This project will renovate the existing Operating Rooms on the 4th Floor of the North Main Hospital Building at OSU East. The renovation scope will address upgrades to meet current Joint Commission requirements (FGI 2018). The ORs range in size from 365-578 SF. This project will go from 10 ORs to 9, as part of a projected 7-phase construction project. The existing operating room size will be enlarged to accommodate updated codes and clearances, add more designated storage areas, and add additional workspace. Two new air handler units will also be installed, to meet the growing OR capacity need.

**PROJECT FUNDING:** Auxiliary funds

**PROJECT UPDATE:** Construction documents are complete, and estimates are being finalized with the GMP to follow.

PUBLIC SESSION

The Master Planning & Facilities Committee of The Ohio State University Board of Trustees convened on Thursday, November 16, 2023, in person at the Longaberger Alumni House on the Columbus campus and virtually over Zoom. Committee Chair Alan A. Stockmeister called the meeting to order at 8:00 a.m.

Items for Discussion

1. Committee Chair’s Remarks: Mr. Alan Stockmeister started the meeting by welcoming Trustee George Skestos to the committee.

2. Physical Environment Scorecard: Mr. Jay Kasey, senior vice president, Office of Administration and Planning, presented the Physical Environment Scorecard, which tracks metrics related to campus operations and safety.

   (See Attachment X for background information, page XX)

3. Major Project Updates: Mark Conselyea, vice president, Facilities Operations and Development provided the standard report on all projects over $20M. The projects on this update that are being watched closely are the Interdisciplinary Health Sciences project for schedule, the Newark Founders Hall project for budget, the CHP project and the Campbell Hall project for both schedule and budget.

   (See Attachment X for background information, page XX)

4. Facilities Operations & Development (FOD) Annual Report: Mr. Mark Conselyea shared the FOD annual report. This report is required by Board policy and summarized the capital project activity over the last fiscal year, provided data on active projects and expenditures, and information on other key FOD initiatives.

   (See Attachment X for background information, page XX)

5. Sustainability Goals Update: Mr. Jay Kasey presented an update on the six Resource Stewardship goals. The annual report details the key metrics that support each goal, progress toward goal attainment and action items planned for the next fiscal year. The Ohio State Energy Partners Scorecard was not reviewed as a group.
Items for Action

6. Approval of Minutes: No changes were requested to the August 17, 2023, meeting minutes; therefore, a formal vote was not required, and the minutes were considered approved.

7. Resolution No. 2024-49: Approval of Ohio State Energy Partners Fiscal Year 2024 Utility System Capital Improvements Plan:

   - Utility System Life-Cycle Renovation, Repair and Replacement Projects
   - Utility System Expansion and Extension Projects
   - Energy Conservation Measure Projects

Synopsis: Approval of the Ohio State Energy Partners LLC (“OSEP”) utility system capital improvements plan (“OSEP CIP”) for fiscal year 2024; authorization for OSEP to make such capital improvements pursuant to the terms of the First Amended and Restated Long-Term Lease and Concession Agreement for The Ohio State University Utility System dated July 20, 2018, and as amended (the “Agreement”).

WHEREAS the Agreement requires OSEP to annually submit an OSEP CIP for approval; and

WHEREAS the OSEP CIP includes the requested approval of these utility system capital improvement projects for the fiscal year beginning July 1, 2023; and

WHEREAS OSEP has provided detailed descriptions of the proposed capital improvement projects, including the construction schedules, supporting technical data, and analysis, pursuant to Section 4.3(c) of the Agreement; and

WHEREAS these utility system capital improvement projects will be delivered pursuant to the terms of the Agreement, including the schedules as detailed in the project approval requests; and

WHEREAS these capital expenditures for the approved OSEP CIP utility system projects will be added to the utility fee pursuant to the Agreement and any associated university directives; and

WHEREAS the university has reviewed and considered the financial, technical, and operational aspects of the OSEP CIP and its alignment with university plans and sustainability goals; and

WHEREAS the Master Planning & Facilities Committee has reviewed the OSEP CIP for alignment with all applicable campus plans and guidelines; and

WHEREAS the Finance & Investment Committee has reviewed the OSEP CIP for alignment with the Capital Investment Plan and other applicable financial plans:

NOW THEREFORE

BE IT RESOLVED, That the Board of Trustees hereby approves the fiscal year 2024 OSEP CIP; and

BE IT FURTHER RESOLVED, That the Board of Trustees authorizes OSEP to proceed with these fiscal year 2024 capital improvements to the Utility System as outlined in the attached materials

9. Resolution No. 2024-51: Approval for Disposition of Real Property:

Synopsis: Authorization to sell real property located at 7706 Olentangy River Road, Columbus, Franklin County, Ohio, is proposed.

WHEREAS The Ohio State University seeks to sell approximately 0.74 acres of improved real property located at 7706 Olentangy River Road, Columbus, Ohio, identified as Franklin County parcel number 610-233931; and

WHEREAS the property no longer aligns with the Wexner Medical Center's ambulatory care strategy; and

WHEREAS the Wexner Medical Center plans to use the sale proceeds for future strategic initiatives:

NOW THEREFORE

BE IT RESOLVED, That the Board of Trustees hereby approves that the President and/or Senior Vice President for Business and Finance shall be authorized to take any action required to effect
the sale of the property upon terms and conditions deemed to be in the best interest of the university and at a sale price at or above appraisal value.

10. Resolution No. 2024-52: Approval for Acquisition of Real Property:

Synopsis: Authorization to purchase real property located at 1795 Oil City Road, Wooster Township, Wayne County, Wooster, Ohio, is proposed.

WHEREAS The Ohio State University seeks to purchase approximately 3 acres of improved real property located at 1795 Oil City Road near Wooster, Ohio, identified as Wayne County parcel number 56-02341.000 and which is adjacent to the Wooster Campus; and

WHEREAS the university has been leasing the site for use as a farm machinery service, repair, and maintenance facility, for storage of agricultural seed and fertilizer, and as a home base for field operation staff; and

WHEREAS the College of Food, Agricultural and Environmental Sciences had identified this site as needed for long term strategic purposes and the landlord is willing to sell the property:

NOW THEREFORE

BE IT RESOLVED, That the Board of Trustees hereby approves that the President and/or Senior Vice President for Business and Finance shall be authorized to take any action required to effect the purchase of the aforementioned property upon terms and conditions deemed to be in the best interest of the university and at a sale price at or below the appraised value.

11. Resolution No. 2024-53: Approval for Ground Lease of Real Property:

Synopsis: Authorization to ground lease real property located along West Dublin Granville Road, Columbus, Franklin County, Ohio, is proposed.

WHEREAS The State of Ohio and The Ohio State University were selected through a competitive process as the preferred site for the Voyager Space, Starlab, ground-based Terrestrial Analog Facility; and

WHEREAS In furtherance of the project, and in accordance with the selection process, The Ohio State University seeks to ground lease approximately 10 acres of unimproved real property located along West Dublin Granville Road, Columbus, Ohio, identified as a portion of Franklin County, parcel number 610-159038 as further identified on the attached map and titled to The Board of Trustees of The Ohio State University; and

WHEREAS the university has determined the location to be suitable for development of commercial research facilities; and

WHEREAS the ground lessee will develop and construct a commercial research facility and may develop related facilities on the premises.

NOW THEREFORE

BE IT RESOLVED, That the President and/or Senior Vice Presidents for Business and Finance and Administration and Planning be authorized to take any action required to effect the leasing of approximately 10 acres of unimproved real property to Voyager Space Science Park, LLC for development of an aerospace research facility and related facilities, for a term of 40 years with two, ten-year renewals, an abatement of rent for 25 years, and a five-year right of first refusal to lease up to 70 acres of adjacent land, along with such additional terms and conditions that are deemed to be in the best interest of the university.

Approval for Disposition of Real Property
364 West Lane Avenue, Riverwatch Tower
City of Columbus, Franklin County, Ohio
Board Background

Background

The university seeks Board approval to enter into a contract for the sale of 26 condominium units within the property commonly known as Riverwatch Tower located at 364 West Lane Avenue, Columbus, Ohio. Disposition of the property aligns with the university's land asset management goals of strategic divestment and investment of properties to optimize real estate holdings in support of current and future needs and supports the guiding principles outlined in the university framework plan.

Location and Description

The affected property consists of condominium units #101-126 totaling approximately 9,266 square feet within the property commonly known as Riverwatch Tower located at 364 West Lane Avenue. The parcel numbers are 010-207717-00, 010-207718-00, 010-207719-00, 010-207720-00, 010-207721-00, 010-207722-00, 010-207723-00, 010-207724-00, 010-207725-00, 010-207726-00, 010-207727-00, 010-207728-00, 010-207729-00, 010-207730-00, 010-207731-00, 010-207732-00, 010-207733-00, 010-207734-00, 010-207735-00, 010-207736-00, 010-207737-00, 010-207738-00, 010-207739-00, 010-207740-00, 010-207741-00, 010-207742-00

Property History

The university acquired the subject property on September 6, 1995, and it is titled to The State of Ohio. The Riverwatch Tower consists of 321 condo units, of which Ohio State owns 9,266 square feet of ground floor office space, equating to 26 office condo units. The space has been vacant since early 2023, but the university continues to pay annual utility costs and HOA fees.

The university has received a bonified offer, commissioned a market study and appraisal to check valuation, and now seeks authorization to finalize a sale contract.

Sale of Property

Planning, Architecture and Real Estate recommends that the above referenced property be sold under terms and conditions that are deemed to be in the best interest of the university and at a sale price at or above the appraised value.

Synopsis: Authorization to sell real property located along Dover Road, Franklin Township, Wayne County, Ohio, is proposed.

WHEREAS The Ohio State University seeks to sell approximately 0.5 acres of property along Dover Road, identified as being a portion of Wayne County parcel number 30-01372.000; and

WHEREAS the property has been deemed excess and sale of the property will not affect the College of Food, Agricultural, and Environmental Sciences operations.

NOW THEREFORE

BE IT RESOLVED, That the Board of Trustees hereby approves that the President and/or Senior Vice President for Business and Finance shall be authorized to take any action required to effect the sale of the aforementioned property upon terms and conditions deemed to be in the best interest of the university and at a sale price at or above the appraised value.
Background

In July 2023, the university sold two (2) acres of property to an adjacent landowner in Wayne County on Dover Road, Wooster, Ohio. The landowner intended to expand his business, but as project design proceeded, he discovered that the required drainage improvements to support the project would be more extensive than anticipated. He requested to acquire an additional 0.5 acres from the university. This 0.5 acres may be split and sold from the adjacent university tract without affecting CFAES operations, and the university will retain access to Dover Road.

Locations and Description

The subject property consists of approximately 0.5 acres located on Dover Road, Franklin Township, Wayne County, Ohio. The proposed sale acreage will be split from Wayne County parcel identification number 30-01372.000. The land was originally acquired in 1954 and has been used for agricultural purposes.

Disposition of Property

Planning, Architecture and Real Estate (PARE), together with CFAES, recommend disposition of the identified property under terms and conditions that are deemed to be in the best interest of the university. The disposition of sale proceeds will be to CFAES to fund acquisition of other strategic properties that are aligned with CFAES’ current and future research and academic goals and to support infrastructure improvements across the college.
Synopsis: Authorization to acquire property from the City of Columbus described as Oakwood Alley and Franciscan Way between Burt Street, Taylor Avenue, Long Street and Hawthorne Avenue, Columbus, Ohio and being approximately 0.277 acres of land.

WHEREAS at the request of the university, the City of Columbus has offered to sell the above described alleys for $6,750 ($0.57 per square foot), subject to approval of the sale by the City of Columbus Council; and

WHEREAS the purchase of this property supports the university’s plan to maintain the adjacent parking lots for patients, staff, and visitors:

NOW THEREFORE BE IT RESOLVED, that the Board of Trustees hereby approves that the President and/or Senior Vice President for Business and Finance shall be authorized to take any action required to effect the purchase of the aforementioned property upon the terms and conditions deemed to be in the best interest of the university and at a sale price at or below the appraised value.
Background

The Ohio State East Hospital (East Hospital) owns the parking lots south of Hawthorne Avenue between Burt Street and Taylor Avenue. Two City of Columbus public alleys, Oakwood Alley and Franciscan Way, are used to access the parking lots. These alleys have long been maintained by East Hospital, and the hospital would like to acquire the alleys to more effectively maintain the lots.

The university submitted a request to the City of Columbus to release the two right of ways. The City has agreed to sell the area at a cost of $6,750 ($0.57 per square foot) subject to final City approvals and to retention of a general utility easement for those utilities currently located within the alleys.

Location and Description

The subject property consists of approximately 0.277 acres between Burt Street, Taylor Avenue, Hawthorne Avenue and Long Street, Columbus, Ohio.

Property History

The property is currently vested in the City of Columbus as public right of way.

Purchase of Property

Planning, Architecture and Real Estate, together with the Wexner Medical Center, recommend that the university proceed with acquisition of the land upon terms and conditions deemed to be in the best interest of the university. Wexner Medical Center will provide the acquisition funds.

The Ohio State University Board of Trustees
55+/- ACRES AT 1781 DOVER ROAD,
WOOSTER TOWNSHIP, WAYNE COUNTY, WOOSTER, OHIO

Synopsis: Authorization to acquire real property located at 1781 Dover Road, Wooster Township and Franklin Township, Wayne County, Wooster, Ohio, is proposed.

WHEREAS The Ohio State University seeks to purchase approximately 55 acres of improved real property located at 1781 Dover Road near Wooster, Ohio, identified as Wayne County parcel numbers 56-00763.000, 56-00761.000, 56-02326.004, 30-00423.000, 30-00422.000, & 30-00421.000 and which is adjacent to the Wooster Campus; and

WHEREAS the purchase of this property supports the university’s ability to research emerging technologies and crops and improve experiential learning; and

WHEREAS the College of Food, Agricultural and Environmental Sciences had identified this site as needed for long term strategic purposes consistent with their 2021 Master Plan:

NOW THEREFORE

BE IT RESOLVED, That the Board of Trustees hereby approves that the President and/or Senior Vice President for Business and Finance shall be authorized to take any action required to effect the purchase of the aforementioned property upon terms and conditions deemed to be in the best interest of the university and at a sale price at or below the appraised value.
Background

The College of Food, Agricultural, and Environmental Sciences (CFAES) would like to purchase 55 acres of farmland located at 1781 Dover Road, Wooster, Ohio. The property is proximate to the core CFAES Wooster campus and adjacent to other OSU property used for agricultural research. Acquisition of this farm aligns with the 2021 CFAES Master Plan and land strategy which included recommendations for strategic divestment and investment to align land/facilities with current and future needs. This acquisition specifically supports the goal of building a central campus core and consolidating landholdings that previously were in pockets and further from the central campus. The acquisition of this property will enhance CFAES research and experiential learning capacity with a focus on specialty crops. The proximity of the site to existing core campus will also improve CFAES’ agricultural operations efficiencies by moving research closer to the core campus and support facilities. The acquisition will also enable future divestment that is central to the overall strategy described here. The Board of Trustees has previously approved other divestments and investments that were part of the 2021 CFAES Master plan and land strategy.

Locations and Description

The subject property consists of 55 acres at 1781 Dover Road, Wooster Township, Wayne County, Wooster, Ohio and is adjacent to the CFAES Wooster Campus. The Wayne County parcel numbers are 56-00763.000, 56-00761.000, 56-02326.004, 30-00423.000, 30-00422.000, and 30-00421.000. The property includes a residence that was built in 1961.

Property History

The property has historically been used for agricultural purposes.

Purchase of Property

Planning, Architecture and Real Estate, together with CFAES, recommends that the university proceed with the acquisition of land with improvements upon terms and conditions deemed to be in the best interest of the university. CFAES will provide the acquisition funds.
APPROVAL FOR A PERPETUAL SANITARY SEWER EASEMENT

0.561 ACRES AT WOODY HAYES DRIVE AND CANNON DRIVE,
COLUMBUS, FRANKLIN COUNTY, OHIO

Synopsis: Authorization to grant a perpetual sanitary sewer easement located near Cannon Drive and Woody Hayes Drive, Columbus, Franklin County, Ohio, to the City of Columbus, is proposed.

WHEREAS the City of Columbus has requested an easement for sanitary sewer purposes be granted for $1.00 across 0.561 acres of university land at Woody Hayes Drive and Cannon Drive; and

WHEREAS the sanitary sewer supports the west campus expansion; and

WHEREAS the City of Columbus will be responsible for the costs and expenses of the ongoing operation and maintenance of the sewer.

NOW THEREFORE BE IT RESOLVED, That the Board of Trustees hereby approves that the President and/or Senior Vice President for Business and Finance shall be authorized to take any action required to affect the grant of the easement upon terms and conditions deemed to be in the best interest of the university.
Background

In 2023, the university completed construction of a new 36-inch sanitary sewer across the Olentangy River to support future expansion of west campus. The sewer was constructed south of the Woody Hayes Drive bridge and west of Cannon Drive. It was turned over to the City of Columbus (City) for ongoing maintenance and operations through a 25-year sewer easement granted by OSU to the City. This easement was intended to serve as an interim step until approval for a perpetual easement could be granted. Once Board of Trustees approval is obtained, the university can move forward with obtaining legislative authority to grant the perpetual easement. The City requested that the perpetual easement be granted for $1.00.

Location and Description

The property impacted by the proposed perpetual easement includes portions of Franklin County parcel identification numbers 010-067007 and 010-203994. The property is located within the City of Columbus and lies within the university Columbus campus. The easement area comprises 0.561 acres.

Easement Recommendation

Planning, Architecture and Real Estate (PARE) recommends execution of the perpetual easement under terms and conditions in the best interest of the university. This action is being brought before the Board of Trustees because easements for terms greater than 25 years require Board approval.
