“I thought the OSU event was an absolute blast! I go to a few career fairs each year and they’re so robotic, with maybe two minutes to spend with each student. This event was fun and more engaging because I had real conversations with each student that sat down. I got more out of it, and I think they did too.”

The Research, Innovation & Strategic Partnerships Committee of The Ohio State University Board of Trustees convened on Thursday, February 22, 2024, in person at the Longaberger Alumni House on the Columbus campus. Committee Chair Lewis Von Thaer called the meeting to order at 12:57 p.m.

PUBLIC SESSION

Items for Discussion

1. Quarterly Highlights for Research, Innovation and Knowledge, and conversation with 2023 Nobel Prize Laureate in Physics – Dr. Pierre Agostini: The committee welcomed Professor Emeritus Pierre Agostini, 2023 Nobel Laureate for Physics, and his former lab partner and current professor in physics, Lou DiMauro. Following, Dr. Mohler provided a brief overview of research and innovation highlights from the last quarter.

(See Attachment X for background information, page number XX)

2. Ohio State’s Research and Development Expenditures Highlights: Dr. Mohler gave an overview of Ohio State’s current rankings in research expenditures. He highlighted Ohio State’s fiscal year 2023 research expenditure data, including a new overall record for total research expenditures for the university. He concluded with positive data on trends in proposal development.

(See Attachment X for background information, page number XX)

Item for Action

3. Approval of Minutes: No changes were requested to the November 16, 2023, meeting minutes; therefore, a formal vote was not required, and the minutes were considered approved.

EXECUTIVE SESSION

It was moved by Mr. Von Thaer seconded by Mr. Perez that the committee recess into executive session to consider business-sensitive trade secrets required to be kept confidential by federal and state statutes and to consult with legal counsel regarding pending or imminent litigation.
A roll-call vote was taken, and the committee voted to go into executive session with the following members present and voting: Mr. Von Thaer, Dr. Wilkinson, Mr. Perez, Mr. Kastan, Mr. Skestos, Ms. Schwein, Dr. Popovich and Dr. Fujita.

The committee entered executive session at 1:25 p.m., and the meeting adjourned at 2:25 p.m.
