X  Institute Director's Office, U. S. Department of the Interior, Washington, D. C.
Gross Value - $27,640.00.
The Report of the Research Contracts
from the Engineering Experiment Station

1. Government Research Contracts (continued)

   EES 400X  A Systems Analysis of the Western Basin of Lake Erie -
              Phase III, U. S. Department of the Interior, Washington,
              D. C.
   Gross Value - $48,920.00.

   EES 401X  Electromagnetic Pulse Sounding for Surveying Under-
              ground Water Resources, U. S. Department of the
              Interior, Washington, D. C.
   Gross Value - $66,839.00.

   TOTAL - Government Research Contracts $245,457.86

2. Industrial Research Contracts

   EES 327X  Design Study of Blowdown Rings, Aquatrol, Inc.,
              Chicago, Illinois.
   Gross Value - $10,000.00.

   EES 402X  An Investigation of Some Feasible Bases for Design
              of an Automobile Alcohol Interlock System, General
              Motors Technical Center, Warren, Michigan.
   Gross Value - $18,390.00.

   EES 403X  Sonic Rock Crushing, Columbia Cement Company,
              Columbus, Ohio.
   Gross Value - $25,590.00.

   TOTAL - Industrial Research Contracts $53,980.00

C. Agreement Between the College of Agriculture and Home Economics
   of The Ohio State University and the College of Agriculture and
   Natural Resources of Michigan State University

   It was recommended that the President of The Ohio State University be
   authorized to sign an agreement on behalf of The Ohio State University to
   extend the present agreement for training students in the forestry cur-
   riculum at Michigan State University, effective for a period of five years

   Upon motion of Dr. Sirak, seconded by Mr. Dorsey, the Board of Trustees
   approved the above recommendation by unanimous roll call vote.
IV. GRANTS AND GIFTS

The following grants and gifts to the University were among those received since July 2, 1971, and were reported for the record. Appropriate expressions of appreciation have been conveyed to the donors.

SUMMARY

Administered Through the Office of Business and Finance $2,437,805.00
Received Through The Ohio State University Development Fund 356,102.48

A. Administered Through the Office of Business and Finance

1. $434,846.00 additional grant by Department of Health, Education and Welfare, Public Health Service, Health Services and Mental Health Administration, Rockville, Maryland, to the University for "Ohio State Regional Medical Program," under the direction of the College of Medicine, for the period July 1, 1970 through December 31, 1971. (Grant No. 5 G03 RM 00022-02A2)

2. $240,086.00 additional grant by Department of Health, Education and Welfare, Office of Education, Washington, D. C., to the University for "Preparing Leadership Personnel in School Psychology," under the direction of the Department of Psychology, with project extended through August 31, 1972. (Grant No. OEG-0-70-4214)

3. $217,300.00 additional grant by Department of Health, Education and Welfare, Office of Education, Washington, D. C., to the University for "Training of Professional Personnel in the Education of the Handicapped," under the direction of the College of Education, School of Health, Physical Education and Recreation, Department of Speech, and Mental Retardation Center, for the period June 1, 1971 through August 31, 1972. (Grant No. OEG-0-71-1577)

4. $150,000.00 granted by Department of Health, Education and Welfare, Office of Education, Washington, D. C., to the University for "Institute for Training in Librarianship," under the direction of the University Libraries, for the period June 16, 1971 through July 31, 1972. (Grant No. OEG-0-71-8537)

5. $141,336.00 granted by Department of Health, Education and Welfare, Public Health Service, Bethesda, Maryland, to the University for "Professional Nurse Traineeship Program - Long Term - Baccalaureate and Post-Baccalaureate Training Grant," under the direction of the School of Nursing, for the period September 1, 1971 through August 31, 1972. (Grant No. 5 A11 NU00029-15 and 5 A11 NU00029-15S1)

6. $134,401.00 granted by Department of Health, Education and Welfare, Public Health Service, Bethesda, Maryland, to the University for "Graduate Program in Comprehensive Health Planning," under the direction of the Department of Preventive Medicine, for the period July 1, 1971 through June 30, 1972. (Grant No. CS-P [T-45] 555503-03-71)
IV. GRANTS AND GIFTS (continued)

A. Administered Through the Office of Business and Finance (continued)

7. $121,738.00 granted by Department of Health, Education and Welfare, Office of Education, Washington, D. C., to the University for "Facilitating Career Education Through Career Development Program Specialists," under the direction of the Center for Vocational and Technical Education, for the period June 28, 1971 through August 31, 1972. (Grant No. OEG-0-71-4553)

8. $115,571.00 granted by Department of Health, Education and Welfare, Office of Education, Washington, D. C., to the University for "Allied Health Professions Advanced Traineeship Grant," under the direction of the School of Allied Medical Professions, for the period July 1, 1971 through June 30, 1972. (Grant No. 5 A02 AH00010-05)

9. $100,000.00 granted by U. S. Department of Commerce, Economic Development Administration, Office of Technical Assistance, Washington, D. C., to the University for "Economic Development Technical Assistance Program," under the direction of the Center for Vocational and Technical Education, for the period June 30, 1971 through February 28, 1972. (Grant No. 03-6-09241)

10. $99,890.00 granted by Department of Health, Education and Welfare, Office of Education, Washington, D. C., to the University for "Developmentally Delayed Infant Training Project - Early Education," under the direction of the Mental Retardation Center, for the period June 30, 1971 through June 29, 1972. (Grant No. OEG-0-71-4375)

25. $5,000.00 from Maurice A. Young, Youngstown, Ohio, to be used by the Frank E. and Mary W. Pomerene Professor for whatever purpose deemed necessary.

26. $2,164.06 from Lowry W. Harding for the establishment of The Dr. Lowry W. Harding Fellowship Fund.

The Dr. Lowry W. Harding Fellowship Fund

The Dr. Lowry W. Harding Fellowship Fund was established September 2, 1971, by the Board of Trustees of The Ohio State University with a gift to The Ohio State University Development Fund from Lowry W. Harding, Ph.D. 1941, a Professor in the Elementary Education Division of the College of Education.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used to provide one or more graduate fellowships for doctoral students at The Ohio State University majoring in elementary education, who exhibit continuing professional interest in the improvement of mathematics instruction in elementary schools and in preparation of prospective elementary school teachers. The selection of the recipient is to be made upon the recommendation of the Graduate Program Committee of the EMCE Faculty, its successor or equivalent, in consultation with the senior EMCE Faculty member working in mathematics education. In the event that a fellowship is not awarded in any given year, the annual income is to be added to the principal of the fund.

Should the need for these fellowships cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for elementary education.

27. $2,059.31 from the family and friends of the late Harold E. Shoemaker and the late Ray Allen Linville for the establishment of the Linville-Shoemaker Scholarship Fund.

V. EXTRA AND CREDIT ORDERS TO CONTRACTS

On July 13, 1967, the Board of Trustees authorized the Vice President for Business and Finance (now the Vice President for Administrative Operations) to approve change orders which were necessary to expedite completion of construction projects. In accordance with this authorization, all extra and credit orders to contracts which have been completed were reported:

A. Lazenby Hall, Remodeling of Library and Faculty Research Laboratories

</table>

The changes on this project represent deviations from the original specifications due to conditions found during process of construction.
September 2, 1971 meeting, Board of Trustees

V. EXTRA AND CREDIT ORDERS TO CONTRACTS (continued)

A. Lazenby Hall, Remodeling of Library and Faculty Research Laboratories (continued)

Funds for this project have been provided by a transfer from Budget Account 149997 (New Programs Reserve) to Budget Account 801207 (Horticulture Building Remodeling).

B. University Hospital, Electrical Distribution in Patient Areas

During the construction of the job a preventative maintenance caulking material was selected by the engineers than was originally called for in the specifications.

Funds for this project have been provided by a transfer from Budget Account 809998 (Hospital Capital Reserve) to Budget Account 801224 (Air Conditioning Means Hall).

Upon motion of Mr. Hilliker, seconded by Mr. Eckley, the above extra and credit orders to contracts and expenditure of funds were approved and the action of the Vice President for Administrative Operations was ratified by unanimous roll call vote.
VI. PLANS AND SPECIFICATIONS

At the request of the Vice President for Administrative Operations, President Fawcett recommended that the plans and specifications, bills of materials, and estimates of cost for the following projects be approved by the Board of Trustees:

A. Goss Laboratory, Renovation of Rooms 219, 219A, 231A, and 231B

This project involves the complete renovation of existing laboratory space.

Funds for this project have been provided from Budget Account 125908 (Veterinary Medicine Special) and transferred to Budget Account 801183 (Goss Laboratory Remodeling).

B. Journalism Building Expansion

This project involves a new three-story addition plus the addition of a third floor over the existing building which will add needed space for the School of Journalism and related communicative arts program of the College of Social and Behavioral Sciences.

The implementation of this project is subject to the reappropriation by the Legislature of funds from H. B. 531 to the Capital Improvements Bill for 1971-73.

Upon motion of Mr. Dorsey, seconded by Mr. Eckley, the above recommendations were approved by unanimous roll call vote and the Secretary was authorized and directed to sign the plans and specifications for the above projects for and on behalf of the Board of Trustees. Vice President Lachner was directed to proceed with a request for bids in the normal University manner and if satisfactory bids were received, to proceed with the award of contracts. All action regarding this matter will be reported to the Board of Trustees at a later meeting.

VII. REPORT OF AWARD OF CONTRACTS

In accordance with authorization provided by the Board of Trustees, bids were taken on the projects listed below and the contracts were recommended for award. The action reported to the Board was as follows:

E. Pomerene Hall Women's Swimming Pool -- Remodeling of Roof and Ceiling and Lighting Improvements (continued)

Funds for this project have been provided from Budget Account 124358 (Contract Repair).

Upon motion of Mr. Hilliker, seconded by Mr. Harrod, the above award of contracts and expenditure of funds were approved and the action of the Vice President for Administrative Operations ratified by unanimous roll call vote.

VIII. CONTROLLING BOARD REQUESTS

Each numbered request shown below accomplishes the following purpose:

40 Approves the transfer and release of $232,790.00 from Item 315-016 "Medical Complex" to Item 315-077 "Clinical Medical Sciences Education Facility," H. B. 531, to provide funds for architect's fees for the project "Clinical Medical Sciences Education Facility."

41 Approves the release of $333,800.00 from Item 315-074 "Utilities and Renovation," H. B. 531, to provide funds for the project "Renovation of Cockins Hall."

42 Approves the release of $2,360,000.00 from Item 315-068 "College of Agriculture: Land, Barns and Teaching Facilities," H. B. 531, to provide funds for the project "Animal Science Livestock Center."

IX. MISCELLANEOUS FROM OFFICE OF ADMINISTRATIVE OPERATIONS

A. Airport Development - 1971

In making an application for grant funds for Airport Development under the Federal Aviation Administration Federal Aid Program Airport Development, this Board is required to approve the following resolution:

BE IT RESOLVED, that the Board of Trustees authorizes and directs that an application be filed with the Federal Aviation Administration Federal Aid Program Airport Development for a grant to support the expansion of the University Airport; and

BE IT FURTHER RESOLVED, that the Board designate Novice G. Fawcett, President of The Ohio State University, as the person authorized to file this application and act as the representative of the University in all matters relating to this application and Bernard J. Lachner, Vice President for Administrative Operations, as the alternate; and
BE IT FURTHER RESOLVED, that the Board of Trustees of The Ohio State University, being cognizant of the conditions under which such grant funds are approved, authorize the Vice President for Administrative Operations to proceed in the normal University manner to employ an engineer to develop schematic plans which are required for such an application with funds for this service to be supplied in an amount not to exceed $25,000.00 and to be provided by a transfer from Budget Account 809999 (Plant Funds Receivable) to Budget Account 801249 (Airport Development) with the understanding that these funds will be reimbursed from the Federal Grant upon approval.

Upon motion of Mr. Gushman, seconded by Mr. Eckley, the Board of Trustees adopted the foregoing resolution by unanimous roll call vote.

Preceding the recommendation providing for bonding for the Treasurer of The Ohio State University, Mr. Hilliker made a motion that Mr. Ernest W. Leggett be named Treasurer to replace Mr. Gordon B. Carson. The motion was seconded by Mr. Dunlap.

B. Treasurer’s Bond - Required by Section 3335.05
Ohio Revised Code

Section 3335.05 of the Ohio Revised Code requires that the Treasurer of The Ohio State University give bond to the State of Ohio in such sum as the Board of Trustees determines.

President Fawcett recommended that the bond of Ernest W. Leggett, Treasurer of The Ohio State University, as required by Section 3335.05 of the Ohio Revised Code, be set at $500,000.00.

Upon motion of Mr. Eckley, seconded by Mr. Hilliker, the above recommendation was approved by unanimous roll call vote.

C. Gas Line Easement - Columbia Gas of Ohio, Inc.

WHEREAS, on December 4, 1970, the Board of Trustees of The Ohio State University authorized the sale of 12.318 acres to the Ohio Building Authority; and

WHEREAS, as a part of an Agreement of Sale between the Ohio Building Authority and The Ohio State University, the University agreed to provide an easement to Columbia Gas of Ohio, Inc., for the purpose of constructing a gas line to service the National Guard and Department of Commerce hangar facilities being constructed on the lands sold; and

WHEREAS, the University has the right to utilize this gas service for any future facilities in this area;
IX. MISCELLANEOUS FROM OFFICE OF ADMINISTRATIVE OPERATIONS (continued)

C. Gas Line Easement - Columbia Gas of Ohio, Inc. (continued)

NOW, THEREFORE, BE IT RESOLVED, that the President and/or Vice President for Administrative Operations be authorized to act on behalf of the University to sign the necessary legal instruments to provide for the installation of this gas service.

Upon motion of Mr. Gushman, seconded by Mr. Dunlap, the above resolution was adopted by unanimous roll call vote.

D. Agreement Between The Ohio State University and the Ohio Highway Transportation Research Board

WHEREAS, Amended Substitute Senate Bill 306, enacted by the 108th General Assembly of the State of Ohio, created the Ohio Highway Transportation Research Center and placed this Center under the guidance of the Ohio Highway Transportation Research Board; and

WHEREAS, Section 2 of that bill provided that the Board of Trustees of The Ohio State University should transfer such land as was owned by the State and currently administered by the University for transportation research in Union and Logan Counties to the Ohio Highway Transportation Research Board; and

WHEREAS, the Ohio Highway Transportation Research Board was required by Section 2 of the bill to reimburse the University for any monies advanced for the purchase of such land and that such reimbursement should be credited to the fund or funds from which said monies were advanced; and

WHEREAS, an agreement was entered into between the University and the Ohio Highway Transportation Research Board on February 13, 1970, which provided for the transfer of such lands and the reimbursement and crediting of such funds in accordance with the terms of Amended Substitute Senate Bill 306, enacted by the 108th General Assembly of the State of Ohio; and

WHEREAS, the Ohio Highway Transportation Research Board has reimbursed the University for its advancement of $1,000,000 for the acquisition of such land by crediting the amount of $1,000,000 to the Improvements Fund created by Section 129.51, Revised Code, that being the fund or funds from which said monies were advanced;

NOW, THEREFORE, BE IT RESOLVED, that the President of The Ohio State University be authorized to sign a transfer of such State-owned lands on behalf of the University to the Ohio Highway Transportation Research Board, all in accordance with the provisions of Section 2 of the Amended Substitute Senate Bill 306, enacted by the 108th General Assembly of the State of Ohio.

Upon motion of Mr. Dunlap, seconded by Mr. Eckley, the above resolution was adopted by unanimous roll call vote.
E. Undergraduate Library and Service Center (Joseph Sullivant Hall) - Employment of Engineer

President Fawcett recommended that the engineering firm of W. E. Monks and Company, Columbus, Ohio, be employed to provide complete professional engineering services for plumbing, heating, ventilating and air conditioning, and electrical work for the above project, including design, preparation of drawings, specifications, estimate of cost, and field supervision of construction as required.

The fee for this service will be negotiated on the basis of the standard fee schedule for engineering service by the Ohio Department of Public Works and funds have been provided for this project from Budget Account 801095 (Undergraduate Library); a proposed appropriation in the 1971-73 Capital Improvements Bill, and proposed reappropriation from Item 315-061 Undergraduate Library), H. B. 828.

Upon motion of Mr. Harrod, seconded by Dr. Sirak, the above recommendation was approved by unanimous roll call vote.

F. Unemployment Compensation - Employment of Management Program Consultants

President Fawcett recommended that the Executive Director for Personnel Services be authorized to proceed to employ Gates, McDonald & Company, Columbus, Ohio, as Management Program Consultants in connection with the administration of the unemployment compensation function to be accomplished during the period August 1, 1971, to December 31, 1971, and for the calendar years 1972 and 1973.

The fee for this service will be negotiated not to exceed $3,640 for the period August 1, 1971, to December 31, 1971, then at an annual rate not to exceed $40,000 per year for the calendar years 1972 and 1973. Funds for this service will be provided from Budget Account 124710 (Personnel Services).

Upon motion of Mr. Eckley, seconded by Mr. Dorsey, the above recommendation was approved by unanimous roll call vote.

G. Control of Dogs and Other Animals - Amended Rule 61.09

President Fawcett recommended that the Animal Leash Rule Number 61.09, under date of July 31, 1969, as adopted by the Board of Trustees for the University be amended since our experience shows a greatly increased number of animals on the grounds, in buildings, and in housing units resulting in health, nuisance, and cost problems.

Therefore, it was recommended that a revised rule for increased animal regulation, prohibition, and enforcement be enacted. This section shall not apply to seeing-eye dogs when accompanied by their masters nor shall it apply to animals used for approved research or observation in classroom, laboratory, farm, or clinical facilities. All animals other than those specifically excepted are to be leashed.
Control of Dogs and Other Animals - Amended Rule 61.09 (continued)

Violators will be subject to University discipline for violation of University rules and animals impounded under a $15 per day charge.

The proposed rule has been reviewed and approved by designated legal counsel.

Section 1. No person, being the owner or keeper, or harboring or having charge of any dog or other animal, shall permit the same upon the grounds of The Ohio State University unless it be under the personal control of its owner or keeper by a leash not more than 6 feet in length. A dog or other animal, leashed but unattended, is not under the personal control of its owner or keeper. Nor shall such a person, being the owner or keeper, or harboring or having charge of any dog or other animal, permit the same in any University building or housing. This section shall not apply to seeing-eye dogs when accompanied by their masters nor shall it apply to animals used for approved research or observation in classroom, laboratory, farm, or clinical facilities.

Section 2. Any dog or other animal found upon the grounds of The Ohio State University or in or upon any University building, except as permitted pursuant to the provisions of Section 1 hereof, may be taken into custody and impounded by University authorities. The University shall hold such dogs or other animals in an impounding facility on the grounds of the University for at least 36 hours, after which time the University will turn the same over to the Humane Society for disposition.

Section 3. Any suspected rabid dog or other animal shall be held in isolation under observation by a person and in a place suitable to University officials for a period of at least 10 days after such animal is taken into custody in order to determine the definite development of rabid symptoms or for such further period as an examining veterinarian may deem necessary.

Section 4. The owner or keeper of any dog or animal impounded by University officials pursuant to this rule shall pay to the University for costs incurred in the impounding of such animal a fee of $15 per day or any part thereof that the animal is held in University facilities plus any reasonable charges for registration and inoculation against rabies in accordance with Chapter 955, Ohio Revised Code, and Chapter 707, Columbus City Code, and provided that the total charge to the owner imposed by the University for any animal held for more than two days pursuant to Section 3 herein shall not exceed $50. No dog or other animal may be released without proof of such registration and inoculation.

Section 5. The term animals, as used in this rule, shall include all kinds of animals, fish, fowl, reptiles, and amphibians, whose natural characteristics or actions may damage University property, create a disturbance or otherwise interfere with or disrupt normal University activities.

Upon motion of Mr. Harrod, seconded by Mr. Hilliker, the above recommendation was approved by a seven to one roll call vote, with Mr. Dunlap casting the negative vote.
September 2, 1971 meeting, Board of Trustees

IX. MISCELLANEOUS FROM OFFICE OF ADMINISTRATIVE OPERATIONS (continued)

G. Control of Dogs and Other Animals - Amended Rule 61.09 (continued)

In discussing the motion Mr. Dunlap indicated that he was quite reluctant to support the motion as he could appreciate the point of view expressed by Mr. Rosenberg. He noted that he could also appreciate the problem of permitting the dogs to run unleashed.

Dr. Sirak raised the possibility of permitting dogs to run on a portion of the athletic fields.

Dr. Moulton said that the students living in the dormitories used the athletic fields for recreational purposes and that these two uses were not compatible.

President Fawcett said that this revised rule had been carefully reviewed with legal counsel and compared with a number of dog ordinances at other universities and that this seemed to offer a moderate approach to this growing problem.

H. Completion of 3rd Floor - Center for Tomorrow, Employment of Engineers

President Fawcett recommended that the engineering firm of Heapy and Associates be employed to provide complete professional engineering services for plumbing, heating, ventilating and air conditioning, and electrical work for the completion of the 3rd floor of the Center for Tomorrow, including design, preparation of drawings, specifications, estimate of cost, and periodic field supervision of construction as required. Through private contributions it will now be possible to provide additional revenue producing guest rooms which were deleted from the original structure because of a limitation of funds.

The fee for this service will be negotiated based upon the estimated cost of the Mechanical and Electrical work. Funds have been provided from Budget Account 52374 (Center for Tomorrow Fund).

Upon motion of Mr. Gushman, seconded by Mr. Hilliker, the above recommendation was approved by unanimous roll call vote.

X. RESOLUTIONS IN MEMORIAM

President Fawcett reported to the Board the deaths of Earl Hayes Baxter, Professor Emeritus in the Department of Pediatrics; Ernest R. Biggs, Associate Professor in the School of Health, Physical Education and Recreation, and Head Athletic Trainer in the Department of Athletics; Mikhail V. Condoide, Professor Emeritus in the Department of Economics; William Eugene Dickerson, Professor Emeritus in the College of Administrative Science - Faculty of Accounting; Willard Frost Guard, Professor Emeritus in the College of Veterinary Medicine; Florence McBride, County Extension Agent Emeritus, Home Economics, Cooperative Extension Service; and William E. Warner, Professor Emeritus in the College of Education. In accordance with the instructions of the Board of Trustees, copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board will be furnished the families of the deceased.
A. Earl Hayes Baxter

The Board of Trustees of The Ohio State University expresses its sorrow at the death on July 16, 1971, of Earl Hayes Baxter, M.D., Professor Emeritus in the Department of Pediatrics.

Dr. Baxter was born in Mt. Vernon, Ohio, September 9, 1892, the son of Charles Chase and Etheline Hayes Baxter. He spent his boyhood days on a farm and attended a one-room school in his early youth. After graduating from high school in 1910, he taught at a country school near Mt. Vernon for a brief period. He received his Bachelor's degree in 1915 and his Doctor of Medicine degree in 1918, both from The Ohio State University.

Dr. Baxter had postgraduate training at the University of Michigan, Philadelphia Children's Hospital, Rush Medical College, and in 1936, in the Vienna Clinics. He started his practice of pediatrics in Columbus in 1921 and throughout the years until his last illness maintained a busy schedule of practice and consultation. He joined the faculty of The Ohio State University in 1918 and continued teaching until he became Professor Emeritus in 1963. In 1941, when the Department of Pediatrics was established in the College of Medicine, Dr. Baxter became Professor of Pediatrics and the first Chairman of the Department. He served as Chief of Staff at Children's Hospital from 1939 to 1963, and from 1937 to 1963 he was Chief of Pediatric Services at the University Hospital. He was certified by the American Board of Pediatrics in 1937 and had membership in many professional societies including the American Academy of Pediatrics and the Midwest Society for Pediatric Research. He was President of the Academy of Medicine in Columbus and Franklin County in 1955 and was selected as Man of the Year by the Class of 1961 in the College of Medicine.

Dr. Baxter was one of the early pediatricians in Central Ohio and was a pioneer in the development of the Department of Pediatrics and of the Columbus Children's Hospital. He bridged the transition from the old to the new in the College of Medicine and after the Department of Pediatrics was established under his leadership it flourished and grew into a major medium for education and research in child health. His guidance was instrumental in the rapid growth of Children's Hospital to the present status of a nationally recognized institution for child care and a center for teaching medical personnel and those entering allied professions.

Earl Baxter had more responsibilities and demands upon his time than most, but he was never too busy to take time from his administrative chores, teaching responsibilities, or practice to give his whole attention to the personal problems of a young student or resident, a colleague or the family of a sick child. His warmth of personality, his vigor and decisiveness and, most of all, his concern for young people, whether they were children under his care or students preparing for the health professions, are legendary. Earl Baxter looked out for the interests of his dominions when to him it seemed necessary. He was one to change the schedule of a busy day to visit the Dean or a Vice President or the President of a corporation if he sensed an inattention to his department or a need at the hospital.
RESOLUTIONS IN MEMORIAM (continued)

A. Earl Hayes Baxter (continued)

The Department of Pediatrics of the College of Medicine, the Columbus Children's Hospital, the countless physicians who came under his influence in the College of Medicine, and the pediatricians who went through the training program in the Department of Pediatrics, as well as the thousands who were his patients, are monuments to his deep involvement in the health and well-being of all with whom he had contact. His energy, humor, and deep interest in people are engrained in the memories of those who knew him.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

B. Ernest R. Biggs

The Board of Trustees of The Ohio State University expresses its sorrow at the August 7, 1971, death of Ernest R. Biggs, Associate Professor in the School of Health, Physical Education and Recreation, and Head Athletic Trainer in the Department of Athletics.

Nationally recognized as one of the top men in his field, in the care and prevention of athletic injuries, Mr. Biggs has been associated with The Ohio State University since his undergraduate student days.

The son of a Methodist minister, "Ernie" was born in Texas, November 28, 1916. He moved to West Liberty, Ohio, at an early age and it was here that he took his formal schooling. He entered The Ohio State University in the fall of 1935 and received his B.S. degree in 1939. As an undergraduate, he served as a student assistant trainer for three years.

Following his graduation, he was appointed full-time assistant trainer in 1939 and remained in the employ of the Department of Athletics until his death, save for a year in the Dean of Men's Office, while taking graduate work in 1941. He earned a M.A. degree in 1941.

In 1942 Mr. Biggs was named head athletic trainer, a position he held with distinction.

Quiet, efficient, understanding, dedicated, and extremely capable - this would be a way of describing Ernie's unusual charisma. He liked people and he understood them and his compassion for his fellowman was always discernible. He especially liked athletes, and he devoted his life to caring for them.

During his many years at The Ohio State University, Ernie worked with nearly every varsity athlete and with all the varsity coaches. The unusual esteem and respect shown for Mr. Biggs is mute tribute to his ability and character.
X. RESOLUTIONS IN MEMORIAM (continued)

B. Ernest R. Biggs (continued)

Ernest Biggs did much to upgrade the athletic training profession. He held a patent on a special knee support and he developed an ankle brace which he also patented. He co-originated a conditioning spat, containing variable weights, that is used by countless athletes. He conducted numerous clinics throughout the country and became a recognized authority on the care and prevention of athletic injuries. Mr. Biggs served on the Board of Directors of the National Athletic Trainers' Association and was one of eight U.S. trainers in the 1964 Olympic Games in Tokyo.

On behalf of the University at large, the Board of Trustees expresses its deep sympathy to the family. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board’s heartfelt sympathy.

C. Mikhail V. Condoide

The Board of Trustees of The Ohio State University expresses its sorrow at the death on August 6, 1971, of Mikhail V. Condoide, Professor Emeritus in the College of Social and Behavioral Sciences - Department of Economics.

Professor Condoide was born September 29, 1898, as Mikhail Vladimirovitch Kondoidy, of an aristocratic Russian family, in Samara, Russia, where his father, later Governor of Moscow in World War I and Member of the Imperial Council, was Governor of the Province of Samara. Young Mikhail’s education was interrupted by World War I, but before entering the war as a cavalry Lieutenant in the Fourth Uhlans of Kharkov, he had graduated from the Imperial College of Alexander I in St. Petersburg and from the Emperor Nicholas Cavalry Academy. During the Russian Civil War Professor Condoide served as a Staff Lieutenant in the White Russian Army until his unit was evacuated from the Crimea into Turkey in 1919. He worked his way to Vienna and then to Paris where, as a young Russian Emigre, he resided with an aunt, worked at various occupations, and studied at the Sorbonne.

In the late 20's, Dr. Condoide emigrated to the United States and in 1929 married Jessie Morrey, talented daughter of the late Dr. Charles B. Morrey, distinguished Professor of Anatomy and Bacteriology at The Ohio State University for many years. Dr. Condoide enrolled at The Ohio State University and earned, successively, the B.A. degree, and graduate degrees in economics of M.A. and Ph.D., the last in 1949.

Professor Condoide first became a member of The Ohio State University staff in 1938 as a Research Assistant in the Bureau of Business Research. He served in the Bureau until 1963, but began teaching in the Department of Economics in 1942. He was appointed Associate Professor of Economics in 1955, Professor in 1960, and Professor Emeritus in 1969.
Professor Condoide was multi-lingual, being fluent in Russian, French, and English. With Russian his native tongue it was natural that within his academic field of International Trade and Finance he should make Soviet Economics his major specialty, and that he should distinguish himself in this field, becoming internationally known for his works on the Soviet financial system and foreign trade. He was an able teacher and by the breadth of his knowledge and the intensity of his presentation contributed to the understanding of socialist and especially Soviet economics of a generation of students. Dr. Condoide was especially known for his writings which were in a polished, concise, and extraordinarily lucid English. His books, Russian American Trade and, particularly, The Soviet Financial System, are examples of the perfection of his literary style. In addition to articles and book reviews, a final contribution to the literature in his field was his co-editorship of Soviet Foreign Relations and World Communism, published in 1965 by Princeton University Press.

In all of his teachings and his analyses of Soviet economic policies and trends, Professor Condoide maintained an attitude of complete objectivity and scholarly detachment. Where a lesser man might have been embittered and biased by his experience during the Russian Revolution and the violent severance of his patrimony and position, Professor Condoide was able to view this social and political upheaval and his own fortunes in a larger perspective. In fact, it was apparent that he had great sympathy for the deprivations of the Russian masses and the egalitarian aims of the Revolution, if not its methods.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

D. William Eugene Dickerson

The Board of Trustees of The Ohio State University expresses its sorrow at the death on July 13, 1971, of William Eugene Dickerson, Professor Emeritus in the College of Administrative Science - Faculty of Accounting.

Professor Dickerson was born in Chicago, Illinois, on February 3, 1897. He received his B.B.A. degree in 1921, and his M.B.A. degree in 1923 from the University of Washington. He obtained his Ph.D. degree from the University of Chicago in 1926. Before coming to The Ohio State University, he also held academic positions at the University of Chicago, University of Kentucky, and University of Pittsburgh. Coming to The Ohio State University as an Assistant Professor in 1929, he advanced to Professor in 1946.
X. RESOLUTIONS IN MEMORIAM (continued)

D. William Eugene Dickerson (continued)

Professor Dickerson, a Certified Public Accountant in Ohio since 1933, served as a consultant and was joint author of books on federal income taxes, and state and local taxes. He also contributed articles to professional journals. His research studies included studies in tax compliance cost, operating costs in the retail drug trade, excise profits, tax refunds claims, and the organization and control of The Illinois Bell Telephone.

In addition to a full career in University teaching, Professor Dickerson was called upon to serve on University councils and committees. Throughout his active career, he was continuously involved in educational and professional organizations in his field of specialization. In 1951, he served as national president of Beta Alpha Psi. In 1961-62, he was vice president of the American Accounting Association.

A recognized authority in the field of income taxation in Ohio and nationally, Professor Dickerson as a member of the Committee on Federal Taxation of the American Institute of Certified Public Accountants in 1959 was one of eight persons designated to testify before the Tax Writing Committee of the House Ways and Means Committee. He was largely responsible for the acceptance of the concept of "Income Averaging" in the present Federal Income Tax Law.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

E. Willard Frost Guard

The Board of Trustees of The Ohio State University expresses its sorrow at the death on July 12, 1971, of Dr. Willard Frost Guard, Professor Emeritus in the College of Veterinary Medicine.

Dr. Willard Frost Guard was born January 29, 1890, on a farm near North Bend, Ohio. He attended The Ohio State University receiving his Doctor of Veterinary Medicine degree in 1912. From 1912 to 1913 he served as house surgeon in the College and from 1913 to 1914 he operated a private practice. In 1914, Dr. Guard joined the staff of the Veterinary College at Iowa State University where he advanced in rank from Assistant Professor to Head of the Department of Surgery and Director of Clinics, a position he held until 1929. Later in 1929, he joined the staff of his Alma Mater as Professor and Head of the Department of Surgery and Clinics in which capacity he remained until 1947. From 1947 to 1957, he served as Professor and Chairman of the Department of Surgery and from 1957 to 1958, he served as a Professor. In 1958, he was appointed technical advisor to the College of Veterinary Science and Animal Husbandry in Bikaner, India. After eighteen months service in India, he returned to The Ohio State University just prior to his retirement on July 1, 1960.
September 2, 1971 meeting, Board of Trustees

X. RESOLUTIONS IN MEMORIAM (continued)

E. Willard Frost Guard (continued)

In addition to his busy career, Dr. Guard was an active member of the Upper Arlington City Board of Health from 1944 to 1958 and served as Deputy Health Commissioner from 1955 to 1956.

His endeavors included membership in many local, state, and national professional organizations. He represented veterinary surgery at the International Veterinary Congress in 1934 and was President of the Ohio State Veterinary Medical Association in 1938. He was a member of Sigma Xi, Phi Kappa Phi, Phi Zeta and was awarded the "Gamma Key" of the Omega Tau Sigma Fraternity in 1953. He was an organizer and first president of the Equine Practitioners Association of America.

For his broad interest and contribution to the profession of veterinary medicine, for his fine leadership in the field of clinical medicine, and for his sincere interest in teaching and the maintenance of high standards of education, the faculty of the College of Veterinary Medicine, The Ohio State University, conferred upon Dr. Willard F. Guard the Distinguished Alumnus Award in June, 1971.

On behalf of the University community, the Board of Trustees expresses to the family of Dr. Guard its deep sympathy. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

F. Florence McBride

The Board of Trustees of The Ohio State University expresses its sorrow at the death on May 14, 1971, of Mrs. Florence McBride, County Extension Agent Emeritus, Home Economics. Mrs. McBride served as Home Economics Agent in Mahoning and Athens Counties.

Mrs. McBride was born December 17, 1895, near Summerfield, Ohio. She attended school in Monroe County and was graduated from Woodsfield High School in 1916. She attended Ohio University, Athens, Ohio, where she received a Bachelor of Science in Education degree in 1926. She taught school in Monroe, Noble, and Athens Counties, and served as Home Demonstration Agent in West Virginia for one year. Mrs. McBride was appointed Home Demonstration Agent in Mahoning County in 1927 and served there until she resigned in 1943. She returned to the employment of the Cooperative Extension Service in 1950 when she was appointed County Extension Agent, Home Economics in Athens County. She served in Athens County until her retirement in 1961.

During her career as a faculty member of the Ohio Cooperative Extension Service, Mrs. McBride was highly respected by the people with whom she worked in both Mahoning and Athens Counties as well as by her co-workers throughout Ohio. She was an excellent teacher and developed many outstanding programs for the families with whom she worked.

F. Florence McBride (continued)

Among the honors she received was the Distinguished Service Award from the National Home Demonstration Agents Association in 1958. Mrs. McBride was also honored by the Ohio County Extension Agents Association and Epsilon Sigma Phi, national extension fraternity in 1958. She served as chairman of the Ohio Home Economics Agents in 1956.

On behalf of the University community, the Board of Trustees expresses to the husband of Mrs. McBride its deepest sympathy. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that a copy be sent to Mr. McBride as a sincere expression of the Board's realization of the loss which he and the University have sustained.

G. William E. Warner

The Board of Trustees expresses its sorrow at the death on July 11, 1971, of William E. Warner, Professor Emeritus in the College of Education.

Dr. Warner was born in Roanoke, Illinois, on August 22, 1897. He received his baccalaureate degree at the University of Wisconsin in 1923. In 1924 he received a M.S. degree from that same institution. His Ph.D. degree was received from Columbia University in 1928.

Dr. Warner taught five years in the public schools of Wisconsin and New York, pioneering the general shop concept, a new departure from the unit shops which were a product of early manual training. In 1925, he was appointed an Assistant Professor in the Department of Education at The Ohio State University. He was subsequently awarded the titles of Associate Professor and Professor, being accorded the title of Professor Emeritus upon his retirement in 1967. During this tenure he pioneered both the laboratory of industries and the curriculum to reflect technology.

Dr. Warner founded Epsilon Pi Tau in 1929, serving as executive secretary until 1970. From Ohio State's Alpha Chapter, this honorary fraternity has grown to a world-wide organization of more than eighty chapters with more than 20,000 members. Dr. Warner also was the founder and first president in 1939, of the American Industrial Arts Association, a department of the National Education Association. Throughout his distinguished career, Dr. Warner promoted educational leadership through graduate instruction and advisement. He served as major adviser to about fifty recipients of the Ph.D. degree from The Ohio State University, plus more than one hundred and thirty-five candidates for the master's degree.

Dr. Warner was a veteran of World War I and World War II, rising to the rank of Lieutenant Colonel in the Army. He was assigned to General Eisenhower's staff at SHAEF in London and Versailles. After returning to the University at the close of World War II, he took a leave of absence in 1950 to accept the post of Ohio Civil Defense Director. In April, Dr. Warner was the recipient of a special tribute from the American Industrial...

Just the week before his death, the Ohio Legislature commended him as one of Ohio's exemplary citizens for his outstanding career as an educator, speaker, author, consultant, organizer, and developmental leader.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family of Dr. Warner as a humble expression of the Board's heartfelt sympathy in its bereavement.

XI. REPORTS

A. Reports from the Finance and Investment Committee

1. Construction of Office Building on Kenny Road for Use of the Center for Vocational and Technical Education

In accordance with authorization provided by the Finance and Investment Committee bids have been taken on the above project and it is recommended that a lump sum contract be awarded to Six Industries, Inc. (Springfield) in the amount of $992,000 for the construction of a shell building complete with all services. Additional interior work will be in accordance with unit prices included in the bid. Total project costs are not to exceed $1,150,000.

Funds will be provided from the Investment Portfolio.

Upon motion of Mr. Hilliker, seconded by Mr. Dunlap, the above award of contract was approved by unanimous roll call vote.

2. Appropriations for University Administrative Officials

Mr. Hilliker moved that the amounts to be appropriated from the unrestricted interest on endowment funds in the University Treasury to certain principal administrative officers of the University for the purpose of carrying out their administrative responsibilities during the fiscal year 1971-1972 be as follows: (1) to the President, $10,000.00; (2) to each of the persons holding the following titles, $1,000.00 - Executive Vice President; Acting Provost and Acting Vice President for Academic Affairs; Vice President for Administrative Operations; Executive Assistant to the President and Secretary

A. Reports from the Finance and Investment Committee (continued)

2. Appropriations for University Administrative Officials (continued)

To the President's Cabinet; Vice President for Student Affairs; Vice President for University Development; Vice President for Educational Services; Vice President for Medical Affairs; Vice President for Regional Campuses and Dean of the University College and (3) an additional amount of $3,000.00 to be allocated at the discretion of the President for such costs as may be incurred by the administrative officers as they, by direction, further the fiscal progress of the University.

The above motion was seconded by Mr. Eckley and approved by unanimous roll call vote.

3. Abandonment of the Women's Self-Government Association Residence Hall (Ann Tweedale House) and the George Wells Knight House as Dormitory Facilities

The Women’s Self-Government Association Residence Hall (Ann Tweedale House) and the George Wells Knight International House were named in Section 1601 of the Dormitory Trust Agreement as "dormitory facilities" and have been operated jointly by the Office of Student Affairs and the Division of Business and Finance as student aid facilities and to provide for special needs of International Students.

As a result of the reorganization of the Residence Halls operation and since the program under which they are operated is not consistent with the use of dormitory facilities under the Trust Agreement, Mr. Hilliker, Vice Chairman of the Finance and Investment Committee, presented the following resolution:

RESOLUTION concerning the abandonment of the Women's Self-Government Association Residence Hall (Ann Tweedale House) and the George Wells Knight House as dormitory facilities pursuant to Section 8.01 of the Original Trust Agreement dated as of April 15, 1957.

WHEREAS, on April 8, 1957, this Board of Trustees adopted the Original Bond Resolution pursuant to which a Trust Agreement dated as of April 15, 1957, between The Ohio State University and this Board and The Ohio National Bank of Columbus, as Trustee, has been entered into (herein called the Original Trust Agreement and, together with First through Fifth Supplemental Trust Agreements, called collectively the 'Trust Agreement'), and under which Trust Agreement Dormitory Revenue Bonds, Series A through J, inclusive, of the University have been authorized and issued; and
WHEREAS, the buildings known as the Women's Self-Government Association Residence Hall (Ann Tweedale House) and the George Wells Knight House are each one of the Dormitory Facilities defined in said Trust Agreement, and this Board has determined that it is for the best interest of the University that the use of said Hall and House as dormitory facilities be discontinued and that they be devoted to other uses of the University; and

WHEREAS, pursuant to Section 8.01 of the Original Trust Agreement authorizing the University to abandon the use of Dormitory Facilities for dormitory purposes upon there being furnished to the Trustee a certificate signed by the President and the Vice President and Business Manager of the University (now its Treasurer), approved by this Board, containing the information required under Section 6(b) of the Original Bond Resolution and showing that after such abandonment there would be one and three-tenths times net income coverage of the maximum principal and interest requirements of all Bonds outstanding which would be required by said Section 6(b); and such certificate having been signed by the said officers of the University and submitted to this Board and attached to this Resolution as Exhibit A (page 229) and made a part hereof;

NOW, THEREFORE, be it resolved by the Board of Trustees of The Ohio State University that:

Section 1. The certificate of the President and Treasurer of the University, attached hereto as Exhibit A, is hereby determined to be in compliance with Section 8.01 of the Trust Agreement and Section 6(b) of the Original Bond Resolution, and said certificate is hereby in all respects approved.

Section 2. The University shall and does hereby abandon and discontinue use of the buildings known as Women's Self-Government Association Residence Hall (Ann Tweedale House) and George Wells Knight House as dormitory facilities pursuant to Section 8.01 of the Original Trust Agreement, effective as of September 7, 1971, and after said date said buildings shall not be deemed to be one of the Dormitory Facilities for the purposes of the Trust Agreement.

Section 3. The Secretary of the Board of Trustees is hereby directed to cause to be delivered to the Trustee, prior to September 7, 1971, a certified copy of this Resolution and the certificate attached hereto, and to obtain the receipt of the Trustee therefor.

Upon motion of Mr. Hilliker, seconded by Mr. Harrod, the foregoing resolution was adopted by unanimous roll call vote.
EXHIBIT A

THE OHIO STATE UNIVERSITY

Certificate of the President and the Treasurer of The Ohio State University pursuant to Section 8.01 of Trust Agreement dated as of April 15, 1957 for purposes of permanently abandoning the Women's Self-Government Association Residence Hall (Ann Tweedale House) and George Wells Knight House as dormitory facilities.

We, the undersigned President and Treasurer (performing duties of the office formerly known as the Vice President and Business Manager) of The Ohio State University, do hereby certify as follows pursuant to Section 8.01 of the Trust Agreement, dated April 15, 1957, between The Ohio State University and its Board of Trustees and The Ohio National Bank of Columbus, as Trustee, and pursuant to Section 6(b) of the Bond Resolution set forth as part of said Trust Agreement, for the purposes of permanently abandoning the buildings known as Women's Self-Government Association Residence Hall (Ann Tweedale House) and George Wells Knight House as dormitory facilities thereunder:

(A) That

1. Actual Net income from all Dormitory Facilities of the University for the preceding fiscal year (July 1, 1970 to June 30, 1971), none of which are to be abandoned (except the Women's Self-Government Association Residence Hall (Ann Tweedale House) and George Wells Knight House and all of which are suitable for continuous use as Dormitory Facilities for the terms of the Series A through J Bonds issued and outstanding pursuant to the aforesaid Trust Agreement: $2,438,926

2. Actual Net Income from the Women's Self-Government Association Residence Hall (Ann Tweedale House) and George Wells Knight House, for the preceding fiscal year (July 1, 1970 to June 30, 1971): $813

3. Actual Net Income, excluding net income from the Women's Self-Government Association Residence Hall (Ann Tweedale House) and George Wells Knight House for the preceding fiscal year (1. minus 2.): $2,438,113

4. Adjustment to 3. to reflect increased rates effective September 1, 1971 and to give recognition to anticipated changes in operating costs: $596,050

229
Certificate (continued)

5. Total actual Net Income from Dormitory Facilities, as adjusted (3. plus 4.) $3,034,163

6. Maximum amount to become due in any succeeding fiscal year (namely, the fiscal year ending June 30, 1972) for the payment of principal and interest on all Bonds now outstanding (Series A through J, inclusive) 1,955,225

7. Adjusted Net Income (5. above) is 1.55 times the maximum annual principal and interest requirement (6. above).

8. The foregoing computations, to the extent they are estimates, are based on an assumed occupancy of not more than 95 percent of capacity of the Dormitory Facilities in question.

9. There were not included in Net Income figures above any receipts against which there is any prior claim other than the use thereof for operating expenses included in computing Net Income.

10. Since the beginning of the current fiscal year (July 1, 1971) there has been no material change which would affect the estimates set forth in the foregoing computations.

(B) That the terms "Dormitory Facilities," "Net Income" and "Bonds" as used in this certificate have the same meanings given to such terms in the aforesaid Trust Agreement as supplemented.

(C) That the University is not in default in the performance of any of the covenants provided in the aforesaid Bond Resolution, the Trust Agreement or any supplement thereto and is current in all payments required to be made thereunder.

XI. REPORTS (continued)

A. Reports from the Finance and Investment Committee (continued)

4. Authorization to Sell and Acquire Securities

RESOLVED, that the two following officers, namely, the President and Treasurer, be and hereby are jointly authorized and empowered to sell, assign and transfer any and all stocks, bonds, evidences of interest and/or indebtedness, rights and options to acquire or to sell the same, and all other securities, corporate or otherwise, standing in the name of, or belonging to, this University in any capacity.

Upon motion of Mr. Hilliker, seconded by Mr. Eckley, the above resolution was adopted by unanimous roll call vote.

B. Report on the University's Investment Portfolio

The report dated September 2, 1971, as submitted to the Finance and Investment Committee of the Board of Trustees by Mr. Ernest W. Leggett pertaining to the University's investment Portfolio, was received and ordered to be filed with the official records of the Board of Trustees.

Thereupon the Board adjourned to meet Friday, October 1, 1971, at The Ohio State University, Columbus, Ohio, at 3:00 p.m.

The Board of Trustees met at its regular monthly meeting on Friday, October 1, 1971, at The Ohio State University Center for Tomorrow, Columbus, Ohio, pursuant to adjournment.

Minutes of the last meeting were approved.
October 1, 1971 meeting, Board of Trustees

REPORT BY CHAIRMAN

A. Meeting Place

Chairman Shocknessy stated that the Board meeting was being held in the Center for Tomorrow so as to accommodate a larger number of people who have indicated a desire to attend our meetings.

B. Meeting with Student Leaders

The Chairman stated that he recently had met with two of the elected student leaders--Mr. Friedman and Mr. Yapalater--and that Dr. Ted Robinson was also present at his request. He indicated that the meeting was a pleasant one, productive of understanding, and that he found Mr. Friedman and Mr. Yapalater reasonable and knowledgeable young men. He told them, however, at the conclusion of this meeting that he would not expect to meet with them thereafter, since there are administrators employed by the University who are charged with the responsibility of working directly with students and all other constituencies of the University on a day-to-day basis. Mr. Friedman and Mr. Yapalater agreed that they would proceed on this basis unless the channels of communication between students and the Administration broke down, whereupon they might return to Mr. Shocknessy.

Further, Mr. Shocknessy reported that he had the assurance of President Fawcett that there is no reason for the channels of communication to break down but if they do it is understood that the Board will always be ready to husband its responsibilities including meeting with student leaders when appropriate.

C. Requests to Speak

Mr. Shocknessy said that no requests had been made to appear before this meeting of the Board.

D. Report on Consultative Committee to Advise in the Selection of a President

Mr. Shocknessy made the following statement:

Mr. Ketterer, Chairman of the Presidential Search Committee, recently informed me that the Committee was making very satisfactory progress. The Committee members are in the process of reviewing credentials of a rather large number of prospects and expect to be able to fulfill the schedule which proposed that a list of five nominees be presented to this Board on December 15. I cannot say much more at this time since I have not in any respect injected myself, nor has any member of this Board injected himself into the affairs of the Search Committee. The Committee is perfectly free to exercise its best judgment in preparing the list of nominees for the Board's consideration. In turn, it is the Board's hope that it would be able to choose a

Mr. Shocknessy's statement (continued)

President from the list. If, however, there is no one on this list that the Board is able to agree upon, then the Board will be obliged to seek other nominations. The Board would hope, however, in this circumstance that it would not be seeking these nominations but that additional nominations would come from the Search Committee from which the President might be selected. I have been asked by some members of the Search Committee privately what the Board would do in the event that it was not able to appoint a person from the list provided by the Committee. I answered by saying that probably the Board would garner other names and request the Search Committee to examine any additional names that it or the Board might have at that time. I asked Mr. Ketterer when he submits the list of five nominations, not to consider the Search Committee dissolved, but rather that it should be available to the Board for whatever assistance might be required until this University has selected a President. And I would hope that a President will be selected by next spring.

As you know, it remains impossible to submit a final budget for your approval because the General Assembly has not yet passed an appropriation bill, but perhaps I should take a minute or two to bring you up to date on the financial picture for the current biennium.

Even with the uncertainty about where we stand with regard to legislative appropriations, I am pleased to report we are in a 'go' position for the Fall Quarter. If the appropriation act provides a subsidy at the $67,000,000 level approved by the House and used in our provisional budget and authorizes the Instructional Fees the Regents have already approved, I am confident that we can keep most of our commitments and continue the momentum we have developed in enhancing the quality of the total educational program at Ohio State.

The fee schedule we built into all alternative budget considerations beginning last spring has been approved by the Regents, is consistent with the best information we could get from the General Assembly and is permissible on advice of legal counsel through the Cost of Living Council. Moreover, the approved fees are absolutely essential if we are to have adequate support for our programs.
Interim legislative budgets have contained varying language concerning fees, but there is general agreement with Representative Kerns' statement that the language in interim budgets is not intended to invalidate the Regents' action in approving fee increases.

Recognizing the confusion surrounding fees, we have created a separate account for the increases in the unlikely event we should be required to make refunds.

In addition to encouraging an adequate level of State support there are two other important factors that should help us achieve our goals as one of the best comprehensive universities serving the State and the Nation.

First, the provision of the Regents Master Plan for Higher Education permits us to stabilize enrollments. At the close of business on September 28, the deadline for registration, without penalty, there were 45,760 students enrolled on the Columbus Campus, and an additional 4,064 students on the four Regional Campuses. With present facilities and resources this is an optimum enrollment. We have successfully responded to the pressures for growth in numbers over the past decade and now that there is a leveling off of enrollments we can turn our energies to enhancing the quality of our faculty, our curriculum, and all the programs and activities that constitute a great university and provide a first rate environment for learning.

The other key factor, in my judgment, is the level of federal and private support of the University. A broad indication of the importance of this support is the fact that last year the Development Fund raised more than $10,000,000 from the private sector. The Research Foundation and the Engineering Experiment Station received about $19,000,000 and the Business Office administered over $29,000,000 from a variety of corporate and federal grants and contracts.

I take this support as evidence of the high regard others have for this University and I hope we can do at least as well or better in the year ahead.

The private support we are getting from individuals, corporations and foundations is especially encouraging because it represents an endorsement of what we are doing here and of our importance to society. This does not diminish the need for State support. Rather it supplements it and gives us the margin of excellence--that extra degree of flexibility that makes it possible to achieve the goal of quality.

Not too many years ago there was virtually no private support of public universities. The shift in attitude has, I think, resulted from our record
STATEMENT BY PRESIDENT FAWCETT
ON THE STATUS OF THE BUDGET (continued)

of accomplishment and the growing recognition that universities like Ohio State are meeting the educational needs of 75 percent of the Nation's students, conducting much of the country's best research and making many significant contributions to society through a variety of public service programs.

More important, our private support shows that many people have a deep desire to assist higher education. Our own alumni--those who know us best--are supporting Ohio State in record numbers. At the same time there has been a dramatic increase in the number of major donors. The Presidents Club, for example, has grown from a small band of loyal individuals to an organization of 695 people who have contributed or pledged more than $16,000,000 in eight years since 1963.

Another evidence of increasing support by major donors has been the funding of six (6) endowed chairs and eleven (11) professorships over the past five years, bringing the total to eight (8) endowed chairs and some twenty-one (21) professorships.

And then there have been a few of those very special gifts such as the $1,000,000 incentive grant from the Benedum Foundation to help us get started on a new center for recreation, physical education, and intramurals, which will require slightly more than $5,000,000 from capital appropriations plus an additional $4,000,000 from the private sector.

All of our friends seem to sense the potential we have for greater quality, for improving our ability to carry out our mission, and for responding to critical contemporary problems.

I hope we can continue to strengthen this tradition of private support. We are at a crossroads at the moment and any future course will require expanded sources of support and dedicated teamwork on the part of the taxpayers and private philanthropists.

The achievement of future goals will require the continuing leadership and support of this Board. I know you will give full measure. And I hope it gives you confidence to know that 1971-72 promises to be the best year yet in the distinguished history of The Ohio State University.
President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Change of Trustee for the Pooled Income Fund

President Fawcett recommended that the appointment of Dean James R. McCoy, College of Administrative Science, be approved to fill the vacancy created by the resignation of Vice President Gordon B. Carson on the Board of Trustees for the Pooled Income Fund, effective for a period of one year—October 1, 1971 through September 30, 1972.

Upon motion of Mr. Safford, seconded by Mr. Dorsey, the Board of Trustees approved the above recommendation by unanimous voice vote.

B. Honorary Degree

President Fawcett recommended under Section 3, Rule 11.05, and after consultation with the Faculty Advisory Committee to the President and Board of Trustees, that the honorary degree--Doctor of Humane Letters--be conferred on William Jovanovich at the Autumn Quarter Commencement, December 17, 1971.

Upon motion of Mr. Dunlap, seconded by Mr. Hilliker, the Board of Trustees approved the above recommendation by unanimous voice vote.

II. PERSONNEL CHANGES

Personnel changes since the September 2, 1971 meeting of the Board, as recorded in the official "Salary Roll" of the University, include the following Changes in Responsibility, Appointment, Leaves of Absence With Salary, Leaves of Absence Without Salary, and Emeritus Title:

   Gross Value - $76,000.00.
III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

C. Authorization to Execute Agreement Between The Ohio State University and the Allen County Technical Institute at Lima

On September 17, 1971, the Ohio Board of Regents granted a charter to the newly established Allen County Technical Institute and authorized the Board of Trustees of that Institute to assume full responsibility as provided under Section 3357.09 of the Ohio Revised Code which authorizes the establishment of a technical institute program in cooperation with state universities. With this action the University was relieved of the interim agreement authorized by action of this Board on July 2, 1971, to act as the agent for the purpose of making expenditures from funds made available by the Ohio Board of Regents in support of this program.

It was recommended that the President of this University be authorized to enter into an agreement on behalf of The Ohio State University and the newly chartered Allen County Technical Institute so as to provide this University with appropriate compensation for the use of its facilities and personnel in support of the technical education program at the Lima Regional Campus.

Upon motion of Mr. Harrod, seconded by Mr. Gushman, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote.

6. $10,000.00 from the Estate of Josephine Margaret Pickering for the establishment of The Woodrow Charles Pickering Leukemia Research Fund.

The Woodrow Charles Pickering Leukemia Research Fund

The Woodrow Charles Pickering Leukemia Research Fund was established October 1, 1971, by the Board of Trustees of The Ohio State University with a bequest to The Ohio State University Medical Center from Josephine Margaret Pickering, late of Columbus, Ohio.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used for research in leukemia as requested by members of the Faculty of the College of Medicine and as approved by the Dean of the College of Medicine. The principal may be invaded if necessary.
October 1, 1971 meeting, Board of Trustees

IV. GRANTS AND GIFTS (continued)

B. The Ohio State University Development Fund (continued)

6. The Woodrow Charles Pickering Leukemia Research Fund (continued)

Should the need for research in leukemia cease to exist or so diminish as to provide unused income, or should the College of Medicine cease to exist, through any reorganization of the University, then the income may be used for any other medical research whatsoever as determined by the Board of Trustees, with preference being given to the recommendations of the appropriate faculty and administrative officials of the University who are then responsible for medical research.

7. $8,400.00 from The International Nickel Company of Canada, Ltd., New York, New York, for its fellowship fund in Metallurgical Engineering.

8. $6,500.00 from Hoffman-LaRoche, Inc., Nutley, New Jersey, for research in infectious diseases.

9. $6,000.00 from Kappa Kappa Gamma Fraternity, Columbus, Ohio, to support a fellowship for rehabilitation in Physical Medicine.

10. $5,500.00 from American Oil Foundation, Chicago, Illinois, for its fellowship fund in Chemistry.

11. $5,000.00 from the Estate of Iride L. McCampbell, Fairfield, California, for the establishment of the Andrew Harold McCampbell Scholarship.

Andrew Harold McCampbell Scholarship

The Andrew Harold McCampbell Scholarship was established October 1, 1971, by the Board of Trustees of The Ohio State University with a bequest from Iride Lelia McCampbell, formerly of Napa, California, in memory of Sara and Lee Perkins and her husband, Andrew Harold McCampbell.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of the University, with the right to invest and reinvest as occasion dictates.

The annual income from this Fund is to be awarded annually to a deserving student; the principal may be invaded if the student so selected is deserving of a larger amount than that represented by the annual income of the Fund.

Should the need for this scholarship cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees with preference.

being given to the recommendations of the appropriate administrative official of the University who is then directly responsible for the student financial aids program.

12. $5,000.00 from the family and friends of Carl R. Arnold for the establishment of the Carl R. (Cap) Arnold Agricultural Credit Fund.

Carl R. (Cap) Arnold Agricultural Credit Fund

The Carl R. (Cap) Arnold Agricultural Credit Fund was established October 1, 1971, by the Board of Trustees of The Ohio State University with gifts through The Ohio State University Development Fund from the family and friends of Carl R. Arnold, B.Sc. Agr. '20, L. H. D., Hon. '63, a former faculty member, nationally acknowledged "Father" of the United States' Production Credit System and former Governor of the Farm Credit Administration.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of the University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used to support the Arnold Agricultural Credit Library and its programs. Annual income may also be used to provide abstracting informational and materials service on agricultural finance, to support an Arnold Professorship or Endowed Chair in Agricultural Credit, to develop special studies and research projects in Agricultural Credit, and/or provide Arnold Scholarships, Fellowships, and Grants for training in Agricultural Credit. The use of the annual income is to be determined by the Chairman of the Department of Agricultural Economics with the approval of the Dean of the College of Agriculture and Home Economics. The principal may be invaded and used if necessary.

Should the need for these programs cease to exist or so diminish as to provide unused income, or should the above named department or college cease to exist, through any reorganization of the University, then the income may be used for any purpose whatsoever as determined by the Board of Trustees of the University, with preference being given to the recommendations of the appropriate administrative official of the University who is then directly responsible for education in agricultural credit.
IV. GRANTS AND GIFTS (continued)

B. The Ohio State University Development Fund (continued)

13. $5,000.00 from Union Carbide Corporation, Marietta, Ohio, for its fund in Metallurgical Engineering.

14. $4,000.00 from the Estate of Helen D. Brown for the establishment of the Helen D. Brown Scholarship.

Helen D. Brown Scholarship

The Helen D. Brown Scholarship was established October 1, 1971, by the Board of Trustees of The Ohio State University with a bequest to The Ohio State University through the Development Fund from Helen D. Brown, late of Warren, Ohio.

All gifts and bequests are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of the University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used for scholarships for students in the School of Home Economics. First preference is to be given to freshmen women, who are members of the 4-H Club in Trumbull County at the time of their graduation and have completed four home economics projects in five different years. The scholarship is to be awarded by the University's Scholarship Committee upon the recommendation of the Scholarship Committee of the Ohio 4-H Club Foundation, the Trumbull County Agricultural and Home Economics Extension Staff, the 4-H Club Council, and the Trumbull County Superintendent of Schools. If such a student is selected, she is to be extended the scholarship for her sophomore year so long as she maintains proper academic standards. If there is no applicant or otherwise no one to fulfill the first preference expressed above, the annual income may be used for any woman enrolled in the School of Home Economics, for a one-year term.

Should the need for these scholarships cease to exist or so diminish as to provide unused income, then the annual income may be used for any purpose whatsoever as determined by the Director of the School of Home Economics. Should the School of Home Economics cease to exist through any reorganization of the University, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to the recommendations of the appropriate administrative official of the University who is then directly responsible for home economics education.
V. PLANS AND SPECIFICATIONS

At the request of the Vice President for Administrative Operations, President Fawcett recommended that the plans and specifications, bills of materials, and estimates of cost for the following projects be approved by the Board of Trustees:

A. State Health Laboratory, 382 West 10th Avenue - Demolition

This project involves the complete demolition of the entire building.

Funds for this project have been provided from Budget Account 124358 (Contract Repair).

B. Natatorium, 321 West 17th Avenue - Roof Repairs 1971

This project involves the removing and replacing of the roofing, coping, insulation, gutters, conductor pipe, flashing, counter-flashing, and tubes.

Funds for this project have been provided from Budget Account 124358 (Contract Repair).

Upon motion of Mr. Gushman, seconded by Dr. Sirak, the above recommendations were approved by unanimous roll call vote and the Secretary was authorized and directed to sign the plans and specifications for the above projects for and on behalf of the Board of Trustees. Vice President Lachner was directed to proceed with a request for bids in the normal University manner and if satisfactory bids were received, to proceed with the award of contracts. All action regarding this matter will be reported to the Board of Trustees at a later meeting.

VI. REPORT OF AWARD OF CONTRACT

In accordance with authorization provided by the Board of Trustees, bids were taken on the project listed below and the contract was recommended for award. The action reported to the Board was as follows:

VII. RESOLUTIONS IN MEMORIAM

President Fawcett reported to the Board the deaths of Kenneth J. Arisman, Professor in the College of Education; Omar Leo Cunningham, County Extension Agent Emeritus in the Cooperative Extension Service; John Solomon Hare, Assistant Professor Emeritus in the Department of History; Russell W. Jones, Instructor Emeritus in the Department of Aviation; and Dick P. Snyder, Professor Emeritus in the College of Dentistry. In accordance with the instructions of the Board of Trustees, copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board will be furnished the families of the deceased.

A. Kenneth J. Arisman

The Board of Trustees of The Ohio State University expresses its sorrow at the death on August 29, 1971, of Kenneth J. Arisman, Professor in the College of Education.

Professor Arisman was born in Boswell, Pennsylvania, on November 19, 1910. He received the B.S. degree from State Teachers College, Indiana, Pennsylvania, in 1932. His graduate work was done at Teachers College, Columbia University, where he received the M.A. degree in 1938; and at The Ohio State University, where he received the Ph.D. degree in 1946. Prior to coming to University School, The Ohio State University, as an Instructor, in 1942, Professor Arisman taught art in the public schools of Souderton and Hatfield, Pennsylvania, and Des Moines, Iowa.

Professor Arisman moved into the field of secondary education in the Department of Education, advancing through the academic ranks from Instructor to Professor, and later turned to administration in the Office of Instruction as Director of Off-Campus Education. He directed the study leading to the establishment and organization of branches at Marion and Newark, in the Autumn of 1957, Mansfield in 1958, Lima in 1960, and Lakewood in 1962. His basic research and planning supplied the University with data which were used in the further expansion of the branch program.

During his teaching and administrative career, Professor Arisman engaged in many and varied educational activities. He arranged and conducted numerous workshops in connection with child study programs, art education, secondary education, parent education, higher education, and general curriculum. He served as teacher and consultant at other universities in Ohio, Colorado, Iowa, Georgia, Texas, Louisiana, Arkansas, Maryland, Wisconsin, and Minnesota. As a writer, Professor Arisman contributed numerous articles to professional periodicals and co-authored a book in the field of secondary education. He served as Chairman of the Committee on Graduate Work in Education. He served on a number of campus bodies. He was a member of the Faculty Council for seven years, the Executive Committee of the Graduate School for five years, and The Ohio State University Athletic Board for six years and its Chairman from 1954 through 1956. He was a member of numerous professional organizations in the fields of secondary and higher education. At the close of his career, Professor Arisman returned to teaching and the contacts with graduate and undergraduate students in secondary education, contacts which he and the students found most rewarding.

VII. RESOLUTIONS IN MEMORIAM (continued)

A. Kenneth J. Arisman (continued)

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

B. Omar Leo Cunningham

The Board of Trustees of The Ohio State University expresses its sorrow at the death on August 19, 1971, of Omar Leo Cunningham, County Extension Agent Emeritus, Montgomery County, Cooperative Extension Service.

Mr. Cunningham was born March 15, 1888, in Folsomdale, Kentucky. He was awarded a Bachelor of Science degree from Valparaiso University at Valparaiso, Indiana, in 1912; and a Master of Science degree from the University of Wisconsin in 1915. He also completed an additional year's graduate study at the University of Southern California.

Mr. Cunningham's career in the academic world began in 1915 when he joined the staff of Teachers College in Bowling Green, Kentucky, as Head of the Department of Agriculture. He left the College in 1918 for two years' service in the United States Army and then returned to his native state to become a County Extension Agent in Fulton County, Kentucky. In 1922 he resigned this position to begin more than a quarter century of service as a County Agricultural Agent in Montgomery County, Ohio. He retired in December, 1948.

Throughout his career as a faculty member of the Ohio Cooperative Extension Service, Mr. Cunningham enjoyed the respect and admiration of his fellow faculty members as well as the people he served in Montgomery County. During World War II he accepted many civic assignments beyond his regular duties. He was Chairman of the Victory Garden Council, the county-wide savings bond drive, the county rationing board, the farm labor committee, and of scrap and salvage drives. He also was a member of the county post-war planning committee, the Boy Scout Council, the Education Council of the Y.M.C.A., and the Rural Church Council.

On behalf of the University community, the Board of Trustees expresses to members of the Cunningham family its deepest sympathy. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that a copy be tendered to the family as an expression of the Board's realization of the loss which the family and the University have sustained.

VII. RESOLUTIONS IN MEMORIAM (continued)

C. John Solomon Hare

The Board of Trustees of The Ohio State University expresses its sorrow at the death on August 10, 1971, of Dr. John Solomon Hare, Assistant Professor Emeritus in the Department of History.

Dr. John Solomon Hare was born on a farm near Georgesville, Franklin County, Ohio, October 28, 1886. He received the B.S. degree from Ohio Northern University, Ada, Ohio, in 1908. He taught in a number of Ohio communities and by attending summer sessions received the A.B. degree from The Ohio State University in 1913. He then served as a Master at the well-known private school, Lake Forest Academy, Lake Forest, Illinois, from 1916 to 1918. Returning to Ohio he taught at East Technical High School, Cleveland, 1918-1919. Later he taught at Snyder Outdoor School for Boys, Lake Junaluska, North Carolina, 1919-1922, and at Grandview Heights High School, Columbus, Ohio, 1922-1930. In the meantime, he received the A.M. degree from Ohio State in 1925.

In 1930, he became an Instructor in American History at The Ohio State University, with a promotion to Assistant Professor in 1942. In 1933, he received the Ph.D. degree from The Ohio State University, his dissertation being a biography of a long-time United States Senator from Ohio, Allen G. Thurmen (1813-1895).

For many years he supervised the introductory courses in American History at Ohio State with a real spirit of dedication and careful attention to detail.

Dr. Hare was almost religiously devoted to his role as a teacher. As an advisor of youth, he was tireless in his sympathy and helpfulness for students. He was for many years faculty advisor at Ohio State for the local chapter of the history honorary fraternity, Phi Alpha Theta. He retired in 1957.

On behalf of the University community, the Board of Trustees expresses to the family of Dr. Hare its deep sympathy. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board’s heartfelt sympathy in its bereavement.

D. Russell W. Jones

The Board of Trustees expresses its sorrow at the death on August 9, 1971, of Russell W. Jones, Instructor Emeritus in the Department of Aviation.

Mr. Jones was born in Spring Green, Wisconsin, on January 7, 1898. He attended the University of Wisconsin, from which he received a Ph.B. degree in English in 1926. Five years later, Mr. Jones began his aviation career by becoming a pilot in Coffeyville, Kansas. During World War II, his abilities and talents as a classroom instructor were realized in the training of many Naval aviators. Mr. Jones went on to become a commercial pilot and

attained ratings in all phases of ground school instruction. In 1945, he joined the faculty of The Ohio State University as an Instructor in the then School of Aviation. Thousands of aviation students were guided by Mr. Jones in his career which ended with his retirement in 1968. He was a vital force in the growth of aviation education at the University.

Mr. Jones was a highly respected, dedicated member of the faculty; his lengthy period of service to the University and its students remain an inspiration.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family of Mr. Jones as a humble expression of the Board's heartfelt sympathy in its bereavement.

E. **Dick P. Snyder**

The Board of Trustees of The Ohio State University expresses its sorrow at the death on August 22, 1971, of Dick P. Snyder, Professor Emeritus in the College of Dentistry.

Professor Snyder was born on a farm near Summerfield, Ohio, on June 14, 1883. He received the D. D.S. degree from Starling Ohio Medical College in 1913. In 1914 he was appointed Instructor in the Operative Dentistry Clinic and in 1918 as Instructor in Exodontics and X-Ray. In 1928 he was appointed Assistant Professor of Dentistry and in 1932 as Professor of Clinical Dentistry. In 1970 he received the Distinguished Alumnus Award from the College of Dentistry.

Professor Snyder was a Diplomate of the American Board of Oral Surgery and recognized authority in that field. He was Chairman of the Department of Oral Surgery from 1932 until his retirement in 1953. During his active career he conducted a private practice in Oral Surgery which was continued after his retirement from the University until 1963. In this 50-year period he served as President of the Columbus Dental Society, the Ohio State Dental Association, and the Great Lakes Society of Oral Surgeons. He also served as the first Chairman of the College of Dentistry Post College Assembly.

In addition to his active participation in dental education and private practice of oral surgery, he was a Fellow of the American College of Dentists and held membership in the American Dental Association, the Great Lakes Society of Oral Surgeons, the American Society of Oral Surgeons, Omicron Kappa Upsilon Dental Honor Society, and Psi Omega Dental Fraternity.

Professor Snyder also found time for civic activities and other interests. He was a member of Rotary, the Presidents Club, and a charter member of University Lodge F. and A. M. He also had an interest in outdoor sports and flower gardening.

E. Dick P. Snyder (continued)

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board’s heartfelt sympathy in its bereavement.

VIII. REPORTS

A. Report from the Retirement and Insurance Committee

Mr. Gushman reported on behalf of the Board's Retirement and Insurance Committee that after making an in-depth examination of the University's insurance coverage and practices, the Committee recommended a comprehensive study of the University's total insurance program. Included in this study should be the general insurance program, consisting of property, casualty, and miscellaneous coverage; the student group insurance programs; the employee benefit insurance programs, consisting of life, accidental death, and major medical; and also a look at our general public liability coverage. It was further recommended that the firm of Alexander & Alexander of New York be appointed to conduct this study for a fee not to exceed $12,500. Mr. Gushman indicated before making this recommendation that the Committee reviewed the present coverage and business practices associated with the University's insurance program and found that sound and totally acceptable business practices were being followed. However, because of recent technical changes and the additional exposures and risks, the Committee believes that a comprehensive evaluation would be most appropriate at this time.

Upon motion of Mr. Gushman, seconded by Mr. Safford, the Board of Trustees accepted the foregoing report and approved the recommendation by unanimous roll call vote.

B. Report on the University's Investment Portfolio

The report dated October 1, 1971, as submitted to the Finance and Investment Committee of the Board of Trustees by Mr. Ernest W. Leggett pertaining to the University's Investment Portfolio, was received and ordered to be filed with the official records of the Board of Trustees.
October 1, 1971 meeting, Board of Trustees

Thereupon the Board adjourned to meet Friday, November 5, 1971, at The Ohio State University, Columbus, Ohio, at 1:00 p.m.

Attest:

Edward Q. Moulton
Secretary

James W. Shocknessy
Chairman
The Board of Trustees met at its regular monthly meeting on Friday, November 5, 1971, at The Ohio State University Center for Tomorrow, Columbus, Ohio, pursuant to adjournment.

Minutes of the last meeting were approved.
November 5, 1971 meeting, Board of Trustees

REPORT BY CHAIRMAN

A. Report on Consultative Committee to Advise in the Selection of a President

Mr. Shocknessy reported that he had been advised by Mr. Ketterer that the Presidential Search Committee is making quite adequate progress and that a schedule has been established so as to assure the meeting of the December 15 deadline for the submission of the Committee's recommendations. Mr. Shocknessy took this occasion to read the statement which he made at the October Board meeting outlining the procedure the Board intended to use in selecting a president in an effort to eliminate any continuing misunderstanding of the Board's intention in this regard.

B. Request to Speak

One request to speak before the Board was granted but subsequently this request was withdrawn.

PRESIDENT'S REPORT ON NINE-MONTH FACULTY SALARIES

President Fawcett made the following report:

As we are all keenly aware, there is great uncertainty about Phase II of the Federal economic policies, and this uncertainty affects most directly the nine-month faculty whose salaries have been frozen since the beginning of the wage-price controls.

This week I wrote a letter to the University faculty, expressing my concern to those faculty members affected by the freeze. I gave my assurance also that I would continue to do everything possible to restore the salary increases for them approved by this Board. We have requested guidelines from the Cost-of-Living Council for granting those increases as soon as possible. Despite the uncertainties, however, in the Phase II economic controls and in the University budget, our highest priority remains the restoration of the promised salary increments to our nine-month faculty.

President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Naming of Building

Upon the recommendation of the Athletic Council, and with the concurrence of the President's Cabinet, President Fawcett recommended that the North Athletic Facility located at 2490 North Fyffe Road be named "Ernie Biggs Athletic Training Facility," in memory of Ernest R. Biggs, long-time Athletic Trainer at The Ohio State University.

This recommendation is in accordance with the Bylaws of the Board of Trustees.

Upon motion of Mr. Dorsey, seconded by Mr. Harrod, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

B. Honorary Degrees

President Fawcett recommended that the honorary degrees, as specified hereafter, be conferred on the following individuals at an appropriate future Commencement mutually agreeable to the University and the recipients.

V. EXTRA AND CREDIT ORDERS TO CONTRACTS

On July 13, 1967, the Board of Trustees authorized the Vice President for Administrative Operations to approve change orders which were necessary to expedite completion of construction projects. In accordance with this authorization, all extra and credit orders to contracts which have been completed were reported:

A. Dodd Hall Addition

</tbody>
</table>

The changes on this project resulted from delays in Federal authority to proceed, design changes, and the necessity to alter specifications because of conditions found during the process of construction.

Funds for these changes have been provided by Budget Account 016016 (Medical Complex State Funds), a transfer from Budget Account 801100 (Wiseman Hall), and from project contingency funds.

Upon motion of Mr. Hilliker, seconded by Mr. Safford, the above extra and credit orders to contracts and expenditure of funds were approved and the action of the Vice President for Administrative Operations was ratified by unanimous roll call vote.

VI. PLANS AND SPECIFICATIONS

At the request of the Vice President for Administrative Operations, President Fawcett recommended that the plans and specifications, bills of materials, and estimates of cost for the following projects be approved by the Board of Trustees:

A. Optometry Building, 338 West Tenth Avenue--Air Condition (Old Part)

The purpose of this project is to provide air conditioned facilities for the year-round academic program. The existing air handling system will be modified to include a central air conditioning system.

Funds for this project have been provided by Budget Account 330026 (Public Health Service grant) and Budget Account 158400 (Optometry Clinic).

Upon motion of Mr. Harrod, seconded by Dr. Sirak, the above recommendation was approved by unanimous roll call vote, and the Secretary was authorized and directed to sign the plans and specifications for the above project for and on behalf of the Board of Trustees. Vice President Lachner was directed to proceed with a request for bids in the normal University manner and if satisfactory bids were received, to proceed with the award of contracts. All action regarding this matter will be reported to the Board of Trustees at a later meeting.
November 5, 1971 meeting, Board of Trustees

VII. REPORT OF AWARD OF CONTRACTS

In accordance with authorization provided by the Board of Trustees, bids were taken on the projects listed below and contracts were recommended for award. The action reported to the Board was as follows:

Funds for this project have been provided from Budget Account 801212 (Sisson Hall Remodeling).

Upon motion of Mr. Hilliker, seconded by Mr. Safford, the above award of contracts and expenditures of funds were approved and the action of the Vice President for Administrative Operations ratified by unanimous roll call vote.

VIII. RESOLUTION IN MEMORIAM

President Fawcett reported to the Board the death of Hugh Gibson Beatty, Professor Emeritus in the Department of Otolaryngology. In accordance with the instructions of the Board of Trustees, a copy of the following resolution expressing on behalf of the University the sorrow and sympathy of the Board will be furnished the family of the deceased.
November 5, 1971 meeting, Board of Trustees

VIII. RESOLUTION IN MEMORIAM

A. Hugh Gibson Beatty

The Board of Trustees of The Ohio State University expresses its sorrow at the death on August 31, 1971, of Hugh Gibson Beatty, M. D., Professor Emeritus in the Department of Otolaryngology.

Dr. Beatty was born at Jasper Mills in Fayette County on September 12, 1880. He was graduated from The Ohio State University where he earned a Bachelor of Science degree in 1904. He received the Doctor of Medicine degree in 1910 from the Starling-Ohio Medical College. From 1910 to 1911, he served as an intern at Mount Carmel Hospital in Columbus after which he took postgraduate study in New York, Vienna, and Berlin.

Dr. Beatty began his practice in otolaryngology in Columbus in 1913. He was instrumental in founding speech and surgical clinics at St. Francis, University, and Mount Carmel Hospitals between 1915 and 1920. From 1929 to 1948, he was Chairman of the Department of Otolaryngology at The Ohio State University.

Dr. Beatty was a founding member of the Columbus Eye, Ear, Nose, and Throat Society and the American Board of Plastic Surgery. His medical memberships included Columbus Academy of Medicine, Ohio State Medical Association, American College of Surgeons, International College of Surgeons, and numerous other professional organizations.

Dr. Beatty was a charter member of the Scioto Country Club, Columbus Club, University Club, and Columbus Athletic Club.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

IX. REPORTS

A. Report on Action Taken by the Ohio Board of Regents at Its Meeting Held September 17, 1971

President Fawcett reported for information and the record that the Ohio Board of Regents took the following action which pertains to The Ohio State University at the meeting on September 17, 1971:

That the request for approval of a new degree proposed by The Ohio State University for awarding of the Doctor of Arts in Russian Language and Literature was approved.
IX. REPORTS (continued)

B. Report on the University's Investment Portfolio and Accountant's Report on the University Dormitory Revenue Bond Funds

The report on the University's Investment Portfolio dated November 5, 1971, and the Accountant's Report on the University Dormitory Revenue Bond Funds, including the financial statements of June 30, 1971, prepared by Peat, Marwick, Mitchell & Co., as submitted to the Finance and Investment Committee of the Board of Trustees, were received and ordered to be filed with the official records of the Board.

Executive Director Leggett distributed and commented briefly on the Financial Report of The Ohio State University and the Financial Report of Endowment Funds. These reports were prepared for the fiscal year ended June 30, 1971. A copy of each report was filed with the official records of the Board of Trustees.

Thereupon the Board adjourned to meet Friday, December 3, 1971, at The Ohio State University, Columbus, Ohio, at 1:30 p.m.

Attest:

Edward Q. Moulton  
Secretary

James W. Shocknessy  
Chairman
The Board of Trustees met at its regular monthly meeting on Friday, December 3, 1971, at The Ohio State University Center for Tomorrow, Columbus, Ohio, pursuant to adjournment.

Minutes of the last meeting were approved.
December 3, 1971 meeting, Board of Trustees

GUEST SPEAKER

Mr. Jeffrey Yapalater, Vice President of the Undergraduate Student Government, requested and was granted permission to address the Board on the subject of the Presidential Referendum currently being conducted by the Undergraduate Student Government.

At the conclusion of Mr. Yapalater's remarks the Chair stated that the question raised by Mr. Yapalater concerning governance of the University should more appropriately be directed to the General Assembly of the State. The Chair then directed the Secretary to request that the Presidential Search Committee through its Chairman receive the nomination of the Undergraduate Student Government and give this nomination the same consideration and treat it with the same dignity as all other nominations made to the Search Committee.

REPORT BY CHAIRMAN

Mr. Shocknessy reported that based upon conversations with Mr. Ketterer he is fully satisfied that the Presidential Search Committee is in full command of its affairs. He further gave his assurance that the Board will give its profoundest consideration to the nominees presented to it by the Search Committee. In conclusion Mr. Shocknessy stated that the Board was most pleased by the great prudence and enormous industry displayed by the Committee, as well as the manner in which it had preserved the integrity of its business.

December 3, 1971 meeting, Board of Trustees

President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Agricultural Technical Institute, Wooster

The legislation authorizing schools meeting specified standards to award associate degrees, as approved by the Ohio Board of Regents, was provided for in Section 333.10 of the Revised Code by the 106th Ohio General Assembly and amended by the 108th Ohio General Assembly to stipulate that "effective July 1, 1971, all public post high school technical education programs shall be operated by technical institutes, community colleges, university branches, state colleges, state affiliated universities and state universities . . ." The Ohio Board of Regents' "Master Plan for State Policy in Higher Education" provides for the establishment of academic programs leading to the development of two-year programs in various technologies. In line with this Master Plan and the above legislation The Ohio State University requests authority upon the recommendation of the Council on Academic Affairs and the Faculty Council for the establishment of an Agricultural Technical Institute. The Institute is to be located in Wooster, Ohio, on Ohio Agricultural Research and Development Center land.

President Fawcett recommended that the Agricultural Technical Institute, Wooster, be established to become operational with Autumn Quarter, 1972.

Upon motion of Mr. Dunlap, seconded by Mr. Hilliker, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote.

B. Amendments to By-Laws of the Board of Trustees and Rules for the University Faculty

In accordance with Article IX of the By-Laws of the Board of Trustees, President Fawcett recommended that the amendments to By-Laws of the Board of Trustees and Rules for the University Faculty as shown in Appendix III, page 319, to effect the administrative reorganization adopted by the Board of Trustees at the July 30 meeting be approved.

Upon motion of Mr. Safford, seconded by Dr. Sirak, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote, and the Secretary of the Board of Trustees was further instructed and given authority to make the foregoing changes in the next printing of the By-Laws of the Board of Trustees and Rules for the University Faculty.
I. GENERAL RECOMMENDATIONS (continued)

C. Degrees and Certificates Conferred--Autumn Quarter Commencement

President Fawcett recommended that degrees and certificates be conferred at the Autumn Quarter Commencement Convocation on December 17, 1971, to those students who have completed the requirements for their respective degrees and certificates and are recommended by the Faculty Council. The names of those awarded degrees and certificates will be included in the minutes of this meeting. (See Appendix IV, page 337.)

Upon motion of Mr. Hilliker, seconded by Mr. Dorsey, the Board of Trustees approved the above recommendation by unanimous voice vote.

II. PERSONNEL CHANGES

Personnel changes since the November 5, 1971 meeting of the Board, as recorded in the official "Salary Roll" of the University, include the following Change in Administrative Responsibility, Leaves of Absence With Salary, Leaves of Absence Without Salary, and Emeritus Titles:

In accordance with the Memorandum of Agreement between The Ohio State University and The Ohio State University Research Foundation approved by this Board on April 11, 1968, the President recommended that the projects administered through the Research Foundation (a brief description of each appearing on the following pages) be approved and recorded in the minutes of this meeting.

Upon motion of Mr. Eckley, seconded by Mr. Safford, the research agreements between The Ohio State University and The Ohio State University Research Foundation for the above contracts and grants were approved by unanimous voice vote.
III. RESEARCH CONTRACTS. RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

1. Government Research Contracts - Federal

   a. Department of Navy, Office of Naval Research, Arlington, Virginia,
      Conducting a Course of Instruction in Navy Price Analysis (to be
      known as Project No. 1086 - Mod. #26 - College of Administrative
      Science, Division of Continuing Education).
      Gross Value - $140,880.00.

   b. Department of Air Force, Air Force Systems Command, 4950th Test
      Wing (Technical), Wright Patterson Air Force Base, Ohio, Antennas
      with Solid State Circuitry (to be known as Project No. 2744 - Mod.
      #P00006 - Department of Electrical Engineering).
      Gross Value - $20,000.00.

   c. Department of Health, Education and Welfare, Public Health Service,
      National Institutes of Health, National Library of Medicine, Bethesda,
      Maryland, Ohio Medlars Center (to be known as Project No. 2943
      - Mod. #6 - College of Medicine).
      Gross Value - $49,687.00.

   d. Department of Navy, Office of Naval Research, Arlington, Virginia,
      Infrared Spectra (to be known as Project No. 2957 - Mod. #2
      - Department of Physics).
      Gross Value - $179,817.

   e. Department of Air Force, Air Force Institute of Technology, Wright
      Patterson Air Force Base, Ohio, Work Schedule AFIT - School of
      Systems and Logistics (to be known as Project No. 3045-A1 - Mod.
      #M03 - College of Administrative Science, Division of Continuing
      Education).
      Gross Value - $998,979.

   f. Department of Navy, Office of Naval Research, Arlington, Virginia,
      Defense Termination Settlement and Negotiation Course (to be known
      as Project No. 3150-A1 - Mod. #2 - College of Administrative
      Science, Division of Continuing Education).
      Gross Value - $30,632.00.

   g. Department of Transportation, Federal Highway Administration,
      Contracts and Procurement, Washington, D. C., Feasibility Study
      and Preliminary Design of a System for Rapid Evaluation of Rational
      Pavement (to be known as Project No. 3347-A1 - New - Engineering
      Experiment Station).
      Gross Value - $48,372.00.

TOTAL - Government Research Contracts - Federal $290,749.78
III. RESEARCH CONTRACTS, RESEARCH GRANTS AND AGREEMENTS (continued)

A. The Ohio State University and
The Ohio State University Research Foundation

2. Industrial and Other Research Contracts

a. General Industrial, Study of Dental Calculus (to be known as Project No. 2070 - Sponsor Ltr. Dtd. 10/16/70 - College of Dentistry).
   Gross Value - $4,182.33

b. Union Carbide Corporation, Nuclear Division, Oak Ridge, Tennessee, Fundamental Study of Spiking in Partial Penetration Electron Beam Welding of Uranium and Refractory Materials (to be known as Project No. 2918 - Sup. #3 - Department of Welding Engineering).
   Gross Value - $35,900.00.

c. Battelle Memorial Institute, Columbus Laboratories, Columbus, Ohio, The Role of Acetaldehyde in the Actions of Ethanol (to be known as Project No. 3142-A1 - Sup. #3 - Department of Pharmacology).
   Gross Value - $4,139.00.

d. Ohio Contractors Association, Columbus, Ohio, Job Order System for Highway-Heavy Contractors (to be known as Project No. 3342-A1 - New - College of Administrative Science, Accounting).
   Gross Value - $8,777.00.

TOTAL - Industrial and Other Research Contracts $52,998.33

a. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Institute of Allergy and Infectious Diseases, Bethesda, Maryland, Studies on Larval and Adult Mosquitoes (to be known as Project No. 702-P - Ext. #15 - Department of Entomology).
   Gross Value - $25,929.00.

b. National Aeronautics and Space Administration, Washington, D. C., Fluid Dynamic Aspects of Cardiovascular Behavior During Vibration (to be known as Project No. 2732 - Sup. #2 - Department of Aeronautical and Astronautical Engineering).
   Gross Value - $6,000.00.

c. National Science Foundation, Washington, D. C., Software and Hardware Requirements for Real-Time Film Animation (to be known as Project No. 2801 - Amend. #1 - College of The Arts, Division of Art).
   Gross Value - $159,200.00.
A. The Ohio State University and
The Ohio State University Research Foundation

3. Government Research Grants - Federal (continued)

d. National Aeronautics and Space Administration, Langley Research Center, Hampton, Virginia, A Study of High Performance Antenna Systems for Space Communication (to be known as Project No. 2902 - Sup. #3 - Department of Electrical Engineering).
Gross Value - $30,000.00.

e. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Heart and Lung Institute, Bethesda, Maryland, Pathology of Myocardial Hypertrophy (to be known as Project No. 2944-B - Ext. #2 - Department of Pathology).
Gross Value - $20,039.00.

f. Department of Health, Education and Welfare, Public Health Service, National Institutes of Health, National Institute of Child Health and Human Development, Bethesda, Maryland, Comparative Studies in Perinatal Toxicology (to be known as Project No. 2962-B - Ext. #2 - Department of Veterinary Physiology and Pharmacology).
Gross Value - $35,073.00.

g. National Aeronautics and Space Administration, Langley Research Center, Hampton, Virginia, Flush-Mounted Antennas Radiating Through Dielectric-Covered Curved Surfaces (to be known as Project No. 3001-A1 - Sup. #3 - Department of Electrical Engineering).
Gross Value - $30,000.00

Gross Value - $20,200.00.

i. National Aeronautics and Space Administration, Langley Research Center, Hampton, Virginia, Development of Computer Programs for the Analysis of Spacecraft Antennas (to be known as Project No. 3348-A1 - New - Department of Electrical Engineering).
Gross Value - $14,000.00.

Gross Value - $24,300.00.

December 3, 1971 meeting, Board of Trustees

IV. GRANTS AND GIFTS (continued)

B. The Ohio State University Development Fund (continued)

10. $2,500.00 from Mr. and Mrs. Alfred C. Le Feber for the establishment of the Susan Baird Le Feber Memorial Fund.

**Susan Baird Le Feber Memorial Fund**

The Susan Baird Le Feber Memorial Fund was established December 3, 1971, by the Board of Trustees of The Ohio State University with a gift through The Ohio State University Development Fund from Mr. Alfred C. Le Feber, B.A. '40, J.D. '50, and Janet Spears (Mrs. Alfred C.) Le Feber, B.Sc., Soc. Adm. '43, Geneva, Illinois, in memory of their daughter.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of the University, with the right to invest and reinvest as occasion dictates.

Income is to be used for approved programs and activities of the College of Law as selected and determined by the Dean of the College of Law.

In the event the College of Law, as it now exists, shall be altered in any reorganization of the University, then the administrative official of the University directly responsible for legal education shall direct the use of this fund in accordance with the above provisions.

11. $1,000.00 from Alden R. Winter for the establishment of the Alden R. Winter Poultry Research Fund.

**Alden R. Winter Poultry Research Fund**

The Alden R. Winter Poultry Research Fund was established December 3, 1971, by the Board of Trustees of The Ohio State University with a gift to The Ohio State University Development Fund from Alden R. Winter, M.S. '21, Ph.D. '29, Columbus, Ohio.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University with the right to invest and reinvest as occasion dictates.

The annual income is to be used to support a graduate student research assistantship in Poultry Science.

Should the need for this research cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for Poultry Science.
December 3, 1971 meeting, Board of Trustees

V. EXTRA AND CREDIT ORDERS TO CONTRACTS

On July 13, 1967, the Board of Trustees authorized the Vice President for Business and Finance (now the Vice President for Administrative Operations) to approve change orders which were necessary to expedite completion of construction projects. In accordance with this authorization, all extra and credit orders to contracts which have been completed were reported:

A. Buckeye Village—Modernization of Electrical Systems in Phase One Buildings

The changes on this project represent deviations from the original specifications due to conditions found during process of construction.

Funds for this project have been provided by Budget Account 124358 (Contract Repair).

Upon motion of Mr. Hilliker, seconded by Mr. Eckley, the above extra and credit orders to contracts and expenditure of funds were approved and the action of the Vice President for Administrative Operations was ratified by unanimous roll call vote.

VI. PLANS AND SPECIFICATIONS

At the request of the Vice President for Administrative Operations, President Fawcett recommended that the plans and specifications, bills of materials, and estimates of cost for the following projects be approved by the Board of Trustees:

A. Arps Parking Ramp, Waterproofing Top Floor Levels

This project involves the cleaning, sandblasting, and preparation of approximately 45,500 sq. ft. of concrete decks and the application of a vehicular membrane waterproofing.

Funds for this project have been provided from Budget Account 801250 (Arps Ramp Sealing).

B. Neil Hall, Air Conditioning and Improvements

This project involves changing the utilization from Dormitory to Apartments, including air conditioning, minor remodeling, installing kitchen units, and electrical wiring.

Funds for this project have been provided from Budget Account 920600 (Dormitory Revenue Account).

Upon motion of Mr. Hilliker, seconded by Mr. Eckley, the above recommendations were approved by unanimous roll call vote, and the Secretary was authorized and directed to sign the plans and specifications for the above projects for and on behalf of the Board of Trustees. Vice President Lachner was directed to proceed with a request for bids in the normal University manner and if satisfactory bids were received, to proceed with the award of contracts. All action regarding this matter will be reported to the Board of Trustees at a later meeting.
December 3, 1971 meeting, Board of Trustees

Funds for this project have been provided from Budget Account 124358 (Contract Repair).

Upon motion of Mr. Dorsey, seconded by Mr. Safford, the above award of contract and expenditure of funds were approved and the action of the Vice President for Administrative Operations ratified by unanimous roll call vote.

VIII. MISCELLANEOUS FROM OFFICE OF ADMINISTRATIVE OPERATIONS

A. Authorization to Purchase Land and Services from Nationwide Communications, Inc.

The 108th Ohio General Assembly authorized through House Bill 531 the further development of educational television transmitting facilities. To implement the development of specific facilities authorized through this action, President Fawcett recommended that the President and/or Vice President for Administrative Operations be authorized to purchase a 45.815 acre site in Genoa Township, Delaware County, for the sum of $100,793 through the University Investment Portfolio funds and to recompense Nationwide Communications, Inc., the additional sum of $52,500 from Federal funds for the out-of-pocket expenses which were advanced by this Corporation associated with the selection, acquisition, obtaining of Federal clearances, and development of this site.

Funds for the construction of the 1,000 foot television tower have been made available from grants from the Ohio Educational Television Network Commission and from the Department of Health, Education, and Welfare.

This recommendation supersedes the recommendation of December 4, 1970.

Upon motion of Mr. Safford, seconded by Dr. Sirak, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote.
December 3, 1971 meeting, Board of Trustees

VIII. MISCELLANEOUS FROM OFFICE OF ADMINISTRATIVE OPERATIONS (continued)

B. Acquisition of Property - 3371 Granville Road, Worthington, Ohio

Pursuant to action taken by the Board of Trustees on December 10, 1964, relative to the purchase of property in the Don Scott Field area, President Fawcett recommended that the back approximately 30-acre portion of a farm located at 3371 West Granville Road, Worthington, Ohio, be purchased from Adah Prushing et al with University Investment Portfolio funds.

This purchase is proposed to be made in three payments with the first payment to be made not later than December 30, 1971, and the other two payments to be paid on February 1 of each year thereafter until fully paid.

It was recommended further that the President and/or the Treasurer be authorized to execute the agreement to purchase the property as described above and the promissory note setting forth the terms of the installment purchase.

Upon motion of Mr. Dunlap, seconded by Mr. Safford, the above recommendations were approved by unanimous roll call vote.

C. Gas Line Easement - Columbia Gas of Ohio, Inc.

Columbia Gas of Ohio, Inc., has requested permission to construct a four-inch gas line across University property, commencing on Case Road west of the Aeronautical and Astronautical Research Laboratory, proceeding westward to the intersection of Sawmill Road.

The construction of this gas line will provide gas service to the University's Animal Science Center currently being constructed in the Don Scott Field area.

President Fawcett recommended that an easement necessary for the installation of the gas line be granted to Columbia Gas of Ohio, Inc., and that the President and/or Vice President for Administrative Operations be authorized to act on behalf of the University in executing the necessary legal instruments to provide for the easement and to request the Director of Public Works pursuant to his statutory duties to develop the necessary legal instruments to provide for the gas line easement.

Upon motion of Mr. Safford, seconded by Dr. Sirak, the foregoing recommendation was approved by unanimous roll call vote.
D. Telephone Line Easement, Don Scott Field, Ohio Bell Telephone Company

The Ohio Bell Telephone Company has requested an easement on State of Ohio lands to provide additional telephone service for the Department of Aviation and to the new FAA control tower.

The Ohio Bell Telephone Company has agreed to provide this additional service and convert its present pole-mounted telephone lines to an underground system.

President Fawcett recommended that an easement be granted to the Ohio Bell Telephone Company, giving permission to install an underground telephone line system at Don Scott Field, and that the President and/or the Vice President for Administrative Operations be authorized to request the Director of Public Works, pursuant to his statutory duties, to act on behalf of the University in developing the necessary legal instruments to provide for the installation of the underground telephone system.

Upon motion of Mr. Hilliker, seconded by Mr. Dunlap, the foregoing recommendation was approved with six affirmative votes and Mr. Eckley abstained from voting.

E. Demolition of Horticulture and Forestry Greenhouses, Numbers 1, 2, 3, 4, 5, and 14, 1827 Neil Avenue

Upon the request of the Vice President for Administrative Operations, President Fawcett recommended that the Horticulture and Forestry Greenhouses, Numbers 1, 2, 3, 4, 5, and 14, located at 1827 Neil Avenue, be demolished as soon as practical to clear the site for future development of the area in accordance with the Master Plan of the University.

This demolition will be accomplished in the normal University manner with the schedule to be established by the Vice President for Administrative Operations at a cost not to exceed $6,500. Funds are available in Budget Account 124358 (Contract Repair).

Upon motion of Mr. Eckley, seconded by Mr. Safford, the above recommendation was approved by unanimous roll call vote.

IX. RESOLUTION IN MEMORIAM

President Fawcett reported to the Board the death of Weikko Alexanderti Heiskanen, Professor Emeritus in the Department of Geodetic Science. In accordance with the instructions of the Board of Trustees, a copy of the following resolution expressing on behalf of the University the sorrow and sympathy of the Board will be furnished the family of the deceased.
IX. RESOLUTION IN MEMORIAM (continued)

A. Weikko Alexanteri Heiskanen

The Board of Trustees of The Ohio State University expresses its sorrow at the death on October 23, 1971, of Weikko Alexanteri Heiskanen, Professor Emeritus in the Department of Geodetic Science.

Dr. Heiskanen was born in Finland on July 2, 1895. He was graduated from the University of Helsinki with a "primus" Master of Science and "ultimus" Ph. D. in 1924.

The first seven years after graduation Dr. Heiskanen was employed as a State Geodesist and the following twenty-one years he served as a Professor in Geodesy at Finland's Institute of Technology. In 1949 he was appointed as the Director of the Finnish Geodetic Institute by the President of Finland. In this capacity he served for twelve years of which the last ten were shared between the Institute and The Ohio State University. Dr. Heiskanen came to Ohio State as a Visiting Professor in 1950 and was appointed a Professor in 1951 from which position he retired in 1965. During his stay here, he also served as Director of the Institute of Geodesy, Photogrammetry and Cartography. This Institute was actually born because of his presence here and was the forerunner of the Department of Geodetic Science. Dr. Heiskanen's contribution to education and research in geodetic science at The Ohio State University was outstanding. During his stay he also supervised several large research projects sponsored predominately by the Armed Forces.

Dr. Heiskanen served as President of one cultural and three scientific societies in Finland. He was also Vice President of the International Union of Geodesy and Geophysics and President of the Physical Geodesy Section of the International Association of Geodesy. He served as a member of the Finnish Parliament between the years 1933-1936.

Dr. Heiskanen wrote eleven textbooks--some in Finnish, some in English, and one in German. He contributed to seven different encyclopaedias. He wrote altogether approximately 3,600 pages of text and handbooks and about 4,200 pages of other scientific writings. He also made considerable contributions to religious literature. His latest writing in this field was entitled, "Where Is the Heaven?"

Dr. Heiskanen held membership in eight Academies of Science in various countries. His latest membership came in 1965 when he was appointed by the Pope as a member of the Pontifical Academy of Sciences. He held honorary membership in seven scientific societies and received honorary degrees from the University of Bonn, Germany; University of Uppsala, Sweden; Finland's Institute of Technology, and The Ohio State University.

In the long list of medals and awards conferred upon him is the William Bowie Medal of the American Geophysical Union which he received in 1956.
IX. RESOLUTION IN MEMORIAM (continued)

A. Weikko Alexanteri Heiskanen (continued)

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board’s heartfelt sympathy in its bereavement.

X. REPORTS

A. Report on the University's Investment Portfolio

The report dated December 3, 1971, as submitted to the Finance and Investment Committee of the Board of Trustees by Mr. Ernest W. Leggett pertaining to the University's Investment Portfolio, was received and ordered to be filed with the official records of the Board of Trustees.

B. Report from the Retirement and Insurance Committee

Dr. Sirak reported that Alexander & Alexander would present a report of findings concerning the insurance program of the University to appropriate members of the University administration and members of the Retirement and Insurance Committee on December 17, 1971.

2. Insurance and Retirement Program for University Employees

Dr. Sirak, a member of the Retirement and Insurance Committee, recommended that the following amendments to the insurance program for faculty, staff, and all regular employees of The Ohio State University be approved:

That the John Hancock Mutual Life Insurance Contracts Nos. 1035-G and 58175-GTC as amended for faculty and staff and Contract No. GTC-58175-100 as amended for classified and hourly employees be amended further to include the following changes to be made effective January 1, 1972, or as soon thereafter as legally permissible under the terms of the President's Economic Stabilization Program:

1. Annual automatic restoration of major medical maximum benefits up to $2,500 or 10% in any one year but not to exceed the maximum benefit of $25,000; and

B. Report from the Retirement and Insurance Committee (continued)

2. Insurance and Retirement Program for University Employees (continued)

2. Cover private duty nursing service by a Licensed Practical Nurse when a Registered Nurse is not available during non-hospital confinement when approved by a physician for not more than 60 days during one period of disability.

That continuous hospital and medical coverage for unmarried dependent children mentally or physically incapable of support is hereby recognized as applicable to all hospitalization and medical insurance held by The Ohio State University, as of January 1, 1972. (This provision is in accordance with Senate Bill No. 136 of the General Assembly, effective December 20, 1971.)

Detailed statements on foregoing amendments are on file with the records of the Board of Trustees.

Upon motion of Dr. Sirak, seconded by Mr. Safford, the foregoing recommendation was approved by unanimous roll call vote.

C. Report from the Finance and Investment Committee

1. Purchase of the State of Ohio (Department of Commerce - Division of Aviation) Hangar (Don Scott Field)

Mr. Safford, Chairman of the Finance and Investment Committee, presented the following recommendation:

At the December 4, 1970 meeting of the Board of Trustees, authority was granted for the sale of 12,318 acres of land to the Ohio Building Authority for the construction of a hangar facility on the north side of the University Airport. In accordance with the agreement, the University in turn would purchase the interest of the Department of Commerce - Division of Aviation in the present hangar based upon MAI appraisals.

It was recommended that the President and/or Vice President for Administrative Operations be authorized and empowered to execute the necessary legal documents transferring jurisdiction for the hangar from the ownership of the State of Ohio (Department of Commerce - Division of Aviation) to the State of Ohio (The Ohio State University) upon payment of the appraised value.

Upon motion of Mr. Safford, seconded by Dr. Sirak, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote.

X. REPORTS (continued)

D. Report by President Fawcett on Revisions in Existing Rules, Regulations, and Procedures Concerning Disruption

President Fawcett made the following statement:

I would like to bring to your attention at this time a matter which will be coming before you for action at the next Board meeting. During the past year the Faculty Council of this University, based upon an Ad Hoc Committee report, has proposed a number of revisions in the existing rules, regulations, and procedures concerning disruption. These proposed revisions are in two parts. After extensive hearings and discussion the Faculty Council passed a modified hearing procedure which I am now distributing to you. The second action which I am also distributing to you is concerned with modifications in the disruption rule. Before the next Board meeting the Faculty Council will also be taking final action on this document after it has been returned to the Council by the Rules Committee. I have distributed a draft of these modifications since it is anticipated that this document will be adopted with only minor changes if any. I am making both of these documents available to you so as to provide you with time to study these revisions before being asked to take action. I also wish to indicate to you that I will recommend favorable action by you on both of these documents.

In so doing, however, I am not unmindful of the fact that for the revised hearing procedure to be successful it must enjoy a broad base of support from within the University community. This I believe it has. In requesting your support specifically of this revision I wish it understood that if this revised procedure proves unworkable or inoperable for any reason I will request immediate reinstitution of the hearing officer procedure which is provided for under our current rules.

I do not have similar reservations about the proposed revisions in the disruption rule. I think these changes will sharpen up the rule and make for a generally better understanding of it. At the same time it should be understood that the University general conduct rules and existing State statutes provide a further safeguard against excesses in conduct by individuals on this campus.

Unless there are any questions on these two documents by Board members at this time, I will assume that this matter will come before the Board at its next meeting which is scheduled for February 4. Thank you.
Rules for the University Faculty

29.2725. Hearing Officers and Panels.

Section 1. The Council on Student Affairs shall recommend to the President, subject to the approval of the Board of Trustees, a list of attorneys, unaffiliated with the University, who shall be authorized to act as hearing officers to preside over disciplinary proceedings under Rule 51.03. One such attorney shall be designated by the President as Chief Hearing Officer, whose duties shall include:

(a) Assisting the Council on Student Affairs in preparing and enacting procedural rules to guarantee due process, including, but not limited to, the procedural recommendations contained in the Report and Recommendations of the University Committee on Rights and Responsibilities (The Ohio State University, September 15, 1968);

(b) Selecting Hearing Officers as needed from the approved list;

(c) Reviewing every case in which sanctions have been recommended, to determine whether such sanctions should be imposed or reduced, or whether the case should be dismissed or remanded for further hearing;

(d) Forwarding completed cases to the Vice President for Administrative Operations for administrative implementation in accordance with their final determination by the Chief Hearing Officer;

(e) Hearing on appeal student disciplinary cases, not including University actions relating to academic failure or violations of a code of professional ethics or of an honor code of those colleges or academic units having such codes, where an appeal is taken by any student from any such action by his College, University Committee, or other properly authorized University adjudicatory body, only in those cases where the penalty assessed was suspension, dismissal, or expulsion.

Section 2. That an array of Hearing Panelists, large enough to allow at least three panels, shall be selected by lot consisting of:

(a) Faculty members,

(b) Undergraduate students,

(c) Graduate and professional students, and

(d) Administrative staff members.

Any person selected to serve as Hearing Panelist may be exempted from such service if he declines.

The Chief Hearing Officer shall, by lot, select from the array Hearing Panels, each composed of two faculty members, two undergraduate students, one graduate or professional student, and one administrative staff member. The Hearing Panels shall have original jurisdiction to hear cases of alleged student violation of Rule 51.03 brought before it by authorized University officials, make findings of fact, determine a verdict, and, in the event of a guilty verdict, to recommend sanctions.
29.2725. Hearing Officers and Panels. (continued)

The University and the Defendant shall have the right to challenge for cause. The Hearing Officer shall hear challenges for cause.

29.2726. Pending Criminal Law Suit.

Section 1. Whenever a criminal court exercises jurisdiction over acts which allegedly constitute a disruption by University rules, the University shall not exercise jurisdiction, except that in extraordinary cases, where there is a clear and present danger of repeated or continued violation of the disruption rule, the University may bring the student before a Hearing Officer and Panel to find whether he poses such a danger. If the Panel finds that he does, it shall recommend that the continued enrollment of the student be dependent on his being placed on strict disciplinary probation, under such terms and conditions as the Hearing Officer may specify (except that the student may not be deprived of University scholarship, loan, grant-in-aid, or employment). The term of probation shall last until such time as the Hearing Officer shall, on his own initiative or upon petition by the student, find that the danger no longer exists. If the student is alleged to have violated probation, he will be subject to an immediate hearing before a Hearing Officer, and if found guilty of violating probation, be temporarily suspended or dismissed from the University pending a full hearing.

45.03. Group Absences.

Section 4 revoked.

51.03. Disruption.

Section 1. No student, faculty, staff, visitor, or other person shall, with an intent to disrupt University authorized activities:

(a) obstruct the lawful movement of any person or persons about the campus, into or out of any University building or facility, or within any University building or facility, and fail to desist when so ordered by an authorized University official;

(b) obstruct the movement of vehicular traffic on the streets of the University, and fail to desist when so ordered by an authorized University official;

(c) occupy a University building or facility in such a manner as to prevent others from carrying out University authorized activities and fail to depart when informed by an authorized University official that he is disrupting University authorized activities and must depart;
Rules for the University Faculty

51.03. Disruption. (continued)

(d) interfere with the conduct of a class, office, laboratory, or other University authorized activity by shouting, chanting, marching, throwing missiles, or otherwise creating such a disturbance that the authorized activity cannot, in the judgment of an authorized University official, be carried on, and fail to desist when so ordered by an authorized University official;

(e) employ force or violence, or the explicit threat of force or violence, to prevent any person or persons from carrying out University authorized activities;

(f) damage public address systems, television sets, laboratory equipment, computer systems, or other property used for the carrying out of University authorized activities;

(g) solicit any person or persons to violate subsections (a) through (f) of this rule, knowing that there is a clear and present danger that such violations will occur (but a person shall not be charged with soliciting unless a violation of subsections (a) through (f) occurs as a result of his solicitation).

(h) This rule shall not be interpreted as proscribing peaceful demonstrations, peaceful picketing, a call for a peaceful boycott of classes, or other forms of peaceful dissent.

Any student found guilty of the conduct proscribed in subsections (a) through (g) shall be subject to maximum sanction of dismissal or any lesser disciplinary sanction pursuant to Rule 29.2725.

Non-students charged with the conduct proscribed in subsections (a) through (g) shall be referred to an appropriate authority.

Section 2. Definitions.

(a) The phrase "with an intent to disrupt" shall be taken to mean that a person knows or reasonably should know that his act or acts will have the consequence of preventing others from carrying out University authorized activities.

(b) The phrase "to obstruct" shall be taken to mean making the movement of a person or vehicle from one place to another difficult or impossible; it shall not be taken to mean making that movement inconvenient.

(c) The phrase "University authorized activity" shall be taken to mean any activity that the University conducts, sponsors, or permits to be carried out on the campus or in any University building or facility.
51.03. Disruption. (continued)

(d) The phrase "an authorized University official" shall be taken to mean any person to whom the University has delegated authority to supervise a building or facility, or any part of a building or facility, or to supervise the movement of people and vehicles on the campus.

(e) The phrase "campus" shall be taken to mean University owned or controlled property.

11.13. Principal Administrative Officials. *(continued)*

Section 3. Appropriate records shall be kept by all of these administrative officials and shall be available to the President, to the University Ombudsman, or the appropriate Cabinet Member upon request.

Section 4. Unless otherwise specified, all assigned responsibilities shall be on a University-wide basis including the Regional Campuses of the University.

Section 5. In the rules following this section specific responsibilities are assigned to the Director of Libraries, Registrar, Director of Admissions, and Director of Athletics. Further responsibilities may be assigned from time to time in accordance with Section 2 of this Rule 11.13.

11.1307. Registrar.

Subject to the direction of the Vice President for Administrative Operations, the principal duties of the Registrar shall be as follows: (1) the maintenance and custody of the official student records of the University; (2) the maintenance of a complete file of the local and home addresses of all present and former students; (3) the supervision of the details of registration; (4) the supervision of the details of the time schedule; and (5) the assignment of rooms for classes and for other instructional meetings.

The records of the standing of students shall be kept by the Registrar primarily in the interests of the students and for the use of the Office of the President, the Deans, and the members of the faculty. No person not connected with the University shall have access to these records. A student shall not have direct access to these records, but on request shall be furnished with a statement of his standing to date. Any student leaving the University shall, upon request, be furnished with a complete copy of his record. Duplicate copies, and copies requested at other times to be sent to designated persons, may be secured by payment of a fee.

11.1309. Director of Admissions.

The Director of Admissions, subject to the direction of the Vice President for Administrative Operations, shall:

a. Direct the administration of admission policies duly established by the appropriate faculty bodies.

1. Exceptions to such policies shall be made only in accordance with recommendations of the Dean or Director of the College, School, or Division involved.

2. A special student not seeking a degree must be approved for admission by the Dean or Director of the College, School, or Division concerned.

*Rule initiated by Board of Trustees.*
Amendments to By-Laws of the Board of Trustees and Rules for the University Faculty (continued)

11.1309. Director of Admissions. (continued)

b. Receive, evaluate, and maintain all certificates and transcripts presented by or on behalf of applicants for admission to the University or for credit in any course.

c. Issue all official notices of admission to applicants and certify the validity of transfer credits to the Registrar and to the Secretary of the College, School, or Division involved.

d. Transfer students upon request from one College, School, or Division in the University to another, but only in accordance with policies established by the Colleges, Schools, or Divisions involved.

e. Conduct the official correspondence of the University on all matters connected with the admission of students.

f. Perform such other duties and assume such additional responsibilities as may be assigned to him from time to time by the Vice President for Administrative Operations.

11.1311. Director of Athletics.

Section 1. The Director of Athletics shall be a member of the faculty. He shall be responsible to the Vice President for Student Affairs. The Director of Athletics shall be appointed under the procedures outlined in Rule 13.0503. The Athletic Council (see Rule 29.2711) shall also be consulted.

Section 2. Under policies established by the Athletic Council, the Director of Athletics shall direct the programs of intramural and intercollegiate athletics. The Director of Athletics shall arrange the schedules of intercollegiate contests, supervise all trips, and make all arrangements for the conduct of intercollegiate contests.

The annual budget of the Division of Intercollegiate Athletics shall be prepared by the Director of Athletics in accordance with University procedure.

Section 3. He shall have the duties of the Chairman of a Department as prescribed in Rule 13.0503.

Section 4. The athletic physical plant and employees thereof shall be under the jurisdiction of the Director of Physical Plant and shall be administered under the rules and regulations of the Board of Trustees. An appropriate charge for this service shall be made to the Athletic Department Rotary.
Amendments to By-Laws of the Board of Trustees
and Rules for the University Faculty (continued)

11. 1501. Administrative Council.*

The President of the University, the members of the President's Cabinet, the
Deans of the Colleges, the Vice Provost for Graduate Affairs and Dean of the
Graduate School, and the Vice Provost for Arts and Sciences shall comprise the
Administrative Council of the University. The President shall be Chairman of the
Council, and the Executive Assistant to the President shall be Secretary. In the
temporary absence of the President, the duties of the presiding officer shall be
assigned by the President.

The Administrative Council shall meet at least once each quarter during the
academic year and on call by the President. The Administrative Council shall
serve as an advisory council to the President.

13. 00. Establishment and Administration of Colleges,
Schools, Departments, and Institutes

Section 1. There shall be a Dean of each College who shall be a member of
its faculty and the administrative head of the College. Each Dean shall be appointed
by the Board of Trustees upon nomination of the President. Before making his
nomination, the President shall confer with members of the faculty of the College
for which the Dean is to be appointed and shall consider the recommendations of the
Chairmen of the Departments and the Directors of the Schools in that College.

Section 2. The major responsibility of the Dean of each College shall be that
of providing active leadership in the promotion, direction and support of educational
and research activities of the University, in the maintenance of a high level of morale
among the faculty, and in the encouragement of the spirit of learning among the
students. In addition he shall have general administrative responsibility for the
program of the College, subject to the approval of the President and the Board of
Trustees. These administrative responsibilities shall include the duty:

a. To preside at meetings of the College Faculty and to appoint all
College committees unless their membership has been designated
by Faculty Rule or by the College Faculty.

b. To approve courses of study for students in his College, to warn
students who are delinquent in their studies and to recommend
appropriate student disciplinary action to the appropriate
university disciplinary body or official.

c. To present candidates for degrees to the President on behalf
of the College Faculty and to serve as a member of the Admin-
istrative Council (see Rule 11. 1501).

---

*Rule initiated by Board of Trustees.
Amendments to By-Laws of the Board of Trustees and Rules for the University Faculty (continued)

13. 0301. Deans of the Colleges. (continued)

d. After consultation with the Chairmen of the Departments and the Directors of the Schools within the College to make recommendations to the Provost and Vice President for Academic Affairs, concerning the college budget, the appointments to and promotions within the staff and the membership of the College Faculty. Whenever his recommendations involve the appointment or promotion in rank of faculty members offering graduate work or acting as advisers to graduate students, the Dean of a College shall consult with the Vice Provost for Graduate Affairs and Dean of the Graduate School. (See Section 2 of Rule 13. 0303.)

Section 3. The Dean is hereby given authority requisite to carrying out the responsibilities of his position. He may delegate any of his responsibility and authority to another member of the faculty of the College. He shall be a voting member of the faculty of each department.

Section 4. The usual method of communication between the Dean and the President or the Board of Trustees shall be through the appropriate Cabinet member, then to the President and through him to the Board of Trustees.

25. 00. University Faculty

25. 03. Presiding Officer.

The President of the University shall be the presiding officer of the University Faculty. In his absence the duties of the presiding officer shall be assigned to the Provost and Vice President for Academic Affairs. In the absence of both the President and the Provost and Vice President for Academic Affairs, the duties of the presiding officer shall be assigned by the President to the Dean of one of the Colleges, the Vice Provost for Arts and Sciences, or the Vice Provost for Graduate Affairs and Dean of the Graduate School.

29. 00 Faculty Council

29. 01. Membership.

There shall be a Faculty Council constituted as follows:

a. Ex officio Members. There shall be twenty-eight ex officio members: The President; Executive Vice President; Provost and Vice President for Academic Affairs; Vice President for Administrative Operations; Vice President for Student Affairs; Vice President for University Development; Vice President for Educational Services; Vice President for Medical Affairs; Secretary of the University Faculty; Vice Provost for Graduate Affairs and Dean of the Graduate School; Vice Provost for Arts and Sciences; Deans of the Colleges; and Director of Libraries.

*Rule initiated by Board of Trustees.
29.01. Membership. (continued)

b. Faculty Members. There shall be sixty-eight elected from members of the University faculty on Regular contract, distributed among and elected by each college, academic unit not assigned to a college and regional campus with a resident faculty and its own Faculty Council. For the purposes of this section there are two academic units not so assigned: (1) the library and (2) the Departments of Military, Naval, and Air Force Aerospace Studies. Each college, each such academic unit, and each such regional campus shall constitute an election district from which shall be elected the number of members as specified for each election by the Committee on Elections for the Faculty Council, and shall elect at least one member. No person is eligible to represent one college, academic unit, or regional campus while serving as representative of another.

c. Student Members. There shall be thirty-three elected members, with voting privileges on all matters except to pass on candidates for degrees; one by each of the sixteen college councils; eight by the Council of Graduate Students; the President of the Undergraduate Student Body; and eight by the Student Assembly.

d. Alternate Members. Each member of the Faculty Council is expected to attend its meetings regularly but alternate representatives shall be designated for each election district in order to assure full attendance at meetings when regular representatives are justifiably absent.

When a regular member is off duty or unable to attend a meeting of the Faculty Council, he shall notify the Secretary of the Council in advance of the meeting, giving the name of the alternate who will represent him. The alternate so designated shall then have the general powers and privileges in the Faculty Council of the person whom he represents.

Alternates shall be designated as follows: (a) alternates for ex officio members - each ex officio member shall designate his alternate; (b) alternates for elected members - unsuccessful candidates for election shall constitute a panel of alternates in each election district, in the order of votes which they received in the election.

29.11. Presiding Officer.

The President of the University shall be the presiding officer of the Faculty Council. In his absence, the duties of the presiding officer shall be assigned to the Provost and Vice President for Academic Affairs. In the absence of both the President and the Provost and Vice President for Academic Affairs, the duties of the presiding officer shall be assigned by the President to the Dean of one of the Colleges, the Vice Provost for Arts and Sciences, or the Vice Provost for Graduate Affairs and Dean of the Graduate School.

Section 1. The Council on Admissions and Registrations shall consist of twelve members chosen as follows:

a. Appointed members. Nine members of the University Faculty shall be appointed by the President for three-year terms, three members to be appointed each year. Appointed members shall be eligible for reappointment.

b. Ex officio members. The persons holding the following three titles shall be ex officio members: Provost and Vice President for Academic Affairs or his designee (who shall serve as Chairman of the Council); Vice President for Administrative Operations or his designee (who shall serve as Secretary of the Council); and the Executive Director of University Planning.

Section 2. It shall be the responsibility of this Council to recommend, through appropriate University channels, administrative policies governing admission to the University, student registration, and student scheduling. These recommendations shall be made to the appropriate administrative officer (or officers) or to the Faculty Council, depending upon the nature of the recommendation.

51.00. University Discipline

51.01. General Discipline.

Section 1. The President shall have the final responsibility and authority for the discipline of all students of the University. This responsibility and authority may be delegated by the President to the Vice President for Administrative Operations. (See Rule 11.1101.)

53.00. Activities

53.09. Student Use of University Buildings.

Section 1. University facilities assigned to a student organization shall be used only for the usual activities of such student organization. If a student organization desires to use University facilities, which facilities have been assigned to the organization, for purposes other than its usual activities, it shall request permission for such use from the Office of the Dean of Students.

Section 2. No student, group of students, or registered student organization may announce an activity involving the use of University facilities or use University facilities for an activity, unless permission for such use has been obtained from the Office of the Dean of Students and any required facility has been scheduled through the Division of Campus Planning and Space Utilization in accordance with Rule 61.05.
54. 00. The Ohio Union

54. 03. Director,*

The Director, Ohio Union, shall be the chief administrator of the Ohio Union. He shall have the general administrative responsibility for its program and its financial affairs. The Director shall be responsible to the Vice President for Student Affairs.

54. 05. The Ohio Union Council, 3

The Ohio Union Council shall consist of eighteen members chosen as follows:

a. Nine student members chosen in accordance with rules established by the Ohio Union Council.

b. One representative from the Council of Graduate Students (see Rule 53. 0705).

c. Seven faculty and staff members chosen as follows: (1) the Vice President for Administrative Operations or his designee, the Vice President for Student Affairs or his designee, and the Director, Ohio Union, ex officio; (2) the Program Director, Ohio Union, ex officio, but without the right to vote; (3) two members of the University Faculty, and (4) one residence halls staff representative. The faculty and staff members shall be appointed by the Vice President for Student Affairs for a term of two years.

d. One alumni member designated by The Ohio State University Association for a term of three years under such procedures as the Association shall adopt.

The faculty, staff, and alumni members shall not serve more than two consecutive terms on the Council.

Subject to the general authority of the President and the Board of Trustees, the Ohio Union Council shall establish the program policies of the Ohio Union and shall assist in the development of all of its student activities programs. It will advise the Director on other matters pertaining to the operation of the Ohio Union, but the Council shall not serve in an administrative or executive capacity.

The President of the Ohio Union Activities Board shall serve as Chairman of the Ohio Union Council; the Director, Ohio Union, shall serve as the Executive Secretary of the Ohio Union Council.

*Rule initiated by Board of Trustees.
61.00. Restrictions

61.01. Drives and Canvassing.*

Canvassing or solicitations for funds, sales, or subscriptions are prohibited on the University campus or in University buildings unless written permission therefor shall first have been granted by the Division of Campus Planning and Space Utilization which may seek recommendation regarding requests for permission from appropriate University offices.

The sale of merchandise of any kind whatsoever, or publications, or services upon University property, other than by the regularly authorized stores, restaurants, departments, or divisions of the University, is likewise prohibited except upon written permission of the Division of Campus Planning and Space Utilization which may seek recommendation regarding requests for permission from appropriate University offices.

Any person violating this Rule 61.01 shall be subject, upon proper notice, to eviction from University property or arrest.

61.05. University Facilities.*

Section 1. University facilities may be scheduled and used only if the meeting is sponsored by at least one of the following: (a) the University, (b) an administrative unit of the University, (c) the President or a member of his Cabinet, (d) a member of the University Faculty, (e) a club or committee of University Faculty members, University staff members, or their wives, or (f) a recognized student organization (see Rule 53.01).

Section 2. The Division of Campus Planning and Space Utilization shall be responsible for the scheduling of and shall have the necessary authority to schedule all University facilities. (See Rule 11.1107.) No meeting shall be scheduled in or announced for any University facility unless permission to use the facility has been obtained in advance from the Division of Campus Planning and Space Utilization. All requests for the use of University facilities shall indicate the nature of the proposed meeting. If the proposed meeting is one to which a guest speaker is to be invited, the request for the use of University facilities shall indicate the name of the guest speaker and shall be submitted to the Division of Campus Planning and Space Utilization at least two weeks prior to the date the meeting is to be held, but such two-week period may be waived by the Division of Campus Planning and Space Utilization if the exigencies of the situation so require and the orderly scheduling of University facilities would not be unduly prejudiced. (See Rule 21.09.)

Section 3. The word "meeting" as used in Rules 21.09, 53.09, and 61.05 means any meeting using University facilities to which the faculty, staff, students or public is invited, except (a) regularly scheduled University courses, (b) conferences approved under University procedures, and (c) meetings of state, regional, national or international organizations approved under University procedures.

*Rule initiated by Board of Trustees.
Amendments to By-Laws of the Board of Trustees and Rules for the University Faculty (continued)

61.05. University Facilities. * (continued)

Section 4. The responsibility and authority of the Division of Campus Planning and Space Utilization under this Rule may be delegated by it to a member of the University Faculty or of the staff of this University.

APPENDIX IV

Degrees Conferred at

THE OHIO STATE UNIVERSITY
COMMENCEMENT CONVOCATION

December 17, 1971
The Recipients of Honors

SHERWOOD L. FAWCETT
Doctor of Science
Distinguished leader of engineers and scientists, exponent of technological innovation, and advocate of science for the benefit of society.

As President of Battelle Memorial Institute, Sherwood L. Fawcett exemplifies the imaginative scientist-administrator working at the interface of science and society. His interests range from the generation of knowledge to new concepts for applying science in business, industry, and education.

Dr. Fawcett earned his bachelor's degree in engineering physics from The Ohio State University in 1941, and, following naval service in World War II, his M.S. and Ph.D. degrees from Case Institute of Technology.

In 1950, Sherwood L. Fawcett began his career with the Battelle Memorial Institute as a participant in research directed toward the development of nuclear reactors for power and naval propulsion. Advancing through various managerial assignments, he became the first Director of the Institute's Pacific Northwest Laboratories at Richland, Washington, in 1964, and was named President of Battelle in 1963. Under Dr. Fawcett's leadership, Battelle has significantly broadened its role as a multimission, public-purpose organization involved in research, educational, and industrial development activities.

An authoritative spokesman of science and technology, Dr. Fawcett is a vice president of the American Association for the Advancement of Science and was chairman in 1976 of the Association's Section on Industrial Science. He is the author of some fifty articles and papers.

Education and civic affairs are matters of great concern to Dr. Fawcett. He is a trustee of Case Western Reserve University, the Korea Institute of Science and Technology, a member of the Board of Regents of Gonzaga University, and on the Board of Overseers of Whitman College. Active in the Ohio and Columbus Chambers of Commerce, he is also a trustee of the Columbus Symphony, Columbus Gallery of Fine Arts, and the city's Children's Hospital.

The Ohio State University is proud to confer the honorary degree, Doctor of Science, on such a distinguished alumnus.

WILLIAM JOVANOVICH
Doctor of Humane Letters
Prominent publisher and author of international distinction who has established a hallmark of innovation and quality in the publishing profession.

Administrative determination and literary acumen are but two of the outstanding qualities that mark the career of William Jovanovich. One of the nation's most renowned publishers and currently Chairman of Harcourt Brace Jovanovich, Inc., Mr. Jovanovich developed what was to become a lifelong interest in the English language while a student at the Denver Public Schools. He continued to pursue these interests at the University of Colorado, Harvard University, and Columbia University, and, with the exception of a four-year interlude with the United States Navy, he has devoted his entire career to the improvement of media production.

Joining Harcourt, Brace, and Company in 1947, Mr. Jovanovich's versatility in the areas of editing, selling, and designing books was soon recognized. With such abilities, it was not long before he ascended to become school department director, vice president, and director. Under the careful direction of Mr. Jovanovich, mergers and acquisitions permitted the publishing house to grow both in size and in scope of operation, expanding into such fields as computer-assisted instruction, micro-film reproduction, and specialized consumer magazines.

Today, Harcourt Brace Jovanovich, Inc. has large publishing operations in London, Frankfurt, and Toronto, as well as in New York.

In addition to his prominence as a publisher, Mr. Jovanovich has achieved a distinguished reputation as an author and essayist. His first book, Now, Barnabas, is devoted primarily to the author's views on the structure and concepts of publishing as they relate to American education. Several of his recent essays have been featured in Harper's, The American Scholar, The Saturday Review, and the collection, America Now.

In testimony of his dedication to the advancement of learning, The Ohio State University is honored to confer upon this distinguished author and publisher the honorary degree Doctor of Humane Letters.

OFFICIAL PROCEEDINGS OF THE

ONE THOUSAND AND SEVENTY-THIRD MEETING

OF THE BOARD OF TRUSTEES

Columbus, Ohio, February 4, 1972

The Board of Trustees met at its regular monthly meeting on Friday, February 4, 1972, at The Ohio State University Center for Tomorrow, Columbus, Ohio, pursuant to adjournment.

Minutes of the last meeting were approved.
REPORT BY CHAIRMAN

A. Minnesota Basketball Occurrence

Chairman Shocknessy expressed the Board's deep concern relating to the basketball incident that recently occurred at the University of Minnesota, both with regard to the lack of protection provided this University's student athletes as well as the future of intercollegiate sports. Chairman Shocknessy stated that while the Board does not intend to pass judgment upon anybody involved in this incident at this time, it does urge all who have a responsibility to examine the processes by which intercollegiate sports are conducted. Mr. Shocknessy then called upon Mr. J. Edward Weaver, Director of Athletics, to comment upon the situation.

Mr. Weaver indicated that he believes to date everything which should be done has been done. He reported that the investigation of the incident by both the Commissioner's Office and the University of Minnesota is continuing.

B. November 5 and 6 Incident on North High Street

Mr. Shocknessy reported briefly upon the incident on High Street on November 5 and 6. He stated that President Fawcett had requested Dr. Ted Robinson, Vice President for Student Affairs, to conduct a full investigation of the incident on North High Street the night of November 5 and the early morning of November 6 and to report his findings to the President at an early date. This report has now been submitted to the President as well as to the Mayor's Task Force of the City of Columbus. Dr. Robinson is presently in the process of pursuing the recommendations contained in the report. The administration has given its assurance that those recommendations requiring action by the University will receive full consideration.

C. Report on Consultative Committee to Advise in the Selection of a President

Mr. Shocknessy made the following statement:

At the last meeting of this Board, a statement was made by a representative of the Undergraduate Student Government with respect to the selection of a President. We are all mindful of the near impossible task of replacing President Fawcett, but we still have to appoint a President whether anybody will be quite as adequate as President Fawcett or not. We have been, as all of you know, in the process of seeking a President for many months. I have before me an article which appears in the February issue of The Ohio State University Monthly which is as comprehensive a statement of the process and of the progress of the presidential search as I believe can be made. The last paragraph of the article for which I especially compliment the Alumni Association says that:

REPORT BY CHAIRMAN (continued)

C. Report on Consultative Committee to Advise in the Selection of a President
(continued)

Mr. Shocknessy's statement (continued)

By month's end, it became apparent that the search for a successor to President Fawcett was continuing; that the candidates being considered may or may not be those publicized by the press; that the Trustees had made clear they would not be bound to any of the five finalists named by the Search Committee; that no offer had been made to any prospect; that the Search Committee has been asked for a further list of names; and that when the final selection is made by Trustees it will be announced publicly - and not before.

The search is continuing. I have never and, insofar as I know, no member of this Board has ever either affirmed or denied the accuracy of a so-called list of five candidates which has recently been published in various newspapers. I was asked by a newspaper man just a few days ago, 'Did I know that a man named Chancellor Young had gone to Indonesia,' and I said 'No I don't; who is Chancellor Young?' Now I know who Chancellor Young is, but I am not either affirming or denying that Chancellor Young or anyone else was named on a list presented to the Board of Trustees. The Board of Trustees considers that a high degree of privacy is the right of those persons whom it considers for the Presidency.

At our meeting on December 3, the Board assured the Undergraduate Student Government that when the nominee of those sponsoring the campus elections was presented, the Search Committee would be requested to show that nominee the same consideration and dignity as every other nomination. And accordingly on December 7, at the request of the Board, the Secretary asked the Chairman of the Search Committee to examine the credentials of the nominee resulting from this election whenever that nominee would be presented. The Board did not consider that a list of prospects was final until the nominee obtained from the election had been considered by the Search Committee. It is my understanding that the Search Committee did honor the Board's request by holding a special meeting on the 22nd of December to examine the credentials of this nominee. While it has been asserted many times in our noble and respected campus newspaper that the nominee was not given the same respect as the other nominees, I consider that this nominee was given not only the same respect but more than the other nominees who were not named on the Search Committee's final list, because his credentials were considered singly by the whole committee in a special meeting.
Mr. Shocknessy's statement (continued)

The Search Committee advised the Board that it would not recommend this person for consideration by the Board, and accordingly the Board did not interview him.

The Board only interviewed those whose names were on the list forwarded by the Search Committee and who were available for interview. These interviews were conducted on the 5th and 6th of January with all members of our Board present. No prospect who was interviewed was offered the position of President. We indicated that we would like to be advised, by those whom we interviewed, if they would be receptive of an offer. We also determined before we dispersed on the 6th of January that we would ask for further nominations from the Search Committee, not because we did not respect the work of the Search Committee, not because we did not believe in the ability of the nominees of the Search Committee, but because we thought in the fulfillment of our mission of selecting a President for this great University in these perilous times that we should not confine ourselves to a list quite as narrow as it had become. I said 'it had become,' because one of the nominees of the five advised the Search Committee before we interviewed, that he was not interested in being interviewed. Certain reluctances were indicated in some of the others—reluctances which are characteristic of reaction to considerations such as the Presidency of a university, and such as are characteristic of the reactions of men who are serving in high positions in other universities. Accordingly, on the 17th of January I asked the Chairman of the Search Committee, on behalf of this Board, to present additional names. The Chairman was not asked to present any specific number of names, rather the Chairman was asked to present such names as the Search Committee had before it which the Committee considers worthy based upon its previous considerations. And implied in the request was the right of the Search Committee to go beyond, in any manner it deemed appropriate, to help us procure the best President that can be procured for what we consider the best state university in the United States—the state university in the United States with the greatest potential.

And finally, I wish to emphasize that important as time is, it is not as important as procuring the best man or woman who might be found to fill this position. Panic is not one of our problems. Our problem is procuring the 'best and the greatest' for the 'best and the greatest!' I firmly believe that we shall

be able to offer the Presidency to a suitable prospect in ample time, but time will not control the quality. Quality must continue to be our most important concern. We owe it to the University, the educational system, the State, the Nation, and to the man he will be succeeding.

APPEARANCES

A. Professor Julian H. Markels

Professor Julian H. Markels of the Department of English appeared before the Board to urge the Trustees to sponsor a campus-wide election as the most appropriate method of selecting the new President.

B. Mr. Jeffrey Yapalater

Mr. Yapalater expressed his concerns regarding the manner in which the presidential search was being conducted. He also urged the redesign of the present Search Committee, the reconfirmation of its members, the selection of a president by an election from the slate of candidates selected by the Search Committee, and interview of Staughton Lynd when Mr. Lynd would be in Columbus on February 5.

Mr. Shocknessy stated that he would make himself available to meet with Mr. Lynd on Saturday. He indicated that he would not, however, ask the Board to convene on a caprice. If a meeting with Mr. Lynd and Mr. Shocknessy were arranged, it would be clearly understood that Mr. Shocknessy would be seeing Mr. Lynd not as a candidate for the presidency but to become acquainted with his views of a university. Mr. Shocknessy further indicated that he would be happy to have any member of the Board who was available to join him in this interview and that he would report to the Board concerning the interview. He asked Mr. Yapalater to arrange such an interview.
February 4, 1972 meeting, Board of Trustees

President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Revision of Rules 29.2725 and 51.03, the Deletion of Section 4 of Rule 45.03 and Rule 51.05, and the Addition of Rule 29.2726

On November 9, 1971, the Faculty Council approved the following revision in Rule 29.2725 and the addition of Rule 29.2726 to Rules for the University Faculty (See Appendix V, page 421):

1. Rule 29.2725 provides (a) that the Council on Student Affairs shall recommend to the President a list of attorneys, unaffiliated with the University, who shall be authorized to act as hearing officers to preside over disciplinary proceedings under Rule 51.03. One such attorney shall be designated by the President as a Chief Hearing Officer, and (b) that an array of Hearing Panelists shall be selected by lot consisting of faculty members, undergraduate students, graduate and professional students, and administrative staff members.

2. Rule 29.2726 is a new rule stating that the University will not exercise jurisdiction over disruption cases which are in the criminal courts unless there is a clear and present danger of repeated or continued violations. In such cases procedures for probation and dismissal are set up.

On December 15, 1971, the Faculty Council approved a revision of Rule 51.03 and the deletion of Section 4 of Rule 45.03 and Rule 51.05 of Rules for the University Faculty:

3. Rule 51.03 as revised sets forth in greater detail than the present rule what constitutes disruption and defines certain terms which are used in the Rule.

It was recommended that the foregoing changes in the Rules for the University Faculty as approved by the Faculty Council be adopted by the Board of Trustees with the provision that in the event the procedures set forth in Rules 29.2725 and 29.2726 prove to be ineffective, the President, upon his own discretion and after consultation with the Faculty Advisory Committee, may set aside the above Rules, reinstitute the procedures now in effect and return the Rules to the Faculty Council for further study and possible modification.

Upon motion of Mr. Harrod, seconded by Mr. Eckley, the Board of Trustees approved the foregoing recommendation by unanimous voice vote, and the Secretary of the Board of Trustees was further instructed and given authority to make the changes in the Rules for the University Faculty in the next printing.
February 4, 1972 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

B. Revision of Rules 13.09, 27.0701, 27.0703, 27.0705, 27.09, and the Deletion of Rule 29.2707

The Faculty Council on December 15, 1971, approved the following revisions in Rules 13.09, 27.0701, 27.0703, 27.0705, and 27.09, and the deletion of Rule 29.2707. (See Appendix VI, page 427.) These rules call for the establishment of a Research Committee of the Graduate Council and the transfer of existing powers and functions of the present Research Council to this Research Committee.

1. Rule 13.09 deleted the term Research Council and substitutes Graduate Council.

2. Rule 27.0701 provides for changing the number of faculty members on the Graduate Council and provides for student membership on this body.

3. Rule 27.0703 changes the length of terms of the members.

4. Rule 27.0705 transfers the powers and functions of the Research Council to the Graduate Council.

5. Rule 27.09 establishes a Research Committee of the Graduate Council and sets forth its responsibilities.

President Fawcett recommended that the foregoing changes in the Rules for the University Faculty as approved by the Faculty Council be adopted by the Board of Trustees.

Upon motion of Mr. Dunlap, seconded by Mr. Hilliker, the Board of Trustees approved the foregoing recommendation by unanimous voice vote, and the Secretary of the Board of Trustees was further instructed and given authority to make the changes in the Rules for the University Faculty in the next printing.

C. Revision of "Master Plan for Don Scott Field"

The official master plan for Don Scott Field as previously approved by the Board of Trustees, requires further modification at this time to accommodate new Federal Aviation Agency regulations and the revision of proposals to incorporate additional planning studies associated with the further development of runway facilities. Among the specific changes included in these revisions are a more detailed delineation of runway configurations, runway approach fans, as well as the inclusion of the animal science facilities presently under construction, minor revisions to reflect current property lines, land acquisition priorities, and land use.
I. GENERAL RECOMMENDATIONS (continued)

C. Revision of "Master Plan for Don Scott Field" (continued)

President Fawcett recommended that the "Master Plan for Don Scott Field," be revised as indicated in the five accompanying maps and that these maps be placed on file with the official records of the Board of Trustees.

Upon motion of Mr. Dunlap, seconded by Mr. Hilliker, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

D. Appointment of Policy Committee for Operation of The Andersons Agricultural Research Fund

At the February 10, 1966 meeting of the Board of Trustees, The Andersons Agricultural Research Fund was established as a permanent endowment fund by the Board of Trustees.

President Fawcett recommended that a Policy Committee comprised of the following four persons be established: the University Provost who will serve as Chairman of the Committee; the Dean of the College of Agriculture and Home Economics; the Treasurer of the University; and one representative of The Andersons.

Upon motion of Mr. Dunlap, seconded by Mr. Eckley, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

E. Honorary Degree

President Fawcett recommended under Section 3, Rule 11.05, and after consultation with the Faculty Advisory Committee to the President and the Board of Trustees, that the honorary degree, Doctor of Laws, be conferred on Elliot L. Richardson, United States Secretary of Health, Education and Welfare, at the March 17, 1972 Commencement.

Upon motion of Mr. Harrod, seconded by Mr. Dorsey, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

F. Adoption of University Budget for the Fiscal Year 1971-72

President Fawcett made the following statement and recommendation:

Last July 30 a special Board meeting was called for the purpose of adopting a Provisional University Budget for 1971-72. Action had been deferred until this late date because of the failure of the legislature to act upon an appropriation bill; but, this University could defer no longer and still meet its financial commitments. The Provisional Budget, presented and adopted, anticipated a State subsidy level of $67,382,000 for the year. This level was selected since it was established in House Bills 475 and 477 which had been passed by the House and were pending in the Senate. Student fee levels were also established on the basis recommended in House Bills 475 and 477 and urged by the Board of Regents.
F. Adoption of University Budget for the Fiscal Year 1971-72 (continued)

President Fawcett's statement and recommendation (continued)

It was anticipated that with possible minor modifications in final legislative action on anticipated resources, a firm budget for the fiscal year 1971-72 could be adopted by this Board no later than early autumn of this past year. However, this University's appropriation was not established by the legislature until December 20, 1971. And I regret to inform you that the support level of $62,908,500 established by the General Assembly fell short of the previously anticipated support level by $4,473,500. We have now had an opportunity to reexamine all expenditures called for in the Provisional Budget in an effort to resolve this very substantial difference.

Some resolution of this disparity was received from an unanticipated increased enrollment for the Autumn Quarter. While I will not attempt to provide a detailed explanation as to why our efforts to curtail enrollments this year were not successful, suffice it to say that unanticipated enrollment increases resulted in approximately nine hundred more students than had been projected with an increased fee income of $730,000 over that which was indicated in the Provisional Budget. An equivalent subsidy increase of $891,500 was also provided by the State because of this increased enrollment.

During the last several months of fiscal year 1970-71 there were indications that universities might face reductions in anticipated support levels. A number of economy measures were instituted at this University in order to protect ourselves by developing larger year end balances than those projected. Through various economies we were able to close out the fiscal year 1970-71 with a balance of $1,593,000 over that budgeted. The financial support provided by these three items effectively reduced the net difference between the anticipated and the actual resources obtained by the State to a level of $1,259,000. To resolve this difference, however, it then became necessary to reduce specific items in the Provisional Budget as follows:

1. University operating and equipment allocation $584,000
2. Programmed contract repair projects 300,000
3. Deferred critical problems 375,000
February 4, 1972 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

F. Adoption of University Budget for the Fiscal Year 1971-72 (continued)

President Fawcett's statement and recommendation (continued)

While the University has effected these reductions, the implications of such action should be fully understood. First, the reduction in University operating and equipment budgets will mean that all areas of the University must operate at the same expenditure levels as they have in the preceding year irrespective of increased costs experienced because of inflation which has been particularly critical in the more sophisticated types of equipment and supplies that universities require. Dramatic increases have also been experienced in the cost of many essential services, particularly utilities. The reduction in contract repair funds is obviously a false economy and cannot be sustained over a very long period of time. And similarly a reduction of this magnitude in funding cannot help but limit our efforts to strengthen existing commitments to say nothing of the additional funds which are needed to support the development of new and innovative programs. Thus the following budget for 1971-72 is presented for your consideration:

I. GENERAL RECOMMENDATIONS (continued)

F. Adoption of University Budget for the Fiscal Year 1971-72 (continued)

President Fawcett's statement and recommendation (continued)

While I am asking your adoption of this University budget I must also alert you to an as yet unresolved problem which has developed since our State appropriation was established. During the budget discussions this past year we were fully aware that the 109th General Assembly would probably pass a substantial pay increase bill for civil servants of the State including the approximately 2,550 individuals in this category presently employed by this University. At that time estimates of this increase ranged from 6-16% over and above the normal statutory increases. Additionally, university presidents understood through meetings in the Office of the Board of Regents that while the universities would be obliged to absorb increases for all employees of these universities in equivalent categories to that of State civil service, any action by the General Assembly with reference to civil service employee pay increases would be accompanied by the necessary funds to implement these increases. I regret to report, however, that while the legislature did take the anticipated action in providing a substantial salary increase for the civil servants of this State, which, incidentally, this University fully supported, State universities were specifically exempted from the funds provided to all other State agencies for implementing this increase. Now we find ourselves in the difficult position of enthusiastically supporting the action of the legislature in providing well-deserved increases to our employees and at the same time having to resolve an unanticipated financial obligation to this University which will amount to over $3 million for the bennium for our civil service employees and a roughly equivalent amount for our employees in our Hospitals, Cooperative Extension, Dormitories, and other auxiliary activities which hold civil service equivalent positions. We have every intention of meeting these obligations even though the exact amount is still to be determined by the Federal Pay Board. As you know, we have initiated a number of improved program budgeting practices during the past several years at all levels within the University in order to anticipate needs and to integrate these needs in a budget plan which would provide for consistent progress toward meeting these obligations within the constraints of increasingly scarce resources. In doing this, we have been able to provide, each year, minimal but consistent growth to continuation budgets and initiation of the most critical new and improved programs. When the amount of the State civil service increases is established, we will make every attempt to resolve this liability through reevaluation of this current budget plan hopefully without having to effect any major revisions to existing budget levels. Some alternatives will include the possibility...

of additional temporary investment resources of $200,000; anticipated year end balances due to stringent controls on budgets; possibility of additional special subsidy from the Ohio Board of Regents; and use of a portion of our emergency reserves.

I am now recommending the adoption of the University Budget for 1971-72 presented above and authorization to make the necessary adjustments in the various budgets required by the civil service pay increase bill once this University's liability has been determined through reevaluation of income and budget levels.

Upon motion of Mr. Hilliker, seconded by Mr. Gushman, the Board of Trustees approved the University Budget for 1971-72 by unanimous roll call vote.

II. PERSONNEL CHANGES

Personnel changes since the December 3, 1971 meeting of the Board, as recorded in the official "Salary Roll" of the University, include the following Appointment, Promotions, Leave of Absence With Salary, Leaves of Absence Without Salary, and Emeritus Titles:

A. Appointment

Richard P. Goldthwait, Acting Dean of the College of Mathematics and Physical Sciences, effective January 1, 1972, at a salary of $27,012.00 per annum.

B. Promotions

G. Edwin Howe from Associate Administrator of University Hospitals to Director of Hospital Administration, effective immediately, at a salary of $26,328.00 per annum.

John B. Gabel from Acting Chairman of the Department of English to Chairman of the Department of English, effective immediately, at a salary of $23,088.00 per annum.

Adalbert Koestner from Acting Chairman of the Department of Veterinary Pathology to Chairman of the Department of Veterinary Pathology, effective immediately, at a salary of $30,948.00 per annum.
II. PERSONNEL CHANGES (continued)

C. Leave of Absence With Salary

In accordance with the policy approved by the Board of Trustees on April 12, 1954, the following-named person was recommended for Leave of Absence With Salary from the Cooperative Extension Service for the period indicated:

Ronald L. Overmyer, Instructor (County Extension Agent, 4-H) Ottawa County, effective January 1, 1972 through March 15, 1972, to participate in a program of professional improvement at The Ohio State University.

D. Leaves of Absence Without Salary

James F. Engel, Professor, College of Administrative Science - Academic Faculty of Marketing, effective January 1, 1972 through September 30, 1972, to serve as Visiting Professor in the Graduate School at Wheaton College, Wheaton, Illinois.

Audrey Jean Naylor, Associate Professor, Department of Pediatrics, effective November 1, 1971 through June 30, 1972, to participate in a study tour of three European countries.

James W. Vander Zanden, Associate Professor, Department of Sociology, effective January 1, 1972 through March 31, 1972, to prepare manuscript for a book.

E. Emeritus Titles

John H. Herrick, Division of Campus Planning, with the title Executive Director Emeritus, effective February 1, 1972.

Chalmer G. Hixson, School of Health, Physical Education and Recreation, with the title Professor Emeritus, effective September 1, 1971.

Florence L. Lloyd, School of Home Economics, with the title of Professor Emeritus, effective December 1, 1971.

Francis P. Robinson, Department of Psychology, with the title Professor Emeritus, effective January 1, 1972.

President Fawcett recommended that the Appointment, Promotions, Leave of Absence With Salary, Leaves of Absence Without Salary, Emeritus Titles, and personnel budget actions as recorded in the "Salary Roll" of the University be approved.

Upon motion of Dr. Sirak, seconded by Mr. Harrod, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote, and the Secretary was instructed to file these changes in the "Salary Roll," an official document of the University.

32. $5,022.00 from African American Institute, New York, New York, for the African American Fellowship Fund.

33. $5,000.00 from Mr. Ervin G. Bailey, Easton, Pennsylvania, for the College of Engineering.

34. $5,000.00 from Buckeye International Foundation, Columbus, Ohio, for the establishment of the Helen Reese Heimberger and William W. Heimberger Memorial Fund.

Helen Reese Heimberger and William W. Heimberger Memorial Fund

The Helen Reese Heimberger and William W. Heimberger Memorial Fund was established February 4, 1972, by the Board of Trustees of The Ohio State University with gifts through The Ohio State University Development Fund from friends and colleagues of Helen Reese Heimberger, B. A. '16, and William W. Heimberger, B.E.M. '16, husband and wife, late of Columbus.

All gifts are to be invested in the University's Permanent Endowment Fund under the rules and regulations adopted by the Board of Trustees of the University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used for the College of Engineering. At the request of Mr. and Mrs. Heimberger's family, preference in the use of the annual income is to be given to the College of Engineering's Department of Metallurgical Engineering.

Should the College of Engineering or the Department of Metallurgical Engineering cease to exist, through any reorganization of the University, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to the recommendations of the appropriate administrative official of the University who is then directly responsible for engineering education.
IV. GRANTS AND GIFTS (continued)

B. The Ohio State University Development Fund (continued)

35. $5,000.00 from the Clow Foundation, Chicago, Illinois, for research in the College of Medicine.

38. $5,000.00 from Dr. James W. Keller, Springfield, Ohio, for research in the Department of Surgery.

39. $5,000.00 from Mrs. H. Richard P. Niehoff, Columbus, Ohio, for blood research in the College of Medicine.

40. $5,000.00 from Pharmacia Laboratories, Piscataway, New Jersey, for gastroenterology research.

41. $5,000.00 from Robert B. Smith, Balboa Island, California, for the Alpheus W. Smith Lectureship Fund.

42. $5,000.00 from Standard Oil (Indiana) Foundation, Inc., Chicago, Illinois--$3,000.00 for distinguished teachers' awards and $2,000.00 as an unrestricted gift to the University.

43. $4,700.00 from the family, friends, and former students of Ernest R. Biggs for the establishment of The Ernest R. Biggs Memorial Fund.

The Ernest R. Biggs Memorial Fund

The Ernest R. Biggs Memorial Fund was established February 4, 1972, by the Board of Trustees of the Ohio State University with gifts through the Ohio State University Development Fund from the family, friends, and former students of Ernest R. Biggs, B.S. Ed. '39, M.A. '41, Athletic Trainer at the University from 1942 to 1971, late of Columbus, Ohio.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of the University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used for scholarships to students enrolled in the School of Health, Physical Education and Recreation and who have declared an intention to major in athletic training, a series of courses presently known as the Care and Prevention of Athletic Injuries. Recommendations are to be made by the Director of the School of Health, Physical Education and Recreation; awards are to be made by the University's Scholarship Committee.
IV. GRANTS AND GIFTS (continued)

B. The Ohio State University Development Fund (continued)

43. The Ernest R. Biggs Memorial Fund (continued)

Should the need for these scholarships cease to exist or so diminish as to provide unused income, or should the School of Health, Physical Education and Recreation or the Scholarship Committee cease to exist, through any reorganization of the University, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to the recommendations of the appropriate administrative official of the University who is then directly responsible for the education of athletic trainers.

44. $2,645.00 from the family, faculty colleagues, former students, and friends of Dr. Foster Rhea Dulles for the establishment of the Foster Rhea Dulles Memorial Fund.

Foster Rhea Dulles Memorial Fund

The Foster Rhea Dulles Memorial Fund was established February 4, 1972, by the Board of Trustees of The Ohio State University with gifts through The Ohio State University Development Fund from the family, faculty colleagues, former students, and friends of Dr. Foster Rhea Dulles, a distinguished Professor of History at the University from 1941 until his retirement in 1965, who also served as Chairman of the Department from 1953 until 1958, late of Columbus, Ohio.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of the University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used to advance teaching and research in American History, particularly in the history of the United States in the twentieth century, the area in which Professor Dulles made his major contribution as teacher and scholar. The specific uses may include, but are not limited to, scholarships, awards, research assistance and library acquisitions. Determination upon the use of the income is to be made by the Chairman of the Department of History in consultation with his faculty and upon approval of the Dean of the College of Humanities.

Should the Department of History or the College of Humanities cease to exist through any reorganization of the University, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to the recommendations of the appropriate administrative official of the University who is then directly responsible for teaching American History.
On July 13, 1967, the Board of Trustees authorized the Vice President for Business and Finance (now the Vice President for Administrative Operations) to approve change orders which were necessary to expedite completion of construction projects. In accordance with this authorization, all extra and credit orders to contracts which have been completed were reported:

VI. PLANS AND SPECIFICATIONS (continued)

A. Airport Development--1971

This project will provide improvements to the airport facilities including extension of Runway 9R-27L, development of parallel training runway, new and resurfaced taxiways, additional aircraft parking areas, improved lighting, and connection for new State and National Guard hangars with the existing runway and taxiway complex.

Funds for this project will be provided in Budget Account 801249 contingent upon receipt of Federal Grant.

Upon motion of Mr. Dorsey, seconded by Mr. Hilliker, the above recommendation was approved by unanimous roll call vote and contingent upon receipt of the Federal Grant the Secretary was authorized and directed to sign the plans and specifications for the above project for and on behalf of the Board of Trustees. Vice President Lachner was directed to proceed with a request for bids in the normal University manner and if satisfactory bids are received, to proceed with the award of contracts. All action regarding this matter will be reported to the Board of Trustees at a later meeting.

B. Ohio Stadium, Intramural and Recreational Lighting System

This project will provide a floodlighting system capable of providing a light level on the football field and track facilities necessary for night intramural and recreational activities.

Funds for this project have been provided from Budget Account 999000 (Athletic Reserve) and transferred to Budget Account 801256 (Ohio Stadium Lighting).

C. Completion of Third Floor - Center for Tomorrow

This project entails the completion of the third floor which was not completed under the original building contract.

Funds for this project have been provided from private contributions.

D. Airport Building--Hangars No. 1, No. 2, and No. 3, Repair to Roof (3160 Case Road)

This project involves the removal and replacement of approximately 275 squares of roof and valleys on the three hangar roofs.

Funds for this project have been provided from Budget Account 124358 (Contract Repair).
VI. PLANS AND SPECIFICATIONS (continued)

E. Biological Sciences Building--Air Conditioning
   Rooms 116, 120, 127, and 129

   This project involves the installation of a ten-ton air conditioning system capable of serving Rooms 116, 120, 127, and 129. This system shall be separate from the building central air conditioning system.

   Funds for this project have been provided from Budget Account 801137 (Biological Sciences Building).

F. Electrical System Repairs 1972--(Brown Hall, Hagerty Hall, Page Hall)

   This project involves the installation of new service switchboards and panelboards with associated wiring necessary to serve the load requirements of the buildings.

   Funds for this project have been provided from Budget Account 124358 (Contract Repair).

G. Means Hall, Roof Repairs 1972

   This project involves the installation of insulation and replacement of approximately 200 squares of roofing.

   Funds for this project have been provided from Budget Account 801255 (Means Hall Roof).

H. Optometry Building, Improvements to Air Conditioning

   This project will improve the environmental control for the building by increasing the heating and air handling capability of the central air handling system.

   Funds for this project have been provided from Budget Account 124358 (Contract Repair).

I. Roadway Repairs 1972--Roads South of Agricultural Administration Building

   This project involves repair of the roadway parallel to the south side of the Agricultural Administration Building and Stadium Drive from the bridge to the intersection of Coffey Road. This repair is necessary because of the constant wear by large buses.

   Funds for this project have been provided from Budget Account 124358 (Contract Repair).
February 4, 1972 meeting, Board of Trustees

VI. PLANS AND SPECIFICATIONS (continued)

J. University Hospital, Renovation of 11th Floor West

This project will modernize the infectious disease area to conform to community standards and update services to comply with most recent medical practice.

Funds for this project have been provided from Budget Account 801257 (Air Condition and Remodel 11th Floor West).

Upon motion of Mr. Dorsey, seconded by Mr. Dunlap, the above recommendations were approved by unanimous roll call vote and the Secretary was authorized and directed to sign the plans and specifications for the above projects for and on behalf of the Board of Trustees. Vice President Lachner was directed to proceed with a request for bids in the normal University manner and if satisfactory bids are received, to proceed with the award of contracts. All action regarding this matter will be reported to the Board of Trustees at a later meeting.

VII. REPORT OF AWARD OF CONTRACTS

In accordance with authorization provided by the Board of Trustees, bids were taken on the projects listed below and the contracts were recommended for award. The action reported to the Board was as follows:

Funds for this project have been provided from Budget Account 801183 (Goss Laboratory Remodeling).

Upon motion of Mr. Hilliker, seconded by Mr. Harrod, the above award of contracts and expenditure of funds were approved and the action of the Vice President for Administrative Operations ratified by unanimous roll call vote.

VIII. CONTROLLING BOARD REQUESTS

Each numbered request shown below accomplished the following purpose:

1 Approves the release of $795,334.00 from Item 366-001 "Agricultural Technical Institute, The Ohio State University, Wooster," H. B. 988, to provide funds for equipment and contingencies to complete the project.

2 Approves the release of $60,546.00 from Item 315-067 "University College, Phase III," H. B. 988, to provide funds to continue with planning on the project.

3 Approves the release of $561,319.00 from Item 315-068 "College of Agriculture: Land, Barns and Teaching Facilities," H. B. 988, to provide funds for equipment and contingencies for the project "Animal Science Livestock Center." Also approves the award of three extra orders each in excess of $10,000.00 without competitive bidding.

4 Approves the release of $15,886.00 from Item 315-071 "College of Optometry Clinical Facilities," H. B. 988, to provide funds to continue with planning on the project.

5 Approves the release of $39,556.00 from Item 315-064 "Journalism Building Expansion," H. B. 988, to provide funds to continue with planning on the project.
February 4, 1972 meeting, Board of Trustees

VIII. CONTROLLING BOARD REQUESTS (continued)

6 Approves the release of $39,633.00 from Item 315-077 "Clinical Medical Sciences Education Facility," H. B. 988, to provide funds to continue with planning on the project.

7 Approves the release of $51,268.00 from Item 315-074 "Utilities and Renovation," H. B. 988, to provide funds to continue with the various utility and renovation projects.

8 Approves the release of $10,000.00 from Item 315-078 "University Hall Complex," H. B. 988, to provide funds to continue with planning on the project.

9 Approves the release of $44,258.25 from Item 315-078 "University Hall Complex," H. B. 988, to provide funds to reimburse the University for the demolition of the old University Hall.

IX. MISCELLANEOUS FROM OFFICE OF ADMINISTRATIVE OPERATIONS

A. Airport Development - 1971. Employment of Engineer

The Board of Trustees has authorized Novice G. Fawcett, President of The Ohio State University, to submit application for grant funds for airport development under the Federal Aviation Administration Federal Aid Program Airport Development.

The Board of Trustees has further authorized Bernard J. Lachner, Vice President for Administrative Operations, to employ an engineer to develop schematic plans which are required for such an application.

The George W. Raike, Inc., Consulting Engineers, Ashland, Ohio, have been hired and have completed said schematic plans with accompanying preliminary drawings and detailed cost estimates.

The said application for aid has been submitted and has progressed satisfactorily through all processing steps and Federal sources assure that award of tentative grant agreement is imminent.

President Fawcett recommended that the Board of Trustees authorize and direct the Vice President for Administrative Operations, contingent upon receipt of said tentative grant, to proceed in the normal University manner to employ George W. Raike, Inc., to complete topographic surveys, finalize engineering design, prepare bidding documents, and provide resident supervision and inspection services.
IX. MISCELLANEOUS FROM OFFICE OF ADMINISTRATIVE OPERATIONS (continued)

A. Airport Development - 1971, Employment of Engineer (continued)

The fee for this service will be negotiated on the basis of the standard fee schedule for engineering service by the Ohio Department of Public Works and funds for this project will be provided in Budget Account 801249 (Airport Development) upon receipt of Federal Grant.

Upon motion of Mr. Gushman, seconded by Dr. Sirak, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote. This action is contingent on receipt of said tentative grant.

B. Demolition of Farm Buildings

The structures requested for demolition were as follows:

- Artillery Barn, 2170 Olentangy River Road
- Artillery Cottage Garage and Shop, 2150 Olentangy River Road
- Beef Cattle Barn, 2027 Plumb Hall Court
- Dairy Cattle Barn, 1973 Plumb Hall Court
- Hog Barn, 2003 Plumb Hall Court
- Sheep Barn, 2053 Plumb Hall Court
- Quonset Huts (two) north of Artillery Barn, 2170 Olentangy River Road

As a result of the completion of the new Animal Science Livestock Centers, scheduled for construction completion, March, 1972, the above-named structures were recommended for demolition by the Vice President for Administrative Operations.

This demolition will be accomplished in the normal University manner with the schedule to be established by the Vice President for Administrative Operations at a total cost of $47,000.00. Funds are available in Budget Account 124358 (Contract Repair).

Upon motion of Mr. Dunlap, seconded by Mr. Dorsey, the above recommendation was approved by unanimous roll call vote.

C. Sale of Property

The Industrial Nucleonics Corporation, whose corporate offices and principal facilities border The Ohio State University land, has requested an opportunity to purchase at fair market value a 15.922-acre tract of University property on the south side of Ackerman Road adjacent to their facilities. In initiating this request the President of this corporation informed the University that Industrial Nucleonics Corporation has lost land planned for future expansion to the Olentangy Freeway project which would preclude the further development of this Corporation and eventually necessitate relocation of the corporate headquarters unless other land could be obtained.
The University is willing to consider the sale of this parcel of land at this time because of the need for additional financial resources to support the University's land acquisition program on the south edge of the main campus in conformity with the University Master Plan. Further, the University Master Plan has designated the parcel of land which Industrial Nucleonics is desirous of purchasing to remain undeveloped. A further consideration is the desire on the part of the University to continue a mutually beneficial relationship which this University and Industrial Nucleonics have and continue to enjoy.

Accordingly, representatives of the Industrial Nucleonics Corporation and The Ohio State University were asked to develop mutually agreeable conditions of sale including land usage restrictions so as to assure a full realization of the worth of this parcel of property by the University but at the same time assuring usage compatible with the immediately adjacent University activities.

President Fawcett recommended, subject to the approval of the Ohio General Assembly and the land use restrictions and all other general understandings mutually developed by the representatives of The Ohio State University and the Industrial Nucleonics Corporation, that a 15.922-acre parcel of University land on Ackerman Road adjacent to the Industrial Nucleonics facility be approved for sale to the Industrial Nucleonics Corporation for the sum of $775,000, which is the highest of three MAI appraisals recently obtained.

Upon motion of Mr. Harrod, seconded by Mr. Dorsey, the Board of Trustees approved the sale of property by roll call vote with Messrs. Shocknessy, Dunlap, Eckley, Harrod, Dorsey, Gushman, and Dr. Sirak casting affirmative votes and Mr. Hilliker casting a negative vote.

X. RESOLUTIONS IN MEMORIAM

President Fawcett reported to the Board the deaths of Clarence Gratton Kemp, Professor in the College of Education; John M. Montz, Associate Professor Emeritus in the Department of Civil Engineering; Christine Newark, Professor Emeritus in the School of Home Economics; and Harry L. Strobel, Assistant Director of the Division of Recreation and Intramurals and Assistant Professor in the School of Health, Physical Education, and Recreation. In accordance with the instructions of the Board of Trustees, copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board will be furnished the families of the deceased.
A. Clarence Gratton Kemp

The Board of Trustees of The Ohio State University expresses its sorrow at the death on January 4, 1972, of Clarence Gratton Kemp, Professor in the College of Education.

Dr. Kemp was born June 15, 1905, in Lakefield, Ontario, Canada. He was graduated from the University of Toronto with a Bachelor of Arts degree in 1942. He received the Bachelor of Divinity degree from Union Theological Seminary, New York, in 1946. He received his Master of Arts and Doctor of Education degrees from Columbia University in 1947 and 1949 respectively. He received the Doctor of Philosophy degree from Michigan State University in 1957. He began his career in education in 1927 in Scarboro Bluffs Elementary Schools, Toronto, Canada. From 1931 to 1939, he was a teacher and assistant principal in Birch Cliff Heights High School, Toronto, Canada.

Dr. Kemp began his college teaching at Missouri Valley College in 1949. He was initially interested in human relations and was instrumental in promoting research pertaining to "open and closed mindedness." His scholarly work evolved into study, research, and authorship as it relates to the group process in counselor education. His applications encompassed schools, community agencies, and church settings.

Dr. Kemp was active in numerous organizations. He was a participant as lecturer and panel member in professional meetings of the American Psychological Association, American Personnel and Guidance Association, and American Educational Research Association. He was a Fellow in the American Association for the Advancement of Science.

Dr. Kemp continued his ministerial activities throughout his career in education. He was an active member of the Central Southeast Ohio Association, United Church of Christ.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

B. John M. Montz

The Board of Trustees of The Ohio State University expresses its sorrow at the death on October 27, 1971, of John M. Montz, Associate Professor Emeritus in the Department of Civil Engineering.

Professor Montz was born in Frederick, Maryland, on October 10, 1885. His family moved to Virginia where he received his secondary schooling. He received the Bachelor of Science degree from Brown University in 1911.
X. RESOLUTIONS IN MEMORIAM (continued)

B. John M. Montz (continued)

Professor Montz served with an engineering detachment in World War I, entering the Army as a private and leaving with the rank of captain.

Following his return to civilian life, he held various engineering positions with the Baltimore and Ohio Railroad before joining The Ohio State University faculty in 1922. At the University he taught courses in surveying and structural design, and for a number of years he also held a part-time position as design engineer with the Bureau of Bridges of the Ohio Department of Highways.

About 1940 he formed a partnership with a colleague, Oscar Marshall, for the purpose of making land surveys in the Columbus area.

Professor Montz was a member of the National Society of Professional Engineers, American Society for Engineering Education, American Railway Engineers Association, and American Society of Civil Engineers, serving at one time as president of the Central Ohio Local Section of the latter.

Professor Montz co-authored a text entitled, Elements of Topographic Drawing, which enjoyed considerable popularity. His writings also included a number of articles on the structural uses of timber.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

C. Christine Newark

The Board of Trustees expresses its sorrow at the death on December 26, 1971, of Christine Newark, Professor Emeritus in the School of Home Economics.

Dr. Christine Newark was born in Charlotte, Michigan, on February 14, 1909. She received her baccalaureate degree at Michigan State University in 1930. In 1937 she received the M.A. degree from Columbia University. Her Ph.D. degree was received from Iowa State College in 1945.

Dr. Newark taught home economics for eight years at vocational high schools in Michigan. She served as Instructor and then Assistant Professor in Home Economics at Oklahoma A & M College, Stillwater, Oklahoma, from 1938 to 1941, teaching home management. She was a Graduate Assistant and faculty member at Iowa State University School of Home Economics from 1941 to 1945.
February 4, 1972 meeting, Board of Trustees

X. RESOLUTIONS IN MEMORIAM (continued)

C. Christine Newark (continued)

Professor Newark was appointed to the faculty of the School of Home Economics at The Ohio State University in 1945 and served until her retirement in 1967. She pioneered in the teaching of consumer and family economics. Dr. Newark served as Chairman of the Division of Management and Family Economics in the School from 1946 to 1962. She served as national treasurer of Omicron Nu, home economics honorary, was a member of Phi Kappa Phi, and was listed in Who's Who of American Women.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family of Dr. Newark as a humble expression of the Board's heartfelt sympathy in its bereavement.

D. Harry L. Strobel

The Board of Trustees of The Ohio State University expresses its sorrow at the death on November 28, 1971, of Harry L. Strobel, Assistant Director of the Division of Recreation and Intramurals and Assistant Professor in the School of Health, Physical Education, and Recreation.

Prior to joining the Intramurals Division, Mr. Strobel was a member of the football coaching staff, having joined it in 1949. An Assistant Professor in the School of Health, Physical Education, and Recreation, Mr. Strobel served as freshman football and basketball coach in 1950-51 when he was moved to the varsity staff of Head Coach Woody Hayes.

Mr. Strobel's coaching career began at Brilliant, near Steubenville, where he coached football, basketball, and baseball for three years. Succeeding assignments took him to North Canton for a year, Louisville for a year, Orrville for five years, and Barberton for two seasons.

Mr. Strobel's Orrville football teams were undefeated in both 1939 and 1940. He held the distinction of winning state championships in both football and basketball, the former at Barberton in 1948 and basketball at Bellevue in 1945.

Mr. Strobel was born in Massillon, Ohio. He was graduated from high school in 1927 and entered Miami University where he was graduated in 1932 with a degree in education.

Mr. Strobel coached two all-American football players at Ohio State in successive years. Guard Jim Parker won all-American honors in 1955 and 1956 and Aurelius Thomas, another Strobel pupil, won similar honors in 1957.
X. RESOLUTIONS IN MEMORIAM (continued)

D. Harry L. Strobel (continued)

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

XI. REPORTS

A. Report from the Retirement and Insurance Committee

Mr. Gushman, Chairman of the Retirement and Insurance Committee, presented the following report and recommendations:

At the Board meeting on October 1, 1971, the Board of Trustees, upon the recommendation of the Retirement and Insurance Committee, awarded a contract to Alexander & Alexander, insurance consultants, for the purpose of making "a comprehensive study of the University's total insurance program."

This past month the insurance consultants submitted their report to this committee which in turn made this information available to the administration of the University. A meeting was subsequently held with representatives of the University and Alexander & Alexander for the purpose of discussing the specific recommendations and findings contained in the report. Based upon the report and this meeting, the University has now responded to each of the recommendations and findings and the report as well as the University's response has been made available to the members of this Board.

In brief, the insurance consultants divided their review into three general categories:

1. Employee Benefit Program

Included in the recommendation in the area of employee benefits was the suggestion that the University should consider supplementing the existing state policy on sick leave and long-term disability benefits, and improvements in the University health programs, specifically major medical coverage and Blue Cross and Blue Shield coverages, including improvements in the deductible features. At the same time it was suggested that the University might wish to consider the development of personal group benefit programs as an additional employee benefit. A specific suggestion which your committee will request action on at the end of this report relates to the transfer of dividend accumulation funds presently held by John Hancock on behalf of the University to the University's investment portfolio. And finally, it was suggested that this University should undertake a more effective program in communicating to its employees the benefits presently available to them.
A. Report from the Retirement and Insurance Committee (continued)

2. Student Health Insurance

Alexander & Alexander suggested that the existing student health insurance program of this University was one of the better ones available for the purpose and suggested that the development of any future contracts should be initiated between the user group, in this case represented by the Council on Student Affairs, and the various carriers starting October, 1972. In making recommendations to the administration of this University, it was suggested that the University continue to provide administrative support in the implementation of the student health insurance program.

3. General Insurance Coverages

In addition to a number of general recommendations, a fundamental question was raised in this category as to the extent of this University's liability as opposed to the self-insurance policy of the State of Ohio and the funds available for this purpose in the State Emergency Fund. It was suggested that the University might wish to consider a policy of insuring a number of its major facilities for the difference between the replacement value and the funds that might be provided through the State Emergency Fund in case of a major disaster. The University administration has agreed to review this matter in specifics and to bring back to this committee its analysis and recommendations for consideration and subsequent action. At the same time, upon the recommendation of the insurance consultants, the University has agreed to step up its program of facility review and modification where feasible to minimize risks as a supplemental measure to its insurance programs.

As Chairman of the Committee, and on behalf of the other Committee members, Mr. Dorsey and Dr. Sirak, Mr. Gushman presented the following recommendations:

1. That the report of the insurance consultants, Alexander & Alexander, be received by this Board and that the voucher submitted in the amount of $12,500 be authorized for payment.
XI. REPORTS (continued)

A. Report from the Retirement and Insurance Committee (continued)

2. That the University's response to these recommendations be received by the Board and that the administration be requested to make a comprehensive analysis of these recommendations in the specific areas where indicated in the University's response, and report to the committee with appropriate recommendations for the committee's consideration and action.

3. That the University Treasurer be authorized to withdraw the funds from the dividend accumulation fund presently being held by the John Hancock Company on behalf of the University with the exception of those monies required for the claim stabilization reserve account. Further to invest this sum through the University's investment portfolio for the purpose of increasing the earnings through investment accumulation and expense savings and continued support of employee and the University insurance programs.

4. That any and all previous designations of insurance consultants made by the Board of Trustees be revoked and that the administration of the University be directed to make such designations in the future.

Upon motion of Mr. Gushman, seconded by Mr. Harrod, the Board of Trustees approved the foregoing recommendations by unanimous roll call vote.

B. Report on the University's Investment Portfolio

The report dated February 3, 1972, as submitted to the Finance and Investment Committee of the Board of Trustees by Mr. Ernest W. Leggett pertaining to the University's Investment Portfolio, was received and ordered to be filed with the official records of the Board of Trustees.

Thereupon the Board adjourned to meet Friday, March 3, 1972, at The Ohio State University, Columbus, Ohio, at 1:30 p.m.

Attest:

Edward Q. Moulton  James W. Shocknessy
Secretary          Chairman
APPENDIX V

Revision of Rules 29.2725 and 51.03, the Deletion of Section 4 of Rule 45.03 and Rule 51.05, and the Addition of Rule 29.2726 to Rules for the University Faculty

Approved by Faculty Council
November 9, 1971
December 15, 1971

Adopted by Board of Trustees February 4, 1972
(See page 378)
Revision of Rules 29.2725 and 51.03, the Addition of Rule 29.2726, and the Deletion of Section 4 of Rule 45.03 and Rule 51.05 of Rules for the University Faculty

The Faculty Council on November 9, 1971, approved a revision of Rule 29.2725 and the addition of a new Rule 29.2726 of Rules for the University Faculty. The text of the Rules is as follows:

29.2725. Hearing Officers and Panels.

Section 1. The Council on Student Affairs shall recommend to the President, subject to the approval of the Board of Trustees, a list of attorneys, unaffiliated with the University, who shall be authorized to act as hearing officers to preside over disciplinary proceedings under Rule 51.03. One such attorney shall be designated by the President as Chief Hearing Officer, whose duties shall include:

(a) Assisting the Council on Student Affairs in preparing and enacting procedural rules to guarantee due process, including, but not limited to, the procedural recommendations contained in the Report and Recommendations of the University Committee on Rights and Responsibilities (The Ohio State University, September 15, 1968);

(b) Selecting Hearing Officers as needed from the approved list;

(c) Reviewing every case in which sanctions have been recommended, to determine whether such sanctions should be imposed or reduced, or whether the case should be dismissed or remanded for further hearing;

(d) Forwarding completed cases to the Vice President for Administrative Operations for administrative implementation in accordance with their final determination by the Chief Hearing Officer;

(e) Hearing on appeal student disciplinary cases, not including University actions relating to academic failure or violations of a code of professional ethics or of an honor code of those colleges or academic units having such codes, where an appeal is taken by any student from any such action by his College, University Committee, or other properly authorized University adjudicatory body, only in those cases where the penalty assessed was suspension, dismissal, or expulsion.

Section 2. That an array of Hearing Panelists, large enough to allow at least three panels, shall be selected by lot consisting of:

(a) Faculty members,

(b) Undergraduate students,

(c) Graduate and professional students, and

(d) Administrative staff members.

Any person selected to serve as Hearing Panelist may be exempted from such service if he declines.
Revision of Rules 29.2725 and 51.03, the Addition of Rule 29.2726, and the Deletion of Section 4 of Rule 45.03 and Rule 51.05 of Rules for the University Faculty (continued)

29.2725. Hearing Officers and Panels. (continued)

The Chief Hearing Officer shall, by lot, select from the array Hearing Panels, each composed of two faculty members, two undergraduate students, one graduate or professional student, and one administrative staff member. The Hearing Panels shall have original jurisdiction to hear cases of alleged student violation of Rule 51.03 brought before it by authorized University officials, make findings of fact, determine a verdict, and, in the event of a guilty verdict, to recommend sanctions.

The University and the Defendant shall have the right to challenge for cause. The Hearing Officer shall hear challenges for cause.

- o -

29.2726. Pending Criminal Law Suit.

Section 1. Whenever a criminal court exercises jurisdiction over acts which allegedly constitute a disruption by University rules, the University shall not exercise jurisdiction, except that in extraordinary cases, where there is a clear and present danger of repeated or continued violation of the disruption rule, the University may bring the student before a Hearing Officer and Panel to find whether he poses such a danger. If the Panel finds that he does, it shall recommend that the continued enrollment of the student be dependent on his being placed on strict disciplinary probation, under such terms and conditions as the Hearing Officer may specify (except that the student may not be deprived of University scholarship, loan, grant-in-aid, or employment). The term of probation shall last until such time as the Hearing Officer shall, on his own initiative or upon petition by the student, find that the danger no longer exists. If the student is alleged to have violated probation, he will be subject to an immediate hearing before a Hearing Officer, and if found guilty of violating probation, be temporarily suspended or dismissed from the University pending a full hearing.

- o -

On December 15, 1971, the Faculty Council approved a revision of Rule 51.03 and the deletion of Section 4 of Rule 45.03 and Rule 51.05. The text of Rule 45.03 and Rule 51.03 as revised is as follows:

45.03. Group Absences.

Section 1. Whenever possible, group absences shall be planned so that they do not conflict with regularly scheduled classes.

Section 2. Group absences which are a necessary part of a class scheduled in the University must be authorized by the Chairman of the Department or Director of the School in which the class is scheduled. Group absences which are a necessary part of a non-class function of the University must be authorized by the Office of the Dean of Students who coordinates all student activities. In the latter instance, the person authorizing the absence shall file in the Office of the Dean of Students, a letter containing (1) a list of names of all of the students involved, (2) the dates and times of the absence, and (3) a complete explanation of the purpose of the absence. The person authorizing the absence shall distribute a copy of this letter to each student involved in the group absence.
Revision of Rules 29.2725 and 51.03, the Addition of Rule 29.2726, and the Deletion of Section 4 of Rule 45.03 and Rule 51.05 of Rules for the University Faculty (continued)

45.03. Group Absences. (continued)

The student may then present his copy of the letter to each instructor of the classes from which the student will be absent. This letter may be the basis of an excuse for an absence from class under the policies provided in Rule 45.01.

Section 3. In all instances of group absences in which women students will be absent from the University before 6:30 A.M. and after 12:00 P.M., the Dean of Students who coordinates student activities should be notified in advance of the names of all women students involved.

51.03. Disruption.

Section 1. No student, faculty, staff, visitor, or other person shall, with an intent to disrupt University authorized activities:

(a) obstruct the lawful movement of any person or persons about the campus, into or out of any University building or facility, or within any University building or facility and fail to desist when so ordered by an authorized University official;

(b) obstruct the movement of vehicular traffic on the streets of the University, and fail to desist when so ordered by an authorized University official;

(c) occupy a University building or facility in such a manner as to prevent others from carrying out University authorized activities and fail to depart when informed by an authorized University official that he is disrupting University authorized activities and must depart;

(d) interfere with the conduct of a class, office, laboratory, or other University authorized activity by shouting, chanting, marching, throwing missiles, or otherwise creating such a disturbance that the authorized activity cannot, in the judgment of an authorized University official, be carried on, and fail to desist when so ordered by an authorized University official;

(e) employ force or violence, or the explicit threat of force or violence, to prevent any person or persons from carrying out University authorized activities;

(f) damage public address systems, television sets, laboratory equipment, computer systems, or other property used for the carrying out of University authorized activities;

(g) solicit any person or persons to violate subsections (a) through (f) of this rule, knowing that there is a clear and present danger that such violations will occur (but a person shall not be charged with soliciting unless a violation of subsections (a) through (f) occurs as a result of his solicitation).
Revision of Rules 29.2725 and 51.03, the Addition of Rule 29.2726, and the Deletion of Section 4 of Rule 45.03 and Rule 51.05 of Rules for the University Faculty (continued)

51.03. Disruption. (continued)

(h) This rule shall not be interpreted as proscribing peaceful demonstrations, peaceful picketing, a call for a peaceful boycott of classes, or other forms of peaceful dissent.

Any student found guilty of the conduct proscribed in subsections (a) through (g) shall be subject to maximum sanction of dismissal or any lesser disciplinary sanction pursuant to Rule 29.2725.

Non-students charged with the conduct proscribed in subsections (a) through (g) shall be referred to an appropriate authority.

Section 2. Definitions.

(a) The phrase "with an intent to disrupt" shall be taken to mean that a person knows or reasonably should know that his act or acts will have the consequence of preventing others from carrying out University authorized activities.

(b) The phrase "to obstruct" shall be taken to mean making the movement of a person or vehicle from one place to another difficult or impossible; it shall not be taken to mean making that movement inconvenient.

(c) The phrase "University authorized activity" shall be taken to mean any activity that the University conducts, sponsors, or permits to be carried out on the campus or in any University building or facility.

(d) The phrase "an authorized University official" shall be taken to mean any person to whom the University has delegated authority to supervise a building or facility, or any part of a building or facility, or to supervise the movement of people and vehicles on the campus.

(e) The phrase "campus" shall be taken to mean University owned or controlled property.

APPENDIX VI

Revision of Rules 13.09, 27.0701, 27.0703, 27.0705, 27.09 and the Deletion of Rule 29.2707 of Rules for the University Faculty

Approved by Faculty Council
December 15, 1971

Adopted by Board of Trustees February 4, 1972
(See page 379)
Revised of Rules 13.09, 27.0701, 27.0703, 27.0705, 27.09 and the Deletion of Rule 29.2707

On December 15, 1971, the Faculty Council approved the revision of Rules 13.09, 27.0701, 27.0703, 27.0705, 27.09 and the deletion of Rule 29.2707 of Rules for the University Faculty. The text of the foregoing rules as listed is as follows:

Research Institutes shall be established or abolished by the Board of Trustees upon recommendation of the Graduate Council and Faculty Council. Each Research Institute shall be administered by a Board having such membership and authority as determined by the Graduate Council (see Rule 27.0705) and approved by the Faculty Council and the Board of Trustees.

27.0701. Membership.

There shall be a Graduate Council constituted as follows:

(a) Chairman. The Vice Provost for Graduate Affairs and Dean of the Graduate School shall be the Chairman of the Graduate Council.

(b) Elected Faculty Members. Forty members of the Graduate Faculty, four elected by the regular members of the Graduate Faculty from each of the ten areas. The individual areas, as below defined, shall be composed of the following Colleges, Schools, and Departments:

4. Biological Sciences: Biochemistry, Biophysics, Botany, Entomology, Genetics, Microbiology, Zoology.

Revise of Rules 13.09, 27.0701, 27.0703, 27.0705, 27.09 and the Deletion of Rule 29.2707 (continued)

27.0701. Membership. (continued)

(7) Humanities: Classics, East Asian Languages and Literatures, English, German, History, Linguistics, Philosophy, Romance Languages and Literatures, Slavic Languages and Literatures.

(9) Professional Biological Sciences: Allied Medical Professions, Anatomy, Anesthesiology, Dentistry, Medical Microbiology, Medicine, Nursing, Obstetrics and Gynecology, Ophthalmology, Otolaryngology, Pathology, Pediatrics, Pharmacology, Pharmacy, Physical Medicine, Physiological Chemistry, Physiology, Preventive Medicine, Psychiatry, Radiology, Surgery, Veterinary Anatomy, Veterinary Clinical Sciences, Veterinary Microbiology and Parasitology, Veterinary Pathology, Veterinary Physiology and Pharmacology, Veterinary Preventive Medicine.

(c) Alternate Faculty Members. Each faculty member of the Graduate Council is expected to attend its meetings regularly but alternate representatives shall be elected for each area in order to assure full attendance at meetings when elected faculty members are justifiably absent. When an elected member is off duty or unable to attend a meeting of the Graduate Council he shall notify the Secretary of the Graduate School in advance of the meeting, giving the name of the alternate who will represent him. The alternate shall then have the general powers and privileges in the Graduate Council of the person whom he represents.

The unsuccessful candidates for election shall constitute a panel of alternates in each area, in the order of votes which they received in the election. Service as an alternate does not make the alternate ineligible for election to membership in the Council the following year.

(d) Student Members. Eleven graduate students and one professional student, the latter to serve on the Research Committee, appointed by the President of the Council of Graduate Students with the consent of that body. These members shall serve terms of one year and shall be eligible for at most three consecutive terms. (See Rule 53.0705.)

430
27.0701. Membership. (continued)

(e) Alternate Student Members. Each student member of the Graduate Council is expected to attend its meetings regularly but an alternate representative shall be appointed for each student member in order to assure full attendance at meetings when appointed student members are justifiably absent. When a student member is unable to attend a meeting of the Graduate Council, he shall notify the Secretary of the Graduate School in advance of the meeting, giving the name of the alternate who will represent him. The alternate shall then have the general powers and privileges in the Graduate Council of the person whom he represents.

27.0703. Elections.

Section 1. Members shall be elected from each of the ten areas defined in Rule 27.0701 for staggered terms of four years and shall be ineligible for re-election for one year thereafter.

Section 2. Elections shall be administered and supervised by a Graduate Council Elections Committee which shall be composed each year of the ten area members then retiring. This committee shall have power to make final rules on all matters not specifically covered by these rules. Elections shall be held in the Spring Quarter of each year for terms beginning with the following Autumn Quarter.

There shall be a Graduate Council Nominating Committee in each area consisting of the retiring member of the Graduate Council representing that area, as chairman, and the chairman of the graduate committee for each Department in that area, or, in the absence of such a committee, the Department Chairman or his designated representative as members. The committee shall make a minimum of four nominations for its area, including additional nominations received by petition from any six or more members of the Graduate Faculty of the area concerned. The area nominating committee shall prepare and mail the election ballot to each member of its graduate faculty. The election ballots shall be cast by mail directly to the Graduate Council Elections Committee and shall be counted by that committee. The person or persons receiving the highest number of votes shall be elected to the vacancy or vacancies existing at the time of the election.

27.0705. Powers and Functions.

The Graduate Council shall be the principal legislative body of the Graduate School and, subject to modification or reversal by the Graduate Faculty, shall have the following powers and functions:
27.0705. Powers and Functions. (continued)

(a) To initiate and to act upon any question affecting the policies of the Graduate School and in connection therewith to make appropriate recommendations on all matters affecting these policies.

(b) To establish rules and regulations for the conduct of the educational facilities of the Graduate School. However, any action which will result in a change of an existing rule or the establishment of a new rule, shall be proposed at one meeting of the Graduate Council and acted upon at a subsequent meeting designated for that purpose.

(c) To approve, modify, or reverse any action taken by the Curriculum Committee, the Executive Committee, the Policy and Standards Committee, or the Research Committee.

(d) To oversee the area representation plan established by Rule 27.0701; more specifically, (1) to make assignments of new departments to existing areas; (2) to review petitions of departments requesting change from one area to another; and (3) to review the entire composition at such intervals as it deems necessary.

(e) To adopt requirements for admission subject to the approval of the Faculty Council and the Board of Trustees.

(f) To submit to the Council on Academic Affairs its recommendations concerning College proposals for the adoption of new courses and curricula involving graduate credit or the alteration or abolition of existing ones.

(g) To adopt and abolish academic degrees administered by the Graduate School subject to the approval of the Council on Academic Affairs, the Faculty Council, President, and the Board of Trustees.

(h) To recommend to the Faculty Council and the Board of Trustees candidates for degrees.

(i) To encourage and stimulate research and scholarly activity, and assist in obtaining support.

(j) To provide a communications channel between faculty and those responsible for obtaining and administering research funds.

(k) To advise on all major research fund allocations, and on all matters of University Planning that affect research.

(l) To ensure that the research needs of the University are adequately represented in the formulation of the University's plans, policies, and budgets.
Revision of Rules 13.09, 27.0701, 27.0703, 27.0705, 27.09 and the Deletion of Rule 29.2707 (continued)

27.0705. Powers and Functions. (continued)

(m) To be responsible, under authority delegated by the Faculty Council, for making recommendations concerning the establishment, affiliation, and abolition of research institutes, centers engaged in research activities, and other comparable organizations, and for determining the membership and authorities of their boards or governing bodies. (See Rule 13.09).

27.09. Committees.

Section 1. There shall be an Executive Committee, a Curriculum Committee, a Policy and Standards Committee, and a Research Committee, each constituted as follows:

(a) Chairman. The Vice Provost for Graduate Affairs and Dean of the Graduate School or his designee shall be Chairman of each Committee.

(b) Regular Members. The Graduate Council shall select the members of each Committee from its membership. The manner of selection and the tenure shall be determined by the members of the Graduate Council, except that each of the areas outlined in Rule 27.0701 must be represented by a faculty member on each Committee.

(c) Student Members. There shall be three members of the Executive Committee, the Curriculum Committee, the Policy and Standards Committee, and the Research Committee selected by the Graduate Council from its student membership. One member of the Research Committee shall be a professional student. The manner of selection and the tenure shall be determined by the members of the Graduate Council.

Section 2. The Curriculum Committee shall perform the functions specified in Rule 31.0201.

Section 3. The Executive Committee and the Policy and Standards Committee shall perform the functions assigned to them by the Graduate Council.

Section 4. The Research Committee shall be responsible to the Council for the following:

(a) To become familiar with the research activities carried on by the University faculty and staff and with available and potential sources of research support.

(b) To foster existing research and to stimulate the development of new programs.
27.09. Committees. (continued)

(c) To study and recommend policies with respect to research activities, facilities, personnel, University organization, and plans for future development.

(d) To provide advice and information concerning research activities and available resources and to be available to any faculty member or group to assist in planning and obtaining support for research.

(e) To consult regularly with departmental, college and University officials responsible for fostering research and scholarship. Meetings of the committee with representatives of research interests in each college, with representatives of research agencies in the University, and with others who express an interest in discussing research policies shall be no less frequent than once each academic quarter.

REPORT BY CHAIRMAN

A. Report on Consultative Committee to Advise in the Selection of a President

Mr. Shocknessy made the following statement:

I want now to take special notice of the attendance here of the members of the Consultative Committee to Advise in the Selection of a President which we familiarly call the Presidential Search Committee. The members of this Committee and the members of our Board "broke bread" together today. That was the first occasion that we all have been together since the Committee was formed. The members of our Board have had occasion to develop great respect, not only for the Committee and its members, but for its monumental work and dedication. After meeting many times, the Committee last December forwarded to this Board a recommended list of names which was highly respected by the Board. At the last meeting I indicated, in behalf of the Board, that the Board wished to have additional names to consider and accordingly the Board had requested the Search Committee to reconvene for this purpose. It is our understanding that the Search Committee was reconvened on February 10 and has subsequently met three times and is today in the process of deliberating.

At the February 10 meeting of the Committee which I convened because Mr. John G. Ketterer, its Chairman, was unable to be present and I thereupon designated Mr. Jacob E. Davis to act as Chairman of the Search Committee for that meeting. At the same meeting, I also designated Mr. Davis to serve as Vice Chairman of the Search Committee until today's meeting of the Board. At the meeting of the Committee on February 23, when Mr. Ketterer was still unable to be present and Mr. Davis was also unable to be present, the Search Committee organized itself and designated Dr. Margaret Mordy to serve as Chairman for that meeting. Accordingly, I shall ask the Board to ratify those three actions.

Now I also wish to mention that since the last meeting, Mr. Ketterer, has advised that for personal reasons he will no longer be able to serve on the Committee. Also since the last meeting, Mr. Jerome Friedman, a member of the Committee, for personal reasons, has submitted his resignation. I want to say that the Board is grateful to Mr. Ketterer for the many years of service to this University of which he is a most distinguished alumnus. We take notice of the service he has given to this University as a member of this Board, and of many University committees, including his most recent service as Chairman of the Presidential Search Committee.
Mr. Shocknessy's statement (continued)

Mr. Friedman was a representative of a constituency and he served it with distinction. Members of the Search Committee who served with him have spoken highly of his service.

On my own motion I shall now ask for the ratification of the appointment of Mr. Davis to serve as Chairman of the Search Committee for the meeting of February 10; the ratification of the three actions which I have just reported to you and which I took on behalf of the Board on February 10, 1972, and which the Committee took on February 23, 1972, as well as the acceptance of the resignation of Mr. Ketterer and of Mr. Jerome Friedman. The motion is seconded by Mr. Safford and the resolution adopted by unanimous roll call vote.

Now it is necessary that we have someone to assume the Chairmanship of the Search Committee to succeed Mr. Ketterer. Fortunately there are many members of that Committee eminently competent to serve in this capacity but because he has been so thoroughly involved in the business of the Committee and because of his special capacity as well as wisdom and diligence, it is hoped that Mr. Davis will serve as Chairman of the Search Committee. Accordingly I move his appointment as Chairman of the Committee and I accept Mr. Safford's second. The motion is adopted by unanimous roll call vote.

At this time I want to restate some considerations which have previously been discussed by this Board. We respect the membership of the Committee and its wisdom, and we expect to be guided by the Committee. It is not now nor has it ever been the intention of this Board unilaterally to seek a President to succeed our distinguished President, but rather it continues to be the desire of this Board to be guided by the choices of the Presidential Search Committee, in spite of the fact that we hear from time to time that the Board may unilaterally interview and consider other persons. The Board has not done that hitherto nor shall the Board do it hereafter so long as its task can be accomplished within the guidelines established by the Board through the Presidential Search Committee. The Presidential Search Committee is diligently at work and we have been assured that the Search Committee will be giving us some further recommendations in due course. We shall give these recommendations our fullest consideration, since it has always been our purpose to select a President from those recommended by the Search Committee. No limitations have been placed

upon the Search Committee. Further, we have heard from time to time that the Search Committee has been instructed not to consider a prospect from one or another possible source. That the Board has not done. The Board has approved the guidelines which the Search Committee established for itself and the Board is entirely satisfied with the conduct of the Search Committee. We have no doubt that the Search Committee will produce a President.

APPEARANCES

A. Mr. Jeffrey Yapalater

Mr. Jerome Friedman had requested time to speak but was unable to appear. Mr. Yapalater requested permission to speak in his place. Mr. Shocknessy assented. Mr. Yapalater then inquired as to the status of the proposal which Professor Julian Markels made at the February Board meeting for a second campus election to select a new President. Mr. Yapalater was informed by the Chairman that the Board was not entertaining the proposal favorably.

Mr. Yapalater then requested that the Community Union activities be housed in the University-owned house located at 206 East 16th Avenue. (This request was in effect denied in a subsequent action by the Board in which the decision was made to sell the house and use the funds in support of scholarships as set forth in the bequest through which the University received the property.)

B. Dr. William E. Hall

Mr. Shocknessy indicated that he had asked Dr. William E. Hall, Director of the School of Journalism, to be present for the meeting for the purpose of calling to his attention the importance of accuracy in the news published in the Lantern. He stated that following the February 4, 1972 meeting he was misquoted in a Lantern article which was subsequently followed by a Letter to the Editor in the Lantern which contained the same misinformation. The error was subsequently retracted and a correction published. Dr. Hall indicated that the Lantern is happy to correct errors which are called to the attention of the staff.

MINNESOTA INCIDENT

Mr. Shocknessy stated that he personally would hope there would be a re-examination of the structure of the Western Conference as a result of the January 25 basketball incident at the University of Minnesota.
President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Establishment of New Program Leading to Bachelor of Science in Natural Resources Degree

The Faculty Council on February 8, 1972, upon the recommendation of the Council on Academic Affairs, approved for transmittal to the Board of Trustees the request for a program leading to the Bachelor of Science in Natural Resources degree in the College of Agriculture and Home Economics, effective July 1, 1972.

The School of Natural Resources was established in 1968, developing out of a Natural Resources Institute and a previous interdepartmental conservation curriculum in the College of Agriculture and Home Economics. The School offers professionally oriented education programs leading to employment in the broad field of natural resources management with a primary objective of developing personnel qualified to perform in managerial, research, and educational roles in natural resources. The need for greater visibility is indicated by enrollment increases, student requests, and employment opportunities.

President Fawcett recommended that the program leading to a degree Bachelor of Science in Natural Resources be approved and that pursuant to Section 3333.04 of the Revised Code of Ohio that this recommendation be forwarded to the Ohio Board of Regents for approval.

Upon motion of Mr. Hilliker, seconded by Mr. Safford, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

B. Combining of the Department of Geology and the Department of Mineralogy Into a Department of Geology and Mineralogy

The Faculty Council on February 8, 1972, upon the recommendation of the Council on Academic Affairs, approved the merger of the Department of Mineralogy presently located in the College of Engineering and the Department of Geology which is a part of the College of Mathematics and Physical Sciences into the Department of Geology and Mineralogy, effective July 1, 1972.

The College of Mathematics and Physical Sciences and the Council on Academic Affairs accept the present curricula of the Department of Geology and the Department of Mineralogy for inclusion in the curriculum of the combined Department.

The new Department will continue to offer those courses, now given in the Department of Mineralogy, which are required or recommended in the undergraduate and graduate programs of other departments in the College of Engineering.
March 3, 1972 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

B. Combining of the Department of Geology and the Department of Mineralogy Into a Department of Geology and Mineralogy (continued)

President Fawcett recommended that the foregoing recommendation from the Faculty Council be approved.

Upon motion of Mr. Harrod, seconded by Mr. Hilliker, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

C. Honorary Degree

The Faculty Council on February 8, 1972 recommended that the honorary degree of Doctor of Humane Letters be conferred on Howard Hanson at an appropriate future Commencement mutually agreeable to the University and the recipient.

President Fawcett recommended that the Board of Trustees approve the awarding of the above-named degree as approved by the Faculty Council.

Upon motion of Mr. Dunlap, seconded by Mr. Safford, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

D. Degrees and Certificates Conferred--Winter Quarter Commencement

President Fawcett recommended that degrees and certificates be conferred at the Winter Quarter Commencement Convocation on March 17, 1972, to those students who have completed the requirements for their respective degrees and certificates and are recommended by the Faculty Council. The names of those awarded degrees and certificates will be included in the minutes of this meeting. (See Appendix VII, page 471.)

Upon motion of Mr. Harrod, seconded by Dr. Sirak, the Board of Trustees approved the above recommendation by unanimous voice vote.

E. The Faculty Club

The Faculty Club's Board of Control and the Administration of this University propose that $25,000 in non-appropriated funds be provided in order to compensate the Faculty Club against the $90,750 contributed by the Club to build the Faculty Assembly Building should that facility ever be put to any other use.

President Fawcett recommended that the Board of Trustees approve $25,000 from Account 152550, Equipment and Space Rental, to be made available to the Faculty Club subject to the foregoing agreement.

Upon motion of Mr. Safford, seconded by Mr. Harrod, the Board of Trustees approved the above recommendation by unanimous roll call vote.
March 3, 1972 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

F. Clarification of Fees for Part-Time Students

In order to clarify the action of the Board of Trustees on July 30, 1971, President Fawcett recommended that the fees for part-time students (those enrolled for six or fewer credit hours) or enrolled for one term of a Summer Quarter (with nine or fewer credit hours) shall be assessed at one-half of full fees. When fees are not evenly divisible, they shall be assessed to the next even amount.

Upon motion of Mr. Safford, seconded by Mr. Harrod, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote.

G. Revision in Policy for Establishment of "Named Chairs" and "Named Professorships" and Redesignation of These Programs as "Endowed Chairs" and "Endowed Professorships"

On January 14, 1965, the Board of Trustees approved the establishment of "Named Chairs" and "Named Professorships" and approved a description of these two new programs. This action was taken to encourage private giving for these faculty positions.

At their meeting on February 11, 1972, upon proper motion, the Board of Directors of The Ohio State University Development Fund recommended that the University redefine and update these programs by Board of Trustees' action, establishing the following new designations in order to encourage increased private support and to recognize the generosity of individual, corporate, and foundation support:

Endowed Chairs

Support in the amount of $600,000 or more will be recognized by establishment of a permanent Chair which will provide a living memorial to the donor and bear his name or an appropriate name of his designation. The fund will be invested in the University's endowment portfolio, and the income will be used to provide salary or program support for truly distinguished scholars in the academic field of the donor's interest.

Endowed Professorships

Support in the amount of $150,000 or more will be recognized by the establishment of a permanent Professorship which will provide a living memorial to the donor and bear his name or an appropriate name of his designation. The fund will be invested in the University's endowment portfolio and the income will be used to supplement the salary or provide program support for an outstanding member of the faculty in the donor's academic field of interest.

Designated Chairs and Professorships

Annual support of $30,000 or more will be recognized by designating a Chair for a specific term which will bear the name of the donor or an appropriate name of his designation. Similarly, annual support of $10,000 or more will

Designated Chairs and Professorships (continued)

be recognized by designating a Professorship bearing the donor's name or a name of his designation. The donor will ordinarily be expected to guarantee support for a minimum period of three years. Annual funds provided for a designated Chair or Professorship will be used to attract distinguished faculty and to provide salary or special program support in the academic area of a donor's interest.

Visiting Professorships

The University will establish a Visiting Professorship in any field for a period of one academic quarter or longer if the contributed support is sufficient to cover all of the costs for the Visiting Professor. It is also possible to establish a permanent Visiting Professorship by creating an endowed fund for this purpose or by pledging annual support sufficient to meet the full costs of the position. Visiting Professorships will bear the name of the donor or an appropriate name of his designation.

Named Funds for Academic Enrichment

The University will separately identify with the donor's name or an appropriate designation of his choice any contribution of $5,000 or more which is given for the purpose of providing support for faculty or programs in an academic area of the donor's interest or for general support in areas to be designated by the University.

Authority

The recommending authority, as well as the authority to make exceptions to the above regulations, shall be the Provost of the University.

President Fawcett recommended that the above definitions and policies for "Endowed Chairs," "Endowed Professorships," "Designated Chairs and Professorships," "Visiting Professorships," and "Named Funds for Academic Enrichment" be adopted and made effective this date but not to apply to prior legal documents or agreements made according to earlier established criteria.

Upon motion of Mr. Dunlap, seconded by Mr. Safford, the Board of Trustees approved the above recommendation by unanimous voice vote.

II. PERSONNEL CHANGES

Personnel changes since the February 4, 1972 meeting of the Board, as recorded in the official "Salary Roll" of the University, include the following Appointments, Changes in Title, and Emeritus Title:
II. PERSONNEL CHANGES (continued)

A. Appointments

Jules B. LaPides, Associate Dean for Research and Development, Graduate School, effective July 1, 1972, at a salary of $24,168.00 per annum.

C. Roger Smith, Professor and Chairman, Department of Veterinary Physiology and Pharmacology, effective April 1, 1972, at a salary of $30,012.00 per annum.

Paul G. Craig, Professor, College of Administrative Science - Public Administration, effective October 1, 1972, at a salary of $25,008.00 per annum.

Earl N. Metz, Associate Professor (Charles Austin Doan Chair of Medicine), Department of Medicine, effective immediately, at a salary of $26,928.00 per annum.

Jay Harold Stein, Associate Professor (part time - 80 per cent) (Gustav Hirsch Professorship of Medicine), Department of Medicine, effective immediately, at a salary of $20,040.00 per annum.

Edward A. Ferkany, Assistant Football Coach, Department of Athletics, effective February 15, 1972, at a salary of $15,648.00 per annum.

B. Changes in Title

Albert J. Kuhn from Acting Provost and Acting Vice President for Academic Affairs to Provost and Vice President for Academic Affairs, effective immediately.

Arliss L. Roaden from Vice Provost for Graduate Affairs and Dean of the Graduate School to Vice Provost for Research and Dean of the Graduate School, effective July 1, 1972.

C. Emeritus Title

Lawrence A. Best, Cooperative Extension Service, with the title Professor Emeritus, effective April 1, 1972.

President Fawcett recommended that the Appointments, Changes in Title, Emeritus Title, and personnel budget actions as recorded in the "Salary Roll" of the University be approved.

Upon motion of Mr. Dunlap, seconded by Mr. Hilliker, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote, and the Secretary was instructed to file these changes in the "Salary Roll," an official document of the University.

B. The Ohio State University Development Fund

1. $93,687.50 from the Estate of Florence Y. Mick, Columbus, Ohio, for the establishment of the Charles J. and Florence Y. Mick Memorial Fund.

Charles J. and Florence Y. Mick Memorial Fund

The Charles J. and Florence Y. Mick Memorial Fund was established March 3, 1972, by the Board of Trustees of The Ohio State University with a bequest through The Ohio State University Development Fund from Florence Y. Mick (Mrs. Charles J.), in memory of her husband and herself. Mr. and Mrs. Mick were residents of Columbus, Ohio. Mr. Mick earned the Bachelor of Science degree in Pharmacy in 1921; Mrs. Mick earned the Bachelor of Science degree in Home Economics in 1922. She was a retired supervisor from the University Registrar's Office.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used by the College of Medicine for cancer research. If the need for cancer research diminishes, or ceases to exist, so as to leave unused funds, then this bequest may be used in other areas of medical research closely allied or related to cancer. The principal may be invaded if necessary.

B. The Ohio State University Development Fund (continued)

13. The Robert M. Zollinger Student Scholarship Fund in Surgery (continued)

Fund from friends, colleagues, and former students of Robert M. Zollinger, B.Sc. '25, M.D. '27, a distinguished faculty member, Regents Professor, and Chairman of the Department of Surgery of The Ohio State University for 25 years.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used to provide a Robert M. Zollinger Scholarship Award to the outstanding senior student in surgery. The selection of the recipient is to be made upon the recommendation of the College of Medicine Scholarship Committee and the Chairman of the Department of Surgery.

Should the need for this scholarship cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees of the University, with preference being given to the recommendations of the appropriate administrative official of the University who is then directly responsible for surgical education.

C. Establishment of New Fund from Previously Reported Gift

Glenna R. Joyce Scholarship Fund

The Glenna R. Joyce Scholarship Fund was established March 3, 1972, by the Board of Trustees of The Ohio State University with a gift through The Ohio State University Development Fund from the Glenna R. Joyce Trust. Mrs. Joyce, who lived in Upper Arlington at the time of her decease in 1960, established the Trust through her Will.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

Both annual income and principal are to be used to provide annually a maximum of two scholarships to high school graduates attending The Ohio State University. Each scholarship is to be for four years of college at the University for the student and may be extended for three additional years if the student attends Graduate School. The scholarship students are to be selected by the University Scholarship Committee, upon the recommendation of the Trustees of the Glenna R. Joyce Trust.
On July 13, 1967, the Board of Trustees authorized the Vice President for Business and Finance (now the Vice President for Administrative Operations) to approve change orders which were necessary to expedite completion of construction projects. In accordance with this authorization all extra and credit orders to contracts which have been completed were reported:

A. Laboratory Animal Center

<table>

</tbody>
</table>

The changes on this project represent deviations from the original specifications resulting from favorable bids on the contracts so that it was possible to incorporate additional equipment within these contracts.

Funds for these changes have been provided by Budget Account 801021 (Laboratory Animal Facilities Center).

Upon motion of Mr. Hilliker, seconded by Mr. Gushman, the above extra and credit orders to contracts and expenditures of funds were approved and the action of the Vice President for Administrative Operations was ratified by unanimous roll call vote.

At the request of the Vice President for Administrative Operations, President Fawcett recommended that the plans and specifications, bills of materials, and estimates of cost for the following projects be approved by the Board of Trustees:

A. Brown Hall--Heating and Ventilating System Repair

This project will provide adequate heating and ventilating for this building.

Funds for this project have been provided from Budget Account 124358 (Contract Repair).

B. Physical Education Building--Roof Repairs-1972

This project involves the removal and replacement of the old roof, replacement of insulation, gutters, and downspouts.

Funds for this project have been provided from Budget Account 124358 (Contract Repair).
March 3, 1972 meeting, Board of Trustees

VI. PLANS AND SPECIFICATIONS (continued)

C. Undergraduate Library and Service Center (Joseph Sullivant Hall) - 13.2 KV Primary Distribution System Extension

This project will substantially increase the electrical load for this building. The existing primary service to the building has insufficient capacity for the additional load which will be required for renovation of this facility.

Funds for this project have been provided from Budget Account 801095 (Federal recoveries from various projects set aside for the Undergraduate Library).

Upon motion of Mr. Hilliker, seconded by Mr. Cushman, the above recommendations were approved by unanimous roll call vote and the Secretary was authorized and directed to sign the plans and specifications for the above projects for and on behalf of the Board of Trustees. Vice President Lachner was directed to proceed with a request for bids in the normal University manner and if satisfactory bids were received, to proceed with the award of contracts. All action regarding this matter will be reported to the Board of Trustees at a later meeting.

VII. REPORT OF AWARD OF CONTRACTS

A. Goss Laboratory--Renovation of Rooms 219, 219A, 231A, and 231B

It was requested by the Vice President for Administrative Operations that the Award of Contracts approved at the February 4, 1972 meeting for the Goss Laboratory--Renovation of Rooms 219, 219A, 231A, and 231B be rescinded. General Contract--Waller & Lund, Inc., $4,970; Plumbing Contract--Julian Speer Co., $9,960; Heating, Ventilating and Air Conditioning Contract--Julian Speer Co., $20,220; Electrical Contract--Electric Power & Equipment Co., $8,726. It has been learned that an application has been filed with the National Institutes of Health, National Cancer Institute, and may be approved which would enable the College of Veterinary Medicine to expand the original plans and specifications. This proposed action has the approval of the Department of Public Works, State of Ohio.

Upon motion of Mr. Gushman, seconded by Mr. Harrod, the Board of Trustees approved the above recommendation by unanimous roll call vote.

In accordance with authorization provided by the Board of Trustees, bids were taken on the projects listed below and the contracts were recommended for award. The action reported to the Board was as follows:

VII. REPORT OF AWARD OF CONTRACTS (continued)

D. Journalism Building Expansion (continued)

Upon motion of Mr. Hilliker, seconded by Mr. Gushman, the above award of contracts and expenditure of funds were approved and the action of the Vice President for Administrative Operations ratified by unanimous roll call vote.

VIII. RESOLUTIONS IN MEMORIAM

President Fawcett reported to the Board the deaths of Adrian C. DeBrosse, Instructor (County Extension Agent, Agriculture) Mercer County, Cooperative Extension Service; Samuel Joseph Sachs, Assistant Professor in the College of Dentistry; Eldon Bryson Sessions, Associate Professor Emeritus in the College of Education; and Daniel M. Shonting, Professor Emeritus in the College of Administrative Science—Academic Faculty of Accounting. In accordance with the instructions of the Board of Trustees, copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board will be furnished the families of the deceased.

A. Adrian C. DeBrosse

The Board of Trustees of The Ohio State University expresses its sorrow at the death on January 17, 1972, of Adrian C. DeBrosse, Instructor (County Extension Agent, Agriculture) Mercer County, Cooperative Extension Service.

Mr. DeBrosse was a native of Sidney, Ohio. He received his Bachelor of Science in Agriculture degree from The Ohio State University in 1950. He taught vocational agriculture in Delaware, Ohio, from 1950 to 1954 and in Mercer County from 1954 until he joined the Ohio Cooperative Extension Service faculty as Associate Agent in 1955. He had been County Agent, Agriculture, in Mercer County since 1958.

Mr. DeBrosse gave aggressive leadership to various extension programs in Mercer County, particularly the dairy, swine, and poultry programs. He was a leader in developing a registered dairy cattle show and sale and a graded feeder pig sale program in his area. He also worked closely with various community organizations in establishing small watershed projects, a land use planning committee, and other resource development programs.
VIII. RESOLUTIONS IN MEMORIAM (continued)

A. Adrian C. DeBrosse (continued)

On behalf of the University community, the Board of Trustees expresses to the family of Mr. DeBrosse its deep sympathy. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that a copy be tendered to the family as a sincere expression of the Board's realization of the loss which the family and the University have sustained.

B. Samuel Joseph Sachs

The Board of Trustees of The Ohio State University expresses its sorrow at the death on February 15, 1972, of Samuel Joseph Sachs, Assistant Professor in the College of Dentistry.

Professor Sachs was born in Newark, Ohio, on March 28, 1921. He was graduated from Newark High School in 1939. He received the Bachelor of Science in Education degree from Wittenberg College in 1943.

Professor Sachs served as a Lieutenant Junior Grade in the United States Navy from 1943 to 1946. In 1946, he entered the College of Dentistry of The Ohio State University and received the Doctor of Dental Surgery degree in 1950.

Following his graduation from the College of Dentistry he returned to the United States Navy where he served until his retirement in 1968 with the rank of Commander. During this period he served for two years as training officer at the U. S. Naval Dental Technician's School at Great Lakes, Illinois.

In 1968, Dr. Sachs became a member of the faculty of the College of Dentistry. He was a member of the Kiwanis Club, Psi Omega Fraternity, Columbus Dental Society, Ohio State Dental Association, and American Dental Association.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in the bereavement.

C. Eldon Bryson Sessions

The Board of Trustees of The Ohio State University expresses its sorrow at the death on February 15, 1972, of Eldon Bryson Sessions, Associate Professor Emeritus in the College of Education.

Dr. Sessions was born in Marion, Idaho, on September 28, 1896. He was graduated from Utah State University in 1923 with a Bachelor of Science degree in business. His Master of Science degree in educational administration was granted in 1934 by the University of Idaho. Three years later he received a Doctor of Philosophy degree from The Ohio State University.
March 3, 1972 meeting, Board of Trustees

VIII. RESOLUTIONS IN MEMORIAM (continued)

C. Eldon Bryson Sessions (continued)

Professor Sessions began his career in education as a teacher in 1923 near Marion, Idaho. From 1924 to 1935 he was Superintendent of Schools in Sugar City and Malad, Idaho. In 1937-38 he was a Visiting Professor at the University of Rochester and from 1938 to 1944 he was President of Carbon Junior College in Price, Utah.

In 1944 he started his career at The Ohio State University where he served until his retirement in 1967, except for thirty months as an Educational Consultant to the Department of Education in Guam in 1952-53 and Dean of the Territorial College of Guam from 1954 to 1956. At this institution his major contributions were Director of Educational Field Studies Training Programs for non-certified public school personnel, especially the annual School for Custodians which continued over two decades. He consulted at various times in nearby states.

Dr. Sessions was active in the Ohio and the International Associations of School Business Officials and in the Ohio Association of Public School Employees. He is regarded as the founder of these two associations. He was a member of the National Council on Schoolhouse Construction. He was a member of the Church of the Latter Day Saints.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

D. Daniel M. Shonting

The Board of Trustees expresses its sorrow at the death on February 2, 1972, of Daniel M. Shonting, Professor Emeritus in the College of Administrative Science - Academic Faculty of Accounting.

Professor Shonting was born in Lancaster, Ohio, on March 31, 1896. After serving in World War I, he attended Ohio State where he received the B.S. and M.A. degrees in 1921 and 1923 respectively. He became a Certified Public Accountant in 1940.

Mr. Shonting began his contribution to accounting education in 1924 as an Instructor, moved through the ranks to full Professor in 1958, and retired in 1966 after having given years of classroom experiences to accounting students at Ohio State. His students found him warm, energetic, interested, and fair.

In addition to his dedication to teaching, Professor Shonting's professional life included a private practice as a public accountant, service as Chief of the Division of Accounts and Control for Ohio's Department of Finance from 1929 to 1931, and a position as Treasurer of Capital University from 1932 to 1947. Professor Shonting was General Manager of Wartburg Press from 1940 to 1949, and has been a consultant to many firms.
March 3, 1972 meeting, Board of Trustees

VIII. RESOLUTIONS IN MEMORIAM (continued)

D. Daniel M. Shonting (continued)

An active, vibrant individual, he participated in numerous civic and professional organizations, among them are the Columbus Chamber of Commerce, American Legion, Big Brothers, and Last Man’s Club. He was past president of the Central Ohio Chapter of Systems and Procedures Association and former editor of the Ohio CPA. A member of the National Association of Cost Accountants, in 1956 he was chairman of the American Accounting Association's Committee on Government Accounting. He was a member of the Ohio Society of Certified Public Accountants, American Institute of Certified Public Accountants, Systems and Procedures Association, and Central Ohio and National Associations for Computing Machinery. He also held memberships in Beta Alpha Psi, national accounting fraternity; Beta Gamma Sigma, business administration honorary; Delta Sigma Phi and Alpha Kappa Psi, professional business fraternities.

Always a devoted church member, Professor Shonting was an elder in Christ Lutheran Church and past president of the Publishers Section of the International Council on Religious Education.

Professor Shonting was the author of numerous articles for professional and business journals and a contributing editor of The Accountants' Handbook. He was held in highest esteem by his colleagues who often included him as a contributor in the preface of their texts.

On behalf of The Ohio State University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family of Daniel M. Shonting as a humble expression of the Board's heartfelt sympathy in its bereavement.

Degrees Conferred at
THE OHIO STATE UNIVERSITY
COMMENCEMENT CONVOCATION

March 17, 1972
The Recipients of Honors:

AKILLU HABTE
Doctor of Humane Letters

Distinguished educational statesman who has demonstrated creative administration in the development of Ethiopian education and African affairs.

As president of Haile Sellassie I University, Akilu Habte has attained the zenith in a career of educational leadership. A 1954 graduate of the University College of Addis Ababa (now Haile Sellassie I University), he received his bachelor of education degree from the University of Manitoba in 1955 and the M.Ed. and Ph.D. degrees from The Ohio State University in 1956 and 1958 respectively.

Upon graduation from The Ohio State University, Akilu Habte returned to Ethiopia where he has been devoted to a multitude of educational enterprises. One of the lasting achievements of his most distinguished career has been a successful strengthening of the relationship between higher education and the realities of living in a mass rural population. To achieve this goal, Akilu Habte conceived and implemented a program designed to allow students to pursue career-related interests through actual work experience in remote areas of Ethiopia. In addition to performing essential service functions, the program involves the student in multi-disciplinary community development programs, contributing an important additional dimension to the student's scholarly endeavors.

For his sound philosophies and creative solutions to the practical application of education, the leadership of Akilu Habte has been acknowledged by colleagues from many lands. His professional acumen has been internationally recognized by his election as president of the Pan-African Congress, and more recently by his election as president of the International Congress of Africanists. His service on the executive committee of the United Nations Educational Scientific and Cultural Organization (UNESCO) and on this organization's International Scientific Committee for the Preparation of a General History of Africa, confirms the broad scope of his interests.

It is an honor for The Ohio State University to recognize Akilu Habte for his distinguished record of service to his profession, his nation, and to his fellow man.

HOWARD HANSON
Doctor of Humane Letters

Renowned composer, conductor, and educator who has established himself as a paragon in the musical field.

Creativity and humanity, undergirded by leadership and administrative abilities, have brought Howard Hanson to an unparalleled position of leadership in the world of music. His over one hundred compositions have won him more than thirty prizes and special awards, including a Pulitzer Prize in 1944.

A graduate of Northwestern University, he served on the faculty at the College of the Pacific for three years before being appointed Dean of the Conservatory of Fine Arts at that institution. In 1924 he was appointed Director of the Eastman School of Music and remained in that position until his retirement in 1954. During his long tenure at the school, Eastman became one of the finest institutions of its kind in the world. The high standards maintained there under Dr. Hanson's direction were of major import in raising the level of music instruction throughout the country.

As one of the founders of the National Association of Schools of Music, the only accrediting agency for music in higher education, Dr. Hanson did even more to raise and maintain high standards in musical education. He has served as president of that organization as well as presiding over the Music Teachers' National Association and the National Music Council. In 1935 he was elected a member of the National Institute of Arts and Letters and in 1938, a Fellow of the Royal Academy of Music in Sweden.

Dr. Hanson's textbook, "The Harmonic Materials of Modern Music," is widely recognized as a definitive study on musical composition from 1900 to 1950, and is used as the standard text for this subject in many schools. He has had numerous articles published in national magazines and journals and is Editor-in-Chief of the twelve-volume "New Scribner Music Library."

It is with great pride that The Ohio State University recognizes this outstanding musician and educator for his contributions to all facets of the musical realm.
STARKE R. HATHAWAY
Doctor of Humane Letters

Noted educator and scientist whose many and important contributions to mental health are of uncommon distinction.

A man who is both creative and practical in his diverse contributions to theory, research, and practice, Starke R. Hathaway has had a major impact on mental health movements in this country and throughout the world. He was a pioneer in the development of clinical psychology as a profession and established one of the earliest doctoral programs in that area. A leader in the effort to attain legal recognition of psychology, Dr. Hathaway was successful in urging the passage of certification legislation in Minnesota. A forerunner in the fields of criminology, neurophysiology, and psychophysiology, he invented and patented one of the first reliable lie detector devices. Dr. Hathaway authored an early classic text in physiological psychology, conducted some of the first electro-encephalographic research in this country, and developed one of the earliest and still most widely used objective devices for personality assessment. The author of some eighty published books and scientific articles, Dr. Hathaway is a member of Sigma Xi, Phi Beta Kappa, and the National Research Council.

A native of Ohio, Starke Hathaway is a 1927 graduate of Ohio University and received a master's degree in psychology and statistics from The Ohio State University. His education was continued at the University of Minnesota where he received the Ph.D. degree in Psychology and Anatomy in 1933.

His teaching career began at Ohio University and continued for forty years as a faculty member at the University of Minnesota. During that time, he served as professor and director of the Division of Clinical Psychology and executive officer of the Department of Psychiatry and Neurology in the School of Medicine.

In recognition of his outstanding contributions to the advancement of his profession, The Ohio State University is privileged to confer upon this distinguished alumnus the honorary degree. Doctor of Humane Letters

JOHN A. MAURER
Doctor of Science

Pioneer in motion picture engineering and lifelong advocate of photography and cinema as a force in American science, education, and culture.

John A. Maurer, Senior Vice President of Optronics Technology, Inc. of New York City, personifies the goal of his profession, the combination of scientific knowledge and humanitarian purpose. His philosophy, inventions, and work have been consistently and effectively directed to the realization of Thomas A. Edison's "glowing dreams about what the camera could be made to do and ought to do in teaching the world the things it needs to know—teaching it in a more vivid and direct way."

Mr. Maurer holds sixty United States patents, most of which are in the fields of sound recording, camera design, and chemistry. He recently developed an innovative 8mm sound and image system, and his brilliant pioneering in 16mm optical sound helped make this form the standard for nontheatrical, educational, and scientific films throughout the world.

A native of Massillon, Ohio, John Maurer attended Western Reserve University receiving the A.B. degree, Summa Cum Laude, in 1928, and the M.Sc. degree in 1929. He joined the Research Department of the Radio Corporation of America in 1929, organized the J. A. Maurer Company in 1940, and earned citations for his work during World War II for the Office of Scientific Research and Development. Through lecture, demonstration, and publication he instigated film production and instructional programs in many universities and colleges, including The Ohio State University, during the period of 1940-1960.

A charter member of the Acoustical Society of America, Mr. Maurer is a Fellow of the Society of Motion Pictures and Television Engineers, and a former Vice President of the Society of Photographic Scientists and Engineers. In recognition of John A. Maurer's vital contributions to the media of communication, The Ohio State University is proud to confer upon him the honorary degree, Doctor of Science.
ELLIOdecode the restT LEE RICHARDSON

Doctor of Laws

Pre-eminent attorney and administrator whose exemplary record is testimony of personal commitment to honorable and intelligent public service.

Elliot L. Richardson, Secretary of Health, Education, and Welfare, has had a long and distinguished career in a broad spectrum of governmental affairs. During the Eisenhower years, he was appointed Assistant Secretary for Legislation in the Department of Health, Education, and Welfare and was a stalwart advocate of measures to curb juvenile delinquency, improve social security benefits, and elevate standards of public health. These efforts were furthered through his service as Lieutenant Governor of the Commonwealth of Massachusetts and later as Attorney General of that State. His investigation of unfair trade practices and consumer fraud through the establishment of the Nation's first State-level Organized Crime Section was a hallmark of his untiring effort to revamp the criminal justice system in Massachusetts.

Returning to the Nation's Capital in 1969, Elliot Richardson assumed the position of Under Secretary of State. In this role, he served as Chairman of the Under Secretaries Committee of the National Security Council and Chairman of the Board of the Foreign Service.

A 1947 graduate of Harvard Law School, Elliot Richardson has long maintained an active interest in a wide range of professional, educational, and service organizations. In addition to his official responsibilities, Secretary Richardson has served as a member of the Board of Overseers of Harvard College and the World Affairs Council. He is currently a member of the Council on Foreign Relations, a Fellow of the American Academy of Arts and Sciences, and a Fellow of the American Bar Association. He also serves on the Board of Governors of the American National Red Cross.

It is a great honor for The Ohio State University to recognize Elliot L. Richardson for his continued efforts to meet the problems of change with progressive and effective solutions.

EDMUND MAUTE SPIEKER

Doctor of Science

An inspirational teacher and scholar whose work has had a profound influence on geological research and exploration.

A member of The Ohio State University faculty since 1924, Edmund Maute Spieker has achieved great distinction as one of the Nation's foremost geologists. Chairman of The Ohio State University Department of Geology from 1944 to 1962, Dr. Spieker received the bachelor of arts and doctorate degrees from Johns Hopkins University. He is the founder of The Ohio State University Field Geology Station in Utah, and is recognized as a world authority on the structure and stratigraphy of the transition zone between the Colorado Plateau and the Great Basin in Utah.

Prior to assuming his teaching responsibilities, Dr. Spieker was employed as a geologist for Imperial Oil, Ltd. and the government of British Columbia. He was a member of the United States Geological Survey from 1917 to 1965 and has served as Director of The Ohio State University National Science Foundation Summer Institute in Geology and the Nature of Science from 1962 to the present.

The extensive bibliography of Dr. Spieker contains more than thirty publications, many of them being important initial contributions on subjects that form the basis of modern geology. Two of his most significant papers, "Late Mesozoic and Early Cenozoic History of Central Utah" and "Mountain Building Chronology and Nature of Geologic Time Scale," concern the geologic time scale as it relates to the role of mountain building and the manner in which sediments reflect this process.

Dr. Spieker has been actively involved in a number of professional organizations including the American Association for the Advancement of Science, the Geological Society of America, and the Ohio Academy of Science, which he has served as president.

The Ohio State University is honored to recognize this distinguished faculty member for his contributions, not only to the teaching profession, but to the advancement of geological science as well.

The Board of Trustees met at its regular monthly meeting on Friday, April 7, 1972, at The Ohio State University Center for Tomorrow, Columbus, Ohio, pursuant to adjournment.

Minutes of the last meeting were approved.
April 7, 1972 meeting, Board of Trustees

REPORT BY CHAIRMAN

A. Nomination and Election of Dr. Harold L. Enarson, Ninth President of The Ohio State University

Mr. Shocknessy made the following statement and recommendation:

My report today will envision a decision to be made by this Board which it will undertake to make after having given the fullest of thought to the decision. Today this Board may make a decision which is the most important decision it has thus far been called upon to make and which may be the most important decision that it will ever be called upon to make. The importance of the decision invests the occasion with a certain solemnity Board meetings don't often have. Today is 'the day' I hope. Today is 'the day' of decision, I hope. Today is 'the day' when I hope the decision we make will have not merely importance today but it will have significance down the years of the future--significance to all of us here--significance to the whole State, as well as to the University which is represented by those of us who are here and significance to higher education in our country.

For more than a year we have been as a Board seeking a President for The Ohio State University to succeed the distinguished man at my right who has served this University so selflessly, so ably, and so well for 16 years. The Board has been assisted in its efforts by a Search Committee--a Committee which has another title but which we have come to know familiarly as the Search Committee. The Search Committee structure was suggested by President Fawcett. The Search Committee structure was created by this Board. President Fawcett in his whole administration has rarely done anything for this Board better than his recommendation for the structuring of the Search Committee. President Fawcett's recommendation of the structure envisioned representation on the Search Committee of every constituency of the University. The Search Committee was convened first under the Chairmanship of the immediate past Chairman of this Board, The Honorable John G. Ketterer. The Search Committee persevered over the period from then till today. The Search Committee has never wavered, has never faltered. The Search Committee has given unstintingly of its efforts, of its talents, and we are grateful for all the Search Committee has accomplished, for all the benefits that we as a Board and the University have derived from the efforts and labors of the Search Committee. The Search Committee over the months interviewed and otherwise examined the credentials of many prospects for the Presidency of this University. This Board has examined the credentials, this Board has conferred with many worthy prospects for the Presidency of this University. This Board has not until today offered the Presidency to any prospect. It has been rumored often that this or that prospect had been offered the position. This
Board never has and never would shop around for the office of the Presidency of this great University. This Board determined that it would not make an offer until it was assured in its collective mind that the person to whom it would make an offer would be able to accept the Presidency as well as to fulfill its manifold responsibility. The Search Committee rather recently presented us with several names. All the persons then named were interviewed, save one of that group, by a majority of this Board. That one who was not interviewed had asked that his name be withdrawn before the interviews were undertaken. I think it is to the everlasting glory of everybody who has had anything to do with the processes which have been applied over the recent past months that the confidentiality of the processes has been maintained.

And now I am ready to state that the several members of this Board here present today authorized me only just before this meeting to say that the Presidency of The Ohio State University will be offered at this meeting to Dr. Harold L. Enarson, the President of Cleveland State University. Dr. Enarson was born in Villisca, Iowa. He has three children and a wife; the wife is Audrey and she has been interviewed also by a majority of our Board. Dr. Enarson has an A.B. from the University of New Mexico, which was awarded in 1940; he has a M.A. from Stanford University, which was awarded in 1946; he has a Ph.D. from American University which was awarded in 1951. He has been the President of Cleveland State University since 1966. From 1961 to 1966 he was the Academic Vice President at the University of New Mexico; in 1960-1961 he was Administrative Vice President at the University of New Mexico; from 1954 to 1960 he was Director of Western Interstate Commission on Higher Education; in 1953-1954 he was Executive Secretary to the Mayor of Philadelphia; in 1953 he was Assistant Director of Commerce for the City of Philadelphia; from 1950 to 1952 he was Special Assistant, Office of the Assistant to the President in the White House; in 1949-1950 he was an Assistant Professor at Stanford University; from 1946 to 1949 he was Assistant Professor at Whittier College; from 1943 to 1946 he was in the United States Infantry; in 1942-1943 he was Budget Examiner, Bureau of Budgets in Washington.

Dr. Harold Enarson has distinguished himself as a teacher, researcher, and practitioner in the field of Political Science. He has been recognized throughout by his academic appointments and by virtue of government service at the national,
Mr. Shocknessy's statement (continued)

regional, state, and local levels. Dr. Enarson's advisory relationships include service in the National and International arenas and they have included assistance to such diverse fields and agencies as the National League of Nursing, United States Department of Agriculture, the Agency for International Development, the Commission on International Education, the American Council on Education, the Ford Foundation, and the Carnegie Corporation. Cleveland State University has come into being under his leadership during turbulent times in the history of American higher education. President Enarson has guided this institution well during its initial six years by taking an active part in the recruitment and development of a staff from the department level to personnel engaged in central administration tasks. As able faculty and administrators have joined the institution, Dr. Enarson has delegated responsibility and worked with the staff in such a way that he has earned a very deep loyalty and respect from those with whom he has been associated. Persons close to Cleveland State University describe Harold Enarson as a warm, humanistically oriented administrator who has been able to work effectively with a strong governing board. Dr. Enarson has enjoyed excellent relationships with students.

In addition to performance in the Presidential role of a rapidly growing urban University, Dr. Enarson has had a diversity of academic service in a variety of public and private institutions. Initial professional experience at Whittier College and at Stanford University has prepared him well for future responsibility at a large State University, New Mexico where he served successively in the roles of Administrative and Academic Vice President and at Cleveland State University.

Those who have followed Dr. Enarson's career over a period of years are quick to identify the extremely supportive role which Audrey Enarson has played. They describe her as tireless and innovative and they state as First Lady of this University she will be a great First Lady, worthy of following in the footsteps of the great First Lady we have had the past 16 years. We believe that Dr. Harold L. Enarson presents an excellent record as a university administrator; a record solidly built upon achievement, as well as strong student and faculty support. We further believe that Dr. Enarson if chosen by this Board today will be an outstanding President of The Ohio State University. We feel that he has exciting vision of the big mission for an institution such as Ohio State and that he is as worthy a man as could be found to follow the worthy man whom he would be following.
April 7, 1972 meeting, Board of Trustees

REPORT BY CHAIRMAN (continued)

A. Nomination and Election of Dr. Harold L. Enarson, Ninth President of The Ohio State University (continued)

Mr. Shocknessy presented the following motion:

And accordingly, in accordance with law and the By-Laws of the Board of Trustees of The Ohio State University, I move the appointment and election of Dr. Harold L. Enarson to the Presidency of The Ohio State University, being the ninth in order of succession, effective September 1, 1972, at a salary of $50,000 per annum, and with all allowances, rights, privileges, perquisites, duties, and responsibilities of the office and subject to such other arrangements and adjustments from time to time as may be mutually agreed upon and in accordance with an oath of office to be taken upon his entrance upon duty. That is my motion.

Dr. Sirak has asked to be recognized as the first second but I believe all members of the Board who are present also will want to second the nomination incorporated in my motion. I have been advised Mr. Eckley, were he here, that he would offer to second the nomination of Dr. Enarson whom he knows well in Cleveland and I have been advised by Mr. Dunlap that he has been advised by Mr. Harrod that were he here he would offer a second. Accordingly, I shall consider formally as a second Dr. Sirak, who requested to make the second, and I shall formally recognize also as seconds all members of the Board who are present and informally the two members who are not present. Will the Secretary call the roll, please.

(All members present have voted in favor of the motion and I now declare the motion passed and Dr. Harold L. Enarson the next President of The Ohio State University. (Applause from Search Committee section.) And nobody is more entitled to applaud than those who applauded from the first rows on my left.)

Mr. Shocknessy continued with the following statement:

And now, I want to thank President Fawcett in behalf of the Board of Trustees for the structuring plan which was followed in creating the Search Committee which as I said before was composed of representatives of every constituency of the University. I want to thank the Search Committee for its monumental labors and for the enormously satisfactory result which

has been achieved. The Search Committee, having completed its mission as envisioned, may now be dissolved with our expressions of gratitude which will be formalized by letter or scroll to be arranged for by the Secretary of this Board for each member who served on the Committee, including the first Chairman, The Honorable John G. Ketterer, who gave many months to the office, and the representative of the Student Government who retired from the Committee early this year, Mr. Jerome Friedman, and the widow of Dr. Grant O. Graves who served on the Committee until his untimely death. The files and records of the Search Committee will be incorporated appropriately in the files of the Board of Trustees of this University so that the next Board which is required to choose a President may have available all necessary precedents. I shall make available also the file of correspondence and such other information as has come into my possession as Chairman of the Board of Trustees. We extend our expressions of gratitude to the media of communications all of which have worked to keep the public informed of the deliberations and the efforts of the Search Committee and the Board.

President Fawcett has advised this Board that he will give unstintingly of his efforts to assist the President-elect, Dr. Enarson, to enter upon his duties and assume his responsibilities with all ease. Knowing President Fawcett and the benevolence with which every act of his is taken, we know as members of this Board and as part of this University that the transition will be effected with efficiency and great goodwill. On behalf of the Board I urge that all of us join together to support the new administration. This Board will give every ounce of its ability to support the new administration which will assume office in September and we know that the administration of President Fawcett will do just as President Fawcett promised. With that I conclude our statement with respect to the election of the President.

Dr. Moulton, as Secretary of the Board, you will proceed to make effective the action which will be required and one of us, you or I, will advise Dr. Enarson, after this meeting, of his election. Dr. Enarson indicated his willingness to accept the position if it were tendered and he and I together talked to the Chairman of the Board of Cleveland State University so that our good relations with Cleveland State would be maintained in this period when the President of Cleveland State will be preparing to come to The Ohio State University. I advised the Chairman of the Board of Cleveland State University that our Board and

our University would do everything within our ability and the ability of the University to cooperate with Cleveland State in this period. And I told the Chairman further that if there were any suggestions which would be helpful from our efforts in seeking a President that Cleveland State would be welcome to whatever we have.

Mr. Shocknessy asked President Fawcett if he would like to respond.

President Fawcett responded as follows:

Mr. Chairman and members of the Board, a year ago in March when you convened for the purpose of acting favorably upon my request to retire from the Presidency of this University on September 1, 1972, you requested me to bring forth for your consideration and approval, modification, or rejection an appropriate search procedure for the selection of my successor. I did, you approved it and the procedure is now completed. That procedure was somewhat unique as you have indicated, Mr. Chairman, in that there were more constituencies of the University represented in it than have marked the procedures used in a good many other universities. So I want first of all to express my gratification for the manner in which the people who labored long and well performed their services. I am highly pleased that the procedure appears to have worked. I want also to extend my congratulations to Dr. Enarson and to reaffirm what you said concerning my willingness to assist him in every possible way in his preparation to assume responsibilities of this University the first of September. And finally, I want to commend this Board for what I think is the very effective manner in which it has worked with all people concerned as well as the wisdom of your decision.

Mr. Shocknessy responded:

Be sure that Mrs. Fawcett knows that we included her in our remarks today. In our discussion with Dr. Enarson, we told him that he would be coming to a University that has a firm and stable structure, that we are proud of our administration which has or will have preceded him.

President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATION

A. Revision of Rules 29.2715 and 29.2729 of Rules for the University Faculty

The Faculty Council on March 15, 1972, approved changes in Rule 29.2715 and Rule 29.2729 of Rules for the University Faculty. (See Appendix VIII, page 537.)

1. In Rule 29.2715 the membership of the Council on Admissions and Registrations is revised to include five student members.

2. In Rule 29.2729 the membership eligibility within the graduate category on the Committee on Academic Freedom and Responsibility is revised so as to include Research and Administrative Associates as well as Teaching Associates.

President Fawcett recommended that the foregoing changes in the Rules for the University Faculty as approved by the Faculty Council be adopted.

Upon motion of Mr. Hilliker, seconded by Mr. Safford, the Board of Trustees approved the foregoing recommendation by unanimous voice vote, and the Secretary of the Board of Trustees was further instructed and given authority to make the changes in the Rules for the University Faculty in the next printing.

II. PERSONNEL CHANGES

Personnel changes since the March 3, 1972 meeting of the Board, as recorded in the official "Salary Roll" of the University, include the following Promotions, Appointments, and Leaves of Absence Without Salary:

A. Promotions

Colin B. B. Bull from Professor and Chairman of the Department of Geology to Dean of the College of Mathematics and Physical Sciences, effective July 1, 1972, at a salary of $32,088.00 per annum. Dr. Bull will hold an academic appointment as Professor in the Department of Geology.

Erika E. Bourguignon from Professor in the Department of Anthropology to Professor and Chairman of the Department of Anthropology, effective July 1, 1972, at a salary of $22,932.00 per annum.
II. PERSONNEL CHANGES (continued)

A. Promotions (continued)

William H. Havener from Professor in the Department of Ophthalmology to Professor and Chairman of the Department of Ophthalmology, effective July 1, 1972, at a salary of $24,048.00 per annum.

B. Appointments

David H. Smith, Associate Dean, College of Social and Behavioral Sciences, effective July 1, 1972, at a salary of $23,088.00 per annum.

Edward J. Kane, Professor (Everett D. Reese Chair of Banking and Monetary Economics), Department of Economics and Academic Faculty of Finance, effective July 1, 1972, at a salary of $30,168.00 per annum.

C. Leaves of Absence Without Salary

Raymond A. Bailey, Professor, Department of Agricultural Economics and Rural Sociology, effective April 1, 1972 through June 30, 1972, to participate in the appraisal of a Livestock Development Loan in Ireland.

Byron L. Bondurant, Professor, Department of Agricultural Engineering, effective February 14, 1972 through May 14, 1972, to contribute as short-term consultant to the Ford/OSU (Department of Agricultural Engineering) cooperative contract in India.

President Fawcett recommended that the Promotions, Appointments, Leaves of Absence Without Salary, and personnel budget actions as recorded in the "Salary Roll" of the University be approved.

Upon motion of Mr. Dunlap, seconded by Mr. Gushman, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote, and the Secretary was instructed to file these changes in the "Salary Roll," an official document of the University.

14. $1,238.32 from the family and friends of William Allan Kilpatrick for the establishment of the William Allan Kilpatrick Outstanding Student Award.

William Allan Kilpatrick Outstanding Student Award

The William Allan Kilpatrick Outstanding Student Award was established April 7, 1972, by the Board of Trustees of The Ohio State University with gifts through The Ohio State University Development Fund from the family and friends of the late William Allan Kilpatrick, former student at the Newark Campus.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of the University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used to provide a monetary award to an outstanding sophomore student enrolled at the Newark Campus. The award is to be made by the Director of the Newark Campus, upon the recommendation of a special committee appointed from the Newark Campus faculty and the Newark Campus students.

Should the need for this award cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever, as determined by the Board of Trustees, with preference being given to the recommendations of the Director of the Newark Campus.

15. $1,195.48 from John D. Drisko, Cleveland, Ohio, for the establishment of the Homer M. Edwards Memorial Fund.

Homer M. Edwards Memorial Fund

IV. GRANTS AND GIFTS

B. The Ohio State University Development Fund (continued)

15. Homer M. Edwards Memorial Fund (continued)

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of the University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used for the benefit of the College of Law, as determined by the Dean of said College.

Should the College cease to exist, through any reorganization of the University, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to the recommendations of the appropriate administrative official of the University who is then directly responsible for legal education.

C. Gift-in-Kind

1. A Charolais Bull from Ralph R. Baldanhofer, Springfield, Ohio, to the College of Agriculture and Home Economics, Department of Animal Science.

D. Acceptance of Property - 463 King Avenue, Columbus, Ohio

President Fawcett recommended the acceptance of a gift of property located at 463 King Avenue, Columbus, Ohio, from Mrs. Florence Woelfel, 3440 Olentangy River Road, Columbus. The property is bounded and described as follows:

Being Lot Number Forty-seven (47) of Dennison Park Addition, to the said City of Columbus, Ohio, as the same is numbered and delineated upon the recorded plat thereof, of record in Plat Book No. 4, page 106, Recorder's Office, Franklin County, Ohio, EXCEPTING a strip of land forty (40) feet in width off of the entire South end of said Lot No. 47.

ALSO all right of way for sewer, gas and electric service across the strip of land Forty (40) feet in width off of the South end of said Lot No. 47, reserved to Lulu M. Kiehl and E. R. Kiehl in the deed from said Lulu M. Kiehl and E. R. Kiehl, her husband, to Irene Harshman, dated April 15, 1922, and recorded in Deed Book 717, page 75, Recorder's Office, Franklin County, Ohio.

Title acquired by deed recorded in Deed Book 1234, page 494, and certificate of transfer recorded in Deed Book 2824, page 346, Recorder's Office, Franklin County, Ohio.
April 7, 1972 meeting, Board of Trustees

IV. GRANTS AND GIFTS (continued)

D. Acceptance of Property - 463 King Avenue, Columbus, Ohio (continued)

Mrs. Woelfel has requested that the income from the rental of the property or the proceeds from the sale of the property be used by the University to support cancer research in the College of Veterinary Medicine and that the gift be accepted in memory of her husband, Norman W. Woelfel. Mrs. Woelfel has given written permission to sell the property. If sold, the proceeds are to be placed in the permanent endowment fund, in memory of her husband, and the annual income is to be used for cancer research in the College of Veterinary Medicine.

Upon motion of Mr. Safford, seconded by Mr. Hilliker, the Board of Trustees approved the acceptance of the property located at 463 King Avenue, by unanimous voice vote.

V. EXTRA AND CREDIT ORDERS TO CONTRACTS

On July 13, 1967, the Board of Trustees authorized the Vice President for Business and Finance (now the Vice President for Administrative Operations) to approve change orders which were necessary to expedite completion of construction projects. In accordance with this authorization all extra and credit orders to contracts which have been completed were reported:

A. Medical Basic Science Building

Due to changes in the original plans to include construction of an underground tunnel connection for the Medical Center area, interior program changes were necessary to meet necessary requirements. These changes included the extension of a stairwell and elevator to the tunnel level. Deviations in the program required revisions in the projection booth and television studios and their environmental controls.

Funds for these changes have been provided by Budget Account 801115, Item 315-043, HB 292, HB 886, and HB 928.

V. EXTRA AND CREDIT ORDERS TO CONTRACTS (continued)

B. University Hospital - Remodel Intensive Care - Recovery Rooms (continued)

Extensive revisions to ceilings, walls and soffits were made necessary by existing building conditions revealed during demolition and to facilitate, coordinate, and accommodate the resultant changes.

Funds for these changes have been provided by Budget Account 801150.

Upon motion of Mr. Hilliker, seconded by Mr. Safford, the above extra and credit orders to contracts and expenditures of funds were approved and the action of the Vice President for Administrative Operations was ratified by unanimous roll call vote.

VI. REPORT OF AWARD OF CONTRACTS

In accordance with authorization provided by the Board of Trustees, bids were taken on the projects listed below and the contracts were recommended for award. The action reported to the Board was as follows:

A. Completion of Third Floor - Center for Tomorrow

VII. CONTROLLING BOARD REQUEST

Each numbered request shown below accomplishes the following purpose:

12 Approves the award of contracts for the General and Heating, Ventilating, Air Conditioning Contracts on the project, "Journalism Building Expansion" notwithstanding the fact that the low bids were over the estimate of cost and the release of $2,840,000 from Item 315-064, HB 989, to provide funds for construction, equipment, and contingencies to complete the project.
April 7, 1972 meeting, Board of Trustees

VIII. MISCELLANEOUS FROM OFFICE OF ADMINISTRATIVE OPERATIONS

A. Mansfield Campus - Lexington-Springmill Road (Easement)

The City of Mansfield has requested permission to widen and improve the Lexington-Springmill Road on lands adjacent to the Mansfield Campus of The Ohio State University, and the City of Mansfield will provide a future entryway from the Lexington-Springmill Road to the Mansfield Campus.

The improvement and the widening to four lanes of the Lexington-Springmill Road between SR 39 and US 30 would permit an improved traffic flow along the west boundary of the Mansfield Campus.

It was recommended that the President and/or Vice President for Administrative Operations be authorized to act on behalf of the University to enter into an agreement between the City of Mansfield and The Ohio State University to permit entry on said lands to commence the improvements and to develop the necessary easements to provide the conveyance of the land required for the widening and improvement to the Lexington-Springmill Road.

Upon motion of Mr. Hilliker, seconded by Mr. Safford, the above recommendation was approved by unanimous roll call vote.

IX. RESOLUTIONS IN MEMORIAM

President Fawcett reported to the Board the deaths of Paul J. Bogatay, Professor Emeritus in the College of The Arts - Division of Art; Grant Ostrander Graves, Professor and Chairman of the Department of Anatomy; John Harrington Mitchell, Professor in the Department of Medicine; and Eric Ogden, Professor Emeritus in the Department of Physiology. In accordance with the instructions of the Board of Trustees, copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board will be furnished the families of the deceased.

A. Paul J. Bogatay

The Board of Trustees of The Ohio State University expresses its sorrow at the death on February 17, 1972, of Paul J. Bogatay, Professor Emeritus in the College of The Arts - Division of Art.

Professor Bogatay was born in Ava, Ohio, on July 5, 1905. He was graduated from the Cleveland School of Art in 1928.

Professor Bogatay was awarded the Tiffany Foundation Scholarship in the summers of 1928, 1929, and 1930. In 1933, he received a Rockefeller Foundation Research Scholarship in the Department of Fine Arts at The Ohio State University where he served as a Ceramic Designer for numerous potteries in Ohio and the Fostoria Glass Company in West Virginia. He joined The Ohio State University faculty in 1934, and taught courses in design, pottery design, mold-making, and ceramic sculpture.
April 7, 1972 meeting, Board of Trustees

IX. RESOLUTIONS IN MEMORIAM (continued)

A. Paul J. Bogatay (continued)

Professor Bogatay was the recipient of eight national awards in ceramic sculpture and pottery. He also received fourteen regional and local awards in sculpture and pottery. In 1954, he was awarded the Charles Fergus Binns medal for meritorious contribution and in 1955-1956, he received the Fulbright award for research in Japan.

Professor Bogatay was the author of numerous articles for art periodicals. Three of these were published in The Journal for the American Ceramic Society. As a member and chairman of this society, he contributed to the broadening of interest of the group and its concept of social responsibility.

Professor Bogatay's major contribution has been as an exhibitor of pottery and ceramic sculpture. His work has been exhibited in the United States, Canada, Norway, Sweden, Denmark, England, and Japan. His work is represented in numerous public and private collections.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

B. Grant Ostrander Graves, M. D.

The Board of Trustees of The Ohio State University expresses its sorrow at the death on February 7, 1972, of Grant Ostrander Graves, M. D., Professor and Chairman of the Department of Anatomy.

Dr. Graves was born in Columbus, Ohio, on January 21, 1905, the son of Harry D. and Kathleen Ostrander Graves. He received his elementary and secondary education in the public schools of Columbus. He earned his Bachelor of Arts degree from The Ohio State University in 1926. The following year he served as a Field Executive with the Boy Scouts of America. He returned to The Ohio State University in 1927 to complete the prerequisites for admission to Medical College and to pursue a graduate degree in Anatomy. He received his Master of Arts degree in Anatomy in 1929 and his Doctor of Medicine degree in 1932, both from The Ohio State University. Following a year's internship at Duke University, Dr. Graves returned as a resident in medicine. He was appointed Instructor in Human Anatomy in 1935 and served in this capacity until 1937 when he was promoted to Assistant Professor. In 1940, while teaching in the Department of Anatomy, he established a private practice of internal medicine and married his former student, Dr. Helen M. Pierson. He became Associate Professor of Anatomy in 1944 and in 1948 received joint appointments as Assistant Professor in both the Departments of Medicine and Radiology. He continued to serve in these departments, as well as in Anatomy throughout his life. He was promoted to Professor of Anatomy in 1959 and when the Chairmanship of that Department was vacated in 1961, he was asked to serve as Acting Chairman. He was appointed Chairman of the Department of Anatomy in 1962.

IX. RESOLUTIONS IN MEMORIAM (continued)

B. Grant Ostrander Graves, M.D. (continued)

Dr. Graves received many honors. He was a member of several professional organizations and served on numerous College and University Committees. He was a Diplomat of the American Board of Internal Medicine and a life member of the American College of Physicians. He was selected Man of the Year by the Medical School Class of 1949. He was elected President of the Columbus Academy of Medicine in 1952, the Medical College Alumni Association in 1968, and the Midwest Anatomists Association in 1968. He was a member of the American Association of Anatomists and A.0.A. The most notable of the College Committees on which he served were the Executive and Curriculum Committees. While on the Curriculum Committee and as its chairman, he was instrumental in the design and implementation of the three-year curriculum which began in July of 1970. He served as a member of the University Faculty Council, the Faculty Advisory Committee to the President and the Board of Trustees, and the Presidential Search Committee.

Dr. Graves was a man of vision and accomplishment. He published many papers. He authored three books. He led an active, well-organized department. He was an excellent teacher. He initiated the establishment of the Department of Medical Education. His innovation of two tracts for the study of gross anatomy led to the development of the present Pilot Medical School Program. He encouraged the creative use of multi-media in the teaching of anatomy. He was on the faculty of the Creative Problem Solving Institute. He practiced medicine. He was a climber of mountains, a gardener and groundskeeper, and a better than average photographer. He was a devoted husband and father.

Never blinded by the desires of personal recognition and dedicated to the improvement of medical education, Dr. Graves would have considered an emotion laden tribute an affront to his pride. Two quotations best characterize him. The first, from the Canterbury Tales, serves as the caption for his picture as Man of the Year—"And gladly wolde he lerne and gladly teche." The second may well be his own—"Never shall I forget that to the State of Ohio I owe my education. I hope I may be able to honor such a trust."

On behalf of The Ohio State University, the Board of Trustees expresses its deep sympathy and understanding to the family. It was directed that a copy of this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be forwarded to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

C. John Harrington Mitchell, M.D.

The Board of Trustees of The Ohio State University expresses its sorrow at the death on February 11, 1972, of John Harrington Mitchell, M.D., Professor in the Department of Medicine.
C. John Harrington Mitchell, M.D. (continued)

John Harrington Mitchell, was born January 14, 1904, in Columbus, Ohio. He was graduated from The Ohio State University with B.A. and M.D. degrees. Following an internship at Grant Hospital in Columbus he was appointed Resident in Medicine at the St. Francis Hospital in 1929. Upon completion of this service, he was made Resident in Pathology at White Cross Hospital and Instructor in Pathology at The Ohio State University from 1930 to 1933. It was during this period that he had the misfortune of sustaining an infection at the autopsy table that resulted in the loss of part of an upper extremity. This did not deter him from returning to an active medical life. In 1935 he began the practice of Allergy after receiving training at the Asthma and Hay Fever Clinic in Cleveland during 1934. He established the Division of Allergy at The Ohio State University.

In 1957 Dr. Mitchell became deeply interested in Psychiatry and spent two years at the Columbus State Hospital followed by another year at the Columbus Psychiatric Institute which is now known as Upham Hall, the Department of Psychiatry of the College of Medicine of The Ohio State University.

In 1961 Dr. Mitchell became associated with Dr. Damon Wetterauer in the private practice of Psychiatry and Allergy. Prior to this he had been associated with his brother Dr. William F. Mitchell from 1938 to 1955 with whom he shared offices in the practice of Allergy. He was the author of more than 16 publications in the field of his interest. In 1947 with his brother William he published a paper on "Personality Factors in Allergic Disorders." He was co-author of a movie entitled "Skin Sensitizing Antibodies" which was produced in color and sound in March of 1963.

While on a Medical Tour in Africa sponsored by the Ohio State Medical Association he was strolling with Doctors George Harding and Robin Obetz in Fez Morocco when he was seized with an attack identified as a coronary thrombosis. He was promptly admitted to the local 800 bed hospital and given expert care. He seemed to be doing well when suddenly 36 hours later he sustained a massive infarction and expired.

Dr. Mitchell was a member of the Central Ohio Psychiatric Association, a Fellow of the American College of Physicians, a Fellow of the American College of Allergists, a Fellow of the American Academy of Allergy; and he was a past president of the American College of Allergy.

On behalf of The Ohio State University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.
The Board of Trustees of The Ohio State University expresses its sorrow at the death on January 30, 1972, of Eric Ogden, Professor Emeritus in the Department of Physiology.

Dr. Ogden was born January 26, 1903, and received his education in London, England, obtaining the M.B. degree from the University of London in 1922. He also studied in Grenoble, France, and had the honor of a Sharpey Fellowship in London, 1925-29.

After serving on the Faculty of University College, London, Dr. Ogden came to the University of California in Berkeley in 1929 as Assistant Professor of Physiology. Later he became Associate Professor of Physiology at the San Francisco campus, with responsibility for medical, dental, pharmacy, and nursing students.

In 1943 Dr. Ogden became Professor of Physiology and Chairman of the Department at the University of Texas Medical Branch, Galveston. Here he developed an outstanding laboratory, and with Mrs. Ogden, took an active part in the cultural life of the city. In 1949 he was appointed Research Professor of Cardiology; Professor of Physiology and Chairman of the Department of Physiology at The Ohio State University. His studies on the functioning of the circulatory and respiratory systems were well recognized, and he was an authority on hypertension. He was a consultant to various health agencies, and his clinical skill brought him appointments to the staffs of several hospitals. He helped found the American Association for High Blood Pressure, and he was Visiting Professor for the Commonwealth Fund. His work was recognized by a special citation by the American Heart Association.

In 1963 Dr. Ogden returned to California, becoming Chief of the Environmental Biology Division at Ames Research Center, NASA, at Moffet Field, and Lecturer in Aerospace Medicine at Stanford Medical Center. He was a member of the Royal College of Surgeons, London; the Physiological Society; the American Heart Association; the New York, California, and Texas Academies of Science, and the Aerospace Medical Association.

On behalf of The Ohio State University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

X. REPORT

A. Report on the University's Investment Portfolio

The report dated April 7, 1972, as submitted to the Finance and Investment Committee of the Board of Trustees by Mr. Ernest W. Leggett pertaining to the University's Investment Portfolio, was received and ordered to be filed with the official records of the Board of Trustees.

Mr. Shocknessy made the following statement:

I personally want to thank the President, the members of the Board, the Search Committee, and everybody who gave me help and support in the past year. It has not been easy for any of us; the road has been rather long, rather tortuous, and sometimes agonizing. I always felt that I was well supported by the administration and the Board. I want to add my personal expressions to the administration, especially to the President, to the Board, and to the Search Committee. And now, in conclusion, I want to say that I have spoken to Vice President Smith and he will arrange for a Press Conference.

Thereupon the Board adjourned to meet Friday, May 5, 1972, at The Ohio State University, Columbus, Ohio, at 1:30 p.m.

APPENDIX VIII

Revision of Rules 29.2715 and 29.2729
of Rules for the University Faculty

Approved by Faculty Council
March 15, 1972

Adopted by Board of Trustees April 7, 1972
(See page 512)
The Faculty Council on March 15, 1972, approved changes in Rule 29.2715 and Rule 29.2729 of Rules for the University Faculty. The revised text is as follows:

Section 1. The Council on Admissions and Registrations shall consist of seventeen members chosen as follows:

a. Appointed members. Nine members of the University Faculty shall be appointed by the President for three-year terms, three members to be appointed each year. Appointed members shall be eligible for reappointment.

b. Ex officio members. The persons holding the following three titles shall be ex officio members: Provost and Vice President for Academic Affairs or his designee (who shall serve as Chairman of the Council); Vice President for Administrative Operations or his designee (who shall serve as Secretary of the Council); and the Executive Director of University Planning.

c. Student members. There shall be five student members including three undergraduate students to be appointed by the president of the Undergraduate Student Government with the consent of the Student Assembly, one graduate student to be appointed by the president of the Council of Graduate Students with the consent of the Council of Graduate Students executive committee, and one professional student to be appointed by the president of the Interprofessional Council with the consent of the Interprofessional Council. Student members shall serve for a one-year term and shall be eligible for reappointment.

Section 2. It shall be the responsibility of this Council to recommend, through appropriate University channels, administrative policies governing admission to the University, student registration, and student scheduling. These recommendations shall be made to the appropriate administrative officer (or officers) or to the Faculty Council, depending upon the nature of the recommendation.

29.2729. Committee on Academic Freedom and Responsibility.

Section 1. The Committee on Academic Freedom and Responsibility shall consist of five elected Faculty members of the Faculty Council and two graduate Teaching, Research, or Administrative Associates. They shall be elected by the Faculty Council for two-year terms. The Council of Graduate Students shall nominate four such graduate Teaching Associates from whom the Faculty Council will elect two members to the Committee on Academic Freedom and Responsibility. Vacancies on the Committee shall be filled through election by the Faculty Council with nominations being made from the floor.
29. 2729. Committee on Academic Freedom and Responsibility. (continued)

Section 2. The Committee shall have the following responsibilities:

a. To study all conditions which, in the judgment of the Committee, may affect the academic freedom or responsibility of the faculty of the University, and to report at least once a year thereon, with recommendations when appropriate, to the Faculty Council.

b. To hear and investigate complaints by individual faculty members concerning alleged infringements upon academic freedom or responsibility in the University; to report findings and recommendations to the parties involved with the hope of mediating a dispute; to report to the Faculty Council if further action by the Council is appropriate; and, if necessary, to recommend to the Faculty Council that charges under Rule 21.07 be initiated against the individual alleged to have violated the academic freedom of a member of the faculty or against the individual alleged to have abrogated his responsibilities to the University. (B/T 6/12/69)
The Board of Trustees met at its regular monthly meeting on Friday, May 5, 1972, at The Ohio State University Center for Tomorrow, Columbus, Ohio, pursuant to adjournment.

Present: James W. Shocknessy, Chairman, John H. Dunlap, Frederick R. Eckley, M. Merle Harrod, Robert S. Dorsey, and Howard D. Sirak.

Minutes of the last meeting were approved.
May 5, 1972 meeting, Board of Trustees

ELECTION OF OFFICERS

Mr. Shocknessy made the following statement and nominated the slate of officers for 1972-73:

It has been a tradition of the Board of Trustees of this University that the Chairmanship rotate and every member serves as Chairman during his last year on the Board. I served this term out of rotation. My rotation would not have occurred until next year but Mr. Dorsey had only come on the Board a short while before he would have been required to take over on the basis of the traditional rotation. And, accordingly, he asked me (he was supported by the other members on the Board) to serve this year. It has been my pleasure to serve in Mr. Dorsey's stead, and I trust that Mr. Dorsey has been satisfied with my performance. I consider that Mr. Dorsey was the first one whom I had to satisfy because I was substituting for him. I consider that the principal is always the one first to be satisfied by the substitute. So during this year, Mr. Dorsey, I have substituted as Chairman of this Board for you, and I only hope that in due course you will yourself serve as Chairman.

I don't know that there is anything else I need to say except that on the basis of the rotation the Chairmanship would go to Mr. Eckley and, accordingly, it will be my esteemed privilege and high honor to nominate for Chairman of this Board Mr. Frederick R. Eckley, a distinguished citizen, a distinguished member of the University community, a distinguished member of the economic community of this nation, and a man who is entitled to congratulations for having recently been named the 'Man of the Year' by The Ohio State University Alumni Association of Cleveland. I think it is fortuitous that the new Chairman is from Cleveland where the new President, who will be there for another few months, will have ready access to the Chairman of the Board as it has been my good fortune to have ready access to the President of the University, Novice Fawcett.

And, accordingly, I nominate Mr. Frederick R. Eckley for Chairman of our Board; for Vice Chairman I will nominate Mr. John H. Dunlap, a member of our Board who has served us nobly and has served this University nobly; for Secretary I will nominate Dr. Edward Q. Moulton; and for Treasurer, Mr. Ernest W. Leggett.

There were no other nominations. Mr. Harrod seconded the motion. Motion was passed with a majority of a quorum voting in favor of the motion, Messrs. Eckley and Dunlap abstained.

Mr. Dorsey said:

I would just like to say that I fully approved of your performance, Mr. Shocknessy, in my behalf and I consider you a very adequate substitute.

Mr. Shocknessy said:

Remember that I also said that I hope you will yourself serve in due course on rotation as the Chairman of this Board.
May 5, 1972 meeting, Board of Trustees

Mr. Shocknessy's statement (continued)

So I've enjoyed my year as Chairman of the Board and as I said before, I believe that one of the most important matters that is ever to come before a Board came before this one during the year. I feel that the Board handsomely fulfilled its responsibility in choosing a President. I believe the Board acquitted itself very well and I only offer as proof, but I do offer it as proof, the acceptance of the Board's work in naming a new President—the acceptance which the journalistic community of this state has given and which everyone of us has felt, and the appointment of Dr. Enarson has been practically acclaimed every place any of us has been. I have yet to receive a letter objecting to the appointment and I have had loads approving it. So in conclusion I'll say that I expect to remain on this Board as a member and to support the new Chairman with every ounce of energy that I have as long as I'm on the Board. I won't promise that I'll stay for the total of my term as it remains. I've served seven rugged years but I'll still stay as a member of this Board at least, God willing, for the remainder of President Fawcett's tenure and if I choose to retire from this Board after that I will give ample notice to the Governor and to the Chairman and members of the Board. So I don't think I have anything further to say except thank you to everybody, not merely to the members of the Board but to the President and to the Secretary and to the whole administration for the support that I received as Chairman and for the association which I have enjoyed in the seven years I have been a member of the Board.

President Fawcett paid Mr. Shocknessy the following tribute:

Mr. Chairman and Members of the Board: There is not an adequate way to express appropriately this University's appreciation for the services of any Board member, and particularly for the services of the Chairman who by virtue of that role must be more knowledgeable of many problems than other members of the Board in order to fulfill his duties in conformity with the law. Consequently, since this is a kind of graduation in one sense of the word for a Chairman, we have taken it upon ourselves without seeking any consultation or action by members of the Board to develop what I guess I could describe as a diploma marking the completion of your service as Chairman and in recognition of the great support you rendered to this institution. I want to share with all members of the Board and all others present this diploma. (See page 544 for text.)

Mr. Shocknessy responded to President Fawcett's tribute for his service:

This is just one more bit of kindness that I've had from you and one more bit of recognition that I've had from this Board and this University, which I've said before I acquired by its adoption of me. Unlike other members of this Board I wasn't nurtured by this University as a loving mother but this University has been very kind to me and as an adopted son of the University I feel as close as a natural son as often happens with adopted children.

The Board of Trustees recessed following President Fawcett's presentation and the Board of Control was convened.
The Ohio State University

In recognition of outstanding service as Chairman of the Board of Trustees of The Ohio State University during one of the most significant years in the University's history and as a distinguished and dedicated servant to this University's educational heritage, the Board of Trustees, administration, faculty, staff, and students convey deep appreciation to

James White Shocknessy

In grateful acknowledgement this certificate is presented at The Ohio State University on the fifth day of May in the year of our Lord nineteen hundred seventy-two and of the University the one hundred and third.

May 5, 1972 meeting, Board of Trustees

The Board of Trustees reconvened following the recess.

REPORT BY CHAIRMAN

A. Concerned Farmers of Carroll County

Mr. Shocknessy reported as follows:

We've all received a request from 'concerned farmers of Carroll County' about a matter in that County with respect to an Extension Agent and we received a letter also from the Board of County Commissioners of that County. Not having been able up to this time to look into the matter fully, if it is agreeable with the Board, I would ask the President to look into the matter of the inquiry which was in the letter and to advise the Board at his earliest convenience and the Secretary can advise the Commissioners and the concerned farmers that we have adverted to the matter and that we shall consider it further and they will either hear from us or from the President or from the Secretary in our behalf.

B. The Ohio State University Monthly

Mr. Shocknessy made the following statement:

I want to be sure that the minutes indicate that this Board congratulated the incoming Chairman on his being named 'Man of the Year' by the Alumni in Cleveland. I also want once again to congratulate The Ohio State Monthly. Dr. Mall and Mr. Tate have been assiduous in keeping the Alumni Association and those who receive the Monthly fully advised of the search for the President and in the latest issue which it was my pleasure to read yesterday and the day before, the matter was nicely rounded out and I've already called Mr. Tate and told him that I was very pleased with the way the matter had been rounded out by the Monthly and I'm sure the Association benefits by it. I used the February issue as an authority many times. In fact there is a distinguished journalist in this room whom I won't mention by name to whose attention I directed that Monthly a couple of months ago when he asked me for information. I said there is no better place to go than to the February issue of the Monthly because that brought it up to date. So the last time I'm in this Chair on this term I want again to say that the Monthly has supported the Board and the University very competently during this period.

President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATION

A. Revision of Rules 31.0701, 31.0703, 31.0705, and 35.07 of Rules for the University Faculty

The Faculty Council on April 11, 1972, approved changes in Rules 31.0701, 31.0703, 31.0705, and 35.07 of Rules for the University Faculty. (See Appendix IX, page 575.)

1. Section c of Rules 31.0701 and 31.0703 is revoked in each rule to delete the University graduation requirement of health education.

2. The words "Health Education" in Section 2 of Rule 31.0705 are deleted to conform with the deletion of this requirement in Rules 31.0701 and 31.0703.

3. In Rule 35.07 the word "Hygiene" is deleted in the marks "T" and "X". The words "Health Education" are deleted in (a) of the "PA/NP - Pass/Non-Pass" mark.

President Fawcett recommended that the action of the Faculty Council be approved.

B. Change Name of Department of Industrial Engineering to Department of Industrial and Systems Engineering

Upon the recommendation of the Council on Academic Affairs, the Faculty Council on April 11, 1972, approved the change of name of the Department of Industrial Engineering to Department of Industrial and Systems Engineering.

This new undergraduate program has been developed as a result of numerous consultations with students and faculty to enable students to pursue a broader range of professional objectives. Four specific programs in addition to the existing basic industrial engineering curriculum are available within this new program—manufacturing systems engineering, man-machine systems engineering, management systems engineering, and operations research. The proposed modification in the departmental name reflects more accurately the current terminology for the programs of instruction and research presently being conducted in the Department.

President Fawcett recommended that the name change as approved by the Faculty Council be adopted, effective Summer Quarter 1972.

Upon motion of Mr. Dorsey, seconded by Mr. Dunlap, the Board of Trustees approved the foregoing recommendations by unanimous voice vote, and the Secretary of the Board was further instructed and given authority to make the changes as specified above in the next printing of the Rules for the University Faculty.
May 5, 1972 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

C. Honorary Degrees

The Faculty Council on April 11, 1972, approved awarding honorary degrees to the following recipients:

- J. Englebert Dunphy
- Joseph Howard Koffolt
- Alan Gregory Loofbourrow
- Mohinder Singh Randhawa

Pursuant to Rule 29.15, President Fawcett recommended that the honorary degrees, as specified, be conferred at an appropriate future Commencement agreeable to the University and the recipients.

It was recommended further under Section 3, Rule 11.05, and after consultation with the Faculty Advisory Committee to the President and the Board that the Doctor of Laws be conferred on Armin H. Meyer, recent United States Ambassador to Japan, at the June 9, 1972 Commencement.

Upon motion of Dr. Sirak, seconded by Mr. Harrod, the Board of Trustees approved the foregoing recommendations by unanimous voice vote.

D. Revision of Rule 43.11 of Rules for the University Faculty

In enacting the appropriation in support of higher education (Amended Substitute House Bill 475), the 109th General Assembly incorporated within this action specific restrictions on the authority of state universities in granting instructional and general fee waivers. The text of H. B. 475 pertaining to fee waivers is as follows:

After June 15, 1972, the board of trustees or the board of directors of a state-assisted institution of higher education shall not authorize a waiver or nonpayment of instructional fees or of general fees for any particular student or any class of students other than waivers specifically authorized by law. This prohibition is not intended to limit the authority of boards of trustees or of boards of directors to provide for payments to students for service rendered the institution nor to prohibit the budgeting of income for staff benefits or for student assistance in the form of payment of such instructional and general fees.

In order that this University may be in full compliance with this legislation, it is necessary that substantial modification of the existing University regulations and procedures be authorized by the Board.
I. GENERAL RECOMMENDATIONS (continued)

D. Revision of Rule 43.11 of Rules for the University Faculty (continued)

To effect these changes, it was recommended that Rule 43.11 be revised to provide for these modifications (see Appendix X, page 579). This revised rule basically eliminates the concept of fee waivers, defines the specific categories for which fee payments may be authorized, and establishes a charge back system to the departments and programs which authorize such payments.

Upon motion of Mr. Harrod, seconded by Mr. Eckley, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

II. PERSONNEL CHANGES

former teammates, in memory of Jack W. Stephenson, Edu. w '42, late of Marion, Ohio, and Grosse Pointe, Michigan, and President of the College of Administrative Science's Pace Setters at the time of his death June 29, 1971.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used to award a scholarship to an outstanding student in the College of Administrative Science. The recipient is to be selected upon the recommendations of the Pace Setters and the Dean of the College of Administrative Science.

Should the College of Administrative Science and the Pace Setters organization cease to exist through any reorganization of the University, then the scholarship is to be awarded upon the recommendations of the appropriate administrative official of the University who is then directly responsible for business education.

Jack W. Stephenson "Tackle of the Year" Award

The Jack W. Stephenson "Tackle of the Year" Award was established May 5, 1972, by the Board of Trustees of The Ohio State University, with gifts through The Ohio State University Development Fund from friends, colleagues and former teammates, in memory of Jack W. Stephenson, Edu. w '42, late of Marion, Ohio, and Grosse Pointe, Michigan, and Captain of the 1941 Varsity Football Team.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used to provide a trophy to the best tackle on the Varsity Football Team. The award is to be made at the conclusion of each football season. The winner of the award is to be selected by the Varsity Football coaching staff.

C. Gifts-in-Kind

1. A gift of equipment for the Departments of Electrical Engineering and Aeronautical and Astronautical Engineering from McDonnell-Douglas Aircraft Company, St. Louis, Missouri.

2. A gift of Thurber literary material to be added to the Thurber Library from Mrs. James Thurber, West Cornwall, Connecticut.

V. EXTRA AND CREDIT ORDERS TO CONTRACTS

On July 13, 1967, the Board of Trustees authorized the Vice President for Business and Finance (now the Vice President for Administrative Operations) to approve change orders which were necessary to expedite completion of construction projects. In accordance with this authorization all extra and credit orders to contracts which have been completed were reported:

A. University College, Building No. 1

Various revisions and deletions were made to the site work since it would be more advantageous to coordinate the work during construction of University College, Buildings No. 2 and No. 3.

The credit on this contract has been reflected in HB 949, Item 315-037, HB 886, HB 828, and Budget Account 801175.

Upon motion of Mr. Harrod, seconded by Mr. Eckley, the above extra and credit order to contracts and expenditure of funds were approved and the action of the Vice President for Administrative Operations was ratified by unanimous roll call vote.

VI. PLANS AND SPECIFICATIONS

At the request of the Vice President for Administrative Operations, President Fawcett recommended that the plans and specifications, bills of materials, and estimates of cost for the following project be approved by the Board of Trustees:

VI. PLANS AND SPECIFICATIONS (continued)

A. University College - Building No. 13

This two story plus basement building is to be located on the West Campus and is designed to provide facilities for introductory courses in astronomy, geology, mathematics, physics, political science, psychology, and theater to students in the University College.

Funds for this project will be provided in HB 988, Item 315-067, HB 531, Item 315-067, SB 457, Item 315-067 (Pending Appropriation Act), Board of Regents.

Upon motion of Mr. Harrod, seconded by Mr. Dorsey, the above recommendation was approved by unanimous roll call vote, and is contingent upon a pending appropriation action. If the pending action is approved, the Secretary was authorized and directed to sign the plans and specifications for the above project for and on behalf of the Board of Trustees. Vice President Lachner was directed to proceed with a request for bids in the normal University manner, and if satisfactory bids are received, to proceed with the award of contracts. All action regarding this matter will be reported to the Board of Trustees at a later meeting.

VII. REPORT OF AWARD OF CONTRACTS

In accordance with authorization provided by the Board of Trustees, bids were taken on the projects listed below and the contracts were recommended for award. The action reported to the Board was as follows:

VIII. RESOLUTIONS IN MEMORIAM

President Fawcett reported to the Board the deaths of Kenneth George Hornung, Professor in the Department of Mechanical Engineering, and John Bradford Titchener, Professor Emeritus in the Department of Classics. In accordance with the instructions of the Board of Trustees, copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board will be furnished the families of the deceased.

A. Kenneth George Hornung

The Board of Trustees of The Ohio State University expresses its sorrow at the death on April 4, 1972, of Kenneth George Hornung, Professor in the Department of Mechanical Engineering.

Dr. Hornung was born in New Bavaria, Ohio, on May 3, 1927. After a short period in the U. S. Army in which he attained the grade of Sergeant, he entered The Ohio State University from which he earned three degrees, the combined baccalaureate and master's in Mechanical Engineering in 1952, and the doctorate in 1959. His dissertation was entitled "Factors influencing the Fatigue Characteristics of Rubber-Textile Machine Elements."
A. Kenneth George Hornung (continued)

For a time in 1952 he worked for Robbins and Myers, Incorporated, before he returned to the University to continue his education. He served as Research Associate or Instructor until 1959 when he joined the faculty of the Department of Mechanical Engineering as Assistant Professor. He was promoted to Associate Professor in 1963, and to Professor in 1967.

Dr. Hornung served as a consultant to several industrial companies. His primary teaching area was in design where he taught all related courses and established some on his own accord. He served on many important committees of his Department and College and the philosophies of engineering education he expounded will live long in the minds of his students and conferees.

Dr. Hornung was a licensed professional engineer in Ohio, a member of the honorary societies Pi Tau Sigma, Tau Beta Pi, Pi Mu Epsilon, and Sigma Xi. He was listed in American Men of Science, Who's Who in American Education and Who's Who in the Midwest. He was a member of many professional societies and active in the American Society of Mechanical Engineers and the American Society for Engineering Education. He published many technical papers and was a much sought after advisor to graduate students. He was a member and deacon of the Dublin Community Church.

Dr. Hornung exemplified to the fullest the combination of distinguished teacher, understanding advisor, expert scientist and engineer, and valued associate.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

B. John Bradford Titchener

The Board of Trustees of The Ohio State University expresses its sorrow at the death on March 9, 1972, of John Bradford Titchener, Professor Emeritus in the Department of Classics.

Dr. Titchener was born in Ithaca, New York, on January 2, 1898. He was graduated with the Bachelor of Arts degree from Clark College in 1917. He earned the Master of Arts degree in 1921 and the Doctor of Philosophy degree in 1923 from the University of Illinois. From 1917 to 1919 he served first in the Ambulance Service of the French Army and later in the United States Army.
May 5, 1972 meeting, Board of Trustees

VIII. RESOLUTIONS IN MEMORIAM (continued)

B. John Bradford Titchener (continued)

From 1923 until 1925 Dr. Titchener was Instructor in Greek at the University of Michigan, and in 1925 he became Instructor in Classical Languages at Harvard University, being promoted to Assistant Professor in 1927. He was appointed Assistant Professor in Classical Languages at The Ohio State University in 1930, becoming Associate Professor in 1933, and Professor in 1939. From 1931 until 1934 he was Acting Chairman of the Department of Classical Languages and became Chairman in 1934, a position which he held until 1966. He retired from the department in 1968 and was appointed Professor Emeritus.

In 1934 Professor Titchener held a Visiting Professorship at Stanford University. In 1960-61 he was Fulbright Lecturer and Visiting Professor at the University of Melbourne and in 1968-69 Visiting Lecturer at the University of Sydney.

Dr. Titchener was active in local, regional, and national Classical associations, including the American Philological Association and the Classical Association of the Middle West and South. In his long tenure of the Chairmanship of the Department of Classical Languages he developed the graduate program in Classics and pioneered the undergraduate programs in the teaching of Classics in English. He worked closely with Classics teachers throughout Ohio, developing a continuing cooperation between the department and the secondary schools. In the area of classical scholarship he was especially distinguished for his studies in textual criticism and in the poetry of Horace, and he edited part of the text of Plutarch in the Teubner series. He was an expert on primitive art and during his visits to Australia and the South Pacific he collected pieces of the primitive art of the area for the Columbus Gallery of Fine Arts.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

Mr. Shocknessy called on Mr. Dorsey for a report from the Retirement and Insurance Committee. Before making this report and recommendation, Mr. Dorsey made the following statement:

Before I present this recommendation, since this seems to be a day of expression of appreciation I, too, would like to express my appreciation for all of the kind things that have occurred to me since I became associated with this University, particularly the privilege of serving as a member of this Board. Since it appears quite likely that my term is ending today, I want to make sure that my thoughts on this association
May 5, 1972 meeting, Board of Trustees

Mr. Dorsey's statement (continued)

are recorded. Never in my wildest dream when I was a student at this University did I ever think that I would ever have the privilege of serving in such a high capacity. I have a lot of friends who like to play practical jokes on me just because I'm such a sweet, lovable guy. So when the Governor's secretary called me and asked if I would accept the position as a member of the Board of Trustees I thought this was one of my friends playing a practical joke on me. To check, however, I called my friend, Dick Mall, since I was serving on the Alumni Board at that time. Dick assured me that it was not a practical joke. This has really been a fantastic experience for me. I have come to know some very great men who serve on the Board of Trustees and who serve in the administration of this University and are in my view truly dedicated to the best interests of this University. The view from the inside is very different from the view from the outside. People often criticize these men for their actions and while sometimes the criticism is warranted since I have been a part of this procedure I am firmly convinced that these men are acting in the best interest of the University. I wanted to express my appreciation for being a part of this process. And you may be assured that I will continue to serve this University in anyway I can. I believe that it is a great University, in my estimation one of the best.

Mr. Shocknessy responded to Mr. Dorsey's statement:

On behalf of this Board I will respond to you and say that your service has been without parallel. You have had some agonizing votes to cast, and you looked at them thoughtfully and fearlessly and cast your votes. I can say that I personally and every member of our Board has enjoyed serving with you and have great respect not merely for you as a person and as a human being but as a man with a 'good head.' You have a 'good head' and a 'good heart' and we have liked serving with you. As I said a while ago, I would hope that you would have an opportunity to serve as Chairman of this Board in your own right. I was not saying it vainly. I said it because I mean it. Bob, I hope that your inference, if that is what it is, that you will not be back another term is not correct because you have served well and it takes a while for a member on this Board to become fully assimilated by the Board and I think it is too bad to lose as a member a man who has just been fully assimilated. I hope that you will continue as a member and whether you do or not you will have the lifelong satisfaction and your family will have the lifelong satisfaction of knowing that you gave great service--selfless, good, constructive service to this University. I wish that there were more that I could say; I wish that there were more that I could do to make effective what I would wish and what I am sure the members of this Board wish. Many times the President has expressed his gratitude to you for the service you gave. I know how the President feels and I know we all feel that you have been a fine member of this Board.
May 5, 1972 meeting, Board of Trustees

Mr. Dunlap made the following statement:

I'm not given too much to oratory but I do want to say two things, first about Bob Dorsey—he has been a great member of this Board. I really think that he has more 'stuff' than most anybody here. I like him as a Board member but more than that I admire him as a man. And I, too, hope he is given an opportunity to continue his service on this Board. I also want to say something about our retiring Chairman—I think that he has done a remarkable job. I only wish I had the powers to express myself as he and some of the rest of you do. Some of us, as the Chairman said earlier, were nurtured by the University. We have deep ties here, but Jim did not go to school here, yet he has served this University with the same or more ardor and devotion, than a great many people who did graduate from the University. And, speaking just for myself, I want to say that I do not think that we have ever had a better Chairman than Jim and I do not think we have ever had a better Board member than Bob.

IX. REPORTS

A. Report from the Retirement and Insurance Committee

Mr. Dorsey, a member of the Retirement and Insurance Committee, presented the following report and recommended that The Ohio State University Student Health Insurance Program for the 1972-73 policy year be made available to all students at the same quarterly premium rates and including the improved coverages as outlined in a detailed statement which is filed with the official records of the Board of Trustees. The Student Health Insurance coverage as recommended by the Subcommittee on Student Insurance and endorsed by the Council on Student Affairs and approved by the consultant on student insurance is in accordance with the existing renewal agreement with the Continental Casualty Insurance Company which expires on September 30, 1973.

The Subcommittee on Student Insurance and the Council on Student Affairs recommended that the current contract be renewed including the recommended improvements with the Continental Casualty Insurance Company for the 1972-73 year.

Upon motion of Mr. Dorsey, seconded by Mr. Harrod, the above recommendation was approved by unanimous roll call vote.

IX. REPORTS (continued)

B. Report on the University's Investment Portfolio

The report dated May 5, 1972, as submitted to the Finance and Investment Committee of the Board of Trustees by Mr. Ernest W. Leggett pertaining to the University's Investment Portfolio, was received and ordered to be filed with the official records of the Board of Trustees.

In concluding the meeting, President Fawcett made the following statement:

My statement may have been somewhat inadequate in expressing to you, Mr. Shocknessy, this University's sense of appreciation for the unselfish contribution of time and the quality of service that you have rendered this institution.

I did not comment on Mr. Dorsey's service to this Board and the University and I would like to do so now. I want to put a footnote under everything that Mr. Dunlap and the Chairman have said and to say 'Amen.' Then I would like to do something that I have never done before in all my sixteen years as President. While I have never been a factor in any Governor's selection of Trustees, I think the highest tribute I could pay Bob Dorsey would be to say that in the event a Governor would call me and ask me to fill this vacancy on the Board I would say 'Reappoint Bob Dorsey.'

And finally, I want to congratulate Fred Eckley publicly for his election as the new Chairman of this Board. I am sure that he will provide the quality of leadership that will make me somewhat regretful that I will only be able to serve two meetings under his leadership. All of this can best be summarized by just indicating a little sense of envy of Harold Enarson of the quality of people who serve on this Board and for the association he will have with this Board hopefully for many years to come.

Mr. Shocknessy responded to the President:

Thank you, Mr. President. We are all pleased today--this is one of those days that is sort of bittersweet--there is some bitterness and some sweetness. We take it all and we enjoy it all because bittersweetness isn't tastelessness. So I just want to say that as I give up the gavel I thank everybody and along with you I am glad the day the secretary called Bob Dorsey that it was not a practical joke.

Thereupon the Board adjourned to meet Friday, June 2, 1972, at The Ohio State University, Columbus, Ohio, at 1:30 p.m.

Attest:

APPENDIX IX

Revision of Rules 31.0701, 31.0703, 31.0705, and 35.07 of Rules for the University Faculty

Approved by Faculty Council
April 11, 1972

Adopted by Board of Trustees May 5, 1972
(See page 542)
On April 11, 1972, the Faculty Council approved changes in Rules 31.0701, 31.0703, 31.0705, and 35.07 of Rules for the University Faculty. The text of each Rule as modified is as follows:

31.0701. Men Students.

All undergraduate men students, unless excused under Rule 31.0705, shall be required to schedule and to complete:

a. National Defense Studies. (1) Two hours of Military Science or Air Force Aerospace Studies each quarter (or three hours of Naval Science each quarter during the freshman year and two hours of Naval Science each quarter during the sophomore year) until a total of twelve (Naval Science, fifteen) credit hours has been earned; or (2) a grouping of academic courses prescribed by the College in which the student is registered, which courses shall be in addition to all College requirements; and

b. One or more hours of Physical Education per quarter for a total of three quarters.

31.0703. Women Students.

All undergraduate women students, unless excused under Rule 31.0705, shall be required to schedule and to complete:

a. Excepting students enrolled in the School of Nursing, a grouping of academic courses prescribed by the College or School in which she is registered, which courses shall be in addition to all College requirements; and

b. One or more hours of Physical Education per quarter for a total of three quarters.

31.0705. Marks for and Excuses from University Required Courses.

Section 1. Transfer within the University shall not excuse a student from compliance with the requirements of Rules 31.0701 and 31.0703.

Section 2. The President shall determine University policy with respect to excuse from the requirements of Rules 31.0701 and 31.0703 of students transferring with advanced standing from other institutions or from branches of this University. In addition, the School of Health, Physical Education and Recreation may excuse individual students from any part or all of the Physical Education requirements of Rules 31.0701 and 31.0703.

Section 3. These required courses, for both men and women, may be taken either on a Pass/Non-Pass or on a graded basis.
35.07. Marks.

T—Temporarily excused. This mark applies only to Military Science, Air Force Aerospace Studies or Naval Science, or Physical Education. No credit hours shall be awarded to a course in which a student received a T mark.

X—Permanently excused. This mark applies only to Military Science, Air Force Aerospace Studies or Naval Science, or Physical Education. No credit hours shall be awarded to a course in which a student received an X mark.

PA/NP—Pass/Non-Pass. This grading pattern may be chosen for

(a) any or all of the University required courses (31.0701, 31.0703) of Physical Education and National Defense Studies.

(b) an additional maximum of 15 hours of work.

The 15 hours noted in "b" above is confined to undergraduate students enrolled in a degree-granting college, who have an accumulated point-hour ratio of 2.0 or higher. In addition, courses required or specified as required electives in the curriculum leading to the degree for which a student is a candidate may not be taken on a Pass/Non-Pass basis.

Hours graded PA or Pass count towards the degree, and PA/NP or Pass/Non-Pass are not computed in the point-hour average of the student. After an instructor is notified of the Pass/Non-Pass decision he will submit PA or NP to the Registrar, consistent with that decision, in the case of each student making the election. University and College rules for adding and deleting courses apply to courses elected on a Pass/Non-Pass basis. For the purpose only of calculating final standing in a course, the grade Pass is the equivalent of the grades ABCD and the grade Non-Pass of the grade E.
APPENDIX X

Revision of Rule 43.11 of Rules for the University Faculty
Page 580 Blank
43.11. Instructional and General Fees for Instructors, Graduate Teaching Associates, Graduate Research Associates, Graduate Administrative Associates, Fellows, Scholars, and University Employees.*

Section 1. "Fees authorized" are those fees which are paid on behalf of a student through University accounts for the purpose of services rendered, employee benefits or student assistance. A fee authorization provides the authority to spend money from whatever account is specified to pay student fees. All fees must be authorized by an appropriate Fee Authorization Card. Approved fee authorizations will be processed as an expenditure against the department and account specified.

Section 2. The payment of instructional and general fees may be authorized, except as specifically prohibited by the University, for those within the following classifications:

a. Members of the instructional staff of the University, with the rank of Instructor and above who were employed before July 1, 1955 and who are registered in the Graduate School, and any member of the teaching staff who, on the approval of the appropriate Instructor and Department Chairman or Director of a School, enrolls as an Auditor. (Rule 41.19)

b. Graduate Teaching Associates, Graduate Research Associates, and Graduate Administrative Associates who meet the specified requirements of enrollment and employment may have their instructional and general fees authorized for payment as a benefit for services rendered.

c. Employees of organizations having specific contracts with the Board of Trustees of the University whereby fees of persons designated by the agreement are authorized, in whole or in part, in lieu of payment for service rendered by the organization to The Ohio State University.

d. Undergraduate and professional students eligible for the authorization of fees under scholarship assistance programs.

e. Graduate students eligible for the authorization of fees under University, private, and governmental fellowship and traineeship agreements.

Section 3. The President, subject to the approval of the Board of Trustees, shall have authority to enter into an agreement with an organization or person not provided for in another category.

Section 4. A copy of the agreement and the names of person, or persons, designated to sign and certify fee authorizations will be filed with the Office of Personnel Services. All agreements shall contain information as to who is responsible for the overall administration of fee authorizations for these programs. Problems of coordination and individual cases that need interpretation of the rules concerning fee authorizations shall be referred for decision to the Office of Personnel Services.
Section 5. Reimbursement for tuition, instruction and general fees, as appropriate for employees is provided under provisions of the Employee's Fee Reimbursement Program as administered by the Office of Personnel Services. As a general principle, employees who are members of the administrative or clerical staff of the University will not be permitted to take courses except outside of the prescribed working hours.

Section 6. In all cases where interpretation and application of the rules specified herein are required, the question shall be referred for decision to the Office of Personnel Services.

*Rule initiated by Board of Trustees.*
The Board of Trustees met at its regular monthly meeting on Friday, June 2, 1972, at The Ohio State University Center for Tomorrow, Columbus, Ohio, pursuant to adjournment.

Minutes of the last meeting were approved.
President Fawcett presented the following recommendations:

1. GENERAL RECOMMENDATIONS

A. Budget for Fiscal Year 1972-73 and Increase in Instructional Fee

President Fawcett made the following statement and recommendation:

Today I am presenting for your consideration and approval the University budget for the fiscal year 1972-73. Before commenting on specifics of this budget I should like to make a few remarks of a general nature.

As you will recall in an earlier presentation to this Board at the time that the budget for fiscal year 1971-72 was being considered, I indicated that the level of financial support which the University received from the state for this biennium fell substantially below that which had been anticipated. I indicated that this situation was further complicated by the fact that the legislature chose to depart from tradition and provide no increase in the level of support in the second year of the biennium over the first. To accommodate this financial problem it became necessary for us to provide sufficient resources to cover all necessary increases in the second year of the biennium. And for the first time in over a decade we could not look to an increase in the number of persons paying fees to assist us in this funding problem since our enrollments are becoming stabilized. To compound our financial dilemma, the legislature chose to mandate a very substantial and, I might say, well-deserved pay increase for all state civil servants including the approximately 2,500 civil servants at this University. At the same time the state universities were excluded from the resources provided in support of this action. Because of these difficult economic facts of life compounded by the continuing inflationary pressures which seem to be particularly critical for a university such as Ohio State which is engaged in such a wide range of activities, it was obvious that we would have to depart from previous budget-making procedures and develop a new budgeting approach. Thus, rather than adding increments to a continuation budget for our programs, as we had done in previous years, we initiated an approach whereby each program was examined on the basis of activity level and work load. This resulted in substantial reallocations of resources from programs with declining enrollments or work loads to programs on which increasing demands were being placed either through enrollments or activity. For example, because of the planned reduction in the number of entering freshmen at Ohio State for this coming year, those colleges providing the majority of the freshmen course loads have had downward adjustments in the resources provided to them. While this approach is in the early stages of development, of necessity,

I. GENERAL RECOMMENDATIONS (continued)

A. Budget for Fiscal Year 1972-73 and Increase in Instructional Fee (continued)

President Fawcett's statement (continued)

a number of refinements will have to be made. We believe that this method of budgeting provides a system whereby this University can be responsible to the changing patterns of enrollments and programs and at the same time be financially responsible.

Concurrent with this budgeting method we are making an effort to decentralize more of the decision-making process to the college level since it is believed that difficult priority decisions directly affecting educational programs within each college can be most effectively made by the responsible units. As an example of this principle, a portion of the necessary funding associated with the civil service pay increase had to be shared directly with the colleges, since this total financial obligation could not be accommodated within the very limited uncommitted resources of the University. Accordingly the colleges were asked to provide a portion of these funds from within their own resources either through economies in operating or equipment budgets or through cutbacks within personnel budgets.

Now I should like to turn to some of the specifics of this budget recommendation. Calling for expenditures of $272,095,374, which represent approximately a $15 million increase over the first year of this biennium, this budget represents a 5.8 per cent increase over last year's expenditures. This increase is constituted as follows: an instructional and general budget increase of 6.7 per cent or $8.3 million, the major component of which $5.3 million is allocated to personnel services enabling this University to meet the 13 per cent increase for classified staff mandated by state law; and a 4 per cent average faculty salary increase. Minimal increases of 3.5 per cent were allocated to the operating and equipment budgets, a necessary action since these budgets were held at the 1970-71 level during fiscal year 1971-72, in spite of inflation and increased departmental activities. There are also some budgeted increases in support of activities that realized increased earnings such as the laboratory animal center and the student health center.

This budget expenditure level is fully supported from the anticipated resources including the current level of student fees. However, I am requesting a realignment of those fees so that this University may take the final step in its implementation of the Faculty Council recommendation of 1969 which called for the elimination of all course fees in support of the concept that
courses should be equally accessible to all students without regard to differential costs. To offset the loss of revenue from such action, I am recommending that our instructional fee for all students be increased by ten dollars per quarter effective with the Autumn Quarter 1972. This will mean, for example, that the undergraduate students instructional fees will be increased from $200 to $210 making the total instructional and general fees, $250 per quarter. The authority for such a modification is contained in the appropriation act of the current legislature subject to ratification by the Ohio Board of Regents. (See Schedule of Student Fees, page 589.)

In conclusion while there is little doubt that I am presenting to you a tightly drawn budget, I am satisfied that with the continuing support of the University community and the critical review of our spending at every level, this University will be able to sustain the momentum of its academic programs. While resources available for the development of new and improved programs are exceedingly limited, selective gains are essential and will simply have to be achieved through efficiencies, reduction, or elimination of lower-priority programs. In sum, I am satisfied that this budget will meet the University's existing commitments and at the same time maintain its fiscal integrity.

June 2, 1972 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

A. Budget for Fiscal Year 1972-73 and Increase in Instructional Fee (continued)

President Fawcett recommended that all course fees be eliminated and the increase in instructional fee be approved effective with the Autumn Quarter. It was further recommended that the 1972-73 budget be approved.

Upon motion of Mr. Harrod, seconded by Mr. Hilliker, the Board of Trustees approved the foregoing recommendations by unanimous roll call vote.

B. Residence Halls Room and Board Rates

President Fawcett made the following statement and recommendation:

In spite of our best efforts to hold the line on the costs of education, I find that I must recommend increases in the basic room rates for this coming year. For undergraduates this rate increase will be $33 per quarter bringing the rate to $445 per quarter which represents an eight per cent increase in cost. A substantial portion of these increases were necessitated by salary adjustments equivalent to those mandated to our civil service employees which resulted in over a 19 per cent increase in the cost of personal services. At the same time we are experiencing sizable increases in the cost of food, materials, supplies, utilities, and contract services in the operation of these facilities. To offset as much of these increases as possible, a number of economies have been effected and are being considered including, for example, the number of food facilities presently being operated by this University. A number of other areas are also being examined for possible economies in the hope that we can successfully combat the inflationary pressures and at the same time provide resident facilities which are conducive to the educational and social development of our students.

The specific schedule of rates, with effective dates, which I am recommending are as follows:

President Fawcett recommended further that the University administration be authorized to establish the official rates for such residences as Lane Manor and Neilwood Gables in general conformity with the schedule of rates established in the foregoing paragraph.

Upon motion of Mr. Safford, seconded by Mr. Dunlap, the Board of Trustees approved the residence halls room and board rates by unanimous roll call vote.

C. Combining of the Department of Veterinary Pathology and Department of Veterinary Microbiology and Parasitology into the Department of Veterinary Pathobiology

The Faculty Council on May 9, 1972, approved the combining of the Department of Veterinary Pathology and the Department of Veterinary Microbiology and Parasitology into the Department of Veterinary Pathobiology, effective July 1, 1972.

Because of the number of common areas of interest in the programs of these two Departments the merger into one Department will result in a more effective use of the teaching resources in the integrated curriculum, including substantial savings in equipment, materials and facilities, a greater utilization of the intellectual and creative talents of the faculty of both departments in teaching and research, and a general strengthening of the graduate program.

President Fawcett recommended that the action of the Faculty Council be approved.

Upon motion of Mr. Dorsey, seconded by Mr. Safford, the Board of Trustees approved the above recommendation by unanimous voice vote.

I. GENERAL RECOMMENDATIONS (continued)

D. Adoption of an Official Shield for the School of Nursing

The faculty and students of the School of Nursing have accepted a shield for the School of Nursing of the College of Medicine of The Ohio State University. It is the intention of the faculty and students to utilize this shield of the School of Nursing on their white coats in a manner similar to that of staff members and students and the faculty of the College of Medicine.

President Fawcett recommended that the Board of Trustees approve the proposed shield, as submitted by the Vice President for Medical Affairs, and further that the original copy of such shield be filed with the official records of the Board of Trustees.

Upon motion of Mr. Safford, seconded by Mr. Dorsey, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

E. Acceptance of Federal Aviation Administration Grant

This Board has previously authorized and directed the President to file an application with the Federal Aviation Administration (FAA) for a grant to support the expansion of the University Airport.

The said application was filed and the University has received an offer for a Grant Agreement from the Federal Aviation Administration under date of 17 May 1972.

Be It Resolved, that Novice G. Fawcett, President of The Ohio State University, be, and he hereby is authorized and directed on behalf of the Board to ratify and adopt all statements, representations, warranties, covenants and agreements contained in the Project Application and incorporated materials referred to in the offer for a Grant Agreement, and to accept said offer for a Grant Agreement and agree to all of the terms and conditions thereof by executing the "Acceptance" portion of the Grant Agreement submitted by the Federal Aviation Administration under date of 17 May 1972 in the form attached hereto. (See Appendix XI, page 623.) (FAA Project 8-39-0027-01, Contract No. DOT-FA-72-GL 6722.)

Upon motion of Mr. Gushman, seconded by Mr. Hilliker, the Board of Trustees approved the acceptance of the foregoing grant from the Federal Aviation Administration by unanimous roll call vote.

F. Degrees and Certificates Conferred--Spring Quarter Commencement

President Fawcett recommended that degrees and certificates be conferred at the Spring Quarter Commencement Convocation on June 9, 1972, to those students who have completed the requirements for their respective degrees and certificates and are recommended by the Faculty Council. The names of those awarded degrees and certificates will be included in the minutes of this meeting. (See Appendix XII, page 643.)

Upon motion of Mr. Shocknessy, seconded by Mr. Safford, the Board of Trustees approved the above recommendation by unanimous voice vote.
June 2, 1972 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

G. Reprinted Sections--Bylaws of the Board of Trustees and Rules for the University Faculty

Two sections of the publication--Bylaws of the Board of Trustees and Rules for the University Faculty--have been reprinted to conform with changes which have been approved by the Board of Trustees since the last publication in March, 1971.

President Fawcett recommended that these two reprinted sections be accepted as the official publication of the Board of Trustees.

Upon motion of Mr. Safford, seconded by Mr. Hilliker, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

H. Trusteeship of the Phi Delta Kappa Educational Foundation

The late George H. Reavis, noted educator, benefactor and friend of The Ohio State University, established a trust in 1966 known as "The Phi Delta Kappa Educational Foundation." The irrevocable trust agreement under date of October 13, 1966, and executed by George H. Reavis, contained the following provision:

Upon the death of Grantor, George H. Reavis, and as soon as practical after the administration of said Grantor's estate is completed, and not later than twenty-four (24) months after said death, the Board of Governors shall designate the Board of Trustees of The Ohio State University, Columbus, Ohio, as the successor Trustee to the Huntington National Bank under the terms of this trust, provided the Board of Trustees of The Ohio State University agrees to accept the corpus of the Trust estate and agrees to hold, administer and distribute the same and the proceeds and income therefrom upon the trust conditions, limitations and restrictions imposed by this instrument.

After wide discussions within the University community, legal counsel, and members of the Foundation's Board of Governors, and according to the wishes of Dr. Reavis, President Fawcett recommended that The Ohio State University Board of Trustees accept designation as successor Trustee under the terms of the trust and continue as trustee so long as the trust is of use and benefit to the educational purposes of the University with the funds to be maintained within The Ohio State University portfolio under standard University procedures and charges.

Upon motion of Mr. Safford, seconded by Mr. Harrod, the Board of Trustees approved the above recommendation by unanimous roll call vote.

594
I. GENERAL RECOMMENDATIONS (continued)

I. Establishment of Willard M. Kiplinger Chair in Public Affairs Reporting

During the past two years, The Kiplinger Foundation, Inc., of Washington, D. C., has contributed $200,000 to The Ohio State University to establish the Willard M. Kiplinger Professorship of Public Affairs in Journalism. Earlier this year, the officers and trustees of The Kiplinger Foundation, Inc., announced their decision to increase over a period of time the funding in this endowment account to a minimum level of $500,000.

Therefore, in consideration of this commitment by The Kiplinger Foundation, Inc., for an additional $300,000, President Fawcett recommended that the above-identified Professorship be redesignated the Willard M. Kiplinger Chair in Public Affairs Reporting.

Upon motion of Mr. Dorsey, seconded by Mr. Safford, the Board of Trustees by unanimous voice vote approved the establishment of the Willard M. Kiplinger Chair in Public Affairs Reporting.

II. PERSONNEL CHANGES

Personnel changes since the May 5, 1972 meeting of the Board, as recorded in the official "Salary Roll" of the University, include the following Resignations; Promotions; Leaves of Absence Without Salary; Emeritus Titles; Chairmen of Departments, Academic Faculties, and Divisions; and Directors of Schools:

A. Resignations

President Fawcett expressed regret as he reported to the Board the recent resignation of three key administrators.

Bernard J. Lachner has resigned his position as Vice President for Administrative Operations to accept a position as President of the Evanston Hospital Association, Evanston, Illinois.

Leslie E. McDonald has resigned his position as Dean of the College of Veterinary Medicine to return to a position at the University of Georgia.

John A. Prior has resigned his position as Dean of the College of Medicine to return to full-time teaching and research in the Department of Medicine.

All three resignations are effective June 30, 1972.
June 2, 1972 meeting, Board of Trustees

II. PERSONNEL CHANGES (continued)

B. Promotions

President Fawcett recommended the appointments of the following two Acting Deans to enable the University to follow the established procedures in selecting replacements for Dean McDonald and Dean Prior.

Robert J. Atwell from Director of the School of Allied Medical Professions and Professor in the Department of Medicine to Acting Dean of the College of Medicine and Professor in the Department of Medicine, effective July 1, 1972, at a salary of $35,088.00 per annum.

C. Roger Smith from Chairman and Professor in the Department of Veterinary Physiology and Pharmacology to Acting Dean of the College of Veterinary Medicine and Professor in the Department of Veterinary Physiology and Pharmacology, effective July 1, 1972, at a salary of $31,212.00 per annum.

President Fawcett said he hoped to be able to recommend to the Board for consideration at an early date the appointment of a person as Acting Vice President for Administrative Operations.

President Fawcett then recommended the following promotion:

Ronald L. St. Pierre from Associate Professor in the Department of Anatomy to Associate Professor and Chairman of the Department of Anatomy, effective July 1, 1972, at a salary of $24,048.00 per annum.

C. Leaves of Absence Without Salary

Walter B. Emery, Professor, Department of Speech Communication, effective October 1, 1972 through September 30, 1973, to serve as Visiting Professor at the University of Massachusetts.

Felix P. Kollaritsch, Professor, College of Administrative Science - Academic Faculty of Accounting, effective October 1, 1972 through September 30, 1973, to serve as Visiting Professor at the University of Florida.

Joan M. Webber, Professor, Department of English, effective October 1, 1972 through September 30, 1973, to serve as Visiting Professor at the University of Washington.

Nancy E. Robinson, Instructor, Cooperative Extension Service, effective July 1, 1972 through June 30, 1973, to continue her program of professional improvement at the University of Maryland.
June 2, 1972 meeting, Board of Trustees

II. PERSONNEL CHANGES (continued)

C. Leaves of Absence Without Salary (continued)

Darnell Williams, Instructor, Department of English, effective October 1, 1972 through September 30, 1973, to complete his Ph.D. degree.

D. Emeritus Titles

Agnes M. Gordon, Academic Faculty of Accounting, with the title Professor Emeritus, effective July 1, 1972.

Lyle S. Pettit, College of Dentistry, with the title Professor Emeritus, effective July 1, 1972.

Everett C. Shimp, School of Social Work, with the title Professor Emeritus, effective July 1, 1972.

Earl P. Carter, Marion Regional Campus, with the title Assistant Professor Emeritus, effective July 1, 1972.

Elizabeth Brown, Cooperative Extension Service, with the title Instructor Emeritus (County Extension Agent, Home Economics), effective June 1, 1972.

E. Chairmen of Departments, Academic Faculties, and Divisions and Directors of Schools

C. Establishment of New Fund from Previously Reported Gift

The Norman W. Woelfel Memorial Cancer Research Fund was established April 7, 1972, by the Board of Trustees of The Ohio State University with a gift through The Ohio State University Development Fund from Florence C. Woelfel (Mrs. Norman W. Woelfel), Columbus, Ohio, in memory of her late husband, Norman W. Woelfel, of Columbus, Ohio.

The gift is to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of the University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used for cancer research in the College of Veterinary Medicine.

Should the need for this research cease to exist or so diminish as to provide unused income, or should the College of Veterinary Medicine cease to exist, through any reorganization of the University, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to the recommendations of the appropriate administrative official of the University who is then directly responsible for veterinary medical education and research.

V. EXTRA AND CREDIT ORDERS TO CONTRACTS

On July 13, 1967, the Board of Trustees authorized the Vice President for Business and Finance (now the Vice President for Administrative Operations) to approve change orders which were necessary to expedite completion of construction projects. In accordance with this authorization all extra and credit orders to contracts which have been completed were reported:

A. Sisson Hall - Remodeling for Offices and Laboratories

Revisions were made to allow greater flexibility in the piping system.

Funds for this project have been provided from Budget Account 801212 (Sisson Hall Remodeling).

Upon motion of Mr. Saflord, seconded by Mr. Hilliker, the above extra and credit order to contracts and expenditure of funds were approved and the action of the Vice President for Administrative Operations was ratified by unanimous roll call vote.
June 2, 1972 meeting, Board of Trustees

VI. PLANS AND SPECIFICATIONS

At the request of the Vice President for Administrative Operations, President Fawcett recommended that the plans and specifications, bills of materials, and estimates of cost for the following projects be approved by the Board of Trustees:

A. Goss Laboratory, Partial Remodeling

This project involves the complete renovation of existing office and laboratory space. Remodeling is to be accomplished in two phases, so there will be no interruption of teaching and research obligations and activities.

Funds for this project will be provided from Budget Account 801183 (Goss Laboratory Remodeling) and a Federal Grant. The complete approval of this project will be contingent upon receipt of this Grant.

Upon motion of Mr. Hilliker, seconded by Mr. Harrod, the above recommendation was approved by unanimous roll call vote and contingent upon receipt of Federal Grant the Secretary was authorized and directed to sign the plans and specifications for the above project for and on behalf of the Board of Trustees. Vice President Lachner was directed to proceed with a request for bids in the normal University manner and if satisfactory bids are received, to proceed with the award of contracts. All action regarding this matter will be reported to the Board of Trustees at a later meeting.

B. Stillman Hall Improvements

Revisions to second floor and basement for faculty offices and seminar areas and appropriate electrical system changes are necessary.

Funds for this project will be provided from Budget Account 801260 (Stillman Hall Improvements) and House Bill 531, Item 315-074 and House Bill 988, Item 315-074.

C. Undergraduate Library and Service Center (Joseph Sullivant Hall) - Roof and Parapet Wall Repairs

This project provides a new roof for the existing one which is badly deteriorated.

Funds for this project will be provided from Budget Account 801095 (Federal recoveries from various projects set aside for the Undergraduate Library).

Upon motion of Mr. Hilliker, seconded by Mr. Harrod, the above recommendations were approved by unanimous roll call vote and the Secretary was authorized and directed to sign the plans and specifications for the above projects for and on behalf of the Board of Trustees. Vice President Lachner was directed to proceed with a request for bids in the normal University manner and, if satisfactory bids are received, to proceed with the award of contracts. All action regarding this matter will be reported to the Board of Trustees at a later meeting.

612
In accordance with authorization provided by the Board of Trustees, bids were taken on the projects listed below and the contracts were recommended for award. The action reported to the Board was as follows:

VIII. CONTROLLING BOARD REQUEST

Each numbered request shown below accomplished the following purpose:

11. Approved the purchase of property described as being 63.157± acres, in Perry Township, Franklin County, from the Board of Trustees of The Ohio State University at a cost of $238,618.00.

IX. RESOLUTIONS IN MEMORIAM

President Fawcett reported to the Board the deaths of Ralph M. Patterson, Professor Emeritus in the Department of Psychiatry; Alice Pressey, Associate Professor Emeritus in the School of Home Economics; and Robert Frederick Miller, Associate Professor in the Department of Industrial Engineering. In accordance with the instructions of the Board of Trustees, copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board will be furnished the families of the deceased.

A. Ralph M. Patterson, M.D.

The Board of Trustees of The Ohio State University expresses its sorrow at the death on April 4, 1972, of Ralph M. Patterson, Professor Emeritus in the Department of Psychiatry.

Under Ralph Patterson's Chairmanship, the Department of Psychiatry came a very long way at The Ohio State University, College of Medicine. When he came to the University in 1951 from the University of Michigan, he became the first Chairman of the Department of Psychiatry. Under his leadership the clinical clerkship in psychiatry expanded from a total...

of two half-days to a full-time rotation of two months, equal to that of any other major specialty. From a start without any inpatient beds at all, psychiatry catapulted to 125 beds. The outpatient clinic which had met one half-day a week, blossomed into a large, full-time operation. The new Department found modern housing in a separate, specially-equipped building where Dr. Patterson managed to assemble an excellent multi-disciplinary team. When he started here, there were no residents in psychiatry at Ohio State. By 1965 when he relinquished the Chairmanship, some twenty residents were currently in training. The faculty likewise grew to impressive proportions. Beginning in 1951 with no full-time faculty, the Department by 1965 had reached twenty-two psychiatrists in clinical work—eleven of them full-time—and in addition, there were eleven more full-time faculty primarily devoted to research. At the time of Dr. Patterson’s retirement in 1971, the alumni and faculty organization of the Department had roughly 150 members, all of whom—residents or faculty—had worked with Dr. Patterson during the twenty years of his tenure. It isn’t easy, even for the initiated, to imagine the strenuous effort needed to accomplish what these bare statistics only imply.

Just one year ago, some 250 people were assembled to honor the retiring Professor. At a day devoted to scientific presentation, nineteen papers were gathered in a Festschrift, which is now in print. This was the last fruition of a research division which Dr. Patterson had founded and fostered and which had achieved world-wide renown. The astonishing number of 750 scientific publications had resulted from the work of this group of researchers during a 12-year span. The whole range of basic disciplines relevant to psychiatry were represented, true to Dr. Patterson’s open-minded eclecticism: the anatomical substrates of the mind, the biochemical correlates of behavior, neuropathology, much clinical psychiatric work, psychological studies, and sociological application all were pursued here under Dr. Patterson’s aegis.

Dr. Patterson himself co-authored a textbook on eclectic psychiatry through which his influence reached far beyond the confines of central Ohio. He was also active in state-wide, national and international scientific organizations, reaching positions of honor and distinction.

In Dr. Patterson there culminated a rare family tradition that had started with his grandfather who had been a practicing physician in Franklin County and continued with his father, a graduate of the old Starling-Loving Medical College. The loss of this Professor Emeritus leaves a gap in the ranks of the University community, and of the medical profession especially. But he himself saw to it that it would not be disruptive to the work to which he was devoted so sincerely. The Department of Psychiatry, its alumni and faculty are a living and growing testimonial to Ralph Patterson, the founding father of psychiatry at The Ohio State University.
A. Ralph M. Patterson, M.D. (continued)

On behalf of The Ohio State University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

B. Alice Pressey

The Board of Trustees of The Ohio State University expresses its sorrow at the death on May 5, 1972, of Alice D. Pressey, Associate Professor Emeritus, School of Home Economics.

Mrs. Pressey was born in Cincinnati, Ohio, December 2, 1890. She received her B.Sc. and M.Sc. degrees from Columbia University in 1913 and 1924 respectively. Mrs. Pressey taught high school home economics in Columbus and Dayton for 6 years. In 1919 she joined the staff of the School of Home Economics as an Instructor, rose to the rank of Assistant Professor in 1924, and became Associate Professor in 1945. From 1926 until her retirement in 1952 Mrs. Pressey was Head of the Home Economics Education Department. She pioneered in the teaching and supervision of home economics student teachers.

Mrs. Pressey was a life member of Phi Lambda Theta and a 50 year member of Kappa Delta. She was active in the American Vocational Association, the Ohio Home Economics Association, and the American Home Economics Association.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family of Mrs. Pressey as a humble expression of the Board's heartfelt sympathy in its bereavement.

C. Robert Frederick Miller

The Board of Trustees of The Ohio State University expresses its sorrow at the death on May 16, 1972, of Robert Frederick Miller, Associate Professor in the Department of Industrial Engineering.

Dr. Miller was born in Continental, Ohio, on August 16, 1929. He received the Bachelor of Industrial Engineering degree from The Ohio State University in 1952. He worked for Kimble Glass Company in Columbus following his graduation and subsequently served as an officer in the United States Navy for two years. Upon his discharge, he undertook graduate work at this University, earning the Master of Science degree in 1957 and the Doctor of Philosophy degree in 1961.

IX. RESOLUTIONS IN MEMORIAM (continued)

C. Robert Frederick Miller (continued)

While in graduate school he served as an instructor and continued subsequently as a faculty member, attaining the rank of Associate Professor in 1965. His service to the University also included a period of three years as Assistant Dean and Secretary of the Graduate School.

Dr. Miller's teaching and research were in the areas of plant design and organization theory. He taught a key design course for senior students and introduced the course in organization theory which was taken by many graduate students. He served as a consultant in these fields to a number of Ohio companies. In addition, he devoted his talents to the improvement of the operation of the University, undertaking a variety of projects under the direction of the Vice President for Business and Finance.

Dr. Miller contributed to the work of many department and college committees and was asked by the President to chair a special study of course fees throughout the University in 1969. He was an active member of a large number of professional societies, taking a particular interest in the American Institute of Industrial Engineers and the Operations Research Society of America.

His particular skill combined an unusual ease with both highly abstract theory and real systems design problems. His work was characterized by a depth of exploration and a curiosity which served as a very high standard for the students who worked with him. His professional career won him wide respect both in industry and in the academic world.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

X. REPORTS

A. President Fawcett Reported Concerning Carroll County Agricultural Agent

At the last meeting, I was requested to review this University's recent decision concerning the termination of Mr. Z. L. Newsome as County Extension Agent in Carroll County. I can report to you that Director Kottman and Associate Director Orlo Musgrave recently held a meeting with several factions in Carroll County represented. After a full airing of the matter of the termination of Mr. Newsome as County Agent, it was agreed that this University would provide Mr. Newsome with a terminal contract for one year in order to enable him to secure other employment. This solution would appear to be agreeable to all parties concerned.

X. REPORTS (continued)

B. Report from the Finance and Investment Committee

1. Resolution Providing for the Sale of Land (63.157 Acres, Board of Trustees Lands East and West of Don Scott Field) to the State of Ohio

Mr. Safford presented the following recommendation:

At the request of this University and with the full concurrence of the Office of the Board of Regents, the Controlling Board of the State of Ohio on May 15, 1972, authorized the purchase of 63.157 acres by the State of Ohio for the sum of $238,618 from the capital appropriation provided for the development of University Livestock Facilities authorized in House Bill 988 of the 108th General Assembly. The titles for this land, including a 42.817 acre parcel located on Case and Sawmill Roads and a 20.340 acre parcel located on Godown Road, are presently held in the Investment Portfolio of this Board.

Authority is requested for the President and/or Vice President for Administrative Operations to prepare the necessary legal documents and to execute the transfer of titles to these properties from the Investment Portfolio to the State of Ohio for use by this University upon payment of the above-mentioned price and that these funds be deposited in the Investment Portfolio.

Upon motion of Mr. Safford, seconded by Mr. Hilliker, the above recommendation was approved by unanimous roll call vote.

C. Report on the University's Investment Portfolio

The report dated June 2, 1972, as submitted to the Finance and Investment Committee of the Board of Trustees by Mr. Ernest W. Leggett pertaining to the University's Investment Portfolio, was received and ordered to be filed with the official records of the Board of Trustees.

XI. RENAMING OF CENTER FOR TOMORROW

Chairman Eckley reported that Dick Mall had written to him on May 25 concerning an action which The Ohio State University Association had taken. Mr. Eckley quoted from the letter--

Therefore, the Alumni Advisory Board and the Board of Directors of The Ohio State University Association jointly and together respectfully petition the Board of Trustees to authorize the designation and naming of this building (this building being the one we are in today) as The Fawcett Center for Tomorrow and thus provide an enduring tribute to Novice G. Fawcett.
June 2, 1972 meeting, Board of Trustees

XI. RENAMING OF CENTER FOR TOMORROW (continued)

Mr. Shocknessy presented the following recommendation:

It would be a most fitting tribute to Novice G. Fawcett, in recognition of his more than sixteen years of distinguished and dedicated service as the eighth president of this University, to name in his honor the educational facility on this campus which best exemplifies his vision and dedication to the broadest concepts of education. While during his tenure as president, and largely through his leadership, The Ohio State University has invested over $275 million in enlarging its physical facilities, there is one facility which exists solely because of President Fawcett's vision. He conceived its need; was personally involved in its development; and gave the leadership to the recruitment of the necessary financial resources for its construction. A facility dedicated to making all of the educational resources of this University available to the people of the state, the nation, and the world, thus it is a fitting tribute to rename it "The Novice G. Fawcett Center for Tomorrow." And it is now my pleasure to recommend this action.

Upon motion of Mr. Shocknessy, seconded by Dr. Sirak, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote.

President Fawcett responded as follows:

I have tried to analyze my feelings about this matter when the announcement was made at the Sunset Supper where I was completely taken back by one of the greatest surprises I have ever experienced in my life. I have been in education a long time and I have been involved in the construction of literally hundreds of buildings for educational programs. I must say, however, that I fell into a rather interesting trap in some of my responses to comments that evening at the Sunset Supper. Someone mentioned this building on that occasion and I remember saying that of all the buildings with which I had been involved this one came the closest in expressing my own personal philosophy. Then suddenly I heard a resolution read concerning the renaming of this facility which was somewhat embarrassing. I do sincerely feel very humble and I can assure you that you could not have chosen anything that would have touched me as deeply. I am very grateful to you gentlemen for violating your own rule in taking this action and, as long as I live and maybe a while after, there will be a little recollection on the part of others concerning what you have done this afternoon.
June 2, 1972 meeting, Board of Trustees

XII. SALE OF PRESIDENT'S HOUSEHOLD FURNISHINGS

Mr. Safford presented the following recommendation:

I wish to propose that President Fawcett be authorized to purchase, at his own expense, certain household furnishings which are presently in the President's House, at a price established by averaging the individual appraisal made by three fully qualified independent appraisers.

Upon motion of Mr. Safford, seconded by Mr. Gushman, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote.

Grant Agreement
FEDERAL AVIATION AGENCY

GRANT AGREEMENT

Part 1-Offer

Date of Offer 17 MAY 1972

Ohio State University

Project No. 8-39-0027-01

Contract No. DOT-FA-72-GL 6722

TO: Board of Trustees of the Ohio State University, Columbus, Ohio (herein referred to as the "Sponsor")

FROM: The United States of America (acting through the Federal Aviation Agency, herein referred to as the "FAA")

WHEREAS, the Sponsor has submitted to the FAA a Project Application dated 14 April 1972, for a grant of Federal funds for a project for development of the Ohio State University Airport (herein called the "Airport"), together with plans and specifications for such project, which Project Application, as approved by the FAA is hereby incorporated herein and made a part hereof; and

WHEREAS, the FAA has approved a project for development of the Airport (herein called the "Project") consisting of the following-described airport development:

- Land reimbursement including clear zone (309 acres); construct, mark and light NE-SW taxiway (1400' X 50'), taxiway between R/W 27R approach end and north operational area (600' X 50'), connecting parallel taxiway to R/W 9R extension (1650' X 50') and taxiway connecting R/W 9L and 9R (2250' X 50'); construct 27R holding apron (approx. 945 SY), 9R holding apron (approx. 2695 SY), 9L holding apron (approx. 945 SY), itinerant parking apron (approx. 4000 SY and 6200 SY), and 27L holding apron (approx. 2695 SY); light existing R/W 5-23 as taxiway (2200'); construct, mark and light (HIRL) R/W 9L-27R (3000' X 100') including construction of 140' extension to R/W 14-32; construct, mark and light (HiREL) extension to west end of R/W 9R-27L (600' X 100'); light (HiREL) R/W 14-32 (3000'); overlay T/W D (666' X 50') and taxiway between R/W 27L and edge of Fire Building apron (3250' X 50'); construct and floodlight apron east of tee hangars (approx. 24,000 l.f.); install perimeter fence (approx. 23,000 l.f.); install VASI-4 on R/W 9R-27L and VASI-2 on R/W 9L-27R.

all as more particularly described in the property map and plans and specifications incorporated in the said Project Application;

NOW THEREFORE, pursuant to and for the purpose of carrying out the provisions of the Federal Airport Act, as amended (49 U.S.C. 1101), and in consideration of (a) the Sponsor's adoption and ratification of the representations and assurances contained in said Project Application, and its acceptance of this Offer as hereinafter provided, and (b) the benefits to accrue to the United States and the public from the accomplishment of the Project and the operation and maintenance of the Airport as herein provided, THE FEDERAL AVIATION AGENCY, FOR AND ON BEHALF OF THE UNITED STATES, HEREBY OFFERS AND AGREES to pay, as the United States share of the allowable costs incurred in accomplishing the Project, 50 per centum of all such costs.

625
This Offer is made on and subject to the following terms and conditions:

1. The maximum obligation of the United States payable under this Offer shall be $1,279,332.

2. The Sponsor shall:

   (a) begin accomplishment of the Project within ninety days after acceptance of this Offer or such longer time as may be prescribed by the FAA, with failure to do so constituting just cause for termination of the obligations of the United States hereunder by the FAA;

   (b) carry out and complete the Project without undue delay and in accordance with the terms hereof, the Federal Airport Act, and Sections 151.45-151.55 of the Regulations of the Federal Aviation Agency (14 CFR 151) in effect as of the date of acceptance of this Offer; which Regulations are hereinafter referred to as the "Regulations";

   (c) carry out and complete the Project in accordance with the plans and specifications and property map, incorporated herein, as they may be revised or modified with the approval of the FAA.

3. The allowable costs of the project shall not include any costs determined by the FAA to be ineligible for consideration as to allowability under Section 151.41 (b) of the Regulations.

4. Payment of the United States share of the allowable project costs will be made pursuant to and in accordance with the provisions of Sections 151.57-151.63 of the Regulations. Final determination as to the allowability of the costs of the project will be made at the time of the final grant payment pursuant to Section 151.63 of the Regulations: Provided, that, in the event a semi-final grant payment is made pursuant to Section 151.63 of the Regulations, final determination as to the allowability of those costs to which such semi-final payment relates will be made at the time of such semi-final payment.

5. The Sponsor shall operate and maintain the airport as provided in the Project Application incorporated herein and specifically covenants and agrees, in accordance with its Assurance 4 in Part III of said Project Application, that in its operation and the operation of all facilities thereof, neither it nor any person or organization occupying space or facilities thereon will discriminate against any person or class of persons by reason of race, color, creed or national origin in the use of any of the facilities provided for the public on the airport.

6. The FAA reserves the right to amend or withdraw this Offer at any time prior to its acceptance by the Sponsor.

7. This Offer shall expire and the United States shall not be obligated to pay any part of the costs of the Project unless this Offer has been accepted by the Sponsor on or before or such subsequent date as may be prescribed in writing by the FAA.

8. The Sponsor hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 CFR Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any federal program involving such grant, contract, loan insurance, or guarantee the following Equal Opportunity clause.
During the performance of this contract, the contractor agrees as follows:

a. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, sex, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination, rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

b. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin.

c. The contractor shall send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

d. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

e. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.

f. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be cancelled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rules, regulations, or order of the Secretary of Labor, or as otherwise provided by law.
g. The contractor will include the portion of the sentence immediately preceding paragraph a. and the provisions of paragraph a. through g. in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance. Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The Sponsor further agrees that it will be bound by the above Equal Opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the applicant so participating is a State or local government, the above Equal Opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The Sponsor agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the Equal Opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor that it will furnish the administering agency with the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The Sponsor further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of 24 September 1965, with a contractor debarred from, or who has not demonstrated eligibility for, government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the Equal Opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part III, Subpart D, of the Executive Order. In addition, the Sponsor agrees that if it fails or refused to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the Sponsor under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from the Sponsor; or refer the case to the Department of Justice for appropriate legal proceedings.

9. The Sponsor hereby covenants and agrees that its financial records of the project, established, maintained and made available to personnel of the FAA in conformity to Section 151.55 of the Regulations of the Federal Aviation Agency (14 CFR 151) will also be available to representatives of the Comptroller General of the United States.
10. By its acceptance hereof, the Sponsor hereby covenants that to the extent it has or may have either present or future control over each area identified on the Exhibit "A" as "clear zone", and unless exceptions or deviations from the following obligations have been granted to the Sponsor in writing by the FAA, it will clear said area or areas of any existing structure or any natural growth which constitutes an obstruction to air navigation with the standards established by Section 77.23 as applied to Section 77.25, Part 77, of the Federal Aviation Regulations; and the Sponsor further covenants that it will control the subsequent erection of structures and control natural growth to the extent necessary to prevent the creation of obstructions within said standards.

11. It is understood and agreed that the reference in Paragraph 7, Part III, Sponsor's Assurances of the Project Application to "Section 77.23 as applied to Section 77.27" is hereby revised to refer to "Section 77.23 as applied to Section 77.25."

12. The Sponsor hereby further covenants that it will not permit any permanent-type structures, other than structures required for aids to air navigation and such other structures as may be specifically excepted in writing by the FAA, to be erected on, and that it will cause any existing structures to be removed from, each area identified on the Exhibit A as "clear zone" or any portions thereof, concerning which the Sponsor has acquired a fee interest with federal financial assistance, irrespective of whether such structures constitute an obstruction to air navigation.

13. It is understood and agreed that the terms "Federal Aviation Agency" or "Federal Airport Act", wherever they appear in this agreement, in the Project Application, plans and specifications, or in any other document constituting a part of this agreement, shall be deemed to mean "Federal Aviation Administration" or the "Airport and Airway Development Act of 1970", as the case may be.

14. The Sponsor agrees that it will maintain a fee and rental structure for the facilities and services being provided the airport users which will make the airport as self-sustaining as possible under the circumstances existing at that particular airport, taking into account such factors as the volume of traffic and economy of collection.

15. It is also understood and agreed that Paragraph 2, Part III, of the Project Application is revised to read as follows:

The Sponsor will operate the airport as such for the use and benefit of the public. In furtherance of this covenant (but without limiting its general applicability and effect), the Sponsor specifically agrees that it will keep the airport open to all types, kinds, and classes of aeronautical use on fair and reasonable terms without discrimination between such types, kinds, and classes; provided, that the Sponsor may establish such fair, equal, and not unjustly discriminatory conditions to be met by all users of the airport; and provided further, that the Sponsor may prohibit or limit any given type, kind, or class of aeronautical use of the airport if such action is necessary.
a. For safe and efficient use of the airport,

b. To keep operation activities within acceptable noise levels, or

c. To serve the civil aviation needs of the public.

16. It is understood and agreed that subparagraphs a. and b. of Paragraph 3 of Part III - Sponsor's Assurances of the Project Application - are amended and revised to delete the words "or hereafter" wherever they appear therein. It is the intent of this amendment to limit the application of the exclusive rights policy only to airports now owned or controlled by the Sponsor.

17. It is understood and agreed that Paragraph 10, Part III, of the Project Application is revised to read as follows:

The Sponsor will furnish the FAA with such annual or special airport financial and operational reports as may be reasonably requested. Such reports may be submitted on forms furnished by the FAA, or may be submitted in such manner as the Sponsor elects as long as the essential data is furnished. The airport and all airport records and documents affecting the airport, including deeds, leases, operation and use agreements, regulations, and other instruments will be made available for inspection and audit by the FAA and the Comptroller General of the United States, or his duly authorized representative upon reasonable request. The Sponsor will furnish to the FAA or the General Accounting Office a true copy of any such documents.

18. The Federal Government does not now plan or contemplate the construction of any structures pursuant to Paragraph 9 of Part III - Sponsor's Assurances of the Project Application dated 14 April 1972, and therefore, it is understood and agreed that the Sponsor is under no obligation to furnish any areas or rights without cost to the Federal Government under this Grant Agreement. However, nothing contained herein shall be construed as altering or changing the rights of the United States and/or the obligations of the Sponsor under prior Grant Agreements to furnish rent-free space for the activities specified in such agreements.

19. It is understood and agreed that the United States will not be obligated to pay for the land interests to Parcels A, B, C, D and E, as shown on Exhibit "A", unless and until the Sponsor has submitted evidence of fee title free and clear of all encumbrances deemed objectionable by the Federal Aviation Administration, or lesser property interests satisfactory to the Federal Aviation Administration.

20. It is understood and agreed that FAA approval of the project included in this agreement is conditioned on the sponsor's compliance with applicable air and water quality standards in accomplishing project construction and in operating the airport; further, that failure to so comply may result in suspension, cancellation or termination of Federal assistance under this agreement.
21. a. The parties hereto recognize that a continuing need exists for parking space for Government owned and controlled automotive equipment used or assigned for use in serving FAA facilities and equipment on or in the vicinity of the airport. It is agreed by the parties hereto that the Sponsor will continue to provide without charge, designated parking space as now exists in reasonable proximity to FAA operations for such automotive equipment and that no change or modifications will be made in such designation without the consent of the parties thereto or their designated representative.

b. The parties hereto further recognize the need for adequate parking space for the motor vehicles used by the FAA employees for transportation to their place of employment and assigned duty stations on the airport. It is fully understood by and between the parties hereto that the Sponsor has made adequate parking space available to these employees on terms that are as favorable as those provided to the Sponsor's employees and the employees of others having duty stations on the airport. It is agreed by the parties hereto that the relationship now existing with respect to automobile parking space for FAA employees will continue and that no change will be made to alter this relationship or to either curtail or enlarge the demand for the parking facilities designated without the consent and concurrence of the parties hereto or their designated representatives.

22. It is understood and agreed that the Sponsor will operate the lighting system under the existing True Light Certificate.

The Sponsor's acceptance of this Offer and ratification and adoption of the Project Application incorporated herein shall be evidenced by execution of this instrument by the Sponsor, as herein-after provided, and said Offer and Acceptance shall comprise a Grant Agreement, as provided by the Federal Airport Act, constituting the obligations and rights of the United States and the Sponsor with respect to the accomplishment of the Project and the operation and maintenance of the Airport. Such Grant Agreement shall become effective upon the Sponsor's acceptance of this Offer and shall remain in full force and effect throughout the useful life of the facilities developed under the Project but in any event not to exceed twenty years from the date of said acceptance.

PROJECT APPLICATION
(For Federal Aid for Development of Public Airports)

Part I—PROJECT INFORMATION

The Board of Trustees of The Ohio State University (herein called the "Sponsor") hereby makes application to the Federal Aviation Administration (hereinafter called the "FAA"), for a grant of Federal funds pursuant to the Federal Airport Act and the Regulations issued thereunder, for the purpose of aiding in financing a project (herein called the "Project") for development of the Ohio State University Airport (herein called the "Airport") located in The City of Columbus, State of Ohio.

It is proposed that the Project consist of the following-described airport development:

Land reimbursement for Airport Development and Clear Zones (309 Ac.); construct, mark and light NE/SW taxiway (1400'x50') and construct 27R holding apron (800 SY); construct, mark and light taxiway (600'x50') between R/W 27R approach end and the north operational area; light existing R/W 5-23 as taxiway (MTL 2200'); construct, mark and light (MIRL) I/W 9L-27R (3000'x100') including construction of 140' extension to R/W 14-32; construct, mark and light (MIRL) extension to west end of R/W 9R-27L (600'x100'); construct, mark and light connecting parallel taxiway (1650'x50') and construct 9R holding apron (2000 SY); construct, mark and light taxiway (2250'x50') connecting R/W 9L and 9R and construct 9L holding apron (800 SY); construct itinerant parking apron between fire building and Division of Aviation hangar (4000 SY) and west of main hangars (6200 SY); construct based aircraft apron east of tee-hangars (24,000 SY) and stub taxiway (75'x50'); install MIRL I/W 14-32 (3000'); overlay taxiway between R/W 72L and east edge of fire building apron (2300'x50') and construct 27L holding apron (2000 SY); install perimeter fence (23,000 LF); install VASI-4 on R/W 9R-27L and VASI-2 on R/W 9L-27R.

all as more particularly described on the property map attached (hereeto as Exhibit "A") and in the plans and specifications submitted to the FAA on March 14, 1972, which are made a part hereof.

Part II—REPRESENTATIONS

The Sponsor hereby represents and certifies as follows:

1. Legal Authority.—The Sponsor has the legal power and authority: (1) to do all things necessary in order to undertake and carry out the Project in conformity with the Act and the Regulations; (2) to accept, receive, and disburse grants of funds from the United States in aid of the Project, on the terms and conditions stated in the Act and the Regulations; and (3) to carry out all of the provisions of Parts III and IV of this Project Application.

2. Funds.—The Sponsor now has on deposit, or is in a position to secure, $1,279,332 for use in defraying the costs of the Project. The present status of these funds is as follows:

These funds have all been expended for acquisition of land (Item #1). All land included in this project has been acquired and payment therefore has been made in full.

3. Compatible Land Use.—The Sponsor has taken the following actions to assure compatible usage of land adjacent to or in the vicinity of the airport:

Sponsor has acquired extensive land holdings on and around the airport as shown on the property map and intends to acquire additional properties as funds become available.

Sponsor reviews all development proposals in the airport vicinity and appears at public hearings to testify in behalf of airport interests.
4. Approvals of Other Agencies.—The Project has been approved by all non-Federal agencies whose approval is required, namely:

- State of Ohio - State Architect
- State of Ohio - Department of Public Works
- State of Ohio - Division of Aviation
- State of Ohio - Department of Development
- State of Ohio - Department of Natural Resources
- Mid-Ohio Regional Planning Commission
- Ohio State University - Board of Trustees

5. Defaults.—The Sponsor is not in default on any obligation to the United States or any agency of the United States Government relative to the development, operation, or maintenance of any airport, except as stated herewith:

No Exceptions

6. Possible Disabilities.—There are no facts or circumstances (including the existence of effective or proposed leases, use agreements, or other legal instruments affecting use of the Airport or the existence of pending litigation or other legal proceedings) which in reasonable probability might make it impossible for the Sponsor to carry out and complete the Project or carry out the provisions of Parts III and IV of the Project Application, either by limiting its legal or financial ability or otherwise, except as follows:

No Exceptions

7. Land.—(a) The Sponsor holds the following property interest in the following areas of land which are to be developed or used as part of or in connection with the Airport, subject to the following exceptions, encumbrances, and adverse interests, all of which areas are identified on the aforementioned property map designated as Exhibit "A":

The State of Ohio and the Board of Trustees of The Ohio State University have fee simple title, free and clear of all encumbrances subject to easements, in all land except four parcels within the Airport boundary limits as indicated on the property map, exhibit "A", dated 4/13/72, attached hereto and incorporated herein by reference.

The Sponsor further certifies that the above is based on a title examination by a qualified attorney or title company and that such attorney or title company has determined that the Sponsor holds the above property interests.
(b) The Sponsor will acquire within a reasonable time, but in any event prior to the start of any construction work under the Project, the following property interest in the following areas of land on which such construction work is to be performed, all of which areas are identified on the aforementioned property map designated as Exhibit "A":

All land included in this project has been acquired.

(c) The Sponsor will acquire within a reasonable time, and if feasible prior to the completion of all construction work under the Project, the following property interest in the following areas of land which are to be developed or used as part of or in connection with the Airport as it will be upon completion of the Project, all of which areas are identified on the aforementioned property map designated as Exhibit "A":

All land included in this project has been acquired.

8. Exclusive Rights. There is no grant of an exclusive right for the conduct of any aeronautical activity at any airport owned or controlled by the Sponsor except as follows:

No Exceptions
Part III—SPONSOR'S ASSURANCES

In order to furnish the assurances required by the Act and Regulations the Sponsor hereby covenants and agrees with the United States, as follows:

1. These covenants shall become effective upon acceptance by the Sponsor of an offer of Federal aid for the Project or any portion thereof, made by the FAA and shall constitute a part of the Grant Agreement thus formed. These covenants shall remain in full force and effect throughout the useful life of the facilities developed under this Project, but in any event not to exceed twenty (20) years from the date of said acceptance of an offer of Federal aid for the Project.

2. The Sponsor will operate the Airport as such for the use and benefit of the public, on fair, reasonable, and equal terms, and classes of aeronautical use on fair and reasonable terms without discrimination between such types, kinds, and classes. Provided, That the Sponsor may establish such fair, equal, and not unjustly discriminatory conditions to be met by all users of the Airport as may be necessary for the safe and efficient operation of the Airport; And Provided Further, That the Sponsor may prohibit or limit any given type, kind, or class of aeronautical use of the Airport if such action is necessary for the safe operation of the airport or necessary to serve the civil aviation needs of the public.

3. The Sponsor—

a. Will not grant or permit any exclusive right forbidden by Section 308(a) of the Federal Aviation Act of 1958 (49 U.S.C. 1386(a)) at the airport, or at any other airport now or hereafter owned or controlled by it;

b. Agrees that, in furtherance of the policy of the FAA under this covenant, unless authorized by the Administrator, it will not, either directly or indirectly, grant or permit any person, firm or corporation operating an airport or any other airport now or hereafter owned or controlled by it, to conduct any aeronautical activities, including, but not limited to, charter flights, pilot training, aircraft rental and sightseeing, aerial photography, crop dusting, aerial advertising and surveying, air carrier operations, aircraft salvaging and parking, aerial and ground washing and cleaning, water sports, radio, television, athletic games, picnics, exhibitions, off-sale of alcoholic beverages in the airport, or at any other airport now or hereafter owned or controlled by it, which would interfere with the furnishing of such services by contractors or concessionaires of the Sponsor under the provisions of such subsection.

c. Agrees that it will terminate any existing exclusive right to engage in the sale of gasoline or diesel fuel, or both, granted before July 17, 1962, at such an airport, at the earliest renewal, cancellation, or expiration date applicable to the agreement that established the exclusive right; and

d. Agrees that it will terminate any other exclusive right to conduct an aeronautical activity now existing at such an airport before the grant of any assistance under the Federal Airport Act.

4. The Sponsor agrees that it will operate the Airport for the use and benefit of the public, on fair and reasonable terms, and without unjust discrimination. In furtherance of this covenant (but without limiting its general applicability and effect), the Sponsor specifically covenants and agrees:

a. That in its operation and the operation of all facilities on the airport, neither it nor any person or organization occupying space or facilities thereon will discriminate against any person or class of persons by reason of race, color, creed, or national origin in the use of any of the facilities provided for the public on the Airport.

b. That in any agreement, contract, lease, or other arrangement under which a right or privilege at the Airport is granted to any person, firm, or corporation to conduct or engage in any aeronautical activity for furnishing services to the public at the airport, the Sponsor will insist and enforce provisions requiring the contractor,

(1) to furnish said service on a fair, equal, and not unjustly discriminatory basis to all users thereof, and

(2) to charge fair, reasonable, and not unjustly discriminatory prices for each unit or service; Provided, That the contractor may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.

c. That it will not exercise or grant any right or privilege which would operate to prevent any person, firm, or corporation operating an airport on the Airport from performing any services on its own aircraft with its own employees (including, but not limited to maintenance and repair) that it may choose to perform.

d. In the event the Sponsor itself exercises any of the rights and privileges referred to in subsection b, the services so exercised shall be provided on the same conditions as would apply to the furnishing of such services by contractors or concessionaires of the Sponsor under the provisions of such subsection.

5. Nothing contained herein shall be construed to prohibit the granting or exercise of an exclusive right for the furnishing of nonaeronautical products and supplies or any service of a nonaeronautical nature or to obligate the Sponsor to furnish any particular nonaeronautical service at the Airport.

6. The Sponsor will operate and maintain in a safe and serviceable condition the Airport and all facilities thereon and connected therewith which are necessary to serve the aeronautical users of the Airport other than facilities owned or controlled by the United States and will not permit any activity thereon which would interfere with its use for airport purposes; Provided, That nothing contained herein shall be construed to require that the Airport be operated for aeronautical uses during temporary periods when snow, flood, or other climatic conditions interfere with such operation and maintenance; And Provided Further, That nothing herein shall be construed as requiring the maintenance, repair, reconditioning or replacement of any structure or facility which is substantially damaged or destroyed due to an act of God or other condition or circumstance beyond the control of the Sponsor.
7. If, as far as it is within its power and reasonably possible, the Sponsor will, either by the acquisition, retention, or retention of easements or other interests in or for the use of land or airspace or by the adoption and enforcement of zoning regulations, prevent the construction, erection, alteration, or growth of any structure, tree, or other object in any of those areas of the Airport, Sponsor may decide to or for the use, operation, or future development of the Airport, in any portion of a runway approach area in which the Sponsor has acquired, or may hereafter acquire, property interests permitting it to so control the use made of the surface of the land.

a. All facilities of the Airport developed with Federal aid and all those usable for the landing and taking off of aircraft, will be available to the United States at all times, without charge, for use by military and naval aircraft in common with other aircraft, except that if the use by military and naval aircraft is substantial, a reasonable share, proportional to such use, of the cost of operating and maintaining facilities so used, may be charged. Unless otherwise determined by the FAA, or otherwise agreed to by the Sponsor and the using agency, substantial use of an airport by military and naval aircraft will be considered to exist when operations of such aircraft are in excess of those which, in the opinion of the FAA, would unduly interfere with use of the landing area by other authorized aircraft, or during any calendar month that:

a. Five (5) or more military or naval aircraft are regularly based at the airport or on land adjacent thereto; or

b. The total number of movements (counting each landing as a movement and each takeoff as a movement) of military or naval aircraft is 300 or more, or the gross cumulative weight of military or naval aircraft using the Airport (the total movements of military or naval aircraft multiplied by gross certificated weights of such aircraft) is in excess of five million pounds.

9. Whenever so requested by the FAA, the Sponsor will furnish without cost to the Federal Government, for construction, operation and maintenance of facilities for air traffic control activities, or weather reporting activities and communication activities related to air traffic control, such areas of land or water, or estate therein, or rights in buildings of the Sponsor as the FAA may consider necessary or desirable for construction. Federal expense of space or facilities for such purposes. The approximate amounts of areas and the nature of the property interests and/or rights so required will be set forth in the Grant Agreement relating to the Project. Such areas or any portion thereof will be made available as provided herein within 4 months after receipt of written request from the FAA.

10. The Sponsor will furnish the FAA with such annual or special airport financial and operational reports as may be reasonably requested. Such reports may be submitted in forms furnished by the FAA, or may be submitted in such manner as the Sponsor elects so long as the essential data are included. The Airport and all airport records and documents affecting the Airport, including deeds, leases, operation and use agreements, regulations, and other instruments, will be made available for inspection by any duly authorized representative of the FAA upon reasonable request. The Sponsor will furnish to the FAA, upon request, a true copy of any such document.

11. The Sponsor will not enter into any transaction which would constitute to deprive it of any of the rights and powers necessary to perform any or all of the covenants made herein, unless by such transaction the obligation to perform all such covenants is assumed by another public agency found by the FAA to be eligible under the Act and Regulations to assume such obligations and having the power, authority, and financial resources to carry out all such obligations. If an arrangement is made for management or operation of the Airport by any agency or person other than the Sponsor or an employee of the Sponsor, the Sponsor will reserve sufficient rights and authority to ensure that the Airport will be operated and maintained in accordance with the Act, the Regulations, and those covenants.

12. The Sponsor will keep up to date at all times an airport layout plan of the Airport showing (1) the boundaries of the Airport and all proposed additions thereto, together with the boundaries of all offsite areas owned or controlled by the Sponsor for airport purposes, and proposed additions thereto; (2) the location and nature of all existing and proposed airport facilities and structures (such as runways, taxiways, aprons, terminal buildings, hangers, and roads), including all proposed extensions and reductions of existing airport facilities; and (3) the location of all existing and proposed nonaviation areas and of all existing improvements thereto. Such airport layout plan, and each amendment, revision, or modification thereof, shall be subject to the approval of the FAA, which approval shall be evidenced by the signature of a duly authorized representative of the FAA on the face of the airport layout plan. The Sponsor will not make or permit the making of any changes or alterations in the Airport or any of its facilities other than in conformity with the airport layout plan as so approved by the FAA. If such changes or alterations might adversely affect the safety, utility, or efficiency of the Airport.

13. Insofar as is within its power and to the extent reasonable, the Sponsor will take action to restrict the use of land adjacent to or in the immediate vicinity of the Airport to activities and purposes compatible with normal airport operations including landing and takeoff of aircraft.

14. If at any time it is determined by the FAA that there is any outstanding right or claim of right in or to the Airport property, other than those set forth in Part II, paragraphs (a), (b), and (c), the existence of which creates an undue risk of interference with the operation of the Airport or the performance of the covenants of this Part, the Sponsor will acquire, extinguish, or modify such right or claim of right in a manner acceptable to the FAA.

15. Unless the context otherwise requires, all terms used in these covenants which are defined in the Act and the Regulations shall have the meanings assigned to them therein.

638
Part IV—PROJECT AGREEMENT

If the Project or any portion thereof is approved by the FAA, and an offer of Federal aid for such approved Project is accepted by the Sponsor, it is understood and agreed that all airport development included in such Project will be accomplished in accordance with the Act and the Regulations, the plans and specifications for such development, as approved by the FAA, and the Grant Agreement with respect to the Project.

IN WITNESS WHEREOF, the Sponsor has caused this Project Application to be duly executed in its name, this 14th day of April, 1972.

The Ohio State University

April 13, 1972
In order to furnish the assurances required by Title VI of the Civil Rights Act of 1964, and by Part 21 of the Regulations of the Office of the Secretary of Transportation, as amended, the Board of Trustees of The Ohio State University (insert name of Sponsor) (hereinafter called the "Sponsor") hereby covenants and agrees with the United States (hereinafter called the "Government") as follows:

The Sponsor, in the operation and use of the Ohio State University Airport, will not on the grounds of race, color, or national origin discriminate or permit discrimination against any person or group of persons in any manner prohibited by Part 21 of the Regulations of the Office of the Secretary of Transportation.

The Sponsor will also include, or require the inclusion, in every agreement or concession pursuant to which any person, other than the Sponsor, operates or has the right to operate any facility on the Airport providing services to the public, the foregoing covenant as an obligation assumed by that person, together with a provision granting the Sponsor the right to take such action as the Government may direct to enforce that covenant.

Noncompliance with the above assurances shall constitute a material breach, and in the event of such noncompliance, the Government may take appropriate action to enforce compliance, may terminate the Grant Agreement to which this covenant relates, or seek judicial enforcement.

The covenant shall become effective upon execution of a Grant Agreement pursuant to the above identified project application and shall constitute part of the Grant Agreement to which it relates and shall remain in full force and effect so long as the airport covered by such agreement continues to be used and operated as a public airport.

Degrees Conferred at

THE OHIO STATE UNIVERSITY
COMMENCEMENT CONVOCATION

June 9, 1972
The Recipients of Honors

JOHN ENGLEBERT DUNPHY
Doctor of Science

Distinguished surgeon, scientist, and educator, whose contributions have had worldwide influence in the art and science of surgery.

J. Englebert Dunphy has extended his energies and creative interests in a 40 year career to strengthen health and surgical education in the United States. Dr. Dunphy received his bachelor's degree from Holy Cross and his medical degree from Harvard University. The foundation for his outstanding career in medical research began at Harvard where his personal skills in surgery inspired countless students and culminated in his appointment as Director of the 5th Surgical Service and Sears Surgical Laboratory, Boston City Hospital.

From Boston, his surgical, educational, and administrative attributes grew apace. In 1959, he became Chairman of Surgery at the University of Oregon. Since 1964, Dr. Dunphy has capably served as Chairman of the Department of Surgery at the University of California at San Francisco, with visiting professorships at The Ohio State University in 1967 and 1970. With a mind hospitable to the great traditions of medical research, his vigorous scientific labors have produced 250 publications including basic texts for the training of medical students and young surgeons.

He has been honored by membership in every distinguished surgical society in the United States as well as numerous surgical societies overseas, sharing his energy in the development of worldwide cooperation among surgeons.

He has served for two years as President of the Federation of Surgical Colleges representing 40 countries. His leadership has been further acknowledged by election to the presidency of six major professional societies and as Chairman of the Board of Regents of the American College of Surgeons.

The Ohio State University is proud to honor John Englebert Dunphy for his lifelong contributions to science and health care in the United States and for his outstanding efforts to improve the teaching of surgery, both nationally and through international cooperation.

JOSEPH HOWARD KOFFOLT
Doctor of Science

Noted educator and innovative scholar, widely recognized for professional dedication to the forward thrust of chemical engineering in America.

A nationally known authority in the field of chemical engineering, Joseph H. Koffolt's career has spanned a wide range of occupational interests. A graduate of The Ohio State University, Dr. Koffolt joined the University's staff as a teaching assistant in chemical engineering in 1929 and by 1940 had attained the rank of full professor. He became Chairman of the department in 1948 and ably maintained this position for the next two decades. During his Chairmanship, Dr. Koffolt worked diligently to advance the stature and prominence of not only his immediate department, but the overall contributions of his field as well. His inspiring teaching has been noted by more than forty graduating classes of chemical engineers.

Although Dr. Koffolt's educational contributions are of substantial importance, they by no means monopolize his occupational accomplishments. One of the early and important contributors to the development and use of nomographs, his research dealt with fundamental and applied aspects of distillation and liquid-liquid extraction processes. As an industrial consultant with the federal and state governments, he has had extensive experience in the areas of explosives and thermodynamics. In industry he has held positions with the American Steel and Wire Company, the Industrial Rayon Corporation, and the American Potash and Chemicals Corporation.

Active in professional affairs, Dr. Koffolt is affiliated with a number of organizations including the American Chemical Society and the American Society for Engineering Education. He is also a member of honorary professional societies such as Tau Beta Pi and Sigma Xi. Honored by the rank of Fellow from the American Institute of Chemical Engineers, he is a recipient of their Founder's Award as well as the Technical Man of the Year Award from the Columbus Technical Council.

The Ohio State University is proud to confer the honorary degree, Doctor of Science, upon Joseph Howard Koffolt, an alumnus who has given a lifetime of distinguished service to his alma mater and to the advancement of his profession.

The Ohio State University is proud to honor Joseph Howard Koffolt for his contributions to science and health care in the United States and for his outstanding efforts to improve the teaching of surgery, both nationally and through international cooperation.
ALAN GREGORY LOOFBOURROW

Doctor of Science

Prominent automotive engineer whose imagination, ingenuity, and integrity are of the highest caliber.

Long a pioneer in Detroit's automotive engineering industry, Alan G. Loofbourrow received his undergraduate degree in mechanical engineering from The Ohio State University. He went on to complete degrees at both the University of Michigan and the Chrysler Institute of Engineering. His formal education at the Institute proved to be only the beginning of what was to become an extensive and distinguished career with Chrysler Corporation, culminating with his appointment as Vice President of Engineering and Research.

A man with many innovations to his credit, Mr. Loofbourrow has established himself as one of the nation's foremost creative engineers. He introduced the first production application of power steering and disc brakes to passenger cars as well as the first torsion-bar suspension system to be applied to high volume, mass-produced automobiles. His inventions in the area of automatic transmissions have evolved into the classic design for the industry. Unibody construction, improvements in safety glass, the introduction of the alternator as an industry first, and the slant-six engine are yet other areas of his engineering contributions. He advocated standards and specifications for increased and improved vehicle safety, quality, and service far in advance of the current drive for such measures.

Aside from the mechanics of automotive development, Mr. Loofbourrow has had an active interest in civic affairs. As Co-chairman of the Junior Achievement of Southwest Michigan and has been Fund Drive Unit Chairman of that organization. He has also maintained a link with The Ohio State University through the Mechanical Engineering Department's Visiting Committee which serves as an advisory group to the faculty, joining industry and education in long range planning.

For combining unparalleled executive and engineering abilities with the humanitarian utilization of these talents, The Ohio State University honors Alan Gregory Loofbourrow.

ARMIN H. MEYER

Doctor of Laws

Honorable government official whose diplomatic acumen is high tribute to American representation abroad.

Ambassador Armin Meyer is a career diplomat with 29 years of service to our nation, entering the Foreign Service at the end of World War II. Since his first assignment with the United States Office of War Information in Cairo, Mr. Meyer has represented our country as an emissary around the globe. As Public Affairs Officer for the American Embassy in Baghdad, he developed a keen awareness of, and interest in, Middle East affairs. From 1952 to 1955 he served in Beirut and was Charge d'Affaires ad interim at the American Embassy in the Lebanese capital. Until his reassignment as Deputy Chief of Mission in Afghanistan, Ambassador Meyer was successful in cementing several agreements concerning international oil rights.

Returning to Washington, D.C., Mr. Meyer served as Deputy Assistant Secretary of State for Near Eastern and South Asian Affairs from 1957 to 1961. The responsibilities of this position included the coordination of 18 foreign countries, ranging from Greece to India.

Again accepting overseas appointment, Ambassador Meyer was the chief of the United States Mission in Iran until 1965. During his tenure in Iran, our country's foreign aid programs to the nation diminished as local citizens became more self-sufficient. From Iran, Mr. Meyer assumed his most recent appointment as Ambassador to Japan. Historic developments during his service include negotiations for the return of Okinawa to the Japanese and the promotion of harmonious and cooperative trade relations between our country and Japan.

Prior to his affiliations with the Foreign Service, Mr. Meyer was Dean of Men and associate professor of mathematics at Capital University, his undergraduate alma mater. He is also a summa cum laude graduate of the Evangelical Lutheran Theological Seminary as well as a recipient of the Master of Arts degree from The Ohio State University.

For his continuing loyal support of responsible and effective government service, The Ohio State University honors Armin H. Meyer with the honorary degree, Doctor of Laws.

Minutes of the last meeting were approved.
July 7, 1972 meeting, Board of Trustees

REPORT BY CHAIRMAN

The Chairman announced the appointment of James W. Shocknessy to the Finance and Investment Committee for the academic year 1972-1973:

President Fawcett presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Establishment of a University Senate

President Fawcett made the following statement:

The first of my several general recommendations this afternoon is concerned with a most important subject which has perhaps received more attention by this University's faculty, students, and administration over the past two years than any other single matter; that is, the establishment of a University Senate. The Board has been kept informed on this matter, and a copy of the proposal was mailed to each member on June 15, 1972. Over a two-year period the Faculty Council, with its membership enlarged by 33 students, has considered a wide range of proposals as to membership and structure of a University-wide legislative body which could most meaningfully respond to appropriate matters presently within the authority and jurisdiction of Faculty Council.

Countless hours have been devoted through the subcommittees and at regular and special meetings of the Faculty Council as well as numerous departmental and college faculty meetings to the examination, discussion, and recommendation of how best to constitute such a University Senate. Three successive Faculty Councils as well as student leaders from three successive student representative groups were directly involved in this deliberative process. Finally, after many compromises, the Faculty Council brought forth what its members believed to be the proposal which would have the widest degree of acceptance among the various contending segments of the University. But before taking final action, it was decided that this proposal should be the subject of both a student and a faculty referendum. The results of the faculty referendum provided a clear mandate for the Faculty

Council proposal. With over one-half of our faculty voting, the proposal was supported 1139 for to 511 against. In the student referendum, also, the proposal carried, although the vote was much closer, 1351 for to 1203 against. Although the student turnout was somewhat disappointing to everyone, it appeared that the entire University community made a sincere and concentrated effort to bring the issue to the fore to encourage knowledgeable and interested voting. Subsequently, the Faculty Council, at its meeting on June 7, voted 66 to 13 in favor of this proposal which I am now recommending to the Board for your favorable consideration. As you are aware, inherent in any proposal of this nature is the question of what constitutes the most appropriate division in representation of the various constituencies, in this case, faculty, students, and administration. There is little question that the division in membership called for in this proposal represents in each group’s mind a substantial compromise, and each believes its segment to be somewhat under-represented for the ideal.

I would suggest, however, rather than debating the various aspects of this proposal further, it is now time to enact the proposal of Faculty Council to establish a University Senate and modify the By-Laws of the Board of Trustees and the Rules for the University Faculty accordingly to accommodate this new University-wide legislative body. After the University Senate comes into official existence, orderly procedures are provided for within its regulations to perfect its organization. And finally, I might say that I have discussed this recommendation that I am now making with President-Elect Enarson, and he concurs in my desire for action by the Board on the University Senate proposal at this time.

The entire subject, process and result, is a viable demonstration of the best in the deliberative processes within the academic community, and I commend everyone for their thoughtful involvement.

President Fawcett then presented the following recommendation:

The Faculty Council on June 7, 1972, after almost two years of deliberation approved the establishment of a University Senate to replace the existing Faculty Council. To effect this action a number of changes are necessitated in the By-Laws of the Board of Trustees and Rules for the University Faculty including:
I. GENERAL RECOMMENDATIONS (continued)

A. Establishment of a University Senate (continued)

President Fawcett's recommendation (continued)

1. The repeal of Rules 29.01 through 29.25 and Rules 29.2713 and 29.2717.

2. The addition of Rule 28.00 to provide for changes in existing rules so that any section of the previous rules which are inconsistent with new rules for the University Senate will be inapplicable.

3. The addition of Rules 28.01 through 28.19 to effect the formation of the University Senate.

It is recommended that the University Senate be established and that the By-Laws of the Board of Trustees and Rules for the University Faculty be modified to accommodate this reorganization. (See Appendix I, page 55.)

Upon motion of Mr. Hilliker, seconded by Mr. Cushman, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote.

B. Revision of Rule 35.07 to Amend the Pass/Non-Pass Grade

The Faculty Council on June 9, 1972 also approved a modification of the PA/NP--Pass/Non-Pass grade in Rule 35.07. The proposed rule change clarifies the courses to be graded Pass/Non-Pass, inserts a decision time limit for electing the PA/NP grade, and designates the equivalent grades for Pass and Non-Pass. (See Appendix II, page 69.)

President Fawcett recommended that the foregoing recommendation of the Faculty Council be approved.

Upon motion of Mr. Harrod, seconded by Mr. Safford, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

C. Naming of Buildings

Upon the recommendation of the Vice President for Medical Affairs, and with the concurrence of the President's Cabinet, President Fawcett recommended that the Medical Basic Science Building at 333 West Tenth Avenue be named Grant O. Graves Hall to honor the memory of Grant Ostrander Graves, Professor and Chairman of the Department of Anatomy at the time of his death on February 7, 1972.
I. GENERAL RECOMMENDATIONS (continued)

C. Naming of Buildings (continued)

Upon the recommendation of the Vice President for Regional Campuses and Dean of the University College, and with the concurrence of the President's Cabinet, President Fawcett recommended that University College - Building No. 4 at 1090 Carmack Road be named William H. Scott Hall to honor the memory of William Henry Scott, the third President of The Ohio State University who served from 1883 to 1895 and was Professor of Philosophy until the time of his retirement in 1910.

These recommendations are in accordance with the By-Laws of the Board of Trustees.

Upon motion of Dr. Sirak, seconded by Mr. Dorsey, the Board of Trustees approved the foregoing recommendations by unanimous voice vote.

D. Report of Auditor of State to The Ohio State University

The Annual Report of the Auditor of State for the fiscal year 1969-70 has been received and reviewed by the appropriate officers of the University. The report indicates that with the exception of one procedure which has since been modified, the procedures and records of The Ohio State University are in order.

President Fawcett recommended that the Annual Report of the Auditor of State for the fiscal year 1969-70 be accepted and filed with the official documents of The Ohio State University.

Upon motion of Mr. Safford, seconded by Mr. Shocknessy, the above recommendation was approved by unanimous voice vote.

E. Degrees and Certificates Conferred--Summer Quarter Commencement

President Fawcett recommended that degrees and certificates be conferred at the Summer Quarter Commencement Convocation on September 1, 1972, to those students who have completed the requirements for their respective degrees and certificates and are recommended by the Faculty Council. The names of those awarded degrees and certificates will be included in the minutes of this meeting. (See Appendix III, page 73.)

Upon motion of Mr. Dorsey, seconded by Mr. Shocknessy, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.
July 7, 1972 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

F. Honorary Degrees

President Fawcett recommended under authority granted him in Section 3, Rule 11.05, and after consultation with the Faculty Advisory Committee to the President and the Board of Trustees, that the Doctor of Athletic Arts degree be conferred on the following recipients at the September 1, 1972 Commencement:

Jack William Nicklaus
Jesse Owens

Upon motion of Mr. Harrod, seconded by Mr. Gushman, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

G. Facilities to be Financed by the Ohio Facilities Commission

The following resolution is required by the Ohio Board of Regents pursuant to the authority granted under Chapter 3333.05 of the Ohio Revised Code and the provision contained in S.B. 457 before this University may initiate any Capital Projects funded by the State.

President Fawcett recommended that the following resolution be adopted:

Be It Resolved by the Board of Trustees of The Ohio State University, that:

Section 1. The President and/or the Treasurer of The Ohio State University are hereby authorized to complete and sign, on behalf of the University, Ohio Public Facilities Commission forms Nos. 101 and 101A for any and all of the projects for the University provided for by or pursuant to the appropriations made under Section 2 of Amended Substitute Senate Bill No. 457 enacted by the 109th General Assembly and such projects provided for by or pursuant to appropriations made in future enactments of Ohio General Assemblies.

Section 2. The Board of Trustees agrees to permit the Ohio Public Facilities Commission to use the sites for the purpose of said projects, the boundaries of which are shown in the plans for such projects, for so long as the respective notes, if any, and bonds issued to finance such projects shall be outstanding.

Section 3. The Ohio State University and its Board of Trustees in its behalf agrees to undertake performance of the functions and responsibilities of a using governmental agency, and of a designated governmental agency to the extent it is such, as
July 7, 1972 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

G. Facilities to be Financed by the Ohio Facilities Commission (continued)

provided in the Regulations of the Ohio Public Facilities Commission and any applicable leases, agreements, or rules of the Commission, with respect to the aforesaid projects.

Upon motion of Mr. Safford, seconded by Mr. Gushman, the Board of Trustees adopted the foregoing resolution by unanimous voice vote.

H. University Initiated Fees and Charges

During this past year, all fees, charges, receipts, and income initiated by the departments, offices and auxiliary areas within the University were reviewed as an integral part of the comprehensive budgeting and planning program. This action represents a further refinement in the review and coordination process which presently includes the review of all the University decisions which fall within the Wage-Price guidelines, the incorporation into the biennial planning process of all sources of income, and the inclusion in the annual program budgeting process of all sources of income.

A procedure has now been established for the review of charges initiated by any unit within the University before the start of each fiscal year and presentation to the Board of Trustees for action. This review requires a justification for the initiation of all charges as well as proposed changes in charges, a management audit of the income and expenses associated with all such charges, and an opinion by the University Cost of Living Council as to the permissibility of any proposed increase, as well as compliance with State statutes and sound University budgeting practices.

Included in this recommendation by reference is a schedule of charges for over 13,000 individual assessments by some 200 units within the University for the 1972-1973 year. This inventory is organized by fiscal unit and includes a summary analysis by type of charge (services, deposits, publications, medical and related charges).

President Fawcett recommended that the schedule of charges as proposed be approved and that a detailed copy of such charges be maintained with the official records of the Boards of Trustees.

Upon motion of Mr. Harrod, seconded by Mr. Dunlap, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote.
II. PERSONNEL CHANGES

A. The Ohio State University and The Ohio State University Research Foundation

1. Government Research Contracts - Federal (continued)

   o. Department of Health, Education, and Welfare, Public Health Service, Food and Drug Administration, Rockville, Maryland, Develop and Conduct a Training Course for FDA Professional Personnel (to be known as Project No. 3479-B1 - New - College of Administrative Science, Division of Continuing Education). Gross Value - $8,019.00.

   TOTAL - Government Research Contracts - Federal $1,093,235.00

2. Industrial and Other Research Contracts

   a. Steel Founders' Society of America, Rocky River, Ohio, Investigation of Cast Corrosion Resistant Alloys (to be known as Project No. 350 - Amend. #24 - Department of Metallurgical Engineering). Gross Value - $9,000.00.

   c. Battelle Memorial Institute, Columbus Laboratories, Columbus, Ohio, Studies of Arctic Pedology, Geology, and Permafrost (to be known as Project No. 3475-A1 - New - Institute of Polar Studies). Gross Value - $20,326.00.

   TOTAL - Industrial and Other Research Contracts $33,326.00

   a. Department of Health, Education, and Welfare, Public Health Service, National Institutes of Health, National Eye Institute, Bethesda, Maryland, Tracing Photoreceptor Activity Within the Retina (to be known as Project No. 782-K - Sup. #1 - Department of Biophysics). Gross Value - $3,526.00.
July 7, 1972 meeting, Board of Trustees

III. RESEARCH CONTRACTS, RESEARCH GRANTS, AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

3. Government Research Grants - Federal (continued)

b. Department of Health, Education, and Welfare, Public Health Service, National Institutes of Health, National Heart and Lung Institute, Bethesda, Maryland, Distribution and Metabolism of Labeled Digitaloids (to be known as Project No. 1451-K - Ext. #10 - Department of Pharmacology).
Gross Value - $43,837.00.

c. Department of Health, Education, and Welfare, Public Health Service, Health Services and Mental Health Administration, National Institute of Mental Health, Bethesda, Maryland, Psychotropic Drugs and Phenotypical Behaviors (to be known as Project No. 1653-H - Ext. #8 - College of Pharmacy).
Gross Value - $19,388.00.

d. Department of Health, Education, and Welfare, Public Health Service, National Institutes of Health, National Institute of Allergy and Infectious Diseases, Bethesda, Maryland, The Induction of Tolerance to Xenografts (to be known as Project No. 2662-D - Ext. #4 - Department of Surgery).
Gross Value - $42,622.00.

e. Department of Health, Education, and Welfare, Public Health Service, National Institutes of Health, National Eye Institute, Bethesda, Maryland, Electrophysiological Studies of Visual Adaptation (to be known as Project No. 2711-C - Ext. #3 - Department of Ophthalmology).
Gross Value - $35,300.00.

f. Department of Health, Education, and Welfare, Public Health Service, National Institutes of Health, National Institute of Allergy and Infectious Diseases, Bethesda, Maryland, A Model of Parainfectious Demyelinating Encephalitis (to be known as Project No. 2797-C - Ext. #3 - Department of Veterinary Pathology).
Gross Value - $41,675.00.

g. Department of Health, Education, and Welfare, Public Health Service, National Institutes of Health, National Institute of Neurological Diseases and Stroke, Bethesda, Maryland, Myelin Biosynthesis and Turnover (to be known as Project No. 2815-B - Sup. #1 - Department of Physiological Chemistry).
Gross Value - $7,075.00.

h. Department of Health, Education, and Welfare, Public Health Service, National Institutes of Health, National Institute of Arthritis and Metabolic Diseases, Bethesda, Maryland, Mechanism of Sodium Retention in Edematous States (to be known as Project No. 2831-C - Ext. #3 - College of Medicine).
Gross Value - $64,855.00.
III. RESEARCH CONTRACTS, RESEARCH GRANTS, AND AGREEMENTS (continued)

A. The Ohio State University and The Ohio State University Research Foundation

3. Government Research Grants - Federal (continued)

i. National Science Foundation, Washington, D. C., Group Theory, the Theory of Orders and the Geometry of Numbers (to be known as Project No. 2839 - Amend. #2 - Department of Mathematics).
Gross Value - $24,700.00.

Gross Value - $39,671.00.

k. Department of Health, Education, and Welfare, Public Health Service, Health Services and Mental Health Administration, National Institute of Mental Health, Bethesda, Maryland, Verbal Learning Conferences (to be known as Project No. 3058-A3 - Ext. #2 - Department of Psychology).
Gross Value - $7,225.00.

l. Department of Health, Education, and Welfare, Public Health Service, National Institutes of Health, National Institute of Child Health and Human Development, Bethesda, Maryland, In Vivo Effects of Histidase (to be known as Project No. 3079-A3 - Ext. #2 - Department of Physiological Chemistry).
Gross Value - $39,186.00.

m. National Science Foundation, Washington, D. C., Mechanism of Photophosphorylation (to be known as Project No. 3081-A1 - Amend. #1 - Department of Biochemistry).
Gross Value - $40,000.00.

Gross Value - $5,100.00.

Gross Value - $39,600.00.

The Engineering Experiment Station of The Ohio State University entered into the following research contracts. These research contracts were reported to the Board of Trustees for information and the record.

1. Government Research Contracts

   EES 276X Ext. #8
   An Investigation of Highway Automation, Ohio Department of Highways, Columbus, Ohio.
   Gross Value - $180,000.00.

   EES 278X Ext. #8
   Investigation of Traffic Dynamics by Aerial Photogrammetry Techniques, Ohio Department of Highways, Columbus, Ohio.
   Gross Value - $21,530.00.

   EES 392X Mod. #1
   Formation of Dense Settled Sludge by Lime Treatment of Acid Mine Drainage, U.S. Department of Interior, Washington, D.C.
   Gross Value - $3,000.00.

   EES 399X Mod. #1
   Institute Director's Office, U.S. Department of Interior, Washington, D.C.
   Gross Value - $2,522.00.

C. Lease Agreement: Board of Trustees of The Ohio State University and the Board of Control of the Ohio Agricultural Research and Development Center

Sections 903.06 and 3345.11, Ohio Revised Code, provide general authorization for the Board of Control of the Ohio Agricultural Research and Development Center to enter into a lease with the Board of Trustees of The Ohio State University authorizing said Board of Trustees of The Ohio State University use of lands for the construction and operation of an Area Extension Center and related facilities.

The Center has custody and control of certain lands owned by the State of Ohio and located in Noble Township, Noble County, Ohio.

It is the desire of the parties hereto that the University have the use of these lands for the construction and operation of an Area Extension Center and related facilities.

The parties propose utilization of the land in accordance with the provisions of Sections 903.06 and 3345.11, Ohio Revised Code.

It was recommended that the President and/or Vice President for Administrative Operations be authorized to act on behalf of the University to enter into a lease agreement between the Board of Control of the Ohio Agricultural Research and Development Center and the Board of Trustees of The Ohio State University to provide for the lease of 9.92 acres for the construction and operation of an Area Extension Center and related facilities located in Noble Township, Noble County, Ohio.

Upon motion of Mr. Dunlap, seconded by Mr. Hilliker, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote.

C. Establishment of Named Funds

1. $2,792.19 for the establishment of The Janet Harris Harding Scholarship Fund.

The Janet Harris Harding Scholarship Fund

The Janet Harris Harding Scholarship Fund was established July 7, 1972, by the Board of Trustees of The Ohio State University with a gift to The Ohio State University Development Fund from Lowry W. Harding, Ph.D., 1941, Columbus, Ohio, in honor of his wife, Janet Harris Harding.

All gifts are to be invested in the University's permanent endowment, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

Annual income is to be added to the principal until the fund reaches $10,000. At that time, the annual income is to be used to provide one or more scholarships for students enrolled in the College of Education and majoring in elementary education. First preference is to be given to one or more minority group students who have a strong interest in the area of mathematics and who have demonstrated academic ability and need for financial assistance. The selection of the recipient(s) is to be made by the University Scholarship Committee upon the recommendation of the senior faculty members in the Elementary Education Department and the Dean of the College.

Should the need for the scholarship cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for scholarships.
IV. GRANTS AND GIFTS (continued)

C. Establishment of Named Funds (continued)

2. $1,150.00 for the establishment of the Stadium Scholarship Dormitory Scholarship Fund.

Stadium Scholarship Dormitory Scholarship Fund

The Stadium Scholarship Dormitory Scholarship Fund was established July 7, 1972, by the Board of Trustees of The Ohio State University with gifts through The Ohio State University Development Fund from students, alumni, and friends of the Stadium Scholarship Dormitory.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of the University, with the right to invest and reinvest as occasion dictates.

The income is to be used annually for scholarships, loans, or awards to qualified students. All scholarships, loans, or awards are to be made by the University Scholarship Committee.

Should the need for these scholarships, loans, or awards cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever, as determined by the Board of Trustees of the University, with preference being given to the recommendations of the appropriate administrative official of the University who is then directly responsible for student financial aids programs.

Funds for this project have been provided from HB 988, Item 315-067, HB 531, Item 315-067, SB 457, Item 315-067.

Upon motion of Mr. Hilliker, seconded by Mr. Safford, the above award of contracts and expenditure of funds were approved and the action of the Vice President for Administrative Operations ratified by unanimous roll call vote.

B. Erection of Educational Television Tower and Associated Facilities

At the December 3, 1971 meeting, this Board authorized the purchase of land on which an educational television transmitting tower is to be constructed. Bids for the construction of this tower are now scheduled to be received on July 12, 1972. Since these bids are valid for thirty days and the next meeting of the Board will not be held until early September, it was recommended that the President and/or the Vice President for Administrative Operations be authorized to award the contracts associated with this project as long as these bids are within the estimate of cost, and that the Board ratify this action at its September meeting.

Upon motion of Mr. Safford, seconded by Mr. Dorsey, the Board of Trustees approved the foregoing recommendation by roll call vote with Mr. Eckley abstaining.

VIII. CONTROLLING BOARD REQUESTS

Each numbered request shown below accomplished the following purpose:

13 Approval of the award of three change orders, without competitive bidding, to the contractors working on the Health Sciences Library project.
July 7, 1972 meeting, Board of Trustees

VIII. CONTROLLING BOARD REQUESTS (continued)

14 Approves the purchase of the Elizabeth D. Bacon property consisting of
1.64 acres known as 5763 Godown Road, Columbus, Ohio, for $25,000. Funding will be from appropriation in HB 988. Property is in the area adjacent to Don Scott Field where the College of Agriculture and Home Economics facilities from West Campus are being relocated.

15 Approves the purchase of the Herschel D. and Beryl L. Mitchell property consisting of 56+ acres located at 3025 West Granville Road, Columbus, Ohio, for $588,000. This purchase is from University funds.

16 Approves the purchase of a lot located at 224 West 10th Avenue from Philip E. Carlin for $19,000 using University funds.

17 Approves the purchase of 88 ft. off a lot located at 91-93 West Eleventh Avenue from Lillian K. Ink for $31,000 using University funds.

IX. MISCELLANEOUS FROM OFFICE OF ADMINISTRATIVE OPERATIONS

A. Acquisition of Property - 3025 Granville Road, Columbus, Ohio

Pursuant to action taken by the Board of Trustees on December 10, 1964, relative to the purchase of property in the Don Scott Field area, President Fawcett recommended that the 56 acre farm located at 3025 West Granville Road, Columbus, Ohio, be purchased from Herschel D. Mitchell and Beryl L. Mitchell with University Investment Portfolio funds.

The payment for the purchase is proposed to be made in four installments with the first payment due not later than September 1, 1972, and successive payments made on September 1 of each year thereafter until fully paid.

It was recommended further that the President and/or the Treasurer be authorized to execute the agreement to purchase the property as described above and the Promissary Note setting forth the terms of the installment purchase.

Upon motion of Mr. Gushman, seconded by Dr. Sirak, the above recommendations were approved by unanimous roll call vote.

B. Easement - Mansfield Campus - Underground Telephone Facilities - United Telephone Company of Ohio

The Board of Trustees at the meeting on April 7, 1972 granted an easement to the City of Mansfield for the widening and improvement of the Lexington-Springmill Road on lands adjacent to the Mansfield Campus.
B. Easement - Mansfield Campus - Underground Telephone Facilities -
United Telephone Company of Ohio (continued)

The widening and improvement will require the relocation of telephone facilities. The United Telephone Company of Ohio proposes to relocate and reinstall its lines underground.

President Fawcett recommended that an easement be granted to the United Telephone Company of Ohio giving permission to install an underground telephone facility adjacent to the Lexington-Springmill Road and that the President and/or the Treasurer be authorized to request the Director of Public Works pursuant to his statutory duties to act on behalf of the University in developing the necessary legal instruments to provide for the installation of the underground telephone facilities.

Upon motion of Mr. Safford, seconded by Mr. Hilliker, the above recommendation was approved by unanimous roll call vote.

C. Purchase of Buildings and Property - South Campus

President Fawcett recommended that the President and/or the Treasurer be authorized to proceed with the purchase of the following described real estate located in the City of Columbus, Franklin County, Ohio:

- Part of Lot No. 1, John A. Evans College View Addition, Columbus, Franklin County, Ohio, and more commonly known as 91-93 West 11th Avenue from Lillian K. Ink, at a purchase price of $31,000.

- Lot No. 14, University Heights Addition, Columbus, Franklin County, Ohio, and more commonly known as 224 West 10th Avenue from Philip E. Carlin, at a purchase price of $19,000.

The parcels will be purchased in accordance with appraisals obtained from MAI Appraisers. Funds are available in Budget Account 801262 for the purchase of the 91-93 West 11th Avenue property and Budget Account 921700 for the 224 West 10th Avenue property.

Upon motion of Mr. Harrod, seconded by Mr. Cushman, the above recommendation was approved by unanimous roll call vote.

D. Sale of Property - 463 King Avenue, Columbus, Ohio

Pursuant to the action taken by the Board of Trustees on April 7, 1972, relative to the sale of the 463 King Avenue property, proceeds from the sale to be used by the University to support cancer research in the College of Veterinary Medicine, President Fawcett recommended that the property be sold to the Battelle Memorial Institute at the appraised value submitted by MAI Appraisers.
July 7, 1972 meeting, Board of Trustees

IX. MISCELLANEOUS FROM OFFICE OF ADMINISTRATIVE OPERATIONS (continued)

D. Sale of Property - 463 King Avenue, Columbus, Ohio (continued)

The proceeds of this sale are to be placed in the permanent endowment fund, in memory of Norman W. Woelfel, and the annual income used for Cancer Research in the College of Veterinary Medicine.

It was recommended that the President and/or Treasurer be authorized to execute the necessary documents to consummate the sale of the property as described above.

Upon motion of Mr. Hilliker, seconded by Mr. Dunlap, the above recommendation was approved by unanimous roll call vote.

X. RESOLUTIONS IN MEMORIAM

President Fawcett reported to the Board the deaths of Paul Clifford Kitchen, Professor Emeritus in the College of Dentistry, and Ervin H. Pollack, Professor and Director of Research Services in the College of Law. In accordance with the instructions of the Board of Trustees, copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board will be furnished the families of the deceased.

A. Paul Clifford Kitchen

The Board of Trustees of The Ohio State University expresses its sorrow at the death on June 16, 1972, of Paul Clifford Kitchen, Professor Emeritus in the College of Dentistry.

Dr. Kitchen was born in Toledo, Ohio. He received the degree of B.S. in Forestry from The Ohio State University in 1915. For two years he was an instructor in botany at Michigan State College where he earned the M.S. in 1917. As assistant, as ranger, and as examiner he was a member of the U.S. Forest Service until he entered dental college; in 1924 he was graduated from The Ohio State University with the degree D.D.S. After one year of private practice at Sycamore, Ohio, he returned to Ohio State as an instructor in oral histology and clinical dentistry.

In 1939 he became Professor of Dentistry and Secretary of the College of Dentistry. Dr. Kitchen's fields of interest and teaching were dental histology and embryology, dental anatomy and dental research. He was a member of Sigma Xi, Omicron Kappa Upsilon, and the Faculty Club. He also served on numerous University committees. His many achievements and appointments included the D.Sc. (hon.) in 1941 from Washington University, St. Louis; Secretary, Subsection on Dentistry, American Association for the Advancement of Science 1939-42; President, International Association for Dental Research 1938; Secretary, Committee on Research, American College of Dentists 1941-46; and, Vice President in 1948; Chairman, Dental Study Section 1946-49; and member of the Advisory Council, National Institute of Dental Research of the

A. Paul Clifford Kitchin (continued)

U. S. Public Health Service 1949-52. In the American Dental Association he served as Chairman, Research Section 1935 representative, Division of Medical Sciences, National Research Council 1949-54, and member of the Council on Therapeutics 1952 to date. In 1953 he was the recipient of the Callahan Award of The Ohio State Dental Association. He was a consistent contributor to dental periodical journalism particularly in the field of research.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

B. Ervin H. Pollack

The Board of Trustees of The Ohio State University expresses its sorrow at the death on June 9, 1972, of Ervin H. Pollack, Professor and Director of Research Services in the College of Law.

Dr. Pollack was born in St. Louis, Missouri, on April 19, 1913. After undergraduate work at St. Louis University, he received his Juris Doctor degree from Washington University in 1939 and was admitted to the Missouri Bar in the same year. He served as Assistant to the Librarian, Columbia University, from 1939 to 1941, and was Librarian for the New York City law firm of Hays, Podell & Shulman in 1942. From 1942 to 1947 he was Secretary, Office of Price Administration, Washington, D. C.

In 1947 Dr. Pollack came to The Ohio State University as Assistant Professor and Librarian. He became Associate Professor in 1950 and Professor and Director of Research Services in 1959. Under his dedicated leadership, the library of the College of Law grew from 69,000 to 305,000 volumes. It now ranks as the sixth largest academic law library in the United States. He developed systems of classification and staff organization which make the library one of the most functional in the world.

Dr. Pollack earned an international reputation as a legal scholar. He founded the Ohio Association of Law Libraries and served as its first President in 1949-50. He was President of the American Association of Law Libraries in 1958-59. His Fundamentals of Legal Research is widely used as a text and reference work. His many other publications include Ohio Court Rules Annotated, Ohio Unreported Judicial Decisions, Brandeis Reader, and Human Rights. At his death he was consultant to the Agency for International Development on a project for publication of Central American Economic Integration Law.
July 7, 1972 meeting, Board of Trustees

X. RESOLUTIONS IN MEMORIAM (continued)

B. Ervin H. Pollack (continued)

Dr. Pollack was a member of the Order of the Coif, Torch Club, the Ohio State Bar Association, the American Bar Association, and the International Association for Philosophy of Law and Legal Philosophy. He was a trustee of the Ohio Legal Center Institute and a Fellow of the Ohio State Bar Association Foundation.

The Ohio State University was the beneficiary of Dr. Pollack’s talents in many ways. At his death he was Chairman of the University Rules Committee. He served as Chairman of the Advisory Board for Religious Affairs, as a member of the University Centennial Committee and as Chairman of the College of Law Centennial Committee. He received the University Centennial Service Award.

Dr. Pollack taught in the area of jurisprudence, legal process, legal research and writing, and trade regulation. He relentlessly pursued excellence in all that he undertook and was a man of the highest professional standards and integrity. His many achievements as scholar, teacher, and administrator warrant a special place for Dr. Pollack in the history of legal education.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board’s heartfelt sympathy in its bereavement.

XI. REPORTS

A. Report on Actions Taken by Ohio Board of Regents

President Fawcett reported that the Ohio Board of Regents at its meeting on May 19, 1972, approved the

Awarding of the Bachelor of Science in Natural Resources degree by The Ohio State University;

and at the meeting on June 19, 1972, approved the

Increase in fees for The Ohio State University

| Instructional Fee, Undergraduate, Central | $210 |
| Instructional Fee, Undergraduate, Branches | 200 |
| Instructional Fee, Graduate and Graduate Professional | 270 |
| Tuition Surcharge | 350 |

Upon motion of Mr. Safford, seconded by Mr. Dorsey, the Board of Trustees approved the foregoing report by unanimous voice vote.
XI. REPORTS (continued)

B. Benefit Improvements in Health Insurance for University Employees

Mr. Gushman presented the following recommendation on behalf of the Retirement and Insurance Committee:

The Retirement and Insurance Committee of the Board of Trustees recommended that the following improvements in the University employee benefit program be adopted.

That the John Hancock Mutual Life Insurance contract covering eligible University employees be amended to include the following changes effective 12:01 a.m., August 1, 1972.

1. Include an improved surgical coverage increased from $300 schedule to a $450 schedule. Obstetrical coverage under the $450 surgical schedule is increased from $50 to $100 for normal delivery with corresponding increases for Caesarean and miscarriage. Maternity benefits immediately available on effective date for existing pregnancies.

2. Full usual, customary and reasonable emergency outpatient coverage for acute medical sickness and emergency first aid benefit for accidents, rendered in a hospital or elsewhere within 24 hours after the accident or upon onset of the sickness.

3. Extend basic surgical and major medical coverage to the surviving spouse (and other eligible dependents) of an insured employee whose death occurs while actively employed at the University.

That the University's Blue Cross contract be amended for eligible University employees to include the following changes to be made effective 12:01 a.m., August 1, 1972.

1. Extended coverage for unmarried dependent children from age 19 to age 23.

2. Improved maternity coverage under Blue Cross to full coverage of hospital expenses for both mother and child (or children). Maternity benefits immediately available on effective date for existing pregnancies.

3. Full usual, customary and reasonable emergency outpatient coverage for acute medical sickness and emergency first aid benefit for accidents, rendered in a hospital or elsewhere within 24 hours after the accident or upon onset of the sickness.
XI. REPORTS (continued)

B. Benefit Improvements in Health Insurance for University Employees (continued)

Detailed statements on the foregoing amendments including funding requirements are on file with the official records of the Board of Trustees.

Upon motion of Mr. Gushman, seconded by Mr. Harrod, the foregoing recommendation was approved by unanimous roll call vote.

C. Interim Housing for the President

Mr. Shocknessy recommended that:

the Secretary of the Board be authorized, on behalf of the Board of Trustees, to enter into an agreement for the purpose of providing a temporary residence and necessary furnishings, adequate to support the official responsibilities of the President, as selected by and for the President-Elect and Mrs. Enarson.

Upon motion of Mr. Shocknessy, seconded by Mr. Harrod, the Board of Trustees approved the recommendation by unanimous roll call vote.

D. Report of the Board of Trustees Special Committee on Presidential Housing

On June 16, Chairman Eckley appointed a special committee for the purpose of making recommendations to the Board relative to suitable housing for Dr. and Mrs. Enarson. The membership of this committee includes, Robert S. Dorsey, John H. Dunlap, Don M. Hilliker, Howard D. Sirak, and James W. Shocknessy, Chairman. The Chairman requested Edward Q. Moulton to serve as Secretary of the Committee.

Dr. Moulton read the following report:

At the first meeting of the Committee held on June 20, a statement was presented from Dr. Enarson in response to an inquiry from Mr. Shocknessy in which Dr. Enarson stated his desire to live off-campus. The Committee indicated that it would support Dr. Enarson's request and directed the Secretary to proceed to examine with President-Elect and Mrs. Enarson the availability of suitable off-campus housing for the purpose of making a recommendation to the Committee as soon as possible.

The second meeting of the Committee was held on June 28. President-Elect Enarson who was in attendance at this meeting informed the Committee that he and Mrs. Enarson had spent several days in this community reviewing a number of houses that might be acquired by the Board for the President's house. Dr. Enarson concluded that, while he and Mrs. Enarson would be willing to live in whatever housing accommodations the

Trustees deemed appropriate as a residence for the President,
Mrs. Enarson and he were unable in the limited time avail-
able to recommend a house which in their judgment would be
suitable as a President's house. The various houses were not
judged suitable primarily because of the limited amount of
entertainment space and the excessive amount of bedroom and
other unneeded space.

Because of the obvious need for additional time necessary to
find suitable permanent housing, Dr. Enarson suggested that
an interim arrangement be made for the acquisition of an
apartment since this would appear to be the only satisfactory
answer available at this time. The Chairman of the Committee,
with the unanimous concurrence of the Committee members,
supported Dr. Enarson's recommendation and directed the
Secretary to prepare a resolution to this effect for consideration
by this Board.

Upon motion of Mr. Shocknessy, seconded by Mr. Harrod, the Board of Trustees
accepted the report by unanimous roll call vote.

E. Report on the University's Investment Portfolio

The report dated July 7, 1972, as submitted to the Finance and Investment
Committee of the Board of Trustees by Mr. Ernest W. Leggett pertaining
to the University’s Investment Portfolio, was received and ordered to be
filed with the official records of the Board of Trustees

XII. HONORARY DEGREE AND EMERITUS TITLE FOR PRESIDENT FAWCETT
AND HONORARY DEGREE FOR MRS. FAWCETT

Mr. Shocknessy made the following statement:

The Chairman has shown me the high honor and distinct privilege of
being able to offer two resolutions. It is indeed a high honor and I
wish to thank the Chairman for granting me this opportunity, because,
I have, probably, the longest tenure of anyone on the Board at this
time.

For 18 months or so we have, by every means we could, attempted
to show and have shown our affection and respect for President
Fawcett and his wife. We took occasion to establish a precedent in
naming a building on this campus for him and today at the last meeting

AND HONORARY DEGREE FOR MRS. FAWCETT (continued)

Mr. Shocknessy's statement (continued)

that President Fawcett will attend, as President of The Ohio State University, (unless the Chairman has to call a special meeting), we want to show our affection to him and his wife by adopting the following resolutions which I shall now read with great pride and great affection.

RESOLUTION

WHEREAS... this is President Novice G. Fawcett's final official meeting with the Board of Trustees of The Ohio State University; and

WHEREAS... President Fawcett has been widely recognized and acclaimed by the President of the United States, the Ohio General Assembly, the alumni of this University, the media and his many friends and associates for his over sixteen years of truly distinguished service to this University; and

WHEREAS... during President Fawcett's tenure, The Ohio State University has provided the widest educational opportunity and stimulated dramatic growth, substantially enhanced its quality, increased the national and international scope of its programs, and placed it among the world's preeminent institutions of higher learning; and

WHEREAS... during the period of his presidency, The Ohio State University has graduated more than 100,000 outstanding young men and women who are making significant contributions throughout the nation and the world; and

WHEREAS... on August 31 when President Fawcett retires as President of this University, he will leave to his successor a fiscally sound, well-managed University that is blessed with high-quality faculty; that has high academic standards; that has one of the finest educational facilities in the country with a coordinated plan for continued growth; that has extended its teaching role across the state through four regional campuses and greatly expanded opportunities in continuing education; that has developed an extensive library collection and has received international recognition as a leader in making its library resources readily accessible through the most advanced techniques; and that has been bold in its use of advanced educational tools to enhance the learning process;
XII. HONORARY DEGREE AND EMERITUS TITLE FOR PRESIDENT FAWCETT AND HONORARY DEGREE FOR MRS. FAWCETT (continued)

THEREFORE, BE IT RESOLVED, . . . that in addition to this Board's earlier expression of gratitude for his distinguished leadership by naming The Novice G. Fawcett Center for Tomorrow in his honor, we now wish to express our deep respect and appreciation for President Fawcett's service to this University by official action designating him President Emeritus, effective September 1, 1972, and, upon the recommendation of the Faculty Advisory Committee to the President and the Board of Trustees, award him the honorary degree, Doctor of Laws, at the next commencement.

RESOLUTION

WHEREAS, . . . Marjorie Keener Fawcett had made invaluable contributions to The Ohio State University; and

WHEREAS, . . . she has been an exemplary first lady, adding greatly to the stature and dignity of the President's office; and

WHEREAS, . . . she has been an outstanding member of the Ohio community and has earned the admiration of countless thousands of students, faculty, alumni and citizens for her unstinting dedication to the University and to the well-being of society;

THEREFORE, BE IT RESOLVED, . . . that the Board of Trustees of The Ohio State University unanimously approve the faculty recommendation that Marjorie Keener Fawcett be awarded an honorary degree, Doctor of Humane Letters, at the next commencement.

The Board of Trustees approved the awarding of the honorary degree and emeritus title to President Fawcett and the honorary degree to Mrs. Fawcett by unanimous acclamation.
President Fawcett responded to the foregoing resolutions:

All this has come without anticipation on my part. I thought that when you acted last month, you had done what you could and should (or shouldn't) have done and that I was finished with trying to say goodbye. There are two things I really can't do: the first one is that I can't say goodbye to you people and the second one is that I have no way to respond to accolades of this kind--(I said to somebody recently, I suppose, primarily, because I haven't had much experience). But, I did just want to say a word to you as you leave here today.

This morning it suddenly occurred to me that there was a fact or a figure or two I would like to get, and Faye Smith very graciously found one of those. I guessed at the other one. I think probably today marks something like the 168th Board of Trustees meeting that I have attended and in which I have had some official part. Because of this fact, I believe what I really want to do is to admit something to you that I have never admitted to anybody. I have agonized before every one of these meetings. I have worried about you as people, and about you as a Board, and have tried to respond in terms of what, I guess, I always hoped would be in the best interest of the institution. I have tried very hard always to be knowledgeable about any recommendation I made to this Board. Since I assumed responsibility for every recommendation, I tried to brief myself or to be briefed by others to a point that must have exasperated some of my colleagues who probably wished at times that I would have gone home and gone to bed. I pay great tribute to them because of the splendid manner in which they always tried to support my convictions. It was my view that unless I could come here and somehow say to you, 'I believe this,' you couldn't have voted for what you voted for and could not have had faith in my recommendations. So that summarizes one thing.

The other thing is that there have been 26 trustees with whom I have served, and I remember the first day I ever went to a Trustees' meeting. I recall it was Mr. Huffman, Mr. Ketner, Mr. Black, Mr. Dargusich, Mr. Bricker, Mr. Kettering, and Mr. Gorman. I don't know if that is seven or not--there were seven. Since that time, there has been a succession of these people, each of them a very unique person in his own right--strong-minded, difficult to live with at times--but wonderful human beings, always giving unselfishly of their time and their energy and their substance to this institution. That is really something in my book. I can't tell you what that has meant to me, so I just want to pay this tribute to my colleagues on the staff, and to say to you that everyone of you has meant something very special to me.

July 7, 1972 meeting, Board of Trustees

The Board of Trustees received the following Resolution adopted by the 109th General Assembly of Ohio commending President Novice G. Fawcett on the occasion of his retirement:

OHIO SENATE

A RESOLUTION

BY
MESSRS. SHAW-FRY-McNAMARA-MRS. JONES-MESSRS. PIMBERTON-L. HUGHES-NORRIS-HALE-BAUMANN

In grateful recognition of the many accomplishments of President Novice G. Fawcett of The Ohio State University for his four decades of selfless and faithful service to elementary, secondary, and higher education in Ohio.

WHEREAS, The members of the 109th General Assembly of Ohio take this opportunity to commend President Novice G. Fawcett of The Ohio State University, on the occasion of his retirement; and

WHEREAS, President Fawcett began his long and illustrious career devoted to public service as a teacher, coach, and Superintendent of Schools in Gambier, Ohio, continued by serving as Superintendent of Schools in Defiance, Bowling Green, First Assistant Superintendent in Akron, Superintendent in Columbus, and President of The Ohio State University; and

WHEREAS, Novice G. Fawcett, being a member of Phi Beta Kappa, graduating from Kenyon College Magna Cum Laude, earning the Masters Degree from The Ohio State University, and being awarded honorary doctoral degrees from fourteen colleges and universities, is an educator of the highest calling; and

WHEREAS, During his presidency of The Ohio State University from the period August 1, 1956, until September 1, 1972, more than half of the University's 200,000 degrees have been awarded; four regional campuses have been established extending the University's teaching role to thousands more Ohioans; enrollment has grown from just over 22,000 to more than 50,000; a hundred major construction projects have been executed bringing the University's physical plant replacement value to more than an estimated $700 million; a program of endowed professorships and chairs has been established; development and implementation of a University Master Plan has occurred; library volumes have more than doubled and the world's first on-line computerized library circulation system was placed into operation; a highly functional central administrative organization that is considered a model for institutional decision-making has been established; and

WHEREAS, President Novice G. Fawcett has been of great assistance to the General Assembly in enunciating the needs of The Ohio State University so effectively that it has truly maintained and expanded its position as a national and international university; and

WHEREAS, Novice G. Fawcett, a farm boy from a modest Knox County Ohio background, has never lost his great love for youth and concern for their problems, and has worked tirelessly as a teacher, administrator, leader, civic and business participant and decision-maker; therefore be it

RESOLVED, That we, the members of the 109th General Assembly of Ohio, in adopting this resolution, do hereby commend President Novice G. Fawcett, a devoted and sincere administrator, an outstanding President, and a dedicated servant of The Ohio State University and the people of the State of Ohio; and be it further

RESOLVED, That the Clerk of the Senate transmit duly authenticated copies of the Resolution to President Novice G. Fawcett of The Ohio State University, to the Ohio Board of Regents, and to the Board of Trustees of The Ohio State University.

I, Harry V. Jump, hereby certify that the above is a true and correct copy of Senate Concurrent Resolution No. 57.

Harry V. Jump, Clerk of the Senate
July 7, 1972 meeting, Board of Trustees

Thereupon the Board adjourned to meet Friday, September 8, 1972, at The Ohio State University, Columbus, Ohio, at 1:30 p.m.

APPENDIX I

Revision of Rules for the University Faculty

Repeal Rules 29.01 through 29.25 and
Rules 29.2713 and 29.2717

Add new Rule 28.00

Add new Rules 28.01 through 28.19 to
effect formation of University Senate

Approved by Faculty Council June 7, 1972

Adopted by Board of Trustees July 7, 1972
(See page 4)
Revision of Rules for the University Faculty

The Faculty Council on June 7, 1972, approved the proposal for the establishment of the University Senate. In order to effect this reorganization, the following changes in the Rules for the University Faculty were proposed:

(1) Repeal Rules 29.01 through 29.25 and Rules 29.2713 and 29.2717.

(2) Add new Rule 28.00 to provide for changes in existing rules.

(3) Add new Rules 28.01 through 28.19 to effect the formation of the University Senate.

28.00 UNIVERSITY SENATE

Effective Autumn Quarter 1972 there shall be a University Senate with the powers, composition, and organization as given in the following sections:

Wherever any previously adopted rules for the University Faculty are found to be inconsistent with the provisions of Rule 28.00 through Rule 28.19, the previous rule shall be held to be inapplicable. In all of the By-Laws of the Board of Trustees and the Rules for the University Faculty and until such time as they shall be reprinted, the words, "Faculty Council," are to be replaced with "University Senate," the words "Faculty Advisory Committee to the President and the Board of Trustees," are to be replaced with "Steering Committee of the University Senate," and the words "Rules Committee," are to be replaced with "Committee on Rules and Senate Organization."

28.01. Membership

There shall be a University Senate, a unicameral body constituted as follows:

(a) Voting Members: The voting Members of the Senate shall consist of:
   - 24 Administration Members
   - 68 Faculty Members
   - 40 Student Members

Any change in the number of Members representing one of the three categories shall necessitate an adjustment in the total Membership in order to maintain to the nearest percent the ratio of these numbers.

(b) Non-Voting Members: Senate Members entitled to participate in deliberations but not to vote nor to make motions shall include the University Ombudsman, the Director of Alumni Affairs, and one representative elected by and from the Intra-University Counselors' Organization.

*Throughout this document the word "Senate" shall be taken to mean the University Senate.*
28.03. Term of Office

Ex officio Members serve by virtue of their position and shall have no fixed term of office.

Faculty Members shall serve three-year terms, with one-third being elected each year; they shall be ineligible for one year for re-election. [Members of the present Faculty Council shall serve out their terms as members of the Senate.]

Student Members shall serve one-year terms and be eligible for re-election.

The Intra-University Counselors' Organization shall determine the length of term of its representative.

Except that the University College Council shall have the option of deferring the selection of its representative until sometime during the Autumn Quarter, the regular term of office shall begin on the first day of the Autumn Quarter next following the Member's election or appointment.

28.05. Representation and Methods of Selection

(a) The 24 ex officio Members from the Administration shall consist of the University President; the Provost and Vice President for Academic Affairs; the Vice President for Administrative Operations; the 16 Deans of the Colleges; the Dean of the Graduate School; the Director of the Libraries; the Secretary of the University Faculty; and two other members to be designated by the President for each Senate meeting from among the following administrators: the Executive Vice President, the Vice President for Development, the Vice President for Educational Services, the Vice President for Student Affairs, the Vice President for Medical Affairs, the Vice Provost for Arts and Sciences, and the Vice Provost for Minority Affairs.

(b) The 68 Faculty Members of the Senate shall be elected by the University Faculty on Regular Contract.

(1) Elections of the Faculty Members of the Senate shall be administered and supervised by a committee of three persons chosen from and by the Faculty Membership of the Senate. This committee shall be known as the Committee on Faculty Elections. It shall be elected by the Faculty Membership, upon written nomination by Faculty Members of the Senate submitted to the Faculty Membership at least 7 days prior to the election. Each autumn the Faculty Membership shall elect one member to the Committee, who shall serve for three years. Should a member of the committee resign before completing his term of office, the Faculty Membership shall elect a Faculty Member to serve out the unexpired term. [The present members of the Committee on Elections for the Faculty Council shall serve out their term of office as members of the Committee on Faculty Elections.]

All decisions of this committee shall be subject to the approval of the Faculty Membership of the Senate.

(2) Each college and each Regional campus shall constitute an election district; so shall the Library; so shall the combined Departments of Military, Naval, and Air Force Aerospace Studies. Each election district shall elect the number of members specified by the Committee on Faculty Elections. Each election district shall elect at least one Member. No person is eligible to represent one election district while serving as representative of another.
(3) Elections shall be held in the Spring Quarter of each year for terms beginning in the following Autumn Quarter. Each Member shall be elected for three years and shall for one year thereafter be ineligible for election. Service to complete an unexpired term and service as an Alternate do not make one ineligible for immediate re-election.

(4) The Committee on Faculty Elections shall determine which election districts are entitled to more representatives than one in accordance with the following formula:
   a. Determine how many University faculty members within the election district are on Regular contract and are based at least 75 percent on the Columbus or a Regional campus;
   b. Apportion the elected membership so that each election district is represented in that proportion which its membership as described above bear to the total of such members in the University, but each district shall have at least one representative.

(5) Faculty Representatives from the Colleges, from the Library, and from the combined Departments of Military, Naval, and Air Force Aerospace Studies shall be elected in the following manner. The Committee on Faculty Elections shall solicit from the faculty of each election district nominations for representatives to be elected from that district. The Committee on Faculty Elections shall then make up a ballot containing names three times the number of representatives to be elected. It shall place on the ballot the names of those persons most often nominated. However a person’s name shall not be placed on the ballot until he has consented to its being placed there.

The Committee on Faculty Elections shall mail the ballots to University faculty members on Regular contract wherever located. Faculty members shall then mark their ballots and return them to the Committee on Faculty Elections by mail. The Committee shall declare those persons who received the largest number of votes within an election district to be the elected Members from that district. Those who receive the next largest number of votes shall be declared Alternates. There shall be as many Alternates as Members in each election district.

(6) Faculty Representatives from Regional campuses shall be elected in accordance with procedures developed by the faculty of each campus.

(7) In the event of vacancy during the term of an elected Faculty Member, the Faculty Members of the Senate shall elect a successor from the same election district to serve until the next general election, when the vacancy shall be filled by election for the unexpired term.
If a Faculty Member is to be absent for three quarters or more, but wishes to serve the rest of his term following his absence, the Faculty Members of the Senate shall elect a substitute from his election district.

(c) The 40 Student Members shall be apportioned and selected as follows:

(1) 25 Undergraduate Students to be apportioned in the following manner:

1 The President of the Undergraduate Student Government
6 Six Students to be elected directly by their constituencies according to procedures to be determined by the Undergraduate Student Assembly to represent the following constituencies:
   Apartment and Rooming House Districts (2 representatives)
   South Campus Student Association (1 representative)
   West Campus Student Association (1 representative)
   North Campus Student Association (1 representative)
   Town Students (1 representative)
18 Eighteen Student Members to be elected according to procedures to be determined by the Council of Governments, one to represent each of the following constituencies:
10 One to represent each of the following Colleges:
   The Arts, Biological Sciences, Humanities, Math and Physical Sciences, Social and Behavioral Sciences, Administrative Science, Agriculture and Home Economics, Education, Engineering, Pharmacy.
1 Representing University College
1 Representing Black Students
1 Representing Women's Self Government Association
1 Representing Interfraternity Council and the Panhellenic Association
4 Representing the Regional Campuses:
   Lima Campus
   Mansfield Campus
   Marion Campus
   Newark Campus

Wherever reasonable, Members must be elected by direct constituency election.

(2) 5 Five Student Members to be elected according to procedures to be determined by the Inter-Professional Council, one to represent each of the following graduate professional colleges:

Dentistry
Optometry
Law
Veterinary Medicine
Medicine
Revision of Rules for the University Faculty (continued)

(3) Ten Student Members to be elected according to procedures to be determined by the Council of Graduate Students, one to represent each of the following graduate areas:

- Administrative Science
- Agricultural Sciences
- Humanities
- Physical Sciences and Sciences
- The Arts
- Biological Sciences
- Education
- Engineering
- Sciences
- Professional Biological Sciences
- Social and Behavioral Sciences
- Professional Biological Sciences

(4) In the event of a vacancy during the term of an elected Student Member, the Council, Assembly, or other governing body of the constituency which he represents shall elect a replacement to serve until the next general election.

(d) Qualifications for Membership

To be eligible for service as Members or Alternate Members of the University Senate:

- Faculty Members must be on Regular appointment at least three quarters each year.
- Undergraduate, graduate, and professional students must be in good standing and enrolled each quarter (except for Summer Quarter), and shall remain members of the constituencies which they were elected to represent.

28.07. Alternate Members

When a regular Member is unable to attend a meeting of the University Senate, he shall notify the Secretary in advance of the meeting, giving the name of the Alternate who will replace him. The Alternate so designated shall then have the general powers and privileges in the University Senate of the person whom he replaces.

(a) An Administration Member shall designate an Alternate from the Administration.

(b) A Faculty Member shall designate an Alternate from those elected as Alternates in his own election district.

(c) A Student Member shall designate an Alternate from his constituency in one of the following ways:

(1) The President of the Undergraduate Student Government shall name his own Alternate from the Undergraduate Student Body.

(2) If elected from the Student Assembly group, Student Assembly shall declare as Alternates either the runners-up in the Senatorial election or the elected members of Student Assembly.

(3) If elected from the Council of Governments group, the Alternate from each constituency shall be the runner-up in the Senatorial election.

(4) If elected from the Graduate Professional Colleges group, the Alternate from each college shall be the runner-up in the Senatorial election.

(5) If elected from the Graduate Student group, the Alternate from each graduate area shall be the runner-up in the Senatorial election.
28.09. Powers
The University Senate, subject to the authority of the Board of Trustees, shall have the power:
(a) Under delegation by the University Faculty
to establish the educational and academic policies of the University,
to recommend the establishment, abolition, and alteration of educational units and programs of study,
to recommend to the Board of Trustees candidates for Honorary Degrees,
to recommend candidates for degrees and certificates (which power shall be reserved to the Faculty and Administrative Members of the University Senate);
(b) To consider, to make recommendations concerning, and (in pursuance of rules pertaining to the University) to act upon matters relating to the rights, responsibilities, and concerns of students, faculty, administrators, and staff.

28.11. Procedures for Reconsideration
Upon petition by 10% of the Student Body or 10% of the Faculty, the Senate shall reconsider any action which it has taken.

28.13. Relationship to Other Bodies
Subject only to the provisions listed below in this section, the representatives to the Senate of the Administration, of the Faculty, and the Students shall have the right to meet separately and to organize themselves in whatever manner they shall deem appropriate. As far as the Senate is concerned, these bodies represent separate Memberships. They may initiate proposals and submit them to the University Senate for consideration. The Senate, however, shall be independent of these bodies, and its actions shall not need their concurrence nor be subject to their review.

The members of the Administration shall designate to the Program Committee one person or officer responsible for submitting to the Senate those proposals and recommendations which come in the name of the Administration.

The elected Faculty representatives to the Senate shall form the Faculty Membership. [Initially the Membership shall consist of those members already elected to serve on the Faculty Council.] The Faculty Membership shall designate to the Program Committee one person or officer responsible for submitting to the Senate those proposals and recommendations which come in the name of the Faculty Membership.

The Student representatives to the Senate shall form the Student Membership and shall designate to the Program Committee one person or officer responsible for submitting to the Senate those proposals and recommendations which come in the name of the Student Membership. The Student Membership shall establish an Elections Committee, which shall be responsible for assuring that the selection of Student Members to represent the several constituencies is made in accordance with the provisions of these Rules.

Nothing in the above shall be construed as restricting the right of a principal standing committee or of individual Members speaking for themselves to submit proposals for Senate action to the Program Committee, or directly to the Senate.
28.15. By-Laws of the Senate

The University Senate shall have the power to organize itself and to make such By-Laws for its own proceedings as shall not contravene the sections of the Ohio Revised Code applying to the University, the By-Laws of the Board of Trustees, or the Rules of the University. The Senate's By-Laws may be amended at any time by a majority of Senate Members present and voting thereon. The By-Laws shall also be the subject of review by the Committee on Rules and Senate Organization at the beginning of each new Autumn session of the Senate.

BY-LAWS FOR THE UNIVERSITY SENATE

SECTION 1: Rules of Order

Unless otherwise indicated, all meetings of the University Senate shall be conducted in accordance with Robert's Rules of Order.

SECTION 2: Meetings

The Senate shall meet at least once each month during the Autumn, Winter, and Spring Quarters. Special meetings may be scheduled by the majority vote of Senate Members present and voting. Special meetings shall also be held at the call of the President of the University or at the call of the Steering Committee. If 25 or more Senate Members request in writing a special meeting, it shall be called and held. If specifically requested in the petition, it shall be held within four calendar days after the receipt of the petition by the President or by the Chairman of the Steering Committee.

Written notice of the time and purpose of all meetings shall be given to all Members of the Senate in advance of the meeting.

Meetings of the University Senate shall be open to the public and to the media unless they have been designated closed by the Program Committee and such designation has not been overruled by a majority vote of the Members of the Senate present and voting thereon. A majority of Senate Members present and voting may also designate a meeting or a portion of a meeting closed.

SECTION 3: Agenda

The Senate shall prepare its own agenda, and the Program Committee of the Senate shall serve as the agenda committee. The Senate's agenda shall include all matters referred to the Program Committee by individual Members, members of the Administration, the Faculty membership and the Student membership as well as all matters referred by the various special and standing committees of the Senate, including the Program Committee itself. The agenda may also include items referred to the Senate by any member of the University community.

The agenda shall be mailed to Members at least seven calendar days prior to the Senate meeting, and the Program Committee shall also provide for its publication in the Lantern prior to each regular meeting.

SECTION 4: Order of Business

The order of business shall include:
(1) Call to order
(2) Reading and approval of the minutes
(3) Special Orders
(4) Reports from the Colleges
Revision of Rules for the University Faculty (continued)

(5) Reports of the principal Standing Committees
(6) Reports of special committees, Councils and Boards
(7) Reports of the Administration, the Faculty Membership and the Student Membership
(8) Unfinished Business
(9) New Business
(10) Comments and Announcements
(11) Adjournment

SECTION 5: Floor Privileges

Proposals, measures, and resolutions shall be introduced on the Senate floor by Members of the Senate only. Members of the University community who are not Members of the Senate may be granted the right to speak, but not to vote, on matters before the Senate. When a request is made for this privilege, the Chair shall ask the Senate for objections and, hearing none, shall grant permission to speak. If objections are raised, the privilege shall be extended only by a majority vote of the Members present and voting.

SECTION 6: Quorum and Voting

A simple majority of the membership of the University Senate shall constitute a quorum for the conduct of the Senate's business.

Action by the Senate shall be by a majority of Members present and voting and shall normally be by voice vote, except as otherwise required by these Rules or by Robert's Rules of Order.

When a division of the Senate is taken, the Chair shall include the division when announcing the results.

SECTION 7: Proposals for Senate Action

Any member of the University community may submit proposals for Senate action to the Program Committee. Items referred by committees of the Senate, by the Faculty Membership, by the Administration Membership, and by the Student Membership shall be scheduled for Senate consideration. Proposals originating elsewhere may be referred by the Program Committee to an appropriate committee for further study, and this disposition shall be reported to the full University Senate. Members of the Senate shall have the right to submit proposals directly to the Senate.

SECTION 8: Committee Reports

The majority of the members of any principal standing committee of the Senate may report on any matter before the committee. A majority of the Members of the Senate present and voting may require a standing committee to report at the next regular meeting of the Senate.

SECTION 9: Staff

To the extent possible and provided for in the University's budget, the University shall furnish staff assistance to the University Senate and to its committees in connection with its official business, as may be authorized by the Steering Committee of the University Senate.

SECTION 10: Student Attendance

Student Members shall not be penalized for missing classes and related academic activities while attending meetings of the Senate or its committees. Students will be expected to complete usual course requirements.
SECTION 11: Minutes and Reports of Senate Meetings

Official minutes of Senate meetings shall be taken and kept by the Secretary of the University Faculty. A report on the deliberations and actions taken at each Senate meeting shall be prepared by the Program Committee and published in the Lantern.

28.17. Presiding Officer

The President of the University shall be the presiding officer of the University Senate. In the absence of the President or at his request the Provost and Vice President for Academic Affairs shall preside. In the absence of both the President and the Provost, the Chairman of the Steering Committee shall preside.

28.19. Committees

(a) Organizing Committees: The University Senate shall have the following three organizing committees:
1. Steering Committee
2. Program Committee
3. Committee on Rules and Senate Organization

(b) Additional Committees: In addition to the three organizing committees, the University Senate may establish such standing and select committees as it deems necessary or desirable. The Senate shall determine the method of selection of the members of these committees. Except as may be otherwise prescribed by the Senate in particular cases, the members of these committees shall be elected by the Senate upon written nomination submitted to the Membership by the Steering Committee or by individual Members at least seven days prior to voting on those nominations.

(c) Membership: Members of the Steering Committee, Program Committee, and Committee on Rules and Senate Organization shall be Members of the Senate. All other multiple-member committees of the Senate shall include, but not necessarily be limited to, Members of the Senate.

(d) Committee Chairmen: Except where otherwise specified by the Senate, each committee shall elect its chairman from its membership.

(e) Reports of University Committees: Any University Committee composed, in whole or in part, of students or of members of the University Faculty (Rule 25.01) shall report to the University Senate when so requested by the Senate.

(f) Composition and Jurisdiction of the Organizing Committees: The composition and jurisdiction of the three organizing committees of the Senate shall be as follows:

(1) Steering Committee

The Steering Committee shall consist of 13 members apportioned as follows: 6 Faculty, 1 elected Dean, 2 Administrators, and 4 Students. The Faculty representatives, 3 of whom shall be elected each year, and the elected Dean shall serve two-year terms and be ineligible for immediate re-election. The Student members shall serve one-year terms but be eligible for election to a second term. The representatives from the Administration shall be the Provost and Vice President for Academic Affairs, and the Vice President for Administrative Operations. The elected members of the Steering Committee shall be chosen as follows:
The Faculty Membership shall nominate a slate of at least 3 and no more than 6 faculty representatives. [For the first election only, 12 faculty members shall be nominated. The 3 receiving the largest number of votes shall serve two-year terms, and the 3 receiving the next largest number of votes shall serve one-year terms.]

The representatives of the Administration shall nominate at least 1 and no more than 2 Deans when a new representative is to be elected.

The Student Membership shall nominate at least 4 and no more than 8 student representatives.

A special meeting of Members selected to serve for the following academic year shall be held in June for the purpose of electing the members of the Steering Committee. Written nominations shall be sent to the Membership at least seven days prior to this meeting. The Membership of the new Senate shall elect the committee members from among these nominees and voting shall be by written ballot. For the period of time beginning with this election and ending with the start of the Autumn Quarter there will be two Steering Committees.

The Steering Committee shall select its Chairman from among the 6 faculty members of the Committee, and he shall serve for one year.

The Steering Committee shall have the following duties and responsibilities:

(a) It shall be the Senate’s committee on committees. It shall have the power to call, by a vote of nine of its members, a Special meeting of the Senate, and shall have such powers and duties as the Senate may delegate to it during periods when the Senate is not in session. It may create subcommittees and may delegate to them any of its powers, functions, and duties.

(b) [The Steering Committee shall replace the Faculty Advisory Committee to the President and the Board of Trustees.] The Steering Committee shall serve as a channel of communication between the University Senate and the President and the Board of Trustees. Its elected members shall be an advisory group available to both the President and the Board of Trustees for advice and counsel on any matter relating to the operation and development of the University. After consultation with the President, the elected members of the Steering Committee may request and obtain a meeting with the Board of Trustees.

(c) The Steering Committee shall, at the beginning of each year, nominate faculty members for election by the Senate to the Faculty Tenure Hearing Committee described in Rule 21.07, Section 1.

(2) Program Committee

The Program Committee shall consist of 9 members apportioned as follows: 4 Faculty, 3 Students, 1 elected Dean, and the Secretary of the University Faculty. The Faculty representatives, 2 of whom shall be elected each year, and the elected Dean shall serve two-year terms and be ineligible for immediate re-election. The student members shall serve one-year terms and be eligible for re-election. Election shall be by the Senate upon written nomination by Members submitted to the Membership at least seven days prior to the election.
The Program Committee shall serve as continuing liaison between the University Senate and the three constituent bodies as well as the University at large. It shall receive proposals for Senate action and set the Senate’s agenda. The agenda shall be mailed to Members at least 7 calendar days prior to the Senate meeting.

All items referred by committees of the Senate, by the Faculty Membership, by the Administration, by the Student Membership, and by individual Senate Members shall be scheduled for Senate consideration. To keep the agenda manageable, however, the Program Committee may assign priority to such items and schedule those it deems less urgent for a subsequent Senate meeting. Proposals not originating within the Senate, its committees, or the constituent bodies may be placed on the agenda; but the Program Committee is also empowered to refer such items to an appropriate committee or body for further study.

With the call for each Senate meeting the Program Committee shall send to Members a brief written report outlining proposals referred for further study.

The Program Committee shall have the responsibility for seeing that committees report as charged by the Senate.

The Program Committee shall seek to identify matters of potential concern to the Senate and shall have the responsibility for working with the principal standing committees and with other bodies in the coordination and planning of the Senate’s continuing agenda.

(3) Committee on Rules and Senate Organization

The Committee on Rules and Senate Organization shall consist of 10 Members apportioned as follows: 6 Faculty, 3 Students, and the Secretary of the University Faculty. The Faculty representatives, 3 of whom shall be elected each year, shall serve two-year terms and be ineligible for immediate re-election. The Student Members shall serve one-year terms, and be eligible for re-election. Election shall be by the Senate, upon written nomination by Members, submitted to the Membership at least seven days prior to the election.

The Committee on Rules and Senate Organization shall have the following functions and responsibilities:

(a) The Committee, in cooperation with the Secretary of the University Faculty, shall be responsible for the formal supervision of the published Rules of the University and of all statutes and by-laws pertaining to the University Senate. It shall keep all published statutes and rules within its purview up to date and shall plan their re-publication at such intervals as may be desirable. It shall supervise the Procedural Rules for the University Senate and make appropriate recommendations for revision as required.

(b) Following Senate action, the Committee shall receive all proposed new rules and changes in existing rules. It shall recommend to the Senate such editorial and other changes as it deems appropriate or necessary to avoid conflict with other rules and University regulations. Its recommendations shall be presented for final action at the next regular meeting of the Senate. If the Committee is unable to report at this time, it shall inform the Program Committee of the reasons so that they may be included in the Program Committee’s report on items pending but not on the agenda.
Revision of Rules for the University Faculty (continued)

(c) The Committee may initiate rules or changes in existing rules and recommend them to the Program Committee for scheduling for Senate action.

(d) The Committee shall review the structure and operation of the University Senate. It shall receive suggestions and initiate recommendations for change, as need and advantage may appear; in addition, it shall submit a formal report at the end of two years containing its conclusions and specific proposals. The Committee shall have continuing responsibility for assessing the structure, operation, and effectiveness of the Senate, without, however, in any way restricting the Senate's authority to alter its operation by other means.
APPENDIX II

Revision of Rule 35.07 of Rules for the University Faculty

Approved by Faculty Council June 7, 1972

Adopted by Board of Trustees July 7, 1972
(See page 4)
The Faculty Council on June 7, 1972, approved the following revision of Rule 35.07 (PA/NP--Pass/Non-Pass) to be effective Autumn Quarter, 1972.

The text of this section of the Rule is as follows:

35.07. Marks.

PA/NP--Pass/Non-Pass

Section 1. This grading pattern may be chosen by undergraduates or Continuing Education students for a maximum of 30 credit hours.

Section 2. Among these 30 hours, an undergraduate student may elect Pass/Non-Pass grading for any or all University required courses in Physical Education and the National Defense Option or its alternatives (12 credit hours of courses not otherwise specified in the degree requirements of the student's selected curriculum).

An undergraduate student who has accumulated a point-hour ratio of 2.0 or higher may elect courses for Pass/Non-Pass that are not required or designated as required electives in the curriculum leading to the degree for which the student is a candidate.

A student registered in the Division of Continuing Education who has an accumulated point-hour ratio of 2.0 or higher may elect courses for Pass/Non-Pass for a maximum of 30 hours.

Section 3. Hours graded Pass (PA) count toward the degree. Pass/Non-Pass marks (PA/NP) are not computed in the point-hour average of the student.

Section 4. On or before noon of the sixth Saturday of a quarter, or the third Saturday of a term, a student must have declared his intention to take a course on the Pass/Non-Pass basis by filing the appropriate forms with the Dean of his college or the Dean's authorized representative (students in Physical Education, Military Science, Air Force Aerospace Studies, and Naval Science file the forms in those departmental offices). A student may not change to or from the Pass/Non-Pass Option after noon of the sixth Saturday of a quarter, or the third Saturday of a term.

Section 5. The instructor will submit PA or NP marks to the Registrar for those students selecting the grading pattern.

Section 6. The grade Pass (PA) is the equivalent of the grades ABCD, and the grade Non-Pass (NP) is the equivalent of the grade E.
APPENDIX III

DEGREES CONFERRED AT

THE OHIO STATE UNIVERSITY

COMMENCEMENT CONVOCATION

SEPTEMBER 1, 1972
The Recipients of Honors

MARJORIE KEENER FAWCETT

Doctor of Humane Letters

Able speaker and gracious hostess who has given unqualified support to the educational and cultural endeavors of The Ohio State University.

Effective communicative abilities and enthused participation in the mainstream of campus life have characterized Marjorie Keener Fawcett's association with The Ohio State University. She is affiliated with several organizations including the American Association of University Women, the National Society of Arts and Letters, the Clintonville Women's Club, and the Columbus Development Committee. She has taken a particularly active part in The Ohio State University Women's Club, a group comprised of faculty wives and faculty women. While the organization sponsors several projects, Mrs. Fawcett has directed special interest into one which channels its proceeds into scholarship and emergency loan funds for student use.

Mrs. Fawcett, a native Ohioan, received her early education in Akron and was granted the Bachelor of Arts degree from Akron University. She also attended the Northwestern University School of Speech and received her Master of Arts degree from the University of Michigan. Applying her education to varied fields of speech, radio, and drama, Mrs. Fawcett's experience includes ten years as a teacher of English and speech and the directorship of radio education for the Akron public schools. Her work in educational administration includes programs in instructional training and curriculum preparation.

An adept speaker, Mrs. Fawcett has frequently appeared before numerous clubs and meetings in Ohio, including the local chapter of the American Association of University Women and members of Delta Kappa Gamma.

The Ohio State University is proud to confer the honorary degree, Doctor of Humane Letters, upon Marjorie Keener Fawcett. Her personal warmth and dedicated interest in the edification of the human mind and spirit make her a most deserving recipient of this honor.

NOVICE G. FAWCETT

Doctor of Laws

Noted academic administrator whose vigor and fervent dedication to the advancement of education are of the highest distinction.

A graduate of Kenyon College and The Ohio State University, Novice G. Fawcett has extended his energies and interests in an administrative career dedicated to improved public education. Beginning as a teacher and athletic coach in his native Gambier, Ohio, he was soon promoted to superintendent of the local school system. In 1938 he was appointed superintendent of the Defiance, Ohio public schools where he continued until accepting the superintendent's of the Bexley, Ohio schools in 1945. From Bexley, he served in the directorship of the Akron school system before being selected as executive head of the Columbus public schools. In this post, he spirited a nationally recognized program of physical expansion, curriculum and personnel improvements, and efficient organizational streamlining.

Dr. Fawcett's leadership of the Columbus schools established the administrative standards of growth and excellence he would implement into the presidency of The Ohio State University. During his tenure in office, the University experienced its greatest period of development in many areas. Between 1957 and 1972 enrollment rose from 22,000 students to over 50,000, the faculty was expanded by more than one thousand, and extensive attention was given to the broadened scope and heightened quality of course offerings and degree granting programs. To meet the challenge of the burgeoning University, some 100 new facilities were incorporated into the Columbus campus community and four regional campuses were developed.

Active in many professional organizations including the Association of American Universities, the American Council on Education, the International Association of Universities, and the Newcomen Society, he is also a member of the Columbus Area Chamber of Commerce and the American Institute of Management.

It is with great honor that The Ohio State University confers the honorary degree, Doctor of Laws, upon Novice G. Fawcett for his dedication and commitment to the advancement of the University and for his outstanding contributions to the realm of education.
JACK W. NICKLAUS

Doctor of Athletic Arts

Internationally known sportsman who has contributed to the betterment of society as well as advancing high standards in his career.

Acknowledged as one of the foremost champions in the world of golf, Jack W. Nicklaus has established a formidable record of athletic achievement. Although he has won high regard as an individual competitor, he made impressive showings as a member of the winning American teams at both the 1959 Walker Cup Match held in Great Britain and the World Amateur Team Championship for the Eisenhower Trophy in 1960. He also captured the United States Amateur Championship in 1959 and 1962 and, while still a sophomore at The Ohio State University, he was the leading individual golfer in not only the Big Ten Conference but the National Collegiate Athletic Association as well.

Turning to professional golf in 1962, Mr. Nicklaus began what was to become a distinguished career of sporting performance. He has since won more than 40 Tour titles and 13 major championships including two British Opens, two Professional Golfers Association matches, three United States Opens, and four Masters tournaments. In addition to scoring records in both the United States Open and the Masters tournaments, he has the distinction of being the only golfer to consistently lead or share the lead in every round of both matches.

Active in humanitarian endeavors, Mr. Nicklaus has been a participant in a number of charity golf tournaments and exhibition matches, including the annual Columbus Pro-Am tournament. In 1968, he established the Robert K. Barton Memorial Fund which is a scholarship awarded by The Ohio State University's College of Law and he has served as chairman of the Ohio division of the American Cancer Society and the sports division of the National Easter Seal Society.

The Ohio State University is proud to confer the honorary degree, Doctor of Athletic Arts, upon Jack W. Nicklaus, a man of outstanding athletic prowess and the highest integrity.

The Board of Trustees met at its regular monthly meeting on Friday, September 8, 1972, at The Ohio State University Fawcett Center for Tomorrow, Columbus, Ohio, pursuant to adjournment.

Minutes of the last meeting were approved.
The Chairman, Mr. Eckley, introduced the new member of the Board of Trustees of The Ohio State University:

Mrs. Patricia D. James, who was appointed by Governor John J. Gilligan to succeed Mr. Robert S. Dorsey, for the term beginning May 14, 1972 and ending May 13, 1981, with appointee taking office July 18, 1972. She is a 1957 graduate in Dental Hygiene from Ohio State's College of Dentistry and the third woman to serve on this Board.

On behalf of the members of the Board of Trustees, Mr. Eckley welcomed Dr. Enarson to his first official meeting of the Board and expressed the belief that Dr. Enarson would do a great job for a great University.

REPORT BY CHAIRMAN

The Chairman, Mr. Eckley, announced the appointment of Patricia D. James to the following committee and board for 1972-1973:

**Retirement and Insurance Committee**

  John L. Gushman, Chairman  
  Howard D. Sirak, Vice Chairman  
  Patricia D. James

**Development Fund Board of Directors**  
*(One-year term)*

  Patricia D. James  
  Howard D. Sirak

The Development Fund Board Bylaws require an election.

The Board of Trustees by unanimous voice vote approved the appointments pursuant to the Bylaws of the Development Fund Board, which action constituted an election.

September 8, 1972 meeting, Board of Trustees

As the meeting began, Mr. Shocknessy made the following statement:

Since the Board of Trustees of The Ohio State University has had a long history of support not only for athletics but for the Olympic games as well, I think that it would be most appropriate, before we do our business that we stand for a moment of silence to indicate our 'horror' and 'sorrow' over the Munich massacre. (All stood and observed a moment's silence.)

President Enarson indicated to the Board that at the request of Bishop Elwell, the University was making available the St. John Arena for an ecumenical memorial service on Sunday for the members of the Israeli Olympic team killed at Munich.

President Enarson presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Naming of Building

Upon the recommendation of the Vice President for Medical Affairs, and with the concurrence of the President's Cabinet, President Enarson recommended that the building located at 1585 Neil Avenue, housing the School of Nursing of the College of Medicine, be officially named "The Mildred E. Newton Hall," to honor Dr. Mildred E. Newton for her years of leadership and distinguished service to the School of Nursing.

This recommendation is in accordance with the Bylaws of the Board of Trustees.

Upon motion of Mrs. James, seconded by Mr. Cushman, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

B. Establishment of the Novice G. Fawcett Chair in Educational Administration

For the first time in the University's history the Board of Trustees has an opportunity to establish an endowed chair that has been funded by individual gifts from hundreds of people. These contributions have been made to the University as a special way of saying "thank you" and "farewell" to Novice G. Fawcett, as a tribute to his outstanding leadership, and the remarkable accomplishments of the University during the sixteen years he served as its President.

The idea of a major faculty position named for the President had its beginning in 1966 when the Board of Trustees gave special recognition to Novice Fawcett on the occasion of the tenth anniversary as President of The Ohio State University and established the Novice G. Fawcett Professorship in Educational Administration.
I. GENERAL RECOMMENDATIONS (continued)

B. Establishment of the Novice G. Fawcett Chair in Educational Administration (continued)

In the Spring of 1972 a group of friends of Dr. Fawcett formed a Friends of the Fawcetts Committee for the purpose of providing funds to redesignate the Novice G. Fawcett Professorship in Educational Administration as an Endowed Chair in Educational Administration. The leadership provided by this group inspired many alumni and friends to contribute to the Chair, and, although gifts and pledges are still being received, the support to date is more than sufficient to fully endow a chair. At this time, and as a lasting reminder of his unequaled accomplishments, President Enarson recommended that the Novice G. Fawcett Chair in Educational Administration be established.

In honoring Novice G. Fawcett, those who support this Chair are adding significantly to the future of The Ohio State University. They are providing a way that his influence on higher education can be continued in perpetuity. The names of those who have participated in this magnificent effort will be recorded forever in the archives of The Ohio State University along with the special thanks and deep gratitude of the Board of Trustees.

Upon motion of Mr. Shocknessy, seconded by Mr. Dunlap, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

C. Memorandum of Understanding Between Ohio Agricultural Research and Development Center and Agricultural Technical Institute

President Enarson recommended that the Board of Trustees authorize the President to enter into a memorandum of understanding between the Ohio Agricultural Research and Development Center and the Agricultural Technical Institute of The Ohio State University relating to the provision of services by the Ohio Agricultural Research and Development Center to the Agricultural Technical Institute.

Inasmuch as the Ohio Agricultural Research and Development Center has established supporting departments such as Physical Plant, Research Operations, Statistics Laboratory, Public Information, Library and others, many of these services can be provided to the Agricultural Technical Institute more economically and proficiently than by duplicating such services within the Agricultural Technical Institute.

Upon motion of Mr. Hilliker, seconded by Mr. Safford, the foregoing recommendation was approved by unanimous voice vote.

G. Hornung, B.M.E. '52, M.S. '52, Ph.D. '59, late of Columbus, Ohio, a member of the faculty of the Department of Mechanical Engineering at the time of his death in 1972.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of the University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used to provide one or more scholarships to entering Freshmen who indicate a strong interest in pursuing the Mechanical Engineering program at The Ohio State University. Selection is to be made by the University Scholarship Committee, upon the recommendation of the Chairman of the Department of Mechanical Engineering.

Should the Department of Mechanical Engineering cease to exist, through any reorganization of the University, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to the recommendations of the appropriate administrative official of the University who is then directly responsible for mechanical engineering education.

3. $1,185.00 for the establishment of the Harvey Walker, Sr., Memorial Fund in Political Science.

Harvey Walker, Sr., Memorial Fund in Political Science

The Harvey Walker, Sr., Memorial Fund in Political Science was established September 8, 1972, by the Board of Trustees of The Ohio State University with gifts through The Ohio State University Development Fund from the family, colleagues and friends of Harvey Walker, Sr., J.D. '48, Professor Emeritus, Department of Political Science, late of Worthington, Ohio.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used to finance a fellowship or fellowships for outstanding students in Political Science or for any other purpose that will advance the study of Political Science at The Ohio State University, as determined by a three-member administrative committee appointed by the President of the University.

4. $1,005.50 for the establishment of the Inez Prudent Book Fund.

Inez Prudent Book Fund

The Inez Prudent Book Fund was established September 8, 1972, by the Board of Trustees of The Ohio State University with gifts through The Ohio State University Development Fund in memory of Dr. Inez Prudent, former chairman of the Food and Nutrition Division, School of Home Economics, College of Agriculture and Home Economics.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The income is to be used annually or bi-annually to purchase current books, periodicals or other scholarly materials of special interest to students and faculty in the Food and Nutrition Division of the School of Home Economics. In the event that the Home Economics Library facilities be enlarged in the near future, the principal may be drawn on or entirely used to establish a more complete library of reference materials.

5. $1,000.00 for the establishment of the Miriam R. and Benjamin Balshone Awards for Pharmacy.

Miriam R. and Benjamin Balshone Awards for Pharmacy

The Miriam R. and Benjamin Balshone Awards for Pharmacy were established September 8, 1972, by the Board of Trustees of The Ohio State University with a gift through The Ohio State University Development Fund from Benjamin Balshone, B.Sc. Pharmacy '40, and Miriam R. Balshone (Mrs. Benjamin), Commerce W'40, Columbus, Ohio, honoring and memorializing their parents, Mr. and Mrs. Joseph Balshone and Mr. and Mrs. Herman Rosenthal.

5. Miriam R. and Benjamin Balshone Awards for Pharmacy (continued)

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of the University, with the right to invest and reinvest as occasion dictates.

One-half of the annual income is to be awarded to the Senior in the College of Pharmacy who is most likely to succeed in community pharmacy. The award is to be at least $100 per year and is to be known as the "Benjamin Balshone Award."

One-half of the annual income is to be awarded to a member of the College of Pharmacy faculty, selected for recognition for good teaching. This annual award is to be known as the "Miriam R. Balshone Award for Distinguished Teaching"; the amount of the award is to be a minimum of $100 per year.

Selection of the winners of each of these annual awards is to be made under the direction of the Dean of the College of Pharmacy, according to criteria on file with the Dean and agreed to between Mr. Balshone and the Dean.

Should the College of Pharmacy cease to exist through any reorganization of the University, then the awardees are to be selected by the appropriate administrative official of the University who is then directly responsible for education in pharmacy.

V. EXTRA AND CREDIT ORDERS TO CONTRACTS

On July 13, 1967, the Board of Trustees authorized the Vice President for Business and Finance (now the Acting Vice President for Administrative Operations) to approve change orders which were necessary to expedite completion of construction projects. In accordance with this authorization all extra and credit orders to contracts which have been completed were reported:

V. EXTRA AND CREDIT ORDERS TO CONTRACTS (continued)

A. Boilers 6 & 7 (McCracken Power Plant)--
   Elimination of Atmospheric Pollution (continued)

   Revisions were made to the original specifications to add improvements
to more effectively reduce air pollution.

   Funds for these revisions have been provided by Budget Account 801179
   (Power Plant Boilers 6 and 7).

Upon motion of Mr. Hilliker, seconded by Mr. Harrod, the above extra and
credit orders to contracts and expenditure of funds were approved and the
action of the Acting Vice President for Administrative Operations was ratified
by unanimous roll call vote.

VI. PLANS AND SPECIFICATIONS

At the request of the Acting Vice President for Administrative Operations, President
Enarson recommended that the plans and specifications, bills of materials, and
estimates of cost for the following projects be approved by the Board of Trustees:

A. McCracken Power Plant--Additional Fuel-Oil Storage Tanks

   Due to the current energy crisis, resulting in a possible curtailment of
   natural gas to the University, it is essential that we have on hand adequate
   fuel-oil reserves to sustain the operation of McCracken Power Plant during
   the curtailment period. This project will provide an additional 250,000
gallons of fuel-oil storage for a total capacity of 660,000 gallons.

   Funds for this project have been provided from Budget Account 801270
   (Power Plant-Fuel-Oil Storage Tanks).

B. University Hall Complex

   The University Hall Complex consists of a reconstructed University Hall,
an Office Building, and an Auditorium Building with the latter being bid
as an additive alternate.

   Funds for this project have been provided from HB 531, Item 315-078,
   HB 988, Item 315-078.

Upon motion of Mr. Dunlap, seconded by Mr. Safford, the above recommendations
were approved by unanimous roll call vote and the Secretary was authorized and
directed to sign the plans and specifications for the above projects for and on
behalf of the Board of Trustees. Acting Vice President Zimmerman was directed
to proceed with a request for bids in the normal University manner and if satisfac-
tory bids are received, to proceed with the award of contracts. All action
regarding this matter will be reported to the Board of Trustees at a later meeting.
VII. REPORT OF AWARD OF CONTRACTS

In accordance with authorization provided by the Board of Trustees, bids were taken on the projects listed below and the contracts were recommended for award. The action reported to the Board was as follows:

Funds for this project have been provided from Budget Account 801260; HB 531, Item 315-074; HB 988, Item 315-074.

Upon motion of Mr. Harrod, seconded by Mr. Safford, the above awards of contracts and expenditures of funds were approved and the action of the Acting Vice President for Administrative Operations ratified by unanimous roll call vote.

VIII. CONTROLLING BOARD REQUESTS

Each numbered request shown below accomplished the following purpose:

18 Approves the release of $172,140 from HB 988, Item 315-074 (Utilities and Renovations) to purchase the necessary switchgear to construct facilities to receive power from the Columbus and Southern Ohio Electric Company as a part of the project, "Electrical System Expansion."
VIII. CONTROLLING BOARD REQUESTS (continued)

19 Approves the award of contracts for the General, Plumbing, Heating, and Air Conditioning, and the Electrical Contracts on the project, "University College, Building No. 13" notwithstanding the fact that the electrical contract low bid was over the estimate of cost and the release of $2,740,890 from HB 988, Item 315-067 (University College Phase III) to provide funds for construction, equipment and contingencies to complete the project.

20 Approves the release of $183,000 from HB 988, Item 315-085 "The Ohio State University (in cooperation with the Central Ohio Technical Institute, Newark)" to purchase equipment for the new Central Ohio Technical Institute in Newark, Ohio.

1 Approves the release of $102,602 from HB 988, Item 315-068 for "College of Agriculture: Land, Barns and Teaching Facilities" for construction of fences needed and to complete the purchase of fixed equipment for the project "Animal Sciences Livestock Center."

2 Approves the purchase of the Charles S. Berry property 151-163 West 11th Avenue in the City of Columbus, Franklin County, at a cost of $91,000.

3 Approves the purchase of the Charles S. Berry and George Elum property, 114 West 10th Avenue, in the City of Columbus, Franklin County, at a cost of $19,250.

4 Approves the release of $50,000 for removal of architectural barriers on The Ohio State University Campus to aid the handicapped.

IX. MISCELLANEOUS FROM OFFICE OF ADMINISTRATIVE OPERATIONS

A. Purchase of Buildings and Property - South Campus

President Enarson recommended that the President and/or the Acting Vice President for Administrative Operations be authorized to proceed with the purchase of the following described real estate located in the City of Columbus, Franklin County, Ohio:

Part of Lot No. 22, John A. Evan's College View Addition, Columbus, Franklin County, Ohio, and more commonly known as 114 West 10th Avenue from Charles S. Berry and George Elum at a purchase price of $19,250.

Lots No. 12 and 13, John A. Evan's College View Addition, and one lot in Reserve A, University Heights Addition, Columbus, Franklin County, Ohio, and more commonly known as 151-163 West 11th Avenue from Charles S. Berry at a purchase price of $91,000.
IX. MISCELLANEOUS FROM OFFICE OF ADMINISTRATIVE OPERATIONS (continued)

A. Purchase of Buildings and Property - South Campus (continued)

The parcels will be purchased in accordance with appraisals obtained from MAI Appraisers. Funds are available in Budget Account 801262 (Land) for the purchase of the properties. This purchase is in conformity with our Master Plan and the projected revisions which an approval will be requested at the October meeting of this Board.

Upon motion of Mr. Safford, seconded by Mr. Hilliker, the above recommendation was approved by unanimous roll call vote.

B. Upham Hall, Air Conditioning and Electrical Improvement

Employment of Engineers

President Enarson recommended that the engineering firm of W. E. Monks and Company, Columbus, Ohio, be employed to provide complete professional engineering services for the above project, including design, preparation of drawings, specifications, estimate of cost, and field supervision as required.

This project will include the complete electrical renovation of Upham Hall, including new distribution systems and the completion of building air conditioning by means of through-wall units. Also included is the required ancillary general work associated with the program such as demolition, masonry, and surface patching and redecoration.

The fee for this service will be negotiated on the basis of the standard fee schedule for engineering service by the Ohio Department of Public Works. Fee calculation estimated to be 6 percent of the total project estimate of $358,917, plus $2,500 to be held in reserve for field services, if required. Therefore, the total estimate for the engineering for this project is $24,035. Funds for this work have been provided from Budget Account 801267 (Hospital Capital Reserve).

Upon motion of Mr. Harrod, seconded by Mr. Dunlap, the above recommendation was approved by unanimous roll call vote.

C. Improvement Projects for the Handicapped

The Ohio State University is well aware of the situation with respect to the needs of the handicapped in terms of facilities, accessibility, and convenience. In recent years all new construction and major remodeling projects have considered these needs and satisfied them within guidelines contained in the Ohio Building Code since January, 1967. This campus contains a great number of older buildings which are intensively used for teaching or employment which are not suitable for use of the handicapped. The existing street pattern provides severe obstructions to accessibility and mobility. Finally, the great size of the campus affords problems in terms of time and distance for those unable to drive or utilize standard transportation systems.
C. Improvement Projects for the Handicapped (continued)

Improvement projects to service the handicapped include access ramps, modification of elevators, and purchase of vans. Funds for these improvements projects are available as follows: The Controlling Board has authorized the expenditure of $50,000.00 from University funds, the Class of 1972 has collected $24,912.00, and the Ohio Rehabilitation Services Commission has provided approximately $300,000.00 for the proposed work on this project.

President Enarson recommended that the above outlined projects and expenditure of funds be approved.

Upon motion of Mr. Safford, seconded by Mr. Dunlap, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote.

President Enarson pledged his "personal commitment" to removing campus barriers to handicapped students.

X. RESOLUTIONS IN MEMORIAM

President Enarson reported to the Board the deaths of Herbert Herndon Baumer, Professor Emeritus in the School of Architecture; Loetta Lovejoy Hunt, Professor in the College of Education; Ormann R. Keyser, Instructor Emeritus in the Cooperative Extension Service; Florence L. Lloyd, Professor Emeritus in the School of Home Economics; and Herbert Anderson Toops, Professor Emeritus in the Department of Psychology. In accordance with the instructions of the Board of Trustees, copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board will be furnished the families of the deceased.

A. Herbert Herndon Baumer

The Board of Trustees of The Ohio State University expresses its sorrow at the death on July 14, 1972, of Herbert Herndon Baumer, Professor Emeritus in the School of Architecture.

Professor Baumer was born in Montgomery, Alabama, on October 31, 1885. He was enrolled in a formal curriculum in architecture at George Washington University, Washington, D. C., while studying privately with Mr. Nathan Wyeth, a graduate of the Ecole des Beaux-Arts in Paris. Before entering the latter school himself in 1911, he served in Panama for four years as an architect in the office of the Chief Engineer of the Panama Canal. Extensive travel and professional experience were
X. RESOLUTIONS IN MEMORIAM (continued)

A. Herbert Herndon Baumer (continued)

Interspersed with Mr. Baumer's formal studies at the Ecole des Beaux-Arts, where he was a member of the Atelier Bernier-Pontremoli. Shortly after arrival of the first American troops in France, he was commissioned First Lieutenant of Engineers, U. S. Army. At the end of World War I, having been placed on inactive duty with the rank of Captain, he resumed his studies at the Ecole des Beaux-Arts and his professional work in the office of Achille Duchene, a prominent architect in Paris. He was awarded the "diplome d'architecte" in 1921, and a year later returned to the United States.

From 1923 until his retirement in 1956, Professor Baumer was an active participant in the affairs of The Ohio State University. His professional work on the Campus, executed under an appointment for collateral duty as assistant to University Architect Joseph X. Bradford, includes designs for Arps, Derby, Hamilton, and Pomerene Halls, McPherson Laboratory, the former Archaeological Museum, and Browning Theatre. National recognition and publicity marked the opening of science buildings designed by Professor Baumer for The Ohio State University, Antioch College, and Wittenberg College. In 1946, as Lieutenant Colonel, he was awarded the U. S. Army Commendation Ribbon in recognition of outstanding performance of duties as Chief of the Planning Section, Air Installations Division, Air Service Command, during World War II. In 1964, Professor Baumer was named a Fellow of the American Institute of Architects.

Alumni and colleagues are inclined to remember the substance of Professor Baumer's day-to-day lessons even more clearly than the acknowledged excellence of his professional work. In particular, his courses in the theory of architecture and his individual instruction in architectural design have earned for him that special blend of respect and gratitude which is reserved for the truly great teacher.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

B. Loetta Lovejoy Hunt

The Board of Trustees of The Ohio State University expresses its sorrow at the death on August 21, 1972, of Loetta L. Hunt, Professor in the College of Education.

Mrs. Hunt joined the faculty at The Ohio State University in 1952. She had served, prior to that time, as a teacher in special education, beginning in 1927. Her area of specialty was the education of blind and visually impaired children. While on the faculty, she developed the present teacher preparation program in that area. It remains, today, the only such program in the State of Ohio.
X. RESOLUTIONS IN MEMORIAM (continued)

B. Loetta Lovejoy Hunt (continued)

Mrs. Hunt received her bachelor's degree from Kent State University in 1934, and five years later, a master's degree in education from the University of Pittsburgh. She did advanced graduate work at the University of Cincinnati.

Mrs. Hunt was a member of numerous professional groups and was very active in those specializing in the education of exceptional children and youth. She was a life member of the Council for Exceptional Children and had served as President of the local chapter.

Mrs. Hunt was noted for her devotion to her students and to the Faculty for Exceptional Children. She will be missed and remembered by many students, colleagues, and friends.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

C. Ormann R. Keyser

The Board of Trustees of The Ohio State University expresses its sorrow at the death on June 25, 1972, of Ormann R. Keyser, Instructor Emeritus in the Cooperative Extension Service.

Mr. Keyser was born January 1, 1892, in Cleveland, Ohio. He spent the early years of his life on a farm, and graduated from high school in Homerville, Ohio, in 1910. He was engaged in farming, in addition to service in the U. S. Army prior to attending The Ohio State University where he received his B.Sc. degree in Agricultural Engineering in 1922. Additional graduate education courses were taken at The Ohio State University relating to his work in Cooperative Extension and to his favorite subject matter area of agricultural engineering.

From 1922 to 1923 Mr. Keyser was County Extension Agent in Adams County. On March 1, 1923, he transferred to the County Extension Agent position in Stark County, Ohio. This was the position he retired from on January 31, 1957, culminating 35 years of service to the University and to the people of Ohio.

Throughout his career as a faculty member with the Ohio Cooperative Extension Service, Mr. Keyser earned and enjoyed the respect and admiration of the people of Stark County and of his fellow workers. His ability in planning and conducting educational programs was widely recognized. Throughout the years he championed the cause of the farmer and was particularly noted for his honest and forthright expression.
X. RESOLUTIONS IN MEMORIAM (continued)

C. Ormann R. Keyser (continued)

On behalf of the University community, the Board of Trustees expresses to the family of Mr. Keyser its deepest sympathy. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that a copy be tendered to Mrs. Keyser as a sincere expression of sympathy and respect.

D. Florence L. Lloyd

The Board of Trustees of The Ohio State University expresses its sorrow at the death on July 3, 1972, of Florence L. Lloyd, Professor Emeritus in the School of Home Economics.

Miss Lloyd was born in Havre, Montana, on December 21, 1911. She received her Bachelor of Science degree in home economics in 1932 and her Master of Science degree in 1934, both from Montana State University.

Miss Lloyd taught high school home economics in Glendive and Bozeman, Montana, after graduation. In 1941 she joined the University of Iowa home economics faculty as a supervisor of student teachers. From 1944 to 1948 she was an Assistant Professor of home management and food at the University of Washington.

Miss Lloyd came to The Ohio State University as an Assistant Professor of home management in 1948. She attained the rank of Associate Professor in 1956. Upon her retirement due to illness in December, 1971, she was granted the title, Professor Emeritus. She gave leadership to the home management houses and to the management core course. Many innovations in these areas took place under her direction. Throughout the years she had a particular interest and concern for the role of women. This interest was reflected in her work with students and her professional and civic affiliations. Her major activities included Legislative Chairman for Ohio Home Economics Association, Coordinator for Commission on Status of Women-American Home Economics Association, Columbus Consumer Credit Counseling Service, Electrical Women's Roundtable and American Association University Women.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

E. Herbert Anderson Toops

The Board of Trustees expresses its sorrow at the death on August 12, 1972, of Herbert Anderson Toops, Professor Emeritus in the Department of Psychology.
Herbert Anderson Toops was born in Klousville, Ohio, on September 18, 1895. He attended Ohio Wesleyan University for two years 1912-1914, before transferring to The Ohio State University where he received both the A.B. and B.Sc. in Education degrees in 1916. He also received his M.A. from Ohio State in 1917. He received his Ph.D. degree in Psychology from Teacher's College of Columbia University in 1921.

Dr. Toops served as Research Associate at the Institute of Educational Research at Teachers College (Columbia) from 1921 to 1923. He came to Ohio State as Assistant Professor of Psychology in 1923. He was promoted to Professor in 1927 and served in that capacity until his retirement in 1965 when he became Professor Emeritus.

Dr. Toops founded the Quantitative Area of the Department of Psychology. His courses in elementary and advanced statistics, with emphasis upon correlational analysis, were used as a major and minor in that area and as elective courses for other graduate students in Psychology and many other behavioral science disciplines. He also taught courses in vocational guidance and in applied motivation. The IBM corporation, early recognizing his contributions in the area of data processing, donated free use of a computer to the Department of Psychology almost twenty years before the University had any other computer. He very early took over the administration of the University's aptitude testing program. In that connection, he developed the Ohio State Psychological Examination which he supervised through twenty-four revisions. As long time Chairman of the Department's Personnel Committee, he devised and administered a quantitative method for screening, selecting, and utilizing the department's graduate students.

Dr. Toops advised sixteen Ph.D. and twenty M.A. candidates to degrees during his forty-three year tenure. His first Ph.D. advisee stayed on at Ohio State for twenty years and founded the University's first vocational guidance center, later to become the Student Counseling Center. His second Ph.D. advisee returned to Ohio State as a Professor in 1948 and served as Chairman of the Department of Psychology (1960-1970). Another advisee became Chairman at the University of North Carolina and still another was Chairman at Iowa State University. The latter also served as Vice President for Student Affairs. Two of his advisees received honorary Alumni Awards at the recent University Centennial celebration.

Dr. Toops' Ohio State Psychological Examination was nationally recognized for its high validity. It was adopted as the official aptitude test by the Ohio College Association and Dr. Toops served that organization in an official capacity for many decades.

X. RESOLUTIONS IN MEMORIAM (continued)

E. Herbert Anderson Toops (continued)

Dr. Toops served, during World War II, as Consultant to the Secretary of War in 1944 and as Consultant to the National Roster of Scientific and Specialized Personnel in 1945. He also served as Consultant to the U. S. Navy, 1947-1948, and for many years as a Consultant to the National Research Council in the area of questionnaire construction and analysis.

Dr. Toops was widely recognized for his many contributions in simplified computational methods in the field of statistics. His concepts of the addend and the ulstrith were major contributions in the field of data coding and storage. His Multiple Ratio method and his $L$ method were pioneering landmarks in the areas of selecting tests for batteries and for selecting items for tests.

Dr. Toops was a member and/or fellow of over a dozen national learned and professional societies in the areas of Psychology, Statistics, and Sociology. These many memberships marked him as a man of wide theoretical and practical interests. He wrote several books and hundreds of articles and reports. Everyone who met and knew him was impressed by his creativity.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board’s heartfelt sympathy in its bereavement.

XI. REPORTS

A. Report from the Retirement and Insurance Committee

1. Post-retirement Benefits

Mr. Gushman, Chairman of the Retirement and Insurance Committee of the Board of Trustees, recommended that termination of pre-retirement death and health insurance coverage under the University’s John Hancock contract coincide with the University’s compulsory retirement date for employees, thereby providing that such coverage continue during the employee's covered employment with the University and terminate no later than 12:00 p.m. of the last day of the employee’s contractual period with the University during which the employee attains age 70.

XI. REPORTS (continued)

A. Report from the Retirement and Insurance Committee (continued)

1. Post-retirement Benefits (continued)

The University post-retirement death and major medical benefits shall not become effective in respect to any individual until he shall have terminated covered O.S.U. employment and shall have met such other requirements as are then in effect in respect to such programs.

Upon motion of Mr. Gushman, seconded by Dr. Sirak, the above recommendation was approved by unanimous roll call vote.

B. Report on the University's Investment Portfolio

The report dated September 8, 1972, as submitted to the Finance and Investment Committee of the Board of Trustees by Mr. Ernest W. Leggett pertaining to the University's Investment Portfolio, was received and ordered to be filed with the official records of the Board of Trustees.

President Enarson concluded the meeting by making the following statement:

I want to speak of some items which I think are of interesting consequence but which do not require Board action. Some are problems, some are achievements, some are matters of human interest, and some are just matters of my interest.

First I want to report that our four Regional Campuses have been fully accredited by the North Central Association. You may think, 'so what?' but I can assure you that John Mount did a superb job in preparing the necessary materials for the visits by the four North Central accrediting teams. I can assure you that it is profoundly embarrassing to a major University not to have its branch campuses accredited. This happened at the University of Colorado and it lost, as a result, substantial public support. Not only were our Regional Campuses accredited but the prose which was used in applauding our programs was pleasantly enthusiastic.

This is, as Chairman Eckley said, my first opportunity to report to the Board formally. I must say I have had an extraordinarily busy week. In fact, my personal biological clock suggests it's a month! Mrs. Enarson and I have been greeted with the greatest kindness and courtesy by people at every level of the organization and I thought you would like to know that.

As an amateur student at organization, I am always on the lookout for clues that tell you something about system and about people. I find it heartening when I arrive at the Administration Building at five minutes to eight each morning (except this morning when I forgot my glasses and had to go back and got here at ten minutes after eight) to find our personnel
President Enarson’s statement (continued)

moving into the building with dispatch and with smiles on their faces. And I think that matters.

I suppose the awful truth is that I have fallen behind before I am even started in this job. The calendar fills up weeks ahead and this is before we have even gotten underway with the business of the University which is teaching and learning. We have almost the ideal condition of the University when there are only administrators and faculty around. It’s the kind of thing that all of us really want in our hearts and never have. I can see that my objective of not being bound to the office and getting around the campus is going to be extraordinarily difficult to achieve.

In conclusion, I simply want to say that I hope that not only the Trustees but the faculty, my new colleagues on the administrative team, and certainly the students will have to bear with me as I learn about this extraordinarily complex, diverse, fascinating, highly productive University. And this will take time. I am heartened, however, by William Oxley Thompson’s remark found in Pollard’s book that says, ‘He went into his office, he rolled up his sleeves, and he went to work.’ And, that’s what I am trying to do and with everybody’s help, and if none of you will phone me for at least six months we will be in business.

Thereupon the Board adjourned to meet Friday, October 13, 1972, at the Williams Hall Conference Room, Ohio Agricultural Research and Development Center, Wooster, Ohio at 10:00 a.m.

Attest:

Edward Q. Moulton
Secretary

Frederick R. Eckley
Chairman
The Board of Trustees met at its regular monthly meeting on Friday, October 13, 1972, at the Ohio Agricultural Research and Development Center, Wooster, Ohio, pursuant to adjournment.

Minutes of the last meeting were approved.
October 13, 1972 meeting, Board of Trustees

REPORT BY CHAIRMAN

Mr. Eckley announced the appointment of Patricia D. James to the Special Committee on Presidential Housing.

President Enarson presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Modification of Campus Master Plan

It is proposed that the official comprehensive master plan map, adopted by the Board of Trustees on February 16, 1962, and amended on eight subsequent occasions, be amended further in the following ways and for the reasons indicated:

1. Planning studies have been completed for that area of the campus occupied by the College of Veterinary Medicine and the College of Agriculture and Home Economics to reflect revised programs and enrollment patterns which will necessitate modified building needs and land uses.

2. A study has been completed of that portion of the proposed campus loop road located generally south of 11th Avenue and east of Neil Avenue. This study was undertaken because this portion of the proposed campus loop road is the only section not entirely on land now owned by the University. It now appears prudent because of limited financial resources to locate the proposed road further north so as to contract the previously authorized land acquisition boundary for this project.

The map changes associated with these changes to the comprehensive master plan are shown on the accompanying map, and are totally consistent with the principles and concepts approved by the Board of Trustees in adopting the comprehensive master plan in 1962.

President Enarson recommended that the Board of Trustees now approve the comprehensive master plan changes as depicted on the accompanying map and the related policy regarding land acquisition, that all previous actions of the Board of Trustees with respect to the comprehensive master plan be reaffirmed, and that a copy of said map be filed by the Secretary with the "Campus Master Plan Study - Phase II" report submitted December 12, 1961.

Upon motion of Mr. Hilliker, seconded by Dr. Sirak, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote.

I. GENERAL RECOMMENDATIONS (continued)

B. Quarterly Review of Current Funds Budget

In an effort to keep the Board of Trustees current on the University's financial situation, quarterly statements of major changes in the 1972-73 budget as approved on June 2, 1972, will be made during the year. For the first quarter, there were no major changes to either the budgeted income or budgeted expense with the single exception that the beginning balance originally estimated to be $2,016,807 was actually $3,763,612 due to unexpected increases in income sources and budget savings effected at the end of the 1971-72 period.

The major sources from which this increase of $1,746,805 were generated:

- Expenditures Less Than Budgets:
  - Personnel Services: $184,000
  - Contingency Reserve: 207,000
  - Expanded Programs Reserve: 294,000
  - Various Operating Funds: 103,000

- Decrease in Budgets:
  - Physical Plant: 144,000
  - Construction Projects: 199,000
  - Expanded Programs: 210,000

- Increases in Income:
  - Indirect Overhead: 147,000
  - Unrestricted Endowments and Gifts: 174,000
  - Other Miscellaneous: 84,805

Total: $1,746,805

These resources, because of their one-time nature are being expended for a number of high priority remodeling and building improvement projects which were not provided through State allocations, including improvement...

in the storage and use of fuel and utilities, as well as a reserve against possible utility and other essential service rate increases so as to protect the general budget.

President Enarson recommended that the foregoing report as submitted be approved.

Upon motion of Mr. Dunlap, seconded by Mr. Harrod, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote.

C. Resolution of The Ohio State University Housing Commission Pertaining to the Lincoln Tower Dormitory Facility

At a meeting on September 26, 1972, The Ohio State University Housing Commission adopted the following resolution which authorizes the Commission to lease space in the Lincoln Tower dormitory facility to the University on a temporary basis for administrative and academic space needs.

WHEREAS, the Board of Trustees of The Ohio State University in a continuing effort to provide housing for the rapidly increasing numbers of students wishing to attend this University created and in turn entered into an agreement dated December 10, 1964, with The Ohio State University Housing Commission in which the Commission agreed to provide the necessary funding and construction of additional residential facilities to 'alleviate the shortage of housing' for students on the Columbus campus, and

WHEREAS, the Housing Commission under a trust agreement dated April 1, 1965, issued Dormitory Revenue Bonds to finance the construction of Lincoln and Morrill Towers for the purpose of providing additional residential facilities, and

WHEREAS, the 108th General Assembly upon the recommendation of the Ohio Board of Regents incorporated within its appropriation for The Ohio State University an enrollment limitation which necessitated a significant reduction in the number of freshmen entering this University for the past three successive years, 1970, 1971 and 1972, which equivalently reduces the sophomore class each subsequent year, and
October 13, 1972 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

C. Resolution of The Ohio State University Housing Commission Pertaining to the Lincoln Tower Dormitory Facility (continued)

WHEREAS, these enrollment reductions resulted in the concomitant reduction in the number of students required to live in University housing under the parietal rule established by The Ohio State University Board of Trustees' action on September 1, 1958, and as modified on February 11, 1965, and

WHEREAS, the University has determined that its parietal rules are as stringent as possible under all existing circumstances and are being strictly enforced, and

WHEREAS, the number of students either required or electing to live in the University dormitory facilities during the academic year 1972-1973 is insufficient to support the economic operation of Lincoln Tower for dormitory or dining purposes, and

WHEREAS, this University has urgent short term space needs to support its academic, research and service commitments, and

WHEREAS, the essence of Section 5 of the December 10, 1964, agreement provides that students need not be assigned to these facilities of the Housing Commission if, under the legal and practical limits to imposing parietal rule requirements, students cannot be so assigned in adequate numbers to permit economical operation of the University's housing system, but

WHEREAS, the 'Pledged Receipts' from Lincoln and Morrill Towers are the sole source of income presently securing the Housing Commission Bonds, now

THEREFORE BE IT RESOLVED that the Housing Commission may rent space in Lincoln Tower to The Ohio State University under such terms and conditions as are deemed appropriate by the Housing Commission, the Board of Trustees of the University and legal counsel for the Housing Commission effective immediately and until the beginning of the Autumn Quarter, 1973 with the understanding that during this interim period no structural modification will be made which will preclude the possible return of this facility to dormitory and dining use.
October 13, 1972 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

C. Resolution of The Ohio State University Housing Commission Pertaining to the Lincoln Tower Dormitory Facility (continued)

AND FURTHER BE IT RESOLVED that the President of the University will undertake a comprehensive study to determine this University's long range dormitory needs and based upon this study present a series of recommendations to the Housing Commission and in turn to the Board of Trustees for its consideration and action no later than February 2, 1973.

It was recommended that the President of the University be authorized to enter into a lease arrangement between the University and the Housing Commission which will accommodate short-term space needs of the University required to support its academic, research and service commitments and which is consistent with the requirements of the Housing Commission expressed in its resolution of September 26, 1972, authorizing rental of Lincoln Tower space to the University.

Upon motion of Mr. Hilliker, seconded by Mr. Dunlap, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote.

D. Amendment to Federal Aviation Agency Grant Agreement (Project No. 8-39-0027-01)

The Board of Trustees on June 2, 1972, approved an Agreement with the Federal Aviation Agency in the amount of $1,279,332 providing for a number of improvements to support the increased operational activities at Don Scott Field. Because of the location of two University farm structures, the Federal Aviation Agency is now requesting that this Agreement be amended so as to accommodate an extension of the parallel east-west runway on the north side of the airport which is presently 3,000 feet in length to 5,000 feet.

It was recommended that the President and/or the Acting Vice President for Administrative Operations be authorized to approve this Amendment to the existing Grant Agreement for Project No. 8-39-0027-01, as appended hereto, so as to provide for the eventual extension of the runway as provided above and to modify the Don Scott Field Master Plan accordingly. (See Appendix IV, page 203.)

Upon motion of Mr. Harrod, seconded by Mr. Dunlap, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote.

II. PERSONNEL CHANGES

Personnel changes since the September 8, 1972 meeting of the Board, as recorded in the official "Salary Roll" of the University, include the following Promotions, Leaves of Absence Without Salary, and Emeritus Titles:

A. Promotions

Charles L. Mand from Professor in the School of Health, Physical Education and Recreation to Professor and Chairman of the Division of Physical Education in the School of Health, Physical Education and Recreation, effective immediately, at a salary of $18,648.00 per annum (9-month appointment).

Marjorie Pierson McMillin from Associate Professor in the School of Social Work to Associate Professor and Assistant Director in the School of Social Work, effective immediately, at a salary of $17,088.00 per annum (12-month appointment).

Richard W. Parkinson from Professor in the Department of Engineering Graphics to Professor and Acting Chairman in the Department of Engineering Graphics, effective immediately, at a salary of $21,132.00 per annum (9-month appointment).

B. Leaves of Absence Without Salary

Ralph E. Franklin, Professor, Department of Agronomy, effective September 1, 1972 through June 30, 1973, to work as a soil research scientist with the Atomic Energy Commission.

J. Marshall Hanna, Professor, Academic Faculty of Vocational-Technical Education, effective April 1, 1973 through June 30, 1973, for personal reasons.

E. Paul Taiganides, Professor, Department of Agricultural Engineering, effective October 1, 1972 through October 31, 1972, to serve as consultant for the United Nations in Poland and Czechoslovakia.

Inez Ray Wells, Professor, Academic Faculty of Vocational-Technical Education, effective October 1, 1972 through December 31, 1972, for personal reasons.

John P. Cashbergue, Associate Professor, School of Allied Medical Professions - Medical Dietetics Division, effective September 15, 1972 through June 30, 1973, to pursue academic studies.
II. PERSONNEL CHANGES (continued)

B. Leaves of Absence Without Salary (continued)

Regina Ann Brown, Instructor, University Library, effective October 16, 1972 through November 30, 1972, for personal reasons.

George D. Coder, Instructor, Lima Regional Campus, effective October 1, 1972 through September 30, 1973, to complete work on his Ph.D. thesis.

Bonnie Lee Iyle, Instructor, School of Nursing, effective September 18, 1972 through March 25, 1973, for personal reasons.

Joyce McDowell, Instructor (County Extension Agent, Home Economics) Adams County, Cooperative Extension Service, effective September 16, 1972 through October 31, 1972, for personal reasons.

C. Emeritus Titles

Marion L. Ainsworth, Department of Pediatrics, with the title Clinical Professor Emeritus, effective September 1, 1972.

James G. Haub, Department of Zoology, with the title Professor Emeritus, effective October 1, 1972.

Nicholas Michael, Department of Psychiatry, with the title Clinical Professor Emeritus, effective July 1, 1972.

Eva D. Wilson, School of Home Economics, with the title Professor Emeritus, effective August 1, 1972.

President Enarson recommended that the Promotions, Leaves of Absence Without Salary, Emeritus Titles, and personnel budget actions as recorded in the "Salary Roll" of the University be approved.

Upon motion of Dr. Sirak, seconded by Mrs. James, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote, and the Secretary was instructed to file these changes in the "Salary Roll," an official document of the University.

IV. GRANTS AND GIFTS (continued)

D. Establishment of Named Funds (continued)

1. The Kate Deterly Gordon Memorial Fund (continued)

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used by the College of Mathematics and Physical Sciences for the higher education of persons especially talented in the field of mathematics and/or allied or associate courses; said persons to be selected upon the recommendation of the Dean of the College of Mathematics and Physical Sciences.

Should the College of Mathematics and Physical Sciences cease to exist, through any reorganization of the University, then the income may be used by the Board of Trustees, with preference being given to the recommendations of the appropriate administrative official of the University who is then directly responsible for mathematical sciences.

2. $10,000.00 for the establishment of The Ruth Gordon Memorial Fund.

The Ruth Gordon Memorial Fund

The Ruth Gordon Memorial Fund was established October 13, 1972, by the Board of Trustees of The Ohio State University with a bequest through The Ohio State University Development Fund from Ruth Gordon in memory of herself. Miss Gordon was a resident of Columbus and earned a Bachelor of Arts degree in 1906.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income to be used by the College of The Arts for the higher education of persons especially talented in the field of piano music education; said persons to be selected upon the recommendation of the Dean of the College of The Arts.

Should the College of The Arts cease to exist, through any reorganization of the University then the income may be used by the Board of Trustees, with preference being given to the recommendations of the appropriate administrative official of the University who is then directly responsible for education in the field of piano music.
IV. GRANTS AND GIFTS (continued)

D. Establishment of Named Funds (continued)

3. $1,000.00 for the establishment of the Dennis A. Nabors, D.D.S., '32 Scholarship.

The Dennis A. Nabors, D.D.S., '32 Scholarship

The Dennis A. Nabors, D.D.S., '32 Scholarship was established October 13, 1972, by the Board of Trustees of The Ohio State University with a gift to The Ohio State University Development Fund from Dennis A. Nabors, Jr., D.D.S., 1961, Cincinnati, Ohio, in honor of his father, Dennis A. Nabors, Sr., D.D.S., 1932.

All gifts are to be invested in the University's Investment Portfolio, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

Annual income is to be added to the principal. Starting in 1982, in honor of Dr. Nabor's 50th anniversary of graduation from the College of Dentistry, the annual income is to be used to provide one or more scholarships for students enrolled in the College of Dentistry who have demonstrated academic ability and need for financial assistance. The selection of the recipient(s) is to be made by the University Scholarship Committee upon the recommendation of the dean of the College of Dentistry.

Should the need for the scholarship cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Dean of the College of Dentistry.

V. EXTRA AND CREDIT ORDERS TO CONTRACTS

On July 13, 1967, the Board of Trustees authorized the Vice President for Business and Finance (now the Acting Vice President for Administrative Operations) to approve change orders which were necessary to expedite completion of construction projects. In accordance with this authorization all extra and credit orders to contracts which have been completed were reported:

A. Biological Sciences Building - Air Conditioning Rooms 116, 120, 127, and 129

V. EXTRA AND CREDIT ORDERS TO CONTRACTS (continued)

A. Biological Sciences Building - Air Conditioning Rooms 116, 120, 127, and 129 (continued)

During construction it was found necessary to provide isolating walls above finished ceilings where it was not possible to make an examination during the design period.

Funds for this revision have been provided by Budget Account 801137 (Biological Sciences Building).

Upon motion of Mr. Harrod, seconded by Mrs. James, the above extra and credit orders to contracts and expenditures of funds were approved and the action of the Acting Vice President for Administrative Operations was ratified by unanimous roll call vote.

VI. REPORT ON CONTROLLING BOARD ACTIONS PERTAINING TO THE OHIO STATE UNIVERSITY

Each numbered request shown below accomplished the following purpose:

5 Approves the release of $93,701 from Item 315-074, "Utilities and Renovation," for the improvements in Brown and Hagerty Halls.

6 Approves the release of $20,000 from Item 315-084, "Southeastern Ohio Area Extension Center," for the planning, including architectural fees on the project, "Southeastern Ohio Area Extension Center."

7 Approves the release of $87,000 from Item 315-074, "Utilities and Renovation," for the award of contracts on the project, "Improvements to Stillman Hall."

VII. MISCELLANEOUS FROM OFFICE OF ADMINISTRATIVE OPERATIONS

A. Southeast Ohio Area Extension Center - Employment of Engineers

President Enarson recommended that the engineering firm of Ayres, Konkeker and Associates, Columbus, Ohio, be employed to provide complete professional engineering services for plumbing, heating, ventilating, and air conditioning, electrical and utility extension work for above project. This includes design, preparation of drawings, specifications, estimate of cost, checking of shop drawings and three visits to the site during construction.

This project will consist of office space, laboratory space, and demonstration space for an area extension office to serve southeastern Ohio. It is anticipated that twenty to thirty people will use this facility daily while up to two hundred people will be accommodated at various times for special programs and meetings.
October 13, 1972 meeting, Board of Trustees

VII. MISCELLANEOUS FROM OFFICE OF ADMINISTRATIVE OPERATIONS (continued)

A. Southeast Ohio Area Extension Center - Employment of Engineers (continued)

The Southeast Ohio Area Extension Center will be involved in area agricultural extension administration, testing various soil samples, and in periodic demonstrations and educational presentations. The site for this facility will be on property leased from the Ohio Agricultural Research and Development Center. It is located at the Eastern Ohio Resource Development Center near Caldwell in Noble County.

The fee for this service will be 5 percent of the total project estimate of $85,000.00. Therefore, the total estimate for the engineering services on this project will be $4,750.00. Funds for this work have been provided from SB 457, Item 315-084 (Southeast Ohio Area Extension Center).

Upon motion of Mr. Harrod, seconded by Mr. Hilliker, the above recommendation was approved by a five to one vote with Messrs. Eckley, Hilliker, Dunlap, Harrod, and Dr. Sirak casting affirmative votes and Mrs. James casting a negative vote.

B. Purchase of Buildings and Property - South Campus

President Enarson recommended that the President and/or Acting Vice President for Administrative Operations be authorized to proceed with the purchase of the following described real estate located in the City of Columbus, Franklin County, Ohio:

Lot Number 6, John A. Evan's College View Addition, Columbus, Franklin County, Ohio, and more commonly known as 115-117 West 11th Avenue, from Phil A. Slobin, at a purchase price of $31,000.

Lot Number 23, John A. Evan's College View Addition, Columbus, Franklin County, Ohio, and more commonly known as 118 West 10th Avenue from the Estate of Bertha F. Meyerholtz, at a purchase price of $20,000.

Lot Number 25, John A. Evan's College View Addition, Columbus, Franklin County, Ohio, and more commonly known as 128 West 10th Avenue from Ross A. Kramer, et al, at a purchase price of $19,000.

The parcels will be purchased in accordance with appraisals obtained from M. A. L. Appraisers. Funds are available in Budget Accounts 801262 and 921700 for the purchase of the properties.

Upon motion of Mr. Harrod, seconded by Mrs. James, the above recommendation was approved by unanimous roll call vote.
October 13, 1972 meeting, Board of Trustees

VIII. RESOLUTION IN MEMORIAM

President Enarson reported to the Board the death of Alvah Peterson, Professor Emeritus in the Department of Entomology. In accordance with the instructions of the Board of Trustees, a copy of the following resolution expressing on behalf of the University the sorrow and sympathy of the Board will be furnished the family of the deceased.

A. Alvah Peterson

The Board of Trustees of The Ohio State University expresses its sorrow at the death on September 11, 1972, of Alvah Peterson, Professor Emeritus in the Department of Entomology, College of Biological Sciences.

Dr. Peterson was born in Galesburg, Illinois, on September 13, 1888. He received the B.S. degree, with distinction, from Knox College in 1911, and the A.M. and Ph.D. degrees from the University of Illinois, in 1913 and 1916 respectively.

In 1928, Dr. Peterson joined the faculty of The Ohio State University. Prior to that time he had served as an Associate Professor at Rutgers University from 1916 to 1925, conducting research on insect control of destructive pests, and from 1925 to 1928, as senior entomologist in the U. S. Department of Agriculture, Bureau of Entomology, conducting research on insects attacking fruit crops. During this period he pioneered the development of biological control methods using parasites to gain some control of the Oriental fruit moth.

Many of Dr. Peterson's associates consider his major contribution to science to be his two volume work, "Larvae of Insects." This treatise represented the first, and in some instances, the only single source of information for the reliable identification of immature insects. These books have been invaluable to research workers and insect control specialists all over the world, and have made possible the offering of courses in the taxonomy of immature insects at Ohio State and in many other colleges and universities.

Dr. Peterson's contributions span more than five decades and include studies of the structure of thrips, microphotography of insect eggs, and techniques for the study of insects in the field and laboratory. He received many honors and awards for his photographs of various stages of insect development.

Professor Peterson retired from The Ohio State University in 1958 after 30 years' service and was awarded the Honorary Degree Doctor of Science by this University in 1970.

Dr. Alvah Peterson was a great teacher and scientist who contributed much to the stature of this University. Students and colleagues throughout the world remember him for his scholarly and humane qualities.
A. Alvah Peterson (continued)

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

IX. REPORTS

A. Report from the Finance and Investment Committee

1. Sale of Property (25,680 Acres, Board of Trustees Lands North of Don Scott Field) to the State of Ohio (Adjutant General)

Mr. Hilliker presented the following recommendation:

At the request of the Adjutant General of the State of Ohio and with the full concurrence of this University and the Office of the Board of Regents, the Controlling Board of the State of Ohio on August 28, 1972, authorized the purchase of 25,680 acres by the State of Ohio (Adjutant General) for the sum of $282,480 from monies available to the Adjutant General. The title for this land includes an 18,680-acre parcel located to the rear of 3015 West Granville Road which was acquired from Frank C. Norris on November 5, 1963, and a 7-acre parcel, part of a 56-acre tract, located to the rear of 3025 West Granville Road purchased from Herschel D. Mitchell on September 1, 1972.

Authority was requested for the President and/or Treasurer to prepare the necessary legal documents and to execute the transfer of titles to these properties from the Investment Portfolio to the State of Ohio upon payment of the above-mentioned price and that these funds be deposited in the Investment Portfolio.

Upon motion of Mr. Hilliker, seconded by Mr. Harrod, the above recommendation was approved by unanimous roll call vote.

B. Report on the University's Investment Portfolio

The report dated October 12, 1972, as submitted to the Finance and Investment Committee of the Board of Trustees by Mr. Ernest W. Leggett pertaining to the University's Investment Portfolio, was received and ordered to be filed with the official records of the Board of Trustees.
IX. REPORTS (continued)

C. President's Monthly Report

President Enarson made a presentation on University enrollment trends and projections. Distribution trends by level as well as program were incorporated in this report.

Thereupon the Board adjourned to meet Friday, November 3, 1972, at The Ohio State University, Columbus, Ohio, at 1:30 p.m.

Attest:

2. In furtherance of paragraphs 10 and 12 of the Grant Agreement and of the paragraphs 7, 12, and 13 of the Part III - Sponsor's Assurances of the Project Application dated April 14, 1972 and incorporated in this Agreement, the Sponsor shall take the following actions to insure adequate approach protection and compatible land use in the airport areas now owned by the University.

a. The Sponsor shall physically substitute the Property Map - Exhibit A, dated April 13, 1972 and revised October 6, 1972, for the Property Map-Exhibit A attached to the Project Application dated April 14, 1972, and the revised Property Map-Exhibit A shall become a part of this Agreement. Upon acceptance of this Amendment by the Sponsor, FAA shall cause like substitution in the remaining outstanding copies of the Grant Agreement.

b. The Sponsor shall resubmit, prior to final payment, the Master Plan for Don Scott Field, revised to show all structures which exist and are planned within the future approach zones as they are contained within the airport boundary as required by the above referenced paragraph 12 of Part III-Sponsor's Assurances. The Sponsor further covenants and agrees that at such time as R/W 9L-27R is extended to the west, with or without Federal aid, that the Structures No. 1, 2, 3, 4 and 6 in the west clear zone and approach area as denoted on the Exhibit B, dated October 11, 1972, which is attached and made a part of this Amendment, shall be removed or relocated to a location meeting current FAA obstruction criteria. It is further understood and agreed that no additional structures will be erected, nor any existing structure be raised beyond its present height, in any runway clear zone or approach area unless shown on the Airport Layout Plan.

CERTIFICATE OF SPONSOR'S ATTORNEY

I, ____________________________, acting as Attorney for Ohio State University (hereinafter referred to as "Sponsor") do hereby certify:

That I have examined the foregoing Amendment to Grant Agreement and the proceedings taken by said Sponsor relating thereto, and find that the execution thereof by said Sponsor has been duly authorized and is in all respects due and proper and in accordance with the laws of the State of Ohio, and further that, in my opinion, said Amendment to Grant Agreement constitutes a legal and binding obligation of the Sponsor in accordance with the terms thereof.

Dated at Columbus, Ohio, this ______ day of ________________________, 19____

Title__________________________
The Board of Trustees met at its regular monthly meeting on Friday, November 3, 1972, at The Ohio State University Fawcett Center for Tomorrow, Columbus, Ohio, pursuant to adjournment.

Minutes of the last meeting were approved.
November 3, 1972 meeting, Board of Trustees

Mr. John H. Dunlap, Vice Chairman, presided at this meeting in the absence of the Chairman, Mr. Eckley.

REQUEST TO SPEAK

Mr. Michael White, President of the Undergraduate Student Government, appeared before the Board of Trustees to invite the individual Board members participation in a "Trustee Day" tentatively scheduled during the second week of the Winter Quarter. Mr. Dunlap thanked Mr. White on behalf of the Board for the invitation and said that the Board would respond to the invitation as soon as possible.

President Enarson presented the following recommendations:

I. GENERAL RECOMMENDATION

A. Honorary Degrees

Upon the recommendation of the Committee on Honorary Degrees, the University Senate by mail ballot approved and recommended to the Board of Trustees the following four persons for the honorary degrees as indicated:

Hal Oscar Anger   Doctor of Science
Elizabeth Monroe Boggs   Doctor of Laws
Paul Jackson Kramer   Doctor of Science
Elburt Franklin Osborn   Doctor of Science

President Enarson recommended that these honorary degrees be conferred at a mutually convenient commencement or academic occasion.

Upon motion of Mr. Gushman, seconded by Mr. Safford, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

II. PERSONNEL CHANGES

Personnel changes since the October 13, 1972 meeting of the Board, as recorded in the official "Salary Roll" of the University, include the following Leaves of Absence Without Salary and Emeritus Title:

A. Leaves of Absence Without Salary

Morris J. Beja, Professor, Department of English, effective January 1, 1973 through September 30, 1973, to accept a Fulbright Lectureship at the University of Dublin.
II. PERSONNEL CHANGES (continued)

A. Leaves of Absence Without Salary (continued)

Thomas J. Burns, Professor, Academic Faculty of Accounting, effective January 1, 1973 through June 30, 1973, to serve as a Visiting Professor in the School of Business, University of California at Berkeley.

John L. Livingstone, Professor, Academic Faculty of Accounting, effective October 1, 1972 through March 31, 1973, to serve as a Visiting Professor at the University of Toronto.

Swamy A. V. B. Paravastu, Professor, Department of Economics, effective October 1, 1972 through September 30, 1973, to be a Consultant with the Board of Governors, Federal Reserve System, Washington, D. C.

Hao Chang, Associate Professor, Department of History, effective October 1, 1972 through December 31, 1972, to teach at the University of California at Davis.

Henry H. Glover, Associate Professor, Department of Mathematics, effective October 1, 1972 through March 31, 1973, to serve as a Visiting Professor at the Eidgenossische Technische Hochschule, Zurich, Switzerland.

Daniel T. Hughes, Associate Professor, Department of Anthropology, effective April 1, 1973 through June 30, 1973, to conduct a study in the Philippines under the sponsorship of a National Endowment for Humanities Fellowship.

William David Andrews, Assistant Professor, Department of English, effective January 1, 1973 through September 30, 1973, to accept a NEH Younger Humanist Fellowship.

Edward L. Rice, Instructor, Mansfield Campus, effective October 1, 1972 through September 30, 1973, for personal reasons.

B. Emeritus Title

Mary Eloise Green, School of Home Economics, with the title Professor Emeritus, effective September 1, 1972.

President Enarson recommended that the Leaves of Absence Without Salary, Emeritus Title, and personnel budget actions as recorded in the "Salary Roll" of the University be approved.

Upon motion of Mr. Safford, seconded by Mr. Gushman, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote, and the Secretary was instructed to file these changes in the "Salary Roll," an official document of the University.
III. REPORT OF RESEARCH CONTRACTS, GRANTS, GIFTS AND AGREEMENTS

President Enarson recommended that the following report of contracts and grants negotiated and monies received since the October 13, 1972 meeting of the Board be accepted.

3. Establishment of Named Fund

a. $7,000.00 for the establishment of The Donald Casey Hambleton - Ohio Association of Real Estate Boards Scholarship Fund.

The Donald Casey Hambleton - Ohio Association of Real Estate Boards Scholarship Fund

The Donald Casey Hambleton - Ohio Association of Real Estate Boards Scholarship Fund was established November 3, 1972, by the Board of Trustees of The Ohio State University with a gift through The Ohio State University Development Fund from Donald Casey Hambleton through the Ohio Association of Real Estate Boards.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of the University, with the right to invest and reinvest as the occasion dictates.

The annual income from this fund is to be used for a scholarship or scholarships to students enrolled in real estate studies within the College of Administrative Science, said students to be selected by the University Scholarship Committee.

Should the need for these scholarships cease to exist or so diminish as to provide unused income, or should the University Scholarship Committee cease to exist through any reorganization of the University, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to the recommendations of the appropriate administrative official of the University who is then directly responsible for the student financial aids program.
November 3, 1972 meeting, Board of Trustees

IV. PLANS AND SPECIFICATIONS

At the request of the Acting Vice President for Administrative Operations, President Enarson recommended that the plans and specifications, bills of material, and estimates of cost for the following projects be approved by the Board of Trustees:

A. Arps Hall, Chemical Engineering, Denney Hall, Hamilton Hall-Interior Maintenance 1972

There has been no major interior maintenance on these buildings in the last eight years. This project will accomplish the necessary repairs to the aged and deteriorated plaster where needed, paint the walls and hang wall coverings, and washing of walls.

Funds for this project will be provided from Budget Account 125064 (Contract Repair).

B. Southeast Ohio Area Extension Center

The Southeast Ohio Area Extension Center will be located in Noble County and will provide agricultural extension services for the area.

Funds for this project will be provided from SB 457, Item 315-084 (Southeast Ohio Area Extension Center).

Upon motion of Mr. Safford, seconded by Mr. Harrod, the above recommendations were approved by unanimous roll call vote, and the Secretary was authorized and directed to sign the plans and specifications for the above projects for and on behalf of the Board of Trustees. Acting Vice President Zimmerman was directed to proceed with a request for bids in the normal University manner and if satisfactory bids are received, to proceed with the award of contracts. All action regarding this matter will be reported to the Board of Trustees at a later meeting.

Total All Contracts: $5,046,098.00

*The low bidder for the Plumbing Contract is presently documenting for the Director of Public Works an arithmetical error in the preparation of his bid. This resulted in a bid thirty per cent below the estimate and $30,000 below the second low bidder. In anticipation of the Department of Public Works action to allow the withdrawal of the incorrect bid, the second low bidder is included as the successful bidder in this recommendation.

**All Electrical Contract bids were over the Estimate of Cost but because of adequate competition as indicated by the number of bids, it is believed that better bids could not be obtained by re-advertising. Since the bid is within the available funds, the award is recommended subject to the approval of the State Controlling Board.

***The total of all bids is within the project funds, $5,980,543.00.

Funds for this project have been provided from HB 531, Item 315-078, HB 988, Item 315-078.

Upon motion of Mr. Shocknessy, seconded by Mr. Hilliker, the above recommendation regarding further negotiations and subsequent award of contracts within the available funds was approved and the action of the Acting Vice President for Administrative Operations ratified by unanimous roll call vote.

VI. REPORT ON CONTROLLING BOARD ACTIONS PERTAINING TO THE OHIO STATE UNIVERSITY

8 Approves the purchase of Lot No. 6 of the John A. Evan's College View Addition, more commonly known as 115-117 West Eleventh Avenue, Columbus, Franklin County, Ohio, at a purchase price of $31,000. This purchase is from General University Funds.

9 Approves the purchase of Lot No. 23 of the John A. Evan's College View Addition, more commonly known as 118 West Tenth Avenue, Columbus, Franklin County, Ohio, at a purchase price of $20,000. This purchase is from General University Funds.

10 Approves the purchase of Lot No. 25 of the John A. Evan's College View Addition, more commonly known as 128 West Tenth Avenue, Columbus, Franklin County, Ohio, at a purchase price of $19,000. This purchase is from General University Funds.

VII. RESOLUTIONS IN MEMORIAM

President Enarson reported to the Board the deaths of Mildred E. Newton, Professor Emeritus and former Director of the School of Nursing; Eunice Ryan, Associate Professor Emeritus in the School of Home Economics; and Ellsworth E. Reese, Assistant Professor Emeritus in the College of Optometry. In accordance with the instructions of the Board of Trustees, copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board will be furnished the families of the deceased.

A. Mildred E. Newton

The Board of Trustees of The Ohio State University expresses its sorrow at the death on July 26, 1972, of Mildred E. Newton, Professor Emeritus and former Director of the School of Nursing.
November 3, 1972 meeting, Board of Trustees

VIII. RESOLUTIONS IN MEMORIAM (continued)

A. Mildred E. Newton (continued)

Dr. Newton brought to nursing a respect for nursing as a field of study and practice and a belief in the dignity of man that helped to bring esteem to the nursing profession.

A native of Iowa, Dr. Newton earned a certificate of graduate nurse from Evanston Hospital School of Nursing together with a Bachelor of Science from Northwestern University. She received a Master of Arts in Education from the University of Southern California and the Doctor of Education from Stanford University.

During her career she held teaching and administrative posts in three institutions. At Pasadena Hospital and Junior College from 1925-1934 she held positions of Supervisor, Instructor and Director of its School of Nursing; at the University of California from 1934-1951 she held positions as Supervisor and Instructor, and during the last seven of those years served as Assistant Professor and Assistant Dean of its School of Nursing. In 1951 she came to The Ohio State University as Professor and Director of the School of Nursing, a position which she held until her retirement in July, 1968.

A believer in professional association activities, Dr. Newton was generous in her time and talent to the programs and activities of many groups and in particular to the National League for Nursing from the time of its organization in 1951 until her retirement. She was a member of its first collegiate Board of Review for Accreditation and later served on many of the League's other committees and on its Board of Directors. She held chairmanships of the League's Committee on Maternal and Child Nursing; its Council of Member Agencies Department of Baccalaureate and Higher Degree Programs; its interim Committee on Accreditation Policies and Procedures; and the Committee to Revise the Fee Structure.

Dr. Newton was a member of the American Council on Education, serving on its Committee on Civil Defense and Higher Education. She was Nursing Consultant to the Education and Training Division of the U. S. Department of the Army, Office of the Surgeon General, and was a member of the Defense Advisory Committee on Women in the Services to the U. S. Department of Defense.

For five years Dr. Newton served on the Nursing Advisory Committee to the W. K. Kellogg Foundation and from 1962-1967 was chairman of the Nurse Scientist Training Grant Committee in the Division of Nursing, U. S. Public Health Service.

Dr. Newton was elected to Sigma Theta Tau and Alpha Tau Delta, honor societies in nursing, and to Pi Lambda Theta, education honorary, from which she received the Central Ohio Alumnae Chapter's Annual Citation for contribution to teaching. She was selected by students to be the faculty member awarded membership in Alpha Lambda Delta, a freshman honorary, and in Mortar Board, a senior women's honorary.
November 3, 1972 meeting, Board of Trustees

VIII. RESOLUTIONS IN MEMORIAM (continued)

A. Mildred E. Newton (continued)

She was a member of Altrusa International and of the National League of American Pen Women.

Dr. Newton was widely sought as speaker and was a regular contributor to the professional journals.

A student of history and philosophy, Dr. Newton was particularly interested in the life of Florence Nightingale as the founder of modern nursing and in the lives of the early leaders in nursing in this country. She inspired many students with her accounts of the rich heritage which has come to nursing through the contribution of these early leaders. In recognition of her interest in history, she was the recipient of a beginning collection of nursing stamps. Following this she became a student of stamps in medicine and nursing and added many stamps to the collection. After her retirement from teaching she organized the collection into four volumes. These depict the history of the International Red Cross, the history of medicine and nursing, world attempts to eliminate crippling diseases, and recognition given to individuals who made outstanding contributions to health. Shortly before her death she donated this collection to the Health Center Library at The Ohio State University.

In recognition of her contribution to nursing and to The Ohio State University, nursing alumni contributed monies for her portrait in oil to be done for presentation on the occasion of the 50th Anniversary of the School in 1964. In 1966 a fund was begun by contributions from graduates, faculty and students for the purpose of establishing a chair in her name at The Ohio State University. Until the fund is large enough to support a chair, interest accruing from it is being utilized for scholarships.

In 1969, she was awarded the National League for Nursing's Adelaide Nutting Award and in 1970 The Ohio State University bestowed on her one of its Centennial Achievement Awards.

Though Miss Newton's contributions to education and teaching, to nursing organizations, and to research and writing have been noteworthy, her contributions to the development of individuals--faculty, students, and associates--have been even greater. Her sincere belief that every person has worth permeated her every contact with people. Through her beliefs and actions she enabled faculty and students to achieve their individual potential, transcending even their own expectations.

On behalf of the University, the Board of Trustees expresses its deep sympathy and understanding to the family. It was directed that a copy of this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be forwarded to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.
B. Eunice Ryan

The Board of Trustees expresses its sorrow at the death on October 6, 1972, of Eunice Ryan, Associate Professor Emeritus in the School of Home Economics.

Miss Eunice Ryan was born in 1890 in Madison, Wisconsin. She received her Bachelor of Science degree from the University of Wisconsin in 1914 and her Master of Arts degree from Columbia University in 1921. After teaching textiles and clothing in high schools and colleges in North Dakota, Minnesota, and Texas, she joined the faculty of the School of Home Economics as an Instructor in textiles and clothing in 1924. She rose to the rank of Associate Professor and retired in 1959 as Associate Professor Emeritus. Miss Ryan was a highly competent classroom teacher. She was a specialist in the clothing field particularly its design, construction, and economic aspects.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family of Miss Ryan as a humble expression of the Board's heartfelt sympathy in its bereavement.

C. Ellsworth E. Reese

The Board of Trustees of The Ohio State University expresses its sorrow at the death on October 17, 1972, of Ellsworth Edwin Reese, Assistant Professor Emeritus in the College of Optometry.

Dr. Reese was born in Westerville, Ohio, in 1905. He attended the Westerville public schools. From 1923 to 1925 he attended Otterbein College. In 1925 he entered The Ohio State University, where in 1929 he received the Bachelor of Science degree with a major in Optometry. He then entered the private practice of optometry in Westerville.

In 1937, when the graduate program in physiological optics was established at The Ohio State University, he was one of the first three students to receive the Master of Science degree, which he was awarded in 1939. His research dealing with accommodative responses under monocular and binocular seeing conditions has served as a basis for improved optometric prescribing, and the results of these studies have been extensively cited.

Dr. Reese was a past president of the Westerville Lions Club and was a Fellow of the American Academy of Optometry. In 1949 Dr. Reese joined the part-time clinical faculty of the School of Optometry with the rank of Instructor, and he was promoted to Assistant Professor in 1951. He served in this capacity until 1970, when he retired. Dr. Reese was a member of the American Optometric Association, the Ohio Optometric Association, and the Central Ohio Optometric Society.

VIII. RESOLUTIONS IN MEMORIAM (continued)

C. Ellsworth E. Reese (continued)

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

IX. REPORTS

A. Expenses for Designated Administrative Officials

Mr. Safford moved that the Finance and Investment Committee be authorized to provide from the unrestricted gifts to the University Endowment Fund on an appropriate basis, to the President and designated University officials, reimbursement for expenditures which are directly and necessarily related to the performance of their assigned responsibilities and in the best interests of the University.

Mr. Shocknessy seconded the motion which was approved by unanimous roll call vote.

B. Report on the University's Investment Portfolio and Accountant's Report on the University Dormitory Revenue Bond Funds

The report on the University's Investment Portfolio dated November 2, 1972, and the Accountant's Report on the University Dormitory Revenue Bond Funds, including the financial statements of June 30, 1972, prepared by Peat, Marwick, Mitchell & Co., as submitted to the Finance and Investment Committee of the Board of Trustees, were received and ordered to be filed with the official records of the Board.

C. Distribution of Annual Financial Reports 1971-1972

Executive Director Leggett distributed and commented briefly on the Financial Report of The Ohio State University and the Financial Report of Endowment Funds. These reports were prepared for the fiscal year ended June 30, 1972. A copy of each report was filed with the official records of the Board of Trustees.

D. President Enarson's Report on the University's Biennial Budget Request

President Harold I. Enarson in his monthly report to the Board discussed the University's biennial budget request which has been filed with the Ohio Board of Regents.
November 3, 1972 meeting, Board of Trustees

Thereupon the Board adjourned to meet Friday, December 1, 1972, at The Ohio State University, Columbus, Ohio, at 1:30 p.m.

Attest:

Edward Q. Moulton  John H. Dunlap
Secretary          Vice Chairman
The Board of Trustees met at its regular monthly meeting on Friday, December 1, 1972, at The Ohio State University Fawcett Center for Tomorrow, Columbus, Ohio, pursuant to adjournment.

Minutes of the last meeting were approved.
Mr. John H. Dunlap, Vice Chairman, presided at this meeting in the absence of the Chairman, Mr. Eckley.

REPORT BY ACTING CHAIRMAN

Mr. Dunlap, Acting Chairman of the Board of Trustees, and on behalf of the Board, congratulated the administration and students for the orderly nature of the celebration following the Michigan football game. Mr. Shocknessy added the Board’s commendation to Coach Hayes, his staff, and the team for bringing the football championship to the University and the bid to the Rose Bowl.

Mr. Dunlap thanked Mr. Michael White on behalf of the Board for the invitation to participate in a "Trustee Day" and indicated that the members of the Board were pleased to accept this invitation. The Board requested that the Administration work with Mr. White on details of the agenda and time.

President Enarson also thanked Michael White for proposing the "Trustee Day" and the Board for accepting the invitation. He said he was confident that the Board members who spent the day on the campus would find it an enjoyable experience.

President Enarson presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Establishment of a Department of Black Studies

The University Senate on November 21, 1972, approved the recommendation from the Council on Academic Affairs that a Department of Black Studies be established.

The present Division of Black Studies meets the existing requirements for departmental status including the minimum number of well-qualified faculty members in the ranks of Assistant Professor, Associate Professor, and Professor. The Black Studies Division has a fully established curriculum of demonstrated academic quality and has shown a rapid and substantive growth, with enrollments well above the suggested minimum of 1,000 credit hours per quarter.

President Enarson recommended that a Department of Black Studies be established, effective immediately.
I. GENERAL RECOMMENDATIONS (continued)

B. Doctor of Arts Program in Economics

The Board of Trustees at the September 10, 1970, meeting authorized the offering of the Doctor of Arts degree by this University. The Committee on Curriculum Affairs of the College of Social and Behavioral Sciences, the Graduate Council, the Council on Academic Affairs, and the University Senate at its meeting on November 21, 1972, recommend that a program in Economics leading to the Doctor of Arts degree be offered.

President Enarson recommended that the proposal of the University Senate be adopted, and pursuant to Section 3333.04 of the Revised Code of Ohio, with this approval the proposal be forwarded to the Board of Regents for approval.

Upon motion of Mr. Shocknessy, seconded by Dr. Sirak, the Board of Trustees approved the foregoing recommendations by unanimous voice vote.

C. Degrees and Certificates Conferred--Autumn Quarter Commencement

President Enarson recommended that degrees and certificates be conferred at the Autumn Quarter Commencement Convocation on December 15, 1972, to those students who have completed the requirements for their respective degrees and certificates and are recommended by the University Senate. The names of those awarded degrees and certificates will be included in the minutes of this meeting. (See Appendix V, page 259.)

Upon motion of Mr. Shocknessy, seconded by Mr. Harrod, the Board of Trustees approved the above recommendation by unanimous voice vote.

D. Naming of "Natural Area" on The Ohio State University Lima Campus

Upon the recommendation of the students, faculty, and administrators of The Ohio State University Lima Campus, and with the concurrence of the President's Cabinet, it was proposed that the tract of land which has been designated in the Master Plan for the Lima Campus as a "natural area" be officially named the "Tecumseh Natural Area" in recognition of the significant influence Chief Tecumseh of the Shawnee Indian Tribe had upon the history of the Lima community.

This recommendation is in accordance with the Bylaws of the Board of Trustees.

Upon motion of Mr. Harrod, seconded by Mr. Hilliker, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.
December 1, 1972 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

F. Lincoln Tower Dormitory Facility

President Enarson recommended that the following resolution be adopted:

WHEREAS, there is no foreseeable or anticipated need for Lincoln Tower as a residence hall facility based upon current and projected enrollment trends, the enrollment limitation established by the Ohio General Assembly, and the best judgment of this University's administration, and

WHEREAS, there has been and continues to be an urgent need for a facility which would provide the needed space and the physical consolidation for the College of Social and Behavioral Sciences, and

WHEREAS, Lincoln Tower would lend itself to this use with selective remodeling at a cost considerably less than that of a new structure for this purpose,

THEREFORE, BE IT RESOLVED that the President be directed to proceed to seek approval from the Board of Regents for the appropriation of the necessary funds from the General Assembly for the acquisition and necessary remodeling of Lincoln Tower to satisfy the space needs of the College of Social and Behavioral Sciences.

Upon motion of Dr. Sirak, seconded by Mr. Harrod, the above resolution was adopted by unanimous roll call vote.

II. PERSONNEL CHANGES

Personnel changes since the November 3, 1972 meeting of the Board, as recorded in the official "Salary Roll" of the University, include the following Change in Responsibility, Leaves of Absence Without Salary, and Emeritus Titles:

A. Change in Responsibility

   o. $5,000.00 from Foundation for Endowment of a Chair at The Ohio State University, Inc., New York, New York, for the Meshulam Riklis Chair in the College of Administrative Science.

   p. $5,000.00 from The Harry C. Moores Foundation, Gahanna, Ohio, for its scholarship fund in Dairy Technology.

   q. $5,000.00 from Lydia W. Pollack, Columbus, Ohio, to establish an endowed scholarship in the College of Law.

3. Establishment of Named Funds

   a. $10,000.00 from friends of Professor L. E. Kunkle for the establishment of the L. E. Kunkle Student Development Fund.

      L. E. Kunkle Student Development Fund

      The L. E. Kunkle Student Development Fund was established December 1, 1972, by the Board of Trustees of The Ohio State University with a gift to The Ohio State University Development Fund from many friends of Professor L. E. Kunkle, Student and Professor of Meat Science at The Ohio State University for 44 years, on the occasion of his retirement.

      All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

      The annual income is to be used to provide one or more scholarships for undergraduate and/or graduate students who have demonstrated academic ability in Meat Science and need for financial assistance. The selection of the recipient is to be upon the recommendation of the Meat Science faculty. If additional income accrues, it may be used to further student development in the areas of academic excellence and industry relations.

      Should the need for the designated student assistance cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to the field of Animal Science.

b. $6,937.50 from the Estate of Elizabeth F. De Golier Jones for the establishment of the De Golier Scholarship Fund.

De Golier Scholarship Fund

The De Golier Scholarship Fund was established December 1, 1972, by the Board of Trustees of The Ohio State University with a bequest through The Ohio State University Development Fund from Elizabeth F. De Golier Jones, late of Cincinnati, Ohio.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used to provide scholarship assistance to a student or students who are enrolled in the College of Veterinary Medicine and who have met the requirements of the University Scholarship Committee.

Should the College of Veterinary Medicine cease to exist, through any reorganization of the University, then the income may be used by the Board of Trustees, with preference being given to the recommendations of the appropriate administrative official of the University who is then directly responsible for veterinary medicine.

c. $5,000.00 from Mrs. Margaret W. Kahliff for the establishment of The William T. Kahliff Scholarship Fund.

The William T. Kahliff Scholarship Fund

The William T. Kahliff Scholarship Fund was established December 1, 1972, by the Board of Trustees of The Ohio State University with a gift to The Ohio State University Development Fund from Mrs. Margaret W. Kahliff, Elyria, Ohio, in memory of her husband, Mr. William T. Kahliff.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University with the right to invest and reinvest as occasion dictates.

c. The William T. Kahliff Scholarship Fund (continued)

The annual income is to be used to provide one or more scholarships for students enrolled in the School of Natural Resources who have demonstrated academic ability and need for financial assistance. Preference in selection of the recipient(s) is to be given to students from the Cleveland area. The selection of the recipient(s) is to be made by the University Committee on Financial Aid upon the recommendation of the Scholarship Committee of the School of Natural Resources.

Should the need for the scholarships cease to exist or so diminish as to provide unused income, then the remainder of the fund may be used for any academic purpose whatsoever as determined by the Director of the School of Natural Resources.

d. $1,850.00 from friends of Rice A. Hershey for the establishment of the Rice A. Hershey Memorial Fund.

Rice A. Hershey Memorial Fund

The Rice A. Hershey Memorial Fund was established December 1, 1972, by the Board of Trustees of The Ohio State University with gifts to The Ohio State University Development Fund from many friends of the late Rice A. Hershey, B.A. '26, J.D. '28.

The income is to be used for scholarships in the College of Law.

In case the need for such scholarships should cease to exist, or so diminish as to create unused income, then the income from this Fund may be used for any purpose in the College of Law as determined by the Dean or Chief Executive Officer of said College of Law.

E. Agreement Between The Ohio State University and The Ohio Historical Society

On March 18, 1970, the Board of Trustees approved an Agreement between The Ohio State University and The Ohio Historical Society regarding the Zoological Collection housed in the basement of Sullivant Hall (formerly known as the Ohio Historical Museum).
III. REPORT OF RESEARCH CONTRACTS, GRANTS, GIFTS, AND AGREEMENTS (continued)

E. Agreement Between The Ohio State University and The Ohio Historical Society (continued)

The Ohio Historical Society now proposes to update and amend this Agreement, the principal amendment provides for the position of curator which was formerly shared by both organizations to be separated into two positions—one funded by the Historical Society and one by the University with reciprocal courtesy appointments.

It was recommended that the President of The Ohio State University be authorized to sign this amended Agreement with The Ohio Historical Society, and that the Agreement be incorporated into the official records of the Board of Trustees.

Upon motion of Mr. Hilliker, seconded by Mr. Harrod, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote.

IV. EXTRA AND CREDIT ORDERS TO CONTRACTS

On July 13, 1967, the Board of Trustees authorized the Vice President for Business and Finance (now the Acting Vice President for Administrative Operations) to approve change orders which were necessary to expedite completion of construction projects. In accordance with this authorization all extra and credit orders to contracts which have been completed were reported:

A. Parking Ramp - Medical Area

Various revisions and deletions were made to this job due to conditions found during process of construction.

The credit on this contract has been reflected in Budget Account 801031 (Parking Ramp - Medical Area).

Upon motion of Dr. Sirak, seconded by Mr. Harrod, the above extra and credit orders to contracts and expenditure of funds were approved and the action of the Acting Vice President for Administrative Operations was ratified by unanimous roll call vote.
V. PLANS AND SPECIFICATIONS

At the request of the Acting Vice President for Administrative Operations, President Enarson recommended that the plans and specifications, bills of materials, and estimates of cost for the following projects be approved by the Board of Trustees:

A. Hopkins Hall and Hughes Hall—Exterior Masonry Repairs

This project will replace deteriorated mortar joints and related repairs which will prevent major repairs at a later date.

Funds for this project will be provided from Budget Account 125064 (Contract Repair).

B. Northwest Parking Ramp

This project will provide for a parking ramp to accommodate vehicles excluded from the Central Academic Area, thereby fulfilling the requirements of the Comprehensive Master Plan for a pedestrian campus.

Funds for this project will be provided from Parking Revenues.

C. Sisson Hall, Electrical Renovation and Air Conditioning

This project will provide air conditioning of the remaining areas of Sisson Hall to permit full utilization of teaching and research space on a year-round basis, and will improve the electrical system which is presently overloaded.

Funds for this project will be provided from SB 457 (Utilities and Renovations) and Budget Account 801291 (Sisson Hall, Electrical Renovation and Air Conditioning).

Upon motion of Mr. Harrod, seconded by Dr. Sirak, the above recommendations were approved by unanimous roll call vote and the Secretary was authorized and directed to sign the plans and specifications for the above projects for and on behalf of the Board of Trustees. Acting Vice President Zimmerman was directed to proceed with a request for bids in the normal University manner and if satisfactory bids are received, to proceed with the award of contracts. All action regarding this matter will be reported to the Board of Trustees at a later meeting.

VI. REPORT ON CONTROLLING BOARD ACTIONS PERTAINING TO THE OHIO STATE UNIVERSITY

Each numbered request shown below accomplished the following purpose:
VI. REPORT ON CONTROLLING BOARD ACTIONS PERTAINING TO THE OHIO STATE UNIVERSITY (continued)

11 Approves the award of an extra order without competitive bidding on the project "Journalism Building Expansion" in order to correct structural defects discovered during construction. The change order is in the amount of $38,812.00 and funds are available in Item 315-064 (Journalism Building Expansion).

13 Approves the release of $5,695,741.75 for the award of contracts on the project "University Hall Complex" notwithstanding the fact that the low bid on the electrical contract exceeds the estimate of cost. Funds for this project are available in Item 315-078 (University Hall Complex).

14 Approves the release of $20,000.00 for IBM equipment, furniture, files, audio visual equipment and other miscellaneous items for the North Central Ohio Technical College. Funds for these purchases were transferred from the Mansfield Branch, The Ohio State University, Item 315-082 (in cooperation with the North Central Ohio Technical Institute) to the North Central Ohio Technical College, Item 380-001.

15 Approves the purchase of part of Lot 9, John A. Evans' College View Addition, more commonly known as 1627 Highland Street, Columbus, Franklin County, Ohio, at a purchase price of $23,000.00.

VII. MISCELLANEOUS FROM OFFICE OF ADMINISTRATIVE OPERATIONS

A. Easement - Marysville Veterinary Clinic - Underground Electric Line, The Dayton Power and Light Company

The Dayton Power and Light Company has requested a ten-foot easement across University lands at the rear of The Ohio State University Marysville Veterinary Clinic.

President Enarson recommended that the President and/or Acting Vice President for Administrative Operations be authorized to request the Director of Public Works pursuant to his statutory duties to act on behalf of the University in developing the necessary legal instruments to provide for installation of the underground electric cable for the standard easement charge established by that office.

Upon motion of Mr. Hilliker, seconded by Mrs. James, the above recommendation was approved by unanimous roll call vote.
VII. MISCELLANEOUS FROM OFFICE OF ADMINISTRATIVE OPERATIONS (continued)

B. Purchase of Building and Property - South Campus

President Enarson recommended that the President and/or the Acting Vice President for Administrative Operations be authorized to proceed with the purchase of the following described real estate located in the City of Columbus, Franklin County, Ohio:

Part of Lot No. 9, John A. Evan's College View Addition, Columbus, Franklin County, Ohio, and more commonly known as 1627 Highland Street, from Thomas L. and P. M. Bassett, at a purchase price of $23,000.00.

This parcel will be purchased in accordance with appraisals obtained from MAI Appraisers. Funds are available in Budget Account 801262 for the purchase of the property.

Upon motion of Mr. Shocknessy, seconded by Dr. Sirak, the above recommendation was approved by unanimous roll call vote.

VIII. RESOLUTIONS IN MEMORIAM

President Enarson reported to the Board the deaths of Elvin F. Donaldson, Professor Emeritus, Academic Faculty of Finance in the College of Administrative Science; James G. Haub, Professor Emeritus in the Department of Zoology; Josephine H. MacLatchy, Associate Professor Emeritus in the College of Education; and LeRoy M. Tucker, Associate Professor Emeritus in the Department of Engineering Mechanics. In accordance with the instructions of the Board of Trustees, copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board will be furnished the families of the deceased.

A. Elvin F. Donaldson

The Board of Trustees of The Ohio State University expresses its sorrow at the death on October 29, 1972, of Elvin F. Donaldson, Professor Emeritus, Academic Faculty of Finance in the College of Administrative Science.

Dr. Donaldson was born in Athens, Ohio, on April 21, 1903. He received his bachelor's, master's, and doctor's degrees in Business Organization from Ohio State and was a member of the faculty of the present College of Administrative Science from 1925 until his death.

Dr. Donaldson was a versatile individual. From 1923 to 1925, he served as student director of The Ohio State University band and from 1925 to 1929, he was assistant director of the band in charge of band formations. The marching band under Elvin Donaldson was the first band in the country to play
A. Elvin F. Donaldson (continued)

while going into formations. Several other Donaldson creations are still used by the band including the ramp entrance, the floating formation, the quick-step march, and the Revolving O used as the band goes into "Script Ohio."

Dr. Donaldson was promoted to Associate Professor of Business Organization in 1941 and attained the rank of Professor in 1946. His teaching abilities in undergraduate, graduate, and continuing education finance courses were widely recognized by both students and faculty. He served as an Instructor at The Graduate School of Savings and Loans at Indiana University every summer from 1949 until 1963 and was in charge of the finance courses of The Ohio State Executive Development Program from its inception in 1955 until 1971.

Dr. Donaldson was the author of three widely used textbooks in finance and was contributing author to two other finance books. He was a member of the American Economics Association and the American Finance Association and from 1961 to 1963 served on the Board of Directors of the latter organization. Dr. Donaldson had an active interest in Delta Sigma Pi (professional business fraternity), Beta Gamma Sigma (honorary business fraternity), and Phi Alpha Kappa (honorary finance fraternity).

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

B. James G. Haub

The Board of Trustees of The Ohio State University expresses its sorrow at the death on November 21, 1972, of James G. Haub, Professor Emeritus in the Department of Zoology, College of Biological Sciences.

Dr. Haub was born in Racine, Wisconsin, on March 26, 1907. He received his B.S. degree in biology and education from Capital University in 1929, and both his M.S. and Ph.D. degrees from The Ohio State University in 1931 and 1937 respectively.

Dr. Haub began his association with The Ohio State University as a Graduate Teaching Associate in 1932 and was promoted to the rank of Professor in 1958. Prior to assuming his duties at Ohio State, Dr. Haub was a school administrator at Carroll High School and a Visiting Professor at St. Cloud College in Minnesota in 1940.
December 1, 1972 meeting, Board of Trustees

VIII. RESOLUTIONS IN MEMORIAM (continued)

B. James G. Haub (continued)

His associates will remember Dr. Haub as a dedicated and humble teacher. While at Ohio State University, he co-authored a book with Dr. D. F. Miller in general zoology that was widely used across the continent. In his last twelve years in the Department of Zoology, he was responsible for teaching up to 700 students each quarter in beginning zoology. He pioneered in utilizing television for lectures to large classes even though he personally would have preferred lecturing to individual smaller groups.

Many diverse research interests attracted his curiosity and his publications included topics dealing with invertebrates, physiology, behavior, and other phases of vertebrate biology. He was a Fellow of the Ohio Academy of Science and a member of several other professional organizations. He retired from the University on October 1, 1972, after over 40 years of service in various teaching positions.

Dr. Haub was first a teacher and devoted his major efforts towards providing students with a thorough understanding of zoology. He did this in a quiet, unassuming way despite the great responsibility of consistently large class enrollments of hundreds. The University was indeed fortunate to have such a dedicated teacher, whose first concern was for the student, as a member of the faculty for such a long time. His colleagues will miss his dry wit, his literary talents, and his example of dedicated teaching, an example rarely equaled.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a small and humble expression of the Board's heartfelt sympathy in its bereavement.

C. Josephine H. MacLatchy

The Board of Trustees of The Ohio State University expresses its sorrow at the death on November 4, 1972, of Josephine H. MacLatchy, Associate Professor Emeritus in the College of Education.

Dr. MacLatchy was born in Hillsborough, New Brunswick. She received her A.B. and A.M. degrees from Acadia University and A.M. and Ph. D. degrees from the University of Chicago. For two years she attended Yale University as an Ives Fellow in Philosophy. After teaching at Western State Normal in Kalamazoo, Michigan, she came to The Ohio State University in 1922. In that same year she became managing editor of the Educational Research Bulletin which she helped to found, and remained in this position until her retirement in 1958. Dr. MacLatchy not only had heavy responsibilities in the founding and managing of the Educational Research Bulletin but she also occupied a similar role with The Journal of Higher Education which was launched in 1930.
VIII. RESOLUTIONS IN MEMORIAM (continued)

C. Josephine H. MacLatchy (continued)

Her basic research included two areas, first that of studying young children's knowledge of numbers, and second that of studying vocabulary of elementary school children. Her pioneering study on the familiarity of three-, four-, and five-year olds with measurement has been widely used. Key findings were included in the Twenty-Ninth Yearbook of the National Society for the Study of Education. A second major study related to the role of the Kindergarten and its effect on children in later grades.

Dr. MacLatchy made a major contribution to The Ohio State University and to the field of education through her editing and management of the Educational Research Bulletin and The Journal of Higher Education. Her editing and scholastic standards were exacting and brought high praise from the readers of these two magazines.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

D. LeRoy M. Tucker

The Board of Trustees of The Ohio State University expresses its sorrow at the death on November 3, 1972, of LeRoy Maddy Tucker, Associate Professor Emeritus in the Department of Engineering Mechanics.

Dr. Tucker was born in Carthage, Missouri, on July 21, 1890. After one year as a student at Ohio Wesleyan University, he attended Washburn College, Topeka, Kansas, from which he received a Bachelor of Arts degree in 1912. From the University of Illinois, he received the degree Bachelor of Science in Railway Civil Engineering in 1923; the Civil Engineering Professional degree in 1928; and the degree Master of Science in Theoretical and Applied Mechanics in 1931. He received a Doctor of Philosophy degree in Geology from The Ohio State University in 1954.

The teaching career of Dr. Tucker included service as Professor and Department Head of Mechanics and Materials at Clemson College from 1926 to 1929; Associate in Theoretical and Applied Mechanics at the University of Illinois from 1929 to 1932; and Assistant and Associate Professor of Engineering Mechanics at The Ohio State University from 1934 until his retirement in 1960.

Dr. Tucker had extensive professional experience. He served as surveyor, designer, and construction engineer for various railway companies for approximately ten years. For a two-year period, he was Urbana, Illinois,

D. LeRoy M. Tucker (continued)

City Engineer, and also worked as an aircraft structural designer. He had numerous part-time contacts as a consultant, and following his University retirement he worked for the Ohio Department of Highways and was a private consulting engineer geologist.

Dr. Tucker served as Captain, Corps of Engineers, U. S. Army A. E. F. for two years and was a Reservist for 17 years. He was a member and past commander of American Legion Post No. 443. He was a member of First Community Church, and its Chancel Choir and 20th Century Club. His professional and honorary society affiliations included Ohio Society of Professional Engineers, American Society for Engineering Education, Society of American Military Engineers, Geological Society of America, Phi Kappa Phi, Tau Beta Pi, Sigma Tau, Chi Epsilon, Sigma Xi, and Sigma Gamma Epsilon.

Dr. Tucker enjoyed working with students and maintained an active interest in their development through work in honor, professional, and social fraternity groups. He was especially good with slow students who appreciated his patience, thoroughness, and willingness to devote much time to individual work.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

APPENDIX V

Degrees Conferred at
THE OHIO STATE UNIVERSITY
COMMENCEMENT CONVOCATION

December 15, 1972
The Recipients of Honors

HAL OSCAR ANGER
Doctor of Science
Biomedical researcher and inventor

In the field of nuclear medicine, much of the equipment used for diagnosis and treatment of related diseases is due to the electronic creativity of Hal Oscar Anger. Not only did he invent and construct the first clinically useful radioisotope camera, which is now in international use, but he was instrumental in developing an improved radioisotope scanning instrument which is gaining global popularity in medical circles.

A responsive interest in the welfare of his fellow man has sparked Hal O. Anger's creation of some of our nation's most far-reaching scientific contributions.

PAUL JACKSON KRAMER
Doctor of Science
Plant pathologist and author

Paul Jackson Kramer has established an international reputation as an effective scientific investigator, author, editor, and teacher in the botanical subdivision of plant physiology. Although well versed in all fields of plant science, he has made extensive research contributions in the field of plant water relations. The world acclaimed Phytotron Facility in North Carolina is due in great part to his personal enterprise.

Paul Kramer's experimentation and extensive bibliography of published works are evidence of his dedication to understanding the complexities of science.

ELBURT F. OSBORN
Doctor of Science
Earth scientist, research leader, and administrator

A nationally respected figure in the field of earth science, Elbert F. Osborn's active service to the scientific community has had widespread significance. In addition to his accomplishments as a leader in research, his current position as Director of the United States Bureau of Mines is witness to his expertise in the administrative realm. Both his research and his administrative interests demonstrate his continuing involvement with the earth and its natural resources.

Elbert Osborn's concerned participation in applying scientific knowledge to useful and productive ends marks him as an effective innovator in his field.

JESSE OWENS
Doctor of Athletic Arts
World-renowned athlete and humanitarian

Internationally known for his athletic achievements, Jesse Owens' formidable record in track and field competition has won him well deserved praise and recognition. His dramatic victories at the 1936 Olympic games alone would be enough to mark him as one of the most outstanding athletes of our time.

But apart from the arenas of athletic competition, Jesse Owens' humane convictions and spirit of selflessness have identified him as personifying the sportsmanship ideal.

The Board of Trustees met at its regular monthly meeting on Friday, February 2, 1973, at The Ohio State University Fawcett Center for Tomorrow, Columbus, Ohio, pursuant to adjournment.

Minutes of the last meeting were approved.
TRUSTEE DAY

Mr. Gushman thanked the Undergraduate Student Government for sponsoring the "Trustee Day" on the campus. He indicated that he found the experience a very constructive one.

Mrs. James said she had found the day very worthwhile, but indicated she would have liked to spend more time with students and less time in facilities.

Mr. Shocknessy commended Mr. Michael White, President of the Undergraduate Student Government, not only for proposing the day, but for the courtesies extended to him personally.

Dr. Sirak reinforced what the others had said and added that he thought the "Trustee Day" served a useful and meaningful purpose.

REPORT BY CHAIRMAN

Mr. Eckley appointed Mrs. Patricia D. James as the Board's representative to the Association of Governing Boards of Universities and Colleges for the remainder of the academic year 1972-1973.

SPECIAL REPORT

Mr. Shocknessy reported on behalf of the Finance and Investment Committee its recommendation concerning the acquisition of a President's House.

Mr. Shocknessy presented the following recommendation:

Purchase of Building and Property - President's Residence

That the Secretary of the Board of Trustees be authorized to enter into a contract in the form attached hereto and incorporated herein (see Appendix VI, page 329), on behalf of the Board of Trustees of
February 2, 1973 meeting, Board of Trustees

SPECIAL REPORT (continued)

Mr. Shocknessy's recommendation (continued)

Purchase of Building and Property - President's Residence (continued)

The Ohio State University, to purchase the real property located at 285 Croswell Road in the City of Columbus, Franklin County, Ohio, at a price not to exceed $140,000, as advised by counsel.

As a condition of purchase, necessary approvals from the Ohio Board of Regents and the Controlling Board in accordance with the provisions of House Bill 988, Section 5, will be obtained and the MAI appraisal recorded.

In answer to a question by Mr. Shocknessy as to the suitableness of the house, President Enarson indicated that Mrs. Enarson and he believe the house fulfills all the requirements which the Board and Mrs. Enarson had initially agreed to be necessary to support the official University activities conducted in a President's House; and, therefore, this action had Mrs. Enarson's and his enthusiastic support.

Mr. Shocknessy requested Mr. Davis to speak to the appropriateness of adopting the resolution. Mr. Davis, counsel to the Board of Trustees, concurred in the appropriateness of the resolution.

Upon motion of Mr. Shocknessy, seconded by Dr. Sirak, the foregoing recommendation was approved by unanimous roll call vote.

President Enarson presented the following recommendations:

1. GENERAL RECOMMENDATIONS

A. Change of Trustee, The Ohio Legal Center

In compliance with the Code of Corporate Regulations of The Ohio Legal Center, President Enarson recommended that Professor Lawrence Herman be appointed a trustee of the Legal Center, effective immediately, to replace the late Professor Ervin Pollack.

Upon motion of Mr. Harrod, seconded by Mrs. James, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.
February 2, 1973 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

B. Report of Auditor of State - The Ohio State University Hospitals

The Annual Report of the Auditor of State for the fiscal year 1970-1971 has been received and reviewed by the appropriate officers of the University.

The accounts, records, files, and reports of The Ohio State University Hospitals were found to be adequate with the exception of those records which were commented upon specifically in the report.

President Enarson recommended that this Report of the Auditor of State for the fiscal year 1970-71 for The Ohio State University Hospitals be received and filed with the official documents of the University.

Upon motion of Dr. Sirak, seconded by Mr. Harrod, the above recommendation was approved by unanimous voice vote.

C. Establishment of a Department of Dance

The University Senate on November 21, 1972, approved the recommendation of the Council on Academic Affairs that a Department of Dance be established.

The Division of Dance meets all requirements for departmental status including the minimum number of well-qualified faculty members in the ranks of Assistant Professor, Associate Professor, and Professor. In its four years of existence, dance has gained recognition as one of the outstanding dance programs in the country. At the present time the Division offers a Bachelor of Fine Arts, Bachelor of Science in Education, and Master of Arts degrees. Dance acts as a cognate area for theatre for students who want to work on a Doctor of Philosophy degree in dance and theatre. Among the important areas of research available to students are Dance History with an outstanding slide and library collection, Dance Notation with a library of original scores, films, manuscripts, and rare Labanotation resources. Research involving original choreography in a variety of styles and experimental approaches, and the reconstruction, writing, and reading of dance scores and historic notation systems are included in the program.

President Enarson recommended that a Department of Dance be established, effective July 1, 1973.

Upon motion of Dr. Sirak, seconded by Mr. Harrod, the Board of Trustees approved the above recommendation by unanimous voice vote.

D. Quarterly Review of Current Funds Budget

The review of the status of the Current Funds Budget for the quarter ended December 31, 1972, is presented to the Board of Trustees for review. The actual Autumn Quarter enrollments, fee collections, and subsidy earnings provide the University with the most accurate indication of needs and resources for the year.
February 2, 1973 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

D. Quarterly Review of Current Funds Budget (continued)

SOURCES OF INCOME

The adjustments to resources for the second quarter for General Budgets - Central Campus total $3,289,871, consisting of additional subsidy earnings of $2,127,173 and increases in other unrestricted income of $1,162,698. The increase in subsidy is due primarily to changes to the application of subsidy support factors by the Ohio Board of Regents and changes in internal enrollment patterns, with only a slight overall increase in total enrollment over that anticipated.

The adjustments to General Budgets - Regional Campuses represents increase in subsidy earnings which will be placed in reserve.

Current estimates of restricted expenditures reflect an increase in restricted federal grants and contracts received to date, specifically, Vocational and Technical Education.

There are no major changes to the original estimates of auxiliary budgets.

BUDGETED EXPENDITURES

The adjustments to General Budgets - Central Campus for the second quarter reflect a release of $2,947,531 from approved program budgets to college and office personnel, operating, and equipment budgets and $888,172 net adjustment to instructional budgets due to change in enrollment patterns and a slight increase in enrollment over that budgeted; and $274,526 increase in income in "earnings budgets" directly offset by expenditures. The additional subsidy earnings of $2,127,173 will be placed in reserve.

   The Thomas Ewing French Fellowship

   The Thomas Ewing French Fellowship was established February 2, 1973, by the Board of Trustees of The Ohio State University with a bequest through The Ohio State University Development Fund from Janet French Houston (B.A. '21), late of Newark, New Jersey, in memory of her father, Thomas Ewing French.
II. REPORT OF RESEARCH CONTRACTS, GRANTS, GIFTS, AND AGREEMENTS

D. The Ohio State University Development Fund (continued)

4. Establishment of Named Funds (continued)

a. The Thomas Ewing French Fellowship (continued)

   All gifts are to be invested in the University's Permanent Endowment
   Fund, under the rules and regulations adopted by the Board of
   Trustees of The Ohio State University, with the right to invest and
   reinvest as occasion dictates.

   The income is to be used to establish The Thomas Ewing French
   Fellowship and for the support of the fellowship in the Department
   of Engineering Graphics. The fellows are to be selected and the
   funds used upon the recommendation of the Chairman of the Depart-
   ment of Engineering Graphics and the Dean of the College of Engi-
   neering.

   The fellowship shall be maintained to the extent possible by the
   application of net income derived from the endowment and the Uni-
   versity is authorized to invade the principal amount of the endowment
   as and when it shall be necessary to supplement income to provide
   the amount necessary for the maintenance of the fellowship.

   Should the Department of Engineering Graphics or the College of
   Engineering cease to exist through any reorganization of the Uni-
   versity, then the income may be used by the Board of Trustees,
   with preference being given to the recommendations of the appro-
   priate administrative official of the University who is then directly
   responsible for engineering instruction.

b. $43,246.54 from the Technical Education Foundation for the estab-
   lishment of the Technical Education Foundation Scholarship Fund.

   Technical Education Foundation Scholarship Fund

   The Technical Education Foundation Scholarship Fund was estab-
   lished February 2, 1973, by the Board of Trustees of The Ohio State
   University through a gift of $43,246.54 to The Ohio State University
   Development Fund from the Technical Education Foundation of
   Columbus, Ohio.

   The Trustees of the Technical Education Foundation have acted to
   terminate the existence of the Foundation, and transfer the remain-
   ing, unencumbered assets of the Foundation to The Ohio State
   University Development Fund.

b. Technical Education Foundation Scholarship Fund (continued)

This sum, $43,246.54, is to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income from this endowment is to be used to provide scholarships, grants, awards, or loans to students from two-year associate degree programs wishing to pursue studies in the areas of engineering or engineering technology. Recommendations for such scholarships, grants, awards, or loans shall be made by the Dean of the College of Engineering.

In the event the need for such student aid should cease to exist or so diminish as to create unused income, then the income may be used by the College of Engineering at the discretion of the Dean, preference to be given, however, to items and services in the area of engineering technology.

c. $39,790.00 from Ione Beaton Krumm for the establishment of The Tahlman Krumm Engineering Memorial Fund.

The Tahlman Krumm Engineering Memorial Fund was established February 2, 1973, by the Board of Trustees of The Ohio State University with a gift to The Ohio State University Development Fund from Ione Beaton Krumm (Edu-W'36), of Columbus, Ohio, in memory of her husband, Tahlman Krumm (B.C.E. '34), who passed away August 16, 1969.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be used as a discretionary fund to further the progress of the Department of Civil Engineering. Disbursements are to be made upon the recommendation of the Chairman of the Department of Civil Engineering and the Dean of the College of Engineering.

c. The Tahlman Krumm Engineering Memorial Fund (continued)

Should the Department of Civil Engineering or the College of Engineering cease to exist through any reorganization of the University, then the income may be used by the Board of Trustees, with preference being given to the recommendations of the appropriate administrative official of the University who is then directly responsible for engineering instruction.

d. $7,950.00 from Mrs. W. Alton Jones, swine organizations, associates, and friends of Harold E. Delong for the establishment of the Harold E. Delong Memorial Scholarship.

Harold E. Delong Memorial Scholarship

The Harold E. Delong Memorial Scholarship was established February 2, 1973, by the Board of Trustees of The Ohio State University with gifts through The Ohio State University Development Fund from Mrs. W. Alton Jones, swine organizations, associates, and the many friends of the late Harold E. Delong, Columbus, Ohio, Swine Herdsman for the University's Department of Animal Science from 1963 to 1971.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of the University, with the right to invest and reinvest as occasion dictates.

Annual income is to be used to provide one or more scholarships from sophomore, junior, or senior students enrolled in the Department of Animal Science who evidence a major interest in the swine industry. Students are to be selected by the University Scholarship Committee upon the recommendations of the Department of Animal Science.

Should the need for such scholarships cease to exist or so diminish as to create unused income, or should the Department of Animal Science cease to exist through any reorganization of the University, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to the recommendations of the appropriate administrative official of the University who is then directly responsible for animal science education related to the swine industry.

e. $3,500.00 from Mrs. Mildred Tapp Brinkley for the establishment of the John Richard Brinkley Memorial Scholarship Fund.

   John Richard Brinkley Memorial Scholarship Fund

The John Richard Brinkley Memorial Scholarship Fund was established February 2, 1973, by the Board of Trustees of The Ohio State University with a gift to The Ohio State University Development Fund from Mrs. Mildred Tapp Brinkley, Bellefontaine, Ohio, in memory of her son, Ensign John R. Brinkley (Eng-W'50), who was killed in action in Korea on December 23, 1950.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income shall be added to principal until such time as the principal equals $10,000. After the principal reaches $10,000 the annual income is to be used to provide one or more scholarships for students from Logan and Franklin Counties. The selection of the recipient is to be made upon the recommendation of the University Scholarship Committee. Preference is to be given to students having demonstrated academic ability and need for financial assistance.

Should the need for these scholarships cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for scholarships.

f. $1,135.00 from Dr. David H. Stansbery and friends and faculty members of the College of Biological Sciences for the establishment of The Museum of Zoology Fund.

   The Museum of Zoology Fund

The Museum of Zoology Fund was established February 2, 1973, by the Board of Trustees of The Ohio State University with gifts through The Ohio State University Development Fund from David H. Stansbery, Ph.D., Director of the Museum of Zoology, and other friends and faculty members of the College of Biological Sciences.

The annual income is to be used for expeditions, purchase of collections and related expenses of the Museum of Zoology, as determined by the Director of the Museum of Zoology and with the approval of the Dean of the College of Biological Sciences.

IV. EXTRA AND CREDIT ORDERS TO CONTRACTS

On July 13, 1967, the Board of Trustees authorized the Vice President for Business and Finance (now the Acting Vice President for Administrative Operations) to approve change orders which were necessary to expedite completion of construction projects. In accordance with this authorization all extra and credit orders to contracts which have been completed were reported:

A. Air Condition Main Library

The installation of a fireplace in the snack room was originally requested as an alternate at time of first bidding; rebid of general contract was necessary and the alternate was not requested at rebid. At a later date the additional funds were made available and the fireplace was installed. Additional revisions were necessary during construction to provide improvements to the fire protection systems made possible by technological advances.

Funds have been provided from Budget Account 801083 (Speech Theater River Union) and Budget Account 801176 (River Union Drama Facility).

IV. EXTRA AND CREDIT ORDERS TO CONTRACTS (continued)

F. Graduate Research Center for Biological Sciences (continued)

Throughout the laboratory areas, at the request of the College, vinyl asbestos tile was added. In the original contract there was no floor finish—the floors were concrete.

Funds have been provided from Budget Account 016031 (Graduate Research Center for Biological Sciences) and Budget Account 801137 (Biological Sciences Building).

Upon motion of Mrs. James, seconded by Dr. Sirak, the above extra and credit orders to contracts and expenditure of funds were approved and the action of the Acting Vice President for Administrative Operations was ratified by unanimous roll call vote.

V. PLANS AND SPECIFICATIONS

At the request of the Acting Vice President for Administrative Operations, President Enarson recommended that the plans and specifications, bills of materials, and estimates of cost for the following projects be approved by the Board of Trustees:

A. Elevator Repairs—Haskett Hall, McCracken Power Plant, McPherson Laboratory

This project will correct deficiencies in the elevators in these buildings to provide for additional safety.

Funds are budgeted in Account 125064 (Contract Repair).

B. Goss Laboratory, Law Building, Robinson Laboratory—Interior Maintenance

This project will accomplish the necessary painting, plastering, vinyl wall covering and related work as required.

Funds are budgeted in Account 125064 (Contract Repair).

C. Goss Laboratory—Partial Remodeling

This job was submitted for approval June 2, 1972, but after receipt of Federal Grant, modifications were found to be necessary to provide conformity with the expanded program.

This project involves extensive renovation of numerous existing spaces, including air conditioning, electrical systems, and general improvements to animal rooms and laboratories.

Funds are budgeted in Account 801293 (Goss Laboratory—Partial Remodeling).
February 2, 1973 meeting, Board of Trustees

V. PLANS AND SPECIFICATIONS (continued)

D. Laneview Service Center--Railroad Siding

This project will replace the Stadium Drive railroad siding which served the University's warehouse and power plant. Siding was removed due to the construction of the Olentangy Freeway.

Funds are budgeted in Account 801211, to be reimbursed from State of Ohio for land use agreement for the construction of the Olentangy Freeway.

E. Mansfield Campus--Repair and Resurface Parking Facilities

This project will repair the existing surface treated parking lots to provide a stable base to prevent any unnecessary deterioration.

Funds are budgeted in Account 120942 (Mansfield Fund).

F. McCracken Power Plant--Electrical Utility Tie

This project will provide an increase in the electrical capacity available to the distribution system centered at McCracken Power Plant.

Funds are budgeted in HB 988, originally appropriated in SB 457 (Utilities and Renovation).

G. Roadway Repair and Resurfacing--Cannon Drive and Coffey Road

This project will consist of removing the remnants of the existing surface, as well as the unstable portions of the base material. The subdrainage system is to be expanded to prevent a reoccurrence of the current deterioration.

Funds are budgeted in Account 125064 (Contract Repair).

H. University Hospital--New Desuperheating Station, North Wing

This project will update the steam distribution system in the Medical Center Complex to provide an alternate steam supply of greater capacity to the Medical Center.

Funds are budgeted in Account 960200 (Hospital Rotary).

Upon motion of Mr. Shocknessy, seconded by Mr. Gushman, the above recommendations were approved by unanimous roll call vote, and the Secretary was authorized and directed to sign the plans and specifications for the above project for and on behalf of the Board of Trustees. Acting Vice President Zimmerman was directed to proceed with a request for bids in the normal University manner and if satisfactory bids are received, to proceed with the award of contracts. All action regarding this matter will be reported to the Board of Trustees at a later meeting.
VI. REPORT OF AWARD OF CONTRACTS

In accordance with authorization provided by the Board of Trustees, bids were taken on the projects listed below and the contracts were recommended for award. The action reported to the Board was as follows:

A. Arps Hall, Chemical Engineering, Denney Hall, Hamilton Hall--Interior Maintenance

<table>
<thead>
<tr>
<th>Low Bid</th>
<th>Est. of Cost</th>
</tr>
</thead>
<tbody>
<tr>
<td>$60,566.00</td>
<td>$66,200.00</td>

VII. MISCELLANEOUS FROM OFFICE OF ADMINISTRATIVE OPERATIONS

A. Easement - WOSU-TV - Underground Electric Line, Columbus and Southern Ohio Electric Company

The Columbus and Southern Ohio Electric Company has requested a 10-foot easement across Board of Trustees lands at 6680 North 3C Highway, Westerville, Ohio, to provide power to the site of the new WOSU-TV transmitter.
February 2, 1973 meeting, Board of Trustees

VII. MISCELLANEOUS FROM OFFICE OF ADMINISTRATIVE OPERATIONS (continued)

A. Easement - WOSU-TV - Underground Electric Line, Columbus and Southern Ohio Electric Company (continued)

It was recommended that the President and/or Acting Vice President for Administrative Operations be authorized to act on behalf of the University to sign the necessary legal instruments to provide for the installation of this electric service.

B. Easement - Electric Line Anchor Easement, Columbus and Southern Ohio Electric Company

The Columbus and Southern Ohio Electric Company has requested an easement to provide for the installation of an anchor on University lands opposite 2530 Olentangy River Road. The anchor will support an additional electric line supplying power to the new Chemical Abstracts Building.

It was recommended that the President and/or Acting Vice President for Administrative Operations be authorized to request the Director of Public Works pursuant to his statutory duties to act on behalf of the University in developing the necessary legal instruments to provide for the installation of the anchor at the standard easement charge established by that office.

C. Purchase of Rinhart Collection of Daguerreian Art

Floyd and Marion Rinhart have brought together a collection of more than 1,800 historic images, some 1,160 of them daguerreotypes, depicting the period 1839 through 1865. The collection is catalogued and indexed in such a way as to make it valuable for research in many areas aside from photography. Sociology, history, art history, Black history, social psychology, and others will find a wealth of primary resource material.

The Rinharts have made an offer to sell the collection to the University. The Development Fund has been successful in interesting donors who have provided funds for the purchase of the Rinhart Collection.

President Enarson recommended that this purchase be approved and that the Acting Vice President for Administrative Operations be authorized to purchase this collection in accordance with the letter of November 14, 1972, addressed to Floyd and Marion Rinhart. Payment is to be made from Budget Account 523155. Payment will be made in ten annual installments of $12,500, beginning in 1973, for a total of $125,000.

Upon motion of Mr. Shocknessy, seconded by Dr. Sirak, the above recommendations were approved by unanimous roll call vote.
VIII. RESOLUTIONS IN MEMORIAM

President Enarson reported to the Board the deaths of Josephine Bye Lord, Instructor Emeritus in the Department of English; Charles Frederick Mate, Associate Professor in the Department of Physics; and Harald Herborg Nielsen, Professor Emeritus in the Department of Physics. In accordance with the instructions of the Board of Trustees, copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board will be furnished the families of the deceased.

A. Josephine Bye Lord

The Board of Trustees of The Ohio State University expresses its sorrow at the death on January 12, 1973, of Josephine Bye Lord, Instructor Emeritus in the Department of English.

Mrs. Lord was born in Canton, Ohio. She received her A.B. and M.A. degrees from The Ohio State University. She taught English and History in the Worthington High School in 1926-27. Between 1943 and 1945 she served as Librarian of the Lord Hall Library. She served as an Instructor in the English Department from 1946 to 1966, when she retired as Instructor Emeritus. She was a member of Phi Beta Kappa and an honorary member of Chi Delta Phi.

Mrs. Lord's teaching responsibilities were in the area of Freshman English, where her intelligence, skill, and kindness made her one of our most valued and respected teachers, admired by her colleagues and her students.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

B. Charles Frederick Mate

The Board of Trustees of The Ohio State University expresses its sorrow at the death on December 6, 1972, of Charles Frederick Mate, Associate Professor in the Department of Physics.

Dr. Mate was born in Buffalo, New York, on September 14, 1931. His parents returned to England when he was still a child and he was educated there, receiving his B.A. from Pembroke College of Oxford University in 1955 and his D. Phil. from Oxford University in 1958.

From 1958 to 1961 Dr. Mate was Assistant Professor of Physics at McMaster University in Canada. He came to Columbus in 1961 as Visiting Assistant Professor in the Department of Physics. In 1963 he was appointed Assistant Professor of Physics and in 1965 became Associate Professor of Physics. In the summer of 1965 he was a Visiting Research Fellow at the University of St. Andrews in Scotland.
February 2, 1973 meeting, Board of Trustees

VIII. RESOLUTIONS IN MEMORIAM (continued)

A. Charles Frederick Mate (continued)

Dr. Mate served his Department and the University in many ways. His cheerful personality, fine sense of humor, and deep interest in students all contributed to his reputation as an excellent teacher of both undergraduate and graduate students. For the past five years Dr. Mate had had general supervisory responsibility for a key introductory course sequence in the undergraduate curriculum. He also taught a number of advanced and graduate level courses and supervised the research of eight students who received the M.S. degree and six who received the Ph.D. degree. The research carried out by Dr. Mate and his students has been widely recognized as having made some fundamental contributions to the field of Low Temperature Physics. Dr. Mate served also on many Departmental Committees, including the Curriculum Committee and the Committee on Instructional Improvement, and was in the process of writing a book entitled Principles of Physics.

Dr. Mate was a member of various professional organizations, including the Canadian Association of Physicists from 1958-61, the American Association of Physics Teachers, and the American Physical Society.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board’s heartfelt sympathy in its bereavement.

B. Harald Herborg Nielsen

The Board of Trustees of The Ohio State University expresses its sorrow at the death on January 8, 1973, of Harald Herborg Nielsen, Professor Emeritus in the Department of Physics.

Dr. Nielsen was born in Menominee, Michigan, on January 25, 1903. He attended St. Olaf College and the University of Michigan receiving the B.S. in 1926, the M.A. in 1927, and the Ph.D. in 1929.

After a year as American-Scandinavian Fellow at the Bohr Institute in Copenhagen, he came to The Ohio State University as Instructor in the Department of Physics in 1930. He progressed through the academic ranks and became Professor of Physics in 1943. In 1946 he became Chairman of the Department, a position he held with great distinction for the next twenty-one years.

During his career, Dr. Nielsen authored some 125 scientific papers and directed the research of 100 graduate students in the field of infrared molecular spectroscopy. He was Editor of the Journal of Molecular Spectroscopy and an Associate Editor of the Physical Review and of The Journal of Chemical Physics. He was one of the originators of The Symposium on Molecular Structure and Spectroscopy which has met at Ohio State annually since 1946.
February 2, 1973 meeting, Board of Trustees

VIII. RESOLUTIONS IN MEMORIAM (continued)

C. Harald Herborg Nielsen (continued)

Dr. Nielsen served as member and chairman of several commissions of the International Union of Pure and Applied Physics and of the National Academy of Sciences National Research Council. He was Science Attaché in the U. S. Embassy in Sweden in 1952-53 and Science Consultant to the U. S. Secretary of State from 1958 to 1966.

Among the many honors he received are the Medal of the University of Liege, the Cross of Leopold (Belgium), the Cross of Order of Knights of Dannebrog (Denmark), and an honorary Ph. D. from the University of Dijon.

Dr. Nielsen was an honorary member of the Society for Applied Spectroscopy; a fellow of the American Physical Society and the American Association for the Advancement of Science; a member of the American Association of Physics Teachers, American Astronomical Society, Optical Society of America, Royal Danish Academy, Société Française de Physique, Royal Society of Physics of the University of Liege, Phi Beta Kappa, Sigma Xi, and Sigma Pi Sigma.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

IX. REPORTS

A. Report on Action Taken by Ohio Board of Regents

President Enarson reported that the Ohio Board of Regents at the meeting on December 17, 1972, approved the

New degree program Doctor of Arts in Economics submitted by The Ohio State University.

B. Report on the University's Investment Portfolio

The report dated February 1, 1973, as submitted to the Finance and Investment Committee of the Board of Trustees by Mr. Ernest W. Leggett pertaining to the University's Investment Portfolio, was received and ordered to be filed with the official records of the Board of Trustees.

REAL ESTATE PURCHASE CONTRACT

and

CLOSING AGREEMENT AND AFFIDAVIT
REAL ESTATE PURCHASE CONTRACT

THIS AGREEMENT, made and entered into as of the ______ day of
_____________ 1973, by and between H. H. VAN METER and RUTH E.
VAN METER, husband and wife, hereinafter collectively referred to as "Seller"
and the Board of Trustees of THE OHIO STATE UNIVERSITY, hereinafter referred
to as "Buyer".

WITNESSETH:

WHEREAS, Seller is desirous of selling the residential property located at
285 Croswell Road, Columbus, Ohio, to Buyer and Buyer is desirous of purchasing
said property, on the terms and conditions hereinafter set forth;

NOW, THEREFORE, in consideration of the mutual covenants contained herein,
it is agreed that:

1. PREMISES CONVEYED. Seller will sell and Buyer will purchase the real
property located in the State of Ohio, County of Franklin, City of Columbus, known
as 285 Croswell Road and more fully described as follows:

   Being Lot No. 17 of the Roselea Subdivision as recorded in Plat
Book 27, Page 40, Recorder's Office, Franklin County, Ohio.

2. CLOSING AND POSSESSION. This contract shall be performed and the
transaction shall be closed within ninety days after the execution hereof unless an
extension of time is mutually agreed upon. Possession by the Buyer may take place
as soon after closing as mutually convenient but no later than June 1, 1973. The
closing shall be held at such time and place in Franklin County, Ohio, as Buyer
shall designate.

3. EVIDENCE OF TITLE. For the real property to be conveyed Seller shall,
at Seller's option, furnish and pay for,
Real Estate Purchase Contract (continued)

(a) A complete original abstract of title extended to a date not earlier than ten days before the closing, certified in accordance with the Standards of the Columbus Bar Association; or

(b) An owner's closing title insurance commitment certified to a date not earlier than ten days before the closing, and after the closing an owner's title insurance policy, an ALTA Owners Form B-1970, or its equivalent, in the amount of the total purchase price.

(c) Said abstract or said commitment shall show in Seller and the policy shall insure in Buyer a good and merchantable title in fee simple free and clear of all liens and encumbrances except: (1) those created by or assumed by Buyer; (2) those specifically set forth in this contract; (3) zoning ordinances; (4) legal highways; and (5) restrictions, conditions and utility easements of record created or reserved as a part of a general plan in and for the subdivision in which said property is located, provided the same are acceptable to Buyer.

(d) If title insurance is used, the entire cost of all commitments and title insurance policies issued in accordance with this contract and the cost of the title examinations made for said purposes shall be paid by Seller. Surveys and subdivision or parcel plats shall be paid for by Buyer.

(e) If the title to all or part of the real property to be conveyed is defective or unmerchantable, or if any part of the real property is subject to liens, encumbrances, easements, conditions or restrictions other than those excepted in this contract, or in the event of any encroachment, Seller shall have a reasonable time, not to exceed thirty (30) days, after written notice thereof, within which to remedy or remove any such defect, lien, encumbrance, easement, condition, restriction or encroachment, or obtain title insurance against the same.
4. **PRICE.** The purchase price shall be One Hundred Forty Thousand Dollars ($140,000) in cash at closing.

5. **TAXES AND ASSESSMENTS.** Seller shall pay all delinquent taxes, penalties and interest, and all special assessments now a lien, both current and reassessed and whether due or to become due.

   Seller shall pay or credit on the purchase price, all real estate taxes for years prior to the closing, and a portion of such taxes for the year of closing, prorated through the date of closing. The pro-rataion of undetermined taxes shall be based on a 365 day year and on the last available tax rate and valuation, and the amounts so computed and adjusted shall be final.

   Except as hereinafter set forth Seller warrants that all assessments now a lien are shown on the Treasurer's duplicate and that no improvements (site or area) have been installed by public authority the cost of which is to be assessed against said premises in the future; and Seller further warrants that he has not been notified of possible future improvements by public authority, any part of the cost of which would or might be assessed, against the real property.

6. **DEED.** Seller shall convey to Buyer a good and merchantable title in fee simple to the real property by transferrable and recordable general warranty deed, with release of dower, free and clear of all liens and encumbrances, except those excepted in paragraph 3(c), above. Title shall be conveyed to "The State of Ohio for the use of The Ohio State University".

7. **FIXTURES AND EQUIPMENT.** The premises conveyed shall include in working condition all water softeners, electric garbage disposals, inside incinerators, kitchen appliances, television aerials, meters, furnaces, firing and furnace control apparatus, central airconditioning equipment, intercom systems, fireplace heaters, heating appliances, gas, electric, lighting, bathroom and lavatory fixtures, built-in
equipment, refrigerators located in the kitchen and in the family room, automatic washer, automatic dryer, kitchen ranges, ovens, attached or affixed linoleum and tile floor covering, pergolas, arbors, shrubs, plants, trees, awnings, fly screens, window shades and blinds, curtain rods and poles, auxiliary doors and windows, porch blinds, screens, awnings, pertaining to the premises, whether now in or on the premises or in storage, carpets, drapes, metal shelving and metal storage cabinets.

8. **WATER, SEWER AND STREET CLEANING BILLS.** Seller shall pay all accrued water and sewer rental charges and all outstanding street cleaning bills to the closing date.

9. **DAMAGE OR DESTRUCTION OF PROPERTY.** Risk of loss to the real property and appurtenances from fire or other casualty shall be borne by Seller until closing, provided that if said property is substantially damaged or destroyed by fire or other casualty prior to the closing of the transaction, Buyer may (1) elect to proceed with the transaction in which event the Buyer shall be entitled to all insurance money, if any, payable to Seller under any and all policies of insurance covering the property so damaged or destroyed, or (2) elect to rescind the contract in which event all parties hereto shall be released from all liability hereunder. If Buyer elects to rescind the contract, it shall so notify Seller in writing within ten (10) days after Buyer has written notice of such damage or destruction; failure by Buyer to so notify Seller shall constitute an election to proceed with the transaction.

Seller will at his expense have the premises inspected by a qualified exterminator and provide to Buyer a certification that there is no insect, rodent or pest infestation of the premises or damage resulting therefrom. If such certification discloses any such infestation or damage, Seller will, at his cost, cause such infestation or damage to be eliminated or repaired prior to the closing, in workmanlike manner and to the reasonable satisfaction of Buyer.
Real Estate Purchase Contract (continued)

10. GENERAL PROVISIONS. This contract shall be governed by the laws of the State of Ohio.

The obligations of Buyer hereunder are conditioned upon approval of the expenditure herein contemplated by the Ohio Board of Regents and by the Controlling Board of the State of Ohio.

This contract is not assignable by either party without the written consent of all other parties hereto.

All warranties, representations and covenants herein contained shall survive the closing and if said deed and this contract are inconsistent, the provisions of this contract shall control.

In no event will Buyer be responsible for any commissions claimed as a result of this transaction. Seller agrees to hold harmless and indemnify Buyer against any and all costs including attorneys fees which may arise as a result of any such claim.

Columbus, Ohio, March 2, 1973

The Board of Trustees met at its regular monthly meeting on Friday, March 2, 1973, at The Ohio State University Fawcett Center for Tomorrow, Columbus, Ohio, pursuant to adjournment.

Minutes of the last meeting were approved.
President Enarson presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Establishment of Six Divisions in the College of Pharmacy

The University Senate on February 13, 1973, approved the recommendation from the Council on Academic Affairs pursuant to Rule 13.0501 of Rules for the University Faculty that the College of Pharmacy be organized into six Divisions, effective July 1, 1973.

Since the College is involved in many diverse educational efforts at several levels, e.g., undergraduate, graduate, and continuing education, and research; organization of these functions into Divisions to facilitate a more effective academic and administrative structure within the College is seen as highly desirable. The Divisional structure would provide more appropriate visibility of the several areas of instruction, research, and scholarly endeavor within the College, particularly at the graduate level.

The proposed Divisions are as follows:

Division of Administrative and Social Sciences
Division of Clinical Pharmacy and Professional Practice
Division of Medicinal Chemistry
Division of Pharmaceutics and Pharmaceutical Chemistry
Division of Pharmacognosy and Natural Products Chemistry
Division of Pharmacology

President Enarson recommended that the Divisions for the College of Pharmacy, as recommended by the University Senate, be approved.

Upon motion of Mr. Hilliker, seconded by Mr. Dunlap, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

B. Degrees and Certificates Conferred--Winter Quarter Commencement

President Enarson recommended that degrees and certificates be conferred at the Winter Quarter Commencement Convocation on March 16, 1973, to those students who have completed the requirements for their respective degrees and certificates and are recommended by the University Senate. The names of those awarded degrees and certificates will be included in the minutes of this meeting. (See Appendix VII, page 363.)

Upon motion of Mr. Shocknessy, seconded by Mrs. James, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

C. Football Tickets--Price Modification

The Athletic Council recommends the following price changes for football tickets, effective with the 1973 season:
March 2, 1973 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

C. Football Tickets--Price Modification (continued)

(1) Games scheduled two Saturdays or more prior to the opening of the Autumn Quarter classes will not be included in the student season football ticket.

(2) Accordingly, the price of the student season football ticket will be reduced from $14 to $12 and the cost of the second season ticket for a non-student spouse will be $16.

(3) Students will be provided with the opportunity to purchase individual tickets for themselves and their non-student spouse for the home games which are scheduled two Saturdays or more prior to the opening of Autumn Quarter at $3 per ticket.

(4) Individual game reserved seats and some box seats which were priced at $6 will be increased to $7 per ticket.

(5) The remaining individual game box seats will be increased from $7 to $8 per ticket.

(6) The price of season tickets for faculty and staff will continue unchanged since the price of these tickets was increased in 1971.

The Athletic Council further recommends that the additional income derived from these price modifications be reserved for major maintenance and renovation programs for the Ohio Stadium which would include such possible items as treatment and painting of the exterior concrete face and exposed structural steel components, modification of public lavatories, and replacement of some of the present seats.

President Enarson recommended that the Board of Trustees approve the ticket policy and price changes as proposed by the Athletic Council.

Upon motion of Mr. Hilliker, seconded by Mr. Harrod, the Board of Trustees approved the foregoing recommendations by unanimous roll call vote.

D. Honorary Degree

President Enarson recommended under Section 3, Rule 11.05, and after consultation with the Steering Committee of the University Senate, that the honorary degree, Doctor of Laws, be conferred on Phillip R. Shriver, President of Miami University, at the March 16, 1973 Commencement.

Upon motion of Dr. Sirak, seconded by Mr. Dunlap, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.
III. PERSONNEL CHANGES

Personnel changes since the February 2, 1973 meeting of the Board, as recorded in the official "Salary Roll" of the University, include the following Retirement, Promotion, Leaves of Absence Without Salary, and Emeritus Title:

A. Retirement

James R. McCoy has requested retirement from the Deanship of the College of Administrative Science and from the Professorship on the Academic Faculty of Accounting, effective July 1, 1974. Dean McCoy will receive the full retirement benefits which accrue to principal administrative officials.

B. Promotion

Marvin R. Zahniser from Associate Professor, Department of History, to Associate Professor and Chairman of the Department of History, effective March 1, 1973, at a salary of $24,048.00 per annum (three-quarter appointment), and promotion of Dr. Zahniser from Associate Professor to Professor, effective April 1, 1973.

C. Leaves of Absence Without Salary

John C. Burnham, Professor, Department of History, effective April 1, 1973 through September 30, 1973, to accept a Fulbright lectureship in Australia.

Kathel A. Kerr, Associate Professor, Department of History, effective April 1, 1973 through June 30, 1973, to accept a Fulbright lectureship in Japan.

Margaret E. Griffiths, Instructor, Cooperative Extension Service, effective January 16, 1973 through March 16, 1973, to participate in a program of professional improvement at The Ohio State University.

D. Emeritus Title

Leota L. Balsizer, Cooperative Extension Service, with the title Assistant Professor Emeritus, effective January 1, 1973.

President Enarson recommended that the Retirement, Promotion, Leaves of Absence Without Salary, Emeritus Title, and personnel budget actions as recorded in the "Salary Roll" of the University be approved.

Upon motion of Mr. Harrod, seconded by Mr. Dunlap, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote, and the Secretary was instructed to file these changes in the "Salary Roll," an official document of the University.
March 2, 1973 meeting, Board of Trustees

III. SPECIAL REPORT

A. Alcoholic Beverages - University Residential Facilities

President Enarson presented the following report:

I wish to announce at this time a modification in the existing University regulations on the possession and use of alcohol on this campus. Because of the many expressions of concern which I continue to receive, both from our students living on this campus as well as those charged with responsibility for management of our residential facilities, I have devoted a substantial amount of time examining this issue.

After a comprehensive review, numerous discussions, and a great deal of reflection, I am now convinced that the best course at this time is to extend to the students who reside within University residential facilities the privileges and responsibilities which are provided by the laws governing alcoholic beverages in the State of Ohio.

Accordingly, I am announcing the following revision in this University's policy relating to the possession and consumption of alcohol on campus.

In accordance with authority vested in me by Board action in October 1970, I am specifically authorizing the possession and consumption of alcoholic beverages in individual student rooms and apartments on campus provided that each residential unit desiring the availability of alcohol develop an approved plan fully consistent with local, state, and federal laws before such permission is granted. To receive approval, such plans must incorporate appropriate safeguards to assure (1) that such consumption will be restricted to student rooms and apartments and (2) that the rights of individuals to whom the use of alcohol is offensive will be fully respected.
IV. REPORT OF RESEARCH CONTRACTS, GRANTS, GIFTS, AND AGREEMENTS

President Enarson recommended that the following report of contracts and grants negotiated and monies received since the February 2, 1973 meeting of the Board be accepted.

   The Ervin H. Pollack Memorial Scholarship Fund was established March 2, 1973, by the Board of Trustees of The Ohio State University with a gift to The Ohio State University Development Fund from Mrs. Ervin H. Pollack, M.A. '65, Columbus, Ohio, in memory of her husband, Ervin H. Pollack.

   All gifts are to be invested in the University's Permanent Endowment under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

   The annual income is to be used to provide one or more scholarships for students enrolled in the College of Law who have demonstrated academic ability and need for financial assistance. The selection of the recipient(s) is to be made by the University Scholarship Committee upon the recommendation of the Dean of the College of Law.

   Should the need for the scholarship cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Dean of the College of Law.

   b. $10,000.00 from Helen Hummell Sitterley and Kermit C. Sitterley for the establishment of The Helen H. and Kermit C. Sitterley Fund.

   The Helen H. and Kermit C. Sitterley Fund

   The Helen H. and Kermit C. Sitterley Fund was established March 2, 1973, by the Board of Trustees of The Ohio State University with a gift to The Ohio State University Development Fund from Helen Hummell Sitterley, B.S. '32, and Kermit C. Sitterley, B.S. '31, J.D. '33, Lancaster, Ohio.

   The gift is to be invested in the University's Permanent Endowment under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

   The income or principal is to be used for the benefit of the College of Law as recommended by the Dean of the College of Law.

4. Establishment of Named Funds (continued)

b. The Helen H. and Kermit C. Sitterley Fund (continued)

Should the College of Law cease to exist, through any reorganization of the University, then the income or principal may be used by the Board of Trustees, with preference being given to the recommendations of the appropriate administrative official of the University who is then directly responsible for law education.

c. $1,000.00 from Howard N. Bullock for the establishment of The Guy H. Bullock Memorial Fund.

The Guy H. Bullock Memorial Fund

The Guy H. Bullock Memorial Fund was established March 2, 1973, by the Board of Trustees of The Ohio State University with a gift to The Ohio State University Development Fund from Howard N. Bullock, B.S. '40, J.D. '43, Columbus, Ohio, in memory of his father, Guy H. Bullock.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be added to the principal until the fund reaches $10,000. At that time, the annual income is to be used to provide one or more scholarships for students enrolled in the College of Law.

Selection of the recipient(s) is to be made by the University Scholarship Committee upon the recommendation of the Dean of the College of Law. In any year, the Dean of the College of Law determines the income is not needed for scholarship purposes, he may designate the income for any other use which will be for the best interest of the College of Law and its student body.

Should the College of Law cease to exist, through any reorganization of the University, then the income may be used by the Board of Trustees, with preference being given to the recommendations of the appropriate administrative official of the University who is then directly responsible for law education.
March 2, 1973 meeting, Board of Trustees

V. PLANS AND SPECIFICATIONS

At the request of the Acting Vice President for Administrative Operations, President Enarson recommended that the plans and specifications, bills of materials, and estimates of cost for the following project be approved by the Board of Trustees:

A. Improvements for the Handicapped - Phase III

(Building Improvements - Elevator)

Phase I of the project provided for modification of curbs and building of access ramps throughout the campus. Phase II provided for the purchase of vans for transportation of the handicapped. Phase III will provide for elevators in high density use buildings which will be available to our handicapped students. This phase is concerned with the building improvements program. An elevator will be installed in Derby Hall to supply one part of these improvements.

Additional phases will be implemented including rest room modifications, raised door numbers, door lever type handles, and drinking fountain modifications.

Funds are budgeted in Account 801272 (Improvements - Handicapped).

Upon motion of Mr. Hilliker, seconded by Mr. Harrod, the above recommendation was approved by unanimous roll call vote, and the Secretary was authorized and directed to sign the plans and specifications for the above project for and on behalf of the Board of Trustees. Acting Vice President Zimmerman was directed to proceed with a request for bids in the normal University manner and if satisfactory bids are received, to proceed with the award of contracts. All action regarding this matter will be reported to the Board of Trustees at a later meeting.

VI. MISCELLANEOUS FROM OFFICE OF ADMINISTRATIVE OPERATIONS

A. Easement - City of Columbus, Water Line North of Lane Avenue Adjacent to Olentangy River Road

The City of Columbus has requested an easement across University lands north of Lane Avenue adjacent to the Olentangy River Road to install a 24-inch water line. The City, with the installation of this water line, will provide the University with continuous loop water service and should service be interrupted from one direction, the University could obtain water from another direction.

President Enarson recommended that the granting of this easement for the installation of the 24-inch water line north of Lane Avenue to the City of Columbus be approved. It was recommended further that the President and/or Acting Vice President for Administrative Operations be authorized
March 2, 1973 meeting, Board of Trustees

VI. MISCELLANEOUS FROM OFFICE OF ADMINISTRATIVE OPERATIONS (continued)

A. Easement - City of Columbus, Water Line North of Lane Avenue Adjacent to Olentangy River Road (continued)

...to request the Director of Public Works pursuant to his statutory duties to act on behalf of the University in developing the easement to provide for the right-of-way for the installation of the 24-inch water line.

B. Easement - Substation Site - To Provide Additional Electricity to the Main Campus

On March 13, 1969, the Board of Trustees granted to the Columbus and Southern Ohio Electric Company a right-of-way easement for the construction of an underground line to bring additional power to the Campus. The University's power requirements now dictate the construction of a substation at the terminus of the easement granted on March 13, 1969.

The site of the substation will be located approximately 2,000 feet north of King Avenue and east of the dike on the east side of the Olentangy River. The substation will be constructed by the Columbus and Southern Ohio Electric Company.

President Enarson recommended that the granting of an easement for the substation site to the Columbus and Southern Ohio Electric Company be approved. It was recommended further that the President and/or Acting Vice President for Administrative Operations be authorized to request the Director of Public Works pursuant to his statutory duties to act on behalf of the University in developing the easement to provide for the substation site.

Upon motion of Dr. Sirak, seconded by Mr. Shocknessy, the above recommendations were approved by unanimous roll call vote.

VII. RESOLUTION IN MEMORIAM

President Enarson reported to the Board the death of Nelle A. Morris, Assistant Professor Emeritus in the College of Education, Academic Faculty of Early and Middle Childhood Education. In accordance with the instructions of the Board of Trustees, a copy of the following resolution expressing on behalf of the University the sorrow and sympathy of the Board will be furnished the family of the deceased.

A. Nelle A. Morris

The Board of Trustees of The Ohio State University expresses its sorrow at the death on February 8, 1973, of Nelle A. Morris, Assistant Professor Emeritus in the College of Education, Academic Faculty of Early and Middle Childhood Education.
March 2, 1973 meeting, Board of Trustees

VII. RESOLUTION IN MEMORIAM (continued)

A. Nelle A. Morris (continued)

Miss Morris was born in Champaign County where she began teaching in 1907 at the age of eighteen. Combining teaching and learning, she earned a diploma from Ohio University in 1913 followed by Bachelor of Science and Master of Arts degrees from The Ohio State University.

Her teaching experience in Ohio schools spanned a period of 52 years and included rural schools, Athens, Toledo, and Columbus schools prior to joining the first staff of The Ohio State University Laboratory School in 1929 where she served with distinction until her retirement in 1959. She received from Pi Lambda Theta in 1961 an award for outstanding service to the cause of education and for unselfish devotion to the problems related to the professional growth of teachers.

Miss Morris' teaching responsibilities included primary school children and elementary education majors aspiring to become teachers of such children. Her patience, skill, sense of humor, and insight into the learning problems of early childhood made her a highly valued teacher, respected by colleagues, children, and their parents.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

Mr. Eckley extended sympathy on behalf of the Board to Dr. Sirak on the recent losses in his family.

VIII. REPORT

A. Report on the University's Investment Portfolio

The report dated March 2, 1973, as submitted to the Finance and Investment Committee of the Board of Trustees by Mr. Ernest W. Leggett pertaining to the University's Investment Portfolio, was received and ordered to be filed with the official records of the Board of Trustees.
March 2, 1973 meeting, Board of Trustees

Thereupon the Board adjourned to meet Friday, April 6, 1973, at the Mansfield Campus of The Ohio State University, Mansfield, Ohio, at 10:30 a.m.

Degrees Conferred at
THE OHIO STATE UNIVERSITY
COMMENCEMENT CONVOCATION

March 16, 1973
The Recipient of Honors

PHILLIP R. SHRIVER

Doctor of Laws

Educator, administrator, and historian

We honor today one of Ohio's most distinguished educational statesmen. Noted educator, historian, and administrator, Phillip Raymond Shriver's commitment to the understanding and betterment of society has earned him national respect.

Leadership and accomplishment have been a habit for Phillip Shriver since his student days at Yale, Harvard, and Columbia.

During the more than twenty-five years he has devoted to higher education in his native state of Ohio, Dr. Shriver has added immeasurably to the stature and quality of two major universities. His contributions as a member of the faculty and as an administrator at Kent State University led to his selection as the seventeenth President of Miami University.

His eight years at Miami have been characterized by growth and change in almost every dimension of the University. The Shriver imprint has enhanced the process of change. To growth he has added compassion, great personal dedication, and a sensitive awareness of the needs of students and faculty.

Dr. Shriver has also shared his many talents as well as his keen insights with the larger community. Among his many other recognitions, he is a trustee of the Ohio College Library Center, The Ohio Center for Leadership Studies and the Advisory Board of the Cincinnati Council on World Affairs. He is on the Executive Committee of the Council of Presidents of the National Association of State Universities and Land-Grant Colleges. He is a former chairman of Ohio's Inter-University Council. He is currently chairman of the Council of Presidents of the Mid-American Conference.

As further testimony to Phillip Raymond Shriver's leadership, service and dedication, The Ohio State University is proud to recognize his achievement of the highest ideals of scholarship and administration by conferring upon him the degree, Doctor of Laws, honoris causa.

THE OHIO STATE UNIVERSITY
OFFICIAL PROCEEDINGS OF THE
ONE THOUSAND AND EIGHTY-FIFTH MEETING
OF THE BOARD OF TRUSTEES

Mansfield, Ohio, April 6, 1973

The Board of Trustees met at its regular monthly meeting on Friday, April 6, 1973, at The Ohio State University Mansfield Regional Campus, Mansfield, Ohio, pursuant to adjournment.

Minutes of the last meeting were approved.

* * *
April 6, 1973 meeting, Board of Trustees

President Enarson presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Establishment of Department of Industrial Design

The University Senate at the March 6, 1973 meeting approved the change in the status of the Division of Design to the Department of Industrial Design, effective July 1, 1973.

In its four years of existence, the Division of Design has established programs leading to the degrees Bachelor of Science in Industrial Design and Master of Arts. Public service and research opportunities are many and varied in the area of industrial design, a field which is recognized by universities nationally and internationally as a unique area of academic concern.

President Enarson recommended that the Department of Industrial Design be established in accordance with the University Senate's recommendation.

Upon motion of Mr. Hilliker, seconded by Mr. Harrod, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

B. Reprinted Publication Entitled--Statutes Applying to the University, Bylaws of the Board of Trustees, and Rules for the University Faculty

The publication entitled, Statutes Applying to the University, Bylaws of the Board of Trustees, and Rules for the University Faculty, has been reprinted to conform to the changes which have been approved by the Board of Trustees since the last publication in May, 1972. The statutes of the Ohio Revised Code pertaining to The Ohio State University and printed in this publication have been revised to include those actions adopted by the 109th General Assembly.

President Enarson recommended that this publication be accepted in its reprinted form as the official publication of the Board of Trustees.

Upon motion of Mr. Gushman, seconded by Mr. Hilliker, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

II. PERSONNEL CHANGES

Personnel changes since the March 2, 1973 meeting of the Board, as recorded in the official "Salary Roll" of the University, include the following Resignation, Appointments, Leave of Absence Without Salary, and Emeritus Titles:
III. PERSONNEL CHANGES (continued)

A. Resignation

Luvern L. Cunningham has resigned his position as Dean of the College of Education, effective June 30, 1973. Dr. Cunningham will continue as a Professor in the College of Education on a part-time basis and will serve as Executive Director of an educational task force in the Detroit Public Schools.

B. Appointments

Henry G. Cramblett, Dean of the College of Medicine, effective July 1, 1973, at a salary of $43,008.00 per annum (twelve-month appointment). Dr. Cramblett will continue to hold his professorships in the Departments of Medical Microbiology and Pediatrics.

C. Roger Smith, Dean of the College of Veterinary Medicine, effective immediately, at a salary of $35,088.00 per annum (twelve-month appointment). Dr. Smith will continue his academic appointment as Professor in the Department of Veterinary Physiology and Pharmacology.

Edna L. Fritz, Professor and Director, School of Nursing, effective August 1, 1973, at a salary of $27,960.00 per annum (twelve-month appointment).

C. Leave of Absence Without Salary

Francille M. Firebaugh, Professor, School of Home Economics, effective March 1, 1973 through June 30, 1973, to review research proposals and assist with home management and family economics programs with USDA-Cooperative State Research Service in Washington, D.C.

D. Emeritus Titles

Carl E. Venard, Department of Entomology, with the title Professor Emeritus, effective January 1, 1973.

Byron E. Gamble, Cooperative Extension Service, with the title Assistant Professor Emeritus, effective March 1, 1973.

President Enarson recommended that the Resignation, Appointments, Leave of Absence Without Salary, Emeritus Titles, and personnel budget actions as recorded in the "Salary Roll" of the University be approved.

Upon motion of Mr. Harrod, seconded by Dr. Sirak, the Board of Trustees approved the above recommendation by unanimous roll call vote, and the Secretary was instructed to file these changes in the "Salary Roll," an official document of the University.
President Enarson recommended that the following report of contracts and grants negotiated and monies received since the March 2, 1973 meeting of the Board be accepted.

a. $1,000.00 from Dr. Francis B. McCormick for the establishment of The Francis B. McCormick Undergraduate Scholarship Fund in Agricultural Economics.

The Francis B. McCormick Undergraduate Scholarship Fund in Agricultural Economics

The Francis B. McCormick Undergraduate Scholarship Fund in Agricultural Economics was established April 6, 1973, by the Board of Trustees of The Ohio State University with a gift to The Ohio State University Development Fund from Francis B. McCormick. B.S. '39, M.S. '47, Ph.D. '53, Columbus, Ohio.

All gifts are to be invested in the University's Permanent Endowment under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

The annual income is to be added to the principal until the fund reaches $10,000. At that time, the annual income is to be used to provide one or more undergraduate scholarships for students enrolled in the

College of Agriculture and Home Economics and majoring in agricultural economics.

Selection of the recipient(s) is to be made by the University Scholarship Committee upon the recommendation of the Chairman of the Department of Agricultural Economics and Rural Sociology and the Dean of the College of Agriculture and Home Economics or their duly selected successors in any restructuring of the Department, the College, or the University. Recipients will be selected on the basis of scholarly achievement and need with major emphasis given to scholarly achievement. The amount of each scholarship will be determined by the Selection Committee, but in no case will it be less than $500 annually. As occasions permit, faculty members in the Department of Agricultural Economics and Rural Sociology should encourage friends and alumni to make gifts to this fund.

For whatever reason should the need for scholarships in agricultural economics cease to exist or so diminish as to provide unused income, then the income is to be used for undergraduate students at Ohio State University whose home is in Muskingum County, Ohio, with selection being made by the appropriate administrative official of the University who is directly responsible for scholarships.

IV. STATEMENT BY PRESIDENT HAROLD L. ENARSON

Following the presentation of the report of contracts and grants received by the University, President Enarson made the following statement:

Today's meeting of The Ohio State University Board of Trustees on the Mansfield Campus serves well to emphasize the significance the University attaches to its undergraduate programs. The opportunities offered at Mansfield and the other regional campuses surely represent one of the strong points of our undergraduate academic undertaking.

Undergraduate education has been receiving a great deal more attention this past year than it has at any time since the mid-50's. Most departments now have some form of individualized or independent study and have developed ways to more effectively personalize undergraduate
instruction. At the same time the University is taking the initiative in encouraging the development of one-of-a-kind programs which permit some students to design their own programs from among the many rich offerings at Ohio State.

Long a national leader in teaching technology, Ohio State continues to find new and more effective ways of using technology to support the teaching-learning process. To take but one example, computer assisted instruction is now opening up new dimensions of instruction for undergraduates in areas such as classics and philosophy.

In addition to working toward greater personalization of instruction and more effective use of technology, the renewed emphasis on undergraduate education is being reflected in greater rewards for outstanding teaching. The traditional incentives of promotion, tenure and salary are at least as available to outstanding teacher scholars today as they are to distinguished researchers.

Most important perhaps, the University is finding new ways to encourage innovative ideas in teaching. One dramatic example of the kind of work being done is the University Task Force on Learning which has involved well over a hundred people who are working together to share teaching-learning innovations across departments.

We can do more and we will. But in emphasizing undergraduate education, we must not lose sight of the unique role in society played by campus research experts. Research is part of the lifeblood of a university and we need to guard against developments that could weaken this part of the University's function.

We have just heard a report on 51 research contracts and grants awarded during the past month and totaling some $3.9 million. These awards, I believe, should direct attention for a moment to the value of university research.

The search for new knowledge, carried out in close relationship to the other work of the university, is of inestimable value to all of us today and perhaps even more to those who will follow us.

No other segment of society can perform the tasks of the university's research investigators, whose talent, training and experience have prepared them for this work.

At this time, when the financing of higher education is in jeopardy on both state and federal levels, I fervently hope that the work of the researcher not only can receive adequate support but can be strengthened.

It would be folly now for this state and nation to bring about even a partial dispersal of the universities' research experts or to take away their research tools.
IV. STATEMENT BY PRESIDENT HAROLD L. ENARSON (continued)

For the last fiscal year, the dollar valuation of campus research projects was nearly $22 million. Most impressive, however, is the scope and the sophistication of the research studies which Ohio State faculty and graduate students are undertaking. Under Research Foundation agreements alone last year, 519 faculty and 697 graduate students worked on 733 projects in 92 university areas.

It should be noted that this work is undertaken, not as the business of a research institute, but for the educational value derived. In the university, research and instruction are intimately associated—in fact, often may be inseparable.

Among the contracts and grants reported at today's meeting of the Board of Trustees, there are five totaling more than $2.2 million for work in the field of vocational and technical education for the National Institute of Education, and others range from studies of the earth's gravity for the Air Force Systems Command to an investigation of television signal reflections.

Additional agreements involve 'new careers' programs for the Columbus Metropolitan Area Community Action Organization; medical and engineering studies of the effects of carbon dioxide on automobile driving; a veterinary investigation of brain tumors, and work on blood coagulants.

The variety of research pursuits represented on the campus underlines the capacity of the research staffs on the comprehensive university to help solve the problems facing us today, to expand the limits of our knowledge and to bring to this community the creative work of attacking these projects.

Beyond teaching and research, to turn for a moment to the third part of Ohio State's mission, the most rapidly growing need in our society appears to be for greater emphasis on the public service function of our colleges and universities. We have made every effort to keep pace with this need through a wide variety of continuing education programs as well as a multitude of other services that we perform for society.

In the near future we will undertake a thrust to open opportunity for education to everyone through a greatly expanded program of evening studies. This is only the beginning of what I predict will be one of the significant trends in higher education. The so called 'knowledge industry' will grow because of public demand for greater access to educational opportunity.

After only a few months as President of Ohio State University I am pleased to report that I feel the University and its regional campuses are uniquely qualified to provide a balanced approach to the three-fold mission of teaching, research and public service; uniquely qualified to meet the growing educational needs of this state and nation.
V. EXTRA AND CREDIT ORDERS TO CONTRACTS

On July 13, 1967, the Board of Trustees authorized the Vice President for Business and Finance (now the Acting Vice President for Administrative Operations) to approve change orders which were necessary to expedite completion of construction projects. In accordance with this authorization all extra and credit orders to contracts which have been completed were reported:

A. Neil Hall--Renovation

Changes in the original specifications were requested by the Using Agency to upgrade bathrooms. Also, during construction conditions were found, i.e., steel beams in walls necessitated the change of requested thru-the-wall air conditioners to window units in some locations.

Funds have been provided from Budget Account 801258 (Neil Hall Improvements).

Upon motion of Mr. Hilliker, seconded by Mr. Cushman, the above extra and credit orders to contracts and expenditure of funds were approved and the action of the Acting Vice President for Administrative Operations was ratified by unanimous roll call vote.

VI. PLANS AND SPECIFICATIONS

At the request of the Acting Vice President for Administrative Operations, President Enarson recommended that the plans and specifications, bills of materials, and estimates of cost for the following projects be approved by the Board of Trustees:

A. Dodd Hall--South Parking Lot Renovation

This project will consist of regrading and resurfacing the existing lot which will eliminate standing water and restore the deteriorated pavement. Lighting will be added for the safety of night-time users, and reseeding of the surrounding area will be accomplished.

Funds are budgeted in Budget Account 801280 (Parking Lot - Dodd Hall).

B. Agricultural Administration Building, School of Natural Resources--Renovations

This project will convert two classrooms in the Agricultural Administration Building into an administrative suite for the School of Natural Resources administrative personnel.
VI. PLANS AND SPECIFICATIONS (continued)

B. Agricultural Administration Building, School of Natural Resources--Renovations (continued)

Funds are budgeted in SB 457 (Utilities and Renovations).

Upon motion of Mr. Dunlap, seconded by Dr. Sirak, the above recommendations were approved by unanimous roll call vote, and the Secretary was authorized and directed to sign the plans and specifications for the above projects for and on behalf of the Board of Trustees. Acting Vice President Zimmerman was directed to proceed with a request for bids in the normal University manner and if satisfactory bids are received, to proceed with the award of contracts. All action regarding this matter will be reported to the Board of Trustees at a later meeting.

VII. REPORT OF AWARD OF CONTRACTS

IX. RESOLUTIONS IN MEMORIAM

President Enarson read the following letter of appreciation which he received from Mrs. Harald Nielsen:

Mr. Harold L. Enarson, President
The Ohio State University
190 North Oval Drive
Columbus, Ohio 43210

Dear President Enarson,

Thank you for your gracious letter of February the second, and the Trustees resolution concerning the life and work of my husband, Harald Herborg Nielsen. All members of our family appreciate the recognition of the Administration of The Ohio State University in recording my husband's long career in its permanent record.

In his forty-one years of service to the students and faculty of the University, my husband experienced the finest aspects of academic life - the mutual cooperation of all elements of the campus community, from the newest freshman to the highest administrative officers. The initiation of the International Symposium for Molecular Spectroscopy, as well as innovative research in our laboratories, were made possible with the support of the University and its confidence in his entire program.

The truly great university is the one which fosters and encourages new ideas. We, who are now left with precious memories, rejoice in the knowledge that Harald's work and that of his colleagues and students continues and flourishes here at Ohio State and in many other scientific groups.

Sincerely,

(Signed) Martha Nielsen

IX. RESOLUTIONS IN MEMORIAM (continued)

President Enarson reported to the Board the deaths of Elbert O. Bolender, Associate Professor Emeritus in the Department of Agricultural Education; Dale V. Gilliland, Professor Emeritus in the College of The Arts; and Elmore O. Williams, County Extension Agent Emeritus in the Cooperative Extension Service. In accordance with the instructions of the Board of Trustees, copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board will be furnished the families of the deceased.

A. Elbert O. Bolender

The Board of Trustees of The Ohio State University expresses its sorrow at the death on March 11, 1973, of Elbert O. Bolender, Associate Professor Emeritus in the Department of Agricultural Education.

Professor Bolender was born on December 20, 1891, in Brown County and was graduated from Felicity High School and from The Ohio State University with a Bachelor of Science in Agriculture degree in 1916 and a Master's degree in 1930. He began teaching in 1917 at Felicity High School. From 1918 to 1922 he taught vocational agriculture at Ashley, Ohio, and from 1922 to 1934 was a member of the non-resident staff in agricultural education at the University in charge of student teaching training center at Hilliard High School. In 1934 he was appointed Assistant State Supervisor of Vocational Agriculture and a member of the resident staff in agricultural education at Ohio State, a position he held until his retirement in 1965.

Professor Bolender was recognized as a competent and dedicated teacher. He was a proponent of personalizing instruction, basing his teaching upon the interests and problems arising from the occupational experience programs of students. Mr. Bolender collaborated in developing a record book for high school students and was recognized nationwide for his expertise in developing student and teacher competence in accounting, emphasizing analysis and application. As a supervisor he was a tireless worker, devoting hours in conference with the teachers in his districts to help them develop their competencies. Teachers who had Mr. Bolender as a supervisor attest to his sincerity and in the contributions that he made toward their professional improvement. For many years Mr. Bolender was in charge of the annual judging contests in vocational agriculture held on the campus involving 3,000 students.

Mr. Bolender was not only a dedicated member of the teacher education and supervisory staff and a competent teacher of vocational agriculture but was also a distinguished member of the community as well. He was active in church and community affairs. He gave freely to the development of the community in which he lived. Those who knew Mr. Bolender were inspired by his indomitable spirit, his profound dedication, and the integrity and breadth of understanding of his work. These personal qualities and the articulate manner in which he voiced his views and concerns brought honor to vocational education and to The Ohio State University.
IX. RESOLUTIONS IN MEMORIAM (continued)

A. Elbert O. Bolender (continued)

On behalf of The Ohio State University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that a copy be tendered to the family as a sincere expression of the Board's realization of the loss which the family and the University have sustained.

B. Dale V. Gilliland

The Board of Trustees of The Ohio State University expresses its sorrow at the death on March 1, 1973, of Dale V. Gilliland, Professor Emeritus in the College of The Arts.

Dr. Gilliland joined the faculty of The Ohio State University in 1935 and has served as a professor of voice, director of the Men's and Women's Glee Clubs, director of the University Chorus and Madrigal Singers, and for 27 years was chairman of the voice section in the School of Music. He served as president of the National Association of Teachers of Singing from 1958 to 1960, and was in frequent demand throughout the country as a lecturer and clinician in vocal pedagogy.

Dr. Gilliland was very active as well in the local community serving as director of the Scottish Rite Choir, the Hilltop Chorus, and the North Community Lutheran Church choir.

Dr. Gilliland received his formal education at Ohio Northern University, New York University, Michigan State University, and the Royal College of Music in London. He was awarded the degrees Bachelor of Arts, Bachelor of Science, Master of Arts, and the honorary degree Doctor of Music.

Dr. Gilliland's many contributions to The Ohio State University and to the profession will be missed by his many former students, colleagues, and friends.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

C. Elmore O. Williams

The Board of Trustees of The Ohio State University expresses its sorrow at the death on February 22, 1973, of Elmore O. Williams, County Extension Agent Emeritus in the Cooperative Extension Service.
April 6, 1973 meeting, Board of Trustees

IX. RESOLUTIONS IN MEMORIAM (continued)

C. Elmore O. Williams (continued)

Mr. Williams was born June 1, 1892, in Mt. Victory, Ohio, and graduated from high school there in 1908. He received the Bachelor of Science degree in Agriculture from The Ohio State University in 1913. A Certificate in Law was received from Toledo University in 1932. He passed the Ohio State Bar examination in 1935. Additional education was completed at both The Ohio State University and the United States Department of Agriculture graduate schools.

Prior to joining the faculty of The Ohio State University on May 1, 1924, Mr. Williams was engaged in farming for 10 years and employed as a Farm Bureau Cooperative manager for seven months.

Mr. Williams was a dedicated and highly respected leader in Lucas County and among his faculty peers in and beyond Ohio. He served as President of the Ohio Cooperative Extension Agents Association in 1934 and 1935. He also was elected President of the National Association of County Agricultural Agents and served effectively in that capacity in 1955. He was devoted to improvement including professional improvement of the Extension faculty and economic improvement for the farmer and farm allied business.

On behalf of the University community, the Board of Trustees expresses to the family of Mr. Williams its deepest sympathy. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that a copy be tendered to Mrs. Williams as sincere appreciation of the Board’s realization of the loss which the family, the University, and his many friends and associates have sustained.

X. REPORTS

A. Report from the Retirement and Insurance Committee

Mr. Gushman, Chairman of the Retirement and Insurance Committee, made two recommendations on behalf of the Committee:

1) Benefit Improvements in Health Insurance for University Employees

That the current John Hancock Mutual Life, Major Medical and Surgical Contract covering eligible University employees be amended effective 12:01 a.m., April 2, 1973, to include:

Treatment by legally qualified psychologists for nervous and mental conditions for which the participant or his eligible dependent is not hospital confined; only the first $500 of such charges

X. REPORTS (continued)

B. Report on the University's Investment Portfolio

The report dated April 5, 1973, as submitted to the Finance and Investment Committee of the Board of Trustees by Mr. Ernest W. Leggett pertaining to the University's Investment Portfolio, was received and ordered to be filed with the official records of the Board of Trustees.

XI. REGIONAL CAMPUSES OF THE OHIO STATE UNIVERSITY

Mr. John T. Mount, Vice President for Regional Campuses, made a brief statement outlining the history of the Regional Campuses and at the conclusion of his remarks introduced the distinguished visitors in attendance at the meeting. He then called upon Dr. James B. Heck, Director of the Mansfield Campus, who made a slide presentation on the Mansfield Campus.

Mr. Richard Stander, Chairman of the Advisory Committee to the Mansfield Campus, welcomed the Board of Trustees and represented the Advisory Committees of all four Regional Campuses in expressing the desire that these Campuses continue their association with The Ohio State University.

Following this presentation, President Enarson made the following statement:

In direct response to a document recently developed by the Office of the Ohio Board of Regents entitled, 'A Policy Statement on the Formation of State General and Technical Colleges,' dated February 9, 1973, the Citizens Advisory Committees of each of Ohio State University's four Regional Campuses have adopted resolutions in direct support of a continuing association with this University.

The President then recommended adoption of the following resolution:

WHEREAS, this University's Regional Campuses at Lima, Mansfield, Marion, and Newark were established at the request of the individual communities, and

WHEREAS, through the Advisory Committees of each of these Regional Campus communities, support was provided for campus site acquisition, scholarship and loan programs, and other special needs associated with these programs, and

WHEREAS, a broad range of two-year academic programs, a baccalaureate degree program in elementary education, and adult and continuing education programs have been made available which are fully commensurate in quality with the equivalent programs on this University's Columbus Campus, and

WHEREAS, the academic offerings of each of these Regional Campuses have been reviewed and fully accredited by the North Central Association of Colleges and Secondary Schools during this past year, and

XI. REGIONAL CAMPISES OF THE OHIO STATE UNIVERSITY (continued)

Resolution (continued)

WHEREAS, the Citizens Advisory Committee of each of these Regional Campuses has by resolution strongly supported the existing Regional Campus concept and reaffirmed their desire to continue in direct association with this University.

RESOLVED: First, that the Board of Trustees of The Ohio State University reaffirms its commitment to develop the strongest possible academic programs at each of its Regional Campuses in full cooperation with the Citizens Advisory Committees, and

RESOLVED: Secondly, that the Board of Trustees of The Ohio State University expresses its sincere gratitude to the citizens of these Regional Campus communities for their continuing support of this University's academic programs in these communities that have provided educational opportunity to over 35,000 persons, and

RESOLVED: Thirdly, that a copy of this resolution be forwarded to the Ohio Board of Regents.

Upon motion of Mr. Dunlap, seconded by Mr. Harrod, the Board of Trustees adopted the above resolution by unanimous voice vote.

Thereupon the Board adjourned to meet Monday, May 7, 1973, at The Ohio State University Fawcett Center for Tomorrow, Columbus, Ohio, at 1:30 p.m.

Attest:

Edward Q. Moulton                              Frederick R. Eckley
Secretary                                      Chairman
Columbus, Ohio, May 7, 1973

The Board of Trustees met at its regular monthly meeting on Monday, May 7, 1973, at The Ohio State University Fawcett Center for Tomorrow, Columbus, Ohio, pursuant to adjournment.

Minutes of the last meeting were approved.
ELECTION OF OFFICERS

The Chairman, Mr. Eckley, convened the meeting of the Board of Trustees of The Ohio State University first for the purpose of electing officers for the ensuing year.

The Chairman then recognized Mr. Shocknessy and he made the following statement:

Mr. Chairman: Last year when I was completing my term as Chairman of this Board of Trustees I enunciated for the benefit of anybody who was not already aware of it that it has been the custom of this Board for a number of years for the member who was serving the senior term to be Chairman for that year. Accordingly, I suggested that the present Chairman be nominated to succeed me in the term which I was completing, which I had really served out of order because a member who had had only one year to serve when he was appointed chose not to serve as Chairman for that year. Now because I have had a year as Chairman and because the office of Chairman of this Board is not in fact a 'bed of roses' for a member whose home is in Columbus, I came here today intending to decline to serve as Chairman in this the senior year of my term. When I complete this year of service, I shall have completed the first nine-year term that anyone has served on this Board. Others have served longer than nine years but no one has served a nine-year term. Mr. Ketterer served eight under the new statute and I am the first to serve nine, or will have served nine if I serve this year. It has seemed to some of us that it might be in the best interest of the University, as I hope it was in the best interest of the present Chairman, to have on the Board during his tenure someone who has served as Chairman of the Board. Mr. Eckley has from time to time thanked me for service I was able to render him by virtue of experience which I have had as Chairman of the Board and which I hope was beneficial to him. Now it, as I say, has seemed to some of us that it might be a good plan for the future for the Chairman of the Board to serve in his penultimate year and have as a member of the Board someone who has served as Chairman of the Board. I do not have to make a secret of what I say, Mr. Hilliker will be serving his penultimate year beginning on the 14th of May and on the basis of what we have been thinking, the person serving his penultimate year would be Chairman and have with him for the year of his Chairmanship his immediate predecessor as a member of the Board. We suggest that Mr. Hilliker be Chairman of this Board in this coming year even though our plan cannot come to full fruition because Mr. Eckley will not likely be on the Board, Mr. Eckley is eligible for reappointment because he has served only four years, if the Governor would choose to appoint Mr. Eckley who was first appointed by Governor Rhodes and served for only four years there is no reason why Mr. Eckley might not serve a full term. In that event the plan that we have in mind could come to full fruition because Mr. Eckley would be serving as a former Chairman in an administration of Mr. Hilliker who also was appointed by Governor Rhodes as I was and as were seven members of this Board. But regardless of whether or not Mr. Eckley will be on the Board another
year to advise and help Mr. Hilliker, as former Chairman, if I stay on, which I have no real present intention of not doing. I shall be here as a former Chairman and I shall do what I can to assist Mr. Hilliker in his term as Chairman and as you would do Mr. Eckley were you to continue. I would certainly hope that the Governor would choose to reappoint as a member of this Board a man so distinguished.

I think with that preliminary statement I would do well not to serve as Chairman, having already served one year and if I did not do it this way at this time since if we tried to effectuate the plan that I have outlined next year someone would be deprived of serving as Chairman, and now I will not suffer that deprivation dubious as that deprivation may be, and I nominate as Chairman of this Board my dear, long-time, beloved friend, Mr. Don Hilliker, whom I am sure will be a great Chairman and fortunately will be supported in the office, not only by me but by his very great wife whom I admire even more than I have ever admired Mr. Hilliker with all due respect to Mr. Hilliker. So I congratulate you on being available for this noble assignment. I also congratulate you on your taste in women because you chose a good gal when you chose your wife. And if you don’t have Mr. Eckley to help you, you might have me from time to time.

I have said everything I have said so that there can be no misinterpretation of what I am doing. Further, there are no political implications in what I am doing. I have served as Chairman and I am satisfied with the honor that I have had in so serving, dubious as we may be about the desirability of doing so. I hope I have made it clear, that in nominating Mr. Hilliker there cannot be any implication that the administration of Governor Gilligan has in any respect intervened in any way because Mr. Hilliker was not appointed by Governor Gilligan and Mr. Hilliker is not being nominated by me because he was appointed by Governor Rhodes either. Mr. Hilliker is nominated because we are undertaking something in the nature of an experiment, an experiment which could only be accomplished at this time and accommodate all the incidents that we have in mind. So done, I have nominated you, Don, provided you and Margaret stay together for the full term of your Chairmanship. Mr. Safford is the next man up and Mr. Safford is certainly distinguished in every respect and well provided to succeed you in due course. I also nominate Dr. Edward Q. Moulton for the worst job of all, Secretary of this Board, and Mr. Ernest Leggett as Treasurer. I would like to have the whole Board second.

Each member of the Board seconded the motion which was approved by unanimous roll call vote, Mr. Hilliker abstaining.
May 7, 1973 meeting, Board of Trustees

ELECTION OF OFFICERS (continued)

Following the election, Mr. Hilliker requested and was granted permission to speak. He said that since Mr. Shocknessy had brought up his wife on several occasions, he would say that she is quite a gal with great patience having lived with him for thirty-two years. He said "I suppose it would be proper for me to say that I am grateful and I do appreciate the honor [of being elected Chairman of the Board], but I will have to admit to you that I would be lying a little bit because I am not that grateful. I can only tell you this--this is a fine Board. There isn't any question about it. I will do my best." He further indicated that he would be calling on Mr. Eckley and Mr. Shocknessy for assistance and then directed the following comment to Mr. Shocknessy: "... I want to look you right in the eye and tell you that you have forgotten more about this job than I will ever know. So you can be assured that I am going to be calling on you to help me sit on the hot seat and you had better be available."

TRIBUTE TO MR. ECKLEY

Mr. Hilliker gave tribute to Mr. Eckley for his knowledge, expertise, and devotion to this University and to its Board of Trustees. He expressed the belief that the Board was in outstanding hands and under great leadership and he hoped that his tenure as Chairman would be just half as good.

President Enarson then presented Mr. Eckley with a citation signed by the President of the University and the Secretary of the Board of Trustees. The President expressed his appreciation to Mr. Eckley for his assistance during the first eight months of his tenure as President of The Ohio State University.

Mr. Eckley responded by reiterating what Mr. Hilliker had said--that this is a good Board operating for a good University with a good administration. Mr. Eckley continued:

I have thoroughly enjoyed my tenure this year as Chairman of this Board and I am very happy to have done it. I might also add, Mr. Hilliker, I am very happy to have it over with, too. I do want to thank the Board and the Administration of the University for all the help and assistance given me. We have all worked well together to get this job done for the University and I think we have had a modicum of success in this endeavor. I particularly want to thank Jim Shocknessy for the assistance he has been to me. As Don has said, this guy knows more about this University and the Administration of this University than the balance of the Board put together and I am deeply appreciative of the fact that he has been here to help us and guide us. I also would like to make a comment about the plan proposed. I think it is going to be helpful to the University in the future to have a man sitting on the Board who has been Chairman. I hope this plan works. Thanks for the kind words and for the certificate. I sincerely appreciate it.

The Board of Trustees recessed and the Board of Control convened.
May 7, 1973 meeting, Board of Trustees

In recognition of duty well performed upon completion of distinguished service to the University as a dedicated member of the Board of Trustees and a faithful custodian of our educational heritage

The Ohio State University

conveys its deep appreciation and good wishes to

Frederick R. Eckley

a loyal alumnus of the University

In grateful acknowledgement this certificate is presented at The Ohio State University on the seventh day of May in the year of our Lord nineteen hundred and seventy-three and of the University the one hundred and fourth.

President

Secretary
May 7, 1973 meeting, Board of Trustees

The Board of Trustees reconvened following the recess.

President Enarson presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Establishment of a Professorship of Hebrew in the College of Humanities

The United Jewish Fund and Council of Columbus, Ohio, has committed support in the amount of $20,000 a year beginning Autumn Quarter 1973 for an initial period of five years to establish a designated Professorship of Hebrew in the College of Humanities at The Ohio State University. At some future date this Professorship of Hebrew may be named as an appropriate memorial or honor. This support will give new impetus as well as add a new dimension of quality to one of the Nation's leading programs of Jewish Studies.

President Enarson recommended that the Board of Trustees approve the establishment of a designated Professorship of Hebrew.

Upon motion of Mr. Shocknessy, seconded by Mr. Dunlap, the Board of Trustees approved the above recommendation by unanimous voice vote.

B. Honorary Degrees

Upon the recommendation of the Committee on Honorary Degrees, the University Senate at a meeting on April 24, 1973, approved and recommended to the Board of Trustees the following four persons for the honorary degrees as indicated.

Leon N. Cooper
Elizabeth Duncan Koontz
Arthur E. Morgan
George Sinclair

Doctor of Science
Doctor of Humane Letters
Doctor of Humane Letters
Doctor of Science

President Enarson recommended that these honorary degrees be conferred at a mutually convenient commencement or academic occasion.

Upon motion of Mr. Hilliker, seconded by Mr. Dunlap, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

C. Residence Halls Room and Board Rates

President Enarson presented the following statement and recommendations:

I am pleased to report that room and board rates for Undergraduate Residence Halls, as well as the rental rates for Married Student Housing and Neill Hall Apartments for this coming year will remain at this current year's level.
May 7, 1973 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

C. Residence Halls Room and Board Rates (continued)

President Enarson (continued)

In reviewing the charges for the Post-Baccalaureate student housing, an increase in the rates within this area is essential. At the same time to meet the increased demand for Post-Baccalaureate housing we will convert space presently assigned to undergraduates to Post-Baccalaureate units. It is expected that this trend will continue as the undergraduate enrollment stabilizes.

President Enarson recommended that the following schedule of rates for residence services, with the effective dates as indicated, be adopted:

<table>
<thead>
<tr>
<th>Effective Summer Quarter, 1973</th>
<th>Current Rate</th>
<th>Recommended Rate</th>
</tr>
</thead>
<tbody>
<tr>
<td>Jones Graduate Tower</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Single Room</td>
<td>$210 per quarter</td>
<td>$231 per quarter</td>
</tr>
<tr>
<td>Double Room</td>
<td>180 per quarter</td>
<td>198 per quarter</td>
</tr>
<tr>
<td>Morrison Tower</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Single Room</td>
<td>--</td>
<td>210 per quarter</td>
</tr>
<tr>
<td>Double Room</td>
<td>--</td>
<td>180 per quarter</td>
</tr>
</tbody>
</table>

It was recommended further that the University administration be authorized to establish rates for other resident services in general conformity with the above schedule of rates.

Upon motion of Mr. Harrod, seconded by Mr. Gushman, the Board of Trustees approved by unanimous roll call vote the foregoing recommendations.

D. Quarterly Review of Current Funds Budget

The status of the Current Funds Budget for the quarter ended March 31, 1973, has not changed significantly from the quarterly report presented to and approved by the Board of Trustees as of December 31, 1972. The major factor which necessitates modification in the annual budget, the subsidy and fee support based upon the actual Autumn Quarter enrollment, was incorporated in the December report. No further adjustments are required at this time.

President Enarson recommended that the foregoing report be approved.

Upon motion of Dr. Sirak, seconded by Mrs. James, the Board of Trustees approved the foregoing recommendation by unanimous roll call vote.
May 7, 1973 meeting, Board of Trustees

III. REPORT OF RESEARCH CONTRACTS, GRANTS, GIFTS, AND AGREEMENTS

President Enarson made the following statement concerning "Trends in Research Activity"

The research contracts and grants reported today include an impressive number of projects ranging in subject from cancer investigations to educational materials for training programs concerning air pollution. Not apparent from this single monthly summary of sponsored research, however, is a changing pattern in the type and size of research programs awarded on this campus.

An analysis of recent funding shows that the programs are tending progressively to become larger and to cut across departmental lines. To date this fiscal year, the contract average for 265 projects funded by outside agencies is $50,561. The current month's average is close to that figure--nearly $49,000. At this time last year, the average was $39,891, and two years ago, lower still at $33,803.
This may well indicate that the 'one-man, one-grant' concept of research funding is declining in favor of the larger, multidisciplinary concept. Also, most research now tends to be oriented toward specific problems. We see additionally that outside funds for research equipment purchases have diminished in recent years.

It may be too early to assess the real impact of this trend. Yet we are clearly in a period of transition in our sponsored research—a period that could result in difficulties for some faculty, since certain aspects of the change appear to bear upon the basic matter of the personal style of doing research.

Fortunately Ohio State as a comprehensive institution is in a strong position to respond to the changes we think we see on the horizon. The wide array of research talent and facilities available here provide opportunities for the interdepartmental cooperation and pooling of resources that can attract the larger programs.

The Research Foundation staff has been an asset in this effort. Earlier in this meeting there was action on the appointment of Dr. Sloan as executive director of the Foundation. His credentials are, I believe, outstanding, and he is well versed in all aspects of university research and sponsor relations. The Foundation also has others on its development staff who can provide valuable assistance in making the approaches and helping in the adjustments that the new conditions may require.

Moreover, the technical facilities that the Research Foundation has at its disposal likewise can be of considerable aid. For example, a computerized program known as Proposal Award Information Retrieval System (PAIRS) developed the information just presented on trends in research projects. PAIRS is still in the pilot stage, but it gives promise of becoming an important tool for analyzing and forecasting the directions of research as well as providing many other kinds of information throughout this entire area.

In the 36 years since its creation, the projects administered through the Research Foundation have grown in annual dollar volume to nearly $18 million. In the past year nearly 700 students were directly involved as researchers in 733 Foundation projects.

I am personally confident that the expertise and achievement of the University faculty, plus the increasing capabilities of the Research Foundation, can be a winning combination in future research activity at Ohio State.
III. REPORT OF RESEARCH CONTRACTS, GRANTS, GIFTS, AND AGREEMENTS

President Enarson recommended that the following report of contracts and grants negotiated and monies received since the April 6, 1973 meeting of the Board be accepted.

B. The Ohio State University Research Foundation

The Ohio State University Research Foundation entered into the following research contracts and grants during the period March 1, 1973 through March 31, 1973.

1. Federal Research Contracts

   c. Department of Navy, Office of Naval Research, Arlington, Virginia, Alloy Corrosion (to be known as Project No. 3003-Al - Mod. #4 - Department of Metallurgical Engineering). Gross Value - $32,000.00.

   d. Department of Air Force, 4950th Test Wing (Technical), Air Force Systems Command, Wright-Patterson Air Force Base, Ohio, Stress Corrosion Cracking of Titanium and Titanium Base Alloys in Aqueous and Gaseous Media (to be known as Project No. 3418-Al - Mod. #P00002 - Department of Metallurgical Engineering). Gross Value - $21,000.00.

   e. Department of Air Force, 4950th Test Wing (Technical), Air Force Systems Command, Wright-Patterson Air Force Base, Ohio, RCS Reduction Studies (to be known as Project No. 3622-Al - New - Department of Electrical Engineering, ElectroScience Laboratory). Gross Value - $70,000.00.

III. REPORT OF RESEARCH CONTRACTS, GRANTS, GIFTS, AND AGREEMENTS

B. The Ohio State University Research Foundation (continued)

1. Federal Research Contracts (continued)

   Gross Value - $12,754.00.

   i. Department of Health, Education, and Welfare, Public Health Service, National Institutes of Health, National Cancer Institute, Bethesda, Maryland, Therapy of Patients with Bronchogenic Carcinoma (to be known as Project No. 3648-A1 - New - Department of Surgery).
   Gross Value - $123,200.00.

TOTAL - Federal Research Contracts $649,698.00

2. State Research Contract

   a. Ohio Department of Rehabilitation and Corrections, Columbus, Ohio, A Designed Treatment Program of Sociopathy by Means of Drugs - Part II (to be known as Project No. 3631-A1 - New - College of Administrative Science, Division of Public Administration and Department of Psychiatry).
   Gross Value - $32,305.00.

3. Industrial and Other Research Contracts

   Gross Value - $10,000.00.

   b. General Electric Company, Cincinnati, Ohio, Test Program for NASA Choked Inlet .229 Scale Model (to be known as Project No. 3602-A1 - Amend. #1 - Department of Aeronautical and Astronautical Engineering).
   Gross Value - $1,200.00.

q. $5,000.00 from Noba, Inc., Tiffin, Ohio, for its research fund in the Department of Dairy Science.

r. $5,000.00 from Ohio Florists Association, Columbus, Ohio, for its fellowship fund in the Department of Horticulture.

3. Establishment of Named Fund

a. $2,500.00 from the family of Donald Jay Brandt for the establishment of The Donald Jay Brandt Memorial Scholarship Fund.

The Donald Jay Brandt Memorial Scholarship Fund

The Donald Jay Brandt Memorial Scholarship Fund was established May 7, 1973, by the Board of Trustees of The Ohio State University with a gift to The Ohio State University Development Fund from the family of the late Donald Jay Brandt, B.A. '72, in his memory.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

3. Establishment of Named Fund (continued)

a. The Donald Jay Brandt Memorial Scholarship Fund (continued)

The annual income is to be used to provide one or more scholarships for undergraduate students in the Humanities who have demonstrated a need for financial assistance. The selection of the recipient is to be made upon the recommendation of the University Scholarship Committee.

Should the need for these scholarships cease to exist or so diminish as to provide unused income, then the income may be used for any purpose whatsoever as determined by the Board of Trustees, with preference being given to recommendations from the appropriate administrative official of the University who is then directly responsible for scholarships.

IV. EXTRA AND CREDIT ORDERS TO CONTRACTS

On July 13, 1967, the Board of Trustees authorized the Vice President for Business and Finance (now the Acting Vice President for Administrative Operations) to approve change orders which were necessary to expedite completion of construction projects. In accordance with this authorization all extra and credit orders to contracts which have been completed were reported.

Additional work was required by the Division of Workshop and Factories, State of Ohio, to enclose the stairwells to comply with the Ohio Building Code.

Funds have been provided from Budget Account 801260, HB 531, and HB 988.

Upon motion of Mr. Hilliker, seconded by Mr. Harrod, the above extra and credit orders to contracts and expenditure of funds were approved and the action of the Acting Vice President for Administrative Operations was ratified by unanimous roll call vote.
May 7, 1973 meeting, Board of Trustees

V. PLANS AND SPECIFICATIONS

At the request of the Acting Vice President for Administrative Operations, the President recommended that the plans and specifications, bills of materials, and estimates of cost for the following projects be approved by the Board of Trustees:

A. Substation "C"--Underground Cables and Equipment

This project will replace obsolete equipment and provide adequate capacity for future requirements. The 4.16 KV electrical equipment serving the South Campus area is 30 years old, obsolete, and inadequate for the present day electrical requirements.

Funds are budgeted in SB 457 (Utilities and Renovations) and HB 988 (Electrical System Expansion).

B. Joseph Sullivant Hall, Remodeling

The Ohio Historical Society Museum, now known as Joseph Sullivant Hall, is to be remodeled to accommodate the Museum of Zoology, Department of Dance, Undergraduate Library, Music Library, Fine Arts Library, and a Fine Arts Gallery.

Funds are budgeted in Budget Account 801095 (Undergraduate Library), HB 828, Item 315-061 (Board of Regents).

C. Polo Field--Parking Lot Renovation

The existing parking lot is to be expanded by 37 to 40 cars to help meet the increasing needs of the area. The entire lot will then be drained and surfaced to make a good all-weather parking facility.

Funds are budgeted in Budget Account 801281 (Polo Field Parking Lot).

D. Tennis Courts--Repairs and Restoration

This project includes pavement removal and replacement, base repairs, drainage repairs, necessary net repairs, sealing surface with non-tracking sealers and paint striping of courts. The program will restore the surface to tournament standards.

Funds are budgeted in Budget Account 125064 (Contract Repair).

Upon motion of Mr. Hilliker, seconded by Mr. Dunlap, the above recommendations were approved by unanimous roll call vote, and the Secretary was authorized and directed to sign the plans and specifications for the above projects for and on behalf of the Board of Trustees. Acting Vice President Zimmerman was directed to proceed with a request for bids in the normal University manner and if satisfactory bids are received, to proceed with the award of contracts. All action regarding this matter will be reported to the Board of Trustees at a later meeting.
May 7, 1973 meeting, Board of Trustees

VI. REPORT OF AWARD OF CONTRACTS

In accordance with authorization provided by the Board of Trustees, bids were taken on the projects listed below and the contracts were recommended for award. The action reported to the Board was as follows:

VII. REPORT OF CONTROLLING BOARD ACTIONS PERTAINING TO THE OHIO STATE UNIVERSITY

Each numbered request shown below accomplished the following purpose:

19 Approves the release of $230,000 for the awards of contracts on the project "Southeast Ohio Area Extension Center." Funds are available in HB 988, Item 315-084.

20 Approves the release of $135,000 for the award of the contract on the project "McCracken Power Plant, Electric Utility Tie." Funds are available in HB 988, Item 315-074 (Utilities and Renovations).
VIII. MISCELLANEOUS FROM OFFICE OF ADMINISTRATIVE OPERATIONS

A. Purchase of Property

President Enarson recommended that the following resolution be adopted:

WHEREAS, upon application by this University, the Board of Regents and the Controlling Board of the State of Ohio approved the purchase of residential property located at 285 Croswell Road, Columbus, Ohio, with title to be taken in the name of the Board of Trustees of The Ohio State University, and

WHEREAS, by earlier action of this Board authorization was given for title to be taken in the name of the State of Ohio, and

WHEREAS, because of the desirability to have the title of this property held directly by the Board of Trustees of this University,

NOW THEREFORE, BE IT RESOLVED that the Secretary of this Board be authorized upon entering into a contract for the purchase of the above realty to take title in the name of the Board of Trustees of The Ohio State University.

Upon motion of Mr. Shocknessy, seconded by Mrs. James, the Board of Trustees adopted the above resolution by unanimous roll call vote.

Mr. Shocknessy requested that since the Committee appointed to acquire a residence for the President has completed its work that it be discharged.

IX. RESOLUTIONS IN MEMORIAM

President Enarson reported to the Board the deaths of Theodore N. Beckman, Professor Emeritus in the College of Administrative Science - Faculty of Marketing; Carl R. Bibbee, County Extension Agent Emeritus in the Cooperative Extension Service; Forest W. Dean, Extension Forester Emeritus in the Cooperative Extension Service; Adolf Haas, Clinical Associate Professor in the Department of Psychiatry; George F. Henning, Professor Emeritus in the Department of Agricultural Economics and Rural Sociology; and Thomas C. Holy, Director Emeritus of the Bureau of Educational Research in the College of Education. In accordance with the instructions of the Board of Trustees, copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board will be furnished the families of the deceased.

A. Theodore N. Beckman

The Board of Trustees of The Ohio State University expresses its sorrow at the death on April 20, 1973, of Theodore N. Beckman, Professor Emeritus in the College of Administrative Science - Faculty of Marketing.

Dr. Beckman was born in Russia on September 3, 1895. He attended The Ohio State University and received the baccalaureate degree in Business

A. Theodore N. Beckman (continued)

Administration in 1922 and the doctorate in 1924. He advanced as a faculty member at the University from Assistant Professor in 1924 to Professor in 1932 and was designated Professor Emeritus in 1966.

Recognized as an authority in all aspects of marketing, Dr. Beckman was continuously active as a professional consultant for government and business enterprise. He was in charge of the first Wholesale Census of Distribution of the Bureau of the Census in 1929-32 and advised such organizations as the U. S. Department of Commerce, the Florida Attorney General’s Office, the U. S. Department of Labor, the U. S. National Defense, the War Production Board, and the Ohio Attorney General's Office.

Dr. Beckman's expertise and dedication were recognized at various stages throughout his career. He received the Paul D. Converse Award as Marketing Man of the Year in 1959, the Distinguished Teaching Award of The Ohio State University in 1962, and the Centennial Achievement Award of the University. In 1971, he was named Man of the Year for Men's O.R.T. Dr. Beckman achieved international recognition as one of the only two recipients of the Golden Mercury Award of the Netherlands Association of Marketing in 1971.

Dr. Beckman's career was distinguished by active involvement in many educational, professional and public service organizations including the American Economics Association, the American Association of University Professors, the American Marketing Association, the American Statistical Association, the National Institute of Credit Men, The Distribution Research and Education Foundation, the Newcomen Society, the Cosmos Club of Washington, D. C., the Board of Hillel Foundation, the Board of Trustees of the Columbus Symphony, the Advisory Board of United Jewish Fund and Council, the Board of Directors of the Development Fund of The Ohio State University, and the Presidents Club of the University. In addition, Dr. Beckman was a member of several honorary academic fraternities.

Throughout the world Dr. Beckman was known for his pioneering work in wholesaling and his special contributions to such innovative marketing areas as value-added productivity, efficiency, input-output analysis and anti-trust matters. As the author and co-author of more than two dozen books, Dr. Beckman's interest and knowledge in the field of marketing will be long remembered. In every aspect of Dr. Beckman's career, his special ability to teach was profoundly evident. He exemplified to the fullest a combination of dedicated teacher and adviser, knowledgable consultant and associate, and valued friend.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

IX. RESOLUTIONS IN MEMORIAM (continued)

B. Carl R. Bibbee

The Board of Trustees of The Ohio State University expresses its sorrow at the death on March 29, 1973, of Carl R. Bibbee, County Extension Agent Emeritus in the Cooperative Extension Service.

Mr. Bibbee was born November 9, 1897, in Walker, West Virginia. He was graduated from Parkersburg, West Virginia, high school in 1915. The Bachelor of Science in Agriculture degree was received from West Virginia University in 1921. Additional education towards a Master of Science degree was undertaken at Cornell University in 1938.

Prior to joining the faculty of The Ohio State University on February 1, 1924, Mr. Bibbee was employed as County Agricultural Agent in Cabell County, West Virginia, from August 1, 1921 to January 31, 1924. For the first eleven years of employment in Hamilton County his responsibilities were for the 4-H club program. In 1935 he was named County Agricultural Agent - the position which he held until retirement December 31, 1957.

Mr. Bibbee was a dedicated and highly respected leader in Hamilton County as well as among his peers within and beyond the State of Ohio. He served as President of the Ohio Cooperative Extension Agents Association in 1943. His service also included directorship of the Ohio Association and the National County Agricultural Agents Association. As recognition of his outstanding accomplishments he was awarded the Certificate for Distinguished Service by the National County Agricultural Agents Association. He will long be remembered for his outstanding contribution as an educational leader in Hamilton County.

On behalf of the University community, the Board of Trustees expresses to the family of Mr. Bibbee its deepest sympathy. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that a copy be tendered Mrs. Bibbee as sincere appreciation of the Board's realization of the loss which the family, the University, and his many friends and associates have sustained.

C. Forest W. Dean

The Board of Trustees of The Ohio State University expresses its sorrow at the death on March 9, 1973, of Forest W. Dean, Extension Forester Emeritus in the Cooperative Extension Service.

Mr. Dean was born December 14, 1893, at Homer, Ohio, where he was graduated from high school in 1912. He received a Bachelor of Science in Forestry degree from The Ohio State University in 1916. Graduate work in Botany, Entomology, and Ecology was interrupted at The Ohio State University for a 19-month tour of duty with the U. S. Army Engineers in France. His knowledge and interest in forestry were utilized in his role of cutting and supplying timber needs for the U. S. Army during World War I. He served

C. Forest W. Dean (continued)

as an Assistant Forester in the Department of Forestry at the Ohio Agricultural Research and Development Center from 1919 to 1926 and was the Extension Forester at The Ohio State University from 1926 to 1958.

Mr. Dean was a highly respected and dedicated educator in his subject area. He was the author of several popular publications of interest to Ohio farmers and foresters. The booklet "Ohio Trees" was an excellent reference on Ohio tree identification and use. Although written in the late 1930's it is still looked upon as a valuable reference by those who are fortunate enough to have a copy available for use. He was a senior member of the Society of American Foresters and had served as chairman of the Central State Foresters.

On behalf of the University community, the Board of Trustees expresses to the family of Mr. Dean its deepest sympathy. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that a copy be tendered Mrs. Dean as sincere appreciation of the Board's realization of the loss which the family, the University, and his many friends and associates have sustained.

D. Adolf Haas

The Board of Trustees of The Ohio State University expresses its sorrow at the death on February 18, 1973, of Adolf Haas, Clinical Associate Professor in the Department of Psychiatry.

Dr. Haas was born in Poland on April 25, 1921, and came to the United States in 1951. He received the academic degree of physician by State Board in the State of Hesse Republic of Western Germany in 1950, and degree of Doctor of Medicine in 1951, achieved by dissertation in Experimental Pharmacology.

Dr. Haas interned at Mount Sinai Hospital, Chicago, from 1951 to 1952, and from 1952 to 1955 was resident in Psychiatry and Staff Psychiatrist at Elgin State Hospital, Elgin, Illinois. He had a further year of residency in Psychiatry at Ypsilanti State Hospital, Michigan, and was Board Certified by the American Board of Psychiatry and Neurology in 1959.

In 1960 he joined the faculty of The Ohio State University College of Medicine Department of Psychiatry as Assistant Professor and from 1962 to 1964 was Director of the Out-Patient Division. He was promoted to Clinical Associate Professor in the Department of Psychiatry in 1970, and also held positions in The Ohio State University Departments of Anthropology and Physical Medicine from 1964 to the time of his death.
IX. RESOLUTIONS IN MEMORIAM (continued)

D. Adolf Haas (continued)

Dr. Haas served in the United States military forces from 1955 to 1957. He was very active in community work and served on many committees and organizations including: Governor's Ad Hoc Committee for White House Conference on Aging; Chairman, Mental Health Association of Franklin County; Committee on Community Mental Health Centers; member and then Chairman of the Medical Advisory Committee of the Planned Parenthood Board.

Dr. Haas was a member of the Franklin County Academy of Medicine and served on the Socio-Economic Committee; member of the American Psychiatric Association; American Geriatrics Society; American Medical Society (State and local chapters); American Society of Gerontology; and Central Ohio Neuropsychiatric Society. He was the author of a dozen publications.

At the time of his death he was engaged full time in private practice of psychiatry; held staff appointments at The Ohio State University Hospitals, Mount Carmel Hospital, and Harding Hospital; and taught students in several disciplines—nursing, physical medicine, psychiatry.

On behalf of The Ohio State University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that a copy be tendered to the family as a sincere expression of the Board's realization of the loss which the family and the University have sustained.

E. George F. Henning

The Board of Trustees of The Ohio State University expresses its sorrow at the death on April 21, 1973, of George F. Henning, Professor Emeritus in the Department of Agricultural Economics and Rural Sociology.

Born in Defiance County, Ohio, in 1896, Professor Henning received three degrees from The Ohio State University; the Bachelor of Science in Agriculture in 1920, Master of Science in 1925, and Doctor of Philosophy in 1933. After completing his Bachelor's degree he was County Extension Agent in Mercer County from 1920 to 1924. He joined the Ohio Agricultural Research and Development Center part time in 1924 as an Assistant Professor while doing graduate work. As a part of his Ph.D. studies he held a social science fellowship at the University of California, Berkeley, in 1929-1930. In 1931, while maintaining his appointment with OARDC, he was appointed Assistant Professor on the faculty of The Ohio State University. Throughout his career he retained a research and teaching appointment half time with the University and half time with OARDC. He was promoted to Associate Professor in 1934 and to Professor in 1938. He retired from OSU and OARDC on January 31, 1966, but actively pursued his professional interests for several years thereafter.
IX. RESOLUTIONS IN MEMORIAM (continued)

E. George F. Henning (continued)

Professor Henning was a veteran of World War I. He was a member of Alpha Zeta, professional agricultural fraternity, and Gamma Sigma Delta, agricultural honorary. He was a member of the American Agricultural Economics Association and the American Marketing Association, and served as President of the Central Ohio Chapter of the latter organization. In 1952 he received an award of recognition from the Producers Livestock Association for his pioneer work in the development of our present national system for marketing and merchandising livestock and meat products. In 1960 he served as a member of an International Cooperation Administration study team reporting to the Government of Turkey on a developmental program for agricultural marketing and agricultural credit.

During his long career his contributions in research and teaching were instrumental to the growth of the Department of Agricultural Economics and Rural Sociology. He taught courses in agricultural marketing, agricultural cooperatives, and agricultural business management. His years of research in agricultural marketing were the basis for dozens of technical publications and numerous articles in trade papers and farm magazines. His many undergraduate and graduate students are today established members of the business and professional agricultural community throughout the world.

On behalf of The Ohio State University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that a copy be tendered to the family as a sincere expression of the Board’s realization of the loss which the family and the University have sustained.

F. Thomas Celestine Holy

The Board of Trustees of The Ohio State University expresses its sorrow at the death on April 19, 1973, of Thomas Celestine Holy, Director Emeritus of the Bureau of Educational Research, in the College of Education.

Dr. Holy was born in Vandalia, Iowa, on October 21, 1887. He received the Bachelor of Arts degree from Des Moines University in 1919, after six years of service as a rural school teacher and superintendent of schools in Iowa and after service in the U. S. Army in World War I. He earned the Master of Arts degree in 1922 and the Doctor of Philosophy degree in 1924, both from the State University of Iowa.

After two years of service as Director of Housing and Equipment in the St. Louis public schools, Dr. Holy joined the faculty of The Ohio State University in 1927 as Head of the Survey Division of the Bureau of Educational Research in the College of Education. In 1942 he became Director of the Bureau of Educational Research, in which position he served until his retirement in 1951.
May 7, 1973 meeting, Board of Trustees

IX. RESOLUTIONS IN MEMORIAM (continued)

F. Thomas Celestine Holy (continued)

During his 24 years of service in the Bureau of Educational Research, Dr. Holy directed or participated in hundreds of surveys and studies of education in some 20 states. He served as president of the American Educational Research Association and of the National Council on Schoolhouse Construction (now called the Council of Educational Facility Planners). For seven years he served as chairman of the commission responsible for the planning and building of state residential schools for the blind and the deaf in Columbus. He taught in summer sessions at the following universities: Arkansas, California (Berkeley), Columbia, Cornell, Idaho, and Minnesota.

Following his retirement in 1951, Dr. Holy continued his professional contributions by serving for twelve years as a special consultant in the development of a statewide plan for higher education in California and in developing a long-range plan for the City University of New York.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

X. REPORTS

A. Report on the University's Investment Portfolio

The report dated May 4, 1973, as submitted to the Finance and Investment Committee of the Board of Trustees by Mr. Ernest W. Leggett pertaining to the University's Investment Portfolio, was received and ordered to be filed with the official records of the Board of Trustees.

B. Remarks by President Enarson

President Enarson informed the members of the Board

(1) that the budget requests are presently before the appropriate Senate Committee and that the university presidents would be testifying next week; and

(2) that he had received a communication from the American Association of University Professors placing the University on censure for the Board's action relating to David E. Green.
May 7, 1973 meeting, Board of Trustees

Thereupon the Board adjourned to meet Thursday, June 7, 1973, at The Ohio State University Fawcett Center for Tomorrow, Columbus, Ohio, at 2:30 p.m.

Attest:

Edward Q. Moulton  
Secretary

Frederick R. Eckley  
Chairman
The Board of Trustees met at its regular monthly meeting on Thursday, June 7, 1973, at The Ohio State University Fawcett Center for Tomorrow, Columbus, Ohio, pursuant to adjournment.

Minutes of the last meeting were approved.
June 7, 1973 meeting, Board of Trustees

The Chairman convened the meeting of the Board of Trustees.

The Chairman, Mr. Hilliker, introduced the new member of the Board of Trustees of The Ohio State University:

Chester Devenow, who was appointed by Governor John J. Gilligan to succeed Mr. Frederick R. Eckley, for the term beginning May 14, 1973 and ending May 13, 1982.

REPORT BY CHAIRMAN

Mr. Hilliker made the following statement:

I would like to take a few moments to express my thoughts on how this Board hopefully can become more effective to this University. I think those of us who have served several years on the Board have at times had a feeling of inadequacy for several reasons: first, perhaps, because we are busy and don't have enough time to devote to some problems that affect the University (this is no reflection, Mr. President, upon you or upon past President Fawcett); I think there has at times been a lack of communication between the administration and the Board. And then I think perhaps there has been lack of sufficient background material in the hands of Board members in sufficient time for them to review the problems and come to some sound judgment. I do not feel that it is the job of this Board to 'run the University.' We have employed a very capable President who, in turn, has surrounded himself with outstanding administrators, deans, faculty, and I think this is his job. I want to assure you, Mr. President, that as far as this Chairman is concerned your job is in no jeopardy for the next 12 months. I do not plan to try to run the University. There are really two reasons for this: first, I don't have enough time and secondly, I don't know how. So I am very happy to have the 'monkey on your back' and I think that I see the Board as having the responsibility of helping the administration, faculty, student body, and alumni when it is practical. I see this Board as having the responsibility of formulating policy and in the final analysis of seeing that the policy is properly carried out. Final responsibility rests squarely with the nine members of this Board of Trustees and as President Truman so aptly put it, 'the buck stops here.' So I am not sidestepping any responsibility. I am trying to say that we must delegate authority and look to those people to carry out what we want done. I am going to suggest a means, hopefully, that will bring this Board of Trustees
June 7, 1973 meeting, Board of Trustees

REPORT BY CHAIRMAN (continued)

Mr. Hilliker's statement (continued)

into closer contact with the administration, faculty, students, and alumni and this comes after a lot of consultation with various Board members who have come to me.

I have asked the Secretary to do a rather in-depth study of what I call a committee-structured Board. I really have taken a leaf from Mr. Shocknessy's year of chairmanship which I think he so effectively bridged a gap when he created the committee which has been most ably chaired by Mr. Dunlap. This committee has been able to provide this Board with a better understanding of the problems associated with the research and development program at Wooster. I want to emphasize one thing--I want to make this crystal clear--these are only working committees and they in no way are to erode the authority of this Board to discharge its responsibility in public meetings. The committees are only to help us solve problems, and hopefully, not create any. I think the committees should have specific objectives and an agenda which is set forth to achieve those objectives within a specified time--in this case, one year. At that time, I will request each committee to submit a status and an outlook report. This committee should feel free to go to any part of this University for advice, for staff people, whatever they feel is needed to help solve some of the problems. In this connection, I want to ask the support of the student body, faculty, alumni, and administration.

This Board, the Chairman excepted, is a good Board. It is made up of highly talented, qualified people and they have one interest in mind--the betterment of one of the greatest universities in the country. I now will announce the names of the committees but not the personnel. Within the next two weeks each of you will receive an outline of the duties of these committees, and at that time, I will ask your preference as to what committees you would like to serve on--where you feel you can do the most good. I cannot promise you that, for example, you will all serve on the Finance Committee. However, I can assure you right now that the chairman of the Finance Committee is going to be Mr. Safford. We are fortunate to have him available along with Mr. Shocknessy, Dr. Sirak, and Mr. Dunlap and all of you. There is a tremendous amount of expertise on this Board and we want to take full advantage of it.

Committee Structure, 1973-1974

Finance Committee is charged with the responsibility for reviewing all matters requiring attention or action of the Board relating to the University Budget; appropriation requests; fiscal operations; property acquisition and management; and business organization and practices.
June 7, 1973 meeting, Board of Trustees

REPORT BY CHAIRMAN (continued)

Mr. Hilliker's statement (continued)

Educational Affairs Committee is charged with the responsibility for reviewing all matters requiring attention or action of the Board relating to faculty appointments, status and tenure; all curricula and instruction; admissions, student services including residential services, student organizations, financial aid and discipline; and athletics.

Insurance Committee is charged with the responsibility for reviewing all matters requiring attention or action of the Board relating to insurance, risk management, retirement, and employee benefits.

Buildings and Grounds Committee is charged with the responsibility for reviewing all matters requiring attention or action of the Board relating to the planning, location, construction and maintenance of University facilities.

OARDC Agenda Review Committee is charged with the responsibility for reviewing all matters requiring the attention or action of the Board of Control so as to assure the close coordination of activities of the Center with those of the University.

That is the committee structure I proposed and at the next meeting I will announce the personnel involved. You have now just witnessed the first and last speech of this Chairman. I am a great believer in the philosophy of the past Chairman, Fred Eckley, 'keep it brief.'

RESOLUTIONS IN MEMORIAM

President Enarson reported to the Board the deaths of J. Forest Craig, Assistant Professor Emeritus in the Department of English; Walter B. Emery, Professor in the Department of Speech Communication; and George W. Kreitler, County Extension Agent Emeritus in the Cooperative Extension Service. In accordance with the instructions of the Board of Trustees, copies of the following resolutions expressing on behalf of the University the sorrow and sympathy of the Board will be furnished the families of the deceased.
June 7, 1973 meeting, Board of Trustees

RESOLUTIONS IN MEMORIAM (continued)

A. J. Forest Craig

The Board of Trustees of The Ohio State University expresses its sorrow at the death on April 18, 1973, of J. Forest Craig, Assistant Professor Emeritus in the Department of English.

Professor Craig was born on February 10, 1881. He earned B. S. and B. A. degrees at the National Normal University and B. A. and M. A. degrees at The Ohio State University.

In 1913 he joined the faculty of the Department of English at The Ohio State University, where he taught until his retirement in 1951.

Professor Craig was a member of the Modern Language Association and the National Council of Teachers of English. His principal research was on the American novel before 1900.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

B. Walter B. Emery

The Board of Trustees expresses its sorrow at the death on May 9, 1973, of Walter B. Emery, Professor in the Department of Speech Communication.

Dr. Emery, author of five books and numerous articles on broadcast regulation and international broadcasting, was a leading expert on the regulatory aspects of telecommunications. His works included Broadcasting and Government: Responsibilities and Regulations and National and International Systems of Broadcasting.

Before entering the teaching profession full time, Dr. Emery was an attorney with the Federal Communications Commission in Washington, D. C. and was Chief of the Renewals and Revocation Division of the F. C. C. from 1946 to 1952.

In 1968, Dr. Emery joined the Ohio State faculty as Professor of Speech Communication. While at Ohio State, he led an international study tour to Europe in 1971 to investigate broadcasting systems there. He also was Director of the Centennial Symposium on Global Broadcasting. This symposium brought leaders of some of the major broadcasting systems of the world to Columbus to discuss mutual problems.

Along with his scholarship, Dr. Emery was also an outstanding teacher of graduate and undergraduate students. He directed some 40 Master's theses and Doctoral dissertations through his productive career.
RESOLUTIONS IN MEMORIAM (continued)

B. Walter B. Emery (continued)

Prior to coming to Ohio State, Dr. Emery was a Professor of Radio and Television at Michigan State University from 1957 to 1968. He also taught at the University of Oklahoma, University of Wisconsin, University of Southern California, George Washington University, and most recently was a visiting Professor at the University of Massachusetts.

Dr. Emery received his Ph.D. degree from the University of Wisconsin, a J.D. from the University of Oklahoma, and a B.A. from Oklahoma Baptist College. Recently Dr. Emery was selected as an “Outstanding Alumnus” by Oklahoma Baptist College.

Dr. Emery was a member of the bar in Ohio, Oklahoma, the District of Columbia, Michigan, and the Federal Communications Commission.

On behalf of the University, the Board of Trustees expresses to the family its deep sympathy and sense of understanding in its loss. It was directed that this resolution be inscribed upon the minutes of the Board of Trustees and that a copy be tendered to the family as a humble expression of the Board's heartfelt sympathy in its bereavement.

C. George W. Kreitler

The Board of Trustees of The Ohio State University expresses its sorrow at the death on May 2, 1973, of George W. Kreitler, County Extension Agent Emeritus in the Cooperative Extension Service.

Mr. Kreitler was born February 11, 1899, in Warren, Ohio. He attended both Lordstown and Warren High Schools, graduating in 1915 from Warren High School. A Bachelor of Science in Agriculture degree was received from The Ohio State University in 1920. Additional education with credit toward a Master of Science degree was secured from both The Ohio State University and Ohio University.

Mr. Kreitler joined the faculty of The Ohio State University as a County Extension Agent in Pike County on June 15, 1920. He left this position in September 1920 to engage in farming. He returned to Extension employment as a County Agricultural Agent in Meigs County on May 15, 1923. On November 1, 1937, he transferred to Licking County and retired from that position on June 30, 1959. From July 1, 1943 to December 1, 1945, Mr. Kreitler served in the U. S. Army attaining the rank of Major.

Mr. Kreitler was a dedicated and highly respected agricultural leader in Licking County. He was well known and respected among his peers on the Extension faculty. In 1932 and 1933 he served as President of the Ohio Cooperative Extension Agents Association. In recognition of his outstanding accomplishments he was awarded the Certificate of Distinguished Service by the National Association of County Agricultural Agents. He will long be remembered for his outstanding contributions to the agricultural industry.
RESOLUTIONS IN MEMORIAM (continued)

C. George W. Kreitler (continued)

On behalf of the University community, the Board of Trustees expresses to the family of Mr. Kreitler its deepest sympathy. It was directed that this resolution be inscribed in the minutes of the Board of Trustees and that copies be tendered to the daughters of Mr. Kreitler as sincere appreciation of the Board's realization of the loss which the family, the University, and his many friends and associates have sustained.

INTRODUCTION OF PRESIDENT OF UNDERGRADUATE STUDENT GOVERNMENT

President Enarson introduced Dennis Sargent, President of the Undergraduate Student Government.

Mr. Sargent responded to Dr. Enarson's introduction and indicated that he was anxious for a good relationship with the Board of Trustees during the year.

President Enarson presented the following recommendations:

I. GENERAL RECOMMENDATIONS

A. Revision in Rules 35.01, 35.03, 35.07, 35.09, 35.11, 37.07, 37.09, 37.15, 47.01 of Rules for the University Faculty (continued)

The University Senate on May 8, 1973, approved a revision of the present Rules for the University Faculty relating to Examinations and Marks. This revision in the Rules was studied for over one year by the Council on Academic Affairs and referred to the various colleges for suggestions and revision before being brought to the University Senate for consideration. Simply stated, this revision

...recognizes that examinations in various disciplines differ and accordingly eliminates the requirement that examinations must be "written," and assigns the responsibility for the nature of the final examination in each course to the instructor;

...relates the marks A, B, C, D, and E to student performance relative to stated course objectives;

...sets a specific time in each quarter when a final grade for I (Incomplete) is to be reported--the sixth Saturday of the quarter following the quarter in which the I was received;
June 7, 1973 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

A. Revision in Rules 35.01, 35.03, 35.07, 35.09, 35.11, 37.07, 37.09, 37.15, 47.01 of Rules for the University Faculty (continued)

... allows freshmen to repeat 15 credit hours of courses in which the grade of D or E has been received with only the grades of the repeated course work counting in the accumulative point-hour average and credit hours toward graduation;

... allows students to withdraw from courses without record until the fourth Saturday of a quarter, with the mark W on record until the seventh Saturday of a quarter, and, only upon approval of petition, after the seventh Saturday of a quarter;

... clarifies the differences between withdrawal from courses and withdrawal from the University.

The full text of these revisions and modifications is attached. (See Appendix VIII, page 499.)

President Enarson recommended that the foregoing changes in the Rules for the University Faculty, as approved by the University Senate, be adopted by the Board of Trustees, effective Autumn Quarter 1973.

Upon motion of Mr. Safford, seconded by Mr. Dunlap, the Board of Trustees approved the above recommendation by unanimous voice vote, and the Secretary of the Board of Trustees was further instructed and given authority to make the changes in the Rules for the University Faculty in the next printing.

B. Report of Auditor of State to The Ohio State University

The Annual Report of the Auditor of State for the fiscal year 1970-71 has been received and reviewed by the appropriate officers of the University. The procedures which were noted as needing modification have been implemented in accordance with the suggestions of the Auditor of State.

President Enarson recommended that the Annual Report of the Auditor of State for the fiscal year 1970-71 be accepted and filed with the official documents of the University.

Upon motion of Mr. Harrod, seconded by Mr. Gushman, the Board of Trustees approved the above recommendation by unanimous voice vote.
I. GENERAL RECOMMENDATIONS (continued)

C. Degrees and Certificates Conferred--Spring Quarter Commencement

President Enarson recommended that degrees and certificates be conferred at the Spring Quarter Commencement Convocation on June 8, 1973, to those students who have completed the requirements for their respective degrees and certificates and are recommended by the University Senate. The names of those awarded degrees and certificates will be included in the minutes of this meeting. (See Appendix IX, page 511.)

Upon motion of Mr. Shocknessy, seconded by Mr. Safford, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

D. Budget for the 1973-74 Fiscal Year

President Enarson made the following statement and recommendation:

I am requesting authorization for a provisional budget for 1973-74 for this University, subject to a number of contingencies which might cause changes in both planned income and expenditures. While the Ohio General Assembly has not as yet passed an appropriation bill for higher education for the 1973-75 biennium or acted upon several bills which will affect pay ranges for our classified personnel, the continued operation of the University makes it necessary to propose University expenditure budgets for 1973-74 at this time. This budget which you have before you is balanced, with a minimal but adequate General Reserve of $2,000,000, assuming the level of support as passed by the Ohio House of Representatives. It should be understood, however, that if there is a greater decline in enrollments than we have anticipated, or further cutbacks in federal support, or an unfavorable court decision on our residency requirement, or finally a substantial change in the appropriation bill which was passed by the Ohio House, adjustments will be required to both income and expenditures to achieve the intent of this expenditure plan. In any case, when we receive our State appropriation, I will resubmit for your consideration this University's budget for 1973-74.

CHARACTERISTICS OF 1973-74 FINANCIAL PLAN

Retrenchment

The most significant element of the 1973-74 budget is the required retrenchment to bring our expenditures in line with the anticipated level of state funding, student fee income, and rapidly increasing fixed costs. The retrenchment for the Columbus campus, summarized below, amounts to over 8 million dollars:

The overall average decrease was 5.5% in the academic units and 8% in the operations areas. Similar retrenchment was carried out throughout all other units of the University. To achieve this retrenchment, it was necessary for our colleges, departments, and other operational units to reduce staff, primarily through attrition, reduce operating costs, and in a number of cases curtail programs and commitments. The freeze on hiring which we imposed earlier this year was of material assistance to us in achieving these reductions.

University Services budgets were reduced by an average of 8%. The Research Foundation Administration retrenched by 8%, by eliminating vacant positions, and reducing operating expense. Auxiliary operations budgets were reduced even though no State funds are involved in anticipation of pending fixed cost increases. We also found it necessary to reduce the support level of the student unions. If there is no upward modification in the support levels recently passed by the House of Representatives, retrenchment for the second year of the biennium will mean additional hardships, including loss of more full-time faculty. Though the faculty and staff at Ohio State have generally taken a positive and constructive attitude toward the adjustments incorporated in this budget, cuts of this magnitude continue to create many problems and pressures.

Enrollment

Along with other major state universities around the nation, enrollments at Ohio State have declined. On the Columbus campus, enrollment for fall 1972 was 45,866, down 600 students from our all-time high of the previous fall. Our best estimate for fall 1973 is 44,000 students, or a decline of 4% from 1972; and for fall 1974 the estimate is 43,000 students,

I. GENERAL RECOMMENDATIONS (continued)

D. Budget for the 1973-74 Fiscal Year (continued)

President Enarson’s statement and recommendation (continued)

or a further decline of over 2%. We then expect enrollment to stabilize for the rest of the decade.

These enrollment decreases translate directly into an income decrease from our two major resources: state subsidy and student fees.

Increases

We are a heavily oriented "service" industry. Four of every five dollars are spent for salaries and wages. In the past five years, the average faculty income, after adjustment for inflation, has gone up exactly $1 per year. Bluntly, the people who work for universities are not sharing in the growth of national real income.

Also, we are experiencing dramatic increases in our other costs:

- Water rates were up 13% in 1972-73 and are expected to increase another 11% next year.
- Natural gas rates were up 6% this year and will soar another 10% next year.
- Blue Cross rates increased 15% this year ($13.02 to $15.06).
- Unemployment compensation in addition to workmen's compensation became an obligation of the University as of January 1, 1972, by legislative mandate.

There are some increases in prospect that, while not definite, are likely.

- Telephone rates are proposed to be increased 38%.
- Minimum wage rates may increase as much as 38%, from the existing $1.60 per hour to $2.20 per hour.

Of great significance to this University is the State administration's proposal calling for mandated pay increase for classified employees, which while well deserved will cost this University an estimated 6 million dollars for the biennium.
June 7, 1973 meeting, Board of Trustees

I. GENERAL RECOMMENDATIONS (continued)

D. Budget for the 1973-74 Fiscal Year (continued)

President Enarson's statement and recommendation (continued)

The budget before you provides for selective salary increases of 4% for instructional and professional staff, the anticipated mandated increase for classified employees of 4.5% in addition to the normal step increases, no increases in the operating and equipment budgets to meet inflationary costs, coverage of the fixed cost increases, a retrenchment of over 8 million dollars, and no program improvements.

In summary, I want to emphasize several aspects of our budget for this coming year.

First, with the upward modification by the House in our anticipated appropriation, it is probable that there will be no student fee increase for this coming year. While some may question not asking students to share in the increasing costs of higher education, during the past decade the students' share has risen disproportionately (from 25% of the total support to the presently 35%) with an equivalent reduction in the percentage provided by the State. If the Senate concurs with the funding approach passed by the House, this trend will begin to be reversed.

Second, I had hoped that I would be able to present to you at this time, the general financial plan for the second year of the biennium. However, since we do not have an appropriations act, it would not be very meaningful to discuss our plans for the following year with all of the uncertainties of this coming year. Instead, when our biennial appropriation is known, I will present for your consideration the spending plan for both years of the biennium.

It is recommended then that the provisional budget for the fiscal year 1973-74 with supporting statements be approved and that the Secretary be instructed to incorporate these detailed statements and supporting documents by reference, including the salary rolls and inventory of fees and charges for the fiscal year 1973-74 and to file these materials with the official records of the University.
I. GENERAL RECOMMENDATIONS (continued)

D. Budget for the 1973-74 Fiscal Year (continued)

President Enarson's statement and recommendation (continued)

It is recommended also that the final summary statements be prepared for submission at a subsequent meeting of the Board of Trustees, reflecting the actual appropriation received from final action by the Ohio General Assembly including any additional recommendations necessitated by legislative action.

Upon motion of Mr. Safford, seconded by Mrs. James, the Board of Trustees approved the foregoing recommendations with eight affirmative votes and Mr. Shocknessy abstaining.

E. Establishment of the Stanton Youngberg Professorship of Veterinary Medicine

Pursuant to the conditions set forth by the Board of Trustees for the establishment of an endowed professorship, President Enarson recommended that the Stanton Youngberg Professorship of Veterinary Medicine be established at The Ohio State University.

Dr. Stanton Youngberg was awarded the Doctor of Veterinary Medicine degree by The Ohio State University in 1907. In 1954, Dr. Youngberg became the first veterinarian to receive the honorary degree of Doctor of Science from The Ohio State University. Dr. Youngberg was an appreciated guardian of public health and an effectual humanitarian. He designated his Alma Mater as the provider of unbroken opportunity for usefulness to mankind.

Dr. Youngberg bequeathed $279,000 to the University. The income provided from the endowment will be used to support the Stanton Youngberg Professorship and related programs.

Upon motion of Mr. Harrod, seconded by Mr. Dunlap, the Board of Trustees approved the foregoing recommendation by unanimous voice vote.

II. PERSONNEL ACTIONS

Personnel actions since the May 7, 1973 meeting of the Board, as recorded in the official "Salary Roll" of the University, include the following Appointments; Leaves of Absence Without Salary; Emeritus Titles; and Chairmen of Departments, Academic Faculties, and Divisions; and Directors of Schools:

  a. $2,195.00 from members of the Medical Class of 1942 for the establishment of the David Berger Memorial Fund.

David Berger Memorial Fund

The David Berger Memorial Fund was established June 7, 1973, by the Board of Trustees of The Ohio State University with gifts through The Ohio State University Development Fund from members of the Medical Class of 1942, in memory of the late David Berger, Cleveland, Ohio, son of a classmate, Benjamin Berger, M.D. '42, who was killed in Munich, Germany, during the 1972 Olympics while competing as a member of the Israeli Olympic Team.

All gifts are to be invested in the University's Permanent Endowment Fund, under the rules and regulations adopted by the Board of Trustees of The Ohio State University, with the right to invest and reinvest as occasion dictates.

Gifts are to be used for research in medical problems, with first preference to be given to problems related to sports medicine.

IV. **EXTRA AND CREDIT ORDERS TO CONTRACTS**

On July 13, 1967, the Board of Trustees authorized the Vice President for Business and Finance (now the Acting Vice President for Administrative Operations) to approve change orders which were necessary to expedite completion of construction projects. In accordance with this authorization all extra and credit orders to contracts which have been completed were reported:

**A. Dentistry Building, South Wing Addition**

This project involved a substantial amount of remodeling in an existing building, numerous minor adjustments had to be made in the construction contracts. The largest single item included design changes in the heating, ventilating, and air conditioning system to insure positive ventilation of larger laboratories under operating conditions which were not earlier anticipated.

Funds have been provided from Budget Account 801222 (PHS Dentistry Building Addition).

Upon motion of Mr. Harrod, seconded by Mr. Safford, the above extra and credit orders to contracts and expenditure of funds were approved and the action of the Acting Vice President for Administrative Operations was ratified by unanimous roll call vote.

V. **PLANS AND SPECIFICATIONS**

At the request of the Acting Vice President for Administrative Operations, the President recommended that the plans and specifications, bills of materials, and estimates of cost for the following project be approved by the Board of Trustees:

**A. Goss Laboratory—Partial Remodeling—Phase II**

(Freight Elevator Modifications)

The elevator in Goss Laboratory was designed and inspected as a freight elevator with heavy manually operated bi-parting doors. This installation was satisfactory for minimum use. With requirements of the remodeled building space, the addition of power operation for the doors will improve the use and safety factors for employees using the elevator.
June 7, 1973 meeting, Board of Trustees

V. PLANS AND SPECIFICATIONS (continued)

A. Goss Laboratory--Partial Remodeling - Phase II
   (Freight Elevator Modifications) (continued)

   Funds are budgeted in Budget Account 801293 (Goss Laboratory Remodeling).

   Upon motion of Mr. Safford, seconded by Mr. Gushman, the above recommendation was approved by unanimous roll call vote, and the Secretary was authorized and directed to sign the plans and specifications for the above project for and on behalf of the Board of Trustees. Acting Vice President Zimmerman was directed to proceed with a request for bids in the normal University manner and if satisfactory bids are received, to proceed with the award of contracts. All action regarding this matter will be reported to the Board of Trustees at a later meeting.

VI. REPORT OF AWARD OF CONTRACTS (continued)

B. Roadway Repair and Resurfacing--Cannon Drive and Coffey Road

Funds for this project have been provided from Budget Account 125064 (Contract Repair).

Upon motion of Mr. Safford, seconded by Mr. Dunlap, the above award of contracts and expenditure of funds were approved and the action of the Acting Vice President for Administrative Operations was ratified by unanimous roll call vote.

C. Football Radio Network

Bids were solicited for the purchase of a three-year contract (1973 through 1975) to establish a football radio network in accordance with the procedures established by the Ohio Department of Public Works. After analyzing each of the bids received, with the concurrence of legal counsel and the Director of Purchasing, President Enarson recommended that a three-year contract in the amount of $230,400 be entered into between this University and WTVN Radio, Columbus, Ohio.

Mr. Shocknessy made the following comment:

I noticed from the Director's letter that he said these bids were 'responding to our specifications.' I don't remember ever seeing the specifications before this Board, an account of how they were offered, or a record of who prepared them. I realize that legal counsel did the contract but I am interested in where the advice on the validity of this method came from. I agree that it is always nice to make money and there is money to be made here but I haven't seen a contract, I haven't seen the specifications and I don't know what obligations the University might have with respect to this contract. I'm not challenging anybody's competence but this is the first time this issue has ever been, as far as I know, before this Board.

Dr. Moulton, in response to Mr. Shocknessy's comments, indicated that the specifications were developed by Director Weaver, Department of Athletics; the Purchasing Department and with the advice of legal counsel. Further, the procedure that was followed was in full compliance with the bidding procedures established by the Department of Public Works' regulations.

D. Covering of Seats in A and C Decks of Ohio Stadium

Requests for bids to cover seats in A and C Decks of Ohio Stadium were solicited in accordance with the procedures established by the Ohio Department of Public Works. Three of the bids received proposed the use of an aluminum material and one a fiberglass composition, the latter being the apparent low bidder.
June 7, 1973 meeting, Board of Trustees

VI. REPORT OF AWARD OF CONTRACTS (continued)

D. Covering of Seats in A and C Decks of Ohio Stadium

After an analysis of the bids, President Enarson recommended that this contract be awarded to Miracle Recreation Equipment Company, Grinnell, Iowa, at a cost of $109,240.00.

Upon motion of Mr. Harrod, seconded by Mr. Dunlap, the Board of Trustees approved the awarding of the contracts in accordance with the recommendation by seven affirmative votes and Mr. Shocknessy and Dr. Sirak abstaining.

VII. REPORT ON CONTROLLING BOARD ACTIONS PERTAINING TO THE OHIO STATE UNIVERSITY

21 Approves the release of $25,000 from H.B. 988, item 315-074 (Utilities and Renovation), for planning on the two projects known as "Traffic Improvements - North" and "Traffic Improvements - South."

VIII. MISCELLANEOUS FROM OFFICE OF ADMINISTRATIVE OPERATIONS

A. Newark Campus--Expansion of Parking Facilities, Employment of Engineers

President Enarson recommended that the engineering firm of Jobes Henderson Associates, Newark, Ohio, be employed to provide detailed plans and specifications, engineering services and consultation during construction and final acceptance on completion of construction.

The fee for this service will be negotiated on the basis of the standard fee schedule for engineering service by the Ohio Department of Public Works. Preliminary estimate for construction, $200,000.

Funds for this engineering service have been provided from the Newark Reserve Account, Budget Account 149989.

B. Newark Campus--Phase II, Employment of Architects

President Enarson recommended that the architectural firm of Joseph Baker and Associates, Newark, Ohio, be employed to provide complete architectural and engineering services for this project, including preliminary plans, basic drawings, working drawings, specifications, estimates of cost, necessary bidding documents, and supervision of construction.
B. Newark Campus--Phase II, Employment of Architects

Fee to be negotiated based upon the Architects Society of Ohio of the American Institute of Architects recommended minimum cost of service, as modified by the Department of Public Works letter dated September 23, 1969. Estimated construction cost, $1,600,000.

Funds for this architectural service have been provided from H.B. 988, Item 315-085.

Upon motion of Mr. Harrod, seconded by Mr. Dunlap, the above recommendations were approved with eight affirmative votes and Mrs. James abstaining.

IX. REPORTS

A. Report from the Retirement and Insurance Committee

1. Benefit Improvements in Major Medical Insurance Plan for University Employees

As Chairman of the Retirement and Insurance Committee, Mr. Gushman presented the following resolution on behalf of the Committee for adoption by the Board of Trustees:

BE IT RESOLVED, that the major medical insurance plan for faculty, staff, and regular classified employees be amended, effective July 1, 1973, to include the following changes:

(a) The major medical maximum benefit is to be increased from $25,000 to $50,000 per insured person, and the 10% automatic annual restoration provision is to apply to the new $50,000 major medical maximum.

(b) The major medical coinsurance factor is to be increased from 80% to 100% of covered expenses for the balance of a 'period of disability' after an insured person incurs $1,000 of out-of-pocket expenses under the $100 deductible and 20% coinsurance factor ($1,500 out-of-pocket expense requirement for persons without Blue Cross coverage who have $500 deductible).
IX. REPORTS (continued)

A. Report from the Retirement and Insurance Committee (continued)

1. Benefit Improvements in Major Medical Insurance Plan for University Employees (continued)

(c) The above major medical improvements are (i) to be effective July 1, 1973, for insured employees and eligible dependents subject to enforcement of the actively-at-work requirement for employees and the nonconfinement provision for dependents; (ii) not to apply to covered expenses incurred for or as the result of mental and nervous disorders; and (iii) to increase the composite major medical premium rate by $.12 per month from $3.79 to $3.91 per employee.

FURTHER BE IT RESOLVED that the costs associated with providing this additional coverage be funded from available insurance reserve funds.

Upon motion of Mr. Gushman, seconded by Mrs. James, the above resolution was adopted by unanimous roll call vote.

B. Report on the University's Investment Portfolio

The report dated June 7, 1973, as submitted to the Finance and Investment Committee of the Board of Trustees by Mr. Ernest W. Leggett pertaining to the University's Investment Portfolio, was received and ordered to be filed with the official records of the Board of Trustees.

Thereupon the Board adjourned to meet Friday, July 6, 1973, at The Ohio State University Fawcett Center for Tomorrow, Columbus, Ohio, at 1:30 p.m.

Attest:

Revision of Rules 35.01, 35.03, 35.07, 35.09, 35.11, 37.07, 37.09, 37.15, 47.01 of Rules for the University Faculty

On May 8, 1973, the University Senate approved changes in Rules 35.01, 35.03, 35.07, 35.09, 35.11, 37.07, 37.09, 37.15, 47.01 of Rules for the University Faculty. The text of each Rule as modified is as follows:

35.01. Course Examinations.

At the close of each course as defined in Rule 31.01, an examination will be given on the student's capabilities relative to the stated course objectives, the method of examining to be determined by the instructor or supervisor of the course. Examinations in laboratory and seminar courses shall be optional with the instructor concerned.

35.03. Examination Schedules.

Section 1. All examinations shall be centrally scheduled by the Office of Scheduling, except examinations for those classes in which the enrollment is exclusively of students registered in the Colleges of Dentistry, Law, Medicine, Optometry, Pharmacy, or Veterinary Medicine. Examination schedules for these classes will be prepared by the administrative offices of the colleges. All examination schedules prepared outside the Office of Scheduling shall, before publication, be cleared with the Office of Scheduling which shall have the power to resolve all conflicts.

In performing its scheduling function the Office of Scheduling shall limit individual examinations to two-hour duration and the total examination period to no more than five days.

Section 2. The official examination schedules shall be strictly adhered to by all instructors. Any deviation from the official schedules must be approved by the department chairman in consultation with the Office of Scheduling.

35.07. Marks.

The official marks of the University are as follows: A, B, C, D, E, EM, I, K, P, PA/NP, R, S/U, W. These marks shall have the following meaning:

A — The instructor judged the student to have satisfied the stated objectives of the course in an excellent manner. The student's performance was judged to be of this high quality based upon a comparison with other students in the course, and/or with students who have taken the course previously, and/or the instructor's personal expectations relative to the stated objectives of the course, based on his experience and expertise.

B — The instructor judged the student to have satisfied the stated objectives of the course in an above average manner. The student's performance was judged to be of above average quality based upon a comparison with other students in the course, and/or with students who have taken the course previously, and/or the instructor's personal expectations relative to the stated objectives of the course, based on his experience and expertise.
35.07. Marks. (continued)

C -- The instructor judged the student to have satisfied the stated objectives of the course in an average manner. The student's performance was judged to be of average quality based upon a comparison with other students in the course, and/or students who have taken the course previously, and/or the instructor's personal expectations relative to the stated objectives of the course, based on his experience and expertise.

D -- The instructor judged the student to have satisfied the stated objectives of the course in the lowest acceptable manner. The student's performance was judged to be of below average but acceptable quality based upon a comparison with other students in the course, and/or with students who have taken the course previously, and/or the instructor's personal expectations relative to the stated objectives of the course, based on his experience and expertise.

E -- The instructor judged the student not to have satisfied the stated objectives of the course. Credit for a course in which the mark E has been received can be obtained only by repeating and passing the course in class. (See Rules 35.11 and 37.09.)

EM -- Examination.

Section 1. This mark indicates credit given to students registered in the University on the basis of examinations taken prior to or after admission to the University. The level of achievement which must be demonstrated by the student on these examinations in order to receive EM credit shall be determined by the Department or School in which the course is offered for credit, in accord with the criteria for the award of letter grades. This credit, up to a maximum of 45 credit hours, shall be assigned only upon the authorization of the Chairman of the Department or the Director of the School and with the approval of the authorized representative of the Dean or Director of the student's enrollment unit. Additional examination credit hours may be assigned specific curricular programs with the prior approval of the Council on Academic Affairs.

Section 2. Examination credit shall not be given to a student for a course in which he has received a mark at this University. No credit points are allowed for courses in which a mark of EM is given.

I -- Incomplete.

Section 1. An I indicates that the student has completed a major portion of the work in the course in a satisfactory manner, but for reasons judged by the instructor to be legitimate, a portion of the course requirements remains to be completed.
35.07. Marks. (continued)

Section 2. The mark I shall be reported to the Registrar together with the mark which the Registrar is authorized to enter on the student's official record unless a different mark is reported to the Registrar in the manner and within the time described below.

Section 3. The student must complete the work so that the instructor of the course may report the final mark at the earliest possible time, but not later than noon of the sixth Saturday of the quarter following the quarter in which the I was received. For legitimate reason, the instructor may establish a deadline for the completion of the work which is within the maximum time permitted. Upon petition of the student within this period, the authorized representative of the Dean or Director of the enrollment unit in which the student was last enrolled after consultation with the instructor of the course, or, if the instructor is unavailable, the Chairman of the department involved, may for good reason allow a student additional time in which to complete the work. Generally, this shall not be longer than the end of the quarter following the quarter in which the I was received. Any decision extending the period shall set forth the time in which the student shall complete the work and a copy of the decision shall be forwarded to the Registrar.

Section 4. As soon as the incomplete work has been made up, the instructor, or in the case of his absence from the University, the Department Chairman or the Director of the School, shall file the proper mark in the Registrar's Office. Until such time as a final mark is recorded the credit for the mark I shall be counted as hours only, and shall not be considered in determining a student's point-hour ratio under Rule 37.05.

Section 5. In no case shall a student who has received the mark I be permitted to repeat the course in which such mark was received until such time as the I has been removed and then only in such cases as fall within Rule 37.09.

K -- Credit.
This mark shall be used for work credited from other institutions by the Director of Admissions only. K credit shall be counted as hours only and shall not be considered in determining a student's point-hour ratio under Rule 37.05.

P -- Progress.
Section 1. This mark is used to indicate that the student has shown satisfactory progress in a series or sequence of courses where the mark is not recorded until the final quarter of the series or sequence is completed. Until such time as a final mark is recorded, the mark of P shall be given and the credit shall be
35.07. Marks. (continued)

counted as hours only, and shall not be considered in determining a student's point-hour ratio under Rule 37.05. When a final mark is submitted by the instructor, all previous P marks shall assume and be recorded with the value of the final mark.

Section 2. P mark is not to be used for any course approved for the S/U mark.

PA/NP—Pass/Non-Pass. This mark may be used at the option of the student.

Section 1. This grading pattern may be chosen by the undergraduates or Continuing Education students for a maximum of 30 credit hours.

Section 2. Among these 30 credit hours, an undergraduate student may elect Pass/Non-Pass grading for any or all University required courses. (See Rule 31.07.)

An undergraduate student who has accumulated a point-hour ratio of 2.0 or higher may elect courses for Pass/Non-Pass that are not required or designated as required electives in the curriculum leading to the degree for which the student is a candidate.

A student registered in the Division of Continuing Education who has an accumulated point-hour ratio of 2.0 or higher may elect courses for Pass/Non-Pass for a maximum of 30 credit hours.

Section 3. Hours graded Pass (PA) count toward the degree. Pass/Non-Pass marks (PA/NP) are not computed in the point-hour average of the student.

Section 4. Before noon of the sixth Saturday of a quarter or the third Saturday of a term, a student must have declared his intention to take a course on the Pass/Non-Pass basis by filing the appropriate forms with the Dean or Director of his enrollment unit (students in Physical Education and Military Science file the forms in those departmental offices). A student may not change to or from the Pass/Non-Pass Option after noon of the sixth Saturday of a quarter or the third Saturday of a term.

Section 5. The instructor will submit PA or NP marks to the Registrar for those students selecting the grading pattern.

Section 6. The grade Pass (PA) is the equivalent of the grades ABCD, and the grade Non-Pass (NP) is the equivalent of the grade E.
R -- Registered to Audit. This mark indicates that the student has registered to audit the course. No credit hours shall be awarded for this mark. (See Rule 37.11.)

S/U -- Satisfactory/Unsatisfactory.

Section 1. The mark S may be used to record either satisfactory progress in or completion of work, provided that the course has been approved for this mark by the Dean of the College offering the course, and in the case of courses carrying graduate credit, by the Dean of the Graduate School. It shall be used as an alternative to U or I in all individual studies courses whatever their number. S credit shall be counted as hours only, and shall not be considered in determining a student's point-hour ratio under Rule 37.05.

Section 2. The mark U shall be used for unsatisfactory work in courses in which a student would be entitled to the mark of S if his work had been satisfactory. No credit shall be given for work marked U. This mark shall not be considered in determining a student's point-hour ratio under Rule 37.05.

W -- Withdrew. This mark is used for students wishing to withdraw from one or more but not all courses in a quarter.

Section 1. An undergraduate who desires to withdraw from any course must declare his intention by filing the appropriate form with the authorized representative of the Dean or Director of his enrollment unit.

Section 2. Until noon of the fourth Saturday of a quarter (third Saturday of a term) an undergraduate student may withdraw from one or more courses which began in the same quarter (or term), and no mark will be entered on the student's official permanent record.

Section 3. After noon of the fourth Saturday of a quarter and until noon of the seventh Saturday of a quarter, if an undergraduate student withdraws from one or more but not all courses which began in the same quarter, the Registrar is authorized to enter the mark W on the student's official permanent record.

Section 4. After noon of the seventh Saturday of a quarter, (third Saturday of a term) an undergraduate student, who because of extenuating circumstances finds it necessary to withdraw from one or more courses, must file the appropriate petition with the authorized representative of the Dean or Director of his enrollment
35.07. Marks. (continued)

unit. Upon approval of the petition, the Registrar, as directed by the instructor in the course, is authorized to enter the grade W or E on the student's official permanent record.

Section 5. The Graduate School and graduate professional colleges shall formulate appropriate rules to govern withdrawal from courses in their respective curricula, subject to the approval of the Council on Academic Affairs, and publish these rules in their respective bulletins.

Section 6. For procedures for withdrawal from the University, see Rule 47.01.

Section 7. For provision regarding return of fees, see Rule 43.09.

- o -

Upon completion of the course requirements marks for every student shall be reported to the Office of the Registrar in accord with deadlines listed in the Quarterly Master Schedule of Classes.

- o -

35.11. Alteration of Marks.

Section 1. A mark filed in the Office of the Registrar is a part of the official records of the University. It is not subject to change except upon written authorization of the instructor of the course, the appropriate Department Chairman or Director of the School and the Dean of the instructor's college and of the authorized representative of the Dean or Director of the student's enrollment unit. Such change shall be made only when a clerical error has been discovered.

Section 2. An undergraduate student who has received a grade of D or E in a course or courses taken during his freshman year (the period during which the student accumulates the first 48 credit hours on his official permanent record) may repeat or substitute up to 15 credit hours of such courses subject to the following regulations:

a. The course serving as a repetition or substitute for a course in which a grade of D or E was received must be recommended by the student's advisor and have the approval of the authorized representative of the Dean or Director of the student's enrollment unit, before noon of the third Saturday of the quarter in which the substitute course is taken.
Revision of Rules 35.01, 35.03, 35.07, 35.09, 35.11, 37.07, 37.09, 37.15, 47.01 of Rules for the University Faculty (continued)

35.11. Alteration of Marks. (continued)

b. The mark or grade received in the repeated or substitute course shall be entered on the student's permanent record and count toward his accumulative point-hour average and credit hours toward graduation. The original course and mark shall remain on the student's permanent record but will not count on his accumulative point-hour average or credit hours toward graduation.

c. Courses repeated or substituted according to this rule shall be completed no later than the end of the quarter during which the student will have accumulated a total of 98 credit hours.

Section 3. The Graduate School and graduate professional colleges may formulate appropriate modifications of Section 2 of this rule, subject to the approval of the Council on Academic Affairs, and publish the rule in their bulletins.

- o -

37.07. Failure in a Required Course.

Except for an undergraduate student who has received a mark of E for courses taken during his first or freshman year (see Rule 35.11, Section 2), an undergraduate or professional student who has not been dismissed from the University must repeat in class, at his first opportunity, a required course which he has failed, unless a substitute course is approved by the authorized representative of the Dean or Director of his enrollment unit upon the recommendation of the Chairman of the Department or of the Director of the School involved. A graduate student who has not been dismissed from the University must repeat in class a required course which he has failed only if required to do so by his adviser.

- o -

37.09. Repetition of Courses.

Section 1. An undergraduate student who has received a mark of D or E for courses taken during his first or freshman year at this University may repeat the course as provided in Rule 35.11, Section 2. Otherwise a student who has received a mark of D or Non-Pass in any other course at this University may repeat the course for credit at his option.

Section 2. An undergraduate student (other than a freshman) or a professional student, as defined in Rule 41.03, who has received a mark of D in a course at this University may repeat the course for credit only upon the recommendation of the authorized representative of the Dean or Director of his enrollment unit. A graduate student, as defined in Rule 41.03, may, when approval is given by his advisor, repeat for credit any course in which he has received a mark of D.
37.09. Repetition of Courses. (continued)

Section 3. An undergraduate or professional student, as defined in Rule 41.03, who has received a mark of A, B, C or Pass in a course taken at this University or elsewhere may repeat the course only as an auditor, upon receipt of permission by the Chairman of the Department and the authorized representative of the Dean or Director of his enrollment unit. A graduate student, as defined in Rule 41.03, may, after a period of five years, and when approval is given by the Graduate Committee of his Department and the Dean of the Graduate School, repeat for credit a course in which he has received a mark of A, B, or C.

Section 4. A student who has audited a course may subsequently repeat the course for credit with the permission of the authorized representative of the Dean or Director of his enrollment unit.

Section 5. The credit hours for a repeated course shall in no case be counted more than once in meeting graduation requirements.

- o -

37.15. Withdrawal from Courses.

Section 1. An undergraduate who desires to withdraw from any course must declare his intention by filing the appropriate form with the authorized representative of the Dean or Director of his enrollment unit.

Section 2. Until noon of the fourth Saturday of a quarter (third Saturday of a term) an undergraduate student may withdraw from one or more but not all courses which began in the same quarter (or term), and no mark will be entered on the student's official permanent record.

Section 3. After noon of the fourth Saturday of a quarter and until noon of the seventh Saturday of a quarter, if an undergraduate student withdraws from one or more but not all courses which began in the same quarter, the Registrar is authorized to enter the mark W on the student's official permanent record.

Section 4. After noon of the seventh Saturday of a quarter, an undergraduate student, who because of extenuating circumstances finds it necessary to withdraw from one or more courses, must file the appropriate petition with the authorized representative of the Dean or Director of his enrollment unit. Upon approval of the petition, the Registrar, as directed by the instructor in the course, is authorized to enter the grade W or E on the student's official permanent record.

Section 5. The Graduate School and graduate professional colleges shall formulate appropriate rules to govern withdrawal from courses in their respective curricula, subject to the approval of the Council on Academic Affairs, and publish these rules in their respective bulletins.

Section 6. For withdrawal from the University see Rule 47.01.

508
37.15. Withdrawal from Courses. (continued)

Section 7. For provision regarding return of fees, when applicable, see Rule 43.09.

- o -

47.01. Withdrawal from the University.

Section 1. A student who withdraws from the University, which indicates withdrawal from all courses which began in the same quarter, must declare his intention by filing the appropriate form with the authorized representative of the Dean or Director of his enrollment unit. (For withdrawal from courses see Faculty Rule 37.15.)

Section 2. An undergraduate student who withdraws from all courses which began in the same quarter shall be considered to have withdrawn from the University, in which case no marks but a dated notation "withdrew" shall be entered on the student's official permanent record.

Section 3. A student who withdraws from the University without communicating with the authorized representative of the Dean or Director of his enrollment unit and without officially withdrawing from all courses which began in the same quarter, will have a mark of E entered on his permanent record for all such courses.

Section 4. For provision regarding return of fees, when applicable, see Faculty Rule 43.09.
